(1) Upon application by the criminally insane or conditionally released person, the secretary shall determine whether or not reasonable grounds exist for final discharge. If the secretary approves the final discharge he then shall authorize said person to petition the court.

(2) The petition shall be served upon the court and the prosecuting attorney. The court, upon receipt of the petition for final discharge, shall within forty-five days order a hearing. Continuance of the hearing date shall only be allowed for good cause shown. The prosecuting attorney shall represent the state, and shall have the right to have the petitioner examined by an expert or professional person of his choice. If the petitioner is indigent, and he so requests, the court shall appoint a qualified expert or professional person to examine him. The hearing shall be before a jury if demanded by either the petitioner or the prosecuting attorney. The burden of proof shall be upon the petitioner to show by a preponderance of the evidence that the petitioner may be finally discharged without substantial danger to other persons, (or presently) and without presenting a substantial likelihood of committing felonious acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions.

(3) Nothing contained in this chapter shall prohibit the patient from petitioning the court for final discharge or conditional release from the institution in which he or she is committed. The issue to be determined on such proceeding is whether the petitioner is a substantial danger to other persons, or presents a substantial likelihood of committing felonious acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions.

Nothing contained in this chapter shall prohibit the committed person from petitioning for release by writ of habeas corpus.

At any time any application is made to the director, the county auditor, or other agent pursuant to any law dealing with licenses, certificates of ownership, registration, or the right to operate any vehicle upon the public highways of this state, the applicant shall pay to the director, county auditor, or other agent a fee of one dollar for each application in addition to any other fees required by law, which fee of one dollar, if paid to the county auditor as agent of the director, or if paid to an agent of the county auditor, shall be paid to the county treasurer in the same manner as other fees collected by the county auditor and credited to the county current expense fund. Sec. 2. Section 51, chapter 37, Laws of 1980 and RCW 82.12.0251 are each amended to read as follows:

The provisions of this chapter shall not apply in respect to the use of any article of tangible personal property brought into the state by a nonresident thereof for his use or enjoyment while temporarily within the state unless such property is used in conducting a nontransitory business activity within the state; or in respect to the use by a nonresident of this state of a motor vehicle or trailer which is registered or licensed under the laws of the state of his residence (and is not used in this state more than three months), and which is not required to be registered or licensed under the laws of this state; or in respect to the use of household goods, personal effects, and private automobiles by a bona fide resident of this state or nonresident members of the armed forces who are stationed in this state pursuant to military orders, if such articles were acquired and used by such person in another
state while a bona fide resident thereof and such acquisition and use occurred more than thirty days prior to the time he entered this state.

Sec. 3. Section 82.44.120, chapter 15, Laws of 1961 as last amended by section 2, chapter 120, Laws of 1979 and RCW 82.44.120 are each amended to read as follows:

Whenever any person has paid a motor vehicle license fee, and together therewith has paid an excise tax imposed under the provisions of this chapter, and the director of licensing determines that the payor is entitled to a refund of the entire amount of the license fee as provided by law, then he shall also be entitled to a refund of the entire excise tax collected under the provisions of this chapter. In case the director determines that any person is entitled to a refund of only a part of the license fee so paid, the payor shall be entitled to a refund of the difference, if any, between the excise tax collected and that which should have been collected and the state treasurer shall determine the amount of such refund by reference to the applicable excise tax schedule prepared by the department of revenue in cooperation with the department of licensing.

In case no claim is to be made for the refund of the license fee or any part thereof but claim is made by any person that he has paid an erroneously excessive amount of excise tax, the department of licensing shall determine in the manner generally provided in this chapter the amount of such excess, if any, that has been paid and shall certify to the state treasurer that such person is entitled to a refund in such amount.

In any case where due to error, a person has been required to pay an excise tax pursuant to this chapter which amounts to an overpayment of five dollars or more, such person shall be entitled to a refund of the entire amount of such overpayment, regardless of whether or not a refund of the overpayment has been requested. Conversely, if due to error, the department or its agents has failed to charge and collect the full amount of the excise tax due, which underpayment is in the amount of five dollars or more, the department shall charge and collect such additional amount as will constitute full payment of the tax.

((Any person authorized by the utilities and transportation commission to operate a motor vehicle for the conveyance of freight or passengers for hire as a common carrier or as a contract carrier, and so operating such vehicle partly within and partly outside of this state during any calendar year, shall be entitled to a refund of that portion of the full excise tax for such vehicle for such year that the mileage actually operated by such vehicle outside the state bears to the total mileage so operated both within and outside of the state. PROVIDED, If only one-half of the full excise fee was paid, the unpaid one-half shall be deducted from the amount of refund so determined. PROVIDED FURTHER, if only a one-half fee was paid, and the vehicle was operated in this state more than fifty percent of the total miles operated, a balance of the tax is due equal to an amount which is the
same percentage of the full excise fee as is the percentage of mileage the
vehicle was operated in this state minus the one-half fee previously paid;
and any balance due, is payable on or before the first day of June of the
year in which the amount of the excise fee due the state has been deter-
mined, and until any such balance has been paid no identification plate or
permit shall be thereafter issued for such vehicle or any other vehicle owned
by the same person. Any claim for such refund shall be filed with the de-

must therewith furnish to the department his affidavit, verified by oath, of
the mileage so operated by such vehicle during the preceding year, within
the state, outside of the state, and the total of all mileage so operated:

If the department approves the claim it shall notify the state treasurer to
that effect, and the treasurer shall make such approved refunds and the
other refunds herein provided for from the general fund and shall mail or
deliver the same to the person entitled thereto.

Any person making any false statement(( in the affidavit herein men-
tioned;)) under which he obtains any amount of refund to which he is not

(1) The term "registration year" for the purposes of chapters 46.16, 82.44, and 82.50 RCW ((shall)) means the effective period of a vehicle license issued by the department. Such year ((shall)) commences at 12:01 a.m. on the date of the calendar year designated by the department and ((shall)) ends at 12:01 a.m. on the same date of the next succeeding calendar year. If a vehicle license previously issued in this state has been expired for more than thirty days and is renewed with a different registered owner, a new registration year is deemed to commence upon the date the expired license is renewed in order that the renewed license be usable for a full twelve-month period.

(2) Each registration year may be divided into twelve registration months. (3) ((Each registration year may be divided into four registration quarters, each consisting of three registration months. The first quarter shall commence with registration month one:))

(4)(4)) Where the term "last day of the month" is ((utilized)) used in chapters 46.16, 82.44, and 82.50 RCW in lieu of a specified day of any calendar month it ((shall)) means the last day of such calendar month or months irrespective of the numerical designation of that day.
