

***(b) The board shall adopt such rules as are deemed necessary to carry out the purposes and provisions of subsection (3)(a) of this section in accordance with the administrative procedure act, chapter 34.04 RCW.***

\*Sec. 3. was vetoed, see message at end of chapter.

Passed the Senate March 30, 1982.

Passed the House March 30, 1982.

Approved by the Governor April 6, 1982, with the exception of Section 3, which is vetoed.

Filed in Office of Secretary of State April 6, 1982.

Note: Governor's explanation for partial veto is as follows:

"I am returning herewith without my approval as to one section of Engrossed Senate Bill No. 4748 entitled:

"AN ACT Relating to beer and wine"

Section 3 of ESB 4748 contains an undesirable provision regarding out-of-state liquor importers and wholesalers. In direct violation of the intent of RCW 66.28.010, out-of-state liquor importers and wholesalers would be permitted to have financial interests in Class A retail liquor licensed establishments in the state of Washington.

RCW 66.28.010, together with liquor licensing regulations, absolutely and specifically precludes any manufacturer or distributor of liquor from having any kind of a financial interest in a licensed retail outlet. The language of RCW 66.28.010 regarding the financial relationships within the state's liquor industry has not changed since the original Washington State Liquor Control Act was adopted by the legislature in 1933. It was the intent of the legislature to absolutely prohibit the "tied-house" arrangements of the pre-prohibition days.

If enacted, Section 3 of ESB 4748 would violate the original tied-house provisions of the states liquor control laws and establish a dangerous precedent for future piecemeal amendments to RCW 66.28.010. This statute is an integral part of the state's liquor control laws. Piecemeal modifications, such as, Section 3 of ESB 4748, will weaken liquor control statutes and threaten the integrity of the entire liquor control system.

With the exception of Section 3, which I have vetoed, the remainder of Engrossed Senate Bill No. 4748 is approved."

[Substitute Senate Bill No. 4841]

### WINTER RECREATION COMMISSION—MEMBERSHIP, DUTIES— TERMINATION DATE

AN ACT Relating to winter recreation; adding a new chapter to Title 67 RCW; and providing an expiration date.

Be it enacted by the Legislature of the State of Washington:

**NEW SECTION.** Section 1. The legislature recognizes that:

(1) Interest in outdoor recreation has been steadily increasing, and that the facilities that now exist are inadequate to meet the growing demands of the people of Washington and the out-of-state tourist trade;

(2) The state is becoming a popular winter recreation area and has not fully developed its winter tourism industry adequately to respond to the increasing demand, as has been successfully done in the mountain states, Idaho, and British Columbia;

(3) The state of Washington presently has a flourishing winter recreation industry which adds more than twenty-five thousand new skiers each year. Far greater potential exists for year-round resort development which should include an emphasis on all winter recreation activities. Expansion of the winter recreation industry will attract tourist trade from other states and countries and will have a substantial positive impact on both the state and national economies; and

(4) The economic well-being of the state will be improved upon the introduction of new industry to provide employment, income to the state, and revenue for government.

The legislature recognizes the need to identify areas appropriate for recreational development on state lands or on federal lands which can be exchanged for state lands under state and federal laws.

Therefore, the legislature hereby establishes the Washington state winter recreation commission which shall be composed as follows: Two members of the senate appointed by the president of the senate, including one member from each caucus; two members of the house of representatives appointed by the speaker of the house of representatives, including one member from each caucus; one representative to be appointed by the governor from each of the following state departments: The parks and recreation commission, department of commerce and economic development, and department of natural resources; two representatives of industry appointed by the governor; two representatives of the environmental community appointed by the governor; one representative of cities appointed by the governor; and one representative of counties appointed by the governor. The commission shall choose one of its legislative members as chair.

Commission members and legislative staff shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060. Members of the legislature serving on the commission shall be reimbursed for travel expenses under RCW 44.04.120.

NEW SECTION. Sec. 2. The Washington state winter recreation commission shall:

(1) Study and identify potential sites for new winter recreation development, with consideration of the availability and suitability of the land, local interests, environmental impact, and established roads and transportation access.

(2) Facilitate trades of land for existing or new winter recreation areas with the federal government, the United States Department of Agriculture, the United States Forest Service, the United States Bureau of Land Management, and other agencies which could be involved in exchanges of land.

(3) Recommend the supervisory management structure at the state level which would oversee the lease, maintenance, and development of lands for recreational projects.

(4) Utilize legislative staff assistance which shall be provided by the appropriate legislative committees and conduct such studies as are necessary for the performance of its duties. State agencies may assign to the commission such personnel as are necessary to assist the commission in the performance of its duties.

(5) Consult with federal and state agencies and representatives of science, industry, agriculture, labor, conservation organizations, state and local governments, concerned citizens, and other groups.

(6) Hold such public hearings as are necessary to insure early, meaningful, and continuous public input and involvement in the commission's work.

(7) Propose changes in state law and rules of state agencies, if considered necessary, to carry out the purpose of this chapter.

(8) Establish advisory committees to advise the commission in the performance of its duties. The membership of the advisory committees shall be balanced in terms of the points of view and interests represented. Members of the advisory committees shall serve without compensation of any sort.

(9) Submit an interim report to the legislature by January 10, 1983, on the progress of the commission.

NEW SECTION. Sec. 3. The Washington state winter recreation commission shall cease to exist at midnight, January 1, 1987. Upon the abolition of the commission on January 1, 1987, all powers, duties and functions of the commission shall be transferred to the management structure recommended by the commission under section 2 of this act.

NEW SECTION. Sec. 4. This chapter shall be liberally construed to carry out its legislative intent and purpose.

NEW SECTION. Sec. 5. Sections 1 through 4 of this act are added as a new chapter to Title 67 RCW.

Passed the Senate March 17, 1982.

Passed the House April 1, 1982.

Approved by the Governor April 8, 1982.

Filed in Office of Secretary of State April 8, 1982.
