(3) The department of social and health services shall adopt rules under chapter 34.05 RCW establishing criteria constituting circumstances of good cause for an individual failing or refusing to participate in an assigned program component, or failing or refusing to accept or retain employment. These criteria shall include, but not be limited to, the following circumstances: (a) If the individual is a parent or other relative personally providing care for a child under age six years, and the employment would require the individual to work more than twenty hours per week; (b) if child care, or day care for an incapacitated individual living in the same home as a dependent child, is necessary for an individual to participate or continue participation in the program or accept employment, and such care is not available, and the department of social and health services fails to provide such care; (c) the employment would result in the family of the participant experiencing a net loss of cash income; or (d) circumstances that are beyond the control of the individual's household, either on a short-term or on an ongoing basis.

(4) The department of social and health services shall adopt rules under chapter 34.05 RCW as necessary to effectuate the intent and purpose of this chapter.

***\*NEW SECTION. Sec. 4. If specific authority to expend funds to implement this program, referencing this act by bill number, is not provided in the operating appropriations act, this act shall be null and void.***

\*Sec. 4 was vetoed, see message at end of chapter.

***\*NEW SECTION. Sec. 5. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect April 1, 1992.***

\*Sec. 5 was vetoed, see message at end of chapter.

Passed the House March 6, 1992.

Passed the Senate March 11, 1992.

Approved by the Governor April 1, 1992, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State April 1, 1992.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to sections 4 and 5, Substitute House Bill No. 2983, entitled:

"AN ACT Relating to job training or work experience for public assistance recipients."

Substitute House Bill No. 2983 contains a null and void clause that refers to an unfunded proviso in the budget, requiring the Department of Social and Health Services to expend at least \$1.5 million on the newly created work experience pilot program. Since the proviso is unfunded, I am vetoing the null and void clause (section 4) and directing the department to implement this program within available funds. I believe this program will provide an opportunity to learn ways to benefit persons with long-term incapacities.

Section 5 contains an effective date of April 1st that is impossible to meet. It will take time to promulgate rules in accordance with the Administrative Procedures Act and it will take a reasonable period of time to contract with agencies for the work experience program.

For these reasons, I have voted sections 4 and 5 of Substitute House Bill No. 2983.

With the exception of sections 4 and 5, Substitute House Bill No. 2983 is approved."

The department shall seek state and/or federal moneys from environmental regulatory agencies for the purpose set forth in this

subsection. If such moneys are obtained, the department shall transfer dollar for dollar from the motor vehicle fund—state appropriation—transportation capital facilities account to the new fund source or sources.

- ~~(b) Station improvements;~~
- ~~(c) Resumption of service between Seattle, Washington, and Vancouver, British Columbia; and~~

~~(d) New or additional service on other routes for which there is adequate demand and reasonable opportunity for cost recovery))~~ The transportation fund—state appropriation contained in this section includes up to \$5,000,000 to implement the recommendations contained in the 1991 Amtrak study for capital improvements to stations and crossings. Improvements may be made to those locations where Amtrak services are currently provided. The expenditure of state moneys for station and crossing improvements at locations where Amtrak services are not currently provided, is conditioned on a prior commitment in writing by Amtrak to the department of transportation to expand service to additional Washington state locations. Prior to the expenditure of state moneys for capital improvements, the department of transportation shall seek additional funding from federal, local government and private sources, which includes, but is not limited to, in-kind and cash contributions. Funding priorities for station improvements shall be based on the level of local in-kind and cash contributions.

~~(2) ((Funds are provided for acquisition of rail rights of way under RCW 47.76.140: PROVIDED, That funds expended for the Stampede Pass corridor connecting Ravensdale in King County and Cle Elum in Kittitas County may be expended only if the corridor is acquired jointly with the city of Tacoma. The department shall enter into an agreement with the City of Tacoma to develop appropriate restrictions on the use of the right of way designed to protect Tacoma's Green River water supply. Following acquisition, the department may not expend or authorize the expenditure of funds for improvements to tracks, bridges, and associated elements without prior legislative approval. Funds may be expended for necessary maintenance and preservation, such as fire and weed control. This appropriation shall lapse if \$1,100,000 is not reappropriated for the purchase of corridors from the essential rail banking account.~~

~~(3))~~ Moneys in this appropriation for the Spokane intermodal transportation center may be expended only after the Washington state transportation commission has received funding commitments from all other project participants.

~~((4))~~ (3) Of the amount provided for regional transportation planning organizations, funds not allocated to such organizations may be used for a discretionary grant program for special regional planning projects, to be administered by the department of transportation.

~~((5))~~ (4) The amount provided for implementation of the universal bus pass program at the University of Washington shall be expended solely for one-time infrastructure costs for modification of roads to accommodate buses, modification of parking facilities, bus shelters, security lighting for night shuttle programs, and bike storage facilities. It is the intent of the legislature that comparable comprehensive programs be developed in the near future for all universities and colleges within the greater Seattle area. To that end, Metro, community transit and Pierce transit, and Seattle area colleges and universities shall work together and submit a plan to the legislative transportation committee identifying potential

services, costs and implementation schedules. The plan shall be submitted by November 1992.

(5) In order to accommodate the federal 1991 intermodal surface transportation efficiency act (P.L. 101-240; 105 Stat. 1914) the department of transportation may transfer dollar for dollar from the motor vehicle fund—state appropriation to the motor vehicle fund—federal appropriation.

(6) The legislature finds that there is a significant state interest in transportation systems and facilities that serve regional and state-wide travel. Further, the state growth management act gives local governments significant authority to develop plans for all transportation systems, including regional and state-wide facilities. While the department of transportation and the transportation commission have broad authority to develop state-wide transportation plans, the relationship between these plans and local growth management plans is unclear.

The department of transportation is directed to report to the 1993 legislature on a proposed definition of transportation issues of state-wide significance, the recommended role of the state, regions, and local governments in addressing these issues, and a proposed process for their inclusion in local comprehensive plans. The department shall involve local governments, regional transportation planning organizations, and the department of community development in the development of these recommendations.

(7) Up to \$415,000 of the appropriation in this section is provided for funding of the demonstration projects specified in the federal 1991 intermodal surface transportation efficiency act (P.L. 101-240; 105 Stat 1914).

(8) Up to \$300,000 of the public transportation systems account—state appropriation in this section is provided for grants to transit agencies with populations of less than 200,000 to assist in preparation of the agencies' transit development plans, due June 1, 1993, pursuant to RCW 35.58.2795.

(9) In order to fulfill the purposes of the 1991 federal intermodal surface transportation efficiency act (P.L. 101-240; 105 Stat. 1914) the Central Puget Sound Public Transportation Account—State Appropriation is to fund a study on the interrelationships of land-use planning and zoning to transit ridership. The study shall be conducted by a county of more than 1,000,000 persons: PROVIDED, That the county provide matching funds of \$50,000: AND PROVIDED FURTHER, That this appropriation be contingent on the passage of Senate Bill No. 6209 (Chapter --, Laws of 1992) or Engrossed House Bill No. 2830. A report on the findings shall be provided to the legislative transportation committee, the department of transportation, and the office of the governor no later than November 30, 1993.

The appropriations in this section are provided for improving the Washington state ferry system, including, but not limited to, vessel acquisition, vessel construction, major and minor vessel improvements, and terminal construction and improvements. The appropriations in this section are subject to the following conditions and limitations:

The appropriations in this section are provided to carry out only the projects in the department of transportation's 1991-93 biennial budget request dated March 1991, as approved by the transportation commission. The department of transportation shall revise these projects to reconcile them with the 1989-91 actual expenditures within sixty days of the beginning of the biennium. The department shall also reevaluate such projects, based on the findings and recommendations of the April 5, 1991, Final Report by Booz.Allen, Hamilton and M. Rosenblatt and Son, Inc. on the Washington State Ferries' Vessel Refurbishment Programs, and, if appropriate, make the necessary project revisions, after consultation with the legislative transportation committee, prior to September 1, 1991.

The Puget Sound capital construction account—state appropriation includes the reappropriation of \$18,965,000 and \$15,000,000 in proceeds from the sale of bonds authorized by RCW 47.60.560 and \$10,000,000 in proceeds from the sale of bonds authorized by House Bill No. 2896, Laws of 1992, which shall be used toward the completion of auto or passenger vessels or jumbo-class vessels; PROVIDED, That the department of transportation may use current revenues available to the Puget Sound capital construction account in lieu of bond proceeds for any part of the state appropriation.

The legislature intends that the construction and assembly of any auto passenger vessel or vessels-jumbo class resulting from bond sale proceeds authorized by House Bill No. 2896, Laws of 1992, occur within Washington state.

The appropriation in this section contains an amount for prerefurbishment inspections as identified in Recommendation 8 of the April 5, 1991, Final Report by Booz.Allen, Hamilton and M. Rosenblatt and Son, Inc. on the Washington State Ferries' Vessel Refurbishment Programs.

The Puget Sound capital construction account—state appropriation includes \$1,082,000 to be expended solely for the design of a jumbo class automobile ferry vessel.

The department shall consult the legislative transportation committee regarding the expenditure of moneys appropriated in this section and shall provide the committee with a monthly report concerning the status of the capital program authorized in this section.

\$300,000 of the Puget Sound capital construction account—state appropriation is provided to implement Recommendation Numbers 7 and 19 of the April 5, 1991, Final Report by Booz.Allen, Hamilton and M. Rosenblatt and Son, Inc. on the Washington State Ferries' Vessel Refurbishment Programs. Of that amount \$200,000 is provided for implementing a formal hazardous materials program and \$100,000 is provided for audiogauge steel testing.

The department of transportation shall establish a task force to assess and oversee the implementation of the recommendations contained in the April 5, 1991, Final Report by Booz.Allen, Hamilton and M. Rosenblatt and Son, Inc. on the Washington State Ferries' Vessel Refurbishment Programs. The task force shall be comprised of department of transportation management, representatives of Washington state ferry system employee organizations, the shipbuilding industry, the legislative transportation committee, and any other entity or individual as deemed appropriate by the department. The task force shall provide a progress report to the legislative transportation committee by December 1, 1991 and December 1, 1992.

In order to accommodate the federal 1991 intermodal surface transportation efficiency act (P.L. 101-240; 105 Stat. 1914), the department may transfer on a dollar for dollar basis, motor vehicle fund—Puget Sound capital construction account—state appropriation to the motor vehicle fund—Puget Sound capital construction account—federal appropriation.

Sec. 24. 1991 sp.s. c 15 s 39 (uncodified) is amended to read as follows:

**FOR THE DEPARTMENT OF TRANSPORTATION—MARINE—PROGRAM X**

Marine Operating Fund—State Appropriation . . . . . \$ ((204,767,000))  
205,755,000

The appropriation in this section is subject to the following conditions and limitations:

(1) The marine operating fund is hereby created in the state treasury.

To fund the appropriations in this act, the department shall transfer operating subsidies from the Puget Sound ferry operations account and ferry user revenues from the ferry system revolving account to the marine operating fund.

The department shall transfer moneys from the ferry system revolving account to the marine operating fund so as to minimize the need for revenues from the Puget Sound ferry operations account during June of each respective

fiscal year in support of the expenditures necessary for the operation and maintenance of the state ferry system as authorized in this section.

(2) The appropriation is based on the budgeted expenditure of \$24,562,547 for vessel operating fuel in the 1991-93 biennium. If the actual cost of fuel is less than this budgeted amount, the excess amount shall not be expended. If the actual cost exceeds this amount, the department shall request a supplemental appropriation.

(3) The appropriation contained in this section provides for the compensation of ferry employees, including increases. The expenditures for compensation paid to ferry employees during the 1991-93 biennium shall not exceed ~~(\$135,862,000)~~ \$136,582,000 plus a dollar amount, as prescribed by the office of financial management, that is equal to any insurance benefit increase granted general government employees in excess of \$256.07 a month annualized per eligible marine employee multiplied by the number of eligible marine employees for the respective fiscal year, a dollar amount as prescribed by the office of financial management for salary increases during the 1991-93 biennium, and a dollar amount as prescribed by the office of financial management for costs associated with pension amortization charges and cost of living allowances. For the purposes of this section, the expenditures for compensation paid to ferry employees shall be limited to salaries and wages and employee benefits as defined in the office of financial management's policies, regulations, and procedures named under objects of expenditure "A" and "B" (7.2.6.2). Of the ~~(\$135,862,000)~~ \$136,582,000 provided for compensation, plus the prescribed insurance benefit, pension, and salary increase dollar amount:

(b) The maximum dollar amount that shall be allocated from the governor's compensation salary appropriation is in addition to the appropriation contained in this section and shall be used to maintain any 1991-92 compensation increase and may be used to increase compensation costs, effective January 1, 1993.

In no event may the June 30, 1992, hourly salary rate increase exceed any average hourly salary rate increase granted during the 1991-92 fiscal year.

In no event may the June 30, 1993, hourly salary rate increase exceed any salary rate increase granted during the 1992-93 fiscal year.

(c) The prescribed insurance benefit increase dollar amount that shall be allocated from the governor's compensation insurance benefits appropriation is in addition to the appropriation contained in this section and may be used to increase compensation costs, effective July 1, 1991;

(d) The prescribed insurance benefit increase dollar amount that shall be allocated from the governor's compensation insurance benefits appropriation is in addition to the appropriation contained in this section and may be used to increase compensation costs, effective July 1, 1992.

(4) The intent of the legislature is to eliminate the current passenger-only service between Seattle and Bremerton. The transportation commission is responsible for evaluating other potential passenger-only routes and determining the location of a new passenger-only route. The transfer of the Seattle/Bremerton passenger-only vessel to a new route should be implemented as soon as it is feasible.

(5) The appropriation in this section includes \$1,091,290 for an additional eight-hour automobile ferry service between Seattle and Bremerton during the 1992-93 fiscal period commencing with the elimination of the passenger only service.

(6) The department of transportation shall provide the legislative transportation committee with a monthly report concerning the status of the operating program authorized in this section.

(7) The transportation commission is directed to continue its evaluation of passenger-only vessel designs capable of providing high speed service between Seattle and Bremerton. The commission shall provide the legislative transportation committee with a report concerning the status of the evaluation by September 30, 1991 and December 1, 1992.

The state patrol and the department of licensing shall coordinate their activities when siting facilities. This coordination shall result in the colocation of driver and vehicle licensing and vehicle inspection service facilities whenever possible.

The department and state patrol shall explore alternative state services, such as vehicle emission testing, that would be feasible to colocate in these joint facilities. The department and state patrol shall reach agreement with the department of transportation for the purposes of offering department of transportation permits at these one-stop transportation centers. All services provided by the department or the state patrol at these transportation service facilities shall be provided at cost to the participating agencies.

In those instances where the community need or the agencies needs do not warrant colocation this proviso shall not apply.

The state patrol shall examine, whenever possible, the colocation of the emergency response activities of the state patrol and other agencies responsible

for emergency response activities. The examination shall include an evaluation of the Camp Murray site. The state patrol shall report to the legislature by December 1, 1992 on the examination.

This appropriation is provided to replace equipment lost and other associated costs in the Kent maintenance facility fire.

**\*NEW SECTION. Sec. 29.** A new section is added to 1991 sp.s. c 15 to read as follows:

*The office of financial management shall conduct a study, in conjunction with the department of transportation, the department of licensing, and the Washington state patrol, of the methods used by the revolving fund agencies to determine actual services provided to the transportation agencies. The study shall determine whether or not allocation methodologies used to assign these costs to transportation agencies are consistent with accepted accounting principles.*

\*Sec. 29 was vetoed, see message at end of chapter.

**NEW SECTION. Sec. 30.** A new section is added to 1991 sp.s. c 15 to read as follows:

Agencies shall comply with the following requirements regarding information technology projects if directed to do so by specific appropriation proviso within this act.

It is the intent of the legislature that information technology projects in state government be managed and completed successfully. Information technology projects should be divided into distinct phases. Each phase of a project should be successfully completed before subsequent phases are commenced. In addition to the post-implementation review, project reviews and quality assurance measures are to be conducted throughout the project.

The legislature, department of information services and office of financial management, should evaluate each project's scope, duration, and risk in determining whether appropriations should be for a fiscal year or a biennium, and whether specific phases or the entire project can be accomplished within a specified time period.

Work shall not commence on any task in a subsequent phase of a project after a key decision point review unless there is approval to proceed, based upon

approval of the deliverables from the preceding phase and approval of the updated project management plan for the subsequent phase, by the project agreement participants and written notification to the legislative transportation committee.

(1) Prior to requesting moneys from the legislature, or as a condition of receiving an appropriation for planning or development of information technology projects, an agency shall complete a project needs assessment process. The needs assessment process shall detail the key issues to be addressed by the information technology project. The needs assessment process shall precede the feasibility study.

The needs assessment process must include: The project's scope; key business and technical issues to be addressed; major business objectives; alternative project approaches; project justifications; project management approach including phases necessary to complete the project; and evaluation of initial feasibility of the project. The purpose of the needs assessment process is to provide the legislature, office of financial management, and the department of information services with the high level information that is needed to grant approval to proceed with the project.

(2) The agency shall produce a feasibility study for each information systems project in accordance with published department of information services instructions. The study shall examine and evaluate the costs and benefits of maintaining the current technology or process versus the costs and benefits of the proposed system. The study shall identify if and in what amounts any fiscal savings, costs, and benefits will occur, and what programs or fund sources will be affected. Benefits of information technology projects shall not be limited to future fiscal savings, but may include maintenance of, or improvements in service delivery by the agency to the citizens of the state. The feasibility study shall be an evolving document. The feasibility study shall be accompanied by the project management plan described in subsection (3) of this section.

(3) The agency shall produce a project management plan which shall document how the agency will manage the project identified in the feasibility study. The plan shall be an evolving document. Each subsequent phase of the project shall have an updated project management plan submitted as a prerequisite for approval to begin the next phase.

The project management plan shall cover all factors critical to the entire project; shall specifically address management plans for successfully completing the subsequent phase; and shall address all factors critical to the overall project, including, but not limited to, the following elements:

(a) Project organization: Define agency executive personnel accountable for project success; define oversight and management committee structures; identify key personnel including key project positions that are not yet filled; address agency and vendor staffing requirements, including backfilling requirements; and other key resources needed for successful project implementation.

- (b) A description of scope change and cost control procedures.
- (c) A risk assessment and risk mitigation plan.
- (d) A description of project oversight and quality assurance procedures.
- (e) A project workplan: Explaining the appropriately defined phases, key management decision points, scheduling of other activities, estimated costs for the next phase or phases to be conducted in a specified time period, a description of project management procedures including communication strategies, documentation control, and issues management.

(4) A project agreement shall be prepared by the sponsoring agency, in a format prescribed by the department of information services, following approval of the project management plan and feasibility study by the department of information services, the office of financial management, and appropriation by the legislature.

The project agreement shall address all pertinent information included in the needs assessment, project management plan, feasibility study, and the budget request information submitted to the office of financial management and the legislature.

The agency head, the director of the department of information services, and the director of the office of financial management shall evaluate and approve the project agreement. A copy of the final project agreement shall be provided to the legislative transportation committee. Any changes to the agreement shall be made with the mutual written consent of the parties. The legislative transportation committee shall receive written prior notification of all proposed changes in a timely manner and may provide written comments on such proposed changes.

(5) Prior to reaching key decision points identified in the project management plan a project status report shall be submitted to the department of information services, the office of financial management, and the legislative transportation committee for each project. Project status reports shall examine and evaluate project management, accomplishments, budget, action to address variances, risk management, and other significant issues critical to completion of a project.

(6) In instances where a project review is requested in accordance with department of information services policies, the review shall examine and evaluate: System requirements specifications; scope; executive commitment and project management procedures system architecture; change controls; documentation; user involvement; training; availability and capability of resources; programming languages and techniques; system inputs and outputs; plans for testing, conversion, implementation, and post-implementation; and other aspects critical to successful construction, integration, and implementation of information technology projects as appropriate. Copies of written project review reports shall be forwarded to the office of financial management and the legislative transportation committee by the agency.

(7) The agency and the department of information services shall provide the legislative transportation committee and the office of financial management with a written bi-monthly project oversight and risk assessment report for each project. The report shall include, but not be limited to, the following: Project name, agency undertaking the project, a description of the project, key project activities during the next sixty to ninety days, base-line cost data, costs to date, schedule to date, risk assessments, risk management, and recommendations.

(8) A written post-implementation review report shall be prepared by the agency for each information systems project in accordance with published department of information services instructions. In addition to the information requested pursuant to the department of information services instructions, post-implementation reports shall evaluate the degree to which a project accomplished its major objectives including, but not limited to, a comparison of original cost and benefit estimates to actual costs and benefits achieved. Copies of post-implementation review reports shall be provided to the department of information services, the office of financial management, and the legislative transportation committee.

(9) Where major variances in project scope, cost, or risk occur, the sponsoring agency shall inform the department of information services of the change. The director of the sponsoring agency and the director of the department of information services shall jointly report such findings in writing to the legislative transportation committee and office of financial management. A major variance is defined as a budget change in excess of \$1,000,000 or ten percent, whichever is lower; an increase in risk category to high; or a change in scope that could result in major change in budget or risk.

NEW SECTION. Sec. 31. 1991 c 342 s 15 is repealed.

NEW SECTION. Sec. 32. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

Passed the House March 11, 1992.

Passed the Senate March 11, 1992.

Approved by the Governor April 1, 1992, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State April 1, 1992.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to sections 15(6), 22 (page 20 lines 12 and 13), 22(9), and 29 of Engrossed Substitute House Bill No. 2553 entitled:

"AN ACT Relating to Transportation Appropriations."

Section 15(6), Highway Construction - Program B

Section 15(6) requires the Department of Transportation to adhere to the 1987 federal delineation of wetlands for mitigation purposes. As drafted, this proviso only applies to the interstate construction program rather than the non-interstate new construction program.

Since local jurisdictions may require the Department of Transportation to adhere to more stringent guidelines than those set forth in the 1987 federal delineation manual, this language could confuse the delivery of necessary interstate projects. Further, it is inappropriate to adopt state wetland standards on a piecemeal basis within a budget document.

Section 22 (page 20 lines 12 and 13), and Section 22(9), Planning, Research, and Public Transportation - Program T

This \$100,000 appropriation and proviso fund a study on the interrelationship of land use planning and zoning to transit ridership. The study funding is contingent on the enactment of the METRO Municipal Corporation bill (Senate Bill No. 6209) or the Transportation Authorities bill (Engrossed House Bill No. 2830). The Legislature did not pass either of these bills. Therefore, the study and funding are no longer appropriate.

Section 29, Office of Financial Management Study of General Administration Charges

Section 29 requires the Office of Financial Management to conduct a study of the methods used by the revolving fund agencies to charge for services provided to the transportation agencies. Such a review is currently underway. Therefore, this study is not necessary. My staff will coordinate the transportation agencies and the revolving fund agencies to discuss services provided, allocation methodologies, and rate charges.

For these reasons, I have vetoed sections 15(6), 22 (page 20 lines 12 and 13), 22(9), and 29 of Engrossed Substitute House Bill No. 2553.

With the exception of sections 15(6), 22 (page 20 lines 12 and 13), 22(9), and 29, Engrossed Substitute House Bill No. 2553 is approved."

However, if the applicant does not have a valid permanent Washington driver's license or Washington state identification card or has not been a resident of the state for the previous consecutive ninety days, the issuing authority shall have up to sixty days after the filing of the application to issue a license. Such applicant's constitutional right to bear arms shall not be denied (~~to him~~), unless he or she:

(g) Has been convicted of any of the following offenses: Assault in the third degree, indecent liberties, malicious mischief in the first degree, possession of stolen property in the first or second degree, or theft in the first or second degree. Any person who becomes ineligible for a concealed pistol permit as a result of a conviction for a crime listed in this subsection (1)(g) and then successfully completes all terms of his or her sentence, as evidenced by a certificate of discharge issued under RCW 9.94A.220 in the case of a sentence under chapter 9.94A RCW, and has not again been convicted of any crime and is not under indictment for any crime, may, one year or longer after such successful sentence completion, petition the district court for a declaration that the person is no longer ineligible for a concealed pistol permit under this subsection (1)(g).

(2) Any person whose firearms rights have been restricted and who has been granted relief from disabilities by the secretary of the treasury under 18 U.S.C. Sec. 925(c) or who is exempt under 18 U.S.C. Sec. 921(a)(20) shall have his or her right to acquire, receive, transfer, ship, transport, carry, and possess firearms in accordance with Washington state law restored.

(3) The license shall be revoked by the issuing authority immediately upon conviction of a crime which makes such a person ineligible to own a pistol or upon the third conviction for a violation of this chapter within five calendar years.

The license application shall contain a warning substantially as follows:

**CAUTION:** Although state and local laws do not differ, federal law and state law on the possession of firearms differ. If you are prohibited by federal law from possessing a firearm, you may be prosecuted in federal court. A state license is not a defense to a federal prosecution.

The license application shall contain a description of the major differences between state and federal law and an explanation of the fact that local laws and ordinances on firearms are preempted by state law and must be consistent with state law. The application shall contain questions about the applicant's place of birth, whether the applicant is a United States citizen, and if not a citizen whether the applicant has declared the intent to become a citizen and whether he or she has been required to register with the state or federal government and any identification or registration number, if applicable. ~~((5))~~ (8) Payment shall be by cash, check, or money order at the option of the applicant. Additional methods of payment may be allowed at the option of the issuing authority.

~~((6))~~ (9) A licensee may renew a license if the licensee applies for renewal within ninety days before or after the expiration date of the license. A license so renewed shall take effect on the expiration date of the prior license. ~~((7))~~ (10) Notwithstanding the requirements of subsections (1) through ~~((6))~~ (9) of this section, the chief of police of the municipality or the sheriff of the county of the applicant's residence may issue a temporary emergency license for good cause pending review under subsection (1) of this section.

~~((8))~~ (11) A political subdivision of the state shall not modify the requirements of this section or chapter, nor may a political subdivision ask the applicant to voluntarily submit any information not required by this section. A civil suit may be brought to enjoin a wrongful refusal to issue a license or a wrongful modification of the requirements of this section or chapter. The civil suit may be brought in the county in which the application was made or in Thurston county at the discretion of the petitioner. Any person who prevails against a public agency in any action in the courts for a violation of this chapter shall be awarded costs, including reasonable attorneys' fees, incurred in connection with such legal action.

**Sec. 2.** RCW 9.41.040 and 1983 c 232 s 2 are each amended to read as follows:

(1) A person is guilty of the crime of unlawful possession of a short firearm or pistol, if, having previously been convicted in this state or elsewhere of a crime of violence or of a felony in which a firearm was used or displayed, the person owns or has in his possession any short firearm or pistol.

(2) Unlawful possession of a short firearm or pistol shall be punished as a class C felony under chapter 9A.20 RCW.

(3) As used in this section, a person has been "convicted" at such time as a plea of guilty has been accepted or a verdict of guilty has been filed, notwithstanding the pendency of any future proceedings including but not limited to sentencing, post-trial motions, and appeals. A person shall not be precluded from possession if the conviction has been the subject of a pardon, annulment, certificate of rehabilitation, or other equivalent procedure based on a finding of the rehabilitation of the person convicted or the conviction has been the subject of a pardon, annulment, or other equivalent procedure based on a finding of innocence.

(4) Except as provided in subsection (5) of this section, a person is guilty of the crime of unlawful possession of a short firearm or pistol if, after having been convicted of any felony violation of the uniform controlled substances act, chapter 69.50 RCW, or equivalent statutes of another jurisdiction, ~~((or after any period of confinement under RCW 71.05.320 or an equivalent statute of another jurisdiction, or following a record of commitment pursuant to chapter 10.77 RCW or equivalent statutes of another jurisdiction, he))~~ the person owns or has in his or her possession or under his or her control any short firearm or pistol.

(5) Notwithstanding subsection (1) of this section, a person convicted of an offense other than murder, manslaughter, robbery, rape, indecent liberties, arson, assault, kidnapping, extortion, burglary, or violations with respect to controlled substances under RCW 69.50.401(a) and 69.50.410, who received a probationary sentence under RCW 9.95.200, and who received a dismissal of the charge under RCW 9.95.240, shall not be precluded from ownership, possession, or control of a firearm as a result of the conviction.

(6)(a) A person who has been committed by court order for treatment of mental illness under RCW 71.05.320 or chapter 10.77 RCW, or equivalent statutes of another jurisdiction, may not possess, in any manner, a firearm as defined in RCW 9.41.010.

(b) At the time of commitment, the court shall specifically state to the person under (a) of this subsection and give the person notice in writing that the person is barred from possession of firearms.

(c) The secretary of social and health services shall develop appropriate rules to create an approval process under this subsection. The rules must provide for the immediate restoration of the right to possess a firearm upon a showing in a court of competent jurisdiction that a person no longer is required to participate in an inpatient or outpatient treatment program, and is no longer required to take medication to treat any condition related to the commitment. Unlawful possession of a firearm under this subsection shall be punished as a class C felony under chapter 9A.20 RCW.

**Sec. 3.** RCW 71.05.240 and 1987 c 439 s 5 are each amended to read as follows:

If a petition is filed for fourteen day involuntary treatment or ninety days of less restrictive alternative treatment, the court shall hold a probable cause hearing

within seventy-two hours of the initial detention of such person as determined in RCW 71.05.180, as now or hereafter amended. If requested by the detained person or his or her attorney, the hearing may be postponed for a period not to exceed forty-eight hours. The hearing may also be continued subject to the conditions set forth in RCW 71.05.210 or subject to the petitioner's showing of good cause for a period not to exceed twenty-four hours.

At the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of mental disorder, presents a likelihood of serious harm to others or himself or herself, or is gravely disabled, and, after considering less restrictive alternatives to involuntary detention and treatment, finds that no such alternatives are in the best interests of such person or others, the court shall order that such person be detained for involuntary treatment not to exceed fourteen days in a facility certified to provide treatment by the department of social and health services. If the court finds that such person, as the result of a mental disorder, presents a likelihood of serious harm to others or himself or herself, or is gravely disabled, but that treatment in a less restrictive setting than detention is in the best interest of such person or others, the court shall order an appropriate less restrictive course of treatment for not to exceed ninety days.

The court shall specifically state to such person and give such person notice in writing that if involuntary treatment beyond the fourteen day period or beyond the ninety days of less restrictive treatment is to be sought, such person will have the right to a full hearing or jury trial as required by RCW 71.05.310. The court shall also provide written notice that the person is barred from the possession of firearms.

[House Bill 2681]

## TAX REFUNDS OR CREDITS—WRITTEN WAIVER TO EXTEND TIME FOR MAKING

Effective Date: 7/1/92

AN ACT Relating to the payment of refunds for overpaid taxes; amending RCW 82.32.050, 82.32.060, and 82.32.100; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

**Sec. 1.** RCW 82.32.050 and 1991 c 142 s 9 are each amended to read as follows:

(1) If upon examination of any returns or from other information obtained by the department it appears that a tax or penalty has been paid less than that properly due, the department shall assess against the taxpayer such additional amount found to be due and shall add thereto interest at the rate of nine percent per annum from the last day of the year in which the deficiency is incurred until the date of payment for tax liabilities arising before January 1, 1992. For tax liabilities arising after December 31, 1991, until the date of payment, the rate of interest shall be variable and computed as provided in subsection (2) of this section. The rate so computed shall be adjusted on the first day of January of each year. The department shall notify the taxpayer by mail of the additional amount and the same shall become due and shall be paid within thirty days from the date of the notice, or within such further time as the department may provide.

(2) For the purposes of this section, the rate of interest to be charged to the taxpayer shall be an average of the federal short-term rate as defined in 26 U.S.C. Sec. 1274(d) plus two percentage points. The rate shall be computed by taking an arithmetical average to the nearest percentage point of the federal short-term rate, compounded annually, for the months of January, April, July, and October of the immediately preceding calendar year as published by the United States secretary of the treasury.

(3) No assessment or correction of an assessment for additional taxes, penalties, or interest due may be made by the department more than four years after the close of the tax year, except (a) against a taxpayer who has not registered as required by this chapter, (b) upon a showing of fraud or of misrepresentation of a material fact by the taxpayer, or (c) where a taxpayer has executed a written waiver of such limitation. The execution of a written waiver shall also extend the period for making a refund or credit as provided in RCW 82.32.060(2).

**Sec. 2.** RCW 82.32.060 and 1991 c 142 s 10 are each amended to read as follows:

(1) If, upon receipt of an application by a taxpayer for a refund or for an audit of the taxpayer's records, or upon an examination of the returns or records of any taxpayer, it is determined by the department that within the statutory period for assessment of taxes, penalties, or interest prescribed by RCW 82.32.050 (a) any amount of tax, penalty, or interest has been paid in excess

of that properly due, the excess amount paid within, or attributable to, such period shall be credited to the taxpayer's account or shall be refunded to the taxpayer, at the taxpayer's option. Except as provided in subsections (2) and (3) of this section, no refund or credit shall be made for taxes, penalties, or interest paid more than four years prior to the beginning of the calendar year in which the refund application is made or examination of records is completed.

(2) The execution of a written waiver under RCW 82.32.050 or 82.32.100 shall extend the time for making a refund or credit of any taxes paid during, or attributable to, the years covered by the waiver if, prior to the expiration of the waiver period, an application for refund of such taxes is made by the taxpayer or the department discovers a refund or credit is due.

(3) Notwithstanding the foregoing limitations there shall be refunded or credited to taxpayers engaged in the performance of United States government contracts or subcontracts the amount of any tax paid, measured by that portion of the amounts received from the United States, which the taxpayer is required by contract or applicable federal statute to refund or credit to the United States, if claim for such refund is filed by the taxpayer with the department within one year of the date that the amount of the refund or credit due to the United States is finally determined and filed within four years of the date on which the tax was paid: PROVIDED, That no interest shall be allowed on such refund.

(4) Any such refunds shall be made by means of vouchers approved by the department and by the issuance of state warrants drawn upon and payable from such funds as the legislature may provide. However, taxpayers who are required to pay taxes by electronic funds transfer under RCW 82.32.080 shall have any refunds paid by electronic funds transfer.

(5) Any judgment for which a recovery is granted by any court of competent jurisdiction, not appealed from, for tax, penalties, and interest which were paid by the taxpayer, and costs, in a suit by any taxpayer shall be paid in ~~((the))~~ the same manner, as provided in subsection (4) of this section, upon the filing with the department of a certified copy of the order or judgment of the court. Except as to the credits in computing tax authorized by RCW 82.04.435, interest at the rate of three percent per annum shall be allowed by the department and by any court on the amount of any refund, credit, or other recovery allowed to a taxpayer for taxes, penalties, or interest paid by the taxpayer before January 1, 1992. For refunds or credits of amounts paid or other recovery allowed to a taxpayer after December 31, 1991, the rate of interest shall be the rate as computed for assessments under RCW 82.32.050(2), less one percentage point.

**Sec. 3.** RCW 82.32.100 and 1989 c 378 s 21 are each amended to read as follows:

(1) If any person fails or refuses to make any return or to make available for examination the records required by this chapter, the department shall proceed, in such manner as it may deem best, to obtain facts and information on which to base its estimate of the tax; and to this end the department may examine the

~~((books,)) records((, and papers)) of any such person ((and may take evidence, on oath, of any person, relating to the subject of inquiry)) as provided in RCW 82.32.110.~~

(2) As soon as the department procures such facts and information as it is able to obtain upon which to base the assessment of any tax payable by any person who has failed or refused to make a return, it shall proceed to determine and assess against such person the tax and any applicable penalties or interest due, but such action shall not deprive such person from appealing ~~((to the superior court as hereinafter provided. To the assessment the department shall add the penalties provided in RCW 82.32.090))~~ the assessment as provided in this chapter. The department shall notify the taxpayer by mail of the total amount of such tax, penalties, and interest, and the total amount shall become due and shall be paid within thirty days from the date of such notice.

(3) No assessment or correction of an assessment may be made by the department more than four years after the close of the tax year, except ~~((4))~~ (a) against a taxpayer who has not registered as required by this chapter, ~~((2))~~ (b) upon a showing of fraud or of misrepresentation of a material fact by the taxpayer, or ~~((3))~~ (c) where a taxpayer has executed a written waiver of such limitation. The execution of a written waiver shall also extend the period for making a refund or credit as provided in RCW 82.32.060(2).

NEW SECTION. Sec. 4. (1) This act shall take effect July 1, 1992.

(2) This act is effective for all written waivers that remain enforceable as of July 1, 1992.

Passed the House March 9, 1992.

Passed the Senate March 3, 1992.

Approved by the Governor April 1, 1992.

## CHAPTER 174

[Engrossed Substitute House Bill 2640]

## MUNICIPAL SEWAGE SLUDGE

Effective Date: 6/11/92

AN ACT Relating to municipal sewage sludge; amending RCW 43.19A.010, 43.21B.110, 47.28.220, 70.95.255, 70.95.030, and 90.48.465; adding a new chapter to Title 70 RCW; and prescribing penalties.

Be it enacted by the Legislature of the State of Washington:

**NEW SECTION. Sec. 1.** (1) The legislature finds that:

(a) Municipal sewage sludge is an unavoidable byproduct of the wastewater treatment process;

(b) Population increases and technological improvements in wastewater treatment processes will double the amount of sludge generated within the next ten years;

(c) Sludge management is often a financial burden to municipalities and to ratepayers;

(d) Properly managed municipal sewage sludge is a valuable commodity and can be beneficially used in agriculture, silviculture, and in landscapes as a soil conditioner; and

(e) Municipal sewage sludge can contain metals and microorganisms that, under certain circumstances, may pose a risk to public health.

(2) The legislature declares that a program shall be established to manage municipal sewage sludge and that the program shall, to the maximum extent possible, ensure that municipal sewage sludge is reused as a beneficial commodity and is managed in a manner that minimizes risk to public health and the environment.

**NEW SECTION. Sec. 2.** The purpose of this chapter is to provide the department of ecology and local governments with the authority and direction to meet federal regulatory requirements for municipal sewage sludge. The department of ecology may seek delegation and administer the sludge permit program required by the federal clean water act as it existed February 4, 1987.

**NEW SECTION. Sec. 3.** Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Biosolids" means municipal sewage sludge that is a primarily organic, semisolid product resulting from the waste water treatment process, that can be beneficially recycled and meets all requirements under this chapter. For the purposes of this chapter, "biosolids" includes septic tank sludge, also known as septage, that can be beneficially recycled and meets all requirements under this chapter.

(2) "Department" means the department of ecology.

(3) "Local health department" has the same meaning as "jurisdictional health department" in RCW 70.95.030.

(4) "Municipal sewage sludge" means a semisolid substance consisting of settled sewage solids combined with varying amounts of water and dissolved materials generated from a publicly owned wastewater treatment plant.

**NEW SECTION. Sec. 4.** (1) The department shall adopt rules to implement a biosolid management program within twelve months of the adoption of federal rules, 40 C.F.R. Sec. 503, relating to technical standards for the use and disposal of sewage sludge. The biosolid management program shall, at a minimum, conform with all applicable federal rules adopted pursuant to the federal clean water act as it existed on February 4, 1987.

(2) In addition to any federal requirements, the state biosolid management program may include, but not be limited to, an education program to provide relevant legal and scientific information to local governments and citizen groups.

(3) Rules adopted by the department under this section shall provide for public input and involvement for all state and local permits.

(4) Materials that have received a permit as a biosolid shall be regulated pursuant to this chapter.

(5) The transportation of biosolids and municipal sewage sludge shall be governed by Title 81 RCW. Certificates issued by the utilities and transportation commission before the effective date of this section that include or authorize transportation of municipal sewage sludge shall continue in force and effect and be interpreted to include biosolids.

**NEW SECTION. Sec. 5.** The department may work with all appropriate state agencies, local governments, and private entities to establish beneficial uses for biosolids and glassified sewage sludge.

**NEW SECTION. Sec. 6.** If a person violates any provision of this chapter, or a permit issued or rule adopted pursuant to this chapter, the department may issue an appropriate order to assure compliance with the chapter, permit, or rule.

**NEW SECTION. Sec. 7.** The department, with the assistance of the attorney general, may bring an action at law or in equity, including an action for injunctive relief, to enforce this chapter or a permit issued or rule adopted by the department pursuant to this chapter.

**NEW SECTION. Sec. 8.** A person who willfully violates, without sufficient cause, any of the provisions of this chapter, or a permit or order issued pursuant to this chapter, is guilty of a gross misdemeanor. Willful violation of this chapter, or a permit or order issued pursuant to this chapter is a gross misdemeanor punishable by a fine of up to ten thousand dollars and costs of prosecution, or by imprisonment for up to one year, or by both. Each day of violation may be deemed a separate violation.

**NEW SECTION. Sec. 9.** In addition to any other penalty provided by law, a person who violates this chapter or rules or orders adopted or issued

pursuant to it shall be subject to a penalty in an amount of up to five thousand dollars a day for each violation. Each violation shall be a separate violation. In the case of a continuing violation, each day of violation is a separate violation. An act of commission or omission that procures, aids, or abets in the violation shall be considered a violation under this section.

**NEW SECTION. Sec. 10.** The department may delegate to a local health department the powers necessary to issue and enforce permits to use or dispose of biosolids. A delegation may be withdrawn if the department finds that a local health department is not effectively administering the permit program.

**NEW SECTION. Sec. 11.** (1) Any permit issued by a local health department under section 10 of this act may be reviewed by the department to ensure that the proposed site or facility conforms with all applicable laws, rules, and standards under this chapter.

(2) If the department does not approve or disapprove a permit within sixty days, the permit shall be considered approved.

**Sec. 17.** RCW 90.48.465 and 1991 c 307 s 1 are each amended to read as follows:

(1) The department shall establish annual fees to collect expenses for issuing and administering each class of permits under RCW 90.48.160, 90.48.162, ~~((and)) 90.48.260, and sections 4 through 11 of this act.~~ An initial fee schedule shall be established by rule within one year of March 1, 1989, and thereafter the fee schedule shall be adjusted no more often than once every two years. This fee schedule shall apply to all permits, regardless of date of issuance, and fees shall be assessed prospectively. All fees charged shall be based on factors relating to the complexity of permit issuance and compliance and may be based on pollutant loading and toxicity and be designed to encourage recycling and the reduction of the quantity of pollutants. Fees shall be established in amounts to fully recover and not to exceed expenses incurred by the department in processing permit applications and modifications, monitoring and evaluating compliance with permits, conducting inspections, securing laboratory analysis of samples taken during inspections, reviewing plans and documents directly related to operations of permittees, overseeing performance of delegated pretreatment programs, and supporting the overhead expenses that are directly related to these activities.

(2) The annual fee paid by a municipality, as defined in 33 U.S.C. Sec. 1362, for all domestic wastewater facility permits issued under RCW 90.48.162 ~~((and)), 90.48.260, and sections 4 through 11 of this act~~ shall not exceed the total of a maximum of fifteen cents per month per residence or residential equivalent contributing to the municipality's wastewater system. The department shall adopt by rule a schedule of credits for any municipality engaging in a comprehensive monitoring program beyond the requirements imposed by the department, with the credits available for five years from March 1, 1989, and with the total amount of all credits not to exceed fifty thousand dollars in the five-year period.

(3) The department shall ensure that indirect dischargers do not pay twice for the administrative expense of a permit. Accordingly, administrative expenses for permits issued by a municipality under RCW 90.48.165 are not recoverable by the department.

(4) In establishing fees, the department shall consider the economic impact of fees on small dischargers and the economic impact of fees on public entities required to obtain permits for storm water runoff and shall provide appropriate adjustments.

(5) All fees collected under this section shall be deposited in the water quality permit account hereby created in the state treasury. Moneys in the account may be appropriated only for purposes of administering permits under RCW 90.48.160, 90.48.162, ~~((and)) 90.48.260, and sections 4 through 11 of this act.~~

(6) The department shall submit an annual report to the legislature showing detailed information on fees collected, actual expenses incurred, and anticipated expenses for the current and following fiscal years.

(7) The legislative budget committee in 1993 shall review the fees established under this section and report its findings to the legislature in January 1994.

**NEW SECTION. Sec. 18.** Sections 1 through 11 of this act shall constitute a new chapter in Title 70 RCW.

Passed the House March 11, 1992.

AN ACT Relating to the litter assessment; amending RCW 70.93.010, 70.93.020, 70.93.120, 70.93.130, 70.93.140, 70.93.160, 70.93.170, and 70.93.180; adding a new chapter to Title 82 RCW; recodifying RCW 70.93.120, 70.93.130, 70.93.140, 70.93.160, and 70.93.170; repealing RCW 70.93.150 and 70.93.194; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

**Sec. 1.** RCW 70.93.010 and 1979 c 94 s 1 are each amended to read as follows:

~~((Recognizing the rapid population growth of the state of Washington and the ever increasing mobility of its people, as well as the fundamental need for a healthful, clean and beautiful environment; and further recognizing that the proliferation and accumulation of litter discarded throughout this state impairs this need and constitutes a public health hazard; and further recognizing the need to conserve energy and natural resources; and further recognizing that there is an imperative need to anticipate, plan for, and accomplish effective litter control and recover and recycle waste materials related to litter with the subsequent conservation of resources and energy, there is hereby enacted this))~~ (1) The legislature finds:

(a) Washington state is experiencing rapid population growth and its citizens are increasingly mobile;

(b) There is a fundamental need for a healthful, clean, and beautiful environment;

(c) The proliferation and accumulation of litter discarded throughout this state impairs this need and constitutes a public health hazard;

(d) There is a need to conserve energy and natural resources, and the effective litter control and recovery and recycling of litter materials will serve to accomplish such conservation;

(e) In addition to effective litter control, there must be effective programs to accomplish waste reduction, the state's highest waste management priority; and

(f) There must also be effective systems to accomplish all components of recycling, including collection, processing, and the marketing of recyclable materials and recycled content products.

(2) Recognizing the multifaceted nature of the state's solid waste management problems, the legislation enacted in 1971 and entitled the "Model Litter Control and Recycling Act"((-) is hereby renamed the "waste reduction, recycling, and model litter control act."

**Sec. 2.** RCW 70.93.020 and 1991 c 319 s 101 are each amended to read as follows:

The purpose of this chapter is to accomplish litter control, increase waste reduction, and stimulate ~~((private))~~ all components of recycling ~~((programs))~~ throughout this state by delegating to the department of ecology the authority to:

(1) Conduct a permanent and continuous program to control and remove litter from this state to the maximum practical extent possible;

(2) Recover and recycle waste materials related to litter and littering;

(3) Foster public and private recycling ~~((and markets for))~~ of recyclable materials; and

(4) Increase public awareness of the need for recycling and litter control.

