The purposes of this amendatory act are to:

(1) Simplify the annual process of determining and paying the amounts due by nonhigh school districts to high school districts for educating students residing in a nonhigh school district;

(2) Provide for a payment schedule that coincides to the extent practicable with the ability of nonhigh school districts to pay and the need of high school districts for payment; and

(3) Establish that the maximum amount due per annual average full-time equivalent student by a nonhigh school district for each school year is no greater than the maintenance and operation excess tax levy rate per annual average full-time equivalent student levied upon the taxpayers of the high school district.

NEW SECTION. Sec. 2. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.44 RCW a new section to read as follows:

The implementation of this amendatory act shall commence with the 1981-82 school year and consist of the following three stages of implementation:
(1) No later than December 31, 1981, the amounts due by the various nonhigh school districts to high school districts for the 1980–81 school year shall be fixed, certified and paid in accordance with the provisions of RCW 28A.44.080, 28A.44.085, 28A.44.090, and 28A.44.100 in a manner which recognizes advance payments made by nonhigh school districts toward such amounts as well as agreements between high school and nonhigh school districts for the payment of lesser amounts;

(2) At such time as the superintendent of public instruction determines and certifies the maximum amounts of school district levies allowable pursuant to RCW 84.52.0531, as now or hereafter amended, for collection in 1982, he shall also determine pursuant to subsections (1)(a) and (b) of section 5 of this amendatory act the estimated amount due by nonhigh school districts to high school districts for the 1981–82 school year; and

(3) Each year thereafter at such time as the superintendent of public instruction determines and certifies such maximum allowable amounts of school district levies he shall also:

(a) Determine the extent to which the estimated amounts due by nonhigh school districts for the previous school year exceeded or fell short of the actual amounts due; and

(b) Determine the estimated amounts due by nonhigh school districts for the current school year and increase or decrease the same to the extent of overpayments or underpayments for the previous school year.

[ 1089 ]
(d) The name, address, and the school district and county of residence of each student residing in a nonhigh school district reported pursuant to this subsection (1), to the extent the same can reasonably be established.

(2) In the event the superintendents of a high school district and a non-high school district are unable to reach agreement respecting the estimated number of annual average full-time equivalent students residing in the nonhigh school district that will be enrolled in the high school district during the school year, the estimate shall be established by the superintendent of public instruction.

(b) The result of the calculation provided for in subsection (1)(a) of this section shall then be multiplied by the estimated number of annual average full-time equivalent students residing in the nonhigh school district that will be enrolled in the high school district during the school year which has been established pursuant to section 4 of this amendatory act; and

(c) The result of the calculation provided for in subsection (1)(b) of this section shall be adjusted upward to the extent the estimated amount due by a nonhigh school district for the prior school year was less than the actual amount due based upon actual annual average full-time equivalent student enrollments during the previous school year and the actual per annual average full-time equivalent student maintenance and operation excess tax levy rate for the current tax collection year, of the high school district, or adjusted downward to the extent the estimated amount due was greater than such actual amount due or greater than such lesser amount as a high school district may have elected to assess pursuant to section 7 of this amendatory act.

(2) The amount arrived at pursuant to subsection (1)(c) of this subsection shall constitute the estimated amount due by a nonhigh school district to a high school district for the school year.
