The Washington state legislature finds and declares: The bond between a child and his or her parent, custodian, or guardian is of paramount importance, and any intervention into the life of a child is also an intervention into the life of the parent, custodian, or guardian; however, instances of nonaccidental injury, neglect, death, sexual abuse and cruelty to children by their parents, custodians or guardians have occurred, and in the instance where a child is deprived of his or her right to conditions of minimal nurture, health, and safety, the state is justified in emergency intervention based upon verified information; and therefore the Washington state legislature hereby provides for the reporting of such cases to the appropriate public authorities. It is the intent of the legislature that, as a result of such reports, protective services shall be made available in an effort to prevent further abuses, and to safeguard the general welfare of such children: PROVIDED, That such reports shall be maintained and disseminated with strictest regard for the privacy of the subjects of such reports and so as to safeguard against arbitrary, malicious or erroneous information or actions: PROVIDED FURTHER, That this chapter shall not be construed to authorize interference with child-raising practices, including reasonable parental discipline, which are not proved to be injurious to the child's health, welfare and safety.

(a) He conducted himself in good faith, and: (i) In the case of conduct in his own official capacity with the corporation, he reasonably believed his conduct to be in the corporation's best interests, or (ii) in all other cases, he reasonably believed his conduct to be at least not opposed to the corporation's best interests; and

(3) A corporation shall have power to indemnify any person made a party to any proceeding by or in the right of the corporation by reason of the fact that he is or was a director against reasonable expenses actually

A court of appropriate jurisdiction may be the same court in which the proceeding involving the director's liability took place.

(6) No indemnification under subsection (2) or (3) of this section shall be made by the corporation unless authorized in the specific case after a determination that indemnification of the director is permissible in the circumstances because he has met the standard of conduct set forth in the applicable subsection. (b) If such a quorum cannot be obtained, then by a majority vote of a committee of the board, duly designated to act in the matter by a majority vote of the full board (in which designation directors who are parties may participate), consisting solely of two or more directors not at the time parties to such proceeding; or

Payments under this subsection may be authorized in the manner specified in subsection (6) of this section.

(8) (No provision for the corporation to indemnify a director who is made a party to a proceeding, whether contained in the articles of incorporation, the bylaws, a resolution of shareholders or directors, an agreement; or otherwise (except as contemplated by subsection (11) of this section); shall be valid unless consistent with this section or, to the extent that indemnity hereunder is limited by the articles of incorporation, consistent therewith. Nothing contained in this section shall limit the corporation's ability to reimburse expenses incurred by a director in connection with his appearance as a witness in a proceeding at a time when he has not been made a named defendant or respondent in the proceeding.)) Any corporation shall have power to make or agree to any further indemnity, including advance of expenses, to any director that is authorized by the articles of incorporation, any bylaw adopted or ratified by the shareholders, or any resolution adopted or ratified, before or after the event, by the shareholders, provided that no such indemnity shall indemnify any director from or on account of acts or omissions of such director finally adjudged to be intentional misconduct or a knowing violation of law, or from or on account of conduct of such director finally adjudged to be in violation of RCW 23A-08.450, or from or on account of any transaction with respect to which it was finally adjudged that such director personally received a benefit in money, property, or services to which the director was not legally entitled. (3) A determination that the amount paid for a release, covenant not to sue, covenant not to enforce judgment, or similar agreement was unreasonable shall not affect the validity of the agreement between the released and releasing persons nor shall any adjustment be made in the amount paid between the parties to the agreement.

NEW SECTION. Sec. 1902. Sections 101 and 102 of this act shall take effect July 1, 1988.

*NEW SECTION. Sec. 1903. *Sec. 1903 was partially vetoed, see message at end of chapter.

Passed the Senate April 21, 1987.
Approved by the Governor April 29, 1987, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State April 29, 1987.

Note: Governor's explanation of partial veto is as follows:

*I am returning herewith, without my approval as to section 601, Substitute Senate Bill No. 6048, entitled:

*AN ACT Relating to mandatory arbitration."

Substitute Senate Bill No. 6048 makes a number of technical and substantive changes to the Tort Reform Act of 1986.
Section 601 requires the state Risk Manager to conduct or contract for a feasibility study on the cost and benefits of the State of Washington providing excess liability and property insurance to political subdivisions of the state. No appropriation is provided for this study and the Risk Manager currently faces the possibility of budgetary reductions. In order to conduct the study, it would require an experienced actuary and such personnel are not available on staff.

Also, local governments currently have the opportunity of establishing joint cooperative self-insurance funds under the provisions of RCW 48.62. I would encourage them to pursue the possibilities of establishing excess coverage through such a mechanism in a joint cooperative effort.

With the exception of section 601 and the reference to it in section 1903, Substitute Senate Bill No. 6048 is approved.*

(2) The legislature finds that certain benefit payments, in whole or in part, should not be charged to the experience rating accounts of employers except those employers described in RCW 50.44.010 and 50.44.030 who have properly elected to make payments in lieu of contributions, taxable local government employers described in RCW 50.44.035, and those employers who are required to make payments in lieu of contributions, as follows:

disqualifying separation shall not be charged to the experience rating account of the contribution paying employer from whom that separation took place.

(h) Beginning July 1, 1985, a contribution-paying base year employer, not otherwise eligible for relief of charges for benefits under this section, may receive such relief if:

(i) The benefit charges result from payment to an individual who last left the employ of such employer voluntarily for reasons not attributable to the employer, or was discharged for misconduct connected with his or her work; and

(ii) The employer requests relief of charges in writing within thirty days following mailing to the last known address of the notification of the initial determination of such a claim, stating the date and reason for the last leaving; and

(1) A Washington state patrol retirement fund is hereby established for members of the Washington state patrol which shall include funds created and placed under the management of a retirement board for the payment of retirement allowances and other benefits under the provisions hereof.

(2) Any employee of the Washington state patrol, upon date of commissioning, shall be eligible to participate in the retirement plan and shall start contributing to the fund immediately. Any employee of the Washington state patrol employed by the state of Washington or any of its political subdivisions prior to August 1, 1947, unless such service has been
credited in another public retirement or pension system operating in the state of Washington shall receive full credit for such prior service but after that date each new commissioned employee must automatically participate in the fund. If a member shall terminate service in the patrol and later re-enter, he shall be treated in all respects as a new employee: PROVIDED, That a member who reenters or has reentered service within ten years from the date of his termination, shall upon completion of six months of continuous service and upon the restoration of all withdrawn contributions, plus (earned) interest as determined by the director, which restoration must be completed within (four) five years after resumption of service, be returned to the status of membership he earned at the time of termination.

(3) (a) An employee of the Washington state patrol who becomes a member of the retirement system after June 12, 1980, and who has service as a cadet in the patrol training program may make an irrevocable election to transfer the service to the retirement system. Any member upon making such election shall have transferred all existing service credited in a prior public retirement system in this state for periods of employment as a cadet. Transfer of credit under this subsection is contingent on completion of the transfer of funds specified in subsection (3)(b) of this section.

(4) A member of the retirement system who has served or shall serve on active federal service in the armed forces of the United States pursuant to and by reason of orders by competent federal authority, who left or shall leave the Washington state patrol to enter such service, and who within one year from termination of such active federal service, resumes employment as a state employee, shall have his service in such armed forces credited to him as a member of the retirement system: PROVIDED, That no such service in excess of five years shall be credited unless such service was actually rendered during time of war or emergency.

(5) An active employee of the Washington state patrol who either became a member of the retirement system prior to June 12, 1980, and who has prior service as a cadet in the public employees' retirement system may make an irrevocable election to transfer such service to the retirement system within a period ending June 30, 1985, or, if not an active employee on July 1, 1983, within one year of returning to commissioned service, whichever date is later. Any member upon making such election shall have transferred all existing service credited in the public employees' retirement system which constituted service as a cadet together with the employee's
contributions plus credited interest. The bond shall be payable to the state of Washington and (shall) be conditioned on payment (in full) of sums legally due on wage claims of employees under this chapter and RCW 49.52.050 et seq owing under contract to an agricultural employee. The aggregate liability of the surety upon such bond for all claims which may arise thereunder shall not exceed the face amount of the bond.

(2) The amount of the bond may be raised or additional security required by the director, upon his or her own motion or upon petition to the director by any person, when it is shown that the security or bond is insufficient to satisfy the contractor's potential liability for the licensed period.
(3) No surety insurer may provide any bond, undertaking, recognition, or other obligation for the purpose of securing or guaranteeing any act, duty, or obligation, or the refraining from any act with respect to a contract using the services of a farm labor contractor unless the farm labor contractor has made application for or has a valid license issued under RCW 19.30.030 at the time of issuance of the bond, undertaking, recognition, or other obligation.

(4) Surety bonds may not be canceled or terminated during the period in which the bond is executed unless thirty days' notice is provided by the surety to the department. The bond is written for a one-year term and may be renewed or extended by continuation certification at the option of the surety.

(5) In lieu of the surety bond required by this section, the contractor may file with the director a deposit consisting of cash or other security acceptable to the director. The deposit shall not be less than five thousand dollars in value. The security deposited with the director in lieu of the surety bond shall be returned to the contractor at the expiration of three years after the farm labor contractor's license has expired or been revoked if no legal action has been instituted against the contractor or on the security deposit at the expiration of the three years.

(6) If a contractor has deposited a bond with the director and has failed to comply with the conditions of the bond as provided by this section, and has departed from this state, service may be made upon the surety as prescribed in RCW 4.28.090.

Sec. 2. Section 19, chapter 197, Laws of 1986 and RCW 19.30.045 are each amended to read as follows:

(1) Any person, having a claim for wages pursuant to this (act or RCW 49.52.050 et seq.) chapter may bring suit upon the surety bond or security deposit filed by the contractor pursuant to RCW 19.30.040, in any court of competent jurisdiction of the county in which the claim arose, or in which either the claimant or contractor resides. That the right of action shall not be included in any suit or action against the farm labor contractor but must be exercised independently after first procuring a judgment, decree or other form of adequate proof of liability established after notice and hearing under RCW 19.30.160. The filing of such an action against the farm labor contractor tolls the three-year statute of limitations referred to in RCW 19.30.170).

(4) A copy of the complaint in any such action shall be served upon the
director at the time of commencement of the action and the director shall
maintain a record, available for public inspection, of all suits so com-

and the surety for suit upon the bond and the director shall transmit the
complaint or a copy thereof to the contractor at the address listed in his or
her application and to the surety within forty-eight hours after it has been
received:

(5) The surety upon the bond may, upon notice to the director and the
parties, tender to the clerk of the court having jurisdiction of the action an
amount equal to the claims or the amount of the bond less the amount of
judgments, if any, previously satisfied therefrom and to the extent of such
tender the surety upon the bond shall be exonerated:

(6) If the actions commenced and pending at any one time exceed the
amount of the bond then unimpaired, the claims shall be satisfied from the
bond in the order that judgment was rendered:

(7) If any final judgment impairs the liability of the surety upon the
bond so furnished so that there is not in effect a bond undertaking in the
full amount prescribed by the director, the director shall suspend the license
of such contractor until the bond liability in the required amount unim-
paired by unsatisfied judgment claims has been furnished. If such bond be-
comes fully impaired, a new bond must be furnished:

(8) If the farm labor contractor has filed other security with the direc-
tor in lieu of a surety bond, any person having an unsatisfied final judgment
against the contractor for any violation of this chapter may execute upon
the security deposit held by the director by serving a certified copy of the
unsatisfied final judgment by registered or certified mail upon the director:
Upon the receipt of service of such certified copy, the director shall pay or
order paid from the deposit, through the registry of the court which rend-
ered judgment, towards the amount of the unsatisfied judgment. The priori-
ty of payment by the director shall be the order of receipt by the director;

of a renewed bond be submitted and that the contractor have a bond in full
force and effect.
The two-year license shall run to and include the 31st day of December of the year following the year of issuance unless sooner revoked by the director. This license may be renewed every two years under the same terms as the one-year license, except that a farm labor contractor possessing a two-year license shall have evidence of a bond in full force and effect, and file an application on which he or she shall disclose all information required by RCW 19.30.030 (1)(b), (4), and (7).

(b) Other contractual damage owed to the employee;
(c) Any costs and attorneys' fees the claimant may be entitled to recover by contract or statute.

(8) If any final judgment impairs the bond so furnished so that there is not in effect a bond undertaking in the full amount prescribed by the director, the director shall suspend the license of the contractor until the bond liability in the required amount unimpaired by unsatisfied judgment claims has been furnished. If such bond becomes fully impaired, a new bond must be furnished.

(9) A claimant against a security deposit shall be entitled to damages under subsection (2) of this section. If the farm labor contractor has filed...
other security with the director in lieu of a surety bond, any person having an unsatisfied final judgment against the contractor for any violation of this chapter may execute upon the security deposit held by the director by serving a certified copy of the unsatisfied final judgment by registered or certified mail upon the director. Upon the receipt of service of such certified copy, the director shall pay or order paid from the deposit, through the registry of the court which rendered judgment, towards the amount of the unsatisfied judgment. The priority of payment by the director shall be the order of receipt by the director, but the director shall have no liability for payment in excess of the amount of the deposit.

CHAPTER 217
[Substitute Senate Bill No. 5212]
LIQUOR LICENSES—TEMPORARY RETAIL AND WHOLESALE LICENSES

AN ACT Relating to the issuance of temporary retail and wholesale liquor licenses; and amending RCW 66.24.010.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 27, chapter 62, Laws of 1933 ex. sess. as last amended by section 3, chapter 160, Laws of 1983 and RCW 66.24.010 are each amended to read as follows:

(1) Every license shall be issued in the name of the applicant, and the holder thereof shall not allow any other person to use the license.

(2) For the purpose of considering any application for a license, the board may cause an inspection of the premises to be made, and may inquire into all matters in connection with the construction and operation of the premises. For the purpose of reviewing any application for a license and for considering the denial, suspension or revocation of any license, the liquor control board may consider any prior criminal conduct of the applicant and the provisions of RCW 9.95.240 and of chapter 9.96A RCW shall not apply to such cases. The board may, in its discretion, grant or refuse the license applied for. No retail license of any kind may be issued to:

(a) A person who has not resided in the state for at least one month prior to making application, except in cases of licenses issued to dining places on railroads, boats, or aircraft;

(b) A copartnership, unless all of the members thereof are qualified to obtain a license, as provided in this section;
(c) A person whose place of business is conducted by a manager or agent, unless such manager or agent possesses the same qualifications required of the licensee;

(d) A corporation, unless it was created under the laws of the state of Washington or holds a certificate of authority to transact business in the state of Washington.

(3) The board may, in its discretion, subject to the provisions of RCW 66.08.150, suspend or cancel any license; and all rights of the licensee to keep or sell liquor thereunder shall be suspended or terminated, as the case may be. The board may request the appointment of administrative law judges under chapter 34.12 RCW who shall have power to administer oaths, issue subpoenas for the attendance of witnesses and the production of papers, books, accounts, documents, and testimony, examine witnesses, and to receive testimony in any inquiry, investigation, hearing, or proceeding in any part of the state, under such rules and regulations as the board may adopt.

Witnesses shall be allowed fees and mileage each way to and from any such inquiry, investigation, hearing, or proceeding at the rate authorized by RCW 34.04.105, as now or hereafter amended. Fees need not be paid in advance of appearance of witnesses to testify or to produce books, records, or other legal evidence.

In case of disobedience of any person to comply with the order of the board or a subpoena issued by the board, or any of its members, or administrative law judges, or on the refusal of a witness to testify to any matter regarding which he may be lawfully interrogated, the judge of the superior court of the county in which the person resides, on application of any member of the board or administrative law judge, shall compel obedience by contempt proceedings, as in the case of disobedience of the requirements of a subpoena issued from said court or a refusal to testify therein.

(4) Upon receipt of notice of the suspension or cancellation of a license, the licensee shall forthwith deliver up the license to the board. Where the license has been suspended only, the board shall return the license to the licensee at the expiration or termination of the period of suspension, with a memorandum of the suspension written or stamped upon the face thereof in red ink. The board shall notify all vendors in the city or place where the licensee has its premises of the suspension or cancellation of the license; and no employee may allow or cause any liquor to be delivered to or for any person at the premises of that licensee.

(5) (a) At the time of the original issuance of a class H license, the board shall prorate the license fee charged to the new licensee according to the number of calendar quarters, or portion thereof, remaining until the first renewal of that license is required. (b) Unless sooner canceled, every license issued by the board shall expire at midnight of the thirtieth day of June of
the fiscal year for which it was issued. However, if the board deems it feasible and desirable to do so, it may establish, by rule pursuant to chapter 34.04 RCW, a system for staggering the annual renewal dates for any and all licenses authorized by this chapter. If such a system of staggered annual renewal dates is established by the board, the license fees provided by this chapter shall be appropriately prorated during the first year that the system is in effect.

(6) Every license issued under this section shall be subject to all conditions and restrictions imposed by this title or by the regulations in force from time to time.

(7) Every licensee shall post and keep posted its license, or licenses, in a conspicuous place on the premises.

(8) Before the board shall issue a license to an applicant it shall give notice of such application to the chief executive officer of the incorporated city or town, if the application be for a license within an incorporated city or town, or to the county legislative authority, if the application be for a license outside the boundaries of incorporated cities or towns; and such incorporated city or town, through the official or employee selected by it, or the county legislative authority or the official or employee selected by it, shall have the right to file with the board within twenty days after date of transmittal of such notice, written objections against the applicant or against the premises for which the license is asked, and shall include with such objections a statement of all facts upon which such objections are based, and in case written objections are filed, may request and the liquor control board may in its discretion hold a formal hearing subject to the applicable provisions of Title 34 RCW, as now or hereafter amended. Upon the granting of a license under this title the board shall send a duplicate of the license or written notification to the chief executive officer of the incorporated city or town in which the license is granted, or to the county legislative authority if the license is granted outside the boundaries of incorporated cities or towns.

(9) Before the board issues any license to any applicant, it shall give (a) due consideration to the location of the business to be conducted under such license with respect to the proximity of churches, schools, and public institutions and (b) written notice by certified mail of the application to churches, schools, and public institutions within five hundred feet of the premises to be licensed. The board shall issue no beer retailer license class A, B, D, or E or wine retailer license class C or F or class H license covering any premises not now licensed, if such premises are within five hundred feet of the premises of any tax-supported public elementary or secondary school measured along the most direct route over or across established public walks, streets, or other public passageway from the outer property line of the school grounds to the nearest public entrance of the premises proposed for license, and if, after receipt by the school or public institution of the
notice as provided in this subsection, the board receives written notice, within twenty days after posting such notice, from an official representative or representatives of the school within five hundred feet of said proposed licensed premises, indicating to the board that there is an objection to the issuance of such license because of proximity to a school. For the purpose of this section, church shall mean a building erected for and used exclusively for religious worship and schooling or other activity in connection therewith. No liquor license may be issued or reissued by the board to any motor sports facility or licensee operating within the motor sports facility unless the motor sports facility enforces a program reasonably calculated to prevent alcohol or alcoholic beverages not purchased within the facility from entering the facility and such program is approved by local law enforcement agencies. It is the intent under this subsection that a retail license shall not be issued by the board where doing so would, in the judgment of the board, adversely affect a private school meeting the requirements for private schools under Title 28A RCW, which school is within five hundred feet of the proposed licensee. The board shall fully consider and give substantial weight to objections filed by private schools. If a license is issued despite the proximity of a private school, the board shall state in a letter addressed to the private school the board's reasons for issuing the license.

(10) The restrictions set forth in the preceding subsection shall not prohibit the board from authorizing the transfer of existing licenses now located within the restricted area to other persons or locations within the restricted area: PROVIDED, Such transfer shall in no case result in establishing the licensed premises closer to a church or school than it was before the transfer.

(11) Nothing in this section prohibits the board, in its discretion, from issuing a temporary retail or wholesaler license to a transferee of a retail or wholesaler license to continue the operation of the retail or wholesaler premises during the period a transfer application for the license from person to person at the same premises is pending and when the following conditions exist:

(a) The licensed premises has been operated under a retail or wholesaler license within ninety days of the date of filing the application for a temporary license;

(b) The retail or wholesaler license for the premises has been surrendered pursuant to issuance of a temporary operating license;

(c) The applicant for the temporary license has filed with the board an application for transfer of the retail or wholesaler license at such premises to himself or herself; and

(d) The application for a temporary license is accompanied by a temporary license fee established by the board by rule.

A temporary license issued by the board under this section shall be for a period not to exceed sixty days. A temporary license may be extended at
the discretion of the board for an additional sixty-day period upon payment
of an additional fee and upon compliance with all conditions required in this
section.

Refusal by the board to issue or extend a temporary license shall not
entitle the applicant to request a hearing. A temporary license may be can-
celled or suspended summarily at any time if the board determines that good
cause for cancellation or suspension exists. RCW 66.08.130 and chapter
34.04 RCW shall apply to temporary licenses.

Application for a temporary license shall be on such form as the board
shall prescribe. If an application for a temporary license is withdrawn be-
fore issuance or is refused by the board, the fee which accompanied such
application shall be refunded in full.

Passed the House April 17, 1987.
Approved by the Governor April 29, 1987.
Filed in Office of Secretary of State April 29, 1987.

CHAPTER 218
[Senate Bill No. 5522]
PUBLIC WORKS—SMALL WORKS ROSTER LIMIT RAISED
AN ACT Relating to public works; and amending RCW 39.04.150.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 2, chapter 98, Laws of 1982 and RCW 39.04.150 are
each amended to read as follows:

(1) As used in this section, "agency" means the department of general
administration, the department of fisheries, the department of game, and
the state parks and recreation commission.

(2) In addition to any other power or authority that an agency may
have, each agency, alone or in concert, may establish a small works roster
consisting of all qualified contractors who have requested to be included on
the roster.

(3) The small works roster may make distinctions between contractors
based on the geographic areas served and the nature of the work the con-
tractor is qualified to perform. At least once every year, the agency shall
advertise in a newspaper of general circulation the existence of the small
works roster and shall add to the roster those contractors who request to be
included on the roster.

(4) Construction, repair, or alteration projects estimated to cost less
than ((twenty-five)) fifty thousand dollars are exempt from the requirement
that the contracts be awarded after advertisement and competitive bid as
defined by RCW 39.04.010. In lieu of advertisement and competitive bid,
the agency shall solicit at least five quotations, confirmed in writing, from
contractors chosen by random number generated by computer from the contractors on the small works roster for the category of job type involved and shall award the work to the party with the lowest quotation or reject all quotations. If the agency is unable to solicit quotations from five qualified contractors on the small works roster for a particular project, then the project shall be advertised and competitively bid. The agency shall solicit quotations randomly from contractors on the small works roster in a manner which will equitably distribute the opportunity for these contracts among contractors on the roster: PROVIDED, That whenever possible, the agency shall invite at least one proposal from a minority contractor who shall otherwise qualify to perform such work. Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone request.

(5) The breaking down of any public work or improvement into units or accomplishing any public work or improvement by phases for the purpose of avoiding the minimum dollar amount for bidding is contrary to public policy and is prohibited.

(6) The director of general administration shall adopt by rule a procedure to prequalify contractors for inclusion on the small works roster. Each agency shall follow the procedure adopted by the director of general administration. No agency shall be required to make available for public inspection or copying under chapter 42.17 RCW financial information required to be provided by the prequalification procedure.

(7) An agency may adopt by rule procedures to implement this section which shall not be inconsistent with the procedures adopted by the director of the department of general administration pursuant to subsection (6) of this section.

Passed the House April 17, 1987.
Approved by the Governor April 29, 1987.
Filed in Office of Secretary of State April 29, 1987.

[Engrossed House Bill No. 403]
AIRCRAFT REGISTRATION AND EXCISE TAX COLLECTION RESPONSIBILITY TRANSFERRED FROM THE LICENSING DEPARTMENT TO THE TRANSPORTATION DEPARTMENT—ADMINISTRATIVE REVISIONS

AN ACT Relating to aeronautics; amending RCW 47.68.230, 47.68.233, 47.68.250, 82.48.010, 82.48.020, 82.48.070, 82.48.080, and 82.48.090; adding a new section to chapter 82.36 RCW; creating a new section; and making an appropriation.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 23, chapter 165, Laws of 1947 as last amended by section 205, chapter 158, Laws of 1979 and RCW 47.68.230 are each amended to read as follows:

It shall be unlawful for any person to operate or cause or authorize to be operated any civil aircraft within this state unless such aircraft has an appropriate effective certificate, permit or license issued by the United States, if such certificate, permit or license is required by the United States, and a current registration certificate issued by the ((director of licensing)) secretary of transportation, if registration of the aircraft with the department of ((licensing)) transportation is required by this chapter. It shall be unlawful for any person to engage in aeronautics as an airman in the state
unless he has an appropriate effective airman certificate, permit, rating or license issued by the United States authorizing him to engage in the particular class of aeronautics in which he is engaged, if such certificate, permit, rating or license is required by the United States and a current airman's registration certificate issued by the department of transportation as required by RCW 47.68.233.

Where a certificate, permit, rating or license is required for an airman by the United States or by RCW 47.68.233, it shall be kept in his personal possession when he is operating within the state. Where a certificate, permit or license is required by the United States or by this chapter for an aircraft, it shall be carried in the aircraft at all times while the aircraft is operating in the state and shall be conspicuously posted in the aircraft where it may be readily seen by passengers or inspectors. Such certificates shall be presented for inspection upon the demand of any peace officer, or any other officer of the state or of a municipality or member, official or employee of the department of transportation authorized pursuant to this chapter to enforce the aeronautics laws, or any official, manager or person in charge of any airport, or upon the reasonable request of any person.

Sec. 2. Section 2, chapter 207, Laws of 1967 as last amended by section 355, chapter 7, Laws of 1984 and RCW 47.68.233 are each amended to read as follows:

The department shall require that every pilot who is a resident of this state and every nonresident pilot who regularly operates any aircraft in this state be registered with the department (for each calendar year by January 31st thereof). The department shall charge an annual fee not to exceed five dollars for each registration. (Registration under this section is required thirty days after June 8, 1967;) All registration certificates issued under this section (expire on December 31st of each year;) shall be renewed annually during the month of the registrant's birthdate.

The registration fee imposed by this section shall be used by the department for the purpose of (a) search and rescue of lost and downed aircraft and airmen under the direction and supervision of the secretary and (b) safety and education.

Registration shall be effected by filing with the department a certified written statement that contains the information reasonably required by the department. The department shall issue certificates of registration and in connection therewith shall prescribe requirements for the possession and exhibition of the certificates.

The provisions of this section do not apply to:

(1) A pilot who operates an aircraft exclusively in the service of any government or any political subdivision thereof, including the government of the United States, any state, territory, or possession of the United States, or the District of Columbia;

(2) A pilot registered under the laws of a foreign country;
(3) A pilot engaged exclusively in commercial flying constituting an act of interstate or foreign commerce;

(4) A person piloting an aircraft equipped with fully functioning dual controls when a licensed instructor is in full charge of one set of the controls and the flight is solely for instruction or for the demonstration of the aircraft to a bona fide prospective purchaser.

Failure to register as provided in this section is a violation of RCW 47.68.230 and subjects the offender to the penalties incident thereto.

Sec. 3. Section 25, chapter 165, Laws of 1947 as last amended by section 206, chapter 158, Laws of 1979 and RCW 47.68.250 are each amended to read as follows:

Every aircraft shall be registered with the department ((of licensing)) for each calendar year in which the aircraft is operated within this state. A fee of four dollars shall be charged for each such registration and each annual renewal thereof.

Possession of the appropriate effective federal certificate, permit, rating, or license relating to ownership and airworthiness of the aircraft, and payment of the excise tax imposed by Title 82 RCW for the privilege of using the aircraft within this state during the year for which the registration is sought, and payment of the registration fee required by this section shall be the only requisites for registration of an aircraft under this section.

The registration fee imposed by this section shall be payable to and collected by the ((director of licensing)) secretary. The fee for any calendar year must be paid during the month of January, and shall be collected by the ((director of licensing)) secretary at the time of the collection by him or her of the said excise tax. If the ((director of licensing)) secretary is satisfied that the requirements for registration of the aircraft have been met, he or she shall thereupon issue to the owner of the aircraft a certificate of registration therefor. The ((director of licensing)) secretary shall pay to the state treasurer the registration fees collected under this section, which registration fees shall be credited to the aeronautics account in the general fund.

It shall not be necessary for the registrant to provide the ((director of licensing)) secretary with originals or copies of federal certificates, permits, ratings, or licenses. The ((director of licensing)) secretary shall issue certificates of registration, or such other evidences of registration or payment of fees as he or she may deem proper; and in connection therewith may prescribe requirements for the possession and exhibition of such certificates or other evidences.

The provisions of this section shall not apply to:

(1) An aircraft owned by and used exclusively in the service of any government or any political subdivision thereof, including the government of the United States, any state, territory, or possession of the United States, or
the District of Columbia, which is not engaged in carrying persons or property for commercial purposes;

(2) An aircraft registered under the laws of a foreign country;

(3) An aircraft which is owned by a nonresident and registered in another state: PROVIDED, That if said aircraft shall remain in and/or be based in this state for a period of ninety days or longer it shall not be exempt under this section;

(4) An aircraft engaged principally in commercial flying constituting an act of interstate or foreign commerce;

(5) An aircraft owned by the manufacturer thereof while being operated for test or experimental purposes, or for the purpose of training crews for purchasers of the aircraft;

(6) An aircraft being held for sale, exchange, delivery, test, or demonstration purposes solely as stock in trade of an aircraft dealer licensed under Title 14 RCW.

The ((director of licensing)) secretary shall be notified within one week of any change in ownership of a registered aircraft. The notification shall contain the N, NC, NR, NL, or NX number of the aircraft, the full name and address of the former owner, and the full name and address of the new owner. For failure to so notify the ((director of licensing)) secretary, the registration of that aircraft may be canceled by the ((director of licensing)) secretary, subject to reinstatement upon application and payment of a reinstatement fee of ten dollars by the new owner.

NEW SECTION. Sec. 4. A new section is added to chapter 82.36 RCW to read as follows:

At least once each fiscal year, the director shall request the state treasurer to refund from the motor vehicle fund, to the aeronautics account created under RCW 82.42.090, an amount equal to 0.028 percent of the gross motor vehicle fuel tax less an amount equal to aircraft fuel taxes transferred to that account as a result of nonhighway refunds claimed by motor fuel purchasers. The refund shall be considered compensation for unclaimed motor vehicle fuel that is used in aircraft for purposes taxable under RCW 82.42.020. The director shall also remit from the motor vehicle fund the taxes required by RCW 82.12.0256(3)(c) for the unclaimed refunds, provided that the sum of the amount refunded and the amount remitted in accordance with RCW 82.12.0256(3)(c) shall not exceed the unclaimed refunds.

Sec. 5. Section 82.48.010, chapter 15, Laws of 1961 as last amended by section 21, chapter 3, Laws of 1983 2nd ex. sess. and RCW 82.48.010 are each amended to read as follows:

For the purposes of this chapter, unless otherwise required by the context:

(1) "Aircraft" means any weight-carrying device or structure for navigation of the air which is designed to be supported by the air;
(2) ("Director"—means the director of licensing) "Secretary" means the secretary of transportation;

(3) "Person" includes a firm, partnership or corporation;

(4) "Small multi-engine fixed wing" means any piston-driven multi-engine fixed wing aircraft with a maximum gross weight as listed by the manufacturer of less than seventy-five hundred pounds; and

(5) "Large multi-engine fixed wing" means any piston-driven multi-engine fixed wing aircraft with a maximum gross weight as listed by the manufacturer of seventy-five hundred pounds or more.

Sec. 6. Section 82.48.020, chapter 15, Laws of 1961 as last amended by section 27, chapter 7, Laws of 1983 and RCW 82.48.020 are each amended to read as follows:

An annual excise tax is hereby imposed for the privilege of using any aircraft in the state. A current certificate of air worthiness with a current inspection date from the appropriate federal agency and/or the purchase of aviation fuel shall constitute the necessary evidence of aircraft use or intended use. The tax shall be collected (for each calendar year by the director of licensing, and must be paid during the month of January, except that the tax for 1983 is due on June 30, 1983) annually or under a staggered collection schedule as required by the secretary by rule. No additional tax shall be imposed under this chapter upon any aircraft upon the transfer of ownership thereof, if the tax imposed by this chapter with respect to such aircraft has already been paid for the year in which transfer of ownership occurs. A violation of this chapter is a misdemeanor punishable as provided in chapter 9A.20 RCW.

Sec. 7. Section 82.48.070, chapter 15, Laws of 1961 as amended by section 4, chapter 9, Laws of 1967 ex. sess. and RCW 82.48.070 are each amended to read as follows:

The ("director") secretary shall give a receipt to each person paying the excise tax.

Sec. 8. Section 82.48.080, chapter 15, Laws of 1961 as last amended by section 8, chapter 54, Laws of 1974 ex. sess. and RCW 82.48.080 are each amended to read as follows:

The ("director") secretary shall regularly pay to the state treasurer the excise taxes collected under this chapter, which shall be credited by the state treasurer as follows: Ninety percent to the general fund and ten percent to the aeronautics account in the general fund for administrative expenses.

Sec. 9. Section 82.48.090, chapter 15, Laws of 1961 as last amended by section 5, chapter 414, Laws of 1985 and RCW 82.48.090 are each amended to read as follows:
In case a claim is made by any person that he has paid an erroneously excessive amount of excise tax under this chapter, he may apply to the department of (licensing) transportation for a refund of the claimed excessive amount. The department shall review such application, and if it determines that an excess amount of tax has actually been paid by the taxpayer, such excess amount shall be refunded to the taxpayer by means of a voucher approved by the department of (licensing) transportation and by the issuance of a state warrant drawn upon and payable from such funds as the legislature may provide for that purpose. No refund shall be allowed, however, unless application for the refund is filed with the department of (licensing) transportation within ninety days after the claimed excessive excise tax was paid and the amount of the overpayment exceeds five dollars.

NEW SECTION. Sec. 10. All powers, duties, and functions as well as all reports, documents, surveys, books, records, files, papers, or written material of the department of licensing pertaining to aircraft registration are transferred to the department of transportation. All existing contracts and obligations shall remain in full force and shall be performed by the department of transportation.

NEW SECTION. Sec. 11. There is hereby appropriated for the biennium ending June 30, 1989, from the aeronautics account of the general fund $223,787 or so much thereof as may be necessary to the department of transportation to accomplish the purpose of this act and for the management and support of the aeronautics division of the department of transportation.

NEW SECTION. Sec. 12. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

(d) Make a finding that the street or alley sought to be vacated is not suitable for any of the purposes listed under (b) of this subsection, and that the vacation is in the public interest.

Sec. 2. Section 80.04.130, chapter 14, Laws of 1961 as last amended by section 2, chapter 161, Laws of 1985 and by section 1, chapter 206, Laws of 1985 and by section 12, chapter 450, Laws of 1985 and RCW 80-04.130 are each reenacted and amended to read as follows:

(1) Whenever any public service company shall file with the commission any schedule, classification, rule or regulation, the effect of which is to change any rate, charge, rental or toll theretofore charged, the commission
shall have power, either upon its own motion or upon complaint, upon no-
tice, to enter upon a hearing concerning such proposed change and the rea-
sonableness and justness thereof, and pending such hearing and the decision
thereon the commission may suspend the operation of such rate, charge,
rental or toll for a period not exceeding ten months from the time the same
would otherwise go into effect, and after a full hearing the commission may
make such order in reference thereto as would be provided in a hearing ini-
tiated after the same had become effective.

The commission may suspend the initial tariff filing of any water com-
pany removed from and later subject to commission jurisdiction because of
the number of customers or the average annual gross revenue per customer
provisions of RCW 80.04.010. The commission may allow temporary rates
during the suspension period. These rates shall not exceed the rates charged
when the company was last regulated. Upon a showing of good cause by the
company, the commission may establish a different level of temporary rates.

(2) At any hearing involving any change in any schedule, classification,
rule or regulation the effect of which is to increase any rate, charge, rental
or toll theretofore charged, the burden of proof to show that such increase is
just and reasonable shall be upon the public service company.

(3) The implementation of mandatory local measured telephone service
is a major policy change in available telecommunications service. The commission shall not accept for filing or approve, prior to June
1, 1987, a tariff filed by a telecommunications company which
imposes mandatory local measured service on any customer or class of cus-
tomers. This subsection does not apply to land, air, or marine mobile serv-
ice, or to pay telephone service, or to any service which has been
traditionally offered on a measured service basis.

(4) The implementation of lifeline service is a major policy change in
available telecommunications service. The implementation of lifeline service
will aid in achieving the stated goal of universal telephone service.

NEW SECTION. Sec. 3. The legislature finds that universal telephone
service is an important policy goal of the state. The legislature further finds
that recent changes in the telecommunications industry, such as federal ac-
cess charges, raise concerns about the ability of low-income persons to con-
tinue to afford access to local exchange telephone service. Therefore, the
legislature finds that it is in the public interest to take steps to mitigate the
effects of these changes on low-income persons.

NEW SECTION. Sec. 4. Lifeline assistance shall be available to par-
ticipants of department programs set forth in section 9 of this act. Lifeline
assistance shall consist of the following components:

(1) A discount on service connection fees of fifty percent as set forth in
section 8 of this act.

(2) A waiver of deposit requirements on local exchange service, as set
forth in section 8 of this act.
(3) A discounted flat rate lifeline service rate for local exchange service, which shall be subject to the following conditions:

(a) The commission shall establish a single lifeline service rate for all local exchange companies operating in the state of Washington. The lifeline service rate shall include any federal end user access charges and any other charges necessary to obtain local exchange service.

(b) The commission shall, in establishing the lifeline service rate, consider all charges for local exchange service, including federal end user access charges, mileage charges, extended area service, and any other charges necessary to obtain local exchange service.

(c) The lifeline service rate shall only be available to eligible customers subscribing to the lowest available local exchange flat rate service, where the lowest local exchange flat rate, including any federal end user access charges and any other charges necessary to obtain local exchange service, is greater than the lifeline service rate.

(d) The cost of providing the lifeline service shall be paid, to the maximum extent possible, by a waiver of all or part of the federal end user access charge and, to the extent necessary, from the lifeline fund created by section 5 of this act.

NEW SECTION. Sec. 5. Costs associated with lifeline telephone service shall be recovered through a lifeline surcharge on all other switched access lines. The surcharge shall be applied equally to all residential and business access lines not to exceed sixteen cents per month. The surcharge collected by telecommunications companies shall not be construed as gross income or gross receipts for purposes of state, county or municipal public utility taxes. All money collected from the lifeline surcharge shall be transferred to a lifeline fund administered by the department. Local exchange companies shall bill the fund for their expenses incurred in offering lifeline telecommunications services, including administrative and program expenses. The department shall disburse the money to the local exchange companies. The department shall recover its administrative costs from the fund.

NEW SECTION. Sec. 6. The commission and the department may adopt any rules necessary to implement sections 3 through 10 of this act.

NEW SECTION. Sec. 7. Lifeline service shall be limited to one residential access line per eligible household.

NEW SECTION. Sec. 8. Local exchange companies shall file tariffs with the commission which waive deposits on local exchange service for eligible subscribers and which establish a fifty percent discount on service connection fees for eligible subscribers. The remaining portion of the connection fee to be paid by the subscriber shall be expressly payable by installment fees spread over a period of months. A subscriber may, however, choose to pay the connection fee in a lump sum. Costs associated with the
waiver and discount shall be accounted for separately and recovered from the lifeline fund. Eligible subscribers shall be allowed one waiver of a deposit and one discount on service connection fees per year.

NEW SECTION. Sec. 9. Participants in the following department programs are eligible for lifeline assistance: Aid to families with dependent children, chore services, food stamps, supplemental security income, refugee assistance, and community options program entry system (COPES). The department shall notify the participants of their eligibility.

NEW SECTION. Sec. 10. The energy and utilities committees of the legislature shall review the results of the lifeline program and shall explore by December 15, 1989, whether additional lifeline measures are warranted.

NEW SECTION. Sec. 11. Sections 3 through 10 of this act are each added to chapter 80.36 RCW.

NEW SECTION. Sec. 12. Sections 3 through 10 of this act shall expire June 30, 1990, unless extended by the legislature.

Sec. 13. Section 2, chapter 277, Laws of 1986 and RCW 80.36.390 are each amended to read as follows:

(1) As used in this section, "telephone solicitation" means the unsolicited initiation of a telephone call by a commercial or nonprofit company or organization to a residential telephone customer and conversation for the purpose of encouraging a person to purchase property, goods, or services or soliciting donations of money, property, goods, or services. "Telephone solicitation" does not include:

(a) Calls made in response to a request or inquiry by the called party. This includes calls regarding an item that has been purchased by the called party from the company or organization during a period not longer than twelve months prior to the telephone contact;

(b) Calls made by a not-for-profit organization to its own list of bona fide or active members of the organization;

(c) Calls limited to polling or soliciting the expression of ideas, opinions, or votes; or

(d) Business-to-business contacts.

For purposes of this section, each individual real estate agent or insurance agent who maintains a separate list from other individual real estate or insurance agents shall be treated as a company or organization. For purposes of this section, an organization as defined in RCW 29.01.090 or 29.01.100 and organized pursuant to RCW 29.42.010 shall not be considered a commercial or nonprofit company or organization.

(2) A person making a telephone solicitation must identify him or herself and the company or organization on whose behalf the solicitation is being made and the purpose of the call within the first thirty seconds of the telephone call.
(3) If, at any time during the telephone contact, the called party states or indicates that he or she does not wish to be called again by the company or organization or wants to have his or her name and individual telephone number removed from the telephone lists used by the company or organization making the telephone solicitation, then:

(a) The company or organization shall not make any additional telephone solicitation of the called party at that telephone number within a period of at least one year; and

(b) The company or organization shall not sell or give the called party's name and telephone number to another company or organization: PROVIDED, That the company or organization may return the list, including the called party's name and telephone number, to the company or organization from which it received the list.

(4) A violation of subsection (2) or (3) of this section is punishable by a fine of up to one thousand dollars for each violation.

(5) The attorney general may bring actions to enforce compliance with this section. For the first violation by any company or organization of this section, the attorney general shall notify the company with a letter of warning that the section has been violated.

(6) A person aggrieved by (a) repeated violations of this section may bring a civil action in superior court to enjoin future violations, to recover damages, or both. The court shall award damages of at least one hundred dollars for each individual violation of this section. If the aggrieved person prevails in a civil action under this subsection, the court shall award the aggrieved person reasonable attorneys' fees and cost of the suit.

(7) The utilities and transportation commission shall by rule ensure that telecommunications companies inform their residential customers of the provisions of this section. The notification may be made by (a) annual inserts in the billing statements mailed to residential customers, or (b) conspicuous publication of the notice in the consumer information pages of local telephone directories.

The commission shall supervise and regulate every garbage and refuse collection company in this state,

The compliance letters shall become part of the record in any rate, compliance, or any hearing held by the commission on the issuance, revocation, or reissuance of a certificate as provided for in RCW 81.77.070.

The commission, on complaint made on its own motion or by an aggrieved party, at any time, after the holding of a hearing of which the holder of any certificate has had notice and an opportunity to be heard, and at which it shall be proven that the holder has willfully violated or refused to observe any of the commission's orders, rules, or regulations, or has failed to operate as a garbage and refuse collection company for a period of at least one year preceding the filing of the complaint, may suspend, revoke, alter, or amend any certificate issued under the provisions of this chapter.

Sec. 2. Section 5, chapter 295, Laws of 1961 and RCW 81.77.040 are each amended to read as follows:

No garbage and refuse collection company shall hereafter operate for the hauling of garbage and refuse for compensation without first having obtained from the commission a certificate declaring that public convenience and necessity require such operation. A condition of operating a garbage and refuse company in the unincorporated areas of a county shall be complying with the solid waste management plan prepared under chapter 70.95 RCW applicable in the company's franchise area.
Issuance of the certificate of necessity shall be determined upon, but not limited to, the following factors: The present service and the cost thereof for the contemplated area to be served; an estimate of the cost of the facilities to be utilized in the plant for garbage and refuse collection and disposal, sworn to before a notary public; a statement of the assets on hand of the person, firm, association or corporation which will be expended on the purported plant for garbage and refuse collection and disposal, sworn to before a notary public; a statement of prior experience, if any, in such field by the petitioner, sworn to before a notary public; and sentiment in the community contemplated to be served as to the necessity for such a service.

When an applicant requests a certificate to operate in a territory already served by a certificate holder under this chapter, the commission may, after hearing, issue the certificate only if the existing garbage and refuse collection company or companies serving the territory will not provide service to the satisfaction of the commission.

In all other cases, the commission may, with or without hearing, issue certificates, or for good cause shown refuse to issue them, or issue them for the partial exercise only of the privilege sought, and may attach to the exercise of the rights granted such terms and conditions as, in its judgment, the public convenience and necessity may require.

Any right, privilege, certificate held, owned, or obtained by a garbage and refuse collection company may be sold, assigned, leased, transferred, or inherited as other property, but only upon authorization by the commission.

Any garbage and refuse collection company which upon July 1, 1961 is operating under authority of a common carrier or contract carrier permit issued under the provisions of chapter 81.80 RCW shall be granted a certificate of necessity without hearing upon compliance with the provisions of this chapter. Such garbage and refuse collection company which has paid the plate fee and gross weight fees required by chapter 81.80 RCW for the year 1961 shall not be required to pay additional like fees under the provisions of this chapter for the remainder of such year.

The proceeds from such fees shall be distributed in accordance with RCW 46.68.035.

Every motor truck, truck tractor, and tractor exceeding 6,000 pounds empty scale weight registered under chapter 46.16, (46.85,) 46.87, or 46-88 RCW shall be licensed for not less than one hundred fifty percent of its empty weight unless the amount would be in excess of the legal limits prescribed for such a vehicle in RCW 46.44.041 or 46.44.042, in which event the vehicle shall be licensed for the maximum weight authorized for such a vehicle.

The following provisions apply when increasing gross or combined gross weight for a vehicle licensed under this section: (1) The new license fee will be one-twelfth of the fee listed above for the new gross weight, multiplied by the number of months remaining in the period for which licensing fees have been paid, including the month in which the new gross weight is effective. (2) Upon surrender of the current certificate of registration or cab card, the new licensing fees due shall be reduced by the amount of the licensing fees previously paid for the same period for which new fees are being charged.

Sec. 4. Section 16, chapter 380, Laws of 1985 as amended by section 8, chapter 18, Laws of 1986 and RCW 46.16.085 are each amended to read as follows:

In lieu of all other licensing fees, an annual license fee of thirty-five dollars shall be collected in addition to the excise tax prescribed in chapter 82.44 RCW for: (1) Each trailer and semitrailer not subject to the license fee under RCW 46.16.065 or the capacity fees under RCW 46.16.080; (2) every pole trailer; (3) every converter gear or auxiliary axle not licensed as a combination under the provisions of RCW 46.16.083. The proceeds from this fee shall be distributed in accordance with RCW 46.68.035. This section does not pertain to travel trailers or personal use trailers that are not used for commercial purposes or owned by commercial enterprises.

Sec. 5. Section 57, chapter 83, Laws of 1967 ex. sess. as last amended by section 11, chapter 18, Laws of 1986 and RCW 46.16.111 are each amended to read as follows:

The (maximum) gross weight in the case of any motor truck, tractor, or truck tractor shall be the scale weight of the motor truck, tractor, or truck tractor, plus the scale weight of any trailer, semitrailer, converter
gear, or pole trailer to be towed thereby, to which shall be added the weight of the maximum load to be carried thereon or towed thereby as set by the licensee in the application if it does not exceed the weight limitations prescribed by chapter 46.44 RCW. If the sum of the scale weight and maximum load of the trailer is not greater than four thousand pounds, that sum shall not be computed as part of the (maximum) gross weight of any motor truck, tractor, or truck tractor. Where the trailer is a utility trailer, travel trailer, horse trailer, or boat trailer, for the personal use of the owner of the truck, tractor, or truck tractor, and not for sale or commercial purposes, the gross weight of such trailer and its load shall not be computed as part of the (maximum) gross weight of any motor truck, tractor, or truck tractor. The weight of any camper is exempt from the determination of gross weight in the computation of any licensing fees required under RCW 46.16.070.

The (maximum) gross weight in the case of any bus, auto stage, or for hire vehicle, except taxicabs, with a seating capacity over six, shall be the scale weight of each bus, auto stage, and for hire vehicle plus the seating capacity, including the operator's seat, computed at one hundred and fifty pounds per seat.

If the resultant gross weight, according to this section, is not listed in RCW 46.16.070, it shall be increased to the next higher gross weight so listed pursuant to chapter 46.44 RCW.

Sec. 6. Section 46.16.160, chapter 12, Laws of 1961 as last amended by section 1, chapter 318, Laws of 1981 and RCW 46.16.160 are each amended to read as follows:

(1) The owner of a vehicle which under reciprocal relations with another jurisdiction would be required to obtain a license registration in this state or an unlicensed vehicle which would be required to obtain a license registration for operation on public highways of this state may, as an alternative to such license registration, secure and operate such vehicle under authority of a trip permit issued by this state in lieu of a Washington certificate of (ownership, license registration, and licensed gross weight (or load license)) if applicable. Trip permits may also be issued for movement of mobile homes pursuant to RCW 46.44.170. For the purpose of this section, a vehicle is considered unlicensed if the licensed gross weight (or load license) currently in effect for the vehicle or combination of vehicles is not adequate for the load being carried. Vehicles registered under RCW 46.16-.135 shall not be operated under authority of trip permits in lieu of further registration within the same registration year.

(2) Each trip permit shall authorize the operation of a single vehicle at the maximum legal weight limit for such vehicle for a period of three consecutive days commencing with the day of first use. No more than three such permits may be used for any one vehicle in any period of thirty consecutive days. Every permit shall identify, as the department may require,
the vehicle for which it is issued and shall be completed in its entirety() and signed() by the operator before operation of the vehicle on the public highways of this state. Correction of data on the permit such as dates, license number, or vehicle identification number invalidates the permit. The trip permit shall be displayed on the vehicle to which it is issued as prescribed by the department.

(3) Vehicles operating under authority of trip permits are subject to all laws, rules, and regulations affecting the operation of like vehicles in this state.

(4) Prorate operators operating commercial vehicles on trip permits in Washington shall retain the customer copy of such permit for four years.

(5) Blank trip permits may be obtained from field offices of the department of transportation, Washington state patrol, department of licensing, or other agents appointed by the department. For each permit issued, there shall be collected a filing fee as provided by RCW 46.01.140, an administrative fee of eight dollars, and an excise tax of one dollar. If the filing fee amount of one dollar prescribed by RCW 46.01.140 is increased or decreased after January 1, 1981, the administrative fee shall be adjusted to compensate for such change to insure that the total amount collected for the filing fee, administrative fee, and excise tax remain at ten dollars. These fees and taxes are in lieu of all other vehicle license fees and taxes. No exchange, credits, or refunds may be given for trip permits after they have been purchased.

(6) The department may appoint county auditors or businesses as agents for the purpose of selling trip permits to the public. County auditors or businesses so appointed may retain the filing fee collected for each trip permit to defray expenses incurred in handling and selling the permits.

(7) A violation of or a failure to comply with any provision of this section is a gross misdemeanor.

(8) The department of licensing may adopt rules as it deems necessary to administer this section.

(9) All administrative fees and excise taxes collected under the provisions of this chapter shall be forwarded by the department with proper identifying detailed report to the state treasurer who shall deposit the administrative fees to the credit of the motor vehicle fund and the excise taxes to the credit of the general fund. Filing fees will be forwarded and reported to the state treasurer by the department as prescribed in RCW 46.01.140.

Sec. 7. Section 46.16.280, chapter 12, Laws of 1961 as last amended by section 17, chapter 18, Laws of 1986 and RCW 46.16.280 are each amended to read as follows:

In case of loss, destruction, sale, or transfer of any motor vehicle with a registered gross weight in excess of twelve thousand pounds and subject to the license fees under RCW 46.16.070, the registered owner thereof may, under the following conditions, obtain credit for the unused portion of the
licensing fee paid for the vehicle or may transfer such credit to the new owner if desired:

(1) The licensing fee paid for the motor vehicle will be reduced by one-twelfth for each calendar month and fraction thereof elapsing between the first month of the current registration year in which the motor vehicle was registered and the month the registrant surrenders the vehicle's registration certificate for the registration year to the department or an authorized agent of the department.

(2) If any such credit is less than fifteen dollars, no credit may be given.

(3) The credit may only be applied against the licensing fee liability due under RCW 46.16.070 for the replacement motor vehicle or if such credit was transferred to the new owner, it shall remain with the vehicle. The credit may only be used during the registration year from which it was obtained.

(4) In no event is such credit subject to refund.

Whenever any vehicle has been so altered as to change its license classification in such a manner that the vehicle license number plates are rendered improper, the current license plates shall be surrendered to the department. New license plates shall be issued upon application accompanied by a one dollar fee in addition to any other or different charge by reason of licensing under a new classification. Such application shall be on forms prescribed by the department and forwarded with the proper fee to the department or the office of a duly authorized agent of the department.

Sec. 8. Section 1, chapter 106, Laws of 1963 and RCW 46.85.010 are each amended to read as follows:

((The department may enter into a multistate proportional registration agreement which prescribes a different definition of any terms defined in chapter 46.85 RCW. The agreement definition shall control unless appropriate exception is taken thereto;

If the department enters into a multistate proportional registration agreement which prescribes a different procedure for vehicle identification, the agreement procedures shall control.))

If the department enters into a multistate proportional registration agreement which requires this state to perform acts in a quasi agency relationship, the department may collect and forward applicable registration fees and applications to other jurisdictions on behalf of the applicant or on behalf of another jurisdiction and may take such other action as will facilitate the administration of such agreement.

If the department enters into a multistate proportional registration agreement which prescribes procedures applicable to vehicles not specifically described in chapter 46.85 RCW, such as but not limited to "owner-operator" or "rental" vehicles, it shall promulgate rules taking exception to or accomplishing the procedures prescribed in such agreement.

((If the department enters into a multistate proportional registration agreement which prohibits the collection of minimum fees or taxes provided...))

Agreements, arrangements or declarations made under the authority of this chapter may include provisions authorizing the department to suspend or cancel the exemptions, benefits, or privileges granted thereunder to ((a person)) an owner who violates any of the conditions or terms of such agreements, arrangements, or declarations or who violates the laws of this state relating to motor vehicles or rules and regulations lawfully promulgated thereunder.

Sec. 13. Section 10, chapter 106, Laws of 1963 as last amended by section 22, chapter 227, Laws of 1982 and RCW 46.85.100 are each amended to read as follows:

All agreements, arrangements, or declarations or amendments thereto shall be in writing and shall be filed with the department. Upon becoming effective, they shall supersede the provisions of RCW 46.16.030, chapter 46.87 RCW, or this chapter to the extent that they are inconsistent therewith. The department shall provide copies for public distribution upon request.

Sec. 14. Section 13, chapter 106, Laws of 1963 as last amended by section 20, chapter 18, Laws of 1986 and RCW 46.85.130 are each amended to read as follows:

A registration cab card

Such registration card shall, in addition to the information required by RCW 46.12.050, bear upon its face the number of the license plate issued to such proportionally registered vehicle and shall be carried in such vehicles at all times or, in the case of a combination, it may be carried in the vehicle supplying the motive power. The department shall collect a fee of two dollars for each replacement backing plate, cab card, validation tab, or other device issued for proportionally registered vehicles.

(2) Fleet vehicles so registered and identified shall be deemed to be fully licensed and registered in this state for any type of movement or operation, except that, in those instances in which a grant of authority is required for interstate or intrastate movement or operation, no such vehicle shall be operated in interstate or intrastate commerce in this state unless the owner thereof has been granted interstate operating authority by the interstate commerce commission in the case of interstate operations or intrastate operating authority by the Washington utility and transportation commission in the case of intrastate operations and unless said vehicle is being operated in conformity with such authority.

(3) The department may issue temporary authorization permits (TAPs) to qualifying operators for the operation of vehicles pending issuance of license identification. A fee of one dollar plus a one dollar filing fee shall be collected for each permit issued. The permit fee shall be deposited in the motor vehicle fund, and the filing fee shall be distributed pursuant to RCW 46.01.140. The department shall have the authority to adopt rules for use and issuance of the permits.

(4) The department may refuse to issue any license or permit authorized by subsections (1) or (3) of this section to any person: (a) Who formerly held any type of license or permit issued by the department pursuant to chapter 46.16, 46.85, 46.87, 82.36, 82.37, or 82.38 RCW which has been revoked for cause, which cause has not been removed; or (b) who is a subterfuge for the real party in interest whose license or permit issued by the department pursuant to chapter 46.16, 46.85, 46.87, 82.36, 82.37, or 82.38 RCW and has been revoked for cause, which cause has not been removed; or (c) who, as an individual licensee, or officer, director, owner, or managing employee of a nonindividual licensee, has had a license or permit issued by the department pursuant to chapter 46.16, 46.85, 46.87, 82.36, 82.37, or 82.38 RCW which has been revoked for cause, which cause has not been removed; or (d) who has an unsatisfied debt to the state assessed under either chapter 46.16, 46.85, 46.87, 82.36, 82.37, 82.38, or 82.44 RCW.

(5) The department may revoke the license or permit authorized by subsections (1) or (3) of this section issued to any person for any of the grounds constituting cause for denial of licenses or permits set forth in subsection (4) of this section.
(6) Before such refusal or revocation under subsections (4) or (5) of this section, the department shall grant the applicant a hearing and shall grant him at least ten days written notice of the time and place thereof.

Sec. 15. Section 1, chapter 380, Laws of 1985 as amended by section 22, chapter 18, Laws of 1986 and RCW 46.87.010 are each amended to read as follows:

This chapter applies to proportional registration and reciprocity granted under the provisions of the International Registration Plan (IRP) and (western Compact). This chapter shall become effective and be implemented beginning with the (first) 1988 registration year (following the year in which); however, if Washington (becomes a member) is not then registering vehicles under the provisions of the IRP, the effective date and implementation date for the IRP shall both be delayed until such time as Washington begins registering vehicles under the provisions of the IRP.

(1) Provisions and terms of the IRP and the Western Compact, as applicable, shall prevail unless given a different meaning in chapter 46.04 RCW, this chapter, or in rules adopted under the authority of this chapter.

(2) The director may adopt and enforce rules deemed necessary to implement and administer this chapter.

(3) Beginning with the first registration year in which the state of Washington begins registering fleets under provisions of the IRP, (owners having a fleet of (apportioned)) apportionable vehicles operating in two or more IRP member jurisdictions may elect to proportionally register the vehicles of the fleet under the provisions of the IRP and this chapter in lieu of full or temporary registration as provided for in chapters 46.16(46.85) or 46.88 RCW.

(4) Owners having a fleet of commercial vehicles operating and registered in at least one Western Compact member jurisdiction other than Washington may elect to proportionally register the vehicles of the fleet under provisions of the Western Compact and this chapter in lieu of full or temporary registration as provided for in chapter 46.16 or 46.88 RCW.

(5) If a due date or an expiration date established under authority of this chapter falls on a Saturday, Sunday, or a state legal holiday, such period is automatically extended through the end of the next business day.

Sec. 16. Section 2, chapter 380, Laws of 1985 and RCW 46.87.020 are each amended to read as follows:

Terms used in this chapter have the meaning given to them in the International Registration Plan (IRP), the Uniform Vehicle Registration, Proration, and Reciprocity Agreement (Western Compact), chapter 46.04 RCW, or as otherwise defined in this section. Definitions given to terms by the (International Registration Plan) IRP and the Western Compact, as applicable, shall prevail unless given a different meaning in this chapter or in rules adopted under authority of this chapter.
(1) "Apportionable vehicle" has the meaning given by the IRP, except that it does not include vehicles with a declared gross weight of twelve thousand pounds or less. Apportionable vehicles include trucks, tractors, truck tractors, road tractors, buses, converter gears (auxiliary axles), trailers, semitrailers, and pole trailers, each as separate and licensable vehicles.

(2) "Cab card" is a certificate of registration issued for a vehicle by the registering jurisdiction under the Western Compact. Under the IRP, it is a certificate of registration issued by the base jurisdiction for a vehicle upon which is disclosed the jurisdictions and registered gross weights in such jurisdictions for which the vehicle is registered.

(3) "Commercial vehicle" is a term used by the Western Compact and means any vehicle, except recreational vehicles, vehicles displaying restricted plates, and government owned or leased vehicles, that is operated and registered in more than one jurisdiction and is used or maintained for the transportation of persons for hire, compensation, or profit, or is designed, used, or maintained primarily for the transportation of property and:
   (a) Is a motor vehicle having a declared gross weight in excess of twenty-six thousand pounds; or
   (b) Is a motor vehicle having three or more axles with a declared gross weight in excess of twelve thousand pounds; or
   (c) Is a motor vehicle, trailer, pole trailer, or semitrailer used in combination when the declared gross weight of the combination exceeds twenty-six thousand pounds combined gross weight; or
   (d) Is a converter gear (auxiliary axle).

Although a two-axle motor vehicle, trailer, pole trailer, semitrailer, or any combination of such vehicles with a declared gross weight or declared combined gross weight exceeding twelve thousand pounds but not more than twenty-six thousand is not considered to be a commercial vehicle, at the option of the owner, such vehicles may be considered as "commercial vehicles" for the purpose of proportional registration.

Commercial vehicles include trucks, tractors, truck tractors, road tractors, buses, converter gear (auxiliary axles), trailers, pole trailers, and semitrailers, each as separate and licensable vehicles.

(4) "Credentials" means cab cards, apportioned plates (for Washington based fleets), and validation tabs issued for proportionally registered vehicles.

(5) "Declared combined gross weight" means the total unladen weight of any combination of vehicles plus the weight of the maximum load to be carried on the combination of vehicles as set by the registrant in the application pursuant to chapter 46.44 RCW and for which registration fees have been or are to be paid.

(6) "Declared gross weight" means the total unladen weight of any vehicle plus the weight of the maximum load to be carried on the vehicle as set by the registrant in the application.
pursuant to chapter 46.44 RCW and for which registration fees have been
or are to be paid. In the case of a bus, auto stage, or a passenger—carrying
for hire vehicle with a seating capacity of more than six, the ((maximum
load—may)) declared gross weight shall be determined by multiplying the
average load factor of ((seventy-five)) one hundred and fifty pounds by the
number of seats in the vehicle, including the driver's seat, and add this
amount to the unladen weight of the vehicle. If the resultant gross weight is
not listed in RCW 46.16.070, it will be increased to the next higher gross
weight so listed pursuant to chapter 46.44 RCW.

(((4))) (7) "Department" means the department of licensing.
(((5))) (8) "Fleet" means one or more commercial vehicles in the
Western Compact and one or more apportionable vehicles in the IRP.
(9) "In—jurisdiction miles" means the total miles accumulated in a ju-
risdiction during the preceding year by vehicles of the fleet while they were
a part of the fleet.
(10) "IRP" means the International Registration Plan.
(11) "Jurisdiction" means and includes a state, territory or possession
of the United States, the District of Columbia, the Commonwealth of
Puerto Rico, a foreign county, and a state or province of a foreign country.
(12) "Owner" means a person or business firm who holds the legal title
to a vehicle, or if a vehicle is the subject of an agreement for its conditional
sale with the right of purchase upon performance of the conditions stated in
the agreement and with an immediate right of possession vested in the con-
ditional vendee, or if a vehicle is subject to a lease, contract, or other legal
arrangement vesting right of possession or control, for security or otherwise,
or if a mortgagor of a vehicle is entitled to possession, then the owner is
deemed to be the person or business firm in whom is vested right of posses-

sion or control.
(13) "Preceding year" means the period of twelve consecutive months
immediately prior to July 1st of the year immediately preceding the com-
mencement of the registration or license year for which proportional regis-
tration is sought.
(14) "Properly registered," as applied to the place of registration under
the provisions of the Western Compact, means:
(a) In the case of a commercial vehicle, the jurisdiction in which it is
registered if the commercial enterprise in which the vehicle is used has a
place of business therein, and, if the vehicle is most frequently dispatched,
garaged, serviced, maintained, operated, or otherwise controlled in or from
that place of business, and the vehicle has been assigned to that place of
business; or
(b) In the case of a commercial vehicle, the jurisdiction where, because
of an agreement or arrangement between two or more jurisdictions, or pur-
suant to a declaration, the vehicle has been registered as required by that
jurisdiction.
In case of doubt or dispute as to the proper place of registration of a commercial vehicle, the department shall make the final determination, but in making such determination, may confer with departments of the other jurisdictions affected.

(15) "Prorate percentage" is the factor that is applied to the total proratable fees and taxes to determine the apportionable or prorate fees required for registration in a particular jurisdiction. It is determined by dividing the in-jurisdiction miles for a particular jurisdiction by the total miles. This term is synonymous with the term "mileage percentage."

(16) "Registrant" means a person, business firm, or corporation in whose name or names a vehicle or fleet of vehicles is registered.

(17) "Registration year" means the twelve-month period during which the registration plates issued by the base jurisdiction are valid according to the laws of the base jurisdiction. The "registration year" for Washington is the period from January 1st through December 31st of each calendar year.

(18) "Total miles" means the total number of miles accumulated in all jurisdictions during the preceding year by all vehicles of the fleet while they were a part of the fleet. Mileage accumulated by vehicles of the fleet that did not engage in interstate operations is not included in the fleet miles.

(19) "Western Compact" means the Uniform Vehicle Registration, Proration, and Reciprocity Agreement.

NEW SECTION. Sec. 17. All vehicles being added to an existing Washington-based fleet or those vehicles that make up a new Washington-based fleet shall be titled in the name of the fleet owner at time of registration, or evidence of filing application for title for such vehicles in the name of the owner shall accompany the application for proportional registration.

