Be it enacted by the Legislature of the State of Washington:

Section 1. Section 51, chapter 16, Laws of 1979 and RCW 23A.32.073 are each amended to read as follows:

A foreign corporation doing an intrastate business or seeking to do an intrastate business in the state of Washington shall qualify so to do in the manner prescribed in this title and shall pay for the privilege of so doing the filing and license fees prescribed in this title for domestic corporations, including the same fees as are prescribed in chapter 23A.40 RCW for the filing of articles of incorporation of a domestic corporation, except that the minimum filing fee shall be one hundred dollars, exclusive of any surcharge or other fee. or to be brought into, and used in this state. Any corporation that employs an increased amount of its capital stock within the state shall pay fees at the same rate upon such increase, and whenever such increase is made such corporation shall file with the secretary of state, a statement showing the amount of such increase. Before any foreign corporation shall be authorized to do intrastate business in the state of Washington it shall file with the secretary of state upon a blank form to be furnished for that purpose under the oath of its president, secretary, treasurer, superintendent or managing agent in this state, a statement showing the following facts:

1. The number of shares of capital stock of the company and the par value of each share, and if such shares have no par value, then the value of the assets represented by nonpar shares.

2. The portion of the capital stock of the company which is represented and/or to be represented, employed and/or to be employed in its business transacted or to be transacted in the state of Washington.

4. Such other facts as the secretary of state may require.

From the facts thus reported, and such other additional information as the secretary of state may require, the secretary of state shall determine the amount of capital or the proportionate amount of the capital stock of the company represented by its property and business in the state of Washington and upon which the fees prescribed herein are payable.

Sec. 2. Section 52, chapter 16, Laws of 1979 and RCW 23A.32.075 are each amended to read as follows:

All foreign corporations doing intrastate business, or hereafter seeking to do intrastate business in this state shall pay for the privilege of doing such intrastate business in this state the same fees as are prescribed for domestic corporations for annual license fees, except that the minimum annual license fee shall be one hundred dollars, exclusive of any surcharge or other fee. Such fees shall be computed upon the proportion of the capital stock represented or to be represented by its property and business in this state to be ascertained by comparing the entire volume of business with the volume of intrastate business in this state. Any such corporation that shall employ an increased amount of its capital stock within this state shall pay license fees upon such increase in the same proportion as provided for payment of license fees by domestic corporations. Such corporations shall file with the secretary of state a statement showing the amount of such increase and shall forthwith pay to the secretary of state the increased license fee brought about by such increased use of capital represented by its property and business in this state. All fees shall be paid on or before the first day of July of each and every year.

The notification shall include the name and mailing address of the corporation, the corporate officer to whom correspondence should be sent, and a statement under oath by a responsible corporate officer, setting forth the nature of the missed filing or lapse, the circumstances giving rise to the missed filing or lapse, and the relief sought. Upon receipt of the notice, the secretary of state shall investigate the circumstances of the missed filing or lapse. If the secretary of state is satisfied that sufficient exigent or mitigating circumstances exist, that the corporation has demonstrated good faith and a reasonable attempt to comply with the applicable corporate license statutes of this state, that disproportionate harm would occur to the corporation if relief were not granted, and that relief would not be contrary to the public interest expressed in this title, the secretary may issue an order allowing relief from the penalty stating the basis for the relief and specifying any terms and conditions of the relief. If the secretary of state determines the request does not comply with the requirements for relief, the secretary shall issue an order denying the requested relief and stating the reasons for the denial. Any denial of relief by the secretary of state is final and is not appealable. The secretary of state shall keep records of all requests for relief and the disposition of the requests. The secretary of state shall annually report to the legislature the number of relief requests received in the preceding year and a summary of the secretary's disposition of the requests.