It is further the intent and purpose of this chapter to promote markets for recyclable materials through programs of the clean Washington center and other means.

It is further the intent and purpose of this chapter to create jobs for employment of youth in litter cleanup and related activities and to stimulate and encourage small, private recycling centers. This program shall include the compatible goal of recovery of recyclable materials to conserve energy and natural resources wherever practicable. Every other department of state government and all local governmental units and agencies of this state shall cooperate with the department of ecology in the administration and enforcement of this chapter. The intent of this chapter is to add to and to coordinate existing recycling and litter control and removal efforts and not terminate or supplant such efforts.

**Sec. 3.** RCW 70.93.120 and 1971 ex.s. c 307 s 12 are each amended to read as follows:

In addition to any other taxes, there is hereby levied and there shall be collected by the department of revenue from every person for the privilege of engaging within this state in business as a manufacturer ~~((and/or making sales at wholesale and/or making sales at retail))~~, as a wholesaler, or as a retailer, an

annual litter ~~((assessment))~~ tax equal to the value of products listed in RCW 82.--- (RCW 70.93.130 as recodified by section 10 of this act), including byproducts, manufactured ~~((and sold))~~ within this state ~~((, including by products)),~~ multiplied by ~~((one and one-half hundredths))~~ fifteen one-thousandths of one percent in the case of manufacturers, and equal to the gross proceeds of ~~((the))~~ sales of the ~~((business))~~ products listed in RCW 82.--- (RCW 70.93.130 as recodified by section 10 of this act) that are sold within this state multiplied by ~~((one and one-half hundredths))~~ fifteen one-thousandths of one percent in the case of ~~((sales at wholesale and/or at retail))~~ wholesalers and retailers.

**Sec. 4.** RCW 70.93.130 and 1971 ex.s. c 307 s 13 are each amended to read as follows:

~~((Because it is the express purpose of this chapter))~~ To accomplish effective litter control within the state ~~((of Washington))~~ and ~~((because it is a further purpose of this chapter))~~ to allocate a portion of the cost of administering ~~((it))~~ this chapter to those industries whose products, including the packages, wrappings, and containers thereof, are reasonably related to the litter problem, ~~((in arriving at the amount upon which the assessment is to be calculated))~~ the tax imposed in this chapter shall only apply to the value of products or the gross proceeds of sales of products falling into the following categories ~~((shall be included))~~:

- (1) Food for human or pet consumption.
- (2) Groceries.

~~((2))~~ (b) It is the purpose of this chapter to allocate a portion of the cost of administration of this chapter to those industries manufacturing and/or selling products and the packages, wrappings, or containers thereof which are reasonably related to the litter problem within this state.

(2) Instead of requiring each business to separately account for taxable and nontaxable products under this chapter, the department may provide, by rule, that the tax imposed in this chapter be reported and paid based on a percentage of total sales for a particular type of business if the department determines that the percentage reasonably approximates the taxable activity of the particular type of business.

**Sec. 6.** RCW 70.93.160 and 1971 ex.s. c 307 s 16 are each amended to read as follows:

**Sec. 8.** RCW 70.93.180 and 1991 sp.s. c 13 s 40 are each amended to read as follows:

(1) There is hereby created an account within the state treasury to be known as the "waste reduction, recycling, and litter control account". Moneys in the account may be spent only after appropriation. Expenditures from the waste reduction, recycling, and litter control account shall be used as follows:

(b) A certified applicator making a right of way application shall display the name and telephone number of the applicator or the applicator's employer and the words "VEGETATION MANAGEMENT APPLICATION" on any power application apparatus. The applicator shall also carry the material safety data sheet for each pesticide being applied.

(2) If a certified applicator receives a written request for information on a spray application, the applicator shall provide the requestor with the name or names of each pesticide applied and (a) a copy of the material safety data sheet for each pesticide; or (b) a pesticide fact sheet for each pesticide as developed or approved by the department.

(3) The director shall adopt rules establishing the size and lettering requirements of the apparatus display signs required under this section.

**NEW SECTION.** Sec. 3. A new section is added to chapter 17.21 RCW to read as follows:

(1) The department shall develop a list of pesticide-sensitive individuals. The list shall include any person with a documented pesticide sensitivity who submits information to the department on an application form developed by the department indicating the person's pesticide sensitivity.

(2) An applicant for inclusion on the pesticide-sensitive list may apply to the department at any time and shall provide the department, on the department's form, the name, street address, and telephone number of the applicant and of each property owner with property abutting the applicant's principal place of residence. The pesticide sensitivity of an individual shall be certified by a physician who holds a valid license to practice medicine in this state. The lands listed on an application for inclusion on the pesticide-sensitive list shall constitute the pesticide notification area for that applicant.

(3) A person whose name has been included on the pesticide-sensitive list shall notify the department of a need to update the list as soon as possible after: (a) A change of address or telephone number; (b) a change in ownership of property abutting a pesticide-sensitive individual; (c) a change in the applicant's condition; or (d) the sensitivity is deemed to no longer exist.

(4) The pesticide-sensitive list shall expire on December 31 of each year. The department shall distribute application forms for the new list at a reasonable time prior to the expiration of the current list, including mailing an application form to each person on the current list at the address given by the person in his or her most recent application. Persons desiring to be placed on or remain on the list shall submit a new application each year.

(5) The department shall distribute the list by February 15 and June 15 of each year to all certified applicators likely to make landscape applications. The list shall provide multiple methods of accessing the information so that certified applicators making landscape applications or right of way applications are able to easily determine what properties and individuals require notification for a specific application. An updated list shall be distributed whenever deemed necessary by the department. Certified applicators may request a list of newly registered individuals that have been added to the list since the last distribution. Registered individuals shall receive verification that their name has been placed on the list.

**NEW SECTION.** Sec. 4. A new section is added to chapter 17.21 RCW to read as follows:

(1) A certified applicator making a landscape application or a right of way application to the pesticide notification area, as defined in section 3(2) of this act, of a person on the pesticide-sensitive list shall notify the listed pesticide-sensitive individual of the application. Notification shall be made at least two hours prior to the scheduled application, or in the case of an immediate service call, the applicator shall provide notification at the time of the application.

(2) Notification under this section shall be made in writing, in person, or by telephone, and shall disclose the date and approximate time of the application. In the event a certified applicator is unable to provide prior notification because of the absence or inaccessibility of the individual, the applicator shall leave a written notice at the residence of the individual listed on the pesticide-sensitive list at the time of the application. If a person on the pesticide-sensitive list lives in a multifamily dwelling such as an apartment or condominium, the applicator shall notify the person on the list or shall advise the manager or other property owner's representative to notify the person on the list of the application.

**NEW SECTION. Sec. 5.** A new section is added to chapter 17.21 RCW to read as follows:

(1) A certified applicator making a landscape application to:

(a) Residential property shall at the time of the application place a marker at the usual point of entry to the property. If the application is made to an isolated spot that is not a substantial portion of the property, the applicator shall only be required to place a marker at the application site. If the application is in a fenced or otherwise isolated backyard, no marker is required.

(b) A golf course shall at the time of the application place a marker at the first tee and tenth tee or post the information in a conspicuous location such as on a central message board.

(c) A school shall at the time of the application place a marker at each primary point of entry to the school grounds.

(d) A park shall at the time of the application place a marker at each primary point of entry.

(2) The marker shall be a minimum of four inches by five inches. It shall have the words: "THIS LANDSCAPE HAS BEEN TREATED BY" as the headline and "FOR MORE INFORMATION PLEASE CALL" as the footer. The company name and service mark with the applicator's telephone number where information can be obtained shall be included between the headline and the footer on the marker. The letters and service marks shall be printed in colors contrasting to the background.

(3) The property owner or tenant shall remove the marker the day following the application. A commercial applicator is not liable for the removal of markers by unauthorized persons or removal outside the designated removal time.

(4) A certified applicator who complies with this section cannot be held liable for personal property damage or bodily injury resulting from markers that are placed as required.

(c) Compensates the sales representative in whole or in part by commission.

(3) "Sales representative" means a person who solicits, on behalf of a principal, orders for the purchase at wholesale of the principal's product, but does not include a person who places orders for his own account for resale, or purchases for his own account for resale, or sells or takes orders for the direct sale of products to the ultimate consumer.

**NEW SECTION.** Sec. 2. **NEW SECTION. Sec. 5.** (1) Sections 1 through 5 of this act supplement but do not supplant any other rights and remedies enjoyed by sales representatives.

(2) A provision of sections 1 through 5 of this act may not be waived, whether by express waiver or by attempt to make a contract or agreement subject to the laws of another state. A waiver of a provision of sections 1 through 5 of this act is void.

[Senate Bill 6296]

**INFANT MORTALITY REVIEWS****Effective Date: 4/1/92**

AN ACT Relating to infant mortality reviews by local health departments; adding a new section to chapter 70.05 RCW; adding a new section to chapter 42.17 RCW; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

**NEW SECTION. Sec. 1.** A new section is added to chapter 70.05 RCW to read as follows:

(1)(a) The legislature finds that the rate of infant mortality in Washington state is unacceptably high, and that such mortality may be preventable. The legislature further finds that, through the performance of infant mortality reviews, preventable causes of infant mortality can be identified and addressed, thereby reducing the rate of infant mortality in Washington state.

(b) It is the intent of the legislature to encourage the performance of infant death reviews by local health departments by providing necessary legal protections to the families of infants whose deaths are studied, local health department officials and employees, and health care professionals participating in infant mortality review committee activities.

(2) As used in this section, "infant mortality review" means a process authorized by a local health department as such department is defined in RCW 70.05.010 for examining factors that contribute to infant death through a systematic review of medical, clinical, and hospital records; home interviews of parents and caretakers of infants who have died; analysis of individual case information; and review of this information by a team of professionals in order to identify modifiable medical, socioeconomic, public health, behavioral, administrative, educational, and environmental factors associated with each death.

(3) Local health departments are authorized to conduct infant mortality reviews. In conducting such reviews, the following provisions shall apply:

(a) All medical records, reports, and statements procured by, furnished to, or maintained by a local health department pursuant to chapter 70.02 RCW for purposes of an infant mortality review are confidential insofar as the identity of an individual infant and his or her adoptive or natural parents is concerned. Such records may be used solely by local health departments for the purposes of the review. This section does not prevent a local health department from publishing statistical compilations and reports related to the infant mortality review, if such compilations and reports do not identify individual cases and sources of information.

(b) Any records or documents supplied or maintained for the purposes of an infant mortality review are not subject to discovery or subpoena in any administrative, civil, or criminal proceeding related to the death of an infant reviewed. This provision shall not restrict or limit the discovery or subpoena from a health care provider of records or documents maintained by such health care provider in the ordinary course of business, whether or not such records or

documents may have been supplied to a local health department pursuant to this section.

(c) Any summaries or analyses of records, documents, or records of interviews prepared exclusively for purposes of an infant mortality review are not subject to discovery, subpoena, or introduction into evidence in any administrative, civil, or criminal proceeding related to the death of an infant reviewed.

(d) No local health department official or employee, and no members of technical committees established to perform case reviews of selected infant deaths may be examined in any administrative, civil, or criminal proceeding as to the existence or contents of documents assembled, prepared, or maintained for purposes of an infant mortality review.

(e) This section shall not be construed to prohibit or restrict any person from reporting suspected child abuse or neglect under chapter 26.44 RCW nor to limit access to or use of any records, documents, information, or testimony in any civil or criminal action arising out of any report made pursuant to chapter 26.44 RCW.

**NEW SECTION. Sec. 2.** A new section is added to chapter 42.17 RCW to read as follows:

Notwithstanding the provisions of RCW 42.17.250 through 42.17.340, no local health department may be required under this chapter to make available for public inspection or copying any records or documents obtained, prepared, or maintained by the local health department for the purposes of an infant mortality review conducted by the department pursuant to section 1 of this act. This section shall not apply to published statistical compilations and reports relating to the infant mortality review studies that do not identify individual cases and sources of information.

**NEW SECTION. Sec. 3.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

Passed the Senate March 8, 1992.

Passed the House March 4, 1992.

Approved by the Governor April 1, 1992.

## CHAPTER 180

[Substitute House Bill 2551]

## SPECIAL EDUCATION SERVICES DEMONSTRATION PROJECTS—REVISIONS

Effective Date: 4/1/92

AN ACT Relating to special educational services demonstration projects; amending RCW 28A.630.820 and 28A.630.840; adding a new section to chapter 28A.630 RCW; providing an expiration date; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

**Sec. 1.** RCW 28A.630.820 and 1991 c 265 s 1 are each amended to read as follows:

It is the intent of the legislature to (1) encourage school districts, individually and cooperatively, to develop innovative special services demonstration projects that use resources efficiently and increase student learning; (2) promote noncategorical approaches to special services program design, funding, and administration; (3) develop efficient and cost-effective means for identifying students as specific learning disabled, in order to increase the proportion of resources devoted to classroom instruction; ~~((and))~~ (4) avoid unnecessary labeling of students while still providing state funding for needed services; and (5) provide a means to grant waivers from state rules.

**Sec. 2.** RCW 28A.630.840 and 1991 c 265 s 5 are each amended to read as follows:

(1) Project funding may include state, federal, and local funds, as specified by the district in its approved project ~~((est))~~ proposal. ~~((The superintendent of public instruction shall include all project funding for a participating district in a project contract and disburse the funds as contract payments.))~~

(2) As a general guideline, subject to refinements in the district ~~((est))~~ proposal and approval by the superintendent of public instruction, the portion of state handicapped funding included as project funding shall be determined as follows:

(a) If the district serves specific learning disabled students in the project, the portion of the handicapped allocation attributed to specific learning disabled students shall be included, with proportional adjustments if the project serves only part of the district's specific learning disabled population;

(b) If other handicapped students are served in the project, the portions of the handicapped allocation attributed to those students shall be included, with proportional adjustments if the project serves only part of the district's population in those categories of handicapped students.

(3) State handicapped allocations shall be calculated for project districts according to the handicapped funding formula in use for other districts, ~~((but))~~ except for the provisions of section 3 of this act and with the following changes:

(a) ~~((Except as provided in (b) of this subsection, funding in each school year for specific learning disabled and other handicapped students served in a project shall be based on the average percentage of the kindergarten through~~

~~twelfth grade enrollment in the particular handicapped category during the prior three years.~~

~~(b))~~ Project funding for school districts that had pilot projects approved under section 13, chapter 233, Laws of 1989, and that were participating in projects under this section on January 31, 1992, shall be based for the duration of a project under RCW 28A.630.820 through 28A.630.840 on four percent of the kindergarten through twelfth grade enrollment considered as specific learning disabled, without regard to the actual number of students so identified. The legislature recognizes the importance of continuing and developing the pilot projects.

(b) School districts with approved projects as of January 31, 1992, may receive funding in each school year for handicapped students served in the project based on the average percentage of the kindergarten through twelfth grade enrollment in the particular handicapped category during the prior three years. School districts that wish to exercise this option shall notify the selection advisory committee and the superintendent of public instruction by May 1, 1992.

(c) The funding percentages for demonstration projects specified in (a) ~~((and (b)))~~ of this subsection shall be used to adjust basic education allocations under RCW 28A.150.260 and learning assistance program allocations under RCW 28A.165.070.

(d) State handicapped allocations under subsection (2) of this section up to the level required by federal maintenance of effort rules shall be expended for services to handicapped students in the project. Allocations greater than the amount needed to comply with federal maintenance of effort rules ~~((shall))~~ may at the option of the district be designated as noncategorical project funds and may be expended on services to any student served in the project.

(4) Federal handicapped allocations may be designated in whole or in part for project use ~~((, if the amounts are included in the district's approved cost proposal and the project contract)).~~

(5) Learning assistance program allocations may be designated in whole or in part for project use ~~((, if the amounts are included in the district's approved cost proposal and the project contract)).~~ These allocations shall be calculated for project districts according to the funding formula in use for other districts, except that any increases in the district allocation above the fiscal year 1991 amount shall be designated as noncategorical project funds and may be expended on services to any student served in the project.

(6) Transitional bilingual program allocations may be designated in whole or in part for project use ~~((, if the amounts are included in the district's approved cost proposal and the project contract)).~~ These allocations shall be calculated for project districts according to the funding formula in use for other districts, except that any increases in the district allocation above the fiscal year 1991 amount shall be designated as noncategorical project funds and may be expended on services to any student served in the project.

(7) Funding under the federal remediation program allocations may be designated in whole or in part for project use(~~(, if the amounts are included in the district's approved cost proposal and the project contract)).~~

(8) Funding from local sources may be designated for project use(~~(, if the amounts are included in the district's approved cost proposal and the project contract)).~~

(9) Expenditures of noncategorical project funds under subsections (3)(d), (5), and (6) of this section shall be accounted for in new and discrete program or subprogram codes designated by the superintendent of public instruction. The codes shall take effect by September 1, 1991.

**NEW SECTION.** Sec. 3. A new section is added to chapter 28A.630 RCW to read as follows:

(1) The legislature finds that the state system of funding handicapped education has fiscal incentives to label children as handicapped and that unnecessary labeling can be detrimental to children. The legislature encourages demonstration projects that provide needed services without unnecessary labeling. To test this approach, the legislature intends to maintain the funding level for innovative special services programs that reduce the incidence of unnecessary labeling.

(2) School districts may propose demonstration projects under this section to provide needed services and achieve major reductions in the percentage of district students labeled as handicapped in one or more specified categories. State handicapped funding for districts with such projects shall be based for the duration of the project and for two years after the end of the project on the average percentage of the kindergarten through twelfth grade enrollment in the specified categories during the 1991-92 school year or, for projects approved after the effective date of this section, during the school year before the start of the project.

(3) Funding under subsection (2) of this section is contingent on the following: (a) The funding is spent on children needing special services; and (b) the overall percentage of first through twelfth grade students in the district labeled as handicapped declines each year of the project after the 1991-92 school year, excluding handicapped students who transfer into the district.

(4) School districts with approved demonstration projects that wish to convert to a project under this section shall by May 1, 1992, notify the selection advisory committee and the superintendent of public instruction and propose appropriate modifications to the project.

(5) This section expires September 1, 1997.

**NEW SECTION.** Sec. 4. Sections 1 and 2 of this act shall expire January 1, 1996.

**NEW SECTION. Sec. 5.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

Passed the House March 9, 1992.  
Passed the Senate March 6, 1992.  
Approved by the Governor April 1, 1992.

Be it enacted by the Legislature of the State of Washington:

**Sec. 1.** RCW 74.46.500 and 1980 c 177 s 50 are each amended to read as follows:

(1) The administration and operations cost center shall include all items not included in the cost centers of nursing services, food, and property.

AR = TAC/TPD, where

AR = the administration and operations cost center reimbursement rate for a facility;

TAC = the total costs of the administration and operations cost center plus the retained savings from such cost center as provided in RCW 74.46.180 of a facility; and

TPD = the total patient days for a facility for the prior year.

(3) The secretary may group facilities based on factors which could reasonably influence cost requirements of this cost center, other than ownership or legal organization characteristics.

**AIRCRAFT MAINTENANCE VOCATIONAL TRAINING**

**Effective Date:** 4/1/92

AN ACT Relating to aircraft maintenance vocational training; creating a new section; making an appropriation; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that the creation of new jobs is crucial to the economic well-being of the state and its residents. As several commercial airlines are considering establishing major aircraft maintenance facilities in the state, it is important for the state to demonstrate the ability to provide a skilled work force with the technical skills essential for such a facility. Providing additional state assistance to vocational training programs on aircraft maintenance will ease job displacement in the state and offer an incentive for economic development.

**NEW SECTION. Sec. 2.** (1) The sum of five hundred thousand dollars for the biennium ending June 30, 1993, or so much thereof as may be necessary, is appropriated from the general fund to the department of trade and economic development for allocation to a state technical or community college for a vocational training program on the maintenance of commercial aircraft. Moneys allocated under this section shall not be used to replace or supplant existing funding.

(2) The department of trade and economic development shall not expend any portion of the appropriation in this section for administrative expenses or overhead.

(3) The appropriation in this section is contingent on the establishment by a commercial airline of a new facility in this state for the maintenance of commercial aircraft. If such a facility is not established, the appropriation in this section shall lapse.

### SENIOR CITIZEN PROPERTY TAX EXEMPTION— INCOME AVERAGING UPON DEATH OF SPOUSE

Effective Date: 6/11/92

AN ACT Relating to averaging income for senior citizen property tax exemption upon death of spouse; reenacting and amending RCW 84.36.381; and creating a new section.

A person shall be exempt from any legal obligation to pay all or a portion of the amount of excess and regular real property taxes due and payable in the year following the year in which a claim is filed, and thereafter, in accordance with the following:

(1) The property taxes must have been imposed upon a residence which was occupied by the person claiming the exemption as a principal place of residence as of January 1st of the year for which the exemption is claimed: PROVIDED,

That any person who sells, transfers, or is displaced from his or her residence may transfer his or her exemption status to a replacement residence, but no claimant shall receive an exemption on more than one residence in any year: PROVIDED FURTHER, That confinement of the person to a hospital or nursing home shall not disqualify the claim of exemption if the residence is temporarily unoccupied or if the residence is occupied by a spouse and/or a person financially dependent on the claimant for support;

(2) The person claiming the exemption must have owned, at the time of filing, in fee, as a life estate, or by contract purchase, the residence on which the property taxes have been imposed or if the person claiming the exemption lives in a cooperative housing association, corporation, or partnership, such person must own a share therein representing the unit or portion of the structure in which he or she resides. For purposes of this subsection, a residence owned by a marital community or owned by cotenants shall be deemed to be owned by each spouse or cotenant, and any lease for life shall be deemed a life estate;

(5)(a) A person who otherwise qualifies under this section and has a combined disposable income of twenty-six thousand dollars or less shall be exempt from all excess property taxes; and

(b)(i) A person who otherwise qualifies under this section and has a combined disposable income of eighteen thousand dollars or less but greater than fifteen thousand dollars shall be exempt from all regular property taxes on the greater of thirty thousand dollars or thirty percent of the valuation of his or her residence, but not to exceed fifty thousand dollars of the valuation of his or her residence; or

## CHAPTER 188

[Substitute House Bill 2348]

### CONFIDENTIALITY OF IDENTITY OF CHILD VICTIMS OF SEXUAL ABUSE

Effective Date: 6/11/92

AN ACT Relating to the confidentiality of victim-identifying information in cases of child victims of sexual abuse; amending RCW 7.69A.020, 7.69A.030, 13.40.140, and 13.50.050; adding a new section to chapter 7.69A RCW; adding a new section to chapter 42.17 RCW; adding a new section to chapter 10.97 RCW; adding a new section to chapter 10.52 RCW; creating a new section; and prescribing penalties.

Be it enacted by the Legislature of the State of Washington:

**NEW SECTION. Sec. 1.** The legislature recognizes that the cooperation of child victims of sexual assault and their families is integral to the successful prosecution of sexual assaults against children. The legislature finds that release of information identifying child victims of sexual assault may subject the child to unwanted contacts by the media, public scrutiny and embarrassment, and places the child victim and the victim's family at risk when the assailant is not in custody. Release of information to the press and the public harms the child victim and has a chilling effect on the willingness of child victims and their families to report sexual abuse and to cooperate with the investigation and prosecution of the crime. The legislature further finds that public dissemination of the child victim's name and other identifying information is not essential to accurate and necessary release of information to the public concerning the operation of the criminal justice system. Therefore, the legislature intends to assure child victims of sexual assault and their families that the identities and locations of child victims will remain confidential.

**Sec. 2.** RCW 7.69A.020 and 1985 c 394 s 2 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Crime" means an act punishable as a felony, gross misdemeanor, or misdemeanor under the laws of this state or equivalent federal or local law.

- (2) "Child" means any living child under the age of eighteen years.
- (3) "Victim" means a living person against whom a crime has been committed.
- (4) "Witness" means a person who has been or is expected to be summoned to testify for the prosecution in a criminal action, or who by reason of having relevant information is subject to call or likely to be called as a witness for the prosecution, whether or not an action or proceeding has been commenced.
- (5) "Family member" means child, parent, or legal guardian.
- (6) "Advocate" means any person, including a family member not accused of a crime, who provides support to a child victim or child witness during any legal proceeding.
- (7) "Court proceedings" means any court proceeding conducted during the course of the prosecution of a crime committed against a child victim, including pretrial hearings, trial, sentencing, or appellate proceedings.
- (8) "Identifying information" means the child's name, address, location, and photograph, and in cases in which the child is a relative or stepchild of the alleged perpetrator, identification of the relationship between the child and the alleged perpetrator.

***\*NEW SECTION. Sec. 3. A new section is added to chapter 7.69A RCW to read as follows:***

***A child victim of sexual assault has a right to not have identifying information disclosed to the public. Accordingly, unless the child victim or the child victim's legal guardian consents to dissemination of identifying information:***

***(1) Except as necessary to conduct the investigation or preparation of the case, no law enforcement agency, prosecutor's office, or defense attorney may disclose any identifying information of a child victim of sexual assault to anyone other than another law enforcement agency, prosecutor, judge, defense attorney, or governmental agency that provides services to the child victim or to a family member of the child victim.***

***(2) The court shall prohibit dissemination to the public of any identifying information revealed during court proceedings involving the sexual assault of a child victim. The court shall condition a person's or press attendance at court proceedings on an agreement not to disseminate to the public or the press identifying information obtained at court proceedings. The court shall prohibit the press or any person who refuses to comply with the condition from attending any court proceeding in which information identifying the child victim may be revealed. If the press or another person violates the court-ordered condition, the court shall make all orders necessary to prevent further dissemination of identifying information obtained at the court proceeding. The court may not prohibit the press from disseminating identifying information obtained from a source other than the court proceedings.***

**(3) Portions of court records, transcripts, or recordings of court proceedings that contain identifying information are confidential and not open to public inspection. The court shall order that those records shall be sealed unless the identifying information is deleted.**

**(4) If a member of the press releases to the public identifying information that the press member obtained solely through attendance at a court proceeding to which the press member had conditional access, the press member shall be subject to a fine of not less than one hundred dollars and not more than five hundred dollars. In addition, the child victim may pursue any other civil remedy available under existing law.**

**\*Sec. 3 was vetoed, see message at end of chapter.**

**\*Sec. 4. RCW 7.69A.030 and 1985 c 394 s 3 are each amended to read as follows:**

**In addition to the rights of victims and witnesses provided for in RCW 7.69.030, there shall be every reasonable effort made by law enforcement agencies, prosecutors, and judges to assure that child victims and witnesses are afforded the rights enumerated in this section. Except as provided in section 3 of this act regarding child victims of sexual assault, the enumeration of rights shall not be construed to create substantive rights and duties, and the application of an enumerated right in an individual case is subject to the discretion of the law enforcement agency, prosecutor, or judge. Child victims and witnesses have the following rights:**

**(1) To have explained in language easily understood by the child, all legal proceedings and/or police investigations in which the child may be involved.**

**(2) To be provided, whenever possible, a secure waiting area during court proceedings and to have an advocate or support person remain with the child prior to and during any court proceedings.**

**(3) To not have the names, addresses, nor photographs of the living child victim or witness disclosed by any law enforcement agency, prosecutor's office, or state agency without the permission of the child victim, child witness, parents, or legal guardians to anyone except another law enforcement agency, prosecutor, defense counsel, or private or governmental agency that provides services to the child victim or witness.**

**(4) To allow an advocate to make recommendations to the prosecuting attorney about the ability of the child to cooperate with prosecution and the potential effect of the proceedings on the child.**

**(5) To allow an advocate to provide information to the court concerning the child's ability to understand the nature of the proceedings.**

**(6) To be provided information or appropriate referrals to social service agencies to assist the child and/or the child's family with the emotional impact of the crime, the subsequent investigation, and judicial proceedings in which the child is involved.**

*(7) To allow an advocate to be present in court while the child testifies in order to provide emotional support to the child.*

*(8) To provide information to the court as to the need for the presence of other supportive persons at the court proceedings while the child testifies in order to promote the child's feelings of security and safety.*

*(9) To allow law enforcement agencies the opportunity to enlist the assistance of other professional personnel such as child protection services, victim advocates or prosecutorial staff trained in the interviewing of the child victim.*

*\*Sec. 4 was vetoed, see message at end of chapter.*

*\*Sec. 5. RCW 13.40.140 and 1981 c 299 s 11 are each amended to read as follows:*

*(1) A juvenile shall be advised of his or her rights when appearing before the court.*

*(2) A juvenile and his or her parent, guardian, or custodian shall be advised by the court or its representative that the juvenile has a right to be represented by counsel at all critical stages of the proceedings. Unless waived, counsel shall be provided to a juvenile who is financially unable to obtain counsel without causing substantial hardship to himself or herself or the juvenile's family, in any proceeding where the juvenile may be subject to transfer for criminal prosecution, or in any proceeding where the juvenile may be in danger of confinement. The ability to pay part of the cost of counsel does not preclude assignment. In no case may a juvenile be deprived of counsel because of a parent, guardian, or custodian refusing to pay therefor. The juvenile shall be fully advised of his or her right to an attorney and of the relevant services an attorney can provide.*

*(3) The right to counsel includes the right to the appointment of experts necessary, and the experts shall be required pursuant to the procedures and requirements established by the supreme court.*

*(4) Upon application of a party, the clerk of the court shall issue, and the court on its own motion may issue, subpoenas requiring attendance and testimony of witnesses and production of records, documents, or other tangible objects at any hearing, or such subpoenas may be issued by an attorney of record.*

*(5) All proceedings shall be transcribed verbatim by means which will provide an accurate record.*

*(6) The general public and press shall be permitted to attend any hearing unless the court, for good cause, orders a particular hearing to be closed. The presumption shall be that all such hearings will be open. As provided in section 3 of this act, a child victim of sexual assault is entitled to have information identifying the child victim remain confidential unless the child victim or the child victim's legal guardian consents to the disclosure. The court shall ensure that victim-identifying information is not disseminated as*

**provided in section 3 (2) and (3) of this act. Dissemination of information identifying a child victim of sexual assault in violation of section 3 of this act constitutes good cause for closing the hearing.**

**(7) In all adjudicatory proceedings before the court, all parties shall have the right to adequate notice, discovery as provided in criminal cases, opportunity to be heard, confrontation of witnesses except in such cases as this chapter expressly permits the use of hearsay testimony, findings based solely upon the evidence adduced at the hearing, and an unbiased fact-finder.**

**(8) A juvenile shall be accorded the same privilege against self-incrimination as an adult. An extrajudicial statement which would be constitutionally inadmissible in a criminal proceeding may not be received in evidence at an adjudicatory hearing over objection. Evidence illegally seized or obtained may not be received in evidence over objection at an adjudicatory hearing to prove the allegations against the juvenile if the evidence would be inadmissible in an adult criminal proceeding. An extrajudicial admission or confession made by the juvenile out of court is insufficient to support a finding that the juvenile committed the acts alleged in the information unless evidence of a corpus delicti is first independently established in the same manner as required in an adult criminal proceeding.**

**(9) Waiver of any right which a juvenile has under this chapter must be an express waiver intelligently made by the juvenile after the juvenile has been fully informed of the right being waived.**

**(10) Whenever this chapter refers to waiver or objection by a juvenile, the word juvenile shall be construed to refer to a juvenile who is at least twelve years of age. If a juvenile is under twelve years of age, the juvenile's parent, guardian, or custodian shall give any waiver or offer any objection contemplated by this chapter.**

\*Sec. 5 was vetoed, see message at end of chapter.

**NEW SECTION. Sec. 6.** A new section is added to chapter 42.17 RCW to read as follows:

Information revealing the identity of child victims of sexual assault who are under age eighteen is confidential and not subject to public disclosure. Identifying information means the child victim's name, address, location, photograph, and in cases in which the child victim is a relative or stepchild of the alleged perpetrator, identification of the relationship between the child and the alleged perpetrator.

**Sec. 7.** RCW 13.50.050 and 1990 c 3 s 125 are each amended to read as follows:

(1) This section governs records relating to the commission of juvenile offenses, including records relating to diversions.

(2) The official juvenile court file of any alleged or proven juvenile offender shall be open to public inspection, unless sealed pursuant to subsection (11) of this section.

(3) All records other than the official juvenile court file are confidential and may be released only as provided in this section, RCW 13.50.010, 13.40.215, and 4.24.550.

(4) Except as otherwise provided in this section and RCW 13.50.010, records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by the other participant or when that other participant is assigned the responsibility for supervising the juvenile.

(5) Except as provided in RCW 4.24.550, information not in an official juvenile court file concerning a juvenile or a juvenile's family may be released to the public only when that information could not reasonably be expected to identify the juvenile or the juvenile's family.

(6) Notwithstanding any other provision of this chapter, the release, to the juvenile or his or her attorney, of law enforcement and prosecuting attorneys' records pertaining to investigation, diversion, and prosecution of juvenile offenses shall be governed by the rules of discovery and other rules of law applicable in adult criminal investigations and prosecutions.

(7) The juvenile court and the prosecutor may set up and maintain a central record-keeping system which may receive information on all alleged juvenile offenders against whom a complaint has been filed pursuant to RCW 13.40.070 whether or not their cases are currently pending before the court. The central record-keeping system may be computerized. If a complaint has been referred to a diversion unit, the diversion unit shall promptly report to the juvenile court or the prosecuting attorney when the juvenile has agreed to diversion. An offense shall not be reported as criminal history in any central record-keeping system without notification by the diversion unit of the date on which the offender agreed to diversion.

(8) Upon request of the victim of a crime or the victim's immediate family, the identity of an alleged or proven juvenile offender alleged or found to have committed a crime against the victim and the identity of the alleged or proven juvenile offender's parent, guardian, or custodian and the circumstance of the alleged or proven crime shall be released to the victim of the crime or the victim's immediate family.

(9) Subject to the rules of discovery applicable in adult criminal prosecutions, the juvenile offense records of an adult criminal defendant or witness in an adult criminal proceeding shall be released upon request to prosecution and defense counsel after a charge has actually been filed. The juvenile offense records of any adult convicted of a crime and placed under the supervision of the adult corrections system shall be released upon request to the adult corrections system.

(10) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for

diversion pursuant to RCW 13.40.070, the person the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and, subject to subsection (24) of this section, order the sealing of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

(11) The court shall grant the motion to seal records made pursuant to subsection (10) of this section if it finds that:

(a) Two years have elapsed from the later of: (i) Final discharge of the person from the supervision of any agency charged with supervising juvenile offenders; or (ii) from the entry of a court order relating to the commission of a juvenile offense or a criminal offense;

(b) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense; and

(c) No proceeding is pending seeking the formation of a diversion agreement with that person.

(12) The person making a motion pursuant to subsection (10) of this section shall give reasonable notice of the motion to the prosecution and to any person or agency whose files are sought to be sealed.

(13) If the court grants the motion to seal made pursuant to subsection (10) of this section, it shall, subject to subsection (24) of this section, order sealed the official juvenile court file, the social file, and other records relating to the case as are named in the order. Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(14) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8) and subsection (24) of this section.

(15) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying the sealing order. Any conviction for any adult felony subsequent to the sealing has the effect of nullifying the sealing order for the purposes of chapter 9.94A RCW for any juvenile adjudication of guilt for a class A offense or a sex offense as defined in RCW 9.94A.030.

(16) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person who is the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and, subject to subsection (24) of this section, order the destruction of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

(17) The court may grant the motion to destroy records made pursuant to subsection (16) of this section if it finds:

(a) The person making the motion is at least twenty-three years of age;

(b) The person has not subsequently been convicted of a felony;

(c) No proceeding is pending against that person seeking the conviction of a criminal offense; and

(d) The person has never been found guilty of a serious offense.

(18) A person eighteen years of age or older whose criminal history consists of only one referral for diversion may request that the court order the records in that case destroyed. The request shall be granted, subject to subsection (24) of this section, if the court finds that two years have elapsed since completion of the diversion agreement.

(19) If the court grants the motion to destroy records made pursuant to subsection (16) or (18) of this section, it shall, subject to subsection (24) of this section, order the official juvenile court file, the social file, and any other records named in the order to be destroyed.

(20) The person making the motion pursuant to subsection (16) or (18) of this section shall give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.

(21) Any juvenile to whom the provisions of this section may apply shall be given written notice of his or her rights under this section at the time of his or her disposition hearing or during the diversion process.

(22) Nothing in this section may be construed to prevent a crime victim or a member of the victim's family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

(23) Any juvenile justice or care agency may, subject to the limitations in subsection (24) of this section and subparagraphs (a) and (b) of this subsection, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

(a) Records may be routinely destroyed only when the person the subject of the information or complaint has attained twenty-three years of age or older, or is eighteen years of age or older and his or her criminal history consists entirely of one diversion agreement and two years have passed since completion of the agreement.

(b) The court may not routinely destroy the official juvenile court file or recordings or transcripts of any proceedings.

(24) No identifying information held by the Washington state patrol in accordance with chapter 43.43 RCW is subject to destruction or sealing under this section. For the purposes of this subsection, identifying information includes photographs, fingerprints, palmprints, soleprints, toeprints and any other data that identifies a person by physical characteristics, name, birthdate or address, but does not include information regarding criminal activity, arrest, charging,

diversion, conviction or other information about a person's treatment by the criminal justice system or about the person's behavior.

(25) Information identifying child victims under age eighteen who are victims of sexual assaults by juvenile offenders is confidential and not subject to release to the press or public without the permission of the child victim or the child's legal guardian. Identifying information includes the child victim's name, addresses, location, photographs, and in cases in which the child victim is a relative of the alleged perpetrator, identification of the relationship between the child and the alleged perpetrator. Information identifying a child victim of sexual assault may be released to law enforcement, prosecutors, judges, defense attorneys, or private or governmental agencies that provide services to the child victim of sexual assault.

NEW SECTION. **Sec. 8.** A new section is added to chapter 10.97 RCW to read as follows:

Information identifying child victims under age eighteen who are victims of sexual assaults is confidential and not subject to release to the press or public without the permission of the child victim or the child's legal guardian. Identifying information includes the child victim's name, addresses, location, photographs, and in cases in which the child victim is a relative or stepchild of the alleged perpetrator, identification of the relationship between the child and the alleged perpetrator. Information identifying the child victim of sexual assault may be released to law enforcement, prosecutors, judges, defense attorneys, or private or governmental agencies that provide services to the child victim of sexual assault. Prior to release of any criminal history record information, the releasing agency shall delete any information identifying a child victim of sexual assault from the information except as provided in this section.

NEW SECTION. **Sec. 9.** A new section is added to chapter 10.52 RCW to read as follows:

Child victims of sexual assault who are under the age of eighteen, have a right not to have disclosed to the public or press at any court proceeding involved in the prosecution of the sexual assault, the child victim's name, address, location, photographs, and in cases in which the child victim is a relative or stepchild of the alleged perpetrator, identification of the relationship between the child and the alleged perpetrator. The court shall ensure that information identifying the child victim is not disclosed to the press or the public and that in the event of any improper disclosure the court shall make all necessary orders to restrict further dissemination of identifying information improperly obtained. Court proceedings include but are not limited to pretrial hearings, trial, sentencing, and appellate proceedings. The court shall also order that any portion of any court records, transcripts, or recordings of court proceedings that contain information identifying the child victim shall be sealed and not open to public inspection unless those identifying portions are deleted from the documents or tapes.

**NEW SECTION. Sec. 10.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Passed the House February 18, 1992.

Passed the Senate March 6, 1992.

Approved by the Governor April 2, 1992, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State April 2, 1992.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to sections 3, 4 and 5, Substitute House Bill No. 2348 entitled:

"AN ACT Relating to the confidentiality of victim-identifying information in cases of child victims of sexual abuse."

The legislature should be applauded for advocating for the protection of privacy interests of child victims of sexual assault. Substitute House Bill No. 2348 is an attempt to regulate access to, and dissemination of, the names and identifying information of child victims of sexual assault. We have a moral obligation to protect our children from the impact of insensitive disclosure of this information. Child victims are often stigmatized by peers or traumatized by public knowledge of the events that have occurred. This traumatization makes recovery from the effects of the crime more difficult and creates a sense of continuing victimization. Victims may fear public knowledge about the events and may be reluctant to step forward and report the crime to law enforcement.

This bill takes necessary steps to assure that information on child victims of sexual assault is not disseminated. It sets a very high standard for protecting the privacy interests of child victims.

Despite the improvements made by the legislature, I am forced to veto sections 3, 4 and 5, because of the unconstitutional prior restraint placed upon the press in its efforts to publish information about sexual assault victims. The courts have consistently said that prior restraint on speech and publication is the most serious and least tolerable infringement on First Amendment rights. The courts have also stated that there may be no prior restraint on reporting what transpires in open court, whether before or during trial.

Were I to sign this bill into law in its entirety, there is no doubt that major provisions of this Act would be found unconstitutional.

Other provisions of Substitute House Bill No. 2348 address two areas that will strongly protect the privacy interests of child victims of sexual assault. First, none of the information about the identity of the sexual assault victim shall be disclosed. This includes information gathered by law enforcement, social service entities, and the courts. Further, the courts have the authority to close their courtrooms for good cause. Section 9 specifically says that "the court shall ensure that information identifying the child victim is not disclosed to the press or public." The court shall also "order that any portion of any court records, transcripts or recordings of court proceedings that contain information identifying the child victim shall be sealed and not opened to public inspection."

The strength of these directives prohibits the disclosure of identifying information and sends a very strong message — a message that says we will not tolerate the infringement on the rights of child victims of sexual assault.

For these reasons, I have vetoed sections 3, 4 and 5, of Substitute House Bill No. 2348.

With the exception of sections 3, 4 and 5, Substitute House Bill No. 2348 is approved."

## CHAPTER 190

[Engrossed Substitute House Bill 2609]

AIR TRANSPORTATION SYSTEM—

RUNWAY CONSTRUCTION MORATORIUM AND STUDIES

Effective Date: 4/2/92

AN ACT Relating to air transportation; amending RCW 47.86.030; adding a new section to chapter 53.08 RCW; creating a new section; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

**NEW SECTION. Sec. 1.** The legislature finds that an integrated air transportation system with efficient intermodal linkages is vital to the economic

and social vitality of the state. Coordination and cooperation among public agencies and between the public and private sector is crucial to the development of such a system. In 1990, the legislature created the air transportation commission to develop an air transportation strategy, implicitly based upon the coordination and cooperation of these entities.

Specifically, the commission will assess the state-wide implications of local and regional air transportation planning, recommend specific goals for air transportation, and define the relationship between air transportation and environmental and economic policy goals. It will also formulate state-wide policy recommendations, and coordinate air transportation with state-wide transportation system planning.

Clearly, the commission's work will assist the legislature in developing a comprehensive air transportation policy that will sustain economic development and incorporate the legislature's recently adopted growth strategies; provided, however, that nothing contained herein shall be construed to prevent any county-wide or multicounty planning council created pursuant to RCW 36.70A.210, regional transportation planning organization created pursuant to chapter 47.80 RCW, municipal corporation, special district, political subdivision or any other unit of local government from proceeding with the planning process pursuant to the requirements of the Growth Management Act, chapter 36.70A RCW or be construed to prevent compliance with the State Environmental Policy Act, chapter 43.21C RCW or with the National Environmental Policy Act, 42 U.S.C. Secs. 4321 through 4370b.

The final report of the air transportation commission to the legislative transportation committee is due by December 1, 1994, with an interim report to that committee by December 1, 1992.

**NEW SECTION.** Sec. 2. A new section is added to chapter 53.08 RCW to read as follows:

No city, county, or county-wide port district in a county in the western part of Washington state as divided by the summit of the Cascade mountain range, with a population of one hundred fifty thousand or more on January 1, 1992, and contiguous to a county with a population of four hundred thousand or more may construct a runway of one thousand feet or more, or cause a runway to be extended, or permit an air carrier to initiate new service at any airport not presently receiving commercial service that is affected by this section, before the air transportation commission has submitted its final report to the legislative transportation committee, which shall occur no later than December 1, 1994.

**Sec. 3.** RCW 47.86.030 and 1991 c 231 s 7 are each amended to read as follows:

The commission shall conduct studies to determine Washington's long-range air transportation policy, including an assessment of intermodal needs, and to assess the impacts of increasing air traffic upon surrounding communities,

including an evaluation of noise mitigation and surface transportation impacts at existing facilities, and the potential impact at new or expanded facilities.

The studies shall include, but are not limited to the following:

(1) The feasibility of acquiring the Stampede Pass rail line for use as a utility corridor, intermodal high speed transportation corridor or other transportation uses. The study shall include an examination of the ownership of the Stampede Pass rail line right of way and evaluate the advantages and disadvantages of preserving the Stampede Pass rail line corridor. It shall include interested public and private agencies when conducting the study. The commission shall encourage local communities and the private sector to financially participate in the study. The commission shall make a presentation of the feasibility findings to the legislative transportation committee on or before December 1, 1990.

(2) Recommendations to the legislature on future Washington state air transportation policy, including the expansion of existing and potential air carrier and reliever facilities and the siting of such new facilities, specifically taking into consideration intermodal needs. The commission shall consider the development of wayports in eastern Washington, taking into account similar developments in Japan and Germany, in order to reduce congestion resulting from rapid growth in the Puget Sound region. The commission shall coordinate its study of airport siting policy issues with the efforts of the high-speed ground transportation steering committee.

The commission shall submit findings and recommendations to the legislative transportation committee by December 1, 1994, with ~~((an interim))~~ completed reports to be presented to the legislative transportation committee ((by December 1, 1992)) on the dates as provided in subsection (3) of this section.

(3) A report on the following work program projects by December 1, 1992:

(a) Evaluation of the importance of air transportation in the economic and social vitality of the state including costs and effects of delay of air capacity expansion;

(b) Air transportation demand, aviation industry trends, and air capacity in Washington through 2020;

(c) A review of the final draft of the Puget Sound air transportation committee's flight plan assessments of air capacity and demand.

(4) A transportation systems planning evaluation of air transportation planning options in Washington by July 1, 1993.

(5) The work program project reports as provided in subsection (3) of this section and the policy recommendations of the commission shall be transmitted to regional transportation planning organizations created pursuant to chapter 47.80 RCW. Each regional transportation planning organization shall consider the commission's project reports and policy recommendations when adopting its regional transportation plan and in its review of local comprehensive plans for consistency with the regional transportation plans.

