Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 13.34.070 and 1990 c.246 s 2 are each amended to read as follows:

(1) Upon the filing of the petition, the clerk of the court shall issue a summons, one directed to the child, if the child is twelve or more years of age, and another to the parents, guardian, or custodian, and such other persons as appear to the court to be proper or necessary parties to the proceedings, requiring them to appear personally before the court at the time fixed to hear the petition. If the child is developmentally disabled and not living at home, the notice shall be given to the child's custodian as well as to the child's parent. The developmentally disabled child shall not be required to appear unless requested by the court. Where the custodian is summoned, the parent or guardian or both shall also be served with a summons. The fact-finding hearing on the petition shall be held no later than seventy-five days after the filing of the petition, unless exceptional reasons for a continuance are found. The party requesting the continuance shall have the burden of proving by a preponderance of the evidence that exceptional circumstances do exist. To ensure that the hearing on the petition occurs within the seventy-five day time limit, the court shall schedule and hear the matter on an expedited basis.

(2) A copy of the petition shall be attached to each summons.

(3) The summons shall advise the parties of the right to counsel. The summons shall also inform the child's parent, guardian, or legal custodian of his or her right to appointed counsel, if indigent, and of the procedure to use to secure appointed counsel.

(4) The summons shall advise the parents that they may be held responsible for the support of the child if the child is placed in out-of-home care.

(5) The judge may endorse upon the summons an order directing any parent, guardian, or custodian having the custody or control of the child to bring the child to the hearing.

(6) If it appears from affidavit or sworn statement presented to the judge that there is probable cause for the issuance of a warrant of arrest or that the child needs to be taken into custody pursuant to RCW 13.34.050, the judge may endorse upon the summons an order that an officer serving the summons shall at once take the child into custody and take him to the place of shelter designated by the court.

(7) If the person summoned as provided in this section is subject to an order of the court pursuant to subsection (((4) or)) ((5) or (6)) of this section,
and if the person fails to abide by the order, he may be proceeded against as for contempt of court. The order endorsed upon the summons shall conspicuously display the following legend:

NOTICE:
VIOLATION OF THIS ORDER
IS SUBJECT TO PROCEEDING
FOR CONTEMPT OF COURT
PURSUANT TO RCW 13.34.070.

If a party to be served with a summons can be found within the state, the summons shall be served upon the party personally as soon as possible following the filing of the petition, but in no case later than fifteen court days before the fact-finding hearing, or such time as set by the court. If the party is within the state and cannot be personally served, but the party’s address is known or can with reasonable diligence be ascertained, the summons may be served upon the party by mailing a copy thereof by certified mail as soon as possible following the filing of the petition, but in no case later than fifteen court days before the hearing, or such time as set by the court. If a party other than the child is without the state but can be found or the address is known, or can with reasonable diligence be ascertained, service of the summons may be made either by delivering a copy thereof to the party personally or by mailing a copy thereof to the party by certified mail at least ten court days before the fact-finding hearing, or such time as set by the court.

Service of summons may be made under the direction of the court by any person eighteen years of age or older who is not a party to the proceedings or by any law enforcement officer, probation counselor, or department of social and health services social worker.

In any proceeding brought under this chapter where the court knows or has reason to know that the child involved is a member of an Indian tribe, notice of the pendency of the proceeding shall also be sent by registered mail, return receipt requested, to the child’s tribe. If the identity or location of the tribe cannot be determined, such notice shall be transmitted to the secretary of the interior of the United States.

Sec. 2. RCW 13.34.160 and 1987 c 435 s 14 are each amended to read as follows:

In any action brought under this chapter, the court may inquire into the ability of the parent or parents of the child to pay child support and may enter an order of child support as set forth in chapter 26.19 RCW. The court may enforce the same by execution, or in any way in which a court of equity could enforce a similar order.
may enforce its decrees. All child support orders entered pursuant to this chapter
shall be in compliance with the provisions of RCW 26.23.050.

Sec. 3. RCW 13.34.180 and 1990 c 246 s 7 are each amended to read as
follows:

A petition seeking termination of a parent and child relationship may be
filed in juvenile court by any party to the dependency proceedings concerning
that child. Such petition shall conform to the requirements of RCW 13.34.040,
shall be served upon the parties as provided in RCW 13.34.070((7)),(8), and
shall allege:

1. That the child has been found to be a dependent child under RCW
   13.34.030(2); and

2. That the court has entered a dispositional order pursuant to RCW
   13.34.130; and

3. That the child has been removed or will, at the time of the hearing, have
   been removed from the custody of the parent for a period of at least six months
   pursuant to a finding of dependency under RCW 13.34.030(2); and

4. That the services ordered under RCW 13.34.130 have been offered or
   provided and all necessary services, reasonably available, capable of correcting
   the parental deficiencies within the foreseeable future have been offered or
   provided; and

5. That there is little likelihood that conditions will be remedied so that the
   child can be returned to the parent in the near future; and

6. That continuation of the parent and child relationship clearly diminishes
   the child's prospects for early integration into a stable and permanent home;

7. In lieu of the allegations in subsections (1) through (6) of this section,
   the petition may allege that the child was found under such circumstances that
   the whereabouts of the child's parent are unknown and no person has acknowl-
   edged paternity or maternity and requested custody of the child within two
   months after the child was found.

Notice of rights shall be served upon the parent, guardian, or legal custodian
with the petition and shall be in substantially the following form:

   hearings. If you cannot afford a lawyer, the court will appoint one to
represent you. To get a court-appointed lawyer you must contact:

Sec. 4. RCW 26.19.071 and 1991 sp.s. c 28 s 5 are each amended to read as follows:

(1) **Consideration of all income.** All income and resources of each parent’s household shall be disclosed and considered by the court when the court determines the child support obligation of each parent. Only the income of the parents of the children whose support is at issue shall be calculated for purposes of calculating the basic support obligation. Income and resources of any other person shall not be included in calculating the basic support obligation.

(2) **Verification of income.** Tax returns for the preceding two years and current paystubs shall be provided to verify income and deductions. Other sufficient verification shall be required for income and deductions which do not appear on tax returns or paystubs.

(3) **Income sources included in gross monthly income.** Except as specifically excluded in subsection (4) of this section, monthly gross income shall include income from any source, including:

(a) Salaries;
(b) Wages;
(c) Commissions;
(d) Deferred compensation;
(e) Overtime;
(f) Contract-related benefits;
(g) Income from second jobs;
(h) Dividends;
(i) Interest;
(j) Trust income;
(k) Severance pay;
(l) Annuities;
(m) Capital gains;
(n) Pension retirement benefits;
(o) Workers’ compensation;
(p) Unemployment benefits;
(q) Spousal maintenance actually received;
(r) Bonuses;
(s) Social security benefits; and
(t) Disability insurance benefits.
(4) **Income sources excluded from gross monthly income.** The following income and resources shall be disclosed but shall not be included in gross income:

(a) Income of a new spouse or income of other adults in the household;
(b) Child support received from other relationships;
(c) Gifts and prizes;
(d) Aid to families with dependent children;
(e) Supplemental security income;
(f) General assistance; and
(g) Food stamps.

Receipt of income and resources from aid to families with dependent children, supplemental security income, general assistance, and food stamps shall not be a reason to deviate from the standard calculation.

(5) **Determination of net income.** The following expenses shall be disclosed and deducted from gross monthly income to calculate net monthly income:

(a) Federal and state income taxes;
(b) Federal insurance contributions act deductions;
(c) Mandatory pension plan payments;
(d) Mandatory union or professional dues;
(e) State industrial insurance premiums;
(f) Court-ordered spousal maintenance to the extent actually paid;
(g) Up to two thousand dollars per year in voluntary pension payments actually made if the contributions were made for the two tax years preceding the earlier of the (i) tax year in which the parties separated with intent to live separate and apart or (ii) tax year in which the parties filed for dissolution; and
(h) Normal business expenses and self-employment taxes for self-employed persons. Justification shall be required for any business expense deduction about which there is disagreement.

Items deducted from gross income under this subsection shall not be a reason to deviate from the standard calculation.

(6) **Imputation of income.** The court shall impute income to a parent when the parent is voluntarily unemployed or voluntarily underemployed. The court shall determine whether the parent is voluntarily underemployed or voluntarily unemployed based upon that parent’s work history, education, health, and age, or any other relevant factors. A court shall not impute income to a parent who is gainfully employed on a full-time basis, unless the court finds that the parent is voluntarily underemployed and finds that the parent is purposely underemployed to reduce the parent’s child support obligation. Income shall not be imputed for an unemployable parent. Income shall not be imputed to a parent to the extent the parent is unemployed or significantly underemployed due to the parent’s efforts to comply with court-ordered reunification efforts under chapter 13.34 RCW or under a voluntary placement agreement with an agency supervising the child. In the absence of information to the contrary, a parent’s
imputed income shall be based on the median income of year-round full-time workers as derived from the United States bureau of census, current populations reports, or such replacement report as published by the bureau of census.

Sec. 5. RCW 26.19.075 and 1991 sp.s. c 28 s 6 are each amended to read as follows:

1) Reasons for deviation from the standard calculation include but are not limited to the following:

(a) Sources of income and tax planning. The court may deviate from the standard calculation after consideration of the following:

(i) Income of a new spouse if the parent who is married to the new spouse is asking for a deviation based on any other reason. Income of a new spouse is not, by itself, a sufficient reason for deviation;

(ii) Income of other adults in the household if the parent who is living with the other adult is asking for a deviation based on any other reason. Income of the other adults in the household is not, by itself, a sufficient reason for deviation;

(iii) Child support actually received from other relationships;

(iv) Gifts;

(v) Prizes;

(vi) Possession of wealth, including but not limited to savings, investments, real estate holdings and business interests, vehicles, boats, pensions, bank accounts, insurance plans, or other assets;

(vii) Extraordinary income of a child; or

(viii) Tax planning considerations. A deviation for tax planning may be granted only if the child would not receive a lesser economic benefit due to the tax planning.

(b) Nonrecurring income. The court may deviate from the standard calculation based on a finding that a particular source of income included in the calculation of the basic support obligation is not a recurring source of income. Depending on the circumstances, nonrecurring income may include overtime, contract-related benefits, bonuses, or income from second jobs. Deviations for nonrecurring income shall be based on a review of the nonrecurring income received in the previous two calendar years.

(c) Debt and high expenses. The court may deviate from the standard calculation after consideration of the following expenses:

(i) Extraordinary debt not voluntarily incurred;

(ii) A significant disparity in the living costs of the parents due to conditions beyond their control;

(iii) Special needs of disabled children; ((of))

(iv) Special medical, educational, or psychological needs of the children; or

(v) Costs incurred or anticipated to be incurred by the parents in compliance with court-ordered reunification efforts under chapter 13.34 RCW or under a voluntary placement agreement with an agency supervising the child.
(d) **Residential schedule.** The court may deviate from the standard calculation if the child spends a significant amount of time with the parent who is obligated to make a support transfer payment. The court may not deviate on that basis if the deviation will result in insufficient funds in the household receiving the support to meet the basic needs of the child or if the child is receiving aid to families with dependent children. When determining the amount of the deviation, the court shall consider evidence concerning the increased expenses to a parent making support transfer payments resulting from the significant amount of time spent with that parent and shall consider the decreased expenses, if any, to the party receiving the support resulting from the significant amount of time the child spends with the parent making the support transfer payment.

(e) **Children from other relationships.** The court may deviate from the standard calculation when either or both of the parents before the court have children from other relationships to whom the parent owes a duty of support.

(i) The child support schedule shall be applied to the mother, father, and children of the family before the court to determine the presumptive amount of support.

(ii) Children from other relationships shall not be counted in the number of children for purposes of determining the basic support obligation and the standard calculation.

(iii) When considering a deviation from the standard calculation for children from other relationships, the court may consider only other children to whom the parent owes a duty of support. The court may consider court-ordered payments of child support for children from other relationships only to the extent that the support is actually paid.

(iv) When the court has determined that either or both parents have children from other relationships, deviations under this section shall be based on consideration of the total circumstances of both households. All child support obligations paid, received, and owed for all children shall be disclosed and considered.

(2) All income and resources of the parties before the court, new spouses, and other adults in the households shall be disclosed and considered as provided in this section. The presumptive amount of support shall be determined according to the child support schedule. Unless specific reasons for deviation are set forth in the written findings of fact and are supported by the evidence, the court shall order each parent to pay the amount of support determined by using the standard calculation.

(3) The court shall enter findings that specify reasons for any deviation or any denial of a party's request for any deviation from the standard calculation made by the court. The court shall not consider reasons for deviation until the court determines the standard calculation for each parent.

(4) When reasons exist for deviation, the court shall exercise discretion in considering the extent to which the factors would affect the support obligation.
(5) Agreement of the parties is not by itself adequate reason for any deviations from the standard calculation.

AN ACT Relating to financing debt for storm water control facilities; adding a new section to chapter 36.89 RCW; and adding a new section to chapter 36.94 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 36.89 RCW to read as follows:

Whenever a city or town annexes an area, or a city or town incorporates an area, and the county has issued revenue bonds or general obligation bonds to finance storm water control facilities that are payable in whole or in part from rates or charges imposed in the area, the county shall continue imposing all portions of the rates or charges that are allocated to payment of the debt service on bonds in that area after the effective date of the annexation or official date of the incorporation until: (1) The debt is retired; (2) any debt that is issued to refinance the underlying debt is retired; or (3) the city or town reimburses the county amount that is sufficient to retire that portion of the debt borne by the annexed or incorporated area. The county shall construct all facilities included in the storm water plan intended to be financed by the proceeds of such bonds. If the county provides storm water management services to the city or town by contract, the contract shall consider the value of payments made by property owners to the county for the payment of debt service.

NEW SECTION. Sec. 2. A new section is added to chapter 36.94 RCW to read as follows:

Whenever a city or town annexes an area, or a city or town incorporates an area, and the county has issued revenue bonds or general obligation bonds to finance storm or surface water drains or facilities that are payable in whole or in part from rates or charges imposed in the area, the county shall continue imposing all portions of the rates or charges that are allocated to payment of the debt service on bonds in that area after the effective date of the annexation or official date of the incorporation until: (1) The debt is retired; (2) any debt that is issued to refinance the underlying debt is retired; or (3) the city or town...
reimburses the county amount that is sufficient to retire that portion of the debt borne by the annexed or incorporated area. The county shall construct all facilities included in the storm water plan intended to be financed by the proceeds of such bonds. If the county provides storm water management services to the city or town by contract, the contract shall consider the value of payments made by property owners to the county for the payment of debt service.

The provisions of this section apply whether or not the bonds finance facilities that are geographically located within the area that is annexed or incorporated.

CHAPTER 362
[Senate Bill 5759]

INVOLUNTARY COMMITMENT OF CHEMICALLY DEPENDENT PERSONS

Effective Date: 7/25/93

AN ACT Relating to persons incapacitated by alcohol and other drugs; amending RCW 70.96A.140; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 70.96A.140 and 1991 c 364 s 10 are each amended to read as follows:

(1) When a designated chemical dependency specialist receives information alleging that a person is incapacitated as a result of ((alcoholism, or in the case of a minor incapacitated by alcoholism and/or other drug addiction)) chemical dependency, the designated chemical dependency specialist, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of the information, may file a petition for commitment of such person with the superior court or district court. If the designated chemical dependency specialist finds that the initial needs of such person would be better served by placement within the mental health system, the person shall be referred to an evaluation and treatment facility as defined in RCW 71.05.020 or 71.34.020. If placement in a chemical dependency program is available and deemed appropriate, the petition shall allege that: The person is chemically dependent and is incapacitated by alcohol or ((in the case of a minor incapacitated by alcoholism and/or other drug addiction)) drug addiction, or that the person has twice before in the preceding twelve months been admitted for detoxification or chemical dependency treatment ((for alcoholism)) pursuant to RCW 70.96A.110, ((or in the case of a minor, detoxification or treatment for alcohol or drug addiction)) and is in need of a more sustained treatment
program, or that the person is ((an alcoholic, or in the case of a minor, an alcoholic or other drug addict, who)) chemically dependent and has threatened, attempted, or inflicted physical harm on another and is likely to inflict physical harm on another unless committed. A refusal to undergo treatment, by itself, does not constitute evidence of lack of judgment as to the need for treatment. The petition shall be accompanied by a certificate of a licensed physician who has examined the person within five days before submission of the petition, unless the person whose commitment is sought has refused to submit to a medical examination, in which case the fact of refusal shall be alleged in the petition. The certificate shall set forth the licensed physician’s findings in support of the allegations of the petition. A physician employed by the petitioning program or the department is eligible to be the certifying physician.

(2) Upon filing the petition, the court shall fix a date for a hearing no less than two and no more than seven days after the date the petition was filed unless the person petitioned against is presently being detained in a program, pursuant to RCW 70.96A.120, 71.05.210, or 71.34.050, as now or hereafter amended, in which case the hearing shall be held within seventy-two hours of the filing of the petition: PROVIDED, HOWEVER, That the above specified seventy-two hours shall be computed by excluding Saturdays, Sundays, and holidays: PROVIDED FURTHER, That, the court may, upon motion of the person whose commitment is sought, or upon motion of petitioner with written permission of the person whose commitment is sought, or his or her counsel and, upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of the hearing, including the date fixed by the court, shall be served by the designated chemical dependency specialist on the person whose commitment is sought, his or her next of kin, a parent or his or her legal guardian if he or she is a minor, and any other person the court believes advisable. A copy of the petition and certificate shall be delivered to each person notified.

