and nature of the obligation and the buyer shall sign a notice of reforesta-
tion obligation indicating the buyer's knowledge thereof. The notice shall be
on a form prepared by the department and shall be sent to the department
by the seller at the time of sale or transfer of the land or perpetual timber
rights. If the seller fails to notify the buyer about the reforestation obliga-
tion, the seller shall pay the buyer's costs related to reforestation, including
all legal costs which include reasonable attorneys' fees, incurred by the
buyer in enforcing the reforestation obligation against the seller. Failure by
the seller to send the required notice to the department at the time of sale
shall be prima facie evidence, in an action by the buyer against the seller for
costs related to reforestation, that the seller did not notify the buyer of the
reforestation obligation prior to sale.

The forest practices regulations may provide alternatives to or limita-
tions on the applicability of reforestation requirements with respect to forest
lands being converted in whole or in part to another use which is compatible
with timber growing. The forest practices regulations may identify classifi-
cations and/or areas of forest land that have the likelihood of future con-
version to urban development within a ten year period. The reforestation
requirements may be modified or eliminated on such lands: PROVIDED,
That such identification and/or such conversion to urban development must
be consistent with any local or regional land use plans or ordinances.

NEW SECTION. Sec. 12. Section 1, chapter 118, Laws of 1981 and

immediately.

[Senate Bill No. 5712]
HIGHER EDUCATION TUITION AND FEES—NONRESIDENT STUDENT
REDEFINED

AN ACT Relating to tuition and fees at institutions of higher education; and amending
RCW 28B.15.012.

Be it enacted by the Legislature of the State of Washington:
Sec. 1. Section 2, chapter 273, Laws of 1971 ex. sess. as last amended by section 62, chapter 370, Laws of 1985 and RCW 28B.15.012 are each amended to read as follows:

Whenever used in chapter 28B.15 RCW:

(1) The term "institution" shall mean a public university, college, or community college within the state of Washington.

(2) The term "resident student" shall mean: (a) A financially independent student who has had a domicile in the state of Washington for the period of one year immediately prior to the time of commencement of the first day of the semester or quarter for which the student has registered at any institution and has in fact established a bona fide domicile in this state primarily for purposes other than educational; (b) a dependent student, if one or both of the student's parents or legal guardians have maintained a bona fide domicile in the state of Washington for at least one year immediately prior to commencement of the semester or quarter for which the student has registered at any institution; or (c) a student classified as a resident based upon domicile by an institution on or before May 31, 1982, who was enrolled at a state institution during any term of the 1982-1983 academic year, so long as such student's enrollment (excepting summer sessions) at an institution in this state is continuous: PROVIDED, That a nonresident student enrolled for more than six hours per semester or quarter shall be considered as attending for primarily educational purposes, and for tuition and fee paying purposes only such period of enrollment shall not be counted toward the establishment of a bona fide domicile of one year in this state unless such student proves that the student has in fact established a bona fide domicile in this state primarily for purposes other than educational.

(3) The term "nonresident student" shall mean any student who does not qualify as a "resident student" under the provisions of RCW 28B.15.011 through 28B.15.014 and 28B.15.015, each as now or hereafter amended. A nonresident student shall include:

(a) A student attending an institution with the aid of financial assistance provided by another state or governmental unit or agency thereof, such nonresidency continuing for one year after the completion of such semester or quarter.

(b) A person who is not a citizen of the United States of America who does not have permanent or temporary resident status or does not hold "Refugee-Parolee" or "Conditional Entrant" status with the United States immigration and naturalization service or is not otherwise permanently residing in the United States under color of law and who does not also meet and comply with all the applicable requirements in RCW 28B.15.011 through 28B.15.014 and 28B.15.015, each as now or hereafter amended.

(4) The term "domicile" shall denote a person's true, fixed and permanent home and place of habitation. It is the place where the student intends to remain, and to which the student expects to return when the student
leaves without intending to establish a new domicile elsewhere. The burden of proof that a student, parent or guardian has established a domicile in the state of Washington primarily for purposes other than educational lies with the student.

(5) The term "dependent" shall mean a person who is not financially independent. Factors to be considered in determining whether a person is financially independent shall be set forth in rules and regulations adopted by the higher education coordinating board and shall include, but not be limited to, the state and federal income tax returns of the person and/or the student's parents or legal guardian filed for the calendar year prior to the year in which application is made and such other evidence as the board may require.

Approved by the Governor April 20, 1987.
