CHAPTER 275
[Second Substitute House Bill No. 2986]
ALCOHOL AND CONTROLLED SUBSTANCES ABUSE ACT AMENDMENTS

AN ACT Relating to minor adjustments to chapter 271, Laws of 1989, the alcohol and controlled substances abuse act; amending RCW 69.50.520; amending section 408, chapter 271, Laws of 1989 (uncodified); amending section 411, chapter 271, Laws of 1989 (uncodified); amending section 420, chapter 271, Laws of 1989 (uncodified); amending section 603, chapter 271, Laws of 1989 (uncodified); and repealing RCW 44.28.170.

Be it enacted by the Legislature of the State of Washington:

*Sec. 1. Section 401, chapter 271, Laws of 1989 and RCW 69.50.520 are each amended to read as follows:

The drug enforcement and education account is created in the state treasury. All designated receipts from RCW 66.24.210(4), 66.24.290(3), 69.50.505(f)(2)(i)(C), 82.08.150(5), 82.24.020(2), 82.64.020, and section 420, chapter 271, Laws of 1989 shall be deposited into the account. Expenditures from the account may be used only for funding services and programs under (this act) chapter 271, Laws of 1989. Expenditures shall be used for funding new programs or new levels of existing program activities and may not be used to supplant funds provided for programs funded from other sources on or after July 1, 1989. Any funds received from federal sources that could be applied to programs established by this act shall be used to replace expenditures from the drug enforcement and education account to the maximum extent feasible. The office of financial management shall notify the fiscal committees of the house of representatives and senate on a regular basis of unanticipated funds that could be applied to programs established in chapter 271, Laws of 1989.

*Sec. 1 was vetoed, see message at end of chapter.

Sec. 2. Section 408, chapter 271, Laws of 1989 (uncodified) is amended to read as follows:

The sum of ten million dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1991, from the drug enforcement and education account to the superintendent of public instruction to support school district substance abuse awareness programs provided under (sections 310 through 313 of this act) RCW 28A.120.080 through 28A.120.086. The superintendent of public instruction shall require that any grants provided to school districts or educational service districts under this
section be used to increase prevention and intervention services related to
drug and alcohol abuse above the level of services provided by the district
for the 1988-89 school year. Furthermore, except as provided in this sec-
tion, no portion of this appropriation expended for state administrative costs
may be used to supplant administrative moneys previously used by the super-
intendent of public instruction for state level activities related to drug
and alcohol education or prevention and intervention programs. A reason-
able portion of this appropriation, but no more than is necessary, may be
used to evaluate and monitor the programs funded by this section.

It is the intent of the legislature that one-time grants provided to
school districts from appropriations under this section do not meet the cri-
teria for levy reduction funds under RCW 84.52.0531 and shall not be
deemed to be levy reduction funds.

Sec. 3. Section 411, chapter 271, Laws of 1989 (uncodified) is amend-
ed to read as follows:

The sum of three million dollars, or as much thereof as may be neces-
sary, is appropriated for the biennium ending June 30, 1991, from the drug
enforcement and education account to the superintendent of public instruc-
tion for matching grants to enhance security in secondary schools. School
districts which apply for such grants shall ensure that no more than seventy-
five percent of the district's total expenditures for school security in any
school year are supported by the grant amounts. The grants shall be ex-
pended solely for the costs of employing or contracting for building security
monitors in secondary schools during school hours and school events. Of the
amount appropriated in this section, a minimum of two million seven hun-
dred fifty thousand dollars is provided for grants to districts that, during the
1988-89 school year, employed or contracted for security monitors in
schools during school hours. However, the grants may be used only for in-
creases in school district expenditures for school security over expenditure
levels for the 1988-89 school year.

It is the intent of the legislature that grants provided to school districts
from appropriations under this section do not meet the criteria for levy re-
duction funds under RCW 84.52.0531 and shall not be deemed to be levy
reduction funds.

