Adjudicative proceedings also include all cases of licensing and rate making in which an application for a license or rate change

(b) "Licensing" includes the agency process respecting the issuance, denial, revocation, suspension, or modification of a license.

(b) "Order of adoption" means the official written statement by which an agency adopts, amends, or repeals a rule.

(11) "Party to agency proceedings," or "party" in a context so indicating, means:

(a) A person to whom the agency action is specifically directed; or

(b) A person named as a party to the agency proceeding or allowed to intervene or participate as a party in the agency proceeding.

(12) "Party to judicial review or civil enforcement proceedings," or "party" in a context so indicating, means:

alters, or revokes any qualifications or standards for the issuance, suspen-
sion, or revocation of licenses to pursue any commercial activity, trade, or
profession; or (e) which establishes, alters, or revokes any mandatory stan-
dards for any product or material which must be met before distribution or
sale. The term includes the amendment or repeal of a prior rule, but does
not include (i) statements concerning only the internal management of an
agency and not affecting private rights or procedures available to the public,
(ii) declaratory rulings issued pursuant to RCW 34.05.230, (iii) traffic re-
strictions for motor vehicles, bicyclists, and pedestrians established by the
secretary of transportation or his designee where notice of such restrictions

Sec. 2. Section 15, chapter 234, Laws of 1959 as last amended by sec-
tion 103, chapter 288, Laws of 1988 and RCW 34.05.030 are each amended

(2) The provisions of RCW 34.05.410 through ((34.05.594)) 34.05.598
shall not apply:
(a) To adjudicative proceedings of the board of industrial insurance
appeals except as provided in RCW 7.68.110 and 51.48.131;

(4) All other agencies, whether or not formerly specifically excluded from the provisions of all or any part of the administrative procedure act, shall be subject to the entire act.

Sec. 3. Section 108, chapter 288, Laws of 1988 and RCW 34.05.080 are each amended to read as follows:

(1) An agency may modify time limits established in this chapter only as set forth in this section. An agency may not modify time limits relating to rule-making procedures or the time limits for filing a petition for judicial review specified in RCW 34.05.542.

(2) The time limits set forth in this chapter may be modified by rule of the agency or by rule of the chief administrative law judge if:

(a) The agency has an agency head composed of a body of individuals serving part time who do not regularly meet on a schedule that would allow compliance with the time limits of this chapter in the normal course of agency affairs;

(b) The agency does not have a permanent staff to comply with the time limits set forth in this chapter without substantial loss of efficiency and economy; and

(c) The rights of persons dealing with the agency are not substantially impaired.

(3) The time limits set forth in this chapter may be modified by rule if the agency determines that the change is necessary to the performance of its statutory duties. Agency rule may provide for emergency variation when required in a specific case.

(4) Time limits may be changed pursuant to RCW 34.05.040.

(5) Time limits may be waived pursuant to RCW 34.05.050.

(6) Any modification in the time limits set forth in this chapter shall be to new time limits that are reasonable under the specific circumstances.
(7) In an adjudicative proceeding, any agency whose time limits vary from those set forth in this chapter shall provide reasonable and adequate notice of the pertinent time limits to persons affected. The notice may be given by the presiding or reviewing officer involved in the proceeding. 

(8) Two years after July 1, 1989, the chief administrative law judge shall cause a survey to be made of variations by agencies from the time limits set forth in this chapter, and shall submit a written report of the results of the survey to the office of the governor.

Sec. 4. Section 2, chapter 234, Laws of 1959 as last amended by section 202, chapter 288, Laws of 1988 and RCW 34.05.220 are each amended to read as follows:

(1) In addition to other rule-making requirements imposed by law:

(a) Each agency may adopt rules governing the formal and informal procedures prescribed or authorized by this chapter and rules of practice before the agency, together with forms and instructions. If an agency has not adopted procedural rules under this section, the model rules adopted by the chief administrative law judge under RCW 34.05.250 govern procedures before the agency.

(b) To assist interested persons dealing with it, each agency shall adopt as a rule a description of its organization, stating the general course and method of its operations and the methods whereby the public may obtain information and make submissions or requests. No person may be required to comply with agency procedure not adopted as a rule as herein required.

(2) To the extent not prohibited by federal law or regulation, nor prohibited for reasons of confidentiality by state law, each agency shall keep on file for public inspection all final orders, decisions, and opinions in adjudicative proceedings, interpretive statements, policy statements, and any digest or index to those orders, decisions, opinions, or statements prepared by or for the agency.

(3) No agency order, decision, or opinion is valid or effective against any person, nor may it be invoked by the agency for any purpose, unless it is available for public inspection. This subsection is not applicable in favor of any person who has actual knowledge of the order, decision, or opinion. The agency has the burden of proving that knowledge, but may meet that burden by proving that the person has been properly served with a copy of the order.

(4) Each agency that is authorized by law to exercise discretion in deciding individual cases is encouraged to formalize the general principles that may evolve from these decisions by adopting the principles as rules that the agency will follow until they are amended or repealed.
Sec. 5. Section 301, chapter 288, Laws of 1988 and RCW 34.05.310 are each amended to read as follows:

(1) In addition to seeking information by other methods, an agency ((may)), before publication of a notice of a proposed rule adoption under RCW 34.05.320, is encouraged to solicit comments from the public on a subject of possible rule making under active consideration within the agency, by causing notice to be published in the state register of the subject matter and indicating where, when, and how persons may comment.

(2) Each agency may appoint committees to comment, before publication of a notice of proposed rule adoption under RCW 34.05.320, on the subject of a possible rule-making action under active consideration within the agency.

(3) Each agency shall designate a rules coordinator, who shall have knowledge of the subjects of rules being proposed or prepared within the agency for proposal, maintain the records of any such action, and respond to public inquiries about possible or proposed rules and the identity of agency personnel working, reviewing, or commenting on them. The office and mailing address of the rules coordinator shall be published in the state register at the time of designation and in the first issue of each calendar year thereafter for the duration of the designation. The rules coordinator may be an employee of another agency.

Sec. 6. Section 302, chapter 288, Laws of 1988 and RCW 34.05.315 are each amended to read as follows:

(1) Each agency shall maintain a current public rule-making docket. The rule-making docket shall contain ((a listing of the subject of each rule currently being prepared by the agency for proposal under RCW 34.05.320, the name and address of agency personnel responsible for the proposal, and an indication of the present status of the proposal)) the information specified in subsection (3) of this section.

(2) The rule-making docket shall contain a listing of each pending rule-making proceeding. A rule-making proceeding is pending from the time it is commenced by publication of a notice of proposed rule adoption under RCW 34.05.320 until ((it is terminated)) the proposed rule is withdrawn under RCW 34.05.335(((it is terminated))) or is adopted by the agency.

(3) For each rule-making proceeding, the docket shall indicate all of the following:

(a) The name and address of agency personnel responsible for the proposed rule;

(b) The subject of the proposed rule;

(c) A citation to all notices relating to the proceeding that have been published in the state register under RCW 34.05.320;

(d) The place where written submissions about the proposed rule may be inspected;

(e) The time during which written submissions will be accepted;
Sec. 7. Section 1, chapter 84, Laws of 1977 ex. sess. as last amended by section 303, chapter 288, Laws of 1988 and RCW 34.05.320 are each amended to read as follows:

(1) At least twenty days before the rule-making hearing at which the agency receives public comment regarding adoption of a rule, the agency shall cause notice of the hearing to be published in the state register. The publication constitutes the proposal of a rule. The notice shall include all of the following:

(a) A title, a description of the rule's purpose, and any other information which may be of assistance in identifying the rule or its purpose;
(b) Citations of the statutory authority for adopting the rule and the specific statute the rule is intended to implement;
(c) A summary of the rule and a statement of the reasons supporting the proposed action;
(d) The agency personnel, with their office location and telephone number, who are responsible for the drafting, implementation, and enforcement of the rule;
(e) The name of the person or organization, whether private, public, or governmental, proposing the rule;
(f) Agency comments or recommendations, if any, regarding statutory language, implementation, enforcement, and fiscal matters pertaining to the rule;
(g) Whether the rule is necessary as the result of federal law or federal or state court action, and if so, a copy of such law or court decision shall be attached to the purpose statement;
(h) When, where, and how persons may present their views on the proposed rule;
(i) The date on which the agency intends to adopt the rule;
(j) A short explanation of the rule, its purpose, and anticipated effects, including in the case of a proposal that would modify existing rules, a short description of the changes the proposal would make; and
(k) A copy of the small business economic impact statement, if applicable.

(2) Upon filing notice of the proposed rule with the code reviser, the adopting agency shall have copies of the notice on file and available for public inspection and shall forward three copies of the notice to the rules review committee.

(3) No later than three days after its publication in the state register, the agency shall cause a copy of the notice of proposed rule adoption to be mailed to each person who has made a timely request to the agency for
a mailed copy of such notices. An agency may charge for the actual cost of providing individual mailed copies of these notices.

(4) In addition to the notice required by subsections (1) and (2) of this section, an institution of higher education shall cause the notice to be published in the campus or standard newspaper of the institution at least seven days before the rule-making hearing.

Sec. 8. Section 11, chapter 186, Laws of 1980 as amended by section 306, chapter 288, Laws of 1988 and RCW 34.05.335 are each amended to read as follows:

(1) A proposed rule may be withdrawn by the proposing agency at any time before adoption. A withdrawn rule may not be adopted unless it is again proposed in accordance with RCW 34.05.320.

(2) Before adopting a rule, an agency shall consider the written and oral submissions, or any memorandum summarizing oral submissions.

(3) Rules not adopted and filed with the code reviser within one hundred eighty days after publication of the text as last proposed in the register shall be regarded as withdrawn. An agency may not thereafter adopt the proposed rule without refiling it in accordance with RCW 34.05.320. The code reviser shall give notice of the withdrawal in the register.

(4) An agency may not adopt a rule before the time established in the published notice, or such later time established on the record or by publication in the state register.

Sec. 9. Section 307, chapter 288, Laws of 1988 and RCW 34.05.340 are each amended to read as follows:

(1) Unless it complies with subsection (3) of this section, an agency may not adopt a rule that is substantially different from the rule proposed in the published notice of proposed rule adoption or a supplemental notice in the proceeding. If an agency contemplates making a substantial variance from a proposed rule described in a published notice, it may file a supplemental notice with the code reviser meeting the requirements of RCW 34.05.320 and reopen the proceedings for public comment on the proposed variance, or the agency may withdraw the proposed rule and commence a new rule-making proceeding to adopt a substantially different rule. If a new rule-making proceeding is commenced, relevant public comment received regarding the initial proposed rule shall be considered in the new proceeding.

(2) The following factors shall be considered in determining whether an adopted rule is substantially different from the proposed rule on which it is based:

(a) The extent to which a reasonable person affected by the adopted rule would have understood that the published proposed rule would affect his or her interests;
(b) The extent to which the subject of the adopted rule or the issues
determined in it are substantially different from the subject or issues in-
volved in the published proposed rule; and

(c) The extent to which the effects of the adopted rule differ from the
effects of the published proposed rule.

(3) If the agency, without filing a supplemental notice under subsection
(1) of this section, adopts a rule that varies in content from the proposed
rule, the general subject matter of the adopted rule must remain the same
as the proposed rule. The agency shall briefly describe any changes, other
than editing changes, and the principal reasons for adopting the changes.
The brief description shall be filed with the code reviser together with the
order of adoption for publication in the state register. Within sixty days of
publication of the adopted rule in the state register, any interested person
may petition the agency to amend any portion of the adopted rule that is
substantially different from the proposed rule. The petition shall briefly
demonstrate how the adopted rule is substantially different from the pro-
posed rule and shall contain the text of the petitioner's proposed amend-
ment. For purposes of the petition, an adopted rule is substantially different
if the issues determined in the adopted rule differ from the issues deter-
dined in the proposed rule or the anticipated effects of the adopted rule
differ from those of the proposed rule. If the petition meets the require-
ments of this subsection and RCW 34.05.330, the agency shall initiate rule-
making proceedings upon the proposed amendments within the time provid-
ed in RCW 34.05.330.

Sec. 10. Section 3, chapter 234, Laws of 1959 as last amended by sec-
tion 309, chapter 288, Laws of 1988 and RCW 34.05.350 are each amended
to read as follows:

(1) If an agency for good cause finds:

(a) That immediate adoption, amendment, or repeal of a rule is neces-
sary for the preservation of the public health, safety, or general welfare, and
that observing the time requirements of notice and opportunity to comment
upon adoption of a permanent rule would be contrary to the public interest; or

(b) That state or federal law or federal rule or a federal deadline for
state receipt of federal funds requires immediate adoption of a rule,
the agency may dispense with those requirements and adopt, amend, or re-
peal the rule on an emergency basis. The agency's finding and a concise
statement of the reasons for its finding shall be incorporated in the order for
adoption of the emergency rule or amendment filed with the office of the
code reviser under RCW 34.05.380 and with the rules review committee.

(2) An emergency rule adopted under this section takes effect upon fil-
ing with the code reviser, unless a later date is specified in the order of
adoption, and may not remain in effect for longer than one hundred twenty
days after filing. Identical or substantially similar emergency rules may not
be adopted in sequence unless conditions have changed or the agency has filed notice of its intent to adopt the rule as a permanent rule, and is actively undertaking the appropriate procedures to adopt the rule as a permanent rule. This section does not relieve any agency from compliance with any law requiring that its permanent rules be approved by designated persons or bodies before they become effective.

Sec. 11. Section 4, chapter 234, Laws of 1959 as last amended by section 315, chapter 288, Laws of 1988 and RCW 34.05.380 are each amended to read as follows:

(1) Each agency shall file in the office of the code reviser a certified copy of all rules it adopts, except for rules contained in tariffs filed with or published by the Washington utilities and transportation commission. The code reviser shall place upon each rule a notation of the time and date of filing and shall keep a permanent register of filed rules open to public inspection. In filing a rule, each agency shall use the standard form prescribed for this purpose by the code reviser.

(2) Emergency rules adopted under RCW 34.05.350 become effective upon filing unless a later date is specified in the order of adoption. All other rules become effective upon the expiration of thirty days after the date of filing, unless a later date is required by statute or specified in the order of adoption.

(3) A rule may become effective immediately upon its filing with the code reviser or on any subsequent date earlier than that established by subsection (2) of this section, if the agency establishes that effective date in the adopting order and finds that:

(a) Such action is required by the state or federal Constitution, a statute, or court order;

(b) The rule only delays the effective date of another rule that is not yet effective; or

(c) The earlier effective date is necessary because of imminent peril to the public health, safety, or welfare.

The finding and a brief statement of the reasons therefor required by this subsection shall be made a part of the order adopting the rule.

(4) With respect to a rule made effective pursuant to subsection (3) of this section, each agency shall make reasonable efforts to make the effective date known to persons who may be affected by it.

Sec. 12. Section 402, chapter 288, Laws of 1988 and RCW 34.05.413 are each amended to read as follows:

(1) Within the scope of its authority, an agency may commence an adjudicative proceeding at any time with respect to a matter within the agency's jurisdiction.

(2) When required by law or constitutional right, and upon the timely application of any person, an agency shall commence an adjudicative proceeding.
(3) An agency may provide forms for and, by rule, may provide procedures for filing an application for an adjudicative proceeding. An agency may require by rule that an application (for an adjudicative proceeding) be in writing and that it be filed at a specific address (and), in a specified manner, and within specified time limits. The agency shall allow at least twenty days to apply for an adjudicative proceeding from the time notice is given of the opportunity to file such an application.

(4) If an agency is required to hold an adjudicative proceeding, an application for an agency to enter an order includes an application for the agency to conduct appropriate adjudicative proceedings, whether or not the applicant expressly requests those proceedings.

(5) An adjudicative proceeding commences when the agency or a presiding officer notifies a party that a prehearing conference, hearing, or other stage of an adjudicative proceeding will be conducted.

