CHAPTER 21
[Substitute House Bill No. 174]
PODIATRISTS—LICENSEURE—STATE PODIATRY BOARD

Sec. 14. Section 6, chapter 149, Laws of 1955 as last amended by section 18, chapter 30, Laws of 1975 1st ex. sess. and RCW 18.22.120 are each amended to read as follows:

Every person practicing podiatry must renew his or her license each year and pay a renewal fee determined by the director as provided in RCW 43-24.085 as now or hereafter amended.

(Any podiatry license that has been allowed to lapse may be renewed by presentation of a new character certificate as required for examination; together with the payment of the annual license fee)) Failure to register and pay the annual renewal fee invalidates the license, but it shall be reinstated upon written application to the director and payment to the state of a penalty of ten dollars, together with all delinquent annual renewal fees: PROVIDED, That a person who fails to renew his or her license for a period of three years is not entitled to renewal under this section but must file an original application as provided in this chapter, and pay the required fee. The board may permit an applicant whose license has lapsed in this manner to be licensed without examination if it determines that the applicant meets all the requirements for licensure in this state and is competent to engage in the practice of podiatry.

NEW SECTION. Sec. 15. There is added to chapter 18.22 RCW a new section to read as follows:

(1) If a podiatrist is determined by a court of competent jurisdiction to be mentally incompetent or mentally ill, the board shall suspend the podiatrist's license upon the entry of judgment, regardless of the pendency of an appeal.

(2) If it appears to the board that there is reasonable cause to believe that a podiatrist who has not been judicially determined to be mentally incompetent or mentally ill is unable to practice podiatry with reasonable skill and safety to patients due to illness, drunkenness, excessive use of drugs, narcotics, chemicals, or any other type of material or due to any mental or physical condition, a complaint in the name of the board shall be served upon the podiatrist for a hearing on the sole issue of the capacity of the podiatrist to practice. In enforcing this subsection the board may, upon probable cause, direct a podiatrist in writing to submit to a mental or physical examination by two or more physicians designated by the board, at least one of whom shall be approved by the podiatrist if he or she requests. A podiatrist's failure to submit to an examination when directed constitutes
grounds for immediate suspension of the podiatrist's license and a default and final order of suspension may be entered without the taking of testimony or presentation of evidence, unless the failure was due to circumstances beyond the podiatrist's control. A podiatrist suspended under this subsection shall at reasonable intervals be given an opportunity to demonstrate that he or she can competently resume the practice of podiatry with reasonable skill and safety to patients.

(3) For the purpose of subsection (2) of this section, a podiatrist licensed under this chapter accepts the privilege of practicing podiatry in this state and by practicing or by filing annual registration to practice consents to a mental or physical examination when directed in writing by the board and waives objection to the admissibility of the examining physicians' testimony or examination reports on the ground of privileged communication.

(4) Neither the record of proceedings nor the orders entered by the board in any proceeding under subsection (2) of this section may be used against a podiatrist in any other proceeding.

NEW SECTION. Sec. 16. There is added to chapter 18.22 RCW a new section to read as follows:

Any of the following acts is unprofessional conduct and grounds for revocation, suspension or denial of license:

(1) The commission of any act involving moral turpitude, dishonesty, or corruption, whether the act is committed in the course of his or her practice as a podiatrist or not, and whether the act constitutes a crime or not. If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. A certified copy of the judgment and sentence of conviction is conclusive evidence of the guilt of the podiatrist of the crime described in the judgment and sentence in any disciplinary proceeding before the board;

(2) Misrepresentation or concealment of a material fact in obtaining a license or reinstatement of a license to practice podiatry;

(3) All advertising of podiatric business which is intended to or has a tendency to deceive the public or impose upon credulous or ignorant persons and is harmful or injurious to public morals or safety;

(4) The impersonation of another licensed podiatrist;

(5) The possession, use, prescription for use, or distribution of controlled substances or legend drugs in any way other than for therapeutic purposes;

(6) The offering, undertaking, or agreeing to cure or treat disease by a secret method, procedure, treatment, or medicine or the treating, operating, or prescribing for any human condition by a method, means, or procedure which the licensee refuses to divulge upon demand of the board;

(7) Unprofessional conduct under chapter 19.68 RCW;

(8) Aiding or abetting an unlicensed person to practice podiatry;

(9) Suspension or revocation of the podiatrist's license to practice podiatry by competent authority in any state, federal, or foreign jurisdiction;
(10) Incompetency or negligence in the practice of podiatry resulting in serious harm to the patient;
(11) Violation of any board rule fixing a standard of professional conduct;
(12) Wilful disregard of a board subpoena or notice;
(13) Gross or continued wilful overcharging for professional services;
(14) Failure to abide by the terms of corrective actions directed by the board;
(15) Any public claim, representation, or advertisement that the licensee is a "doctor" or its synonyms independent of the title "podiatrist" or its synonyms; or
(16) Violation of any of the provisions of this chapter.

Sec. 17. Section 10, chapter 38, Laws of 1917 as last amended by section 17, chapter 77, Laws of 1973 and RCW 18.22.210 are each amended to read as follows:

It shall be deemed prima facie evidence of the practice of podiatry or of holding oneself out as a practitioner of podiatry within the meaning of this chapter for any person to treat in any manner the human foot by medical, surgical or mechanical means or appliances, or to use the title "podiatrist" or any other words or letters which designate or tend to designate to the public that the person so treating or holding himself or herself out to treat, is a podiatrist: PROVIDED, HOWEVER, That nothing herein contained shall prohibit a duly licensed physician or surgeon from treating the human foot by medical, surgical or mechanical means or appliances.

Sec. 18. Section 14, chapter 149, Laws of 1955 as amended by section 18, chapter 77, Laws of 1973 and RCW 18.22.215 are each amended to read as follows:

If any person engages in the practice of podiatry without possessing a valid license so to do, or if a person violates the provisions of RCW 18.22.140, the attorney general, any prosecuting attorney, the director, or any citizen of the same county may maintain an action in the name of the state to enjoin such person from engaging in the practice of podiatry. The injunction shall not relieve from criminal prosecution, but the remedy by injunction shall be in addition to the liability of such offender to criminal prosecution and to license suspension or revocation.

Sec. 19. Section 12, chapter 149, Laws of 1955 as amended by section 19, chapter 77, Laws of 1973 and RCW 18.22.230 are each amended to read as follows:

The following practices, acts and operations are excepted from the operation of the provisions of this chapter:

(2) Recognized schools of podiatry or colleges of podiatry, and the practice of podiatry by students in such recognized schools or colleges, when acting under the direction and supervision of registered and licensed podiatrists acting as instructors;

(3) The practice of podiatry by licensed podiatrists of other states or countries while appearing as clinicians at meetings of the Washington state podiatry association or component parts thereof, or at meetings sanctioned by them;