(6) A review of the environmental, social, and economic costs associated with Washington state's air transportation system. The commission shall review and comment upon the effectiveness and reasonableness of current or planned practices to mitigate the adverse environmental effects of operating, developing, or expanding the state's air transportation system.

NEW SECTION. Sec. 4. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

Passed the House March 10, 1992.

Passed the Senate March 10, 1992.

Approved by the Governor April 2, 1992.

The agent, attorney, or other person shall not be liable for any material misrepresentation in or omissions of material facts from the public offering statement unless the person had actual knowledge of the misrepresentation or omission at the time the public offering statement was prepared. The developer shall be liable for any misrepresentation contained in the public offering statement or for any omission of material fact therefrom if the developer had actual knowledge of the misrepresentation or omission or, in the exercise of reasonable care, should have known of the misrepresentation or omission.

There shall be no liability for failure to deliver any amendment unless such failure would have entitled the purchaser under generally applicable legal principles to cancel the contract for the purchase of the lot, parcel, unit, or interest had the undisclosed information been evident to the purchaser before the closing of the purchase.

Passed the House March 9, 1992.

Passed the Senate March 3, 1992.

Approved by the Governor April 2, 1992, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State April 2, 1992.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 3, Engrossed Substitute House Bill No. 1495 entitled:

"AN ACT Relating to the protection of consumers in the sale of lands."

Section 3 of Engrossed Substitute House Bill No. 1495 provides conditions under which developers are exempt from complying with the consumer protections afforded under the land development act. Section 3(16) exempts from regulation certain developments in cities and counties with comprehensive land use plans and development regulations under the Growth Management Act. It is inappropriate to replace a consumer protection law with an environmental protection law. This provides an opportunity for unscrupulous developers to circumvent the entire chapter just because the property being sold is located in a county with a comprehensive plan. Additional unacceptable opportunities for circumventing the provisions of this chapter exist in section 3(15).

For these reasons, I have vetoed section 3 of Engrossed Substitute House Bill No. 1495.

With the exception of section 3, Engrossed Substitute House Bill No. 1495 is approved."

(9) Deductions to a bank, savings bank, or savings and loan association if (a) the bank, savings bank, or savings and loan association is authorized to do business in this state; and (b) twenty-five or more employees of a single agency, or fewer, if a lesser number is established by such agency, or a total of one hundred or more state employees of several agencies have authorized a deduction for payment to the same bank, savings bank, or savings and loan association.

Deductions from salaries and wages of public officers and employees other than those enumerated in this section or by other law, may be authorized by the director of financial management for purposes clearly related to state employment or goals and objectives of the agency and for plans authorized by the state health care authority.

The authority to make deductions from the salaries and wages of public officers and employees as provided for in this section shall be in addition to such other authority as may be provided by law: **PROVIDED**, That the state or any department, division, or separate agency of the state shall not be liable to any insurance carrier or contractor for the failure to make or transmit any such deduction.

**NEW SECTION. Sec. 2.** A new section is added to chapter 41.04 RCW to read as follows:

Passed the House March 9, 1992.

Passed the Senate March 6, 1992.

Approved by the Governor April 2, 1992, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State April 2, 1992.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 3, House Bill No. 2944 entitled:

"AN ACT Relating to consumer credit transactions."

Section 3 of House Bill No. 2944 establishes a legislative joint select committee to study and make recommendations on the issue of consumer credit. I wholeheartedly

concur with the need for such a study. However, the creation of such a committee does not require legislation. Rule 25 of the Joint Rules of the Senate and House of Representatives provides that such committee be created via concurrent resolution. Rule 24 gives broad discretionary authority to standing committees to undertake such studies.

For this reason, I have vetoed section 3 of House Bill No. 2944.

With the exception of section 3, House Bill No. 2944 is approved."

These additional sales and use taxes are intended to provide as much revenue to the funds currently receiving motor vehicle excise tax revenue, including the transportation funds and the general fund, as each fund would have received if the motor vehicle excise tax exemptions had not been enacted. Revenues from these additional sales and use taxes are intended to be distributed in the same manner as the motor vehicle excise tax revenues they replace.

**NEW SECTION.** Sec. 5. A new section is added to chapter 46.04 RCW to read as follows:

Passed the Senate March 10, 1990.

Approved by the Governor April 2, 1992, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State April 2, 1992.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 7, Substitute House Bill No. 2498 entitled:

"AN ACT Relating to regulatory fairness."

Substitute House Bill No. 2498 amends a number of statutes to increase procedural protections for small business in the regulatory process.

Section 7 has a drafting error. Section 7 is applicable only to requirements included in an earlier draft. This faulty reference renders the provision moot.

Because of this technical flaw, I have vetoed section 7 of this bill.

With the exception of section 7, Substitute House Bill No. 2498 is approved."

### AT-RISK CHILDREN AND FAMILIES—SERVICES FOR

**Effective Date:** 6/11/92 - Except Sections 1 through 13 which take effect on 7/1/92.

AN ACT Relating to at-risk families; amending RCW 28A.300.040, 43.63A.065, and 43.70.020; adding new sections to chapter 74.14A RCW; adding a new section to chapter 43.20A RCW; adding a new section to chapter 50.08 RCW; adding new chapters to Title 70 RCW; creating new sections; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

**NEW SECTION. Sec. 1.** The legislature finds that a primary goal of public involvement in the lives of children has been to strengthen the family unit.

However, the legislature recognizes that traditional two-parent families with one parent routinely at home are now in the minority. In addition, extended family and natural community supports have eroded drastically. The legislature recognizes that public policy assumptions must be altered to account for this new social reality. Public effort must be redirected to expand, support, strengthen, and help refashion family and community associations to care for children.

The legislature finds that a broad variety of services for children and families has been independently designed over the years and that the coordination and cost-effectiveness of these services will be enhanced through the adoption of a common approach to their delivery. The legislature further finds that the most successful programs for reaching and working with at-risk families and children treat individuals' problems in the context of the family, offer a broad spectrum of services, are flexible in the use of program resources, and use staff who are trained in crossing traditional program categories in order to broker services necessary to fully meet a family's needs.

The legislature further finds that eligibility criteria, expenditure restrictions, and reporting requirements of state and federal categorical programs often create barriers toward the effective use of resources for addressing the multiple problems of at-risk families and children.

The purposes of this chapter are (1) to modify public policy and programs to empower communities to support and respond to the needs of individual families and children and (2) to improve the responsiveness of services for children and families at risk by facilitating greater coordination and flexibility in the use of funds by state and local service agencies.

**NEW SECTION. Sec. 2.** A new section is added to chapter 74.14A RCW to read as follows:

To update, specify, and expand the policy stated in RCW 74.14A.020, the following is declared:

It is the policy of the state of Washington to promote:

- (1) Family-oriented services and supports that:
  - (a) Respond to the changing nature of families; and
  - (b) Respond to what individuals and families say they need, and meet those needs in a way that maintains their dignity and respects their choices;
- (2) Culturally relevant services and supports that:
  - (a) Explicitly recognize the culture and beliefs of each family and use these as resources on behalf of the family;
  - (b) Provide equal access to culturally unique communities in planning and programs, and day-to-day work, and actively address instances where clearly disproportionate needs exist; and
  - (c) Enhance every culture's ability to achieve self-sufficiency and contribute in a productive way to the larger community;

- (4) Locally planned services and supports that:
  - (a) Operate on the belief that each community has special characteristics, needs, and strengths;
  - (b) Include a cross-section of local community partners from the public and private sectors, in the planning and delivery of services and supports; and

(c) Support these partners in addressing the needs of their communities through both short-range and long-range planning and in establishing priorities within state and federal standards;

(5) Community-based prevention that encourages and supports state residents to create positive conditions in their communities to promote the well-being of families and reduce crises and the need for future services;

(6) Outcome-based services and supports that:

(a) Include a fair and realistic system for measuring both short-range and long-range progress and determining whether efforts make a difference;

(b) Use outcomes and indicators that reflect the goals that communities establish for themselves and their children;

(c) Work towards these goals and outcomes at all staff levels and in every agency; and

(d) Provide a mechanism for informing the development of program policies;

(7) Customer service that:

(a) Provides a climate that empowers staff to deliver quality programs and services;

(b) Is provided by courteous, sensitive, and competent professionals; and

(c) Upholds the dignity and respect of individuals and families by providing appropriate staff recognition, information, training, skills, and support;

(8) Creativity that:

(a) Increases the flexibility of funding and programs to promote innovation in planning, development, and provision of quality services; and

(2) Coordinate and enhance the state's existing early intervention services to ensure a state-wide, community-based, coordinated, interagency program of early intervention services for infants and toddlers with disabilities and their families; and

***NEW SECTION. families shall coordinate and collaborate in the planning and delivery of such services. The coordinating council shall report to the appropriate committees of the legislature on the implementation of this chapter by January 15, 1993.

No state or local agency currently providing early intervention services to infants and toddlers with disabilities may use funds appropriated for early intervention services for infants and toddlers with disabilities to supplant funds from other sources.

All state and local agencies shall ensure that the implementation of this chapter will not cause any interruption in existing early intervention services for infants and toddlers with disabilities.

Nothing in this chapter shall be construed to permit the restriction or reduction of eligibility under Title V of the Social Security Act, P.L. 90-248, relating to maternal and child health or Title XIX of the Social Security Act, P.L. 89-97, relating to medicaid for infants and toddlers with disabilities.

**NEW SECTION. Sec. 19.** Sections 1 and 3 through 5 of this act shall constitute a new chapter in Title 70 RCW.

**NEW SECTION. Sec. 20.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

**NEW SECTION. Sec. 21.** Sections 1 through 13 of this act shall take effect July 1, 1992.

Passed the Senate March 12, 1992.

Passed the House March 12, 1992.

Approved by the Governor April 2, 1992, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State April 2, 1992.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to sections 12 and 13, Substitute Senate Bill 6428 entitled:

"AN ACT Relating to at-risk families."

Section 12 directs the Juvenile Issues Task Force to determine whether a network of local consortia may administer the program funds from state agencies serving children and families at-risk. Section 401 of Engrossed Substitute House Bill No. 2466 (the juvenile issues omnibus bill) directs the Joint Select Committee of Juvenile Issues to undertake a similar study of community-based services to children and families. Therefore, I have vetoed section 12 of Substitute Senate Bill No. 6428.

Section 13 requires that "implementation of council, consortia and the children's institute" be included in all federal and state plans affecting children, youth, and families. I believe there was an error in drafting this section because it is not clear what is meant by this requirement. To avoid confusion, I have vetoed section 13.

For the reasons stated above, I have vetoed sections 12 and 13 of Substitute Senate Bill No. 6428.

With the exception of sections 12 and 13, Substitute Senate Bill No. 6428 is approved."

Be it enacted by the Legislature of the State of Washington:

**NEW SECTION. Sec. 1.** The legislature finds that by encouraging the use of reclaimed water while assuring the health and safety of all Washington citizens and the protection of its environment, the state of Washington will continue to use water in the best interests of present and future generations.

To facilitate the opportunity to use reclaimed water as soon as is practicable, the legislature encourages the cooperative efforts of the public and private sectors and the use of pilot projects to effectuate the goals of this chapter. The legislature further directs the department of health and the department of ecology to coordinate efforts towards developing an efficient and streamlined process for creating and implementing processes for the use of reclaimed water.

**NEW SECTION. Sec. 2.** Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Greywater" means sewage having the consistency and strength of residential domestic type wastewater. Greywater includes wastewater from sinks, showers, and laundry fixtures, but does not include toilet or urinal waters.

(2) "Land application" means application of treated effluent for purposes of irrigation or landscape enhancement for residential, business, and governmental purposes.

(3) "Person" means any state, individual, public or private corporation, political subdivision, governmental subdivision, governmental agency, municipality, copartnership, association, firm, trust estate, or any other legal entity whatever.

(4) "Reclaimed water" means effluent derived in any part from sewage from a wastewater treatment system that has been adequately and reliably treated, so that as a result of that treatment, it is suitable for a direct beneficial use or a controlled use that would not otherwise occur.

(5) "Sewage" means water-carried human wastes, including kitchen, bath, and laundry waste from residences, buildings, industrial and commercial establishments, or other places, together with such ground water infiltration, surface waters, or industrial wastewater as may be present.

(6) "User" means any person who uses reclaimed water.

(7) "Wastewater" means water and wastes discharged from homes, businesses, and industry to the sewer system.

**NEW SECTION. Sec. 3.** (1) The department of ecology shall, in coordination with the department of health, develop interim standards for pilot projects under subsection (3) of this section on or before July 1, 1992, for the use of reclaimed water in land applications.

(3) The department of health in consultation with the advisory committee established in section 6 of this act, shall develop recommendations for a fee structure for permits issued under subsection (2) of this section. Fees shall be established in amounts to fully recover, and not exceed, expenses incurred by the department of health in processing permit applications and modifications, monitoring and evaluating compliance with permits, and conducting inspections and supporting the reasonable overhead expenses that are directly related to these activities. Permit fees may not be used for research or enforcement activities. The department of health shall not issue permits under this section until a fee structure has been established.

(4) A permit under this section for use of reclaimed water may be issued only to a municipal, quasi-municipal, or other governmental entity or to the holder of a waste discharge permit issued under chapter 90.48 RCW.

(5) The authority and duties created in this section are in addition to any authority and duties already provided in law with regard to sewage and wastewater collection, treatment, and disposal for the protection of health and safety of the state's waters. Nothing in this section limits the powers of the state or any political subdivision to exercise such authority.

**NEW SECTION. Sec. 5.** (1) The department of ecology shall, in coordination with the department of health, adopt a single set of standards,

The department of ecology shall not issue more than one permit for any individual land application of reclaimed water to a single generator.

(3) In cases where the department of ecology determines, in land applications of reclaimed water, that a significant risk to the public health exists, the department shall refer the application to the department of health for review and consultation and the department of health may require fees appropriate for review and consultation from the applicant pursuant to RCW 43.70.250.

(4) A permit under this section for use of reclaimed water may be issued only to a municipal, quasi-municipal, or other governmental entity or to the holder of a waste discharge permit issued under chapter 90.48 RCW.

The report shall also review and evaluate all uses of reclaimed water as of the effective date of this act, with recommendations as to the application of standards, procedures, and guidelines by the department of health to such existing uses, including guidelines and government agency approvals necessary to assure an adequate supply of safe, high quality food products for both domestic and export markets. \*Sec. 104 was vetoed, see message at end of chapter.

Sec. 105. RCW 13.40.038 and 1986 c 288 s 7 are each amended to read as follows:

It is the policy of this state that all county juvenile detention facilities provide a humane, safe, and rehabilitative environment and that unadjudicated

youth remain in the community whenever possible, consistent with public safety and the provisions of chapter 13.40 RCW.

The counties shall develop and implement detention intake standards and risk assessment standards to determine whether detention is warranted and if so whether the juvenile should be placed in secure, nonsecure, or home detention to implement the goals of this section. Inability to pay for a less restrictive detention placement shall not be a basis for denying a respondent a less restrictive placement in the community. The detention and risk assessment standards shall be developed and implemented no later than December 31, 1992.

**Sec. 106.** RCW 13.40.050 and 1979 c 155 s 58 are each amended to read as follows:

(1) When a juvenile taken into custody is held in detention:

(a) An information, a community supervision modification or termination of diversion petition, or a parole modification petition shall be filed within seventy-two hours, Saturdays, Sundays, and holidays excluded, or the juvenile shall be released; and

(b) A detention hearing, a community supervision modification or termination of diversion petition, or a parole modification petition shall be held within seventy-two hours, Saturdays, Sundays, and holidays excluded, from the time of filing the information or petition, to determine whether continued detention is necessary under RCW 13.40.040.

(2) Notice of the detention hearing, stating the time, place, and purpose of the hearing, and stating the right to counsel, shall be given to the parent, guardian, or custodian if such person can be found and shall also be given to the juvenile if over twelve years of age.

(3) At the commencement of the detention hearing, the court shall advise the parties of their rights under this chapter and shall appoint counsel as specified in this chapter.

(4) The court shall, based upon the allegations in the information, determine whether the case is properly before it or whether the case should be treated as a diversion case under RCW 13.40.080. If the case is not properly before the court the juvenile shall be ordered released.

(5) Notwithstanding a determination that the case is properly before the court and that probable cause exists, a juvenile shall at the detention hearing be ordered released on the juvenile's personal recognizance pending further hearing unless the court finds detention is necessary under RCW 13.40.040 as now or hereafter amended.

(6) If detention is not necessary under RCW 13.40.040, as now or hereafter amended, the court shall impose the most appropriate of the following conditions or, if necessary, any combination of the following conditions:

(a) Place the juvenile in the custody of a designated person agreeing to supervise such juvenile;

(b) Place restrictions on the travel of the juvenile during the period of release;

(7) If the parent, guardian, or custodian of the juvenile in detention is available, the court shall consult with them prior to a determination to further detain or release the juvenile or treat the case as a diversion case under RCW 13.40.080.

**Sec. 107.** RCW 13.40.070 and 1989 c 407 s 9 are each amended to read as follows:

(1) Complaints referred to the juvenile court alleging the commission of an offense shall be referred directly to the prosecutor. The prosecutor, upon receipt of a complaint, shall screen the complaint to determine whether:

(a) The alleged facts bring the case within the jurisdiction of the court; and

(b) On a basis of available evidence there is probable cause to believe that the juvenile did commit the offense.

(2) If the identical alleged acts constitute an offense under both the law of this state and an ordinance of any city or county of this state, state law shall govern the prosecutor's screening and charging decision for both filed and diverted cases.

(3) If the requirements of subsections (1) (a) and (b) of this section are met, the prosecutor shall either file an information in juvenile court or divert the case, as set forth in subsections (5), (6), and (7) of this section. If the prosecutor finds that the requirements of subsection (1) (a) and (b) of this section are not met, the prosecutor shall maintain a record, for one year, of such decision and the reasons therefor. In lieu of filing an information or diverting an offense a prosecutor may file a motion to modify community supervision where such offense constitutes a violation of community supervision.

(4) An information shall be a plain, concise, and definite written statement of the essential facts constituting the offense charged. It shall be signed by the prosecuting attorney and conform to chapter 10.37 RCW.

(5) Where a case is legally sufficient, the prosecutor shall file an information with the juvenile court if:

(a) An alleged offender is accused of a class A felony, a class B felony, an attempt to commit a class B felony, ~~((assault in the third degree, rape in the third degree))~~ a class C felony listed in RCW 9.94A.440(2) as a crime against persons, or any other offense listed in RCW 13.40.020(1) (b) or (c); or

(b) An alleged offender is accused of a felony and has a criminal history of at least one class A or class B felony, or two class C felonies, or at least two gross misdemeanors, or at least two misdemeanors and one additional misde-

meanor or gross misdemeanor, or at least one class C felony and one misdemeanor or gross misdemeanor; or

(c) An alleged offender has previously been committed to the department;

or

(d) An alleged offender has been referred by a diversion unit for prosecution or desires prosecution instead of diversion; or

~~((d))~~ (e) An alleged offender has three or more diversions on the alleged offender's criminal history ~~((within eighteen months of the current alleged offense)).~~

(6) Where a case is legally sufficient the prosecutor shall divert the case if the alleged offense is a misdemeanor or gross misdemeanor or violation and the alleged offense(s) in combination with the alleged offender's criminal history do not exceed two offenses or violations and do not include any felonies: PROVIDED, That if the alleged offender is charged with a related offense that must or may be filed under subsections (5) and (7) of this section, a case under this subsection may also be filed.

(7) Where a case is legally sufficient and falls into neither subsection (5) nor (6) of this section, it may be filed or diverted. In deciding whether to file or divert an offense under this section the prosecutor shall be guided only by the length, seriousness, and recency of the alleged offender's criminal history and the circumstances surrounding the commission of the alleged offense.

(8) Whenever a juvenile is placed in custody or, where not placed in custody, referred to a diversionary interview, the parent or legal guardian of the juvenile shall be notified as soon as possible concerning the allegation made against the juvenile and the current status of the juvenile. Where a case involves victims of crimes against persons or victims whose property has not been recovered at the time a juvenile is referred to a diversionary unit, the victim shall be notified of the referral and informed how to contact the unit.

(9) The responsibilities of the prosecutor under subsections (1) through (8) of this section may be performed by a juvenile court probation counselor for any complaint referred to the court alleging the commission of an offense which would not be a felony if committed by an adult, if the prosecutor has given sufficient written notice to the juvenile court that the prosecutor will not review such complaints.

(10) The prosecutor, juvenile court probation counselor, or diversion unit may, in exercising their authority under this section or RCW 13.40.080, refer juveniles to mediation or victim offender reconciliation programs. Such mediation or victim offender reconciliation programs shall be voluntary for victims.

**Sec. 108.** RCW 13.40.080 and 1985 c 73 s 2 are each amended to read as follows:

(1) A diversion agreement shall be a contract between a juvenile accused of an offense and a diversionary unit whereby the juvenile agrees to fulfill certain

conditions in lieu of prosecution. Such agreements may be entered into only after the prosecutor, or probation counselor pursuant to this chapter, has determined that probable cause exists to believe that a crime has been committed and that the juvenile committed it. Such agreements shall be entered into as expeditiously as possible.

(2) A diversion agreement shall be limited to:

(a) Community service not to exceed one hundred fifty hours, not to be performed during school hours if the juvenile is attending school;

(b) Restitution limited to the amount of actual loss incurred by the victim, and to an amount the juvenile has the means or potential means to pay;

(c) Attendance at up to ~~((two))~~ ten hours of counseling and/or up to ~~((ten))~~ twenty hours of educational or informational sessions at a community agency: **PROVIDED**, That the state shall not be liable for costs resulting from the diversionary unit exercising the option to permit diversion agreements to mandate attendance at up to ~~((two))~~ ten hours of counseling and/or up to ~~((ten))~~ twenty hours of educational or informational sessions; and

(d) A fine, not to exceed one hundred dollars. In determining the amount of the fine, the diversion unit shall consider only the juvenile's financial resources and whether the juvenile has the means to pay the fine. The diversion unit shall not consider the financial resources of the juvenile's parents, guardian, or custodian in determining the fine to be imposed.

(3) In assessing periods of community service to be performed and restitution to be paid by a juvenile who has entered into a diversion agreement, the court officer to whom this task is assigned shall consult with victims who have contacted the diversionary unit and, to the extent possible, involve members of the community. Such members of the community shall meet with the juvenile and advise the court officer as to the terms of the diversion agreement and shall supervise the juvenile in carrying out its terms.

(4) A diversion agreement may not exceed a period of six months ~~((for a misdemeanor or gross misdemeanor or one year for a felony))~~ and may include a period extending beyond the eighteenth birthday of the divertee. Any restitution assessed during its term may not exceed an amount which the juvenile could be reasonably expected to pay during this period. If additional time is necessary for the juvenile to complete restitution to the victim, the time period limitations of this subsection may be extended by an additional six months.

(5) The juvenile shall retain the right to be referred to the court at any time prior to the signing of the diversion agreement.

(6) Divertees and potential divertees shall be afforded due process in all contacts with a diversionary unit regardless of whether the juveniles are accepted for diversion or whether the diversion program is successfully completed. Such due process shall include, but not be limited to, the following:

(a) A written diversion agreement shall be executed stating all conditions in clearly understandable language;

(b) Violation of the terms of the agreement shall be the only grounds for termination;

(c) No divertee may be terminated from a diversion program without being given a court hearing, which hearing shall be preceded by:

(i) Written notice of alleged violations of the conditions of the diversion program; and

(ii) Disclosure of all evidence to be offered against the divertee;

(d) The hearing shall be conducted by the juvenile court and shall include:

(i) Opportunity to be heard in person and to present evidence;

(ii) The right to confront and cross-examine all adverse witnesses;

(iii) A written statement by the court as to the evidence relied on and the reasons for termination, should that be the decision; and

(e) The prosecutor may file an information on the offense for which the divertee was diverted:

(i) In juvenile court if the divertee is under eighteen years of age; or

(ii) In superior court or the appropriate court of limited jurisdiction if the divertee is eighteen years of age or older.

(7) The diversion unit shall, subject to available funds, be responsible for providing interpreters when juveniles need interpreters to effectively communicate during diversion unit hearings or negotiations.

(8) The diversion unit shall be responsible for advising a divertee of his or her rights as provided in this chapter.

~~((8))~~ (9) The diversion unit may refer a juvenile to community-based counseling or treatment programs.

(10) The right to counsel shall inure prior to the initial interview for purposes of advising the juvenile as to whether he or she desires to participate in the diversion process or to appear in the juvenile court. The juvenile may be represented by counsel at any critical stage of the diversion process, including intake interviews and termination hearings. The juvenile shall be fully advised at the intake of his or her right to an attorney and of the relevant services an attorney can provide. For the purpose of this section, intake interviews mean all interviews regarding the diversion agreement process.

The juvenile shall be advised that a diversion agreement shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(~~((6))~~)(9) as now or hereafter amended. A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the diversionary unit together with the diversion agreement, and a copy of both documents shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language.

~~((9))~~ (11) When a juvenile enters into a diversion agreement, the juvenile court may receive only the following information for dispositional purposes:

- (e) The facts of the alleged offense.

~~((10))~~ (12) A diversionary unit may refuse to enter into a diversion agreement with a juvenile. When a diversionary unit refuses to enter a diversion agreement with a juvenile, it shall immediately refer such juvenile to the court for action and shall forward to the court the criminal complaint and a detailed statement of its reasons for refusing to enter into a diversion agreement. The diversionary unit shall also immediately refer the case to the prosecuting attorney for action if such juvenile violates the terms of the diversion agreement.

~~((11))~~ (13) A diversionary unit may, in instances where it determines that the act or omission of an act for which a juvenile has been referred to it involved no victim, or where it determines that the juvenile referred to it has no prior criminal history and is alleged to have committed an illegal act involving no threat of or instance of actual physical harm and involving not more than fifty dollars in property loss or damage and that there is no loss outstanding to the person or firm suffering such damage or loss, counsel and release or release such a juvenile without entering into a diversion agreement~~((: PROVIDED, That))~~. A diversion unit's authority to counsel and release a juvenile under this subsection shall include the authority to refer the juvenile to community-based counseling or treatment programs. Any juvenile ~~((so handled))~~ released under this subsection shall be advised that the act or omission of any act for which he or she had been referred shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020~~((6))~~(9) as now or hereafter amended. A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the unit, and a copy of the document shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language~~((: PROVIDED FURTHER, That))~~. A juvenile determined to be eligible by a diversionary unit for ~~((such))~~ release as provided in this subsection shall retain the same right to counsel and right to have his or her case referred to the court for formal action as any other juvenile referred to the unit.

~~((12))~~ (14) A diversion unit may supervise the fulfillment of a diversion agreement entered into before the juvenile's eighteenth birthday and which includes a period extending beyond the divertee's eighteenth birthday.

~~((13))~~ (15) If a fine required by a diversion agreement cannot reasonably be paid due to a change of circumstance, the diversion agreement may be modified at the request of the divertee and with the concurrence of the diversion

unit to convert an unpaid fine into community service. The modification of the diversion agreement shall be in writing and signed by the divertee and the diversion unit. The number of hours of community service in lieu of a monetary penalty shall be converted at the rate of the prevailing state minimum wage per hour.

((14)) (16) Fines imposed under this section shall be collected and paid into the county general fund in accordance with procedures established by the juvenile court administrator under RCW 13.04.040 and may be used only for juvenile services. In the expenditure of funds for juvenile services, there shall be a maintenance of effort whereby counties exhaust existing resources before using amounts collected under this section.

These steps shall include, where appropriate, adjusting the juvenile's school program or school or course assignment, providing more individualized or remedial instruction, preparing the juvenile for employment with specific vocational courses or work experience, or both, and assisting the parent or student to obtain supplementary services that might eliminate or ameliorate the cause or causes for the absence from school.

**Sec. 203.** RCW 28A.225.030 and 1990 c 33 s 220 are each amended to read as follows:

If action taken by a school pursuant to RCW 28A.225.020 is not successful in substantially reducing a student's absences from school, any of the following actions may be taken after five or more unexcused absences during the current school year: (1) The attendance officer of the school district through its attorney may petition the juvenile court to assume jurisdiction under RCW 28A.200.010, 28A.200.020, and 28A.225.010 through 28A.225.150 for the purpose of alleging a violation of RCW 28A.225.010 by the parent; or (2) a petition alleging a violation of RCW 28A.225.010 by a child may be filed with the juvenile court by the parent of such child or by the attendance officer of the school district through its attorney at the request of the parent. If the court assumes jurisdiction in such an instance, the provisions of RCW 28A.200.010, 28A.200.020, and 28A.225.010 through 28A.225.150, except where otherwise stated, shall apply.

**Sec. 204.** RCW 28A.225.090 and 1990 c 33 s 226 are each amended to read as follows:

Any person violating any of the provisions of either RCW 28A.225.010 or 28A.225.080 shall be fined not more than twenty-five dollars for each day of unexcused absence from school. However, a child found to be in violation of RCW 28A.225.010 shall be required to attend school and shall not be fined. If the child fails to comply with the court order to attend school, the court may order the child be punished by detention or may impose alternatives to detention such as community service hours or participation in dropout prevention programs

or referral to a community truancy board, if available. Failure by a child to comply with an order issued under this section shall not be punishable by detention for a period greater than that permitted pursuant to a contempt proceeding against a child under chapter 13.32A RCW. It shall be a defense for a parent charged with violating RCW 28A.225.010 to show that he or she exercised reasonable diligence in attempting to cause a child in his or her custody to attend school or that the juvenile's school did not perform its duties as required in RCW 28A.225.020. Any fine imposed pursuant to this section may be suspended upon the condition that a parent charged with violating RCW 28A.225.010 shall participate with the school and the juvenile in a supervised plan for the juvenile's attendance at school or upon condition that the parent attend a conference or conferences scheduled by a school for the purpose of analyzing the causes of a child's absence.

Attendance officers shall make complaint for violation of the provisions of RCW 28A.225.010 through 28A.225.140 to a judge of the superior or district court.

**Sec. 205.** RCW 28A.225.150 and 1990 c 33 s 232 are each amended to read as follows:

The school district attendance officer shall report biannually to the educational service district superintendent, in the instance of petitions filed alleging a violation by a child under RCW 28A.225.030:

- (1) The number of petitions filed by a school district or by a parent;
- (2) The frequency of each action taken under RCW 28A.225.020 prior to the filing of such petition;
- (3) When deemed appropriate under RCW 28A.225.020, the frequency of delivery of supplemental services; and
- (4) Disposition of cases filed with the juvenile court, including the frequency of contempt orders issued to enforce a court's order under RCW 28A.225.090.

The educational service district superintendent shall compile such information and report annually to the superintendent of public instruction. The superintendent of public instruction shall compile such information and report to the committees of the house of representatives and the senate by ~~((January 1,~~ 1988)) September 1 of each year.

**Sec. 206.** RCW 13.32A.130 and 1990 c 276 s 8 are each amended to read as follows:

A child admitted to a crisis residential center under this chapter who is not returned to the home of his or her parent or who is not placed in an alternative residential placement under an agreement between the parent and child, shall, except as provided for by RCW 13.32A.140 and 13.32A.160(2), reside in such placement under the rules and regulations established for the center for a period not to exceed ~~((seventy-two hours, excluding Saturdays, Sundays, and holidays,))~~ five consecutive days from the time of intake, except as otherwise provided by this chapter. Crisis residential center staff shall make a concerted effort to

achieve a reconciliation of the family. If a reconciliation and voluntary return of the child has not been achieved within forty-eight hours(~~(, excluding Saturdays, Sundays and holidays,)~~) from the time of intake, and if the person in charge of the center does not consider it likely that reconciliation will be achieved within the (~~(seventy-two-hour)~~) five-day period, then the person in charge shall inform the parent and child of (1) the availability of counseling services; (2) the right to file a petition for an alternative residential placement, the right of a parent to file an at-risk youth petition, and the right of the parent and child to obtain assistance in filing the petition; and (3) the right to request a review of any alternative residential placement: PROVIDED, That at no time shall information regarding a parent's or child's rights be withheld if requested: PROVIDED FURTHER, That the department shall develop and distribute to all law enforcement agencies and to each crisis residential center administrator a written statement delineating such services and rights. Every officer taking a child into custody shall provide the child and his or her parent(s) or responsible adult with whom the child is placed with a copy of such statement. In addition, the administrator of the facility or his or her designee shall provide every resident and parent with a copy of such statement.

*\*Sec. 207. RCW 13.32A.140 and 1990 c 276 s 9 are each amended to read as follows:*

*The department shall file a petition to approve an alternative residential placement on behalf of a child under any of the following sets of circumstances:*

*(1) The child has been admitted to a crisis residential center or has been placed with a responsible person other than his or her parent, and:*

*(a) The parent has been notified that the child was so admitted or placed;*

*(b) (~~(Seventy-two hours, including Saturdays, Sundays, and holidays,)~~)*

*Five consecutive days have passed since such notification;*

*(c) No agreement between the parent and the child as to where the child shall live has been reached;*

*(d) No petition requesting approval of an alternative residential placement has been filed by either the child or parent or legal custodian;*

*(e) The parent has not filed an at-risk youth petition; and*

*(f) The child has no suitable place to live other than the home of his or her parent.*

*(2) The child has been admitted to a crisis residential center and:*

*(a) (~~(Seventy-two hours, including Saturdays, Sundays, and holidays,)~~)*

*Five consecutive days have passed since such placement;*

*(b) The staff, after searching with due diligence, have been unable to contact the parent of such child; and*

*(c) The child has no suitable place to live other than the home of his or her parent.*

**(3) An agreement between parent and child made pursuant to RCW 13.32A.090(2)(e) or pursuant to RCW 13.32A.120(1) is no longer acceptable to parent or child, and:**

**(a) The party to whom the arrangement is no longer acceptable has so notified the department;**

**(b) ~~((Seventy-two hours, including Saturdays, Sundays, and holidays,))~~  
Five consecutive days have passed since such notification;**

**(c) No new agreement between parent and child as to where the child shall live has been reached;**

**(d) No petition requesting approval of an alternative residential placement has been filed by either the child or the parent;**

**(e) The parent has not filed an at-risk youth petition; and**

**(f) The child has no suitable place to live other than the home of his or her parent.**

**Under the circumstances of subsections (1), (2), or (3) of this section, the child shall remain in a licensed child care facility, including but not limited to a crisis residential center, or in any other suitable residence to be determined by the department until an alternative residential placement petition filed by the department on behalf of the child is reviewed by the juvenile court and is resolved by such court. The department may authorize emergency medical or dental care for a child placed under this section. The state, when the department files a petition for alternative residential placement under this section, shall be represented as provided for in RCW 13.04.093.**

**\*Sec. 207 was vetoed, see message at end of chapter.**

**Sec. 208. RCW 13.32A.150 and 1990 c 276 s 10 are each amended to read as follows:**

**(1) Except as otherwise provided in this section the juvenile court shall not accept the filing of an alternative residential placement petition by the child or the parents or the filing of an at-risk youth petition by the parent, unless verification is provided that a family assessment has been completed by the department. The family assessment shall be aimed at family reconciliation and avoidance of the out-of-home placement of the child. If the department is unable to complete an assessment within two working days following a request for assessment the child or the parents may proceed under subsection (2) of this section or the parent may proceed under subsection (3) of this section.**

**(2) A child or a child's parent may file with the juvenile court a petition to approve an alternative residential placement for the child outside the parent's home. The department shall, when requested, assist either a parent or child in the filing of the petition. The petition shall only ask that the placement of a child outside the home of his or her parent be approved. The filing of a petition to approve such placement is not dependent upon the court's having obtained any prior jurisdiction over the child or his or her parent, and confers upon the court**

a special jurisdiction to approve or disapprove an alternative residential placement.

(3) A child's parent may file with the juvenile court a petition in the interest of a child alleged to be an at-risk youth. The department shall, when requested, assist the parent in filing the petition. The petition shall be filed in the county where the petitioning parent resides. The petition shall set forth the name, age, and residence of the child and the names and residence of the child's parents and shall allege that:

(a) The child is an at-risk youth as defined in this chapter;

(b) The petitioning parent has the right to legal custody of the child;

(c) Court intervention and supervision are necessary to assist the parent to maintain the care, custody, and control of the child; and

(d) Alternatives to court intervention have been attempted or there is good cause why such alternatives have not been attempted.

The petition shall set forth facts that support the allegations in this subsection and shall generally request relief available under this chapter. The petition need not specify any proposed disposition following adjudication of the petition. The filing of an at-risk youth petition is not dependent upon the court's having obtained any prior jurisdiction over the child or his or her parent and confers upon the court the special jurisdiction to assist the parent in maintaining parental authority and responsibility for the child. An at-risk youth petition may not be filed if the court has approved an alternative residential placement petition regarding the child or if the child is the subject of a proceeding under chapter 13.34 RCW. A petition may be accepted for filing only if alternatives to court intervention have been attempted (~~or if there is good cause why they were not attempted~~). Juvenile court personnel may screen all at-risk youth petitions and may refuse to allow the filing of any petition that lacks merit, fails to comply with the requirements of this section, or fails to allege sufficient facts in support of allegations in the petition.

**NEW SECTION. Sec. 209.** To the extent possible within existing funds, the department of social and health services shall transfer children who are inappropriately housed in crisis residential centers to residential and treatment services designed to meet their specific, unique needs by June 30, 1993.

**\*NEW SECTION. Sec. 210.** *A new section is added to chapter 13.32A RCW to read as follows:*

*The department of social and health services shall not administratively split-code staff responsible for family reconciliation services between separate and distinct functions, except in remote rural offices where to do otherwise proves impractical.*

*\*Sec. 210 was vetoed, see message at end of chapter.*

**\*NEW SECTION.** *Sec. 211. A new section is added to chapter 13.32A RCW to read as follows:*

*All placements into crisis residential centers shall be approved by and coordinated through the family reconciliation services supervisor. The department of social and health services shall establish uniform procedures for the use of crisis residential centers, which shall be adhered to by all family reconciliation services supervisors. The department shall ensure procedures established under this section will facilitate and complement law enforcement officer's existing responsibility to pick up and transport children to crisis residential centers and other places authorized by law under this chapter.*

*\*Sec. 211 was vetoed, see message at end of chapter.*

*\*Sec. 212. RCW 74.13.032 and 1979 c 155 s 78 are each amended to read as follows:*

*(1) The department (~~(shall establish, by contracts with private vendors,))~~ **may operate or contract to operate not less than eight regional crisis residential centers, which shall be structured group care facilities licensed under rules adopted by the department. Each regional center shall have (~~(an average of at least four adult staff members and in no event less than))~~ three adult staff members to every (~~(eight))~~ nine children. The staff shall be trained so that they may effectively counsel juveniles admitted to the centers, provide treatment, supervision, and structure to the juveniles, and carry out the responsibilities outlined in RCW 13.32A.090.***

*(2) The department shall, in addition to the regional facilities established under subsection (1) of this section, establish not less than thirty additional crisis residential centers pursuant to contract with licensed private group care or specialized foster home facilities. The responsibilities stated in RCW 13.32A.090 may, in any of the centers, be carried out by the department.*

*Crisis residential facilities shall be operated as semi-secure facilities.*

*\*Sec. 212 was vetoed, see message at end of chapter.*

*Sec. 213. RCW 74.13.033 and 1979 c 155 s 79 are each amended to read as follows:*

*(1) If a resident of a center becomes by his or her behavior disruptive to the facility's program, such resident may be immediately removed to a separate area within the facility and counseled on an individual basis until such time as the child regains his or her composure. The department may set rules and regulations establishing additional procedures for dealing with severely disruptive children on the premises, which procedures are consistent with the federal juvenile justice and delinquency prevention act of 1974 and regulations and clarifying instructions promulgated thereunder. Nothing in this section shall*

prohibit a center from referring any child who, as the result of a mental or emotional disorder, or intoxication by alcohol or other drugs, is suicidal, seriously assaultive or seriously destructive toward others, or otherwise similarly evidences an immediate need for emergency medical evaluation and possible care, ~~((to a community mental health center))~~ for evaluation pursuant to chapter 71.34 RCW ((72.23.070)) or to a mental health professional pursuant to chapter 71.05 RCW whenever such action is deemed appropriate and consistent with law.

(2) When the juvenile resides in this facility, all services deemed necessary to the juvenile's reentry to normal family life shall be made available to the juvenile as required by chapter 13.32A RCW. In providing these services, the facility shall:

- (a) Interview the juvenile as soon as possible;
- (b) Contact the juvenile's parents and arrange for a counseling interview with the juvenile and his or her parents as soon as possible;
- (c) Conduct counseling interviews with the juvenile and his or her parents, to the end that resolution of the child/parent conflict is attained and the child is returned home as soon as possible; and
- (d) Provide additional crisis counseling as needed, to the end that placement of the child in the crisis residential center will be required for the shortest time possible, but not to exceed ~~((seventy-two hours))~~ five consecutive days.

(3) A juvenile taking unauthorized leave from this residence may be apprehended and returned to it by law enforcement officers or other persons designated as having this authority as provided in RCW 13.32A.050. If returned to the facility after having taken unauthorized leave for a period of more than twenty-four hours a juvenile may be supervised by such a facility for a period, pursuant to this chapter, which, unless where otherwise provided, may not exceed ~~((seventy-two hours))~~ five consecutive days on the premises. Costs of housing juveniles admitted to crisis residential centers shall be assumed by the department for a period not to exceed ~~((seventy-two hours))~~ five consecutive days.

**Sec. 214.** RCW 74.13.034 and 1991 c 364 s 5 are each amended to read as follows:

(1) A child taken into custody and taken to a crisis residential center established pursuant to RCW 74.13.032(2) may, if the center is unable to provide appropriate treatment, supervision, and structure to the child, be taken at department expense to another crisis residential center or the nearest regional crisis residential center. Placement in both centers shall not exceed ~~((seventy-two hours))~~ five consecutive days from the point of intake as provided in RCW 13.32A.130.

(2) A child taken into custody and taken to a crisis residential center established by this chapter may be placed physically by the department or the department's designee and, at departmental expense and approval, in a secure juvenile detention facility operated by the county in which the center is located for a maximum of forty-eight hours, including Saturdays, Sundays, and holidays,

if the child has taken unauthorized leave from the center and the person in charge of the center determines that the center cannot provide supervision and structure adequate to ensure that the child will not again take unauthorized leave. Juveniles placed in such a facility pursuant to this section may not, to the extent possible, come in contact with alleged or convicted juvenile or adult offenders.

(3) Any child placed in secure detention pursuant to this section shall, during the period of confinement, be provided with appropriate treatment by the department or the department's designee, which shall include the services defined in RCW 74.13.033(2). If the child placed in secure detention is not returned home or if an alternative living arrangement agreeable to the parent and the child is not made within twenty-four hours after the child's admission, the child shall be taken at the department's expense to a crisis residential center. Placement in the crisis residential center or centers plus placement in juvenile detention shall not exceed ~~((seventy-two hours))~~ five consecutive days from the point of intake as provided in RCW 13.32A.130.

(4) Juvenile detention facilities used pursuant to this section shall first be certified by the department to ensure that juveniles placed in the facility pursuant to this section are provided with living conditions suitable to the well-being of the child. Where space is available, juvenile courts, when certified by the department to do so, shall provide secure placement for juveniles pursuant to this section, at department expense.

(5) It is the intent of the legislature that by July 1, 1982, crisis residential centers, supplemented by community mental health programs and mental health professionals, will be able to respond appropriately to children admitted to centers under this chapter and will be able to respond to the needs of such children with appropriate treatment, supervision, and structure.

### **PART III - INVOLUNTARY COMMITMENT AND TREATMENT**

***In furtherance of the policy of this state to cooperate with the federal government in the programs included in this title the secretary shall issue such rules and regulations as may become necessary to entitle this state to participate in federal grants-in-aid, goods, commodities and services unless the same be expressly prohibited by this title. The secretary shall ensure that the department's services and programs are designed and implemented to maximize the allocation of federal funds to the state.***

***Any section or provision of this title which may be susceptible to more than one construction shall be interpreted in favor of the construction most likely to satisfy federal laws entitling this state to receive federal matching or other funds for the various programs of public assistance. If any part of this chapter is found to be in conflict with federal requirements which are a prescribed condition to the receipts of federal funds to the state, the conflicting part of this chapter is hereby inoperative solely to the extent of the conflict***

To facilitate the continuum of care and treatment to minors in out-of-home placements, all divisions of the department that provide mental health services to minors shall jointly plan and deliver those services.

It is also the purpose of this chapter to protect the rights of minors against needless hospitalization and deprivations of liberty and to enable treatment decisions to be made in response to clinical needs in accordance with sound professional judgment. The mental health care and treatment providers shall encourage the use of voluntary services and, whenever clinically appropriate, the providers shall offer less restrictive alternatives to inpatient treatment. Additionally, all mental health care and treatment providers shall ensure that minors' parents are given an opportunity to participate in the treatment decisions for their minor children. The department shall also ensure that, to the extent possible within available funds, the county-designated mental health professionals are specifically trained in adolescent mental health issues, the mental health civil commitment laws, and the criteria for civil commitment.

**\*NEW SECTION.** *Sec. 305. A new section is added to chapter 71.34 RCW to read as follows:*

*(3) Refer the minor and the parents to other available services.*

*\*Sec. 305 was vetoed, see message at end of chapter.*

**NEW SECTION.** *Sec. 306. A new section is added to chapter 70.96A RCW to read as follows:*

**NEW SECTION. Sec. 406.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

**\*NEW SECTION. Sec. 407.** *The purpose of this act is solely to provide authority for the counties and the department of social and health services to provide services within existing funds and current programs and facilities unless otherwise specifically funded by June 30, 1992, by reference to this bill and section number, in the supplemental omnibus appropriations act for the 1992. Nothing in this act shall be construed to require the addition of new facilities nor affect the department of social and health services' nor county authority for the uses of existing programs and funding.*

\*Sec. 407 was vetoed, see message at end of chapter.

**\*NEW SECTION. Sec. 408.** *Sections 102, 104, 106, 206, 207, 212, 214, and 304 through 307 of this act shall take effect July 1, 1993.*

\*Sec. 408 was vetoed, see message at end of chapter.

Passed the House March 11, 1992.

Passed the Senate March 11, 1992.

Approved by the Governor April 2, 1992, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State April 2, 1992.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to sections 102, 104, 110, 111, 112, 113, 114, 207, 210, 211, 212, 301, 305, 307, 403, 404, 407, and 408, Engrossed Substitute House Bill No. 2466 entitled:

"AN ACT Relating to recommendations of the juvenile issues task force."