(3) At the hearing the court shall hear all relevant testimony, including, if possible, the testimony, which may be telephonic, of at least one licensed physician who has examined the person whose commitment is sought. Communications otherwise deemed privileged under the laws of this state are deemed to be waived in proceedings under this chapter when a court of competent jurisdiction in its discretion determines that the waiver is necessary to protect either the detained person or the public. The waiver of a privilege under this section is limited to records or testimony relevant to evaluation of the detained person for purposes of a proceeding under this chapter. Upon motion by the detained person, or on its own motion, the court shall examine a record or testimony sought by a petitioner to determine whether it is within the scope of the waiver.

The record maker shall not be required to testify in order to introduce medical, nursing, or psychological records of detained persons so long as the requirements of RCW 5.45.020 are met, except that portions of the record that contain opinions as to whether the detained person is ((an alcoholic, or in the
Chemically dependent shall be deleted from the records unless the person offering the opinions is available for cross-examination. The person shall be present unless the court believes that his or her presence is likely to be injurious to him or her; in this event the court may deem it appropriate to appoint a guardian ad litem to represent him or her throughout the proceeding. If deemed advisable, the court may examine the person out of courtroom. If the person has refused to be examined by a licensed physician, he or she shall be given an opportunity to be examined by a court-appointed licensed physician. If he or she refuses and there is sufficient evidence to believe that the allegations of the petition are true, or if the court believes that more medical evidence is necessary, the court may make a temporary order committing him or her to the department for a period of not more than five days for purposes of a diagnostic examination.

(4) If after hearing all relevant evidence, including the results of any diagnostic examination, the court finds that grounds for involuntary commitment have been established by clear, cogent, and convincing proof, it shall make an order of commitment to an approved treatment program. It shall not order commitment of a person unless it determines that an approved treatment program is available and able to provide adequate and appropriate treatment for him or her.

(5) A person committed under this section shall remain in the program for treatment for a period of sixty days unless sooner discharged. At the end of the sixty-day period, he or she shall be discharged automatically unless the program, before expiration of the period, files a petition for his or her recommitment upon the grounds set forth in subsection (1) of this section for a further period of ninety days unless sooner discharged. If a person has been committed because he or she is (an alcoholic, or, in the case of a minor, an alcoholic or other drug addict) chemically dependent and likely to inflict physical harm on another, the program shall apply for recommitment if after examination it is determined that the likelihood still exists.

(6) Upon the filing of a petition for recommitment under subsection (5) of this section, the court shall fix a date for hearing no less than two and no more than seven days after the date the petition was filed: PROVIDED, That, the court may, upon motion of the person whose commitment is sought and upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of hearing, including the date fixed by the court, shall be served by the treatment program on the person whose commitment is sought, his or her next of kin, the original petitioner under subsection (1) of this section if different from the petitioner for recommitment, one of his or her parents or his or her legal guardian if he or she is a minor, and his or her attorney and any other person the court believes advisable. At the hearing the court shall proceed as provided in subsection (3) of this section.

(7) The approved treatment program shall provide for adequate and appropriate treatment of a person committed to its custody. A person committed
(8) A person committed to the custody of a program for treatment shall be discharged at any time before the end of the period for which he or she has been committed and he or she shall be discharged by order of the court if either of the following conditions are met:

(a) In case of ((animal)) a chemically dependent person committed on the grounds of likelihood of infliction of physical harm upon himself, herself, or another, ((or, in the case of a minor, an alcoholic or other drug addict,)) the likelihood no longer exists; or further treatment will not be likely to bring about significant improvement in the person's condition, or treatment is no longer adequate or appropriate.

(b) In case of ((animal)) a chemically dependent person committed on the grounds of the need of treatment and incapacity ((or, in the case of a minor, incapacitated by alcoholism and/or other drug addiction)), that the incapacity no longer exists.

(9) The court shall inform the person whose commitment or recommitment is sought of his or her right to contest the application, be represented by counsel at every stage of any proceedings relating to his or her commitment and recommitment, and have counsel appointed by the court or provided by the court, if he or she wants the assistance of counsel and is unable to obtain counsel. If the court believes that the person needs the assistance of counsel, the court shall require, by appointment if necessary, counsel for him or her regardless of his or her wishes. The person shall, if he or she is financially able, bear the costs of such legal service; otherwise such legal service shall be at public expense. The person whose commitment or recommitment is sought shall be informed of his or her right to be examined by a licensed physician of his or her choice. If the person is unable to obtain a licensed physician and requests examination by a physician, the court shall employ a licensed physician.

(10) A person committed under this chapter may at any time seek to be discharged from commitment by writ of habeas corpus in a court of competent jurisdiction.

(11) The venue for proceedings under this section is the county in which person to be committed resides or is present.

(12) When in the opinion of the professional person in charge of the program providing involuntary treatment under this chapter, the committed patient can be appropriately served by less restrictive treatment before expiration of the period of commitment, then the less restrictive care may be required as a condition for early release for a period which, when added to the initial treatment period, does not exceed the period of commitment. If the program designated to provide the less restrictive treatment is other than the program providing the initial involuntary treatment, the program so designated must agree in writing to assume such responsibility. A copy of the conditions for early release shall be given to the patient, the designated chemical dependency specialist of original
commitment, and the court of original commitment. The program designated to
provide less restrictive care may modify the conditions for continued release
when the modifications are in the best interests of the patient. If the program
providing less restrictive care and the designated chemical dependency specialist
determine that a conditionally released patient is failing to adhere to the terms
and conditions of his or her release, or that substantial deterioration in the
patient’s functioning has occurred, then the designated chemical dependency
specialist shall notify the court of original commitment and request a hearing to
be held no less than two and no more than seven days after the date of the
request to determine whether or not the person should be returned to more
restrictive care. The designated chemical dependency specialist shall file a
petition with the court stating the facts substantiating the need for the hearing
along with the treatment recommendations. The patient shall have the same
rights with respect to notice, hearing, and counsel as for the original involuntary
treatment proceedings. The issues to be determined at the hearing are whether
the conditionally released patient did or did not adhere to the terms and
conditions of his or her release to less restrictive care or that substantial
deterioration of the patient’s functioning has occurred and whether the conditions
of release should be modified or the person should be returned to a more
restrictive program. The hearing may be waived by the patient and his or her
counsel and his or her guardian or conservator, if any, but may not be waived
unless all such persons agree to the waiver. Upon waiver, the person may be
returned for involuntary treatment or continued on conditional release on the
same or modified conditions.

NEW SECTION. Sec. 2. The purpose of this act is solely to provide
authority for the involuntary commitment of persons suffering from chemical
dependency within available funds and current programs and facilities. Nothing
in this act shall be construed to require the addition of new facilities nor affect
the department of social and health services’ authority for the uses of existing
programs and facilities authorized by law.

Passed the Senate March 10, 1993.
Passed the House April 16, 1993.
Approved by the Governor May 15, 1993.
Filed in Office of Secretary of State May 15, 1993.
AN ACT Relating to higher education; amending RCW 28B.80.330; adding new sections to chapter 28B.80 RCW; creating a new section; providing an effective date; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds a need to redefine the relationship between the state and its postsecondary education institutions through a compact based on trust, evidence, and a new alignment of responsibilities. As the proportion of the state budget dedicated to postsecondary education programs has continued to decrease and the opportunity for this state's citizens to participate in such programs also has declined, the state institutions of higher education have increasingly less flexibility to respond to emerging challenges through innovative management and programming. The legislature finds that this state has not provided its institutions of higher education with the ability to effectively achieve state-wide goals and objectives to increase access to, improve the quality of, and enhance the accountability for its postsecondary education system.

Therefore, the legislature declares that the policy of the state of Washington is to create an environment in which the state institutions of higher education have the authority and flexibility to enhance attainment of state-wide goals and objectives for the state's postsecondary education system through decisions and actions at the local level. The policy shall have the following attributes:

1. The accomplishment of equitable and adequate enrollment by significantly raising enrollment lids, adequately funding those increases, and providing sufficient financial aid for the neediest students;

2. The development and use of a new definition of quality measured by effective operations and clear results; the efficient use of funds to achieve well-educated students;

3. The attainment of a new resource management relationship that removes the state from micromanagement, allows institutions greater management autonomy to focus resources on essential functions, and encourages innovation; and

4. The development of a system of coordinated planning and sufficient feedback to assure policymakers and citizens that students are succeeding and resources are being prudently deployed.

NEW SECTION. Sec. 2. A new section is added to chapter 28B.80 RCW to read as follows:

1. At the local level, the higher education institutional responsibilities include but are not limited to:
(a) Development and provision of strategic plans under the guidelines established by the higher education coordinating board. In developing their strategic plans, the research universities shall consider the feasibility of significantly increasing the number of evening graduate classes;

(b) For the four-year institutions of higher education, timely provision of information required by the higher education coordinating board to report to the governor, the legislature, and the citizens;

(c) Provision of local student financial aid delivery systems to achieve both state-wide goals and institutional objectives in concert with state-wide policy; and

(d) Operating as efficiently as feasible within institutional missions and goals.

(2) At the state level, the higher education coordinating board shall be responsible for:

(a) Delineation and coordination of strategic plans to be prepared by the institutions;

(b) Preparation of reports to the governor, the legislature, and the citizens on program accomplishments and use of resources by the institutions;

(c) Administration and policy implementation for state-wide student financial aid programs; and

(d) Assistance to institutions in improving operational efficiency through measures that include periodic review of program efficiencies.

(3) At the state level, on behalf of community colleges and technical colleges, the state board for community and technical colleges shall coordinate and report on the system’s strategic plans and shall provide any information required of its colleges by the higher education coordinating board.

NEW SECTION. Sec. 3. A new section is added to chapter 28B.80 RCW to read as follows:

In cooperation with institutions of higher education, the state board for community and technical colleges, and appropriate state and local agencies, the higher education coordinating board may identify methods to reduce administrative barriers to efficient institutional operations. These methods may include waivers of statutory requirements and administrative rules. The higher education coordinating board shall report to the governor and appropriate legislative committees its recommendations for any statutory changes necessary to enhance institutional efficiencies. In cooperation with affected institutions, the board shall work with appropriate agencies to reduce administrative barriers that do not require statutory changes.

NEW SECTION. Sec. 4. A new section is added to chapter 28B.80 RCW to read as follows:

The higher education coordinating board, in conjunction with the four-year institutions of higher education, shall conduct a study of higher education system operations to identify efficiencies to increase access to, improve the quality of,
and reduce the cost of higher education. This study shall include but not be limited to:

1. Examining potential unnecessary duplicative and low-productivity programs for possible consolidation or termination;
2. Developing criteria for and conducting an evaluation of faculty productivity;
3. Reviewing and developing recommendations on appropriate institutional roles for providing remedial instruction;
4. Exploring the potential for greater use of the public higher education system physical plant and other resources through such means as expanded operations during summer terms, evenings, and weekends;
5. Examining the effectiveness of proposals on variable tuition rates and faculty salary incentives; and
6. Identifying ways for institutions to share resources, faculty, and curricula through collaboration with other public and private postsecondary institutions and common school districts in their service areas to increase student opportunities and reduce costs. Analyses shall include clear articulation of functions among institutions, means to reduce duplication, and policies to facilitate student movement among institutions.

NEW SECTION. Sec. 5. A new section is added to chapter 28B.80 RCW to read as follows:

The higher education coordinating board, in conjunction with the state board for community and technical colleges and the institutions of higher education, shall report regularly to the legislature and the citizens the accomplishments of, expenditures for, and requirements of the postsecondary educational system in the state of Washington. The state board for community and technical colleges and the state institutions of higher education shall report uniformly to the higher education coordinating board, on an annual basis, the information necessary to prepare the report. Independent colleges and universities are encouraged to cooperate with this effort and to provide to the board information in a uniform format developed by the board, in cooperation with the institutions. Examples of performance measures that could be included are:

1. Retention and graduation rates;
2. Average time to a degree;
3. Credit hours per degree awarded;
4. Degrees awarded by discipline and by level;
5. Multiple degrees;
6. Measures taken to reduce duplicative courses, programs, and requirements;
7. Student-faculty contact hours;
8. Placement rates;
9. Success in recruiting and graduating underrepresented groups;
10. Various fiscal and management measures; and
(11) Demographic information on enrolled students, including but not limited to socioeconomic and ethnic backgrounds.

Sec. 6. RCW 28B.80.330 and 1985 c 370 s 4 are each amended to read as follows:

The board shall perform the following planning duties in consultation with the four-year institutions, the community and technical college system, and when appropriate the ((commission for vocational education)) work force training and education coordinating board, the superintendent of public instruction ((for the vocational-technical institutes)), and the independent higher educational institutions:

(1) Develop and establish role and mission statements for each of the four-year institutions and for the community and technical college system;
(2) Identify the state's higher education goals, objectives, and priorities;
(3) Prepare a comprehensive master plan which includes but is not limited to:
   (a) Assessments of the state's higher education needs. These assessments may include, but are not limited to: The basic and continuing needs of various age groups; business and industrial needs for a skilled workforce; analyses of demographic, social, and economic trends; consideration of the changing ethnic composition of the population and the special needs arising from such trends; college attendance, retention, and dropout rates, and the needs of recent high school graduates and placebound adults. The board should consider the needs of residents of all geographic regions, but its initial priorities should be applied to heavily populated areas underserved by public institutions;
   (b) Recommendations on enrollment and other policies and actions to meet those needs;
   (c) Guidelines for continuing education, adult education, public service, and other higher education programs.

The initial plan shall be submitted to the governor and the legislature by December 1, 1987. Comments on the plan from the board's advisory committees and the institutions shall be submitted with the plan.

The plan shall be updated ((biennially)) every four years, and presented to the governor and the appropriate legislative policy committees. Following public hearings, the legislature shall, by concurrent resolution, approve or recommend changes to the initial plan, and the ((biennial)) updates. The plan shall then become state higher education policy unless legislation is enacted to alter the policies set forth in the plan;

(4) Review, evaluate, and make recommendations on operating and capital budget requests from four-year institutions and the community and technical college system, based on the elements outlined in subsections (1), (2), and (3) of this section, and on guidelines which outline the board's fiscal priorities. These guidelines shall be distributed to the institutions and the community college board by December of each odd-numbered year. The institutions and the community college board shall submit an outline of their proposed budgets,
identifying major components, to the board no later than August 1 of each even-numbered year. The board shall submit recommendations on the proposed budgets and on the board’s budget priorities to the office of financial management before October 15 of each even-numbered year, and to the legislature by January 1 of each odd-numbered year;

(5) Recommend legislation affecting higher education;
(6) Recommend tuition and fees policies and levels based on comparisons with peer institutions;
(7) Establish priorities and develop recommendations on financial aid based on comparisons with peer institutions;
(8) Prepare recommendations on merging or closing institutions; and
(9) Develop criteria for identifying the need for new baccalaureate institutions.

NEW SECTION. Sec. 7. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1993.