Sec. 18. Section 3, chapter 380, Laws of 1985 as amended by section 23, chapter 18, Laws of 1986 and RCW 46.87.030 are each amended to read as follows:

(1) When application to register an (apportioned) apportionable or commercial vehicle is made after March 31st of a registration year, the (apportionable) Washington prorated fees may be reduced by one-twelfth for each full registration month that has elapsed at the time a temporary authorization permit (TAP) was issued or if no TAP was issued, at such time as an application for registration is received in the department. The filing of any application with the department incurs liability for the fees and taxes applicable to the vehicles contained in the application. If (the) a vehicle is being added to a currently registered fleet, the (mileage) prorate percentage previously established for the fleet for such registration year shall be used in the computation of the proportional fees and taxes due.

(2) (A motor vehicle permanently withdrawn from service that was previously registered as part of a proportionally registered fleet may be deleted from the fleet by the registrant by submitting a supplemental application to the department. Upon receipt of the application and surrender of the
original cab card and license plates of the vehicle, the unused portion of the fees paid for each full month of the registration year remaining shall be applied against liability of the registrant for license fees due for motor vehicles added to the fleet during the remainder of the same registration year. If any such credit is less than fifteen dollars, no credit will be given. In no event is the amount subject to refund.) If any vehicle is withdrawn from a proportionally registered fleet during the period for which it is registered under this chapter, the registrant of the fleet shall notify the department on appropriate forms prescribed by the department. The department may require the registrant to surrender credentials that were issued to the vehicle. If a motor vehicle is permanently withdrawn from a proportionally registered fleet because it has been destroyed, sold, or otherwise completely removed from the service of the fleet registrant, the unused portion of the licensing fee paid under RCW 46.16.070 with respect to the vehicle reduced by one-twelfth for each calendar month and fraction thereof elapsing between the first day of the month of the current registration year in which the vehicle was registered and the date the notice of withdrawal, accompanied by such credentials as may be required, is received in the department, shall be credited to the fleet proportional registration account of the registrant. Credit shall be applied against the licensing fee liability for subsequent additions of motor vehicles to be proportionally registered in the fleet during such registration year or for additional licensing fees due under RCW 46.16.070 or to be due upon audit under section 44 of this act. If any credit is less than fifteen dollars, no credit will be entered. In lieu of credit, the registrant may choose to transfer the unused portion of the licensing fee for the motor vehicle to the new owner, in which case it shall remain with the motor vehicle for which it was originally paid. In no event may any amount be credited against fees other than those for the registration year from which the credit was obtained nor is any amount subject to refund.

Sec. 19. Section 4, chapter 380, Laws of 1985 and RCW 46.87.040 are each amended to read as follows:

Additional gross weight may be purchased for (apportionable) proportionally registered motor vehicles to the limits authorized under chapter 46.44 RCW. Reregistration at the higher gross weight (maximum gross weights under this chapter are forty thousand pounds for a solo three-axle truck or eighty thousand pounds for a combination) for the balance of the registration year, including the full registration month in which the vehicle is initially licensed at the higher gross weight. The apportionable or proportional fee initially paid to the state of Washington, reduced for the number of full registration months the license was in effect, will be deducted from the total fee to be paid to this state for licensing at the higher gross weight for the balance of the registration year. No credit or refund will be given for a reduction of gross weight.
Sec. 20. Section 5, chapter 380, Laws of 1985 and RCW 46.87.050 are each amended to read as follows:

Each day the department shall forward to the state treasurer the fees collected under this chapter, and within ten days of the end of each registration quarter, a detailed report identifying the amount to be deposited to each account for which fees are required for the licensing of ((apportionable)) proportionally registered vehicles. Such fees shall be deposited pursuant to RCW 46.68.035, 82.44.110, and 82.44.170.

Sec. 21. Section 6, chapter 380, Laws of 1985 and RCW 46.87.060 are each amended to read as follows:

The apportionment of fees to IRP member jurisdictions shall be in accordance with the provisions of the IRP agreement based on the apportionable fee multiplied by the ((mileage)) prorate percentage for each jurisdiction in which the fleet will ((operate)) be registered or is currently registered.

Sec. 22. Section 7, chapter 380, Laws of 1985 and RCW 46.87.070 are each amended to read as follows:

Any trailer, semitrailer, converter gear (auxiliary axles), or pole trailer being pulled by a motor vehicle that is ((apportioned)) proportionally registered under the terms of this chapter shall display a valid vehicle license plate issued by the base jurisdiction and be registered in this state.

Sec. 23. Section 8, chapter 380, Laws of 1985 and RCW 46.87.080 are each amended to read as follows:

(1) Upon making satisfactory application and payment of applicable fees and taxes for proportional registration under ((the-IRP)) this chapter, the department shall issue a cab card and validation tab for each vehicle, and to vehicles of Washington-based fleets, two distinctive apportionable license plates for each motor vehicle and one such plate for each trailer, semitrailer, pole trailer, or converter gear listed on the application. License plates shall be displayed on vehicles as required by RCW 46.16.240. The number and plate shall be of a design, size, and color determined by the department. The plates shall be treated with reflectorized material and clearly marked with the words "WASHINGTON" and "APPORTIONED," both words to appear in full and without abbreviation.

(2) The cab card serves as the certificate of registration for a proportionally registered vehicle. The face of the cab card shall contain the name and address of the registrant as contained in the records of the department, the license plate number assigned to the vehicle by the base jurisdiction, the vehicle identification number, and such other description of the vehicle and data as the department may require. The cab card shall be signed by the registrant, or a designated person if the registrant is a business firm, and shall at all times be carried in or on the vehicle to which it was issued. In the case of nonpowered vehicles, the cab card may be carried in or on the
vehicle supplying the motive power instead of in or on the nonpowered vehicle.

(3) The (vehicle) apportioned license plates are not transferrable from vehicle to vehicle and shall be used only on the vehicle to which they are assigned by the department for as long as they are legible or until such time as the department requires them to be removed and returned to the department.

(4) A distinctive validation tab (or-emblem) of a design, size, and color determined by the department shall be affixed to the apportioned license plate(s) as prescribed by the department to indicate the year for which the vehicle is registered. Foreign based vehicles proportionally registered in this state under the provisions of the Western Compact shall display the validation tab on a backing plate or as otherwise prescribed by the department.

(5) Renewals shall be effected by the issuance and display of such tab (or-emblem) after making satisfactory application and payment of applicable fees and taxes.

(6) Fleet vehicles so registered and identified shall be deemed to be fully licensed and registered in this state for any type of movement or operation. However, in those instances in which a grant of authority is required for interstate or intrastate movement or operation, no such vehicle may be operated in interstate or intrastate commerce in this state unless the owner has been granted interstate operating authority by the interstate commerce commission in the case of interstate operations or intrastate operating authority by the Washington utility and transportation commission in the case of intrastate operations and unless the vehicle is being operated in conformity with that authority.

(7) The department may issue temporary authorization permits (TAPs) to qualifying operators for the operation of vehicles pending issuance of license identification. A fee of one dollar plus a one dollar filing fee shall be collected for each permit issued. The permit fee shall be deposited in the motor vehicle fund, and the filing fee shall be deposited in the highway safety fund. The department may adopt rules for use and issuance of the permits.

(8) The department may refuse to issue any license or permit authorized by subsection (1) or (7) of this section to any person: (a) Who formerly held any type of license or permit issued by the department pursuant to chapter 46.16, 46.85, 46.87, 82.36, 82.37, or 82.38 RCW that has been revoked for cause, which cause has not been removed; or (b) who is a subterfuge for the real party in interest whose license or permit issued by the department pursuant to chapter 46.16, 46.85, 46.87, 82.36, 82.37, or 82.38 RCW and has been revoked for cause, which cause has not been removed; or (c) who, as an individual licensee, or officer, director, owner, or managing employee of a nonindividual licensee, has had a license or permit issued by
the department pursuant to chapter 46.16, 46.85, 46.87, 82.36, 82.37, or 
82.38 RCW which has been revoked for cause, which cause has not been 
removed; or (d) who has an unsatisfied debt to the state assessed under ei-
ther chapter 46.16, 46.85, 46.87, 82.36, 82.37, 82.38, or 82.44 RCW.

(9) The department may revoke the license or permit authorized by 
subsection (1) or (7) of this section issued to any person for any of the 
grounds constituting cause for denial of licenses or permits set forth in sub-
section (8) of this section.

(10) Before such refusal or revocation under subsection (8) or (9) of 
this section, the department shall grant the applicant a hearing and at least 
ten days written notice of the time and place of the hearing.

Sec. 24. Section 9, chapter 380, Laws of 1985 as amended by section 
24, chapter 18, Laws of 1986 and RCW 46.87.090 are each amended to 
read as follows:

(1) To replace ((a)) an apportioned vehicle license plate(s), cab card, 
or validation tab(s) due to ((the)) loss, defacement, or destruction ((of-the 
plates of an apportioned vehicle)), the ((owner)) registrant shall 
apply ((for new apportioned vehicle license plates)) to the department on 
((a)) forms furnished ((by-the-department)) for that purpose. The applica-
tion, together with ((the cab card of the vehicle)) proper payment and other 
documentation as indicated, shall be filed with the department((:)) as 
follows:

(a) Apportioned plate(s) - a fee of ten dollars shall be charged for ve-
hicles required to display two apportioned ((vehicle license)) plates or five 
dollars for vehicles required to display one apportioned ((vehicle license)) 
plate. The cab card of the vehicle for which a plate is requested shall ac-
company the application. The department shall issue a new apportioned 
((vehicle license)) plate(s) with validation tab(s) and a new cab card upon 
acceptance of the completed application form, old cab card, and the re-
quired replacement fee.

(b) Cab card - a fee of two dollars shall be charged for each card. If 
this is a duplicate cab card, it will be noted thereon.

(c) Validation tab(s) - a fee of two dollars shall be charged for each 
vehicle.

(2) If available, backing plates may be purchased from the department 
for a fee of two dollars each. These plates are used on vehicles registered 
under provisions of the Western Compact to display validation tabs issued 
by the prorate jurisdictions as evidence of proportional registration for each 
vehicle so registered.

(3) All fees collected under this section shall be deposited to the motor 
vehicle fund.

NEW SECTION. Sec. 25. (1) The initial application for proportional 
registration of a fleet shall state the mileage data with respect to the fleet 
for the preceding year in this and other jurisdictions. If no operations were
conducted with the fleet during the preceding year, the application shall contain a full statement of the proposed method of operation and estimates of annual mileage in each of the jurisdictions in which operation is contemplated. The registrant shall determine the in–jurisdiction and total miles to be used in computing the fees and taxes due for the fleet. The department may evaluate and adjust the estimate in the application if it is not satisfied as to its correctness.

(2) When the nonmotor vehicles of a fleet are operated in jurisdictions in addition to those in which the motor vehicles of the fleet are operated, or when the nonmotor vehicles of a fleet are operated with motor vehicles that are not part of the fleet, the registrant shall place such nonmotor vehicles in a separate fleet.

(3) When operations of a Washington–based fleet is materially changed through merger, acquisition, or extended authority, the registrant shall notify the department, which shall then require the filing of an amended application setting forth the proposed operation by use of estimated mileage for all jurisdictions. The department may adjust the estimated mileage by audit or otherwise to an actual travel basis to insure proper fee payment. The actual travel basis may be used for determination of fee payments until such time as a normal mileage year is available under the new operation. Under the provisions of the Western Compact, this subsection applies to any fleet proportionally registered in Washington irrespective of the fleet's base jurisdiction.

NEW SECTION. Sec. 26. In addition to all other fees prescribed for the proportional registration of vehicles under this chapter, the department shall collect a vehicle transaction fee each time a vehicle is added to a Washington based fleet, and each time the proportional registration of a Washington based vehicle is renewed. The transaction fee is also applicable to all foreign based vehicles for which this state calculates and assesses fees/taxes for the state of Washington. The exact amount of the vehicle transaction fee shall be fixed by rule but shall not exceed ten dollars. This fee shall be deposited in the motor vehicle fund.

NEW SECTION. Sec. 27. (1) Any owner engaged in interstate operations of one or more fleets of apportionable or commercial vehicles may, in lieu of registration of the vehicles under chapter 46.16 RCW, register and license the vehicles of each fleet under this chapter by filing a proportional registration application for each fleet with the department. The application shall contain the following information and such other information pertinent to vehicle registration as the department may require:

(a) A description and identification of each vehicle of the fleet. If the fleet contains both power units and nonpower units, the power units shall be listed first on the application, followed by the nonpower units. However, if the nonpower units are occasionally pulled by power units which are not part of this fleet, the nonpower units shall be placed in a separate fleet.
(b) If registering under the provisions of the IRP, the registrant shall also indicate member jurisdictions in which registration is desired and furnish such other information as those member jurisdictions require.

(c) An original or renewal application shall also be accompanied by a mileage schedule.

(2) Each application shall, at the time and in the manner required by the department, be supported by payment of a fee computed as follows:

(a) Divide the in-jurisdiction miles by the total miles and carry the answer to the nearest thousandth of a percent (three places beyond the decimal, e.g. 10.543%). This factor is known as the prorate percentage.

(b) Determine the total proratable fees and taxes required for each vehicle in the fleet for which registration is requested, based on the regular annual fees and taxes or applicable fees and taxes for the unexpired portion of the registration year under the laws of each jurisdiction for which fees or taxes are to be calculated. Applicable fees and taxes for vehicles of Washington based fleets are those prescribed under RCW 46.16.070, 46.16.085, 82.38.075, and 82.44.020, as applicable.

(c) Multiply the total, proratable fees or taxes for each vehicle by the prorate percentage applicable to the desired jurisdiction and round the results to the nearest cent.

(d) Add the total fees and taxes determined in subsection (2)(c) of this section for each vehicle to the nonproratable fees required under the laws of the jurisdiction for which fees are being calculated. Nonproratable fees required for vehicles of Washington-based fleets are the administrative fee required by RCW 82.38.075, if applicable, and the vehicle transaction fee pursuant to the provisions of section 26 of this act.

(e) Add the total fees and taxes determined in subsection (2)(d) of this section for each vehicle listed on the application. Assuming the fees and taxes calculated were for Washington, this would be the amount due and payable for the application under the provisions of the Western Compact. Under the provisions of the IRP, the amount due and payable for the application would be the sum of the fees and taxes referred to in subsection (2)(d) of this section, calculated for each member jurisdiction in which registration of the fleet is desired.

(3) All assessments for proportional registration fees are due and payable in United States funds on the date presented or mailed to the registrant at the address listed in the proportional registration records of the department. The registrant may petition for reassessment of the fees or taxes due under this section within thirty days of the date of original service as provided for in this chapter.

NEW SECTION. Sec. 28. Whenever a person has been required to pay a fee or tax pursuant to this chapter that amounts to an overpayment of five dollars or more, the person is entitled to a refund of the entire amount
of such overpayment, regardless of whether or not a refund of the overpayment has been requested. Nothing in this subsection precludes anyone from applying for a refund of such overpayment if the overpayment is less than five dollars. Conversely, if the department or its agents has failed to charge and collect the full amount of fees or taxes pursuant to this chapter, which underpayment is in the amount of five dollars or more, the department shall charge and collect such additional amount as will constitute full payment of the fees and taxes due.

NEW SECTION, Sec. 29. (1) Washington-based fleets may pay Washington proportional registration licensing fees on a quarterly basis at the option of the registrant, if the following criteria are met and maintained:
   
   (a) The fleet has a Washington prorate percentage of sixty percent or more;
   
   (b) The fleet contains a minimum of three motor vehicles;
   
   (c) All motor vehicles in the fleet are licensed in Washington for at least sixty-eight thousand pounds combined gross weight.

   (2) Quarterly licensing is based on calendar quarters and expires at midnight on the last day of each quarter: March 31st, June 30th, September 30th, and December 31st. It shall be renewed each quarter for each motor vehicle in the fleet that has not been permanently removed from the fleet.

   (3) Quarterly licensing renewal fees shall be paid before the beginning of the quarter for which the fees are due. No letters of authority may be issued in the case of late renewals.

   (4) Failure to comply with the requirements of this section is cause for suspension or cancellation of the registrant's quarterly licensing privileges. Upon cancellation of these privileges, licensing fees for the remainder of the registration year become immediately due and payable for all motor vehicles in the fleet.

   (5) In addition to the quarterly licensing fee due for each motor vehicle in the fleet each quarter, the department shall collect a fee of two dollars. This fee shall be deposited in the motor vehicle fund.

NEW SECTION, Sec. 30. If the department determines that a Washington-based carrier has proportionally registered a fleet in this state under provisions of the Western Compact and this chapter and has not fully or proportionally registered the fleet in another member jurisdiction(s) after indicating their intent to do so in their application to this state, the mileage traveled in such jurisdiction(s) shall be added to the Washington in-jurisdiction miles. The department shall then recalculate the carrier's Washington prorate percentage and shall assess and bill the registrant for the additional fees and taxes due the state of Washington.
NEW SECTION, Sec. 31. The privileges and benefits of proportional registration of fleet vehicles extended by this chapter, or by any contract, agreement, arrangement, or declaration made under the authority of chapter 46.85 RCW or this chapter are subject to the conditions that:

(1) Each vehicle of the fleet proportionally registered under the authority of this chapter is also fully or proportionally registered in at least one other jurisdiction during the period for which it is proportionally registered in this state; and

(2) A fleet consists of the same vehicles in each jurisdiction in which the fleet is proportionally registered.

NEW SECTION, Sec. 32. The department may suspend or cancel the exemptions, benefits, or privileges granted under chapter 46.85 RCW or this chapter to any person or business firm who violates any of the conditions or terms of the IRP, Western Compact, or declarations, or who violates the laws of this state relating to the operation or registration of vehicles or rules lawfully adopted thereunder.

NEW SECTION, Sec. 33. The department may refuse registration of a vehicle if the applicant has failed to furnish proof, acceptable to the department, that the federal heavy vehicle use tax imposed by section 4481 of the internal revenue code of 1954 has been suspended or paid. The department may adopt rules as deemed necessary to administer this section.

NEW SECTION, Sec. 34. The department may refuse to accept proportional registration applications for the registration of vehicles based in another jurisdiction if the department finds that the other jurisdiction does not grant similar registration privileges to fleet vehicles based in or owned by residents of this state.

NEW SECTION, Sec. 35. The gross weight in the case of a motor truck, tractor, or truck tractor is the scale weight of the motor truck, tractor, or truck tractor, plus the scale weight of any trailer, semitrailer, converter gear, or pole trailer to be towed by it, to which shall be added the weight of the maximum load to be carried on it or towed by it as set forth by the licensee in the application providing it does not exceed the weight limitations prescribed by chapter 46.44 RCW.

The gross weight in the case of a bus, auto stage, or for hire vehicle, except a taxicab, with a seating capacity over six, is the scale weight of the bus, auto stage, or for hire vehicle plus the seating capacity, including the operator's seat, computed at one hundred and fifty pounds per seat.

If the resultant gross weight, according to this section, is not listed in RCW 46.16.070, it will be increased to the next higher gross weight so listed pursuant to chapter 46.44 RCW.

A motor vehicle or combination of vehicles found to be loaded beyond the licensed gross weight of the motor vehicle registered under this chapter shall be cited and handled under RCW 46.16.140 and 46.16.145.
NEW SECTION. Sec. 36. Whenever an act or omission is declared to be unlawful under chapter 46.12, 46.16, or 46.44 RCW or this chapter, and if the operator of the vehicle is not the owner or lessee of the vehicle but is so operating or moving the vehicle with the express or implied permission of the owner or lessee, then the operator and the owner or lessee are both subject to this chapter, with the primary responsibility to be that of the owner or lessee.

If the person operating the vehicle at the time of the unlawful act or omission is not the owner or the lessee of the vehicle, that person is fully authorized to accept the citation or notice of infraction and execute the promise to appear on behalf of the owner or lessee.

NEW SECTION. Sec. 37. Under the provisions of the IRP, the department may act in a quasi-agency relationship with other jurisdictions. The department may collect and forward applicable registration fees and taxes and applications to other jurisdictions on behalf of the applicant or another jurisdiction and may take other action that facilitates the administration of the plan.

NEW SECTION. Sec. 38. This chapter constitutes complete authority for the registration of fleet vehicles upon a proportional registration basis without reference to or application of any other statutes of this state except as expressly provided in this chapter.

NEW SECTION. Sec. 39. Any person who alters or forges or causes to be altered or forged any cab card, letter of authority, or other temporary authority issued by the department under this chapter or holds or uses a cab card, letter of authority, or other temporary authority, knowing the document to have been altered or forged, is guilty of a felony.

NEW SECTION. Sec. 40. Every motor vehicle registered under this chapter shall have the maximum gross weight or maximum combined gross weight for which the vehicle is licensed in this state, painted or stenciled in letters or numbers of contrasting color not less than two inches in height in a conspicuous place on the right and left sides of the vehicle. It is unlawful for the owner or operator of any motor vehicle to display a maximum gross weight or maximum combined gross weight other than that shown on the current cab card of the vehicle.

NEW SECTION. Sec. 41. Nothing contained in this chapter relating to proportional registration of fleet vehicles requires any vehicle to be proportionally registered if it is otherwise registered for operation on the highways of this state.

NEW SECTION. Sec. 42. If the director or the director's designee determines at any time that an applicant for proportional registration of a vehicle or a fleet of vehicles is not entitled to a cab card for a vehicle or fleet of vehicles, the director may refuse to issue the cab card(s) or to license the vehicle or fleet of vehicles and may for like reason, after notice, and in the
exercise of discretion, cancel the cab card(s) and license plate(s) already issued. The notice shall be served personally or sent by certified mail (registered mail for Canadian addresses), return receipt requested. If sent by mail, service is deemed to have been accomplished on the date the notice was deposited in the United States mail, postage prepaid, addressed to the owner of the vehicle in question at the owner's address as it appears in the proportional registration records of the department. It is then unlawful for any person to remove, drive, or operate the vehicle(s) until a proper certificate(s) of registration or cab card(s) has been issued. Any person removing, driving, or operating the vehicle(s) after the refusal of the director or the director's designee to issue a cab card(s), certificate(s) of registration, license plate(s), or the revocation thereof is guilty of a gross misdemeanor. At the discretion of the director or the director's designee, a vehicle that has been moved, driven, or operated in violation of this section may be impounded by the Washington state patrol, county sheriff, or city police in a manner directed for such cases by the chief of the Washington state patrol until proper registration and license plate have been issued.

NEW SECTION. Sec. 43. The suspension, revocation, cancellation, or refusal by the director, or the director's designee, of a license plate(s), certificate(s) of registration, or cab card(s) provided for in this chapter is conclusive unless the person whose license plate(s), certificate(s) of registration, or cab card(s) is suspended, revoked, canceled, or refused appeals to the superior court of Thurston county, or at the person's option if a resident of Washington, to the superior court of his or her county of residence, for the purpose of having the suspension, revocation, cancellation, or refusal of the license plate(s), certificate(s) of registration, or cab card(s) set aside. Notice of appeal shall be filed within ten calendar days after service of the notice of suspension, revocation, cancellation, or refusal. Upon the filing of the appeal, the court shall issue an order to the director to show cause why the license(s) should not be granted or reinstated. The director shall respond to the order within ten days after the date of service of the order upon the director. Service shall be in the manner prescribed for service of summons and complaint in other civil actions. Upon the hearing on the order to show cause, the court shall hear evidence concerning matters related to the suspension, revocation, cancellation, or refusal of the license plate(s), certificate(s) of registration, or cab card(s) and shall enter judgment either affirming or setting aside the suspension, revocation, cancellation, or refusal.

NEW SECTION. Sec. 44. Any owner whose application for proportional registration has been accepted shall preserve the records on which the application is based for a period of four years following the preceding year or period upon which the application is based. These records shall be complete and shall include, but not be limited to, the following: Copies of proportional registration applications and supplements for all jurisdictions in which the fleet is prorated; proof of proportional or full registration with
other jurisdictions; vehicle license or trip permits; temporary authorization permits; documents establishing the latest purchase year and cost of each fleet vehicle in ready-for-the-road condition; weight certificates indicating the unladen, ready-for-the-road, weight of each vehicle in the fleet; periodic summaries of mileage by fleet and by individual vehicles; individual trip reports, driver’s daily logs, or other source documents maintained for each individual trip that provide trip dates, points of origin and destinations, total miles traveled, miles traveled in each jurisdiction, routes traveled, vehicle equipment number, driver’s full name, and all other information pertinent to each trip. Upon request of the department, the owner shall make the records available to the department at its designated office for audit as to accuracy of records, computations, and payments. The department shall assess and collect any unpaid fees and taxes found to be due the state and provide credits or refunds for overpayments of Washington fees and taxes as determined in accordance with formulas and other requirements prescribed in this chapter. If the owner fails to maintain complete records as required by this section, the department shall attempt to reconstruct or reestablish such records. However, if the department is unable to do so and the missing or incomplete records involve mileages accrued by vehicles while they are part of the fleet, the department may assess an amount not to exceed the difference between the Washington proportional fees and taxes paid and one hundred percent of the fees and taxes. Further, if the owner fails to maintain complete records as required by this section, or if the department determines that the owner should have registered more vehicles in this state under this chapter, the department may deny the owner the right of any further benefits provided by this chapter until any final audit or assessment made under this chapter has been satisfied.

The department may audit the records of any owner and may make arrangements with agencies of other jurisdictions administering motor vehicle registration laws for joint audits of any such owner. No assessment for deficiency or claim for credit may be made for any period for which records are no longer required. Any fees, taxes, penalties, or interest found to be due and owing the state upon audit shall bear interest at twelve percent per annum from the date on which the deficiency is incurred until the date of payment. If the audit discloses a deliberate and willful intent to evade the requirements of payment under section 27 of this act, a penalty of ten percent shall also be assessed.

If the audit discloses that an overpayment to the state in excess of five dollars has been made, the department shall certify the overpayment to the state treasurer who shall issue a warrant for the overpayment to the vehicle operator. Overpayments shall bear interest at the rate of eight percent per annum from the date on which the overpayment is incurred until the date of payment.
NEW SECTION. Sec. 45. The department may initiate and conduct audits and investigations as may be reasonably necessary to establish the existence of any alleged violations of or noncompliance with this chapter or any rules adopted under it.

For the purpose of any audit, investigation, or proceeding under this chapter the director or any designee of the director may administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require the production of any books, paper, correspondence, memoranda, agreements, or other documents or records that the department deems relevant or material to the inquiry.

In case of contumacy or refusal to obey a subpoena issued to any person, any court of competent jurisdiction upon application by the department, may issue an order requiring that person to appear before the director or the officer designated by the director to produce testimony or other evidence touching the matter under audit, investigation, or in question. Failure to obey an order of the court may be punishable by contempt.

NEW SECTION. Sec. 46. An owner of proportionally registered vehicles against whom an assessment is made under section 27 or 44 of this act may petition for reassessment thereof within thirty days after service of notice of the assessment upon the owner of the proportionally registered vehicles. If the petition is not filed within the thirty-day period, the amount of the assessment becomes final at the expiration of that time period.

If a petition for reassessment is filed within the thirty-day period, the department shall reconsider the assessment and, if the petitioner has so requested in the petition, shall grant the petitioner an oral hearing and give the petitioner ten days notice of the time and place of the hearing. The department may continue the hearing from time to time. The decision of the department upon a petition for reassessment becomes final thirty days after service upon the petitioner of notice of the decision.

Every assessment made under this chapter becomes due and payable at the time it is served on the owner. If the assessment is not paid in full when it becomes final, the department shall add a penalty of ten percent of the amount of the assessment.

Any notice of assessment, reassessment, oral hearing, or decision required by this section shall be served personally or by mail. If served by mail, service is deemed to have been accomplished on the date the notice was deposited in the United States mail, postage prepaid, addressed to the owner of the proportionally registered vehicles at the owner's address as it appears in the proportional registration records of the department.

No injunction or writ of mandate or other legal or equitable process may be issued in any suit, action, or proceeding in any court against any officer of the state to prevent or enjoin the collection under this chapter of any fee or tax or any amount of fee or tax required to be collected, except as specifically provided for in chapter 34.04 RCW.

[ 912 ]
NEW SECTION. Sec. 47. If an owner of proportionally registered vehicles liable for the remittance of fees and taxes imposed by this chapter for which an assessment has become final fails to pay the fees and taxes, the amount thereof, including any interest, penalty, or addition to the fees and taxes together with any additional costs that may accrue, constitutes a lien in favor of the state upon all franchises, property, and rights to property, whether the property is employed by the person for personal or business use or is in the hands of a trustee, receiver, or assignee for the benefit of creditors, from the date the fees and taxes were due and payable until the amount of the lien is paid or the property is sold to pay the lien. The lien has priority over any lien or encumbrance whatsoever, except the lien of other state taxes having priority by law, and except that the lien is not valid as against any bona fide mortgagee, pledgee, judgment creditor, or purchaser whose rights have attached before the time the department has filed and recorded notice of the lien as provided in this chapter.

In order to avail itself of the lien created by this section, the department shall file with any county auditor a statement of claim and lien specifying the amount of delinquent fees and taxes, penalties, and interest claimed by the department. From the time of filing for record, the amount required to be paid constitutes a lien upon all franchises, property, and rights to property, whether real or personal, then belonging to or thereafter acquired by the person in the county. Any lien as provided in this section may also be filed in the office of the secretary of state. Filing in the office of the secretary of state is of no effect, however, until the lien or a copy of it has been filed with the county auditor in the county where the property is located. When a lien is filed in compliance with this section and with the secretary of state, the filing has the same effect as if the lien had been duly filed for record in the office of each county auditor of this state.

NEW SECTION. Sec. 48. If an owner of proportionally registered vehicles for which an assessment has become final is delinquent in the payment of an obligation imposed under this chapter, the department may give notice of the amount of the delinquency by registered or certified mail to all persons having in their possession or under their control any credits or other personal property belonging to the vehicle owner or owing any debts to the owner, at the time of the receipt by them of the notice. Thereafter, a person so notified shall neither transfer nor make other disposition of those credits, personal property, or debts until the department consents to a transfer or other disposition. A person so notified shall, within twenty days after receipt of the notice, advise the department of any and all such credits, personal property, or debts in their possession, under their control or owing by them, as the case may be, and shall forthwith deliver such credits, personal property, or debts to the department or its duly authorized representative to be applied to the indebtedness involved.
If a person fails to answer the notice within the time prescribed by this section, it is lawful for the court upon application of the department and after the time to answer the notice has expired, to render judgment by default against the person for the full amount claimed by the department in the notice to withhold and deliver, together with costs.

NEW SECTION. Sec. 49. Whenever the owner of proportionally registered vehicles is delinquent in the payment of an obligation imposed under this chapter, and the delinquency continues after notice and demand for payment by the department, the department may proceed to collect the amount due from the owner in the following manner: The department shall seize any property subject to the lien of the fees, taxes, penalties, and interest and sell it at public auction to pay the obligation and any and all costs that may have been incurred because of the seizure and sale. Notice of the intended sale and its time and place shall be given to the delinquent owner and to all persons appearing of record to have an interest in the property. The notice shall be given in writing at least ten days before the date set for the sale by registered or certified mail addressed to the owner as appearing in the proportional registration records of the department and, in the case of any person appearing of record to have an interest in such property, addressed to that person at their last known residence or place of business. In addition, the notice shall be published at least ten days before the date set for the sale in a newspaper of general circulation published in the county in which the property seized is to be sold. If there is no newspaper in the county, the notice shall be posted in three public places in the county for a period of ten days. The notice shall contain a description of the property to be sold, a statement of the amount due under this chapter, the name of the owner of the proportionally registered vehicles, and the further statement that unless the amount due is paid on or before the time fixed in the notice the property will be sold in accordance with law.

The department shall then proceed to sell the property in accordance with law and the notice, and shall deliver to the purchaser a bill of sale or deed that vests title in the purchaser. If upon any such sale the moneys received exceed the amount due to the state under this chapter from the delinquent owner, the excess shall be returned to the delinquent owner and his receipt obtained for it. The department may withhold payment of the excess to the delinquent owner if a person having an interest in or lien upon the property has filed with the department their notice of the lien or interest before the sale, pending determination of the rights of the respective parties thereto by a court of competent jurisdiction. If for any reason the receipt of the delinquent owner is not available, the department shall deposit the excess with the state treasurer as trustee for the delinquent owner.

NEW SECTION. Sec. 50. Whenever any assessment has become final in accordance with this chapter, the department may file with the clerk of
any county within this state a warrant in the amount of fees, taxes, penalties, interest, and a filing fee of five dollars. The clerk of the county in which the warrant is filed shall immediately designate a superior court cause number for the warrant, and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant the name of the delinquent owner of proportionally registered vehicles mentioned in the warrant, the amount of the fees, taxes, penalties, interest, and filing fee, and the date when the warrant was filed. The aggregate amount of the warrant as docketed constitutes a lien upon the title to, and interest in, all real and personal property of the named person against whom the warrant is issued, the same as a judgment in a civil case duly docketed in the office of the clerk. A warrant so docketed is sufficient to support the issuance of writs of execution and writs of garnishment in favor of the state in the manner provided by law in the case of civil judgment wholly or partially unsatisfied. The clerk of the court is entitled to a filing fee of five dollars, which shall be added to the amount of the warrant.

NEW SECTION. Sec. 51. Whenever an owner of proportionally registered vehicles is delinquent in the payment of an obligation under this chapter the department may transmit notices of the delinquency to the attorney general who shall at once proceed to collect by appropriate legal action the amount due the state from the delinquent owner.

In a suit brought to enforce the rights of the state under this chapter, a certificate by the department showing the delinquency is prima facie evidence of the amount of the obligation, of the delinquency thereof, and of compliance by the department with all provisions of this chapter relating to the obligation.

NEW SECTION. Sec. 52. The remedies of the state in this chapter are cumulative, and no action taken by the department may be construed to be an election on the part of the state or any of its officers to pursue any remedy under this chapter to the exclusion of any other remedy provided for in this chapter.

NEW SECTION. Sec. 53. (1) The director, the state of Washington, and its political subdivisions are immune from civil liability arising from the issuance of a vehicle license to a nonroadworthy vehicle.

(2) No suit or action may be commenced or prosecuted against the director or the state of Washington by reason of any act done or omitted to be done in the administration of the duties and responsibilities imposed upon the director under this chapter.

NEW SECTION. Sec. 54. This chapter may be known and cited as "Proportional Registration."

CHAPTER 245
[Substitute House Bill No. 198]
RETAIL SALES TAX FUNDS HELD IN TRUST—TAX LIABILITY

AN ACT Relating to the collection of retail sales taxes held in trust; adding a new section to chapter 82.32 RCW; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 82.32 RCW to read as follows:

(1) Upon termination, dissolution, or abandonment of a corporate business, any officer or other person having control or supervision of retail sales tax funds collected and held in trust under RCW 82.08.050, or who is charged with the responsibility for the filing of returns or the payment of retail sales tax funds collected and held in trust under RCW 82.08.050, shall be personally liable for any unpaid taxes and interest and penalties on those taxes, if such officer or other person willfully fails to pay or to cause to be paid any taxes due from the corporation pursuant to chapter 82.08 RCW. For the purposes of this section, any retail sales taxes that have been
paid but not collected shall be deductible from the retail sales taxes collected but not paid.

For purposes of this subsection "wilfully fails to pay or to cause to be paid" means that the failure was the result of an intentional, conscious, and voluntary course of action.

(2) The officer or other person shall be liable only for taxes collected which became due during the period he or she had the control, supervision, responsibility, or duty to act for the corporation described in subsection (1) of this section, plus interest and penalties on those taxes.

(3) Persons liable under subsection (1) of this section are exempt from liability in situations where nonpayment of the retail sales tax funds held in trust is due to reasons beyond their control as determined by the department by rule.

(4) Any person having been issued a notice of assessment under this section is entitled to the appeal procedures under RCW 82.32.160, 82.32.170, 82.32.180, 82.32.190, and 82.32.200.

(5) This section applies only in situations where the department has determined that there is no reasonable means of collecting the retail sales tax funds held in trust directly from the corporation.

(6) This section does not relieve the corporation of other tax liabilities or otherwise impair other tax collection remedies afforded by law.

(7) Collection authority and procedures prescribed in this chapter apply to collections under this section.

NEW SECTION. Sec. 2. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

CHAPTER 246
[Senate Bill No. 5444]
FEDERAL RESERVE SYSTEM CHALLENGED—REFERENDUM BILL 41

AN ACT Relating to the federal reserve system; creating new sections; and providing for submission of this act to a vote of the people.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. (1) A sound money system is absolutely vital to a free people. Symptoms of an unsound money system abound: Budget deficits, recurring recession cycles, farm foreclosures, business bankruptcies, bank, savings and loan, and insurance company failures, trade deficits, and
dramatic fluctuations in interest rates, inflation levels, and unemployment statistics. These represent a clear and present danger to the people and to the government of the state of Washington and the United States of America.

(2) The Federal Reserve Act of 1913, and other acts of Congress, purport to delegate the nation's monetary authority to the Federal Reserve System, with no oversight or control by any elected body or official. The Federal Reserve Board is assumed to have the power to create money and thus exercise absolute control over the economic activity of this nation, whereas the United States Constitution nowhere authorizes Congress to delegate such power.

(3) The Federal Reserve Act of 1913, and other acts of Congress, purport to delegate authority, without oversight or control, under which large, private United States multinational banks have made unrestricted loans all over the world which, now in danger of default, threaten the United States of America with a collapse of its whole banking structure.

NEW SECTION. Sec. 2. It is hereby the declared intent of the state of Washington, and the counsel appointed by the legislature is hereby directed, to cause to be filed in the original jurisdiction of the supreme court of the United States: (1) An action challenging the constitutionality of the delegation to the federal reserve system of the power to create money, and thus the power to exercise absolute control over the economic activity of this nation, and (2) an action challenging the delegation of authority without oversight, under which large, private multinational banks have made unrestricted foreign loans which, if they default, threaten the United States of America with a collapse of its whole banking structure.

NEW SECTION. Sec. 3. This act shall be submitted to the people for their adoption and ratification, or rejection, at the next succeeding general election to be held in this state, in accordance with Article II, section 1 of the state Constitution, as amended, and the laws adopted to facilitate the operation thereof.

Passed the Senate March 2, 1987.
Filed in Office of Secretary of State April 24, 1987.

CHAPTER 247
[House Bill No. 663]
IGNITION INTERLOCK BREATH ALCOHOL DEVICES

AN ACT Relating to breath alcohol testing; amending RCW 46.63.020; adding new sections to chapter 46.20 RCW; and prescribing penalties.

Be it enacted by the Legislature of the State of Washington:
NEW SECTION. Sec. 1. A new section is added to chapter 46.20 RCW to read as follows:

The legislature finds and declares:

(1) There is a need to reduce the incidence of drivers on the highways and roads of this state who, because of their use, consumption, or possession of alcohol, pose a danger to the health and safety of other drivers;

(2) One method of dealing with the problem of drinking drivers is to discourage the use of motor vehicles by persons who possess or have consumed alcoholic beverages;

(3) The installation of an ignition interlock breath alcohol device will provide a means of deterring the use of motor vehicles by persons who have consumed alcoholic beverages;

(4) Ignition interlock devices are designed to supplement other methods of punishment that prevent drivers from using a motor vehicle after using, possessing, or consuming alcohol;

(5) It is economically and technically feasible to have an ignition interlock device installed in a motor vehicle in such a manner that the vehicle will not start if the operator has recently consumed alcohol.

NEW SECTION. Sec. 2. A new section is added to chapter 46.20 RCW to read as follows:

The court may order any person convicted of any offense involving the use, consumption, or possession of alcohol while operating a motor vehicle to drive only a motor vehicle equipped with a functioning ignition interlock device, and the restriction shall be for a period of not less than six months.

The court shall establish a specific calibration setting at which the ignition interlock device will prevent the motor vehicle from being started and the period of time that the person shall be subject to the restriction.

For purposes of this section, "convicted" means being found guilty of an offense or being placed on a deferred prosecution program under chapter 10.05 RCW.

NEW SECTION. Sec. 3. A new section is added to chapter 46.20 RCW to read as follows:

For the purposes of sections 2, 4, and 5 of this act, "ignition interlock device" means breath alcohol analyzed ignition equipment, certified by the state commission on equipment, designed to prevent a motor vehicle from being operated by a person who has consumed an alcoholic beverage. The commission shall by rule provide standards for the certification, installation, repair, and removal of the devices.

NEW SECTION. Sec. 4. A new section is added to chapter 46.20 RCW to read as follows:

The department shall attach or imprint a notation on the driver's license of any person restricted under section 2 of this act stating that the
person may operate only a motor vehicle equipped with an ignition interlock
device.

**NEW SECTION.** Sec. 5. A new section is added to chapter 46.20
RCW to read as follows:

A person who knowingly assists another person who is restricted to the
use of an ignition interlock device to start and operate that vehicle in viola-
tion of a court order is guilty of a gross misdemeanor.

The provisions of this section do not apply if the starting of a motor
vehicle, or the request to start a motor vehicle, equipped with an ignition
interlock device is done for the purpose of safety or mechanical repair of the
device or the vehicle and the person subject to the court order does not op-
erate the vehicle.

Sec. 6. Section 3, chapter 186, Laws of 1986 and RCW 46.63.020 are
each amended to read as follows:

Failure to perform any act required or the performance of any act
prohibited by this title or an equivalent administrative regulation or local
law, ordinance, regulation, or resolution relating to traffic including parking,
standing, stopping, and pedestrian offenses, is designated as a traffic infrac-
tion and may not be classified as a criminal offense, except for an offense
contained in the following provisions of this title or a violation of an equiva-
 lent administrative regulation or local law, ordinance, regulation, or
resolution:

1. RCW 46.09.120(2) relating to the operation of a nonhighway ve-
   hicle while under the influence of intoxicating liquor or a controlled
   substance;

2. RCW 46.09.130 relating to operation of nonhighway vehicles;

3. RCW 46.10.090(2) relating to the operation of a snowmobile while
   under the influence of intoxicating liquor or narcotics or habit-formation
   drugs or in a manner endangering the person of another;

(4) "Owner" means (a) every natural person, firm, partnership, corporation, association, trust, estate, or organization, or agent thereof with actual or apparent authority, who expressly or impliedly contracts for use of airport property for landing, parking, or hangaring aircraft, and (b) includes the registered owner or owners and lienholders of record with the federal aviation administration.

NEW SECTION. Sec. 2. A new section is added to chapter 14.08 RCW to read as follows:

An airport operator may adopt all regulations necessary for rental and use of airport facilities and for the expeditious collection of airport charges. The regulations may also establish procedures for the enforcement of these regulations by the airport operator. The regulations shall include the following:

(1) Procedures authorizing airport personnel to take reasonable measures including, but not limited to, the use of chains, ropes, and locks to secure aircraft within the airport facility so that the aircraft are in the possession and control of the airport operator and cannot be removed from the airport. These procedures may be used if an owner hangaring or parking an aircraft at the airport fails to pay the airport charges owed and the account is at least sixty days delinquent. At the time of securing the aircraft, an authorized airport employee shall attach to the aircraft a readily visible notice and shall send a copy of the notice to the owner at his or her last known address by registered mail, return receipt requested, and a copy of the notice by first class mail. The notice shall be of a reasonable size and shall contain the following information:

(a) The date and time the notice was attached;
(b) A reasonable description of the aircraft;
(c) The identity of the authorized employee;
(d) The amount of airport charges owing;
(e) A statement that if the account is not paid in full within one hundred eighty days from the time the notice was attached the aircraft may be sold at public auction to satisfy the airport charges;
(f) The time and place of sale;

(g) A statement of the owner's right to commence legal proceedings to contest the charges owing and to have the aircraft released upon posting of an adequate cash bond or other security; and

(h) The address and telephone number where additional information may be obtained concerning the release of the aircraft.

(2) Procedures authorizing airport personnel at their discretion to place aircraft in an area within the airport operator's control for storage with private persons under the airport operator's control as bailees of the airport facility. Reasonable cost of any such procedure shall be paid by the aircraft's owner.

(3) If an aircraft is moved under conditions authorized under this section the owner who is obligated for hangaring or parking or other airport charges may regain possession of the aircraft by:

(a) Making arrangements satisfactory with the airport operator for the immediate removal of the aircraft from the airport's hangar, or making arrangements for authorized parking; and

(b) By making payment to the operator of all airport charges or by posting with the operator a sufficient cash bond or other security acceptable to such operator, to be held in trust by the operator pending written agreement of the parties with respect to payment by the aircraft owner of the amount owing, or pending resolution of charges in a civil action in a court of competent jurisdiction, the trust shall terminate and the airport operator shall receive so much of the bond or other security as is necessary to satisfy any judgment, costs, and interest as may be awarded to the airport operator. The balance shall be refunded immediately to the owner at the owner's last known address by registered mail, return receipt requested. The airport operator shall send to the owner by first class mail a notice that the balance of funds was forwarded to him or her by registered mail, return receipt requested.

(4) If an aircraft parked or hangared at an airport is abandoned, the airport operator may authorize the public sale of the aircraft by authorized personnel to the highest and best bidder for cash as follows:

(a) If an aircraft has been secured by the airport operator under subsection (1) of this section and is not released to the owner under the bonding provisions of this section within one hundred eighty days after notifying the owner under subsection (1) of this section, or in all other cases, for one hundred eighty days after the operator secures the aircraft, the aircraft shall be conclusively presumed to have been abandoned by the owner;

(b) Before the aircraft is sold, the owner of the aircraft shall be given at least twenty days' notice of sale by registered mail, return receipt requested and the notice of sale shall be published at least once, more than
ten but less than twenty days before the sale, in a newspaper of general cir-
culation in the county in which the airport is located. The notice shall in-
clude the name of the aircraft, if any, its aircraft identification number, the
last known owner and address, the time and place of sale, the amount of
airport charges that will be owing at the time of sale, a reasonable descrip-
tion of the aircraft to be sold and that the airport operator may bid all or
part of its airport charges at the sale and may become a purchaser at the
sale;

(c) The proceeds of a sale under this section shall first be applied to
payment of airport charges owed. The balance, if any, shall be deposited
with the department of revenue to be held in trust for the owner or owners
and lienholders for a period of one year. If more than one owner appears on
the aircraft title, and/or if any liens appear on the title, the department
must, if a claim is made, interplead the balance into a court of competent
jurisdiction for distribution. The department may release the balance to the
legal owner provided that the claim is made within one year of sale and only
one legal owner and no lienholders appear on the title. If no valid claim is
made within one year of the date of sale, the excess funds from the sale
shall be deposited in the aircraft search and rescue, safety, and education
account created in RCW 47.68.236. If the sale is for a sum less than the
applicable airport charges, the airport operator is entitled to assert a claim
against the aircraft owner or owners for the deficiency.

(5) The regulations authorized under this section shall be enforceable
only if:

(a) The airport operator has had its tariff and/or regulations, including
any and all regulations authorizing the impoundment of an aircraft that is
the subject of delinquent airport charges, conspicuously posted at the air-
port manager's office.

(b) All impounding remedies available to the airport operator are in-
cluded in any written contract for airport charges between an airport oper-
ator and an aircraft owner; and

(6) All rules and regulations authorized under this section are adopted
either pursuant to chapter 34.04 RCW, or by resolution of the appropriate
legislative authority, as applicable.

Sec. 3. Section 1, chapter 182, Laws of 1945 and RCW 14.08.010 are
each amended to read as follows:

(1) For the purpose of this chapter, unless herein specifically otherwise
provided, the definitions of words, terms and phrases appearing in the state
aeronautic department act of this state are hereby adopted.

(2) As used in this chapter, unless the context otherwise requires:
"Municipality" means any county, city, town, airport district, or port dis-
trict of this state; "airport purposes" means and includes airport, restricted
landing area and other air navigation facility purposes.
Sec. 4. Section 11, chapter 182, Laws of 1945 as last amended by section 7, chapter 7, Laws of 1984 and RCW 14.08.200 are each amended to read as follows:

(1) All powers, rights, and authority granted to any municipality in this chapter may be exercised and enjoyed by two or more municipalities, or by this state and one or more municipalities therein, acting jointly, either within or outside the territorial limits of either or any of the municipalities and within or outside this state, or by this state or any municipality therein acting jointly with any other state or municipality therein, either within or outside this state if the laws of the other state permit such joint action.

(2) For the purposes of this section only, unless another intention clearly appears or the context requires otherwise, this state is included in the term "municipality," and all the powers conferred upon municipalities in this chapter, if not otherwise conferred by law, are conferred upon this state when acting jointly with any municipality or municipalities. Where reference is made to the "governing body" of a municipality, that term means, as to the state, its secretary of transportation.

(3) Any two or more municipalities may enter into agreements with each other, duly authorized by ordinances or resolution, as may be appropriate, for joint action under this section. Concurrent action by the governing bodies of the municipalities involved constitutes joint action.

(4) Each such agreement shall specify its terms; the proportionate interest which each municipality shall have in the property, facilities, and privileges involved, and the proportion of preliminary costs, cost of acquisition, establishment, construction, enlargement, improvement, and equipment, and of expenses of maintenance, operation, and regulation to be borne by each, and make such other provisions as may be necessary to carry out the provisions of this section. It shall provide for amendments thereof and for conditions and methods of termination; for the disposition of all or any part of the property, facilities, and privileges jointly owned if the property, facilities, and privileges, or any part thereof, cease to be used for the purposes provided in this section or if the agreement is terminated, and for the distribution of the proceeds received upon any such disposition, and of any funds or other property jointly owned and undisposed of, and the assumption or payment of any indebtedness arising from the joint venture which remains unpaid, upon any such disposition or upon a termination of the agreement.

(5) Municipalities acting jointly as authorized in this section shall create a board from the inhabitants of the municipalities for the purpose of acquiring property for, establishing, constructing, enlarging, improving, maintaining, equipping, operating, and regulating the airports and other air navigation facilities and airport protection privileges to be jointly acquired, controlled, and operated. The board shall consist of members to be appointed by the governing body of each municipality involved, the number to be
appointed by each to be provided for by the agreement for the joint venture. Each member shall serve for such time and upon such terms as to compensation, if any, as may be provided for in the agreement.

(6) Each such board shall organize, select officers for terms to be fixed by the agreement, and adopt and from time to time amend rules of procedure.

(7) Such board may exercise, on behalf of the municipalities acting jointly by which it is appointed, all the powers of each of the municipalities granted by this chapter, except as provided in this section. Real property, airports, restricted landing areas, air protection privileges, or personal property costing in excess of a sum to be fixed by the joint agreement, may be acquired, and condemnation proceedings may be instituted, only by approval of the governing bodies of each of the municipalities involved. Upon the approval of the governing body, or if no approval is necessary then upon the board’s own determination, such property may be acquired by private negotiation under such terms and conditions as seem just and proper to the board. The total amount of expenditures to be made by the board for any purpose in any calendar year shall be determined by the municipalities involved by the approval by each on or before the preceding December 1st, of a budget for the ensuing calendar year, which budget may be amended or supplemented by joint resolution of the municipalities involved during the calendar year for which the original budget was approved. Rules and regulations provided for by RCW 14.08.120(2) become effective only upon approval of each of the appointing governing bodies. No real property and no airport, other navigation facility, or air protection privilege, owned jointly, may be disposed of by the board by sale except by authority of all the appointing governing bodies, but the board may lease space, land area, or improvements and grant concessions on airports for aeronautical purposes, or other purposes which will not interfere with the aeronautical purposes of such airport, air navigation facility, or air protection privilege by private negotiation under such terms and conditions as seem just and proper to the board, subject to the provisions of RCW 14.08.120(4). Subject to the provisions of the agreement for the joint venture, and when it appears to the board to be in the best interests of the municipalities involved, the board may sell any personal property by private negotiations under such terms and conditions as seem just and proper to the board.

(8) Each municipality, acting jointly with another pursuant to the provisions of this section, is authorized and empowered to enact, concurrently with the other municipalities involved, such ordinances as are provided for by RCW 14.08.120(2), and to fix by such ordinances penalties for the violation thereof. When so adopted, the ordinances have the same force and effect within the municipalities and on any property jointly controlled by them or adjacent thereto, whether within or outside the territorial limits of either or any of them, as ordinances of each municipality involved, and may
be enforced in any one of the municipalities in the same manner as are its individual ordinances. The consent of the state secretary of transportation to any such ordinance, where the state is a party to the joint venture, is equivalent to the enactment of the ordinance by a municipality. The publication provided for in RCW 14.08.120(2) shall be made in each municipality involved in the manner provided by law or charter for publication of its individual ordinances.

(9) Condemnation proceedings shall be instituted, in the names of the municipalities jointly, and the property acquired shall be held by the municipalities as tenants in common. The provisions of RCW 14.08.030(2) apply to such proceedings.

(10) For the purpose of providing funds for necessary expenditures in carrying out the provisions of this section, a joint fund shall be created and maintained, into which each of the municipalities involved shall deposit its proportionate share as provided by the joint agreement. Such funds shall be provided for by bond issues, tax levies, and appropriations made by each municipality in the same manner as though it were acting separately under the authority of this chapter. The revenues obtained from the ownership, control, and operation of the airports and other air navigation facilities jointly controlled shall be paid into the fund, to be expended as provided in this chapter. Revenues in excess of cost of maintenance and operating expenses of the joint properties shall be divided or allowed to accumulate for future anticipated expenditures as may be provided in the original agreement, or amendments thereto, for the joint venture. The action of municipalities involved in heretofore permitting such revenues to so accumulate is declared to be legal and valid.

(11) The governing body may by joint directive designate some person having experience in financial or fiscal matters as treasurer of the joint operating agency. Such a treasurer shall possess all the powers, responsibilities, and duties that the county treasurer and auditor possess for a joint operating agency related to creating and maintaining funds, issuing warrants, and investing surplus funds. The governing body may, and if the treasurer is not the county treasurer it shall, require a bond, with a surety company authorized to do business in the state of Washington, in an amount and under the terms and conditions which the governing body finds will protect the joint operating agency. The premium on such bond shall be paid by the joint operating agency. All disbursements from the joint fund shall be made by order of the board in accordance with such rules and regulations and for such purposes as the appointing governing bodies, acting jointly, shall prescribe. If no such joint directive is made by the governing appointing bodies to designate a treasurer, then the provisions of RCW 43.09.285 apply to such joint fund.
(12) Specific performance of the provisions of any joint agreement entered into as provided for in this section may be enforced as against any party thereto by the other party or parties thereto.

Except as is permitted under RCW 84.55.050, all taxes shall be levied or voted in specific amounts. The rate percent of all taxes for state and county purposes, and purposes of taxing districts coextensive with the county, shall be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the county, as shown by the completed tax rolls of the county, and the rate percent of all taxes levied for purposes of taxing districts within any county shall be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the taxing districts respectively.

When a county assessor finds that the aggregate rate of tax levy on any property that is subject to the limitations set forth in RCW 84.52.043 or 84.52.050, as now or hereafter amended, exceeds the limitations provided in either of these sections, the assessor shall recompute and establish a consolidated levy in the following manner:

1. The full certified rates of tax levy on any property for state, county, county road district, and city or town purposes shall be extended on the tax rolls in amounts not exceeding the limitations established by law: PROVIDED, That in the event of a levy made pursuant to RCW 84.34.230, the rates of levy for county and county road district purposes shall be reduced in such uniform percentages as
will result in a consolidated levy by such taxing districts which will be no
greater on any property than a consolidated levy by such taxing districts
would be if the levy had not been made pursuant to RCW 84.34.230(1);
and

(2) ((He shall include for extension on the tax rolls)) The certified
rates ((percent of the tax levies certified to him)) of tax levy subject to these
limitations by all ((other)) junior taxing districts imposing taxes on such

follows to bring the consolidated ((tax)) levy of taxes on such property
within the provisions of ((such)) these limitations:

(a) First, the certified property tax levy rates of those junior taxing
districts authorized under RCW 36.68.525, 36.69.145, and 67.38.130 shall
be reduced on a pro rata basis or eliminated;

(b) Second, if the consolidated tax levy rate still exceeds these limita-
tions, the certified property tax levy rates of flood control zone districts shall
be reduced on a pro rata basis or eliminated;

(c) Third, if the consolidated tax levy rate still exceeds these limita-
tions, the certified property tax levy rates of all other junior taxing districts,
other than fire protection districts, public hospital districts, metropolitan
park districts, and library districts, shall be reduced on a pro rata basis or
eliminated;

(d) Fourth, if the consolidated tax levy rate still exceeds these limita-
tions, the certified property tax levy rates authorized to fire protection dis-
tricts under RCW 52.16.140 and 52.16.160 shall be reduced on a pro rata
basis or eliminated; and

(e) Fifth, if the consolidated tax levy rate still exceeds these limita-
tions, the certified property tax levy rates authorized to fire protection dis-
tricts under RCW 52.16.130, and the certified property tax levy rates of
public hospital districts, metropolitan park districts, and library districts,
shall be reduced on a pro rata basis or eliminated.

UNEMPLOYMENT COMPENSATION—BENEFIT YEAR QUALIFICATIONS
REVISED

AN ACT Relating to qualification for unemployment compensation; and amending RCW
50.04.030.

Be it enacted by the Legislature of the State of Washington:
Sec. 1. Section 4, chapter 35, Laws of 1945 as last amended by section 1, chapter 33, Laws of 1977 ex. sess. and RCW 50.04.030 are each amended to read as follows:

"Benefit year" with respect to each individual, means the fifty-two consecutive week period beginning with the first day of the calendar week in which the individual files an application for an initial determination and thereafter the fifty-two consecutive week period beginning with the first day of the calendar week in which the individual next files an application for an initial determination after the expiration of the individual's last preceding benefit year: PROVIDED, HOWEVER, That the foregoing limitation shall not be deemed to preclude the establishment of a new benefit year under the laws of another state pursuant to any agreement providing for the interstate combining of employment and wages and the interstate payment of benefits nor shall this limitation be deemed to preclude the commissioner from backdating an initial application at the request of the claimant either for the convenience of the department of employment security or for any other reason deemed by the commissioner to be good cause.

An individual's benefit year shall be extended to be fifty-three weeks when at the expiration of fifty-two weeks the establishment of a new benefit year would result in the use of a quarter of wages in the new base year that had been included in the individual's prior base year.

No benefit year will be established unless it is determined that the individual earned wages in "employment" in not less than six hundred eighty hours of the individual's base year: PROVIDED, HOWEVER, That a benefit year cannot be established if the base year wages include wages earned prior to the establishment of a prior benefit year unless the individual earned wages in "employment" (during the last two quarters of the new base year)) since the beginning of the previous benefit year's waiting period under RCW 50.20.010(4) of not less than six times the weekly benefit amount computed for the individual's new benefit year.

If the wages of an individual are not based upon a fixed duration of time or if the individual's wages are paid at irregular intervals or in such manner as not to extend regularly over the period of employment, the wages for any week shall be determined in such manner as the commissioner may by regulation prescribe. Such regulation shall, so far as possible, secure results reasonably similar to those which would prevail if the individual were paid his or her wages at regular intervals.

AN ACT Relating to railroad grade crossings; and amending RCW 81.53.281.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 3, chapter 134, Laws of 1969 as last amended by section 509, chapter 405, Laws of 1985 and RCW 81.53.281 are each amended to read as follows:

At the time the commission makes each allocation of cost to said grade crossing protective fund, it shall certify that such cost shall be payable out of said fund. When federal-aid highway funds are not involved, the railroad shall, upon completion of the installation of any such signal or other protective device and related work, present its claim for reimbursement for the cost of installation and related work from said fund of the amount allocated thereto by the commission. The annual cost of maintenance shall be presented and paid in a like manner. When federal-aid highway funds are involved, the department of transportation shall, upon entry of an order by the commission requiring the installation or upgrading of a grade crossing protective device, submit to the commission an estimate for the cost of the proposed installation and related work. Upon receipt of the estimate the commission shall pay to the department of transportation the percentage of the estimate specified in RCW 81.53.295, as now or hereafter amended, to be used as the grade crossing protective fund portion of the cost of the installation and related work. The commission is hereby authorized to recover administrative costs from said fund in an amount not to exceed three percent of the direct appropriation provided for any biennium, and in the event administrative costs exceed three percent of the appropriation, the excess shall be chargeable to regulatory fees paid by railroads pursuant to RCW 81.24.010.

Within ninety days of the end of each fiscal year, the commission shall report to the legislative transportation committee, and the senate and house committees on transportation, the status of the grade crossing protective fund, including revenue sources, fund balances, and expenditures.
The office of financial management ((may)) shall direct the state treasurer to transfer to the ((general)) motor vehicle fund an amount not to exceed ((1,200,060)) $1,331,000 from the grade crossing protective fund for the ((1983-85)) 1987-89 fiscal biennium.

CHAPTER 258
[Substitute House Bill No. 56]
SURFACE MINING

AN ACT Relating to surface mining; amending RCW 78.44.030 and 78.44.110; and adding a new section to chapter 78.44 RCW.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 4, chapter 64, Laws of 1970 ex. sess. as amended by section 1, chapter 215, Laws of 1984 and RCW 78.44.030 are each amended to read as follows:

As used in this chapter, unless the context indicates otherwise:
(1) "Surface mining" shall mean all or any part of the process involved in mining of minerals by removing the overburden and mining directly from the mineral deposits thereby exposed, including open-pit mining of minerals naturally exposed at the surface of the earth, mining by the auger method, and including the production of surface mining refuse. Surface mining shall not include on-site processing of minerals such as concrete batching or rock crushing operations. For the purpose of this chapter surface mining shall mean those operations described in this paragraph ((from)) which ((more than ten thousand tons of minerals are produced or more than two acres of land is newly disturbed within a period of twelve consecutive calendar months)) collectively result in more than three acres of land being disturbed or that result in pit walls more than thirty feet high and steeper than one horizontal to one vertical. Surface mining shall not include disturbances of greater than three acres of land during any time period if the cumulative area that has not been rehabilitated according to the reclamation requirements outlined in this chapter is less than three acres. Surface mining shall not include excavation or removal of sand, gravel, clay, rock, top soil, or other materials in remote areas by an owner or holder of a possessory interest in land for the primary purpose of construction or maintenance of access roads to or on such landowner's property. Surface mining shall not include excavation or grading conducted for farming, on-site road construction or other on-site construction, but shall include adjacent or off-site borrow pits except those on landowner's property for use on access roads on
such property. Prospecting and exploration activities shall be included within the definition of surface mining when they are of such nature and extent as to exceed the qualifying sizes listed above or when collectively they disturb more than one acre per eight acres of land area.

(2) "Unit of surface mined area" shall mean the area of land and water covered by each operating permit that is actually newly disturbed by surface mining during each twelve-month period of time, beginning at the date of issuance of the permit, and shall comprise the area from which overburden and/or minerals have been removed, the area covered by spoil banks, and all additional areas used in surface mining operations which by virtue of such use are thereafter susceptible to excessive erosion.

(3) "Abandonment of surface mining" shall mean a cessation of surface mining, not set forth in an operator's plan of operation or by any other sufficient written notice, extending for more than six consecutive months or when, by reason of examination of the premises or by any other means, it becomes the opinion of the department of natural resources that the operation has in fact been abandoned by the operator: PROVIDED, That the operator does not, within thirty days of receipt of written notification from the department of his intent to declare the operation abandoned, submit evidence to the department's satisfaction that the operation is in fact not abandoned.

(4) "Minerals" shall mean coal, clay, stone, sand, gravel, metallic ore, and any other similar solid material or substance to be excavated from natural deposits on or in the earth for commercial, industrial, or construction uses.

(5) "Overburden" shall mean the earth, rock, and other materials that lie above a natural deposit of mineral.

(6) "Surface mining refuse" shall mean all waste soil, rock, mineral, liquid, vegetation, and other material directly resulting from or displaced by the mining, cleaning, or preparation of minerals during the surface mining operations on the operating permit area, and shall include all waste materials deposited on or in the permit area from other sources.

(7) "Spoil bank" shall mean a deposit of excavated overburden or mining refuse.

(8) "Operator" shall mean any person or persons, any partnership, limited partnership, or corporation, or any association of persons, either natural or artificial, including every public or governmental agency engaged in surface mining operations, whether individually, jointly, or through subsidiaries, agents, employees, or contractors.

(9) "Department" means the department of natural resources.

(10) "Reclamation" shall mean the reasonable protection of all surface resources subject to disruption from surface mining and rehabilitation of the surface resources affected by surface mining including the area under stockpiled materials. Although both the need for and the practicability of
reclamation will control the type and degree of reclamation in any specific instance, the basic objective will be to reestablish on a continuing basis the vegetative cover, soil stability, water conditions, and safety conditions appropriate to the intended subsequent use of the area.

(11) "Reclamation plan" shall mean the operator's written proposal, as required and approved by the department, for reclamation of the affected resources which shall include, but not be limited to:

(a) A statement of the proposed subsequent use of the land after reclamation (and satisfactory evidence that all owners of) which is signed by all individuals with a possessory interest in the land (concur with this proposed use), or a copy of the conveyance that expressly grants or reserves the right to extract the mineral by surface mining methods, or if the conveyance does not expressly grant the right to extract the mineral by surface mining methods, then documentation that under applicable state law, the operator has the legal authority to extract the mineral by those methods: PROVIDED, That the applicant must provide notice reasonably calculated to advise all individuals with a possessory interest of the intent to remove minerals and the proposed subsequent use. If any individual with a possessory interest does not respond to the notice within sixty days, that person's signature shall not be required;

(b) Evidence that this subsequent use would not be illegal under local zoning regulations;

(c) Proposed practices to protect adjacent surface resources;

(d) Specifications for surface gradient restoration to a surface suitable for the proposed subsequent use of the land after reclamation is completed, and proposed method of accomplishment;

(e) Manner and type of revegetation or other surface treatment of disturbed areas;

(f) Method of prevention or elimination of conditions that will create a public nuisance, endanger public safety, damage property, or be hazardous to vegetative, animal, fish, or human life in or adjacent to the area;

(g) Method of control of contaminants and disposal of surface mining refuse;

(h) Method of diverting surface waters around the disturbed areas;

(i) Method of restoration of stream channels and stream banks to a condition minimizing erosion and siltation and other pollution;

(j) Such maps and other supporting documents as reasonably required by the department; and

(k) A time schedule for reclamation that meets the requirements of RCW 78.44.090.