Engrossed Substitute House Bill No. 2466 originated from the deliberations of the Juvenile Issues Task Force. The Task Force was comprised of individuals representing a broad range of interests. It attempted a comprehensive review of the juvenile justice system and the programs provided for troubled youth and their families. The Task Force focused on three substantive areas: juvenile offenders, families at risk, and involuntary commitment and treatment.

These issues are of paramount concern. I applaud the work of the Juvenile Issues Task Force. Its job was not an easy one. Unfortunately, the job was not completed. Many provisions of Engrossed Substitute House Bill No. 2466 were left unfunded, and

the burden of making the tough choices to fund these new programs was left to the next legislature.

I cannot mislead the citizens of the state into believing that Substitute House Bill No. 2466 will make important and needed changes in the lives of youths. My hope is that the newly created Joint Select Committee will address these issues with legislation and appropriate funding in the 1993 legislative session. For that reason, I find it necessary to veto the following sections of Engrossed Substitute House Bill No. 2466:

#### Section 102

This section redefines terms of the state's Juvenile Justice Act. I am concerned that the definition of "community based rehabilitation" could result in placing youths in residential or inpatient substance abuse programs as a condition of their sentence. This would limit their liberty without adequate due process as required by the state's involuntary commitment statutes. Substance abuse treatment during community based rehabilitation should be limited to outpatient programs. For this reason, I have vetoed section 102.

#### Section 104

The sentence range increases contained in this section will result in a significant caseload increase for county detention facilities. While the language would imply that this increase is optional, it is only optional for the court at the time of sentencing. Therefore, the detention facilities will have no real control over the increased sentences and the resulting case load. The fiscal impact of this section is estimated to be \$11 million for the community supervision expansion alone. The fiscal impact for detention increase would be of the same magnitude. Local governments lack the fiscal resources to accommodate this increase at this time. In addition, local governments lack the physical resources (beds) to accommodate this increased case load. Currently, many detention facilities are facing critical overcrowding problems. This section would only add to this crisis. For this reason, I have vetoed section 104.

#### Sections 110 through 114

These sections authorize counties to implement and operate youthful offender discipline programs, popularly known as "boot camps." Section 110 limits the programs to children between the ages of 14 and 18 who have been committed to the Department as serious offenders or as minor or first offenders. I believe section 110 contains a drafting error. Minor or first offenders should not be in confinement. They should instead be placed in community supervision programs. Furthermore, serious offenders are generally placed in total confinement settings separate from minor offenders. Sections 111 through 114 implement section 110. Because of the confusion created by the drafting error in section 110, I have vetoed sections 110 through 114.

#### Section 207

This section addresses alternative residential placements for children following placement in a crisis residential center. This section increases the waiting period for the Department of Social and Health Services prior to filing an alternative residential placement petition from 72 hours to 5 days. Under requirements of this section, the Department's authority to retain a child in a crisis residential center can expire before the petition can be filed. I have vetoed this section in order to maintain the Department's current authority to file a petition before the authority to retain a child expires.

#### Section 210

This section requires that the Department of Social and Health Services not administratively split code staff that provide family reconciliation services. Although the Department is in the process of accomplishing this action, I believe it is inappropriate to place such administrative requirements in statute. I have vetoed this section to allow the Department to handle such matters administratively.

#### Section 211

This section requires that all placements into crisis residential centers be approved and coordinated through the family reconciliation supervisor. This administrative

requirement needs flexibility and, thus, is inappropriate for inclusion in statute. I have vetoed this section to ensure that this level of administrative detail be left to the agency.

Section 212

This section reduces the staffing in regional crisis residential centers from an average of one staff member for every two children to an average of one staff member for every three children. Children housed in crisis residential centers may pose a threat to themselves and others. This change in the staffing ratio creates a dangerous situation for both residents and staff. I have vetoed this section in order to retain a higher ratio of staff to residents and to ensure greater safety and quality of care within the crisis residential centers.

Section 301

This section requires the Department of Social and Health Services to design and implement its services and programs to maximize receipt of federal funds. The Department has federal funding for numerous programs and has contributed toward saving millions of dollars for the state's General Fund. But, in some circumstances maximizing federal funding would result in denying needed services to many of our state's vulnerable persons. I have vetoed this section in order to allow the Department to manage its programs and services in a more flexible manner.

Section 305

This section would require county designated mental health professionals to provide a written notice and evaluation report to parents of a minor who does not meet involuntary detention criteria. This would create an unnecessary and burdensome workload. For this reason, I have vetoed this section.

Section 307

This section requires a county designated chemical dependency specialist to provide a written notice and evaluation report to parents of a minor who does not meet the criteria for a commitment to a chemical dependency program. This requirement will generate an unnecessary and burdensome workload. In addition, it appears this language is in direct violation of federal confidentiality rules. For these reasons, I have vetoed this section.

Section 403

This section requires the Department to produce a study and report by a specified date. The Legislature did not provide funds to accomplish this mandate. The phrase "within existing funds" requires the Department to divert funding from other priorities in order to accomplish this study. In a period of diminishing fiscal resources, this only degrades the Department's ability to complete existing tasks and requirements. For this reason, I have vetoed this section.

Section 404

Section 404 refers to section 111 through 114. I have vetoed this section because, otherwise, it would have no meaning.

Section 407

This section declares that the purposes of this Act are solely to provide counties and the Department of Social and Health Services with authority to provide these new or expanded services within existing funds unless otherwise funded in the 1992 supplemental appropriations act. This section implies that substantive reform can be achieved without expending resources. It is inappropriate to require or force new programs on the Department or the local governments without making the conscious decision to fund them. For this reason, I have vetoed this section.

Section 408

This section establishes a July 1, 1993, implementation date for numerous provisions of the Act. I believe that this precedent is an unwise one. The 1992 legislature should take responsibility for its own actions and not place the burden of funding these new requirements on the next legislature. I have vetoed this section in order to allow those referenced sections that have not been vetoed to take effect earlier.

For the reasons state above, I have vetoed sections 102, 104, 110, 111, 112, 113, 114, 207, 210, 211, 212, 301, 305, 307, 403, 404, 407 and 408 of Engrossed Substitute House Bill No. 2466.

With the exception of sections 102, 104, 110, 111, 112, 113, 114, 207, 210, 211, 212, 301, 305, 307, 403, 404, 407 and 408, Engrossed Substitute House Bill No. 2466 is approved."

## CHAPTER 206

[Engrossed House Bill 2680 - Corrected Copy]

### TAX ASSESSMENT AND COLLECTION—REVISIONS

**Effective Date:** 7/1/92 - Except Sections 7 & 8 which take effect on 1/1/93; and Sections 9 through 12 which take effect on 6/1/92.

AN ACT Relating to the improvement of the administration of the assessment and collection of taxes; amending RCW 82.04.170, 82.08.050, 82.32.090, 82.32.180, 67.28.183, 82.29A.050, 82.04.300, 82.32.030, 82.03.130, 84.08.130, 84.40.038, 84.48.065, 84.36.385, and 84.36.387; repealing RCW 82.32.040; providing effective dates; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

**Sec. 1.** RCW 82.04.170 and 1985 c 135 s 1 are each amended to read as follows:

"Tuition fee" includes library, laboratory, health service and other special fees, and amounts charged for room and board by an educational institution when the property or service for which such charges are made is furnished exclusively to the students or faculty of such institution. "Educational institution," as used in this section, means only those institutions created or generally accredited as such by the state, or defined as a degree granting institution under RCW ((~~28B.05.030(10)~~) 28B.85.010(3)) and accredited by an accrediting association recognized by the United States secretary of education, and offering to students an educational program of a general academic nature or those institutions which are not operated for profit and which are privately endowed under a deed of trust to offer instruction in trade, industry, and agriculture, but not including specialty schools, business colleges, other trade schools, or similar institutions.

**Sec. 2.** RCW 82.08.050 and 1986 c 36 s 1 are each amended to read as follows:

The tax hereby imposed shall be paid by the buyer to the seller, and each seller shall collect from the buyer the full amount of the tax payable in respect to each taxable sale in accordance with the schedule of collections adopted by the department pursuant to the provisions of RCW 82.08.060. The tax required by this chapter, to be collected by the seller, shall be deemed to be held in trust by the seller until paid to the department, and any seller who appropriates or converts the tax collected to his or her own use or to any use other than the payment of the tax to the extent that the money required to be collected is not available for payment on the due date as prescribed in this chapter shall be guilty of a gross misdemeanor.

In case any seller fails to collect the tax herein imposed or having collected the tax, fails to pay it to the department in the manner prescribed by this chapter, whether such failure is the result of his or her own acts or the result of acts or conditions beyond his or her control, he or she shall, nevertheless, be personally liable to the state for the amount of the tax.

The amount of tax, until paid by the buyer to the seller or to the department, shall constitute a debt from the buyer to the seller and any seller who fails or refuses to collect the tax as required with intent to violate the provisions of this chapter or to gain some advantage or benefit, either direct or indirect, and any buyer who refuses to pay any tax due under this chapter shall be guilty of a misdemeanor. The tax required by this chapter to be collected by the seller shall be stated separately from the selling price in any sales invoice or other instrument of sale. On all retail sales through vending machines, the tax need not be stated separately from the selling price or collected separately from the buyer. For purposes of determining the tax due from the buyer to the seller and from the seller to the department it shall be conclusively presumed that the selling price quoted in any price list, sales document, contract or other agreement between the parties does not include the tax imposed by this chapter, but if the seller advertises the price as including the tax or that the seller is paying the tax, the advertised price shall not be considered the selling price.

Where a buyer has failed to pay to the seller the tax imposed by this chapter and the seller has not paid the amount of the tax to the department, the department may, in its discretion, proceed directly against the buyer for collection of the tax, in which case a penalty of ten percent may be added to the amount of the tax for failure of the buyer to pay the same to the seller, regardless of when the tax may be collected by the department; and all of the provisions of chapter 82.32 RCW, including those relative to interest and penalties, shall apply in addition; and, for the sole purpose of applying the various provisions of chapter 82.32 RCW, the (~~fifteenth~~) twenty-fifth day of the month following the tax period in which the purchase was made shall be considered as the due date of the tax.

**Sec. 3.** RCW 82.32.090 and 1991 c 142 s 11 are each amended to read as follows:

(1) If payment of any tax due on a return to be filed by a taxpayer is not received by the department of revenue by the due date, there shall be assessed a penalty of five percent of the amount of the tax; and if the tax is not received within thirty days after the due date, there shall be assessed a total penalty of ten percent of the amount of the tax; and if the tax is not received within sixty days after the due date, there shall be assessed a total penalty of twenty percent of the amount of the tax. No penalty so added shall be less than five dollars.

(2) If payment of any tax assessed by the department of revenue is not received by the department by the due date specified in the notice, or any extension thereof, the department shall add a penalty of ten percent of the

amount of the additional tax found due. No penalty so added shall be less than five dollars.

(3) If a warrant be issued by the department of revenue for the collection of taxes, increases, and penalties, there shall be added thereto a penalty of five percent of the amount of the tax, but not less than ten dollars.

(4) If the department finds that all or any part of a deficiency resulted from the disregard of specific written instructions as to reporting or tax liabilities, the department shall add a penalty of ten percent of the amount of the additional tax found due because of the failure to follow the instructions. A taxpayer disregards specific written instructions when the department of revenue has informed the taxpayer in writing of the taxpayer's tax obligations and the taxpayer fails to act in accordance with those instructions unless the department has not issued final instructions because the matter is under appeal pursuant to this chapter or departmental regulations. The department shall not assess the penalty under this section upon any taxpayer who has made a good faith effort to comply with the specific written instructions provided by the department to that taxpayer. Specific written instructions may be given as a part of a tax assessment, audit, determination, or closing agreement, provided that such specific written instructions shall apply only to the taxpayer addressed or referenced on such documents. Any specific written instructions by the department of revenue shall be clearly identified as such and shall inform the taxpayer that failure to follow the instructions may subject the taxpayer to the penalties imposed by this subsection.

(5) If the department finds that all or any part of the deficiency resulted from an intent to evade the tax payable hereunder, a further penalty of fifty percent of the additional tax found to be due shall be added.

(6) The aggregate of penalties imposed under this section for failure to pay a tax due on a return by the due date, late payment of any tax, increase, or penalty, or issuance of a warrant shall not exceed thirty-five percent of the tax due, or twenty dollars, whichever is greater.

(7) The department of revenue may not impose both the evasion penalty and the penalty for disregarding specific written instructions on the same tax found to be due.

**Sec. 4.** RCW 82.32.180 and 1989 c 378 s 23 are each amended to read as follows:

Any person, except one who has failed to keep and preserve books, records, and invoices as required in this chapter and chapter 82.24 RCW, having paid any tax as required and feeling aggrieved by the amount of the tax may appeal to the superior court of Thurston county, within the time limitation for a refund provided in chapter 82.32 RCW or, if an application for refund has been made to the department within that time limitation, then within thirty days after rejection of the application, whichever time limitation is later. In the appeal the taxpayer shall set forth the amount of the tax imposed upon the taxpayer which

the taxpayer concedes to be the correct tax and the reason why the tax should be reduced or abated. The appeal shall be perfected by serving a copy of the notice of appeal upon the department within the time herein specified and by filing the original thereof with proof of service with the clerk of the superior court of Thurston county. ~~((Within ten days after filing the notice of appeal, the taxpayer shall file with the clerk of the superior court a good and sufficient surety bond payable to the state in the sum of two hundred dollars, conditioned to diligently prosecute the appeal and pay the state all costs that may be awarded if the appeal of the taxpayer is not sustained.))~~

The trial in the superior court on appeal shall be de novo and without the necessity of any pleadings other than the notice of appeal. The burden shall rest upon the taxpayer to prove that the tax as paid by the taxpayer is incorrect, either in whole or in part, and to establish the correct amount of the tax. In such proceeding the taxpayer shall be deemed the plaintiff, and the state, the defendant; and both parties shall be entitled to subpoena the attendance of witnesses as in other civil actions and to produce evidence that is competent, relevant, and material to determine the correct amount of the tax that should be paid by the taxpayer. Either party may seek appellate review in the same manner as other civil actions are appealed to the appellate courts.

It shall not be necessary for the taxpayer to protest against the payment of any tax or to make any demand to have the same refunded or to petition the director for a hearing in order to appeal to the superior court, but no court action or proceeding of any kind shall be maintained by the taxpayer to recover any tax paid, or any part thereof, except as herein provided.

The provisions of this section shall not apply to any tax payment which has been the subject of an appeal to the board of tax appeals with respect to which appeal a formal hearing has been elected.

**Sec. 5.** RCW 67.28.183 and 1988 c 61 s 2 are each amended to read as follows:

(1) The ~~((tax))~~ taxes levied ~~((by RCW 67.28.180 and 67.28.182))~~ under this chapter shall not apply to emergency lodging provided for homeless persons for a period of less than thirty consecutive days under a shelter voucher program administered by an eligible organization.

(2) For the purposes of this exemption, an eligible organization includes only cities, towns, and counties, or their respective agencies, and groups providing emergency food and shelter services.

**Sec. 6.** RCW 82.29A.050 and 1975-'76 2nd ex.s. c 61 s 5 are each amended to read as follows:

(1) The leasehold excise taxes provided for in RCW 82.29A.030 and 82.29A.040 shall be paid by the lessee to the lessor and the lessor shall collect such tax and remit the same to the department of revenue. The tax shall be payable at the same time as payments are due to the lessor for use of the property from which the leasehold interest arises, and in the case of payment of

contract rent to a person other than the lessor, at the time of payment. The tax payment shall be accompanied by such information as the department of revenue may require. In the case of prepaid contract rent the payment may be prorated in accordance with instructions of the department of revenue and the prorated portion of the tax shall be due, one-half not later than May 31 and the other half not later than November 30 each year.

(2) The lessor receiving taxes payable under the provisions of this chapter shall remit the same together with a return provided by the department, to the department of revenue on or before the ~~((fifteenth))~~ last day of the month following the month in which the tax is collected. The department may relieve any taxpayer or class of taxpayers from the obligation of filing monthly returns and may require the return to cover other reporting periods, but in no event shall returns be filed for a period greater than one year. The lessor shall be fully liable for collection and remittance of the tax. The amount of tax until paid by the lessee to the lessor shall constitute a debt from the lessee to the lessor. The tax required by this chapter shall be stated separately from contract rent, and if not so separately stated for purposes of determining the tax due from the lessee to the lessor and from the lessor to the department, the contract rent does not include the tax imposed by this chapter. Where a lessee has failed to pay to the lessor the tax imposed by this chapter and the lessor has not paid the amount of the tax to the department, the department may, in its discretion, proceed directly against the lessee for collection of the tax: PROVIDED, That taxes due where contract rent has not been paid shall be reported by the lessor to the department and the lessee alone shall be liable for payment of the tax to the department.

(3) Each person having a leasehold interest subject to the tax provided for in this chapter arising out of a lease of federally owned or federal trust lands shall report and remit the tax due directly to the department of revenue in the same manner and at the same time as the lessor would be required to report and remit the tax if such lessor were a state public entity.

**Sec. 7.** RCW 82.04.300 and 1983 c 3 s 213 are each amended to read as follows:

This chapter shall apply to any person engaging in any business activity taxable under RCW 82.04.230, 82.04.240, 82.04.250, 82.04.260, 82.04.270, 82.04.280 and 82.04.290 other than those whose value of products, gross proceeds of sales, or gross income of the business is less than one thousand dollars per month: PROVIDED, That where one person engages in more than one business activity and the combined measures of the tax applicable to such businesses equal or exceed one thousand dollars per month, no exemption or deduction from the amount of tax is allowed by this section.

Any person claiming exemption under the provisions of this section may be required, according to rules adopted by the department, to file returns even though no tax may be due(~~(: PROVIDED, FURTHER, That))~~). The department of revenue may allow exemptions, by general rule or regulation, in those

instances in which quarterly, semiannual, or annual returns are permitted. Exemptions for such periods shall be equivalent in amount to the total of exemptions for each month of a reporting period.

**Sec. 8.** RCW 82.32.030 and 1982 1st ex.s. c 4 s 1 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, if any person engages in any business or performs any act upon which a tax is imposed by the preceding chapters, he or she shall, ((whether taxable or not,)) under such rules ((and regulations)) as the department of revenue shall prescribe, apply for and obtain from the department a registration certificate upon payment of fifteen dollars. Such registration certificate shall be personal and nontransferable and shall be valid as long as the taxpayer continues in business and pays the tax accrued to the state. In case business is transacted at two or more separate places by one taxpayer, a separate registration certificate for each place at which business is transacted with the public shall be required, but, for such additional certificates no additional payment shall be required. Each certificate shall be numbered and shall show the name, residence, and place and character of business of the taxpayer and such other information as the department of revenue deems necessary and shall be posted in a conspicuous place at the place of business for which it is issued. Where a place of business of the taxpayer is changed, the taxpayer must return to the department the existing certificate, and a new certificate will be issued for the new place of business free of charge. No person required to be registered under this section shall engage in any business taxable hereunder without first being so registered ((in compliance with the provisions of this section, except that)). The department, by ((general regulation)) rule, may provide for the issuance of certificates of registration, without requiring payment, to temporary places of business ((without requiring payment)) or to persons who are exempt from tax under RCW 82.04.300.

(2) Registration under this section is not required if the following conditions are met:

(a) A person's value of products, gross proceeds of sales, or gross income of the business is below the tax reporting threshold provided in RCW 82.04.300;

(b) The person is not required to collect or pay to the department of revenue any other tax which the department is authorized to collect; and

(c) The person is not otherwise required to obtain a license subject to the master application procedure provided in chapter 19.02 RCW.

**Sec. 9.** RCW 82.03.130 and 1989 c 378 s 4 are each amended to read as follows:

The board shall have jurisdiction to decide the following types of appeals:

(1) Appeals taken pursuant to RCW 82.03.190.

(2) Appeals from a county board of equalization pursuant to RCW 84.08.130.

(3) Appeals by an assessor or landowner from an order of the director of revenue made pursuant to RCW 84.08.010 and 84.08.060, if filed with the board of tax appeals within thirty days after the mailing of the order, the right to such an appeal being hereby established.

(4) Appeals by an assessor or owner of an intercounty public utility or private car company from determinations by the director of revenue of equalized assessed valuation of property and the apportionment thereof to a county made pursuant to chapter 84.12 RCW and 84.16 RCW, if filed with the board of tax appeals within thirty days after mailing of the determination, the right to such appeal being hereby established.

(5) Appeals by an assessor, landowner, or owner of an intercounty public utility or private car company from a determination of any county indicated ratio for such county compiled by the department of revenue pursuant to RCW 84.48.075: PROVIDED, That

(a) Said appeal be filed after review of the ratio under RCW 84.48.075(3) and not later than fifteen days after the mailing of the certification; and

(b) The hearing before the board shall be expeditiously held in accordance with rules prescribed by the board and shall take precedence over all matters of the same character.

(6) Appeals from the decisions of sale price of second class shorelands on navigable lakes by the department of natural resources pursuant to RCW 79.94.210.

(7) Appeals from urban redevelopment property tax apportionment district proposals established by governmental ordinances pursuant to RCW 39.88.060.

(8) Appeals from interest rates as determined by the department of revenue for use in valuing farmland under current use assessment pursuant to RCW 84.34.065.

(9) Appeals from revisions to stumpage value tables used to determine value by the department of revenue pursuant to RCW 84.33.091.

(10) Appeals from denial of tax exemption application by the department of revenue pursuant to RCW 84.36.850.

(11) Appeals pursuant to RCW 84.40.038(2).

**Sec. 10.** RCW 84.08.130 and 1989 c 378 s 7 are each amended to read as follows:

Any taxpayer or taxing unit feeling aggrieved by the action of any county board of equalization may appeal to the board of tax appeals by filing with the county auditor a notice of appeal in duplicate within thirty days after the mailing of the decision of such board of equalization, which notice shall specify the actions complained of, and said auditor shall forthwith transmit one of said notices to the board of tax appeals; and in like manner any county assessor may appeal to the board of tax appeals from any action of any county board of equalization. There shall be no fee charged for the filing of an appeal. The petitioner shall provide a copy of the notice of appeal to all named parties within

the time period provided in the rules of practice and procedure of the board of tax appeals. Appeals which are not filed as provided in this section shall be continued or dismissed. The board of tax appeals shall require the board appealed from to file a true and correct copy of its decision in such action and all evidence taken in connection therewith, and may receive further evidence, and shall make such order as in its judgment is just and proper. An appeal of an action by a county board of equalization shall be deemed to have been filed within the thirty-day period if it is postmarked on or before the thirtieth day after the mailing of the decision of the board of equalization.

**Sec. 11.** RCW 84.40.038 and 1988 c 222 s 19 are each amended to read as follows:

(1) The owner or person responsible for payment of taxes on any property may petition the county board of equalization for a change in the assessed valuation placed upon such property by the county assessor. Such petition must be made on forms prescribed or approved by the department of revenue and any petition not conforming to those requirements or not properly completed shall not be considered by the board. The petition must be filed with the board on or before July 1st of the year of the assessment or within thirty days after the date an assessment or value change notice has been mailed, whichever is later.

(2) The owner or person responsible for payment of taxes on any property may request that the appeal be heard by the state board of tax appeals without a hearing by the county board of equalization when the assessor, the owner or person responsible for payment of taxes on the property, and a majority of the county board of equalization agree that a direct appeal to the state board of tax appeals is appropriate. The state board of tax appeals may reject the appeal, in which case the county board of equalization shall consider the appeal under RCW 84.48.010. Notice of such a rejection, together with the reason therefor, shall be provided to the affected parties and the county board of equalization within thirty days of receipt of the direct appeal by the state board.

**Sec. 12.** RCW 84.48.065 and 1989 c 378 s 14 are each amended to read as follows:

(1) The county assessor or treasurer may cancel or correct assessments on the assessment or tax rolls which are erroneous due to manifest errors in description, double assessments, clerical errors in extending the rolls, and such manifest errors in the listing of the property which do not involve a revaluation of property, such as the assessment of property exempted by law from taxation or the failure to deduct the exemption allowed by law to the head of a family. When the county assessor cancels or corrects an assessment, the assessor shall send a notice to the taxpayer in accordance with RCW 84.40.045, advising the taxpayer that the action ((of the county assessor is not final and shall be considered by the county board of equalization, and that such notice shall constitute legal notice of such fact)) has been taken and notifying the taxpayer of the right to appeal the cancellation or correction to the county board of

equalization, in accordance with RCW 84.40.038. When the county assessor or treasurer cancels or corrects an assessment, a record of such action shall be prepared ~~((and filed with the county board of equalization))~~, setting forth therein the facts relating to the error. The record shall also set forth by legal description all property belonging exclusively to the state, any county, or any municipal corporation whose property is exempt from taxation, upon which there remains, according to the tax roll, any unpaid taxes. ~~((The county board of equalization shall consider only such matters as appear in the record filed with it by the county assessor or treasurer and shall correct only such matters as are set forth in the record, but it shall have no power to change or alter the assessment of any person, or change the aggregate value of the taxable property of the county, except insofar as it is necessary to correct the errors mentioned in this section. If the county board of equalization finds that the action of the assessor was not correct, it shall issue a supplementary roll including such corrections as are necessary, and the assessment and levy shall have the same force and effect as if made in the first instance, and the county treasurer shall proceed to collect the taxes due on the supplementary roll. The board shall make findings of the facts upon which it bases its decision on all matters submitted to it, and when so made the assessment and levy shall have the same force as if made in the first instance, and the county treasurer shall proceed to collect the taxes due on the rolls as modified.~~

Renewal applications shall be on forms prescribed and furnished by the department of revenue.

(2) A person granted an exemption under RCW 84.36.381 shall inform the county assessor of any change in status affecting the person's entitlement to the exemption on forms prescribed and furnished by the department of revenue.

(4) Beginning in 1992 and in each of the three succeeding years, the county assessor shall notify approximately one-fourth of those persons exempt from taxes under RCW 84.36.381 in the current year who have not filed a renewal application within the previous four years, of the requirement to file a renewal application.

(5) If the assessor finds that the applicant does not meet the qualifications as set forth in RCW 84.36.381, as now or hereafter amended, the claim or exemption shall be denied but such denial shall be subject to appeal under the provisions of RCW 84.48.010(5). If the applicant had received exemption in prior years based on erroneous information, the taxes shall be collected subject to penalties as provided in RCW 84.40.130 for a period of not to exceed three years.

(6) The department and each local assessor is hereby directed to publicize the qualifications and manner of making claims under RCW 84.36.381 through 84.36.389, through communications media, including such paid advertisements or notices as it deems appropriate. Notice of the qualifications, method of making applications, the penalties for not reporting a change in status, and availability of further information shall be included on or with property tax statements and revaluation notices for all residential property including mobile homes, except rental properties.

such person is under mortgage or purchase contract requiring accumulation of reserves out of which the holder of the mortgage or contract is required to pay real estate taxes, by such holder or by the owner, either before two witnesses or the county assessor or his deputy in the county where the real property is located: PROVIDED, That if a claim for exemption is made by a person living in a cooperative housing association, corporation, or partnership, such claim shall be made and signed by the person entitled to the exemption and by the authorized agent of such cooperative.

(2) If the taxpayer is unable to submit his own claim, the claim shall be submitted by a duly authorized agent or by a guardian or other person charged with the care of the person or property of such taxpayer.

(3) All claims for exemption and renewal applications shall be accompanied by such documented verification of income as shall be prescribed by rule adopted by the department of revenue.

(4) Any person signing a false claim with the intent to defraud or evade the payment of any tax shall be guilty of the offense of perjury.

~~((4))~~ (5) The tax liability of a cooperative housing association, corporation, or partnership shall be reduced by the amount of tax exemption to which a claimant residing therein is entitled and such cooperative shall reduce any amount owed by the claimant to the cooperative by such exact amount of tax exemption or, if no amount be owed, the cooperative shall make payment to the claimant of such exact amount of exemption.

~~((5))~~ (6) A remainderman or other person who would have otherwise paid the tax on real property that is the subject of an exemption granted under RCW 84.36.381 for an estate for life shall reduce the amount which would have been payable by the life tenant to the remainderman or other person to the extent of the exemption. If no amount is owed or separately stated as an obligation between these persons, the remainderman or other person shall make payment to the life tenant in the exact amount of the exemption.

## CHAPTER 209

[Substitute House Bill 2720]

### WORKERS' COMPENSATION COVERAGE FOR LONGSHORE AND HARBOR WORKERS

**Effective Date:** 4/2/92

AN ACT Relating to longshore and harbor workers' compensation act insurance; adding new sections to chapter 48.22 RCW; adding a new section to chapter 48.15 RCW; creating a new section; providing an expiration date; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

**NEW SECTION. Sec. 1.** The legislature finds and declares that the continued existence of a strong and healthy maritime industry in this state is threatened by the unavailability and excessive cost of workers' compensation coverage required by the United States longshoreman's and harbor worker's compensation act. The legislature, therefore, acting under its authority to protect industry and employment in this state hereby establishes a commission to devise and implement both a near and long-term solution to this problem, for the purpose of maintaining employment for Washington workers and a vigorous maritime industry.

**NEW SECTION. Sec. 2.** A new section is added to chapter 48.22 RCW to read as follows:

(1) Before July 1, 1992, the commissioner shall adopt rules establishing a reasonable plan to insure that workers' compensation coverage as required by the United States longshoreman's and harbor worker's compensation act, 33 U.S.C. Secs. 901 through 950, and maritime employer's liability coverage incidental to the workers' compensation coverage is available to those unable to purchase it through the normal insurance market. This plan shall require the participation of all authorized insurers writing primary and excess workers' compensation insurance or reinsurance and the Washington state industrial insurance fund as defined in RCW 51.08.175 which is authorized to participate in the plan and to make payments in support of the plan in accordance with this section. Any underwriting losses incurred by the plan shall be shared by plan participants in accordance with the following ratios: The state industrial insurance fund, fifty percent; authorized insurers writing United States longshoreman's and harbor

workers' compensation insurance, forty-eight percent; and authorized insurers writing excess workers' compensation insurance or reinsurance, two percent.

(2) The Washington state industrial insurance fund shall obtain or provide coverage for the plan created under subsection (1) of this section on an excess of loss basis that would cover plan losses exceeding the net earned and retained premiums written including investment income of the plan as negotiated between the state fund and the plan. If such coverage is not provided by July 1, 1992, or if the commissioner determines that the premium to be charged for such coverage would result in unaffordable rates for coverage provided by the plan, the industrial insurance fund shall be relieved of responsibility for obtaining or providing excess of loss coverage. In considering whether excess of loss coverage premiums would result in unaffordable rates for workers' compensation coverage provided by the plan, the commissioner shall compare the resulting plan rates to those provided under any similar pool or plan of other states in existence prior to July 1, 1992.

(3) An applicant for plan insurance, a person insured under the plan, or an insurer, affected by a ruling or decision of the manager or committee designated to operate the plan may appeal to the commissioner for resolution of a dispute. In adopting rules under this section, the commissioner shall require that the plan use generally accepted actuarial principles for rate making.

**NEW SECTION.** Sec. 3. A new section is added to chapter 48.22 RCW to read as follows:

Before April 15, 1992, the commissioner shall appoint a committee to provide assistance in drafting the rules required by section 2 of this act. After July 1, 1992, the committee shall assist the commissioner in overseeing the operation of the plan. The committee shall consist of at least eight members. The commissioner and the director of the department of labor and industries shall be members. The remaining members shall be selected to insure equal representation of authorized insurers writing primary or excess workers' compensation insurance, insurance producers, organized labor, and maritime employers.

**NEW SECTION.** Sec. 4. A new section is added to chapter 48.22 RCW to read as follows:

The committee appointed pursuant to section 3 of this act shall submit a report to the legislature no later than January 1, 1993, that examines all aspects of the United States longshoreman's and harbor worker's act, 22 U.S.C. Secs. 901 through 950, coverage, and incidental maritime liability coverage, as it applies to Washington workers and employers. This study shall include but not be limited to the ability of private insurers to provide affordable coverage to eligible employers; whether the Washington state industrial insurance fund should participate in the plan adopted pursuant to section 2 of this act; whether there are methods that will satisfy the intent of chapter ..., Laws of 1992 (this act) that will not involve the Washington state industrial insurance fund; and the feasibility of

requiring that this coverage be made directly available through the Washington state industrial insurance fund.

**\*NEW SECTION.** *Sec. 5. A new section is added to chapter 48.15 RCW to read as follows:*

*An unauthorized insurer shall not solicit or provide federally required longshore and harbor workers' insurance on subjects located, resident, or to be performed within the state.*

\*Sec. 5 was vetoed, see message at end of chapter.

**NEW SECTION.** **Sec. 6.** This act shall expire on July 1, 1993.

**NEW SECTION.** **Sec. 7.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

Passed the House March 12, 1992.

Passed the Senate March 12, 1992.

Approved by the Governor April 2, 1992, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State April 2, 1992.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 5, Substitute House Bill No. 2720 entitled:

"AN ACT Relating to longshore and harbor workers' compensation act insurance."

The purpose of Substitute House Bill No. 2720 is to create a temporary insurance plan so that workers' compensation coverage, as required by the United States Longshoremen's and Harbor Worker's Compensation Act, is available in our state.

Section 5 would close the Washington market to all but certain insurers. If this section were to become law, it would further limit the availability of insurance, and it could limit the availability of reinsurance. Section 5 could also lead to reciprocal actions by other states against Washington insurers and could violate federal statutes preempting state authority in this area. Section 5 would be subject to likely court challenge and could place the temporary plan in jeopardy.

While I am supportive of the need to retain the viability of our longshore and harbor workers' insurance, I believe this legislation is a poor solution to the potential loss of United States Longshoreman's and Harbor Worker's Compensation Act coverage. The involvement of the state workers' compensation fund is inappropriately designed.

However, I must sign the remainder of the bill into law since this is the only solution now certain to provide the necessary workers' compensation coverage to our maritime industry. During the next year, a better solution needs to be found before the temporary plan expires.

For these reasons, I have vetoed section 5 of Substitute House Bill No. 2720.

With the exception of section 5, Substitute House Bill No. 2720 is approved."

(2) In consideration of the constitutional right to counsel afforded by the Fifth and Sixth amendments to the United States Constitution and Article 1,

Section 22 of the Constitution of Washington, an additional proof requirement is imposed when a case involves a licensed attorney who accepts a fee for representing a client in an actual criminal investigation or proceeding. In these situations, the prosecution is required to prove that the attorney accepted proceeds of specified unlawful activity with intent:

**NEW SECTION.** Sec. 3. (1) Proceeds traceable to or derived from specified unlawful activity or a violation of section 2 of this act are subject to seizure and forfeiture. The attorney general or county prosecuting attorney may file a civil action for the forfeiture of proceeds. Unless otherwise provided for under this section, no property rights exist in these proceeds. All right, title, and interest in the proceeds shall vest in the governmental entity of which the seizing law enforcement agency is a part upon commission of the act or omission giving rise to forfeiture under this section.

Real property seized under this section may be transferred or conveyed to any person or entity who acquires title by foreclosure or deed in lieu of foreclosure

of a security interest. Seizure of personal property without process may be made if:

(a) The seizure is incident to an arrest or a search under a search warrant or an inspection under an administrative inspection warrant issued pursuant to RCW 69.50.502; or

(b) The property subject to seizure has been the subject of a prior judgment in favor of the state in a criminal injunction or forfeiture proceeding based upon this chapter.

(3) A seizure under subsection (2) of this section commences proceedings for forfeiture. The law enforcement agency under whose authority the seizure was made shall cause notice of the seizure and intended forfeiture of the seized proceeds to be served within fifteen days after the seizure on the owner of the property seized and the person in charge thereof and any person who has a known right or interest therein, including a community property interest. Service of notice of seizure of real property shall be made according to the rules of civil procedure. However, the state may not obtain a default judgment with respect to real property against a party who is served by substituted service absent an affidavit stating that a good faith effort has been made to ascertain if the defaulted party is incarcerated within the state, and that there is no present basis to believe that the party is incarcerated within the state. The notice of seizure in other cases may be served by any method authorized by law or court rule including but not limited to service by certified mail with return receipt requested. Service by mail is complete upon mailing within the fifteen-day period after the seizure.

(4) If no person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of the property within forty-five days of the seizure in the case of personal property and ninety days in the case of real property, the property seized shall be deemed forfeited. The community property interest in real property of a person whose spouse committed a violation giving rise to seizure of the real property may not be forfeited if the person did not participate in the violation.

(5) If a person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of property within forty-five days of the seizure in the case of personal property and ninety days in the case of real property, the person or persons shall be afforded a reasonable opportunity to be heard as to the claim or right. The provisions of RCW 69.50.505(e) shall apply to any such hearing. The seizing law enforcement agency shall promptly return property to the claimant upon the direction of the administrative law judge or court.

(6) Disposition of forfeited property shall be made in the manner provided for in RCW 69.50.505(g) through (i) and (m).

**NEW SECTION. Sec. 4.** No liability is imposed by this chapter upon any authorized state, county, or municipal officer engaged in the lawful

performance of his duties, or upon any person who reasonably believes that he is acting at the direction of such officer and that the officer is acting in the lawful performance of his duties.

(b) Real or personal property subject to forfeiture under this chapter may be seized by any board inspector or law enforcement officer of this state upon process issued by any superior court having jurisdiction over the property. Seizure of real property shall include the filing of a lis pendens by the seizing agency. Real property seized under this section shall not be transferred or otherwise conveyed until ninety days after seizure or until a judgment of forfeiture is entered, whichever is later: PROVIDED, That real property seized under this section may be transferred or conveyed to any person or entity who acquires title by foreclosure or deed in lieu of foreclosure of a security interest. Seizure of personal property without process may be made if:

(1) The seizure is incident to an arrest or a search under a search warrant or an inspection under an administrative inspection warrant;

(2) The property subject to seizure has been the subject of a prior judgment in favor of the state in a criminal injunction or forfeiture proceeding based upon this chapter;

(3) A board inspector or law enforcement officer has probable cause to believe that the property is directly or indirectly dangerous to health or safety; or

Service of notice of seizure of real property shall be made according to the rules of civil procedure. However, the state may not obtain a default judgment with respect to real property against a party who is served by substituted service absent an affidavit stating that a good faith effort has been made to ascertain if the defaulted party is incarcerated within the state, and that there is no present basis to believe that the party is incarcerated within the state. The notice of seizure in other cases may be served by any method authorized by law or court rule including but not limited to service by certified mail with return receipt requested. Service by mail shall be deemed complete upon mailing within the fifteen day period following the seizure.

(d) If no person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of items specified in subsection (a)(4), (a)(7), or (a)(8) of this section within forty-five days of the seizure in the case of personal property and ninety days in the case of real property, the item seized shall be deemed forfeited. The community property interest in real property of a person whose spouse committed a violation giving rise to seizure of the real property may not be forfeited if the person did not participate in the violation.

(e) If any person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of items specified in subsection (a)(2), (a)(3), (a)(4), (a)(5), (a)(6), (a)(7), or (a)(8) of this section within forty-five days of the seizure in the case of personal property and ninety days in the case of real property, the person or persons shall be afforded a reasonable opportunity to be heard as to the claim or right. The hearing shall be before the chief law enforcement officer of the seizing agency or the chief law enforcement officer's designee, except where the seizing agency is a state agency as defined in RCW 34.12.020(4), the hearing shall be before the chief law enforcement officer of the seizing agency or an administrative law judge appointed under chapter 34.12 RCW, except that any person asserting a claim or right may remove the matter to a court of competent jurisdiction if the aggregate value of the article or articles involved is more than five hundred dollars. The court to which the matter is to be removed shall be the district court when ~~((such))~~ the aggregate value ~~((is ten thousand dollars or less))~~ of personal property is within the jurisdictional limit set forth in RCW 3.66.020. A hearing before the seizing agency and any appeal therefrom shall be under Title 34 RCW. In a court hearing between two or more claimants to the article or articles involved, the prevailing party shall be entitled to a judgment for costs and reasonable attorney's fees. In cases involving personal property, the burden of producing evidence shall be upon the person claiming to be the lawful owner or the person claiming to have the lawful right to possession of the property. In cases involving real property, the burden of producing evidence shall be upon the law enforcement agency. The burden of proof that the seized real property is subject to forfeiture shall be upon the law enforcement agency. The seizing law enforcement agency shall promptly return the article or articles to the claimant upon a determination by the administrative law judge or court that the claimant is the present lawful owner or is lawfully entitled to possession thereof of items specified in subsection (a)(2), (a)(3), (a)(4), (a)(5), (a)(6), (a)(7), or (a)(8) of this section.

(f) When property is forfeited under this chapter the board or seizing law enforcement agency may:

(1) Retain it for official use or upon application by any law enforcement agency of this state release such property to such agency for the exclusive use of enforcing the provisions of this chapter;

(2) ~~((i))~~ Sell that which is not required to be destroyed by law and which is not harmful to the public ~~((--The proceeds and all moneys forfeited under this title shall be used for payment of all proper expenses of the investigation leading to the seizure, including any money delivered to the subject of the investigation by the law enforcement agency, and of the proceedings for forfeiture and sale, including expenses of seizure, maintenance of custody, advertising, actual costs of the prosecuting or city attorney, and court costs. Money remaining after the payment of all expenses shall be distributed as follows:~~

~~(A) Twenty five percent of the money derived from the forfeiture of real property and seventy five percent of the money derived from the forfeiture of personal property shall be deposited in the general fund of the state, county, and/or city of the seizing law enforcement agency and shall be used exclusively for the expansion or improvement of law enforcement services. These services may include the creation of reward funds for the purpose of rewarding informants who supply information leading to the arrest, prosecution and conviction of persons who violate laws relating to controlled substances. Such moneys shall not supplant preexisting funding sources;~~

~~(B) Twenty five percent of money derived from the forfeiture of real property and twenty five percent of money derived from the forfeiture of personal property shall be remitted to the state treasurer for deposit in the public safety and education account established in RCW 43.08.250;~~

~~(C) Until July 1, 1995, fifty percent of money derived from the forfeiture of real property shall be remitted to the state treasurer for deposit in the drug enforcement and education account under RCW 69.50.520, on and after July 1, 1995, the fifty percent of the money shall be remitted in the same manner as the twenty five percent of the money remitted under (2)(i)(A) of this subsection; and~~

~~(D) If an investigation involves a seizure of moneys and proceeds having an aggregate value of less than five thousand dollars, the moneys and proceeds may be deposited in total in the general fund of the governmental unit of the seizing law enforcement agency and shall be appropriated exclusively for the expansion of narcotics enforcement services. Such moneys shall not supplant preexisting funding sources.~~

~~(ii) Money deposited according to this section must be deposited within ninety days of the date of final disposition of either the administrative seizure or the judicial seizure));~~

(3) Request the appropriate sheriff or director of public safety to take custody of the property and remove it for disposition in accordance with law; or

(4) Forward it to the drug enforcement administration for disposition.

(g)(1) When property is forfeited, the seizing agency shall keep a record indicating the identity of the prior owner, if known, a description of the property, the disposition of the property, the value of the property at the time of seizure, and the amount of proceeds realized from disposition of the property.

(2) Each seizing agency shall retain records of forfeited property for at least seven years.

(3) Each seizing agency shall file a report including a copy of the records of forfeited property with the state treasurer each calendar quarter.

(4) The quarterly report need not include a record of forfeited property that is still being held for use as evidence during the investigation or prosecution of a case or during the appeal from a conviction.

(h)(1) By January 31st of each year, each seizing agency shall remit to the state treasurer an amount equal to ten percent of the net proceeds of any property forfeited during the preceding calendar year. Money remitted shall be deposited in the drug enforcement and education account under RCW 69.50.520.

(2) The net proceeds of forfeited property is the value of the forfeitable interest in the property after deducting the cost of satisfying any bona fide security interest to which the property is subject at the time of seizure, and in the case of sold property, after deducting the cost of sale, including reasonable fees or commissions paid to independent selling agents.

(3) The value of sold forfeited property is the sale price. The value of retained forfeited property is the fair market value of the property at the time of seizure, determined when possible by reference to an applicable commonly used index, such as the index used by the department of licensing for valuation of motor vehicles. A seizing agency may use, but need not use, an independent qualified appraiser to determine the value of retained property. If an appraiser is used, the value of the property appraised is net of the cost of the appraisal. The value of destroyed property and retained firearms or illegal property is zero.

(i) Forfeited property and net proceeds not required to be paid to the state treasurer shall be retained by the seizing law enforcement agency exclusively for the expansion and improvement of controlled substances related law enforcement activity. Money retained under this section may not be used to supplant pre-existing funding sources.

(j) Controlled substances listed in Schedule I, II, III, IV, and V that are possessed, transferred, sold, or offered for sale in violation of this chapter are contraband and shall be seized and summarily forfeited to the state. Controlled substances listed in Schedule I, II, III, IV, and V, which are seized or come into the possession of the board, the owners of which are unknown, are contraband and shall be summarily forfeited to the board.

~~((h))~~ (k) Species of plants from which controlled substances in Schedules I and II may be derived which have been planted or cultivated in violation of this chapter, or of which the owners or cultivators are unknown, or which are wild growths, may be seized and summarily forfeited to the board.

~~((i))~~ (l) The failure, upon demand by a board inspector or law enforcement officer, of the person in occupancy or in control of land or premises upon which the species of plants are growing or being stored to produce an appropriate

registration or proof that he is the holder thereof constitutes authority for the seizure and forfeiture of the plants.

((j)) (m) Upon the entry of an order of forfeiture of real property, the court shall forward a copy of the order to the assessor of the county in which the property is located. Orders for the forfeiture of real property shall be entered by the superior court, subject to court rules. Such an order shall be filed by the seizing agency in the county auditor's records in the county in which the real property is located.

(2) The property subject to seizure has been the subject of a prior judgment in favor of the state in a criminal injunction or forfeiture proceeding based upon this chapter;

(3) A board inspector or law enforcement officer has probable cause to believe that the property is directly or indirectly dangerous to health or safety; or

(4) The board inspector or law enforcement officer has probable cause to believe that the property was used or is intended to be used in violation of this chapter.