Sec. 13, Section 8, chapter 237, Laws of 1967 as last amended by section 405, chapter 288, Laws of 1988 and RCW 34.05.422 are each amended to read as follows:

(1) Unless otherwise provided by law: (a) Applications for rate changes and uncontested applications for licenses may, in the agency’s discretion, be conducted as adjudicative proceedings; (b) applications for licenses that are contested by a person having standing to contest under the law and review of denials of applications for licenses or rate changes shall be conducted as adjudicative proceedings; and (c) an agency may not revoke, suspend, or modify (annul, withdraw, or amend) a license unless the agency gives notice of an opportunity for an appropriate adjudicative proceeding in accordance with this chapter or other statute.

(2) An agency with authority to grant or deny a professional or occupational license shall notify an applicant for a new or renewal license not later than twenty days prior to the date of the examination required for that license of any grounds for denial of the license which are based on specific information disclosed in the application submitted to the agency. The agency shall notify the applicant either that the license is denied or that the decision to grant or deny the license will be made at a future date. If the agency fails to give the notification prior to the examination and the applicant is denied licensure, the examination fee shall be refunded to the applicant. If the applicant takes the examination, the agency shall notify the applicant of the result.

(3) When a licensee has made timely and sufficient application for the renewal of a license or a new license with reference to any activity of a continuing nature, an existing full, temporary, or provisional license does not expire until the application has been finally determined by the agency, and, in case the application is denied or the terms of the new license limited, until the last day for seeking review of the agency order or a later date fixed by order of the reviewing court.
(4) If the agency finds that public health, safety, or welfare imperatively requires emergency action, and incorporates a finding to that effect in its order, summary suspension of a license may be ordered pending proceedings for revocation or other action. These proceedings shall be promptly instituted and determined.

Sec. 14. Section 406, chapter 288, Laws of 1988 and RCW 34.05.425 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, in the discretion of the agency head, the presiding officer in an administrative hearing shall be:

(a) The agency head or one or more members of the agency head;
(b) If the agency has statutory authority to do so, a person other than the agency head or an administrative law judge designated by the agency head to make the final decision and enter the final order; or
(c) One or more administrative law judges assigned by the office of administrative hearings in accordance with chapter 34.12 RCW.

(2) An agency expressly exempted under RCW 34.12.020(4) or other statute from the provisions of chapter 34.12 RCW or an institution of higher education shall designate a presiding officer as provided by rules adopted by the agency.

(3) Any individual serving or designated to serve alone or with others as presiding officer is subject to disqualification for bias, prejudice, interest, or any other cause provided in this chapter or for which a judge is disqualified.

(4) Any party may petition for the disqualification of an individual promptly after receipt of notice indicating that the individual will preside or, if later, promptly upon discovering facts establishing grounds for disqualification.

(5) The individual whose disqualification is requested shall determine whether to grant the petition, stating facts and reasons for the determination.

(6) When the presiding officer is an administrative law judge, the provisions of this section regarding disqualification for cause are in addition to the motion of prejudice available under RCW 34.12.050.

(7) If a substitute is required for an individual who becomes unavailable as a result of disqualification or any other reason, the substitute must be appointed by the appropriate appointing authority.

(8) Any action taken by a duly appointed substitute for an unavailable individual is as effective as if taken by the unavailable individual.

Sec. 15. Section 407, chapter 288, Laws of 1988 and RCW 34.05.428 are each amended to read as follows:

(1) A party to an adjudicatory proceeding may participate personally or, if the party is a corporation or other artificial person, by a duly authorized representative.
(2) Whether or not participating in person, any party may be advised and represented at the party's own expense by counsel or, if permitted by provision of law, other representative.

Sec. 16. Section 411, chapter 288, Laws of 1988 and RCW 34.05.440 are each amended to read as follows:

(1) Failure of a party to file an application for an adjudicative proceeding within the time limit or limits established by statute or agency rule constitutes a default and results in the loss of that party's right to an adjudicative proceeding, and the agency may proceed to resolve the case without further notice to, or hearing for the benefit of, that party, except that any default or other dispositive order affecting that party shall be served upon him or her or upon his or her attorney, if any. (There shall be a minimum of twenty days from notice of an opportunity to request a hearing before a party is deemed to have waived his or her right to a hearing under this subsection.)

(2) If a party fails to attend or participate in a hearing or other stage of an adjudicative proceeding, other than failing to timely request an adjudicative proceeding as set out in subsection (1) of this section, the presiding officer may serve upon all parties a default or other dispositive order, which shall include a statement of the grounds for the order.

(3) Within seven days after service of a default order under subsection (2) of this section, or such longer period as provided by agency rule, the party against whom it was entered may file a written motion requesting that the order be vacated, and stating the grounds relied upon. During the time within which a party may file a written motion under this subsection, the presiding officer may adjourn the proceedings or conduct them without the participation of that party, having due regard for the interests of justice and the orderly and prompt conduct of the proceedings.

Sec. 17. Section 10, chapter 237, Laws of 1967 as amended by section 413, chapter 288, Laws of 1988 and RCW 34.05.446 are each amended to read as follows:

(1) The presiding officer may issue subpoenas and may enter protective orders. A subpoena may be issued with like effect by the agency or the attorney of record in whose behalf the witness is required to appear.

(2) An agency may by rule determine whether or not discovery is to be available in adjudicative proceedings and, if so, which forms of discovery may be used.

(3) Except as otherwise provided by agency rules, the presiding officer may decide whether to permit the taking of depositions, the requesting of admissions, and all other procedures authorized by rules 26 through 36 of the superior court civil rules. The presiding officer may condition use of discovery on a showing of necessity and unavailability by other means.
exercising such discretion, the presiding officer shall consider: (a) Whether all parties are represented by counsel; (b) whether undue expense or delay in bringing the case to hearing will result; (c) whether the discovery will promote the orderly and prompt conduct of the proceeding; and (d) whether the interests of justice will be promoted.

(4) ((Subpoenas issued and)) Discovery orders and protective orders entered under this section may be enforced under the provisions of this chapter on civil enforcement of agency action.

(5) Subpoenas issued under this section may be enforced under section 30(1) of this act.

(6) The subpoena powers created by this section shall be state-wide in effect.

(((6))) (7) Witnesses in an adjudicatory proceeding shall be paid the same fees and allowances, in the same manner and under the same conditions, as provided for witnesses in the courts of this state by chapter 2.40 RCW and by RCW 5.56.010, except that the agency shall have the power to fix the allowance for meals and lodging in like manner as is provided in RCW 5.56.010 as to courts. The person initiating an adjudicative proceeding or the party requesting issuance of a subpoena shall pay the fees and allowances and the cost of producing records required to be produced by subpoena.

Sec. 18. Section 414, chapter 288, Laws of 1988 and RCW 34.05.449 are each amended to read as follows:

(1) The presiding officer shall regulate the course of the proceedings, in conformity with applicable rules and the prehearing order, if any.

(2) To the extent necessary for full disclosure of all relevant facts and issues, the presiding officer shall afford to all parties the opportunity to respond, present evidence and argument, conduct cross-examination, and submit rebuttal evidence, except as restricted by a limited grant of intervention or by the prehearing order.

(3) In the discretion of the presiding officer, and where the rights of the parties will not be prejudiced thereby, all or part of the hearing may be conducted by telephone, television, or other electronic means. Each party in the hearing must have an opportunity to participate effectively in, to hear, and, if technically and economically feasible, to see the entire proceeding while it is taking place.

(4) The presiding officer shall cause the hearing to be recorded by a method chosen by the agency. The agency is not required, at its expense, to prepare a transcript, unless required to do so by a provision of law. Any party, at the party's expense, may cause a reporter approved by the agency to prepare a transcript from the agency's record, or cause additional recordings to be made during the hearing if the making of additional recording does not cause distraction or disruption.
(5) The hearing is open to public observation, except for the parts that the presiding officer states to be closed under a provision of law expressly authorizing closure or under a protective order (issued) entered by the presiding officer pursuant to applicable rules (adopted by the chief administrative law judge). A presiding officer may order the exclusion of witnesses upon a showing of good cause. To the extent that the hearing is conducted by telephone, television, or other electronic means, and is not closed, the availability of public observation is satisfied by giving members of the public an opportunity, at reasonable times, to hear or inspect the agency's record, and to inspect any transcript obtained by the agency.

Sec. 19. Section 418, chapter 288, Laws of 1988 and RCW 34.05.461 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section:

(a) If the presiding officer is the agency head or one or more members of the agency head, the presiding officer may enter an initial order if further review is available within the agency, or a final order if further review is not available;

(b) If the presiding officer is a person designated by the agency to make the final decision and enter the final order, the presiding officer shall enter a final order; and

(c) If the presiding officer is one or more administrative law judges, the presiding officer shall enter an initial order.

(2) With respect to agencies exempt from chapter 34.12 RCW or an institution of higher education, the presiding officer shall transmit a full and complete record of the proceedings, including such comments upon demeanor of witnesses as the presiding officer deems relevant, to each agency official who is to enter a final or initial order after considering the record and evidence so transmitted.

(3) Initial and final orders shall include a statement of findings and conclusions, and the reasons and basis therefor, on all the material issues of fact, law, or discretion presented on the record, including the remedy or sanction and, if applicable, the action taken on a petition for a stay of effectiveness. Any findings based substantially on credibility of evidence or demeanor of witnesses shall be so identified. Findings set forth in language that is essentially a repetition or paraphrase of the relevant provision of law shall be accompanied by a concise and explicit statement of the underlying evidence of record to support the findings. The order shall also include a statement of the available procedures and time limits for seeking reconsideration or other administrative relief. An initial order shall include a statement of any circumstances under which the initial order, without further notice, may become a final order.
(4) Findings of fact shall be based exclusively on the evidence of record in the adjudicative proceeding and on matters officially noticed in that proceeding. Findings shall be based on the kind of evidence on which reasonably prudent persons are accustomed to rely in the conduct of their affairs. Findings may be based on such evidence even if it would be inadmissible in a civil trial. However, the presiding officer shall not base a finding exclusively on such inadmissible evidence unless the presiding officer determines that doing so would not unduly abridge the parties' opportunities to confront witnesses and rebut evidence. The basis for this determination shall appear in the order.

(5) Where it bears on the issues presented, the agency's experience, technical competency, and specialized knowledge may be used in the evaluation of evidence.

(6) If a person serving or designated to serve as presiding officer becomes unavailable for any reason before entry of the order, a substitute presiding officer shall be appointed as provided in RCW 34.05.425. The substitute presiding officer shall use any existing record and may conduct any further proceedings appropriate in the interests of justice.

(7) The presiding officer may allow the parties a designated time after conclusion of the hearing for the submission of memos, briefs, or proposed findings.

(8) Initial or final orders shall be served in writing within ninety days after conclusion of the hearing or after submission of memos, briefs, or proposed findings in accordance with subsection (7) of this section unless this period is waived or extended for good cause shown.

(9) The presiding officer shall cause copies of the order to be served on each party and the agency head.

Sec. 20. Section 419, chapter 288, Laws of 1988 and RCW 34.05.464 are each amended to read as follows:

(1) As authorized by law, an agency may by rule provide that initial orders in specified classes of cases may become final without further agency action unless, within a specified period, (a) the agency head upon its own motion determines that the initial order should be reviewed, or (b) a party to the proceedings files a petition for administrative review of the initial order. Upon occurrence of either event, notice shall be given to all parties to the proceeding.

(2) As authorized by law, an agency head may appoint a person to review initial orders and to prepare and enter final agency orders.

(3) RCW 34.05.425 and 34.05.455 apply to any person reviewing an initial order on behalf of an agency as part of the decision process, and to persons communicating with them, to the same extent that it is applicable to presiding officers.
(4) The officer reviewing the initial order (including the agency head reviewing an initial order) is, for the purposes of this chapter, termed the reviewing officer. The reviewing officer shall exercise all the decision-making power that the reviewing officer would have had to decide and enter the final order had the reviewing officer presided over the hearing, except to the extent that the issues subject to review are limited by a provision of law or by the reviewing officer upon notice to all the parties. In reviewing findings of fact by presiding officers, the reviewing officers shall give due regard to the presiding officer’s opportunity to observe the witnesses.

(5) The reviewing officer shall personally consider the whole record or such portions of it as may be cited by the parties.

(6) The reviewing officer shall afford each party an opportunity to present written argument and may afford each party an opportunity to present oral argument.

(7) The reviewing officer shall enter a final order disposing of the proceeding or remand the matter for further proceedings, with instructions to the presiding officer who entered the initial order. Upon remanding a matter, the reviewing officer shall order such temporary relief as is authorized and appropriate.

(8) A final order shall include, or incorporate by reference to the initial order, all matters required by RCW 34.05.461(3).

(9) The reviewing officer shall cause copies of the final order or order remanding the matter for further proceedings to be served upon each party.

Sec. 21. Section 421, chapter 288, Laws of 1988 and RCW 34.05.470 are each amended to read as follows:

(1) Within ten days of the service of a final order, any party may file a petition for reconsideration, stating the specific grounds upon which relief is requested. The place of filing and other procedures, if any, shall be specified by agency rule.

(2) No petition for reconsideration may stay the effectiveness of an order.

(3) If a petition for reconsideration is timely filed, and the petitioner has complied with the agency’s procedural rules for reconsideration, if any, the time for filing a petition for judicial review does not commence until the agency disposes of the petition for reconsideration. The agency is deemed to have denied the petition for reconsideration if, within twenty days from the date the petition is filed, the agency does not either: (a) Dispose of the petition; or (b) serve the parties with a written notice specifying the date by which it will act on the petition.

(4) Unless the petition for reconsideration is deemed denied under subsection (3) of this section, the petition shall be disposed of by the same person or persons who entered the order, if reasonably available. The disposition shall be in the form of a written order denying the petition, granting
the petition and dissolving or modifying the final order, or granting the petition and setting the matter for further hearing. (The petition shall be deemed to have been denied if not disposed of within twenty days.

(3) No petition for reconsideration may stay the effectiveness of an order.

(4) The agency head may extend the time limits in this section for good cause, with due consideration that the rights of the parties will not be prejudiced by the extension and that extension will be in the public interest.)

(5) The filing of a petition for reconsideration is not a prerequisite for seeking judicial review. An order denying reconsideration, or ((an extension of time limits pursuant to)) a notice provided for in subsection (((4))) (3)(b) of this section is not subject to judicial review.

Sec. 22. Section 422, chapter 288, Laws of 1988 and RCW 34.05.473 are each amended to read as follows:

(1) Unless a later date is stated in an order or a stay is granted, an order is effective when ((signed)) entered, but:

(a) A party may not be required to comply with a final order unless the party has been served with or has actual knowledge of the final order;

(b) A nonparty may not be required to comply with a final order unless the agency has made the final order available for public inspection and copying or the nonparty has actual knowledge of the final order;

(c) For purposes of determining time limits for further administrative procedure or for judicial review, the determinative date is the date of service of the order.

(2) Unless a later date is stated in the initial order or a stay is granted, the time when an initial order becomes a final order in accordance with RCW 34.05.461 is determined as follows:

(a) When the initial order is entered, if administrative review is unavailable;

(b) When the agency head with such authority enters an order stating, after a petition for administrative review has been filed, that review will not be exercised.

(3) This section does not preclude an agency from taking immediate action to protect the public interest in accordance with RCW 34.05.479.

Sec. 23. Section 426, chapter 288, Laws of 1988 and RCW 34.05.485 are each amended to read as follows:

(1) If not specifically prohibited by law, the following persons may be designated as the presiding officer of a brief adjudicative proceeding:

(a) The agency head;

(b) One or more members of the agency head;

(c) One or more administrative law judges; or

(d) One or more other persons designated by the agency head.
(2) Before taking action, the presiding officer shall give each party an opportunity to be informed of the agency's view of the matter and to explain the party's view of the matter.

(3) At the time any unfavorable action is taken the presiding officer shall (give) serve upon each party a brief statement of the reasons for the decision. Within ten days, the presiding officer shall give the parties a brief written statement of the reasons for the decision and information about any internal administrative review available.

(4) The brief written statement is (a proposed) an initial order. If no review is taken of the (proposed) initial order as authorized by RCW 34.05.488 and 34.05.491, the (proposed) initial order shall be the final order.

Sec. 24. Section 427, chapter 288, Laws of 1988 and RCW 34.05.488 are each amended to read as follows:

Unless prohibited by any provision of law, an agency, on its own motion, may conduct administrative review of an order resulting from brief adjudicative proceedings. An agency shall conduct this review upon the written or oral request of a party if the agency receives the request within twenty-one days after (furnishing) service of the written statement required by RCW 34.05.485(3).