Sec. 4. Section 420, chapter 271, Laws of 1989 (uncodified) is amend-
ed to read as follows:

The sum of one million eight hundred thousand dollars, or as much
thereof as may be necessary, is appropriated for the biennium ending June
30, 1991, from the drug enforcement and education account to the office of
the administrator for the courts for the treatment alternatives to street
crime program. These funds shall be used for providing services in domestic
cases to children and to parents or others having custody of children under
chapter 26.09, 26.10, 26.26, 26.44, or 26.50 RCW. These funds shall not be
available for expenditure until January 1, 1990. The office of the administrator for the courts shall establish standards for the courts to recover the expenses of the program specified in this section from the participants, based upon the individual participant's ability to pay. All fees collected shall be remitted to the state treasurer for deposit in the drug enforcement and education account under ((section 40) of this act) RCW 69.50.520.

Sec. 5. Section 603, chapter 271, Laws of 1989 (uncodified) is amended to read as follows:

(1) In order to determine the effectiveness of ((this act)) chapter 271, Laws of 1989, it is necessary to have an independent evaluation of those programs that have the most potential for useful program review.

(2) ((The legislative budget committee shall prepare a plan to conduct studies of the effectiveness of programs initiated in this act. A plan for study shall include:

(a) Institution-based drug testing;
(b) The juvenile offenders structured residential program;
(c) The state-wide drug prosecution assistance program;
(d) Community mobilization;
(e) Drug and alcohol abuse prevention and early intervention in schools; and
(f) Maternity care support services for alcohol and drug abusing pregnant women;

(3) The plan for conducting studies, including start and completion dates, general research approaches, potential research problems, data requirements, necessary implementation authority, and cost estimates are to be provided to the appropriate policy and fiscal committees of the house and senate by December 1, 1989. The plan may include proposals to use contract evaluators and shall identify ways to measure program progress and outcomes.

(4) In order to establish a beginning point for any future studies of the effectiveness of programs initiated in this act, all programs proposed for analysis in this section shall submit a plan detailing expenditures related to goals and objectives of the program being initiated, to the legislative budget committee by October 1, 1989. The department of social and health services shall conduct an assessment of the effectiveness of the juvenile offenders structured residential program, and the superintendent of public instruction shall contract with an independent entity for an assessment of the effectiveness of the drug and alcohol abuse prevention and early intervention in schools program. The legislative budget committee shall review and monitor the studies of program effectiveness required by this subsection.

(3) The department of social and health services and the superintendent of public instruction shall submit a plan and cost estimate for carrying out the provisions of this section to the appropriate policy and fiscal committees of the house and senate before January 1, 1991.
NEW SECTION. Sec. 6. Section 604, chapter 271, Laws of 1989 and RCW 44.28.170 are each repealed.

Passed the House February 12, 1990.
Passed the Senate March 2, 1990.
Approved by the Governor March 29, 1990, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State March 29, 1990.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 1, Second Substitute House Bill No. 2986 entitled:

"AN ACT Relating to minor adjustments to chapter 271, Laws of 1989."

Section 1 of this bill imposes an unnecessary and redundant administrative burden upon the executive in its handling of unanticipated receipts of federal funds. RCW 43.79.260 through 43.79.282 currently provides for the receipt, review, approval, and legislative notification of all unanticipated federal funds.

I recognize the intent of the Legislature to replace, where possible, state funds if unrestricted federal funds are received. It has been executive policy to replace state funds where appropriate. Current law offers adequate control and allows for individual review of all unanticipated receipts.

For this reason, I have vetoed section 1 of Second Substitute House Bill No. 2986.

With the exception of section 1, Second Substitute House Bill No. 2986 is approved."

CHAPTER 276
[Second Substitute Senate Bill No. 6610]
AT–RISK YOUTH

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. It is the intent of the legislature to:
(1) Preserve, strengthen, and reconcile families experiencing problems with at-risk youth;
(2) Provide a legal process by which parents who are experiencing problems with at-risk youth can request and receive assistance from juvenile courts in providing appropriate care, treatment, and supervision to such youth; and
(3) Assess the effectiveness of the family reconciliation services program.

The legislature does not intend by this enactment to grant any parent the right to file an at-risk youth petition or receive juvenile court assistance in dealing with an at-risk youth. The purpose of this enactment is to create a process by which a parent of an at-risk youth may request and receive