AN ACT Relating to economic development; and amending RCW 43.210.110.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 43.210.110 and 1991 c 314 s 12 are each amended to read as follows:

(a) Solicit and accept grants, contributions, and any other financial assistance from the federal government, federal agencies, and any other public or private sources to carry out its purposes;

(b) Offer comprehensive export assistance and counseling to manufacturers relatively new to exporting with gross annual revenues less than twenty-five million dollars. As close to ((ninety)) seventy-five percent as possible of each year's new cadre of clients must have gross annual revenues of less than five million dollars at the time of their initial contract. At least fifty percent of each year's new cadre of clients shall be from timber impact areas as defined in RCW 43.31.601. Counseling may include, but not be limited to, helping clients obtain debt or equity financing, in constructing competent proposals, and assessing federal guarantee and/or insurance programs that underwrite exporting risk; assisting clients in evaluating their international marketplace by developing marketing materials, assessing and selecting targeted markets; assisting firms in finding foreign customers by conducting foreign market research, evaluating distribution systems, selecting and assisting in identification of and/or negotiations with foreign agents, distributors, retailers, and by promoting products through attending trade shows abroad; advising companies on their products, guarantees, and after sales service requirements necessary to compete effectively in a foreign market; designing a competitive strategy for a firm's products in targeted markets and methods of minimizing their commercial and political risks; securing for clients specific assistance as needed, outside the center's field of expertise, by referrals to other public or private organizations. The Pacific Northwest export assistance project shall focus its efforts on facilitating export transactions for its clients, and in doing so, provide such technical services as are appropriate to accomplish its mission either with staff or outside consultants;

(c) Sign three-year counseling agreements with its clients that provide for termination if adequate funding for the Pacific Northwest export assistance project is not provided in future appropriations. Counseling agreements shall not be renewed unless there are compelling reasons to do so, and under no circumstances shall they be renewed for more than two additional years. A counseling agreement may not be renewed more than once. The counseling agreements shall have mutual performance clauses, that if not met, will be
grounds for releasing each party, without penalty, from the provisions of the agreement. Clients shall be immediately released from a counseling agreement with the Pacific Northwest export assistance project, without penalty, if a client wishes to switch to a private export management service and produces a valid contract signed with a private export management service, or if the president of the small business export finance assistance center determines there are compelling reasons to release a client from the provisions of the counseling agreement;

(d) May contract with private or public international trade education services to provide Pacific Northwest export assistance project clients with training in international business. The president and board of directors shall decide the amount of funding allocated for educational services based on the availability of resources in the operating budget of the Pacific Northwest export assistance project;

(e) May contract with the Washington state international trade fair to provide services for Pacific Northwest export assistance project clients to participate in one trade show annually. The president and board of directors shall decide the amount of funding allocated for trade fair assistance based on the availability of resources in the operating budget of the Pacific Northwest export assistance project;

(f) Provide biennial assessments of its performance. A biennial report shall be prepared for the governor and legislature to assess the costs and benefits to the state from creating the project. The president of the small business export finance assistance center shall design an appropriate methodology for biennial assessments in consultation with the director of the department of trade and economic development and the director of the Washington state department of agriculture. The department of revenue and the employment security department shall provide data necessary to complete this biennial evaluation, if the data being requested is available from existing data bases. Client-specific information generated from the files of the department of revenue and the employment security department for the purposes of this evaluation shall be kept strictly confidential by each department and the small business export finance assistance center;

(g) Take whatever action may be necessary to accomplish the purposes set forth in RCW 43.210.070 and 43.210.100 through 43.210.120; and

(h) Limit its assistance to promoting the exportation of value-added manufactured goods. The project shall not provide counseling or assistance, under any circumstances, for the importation of foreign made goods into the United States.
(2) The Pacific Northwest export assistance project shall not, under any circumstances, assume ownership or take title to the goods of its clients.

(3) The Pacific Northwest export assistance project may not use any Washington state funds which come from the public treasury of the state of Washington to make loans or to make any payment under a loan guarantee agreement. Under no circumstances may the center use any funds received under RCW 43.210.050 to make or assist in making any loan or to pay or assist in paying any amount under a loan guarantee agreement. Debts of the center shall be center debts only and may be satisfied only from the resources of the center. The state of Washington shall not in any way be liable for such debts.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 18.130.090 and 1986 c 259 s 6 are each amended to read as follows:

(1) If the disciplining authority determines, upon investigation, that there is reason to believe a violation of RCW 18.130.180 has occurred, a statement of charge or charges shall be prepared and served upon the license holder or applicant at the earliest practical time. The statement of charge or charges shall be accompanied by a notice that the license holder or applicant may request a hearing to contest the charge or charges. The license holder or applicant must file a request for hearing with the disciplining authority within twenty days after being served the statement of charges. If the twenty-day limit results in a hardship upon the license holder or applicant, he or she may request for good cause an extension not to exceed sixty additional days. If the disciplining authority finds that there is good cause, it shall grant the extension. The failure to request a hearing constitutes a default, whereupon the disciplining authority may enter a decision on the basis of the facts available to it.

(2) If a hearing is requested, the time of the hearing shall be fixed by the disciplining authority as soon as convenient, but the hearing shall not be held earlier than thirty days after service of the charges upon the license holder or applicant. ([A notice of hearing shall be issued at least twenty days prior to the hearing, specifying the time, date, and place of the hearing. The notice shall also notify the license holder or applicant that a record of the proceeding will be kept, that he or she will have the opportunity to appear personally and to have counsel]
NEW SECTION. Sec. 2. A new section is added to chapter 18.130 RCW to read as follows:

REQUIRED UNIFORM PROCEDURES. (1) The secretary shall develop uniform procedural rules to respond to public inquiries concerning complaints and their disposition, active investigations, statement of charges, findings of fact, and final orders involving a licensee, applicant, or unlicensed person. The uniform procedural rules adopted under this subsection apply to all adjudicative proceedings conducted under this chapter and shall include provisions for the establishing time lines for discovery, settlement, and scheduling hearings.

(2) The uniform procedures for conducting investigations shall provide that prior to taking a written statement:

(a) For violation of this chapter, the investigator shall inform such person, in writing of: (i) The nature of the complaint; (ii) that the person may consult with legal counsel at his or her expense prior to making a statement; and (iii) that any statement that the person makes may be used in an adjudicative proceeding conducted under this chapter; and

(b) From a witness or potential witness in an investigation under this chapter, the investigator shall inform the person, in writing, that the statement may be released to the licensee, applicant, or unlicensed person under investigation if a statement of charges is issued.

(3) Only upon the authorization of a disciplinary authority identified in RCW 18.130.040(2)(b), the secretary, or his or her designee, may serve as the presiding officer for any disciplinary proceedings of the disciplinary authority authorized under this chapter. The presiding officer shall not vote on any final decision. All functions performed by the presiding officer shall be subject to chapter 34.05 RCW. The secretary, in consultation with the disciplinary authorities, shall adopt procedures for implementing this subsection. This subsection shall not apply to the board of funeral directors and embalmers.

Sec. 3. RCW 18.130.175 and 1991 c 3 s 270 are each amended to read as follows:

(1) In lieu of disciplinary action under RCW 18.130.160 and if the disciplining authority determines that the unprofessional conduct may be the result of substance abuse, the disciplining authority may refer the license holder to a voluntary substance abuse monitoring program approved by the disciplining authority.

The cost of the treatment shall be the responsibility of the license holder, but the responsibility does not preclude payment by an employer, existing insurance coverage, or other sources. Primary alcoholism or drug treatment shall be
provided by approved treatment ((facilities)) programs under RCW ((70.96A.020(2))) 70.96A.020: PROVIDED, That nothing shall prohibit the disciplining authority from approving additional services and programs as an adjunct to primary alcoholism or drug treatment. The disciplining authority may also approve the use of out-of-state programs. Referral of the license holder to the program shall be done only with the consent of the license holder. Referral to the program may also include probationary conditions for a designated period of time. If the license holder does not consent to be referred to the program or does not successfully complete the program, the disciplining authority may take appropriate action under RCW 18.130.160. The secretary shall adopt uniform rules for the evaluation by the disciplinary authority of a relapse or program violation on the part of a license holder in the substance abuse monitoring program. The evaluation shall encourage program participation with additional conditions, in lieu of disciplinary action, when the disciplinary authority determines that the license holder is able to continue to practice with reasonable skill and safety.

(2) In addition to approving substance abuse monitoring programs that may receive referrals from the disciplining authority, the disciplining authority may establish by rule requirements for participation of license holders who are not being investigated or monitored by the disciplining authority for substance abuse. License holders voluntarily participating in the approved programs without being referred by the disciplining authority shall not be subject to disciplinary action under RCW 18.130.160 for their substance abuse, and shall not have their participation made known to the disciplining authority, if they meet the requirements of this section and the program in which they are participating.

(3) The license holder shall sign a waiver allowing the program to release information to the disciplining authority if the licensee does not comply with the requirements of this section or is unable to practice with reasonable skill or safety. The substance abuse program shall report to the disciplining authority any license holder who fails to comply with the requirements of this section or the program or who, in the opinion of the program, is unable to practice with reasonable skill or safety. License holders shall report to the disciplining authority if they fail to comply with this section or do not complete the program’s requirements. License holders may, upon the agreement of the program and disciplining authority, reenter the program if they have previously failed to comply with this section.

(4) The treatment and pretreatment records of license holders referred to or voluntarily participating in approved programs shall be confidential, shall be exempt from RCW 42.17.250 through 42.17.450, and shall not be subject to discovery by subpoena or admissible as evidence except for monitoring records reported to the disciplining authority for cause as defined in subsection (3) of this section. Monitoring records relating to license holders referred to the program by the disciplining authority or relating to license holders reported to the
disciplining authority by the program for cause, shall be released to the
disciplining authority at the request of the disciplining authority. Records held
by the disciplining authority under this section shall be exempt from RCW
42.17.250 through 42.17.450 and shall not be subject to discovery by subpoena
except by the license holder.

(5) "Substance abuse," as used in this section, means the impairment, as
determined by the disciplining authority, of a license holder's professional
services by an addiction to, a dependency on, or the use of alcohol, legend drugs,
or controlled substances.

(6) This section does not affect an employer's right or ability to make
employment-related decisions regarding a license holder. This section does not
restrict the authority of the disciplining authority to take disciplinary action for
any other unprofessional conduct.

(7) A person who, in good faith, reports information or takes action in
connection with this section is immune from civil liability for reporting
information or taking the action.

(a) The immunity from civil liability provided by this section shall be
liberally construed to accomplish the purposes of this section and the persons
entitled to immunity shall include:

(i) An approved monitoring treatment program;
(ii) The professional association operating the program;
(iii) Members, employees, or agents of the program or association;
(iv) Persons reporting a license holder as being impaired or providing
information about the license holder's impairment; and
(v) Professionals supervising or monitoring the course of the impaired
license holder's treatment or rehabilitation.

(b) The immunity provided in this section is in addition to any other
immunity provided by law.

(((8) In addition to health care professionals governed by this chapter, this
section also applies to pharmacists under chapter 18.64 RCW and pharmacy
assistants under chapter 18.64A RCW. For that purpose, the board of pharmacy
shall be deemed to be the disciplining authority and the substance abuse
monitoring program shall be in lieu of disciplinary action under RCW 18.64.160
or 18.64A.050. The board of pharmacy shall adjust license fees to offset the
costs of this program.))

Sec. 6. RCW 18.130.160 and 1986 c 259 s 8 are each amended to read as follows:

Upon a finding, after hearing, that a license holder or applicant has committed unprofessional conduct or is unable to practice with reasonable skill and safety due to a physical or mental condition, the disciplining authority may issue an order providing for one or any combination of the following:

Any of the actions under this section may be totally or partly stayed by the disciplining authority. In determining what action is appropriate, the disciplining authority must first consider what sanctions are necessary to protect or compensate the public. Only after such provisions have been made may the disciplining authority consider and include in the order requirements designed to rehabilitate the license holder or applicant. All costs associated with compliance with orders issued under this section are the obligation of the license holder or applicant.

The licensee or applicant may enter into a stipulated disposition of charges that includes one or more of the sanctions of this section, but only after a statement of charges has been issued and the licensee has been afforded the opportunity for a hearing and has elected on the record to forego such a hearing. The stipulation shall either contain one or more specific findings of unprofessional conduct or inability to practice, or a statement by the licensee acknowledging that evidence is sufficient to justify one or more specified findings of unprofessional conduct or inability to practice. The stipulation entered into pursuant to this subsection shall be considered formal disciplinary action for all purposes.

NEW SECTION. Sec. 7. A new section is added to chapter 18.130 RCW to read as follows:

These documents shall be exempt from public disclosure until such time as the allegations are resolved either by stipulation or otherwise.

(2) The disciplinary authority and the applicant or licensee may stipulate that the allegations may be disposed of informally in accordance with this subsection. The stipulation shall contain a statement of the facts leading to the filing of the complaint; the act or acts of unprofessional conducted alleged to have been committed or the alleged basis for determining that the applicant or licensee is unable to practice with reasonable skill and safety; a statement that the stipulation is not to be construed as a finding of either unprofessional conduct or inability to practice; an acknowledgement that a finding of unprofessional conduct or inability to practice, if proven, constitutes grounds for discipline under this chapter; and an agreement on the part of the licensee or applicant that the sanctions set forth in RCW 18.130.160, except RCW 18.130.160 (1), (2), (6), and (8), may be imposed as part of the stipulation, except that no fine may be imposed but the licensee or applicant may agree to reimburse the disciplinary authority the costs of investigation and processing the complaint up to an amount not exceeding one thousand dollars per allegation; and an agreement on the part of the disciplinary authority to forego further disciplinary proceedings concerning
the allegations. A stipulation entered into pursuant to this subsection shall not be considered formal disciplinary action.

(3) If the licensee or applicant declines to agree to disposition of the charges by means of a stipulation pursuant to subsection (2) of this section, the disciplinary authority may proceed to formal disciplinary action pursuant to RCW 18.130.090 or 18.130.170.

(4) Upon execution of a stipulation under subsection (2) of this section by both the licensee or applicant and the disciplinary authority, the complaint is deemed disposed of and shall become subject to public disclosure on the same basis and to the same extent as other records of the disciplinary authority. Should the licensee or applicant fail to pay any agreed reimbursement within thirty days of the date specified in the stipulation for payment, the disciplinary authority may seek collection of the amount agreed to be paid in the same manner as enforcement of a fine under RCW 18.130.165.

The injunction shall not relieve the offender from criminal prosecution, but the remedy by injunction shall be in addition to the liability of the offender to criminal prosecution and disciplinary action.

Sec. 9. RCW 18.130.186 and 1989 c 125 s 3 are each amended to read as follows:

(1) To implement a substance abuse monitoring program for license holders specified under RCW 18.130.040, who are impaired by substance abuse, the disciplinary authority may enter into a contract with a voluntary substance abuse program under RCW 18.130.175. (1) Every institution or organization providing professional liability insurance to physicians shall send a complete report to the medical disciplinary board of all malpractice settlements, awards, or payments in excess of twenty thousand dollars as a result of a claim or action for damages alleged to have been caused by an insured physician's incompetency or negligence in the practice of medicine. Such institution or organization shall also report the award, settlement, or payment of three or more claims during a five-year time period as the result of the alleged physician's incompetence or negligence in the practice of medicine regardless of the dollar amount of the award or payment.

(2) Reports required by this section shall be made within sixty days of the date of the settlement or verdict. Failure to comply with this section is punishable by a civil penalty not to exceed two hundred fifty dollars.

Sec. 18. RCW 18.72.380 and 1991 c 3 s 170 are each amended to read as follows:

There is hereby levied to be collected by the department of health from every physician and surgeon licensed pursuant to chapter 18.71 RCW and every physician assistant licensed pursuant to chapter 18.71A RCW an annual medical
disciplinary assessment equal to the license renewal fee established under RCW 43.70.250. The assessment levied pursuant to this section is in addition to any license renewal fee established under RCW 43.70.250.

Sec. 19. RCW 18.130.190 and 1991 c 3 s 271 are each amended to read as follows:

(1) The secretary shall investigate complaints concerning practice by unlicensed persons of a profession or business for which a license is required by the chapters specified in RCW 18.130.040. In the investigation of the complaints, the secretary shall have the same authority as provided the secretary under RCW 18.130.050. ((The secretary shall issue a cease and desist order to a person after notice and hearing and upon a determination that the person has violated this subsection.))

(2) The secretary may issue a notice of intention to issue a cease and desist order to any person whom the secretary has reason to believe is engaged in the unlicensed practice of a profession or business for which a license is required by the chapters specified in RCW 18.130.040. The person to whom such notice is issued may request an adjudicative proceeding to contest the charges. The request for hearing must be filed within twenty days after service of the notice of intention to issue a cease and desist order. The failure to request a hearing constitutes a default, whereupon the secretary may enter a permanent cease and desist order, which may include a civil fine. All proceedings shall be conducted in accordance with chapter 34.05 RCW.

(3) If the secretary makes a final determination that a person has engaged or is engaging in unlicensed practice, the secretary may issue a cease and desist order. In addition, the secretary may impose a civil fine in an amount not exceeding one thousand dollars for each day upon which the person engaged in unlicensed practice of a business or profession for which a license is required by one or more of the chapters specified in RCW 18.130.040. The proceeds of such fines shall be deposited to the health professions account.

(4) If the secretary makes a written finding of fact that the public interest will be irreparably harmed by delay in issuing an order, the secretary may issue a temporary cease and desist order. The person receiving a temporary cease and desist order shall be provided an opportunity for a prompt hearing. The temporary cease and desist order shall remain in effect until further order of the secretary. The failure to request a prompt or regularly scheduled hearing constitutes a default, whereupon the secretary may enter a permanent cease and desist order, which may include a civil fine.

(5) Neither the issuance of a cease and desist order nor payment of a civil fine shall ((not)) relieve the person so practicing or operating a business without a license from criminal prosecution therefor, but the remedy of a cease and desist order or civil fine shall be in addition to any criminal liability. The cease and desist order is conclusive proof of unlicensed practice and may be enforced under RCW 7.21.060. This method of enforcement of the cease and desist order or
civil fine may be used in addition to, or as an alternative to, any provisions for enforcement of agency orders set out in chapter 34.05 RCW.

(((2))) (6) The attorney general, a county prosecuting attorney, the secretary, a board, or any person may in accordance with the laws of this state governing injunctions, maintain an action in the name of this state to enjoin any person practicing a profession or business for which a license is required by the chapters specified in RCW 18.130.040 without a license from engaging in such practice or operating such business until the required license is secured. However, the injunction shall not relieve the person so practicing or operating a business without a license from criminal prosecution therefor, but the remedy by injunction shall be in addition to any criminal liability.

