NEW SECTION. Section 1. There is added to chapter 41.40 RCW a new section to read as follows:

(1) Notwithstanding any provision of law to the contrary, effective July 1, 1979, no beneficiary receiving a retirement allowance pursuant to this chapter shall receive, as the pension portion of that retirement allowance, less than ten dollars per month for each year of service creditable to the person whose service is the basis of the pension. Portions of a year shall be treated as fractions of a year and the decimal equivalent shall be multiplied by ten dollars. Where the pension payable was adjusted at the time benefit payments to the beneficiary commenced, the minimum pension provided in this section shall be adjusted in a manner consistent with that adjustment.

(2) The provisions of subsection (1) of this section shall not be applicable to those receiving benefits pursuant to RCW 41.40.220(1), 41.44.170(5), or 41.40.610 through 41.40.740.

NEW SECTION. Sec. 2. There is added to chapter 41.32 RCW a new section to read as follows:

(1) Notwithstanding any provision of law to the contrary, effective July 1, 1979, no beneficiary receiving a retirement allowance pursuant to this chapter shall receive, as the pension portion of that retirement allowance, less than ten dollars per month for each year of service creditable to the person whose service is the basis of the pension. Portions of a year shall be treated as fractions of a year and the decimal equivalent shall be multiplied by ten dollars. Where the pension payable was adjusted at the time benefit payments to the beneficiary commenced, the minimum pension provided in this section shall be adjusted in a manner consistent with that adjustment.

(2) Notwithstanding any provision of law to the contrary, effective July 1, 1979, the retirement allowance of each beneficiary who either is receiving benefits pursuant to RCW 41.32.520 or 41.32.550 as of December 31, 1978, or commenced receiving a monthly retirement allowance under this chapter as of a date no later than July 1, 1974, shall be permanently increased by a post—retirement adjustment. This adjustment shall be in lieu of any adjustments provided under RCW 41.32.499(6) as of July 1, 1979, or July 1, 1980, for the affected beneficiaries. Such adjustment shall be calculated as follows:

(a) Retirement allowances to which this subsection and subsection (1) of this section are both applicable shall be determined by first applying subsection (1) and then applying this subsection. The department shall determine the total years of creditable service and the total dollar benefit base accrued as of December 31, 1978, except that this determination shall take into account only those beneficiaries to whom this subsection applies;

(b) The department shall multiply the total benefits determined in (a) of this subsection by six percent and divide the dollar value thus determined by the total service determined in (a) of this subsection. The resultant figure
shall then be a post-retirement increase factor which shall be applied as specified in (c) of this subsection;

(c) Each beneficiary to whom this subsection applies shall receive an increase which is the product of the factor determined in (b) of this subsection multiplied by the years of creditable service.

(3) The provisions of subsections (1) and (2) of this section shall not be applicable to those receiving benefits pursuant to RCW 41.32.540 or 41.32-760 through 41.32.825.

NEW SECTION. Sec. 3. There is added to chapter 43.43 RCW a new section to read as follows:

(1) Notwithstanding any provision of law to the contrary, effective July 1, 1979, no beneficiary receiving a retirement allowance pursuant to this chapter shall receive less than ten dollars per month for each year of service creditable to the person whose service is the basis of the retirement allowance. Portions of a year shall be treated as fractions of a year and the decimal equivalent shall be multiplied by ten dollars. Where the retirement allowance was adjusted at the time benefit payments to the beneficiary commenced, the minimum retirement allowance provided in this subsection shall be adjusted in a manner consistent with that adjustment. The minimum retirement allowance provided in this subsection shall not be applicable to those receiving benefits pursuant to RCW 43.43.040 or 43.43.270 (3) or (4).

(2) Notwithstanding any provision of law to the contrary, effective July 1, 1979, the retirement allowance of each beneficiary who either is receiving benefits pursuant to RCW 43.43.270 as of December 31, 1978, or commenced receiving a monthly retirement allowance under this chapter as of a date no later than July 1, 1974, shall be permanently increased by a post-retirement adjustment. This adjustment shall be in lieu of any adjustments provided under RCW 43.43.260(5) as of July 1, 1979, or July 1, 1980, for the affected beneficiaries, except that in no case shall such adjustment be less than the total of those which would be provided under RCW 43.43.260(5) as of July 1, 1979, and July 1, 1980. Such adjustment shall be calculated as follows:

(a) Retirement allowances to which this subsection and subsection (1) of this section are both applicable shall be determined by first applying subsection (1) and then applying this subsection. The department shall determine the total years of creditable service and the total dollar benefit base accrued as of December 31, 1978, except that this determination shall take into account only those beneficiaries to whom this subsection applies;

(b) The department shall multiply the total benefits determined in (a) of this subsection by six percent and divide the dollar value thus determined by the total service determined in (a) of this subsection. The resultant figure shall then be a post-retirement increase factor which shall be applied as specified in (c) of this subsection;
(c) Each beneficiary to whom this subsection applies shall receive an increase which is the product of the factor determined in (b) of this subsection multiplied by the years of creditable service.

