CHAPTER 175
[Substitute House Bill No. 28]
BIENNIAL MUNICIPAL BUDGETS AUTHORIZED

AN ACT Relating to city and town budgets; amending RCW 1.16.020, 35.32A.010, 35.32A.030, 35.32A.040, 35.32A.060, 35.33.020, and 35A.33.020; adding a new chapter to Title 35 RCW; adding a new chapter to Title 35A RCW; and prescribing penalties.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature hereby recognizes that the development and adoption of a budget by a city or town is a lengthy and intense process designed to provide adequate opportunities for public input and sufficient time for deliberation and enactment by the legislative authority. The legislature also recognizes that there are limited amounts of time
available and that time committed for budgetary action reduces opportunities for deliberating other issues. It is, therefore, the intent of the legislature to authorize cities and towns to establish by ordinance a biennial budget and to provide the means for modification of such budget. This chapter and chapter 35A. RCW (sections 34 through 60 of this act) shall be known as the municipal biennial budget act.

Sec. 2. Section 1, chapter 86, Laws of 1923 as amended by section 2, chapter 184, Laws of 1953 and RCW 1.16.020 are each amended to read as follows:

The fiscal biennium of the state shall commence on the first day of July in each odd-numbered year and end on the thirtieth day of June of the next succeeding odd-numbered year. The fiscal biennium of those cities and towns which utilize a biennial budget shall commence on the first day of January in each odd-numbered year and end on the thirty-first day of December of the next succeeding even-numbered year.

Sec. 3. Section 3, chapter 7, Laws of 1967 and RCW 35.32A.010 are each amended to read as follows:

In each city of over three hundred thousand population, there shall be enacted annually by the legislative authority a budget covering all functions or programs of such city(\text{PROVIDED, That the provisions of}) except in those cities in which an ordinance has been adopted under section 7 of this 1985 act providing for a biennial budget, in which case this chapter does not apply. In addition, this chapter shall not apply to any municipal transportation system managed by a separate commission, the making of expenditures from proceeds of general obligation and revenue bond sales, or the expenditure of moneys derived from grants, gifts, bequests or devises for specified purposes.

Sec. 4. Section 35.33.020, chapter 7, Laws of 1965 as amended by section 2, chapter 95, Laws of 1969 ex. sess. and RCW 35.33.020 are each amended to read as follows:

The provisions of this chapter apply to cities of the first class which have a population of less than three hundred thousand, to all cities of the second and third classes, and to all towns, except those cities and towns which have adopted an ordinance under section 7 of this 1985 act providing for a biennial budget.

The ordinance may only be repealed effective as of the conclusion of a fiscal biennium. However, the city or town shall comply with chapter 35.32A or 35.33 RCW, whichever the case may be, in developing and adopting the budget for the first fiscal year following repeal of the ordinance.

NEW SECTION. Sec. 8. In the absence or disability of the official or person regularly in charge of a department, the duties required by this section shall devolve upon the person next in charge of such department.

NEW SECTION. Sec. 9. All estimates of receipts and expenditures for the ensuing fiscal biennium shall be fully detailed in the biennial budget and shall be classified and segregated according to a standard classification of accounts to be adopted and prescribed by the state auditor through the division of municipal corporations after consultation with the Washington finance officers association, the association of Washington cities, and the association of Washington city managers.

NEW SECTION. Sec. 10. On or before the first business day in the third month prior to the beginning of the biennium of a city or town or at such other time as the city or town may provide by ordinance or charter, the clerk or other person designated by the charter, by ordinances, or by the chief administrative officer of the city or town shall submit to the chief administrative officer a proposed preliminary budget which shall set forth the complete financial program of the city or town for the ensuing fiscal biennium, showing the expenditure program requested by each department and the sources of revenue by which each such program is proposed to be financed.

However, if the city or town was not utilizing a fiscal biennium budget for the previous three years, it shall set forth its fiscal years' revenues to reflect actual and estimated receipts as if it had previously utilized a biennial budgetary process.

The expenditure section shall set forth in comparative and tabular form for each fund and every department operating within each fund the actual expenditures for the last completed fiscal biennium, the appropriations for the current fiscal biennium, and the estimated expenditures for the
ensuing fiscal biennium. However, if the city or town was not utilizing a fiscal biennium budget for the previous three years, it shall set forth its fiscal years' expenditures to reflect actual and estimated levels as if it had previously utilized a biennial budgetary process. The expenditure section shall further set forth separately the salary or salary range for each office, position, or job classification together with the title or position designation thereof. However, salaries may be set out in total amounts under each department if a detailed schedule of such salaries and positions be attached and made a part of the budget document.