(c) In the event of seizure pursuant to subsection (b), proceedings for forfeiture shall be deemed commenced by the seizure. The law enforcement agency under whose authority the seizure was made shall cause notice to be served within fifteen days following the seizure on the owner of the property seized and the person in charge thereof and any person having any known right or interest therein, including any community property interest, of the seizure and intended forfeiture of the seized property. Service of notice of seizure of real property shall be made according to the rules of civil procedure. However, the state may not obtain a default judgment with respect to real property against a party who is served by substituted service absent an affidavit stating that a good faith effort has been made to ascertain if the defaulted party is incarcerated within the state, and that there is no present basis to believe that the party is incarcerated within the state. The notice of seizure in other cases may be served by any method authorized by law or court rule including but not limited to

service by certified mail with return receipt requested. Service by mail shall be deemed complete upon mailing within the fifteen day period following the seizure.

(d) If any person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of items specified in subsection (a)(4), (a)(7), or (a)(8) of this section within forty-five days of the seizure in the case of personal property and ninety days in the case of real property, the item seized shall be deemed forfeited. The community property interest in real property of a person whose spouse committed a violation giving rise to seizure of the real property may not be forfeited if the person did not participate in the violation.

(e) If any person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of items specified in subsection (a)(2), (a)(3), (a)(4), (a)(5), (a)(6), (a)(7), or (a)(8) of this section within forty-five days of the seizure in the case of personal property and ninety days in the case of real property, the person or persons shall be afforded a reasonable opportunity to be heard as to the claim or right. The hearing shall be before the chief law enforcement officer of the seizing agency or the chief law enforcement officer's designee, except where the seizing agency is a state agency as defined in RCW 34.12.020(4), the hearing shall be before the chief law enforcement officer of the seizing agency or an administrative law judge appointed under chapter 34.12 RCW, except that any person asserting a claim or right may remove the matter to a court of competent jurisdiction if the aggregate value of the article or articles involved is more than five hundred dollars. The court to which the matter is to be removed shall be the district court when ~~((such))~~ the aggregate value ((is ten thousand dollars or less)) of personal property is within the jurisdictional limit set forth in RCW 3.66.020. A hearing before the seizing agency and any appeal therefrom shall be under Title 34 RCW. In a court hearing between two or more claimants to the article or articles involved, the prevailing party shall be entitled to a judgment for costs and reasonable attorney's fees. In cases involving personal property, the burden of producing evidence shall be upon the person claiming to be the lawful owner or the person claiming to have the lawful right to possession of the property. In cases involving real property, the burden of producing evidence shall be upon the law enforcement agency. The burden of proof that the seized real property is subject to forfeiture shall be upon the law enforcement agency. The seizing law enforcement agency shall promptly return the article or articles to the claimant upon a determination by the administrative law judge or court that the claimant is the present lawful owner or is lawfully entitled to possession thereof of items specified in subsection (a)(2), (a)(3), (a)(4), (a)(5), (a)(6), (a)(7), or (a)(8) of this section.

(f) When property is forfeited under this chapter the board or seizing law enforcement agency may:

(1) Retain it for official use or upon application by any law enforcement agency of this state release such property to such agency for the exclusive use of enforcing the provisions of this chapter;

(2) ~~((h)) Sell that which is not required to be destroyed by law and which is not harmful to the public(~~—The proceeds and all moneys forfeited under this title shall be used for payment of all proper expenses of the investigation leading to the seizure, including any money delivered to the subject of the investigation by the law enforcement agency, and of the proceedings for forfeiture and sale, including expenses of seizure, maintenance of custody, advertising, actual costs of the prosecuting or city attorney, and court costs. Money remaining after the payment of all expenses shall be distributed as follows:~~~~

~~(A) Twenty five percent of the money derived from the forfeiture of real property and seventy five percent of the money derived from the forfeiture of personal property shall be deposited in the general fund of the state, county, and/or city of the seizing law enforcement agency and shall be used exclusively for the expansion or improvement of law enforcement services. These services may include the creation of reward funds for the purpose of rewarding informants who supply information leading to the arrest, prosecution and conviction of persons who violate laws relating to controlled substances. Such moneys shall not supplant preexisting funding sources;~~

~~(B) Twenty five percent of money derived from the forfeiture of real property and twenty five percent of money derived from the forfeiture of personal property shall be remitted to the state treasurer for deposit in the public safety and education account established in RCW 43.08.250;~~

~~(C) Until July 1, 1995, fifty percent of money derived from the forfeiture of real property shall be remitted to the state treasurer for deposit in the drug enforcement and education account under RCW 69.50.520, on and after July 1, 1995, the fifty percent of the money shall be remitted in the same manner as the twenty five percent of the money remitted under (2)(i)(A) of this subsection; and~~

~~(D) If an investigation involves a seizure of moneys and proceeds having an aggregate value of less than five thousand dollars, the moneys and proceeds may be deposited in total in the general fund of the governmental unit of the seizing law enforcement agency and shall be appropriated exclusively for the expansion of narcotics enforcement services. Such moneys shall not supplant preexisting funding sources.~~

~~(ii) Money deposited according to this section must be deposited within ninety days of the date of final disposition of either the administrative seizure or the judicial seizure);~~

(3) Request the appropriate sheriff or director of public safety to take custody of the property and remove it for disposition in accordance with law; or

(4) Forward it to the drug enforcement administration for disposition.

(g)(1) When property is forfeited, the seizing agency shall keep a record indicating the identity of the prior owner, if known, a description of the property,

the disposition of the property, the value of the property at the time of seizure, and the amount of proceeds realized from disposition of the property.

(2) Each seizing agency shall retain records of forfeited property for at least seven years.

(3) Each seizing agency shall file a report including a copy of the records of forfeited property with the state treasurer each calendar quarter.

(4) The quarterly report need not include a record of forfeited property that is still being held for use as evidence during the investigation or prosecution of a case or during the appeal from a conviction.

(h)(1) By January 31st of each year, each seizing agency shall remit to the state treasurer an amount equal to ten percent of the net proceeds of any property forfeited during the preceding calendar year. Money remitted shall be deposited in the drug enforcement and education account under RCW 69.50.520.

(2) The net proceeds of forfeited property is the value of the forfeitable interest in the property after deducting the cost of satisfying any bona fide security interest to which the property is subject at the time of seizure; and in the case of sold property, after deducting the cost of sale, including reasonable fees or commissions paid to independent selling agents, and the cost of any valid landlord's claim for damages under subsection (n) of this section.

(3) The value of sold forfeited property is the sale price. The value of retained forfeited property is the fair market value of the property at the time of seizure, determined when possible by reference to an applicable commonly used index, such as the index used by the department of licensing for valuation of motor vehicles. A seizing agency may use, but need not use, an independent qualified appraiser to determine the value of retained property. If an appraiser is used, the value of the property appraised is net of the cost of the appraisal. The value of destroyed property and retained firearms or illegal property is zero.

(i) Forfeited property and net proceeds not required to be paid to the state treasurer shall be retained by the seizing law enforcement agency exclusively for the expansion and improvement of controlled substances related law enforcement activity. Money retained under this section may not be used to supplant pre-existing funding sources.

(j) Controlled substances listed in Schedule I, II, III, IV, and V that are possessed, transferred, sold, or offered for sale in violation of this chapter are contraband and shall be seized and summarily forfeited to the state. Controlled substances listed in Schedule I, II, III, IV, and V, which are seized or come into the possession of the board, the owners of which are unknown, are contraband and shall be summarily forfeited to the board.

~~((h))~~ (k) Species of plants from which controlled substances in Schedules I and II may be derived which have been planted or cultivated in violation of this chapter, or of which the owners or cultivators are unknown, or which are wild growths, may be seized and summarily forfeited to the board.

~~((f))~~ (l) The failure, upon demand by a board inspector or law enforcement officer, of the person in occupancy or in control of land or premises upon which the species of plants are growing or being stored to produce an appropriate registration or proof that he is the holder thereof constitutes authority for the seizure and forfeiture of the plants.

~~((g))~~ (m) Upon the entry of an order of forfeiture of real property, the court shall forward a copy of the order to the assessor of the county in which the property is located. Orders for the forfeiture of real property shall be entered by the superior court, subject to court rules. Such an order shall be filed by the seizing agency in the county auditor's records in the county in which the real property is located.

(n) A landlord may assert a claim against proceeds from the sale of assets seized and forfeited under subsection (f)(2) of this section, only if:

(1) A law enforcement officer, while acting in his or her official capacity, directly caused damage to the complaining landlord's property while executing a search of a tenant's residence; and

(2) The landlord has applied any funds remaining in the tenant's deposit, to which the landlord has a right under chapter 59.18 RCW, to cover the damage directly caused by a law enforcement officer prior to asserting a claim under the provisions of this section;

(i) Only if the funds applied under (2) of this subsection are insufficient to satisfy the damage directly caused by a law enforcement officer, may the landlord seek compensation for the damage by filing a claim against the governmental entity under whose authority the law enforcement agency operates within thirty days after the search;

(ii) Only if the governmental entity denies or fails to respond to the landlord's claim within sixty days of the date of filing, may the landlord collect damages under this subsection by filing within thirty days of denial or the expiration of the sixty-day period, whichever occurs first, a claim with the seizing law enforcement agency. The seizing law enforcement agency must notify the landlord of the status of the claim by the end of the thirty-day period. Nothing in this section requires the claim to be paid by the end of the sixty-day or thirty-day period.

(3) For any claim filed under (2) of this subsection, the law enforcement agency shall pay the claim unless the agency provides substantial proof that the landlord either:

(i) Knew or consented to actions of the tenant in violation of this chapter or chapter 69.41 or 69.52 RCW; or

(ii) Failed to respond to a notification of the illegal activity, provided by a law enforcement agency under RCW 59.18.075, within seven days of receipt of notification of the illegal activity.

(o) The landlord's claim for damages under subsection (n) of this section may not include a claim for loss of business and is limited to:

- (1) Damage to tangible property and clean-up costs;  
(2) The lesser of the cost of repair or fair market value of the damage directly caused by a law enforcement officer;  
(3) The proceeds from the sale of the specific tenant's property seized and forfeited under subsection (f)(2) of this section; and  
(4) The proceeds available after the seizing law enforcement agency satisfies any bona fide security interest in the tenant's property and costs related to sale of the tenant's property as provided by subsection (h)(2) of this section.
- (p) Subsections (n) and (o) of this section do not limit any other rights a landlord may have against a tenant to collect for damages. However, if a law enforcement agency satisfies a landlord's claim under subsection (n) of this section, the rights the landlord has against the tenant for damages directly caused by a law enforcement officer under the terms of the landlord and tenant's contract are subrogated to the law enforcement agency.

(1) The employees' savings fund shall be the fund in which shall be accumulated the contributions from the compensation of public employees' retirement system members. The director shall provide for the maintenance of an individual account for each member of the public employees' retirement system showing the amount of the member's contributions together with interest accumulations thereon. The contributions of a member returned to the former employee upon the individual's withdrawal from service, or paid in event of the employee's or former employee's death, as provided in chapter 41.40 RCW, shall be paid from the employees' savings fund. The accumulated contributions of a member, upon the commencement of the individual's retirement, shall be transferred from the employees' savings fund to the benefit account fund.

(2) The benefit account fund shall be the fund in which shall be accumulated the reserves for the payment of all public employees' retirement system retirement allowances and death benefits, if any, in respect of any beneficiary. At the time a recipient of a retirement allowance again becomes a member of the public employees' retirement system, the department shall transfer from the benefit account fund to the employees' savings fund and credit to the individual account of such a member a sum equal to the excess, if any, of the individual's account at the date of the member's retirement over any service retirement allowance received since that date.

~~(((3) A public employees' income fund is hereby created for the purpose of crediting interest on the amounts in the various other public employees' retirement system funds with the exception of the department of retirement systems expense fund, and to provide a contingent fund out of which special requirements of any of the other such funds may be covered. The director shall~~

~~determine when a distribution of interest and other earnings of the public employees' retirement system shall take place. The amounts to be credited and the methods for distribution to each of the funds enumerated in subsections (1) and (2) of this section and for special requirements previously mentioned in this subsection shall be at the director's discretion.~~

~~All accumulated contributions standing to the account of a terminated member of the public employees' retirement system except as provided in RCW 41.40.150(4), 41.40.170, 41.40.710, and 41.40.720 shall be transferred from the employees' savings fund to the public employees' income fund. If the former employee, the former employee's beneficiary, or the former employee's estate at a future date requests the unclaimed contributions or reinstatement of the rights previously provided thereunder, the former employee's contributions shall be transferred from the public employees' income fund to the savings fund and the former employee's account reestablished with all the rights which would have been due the former employee, the former employee's beneficiary, or the former employee's estate as if in fact the transfer to the public employees' income fund had not occurred. All income, interest, and dividends derived from the deposits and investments authorized by chapter 41.40 RCW shall be paid into the public employees' income fund with the exception of interest derived from sums deposited in the department of retirement systems expense fund. The director on behalf of the retirement system is hereby authorized to accept gifts and bequests. Any funds that may come into the possession of the public employees' retirement system in such manner, or any funds which may be transferred from the employees' savings fund by reason of lack of claimant, or because of a surplus in any fund created by chapter 41.40 RCW, or any other moneys the disposition of which is not otherwise provided for, shall be credited to the public employees' income fund.))~~

**Sec. 12.** RCW 41.33.020 and 1973 1st ex.s. c 154 s 77 are each amended to read as follows:

The terms and provisions of the plan are as follows:

(1) Each political subdivision of the state employing members of the teachers' retirement system and the members of the teachers' retirement system, after the approval of this plan by the legislature, and by the eligible employees through a referendum as provided in RCW 41.48.030 (3) and (4), shall be deemed to have accepted and agreed to be bound by the following terms and conditions in consideration of extension of the existing agreement between the secretary of health, education and welfare and the governor to make the protection of the federal old age and survivors insurance program available and applicable to such employees.

(2) As used in this plan the terms quoted below shall have the meanings assigned thereto in this section.

"Political subdivision" means any political subdivision, or instrumentality of one or more subdivisions, or proprietary enterprise acquired, purchased or

originated by one or more such subdivisions after December, 1950, which employs members of the teachers' retirement system. The state, its agencies, instrumentalities and institutions of higher learning shall be grouped and considered as a single political subdivision.

"Employee" means any person who is a member of the teachers' retirement system and is employed by a political subdivision.

"Wages" shall have the meaning given in RCW 41.48.020(1) and section 209 of the social security act (42 U.S.C.A. Sec. 409).

"State" where not otherwise clearly indicated by the context, means the commissioner of employment security or other officer designated by the governor to administer the plan at the state level for all participating political subdivisions.

(3) The terms and conditions of this plan are intended and shall be construed to be in conformity with the requirements of the federal social security act as amended and with the requirements of chapter 41.48 RCW, and particularly RCW 41.48.050, as amended by chapter 4, Laws of 1955 extraordinary session.

(4) The rights and benefits accruing to employees from membership in the teachers' retirement system shall in no way be altered or impaired by this plan or by the additional and supplementary OASI coverage which such employees may receive hereunder, other than the elimination of (1), (2) and (3) of section 52, chapter 80, Laws of 1947 and RCW 41.32.520 as each are amended, with the exception of that part of (1) which permits a widow or widower without a child or children under age eighteen to receive a monthly payment of fifty dollars at age fifty, provided that the member had fifteen or more years of Washington membership service credit at date of death.

(5) There shall be no additional cost to or involvement of the state or a political subdivision with respect to OASI coverage of members of the teachers' retirement system until this plan has been approved by the legislature.

(6) Each employee to whom OASI coverage is made applicable under this plan pursuant to an extension or modification under RCW 41.48.030 of the existing agreement between the secretary of health, education and welfare and the governor shall be required to pay into the OASI contribution fund established by RCW 41.48.060 during the period of such coverage contributions with respect to his wages in an amount equal to the employee tax imposed by the federal insurance contributions act (section 3101, Internal Revenue Code of 1954), in consideration of the employee's retention in service by the political subdivision. The subdivision shall withhold such contributions from the wages paid to the employee; and shall remit the contributions so withheld in each calendar quarter to the state for deposit in the contribution fund not later than the twentieth calendar day of the month following that quarter.

(7) Each political subdivision shall pay into the contribution fund with respect to the wages of its employees during the period of their OASI coverage pursuant to this plan contributions in an amount equal to the employer tax imposed by the federal insurance contributions act (section 3111, Internal

Revenue Code of 1954), from the fund of the subdivision from which such employees' wages are paid. The subdivision shall remit such contributions to the state for deposit in the contribution fund on a quarterly basis, not later than the twentieth calendar day of the month following each calendar quarter.

(8) If any political subdivision other than that comprising the state, its agencies, instrumentalities and institutions of higher learning fails to remit as provided herein employer contributions or employee contributions, or any part of either, such delinquent contributions may be recovered with interest at the rate of six percent per annum by action in a court of competent jurisdiction against the political subdivision; or such delinquent contributions may at the request of the governor be deducted from any moneys payable to such subdivision by the state.

(9) Each political subdivision shall be charged with a share of the cost of administration of this plan by the state, to be computed as that proportion of the overall cost of administration which its total annual contributions bear to the total annual contributions paid by all subdivisions on behalf of employees covered by the plan. The state shall compute the share of cost allocable to each subdivision and bill the subdivision therefor at the end of each fiscal year. The subdivision shall within ninety days thereafter remit its share of the cost to the state for deposit in the general fund of the state.

(10) Each political subdivision shall submit to the state, through the employment security department, P.O. Box 367, Olympia, Washington, or such other officer or agency as the governor may subsequently designate, on forms furnished by the state, not later than the twentieth calendar day of the month following the end of each calendar quarter, the following information:

- A. The social security account number of each employee;
- B. the name of each employee;
- C. the amount of wages subject to contributions as required hereunder paid to each employee during the quarter;
- D. the total amount of wages subject to contributions paid to all employees during the quarter;
- E. the total amount of employee contributions withheld and remitted for the quarter; and
- F. the total amount of employer contributions paid by the subdivision for the quarter.

(11) Each political subdivision shall furnish in the same manner as provided in subsection (10) of this section, upon reasonable notice, such other and further reports or information as the governor may from time to time require. Each subdivision shall comply with such requirements as the secretary of health, education and welfare or the governor may from time to time establish with respect to any or all of the reports or information which are or may be provided for under subsection (10) of this section or this subsection in order to assure the correctness and verification thereof.

(12) The governing body of each political subdivision shall designate an officer of the subdivision to administer such accounting, reporting and other functions as will be required for the effective operation of this plan within the subdivision, as provided herein. The commissioner of employment security or such other officer as the governor may designate, shall perform or supervise those functions with respect to employees of the subdivision comprising the state, its agencies, instrumentalities and institutions of higher learning; and shall serve as the representative of the participating political subdivisions in the administration of this plan with the secretary of health, education and welfare.

(13) The legislature shall designate the first day of any month beginning with January, 1956, as the effective date of OASI coverage for such employees, except that after January 1, 1958, the effective date may not be prior to the first day of the current year.

The employer's contribution for any retroactive coverage shall be transferred by the board of trustees from the teachers' retirement pension reserve ((fund)) to the official designated by the governor to administer the plan at the state level.

Each employee's contributions for any retroactive coverage shall be transferred by the board of trustees from his accumulated contributions in the teachers' retirement fund, to the official designated above. Each employee, if he so desires, may, within one year from the date of transfer, reimburse his accumulated contributions for the amount so transferred.

(14) The governor may terminate the operation of this plan in its entirety with respect to any political subdivision, in his discretion, if he finds that the subdivision has failed to comply substantially with any requirement or provision of this plan. The plan shall not be so terminated until reasonable notice and opportunity for hearing thereon have been given to the subdivision under such conditions, consistent with the provisions of the social security act, as shall have been established in regulations by the governor.

(2) No out-of-state service credit shall be established or reestablished subsequent to July 1, 1964, except that a member who has been granted official leave of absence by his or her employer may, upon return to public school service in this state, establish out-of-state membership service credit, within the limitations of this section and conditioned upon satisfactory proof and upon contributions to the ~~((annuity fund))~~ member reserve, for public school service rendered in another state or in another country.

(3) No member who establishes out-of-state service credit after July 1, 1947, shall at retirement for pension payment purposes be allowed credit for out-of-state service in excess of the number of years credit which he or she shall have earned in the public schools of the state of Washington.

(3) The department shall charge interest prospectively on employee contributions that are submitted under this section more than six months after the end of the school year, as defined in RCW 28A.150.040, for which the substitute teacher is seeking service credit. The interest rate charged to the employee shall take into account interest lost on employer contributions delayed for more than six months after the end of the school year.

(4) Each employer shall quarterly notify each substitute teacher it has employed during the school year of the number of hours worked by, and the compensation paid to, the substitute teacher.

(2) In order to ensure that the benefit provided by this section is not used to unfairly inflate a member's retirement allowance, the department shall adopt rules having the force of law to govern the application of this section.

(3)(a) In adopting rules which apply to a member employed by a school district, the department may consult the district's salary schedule and related workload provisions, if any, adopted pursuant to RCW 28A.405.200. ### HOMES FOR THE AGING—PROPERTY TAX EXEMPTION ELIGIBILITY

Effective Date: 6/11/92

AN ACT Relating to property tax exempt eligibility status for nonprofit homes for the aging; amending RCW 84.36.041; and creating new sections.

Be it enacted by the Legislature of the State of Washington:

**Sec. 1.** RCW 84.36.041 and 1991 sp.s. c 24 s 1 are each amended to read as follows:

(1) All real and personal property used by a nonprofit home for the aging that is reasonably necessary for the purposes of the home is exempt from taxation if the benefit of the exemption inures to the home and:

(a) At least fifty percent of the occupied dwelling units in the home are occupied by eligible residents; or

(b) The home is subsidized under a federal department of housing and urban development program. The department of revenue shall provide by rule a definition of homes eligible for exemption under this subsection (b), consistent with the purposes of this section.

(2) A home for the aging is eligible for a partial exemption if the home does not meet the requirements of subsection (1) of this section because fewer than fifty percent of the occupied dwelling units are occupied by eligible residents. The amount of exemption shall be calculated by multiplying the assessed value of the property reasonably necessary for the purposes of the home by a fraction. The numerator of the fraction is the number of dwelling units occupied by eligible persons multiplied by two. The denominator of the fraction is the total number of occupied dwelling units. The fraction shall never exceed one.

(3) To be exempt under this section, the property must be used exclusively for the purposes for which the exemption is granted, except as provided in RCW 84.36.805.

(4) A home for the aging is exempt from taxation only if the organization operating the home is exempt from income tax under section 501(c) of the federal internal revenue code as existing on January 1, 1989, or such subsequent

date as the director may provide by rule consistent with the purposes of this section.

(5) Each eligible resident of a home for the aging shall submit the form required under RCW 84.36.385 to the county assessor by July 1st of the assessment year. An eligible resident who has filed a form for a previous year need not file a new form until there is a change in status affecting the person's eligibility.

(6) In determining the true and fair value of a home for the aging for purposes of the partial exemption provided by subsection (2) of this section, the assessor shall apply the computation method provided by RCW 84.34.060 and shall consider only the use to which such property is applied during the years for which such partial exemptions are available and shall not consider potential uses of such property.

(7) A home for the aging that was exempt for taxes levied for collection in 1990 and is not fully exempt under this section is entitled to partial exemptions as follows:

(a) For taxes levied for collection in 1991 and 1992, two-thirds of the assessed value that would otherwise be subject to tax under this section is exempt from taxation.

(b) For taxes levied for collection in 1993, one-third of the assessed value that would otherwise be subject to tax under this section is exempt from taxation.

(8) As used in this section:

(a) "Eligible resident" means a person who would be eligible for an exemption of ~~((regular))~~ property taxes under RCW 84.36.381 (1) through (4) if the person owned a single-family dwelling and has a combined disposable income, as defined in RCW 84.36.383, of twenty-two thousand dollars or less. For the purposes of determining eligibility under this section, a "cotenant" as used in RCW 84.36.383 means a person who resides with an eligible resident and who shares personal financial resources with the eligible resident.

(b) "Home for the aging" means a residential housing facility that (i) provides a housing arrangement chosen voluntarily by the resident, the resident's guardian or conservator, or another responsible person; (ii) has only residents who are at least sixty-two years of age or who have needs for care generally compatible with persons who are at least sixty-two years of age; and (iii) provides varying levels of care and supervision, as agreed to at the time of admission or as determined necessary at subsequent times of reappraisal.

(9) A for-profit home for the aging that converts to nonprofit status after the effective date of this act and would otherwise be eligible for tax exemption under this section may not receive the tax exemption until five years have elapsed since the conversion. The exemption shall then be ratably granted over the next five years.

NEW SECTION. Sec. 2. The department of revenue shall conduct a study of the property tax exemption for nonprofit homes for the aging. The

study shall be conducted with the assistance of a study committee formed by the department of revenue and composed of representatives from management and residents of the nonprofit homes for the aging provider community, recognized senior citizen advocacy organizations not associated with the nonprofit homes of the aging provider community, the county assessors, city officials, and county officials. The department shall submit a report to the house of representatives revenue committee and to the senate ways and means committee by November 30, 1992, that examines the property tax exemption for nonprofit homes for the aging. The study may include issues such as:

- (1) The impact of the 1989 and 1991 changes to the property tax exemption for homes for the aging.
- (2) How the nonprofit charitable aspect of the home for the aging should be factored into the calculation of a property tax exemption.
- (3) What consideration should be given for the traditional role that homes for the aging have played in providing housing, health care, and financial security for the elderly.
- (4) Whether the incomes of the residents should be a factor in determining the level of property tax exemption.
- (5) The proper income threshold for calculating property tax relief for homes for the aging.
- (6) Whether there should be a direct link with the income thresholds in the senior citizen homeowner tax relief program.
- (7) Whether the exemption should be restructured to provide relief "equivalent" to the senior citizen homeowner program.
- (8) Whether the tax relief should be provided directly to the resident or to the nonprofit home for the aging.
- (9) How common areas and personal property should be treated under the property tax.

**NEW SECTION. Sec. 3.** The combined disposable income threshold of twenty-two thousand dollars or less contained in section 1 of this act shall be effective for taxes levied for collection in 1993 and thereafter.

[Substitute Senate Bill 6111]

**FAMILY PRESERVATION SERVICES****Effective Date:** 6/11/92

AN ACT Relating to family preservation services; and adding a new chapter to Title 74 RCW. Be it enacted by the Legislature of the State of Washington:

**NEW SECTION. Sec. 1.** (1) It is the intent of the legislature to make available, within available funds, intensive services to children and families that are designed to prevent the unnecessary imminent placement of children in foster care, and designed to facilitate the reunification of the children with their families. These services are known as family preservation services and are characterized by the following values, beliefs, and goals:

(a) Safety of the child is always the first concern;

(b) Children need their families and should be raised by their own families whenever possible;

(c) Interventions should focus on family strengths and be responsive to individual family needs; and

(d) Improvement of family functioning is essential in order to promote the child's health, safety, and welfare and thereby allow the family to remain intact and allow children to remain at home.

(2) Subject to the availability of funds for such purposes, the legislature intends for family preservation services to be made available to all eligible families on a state-wide basis through a phased-in process. Except as otherwise specified by statute, the department of social and health services shall have the authority and discretion to implement and expand family preservation services according to a plan and time frame determined by the department.

(3) Nothing in this chapter shall be construed to create an entitlement to services nor to create judicial authority to order the provision of family preservation services to any person or family where the department has determined that such services are unavailable or unsuitable or that the child or family are not eligible for such services.

**NEW SECTION. Sec. 2.** Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Department" means the department of social and health services.

(2) "Family preservation services" means services that are delivered primarily in the home, that follow intensive service models with demonstrated effectiveness in reducing or avoiding the need for unnecessary imminent foster care placement, and that have all of the characteristics delineated in section 3 of this act.

(3) "Foster care" means placement of a child by the department or a licensed child placing agency in a home or facility licensed pursuant to chapter 74.15 RCW, or in a home or facility that is not required to be licensed pursuant to chapter 74.15 RCW.

(4) "Imminent" means a decision has been made by the department that, without family preservation services, a petition requesting the removal of a child from the family home will be immediately filed under chapter 13.32A or 13.34 RCW, or that a voluntary placement agreement will be immediately initiated.

**NEW SECTION. Sec. 3.** Family preservation services shall have all of the following characteristics:

(1) Services are provided by specially trained caseworkers who have received at least forty hours of training from recognized family preservation services experts. Caseworkers provide the services in the family's home, and may provide some of the services in other natural environments of the family, such as their neighborhood or schools;

(2) Caseload size averages two families per caseworker;

(3) The services to the family are provided by a single caseworker, with backup caseworkers identified to provide assistance as necessary;

(4) Caseworkers have the authority and discretion to spend funds, up to a maximum amount specified by the department, to help families obtain necessary food, shelter, or clothing, or to purchase other goods or services that will enhance the effectiveness of intervention;

(5) Services are available to the family within twenty-four hours following receipt of a referral to the program;

(6) Services are available to the family twenty-four hours a day and seven days a week;

(7) Duration of service is limited to a maximum of forty days, unless the department authorizes an additional provision of service through an exception to policy;

(8) Services assist the family to improve parental and household management competence and to solve practical problems that contribute to family stress so as to effect improved parental performance and enhanced functioning of the family unit; and

(9) Services help families locate and utilize additional assistance, including, but not limited to, counseling and treatment services, housing, child care, education, job training, emergency cash grants, state and federally funded public assistance, and other basic support services.

**NEW SECTION. Sec. 4.** (1) The department shall be the lead administrative agency for family preservation services and may receive funding from any source for the implementation or expansion of such services. The department shall:

(a) Provide coordination and planning for the implementation and expansion of family preservation services; and

(b) Monitor and evaluate such services to determine whether the programs meet measurable standards specified by this chapter and the department.

(2) In carrying out the requirements of subsection (1)(a) of this section, the department shall consult and coordinate with at least one qualified private,

nonprofit agency that has demonstrated expertise and experience in family preservation services.

(3) The department may provide family preservation services directly and shall, within available funds, contract with private, nonprofit social service agencies to provide services, provided that such agencies meet measurable standards specified by this chapter and by the department.

(4) The department shall not continue direct provision of family preservation services unless it is demonstrated that provision of such services prevents foster care placement in at least seventy percent of the cases served for a period of at least six months following termination of services.

The department shall not renew a contract with a service provider unless the provider can demonstrate that provision of services prevents foster care placement in at least seventy percent of the cases served for a period of at least six months following termination of service.

NEW SECTION. Sec. 5. (1) Family preservation services may be provided to children and their families only when the department has determined that:

(a) The child has been placed in foster care or is at actual, imminent risk of foster care placement due to:

(i) Child abuse or neglect;

(ii) A serious threat of substantial harm to the child's health, safety, or welfare; or

(iii) Family conflict; and

(b) There are no other available services that will prevent foster care placement of the child or make it possible to immediately return the child home.

(2) The department shall refer eligible families to family preservation services on a twenty-four hour intake basis. The department need not refer otherwise eligible families, and family preservation services need not be provided, if:

(a) The services are not available in the community in which the family resides;

(b) The services cannot be provided because the program is filled to capacity and there are no current service openings;

(c) The family refuses the services;

(d) The department, or the agency that is supervising the foster care placement, has developed a case plan that does not include reunification of the child and family; or

(e) The department or the contracted service provider determines that the safety of a child, a family member, or persons providing the service would be unduly threatened.

(3) Nothing in this chapter shall prevent provision of family preservation services to nonfamily members when the department or the service provider deems it necessary or appropriate to do so in order to assist the family or child.

**NEW SECTION. Sec. 6.** (1) The department shall, within available funds, conduct a family preservation services study in at least one region within the state. In developing and conducting the project, the department shall consult and coordinate with at least one qualified private, nonprofit agency that has demonstrated expertise and experience in family preservation services. The purpose of the study is to:

(a) Develop a valid and reliable process for accurately identifying clients who are eligible for family preservation services;

(b) Collect data on which to base projections of service needs, budget requests, and long-range planning;

(c) Develop regional and state-wide projections of service needs;

(d) Develop a cost estimate for implementation and expansion of family preservation services on a state-wide basis;

(e) Develop a long-range plan and time frame for expanding the availability of family preservation services and ultimately making such services available to all eligible families on a state-wide basis; and

(f) Collect data regarding the number of children in foster care, group care, and institutional placements due to medical needs, mental health needs, developmental disabilities, and juvenile offenses, and assess the feasibility of expanding family preservation service eligibility to include all of these children.

(2) The department shall prepare a report to the legislature that addresses the objectives set forth in subsection (1) of this section. The report shall address the feasibility of expanding and implementing family preservation services on a state-wide basis. The report is due January 1, 1993.

**NEW SECTION. Sec. 7.** For the purpose of providing family preservation services to children who would otherwise be removed from their homes, the department may:

(1) Solicit and use any available federal or private resources, which may include funds, in-kind resources, or volunteer services; and

(2) Use any available state resources, which may include in-kind resources or volunteer services.

**NEW SECTION. Sec. 8.** The department's provision of family preservation services under section 4(3) of this act is not intended to replace existing contracts with private nonprofit social service agencies that provide family preservation services.

**NEW SECTION. Sec. 9.** After July 1, 1993, the secretary of social and health services may transfer funds appropriated for foster care services to purchase family preservation services for children at imminent risk of foster care placement. The secretary shall notify the appropriate committees of the senate and house of representatives of any transfers under this section. The secretary shall include caseload, expenditure, cost avoidance, identified improvements to

the foster care system, and outcome data related to the transfer in the notification.

**NEW SECTION. Sec. 10.** The juvenile issues task force established under chapter 234, Laws of 1991, shall review the advisability of transferring appropriated funds from foster care to purchase family preservation services for children at imminent risk of foster care placement and include findings and recommendations on the transfer of funds to the appropriate committees of the senate and house of representatives by December 15, 1992. The task force shall identify ways to improve the foster care system and expand family preservation services with the savings generated by avoiding the placement of children at imminent risk of foster care placement through the provision of family preservation services.

**NEW SECTION. Sec. 11.** Any federal funds made available under section 7 of this act shall be used to supplement and shall not supplant state funds to carry out the purposes of this chapter.

**NEW SECTION. Sec. 12.** Sections 1 through 11 of this act shall constitute a new chapter in Title 74 RCW.

**NEW SECTION. Sec. 13.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Passed the Senate March 9, 1992.

Passed the House March 5, 1992.

(2) A county auditor appointed by the director may request that the director appoint subagencies within the county. Upon authorization of the director, the auditor shall advertise a request for proposals and use the process for soliciting vendors under RCW 39.04.190(2), except that the provision requiring the contract to be awarded to the lowest responsible bidder shall not apply. this section, by a check which has subsequently been dishonored: AND PROVIDED FURTHER, That no transfer of ownership of a vehicle may be denied to a bona fide purchaser for value of a vehicle if there are outstanding uncollected fees or taxes for which a predecessor paid, pursuant to this section, by check which has subsequently been dishonored nor shall the new owner be required to pay any fee for replacement vehicle license number plates that may be required pursuant to RCW 46.16.270 as now or hereafter amended.

The fee for licensing each house-moving dolly which is used exclusively for moving buildings or homes on the highway under special permit as provided for in chapter 46.44 RCW shall be twenty-five dollars, but effective with licenses that expire in January, 1989, and thereafter, the fee shall be twenty-nine dollars and seventy-five cents, and no other fee shall be charged for the load carried thereon.

(2) The department of licensing, county auditors, and other authorized agents shall collect for any registration year any increase in the fees authorized by this section for the months of that registration year in which any such increase is effective in the same manner and at the same time as such fees for that registration year would otherwise be collected as provided by law.

NEW SECTION. Sec. 5. A new section is added to chapter 46.68 RCW to read as follows:

The department of licensing services account is created in the motor vehicle fund. All receipts from service fees received under RCW 46.01.140(4)(b) shall be deposited into the account. If coverage is provided under the laws of another state, the department may notify the other state that the applicant is employing employees in Washington.

(3) Registration shall be denied if the applicant has been previously registered as a sole proprietor, partnership or corporation, and was a principal or officer of the corporation, and if the applicant has an unsatisfied final judgment in an action based on RCW 18.27.040 that incurred during a previous registration under this chapter.

**Sec. 2.** RCW 19.28.120 and 1986 c 156 s 5 are each amended to read as follows:

(1) It is unlawful for any person, firm, partnership, corporation, or other entity to engage in, conduct, or carry on the business of installing or maintaining wires or equipment to convey electric current, or installing or maintaining equipment to be operated by electric current as it pertains to the electrical industry, without having an unrevoked, unsuspended, and unexpired electrical contractor license, issued by the department in accordance with this chapter. All electrical contractor licenses expire twenty-four calendar months following the day of their issue. The department may issue an electrical contractors license for a period of less than twenty-four months only for the purpose of equalizing the number of electrical contractor licenses which expire each month. Application for an electrical contractor license shall be made in writing to the department, accompanied by the required fee. The application shall state:

(a) The name and address of the applicant; in case of firms or partnerships, the names of the individuals composing the firm or partnership; in case of corporations, the names of the managing officials thereof;

(b) The location of the place of business of the applicant and the name under which the business is conducted; (~~and~~)

(c) Employer social security number;

(d) As applicable: (i) The industrial insurance account number covering employees domiciled in Washington; and (ii) evidence of workers' compensation coverage in the applicant's state of domicile for the applicant's employees working in Washington who are not domiciled in Washington;

(e) Employment security department number;

(f) State excise tax registration number;

(g) Unified business identifier (UBI) account number may be substituted for the information required by (d), (e), and (f) of this subsection; and

(h) Whether a general or specialty electrical contractor license is sought and, if the latter, the type of specialty. Electrical contractor specialties include, but are not limited to: Residential, domestic appliances, pump and irrigation, limited energy system, signs, nonresidential maintenance, and a combination specialty. A general electrical contractor license shall grant to the holder the right to engage in, conduct, or carry on the business of installing or maintaining wires or equipment to carry electric current, and installing or maintaining equipment, or installing or maintaining material to fasten or insulate such wires or equipment to be operated by electric current, in the state of Washington. A specialty electrical contractor license shall grant to the holder a limited right to engage in, conduct, or carry on the business of installing or maintaining wires or equipment to carry electrical current, and installing or maintaining equipment; or installing or maintaining material to fasten or insulate such wires or equipment to be operated by electric current in the state of Washington as expressly allowed by the license.

(2) The department may verify the workers' compensation coverage information provided by the applicant under subsection (1)(d) of this section, including but not limited to information regarding the coverage of an individual employee of the applicant. If coverage is provided under the laws of another state, the department may notify the other state that the applicant is employing employees in Washington.

(3) The application for a contractor license shall be accompanied by a bond in the sum of four thousand dollars with the state of Washington named as obligee in the bond, with good and sufficient surety, to be approved by the department. The bond shall at all times be kept in full force and effect, and any cancellation or revocation thereof, or withdrawal of the surety therefrom, suspends the license issued to the principal until a new bond has been filed and approved as provided in this section. Upon approval of a bond, the department shall on the next business day deposit the fee accompanying the application in the electrical license fund and shall file the bond in the office. The department shall upon request furnish to any person, firm, partnership, corporation, or other entity a certified copy of the bond upon the payment of a fee that the department shall set by rule. The fee shall cover but not exceed the cost of furnishing the certified copy. The bond shall be conditioned that in any installation or maintenance of wires or equipment to convey electrical current, and equipment to be operated by electrical current, the principal will comply with the provisions of this chapter and with any electrical ordinance, building code, or regulation of a city or town adopted pursuant to RCW 19.28.010(2) that is in effect at the time of entering into a contract. The bond shall be conditioned further that the principal will pay for all labor, including employee benefits, and material furnished or used upon the work, taxes and contributions to the state of Washington, and all damages that may be sustained by any person, firm, partnership, corporation, or other entity due to a failure of the principal to make the installation or maintenance in accordance with this chapter or any applicable ordinance, building code, or regulation of a city or town adopted pursuant to RCW 19.28.010(2). In lieu of the surety bond required by this section the license applicant may file with the department a cash deposit or other negotiable security acceptable to the department. If the license applicant has filed a cash deposit, the department shall deposit the funds in a special trust savings account in a commercial bank, mutual savings bank, or savings and loan association and shall pay annually to the depositor the interest derived from the account.

~~((3))~~ (4) The department shall issue general or specialty electrical contractor licenses to applicants meeting all of the requirements of this chapter. The provisions of this chapter relating to the licensing of any person, firm, partnership, corporation, or other entity including the requirement of a bond with the state of Washington named as obligee therein and the collection of a fee therefor, are exclusive, and no political subdivision of the state of Washington may require or issue any licenses or bonds or charge any fee for the same or a

similar purpose. No person, firm, partnership, corporation, or other entity holding more than one specialty contractor license under this chapter may be required to pay an annual fee for more than one such license or to post more than one four thousand dollar bond, equivalent cash deposit, or other negotiable security.

((4)) (5) To obtain a general or specialty electrical contractor license the applicant must designate an individual who currently possesses an administrator's certificate as a general electrical contractor administrator or as a specialty electrical contractor administrator in the specialty for which application has been made. Administrator certificate specialties include but are not limited to: Residential, domestic, appliance, pump and irrigation, limited energy system, signs, nonresidential maintenance, and combination specialty. To obtain an administrator's certificate an individual must pass an examination as set forth in RCW 19.28.123 unless the applicant was a licensed electrical contractor at any time during 1974. Applicants who were electrical contractors licensed by the state of Washington at any time during 1974 are entitled to receive a general electrical contractor administrator's certificate without examination if the applicants apply prior to January 1, 1984. The board of electrical examiners shall certify to the department the names of all persons who are entitled to either a general or specialty electrical contractor administrator's certificate.

(f) The number of parking spaces and whether covered, uncovered, or enclosed;

(g) The number of moorage slips, if any;

(h) A description of any limited common elements, other than those specified in RCW 64.34.204 (2) and (4) (~~and 64.34.228 (2) and (3))~~), as provided in RCW 64.34.232(2)(j);

(i) A description of any real property(~~(except real property subject to development rights;))~~ which may be allocated subsequently by the declarant as limited common elements, other than limited common elements specified in RCW 64.34.204 (2) and (4) (~~and 64.34.228 (2) and (3))~~), together with a statement that they may be so allocated;

(j) A description of any development rights and other special declarant rights under RCW 64.34.020(29) reserved by the declarant, together with a ((legal)) description of the real property to which ((each of those)) the development rights ((applies)) apply, and a time limit within which each of those rights must be exercised;

(k) If any development right may be exercised with respect to different parcels of real property at different times, a statement to that effect together with:

(i) Either a statement fixing the boundaries of those portions and regulating the

order in which those portions may be subjected to the exercise of each development right, or a statement that no assurances are made in those regards; and (ii) a statement as to whether, if any development right is exercised in any portion of the real property subject to that development right, that development right must be exercised in all or in any other portion of the remainder of that real property;

(l) Any other conditions or limitations under which the rights described in (j) of this subsection may be exercised or will lapse;

(m) An allocation to each unit of the allocated interests in the manner described in RCW 64.34.224;

(n) Any restrictions in the declaration on use, occupancy, or alienation of the units;

(o) A cross-reference by recording number to the survey map and plans for the units created by the declaration; and

(p) All matters required or permitted by RCW 64.34.220 through 64.34.232, 64.34.256, 64.34.260, 64.34.276, and 64.34.308(4).

(2) All amendments to the declaration shall contain a cross-reference by recording number to the declaration and to any prior amendments thereto. All amendments to the declaration adding units shall contain a cross-reference by recording number to the survey map and plans relating to the added units and set forth all information required by RCW 64.34.216(1) with respect to the added units.

(3) The declaration may contain any other matters the declarant deems appropriate.

**Sec. 8.** RCW 64.34.224 and 1989 c 43 s 2-107 are each amended to read as follows:

(1) The declaration shall allocate a fraction or percentage of undivided interests in the common elements and in the common expenses of the association, and a portion of the votes in the association, to each unit and state the formulas or methods used to establish those allocations. Those allocations may not discriminate in favor of units owned by the declarant or an affiliate of the declarant.

(2) If units may be added to or withdrawn from the condominium, the declaration shall state the formulas or methods to be used to reallocate the allocated interests among all units included in the condominium after the addition or withdrawal.

(3) The declaration may provide: (a) For cumulative voting only for the purpose of electing members of the board of directors; and (b) for class voting on specified issues affecting the class if necessary to protect valid interests of the class. A declarant may not utilize cumulative or class voting for the purpose of evading any limitation imposed on declarants by this chapter, nor may units constitute a class because they are owned by a declarant.

(4) Except for minor variations due to rounding, the sum of the undivided interests in the common elements and common expense liabilities allocated at any time to all the units must each equal one if stated as fractions or one hundred percent if stated as percentages. In the event of discrepancy between an allocated interest and the result derived from application of the pertinent formula, the allocated interest prevails.

(5) Except where permitted by other sections of this chapter, the common elements are not subject to partition, and any purported conveyance, encumbrance, judicial sale, or other voluntary or involuntary transfer of an undivided interest in the common elements made without the unit to which that interest is allocated is void.

**Sec. 9.** RCW 64.34.228 and 1989 c 43 s 2-108 are each amended to read as follows:

(1) Except for the limited common elements described in RCW 64.34.204 (2) and (4), the declaration shall specify to which unit or units each limited common element is allocated.

(2) Except in the case of a reallocation being made by a declarant pursuant to a development right reserved in the declaration, a limited common element may only be reallocated between units with the approval of the board of directors and by an amendment to the declaration executed by the owners of the units to which the limited common element was and will be allocated. The board of directors shall approve the request of the owner or owners under this subsection within thirty days, or within such other period provided by the declaration, unless the proposed reallocation does not comply with this chapter or the declaration. The failure of the board of directors to act upon a request within such period shall be deemed approval thereof. The amendment shall be recorded in the names of the parties and of the condominium.

(3) Unless otherwise provided in the declaration, ~~((sixty-seven percent of))~~ the ~~((unit))~~ owners of units to which at least sixty-seven percent of the votes are allocated, including the owner of the unit to which the limited common element will be assigned or incorporated, must agree to reallocate a common element as a limited common element or to incorporate a common element or a limited common element into an existing unit. Such reallocation or incorporation shall be reflected in an amendment to the declaration, survey map, or plans.

**Sec. 10.** RCW 64.34.232 and 1989 c 43 s 2-109 are each amended to read as follows:

(1) A survey map and plans executed by the declarant shall be recorded simultaneously with, and contain cross-references by recording number to, the declaration and any amendments. The survey map and plans must be clear and legible and contain a certification by the person making the survey or the plans that all information required by this section is supplied. All plans filed shall be in such style, size, form and quality as shall be prescribed by the recording

authority of the county where filed, and a copy shall be delivered to the county assessor.

