The legislature finds that because of the varied economic, cultural, and educational benefits the use of state funds to aid in making Energy Fair '83 a reality is an investment which will have a manifold return to the state. It is therefore not only fitting, but prudent, for the state to participate in Energy Fair '83.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith without my approval as to three sections of Senate Bill No. 3009 entitled:

"An Act Relating to the horse racing commission."

I am vetoing these sections because the first two sections create a larger commission than is desirable in this State; and section three without the veto would allow indiscriminate betting on races from other tracks with exclusive television lines.

With the exception of Sections 1, Section 2 and a portion of Section 3, which I have vetoed, the remainder of Senate Bill No. 3009 is approved."
