CHAPTER 13
[Substitute House Bill No. 3035]

YAKIMA COUNTY JAIL CONSTRUCTION AND EXPANSION APPROPRIATION

AN ACT Relating to the funding of construction and expansion of jail facilities in Yakima County; and making an appropriation.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The sum of two million four hundred thousand dollars, or as much thereof as may be necessary, is appropriated from the state building and construction account to the department of community development for the biennium ending June 30, 1991, for the purpose of providing a grant to Yakima County for construction and expansion of jail facilities. The appropriation is subject to the following conditions and limitations:

(1) Before receiving the grant, the county shall demonstrate an ability to complete the construction and expansion of the jail facility; and

(2) The grant shall not exceed eighty percent of the total project cost as determined by the department.

Passed the House April 1, 1990.
Passed the Senate April 1, 1990.
Approved by the Governor April 17, 1990.
Filed in Office of Secretary of State April 17, 1990.

CHAPTER 14
[Substitute Senate Bill No. 6412]

WILDLIFE CONSERVATION AND OUTDOOR RECREATION LANDS—FUNDING FOR ACQUISITION AND DEVELOPMENT

AN ACT Relating to funding for the acquisition and development of land for wildlife conservation and outdoor recreation; adding a new chapter to Title 43 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds:

(1) That Washington possesses an abundance of natural wealth in the form of forests, mountains, wildlife, waters, and other natural resources, all of which help to provide an unparalleled diversity of outdoor recreation opportunities and a quality of life unmatched in this nation;

(2) That as the state's population grows, the demand on these resources is growing too, placing greater stress on today's already overcrowded public recreational lands and facilities, and resulting in a significant loss of wildlife habitat and lands of unique natural value;

(3) That public acquisition and development programs have not kept pace with the state's expanding population;