Sec. 2. Section 12, chapter 64, Laws of 1970 ex. sess. as amended by section 4, chapter 215, Laws of 1984 and RCW 78.44.110 are each amended to read as follows:

The permit fees required under this chapter shall be as follows:
WASHINGTON LAWS, 1987

(1) The basic fee for the permit shall be two hundred fifty dollars per permit year for each separate location, payable with submission of the application and annually thereafter with submission of the report required in RCW 78.44.130: PROVIDED, That a person who has held a valid surface mining permit and whose property has never been disturbed for surface mining may keep such permit in effect by paying an annual fee of fifty dollars. Before a person holding a fifty dollar permit begins surface mining during any permit year, that person shall pay the remainder of the two hundred fifty dollar fee.

(2) In addition, there shall be a five dollar per acre fee for all acreage exceeding ten acres which was newly disturbed by surface mining during the previous permit year, which acreage fee shall be paid at the time of submission of the report required in RCW 78.44.130.

(3) All fees collected shall be deposited in the general fund.

NEW SECTION. Sec. 3. A new section is added to chapter 78.44 RCW to read as follows:

The department shall by rule define the term "segment" as used in RCW 78.44.090 and 78.44.140 to establish the depth or extent of the operation covered.

Passed the Senate April 8, 1987.
Approved by the Governor May 5, 1987.
Filed in Office of Secretary of State May 5, 1987.

AN ACT Relating to aquatic land dredged material disposal sites; adding new sections to chapter 79.90 RCW; providing an effective date; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that the department of natural resources provides, manages, and monitors aquatic land disposal sites on state-owned aquatic lands for materials dredged from rivers, harbors, and shipping lanes. These disposal sites are approved through a cooperative planning process by the departments of natural resources and ecology, the United States corps of engineers, and the United States environmental protection agency in cooperation with the Puget Sound water quality authority. These disposal sites are essential to the commerce and well being of the citizens of the state of Washington. Management and environmental monitoring of these sites are necessary to protect environmental quality and to assure appropriate use of state-owned aquatic lands. The
creation of an aquatic land dredged material disposal site account is a reason-
able means to enable and facilitate proper management and environ-
mental monitoring of these disposal sites.

NEW SECTION. Sec. 2. The aquatic land dredged material disposal site account is hereby established in the state treasury. The account shall consist of funds appropriated to the account; funds transferred or paid to the account pursuant to settlements; court or administrative agency orders or judgments; gifts and grants to the account; and all funds received by the department of natural resources from users of aquatic land dredged material disposal sites. After appropriation, moneys in the fund may be spent only for the management and environmental monitoring of aquatic land dredged material disposal sites. The account is subject to the allotment procedure provided under chapter 43.88 RCW. Notwithstanding RCW 43.84.090, all earnings of investments of balances in the account shall be credited to the account.

NEW SECTION. Sec. 3. The department of natural resources shall, from time to time, estimate the costs of site management and environmental monitoring at aquatic land dredged material disposal sites and may, by rule, establish fees for use of such sites in amounts no greater than necessary to cover the estimated costs. All such revenues shall be placed in the aquatic land dredged material disposal site account under section 2 of this act.

NEW SECTION. Sec. 4. Sections 1 through 3 of this act are each added to chapter 79.90 RCW.

NEW SECTION. Sec. 5. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect on July 1, 1987.

(1) A person may pilot any vessel subject to the provisions of this chapter on waters covered by this chapter only if appointed and licensed to pilot such vessels on said waters under and pursuant to the provisions of this chapter.

(2) A person is eligible to be appointed a pilot if the person is a citizen of the United States, over the age of twenty-five years and under the age of seventy years, a resident of the state of Washington at the time of appointment, and only if the pilot applicant holds as a minimum, a United States government license as a master of freight and towing vessels not more than one thousand gross tons (inspected vessel), such license to have been held by the applicant for a period of at least two years prior to taking the Washington state pilotage examination and a first class United States endorsement without restrictions on that license to pilot in the pilotage districts for which the pilot applicant desires to be licensed, and if the pilot applicant meets such other qualifications as may be required by the board.

(3) Pilots shall be licensed hereunder for a term of five years from and after the date of the issuance of their respective state licenses. Such licenses shall thereafter be renewed as of course, unless the board shall withhold same for good cause. Each pilot shall pay to the state treasurer an annual license fee established by the board of pilotage commissioners pursuant to chapter 34.04 RCW, but not to exceed one thousand five hundred dollars, to be placed in the state treasury to the credit of the pilotage account. The board may assess partially active or inactive pilots a reduced fee.
(4) Pilot applicants shall be required to pass a written and oral examination administered and graded by the board which shall test such applicants on this chapter, the rules of the board, local harbor ordinances, and such other matters as may be required to compliment the United States examinations and qualifications. The board shall conduct the examination on a regular date, as prescribed by rule, at least once every two years.

(5) The board shall have developed five examinations and grading sheets for the Puget Sound pilotage district, and two for each other pilotage district, for the testing and grading of pilot applicants. The examinations shall be administered to pilot applicants on a random basis and shall be updated as required to reflect changes in law, rules, policies, or procedures. The board may appoint a special independent examination committee or may contract with a firm knowledgeable and experienced in the development of professional tests for development of said examinations. Active licensed state pilots may be consulted for the general development of examinations but shall have no knowledge of the specific questions. The pilot members of the board may participate in the grading of examinations. If the board does appoint a special examination development committee it is authorized to pay the members of said committee the same compensation and travel expenses as received by members of the board. When grading examinations the board shall carefully follow the grading sheet prepared for that examination. The board shall develop a "sample examination" which would tend to indicate to an applicant the general types of questions on pilot examinations, but such sample questions shall not appear on any actual examinations. Any person who wilfully gives advance knowledge of information contained on a pilot examination is guilty of a gross misdemeanor.

(6) All pilots and applicants are subject to an annual physical examination by a physician chosen by the board. The physician shall examine the applicant's heart, blood pressure, circulatory system, lungs and respiratory system, eyesight, hearing, and such other items as may be prescribed by the board. After consultation with a physician and the United States coast guard, the board shall establish minimum health standards to ensure that pilots licensed by the state are able to perform their duties. Within ninety days of the date of each annual physical examination, and after review of the physician's report, the board shall make a determination of whether the pilot or candidate is fully able to carry out the duties of a pilot under this chapter.

(7) The board shall prescribe, pursuant to chapter 34.04 RCW, a number of familiarization trips, between a minimum number of twenty-five and a maximum of one hundred, which pilot applicants must make in the pilotage district for which they desire to be licensed. Familiarization trips any particular applicant must make are to be based upon the applicant's vessel handling experience.

[956]
(8) The board may prescribe vessel simulator training for a pilot applicant, or pilot subject to RCW 88.16.105, as it deems appropriate, taking into consideration the economic cost of such training, to enhance that person's ability to perform pilotage duties under this chapter.

(9) The board shall prescribe, pursuant to chapter 34.04 RCW, such reporting requirements and review procedures as may be necessary to assure the accuracy and validity of license and service claims, and records of familiarization trips of pilot candidates. Willful misrepresentation of such required information by a pilot candidate shall result in disqualification of the candidate.

The board shall prescribe, pursuant to chapter 34.04 RCW, rules governing the size and type of vessels which a newly licensed pilot may be assigned to pilot on the waters of this state and whether the assignment involves docking or undocking a vessel. The rules shall also prescribe required familiarization trips before a newly licensed pilot may pilot a larger or different type of vessel. Such rules shall be ((only)) for the first ((two)) three year period in which pilots are actually employed.

In all cases where compensation includes maintenance the employer shall fix the value of that part of the compensation not paid in money: PROVIDED, That retroactive payments to an individual by an employer on reinstatement of the employee in a position, or payments by an employer to an individual in lieu of reinstatement in a position which are awarded or granted as the equivalent of the salary or wages which the individual would have earned during a payroll period shall be considered earnable compensation and the individual shall receive the equivalent service credit: PROVIDED FURTHER, That if a leave of absence, without pay, is taken by a member for the purpose of serving as a member of the state legislature, and such member has served in the legislature five or more years, the salary which would have been received for the position from which the leave of absence was

CHAPTER 267

[Senate Bill No. 5732]

DONATION OF RIGHTS OF WAY TO ACCOMMODATE TRANSPORTATION IMPROVEMENTS AUTHORIZED

AN ACT Relating to right of way donations; adding a new section to chapter 35.21 RCW; adding a new section to chapter 35A.21 RCW; adding a new section to chapter 35.44 RCW; adding a new section to chapter 36.32 RCW; adding a new section to chapter 36.88 RCW; and creating a new chapter in Title 47 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that in numerous areas throughout the state, rapid expansion of residential, commercial, industrial, and business activities is producing increased traffic levels. The legislature further finds that many property owners have exhibited a willingness to donate real property or property rights for transportation improvements to accommodate such increases in traffic. The legislature recognizes that the cost of right of way acquisition is often a significant, and even a prohibitive cost element in many transportation improvement projects.

The legislature seeks to encourage the voluntary donation of right of way to the state, counties, cities, and towns for transportation improvements recognizing that such donations can result in direct benefits to property owners, developers, and the community at large.

It is the intent of the legislature to further facilitate the department of transportation's authority under RCW 47.12.010, 47.24.030, and 47.52.050
to accept donations of right of way for state transportation purposes. The legislature further intends to facilitate the authority of a city, town, or county to accept donations of right of way for other transportation purposes.

The legislature therefore declares it to be in the best interest and welfare of the citizens of Washington for the state department of transportation, and for counties, cities, and towns to actively foster and encourage donations of right of way by willing donors in all areas where transportation improvements are to be made. In addition, and in lieu of monetary compensation for property needed for right of way purposes, the legislature seeks to provide incentives to potential donors such as are set forth in sections 3 and 4 of this act.

**NEW SECTION.** Sec. 2. The definitions set forth in this section apply throughout this chapter.

(1) "Right of way" means the area of land designated for transportation purposes.

(2) "Airspace" means the space above and below the gradeline of all highways, roads, and streets, and the area alongside the traveled way and within approved right of way lines.

**NEW SECTION.** Sec. 3. The governing body of a transportation benefit district may give credit for all or any portion of any real property donation against an assessment, charge, or other required financial contribution for transportation improvements within a transportation benefit district established under sections 2 or 3, chapter ___ (HB 396), Laws of 1987. The credit granted shall be available against any assessment, charge or other required financial contribution for any transportation purpose which utilizes the donated property.

**NEW SECTION.** Sec. 4. The department or the county, city, or town to which the right of way is donated shall, upon request, grant the donor an airspace lease or a permit for the purpose of erecting or maintaining, or both, one or more signs advertising a business of the donor that is conducted on premises adjacent to the donated parcel unless the sign or signs would be detrimental to the safety and operation of the highway, road, or street. This provision applies to all highways, roads, and streets other than limited access highways and streets, where it applies only until the donated parcel becomes part of a completed operating facility. Except as provided in this section, any such sign shall conform to the requirements of all other applicable federal, state, and local laws and ordinances. The lease agreement or permit shall take into consideration applicable county and city zoning ordinances and may provide for compensation for removal of the sign in accordance with applicable federal, state, and local laws and ordinances. The lease agreement or permit shall specify the conditions for signage.

**NEW SECTION.** Sec. 5. The department shall:
(1) Give priority to the refinement and modification of right of way procedures and policies dealing with donation;
(2) Reduce or simplify paperwork requirements resulting from right of way procurement;
(3) Increase communication and education efforts as a means to solicit and encourage voluntary right of way donations;
(4) Enhance communication and coordination with local governments through agreements of understanding that address state acceptance of right of way donations secured under zoning, use permits, subdivision, and associated police power authority of local government;
(5) Report to the legislative transportation committee by January 31, 1988, on its efforts under this section.

NEW SECTION. Sec. 6. Nothing in this chapter may be construed to contravene the requirements of chapter 8.26 RCW.

NEW SECTION. Sec. 7. A new section is added to chapter 35.21 RCW output to read as follows:
Where the zoning and planning provisions of a city or town require landscaping, parking, or other improvements as a condition to granting permits for commercial or industrial developments, the city or town may credit donations of right of way in excess of that required for traffic improvement against such landscaping, parking, or other requirements.

NEW SECTION. Sec. 8. A new section is added to chapter 35A.21 RCW to read as follows:
Where the zoning and planning provisions of a city or town require landscaping, parking, or other improvements as a condition to granting permits for commercial or industrial developments, the city or town may credit donations of right of way in excess of that required for traffic improvement against such landscaping, parking, or other requirements.

NEW SECTION. Sec. 9. A new section is added to chapter 35.44 RCW to read as follows:
A city legislative authority may give credit for all or any portion of any property donation against an assessment, charge, or other required financial contribution for transportation improvements within a local improvement district. The credit granted is available against any assessment, charge, or other required financial contribution for any transportation purpose that uses the donated property.

NEW SECTION. Sec. 10. A new section is added to chapter 36.32 RCW to read as follows:
Where the zoning and planning provisions of a county require landscaping, parking, or other improvements as a condition to granting permits for commercial or industrial developments, the county may credit donations of right of way in excess of that required for traffic improvement against such landscaping, parking, or other requirements.
NEW SECTION. Sec. 11. A new section is added to chapter 36.88 RCW to read as follows:

The county legislative authority may give credit for all or any portion of any property donation against an assessment, charge, or other required financial contribution for transportation improvements within a county road improvement district. The credit granted is available against any assessment, charge, or other required financial contribution for any transportation purpose that uses the donated property.

NEW SECTION. Sec. 12. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 13. Sections 1 through 6 of this act shall constitute a new chapter in Title 47 RCW.

Passed the Senate April 21, 1987.
Passed the House April 17, 1987.

NAVY HOMEPORT IN EVERETT—HARBOR AREA TO REMAIN UNOBSSTRUCTED—FUNDS APPROPRIATED TO OFFSET THE IMPACT OF THE HOMEPORT ON STATE RESPONSIBILITIES AND ACTIVITIES

AN ACT Relating to the fiscal impact of locating a Navy home port in Everett; creating a new section; making appropriations; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. Whereas the federal government in 1986 authorized the construction of a Navy home port in Everett, Washington, it is therefore the intent of this act to provide funds to state agencies to offset the additional costs imposed by the construction of the port.

NEW SECTION. Sec. 2. It is the intent of the legislature that, except for periods of national emergency, the harbor area outside the U.S. Navy base will remain unobstructed for navigation and commerce in accordance with the Port of Everett/U.S. Navy memorandum of understanding pertaining to the construction and dredging operations at the Everett home port facility.

NEW SECTION. Sec. 3. (1) There is hereby appropriated to the office of financial management for the biennium beginning July 1, 1987, and ending June 30, 1989:

(e) Five hundred thirty-three thousand dollars from the state medical aid fund.

(2) The appropriations in this section are provided solely for the purposes of this act and are subject to the following conditions and limitations:

(a) The appropriations in this section are provided solely for the increased demands for public services as a result of the development or construction of the Everett home port. No funds may be spent, except as may be necessary for planning and monitoring to meet the requirements of federal legislation authorizing the construction of the Everett home port, until the following conditions are met: (i) Actual construction or site preparation is started, and (ii) the federal government releases to be obligated, or expended, the $43.5 million appropriated in federal fiscal year 1987 in section 2208 of the national defense authorization act for construction of the home port, and (iii) all required local, state, and federal permits for site construction, preparation, and dredging are obtained.

(b) The governor shall allocate funds to the superintendent of public instruction, the department of social and health services, the department of community development, the department of fisheries, the department of ecology, and the department of labor and industries. The governor shall allocate these appropriations to specific agencies based on increased agency operating expenditures and workload directly associated with the Everett home port. The governor may release to the specific agencies only the amount necessary to offset the directly incurred increased costs which have been documented by the agency.

(c) Any appropriation adjustments and actions that the governor has taken related to the Everett home port and pursuant to this appropriation shall be reported to the legislature on January 1, 1988, and January 1, 1989.

UNEMPLOYMENT COMPENSATION—BASE YEAR AND BENEFIT YEAR COMPUTATION MODIFIED

AN ACT Relating to unemployment compensation; and amending RCW 50.04.020, 50.04.030, and 50.06.030.

[ 984 ]
Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 3, chapter 35, Laws of 1945 as amended by section 1, chapter 2, Laws of 1970 ex. sess. and RCW 50.04.020 are each amended to read as follows:

"Base year" with respect to each individual, shall mean either the first four of the last five completed calendar quarters or the last four completed calendar quarters immediately preceding the first day of the individual's benefit year.

For the purposes of establishing a benefit year, the department shall initially use the first four of the last five completed calendar quarters as the base year. If a benefit year is not established using the first four of the last five calendar quarters as the base year, the department shall use the last four completed calendar quarters as the base year.

Computations using the last four completed calendar quarters shall be based on available wage items processed as of the close of business on the day preceding the date of application. Wage items not processed at the time of application shall become available to the claim as they are added to department systems. The department shall not be required to make employer contacts or take other actions that would not be applicable to claims based on the first four of the last five completed calendar quarters.

Sec. 2. Section 4, chapter 35, Laws of 1945 as last amended by section 1, chapter 33, Laws of 1977 ex. sess. and RCW 50.04.030 are each amended to read as follows:

"Benefit year" with respect to each individual, means the fifty-two consecutive week period beginning with the first day of the calendar week in which the individual files an application for an initial determination and thereafter the fifty-two consecutive week period beginning with the first day of the calendar week in which the individual next files an application for an initial determination after the expiration of the individual's last preceding benefit year: PROVIDED, HOWEVER, That the foregoing limitation shall not be deemed to preclude the establishment of a new benefit year under the laws of another state pursuant to any agreement providing for the interstate combining of employment and wages and the interstate payment of benefits nor shall this limitation be deemed to preclude the commissioner from backdating an initial application at the request of the claimant either for the convenience of the department of employment security or for any other reason deemed by the commissioner to be good cause.

An individual's benefit year shall be extended to be fifty-three weeks when at the expiration of fifty-two weeks the establishment of a new benefit year would result in the use of a quarter of wages in the new base year that had been included in the individual's prior base year.

No benefit year will be established unless it is determined that the individual earned wages in "employment" in not less than six hundred eighty
hours of the individual’s base year: PROVIDED, HOWEVER, That a benefit year cannot be established if the base year wages include wages earned prior to the establishment of a prior benefit year unless the individual earned wages in "employment" during the last two quarters of the new base year of not less than six times the weekly benefit amount computed for the individual’s new benefit year.

If an individual's prior benefit year was based on the last four completed calendar quarters, a new benefit year shall not be established until the new base year does not include any hours used in the establishment of the prior benefit year.

If the wages of an individual are not based upon a fixed duration of time or if the individual's wages are paid at irregular intervals or in such manner as not to extend regularly over the period of employment, the wages for any week shall be determined in such manner as the commissioner may by regulation prescribe. Such regulation shall, so far as possible, secure results reasonably similar to those which would prevail if the individual were paid his or her wages at regular intervals.

Sec. 3. Section 9, chapter 228, Laws of 1975 1st ex. sess. as amended by section 3, chapter 65, Laws of 1984 and RCW 50.06.030 are each amended to read as follows:

An application for initial determination made pursuant to this chapter, to be considered timely, must be filed in writing with the employment security department within twenty-six weeks following the week in which the period of temporary total disability commenced. Notice from the department of labor and industries shall satisfy this requirement. The records of the agency supervising the award of compensation shall be conclusive evidence of the fact of temporary disability and the beginning date of such disability. The employment security department shall process and issue an initial determination of entitlement or nonentitlement as the case may be.

For the purpose of this chapter, a special base year is established for an individual consisting of either the first four of the last five completed calendar quarters or the last four completed calendar quarters immediately prior to the first day of the calendar week in which the individual’s temporary total disability commenced, and a special individual benefit year is established consisting of the entire period of disability and a fifty-two consecutive week period commencing with the first day of the calendar week immediately following the week or part thereof with respect to which the individual received his final temporary total disability compensation under the applicable industrial insurance or crime victims compensation laws except that no special benefit year shall have a duration in excess of three hundred twelve calendar weeks: PROVIDED HOWEVER, That such special benefit year will not be established unless the criteria contained in RCW 50.04.030 has been met, except that an individual meeting the disability and filing requirements of this chapter and who has an unexpired
benefit year established which would overlap the special benefit year provided by this chapter, notwithstanding the provisions in RCW 50.04.030 relating to the establishment of a subsequent benefit year and RCW 50.40.010 relating to waiver of rights, may elect to establish a special benefit year under this chapter: PROVIDED FURTHER, that the unexpired benefit year shall be terminated with the beginning of the special benefit year if the individual elects to establish such special benefit year.

For the purposes of establishing a benefit year, the department shall initially use the first four of the last five completed calendar quarters as the base year. If a benefit year is not established using the first four of the last five calendar quarters as the base year, the department shall use the last four completed calendar quarters as the base year.

CHAPTER 280

[Substitute Senate Bill No. 5142]

HARASSMENT—UNLAWFUL HARASSMENT DEFINED—PROTECTION ORDERS PROVIDED FOR

AN ACT Relating to protection from harassment; reenacting and amending RCW 10.31-.100; adding a new chapter to Title 10 RCW; and prescribing penalties.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that serious, personal harassment through repeated invasions of a person's privacy by acts and words showing a pattern of harassment designed to coerce, intimidate, or humiliate the victim is increasing. The legislature further finds that the prevention of such harassment is an important governmental objective. This chapter is intended to provide victims with a speedy and inexpensive method of obtaining civil antiharassment protection orders preventing all further unwanted contact between the victim and the perpetrator.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Unlawful harassment" means a knowing and wilful course of conduct directed at a specific person which seriously alarms, annoys, or harasses such person, and which serves no legitimate or lawful purpose. The course of conduct shall be such as would cause a reasonable person to suffer substantial emotional distress, and shall actually cause substantial emotional distress to the petitioner.

(2) "Course of conduct" means a pattern of conduct composed of a series of acts over a period of time, however short, evidencing a continuity of purpose. Constitutionally protected activity is not included within the meaning of "course of conduct."

NEW SECTION. Sec. 3. In determining whether the course of conduct serves any legitimate or lawful purpose, the court should consider whether:

(1) Any current contact between the parties was initiated by the respondent only or was initiated by both parties;

(2) The respondent has been given clear notice that all further contact with the petitioner is unwanted;
(3) The respondent’s course of conduct appears designed to alarm, annoy, or harass the petitioner;
(4) The respondent is acting pursuant to any statutory authority, including but not limited to acts which are reasonably necessary to:
   (a) Protect property or liberty interests;
   (b) Enforce the law; or
   (c) Meet specific statutory duties or requirements;
(5) The respondent’s course of conduct has the purpose or effect of unreasonably interfering with the petitioner’s privacy or the purpose or effect of creating an intimidating, hostile, or offensive living environment for the petitioner;
(6) Contact by the respondent with the petitioner or the petitioner’s family has been limited in any manner by any previous court order.

**NEW SECTION.** Sec. 4. There shall exist an action known as a petition for an order for protection in cases of unlawful harassment.
(1) A petition for relief shall allege the existence of harassment and shall be accompanied by an affidavit made under oath stating the specific facts and circumstances from which relief is sought.
(2) A petition for relief may be made regardless of whether or not there is a pending lawsuit, complaint, petition, or other action between the parties.
(3) All court clerks’ offices shall make available simplified forms and instructional brochures. Any assistance or information provided by clerks under this section does not constitute the practice of law and clerks are not responsible for incorrect information contained in a petition.
(4) No filing fee may be charged for a petition filed in an existing action or under an existing cause number brought under this chapter in the jurisdiction where the relief is sought. Forms and instructional brochures shall be provided free of charge.
(5) A person is not required to post a bond to obtain relief in any proceeding under this section.

**NEW SECTION.** Sec. 5. The administrator for the courts shall develop and prepare, in consultation with interested persons, model forms and instructional brochures required under section 4(3) of this act.

**NEW SECTION.** Sec. 6. Persons seeking relief under this chapter may file an application for leave to proceed in forma pauperis on forms supplied by the court. If the court determines that a petitioner lacks the funds to pay the costs of filing, the petitioner shall be granted leave to proceed in forma pauperis and no filing fee or any other court related fees shall be charged by the court to the petitioner for relief sought under this chapter. If the petitioner is granted leave to proceed in forma pauperis, then no fees for service may be charged to the petitioner.
NEW SECTION. Sec. 7. Upon receipt of the petition, the court shall order a hearing which shall be held not later than fourteen days from the date of the order. Personal service shall be made upon the respondent not less than five court days before the hearing. If timely service cannot be made, the court may set a new hearing date.

NEW SECTION. Sec. 8. (1) Upon filing a petition for a civil antiharassment protection order under this chapter, the petitioner may obtain an ex parte temporary antiharassment protection order. An ex parte temporary antiharassment protection order may be granted with or without notice upon the filing of an affidavit which, to the satisfaction of the court, shows reasonable proof of unlawful harassment of the petitioner by the respondent and that great or irreparable harm will result to the petitioner if the temporary antiharassment protection order is not granted.

(2) An ex parte temporary antiharassment protection order shall be effective for a fixed period not to exceed fourteen days, but may be reissued. A full hearing, as provided in this chapter, shall be set for not later than fourteen days from the issuance of the temporary order. The respondent shall be personally served with a copy of the ex parte order along with a copy of the petition and notice of the date set for the hearing.

(3) At the hearing, if the court finds by a preponderance of the evidence that unlawful harassment exists, a civil antiharassment protection order shall issue prohibiting such unlawful harassment. An order issued under this chapter shall be effective for not more than one year. At any time within the three months before the expiration of the order, the petitioner may apply for a renewal of the order by filing a new petition under this chapter.

(4) The court, in granting an ex parte temporary antiharassment protection order or a civil antiharassment protection order, shall have broad discretion to grant such relief as the court deems proper, including an order:

(a) Restraining the respondent from making any attempts to contact the petitioner;

(b) Restraining the respondent from making any attempts to keep the petitioner under surveillance; and

A police officer having probable cause to believe that a person has committed or is committing a felony shall have the authority to arrest the person without a warrant. A police officer may arrest a person without a warrant for committing a misdemeanor or gross misdemeanor only when the offense is committed in the presence of the officer, except as provided in subsections (1) through (5) of this section.

1. Any police officer having probable cause to believe that a person has committed or is committing a misdemeanor or gross misdemeanor, involving physical harm or threats of harm to any person or property or the unlawful taking of property or involving the use or possession of cannabis shall have the authority to arrest the person.
(2) A police officer shall arrest and take into custody, pending release on bail, personal recognizance, or court order, a person without a warrant when the officer has probable cause to believe that:

(b) The person is eighteen years or older and within the preceding four hours has assaulted that person's spouse, former spouse, or a person eighteen years or older with whom the person resides or has formerly resided and the officer believes: (i) A felonious assault has occurred; (ii) an assault has occurred which has resulted in bodily injury to the victim, whether the injury is observable by the responding officer or not; or (iii) that any physical action has occurred which was intended to cause another person reasonably to fear imminent serious bodily injury or death. Bodily injury means physical pain, illness, or an impairment of physical condition. When the officer has probable cause to believe that spouses, former spouses, or other persons who reside together or formerly resided together have assaulted each other, the officer is not required to arrest both persons. The officer shall arrest the person whom the officer believes to be the primary physical aggressor. In making this determination, the officer shall make every reasonable effort to consider: (i) The intent to protect victims of domestic violence under RCW 10.99.010; (ii) the comparative extent of injuries inflicted or serious threats creating fear of physical injury; and (iii) the history of domestic violence between the persons involved.

(6) A police officer may arrest and take into custody, pending release on bail, personal recognizance, or court order, a person without a warrant when the officer has probable cause to believe that an order has been issued of which the person has knowledge under chapter 10.— RCW (sections 1 through 19 of this 1987 act) and the person has violated the terms of that order.

(7) Except as specifically provided in subsections (2), (3), and (4) of this section, nothing in this section extends or otherwise affects the powers of arrest prescribed in Title 46 RCW.

(8) No police officer may be held criminally or civilly liable for making an arrest pursuant to RCW 10.31.100(2) or (6) if the police officer acts in good faith and without malice.

CHAPTER 281
[Senate Bill No. 5172]
VICTIMS AND WITNESSES OF CRIMES—CONTINUATION OF ASSISTANCE PROGRAMS—VEHICULAR HOMICIDE PROOF REQUIREMENTS MODIFIED—BENEFITS MODIFIED

AN ACT Relating to victims or witnesses of crimes; amending RCW 7.68.035, 9.94A-.140, 9.94A.142, 13.40.190, 7.68.020, and 7.68.070; creating a new section; adding a new section to chapter 7.68 RCW; providing an effective date; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 10, chapter 302, Laws of 1977 ex. sess. as last amended by section 13, chapter 443, Laws of 1985 and RCW 7.68.035 are each amended to read as follows:

(1) Whenever any person is found guilty in any superior court of having committed a crime, except as provided in subsection (2) of this section, there shall be imposed by the court upon such convicted person a penalty
assessment. The assessment shall be in addition to any other penalty or fine imposed by law and shall be seventy dollars for each case or cause of action that includes one or more convictions of a felony or gross misdemeanor and forty-five dollars for any case or cause of action that includes convictions of only one or more misdemeanors.

(2) The assessment imposed by subsection (1) of this section shall not apply to motor vehicle crimes defined in Title 46 RCW except those defined in the following sections: RCW 46.61.520, 46.61.522, 46.61.024, 46.52.090, 46.70.140, 46.65.090, 46.61.502, 46.61.504, 46.52.100, 46.20.410, 46.52.020, 46.10.130, 46.09.130, 46.61.525, 46.61.685, 46.61.530, 46.61.500, 46.61.015, 46.52.010, 46.44.180, 46.10.090(2), and 46.09.120(2).

(3) Whenever any person accused of having committed a crime posts bail in superior court pursuant to the provisions of chapter 10.19 RCW and such bail is forfeited, there shall be deducted from the proceeds of such forfeited bail a penalty assessment, in addition to any other penalty or fine imposed by law, equal to the assessment which would be applicable under subsection (1) of this section if the person had been convicted of the crime.

(4) Such penalty assessments shall be paid by the clerk of the superior court to the county treasurer who shall monthly transmit the money as provided in RCW 10.82.070. (Until June 30, 1987;) Each county shall deposit not less than one and seventy-five one-hundredths percent of the money it retains under RCW 10.82.070 and chapter 3.62 RCW and all money it receives under subsection (8) of this section into a fund maintained exclusively for the support of comprehensive programs to encourage and facilitate testimony by the victims of crimes and witnesses to crimes. (After that date, each county shall continue to provide for such comprehensive programs;) A program shall be considered "comprehensive" only after approval of the department upon application by the county prosecuting attorney. The department shall approve as comprehensive only programs which:

(a) Provide comprehensive services to victims and witnesses of all types of crime with particular emphasis on serious crimes against persons and property. It is the intent of the legislature to make funds available only to programs which do not restrict services to victims or witnesses of a particular type or types of crime and that such funds supplement, not supplant, existing local funding levels;

(b) Are administered by the county prosecuting attorney either directly through the prosecuting attorney's office or by contract between the county and agencies providing services to victims of crime;

(c) Make a reasonable effort to inform the known victim or his surviving dependents of the existence of this chapter and the procedure for making application for benefits;

(d) Assist victims in the restitution and adjudication process; and
(e) Assist victims of violent crimes in the preparation and presentation of their claims to the department of labor and industries under this chapter.

Before a program in any county west of the Cascade mountains is submitted to the department for approval, it shall be submitted for review and comment to each city within the county with a population of more than one hundred fifty thousand. The department will consider if the county's proposed comprehensive plan meets the needs of crime victims in cases adjudicated in municipal, district or superior courts and of crime victims located within the city and county.

(5) Upon submission to the department of a letter of intent to adopt a comprehensive program, the prosecuting attorney shall retain the money deposited by the county under subsection (4) of this section until such time as the county prosecuting attorney has obtained approval of a program from the department. Approval of the comprehensive plan by the department must be obtained within one year of the date of the letter of intent to adopt a comprehensive program. The county prosecuting attorney shall not make any expenditures from the money deposited under subsection (4) of this section until approval of a comprehensive plan by the department. If a county prosecuting attorney has failed to obtain approval of a program from the department under subsection (4) of this section or failed to obtain approval of a comprehensive program within one year after submission of a letter of intent under this section, the county treasurer shall monthly transmit one hundred percent of the money deposited by the county under subsection (4) of this section to the state treasurer for deposit in the public safety and education account established under RCW 43.08.250.

(6) County prosecuting attorneys are responsible to make every reasonable effort to insure that the penalty assessments of this chapter are imposed and collected.

(7) Penalty assessments under this section shall also be imposed in juvenile offense dispositions under Title 13 RCW. Upon motion of a party and a showing of good cause, the court may modify the penalty assessment in the disposition of juvenile offenses under Title 13 RCW.

(8) Every city and town shall transmit monthly one and seventy-five one-hundredths percent of all money, other than money received for parking infractions, retained under RCW 3.46.120, 3.50.100, and 35.20.220 to the county treasurer for deposit as provided in subsection (4) of this section. After that date, every city and town shall transmit to the county a percentage of such money, up to one and seventy-five one-hundredths percent, which matches the percentage of court revenue the county provides under subsection (4) of this section.

NEW SECTION. Sec. 2. A new section is added to chapter 7.68 RCW to read as follows:
If a defendant has paid restitution pursuant to court order under RCW 9.92.060, 9.95.210, or 9A.20.030 and the victim entitled to restitution cannot be found or has died, the clerk of the court shall deposit with the county treasurer the amount of restitution unable to be paid to the victim. The county treasurer shall monthly transmit the money to the state treasurer for deposit as provided in RCW 43.08.250. Moneys deposited under this section shall be used to compensate victims of crimes through the crime victims compensation fund.

Sec. 3. Section 14, chapter 137, Laws of 1981 as amended by section 5, chapter 192, Laws of 1982 and RCW 9.94A.140 are each amended to read as follows:

(1) If restitution is ordered, the court shall determine the amount of restitution due at the sentencing hearing or within sixty days and may set the terms and conditions under which the defendant shall make restitution. Restitution ordered by a court pursuant to a criminal conviction shall be based on easily ascertainable damages for injury to or loss of property, actual expenses incurred for treatment for injury to persons, and lost wages resulting from injury. Restitution shall not include reimbursement for damages for mental anguish, pain and suffering, or other intangible losses, but may include the costs of counseling reasonably related to the offense. The amount of restitution shall not exceed double the amount of the offender's gain or the victim's loss from the commission of the crime. For the purposes of this section, the offender shall remain under the court's jurisdiction for a maximum term of ten years subsequent to the imposition of sentence. The portion of the sentence concerning restitution may be modified as to amount, terms and conditions during the ten–year period, regardless of the expiration of the offender's term of community supervision and regardless of the statutory maximum for the crime. The offender's compliance with the restitution shall be supervised by the department.

(2) Restitution may be ordered whenever the offender is convicted of an offense which results in injury to any person or damage to or loss of property. In addition, restitution may be ordered to pay for an injury, loss, or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which are not prosecuted pursuant to a plea agreement.

(3) In addition to any sentence that may be imposed, a defendant who has been found guilty of an offense involving fraud or other deceptive practice or an organization which has been found guilty of any such offense may be ordered by the sentencing court to give notice of the conviction to the class of persons or to the sector of the public affected by the conviction or financially interested in the subject matter of the offense by mail, by advertising in designated areas or through designated media, or by other appropriate means.
(4) This section does not limit civil remedies or defenses available to the victim or defendant.

Sec. 4. Section 10, chapter 443, Laws of 1985 and RCW 9.94A.142 are each amended to read as follows:

(1) When restitution is ordered, the court shall determine the amount of restitution due at the sentencing hearing or within sixty days and shall set the terms and conditions under which the defendant shall make restitution. Restitution ordered by a court pursuant to a criminal conviction shall be based on easily ascertainable damages for injury to or loss of property, actual expenses incurred for treatment for injury to persons, and lost wages resulting from injury. Restitution shall not include reimbursement for damages for mental anguish, pain and suffering, or other intangible losses, but may include the costs of counseling reasonably related to the offense. The amount of restitution shall not exceed double the amount of the offender's gain or the victim's loss from the commission of the crime. For the purposes of this section, the offender shall remain under the court's jurisdiction for a maximum term of ten years subsequent to the imposition of sentence. The portion of the sentence concerning restitution may be modified as to amount, terms and conditions during the ten-year period, regardless of the expiration of the offender's term of community supervision and regardless of the statutory maximum for the crime. The offender's compliance with the restitution shall be supervised by the department.

(2) Restitution shall be ordered whenever the offender is convicted of an offense which results in injury to any person or damage to or loss of property unless extraordinary circumstances exist which make restitution inappropriate in the court's judgment and the court sets forth such circumstances in the record. In addition, restitution shall be ordered to pay for an injury, loss, or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which are not prosecuted pursuant to a plea agreement.

(3) In addition to any sentence that may be imposed, a defendant who has been found guilty of an offense involving fraud or other deceptive practice or an organization which has been found guilty of any such offense may be ordered by the sentencing court to give notice of the conviction to the class of persons or to the sector of the public affected by the conviction or financially interested in the subject matter of the offense by mail, by advertising in designated areas or through designated media, or by other appropriate means.

(4) This section does not limit civil remedies or defenses available to the victim, survivors of the victim, or defendant.

(5) This section shall apply to offenses committed after July 1, 1985.
Sec. 5. Section 73, chapter 291, Laws of 1977 ex. sess. as last amended by section 2, chapter 257, Laws of 1985 and RCW 13.40.190 are each amended to read as follows:

1) In its dispositional order, the court shall require the respondent to make restitution to any persons who have suffered loss or damage as a result of the offense committed by the respondent. In addition, restitution may be ordered for loss or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which, pursuant to a plea agreement, are not prosecuted. The payment of restitution shall be in addition to any punishment which is imposed pursuant to the other provisions of this chapter. The court may determine the amount, terms, and conditions of the restitution. Restitution may include the costs of counseling reasonably related to the offense. If the respondent participated in the crime with another person or other persons, all such participants shall be jointly and severally responsible for the payment of restitution. The court may not require the respondent to pay full or partial restitution if the respondent reasonably satisfies the court that he or she does not have the means to make full or partial restitution and could not reasonably acquire the means to pay such restitution. In cases where an offender has been committed to the department for a period of confinement exceeding fifteen weeks, restitution may be waived.

2) If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments.

3) A respondent under obligation to pay restitution may petition the court for modification of the restitution order.

(1) The state shall make payment of any underpayments within thirty days after the date the preliminary or final settlement report is submitted to the contractor.

(3) Within the cost centers of nursing services and food, all savings resulting from the respective allowable costs being lower than the respective reimbursement rate paid to the contractor during the report period shall be refunded. In computing a preliminary or final settlement, savings in a cost center may be shifted to cover a deficit in another cost center up to the amount of any savings: PROVIDED, That not more than twenty percent of the rate in a cost center may be shifted into that cost center and no shifting may be made into the property cost center.

(4) Within the cost centers of administration and operations and property, the contractor shall retain at least fifty percent, but not more than seventy-five percent, of any savings resulting from the respective audited allowable costs being lower than the respective reimbursement rates paid to the contractor during the report period multiplied by the number of authorized medical care client days in which said rates were in effect, except that no savings may be retained if reported costs in the property cost center and the administration and operations cost center exceed audited allowable costs by ten cents or more per patient day. The secretary, by rule and regulation, shall establish the basis for the specific percentages of savings to the contractors. Such rules and regulations may provide for differences in the percentages allowed for each cost center to individual facilities based on performance measures related to administrative efficiency.

(5) All allowances provided by RCW 74.46.530 shall be retained by the contractor. Any industrial insurance dividend or premium discount under RCW 51.16.035 shall be retained by the contractor to the extent that such dividend or premium discount is attributable to the contractor’s private patients.

(6) In the event the contractor fails to make repayment in the time provided in subsection (2) of this section, the department shall either:

(a) Deduct the amount of refund due, plus (any assessment of) interest, as determined by the secretary, accrued under RCW 43.20A.435, from payment amounts due the contractor; or

(b) In the instance the contract has been terminated, (i) deduct the amount of refund due, plus (an assessment of) interest, as determined by the secretary, assessed at the rate and in the manner provided in RCW 43.20A.435, from any payments due; or (ii) recover the amount due, plus any interest, as determined by the secretary, on the amount

(7) Where the facility is pursuing timely-filed judicial or administrative remedies in good faith regarding settlement issues, the contractor need not refund nor shall the department withhold from the facility current payment amounts the department claims to be due from the facility but which are specifically disputed by the contractor. If the judicial or administrative remedy sought by the facility is not granted after all appeals are exhausted or mutually terminated, the facility shall make payment of such amounts due plus interest accrued from the date of filing of the appeal, as payable on judgments, within sixty days of the date such decision is made.

NEW SECTION. Sec. 10. (1) The department may, at the secretary's discretion, secure the repayment of any outstanding overpayment, plus interest, if any, through the filing of a lien against the vendor's real property, or by requiring the posting of a bond, assignment of deposit, or some other form of security acceptable to the department, or by doing both.

(a) Any lien shall be effective from the date of filing for record with the county auditor of the county in which the property is located and the lien claim shall have preference over the claims of all unsecured creditors.

(b) The department shall review and determine the acceptability of all other forms of security.

(c) Any bond must be issued by a company licensed as a surety in the state of Washington.

(d) This subsection does not apply to nursing homes licensed under chapter 18.51 RCW or portions of hospitals licensed under chapter 70.41 RCW and operating as a nursing home, if those facilities are subject to chapter 74.46 RCW.

(2) The department may recover any overpayment, plus interest, if any, by setoff or recoupment against subsequent payments to the vendor.

NEW SECTION. Sec. 11. Liens created under section 10 of this act shall bind the affected property for a period of ten years after the lien has been recorded or ten years after the resolution of all good faith disputes as to the overpayment, whichever is later. Any civil action by the department to enforce such lien must be timely commenced before the ten-year period expires or the lien shall be released. A civil action to enforce such lien shall not be timely commenced unless the summons and complaint are filed within the ten-year period in a court having jurisdiction and service of the summons and complaint is made upon all parties in the manner prescribed by appropriate civil court rules.

NEW SECTION. Sec. 12. The remedies under sections 10 and 11 of this act are nonexclusive and nothing contained in this chapter may be construed to impair or affect the right of the department to maintain a civil
action or to pursue any other remedies available to it under the laws of this state to recover such debt.

NEW SECTION. Sec. 13. A new section is added to chapter 74.09 RCW to read as follows:

(1) The department is authorized to recover the cost of medical care provided to a recipient who was sixty-five years or older, upon the recipient's death except:

   (b) Where there is a surviving child under 21 years of age or blind or disabled as defined in the state plan under Title XIX of the social security act; or
   
   (c) To the extent of the first fifty thousand dollars of the estate value at the time of death, where there are surviving children other than as defined above, and not to exceed thirty-five percent of the remainder.

(2) The department may assert and enforce a claim against the estate of the deceased recipient for the debt in subsection (1) of this section, in accordance with chapter 11.40 RCW.

(3) The remedies in subsection (2) of this section are nonexclusive and upon the death of the recipient, the department shall have a lien for the debt in subsection (1) of this section. The lien attaches to the real property of which the deceased recipient was seized immediately before death. Upon subsequent filing of the notice thereof with the county auditor of the county in which the real property is located, the lien shall be deemed to relate back and be effective against such property as of the date of the recipient's death. Recovery under the lien shall be upon the sale or transfer of the subject property.

Sec. 14. Section 74.09.180, chapter 26, Laws of 1959 as last amended by section 14, chapter 171, Laws of 1979 ex. sess. and RCW 74.09.180 are each amended to read as follows:

any tort feasor and/or insurer of such tort feasor, or (b) any contract of insurance, purchased by the recipient or any other person, providing coverage to such recipient for said injuries, any illness, dental costs, costs incident to birth, or any other coverage for purposes of or costs for which the department provides assistance or meets all or part of the cost of care to a vendor, to the extent of the assistance furnished by said department to the recipient. If a recovery shall be made and the subrogation or lien is satisfied either in full or in part as a result of an independent action initiated by or on behalf of a recipient to recover the personal injuries against any tort feasor or insurer, then and in that event the amount repaid to the state of Washington as a result of said action, whether concluded by entry of a judgment or compromise and settlement, shall bear its proportionate share of attorney's fees and costs incurred by the injured recipient or his widow, children, or dependents, as the case may be, to the extent that such attorney's fees and costs are approved by the court in which the action is initiated, and upon notice to the department which shall have the right to be heard on the matter.

NEW SECTION. Sec. 15. A new section is added to chapter 43.20A RCW to read as follows:

Any action to enforce a vendor overpayment debt shall be commenced within six years from the date of the department's notice to the vendor.

NEW SECTION. Sec. 16. CHAPTER 284

[Substitute Senate Bill No. 5393]

UNEMPLOYMENT—OLDER UNEMPLOYED AND LONG-TERM UNEMPLOYED ARE MADE A PRIORITY FOR CERTAIN EMPLOYMENT SECURITY DEPARTMENT SERVICES—ANNUAL REPORT ON RE-EMPLOYMENT OF THE UNEMPLOYED

An act relating to unemployment; amending RCW 50.62.010, 50.62.020, and 50.62.030; adding a new section to chapter 50.12 RCW; adding a new section to chapter 50.62 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 1, chapter 5, Laws of 1985 ex. sess. and RCW 50.62.010 are each amended to read as follows:

The legislature finds and declares that:

(1) The number of persons unemployed in the state is significantly above the national average.

(2) Persons who are unemployed represent a skilled resource to the economy and the quality of life for all persons in the state.

(3) There are jobs available in the state that can be filled by unemployed persons.

(4) A public labor exchange can appreciably expedite the employment of unemployed job seekers and filling employer vacancies thereby contributing to the overall health of the state and national economies.

(5) The Washington state job service of the employment security department has provided a proven service of assisting persons to find employment for the past fifty years.

(6) Expediting the reemployment of unemployment insurance claimants will reduce payment of claims drawn from the state unemployment insurance trust fund.

(7) Increased emphasis on assisting in the reemployment of claimants and monitoring claimants' work search efforts will positively impact employer tax rates resulting from the recently enacted experience rating legislation, chapter 205, Laws of 1984.

(8) Special employment service efforts are necessary to adequately serve agricultural employers who have unique needs in the type of workers, recruitment efforts, and the urgency of obtaining sufficient workers.

(9) Study and research of issues related to employment and unemployment provides economic information vital to the decision-making process.

(10) Older workers and the long-term unemployed experience greater difficulty finding new employment at wages comparable to their prelayoff earnings relative to all unemployment insurance claimants who return to work.

(11) After a layoff, older unemployed workers and the long-term unemployed workers fail to find unemployment insurance-covered employment.
at a much higher rate than other groups of unemployment insurance claimants.

The legislature finds it necessary and in the public interest to establish a program of job service to assist persons drawing unemployment insurance claims to find employment, to provide employment assistance to the agricultural industry, and to conduct research into issues related to employment and unemployment.

Sec. 2. Section 2, chapter 5, Laws of 1985 ex. sess. and RCW 50.62-.020 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

1) "Job service" means the employment assistance program of the employment security department;
2) "Employment assistance" means services to unemployed persons focused on and measured by the obtaining of employment;
3) "Labor exchange" means those activities which match labor supply and labor demand, including recruitment, screening, and referral of qualified workers to employers;
4) "Special account of the administrative contingency fund" means that fund under RCW 50.24.014 established within the administrative contingency fund of the employment security department which provides revenue for the purposes of this chapter.
5) "Continuous wage and benefit history" means an information and research system utilizing a longitudinal data base containing information on both employment and unemployment.
6) "Long-term unemployed" means demographic groups of unemployment insurance claimants identified by the employment security department pursuant to section 4(1)(e) of this 1987 act which have the highest percentages of persons who have drawn at least fifteen weeks of unemployment insurance benefits or have the highest percentage of persons who have exhausted their unemployment insurance benefits.
7) "Older unemployed workers" means unemployment insurance claimants who are at least fifty years of age.

Sec. 3. Section 3, chapter 5, Laws of 1985 ex. sess. and RCW 50.62-.030 are each amended to read as follows:

Job service resources shall be used to assist with the reemployment of unemployed workers using the most efficient and effective means of service delivery. The job service program of the employment security department may undertake any program or activity for which funds are available and which furthers the goals of this chapter. These programs and activities may include, but are not limited to:

1) Giving older unemployed workers and the long-term unemployed the highest priority for all services made available under this section. The employment security department shall make the services provided under this
chapter available to the older unemployed workers and the long-term unemployed as soon as they register under the employment assistance program;

(2) Supplementing basic employment services, with special job search and claimant placement assistance designed to assist unemployment insurance claimants to obtain employment;

(((2))) (3) Providing employment services, such as recruitment, screening, and referral of qualified workers, to agricultural areas where these services have in the past contributed to positive economic conditions for the agricultural industry;

(((3))) (4) Providing otherwise unobtainable information and analysis to the legislature and program managers about issues related to employment and unemployment; and

(((4))) (5) To research and consider the degree to which the employment security department can contract with private employment agencies, private for-profit and not-for-profit organizations in the fields of job placement, vocational counseling, career development, career change and employment preparation on a fee for service-performance basis.

NEW SECTION. Sec. 4. A new section is added to chapter 50.62 RCW to read as follows:

(1) Each year the employment security department shall publish an annual report on the unemployed based on research conducted on the continuous usage and benefit history and other sources that identifies:

(a) The demographic groups of unemployment insurance claimants that experience the greatest difficulty finding new employment with wages comparable to their prelayoff earnings;

(b) The demographic groups of unemployment insurance claimants that have the highest rates of failure to find unemployment insurance covered employment after a layoff;

(c) The demographic, industry, and employment characteristics of the unemployment insurance claimant population most closely associated with the exhaustion of an unemployment claim;

(d) The demographic, industry, and employment characteristics of those locked-out workers who are eligible for unemployment compensation under RCW 50.20.090; and

(e) The demographic groups which are defined as the "long-term unemployed" for purposes of this chapter. This listing shall be updated each year.

(2) The employment security department shall continue to fund the continuing wage and benefit history at a level necessary to produce the annual report described in subsection (1) of this section.

NEW SECTION. Sec. 5. A new section is added to chapter 50.12 RCW to read as follows:
The employment security department shall submit an annual report to the legislature and the governor that includes but is not limited to:

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 2, chapter 30, Laws of 1983 1st ex. sess. and RCW 29.10.125 are each amended to read as follows:

Registration of a person as a voter is presumptive evidence of his or her right to vote at any primary or election, general or special. A person's right to vote may be challenged at the polls only by a precinct election officer. A challenge may be made only upon the belief or knowledge of the challenging officer that the voter is unqualified. The challenge must be supported by evidence or testimony given to the county canvassing board under RCW 29.10.127 and may not be based on unsupported allegations or allegations by anonymous third parties. The identity of the challenger, and any third person involved in the challenge, shall be public record and shall be announced at the time the challenge is made.

Challenges initiated by a registered voter (subject to the following conditions):

(1) Challenges on grounds other than residence may be made at the polls and the person challenged may be required then and there to establish his or her right to vote to the precinct election officers;

(2) Challenges on the grounds of residence alone must be filed not later than (seven) the day before any primary or election, general or special, at the office of the appropriate county auditor. A challenged voter may properly transfer or reregister until three days before the primary or election, general or special, by applying personally to the county auditor.

Sec. 2. Section 3, chapter 30, Laws of 1983 1st ex. sess. and RCW 29.10.127 are each amended to read as follows:

When the right of a person has been challenged under RCW 29.10.125 or 29.10.130(2), the challenged person shall be permitted to vote a ballot which shall be placed in a sealed envelope separate from other voted ballots. In precincts where voting machines are used, any person whose right to vote is challenged under RCW 29.10.125 or 29.10.130(2) shall be furnished with a paper ballot, which shall be placed in a sealed envelope after being marked. Included with the challenged ballot shall be (1) an affidavit filed under RCW 29.10.130 challenging the person's right to vote or (2) an...
 affidavit signed by the precinct election officer and any third party involved in the officer's challenge and stating the reasons the voter is being challenged. The sealed ballots of challenged voters shall be transmitted at the close of the election to the canvassing board or other authority charged by law with canvassing the returns of the particular primary or election. The county auditor shall notify the challenger and the challenged voter, by certified mail, of the time and place at which the county canvassing board will meet to rule on challenged ballots. If the challenge is made by a precinct election officer under RCW 29.10.125, the officer must appear in person before the board unless he or she has received written authorization from the canvassing board to submit an affidavit supporting the challenge. If the challenging officer has based his or her challenge upon evidence provided by a third party, that third party must appear with the challenging officer before the canvassing board, unless he or she has received written authorization from the canvassing board to submit an affidavit supporting the challenge. If the challenge is filed under RCW 29.10.130, the challenger must either appear in person before the board or submit an affidavit supporting the challenge. The challenging party must prove to the canvassing board by clear and convincing evidence that the challenged voter's registration is improper. If the challenging party fails to meet this burden, the challenged ballot shall be accepted as valid and counted. The canvassing board shall give the challenged voter the opportunity to present testimony, either in person or by affidavit, and evidence to the canvassing board before making their determination. All challenged ballots must be determined no later than the time of canvassing for the particular primary or election. The decision of the canvassing board or other authority charged by law with canvassing the returns shall be final. Challenges of absentee ballots shall be determined according to RCW 29.36.100.

Sec. 3. Section 2, chapter 156, Laws of 1965 ex. sess. as last amended by section 4, chapter 30, Laws of 1983 1st ex. sess. and RCW 29.10.130 are each amended to read as follows:

(1) Any registered voter may request that the registration of another voter be canceled if he or she believes that the voter does not meet the requirements of Article VI, section 1 of the state Constitution or that voter no longer maintains a legal voting residence at the address shown on his or her registration record. The challenger shall (sign a form) file with the county auditor a signed affidavit subject to the penalties of perjury, to the effect that to his or her personal knowledge and belief another registered voter does not actually reside at the address as given on his or her registration record or is otherwise not a qualified voter and that the voter in question is not protected by the provisions of Article VI, section 4, of the Constitution of the state of Washington. The person filing the challenge must furnish the address at which the challenged voter actually resides (in order to assure that proper notice will be received by the challenged voter)).
(2) Any such challenge of a voter's registration and right to vote made less than thirty days before a primary or election, special or general, shall be administered under RCW 29.10.127. The county auditor shall notify the challenged voter and the precinct election officers in the voter's precinct that a challenge has been filed, provide the name of the challenger, and instruct both the precinct election officers and the voter that, in the event the challenged voter desires to vote at the ensuing primary or election, a challenged ballot will be provided. The voter shall also be informed that the status of his or her registration and the disposition of any challenged ballot will be determined by the county canvassing board in the manner provided by RCW 29.10.127. If the challenged voter does not vote at the ensuing primary or election, the challenge shall be processed in the same manner as challenges made more than thirty days prior to the primary or election under RCW 29.10.140.

Sec. 4. Section 3, chapter 156, Laws of 1965 ex. sess. as last amended by section 5, chapter 30, Laws of 1983 1st ex. sess. and RCW 29.10.140 are each amended to read as follows:

All challenges of voter registration under RCW 29.10.130 made thirty days or more before a primary or election, general or special, shall be delivered to the appropriate county auditor who shall ((send)) notify the challenged voter, by certified mail, ((a notice of intent to cancel the registration on account of a challenged registration is)) that his or her voter registration has been challenged. The notification shall be mailed to the address at which the challenged voter is registered, any address provided by the challenger under RCW 29.10.130, and to any other address at which the individual whose registration is being challenged is alleged to reside or at which the county auditor would reasonably expect that individual to receive notice of the challenge of his or her voter registration. Included in the notification shall be a request that the challenged voter appear at a hearing to be held within ten days of the mailing of the request, at the place, day, and hour stated in the request, in order to determine the validity of his or her registration. The challenger shall be provided with a copy of this notification and request. If either the challenger or the challenged voter is unable to appear in person, he or she may file a reply by means of an affidavit stating under oath the reasons he or she believes the registration to be invalid or valid (and if the challenger is unable to appear in person he or she may file a statement by means of affidavit stating the reasons he or she believes the registration to be invalid)).
If both the challenger and the challenged voter file affidavits instead of appearing in person, an evaluation of the affidavits by the county auditor constitutes a hearing for the purposes of this section.

The county auditor shall hold a hearing at which time both parties may present their facts and arguments. After reviewing the facts and arguments, including any evidence submitted by either side, the county auditor shall rule as to the validity or invalidity of the challenged registration. His or her ruling is final subject only to a petition for judicial review by the superior court under chapter 34.04 RCW. If either party, or both parties, fail to appear at the meeting or fail to file an affidavit, the registration in question may remain in full effect as determined by the county auditor. If the challenged voter fails to appear at the meeting or fails to file an affidavit, then the registration shall be canceled and the voter so notified) county auditor shall determine the status of the registration based on his or her evaluation of the available facts.

AN ACT Relating to the annexation of areas currently served by a public utility district; amending RCW 54.12.010 and 54.04.035; and adding a new section to chapter 54.04 RCW.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 4, chapter 1, Laws of 1931 as last amended by section 37, chapter 126, Laws of 1979 ex. sess. and RCW 54.12.010 are each amended to read as follows:

Within ten days after such election, the county canvassing board shall canvass the returns, and if at such election a majority of the voters voting upon such proposition shall vote in favor of the formation of such district, the canvassing board shall so declare in its canvass of the returns of such election, and such public utility district shall then be and become a municipal corporation of the state of Washington, and the name of such public utility district shall be Public Utility District No. ...... of ............ County. The powers of the public utility district shall be exercised through a commission consisting of three members in three commissioner districts, and five members in five commissioner districts. When the public utility district
is coextensive with the limits of such county, then, at the first election of commissioners and until any change shall have been made in the boundaries of public utility district commissioner districts, one public utility district commissioner shall be chosen from each of the three county commissioner districts of the county in which the public utility district is located if the county is not operating under a "Home Rule" charter. When the public utility district comprises only a portion of the county, with boundaries established in accordance with chapter 54.08 RCW, or when the public utility district is located in a county operating under a "Home Rule" charter, three public utility district commissioner districts, numbered consecutively, having approximately equal population and boundaries, following ward and precinct lines, as far as practicable, shall be described in the petition for the formation of the public utility district, which shall be subject to appropriate change by the county legislative authority if and when they change the boundaries of the proposed public utility district, and one commissioner shall be elected from each of said public utility district commissioner districts. In all five commissioner districts an additional commissioner at large shall be chosen from each of the two at large districts. No person shall be eligible to be elected to the office of public utility district commissioner for a particular district commissioner district unless he is a registered voter of the public utility district commissioner district or at large district from which he is elected.

Except as otherwise provided, the term of office of each public utility district commissioner other than the commissioners at large shall be six years, and the term of each commissioner at large shall be four years. Each term shall be computed in accordance with RCW 29.04.170 following the commissioner's election. One commissioner at large and one commissioner from a commissioner district shall be elected at each general election held in an even-numbered year for the term of four years and six years respectively. All candidates shall be voted upon by the entire public utility district.

When a public utility district is formed, three public utility district commissioners shall be elected at the same election at which the proposition is submitted to the voters as to whether such public utility district shall be formed. If the general election adopting the proposition to create the public utility district was held in an even-numbered year, the commissioner residing in commissioner district number one shall hold office for the term of six years; the commissioner residing in commissioner district number two shall hold office for the term of four years; and the commissioner residing in commissioner district number three shall hold office for the term of two years. If the general election adopting the proposition to create the public utility district was held in an odd-numbered year, the commissioner residing in commissioner district number one shall hold office for the term of five years, the commissioner in district two shall hold office for the term of three years, and the commissioner in district three shall hold office for the term of
The commissioners first to be elected as above provided shall hold office from the first day of the month following the commissioners' election and their respective terms of office shall be computed from the first day of January next following the election.

All public utility district commissioners shall hold office until their successors shall have been elected and have qualified and assume office in accordance with RCW 29.04.170. A filing for nomination for public utility district commissioner shall be accompanied by a petition signed by one hundred registered voters of the public utility district which shall be certified by the county auditor to contain the required number of registered voters, and shall otherwise be filed in accord with the requirements of RCW 29.21.060. At the time of filing such nominating petition, the person so nominated shall execute and file a declaration of candidacy subject to the provisions of RCW 29.21.060, as now or hereafter amended. The petition and each page of the petition shall state whether the nomination is for a commissioner from a particular commissioner district or for a commissioner at large and shall state the districts; otherwise it shall be void. A vacancy in the office of public utility district commissioner shall occur by death, resignation, removal, conviction of a felony, nonattendance at meetings of the public utility district commission for a period of sixty days unless excused by the public utility district commission, by any statutory disqualification, or by any permanent disability preventing the proper discharge of his duty. In the event of a vacancy in said office, such vacancy shall be filled at the next general election held in an even-numbered year, the vacancy in the interim to be filled by appointment by the remaining commissioners. If more than one vacancy exists at the same time in a three commissioner district, or more than two in a five commissioner district, a special election shall be called by the county canvassing board upon the request of the remainder, or, that failing, by the county election board, such election to be held not more than forty days after the occurring of such vacancies.

A majority of the persons holding the office of public utility district commissioner at any time shall constitute a quorum of the commission for the transaction of business, and the concurrence of a majority of the persons holding such office at the time shall be necessary and shall be sufficient for the passage of any resolution, but no business shall be transacted, except in usual and ordinary course, unless there are in office at least a majority of the full number of commissioners fixed by law.

The boundaries of the public utility district commissioners' district may be changed only by the public utility district commission, and shall be examined every ten years to determine substantial equality of population, but said boundaries shall not be changed oftener than once in four years, and only when all members of the commission are present. Whenever territory is added to a public utility district under RCW 54.04.035, the boundaries of the public utility commissioners' districts shall be changed to include such
additional territory. The proposed change of the boundaries of the public utility district commissioners' district must be made by resolution and after public hearing. Notice of the time of a public hearing thereon shall be published for two weeks prior thereto. Upon a referendum petition signed by ten percent of the qualified voters of the public utility district being filed with the county auditor, the county legislative authority shall submit such proposed change of boundaries to the voters of the public utility district for their approval or rejection. Such petition must be filed within ninety days after the adoption of resolution of the proposed action. The validity of said petition shall be governed by the provisions of chapter 54.08 RCW.

Sec. 2. Section 1, chapter 101, Laws of 1983 and RCW 54.04.035 are each amended to read as follows:

In addition to other powers authorized in Title 54 RCW, public utility districts may annex territory as provided in this section.

The boundaries of a public utility district may be enlarged and new contiguous territory added pursuant to the procedures for annexation by cities and towns provided in RCW 35.13.015 through (35.13.16) 35.13-.110. The provisions of these sections concerning community municipal corporations, review boards, and comprehensive plans, however, do not apply to public utility district annexations. For purposes of conforming with such procedures, the public utility district is deemed to be the city or town and the board of commissioners is deemed to be the city or town legislative body.

Annexation procedures provided in this section may only be used to annex territory(, not located in another public utility district;)) that is both: (1) Contiguous to the annexing public utility district; and (2) located within the service area of the annexing public utility district. As used in this section, a public utility district's "service area" means those areas whether located within or outside of the annexing public utility district's boundaries that (are) were generally served with electrical energy by the annexing public utility district on January 1, 1987. Such service area may, or may not, (be) have been recognized in an agreement made under chapter 54.48 RCW, but no area may be included within such service area (shall not be provided) that was generally served with electrical energy on January 1, 1987, by another public utility as defined in RCW 54.48.010. An area proposed to be annexed may be located in the same or a different county as the annexing public utility district.

If an area proposed to be annexed is located within the boundaries of another public utility district, annexation may be initiated only upon petition of registered voters residing in the area in accordance with RCW 35-.13.020 and adoption by the boards of commissioners of both districts of identical resolutions stating (a) the boundaries of the area to be annexed, (b) a determination that annexation is in the public interest of the residents of the area to be annexed as well as the public interest of their respective
districts, (c) approval of annexation by the board, (d) the boundaries of the districts after annexation, (e) the disposition of any assets of the districts in the area to be annexed, (f) the obligations to be assumed by the annexing district, (g) apportionment of election costs, and (h) that voters in the area to be annexed will be advised of lawsuits that may impose liability on the annexed territory and the possible impact of annexation on taxes and utility rates.

If annexation is approved, the area annexed shall cease to be a part of the one public utility district at the same time that it becomes a part of the other district. The annexing public utility district shall assume responsibility for providing the area annexed with the services provided by the other public utility district in the area annexed.

NEW SECTION. Sec. 3. A new section is added to chapter 54.04 RCW to read as follows:

When territory has been added to a public utility district in accordance with RCW 54.04.035, the supervisor of elections and other officers of the county in which the public utility district first operated shall coordinate elections, the levy and collection of taxes, and other necessary duties with the appropriate county officials of the other county.

