AN ACT Relating to capital projects; and amending RCW 47.10.802, 47.10.803, 47.26-.421, 47.26.422, 47.26.423, 47.10.791, 47.10.792, 47.60.560, and 47.60.570.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 2, chapter 316, Laws of 1981 as last amended by section 23, chapter 53, Laws of 1983 1st ex. sess. and RCW 47.10.802 are each amended to read as follows:

Upon request being made by the transportation commission, the state finance committee shall supervise and provide for the issuance, sale, and retirement of the bonds authorized by RCW 47.10.801 in accordance with chapter 39.42 RCW. The amount of such bonds issued and sold under RCW 47.10.801 through 47.10.809 in any biennium may not exceed the amount of a specific appropriation therefor. Such bonds may be sold from time to time in such amounts as may be necessary for the orderly progress of the state highway improvements specified in RCW 47.10.801. The amount of bonds issued and sold under RCW 47.10.801(1)(a) in any biennium shall not, except as provided in that section, exceed the amount required to match federal-aid interstate funds available to the state of Washington. The transportation commission shall give notice of its intent to sell bonds to the legislative transportation committee before requesting the state finance committee to issue and sell bonds authorized by RCW 47.10.801(1)(a). The bonds shall be sold in such manner, at such time or times, in such amounts, and at such price or prices as the state finance committee shall determine. The state finance committee may obtain insurance, letters of credit, or other credit facility devices with respect to the bonds and may authorize the execution and delivery of agreements, promissory notes, and other obligations for the purpose of insuring the payment or enhancing the marketability of the bonds. Promissory notes or other obligations issued under this section shall not constitute a debt or the contracting of indebtedness under any constitutional or statutory indebtedness limitation if their payment is conditioned upon the failure of the state to pay the principal of or interest on the bonds with respect to which the promissory notes or other obligations relate. The state finance committee may authorize the
issuance of short-term obligations in lieu of long-term obligations for the purposes of more favorable interest rates, lower total interest costs, and increased marketability and for the purposes of retiring the bonds during the life of the project for which they were issued.

Sec. 2. Section 3, chapter 316, Laws of 1981 as amended by section 8, chapter 433, Laws of 1985 and RCW 47.10.803 are each amended to read as follows:

The proceeds from the sale of the bonds authorized by RCW 47.10.801(1)(c) shall be deposited in the economic development account of the motor vehicle fund, hereby created. All such proceeds shall be available only for the purposes enumerated in RCW 47.10.801, for the payment of bond anticipation notes, if any, and for the payment of the expense incurred in the drafting, printing, issuance, and sale of such bonds. The costs of obtaining insurance, letters of credit, or other credit enhancement devices with respect to the bonds shall be considered to be expenses incurred in the issuance and sale of the bonds.

Sec. 3. Section 46, chapter 83, Laws of 1967 ex. sess. as last amended by section 6, chapter 315, Laws of 1981 and RCW 47.26.421 are each amended to read as follows:

The bonds shall be signed by the governor and the state treasurer under the seal of the state, either or both of which signatures may be in printed facsimile, and any coupons attached to such bonds shall be signed by the same officers whose signatures thereon may be in printed facsimile. Any bonds may be registered in the name of the holder on presentation to the state treasurer or at the fiscal agency of the state of Washington in Seattle or New York City, as to principal alone, or as to both principal and interest under such regulations as the state treasurer may prescribe. Such bonds shall be payable at such places as the state finance committee may provide. All bonds issued hereunder shall be fully negotiable instruments.

ance, letters of credit, or other credit facility devices with respect to the
bonds and may authorize the execution and delivery of agreements, promis-
sory notes, and other obligations for the purpose of insuring the payment or
enhancing the marketability of the bonds. Promissory notes or other obliga-
tions issued pursuant to this section shall not constitute a debt or the con-
tracting of indebtedness under any constitutional or statutory indebtedness
limitation if their payment is conditioned upon the failure of the state to
pay the principal of or interest on the bonds with respect to which the
promissory notes or other obligations relate. The state finance committee
may authorize the issuance of short-term obligations in lieu of long-term
obligations for the purposes of more favorable interest rates, lower total in-

sold under the provisions of RCW 47.10.790 through 47.10.798 in any bi-