(2) Each survey map shall show or state:

(a) The name of the condominium and a legal description and a survey of the land in the condominium and of any land that may be added to the condominium;

(b) The boundaries of all land not subject to development rights, or subject only to the development right to withdraw, and the location and dimensions of all existing buildings containing units on that land;

(c) The boundaries of any land subject to development rights, labeled ((to identify the rights applicable to each parcel)) "SUBJECT TO DEVELOPMENT RIGHTS SET FORTH IN THE DECLARATION"; any land that may be added to the condominium shall also be labeled "MAY BE ADDED TO THE CONDOMINIUM"; any land that may be withdrawn from the condominium shall also be labeled "MAY BE WITHDRAWN FROM THE CONDOMINIUM";

(d) The extent of any encroachments by or upon any portion of the condominium;

(e) To the extent feasible, the location and dimensions of all recorded easements serving or burdening any portion of the condominium and any unrecorded easements of which a surveyor knows or reasonably should have known, based on standard industry practices, while conducting the survey;

(f) Subject to the provisions of subsection (8) of this section, the location and dimensions of any vertical unit boundaries not shown or projected on plans recorded pursuant to subsection (4) of this section and that unit's identifying number;

(g) The location with reference to an established datum of any horizontal unit boundaries not shown or projected on plans recorded pursuant to subsection (4) of this section and that unit's identifying number;

(h) The location and dimensions of any real property in which the unit owners will own only an estate for years, labeled as "leasehold real property";

(i) The distance between any noncontiguous parcels of real property comprising the condominium;

(j) The general location of any existing principal common amenities listed in a public offering statement pursuant to RCW 64.34.410(1)(i) and any limited common elements, including limited common element porches, balconies, patios, parking spaces, and storage facilities, but not including the other limited common elements described in RCW 64.34.204 (2) and (4);

(k) In the case of real property not subject to development rights, all other matters customarily shown on land surveys.

(3) A survey map may also show the intended location and dimensions of any contemplated improvement to be constructed anywhere within the condominium. Any contemplated improvement shown must be labeled either "MUST BE BUILT" or "NEED NOT BE BUILT."

(4) To the extent not shown or projected on the survey map, plans of the existing units must show or project:

(a) Subject to the provisions of subsection (8) of this section, the location and dimensions of the vertical boundaries of each unit, and that unit's identifying number;

(b) Any horizontal unit boundaries, with reference to an established datum, and that unit's identifying number; and

(c) Any units in which the declarant has reserved the right to create additional units or common elements under RCW 64.34.236(3), identified appropriately.

(5) Unless the declaration provides otherwise, the horizontal boundaries of part of a unit located outside of a building have the same elevation as the horizontal boundaries of the inside part and in such case need not be depicted on the survey map and plans.

(6) Upon exercising any development right, the declarant shall record either a new survey map and plans necessary to conform to the requirements of subsections (1), (2), and (3) of this section or new certifications of a survey map and plans previously recorded if the documents otherwise conform to the requirements of those subsections.

(7) Any survey map, plan, or certification required by this section shall be made by a licensed surveyor.

(8) In showing or projecting the location and dimensions of the vertical boundaries of a unit under subsections (2)(f) and (4)(a) of this section, it is not necessary to show the thickness of the walls constituting the vertical boundaries or otherwise show the distance of those vertical boundaries either from the exterior surface of the building containing that unit or from adjacent vertical boundaries of other units if: (a) The walls are designated to be the vertical boundaries of that unit; (b) the unit is located within a building, the location and dimensions of the building having been shown on the survey map under subsection (2)(b) of this section; and (c) the graphic general location of the vertical boundaries are shown in relation to the exterior surfaces of that building and to the vertical boundaries of other units within that building.

**Sec. 11.** RCW 64.34.256 and 1989 c 43 s 2-115 are each amended to read as follows:

A declarant may maintain sales offices, management offices, and models in units or on common elements in the condominium only if the declaration so provides and specifies the rights of a declarant with regard to the number, ((size,)) location, and relocation thereof. Any sales office, management office, or model not designated a unit by the declaration is a common element and, if a declarant ceases to be a unit owner, the declarant ceases to have any rights with regard thereto unless it is removed promptly from the condominium in accordance with a right to remove reserved in the declaration. Subject to any limitations in the declaration, a declarant may maintain signs on the common

elements advertising the condominium. The provisions of this section are subject to the provisions of other state law and to local ordinances.

**Sec. 12.** RCW 64.34.268 and 1989 c 43 s 2-118 are each amended to read as follows:

(1) Except in the case of a taking of all the units by condemnation under RCW 64.34.060, a condominium may be terminated only by agreement of unit owners of units to which at least eighty percent of the votes in the association are allocated, or any larger percentage the declaration specifies: **PROVIDED**, That the declaration may specify a smaller percentage only if all of the units in the condominium are restricted exclusively to nonresidential uses.

(2) An agreement to terminate must be evidenced by the execution of a termination agreement or ratifications thereof, in the same manner as a deed, by the requisite number of unit owners. The termination agreement must specify a date after which the agreement will be void unless it is recorded before that date and shall contain a description of the manner in which the creditors of the association will be paid or provided for. A termination agreement and all ratifications thereof must be recorded in every county in which a portion of the condominium is situated and is effective only upon recording. A termination agreement may be amended by complying with all of the requirements of this section.

(3) A termination agreement may provide that all the common elements and units of the condominium shall be sold following termination. If, pursuant to the agreement, any real property in the condominium is to be sold following termination, the termination agreement must set forth the minimum terms of the sale.

(4) The association, on behalf of the unit owners, may contract for the sale of real property in the condominium, but the contract is not binding on the unit owners until approved pursuant to subsections (1) and (2) of this section. If any real property in the condominium is to be sold following termination, title to that real property, upon termination, vests in the association as trustee for the holders of all interests in the units. Thereafter, the association has all powers necessary and appropriate to effect the sale. Until the sale has been concluded and the proceeds thereof distributed, the association continues in existence with all powers it had before termination. Proceeds of the sale must be distributed to unit owners and lien holders as their interests may appear, in proportion to the respective interests of unit owners as provided in subsection (7) of this section. Unless otherwise specified in the termination agreement, as long as the association holds title to the real property, each unit owner and the owner's successors in interest have an exclusive right to occupancy of the portion of the real property that formerly constituted the owner's unit. During the period of that occupancy, each unit owner and the owner's successors in interest remain liable for all assessments and other obligations imposed on unit owners by this chapter or the declaration.

(5) If the real property constituting the condominium is not to be sold following termination, title to all the real property in the condominium vests in the unit owners upon termination as tenants in common in proportion to their respective interests as provided in subsection (7) of this section, and liens on the units shift accordingly. While the tenancy in common exists, each unit owner and the owner's successors in interest have an exclusive right to occupancy of the portion of the real property that formerly constituted the owner's unit.

(6) Following termination of the condominium, the proceeds of any sale of real property, together with the assets of the association, are held by the association as trustee for unit owners and holders of liens on the units and creditors of the association as their interests may appear. No such proceeds or assets may be disbursed to the owners until all of the creditors of the association have been paid or provided for. Following termination, creditors of the association holding liens on the units, which were recorded or perfected under RCW 4.64.020 before termination, may enforce those liens in the same manner as any lien holder.

(7) The respective interests of unit owners referred to in subsections (4), (5), and (6) of this section are as follows:

(a) Except as provided in (b) of this subsection, the respective interests of unit owners are the fair market values of their units, limited common elements, and common element interests immediately before the termination, as determined by one or more independent appraisers selected by the association. The decision of the independent appraisers shall be distributed to the unit owners and becomes final unless disapproved, within thirty days after distribution, by unit owners of units to which twenty-five percent of the votes in the association are allocated. The proportion of any unit owner's interest to that of all unit owners is determined by dividing the fair market value of that unit owner's unit and common element interest by the total fair market values of all the units and common elements.

(b) If any unit or any limited common element is destroyed to the extent that an appraisal of the fair market value thereof before destruction cannot be made, the interests of all unit owners are their respective common element interests immediately before the termination.

(8) Except as provided in subsection (9) of this section, foreclosure or enforcement of a lien or encumbrance against the entire condominium does not of itself terminate the condominium, and foreclosure or enforcement of a lien or encumbrance against a portion of the condominium, other than withdrawable real property, does not withdraw that portion from the condominium. Foreclosure or enforcement of a lien or encumbrance against withdrawable real property does not of itself withdraw that real property from the condominium, but the person taking title thereto has the right to require from the association, upon request, an amendment excluding the real property from the condominium.

(9) If a lien or encumbrance against a portion of the real property that is withdrawable from the condominium has priority over the declaration, and the lien or encumbrance has not been partially released as to a unit, the ~~((parties foreclosing the lien or encumbrance))~~ purchaser at the foreclosure or such purchaser's successors may, upon foreclosure, record an instrument ~~((excluding))~~ exercising the right to withdraw the real property subject to that lien or encumbrance from the condominium. The board of directors shall reallocate interests as if the foreclosed portion were condemned.

(10) The right of partition under chapter 7.52 RCW shall be suspended if an agreement to sell the property is provided for in the termination agreement pursuant to subsection (3) of this section. The suspension of the right to partition shall continue unless and until no binding obligation to sell exists three months after the recording of the termination agreement, the binding sale agreement is terminated, or one year after the termination agreement is recorded, whichever first occurs.

**NEW SECTION.** Sec. 13. A new section is added to chapter 64.34 RCW to read as follows:

(1) If the declaration provides that any of the powers described in RCW 64.34.304 are to be exercised by or may be delegated to a profit or nonprofit corporation that exercises those or other powers on behalf of unit owners owning less than all of the units in a condominium, and where those unit owners share the exclusive use of one or more limited common elements within the condominium or share some property or other interest in the condominium in common that is not shared by the remainder of the unit owners in the condominium, all provisions of this chapter applicable to unit owners' associations apply to any such corporation, except as modified by this section. The delegation of powers to a subassociation shall not be used to discriminate in favor of units owned by the declarant or an affiliate of the declarant.

(2) A subassociation may exercise the powers set forth in RCW 64.34.304(1) only to the extent expressly permitted by the declaration of the condominium of which the units in the subassociation are a part of or expressly described in the delegations of power from that condominium to the subassociation.

(3) If the declaration of any condominium contains a delegation of certain powers to a subassociation, or provides that the board of directors of the condominium may make such a delegation, the members of the board of directors have no liability for the acts or omissions of the subassociation with respect to those powers so exercised by the subassociation following delegation.

(4) The rights and responsibilities of unit owners with respect to the unit owners' association set forth in RCW 64.34.300 through 64.34.376 apply to the conduct of the affairs of a subassociation.

(5) Notwithstanding the provisions of RCW 64.34.308(6) with respect to the election of the board of directors of an association by all unit owners after the period of declarant control ends, the board of directors of the subassociation shall

be elected after the period of declarant control by the unit owners of all of the units in the condominium subject to the subassociation.

(6) The declaration of the condominium creating the subassociation may provide that the authority of the board of directors of the subassociation is exclusive with regard to the powers and responsibilities delegated to it. In the alternative, the declaration may provide as to some or all such powers that the authority of the board of directors of a subassociation is concurrent with and subject to the authority of the board of directors of the unit owners' association, in which case the declaration shall also contain standards and procedures for the review of the decisions of the board of directors of the subassociation and procedures for resolving any dispute between the board of the unit owners' association and the board of the subassociation.

**Sec. 14.** RCW 64.34.300 and 1989 c 43 s 3-101 are each amended to read as follows:

A unit owners' association shall be organized no later than the date the first unit in the condominium is conveyed. The membership of the association at all times shall consist exclusively of all the unit owners. Following termination of the condominium, the membership of the association shall consist of all of the unit owners at the time of termination entitled to distributions of proceeds under RCW 64.34.268 or their heirs, successors, or assigns. The association shall be organized as a profit or nonprofit corporation. In case of any conflict between Title ((23A)) 23B RCW, the business corporation act, chapter 24.03 RCW, the nonprofit corporation act, or chapter 24.06 RCW, the nonprofit miscellaneous and mutual corporations act, and this chapter, this chapter shall control.

**Sec. 15.** RCW 64.34.308 and 1989 c 43 s 3-103 are each amended to read as follows:

(1) Except as provided in the declaration, the bylaws, subsection (2) of this section, or other provisions of this chapter, the board of directors shall act in all instances on behalf of the association. In the performance of their duties, the officers and members of the board of directors are required to exercise: (a) If appointed by the declarant, the care required of fiduciaries of the unit owners; or (b) if elected by the unit owners, ordinary and reasonable care.

(2) The board of directors shall not act on behalf of the association to amend the declaration in any manner that requires the vote or approval of the unit owners pursuant to RCW 64.34.264, to terminate the condominium pursuant to RCW 64.34.268, or to elect members of the board of directors or determine the qualifications, powers, and duties, or terms of office of members of the board of directors pursuant to subsection (6) of this section; but the board of directors may fill vacancies in its membership for the unexpired portion of any term.

(3) Within thirty days after adoption of any proposed budget for the condominium, the board of directors shall provide a summary of the budget to all the unit owners and shall set a date for a meeting of the unit owners to consider ratification of the budget not less than fourteen nor more than sixty days

after mailing of the summary. Unless at that meeting the owners of units to which a majority of the votes in the association are allocated or any larger percentage specified in the declaration reject the budget, the budget is ratified, whether or not a quorum is present. In the event the proposed budget is rejected or the required notice is not given, the periodic budget last ratified by the unit owners shall be continued until such time as the unit owners ratify a subsequent budget proposed by the board of directors.

(4)(a) Subject to subsection (5) of this section, the declaration may provide for a period of declarant control of the association, during which period a declarant, or persons designated by the declarant, may: (i) Appoint and remove the officers and members of the board of directors; or (ii) veto or approve a proposed action of the board or association. A declarant's failure to veto or approve such proposed action in writing within thirty days after receipt of written notice of the proposed action shall be deemed approval by the declarant.

(b) Regardless of the period provided in the declaration, a period of declarant control terminates no later than the earlier of: ~~((a))~~ (i) Sixty days after conveyance of seventy-five percent of the units which may be created to unit owners other than a declarant; ~~((b))~~ (ii) two years after the last conveyance or transfer of record of a unit except as security for a debt; ~~((c))~~ (iii) two years after any development right to add new units was last exercised; or ~~((d))~~ (iv) the date on which the declarant records an amendment to the declaration pursuant to which the declarant voluntarily surrenders the right to further appoint and remove officers and members of the board of directors. A declarant may voluntarily surrender the right to appoint and remove officers and members of the board of directors before termination of that period pursuant to ~~((a), (b), and (c))~~ (i), (ii), and (iii) of this subsection (4)(b), but in that event the declarant may require, for the duration of the period of declarant control, that specified actions of the association or board of directors, as described in a recorded instrument executed by the declarant, be approved by the declarant before they become effective.

(5) Not later than sixty days after conveyance of twenty-five percent of the units which may be created to unit owners other than a declarant, at least one member and not less than twenty-five percent of the members of the board of directors must be elected by unit owners other than the declarant. Not later than sixty days after conveyance of fifty percent of the units which may be created to unit owners other than a declarant, not less than thirty-three and one-third percent of the members of the board of directors must be elected by unit owners other than the declarant.

(6) Within thirty days after the termination of any period of declarant control, the unit owners shall elect a board of directors of at least three members, at least a majority of whom must be unit owners. The number of directors need not exceed the number of units then in the condominium. The board of directors

shall elect the officers. Such members of the board of directors and officers shall take office upon election.

(7) Notwithstanding any provision of the declaration or bylaws to the contrary, the unit owners, by a two-thirds vote of the voting power in the association present and entitled to vote at any meeting of the unit owners at which a quorum is present, may remove any member of the board of directors with or without cause, other than a member appointed by the declarant. The declarant may not remove any member of the board of directors elected by the unit owners. Prior to the termination of the period of declarant control, the unit owners, other than the declarant, may remove by a two-thirds vote, any director elected by the unit owners.

**Sec. 16.** RCW 64.34.324 and 1989 c 43 s 3-107 are each amended to read as follows:

(1) Unless provided for in the declaration, the bylaws of the association shall provide for:

(a) The number, qualifications, powers and duties, terms of office, and manner of electing and removing the board of directors and officers and filling vacancies;

(b) Election by the board of directors of such officers of the association as the bylaws specify;

(c) Which, if any, of its powers the board of directors or officers may delegate to other persons or to a managing agent;

(d) Which of its officers may prepare, execute, certify, and record amendments to the declaration on behalf of the association; and

(e) The method of amending the bylaws.

(2) Subject to the provisions of the declaration, the bylaws may provide for any other matters the association deems necessary and appropriate.

(3) ~~((If the declaration or bylaws provide that any officers or directors of the association must be unit owners, then))~~ In determining the qualifications of any officer or director of the association, notwithstanding the provision of RCW 64.34.020(32)((-)) the term "unit owner" in such context shall, unless the declaration or bylaws otherwise provide, be deemed to include any director, officer, partner in, or trustee of any person, who is, either alone or in conjunction with another person or persons, a unit owner. Any officer or director of the association who would not be eligible to serve as such if he or she were not a director, officer, partner in, or trustee of such a person shall be disqualified from continuing in office if he or she ceases to have any such affiliation with that person, or if that person would have been disqualified from continuing in such office as a natural person.

**Sec. 17.** RCW 64.34.340 and 1989 c 43 s 3-111 are each amended to read as follows:

(1) If only one of the multiple owners of a unit is present at a meeting of the association or has delivered a written ballot or proxy to the association

secretary, the owner is entitled to cast all the votes allocated to that unit. If more than one of the multiple owners are present or has delivered a written ballot or proxy to the association secretary, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the multiple owners, unless the declaration expressly provides otherwise. There is majority agreement if any one of the multiple owners casts the votes allocated to that unit without protest being made promptly to the person presiding over the meeting by any of the other owners of the unit.

(2) Votes allocated to a unit may be cast pursuant to a proxy duly executed by a unit owner. If a unit is owned by more than one person, each owner of the unit may vote or register protest to the casting of votes by the other owners of the unit through a duly executed proxy. A unit owner may not revoke a proxy given pursuant to this section except by actual notice of revocation to the person presiding over a meeting of the association. A proxy is void if it is not dated or purports to be revocable without notice. Unless stated otherwise in the proxy, a proxy terminates eleven months after its date of issuance.

(3) If the declaration requires that votes on specified matters affecting the condominium be cast by lessees rather than unit owners of leased units: (a) The provisions of subsections (1) and (2) of this section apply to lessees as if they were unit owners; (b) unit owners who have leased their units to other persons may not cast votes on those specified matters; and (c) lessees are entitled to notice of meetings, access to records, and other rights respecting those matters as if they were unit owners. Unit owners must also be given notice, in the manner provided in RCW 64.34.332, of all meetings at which lessees may be entitled to vote.

(4) No votes allocated to a unit owned by the association may be cast, and in determining the percentage of votes required to act on any matter, the votes allocated to units owned by the association shall be disregarded.

**Sec. 18.** RCW 64.34.352 and 1990 c 166 s 4 are each amended to read as follows:

(1) Commencing not later than the time of the first conveyance of a unit to a person other than a declarant, the association shall maintain, to the extent reasonably available:

(a) Property insurance on the condominium, which may, but need not, include equipment, improvements, and betterments in a unit installed by the declarant or the unit owners, insuring against all risks of direct physical loss commonly insured against (~~or, in the case of a conversion building, against fire and extended coverage perils~~). The total amount of insurance after application of any deductibles shall be not less than eighty percent, or such greater amount specified in the declaration, of the actual cash value of the insured property at the time the insurance is purchased and at each renewal date, exclusive of land, excavations, foundations, and other items normally excluded from property policies; and

(b) Liability insurance, including medical payments insurance, in an amount determined by the board of directors but not less than the amount specified in the declaration, covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the common elements.

(2) If the insurance described in subsection (1) of this section is not reasonably available, or is modified, canceled, or not renewed, the association promptly shall cause notice of that fact to be hand-delivered or sent prepaid by first class United States mail to all unit owners, to each eligible mortgagee, and to each mortgagee to whom a certificate or memorandum of insurance has been issued at their respective last known addresses. The declaration may require the association to carry any other insurance, and the association in any event may carry any other insurance it deems appropriate to protect the association or the unit owners.

(3) Insurance policies carried pursuant to subsection (1) of this section shall provide that:

(a) Each unit owner is an insured person under the policy with respect to liability arising out of the owner's interest in the common elements or membership in the association;

(b) The insurer waives its right to subrogation under the policy against any unit owner, member of the owner's household, and lessee of the owner;

(c) No act or omission by any unit owner, unless acting within the scope of the owner's authority on behalf of the association, will void the policy or be a condition to recovery under the policy; and

(d) If, at the time of a loss under the policy, there is other insurance in the name of a unit owner covering the same risk covered by the policy, the association's policy provides primary insurance.

(4) Any loss covered by the property insurance under subsection (1)(a) of this section must be adjusted with the association, but the insurance proceeds for that loss are payable to any insurance trustee designated for that purpose, or otherwise to the association, and not to any holder of a mortgage. The insurance trustee or the association shall hold any insurance proceeds in trust for unit owners and lienholders as their interests may appear. Subject to the provisions of subsection (7) of this section, the proceeds must be disbursed first for the repair or restoration of the damaged property, and unit owners and lienholders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or restored or the condominium is terminated.

(5) An insurance policy issued to the association does not prevent a unit owner from obtaining insurance for the owner's own benefit.

(6) An insurer that has issued an insurance policy under this section shall issue certificates or memoranda of insurance to the association and, upon written request, to any unit owner or holder of a mortgage. The insurer issuing the

policy may not modify the amount or the extent of the coverage of the policy or cancel or refuse to renew the policy unless the insurer has complied with all applicable provisions of chapter 48.18 RCW pertaining to the cancellation or nonrenewal of contracts of insurance. The insurer shall not modify the amount or the extent of the coverage of the policy, or cancel or refuse to renew the policy without complying with this section.

(7) Any portion of the condominium for which insurance is required under this section which is damaged or destroyed shall be repaired or replaced promptly by the association unless: (a) The condominium is terminated; (b) repair or replacement would be illegal under any state or local health or safety statute or ordinance; or (c) eighty percent of the unit owners, including every owner of a unit or assigned limited common element which will not be rebuilt, vote not to rebuild. The cost of repair or replacement in excess of insurance proceeds and reserves is a common expense. If all of the damaged or destroyed portions of the condominium are not repaired or replaced: (i) The insurance proceeds attributable to the damaged common elements shall be used to restore the damaged area to a condition compatible with the remainder of the condominium; (ii) the insurance proceeds attributable to units and limited common elements which are not rebuilt shall be distributed to the owners of those units and the owners of the units to which those limited common elements were allocated, or to lienholders, as their interests may appear; and (iii) the remainder of the proceeds shall be distributed to all the unit owners or lienholders, as their interests may appear, in proportion to the common element interests of all the units. If the unit owners vote not to rebuild any unit, that unit's allocated interests are automatically reallocated upon the vote as if the unit had been condemned under RCW 64.34.060(1), and the association promptly shall prepare, execute, and record an amendment to the declaration reflecting the reallocations. Notwithstanding the provisions of this subsection, RCW 64.34.268 governs the distribution of insurance proceeds if the condominium is terminated.

(8) The provisions of this section may be varied or waived as provided in the declaration if all units of a condominium are restricted to nonresidential use.

**Sec. 19.** RCW 64.34.372 and 1990 c 166 s 7 are each amended to read as follows:

(1) The association shall keep financial records sufficiently detailed to enable the association to comply with RCW 64.34.425. All financial and other records of the association, including but not limited to checks, bank records, and invoices, are the property of the association, but shall be made reasonably available for examination and copying by the manager of the association, any unit owner ~~((and)),~~ or the owner's authorized agents. At least annually, the association shall prepare, or cause to be prepared, a financial statement of the association in accordance with generally accepted accounting principles. The financial statements of condominiums consisting of fifty or more units shall be audited at least annually by a certified public accountant. In the case of a

condominium consisting of fewer than fifty units, an annual audit is also required but may be waived annually by unit owners other than the declarant of units to which sixty percent of the votes are allocated, excluding the votes allocated to units owned by the declarant.

(2) The funds of an association shall be kept in accounts in the name of the association and shall not be commingled with the funds of any other association, nor with the funds of any manager of the association or any other person responsible for the custody of such funds. Any reserve funds of an association shall be kept in a segregated account and any transaction affecting such funds, including the issuance of checks, shall require the signature of at least two persons who are officers or directors of the association.

**Sec. 20.** RCW 64.34.400 and 1990 c 166 s 9 are each amended to read as follows:

**Sec. 22.** RCW 64.34.415 and 1990 c 166 s 10 are each amended to read as follows:

(1) The public offering statement of a conversion condominium shall contain, in addition to the information required by RCW 64.34.410:

Unless the purchaser waives in writing the curing of specific violations, the extent to which the declarant will cure such violations prior to the closing of the sale of a unit in the condominium shall be included.

(2) This section applies only to condominiums containing units that may be occupied for residential use.

**Sec. 23.** RCW 64.34.425 and 1990 c 166 s 12 are each amended to read as follows:

(1) Except in the case of a sale where delivery of a public offering statement is required, or unless exempt under RCW 64.34.400(2), a unit owner shall

furnish to a purchaser before execution of any contract for sale of a unit, or otherwise before conveyance, ~~((a copy of the declaration, the bylaws, the rules or regulations of the association, and))~~ a resale certificate, signed by an officer or authorized agent of the association and based on the books and records of the association and the actual knowledge of the person signing the certificate, containing:

(h) The annual financial statement of the association, including the audit report if it has been prepared, for the year immediately preceding the current year.

(i) A balance sheet and a revenue and expense statement of the association prepared on an accrual basis, which shall be current to within one hundred twenty days;

(o) A statement as to whether there are any violations of the health or building codes with respect to the unit, the limited common elements assigned thereto, or any other portion of the condominium;

(p) A statement of the remaining term of any leasehold estate affecting the condominium and the provisions governing any extension or renewal thereof; and

(q) A copy of the declaration, the bylaws, the rules or regulations of the association, and any other information reasonably requested by mortgagees of prospective purchasers of units. Information requested generally by ((the)) the federal national mortgage association, ((the)) the federal home loan bank board, ((the)) the government national mortgage association, the veterans administration and the department of housing and urban development shall be deemed reasonable, provided such information is reasonably available to the association.

(2) The association, within ten days after a request by a unit owner, and subject to payment of any fee imposed pursuant to RCW 64.34.304(1)(1), shall furnish a resale certificate signed by an officer or authorized agent of the association and containing the information necessary to enable the unit owner to comply with this section. For the purposes of this chapter, a reasonable charge for the preparation of a resale certificate may not exceed one hundred fifty dollars. The association may charge a unit owner a nominal fee for updating a resale certificate within six months of the unit owner's request. The unit owner shall also sign the certificate but the unit owner is not liable to the purchaser for any erroneous information provided by the association and included in the certificate unless and to the extent the unit owner had actual knowledge thereof.

(3) A purchaser is not liable for any unpaid assessment or fee against the unit as of the date of the certificate greater than the amount set forth in the certificate prepared by the association unless and to the extent such purchaser had actual knowledge thereof. A unit owner is not liable to a purchaser for the failure or delay of the association to provide the certificate in a timely manner, but the purchaser's contract is voidable by the purchaser until the certificate has been provided and for five days thereafter or until conveyance, whichever occurs first.

**Sec. 24.** RCW 64.34.430 and 1989 c 43 s 4-108 are each amended to read as follows:

Any deposit made in connection with the purchase or reservation of a unit from a person required to deliver a public offering statement pursuant to RCW 64.34.405(3) shall be placed in escrow and held ((either)) in this state ((or in the state where the unit is located)) in an escrow or trust account designated solely for that purpose by a licensed title insurance company, an attorney, a real estate broker, an independent bonded escrow company, or an institution whose accounts are insured by a governmental agency or instrumentality until: (1) Delivered to the declarant at closing; (2) delivered to the declarant because of purchaser's default under a contract to purchase the unit; (3) refunded to the purchaser; or (4) delivered to a court in connection with the filing of an interpleader action.

**Sec. 25.** RCW 64.34.440 and 1990 c 166 s 13 are each amended to read as follows:

(1) A declarant of a conversion condominium, and any dealer who intends to offer units in such a condominium, shall give each of the residential tenants and any residential subtenant in possession of a portion of a conversion condominium notice of the conversion and provide those persons with the public offering statement no later than ninety days before the tenants and any subtenant in possession are required to vacate. The notice must set forth generally the rights of tenants and subtenants under this section and shall be delivered pursuant to notice requirements set forth in RCW 59.12.040. No tenant or subtenant may be required to vacate upon less than ninety days' notice, except by reason of nonpayment of rent, waste, conduct that disturbs other tenants' peaceful enjoyment of the premises, or act of unlawful detainer as defined in RCW 59.12.030, and the terms of the tenancy may not be altered during that period. Nothing in this subsection shall be deemed to waive or repeal RCW 59.18.200-

(2). Failure to give notice as required by this section is a defense to an action for possession.

(2) For sixty days after delivery or mailing of the notice described in subsection (1) of this section, the person required to give the notice shall offer to convey each unit or proposed unit occupied for residential use to the tenant who leases that unit. If a tenant fails to purchase the unit during that sixty-day period, the offeror may ~~((not))~~ offer to dispose of an interest in that unit during the following one hundred eighty days at a price or on terms more favorable to the offeree than the price or terms offered to the tenant only if: (a) Such offeror, by written notice mailed to the tenant's last known address, offers to sell an interest in that unit at the more favorable price and terms, and (b) such tenant fails to accept such offer in writing within ten days following the mailing of the offer to the tenant. This subsection does not apply to any unit in a conversion condominium if that unit will be restricted exclusively to nonresidential use or the boundaries of the converted unit do not substantially conform to the dimensions of the residential unit before conversion.

(3) If a seller, in violation of subsection (2) of this section, conveys a unit to a purchaser for value who has no knowledge of the violation, recording of the deed conveying the unit extinguishes any right a tenant may have to purchase that unit but does not affect the right of a tenant to recover damages from the seller for a violation of subsection (2) of this section.

(4) If a notice of conversion specifies a date by which a unit or proposed unit must be vacated and otherwise complies with the provisions of this chapter and chapter 59.18 RCW, the notice also constitutes a notice to vacate specified by that statute.

(5) Nothing in this section permits termination of a lease by a declarant in violation of its terms.

(6) Notwithstanding RCW 64.34.050(1), a city or county may by appropriate ordinance require with respect to any conversion condominium within the jurisdiction of such city or county that:

(a) In addition to the statement required by RCW 64.34.415(1)(a), the public offering statement shall contain a copy of the written inspection report prepared by the appropriate department of such city or county, which report shall list any violations of the housing code or other governmental regulation, which code or regulation is applicable regardless of whether the real property is owned as a condominium or in some other form of ownership; said inspection shall be made within forty-five days of the declarant's written request therefor and said report shall be issued within fourteen days of said inspection being made. Such inspection may not be required with respect to any building for which a final certificate of occupancy has been issued by the city or county within the preceding twenty-four months; and any fee imposed for the making of such inspection may not exceed the fee that would be imposed for the making of such an inspection for a purpose other than complying with this subsection (6)(a);

(b) Prior to the conveyance of any residential unit within a conversion condominium, other than a conveyance to a declarant or affiliate of a declarant: (i) All violations disclosed in the inspection report provided for in (a) of this subsection, and not otherwise waived by such city or county, shall be repaired, and (ii) a certification shall be obtained from such city or county that such repairs have been made, which certification shall be based on a reinspection to be made within seven days of the declarant's written request therefor and which certification shall be issued within seven days of said reinspection being made;

(c) The repairs required to be made under (b) of this subsection shall be warranted by the declarant against defects due to workmanship or materials for a period of one year following the completion of such repairs;

(d) Prior to the conveyance of any residential unit within a conversion condominium, other than a conveyance to a declarant or affiliate of a declarant: (i) The declarant shall establish and maintain, during the one-year warranty period provided under (c) of this subsection, an account containing a sum equal to ten percent of the actual cost of making the repairs required under (b) of this subsection; (ii) during the one-year warranty period, the funds in such account shall be used exclusively for paying the actual cost of making repairs required, or for otherwise satisfying claims made, under such warranty; (iii) following the expiration of the one-year warranty period, any funds remaining in such account shall be immediately disbursed to the declarant; and (iv) the declarant shall notify in writing the association and such city or county as to the location of such account and any disbursements therefrom; and

(e) Relocation assistance not to exceed five hundred dollars per unit shall be paid to tenants and subtenants who elect not to purchase a unit and who are in lawful occupancy for residential purposes of a unit and whose monthly household income from all sources, on the date of the notice described in

subsection (1) of this section, was less than an amount equal to eighty percent of (i) the monthly median income for comparably sized households in the standard metropolitan statistical area, as defined and established by the United States department of housing and urban development, in which the condominium is located, or (ii) if the condominium is not within a standard metropolitan statistical area, the monthly median income for comparably sized households in the state of Washington, as defined and determined by said department. The household size of a unit shall be based on the number of persons actually in lawful occupancy of the unit. The tenant or subtenant actually in lawful occupancy of the unit shall be entitled to the relocation assistance. Relocation assistance shall be paid on or before the date the tenant or subtenant vacates and shall be in addition to any damage deposit or other compensation or refund to which the tenant is otherwise entitled. Unpaid rent or other amounts owed by the tenant or subtenant to the landlord may be offset against the relocation assistance.

(7) Violations of any city or county ordinance adopted as authorized by subsection (6) of this section shall give rise to such remedies, penalties, and causes of action which may be lawfully imposed by such city or county. Such violations shall not invalidate the creation of the condominium or the conveyance of any interest therein.

**Sec. 26.** RCW 64.34.445 and 1989 c 43 s 4-112 are each amended to read as follows:

(1) A declarant and any dealer warrants that a unit will be in at least as good condition at the earlier of the time of the conveyance or delivery of possession as it was at the time of contracting, reasonable wear and tear and damage by casualty or condemnation excepted.

(2) A declarant and any dealer impliedly warrants that a unit and the common elements in the condominium are suitable for the ordinary uses of real estate of its type and that any improvements made or contracted for by ~~((the person, or made by any person before the creation of the condominium,))~~ such declarant or dealer will be:

(a) Free from defective materials; and

(b) Constructed in accordance with ~~((applicable law, according to))~~ sound engineering and construction standards, and in a workmanlike manner in compliance with all laws then applicable to such improvements.

(3) A declarant and any dealer warrants to a purchaser of a unit that may be used for residential use that an existing use, continuation of which is contemplated by the parties, does not violate applicable law at the earlier of the time of conveyance or delivery of possession.

(4) Warranties imposed by this section may be excluded or modified as specified in RCW 64.34.450.

(5) For purposes of this section, improvements made or contracted for by an affiliate of a declarant, as defined in RCW 64.34.020(1), are made or contracted for by the declarant.

(6) Any conveyance of a unit transfers to the purchaser all of the declarant's implied warranties of quality.

**Sec. 27.** RCW 58.17.040 and 1989 c 43 s 4-123 are each amended to read as follows:

The provisions of this chapter shall not apply to:

(1) Cemeteries and other burial plots while used for that purpose;

(2) Divisions of land into lots or tracts each of which is one-one hundred twenty-eighth of a section of land or larger, or five acres or larger if the land is not capable of description as a fraction of a section of land, unless the governing authority of the city, town, or county in which the land is situated shall have adopted a subdivision ordinance requiring plat approval of such divisions: PROVIDED, That for purposes of computing the size of any lot under this item which borders on a street or road, the lot size shall be expanded to include that area which would be bounded by the center line of the road or street and the side lot lines of the lot running perpendicular to such center line;

(3) Divisions made by testamentary provisions, or the laws of descent;

(4) Divisions of land into lots or tracts classified for industrial or commercial use when the city, town, or county has approved a binding site plan for the use of the land in accordance with local regulations;

(5) A division for the purpose of lease when no residential structure other than mobile homes or travel trailers are permitted to be placed upon the land when the city, town, or county has approved a binding site plan for the use of the land in accordance with local regulations;

(6) A division made for the purpose of alteration by adjusting boundary lines, between platted or unplatted lots or both, which does not create any additional lot, tract, parcel, site, or division nor create any lot, tract, parcel, site, or division which contains insufficient area and dimension to meet minimum requirements for width and area for a building site; and

(7) Divisions of land into lots or tracts if: (a) Such division is the result of subjecting a portion of a parcel or tract of land to either chapter 64.32 or 64.34 RCW subsequent to the recording of a binding site plan for all such land; (b) the improvements constructed or to be constructed thereon ~~((with))~~ are required by the provisions of the binding site plan to be included in one or more condominiums or owned by an association or other legal entity in which the owners of units therein or their owners' associations have a membership or other legal or beneficial interest; ~~((b))~~ (c) a city, town, or county has approved ((a)) the binding site plan for all such land; ~~((and (e)))~~ (d) such approved binding site plan is recorded in the county or counties in which such land is located; and (e) the binding site plan contains thereon the following statement: "All development and use of the land described herein shall be in accordance with ~~((the))~~ this binding

site plan, as it may be amended with the approval of the city, town, or county having jurisdiction over the development of such land, and in accordance with such other governmental permits, approvals, regulations, requirements, and restrictions that may be imposed upon such land and the development and use thereof. Upon completion, the improvements on the land shall be included in one or more condominiums or owned by an association or other legal entity in which the owners of units therein or their owners' associations have a membership or other legal or beneficial interest.<sup>(=)</sup> This binding site plan shall be binding upon all now or hereafter having any interest in the land described herein. The binding site plan may, but need not, depict or describe the boundaries of the lots or tracts resulting from subjecting a portion of the land to either chapter 64.32 or 64.34 RCW. A site plan shall be deemed to have been approved if the site plan was approved by a city, town, or county: (i) In connection with the final approval of a subdivision plat or planned unit development with respect to all of such land; or (ii) in connection with the issuance of building permits or final certificates of occupancy with respect to all of such land; or (iii) if not approved pursuant to (i) and (ii) of this subsection (7)(e), then pursuant to such other procedures as such city, town, or county may have established for the approval of a binding site plan.<sup>(=)</sup>

However, revenues (a) pledged by such counties and cities to debt retirement prior to (~~July 1, 1990~~) April 30, 1992, may continue to be used for that purpose until (~~all outstanding~~) the original debt for which the revenues were pledged is retired, or (b) committed prior to (~~July 1, 1990~~) April 30, 1992, by such counties or cities to a (~~capital~~) project may continue to be used for that purpose until the project is completed.

~~((2))~~ (3) In lieu of imposing the tax authorized in RCW 82.14.030(2), the (~~governing body~~) legislative authority of any county or any city may impose an additional excise tax on each sale of real property in the unincorporated areas of the county for the county tax and in the corporate limits of the city for the city tax at a rate not exceeding one-half of one percent of the selling price.

~~((3))~~ (4) Taxes imposed under this section shall be collected from persons who are taxable by the state under chapter 82.45 RCW upon the occurrence of any taxable event within the unincorporated areas of the county or within the corporate limits of the city, as the case may be.

Sec. 2. RCW 82.46.030 and 1990 1st ex.s. c 17 s 37 are each amended to read as follows:

(1) The county treasurer shall place one percent of the proceeds of the taxes imposed under (~~RCW 82.46.010~~) this chapter in the county current expense fund to defray costs of collection.

(2) The remaining proceeds from the county tax under RCW 82.46.010(1) shall be placed in a county capital improvements fund. The remaining proceeds from city or town taxes under RCW 82.46.010(1) shall be distributed to the respective cities and towns monthly and placed by the city treasurer in a municipal capital improvements fund.

(3) This section does not limit the existing authority of any city, town, or county to impose special assessments on property specially benefited thereby in the manner prescribed by law.

(2) The (~~governing body~~) legislative authority of any county or any city that plans under RCW 36.70A.040(1) may impose an additional excise tax on each sale of real property in the unincorporated areas of the county for the county tax and in the corporate limits of the city for the city tax at a rate not exceeding one-quarter of one percent of the selling price. Any county choosing to plan under RCW 36.70A.040(2) and any city within such a county may only adopt an ordinance imposing the excise tax authorized by this section if the ordinance is first authorized by a proposition approved by a majority of the voters of the taxing district voting on the proposition at a general election held within the district or at a special election within the taxing district called by the district for the purpose of submitting such proposition to the voters.

~~((2))~~ (3) Revenues generated from the tax imposed under subsection ~~((1))~~ (2) of this section shall be used by such counties and cities solely for financing capital projects specified in a capital facilities plan element of a comprehensive plan. However, revenues (a) pledged by such counties and cities to debt retirement prior to March 1, 1992, may continue to be used for that purpose until the original debt for which the revenues were pledged is retired, or (b) committed prior to March 1, 1992, by such counties or cities to a project may continue to be used for that purpose until the project is completed.

~~((3))~~ (4) Revenues generated by the tax imposed by this section shall be deposited in a separate account.

### VEHICLE LICENSES—REVISIONS

Effective Date: 6/11/92

AN ACT Relating to vehicle licenses; and amending RCW 46.16.006, 46.70.090, and 82.80.020.

Be it enacted by the Legislature of the State of Washington:

**Sec. 1.** RCW 46.16.006 and 1983 c 27 s 1 are each amended to read as follows:

(1) The term "registration year" for the purposes of chapters 46.16, 82.44, and 82.50 RCW means the effective period of a vehicle license issued by the department. Such year commences at 12:01 a.m. on the date of the calendar year designated by the department and ends at 12:01 a.m. on the same date of the next succeeding calendar year. If a vehicle license previously issued in this state has ~~((been))~~ expired ~~((for more than thirty days))~~ and is renewed with a different registered owner, a new registration year is deemed to commence upon the date the expired license is renewed in order that the renewed license be useable for a full twelve-month period.

(2) Each registration year may be divided into twelve registration months. Each registration month commences on the day numerically corresponding to the day of the calendar month on which the registration year begins, and terminates on the numerically corresponding day of the next succeeding calendar month.

(3) Where the term "last day of the month" is used in chapters 46.16, 82.44, and 82.50 RCW in lieu of a specified day of any calendar month it means the last day of such calendar month or months irrespective of the numerical designation of that day.

(4) If the final day of a registration year or month falls on a Saturday, Sunday, or legal holiday, such period extends through the end of the next business day.

**Sec. 2.** RCW 46.70.090 and 1991 c 140 s 1 are each amended to read as follows:

(1) The department shall issue a vehicle dealer license plate which shall be attached to the rear of the vehicle only and which is capable of distinguishing the classification of the dealer, to vehicle dealers properly licensed pursuant to this chapter and shall, upon application, issue manufacturer's license plates to manufacturers properly licensed pursuant to this chapter.

(2) The department shall ~~((not issue a vehicle dealer license plate to any vehicle dealer selling fewer than five vehicles annually))~~ issue to a vehicle dealer up to three vehicle dealer license plates. After the ~~((first))~~ third dealer plate is issued, the department shall limit the number of dealer plates to six percent of the vehicles sold during the preceding license period. For an original license the vehicle dealer license applicant shall estimate the first year's sales. The director or director's designee may waive these dealer plate issuance restrictions for a vehicle dealer if the waiver both serves the purposes of this chapter and is essential to the continuation of the business. The director shall adopt rules to implement this waiver.

(3) Motor vehicle dealer license plates may be used:

(a) To demonstrate motor vehicles held for sale when operated by an individual holding a valid operator's license, if a dated demonstration permit, valid for no more than seventy-two hours, is carried in the vehicle at all times it is operated by any such individual.

(b) On motor vehicles owned, held for sale, and which are in fact available for sale by the firm when operated by an officer of the corporation, partnership, or proprietorship or by their spouses, or by a bona fide full-time employee of the firm, if a card so identifying any such individual is carried in the vehicle at all times it is operated by such individual. Any such vehicle so operated may be used to transport the dealer's own tools, parts, and equipment of a total weight not to exceed five hundred pounds.

(c) On motor vehicles being tested for repair.

(d) On motor vehicles being moved to or from a motor vehicle dealer's place of business for sale.

(e) On motor vehicles being moved to or from motor vehicle service and repair facilities before sale.

(b) On mobile homes hauled to a customer's location for set-up after sale.

(c) On travel trailers held for sale to demonstrate the towing capability of the vehicle if a dated demonstration permit, valid for not more than seventy-two hours, is carried with the vehicle at all times.

(d) On mobile homes being hauled from a customer's location if the requirements of RCW 46.44.170 and 46.44.175 are met.

(e) On any motor vehicle owned by the dealer which is used only to move vehicles legally bearing mobile home and travel trailer dealer license plates of the dealer so owning any such motor vehicle.

(f) On vehicles being moved to or from vehicle exhibitions within the state of Washington, if any such exhibition does not exceed a period of twenty days.

(5) Miscellaneous vehicle dealer license plates may be used:

(a) To demonstrate any miscellaneous vehicle: PROVIDED, That:

(i) No such vehicle may be demonstrated on a public highway unless the customer has an appropriate endorsement on his driver's license, if such endorsement is required to operate such vehicle; and

(ii) A dated demonstration permit, valid for no more than seventy-two hours, is carried with the vehicle at all times it is operated by any such individual.

(b) On vehicles owned, held for sale, and which are in fact available for sale, by the firm when operated by an officer of the corporation, partnership, or proprietorship or by a bona fide full-time employee of the firm, if a card so identifying such individual is carried in the vehicle at all times it is operated by him.

(6) Manufacturers properly licensed pursuant to this chapter may apply for and obtain manufacturer license plates and may be used:

(a) On vehicles being moved to or from the place of business of a manufacturer to a vehicle dealer within this state who is properly licensed pursuant to this chapter.

(b) To test vehicles for repair.

(7) Vehicle dealer license plates and manufacturer license plates shall not be used for any purpose other than set forth in this section and specifically shall not be:

(a) Used on any vehicle not within the class for which the vehicle dealer or manufacturer license plates are issued unless specifically provided for in this section.

(b) Loaned to any person for any reason not specifically provided for in this section.

(c) Used on any vehicles for the transportation of any person, produce, freight, or commodities unless specifically provided for in this section, except there shall be permitted the use of such vehicle dealer license plates on a vehicle transporting commodities in the course of a demonstration over a period not to exceed seventy-two consecutive hours from the commencement of such demonstration, if a representative of the dealer is present and accompanies such vehicle during the course of the demonstration.