[Engrossed Substitute House Bill No. 373]
RURAL DEVELOPMENT—STUDY ON OFFICE-INTENSIVE INDUSTRY FEASIBILITY AND TELECOMMUNICATIONS INFRASTRUCTURE

AN ACT Relating to rural development; amending RCW 80.36.380; creating new sections; and making an appropriation.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. It is the intent of the legislature to:

(1) Promote economic development in the rural community through the use of telecommunications;

(2) Find ways to diversify the rural economy by using information-intensive service-sector type businesses; and

(3) Find ways to use telecommunications applications to stimulate the economy in agricultural areas.

The legislature therefore directs the department of community development, and the utilities and transportation commission, to investigate the feasibility of introducing office-intensive industry into agriculturally based rural communities in Washington state.
NEW SECTION. Sec. 2. In its study, the department of community development shall:

(1) Examine the trends in office-intensive industry and the extent to which the industry decentralizes its facilities to determine how locating such facilities in rural areas can benefit the industry and the communities in which such facilities are located.

(2) Compare the cost of locating the office sector work for these industries in the rural community to conducting the work in a nearby urban setting in Washington state. The department shall base this comparison on a specific agriculturally based rural community in this state. This comparison should include:
   (a) Cost of labor;
   (b) Turn-over rates;
   (c) Availability and cost of office space;
   (d) Occupancy costs;
   (e) Availability and qualification of labor force; and
   (f) Such other factors found pertinent to the study.

(3) Determine whether the rural community has the sufficient telecommunications infrastructure to accommodate the potential facilities. The department should consider:
   (a) The type of local exchange facilities available;
   (b) The level of sophistication of central office switching technology;
   (c) The type, availability, and choice of long distance carriers; and
   (d) A comparison of party line and private line technology and cost.

(4) Determine the feasibility and the advantages and disadvantages of an industry locating its office sector branch in a rural community as opposed to a local entrepreneur setting up the branch and contracting with the industry to supply office services.

NEW SECTION. Sec. 3. (1) The utilities and transportation commission shall conduct a study to determine the number of party versus private lines in the rural community selected for study under section 2 of this act, and determine the cost, feasibility, and desirability of converting to private lines. This information shall be supplied to the department of community development.

(2) The department of community development and the utilities and transportation commission shall jointly develop recommendations for a program to update rural communities about telecommunications and computer applications to farming, logging, wood products manufacturing, and aquaculture and fishing enterprises.

NEW SECTION. Sec. 4. The department of community development and the utilities and transportation commission shall submit the results of their studies and their recommendations to the governor and the senate and house committees on energy and utilities by January 1, 1988.
NEW SECTION. Sec. 5. As we become an information-based society, the communications channels that serve us become part of the state's infrastructure. They are our highways and pathways to progress. No segment of this state must be unable to avail itself of communications facilities. In order to be able to promote economic development in the rural community through the use of telecommunications, the legislature further directs the utilities and transportation commission to conduct a study of the state's telecommunications infrastructure.

Sec. 6. Section 41, chapter 450, Laws of 1985 and RCW 80.36.380 are each amended to read as follows:

The commission shall provide the legislature with an annual report on the status of the Washington telecommunications industry. The report shall describe the competitiveness of all markets as defined by the commission; the availability of diverse and affordable telecommunications services to all people of Washington, particularly to customers in rural or sparsely populated areas; and the level of rates for local exchange and interexchange telecommunications service. The report also shall address the quality and extent of the state's telecommunications infrastructure. The report also shall address the question of whether competition in certain markets has developed to such an extent that the commission recommends additional regulatory flexibility such as detariffing or total deregulation and the evidence therefore; and the need for further legislation to achieve the purposes of RCW 80.36.300 through 80.36.370 and 80.04.010. The commission shall also monitor cost of service methodologies and shall recommend to the legislature whether cost of service ratemaking shall become a standard for telecommunications services.

NEW SECTION. Sec. 7. The sum of forty-two thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1989, from the general fund to the department of community development for the purposes of this act.

Passed the Senate April 8, 1987.
Approved by the Governor May 8, 1987.
Filed in Office of Secretary of State May 8, 1987.

WASHINGTON LAWS, 1987

I am returning herewith, without my approval as to portions of section 9 and all of section 10, House Bill No. 954, entitled:

AN ACT Relating to genderless designations in some of the elections statutes.

Parts of section 9 of this bill conflict with amendments to RCW 29.36.030 contained in section 11 of Substitute House Bill No. 614. Section 10 of this bill conflicts with section 15 of Substitute House Bill No. 614. In order to avoid confusion in the code, I have vetoed most of section 9 and all of section 10. With these exceptions, House Bill No. 954 is approved.

CHAPTER 296
[Senate Bill No. 5693]
VOTING—EMPLOYERS TO PROVIDE WORKERS WITH AN OPPORTUNITY TO VOTE

AN ACT Relating to voting access; and adding a new section to chapter 49.28 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 49.28 RCW to read as follows:

(1) Except as provided in subsection (2) of this section, every employer shall arrange employees' working hours on the day of a primary or election, general or special, so that each employee will have a reasonable time up to two hours available for voting during the hours the polls are open as provided by RCW 29.13.080.

If an employee's work schedule does not give the employee two free hours during the time the polls are open, not including meal or rest breaks, the employer shall permit the employee to take a reasonable time up to two hours from the employee's work schedule for voting purposes. In such a case, the employer shall add this time to the time for which the employee is paid.

(2) The provisions of this section apply only if, during the period between the time an employee is informed of his or her work schedule for a primary or election day and the date of the primary or election, there is insufficient time for an absentee ballot to be secured for that primary or election.

Passed the Senate April 21, 1987.
Approved by the Governor May 8, 1987.
Filed in Office of Secretary of State May 8, 1987.
AN ACT Relating to private activity bond allocation; amending RCW 39.44.200; adding new sections to chapter 39.86 RCW; creating new sections; repealing RCW 39.86.010, 39.86.020, 39.86.030, 39.86.031, 39.86.040, 39.86.050, 39.86.060, 39.86.070, 39.86.900, 39.86.901, 39.86.902, 39.86.903, and 39.86.904; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. LEGISLATIVE FINDINGS AND POLICY. The federal tax reform act of 1986 imposes an annual ceiling on the aggregate amount of federally tax-exempt private activity bonds, including bonds for housing, student loans, exempt facilities, small issue industrial, redevelopment, and certain public utility projects, that may be issued during any calendar year by or on behalf of states and their political subdivisions. The tax reform act of 1986 establishes a private activity bond ceiling for each state of seventy-five dollars per capita for 1987 and of fifty dollars per capita for 1988 and each year thereafter. However, a study by the department of community development indicates that the dollar amount of the state ceiling is considerably less than the anticipated dollar amount for which issuers would need an allocation from the state ceiling. The tax reform act of 1986 provides a formula for allocating the annual ceiling among various issuers of private activity bonds within a state, but permits each state to enact a different allocation method that is appropriate to that state's needs. The purpose of this chapter is to provide a flexible and efficient method of allocating the annual state ceiling in Washington in a manner that recognizes the need of the state and its political subdivisions to finance activities or projects that satisfy a substantial public purpose.

(2) Initial allocations may be modified by the agency only to reflect an issuer's carryforward amount. Any reduction of the initial allocation shall be added to the remainder and be available for allocation or reallocation.

(3) The remainder shall be allocated by the agency among one or more issuers from any bond use category with regard to the criteria specified in section 4 of this act.

(4) Should any bond use category no longer be subject to the state ceiling due to federal or state provisions of law, the agency shall divide the amount of that initial allocation among the remaining categories as necessary or appropriate with regard to the criteria specified in section 4 of this act.

(5)(a) Prior to September 1 of each calendar year, any available portion of an initial allocation may be allocated or reallocated only to an issuer within the same bond use category, except that the remainder category, or portions thereof, may be allocated at any time to any bond use category.

(b) Beginning September 1 of each calendar year, the agency may allocate or reallocate any available portion of the state ceiling to any bond use category with regard to the criteria specified in section 4 of this act.

NEW SECTION. Sec. 4. CRITERIA. (1) In granting an allocation, reallocation, or carryforward of the state ceiling as provided in this chapter, the agency shall consider existing state priorities and other such criteria, including but not limited to, the following criteria:

(a) Need of issuers to issue private activity bonds within a bond use category;

(b) Amount of the state ceiling available;

(c) Public benefit and purpose to be satisfied, including economic development, educational opportunity, and public health, safety, or welfare;

(d) Cost or availability of alternative methods of financing for the project or program; and

(e) Certainty of using the allocation which is being requested.
In determining whether to allocate an amount of the state ceiling to an issuer within any bond use category, the agency shall consider, but is not limited to, the following criteria for each of the bond use categories:

(a) Housing: Criteria which comply with RCW 43.180.200.
(b) Student loans: Criteria which comply with the applicable provisions of Title 28B RCW and rules adopted by the higher education coordinating board or applicable state agency dealing with student financial aid.
(c) Small issue: Recommendation by the board regarding how the amount of the state ceiling set aside for the small issue bond use category shall be allocated among issuers. Factors may include:
   (i) The number of employment opportunities the project is likely to create or retain in relation to the amount of the bond issuance;
   (ii) The level of unemployment existing in the geographic area likely to be affected by the project;
   (iii) A commitment to providing employment opportunities to low-income persons in cooperation with the employment security department;
   (iv) Geographic distribution of projects;
   (v) The number of persons who will benefit from the project;
   (vi) Consistency with criteria identified in subsection (1) of this section;
   (vii) Order in which requests were received; and
   (viii) Requirements of the board's umbrella bond program.
(d) Exempt facility or redevelopment: Factors which may include:
   (i) State issuance needs;
   (ii) Consistency with criteria identified in subsection (1) of this section;
   (iii) Order in which requests were received;
   (iv) The proportionate number of persons in relationship to the size of the community who will benefit from the project; and
   (v) The unique timing and issuance needs of large scale projects that may require allocations in more than one year.
(e) Public utility: Factors which may include:
   (i) Consistency with criteria identified in subsection (1) of this section; and
   (ii) Timing needs for issuance of bonds over a multi-year period.

NEW SECTION. Sec. 5. PROCEDURE FOR OBTAINING STATE CEILING ALLOCATION. (1) No issuer may receive an allocation of the state ceiling without a certificate of approval from the agency.

(2)(a) For each state ceiling allocation request, an issuer shall submit to the agency, no sooner than ninety days prior to the beginning of a calendar year for which an allocation of the state ceiling is being requested, a form identifying:
   (i) The amount of the allocation sought;
   (ii) The bond use category from which the allocation sought would be made;
(iii) The project or program for which the allocation is requested;
(iv) The financing schedule for which the allocation is needed; and
(v) Any other such information required by the agency, including in-
    formation which corresponds to the allocation criteria of section 4 of this
    act.

(b) Nothing in (a) of this subsection precludes a public utility issuer
    from filing and the agency from considering a request at such times as may
    be appropriate in order to meet the criteria set forth in section 4(2)(e)(ii)
    of this act.

(3) The agency may approve or deny an allocation for all or a portion
    of the issuer's request. Any denied request, however, shall remain on file
    with the agency for the remainder of the calendar year and shall be consid-
    ered for receiving any allocation, reallocation, or carryforward of unused
    portions of the state ceiling during that period.

(4) After receiving an allocation request, the agency shall mail to the
    requesting issuer a written certificate of approval or notice of denial for an
    allocation amount, by a date no later than the latest of the following:

    (a) Forty-five days from the effective date of this section;

    (b) February 1 of the calendar year, other than 1987, for which the
        request is made;

    (c) Fifteen days from the date the agency receives an allocation re-
        quest; or

    (d) Fifteen days from the date the agency receives a recommendation
        by the board with regard to a small issue allocation request, should the
        board choose to review individual requests.

(5)(a) For requests of the state ceiling of any calendar year, the fol-
    lowing applies to all bond use categories except housing and student loans:

    (i) Except for housing and student loans, any allocations granted prior
        to April 1, for which bonds have not been issued by September 1 of the
        same calendar year, shall revert to the agency on September 1 of the same
        calendar year for reallocation unless an extension or carryforward is
        granted;

    (ii) Except for housing and student loans, any allocations granted on or
        after April 1, for which bonds have not been issued by December 15 of the
        same calendar year, shall revert to the agency on December 15 of the same
        calendar year for reallocation unless an extension or carryforward is
        granted.

    (b) For each calendar year, any housing or student loan allocations, for
        which bonds have not been issued by December 15 of the same calendar
        year, shall revert to the agency on December 15 of the same calendar year
        for reallocation unless an extension or carryforward is granted.

(6) An extension of the deadlines provided by subsection (5) of this
    section may be granted by the agency for the approved allocation amount or
    a portion thereof, based on:
(a) Firm and convincing evidence that the bonds will be issued before the end of the calendar year if the extension is granted; and
(b) Any other criteria the agency deems appropriate.

(7) If an issuer determines that bonds subject to the state ceiling will not be issued for the project or program for which an allocation was granted, the issuer shall promptly notify the agency in writing so that the allocation may be canceled and the amount may be available for reallocation.

(8) Bonds subject to the state ceiling may be issued only to finance the project or program for which a certificate of approval is granted.

(9) Within three business days of the date that bonds for which an allocation of the state ceiling is granted have been delivered to the original purchasers, the issuer shall mail to the agency a written notification of the bond issuance. In accordance with chapter 39.44 RCW, the issuer shall also complete bond issuance information on the form provided by the agency.

(10) If the total amount of tax-exempt bonds issued for a project or program is less than the amount allocated, the remaining portion of the allocation shall revert to the agency for reallocation in accordance with the criteria in section 4 of this act. If the amount of tax-exempt bonds actually issued under the state ceiling is greater than the amount allocated, the entire allocation shall be disallowed.

NEW SECTION. Sec. 6. REALLOCATION PROCESS AND CARRYFORWARDS. (1) Beginning September 1 of each calendar year, the agency may allocate or reallocate any portions of the state ceiling for which no certificate of approval is in effect. Reallocations may also be made from the remainder category at any time during the year.

(2) Prior to the end of each calendar year, the agency shall allocate or reallocate any unused portions of the state ceiling among one or more issuers as carryforward, to be used within three years, in accordance with the code and relevant criteria described in section 4 of this act.

NEW SECTION. Sec. 7. EXECUTIVE ORDERS. If federal legislation is enacted or federal regulations are promulgated which affect the state ceiling, when the legislature is not in session or is less than forty-five days from the constitutional end of session, the governor may establish by executive order an alternative system for the allocation of tax-exempt bonds under the state ceiling, effective until the legislature acts. In allocating or reallocating under this section, the governor shall take into account the requirements of federal law, the policy choices expressed in state law, and the projected needs of issuers.

NEW SECTION. Sec. 8. FEES. A fee schedule shall be established by rule by the agency to assist in support of bond allocation activities. Fees shall reflect costs actually incurred or expected to be incurred by the agency in its bond allocation activities.
NEW SECTION. Sec. 9. CODE AMENDMENTS. In order to permit the full use of the authorized state ceiling under federal law, the agency may adopt rules approving any amendments made to the code after the effective date of this section.

NEW SECTION. Sec. 10. ANNUAL REPORT. By February 1 of each year, the agency shall summarize for the legislature each previous year's bond allocation requests and issuance. Beginning in June of 1988 and thereafter in June of each even-numbered year, the agency shall also submit a biennial report summarizing usage of the bond allocation proceeds and any policy concerns for future bond allocations.

NEW SECTION. Sec. 11. RATIFICATION. Any state ceiling allocations taken prior to the effective date of this section in conformance with the code and an applicable executive order of the governor are ratified and confirmed and shall remain in full force and effect notwithstanding any other provision of this act.

Sec. 12. Section 5, chapter 130, Laws of 1985 and RCW 39.44.200 are each amended to read as follows:

SPECIAL DISTRICTS—TRANSFER OF TERRITORY—FILLING OF VACANCIES—SPECIAL ASSESSMENT BONDS OR NOTES—LEGISLATIVE BUDGET COMMITTEE TO REVIEW SPECIAL DISTRICTS

AN ACT Relating to special districts; amending RCW 85.38.070, 85.38.080, 85.38.190, and 85.38.240; adding a new section to chapter 85.38 RCW; adding a new chapter to Title 44 RCW; and providing an expiration date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 85.38 RCW to read as follows:

Territory that is located in one special district may be transferred from that special district to another special district as provided in this section, if a portion of this territory is coterminous with a portion of the boundaries of the special district to which it is transferred. Such a transfer shall be accomplished using the procedures in RCW 85.38.200 for annexing territory, except that the governing body of both special districts must approve the transfer and make findings that the transfer is in the public interest and that the special district to which the territory is transferred is better able to provide the activities and facilities serving the territory than the special district from which the territory is transferred.

Property in the territory so transferred shall remain liable for any special assessments of the special district from which it was transferred, if the
special assessments are associated with bonds or notes used to finance facilities serving the property, to the same extent as if the transfer had not occurred.

A transfer of territory also may include the transfer of property, facilities, and improvements owned by one special district to the other special district, with or without consideration being paid.

Sec. 2. Section 8, chapter 396, Laws of 1985 as amended by section 42, chapter 278, Laws of 1986 and RCW 85.38.070 are each amended to read as follows:

(1) Except as provided in RCW 85.38.090, each special district shall be governed by a three-member governing body. The term of office for each member of a special district governing body shall be six years and until his or her successor is elected and qualified. One member of the governing body shall be elected at the time of special district general elections in each odd-numbered year for a term of six years beginning as provided in RCW 29.04.170 for assumption of office by elected officials of cities.

(2) The terms of office of members of the governing bodies of special districts, who are holding office on July 28, 1985, shall be altered to provide staggered six-year terms as provided in this subsection. The member who on July 28, 1985, has the longest term remaining shall have his or her term altered so that the position will be filled at the December, 1991, special district general election; the member with the second longest term remaining shall have his or her term altered so that the position will be filled at the December, 1989, special district general election; and the member with the third longest term of office shall have his or her term altered so that the position will be filled at the December, 1987, special district general election.

(3) The initial members of the governing body of a newly created special district shall be appointed by the legislative authority of the county within which the special district, or the largest portion of the special district, is located. These initial governing body members shall serve until their successors are elected and qualified at the next special district general election held at least ninety days after the special district is established. At that election the first elected members of the governing body shall be elected. No primary elections may be held. Any voter of a special district may become a candidate for such a position by filing written notice of this intention with the governing body of the special district at least thirty, but not more than sixty, days before a special district general election. The names of all candidates for such positions shall be listed alphabetically. At this first election, the candidate receiving the greatest number of votes shall have a six-year term, the candidate receiving the second greatest number of votes shall have a four-year term, and the candidate receiving the third greatest number of votes shall have a two-year term of office. The initially elected members of a governing body shall take office immediately when qualified as defined in
RCW 29.01.135. Thereafter the candidate receiving the greatest number of votes shall be elected for a six-year term of office. Members of a governing body shall hold their office until their successors are elected and qualified, and assume office as provided in RCW 29.04.170.

(4) Whenever a vacancy occurs in the governing body of a special district, the legislative authority of the county within which the special district, or the largest portion of the special district, is located, shall appoint a district voter to serve (the remaining term of office) until a person is elected, at the next special district election occurring sixty or more days after the vacancy has occurred, to serve the remainder of the unexpired term. The person so elected shall take office immediately when qualified as defined in RCW 29.01.135.

If an election for the position which became vacant would otherwise have been held at this special district election, only one election shall be held and the person elected to fill the succeeding term for that position shall take office immediately when qualified as defined in RCW 29.01.135 and shall serve both the remainder of the unexpired term and the succeeding term. A vacancy occurs upon the death, resignation, or incapacity of a governing body member or whenever the governing body member ceases being a qualified voter of the special district.

(5) An elected or appointed member of a special district governing body must be a qualified voter of the special district: PROVIDED, That the state, its agencies and political subdivisions, or their designees under RCW 85.38.010(3) shall not be eligible for election or appointment.

Sec. 3. Section 9, chapter 396, Laws of 1985 and RCW 85.38.080 are each amended to read as follows:

Each member of a governing body of a special district, whether elected or appointed, shall enter into a bond, payable to the special district. The bond shall be in the sum of not less than one thousand dollars nor more than five thousand dollars, as determined by the county legislative authority of the county within which the special district, or the largest portion of the special district, is located. The bond shall be conditioned on the faithful performance of his or her duties as a member of the governing body of the special district and shall be filed with the county (treasurer) clerk of the county within which the special district, or the largest portion of the special district, is located.

Sec. 4. Section 50, chapter 278, Laws of 1986 and RCW 85.38.190 are each amended to read as follows:

((Special districts shall have authority to enter into contracts for the construction of any improvement authorized by law, or for labor, materials, or equipment entering therein, without public bidding, with the written approval and consent of the governing body in instances of genuine emergency to be declared by the governing body or in any instance where the contract price does not exceed ten thousand dollars;))

[1056]
Any proposed improvement or part thereof, not exceeding five thousand dollars in cost, may be constructed by district employees: PROVIDED, That this shall not restrict a special district from using volunteer labor and equipment on improvements, and providing reimbursement for actual expenses.

Sec. 5. Section 19, chapter 278, Laws of 1986 and RCW 85.38.240 are each amended to read as follows:

(1) Special assessment bonds and notes issued by special districts shall be issued and sold in accordance with chapter 39.46 RCW, except as otherwise provided in this chapter. The maximum term of any special assessment bond issued by a special district shall be twenty years. The maximum term of any special assessment note issued by a special district shall be five years.

(2) The governing body of a special district issuing special assessment bonds or notes shall create a special fund or funds, or use an existing special fund or funds, from which, along with any special assessment bond guaranty fund the special district has created, the principal of and interest on the bonds or notes exclusively are payable.

(3) The governing body of a special district may provide such covenants as it may deem necessary to secure the payment of the principal of and interest on special assessment bonds or notes, and premiums on special assessment bonds or notes, if any. Such covenants may include, but are not limited to, depositing certain special assessments into a special fund or funds, and establishing, maintaining, and collecting special assessments which are to be placed into the special fund or funds. The special assessments covenanted to be placed into such a special fund or funds after June 11, 1986, only may include all or part of the new system of special assessments imposed for such purposes, pursuant to RCW 85.38.150 and 85.38.160. ((However, the special assessments covenanted to be placed into the special fund or funds from which the funding or refunding special assessment bonds or notes to be funded or refunded were payable:)) Special assessment bonds or notes issued after the effective date of this 1987 section may not be payable from special assessments imposed under authorities other than those provided in chapter 85.38 RCW.

(4) A special assessment bond or note issued by a special district shall not constitute an indebtedness of the state, either general or special, nor of the county, either general or special, within which all or any part of the special district is located. A special assessment bond or note shall not constitute a general indebtedness of the special district issuing the bond or note, but is a special obligation of the special district and the interest on and principal of the bond or note shall be payable only from special assessments covenanted to be placed into the special fund or funds, and any special assessment bond guaranty fund the special district has created.
The owner of a special assessment bond or note, or the owner of an interest coupon, shall not have any claim for the payment thereof against the special district arising from the special assessment bond or note, or interest coupon, except for payment from the special fund or funds, the special assessments covenanted to be placed into the special fund or funds, and any special assessment bond guaranty fund the special district has created. The owner of a special assessment bond or note, or the owner of an interest coupon, issued by a special district shall not have any claim against the state, or any county within which all or part of the special district is located, arising from the special assessment bond, note, or interest coupon. The special district issuing the special assessment bond or note shall not be liable to the owner of any special assessment bond or note, or owner of any interest coupon, for any loss occurring in the lawful operation of its special assessment bond guaranty fund.

The substance of the limitations included in this subsection shall be plainly printed, written, engraved, or reproduced on: (a) Each special assessment bond or note that is a physical instrument; (b) the official notice of sale; and (c) each official statement associated with the bonds or notes.

NEW SECTION. Sec. 6. The legislature finds that numerous special purpose districts for a wide range of purposes have been established throughout the state. The legislature finds that review of the authority to establish these districts is an important factor in maintaining control of the increasing number of governmental entities in this state.

NEW SECTION. Sec. 7. (1) The legislative budget committee in cooperation with the committee on governmental operations in the senate and the committee on local government in the house of representatives shall review the authority to establish the special purpose districts under subsection (2) of this section and make recommendations for the continuation, termination, or modification of the special purpose districts. (e) The extent to which the termination or modification of the special purpose districts would adversely affect the public health, safety, or welfare.

TELECOMMUNICATIONS DEVICES FOR THE HEARING IMPAIRED

AN ACT Relating to telecommunications devices for the hearing impaired; adding new sections to chapter 43.20A RCW; creating new sections; and providing an expiration date.

Be it enacted by the Legislature of the State of Washington:
NEW SECTION. Sec. 1. The legislature finds that it is more difficult for hearing impaired people to have access to the telecommunications system than hearing persons. It is imperative that hearing impaired people be able to reach government offices and health, human, and emergency services with the same ease as other taxpayers. Regulations to provide telecommunications devices for the deaf with a relay system will help ensure that the hearing impaired community has equal access to the public accommodations and telecommunications system in the state of Washington in accordance with chapter 49.60 RCW.

NEW SECTION. Sec. 2. A new section is added to chapter 43.20A RCW to read as follows:

"Hearing impaired" means those persons who are certified to be deaf, deaf-blind, or hard of hearing, and those persons who are certified to have a hearing disability limiting their access to telecommunications.

"Telecommunications device for the deaf (TDD)" means a teletypewriter that has a typewriter keyboard and a readable display that couples with the telephone, allowing messages to be typed rather than spoken. The device allows a person to make a telephone call directly to another person possessing similar equipment. The conversation is typed through one machine to the other machine instead of spoken.

"TDD relay system" is a service for hearing impaired people who have a TDD to call someone who does not have a TDD or vice versa. The service consists of several telephones being utilized by TDD relay service operators who receive either TDD or voice phone calls. If a TDD relay service operator receives a phone call from a hearing impaired person wishing to call a hearing person, the operator will call the hearing person and act as an intermediary by translating what is displayed on the TDD to voice and typing what is voiced into the TDD to be read by the deaf caller. This process can also be reversed with a hearing person calling a deaf person through the TDD relay service.

"Qualified trainer" is a person who is knowledgeable about TDDs, signal devices, and amplifying accessories; familiar with the technical aspects of equipment designed to meet hearing impaired people's needs; and is fluent in American sign language.

"Qualified contractor" shall have bilingual staff available for quality language/cultural interpretations; quality training of operators; and policies, training, and operational procedures to be determined by the office.

"The department" means the department of social and health services of the state of Washington.

"Office" means the office of deaf services within the state department of social and health services.

NEW SECTION. Sec. 3. A new section is added to chapter 43.20A RCW to read as follows:
The department shall design and implement a program whereby TDDs, signal devices, and amplifying accessories capable of serving the needs of the hearing impaired shall be provided at no additional to the basic exchange rate, to an individual of school age or older, who is certified as hearing impaired by a licensed physician, audiologist, or a qualified state agency, and to any subscriber that is an organization representing the hearing impaired, as determined and specified by the TDD advisory committee. For the purpose of this section, certification implies that individuals cannot use the telephone for expressive or receptive communications due to hearing impairment.

(2) The office shall award contracts on a competitive basis, to qualified persons for which eligibility to contract is determined by the office, for the distribution and maintenance of such TDDs, signal devices, and amplifying accessories as shall be determined by the office. Such contract shall include a provision for the employment and use of a qualified trainer and the training of recipients in the use of such devices.

(3) TDDs, signal devices, and amplifying accessories shall be made available to qualified recipients by December 1, 1987.

NEW SECTION. Sec. 4. A new section is added to chapter 43.20A RCW to read as follows:

(1) The department advisory committee on deafness shall establish a TDD advisory committee to study the feasibility of implementing a state-wide telecommunications relay system. The TDD advisory committee shall consist of individuals from hearing impaired communities, representatives from the department, utilities and transportation commission, agencies and services serving the hearing impaired, and local exchange companies in the state. In order to develop and implement a state-wide relay system providing cost-effective relay centers at a reasonable cost and that will meet the requirements of the hearing impaired, the TDD advisory committee shall investigate options, conduct public hearings to determine the most cost-effective method of creating a state-wide relay system providing relay centers to the hearing impaired, and solicit the advice, counsel, and assistance of interested parties and nonprofit consumer organizations for hearing impaired persons state-wide. Such committee shall begin the study within thirty days of the effective date of this section, to be completed within six months after the study begins. The TDD advisory committee, shall also, in conjunction with the department, monitor the activities and moneys that is being spent by the department for the program herein.

(2) Pursuant to the recommendations of the TDD advisory committee, the office shall implement a program whereby relay centers will be provided state-wide using operator intervention to connect hearing impaired persons and offices of organizations representing the hearing impaired, as determined and specified by the TDD advisory committee pursuant to subsection.
(4) of this section, and connect hearing persons within six months after the office receives the recommendations.

(3) The program will be funded by telecommunications devices for the deaf (TDD) excise tax applied to each switched access line provided by the local exchange companies. The office shall determine the amount of money needed to fund the program. That information shall be given to the utilities and transportation commission. The utilities and transportation commission shall then determine the amount of TDD excise tax to be placed on each access line. The TDD excise tax shall not exceed ten cents per month per access line. The TDD excise tax shall be separately identified on each ratepayer's bill as "Telecommunications devices funds for deaf and hearing impaired." All proceeds from the TDD excise tax will be put into a fund to be administered by the office through the department.

(4) The TDD advisory committee shall establish criteria and specify state-wide organizations representing the hearing impaired meeting such criteria that are to receive telecommunications devices pursuant to section 3(1) of this act, and in which offices the equipment shall be installed if an organization has more than one office.

(5) The office shall establish a policy determining the ultimate ownership and responsibility for the recovery of TDDs, signal devices, and amplifying accessories from recipients who are moving from this state.

(6) The office shall administer and control the award of money to all parties incurring costs in implementing and maintaining telecommunications services, programs, equipment, and technical support services in accordance with the provisions of section 3 of this act.

(7) A study will be authorized to determine the number of hearing impaired people who have party lines and the costs of converting them to single lines. The TDD advisory committee will report the study findings to the utilities and transportation commission. The study will be completed by the TDD advisory committee within a year of the effective date of this section.

NEW SECTION. Sec. 5. Nothing in sections 3 and 4 of this act is inconsistent with any telecommunications device systems created by county legislative authorities under RCW 70.54.180. To the extent possible, the office, utilities and transportation commission, the TDD advisory committee, and any other persons or organizations implementing the provisions of sections 3 and 4 of this act will use the telecommunications devices already in place and work with county governments in ensuring that no duplication of services occurs.

NEW SECTION. Sec. 6. This act shall be known as the "Clyde Randolph Ketchum Act."
NEW SECTION. Sec. 7. Sections 1 through 6 of this act shall expire June 30, 1990. A review and determination on its continuation beyond this date shall be made prior to its expiration.

NEW SECTION. Sec. 1. The legislature declares it is the policy of the state to:

(1) Ensure, for the sake of educational excellence, that the electorate has the broadest possible field in which to choose qualified candidates for its school boards;

(2) Ensure that the opportunity to serve on school boards be open to all, regardless of financial circumstances; and

(3) Ensure that the time-consuming and demanding service as directors not be limited to those able or willing to make substantial personal and financial sacrifices.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.57 RCW to read as follows:

Each member of the board of directors of a school district may receive compensation of fifty dollars per day or portion thereof for attending board meetings and for performing other services on behalf of the school district, not to exceed four thousand eight hundred dollars per year, if the district board of directors has authorized by board resolution, at a regularly scheduled meeting, the provision of such compensation. A board of directors of a school district may authorize such compensation only from locally collected excess levy funds available for that purpose, and compensation for board members shall not cause the state to incur any present or future funding obligation.

Any director may waive all or any portion of his or her compensation under this section as to any month or months during his or her term of office, by a written waiver filed with the district as provided in this section. The waiver, to be effective, must be filed any time after the director's election and before the date on which the compensation would otherwise be paid. The waiver shall specify the month or period of months for which it is made.

The compensation provided in this section shall be in addition to any reimbursement for expenses paid to such directors by the school district.
NEW SECTION. Sec. 3. This act shall take effect on September 1, 1987.

Passed the House April 15, 1987.

SEWER AND WATER DISTRICTS—SMALL WORKS ROSTER REQUIREMENTS WAIVED FOR SINGLE SOURCE PURCHASES—DISTRICTS SHALL NOT REQUIRE SPECIFIED ENGINEER FOR PRIVATE PARTY DESIGNS AND PLANS

AN ACT Relating to water and sewer districts; amending RCW 56.08.070 and 57.08.050; and adding a new section to chapters 56.08 and 57.08 RCW.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 44, chapter 210, Laws of 1941 as last amended by section 1, chapter 154, Laws of 1985 and RCW 56.08.070 are each amended to read as follows:

(1) All materials purchased and work ordered, the estimated cost of which is in excess of five thousand dollars shall be let by contract. All contract projects, the estimated cost of which is less than twenty-five thousand dollars, may be awarded to a contractor on the small works roster. The small works roster shall be comprised of all responsible contractors who
have requested to be on the list. The board of sewer commissioners may set up uniform procedures to prequalify contractors for inclusion on the small works roster. The board of sewer commissioners shall authorize by resolution a procedure for securing telephone and/or written quotations from the contractors on the small works roster to assure establishment of a competitive price and for awarding contracts to the lowest responsible bidder. Such procedure shall require that a good faith effort be made to request quotations from all contractors on the small works roster. Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone inquiry. The small works roster shall be revised once a year. All contract projects equal to or in excess of twenty-five thousand dollars shall be let by competitive bidding. Before awarding any competitive contract the board of sewer commissioners shall cause a notice to be published in a newspaper in general circulation where the district is located at least once, ten days before the letting of such contract, inviting sealed proposals for such work, plans and specifications which must at the time of publication of such notice be on file in the office of the board of sewer commissioners subject to public inspection. Such notice shall state generally the work to be done and shall call for proposals for doing the same to be sealed and filed with the board of sewer commissioners on or before the day and hour named therein.

(2) Each bid shall be accompanied by a bid proposal deposit in the form of a certified check, cashier's check, postal money order, or surety bond payable to the order of the county treasurer for a sum not less than five percent of the amount of the bid and no bid shall be considered unless accompanied by such bid proposal deposit. At the time and place named such bids shall be publicly opened and read and the board of sewer commissioners shall proceed to canvass the bids and may let such contract to the lowest responsible bidder upon plans and specifications: PROVIDED, That no contract shall be let in excess of the cost of said materials or work, or if in the opinion of the board of sewer commissioners all bids are unsatisfactory they may reject all of them and readvertise and in such case all checks, cash or bid bonds shall be returned to the bidders. If such contract be let, then all checks, cash or bid bonds shall be returned to the bidders, except that of the successful bidder, which shall be retained until a contract shall be entered into for the purchase of such materials or doing such work, and a bond to perform such work furnished with sureties satisfactory to the board of sewer commissioners in the full amount of the contract price between the bidder and the commission in accordance with bid. If said bidder fails to enter into said contract in accordance with said bid and furnish such bond within ten days from the date at which he is notified that he is the successful bidder, the said check, cash or bid bonds and the amount thereof shall be forfeited to the sewer district.
(3) In the event of an emergency when the public interest or property of the sewer district would suffer material injury or damage by delay, upon resolution of the board of sewer commissioners, or proclamation of an official designated by the board to act for the board during such emergencies, declaring the existence of such emergency and reciting the facts constituting the same, the board, or the official acting for the board, may waive the requirements of this chapter with reference to any purchase or contract. In addition, these requirements may be waived for purchases which are clearly and legitimately limited to a single source of supply and purchases involving special facilities, services, or market conditions, in which instances the purchase price may be best established by direct negotiation.

Sec. 2. Section 21, chapter 114, Laws of 1929 as last amended by section 2, chapter 154, Laws of 1985 and RCW 57.08.050 are each amended to read as follows:

(1) The board of water commissioners shall have authority to create and fill such positions and fix salaries and bonds thereof as it may by resolution provide.

(2) All materials purchased and work ordered, the estimated cost of which is in excess of five thousand dollars shall be let by contract. All contract projects, the estimated cost of which is less than twenty-five thousand dollars, may be awarded to a contractor on the small works roster. The small works roster shall be comprised of all responsible contractors who have requested to be on the list. The board of water commissioners may set up uniform procedures to prequalify contractors for inclusion on the small works roster. The board of water commissioners shall authorize by resolution a procedure for securing telephone and/or written quotations from the contractors on the small works roster to assure establishment of a competitive price and for awarding contracts to the lowest responsible bidder. Such procedure shall require that a good faith effort be made to request quotations from all contractors on the small works roster. Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone inquiry. The small works roster shall be revised once a year. All contract projects equal to or in excess of twenty-five thousand dollars shall be let by competitive bidding. Before awarding any such contract the board of water commissioners shall cause a notice to be published in a newspaper in general circulation, where the district is located at least once ten days before the letting of such contract, inviting sealed proposals for such work, plans and specifications which must at the time of publication of such notice be on file in the office of the board of water commissioners subject to public inspection. Such notice shall state generally the work to be done and shall call for proposals for doing the same to be sealed and filed with the board of water commissioners on or before the day and hour named therein.
(3) Each bid shall be accompanied by a certified or cashier’s check or postal money order payable to the order of the county treasurer for a sum not less than five percent of the amount of the bid, or accompanied by a bid bond in an amount not less than five percent of the bid with a corporate surety licensed to do business in the state, conditioned that the bidder will pay the district as liquiuated damages the amount specified in the bond, unless he enters into a contract in accordance with his bid, and no bid shall be considered unless accompanied by such check, cash or bid bond. At the time and place named such bids shall be publicly opened and read and the board of water commissioners shall proceed to canvass the bids and may let such contract to the lowest responsible bidder upon plans and specifications on file or to the best bidder submitting his own plans and specifications: PROVIDED, That no contract shall be let in excess of the cost of said materials or work, or if in the opinion of the board of water commissioners all bids are unsatisfactory they may reject all of them and readvertise and in such case all checks, cash or bid bonds shall be returned to the bidders. If such contract be let, then all checks, cash or bid bonds shall be returned to the bidders, except that of the successful bidder, which shall be retained until a contract shall be entered into for the purchase of such materials or doing such work, and a bond to perform such work furnished with sureties satisfactory to the board of water commissioners in the full amount of the contract price between the bidder and the commission in accordance with the bid. If said bidder fails to enter into said contract in accordance with said bid and furnish such bond within ten days from the date at which he is notified that he is the successful bidder, the said check, cash or bid bonds and the amount thereof shall be forfeited to the water district: PROVIDED, That if the bidder fails to enter into a contract in accordance with his bid, and the board of water commissioners deems it necessary to take legal action to collect on any bid bond required herein, then the water district shall be entitled to collect from said bidder any legal expenses, including reasonable attorneys’ fees occasioned thereby.

(4) In the event of an emergency when the public interest or property of the water district would suffer material injury or damage by delay, upon resolution of the board of water commissioners, or proclamation of an official designated by the board to act for the board during such emergencies, declaring the existence of such emergency and reciting the facts constituting the same, the board, or official acting for the board, may waive the requirements of this chapter with reference to any purchase or contract. In addition, these requirements may be waived for purchases which are clearly and legitimately limited to a single source of supply and purchases involving special facilities, services, or market conditions, in which instances the purchase price may be best established by direct negotiation.

NEW SECTION. Sec. 3. A new section is added to chapter 56.08 RCW to read as follows:

**MOTOR VEHICLE INSURANCE RATES BASED ON SEAT BELTS, CHILD RESTRAINTS, AND OTHER LIFE-SAVING DEVICES**

AN ACT Relating to motor vehicle passenger safety device usage; adding a new section to chapter 48.19 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

**NEW SECTION.** Sec. 1. A new section is added to chapter 48.19 RCW to read as follows:

Due consideration in making rates for motor vehicle insurance shall be given to:

1. Any anticipated change in losses that may be attributable to the use of seat belts, child restraints, and other lifesaving devices. An exhibit detailing these changes and any credits or discounts resulting from any such changes shall be included in each filing pertaining to private passenger automobile (or motor vehicle) insurance.

2. Any anticipated change in losses that may be attributable to the use of lights and lighting devices that have been proven effective in increasing the visibility of motor vehicles during daytime or in poor visibility conditions and to the use of rear stop lights that have been proven effective in reducing rear-end collisions. An exhibit detailing these losses and any credits or discounts
resulting from any such changes shall be included in each filing pertaining to
private passenger automobile (or motor vehicle) insurance.

*Sec. I was partially vetoed, see message at end of chapter.

Passed the Senate April 18, 1987.
Passed the House April 9, 1987.
Approved by the Governor May 11, 1987, with the exception of certain
items which were vetoed.
Filed in Office of Secretary of State May 11, 1987.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 1(2), Substitute
Senate Bill No. 5113, entitled:

"AN ACT Relating to motor vehicle passenger safety device usage."

Substitute Senate Bill No. 5113 in section 1(1) provides that any anticipated
change in losses that may be attributed to usage of seatbelts, child restraints, and
other lifesaving devices should be reflected in the credits or discounts provided by
automobile insurers. I endorse this idea.

Section 1(2) involves a double amendment and duplication to Substitute House
Bill No. 920, section 1(3) and is identical. I have therefore vetoed section 1(2) to
avoid duplication in the statute.

With the exception of section 1(2), Substitute Senate Bill No. 5113 is
approved."

(3) All personal belongings and contents in the vehicle shall be kept intact, and shall be returned to the vehicle's owner or agent during normal business hours upon request and presentation of a driver's license or other sufficient identification. Personal belongings shall not be sold at auction to fulfill a lien against the vehicle.

(4) All personal belongings not claimed before the auction shall be turned over to the local law enforcement agency to which the initial notification of impoundment was given. Such personal belongings shall be disposed of pursuant to chapter 63.32 or 63.40 RCW.

(5) Tow truck drivers shall have a Washington state driver's license endorsed for vehicle combinations under RCW 46.20.440 or the equivalent issued by another state.

(6) Any person who shows proof of ownership or written authorization from the impounded vehicle's registered or legal owner or the vehicle's insurer may view the vehicle without charge during normal business hours.

Sec. 8. Section 10, chapter 377, Laws of 1985 and RCW 46.55.100 are each amended to read as follows:

(1) At the time of impoundment the registered tow truck operator providing the towing service shall give immediate notification, by telephone or radio, to a law enforcement agency having jurisdiction who shall maintain a log of such reports, unless the impoundment was requested by that law enforcement agency. The initial notice of impoundment shall be followed by a written notice within twenty-four hours.

(2) The operator shall immediately send an abandoned vehicle report to the department for any vehicle in the operator's possession after the ninety-six hour abandonment period. Such report need not be sent when the impoundment is pursuant to a writ, court order, or police hold. The owner notification and abandonment process shall be initiated by the registered tow truck operator immediately following notification by a court or law enforcement officer that the writ, court order, or police hold is no longer in effect.

(3) Following the submittal of an abandoned vehicle report, the department shall provide the registered tow truck operator with owner information within seventy-two hours.
(4) Within fifteen days of the sale of an abandoned vehicle at public auction, the towing operator shall send a copy of the abandoned vehicle report showing the disposition of the abandoned vehicle to the crime information center of the Washington state patrol.

(5) If the operator sends an abandoned vehicle report to the department and the department finds no owner information, an operator may proceed with an inspection of the vehicle to determine whether owner identification is within the vehicle.

Sec. 9. Section 11, chapter 377, Laws of 1985 and RCW 46.55.110 are each amended to read as follows:

(1) In the case of an unauthorized vehicle impounded from public property, the law enforcement agency or other public official directing the impoundment, or in the case of a vehicle impounded from private property, the impounding towing operator, shall notify the legal and registered owners of the impoundment of the unauthorized vehicle. (2) Whenever a police officer finds a vehicle unattended upon a highway where the vehicle constitutes an obstruction to traffic or jeopardizes public safety;

(3) Whenever a police officer finds an unattended vehicle at the scene of an accident or when the driver of a vehicle involved in an accident is physically or mentally incapable, or too intoxicated, to decide upon steps to be taken to protect his or her property;
Whenever the driver of a vehicle is arrested and taken into custody by a police officer, and the driver, because of intoxication or otherwise, is mentally incapable of deciding upon steps to be taken to safeguard his or her property;

Nothing in this section may derogate from the powers of police officers under the common law. For the purposes of this section, a place of safety may include the business location of a registered tow truck operator.

*NEW SECTION. Sec. 11. A new section is added to chapter 46.55 RCW to read as follows:

The Washington state patrol, under its authority to remove vehicles from the highway, may remove the vehicles directly, through towing operators appointed by the state commission on equipment and called on a rotational or other basis, through contracts with towing operators, or by a combination of these methods. When removal is to be accomplished through a towing operator on a noncontractual basis, the commission may appoint any towing operator for this purpose upon the application of the operator. Each appointment shall be contingent upon the submission of an application to the commission and the making of subsequent reports in such form and frequency and compliance with such standards of equipment, performance, pricing, and practices as may be required by rule of the commission.

An appointment may be rescinded by the commission at the request of the Washington state patrol upon evidence that the appointed towing operator is not complying with the laws or rules relating to the removal and storage of vehicles from the highway.

Rules adopted under this section are binding only upon those towing operators appointed by the commission for the purpose of performing towing services at the request of the Washington state patrol. Any person aggrieved by a decision of the commission made under this section may appeal the decision under chapter 34.04 RCW.

*Sec. 11 was vetoed, see message at end of chapter.

Sec. 12. Section 12, chapter 377, Laws of 1985 and RCW 46.55.120 are each amended to read as follows:

(1) Vehicles impounded by registered tow truck operators pursuant to RCW ((46.52.170, 46.61.565, or)) 46.55.080, section 6, or 10 of this act may be redeemed only under the following circumstances:

(a) Only the legal owner, the registered owner, a person authorized in writing by the registered owner or the vehicle's insurer, or one who has
purchased a vehicle from the registered owner who produces proof of ownership or written authorization and signs a receipt therefor may redeem an impounded vehicle.

(b) The vehicle shall be released upon the presentation to any person having custody of the vehicle of commercially reasonable tender sufficient to cover the costs of towing, storage, or other services rendered during the course of towing, removing, impounding, or storing any such vehicle. Commercially reasonable tender shall include, without limitation, cash, major bank credit cards, or personal checks drawn on in-state banks if accompanied by two pieces of valid identification, one of which may be required by the operator to have a photograph. Any person who stops payment on a personal check or does not make restitution within ten days from the date a check becomes insufficient due to lack of funds to a towing firm that has provided a service pursuant to this section or in any other manner defrauds the towing firm in connection with services rendered pursuant to this section shall be liable for damages in the amount of twice the towing and storage fees, plus costs and reasonable attorney's fees.

(3) (a) The registered tow truck operator shall give to each person who seeks to redeem an impounded vehicle written notice of the right of redemption and opportunity for a hearing, which notice shall be accompanied by a form to be used for requesting a hearing, and a copy of the towing and storage invoice. The registered tow truck operator shall maintain a record evidenced by the redeeming person's signature that such notification was provided.

(b) Any person seeking to redeem an impounded vehicle under this section has a right to a hearing in the district court for the jurisdiction in which the vehicle was impounded to contest the validity of the impoundment or the amount of towing and storage charges. The district court has jurisdiction to determine the issues involving all impoundments including those authorized by the state or its agents. Any request for a hearing shall be made in writing on the form provided for that purpose and must be received by the district court within ten days of the date the opportunity was provided for in subsection (2)(a) of this section. If the hearing request is not received by the district court within the ten-day period, the right to a hearing is waived and the registered owner is liable for any towing, storage, or other impoundment charges permitted under this chapter. Upon receipt of a timely hearing request, the district court shall proceed to hear and determine the validity of the impoundment.

(3) (a) The district court, within five days after the request for a hearing, shall notify the registered tow truck operator, the person requesting the hearing if not the owner, and the registered and legal owners of the vehicle and the person or agency authorizing the impound in writing of the hearing date and time.
(b) At the hearing, the person or persons requesting the hearing may produce any relevant evidence to show that the impoundment, towing, or storage fees charged were not proper.

(c) At the conclusion of the hearing, the district court shall determine whether the impoundment was proper, whether the towing or storage fees charged were in compliance with the posted rates, and who is responsible for payment of the ((charges)) fees.

(d) If the impoundment is found proper, the impoundment, towing, and storage fees as permitted under this chapter together with court costs shall be assessed against the person or persons requesting the hearing, unless the operator did not have a signed and valid impoundment authorization from a private property owner or an authorized agent.

(e) If the impoundment is determined to be invalid, then the registered and legal owners of the vehicle shall bear no impoundment, towing, or storage ((costs)) fees, and any bond or other security shall be returned or discharged as appropriate, and the person or agency who authorized the impoundment shall be liable for any towing, storage, or other impoundment ((charges)) fees permitted under this chapter.

(4) Any impounded abandoned vehicle not redeemed within fifteen days of mailing of the notice of custody and sale as required by RCW 46.55.110(2) shall be sold at public auction in accordance with all the provisions and subject to all the conditions of RCW 46.55.130. A vehicle may be redeemed at any time before the start of the auction upon payment of towing and storage ((costs)) fees.

Sec. 13. Section 13, chapter 377, Laws of 1985 and RCW 46.55.130 are each amended to read as follows:

(1) If, after the expiration of fifteen days from the date of mailing of notice of custody and sale required in RCW 46.55.110(2) to the registered and legal owners, the vehicle ((or-hulk)) remains unclaimed and has not been listed as a stolen vehicle, then the registered ((disposer)) tow truck operator having custody of the vehicle ((or-hulk)) shall conduct a sale of the vehicle at public auction after having first published a notice of the date, place, and time of the auction in a newspaper of general circulation in the county in which the vehicle is located not less than three days before the date of the auction. The ((advertisement)) notice shall contain a description of the vehicle including the make, model, year, and license number and a notification that a three-hour public viewing period will be available before the auction. The auction shall be held during daylight hours of a normal business day.

(2) The following procedures are required in any public auction of such abandoned vehicles:

(a) The auction shall be held in such a manner that all persons present are given an equal time and opportunity to bid;
(b) All bidders must be present at the time of auction unless they have submitted to the registered tow truck operator, who may or may not choose to use the preauction bid method, a written bid on a specific vehicle. Written bids may be submitted up to five days before the auction and shall clearly state which vehicle is being bid upon, the amount of the bid, and who is submitting the bid;

(c) The open bid process, including all written bids, shall be used so that everyone knows the dollar value that must be exceeded;

(d) The highest two bids received shall be recorded in written form;

(e) In case the high bidder defaults, the next bidder has the right to purchase the vehicle for the amount of his or her bid;

(f) The registered tow truck operator shall post a copy of the auction procedure at the bidding site. If the bidding site is different from the licensed office location, the operator shall post a clearly visible sign at the office location that describes in detail where the auction will be held. At the bidding site a copy of the newspaper advertisement that lists the vehicles for sale shall be posted;

(g) All surplus moneys derived from the auction after satisfaction of the registered tow truck operator's lien shall be remitted within thirty days to the department for deposit in the state motor vehicle fund. A report identifying the vehicles resulting in any surplus shall accompany the remitted funds. If the director subsequently receives a valid claim from the registered vehicle owner of record within one year from the date of the auction, the surplus moneys shall be remitted to the registered tow truck operator's such owner;

(h) If an operator receives no bid, or if the operator is the successful bidder at auction, the operator shall, within thirty days sell the vehicle to a licensed vehicle wrecker, hulk hauler, or scrap processor by use of the abandoned vehicle report-affidavit of sale, or the operator shall apply for title to the vehicle.

(3) (a) In no case may the accumulation of storage charges exceed fifteen days from the date of receipt of the information by the operator from the department as provided by RCW 46.55.110(2).

(b) The failure of the registered tow truck operator to comply with the time limits provided in this chapter limits the accumulation of storage charges to five days except where delay is unavoidable. Providing incorrect or incomplete identifying information to the department in the abandoned vehicle report shall be considered a failure to comply with these time limits if correct information is available.

Sec. 14. Section 14, chapter 377, Laws of 1985 and RCW 46.55.140 are each amended to read as follows:

(1) A registered tow truck operator who has a valid and signed impoundment authorization has a lien upon the impounded vehicle for services provided in the towing and storage of the vehicle, unless the impoundment is determined to have been invalid. The lien does not apply to
personal property in or upon the vehicle that is not permanently attached to or is not an integral part of the vehicle. The registered tow truck operator also has a deficiency claim against the (last) registered owner of the vehicle for services provided in the towing and storage of the vehicle not to exceed the sum of three hundred dollars less the amount bid at auction, and for vehicles of over ten thousand pounds gross vehicle weight, the operator has a deficiency claim of one thousand dollars less the amount bid at auction, unless the impound is determined to be invalid. A registered owner who has completed and filed with the department the seller’s report as provided for by RCW 46.12.101 is relieved of liability under this section.

(2) Any person who tows, removes, or otherwise disturbs any ((motor)) vehicle parked, stalled, or otherwise left on privately owned or controlled property, and any person owning or controlling the private property, or either of them, are liable to the owner((;)) or operator(, rdriver)) of a ((motor)) vehicle, or each of them, for consequential and incidental damages arising from any interference with the ownership or use of the ((motor)) vehicle which does not comply with the requirements of this chapter.

*Sec. 16 was vetoed, see message at end of chapter.

Sec. 17. Section 21, chapter 377, Laws of 1985 and RCW 46.55.210 are each amended to read as follows:

Whenever it appears to the director that any registered tow truck operator or a person offering towing services has engaged in or is about to engage in any act or practice constituting a violation of any provision of this chapter or any rule adopted hereunder, the director may issue an order directing the operator or person to cease and desist from continuing the act or practice. Reasonable notice of and opportunity for a hearing shall be given. The director may issue a temporary order pending a hearing. The temporary order shall remain in effect until ten days after the hearing is held and shall become final if the person to whom notice is addressed does not request a hearing within fifteen days after the receipt of notice.

Sec. 18. Section 22, chapter 377, Laws of 1985 and RCW 46.55.220 are each amended to read as follows:

If an application for a license to conduct business as a registered tow truck operator is filed by any person whose license has previously been canceled for cause by the department, or if the department is of the opinion that the application is not filed in good faith or that the application is filed by some person as a subterfuge for the real person in interest whose license has previously been canceled for cause, the department, after a hearing, of which the applicant has been given twenty days' notice in writing and at which the applicant may appear in person or by counsel and present testimony, may refuse to issue such a person a license to conduct business as a registered tow truck operator.

Sec. 19. Section 23, chapter 377, Laws of 1985 and RCW 46.55.230 are each amended to read as follows:

(1) Notwithstanding any other provision of law, any law enforcement officer having jurisdiction or any person authorized by the director may inspect and certify that a vehicle meets the requirements of a junk vehicle. The person making the certification shall record the make and vehicle identification number or license number of the vehicle if available, and shall also describe in detail the damage or missing equipment to verify that the value of the junk vehicle is equivalent only to the value of the scrap in it.
(2) The law enforcement officer or department representative shall provide information on the vehicle's registered and legal owner to the landowner.

(3) Upon receiving information on the vehicle's registered and legal owner, the landowner shall obtain a junk vehicle notification form from the department. The landowner shall send by certified mail, notification to the registered and legal owners shown on the records of the department. The notification shall describe the redemption procedure and the right to contest the sale of a junk vehicle in a district court hearing.

(4) If the vehicle remains unclaimed more than fifteen days after the landowner has mailed notification to the registered and legal owner, the landowner may sign an affidavit of sale to be used as a title document.

(5) If no information on the vehicle's registered and legal owner is found in the records of the department, the landowner shall place a legal notice of custody and sale in a newspaper of general circulation in the county. The newspaper notice shall include (a) the description of the vehicle; (b) the address of the location of the junk vehicle; (c) the date by which the registered or legal owner must redeem the vehicle; and (d) a telephone number where the landowner can be reached. If the vehicle remains unclaimed more than twenty days after publication of the notice, the landowner may sign an affidavit of sale to be used as a title document.

(6) The landowner of the property upon which the junk vehicle is located is entitled to recover from the vehicle's registered owner any costs incurred in the removal of the junk vehicle.

(7) For the purposes of this section, the term "landowner" includes a legal owner of private property, a person with possession or control of private property, or a public official having jurisdiction over public property.

Sec. 20. Section 24, chapter 377, Laws of 1985 and RCW 46.55.240 are each amended to read as follows:

(a) A city, town, or county may, by ordinance, authorize other impound situations that may arise locally upon the public right–of–way or other publicly owned or controlled property.

(b) A city, town, or county may, by ordinance, provide for release of an impounded vehicle by means of a promissory note in lieu of immediate payment, if at the time of redemption the legal or registered owner requests a hearing on the validity of the impoundment. If the municipal ordinance directs the release of an impounded vehicle before the payment of the impoundment charges, the municipality is responsible for the payment of those charges to the registered tow truck operator within thirty days of the hearing date.
(c) The hearing specified in RCW 46.55.120(2) and in this section may be conducted by an administrative hearings officer instead of in the district court. A decision made by an administrative hearing officer may be appealed to the district court for final judgment.

(2) A city, town, or county may adopt an ordinance establishing procedures for the abatement and removal as public nuisances of unauthorized junk ((motor)) vehicles or parts thereof from private property. Costs of removal may be assessed against the ((last)) registered owner of the vehicle ((or automobile hulk)) if the identity of the owner can be determined, unless the owner in the transfer of ownership of the vehicle ((or automobile hulk)) has complied with RCW 46.12.101, or the costs may be assessed against the owner of the property on which the vehicle is stored.

(3) Ordinances pertaining to public nuisances shall contain:

(a) A provision requiring notice to the last registered owner of record and the property owner of record that a hearing may be requested and that if no hearing is requested, the vehicle ((or automobile hulk)) will be removed;

(b) A provision requiring that if a request for a hearing is received, a notice giving the time, location, and date of the hearing on the question of abatement and removal of the vehicle or part thereof as a public nuisance shall be mailed, by certified mail, with a five-day return receipt requested, to the owner of the land as shown on the last equalized assessment roll and to the last registered and legal owner of record unless the vehicle is in such condition that identification numbers are not available to determine ownership;

(c) A provision that the ordinance shall not apply to (i) a vehicle or part thereof that is completely enclosed within a building in a lawful manner where it is not visible from the street or other public or private property or (ii) a vehicle or part thereof that is stored or parked in a lawful manner on private property in connection with the business of a licensed dismantler or licensed vehicle dealer and is fenced according to RCW 46.80.130;

(d) A provision that the owner of the land on which the vehicle is located may appear in person at the hearing or present a written statement in time for consideration at the hearing, and deny responsibility for the presence of the vehicle on the land, with his reasons for the denial. If it is determined at the hearing that the vehicle was placed on the land without the consent of the landowner and that he has not subsequently acquiesced in its presence, then the local agency shall not assess costs of administration or removal of the vehicle against the property upon which the vehicle is located or otherwise attempt to collect the cost from the owner;

(e) A provision that after notice has been given of the intent of the city, town, or county to dispose of the vehicle and after a hearing, if requested, has been held, the vehicle or part thereof shall be removed at the request of a law enforcement officer with notice to the Washington state
pact and the department of licensing that the vehicle has been wrecked. The city, town, or county may operate such a disposal site when its governing body determines that commercial channels of disposition are not available or are inadequate, and it may make final disposition of such vehicles or parts, or may transfer such vehicle or parts to another governmental body provided such disposal shall be only as scrap.

(4) A registered disposer under contract to a city or county for the impounding of vehicles shall comply with any administrative regulations adopted by the city or county on the handling and disposing of vehicles.

*Sec. 21 was partially vetoed, see message at end of chapter.

Passed the House April 17, 1987.
Approved by the Governor May 11, 1987, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State May 11, 1987.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to sections 11, 16, 21(6) and 21(9), Substitute Senate Bill No. 5124, entitled:

"AN ACT Relating to impoundment and disposition of unauthorized, abandoned, junk, and other vehicles."

Sections 11, 16, 21(6) and 21(9) conflict with amendments to RCW 46.61.567, 46.55.170, RCW 46.61.563 and RCW 46.61.567, respectively, contained in sections 744, 741, 743 and 744 of Substitute House Bill No. 454. These sections are not vetoed for their substance, but are vetoed to avoid confusion with Substitute House Bill No. 454. Substitute Senate Bill No. 5124 specifies certain duties to be carried out by
the state commission on equipment. The state commission on equipment is abolished under Substitute House Bill No. 454 and the commission's responsibilities are transferred to the Washington State Patrol.

References are made to the state commission on equipment in sections 11 and 16 of Substitute Senate Bill No. 5124. Substitute House Bill No. 454 establishes the Legislature's clear intention that the Washington State Patrol, and not the state commission on equipment, carry out the responsibilities set forth in the above-referenced sections of Substitute Senate Bill No. 5124.

With the exception of sections 11, 16, 21(6) and 21(9), Substitute Senate Bill No. 5124 is approved.*

CHAPTER 312
[Substitute House Bill No. 755]
COMMUNITY CORRECTIONS BOARDS AND PLANS—LOCAL AND STATE OFFENDER MANAGEMENT PARTNERSHIPS

AN ACT Relating to community corrections; amending RCW 72.09.050; adding new sections to chapter 72.09 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. It is the purpose of section 3 of this act to encourage local and state government to join in partnerships for the sharing of resources regarding the management of offenders in the correctional system. The formation of partnerships between local and state government is intended to reduce duplication while assuring better accountability and offender management through the most efficient use of resources at both the local and state level.

NEW SECTION. Sec. 2. A new section is added to chapter 72.09 RCW to read as follows:

The definitions in this section apply throughout this chapter.
(1) "Department" means the department of corrections.
(2) "Secretary" means the secretary of corrections.
(3) "County" refers to a county or combination of counties.
(4) "Base level of correctional services" means the minimum level of field services the department of corrections is required by statute to provide for the supervision and monitoring of offenders.

NEW SECTION. Sec. 3. A new section is added to chapter 72.09 RCW to read as follows:

(1) A county may establish a community corrections board which shall consist of nine members. The county legislative authority shall appoint four members to the board, two of whom shall be from the private sector. The secretary shall appoint one member to the board. In addition, the county prosecutor and county sheriff, or their designees, a judge of the county superior court selected by the county superior court judges, and a county district court judge, selected by the county district court judges, shall be members of the board.
(2) If a combination of counties establishes a community corrections board, an intergovernmental agreement shall establish the composition and powers of the board, not to exceed the authority granted in this section.

(3) The community corrections board shall develop a community corrections plan for the county. Upon request, the department may provide technical assistance in developing the plan. The plan shall describe the existing correctional resources, goals, objectives, needs, and problems for local and state correctional services in the county. The plan shall review ways to maximize resources and reduce duplication of services. Areas to be addressed in the plan include, but are not limited to: Voluntary services for offenders, which include employment, substance and alcohol abuse services, housing and mental health services; ways to share administrative costs between local and state government; and the development of alternatives to partial and total confinement.

(4) The secretary shall adopt rules for the submittal and review of all plans. Representatives from other state and local agencies and organizations shall participate in the review process. Initiatives that reduce the duplication of services or maximize the use of existing resources shall be given priority.

(5) The department shall establish a base level of correctional services, which shall be determined and distributed in a consistent manner statewide. The department's contributions to any partnerships, approved pursuant to this section, shall not operate to reduce this base level of services.

Sec. 4. Section 5, chapter 136, Laws of 1981 as amended by section 1, chapter 19, Laws of 1986 and RCW 72.09.050 are each amended to read as follows:

The secretary shall manage the department of corrections and shall be responsible for the administration of adult correctional programs, including but not limited to the operation of all state correctional institutions or facilities used for the confinement of convicted felons. It is the further intent that such activity shall be characterized by mutual respect, integrity, reasonableness, and a desire on the part of the parties to address and resolve the points of concern.

Sec. 2. Section 2, chapter 196, Laws of 1971 ex. sess. as last amended by section 12, chapter 296, Laws of 1975 1st ex. sess. and RCW 28B.52.020 are each amended to read as follows:

The department, within thirty days after receiving a notice of appeal, may modify, reverse, or change any notice of assessment, or may hold any such notice of assessment in abeyance pending further investigation, and the board shall thereupon deny the appeal, without prejudice to the employer's right to appeal from any subsequent determinative notice of assessment issued by the department.

CHAPTER 317
[Engrossed Substitute Senate Bill No. 5838]
HEALTH STUDIOS

AN ACT Relating to health studios; adding a new chapter to Title 19 RCW; and prescribing penalties.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that there exist in connection with a substantial number of contracts for health studio services certain practices and business methods which have worked undue financial hardship upon some of the citizens of the state and that existing legal remedies are inadequate to correct existing problems in the industry. The legislature declares that it is a matter of public interest that the citizens of our state be assured reasonable protection when contracting for health studio services.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter:

(1) "Business day" means any day except a Sunday or a legal holiday.
(2) "Buyer" or "member" means a person who purchases health studio services.
(3) "Health studio" includes any person or entity engaged in the sale of instruction, training, assistance or use of facilities which purport to assist patrons to improve their physical condition or appearance through physical exercise, body building, weight loss, figure development, or any other similar activity. For the purposes of this chapter, "health studio" does not include: (a) Public common schools, private schools approved under RCW 28A.02-.201, and public or private institutions of higher education; (b) persons providing professional services within the scope of a person's license under Title 18 RCW; (c) bona fide nonprofit organizations which have been granted tax-exempt status by the Internal Revenue Service, the functions of which as health studios are only incidental to their overall functions and purposes; (d) a person or entity which offers physical exercise, body building, figure development or similar activities as incidental features of a plan of instruction or assistance relating to diet or control of eating habits; (e) bona fide nonprofit corporations organized under chapter 24.03 RCW which have members and whose members have meaningful voting rights to elect and remove a board of directors which is responsible for the operation of the health club and corporation; and (f) a preexisting facility primarily offering aerobic classes, where the initiation fee is less than fifty dollars and no memberships are sold which exceed one year in duration. For purposes of this subsection, "preexisting facility" means an existing building used for health studio services covered by the fees collected.
"Health studio services" means instruction, services, privileges, or rights offered for sale by a health studio. "Health studio services" do not include: (a) Instruction or assistance relating to diet or control of eating habits not involving substantial on-site physical exercise, body building, figure development, or any other similar activity; or (b) recreational or social programs which either involve no physical exercise or exercise only incidental to the program.