Sec. 25. Section 511, chapter 288, Laws of 1988 and RCW 34.05.550 are each amended to read as follows:

(1) Unless precluded by law, the agency may grant a stay, in whole or in part, or other temporary remedy (during the pendency of judicial review).

(2) After a petition for judicial review has been filed, a party may file a motion in the reviewing court seeking a stay or other temporary remedy.

(3) If judicial relief is sought for a stay or other temporary remedy from agency action based on public health, safety, or welfare grounds the court shall not grant such relief unless the court finds that:
   (a) The applicant is likely to prevail when the court finally disposes of the matter;
   (b) Without relief the applicant will suffer irreparable injury;
   (c) The grant of relief to the applicant will not substantially harm other parties to the proceedings; and
   (d) The threat to the public health, safety, or welfare is not sufficiently serious to justify the agency action in the circumstances.

(4) If the court determines that relief should be granted from the agency's action granting a stay or other temporary remedies, the court may remand the matter or may enter an order denying a stay or granting a stay on appropriate terms.

Sec. 26. Section 515, chapter 288, Laws of 1988 and RCW 34.05.566 are each amended to read as follows:
(1) Within thirty days after service of the petition for judicial review, or within further time allowed by the court or by other provision of law, the agency shall transmit to the court the original or a certified copy of the agency record for judicial review of the agency action. The record shall consist of any agency documents expressing the agency action, other documents identified by the agency as having been considered by it before its action and used as a basis for its action, and any other material described in this chapter as the agency record for the type of agency action at issue, subject to the provisions of this section.

(2) If part of the record has been preserved without a transcript, the agency shall prepare a transcript for inclusion in the record transmitted to the court, except for portions that the parties stipulate to omit in accordance with subsection (4) of this section.

(3) The agency may charge a nonindigent petitioner with the reasonable costs of preparing any necessary copies and transcripts for transmittal to the court. A failure by the petitioner to pay any of this cost to the agency relieves the agency from the responsibility for preparation of the record and transmittal to the court.

(4) The record may be shortened, summarized, or organized temporarily or, by stipulation of all parties, permanently.

(5) The court may tax the cost of preparing transcripts and copies of the record:
   (a) Against a party who unreasonably refuses to stipulate to shorten, summarize, or organize the record; or
   (b) In accordance with any provision of law.

(6) Additions to the record pursuant to RCW 34.05.562 must be made as ordered by the court.

(7) The court may require or permit subsequent corrections or additions to the record.

Sec. 27. Section 13, chapter 234, Laws of 1959 as last amended by section 516, chapter 288, Laws of 1988 and RCW 34.05.570 are each amended to read as follows:

(1) Generally. Except to the extent that this chapter or another statute provides otherwise:
   (a) The burden of demonstrating the invalidity of agency action is on the party asserting invalidity;
   (b) The validity of agency action shall be determined in accordance with the standards of review provided in this section, as applied to the agency action at the time it was taken;
   (c) The court shall make a separate and distinct ruling on each material issue on which the court's decision is based; and
(d) The court shall grant relief only if it determines that a person seeking judicial relief has been substantially prejudiced by the action complained of.

(2) Review of rules. (a) A rule may be reviewed by petition for declaratory judgment filed pursuant to (RCW 34.05.538) this subsection or (by review of other agency action) in the context of any other review proceeding under this section. In an action challenging the validity of a rule, the agency shall be made a party to the proceeding.

(b) The validity of any rule may be determined upon petition for a declaratory judgment addressed to the superior court of Thurston county, when it appears that the rule, or its threatened application, interferes with or impairs or immediately threatens to interfere with or impair the legal rights or privileges of the petitioner. (The agency shall be made a party to the proceeding.) The declaratory judgment order may be entered whether or not the petitioner has first requested the agency to pass upon the validity of the rule in question.

(c) In a proceeding involving review of a rule, the court shall declare the rule invalid only if it finds that it violates constitutional provisions (or), exceeds the statutory authority of the agency (or), was adopted without compliance with statutory rule-making procedures, or could not conceivably have been the product of a rational decision-maker.

(3) Review of agency orders in adjudicative proceedings. The court shall grant relief from an agency order in an adjudicative proceeding only if it determines that:

(a) The order, or the statute or rule on which the order is based, is in violation of constitutional provisions on its face or as applied;

(b) The order is outside the statutory authority or jurisdiction of the agency conferred by any provision of law;

(c) The agency has engaged in unlawful procedure or decision-making process, or has failed to follow a prescribed procedure;

(d) The agency has erroneously interpreted or applied the law;

(e) The order (other than a rule) is not supported by evidence that is substantial when viewed in light of the whole record before the court, which includes the agency record for judicial review, supplemented by any additional evidence received by the court under this chapter;

(f) The agency has not decided all issues requiring resolution by the agency;

(g) (The persons entering the order were subject to disqualification)) A motion for disqualification under RCW 34.05.425 or 34.12.050 was made and was improperly denied or, if no motion was made, facts are shown to support the grant of such a motion that were not known and were not reasonably discoverable by the challenging party at the appropriate time for making such a motion;
(h) The order is inconsistent with a rule of the agency unless the agency explains the inconsistency by stating facts and reasons to demonstrate a rational basis for inconsistency; or
   (i) The order is arbitrary or capricious.
(4) Review of other agency action.
   (a) All agency action not reviewable under subsection (2) or (3) of this section shall be reviewed under this subsection.
   (b) A person whose rights are violated by an agency's failure to perform a duty that is required by law to be performed may file a petition for review pursuant to RCW 34.05.514, seeking an order pursuant to this subsection requiring performance. Within twenty days after service of the petition for review, the agency shall file and serve an answer to the petition, made in the same manner as an answer to a complaint in a civil action. The court may hear evidence, pursuant to RCW 34.05.562, on material issues of fact raised by the petition and answer.
   (c) Relief for persons aggrieved by the performance of an agency action, including the exercise of discretion, or an action under (b) of this subsection can be granted only if the court determines that the action is:
      (i) Unconstitutional;
      (ii) Outside the statutory authority of the agency or the authority conferred by a provision of law;
      (iii) Arbitrary or capricious; or
      (iv) Taken by persons who were not properly constituted as agency officials lawfully entitled to take such action.

Sec. 28. Section 517, chapter 288, Laws of 1988 and RCW 34.05.574 are each amended to read as follows:

(1) In a review under RCW 34.05.570, the court may (a) affirm the agency action or (b) order an agency to take action required by law, order an agency to exercise discretion required by law, (affirm or) set aside agency action, enjoin or stay the agency action, remand the matter for further proceedings, or enter a declaratory judgment order. The court shall set out in its findings and conclusions, as appropriate, each violation or error by the agency under the standards for review set out in this chapter on which the court bases its decision and order. In reviewing matters within agency discretion, the court shall limit its function to assuring that the agency has exercised its discretion in accordance with law, and shall not itself undertake to exercise the discretion that the legislature has placed in the agency. The court shall remand to the agency for modification of agency action, unless remand is impracticable or would cause unnecessary delay.

(2) The sole remedy available to a person who is wrongfully denied licensure based upon a failure to pass an examination administered by a state agency, or under its auspices, is the right to retake the examination free of the defect or defects the court may have found in the examination or the examination procedure.
The court may award damages, compensation, or ancillary relief only to the extent expressly authorized by another provision of law.

(4) If the court sets aside or modifies agency action or remands the matter to the agency for further proceedings, the court may make any interlocutory order it finds necessary to preserve the interests of the parties and the public, pending further proceedings or agency action.

Sec. 29. Section 520, chapter 288, Laws of 1988 and RCW 34.05.586 are each amended to read as follows:

(b) That the rule or order does not apply to the party or that the party has not violated the rule or order, and) interest of justice would be served by resolution of an issue arising from:

(i) A change in controlling law occurring after the agency action; or

The petition shall be accompanied by a copy of the subpoena and proof of service, shall set forth in what specific manner the subpoena has not been complied with, and shall request an order of the court to compel compliance. (3) ((An)) A local agency need not maintain such an index, if to do so

State agencies shall make indexes available for public inspection and copy-

The penalty shall be in an amount equal to one-half the value of the sum of the volumes of milk equivalent produced under the permit on the day prior to and the day of the adulteration. The value of the milk shall be computed by the weighted average price for the federal market order under which the milk is delivered.
(2) The penalty is imposed by the department giving a written notice which is either personally served upon or transmitted by certified mail, return receipt requested, to the person incurring the penalty. The notice of the civil penalty shall be a final order of the department unless, within fifteen days after the notice is received, the person incurring the penalty appeals the penalty by filing a notice of appeal with the department. If a notice of appeal is filed in a timely manner, a ((contested case)) hearing shall be conducted on behalf of the department by the office of administrative hearings in accordance with chapters ((34.04)) 34.05 and 34.12 RCW and, to the extent they are not inconsistent with this subsection, the provisions of RCW 15.36.580. Tests performed for antibiotic or pesticide residues by a state or certified industry laboratory of a milk sample drawn by a department official or a licensed dairy technician shall be admitted as prima facie evidence of the presence or absence of an antibiotic or pesticide residue.

(3) Any penalty imposed under this section is due and payable upon the issuance of the final order by the department. The penalty shall be deducted by the violator's marketing organization from the violator's final payment for the month following the issuance of the final order. The department shall promptly notify the violator's marketing organization of any penalties contained in the final order.

(4) All penalties received or recovered from violations of this section shall be remitted monthly by the violator's marketing organization to the Washington state dairy products commission and deposited in a revolving fund to be used solely for the purposes of education and research. No appropriation is required for disbursements from this fund.

(5) In case of a violation of the antibiotic or pesticide residue test requirements, an investigation shall be made to determine the cause of the residue which shall be corrected. Additional samples shall be taken as soon as possible and tested as soon as feasible for antibiotic or pesticide residue by the department or a certified laboratory. After the notice has been received by the producer and the results of a test of such an additional sample indicate that residues are above the actionable level or levels referred to in subsection (1) of this section, the producer's milk may not be sold until a sample is shown to be below the actionable levels established for the residues.

Sec. 49. Section 19, chapter 203, Laws of 1986 and RCW 15.36.595 are each amended to read as follows:

The rules shall be adopted before January 1, 1987, and shall become effective on July 1, 1987.

(2) The penalty is imposed by the department giving a written notice which is either personally served upon or transmitted by certified mail, return receipt requested, to the person incurring the penalty. The notice of the civil penalty shall be a final order of the department unless, within fifteen days after the notice is received, the person incurring the penalty appeals the penalty by filing a notice of appeal with the department. If a notice of appeal is filed in a timely manner, a ((contested case)) hearing shall be conducted on behalf of the department by the office of administrative hearings in accordance with chapters ((34.04)) 34.05 and 34.12 RCW and, to the extent they are not inconsistent with this subsection, the provisions of RCW 15.36.580. At the conclusion of the hearing, the department shall determine whether the penalty should be affirmed, reduced, or not imposed and shall issue a final order setting forth the civil penalty assessed, if any. The order may be appealed to superior court in accordance with chapter ((34.04)) 34.05 RCW. Tests performed for the component parts of milk products by a state laboratory of a milk sample collected by a department official shall be admitted as prima facie evidence of the amounts of milk components in the product.

(3) Any penalty imposed under this section is due and payable upon the issuance of the final order by the department.

(4) All penalties received or recovered from violations of this section shall be remitted by the violator to the department and deposited in the revolving fund of the Washington state dairy products commission. One-half of the funds received shall be used for purposes of education with the remainder one-half to be used for dairy processing ((and/or)) or marketing research, or both. No appropriation is required for disbursements from this fund.

(5) In case of a violation of the standards for the composition of milk products, an investigation shall be made to determine the cause of the violation which shall be corrected. Additional samples shall be taken as soon as possible and tested by the department.

Final decisions may be appealed as provided in chapter ((34-04)) 34.05 RCW, the Administrative Procedure Act;

If the director makes a written finding of fact that the public interest will be irreparably harmed by delay in issuing an order, the director may issue a temporary cease and desist order. The cease and desist order shall not relieve the person so practicing or operating a business without a license from criminal prosecution therefor, but the remedy of a cease and desist order shall be in addition to any criminal liability. The cease and desist order is conclusive proof of unlicensed
practice and may be enforced by civil contempt. This method of enforce-

chapter 34.05 RCW.

Such plan may be amended by the agency at any time by publishing a revision to the review plan and delivering such revised plan to the office of financial management and to all persons who make requests of the agency for the plan. The purpose of the review is to determine whether such rules should be continued without change or should be amended or rescinded, consistent with the stated objectives of applicable statutes, to minimize the economic impact on small businesses as described by this chapter.    e. The degree to which technology, economic conditions, or other factors have changed in the subject area affected by the rule.

3. Each year each agency shall publish a list of rules which are to be reviewed pursuant to this section during the next twelve months and deliver a copy of the list to the office of financial management and all persons who
make requests of the agency for the list. The list shall include a brief
description of the legal basis for each rule as described by RCW

(6) The court or the presiding or reviewing officer shall review the worksheets and the order for adequacy of the reasons set forth for any deviation and for the adequacy of the amount of support ordered. Each order shall state the amount of child support calculated using the standard calculation and the amount of child support actually ordered. Reasons that may support a deviation from the standard calculation include: Possession of wealth, shared living arrangements, extraordinary debts that have not been voluntarily incurred, extraordinarily high income of a child, a significant disparity of the living costs of the parents due to conditions beyond their control, and special needs of disabled children. A deviation may be supported by tax planning considerations only if the child would not receive a lesser economic benefit. Agreement of the parties, by itself, is not adequate reason for deviation.

Sec. 77. Section 11, chapter 435, Laws of 1987 and RCW 26.23.110 are each amended to read as follows:

The department shall establish, by regulation, a process that may be utilized when a support order does not state the obligation to pay current and future support as a fixed dollar amount, or if there is a dispute about the amount of the support debt owed under a support order. This process is authorized in order to facilitate enforcement of the support order, and is intended to implement and effectuate the terms of the order rather than to modify those terms.

The process shall provide for a notice to be served on the responsible parent by personal service or any form of mailing requiring a return receipt. The notice shall contain an initial finding of the amount of current and future support that should be paid and/or the amount of the support debt owed under the support order. ((A copy of the notice of hearing shall be mailed to the person to whom support is payable under the support order.))

The notice shall direct the responsible parent to appear and show cause ((at a hearing held by the department)) in an adjudicative proceeding governed by chapter 34.05 RCW, the Administrative Procedure Act, why the amount of current and future support to be paid and/or the amount of the support debt is incorrect and should not be ordered. The notice shall provide that the responsible parent has twenty days from the date of the service of the notice to ((request an administrative hearing)) file an application for an adjudicative proceeding or initiate an action in superior court. If the responsible parent does not ((request a hearing)) file an application for an adjudicative proceeding or initiate an action in superior court, the amount
of current and future support and/or the amount of the support debt stated in the notice shall be subject to collection action.

If the responsible parent does not initiate such an action in superior court, and serve notice of the action on the department within the twenty-day period, the responsible parent shall be deemed to have made an election of remedies and shall be required to exhaust administrative remedies under this chapter with judicial review available as provided for in chapter 34.05 RCW (34.04.130).

The adjudicative proceeding shall be held pursuant to this section, chapter 34.05 RCW, and rules adopted by the department. A copy of the notice of hearing shall be mailed to the person to whom support is payable under the support order.

An adjudicative order entered in accordance with this section shall state the basis, rationale, or formula upon which the amounts established in the order were based. The amount of current and future support and/or the amount of the support debt determined under this section shall be subject to collection under this chapter and other applicable state statutes.

The regulation shall also provide for an annual review of the support order if either the office of support enforcement or the responsible parent requests such a review.

Sec. 78. Section 12, chapter 435, Laws of 1987 and RCW 26.23.120 are each amended to read as follows:

(1) Any information or records concerning individuals who owe a support obligation or for whom support enforcement services are being provided which are obtained or maintained by the Washington state support registry, the office of support enforcement, or under chapter 74.20 RCW shall be private and confidential and shall only be subject to public disclosure as provided in this section.