NEW SECTION. Sec. 11. The chief administrative officer shall prepare the preliminary budget in detail, making any revisions or additions to the reports of the department heads deemed advisable by such chief administrative officer. At least sixty days before the beginning of the city's or town's next fiscal biennium the chief administrative officer shall file it with the clerk as the recommendation of the chief administrative officer for the final budget. The clerk shall provide a sufficient number of copies of such preliminary budget and budget message to meet the reasonable demands of taxpayers therefor and have them available for distribution not later than six weeks before the beginning of the city's or town's next fiscal biennium.

NEW SECTION. Sec. 12. (1) In every city or town, a budget message prepared by or under the direction of the city's or town's chief administrative officer shall be submitted as a part of the preliminary budget to the city's or town's legislative body at least sixty days before the beginning of the city's or town's next fiscal biennium and shall contain the following:

(e) An explanation for any recommended major changes in financial policy.

(2) Prior to the final hearing on the budget, the legislative body or a committee thereof shall schedule hearings on the budget or parts thereof, and may require the presence of department heads to give information regarding estimates and programs.

NEW SECTION. Sec. 13. Immediately following the filing of the preliminary budget with the clerk, the clerk shall publish a notice once a week for two consecutive weeks stating that the preliminary budget for the ensuing fiscal biennium has been filed with the clerk, that a copy thereof will be made available to any taxpayer who will call at the clerk's office therefor, that the legislative body of the city or town will meet on or before the first
Monday of the month next preceding the beginning of the ensuing fiscal biennium for the purpose of fixing the final budget, designating the date, time, and place of the legislative budget meeting, and that any taxpayer may appear thereat and be heard for or against any part of the budget. The publication of the notice shall be made in the official newspaper of the city or town if there is one, otherwise in a newspaper of general circulation in the city or town. If there is no newspaper of general circulation in the city or town, then notice may be made by posting in three public places fixed by ordinance as the official places for posting the city's or town's official notices.

**NEW SECTION.** Sec. 14. The legislative body shall meet on the day fixed by section 13 of this act for the purpose of fixing the final budget of the city or town at the time and place designated in the notice thereof. Any taxpayer may appear and be heard for or against any part of the budget. The hearing may be continued from day to day but not later than the twenty-fifth day prior to commencement of the city's or town's fiscal biennium.

**NEW SECTION.** Sec. 15. Following conclusion of the hearing, and prior to the beginning of the fiscal biennium, the legislative body shall make such adjustments and changes as it deems necessary or proper and, after determining the allowance in each item, department, classification, and fund, shall by ordinance adopt the budget in its final form and content. Appropriations shall be limited to the total estimated revenues contained therein including the amount to be raised by ad valorem taxes and the unencumbered fund balances estimated to be available at the close of the current fiscal biennium. Such ordinances may adopt the final budget by reference. However, the ordinance adopting the budget shall set forth in summary form the totals of estimated revenues and appropriations for each separate fund and the aggregate totals for all such funds combined.

A complete copy of the final budget as adopted shall be transmitted to the division of municipal corporations in the office of the state auditor and to the association of Washington cities.

**NEW SECTION.** Sec. 16. The legislative authority of a city or town having adopted the provisions of this chapter shall provide by ordinance for a mid-biennial review and modification of the biennial budget. The ordinance shall provide that such review and modification shall occur no sooner than eight months after the start nor later than conclusion of the first year of the fiscal biennium. The chief administrative officer shall prepare the proposed budget modification and shall provide for publication of notice of hearings consistent with publication of notices for adoption of other city or town ordinances. City or town ordinances providing for a mid-biennium review and modification shall establish procedures for distribution of the proposed modification to members of the city or town legislative authority,
procedures for making copies available to the public, and shall provide for public hearings on the proposed budget modification. The budget modification shall be by ordinance approved in the same manner as are other ordinances of the city or town.

A complete copy of the budget modification as adopted shall be transmitted to the division of municipal corporations in the office of the state auditor and to the association of Washington cities.

**NEW SECTION.** Sec. 17. Upon the happening of any emergency caused by violence of nature, casualty, riot, insurrection, war, or other unanticipated occurrence requiring the immediate preservation of order or public health, or for the property which has been damaged or destroyed by accident, or for public relief from calamity, or in settlement of approved claims for personal injuries or property damages, or to meet mandatory expenditures required by law enacted since the last budget was adopted, or to cover expenses incident to preparing for or establishing a new form of government authorized or assumed after adoption of the current budget, including any expenses incident to selection of additional or new officials required thereby, or incident to employee recruitment at any time, the city or town legislative body, upon the adoption of an ordinance, by the vote of one more than the majority of all members of the legislative body, stating the facts constituting the emergency and the estimated amount required to meet it, may make the expenditures therefor without notice or hearing.