"Initiation or membership fee" means a fee paid either in a lump sum or installments on a one-time basis when a person first joins a health studio for the privilege of belonging to the health studio.

"Special offer or discount" means any offer of health studio services at a reduced price or without charge to a prospective member.

"Use fees or dues" means fees paid on a regular periodic basis for use of a health studio. This does not preclude prepayment of use fees at the buyer's option.

NEW SECTION. Sec. 3. (1) Each health studio shall prepare and provide to each prospective buyer a written comprehensive list of all membership plans of health studio services offered for sale by the health studio. The list shall contain a description and the respective price of each membership plan of health studio services offered.

(2) A health studio is prohibited from selling a membership plan of health studio services not included in the list.

(3) A health studio is prohibited from making a special offer or offering a discount unless such special offer or discount is made in writing and available to all prospective members: PROVIDED, That a special offer or discount offered to groups need not be available to all similarly-situated prospective members.

(4) A health studio is prohibited from making any misrepresentation to any prospective buyer or current member regarding qualifications of staff, availability or quality of facilities or services, or results obtained through exercise, body building, figure development, or weight loss programs, or the present or maximum number of customers who may contract to use the facilities or services.

NEW SECTION. Sec. 4. A contract for the sale of health studio services shall be in writing. A copy of the contract, as well as the rules of the health studio if not stated in the contract, shall be given to the buyer when the buyer signs the contract.

The health studio may require reasonable evidence of relocation;

(ii) If at the time of signing the contract requiring payment of an initiation or membership fee the buyer lived more than twenty-five miles from the health studio, the buyer may cancel under (7)(b)(i) of this section only if the buyer moves an additional five miles or more from the health studio.

The notice must be mailed to .......... (insert name and mailing address of health studio). If you cancel within the three days, the health studio will return to you within thirty days all amounts you have paid."

NEW SECTION. Sec. 6. After receipt of a written notice of cancellation, the health studio shall provide a refund to the buyer within thirty days. The health studio may require the buyer to return any membership card or other materials which evidence membership in the health studio. The buyer is entitled to a refund and relief from future obligations for payments of initiation or membership fees and use fees or dues as follows:

(1) The buyer is entitled to a refund of the unused portion of any prepaid use fees or dues and relief from future obligations to pay use fees or dues concerning use after the date of cancellation.

(2) (a) Subject to (b) of this subsection, if a contract includes a one-time only initiation or membership fee and the buyer cancels pursuant to section 5(7)(a) of this act, the buyer is entitled to a pro rata refund of the fee less a predetermined amount not to exceed one-half of the initial initiation or membership fee if the contract clearly states what percentage of the fee is nonrefundable or refundable.

(b) If a contract includes a one-time only initiation or membership fee and the buyer cancels pursuant to section 5(7)(a) of this act three years or more after the signing of the contract requiring payment of such fee, such fee is nonrefundable.

(3) If a contract includes a one-time only initiation or membership fee and the buyer cancels pursuant to section 5(7) (b) or (c) of this act, the buyer is entitled to a pro rata refund of the fee less a predetermined amount not to exceed one-half of the initial initiation or membership fee unless the contract clearly states that the initiation or membership fee is nonrefundable, and the clause is separately signed by the buyer.
(4) If a contract includes a one-time only initiation or membership fee and the buyer cancels pursuant to section 5(7)(d) of this act, the buyer is entitled to a pro rata refund of the fee.

(5) If a contract includes a one-time only initiation or membership fee and the buyer cancels pursuant to section 5(7)(e) or (f) of this act, the buyer is entitled to a full refund of the fee.

If a buyer is entitled to a pro rata refund under this section, the amount shall be computed by dividing the contract price by the number of weeks in the contract term and multiplying the result by the number of weeks remaining in the contract term.

NEW SECTION. Sec. 7. (1) All moneys paid to a health studio prior to the opening of the facility shall immediately be deposited in a trust account of a federally insured financial institution located in this state. The trust account shall be designated and maintained for the benefit of health studio members. Moneys maintained in the trust account shall be exempt from execution, attachment, or garnishment. A health studio shall not in any way encumber the corpus of the trust account or commingle any other operating funds with trust account funds. Withdrawals from the trust account shall be made no sooner than thirty days after the opening of the entire facility.

(2) The health studio shall within seven days of the first deposit notify the office of the attorney general in writing, of the name, address, and location of the depository and any subsequent change thereof.

(3) The health studio shall provide the buyer with a written receipt for the money and shall provide written notice of the name, address, and location of the depository and any subsequent change thereof.

(4) The health studio shall maintain a record of each trust account deposit, including the name and address of each member whose funds are being deposited, the amount paid and the date of the deposit. Upon request of the attorney general's office, upon five days' notice, such records shall be produced for inspection.

(5) If prior to the opening of the facility the status of the health studio is transferred to another, any sums in the trust account affected by the transfer shall simultaneously be transferred to an equivalent trust account of the successor, and the successor shall promptly notify the buyer and the office of the attorney general of the transfer and of the name, address, and location of the new depository.

(6) The buyer's claim to any money under this section is prior to that of any creditor of the health studio, including a trustee in bankruptcy or receiver.

(7) After the health studio receives a notice of cancellation of the contract, or if the health studio fails to open a facility at the stated date of completion and if the buyer so requests, then the health studio shall provide a refund within thirty days.
NEW SECTION. Sec. 8. The requirements of section 7 of this act do not apply to any health studios which, prior to any preopening sales, have provided a bond guaranteeing the completion or opening of any facility for which contracts for health studio services were sold prior to the opening of the facility. The bond shall be drawn upon a surety in the amount of one hundred fifty thousand dollars, running to the state of Washington. An action on the bond may be brought by the office of the attorney general or by any buyer of a contract for health studio services sold prior to the opening of the facility.

NEW SECTION. Sec. 9. Failure to furnish a bond as required by section 8 of this act or to maintain a trust account as required by section 7 of this act shall constitute a class C felony punishable as provided in chapter 9A.20 RCW.

NEW SECTION. Sec. 10. A health studio shall not request a buyer to waive any provision of this chapter. Any contract for health studio services which does not comply with the provisions of this chapter or in which a buyer waives any provision of this chapter is void and unenforceable as contrary to public policy.

NEW SECTION. Sec. 11. A violation of this chapter constitutes an unfair or deceptive act or practice and is a per se violation of the consumer protection act, chapter 19.86 RCW.

NEW SECTION. Sec. 12. Buyers who prevail in any cause of action under this chapter are entitled to reasonable attorneys' fees.

NEW SECTION. Sec. 13. The provisions of this chapter are cumulative and nonexclusive and do not affect any other remedy available at law.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 84.69.100, chapter 15, Laws of 1961 as amended by section 4, chapter 5, Laws of 1973 2nd ex. sess. and RCW 84.69.100 are each amended to read as follows:

No written protest by individual taxpayers need to be filed to receive a refund ((pursuant to this 1973 amendment of the act)) on a state, county, or district wide basis. The rate of interest shall be the equivalent coupon issue yield (as published by the Federal Reserve Bank of San Francisco) of the average bill rate for twenty-six week treasury bills as determined at the first bill market auction conducted after June 30th of the calendar year preceding the date the taxes were paid or the claim for refund is filed, whichever is later. The department of revenue shall adopt this rate of interest by rule.

Sec. 2. Section 6, chapter 91, Laws of 1947 as last amended by section 4, chapter 155, Laws of 1980 and RCW 41.16.060 are each amended to read as follows:

It shall be the duty of the legislative authority of each municipality, each year as a part of its annual tax levy, to levy and place in the fund a tax of twenty-two and one-half cents per thousand dollars of assessed value against all the taxable property of such municipality: PROVIDED, That if a report by a qualified actuary on the condition of the fund establishes that the whole or any part of said dollar rate is not necessary to maintain the actuarial soundness of the fund, the levy of said twenty-two and one-half
cents per thousand dollars of assessed value may be omitted, or the whole or any part of said dollar rate may be levied and used for any other municipal purpose.

It shall be the duty of the legislative authority of each municipality, each year as a part of its annual tax levy and in addition to the city levy limit set forth in RCW (84.52.050, as now or hereafter amended) 84.52-.043, to levy and place in the fund an additional tax of twenty-two and one-half cents per thousand dollars of assessed value against all taxable property of such municipality: PROVIDED, That if a report by a qualified actuary establishes that all or any part of the additional twenty-two and one-half cents per thousand dollars of assessed value levied and used for any other municipal purpose: PROVIDED FURTHER, That cities that have annexed to library districts according to RCW 27.12.360 through 27.12.395 and/or fire protection districts according to RCW 52.04.061 through 52.04.081 shall not levy this additional tax to the extent that it causes the combined levies to exceed the statutory or constitutional limits.

The amount of a levy under this section allocated to the pension fund may be reduced in the same proportion as the regular property tax levy of the municipality is reduced by chapter 84.55 RCW.

Sec. 3. Section 84.40.200, chapter 15, Laws of 1961 and RCW 84.40-.200 are each amended to read as follows:

(1) In all cases of failure to obtain a statement of personal property, from any cause, it shall be the duty of the assessor to ascertain the amount and value of such property and assess the same at such amount as he believes to be the true value thereof.

(2) The assessor, in all cases of the assessment of personal property, shall deliver or mail to the person assessed, or to the person listing the property, a copy of the statement of property hereinbefore required, showing the valuation of the property so listed (in which copy shall be signed by the assessor).

Sec. 4. Section 2, chapter 131, Laws of 1974 ex. sess. as last amended by section 2, chapter 46, Laws of 1982 1st ex. sess. and RCW 84.41.041 are each amended to read as follows:

Each county assessor shall cause taxable real property to be physically inspected and valued at least once every six years in accordance with RCW 84.41.030, and in accordance with a plan filed with and approved by the department of revenue. Such revaluation plan shall provide that a reasonable portion of all taxable real property within a county shall be revalued and these newly-determined values placed on the assessment rolls each year. The department may approve a plan that provides that all property in
the county be revalued every two years. If the revaluation plan provides for physical inspection at least once each four years, during the intervals between each physical inspection of real property, the valuation of such property may be adjusted to its current true and fair value, such adjustments to be based upon appropriate statistical data. If the revaluation plan provides for physical inspection less frequently than once each four years, during the intervals between each physical inspection of real property, the valuation of such property shall be adjusted to its current true and fair value, such adjustments to be made once each year and to be based upon appropriate statistical data.

The assessor may require property owners to submit pertinent data respecting taxable property in their control including data respecting any sale or purchase of said property within the past five years, the cost and characteristics of any improvement on the property and other facts necessary for appraisal of the property.

Sec. 5. Section 36.21.080, chapter 4, Laws of 1963 as last amended by section 1, chapter 220, Laws of 1985 and RCW 36.21.080 are each amended to read as follows:

(((--)))
The county assessor is authorized to place any property under the provisions of RCW 36.21.040 through 36.21.080 on the assessment rolls for the purposes of tax levy up to August 31st of each year. The assessed valuation of property under the provisions of RCW 36.21.040 through 36.21.080 shall be considered as of July 31st of that year.

(((2)) If, on or before December 31 in any calendar year, any real or personal property placed upon the assessment roll of that year is destroyed in whole or in part, or is in an area that has been declared a disaster area by the governor and has been reduced in value by more than twenty percent as a result of a natural disaster, the true cash value of such property shall be reduced for that year by an amount determined as follows, without necessity of taxpayer application under chapter 84.70 RCW:

(a) First take the true cash value of such taxable property before destruction or reduction in value and deduct therefrom the true cash value of the remaining property after destruction or reduction in value.

(b) Then divide any amount remaining by twelve and multiply the quotient by the number of months or major fraction thereof remaining after the date of the destruction or reduction in value of the property.

(c) If destroyed property is replaced prior to the valuation dates contained in subsection (1) of this section and RCW 36.21.090, the total taxable value for that year shall not exceed the value as of the appropriate valuation date in subsection (1) of this section or RCW 36.21.090 whichever is appropriate.)

Sec. 6. Section 3, chapter 196, Laws of 1974 ex. sess. as last amended by section 1, chapter 274, Laws of 1981 and RCW 84.70.010 are each amended to read as follows:
(1) If, on or before December 31 in any calendar year, any real or personal property placed upon the assessment roll of that year is destroyed in whole or in part, or is in an area that has been declared a disaster area by the governor and has been reduced in value by more than twenty percent as a result of a natural disaster, the true cash value of such property shall be reduced for that year by an amount determined as follows:

(a) First take the true cash value of such taxable property before destruction or reduction in value and deduct therefrom the true cash value of the remaining property after destruction or reduction in value.

(b) Then divide any amount remaining by (twelve) the number of days in the year and multiply the quotient by the number of (months or major fraction thereof) days remaining in the calendar year after the date of the destruction or reduction in value of the property.

(2) The amount of taxes to be abated under this section shall be determined by multiplying the amount of net loss determined under subsection (1) of this section by the rate percent of levy applicable to the property in the tax year to which the reduction of assessed value is applicable.) No reduction in the true cash value shall be made more than three years after the date of destruction or reduction in value.

(3) The assessor shall make such reduction on his or her own motion; however, the taxpayer may make application for reduction on forms prepared by the department and provided by the assessor. The assessor shall notify the taxpayer of the amount of reduction.

(2) Section 5, chapter 196, Laws of 1974 ex. sess., section 4, chapter 120, Laws of 1975 1st ex. sess. and RCW 84.70.030.

Passed the House March 10, 1987.
Approved by the Governor May 11, 1987, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State May 11, 1987.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 9, Engrossed House Bill No. 772, entitled:

"AN ACT Relating to the administration of property tax refunds, collections and revaluation plans."

This bill makes a number of changes to update and clarify various issues related to the administration of property taxes. I support these changes.

Section 9 would exempt owners of satellite dishes from the TV improvement district levy. Apparently there are only two TV improvement districts in the state and this technical amendment is not practical for them to implement. For this reason I have vetoed this section.

With the exception of section 9, Engrossed House Bill No. 772 is approved."

*NEW SECTION. Sec. 1. A new section is added to chapter 48.19 RCW to read as follows:
Due consideration in making rates for motor vehicle insurance shall be given to:

(2) Any anticipated change in losses that may be attributable to the use of properly installed and maintained anti-theft devices in the insured private passenger automobile. An exhibit detailing these losses and any credits or discounts resulting from any such changes shall be included in each filing pertaining to private passenger automobile (or motor vehicle) insurance.

(3) Any anticipated change in losses that may be attributable to the use of lights and lighting devices that have been proven effective in increasing the visibility of motor vehicles during daytime or in poor visibility conditions and to the use of rear stop lights that have been proven effective in reducing rear-end collisions. An exhibit detailing these losses and any credits or discounts resulting from any such changes shall be included in each filing pertaining to private passenger automobile (or motor vehicle) insurance.

(4) Any anticipated change in losses per vehicle covered that may be attributable to the fact that the insured has more vehicles covered under the policy than there are insured drivers in the same household. *Sec. 1 was partially vetoed, see message at end of chapter.

NEW SECTION. Sec. 2. This act shall take effect on January 1, 1988.

Passed the Senate April 13, 1987.
Approved by the Governor May 11, 1987, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State May 11, 1987.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 1(1), Substitute House Bill No. 920, entitled:

"AN ACT Relating to rate-making criteria for private passenger automobile insurance."

Subsection 2 of this bill applies to "anti-theft devices installed in private passenger automobiles," and subsection 3 applies to "lights and lighting devices that have been proven effective in increasing the visibility of motor vehicles during daytime or in poor visibility conditions and to the use of rear stop lights that have proven effective in reducing rear end collisions." Both subsections indicate these devices should be reflected in the losses, credits or discounts charged by private passenger automobile insurance companies. I endorse these ideas.
WASHINGTON LAWS, 1987

Section 1(1) contains the identical language to section 1(2) of Substitute Senate Bill No. 5113. In order to avoid a duplication in the statute, I have vetoed this subsection.

With the exception of section 1(1), which I have vetoed, Substitute House Bill No. 920 is approved.*

Failure to include this provision does not affect the validity of the dissolution order.

(2) If the dissolution order under which the obligor owes the duty of spousal maintenance or a property division obligation is not in compliance with subsection (1) of this section or if the obligee cannot show that the obligor has approved or received a copy of the court order or decree that complies with subsection (1) of this section, then notice shall be provided to the obligor at least fifteen days before the obligee seeks a mandatory benefits assignment order. (2) The department shall thereafter promptly send notice to the obligee at the address provided in subsection (1) of this section when the obligor applies for a withdrawal of accumulated contributions. The department shall not process the obligor's request for a withdrawal of accumulated contributions sooner than seventy-five days after sending the notice to the obligee.

(3) The department may pay directly to an obligee who has not obtained a mandatory benefits assignment order all or part of the accumulated contributions withdrawn by an obligor if, and only if the dissolution order
filed with the department pursuant to subsection (1) of this section includes a provision that states in substantially the following form:

(the obligee) .......... dollars from such accumulated contributions or .... percentage of such accumulated contributions (whichever is provided by the court)."

NEW SECTION. Sec. 7. (1) A petition or motion seeking a mandatory benefits assignment order in an action under section 4 of this act may be filed by an obligee if the obligor is more than fifteen days past due in spousal maintenance or property division obligation payments and the total of such past due payments is equal to or greater than one hundred dollars or if the obligor requests a withdrawal of accumulated contributions from the department of retirement systems. The petition or motion shall include a sworn statement by the obligee, stating the facts authorizing the issuance of the mandatory benefits assignment order, including:

NEW SECTION. Sec. 8. Upon receipt of a petition or motion seeking a mandatory benefits assignment order that complies with section 7 of this act, the court shall issue a mandatory benefits assignment order in as provided in section 10 of this act, including the information required in section 9 (1)(a) or (2)(a) of this act, directed to the department of retirement systems, and commanding the department to answer the order on the forms served with the order that comply with section 12 of this act within twenty days after service of the order upon the department.
NEW SECTION. Sec. 9. (1) (a) The mandatory benefits assignment order in section 8 of this act directed at periodic retirement benefits shall include:

(ii) The total amount of the arrearage judgments previously entered by the court, if any, together with interest, if any; and

(iii) The maximum amount to be withheld from the obligor's periodic retirement payments each month to satisfy the arrearage judgments specified in (a)(ii) of this subsection.

(b) With respect to such a mandatory benefits assignment order, the total amount to be withheld from the obligor's periodic retirement payments each month shall not exceed fifty percent of the disposable benefits of the obligor or the maximum amount allowed by 15 U.S.C. (2) (a) A mandatory benefits assignment order in section 8 of this act directed at a withdrawal of accumulated contributions shall include:

(i) The property division interest, if any, of the obligee in the obligor's accumulated contributions, established by the dissolution order, which interest shall be stated as either a dollar amount or a percentage amount in the mandatory benefits assignment order;

(b) With respect to such a mandatory benefits assignment order, the total amount to be withheld from the obligor's withdrawal of accumulated contributions may be up to one hundred percent of the disposable benefits of the obligor.

(3) If an obligor is subject to two or more mandatory benefits assignment orders on account of different obligees and if the nonexempt portion of the obligor's benefits is not sufficient to respond fully to all the mandatory benefits assignment orders, the department shall apportion the obligor's nonexempt disposable benefits among the various obligees in equal shares to the extent permitted by federal law.

NEW SECTION. Sec. 10. The mandatory benefits assignment order shall be substantially in the following form:

You are hereby commanded to answer this order by filling in the attached form according to the instructions, and you must mail or deliver the original of the answer to the court, one copy to the obligee or obligee's attorney, and one copy to the obligor within twenty days after service of this benefits assignment order upon you.
(1) If you are currently paying periodic retirement payments to the obligor, then you shall do as follows:

(ii) Fifty percent of the disposable benefits of the obligor or the maximum amount allowed by federal law, whichever is less.

(b) The total amount withheld above is subject to the mandatory benefits assignment order, and all other sums may be disbursed to the obligor.

You shall continue to withhold the ordered amounts from nonexempt benefits of the obligor until notified by a court order that the mandatory benefits assignment order has been modified or terminated. You shall promptly notify the court if and when the obligor is no longer receiving periodic retirement payments from the department of retirement systems.

You shall deliver the withheld benefits to the clerk of the court that issued this mandatory benefits assignment order each month, but the first delivery shall occur no sooner than twenty days after your receipt of this mandatory benefits assignment order.

(2) If you are not currently paying periodic retirement payments to the obligor but the obligor has requested a withdrawal of accumulated contributions, then you shall do as follows:

(a) Withhold from the obligor's benefits the sum of the specified arrearage payment amount plus the specified property division interest amount, up to one hundred percent of the disposable benefits of the obligor.

Obligee, Judge/Court Commissioner
or obligee's attorney
NEW SECTION. Sec. 11. (1) The director or the director's designee shall answer an order by sworn affidavit within twenty days after the date of service. The answer shall state whether the obligor receives periodic payments from the department of retirement systems, whether the obligor has requested a withdrawal of accumulated contributions from the department, whether the department will honor the mandatory benefits assignment order and if not, the reasons why, and whether there are other current court or administrative orders on file with the department directing the department to withhold all or a portion of the obligor's benefits.

(2) (a) If any periodic retirement payments are currently payable to the obligor, the funds subject to the mandatory benefits assignment order shall be withheld from the next periodic retirement payment due twenty days or more after receipt of the mandatory benefits assignment order. The withheld amount shall be delivered to the clerk of the court that issued the mandatory benefits assignment order each month, but the first delivery shall occur no sooner than twenty days after receipt of the mandatory benefits assignment order.

(b) The department shall continue to withhold the ordered amount from nonexempt benefits of the obligor until notified by the court that the mandatory benefits assignment order has been modified or terminated. If the department is initially unable to comply, or able to comply only partially, with the withholding obligation, the court's order shall be interpreted to require the department to comply to the greatest extent possible at the earliest possible date. The department shall notify the court of changes in withholding amounts and the reason for the change. When the obligor is no longer eligible to receive funds from one or more public retirement systems the department shall promptly notify the court.

(3)(a) If no periodic retirement payments are currently payable to the obligor but the obligor has requested a withdrawal of accumulated contributions, the funds subject to the mandatory benefits assignment order shall be withheld from the withdrawal payment. The withheld amount shall be delivered to the clerk of the court that issued the mandatory benefits assignment order.

(b) If the department is unable to comply fully with the withholding obligation, the court's order shall be interpreted to require the department to comply to the greatest extent possible.

(4) The department may deduct a processing fee from the remainder of the obligor's funds after withholding under the mandatory benefits assignment order, unless the remainder is exempt under section 9 of this act. The processing fee may not exceed (a) twenty-five dollars for the first disbursement made by the department to the superior court clerk; and (b) six dollars for each subsequent disbursement to the clerk.
(5) A court order for spousal maintenance or a property division obligation governed by sections 1 through 16 or 26 of this act shall have priority over any other assignment or order of execution, garnishment, attachment, levy, or similar legal process authorized under Washington law, except for a mandatory wage assignment for child support under chapter 26.18 RCW, or an order to withhold and deliver under chapter 74.20A RCW.

(6) If the department, without good cause, fails to withhold funds as required by a mandatory benefits assignment order issued under section 8 of this act, the department may be held liable to the obligee for any amounts wrongfully disbursed to the obligor in violation of the mandatory benefits assignment order. However, the department shall under no circumstances be held liable for failing to withhold funds from a withdrawal of accumulated contributions unless the mandatory benefits assignment order was properly served on the department at least thirty days before the department made the withdrawal payment to the obligor. If the department is held liable to an obligee for failing to withhold funds as required by a mandatory benefits assignment order, the department may recover such amounts paid to an obligee by thereafter either withholding such amounts from the available non-exempt benefits of the obligor or filing a legal action against the obligor.

(7) If the department complies with a court order pursuant to sections 1 through 16 of this act, neither the department, its officers, its employees, nor any of the retirement systems listed in RCW 41.50.030 may be liable to the obligor for wrongful withholding.

(8) The department may combine amounts withheld from various obligors into a single payment to the superior court clerk, if the payment includes a listing of the amounts attributable to each obligor and other information as required by the clerk.

(9) The department shall mail to the obligor at the obligor's last known mailing address appearing in the department's files copies of the mandatory benefits assignment order and the department's answer within twenty days after receiving the mandatory benefits assignment order.

NEW SECTION. Sec. 13. (1) Service of the mandatory benefits assignment order on the department is invalid unless it is served with four answer forms in substantial conformance with section 12 of this act, together with stamped envelopes addressed to, respectively, the clerk of the court where the order was issued, the obligee's attorney or the obligee, and the obligor at the last mailing address known to the obligee. The obligee shall also include an extra copy of the mandatory benefits assignment order for the department to mail to the obligor. Service on the department shall be in person or by any form of mail requiring a return receipt.

(2) On or before the date of service of the mandatory benefits assignment order on the department, the obligee shall mail or cause to be mailed
by certified or registered mail a copy of the mandatory benefits assignment order to the obligor at the obligor's last mailing address known to the obligee; or, in the alternative, a copy of the mandatory benefits assignment order shall be served on the obligor in the same manner as a summons in a civil action on, before, or within two days after the date of service of the order on the department. This requirement is not jurisdictional, but if the copy is not mailed or served as this subsection requires, or if any irregularity appears with respect to the mailing or service, the superior court, in its discretion, may quash the mandatory benefits assignment order, upon motion of the obligor promptly made and supported by an affidavit showing that the obligor has been prejudiced due to the failure to mail or serve the copy.

NEW SECTION. Sec. 14. In a hearing to quash, modify, or terminate the mandatory benefits assignment order, the court may grant relief only upon a showing that the mandatory benefits assignment order causes extreme hardship or substantial injustice. Satisfaction by the obligor of all past due payments subsequent to the issuance of the mandatory benefits assignment order is not grounds to quash, modify, or terminate the mandatory benefits assignment order. If a mandatory benefits assignment order has been in operation for twelve consecutive months and the obligor's spousal maintenance or property division obligation is current, the court may terminate the order upon motion of the obligor unless the obligee can show good cause as to why the mandatory benefits assignment order should remain in effect.

NEW SECTION. Sec. 15. In any action to enforce a dissolution order by means of a mandatory benefits assignment order pursuant to sections 4 through 14 and 26 of this act, the court may award costs to the prevailing party, including an award for reasonable attorneys' fees consistent with RCW 26.09.140. CHAPTER 327
[Engrossed House Bill No. 396]
TRANSPORTATION BENEFIT DISTRICTS

AN ACT Relating to transportation benefit districts; amending RCW 82.02.020; adding a new section to chapter 35.21 RCW; and creating a new chapter in Title 36 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that the citizens of the state can benefit by cooperation of the public and private sectors in addressing transportation needs. This cooperation can be fostered through enhanced capability for cities, towns, and counties to make and fund transportation improvements necessitated by economic development.

It is the intent of the legislature to encourage joint efforts by the state, local governments, and the private sector to respond to the need for those transportation improvements on state highways, county roads, and city streets. This goal can be better achieved by allowing cities, towns, and counties to establish transportation benefit districts in order to respond to the special transportation needs and economic opportunities resulting from private sector development for the public good. The legislature also seeks to facilitate the equitable participation of private developers whose developments may generate the need for those improvements in the improvement costs.
NEW SECTION. Sec. 2. The legislative authority of a county may establish one or more transportation benefit districts within the county for the purpose of providing and funding capital costs for any city street, county road, or state highway improvement within the district that is (1) consistent with state, regional, and local transportation plans, (2) necessitated by existing or reasonably foreseeable congestion levels attributable to economic growth, and (3) partially funded by local government or private developer contributions, or a combination of such contributions. The district may not include any area within the corporate limits of a city unless the city legislative authority has agreed to the inclusion pursuant to chapter 39.34 RCW. The agreement shall specify the area and such powers as may be granted to the benefit district.

The county legislative authority shall be the governing body of the district. The county treasurer shall act as the ex officio treasurer of the district. The electors of the district shall all be registered voters residing within the district.

NEW SECTION. Sec. 3. The legislative authority of a city may establish one or more transportation benefit districts within a city for the purpose of providing and funding capital costs for any city street, county road, or state highway improvement that is (1) consistent with state, regional, and local transportation plans, (2) necessitated by existing or reasonably foreseeable congestion levels attributable to economic growth, and (3) partially funded by local government or private developer contributions, or a combination of such contributions. The district may include any area within the corporate limits of another city if that city has agreed to the inclusion pursuant to chapter 39.34 RCW. The district may include any unincorporated area if the county legislative authority has agreed to the inclusion pursuant to chapter 39.34 RCW. The agreement shall specify the area and such other powers as may be granted to the benefit district.

The city legislative authority shall be the governing body of the district. The city treasurer shall act as the ex officio treasurer of the district. The electors of the district shall all be registered voters residing within the district. For the purposes of this section, the term "city" means both cities and towns.

NEW SECTION. Sec. 4. A transportation benefit district is a quasi-municipal corporation, an independent taxing "authority" within the meaning of Article VII, section 1 of the state Constitution, and a "taxing district" within the meaning of Article VII, section 2 of the state Constitution.

A transportation benefit district constitutes a body corporate and possesses all the usual powers of a corporation for public purposes as well as all other powers that may now or hereafter be specifically conferred by statute, including, but not limited to, the authority to hire employees, staff, and services, to enter into contracts, and to sue and be sued. Public works contract
limits applicable to the jurisdiction that established the district shall apply to the district.

NEW SECTION. Sec. 5. (1) A city or county legislative authority proposing to establish a transportation benefit district, or to modify the boundaries of an existing district, or to dissolve an existing district, shall conduct a hearing at the time and place specified in a notice published at least once, not less than ten days before the hearing, in a newspaper of general circulation within the proposed district. The legislative authority shall make provision for a district to be automatically dissolved when all indebtedness of the district has been retired and anticipated responsibilities have been satisfied. This notice shall be in addition to any other notice required by law to be published. The notice shall, where applicable, specify the functions or activities proposed to be provided or funded, or the additional functions or activities proposed to be provided or funded, by the district. Additional notice of the hearing may be given by mail, by posting within the proposed district, or in any manner the city or county legislative authority deems necessary to notify affected persons. All hearings shall be public and the city or county legislative authority shall hear objections from any person affected by the formation, modification of the boundaries, or dissolution of the district.

(2) Following the hearing held pursuant to subsection (1) of this section, the city or county legislative authority may establish a transportation benefit district, modify the boundaries or functions of an existing district, or dissolve an existing district, if the city or county legislative authority finds the action to be in the public interest and adopts an ordinance providing for the action. The ordinance establishing a district shall specify the functions or activities to be exercised or funded and establish the boundaries of the district. A district shall include only those areas which can reasonably be expected to benefit from improvements to be funded by the district. Functions or activities proposed to be provided or funded by the district may not be expanded beyond those specified in the notice of hearing, unless additional notices are made, further hearings on the expansion are held, and further determinations are made that it is in the public interest to so expand the functions or activities proposed to be provided or funded.

(3) At any time before the city or county legislative authority establishes a transportation benefit district pursuant to this section, all further proceedings shall be terminated upon the filing of a verified declaration of termination signed by the owners of real property consisting of at least sixty percent of the assessed valuation in the proposed district.

NEW SECTION. Sec. 6. (1) A transportation benefit district may levy an ad valorem property tax in excess of the one percent limitation upon the property within the district for a one-year period whenever authorized by the voters of the district pursuant to RCW 84.52.052 and Article VII, section 2(a) of the state Constitution.
A district may provide for the retirement of voter-approved general obligation bonds, issued for capital purposes only, by levying bond retirement ad valorem property tax levies in excess of the one percent limitation whenever authorized by the voters of the district pursuant to Article VII, section 2(b) of the state Constitution and RCW 84.52.056.

NEW SECTION. Sec. 7. (1) To carry out the purpose of this chapter, a transportation benefit district may issue general obligation bonds, not to exceed an amount, together with any other outstanding nonvoter-approved general obligation indebtedness, equal to three-eighths of one percent of the value of taxable property within the district, as the term "value of taxable property" is defined in RCW 39.36.015. A district may additionally issue general obligation bonds for capital purposes only, together with any outstanding general obligation indebtedness, not to exceed an amount equal to one and one-fourth percent of the value of the taxable property within the district, as the term "value of taxable property" is defined in RCW 39.36.015, when authorized by the voters of the district pursuant to Article VIII, section 6 of the state Constitution, and to provide for the retirement thereof by excess property tax levies as provided in section 6(2) of this act. The district may submit a single proposition to the voters that, if approved, authorizes both the issuance of the bonds and the bond retirement property tax levies.

(2) General obligation bonds with a maturity in excess of forty years shall not be issued. The governing body of the transportation benefit district shall by resolution determine for each general obligation bond issue the amount, date, terms, conditions, denominations, maximum fixed or variable interest rate or rates, maturity or maturities, redemption rights, registration privileges, manner of execution, manner of sale, callable provisions, if any, covenants, and form, including registration as to principal and interest, registration as to principal only, or bearer. Registration may include, but not be limited to: (a) A book entry system of recording the ownership of a bond whether or not physical bonds are issued; or (b) recording the ownership of a bond together with the requirement that the transfer of ownership may only be effected by the surrender of the old bond and either the reissuance of the old bond or the issuance of a new bond to the new owner. Facsimile signatures may be used on the bonds and any coupons. Refunding general obligation bonds may be issued in the same manner as general obligation bonds are issued.

(3) Whenever general obligation bonds are issued to fund specific projects or enterprises that generate revenues, charges, user fees, or special assessments, the transportation benefit district which issues the bonds may specifically pledge all or a portion of the revenues, charges, user fees, or special assessments to refund the general obligation bonds. The district may also pledge any other revenues that may be available to the district.
NEW SECTION. Sec. 8. (1) A transportation benefit district may form a local improvement district to provide any transportation improvement it has the authority to provide, impose special assessments on all property specially benefited by the transportation improvements, and issue special assessment bonds or revenue bonds to fund the costs of the transportation improvement. Local improvement districts shall be created and assessments shall be made and collected pursuant to chapters 35.43, 35.44, 35.49, 35.50, 35.51, 35.53, and 35.54 RCW.

(2) The governing body of a transportation benefit district shall by resolution establish for each special assessment bond issue the amount, date, terms, conditions, denominations, maximum fixed or variable interest rate or rates, maturity or maturities, redemption rights, registration privileges, if any, covenants, and form, including registration as to principal and interest, registration as to principal only, or bearer. Registration may include, but not be limited to: (a) A book entry system of recording the ownership of a bond whether or not physical bonds are issued; or (b) recording the ownership of a bond together with the requirement that the transfer of ownership may only be effected by the surrender of the old bond and either the reissuance of the old bond or the issuance of a new bond to the new owner. Facsimile signatures may be used on the bonds and any coupons. The maximum term of any special assessment bonds shall not exceed thirty years beyond the date of issue. Special assessment bonds issued pursuant to this section shall not be an indebtedness of the transportation benefit district issuing the bonds, and the interest and principal on the bonds shall only be payable from special assessments made for the improvement for which the bonds were issued and any local improvement guaranty fund that the transportation benefit district has created. The owner or bearer of a special assessment bond or any interest coupon issued pursuant to this section shall not have any claim against the transportation benefit district arising from the bond or coupon except for the payment from special assessments made for the improvement for which the bonds were issued and any local improvement guaranty fund the transportation benefit district has created. The district issuing the special assessment bonds is not liable to the owner or bearer of any special assessment bond or any interest coupon issued pursuant to this section for any loss occurring in the lawful operation of its local improvement guaranty fund. The substance of the limitations included in this subsection shall be plainly printed, written, or engraved on each special assessment bond issued pursuant to this section.

(3) Assessments shall reflect any credits given by a transportation benefit district for real property or property right donations made pursuant to section 3, chapter ____ (SB 5732), Laws of 1987.

(4) The governing body may establish and pay moneys into a local improvement guaranty fund to guarantee special assessment bonds issued by the transportation benefit district.
NEW SECTION. Sec. 9. Where physical bonds are issued pursuant to section 7 or 8 of this act, the bonds shall be printed, engraved, or lithographed on good bond paper and the manual or facsimile signatures of both the treasurer and chairperson of the governing body shall be included on each bond.

NEW SECTION. Sec. 10. (1) The proceeds of any bond issued pursuant to section 7 or 8 of this act may be used to pay costs incurred on such bond issue related to the sale and issuance of the bonds. Such costs include payments for fiscal and legal expenses, obtaining bond ratings, printing, engraving, advertising, and other similar activities.

(2) In addition, proceeds of bonds used to fund capital projects may be used to pay the necessary and related engineering, architectural, planning, and inspection costs.

NEW SECTION. Sec. 11. A transportation benefit district may accept and expend or use gifts, grants, and donations.

NEW SECTION. Sec. 12. (1) A transportation benefit district may impose a fee or charge, either direct or indirect, on the construction or reconstruction of residential buildings, commercial buildings, industrial buildings, or on any other building or building space or appurtenance thereto, or on the development, subdivision, classification, or reclassification of land.

(2) Any fee or charge imposed under this section shall be used exclusively for transportation improvements constructed by a transportation benefit district. The fees or charges so imposed must be reasonably necessary as a result of the impact of collective development, construction, or classification or reclassification of land on identified transportation needs.

(3) When fees or charges are imposed by a district within which there is more than one city or both incorporated and unincorporated areas, the legislative authority for each city in the district and the county legislative authority for the unincorporated area must approve the imposition of such fees or charges before they take effect.

NEW SECTION. Sec. 13. A transportation benefit district may exercise the power of eminent domain to obtain property for its authorized purposes in the manner as the city or county legislative authority that established the district.

NEW SECTION. Sec. 14. A transportation benefit district has the same powers as a county or city to contract for street, road, or state highway improvement projects and to enter into reimbursement contracts provided for in chapter 35.72 RCW.

NEW SECTION. Sec. 15. The department of transportation, counties, and cities may give funds to transportation benefit districts for the purposes of financing street, road, or highway improvement projects.
NEW SECTION. Sec. 16. The rule of strict construction does not apply to this chapter, and this chapter shall be liberally construed to permit the accomplishment of its purposes.

Sec. 17. Section 82.02.020, chapter 15, Laws of 1961 as last amended by section 5, chapter 49, Laws of 1982 1st ex. sess. and RCW 82.02.020 are each amended to read as follows:

Except only as expressly provided in RCW 67.28.180 and 67.28.190 and the provisions of chapter 82.14 RCW, the state preempts the field of imposing taxes upon retail sales of tangible personal property, the use of tangible personal property, parimutuel wagering authorized pursuant to RCW 67.16.060, conveyances, and cigarettes, and no county, town, or other municipal subdivision shall have the right to impose taxes of that nature. No county, city, town, or other municipal corporation shall impose any tax, fee, or charge, either direct or indirect, on the construction or reconstruction of residential buildings, commercial buildings, industrial buildings, or on any other building or building space or appurtenance thereto, or on the development, subdivision, classification, or reclassification of land. However, this section does not preclude dedications of land or easements pursuant to RCW 58.17.110 within the proposed development or plat which the county, city, town, or other municipal corporation can demonstrate are reasonably necessary as a direct result of the proposed development or plat to which the dedication of land or easement is to apply.

This section does not prohibit voluntary agreements with counties, cities, towns, or other municipal corporations that allow a payment in lieu of a dedication of land or to mitigate a direct impact that has been identified as a consequence of a proposed development, subdivision, or plat: PROVIDED, That any such voluntary agreement shall be subject to the following provisions:

(1) The payment shall be held in a reserve account and may only be expended to fund a capital improvement agreed upon by the parties to mitigate the identified, direct impact;

(2) The payment shall be expended in all cases within five years of collection; and

(3) Any payment not so expended shall be refunded with interest at the rate applied to judgments to the property owners of record at the time of the refund; however, if the payment is not expended within five years due to delay attributable to the developer, the payment shall be refunded without interest.

No county, city, town, or other municipal corporation shall require any payment as part of such a voluntary agreement which the county, city, town, or other municipal corporation cannot establish is reasonably necessary as a direct result of the proposed development or plat.

Nothing in this section prohibits cities, towns, counties, or other municipal corporations from collecting reasonable fees from an applicant for a
permit or other governmental approval to cover the cost to the city, town, county, or other municipal corporation of processing applications, inspecting and reviewing plans, or preparing detailed statements required by chapter 43.21C RCW.

This section does not limit the existing authority of any county, city, town, or other municipal corporation to impose special assessments on property specifically benefitted thereby in the manner prescribed by law.

Nothing in this section prohibits counties, cities, or towns from imposing or permits counties, cities, or towns to impose water, sewer, natural gas, drainage utility, and drainage system charges: PROVIDED, That no such charge shall exceed the proportionate share of such utility or system's capital costs which the county, city, or town can demonstrate are attributable to the property being charged: PROVIDED FURTHER, That these provisions shall not be interpreted to expand or contract any existing authority of counties, cities, or towns to impose such charges.

Nothing in this section prohibits a transportation benefit district from imposing fees or charges authorized in section 12 of this act nor prohibits the legislative authority of a county, city, or town from approving the imposition of such fees within a transportation benefit district.

This section does not apply to special purpose districts formed and acting pursuant to Titles 54, 56, 57, or 87 RCW, nor is the authority conferred by these titles affected.

NEW SECTION. Sec. 18. Sections 1, 2, and 4 through 16 of this act shall constitute a new chapter in Title 36 RCW. Section 3 of this act shall be added to chapter 35.21 RCW.

CHAPTER 328
[Engrossed Senate Bill No. 5529]
MINORITY AND WOMEN-OWNED AND CONTROLLED BUSINESSES

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 1, chapter 120, Laws of 1983 and RCW 39.19.010 are each amended to read as follows:

The legislature finds that minority and women-owned businesses are significantly under-represented and have been denied equitable competitive
opportunities in contracting. It is the intent of this chapter to mitigate soci-
etal discrimination and other factors in participating in public works and in
providing goods and services and to delineate a policy that an increased
level of participation by minority and women-owned and controlled busi-
nesses is desirable at all levels of state government. The purpose and intent
of this chapter are to provide the maximum practicable opportunity for in-
creased participation by minority and women-owned and controlled busi-
nesses in participating in public works and the process by which goods and
services are procured by state agencies and educational institutions from the
private sector.

Sec. 2. Section 2, chapter 120, Laws of 1983 and RCW 39.19.020 are

shall be met on a contract-by-contract or class-of-contract basis.

(The office, with the advice and counsel of the advisory committee on minority and women's business enterprises, shall) The office shall consult with the minority and women's business enterprises advisory committee to:

However, the power which may be exercised by the office under this subsection permits investigation and imposition of sanctions only if the investigation relates to a possible violation of chapter 39.19 RCW, and not to violation of local ordinances, rules, regulations, however denominated, adopted by political subdivisions of the state.

Sec. 4. Section 7, chapter 120, Laws of 1983 and RCW 39.19.070 are each amended to read as follows:

It is the intent of this chapter that the goals established under this chapter for participation by minority and women-owned and controlled businesses be achievable. If necessary to accomplish this intent, contracts shall be awarded to the next lowest bidder, or all bids may be rejected and new bids obtained, if the lowest bidder does not meet the goals established for a particular contract under this chapter. The dollar value of the total contract used for the calculation of the specific contract goal may be increased or decreased to reflect executed change orders. An apparent low bidder must be in compliance with the contract provisions required under this chapter as a condition precedent to the granting of a notice of award by any state agency or educational institution.

Sec. 5. Section 8, chapter 120, Laws of 1983 and RCW 39.19.080 are each amended to read as follows:

(2) Any person or entity violating this chapter or any rule adopted under this chapter shall be subject to the penalties in RCW 39.19.090. Nothing in this section prevents the state agency or educational institution from pursuing such procedures or sanctions as are otherwise provided by statute, rule, or contract provision.

Sec. 6. Section 9, chapter 120, Laws of 1983 and RCW 39.19.090 are each amended to read as follows:

If a person, firm, corporation, or business does not comply with any provision of this chapter or with a contract (required) requirement established under this chapter, the state may withhold payment, debar the contractor, suspend, or terminate the contract and subject the contractor to civil penalties of up to ten percent of the amount of the contract or up to five thousand dollars(,) whichever is less) for each violation. The office shall adopt, by rule, criteria for the imposition of penalties under this section. Wilful repeated violations, exceeding a single violation, may disqualify the contractor from further participation in state contracts for a period of one year up to three years. An apparent low-bidder must be in compliance with the contract provisions required under this chapter as a condition precedent to the granting of a notice of award by any state agency or educational institution.

((After an administrative hearing and findings of fact by the state agency or educational institution and after the exhaustion of administrative remedies, any adverse decision under this section may be appealed to Thurston county superior court or to any superior court in any county where the alleged violation occurred:))
The office shall follow administrative procedures under chapter 34.04 RCW in determining a violation and imposing penalties under this chapter.

The procedures and sanctions in this section are not exclusive; nothing in this section prevents the state agency or educational institution administering the contracts from pursuing such procedures or sanctions as are otherwise provided by statute, rule, or contract provision.

NEW SECTION. Sec. 7. A new section is added to chapter 39.19 RCW to read as follows:

The office shall be the sole authority to perform certification of minority business enterprises, socially and economically disadvantaged business enterprises, and women's business enterprises throughout the state of Washington. Certification by the state office will allow these firms to participate in programs for these enterprises administered by the state of Washington, any city, town, county, special purpose district, public corporation created by the state, municipal corporation, or quasi-municipal corporation within the state of Washington.

This state-wide certification process will prevent duplication of effort, achieve efficiency, and permit local jurisdictions to further develop, implement, and/or enhance comprehensive systems of monitoring and compliance for contracts issued by their agencies.

(3) The role of the council shall be:

(a) To submit petitions for reconsideration of certification decisions made by the office; and

(b) To make recommendations with regards to the certification process.

(3) After reviewing the information presented in support of and in opposition to the petition, the office shall issue a written decision, granting or denying the petition. If the office grants the petition, it may revoke, suspend, or refuse to renew the certification or impose sanctions under this chapter as appropriate.
(4) The office's decision on a petition is administratively final and the rights of appeal set out in the office regulations shall apply. A certification shall remain in effect while a petition is pending.

(5) The use of the signal equipment described herein shall impose upon drivers of other vehicles the obligation to yield right of way and stop as prescribed in RCW 46.61.210, 46.61.370, and 46.61.350.

Sec. 711. Section 46.37.194, chapter 12, Laws of 1961 and RCW 46.37.194 are each amended to read as follows:

The state patrol may make rules and regulations relating to authorized emergency vehicles and shall test and approve sirens and emergency vehicle lamps to be used on such vehicles.
Sec. 712. Section 46.37.210, chapter 12, Laws of 1961 as last amended by section 18, chapter 355, Laws of 1977 ex. sess. and RCW 46.37.210 are each amended to read as follows:

(1) Any motor vehicle may be equipped with not more than two side cowl or fender lamps which shall emit an amber or white light without glare.

(2) Any motor vehicle may be equipped with not more than one running-board courtesy lamp on each side thereof which shall emit a white or amber light without glare.

(3) Any motor vehicle may be equipped with one or more back-up lamps either separately or in combination with other lamps, but any such back-up lamp or lamps shall not be lighted when the motor vehicle is in forward motion.

(4) Any vehicle may be equipped with one or more side marker lamps, and any such lamp may be flashed in conjunction with turn or vehicular hazard warning signals. Side marker lamps located toward the front of a vehicle shall be amber, and side marker lamps located toward the rear shall be red.

(5) Any vehicle eighty inches or more in over-all width, if not otherwise required by RCW 46.37.090, may be equipped with not more than three identification lamps showing to the front which shall emit an amber light without glare and not more than three identification lamps showing to the rear which shall emit a red light without glare. Such lamps shall be mounted as specified in RCW 46.37.090((6)–(7)).

(6) (a) Every motor vehicle, trailer, semitrailer, truck tractor, and pole trailer used in the state of Washington may be equipped with an auxiliary lighting system consisting of:

(i) One green light to be activated when the accelerator of the motor vehicle is depressed;

(ii) Not more than two amber lights to be activated when the motor vehicle is moving forward, or standing and idling, but is not under the power of the engine.

(b) Such auxiliary system shall not interfere with the operation of vehicle stop lamps or turn signals, as required by RCW 46.37.070. Such system, however, may operate in conjunction with such stop lamps or turn signals.

(c) Only one color of the system may be illuminated at any one time, and at all times either the green light, or amber light or lights shall be illuminated when the stop lamps of the vehicle are not illuminated.

(d) The green light, and the amber light or lights, when illuminated shall be plainly visible at a distance of one thousand feet to the rear.

(e) Only one such system may be mounted on a motor vehicle, trailer, semitrailer, truck tractor, or pole trailer; and such system shall be rear
mounted in a horizontal fashion, at a height of not more than seventy-two inches, nor less than twenty inches, as provided by RCW 46.37.050.

(f) On a combination of vehicles, only the lights of the rearmost vehicle need actually be seen and distinguished as provided in subparagraph (d) of this subsection.

(g) Each manufacturer's model of such a system as described in this subsection shall be approved by the ((commission on equipment)) state patrol as provided for in RCW 46.37.005 and 46.37.320, before it may be sold or offered for sale in the state of Washington.

Sec. 713. Section 46.37.280, chapter 12, Laws of 1961 as last amended by section 24, chapter 355, Laws of 1977 ex. sess. and RCW 46.37.280 are each amended to read as follows:

(1) During the times specified in RCW 46.37.020, any lighted lamp or illuminating device upon a motor vehicle, other than head lamps, spot lamps, auxiliary lamps, flashing turn signals, emergency vehicle warning lamps, warning lamps authorized by the state ((commission on equipment)) patrol and school bus warning lamps, which projects a beam of light of an intensity greater than three hundred candlepower shall be so directed that no part of the high intensity portion of the beam will strike the level of the roadway on which the vehicle stands at a distance of more than seventy-five feet from the vehicle.

(2) Except as required in RCW 46.37.190 no person shall drive or move any vehicle or equipment upon any highway with any lamp or device thereon displaying a red light visible from directly in front of the center thereof.

(3) Flashing lights are prohibited except as required in RCW 46.37-.190, 46.37.200, 46.37.210, 46.37.215, and 46.37.300, and warning lamps authorized by the state ((commission on equipment)) patrol.

Sec. 714. Section 46.37.290, chapter 12, Laws of 1961 as last amended by section 1, chapter 45, Laws of 1977 and RCW 46.37.290 are each amended to read as follows:

The ((state commission on equipment)) chief of the Washington state patrol is authorized to adopt standards and specifications applicable to lighting equipment on and special warning devices to be carried by school buses and private carrier buses consistent with the provisions of this chapter, but supplemental thereto. Such standards and specifications shall correlate with and, so far as possible, conform to the specifications then current as approved by the society of automotive engineers.

Sec. 715. Section 46.37.300, chapter 12, Laws of 1961 as amended by section 20, chapter 154, Laws of 1953 and RCW 46.37.300 are each amended to read as follows:
(1) The state ((commission on equipment)) patrol shall adopt standards and specifications applicable to head lamps, clearance lamps, identification and other lamps on snow-removal and other highway maintenance and service equipment when operated on the highways of this state in lieu of the lamps otherwise required on motor vehicles by this chapter. Such standards and specifications may permit the use of flashing lights for purposes of identification on snow-removal and other highway maintenance and service equipment when in service upon the highways. The standards and specifications for lamps referred to in this section shall correlate with and, so far as possible, conform with those approved by the American association of state highway officials.

(2) It shall be unlawful to operate any snow-removal and other highway maintenance and service equipment on any highway unless the lamps thereon comply with and are lighted when and as required by the standards and specifications adopted as provided in this section.

Sec. 716. Section 46.37.310, chapter 12, Laws of 1961 as amended by section 1, chapter 113, Laws of 1986 and RCW 46.37.310 are each amended to read as follows:

(1) No person may have for sale, sell, or offer for sale for use upon or as a part of the equipment of a motor vehicle, trailer, or semitrailer, or use upon any such vehicle any head lamp, auxiliary or fog lamp, rear lamp, signal lamp, or reflector, which reflector is required under this chapter, or parts of any of the foregoing which tend to change the original design or performance, unless of a type which has been submitted to the state ((commission on equipment)) patrol and conforming to rules adopted by it.

(2) No person may have for sale, sell, or offer for sale for use upon or as a part of the equipment of a motor vehicle, trailer, or semitrailer any lamp or device mentioned in this section conforming to rules adopted by the state ((commission on equipment)) patrol unless such lamp or device bears thereon the trademark or name under which it is approved so as to be legible when installed.

(3) No person may use upon any motor vehicle, trailer, or semitrailer any lamps mentioned in this section unless the lamps are mounted, adjusted, and aimed in accordance with instructions of the state ((commission on equipment)) patrol.

Sec. 717. Section 2, chapter 113, Laws of 1986 and RCW 46.37.320 are each amended to read as follows:

(1) The ((state commission on equipment)) chief of the state patrol is hereby authorized to adopt and enforce rules establishing standards and specifications governing the performance of lighting devices and their installation, adjustment, and aiming, when in use on motor vehicles, and other safety equipment, components, or assemblies of a type for which regulation is required in this chapter or in rules adopted by the ((commission)) state patrol. Such rules shall correlate with and, so far as practicable, conform to
federal motor vehicle safety standards adopted pursuant to the national traffic and motor vehicle safety act of 1966 (15 U.S.C. Sec. 1381 et seq.) covering the same aspect of performance, or in the absence of such federal standards, to the then current standards and specifications of the society of automotive engineers applicable to such equipment: PROVIDED, That the sale, installation, and use of any headlamp meeting the standards of either the society of automotive engineers or the United Nations agreement concerning motor vehicle equipment and parts done at Geneva on March 20, 1958, or as amended and adopted by the Canadian standards association (CSA standard D106.2), as amended, shall be lawful in this state.

(2) Every manufacturer who sells or offers for sale lighting devices or other safety equipment subject to requirements established by the ((commission)) state patrol shall, if the lighting device or safety equipment is not in conformance with applicable federal motor vehicle safety standards, provide for submission of such lighting device or safety equipment to any recognized organization or agency such as, but not limited to, the American national standards institute, the society of automotive engineers, or the American association of motor vehicle administrators, as the agent of the ((commission)) state patrol. Issuance of a certificate of compliance for any lighting device or item of safety equipment by that agent is deemed to comply with the standards set forth by the ((commission on equipment)) state patrol. Such certificate shall be issued by the agent of the state before sale of the product within the state.

(3) The ((commission)) state patrol may at any time request from the manufacturer a copy of the test data showing proof of compliance of any device with the requirements established by the ((commission)) state patrol and additional evidence that due care was exercised in maintaining compliance during production. If the manufacturer fails to provide such proof of compliance within sixty days of notice from the ((commission)) state patrol, the ((commission)) state patrol may prohibit the sale of the device in this state until acceptable proof of compliance is received by the ((commission)) state patrol.

(4) The ((commission)) state patrol or its agent may purchase any lighting device or other safety equipment, component, or assembly subject to this chapter or rules adopted by the ((commission)) state patrol under this chapter, for purposes of testing or retesting the equipment as to its compliance with applicable standards or specifications.

Sec. 718. Section 46.37.330, chapter 12, Laws of 1961 as amended by section 26, chapter 355, Laws of 1977 ex. sess. and RCW 46.37.330 are each amended to read as follows:

(1) When the state ((commission on equipment)) patrol has reason to believe that an approved device does not comply with the requirements of this chapter or regulations issued by the state ((commission on equipment)) patrol, it may, after giving thirty days' previous notice to the person holding
the certificate of approval for such device in this state, conduct a hearing upon the question of compliance of said approved device. After said hearing the state ((commission on equipment)) patrol shall determine whether said approved device meets the requirements of this chapter and regulations issued by the ((commission)) state patrol. If said device does not meet the requirements of this chapter or the ((commission's)) state patrol's regulations it shall give notice to the one to whom the certificate of approval has been issued of the ((commission's)) state patrol's intention to suspend or revoke the certificate of approval for such device in this state.

(2) If at the expiration of ninety days after such notice the person holding the certificate of approval for such device has failed to satisfy the state ((commission on equipment)) patrol that said approved device as thereafter to be sold or offered for sale meets the requirements of this chapter or the ((commission's)) state patrol's regulations, the state ((commission on equipment)) patrol shall suspend or revoke the approval issued therefor and shall require the withdrawal of all such devices from the market and may require that all said devices sold since the notification be replaced with devices that do comply.

(3) When a certificate of approval has been suspended or revoked pursuant to this chapter or regulations by the state ((commission on equipment)) patrol, the device shall not be again approved unless and until it has been submitted for reapproval and it has been demonstrated, in the same manner as in an application for an original approval, that the device fully meets the requirements of this chapter or regulations issued by the state ((commission on equipment)) patrol. The state ((commission on equipment)) patrol may require that all previously approved items are being effectively recalled and removed from the market as a condition of reapproval.

Sec. 719. Section 24, chapter 154, Laws of 1963 as amended by section 29, chapter 355, Laws of 1977 ex. sess. and RCW 46.37.365 are each amended to read as follows:

(1) The term "hydraulic brake fluid" as used in this section shall mean the liquid medium through which force is transmitted to the brakes in the hydraulic brake system of a vehicle.

(2) Hydraulic brake fluid shall be distributed and serviced with due regard for the safety of the occupants of the vehicle and the public.

(3) The ((state commission on equipment)) chief of the Washington state patrol shall, in compliance with the provisions of chapter 34.04 RCW, the administrative procedure act, which govern the adoption of rules, adopt and enforce regulations for the administration of this section and shall adopt and publish standards and specifications for hydraulic brake fluid which shall correlate with, and so far as practicable conform to, the then current standards and specifications of the society of automotive engineers applicable to such fluid.
(4) No person shall distribute, have for sale, offer for sale, or sell any hydraulic brake fluid unless it complies with the requirements of this section and the standard specifications adopted by the state ((commission on equipment)) patrol. No person shall service any vehicle with brake fluid unless it complies with the requirements of this section and the standards and specifications adopted by the state ((commission on equipment)) patrol.

(5) Subsections (3) and (4) of this section shall not apply to petroleum base fluids in vehicles with brake systems designed to use them.

Sec. 720. Section 46.37.380, chapter 12, Laws of 1961 as last amended by section 3, chapter 113, Laws of 1986 and RCW 46.37.380 are each amended to read as follows:

(1) Every motor vehicle when operated upon a highway shall be equipped with a horn in good working order and capable of emitting sound audible under normal conditions from a distance of not less than two hundred feet, but no horn or other warning device may emit an unreasonably loud or harsh sound or a whistle. The driver of a motor vehicle shall when reasonably necessary to insure safe operation give audible warning with his horn but shall not otherwise use such horn when upon a highway.

(2) No vehicle may be equipped with nor may any person use upon a vehicle any siren, whistle, or bell, except as otherwise permitted in this section.

(3) It is permissible for any vehicle to be equipped with a theft alarm signal device so long as it is so arranged that it cannot be used by the driver as an ordinary warning signal. Such a theft alarm signal device may use a whistle, bell, horn, or other audible signal but shall not use a siren.

(4) Any authorized emergency vehicle may be equipped with a siren, whistle, or bell capable of emitting sound audible under normal conditions from a distance of not less than five hundred feet and of a type conforming to rules adopted by the state ((commission on equipment)) patrol, but the siren shall not be used except when the vehicle is operated in response to an emergency call or in the immediate pursuit of an actual or suspected violator of the law, in which latter events the driver of the vehicle shall sound the siren when reasonably necessary to warn pedestrians and other drivers of its approach.

Sec. 721. Section 46.37.420, chapter 12, Laws of 1961 as last amended by section 4, chapter 113, Laws of 1986 and RCW 46.37.420 are each amended to read as follows:

(1) It is unlawful to operate a vehicle upon the public highways of this state unless it is completely equipped with pneumatic rubber tires.

(2) No tire on a vehicle moved on a highway may have on its periphery any block, flange, cleat, or spike or any other protuberance of any material other than rubber which projects beyond the tread of the traction surface of the tire, except that it is permissible to use farm machinery with tires having protuberances that will not injure the highway, and except also that it is
permissible to use tire chains or metal studs imbedded within the tire of reasonable proportions and of a type conforming to rules adopted by the state ((commission on equipment)) patrol, upon any vehicle when required for safety because of snow, ice, or other conditions tending to cause a vehicle to skid. It is unlawful to use metal studs imbedded within the tire between April 1st and November 1st. The state department of transportation may, from time to time, determine additional periods in which the use of tires with metal studs imbedded therein is lawful.

(3) The state department of transportation and local authorities in their respective jurisdictions may issue special permits authorizing the operation upon a highway of traction engines or tractors having movable tracks with transverse corrugations upon the periphery of the movable tracks or farm tractors or other farm machinery, the operation of which upon a highway would otherwise be prohibited under this section.

(4) Tires with metal studs imbedded therein may be used between November 1st and April 1st upon school buses and fire department vehicles, any law or regulation to the contrary notwithstanding.

Sec. 722. Section 3, chapter 77, Laws of 1971 as last amended by section 73, chapter 136, Laws of 1979 ex. sess. and RCW 46.37.425 are each amended to read as follows:

No person shall drive or move or cause to be driven or moved any vehicle, the tires of which have contact with the driving surface of the road, subject to registration in this state, upon the public highways of this state unless such vehicle is equipped with tires in safe operating condition in accordance with requirements established by this section or by the state ((commission on equipment)) patrol.

The state ((commission on equipment)) patrol shall promulgate rules and regulations setting forth requirements of safe operating condition of tires capable of being employed by a law enforcement officer by visual inspection of tires mounted on vehicles including visual comparison with simple measuring gauges. These rules shall include effects of tread wear and depth of tread.

A tire shall be considered unsafe if it has:

(1) Any ply or cord exposed either to the naked eye or when cuts or abrasions on the tire are probed; or

(2) Any bump, bulge, or knot, affecting the tire structure; or

(3) Any break repaired with a boot; or

(4) A tread depth of less than 2/32 of an inch measured in any two major tread grooves at three locations equally spaced around the circumference of the tire, or for those tires with tread wear indicators, a tire shall be considered unsafe if it is worn to the point that the tread wear indicators contact the road in any two major tread grooves at three locations equally spaced around the circumference of the tire; or
(5) A legend which indicates the tire is not intended for use on public highways such as, "not for highway use" or "for racing purposes only"; or
(6) Such condition as may be reasonably demonstrated to render it unsafe; or
(7) If not matched in tire size designation, construction, and profile to the other tire and/or tires on the same axle.

No person, firm, or corporation shall sell any vehicle for use on the public highways of this state unless the vehicle is equipped with tires that are in compliance with the provisions of this section. If the tires are found to be in violation of the provisions of this section, the person, firm, or corporation selling the vehicle shall cause such tires to be removed from the vehicle and shall equip the vehicle with tires that are in compliance with the provisions of this section.

It is a traffic infraction for any person to operate a vehicle on the public highways of this state, or to sell a vehicle for use on the public highways of this state, which is equipped with a tire or tires in violation of the provisions of this section or the rules and regulations promulgated by the state patrol hereunder: PROVIDED, HOWEVER, That if the violation relates to items (1) to (7) inclusive of this section then the condition or defect must be such that it can be detected by a visual inspection of tires mounted on vehicles, including visual comparison with simple measuring gauges.

Sec. 723. Section 46.37.430, chapter 12, Laws of 1961 as last amended by section 5, chapter 113, Laws of 1986 and RCW 46.37.430 are each amended to read as follows:

(1) No person may sell any new motor vehicle as specified in this title, nor may any new motor vehicle as specified in this title be registered unless such vehicle is equipped with safety glazing material of a type approved by the state patrol wherever glazing material is used in doors, windows, and windshields. The foregoing provisions apply to all passenger-type motor vehicles, including passenger buses and school buses, but in respect to trucks, including truck tractors, the requirements as to safety glazing material apply to all glazing material used in doors, windows, and windshields in the drivers' compartments of such vehicles except as provided by subsection (4) of this section.

(2) The term "safety glazing materials" means glazing materials so constructed, treated, or combined with other materials as to reduce substantially, in comparison with ordinary sheet glass or plate glass, the likelihood of injury to persons by objects from exterior sources or by these safety glazing materials when they may be cracked or broken.

(3) The director of licensing shall not register any motor vehicle which is subject to the provisions of this section unless it is equipped with an approved type of safety glazing material, and he shall suspend the registration
of any motor vehicle so subject to this section which he finds is not so equipped until it is made to conform to the requirements of this section.

(4) No person may sell or offer for sale, nor may any person operate a motor vehicle registered in this state which is equipped with, any camper manufactured after May 23, 1969, unless such camper is equipped with safety glazing material of a type conforming to rules adopted by the state patrol wherever glazing materials are used in outside windows and doors.

(5) No tinting or coloring material that reduces light transmittance to any degree, unless it meets standards for such material adopted by the state patrol, may be applied to the surface of the safety glazing material in a motor vehicle in any of the following locations:
(a) Windshields,
(b) Windows to the immediate right and left of the driver including windwings or,
(c) Rearmost windows if used for driving visibility by means of an interior rear-view mirror.

The standards adopted by the state patrol shall permit a greater degree of light reduction on a vehicle operated by or carrying as a passenger a person who possesses written verification from a licensed physician that the operator or passenger must be protected from exposure to sunlight for physical or medical reasons.