(2) The secretary of the department of social and health services shall adopt rules which specify the individuals or agencies to whom this information and these records may be disclosed, the purposes for which the information may be disclosed, and the procedures to obtain the information or records. The rules adopted under this section shall provide for disclosure of the information and records, under appropriate circumstances, which shall include, but not be limited to:

(a) When authorized or required by federal statute or regulation governing the support enforcement program;

(b) To the person the subject of the records or information, unless the information is exempt from disclosure under RCW 42.17.310;

(c) To government agencies, whether state, local, or federal, and including law enforcement agencies, prosecuting agencies, and the executive
branch, if the records or information are needed for child support enforce-
ment purposes;

(d) To the parties in a judicial or ((formal administrative)) adjudica-
tive proceeding upon a specific written finding by the presiding officer that
the need for the information outweighs any reason for maintaining the pri-
vacy and confidentiality of the information or records;

(e) To private persons or organizations if the disclosure is necessary to
permit private contracting parties to assist in the management and opera-
tion of the department;

(f) Disclosure of address and employment information to the parties to
a court order for support for purposes relating to the enforcement or modi-
fication of the order;

(g) Disclosure of information or records when necessary to the efficient
administration of the support enforcement program or to the performance
of functions and responsibilities of the support registry and the office of
support enforcement as set forth in state and federal statutes; or

(h) Disclosure of the information or records when authorized under
RCW 74.04.060.

(3) Prior to disclosing address information to a party to a child custody
order, a notice shall be mailed, if appropriate under the circumstances, to
the last known address of the party whose address has been request-ed. The
notice shall advise the party that a request for disclosure has been made and
will be complied with unless the department receives a copy of a court order
which enjoins the disclosure of the information or restricts or limits the re-
questing party’s right to contact or visit the other party or the child.

(4) Nothing in this section shall be construed as limiting or restricting
the effect of RCW 42.17.260(5). Nothing in this section shall be construed
to prevent the disclosure of information and records if all details identifying
an individual are deleted or the individual consents to the disclosure.

(5) It shall be unlawful for any person or agency in violation of this
section to solicit, publish, disclose, receive, make use of, or to authorize,
knowingly permit, participate in or acquiesce in the use of any lists of
names for commercial or political purposes or the use of any information for
purposes other than those purposes specified in this section. A violation of
this section shall be a gross misdemeanor as provided in chapter 9A.20
RCW.

Sec. 79. Section 3, chapter 273, Laws of 1971 ex. sess. as last amended
by section 63, chapter 370, Laws of 1985 and RCW 28B.15.013 are each
amended to read as follows:

(1) The establishment of a new domicile in the state of Washington by
a person formerly domiciled in another state has occurred if such person is
physically present in Washington primarily for purposes other than educa-
tional and can show satisfactory proof that such person is without a present
intention to return to such other state or to acquire a domicile at some other place outside of Washington.

(2) Unless proven to the contrary it shall be presumed that:

(a) The domicile of any person shall be determined according to the individual's situation and circumstances rather than by marital status or sex.

(b) A person does not lose a domicile in the state of Washington by reason of residency in any state or country while a member of the civil or military service of this state or of the United States, nor while engaged in the navigation of the waters of this state or of the United States or of the high seas if that person returns to the state of Washington within one year of discharge from said service with the intent to be domiciled in the state of Washington; any resident dependent student who remains in this state when such student's parents, having theretofore been domiciled in this state for a period of one year immediately prior to the time of commencement of the first day of the semester or quarter for which the student has registered at any institution, remove from this state, shall be entitled to continued classification as a resident student so long as such student's attendance (except summer sessions) at an institution in this state is continuous.

(3) To aid the institution in deciding whether a student, parent, legally appointed guardian or the person having legal custody of a student is domiciled in the state of Washington primarily for purposes other than educational, the rules and regulations adopted by the higher education coordinating board shall include but not be limited to the following:

(a) Registration or payment of Washington taxes or fees on a motor vehicle, mobile home, travel trailer, boat, or any other item of personal property owned or used by the person for which state registration or the payment of a state tax or fee is required will be a factor in considering evidence of the establishment of a Washington domicile.

(b) Permanent full time employment in Washington by a person will be a factor in considering the establishment of a Washington domicile.

(c) Registration to vote for state officials in Washington will be a factor in considering the establishment of a Washington domicile.

(4) After a student has registered at an institution such student's classification shall remain unchanged in the absence of satisfactory evidence to the contrary. A student wishing to apply for a change in classification shall reduce such evidence to writing and file it with the institution. In any case involving an application for a change from nonresident to resident status, the burden of proof shall rest with the applicant. Any change in classification, either nonresident to resident, or the reverse, shall be based upon written evidence maintained in the files of the institution and, if approved, shall take effect the semester or quarter such evidence was filed with the institution: PROVIDED, That applications for a change in classification shall be accepted up to the thirtieth calendar day following the first day of
instruction of the quarter or semester for which application is made. (Any determination of classification shall be considered a ruling on a contested case subject to court review only under procedures prescribed by chapter 28B.19 RCW.)

Sec. 80. Section 42, chapter 283, Laws of 1969 ex. sess. as amended by section 24, chapter 62, Laws of 1973 and RCW 28B.50.864 are each amended to read as follows:

Any faculty member dismissed pursuant to RCW 28B.50.850 through 28B.50.869 shall have a right to appeal the final decision of the appointing authority in accordance with RCW (28B.19.150 as now or hereafter amended) 34.05.510 through 34.05.598.

Sec. 81. Section 1, chapter 13, Laws of 1981 2nd ex. sess. and RCW 28B.50.873 are each amended to read as follows:

The state board for community college education may declare a financial emergency under the following conditions: (1) Reduction of allotments by the governor pursuant to RCW 43.88.110(2), or (2) reduction by the legislature from one biennium to the next or within a biennium of appropriated funds based on constant dollars using the implicit price deflator. When a district board of trustees determines that a reduction in force of tenured or probationary faculty members may be necessary due to financial emergency as declared by the state board, written notice of the reduction in force and separation from employment shall be given the faculty members so affected by the president or district president as the case may be. Said notice shall clearly indicate that separation is not due to the job performance of the employee and hence is without prejudice to such employee and need only state in addition the basis for the reduction in force as one or more of the reasons enumerated in subsections (1) and (2) of this section.

Said tenured or probationary faculty members will have a right to request a formal hearing when being dismissed pursuant to subsections (1) and (2) of this section. The only issue to be determined shall be whether under the applicable policies, rules or collective bargaining agreement the particular faculty member or members advised of severance are the proper ones to be terminated. Said hearing shall be initiated by filing a written request therefor with the president or district president, as the case may be, within ten days after issuance of such notice. At such formal hearing the tenure review committee provided for in RCW 28B.50.863 may observe the formal hearing procedure and after the conclusion of such hearing offer its recommended decision for consideration by the hearing officer. Failure to timely request such a hearing shall cause separation from service of such faculty members so notified on the effective date as stated in the notice, regardless of the duration of any individual employment contract.

((Said)) The hearing required by this section shall be ((a formal hearing)) an adjudicative proceeding pursuant to chapter 34.05 RCW (28B.19.120) the Administrative Procedure Act, conducted by a hearing officer.
appointed by the board of trustees and shall be concluded by the hearing officer within sixty days after written notice of the reduction in force has been issued. Ten days written notice of the formal hearing will be given to faculty members who have requested such a hearing by the president or district president as the case may be. The hearing officer within ten days after conclusion of such formal hearing shall prepare findings, conclusions of law and a recommended decision which shall be forwarded to the board of trustees for its final action thereon. Any such determination by the hearing officer under this section shall not be subject to further tenure review committee action as otherwise provided in this chapter.

Notwithstanding any other provision of this section, at the time of a faculty member or members request for formal hearing said faculty member or members may ask for participation in the choosing of the hearing officer in the manner provided in RCW 28A.58.455(4), said employee therein being a faculty member for the purposes hereof and said board of directors therein being the board of trustees for the purposes hereof: PROVIDED, That where there is more than one faculty member affected by the board of trustees' reduction in force such faculty members requesting hearing must act collectively in making such request: PROVIDED FURTHER, That costs incurred for the services and expenses of such hearing officer shall be shared equally by the community college and the faculty member or faculty members requesting hearing.

When more than one faculty member is notified of termination because of a reduction in force as provided in this section, hearings for all such faculty members requesting formal hearing shall be consolidated and only one such hearing for the affected faculty members shall be held, and such consolidated hearing shall be concluded within the time frame set forth herein.

Separation from service without prejudice after formal hearing under the provisions of this section shall become effective upon final action by the board of trustees.

It is the intent of the legislature by enactment of this section and in accordance with RCW 28B.52.035, to modify any collective bargaining agreements in effect, or any conflicting board policies or rules, so that any reductions in force which take place after December 21, 1981, whether in progress or to be initiated, will comply solely with the provisions of this section: PROVIDED, That any applicable policies, rules, or provisions contained in a collective bargaining agreement related to lay-off units, seniority and re-employment rights shall not be affected by the provisions of this paragraph.

Nothing in this section shall be construed to affect the right of the board of trustees or its designated appointing authority not to renew a probationary faculty appointment pursuant to RCW 28B.50.857.

Sec. 82. Section 9, chapter 136, Laws of 1986 and RCW 28B.85.090 are each amended to read as follows:

The complaint shall set forth the alleged violation and shall contain information required by the board. A complaint may also be filed with the board by an authorized staff member of the board or by the attorney general.

(2) The board shall investigate any complaint under this section and may attempt to bring about a settlement. The board may hold a ((contested case)) hearing pursuant to the Administrative Procedure Act, chapter ((34-.04)) 34.05 RCW, in order to determine whether a violation has occurred. If the board prevails, the degree-granting institution shall pay the costs of the administrative hearing.

(3) If, after the hearing, the board finds that the institution or its agent engaged in or is engaging in any unfair business practice, the board shall issue and cause to be served upon the violator an order requiring the violator to cease and desist from the act or practice and may impose the penalties under RCW 28B.85.100. If the board finds that the complainant has suffered loss as a result of the act or practice, the board may order full or partial restitution for the loss. The complainant is not bound by the board's determination of restitution and may pursue any other legal remedy.

Sec. 83. Section 12, chapter 299, Laws of 1986 and RCW 28C.10.120 are each amended to read as follows:

(2) The agency shall investigate any complaint under this section and may attempt to bring about a settlement. The agency may hold a ((contested case)) hearing pursuant to the Administrative Procedure Act, chapter ((34-.04)) 34.05 RCW, in order to determine whether a violation has occurred. If the agency prevails, the private vocational school shall pay the costs of the administrative hearing.

(3) If, after the hearing, the agency finds that the private vocational school or its agent engaged in or is engaging in any unfair business practice, the agency shall issue and cause to be served upon the violator an order requiring the violator to cease and desist from the act or practice and may impose the penalties under RCW 28C.10.130. If the agency finds that the complainant has suffered loss as a result of the act or practice, the agency may order full or partial restitution for the loss. The complainant is not bound by the agency's determination of restitution and may pursue any other legal remedy.

The department of general administration shall consult with handicapped persons, blind persons, counties, cities, and the state building code ((advisory)) council in adopting the suggested standards. The claimant's availability for work shall be determined apart from all other matters.

The appeal shall not be denied solely on the basis that it was not filed with both the board and the director if it was filed with either the board or the director. The appeal shall set forth with particularity the reason for the employer's appeal and the amounts, if any, that the employer admits are due.

The department, within thirty days after receiving a notice of appeal, may modify, reverse, or change any notice of assessment, or may hold any such notice of assessment in abeyance pending further investigation, and the board shall thereupon deny the appeal, without prejudice to the employer's right to appeal from any subsequent determinative notice of assessment issued by the department.

The burden of proof rests upon the employer in an appeal to prove that the taxes and penalties assessed upon the employer in the notice of assessment are incorrect. The department shall promptly transmit its original record, or a legible copy thereof, produced by mechanical, photographic, or electronic means, in such matter to the board. RCW 51.52.080 through 51.52.106 govern appeals under this section. RCW ((34.04.130)) 34.05.510 through 34.05.598, or if a final decision of any court in favor of the department is not appealed within the time allowed by law, then the amount of the unappealed assessment, or such amount of the assessment as is found due by the final decision and order of the board of industrial insurance appeals or final decision of the court shall be deemed final and the director or the director's designee may file with the clerk of any county within the state a warrant in the amount of the notice of assessment. The clerk of the county wherein the warrant is filed shall immediately designate a superior court cause number for such warrant, and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of such employer mentioned in the warrant, the amount of the taxes and penalties due thereon, and the date when such warrant was filed. The aggregate amount of such warrant as docketed shall become a lien upon the title to, and interest in all real and personal property of the employer against whom the warrant is issued, the same as a judgment in a civil case duly docketed in the office of such clerk. The sheriff shall thereupon proceed upon the same in all respects and with like effect as prescribed by law with respect to execution or other process issued against rights or property upon judgment in the superior court. Such warrant so docketed shall be sufficient to support the issuance of writs of garnishment in favor of the state in a manner provided by law in case of judgment, wholly or partially unsatisfied. The clerk of the court shall be entitled to a filing fee of five dollars, which shall be added to the amount of the warrant. A copy of such warrant shall be mailed to the employer within three days of filing with the clerk.

(a) The relationship of the health services being reviewed to the applicable health plans;

(b) The need that the population served or to be served by such services has for such services;

(c) The availability of less costly or more effective alternative methods of providing such services;

(d) The financial feasibility and the probable impact of the proposal on the cost of and charges for providing health services in the community to be served, including findings and recommendations of the Washington state hospital commission in the case of applications submitted by hospitals. An application by a hospital shall be denied if the state hospital commission does not recommend approval, unless the secretary provides the commission with a written statement setting forth the reason or reasons, and citing the applicable subsection or subsections of this section, for approving an application that the commission has determined to be not feasible;

(e) In the case of health services to be provided, (i) the availability of alternative uses of project resources for the provision of other health services, (ii) the extent to which such proposed services will be accessible to all residents of the area to be served, and (iii) the need for and the availability in the community of services and facilities for osteopathic and allopathic physicians and their patients. The department shall consider the application in terms of its impact on existing and proposed institutional training programs for doctors of osteopathy and medicine at the student, internship, and residency training levels;

(f) In the case of a construction project, the costs and methods of the proposed construction, including the cost and methods of energy provision, and the probable impact of the construction project reviewed (i) on the cost of providing health services by the person proposing such construction project and (ii) on the cost and charges to the public of providing health services by other persons;

(j) In the case of existing services or facilities, the quality of care provided by such services or facilities in the past; and

(k) In the case of hospital certificate of need applications, whether the hospital meets or exceeds the regional average level of charity care, as determined by the hospital commission.

(3) A certificate of need application of a health maintenance organization or a health care facility which is controlled, directly or indirectly, by a health maintenance organization, shall be approved by the department if the department finds:

(a) Approval of such application is required to meet the needs of the members of the health maintenance organization and of the new members which such organization can reasonably be expected to enroll; and

(b) The health maintenance organization is unable to provide, through services or facilities which can reasonably be expected to be available to the organization, its institutional health services in a reasonable and cost-effective manner which is consistent with the basic method of operation of the organization and which makes such services available on a long-term basis through physicians and other health professionals associated with it.

A health care facility (or any part thereof) or medical equipment with respect to which a certificate of need was issued under this subsection may not be sold or leased and a controlling interest in such facility or equipment or in a lease of such facility or equipment may not be acquired unless the department issues a certificate of need approving the sale, acquisition, or lease.

(4) The decision of the department on a certificate of need application shall be consistent with the state health plan in effect, except in emergency circumstances which pose a threat to the public health. The department in making its final decision may issue a conditional certificate of need if it finds that the project is justified only under specific circumstances. The conditions shall directly relate to the project being reviewed. The conditions may be released if it can be substantiated that the conditions are no longer valid and the release of such conditions would be consistent with the purposes of this chapter.

(5) Criteria adopted for review in accordance with subsection (2) of this section may vary according to the purpose for which the particular review is being conducted or the type of health service reviewed.

