Be it enacted by the Legislature of the State of Washington:

these sections. This separation shall not change the meaning of any of the provisions involved.

NEW SECTION. Sec. 2. "Amusement game," as used in this chapter, means a game played for entertainment in which:

- (1) The contestant actively participates;
- (2) The outcome depends in a material degree upon the skill of the contestant;
- (3) Only merchandise prizes are awarded;
- (4) The outcome is not in the control of the operator;
- (5) The wagers are placed, the winners are determined, and a distribution of prizes or property is made in the presence of all persons placing wagers at such game; and
- (6) Said game is conducted or operated by any agricultural fair, person, association, or organization in such manner and at such locations as may be authorized by rules and regulations adopted by the commission pursuant to this chapter as now or hereafter amended.

Cake walks as commonly known and fish ponds as commonly known shall be treated as amusement games for all purposes under this chapter.

NEW SECTION. Sec. 3. "Bingo," as used in this chapter, means a game conducted only in the county within which the organization is principally located in which prizes are awarded on the basis of designated numbers or symbols on a card conforming to numbers or symbols selected at random and in which no cards are sold except at the time and place of said game, when said game is conducted by a bona fide charitable or nonprofit organization which does not conduct or allow its premises to be used for conducting bingo on more than three occasions per week and which does not conduct bingo in any location which is used for conducting bingo on more than three occasions per week, or if an agricultural fair authorized under chapters 15.76 and 36.37 RCW, which does not conduct bingo on more than twelve consecutive days in any calendar year, and except in the case of any agricultural fair as authorized under chapters 15.76 and 36.37 RCW, no person other than a bona fide member or an employee of said organization takes any part in the management or operation of said game, and no person who takes any part in the management or operation of said game takes any part in the management or operation of any game conducted by any other organization or any other branch of the same organization, unless approved by the commission, and no part of the proceeds thereof inure to the benefit of any person other than the organization conducting said game. For the purposes of this section, the organization shall be deemed to be principally located in the county within which it has its primary business office. If the organization has no business office, the organization shall be deemed to be located in the county of principal residence of its chief executive officer: **PROVIDED**, That any organization which is conducting any licensed and established bingo game in any locale as of January 1, 1981, shall

be exempt from the requirement that such game be conducted in the county in which the organization is principally located.

NEW SECTION. Sec. 4. "Bona fide charitable or nonprofit organization," as used in this chapter, means: (1) Any organization duly existing under the provisions of chapters 24.12, 24.20, or 24.28 RCW, any agricultural fair authorized under the provisions of chapters 15.76 or 36.37 RCW, or any nonprofit corporation duly existing under the provisions of chapter 24.03 RCW for charitable, benevolent, eleemosynary, educational, civic, patriotic, political, social, fraternal, athletic or agricultural purposes only, or any nonprofit organization, whether incorporated or otherwise, when found by the commission to be organized and operating for one or more of the aforesaid purposes only, all of which in the opinion of the commission have been organized and are operated primarily for purposes other than the operation of gambling activities authorized under this chapter; or (2) any corporation which has been incorporated under Title 36 U.S.C. and whose principal purposes are to furnish volunteer aid to members of the armed forces of the United States and also to carry on a system of national and international relief and to apply the same in mitigating the sufferings caused by pestilence, famine, fire, floods, and other national calamities and to devise and carry on measures for preventing the same. Such an organization must have been organized and continuously operating for at least twelve calendar months immediately preceding making application for any license to operate a gambling activity, or the operation of any gambling activity authorized by this chapter for which no license is required. It must have not less than fifteen bona fide active members each with the right to an equal vote in the election of the officers, or board members, if any, who determine the policies of the organization in order to receive a gambling license. An organization must demonstrate to the commission that it has made significant progress toward the accomplishment of the purposes of the organization during the twelve consecutive month period preceding the date of application for a license or license renewal. The fact that contributions to an organization do not qualify for charitable contribution deduction purposes or that the organization is not otherwise exempt from payment of federal income taxes pursuant to the internal revenue code of 1954, as amended, shall constitute prima facie evidence that the organization is not a bona fide charitable or nonprofit organization for the purposes of this section.

Any person, association or organization which pays its employees, including members, compensation other than is reasonable therefor under the local prevailing wage scale shall be deemed paying compensation based in part or whole upon receipts relating to gambling activities authorized under this chapter and shall not be a bona fide charitable or nonprofit organization for the purposes of this chapter.

NEW SECTION. Sec. 5. "Bookmaking," as used in this chapter, means accepting bets as a business, rather than in a casual or personal fashion, upon the outcome of future contingent events.

