Sec. 67. Section 5, chapter 80, Laws of 1969 as amended by section 2, chapter 54, Laws of 1975 and RCW 68.08.530 are each amended to read as follows:

(1) A gift of all or part of the body under RCW (68.08.510(1)) 68.50.350(1), may be made by will. The gift becomes effective upon the death of the testator without waiting for probate. If the will is not probated, or if it is declared invalid for testamentary purposes, the gift, to the extent that it has been acted upon in good faith, is nevertheless valid and effective.

(2) A gift of all or part of the body under RCW (68.08.510(1)) 68.50.350(1), may also be made by document other than a will. The gift becomes effective upon the death of the donor. The document, which may be a card designed to be carried on the person, must be signed by the donor in the presence of two witnesses who must sign the document in his presence. If the donor cannot sign, the document may be signed for him at his direction and in his presence in the presence of two witnesses who must sign the document in his presence. Delivery of the document of gift during the donor's lifetime is not necessary to make the gift valid.

(3) A gift of all or part of the body under RCW (68.08.510(1)) 68.50.350(1) may also be made by a statement provided for on Washington
state driver's licenses. The gift becomes effective upon the death of the licensee. The statement must be signed by the licensee in the presence of two witnesses, who must sign the statement in the presence of the donor. Delivery of the license during the donor's lifetime is not necessary to make the gift valid. The gift shall become invalidated upon expiration, cancellation, revocation, or suspension of the license, and the gift must be renewed upon renewal of each license: PROVIDED, That the statement of gift herein provided for shall contain a provision, including a clear instruction to the donor, providing for a means by which the donor may at his will revoke such gift: PROVIDED FURTHER, That nothing in this chapter shall be construed to invalid a donor card located elsewhere.

(4) The gift may be made to a specified donee or without specifying a donee. If the latter, the gift may be accepted by the attending physician as donee upon or following death. If the gift is made to a specified donee who is not available at the time and place of death, the attending physician upon or following death, in the absence of any expressed indication that the donor desired otherwise, may accept the gift as donee. The physician who becomes a donee under this subsection shall not participate in the procedures for removing or transplanting a part.

(5) Notwithstanding RCW (68.08.560(2)) 68.50.400(2), the donor may designate in his will, card, or other document of gift the surgeon or physician to carry out the appropriate procedures. In the absence of a designation or if the designee is not available, the donee or other person authorized to accept the gift may employ or authorize any surgeon or physician for the purpose.

(6) Any gift by a person designated in RCW (68.08.510(2)) 68.50.350(2), shall be made by a document signed by him or made by his telegraphic, recorded telephonic, or other recorded message.

Sec. 68. Section 8, chapter 80, Laws of 1969 and RCW 68.08.560 are each amended to read as follows:

(1) The donee may accept or reject the gift. If the donee accepts a gift of the entire body, he may, subject to the terms of the gift, authorize embalming and the use of the body in funeral services. If the gift is of a part of the body, the donee, upon the death of the donor and prior to embalming, shall cause the part to be removed without unnecessary mutilation. After removal of the part, custody of the remainder of the body vests in the surviving spouse, next of kin, or other persons under obligation to dispose of the body.

(2) The time of death shall be determined by a physician who tends the donor at his death, or, if none, the physician who certifies the death. The physician shall not participate in the procedures for removing or transplanting a part.
(3) A person who acts in good faith in accord with the terms of RCW 68.50.340 through 68.50.420 or with the anatomical gift laws of another state (or a foreign country) is not liable for damages in any civil action or subject to prosecution in any criminal proceeding for his act.

(4) The provisions of RCW 68.50.340 through 68.50.420 are subject to the laws of this state prescribing powers and duties with respect to autopsies.

Sec. 69. Section 9, chapter 80, Laws of 1969 and RCW 68.08.600 are each amended to read as follows:

RCW 68.50.340 through 68.50.420 shall be so construed as to effectuate its general purpose to make uniform the law of those states which enact it.

Sec. 70. Section 11, chapter 80, Laws of 1969 and RCW 68.08.610 are each amended to read as follows:

RCW 68.50.340 through 68.50.420 may be cited as the "Uniform Anatomical Gift Act".

Sec. 71. Section 1, chapter 129, Laws of 1986 and RCW 68.08.650 are each amended to read as follows:

Each hospital shall develop procedures for identifying potential organ and tissue donors. The procedures shall require that any deceased individual's next of kin or other individual, as set forth in RCW 68.50.350, at or near the time of notification of death be asked whether the deceased was an organ donor. If not, the family shall be informed of the option to donate organs and tissues pursuant to the uniform anatomical gift act. With the approval of the designated next of kin or other individual, as set forth in RCW 68.50.350, the hospital shall then notify an established eye bank, tissue bank, or organ procurement agency including those organ procurement agencies associated with a national organ procurement transportation network or other eligible donee, as specified in RCW 68.50.360, and cooperate in the procurement of the anatomical gift or gifts. The procedures shall encourage reasonable discretion and sensitivity to the family circumstances in all discussions regarding donations of tissue or organs. The procedures may take into account the deceased individual's religious beliefs or obvious nonsuitability for organ and tissue donation. Laws pertaining to the jurisdiction of the coroner shall be complied with in all cases of reportable deaths pursuant to RCW 68.08.520.