(6) The department shall specify information to be required for certificate of need applications. Within fifteen days of receipt of the application, the department shall request additional information considered necessary to the application or start the review process. Applicants may decline to submit requested information through written notice to the department, in
which case review starts on the date of receipt of the notice. Applications may be denied or limited because of failure to submit required and necessary information.

(7) Concurrent review is for the purpose of comparative analysis and evaluation of competing or similar projects in order to determine which of the projects may best meet identified needs. Categories of projects subject to concurrent review include at least new health care facilities, new services, and expansion of existing health care facilities. The department shall specify time periods for the submission of applications for certificates of need subject to concurrent review, which shall not exceed ninety days. Review of concurrent applications shall start fifteen days after the conclusion of the time period for submission of applications subject to concurrent review. Concurrent review periods shall be limited to one hundred fifty days, except as provided for in rules adopted by the department authorizing and limiting amendment during the course of the review, or for an unresolved pivotal issue declared by the department.

(8) Review periods for certificate of need applications other than those subject to concurrent review shall be limited to ninety days. Review periods may be extended up to thirty days if needed by a review agency, and for unresolved pivotal issues the department may extend up to an additional thirty days. A review may be extended in any case if the applicant agrees to the extension.

(9) The department or a designated regional health council shall conduct a public hearing on a certificate of need application if requested unless the review is expedited or subject to emergency review. The review of reductions or cost increases shall be restricted to the continued conformance of the project with the review criteria pertaining to financial feasibility and cost containment.

((§13)) (12) An application for a certificate of need for a capital expenditure which is determined by the department to be required to eliminate or prevent imminent safety hazards or correct violations of applicable licensure and accreditation standards shall be approved.

(3) The department shall maintain a list of approved public and private
treatment facilities at reasonable times and in a reasonable manner.

(4) Each approved public and private treatment facility shall file with
the department on request, data, statistics, schedules, and information the
department reasonably requires. An approved public or private treatment

(5) The department may suspend, revoke, limit, restrict, or modify an approval, or refuse to grant an approval, for failure to meet the provisions of this chapter, or the standards established thereunder. (5) In order to avoid duplication of efforts, the agency may acquire the data requested under this section from public and private entities that possess this information.

Sec. 133. Section 13, chapter 207, Laws of 1961 and RCW 70.98.130 are each amended to read as follows:
In any proceeding under this chapter for the issuance or modification or repeal of rules (and regulations) relating to control of sources of ionizing radiation, the agency shall comply with the requirements of chapter 34.05 RCW (34.04.020) the Administrative Procedure Act.

Notwithstanding any other provision of this chapter, whenever the agency finds that an emergency exists requiring immediate action to protect the public health, safety, or general welfare, the agency may, in accordance with RCW 34.05.350 without notice or hearing, adopt a rule reciting the existence of such emergency and require that such action be taken as is necessary to meet the emergency. As specified in RCW 34.05.350, such rules are effective immediately.

Sec. 134. Section 7, chapter 2, Laws of 1987 3rd ex. sess. and RCW 70.105B.070 are each amended to read as follows:

(1) Whenever the department has reason to believe that a release or threatened release of a hazardous substance will require remedial action, it shall notify potentially liable persons with respect to the release or threatened release, and provide them with a reasonable opportunity to propose a settlement agreement providing for remedial action. Whenever the department considers it to be in the public interest, the department shall expedite such an agreement with parties whose contribution of hazardous substances is insignificant in amount and toxicity.

(2) The department shall adopt rules under chapter 34.05 RCW, the Administrative Procedure Act, to implement this section. At a minimum the rules shall:

(a) Provide procedures by which potentially liable persons may propose one or more remedial actions;

(b) Provide procedures for public notice and an opportunity to comment on proposed settlements;

(c) Establish reasonable deadlines and time periods for activities under this subsection; and

(d) Ensure that agreements providing for voluntary cleanups attain the cleanup levels required under RCW 70.105B.060.

(3) Where the department and one or more potentially liable persons are unable to reach agreement for remedial action that will provide a final cleanup remedy, the persons may submit a final offer of a proposed settlement agreement, together with any material supporting the proposal. The department shall consider the offer and material submitted, as well as public comments provided on the offer, and shall issue a decision accepting or rejecting the offer. Where the department accepts the offer, it shall be entered as a consent decree pursuant to the procedures of subsection (5) of this section. Where the department rejects the offer, it shall state in writing its reasons for rejection. This review process shall not be considered ((a
contested case) an adjudicative proceeding for the purpose of the Administrative Procedure Act, chapter (34.04) 34.05 RCW.

(4) The person or persons proposing an agreement rejected by the department under subsection (3) of this section have a right to review only as provided in RCW 70.105B.130.

(5) Where the department and potentially liable persons reach an agreement providing for voluntary remedial action, it shall be filed with the appropriate superior court as a proposed consent decree. The court shall allow at least thirty days for public comments before the proposed decree is entered, and the department shall file with the court any written comments received on the proposed decree.

(6) A person who has resolved its liability to the state under this section is not liable for claims for contribution regarding matters addressed in the settlement. The settlement does not discharge any of the other potentially liable persons, but it reduces the total potential liability of the others to the state by the amount of the settlement.

(7) The director may enter into a settlement agreement that requires the department to provide a specified amount of money from the state toxics control account to help defray the costs of implementing the plan. These funds may be provided only in circumstances where the director finds it would expedite or enhance cleanup operations or achieve greater fairness with respect to the payment of remedial action costs. In determining whether public funding will achieve greater fairness, the director shall consider the extent to which public funding will prevent or mitigate economic hardship. The director shall adopt rules providing criteria and priorities governing public funding of remedial action costs under this subsection. The amount of public funding in an agreement under this section shall be determined solely in the discretion of the director and is not subject to review. The department may recover the amount of public funding provided under this subsection from a potentially liable person who has not entered into a settlement agreement under this section or fulfilled all obligations under the agreement. For purposes of such a recovery action, the amount shall be considered as remedial action costs paid by the department.

Sec. 135. Section 4, chapter 271, Laws of 1986 and RCW 70.119A.040 are each amended to read as follows:

(1) In addition to or as an alternative to any other penalty provided by law, every person who commits any of the acts or omissions in RCW 70.119A.030 shall be subjected to a penalty in an amount of not more than five thousand dollars per day for every such violation. Every such violation shall be a separate and distinct offense. The amount of fine shall reflect the health significance of the violation and the previous record of compliance on the part of the public water supplier. In case of continuing violation, every day's continuance shall be a separate and distinct violation. Every person who, through an act of commission or omission, procures, aids, or abets in
the violation shall be considered to have violated the provisions of this section and shall be subject to the penalty provided in this section.

(2) The penalty provided for in this section shall be imposed by a notice in writing(, either by certified mail with return receipt requested or by personal service,) to the person (incurring the same from the department, describing) against whom the civil fine is assessed and shall describe the violation (with reasonable particularity). The notice shall be personally served in the manner of service of a summons in a civil action or in a manner that shows proof of receipt. A penalty imposed by this section is due twenty-eight days after receipt of notice unless application for remission or mitigation is made as provided in subsection (3) of this section or unless application for an adjudicative proceeding is filed as provided in subsection (4) of this section.

(3) Within ((fifteen)) fourteen days after the notice is received, the person incurring the penalty may apply in writing to the department for the remission or mitigation of such penalty. Upon receipt of the application, the department may remit or mitigate the penalty upon whatever terms the department in its discretion deems proper, giving consideration to the degree of hazard associated with the violation, provided the department deems such remission or mitigation to be in the best interests of carrying out the purposes of this chapter. The department shall have authority to ascertain the facts regarding all such applications in such reasonable manner (and under such rules) as it may deem proper. ((Any penalty imposed by this section shall be subject to review by the office of administrative hearings in accordance with chapter 34.12 RCW.)) When an application for remission on mitigation is made, a penalty incurred under this section is due twenty-eight days after receipt of the notice setting forth the disposition of the application, unless an application for an adjudicative proceeding to contest the disposition is filed as provided in subsection (4) of this section.

(4) Within twenty-eight days after notice is received, the person incurring the penalty may file an application for an adjudicative proceeding and may pursue subsequent review as provided in chapter 34.05 RCW and applicable rules of the department or board of health.

(5) A penalty imposed by ((this section shall become due and payable thirty days after receipt of a notice imposing the same unless application for remission or mitigation is made or petition for review is filed directly to the office of administrative hearings within thirty days of the imposition of the penalty. When such an application for remission or mitigation is made, any penalty incurred pursuant to this section shall become due and payable thirty days after receipt of notice setting forth the disposition of such application. Any penalty resulting from a decision of the office of administrative hearings shall become due and payable thirty days after receipt of the notice setting forth the decision;))
(4) If the amount of any penalty is not paid within thirty days after it becomes due and payable, a final order after an adjudicative proceeding is due upon service of the final order.

(6) The attorney general upon the request of the secretary of the department shall bring an action in the name of the ((state of Washington)) department in the superior court of Thurston county, or of any county in which such violator may do business, to collect a penalty. In all such actions, the procedure and rules of evidence shall be the same as an ordinary civil action except as otherwise in this chapter provided:

(5) All penalties imposed under this section shall be payable to the state treasury and credited to the general fund.

Sec. 136. Section 4, chapter 244, Laws of 1986 and RCW 70.150.040 are each amended to read as follows:

The legislative authority of a public body may secure services by means of an agreement with a service provider. Such an agreement may obligate a service provider to design, finance, construct, own, operate, or maintain water pollution control facilities by which services are provided to the public body. Service agreements and related agreements under this chapter shall be entered into in accordance with the following procedure:

(1) The legislative authority of the public body shall publish notice that it is seeking to secure certain specified services by means of entering into an agreement with a service provider. The notice shall be published in the official newspaper of the public body, or if there is no official newspaper then in a newspaper in general circulation within the boundaries of the public body, at least once each week for two consecutive weeks. The final notice shall appear not less than sixty days before the date for submission of proposals. The notice shall state (a) the nature of the services needed, (b) the location in the public body's offices where the requirements and standards for construction, operation, or maintenance of projects needed as part of the services are available for inspection, and (c) the final date for the submission of proposals. The legislative authority may undertake a prequalification process by the same procedure set forth in this subsection.

(2) The request for proposals shall (a) indicate the time and place responses are due, (b) include evaluation criteria to be considered in selecting a service provider, (c) specify minimum requirements or other limitations applying to selection, (d) insofar as practicable, set forth terms and provisions to be included in the service agreement, and (e) require the service provider to demonstrate in its proposal that a public body's annual costs will be lower under its proposal than they would be if the public body financed, constructed, owned, operated, and maintained facilities required for service.

(3) The criteria set forth in the request for proposals shall be those determined to be relevant by the legislative authority of the public body,
which may include but shall not be limited to: The respondent's prior experience, including design, construction, or operation of other similar facilities; respondent's management capability, schedule availability, and financial resources; cost of the service; nature of facility design proposed by respondents; system reliability; performance standards required for the facilities; compatibility with existing service facilities operated by the public body or other providers of service to the public body; project performance warranties; penalty and other enforcement provisions; environmental protection measures to be used; and allocation of project risks. The legislative authority shall designate persons or entities (a) to assist it in issuing the request for proposals to ensure that proposals will be responsive to its needs, and (b) to assist it in evaluating the proposals received. The designee shall not be a member of the legislative authority.

(4) After proposals under subsections (1) through (3) of this section have been received, the legislative authority's designee shall determine, on the basis of its review of the proposals, whether one or more proposals have been received from respondents which are (a) determined to be qualified to provide the requested services, and (b) responsive to the notice and evaluation criteria, which shall include, but not be limited to, cost of services. These chosen respondents shall be referred to as the selected respondents in this section. The designee shall conduct a bidder's conference to include all these selected respondents to assure a full understanding of the proposals. The bidder's conference shall also allow the designee to make these selected respondents aware of any changes in the request for proposal. Any information related to revisions in the request for proposal shall be made available to all these selected respondents. Any selected respondent shall be accorded a reasonable opportunity for revision of its proposal prior to commencement of the negotiation provided in subsection (5) of this section, for the purpose of obtaining best and final proposals.

(5) After such conference is held, the designee may negotiate with the selected respondent whose proposal it determines to be the most advantageous to the public body, considering the criteria set forth in the request for proposals. If the negotiation is unsuccessful, the legislative authority may authorize the designee to commence negotiations with any other selected respondent. On completion of this process, the designee shall report to the legislative authority on his or her recommendations and the reasons for them.

(6) Any person aggrieved by the legislative authority's approval of a contract may appeal the determination to an appeals board selected by the public body, which shall consist of not less than three persons determined by the legislative authority to be qualified for such purposes. (b) The alternative service is appropriate under the goals and objectives of the person's individual service plan;

(c) The alternative service is not in violation of applicable state and federal law; and

(d) The service can reasonably be made available.

(3) If the requested alternative service meets all of the criteria of subsection (2) of this section, the service shall be authorized as soon as reasonable, but not later than one hundred twenty days after completion of the determination process, unless the secretary determines that:

Sec. 143. Section 708, chapter 176, Laws of 1988 and RCW 71A.20-080 are each amended to read as follows:

Whenever in the judgment of the secretary, the treatment and training of any resident of a residential habilitation center has progressed to the point that it is deemed advisable to return such resident to the community, the secretary may grant placement on such terms and conditions as the secretary may deem advisable after notification to the resident, and with any available parent, guardian, or other court-appointed personal representative of such person:

(9) "Support moneys" means any moneys or in-kind providings paid to satisfy a support obligation whether denominated as child support, spouse support, alimony, maintenance, or any other such moneys intended to satisfy an obligation for support of any person or satisfaction in whole or in part of arrears or delinquency on such an obligation.

Support debt also includes any accrued interest, fees, or penalties charged on a support debt, and attorneys fees and other costs of litigation awarded in an action to establish and enforce a support obligation or debt.

Sec. 152. Section 25, chapter 183, Laws of 1973 1st ex. sess. as last amended by section 10, chapter 275, Laws of 1988 and RCW 74.20A.055 are each amended to read as follows:

(1) The secretary may, in the absence of a superior court order, serve on the responsible parent or parents a notice and finding of financial responsibility requiring a responsible parent or parents to appear and show cause in an adjudicative proceeding why the finding of responsibility and/or the amount thereof is incorrect, should not be finally ordered, but should be rescinded or modified. This notice and finding shall relate to the support debt accrued and/or accruing under this chapter and/or RCW 26.16.205, including periodic payments to be made in the future for such period of time as the child or children of said responsible parent or parents are in need. The hearing shall be held pursuant to RCW 74.20A.055, chapter 34.05 RCW, the Administrative Procedure Act, and the rules of the department.

(2) The notice and finding of financial responsibility shall be served in the same manner prescribed for the service of a summons in a civil action or may be served on the responsible parent by certified mail, return receipt requested. The receipt shall be prima facie evidence of service. The notice shall be served upon the debtor within sixty days from the date the state assumes responsibility for the support of the dependent child or children on whose behalf support is sought. If the notice is not served within sixty days
from such date, the department shall lose the right to reimbursement of payments made after the sixty-day period and before the date of notification: PROVIDED, That if the department exercises reasonable efforts to locate the debtor and is unable to do so the entire sixty-day period is tolled until such time as the debtor can be located. Any responsible parent who objects to all or any part of the notice and finding shall have the right for not more than twenty days from the date of service to file an application for an adjudicative proceeding. The application shall be served upon the department by registered or certified mail or personally. If no such application is made, the notice and finding of responsibility shall become final and the debt created therein shall be subject to collection action as authorized under this chapter. If a timely application is made, the execution of notice and finding of responsibility shall be stayed pending the entry of the final administrative order. If no timely written application has previously been made, the responsible parent may petition the secretary or the secretary's designee at any time for an adjudicative proceeding as provided for in this section upon a showing of good cause for the failure to make a timely application. The filing of the petition for an adjudicative proceeding after the twenty-day period shall not affect any collection action previously taken under this chapter. The granting of an adjudicative proceeding as provided for in this section upon a showing of good cause for the failure to make a timely application operates as a stay on any future collection action, pending entry of the final administrative order. Moneys withheld as a result of collection action in effect at the time of the granting of an adjudicative proceeding after the twenty-day period shall be delivered to the department and shall be held in trust by the department pending entry of the final administrative order. The department may petition the presiding or reviewing officer to set temporary current and future support to be paid beginning with the month in which the application after the twenty-day period is granted. The presiding or reviewing officer shall order payment of temporary current and future support if appropriate in an amount determined pursuant to the child support schedule adopted under RCW 26.19.040. In the event the responsible parent does not make payment of the temporary current and future support as ordered by the presiding or reviewing officer, the department may take collection action pursuant to chapter 74.20A RCW during the pendency of the adjudicative proceeding or thereafter...
to collect any amounts owing under the order. Temporary current and future support paid, or collected, during the pendency of the adjudicative proceeding shall be disbursed to the custodial parent or as otherwise appropriate when received by the department. If the final administrative order is that the department has collected from the responsible parent other than temporary current or future support, an amount greater than such parent's past support debt, the department shall promptly refund any such excess amount to such parent.

