It is the intent of this chapter to mitigate societal discrimination and other factors in participating in public works and in providing goods and services and to delineate a policy that an increased level of participation by minority and women-owned businesses is desirable at all levels of state government. The purpose and intent of this chapter are to provide the maximum practicable opportunity for increased participation by minority and women-owned businesses in participating in public works and the process by which goods and services are procured by state agencies and educational institutions from the private sector.

(3) Identify barriers to equal participation by qualified minority and women-owned businesses in all state agency and educational institution contracts;
(4) Establish annual overall goals for participation by qualified minority and women-owned businesses for each state agency and educational institution to be administered on a contract-by-contract basis or on a class-of-contracts basis;

NEW SECTION. Sec. 6. Each state agency and educational institution shall comply with the annual goals established for that agency or institution under this chapter for public works and procuring goods or services. This chapter applies to all public works and procurement by state agencies and educational institutions, including all contracts and other procurement under chapters 28B.10, 39.04, 39.29, 43.19, and 47.28 RCW.

If necessary to accomplish this intent, contracts shall be awarded to the next lowest bidder, or all bids may be rejected and new bids obtained, if the lowest bidder does not meet the goals established for a particular contract under this chapter. An apparent low-bidder must be in compliance with the contract provisions required under this chapter as a condition precedent to the granting of a notice of award by any state agency or educational institution.

NEW SECTION. Sec. 8. If a person, firm, corporation, business, union, or other organization prevents or interferes with a contractor's or subcontractor's compliance with this chapter, or any rule adopted under this chapter, or submits false or fraudulent information to the state concerning compliance with this chapter or any such rule, or violates this chapter or any rule adopted under this chapter, the person or entity shall be subject to a fine not to exceed one thousand dollars, in addition to any other penalty or sanction prescribed by law.

Wilful repeated violations, exceeding a single violation, may disqualify the contractor from further participation in state contracts for a period of one year. An apparent low–bidder must be in compliance with the contract provisions required under this chapter as a condition precedent to the granting of a notice of award by any state agency or educational institution.

After an administrative hearing and findings of fact by the state agency or educational institution and after the exhaustion of administrative remedies, any adverse decision under this section may be appealed to Thurston county superior court or to any superior court in any county where the alleged violation occurred.

At the time and place named in the call for bids the ((Washington state highway commission)) department of transportation shall publicly open and read the final figure in each of the bid proposals properly filed and read only the bid items on the three lowest bids, and shall award the contract to the lowest responsible bidder unless the ((commission)) department has, for good cause, continued the date of opening bids to a day certain, or rejected said bid: PROVIDED, That any bid may be rejected if the bidder has previously defaulted in the performance of and failed to complete a written public contract, or has been convicted of a crime arising from a previous public contract((...AND PROVIDED FURTHER, That notwithstanding any other provision of law, the highway commission, in awarding contracts for which bids have been accepted prior to July 1, 1971, for construction of ferries for the Washington state ferry system, may consider the bid of the lowest responsible bidder operating shipbuilding facilities and proposing to build such ferries in the state of Washington by evaluating and including the projected direct and indirect tax revenues generated by construction of
the ferries within the state. Moneys expended to meet the added costs incurred as a consequence of the award of a contract authorized by this proviso shall come from such funds as may be available). If the lowest responsible bidder fails to meet the provisions or specifications requiring compliance with chapter 39... RCW (sections 1 through 9 of this 1983 act) and the rules adopted to implement that chapter, the department may award the contract to the next lowest responsible bidder which does meet the provisions or specifications or may reject all bids and readvertise. NEW SECTION. Sec. 18. (1) If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

(2) If any part of this chapter is found to be in conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state the conflicting part of this chapter is hereby declared to be inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and such finding or determination shall not affect the operation of the remainder of this chapter in its application to the agencies concerned. The rules under this chapter shall meet federal requirements which are a necessary condition to the receipt of federal funds by the state.