**NEW SECTION.** Sec. 18. If a public emergency which could not reasonably have been foreseen at the time of filing the preliminary budget requires the expenditure of money not provided for in the budget, and if it is not one of the emergencies specifically enumerated in section 17 of this act, the city or town legislative body before allowing any expenditure therefor shall adopt an ordinance stating the facts constituting the emergency and the estimated amount required to meet it and declaring that an emergency exists.

The ordinance shall not be voted on until five days have elapsed after its introduction, and for passage shall require the vote of one more than the majority of all members of the legislative body of the city or town.

Any taxpayer may appear at the meeting at which the emergency ordinance is to be voted on and be heard for or against the adoption thereof.

**NEW SECTION.** Sec. 19. All expenditures for emergency purposes as provided in this chapter shall be paid by warrants from any available money in the fund properly chargeable with such expenditures. If, at any time, there is insufficient money on hand in a fund with which to pay such warrants as presented, the warrants shall be registered, bear interest, and be called in the same manner as other registered warrants as prescribed in RCW 35.21.320.
NEW SECTION. Sec. 20. In adopting the final budget for any fiscal biennium, the legislative body shall appropriate from estimated revenue sources available, a sufficient amount to pay the principal and interest on all outstanding registered warrants issued since the adoption of the last preceding budget except those issued and identified as revenue warrants and except those for which an appropriation previously has been made. However, no portion of the revenues which are restricted in use by law may be appropriated for the redemption of warrants issued against a utility or other special purpose fund of a self-supporting nature. In addition, all or any portion of the city's or town's outstanding registered warrants may be funded into bonds in any manner authorized by law.

NEW SECTION. Sec. 21. Notwithstanding the appropriations for any salary or salary range of any employee or employees adopted in a final budget, the legislative body of any city or town may, by ordinance, change the wages, hours, and conditions of employment of any or all of its appointive employees if sufficient funds are available for appropriation to such purposes.

NEW SECTION. Sec. 22. The division of municipal corporations in the office of the state auditor is empowered to make and install the forms and classifications required by this chapter to define what expenditures are chargeable to each budget class and to establish the accounting and cost systems necessary to secure accurate budget information.

NEW SECTION. Sec. 23. (1) The expenditures as classified and itemized in the final budget shall constitute the city's or town's appropriations for the ensuing fiscal biennium. Unless otherwise ordered by a court of competent jurisdiction, and subject to further limitations imposed by ordinance of the city or town, the expenditure of city or town funds or the incurring of current liabilities on behalf of the city or town shall be limited to the following:

(a) The total amount appropriated for each fund in the budget for the current fiscal biennium, without regard to the individual items contained therein, except that this limitation does not apply to wage adjustments authorized by section 21 of this act;

(b) The unexpended appropriation balances of a preceding budget which may be carried forward from prior fiscal periods pursuant to section 30 of this act;

(c) Funds received from the sale of bonds or warrants which have been duly authorized according to law;

(d) Funds received in excess of estimated revenues during the current fiscal biennium, when authorized by an ordinance amending the original budget; and
(e) Expenditures authorized by budget modification as provided by section 16 of this act and those required for emergencies, as authorized by sections 17 and 18 of this act.

(2) Transfers between individual appropriations within any one fund may be made during the current fiscal biennium by order of the city's or town's chief administrative officer subject to such regulations, if any, as may be imposed by the city or town legislative body. Notwithstanding the provisions of RCW 43.09.210 or of any statute to the contrary, transfers, as authorized in this section, may be made within the same fund regardless of the various offices, departments, or divisions of the city or town which may be affected.

(3) The city or town legislative body, upon a finding that it is to the best interests of the city or town to decrease, revoke, or recall all or any portion of the total appropriations provided for any one fund, may, by ordinance, approved by the vote of one more than the majority of all members thereof, stating the facts and findings for doing so, decrease, revoke, or recall all or any portion of an unexpended fund balance, and by said ordinance, or a subsequent ordinance adopted by a like majority, the moneys thus released may be reappropriated for another purpose or purposes, without limitation to department, division, or fund, unless the use of such moneys is otherwise restricted by law, charter, or ordinance.

NEW SECTION. Sec. 24. Liabilities incurred by any officer or employee of the city or town in excess of any budget appropriations shall not be a liability of the city or town. The clerk shall issue no warrant and the city or town legislative body or other authorized person shall approve no claim for an expenditure in excess of the total amount appropriated for any individual fund, except upon an order of a court of competent jurisdiction or for emergencies as provided in this chapter.

