

to appear at a requested hearing, the department shall suspend the driver's license until any penalties imposed pursuant to this chapter have been satisfied. For purposes of driver's license suspension or nonrenewal only, the lessee of a vehicle shall be considered to be the person to whom a notice of a standing, stopping, or parking violation has been issued for such violations of the vehicle incurred while the vehicle was leased or rented under a bona fide commercial lease or rental agreement between a lessor engaged in the business of leasing vehicles and a lessee who is not the vehicle's registered owner, if the lease agreement contains a provision prohibiting anyone other than the lessee from operating the vehicle. Such a lessor shall, upon the request of the municipality issuing the notice of infraction, supply the municipality with the name and driver's license number of the person leasing the vehicle at the time of the infraction.

*Sec. 5 was vetoed, see message at end of chapter.

Passed the Senate April 22, 1987.

Passed the House April 16, 1987.

Approved by the Governor May 15, 1987, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State May 15, 1987.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, with my approval as to section 5, Engrossed Substitute Senate Bill No. 5850, entitled:

"AN ACT Relating to traffic infractions."

Section 5 of the bill directs the Department of Licensing to suspend individuals with two or more "failures to appear" on their record. Substitute Senate Bill No. 5061, which I have already signed into law, contains a similar provision. It allows the arrest and conviction of a person with two or more charges of "failure to appear" on his or her driving record in any four-year period from a traffic infraction. It also grants the officer the authority to arrest the person on the spot after receiving radio verification of their driving record from the Department of Licensing.

We have addressed this issue in two different ways in two separate bills. In order to avoid confusion and additional administrative cost to the public and state, I have vetoed section 5. The provisions contained in Substitute Senate Bill No. 5061 will have a much greater impact on this problem without a negative fiscal impact.

With the exception of section 5, Engrossed Substitute Senate Bill No. 5850 is approved."
