CHAPTER 512
[Substitute House Bill No. 129]
OMNIBUS CREDENTIALING ACT FOR COUNSELORS

AN ACT Relating to counselors, social workers, mental health counselors, and marriage and family therapists; amending RCW 26.44.030; reenacting and amending RCW 18.120.020 and 18.130.040; adding a new chapter to Title 18 RCW; adding new sections to chapter 43.131 RCW; making appropriations; and providing an expiration date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The qualifications and practices of counselors in this state are virtually unknown to potential clients. Beyond the regulated practices of psychiatry and psychology, there are a considerable variety of disciplines, theories, and techniques employed by other counselors under a number of differing titles. The legislature recognizes the right of all counselors to practice their skills freely, consistent with the requirements of the public health and safety, as well as the right of individuals to choose which counselors best suit their needs and purposes. This chapter shall not be construed to require or prohibit that individual or group policies or contracts of an insurance carrier, health care service contractor, or health maintenance organization provide benefits or coverage for services and supplies provided by a person registered or certified under this chapter.

NEW SECTION. Sec. 2. No person may, for a fee or as a part of his or her position as an employee of a state agency, practice counseling without being registered to practice by the department of licensing under this chapter unless exempt under section 4 of this act. No person may represent himself or herself as a certified social worker, certified mental health counselor, or certified marriage and family therapist without being so certified by the department of licensing under this chapter.

NEW SECTION. Sec. 3. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

1. "Certified marriage and family therapist" means a person certified to practice marriage and family therapy pursuant to section 14 of this act.

2. "Certified mental health counselor" means a person certified to practice mental health counseling pursuant to section 13 of this act.

3. "Certified social worker" means a person certified to practice social work pursuant to section 12 of this act.

4. "Client" means an individual who receives or participates in counseling or group counseling.

5. "Counseling" means employing any therapeutic techniques, including but not limited to social work, mental health counseling, marriage and family therapy, and hypnotherapy, for a fee that offer, assist or attempt to
assist an individual or individuals in the amelioration or adjustment of mental, emotional, or behavioral problems, and includes therapeutic techniques to achieve sensitivity and awareness of self and others and the development of human potential. For the purposes of this chapter, nothing may be construed to imply that the practice of hypnotherapy is necessarily limited to counseling.

(6) "Counselor" means an individual, practitioner, therapist, or analyst who engages in the practice of counseling to the public for a fee, including for the purposes of this chapter, hypnotherapists.

(7) "Department" means the department of licensing.

(8) "Director" means the director of the department or the director's designee.

NEW SECTION. Sec. 4. Nothing in this chapter may be construed to prohibit or restrict:

(1) The practice of a profession by a person who is either registered, certified, licensed, or similarly regulated under the laws of this state and who is performing services within the person's authorized scope of practice, including any attorney admitted to practice law in this state when providing counseling incidental to and in the course of providing legal counsel;

(2) The practice of counseling by an employee or trainee of any federal agency, or the practice of counseling by a student of a college or university, if the employee, trainee, or student is practicing solely under the supervision of and accountable to the agency, college, or university, through which he or she performs such functions as part of his or her position for no additional fee other than ordinary compensation;

(3) The practice of counseling by a person without a mandatory charge;

(4) The practice of counseling by persons offering services for public and private nonprofit organizations or charities not primarily engaged in counseling for a fee when approved by the organizations or agencies for whom they render their services;

(5) Evaluation, consultation, planning, policy-making, research, or related services conducted by social scientists for private corporations or public agencies;

(6) The practice of counseling by a person under the auspices of a religious denomination, church, or organization, or the practice of religion itself;

(7) Counselors whose residency is not Washington state from providing up to ten days per quarter of training or workshops in the state, as long as they don't hold themselves out to be registered or certified in Washington state.

NEW SECTION. Sec. 5. (1) In addition to any other authority provided by law, the director has the following authority:
(a) To adopt rules, in accordance with chapter 34.04 RCW, necessary to implement this chapter;
(b) To set all certification, registration, and renewal fees in accordance with RCW 43.24.086 and to collect and deposit all such fees in the health professions account established under RCW 43.24.072;
(c) To establish forms and procedures necessary to administer this chapter;
(d) To hire clerical, administrative, and investigative staff as needed to implement this chapter;
(e) To issue a registration to any applicant who has met the requirements for registration;
(f) To set educational, ethical, and professional standards of practice for certification;
(g) To prepare and administer or cause to be prepared and administered an examination for all qualified applicants for certification;
(h) To establish criteria for evaluating the ability and qualifications of persons applying for a certificate, including standards for passing the examination and standards of qualification for certification to practice;
(i) To evaluate and designate those schools from which graduation will be accepted as proof of an applicant’s eligibility to receive a certificate and to establish standards and procedures for accepting alternative training in lieu of such graduation;
(j) To issue a certificate to any applicant who has met the education, training, and conduct requirements for certification;
(k) To set competence requirements for maintaining certification; and
(l) To develop a dictionary of recognized professions and occupations providing counseling services to the public included under this chapter.