(((3))) (7) Unlicensed practice of a profession or operating a business for which a license is required by the chapters specified in RCW 18.130.040, unless otherwise exempted by law, constitutes a gross misdemeanor. All fees, fines, forfeitures, and penalties collected or assessed by a court because of a violation of this section shall be remitted to the health professions account.

Sec. 20. RCW 18.130.165 and 1987 c 150 s 4 are each amended to read as follows:

Where an order for payment of a fine is made as a result of a hearing under RCW 18.130.100 or 18.130.190 and timely payment is not made as directed in the final order, the disciplining authority may enforce the order for payment in the superior court in the county in which the hearing was held. This right of enforcement shall be in addition to any other rights the disciplining authority may have as to any licensee ordered to pay a fine but shall not be construed to limit a licensee’s ability to seek judicial review under RCW 18.130.140.

In any action for enforcement of an order of payment of a fine, the disciplining authority’s order is conclusive proof of the validity of the order of payment of a fine and the terms of payment.

Sec. 21. RCW 18.130.050 and 1987 c 150 s 2 are each amended to read as follows:

The disciplining authority has the following authority:

(1) To adopt, amend, and rescind such rules as are deemed necessary to carry out this chapter;

(2) To investigate all complaints or reports of unprofessional conduct as defined in this chapter and to hold hearings as provided in this chapter;

(3) To issue subpoenas and administer oaths in connection with any investigation, hearing, or proceeding held under this chapter;

(4) To take or cause depositions to be taken and use other discovery procedures as needed in any investigation, hearing, or proceeding held under this chapter;

(5) To compel attendance of witnesses at hearings;

(6) In the course of investigating a complaint or report of unprofessional conduct, to conduct practice reviews;
(7) To take emergency action ordering summary suspension of a license, or restriction or limitation of the licensee’s practice pending proceedings by the disciplining authority;

(8) To use the office of administrative hearings as authorized in chapter 34.12 RCW to conduct hearings. However, the disciplining authority shall make the final decision regarding disposition of the license;

(9) To use individual members of the boards to direct investigations. However, the member of the board shall not subsequently participate in the hearing of the case;

(10) To enter into contracts for professional services determined to be necessary for adequate enforcement of this chapter;

(11) To contract with licensees or other persons or organizations to provide services necessary for the monitoring and supervision of licensees who are placed on probation, whose professional activities are restricted, or who are for any authorized purpose subject to monitoring by the disciplining authority;

(12) To adopt standards of professional conduct or practice;

(13) To grant or deny license applications, and in the event of a finding of unprofessional conduct by an applicant or license holder, to impose any sanction against a license applicant or license holder provided by this chapter;

(14) To enter into an assurance of discontinuance in lieu of issuing a statement of charges or conducting a hearing. The assurance shall consist of a statement of the law in question and an agreement to not violate the stated provision. The applicant or license holder shall not be required to admit to any violation of the law, nor shall the assurance be construed as such an admission. Violation of an assurance under this subsection is grounds for disciplinary action;

(15) To designate individuals authorized to sign subpoenas and statements of charges;

(16) To establish panels consisting of three or more members of the board to perform any duty or authority within the board’s jurisdiction under this chapter;

(17) To review and audit the records of licensed health facilities’ or services’ quality assurance committee decisions in which a licensee’s practice privilege or employment is terminated or restricted. Each health facility or service shall produce and make accessible to the disciplining authority the appropriate records and otherwise facilitate the review and audit. Information so gained shall not be subject to discovery or introduction into evidence in any civil action pursuant to RCW 70.41.200(3).

Sec. 22. RCW 18.130.180 and 1991 c 332 s 34 and 1991 c 215 c 3 are each reenacted and amended to read as follows:

The following conduct, acts, or conditions constitute unprofessional conduct for any license holder or applicant under the jurisdiction of this chapter:

(1) The commission of any act involving moral turpitude, dishonesty, or corruption relating to the practice of the person’s profession, whether the act
constitutes a crime or not. If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. Upon such a conviction, however, the judgment and sentence is conclusive evidence at the ensuing disciplinary hearing of the guilt of the license holder or applicant of the crime described in the indictment or information, and of the person's violation of the statute on which it is based. For the purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for the conviction and all proceedings in which the sentence has been deferred or suspended. Nothing in this section abrogates rights guaranteed under chapter 9.96A RCW;

(2) Misrepresentation or concealment of a material fact in obtaining a license or in reinstatement thereof;

(3) All advertising which is false, fraudulent, or misleading;

(4) Incompetence, negligence, or malpractice which results in injury to a patient or which creates an unreasonable risk that a patient may be harmed. The use of a nontraditional treatment by itself shall not constitute unprofessional conduct, provided that it does not result in injury to a patient or create an unreasonable risk that a patient may be harmed;

(5) Suspension, revocation, or restriction of the individual's license to practice the profession by competent authority in any state, federal, or foreign jurisdiction, a certified copy of the order, stipulation, or agreement being conclusive evidence of the revocation, suspension, or restriction;

(6) The possession, use, prescription for use, or distribution of controlled substances or legend drugs in any way other than for legitimate or therapeutic purposes, diversion of controlled substances or legend drugs, the violation of any drug law, or prescribing controlled substances for oneself;

(7) Violation of any state or federal statute or administrative rule regulating the profession in question, including any statute or rule defining or establishing standards of patient care or professional conduct or practice;

(8) Failure to cooperate with the disciplining authority by:

(a) Not furnishing any papers or documents;

(b) Not furnishing in writing a full and complete explanation covering the matter contained in the complaint filed with the disciplining authority; or

(c) Not responding to subpoenas issued by the disciplining authority, whether or not the recipient of the subpoena is the accused in the proceeding;

(9) Failure to comply with an order issued by the ((disciplinary)) disciplinary authority or ((an assurance of discontinuance)) a stipulation for informal disposition entered into with the ((disciplinary)) disciplinary authority;

(10) Aiding or abetting an unlicensed person to practice when a license is required;

(11) Violations of rules established by any health agency;

(12) Practice beyond the scope of practice as defined by law or rule;
Misrepresentation or fraud in any aspect of the conduct of the business or profession;

Failure to adequately supervise auxiliary staff to the extent that the consumer's health or safety is at risk;

Engaging in a profession involving contact with the public while suffering from a contagious or infectious disease involving serious risk to public health;

Promotion for personal gain of any unnecessary or inefficacious drug, device, treatment, procedure, or service;

Conviction of any gross misdemeanor or felony relating to the practice of the person's profession. For the purposes of this subsection, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for conviction and all proceedings in which the sentence has been deferred or suspended. Nothing in this section abrogates rights guaranteed under chapter 9.96A RCW;

The procuring, or aiding or abetting in procuring, a criminal abortion;

The offering, undertaking, or agreeing to cure or treat disease by a secret method, procedure, treatment, or medicine, or the treating, operating, or prescribing for any health condition by a method, means, or procedure which the licensee refuses to divulge upon demand of the disciplining authority;

The willful betrayal of a practitioner-patient privilege as recognized by law;

Violation of chapter 19.68 RCW;

Interference with an investigation or disciplinary proceeding by willful misrepresentation of facts before the disciplining authority or its authorized representative, or by the use of threats or harassment against any patient or witness to prevent them from providing evidence in a disciplinary proceeding or any other legal action;

Current misuse of:

(a) Alcohol;
(b) Controlled substances; or
(c) Legend drugs;

Abuse of a client or patient or sexual contact with a client or patient;

Acceptance of more than a nominal gratuity, hospitality, or subsidy offered by a representative or vendor of medical or health-related products or services intended for patients, in contemplation of a sale or for use in research publishable in professional journals, where a conflict of interest is presented, as defined by rules of the disciplining authority, in consultation with the department, based on recognized professional ethical standards.

INITIATIVE AND REFERENDUM PETITIONS—LIMITS ON ACCEPTANCE ON BASIS OF STATISTICAL METHOD
Effective Date: 7/1/93

AN ACT Relating to the verification of initiative and referendum petitions; amending RCW 29.79.200; providing an effective date; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 29.79.200 and 1982 c 116 s 15 are each amended to read as follows:

Upon the filing of an initiative or referendum petition, the secretary of state shall proceed to verify and canvass the names of the legal voters on the petition. The verification and canvass of signatures on the petition may be observed by persons representing the advocates and opponents of the proposed measure so long as they make no record of the names, addresses, or other information on the petitions or related records during the verification process except upon the order of the superior court of Thurston county. The secretary of state may limit the number of observers to not less than two on each side, if in his or her opinion, a greater number would cause undue delay or disruption of the verification process. Any such limitation shall apply equally to both sides. The secretary of state may use any statistical sampling techniques for this verification and canvass which have been adopted by rule as provided by chapter 34.05 RCW. No petition will be rejected on the basis of any statistical method employed, and no petition will be accepted on the basis of any statistical method employed if such method indicates that the petition contains fewer than the requisite number of signatures of legal voters. If the secretary of state finds the same name signed to more than one petition, he or she shall reject all but the first such valid signature. For an initiative to the legislature, the secretary of state shall transmit a certified copy of the proposed measure to the legislature at the opening of its session and, as soon as the signatures on the petition have been verified and canvassed, the secretary of state shall send to the legislature a certificate of the facts relating to the filing, verification, and canvass of the petition.

CHAPTER 370
[Substitute House Bill 1006]
PUBLIC-PRIVATE TRANSPORTATION INITIATIVES
Effective Date: 7/1/93

AN ACT Relating to public-private initiatives in transportation; adding a new chapter to Title 47 RCW; providing an effective date; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds and declares:

It is essential for the economic, social, and environmental well-being of the state and the maintenance of a high quality of life that the people of the state have an efficient transportation system.

The ability of the state to provide an efficient transportation system will be enhanced by a public-private sector program providing for private entities to undertake all or a portion of the study, planning, design, development, financing, acquisition, installation, construction or improvement, operation, and maintenance of transportation systems and facility projects.

A public-private initiatives program will provide benefits to both the public and private sectors. Public-private initiatives provide a sound economic investment opportunity for the private sector. Such initiatives will provide the state with increased access to property development and project opportunities, financial and development expertise, and will supplement state transportation revenues, allowing the state to use its limited resources for other needed projects.

The public-private initiatives program, to the fullest extent possible, should encourage and promote business and employment opportunities for Washington state citizens.

The public-private initiatives program should be implemented in cooperation and consultation with affected local jurisdictions.

The secretary of transportation should be permitted and encouraged to test the feasibility of building privately funded transportation systems and facilities or segments thereof through the use of innovative agreements with the private sector. The secretary of transportation should be vested with the authority to solicit, evaluate, negotiate, and administer public-private agreements with the private sector relating to the planning, construction, upgrading, or reconstruction of transportation systems and facilities.

The department of transportation should be encouraged to take advantage of new opportunities provided by federal legislation under section 1012 of the Intermodal Surface Transportation Efficiency Act of 1991 (ISTEA). That section establishes a new program authorizing federal participation in construction or improvement or improvement of publicly or privately owned toll roads, bridges, and tunnels, and allows states to leverage available federal funds as a means for attracting private sector capital.
NEW SECTION. Sec. 2. As used in this chapter, "transportation systems and facilities" means capital-related improvements and additions to the state's transportation infrastructure, including but not limited to highways, roads, bridges, vehicles, and equipment, marine-related facilities, vehicles, and equipment, park and ride lots, transit stations and equipment, transportation management systems, and other transportation-related investments.

NEW SECTION. Sec. 3. The secretary or a designee shall solicit proposals from, and negotiate and enter into agreements with, private entities to undertake as appropriate, together with the department and other public entities, all or a portion of the study, planning, design, construction, operation, and maintenance of transportation systems and facilities, using in whole or in part private sources of financing.

The public-private initiative program may develop up to six demonstration projects. Each proposal shall be weighed on its own merits, and each of the six agreements shall be negotiated individually, and as a stand-alone project. The commission shall approve each of the selected projects.

Proposals and demonstration projects may be selected by the public and private sectors at their discretion. All projects designed, constructed, and operated under this authority must comply with all applicable rules and statutes in existence at the time the agreement is executed, including but not limited to the following provisions: Chapter 39.12 RCW, this title, RCW 41.06.380, chapter 47.64 RCW, RCW 49.60.180, and 49 C.F.R. Part 21.

The secretary or a designee shall consult with legal, financial, and other experts within and outside state government in the negotiation and development of the agreements.

NEW SECTION. Sec. 4. Agreements shall provide for private ownership of the projects during the construction period. After completion and final acceptance of each project or discrete segment thereof, the agreement shall provide for state ownership of the transportation systems and facilities and lease to the private entity unless the state elects to provide for ownership of the facility by the private entity during the term of the agreement.

The state shall lease each of the demonstration projects, or applicable project segments, to the private entities for operating purposes for up to fifty years.

The department may exercise any power possessed by it to facilitate the development, construction, financing operation, and maintenance of transportation projects under this chapter. Agreements for maintenance services entered into under this section shall provide for full reimbursement for services rendered by the department or other state agencies. Agreements for police services under the agreement may be entered into with any qualified law enforcement agency, and shall provide for full reimbursement for services rendered by that agency. The department may provide services for which it is reimbursed, including but not limited to preliminary planning, environmental certification, and preliminary design of the demonstration projects.
The plans and specifications for each project constructed under this section shall comply with the department's standards for state projects. A facility constructed by and leased to a private entity is deemed to be a part of the state highway system for purposes of identification, maintenance, and enforcement of traffic laws and for the purposes of applicable sections of this title. Upon reversion of the facility to the state, the project must meet all applicable state standards. Agreements shall address responsibility for reconstruction or renovations that are required in order for a facility to meet all applicable state standards upon reversion of the facility to the state.

For the purpose of facilitating these projects and to assist the private entity in the financing, development, construction, and operation of the transportation systems and facilities, the agreements may include provisions for the department to exercise its authority, including the lease of facilities, rights of way, and airspace, exercise of the power of eminent domain, granting of development rights and opportunities, granting of necessary easements and rights of access, issuance of permits and other authorizations, protection from competition, remedies in the event of default of either of the parties, granting of contractual and real property rights, liability during construction and the term of the lease, authority to negotiate acquisition of rights of way in excess of appraised value, and any other provision deemed necessary by the secretary.

The agreements entered into under this section may include provisions authorizing the state to grant necessary easements and lease to a private entity existing rights of way or rights of way subsequently acquired with public or private financing. The agreements may also include provisions to lease to the entity airspace above or below the right of way associated or to be associated with the private entity's transportation facility. In consideration for the reversion rights in these privately constructed facilities, the department may negotiate a charge for the lease of airspace rights during the term of the agreement for a period not to exceed fifty years. If, after the expiration of this period, the department continues to lease these airspace rights to the private entity, it shall do so only at fair market value. The agreement may also provide the private entity the right of first refusal to undertake projects utilizing airspace owned by the state in the vicinity of the public-private project.

Agreements under this section may include any contractual provision that is necessary to protect the project revenues required to repay the costs incurred to study, plan, design, finance, acquire, build, install, operate, enforce laws, and maintain toll highways, bridges, and tunnels and which will not unreasonably inhibit or prohibit the development of additional public transportation systems and facilities. Agreements under this section must secure and maintain liability insurance coverage in amounts appropriate to protect the project's viability and may address state indemnification of the private entity for design and construction liability where the state has approved relevant design and construction plans. Nothing in this chapter limits the right of the secretary and his or her agents to
render such advice and to make such recommendations as they deem to be in the best interests of the state and the public.

**NEW SECTION. Sec. 5.** The department may enter into agreements using federal, state, and local financing in connection with the projects, including without limitation, grants, loans, and other measures authorized by section 1012 of ISTEA, and to do such things as necessary and desirable to maximize the funding and financing, including the formation of a revolving loan fund to implement this section.

Agreements entered into under this section shall authorize the private entity to lease the facilities within a designated area or areas from the state and to impose user fees or tolls within the designated area to allow a reasonable rate of return on investment, as established through a negotiated agreement between the state and the private entity. The negotiated agreement shall determine a maximum rate of return on investment, based on project characteristics. If the negotiated rate of return on investment is not affected, the private entity may establish and modify toll rates and user fees.

Agreements may establish "incentive" rates of return beyond the negotiated maximum rate of return on investment. The incentive rates of return shall be designed to provide financial benefits to the affected public jurisdictions and the private entity, given the attainment of various safety, performance, or transportation demand management goals. The incentive rates of return shall be negotiated in the agreement.

Agreements shall require that over the term of the ownership or lease the user fees or toll revenues be applied to payment of the private entity's capital outlay costs for the project, including interest expense, the costs associated with operations, toll collection, maintenance and administration of the facility, reimbursement to the state for the costs of project review and oversight, technical and law enforcement services, establishment of a fund to assure the adequacy of maintenance expenditures, and a reasonable return on investment to the private entity. The use of any excess toll revenues or user fees may be negotiated between the parties.

After expiration of the lease of a facility to a private entity, the secretary may continue to charge user fees or tolls for the use of the facility, with these revenues to be used for operations and maintenance of the facility, or to be paid to the local transportation planning agency, or any combination of such uses.