(3) Hearings may be held in the county of residence or other place convenient to the responsible parent. The notice and finding of financial responsibility shall set forth the amount the department has determined the responsible parent owes, the support debt accrued and/or accruing, and periodic payments to be made in the future for such period of time as the child or children of the responsible parent are in need, all computable on the basis of the need alleged. The notice and finding shall also include a statement of the name of the recipient or custodian and the name of the child or children for whom need is alleged; and/or a statement of the amount of periodic future support payments as to which financial responsibility is alleged.

(4) The notice and finding shall include a statement that the responsible parent may object to all or any part of the notice and finding, and file an application for an adjudicative proceeding to show cause why said responsible parent should not be determined to be liable for any or all of the debt, past and future.

The notice and finding shall include a statement that, if the responsible parent fails in timely fashion to file an application for an adjudicative proceeding, the support debt and payments stated in the notice and finding, including periodic support payments in the future, shall be assessed and determined and ordered by the department and that this debt shall be subject to collection action; a statement that the property of the debtor, without further advance notice or hearing, will be subject to lien and foreclosure, distrain, seizure and sale, or order to withhold and deliver to satisfy the debt.

(5) If a hearing is requested, it shall be promptly scheduled, in no more than thirty days. The hearing, including a hearing on prospective modification, shall be conducted by an administrative law judge appointed under chapter 34.12 RCW.

After evidence has been presented at hearings conducted by the administrative law judge, the administrative law judge shall enter an initial decision and order which shall be in writing and shall contain findings and conclusions as to each contested issue of fact and law, as well as the order based thereon. The administrative law judge shall file the original of the
initial decision and order, signed by the administrative law judge, with the
secretary or the secretary's designee. Copies of the initial decision and order
shall be mailed by the administrative law judge to the department and to
the appellant by certified mail to the last known address of each party:
Within thirty days of filing, either the appellant or the department may file
with the secretary or the secretary's designee a written petition for review of
the initial decision and order. The petition for review shall set forth in detail
the basis for the requested review and shall be mailed by the petitioning
party to the other party by certified or registered mail to the last known
address of the party.

The petition shall be based on any of the following causes materially
affecting the substantial rights of the petitioner:

(a) Irregularity in the proceedings of the administrative law judge or
adverse party; or any order of the administrative law judge, or abuse of dis-
cretion, by which the moving party was prevented from having a fair
hearing;

(b) Misconduct of the prevailing party;

(c) Accident or surprise which ordinary prudence could not have
guarded against;

(d) Newly discovered evidence, material for the party making the ap-
plication, which the party could not with reasonable diligence have dis-
covered and produced at the hearing;

(e) That there is no evidence or reasonable inference from the evidence
to justify the decision, or that it is contrary to law;

(f) Error in mathematical computation;

(g) Error in law occurring at the hearing and objected to at the time
by the party making the application;

(h) That the moving party is unable to perform according to the terms
of the order without further clarification;

(i) That substantial justice has not been done;

(j) Fraud or misstatement of facts by any witness, which materially
affects the debt;

(k) Clerical mistakes in the decision arising from oversight or omission;
or

(l) That the decision and order entered because the responsible parent
failed to appear at the hearing should be vacated and the matter be re-
manded for a hearing upon showing of the grounds enumerated in RCW
4.72.010 or superior court civil rule 60.

In the event no petition for review is made as provided in this subsec-
tion by any party, the initial decision and order of the administrative law
judge is final as of the date of filing and becomes the decision and order of
the secretary. No appeal may be taken therefrom to the courts and the debt
created is subject to collection action as authorized by this chapter.
After the receipt of a petition for review, the secretary or the secretary's designee shall consider the initial decision and order, the petition or petitions for review, the record or any part thereof, and such additional evidence and argument as the secretary or the secretary's designee may in his or her discretion allow. The secretary or the secretary's designee may remand the proceedings to the administrative law judge for additional evidence or argument. The secretary or the secretary's designee may deny review of the initial decision and order and thereupon deny the petition or petitions at which time the initial decision and order shall be final as of the date of the denial and all parties shall forthwith be notified, in writing, of the denial, by certified mail to the last known address of the parties. Unless the petition is denied, the secretary or the secretary's designee shall review the initial decision and order and shall make the final decision and order of the department. The final decision and order shall be in writing and shall contain findings of fact and conclusions of law as to each contested issue of fact and law. A copy of the decision and order, including the findings and conclusions, shall be mailed to each party to the appeal by certified mail to the last known address of the party. The decision and order shall authorize collection action, as appropriate, under this chapter.

(6) The administrative law judge in his or her initial decision, or the secretary or the secretary's designee in review of the initial decision, an application for an adjudicative proceeding is filed, the presiding or reviewing officer shall determine the past liability and responsibility, if any, of the alleged responsible parent and shall also determine the amount of periodic payments to be made in the future, which amount is not limited by the amount of any public assistance payment made to or for the benefit of the child. If deviating from the child support schedule adopted under RCW 26.19.040 in making these determinations, the administrative law judge, and the secretary or the secretary's designee, presiding or reviewing officer shall comply with RCW 26.19.020 (4), (5), and (6).

If the responsible parent fails to (appear at) attend or participate in the hearing or other stage of an adjudicative proceeding, upon a showing of valid service, the administrative law judge presiding officer shall enter an initial decision and order declaring the support debt and payment provisions stated in the notice and finding of financial responsibility to be assessed and determined and subject to collection action. (Within thirty days of entry of said decision and order, the responsible parent may petition the secretary or the secretary's designee to vacate said decision and order upon a showing of any of the grounds enumerated in RCW 4.72.010 or superior court civil rule 60.

(7)) (6) The final decision entered pursuant to this section shall be entered as a decision and order (and shall limit the support debt to the amounts stated in said decision). PROVIDED, That said decision) establishing liability and/or future periodic support payments shall be superseded
upon entry of a superior court order for support to the extent the superior court order is inconsistent with the \((\text{hearing})\) administrative order \((\text{or decision})\): PROVIDED \((\text{FURTHER})\), That in the absence of a superior court order, either the responsible parent or the department may petition the secretary or his designee for issuance of an order to appear and show cause based on a showing of good cause and material change of circumstances, to require the other party to appear and show cause why the \((\text{decision})\) order previously entered should not be prospectively modified. Said order to appear and show cause together with a copy of the petition and affidavit upon which the order is based shall be served in the manner of a summons in a civil action or by certified mail, return receipt requested, on the other party by the petitioning party. \((A\text{ hearing shall be set not less than fifteen nor more than thirty days from the date of service, unless extended for good cause shown.)}\) Prospective modification may be ordered, but only upon a showing of good cause and material change of circumstances. \((\text{The decision and order for prospective modification entered by the administrative law judge shall be an initial decision subject to review by the secretary or the secretary's designee as provided for in this section:})\)

\((8)\) The \((\text{administrative law judge, in making the initial decision and the secretary or the secretary's designee in the final decision determining liability and/or future periodic support payments,})\) presiding or reviewing officer shall order support payments under the child support schedule adopted under RCW 26.19.040.

\((9)\) Debts determined pursuant to this section, accrued and not paid, are subject to collection action under this chapter without further necessity of action by \((\text{the administrative law judge, or the secretary or secretary's designee})\) a presiding or reviewing officer.

\((10)\) "Need" as used in this section shall mean the necessary costs of food, clothing, shelter, and medical attendance for the support of a dependent child or children. The amount determined by reference to the child support schedule adopted under RCW 26.19.040, shall be a rebuttable presumption of the alleged responsible parent's ability to pay and the need of the family: PROVIDED, That such responsible parent shall be presumed to have no ability to pay child support under this chapter from any income received from aid to families with dependent children, supplemental security income, or continuing general assistance.

Sec. 153. Section 6, chapter 164, Laws of 1971 ex. sess. as last amended by section 5, chapter 171, Laws of 1979 ex. sess. and RCW 74-20A.060 are each amended to read as follows:

Twenty-one days after receipt or refusal of notice of debt under provisions of RCW 74.20A.040, or twenty-one days after service of notice and finding of financial responsibility, or as otherwise appropriate under RCW 74.20A.055, or as appropriate under RCW 74.20A.270 a lien may be asserted by the secretary upon the real or personal property of the debtor. The
claim of the department for a support debt, not paid when due, shall be a lien against all property of the debtor with priority of a secured creditor. This lien shall be separate and apart from, and in addition to, any other lien created by, or provided for, in this title. The lien shall attach to all real and personal property of the debtor on the date of filing of such statement with the county auditor of the county in which such property is located. A lien against earnings shall attach and be effective subject to service requirements of RCW 74.20A.070 upon filing with the county auditor of the county in which the employer does business or maintains an office or agent for the purpose of doing business.

Whenever a support lien has been filed and there is in the possession of any person, firm, corporation, association, political subdivision or department of the state having notice of said lien any property which may be subject to the support lien, such property shall not be paid over, released, sold, transferred, encumbered or conveyed, except as provided for by the exemptions contained in RCW 74.20A.090 and 74.20A.130, unless a written release or waiver signed by the secretary has been delivered to said person, firm, corporation, association, political subdivision or department of the state or unless a determination has been made in ((a fair hearing)) an adjudicative proceeding pursuant to RCW 74.20A.055 or by a superior court ordering release of said support lien on the basis that no debt exists or that the debt has been satisfied.

Sec. 154. Section 8, chapter 164, Laws of 1971 ex. sess. as last amended by section 6, chapter 276, Laws of 1985 and RCW 74.20A.080 are each amended to read as follows:

Twenty-one days after service of a notice of debt as provided for in RCW 74.20A.040, or twenty-one days after service of the notice and finding of financial responsibility or as otherwise appropriate under RCW 74.20A.055, or as appropriate under RCW 74.20A.270, the secretary is hereby authorized to issue to any person, firm, corporation, association, political subdivision, or department of the state, an order to withhold and deliver property of any kind including, but not restricted to, earnings which are due, owing, or belonging to the debtor, when the secretary has reason to believe that there is in the possession of such person, firm, corporation, association, political subdivision, or department of the state property which is due, owing, or belonging to said debtor. The order to withhold and deliver shall state the amount of the support debt accrued, and shall state in summary the terms of RCW 74.20A.090 and 74.20A.100. The order to withhold and deliver shall be served in the manner prescribed for the service of a summons in a civil action or by certified mail, return receipt requested. Any person, firm, corporation, association, political subdivision, or department of the state upon whom service has been made is hereby required to answer said order to withhold and deliver within twenty days, exclusive of the day of service, under oath and in writing, and shall make true answers to the
matters inquired of therein. The secretary may require further and additional answers to be completed by the person, firm, corporation, association, political subdivision, or department of the state. In the event there is in the possession of any such person, firm, corporation, association, political subdivision, or department of the state any property which may be subject to the claim of the department of social and health services, such property shall be withheld immediately upon receipt of the order to withhold and deliver and shall, after the twenty day period, upon demand, be delivered forthwith to the secretary. The secretary shall hold said property in trust for application on the indebtedness involved or for return, without interest, in accordance with final determination of liability or nonliability. In the alternative, there may be furnished to the secretary a good and sufficient bond, satisfactory to the secretary, conditioned upon final determination of liability. Where money is due and owing under any contract of employment, express or implied, or is held by any person, firm, corporation, or association, political subdivision, or department of the state subject to withdrawal by the debtor, such money shall be delivered by remittance payable to the order of the secretary. Delivery to the secretary of the money or other property held or claimed shall satisfy the requirement of the order to withhold and deliver. Delivery to the secretary shall serve as full acquittance and the state warrants and represents that it shall defend and hold harmless for such actions persons delivering money or property to the secretary pursuant to this chapter. The state also warrants and represents that it shall defend and hold harmless for such actions persons withholding money or property pursuant to this chapter. The foregoing is subject to the exemptions contained in RCW 74.20A.090.

The secretary shall also, on or before the date of service of the order to withhold and deliver, mail or cause to be mailed by certified mail a copy of the order to withhold and deliver to the debtor at the debtor's last known post office address, or, in the alternative, a copy of the order to withhold and deliver shall be served on the debtor in the same manner as a summons in a civil action on or before the date of service of the order or within two days thereafter. The copy of the order shall be mailed or served together with a concise explanation of the right to petition for [(a hearing)] judicial review. This requirement is not jurisdictional, but, if the copy is not mailed or served as in this section provided, or if any irregularity appears with respect to the mailing or service, the superior court, in its discretion on motion of the debtor promptly made and supported by affidavit showing that the debtor has suffered substantial injury due to the failure to mail the copy, may set aside the order to withhold and deliver and award to the debtor an amount equal to the damages resulting from the secretary's failure to serve on or mail to the debtor the copy.
An order to withhold and deliver issued in accordance with this section has priority over any other wage assignment or garnishment, except for another wage assignment or garnishment for support moneys.

Any person, firm, corporation, association, or political subdivision, or department of the state required to withhold and deliver the earnings of a debtor under this action may deduct a processing fee from the remainder of the debtor's earnings, even if the remainder would otherwise be exempt under RCW 74.20A.090. The processing fee shall not exceed ten dollars for the first disbursement to the department and one dollar for each subsequent disbursement under the order to withhold and deliver.

Sec. 155. Section 12, chapter 164, Laws of 1971 ex. sess. as amended by section 3, chapter 41, Laws of 1983 1st ex. sess. and RCW 74.20A.120 are each amended to read as follows:

In the case of a bank, bank association, mutual savings bank, or savings and loan association maintaining branch offices, service of a lien or order to withhold and deliver or any other notice or document authorized by this chapter shall only be effective as to the accounts, credits, or other personal property of the debtor in the particular branch upon which service is made.

If the department initiates collection action under this chapter against a community bank account, the debtor or the debtor's spouse, upon service on the department of a timely application, has a right to an adjudicative proceeding governed by chapter 34.05 RCW, the Administrative Procedure Act, to establish that the funds in the account, or a portion of those funds, were the earnings of the nonobligated spouse, and are exempt from the satisfaction of the child support obligation of the debtor pursuant to RCW 26.16.200.

Sec. 156. Section 18, chapter 171, Laws of 1979 ex. sess. as last amended by section 14, chapter 276, Laws of 1985 and RCW 74.20A.270 are each amended to read as follows:

The secretary may issue a notice of support debt to any person, firm, corporation, association, or political subdivision of the state of Washington or any officer or agent thereof who has violated RCW 74.20A.100, who is in possession of support moneys, or who has had support moneys in his or her possession at some time in the past, which support moneys were or are claimed by the department as the property of the department by assignment, subrogation, or by operation of law or legal process under chapter 74.20A RCW, if the support moneys have not been remitted to the department as required by law.

The notice shall describe the claim of the department, stating the legal basis for the claim and shall provide sufficient detail to enable the person, firm, corporation, association, or political subdivision or officer or agent thereof upon whom service is made to identify the support moneys in issue or the specific violation of RCW 74.20A.100 that has occurred. The notice
may also make inquiry as to relevant facts necessary to the resolution of the issue.

The notice may be served by certified mail, return receipt requested, or in the manner of a summons in a civil action. Upon service of the notice all moneys not yet disbursed or spent or like moneys to be received in the future are deemed to be impounded and shall be held in trust pending answer to the notice and any adjudicative proceeding.