Nothing in this subsection prohibits the use of shaded or heat-absorbing safety glazing material in which the shading or heat-absorbing characteristics have been applied at the time of manufacture of the safety glazing material and which meet the standards of the state patrol for such safety glazing materials.

(6) The standards used for approval of safety glazing materials by the state patrol shall conform as closely as possible to the standards for safety glazing materials for motor vehicles promulgated by the United States of America Standards Institute in effect at the time of manufacture of the safety glazing material.

Sec. 724. Section 46.37.440, chapter 12, Laws of 1961 as last amended by section 6, chapter 113, Laws of 1986 and RCW 46.37.440 are each amended to read as follows:

(1) No person may operate any motor truck, passenger bus, truck tractor, motor home, or travel trailer over eighty inches in overall width upon any highway outside the corporate limits of municipalities at any time unless there is carried in such vehicle the following equipment except as provided in subsection (2) of this section:
(a) At least three flares or three red electric lanterns or three portable red emergency reflectors, each of which shall be capable of being seen and distinguished at a distance of not less than six hundred feet under normal atmospheric conditions at nighttime.
No flare, fusee, electric lantern, or cloth warning flag may be used for the purpose of compliance with this section unless such equipment is of a type which has been submitted to the state (commission on equipment) patrol and conforms to rules adopted by it. No portable reflector unit may be used for the purpose of compliance with the requirements of this section unless it is so designed and constructed as to be capable of reflecting red light clearly visible from all distances within six hundred feet to one hundred feet under normal atmospheric conditions at night when directly in front of lawful upper beams of head lamps, and unless it is of a type which has been submitted to the state (commission on equipment) patrol and conforms to rules adopted by it;

(b) At least three red-burning fusees unless red electric lanterns or red portable emergency reflectors are carried;

(c) At least two red-cloth flags, not less than twelve inches square, with standards to support such flags.

(2) No person may operate at the time and under conditions stated in subsection (1) of this section any motor vehicle used for the transportation of explosives, any cargo tank truck used for the transportation of flammable liquids or compressed gases or liquefied gases, or any motor vehicle using compressed gas as a fuel unless there is carried in such vehicle three red electric lanterns or three portable red emergency reflectors meeting the requirements of subsection (1) of this section, and there shall not be carried in any said vehicle any flares, fusees, or signal produced by flame.

Sec. 725. Section 46.37.450, chapter 12, Laws of 1961 as amended by section 1, chapter 119, Laws of 1984 and RCW 46.37.450 are each amended to read as follows:

(1) Whenever any motor truck, passenger bus, truck tractor over eighty inches in overall width, trailer, semitrailer, or pole trailer is disabled upon the traveled portion of any highway or the shoulder thereof outside any municipality at any time when lighted lamps are required on vehicles, the driver of such vehicle shall display the following warning devices upon the highway during the time the vehicle is so disabled on the highway except as provided in subsection (2) of this section:

(a) A lighted fusee, a lighted red electric lantern, or a portable red emergency reflector shall be immediately placed at the traffic side of the vehicle in the direction of the nearest approaching traffic.

(b) As soon thereafter as possible but in any event within the burning period of the fusee (fifteen minutes), the driver shall place three liquid-burning flares (pot torches), three lighted red electric lanterns, or three portable red emergency reflectors on the traveled portion of the highway in the following order:

(i) One, approximately one hundred feet from the disabled vehicle in the center of the lane occupied by such vehicle and toward traffic approaching in that lane.
(ii) One, approximately one hundred feet in the opposite direction from the disabled vehicle and in the center of the traffic lane occupied by such vehicle.

(iii) One at the traffic side of the disabled vehicle not less than ten feet rearward or forward thereof in the direction of the nearest approaching traffic. If a lighted red electric lantern or a red portable emergency reflector has been placed at the traffic side of the vehicle in accordance with subdivision (a) of this subsection, it may be used for this purpose.

(2) Whenever any vehicle referred to in this section is disabled within five hundred feet of a curve, hillcrest, or other obstruction to view, the warning signal in that direction shall be so placed as to afford ample warning to other users of the highway, but in no case less than five hundred feet from the disabled vehicle.

(3) Whenever any vehicle of a type referred to in this section is disabled upon any roadway of a divided highway during the time that lights are required, the appropriate warning devices prescribed in subsections (1) and (5) of this section shall be placed as follows:

One at a distance of approximately two hundred feet from the vehicle in the center of the lane occupied by the stopped vehicle and in the direction of traffic approaching in that lane; one at a distance of approximately one hundred feet from the vehicle, in the center of the lane occupied by the vehicle and in the direction of traffic approaching in that lane; and one at the traffic side of the vehicle and approximately ten feet from the vehicle in the direction of the nearest approaching traffic.

(4) Whenever any vehicle of a type referred to in this section is disabled upon the traveled portion of a highway or the shoulder thereof outside any municipality at any time when the display of fusees, flares, red electric lanterns, or portable red emergency reflectors is not required, the driver of the vehicle shall display two red flags upon the roadway in the lane of traffic occupied by the disabled vehicle, one at a distance of approximately one hundred feet in advance of the vehicle, and one at a distance of approximately one hundred feet to the rear of the vehicle.

(5) Whenever any motor vehicle used in the transportation of explosives or any cargo tank truck used for the transportation of any flammable liquid or compressed flammable gas, or any motor vehicle using compressed gas as a fuel, is disabled upon a highway of this state at any time or place mentioned in subsection (1) of this section, the driver of such vehicle shall immediately display the following warning devices: One red electric lantern or portable red emergency reflector placed on the roadway at the traffic side of the vehicle, and two red electric lanterns or portable red reflectors, one placed approximately one hundred feet to the front and one placed approximately one hundred feet to the rear of this disabled vehicle in the center of the traffic lane occupied by such vehicle. Flares, fusees, or signals produced
by flame shall not be used as warning devices for disabled vehicles of the type mentioned in this subsection.

(6) Whenever any vehicle, other than those described in subsection (1) of this section, is disabled upon the traveled portion of any highway or shoulder thereof outside any municipality at any time when lights are required on vehicles, the state patrol or the county sheriff shall, upon discovery of the disabled vehicle, place a reflectorized warning device on or near the vehicle. The warning device and its placement shall be in accordance with rules adopted by the state patrol. Neither the standards for, placement or use of, nor the lack of placement or use of a warning device under this subsection gives rise to any civil liability on the part of the state of Washington, the state patrol, any county, or any law enforcement agency or officer.

(7) The flares, fusees, red electric lanterns, portable red emergency reflectors, and flags to be displayed as required in this section shall conform with the requirements of RCW 46.37.440 applicable thereto.

(1) The term "air-conditioning equipment" as used or referred to in this section shall mean mechanical vapor compression refrigeration equipment which is used to cool the driver's or passenger compartment of any motor vehicle.

(2) Such equipment shall be manufactured, installed and maintained with due regard for the safety of the occupants of the vehicle and the public and shall not contain any refrigerant which is toxic to persons or which is flammable.

(3) The state patrol may adopt and enforce safety requirements, regulations and specifications consistent with the requirements of this section applicable to such equipment which shall correlate with and, so far as possible, conform to the current recommended practice or standard applicable to such equipment approved by the society of automotive engineers.

(4) No person shall have for sale, offer for sale, sell or equip any motor vehicle with any such equipment unless it complies with the requirements of this section.

(5) No person shall operate on any highway any motor vehicle equipped with any air-conditioning equipment unless said equipment complies with the requirements of this section.

Sec. 727. Section 46.37.490, chapter 12, Laws of 1961 and RCW 46.37.490 are each amended to read as follows:

It shall be unlawful to operate any vehicle upon the public highways of this state without having the load thereon securely fastened and protected by safety chains or other device. The
chief of the Washington state patrol is hereby authorized to adopt and enforce reasonable rules and regulations as to what shall constitute adequate and safe chains or other devices for the fastening and protection of loads upon vehicles.

Sec. 728. Section 1, chapter 215, Laws of 1983 and RCW 46.37.505 are each amended to read as follows:

(e) a guardian of the person of the decedent at the time of his death,
(f) any other person authorized or under obligation to dispose of the body.

(3) If the donee has actual notice of contrary indications by the decedent or that a gift by a member of a class is opposed by a member of the same or a prior class, the donee shall not accept the gift. The persons authorized by subsection (2) may make the gift after death or during the terminal illness.

(4) A gift of all or part of a body authorizes any examination necessary to assure medical acceptability of the gift for the purposes intended.

(5) The rights of the donee created by the gift are paramount to the rights of others except as provided by RCW (68.08.560(4)) 68.50.400(4).

Sec. 67. Section 5, chapter 80, Laws of 1969 as amended by section 2, chapter 54, Laws of 1975 and RCW 68.08.530 are each amended to read as follows:

(1) A gift of all or part of the body under RCW (68.08.510(1)) 68.50.350(1), may be made by will. The gift becomes effective upon the death of the testator without waiting for probate. If the will is not probated, or if it is declared invalid for testamentary purposes, the gift, to the extent that it has been acted upon in good faith, is nevertheless valid and effective.

(2) A gift of all or part of the body under RCW (68.08.510(1)) 68.50.350(1), may also be made by document other than a will. The gift becomes effective upon the death of the donor. The document, which may be a card designed to be carried on the person, must be signed by the donor in the presence of two witnesses who must sign the document in his presence. If the donor cannot sign, the document may be signed for him at his direction and in his presence in the presence of two witnesses who must sign the document in his presence. Delivery of the document of gift during the donor's lifetime is not necessary to make the gift valid.

(3) A gift of all or part of the body under RCW (68.08.510(1)) 68.50.350(1) may also be made by a statement provided for on Washington
state driver's licenses. The gift becomes effective upon the death of the licensee. The statement must be signed by the licensee in the presence of two witnesses, who must sign the statement in the presence of the donor. Delivery of the license during the donor's lifetime is not necessary to make the gift valid. The gift shall become invalidated upon expiration, cancellation, revocation, or suspension of the license, and the gift must be renewed upon renewal of each license: PROVIDED, That the statement of gift herein provided for shall contain a provision, including a clear instruction to the donor, providing for a means by which the donor may at his will revoke such gift: PROVIDED FURTHER, That nothing in this chapter shall be construed to invalidate a donor card located elsewhere.

(4) The gift may be made to a specified donee or without specifying a donee. If the latter, the gift may be accepted by the attending physician as donee upon or following death. If the gift is made to a specified donee who is not available at the time and place of death, the attending physician upon or following death, in the absence of any expressed indication that the donor desired otherwise, may accept the gift as donee. The physician who becomes a donee under this subsection shall not participate in the procedures for removing or transplanting a part.

(5) Notwithstanding RCW (60.56.0(2)) 68.50.400(2), the donor may designate in his will, card, or other document of gift the surgeon or physician to carry out the appropriate procedures. In the absence of a designation or if the designee is not available, the donee or other person authorized to accept the gift may employ or authorize any surgeon or physician for the purpose.

(6) Any gift by a person designated in RCW (68.08.510(2)) 68.50.350(2), shall be made by a document signed by him or made by his telegraphic, recorded telephonic, or other recorded message.

Sec. 68. Section 8, chapter 80, Laws of 1969 and RCW 68.08.560 are each amended to read as follows:

(1) The donee may accept or reject the gift. If the donee accepts a gift of the entire body, he may, subject to the terms of the gift, authorize embalming and the use of the body in funeral services. If the gift is of a part of the body, the donee, upon the death of the donor and prior to embalming, shall cause the part to be removed without unnecessary mutilation. After removal of the part, custody of the remainder of the body vests in the surviving spouse, next of kin, or other persons under obligation to dispose of the body.

(2) The time of death shall be determined by a physician who tends the donor at his death, or, if none, the physician who certifies the death. The physician shall not participate in the procedures for removing or transplanting a part.
(3) A person who acts in good faith in accord with the terms of RCW ((68.08.500)) 68.50.340 through ((68.08.610)) 68.50.420 or with the anatomical gift laws of another state (or a foreign country) is not liable for damages in any civil action or subject to prosecution in any criminal proceeding for his act.

(4) The provisions of RCW ((68.08.500)) 68.50.340 through ((68.08.610)) 68.50.420 are subject to the laws of this state prescribing powers and duties with respect to autopsies.

Sec. 69. Section 9, chapter 80, Laws of 1969 and RCW 68.08.600 are each amended to read as follows:

RCW ((68.08.500)) 68.50.340 through ((68.08.610)) 68.50.420 shall be so construed as to effectuate its general purpose to make uniform the law of those states which enact it.

Sec. 70. Section 11, chapter 80, Laws of 1969 and RCW 68.08.610 are each amended to read as follows:

RCW ((68.08.500)) 68.50.340 through ((68.08.610)) 68.50.420 may be cited as the "Uniform Anatomical Gift Act".

Sec. 71. Section 1, chapter 129, Laws of 1986 and RCW 68.08.650 are each amended to read as follows:

Each hospital shall develop procedures for identifying potential organ and tissue donors. The procedures shall require that any deceased individual's next of kin or other individual, as set forth in RCW ((68.08.510)) 68.50.350, at or near the time of notification of death be asked whether the deceased was an organ donor. If not, the family shall be informed of the option to donate organs and tissues pursuant to the uniform anatomical gift act. With the approval of the designated next of kin or other individual, as set forth in RCW ((68.08.510)) 68.50.350, the hospital shall then notify an established eye bank, tissue bank, or organ procurement agency including those organ procurement agencies associated with a national organ procurement transportation network or other eligible donee, as specified in RCW ((68.08.520)) 68.50.360, and cooperate in the procurement of the anatomical gift or gifts. The procedures shall encourage reasonable discretion and sensitivity to the family circumstances in all discussions regarding donations of tissue or organs. The procedures may take into account the deceased individual's religious beliefs or obvious nonsuitability for organ and tissue donation. Laws pertaining to the jurisdiction of the coroner shall be complied with in all cases of reportable deaths pursuant to RCW ((68.08.010)) 68.50.010.

Sec. 72. Section 2, chapter 129, Laws of 1986 and RCW 68.08.660 are each amended to read as follows:

No act or omission of a hospital in developing or implementing the provisions of RCW ((68.08.650)) 68.50.500, when performed in good faith, shall be a basis for the imposition of any liability upon the hospital.
This section shall not apply to any act or omission of the hospital that constitutes gross negligence or wilful and wanton conduct.

Sec. 73. Section 2, chapter 112, Laws of 1963 and RCW 68.16.113 are each amended to read as follows:

As used in RCW ((68.16.112)) 68.52.192, "public agency" means counties, cities and towns, special districts, or quasi municipal corporations.

Sec. 74. Section 1, chapter 78, Laws of 1969 ex. sess. and RCW 68.18.010 are each amended to read as follows:

Any territory contiguous to a cemetery district and not within the boundaries of a city or town other than as set forth in RCW ((68.16.130)) 68.52.210 or other cemetery district may be annexed to such cemetery district by petition of fifteen percent of the qualified registered electors residing within the territory proposed to be annexed. Such petition shall be filed with the cemetery commissioners of the cemetery district and if the said cemetery commissioners shall concur in the said petition they shall then file such petition with the county auditor who shall within thirty days from the date of filing such petition examine the signatures thereof and certify to the sufficiency or insufficiency thereof. After the county auditor shall have certified to the sufficiency of the petition, the proceedings thereafter by the board of county commissioners, and the rights and powers and duties of the board of county commissioners, petitioners and objectors and the election and canvass thereof shall be the same as in the original proceedings to form a cemetery district: PROVIDED, That the board of county commissioners shall have authority and it shall be its duty to determine on an equitable basis, the amount of obligation which the territory to be annexed to the district shall assume, if any, to place the taxpayers of the existing district on a fair and equitable relationship with the taxpayers of the territory to be annexed by reason of the benefits of coming into a going district previously supported by the taxpayers of the existing district, and such obligation may be paid to the district in yearly installments to be fixed by the county board if within the limits as outlined in RCW ((68.16.230)) 68.52.310 and included in the annual tax levies against the property in such annexed territory until fully paid. The amount of the obligation and the plan of payment thereof filed by the county board shall be set out in general terms in the notice of election for annexation: PROVIDED, That the special election shall be held only within the boundaries of the territory proposed to be annexed to said cemetery district. Upon the entry of the order of the board of county commissioners incorporating such contiguous territory within such existing cemetery district, said territory shall become subject to the indebtedness, bonded or otherwise, of said existing district in like manner as the territory of said district. Should such petition be signed by sixty percent of the qualified registered electors residing within the territory proposed to be annexed, and should the cemetery commissioners concur therein, an election in such territory and a hearing on such petition shall be dispensed with and the
board of county commissioners shall enter its order incorporating such territory within the said existing cemetery district.

Sec. 75. Section 12, chapter 78, Laws of 1969 ex. sess. and RCW 68-.18.120 are each amended to read as follows:

When a part of one cemetery district is transferred to another as provided by RCW (68-18.100)) 68.54.100 and (68.18.110)) 68.54.110, said part shall be relieved of all liability for any indebtedness of the district from which it is withdrawn. However, the acquiring district shall pay to the losing district that portion of the latter's indebtedness for which the transferred part was liable. This amount shall not exceed the proportion that the assessed valuation of the transferred part bears to the assessed valuation of the whole district from which said part is withdrawn. The adjustment of such indebtedness shall be based on the assessment for the year in which the transfer is made. The boards of commissioners of the districts involved in the said transfer and merger shall enter into a contract for the payment by the acquiring district of the above-referred to indebtedness under such terms as they deem proper, provided such contract shall not impair the security of existing creditors.

Sec. 76. Section 15, chapter 43, Laws of 1981 as amended by section 5, chapter 402, Laws of 1985 and RCW 18.39.215 are each amended to read as follows:

(1) No licensed embalmer shall embalm a deceased body without first having obtained authorization from a family member or representative of the deceased.

Notwithstanding the above prohibition a licensee may embalm without such authority when after due diligence no authorized person can be contacted and embalming is in accordance with legal or accepted standards of care in the community, or the licensee has good reason to believe that the family wishes embalming. If embalming is performed under these circumstances, the licensee shall not be deemed to be in violation of the provisions of this subsection.

The funeral director or embalmer shall inform the family member or representative of the deceased that embalming is not required by state law, except that embalming is required under certain conditions as determined by rule by the state board of health.

(2) Any person authorized to dispose of human remains shall refrigerate or embalm the body within twenty-four hours upon receipt of the body, unless disposition of the body has been made. However, subsection (1) of this section and RCW ((68.08.108)) 68.50.108 shall be complied with before a body is embalmed. Upon written authorization of the proper state or local authority, the provisions of this subsection may be waived for a specified period of time.

Violation of this subsection is a gross misdemeanor.

The responsibility for determining the amount of money available in each fund for investment purposes shall be placed upon the department, division or board responsible for the administration of such fund.

Moneys thus determined available for this purpose may be invested on an individual fund basis or may, unless otherwise restricted by law be commingled within one common investment portfolio for the mutual benefit of all participating funds: PROVIDED, That if such moneys are commingled in a common investment portfolio, all income derived therefrom shall be apportioned among the various participating funds in direct proportion to the amount of money invested by each.

Any excess or inactive funds on hand in the city treasury not otherwise invested for the specific benefit of any particular fund, may be invested by the city treasurer in United States government bonds, notes, bills or certificates of indebtedness for the benefit of the general or current expense fund.

The treasurer shall be subject to the penalties imposed for the violation of any of such provisions. Where a provision of this title, or the general law, names the city treasurer as an officer of a board or other body, or assigns duties to a city treasurer, such position shall be filled, or such duties performed, by the officer of a code city who is performing the
duties usually performed by a city treasurer, although he may not have that designation.

Any licensee or applicant aggrieved by a final decision by the director in a contested case whether such decision is affirmative or negative in form, is entitled to a judicial review in the superior court under the provisions of the Administrative Procedure Act, chapter
34.04 RCW. Upon instituting appeal in the superior court, the appellant shall give a cash bond to the state of Washington, which bond shall be filed with the clerk of the court, in the sum of five hundred dollars to be approved by the judge of said court, conditioned to pay all costs that may be awarded against such appellant in the event of an adverse decision, such bond and notice to be filed within thirty days from the date of the director's decision.

Sec. 14. Section 26, chapter 252, Laws of 1941 as last amended by section 14, chapter 235, Laws of 1953 and RCW 18.85.320 are each amended to read as follows:

The license of a real estate salesperson or associate real estate broker shall be retained at all times by his or her designated broker and when any real estate salesperson or associate real estate broker ceases to represent his or her broker his or her license shall cease to be in force. Notice of such termination shall be given by the broker to the director and such notice shall be accompanied by and include the surrender of the salesperson's or associate real estate broker's license. Failure of any broker to promptly notify the director of such salesperson's or associate real estate broker's termination after demand by the affected salesperson or associate real estate broker shall work a forfeiture of the broker's license. Upon application of the salesperson or associate real estate broker and the payment of a fee as prescribed by rule, the director shall issue a new license for the unexpired term, if such salesperson or associate real estate broker is otherwise entitled thereto. When a real estate salesperson's or associate real estate broker's services shall be terminated by his or her broker for a violation of any of the provisions of RCW 18.85.230, a written statement of the facts in reference thereto shall be filed forthwith with the director by the broker.

Sec. 15. Section 6, chapter 24, Laws of 1977 ex. sess. and RCW 18.85.450 are each amended to read as follows:

The director shall issue a land development representative registration for any applicant, upon application made by the employing real estate broker, on a form provided by the department. (1) Be eighteen years of age or older; and
(2) Be a resident of the state of Washington; and

(3) Furnish such proof as the director may require concerning the applicant's honesty, good reputation, and identification which may include finger prints.

Sec. 16. Section 7, chapter 24, Laws of 1977 ex. sess. and RCW 18.85.460 are each amended to read as follows:
The registration for a land development representative shall be issued to and retained by the employing broker and shall be displayed as set forth in this chapter for licenses. A fee ((of fifteen dollars)) as prescribed by the director by rule shall accompany each application for registration. Each registration shall be valid for a period of one year from date of issue or until employment with the broker is terminated, whichever occurs first. No registration may be transferred to another broker, nor may a representative be registered to more than one broker at a time. Upon the termination of employment of any representative the broker shall release and return the registration of that representative to the department.

Sec. 17. Section 8, chapter 370, Laws of 1977 ex. sess. as amended by section 4, chapter 162, Laws of 1985 and RCW 18.85.215 are each amended to read as follows:

1. Any license issued under this chapter and not otherwise revoked shall be deemed "inactive" at any time it is delivered to the director. Until reissued under this chapter, the holder of an inactive license shall be deemed to be unlicensed.

2. An inactive license may be renewed on the same terms and conditions as an active license, and failure to renew shall result in cancellation in the same manner as an active license.

3. An inactive license may be placed in an active status upon completion of an application as provided by the director and upon compliance with this chapter and the rules adopted pursuant thereto. Subject to section 18 of this act, if a holder has an inactive license for more than three years, the holder must show proof of successfully completing a thirty clock hour course in real estate within one year prior to the application for active status.

4. The provisions of this chapter relating to the denial, suspension, and revocation of a license shall be applicable to an inactive license as well as an active license, except that when proceedings to suspend or revoke an inactive license have been initiated, the license shall remain inactive until the proceedings have been completed.

The director may waive the thirty clock-hour requirements in RCW 18.85.095 and 18.85.215 if the director makes a determination that the individual is otherwise and similarly qualified by reason of practical experience in a business allied with or related to real estate.

NEW SECTION. Sec. 19. The following acts or parts of acts are each repealed:

CHAPTER 333
[Substitute House Bill No. 458]
MEASURED TELECOMMUNICATIONS SERVICES

AN ACT Relating to measured telecommunications service; reenacting and amending RCW 80.04.130; providing an effective date; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 80.04.130, chapter 14, Laws of 1961 as last amended by section 2, chapter 161, Laws of 1985 and by section 1, chapter 206, Laws of 1985 and by section 12, chapter 450, Laws of 1985 and RCW 80-04.130 are each reenacted and amended to read as follows:

(1) Whenever any public service company shall file with the commission any schedule, classification, rule or regulation, the effect of which is to change any rate, charge, rental or toll theretofore charged, the commission shall have power, either upon its own motion or upon complaint, upon notice, to enter upon a hearing concerning such proposed change and the reasonableness and justness thereof, and pending such hearing and the decision thereon the commission may suspend the operation of such rate, charge, rental or toll for a period not exceeding ten months from the time the same would otherwise go into effect, and after a full hearing the commission may make such order in reference thereto as would be provided in a hearing initiated after the same had become effective.

The commission may suspend the initial tariff filing of any water company removed from and later subject to commission jurisdiction because of the number of customers or the average annual gross revenue per customer provisions of RCW 80.04.010. The commission may allow temporary rates during the suspension period. These rates shall not exceed the rates charged when the company was last regulated. Upon a showing of good cause by the company, the commission may establish a different level of temporary rates.

(2) At any hearing involving any change in any schedule, classification, rule or regulation the effect of which is to increase any rate, charge, rental or toll theretofore charged, the burden of proof to show that such increase is just and reasonable shall be upon the public service company.

(3) The implementation of mandatory local measured telecommunications service is a major policy change in available telecommunications service. The commission shall not accept for
filing or approve, prior to June 1, ((1987)) 1990, a tariff filed by a ((telephone)) telecommunications company which imposes mandatory local measured service on any customer or class of customers, except that, upon finding that it is in the public interest, the commission may accept for filing and approve a tariff that imposes mandatory measured service for a telecommunications company's extended area service or foreign exchange service. This subsection does not apply to land, air, or marine mobile service, or to pay telephone service, or to any service which has been traditionally offered on a measured service basis.

NEW SECTION. Sec. 2. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect June 1, 1987.

(1) A person shall not sell, offer to sell, or use in this state any tributyltin–based marine antifouling paint or coating unless a method of using such paint or coating exists that does not result in the release of tributyltin or derivative of organotin into the marine waters of the state.

(2) Subsection (1) of this section does not apply to the sale or use in this state of a tributyltin–based marine antifouling paint or coating that is (a) used on aluminum hulls and (b) that has a steady release rate of not more than five micrograms per square centimeter per day.

(3) Subsection (1) of this section does not apply to the sale, use, distribution, or possession of a tributyltin–based marine antifouling paint or coating if the paint or coating (a) is in a spray can containing sixteen ounces or less of paint or coating; (b) is commonly referred to as an outboard or lower drive unit paint; and (c) the steady release rate of not more than five micrograms per square centimeter per day.

(4) The department of agriculture shall enforce this section and shall adopt any rules necessary to implement this section.
(5) For purposes of this section "tributyltin-based marine antifouling paint or coating" means a paint, coating, or treatment that contains tributyltin or a triorganotin compound used as a substitute for tributyltin and that is intended to control fouling organisms in a marine environment.

NEW SECTION. Sec. 2. This act shall take effect April 1, 1988.

NEW SECTION. Sec. 3. Section (1) of this act shall only remain in effect until the U.S. environmental protection agency promulgates standards for the use of tributyltin–based marine antifouling paint or coating.

CHAPTER 335
[Engrossed Substitute Senate Bill No. 5608]
CRUELTY TO AND NEGLECT OF DOMESTIC ANIMALS

AN ACT Relating to abused and injured animals; amending RCW 16.52.085, 16.52.010, and 46.61.660; adding new sections to chapter 16.52 RCW; creating a new section; and prescribing penalties.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 2, chapter 12, Laws of 1974 ex. sess. and RCW 16.52-.085 are each amended to read as follows:

(1) If the county sheriff or other law enforcement officer shall find that said domestic animal has been neglected by its owner, he or she may authorize the removal of the animal to a proper pasture or other suitable place for feeding and restoring to health.

(2) If a law enforcement officer has probable cause to believe a violation of this chapter has occurred, the officer may authorize an examination of an allegedly neglected domestic animal by a veterinarian to determine whether the level of neglect is sufficient to require removal of the animal. This section does not condone illegal entry onto private property.

(3) Any owner whose domestic animal is removed to a suitable place pursuant to this chapter shall be given written notice of the circumstances of the removal and notice of legal remedies available to the owner. In making the decision to remove an animal pursuant to this chapter, the law enforcement officer shall make a good faith effort to contact the animal's owner before removal unless the animal is in a life–threatening condition or unless the officer reasonably believes that the owner would remove the animal from the jurisdiction.

(4) If no criminal case is filed within seventy–two hours of the removal of the animal, the owner may petition the district court of the county where
the removal of the animal occurred for the return of the animal. The petition shall be filed with the court, with copies served to the law enforcement agency responsible for removing the animal and to the prosecuting attorney. If a criminal action is filed after the petition is filed but before the animal is returned, the petition shall be joined with the criminal matter.

(5) In a motion or petition for the return of the removed animal before a trial, the burden is on the owner to prove by a preponderance of the evidence that the animal will not suffer future neglect and is not in need of being restored to health.

(6) Any authorized person treating or attempting to restore an animal to health under this chapter shall not be civilly or criminally liable for such action.

NEW SECTION. Sec. 2. A new section is added to chapter 16.52 RCW to read as follows:

(1) The sentence imposed for a violation of this chapter may be deferred or suspended in accordance with RCW 3.66.067 and 3.66.068, however the probationary period shall be two years.

(2) In case of multiple convictions, the sentences shall be consecutive, however the probationary period shall remain two years.

(3) In addition to the penalties imposed by the court, the court shall order the forfeiture of all animals held by law enforcement authorities under the provisions of this chapter if any one of the animals involved dies as a result of a violation of this chapter or if the defendant has a prior conviction under this chapter. In other cases the court may enter an order requiring the owner to forfeit the animal if the court deems the cruel treatment to have been severe and likely to reoccur. If forfeiture is ordered, the owner shall be prohibited from owning or caring for any similar animals for a period of two years. The court may delay its decision on forfeiture under this subsection until the end of the probationary period.

(4) In addition to fines and court costs, the owner, only if convicted or in agreement, shall be liable for reasonable costs incurred pursuant to this chapter by the law enforcement or authorized private or public entities involved with the care of the animals.

(5) If convicted, the owner shall also pay a civil penalty of one hundred dollars to the county to prevent cruelty to animals. These funds shall be used to prosecute offenses under this chapter and to care for forfeited animals pending trial.

NEW SECTION. Sec. 3. A new section is added to chapter 16.52 RCW to read as follows:

This chapter shall not limit the right of a law enforcement officer to destroy an animal that has been seriously injured and would otherwise continue to suffer. Such action shall be undertaken with reasonable prudence and, whenever possible, in consultation with a licensed veterinarian and the owner of the animal.

[ 1273 ]
Law enforcement officers and licensed veterinarians shall be immune from civil and criminal liability for actions taken under this chapter if reasonable prudence is exercised in carrying out the provisions of this chapter.

*Sec. 4. Section 17, chapter 146, Laws of 1901 and RCW 16.52.010 are each amended to read as follows:

((In RCW 16.52.010 through 16.52.055, 16.52.070 through 16.52.090 and 16.52.100 through 16.52.180)) For purposes of this chapter, the singular shall include the plural; the word "animal" shall be held to include every living creature, except man; the words "torture," "torment," and "cruelty," shall be held to include every act, omission, or neglect whereby unnecessary or unjustifiable physical pain or suffering is caused or permitted: PROVIDED, That in no event shall it be considered cruelty, torture, torment, or neglect to transport a dog in the rear area commonly referred to as the bed, of a pick-up truck, nor shall such activity be prohibited by rule or law; and the words "owner" and "person" shall be held to include corporations as well as individuals; (and) the knowledge and acts of agents of and persons employed by corporations in regard to animals transported, owned, or employed by, or in the custody of such corporations, shall be held to be the act and knowledge of such corporations as well as of such agents or employees; and the words "law enforcement officer" shall mean any person who is serving on a full-time, fully compensated basis as a county sheriff or deputy sheriff, including sheriffs or deputy sheriffs serving under a different title pursuant to a county charter, city police officer, town marshal or deputy marshal, or state patrol.

*Sec. 4 was vetoed, see message at end of chapter.

*Sec. 5. Section 46.56.070, chapter 12, Laws of 1961 and RCW 46.61-.660 are each amended to read as follows:

Except as provided in RCW 16.52.010, it shall be unlawful for any person to transport any living animal on the running board, fenders, hood, or other outside part of any vehicle unless suitable harness, cage or enclosure be provided and so attached as to protect such animal from falling or being thrown therefrom. It shall be unlawful for any person to transport any persons upon the running board, fenders, hood or other outside part of any vehicle, except that this provision shall not apply to authorized emergency vehicles.

Sec. 5 was vetoed, see message at end of chapter.

NEW SECTION. Sec. 6. Nothing in this act shall be construed as expanding or diminishing, in any manner whatsoever, any authority granted officers under RCW 16.52.020 or 16.52.030.

NEW SECTION. Sec. 7. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or
the application of the provision to other persons or circumstances is not affected.

Passed the Senate April 21, 1987.
Approved by the Governor May 12, 1987, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State May 12, 1987.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to two sections, Substitute Senate Bill No. 5608 entitled:

"AN ACT Relating to abused and injured animals."

The bill amends the cruelty to animals statutes to allow law enforcement officials to remove an animal for a medical examination to determine if the animal is neglected and in need of restoration. The bill also prescribes penalties for violations of these statutes.

Sections 4 and 5, amendments to the original bill, specifically allow dogs to be transported in the open bed of a pickup truck. Current statute allows this to occur but requires that the animal be suitably harnessed or otherwise protected from falling or being thrown from the vehicle. Testimony before the House pointed out that nationally every year over 100,000 dogs die after being thrown from pickup truck beds. In keeping with the intent of the bill to encourage humane treatment of animals, I am vetoing sections 4 and 5.

With the exception of sections 4 and 5, Substitute Senate Bill No. 5608 is approved."

(1) Except as provided in this section, each auctioneer and each auction company shall as a condition to the granting and retention of a license have on file with the department an approved surety bond or other security in lieu of a bond. However, if an auction company is a sole proprietorship or a partnership and has on file with the department a surety bond or other security approved by the director in the amount that would otherwise be required for an auction company to be granted or to retain a license under this section, then no separate bond or bonds shall be required for the sole proprietor or any individual partner to act as an auctioneer for the sole proprietorship or partnership. The bond or other security of an auctioneer shall be in the amount of five thousand dollars.

(2) The bond or other security of an auction company shall be in an amount not less than five thousand dollars and not more than twenty-five thousand dollars. The amount shall be based on the value of the goods and real estate sold at auctions conducted, supervised, arranged, sponsored, or managed by the auction company during the previous calendar year or, for a new auction company, the estimated value of the goods and real estate to be sold at auction during the current calendar year. The director shall establish by rule the procedures to be used for determining the amount of auction company bonds or other security.

(3) In lieu of a surety bond, an auctioneer or auction company may deposit with the department any of the following:

(4) Each bond shall comply with all of the following:
   (a) Be executed by the person seeking the license as principal and by a corporate surety licensed to do business in the state;

   (d) Remain in effect for one year after expiration, revocation, or suspension of the license.
(5) If any licensee fails or is alleged to have failed to comply with the provisions of this chapter or the agency rules adopted pursuant to this chapter, the director may hold a hearing in accordance with chapter 34.04 RCW, determine those persons who are proven claimants under the bond, and, if appropriate, distribute the bond proceeds to the proven claimants. The state or an injured person may also bring an action against the bond in superior court. The liability of the surety shall be only for actual damages and shall not exceed the amount of the bond.

(6) Damages that exceed the amount of the bond may be remedied by actions against the auctioneer or the auction company under RCW 18.11-260 or other available remedies at law.

Sec. 3. Section 20, chapter 324, Laws of 1986 and RCW 18.11.220 are each amended to read as follows:

The client of an auctioneer or auction company has a right to (1) an accounting for any money that the auctioneer or auction company receives from the sale of the client's goods, ((and)) (2) payment of all money due to the client within twenty-one calendar days unless the parties have mutually agreed in writing to another time of payment, and (3) bring an action against the surety bond or other security filed in lieu of the surety bond for any violation of this chapter or the rules adopted pursuant to this chapter.

Sec. 4. Section 21, chapter 324, Laws of 1986 and RCW 18.11.230 are each amended to read as follows:

Auction proceeds due to ((the)) a client that are received by the auctioneer or auction company and not paid to the client within twenty-four hours of the sale shall be deposited no later than the next business day by the auctioneer or auction company in a trust account for ((the)) clients in a bank, savings and loan association, mutual savings bank, or licensed escrow agent located in the state. The auctioneer or auction company shall draw on the trust account only to pay proceeds to ((the)) clients, or such other persons who are legally entitled to such proceeds, and to obtain the sums due to the auctioneer or auction company for services as set out in the written contract required under RCW 18.11.130. Funds in the trust account shall not be subject to the debt of the auctioneer or auction company and shall not be used for personal reasons or other business reasons.

Sec. 5. Section 6, chapter 324, Laws of 1986 and RCW 18.11.095 are each amended to read as follows:

Every person, before operating an auction company as defined in RCW 18.11.050, shall obtain an auction company certificate of registration.

(c) Information required of any taxpayer in connection with the assessment or collection of any tax if the disclosure of the information to other persons would (i) be prohibited to such persons by RCW 82.32.330 or
(ii) violate the taxpayer's right to privacy or result in unfair competitive
disadvantage to the taxpayer.

(d) Specific intelligence information and specific investigative records
compiled by investigative, law enforcement, and penology agencies, and
state agencies vested with the responsibility to discipline members of any
profession, the nondisclosure of which is essential to effective law enforce-
ment or for the protection of any person's right to privacy.

(e) Information revealing the identity of persons who file complaints
with investigative, law enforcement, or penology agencies, other than the
public disclosure commission, if disclosure would endanger any person's life,

sale appraisal relates is sold, but in no event shall disclosure be denied for
more than three years after the appraisal.

(h) Valuable formulae, designs, drawings, and research data obtained
by any agency within five years of the request for disclosure when disclosure
would produce private gain and public loss.

(i) Preliminary drafts, notes, recommendations, and intra-agency
memorandums in which opinions are expressed or policies formulated or
recommended except that a specific record shall not be exempt when pub-
licly cited by an agency in connection with any agency action.

No exemption may be construed to permit the nondisclosure of statistical information not descriptive of any readily identifiable person or persons.

(3) Inspection or copying of any specific records exempt under the provisions of this section may be permitted if the superior court in the county in which the record is maintained finds, after a hearing with notice thereof to every person in interest and the agency, that the exemption of such records is clearly unnecessary to protect any individual's right of privacy or any vital governmental function.

(2) In addition to the powers conferred under subsection (1) of this section, the supervisor may by rule authorize credit unions to exercise any of the powers conferred at the time of the adoption of the rule upon a federal credit union doing business in this state if the supervisor finds that the exercise of power serves the convenience and advantage of depositors and borrowers of state-chartered credit unions, and maintains the fairness of competition and parity between state-chartered credit unions and federal-chartered credit unions.

(3) Before exercising a power under subsection (1) or (2) of this section, the board of a credit union shall adopt a resolution identifying and formally adopting that power.

Sec. 2. Section 20, chapter 31, Laws of 1984 and RCW 31.12.185 are each amended to read as follows:

The designated place of the meeting shall be a reasonable location within the county in which the principal office of the credit union is located. The designated time of the meeting shall be no sooner than twenty nor later than thirty days after the request is received by the secretary. The secretary shall within ten days of receipt of the request give notice of the meeting, including the purpose for which the meeting is called, as provided in the bylaws. A wilful violation of this section constitutes a violation of this chapter and constitutes grounds sufficient for the suspension and removal of the secretary under RCW 31.12.575.

(3) Except as provided in this subsection, the chairman or president of the board shall preside over special meetings. If the purpose of the special meeting includes the proposed removal of the chairman or president from the board, the next highest ranking officer of the board whose removal is not sought shall preside over the special meeting. The officers of the board of the credit union shall hold office until their successors are elected and qualified, unless sooner removed as provided by this chapter. The offices of secretary and treasurer may be held by the same person. All officers of the board of a credit union, with the exception of the treasurer, shall be elected members of the board. The treasurer need not be an elected member of the board. The board may designate such employees, including a principal operating officer who shall not share the title chosen for the chairman or president of the board and who need not be a member of the board, as are necessary for the operation of the credit union.

An individual member may purchase shares and make deposits in a credit union in an amount that does not exceed five hundred dollars or twenty percent of the total shares of the credit union, whichever is greater. A fraternal organization, partnership, or corporation that is a member may purchase shares and make deposits in an amount that does not exceed twenty percent of the assets of the credit union, unless the supervisor authorizes a greater amount. A credit union may require from a member ninety days notice of the intention to withdraw shares or deposits. The notice requirement may be extended with the written consent of the supervisor.

A credit union shall have a lien on share accounts and accumulated dividends of a member for any sum owed the credit union by the member and for any loan endorsed or guaranteed by the member. A credit union shall also have a right of immediate set-off with respect to every deposit account. The credit union may refuse to allow withdrawals from any share or deposit accounts of a member who owes any sum to the credit union. The credit union may waive its right to a lien, to immediate set-off, to restrict withdrawals, or to any combination of such rights with respect to any share or deposit account or groups of such accounts.

Sec. 6. Section 42, chapter 31, Laws of 1984 and RCW 31.12.406 are each amended to read as follows:

Passed the House February 6, 1987.
Passed the Senate April 7, 1987.
Approved by the Governor May 12, 1987, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State May 12, 1987.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 5, House Bill No. 146, entitled:

"AN ACT Relating to credit unions."

This bill makes several changes to the Credit Union Code as revised by the Legislature in 1984. State chartered credit unions are now granted the authority to engage in activities permitted for federal credit unions in this update.

Section 5 of House Bill No. 146 is applicable to all credit union members with sums owing a credit union. It would significantly expand a credit union's authority over access to members' accounts without establishing adequate limitations on the exercise of this authority. If this section were left in, it would grant a statutory right of immediate set-off which would allow a credit union the right to refuse withdrawals from any share account of a member who owes any sum to the credit union. I do not feel that it is necessary to create this statutory right. Typically, members are asked by their credit unions to sign a consensual lien on their shares as collateral for loans. It is my understanding that other organizations in the banking industry do not have similar statutory lien rights but, like credit unions, must rely on consensual authorization from their depositors. For this reason I have vetoed section 5.

With the exception of section 5, House Bill No. 146 is approved.*

CHAPTER 339
[Substitute House Bill No. 902]
CIVIL SERVICE EXEMPTIONS—CERTAIN FIRE DEPARTMENT AND POLICE DEPARTMENT CHIEFS

AN ACT Relating to cities and towns; amending RCW 41.08.050 and 41.12.050; adding new sections to chapter 35.21 RCW; creating a new section; providing an effective date; and declaring an emergency.
Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 4, chapter 31, Laws of 1935 and RCW 41.08.050 are each amended to read as follows:

The classified civil service and provisions of this chapter shall include all full paid employees of the fire department of each city, town or municipality coming within its purview, ((including the chief of that department)) except that individuals appointed as fire chief after July 1, 1987, may be excluded by the legislative body of the city, town, or municipality. No person shall be reinstated in, or transferred, suspended or discharged from any such place, position or employment contrary to the provisions of this chapter.

Sec. 2. Section 4, chapter 13, Laws of 1937 and RCW 41.12.050 are each amended to read as follows:

The classified civil service and provisions of this chapter shall include all full paid employees of the police department of each city, town or municipality coming within its purview, ((including the chief of that department)) except that individuals appointed as police chief after July 1, 1987, to a department with six or more commissioned officers, including the police chief, may be excluded by the legislative body of the city, town or municipality. All appointments to and promotions in said department shall be made solely on merit, efficiency and fitness, which shall be ascertained by open competitive examination and impartial investigation. No person shall be reinstated in or transferred, suspended or discharged from any such place, position or employment contrary to the provisions of this chapter.

NEW SECTION. Sec. 3. The intent of this act is to require certain qualifications for candidates for the office of chief of police or marshal, which position in whole or in part oversees law enforcement personnel or activities for a city or town.

The legislature finds that over the past century the field of law enforcement has become increasingly complex and many new techniques and resources have evolved both socially and technically. In addition the ever-changing requirements of law, both constitutional and statutory provisions protecting the individual and imposing responsibilities and legal liabilities of law enforcement officers and the government of which they represent, require an increased level of training and experience in the field of law enforcement.

The legislature, therefore finds that minimum requirements are reasonable and necessary to seek and hold the offices or office of chief of police or marshal, and that such requirements are in the public interest.
NEW SECTION. Sec. 4. (1) A person seeking appointment to the office of chief of police or marshal, of a city or town, including a code city, with a population in excess of one thousand, is ineligible unless that person:

(a) Is a citizen of the United States of America;

(c) Has not been convicted under the laws of this state, another state, or the United States of a felony;
(d) Has not been convicted of a gross misdemeanor or any crime involving moral turpitude within five years of the date of application;
(e) Has received at least a general discharge under honorable conditions from any branch of the armed services for any military service if the person was in the military service;
(f) Has completed at least two years of regular, uninterrupted, full-time commissioned law enforcement employment involving enforcement responsibilities with a government law enforcement agency; and
(g) The person has been certified as a regular and commissioned enforcement officer through compliance with this state's basic training requirement or equivalency.

(2) A person seeking appointment to the office of chief of police or marshal, of a city or town, including a code city, with a population of one thousand or less, is ineligible unless that person conforms with the requirements of subsection (1) (a) through (e) of this section. A person so appointed as chief of police or marshal must successfully complete the state's basic training requirement or equivalency within nine months after such appointment, unless an extension has been granted by the criminal justice training commission.

(3) A person seeking appointment to the office of chief of police or marshal shall provide a sworn statement under penalty of perjury to the appointing authority stating that the person meets the requirements of this section.

NEW SECTION. Sec. 5. Before making an appointment in the office of chief of police or marshal, the appointing agency shall complete a thorough background investigation of the candidate. The Washington association of sheriffs and police chiefs shall develop advisory procedures which may be used by the appointing authority in completing its background investigation of candidates for the office of chief of police or marshal.

NEW SECTION. Sec. 6. In the case of a vacancy in the office of chief of police or marshal, all requirements and procedures of sections 4 and 5 of this act shall be followed in filling the vacancy.

NEW SECTION. Sec. 7. Sections 4 through 6 of this act are each added to chapter 35.21 RCW.
NEW SECTION. Sec. 8. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 9. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1987.

CHAPTER 340
[Substitute Senate Bill No. 5520]
LOCAL IMPROVEMENT DISTRICTS—FINANCING LIMITATIONS—RESERVE FUNDS

AN ACT Relating to improvement districts; and amending RCW 35.51.040.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 8, chapter 397, Laws of 1985 and RCW 35.51.040 are each amended to read as follows:

For the purpose of securing the payment of the principal of and interest on an issue of local improvement bonds, notes, warrants, or other short-term obligations, the legislative authority of a municipality may create a reserve fund in an amount not exceeding fifteen percent of the principal amount of the bonds, notes, or warrants issued. The cost of a reserve fund may be included in the cost and expense of any local improvement for assessment against the property in the local improvement district to pay the cost, or any part thereof. The reserve fund may be provided for from the proceeds of the bonds, notes, warrants, or other short-term obligations, from special assessment payments, or from any other money legally available therefor. The legislative authority of a municipality shall provide that after payment of administrative costs a sum in proportion to the ratio between the part of the original assessment against a given lot, tract, or parcel of land in a local improvement district assessed to create a reserve fund, if any, and the total original amount of such assessment, plus a proportionate share of any interest accrued in the reserve fund, shall be credited and applied, respectively, to any nondelinquent portion of the principal of that assessment and any nondelinquent installment interest on that assessment paid by a property owner, but in no event may the principal amount of bonds outstanding exceed the principal amount of assessments outstanding.
Whether the payment is made during the thirty-day prepayment period referred to in RCW 35.49.010 and 35.49.020 or thereafter and whenever all or part of a remaining nondelinquent assessment or any nondelinquent installment payment of principal and interest is paid, the reserve fund balance shall be reduced accordingly as each such sum is thus credited and applied to a nondelinquent principal payment and a nondelinquent interest payment. Each payment of a nondelinquent assessment or any nondelinquent installment payment of principal and interest shall be reduced by the amount of the credit. The balance of a reserve fund remaining after payment in full and retirement of all local improvement bonds, notes, warrants, or other short-term obligations secured by such fund shall be transferred to the municipality's guaranty fund.

Where, before the effective date of this section, a municipality established a reserve fund under this section that did not provide for a credit or reimbursement of the money remaining in the reserve fund to the owners of the lots, tracts, or parcels of property subject to the assessments, the balance in the reserve fund shall be distributed, after payment in full and retirement of all local improvement district bonds and other obligations secured by the reserve fund, to those owners of the lots, tracts, or parcels of property subject to the assessments at the time the final installment or assessment payment on the lot, tract, or parcel was made. No owner is eligible to receive reimbursement for a lot, tract, or parcel if a lien on an unpaid assessment, or an installment thereon, that was imposed on such property remains in effect at the time the reimbursement is made or was foreclosed on the property. The amount to be distributed to the owners of each lot, tract, or parcel that is eligible for reimbursement shall be equal to the balance in the reserve fund, multiplied by the assessment imposed on the lot, tract, or parcel, divided by the total of all the assessments on the lots, tracts, or parcels eligible for reimbursement.

(2) The senate committee on ways and means or its successor;
(3) The house of representatives committee on ways and means or its successor;
(4) The senate governmental operations committee or its successor; and
(5) The house of representatives state government committee or its successor.

NEW SECTION. Sec. 7. Legislative standing committees shall forward notification and the sunrise note, if available, to the senate or house of representatives ways and means committee and the senate governmental operations committee or the house of representatives state government committee whenever a bill providing for the creation of a new board or special purpose district is voted out of the standing committee.

NEW SECTION. Sec. 8. Nothing in this chapter prevents either house of the legislature from acting on any bill or resolution before it as otherwise provided by the state Constitution, by law, and by the rules and joint rules of the senate and house of representatives, nor shall the lack of any sunrise note as provided in this chapter or any error in the accuracy thereof affect the validity of any measure otherwise duly passed by the legislature.

NEW SECTION. Sec. 9. This chapter shall be known as the Washington sunrise act.

NEW SECTION. Sec. 10. A new section is added to chapter 43.131 RCW to read as follows:

CHAPTER 343
[Second Substitute Senate Bill No. 5993]
DROUGHT OF 1987—WATER RIGHT EMERGENCY PROCEDURES

AN ACT Relating to water rights; amending RCW 43.83B.300, 43.83B.310, 43.83B.320, and 43.83B.210; amending section 303, chapter 6, Laws of 1985 ex. sess. as amended by section 302, chapter 312, Laws of 1986 (uncodified); adding new sections to chapter 43.83B RCW; adding a new section to chapter 75.20 RCW; adding a new section to chapter 86.16 RCW; adding a new section to chapter 90.58 RCW; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:
Sec. 1. Section 1, chapter 1, Laws of 1977 ex. sess. as amended by section 1, chapter 263, Laws of 1979 ex. sess. and RCW 43.83B.300 are each amended to read as follows:

The legislature finds that it is necessary to provide the department of ecology with emergency powers to authorize withdrawals of public surface and ground waters, including dead storage within reservoirs, on a temporary basis, and construction of facilities in relation thereto, in order to alleviate emergency water supply conditions arising from the drought forecast for the state of Washington during (the summer and fall of) 1977 and during 1987.

The legislature further finds that there is a continuing agricultural water supply shortage in many areas of the state and that, in relation to the lessening of that unsatisfactory condition, there is an urgent need to both improve water supply facilities and replace other such facilities.

In order to provide needed capital for the planning, acquisition, construction, and improvement of water supply facilities to withdraw and distribute water to alleviate unsatisfactory water supply conditions arising from droughts occurring from time to time in the state of Washington, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of eighteen million dollars, or so much thereof as may be required to finance such projects, and all costs incidental thereto. No bonds authorized by this section and RCW 43.83B.360 through 43.83B.375 shall be offered for sale without prior legislative appropriation, and these bonds shall be paid and discharged within thirty years of the date of issuance in accordance with Article VIII, section 1 of the state Constitution.

Sec. 2. Section 3, chapter 1, Laws of 1977 ex. sess. and RCW 43.83B.310 are each amended to read as follows:

In addition to the powers previously vested in the department of ecology to permit the withdrawal of public surface and ground waters by chapters 90.03 and 90.44 RCW, the department of ecology is authorized to permit withdrawals of public surface and ground waters, including dead storage within reservoirs, on a temporary basis, for any period ending not later than (September 30, 1977) October 31, 1987, for any beneficial use. The department may issue such emergency permits if, after investigation and after providing appropriate federal, state, and local governmental bodies an opportunity to comment, the following are found:

(1) The waters proposed for withdrawal are to be used in relation to beneficial use involving a previously established activity or purpose; and

(2) The previously established activity or purpose was furnished water through rights applicable to the use of a public water body which are not exercisable due to the lack of water arising from natural drought conditions; and
(3) The proposed withdrawal will not reduce flows or levels below essential minimums necessary (a) to assure the maintenance of fisheries requirements, and (b) to protect federal and state interests including, among others, power generation, navigation, and existing water rights.

All permits issued hereunder shall contain provisions which allow for termination of authorized withdrawals, in whole or in part, whenever withdrawals will conflict with flows and levels as provided in subsection (3) of this section.

Sec. 3. Section 5, chapter 1, Laws of 1977 ex. sess. and RCW 43.83B-.320 are each amended to read as follows:

((() As to projects and water withdrawal permits issued or authorized or both under RCW 43.83B.310 and 43.83B.315, the requirements of chapter 43.21C RCW ((and all local zoning ordinances, plans, and local building and construction permit ordinances)) and public bidding requirements as otherwise provided by law are waived and inapplicable. (Notwithstanding any other provisions of law, water projects and related withdrawal permits, authorized or issued pursuant to RCW 43.83B.310 or 43.83B.315 shall not be subject to any public notice requirements. Permits issued under RCW 43.83B.310 and 43.83B.315 shall be in lieu of all environmental protection and natural resource regulation permits, certificates, and other approvals and authorization documents required under state statutes including, but not limited to, RCW 90.58.140, 75.20.100, and 86.16.080, as well as all other similar permits required under local ordinances.) Notwithstanding any statutory provisions to the contrary, all state and local agencies with authority to issue permits or other authorizations for such projects shall expedite the processing of such permits or authorizations in keeping with the emergency nature of such requests and shall provide a decision to the applicant within fifteen calendar days of the date of application. All state departments or other agencies having jurisdiction over state or other public lands which are required to be used in carrying out projects related to water withdrawal permits, issued pursuant to RCW 43.83B.310 and 43.83B.315, shall provide short term easements or other appropriate property interests upon the payment of the fair market value: PROVIDED, That this mandate shall not apply to any lands of the state which are reserved for a special purpose or use which cannot properly be carried out if such a property interest were to be conveyed.

((2) Upon request of the department of ecology or the department of social and health services, the department of general administration may waive any public bidding requirements otherwise provided by law, for any project authorized by RCW 43.83B.310 or 43.83B.315 and financed with funds appropriated in RCW 43.83B.300 through 43.83B.385, 43.83B.901, and 43.83B.210 if the department of general administration determines that (a) an emergency condition exists, and (b) if the request for a waiver is not approved the public interest will be significantly affected in a detrimental
manner. The department of general administration shall rule upon requests for waiver submitted to it within five working days. If the department fails to rule within said five-day period the request shall be deemed approved and a waiver deemed to be granted. The department of general administration, after obtaining the views of the department of ecology and the department of social and health services, shall adopt rules to implement this section. Notwithstanding any other provision of RCW 43.83B.300 through 43.83B.385, 43.83B.901, and 43.83B.210, this subsection shall terminate on September 30, 1977.

Sec. 4. Section 3, chapter 295, Laws of 1975 1st ex. sess. as last amended by section 11, chapter 1, Laws of 1977 ex. sess. and RCW 43.83B.210 are each amended to read as follows:

The department of ecology is authorized to make loans or grants or combinations thereof to eligible public bodies as defined in RCW 43.83B.050 for rehabilitation or betterment of agricultural water supply facilities, and/or construction of agricultural water supply facilities required to develop new irrigated lands or, when required because of emergency drought conditions, to provide water to previously irrigated lands. The department of ecology may make such loans or grants or combinations thereof as matching funds in any case where federal, local, or other funds have been made available on a matching basis. A loan or combination loan and grant shall not exceed fifty percent of the approved eligible project costs for any single proposed project: PROVIDED, That for purposes authorized by RCW 43.83B.300, 43.83B.310, and 43.83B.385 the department of ecology may make a loan up to ninety percent of the total eligible project cost or combination loan and grant up to one hundred percent of the total single project cost and the grant portion for any single project shall not exceed fifteen percent of the total single project cost. Any grant or grant portion of a combination loan and grant for any single proposed project shall not exceed fifteen percent of the eligible project costs: PROVIDED, That the fifteen percent limitation established herein shall not be applicable to project commitments which the director or deputy director of the state department of ecology made to the bureau of reclamation of the United States department of interior for providing state funding at thirty-five percent of project costs during the period between August 1, 1974, and June 30, 1975.

The department of social and health services is authorized to make grants of up to forty percent of the cost of construction of any eligible project necessitated by the 1977 drought conditions. Such grants may be made only to public bodies as defined in RCW 43.83B.050 for municipal and industrial water supply and distribution facilities.

NEW SECTION. Sec. 5. A new section is added to chapter 90.58 RCW to read as follows:

[ 1297 ]
All state and local agencies with authority under this chapter to issue permits or other authorizations for emergency water withdrawal and facilities pursuant to RCW 43.83B.300 through 43.83B.345 shall expedite the processing of such permits or authorizations in keeping with the emergency nature of such requests and shall provide a decision to the applicant within fifteen calendar days of the date of application.

NEW SECTION. Sec. 6. A new section is added to chapter 75.20 RCW to read as follows:

All state and local agencies with authority under this chapter to issue permits or other authorizations for emergency water withdrawal and facilities pursuant to RCW 43.83B.300 through 43.83B.345 shall expedite the processing of such permits or authorizations in keeping with the emergency nature of such requests and shall provide a decision to the applicant within fifteen calendar days of the date of application.

NEW SECTION. Sec. 9. A new section is added to chapter 43.83B RCW to read as follows:

For a limited period of time ending October 31, 1987, a water right may be temporarily changed in purpose or place of use or point of diversion consistent with existing state policy allowing transfer or lease of waters between willing parties as provided for in RCW 90.03.380, 90.03.390, and 90.44.100 without complying with any requirements of (1) notice of newspaper publication or (2) the state environmental policy act, chapter 43.21C RCW, when such changes are necessary to respond to emergency water supply conditions as determined by the department of ecology. The temporary changing of a water right as authorized under this section shall not be admissible as evidence in either the supporting or the contesting of the validity of water claims in State of Washington, Department of Ecology v.
Acquavella, or any similar proceeding where the existence of a water right is at issue.

Sec. 10. Section 303, chapter 6, Laws of 1985 ex. sess. as amended by section 302, chapter 312, Laws of 1986 (uncodified) is amended to read as follows:

The department shall submit updates for the master compilation to the committees on ways and means and the office of financial management at six-month intervals during the 1985–87 biennium. The updates shall reflect project completions, deletions, substitutions, or additions made during the course of administering the projects. If the department proposes to change or modify any project list on the master compilation, it shall give the committees on ways and means and the office of financial management thirty days' written notice of the change or modification prior
to the expenditure or obligation of any funds appropriated by this section. The department shall immediately inform the committees and the office of financial management of significant changes from historic federal funding levels for waste disposal facilities and water supply facilities. If the department does not comply fully and in a timely manner with the several compilations, updates, and modification reports required by this subsection, the director of financial management is authorized to place in reserve the second year funds allotted to the department until such time as the documents are produced and distributed as directed by this subsection.

CHAPTER 344
[Engrossed Substitute Senate Bill No. 5502]
MOTOR VEHICLE WARRANTIES

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature recognizes that a new motor vehicle is a major consumer purchase and that a defective motor vehicle is likely to create hardship for, or may cause injury to, the consumer. The legislature further recognizes that good cooperation and communication between a manufacturer and a new motor vehicle dealer will considerably increase the likelihood that a new motor vehicle will be repaired within a reasonable number of attempts.

It is the intent of the legislature to ensure that the consumer is made aware of his or her rights under this chapter and is not refused information, documents, or service that would otherwise obstruct the exercise of his or her rights.

In enacting these comprehensive measures, it is the intent of the legislature to create the proper blend of private and public remedies necessary to enforce this chapter, such that a manufacturer will be sufficiently induced to take necessary steps to improve quality control at the time of production or provide better warranty service for the new motor vehicles that it sells in this state.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Board" means new motor vehicle arbitration board.

(2) "Collateral charges" means any sales-related charges including but not limited to sales tax, arbitration service fees, license fees, registration fees, title fees, finance charges, insurance costs, transportation charges, dealer preparation charges, or any other charges for service contracts, undercoating, rustproofing, or factory installed options.
(3) "Condition" means a general problem that results from a defect or malfunction of one or more parts, or their improper installation by the manufacturer, its agents, or the new motor vehicle dealer.

(4) "Consumer" means any person who has entered into an agreement or contract for the transfer, lease, or purchase of a new motor vehicle, other than for purposes of resale or sublease, during the duration of the warranty period defined under this section.

(5) "Court" means the superior court in the county where the consumer resides, except if the consumer does not reside in this state, then the superior court in the county where an arbitration hearing or determination was conducted or made pursuant to this chapter.

(6) "Incidental costs" means any reasonable expenses incurred by the consumer in connection with the repair of the new motor vehicle, including any towing charges and the costs of obtaining alternative transportation.

(7) "Manufacturer" means any person engaged in the business of constructing or assembling new motor vehicles or engaged in the business of importing new motor vehicles into the United States for the purpose of selling or distributing new motor vehicles to new motor vehicle dealers.

(8) "New motor vehicle" means any new self-propelled vehicle primarily designed for the transportation of persons or property over the public highways that was leased or purchased in this state and registered in this state, but does not include vehicles purchased or leased by a business as part of a fleet of ten or more vehicles. If the motor vehicle is a motor home, this chapter shall apply to the self-propelled vehicle and chassis, but does not include those portions of the vehicle designated, used, or maintained primarily as a mobile dwelling, office, or commercial space. The term "new motor vehicle" does not include motorcycles or trucks with nineteen thousand pounds or more gross vehicle weight rating. The term "new motor vehicle" includes a demonstrator or lease-purchase vehicle as long as a manufacturer's warranty was issued as a condition of sale.

(9) "New motor vehicle dealer" means a person who holds a dealer agreement with a manufacturer for the sale of new motor vehicles, who is engaged in the business of purchasing, selling, servicing, exchanging, or dealing in new motor vehicles, and who is licensed as a dealer by the state of Washington.

(10) "Nonconformity" means a defect, serious safety defect, or condition that substantially impairs the use, value, or safety of a new motor vehicle, but does not include a defect or condition that is the result of abuse, neglect, or unauthorized modification or alteration of the new motor vehicle.

(11) "Purchase price" means the cash price of the new motor vehicle appearing in the sales agreement or contract, including any allowance for a trade-in vehicle.
(12) "Reasonable offset for use" means an amount directly attributable to use by the consumer before repurchase or replacement by the manufacturer. The reasonable offset for use shall be computed by the number of miles that the vehicle traveled before the manufacturer's acceptance of the vehicle upon repurchase or replacement multiplied by the purchase price, and divided by one hundred thousand.

(13) "Reasonable number of attempts" means the definition provided in section 4 of this act.

(14) "Replacement motor vehicle" means a new motor vehicle that is identical or reasonably equivalent to the motor vehicle to be replaced, as the motor vehicle to be replaced existed at the time of purchase.

(15) "Serious safety defect" means a life-threatening malfunction or nonconformity that impedes the consumer's ability to control or operate the new motor vehicle for ordinary use or reasonable intended purposes or creates a risk of fire or explosion.

(16) "Substantially impair" means to render the new motor vehicle unreliable, or unsafe for ordinary use, or to diminish the resale value of the new motor vehicle below the average resale value for comparable motor vehicles.

(17) "Warranty" means any implied warranty, any written warranty of the manufacturer, or any affirmation of fact or promise made by the manufacturer in connection with the sale of a new motor vehicle that becomes part of the basis of the bargain. The term "warranty" pertains to the obligations of the manufacturer in relation to materials, workmanship, and fitness of a new motor vehicle for ordinary use or reasonably intended purposes throughout the duration of the warranty period as defined under this section.

(18) "Warranty period" means the period ending two years after the date of the original delivery to the consumer of a new motor vehicle, or the first twenty-four thousand miles of operation, whichever occurs first.

**NEW SECTION.** Sec. 3. (1) Each new motor vehicle dealer shall provide an owner's manual which shall be published by the manufacturer and include a list of the addresses and phone numbers for its zone or regional offices for this state.

(2) At the time of purchase, the new motor vehicle dealer shall provide the consumer with a written statement that explains the consumer's rights under this chapter. The written statement shall be prepared and supplied by the attorney general and shall contain a toll-free number that the consumer can contact for information regarding the procedures and remedies under this chapter.

(3) For the purposes of this chapter, if a new motor vehicle does not conform to the warranty and the consumer reports the nonconformity during the term of the warranty period or the period of coverage of the applicable manufacturer's written warranty, whichever is less, to the
manufacturer, its agent, or the new motor vehicle dealer who sold the new motor vehicle, the manufacturer, its agent, or the new motor vehicle dealer shall make repairs as are necessary to conform the vehicle to the warranty, regardless of whether such repairs are made after the expiration of the warranty period. Any corrections or attempted repairs undertaken by a new motor vehicle dealer under this chapter shall be treated as warranty work and billed by the dealer to the manufacturer in the same manner as other work under the manufacturer's written warranty is billed. For purposes of this subsection, the manufacturer's written warranty shall be at least one year after the date of the original delivery to the consumer of the vehicle or the first twelve thousand miles of operation, whichever occurs first.

