Passed the Senate April 23, 1985.
Approved by the Governor May 21, 1985, with the exception of certain items which are vetoed.
Filed in Office of Secretary of State May 21, 1985.

Note: Governor's explanation of partial veto's as follows:

'"I am returning herewith without my approval as to Section 1, Substitute Senate Bill No. 3069, entitled:

'AN ACT Relating to professional service corporations;"

Section 1 of Substitute Senate Bill No. 3069 permits non-profit corporations practicing in one of the professions otherwise regulated by Title 18 of the Revised Code of Washington to employ individuals or groups incorporated under Title 18. This provision is unnecessary to the central purpose of this measure which is to permit organizations currently organized under Title 18 to organize under the non-profit corporation provisions of Title 24.

The inclusion of this provision raises significant questions about the relationships of for-profit enterprise with non-profit corporations. There is no current bar to a non-profit corporation contracting with a Title 18 professional services corporation as long as an arms length relationship is maintained. Section 1 of Substitute Senate Bill No. 3069 is therefore unnecessary unless some change in existing policy is intended. I believe that any provision which implies less stringent standards than those in the current law governing the relationship of non-profit entities to for-profit enterprise is unwise. I have therefore vetoed Section 1.

With the exception of Section 1, which I have vetoed, Substitute Senate Bill No. 3069 is approved.'