NEW SECTION. Sec. 25. Moneys received from the sale of bonds or warrants shall be used for no other purpose than that for which they were issued and no expenditure shall be made for that purpose until the bonds have been duly authorized. If any unexpended fund balance remains from the proceeds realized from the bonds or warrants after the accomplishment of the purpose for which they were issued, it shall be used for the redemption of such bond or warrant indebtedness. Where a budget contains an expenditure program to be financed from a bond issue to be authorized thereafter, no such expenditure shall be made or incurred until after the bonds have been duly authorized.

NEW SECTION. Sec. 26. At a time fixed by the city's or town's ordinance or city charter, not later than the first Monday in October of the second year of each fiscal biennium, the chief administrative officer shall
provide the city's or town's legislative body with current information on estimates of revenues from all sources as adopted in the budget for the current biennium, together with estimates submitted by the clerk under section 10 of this act. The city's or town's legislative body and the city's or town's administrative officer or the officer's designated representative shall consider the city's or town's total anticipated financial requirements for the ensuing fiscal biennium, and the legislative body shall determine and fix by ordinance the amount to be raised the first year of the biennium by ad valorem taxes. The legislative body shall review such information as is provided by the chief administrative officer and shall adopt an ordinance establishing the amount to be raised by ad valorem taxes during the second year of the biennium. Upon adoption of the ordinance fixing the amount of ad valorem taxes to be levied, the clerk shall certify the same to the county legislative authority as required by RCW 84.52.020.

NEW SECTION. Sec. 27. At such intervals as may be required by city charter or city or town ordinance, however, being not less than quarterly, the clerk shall submit to the city's or town's legislative body and chief administrative officer a report showing the expenditures and liabilities against each separate budget appropriation incurred during the preceding reporting period and like information for the whole of the current fiscal biennium to the first day of the current reporting period together with the unexpended balance of each appropriation. The report shall also show the receipts from all sources.

NEW SECTION. Sec. 28. Every city or town may create and maintain a contingency fund to provide moneys with which to meet any municipal expense, the necessity or extent of which could not have been foreseen or reasonably evaluated at the time of adopting the annual budget, or from which to provide moneys for those emergencies described in sections 17 and 18 of this act. Such fund may be supported by a budget appropriation from any tax or other revenue source not restricted in use by law, or also may be supported by a transfer from other unexpended or decreased funds made available by ordinance as set forth in section 23 of this act. However, the total amount accumulated in such fund at any time shall not exceed the equivalent of thirty-seven and one-half cents per thousand dollars of assessed valuation of property within the city or town at such time. Any moneys in the emergency fund at the end of the fiscal biennium shall not lapse except upon reappropriation by the council to another fund in the adoption of a subsequent budget.

NEW SECTION. Sec. 29. No money shall be withdrawn from the contingency fund except by transfer to the appropriate operating fund authorized by a resolution or ordinance of the legislative body of the city or town, adopted by a majority vote of the entire legislative body, clearly stating the facts constituting the reason for the withdrawal or the emergency as
the case may be, specifying the fund to which the withdrawn money shall be
transferred.

NEW SECTION. Sec. 30. All appropriations in any current operating
fund shall lapse at the end of each fiscal biennium. However, this shall not
prevent payments in the following biennium upon uncompleted programs or
improvements in progress or on orders subsequently filled or claims subse-
sequently billed for the purchase of material, equipment, and supplies or for
personal or contractual services not completed or furnished by the end of
the fiscal biennium, all of which have been properly budgeted and contract-
ed for prior to the close of such fiscal biennium, but furnished or completed
in due course thereafter.

All appropriations in a special fund authorized by ordinance or by state
law to be used only for the purpose or purposes therein specified, including
any cumulative reserve funds lawfully established in specific or general
terms for any municipal purpose or purposes, or a contingency fund as
authorized by section 28 of this act, shall not lapse, but shall be carried
forward from biennium to biennium until fully expended or the purpose has
been accomplished or abandoned, without necessity of reappropriation.

The accounts for budgetary control for each fiscal biennium shall be
kept open for twenty days after the close of such fiscal biennium for the
purpose of paying and recording claims for indebtedness incurred during
such fiscal biennium; any claim presented after the twentieth day following
the close of the fiscal biennium shall be paid from appropriations lawfully
provided for the ensuing period, including those made available by provi-
sions of this section, and shall be recorded in the accounts for the ensuing
fiscal biennium.

