the receipt or if no charges are so specified then to a reasonable charge for
storage of the goods covered by the receipt subsequent to the date of the
receipt. A warehouseman's lien as provided in this chapter takes priority
over all other liens and perfected or unperfected security interests.

(2) The warehouseman may also reserve a security interest against the
bailor for a maximum amount specified on the receipt for charges other
than those specified in subsection (1), such as for money advanced and in-
terest. Such a security interest is governed by the Article on Secured
Transactions (Article 9).

(3) A warehouseman's lien for charges and expenses under subsection
(1) or a security interest under subsection (2) is also effective against any
person who so entrusted the bailor with possession of the goods that a
pledge of them by him to a good faith purchaser for value would have been
valid but is not effective against a person as to whom the document confers
no right in the goods covered by it under RCW 62A.7-503.

(4) A warehouseman loses his lien on any goods which he voluntarily
delivers or which he unjustifiably refuses to deliver.