(4) Upon request from the consumer, the manufacturer or new motor vehicle dealer shall provide a copy of any report or computer reading compiled by the manufacturer's field or zone representative regarding inspection, diagnosis, or test-drive of the consumer's new motor vehicle, or shall provide a copy of any technical service bulletin issued by the manufacturer regarding the year and model of the consumer's new motor vehicle as it pertains to any material, feature, component, or the performance thereof.

(5) The new motor vehicle dealer shall provide to the consumer each time the consumer's vehicle is returned from being diagnosed or repaired under the warranty, a fully itemized, legible statement or repair order indicating any diagnosis made, and all work performed on the vehicle including but not limited to, a general description of the problem reported by the consumer or an identification of the defect or condition, parts and labor, the date and the odometer reading when the vehicle was submitted for repair, and the date when the vehicle was made available to the consumer.

(6) No manufacturer, its agent, or the new motor vehicle dealer may refuse to diagnose or repair any nonconformity covered by the warranty for the purpose of avoiding liability under this chapter.

(7) For purposes of this chapter, consumers shall have the rights and remedies, including a cause of action, against manufacturers as provided in this chapter.

(8) The warranty period and thirty-day out-of-service period shall be extended by any time that repair services are not available to the consumer as a direct result of a strike, war, invasion, fire, flood, or other natural disaster.

NEW SECTION. Sec. 4. (1) If the manufacturer, its agent, or the new motor vehicle dealer is unable to conform the new motor vehicle to the warranty by repairing or correcting any nonconformity after a reasonable number of attempts, the manufacturer, within forty calendar days of a consumer's written request shall, at the option of the consumer, replace or repurchase the new motor vehicle.
The replacement motor vehicle shall be identical or reasonably equivalent to the motor vehicle to be replaced. Compensation for a reasonable offset for use shall be paid by the consumer to the manufacturer in the event that the consumer accepts a replacement motor vehicle.

When repurchasing the new motor vehicle, the manufacturer shall refund to the consumer the purchase price, all collateral charges, and incidental costs, less a reasonable offset for use. Refunds shall be made to the consumer and lienholder of record, if any, as his or her interests may appear.

(2) Reasonable number of attempts shall be deemed to have been undertaken by the manufacturer, its agent, or the new motor vehicle dealer to conform the new motor vehicle to the warranty within the warranty period, if: (a) The same serious safety defect has been subject to repair two or more times, at least one of which is during the period of coverage of the applicable manufacturer's written warranty; (b) the same nonconformity has been subject to diagnosis or repair four or more times, at least one of which is during the period of coverage of the applicable manufacturer's written warranty, and the nonconformity continues to exist; or (c) the vehicle is out-of-service by reason of diagnosis or repair of one or more nonconformities for a cumulative total of thirty calendar days, at least fifteen of them during the period of the applicable manufacturer's written warranty. For purposes of this subsection, the manufacturer's written warranty shall be at least one year after the date of the original delivery to the consumer of the vehicle or the first twelve thousand miles of operation, whichever occurs first.

(3) No new motor vehicle dealer may be held liable by the manufacturer for any collateral charges, incidental costs, purchase price refunds, or vehicle replacements. Manufacturers shall not have a cause of action against dealers under this chapter, but may pursue rights and remedies in other proceedings in accordance with the manufacturer–dealer franchise agreement. Consumers shall not have a cause of action against dealers under this chapter, but a violation of any responsibilities imposed upon dealers under this chapter is a per se violation of chapter 19.86 RCW. Consumers may pursue rights and remedies against dealers under any other law, including chapters 46.70 and 46.71 RCW. Manufacturers and consumers may not make dealers parties to arbitration board proceedings under this chapter.

NEW SECTION. Sec. 5. (1) A manufacturer shall be prohibited from reselling any motor vehicle determined or adjudicated as having a serious safety defect unless the serious safety defect has been corrected and the manufacturer warrants upon the resale that the defect has been corrected.

(2) After the replacement or repurchase of a motor vehicle with a nonconformity uncorrected pursuant to this chapter, the manufacturer shall notify the attorney general and the department of licensing, by certified
mail, upon receipt of the manufacturer's motor vehicle. If such nonconformity is corrected, the manufacturer shall notify the attorney general and the department of licensing of such correction.

(3) Upon the resale, either at wholesale or retail, or transfer of title of a motor vehicle with an uncorrected nonconformity and which was previously returned after a final determination, adjudication, or settlement under this chapter or under a similar statute of any other state, the manufacturer, its agent, or the new motor vehicle dealer shall execute and deliver to the buyer before sale an instrument in writing setting forth information identifying the nonconformity in a manner to be specified by the attorney general, and the department of licensing shall place on the certificate of title information indicating the vehicle was returned under this chapter.

(4) Upon receipt of the manufacturer's notification under subsection (2) of this section that the nonconformity has been corrected and upon the manufacturer's request and payment of any fees, the department of licensing shall issue a new title with information indicating the vehicle was returned under this chapter and that the nonconformity has been corrected. Upon the resale, either at wholesale or retail, or transfer of title of a motor vehicle for which a new title has been issued under this subsection, the manufacturer shall warrant upon the resale that the nonconformity has been corrected, and the manufacturer, its agent, or the new motor vehicle dealer shall execute and deliver to the buyer before sale an instrument in writing setting forth information identifying the nonconformity and indicating that it has been corrected in a manner to be specified by the attorney general.

NEW SECTION. Sec. 6. (1) Except as provided in section 15 of this act, the attorney general shall contract with one or more private entities to establish new motor vehicle arbitration boards to settle disputes between consumers and manufacturers as provided in this chapter. The entities shall not be affiliated with any manufacturer or new motor vehicle dealer and shall have available the services of persons with automotive technical expertise to assist in resolving disputes under this chapter. Payment to the entities for the arbitration services shall be made from the new motor vehicle arbitration account.

(2) The attorney general shall adopt rules for the uniform conduct of the arbitrations by the boards, which rules shall include but not be limited to the following procedures:

(a) At all arbitration proceedings, the parties are entitled to present oral and written testimony, to present witnesses and evidence relevant to the dispute, to cross-examine witnesses, and to be represented by counsel.

(b) A dealer, or a manufacturer or other party shall produce records and documents requested by a party which the board finds are reasonably related to the dispute. If a dealer, or a manufacturer or other party refuses to comply with the board's determination, a party may request the attorney
general to issue a subpoena on behalf of the board. A party may also re-
quest the attorney general to issue a subpoena on behalf of the board for the
records and documents of other persons.

(c) A party may obtain written affidavits from employees and agents of
a dealer, a manufacturer or other party, or from other potential witnesses,
and may submit such affidavits for consideration by the board.

(d) Records of the board proceedings shall be open to the public. The
hearings shall be open to the public to the extent practicable.

(3) A consumer shall exhaust the new motor vehicle arbitration board
remedy or informal dispute resolution settlement procedure under section 14
of this act before filing any superior court action.

(4) The attorney general shall maintain records of each dispute sub-
mitted to the new motor vehicle arbitration board, including an index of
new motor vehicles by year, make, and model.

(5) The attorney general shall compile aggregate annual statistics for
all disputes submitted to, and decided by, the new motor vehicle arbitration
board, as well as annual statistics for each manufacturer that include, but
shall not be limited to, the number and percent of: (a) Replacement motor
vehicle requests; (b) purchase price refund requests; (c) replacement motor
vehicles obtained in prehearing settlements; (d) purchase price refunds ob-
tained in prehearing settlements; (e) replacement motor vehicles awarded in
arbitration; (f) purchase price refunds awarded in arbitration; (g) board
decisions neither complied with during the forty calendar day period nor
petitioned for appeal within the thirty calendar day period; (h) board deci-
sions appealed categorized by consumer or manufacturer; (i) the nature of
the court decisions and who the prevailing party was; (j) appeals that were
held by the court to be brought without good cause; and (k) appeals that
were held by the court to be brought solely for the purpose of harassment.
The statistical compilations shall be public information.

(6) The attorney general shall submit biennial reports of the informa-
tion in this section to the senate and house of representatives committees on
commerce and labor, with the first report due January 1, 1990.

(7) The attorney general shall adopt rules to implement this chapter.
Such rules shall include uniform standards by which the boards shall make
determinations under this chapter, including but not limited to rules which
provide:

(a) A board shall find that a nonconformity exists if it determines that
the consumer's new motor vehicle has a defect, serious safety defect, or
condition that substantially impairs the use, value, or safety of the vehicle.

(b) A board shall find that a reasonable number of attempts to repair a
nonconformity have been undertaken if: (i) The same serious safety defect
has been subject to repair two or more times, at least one of which is during
the period of coverage of the applicable manufacturer's written warranty;
(ii) the same nonconformity has been subject to diagnosis or repair four or
more times, at least one of which is during the period of coverage of the applicable manufacturer’s written warranty, and the nonconformity continues to exist; or (iii) the vehicle is out-of-service by reason of diagnosis or repair of one or more nonconformities for a cumulative total of thirty calendar days, at least fifteen of them during the period of the applicable manufacturer’s written warranty. For purposes of this subsection, the manufacturer’s written warranty shall be at least one year after the date of the original delivery to the consumer of the vehicle or the first twelve thousand miles of operation, whichever occurs first.

(c) A board shall find that a manufacturer has failed to comply with section 4 of this act if it finds that the manufacturer, its agent, or the new motor vehicle dealer has failed to correct a nonconformity after a reasonable number of attempts and the manufacturer has failed, within forty days of the consumer’s written request, to repurchase the vehicle or replace the vehicle with a vehicle identical or reasonably equivalent to the vehicle being replaced.

(8) The attorney general shall provide consumers with information regarding the procedures and remedies under this chapter.

NEW SECTION. Sec. 7. (1) A consumer may request arbitration under this chapter by submitting the request to the attorney general. Within ten days after receipt of an arbitration request, the attorney general shall make a reasonable determination of the cause of the request for arbitration and provide necessary information to the consumer regarding the consumer’s rights and remedies under this chapter. The attorney general shall assign the dispute to a board, except that if it clearly appears from the materials submitted by the consumer that the dispute is not eligible for arbitration, the attorney general may refuse to assign the dispute and shall explain any required procedures to the consumer.

(2) Manufacturers shall submit to arbitration if such arbitration is requested by the consumer within thirty months from the date of original delivery of the new motor vehicle to the consumer and if the consumer’s dispute is deemed eligible for arbitration by the board.

(3) The new motor vehicle arbitration board may reject for arbitration any dispute that it determines to be frivolous, fraudulent, filed in bad faith, res judicata or beyond its authority. Any dispute deemed by the board to be ineligible for arbitration due to insufficient evidence may be reconsidered by the board upon the submission of other information or documents regarding the dispute that would allegedly qualify for relief under this chapter. Following a second review, the board may reject the dispute for arbitration if evidence is still clearly insufficient to qualify the dispute for relief under this chapter. A rejection by the board is subject to review by the attorney general or may be appealed under section 8 of this act.
A decision to reject any dispute for arbitration shall be sent by certified mail to the consumer and the manufacturer, and shall contain a brief explanation as to the reason therefor.

(4) The arbitration board shall award the remedies under section 4 of this act if it finds a nonconformity and that a reasonable number of attempts have been undertaken to correct the nonconformity.

(5) It is an affirmative defense to any claim under this chapter that: (a) The alleged nonconformity does not substantially impair the use, value, or safety of the new motor vehicle; or (b) the alleged nonconformity is the result of abuse, neglect, or unauthorized modifications or alterations of the new motor vehicle.

(6) The board shall have thirty calendar days from the date the board receives the consumer's request for arbitration to hear the dispute. If the board determines that additional information is necessary, the board may continue the arbitration proceeding on a subsequent date within ten calendar days of the initial hearing. The board shall decide the dispute within sixty calendar days from the date the board receives the consumer's request for arbitration.

The decision of the board shall be sent by certified mail to the consumer and the manufacturer, and shall contain a written finding of whether the new motor vehicle meets the standards set forth under this chapter.

(7) The consumer may accept the arbitration board decision or appeal to superior court, pursuant to section 8 of this act. Upon acceptance by the consumer, the arbitration board decision shall become final. The consumer shall send written notification of acceptance to the arbitration board who shall immediately send a copy of the consumer's acceptance to the manufacturer by certified mail, return receipt requested.

(8) Upon receipt of the consumer's acceptance, the manufacturer shall have forty calendar days to comply with the arbitration board decision or thirty calendar days to file a petition of appeal in superior court. At the time the petition of appeal is filed, the manufacturer shall send, by certified mail, a conformed copy of such petition to the attorney general. If the attorney general receives no notice of petition of appeal after forty calendar days, the attorney general shall contact the consumer to verify compliance.

(9) If, at the end of the forty calendar day period, neither compliance with, nor a petition to appeal the board's decision has occurred, the attorney general may impose a fine of one thousand dollars per day until compliance occurs or a maximum penalty of one hundred thousand dollars accrues unless the manufacturer can provide clear and convincing evidence that any delay or failure was beyond its control or was acceptable to the consumer as evidenced by a written statement signed by the consumer. If the manufacturer fails to provide such evidence or fails to pay the fine, the attorney general shall initiate proceedings against the manufacturer for failure to
pay any fine that accrues until compliance with the board's decision occurs or the maximum penalty of one hundred thousand dollars results.

NEW SECTION. Sec. 8. (1) The consumer or the manufacturer may request a trial de novo of the arbitration decision, including a rejection, in superior court.

(2) If the manufacturer appeals, the court may require the manufacturer to post security for the consumer's financial loss due to the passage of time for review.

(3) If the consumer prevails, recovery shall include the monetary value of the award, attorneys' fees and costs incurred in the superior court action, and, if the board awarded the consumer replacement or repurchase of the vehicle and the manufacturer did not comply, continuing damages in the amount of twenty-five dollars per day for all days beyond the forty calendar day period following the manufacturer's receipt of the consumer's acceptance of the board's decision in which the manufacturer did not provide the consumer with the free use of a comparable loaner replacement motor vehicle. If it is determined by the court that the manufacturer acted without good cause in bringing the appeal or brought the appeal solely for the purpose of harassment, the court may triple, but at least shall double, the amount of the total award.

NEW SECTION. Sec. 9. A five-dollar arbitration fee shall be collected by the new motor vehicle dealer from the consumer at completion of sale. The fee shall be forwarded to the department of licensing for deposit in the new motor vehicle arbitration account hereby created in the state treasury. Moneys in the account shall be used for the purposes of this chapter, subject to appropriation.

At the end of each fiscal year, the attorney general shall prepare a report listing the annual revenue generated and the expenses incurred in implementing and operating the arbitration program under this chapter.

NEW SECTION. Sec. 10. A violation of this chapter shall constitute an unfair or deceptive trade practice affecting the public interest under chapter 19.86 RCW. All public and private remedies provided under that chapter shall be available to enforce this chapter.

NEW SECTION. Sec. 11. Any agreement entered into by a consumer for the purchase of a new motor vehicle that waives, limits, or disclaims the rights set forth in sections 2 through 12 of this act shall be void as contrary to public policy. Said rights shall extend to a subsequent transferee of such new motor vehicle.

NEW SECTION. Sec. 12. Nothing in this chapter limits the consumer from pursuing other rights or remedies under any other law.

Sec. 13. Section 5, chapter 240, Laws of 1983 and RCW 19.118.050 are each amended to read as follows:

[1313]
It shall be presumed that a reasonable number of attempts have been undertaken to conform a motor vehicle to the applicable express warranties if during the term of such express warranties or during the period of one year following the date of original delivery of the motor vehicle to a buyer: (1) The same nonconformity has been subject to diagnosis or repair four or more times by the manufacturer or its agents; ((or)) (2) ((the vehicle is out of service by reason of repair for a cumulative total of more than thirty days since the delivery of the vehicle to the buyer)) a serious safety defect has been subject to repair two or more times, and the defect continues to exist; or (3) the new motor vehicle is out-of-service by reason of diagnosis or repair of one or more nonconformities for a cumulative total of thirty calendar days. The thirty-day period includes each calendar day or portion thereof during which the service shop is open for business, but does not include periods during which repairs cannot be made due to (((conditions beyond the control of the service facility and does not include periods during which the buyer has been provided with a comparable replacement vehicle by the dealer or manufacturer)) reasons specified in section 3(8) of this 1987 act.

This section shall expire December 31, 1988.

NEW SECTION. Sec. 14. (1) If a manufacturer has established an informal dispute resolution settlement procedure which substantially complies with the applicable provision of Title 15, Code of Federal Regulations Part 703, as from time to time amended, a consumer may choose to first submit a dispute under this chapter to the informal dispute resolution settlement procedure.

(2) After the new motor vehicle arbitration board has been established and is operational and until December 31, 1988, consumers who have a pending case in the informal dispute resolution settlement procedure in this section may choose to transfer the case to be heard before the new motor vehicle arbitration board.

NEW SECTION. Sec. 15. If the attorney general is unable, or will be unable, to contract with private entities to conduct arbitrations under the procedures and standards in this chapter, by January 1, 1988, the attorney general shall establish one or more new motor vehicle arbitration boards. Each such board shall consist of three members appointed by the attorney general, only one of whom may be directly involved in the manufacture, distribution, sale, or service of any motor vehicle. Board members shall be reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060 and shall be compensated pursuant to RCW 43.03.240.

NEW SECTION. Sec. 16. A new section is added to chapter 82.32 RCW to read as follows:

If a manufacturer makes a refund of sales tax to a consumer upon return of a new motor vehicle under chapter 19.118 RCW, the department
shall credit or refund to the manufacturer the amount of the tax refunded, upon receipt of documentation as required by the department.

**NEW SECTION.** Sec. 17. Sections 2 through 12, 14, and 15 of this act are each added to chapter 19.118 RCW.

**NEW SECTION.** Sec. 18. By January 1, 1990, the appropriate standing committees of the house of representatives and the senate shall review sections 2 through 12 and 14 through 16 of this act. The committees shall receive input from consumers, manufacturers, dealers, private entities who have established boards, board members, the attorney general, and other interested persons and shall consider, among other issues, the effectiveness of the remedies available to consumers and the role of the attorney general.

**NEW SECTION.** Sec. 19. Sections 2 through 12 and 14 through 16 of this act shall expire on June 30, 1992, unless extended for an additional fixed period of time. By January 1, 1992, the legislative budget committee shall conduct a review of such provisions under the standards in chapter 43.131 RCW and report to the legislature.

**NEW SECTION.** Sec. 20. (1) There is appropriated from the new motor vehicle arbitration account to the attorney general for the biennium ending June 30, 1989, the sum of two million dollars, or so much thereof as may be necessary, to carry out the purposes of this act.

(2) Before January 1, 1988, the attorney general may expend funds appropriated under this section to establish the new motor vehicle arbitration boards.

**NEW SECTION.** Sec. 21. The following acts or parts of acts are each repealed effective January 1, 1988:

(1) Section 2, chapter 240, Laws of 1983 and RCW 19.118.020;

NONRESIDENTS MAY BE REQUIRED TO POST BONDS

AN ACT Relating to failure to comply with traffic infraction laws; amending RCW 46.64.020 and 46.64.015; adding a new section to chapter 46.64 RCW; and prescribing penalties.

(1) Any person wilfully violating his or her written and signed promise to appear in court or his or her written and signed promise to respond to a notice of traffic infraction, as provided in this title, is guilty of a misdemeanor regardless of the disposition of the charge upon which he or she was originally arrested or the disposition of the notice of infraction: PROVIDED, That a written promise to appear in court or a written promise to respond to a notice of traffic infraction may be complied with by an appearance by counsel: PROVIDED FURTHER, That a person charged under RCW 46.20.021 with driving with an expired driver's license may respond by mailing to the court within fifteen days of the violation, a copy of the person's currently valid driver's license. Any person who has been issued a notice of infraction pursuant to RCW 46.63.030(3) and who wilfully fails to respond as provided in this title is guilty of a misdemeanor regardless of the disposition of the notice of infraction.

(2) Any person who accumulates two or more charges of failure to appear on his or her driving record in any four-year period as a result of noncompliance with the traffic infraction laws shall be guilty of failure to comply, a gross misdemeanor.

The arresting officer may determine probable cause for arrest under this subsection by verification of the person's driving record obtained from the department of licensing.

Sec. 2. Section 46.64.015, chapter 12, Laws of 1961 as last amended by section 11, chapter 303, Laws of 1985 and RCW 46.64.015 are each amended to read as follows:
Whenever any person is arrested for any violation of the traffic laws or regulations which is punishable as a misdemeanor or by imposition of a fine, the arresting officer may serve upon him or her a traffic citation and notice to appear in court. Such citation and notice shall conform to the requirements of RCW 46.64.010, and in addition, shall include spaces for the name and address of the person arrested, the license number of the vehicle involved, the driver's license number of such person, if any, the offense or violation charged, the time and place where such person shall appear in court, and a place where the person arrested may sign. Such spaces shall be filled with the appropriate information by the arresting officer. The arrested person, in order to secure release, and when permitted by the arresting officer, must give his or her written promise to appear in court as required by the citation and notice by signing in the appropriate place the written citation and notice served by the arresting officer, and if the arrested person is a nonresident of the state, shall also post a bond, cash security, or bail as required under section 3 of this 1987 act. An officer may not serve or issue any traffic citation or notice for any offense or violation except either when the offense or violation is committed in his or her presence or when a person may be arrested pursuant to RCW 10.31.100, as now or hereafter amended.

The detention arising from an arrest under this section may not be for a period of time longer than is reasonably necessary to issue and serve a citation and notice, except that the time limitation does not apply under any of the following circumstances:

(1) Where the arrested person refuses to sign a written promise to appear in court as required by the citation and notice provisions of this section;

(2) Where the arresting officer has probable cause to believe that the arrested person has committed any of the offenses enumerated in RCW 10.31.100(3), as now or hereafter amended;

The court shall by January 1, 1990, accept, in lieu of bond or cash security, valid major credit cards issued by a bank or other financial institution or automobile club card guaranteed by an insurance company licensed to conduct business in the state. If payment is made by credit card the court is authorized to impose, in addition to any penalty or fine, an amount equal to the charge to the court for accepting such cards. If the person cannot post the bond, cash security, or bail, he or she shall be taken to a magistrate or judge for a hearing at the first possible working time of the court. If the
person refuses to comply with this section, he or she shall be guilty of a misdemeanor. This section does not apply to residents of states that have entered into a reciprocal agreement as outlined in RCW 46.23.020.

NEW SECTION. Sec. 1. By this act the legislature intends to combine and unify the laws and procedures governing absentee voting. These amendments are intended: (1) To clarify and incorporate into a single chapter of the Revised Code of Washington the preexisting statutes under which electors of this state qualify for absentee ballots under state law, federal law, or a combination of both state and federal law, and (2) to insure uniformity in the application, issuance, receipt, and canvassing of these absentee ballots. Nothing in this act is intended to impose any new requirement on the ability of the registered voters or electors of this state to qualify for, receive, or cast absentee ballots in any primary or election.

NEW SECTION. Sec. 2. "ELECTOR" DEFINED. "Elector" means any person who possesses all of the qualifications to vote under Article VI of the state Constitution.

(1) Except as provided in subsections (2) and (3) of this section ((and)), in RCW 29.36.013, and in section 21 of this act, a registered voter or elector desiring to cast an absentee ballot must apply in writing to his or her county auditor no earlier than forty-five days nor later than the day before any election or primary. An application for an absentee ballot made under the authority of any federal statute or regulation shall be considered and given the same effect as an application for an absentee ballot under this chapter.

(2) For any registered voter, an application ((honored)) for an absentee ballot for a primary ((ballot)) shall ((also)) be honored as an application for ((a)) an absentee ballot for the following general election if the voter so indicates on his or her application. For any out-of-state voter, overseas voter, or service voter, an application for an absentee ballot for a
primary election shall also be honored as an application for an absentee ballot for the following general election.

(3) A voter admitted to a hospital no earlier than five days before a primary or election and confined to the hospital on election day may apply by messenger for an absentee ballot on the day of the primary or election if a signed statement from the hospital administrator, or designee, verifying the voter's date of admission and status as a patient in the hospital on the day of the primary or election is attached to the absentee ballot application.

(4) An application for an absentee ballot must be signed by the registered voter((, and except as provided under chapter 29.39 RCW,)) or elector. An application for an absentee ballot by a registered voter is not valid unless the voter's signature on the application is substantially the same as that voter's signature on his or her registration record. An application for an absentee ballot shall state the address to which the absentee ballot should be sent. An application for an absentee ballot from an out-of-state voter, overseas voter, or service voter shall state the address of that elector's last residence for voting purposes in the state of Washington and either the application or the oath on the return envelope shall include a declaration of the other qualifications of the applicant as an elector of this state. An application for an absentee ballot from any other voter shall state the address at which that voter is currently registered to vote in the state of Washington or the county auditor shall verify such information from the voter registration records of the county.

(5) An application for an absentee ballot shall be mailed or delivered to the county auditor of the county in which the voter is registered ((either in person, by mail, or by messenger)) or resides. An absentee ballot application from a registered voter within this state shall be sent directly to the auditor of the county in which the voter is registered. An absentee ballot application from a registered voter who is temporarily outside this state or from an out-of-state voter, overseas voter, or service voter may be sent either to the appropriate county auditor or to the secretary of state, who shall promptly forward the application to the appropriate county auditor. No person, organization, or association may distribute absentee ballot applications within this state that contain((s)) any return address other than that of ((a)) the appropriate county auditor.

Sec. 10. Section 2, chapter 273, Laws of 1985 as amended by section 1, chapter 22, Laws of 1986 and RCW 29.36.013 are each amended to read as follows:

Any disabled voter or any voter over the age of sixty-five may apply, in writing, for status as an ongoing absentee voter. Each such voter shall be granted that status by his or her county auditor and shall automatically receive an absentee ballot for each ensuing election for which he or she is entitled to vote and need not submit a separate application for each election.
Ballots received from ongoing absentee voters shall be validated, processed, and tabulated in the same manner as other absentee ballots.

Status as an ongoing absentee voter shall be terminated upon any of the following events:

1. The written request of the voter;
2. The death or disqualification of the voter;
3. The cancellation of the voter's registration record;
4. The return of an ongoing absentee ballot as undeliverable; or
5. January 1st of each odd-numbered year.

((A disabled voter is defined as a voter qualifying for special parking privileges under RCW 46.16.381 or a blind person as defined in RCW 74.18.020;))

Sec. 11. Section 29.36.030, chapter 9, Laws of 1965 as last amended by section 77, chapter 361, Laws of 1977 ex. sess. and RCW 29.36.030 are each amended to read as follows:

Upon receipt of ((the voter's)) a signed application for an absentee ballot from a registered voter, the ((office having jurisdiction of the election, or his duly authorized representative,)) county auditor shall verify the applicant's signature. If the application is complete and correct and the applicant is qualified to vote under federal or state law, the county auditor shall issue an absentee ballot for the primary or election ((concerned)) for which the absentee ballot was requested. Otherwise, the county auditor shall notify the applicant of the reason or reasons why the application cannot be accepted.

At each general election in ((the)) an even-numbered year, each absentee voter shall also be given a separate ballot containing the names of the candidates that have filed for the office of precinct committeeman ((provided—that)) unless fewer than two ((or—more)) candidates have filed for the same political party in the absentee voter's precinct ((and—providing)). The ballot shall provide space for writing in the name of additional candidates.

(((In addition, if other elections, including special or general, are also being held on the same day and it can be determined that the absentee voter is qualified to vote at such elections, such additional absentee ballots shall be automatically issued to the end that, whenever possible, each absentee voter receives the ballots for all elections he would have received if he had been able to vote in person:

The election officer, or his duly authorized representative, shall include the following additional items when issuing an absentee ballot:

1. Instructions for voting:
2. A size #9 envelope, capable of being sealed and free of any identification marks, for the purpose of containing the voted absentee ballot:
3. A size #10 envelope, capable of being sealed and preaddressed to the issuing officer, for the purpose of returning the #9 envelope containing the marked absentee ballot:))
Upon the left hand portion of the face of the larger envelope shall also be printed a blank statement in the following form:

State of ........................................
County of ........................................

I, ............... , do solemnly swear under the penalty as set forth in RCW 29.36.110 (see below), that I am a resident of and qualified voter in ......... precinct of .......... city in .......... county, Washington; that I have the legal right to vote at the election to be held in said precinct on the ....... day of ..........., 19... That I have not voted another ballot and have herein enclosed my ballot for such election:

(signed) ................................................
Voter

(date of oath) ........................................

PENALTY PROVISION: Any person who violates any of the provisions; relating to swearing and voting, shall be guilty of a felony and shall be punished by imprisonment for not more than five years or a fine of not more than five thousand dollars, or by both such fine and imprisonment.)) When mailing an absentee ballot to a registered voter temporarily outside the state or to an out-of-state voter, overseas voter, or service voter, the county auditor shall send a copy of the state voters' and candidates' pamphlet with the absentee ballot. The county auditor shall mail all absentee ballots and related material to voters outside the territorial limits of the United States and the District of Columbia under 39 U.S.C. 3406.

NEW SECTION, Sec. 12. The county auditor shall send each absentee voter a ballot, a security envelope in which to seal the ballot after voting, a larger envelope in which to return the security envelope, and instructions on how to mark the ballot and how to return it to the county auditor. The larger return envelope shall contain a declaration by the absentee voter reciting his or her qualifications and stating that he or she has not voted in any other jurisdiction at this election, together with a summary of the penalties for any violation of any of the provisions of this chapter. The return envelope shall provide space for the voter to indicate the date on which the ballot was voted and for the voter to sign the oath. A summary of the applicable penalty provisions of this chapter shall be printed on the return envelope immediately adjacent to the space for the voter's signature. The signature of the voter on the return envelope shall affirm and attest to the statements regarding the qualifications of that voter and to the validity of the ballot. For out-of-state voters, overseas voters, and service voters, the signed declaration on the return envelope constitutes the equivalent of a voter registration for the election or primary for which the ballot has been issued. The voter shall be instructed to either return the ballot to the county
auditor by whom it was issued or attach sufficient first class postage, if applicable, and mail the ballot to the appropriate county auditor no later than the day of the election or primary for which the ballot was issued.

Sec. 13. Section 29.36.050, chapter 9, Laws of 1965 and RCW 29.36-050 are each amended to read as follows:

((No)) A registered voter ((to whose permanent registration card there is attached a duplicate of an absentee voter's certificate of registration for any election)) shall not be allowed to vote ((at such election)) in the precinct ((from)) in which he or she is registered at any election or primary for which that voter has cast an absentee ballot. A registered voter who has requested an absentee ballot for a primary or special or general election but chooses to vote at the voter's precinct polling place in that primary or election shall cast a ballot in the manner prescribed by RCW 29.10.127 for challenged ballots. The canvassing board shall not count the ballot if it finds that the voter has also voted by absentee ballot in that primary or election.

Sec. 14. Section 29.36.060, chapter 9, Laws of 1965 as last amended by section 78, chapter 361, Laws of 1977 ex. sess. and RCW 29.36.060 are each amended to read as follows:

The opening and ((canvassing of absentee ballots cast at)) subsequent processing of return envelopes for any primary or election((, special or general)) may begin on or after the tenth day prior to such primary or election((, PROVIDED, That)). The opening of the ((inner)) security envelopes and ((actual counting of such)) tabulation of absentee ballots shall not commence until after 8:00 o'clock p.m. on the day of the primary or election ((but must be completed on or before the tenth day following the primary or election. PROVIDED, That when a state general election is held, the canvassing period shall be extended to and including the fifteenth day following such election)).

After opening the return envelopes, the county canvassing board((, or its duly authorized representatives, may elect not to initial the inner envelope but instead)) shall place all ((such)) of the ballot envelopes in containers that can be secured with ((a)) numbered ((metal)) seals((, and such)). These sealed containers shall be stored in ((the most)) a secure ((vault available within the courthouse)) location until after 8:00 o'clock p.m. of the day of the primary or election((, PROVIDED, That in the instance of punchcard)). Absentee ballots((, such ballots)) that are to be tabulated on an electronic vote tallying system may be taken from the inner envelopes and all the normal procedural steps may be performed ((necessary)) to prepare ((punchcard)) these ballots for ((computer count and then placed in said-sealed)) tabulation before sealing the containers.

The canvassing board ((or its duly authorized representatives)) shall examine the postmark, ((receipt mark and)) statement, and signature on ((the outer)) each return envelope containing the security envelope and absentee ballot ((and)). They shall verify that the voter's signature ((thereon))

[1323]
is the same as that on the original application (provided, that) by that voter. For absentee voters other than out-of-state voters, overseas voters, and service voters, if the postmark is illegible, the date on the return envelope to which the voter attests (as provided in RCW 29.36.030 as now or hereafter amended) shall determine the validity, as to the time of voting, of that absentee ballot under this chapter. The board shall open the outer envelopes not later than the tenth day following any primary or special election, and the fifteenth day following any general election, and remove therefrom the inner envelope containing the ballot.

The inner envelopes shall be initialed by the canvassing board or its duly authorized representatives. The inner envelopes thus initialed must be filed by the county auditor under lock and key. The outer envelopes to which must be attached the corresponding original absentee voter's application shall be sealed securely in one package and shall be kept by the auditor for future use in case any question should arise as to the validity of the vote. For out-of-state voters, overseas voters, and service voters, a variation between the signature of the voter on the return envelope and that on the application due to the substitution of initials or the use of common nicknames is permitted so long as the surname and handwriting are clearly the same.

Sec. 15. Section 29.36.070, chapter 9, Laws of 1965 as amended by section 2, chapter 73, Laws of 1974 ex. sess. and RCW 29.36.070 are each amended to read as follows:

((Upon the canvass of the votes, if there are on file one or more absentee ballot inner envelopes, the canvassing authority shall cause such envelopes to be opened and the absentee precinct committeeman ballot, if any, shall be physically separated from the remainder of the absentee ballot. The absentee precinct committeeman ballot shall be, subject to the provisions of RCW 29.36.075 and 29.36.077, counted separately:)) The (remainder of the) absentee ballots shall be grouped and counted by congressional and legislative district without regard (as) to precinct (by legislative districts if the election is a state primary or state election, special or general)).

These (ballots shall be made a part of the) returns (and handled accordingly) shall be added to the total of the votes cast at all polling places.

Sec. 16. Section 29.36.075, chapter 9, Laws of 1965 as amended by section 1, chapter 136, Laws of 1983 and RCW 29.36.075 are each amended to read as follows:

In counties that do not tabulate absentee ballots on electronic vote tallying systems, canvassing boards (of any primary or election, including a state primary or state general election, shall) may not tabulate or record votes cast by absentee ballots on any uncontested office except write-in votes for the office of precinct committeepersons. In all counties, write-in
votes for uncontested precinct committeepersons' races shall be canvassed and included with the official vote count.

Each registered voter casting an absentee ballot (not counted as provided in this section, nevertheless) shall be credited with voting on his (permanent voting history) or her voter registration record. (Further, such uncounted) Absentee ballots shall be retained for the same length of time and in the same manner as (paper) ballots cast (in person as provided by RCW 29.54.070) at the precinct polling places.

(Such) The information on the applications shall be (listed) recorded and lists of this information shall be available no later than twenty-four hours after their receipt (and the lists thereof shall be available until the day of the election for which the absentee ballot application was made).

(The lists) This information about absentee voters shall be (organized first) available according to the date of application (and then) by legislative district (if appropriate, and then by precinct. They). It shall (also indicate) include the name of each applicant, the address and precinct in which the voter maintains a voting residence, the date on which an absentee ballot was issued to this voter, if applicable, the type of absentee ballot, and the address to which the ballot was or is to be mailed, if applicable.

The auditor shall make copies of (such lists) these records available to the public for the actual cost of production or copying (such list).

Sec. 18. Section 29.36.100, chapter 9, Laws of 1965 and RCW 29.36.100 are each amended to read as follows:

The qualifications of any (absent) absentee voter may be challenged (for any cause) at the time the (same) signature on the return envelope is verified and the ballot is (canvassed) processed by the canvassing board (which shall have all). The board has the (power and) authority (given by law to officers of election) to determine the legality of (such) any absentee ballot challenged under this section.

Sec. 19. Section 8, chapter 71, Laws of 1983 1st ex. sess. and RCW 29.36.150 are each amended to read as follows:

The secretary of state shall adopt rules (and regulations) not inconsistent with the provisions of this chapter to:

(3) (Ensure that) Provide uniformity (exists) among the counties of the state in the conduct of absentee voting and mail ballot elections; and

(4) Facilitate the operation of the provisions of this chapter regarding out-of-state voters, overseas voters, and service voters.

The secretary of state shall produce and furnish envelopes and instructions for out-of-state voters, overseas voters, and service voters to the county auditors.

Sec. 20. Section 9, chapter 71, Laws of 1983 1st ex. sess. and RCW 29.36.160 are each amended to read as follows:

A person who (willfully) willfully violates any provision of this chapter regarding the assertion or declaration of qualifications to receive or cast an absentee ballot, unlawfully casts a vote by absentee ballot, or willfully violates any provision regarding the conduct of mail ballot special elections under RCW 29.36.120 through 29.36.139 is guilty of a class C felony. Except as provided in chapter 29.85 RCW a person who willfully violates any other provision of this chapter is guilty of a misdemeanor.

NEW SECTION. Sec. 21. (1) As provided in this section, county auditors shall provide special absentee ballots to be used for state primary or state general elections. A special absentee ballot shall only be provided to a voter who completes an application stating that:

If the regular absentee ballot is properly voted and returned, the special absentee ballot shall be deemed void and the county auditor shall reject it in whole when special absentee ballots are canvassed.

*Sec. 22. Section 29.62.020, chapter 9, Laws of 1965 and RCW 29.62-.020 are each amended to read as follows:

"AN ACT Relating to absentee voting."

Section 22 contains identical language to a bill I have already signed into law, Substitute Senate Bill No. 5045, section 2. HORSE RACING—SATELLITE LOCATIONS—PARIMUTUEL WAGERING

AN ACT Relating to satellite extensions of licensed facilities; amending RCW 67.16.170, 67.16.175, and 67.16.105; adding new sections to chapter 67.16 RCW; and providing an expiration date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 67.16 RCW to read as follows:

(1) A racing association licensed by the commission to conduct a race meet may seek approval from the commission to conduct parimutuel wagering on its program at a satellite location or locations within the state of Washington. The sale of parimutuel pools at satellite locations shall be conducted only during the licensee's race meet and simultaneous to all parimutuel wagering activity conducted at the licensee's racing facility in the state of Washington. The commission's authority to approve satellite wagering at a particular location is subject to the following limitations:

(a) The commission may approve only one satellite location in each county in the state; however, the commission may grant approval for more than one licensee to conduct wagering at each satellite location.

(b) The commission shall not allow a licensee to conduct satellite wagering at a satellite location within fifty air miles of the licensee's racing facility.

(c)(i) The commission may allow a licensee to conduct satellite wagering at a satellite location within fifty air miles of the racing facility of another licensee who conducts race meets of thirty days or more, but only if the satellite location is the racing facility of another licensee who conducts race meets of thirty days or more and only if the licensee seeking to conduct satellite wagering suspends its program during the conduct of the meets of all licensees within fifty air miles.

(ii) Subject to subsection (1)(c)(i) of this section, the commission may allow a licensee to conduct satellite wagering at a satellite location within fifty air miles of the racing facility of another licensee who conducts race meets of under thirty days, but only if the licensee seeking to conduct satellite wagering suspends its satellite program during the conduct of the meets of all licensees within fifty air miles.

(2) Subject to local zoning and other land use ordinances, the commission shall be the sole judge of whether approval to conduct wagering at a satellite location shall be granted.

(3) The licensee shall combine the parimutuel pools of the satellite location with those of the racing facility for the purpose of determining odds and computing payoffs. The amount wagered at the satellite location shall
be combined with the amount wagered at the racing facility for the application of take out formulas and distribution as provided in RCW 67.16.102, 67.16.105, 67.16.130, 67.16.170, 67.16.175, and sections 5 and 6 of this act. A satellite extension of the licensee's racing facility shall be subject to the same application of the rules of racing as the licensee's racing facility.

INTERNATIONAL EDUCATION IN THE COMMON SCHOOLS

AN ACT Relating to educational opportunities; and adding a new chapter to Title 28A RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that the economy of the state of Washington more than that of any other state in the union is dependent on foreign trade, particularly with Pacific Rim countries. If Washington's status as a leading state in international trade is to be maintained and strengthened, students of this state need to be better prepared. The legislature also finds that parents and our public education system can work cooperatively to prepare children as they begin to face complex questions of world order and stability. It is, therefore, the intent of the legislature to provide students with enhanced opportunities to increase their awareness of and understanding about other nations and the relationships of those countries with Washington state.
NEW SECTION. Sec. 2. (1) The superintendent of public instruction shall establish an advisory committee to advise the superintendent on international education issues as such issues relate to the development of model curriculum or curriculum guidelines for grades kindergarten through twelve. The advisory committee shall be of such size as determined by the superintendent of public instruction. The superintendent of public instruction is encouraged to include parents; teachers; administrators; multicultural curriculum specialists; representatives of private enterprise; representatives of foreign trade or policy organizations, representatives of local and state ethnic minority groups, associations, or agencies; and representatives of cultural associations.

The grants shall be in such amounts as determined by the superintendent of public instruction. The sum of all grants awarded shall not exceed the amount appropriated by the legislature for such purposes.

(2) The grant program shall center on the use of the international education model curriculum or curriculum guidelines developed in section 2 of this act. Districts may use the international education model curriculum or curriculum guidelines developed under section 2 of this act as a guideline for creating their own model curriculum for participation in the grant program.

(3) School districts may apply singularly or a group of school districts may apply together to participate in the program.

(4) School districts applying for the international education grant program shall submit a plan which includes:

(a) Participation by the school district in both the model curriculum or curriculum guidelines development activities and the grant program activities provided for by this chapter;

(b) The application or intent to conduct a foreign language program including either Japanese or Mandarin Chinese beginning in the ninth grade;
(c) A staff in-service training program addressing the implementation of international education curriculum;
(d) A goal to enlist participation where possible by private enterprise, cultural and ethnic associations, foreign trade or policy organizations, the local community, exchange students and students who have participated in exchange programs, and parents;
(e) Evaluation of the pilot program.
(5) To the extent possible, selected school districts shall represent the various geographical locations, school or school district sizes, and grade levels in the state.
(6) By January 1, 1988, the superintendent of public instruction shall select five school district grantees for the program. The program shall be implemented beginning with the 1988–89 school year.

NEW SECTION, Sec. 5. The superintendent of public instruction shall submit a report to the legislature, including its findings and specific recommendations evaluating the progress of the grant program, by January 1, 1991.

NEW SECTION, Sec. 6. Sections 1 through 5 of this act shall constitute a new chapter in Title 28A RCW.

NEW SECTION, Sec. 7. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

CHAPTER 351
[Substitute House Bill No. 506]
CHILDREN’S TRUST FUND—CHILD ABUSE PREVENTION—REVISIONS

AN ACT Relating to child abuse; amending RCW 43.121.020, 43.121.050, and 43.121.100; adding a new section to chapter 43.121 RCW; adding a new section to chapter 70.58 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:
NEW SECTION. Sec. 1. The legislature finds that children are society's most valuable resource and that child abuse and neglect is a threat to the physical, mental, and emotional health of children. The legislature further finds that assisting community-based private nonprofit and public organizations, agencies, or school districts in identifying and establishing needed primary prevention programs will reduce the incidence of child abuse and neglect, and the necessity for costly subsequent intervention in family life by the state. Child abuse and neglect prevention programs can be most effectively and economically administered through the use of trained volunteers and the cooperative efforts of the communities, citizens, and the state. The legislature finds that the Washington council for prevention of child abuse is an effective counsel for reducing child abuse but limited resources have prevented the council from funding promising prevention concepts state-wide.

It is the intent of the legislature to establish a cost-neutral revenue system for the children's trust fund which is designed to fund primary prevention programs and innovative prevention related activities such as research or public awareness campaigns. The fund shall be supported through revenue created by the sale of heirloom birth certificates. This concept has proven to be a cost-effective approach to funding child abuse prevention in the state of Oregon. The legislature believes that this is an innovative way of using private dollars to supplement our public dollars to reduce child abuse and neglect.

NEW SECTION. Sec. 2. A new section is added to chapter 43.121 RCW to read as follows:

As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) "Child" means an unmarried person who is under eighteen years of age.

(2) "Primary prevention" of child abuse and neglect means any effort designed to inhibit or preclude the initial occurrence of child abuse and neglect, both by the promotion of positive parenting and family interaction, and the remediation of factors linked to causes of child maltreatment.

(3) "Secondary prevention" means services and programs that identify and assist families under such stress that abuse or neglect is likely or families display symptoms associated with child abuse or neglect.

Sec. 3. Section 2, chapter 4, Laws of 1982 as amended by section 1, chapter 261, Laws of 1984 and RCW 43.121.020 are each amended to read as follows:

(1) There is established in the executive office of the governor a Washington council for the prevention of child abuse and neglect subject to the jurisdiction of the governor. (As used in this chapter, "council" means the Washington council for the prevention of child abuse and neglect.)
(2) The council shall be composed of the chairperson and ten other members as follows:

(a) The chairperson and four other members shall be appointed by the governor and shall be selected for their interest and expertise in the prevention of child abuse. A minimum of four designees by the governor shall not be affiliated with governmental agencies. A minimum of two of the designees shall reside east of the Cascade mountain range. Members appointed by the governor shall serve for two-year terms, except that the chairperson and two other members designated by the governor shall initially serve for three years. Vacancies shall be filled for any unexpired term by appointment in the same manner as the original appointments were made.

(b) The secretary of social and health services or the secretary's designee and the superintendent of public instruction or the superintendent's designee shall serve as voting members of the council.

(c) In addition to the members of the council, four members of the legislature shall serve as nonvoting, ex officio members of the council, one from each political caucus of the house of representatives to be appointed by the speaker of the house of representatives and one from each political caucus of the senate to be appointed by the president of the senate.

Sec. 4. Section 5, chapter 4, Laws of 1982 and RCW 43.121.050 are each amended to read as follows:

To carry out the purposes of this chapter, the council on child abuse and neglect may:

(1) Contract with public or private nonprofit organizations, agencies, schools, or with qualified individuals for the establishment of community-based educational and service programs designed to reduce the occurrence of child abuse and neglect. Contracts also may be awarded for research programs related to primary and secondary prevention of child abuse and neglect, and to develop and strengthen community child abuse and neglect prevention networks. Each contract entered into by the council shall contain a provision for the evaluation of services provided under the contract. Contracts for services to prevent child abuse and child neglect shall be awarded as demonstration projects with continuation based upon goal attainment. Contracts for services to prevent child abuse and child neglect shall be awarded on the basis of probability of success based in part upon sound research data.

(2) Facilitate the exchange of information between groups concerned with families and children.

(3) Consult with applicable state agencies, commissions, and boards to help determine the probable effectiveness, fiscal soundness, and need for proposed educational and service programs for the prevention of child abuse and neglect.

(4) Establish fee schedules to provide for the recipients of services to reimburse the state general fund for the cost of services received.
(5) Adopt its own bylaws.
(6) Adopt rules under chapter 34.04 RCW as necessary to carry out the purposes of this chapter.

Sec. 5. Section 10, chapter 4, Laws of 1982 as amended by section 3, chapter 261 Laws of 1984 and RCW 43.121.100 are each amended to read as follows:

The council may accept contributions, grants, or gifts in cash or otherwise, including funds generated by the sale of "heirloom" birth certificates under chapter 70.58 RCW from persons, associations, or corporations. All moneys received by the council or any employee thereof from contributions, grants, or gifts and not through appropriation by the legislature shall be deposited in a depository approved by the state treasurer to be known as the children's trust fund. Disbursements of such funds shall be on the authorization of the council or a duly authorized representative thereof and only for the purposes stated in RCW 43.121.050. In order to maintain an effective expenditure and revenue control, such funds shall be subject in all respects to chapter 43.88 RCW, but no appropriation shall be required to permit expenditure of such funds.

NEW SECTION. Sec. 6. A new section is added to chapter 70.58 RCW to read as follows:

(1) In addition to the original birth certificate, the state registrar shall issue upon request and upon payment of a fee of twenty-five dollars a birth certificate representing that the birth of the person named thereon is recorded in the office of the registrar. The certificate issued under this section shall be in a form consistent with the need to protect the integrity of vital records but shall be suitable for display. It may bear the seal of the state printed thereon and may be signed by the governor. It shall have the same status as evidence as the original birth certificate.

(2) Of the funds received under subsection (1) of this section, the amount needed to reimburse the registrar for expenses incurred in administering this section shall be credited to the state registrar account. The remainder shall be credited to the children's trust fund established under RCW 43.121.100.

Passed the House March 6, 1987.

You may reinstate your Deed of Trust and the obligation secured thereby at any time up to and including the . . . day of . . . . . . . . 19.. (11 days before the sale date), by paying the amount set forth or estimated above and by curing any other defaults described above. Of course, as time passes other payments may become due, and any further payments coming due and any additional late charges must be added to your reinstating payment. Any new defaults not involving payment of money that occur after the date of this notice must also be cured in order to effect reinstatement. In addition, because some of the charges can only be estimated at this time, and because the amount necessary to reinstate may include presently unknown expenditures required to preserve the property or to comply with state or local law, it will be necessary for you to contact the Trustee before the time you tender reinstatement so that you may be advised of the exact amount you will be required to pay. Tender of payment or performance must be made to: . . . . . . , whose address is . . . . . . , telephone ( ) . . . . . . AFTER THE . . . . DAY OF . . . . . . , 19.., YOU MAY NOT REINSTATE YOUR DEED OF TRUST BY PAYING THE BACK PAYMENTS AND COSTS AND FEES AND CURING THE OTHER DEFAULTS AS OUTLINED ABOVE. In such a case, you will only be able to stop the sale by paying, before the sale, the total principal balance ($ . . . . . . ) plus accrued interest, costs and advances, if any, made pursuant to the terms of the documents and by curing the other defaults as outlined above.

You may contest this default by initiating court action in the Superior Court of the county in which the sale is to be held. In such action, you may raise any legitimate defenses you have to this default. A copy of your Deed
of Trust and documents evidencing the obligation secured thereby are enclosed. You may wish to consult a lawyer. Legal action on your part may prevent or restrain the sale, but only if you persuade the court of the merits of your defense.

If you do not reinstate the secured obligation and your Deed of Trust in the manner set forth above, or if you do not succeed in restraining the sale by court action, your property will be sold to satisfy the obligations secured by your Deed of Trust. The effect of such sale will be to deprive you and all those who hold by, through or under you of all interest in the property;

(3) In addition, the trustee shall cause a copy of the notice of sale described in RCW 61.24.040(1)(f) to be published in a legal newspaper in each county in which the property or any part thereof is situated, once between the thirty-second and twenty-eighth day before the date of sale, and once between the eleventh and seventh day before the date of sale;

(4) On the date and at the time designated in the notice of sale, the trustee or its authorized agent shall sell the property at public auction to the highest bidder. The trustee may sell the property in gross or in parcels as the trustee shall deem most advantageous;

(5) The place of sale shall be at any designated public place within the county where the property is located and if the property is in more than one county, the sale may be in any of the counties where the property is located. The sale shall be on Friday, or if Friday is a legal holiday on the following Monday, and during the hours set by statute for the conduct of sales of real estate at execution;

(6) The trustee may for any cause the trustee deems advantageous, continue the sale for a period or periods not exceeding a total of one hundred twenty days by a public proclamation at the time and place fixed for sale in the notice of sale or, alternatively, by giving notice of the time and place of the postponed sale in the manner and to the persons specified in RCW 61.24.040(1) (b), (c), (d), and (e) and publishing a copy of such notice once in the newspaper(s) described in RCW 61.24.040(3), more than seven days before the date fixed for sale in the notice of sale. No other notice of the postponed sale need be given;

(7) The purchaser shall forthwith pay the price bid and on payment the trustee shall execute to the purchaser its deed; the deed shall recite the facts showing that the sale was conducted in compliance with all of the requirements of this chapter and of the deed of trust, which recital shall be prima facie evidence of such compliance and conclusive evidence thereof in favor of bona fide purchasers and encumbrancers for value;

(8) The sale as authorized under this chapter shall not take place less than one hundred ninety days from the date of default in any of the obligations secured.
Sec. 4. Section 9, chapter 74, Laws of 1965 as last amended by section 6, chapter 161, Laws of 1981 and RCW 61.24.090 are each amended to read as follows:

(1) At any time prior to the eleventh day before the date set by the trustee for the sale in the recorded notice of sale, or in the event the trustee continues the sale pursuant to RCW 61.24.040(6), at any time prior to the eleventh day before the actual sale, the grantor or his successor in interest, any beneficiary under a subordinate deed of trust or any person having a subordinate lien or encumbrance of record on the trust property or any part thereof, shall be entitled to cause a discontinuance of the sale proceedings by curing the default or defaults set forth in the notice, which in the case of a default by failure to pay, shall be by paying to the trustee:

(a) The entire amount then due under the terms of the deed of trust and the obligation secured thereby, other than such portion of the principal as would not then be due had no default occurred, and

(b) The expenses actually incurred by the trustee enforcing the terms of the note and deed of trust, including a reasonable trustee's fee, together with the trustee's reasonable attorney's fees, together with costs of recording the notice of discontinuance of notice of trustee's sale.

(2) Any person entitled to cause a discontinuance of the sale proceedings shall have the right, before or after reinstatement, to request any court, excluding a small claims court, for disputes within the jurisdictional limits of that court, to determine the reasonableness of any fees demanded or paid as a condition to reinstatement. The court shall make such determination as it deems appropriate, which may include an award to the prevailing party of its costs and reasonable attorneys' fees, and render judgment accordingly. An action to determine fees shall not forestall any sale or affect its validity.

(3) Upon receipt of such payment the proceedings shall be discontinued, the deed of trust shall be reinstated and the obligation shall remain as though no acceleration had taken place.

(4) In the case of a default which is occasioned by other than failure to make payments, the person or persons causing the said default shall pay the expenses incurred by the trustee and the trustee's fees as set forth in subsection (1)(b) of this section.

(5) Any person having a subordinate lien of record on the trust property and who has cured the default or defaults pursuant to this section shall thereafter have included in his lien all payments made to cure any defaults, including interest thereon at eight percent per annum, payments made for trustees' costs and fees incurred as authorized herein, and his reasonable attorney's fees and costs incurred resulting from any judicial action commenced to enforce his rights to advances under this section.
If the default is cured and the obligation and the deed of trust reinstated in the manner hereinabove provided, the trustee shall properly execute, acknowledge and cause to be recorded a notice of discontinuance of trustee's sale under such deed of trust. A notice of discontinuance of trustee's sale when so executed and acknowledged is entitled to be recorded and shall be sufficient if it sets forth a record of the deed of trust and the auditor's file number under which the deed of trust is recorded, and a reference to the notice of sale and the auditor's file number under which the notice of sale is recorded, and a notice that such sale is discontinued.

Sec. 5. Section 13, chapter 74, Laws of 1965 as last amended by section 8, chapter 161, Laws of 1981 and RCW 61.24.130 are each amended to read as follows:

(1) Nothing contained in this chapter shall prejudice the right of the grantor, (his) the grantor's successor in interest, or any person who has an interest in, lien, or claim of lien against the property or some part thereof, to restrain, on any proper ground, a trustee's sale. (In the event that the property secured by the deed of trust is a single family dwelling occupied by the grantor or his successor in interest, and the court finds that there is proper ground to restrain a trustee's sale, the court shall require the party seeking to restrain the sale to enter into a bond in at least the amount of two hundred fifty dollars with surety to the satisfaction of the clerk of the superior court to the adverse party affected thereby, conditioned to pay all damages and costs which may accrue by reason of the injunction or restraining order. In addition, the court shall require as a condition of continuing the restraining order that the party seeking to restrain the sale pay to the clerk of the court the sums that would be due on the obligation secured by the deed of trust if the deed of trust was not being foreclosed. In the case of a default in making the monthly payment of principal and interest and reserves, such sums shall be the monthly payment of principal, interest, and reserves paid to the clerk of the court every thirty days.) The court shall require as a condition of granting the restraining order or injunction that the applicant pay to the clerk of the court the sums that would be due on the obligation secured by the deed of trust if the deed of trust was not being foreclosed:

(a) In the case of default in making the periodic payment of principal, interest, and reserves, such sums shall be the periodic payment of principal, interest, and reserves paid to the clerk of the court every thirty days.

(b) In the case of default in making payment of an obligation then fully payable by its terms, such sums shall be the amount of interest accruing monthly on said obligation at the nondefault rate, paid to the clerk of the court every thirty days.

In the case of default in performance of any nonmonetary obligation secured by the deed of trust, the court shall impose such conditions as it deems just.
In addition, the court may condition granting the restraining order or injunction upon the giving of security by the applicant, in such form and amount as the court deems proper, for the payment of such costs and damages, including attorneys' fees, as may be later found by the court to have been incurred or suffered by any party by reason of the restraining order or injunction. The court may consider, upon proper showing, the grantor's equity in the property in determining the amount of said security.

(2) No court may grant a restraining order or injunction to restrain a trustee's sale unless the person seeking the restraint gives five days notice to the trustee and the beneficiary of the time when, place where, and the judge before whom the application for the restraining order or injunction is to be made. No judge may act upon such application unless it is accompanied by proof, evidenced by return of a sheriff, the sheriff's deputy, or by any person eighteen years of age or over who is competent to be a witness, that the notice has been served on the trustee.

(3) If the restraining order or injunction is dissolved after the date of the trustee's sale set forth in the notice as provided in RCW 61.24.040(1)(f) and after the period for continuing sale as allowed by RCW 61.24.040(6), the court granting such restraining order or injunction, or before whom the order or injunction is returnable, has the right to set a new sale date which shall be not less than forty-five days from the date of the order dissolving the restraining order. At least thirty days before the new sale date, the trustee shall:

(a) Comply with the requirements of RCW 61.24.040(1)(a) through (f); and

(b) Cause a copy of the notice of trustee's sale as provided in RCW 61.24.040(1)(f) to be published once weekly during the three weeks preceding the time of sale in a legal newspaper in each county in which the property or any part thereof is situated.

(4) If a trustee's sale has been stayed as a result of the filing of a petition in federal bankruptcy court and, after the period for continuing sale as allowed by RCW 61.24.040(6), an order is entered in federal bankruptcy court granting relief from the stay or closing or dismissing the case, or discharging the debtor with the effect of removing the stay, the trustee may set a new sale date which shall not be less than forty-five days after the date of the bankruptcy court's order. The trustee shall:

(a) Comply with the requirements of RCW 61.24.040(1)(a) through (f) at least thirty days before the new sale date; and

(b) Cause a copy of the notice as provided in RCW 61.24.040(1)(f) to be published in a legal newspaper in each county in which the property or any part thereof is situated, once between the thirty-second and twenty-

(7) A division which is made by subjecting a portion of a parcel or tract of land to chapter 64.32 RCW if a city, town, or county has approved a binding site plan for all of such land.

NEW SECTION. Sec. 2. A new section is added to chapter 58.17 RCW to read as follows:

Whenever any person is interested in the vacation of any subdivision or portion thereof, or any area designated or dedicated for public use, that person shall file an application for vacation with the legislative authority of the city, town, or county in which the subdivision is located. The application shall set forth the reasons for vacation and shall contain signatures of all parties having an ownership interest in that portion of the subdivision subject to vacation. If the subdivision is subject to restrictive covenants which were filed at the time of the approval of the subdivision, and the application for vacation would result in the violation of a covenant, the application shall contain an agreement signed by all parties subject to the covenants providing that the parties agree to terminate or alter the relevant covenants to accomplish the purpose of the vacation of the subdivision or portion thereof.

When the vacation application is specifically for a county road or city or town street, the procedures for road vacation or street vacation in chapter 36.87 or 35.79 RCW shall be utilized for the road or street vacation. When
the application is for the vacation of the plat together with the roads and/or streets, the procedure for vacation in this section shall be used, but vacations of streets may not be made that are prohibited under RCW 35.79.030, and vacations of roads may not be made that are prohibited under RCW 36.87.130.

The legislative authority of the city, town, or county shall give notice as provided in RCW 58.17.080 and 58.17.090 and shall conduct a public hearing on the application for a vacation and may approve or deny the application for vacation of the subdivision after determining the public use and interest to be served by the vacation of the subdivision. If any portion of the land contained in the subdivision was dedicated to the public for public use or benefit, such land, if not deeded to the city, town, or county, shall be deeded to the city, town, or county unless the legislative authority shall set forth findings that the public use would not be served in retaining title to those lands.

Title to the vacated property shall vest with the rightful owner as shown in the county records. If the vacated land is land that was dedicated to the public, for public use other than a road or street, and the legislative authority has found that retaining title to the land is not in the public interest, title thereto shall vest with the person or persons owning the property on each side thereof, as determined by the legislative authority. When the road or street that is to be vacated was contained wholly within the subdivision and is part of the boundary of the subdivision, title to the vacated road or street shall vest with the owner or owners of property contained within the vacated subdivision.

This section shall not be construed as applying to the vacation of any plat of state granted-tide or shore lands.

NEW SECTION. Sec. 4. A new section is added to chapter 58.17 RCW to read as follows:

When any person is interested in the alteration of any subdivision or the altering of any portion thereof, except as provided in RCW 58.17.040(6), that person shall submit an application to request the alteration to the legislative authority of the city, town, or county where the subdivision is located. The application shall contain the signatures of the majority of those persons having an ownership interest of lots, tracts, parcels, sites, or divisions in the subject subdivision or portion to be altered. If the subdivision is subject to restrictive covenants which were filed at the time of the approval of the subdivision, and the application for alteration would result in the violation of a covenant, the application shall contain an agreement signed by all parties subject to the covenants providing that the parties agree to terminate or alter the relevant covenants to accomplish the purpose of the alteration of the subdivision or portion thereof.
Upon receipt of an application for alteration, the legislative body shall provide notice of the application to all owners of property within the subdivision, and as provided for in RCW 58.17.080 and 58.17.090. The notice shall either establish a date for a public hearing or provide that a hearing may be requested by a person receiving notice within fourteen days of receipt of the notice.

The legislative body shall determine the public use and interest in the proposed alteration and may deny or approve the application for alteration. If any land within the alteration is part of an assessment district, any outstanding assessments shall be equitably divided and levied against the remaining lots, parcels, or tracts, or be levied equitably on the lots resulting from the alteration. If any land within the alteration contains a dedication to the general use of persons residing within the subdivision, such land may be altered and divided equitably between the adjacent properties.

After approval of the alteration, the legislative body shall order the applicant to produce a revised drawing of the approved alteration of the final plat or short plat, which after signature of the legislative authority, shall be filed with the county auditor to become the lawful plat of the property.

This section shall not be construed as applying to the alteration or replatting of any plat of state-granted tide or shore lands.

Sec. 5. Section 6, chapter 271, Laws of 1969 ex. sess. as amended by section 3, chapter 134, Laws of 1974 ex. sess. and RCW 58.17.060 are each amended to read as follows:

The legislative body of a city, town, or county shall adopt regulations and procedures, and appoint administrative personnel for the summary approval of short plats and short subdivisions (or revision thereof) or alteration or vacation thereof. When an alteration or vacation involves a public dedication, the alteration or vacation shall be processed as provided in section 3 or 4 of this 1987 act. Such regulations shall be adopted by ordinance and may contain wholly different requirements than those governing the approval of preliminary and final plats of subdivisions and may require surveys and monuments and shall require filing of a short plat or alteration or vacation thereof, for record in the office of the county auditor: PROVIDED, That such regulations must contain a requirement that land in short subdivisions may not be further divided in any manner within a period of five years without the filing of a final plat: PROVIDED FURTHER, That such regulations are not required to contain a penalty clause as provided in RCW 36.32.120 and may provide for wholly injunctive relief.

An ordinance requiring a survey shall require that the survey be completed and filed with the application for approval of the short subdivision.

NEW SECTION. Sec. 6. A new section is added to chapter 58.17 RCW to read as follows:
Whenever a survey of a proposed subdivision or short subdivision reveals a discrepancy, the discrepancy shall be noted on the face of the final plat or short plat. Any discrepancy shall be disclosed in a title report prepared by a title insurer and issued after the filing of the final plat or short plat. As used in this section, "discrepancy" means: (1) A boundary hiatus; (2) an overlapping boundary; or (3) a physical appurtenance, which indicates encroachment, lines of possession, or conflict of title.

(1) The lien for charges for service by a city waterworks, or electric light or power plant may be enforced only by cutting off the service until the delinquent and unpaid charges are paid, except that until June 30, 1990, ((electricity)) utility service for residential space heating may be terminated between November 15 and March 15 only as provided in subsections (2)

[1363]
and (3) of this section. In the event of a disputed account and tender by the owner of the premises of the amount he claims to be due before the service is cut off, the right to refuse service to any premises shall not accrue until suit has been entered by the city and judgment entered in the case.