NEW SECTION. Sec. 31. Upon the conviction of any city or town
official, department head, or other city or town employee of knowingly fail-
ing, or refusing, without just cause, to perform any duty imposed upon such
officer or employee by this chapter, or city charter or city or town ordi-
nance, in connection with the giving of notice, the preparing and filing of
estimates of revenues or expenditures or other information required for pre-
paring a budget report in the time and manner required, or of knowingly
making expenditures in excess of budget appropriations, the official or em-
ployee shall be guilty of a misdemeanor and shall be fined not more than
five hundred dollars for each separate violation.

NEW SECTION. Sec. 32. Sections 1 and 5 through 31 of this act
shall constitute a new chapter in Title 35 RCW.

available at the close of the current fiscal biennium. However, if the city

the reports of the department heads deemed advisable by such chief admin-
istrative officer. At least sixty days before the beginning of the city's next
fiscal biennium the chief administrative officer shall file it with the clerk as
the recommendation of the chief administrative officer for the final budget.
The clerk shall provide a sufficient number of copies of such preliminary
budget and budget message to meet the reasonable demands of taxpayers
therefor and have them available for distribution not later than six weeks
before the beginning of the city's next fiscal biennium.

NEW SECTION. Sec. 41. (1) In every city, a budget message pre-
pared by or under the direction of the city's chief administrative officer shall
be submitted as a part of the preliminary budget to the city's legislative
body at least sixty days before the beginning of the city's next fiscal bienni-
um and shall contain the following:

(a) An explanation of the budget document;
(b) An outline of the recommended financial policies and programs of
the city for the ensuing fiscal biennium;
(c) A statement of the relation of the recommended appropriation to
such policies and programs;
(d) A statement of the reason for salient changes from the previous bi-
nennium in appropriation and revenue items; and
(e) An explanation for any recommended major changes in financial
policy.

(2) Prior to the final hearing on the budget, the legislative body or a
committee thereof shall schedule hearings on the budget or parts thereof,
and may require the presence of department heads to give information regarding estimates and programs.

**NEW SECTION.** Sec. 42. Immediately following the filing of the preliminary budget with the clerk, the clerk shall publish a notice once a week for two consecutive weeks stating that the preliminary budget for the ensuing fiscal biennium has been filed with the clerk, that a copy thereof will be made available to any taxpayer who will call at the clerk's office therefor, that the legislative body of the city will meet on or before the first Monday of the month next preceding the beginning of the ensuing fiscal biennium for the purpose of fixing the final budget, designating the date, time, and place of the legislative budget meeting, and that any taxpayer may appear thereat and be heard for or against any part of the budget. The publication of the notice shall be made in the official newspaper of the city if there is one, otherwise in a newspaper of general circulation in the city. If there is no newspaper of general circulation in the city, then notice may be made by posting in three public places fixed by ordinance as the official places for posting the city's official notices.

**NEW SECTION.** Sec. 43. The legislative body shall meet on the day fixed by section 42 of this act for the purpose of fixing the final budget of the city at the time and place designated in the notice thereof. Any taxpayer may appear and be heard for or against any part of the budget. The hearing may be continued from day to day but not later than the twenty-fifth day prior to commencement of the city's fiscal biennium.

**NEW SECTION.** Sec. 44. Following conclusion of the hearing, and prior to the beginning of the fiscal biennium, the legislative body shall make such adjustments and changes as it deems necessary or proper and, after determining the allowance in each item, department, classification, and fund, shall by ordinance adopt the budget in its final form and content. Appropriations shall be limited to the total estimated revenues contained therein including the amount to be raised by ad valorem taxes and the unencumbered fund balances estimated to be available at the close of the current fiscal biennium. Such ordinances may adopt the final budget by reference. However, the ordinance adopting the budget shall set forth in summary form the totals of estimated revenues and appropriations for each separate fund and the aggregate totals for all such funds combined.

A complete copy of the final budget as adopted shall be transmitted to the division of municipal corporations in the office of the state auditor and to the association of Washington cities.

**NEW SECTION.** Sec. 45. The legislative authority of a city having adopted the provisions of this chapter shall provide by ordinance for a mid-biennial review and modification of the biennial budget. The ordinance shall provide that such review and modification shall occur no sooner than eight months after the start nor later than conclusion of the first year of the fiscal
biennium. The chief administrative officer shall prepare the proposed budget modification and shall provide for publication of notice of hearings consistent with publication of notices for adoption of other city ordinances. City ordinances providing for a mid-biennium review and modification shall establish procedures for distribution of the proposed modification to members of the city legislative authority, procedures for making copies available to the public, and shall provide for public hearings on the proposed budget modification. The budget modification shall be by ordinance approved in the same manner as are other ordinances of the city.

A complete copy of the budget modification as adopted shall be transmitted to the division of municipal corporations in the office of the state auditor and to the association of Washington cities.