**NEW SECTION. Sec. 6.** Sections 1 through 5 of this act constitute a new chapter in Title 47 RCW.

**NEW SECTION. Sec. 7.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1993.
Passed the House April 20, 1993.
Passed the Senate April 15, 1993.
Approved by the Governor May 15, 1993.
Filed in Office of Secretary of State May 15, 1993.

The state board of education shall grant all such petitions that are accompanied by an assurance that the minimum total program hour offering requirements in one or more other grade level groupings will be exceeded concurrently by no less than the number of hours of the reduction.

CHAPTER 376

[Substitute House Bill 1350]

COMMERCIAL SHRIMP FISHING LICENSES

Effective Date: 1/1/94

AN ACT Relating to commercial shrimp fishing licenses; amending RCW 75.28.125 and 75.30.050; adding new sections to chapter 75.28 RCW; adding a new section to chapter 75.30 RCW; creating a new section; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that the offshore Washington, Oregon, and California commercial ocean pink shrimp fishery is composed of a mobile fleet, fishing the entire coast from Washington to California and landing its catch in the state nearest the area being fished. The legislature further finds that the ocean pink shrimp fishery currently uses the entire available resource, and has the potential to become overcapitalized. The legislature further finds that overcapitalization can lead to economic destabilization, and that reductions in fishing opportunities from licensing restrictions imposed for conservation needs and the economic well-being of the ocean pink shrimp industry creates uncertainty. The legislature further finds that it is the best interest of the ocean pink shrimp resource, commercial ocean pink shrimp fishers, and ocean pink shrimp processors in the state, to limit the number of fishers who make landings of ocean pink shrimp into the state of Washington to
those persons who have historically and continuously participated in the ocean pink shrimp fishery.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, as used in this chapter "ocean pink shrimp" means the species Pandalus jordani.

Sec. 3. RCW 75.28.125 and 1989 c 316 s 7 are each amended to read as follows:

A delivery license is required to deliver shellfish other than ocean pink shrimp or food fish other than salmon taken in offshore waters and delivered to a port in the state. Unless adjusted by the director pursuant to the director's authority granted in RCW 75.28.065, the annual license fee is fifty dollars for residents and one hundred dollars for nonresidents. Licenses issued under RCW 75.28.113 (salmon delivery license), RCW 75.28.130(4) (crab pot, other than Puget Sound), (ex) RCW 75.28.140(2) (trawl, other than Puget Sound), section 4 of this act (ocean pink shrimp delivery), or section 8 of this act (ocean pink shrimp single delivery) shall include a delivery license.

NEW SECTION. Sec. 4. An ocean pink shrimp delivery license is required to deliver ocean pink shrimp taken in offshore waters and delivered to a port in the state. Unless adjusted by the director pursuant to the director's authority granted in RCW 75.28.065, the annual license fee is one hundred fifty dollars for residents and three hundred dollars for nonresidents. Ocean pink shrimp delivery licenses are transferable.

NEW SECTION. Sec. 5. After December 31, 1993, it is unlawful to deliver into any Washington state port ocean pink shrimp caught in offshore waters without an ocean pink shrimp delivery license issued under section 4 of this act, or an ocean pink shrimp single delivery license issued under section 8 of this act. An ocean pink shrimp delivery license shall be issued to a vessel that:

(1) Landed a total of at least five thousand pounds of ocean pink shrimp in Washington in any single calendar year between January 1, 1983, and December 31, 1992, as documented by a valid shellfish receiving ticket; and

(2) Can show continuous participation in the Washington, Oregon, or California ocean pink shrimp fishery by being eligible to land ocean pink shrimp in either Washington, Oregon, or California each year since the landing made under subsection (1) of this section. Evidence of such eligibility shall be a certified statement from the relevant state licensing agency that the applicant for a Washington ocean pink shrimp delivery license held at least one of the following permits:

(a) For Washington: Possession of a delivery permit or delivery license issued under RCW 75.28.125 or a trawl license (other than Puget Sound) issued under RCW 75.28.140;

(b) For Oregon: Possession of a vessel permit issued under Oregon Revised Statute 508.880; or
NEW SECTION. Sec. 6. An applicant who can show historical participation under section 5(1) of this act but does not satisfy the continuous participation requirement of section 5(2) of this act shall be issued an ocean pink shrimp delivery license if:

(1) The owner can prove that the owner was in the process on December 31, 1992, of constructing a vessel for the purpose of ocean pink shrimp harvest. For purposes of this section, "construction" means having the keel laid, and "for the purpose of ocean pink shrimp harvest" means the vessel is designed as a trawl vessel. An ocean pink shrimp delivery license issued to a vessel under construction is not renewable after December 31, 1994, unless the vessel lands a total of at least five thousand pounds of ocean pink shrimp into a Washington state port before December 31, 1994; or

(2) The applicant's vessel is a replacement for a vessel that is otherwise eligible for an ocean pink shrimp delivery license.

NEW SECTION. Sec. 7. After December 31, 1994, an ocean pink shrimp delivery license may only be issued to a vessel that held an ocean pink shrimp delivery license in 1994, and each year thereafter. If the license is transferred to another vessel, the license history shall also be transferred to the transferee vessel.

Where the failure to hold the license in any given year was the result of a license suspension, the vessel may qualify if the vessel held an ocean pink shrimp delivery license in the year immediately preceding the year of the license suspension.

NEW SECTION. Sec. 8. The owner of an ocean pink shrimp fishing vessel that does not qualify for an ocean pink shrimp delivery license issued under section 4 of this act shall obtain an ocean pink shrimp single delivery license in order to make a landing into a state port of ocean pink shrimp taken in offshore waters. The director shall not issue an ocean pink shrimp single delivery license unless, as determined by the director, a bona fide emergency exists. A maximum of six ocean pink shrimp single delivery licenses may be issued annually to any vessel. Unless adjusted by the director pursuant to the director's authority granted in RCW 75.28.065, the fee for an ocean pink shrimp single delivery license is one hundred dollars.

Sec. 9. RCW 75.30.050 and 1990 c 61 s 3 are each amended to read as follows:

(1) The director shall appoint three-member advisory review boards to hear cases as provided in RCW 75.30.060. Members shall be from:

(a) The salmon charter boat fishing industry in cases involving salmon charter boat licenses or angler permits;

(b) The commercial salmon fishing industry in cases involving commercial salmon licenses;
(c) The commercial crab fishing industry in cases involving Puget Sound crab license endorsements;

(d) The commercial herring fishery in cases involving herring validations;

(e) The commercial Puget Sound whiting fishery in cases involving Puget Sound whiting license endorsements;

(f) The commercial sea urchin fishery in cases involving sea urchin endorsements to shellfish diver licenses; ((and))

(g) The commercial sea cucumber fishery in cases involving sea cucumber endorsements to shellfish diver licenses; and

(h) The commercial ocean pink shrimp industry (Pandalus jordani) in cases involving ocean pink shrimp delivery licenses.

(2) Members shall serve at the discretion of the director and shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

NEW SECTION. Sec. 10. A new section is added to chapter 75.30 RCW to read as follows:

The director may reduce the landing requirements established under section 5 of this act upon the recommendation of an advisory review board established under RCW 75.30.050, but the director may not entirely waive the landing requirement. The advisory review board may recommend a reduction of the landing requirement in individual cases if in the board’s judgment, extenuating circumstances prevented achievement of the landing requirement. The director shall adopt rules governing the operation of the advisory review board and defining "extenuating circumstances."

*NEW SECTION. Sec. 11. Sections 2 and 4 through 8 of this act are each added to chapter 75.28 RCW.

*Sec. 11 was vetoed, see message at end of chapter.

NEW SECTION. Sec. 12. This act shall take effect January 1, 1994.

Passed the House March 13, 1993.
Passed the Senate April 21, 1993.
Approved by the Governor May 15, 1993, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State May 15, 1993.

Note: Governor’s explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 11 of Substitute House Bill No. 1350, entitled:

"AN ACT Relating to commercial shrimp fishing licenses."

Section 11 requires Sections 2 and 4 through 8 of this act to be codified in the Commercial Fishing chapter (75.28 RCW) of the Revised Code of Washington. However a number of these sections should be codified in the License Limitation chapter (75.30 RCW) of the Revised Code of Washington. I am therefore vetoing Section 11 and directing the Code Reviser to codify sections 2 and 4 in chapter 75.28 RCW and sections 5 through 8 in chapter 75.30 RCW.

With the exception of section 11, Substitute House Bill No. 1350 is approved."
AN ACT Relating to mandatory election recounts; and amending RCW 29.64.015.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 29.64.015 and 1991 c 90 s 2 are each amended to read as follows:

(1) If the official canvass of all of the returns for any office at any primary or election reveals that the difference in the number of votes cast for a candidate apparently nominated or elected to any office and the number of votes cast for the closest apparently defeated opponent is not more than one-half of one percent of the total number of votes cast for both candidates, the county canvassing board shall conduct a recount of all votes cast on that position.

(a) Whenever such a difference occurs in the number of votes cast for candidates for a position which appears on the ballot in more than one county, the secretary of state shall, within three business days of the day that the returns of the primary or election are first certified by the canvassing boards of those counties, direct those boards to recount all votes cast on the position.

(b) If the difference in the number of votes cast for the apparent winner and the closest apparently defeated opponent is less than one hundred fifty votes and also less than one-fourth of one percent of the total number of votes cast for both candidates, the votes shall be recounted manually or as provided in subsection (3) of this section.

(2) A mandatory recount shall be conducted in the manner provided by RCW 29.64.020, 29.64.030, and 29.64.040. No cost of a mandatory recount may be charged to any candidate.

(3) The apparent winner and closest apparently defeated opponent for an office for which a manual recount is required under subsection (1)(b) of this section may select an alternative method of conducting the recount. To select such an alternative, the two candidates shall agree to the alternative in a signed, written statement filed with the election official for the office. The recount shall be conducted using the alternative method if: It is suited to the balloting system that was used for casting the votes for the office; it involves the use of a vote tallying system that is approved for use in this state by the secretary of state; and the vote tallying system is readily available in each county required to conduct the recount. If more than one balloting system was used in casting votes for the office, an alternative to a manual recount may be selected for each system.

Property disposition policies followed by institutions of higher education shall be consistent with policies followed by the department of general administration. Purchasing policies and procedures followed by institutions of higher education shall be in compliance with chapters 39.19, 39.29, and 43.03 RCW, and RCW 43.19.1901, 43.19.1906, 43.19.1911, 43.19.1917, 43.19.1937, 43.19.534, 43.19.685, 43.19.700 through 43.19.704, and 43.19.550 through 43.19.637. If an institution of higher education can satisfactorily demonstrate to the director of the office of financial management that the cost of compliance is greater than the value of benefits from any of the following statutes, then it shall be exempt from them: RCW 43.19.685; 43.19.534; and 43.19.637. Any institution of higher education that chooses to exercise independent purchasing authority for a commodity or group of commodities shall notify the director of general administration. (3) Provide the required staff assistance for the state supply management advisory board through the division of purchasing;

(4) Have authority to delegate to state agencies authorization to purchase or sell, which authorization shall specify restrictions as to dollar amount or to
specific types of material, equipment, services, and supplies: PROVIDED, That acceptance of the purchasing authorization by a state agency does not relieve such agency from conformance with other sections of RCW 43.19.190 through 43.19.1939, ((as now or hereafter amended,) or from policies established by the director after consultation with the state supply management advisory board: PROVIDED FURTHER, That delegation of such authorization to a state agency, including an educational institution to which this section applies, to purchase or sell material, equipment, services, and supplies shall not be granted, or otherwise continued under a previous authorization, if such agency is not in substantial compliance with overall state purchasing and material control policies as established herein;

Sec. 103. RCW 43.19.1906 and 1992 c 85 s 1 are each amended to read as follows:

Insofar as practicable, all purchases and sales shall be based on competitive bids, and a formal sealed bid procedure shall be used as standard procedure for all purchases and contracts for purchases and sales executed by the state purchasing and material control director and under the powers granted by RCW 43.19.190 through 43.19.1939((, as now or hereafter amended)). This requirement also applies to purchases and contracts for purchases and sales executed by
agencies, including educational institutions, under delegated authority granted in accordance with provisions of RCW 43.19.190 ((as now or hereafter amended)) or under section 101 of this act. However, formal sealed bidding is not necessary for:

(1) Emergency purchases made pursuant to RCW 43.19.200 if the sealed bidding procedure would prevent or hinder the emergency from being met appropriately;

(2) Purchases not exceeding five thousand dollars, or subsequent limits as calculated by the office of financial management: PROVIDED, That the state director of general administration shall establish procedures to assure that purchases made by or on behalf of the various state agencies shall not be made so as to avoid the five thousand dollar bid limitation, or subsequent bid limitations as calculated by the office of financial management: PROVIDED FURTHER, That the state purchasing and material control director is authorized to reduce the formal sealed bid limits of five thousand dollars, or subsequent limits as calculated by the office of financial management, to a lower dollar amount for purchases by individual state agencies, (including purchases of specialized equipment, instructional, and research equipment and materials by colleges and universities,) if considered necessary to maintain full disclosure of competitive procurement or otherwise to achieve overall state efficiency and economy in purchasing and material control. Quotations from four hundred dollars to five thousand dollars, or subsequent limits as calculated by the office of financial management, shall be secured from enough vendors to assure establishment of a competitive price and may be obtained by telephone or written quotations, or both. Immediately after the award is made, the bid quotations obtained shall be recorded and open to public inspection and shall be available by telephone inquiry. A record of competition for all such purchases from four hundred dollars to five thousand dollars, or subsequent limits as calculated by the office of financial management, shall be documented for audit purposes on a standard state form approved by the forms management center under the provisions of RCW 43.19.510. Purchases up to four hundred dollars may be made without competitive bids based on buyer experience and knowledge of the market in achieving maximum quality at minimum cost: PROVIDED, That this four hundred dollar direct buy limit without competitive bids may be increased incrementally as required to a maximum of eight hundred dollars with the approval of at least ten of the members of the state supply management advisory board, if warranted by increases in purchasing costs due to inflationary trends;

(3) Purchases which are clearly and legitimately limited to a single source of supply and purchases involving special facilities, services, or market conditions, in which instances the purchase price may be best established by direct negotiation;

(4) Purchases of insurance and bonds by the risk management office under RCW 43.19.1935 ((as now or hereafter amended));
(5) Purchases and contracts for vocational rehabilitation clients of the department of social and health services: PROVIDED, That this exemption is effective only when the state purchasing and material control director, after consultation with the director of the division of vocational rehabilitation and appropriate department of social and health services procurement personnel, declares that such purchases may be best executed through direct negotiation with one or more suppliers in order to expeditiously meet the special needs of the state's vocational rehabilitation clients;

(6) Purchases by universities for hospital operation or biomedical teaching or research purposes and by the state purchasing and material control director, as the agent for state hospitals as defined in RCW 72.23.010, and for health care programs provided in state correctional institutions as defined in RCW 72.65.010(3) and veterans' institutions as defined in RCW 72.36.010 and 72.36.070, made by participating in contracts for materials, supplies, and equipment entered into by nonprofit cooperative hospital ((service)) group purchasing organizations ((as defined in section 501(c) of the Internal Revenue Code, or its successor));

(7) Purchases by institutions of higher education not exceeding fifteen thousand dollars ((that are funded by research grant or contract funds, or other nonstate appropriated funds)): PROVIDED, That for purchases between two thousand five hundred dollars and fifteen thousand dollars quotations shall be secured from enough vendors to assure establishment of a competitive price and may be obtained by telephone or written quotations, or both. A record of competition for all such purchases made from two thousand five hundred to fifteen thousand dollars shall be documented for audit purposes ((on a standard state form approved by the forms management center under provisions of RCW 43.19.510)); and

(8) Beginning on July 1, (4999) 1995, and on July 1 of each succeeding odd-numbered year, the (five thousand) dollar limits specified in ((subsection (2) of)) this section shall be adjusted as follows: The office of financial management shall calculate such limits by adjusting the previous biennium’s limits by the appropriate federal inflationary index reflecting the rate of inflation for the previous biennium. Such amounts shall be rounded to the nearest one hundred dollars.

Sec. 104. RCW 43.78.030 and 1988 c 102 s 1 are each amended to read as follows:

The public printer shall print and bind the session laws, the journals of the two houses of the legislature, all bills, resolutions, documents, and other printing and binding of either the senate or house, as the same may be ordered by the legislature; and such forms, blanks, record books, and printing and binding of every description as may be ordered by all state officers, boards, commissions, and institutions, and the supreme court, and the court of appeals and officers thereof, as the same may be ordered on requisition, from time to time, by the proper authorities. This section shall not apply to the printing of the supreme
court and the court of appeals reports, (or) to the printing of bond certificates or bond offering disclosure documents, or to any printing done or contracted for by institutions of higher education: PROVIDED, That institutions of higher education, in consultation with the public printer, develop vendor selection procedures comparable to those used by the public printer for contracted printing jobs. Where any institution or institution of higher learning of the state is or may become equipped with facilities for doing such work, it may do any printing: (1) For itself, or (2) for any other state institution when such printing is done as part of a course of study relative to the profession of printer. Any printing and binding of whatever description as may be needed by any institution of higher learning, or by any agency or department of the state department of social and health services not at Olympia, or the supreme court or the court of appeals or any officer thereof, the estimated cost of which shall not exceed one thousand dollars, may be done by any private printing company in the general vicinity within the state of Washington so ordering, if in the judgment of the officer of the agency so ordering, the saving in time and processing justifies the award to such local private printing concern. (Further, where any printing or binding needed by an institution of higher education is to be paid for from research grant or contract funds, short course revenues, or other nonstate appropriated funding source, such printing or binding may be done by any private printing company in the state of Washington, irrespective of the dollar limit specified in this section, when in the judgment of the officer of the institution so ordering, the saving in time or cost justifies the award to such local private printing concern.)