(2) Until June 30, 1990:

(a) **Utility service** for residential space heating shall not be terminated between November 15 through March 15 if the customer:

(i) Notifies the utility of the inability to pay the bill, including a security deposit. This notice shall be provided within five business days of receiving a payment overdue notice unless there are extenuating circumstances;

(ii) Provides self-certification of household income for the prior twelve months to a grantee of the department of community development which administers federally funded energy assistance programs. The grantee shall determine that the household income does not exceed the maximum allowed for eligibility under the state's plan for low-income energy assistance under 42 U.S.C. 8624 and shall provide a dollar figure that is seven percent of household income. The grantee may verify information in the self-certification;

(iii) Has applied for home heating assistance from applicable government and private sector organizations and certifies that any assistance received will be applied to the current bill and future utility bills;

(iv) Has applied for low-income weatherization assistance to the utility or other appropriate agency if such assistance is available for the dwelling;

(v) Agrees to a payment plan and agrees to maintain the payment plan. The plan will be designed both to pay the past due bill by the following October 15 and to pay for continued utility service. If the past due bill is not paid by the following October 15, the customer shall not be eligible for protections under this chapter until the past due bill is paid. The plan shall not require monthly payments in excess of seven percent of the customer's monthly income plus one-twelfth of any arrearage accrued from the date application is made and thereafter during November 15 through March 15. A customer may agree to pay a higher percentage during this period, but shall not be in default unless payment during this period is less than seven percent of monthly income plus one-twelfth of any arrearage accrued from the date application is made and thereafter. If assistance payments are received by the customer subsequent to implementation of the plan, the customer shall contact the utility to reformulate the plan; and

(vi) Agrees to pay the moneys owed even if he or she moves.

(b) The utility shall:

(i) Include in any notice that an account is delinquent and that service may be subject to termination, a description of the customer's duties in this section;
(ii) Assist the customer in fulfilling the requirements under this section;

(iii) Be authorized to transfer an account to a new residence when a customer who has established a plan under this section moves from one residence to another within the same utility service area; and

(iv) Be permitted to disconnect service if the customer fails to honor the payment program. Utilities may continue to disconnect service for those practices authorized by law other than for nonpayment as provided for in this section. Customers who qualify for payment plans under this section who default on their payment plans and are disconnected can be reconnected and maintain the protections afforded under this chapter by paying reconnection charges, if any, and by paying all amounts that would have been due and owing under the terms of the applicable payment plan, absent default, on the date on which service is reconnected.

(3) All municipal utilities shall offer residential customers the option of a budget billing or equal payment plan. The budget billing or equal payment plan shall be offered low-income customers eligible under the state's plan for low-income energy assistance prepared in accordance with 42 U.S.C. 8624(C)(1) without limiting availability to certain months of the year, without regard to the length of time the customer has occupied the premises, and without regard to whether the customer is the tenant or owner of the premises occupied.

(4) An agreement between the customer and the utility, whether oral or written, shall not waive the protections afforded under this chapter.

(c) One-third in the ratio which the city and county urban arterial needs within the urban areas of each region bears to the total urban arterial needs on city and county urban arterial within all urban areas of the state as last revised by the urban arterial board. Except as otherwise provided in subsection (3) of this section, such apportionment percentages shall be used once each calendar quarter by the urban arterial board to apportion funds credited to the urban arterial trust account which are available for expenditure for urban arterial projects: PROVIDED, That any funds ((apportioned to a region and expended for a project which was initially authorized by the urban arterial board in a biennium prior to the 1981-1983 biennium will be apportioned in accordance with apportionment percentages for the five regions which were established in the prior biennium)) credited to the urban arterial trust account subsequent to July 1, 1987, resulting from bond sales in accordance with RCW 47.26.420 through 47.26.427 shall be apportioned according to the percentages for the five regions established for the biennium when the bonding authority was obligated to projects by the urban arterial board.
(2) All amounts credited to the urban arterial trust account, except those provided for in subsection (3) of this section and (except proceeds from the sale of first authorization bonds and)) any excise tax revenues that may be required to repay the three series of urban arterial bonds or the interest thereon when due, after apportionment to each region, shall be divided on the basis of relative population established at the beginning of each biennium by the office of financial management between (a) the group of cities and that portion of those counties within federally approved urban areas and (b) the group of incorporated cities outside the boundaries of federally approved urban areas: PROVIDED, That funds credited to the urban arterial trust account subsequent to July 1, 1987, resulting from the sale of bonds in accordance with RCW 47.26.420 through 47.26.427 shall be divided on the basis of relative population percentages established for the biennium when the bonding authority was obligated to projects by the urban arterial board. Within each region, funds divided between the groups identified under (a) and (b) (above) of this subsection shall then be allocated by the urban arterial board to incorporated cities and counties, as the case may be, for the construction of specific urban arterial projects in accordance with the procedures set forth in RCW 47.26.240.

(3) At the beginning of each biennium the urban arterial board shall establish apportionment percentages for each of the five regions for the apportionment of the proceeds from the sale of fifteen million dollars of series II bonds and sixteen million dollars of series III bonds authorized by RCW 47.26.420, as now or hereafter amended, in the ratio which the population of the incorporated cities and towns lying outside the boundaries of federally approved urban areas of each region bears to the total population of all incorporated cities and towns of the state lying outside the boundaries of federally approved urban areas, as such populations are determined at the beginning of each biennium by the office of financial management. Such apportionment percentages shall be used once each calendar quarter by the urban arterial board to apportion funds credited to the urban arterial trust account which are available for expenditure for urban arterial projects under this subsection: PROVIDED, That any funds ((apportioned to a region and expended for a project which was initially authorized by the urban arterial board in a biennium prior to the 1981–83 biennium will be apportioned in accordance with apportionment percentages for the five regions which were established in the prior biennium)) credited to the urban arterial trust account subsequent to July 1, 1987, resulting from the sale of bonds in accordance with RCW 47.26.420 through 47.26.427 shall be apportioned with percentages for the five regions established for the biennium when the bonding authority was obligated to projects by the urban arterial board. board to incorporated cities lying outside the boundaries of federally approved urban areas, for the construction of specific urban arterial projects in accordance with the procedures set forth in RCW 47.26.240.

Sec. 2. Section 6, chapter 171, Laws of 1969 ex. sess. as amended by section 3, chapter 126, Laws of 1973 1st ex. sess. and RCW 47.26.450 are each amended to read as follows:

At the time the urban arterial board reviews the six-year program of each county and city each even-numbered year, it shall consider and shall approve for inclusion in its recommended budget, as required by RCW 47.26.440, the portion of the urban arterial construction program scheduled to be performed during the biennial period beginning the following July 1st. Subject to the appropriations actually approved by the legislature, the board shall as soon as feasible approve urban arterial trust account funds to be spent during the ensuing biennium for preliminary proposals in priority sequence as established pursuant to RCW 47.26.240. In the case of projects whose total cost exceeds one million dollars as reflected in the six-year program, the agency with jurisdiction shall furnish to the board a value engineering study performed by an interagency team approved by the board, to determine whether the proposed improvement provides a cost-effective solution for the project before the board may approve urban arterial trust funds for either the preliminary or construction phase of the project. The board may authorize a variance from the value engineering study upon a determination that the study is not warranted. The board may also require a value engineering study for a project whose total cost is less than one million dollars upon a determination by the board that the study is warranted.

The board shall authorize urban arterial trust account funds for the construction project portion of a project previously authorized for a preliminary proposal in the sequence in which the preliminary proposal has been completed and the construction project is to be placed under contract. At such time the board may reserve urban arterial trust account funds for expenditure in future years as may be necessary for completion of preliminary proposals and construction projects to be commenced in the ensuing biennium.

The urban arterial board may, within the constraints of available urban arterial trust funds, consider additional projects for authorization upon a clear and conclusive showing by the submitting local government that the proposed project is of an emergent nature and that its need was unable to be anticipated at the time the six-year program of the local government was developed. Such proposed projects shall be evaluated on the basis of the priority rating factors specified in RCW 47.26.220.

(1) If, upon investigation, the director or the director's designee has probable cause to believe that a person holding a registration, an applicant for registration, or an unregistered person acting in the capacity of a contractor who is not otherwise exempted from this chapter, has violated RCW 18.27.100 by unlawfully advertising for work covered by this chapter in an alphabetical or classified directory, the department may issue a citation under chapter 34.04 RCW containing an order of correction. Such order shall require the violator to cease the unlawful advertising.

(2) If the person to whom a citation is issued under subsection (1) of this section notifies the department in writing that he or she contests the citation, the department shall afford an opportunity for a hearing, under chapter 34.04 RCW, within thirty days after receiving the notification.

Sec. 6. Section 4, chapter 77, Laws of 1963 as last amended by section 18, chapter 2, Laws of 1983 1st ex. sess. and RCW 18.27.040 are each amended to read as follows:

(1) Each applicant shall, at the time of applying for or renewing a certificate of registration, file with the department a surety bond issued by a surety insurer who meets the requirements of chapter 48.28 RCW in a form acceptable to the department running to the state of Washington if a general contractor, in the sum of six thousand dollars; if a specialty contractor, in the sum of four thousand dollars, conditioned that the applicant will pay all persons performing labor, including employee benefits, for the contractor, will pay all taxes and contributions due to the state of Washington, and will pay all persons furnishing labor or material or renting or supplying
equipment to the contractor and will pay all amounts that may be adjudged
against the contractor by reason of negligent or improper work or breach of
contract in the conduct of the contracting business. A change in the name
of a business or a change in the type of business entity shall not impair a
bond for the purposes of this section so long as one of the original applicants
for such bond maintains partial ownership in the business covered by the
bond.

(2) Any contractor registered as of the effective date of this 1983 act
who maintains such registration in accordance with this chapter shall be in
compliance with this chapter until the next annual renewal of the contrac-
tor's certificate of registration. At that time, the contractor shall provide a
bond, cash deposit, or other security deposit as required by this chapter and
comply with all of the other provisions of this chapter before the department
shall renew the contractor's certificate of registration.

(3) Any person, firm, or corporation having a claim against the con-
tractor for any of the items referred to in this section may bring suit upon
such bond in the superior court of the county in which the work is done or
of any county in which jurisdiction of the contractor may be had. The sure-
ty issuing the bond shall be named as a party to any suit upon the bond.
Action upon such bond or deposit shall be commenced by filing the com-
plaint with the clerk of the appropriate superior court within one year from
the date of expiration of the certificate of registration in force at the time
the claimed labor was performed and benefits accrued, taxes and contribu-
tions owing the state of Washington became due, materials and equipment
were furnished, or the claimed contract work was completed. Service of
process in an action upon such bond shall be exclusively by service upon the
department. Three copies of the complaint and a fee of ten dollars to cover
the handling costs shall be served by registered or certified mail upon the
department at the time suit is started and the department shall maintain a
record, available for public inspection, of all suits so commenced. Service is
not complete until the department receives the ten-dollar fee and three
copies of the complaint. Such service shall constitute service on the regis-
trant and the surety for suit upon the bond and the department shall trans-
mit the complaint or a copy thereof to the registrant at the address listed in
his application and to the surety within forty-eight hours after it shall have
been received.

(4) The surety upon the bond shall not be liable in an aggregate
amount in excess of the amount named in the bond nor for any monetary
penalty assessed pursuant to this chapter for an infraction. The surety upon
the bond may, upon notice to the department and the parties, tender to the
clerk of the court having jurisdiction of the action an amount equal to the
claims thereunder or the amount of the bond less the amount of judgments,
if any, previously satisfied therefrom and to the extent of such tender the
surety upon the bond shall be exonerated but if the actions commenced and
pending at any one time exceed the amount of the bond then unimpaired, claims shall be satisfied from the bond in the following order:

(a) Labor, including employee benefits;
(b) Claims for breach of contract by a party to the construction contract;
(c) Material and equipment;
(d) Taxes and contributions due the state of Washington;
(e) Any court costs, interest, and attorney's fees plaintiff may be entitled to recover.

(5) In the event that any final judgment shall impair the liability of the surety upon the bond so furnished that there shall not be in effect a bond undertaking in the full amount prescribed in this section, the department shall suspend the registration of such contractor until the bond liability in the required amount unimpaired by unsatisfied judgment claims shall have been furnished. If such bond becomes fully impaired, a new bond must be furnished at the increased rates prescribed by this section as now or hereafter amended.

(6) In lieu of the surety bond required by this section the contractor may file with the department a deposit consisting of cash or other security acceptable to the department.

(7) Any person having an unsatisfied final judgment against the registrant for any items referred to in this section may execute upon the security held by the department by serving a certified copy of the unsatisfied final judgment by registered or certified mail upon the department within one year of the date of entry of such judgment. Upon the receipt of service of such certified copy the department shall pay or order paid from the deposit, through the registry of the superior court which rendered judgment, towards the amount of the unsatisfied judgment. The priority of payment by the department shall be the order of receipt by the department, but the department shall have no liability for payment in excess of the amount of the deposit.

(8) The director may promulgate rules necessary for the proper administration of the security.

(b) Operating for one or more social, intellectual, educational, charitable, benevolent, moral, fraternal, patriotic, or religious purposes for the benefit of its members, which may also be extended to others.

These purposes may be carried out directly by the society, or indirectly through subsidiary corporations or affiliated organizations.

(2) Every society may adopt laws and rules for the government of the society, the admission of its members, and the management of its affairs. It may change, alter, add to, or amend such laws and rules and has such other powers as are necessary and incidental to carrying into effect the objects and purposes of the society.

NEW SECTION. Sec. 6. (1) A society shall specify in its laws or rules:

(b) Not later than June 1st of each year, a synopsis of the society's annual statement providing an explanation of the facts concerning the condition of the society thereby disclosed shall be printed and mailed to each benefit member of the society or, in lieu thereof, the synopsis may be published in the society's official publication.

NEW SECTION. Sec. 8. (1) The officers and members of the supreme governing body or any subordinate body of a society shall not be personally liable for any benefits provided by a society.

(2) Any person may be indemnified and reimbursed by any society for expenses reasonably incurred by, and liabilities imposed upon, the person in connection with or arising out of any action, suit, or proceeding, whether civil, criminal, administrative, or investigative, or threat thereof, in which the person may be involved by reason of the fact that the person is or was a director, officer, employee, or agent of the society or of any firm, corporation or organization which the person served in any capacity at the request of the society. A person shall not be so indemnified or reimbursed (a) in relation to any matter in such action, suit, or proceeding as to which the person shall finally be adjudged to be or have been guilty of breach of a duty as a director, officer, employee, or agent of the society; or (b) in relation to any matter in the action, suit, or proceeding, or threat thereof, which has been made the subject of a compromise settlement; unless in either case the person acted in good faith for a purpose the person reasonably believed to be in or not opposed to the best interests of the society and, in a criminal action or proceeding, in addition, had no reasonable cause to believe that their conduct was unlawful. The determination whether the conduct of the person met the standard required in order to justify indemnification and reimbursement in relation to any matter described in (a) or (b) of this subsection may only be made by the supreme governing body or board of directors.
by a majority vote of a quorum consisting of persons who were not parties to the action, suit, or proceeding or by a court of competent jurisdiction. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of no contest, as to the person shall not in itself create a conclusive presumption that the person did not meet the standard of conduct required in order to justify indemnification and reimbursement. The foregoing right of indemnification and reimbursement shall not be exclusive of other rights to which the person may be entitled as a matter of law and shall inure to the benefit of the person's heirs, executors, and administrators.

(3) A society may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, or agent of the society, or who is or was serving at the request of the society as a director, officer, employee, or agent of any other firm, corporation, or organization against any liability asserted against the person and incurred by the person in any capacity or arising out of the person's status as such, whether or not the society would have the power to indemnify the person against the liability under this section.

NEW SECTION. Sec. 9. The laws of the society may provide that no subordinate body, nor any of its subordinate officers or members shall have the power or authority to waive any of the provisions of the laws of the society. Such provision shall be binding on the society and every member and beneficiary of a member.

NEW SECTION. Sec. 10. A domestic society organized on or after the effective date of this section shall be formed as follows, but not until it has surplus in the minimum amount of total capital and surplus required by RCW 48.05.340:

(1) Seven or more citizens of the United States, a majority of whom are citizens of this state, who desire to form a fraternal benefit society, may make, sign, and acknowledge before some officer competent to take acknowledgment of deeds, articles of incorporation, in which shall be stated:

(a) The proposed corporate name of the society, which shall not so closely resemble the name of any society or insurance company as to be misleading or confusing;

(b) The purposes for which it is being formed and the mode in which its corporate powers are to be exercised. The purposes shall not include more liberal powers than are granted by this chapter;

(c) The names and residences of the incorporators and the names, residences, and official titles of all the officers, trustees, directors, or other persons who are to have and exercise the general control of the management of the affairs and funds of the society for the first year or until the ensuing election at which all the officers shall be elected by the supreme governing body, which election shall be held not later than one year from the date of issuance of the permanent certificate of authority.
(2) The articles of incorporation, duly certified copies of the society's bylaws and rules, copies of all proposed forms of certificates, applications therefor, and circulars to be issued by the society, and a bond conditioned upon the return to applicants of the advanced payments if the organization is not completed within one year shall be filed with the commissioner, who may require further information as the commissioner deems necessary. The bond with sureties approved by the commissioner shall be in an amount, not less than three hundred thousand dollars nor more than one million five hundred thousand dollars as required by the commissioner. All documents filed are to be in the English language. If the purposes of the society conform to the requirements of this chapter and all provisions of the law have been complied with, the commissioner shall so certify, retain, and file the articles of incorporation and furnish the incorporators a preliminary certificate of authority authorizing the society to solicit members as hereinafter provided.

(3) No preliminary certificate of authority granted under the provisions of this section shall be valid after one year from its date or after a further period, not exceeding one year, as may be authorized by the commissioner upon cause shown, unless the five hundred applicants required by subsection (4) of this section have been secured and the organization has been completed under this chapter. The articles of incorporation and all other proceedings thereunder shall become null and void in one year from the date of the preliminary certificate of authority, or at the expiration of the extended period, unless the society shall have completed its organization and received a certificate of authority to do business under this chapter.

(4) Upon receipt of a preliminary certificate of authority from the commissioner, the society may solicit members for the purpose of completing its organization, shall collect from each applicant the amount of not less than one regular monthly premium in accordance with its table of rates, and shall issue to each applicant a receipt for the amount collected. No society shall incur any liability other than for the return of the advance premium, nor issue any certificate, nor pay, allow, or offer or promise to pay or allow, any benefit to any person until:

(a) Actual bona fide applications for benefits have been secured on not less than five hundred applicants, and any necessary evidence of insurability has been furnished to and approved by the society;

(b) At least ten subordinate lodges have been established into which the five hundred applicants have been admitted;

(c) There has been submitted to the commissioner, under oath of the president or secretary, or corresponding officer of the society, a list of the applicants, giving their names, addresses, date each was admitted, name and number of the subordinate lodge of which each applicant is a member, amount of benefits to be granted, and premiums therefor; and
(d) It has been shown to the commissioner, by sworn statement of the treasurer, or corresponding officer of the society, that at least five hundred applicants have each paid in cash at least one regular monthly premium and the total amount of collected premiums equals at least one hundred fifty thousand dollars. The advance premiums shall be held in trust during the period of organization and if the society has not qualified for a certificate of authority within one year, the premiums shall be returned to the applicants.

(5) The commissioner may make such examination and require such further information as the commissioner deems advisable. Upon presentation of satisfactory evidence that the society has complied with all the provisions of this chapter, the commissioner shall issue to the society a certificate of authority to that effect and that the society is authorized to transact business pursuant to the provisions of this chapter. The certificate of authority shall be prima facie evidence of the existence of the society at the date of the certificate. The commissioner shall cause a record of the certificate of authority to be made. A certified copy of the record may be given in evidence with like effect as the original certificate of authority.

(6) Any incorporated society authorized to transact business in this state at the time this chapter becomes effective shall not be required to reincorporate.

NEW SECTION. Sec. 11. (1) A domestic society may amend its laws in accordance with the provisions thereof by action of its supreme governing body at any regular or special meeting thereof or, if its laws so provide, by referendum. The referendum may be held in accordance with the provisions of its laws by the vote of the voting members of the society, by the vote of delegates or representatives of voting members, or by the vote of local lodges. A society may provide for voting by mail. No amendment submitted for adoption by referendum shall be adopted unless, within six months from the date of submission, a majority of the members voting shall have signified their consent to the amendment by one of the specified methods.

(2) No amendment to the laws of any domestic society shall take effect unless approved by the commissioner. The commissioner shall approve the amendment if the commissioner finds that it has been duly adopted and is not inconsistent with any requirement of the laws of this state or with the character, objects, and purposes of the society. Unless the commissioner disapproves any amendment within sixty days after the filing of same, the amendment shall be considered approved. The approval or disapproval by the commissioner shall be in writing and mailed to the secretary or corresponding officer of the society at its principal office. In case the commissioner disapproves the amendment, the reasons for the disapproval shall be stated in the written notice.

(3) Within ninety days from the approval by the commissioner, all amendments, or a synopsis thereof, shall be furnished to all members of the society either by mail or by publication in full in the official publication of
the society. The affidavit of any officer of the society or of anyone authorized by it to mail any amendments or synopsis thereof, stating facts which show that same have been duly addressed and mailed, shall be prima facie evidence that the amendments or synopsis thereof, have been furnished to the addressee.

(4) Every foreign or alien society authorized to do business in this state shall file with the commissioner a certified copy of all amendments of, or additions to, its laws within ninety days after their enactment.

(5) Printed copies of the laws as amended, certified by the secretary or corresponding officer of the society, shall be prima facie evidence of their legal adoption.

NEW SECTION. Sec. 12. (1) A society may create, maintain, and operate, or establish organizations to operate, not-for-profit institutions to further the purposes permitted by section 5(1)(b) of this act. The institutions may furnish services free or at a reasonable charge. Any real or personal property owned, held or leased by the society for this purpose shall be reported in every annual statement.

(2) No society shall own or operate funeral homes or undertaking establishments.

NEW SECTION. Sec. 13. (1) A domestic society may, by a reinsurance agreement, transfer any individual risk or risks in whole or in part to an insurer, other than another fraternal benefit society, having the power to make such reinsurance and authorized to do business in this state, or if not so authorized, one which is approved by the commissioner, but no domestic society may reinsure substantially all of its insurance in force without the written permission of the commissioner. It may take credit for the reserves on the transferred risks to the extent reinsured, but no credit shall be allowed as an admitted asset or as a deduction from liability, to a transferring society for reinsurance made, transferred, renewed, or otherwise becoming effective after the effective date of this section, unless the reinsurance is payable by the assuming insurer on the basis of the liability of the transferring society under the contract or contracts reinsured without diminution because of the insolvency of the transferring society.

(2) Notwithstanding the limitation in subsection (1) of this section, a society may reinsure the risks of another society in a consolidation or merger approved by the commissioner under section 14 of this act.

NEW SECTION. Sec. 14. (1) A domestic society may consolidate or merge with any other society by complying with the provisions of this section. It shall file with the commissioner:

(a) A certified copy of the written contract containing in full the terms and conditions of the consolidation or merger;

(b) A sworn statement by the president and secretary or corresponding officers of each society showing their financial condition on a date fixed by
the commissioner but not earlier than December 31st next preceding the date of the contract;

(c) A certificate of the officers, duly verified by their respective oaths, that the consolidation or merger has been approved by a two-thirds vote of the supreme governing body of each society, such vote being conducted at a regular or special meeting of each such body, or, if the society’s laws so permit, by mail; and

(d) Evidence that at least sixty days prior to the action of the supreme governing body of each society, the text of the contract has been furnished to all members of each society either by mail or by publication in full in the official publication of each society.

(2) If the commissioner finds that the contract is in conformity with the provisions of this section, that the financial statements are correct, and that the consolidation or merger is just and equitable to the members of each society, the commissioner shall approve the contract and issue a certificate to that effect. Upon approval, the contract shall be in full force and effect unless any society which is a party to the contract is incorporated under the laws of any other state or territory. In such event, the consolidation or merger shall not become effective unless and until it has been approved as provided by the laws of such state or territory and a certificate of such approval is filed with the commissioner of this state or, if the laws of the state or territory contain no such provision, then the consolidation or merger shall not become effective unless and until it has been approved by the commissioner of insurance of the state or territory and a certificate of such approval is filed with the commissioner of this state.

(3) Upon the consolidation or merger becoming effective, all the rights, franchises, and interests of the consolidated or merged societies in and to every species of property, real, personal, or mixed, and things in action thereunto belonging shall be vested in the society resulting from or remaining after the consolidation or merger without any other instrument, except that conveyances of real property may be evidenced by proper deeds, and the title to any real estate or interest therein, vested under the laws of this state in any of the societies consolidated or merged, shall not revert or be in any way impaired by reason of the consolidation or merger, but shall vest absolutely in the society resulting from or remaining after the consolidation or merger.

(4) The affidavit of any officer of the society or of anyone authorized by it to mail any notice or document, stating that the notice or document has been duly addressed and mailed, shall be prima facie evidence that the notice or document has been furnished to the addressees.

NEW SECTION. Sec. 15. Any domestic fraternal benefit society may be converted and licensed as a mutual life insurance company by compliance with all the requirements of the insurance laws of this state for mutual life insurance companies. A plan of conversion shall be prepared in writing
by the board of directors setting forth in full the terms and conditions of conversion. The affirmative vote of two-thirds of all members of the supreme governing body at a regular or special meeting shall be necessary for the approval of such plan, or if the society is organized under the direct election method pursuant to section 3(1)(b) of this act, the plan of conversion shall be submitted by mail to the benefit members or the plan may be published in the official publication authorized by section 7(2)(a) of this act. The affirmative vote of two-thirds of the benefit members voting thereon shall be necessary for the approval of the plan. No conversion shall take effect unless and until approved by the commissioner who may give approval if the commissioner finds that the proposed change is in conformity with the requirements of law and not prejudicial to the certificate holders of the society.

NEW SECTION. Sec. 16. (1) A society may provide the following contractual benefits in any form:
   (a) Death benefits;
   (b) Endowment benefits;
   (c) Annuity benefits;
   (d) Temporary or permanent disability benefits;
   (e) Hospital, medical, or nursing benefits;
   (f) Monument or tombstone benefits to the memory of deceased members; and
   (g) Such other benefits as authorized for life insurers and which are not inconsistent with this chapter.

   (2) A society shall specify in its rules those persons who may be issued, or covered by, the contractual benefits in subsection (1) of this section, consistent with providing benefits to members and their dependents. A society may provide benefits on the lives of children under the minimum age for adult membership upon application of an adult person.

NEW SECTION. Sec. 17. (1) The owner of a benefit contract shall have the right at all times to change the beneficiary or beneficiaries in accordance with the laws or rules of the society unless the owner waives this right by specifically requesting in writing that the beneficiary designation be irrevocable. A society may, through its laws or rules, limit the scope of beneficiary designations and shall provide that no revocable beneficiary shall have or obtain any vested interest in the proceeds of any certificate until the certificate has become due and payable in conformity with the provisions of the benefit contract.

   (2) A society may make provision for the payment of funeral benefits to the extent of such portion of any payment under a certificate as might reasonably appear to be due to any person equitably entitled thereto by reason of having incurred expense occasioned by the burial of the member, provided the portion paid shall not exceed the sum of one thousand dollars.
(3) If, at the death of any person insured under a benefit contract, there is no lawful beneficiary to whom the proceeds shall be payable, the amount of the benefit, except to the extent that funeral benefits may be paid under this section, shall be payable to the personal representative of the deceased insured, provided that if the owner of the certificate is other than the insured, the proceeds shall be payable to the owner.

NEW SECTION. Sec. 18. No money or other benefit, charity, relief, or aid to be paid, provided or rendered by any society, shall be liable to attachment, garnishment, or other process, or to be seized, taken, appropriated, or applied by any legal or equitable process or operation of law to pay any debt or liability of a member or beneficiary, or any other person who may have a right thereunder, either before or after payment by the society.

NEW SECTION. Sec. 19. (1) Every society authorized to do business in this state shall issue to each owner of a benefit contract a certificate specifying the amount of benefits provided. The certificate, together with any riders or endorsements attached thereto, the laws of the society, the application for membership, the application for insurance and declaration of insurability, if any, signed by the applicant, and all amendments, shall constitute the benefit contract, as of the date of issuance, between the society and the owner, and the certificate shall so state. A copy of the application for insurance and declaration of insurability, if any, shall be endorsed upon or attached to the certificate. All statements on the application shall be representations and not warranties. Any waiver of this provision shall be void.

(2) Except as provided in section 22 of this act, any changes, additions, or amendments to the laws of the society duly made or enacted subsequent to the issuance of the certificate, shall bind the owner and the beneficiaries, and shall govern and control the benefit contract in all respects the same as though the changes, additions, or amendments had been made prior to and were in force at the time of the application for insurance, except that no change, addition, or amendment shall destroy or diminish benefits which the society contracted to give the owner as of the date of issuance.

(3) Any person upon whose life a benefit contract is issued prior to attaining the age of majority shall be bound by the terms of the application and certificate and by all the laws and rules of the society to the same extent as though the age of majority had been attained at the time of application.

(4) Except as provided in section 22 of this act, a society shall provide in its laws that if its reserves as to all or any class of certificates become impaired, its board of directors or corresponding body may require that there shall be paid by the owner to the society the amount of the owner's equitable proportion of the deficiency as ascertained by its board, and that if the payment is not made, either (a) it shall stand as an indebtedness against the certificate and draw interest not to exceed the rate specified for
certificate loans under the certificates; or (b) in lieu of or in combination with (a) of this subsection, the owner may accept a proportionate reduction in benefits under the certificate. The society may specify the manner of the election and which alternative is to be presumed if no election is made.

(5) Copies of any of the documents mentioned in this section, certified by the secretary or corresponding officer of the society, shall be received in evidence of the terms and conditions thereof.

(6) No certificate shall be delivered or issued for delivery in this state unless a copy of the form has been filed with the commissioner in the manner provided for like policies issued by life insurers in this state. Every life, accident, health, or disability insurance certificate and every annuity certificate issued on or after one year from the effective date of this section shall be approved by the commissioner and shall meet the standard contract provision requirements not inconsistent with this chapter for like policies issued by life insurers in this state, except that a society may provide for a grace period for payment of premiums of one full month in its certificates. The certificates shall also contain a provision stating the amount of premiums which are payable under the certificate and a provision reciting or setting forth the substance of any sections of the society's laws or rules in force at the time of issuance of the certificate which, if violated, will result in the termination or reduction of benefits payable under the certificate. If the laws of the society provide for expulsion or suspension of a member, the certificate shall also contain a provision that any member so expelled or suspended, except for nonpayment of a premium or within the contestable period for material misrepresentation in the application for membership or insurance, shall have the privilege of maintaining the certificate in force by continuing payment of the required premium.

(7) Benefit contracts issued on the lives of persons below the society's minimum age for adult membership may provide for transfer of control or ownership to the insured at an age specified in the certificate. A society may require approval of an application for membership in order to effect this transfer, and may provide in all other respects for the regulation, government, and control of such certificates and all rights, obligations, and liabilities incident thereto and connected therewith. Ownership rights prior to the transfer shall be specified in the certificate.

(8) A society may specify the terms and conditions on which benefit contracts may be assigned.

NEW SECTION. Sec. 20. (1) For certificates issued prior to one year after the effective date of this section, the value of every paid-up nonforfeiture benefit and the amount of any cash surrender value, loan, or other option granted shall comply with the provisions of law applicable immediately prior to the effective date of this section.

(2) For certificates issued on or after one year from the effective date of this section for which reserves are computed on the commissioner's 1941
standard ordinary mortality table, the commissioner's 1941 standard industrial table or the commissioner's 1958 standard ordinary mortality table, or the commissioner's 1980 standard mortality table, or any more recent table made applicable to life insurers, every paid-up nonforfeiture benefit and the amount of any cash surrender value, loan, or other option granted shall not be less than the corresponding amount ascertained in accordance with the laws of this state applicable to life insurers issuing policies containing like benefits based upon such tables.

After the notice the society shall have thirty days in which to comply with the commissioner's request for correction. If the society fails to comply, the commissioner shall notify the society of such findings of noncompliance and require the society to show cause on a date named why it should not be enjoined from carrying on any business until the violation complained of is corrected, or why other appropriate action should not be commenced against the society.
(2) If on such date the society does not present good and sufficient reasons why it should not be so enjoined or why such action should not be commenced, the commissioner may present the facts to the attorney general who shall, if the attorney general deems the circumstances warrant, commence an action to enjoin the society from transacting business or other appropriate action.

(3) The court shall notify the officers of the society of a hearing. If after a full hearing it appears that the society should be enjoined, liquidated, or a receiver appointed, the court shall enter the necessary order. No society so enjoined shall have the authority to do business until:

   (b) The costs of such action have been paid by the society if the court finds that the society was in default as charged;
   (c) The court has dissolved its injunction; and
   (d) The commissioner has reinstated the certificate of authority.

(4) If the court orders the society liquidated, it shall be enjoined from carrying on any further business, whereupon the receiver of the society shall proceed at once to take possession of the books, papers, money, and other assets of the society and, under the direction of the court, proceed to close the affairs of the society and to distribute its funds to those entitled thereto.

(5) No action under this section shall be maintained in any court of this state unless brought by the attorney general upon request of the commissioner. Whenever a receiver is to be appointed for a domestic society, the court shall appoint the commissioner as the receiver.

The commissioner shall immediately issue a written notice to the society requiring that the deficiency or deficiencies which exist be corrected. After the notice the society shall have thirty days in which to comply with the commissioner's request for correction. If the society fails to comply, the commissioner shall notify the society of such findings of noncompliance and
require the society to show cause on a date named why its license should not be suspended, revoked, or refused. If on such date the society does not present good and sufficient reasons why its authority to do business in this state should not be suspended, revoked, or refused, the commissioner may suspend or refuse the license of the society to do business in this state until satisfactory evidence is furnished to the commissioner that the suspension or refusal should be withdrawn or the commissioner may revoke the authority of the society to do business in this state.

PUGET ISLAND—WESTPORT FERRY

AN ACT Relating to the Puget Island—Westport ferry; amending RCW 47.56.720; declaring an emergency; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 1, chapter 254, Laws of 1971 ex. sess. as last amended by section 285, chapter 7, Laws of 1984 and RCW 47.56.720 are each amended to read as follows:

(1) The legislature finds that the ferry operated by Wahkiakum county between Puget Island and Westport on the Columbia river provides service which is primarily local in nature with secondary benefits to the state highway system in providing a bypass for state route 4 and providing the only crossing of the Columbia river between the Astoria–Megler bridge and the Longview bridge.

(2) The department is hereby authorized to enter into a continuing agreement with Wahkiakum county pursuant to which the department shall pay to Wahkiakum county from moneys appropriated for such purpose the sum of one thousand dollars per month to be used in the operation and maintenance of the Puget Island ferry, commencing July 1, 1971.

Subject to the provisions of subsection (4) of this section, the department is authorized to include in the continuing agreement a provision to reimburse Wahkiakum county for ((sixty)) eighty percent of the deficit incurred during each previous fiscal year in the operation and maintenance of the ferry, commencing with the fiscal year ending June 30, (1972) 1987. The state's ((sixty)) eighty percent share of the annual operating and maintenance deficit shall include the one thousand dollars per month authorized in this subsection.

(3) The annual deficit, if any, incurred in the operation and maintenance of the ferry shall be determined by Wahkiakum county subject to the approval of the department. If ((sixty)) eighty percent of the deficit for the preceding fiscal year exceeds the total amount paid to the county for that year, the additional amount shall be paid to the county by the department upon the receipt of a properly executed voucher. ((—PROVIDED, That
The total of all payments to the county in any biennium shall not exceed the amount appropriated for that biennium. The fares established by the county shall be comparable to those used for similar runs on the state ferry system.

The state's share of the ferry operations and maintenance deficit during such period shall be one hundred percent.

(5) Whenever state route 4 between Cathlamet and Longview is closed to traffic, as mentioned in subsection (4) hereof, the state of Washington shall provide temporary rest room facilities at the Washington ferry landing terminal.

CHAPTER 369
[Substitute Senate Bill No. 5326]
PERSONS OF DISABILITY—EMPLOYMENT AND TRAINING INFORMATION CLEARINGHOUSE—TASK FORCE ON DISABILITY TRAINING AND PLACEMENT

AN ACT Relating to employment and training of persons of disability; adding new sections to chapter 50.12 RCW; creating new sections; and providing an expiration date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that improving the economic status of persons of disability, the state's largest social minority with over four hundred thousand people, will require active state involvement. Persons of disability suffer unemployment at almost twice the rate and experience poverty at more than twice the rate of the general population. Employers have experienced confusion about the variety of employment services available to them. Optimum service from, and access to, the state's training and placement programs for persons of disability requires coordination and a clear focus on the stated needs of persons of disability and their prospective employers. It is the purpose of this chapter to guarantee that representatives of the disability community, labor, and the private sector
have an institutionalized means of meeting their respective needs in the training, employment, and economic participation of persons of disability.

NEW SECTION. Sec. 2. A new section is added to chapter 50.12 RCW to read as follows:

The employment security department shall establish an information clearinghouse for use by persons of disability and governmental and private employers. The services of the clearinghouse shall include:

1. Provision of information on private and state services available to assist persons of disability in their training and employment needs;
2. Provision of information on private, state, and federal incentive programs and services available to employers of persons of disability; and
3. Publication of a comprehensive list of programs and services in subsections (1) and (2) of this section.

NEW SECTION. Sec. 3. A new section is added to chapter 50.12 RCW to read as follows:

In establishing the information clearinghouse, the employment security department shall consult with organizations of private sector employers and persons of disability.

NEW SECTION. Sec. 4. There is created the interagency task force on disability training and placement consisting of the commissioner of the employment security department or a designee, the director of the department of social and health services division of vocational rehabilitation, the director of the department of social and health services division of developmental disabilities, the director of the department of personnel or a designee, the director of the developmental disabilities planning council or a designee, the director of the department of services for the blind or a designee, and the executive director of the governor's committee on disability issues and employment.

The commissioner of the employment security department may designate an employee of the department to chair the task force.

NEW SECTION. Sec. 5. The interagency task force on disability training and placement shall develop and implement recommendations to promote greater use of persons of disability in the work force, greater interagency program coordination, and improved services to the disability community and prospective and current employers of persons of disability. The task force shall seek the advice and support of organizations of private sector employers and persons of disability in carrying out its responsibilities.

NEW SECTION. Sec. 6. The interagency task force on disability training and placement shall make a report on its activities to the governor and the senate and house of representatives commerce and labor committees by December 1st of each year.
NEW SECTION. Sec. 7. (1) The interagency task force on disability training and placement and its powers and duties shall terminate June 30, 1989.

(2) Sections 4 through 6 of this act shall expire June 30, 1989.

Passed the Senate April 21, 1987.
Approved by the Governor May 14, 1987.
Filed in Office of Secretary of State May 14, 1987.

(1) A timeshare offering is registered for a period of one year from the effective date of registration unless the director specifies a different period.

(2) Registration of a timeshare offering may be renewed for additional periods of one year each, unless the director by rule specifies a different period, by filing a renewal application with the director no later than thirty days before the expiration of the period in subsection (1) of this section and paying the prescribed fees. A renewal application shall contain any information the director requires to indicate any ((substantial)) material changes in the information contained in the original application.

(3) If a ((materially-adverse)) material change in the condition of the promoter ((or)), the promoter's affiliates, the timeshare project, or the operation or management of the timeshare project occurs during any year, an amendment to the documents filed under RCW 64.36.030 shall be filed, along with the prescribed fees, as soon as reasonably possible and before any further sales occur.

These inspections or spot checks may be conducted during or at the time of sales presentations or during the hours during which sales are ordinarily scheduled.

NEW SECTION. Sec. 6. A new section is added to chapter 64.36 RCW to read as follows:

(1) If it appears that the operating budget of a project fails to adequately provide for funding of reserve accounts, the director may employ outside professionals or consultants to provide advice or to develop an alternative budget. The promoter shall pay or reimburse the department for the costs incurred for such professional opinions.

(2) Before employing consultants under this section, the director shall provide the applicant with written notice and an opportunity for a hearing under chapter 34.04 RCW.

NEW SECTION. Sec. 7. A new section is added to chapter 64.36 RCW to read as follows:

The director or persons to whom the director delegates such powers may enter into assurances of discontinuance in lieu of issuing a statement of charges or a cease and desist order or conducting a hearing under this chapter. Be it enacted by the Legislature of the State of Washington:

The purpose of this act is to provide an additional method of defining the crime of driving while intoxicated. This act is not an acknowledgement that the existing breath alcohol standard is legally improper or invalid.

Sec. 2. Section 1, chapter 176, Laws of 1979 ex. sess. as amended by section 2, chapter 153, Laws of 1986 and RCW 46.61.502 are each amended to read as follows:

(((3)-He)) (4) The person is under the combined influence of or affected by intoxicating liquor and any drug.

in determining whether the person was under the influence of intoxicating liquor or any drug.

(2) The breath analysis shall be based upon grams of alcohol per two hundred ten liters of breath. The foregoing provisions of this section shall not be construed as limiting the introduction of any other competent evidence bearing upon the question whether the person was under the influence of intoxicating liquor or any drug.

(3) Analysis of the person's blood or breath to be considered valid under the provisions of this section or RCW 46.61.502 or 46.61.504 shall have been performed according to methods approved by the state toxicologist and by an individual possessing a valid permit issued by the state toxicologist for this purpose. An arresting officer shall administer field sobriety tests when circumstances permit.

(3) For the purposes of this section, "vessel" means any watercraft used or capable of being used as a means of transportation on the water.

(1) The department of natural resources, upon the receipt of an application for a lease for the purpose of planting and cultivating oyster beds or for the purpose of cultivating clams or other edible shellfish, shall notify the director of fisheries of the filing of the application describing the tidelands or beds of navigable waters applied for. The director of fisheries shall cause an inspection of the lands applied for to be made and shall make a full report to the department of natural resources of his findings as to whether it is necessary, in order to protect existing natural oyster beds, and to secure adequate seeding thereof, to retain the lands described in the application for lease or any part thereof, and in the event the director deems it advisable to retain the lands or any part thereof for the protection of existing natural oyster beds or to guarantee the continuance of an adequate seed stock for existing natural oyster beds, the same shall not be subject to lease. However, if the director determines that the lands applied for or any part thereof may be leased, he shall so notify the department of natural resources and the director shall cause an examination of the lands to be made to determine the presence, if any, of natural oysters, clams, or other edible shellfish on said lands, and to fix the rental value of the lands for use for oyster, clam, or other edible shellfish cultivation. In his report to the department, the director shall recommend a minimum rental for said lands and an estimation of the value of the oysters, clams, or other edible shellfish, if any,

[House Bill No. 541]

JOINT OPERATING AGENCIES—CONTRACTING AND PURCHASING REQUIREMENTS—CONSERVATION AUTHORITY—LEASE-COST APPROACH FOR ENERGY INVESTMENTS

AN ACT Relating to acquisition by joint operating agencies of public works, materials, equipment, supplies, and conservation resources; amending RCW 43.52.250, 43.52.260, 43.52.3411, and 43.52.360; adding new sections to chapter 43.52 RCW; creating a new section; repealing RCW 43.52.490, 43.52.495, 43.52.500, 43.52.505, 43.52.510, 43.52.600, 43.52.603, 43.52.606, 43.52.609, 43.52.615, 43.52.618, and 43.52.621; and prescribing penalties.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. (1) Except as provided otherwise in this chapter, a joint operating agency shall purchase any item or items of materials, equipment, or supplies, the estimated cost of which is in excess of five thousand dollars exclusive of sales tax, or order work for construction of generating projects and associated facilities, the estimated cost of which is in excess of ten thousand dollars exclusive of sales tax, by contract in accordance with RCW 54.04.070 and 54.04.080, which require sealed bids for contracts.

(2) When a joint operating agency executes a contract under section 2, 4, or 5 of this act, the managing director shall certify to the committees on energy and utilities of the senate and house of representatives in writing within thirty days after the contract is signed, that such contract is in the public interest, state the reason or reasons why, and indicate the estimated cost savings to the project compared to contracting for the same material, supplies, equipment or work through completion of work as contracted, including termination costs, or through sealed bids.

NEW SECTION. Sec. 2. (1) An operating agency may enter into contracts through competitive negotiation under subsection (2) of this section for materials, equipment, supplies, or work to be performed during commercial operation of a nuclear generating project and associated facilities (a) to replace a defaulted contract or a contract terminated in whole or in part, or (b) where consideration of factors in addition to price, such as technical knowledge, experience, management, staff, or schedule, is necessary to achieve economical operation of the project, provided that the managing director or a designee determines in writing and the executive board finds that execution of a contract under this section will accomplish project completion or operation more economically than sealed bids.

(2) The selection of a contractor shall be made in accordance with the following procedures:
(a) Proposals shall be solicited through a request for proposals, which shall state the requirements to be met. Responses shall describe the professional competence of the offeror, the technical merits of the offer, and the price.

(b) The request for proposals shall be given adequate public notice in the same manner as for sealed bids.

(c) As provided in the request for proposals, the operating agency shall specify at a preproposal conference the contract requirements in the request for proposal, which may include but are not limited to: Schedule, managerial, and staffing requirements, productivity and production levels, technical expertise, approved project quality assurance procedures, and time and place for submission of proposals. Any inquiries and responses thereto shall be confirmed in writing and shall be sent to all potential offerors.

(d) Proposals shall be opened so as to avoid disclosure of contents to competing offerors during the process of negotiation. A register of proposals shall be open for public inspection after contract award.

(e) As provided in the request for proposals, invitations shall be sent to all responsible offerors who submit proposals to attend discussions for the purpose of clarification to assure full understanding of, and responsiveness to, the solicitation requirements. Any inquiries and responses thereto shall be confirmed in writing and shall be sent to all offerors. Offerors shall be accorded fair and equal treatment with respect to any opportunity for discussion and revision of proposals, and such revisions may be permitted after submissions and prior to award for the purpose of obtaining best and final offers. In conducting discussions, there shall be no disclosure of any information derived from proposals submitted by competing offerors.

(f) The operating agency shall execute a contract with the responsible offeror whose proposal is determined in writing to be the most advantageous to the operating agency taking into consideration the requirements set forth in the request for proposals: PROVIDED, That for any proposed contract which exceeds ten million dollars, the operating agency shall notify the committees on energy and utilities of the senate and house of representatives at least thirty days prior to the date of contract execution and shall provide a copy of the contract with the notification. The contract file shall contain the basis on which the successful offeror is selected. The operating agency shall conduct a briefing conference on the selection if requested by an offeror.

(g) The contract may be fixed price or cost-reimbursable, in whole or in part, but not cost-plus-percentage-of-cost.

(h) The operating agency shall retain authority and responsibility for inspection, testing, and compliance with applicable regulations or standards of any state or federal governmental agency.
NEW SECTION. Sec. 3. For the awarding of a contract to purchase any item or items of materials, equipment, or supplies in an amount exceeding five thousand dollars but less than seventy-five thousand dollars, exclusive of sales tax, the managing director or a designee may, in lieu of sealed bids, secure telephone and/or written quotations from at least five vendors, where practical, and award contracts for purchase of materials, equipment, or supplies to the lowest responsible bidder. The agency shall establish a procurement roster, which shall consist of suppliers and manufacturers who may supply materials or equipment to the operating agency, and shall provide for solicitations which will equitably distribute opportunity for bids among suppliers and manufacturers on the roster. Immediately after the award is made, the bid quotations obtained shall be recorded and shall be posted or otherwise made available for public inspection and copying pursuant to chapter 42.17 RCW at the office of the operating agency or any other officially designated location. Waiver of the deposit or bid bond required for sealed bids may be authorized by the operating agency in securing the bid quotations.

NEW SECTION. Sec. 4. When the managing director or a designee determines in writing that it is impracticable to secure competition for required materials, equipment, or supplies, he or she may purchase the materials, equipment, or supplies without competition. The term "impracticable to secure competition" means:

(1) When material, equipment, or supplies can be obtained from only one person or firm (single source of supply); or

(2) When specially designed parts or components are being procured as replacement parts in support of equipment specially designed by the manufacturer.

NEW SECTION. Sec. 5. When the managing director or a designee determines in writing that an emergency endangers the public safety or threatens property damage or that serious financial injury would result if materials, supplies, equipment, or work are not obtained by a certain time, and they cannot be contracted for by that time by means of sealed bids, the managing director or a designee may purchase materials, equipment, or supplies or may order work by contract in any amount necessary, after having taken precautions to secure a responsive proposal at the lowest price practicable under the circumstances.

For the purposes of this section the term "serious financial injury" means that the costs attributable to the delay caused by contracting by sealed bids exceed the cost of materials, supplies, equipment, or work to be obtained.

NEW SECTION. Sec. 6. The executive board shall establish procedures for implementing sections 1 through 5 of this act by operating agency resolution after notice, public hearing, and opportunity for public comment.
The procedures shall be established within six months after the effective date of this section.

NEW SECTION. Sec. 7. Nothing in sections 1 through 6 of this act requires reapplication by a joint operating agency in existence on the effective date of this section.

Sec. 8. Section 43.52.250, chapter 8, Laws of 1965 as last amended by section 1, chapter 43, Laws of 1982 1st ex. sess. and RCW 43.52.250 are each amended to read as follows:

"Revenue bonds or warrants" means bonds, notes, bond anticipation notes, warrants, certificates of indebtedness, commercial paper, refunding or renewal obligations, payable from a special fund or revenues of the utility properties operated by the joint operating agency.

For the purposes provided for in this chapter, an operating agency shall have power to issue revenue bonds or warrants payable from the revenues of the utility properties operated by it. Whenever the board of a joint operating agency shall deem it advisable to issue bonds or warrants to engage in conservation activities or to construct or acquire any public utility or any works, plants or facilities or any additions or betterments thereto or extensions thereof it shall provide therefor by resolution, which shall specify and adopt the system or plan proposed and declare the estimated cost thereof as near as may be. Such cost may include funds for working capital, for payment of expenses incurred in the conservation activities or the acquisition or construction of the utility and for the repayment of advances made to the operating agency by any public utility district or city. Except as otherwise provided in RCW 43.52.343, all the provisions of law as now or hereafter in effect relating to revenue bonds or warrants of public utility districts shall apply to revenue bonds or warrants issued by the joint operating agency including, without limitation, provisions relating to: The creation of special funds and the pledging of revenues thereto; the time and place of payment of such bonds or warrants and the interest rate or rates thereon; the covenants that may be contained therein and the effect thereof; the execution, issuance, sale, funding, or refunding, redemption and registration of such bonds or warrants; and the status thereof as negotiable instruments, as legal securities for deposits of public moneys and as legal investments for trustees and other fiduciaries and for savings and loan associations, banks and insurance companies doing business in this state. However, for revenue bonds or warrants issued by an operating agency, the provisions under RCW 54.24.030 relating to additional or alternate methods for payment may be made a part of the contract with the owners of any revenue bonds or warrants of an operating agency. The board may authorize the managing director or the treasurer of the operating agency to sell revenue bonds or warrants maturing one year or less from the date of issuance, and to fix the interest rate or rates on such revenue bonds or warrants with such restrictions as the board shall prescribe. Such bonds and warrants may be in any form, including bearer bonds or bearer warrants, or registered bonds or registered warrants as provided in RCW 39.46.030. Such bonds and warrants may also be issued and sold in accordance with chapter 39.46 RCW.

Sec. 11. Section 43.52.360, chapter 8, Laws of 1965 as amended by section 6, chapter 184, Laws of 1977 ex. sess. and RCW 43.52.360 are each amended to read as follows:
Any two or more cities or public utility districts or combinations thereof may form an operating agency (herein sometimes called a joint operating agency) for the purpose of acquiring, constructing, operating and owning plants, systems and other facilities and extensions thereof, for the generation and/or transmission of electric energy and power. Each such agency shall be a municipal corporation of the state of Washington with the right to sue and be sued in its own name.

Application for the formation of an operating agency shall be made to the director of the department of ecology (herein sometimes referred to as the director) after the adoption of a resolution by the legislative body of each city or public utility district to be initial members thereof authorizing said city or district to participate. Such application shall set forth (1) the name and address of each participant, together with a certified copy of the resolution authorizing its participation; (2) a general description of the project and the principal project works, including dams, reservoirs, power houses and transmission lines; (3) the general location of the project and, if a hydroelectric project, the name of the stream on which such proposed project is to be located; (4) if the project is for the generation of electricity, the proposed use or market for the power to be developed; (5) a general statement of the electric loads and resources of each of the participants; (6) a statement of the proposed method of financing the preliminary engineering and other studies and the participation therein by each of the participants.

Within ten days after such application is filed with the director of the department of ecology notice thereof shall be published by the director once a week for four consecutive weeks in a newspaper of general circulation in the county or counties in which such project is to be located, setting forth the names of the participants and the general nature, extent and location of the project. Any public utility wishing to do so may object to such application by filing an objection, setting forth the reasons therefor, with the director of the department of ecology not later than ten days after the date of last publication of such notice.

Within ninety days after the date of last publication the director shall either make findings thereon or have instituted a hearing thereon. In event the director has neither made findings nor instituted a hearing within ninety days of the date of last publication, or if such hearing is instituted within such time but no findings are made within one hundred and twenty days of the date of such last publication, the application shall be deemed to have been approved and the operating agency established. If it shall appear (a) that the statements set forth in said application are substantially correct; (b) that the contemplated project is such as is adaptable to the needs, both actual and prospective, of the participants and such other public utilities as indicate a good faith intention by contract or by letter of intent to participate in the use of such project; (c) that no objection to the formation of
such operating agency has been filed by any other public utility which prior
to and at the time of the filing of the application for such operating agency
had on file a permit or license from an agency of the state or an agency of
the United States, whichever has primary jurisdiction, for the construction
of such project; (d) that adequate provision will be made for financing the
preliminary engineering, legal and other costs necessary thereto; the director
shall make findings to that effect and enter an order creating such operating
agency, establishing the name thereof and the specific project for the con-
struction and operation for which such operating agency is formed. Such
order shall not be construed to constitute a bar to any other public utility
proceeding according to law to procure any required governmental permits,
licenses or authority, but such order shall establish the competency of the
operating agency to proceed according to law to procure such permits, li-
censes or authority.

No operating agency shall undertake projects or conservation activities
in addition to those for which it was formed without the approval of the
legislative bodies of a majority of the members thereof. Prior to undertaking
any new project for acquisition of an energy resource, a joint operating
agency shall prepare a plan which details a least-cost approach for invest-
ment in energy resources. The plan shall include an analysis of the costs of
developing conservation compared with costs of developing other energy re-
sources and a strategy for implementation of the plan. The plan shall be
updated annually and presented to the energy and utilities committees of
the senate and house of representatives for their review and comment. In
the event that an operating agency desires to undertake such a hydroelectric
project at a site or sites upon which any publicly or privately owned public
utility has a license or permit or has a prior application for a license or
permit pending with any commission or agency, state or federal, having ju-
risdiction thereof, application to construct such additional project shall be
made to the director of the department of ecology in the same manner,
subject to the same requirements and with the same notice as required for
an initial agency and project and shall not be constructed until an order
authorizing the same shall have been made by the director in the manner
provided for such original application.

Any party who has joined in filing the application for, or objections
against, the creation of such operating agency and/or the construction of an
additional project, and who feels aggrieved by any order or finding of the
director shall have the right to appeal to the superior court in the manner
set forth in RCW 43.52.430.

After the formation of an operating agency, any other city or district
may become a member thereof upon application to such agency after the
adoption of a resolution of its legislative body authorizing said city or dis-

[ 1446 ]
from an operating agency, and thereupon such member shall forfeit any and all rights or interest which it may have in such operating agency or in any of the assets thereof: PROVIDED, That all contractual obligations incurred while a member shall remain in full force and effect. An operating agency may be dissolved by the unanimous agreement of the members, and the members, after making provisions for the payment of all debts and obligations, shall thereupon hold the assets thereof as tenants in common.

NEW SECTION. Sec. 12. Sections 1 through 7 of this act are each added to chapter 43.52 RCW.

NEW SECTION. Sec. 13. This act shall not be construed as affecting any existing right acquired, or liability or obligation incurred under the sections repealed in this act, nor any rule, regulation, or order adopted, nor any proceeding instituted, under those sections.

NEW SECTION. Sec. 14. The following acts or parts of acts are each repealed:

(1) Section 2, chapter 28, Laws of 1977 ex. sess., section 1, chapter 173, Laws of 1981 and RCW 43.52.490;
(2) Section 2, chapter 173, Laws of 1981 and RCW 43.52.495;

A member wishing to end his or her membership under this subsection must file, on a form supplied by the department, a statement indicating that the member agrees to irrevocably abandon any claim for service for future periods served as an elected official of a town or city. Approved by the Governor May 14, 1987, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State May 14, 1987.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to one subsection, Substitute House Bill No. 440, entitled:

"AN ACT Relating to retirement of elected officials of a city or town."

Section 1(3)(c) of this bill is similar and serves the same purpose as section 5 of Engrossed Substitute Senate Bill No. 5150, which is preferable and is now Chapter 192, Laws of 1987. I have therefore vetoed section 1(3)(c).

With the exception of section 1(3)(c), Substitute House Bill No. 440 is approved."

CHAPTER 380
[Substitute House Bill No. 170]
NATURAL RESOURCES—CERTAIN VIOLATIONS DECRIMINALIZED

AN ACT Relating to infractions of natural resources laws; amending RCW 43.30.310, 43.51.180, 75.10.110, 76.12.140, 76.36.035, and 77.21.010; adding a new chapter to Title 43 RCW; prescribing penalties; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature declares that decriminalizing certain offenses contained in Titles 75, 76, 77, and 79 RCW and chapters 43.30 and 43.51 RCW and any rules adopted pursuant to those titles and chapters would promote the more efficient administration of those titles and chapters. The purpose of this chapter is to provide a just, uniform, and efficient procedure for adjudicating those violations which, in any of these titles and chapters or rules adopted under these chapters or titles, are declared not to be criminal offenses. The legislature respectfully requests the supreme court to prescribe any rules of procedure necessary to implement this chapter.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definition in this section applies throughout this chapter.

"Infraction" means an offense which, by the terms of Title 75, 76, 77, or 79 RCW or chapter 43.30 or 43.51 RCW and rules adopted under these titles and chapters, is declared not to be a criminal offense and is subject to the provisions of this chapter.

NEW SECTION. Sec. 3. (1) An infraction proceeding is initiated by the issuance, service, and filing of a notice of infraction.
A notice of infraction may be issued by a person authorized to enforce the provisions of the title or chapter in which the infraction is established when the infraction occurs in that person's presence.

A court may issue a notice of infraction if a person authorized to enforce the provisions of the title or chapter in which the infraction is established files with the court a written statement that the infraction was committed in that person's presence or that the officer has reason to believe an infraction was committed.

Service of a notice of infraction issued under subsection (2) or (3) of this section shall be as provided by court rule.

A notice of infraction shall be filed with a court having jurisdiction within five days of issuance, excluding Saturdays, Sundays, and holidays.

Failure to sign an infraction notice shall constitute a misdemeanor under chapter 9A.20 RCW.

NEW SECTION. Sec. 4. (1) Infraction proceedings may be heard and determined by a district court.

(2) Infraction proceedings shall be brought in the district court district in which the infraction occurred. If an infraction takes place in the offshore waters, as defined in RCW 75.08.011, the infraction proceeding may be brought in any county bordering on the Pacific Ocean.

NEW SECTION. Sec. 5. (1) A notice of infraction represents a determination that an infraction has been committed. The determination shall be final unless contested as provided in this chapter.

(2) The form for the notice of infraction shall be prescribed by rule of the supreme court and shall include the following:

(a) A statement that the notice represents a determination that an infraction has been committed by the person named in the notice and that the determination shall be final unless contested as provided in this chapter;

(b) A statement that an infraction is a noncriminal offense for which imprisonment will not be imposed as a sanction;

(c) A statement of the specific infraction for which the notice was issued;

(d) A statement of the monetary penalty established for the infraction;

(e) A statement of the options provided in this chapter for responding to the notice and the procedures necessary to exercise these options;

(f) A statement that at any hearing to contest the determination, the state has the burden of proving, by a preponderance of the evidence, that the infraction was committed; and that the person may subpoena witnesses including the officer who issued the notice of infraction;

(g) A statement that at any hearing requested for the purpose of explaining mitigating circumstances surrounding the commission of the infraction the person shall be deemed to have committed the infraction and shall not subpoena witnesses;
(h) A statement that failure to respond to a notice of infraction within fifteen days is a misdemeanor and may be punished by fine or imprisonment;

(i) A statement that failure to appear at a hearing requested for the purpose of contesting the determination or for the purpose of explaining mitigating circumstances is a misdemeanor and may be punished by fine or imprisonment; and

(j) A statement, which the person shall sign, that the person promises to respond to the notice of infraction in one of the ways provided in this chapter.

NEW SECTION. Sec. 6. (1) Any person who receives a notice of infraction shall respond to such notice as provided in this section within fifteen days of the date of the notice.

(2) If the person determined to have committed the infraction does not contest the determination, the person shall respond by completing the appropriate portion of the notice of infraction and submitting it, either by mail or in person, to the court specified on the notice. A check or money order in the amount of the penalty prescribed for the infraction shall be submitted with the response. When a response which does not contest the determination is received, an appropriate order shall be entered in the court's records.

(3) If the person determined to have committed the infraction wishes to contest the determination, the person shall respond by completing the portion of the notice of infraction requesting a hearing and submitting it, either by mail or in person, to the court specified on the notice. The court shall notify the person in writing of the time, place, and date of the hearing, and that date shall not be sooner than seven days from the date of the notice, except by agreement.

(4) If the person determined to have committed the infraction does not contest the determination but wishes to explain mitigating circumstances surrounding the infraction, the person shall respond by completing the portion of the notice of infraction requesting a hearing for that purpose and submitting it, either by mail or in person, to the court specified on the notice. The court shall notify the person in writing of the time, place, and date of the hearing.

(5) If any person issued a notice of infraction: (a) Fails to respond to the notice of infraction as provided in subsection (2) of this section, or (b) fails to appear at a hearing requested pursuant to subsection (3) or (4) of this section, the court shall enter an appropriate order assessing the monetary penalty prescribed for the infraction and any other penalty authorized by this chapter. In addition, failure to respond to a notice of infraction, as required by this chapter, and failure to appear at a hearing requested pursuant to subsection (3) or (4) of this section are each punishable as a misdemeanor under chapter 9A.20 RCW.
NEW SECTION. Sec. 7. (1) Procedures for the conduct of all hearings provided for in this chapter may be established by rule of the supreme court.

(2) Any person subject to proceedings under this chapter may be represented by counsel.

NEW SECTION. Sec. 8. (1) A hearing held for the purpose of contesting the determination that an infraction has been committed shall be without a jury.

(2) The court may consider the notice of infraction and any other written report made under oath submitted by the officer who issued the notice or whose written statement was the basis for the issuance of the notice in lieu of the officer's personal appearance at the hearing. The person named in the notice may subpoena witnesses, including the officer, and has the right to present evidence and examine witnesses present in court. The rules of evidence shall apply to contested hearings.

(3) The burden of proof is upon the state to establish the commission of the infraction by a preponderance of the evidence.

(4) After consideration of the evidence and argument, the court shall determine whether the infraction was committed. Where it has not been established that the infraction was committed, an order dismissing the notice shall be entered in the court's records. Where it has been established that the infraction was committed, the court may assess a monetary penalty not exceeding that provided for the infraction in the applicable court rule or statute and shall enter an appropriate order.

(5) An appeal from the court's determination or order shall be to the superior court. A defendant may appeal a judgment entered after a contested hearing finding that the defendant has committed the infraction. The plaintiff may appeal a decision which in effect abates, discontinues, or determines the case other than by a judgment that the defendant has not committed an infraction. No other orders or judgments are appealable by either party. The decision of the superior court is subject only to discretionary review pursuant to the rules of appellate procedure.

NEW SECTION. Sec. 9. (1) A hearing held for the purpose of allowing a person to explain mitigating circumstances surrounding the commission of an infraction shall be an informal proceeding. The person may not subpoena witnesses. The determination that an infraction has been committed shall not be contested at a hearing held for the purpose of explaining mitigating circumstances.

(2) After the court has heard the explanation of the circumstances surrounding the commission of the infraction, it may assess a monetary penalty not exceeding that provided for the infraction in rules adopted pursuant to this chapter and shall enter an appropriate order.

(3) There may be no appeal from the court's determination or order.
NEW SECTION. Sec. 10. (1) A person found to have committed an infraction shall be assessed a monetary penalty. No penalty may exceed five hundred dollars for each offense unless specifically authorized by statute.

(2) The supreme court may prescribe by rule a schedule of monetary penalties for designated infractions. The legislature requests the supreme court to adjust this schedule every two years for inflation. The maximum penalty imposed by the schedule shall be five hundred dollars per infraction and the minimum penalty imposed by the schedule shall be ten dollars per infraction. This schedule may be periodically reviewed by the legislature and is subject to its revision.

(3) Whenever a monetary penalty is imposed by a court under this chapter, it is immediately payable. If the person is unable to pay at that time, the court may, in its discretion, grant an extension of the period in which the penalty may be paid.

NEW SECTION. Sec. 11. (1) An order entered after the receipt of a response which does not contest the determination, or after it has been established at a hearing that the infraction was committed, or after a hearing for the purpose of explaining mitigating circumstances, is civil in nature.

(2) The court may, in its discretion, waive, reduce, or suspend the monetary penalty prescribed for the infraction. At the person's request, the court may order performance of a number of hours of community service in lieu of a monetary penalty, at the rate of the then state minimum wage per hour.

NEW SECTION. Sec. 12. A court of limited jurisdiction having jurisdiction over an alleged infraction may issue process anywhere within the state.

NEW SECTION. Sec. 13. (1) Failure to pay a monetary penalty assessed by a court under the provisions of this chapter is a misdemeanor under chapter 9A.20 RCW.

(2) Failure to complete community service ordered by a court under the provisions of this chapter is a misdemeanor under chapter 9A.20 RCW.