NEW SECTION. Sec. 46. Upon the happening of any emergency caused by violence of nature, casualty, riot, insurrection, war, or other unanticipated occurrence requiring the immediate preservation of order or public health, or for the property which has been damaged or destroyed by accident, or for public relief from calamity, or in settlement of approved claims for personal injuries or property damages, or to meet mandatory expenditures required by law enacted since the last budget was adopted, or to cover expenses incident to preparing for or establishing a new form of government authorized or assumed after adoption of the current budget, including any expenses incident to selection of additional or new officials required thereby, or incident to employee recruitment at any time, the city legislative body, upon the adoption of an ordinance, by the vote of one more than the majority of all members of the legislative body, stating the facts constituting the emergency and the estimated amount required to meet it, may make the expenditures therefor without notice or hearing.

NEW SECTION. Sec. 47. If a public emergency which could not reasonably have been foreseen at the time of filing the preliminary budget requires the expenditure of money not provided for in the budget, and if it is not one of the emergencies specifically enumerated in section 46 of this act, the city legislative body before allowing any expenditure therefor shall adopt an ordinance stating the facts constituting the emergency and the estimated amount required to meet it and declaring that an emergency exists. The ordinance shall not be voted on until five days have elapsed after its introduction, and for passage shall require the vote of one more than the majority of all members of the legislative body of the city.

Any taxpayer may appear at the meeting at which the emergency ordinance is to be voted on and be heard for or against the adoption thereof.

NEW SECTION. Sec. 48. All expenditures for emergency purposes as provided in this chapter shall be paid by warrants from any available money in the fund properly chargeable with such expenditures. If, at any time,
there is insufficient money on hand in a fund with which to pay such war-
rants as presented, the warrants shall be registered, bear interest, and be
called in the same manner as other registered warrants as prescribed in
RCW 35A.21.110.

NEW SECTION. Sec. 49. In adopting the final budget for any fiscal
biennium, the legislative body shall appropriate from estimated revenue
sources available, a sufficient amount to pay the principal and interest on all
outstanding registered warrants issued since the adoption of the last pre-
ceding budget except those issued and identified as revenue warrants and
except those for which an appropriation previously has been made. Howev-
er, no portion of the revenues which are restricted in use by law may be
appropriated for the redemption of warrants issued against a utility or other
special purpose fund of a self-supporting nature. In addition, all or any
portion of the city's outstanding registered warrants may be funded into
bonds in any manner authorized by law.

NEW SECTION. Sec. 50. Notwithstanding the appropriations for any
salary or salary range of any employee or employees adopted in a final
budget, the legislative body of any city may, by ordinance, change the
wages, hours, and conditions of employment of any or all of its appointive
employees if sufficient funds are available for appropriation to such
purposes.

NEW SECTION. Sec. 51. The division of municipal corporations in
the office of the state auditor is empowered to make and install the forms
and classifications required by this chapter to define what expenditures are
chargeable to each budget class and to establish the accounting and cost
systems necessary to secure accurate budget information.

NEW SECTION. Sec. 52. (1) The expenditures as classified and
itemized in the final budget shall constitute the city's appropriations for the
ensuing fiscal biennium. Unless otherwise ordered by a court of competent
jurisdiction, and subject to further limitations imposed by ordinance of the
city, the expenditure of city funds or the incurring of current liabilities on
behalf of the city shall be limited to the following:

(a) The total amount appropriated for each fund in the budget for the
current fiscal biennium, without regard to the individual items contained
therein, except that this limitation does not apply to wage adjustments
authorized by section 50 of this act;

(b) The unexpended appropriation balances of a preceding budget
which may be carried forward from prior fiscal periods pursuant to section
59 of this act;

(c) Funds received from the sale of bonds or warrants which have been
duly authorized according to law;
(d) Funds received in excess of estimated revenues during the current fiscal biennium, when authorized by an ordinance amending the original budget; and

(e) Expenditures authorized by budget modification as provided by section 45 of this act and those required for emergencies, as authorized by sections 46 and 47 of this act.

(2) Transfers between individual appropriations within any one fund may be made during the current fiscal biennium by order of the city's chief administrative officer subject to such regulations, if any, as may be imposed by the city legislative body. Notwithstanding the provisions of RCW 43.09-210 or of any statute to the contrary, transfers, as authorized in this section, may be made within the same fund regardless of the various offices, departments, or divisions of the city which may be affected.

(3) The city legislative body, upon a finding that it is to the best interests of the city to decrease, revoke, or recall all or any portion of the total appropriations provided for any one fund, may, by ordinance, approved by the vote of one more than the majority of all members thereof, stating the facts and findings for doing so, decrease, revoke, or recall all or any portion of an unexpended fund balance, and by said ordinance, or a subsequent ordinance adopted by a like majority, the moneys thus released may be reappropriated for another purpose or purposes, without limitation to department, division, or fund, unless the use of such moneys is otherwise restricted by law, charter, or ordinance.