(d) Used on any vehicle sold to a resident of another state to transport such vehicle to that other state in lieu of a trip permit or in lieu of vehicle license plates obtained from that other state.

(e) Used on any new vehicle unless the vehicle dealer has provided the department a current service agreement with the manufacturer or distributor of that vehicle as provided in RCW 46.70.041(1)(k).

(8) In addition to or in lieu of any sanction imposed by the director pursuant to RCW 46.70.101 for unauthorized use of vehicle dealer license plates or manufacturer license plates, the director may order that any or all vehicle dealer license plates or manufacturer license plates issued pursuant to this chapter be confiscated for such period as he deems appropriate.

*(2) The department of licensing shall administer and collect the fee. The department shall deduct a percentage amount, as provided by contract, not to exceed two percent of the taxes collected, for administration and collection expenses incurred by it. The remaining proceeds shall be remitted to the custody of the state treasurer for monthly distribution under RCW 82.80.080.*

*(3) The proceeds of this fee shall be used strictly for transportation purposes in accordance with RCW 82.80.070.*

*(4) A county imposing this fee shall delay the effective date at least six months from the date the ordinance is enacted to allow the department of licensing to implement administration and collection of the fee.*

*(5) The legislative authority of a county may develop and initiate ~~((a refund))~~ an exemption process of the fifteen dollar fee ~~((to))~~ for the registered owners of vehicles residing within the boundaries of the county who ~~((are sixty one years old or older at the time of payment of the fee and whose household income for the previous calendar year is eighteen thousand dollars or less or who has a physical disability and who has paid the fifteen dollar~~*

**additional-fee)) meet the standards for the property tax exemption under RCW 84.36.381.**

\*Sec. 3 was vetoed, see message at end of chapter.

Passed the House March 7, 1992.

Passed the Senate March 4, 1992.

Approved by the Governor April 2, 1992, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State April 2, 1992.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 3, Substitute House Bill No. 2660 entitled:

"AN ACT Relating to vehicle licenses."

In 1990, the legislature authorized counties to fix and impose a vehicle license fee in addition to the fee charged by the state. In 1991, the legislature authorized county legislative authorities to refund this fee to all senior citizens who were at least 61 years old and who had household incomes of \$18,000 or less or who were physically disabled. Section 3 was intended to change this refund mechanism to an outright exemption. The eligibility requirements of this exemption are established by reference to RCW 84.36.381, relating to senior citizen property tax exemptions. Unfortunately, in drafting the section in this manner, only those who own real property would be eligible for the exemption. I urge the Department of Licensing and the affected counties to remedy this oversight and submit the appropriate legislation in the next session.

For this reason, I have vetoed section 3 of Substitute House Bill No. 2660.

With the exception of section 3, Substitute House Bill No. 2660 is approved."

## CHAPTER 223

[Substitute House Bill 1736]

### PUBLIC WORKS CONTRACTS—REVISED PAYMENT PROCEDURES

Effective Date: 9/1/92

AN ACT Relating to payment for work of improvement on real property; adding a new section to chapter 39.76 RCW; adding new sections to chapter 60.28 RCW; adding a new section to chapter 39.04 RCW; creating new sections; prescribing penalties; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

**NEW SECTION.** Sec. 1. A new section is added to chapter 39.76 RCW to read as follows:

(1) Except as provided in RCW 39.76.020, every state agency, county, city, town, school district, board, commission, or any other public body shall pay interest at a rate of one percent per month, but at least one dollar per month, on amounts due on written contracts for public works, personal services, goods and services, equipment, and travel, whenever the public body fails to make timely payment.

(2) For purposes of this section, payment shall be timely if:

(a) Except as provided otherwise in this subsection, a check or warrant is mailed or is available on the date specified for the amount specified in the applicable contract documents but not later than thirty days of receipt of a

properly completed invoice or receipt of goods or services, whichever is later. If a contract is funded by grant or federal money, the public body shall pay the prime contractor for satisfactory performance within thirty calendar days of the date the public body receives a payment request that complies with the contract or within thirty calendar days of the date the public body actually receives the grant or federal money, whichever is later.

(b) On written contracts for public works, when part or all of a payment is going to be withheld for unsatisfactory performance or if the payment request made does not comply with the requirements of the contract, the public body shall notify the prime contractor in writing within eight working days after receipt of the payment request stating specifically why part or all of the payment is being withheld and what remedial actions must be taken by the prime contractor to receive the withheld amount.

(c) If the notification by the public body required by (b) of this subsection does not comply with the notice contents required under (b) of this subsection, the public body shall pay the interest under subsection (1) of this section from the ninth working day after receipt of the initial payment request until the contractor receives notice that does comply with the notice contents required under (b) of this subsection.

(d) If part or all of a payment is withheld under (b) of this subsection, the public body shall pay the withheld amount within thirty calendar days after the prime contractor satisfactorily completes the remedial actions identified in the notice. If the withheld amount is not paid within the thirty calendar days, the public body shall pay interest under subsection (1) of this section from the thirty-first calendar day until the date paid.

(e)(i) If the prime contractor on a public works contract, after making a request for payment to the public body but before paying a subcontractor for the subcontractor's performance covered by the payment request, discovers that part or all of the payment otherwise due to the subcontractor is subject to withholding from the subcontractor under the subcontract for unsatisfactory performance, the prime contractor may withhold the amount as allowed under the subcontract. If the prime contractor withholds an amount under this subsection, the prime contractor shall:

(A) Give the subcontractor notice of the remedial actions that must be taken as soon as practicable after determining the cause for the withholding but before the due date for the subcontractor payment;

(B) Give the contracting officer of the public body a copy of the notice furnished to the subcontractor under (e)(i)(A) of this subsection; and

(C) Pay the subcontractor within eight working days after the subcontractor satisfactorily completes the remedial action identified in the notice.

(ii) If the prime contractor does not comply with the notice and payment requirements of (e)(i) of this subsection, the contractor shall pay the subcontrac-

tor interest on the withheld amount from the eighth working day at an interest rate that is equal to the amount set forth in subsection (1) of this section.

(3) For the purposes of this section:

(a) A payment is considered to be made when mailed or personally delivered to the party being paid.

(b) An invoice is considered to be received when it is date-stamped or otherwise marked as delivered. If the invoice is not date-stamped or otherwise marked as delivered, the date of the invoice is considered to be the date when the invoice is received.

**NEW SECTION. Sec. 2.** (1) Public improvement contracts shall provide, and public bodies shall reserve, a contract retainage not to exceed five percent of the moneys earned by the contractor as a trust fund for the protection and payment of: (a) The claims of any person arising under the contract; and (b) the state with respect to taxes imposed pursuant to Title 82 RCW which may be due from such contractor.

(2) Every person performing labor or furnishing supplies toward the completion of a public improvement contract shall have a lien upon moneys reserved by a public body under the provisions of a public improvement contract: PROVIDED, That the notice of the lien of the claimant shall be given within forty-five days of completion of the contract work, and in the manner provided in RCW 39.08.030.

(3) The contractor at any time may request the contract retainage be reduced to one hundred percent of the value of the work remaining on the project.

(a) After completion of all contract work other than landscaping, the contractor may request that the public body release and pay in full the amounts retained during the performance of the contract, and sixty days thereafter the public body must release and pay in full the amounts retained (other than continuing retention of five percent of the moneys earned for landscaping) subject to the provisions of chapters 39.12 and 60.28 RCW.

(b) Sixty days after completion of all contract work the public body must release and pay in full the amounts retained during the performance of the contract subject to the provisions of chapters 39.12 and 60.28 RCW.

(4) The moneys reserved by a public body under the provisions of a public improvement contract, at the option of the contractor, shall be:

(a) Retained in a fund by the public body;

(b) Deposited by the public body in an interest bearing account in a bank, mutual savings bank, or savings and loan association. Interest on moneys reserved by a public body under the provision of a public improvement contract shall be paid to the contractor;

(c) Placed in escrow with a bank or trust company by the public body. When the moneys reserved are placed in escrow, the public body shall issue a check representing the sum of the moneys reserved payable to the bank or trust company and the contractor jointly. This check shall be converted into bonds

and securities chosen by the contractor and approved by the public body and the bonds and securities shall be held in escrow. Interest on the bonds and securities shall be paid to the contractor as the interest accrues.

(5) The contractor or subcontractor may withhold payment of not more than five percent from the moneys earned by any subcontractor or sub-subcontractor or supplier contracted with by the contractor to provide labor, materials, or equipment to the public project. Whenever the contractor or subcontractor reserves funds earned by a subcontractor or sub-subcontractor or supplier, the contractor or subcontractor shall pay interest to the subcontractor or sub-subcontractor or supplier at a rate equal to that received by the contractor or subcontractor from reserved funds.

(6) With the consent of the public body the contractor may submit a bond for all or any portion of the contract retainage in a form acceptable to the public body. This bond and any proceeds therefrom are subject to all claims and liens and in the same manner and priority as set forth for retained percentages in this chapter. The public body shall release the bonded portion of the retained funds to the contractor within thirty days of accepting the bond from the contractor. Whenever a public body accepts a bond in lieu of retained funds from a contractor, the contractor shall accept like bonds from any subcontractors or suppliers from which the contractor has retained funds. The contractor shall then release the funds retained from the subcontractor or supplier to the subcontractor or supplier within thirty days of accepting the bond from the subcontractor or supplier.

(7) If the public body administering a contract, after a substantial portion of the work has been completed, finds that an unreasonable delay will occur in the completion of the remaining portion of the contract for any reason not the result of a breach thereof, it may, if the contractor agrees, delete from the contract the remaining work and accept as final the improvement at the stage of completion then attained and make payment in proportion to the amount of the work accomplished and in this case any amounts retained and accumulated under this section shall be held for a period of sixty days following the completion. In the event that the work is terminated before final completion as provided in this section, the public body may thereafter enter into a new contract with the same contractor to perform the remaining work or improvement for an amount equal to or less than the cost of the remaining work as was provided for in the original contract without advertisement or bid. The provisions of this chapter are exclusive and shall supersede all provisions and regulations in conflict herewith.

(8) Whenever the department of transportation has contracted for the construction of two or more ferry vessels, sixty days after completion of all contract work on each ferry vessel, the department must release and pay in full the amounts retained in connection with the construction of the vessel subject to the provisions of RCW 60.28.020 and chapter 39.12 RCW: PROVIDED, That the department of transportation may at its discretion condition the release of

funds retained in connection with the completed ferry upon the contractor delivering a good and sufficient bond with two or more sureties, or with a surety company, in the amount of the retained funds to be released to the contractor, conditioned that no taxes shall be certified or claims filed for work on the ferry after a period of sixty days following completion of the ferry; and if taxes are certified or claims filed, recovery may be had on the bond by the department of revenue and the materialmen and laborers filing claims.

(9) Except as provided in subsection (1) of this section, reservation by a public body for any purpose from the moneys earned by a contractor by fulfilling its responsibilities under public improvement contracts is prohibited.

(10) Contracts on projects funded in whole or in part by farmers home administration and subject to farmers home administration regulations are not subject to subsections (1) through (9) of this section.

(11) Unless the context clearly requires otherwise, the definitions in this subsection apply throughout this section.

(a) "Contract retainage" means an amount reserved by a public body from the moneys earned by a person under a public improvement contract.

(b) "Person" means a person or persons, mechanic, subcontractor, or materialperson who performs labor or provides materials for a public improvement contract, and any other person who supplies the person with provisions or supplies for the carrying on of a public improvement contract.

(c) "Public body" means the state, or a county, city, town, district, board, or other public body.

(d) "Public improvement contract" means a contract for public improvements or work, other than for professional services.

**NEW SECTION. Sec. 3.** After the expiration of the forty-five day period for giving notice of lien provided in section 2(2) of this act, and after receipt of the department of revenue's certificate, and the public body is satisfied that the taxes certified as due or to become due by the department of revenue are discharged, and the claims of materialmen and laborers who have filed their claims, together with a sum sufficient to defray the cost of foreclosing the liens of such claims, and to pay attorneys' fees, have been paid, the public body may withhold from the remaining retained amounts for claims the public body may have against the contractor and shall pay the balance, if any, to the contractor the fund retained by it or release to the contractor the securities and bonds held in escrow.

If such taxes have not been discharged or the claims, expenses, and fees have not been paid, the public body shall either retain in its fund, or in an interest bearing account, or retain in escrow, at the option of the contractor, an amount equal to such unpaid taxes and unpaid claims together with a sum sufficient to defray the costs and attorney fees incurred in foreclosing the lien of such claims, and shall pay, or release from escrow, the remainder to the contractor.

**NEW SECTION. Sec. 4.** Upon completion of a contract, the state, county or other municipal officer charged with the duty of disbursing or authorizing disbursement or payment of such contracts shall forthwith notify the department of revenue of the completion of contracts over twenty thousand dollars. Such officer shall not make any payment from the retained percentage fund or release any retained percentage escrow account to any person, until he has received from the department of revenue a certificate that all taxes, increases and penalties due from the contractor, and all taxes due and to become due with respect to such contract have been paid in full or that they are, in the department's opinion, readily collectible without recourse to the state's lien on the retained percentage.

**NEW SECTION. Sec. 5.** A new section is added to chapter 39.04 RCW to read as follows:

(1) When payment is received by a contractor or subcontractor for work performed on a public work, the contractor or subcontractor shall pay to any subcontractor not later than ten days after the receipt of the payment, amounts allowed the contractor on account of the work performed by the subcontractor, to the extent of each subcontractor's interest therein.

(2) In the event of a good faith dispute over all or any portion of the amount due on a payment from the state or a municipality to the prime contractor, or from the prime contractor or subcontractor to a subcontractor, then the state or the municipality, or the prime contractor or subcontractor, may withhold no more than one hundred fifty percent of the disputed amount. Those not a party to a dispute are entitled to full and prompt payment of their portion of a draw, progress payment, final payment, or released retainage.

(3) In addition to all other remedies, any person from whom funds have been withheld in violation of this section shall be entitled to receive from the person wrongfully withholding the funds, for every month and portion thereof that payment including retainage is not made, interest at the highest rate allowed under RCW 19.52.025. In any action for the collection of funds wrongfully withheld, the prevailing party shall be entitled to costs of suit and reasonable attorneys' fees.

**NEW SECTION. Sec. 6.** (1) The rights provided in this act may not be waived by the parties and a contract provision that provides for waiver of the rights provided in this act is void as against public policy.

(2) This act is to be liberally construed to provide security for all parties intended to be protected by its provisions.

**NEW SECTION. Sec. 8.** Sections 2 through 4 of this act are each added to chapter 60.28 RCW.

(3) Unless otherwise agreed in writing or expressly provided in the decree, provisions for the support of a child are terminated by emancipation of the child or by the death of the parent obligated to support the child.

Twenty-four months must pass following the second change before a ~~((petition))~~ motion for ~~((modification))~~ an adjustment under (a) of this subsection may be filed.

## CHAPTER 230

[Engrossed Senate Bill 6319]

### PLACEMENT OF MENTALLY DISORDERED PERSONS—REVISIONS

**Effective Date:** 6/11/92 - Except Sections 1 & 2 which take effect on 4/2/92; and Section 5 which takes effect on 7/1/95.

AN ACT Relating to the placement of people with disabilities; amending RCW 72.23.025; reenacting and amending RCW 71.24.035, 71.24.045, and 71.24.300; adding a new section to chapter 72.23 RCW; creating a new section; repealing RCW 72.06.010, 72.06.050, 72.06.060, and 72.06.070; providing an effective date; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

**Sec. 1.** RCW 72.23.025 and 1989 c 205 s 21 are each amended to read as follows:

(1) It is the intent of the legislature to improve the quality of service at state hospitals, eliminate overcrowding, and more specifically define the role of the state hospitals. The legislature intends that eastern and western state hospitals shall become clinical centers for handling the most complicated long-term care needs of patients with a primary diagnosis of mental disorder. Over the next six years, their involvement in providing short-term ((and)), acute care, and less complicated long-term care shall be diminished in accordance with the revised responsibilities for mental health care under chapter 71.24 RCW. To this end, the legislature intends that funds appropriated for mental health programs, including funds for regional support networks and the state hospitals be used for persons with primary diagnosis of mental disorder. The legislature finds that establishment of the eastern state hospital board, the western state hospital board, and institutes for the study and treatment of mental disorders at both eastern state hospital and western state hospital will be instrumental in implementing the legislative intent.

(2)(a) The eastern state hospital board and the western state hospital board are each established. Members of the boards shall be appointed by the governor with the consent of the senate. Each board shall include:

(i) The director of the institute for the study and treatment of mental disorders established at the hospital;

(ii) One family member of a current or recent hospital resident;

(iii) One consumer of services;

(iv) One community mental health service provider;

(v) Two citizens with no financial or professional interest in mental health services;

(vi) One representative of the regional support network in which the hospital is located;

(vii) One representative from the staff who is a physician;

(viii) One representative from the nursing staff;

The county authority shall:

*(1) ~~((Submit biennial needs assessments beginning January 1, 1983, and mental health service plans which incorporate all services provided for by the county authority consistent with state minimum standards and which provide~~*

~~access to treatment for the county's residents including children and other underserved populations who are acutely mentally ill, chronically mentally ill, severely emotionally disturbed, or seriously disturbed. The county program shall provide:~~

- ~~(a) Outpatient services;~~
- ~~(b) Emergency care services for twenty-four hours per day;~~
- ~~(c) Day treatment for mentally ill persons which includes training in basic living and social skills, supported work, vocational rehabilitation, and day activities. Such services may include therapeutic treatment. In the case of a child, day treatment includes age appropriate basic living and social skills, educational and prevocational services, day activities, and therapeutic treatment;~~
- ~~(d) Screening for patients being considered for admission to state mental health facilities to determine appropriateness of admission;~~
- ~~(e) Employment services, which may include supported employment, transitional work, placement in competitive employment, and other work-related services, that result in mentally ill persons becoming engaged in meaningful and gainful full or part-time work;~~
- ~~(f) Consultation and education services;~~
- ~~(g) Residential and inpatient services, if the county chooses to provide such optional services; and~~
- ~~(h) Community support services.~~

~~The county shall develop the biennial needs assessment based on clients to be served, services to be provided, and the cost of those services, and may include input from the public, clients, and licensed service providers. Each county authority may appoint a county mental health advisory board which shall review and provide comments on plans and policies developed by the county authority under this chapter. The composition of the board shall be broadly representative of the demographic character of the county and the mentally ill persons served therein. Length of terms of board members shall be determined by the county authority;~~

~~(2)) Contract as needed with licensed service providers. The county authority may, in the absence of a licensed service provider entity, become a licensed service provider entity pursuant to minimum standards required for licensing by the department for the purpose of providing services not available from licensed service providers;~~

~~((3)) (2) Operate as a licensed service provider if it deems that doing so is more efficient and cost effective than contracting for services. When doing so, the county authority shall comply with rules promulgated by the secretary that shall provide measurements to determine when a county provided service is more efficient and cost effective;~~

~~((4)) (3) Monitor and perform biennial fiscal audits of licensed service providers who have contracted with the county to provide services required by this chapter. The monitoring and audits shall be performed by means of a formal~~

process which insures that the licensed service providers and professionals designated in this subsection meet the terms of their contracts, including the minimum standards of service delivery as established by the department;

~~((5))~~ (4) Assure that the special needs of minorities, the elderly, disabled, children, and low-income persons are met within the priorities established in this chapter;

~~((6))~~ (5) Maintain patient tracking information in a central location as required for resource management services;

~~((8))~~ (7) Coordinate services for individuals who have received services through the community mental health system and who become patients at a state mental hospital.

**Sec. 6.** RCW 71.24.300 and 1991 c 295 s 3, 1991 c 262 s 2, and 1991 c 29 s 3 are each reenacted and amended to read as follows:

A county authority or a group of county authorities whose combined population is no less than forty thousand may enter into a joint operating agreement to form a regional support network. The roles and responsibilities of county authorities shall be determined by the terms of that agreement and the provisions of law. The state mental health authority may not determine the roles and responsibilities of county authorities as to each other under regional support networks by rule, except to assure that all duties required of regional support networks are assigned and that a single authority has final responsibility for all available resources and performance under the regional support network's contract with the secretary.

(1) Regional support networks shall within three months of recognition submit an overall six-year operating and capital plan, timeline, and budget and submit progress reports and an updated two-year plan biennially thereafter, to assume within available resources all of the following duties by July 1, 1995, instead of those presently assigned to counties under RCW 71.24.045(1):

(a) Administer and provide for the availability of all resource management services, residential services, and community support services.

(b) Administer and provide for the availability of all investigation, transportation, court-related, and other services provided by the state or counties pursuant to chapter 71.05 RCW.

(c) By July 1, 1993, provide within the boundaries of each regional support network evaluation and treatment services for at least eighty-five percent of persons detained or committed for periods up to seventeen days according to chapter 71.05 RCW. Regional support networks with populations of less than one hundred fifty thousand may contract to purchase evaluation and treatment services from other networks. Insofar as the original intent of serving persons in the community is maintained, the secretary is authorized to approve exceptions on a case-by-case basis to the requirement to provide evaluation and treatment services within the boundaries of each regional support network. Such exceptions are limited to contracts with neighboring or contiguous regions. For regional support networks that are created after June 30, 1991, the requirements of (c) of this subsection must be met by July 1, 1995.

(d) By July 1, 1993, administer a portion of funds appropriated by the legislature to house mentally ill persons in state institutions from counties within the boundaries of any regional support network, with the exception of mentally ill offenders, and provide for the care of all persons needing evaluation and treatment services for periods up to seventeen days according to chapter 71.05 RCW in appropriate residential services, which may include state institutions. The regional support networks shall reimburse the state for use of state institutions at a rate equal to that assumed by the legislature when appropriating funds for such care at state institutions during the biennium when reimbursement occurs. The duty of a state hospital to accept persons for evaluation and treatment under chapter 71.05 RCW is limited by the responsibilities assigned to regional support networks under this section. For regional support networks that are created after June 30, 1991, the requirements of (d) of this subsection must be met by July 1, 1995.

(e) Administer and provide for the availability of all other mental health services, which shall include patient counseling, day treatment, consultation, education services, employment services as defined in RCW 71.24.035, and mental health services to children as provided in this chapter.

(f) Establish standards and procedures for reviewing individual service plans and determining when that person may be discharged from resource management services.

(2) Regional support networks shall assume all duties assigned to county authorities by this chapter and chapter 71.05 RCW.

(3) A regional support network may request that any state-owned land, building, facility, or other capital asset which was ever purchased, deeded, given, or placed in trust for the care of the mentally ill and which is within the boundaries of a regional support network be made available to support the operations of the regional support network. State agencies managing such capital assets shall give first priority to requests for their use pursuant to this chapter.

(4) Each regional support network shall appoint a mental health advisory board which shall review and provide comments on plans and policies developed

under this chapter. The composition of the board shall be broadly representative of the demographic character of the region and the mentally ill persons served therein. Length of terms of board members shall be determined by the regional support network.

(5) Regional support networks shall assume all duties specified in their plans and joint operating agreements through biennial contractual agreements with the secretary. Such contracts may include agreements to provide periods of stable community living and work or other day activities for specific chronically mentally ill persons who have completed commitments at state hospitals on ninety-day or one hundred eighty-day civil commitments or who have been residents at state hospitals for no less than one hundred eighty days within the previous year. Periods of stable community living may involve acute care in local evaluation and treatment facilities but may not involve use of state hospitals.

(6) Counties or groups of counties participating in a regional support network are not subject to RCW 71.24.045(7). The office of financial management shall consider information gathered in studies required in this chapter and information about the experience of other states to propose a mental health services administrative cost lid to the ((1994)) 1993 legislature which shall include administrative costs of licensed service providers, the state psychiatric hospitals and the department.

~~(7) ((The first regional support network contract may include a pilot project to: Establish standards and procedures for (a) making referrals for comprehensive medical examinations and treatment programs for those whose mental illness is caused or exacerbated by organic disease, and (b) training staff in recognizing the relationship between mental illness and organic disease.~~

((8))) By November 1, 1991, and as part of each biennial plan thereafter, each regional support network shall establish and submit to the state, procedures and agreements to assure access to sufficient additional local evaluation and treatment facilities to meet the requirements of this chapter while reducing short-term admissions to state hospitals. These shall be commitments to construct and operate, or contract for the operation of, freestanding evaluation and treatment facilities or agreements with local evaluation and treatment facilities which shall include (a) required admission and treatment for short-term inpatient care for any person enrolled in community support or residential services, (b) discharge planning procedures, (c) limitations on admissions or transfers to state hospitals, (d) adequate psychiatric supervision, (e) prospective payment methods, and (f) contractual assurances regarding referrals to local evaluation and treatment facilities from regional support networks.

~~((9)))~~ (8) Regional support networks may receive technical assistance from the housing trust fund and may identify and submit projects for housing and housing support services to the housing trust fund established under chapter 43.185 RCW. Projects identified or submitted under this subsection must be

fully integrated with the regional support network six-year operating and capital plan, timeline, and budget required by subsection (1) of this section.

\*Sec. 7 was vetoed, see message at end of chapter.

**NEW SECTION. Sec. 8.** Section 5 of this act shall take effect July 1, 1995.

**NEW SECTION. Sec. 9.** Sections 1 and 2 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

Passed the Senate March 12, 1992.

Passed the House March 11, 1992.

Approved by the Governor April 2, 1992, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State April 2, 1992.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to sections 4 and 7, Engrossed Senate Bill No. 6319 entitled:

"AN ACT Relating to the placement of people with disabilities."

Existing law mandates that regional support networks receive a portion of state mental hospital funds when they assume new responsibilities for short-term involuntary commitments. The Department of Social and Health Services and the regional support networks have been working for months to establish a formula to implement this funding change.

The language in section 4 creates a right to "any savings" achieved through reduction in use of hospital beds. This is not feasible to administer since it would require constant readjustment according to bed day use or some other factor. Neither regional support networks nor the state would retain any certainty as to their budgets. Unfair allocations between regions would be created. The effect would be a potential for ongoing litigation and tension between mental health regional support networks and the Department of Social and Health Services.

I am pleased with the remarkable achievements of the regional support networks and the Department of Social and Health Services in implementing mental health reform. The type of mandate contained in section 4 of this bill could interfere with that collaborative effort.

Section 7 of the bill would repeal statutes intended to be addressed in section 4.

For these reasons, I have vetoed sections 4 and 7 of Engrossed Senate Bill No. 6319.

With the exception of sections 4 and 7, Engrossed Senate Bill No. 6319 is approved."

Small school enrollments in kindergarten through grade six shall generate funding under (a) of this subsection, and shall not generate allocations under (d) and (e) of this subsection, if the staffing allocations generated under (a) of this subsection exceed those generated under (d) and (e) of this subsection. The certificated staffing allocations shall be as follows:

instruction, 0.92 certificated instructional staff units and 0.08 certificated administrative staff units for each 16.67 full time equivalent vocational students;

(d) For districts enrolling not more than twenty-five average annual full time equivalent students in kindergarten through grade eight, and for small school plants within any school district which have been judged to be remote and necessary by the state board of education and enroll not more than twenty-five average annual full time equivalent students in kindergarten through grade eight:

(ii) For those enrolling students in grades seven or eight, 1.68 certificated instructional staff units and 0.32 certificated administrative staff units for enrollment of not more than five students, plus one-tenth of a certificated instructional staff unit for each additional student enrolled.

(e) For specified enrollments in districts enrolling more than twenty-five but not more than one hundred average annual full time equivalent students in kindergarten through grade eight, and for small school plants within any school district which enroll more than twenty-five average annual full time equivalent kindergarten through eighth grade students and have been judged to be remote and necessary by the state board of education:

(ii) For all other small high schools under this subsection, nine certificated instructional staff units and one-half of a certificated administrative staff unit for the first sixty average annual full time equivalent students, and additional staff units based on a ratio of 0.8732 certificated instructional staff units and 0.1268 certificated administrative staff units per each additional forty-three and one-half average annual full time equivalent students.

Units calculated under (f)(ii) of this subsection shall be reduced by certificated staff units at the rate of forty-six certificated instructional staff units

and four certificated administrative staff units per thousand vocational and handicapped full time equivalent students.

(g) For each nonhigh school district having an enrollment of more than seventy annual average full time equivalent students and less than one hundred eighty students, operating a grades K-8 program or a grades 1-8 program, an additional one-half of a certificated instructional staff unit;

(a) For enrollments generating certificated staff unit allocations under subsection (2) (d) through (h) of this section, one classified staff unit for each three certificated staff units allocated under such subsections.

(b) For all other enrollment in grades kindergarten through twelve, including vocational but excluding handicapped full time equivalent enrollments, one classified staff unit for each sixty average annual full time equivalent students.

(c) For each nonhigh school district with an enrollment of more than fifty annual average full time equivalent students and less than one hundred eighty students, an additional one-half of a classified staff unit.

(4) Fringe benefit allocations shall be calculated at a rate of 21.11 percent in the 1991-92 ~~((and 1992-93))~~ school year~~((s))~~ and 20.30 percent in the 1992-93 school year of certificated salary allocations provided under subsection (2) of this section, and a rate of 18.84 percent in the 1991-92 ~~((and 1992-93))~~ school year~~((s))~~ and 18.53 percent in the 1992-93 school year of classified salary allocations provided under subsection (3) of this section.

(5) Insurance benefit allocations shall be calculated at the rates specified in section 505 of this act, based on:

(a) The number of certificated staff units determined in subsection (2) of this section; and

(b) The number of classified staff units determined in subsection (3) of this section multiplied by 1.152. This factor is intended to adjust allocations so that, for the purposes of distributing insurance benefits, full time equivalent classified employees may be calculated on the basis of 1440 hours of work per year, with no individual employee counted as more than one full time equivalent.

(6)(a) For nonemployee-related costs associated with each certificated staff unit allocated under subsection (2) (a), (b), and (d) through (h) of this section, there shall be provided a maximum of \$6,848 per certificated staff unit in the 1991-92 school year and a maximum of \$7,060 per certificated staff unit in the 1992-93 school year.

(b) For nonemployee-related costs associated with each certificated staff unit allocated under subsection (2)(c) of this section, there shall be provided a

maximum of \$13,049 per certificated staff unit in the 1991-92 school year and a maximum of \$13,454 per certificated staff unit in the 1992-93 school year.

(7) Allocations for substitute costs for classroom teachers shall be distributed at a maximum rate of \$318 for the 1991-92 school year and \$318 per year for the 1992-93 school year for allocated classroom teachers. Solely for the purposes of this subsection, allocated classroom teachers shall be equal to the number of certificated instructional staff units allocated under subsection (2) of this section, multiplied by the ratio between the number of actual basic education certificated teachers and the number of actual basic education certificated instructional staff reported state-wide for the 1990-91 school year.

(8) The superintendent may distribute a maximum of ~~\$(4,633,000)~~ 4,690,000 outside the basic education formula during fiscal years 1992 and 1993 as follows:

(a) For fire protection for school districts located in a fire protection district as now or hereafter established pursuant to chapter 52.04 RCW, a maximum of \$386,000 may be expended in fiscal year 1992 and a maximum of \$398,000 may be expended in fiscal year 1993.

(b) For summer vocational programs at skills centers, a maximum of ~~\$(1,777,000)~~ 1,766,000 may be expended in fiscal year 1992 and a maximum of ~~\$(1,788,000)~~ 1,856,000 may be expended in fiscal year 1993.

(c) A maximum of \$284,000 may be expended for school district emergencies.

(9) For the purposes of RCW 84.52.0531, the increase per full time equivalent student in state basic education appropriations provided under this act, including appropriations for salary and benefits increases, is 5.6 percent from the 1990-91 school year to the 1991-92 school year, and 5.0 percent from the 1991-92 school year to the 1992-93 school year.

(10) A maximum of \$2,450,000 may be expended in the 1991-92 fiscal year and a maximum of \$2,450,000 may be expended in the 1992-93 fiscal year for high technology vocational equipment for secondary vocational education programs and skill centers.

(11)(a) Funds provided under subsection (2)(a)(ii) of this section in excess of the amount required to maintain the statutory minimum ratio established under RCW 28A.150.260(2)(c), shall be allocated only if the district documents an actual ratio equal to or greater than 54.3 certificated instructional staff per thousand full time equivalent students in grades K-3. For any school district documenting a lower certificated instructional staff ratio, the allocation shall be based on the district's actual K-3 certificated instructional staff ratio achieved in that school year, or the statutory minimum ratio established under RCW 28A.150.260(2)(c), if greater.

(b) Districts at or above 51.0 certificated instructional staff per one thousand full time equivalent students in grades K-3 may dedicate up to 1.3 of the 54.3 funding ratio to employ additional classified instructional assistants assigned to basic education classrooms in grades K-3. For purposes of documenting a

district's staff ratio under subsection (11)(a) and (c) of this section, funds used by the district to employ additional classified instructional assistants shall be converted to a certificated staff equivalent and added to the district's actual certificated instructional staff ratio. Additional classified instructional assistants, for the purposes of this subsection, shall be determined using the 1989-90 school year as the base year.

(c) Any district maintaining a ratio equal to or greater than 54.3 certificated instructional staff per thousand full time equivalent students in grades K-3 may use allocations generated under subsection (2)(a)(ii) in excess of that required to maintain the minimum ratio established under RCW 28A.150.260(2)(c) to employ additional basic education certificated instructional staff or classified instructional assistants in grades 4-6. Funds allocated under this section shall only be expended to reduce class size in grades K-6. No more than 1.3 of the certificated instructional funding ratio amount may be expended for provision of classified instructional assistants.

(12) The superintendent of public instruction shall study the rate of staff per student if current levels of certificated instructional staffing and paraprofessionals are counted together as "classroom resources." A report identifying "classroom resource" per pupil rates shall be provided to the appropriate fiscal and policy committees of the house of representatives and senate by January 10, 1992.

**MINIMIZATION OF ESSENTIAL REQUIREMENT LEVELS FOR THE 1993-95 BIENNIUM.** *It is the intent of the legislature that in making FTE reductions in response to appropriations amended by this act, and in order to minimize the impact on essential requirement level estimates for the 1993-95 biennium, agencies shall not achieve FTE reductions by delaying hiring or temporarily reducing employment, but instead shall make permanent employment reductions. It is the intent of the legislature to use this principle in calculating essential requirement levels for the 1993-95 biennium. The office of financial management shall enclose a copy of this section as part of its instructions to agencies on revising allotments to conform with this act. This section does not apply to the department of corrections.*

**SAVINGS RECOVERY ACCOUNT.** (1) *The savings recovery account is hereby established in the state treasury.*

*\*Sec. 906 was vetoed, see message at end of chapter.*

**Sec. 907.** RCW 70.47.030 and 1991 sp.s. c 13 s 68 and 1991 sp.s. c 4 s 1 are each reenacted and amended to read as follows:

The basic health plan trust account is hereby established in the state treasury. All nongeneral fund-state funds collected for this program shall be deposited in the basic health plan trust account and may be expended without further appropriation. Moneys in the account shall be used exclusively for the purposes of this chapter, including payments to participating managed health care systems on behalf of enrollees in the plan and payment of costs of administering the plan. After July 1, (~~(1991)~~) 1993, the administrator shall not expend or encumber for an ensuing fiscal period amounts exceeding ninety-five percent of the amount anticipated to be spent for purchased services during the fiscal year.

**Sec. 908.** RCW 70.47.060 and 1991 sp.s. c 4 s 2 and 1991 c 3 s 339 are each reenacted and amended to read as follows:

The administrator has the following powers and duties:

(1) To design and from time to time revise a schedule of covered basic health care services, including physician services, inpatient and outpatient hospital services, and other services that may be necessary for basic health care, which enrollees in any participating managed health care system under the Washington basic health plan shall be entitled to receive in return for premium payments to the plan. The schedule of services shall emphasize proven preventive and primary health care~~(,)~~ and shall include all services necessary for prenatal, postnatal, and well-child care~~(, and shall)~~. However, for the period ending June 30, 1993, with respect to coverage for groups of subsidized enrollees, the administrator shall not contract for prenatal or postnatal services that are provided under the medical assistance program under chapter 74.09 RCW except to the extent that such services are necessary over not more than a one-month period in order to maintain continuity of care after diagnosis of pregnancy by the managed care provider, or except to provide any such services associated with pregnancies diagnosed by the managed care provider before July 1, 1992. The schedule of services shall also include a separate schedule of basic health care services for children, eighteen years of age and younger, for those enrollees who choose to secure basic coverage through the plan only for their dependent children. In designing and revising the schedule of services, the administrator shall consider the guidelines for assessing health services under the mandated benefits act of 1984, RCW 48.42.080, and such other factors as the administrator deems appropriate.

(2) To design and implement a structure of periodic premiums due the administrator from enrollees that is based upon gross family income, giving appropriate consideration to family size as well as the ages of all family members. The enrollment of children shall not require the enrollment of their parent or parents who are eligible for the plan.

(3) To design and implement a structure of nominal copayments due a managed health care system from enrollees. The structure shall discourage

inappropriate enrollee utilization of health care services, but shall not be so costly to enrollees as to constitute a barrier to appropriate utilization of necessary health care services.

(4) To design and implement, in concert with a sufficient number of potential providers in a discrete area, an enrollee financial participation structure, separate from that otherwise established under this chapter, that has the following characteristics:

(a) Nominal premiums that are based upon ability to pay, but not set at a level that would discourage enrollment;

(b) A modified fee-for-services payment schedule for providers;

(c) Coinsurance rates that are established based on specific service and procedure costs and the enrollee's ability to pay for the care. However, coinsurance rates for families with incomes below one hundred twenty percent of the federal poverty level shall be nominal. No coinsurance shall be required for specific proven prevention programs, such as prenatal care. The coinsurance rate levels shall not have a measurable negative effect upon the enrollee's health status; and

(d) A case management system that fosters a provider-enrollee relationship whereby, in an effort to control cost, maintain or improve the health status of the enrollee, and maximize patient involvement in her or his health care decision-making process, every effort is made by the provider to inform the enrollee of the cost of the specific services and procedures and related health benefits.

The potential financial liability of the plan to any such providers shall not exceed in the aggregate an amount greater than that which might otherwise have been incurred by the plan on the basis of the number of enrollees multiplied by the average of the prepaid capitated rates negotiated with participating managed health care systems under RCW 70.47.100 and reduced by any sums charged enrollees on the basis of the coinsurance rates that are established under this subsection.

(5) To limit enrollment of persons who qualify for subsidies so as to prevent an overexpenditure of appropriations for such purposes. Whenever the administrator finds that there is danger of such an overexpenditure, the administrator shall close enrollment until the administrator finds the danger no longer exists.

(6) To adopt a schedule for the orderly development of the delivery of services and availability of the plan to residents of the state, subject to the limitations contained in RCW 70.47.080.

In the selection of any area of the state for the initial operation of the plan, the administrator shall take into account the levels and rates of unemployment in different areas of the state, the need to provide basic health care coverage to a population reasonably representative of the portion of the state's population that lacks such coverage, and the need for geographic, demographic, and economic diversity.

Before July 1, 1988, the administrator shall endeavor to secure participation contracts with managed health care systems in discrete geographic areas within at least five congressional districts.

(7) To solicit and accept applications from managed health care systems, as defined in this chapter, for inclusion as eligible basic health care providers under the plan. The administrator shall endeavor to assure that covered basic health care services are available to any enrollee of the plan from among a selection of two or more participating managed health care systems. In adopting any rules or procedures applicable to managed health care systems and in its dealings with such systems, the administrator shall consider and make suitable allowance for the need for health care services and the differences in local availability of health care resources, along with other resources, within and among the several areas of the state.

(8) To receive periodic premiums from enrollees, deposit them in the basic health plan operating account, keep records of enrollee status, and authorize periodic payments to managed health care systems on the basis of the number of enrollees participating in the respective managed health care systems.

(9) To accept applications from individuals residing in areas served by the plan, on behalf of themselves and their spouses and dependent children, for enrollment in the Washington basic health plan, to establish appropriate minimum-enrollment periods for enrollees as may be necessary, and to determine, upon application and at least annually thereafter, or at the request of any enrollee, eligibility due to current gross family income for sliding scale premiums. An enrollee who remains current in payment of the sliding-scale premium, as determined under subsection (2) of this section, and whose gross family income has risen above twice the federal poverty level, may continue enrollment unless and until the enrollee's gross family income has remained above twice the poverty level for six consecutive months, by making payment at the unsubsidized rate required for the managed health care system in which he or she may be enrolled. No subsidy may be paid with respect to any enrollee whose current gross family income exceeds twice the federal poverty level or, subject to RCW 70.47.110, who is a recipient of medical assistance or medical care services under chapter 74.09 RCW. If a number of enrollees drop their enrollment for no apparent good cause, the administrator may establish appropriate rules or requirements that are applicable to such individuals before they will be allowed to re-enroll in the plan.

(10) To determine the rate to be paid to each participating managed health care system in return for the provision of covered basic health care services to enrollees in the system. Although the schedule of covered basic health care services will be the same for similar enrollees, the rates negotiated with participating managed health care systems may vary among the systems. In negotiating rates with participating systems, the administrator shall consider the characteristics of the populations served by the respective systems, economic

circumstances of the local area, the need to conserve the resources of the basic health plan trust account, and other factors the administrator finds relevant.

(11) To monitor the provision of covered services to enrollees by participating managed health care systems in order to assure enrollee access to good quality basic health care, to require periodic data reports concerning the utilization of health care services rendered to enrollees in order to provide adequate information for evaluation, and to inspect the books and records of participating managed health care systems to assure compliance with the purposes of this chapter. In requiring reports from participating managed health care systems, including data on services rendered enrollees, the administrator shall endeavor to minimize costs, both to the managed health care systems and to the administrator. The administrator shall coordinate any such reporting requirements with other state agencies, such as the insurance commissioner and the department of health, to minimize duplication of effort.

(12) To monitor the access that state residents have to adequate and necessary health care services, determine the extent of any unmet needs for such services or lack of access that may exist from time to time, and make such reports and recommendations to the legislature as the administrator deems appropriate.

(13) To evaluate the effects this chapter has on private employer-based health care coverage and to take appropriate measures consistent with state and federal statutes that will discourage the reduction of such coverage in the state.

(14) To develop a program of proven preventive health measures and to integrate it into the plan wherever possible and consistent with this chapter.

(15) To provide, consistent with available resources, technical assistance for rural health activities that endeavor to develop needed health care services in rural parts of the state.

**\*Sec. 909. RCW 70.146.080 and 1991 sp.s. c 16 s 923 is amended to read as follows:**

***Within thirty days after June 30, 1987, and within thirty days after each succeeding fiscal year thereafter, the state treasurer shall determine the tax receipts deposited into the water quality account for the preceding fiscal year. If the tax receipts deposited into the account in each of the fiscal years 1988 and 1989 are less than forty million dollars, the state treasurer shall transfer sufficient moneys from general state revenues into the water quality account to bring the total receipts in each fiscal year up to forty million dollars.***

***For the biennium ending June 30, 1991, if the tax receipts deposited into the water quality account and the earnings on investment of balances credited to the account are less than ninety million dollars, the treasurer shall transfer sufficient moneys from general state revenues into the water quality account to bring the total revenue up to ninety million dollars. The determination and transfer shall be made by July 31, 1991 but during the 1991-93 biennium the***

legislature may subsequently direct the treasurer to transfer up to that same amount back to the general fund.

*For fiscal year ((1992)) 1993 and thereafter, if the tax receipts deposited into the water quality account for each fiscal year are less than forty-five million dollars, the treasurer shall transfer sufficient moneys from general state revenues into the water quality account to bring the total revenue up to forty-five million dollars. Determinations and transfers shall be made by July 31 for the preceding fiscal year.*

\*Sec. 909 was vetoed, see message at end of chapter.

*\*Sec. 910. RCW 86.26.007 and 1991 sp.s. c 13 s 24 are each amended to read as follows:*

*The flood control assistance account is hereby established in the state treasury. At the beginning of each biennium the state treasurer shall transfer from the general fund to the flood control assistance account an amount of money which, when combined with money remaining in the account from the previous biennium, will equal four million dollars. During the 1991-93 biennium the legislature may direct the transfer of amounts from the account to the general fund. Moneys in the flood control assistance account may be spent only after appropriation for purposes specified under this chapter.*

\*Sec. 910 was vetoed, see message at end of chapter.

NEW SECTION. Sec. 911. SEVERABILITY. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 912. EMERGENCY CLAUSE. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

Filed in Office of Secretary of State April 2, 1992.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to sections 111 (page 5, line 8), 117 (page 8, lines 20-23), 124 (page 10, line 26), 125, 127, 128, 129(3), 136(5), 141(6), 142(3), 154, 201 (page 26, lines 6 and 7), 203(3), 205(1)(g), 205(2)(c), 210(10), 210(11), 211(5), 211(6), 222 (page 58, lines 10 and 11), 222 (page 61, lines 15 through 18), 222(3), 222(32), 223, 227, 229 (page 72, lines 23 and 24), 303 (page 83, lines 14 and 15), 303 (page 83, line 18), 307 (page 91, lines 19 and 20), 307(9), 311 (page 96, lines 3 and 4), 610(3)(a), 704, 802 (page 194, lines 15-17), 802 (page 195, lines 17, 18, 19 and 20), 903, 906, 909 and 910, Engrossed Substitute House Bill No. 2470 entitled:

"AN ACT Relating to fiscal matters."

My reasons for vetoing these sections are as follows:

Section 111, page 5, line 8, Court of Appeals

This section reduces the appropriation for the Court of Appeals by \$371,000 from the level included in section 111, chapter 16, Laws of 1991, 1st special session, and includes language (also present in sections 109 (Supreme Court) and 113 (Administrator for the Courts)) that allows the Supreme Court, the Court of Appeals, and the Administrator for the Courts, by mutual agreement to utilize their state General Fund appropriations "to make efficient and effective use of available financial resources within the entire judicial branch." I am convinced that the total state General Fund appropriations to these agencies is insufficient to allow the performance of the essential functions of these agencies. I have vetoed only the appropriation in this section, restoring \$371,000

in appropriations to be used, pursuant to the retained proviso language, to meet the financial requirements of the three judicial agencies.

Section 117, page 8, lines 20-23, Gratuity Tracking System (Public Disclosure Commission)

The proviso in this section requires the agency to expend \$25,000 to implement a gratuity tracking system. I accept the legislature's decision to reduce the appropriation to the agency by \$122,000. Because this reduction is \$25,000 greater than my recommendation, I have vetoed this proviso and directed the agency to determine how much, if any, of its appropriation can be made available for this system.

