CHAPTER 40
[Second Substitute House Bill No. 906]
COMMUNITY ECONOMIC REVITALIZATION BOARD—PUBLIC FACILITIES LOANS

AN ACT Relating to economic development; adding a new chapter to Title 43 RCW; and providing an expiration date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. The legislature finds that it is the public policy of the state of Washington to direct financial resources toward the fostering of economic development through the stimulation of investment and job opportunities for the general welfare of the inhabitants of the state. Reducing unemployment as soon as possible is important for the economic welfare of the state. Economic development should be fostered through the construction of public facilities. Expenditures made for these purposes as authorized in this chapter are declared to be in the public interest, and constitute a proper use of public funds. A community economic revitalization board is needed which shall aid the development of economic opportunities. The general objectives of the board should include: (1) Strengthening the economies of areas of the state which have experienced or are expected to experience chronically high unemployment rates or below average growth in their economies; (2) encouraging the diversification of the economies of the state and regions within the state in order to provide greater seasonal and cyclical stability of income and employment; and (3) providing incentives for expansion of employment opportunities for groups of state residents that have been less successful relative to other groups in efforts to gain permanent employment.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definition in this section applies throughout this chapter.

"Board" means the community economic revitalization board.

NEW SECTION. Sec. 3. (1) The community economic revitalization board is hereby created to exercise the powers granted under this chapter.
