While we may need new abandonment procedures, I feel these provisions need more study; existing law is sufficient in the meantime.

Sections 23 through 31 would require the Department of Licensing to impose and collect an annual excise tax on certain travel trailers and/or campers. This includes the collection of back taxes even if a vehicle has not been in use on the highways of the state and ownership has changed. This imposes an unfair obligation on the purchaser of such vehicle in that he/she might not be aware of such obligation until after the change in ownership had taken place. Further, the manpower required to enforce these changes exceeds the revenue gained from enforcement.

With the exceptions of Sections 3, 6 through 16, and 23 through 31, House Bill 397 is approved."