NEW SECTION. Sec. 6. The commission may by rule establish guidelines and criteria for applying this definition to its applicants and licensees for gambling activities authorized by this chapter as commercial stimulants.

NEW SECTION. Sec. 8. "Contest of chance," as used in this chapter, means any contest, game, gaming scheme, or gaming device in which the outcome depends in a material degree upon an element of chance, notwithstanding that skill of the contestants may also be a factor therein.

NEW SECTION. Sec. 9. "Fishing derby," as used in this chapter, means a fishing contest, with or without the payment or giving of an entry fee or other consideration by some or all of the contestants, wherein prizes are awarded for the species, size, weight, or quality of fish caught in a bona fide fishing or recreational event.

NEW SECTION. Sec. 10. "Gambling," as used in this chapter, means staking or risking something of value upon the outcome of a contest of chance or a future contingent event not under the person's control or influence, upon an agreement or understanding that the person or someone else will receive something of value in the event of a certain outcome. Gambling does not include fishing derbies as defined by this chapter, parimutuel betting as authorized by chapter 67.16 RCW, bona fide business transactions valid under the law of contracts, including, but not limited to, contracts for the purchase or sale at a future date of securities or commodities, and agreements to compensate for loss caused by the happening of chance, including, but not limited to, contracts of indemnity or guarantee and life, health, or accident insurance. In addition, a contest of chance which is specifically excluded from the definition of lottery under this chapter shall not constitute gambling.

NEW SECTION. Sec. 11. "Gambling device," as used in this chapter, means: (1) Any device or mechanism the operation of which a right to money, credits, deposits or other things of value may be created, in return for a consideration, as the result of the operation of an element of chance; (2) any device or mechanism which, when operated for a consideration, does not return the same value or thing of value for the same consideration upon

each operation thereof; (3) any device, mechanism, furniture, fixture, construction or installation designed primarily for use in connection with professional gambling; and (4) any subassembly or essential part designed or intended for use in connection with any such device, mechanism, furniture, fixture, construction or installation. In the application of this definition, a pinball machine or similar mechanical amusement device which confers only an immediate and unrecorded right of replay on players thereof, which does not contain any mechanism which varies the chance of winning free games or the number of free games which may be won or a mechanism or a chute for dispensing coins or a facsimile thereof, and which prohibits multiple winnings depending upon the number of coins inserted and requires the playing of five balls individually upon the insertion of a nickel or dime, as the case may be, to complete any one operation thereof, shall not be deemed a gambling device: PROVIDED, That owning, possessing, buying, selling, renting, leasing, financing, holding a security interest in, storing, repairing and transporting such pinball machines or similar mechanical amusement devices shall not be deemed engaging in professional gambling for the purposes of this chapter and shall not be a violation of this chapter: PROVIDED FURTHER, That any fee for the purchase or rental of any such pinball machines or similar amusement devices shall have no relation to the use to which such machines are put but be based only upon the market value of any such machine, regardless of the location of or type of premises where used, and any fee for the storing, repairing and transporting thereof shall have no relation to the use to which such machines are put, but be commensurate with the cost of labor and other expenses incurred in any such storing, repairing and transporting.

NEW SECTION. Sec. 12. "Gambling information," as used in this chapter, means any wager made in the course of and any information intended to be used for professional gambling. In the application of this definition, information as to wagers, betting odds and changes in betting odds shall be presumed to be intended for use in professional gambling. This section shall not apply to newspapers of general circulation or commercial radio and television stations licensed by the federal communications commission.

NEW SECTION. Sec. 13. "Gambling premises," as used in this chapter, means any building, room, enclosure, vehicle, vessel or other place used or intended to be used for professional gambling. In the application of this definition, any place where a gambling device is found shall be presumed to be intended to be used for professional gambling.

NEW SECTION. Sec. 14. "Gambling record," as used in this chapter, means any record, receipt, ticket, certificate, token, slip or notation given, made, used or intended to be used in connection with professional gambling.

NEW SECTION. Sec. 15. "Lottery," as used in this chapter, means a scheme for the distribution of money or property by chance, among persons who have paid or agreed to pay a valuable consideration for the chance.

NEW SECTION. Sec. 16. "Member" and "bona fide member," as used in this chapter, mean a person accepted for membership in an organization eligible to be licensed by the commission under this chapter upon application, with such action being recorded in the official minutes of a regular meeting or who has held full and regular membership status in the organization for a period of not less than twelve consecutive months prior to participating in the management or operation of any gambling activity. Such membership must in no way be dependent upon, or in any way related to, the payment of consideration to participate in any gambling activity.

