Passed the House April 8, 1987.
Approved by the Governor May 18, 1987, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State May 18, 1987.

Note: Governor's explanation of partial veto is as follows:

*I am returning herewith, without my approval as to sections 2(5) and 15(9), Engrossed Substitute Senate Bill No. 5299, entitled:

"AN ACT Relating to massage therapy."

This bill makes a number of changes to the statute relating to the licensing of massage businesses and massage therapists. Sections 2(5) and 15(9) would have the effect, if signed into law, of prohibiting cities and counties from licensing and regulating massage businesses. It is important that local governments are allowed to license and regulate all massage businesses.

While most massage practices provide a valuable and needed service, there is still a need for some local authority over these businesses. The personal contact involved in this type of business brings with it the opportunity for business fronts for criminal activity which require law enforcement attention. Local regulation provides involvement by local officials and citizens who become justifiably concerned about the character of their community.

With the exception of sections 2(5) and 15(9), Engrossed Substitute Senate Bill No. 5299 is approved.*