Beginning on July 1, 1989, and on July 1 of each succeeding odd-numbered year, the dollar limit specified in this section shall be adjusted as follows: The office of financial management shall calculate such limit by adjusting the previous biennium's limit by an appropriate federal inflationary index reflecting the rate of inflation for the previous biennium. Such amounts shall be rounded to the nearest fifty dollars.

NEW SECTION. Sec. 105. A new section is added to chapter 43.78 RCW to read as follows:

The public printer may use the state printing plant for the purposes of printing or furnishing materials under RCW 43.78.100 if an interlocal agreement under chapter 39.34 RCW has been executed between an institution of higher education and the public printer.

The public printer shall furnish all paper, stock, and binding materials required in all public work, and shall charge the same to the state, as it is actually used, at the actual price at which it was purchased plus five percent for waste, insurance, storage, and handling. This section does not apply to institutions of higher education.
Sec. 107. RCW 43.78.110 and 1982 c 164 s 3 are each amended to read as follows:

Whenever in the judgment of the public printer certain printing, ruling, binding, or supplies can be secured from private sources more economically than by doing the work or preparing the supplies in the state printing plant, (he) the public printer may obtain such work or supplies from such private sources. (The public printer shall notify day training centers, group training homes, and sheltered workshops providing printing and related trade services under RCW 43.19.532 of the opportunity to bid on the provision of such work or supplies under this section.)

In event any work or supplies are secured on behalf of the state under this section the state printing plant shall be entitled to add up to five percent to the cost thereof to cover the handling of the orders which shall be added to the bills and charged to the respective authorities ordering the work or supplies. The five percent handling charge shall not apply to contracts with institutions of higher education.

With respect to building, improvements, or repairs, or other work, where the estimated cost exceeds (fifteen) twenty-five thousand dollars, complete plans and specifications for such work shall be prepared (and such work shall be prepared) and such work shall be put out for public bids and the contract shall be awarded to the lowest responsible bidder if in accordance with the bid specifications: PROVIDED, That when such building, construction, renovation, remodeling, or demolition involves one trade or craft area and the estimated cost exceeds ten thousand dollars, complete plans and specifications for such work shall be prepared and such work shall be put out for public bids, and the contract shall be awarded to the lowest responsible bidder if in accordance with the bid specifications. This subsection shall not apply when a contract is awarded by the small works procedure authorized in RCW 39.04.150: PROVIDED FURTHER, That any project regardless of dollar amount may be put to public bid.

Where the estimated cost to any college of any building, improvements, or repairs, or other work, is less than (five) twenty-five thousand dollars, the
publication requirements of RCW 39.04.020 (and 39.04.070) shall be inapplicable.

Sec. 109. RCW 28B.10.350 and 1985 c 152 s 1 are each amended to read as follows:

This subsection shall not apply when a contract is awarded by the small works procedure authorized in RCW 28B.10.355.

(2) The Evergreen State College, any regional university, or state university may require a project to be put to public bid even when it is not required to do so under subsection (1) of this section.

(3) Where the estimated cost to The Evergreen State College, any regional university, or state university of any building, construction, renovation, remodeling, or demolition is less than twenty-five thousand dollars or the contract is awarded by the small works procedure authorized in RCW 28B.10.355, the publication requirements of RCW 39.04.020 (and 39.04.099) shall be inapplicable.

(4) In the event of any emergency when the public interest or property of The Evergreen State College, regional university, or state university would suffer material injury or damage by delay, the president of such college or university may declare the existence of such an emergency and reciting the facts constituting the same may waive the requirements of this section with reference to any contract in order to correct the condition causing the emergency: PROVIDED, That an "emergency," for the purposes of this section, means a condition likely to result in immediate physical injury to persons or to property of such college or university in the absence of prompt remedial action or a condition which immediately impairs the institution's ability to perform its educational obligations.
Sec. 110. RCW 28B.10.355 and 1985 c 152 s 2 are each amended to read as follows:

Each board of regents of the state universities and each board of trustees of the regional universities and The Evergreen State College may establish a small works roster. The small works roster authorized by this section may be used for any public works project for which the estimated cost is less than ((fifty)) one hundred thousand dollars. Each board shall adopt rules to implement this section.

The roster shall be composed of all responsible contractors who have requested to be on the list. Each board shall establish a procedure for securing telephone or written quotations from the contractors on the small works roster to assure establishment of a competitive price and for awarding contracts to the lowest responsible bidder. This procedure shall require either that a good faith effort be made to request quotations from all contractors on the small works roster who have indicated the capability of performing the kind of public works being contracted or that the board shall solicit quotations from at least five contractors in a manner that will equitably distribute the opportunity among contractors on the roster. Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection and available by telephone inquiry. Each board may adopt a procedure to prequalify contractors for inclusion on the small works roster. No board may be required to make available for public inspection or copying under chapter 42.17 RCW financial information required to be provided by the prequalification procedure.

The small works roster shall be revised at least once each year by publishing notice of such opportunity in at least one newspaper of general circulation in the state. Responsible contractors shall be added to the list at any time they submit a written request.

Sec. 111. RCW 39.04.020 and 1986 c 282 s 2 are each amended to read as follows:

Whenever the state((;)) or any municipality shall determine that any public work is necessary to be done, it shall cause plans, specifications, or both thereof and an estimate of the cost of such work to be made and filed in the office of the director, supervisor, commissioner, trustee, board, or agency having by law the authority to require such work to be done. The plans, specifications, and estimates of cost shall be approved by the director, supervisor, commissioner, trustee, board, or agency and the original draft or a certified copy filed in such office before further action is taken.

If the state((;)) or such municipality shall determine that it is necessary or advisable that such work shall be executed by any means or method other than by contract or by a small works roster process, and it shall appear by such estimate that the probable cost of executing such work will exceed the sum of fifteen thousand dollars or the amounts specified in RCW 28B.10.350 or 28B.10.355 for colleges and universities, or the amounts specified in RCW 28B.50.330 or 39.04.150 for community colleges and technical colleges, then the
state or such municipality shall at least fifteen days before beginning work cause such estimate, together with a description of the work, to be published at least once in a legal newspaper of general circulation published in or as near as possible to that part of the county in which such work is to be done: PROVIDED, That when any emergency shall require the immediate execution of such public work, upon a finding of the existence of such emergency by the authority having power to direct such public work to be done and duly entered of record, publication of description and estimate may be made within seven days after the commencement of the work.

Sec. 112. RCW 39.04.150 and 1988 c 36 s 12 are each amended to read as follows:

(1) As used in this section, "agency" means the department of general administration, the department of fisheries, the department of wildlife, and the state parks and recreation commission.

(2) In addition to any other power or authority that an agency may have, each agency, alone or in concert, may establish a small works roster consisting of all qualified contractors who have requested to be included on the roster.

(3) The small works roster may make distinctions between contractors based on the geographic areas served and the nature of the work the contractor is qualified to perform. At least once every year, the agency shall advertise in a newspaper of general circulation the existence of the small works roster and shall add to the roster those contractors who request to be included on the roster.

(4) Construction, repair, or alteration projects estimated to cost less than fifty thousand dollars, or less than one hundred thousand dollars for projects managed by the department of general administration for community colleges and technical colleges, as defined under chapter 28B.50 RCW, are exempt from the requirement that the contracts be awarded after advertisement and competitive bid as defined by RCW 39.04.010. In lieu of advertisement and competitive bid, the agency shall solicit at least five quotations, confirmed in writing, from contractors chosen by random number generated by computer from the contractors on the small works roster for the category of job type involved and shall award the work to the party with the lowest quotation or reject all quotations. If the agency is unable to solicit quotations from five qualified contractors on the small works roster for a particular project, then the project shall be advertised and competitively bid. The agency shall solicit quotations randomly from contractors on the small works roster in a manner which will equitably distribute the opportunity for these contracts among contractors on the roster: PROVIDED, That whenever possible, the agency shall invite at least one proposal from a minority contractor who shall otherwise qualify to perform such work. Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone request.

(5) The breaking down of any public work or improvement into units or accomplishing any public work or improvement by phases for the purpose of
avoiding the minimum dollar amount for bidding is contrary to public policy and is prohibited.

(6) The director of general administration shall adopt by rule a procedure to prequalify contractors for inclusion on the small works roster. Each agency shall follow the procedure adopted by the director of general administration. No agency shall be required to make available for public inspection or copying under chapter 42.17 RCW financial information required to be provided by the prequalification procedure.

(7) An agency may adopt by rule procedures to implement this section which shall not be inconsistent with the procedures adopted by the director of the department of general administration pursuant to subsection (6) of this section.

As used in this chapter:

(1) "Public employer" means any officer, board, commission, council, or other person or body acting on behalf of any public body governed by this chapter (as designated by RCW 41.56.020), or any subdivision of such public body. For the purposes of this section, the public employer of district court or superior court employees for wage-related matters is the respective county legislative authority, or person or body acting on behalf of the legislative authority, and the public employer for nonwage-related matters is the judge or judge's designee of the respective district court or superior court.

(2) "Public employee" means any employee of a public employer except any person (a) elected by popular vote, or (b) appointed to office pursuant to statute, ordinance or resolution for a specified term of office by the executive head or body of the public employer, or (c) whose duties as deputy, administrative assistant or secretary necessarily imply a confidential relationship to the executive head or body of the applicable bargaining unit, or any person elected by popular vote or appointed to office pursuant to statute, ordinance or resolution...
for a specified term of office by the executive head or body of the public employer, or (d) who is a personal assistant to a district court judge, superior court judge, or court commissioner. For the purpose of (d) of this subsection, no more than one assistant for each judge or commissioner may be excluded from a bargaining unit.

(3) "Bargaining representative" means any lawful organization which has as one of its primary purposes the representation of employees in their employment relations with employers.

(4) "Collective bargaining" means the performance of the mutual obligations of the public employer and the exclusive bargaining representative to meet at reasonable times, to confer and negotiate in good faith, and to execute a written agreement with respect to grievance procedures and collective negotiations on personnel matters, including wages, hours and working conditions, which may be peculiar to an appropriate bargaining unit of such public employer, except that by such obligation neither party shall be compelled to agree to a proposal or be required to make a concession unless otherwise provided in this chapter. In the case of the Washington state patrol, "collective bargaining" shall not include wages and wage-related matters.

(5) "Commission" means the public employment relations commission.

(6) "Executive director" means the executive director of the commission.

(8) "Institution of higher education" means the University of Washington, Washington State University, Central Washington University, Eastern Washington University, Western Washington University, The Evergreen State College, and the various state community colleges.

Sec. 303. RCW 41.58.020 and 1975 1st ex.s. c 296 s 4 are each amended to read as follows:

(1) It shall be the duty of the commission, in order to prevent or minimize interruptions growing out of labor disputes, to assist employers and employees to settle such disputes through mediation and fact-finding.

(2) The commission, through the director, may proffer its services in any labor dispute ((involving a political subdivision, municipal corporation, or the community college system of the state)) arising under a collective bargaining statute administered by the commission, either upon its own motion or upon the request of one or more of the parties to the dispute, whenever in its judgment such dispute threatens to cause a substantial disruption to the public welfare.

(3) If the director is not able to bring the parties to agreement by mediation within a reasonable time, (the) the director shall seek to induce the parties to voluntarily seek other means of settling the dispute without resort to strike or other coercion, including submission to the employees in the bargaining unit of
the employer's last offer of settlement for approval or rejection in a secret ballot. The failure or refusal of either party to agree to any procedure suggested by the director shall not be deemed a violation of any duty or obligation imposed by this chapter.

(4) Final adjustment by a method agreed upon by the parties is declared to be the desirable method for settlement of grievance disputes arising over the application or interpretation of an existing collective bargaining agreement. The commission is directed to make its mediation and fact-finding services available in the settlement of such grievance disputes only as a last resort.

NEW SECTION. Sec. 304. A new section is added to chapter 41.56 RCW to read as follows:

(a) The parties will file notice of the parties' intent to be so governed, subject to the mutual adoption of a collective bargaining agreement permitted by this section recognizing the notice of intent. The parties shall provide the notice to the higher education personnel board or its successor and the commission;

(b) During the negotiation of an initial contract between the parties under this chapter, the parties' scope of bargaining shall be governed by this chapter and any disputes arising out of the collective bargaining rights and obligations under this subsection shall be determined by the commission. If the commission finds that the parties are at impasse, the notice filed under (a) of this subsection shall be void and have no effect; and

(c) On the first day of the month following the month during which the institution of higher education and the exclusive bargaining representative provide notice to the higher education personnel board or its successor and the commission that they have executed an initial collective bargaining agreement recognizing the notice of intent filed under (a) of this subsection, chapter 28B.16 or 41.06 RCW as appropriate shall cease to apply to all employees in the bargaining unit covered by the agreement.

(2) All collective bargaining rights and obligations concerning relations between an institution of higher education and the exclusive bargaining representative of its employees who have agreed to exercise the option permitted by this section shall be determined under this chapter, subject to the following:

(a) The commission shall recognize, in its current form, the bargaining unit as certified by the higher education personnel board or its successor and the limitations on collective bargaining contained in RCW 41.56.100 shall not apply to that bargaining unit.

(b) If, on the date of filing the notice under subsection (1)(a) of this section, there is a union shop authorized for the bargaining unit under rules adopted by the higher education personnel board or its successor, the union shop requirement
shall continue in effect for the bargaining unit and shall be deemed incorporated into the collective bargaining agreement applicable to the bargaining unit.

(c) Salary increases negotiated for the employees in the bargaining unit shall be subject to the following:

(i) Salary increases shall continue to be appropriated by the legislature. The exclusive bargaining representative shall meet before a legislative session with the governor or governor’s designee and the representative of the institution of higher education concerning the total dollar amount for salary increases and health care contributions that will be contained in the appropriations proposed by the governor under RCW 43.88.060;

(ii) The collective bargaining agreements may provide for salary increases from local efficiency savings that are different from or that exceed the amount or percentage for salary increases provided by the legislature in the omnibus appropriations act for the institution of higher education or allocated to the board of trustees by the state board for community and technical colleges, but the base for salary increases provided by the legislature under (c)(i) of this subsection shall include only those amounts appropriated by the legislature, and the base shall not include any additional salary increases provided under this subsection (2)(c)(ii);

(iii) Any provisions of the collective bargaining agreements pertaining to salary increases provided under (c)(i) of this subsection shall be subject to modification by the legislature. If any provision of a salary increase provided under (c)(ii) of this subsection is changed by subsequent modification of the appropriations act by the legislature, both parties shall immediately enter into collective bargaining for the sole purpose of arriving at a mutually agreed upon replacement for the modified provision.

(3) Nothing in this section may be construed to permit an institution of higher education to bargain collectively with an exclusive bargaining representative concerning any matter covered by: (a) Chapter 41.05 RCW, except for the related cost or dollar contributions or additional or supplemental benefits as permitted by chapter . . . (Engrossed Second Substitute Senate Bill No. 5304), Laws of 1993; or (b) chapter 41.32 or 41.40 RCW.

Sec. 307. RCW 28B.16.200 and 1979 c 151 s 18 are each amended to read as follows:

(1) There is hereby created a fund within the state treasury, designated as the "higher education personnel board service fund," to be used by the board as a revolving fund for the payment of salaries, wages, and operations required for the administration of the provisions of this chapter, the budget for which shall be subject to review and approval and appropriation by the legislature. Subject to the requirements of subsection (2) of this section, an amount not to exceed one-half of one percent of the salaries and wages for all positions in the classified service shall be contributed from the operations appropriations of each institution and the state board for community and technical colleges and credited to the higher education personnel board service fund as such allotments are approved pursuant to chapter 43.88 RCW. Subject to the above limitations, such amount shall be charged against the allotments pro rata, at a rate to be fixed by the director of financial management from time to time, which will provide the board with funds to meet its anticipated expenditures during the allotment period.

(2) If employees cease to be classified under this chapter pursuant to an agreement authorized by section 304 of this act, each institution of higher education and the state board for community and technical colleges shall continue, for six months after the effective date of the agreement, to make contributions to the higher education personnel board service fund based on employee salaries and wages that includes the employees under the agreement. At the expiration of the six-month period, the director of financial management shall make across-the-board reductions in allotments of the higher education personnel board service fund for the remainder of the biennium so that the charge to the institutions of higher education and state board based on the salaries and wages of the remaining employees classified under this chapter does not increase during the biennium, unless an increase is authorized by the legislature. The director of financial management shall report the amount and impact of any across-the-board reductions made under this section to the
appropriations committee of the house of representatives and the ways and means
committee of the senate, or appropriate successor committees, within thirty days
of making the reductions.