Sec. 72. Section 2, chapter 129, Laws of 1986 and RCW 68.08.660 are each amended to read as follows:

No act or omission of a hospital in developing or implementing the provisions of RCW 68.50.500, when performed in good faith, shall be a basis for the imposition of any liability upon the hospital.
This section shall not apply to any act or omission of the hospital that constitutes gross negligence or wilful and wanton conduct.

Sec. 73. Section 2, chapter 112, Laws of 1963 and RCW 68.16.113 are each amended to read as follows:

As used in RCW (68.16.112) 68.52.192, "public agency" means counties, cities and towns, special districts, or quasi municipal corporations.

Sec. 74. Section 1, chapter 78, Laws of 1969 ex. sess. and RCW 68-.18.010 are each amended to read as follows:

Any territory contiguous to a cemetery district and not within the boundaries of a city or town other than as set forth in RCW (68.16.130) 68.52.210 or other cemetery district may be annexed to such cemetery district by petition of fifteen percent of the qualified registered electors residing within the territory proposed to be annexed. Such petition shall be filed with the cemetery commissioners of the cemetery district and if the said cemetery commissioners shall concur in the said petition they shall then file such petition with the county auditor who shall within thirty days from the date of filing such petition examine the signatures thereof and certify to the sufficiency or insufficiency thereof. After the county auditor shall have certified to the sufficiency of the petition, the proceedings thereafter by the board of county commissioners, and the rights and powers and duties of the board of county commissioners, petitioners and objectors and the election and canvass thereof shall be the same as in the original proceedings to form a cemetery district: PROVIDED, That the board of county commissioners shall have authority and it shall be its duty to determine on an equitable basis, the amount of obligation which the territory to be annexed to the district shall assume, if any, to place the taxpayers of the existing district on a fair and equitable relationship with the taxpayers of the territory to be annexed by reason of the benefits of coming into a going district previously supported by the taxpayers of the existing district, and such obligation may be paid to the district in yearly installments to be fixed by the county board if within the limits as outlined in RCW (68.16.230) 68.52.310 and included in the annual tax levies against the property in such annexed territory until fully paid. The amount of the obligation and the plan of payment thereof filed by the county board shall be set out in general terms in the notice of election for annexation: PROVIDED, That the special election shall be held only within the boundaries of the territory proposed to be annexed to said cemetery district. Upon the entry of the order of the board of county commissioners incorporating such contiguous territory within such existing cemetery district, said territory shall become subject to the indebtedness, bonded or otherwise, of said existing district in like manner as the territory of said district. Should such petition be signed by sixty percent of the qualified registered electors residing within the territory proposed to be annexed, and should the cemetery commissioners concur therein, an election in such territory and a hearing on such petition shall be dispensed with and the
board of county commissioners shall enter its order incorporating such territory within the said existing cemetery district.

Sec. 75. Section 12, chapter 78, Laws of 1969 ex. sess. and RCW 68-18.120 are each amended to read as follows:

When a part of one cemetery district is transferred to another as provided by RCW 68.54.100 and 68.54.110, said part shall be relieved of all liability for any indebtedness of the district from which it is withdrawn. However, the acquiring district shall pay to the losing district that portion of the latter's indebtedness for which the transferred part was liable. This amount shall not exceed the proportion that the assessed valuation of the transferred part bears to the assessed valuation of the whole district from which said part is withdrawn. The adjustment of such indebtedness shall be based on the assessment for the year in which the transfer is made. The boards of commissioners of the districts involved in the said transfer and merger shall enter into a contract for the payment by the acquiring district of the above-referred to indebtedness under such terms as they deem proper, provided such contract shall not impair the security of existing creditors.

Sec. 76. Section 15, chapter 43, Laws of 1981 as amended by section 5, chapter 402, Laws of 1985 and RCW 18.39.215 are each amended to read as follows:

(1) No licensed embalmer shall embalm a deceased body without first having obtained authorization from a family member or representative of the deceased.

Notwithstanding the above prohibition a licensee may embalm without such authority when after due diligence no authorized person can be contacted and embalming is in accordance with legal or accepted standards of care in the community, or the licensee has good reason to believe that the family wishes embalming. If embalming is performed under these circumstances, the licensee shall not be deemed to be in violation of the provisions of this subsection.

The funeral director or embalmer shall inform the family member or representative of the deceased that embalming is not required by state law, except that embalming is required under certain conditions as determined by rule by the state board of health.

(2) Any person authorized to dispose of human remains shall refrigerate or embalm the body within twenty-four hours upon receipt of the body, unless disposition of the body has been made. However, subsection (1) of this section and RCW 68.50.108 shall be complied with before a body is embalmed. Upon written authorization of the proper state or local authority, the provisions of this subsection may be waived for a specified period of time.

Violation of this subsection is a gross misdemeanor.

Moneys thus determined available for this purpose may be invested on an individual fund basis or may, unless otherwise restricted by law be commingled within one common investment portfolio for the mutual benefit of all participating funds: PROVIDED, That if such moneys are commingled in a common investment portfolio, all income derived therefrom shall be apportioned among the various participating funds in direct proportion to the amount of money invested by each.

Any excess or inactive funds on hand in the city treasury not otherwise invested for the specific benefit of any particular fund, may be invested by the city treasurer in United States government bonds, notes, bills or certificates of indebtedness for the benefit of the general or current expense fund.

duties usually performed by a city treasurer, although he may not have that designation.