The notice shall be answered under oath and in writing within twenty days of the date of service, which answer shall include true answers to the matters inquired of in the notice. The answer shall also either acknowledge the department's right to the moneys or application for an adjudicative proceeding to contest the allegation that RCW 74.20A.100 has been violated, or determine the rights to ownership of the support moneys in issue. The hearing shall be held pursuant to this section, chapter 34.05 RCW, the Administrative Procedure Act, and the rules of the department. The burden of proof to establish ownership of the support moneys claimed, including but not limited to moneys not yet disbursed or spent, is on the department.

If no answer is made within the twenty days, the department's claim shall be assessed and determined and subject to collection action as a support debt pursuant to chapter 74.20A RCW. Any such debtor may, at any time within one year from the date of service of the notice of support debt, petition the secretary or the secretary's designee for an adjudicative proceeding upon a showing of any of the grounds enumerated in RCW 4.72.010 or superior court civil rule 60. A copy of the petition shall also be served on the department. The filing of the petition shall not stay any collection action being taken, but the debtor may petition the secretary or the secretary's designee for an order staying collection action pending the final decision of the secretary or the secretary's designee or the courts on any appeal made pursuant to chapter 34.04 RCW. Any moneys held and/or taken by collection action prior to the date of any such stay and any support moneys claimed by the department, including moneys to be received in the future to which the department may have a claim, shall be held in trust pending the final order, to be disbursed in accordance with the final order. The secretary or the secretary's designee shall condition the stay to provide for the trust.

If the petition is granted the issue in the proceeding is limited to the determination of the ownership of the moneys claimed in the notice of debt. The right to an adjudicative proceeding is conditioned upon holding of any funds not yet disbursed or expended or to be received in the future in trust.
pending the final order in these proceedings (or during any appeal made to the courts). The (secretary or the secretary's designee) presiding or reviewing officer shall enter an appropriate order providing for the terms of the trust.

(The hearing shall be a contested case as provided for in chapter 34.04 RCW and shall be held pursuant to this section, chapter 34.04 RCW, and the rules of the department. The hearing shall be promptly scheduled within thirty days from the date of receipt of the answer by the department. The hearing shall be conducted by a duly qualified hearing examiner appointed for that purpose. Hearings may be held in the county of residence of the debtor or other place convenient to the debtor.)

If the debtor fails to (appear at) attend or participate in the hearing or other stage of an adjudicative proceeding, the (hearing-examiner) presiding officer shall, upon showing of valid service, enter an (initial decision and) order declaring the amount of support moneys, as claimed in the notice, to be assessed and determined and subject to collection action. (Within thirty days of entry of the decision and order the debtor may petition the secretary or the secretary's designee to vacate the decision and order upon a showing of any of the grounds enumerated in RCW 4.72.010 or superior court civil rule 60.

The hearing and review process shall be as provided for in RCW 74.20A.055.)

If, at any time, the superior court enters judgment for an amount of debt at variance with the amount determined by the final order in (these proceedings) an adjudicative proceeding, the judgment shall supersede the final administrative order (in these proceedings). Any debt determined by the superior court in excess of the amount determined by the final administrative order (in these proceedings) shall be the property of the department as assigned under 42 U.S.C. 602(A)(26)(a), RCW 74.20.040, 74.20A.250, 74.20.320, or 74.20.330. The department may, despite any final administrative order (in these proceedings), take action pursuant to chapter(s) 74.20 or 74.20A RCW to obtain such a judgment or to collect moneys determined by such a judgment to be due and owing.

If public assistance moneys have been paid to a parent for the benefit of that parent's minor dependent children, debt under this chapter shall not be incurred by nor at any time be collected from that parent because of that payment of assistance. Nothing in this section prohibits or limits the department from acting pursuant to RCW 74.20.320 and this section to assess a debt against a recipient or ex-recipient for receipt of support moneys paid in satisfaction of the debt assigned under RCW 74.20.330 which have been assigned to the department but were received by a recipient or ex-recipient from another responsible parent and not remitted to the department. To collect these wrongfully retained funds from the recipient, the department may not take collection action in excess of ten percent of the grant payment.
standard during any month the public assistance recipient remains in that status unless required by federal law. Payments not credited against the department's debt pursuant to RCW 74.20.101 may not be assessed or collected under this section.

Sec. 157. Section 21, chapter 171, Laws of 1979 ex. sess. and RCW 74.20A.290 are each amended to read as follows:

Whenever any person ((requests an administrative hearing)) files an application for an adjudicative proceeding under RCW 74.20A.055 or 74.20A.270, after the department has notified the person of the requirements of this section, it shall be the responsibility of the person to notify the department of the person's mailing address at the time the ((request for hearing)) application for an adjudicative proceeding is made and also to notify the department of any subsequent change of mailing address during the pendency of the ((action)) administrative proceeding and any ((appeal made therefrom to the courts)) judicial review. Whenever the person has a duty under this section to advise the department of the person's mailing address, mailing by the department by certified mail to the person's last known address constitutes service as required by chapters 74.20A and ((34.04)) 34.05 RCW.

Sec. 158. Section 10, chapter 434, Laws of 1987 and RCW 74.21.100 are each amended to read as follows:

The executive committee shall direct the department of social and health services and the employment security department to adopt rules providing due process of law protections to applicants for and recipients of family independence program benefits. The requirements shall confer protections no less than those which the federal statutes and regulations confer on participants in the food stamp, aid to families with dependent children, and work incentive programs. The protections shall include, but are not limited to, the following:

(1) The departments shall provide adequate advance written notice to applicants or enrollees of any agency action to deny, award, reduce, terminate, increase, or suspend benefits or to change the manner or form of payment or of any agency action requiring the enrollee to take any action. Adequate notice includes a statement of what action the agency intends to take, the reasons for the intended agency action, the specific rules supporting the action, an explanation of the individual's right to ((request)) file an ((administrative fair hearing)) application for an adjudicative proceeding, how to ((request one)) file an application, and the circumstances under which assistance is continued pending ((such a hearing if requested)) the adjudicative proceeding if an application for one is filed.

(2) Advance notice must be mailed to enrollees at least ten days prior to the date on which the proposed action would become effective.
(3) An applicant or enrollee aggrieved by an action or decision of the
departments, including requiring or denying participation in a work, train-
ing, or education activity, has the right to (request a fair hearing to be
conducted by the office of administrative hearings in accordance with)) file
an application for an adjudicative proceeding under RCW 74.08.080 and
chapters 34.05 and 34.12 ((and 34.04)) RCW. The aggrieved person is en-
titled to all fair hearing rights ((provided under RCW 74.08.070)) and to
the right of judicial review therefrom as provided in RCW 74.08.080.

(4) When an enrollee ((requests a hearing)) files an application for an
adjudicative proceeding during the advance notice period, the departments
shall not implement the challenged action until a written ((decision)) adju-
dicative order is rendered after a hearing. The advance notice period is the
period prior to the effective date of the proposed action or ten days from the
date of adequate written notice, whichever is later. Any assistance received
pending a hearing or ((heaining decisi)) adjudicative order may be
considered to be an overpayment if the ((decision)) adjudicative order is
against the enrollee.

(5) Financial, food stamp, and medical assistance shall be furnished to
eligible individuals in a timely manner and shall be continued regularly to
all eligible individuals until they are found to be ineligible. Applications
should be disposed of as soon as possible in accordance with 7 C.F.R. Sec.
273.2 (g) and (i) and 45 C.F.R. Sec. 206.10 and no later than thirty days

Sec. 160. Section 4, chapter 173, Laws of 1986 as last amended by section 3, chapter 272, Laws of 1988 and RCW 75.20.130 are each amended to read as follows:

(2) The hydraulic appeals board shall consist of three members: The director of the department of ecology or the director's designee, the director of the department of agriculture or the director's designee, and the director or the director's designee of the department whose action is appealed under subsection (6) of this section. A decision must be agreed to by at least two members of the board to be final.

(3) The board may adopt rules necessary for the conduct of its powers and duties or for transacting other official business.

(4) The board shall make findings of fact and prepare a written decision in each case decided by it, and that finding and decision shall be effective upon being signed by two or more board members and upon being filed at the hydraulic appeals board's principal office, and shall be open to public inspection at all reasonable times.

(5) The board has exclusive jurisdiction to hear appeals arising from the approval, denial, conditioning, or modification of a hydraulic approval issued by either the department of fisheries or the department of wildlife under the authority granted in RCW 75.20.103 for the diversion of water for agricultural irrigation or stock watering purposes or when associated with streambank stabilization to protect farm and agricultural land as defined in RCW 84.34.020.
(6) (a) Any person aggrieved by the approval, denial, conditioning, or modification of a hydraulic approval pursuant to RCW 75.20.103 may seek review from the board by filing a request for the same within thirty days of notice of the approval, denial, conditioning, or modification of such approval.

(b) The review proceedings authorized in (a) of this subsection are subject to the provisions of chapter (34.04) 34.05 RCW pertaining to procedures in (contestd cases) adjudicative proceedings.

Sec. 161. Section 5, chapter 173, Laws of 1986 and RCW 75.20.140 are each amended to read as follows:

(1) In all appeals over which the hydraulic appeals board has jurisdiction, a party taking an appeal may elect either a formal or informal hearing. Such election shall be made according to the rules of practice and procedure to be adopted by the hydraulic appeals board. In the event that appeals are taken from the same decision, order, or determination, by different parties and only one of such parties elects a formal hearing, a formal hearing shall be granted.

(2) In all appeals, the hydraulic appeals board shall have all powers relating to administration of oaths, issuance of subpoenas, and taking of depositions, but such powers shall be exercised in conformity with chapter (34.04) 34.05 RCW.

(3) In all appeals involving a formal hearing, the hydraulic appeals board, and each member thereof, shall be subject to all duties imposed upon and shall have all powers granted to, an agency by those provisions of chapter (34.04) 34.05 RCW relating to (contestd cases) adjudicative proceedings.

(4) All proceedings, including both formal and informal hearings, before the hydraulic appeals board or any of its members shall be conducted in accordance with such rules of practice and procedure as the board may prescribe. Such rules shall be published and distributed.

(5) Judicial review of a decision of the hydraulic appeals board shall be de novo except when the decision has been rendered pursuant to the formal hearing, in which event judicial review may be obtained only pursuant to RCW (34.04.130 and 34.04.140) 34.05.510 through 34.05.598.

Sec. 162. Section 37, chapter 100, Laws of 1986 and RCW 76.04.630 are each amended to read as follows:

There is created a landowner contingency forest fire suppression account which shall be a separate account in the state treasury. This account shall be for the purpose of paying emergency fire costs incurred or approved by the department in the suppression of forest fires. When a determination is made that the fire was started by other than a landowner operation, moneys expended from this account in the suppression of such fire shall be recovered from such general fund appropriations as may be available for emergency fire suppression costs. Moneys spent from this account shall be
by appropriation. The department shall transmit to the state treasurer for
deposit in the landowner contingency forest fire suppression account any
moneys paid out of the account which are later recovered, less reasonable
costs of recovery, which moneys may be expended for purposes set forth
herein during the current biennium, without reappropriation.

This account shall be established and renewed by a special forest fire
suppression account assessment paid by participating landowners at rates to
be established by the department, but not to exceed ten cents per acre per
year for such period of years as may be necessary to establish and thereafter
reestablish a balance in the account of two million dollars: PROVIDED,
That the department may establish a minimum assessment for ownership
parcels containing less than thirty acres. The maximum assessment for these
parcels shall not exceed the fees levied on a thirty-acre parcel. There shall
be no assessment on each parcel of privately owned lands of less than two
acres or on each parcel of tax exempt lands of less than ten acres. The as-
sessments with respect to forest lands in western and eastern Washington
may differ to equitably distribute the assessment based on emergency fire
suppression cost experience necessitated by landowner operations. Amounts
assessed for this account shall be a lien upon the forest lands with respect to
which the assessment is made, and may be collected as directed by the de-
partment in the same manner as forest fire protection assessments. This ac-
count shall be held by the state treasurer who is authorized to invest so
much of the account as is not necessary to meet current needs. Any interest
earned on moneys from the account shall be deposited in and remain a part
of the account, and shall be computed as part of the same in determining
the balance thereof. Interfund loans to and from this account are authorized
at the then current rate of interest as determined by the state treasurer,
provided that the effect of the loan is considered for purposes of determining
the assessments. Payment of emergency costs from this account shall in no
way restrict the right of the department to recover costs pursuant to RCW
76.04.495 or other laws.

When the department determines that a forest fire was started in the
course of or as a result of a landowner operation, it shall notify the forest
fire advisory board of the determination. The determination shall be final,
unless, within ninety days of the notification, the forest fire advisory board
or any interested party, serves a request for a hearing before the depart-
ment. The hearing shall constitute ((a contested case)) an adjudicative pro-
ceeding under chapter ((34.04)) 34.05 RCW, the Administrative Procedure
Act, and any appeal therefrom shall be to the superior court of Thurston
county.

Sec. 163. Section 8, chapter 137, Laws of 1974 ex. sess. as amended by
section 5, chapter 200, Laws of 1975 1st ex. sess. and RCW 76.09.080 are
each amended to read as follows:
(1) The department shall have the authority to serve upon an operator a stop work order which shall be a final order of the department if:
   (a) There is any violation of the provisions of this chapter or the forest practices regulations; or
   (b) There is a deviation from the approved application; or
   (c) Immediate action is necessary to prevent continuation of or to avoid material damage to a public resource.

(2) The stop work order shall set forth:
   (a) The specific nature, extent, and time of the violation, deviation, damage, or potential damage;
   (b) An order to stop all work connected with the violation, deviation, damage, or potential damage;
   (c) The specific course of action needed to correct such violation or deviation or to prevent damage and to correct and/or compensate for damage to public resources which has resulted from any violation, unauthorized deviation, or willful or negligent disregard for potential damage to a public resource; and/or those courses of action necessary to prevent continuing damage to public resources where the damage is resulting from the forest practice activities but has not resulted from any violation, unauthorized deviation, or negligence; and
   (d) The right of the operator to a hearing before the appeals board.

The department shall immediately file a copy of such order with the appeals board and mail a copy thereof to the timber owner and forest land owner at the addresses shown on the application. The operator, timber owner, or forest land owner may commence an appeal to the appeals board within fifteen days after service upon the operator. If such appeal is commenced, a hearing shall be held not more than twenty days after copies of the notice of appeal were filed with the appeals board. Such proceeding shall be an adjudicative proceeding within the meaning of chapter (34.04) 34.05 RCW, the Administrative Procedure Act. The operator shall comply with the order of the department immediately upon being served, but the appeals board if requested shall have authority to continue or discontinue in whole or in part the order of the department under such conditions as it may impose pending the outcome of the proceeding.

Sec. 164. Section 22, chapter 137, Laws of 1974 ex. sess. as last amended by section 109, chapter 287, Laws of 1984 and RCW 76.09.220 are each amended to read as follows:

(1) The appeals board shall operate on either a part-time or a full-time basis, as determined by the governor. If it is determined that the appeals board shall operate on a full-time basis, each member shall receive an annual salary to be determined by the governor. If it is determined that the appeals board shall operate on a part-time basis, each member shall be compensated in accordance with RCW 43.03.240: PROVIDED, That such
compensation shall not exceed ten thousand dollars in a fiscal year. Each member shall receive reimbursement for travel expenses incurred in the discharge of his duties in accordance with the provisions of RCW 43.03.050 and 43.03.060.

(2) The appeals board shall as soon as practicable after the initial appointment of the members thereof, meet and elect from among its members a chairman, and shall at least biennially thereafter meet and elect or reelect a chairman.

(3) The principal office of the appeals board shall be at the state capital, but it may sit or hold hearings at any other place in the state. A majority of the appeals board shall constitute a quorum for making orders or decisions, promulgating rules and regulations necessary for the conduct of its powers and duties, or transacting other official business, and may act though one position on the board be vacant. One or more members may hold hearings and take testimony to be reported for action by the board when authorized by rule or order of the board. The appeals board shall perform all the powers and duties granted to it in this chapter or as otherwise provided by law.

(4) The appeals board shall make findings of fact and prepare a written decision in each case decided by it, and such findings and decision shall be effective upon being signed by two or more members and upon being filed at the appeals board's principal office, and shall be open to public inspection at all reasonable times.

(5) The appeals board shall either publish at its expense or make arrangements with a publishing firm for the publication of those of its findings and decisions which are of general public interest, in such form as to assure reasonable distribution thereof.