(3) Moneys from the higher education personnel board service fund shall be
disbursed by the state treasurer by warrants on vouchers duly authorized by the
board.

NEW SECTION. Sec. 308. A new section is added to chapter 41.06 RCW
to read as follows:

(1) There is hereby created a fund within the state treasury, designated as
the "higher education personnel service fund," to be used by the board as a
revolving fund for the payment of salaries, wages, and operations required for
the administration of institutions of higher education and related boards, the
budget for which shall be subject to review and approval and appropriation by
the legislature. Subject to the requirements of subsection (2) of this section, an
amount not to exceed one-half of one percent of the salaries and wages for all
positions in the classified service shall be contributed from the operations
appropriations of each institution and the state board for community and
technical colleges and credited to the higher education personnel service fund as
such allotments are approved pursuant to chapter 43.88 RCW. Subject to the
above limitations, such amount shall be charged against the allotments pro rata,
at a rate to be fixed by the director of financial management from time to time,
which will provide the board with funds to meet its anticipated expenditures
during the allotment period.

(2) If employees of institutions of higher education cease to be classified
under this chapter pursuant to an agreement authorized by section 304 of this act,
each institution of higher education and the state board for community and
technical colleges shall continue, for six months after the effective date of the
agreement, to make contributions to the higher education personnel service fund
based on employee salaries and wages that includes the employees under the
agreement. At the expiration of the six-month period, the director of financial
management shall make across-the-board reductions in allotments of the higher
education personnel service fund for the remainder of the biennium so that the
charge to the institutions of higher education and state board for community and
technical colleges based on the salaries and wages of the remaining employees
of institutions of higher education and related boards classified under this chapter
does not increase during the biennium, unless an increase is authorized by the
legislature. The director of financial management shall report the amount and
impact of any across-the-board reductions made under this section to the
appropriations committee of the house of representatives and the ways and means
committee of the senate, or appropriate successor committees, within thirty days
of making the reductions.

(3) Moneys from the higher education personnel service fund shall be
disbursed by the state treasurer by warrants on vouchers duly authorized by the
board.
Sec. 309. RCW 41.06.280 and 1993 c. . . . (Engrossed Substitute House Bill No. 2054) s 34 are each amended to read as follows:

There is hereby created a fund within the state treasury, designated as the "department of personnel service fund," to be used by the board as a revolving fund for the payment of salaries, wages, and operations required for the administration of the provisions of this chapter, applicable provisions of chapter 41.04 RCW, and chapter 41.60 RCW. An amount not to exceed one and one-half percent of the approved allotments of salaries and wages for all positions in the classified service in each of the agencies subject to this chapter, except the institutions of higher education, shall be charged to the operations appropriations of each agency and credited to the department of personnel service fund as the allotments are approved pursuant to chapter 43.88 RCW. Subject to the above limitations, the amount shall be charged against the allotments pro rata, at a rate to be fixed by the director from time to time which, together with income derived from services rendered under RCW 41.06.080, will provide the department with funds to meet its anticipated expenditures during the allotment period, including the training requirements in RCW 41.06.— and 41.06.— (sections 9 and 12, chapter . . . (Engrossed Substitute House Bill No. 2054), Laws of 1993).

The director of personnel shall fix the terms and charges for services rendered by the department of personnel pursuant to RCW 41.06.080, which amounts shall be credited to the department of personnel service fund and charged against the proper fund or appropriation of the recipient of such services on a quarterly basis. Payment for services so rendered under RCW 41.06.080 shall be made on a quarterly basis to the state treasurer and deposited by him in the department of personnel service fund.

Moneys from the department of personnel service fund shall be disbursed by the state treasurer by warrants on vouchers duly authorized by the board.

NEW SECTION. Sec. 310. A new section is added to chapter 28B.16 RCW to read as follows:

At any time after July 1, 1993, an institution of higher education and the exclusive bargaining representative of a bargaining unit of employees classified under this chapter or chapter 41.06 RCW as appropriate may exercise their option to have their relationship and corresponding obligations governed entirely by the provisions of chapter 41.56 RCW, by filing notice of the parties' intent to be so governed, subject to the mutual adoption of a collective bargaining agreement recognizing the notice of intent. The parties shall provide the notice to the board or its successor and the public employment relations commission. On the first day of the month following the month during which the institution of higher education and the exclusive bargaining representative provide notice to the board or its successor and the public employment relations commission that they have executed an initial collective bargaining agreement recognizing the notice of intent, this chapter shall cease to apply to all employees in the bargaining unit covered by the agreement, and all labor relations functions of the
board or its successor with respect to these employees shall be transferred to the public employment relations commission.

NEW SECTION. Sec. 404. Section 308 of this act shall take effect if sections 34 and 68 of Engrossed Substitute House Bill No. 2054 are signed into law by June 30, 1993.

NEW SECTION. Sec. 405. Section 309 of this act shall take effect if section 34 of Engrossed Substitute House Bill No. 2054 is signed into law by June 30, 1993.

*NEW SECTION. Sec. 406. Passed the House April 25, 1993.
Passed the Senate April 25, 1993.
Approved by the Governor May 15, 1993, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State May 15, 1993.
Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 406, Engrossed Substitute House Bill No. 1509 entitled:

"AN ACT Relating to increasing flexibility of institutions of higher education to manage personnel, construction, purchasing, printing, and tuition."

I am vetoing section 406 of Engrossed Substitute House Bill No. 1509 because of technical reasons. This section attempts to transfer operating funds remaining in institutional operating fee accounts at the end of 1991-93 in the treasurer's office to institutional local accounts. The section does not accomplish the transfer. However, Engrossed Substitute Senate Bill No. 5982 (the tuition increase legislation) does contain language that makes the transfer. Therefore, I am vetoing section 406 of Engrossed Substitute House Bill No. 1509.

With the exception of section 406, Engrossed Substitute House Bill No. 1509 is approved."

[Substitute House Bill 1520]
SKILL CENTERS—AFTERNOON AND EVENING PROGRAMS FOR ADULTS
Effective Date: 7/25/93

AN ACT Relating to skill centers; and adding a new chapter to Title 28C RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. As retraining becomes a common part of adult work life, it is important that all vocational education opportunities be used to the maximum extent possible. Skill centers established to provide vocational training for high school students are used during the morning and early afternoon. These facilities are idle during the late afternoon and evening hours. At the same time, community colleges have more students applying than they can accommodate. To assure that we meet the needs of our citizens in seeking training or retraining, all vocational training facilities should be used to the maximum extent possible.

NEW SECTION. Sec. 2. Skill centers, to the extent funds are available, are encouraged to operate afternoon and evening programs.

NEW SECTION. Sec. 3. The community colleges are encouraged to contract with skill centers to use the skill center facilities. The community colleges shall not be required to count the enrollments under these agreements toward the community college enrollment lid. Skill centers may charge fees to adult students under RCW 28A.225.220.

NEW SECTION. Sec. 4. Sections 1 through 3 of this act shall constitute a new chapter in Title 28C RCW.
CHAPTER 381  
[Engrossed House Bill 1617]  
HIGH-SPEED GROUND TRANSPORTATION PROGRAM  
Effective Date: 7/1/93

AN ACT Relating to high-speed ground transportation; creating new sections; providing an effective date; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature recognizes that major intercity transportation corridors in this state are becoming increasingly congested. In these corridors, population is expected to grow by nearly forty percent over the next twenty years, while employment will grow by nearly fifty percent. The estimated seventy-five percent increase in intercity travel demand must be accommodated to ensure state economic vitality and protect the state’s quality of life.

The legislature finds that high-speed ground transportation offers a safer, more efficient, and environmentally responsible alternative to increasing highway capacity. High-speed ground transportation can complement and enhance existing air transportation systems. High-speed ground transportation can be compatible with growth management plans in counties and cities served by such a system. Further, high-speed ground transportation offers a reliable, all-weather service capable of significant energy savings over other intercity modes.

NEW SECTION. Sec. 2. The legislature finds that there is substantial public benefit to establishing a high-speed ground transportation program in this state. The program shall implement the recommendations of the high-speed ground transportation steering committee report dated October 15, 1992. The program shall be administered by the department of transportation in close cooperation with the utilities and transportation commission and affected cities and counties.

The high-speed ground transportation program shall have the following goals:

(1) Implement high-speed ground transportation service offering top speeds over 150 m.p.h. between Everett and Portland, Oregon by 2020. This would be accomplished by meeting the intermediate objectives of a maximum travel time between downtown Portland and downtown Seattle of two hours and thirty minutes by the year 2000 and maximum travel time of two hours by the year 2010;
(2) Implement high-speed ground transportation service offering top speeds over 150 m.p.h. between Everett and Vancouver, B.C. by 2025;
(3) Implement high-speed ground transportation service offering top speeds over 150 m.p.h. between Seattle and Spokane by 2030.

The department of transportation shall, subject to legislative appropriation, implement such projects as necessary to achieve these goals in accordance with the implementation plans identified in sections 3 and 4 of this act.

NEW SECTION. Sec. 3. The legislature finds it important to develop public support and awareness of the benefits of high-speed ground transportation by developing high-quality intercity passenger rail service as a first step. This high-quality intercity passenger rail service shall be developed through incremental upgrading of the existing service. The department of transportation shall, subject to legislative appropriation, develop a prioritized list of projects to improve existing passenger rail service and begin new passenger rail service, to include but not be limited to:

(1) Improvement of depots;
(2) Improved grade crossing protection or grade crossing elimination;
(3) Enhanced train signals to improve rail corridor capacity and increase train speeds;
(4) Revised track geometry or additional trackage to improve ride quality and increase train speeds;
(5) Contract for new or improved service in accordance with federal requirements to improve service frequency.

Service enhancements and station improvements must be based on the extent to which local comprehensive plans contribute to the viability of intercity passenger rail service, including providing efficient connections with other transportation modes such as transit, intercity bus, and roadway networks. Before spending state moneys on these projects, the department of transportation shall seek federal, local, and private funding participation to the greatest extent possible. Funding priorities for station improvements must also be based on the level of local and private in-kind and cash contributions.

NEW SECTION. Sec. 4. The legislature recognizes the need to plan for the high-speed ground transportation service and the high-quality intercity rail passenger service set forth in sections 2 and 3 of this act. The department of transportation shall, subject to legislative appropriation, develop a rail passenger plan through the conduct of studies addressing, but not limited to, the following areas:

(1) Refined ridership estimates;
(2) Preliminary location and environmental analysis on new corridors;
(3) Detailed station location assessments in concert with affected local jurisdictions;
(4) Coordination with the air transportation commission on state-wide air transportation policy and its effects on high-speed ground transportation service; and

(5) Coordination with the governments of Oregon and British Columbia, when appropriate, on alignment, station location, and environmental analysis.

NEW SECTION. Sec. 5. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1993.

Passed the House April 20, 1993.
Passed the Senate April 17, 1993.
Approved by the Governor May 15, 1993.
Filed in Office of Secretary of State May 15, 1993.

(5) No film sunscreening or coloring material that reduces light transmitt-
tance to any degree may be applied to the surface of the safety glazing material
in a motor vehicle unless it meets the following standards for such material:

   (a) The maximum level of film sunscreening material to be applied to any
window, except the windshield, shall have a total reflectance of thirty-five
percent or less, plus or minus three percent, and a light transmission of thirty-
five percent or more, plus or minus three percent, when measured against clear
glass ((fmd)) resulting in a minimum of twenty-four percent light transmission
on AS-2 glazing where the vehicle is equipped with outside rearview mirrors on
both the right and left. Installation of more than a single sheet of film
sunscreening material to any window is prohibited. The same maximum levels
of film sunscreen material may be applied to windows to the immediate right and
left of the driver on limousines and passenger buses used to transport persons for
compensation and vehicles identified by the manufacturer as multi-use,
multipurpose, or other similar designation. All windows to the rear of the driver
on such vehicles may have film sunscreening material applied that has less than
thirty-five percent light transmittance, if the light reflectance is thirty-five percent
or less and the vehicle is equipped with outside rearview mirrors on both the
right and left. ((Manufacturers of film sunscreening material shall provide a
label to affix to the vehicle indicating the percentage light transmittance and light
reflectance of the film and it shall be affixed by the installer to the area
immediately below the federal vehicle identification number sticker on the
driver’s side striker post. All vehicles equipped with film sunscreening material
are required, on and after January 1, 1991, to meet the labeling requirements in
this section. The label shall meet standards adopted by the state patrol.) A
person or business tinting windows for profit who tints windows within restricted
areas of the glazing system shall supply a sticker to be affixed to the driver’s
doors in the area adjacent to the manufacturer’s identification tag.
Installation of this sticker certifies that the glazing application meets this
chapter’s standards for light transmission, reflectance, and placement require-
ments. Stickers must be no smaller than three-quarters of an inch by one and
one-half inches, and no larger than two inches by two and one-half inches. The
stickers must be of sufficient quality to endure exposure to harsh climate
conditions. The business name and state tax identification number of the
installer must be clearly visible on the sticker.

   (b) A greater degree of light reduction is permitted on all windows and the
top six inches of windshields of a vehicle operated by or carrying as a passenger
a person who possesses a written verification from a licensed physician that the operator or passenger must be protected from exposure to sunlight for physical or medical reasons.

(c) Windshield application. A greater degree of light reduction is permitted on the top six-inch area of a vehicle’s windshield. Clear film sunscreening material that reduces or eliminates ultraviolet light may be applied to windshields.

(d) When film sunscreening material is applied to any window except the windshield, outside mirrors on both the left and right sides shall be located so as to reflect to the driver a view of the roadway, through each mirror, a distance of at least two hundred feet to the rear of the vehicle.

(e) The following types of film sunscreening material are not permitted:

   (i) Mirror finish products;
   (ii) Red, gold, yellow, or black material; or
   (iii) Film sunscreening material that is in liquid preapplication form and brushed or sprayed on.

Nothing in this section prohibits the use of shaded or heat-absorbing safety glazing material in which the shading or heat-absorbing characteristics have been applied at the time of manufacture of the safety glazing material and which meet federal standards and the standards of the state patrol for such safety glazing materials.

(6) It is a traffic infraction for any person to operate a vehicle for use on the public highways of this state, if the vehicle is equipped with film sunscreening or coloring material in violation of this section.

(7) Owners of vehicles with film sunscreening material applied to windows to the rear of the driver, prior to June 7, 1990, must comply with the requirements of this section and RCW 46.37.435 by July 1, 1993.

[Engrossed House Bill 1748]
FINANCIAL AID FOR COLLEGE STUDENTS—REVISIONS
Effective Date: 7/25/93

AN ACT Relating to financial aid; and amending RCW 28B.15.820, 28B.101.040, and 28B.12.040.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 28B.15.820 and 1985 c 390 s 35 are each amended to read as follows:
(1) Each institution of higher education, except technical colleges, shall deposit two and one-half percent of revenues collected from tuition and services and activities fees in an institutional (long-term loan) financial aid fund (which) is hereby created and which shall be held locally. Moneys in (such) the fund shall be used only for the following purposes: (a) To make guaranteed long-term loans to eligible students (except as provided for) as provided in subsections (3) through (8) of this section; (b) to make short-term loans as provided in subsection (9) of this section; or (c) to provide financial aid to needy students as provided in subsection (10) of this section.

(2) An "eligible student" for the purposes of subsections (3) through (8) and (10) of this section is a student registered for at least six credit hours or the equivalent, who is eligible for resident tuition and fee rates as defined in RCW 28B.15.012 through (28B4.4-5) 28B.15.013, and who is a "needy student" as defined in RCW 28B.10.802.

(3) The amount of the guaranteed long-term loans made under (subsection (1) of this section) this section shall not exceed the demonstrated financial need of the student. Each institution shall establish loan terms and conditions which shall be consistent with the terms of the guaranteed loan program established by 20 U.S. Code Section 1071 et seq., as now or hereafter amended. All loans made shall be guaranteed by the Washington student loan guaranty association or its successor agency. Institutions are hereby granted full authority to operate as an eligible lender under the guaranteed loan program.

(4) Before approving a guaranteed long-term loan, each institution shall analyze the ability of the student to repay the loan based on factors which include, but are not limited to, the student's accumulated total education loan burdens and the employment opportunities and average starting salary characteristics of the student's chosen fields of study. The institution shall counsel the student on the advisability of acquiring additional debt, and on the availability of other forms of financial aid.