(2) The uniform disciplinary act, chapter 18.130 RCW, governs the issuance and denial of certifications and registrations and the discipline of certified practitioners and registrants under this chapter. The director shall be the disciplining authority under this chapter. The absence of educational or training requirements for counselors registered under this chapter or the counselor’s use of nontraditional nonabusive therapeutic techniques shall not, in and of itself, give the director authority to unilaterally determine the training and competence or to define or restrict the scope of practice of such individuals.

(3) The department shall publish and disseminate information in order to educate the public about the responsibilities of counselors and the rights and responsibilities of clients established under this chapter. Solely for the purposes of administering this education requirement, the director shall assess an additional fee for each registration and certification application and renewal, equal to five percent of the fee. The revenue collected from the assessment fee may be appropriated by the legislature for the department’s
use in educating consumers pursuant to this section. The authority to charge the assessment fee shall terminate on June 30, 1994.

NEW SECTION. Sec. 6. Persons registered or certified under this chapter shall provide clients at the commencement of any program of treatment with accurate disclosure information concerning their practice, in accordance with guidelines developed by the department, that will inform clients of the purposes of and resources available under this chapter, including the right of clients to refuse treatment, the responsibility of clients for choosing the provider and treatment modality which best suits their needs, and the extent of confidentiality provided by this chapter. The disclosure information provided by the counselor, the receipt of which shall be acknowledged in writing by the counselor and client, shall include any relevant education and training, the therapeutic orientation of the practice, the proposed course of treatment where known, any financial requirements, and such other information as the department may require by rule. The disclosure information shall also include a statement that registration of an individual under this chapter does not include a recognition of any practice standards, nor necessarily imply the effectiveness of any treatment.

NEW SECTION. Sec. 7. (1) Within sixty days of the effective date of this section, the director shall have authority to appoint advisory committees to further the purposes of this chapter. Each such committee shall be composed of five members, one member initially appointed for a term of one year, two for terms of two years, and two for terms of three years. No person may serve as a member of the committee for more than two consecutive terms.

The director may remove any member of the advisory committees for cause as specified by rule. In the case of a vacancy, the director shall appoint a person to serve for the remainder of the unexpired term.

(2) The advisory committees shall each meet at the times and places designated by the director and shall hold meetings during the year as necessary to provide advice to the director.

Each member of an advisory committee shall be reimbursed for travel expenses as authorized in RCW 43.03.050 and 43.03.060. In addition, members of the committees shall be compensated in accordance with RCW 43.03.240 when engaged in the authorized business of their committee.

(3) Members of an advisory committee shall be residents of this state. Each committee shall be composed of four individuals registered or certified in the category designated by the committee title, and one member who is a member of the public.

NEW SECTION. Sec. 8. The director shall keep an official record of all proceedings, a part of which record shall consist of a register of all applicants for registration or certification under this chapter, with the result of each application.
NEW SECTION. Sec. 9. The director shall issue a registration to any applicant who submits, on forms provided by the director, the applicant's name, address, occupational title, name and location of business, and other information as determined by the director, including information necessary to determine whether there are grounds for denial of registration or issuance of a conditional registration under this chapter or chapter 18.130 RCW. Applicants for registration shall register as counselors or may register as hypnotherapists if employing hypnosis as a modality. Applicants shall, in addition, provide in their titles a description of their therapeutic orientation, discipline, theory, or technique. Each applicant shall pay a fee determined by the director as provided in RCW 43.24.086, which shall accompany the application.

NEW SECTION. Sec. 10. The director shall establish by rule the procedural requirements and fees for renewal of registrations. Failure to renew shall invalidate the registration and all privileges granted by the registration. Subsequent registration will require application and payment of a fee as determined by the director under RCW 43.24.086.

NEW SECTION. Sec. 11. An individual registered or certified under this chapter shall not disclose the written acknowledgment of the disclosure statement pursuant to section 6 of this act nor any information acquired from persons consulting the individual in a professional capacity when that information was necessary to enable the individual to render professional services to those persons except:

1. With the written consent of that person or, in the case of death or disability, the person's personal representative, other person authorized to sue, or the beneficiary of an insurance policy on the person's life, health, or physical condition;

2. That a person registered or certified under this chapter is not required to treat as confidential a communication that reveals the contemplation or commission of a crime or harmful act;

3. If the person is a minor, and the information acquired by the person registered or certified under this chapter indicates that the minor was the victim or subject of a crime, the person registered or certified may testify fully upon any examination, trial, or other proceeding in which the commission of the crime is the subject of the inquiry;

4. If the person waives the privilege by bringing charges against the person registered or certified under this chapter;

5. In response to a subpoena from a court of law or the director. The director may subpoena only records related to a complaint or report under chapter 18.130 RCW; or

6. As required under chapter 26.44 RCW.
NEW SECTION. Sec. 12. (1) The department shall issue a certified social worker certificate to any applicant meeting the following requirements:

(a) A minimum of a master's degree from an accredited graduate school of social work approved by the director;

(b) A minimum of two years of post-master's degree social work practice under the supervision of a social worker certified under this chapter or a person deemed acceptable to the director, such experience consisting of at least thirty hours per week for two years or at least twenty hours per week for three years; and

(c) Successful completion of the examination in section 16 of this act, unless the applicant qualified under an exemption pursuant to subsection (2) of this section or section 19 of this act.

