Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) "Food fish and shellfish" has the meaning ascribed to it by RCW 75.04.040 and includes byproducts and also parts of food fish and shellfish, whether fresh, frozen, canned, or otherwise.

(2) "Commercial purposes" has the meaning ascribed to it by RCW 75.04.080.

(3) "Possession" means the control of food fish and shellfish by the owner and includes both actual and constructive possession. Constructive possession occurs when the person has legal ownership but not actual possession of the food fish or shellfish.

NEW SECTION. Sec. 2. (1) In addition to all other taxes, licenses, or fees provided by law there is established an excise tax on the possession of food fish and shellfish for commercial purposes as provided in this chapter. The tax is levied upon and shall be collected from the owner of the food fish or shellfish whose possession constitutes the taxable event. The taxable event is the first possession by an owner after the food fish or shellfish have been landed. Processing and handling of food fish and shellfish by a person who is not the owner is not a taxable event to the processor or handler.

(2) A person in possession of food fish and shellfish and liable to this tax may deduct from the price paid to the person from which such food fish or shellfish (except oysters) are purchased an amount equal to a tax at one-half the rate levied in this section upon these products.

(3) The measure of the tax is the price paid by the first person in possession of the food fish or shellfish. If the food fish or shellfish are acquired other than by purchase or are purchased under conditions where the purchase price does not represent the value of the food fish or shellfish or these products are transferred outside the state without sale, the measure of the tax shall be determined as nearly as possible according to the selling price of similar products of like quality and character under rules adopted by the department of revenue.

(4) The tax shall be equal to the measure of the tax multiplied by the rates for food fish and shellfish as follows:

(a) Chinook, coho, and chum salmon: Five percent.

(b) Pink and sockeye salmon: Three percent.

(c) Other food fish and shellfish, except oysters: Two percent.
(d) Oysters: Seven one-hundredths of one percent.

NEW SECTION. Sec. 3. The tax imposed by section 2 of this act shall not apply to: (1) Food fish or shellfish previously landed outside the state which is shipped into the state as (a) frozen food fish or frozen shellfish or (b) food fish or shellfish packaged for retail sales; (2) fresh net caught food fish to the extent provided under an interstate agreement entered into under section 13 of this act; and (3) the growing, processing, or dealing with food fish which are raised from eggs or fry and which are under the physical control of the grower at all times until being sold or harvested.

NEW SECTION. Sec. 4. A credit shall be allowed against the tax imposed by section 2 of this act upon food fish or shellfish with respect to any tax legally imposed and paid to another state by the taxpayer upon the same food fish or shellfish purchased in the other state.

NEW SECTION. Sec. 5. All of the provisions of chapters 82.02 and 82.32 RCW shall be applicable and have full force and effect with respect to taxes imposed under this chapter. The meaning attributed to words and phrases in chapter 82.04 RCW, insofar as applicable, shall have full force and effect with respect to taxes imposed under this chapter.

NEW SECTION. Sec. 6. The taxes levied by this chapter shall be due for payment monthly and remittance therefor shall be made on or before the fifteenth day of the month next succeeding the end of the month in which the tax accrued. The taxpayer on or before the due date shall make out a signed return, setting out such information as the department of revenue may require, including the gross measure of the tax, any deductions, credits, or exemptions claimed, and the amount of tax due for the preceding monthly period, which amount shall be transmitted to the department along with the return.

The department may relieve any taxpayer from the obligation of filing a monthly return and may require the return to cover other periods, but in no event may periodic returns be filed for a period greater than one year.

NEW SECTION. Sec. 7. All taxes collected by the department of revenue under this chapter shall be deposited in the state general fund.

Sec. 8. Section 1, chapter 327, Laws of 1977 ex. sess. and RCW 75.18-.100 are each amended to read as follows:

The long range economic development goals for the state of Washington shall include the restoration of salmon runs to provide an increased supply of this valuable renewable resource for the benefit of commercial and recreational users and the economic well-being of the state. For the purpose of providing funds for the planning, acquisition, construction, improvement, and operation of salmon enhancement facilities within the state it is the intent of the legislature that the revenues received from fees from the issuance of vessel delivery permits, charter boat licenses, trolling gear licenses, gill
net gear licenses, purse seine gear licenses, reef net gear licenses, anadromous salmon angling licenses and all moneys received from all privilege fees and fish sales taxes collected on fresh or frozen salmon or parts thereof be utilized to fund such costs.

The salmon enhancement program funded by commercial and recreational fishing fees and taxes shall be for the express benefit of all persons whose fishing activities fall under the management authority of the Washington department of fisheries and who actively participate in the funding of the enhancement costs through the fees and taxes set forth in chapters 75.28 and (75.32) 82.27 RCW or through other adequate funding methods.

Sec. 9. Section 75.98.040, chapter 12, Laws of 1955 as amended by section 3, chapter 66, Laws of 1979 and RCW 75.98.040 are each amended to read as follows:
