(1) When, in the opinion of the board of directors of any school district, the cost of any furniture, supplies, equipment, building, improvements, or repairs, or other work or purchases, except books, will equal or exceed the sum of ((ten)) twenty thousand dollars, complete plans and specifications for such work or purchases shall be prepared and notice by publication given in at least one newspaper of general circulation within the district, once each week for two consecutive weeks, of the intention to receive bids therefor and that specifications and other information may be examined at the office of the board or any other officially designated location: PROVIDED, That the board without giving such notice may make improvements or repairs to the property of the district through the shop and repair department of such district when the total of such improvements or repair does not exceed the sum of ((forty-five)) seventy-five hundred dollars. The cost of any public work, improvement or repair for the purposes of this section shall be the aggregate of all amounts to be paid for labor, material, and equipment on one continuous or interrelated project where work is to be performed simultaneously or in close sequence. The bids shall be in writing and shall be opened and read in public on the date and in the place named in the notice and after being opened shall be filed for public inspection.

(2) Every purchase of furniture, equipment or supplies, except books, the cost of which is estimated to be in excess of ((forty-five)) seventy-five hundred dollars, shall be on a competitive basis. The board of directors shall establish a procedure for securing telephone and/or written quotations for such purchases. Whenever the estimated cost is from ((forty-five)) seventy-five
five hundred dollars up to ((ten)) twenty thousand dollars, the procedure shall require quotations from at least three different sources to be obtained in writing or by telephone, and recorded for public perusal. Whenever the estimated cost is in excess of ((ten)) twenty thousand dollars, the public bidding process provided in subsection (1) of this section shall be followed.

(3) Every building, improvement, repair or other public works project, the cost of which is estimated to be in excess of ((forty-five)) seventy-five hundred dollars, shall be on a competitive bid process. The board of directors shall establish a procedure for securing telephone and/or written quotations from the contractors on the small works roster to assure establishment of a competitive price and for awarding contracts to the lowest responsible bidder. Such procedure shall require that a good faith effort be made to request quotations from all contractors on the small works roster who have indicated the capability of performing the kind of public works being contracted. Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone inquiry. The small works roster shall be revised at least once each year by publishing notice of such opportunity in at least one newspaper of general circulation in the district. Responsible contractors shall be added to the list at any time they submit a written request. Whenever the estimated cost of a public works project is ((ten)) twenty thousand dollars or more, the public bidding process provided in subsection (1) of this section shall be followed.

(4) The contract for the work or purchase shall be awarded to the lowest responsible bidder as defined in RCW 43.19.1911((, PROVIDED; That when bids have been solicited in the manner provided for in subsections (2) or (3) of this section and there is reason to believe that the lowest acceptable bid is not the best obtainable, all bids may be rejected, and the board may call for new bids. Any or all bids may be rejected for good cause)) but the board may by resolution reject any and all bids and make further calls for bids in the same manner as the original call. On any work or purchase the board shall provide bidding information to any qualified bidder or his agent, requesting it in person.

(5) In the event of any emergency when the public interest or property of the district would suffer material injury or damage by delay, upon resolution of the board declaring the existence of such an emergency and reciting the facts constituting the same, the board may waive the requirements of this section with reference to any purchase or contract: PROVIDED, That an "emergency", for the purposes of this section, means a condition
