AN ACT Relating to local government; amending section .01.05, chapter 79, Laws of 1947 as amended by section 1, chapter 13, Laws of 1975-'76 2nd ex. sess. and RCW 48.01.050; and adding new sections to Title 48 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. The legislature finds that local governmental entities in this state are experiencing a trend of vastly increased insurance premiums for the renewal of identical insurance policies, that fewer insurance carriers are willing to provide local governmental entities with insurance coverage, and that some local governmental entities are unable to obtain desired insurance coverage.

It is the intent of this legislation to clearly provide for the authority of local governmental entities to individually self-insure, purchase individual insurance coverage, and obtain risk management services. It is also the intent of this legislation to grant local governmental entities the maximum flexibility to enter into agreements with each other to provide joint programs, which include programs for the joint purchasing of insurance, joint self-insuring, and joint contracting for or hiring personnel to provide risk management services.

NEW SECTION. Sec. 2. As used in sections 1 through 12 of this act, the term "local governmental entity" shall mean every unit of local government, both general purpose and special purpose, and shall include, but not be limited to, counties, cities, towns, port districts, public utility districts, water districts, sewer districts, school districts, fire protection districts, irrigation districts, metropolitan municipal corporations, conservation districts, and other political subdivisions, governmental subdivisions, municipal corporations, and quasi municipal corporations.

NEW SECTION. Sec. 3. The governing body of any local governmental entity may, as an alternative or in addition to the establishment of a self-insurance fund or the purchasing of insurance, contract for or hire personnel to provide risk management services. Funds made available and funds expended by school districts and educational service districts for the purpose of implementing any provision of sections 1 through 12 of this act