Member or bona fide member shall include only members of an organization's specific chapter or unit licensed by the commission or otherwise actively conducting the gambling activity: **PROVIDED, That:**

(1) Members of chapters or local units of a state, regional or national organization may be considered members of the parent organization for the purpose of a gambling activity conducted by the parent organization, if the rules of the parent organization so permit;

(2) Members of a bona fide auxiliary to a principal organization may be considered members of the principal organization for the purpose of a gambling activity conducted by the principal organization. Members of the principal organization may also be considered members of its auxiliary for the purpose of a gambling activity conducted by the auxiliary; and

(3) Members of any chapter or local unit within the jurisdiction of the next higher level of the parent organization, and members of a bona fide auxiliary to that chapter or unit, may assist any other chapter or local unit of that same organization licensed by the commission in the conduct of gambling activities.

No person shall be a member of any organization if that person's primary purpose for membership is to become, or continue to be, a participant in, or an operator or manager of, any gambling activity or activities.

NEW SECTION. Sec. 17. "Player," as used in this chapter, means a natural person who engages, on equal terms with the other participants, and solely as a contestant or bettor, in any form of gambling in which no person may receive or become entitled to receive any profit therefrom other than personal gambling winnings, and without otherwise rendering any material assistance to the establishment, conduct or operation of a particular gambling activity. A natural person who gambles at a social game of chance on equal terms with the other participants therein does not otherwise render material assistance to the establishment, conduct or operation thereof by performing, without fee or remuneration, acts directed toward the arrangement or facilitation of the game, such as inviting persons to play, permitting the use of premises therefor, and supplying cards or other equipment used

therein. A person who engages in "bookmaking" as defined in this chapter is not a "player."

NEW SECTION. Sec. 18. (1) A person is engaged in "professional gambling" for the purposes of this chapter when:

(a) Acting other than as a player or in the manner authorized by this chapter, the person knowingly engages in conduct which materially aids any other form of gambling activity; or

(b) Acting other than as a player or in the manner authorized by this chapter, the person knowingly accepts or receives money or other property pursuant to an agreement or understanding with any other person whereby he or she participates or is to participate in the proceeds of gambling activity;

(c) The person engages in bookmaking; or

(d) The person conducts a lottery.

(2) Conduct under subsection (1)(a) of this section, except as exempted under this chapter, includes but is not limited to conduct directed toward the creation or establishment of the particular game, contest, scheme, device or activity involved, toward the acquisition or maintenance of premises, paraphernalia, equipment or apparatus therefor, toward the solicitation or inducement of persons to participate therein, toward the actual conduct of the playing phases thereof, toward the arrangement of any of its financial or recording phases, or toward any other phase of its operation. If a person having substantial proprietary or other authoritative control over any premises shall permit the premises to be used with the person's knowledge for the purpose of conducting gambling activity other than gambling activities authorized by this chapter, and acting other than as a player, and the person permits such to occur or continue or makes no effort to prevent its occurrence or continuation, the person shall be considered as being engaged in professional gambling: **PROVIDED**, That the proprietor of a bowling establishment who awards prizes obtained from player contributions, to players successfully knocking down pins upon the contingency of identifiable pins being placed in a specified position or combination of positions, as designated by the posted rules of the bowling establishment, where the proprietor does not participate in the proceeds of the "prize fund" shall not be construed to be engaging in "professional gambling" within the meaning of this chapter: **PROVIDED FURTHER**, That the books and records of the games shall be open to public inspection.

NEW SECTION. Sec. 19. "Punch boards" and "pull-tabs," as used in this chapter, shall be given their usual and ordinary meaning as of July 16, 1973, except that such definition may be revised by the commission pursuant to rules and regulations promulgated pursuant to this chapter.

NEW SECTION. Sec. 20. "Raffle," as used in this chapter, means a game in which tickets bearing an individual number are sold for not more

than five dollars each and in which a prize or prizes are awarded on the basis of a drawing from the tickets by the person or persons conducting the game, when the game is conducted by a bona fide charitable or nonprofit organization, no person other than a bona fide member of the organization takes any part in the management or operation of the game, and no part of the proceeds thereof inure to the benefit of any person other than the organization conducting the game.