(6) The appeals board shall maintain at its principal office a journal which shall contain all official actions of the appeals board, with the exception of findings and decisions, together with the vote of each member on such actions. The journal shall be available for public inspection at the principal office of the appeals board at all reasonable times.

(7) The forest practices appeals board shall have exclusive jurisdiction to hear appeals arising from an action or determination by the department.

(8) (a) Any person aggrieved by the approval or disapproval of an application to conduct a forest practice may seek review from the appeals board by filing a request for the same within thirty days of the approval or disapproval. Concurrently with the filing of any request for review with the board as provided in this section, the requestor shall file a copy of his request with the department and the attorney general. The attorney general may intervene to protect the public interest and insure that the provisions of this chapter are complied with.
(b) The review proceedings authorized in subparagraph (a) of this subsection are subject to the provisions of chapter ((34.04)) 34.05 RCW pertaining to procedures in ((contested cases)) adjudicative proceedings.

Sec. 165. Section 23, chapter 137, Laws of 1974 ex. sess. and RCW 76.09.230 are each amended to read as follows:

(1) In all appeals over which the appeals board has jurisdiction, a party taking an appeal may elect either a formal or an informal hearing, unless such party has had an informal hearing with the department. Such election shall be made according to the rules of practice and procedure to be promulgated by the appeals board. In the event that appeals are taken from the same decision, order, or determination, as the case may be, by different parties and only one of such parties elects a formal hearing, a formal hearing shall be granted.

(2) In all appeals the appeals board shall have all powers relating to administration of oaths, issuance of subpoenas, and taking of depositions, but such powers shall be exercised in conformity with chapter ((34.04)) 34.05 RCW.

(3) In all appeals involving formal hearing the appeals board, and each member thereof, shall be subject to all duties imposed upon and shall have all powers granted to, an agency by those provisions of chapter ((34.04)) 34.05 RCW relating to ((contested cases)) adjudicative proceedings.

(4) All proceedings, including both formal and informal hearings, before the appeals board or any of its members shall be conducted in accordance with such rules of practice and procedure as the board may prescribe. The appeals board shall publish such rules and arrange for the reasonable distribution thereof.

(5) Judicial review of a decision of the appeals board shall be de novo except when the decision has been rendered pursuant to the formal hearing, in which event judicial review may be obtained only pursuant to RCW ((34.04.130 and 34.04.140)) 34.05.510 through 34.05.598.

Sec. 166. Section 18, chapter 64, Laws of 1970 ex. sess. and RCW 78.44.170 are each amended to read as follows:

Appeals from determinations made under this chapter shall be made under the provisions of the Administrative Procedure Act (chapter ((34.04)) 34.05 RCW), ((as now or hereafter amended)) and shall be considered ((a contested case)) an adjudicative proceeding within the meaning of the Administrative Procedure Act, ((as now or hereafter amended)) chapter ((34.04)) 34.05 RCW.

Sec. 167. Section 29, chapter 253, Laws of 1983 and RCW 78.52.463 are each amended to read as follows:

(1) Any operation or activity that is in violation of applicable laws, rules, orders, or permit conditions is subject to suspension by order of the committee. The order may suspend the operations authorized in the permit in whole or in part. The order may be issued only after the committee has
first notified the operator or owner of the violations and the operator or owner has failed to comply with the directions contained in the notification within ten days of service of the notice: PROVIDED, That the committee may issue the suspension order immediately without notice if the violations are or may cause substantial harm to adjacent property, persons, or public resources, or has or may result in the pollution of waters in violation of any state or federal law or rule. A suspension shall remain in effect until the violations are corrected or other directives are complied with unless declared invalid by the committee after hearing or an appeal. The suspension order and notification, where applicable, shall specify the violations and the actions required to be undertaken to be in compliance with such laws, rules, orders, or permit conditions. The order and notification may also require remedial actions to be undertaken to restore, prevent, or correct activities or conditions which have resulted from the violations. The order and notification may be directed to the operator or owner or both.

(2) The suspension order constitutes a final and binding order unless the owner or operator to whom the order is directed requests a hearing before the committee within fifteen days after service of the order. Such a request shall not in itself stay or suspend the order and the operator or owner shall comply with the order immediately upon service. The committee or its chairman have the authority to stay or suspend in whole or in part the suspension order pending a hearing if so requested. The hearing shall constitute an adjudicative proceeding under chapter (34.05) RCW, the Administrative Procedure Act.

Sec. 168. Section 50, chapter 146, Laws of 1951 as amended by section 27, chapter 253, Laws of 1983 and RCW 78.52.470 are each amended to read as follows:

Any person adversely affected by any order of the committee may, within thirty days from the effective date of such order, apply for a hearing with respect to any matter determined therein. No cause for action arising out of any order of the committee shall accrue in any court to any person unless the person makes application for a hearing as herein provided. Such application shall set forth specifically the ground on which the applicant considers the order to be unlawful or unreasonable. No party shall, in any court, urge or rely upon any ground not set forth in said application. An order made in conformity to a decision resulting from a hearing which abrogates, changes, or modifies the original order shall have the same force and effect as an original. Such hearing shall constitute an adjudicative proceeding under chapter (34.05) RCW, the Administrative Procedure Act, and shall be conducted in accordance with its provisions.

Sec. 169. Section 4, chapter 161, Laws of 1977 ex. sess. and RCW 79-.72.040 are each amended to read as follows:
(1) The management program for the system shall be administered by the department. The department shall have the responsibility for coordinating the development of the program between affected state agencies and participating local governments, and shall develop and adopt rules ((and regulations)), in accord with chapter ((34.04)) 34.05 RCW, the Administrative Procedure Act, for each portion of the system, which shall implement the management policies. In developing rules ((and regulations)) for a specific river in the system, the department shall hold at least one public hearing in the general locale of the river under consideration. The hearing may constitute the hearing required by chapter 34.05 RCW. The department shall cause a brief summary of the proposed rules ((and regulations)) to be published twice in a newspaper of general circulation in the area ((which)) that includes the river to be considered in the period of time between two and four weeks prior to the public hearing. In addition to the foregoing required publication, the department shall also provide notice of the hearings, rules, ((regulations,)) and decisions of the department to radio and television stations and major local newspapers in the areas ((which)) that include the river to be considered.

(2) In addition to any other powers granted to carry out the intent of this chapter, the department is authorized, subject to approval by majority vote of the members of the committee, to: (a) Purchase, within the river area, real property in fee or any lesser right or interest in real property including, but not limited to scenic easements and future development rights, visual corridors, wildlife habitats, unique ecological areas, historical sites, camping and picnic areas, boat launching sites, and/or easements abutting the river for the purpose of preserving or enhancing the river or facilitating the use of the river by the public for fishing, boating and other water related activities; and (b) purchase, outside of a river area, public access to the river area.

The right of eminent domain shall not be utilized in any purchase made pursuant to this section.

(3) The department is further authorized to: (a) Acquire by gift, devise, grant, or dedication the fee, an option to purchase, a right of first refusal or any other lesser right or interest in real property and upon acquisition such real property shall be held and managed within the scenic river system; and (b) accept grants, contributions, or funds from any agency, public or private, or individual for the purposes of this chapter.

(4) The department is hereby vested with the power to obtain injunctions and other appropriate relief against violations of any provisions of this chapter and any rules ((and regulations)) adopted under this section or agreements made under the provisions of this chapter.

Sec. 170. Section 2, chapter 2, Laws of 1983 2nd ex. sess. and RCW 79.90.105 are each amended to read as follows:
The abutting residential owner to state-owned shorelands, tidelands, or related beds of navigable waters, other than harbor areas, may install and maintain without charge a dock on such areas if used exclusively for private recreational purposes and the area is not subject to prior rights. This permission is subject to applicable local regulation governing construction, size, and length of the dock. This permission may be revoked by the department upon finding of public necessity which is limited to the protection of waterward access or ingress rights of other landowners or public health and safety. The revocation may be appealed as an adjudicative proceeding under chapter 34.05 RCW, the Administrative Procedure Act. Nothing in this section prevents the abutting owner from obtaining a lease if otherwise provided by law.

Sec. 171. Section 106, chapter 21, Laws of 1982 1st ex. sess. and RCW 79.94.210 are each amended to read as follows:

(1) The legislature finds that maintaining public lands in public ownership is often in the public interest. However, when second class shorelands on navigable lakes have minimal public value, the sale of those shorelands to the abutting upland owner may not be contrary to the public interest: PROVIDED, That the purpose of this section is to remove the prohibition contained in RCW 79.94.150 regarding the sale of second class shorelands to abutting owners, whose uplands front on the shorelands. Nothing contained in this section shall be construed to otherwise affect the rights of interested parties relating to public or private ownership of shorelands within the state.

(2) Notwithstanding the provisions of RCW 79.94.150, the department of natural resources may sell second class shorelands on navigable lakes to abutting owners whose uplands front upon the shorelands in cases where the board of natural resources has determined that these sales would not be contrary to the public interest. These shorelands shall be sold at fair market value, but not less than five percent of the fair market value of the abutting upland, less improvements, to a maximum depth of one hundred and fifty feet landward from the line of ordinary high water.

(3) Review of the decision of the department regarding the sale price established for a shoreland to be sold pursuant to this section may be obtained by the upland owner by filing a petition with the board of tax appeals created in accordance with chapter 82.03 RCW within thirty days of the date the department notified the owner regarding the price. The board of tax appeals shall review such cases in an adjudicative proceeding as described in chapter 34.05 RCW, the Administrative Procedure Act, and the board's review shall be de novo. Decisions of the board of tax appeals regarding fair market values determined pursuant to this section shall be final unless appealed to the superior court pursuant to RCW 34.05.510 through 34.05.598.
Sec. 172. Section 17, chapter 371, Laws of 1977 ex. sess. and RCW 80.50.075 are each amended to read as follows:

(1) Any person required to file an application for certification of an energy facility pursuant to this chapter may apply to the council for an expedited processing of such an application. The application for expedited processing shall be submitted to the council in such form and manner and accompanied by such information as may be prescribed by council rule. The council may grant an applicant expedited processing of an application for certification upon finding that:

(a) The environmental impact of the proposed energy facility;
(b) The area potentially affected;
(c) The cost and magnitude of the proposed energy facility; and
(d) The degree to which the proposed energy facility represents a change in use of the proposed site

are not significant enough to warrant a full review of the application for certification under the provisions of this chapter.

(2) Upon granting an applicant expedited processing of an application for certification, the council shall not be required to:

(a) Commission an independent study, notwithstanding the provisions of RCW 80.50.071; nor
(b) Hold (a contested case hearing) an adjudicative proceeding under chapter (34.05) 34.05 RCW, the Administrative Procedure Act, on the application.

(3) The council shall adopt rules governing the expedited processing of an application for certification pursuant to this section.

Sec. 173. Section 9, chapter 45, Laws of 1970 ex. sess. and RCW 80.50.090 are each amended to read as follows:

(1) The council shall conduct a public hearing in the county of the proposed site within sixty days of receipt of an application for site certification: PROVIDED, That the place of such public hearing shall be as close as practical to the proposed site.

(2) The council must determine at the initial public hearing whether or not the proposed site is consistent and in compliance with county or regional land use plans or zoning ordinances. If it is determined that the proposed site does conform with existing land use plans or zoning ordinances in effect as of the date of the application, the county or regional planning authority shall not thereafter change such land use plans or zoning ordinances so as to affect the proposed site.

(3) Prior to the issuance of a council recommendation to the governor under RCW 80.50.100 a public hearing, conducted as (a contested case) an adjudicative proceeding under chapter (34.05) 34.05 RCW, the Administrative Procedure Act, shall be held. At such public hearing any person shall be entitled to be heard in support of or in opposition to the application for certification.
(4) Additional public hearings shall be held as deemed appropriate by the council in the exercise of its functions under this chapter.

Sec. 174. Section 10, chapter 45, Laws of 1970 ex. sess. as last amended by section 8, chapter 371, Laws of 1977 ex. sess. and RCW 80-50.100 are each amended to read as follows:

(1) The council shall report to the governor its recommendations as to the approval or rejection of an application for certification within twelve months of receipt by the council of such an application, or such later time as is mutually agreed by the council and the applicant. If the council recommends approval of an application for certification, it shall also submit a draft certification agreement with the report. The council shall include conditions in the draft certification agreement to implement the provisions of this chapter, including, but not limited to, conditions to protect state or local governmental or community interests affected by the construction or operation of the energy facility, and conditions designed to recognize the purpose of laws or ordinances, or rules or regulations promulgated thereunder, that are preempted or superseded pursuant to RCW 80.50.110 as now or hereafter amended.

(2) Within sixty days of receipt of the council's report the governor shall take one of the following actions:

(a) Approve the application and execute the draft certification agreement; or

(b) Reject the application; or

(c) Direct the council to reconsider certain aspects of the draft certification agreement.

The council shall reconsider such aspects of the draft certification agreement by reviewing the existing record of the application or, as necessary, by reopening the (contested case) adjudicative proceeding for the purposes of receiving additional evidence. Such reconsideration shall be conducted expeditiously. The council shall resubmit the draft certification to the governor incorporating any amendments deemed necessary upon reconsideration. Within sixty days of receipt of such draft certification agreement, the governor shall either approve the application and execute the certification agreement or reject the application. The certification agreement shall be binding upon execution by the governor and the applicant.

(3) The rejection of an application for certification by the governor shall be final as to that application but shall not preclude submission of a subsequent application for the same site on the basis of changed conditions or new information.

Sec. 175. Section 45, chapter 26, Laws of 1967 ex. sess. as amended by section 6, chapter 222, Laws of 1988 and RCW 82.03.160 are each amended to read as follows:
In all appeals involving a formal hearing the board or its tax referees shall have all powers relating to administration of oaths, issuance of subpoenas, and taking of depositions as are granted to agencies in chapter (34.04) 34.05 RCW; and the board, and each member thereof, or its tax referees, shall be subject to all duties imposed upon, and shall have all powers granted to, an agency by those provisions of chapter (34.04) 34.05 RCW relating to contested cases adjudicative proceedings. The board, or its tax referees, shall also have all powers granted the department of revenue pursuant to RCW 82.03.110. In the case of appeals within the scope of RCW 82.03.130(2), the board, or any member thereof, may obtain such assistance, including the making of field investigations, from the staff of the director of revenue as the board, or any member thereof, may deem necessary or appropriate: PROVIDED, HOWEVER, That any communication, oral or written, from the staff of the director to the board or its tax referees shall be presented only in open hearing.

Sec. 176. Section 47, chapter 26, Laws of 1967 ex. sess. as amended by section 9, chapter 46, Laws of 1982 1st ex. sess. and RCW 82.03.180 are each amended to read as follows:

CHAPTER 176
[Substitute House Bill No. 1056]
HERRING SPAWN ON KELP PERMITS

AN ACT Relating to herring spawn on kelp; amending RCW 15.85.020 and 75.08.230; adding a new section to chapter 75.28 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that the wise management of Washington state's herring resource is of paramount importance to the people of the state. The legislature finds that herring are an important part of the food chain for a number of the state's living marine resources. The legislature finds that both open and closed pond "spawn on kelp" harvesting techniques allow for an economic return to the state while at the same time providing for the proper management of the herring resource. The legislature finds that limitations on the number of herring harvesters tends to improve the management and economic health of the herring industry. The maximum number of herring spawn on kelp permits shall not exceed five annually. The state therefore must use its authority to regulate the number of herring spawn on kelp permits so that the management and economic health of the herring fishery may be improved.

NEW SECTION. Sec. 2. A new section is added to chapter 75.28 RCW to read as follows:

In addition to a commercial fishing license, a herring validation, and other applicable permits required under state law, a herring spawn on kelp permit is required to commercially take herring eggs which have been deposited on vegetation of any type. All herring spawn on kelp permits shall be sold at auction to the highest bidder. Bidders are required to identify their sources of kelp. Kelp harvested from state-owned aquatic lands as defined in RCW 79.90.465 requires the written consent of the department of natural resources. The department shall give all herring validation holders thirty days' notice of the auction.

Sec. 3. Section 2, chapter 457, Laws of 1985 and RCW 15.85.020 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.
