Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 10, chapter 260, Laws of 1981 and RCW 46.20.055 are each amended to read as follows:

(1) Any person who is at least fifteen and a half years of age may apply to the department for an instruction permit for the operation of any motor vehicle except a motorcycle. Any person who is at least sixteen years of age may apply for an instruction permit for the operation of a motorcycle. The department may in its discretion, after the applicant has successfully passed all parts of the examination other than the driving test, issue to the applicant a driver's or motorcyclist's instruction permit.

(a) A driver's instruction permit entitles the permittee while having the permit in immediate possession to drive a motor vehicle upon the public highways for a period of one year when accompanied by a licensed driver who has had at least five years of driving experience and is occupying a seat beside the driver, except if the permittee is operating a motorcycle. Except as provided in subsection (c) of this subsection, only one additional permit, valid for one year, may be issued.

(b) A motorcyclist's instruction permit entitles the permittee while having the permit in immediate possession to drive a motorcycle upon the public highways for a period of ninety days as provided in RCW 46.20.510(3). Except as provided in subsection (c) of this subsection, only one additional permit, valid for ninety days, may be issued.

(c) The department after investigation may issue a third driver's or motorcyclist's instruction permit when it finds that the permittee is diligently seeking to improve driving proficiency.

(2) The department upon receiving proper application may in its discretion issue a driver's instruction permit effective for a school semester or other restricted period to an applicant who is at least fifteen years of age and is enrolled in a traffic safety education program which includes practice driving and which is approved and accredited by the superintendent of public instruction. Such instruction permit shall entitle the permittee having the permit in immediate possession to drive a motor vehicle only when an approved instructor or other licensed driver with at least five years of driving experience, is occupying a seat beside the permittee.
(3) The department may in its discretion issue a temporary driver's permit to an applicant for a driver's license permitting the applicant to drive a motor vehicle for a period not to exceed sixty days while the department is completing its investigation and determination of all facts relative to such applicant's right to receive a driver's license. Such permit must be in the ((applicant's)) permittee's immediate possession while driving a motor vehicle, and it shall be invalid when the ((applicant's)) permittee's license has been issued or for good cause has been refused.

Sec. 2. Section 46.20.100, chapter 12, Laws of 1961 as last amended by section 146, chapter 158, Laws of 1979 and RCW 46.20.100 are each amended to read as follows:

For a person under the age of eighteen years to obtain a motorcycle endorsement, he or she must successfully complete a motorcycle safety education course that meets the standards established by the department of licensing.

The department may waive any education requirement under this subsection for an applicant previously licensed to drive a motor vehicle or motorcycle outside this state if the applicant provides proof satisfactory to the department that he or she has had education equivalent to that required under this subsection.
Sec. 3. Section 3, chapter 77, Laws of 1982 and RCW 46.20.510 are each amended to read as follows:

An individual with ((an)) a motorcyclist's instruction permit may not carry passengers, may not operate a motorcycle during the hours of darkness or on a fully controlled, limited access facility, and shall be under the direct visual supervision of a person with a motorcycle endorsement of the appropriate category.