Applicants shall be subject to the grounds for denial or issuance of a conditional certificate in chapter 18.130 RCW.

(2) Except as provided in section 19 of this act, an applicant is exempt from the examination provisions of this chapter under the following conditions if application for exemption is made within twelve months after the effective date of this section:

(a) The applicant shall establish to the satisfaction of the director that he or she has been engaged in the practice of social work as defined in this chapter for two of the previous four years; and

(b) The applicant has the following academic qualifications: (i) A doctorate or master's degree in social work from an accredited graduate school of social work or comparable and equivalent educational attainment as determined by the director in consultation with the advisory committee; and (ii) two years of postgraduate social work experience under the supervision of a social worker who qualifies for certification under this chapter or under the supervision of any other professional deemed appropriate by the director.

(3) Certified social work practice is that aspect of counseling that involves the professional application of social work values, principles, and methods by individuals trained in accredited social work graduate programs and requires knowledge of human development and behavior, knowledge of social systems and social resources, an adherence to the social work code of ethics, and knowledge of and sensitivity to ethnic minority populations. It includes, but is not limited to, evaluation, assessment, treatment of psychopathology, consultation, psychotherapy and counseling, prevention and educational services, administration, policy-making, research, and education directed toward client services.

(2) No applicant may come before the director for examination without the initial educational and supervisory credentials as required by this chapter, except that applicants completing a master's or doctoral degree program in mental health counseling or a related field from an approved graduate school before or within eighteen months of the effective date of this section may qualify for the examination.

(3) For one year beginning on the effective date of this section, a person may apply for certification without examination. However, if the applicant's credentials are not adequate to establish competence to the director's satisfaction, the director may require an examination of the applicant during the initial certification period. For the initial certification period, an applicant shall:

(a) Submit a completed application as required by the director, who may require that the statements on the application be made under oath, accompanied by the application fee set by the director in accordance with RCW 43.24.086;

NEW SECTION. Sec. 15. A certificate issued under this chapter shall be renewed as determined by the director who may establish rules governing continuing competence requirements. An additional fee may be set by the director as a renewal requirement when certification has lapsed due to failure to renew prior to the expiration date.
NEW SECTION. Sec. 16. (1) The date and location of the examinations required under this chapter shall be established by the director. Applicants who have been found by the director to meet the other requirements for certification will be scheduled for the next examination following the filing of the application. However, the applicant will not be scheduled for any examination taking place sooner than sixty days after the application is filed.

(2) The director shall examine each applicant, by means determined most effective, on subjects appropriate to the scope of practice. The examinations shall be limited to the purpose of determining whether the applicant possesses the minimum skill and knowledge necessary to practice competently.

NEW SECTION. Sec. 19. (1) Upon receiving a written application, evidence of qualification and the required fee, the department shall issue a
certificate for certification without examination to an applicant who is currently credentialed under the laws of another jurisdiction, if the requirements of the other jurisdiction are substantially equal to the requirements of this chapter.

(2) A person certified under this chapter who is or desires to be temporarily retired from practice in this state shall send written notice to the director. Upon receipt of the notice, the person shall be placed upon the nonpracticing list. While on the list, the person is not required to pay the renewal fees and shall not engage in any such practice. In order to resume practice, application for renewal shall be made in the ordinary course with the renewal fee for the current period. Passed the House April 15, 1987.
Passed the Senate April 7, 1987.
Approved by the Governor May 19, 1987, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State May 19, 1987.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 23(1), Substitute House Bill No. 129, entitled:

"AN ACT Relating to counselors, social workers, mental health counselors and marriage and family therapists."

Section 23(1) adds those persons who will come under registration or certification by Substitute House Bill No. 129 to the list of persons mandated to report incidents of child or adult dependent person abuse or neglect in RCW 26.44.030.

Section 10 of Engrossed Second Substitute Senate Bill No. 5659 adds licensed or certified child care providers or their employees and juvenile probation officers to the list of mandated reporters in RCW 26.44.030. This section is an appropriate addition to the mandated reporting law.

While some counselors have direct contact with children, all licensed or certified child care providers and their employees and juvenile probation officers have direct contact with children and should be a higher priority to be added as mandated reporters of child and adult dependent person abuse and neglect. Therefore, I have vetoed section 23(1) of Substitute House Bill No. 129.

With the exception of section 23(1), Substitute House Bill No. 129 is approved."
