CHAPTER 275
[Senate Bill No. 4712]
PUBLIC RECORDS—ORAL HISTORY PROGRAM

AN ACT Relating to public records; amending RCW 40.14.020; adding a new section to chapter 40.14 RCW; and making an appropriation.

Be it enacted by the Legislature of the State of Washington:

All public records shall be and remain the property of the state of Washington. In order to insure the proper management and safeguarding of public records, the division of archives and records management is established in the office of the secretary of state, and, under the administration of the state archivist, who shall have reasonable access to all public records, wherever kept, for purposes of information, surveying, or cataloguing, shall undertake the following functions, duties, and responsibilities:

(1) To manage the archives of the state of Washington;

(2) To centralize the archives of the state of Washington, to make them available for reference and scholarship, and to insure their proper preservation;

(3) To inspect, inventory, catalog, and arrange retention and transfer schedules on all record files of all state departments and other agencies of state government;

(5) To establish and operate such state record centers as may from time to time be authorized by appropriation, for the purpose of preserving, servicing, screening and protecting all state public records which must be preserved temporarily or permanently, but which need not be retained in office space and equipment;

(6) To set standards by rule for the durability and permanence of records required by law or for other reasons to be filed and maintained permanently or for very long periods of time by state and local agencies;

(7) To gather and disseminate to interested agencies information on all phases of records management and current practices, methods, procedures, techniques, and devices for efficient and economical management and preservation of records;

(8) To operate a central microfilming bureau which will microfilm, at cost, records approved for filming by the head of the office of origin and the
archivist; to approve microfilming projects undertaken by state departments and all other agencies of state government; and to maintain proper standards for this work;

(9) To maintain necessary facilities for the review of records approved for destruction and for their economical disposition by sale or burning; directly to supervise such destruction of public records as shall be authorized by the terms of this chapter;

(10) To conduct an oral history program to record and document the oral history of former members and staff of the Washington state legislature, former state government officials and personnel, and other citizens of interest through recording memoirs, processing and making transcripts of the tapes, and taking photographs. The tapes, transcripts, and photographs shall be indexed, shall be available for reference, and shall be properly preserved;

(11) To adopt rules under chapter 34.04 RCW to carry out the state archivist's duties under this chapter.

*NEW SECTION. Sec. 2. A new section is added to chapter 40.14 RCW to read as follows:

(1) The oral history advisory committee is created.

(2) The committee shall be composed of the following ex officio members: The secretary of state, the state archivist, the secretary of the senate or the secretary's designee, and the chief clerk of the house of representatives or the chief clerk's designee. The committee shall be composed of the following appointed members: Two members of the senate with one from each major political party appointed by the president of the senate, two members of the house of representatives with one from each major political party appointed by the speaker of the house of representatives, and two private citizens appointed by majority vote of the other members of the committee. The appointed members shall be appointed for two-year terms. Vacancies shall be filled in the same manner as the appointments were made.

(3) Members of the committee shall serve without compensation. The nonlegislative members of the committee shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060. The legislators who are members of the committee shall be reimbursed for travel expenses under RCW 44.04.120.

(4) The secretary of state is the chair of the committee.

(5) The committee shall meet at the call of the chair. A majority of the members constitute a quorum for the conduct of business.

(6) The committee shall provide advice to the state archivist on the operation of the oral history program under RCW 40.14.020.

*Sec. 2 was vetoed, see message at end of chapter.

NEW SECTION. Sec. 3. The sum of twenty-nine thousand dollars, or so much thereof as may be necessary, is appropriated from the general fund
for the fiscal year ending June 30, 1987, to the secretary of state to carry
out the oral history program under RCW 40.14.020.

Passed the Senate March 9, 1986.
Passed the House March 5, 1986.
Approved by the Governor April 3, 1986, with the exception of certain
items which are vetoed.

Filed in Office of Secretary of State April 3, 1986.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 2, Senate Bill No.
4712, entitled:

"AN ACT Relating to public records; amending RCW 40.14.020; adding a new
section to Chapter 40.14 RCW; and making an appropriation."

This bill would establish a new program to record and document the experience
of former state officials. In addition, a new statutory advisory committee would be
created.

I have vetoed section 2 which creates a new statutory advisory committee. After
reviewing this matter, I find that the purposes and functions of this bill can be ful-
filled without creating, in statute, an additional advisory body.

With the exception of section 2, Senate Bill No. 4712 is approved."

CHAPTER 276
[Engrossed Substitute House Bill No. 1587]
PORT DISTRICTS—EXPORT TRADE

AN ACT Relating to port district sponsored trade expansion projects; amending RCW
42.17.310 and 42.30.110; providing an expiration date; and adding a new chapter to Title 53
RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. It is declared to be the public policy of the
state to promote and preserve the economic well-being of the citizens of this
state by creating opportunities for expanded participation in international
trade by state businesses and expanding international trade through state
ports. Increased international trade of state products creates and retains
jobs, increases the state's tax base, and diversifies the state's economy. Port
districts, through economies of scale, are uniquely situated to promote and
expand international trade and provide greater opportunities for state busi-
nesses to participate in international trade.

The legislature finds that significant public benefit, in the form of in-
creased employment and tax revenues, can be realized through export trading
companies without lending the credit of port districts, and without
capital investment of public funds by port districts. The legislature finds
that the use of port district funds to promote and establish export trading
companies under this chapter constitutes trade promotion and industrial de-
velopment within the meaning of Article VIII, section 8 of the state
Constitution.