NEW SECTION. Sec. 21. "Social card game," as used in this chapter, means a card game, including but not limited to the game commonly known as "mah jongg," which constitutes gambling and contains each of the following characteristics:

(1) There are two or more participants and each of them are players. However, no business with a public cardroom on its premises may have more than five separate tables at which card games are played;

(2) A player's success at winning money or other thing of value by overcoming chance is in the long run largely determined by the skill of the player;

(3) No organization, corporation or person collects or obtains or charges any percentage of or collects or obtains any portion of the money or thing of value wagered or won by any of the players: PROVIDED, That this subsection shall not preclude a player from collecting or obtaining his or her winnings;

(4) No organization or corporation, or person collects or obtains any money or thing of value from, or charges or imposes any fee upon, any person which either enables him or her to play or results in or from his or her playing in excess of two dollars per half hour of playing time by that person collected in advance: PROVIDED, That a fee may also be charged for entry into a tournament for prizes, which fee shall not exceed fifty dollars, including all separate fees which might be paid by a player for various phases or events of the tournament: PROVIDED FURTHER, That this subsection shall not apply to the membership fee in any bona fide charitable or nonprofit organization;

(5) The type of card game is one specifically approved by the commission pursuant to RCW 9.46.070; and

(6) The extent of wagers, money or other thing of value which may be wagered or contributed by any player does not exceed the amount or value specified by the commission pursuant to RCW 9.46.070.

NEW SECTION. Sec. 22. "Thing of value," as used in this chapter, means any money or property, any token, object or article exchangeable for money or property, or any form of credit or promise, directly or indirectly, contemplating transfer of money or property or of any interest therein, or involving extension of a service, entertainment or a privilege of playing at a game or scheme without charge.

NEW SECTION. Sec. 23. "Whoever" and "person," as used in this chapter, include natural persons, corporations and partnerships and associations of persons; and when any corporate officer, director or stockholder or any partner authorizes, participates in, or knowingly accepts benefits from any violation of this chapter committed by his or her corporation or partnership, he or she shall be punishable for such violation as if it had been directly committed by him or her.

NEW SECTION. Sec. 24. (1) "Fund raising event," as used in this chapter, means a fund raising event conducted during any seventy-two consecutive hours but exceeding twenty-four consecutive hours and not more than once in any calendar year or a fund raising event conducted not more than twice each calendar year for not more than twenty-four consecutive hours each time by a bona fide charitable or nonprofit organization as defined in section 4 of this act other than any agricultural fair referred to thereunder, upon authorization therefor by the commission, which the legislature hereby authorizes to issue a license therefor, with or without fee, permitting the following activities, or any of them, during such event: Bingo, amusement games, contests of chance, lotteries and raffles: PROVIDED, That (a) gross wagers and bets received by the organization less the amount of money paid by the organization as winnings and for the purchase cost of prizes given as winnings do not exceed ten thousand dollars during the total calendar days of such fund raising event in the calendar year; (b) such activities shall not include any mechanical gambling or lottery device activated by the insertion of a coin or by the insertion of any object purchased by any person taking a chance by gambling in respect to the device; (c) only bona fide members of the organization who are not paid for such service shall participate in the management or operation of the activities, and all income therefrom, after deducting the cost of prizes and other expenses, shall be devoted solely to the lawful purposes of the organization; and (d) such organization shall notify the appropriate local law enforcement agency of the time and place where such activities shall be conducted. The commission shall require an annual information report setting forth in detail the expenses incurred and the revenue received relative to the activities permitted.

(2) Bona fide charitable or nonprofit organizations holding a license to conduct a fund raising event may join together to jointly conduct a fund raising event if:

(a) Approval to do so is received from the commission; and

(b) The method of dividing the income and expenditures and the method of recording and handling of funds are disclosed to the commission in the application for approval of the joint fund raising event and are approved by the commission.

The gross wagers and bets received by the organizations less the amount of money paid by the organizations as winnings and for the purchase costs of prizes given as winnings may not exceed ten thousand dollars during the total calendar days of such event. The net receipts each organization receives shall count against the organization's annual limit stated in this subsection.

A joint fund raising event shall count against only the lead organization or organizations receiving fifty percent or more of the net receipts for the purposes of the number of such events an organization may conduct each year.

The commission may issue a joint license for a joint fund raising event and charge a license fee for such license according to a schedule of fees adopted by the commission which reflects the added cost to the commission of licensing more than one licensee for the event.

NEW SECTION. Sec. 25. The legislature hereby authorizes the wagering on the outcome of the roll of dice or the flipping of or matching of coins on the premises of an establishment engaged in the business of selling food or beverages for consumption on the premises to determine which of the participants will pay for coin-operated music on the premises or certain items of food or beverages served or sold by such establishment and therein consumed. Such establishments are hereby authorized to possess dice and dice cups on their premises, but only for use in such limited wagering. Persons engaged in such limited form of wagering shall not be subject to the criminal or civil penalties otherwise provided for in this chapter: PROVIDED, That minors shall be barred from engaging in the wagering activities allowed by this chapter.

