Section 6 of this bill would significantly expand the authority of administrative law judges, turning them into a new arm of the judiciary. These judges now have the authority to issue a proposed decision. This section would give them authority to make a final decision which could be appealed only to the courts.

This new authority is not necessary or justified. Section 6 would also create a new appeals process outside the provisions of the state's Administrative Procedure Act. The Administrative Procedure Act has made agency actions more uniform and this uniformity is more understandable to the state's citizens. For these reasons, I have vetoed section 6.

With the exception of section 6, Substitute House Bill No. 1458 is approved.*

(1) Every elected official and every executive state officer shall after January 1st and before April 15th of each year file with the commission a statement of financial affairs for the preceding calendar year. However, any local elected official whose term of office expires immediately after December 31st shall file the statement required to be filed by this section for the year that ended on that December 31st.

(2) Every candidate shall within two weeks of becoming a candidate file with the commission a statement of financial affairs for the preceding twelve months.

(3) Every person appointed to a vacancy in an elective office or executive state officer position shall within two weeks of being so appointed file with the commission a statement of financial affairs for the preceding twelve months.

(4) A statement of a candidate or appointee filed during the period from January 1st to April 15th shall cover the period from January 1st of the preceding calendar year to the time of candidacy or appointment if the filing of the statement would relieve the individual of a prior obligation to file a statement covering the entire preceding calendar year.

(5) No individual may be required to file more than once in any calendar year.

(6) Each statement of financial affairs filed under this section shall be sworn as to its truth and accuracy.

(7) For the purposes of this section, the term "executive state officer" includes those listed in RCW 43.17.020 and those listed in RCW 42.17.2401.

(8) This section does not apply to incumbents or candidates for a federal office or the office of precinct committeeman.

(9) "Executive state officers" as defined in RCW 42.17.2401 are prohibited from filing as a registered lobbyist for any entity other than to fulfill their responsibilities as an executive state officer.

*Sec. 3 was vetoed, see message at end of chapter.

Passed the House March 10, 1986.
Passed the Senate March 7, 1986.
Approved by the Governor April 3, 1986, with the exception of certain items which are vetoed.
Filed in Office of Secretary of State April 3, 1986.

Note: Governor's explanation of partial veto is as follows:
"I am returning herewith, without my approval as to one section, House Bill No. 1647, entitled:

"AN ACT Relating to the sunset termination and repeal of the public disclosure commission, of the powers and duties of the commission, and of the programs administered or enforced by the commission."

Section 3 of this bill would have restricted registered lobbyists from serving as executive state officers as that term is defined by RCW 42.17.2401 in the Public Disclosure Act. I do not believe that there has been a demonstrated need for this legislation or that the far-reaching effects have been recognized. Leaving this provision in the legislation would exclude persons who are appointed to any of the many boards or commissions of this state. Most of these positions are part-time and only minimally compensated by expense reimbursement. In this regard, section 3 would unfairly restrict the activities of those who serve on the state's boards of regents, boards of trustees and the numerous other boards and commissions.

With the exception of section 3, House Bill No. 1647 is approved."

The office of financial management shall report to the appropriate committees of the legislature no later than December 1, 1986, on the results of the study. The report shall include: Recommendations on consolidation, any necessary legislation to implement the consolidation, and other options considered, but not adopted and the reason for rejection.
