CHAPTER 402
[Substitute House Bill No. 68]
HUMAN REMAINS—STORAGE AND DISPOSAL

AN ACT Relating to the storage and disposal of human remains; amending RCW 18.39-.215, 18.39.175, 68.08.100, and 68.08.230; adding a new section to chapter 18.39 RCW; adding a new section to chapter 68.05 RCW; adding new sections to chapter 68.08 RCW; creating a new section; and prescribing penalties.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that certain practices in storing human remains and in performing cremations violate common notions of decency and generally held expectations. In enacting this legislation, the legislature is reaffirming that certain practices, which have never been acceptable, violate principles of human dignity.

NEW SECTION. Sec. 2. If embalming services are not desired nor required for the type of arrangements chosen by the authorized family member or representative and a refrigeration unit is unavailable for use, embalming services shall be provided without charge in instances where the body is to be held more than twenty-four hours.

NEW SECTION. Sec. 3. (1) A person authorized to dispose of human remains shall not cremate or cause to be cremated more than one body at a time unless written permission, after full and adequate disclosure regarding the manner of cremation, has been received from the person or persons under RCW 68.08.160 having the authority to order cremation.

(2) Violation of this section is a gross misdemeanor.

NEW SECTION. Sec. 4. A new section is added to chapter 68.05 RCW to read as follows:

A permit or endorsement issued by the cemetery board or under chapter 18.39 RCW is required in order to operate a crematory or conduct a cremation. Conducting a cremation without a permit or endorsement is a
misdemeanor. Each such cremation is a separate violation. Crematories owned or operated by or located on property licensed as a funeral establishment shall be regulated by the board of funeral directors and embalmers. Crematories not affiliated with a funeral establishment shall be regulated by the cemetery board.

Sec. 5. Section 15, chapter 43, Laws of 1981 and RCW 18.39.215 are each amended to read as follows:

(1) No licensed embalmer shall embalm a deceased body without first having obtained authorization from a family member or representative of the deceased.

Notwithstanding the above prohibition a licensee may embalm without such authority when after due diligence no authorized person can be contacted and embalming is in accordance with legal or accepted standards of care in the community, or the licensee has good reason to believe that the family wishes embalming. If embalming is performed under these circumstances, the licensee shall not be deemed to be in violation of the provisions of this subsection.

The funeral director or embalmer shall inform the family member or representative of the deceased that embalming is not required by state law, except that embalming is required under certain conditions as determined by rule by the state board of health.

(2) Any person authorized to dispose of human remains shall refrigerate or embalm the body within twenty-four hours upon receipt of the body, unless disposition of the body has been made. However, subsection (1) of this section and RCW 68.08.108 shall be complied with before a body is embalmed. Upon written authorization of the proper state or local authority, the provisions of this subsection may be waived for a specified period of time.

Violation of this subsection is a gross misdemeanor.

Sec. 6. Section 9, chapter 93, Laws of 1977 ex. sess. as last amended by section 34, chapter 287, Laws of 1984 and RCW 18.39.175 are each amended to read as follows:
