AN ACT Relating to institutional industries; and amending RCW 72.09.110.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 12, chapter 136, Laws of 1981 and RCW 72.09.110 are each amended to read as follows:

All inmates working in prison industries shall participate in the cost of corrections, including costs to develop and implement institutional industries programs. The amount so deducted shall be placed in the general fund and shall be a reasonable amount which will not unduly discourage the incentive to work. The secretary may direct the state treasurer to deposit a portion of these moneys in the crime victims compensation account.

When the secretary finds it appropriate and not unduly destructive of the work incentive, the secretary shall also provide deductions for restitution, savings, and family support.