NEW SECTION. Sec. 53. Liabilities incurred by any officer or employee of the city in excess of any budget appropriations shall not be a liability of the city. The clerk shall issue no warrant and the city legislative body or other authorized person shall approve no claim for an expenditure in excess of the total amount appropriated for any individual fund, except upon an order of a court of competent jurisdiction or for emergencies as provided in this chapter.

NEW SECTION. Sec. 54. Moneys received from the sale of bonds or warrants shall be used for no other purpose than that for which they were issued and no expenditure shall be made for that purpose until the bonds have been duly authorized. If any unexpended fund balance remains from the proceeds realized from the bonds or warrants after the accomplishment of the purpose for which they were issued, it shall be used for the redemption of such bond or warrant indebtedness. Where a budget contains an expenditure program to be financed from a bond issue to be authorized thereafter, no such expenditure shall be made or incurred until after the bonds have been duly authorized.

NEW SECTION. Sec. 55. At a time fixed by the city's ordinance or city charter, not later than the first Monday in October of the second year of each fiscal biennium, the chief administrative officer shall provide the
city's legislative body with current information on estimates of revenues from all sources as adopted in the budget for the current biennium, together with estimates submitted by the clerk under section 39 of this act. The city's legislative body and the city's administrative officer or the officer's designated representative shall consider the city's total anticipated financial requirements for the ensuing fiscal biennium, and the legislative body shall determine and fix by ordinance the amount to be raised the first year of the biennium by ad valorem taxes. The legislative body shall review such information as is provided by the chief administrative officer and shall adopt an ordinance establishing the amount to be raised by ad valorem taxes during the second year of the biennium. Upon adoption of the ordinance fixing the amount of ad valorem taxes to be levied, the clerk shall certify the same to the county legislative authority as required by RCW 84.52.020.

NEW SECTION. Sec. 56. At such intervals as may be required by city charter or city ordinance, however, being not less than quarterly, the clerk shall submit to the city's legislative body and chief administrative officer a report showing the expenditures and liabilities against each separate budget appropriation incurred during the preceding reporting period and like information for the whole of the current fiscal biennium to the first day of the current reporting period together with the unexpended balance of each appropriation. The report shall also show the receipts from all sources.

NEW SECTION. Sec. 57. Every city may create and maintain a contingency fund to provide moneys with which to meet any municipal expense, the necessity or extent of which could not have been foreseen or reasonably evaluated at the time of adopting the annual budget, or from which to provide moneys for those emergencies described in sections 46 and 47 of this act. Such fund may be supported by a budget appropriation from any tax or other revenue source not restricted in use by law, or also may be supported by a transfer from other unexpended or decreased funds made available by ordinance as set forth in section 52 of this act. However, the total amount accumulated in such fund at any time shall not exceed the equivalent of thirty-seven and one-half cents per thousand dollars of assessed valuation of property within the city at such time. Any moneys in the emergency fund at the end of the fiscal biennium shall not lapse except upon reappropriation by the council to another fund in the adoption of a subsequent budget.

NEW SECTION. Sec. 58. No money shall be withdrawn from the contingency fund except by transfer to the appropriate operating fund authorized by a resolution or ordinance of the legislative body of the city, adopted by a majority vote of the entire legislative body, clearly stating the facts constituting the reason for the withdrawal or the emergency as the case may be, specifying the fund to which the withdrawn money shall be transferred.
NEW SECTION. Sec. 59. All appropriations in any current operating fund shall lapse at the end of each fiscal biennium. However, this shall not prevent payments in the following biennium upon uncompleted programs or improvements in progress or on orders subsequently filled or claims subsequently billed for the purchase of material, equipment, and supplies or for personal or contractual services not completed or furnished by the end of the fiscal biennium, all of which have been properly budgeted and contracted for prior to the close of such fiscal biennium, but furnished or completed in due course thereafter.

All appropriations in a special fund authorized by ordinance or by state law to be used only for the purpose or purposes therein specified, including any cumulative reserve funds lawfully established in specific or general terms for any municipal purpose or purposes, or a contingency fund as authorized by section 57 of this act, shall not lapse, but shall be carried forward from biennium to biennium until fully expended or the purpose has been accomplished or abandoned, without necessity of reappropriation.

