CHAPTER 184
[Engrossed House Bill No. 914]
TIMBER TAX DISTRIBUTION—SCHOOL DISTRICT MAINTENANCE AND OPERATIONS LEVY IN TIMBER COUNTIES

AN ACT Relating to timber tax distributions; amending RCW 84.33.081 and 84.52.080; creating a new section; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 9, chapter 204, Laws of 1984 and RCW 84.33.081 are each amended to read as follows:

(1) On the last business day of the second month of each calendar quarter, the state treasurer shall distribute from the timber tax distribution account to each county the amount of tax collected on behalf of each county under RCW 84.33.051, less each county's proportionate share of appropriations for collection and administration activities under RCW 84.33.051, and
shall transfer to the state general fund the amount of tax collected on behalf of the state under RCW 84.33.041, less the state's proportionate share of appropriations for collection and administration activities under RCW 84.33.041. The county treasurer shall deposit moneys received under this section in a county timber tax account which shall be established by each county. Following receipt of moneys under this section, the county treasurer shall make distributions from any moneys available in the county timber tax account to taxing districts in the county, except the state, under subsections (2) through (4) of this section.

(2) From moneys available, there first shall be a distribution to each taxing district having debt service payments due during the calendar year, based upon bonds issued under authority of a vote of the people conducted pursuant to RCW 84.52.056 and based upon excess levies for a capital project fund authorized pursuant to RCW 84.52.053, of an amount equal to the timber assessed value of the district multiplied by the tax rate levied for payment of the debt service and capital projects: PROVIDED, That in respect to levies for a debt service or capital project fund authorized before July 1, 1984, the amount allocated shall not be less than an amount equal to the same percentage of such debt service or capital project fund represented by timber tax allocations to such payments in calendar year 1984. Distribution under this subsection (2) shall be used only for debt service and capital projects payments. The distribution under this subsection shall be made as follows: One-half of such amount shall be distributed in the first quarter of the year and one-half shall be distributed in the third quarter of the year.

(3) From the moneys remaining after the distributions under subsection (2) of this section, the county treasurer shall distribute to each school district an amount equal to one-half of the timber assessed value of the district or eighty percent of the timber roll of such district in calendar year 1983 as determined under this chapter, whichever is greater, multiplied by the tax rate, if any, levied by the district under RCW 84.52.052 or 84.52.053 for purposes other than debt service payments and capital projects supported under subsection (2) of this section. The distribution under this subsection shall be made as follows: One-half of such amount shall be distributed in the first quarter of the year and one-half shall be distributed in the third quarter of the year.

(4) After the distributions directed under subsections (2) and (3) of this section, if any, each taxing district shall receive an amount equal to the timber assessed value of the district multiplied by the tax rate, if any, levied as a regular levy of the district or as a special levy not included in subsection (2) or (3) of this section.

(5) If there are insufficient moneys in the county timber tax account to make full distribution under subsection (4) of this section, the county treasurer shall multiply the amount to be distributed to each taxing district under that subsection by a fraction. The numerator of the fraction is the
county timber tax account balance before making the distribution under that subsection. The denominator of the fraction is the account balance which would be required to make full distribution under that subsection.

(6) After making the distributions under subsections (2) through (4) of this section in the full amount indicated for the calendar year, the county treasurer shall place any excess revenue up to twenty percent of the total distributions made for the year under subsections (2) through (4) of this section in a reserve status until the beginning of the next calendar year. Any moneys remaining in the county timber tax account after this amount is placed in reserve shall be distributed to each taxing district in the county in the same proportions as the distributions made under subsection (4) of this section.

Sec. 2. Section 84.52.080, chapter 15, Laws of 1961 as last amended by section 14, chapter 204, Laws of 1984 and RCW 84.52.080 are each amended to read as follows:

(1) The county assessor shall extend the taxes upon the tax rolls in the form herein prescribed. The rate percent necessary to raise the amounts of taxes levied for state and county purposes, and for purposes of taxing districts coextensive with the county, shall be computed upon the assessed value of the property of the county; the rate percent necessary to raise the amount of taxes levied for any taxing district within the county shall be computed upon the assessed value of the property of the district; all taxes assessed against any property shall be added together and extended on the rolls in a column headed consolidated or total tax. In extending any tax, whenever it amounts to a fractional part of a cent greater than five mills it shall be made one cent, and whenever it amounts to five mills or less than five mills it shall be dropped. The amount of all taxes shall be entered in the proper columns, as shown by entering the rate percent necessary to raise the consolidated or total tax and the total tax assessed against the property.

(2) For the purpose of computing the rate necessary to raise the amount of any excess levy in a taxing district which has classified or designated forest land under chapter 84.33 RCW, other than the state, the county assessor shall add the district's timber assessed value, as defined in RCW 84.33.035, to the assessed value of the property: PROVIDED, That for school districts maintenance and operations levies only one-half of the district's timber assessed value or eighty percent of the timber roll of such district in calendar year 1983 as determined under chapter 84.33 RCW, whichever is greater, shall be added.

(3) Upon the completion of such tax extension, it shall be the duty of the county assessor to make in each assessment book, tax roll or list a certificate in the following form:

I, ..........., assessor of ........... county, state of Washington, do hereby certify that the foregoing is a correct list of taxes levied on the
real and personal property in the county of ........... for the year one thousand nine hundred and ...........

Witness my hand this ...... day of ..........., 19...

................., County Assessor

(4) The county assessor shall deliver said tax rolls to the county treasurer on or before the fifteenth day of December, taking his receipt therefor, and at the same time the county assessor shall provide the county auditor with an abstract of the tax rolls showing the total amount of taxes collectible in each of the taxing districts.

NEW SECTION. Sec. 3. Section 1 of this act applies to distributions beginning in 1986, and thereafter.

NEW SECTION. Sec. 4. Section 2 of this act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately, and shall be effective for taxes levied for collection in 1986 and thereafter.