NEW SECTION. Sec. 4. There is added to chapter 2.12 RCW a new section to read as follows:

(1) Notwithstanding any provision of law to the contrary, effective July 1, 1979, no person receiving a monthly benefit pursuant to this chapter shall receive a monthly benefit of less than ten dollars per month for each year of service creditable to the person whose service is the basis of the retirement allowance. Portions of a year shall be treated as fractions of a year and the decimal equivalent shall be multiplied by ten dollars. Where the monthly benefit was adjusted at the time benefit payments to the beneficiary commenced, the minimum benefit provided in this section shall be adjusted in a manner consistent with that adjustment.

(2) Notwithstanding any provision of law to the contrary, effective July 1, 1979, the monthly benefit of each person who either is receiving benefits pursuant to RCW 2.12.020 or 2.12.030 as of December 31, 1978, or commenced receiving a monthly benefit under this chapter as of a date no later than July 1, 1974, shall be permanently increased by a post-retirement adjustment. This adjustment shall be in lieu of any adjustments provided under RCW 2.12.037 as of July 1, 1979, or July 1, 1980, for the affected persons. Such adjustment shall be calculated as follows:

(a) Monthly benefits to which this subsection and subsection (1) of this section are both applicable shall be determined by first applying subsection (1) and then applying this subsection. The department shall determine the total years of creditable service and the total dollar benefit base accrued as of December 31, 1978, except that this determination shall take into account only those persons to whom this subsection applies;

(b) The department shall multiply the total benefits determined in (a) of this subsection by six percent and divide the dollar value thus determined by the total service determined in (a) of this subsection. The resultant figure shall then be a post-retirement increase factor which shall be applied as specified in (c) of this subsection;

(c) Each person to whom this subsection applies shall receive an increase which is the product of the factor determined in (b) of this subsection multiplied by the years of creditable service.

NEW SECTION. Sec. 5. There is added to chapter 28B.10 RCW a new section to read as follows:

(1) For any person receiving a monthly benefit pursuant to a program established under RCW 28B.10.400, the pension portion of such benefit shall be the sum of the following amounts:

(a) One-half of the monthly benefit payable under such program by a life insurance company; and
(b) The monthly equivalent of the supplemental benefit described in RCW 28B.10.400(3).

(2) Notwithstanding any provision of law to the contrary, effective July 1, 1979, no person receiving a monthly benefit pursuant to RCW 28B.10.400 shall receive, as the pension portion of that benefit, less than ten dollars per month for each year of service creditable to the person whose service is the basis of the benefit. Portions of a year shall be treated as fractions of a year and the decimal equivalent shall be multiplied by ten dollars. Where the benefit was adjusted at the time benefit payments to the beneficiary commenced, the minimum pension provided in this section shall be adjusted in a manner consistent with that adjustment.

(3) Notwithstanding any provision of law to the contrary, effective July 1, 1979, the monthly benefit of each person who commenced receiving a monthly benefit under this chapter as of a date no later than July 1, 1974, shall be permanently increased by a post-retirement adjustment. Such adjustment shall be calculated as follows:

(a) Monthly benefits to which this subsection and subsection (2) of this section are both applicable shall be determined by first applying subsection (2) and then applying this subsection. The department shall determine the total years of creditable service and the total dollar benefit base accrued as of December 31, 1978, except that this determination shall take into account only those persons to whom this subsection applies;

(b) The department shall multiply the total benefits determined in (a) of this subsection by six percent and divide the dollar value thus determined by the total service determined in (a) of this subsection. The resultant figure shall then be a post-retirement increase factor which shall be applied as specified in (c) of this subsection;

(c) Each person to whom this subsection applies shall receive an increase which is the product of the factor determined in (b) of this subsection multiplied by the years of creditable service.