NEW SECTION. Sec. 26. only from among, the regular members of the organization conducting the raffle: PROVIDED, That the term members for this purpose shall mean only those persons who have become members prior to the commencement of the raffle and whose qualification for membership was not dependent upon, or in any way related to, the purchase of a ticket, or tickets, for such raffles.

NEW SECTION. Sec. 28. Bona fide charitable or bona fide nonprofit organizations organized primarily for purposes other than the conduct of such activities are hereby authorized to conduct bingo, raffles, and amusement games, without obtaining a license to do so from the commission but only when:

(1) Such activities are held in accordance with all other requirements of this chapter, other applicable laws, and rules of the commission;

(2) Said activities are, alone or in any combination, conducted no more than twice each calendar year and over a period of no more than twelve consecutive days each time, notwithstanding the limitations of section 3 of this act: PROVIDED, That a raffle conducted under this subsection may be conducted for a period longer than twelve days;

(3) Only bona fide members of that organization, who are not paid for such services, participate in the management or operation of the activities;

(4) Gross revenues to the organization from all the activities together do not exceed five thousand dollars during any calendar year;

(7) The organization conducting the activities maintains records for a period of one year from the date of the event which accurately show at a minimum the gross revenue from each activity, details of the expenses of conducting the activities, and details of the uses to which the gross revenue therefrom is put.

NEW SECTION. Sec. 29. The legislature hereby authorizes any person, association or organization operating an established business primarily engaged in the selling of food or drink for consumption on the premises to conduct social card games and to utilize punch boards and pull-tabs as a commercial stimulant to such business when licensed and utilized or operated pursuant to the provisions of this chapter and rules and regulations adopted pursuant thereto.

NEW SECTION. Sec. 30. The legislature hereby authorizes any person to conduct or operate amusement games when licensed and operated pursuant to the provisions of this chapter and rules and regulations adopted by the commission at such locations as the commission may authorize.

NEW SECTION. Sec. 31. The legislature hereby authorizes any person, association, or organization to conduct sports pools without a license to do so from the commission but only when the outcome of which is dependent upon the score, or scores, of a certain athletic contest and which is conducted only in the following manner:

(2) The purchaser of each chance or square signs his or her name on the face of each square or chance he or she purchases; and

(3) At some time not later than prior to the start of the subject athletic contest the pool is closed and no further chances in the pool are sold;

(4) After the pool is closed a prospective score is assigned by random drawing to each square;

(5) All money paid by entrants to enter the pool less taxes is paid out as the prize or prizes to those persons holding squares assigned the winning score or scores from the subject athletic contest;

(6) The sports pool board is available for inspection by any person purchasing a chance thereon, the commission, or by any law enforcement agency upon demand at all times prior to the payment of the prize;

(7) The person or organization conducting the pool is conducting no other sports pool on the same athletic event; and

(8) The sports pool conforms to any rules and regulations of the commission applicable thereto.

NEW SECTION. Sec. 32. The legislature hereby authorizes bona fide charitable or nonprofit organizations to conduct, without the necessity of obtaining a permit or license to do so from the commission, golfing sweepstakes permitting wagers of money, and the same shall not constitute such gambling or lottery as otherwise prohibited in this chapter, or be subject to civil or criminal penalties thereunder, but this only when the outcome of such golfing sweepstakes is dependent upon the score, or scores, or the playing ability, or abilities, of a golfing contest between individual players or teams of such players, conducted in the following manner:

(1) Wagers are placed by buying tickets on any players in a golfing contest to "win," "place," or "show" and those holding tickets on the three winners may receive a payoff similar to the system of betting identified as parimutuel, such moneys placed as wagers to be used primarily as winners' proceeds, except moneys used to defray the expenses of such golfing sweepstakes or otherwise used to carry out the purposes of such organization; or

(2) Participants in any golfing contest(s) pay a like sum of money into a common fund on the basis of attaining a stated number of points ascertainable from the score of such participants, and those participants attaining such stated number of points share equally in the moneys in the common fund, without any percentage of such moneys going to the sponsoring organization; and

(3) Participation is limited to members of the sponsoring organization and their bona fide guests.

The tickets shall be sold, and accounted for, separately from all other sales of the establishment. The price of any single ticket shall not exceed one dollar. Accounting records shall be available for inspection during business hours by any person purchasing a chance thereon, by the commission or its representatives, or by any law enforcement agency.