The accounts for budgetary control for each fiscal biennium shall be kept open for twenty days after the close of such fiscal biennium for the purpose of paying and recording claims for indebtedness incurred during such fiscal biennium; any claim presented after the twentieth day following the close of the fiscal biennium shall be paid from appropriations lawfully provided for the ensuing period, including those made available by provisions of this section, and shall be recorded in the accounts for the ensuing fiscal biennium.

NEW SECTION. Sec. 60. Upon the conviction of any city official, department head, or other city employee of knowingly failing, or refusing, without just cause, to perform any duty imposed upon such officer or employee by this chapter, or city charter or city ordinance, in connection with the giving of notice, the preparing and filing of estimates of revenues or expenditures or other information required for preparing a budget report in the time and manner required, or of knowingly making expenditures in excess of budget appropriations, the official or employee shall be guilty of a misdemeanor and shall be fined not more than five hundred dollars for each separate violation.

NEW SECTION. Sec. 61. Sections 34 through 60 of this act shall constitute a new chapter in Title 35A RCW.

Sec. 62. Section 5, chapter 7, Laws of 1967 and RCW 35.32A.030 are each amended to read as follows:

The heads of all departments, divisions or agencies of the city government, including the library department, and departments headed by commissions or elected officials shall submit to the mayor estimates of revenues and necessary expenditures for the ensuing fiscal year in such detail, in such form and at such time as the mayor shall prescribe.
The budget director shall assemble all estimates of revenues; necessary departmental expenditures; interest and redemption requirements for any city debt; and other pertinent budgetary information as may be required by uniform regulations of the state auditor; and, under the direction of the mayor, prepare a proposed budget for presentation to the city council.

The revenue estimates shall be based primarily on the collection experience of the first six months of the current fiscal year and the last six months of the preceding fiscal year and shall not include revenue from any source in excess of the amount so collected unless it shall be reasonably anticipated that such excess amounts will in fact be realized. The estimated revenues shall include sources previously established by law and unencumbered fund balances estimated to be available at the close of the current fiscal year. The estimated expenditures in the proposed budget shall, in no event, exceed such estimated revenues: PROVIDED, That the mayor may recommend expenditures exceeding the estimated revenues when accompanied by proposed legislation to raise at least an equivalent amount of additional revenue.

The mayor shall submit the proposed budget to the city council not later than ninety days prior to the beginning of the ensuing fiscal year.

The budget director shall cause sufficient copies of the proposed budget to be prepared and made available to all interested persons and shall cause a summary of the proposed budget to be published at least once in the city official newspaper.

Sec. 63. Section 6, chapter 7, Laws of 1967 and RCW 35.32A.040 are each amended to read as follows:

The city council shall forthwith consider the proposed budget submitted by the mayor and shall cause such public hearings to be scheduled on two or more days to allow all interested persons to be heard. Such hearings shall be announced by public notice published in the city official newspaper as well as provided to general news media.

The city council may insert new expenditure allowances, increase or decrease expenditure allowances recommended by the mayor, or revise estimates of revenues subject to the same restrictions as are herein imposed on the mayor; but may not adopt a budget in which the total expenditure allowances exceed the total estimated revenues as defined in RCW 35.32A- .030 for the ensuing fiscal year.

Sec. 64. Section 8, chapter 7, Laws of 1967 as amended by section 20, chapter 195, Laws of 1973 1st ex. sess. and RCW 35.32A.060 are each amended to read as follows:

Every city having a population of over three hundred thousand may maintain an emergency fund, which fund balance shall not exceed thirty-seven and one-half cents per thousand dollars of assessed value. Such fund shall be maintained by an annual budget allowance. When the necessity
therefor arises transfers may be made to the emergency fund from any tax-supported fund except bond interest and redemption funds.

The city council by an ordinance approved by two-thirds of all of its members may authorize the expenditure of sufficient money from the emergency fund, or other designated funds, to meet the expenses or obligations:

1. Caused by fire, flood, explosion, storm, earthquake, epidemic, riot, insurrection, act of God, act of the public enemy or any other such happening that could not have been anticipated; or
2. For the immediate preservation of order or public health or for the restoration to a condition of usefulness of public property the usefulness of which has been destroyed by accident; or
3. In settlement of approved claims for personal injuries or property damages, exclusive of claims arising from the operation of a public utility owned by the city; or
4. To meet mandatory expenditures required by laws enacted since the last budget was adopted.

The city council by an ordinance approved by three-fourths of all its members may appropriate from the emergency fund, or other designated funds, an amount sufficient to meet the actual necessary expenditures of the city for which insufficient or no appropriations have been made due to causes which could not reasonably have been foreseen at the time of the making of the budget.

An ordinance authorizing an emergency expenditure shall become effective immediately upon being approved by the mayor or upon being passed over his veto as provided by the city charter.