Shellfish Litigation

Section 124, page 10, line 26 (Attorney General)

Section 125, page 12, (Attorney General)

Section 311, page 96, lines 3 and 4 (Department of Fisheries)

The General Fund-State appropriation for the Attorney General includes \$915,000 for legal costs related to tribal shellfish litigation. I have returned the Attorney General's General Fund-State appropriation to the \$6.3 million originally provided by section 124, chapter 16, Laws of 1991, 1st special session.

Section 125 provides \$915,000 in the Attorney General's budget for shellfish litigation expenses. While resolution of the issue of tribal shellfish rights is important, it is unlikely that the full \$915,000 will be required for litigation expenses this biennium. Placing this appropriation directly in the Attorney General's budget greatly reduces the ability of the other members of the state shellfish caucus to participate and influence the litigation decisions of the Attorney General. Members of the State Shellfish Caucus include the Department of Fisheries, Department of Health, State Parks and Recreation Commission, Department of Natural Resources, as well as the Attorney General. It is for these reasons that I have vetoed section 125.

In order to restore litigation funding to the Department of Fisheries, I have also vetoed the Department's General Fund-State appropriation. This will provide \$4,771,000 in additional appropriation authority to the agency. I have directed the Department to place \$3,856,000 in reserve and use \$450,000 to cover the costs of shellfish litigation for this biennium. The remaining \$465,000 will be used by the Department to cover additional litigation costs and the cost of the mediation process begun by the U.S. Fish and Wildlife Service.

Section 127, pages 12 and 13, Office of Financial Management

This section reduces the Office of Financial Management's total appropriation by \$4,090,000 and requires the Office of Financial Management to absorb the \$300,000 cost of the Commission on Student Learning. These changes impose an unmanageable 13.9 percent reduction in the state's central financial management agency, substantially weakening its ability to support the development and monitor the implementation of budgets and substantive policy in a period when constant vigilance regarding revenues and expenditures will be needed. My veto of this section restores \$4,090,000 in appropriation authority. I have directed that \$1,218,000 of that restored appropriation be placed in reserve, thus imposing the same state General Fund percentage reduction on the Office of Financial Management (7.4 percent before providing for the Commission on Student Learning) that the supplemental budget imposed on the legislature. My veto also eliminates the increased Savings Recovery Account appropriation to the Office of Financial Management, consistent with my veto of the increase in revenue to the account provided in section 906.

Section 128, page 13, Revolving Fund (Office of Administrative Hearings)

This section reduces funding for the Office of Administrative Hearings by \$293,000. Much of the hearings workload handled by the agency is nondiscretionary and supported by nonstate General Fund sources. A reduction in funding will not reduce the demand for hearings services nor limit the number of hearings agencies need. It would only create more need for interagency agreements as a way to fund hearing services in excess of the appropriation. This veto allows the agency to bill for hearings services up to the level of its original appropriation without the need to use resources to create interagency agreements.

Section 129(3), page 14, Data Processing Revolving Fund (Department of Personnel)

This subsection reduces expenditure allotment authority from Fund 419, the Data Processing Revolving Fund, by the Department of Personnel. This reduction in expenditure authority would significantly decrease the Department's ability to develop ad hoc management reports, meet agency requests for software enhancements, and modify the payroll system to meet new requirements. In addition, this language represents an unprecedented intrusion on the Governor's authority to control expenditures from nonappropriated funds through the allotment process as established in RCW 43.88.110.

Section 136(5), page 17, Study of Nonprofit Homes (Department of Revenue)

This subsection provisos \$57,400 solely for the implementation of Substitute House Bill No. 2639 (Study of Non-Profit Homes for the Aged) from the Department's existing General Fund-State. While this study would yield information concerning the equity of tax laws as applied to homes for the aged, there were no additional funds provided to conduct the study. I have vetoed the proviso in order to give the Department flexibility. I have directed the Department to undertake a study which satisfies the essential requirements of Substitute House Bill No. 2639, within existing resources, without compromising other necessary revenue collection functions.

Section 141(6), page 20, Facility Support for Tenants of the Labor and Industries and the Natural Resources Buildings (Department of General Administration)

Subsection 6 provides \$849,000 of the General Administration Facilities and Services Revolving Fund appropriation for maintenance services to the Department of Labor and Industries and the Department of Natural Resources, subject to negotiations to determine the levels and prices of services. The levels and prices of facility and support services are negotiated between the Department of General Administration and the Office of Financial Management in order to provide a reasonable and equitable level of service among all state agencies. Allowing agencies to negotiate their own service levels and rates would create administrative confusion and subject agencies with less flexibility in funding to substandard service. I have vetoed this proviso and have directed the Department of General Administration to ensure that \$849,000 of the Facilities and Services Revolving Fund appropriation is employed solely in support of all of the tenants of the Department of Labor and Industries and the Department of Natural Resources buildings.

Section 142(3), page 21, Reduced Expenditures in the Data Processing Revolving Fund (Department of Information Services)

This subsection reduces by 2.5 percent the agencies' expenditures on information technology provided by the Department of Information Services, reduces the Department of Information Services' administrative and operations personnel by 21 FTEs, and directs the \$950,000 saved from the reduced staffing level to be placed in the Savings Recovery Account. I have vetoed this subsection because no savings will result from reducing the Department of Information Services staff. Agency demand for computer services creates the need for the positions, and it is the agency use of the positions which generates the billing for the services rendered. I have also vetoed section 906, which adds "savings" from these staff reductions as a revenue source to the Savings Recovery Account. I have asked the Office of Financial Management to work with agencies and the Department of Information Services to attempt to reduce agency computer service expenditures by 2.5 percent.

Section 154, page 25, Repealer Clause for Sections 101 through 152 of Chapter 16, Laws of 1991 Special Session

Engrossed Substitute House Bill No. 2470 amends appropriations originally made for the 1991-93 Biennium in 1991 special session, chapter 16, the biennial operating budget. The longstanding tradition of the legislature has been to draft supplemental appropriation measures, such as this one, in amendatory form. Thus, the legislature historically has set forth the original appropriations and amendments to them. This historical practice not only reflects the true nature of such measures, it also clearly identifies and makes visible to each member of the legislature intended changes in original biennial appropriation levels. In Part I of Engrossed Substitute House Bill No.

2470, the legislature has abandoned this longstanding practice by repealing numerous original biennial appropriations and replacing them with new appropriations.

As the Governor of this state and a former legislator, I strongly oppose the drafting method employed by the legislature in Part I. It does not provide a clear representation of proposed amendments to biennial appropriation levels and thus, does a disservice to citizens of the state and to the legislative process in which this office participates.

Moreover, the veto authority granted to the Governor by the Constitution of this state is intended to allow the Governor to object to changes in laws, including appropriation measures. By use of this untoward drafting mechanism, the legislature has attempted to thwart the very purpose of the constitutional veto authority of the Governor. Absent veto of section 154, which purports to repeal numerous sections in the 1991-93 biennial operating budget, I would have little choice but to accept the appropriations set forth in Part I of this enactment. The alternative, vetoing any or all of the appropriations in Part I of this enactment, would leave affected offices and agencies wholly without appropriations.

For these reasons, I have vetoed section 154, thereby preventing the repeal of the original appropriations in the biennial operating budget, 1991 special session, chapter 16, identified specifically in section 154 of this enactment.

For reasons fully explained elsewhere in this message, I also have vetoed certain appropriations made in Part I of this enactment. Where I have done so, the appropriation for the affected agency or office will be the original biennial appropriation for that agency or office, appearing in 1991 special session laws, chapter 16. Where I have not vetoed an appropriation contained in Part I of this enactment, the appropriation in Part I will constitute the biennial appropriation for the affected agency or office.

Section 201, page 26, lines 6 and 7, Lease Increases (Children and Family Services, Department of Social and Health Services)

This subsection provides the General Fund-State funding for Children and Family Services within the Department of Social and Health Services. The section eliminates \$2.1 million General Fund-State monies necessary to fund existing leases of local and regional Children and Family Services offices. These lease payments are unavoidable and, if left unfunded, must be paid with existing funds. A reduction of Child Protective Services/Child Welfare Services caseworkers and/or cuts in contracted services would be necessary to pay the unfunded leases. Therefore, I have directed the Department to allot \$2.1 million to fund these mandatory leases. Of the \$11,087,000 General Fund-State in additional appropriation authority, I have directed the Department to place \$8,987,000 in reserve.

Section 203(3), page 33, Civil Commitment Center (Mental Health, Department of Social and Health Services)

This subsection provides funds for the Civil Commitment Center operated within the Special Offenders Unit at the Monroe Reformatory. I believe the funds appropriated are insufficient to meet the Center's programmatic needs and may compromise the facility's ability to provide legally mandated treatment. The veto of this subsection will provide \$569,000 in additional appropriation authority. I have directed the Department of Social and Health Services to place \$273,000 in reserve and use the remaining \$296,000 to adequately fund the Civil Commitment Center.

Section 205(1)(g), pages 37 and 38, Medicaid Tax Expenditures (Developmental Disabilities, Department of Social and Health Services)

This subsection provides appropriations to fund prospective rate increases for intermediate care facilities for the mentally retarded to cover the Medicaid share of the tax levied in Engrossed Substitute House Bill No. 2967. I have vetoed this proviso to avoid potential legal entanglements with the Health Care Financing Administration. This action will not jeopardize the provisions of Engrossed Substitute House Bill No. 2967.

Section 205(2)(c), page 38, Medicaid Tax Expenditures (Developmental Disabilities, Department of Social and Health Services)

This subsection provides appropriations to fund prospective rate increases for intermediate care facilities for the mentally retarded to cover the Medicaid share of the

tax levied in Engrossed Substitute House Bill No. 2967. I have vetoed this proviso to avoid potential legal entanglements with the Health Care Financing Administration. This action will not jeopardize the provisions of Engrossed Substitute House Bill No. 2967.

Section 210(10), pages 43 and 44, Personal Care Program (Long Term Care, Department of Social and Health Services)

This subsection directs the Department of Social and Health Services to transfer eligible clients from the chore services program to the personal care program. The clients who are currently served within chore services receive care from family members, which is not permissible under the federally-matched personal care program. Although the subsection provides for geographic exceptions, it fails to recognize the importance of family care for those with developmental disabilities, cultural needs, and situations in which spouses provide care. Although this veto does not restore funding cuts, the Department should not be required to transfer all of these chore services clients without regard for individual circumstances.

Section 210(11), page 44, Nursing Home Study (Long Term Care, Department of Social and Health Services)

This subsection directs the Department of Social and Health Services to analyze and identify any exceptional fiscal needs of nursing facilities whose Medicaid-paying clients number greater than 90 percent, and subsequently report the findings to the legislature. This directive creates an unnecessary and burdensome workload, especially in light of the additional staffing cuts imposed by this budget.

Section 211(5), page 45, State Supplementary Income Payments (Income Assistance, Department of Social and Health Services)

This subsection reduces the state supplement of federal Supplemental Security Income payments to 71,000 blind, disabled, and aged people. I believe the legislature did not intend to reduce the supplemental benefits provided to these most vulnerable citizens. Therefore, I have directed the Department of Social and Health Services to allocate these funds according to the policy currently in existence.

Section 211(6), page 46, Public Assistance Job Training (Income Assistance, Department of Social and Health Services)

This subsection directs the Department of Social and Health Services to implement a pilot community work experience program for clients in the General Assistance-Unemployable program. I support a community work experience program that incorporates vocational rehabilitation, job preparedness services, and medical treatment. The legislature did not, however, fund the \$1.5 million to implement the pilot program as the budget document implies. Consequently, I have vetoed this subsection and have directed the Department to implement a pilot community work experience program to the extent possible within available funds.

Section 222, page 58, lines 10 and 11, and, page 61, lines 15 through 18, General Fund-State Appropriation (Department of Community Development)

I have vetoed section 222, lines 10 and 11, the General Fund-State appropriation for the Department of Community Development, in order to aid the implementation of the Growth Management Act. Funding for the Growth Management Hearings Boards was reduced to such a degree that the Boards would not be implemented until February, 1993. The success of the Growth Management provisions enacted in 1990 and 1991 depends on these new Hearings Boards playing an effective role. The ability of these Boards to resolve disputes fairly and in a timely fashion will be critical to the success of growth management. The \$1,036,000 freed up by this veto plus the \$750,000 already included in the budget, will allow implementation of the Boards beginning May 15. The veto of section 222, lines 15 through 18, expands the spending limits for the Boards to the original level and allows the Department to spend the amount necessary to implement the Boards in May.

The reduction in funds provided to assist local government planning activities is unjustified and short-sighted. When the legislature passed growth management legislation in 1990 and again in 1991, it was clear that we were giving local governments a difficult job with a tough time line and that adequate funding was essential. I am directing the

Department to use the amount that remains in the base budget, \$1.5 million, for grants to local governments.

Section 222(3), page 59, Mortgage Assistance (Department of Community Development)

I have vetoed the new language which restricts the Department to spending no more than 5 percent on administration. The effect of the 5 percent restriction is to further reduce the Department's budget. The proviso language fails to recognize the cost of delivering service.

Section 222(32), page 67, Wetlands Notification and Mapping (Department of Community Development)

The veto of this section is technical in nature. The appropriation is contingent on passage of Substitute Senate Bill No. 6255, Wetlands Notification. Since Senate Bill No. 6255 did not pass, this appropriation will lapse. I have vetoed this proviso to avoid confusion.

Section 223, page 67, Human Rights Commission

This section provides \$4,021,000 General Fund-State for the Human Rights Commission, \$271,000 less than the General Fund-State appropriation provided in section 221, chapter 16, Laws of 1991, 1st special session. This will result in a 33 percent reduction in travel for this agency. The ability for the Commissioners to meet in different locations to address discrimination issues and for staff to investigate complaints is too severely hampered by a cut of this magnitude. I have vetoed this section to allow the agency to restore \$26,000 for travel (a 20 percent reduction). I have requested that the balance of the restored appropriation, \$245,000, be placed in reserve.

Section 227, page 71, Indeterminate Sentence Review Board

Reductions to personal service contracts and travel will impair the Indeterminate Sentence Review Boards ability to provide statutorily mandated service levels. The only manner for the Board to accomplish these reductions would be to eliminate one Board member. While recent actions by the Board will likely reduce the Board's size in the ensuing biennium, it is not prudent, nor cost effective, at this time.

The Board has initiated two different proposals to reduce the number of parolees returning to prison. The Board has a greater than anticipated workload in order to successfully implement these proposals. Delays in this implementation could result in additional prison populations and higher operational costs to the Department of Corrections which will far exceed the amount saved in the Board's appropriation.

Of the \$229,000 restored, I have directed the Board to place \$168,000 in reserve. The additional \$61,000 restores the Board to the level recommended in my original supplemental budget request.

Section 229, page 72, lines 23 and 24, Women, Infants, and Children Program (Department of Health)

The supplemental General Fund-State appropriation for the Department of Health includes a reduction of \$2,552,000 for the Women, Infants, and Children program. This program provides food and nutritional counseling to needy families throughout the state. The \$2,552,000, combined with newly available federal funds, will result in an additional 12,300 persons per month being served. Beyond serving more clients, restoration of this cut will enable us to take immediate advantage of anticipated additional increases in federal funding and will further my goal to improve the health of Washington's children. Children lose without adequate state support for the Women, Infants, and Children program support.

In order to restore these funds, I have vetoed the supplemental appropriation. Of the \$10,803,000 in additional appropriation authority, I have directed the Department of Health to place \$8,251,000 in reserve and use the remaining \$2,552,000 for the Women, Infants, and Children program.

Section 303, page 83, lines 14 and 15, General Fund-State Appropriation (Department of Ecology)

I have vetoed this subsection in order to restore funding to the Department of Ecology's Water Resources Program. The Water Resources Program has continued to

make progress in addressing the backlog of water rights applications and in the formulation of a statewide policy for water resources administration through the Chelan Agreement. The reductions to the Department's budget would have reduced enforcement activity and crippled the Water Resources Program's ability to continue addressing the water rights application backlog. In addition, it would seriously curtail efforts in the development of a statewide water resources policy.

The veto of this subsection will increase the Department of Ecology's appropriation authority by \$7,515,000. This will enable the Department to restore \$785,000 to the Water Resources Program. I have directed the Department of Ecology to place the remaining \$6,730,000 in reserve.

Section 303, page 83, line 18, Flood Control Assistance Account (Department of Ecology)

Section 802, page 195 lines 17 and 18, General Fund transfer to Flood Control Assistance Account (Treasurer's Transfer)

Section 910, pages 205 and 206, Flood Control Assistance Account (Department of Ecology)

These sections transfer funds for the Flood Control Assistance Program from the Flood Control Assistance Account to the General Fund. Funding for this program is transferred from the operating budget to the capital budget, with an appropriation from the State Building Construction Account. While I am supportive of providing grant dollars to local communities for flood mitigation plans and projects, \$2.65 million is clearly for operating activities and should be funded from the operating budget. The proviso in section 12(9), page 70, of the capital budget precludes spending any of the appropriated funds from the State Building Construction Account on operating activities. Without funds for operating costs, the Department would not be able to provide planning grants or technical assistance to local communities, nor would the Department be able to administer the grants for flood mitigation projects which are eligible under the proviso. Without the ability to administer the grants, there would be no state oversight of the expenditure of these grant dollars.

The Department would be faced with one of two options: either redirect General Fund dollars from other programs or eliminate the Flood Control Assistance Program. Given the severity of the reductions to the Department of Ecology's budget, this program would be eliminated. Therefore, I have vetoed these sections in order to restore \$4 million to the Flood Control Assistance Account and continue this important program.

Section 307, page 91, lines 19 and 20, General Fund-State Appropriation (Department of Trade and Economic Development)

I have vetoed the General Fund-State appropriation for the Department in order to address serious shortfalls created by this budget. Of the additional \$3,671,000 in appropriation authority created by this veto, I have directed the Department of Trade and Economic Development to spend \$810,000 on timber programs, \$200,000 on tourism, and to place the remaining \$2,661,000 in reserve. The restoration of \$610,000 in the value-added program will allow continuation of the concentrated effort to increase value-added manufacturing capacity that is necessary as small wood products manufacturers are threatened with closure.

I have also directed expenditure of \$200,000 for restoration of full funding for the Timber Team Office. The Timber Team serves an important function as the central coordination point for diverse state programs which assist timber dependent communities. In addition, the Timber Team coordinates this administration's position and represents the state's interest in federal timber supply and endangered species issues. Almost 40 percent of the Timber Team budget represents pass-through funding required to replace a small portion of federal cutbacks in dislocated worker programs. It is unacceptable to eliminate the Timber Team six months before the close of the biennium. Strategically, this would put the state in a poor position to respond to federal actions that critically affect the state and would hamper coordination efforts vital to good service delivery.

Finally, I have directed the expenditure of \$200,000 to partially offset reductions to the Department's tourism program. At a time when many of our communities are struggling to strengthen and diversify their economies, adequate support for tourism development is a practical requirement. The Department will use these additional

resources to bolster cooperative marketing and regional tourism assessments which are the cornerstones of its strategic plan for tourism development.

Section 307(9), pages 93 and 94, Business Network Grants (Department of Trade and Economic Development)

While I believe that business network grants that build capacity are an excellent way to provide the advantages of larger scale timber firms to many small manufacturing concerns, I have vetoed the language that requires the Department of Trade and Economic Development to spend \$500,000 to that end. The language does not give the Department the flexibility necessary to determine the viability of networks for value-added manufacturing given Washington's forest products manufacturing industry makeup. However, I have asked the Department of Trade and Economic Development to intensify efforts to pursue business network grants as an important element for promoting value-added manufacturing. I have directed the Department to spend the majority of available grant funds on business networks, if feasible.

Section 311, page 96, lines 3 and 4, Shellfish Litigation (Department of Fisheries)

As discussed previously, I have vetoed the General Fund-State appropriation revision in the Department of Fisheries in order to restore shellfish litigation funds. This veto has the effect of adding \$4,771,000 in appropriation authority. I have directed the Department to place \$3,856,000 of this amount in reserve, and use \$450,000 to cover the costs of shellfish litigation. The remaining \$465,000 will be used to cover additional litigation costs and the cost of the mediation process begun by the U.S. Fish and Wildlife Service.

Section 610(3)(a), page 171, Financial Aid and Grant Program (Higher Education Coordinating Board)

This subsection caps the state need grant award to students of private schools. The cap is equal to the amount of an award receivable by a student of a state research university. However, the cap applies only to the grants from the increment of \$1,430,000 available for need grant awards due to the 1993 tuition increase.

I have vetoed this subsection because it creates an inequity of financial aid benefits between private school students receiving need grants from the state need grant base budget and students receiving need grant from the 1993 need grant increment due to the tuition increase. In addition, a cap on such a small portion of the state need grant unnecessarily complicates the administration of the state financial aid program. This veto frees up \$127,000 of appropriation, which will be placed in reserve.

Section 704, pages 178-179, Governor's Emergency Fund

This section reduces the appropriation for emergency uses to \$862,000 for the biennium. The \$1.5 million appropriation provided in the original budget was \$500,000 below the \$2 million initially appropriated for emergency purposes in each of several previous biennial budgets. This reduction, combined with allocations already made, would leave an Emergency Fund balance of \$140,400, with 15 months remaining in the biennium. The inability to respond to emergency situations (like fires, floods, windstorm damage, major equipment failure, etc.) imposed by this reduction is unacceptable. This veto restores \$638,000 in appropriation authority to the Emergency Fund. This veto also restores the 2.5 percent allotment reduction to preserve an Emergency Fund balance at \$778,400. This is still a small balance with so much of the biennium still before us.

Section 802, page 194, lines 15, 16 and 17 (Treasurer's Transfers)

Section 802, page 195, lines 19 and 20 (Treasurer's Transfers)

Section 909, page 204 and 205, Water Quality Account (Department of Ecology)

These sections reduce the transfer of General Fund dollars to the Water Quality Account by \$12,753,000. Washington state is facing increasing threats to one of its most vital resources, the state's waters. If we are to continue to make progress toward protecting Washington's surface and ground waters, it is essential that a consistent and reliable funding level be available. The Water Quality Account is a primary source of funding for local governments in addressing water quality issues. Solutions to tough pollution problems require planning, prevention, and intervention strategies, which may take years to implement. In order to dedicate sizable portions of their own resources to these strategies, local governments need to know that state funding will continue at levels

that will enable them to achieve mandated state and federal water pollution requirements. Therefore, I have vetoed these sections in order to restore the statutory funding level to the Water Quality Account.

Section 903, page 196, Minimization of the Essential Requirements Level for the 1993-95 Biennium

Section 903 requires agencies (with the exception of the Department of Corrections) to make 1991-93 FTE reductions permanent, rather than assuming the positions will be funded in 1993-95. The purpose of this section is to minimize the growth of the state's budget base for the 1993-95 Biennium. While it is likely that I will consider this requirement when my 1993-95 budget is developed, I want to preserve the Governor's flexibility for the construction of its budget.

Furthermore, from a practical standpoint, it appears that this section was constructed in isolation without knowledge of the program implications of denying agencies the ability to use temporary or deferred hiring to achieve their FTE budget reductions. There may be some programs in state government that cannot provide an appropriate level of service if held to this requirement.

Section 906, pages 197 and 198, Savings Recovery Account

This amendatory section increases the amounts to be withheld from agency appropriations deposited in the Savings Recovery Account by \$5,088,000 and it includes "savings" from the Department of Information Services' rate reductions resulting from staff reductions as a source of Savings Recovery Account revenue. I have vetoed this section for two reasons. First, all but \$950,000 of the \$5,088,000 in increased revenue to the account would be drawn from savings of Efficiency Commission, Brainstorm, and Teamwork Incentive Program projects presently retained by agencies as a partial incentive to participate in such projects. The incentives and benefits to the participating agencies for the extra effort involved in the projects are stripped away by this action with the probable consequence that these worthwhile efforts will disappear. Second, staff reductions in the Department of Information Services do not create rate reductions. These proprietary positions are used to provide customers needed computing related services for which the customers are then billed. Vacated positions provide no service which can be billed, thus there can be no savings.

**FOR THE PARKS AND RECREATION COMMISSION: TIMBER-  
LAND PURCHASES AND COMMON SCHOOL PURCHASES**

The appropriation in this section is subject to the following conditions and limitations:

(1) This appropriation is provided to the state parks and recreation commission ("commission") solely to acquire trust lands that have been identified by the department of natural resources ("department") as appropriate for state park use and development. Except as specifically otherwise provided in this section, the commission shall acquire the following parcels:

(a) Lord Hill, in Snohomish county, west of Monroe;

(b) Beacon Rock, in Skamania county, adjacent to Beacon Rock State Park;

(c) Larrabee Addition, (1 and 2) in Whatcom county, northeast of Larrabee State Park and Chuckanut Mountain;

(d) South Whidbey, in Island county, adjacent to South Whidbey State Park;

(e) Wallace Falls Addition, in Snohomish county, adjacent to Wallace Falls State Park;

(f) Soleduck corridor, in Clallam county, on the Soleduck river at Sappho;

(g) Dugualia Bay property, in Island county, on the northeast shore of Whidbey Island;

(h) Rasar property, in Skagit county, west of Birdsvew, near the Skagit river;

(i) Wallace Falls Addition (Northwest) property, in Snohomish county, adjacent to the northwestern side of the designated park property;

(j) Wallace Falls Addition (Southwest) property, in Snohomish county, adjacent to the southwestern side of Wallace Falls State Park;

(k) Hoypus Hill in Island county south of Hoypus Point Natural Forest Area at Deception Pass State Park;

(l) Lake Easton in Easton in Kittitas county west of Lake Easton State park near the town of Easton;

(m) Diamond Point, in Clallam county, on the Strait of Juan de Fuca; and

(n) Skykomish river property, along Highway 2, near Index.

(2) The commission may expend moneys from this appropriation for acquisition of the Skykomish river property under subsection (1)(n) of this section only to the extent that moneys remain available after the commission has made all reasonable efforts to acquire the other properties identified in this subsection. If funds remain available after all properties in subsections (1)(a) through (1)(n) of this section have been purchased, the commission may purchase additional properties from the following list:

(a) Squak Mountain trust property, King county, south of existing Squak Mountain State Park;

(b) Doug's Beach trust property, Klickitat county, east of Lyle on the Columbia river;

(c) Point Lawrence Addition trust property, San Juan county, adjacent to designated park property on the eastern most point of Orcas Island;

(d) Obstruction Pass trust property, San Juan county near Obstruction Island on the southeast point of Orcas Island;

(e) Bottle Beach trust property, Grays Harbor county, southeast of Westport along the Ocasta-Bay City Road; and

(f) R.F. Kennedy Recreation Site trust property, Pierce county, on Whitman Cove along Case Inlet.

(3) To achieve the purposes of this section, intergrant exchanges between common school trust lands and parcels of noncommon school trust lands shall occur on an equal-value basis.

(4) Proceeds from the transfer of the timber shall be deposited by the department in the same manner as timber revenues from other common school trust lands. No deduction may be made for the resource management cost account under RCW 79.64.040. The proceeds from the transfer of the land shall be used by the department to acquire timber land of equal value to be managed as common school trust land and to maintain a sustainable yield.

(5) The department shall attempt to maintain an aggregate ratio of ~~((approximately))~~ 85:15 timber-to-land value in these transactions. If the aggregate value of timber-to-land varies by more than plus or minus five percent of that ratio, individual land acquisitions ~~((may))~~

shall be dropped in order to maintain ((the approxi-  
mate)) a ratio in this range.

(6) It is the intent of the legislature that, insofar as feasible, the full parcels identified in subsection (1) of this section be acquired for park purposes. Passed the House March 12, 1992.

Passed the Senate March 12, 1992.

Approved by the Governor April 2, 1992, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State April 2, 1992.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to sections 6, 12(5), 12(9), 12(11), 13(4), 15, 24(8)(e), and 31(3)(z) of Engrossed Substitute House Bill No. 2552 entitled:

"AN ACT Relating to the capital budget."

My reasons for vetoing these sections are as follows:

Section 6, Department of Community Development and  
Section 12(11), Transfer to Department of Community Development

These sections direct the Department of Ecology to transfer \$350,000 from the Water Quality Account to the Department of Community Development to implement a wetland notification program. This is an improper use of funds from the Water Quality Account. RCW 70.146.030(2) states that "the Department may use or permit the use of any monies in the account to make grants to public bodies ... for water pollution control facilities and activities, or for purposes of assisting a public body to obtain an ownership interest in water pollution control facilities and/or to defray a part of the payments made

by a public body to a service provider under a service agreement...." The property owner notification program does not meet these criteria. Also, the transfer of funds from Ecology to the Department of Community Development, which in turn is directed to make grants to local governments, clearly indicates that the Department of Community Development and not Ecology will be administering these funds. This is contrary to RCW 70.146.030, which states that the "Water Quality Account may be used only in a manner consistent with this chapter. Monies deposited in the account shall be administered by the Department of Ecology...."

While the legislature could have amended chapter 70.146 RCW to allow these actions, the legislature's failure to do so renders this budget item legally suspect.

Given the legal questions surrounding this issue, I have vetoed these items.

I do, however, agree that local efforts to implement the Growth Management Act will not be successful unless critical area activities, such as wetland designation and protection, are accomplished with extensive notification and involvement of all affected parties and the public-at-large. I have, therefore, directed the Department of Community Development to provide technical assistance relating to such notification and involvement and, if necessary, to develop procedural criteria under the Growth Management Act to ensure that this occurs.

#### Section 12(5), Water Quality Account

This section reduces the appropriation to the Department of Ecology's Water Quality Account by \$12,921,000. Washington State is facing increasing threats to one of our most vital resources, our state's waters. If we are to continue to make progress toward protecting Washington's surface and ground waters, it is essential that a consistent and reliable funding level be available, particularly for local governments. Solutions to tough pollution problems require planning, prevention, and intervention strategies, which may take years to implement. In order to dedicate sizable portions of their own resources to these long-term strategies, local governments need to know that state funding will continue at levels that will enable them to achieve mandated state and federal water pollution requirements. Therefore, I have vetoed this section in order to restore the funding level to the Water Quality Account.

The amended proviso language in this section implies that the needs assessment should consider only the existing source of revenues for the Water Quality Account. When the Water Quality Account was established, the legislature specifically included the General Fund subsidy because revenues from the tax on tobacco products were projected to be inadequate. The General Fund subsidy is necessary in order to provide a stable funding source to address water quality needs. Therefore, I have vetoed the new language in this proviso.

#### Section 12(9), Flood Control Assistance Account

This section appropriates \$4 million to the Flood Control Assistance program from the State Building Construction Account. This program was transferred from the operating budget to the capital budget. While I support this program, which provides grant dollars to local communities for flood mitigation plans and projects, most are operating activities and should be funded from the operating budget. The proviso in this section precludes spending any of these funds on operating activities. The Department of Ecology would not be able to effectively administer this program and would either have to redirect funds from other General Fund programs or be forced to eliminate the program. Given the severity of the budget reductions to the Department of Ecology, this program would need to be eliminated. Therefore, I have vetoed this section, along with the corresponding sections related to fund transfers in the operating budget. I have directed the Department to continue this program with funds that are made available by corresponding vetoes in the operating budget.

#### Section 13(4), State Parks and Recreation Commission/Bogachiel State Park

While I recognize that the facilities at Bogachiel State Park have suffered significant damage from storms, an additional appropriation to the State Parks and Recreation Commission is not required to effect needed repairs. The Commission received a \$350,000 appropriation in section 19(41) of the 1991-93 capital budget for emergency and

unforeseen needs. I have asked the agency to rely on this appropriation to make the necessary repairs at Bogachiel State Park.

Section 15, State Parks and Recreation Commission

The language in this section is neither practical nor necessary at the present time. The legislature restored funding to operate all state parks during the remainder of the 1991-93 Biennium. Interpretive centers may close, but practical considerations would prevent the sale of these facilities to local governments. Interpretive centers are physically situated within existing state park boundaries. The ability to sell a portion of an operating state park is not addressed in the section. Furthermore, I have been assured by the State Parks and Recreation Commission that they will cooperate with any local government which desires to operate a closed interpretive facility. Should future budgetary constraints force the closure of state park facilities, the option of transferring operation and ownership to local governments can be revisited.

Section 24(8)(e), page 86, sentence beginning on line 32 through line 37, beginning with the word "The" and ending "No. 2631." Public School Building Construction

The sentence beginning on page 86, line 32 through line 37, is unnecessary. The language allows the State Board of Education to allocate funds for financial assistance to school districts for capital planning related to the implementation of a modified school calendar or schedule as authorized in Engrossed Substitute House Bill No. 2631. The State Board currently (by WAC 180-25-030) allocates funds to school districts for capital planning. These planning grants may be for studies and surveys and include such other matters as the Superintendent of Public Instruction deems pertinent to a decision by the State Board of Education in the allocation of funds for school facilities. Therefore, the authority referenced in Engrossed Substitute House Bill No. 2631 already exists.

Section 31(3)(z), Lease or Lease Purchase of a Computing and Telecommunications Center for the Community and Technical College System

This subsection authorizes the Computing and Telecommunications Center to find a facility to lease, lease/purchase, or lease/develop. It is not clear whether the \$5 million authorized is sufficient to accomplish the agency's space needs. No documentation has been provided explaining the scope, size, or cost of the proposed facility. The effect of this project on the operating budgets of the community colleges supporting the Computing and Telecommunications Center is not explained. The existing lease for the current Computing and Telecommunications Center expires in the fall of 1996, providing ample time for the Computing and Telecommunications Center to request and fully document the need for a permanent facility in the normal capital budget process.

For the reasons stated above, I have vetoed sections 6, 12(5), 12(9), 12(11), 13(4), 15, 24(8)(e), and 31(3)(z) of Engrossed Substitute House Bill No. 2552.

With the exception of sections 6, 12(5), 12(9), 12(11), 13(4), 15, 24(8)(e), and 31(3)(z), Engrossed Substitute House Bill No. 2552 is approved."

AN ACT Relating to early retirement under the public employees' and teachers' retirement systems; amending RCW 28A.400.210; creating new sections; and declaring an emergency.

**NEW SECTION. Sec. 2.** Section 1 of this act is added to chapter 41.40 RCW, but because of its temporary nature, shall not be codified.

**NEW SECTION. Sec. 3.** In addition to members who are eligible to retire under RCW 41.32.480, any member of the teachers' retirement system plan I who meets the following criteria may retire on written notification to the member's employer and written application to the director no later than June 15, 1992, setting forth that the member will be retired no later than August 31, 1992:

**NEW SECTION. Sec. 5.** The office of the state actuary shall study the actual utilization of the early retirement offered by this act, the replacement of persons who utilized the early retirement, and the fiscal and programmatic impact of early retirement on the state, local governments, and school districts. The office of financial management and the office of the superintendent of public instruction shall provide technical assistance and information to the office of the state actuary for the study required in this section. The study shall be submitted to the joint committee on pension policy and the fiscal committees of the legislature by December 31, 1993.

**NEW SECTION. Sec. 6.** In order to ensure that the state derives the expected benefits from the early retirement provisions of this act, no state agency may engage through personal service contracts persons who retire from state service under the provisions of this act. Exceptions to this section may be granted by written approval from the director of the office of financial management if the director finds that the proposed contract is necessary to protect the public safety, protect against the loss of federal certification or loss of critical federal funds, or carry out functions so essential to the agency that even temporary suspension or delay of services would have a significant negative impact on the public. At the end of each three-month period in which exceptions

are approved, the director shall forward a copy of any approvals, together with justification for the exceptions, to the fiscal committees of the legislature. Each forwarded approval shall include the name of the proposed contractor, the agency and division or department requesting the contract, duration and cost of the proposed contract, and specific functions and duties to be carried out under the contract. This section shall expire June 30, 1995.

**NEW SECTION. Sec. 7.** Section 6 of this act is added to chapter 39.29 RCW, but because of its temporary nature, shall not be codified.

**NEW SECTION. Sec. 8.** In order to ensure that the state derives the expected benefits from the early retirement provisions of this act, no board of directors of a school district or educational service district may engage through personal service contracts persons who retire from state service under the provisions of this act. Exceptions to this section may be granted by written approval from the superintendent of public instruction if the superintendent finds that the proposed contract is necessary to protect student safety, protect against the loss of school district certification or loss of federal funds, or carry out functions so essential to the district that even temporary suspension or delay of services would have a significant negative impact on students. At the end of each three-month period in which exceptions are approved, the superintendent shall forward a copy of any approvals, together with justification for the exceptions, to the office of financial management and the fiscal committees of the legislature. Each forwarded approval shall include the name of the proposed contractor, the district requesting the contract, duration and cost of the proposed contract, and specific functions and duties to be carried out under the contract. This section shall expire August 31, 1995.

**NEW SECTION. Sec. 9.** Section 8 of this act is added to chapter 28A.400 RCW, but because of its temporary nature, shall not be codified.

**NEW SECTION. Sec. 10.** The department of personnel, through the combined benefits communication project, shall prepare information encouraging individual financial planning for retirement and describing the potential consequences of early retirement, including members' assumption of health insurance costs, members' receipt of reduced retirement benefits, and the increased period of time before members will become eligible for cost-of-living adjustments. The department of retirement systems shall distribute the information to members who are eligible to retire under the provisions of this act. Prior to retiring, such members who elect to retire shall sign a statement acknowledging their receipt and understanding of the information.

**NEW SECTION. Sec. 11.** In order to ensure that the state derives the expected benefits from the early retirement provisions of this act, no state agency may hire persons who retire from state service under the provisions of this act as temporary or project employees, as defined by the state personnel board for employees covered under chapter 41.06 RCW and by the higher education

personnel board for employees covered under chapter 28B.16 RCW. Exceptions to this section may be granted by written approval from the director of the office of financial management if the director finds that the temporary or project employment of a retiree is necessary to protect the public safety, protect against the loss of federal certification or loss of critical federal funds, or carry out functions so essential to the agency that even temporary suspension or delay of services would have a significant negative impact on the public. At the end of each three-month period in which exceptions are approved, the director shall forward a copy of any approvals, together with justification for the exceptions, to the fiscal committees of the legislature. Each forwarded approval shall include the name of the temporary or project employee, the agency and division or department requesting the employment, duration and cost of the proposed employment, and specific functions and duties to be carried out during the employment. This section shall expire June 30, 1995.

**Sec. 12.** RCW 28A.400.210 and 1991 c 92 s 2 are each amended to read as follows:

Every school district board of directors may, in accordance with chapters 41.56 and 41.59 RCW, establish an attendance incentive program for all certificated and noncertificated employees in the following manner, including covering persons who were employed during the 1982-'83 school year:

(1) In January of the year following any year in which a minimum of sixty days of leave for illness or injury is accrued, and each January thereafter, any eligible employee may exercise an option to receive remuneration for unused leave for illness or injury accumulated in the previous year at a rate equal to one day's monetary compensation of the employee for each four full days of accrued leave for illness or injury in excess of sixty days. Leave for illness or injury for which compensation has been received shall be deducted from accrued leave for illness or injury at the rate of four days for every one day's monetary compensation. No employee may receive compensation under this section for any portion of leave for illness or injury accumulated at a rate in excess of one day per month.

(2) Except as provided in section 13 of this act, at the time of separation from school district employment due to retirement or death an eligible employee or the employee's estate shall receive remuneration at a rate equal to one day's current monetary compensation of the employee for each four full days accrued leave for illness or injury.

(3) In lieu of remuneration for unused leave for illness or injury as provided in subsections (1) and (2) of this section, a school district board of directors may, with equivalent funds, provide eligible employees a benefit plan that provides reimbursement for medical expenses. Any benefit plan adopted after July 28, 1991, shall require, as a condition of participation under the plan, that the employee sign an agreement with the district to hold the district harmless should the United States government find that the district or the employee is in debt to

the United States as a result of the employee not paying income taxes due on the equivalent funds placed into the plan, or as a result of the district not withholding or deducting any tax, assessment, or other payment on such funds as required under federal law.

Moneys or benefits received under this section shall not be included for the purposes of computing a retirement allowance under any public retirement system in this state.

The superintendent of public instruction in its administration hereof, shall promulgate uniform rules and regulations to carry out the purposes of this section.

Should the legislature revoke any benefits granted under this section, no affected employee shall be entitled thereafter to receive such benefits as a matter of contractual right.

**NEW SECTION. Be it enacted by the Legislature of the State of Washington:

**NEW SECTION. Sec. 1.** This act is intended to expand the scope of practice of chiropractic only with regard to adjustment of extremities in connection with a spinal adjustment.

**Sec. 2.** RCW 18.25.005 and 1974 ex.s. c 97 s 7 are each amended to read as follows:

~~((For the purpose of chapters 18.25 and 18.26 RCW, the term "chiropractic" shall mean and include that practice of health care which deals with the detection of subluxations, which shall be defined as any alteration of the biomechanical and physiological dynamics of contiguous spinal structures which can cause neuronal disturbances, the chiropractic procedure preparatory to, and complementary to the correction thereof, by adjustment or manipulation of the articulations of the vertebral column and its immediate articulations for the restoration and maintenance of health; it includes the normal regimen and rehabilitation of the patient, physical examination to determine the necessity for chiropractic care, the use of x ray and other analytical instruments generally used in the practice of chiropractic: PROVIDED, That no chiropractor shall prescribe or dispense any medicine or drug nor practice obstetrics or surgery nor use x rays for therapeutic purposes: PROVIDED, HOWEVER, That the term "chiropractic" as defined in this act shall not prohibit a practitioner licensed under chapter 18.71 RCW from performing accepted medical procedures, except such procedures shall not include the adjustment by hand of any articulation of the spine: AND PROVIDED FURTHER, That nothing herein shall be construed to prohibit the rendering of dietary advice.))~~

(1) Chiropractic is the practice of health care that deals with the diagnosis or analysis and care or treatment of the vertebral subluxation complex and its effects, articular dysfunction, and musculoskeletal disorders, all for the restoration and maintenance of health and recognizing the recuperative powers of the body.

(2) Chiropractic treatment or care includes the use of procedures involving spinal adjustments, and extremity manipulation insofar as any such procedure is complementary or preparatory to a chiropractic spinal adjustment. Chiropractic treatment also includes the use of heat, cold, water, exercise, massage, trigger point therapy, dietary advice and recommendation of nutritional supplementation except for medicines of herbal, animal, or botanical origin, the normal regimen and rehabilitation of the patient, first aid, and counseling on hygiene, sanitation, and preventive measures. Chiropractic care also includes such physiological therapeutic procedures as traction and light, but does not include procedures involving the application of sound, diathermy, or electricity.

(3) As part of a chiropractic differential diagnosis, a chiropractor shall perform a physical examination, which may include diagnostic x-rays, to determine the appropriateness of chiropractic care or the need for referral to other health care providers. The chiropractic disciplinary board shall provide by rule for the type and use of diagnostic and analytical devices and procedures consistent with this chapter.

(4) Chiropractic care shall not include the prescription or dispensing of any medicine or drug, the practice of obstetrics or surgery, the use of x-rays or any other form of radiation for therapeutic purposes, colonic irrigation, or any form of venipuncture.

(5) Nothing in this chapter prohibits or restricts any other practitioner of a "health profession" defined in RCW 18.120.020(4) from performing any functions or procedures the practitioner is licensed or permitted to perform, and the term "chiropractic" as defined in this chapter shall not prohibit a practitioner licensed under chapter 18.71 RCW from performing medical procedures, except such procedures shall not include the adjustment by hand of any articulation of the spine.

**Sec. 3.** RCW 18.25.006 and 1991 c 3 s 36 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Department" means the department of health.

(2) "Secretary" means the secretary of the department of health or the secretary's designee.

(3) "Chiropractor" means an individual licensed under this chapter.

(4) "Board" means the Washington state board of chiropractic examiners.

(5) "Vertebral subluxation complex" means a functional defect or alteration of the biomechanical and physiological dynamics in a joint that may cause

neuronal disturbances, with or without displacement detectable by x-ray. The effects of the vertebral subluxation complex may include, but are not limited to, any of the following: Fixation, hypomobility, hypermobility, periarticular muscle spasm, edema, or inflammation.

(6) "Articular dysfunction" means an alteration of the biomechanical and physiological dynamics of a joint of the axial or appendicular skeleton.

(7) "Musculoskeletal disorders" means abnormalities of the muscles, bones, and connective tissue.

(8) "Chiropractic differential diagnosis" means a diagnosis to determine the existence of a vertebral subluxation complex, articular dysfunction, or musculoskeletal disorder, and the appropriateness of chiropractic care or the need for referral to other health care providers.

(9) "Chiropractic adjustment" means chiropractic care of a vertebral subluxation complex, articular dysfunction, or musculoskeletal disorder. Such care includes manual or mechanical adjustment of any vertebral articulation and contiguous articulations beyond the normal passive physiological range of motion.

(10) "Extremity manipulation" means a corrective thrust or maneuver applied to a joint of the appendicular skeleton. The use of extremity manipulation shall be complementary and preparatory to a chiropractic spinal adjustment to support correction of a vertebral subluxation complex and is considered a part of a spinal adjustment and shall not be billed separately from or in addition to a spinal adjustment.

**NEW SECTION. Sec. 4.** A new section is added to chapter 18.25 RCW to read as follows:

All state health care purchasers shall have the authority to set service and fee limitations on chiropractic costs. The health care authority shall establish pilot projects in defined geographic regions of the state to contract with organizations of chiropractors for a prepaid capitated amount.

***\*NEW SECTION. Sec. 5. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.***

\*Sec. 5 was vetoed, see message at end of chapter.

Passed the Senate March 8, 1992.

Passed the House March 6, 1992.

Approved by the Governor April 3, 1992, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State April 3, 1992.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 5, Engrossed Senate Bill No. 6054 entitled:

"AN ACT Relating to Chiropractic."

Section 5 of Engrossed Senate Bill No. 6054 implements this bill immediately. The language in the bill is ambiguous concerning the ability of chiropractors to treat problems originating in the extremities. The proponents of the bill assure me that the expansion in the scope of practice does not include disorders that originate in the extremities. I have asked the Chiropractic Disciplinary Board to clarify this issue in rule.

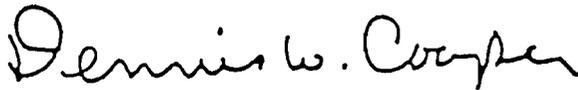

For these reasons, I have vetoed section 5 of Engrossed Senate Bill No. 6054.

With the exception of section 5, Engrossed Senate Bill No. 6054 is approved."
