Passed the House May 7, 1989.

Passed the Senate May 5, 1989.

Approved by the Governor May 12, 1989, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State May 12, 1989.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 202(2), Substitute House Bill No. 1479 entitled:

"AN ACT Relating to the budget."

My reason for vetoing this portion of the 1987-89 supplemental budget is as follows:

Section 202(2) restricts the amount that the Department of Social and Health Services may transfer into the General Assistance-Unemployable (GA-U) program. The GA-U caseload will experience significant growth in the last two months of the current biennium because of the Thurston County Superior Court's April 24, 1989 ruling directing that clients who are terminated from ADATSA shelter receive GA-U until they are assessed for GA-U eligibility. The Department of Social and Health Services has estimated the cost of this caseload growth will be \$1.7 million. The proviso in section 202(2) restricts the transfer to the estimated amount. The estimate is not precise, however.

The ADATSA shelter program has experienced volatile and unpredictable caseload growth, and it is difficult to predict the cost of shifting that population to GA-U. If the actual cost exceeds the estimate by any amount, the Department would have to impose a ratable reduction to remain within appropriated funds. It is not possible for the Department to implement a ratable reduction this late in the biennium. Furthermore, the other clients on GA-U, with physical and mental disabilities, would be faced with a sudden and unanticipated reduction in their living allowances. The Department must have unrestricted transfer authority in order to fund the actual cost of the GA-U caseload at the close of the biennium.

With the exception of section 202(2), Substitute House Bill No. 1479 is approved."

## CHAPTER 4

[Substitute House Bill No. 1788]