(5) Each institution is responsible for collection of guaranteed long-term loans made under (subsection (1) of this section) this section and shall exercise due diligence in such collection, maintaining all necessary records to insure that maximum repayments are made. Institutions shall cooperate with other lenders and the Washington student loan guaranty association, or its successor agency, in the coordinated collection of guaranteed loans, and shall assure that the guarantability of the loans is not violated. Collection and servicing of guaranteed long-term loans under (subsection (1) of this section) this section shall be performed by entities approved for such servicing by the Washington student loan guaranty association or its successor agency: PROVIDED, That institutions be permitted to perform such servicing if specifically recognized to do so by the Washington student loan guaranty association or its successor agency. Collection and servicing of guaranteed long-term loans made by community colleges under subsection (1) of this section shall be coordinated by the state board for
community and technical colleges (education) and shall be conducted under procedures adopted by (such) the state board.

(6) Receipts from payment of interest or principal or any other subsidies to which institutions as lenders are entitled, (which) that are paid by or on behalf of borrowers of funds under subsections ((4)) (3) through (8) of this section, shall be deposited in each institution's (general) financial aid fund and shall be used to cover the costs of making the guaranteed long-term loans under ((subsection (1)) of) this section and maintaining necessary records and making collections under subsection (5) of this section: PROVIDED, That such costs shall not exceed five percent of aggregate outstanding loan (principal) principal. Institutions shall maintain accurate records of such costs, and all receipts beyond those necessary to pay such costs, shall be (used for the support of the institution's operating budget) deposited in the institution's financial aid fund.

(7) The governing boards (of regents) of the state universities, (the boards of trustees of) the regional universities, and The Evergreen State College, and the state board for community and technical colleges (education), on behalf of the community colleges, shall each adopt necessary rules and regulations to implement this section.

(8) ((Lending activities)) First priority for any guaranteed long-term loans made under this section shall be directed toward students who would not normally have access to educational loans from private financial institutions in Washington state, and maximum use shall be made of secondary markets in the support of loan consolidation.

(9) Short-term ((interim)) loans, not to exceed one ((hundred twenty days)) year, may be made from the institutional ((long-term)) financial aid fund to students (eligible for guaranteed student loans and whose receipt of such loans is pending). Such short-term loans shall not be subject to the guarantee restrictions or the constraints of federal law imposed by subsection (3) of this section) enrolled in the institution. No such loan shall be made to any student who is known by the institution to be in default or delinquent in the payment of any outstanding student loan. A short-term loan may be made only if the institution has ample evidence that the student has the capability of repaying the loan within the time frame specified by the institution for repayment.

(10) Any monies deposited in the institutional ((long-term)) financial aid fund (which) that are not used in making ((long)) long-term or short-term loans ((or transferred to institutional operating budgets)) may be used by the institution for locally-administered financial aid programs for needy students, such as need-based institutional employment programs or need-based tuition and fee (waiver) scholarship or grant programs. These funds shall be used in addition to and not to replace institutional funds (which) that would otherwise support these locally-administered financial aid programs. Priority in the use of these funds shall be given to needy students who have accumulated excessive educational loan burdens. An excessive educational loan burden is a burden that
will be difficult to repay given employment opportunities and average starting salaries in the student's chosen fields of study.

Sec. 2. RCW 28B.101.040 and 1990 c 288 s 6 are each amended to read as follows:

Grants may be used by eligible participants to attend any public or private college or university in the state of Washington that is accredited by an accrediting association recognized by rule of the higher education coordinating board and that has an existing unused capacity. Grants shall not be used to attend any branch campus or educational program established under chapter 28B.45 RCW. The participant shall not be eligible for a grant if it will be used for any programs that include religious worship, exercise, or instruction or to pursue a degree in theology. Each participating student may receive up to two thousand five hundred dollars per academic year, not to exceed the student's demonstrated financial need for the course of study.

Sec. 3. RCW 28B.12.040 and 1985 c 370 s 58 are each amended to read as follows:

The higher education coordinating board shall develop and administer the college work-study program and shall be authorized to enter into agreements with employers and eligible institutions for the operation of the program. These agreements shall include such provisions as the higher education coordinating board may deem necessary or appropriate to carry out the purposes of this chapter.

With the exception of off-campus community service placements, the share from ((ffds)) moneys disbursed under the college work-study program of the compensation of students employed under such program in accordance with such agreements shall not exceed eighty percent of the total such compensation paid such students.

By rule, the board shall define community service placements and may determine any salary matching requirements for any community service employers.

AN ACT Relating to health care insurance for employees and retirees of school districts and educational service districts; amending RCW 28A.400.391, 41.04.205, 41.04.235, 41.05.011, 41.05.021, 41.05.050, 41.05.055, 41.05.065, 41.05.075, 41.05.080, and 41.05.140; adding a new section to chapter 28A.400 RCW; adding new sections to chapter 41.05 RCW; creating new sections; providing an effective date; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. It is the legislature’s intent to increase access to health insurance for retired and disabled school employees and also to improve equity between state employees and school employees by providing for the reduction of health insurance premiums charged to retired school employees through a subsidy charged against health insurance allocations for active employees. It is further the legislature’s intent to improve the cost-effectiveness of state-purchased health care by managing programs for public employees, in this case retired school employees, through the state health care authority.

Sec. 2. RCW 28A.400.391 and 1992 c 152 s 1 are each amended to read as follows:

(1) Every group disability insurance policy, health care service contract, health maintenance agreement, and health and welfare benefit plan obtained or created to provide benefits to employees of school districts and their dependents shall contain provisions that permit retired and disabled employees to continue medical, dental, or vision coverage under the group policy, contract, agreement, or plan until ((June 30, 1994)) September 30, 1993, or until the employee becomes eligible for federal medicare coverage, whichever occurs first. The terms and conditions for election and maintenance of such continued coverage shall conform to the standards established under the federal consolidated omnibus budget reconciliation act of 1985, as amended. The period of continued coverage provided under this section shall run concurrently with any period of coverage guaranteed under the federal consolidated omnibus budget reconciliation act of 1985, as amended.

(2) This section applies to:
(a) School district employees who retired or lost insurance coverage due to disability after July 28, 1991;
(b) School district employees who retired or lost insurance coverage due to disability within the eighteen-month period ending on July 28, 1991; and
(c) School district employees who retired or lost insurance coverage due to disability prior to January 28, 1990, and who were covered by their employing district’s insurance plan on January 1, 1991.

(3) For the purposes of this section "retired employee" means an employee who separates from district service and is eligible at the time of separation from
service to receive, immediately following separation from service, a retirement allowance under chapter 41.32 or 41.40 RCW.

(4) The superintendent of public instruction shall adopt administrative rules to implement this section.

Sec. 3. RCW 41.04.205 and 1992 c 199 s 1 are each amended to read as follows:

(1) Notwithstanding the provisions of RCW 41.04.180, the employees, with their dependents, of any county, municipality, or other political subdivision of this state shall be eligible to participate in any insurance or self-insurance program for employees administered under chapter 41.05 RCW if the legislative authority of any such county, municipality, or other political subdivisions of this state determines a transfer to an insurance or self-insurance program administered under chapter 41.05 RCW should be made. In the event of a special district employee transfer pursuant to this section, members of the governing authority shall be eligible to be included in such transfer if such members are authorized by law as of June 25, 1976 to participate in the insurance program being transferred from and subject to payment by such members of all costs of insurance for members.

(2) When the legislative authority of a county, municipality, or other political subdivision determines to so transfer, the state health care authority shall:

(a) Establish the conditions under which the transfer may be made, which shall include the requirements that:

(i) All the eligible employees of the political subdivision transfer as a unit, and

(ii) The political subdivision involved obligate itself to make employer contributions in an amount at least equal to those provided by the state as employer; and

(b) Hold public hearings on the application for transfer; and

(c) Have the sole right to reject the application.

Approval of the application by the state health care authority shall effect a transfer of the employees involved to the insurance, self-insurance, or health care program applied for.

(3) Any application of this section to members of the law enforcement officers’ and fire fighters’ retirement system under chapter 41.26 RCW is subject to chapter 41.56 RCW.

(4) The requirements in subsection (2)(a) (i) and (ii) of this section need not be applied to school districts, except that all eligible employees in a bargaining unit of a school district may transfer only as a unit and all nonrepresented employees in a district may transfer only as a unit.

Sec. 4. RCW 41.04.235 and 1983 c 3 s 89 are each amended to read as follows:

However, insurance and health care contributions for ferry employees shall be governed by RCW 47.64.270.

The board shall promulgate rules setting forth criteria by which it shall evaluate the plans.

(7) The board shall develop benefit plans that provide health care benefits for retired or disabled school employees and their dependents, and shall establish terms and conditions of coverage under the plans. The board shall make available separate and appropriate plans that supplement Medicare for retired or disabled school employees who are eligible for federal Medicare coverage. (3) A seller, as defined in RCW 82.08.010, who is required to collect a tax under this section, shall pay the tax to the city as provided in RCW 67.28.200. The deduction from state taxes under RCW 67.28.190 does not apply to taxes imposed under this section.

NONPROFIT ORGANIZATIONS PROVIDING CREDIT SERVICES—BUSINESS AND OCCUPATION TAX EXEMPTION

Effective Date: 7/25/93

AN ACT Relating to nonprofit organizations providing credit services; adding a new section to chapter 82.04 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 82.04 RCW to read as follows:
This chapter does not apply to nonprofit organizations in respect to amounts derived from provision of the following services:

1. Presenting individual and community credit education programs including credit and debt counseling;
2. Obtaining creditor cooperation allowing a debtor to repay debt in an orderly manner;
3. Establishing and administering negotiated repayment programs for debtors; or
4. Providing advice or assistance to a debtor with regard to subsection (1), (2), or (3) of this section.

*NEW SECTION. Sec. 2. (1) Nothing in section 1 of this act may be construed to imply that a person exempt from tax under this section was engaged in a business activity taxable under this chapter prior to the introduction or enactment of this act.

(2) This act shall be applied retroactively.

*Sec. 2 was vetoed, see message at end of chapter.

Passed the House March 17, 1993.
Passed the Senate April 8, 1993.
Approved by the Governor May 15, 1993, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State May 15, 1993.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 2, House Bill No. 1884, entitled:

"AN ACT Relating to nonprofit organizations providing credit services,"

House Bill No. 1884 provides a B & O tax exemption for certain nonprofit corporations providing credit services. Section 2 of the bill contains an inappropriate and potentially costly retroactivity clause. Applying this exemption retroactively is unfair to taxpayers who have complied with the existing law by paying their taxes accurately and in a timely manner. Further, it encourages taxpayers to delay paying lawful taxes in the hope of future legislative exemption. I have, therefore, vetoed section 2 of House Bill No. 1884.

With the exception of section 2, House Bill No. 1884 is approved.”

(1) Power boilers shall be inspected annually both internally and externally while not under pressure, except that the board may provide for longer periods between inspections where the contents, history, or operation of the power boiler or the material of which it is constructed warrant special consideration. Power boilers shall also be inspected annually externally while under pressure if possible;

(2) Low pressure heating boilers shall be inspected both internally and externally biennially where construction will permit;

[Engrossed Substitute House Bill 2067]

STATE AGENCY COMMUTE TRIP REDUCTION PROGRAMS

Effective Date: 7/25/93

AN ACT Relating to state agency commute trip reduction programs; amending RCW 43.41.140; reenacting and amending RCW 46.08.172; adding new sections to chapter 43.01 RCW; creating a new section; and prescribing penalties:

Be it enacted by the Legislature of the State of Washington:

**NEW SECTION.** Sec. 1. The legislature finds that reducing the number of commute trips to work is an effective way of reducing automobile-related air pollution, traffic congestion, and energy use. The legislature intends that state agencies shall assume a leadership role in implementing programs to reduce vehicle miles traveled and single-occupant vehicle commuting, under RCW 70.94.521 through 70.94.551.
The legislature has established and directed an interagency task force to consider mechanisms for funding state agency commute trip reduction programs; and to consider and recommend policies for employee incentives for commuting by other than single-occupant vehicles, and policies for the use of state-owned vehicles.

It is the purpose of this act to provide state agencies with the authority to provide employee incentives, including subsidies for use of high occupancy vehicles to meet commute trip reduction goals, and to remove existing statutory barriers for state agencies to use public funds, including parking revenue, to operate, maintain, lease, or construct parking facilities at state-owned and leased facilities, to reduce parking subsidies, and to support commute trip reduction programs.

NEW SECTION. Sec. 2. A new section is added to chapter 43.01 RCW to read as follows:

The definitions in this section apply throughout this chapter.

(1) "Guaranteed ride home" means an assured ride home for commuters participating in a commute trip reduction program who are not able to use their normal commute mode because of personal emergencies.

(2) "Pledged" means parking revenue designated through any means, including moneys received from the natural resource building, which is used for the debt service payment of bonds issued for parking facilities.

Sec. 3. RCW 43.41.140 and 1979 c 151 s 119 are each amended to read as follows:

Pursuant to policies and regulations promulgated by the office of financial management ((after consultation with and approval by the automotive policy board)), an elected state officer or ((his)) delegate or a state agency director or ((his)) delegate may permit an employee ((commuting)) to commute in a state-owned or leased vehicle ((only)) if such travel is on official business, as determined in accordance with RCW 43.41.130, and is determined to be economical and advantageous to the state, or as part of a commute trip reduction program as required by RCW 70.94.551.

Sec. 4. RCW 46.08.172 and 1991 sp.s. c 31 s 12 and 1991 sp.s. c 13 s 41 are each reenacted and amended to read as follows:

((There is hereby established an account in the state treasury to be known as the "state capitol vehicle parking account").) The director of the department of general administration shall establish equitable and consistent parking rental fees for state-owned or leased property, to be charged to employees, visitors, clients, service providers, and others, that reflect the legislature's intent to reduce state subsidization of parking. The department shall solicit representatives from affected state agencies, employees, and state employee bargaining units to meet as regional committees. These regional committees will advise the director on parking rental fees, taking into account the market rate of comparable, privately owned rental parking in each region. In the event that such fees become part of
a collective bargaining agreement and there is a conflict between the agency and the collective bargaining unit, the terms of the collective bargaining agreement shall prevail. All fees shall take into account the market rate of comparable privately owned rental parking, as determined by the director. (All unpledged parking rental income collected by the department of general administration from rental of parking space on the Capitol grounds and the east Capitol site shall be deposited in the "state capitol vehicle parking account"). However, parking rental fees are not to exceed the local market rate of comparable privately owned rental parking.

The director may delegate the responsibility for the collection of parking fees to other agencies of state government when cost-effective.

The "state capitol vehicle parking account" shall be used to pay costs incurred in the operation, maintenance, regulation and enforcement of vehicle parking and parking facilities.

NEW SECTION. Sec. 5. A new section is added to chapter 43.01 RCW to read as follows:

There is hereby established an account in the state treasury to be known as the "state capitol vehicle parking account." All parking rental income collected from rental of parking space at state-owned or leased property shall be deposited in the "state capitol vehicle parking account." Revenue deposited in the "state capitol vehicle parking account" shall be first applied to pledged purposes. Unpledged parking revenues deposited in the "state capitol vehicle parking account" may be used to:

1) Pay costs incurred in the operation, maintenance, regulation, and enforcement of vehicle parking and parking facilities on state-owned or leased properties;

2) Support the lease costs and/or capital investment costs of vehicle parking and parking facilities at agency-owned and leased facilities off the Capitol campus; and

3) Support commute trip reduction programs under RCW 70.94.521 through 70.94.551.

Distribution of funds from the "state capitol vehicle parking account" are subject to appropriation by the legislature and will be made by the office of financial management after considering recommendations from the director of general administration and the interagency task force for commute trip reduction, under RCW 70.94.551.

NEW SECTION. Sec. 6. A new section is added to chapter 43.01 RCW to read as follows:

State agencies may, subject to appropriation and under the internal revenue code rules, use public funds to financially assist agency-approved incentives for alternative commute modes, including but not limited to carpooling, vanpooling, purchase of transit and ferry passes, and guaranteed ride home programs, if the financial assistance is an element of the agency's commute trip reduction.
program as required under RCW 70.94.521 through 70.94.551. This section does not permit any payment for the use of state-owned vehicles for commuter ride sharing.

NEW SECTION. Sec. 7. A new section is added to chapter 43.01 RCW to read as follows:

All state higher education institutions are exempt from section 5 of this act.

Passed the Senate April 24, 1993.

In determining whether protective services should be provided, the department shall not decline to provide such services solely because of the child's unwillingness or developmental inability to describe the nature and severity of the abuse or neglect.

(19) "Malice" or "maliciously" means an evil intent, wish, or design to vex, annoy, or injure another person. Such malice may be inferred from an act done in wilful disregard of the rights of another, or an act wrongfully done without just cause or excuse, or an act or omission of duty betraying a wilful disregard of social duty.

(20) "Sexually aggressive youth" means a child who is defined in RCW 74.13.075(1)(b) as being a "sexually aggressive youth."

NEW SECTION. Sec. 2. A new section is added to chapter 26.44 RCW to read as follows:

(1) If a law enforcement agency receives a complaint that alleges that a child under age twelve has committed a sex offense as defined in RCW 9.94A.030, the agency shall investigate the complaint. If the investigation reveals that probable cause exists to believe that the youth may have committed a sex offense and the child is at least eight years of age, the agency shall refer the case to the proper county prosecuting attorney for appropriate action to determine whether the child may be prosecuted or is a sexually aggressive youth. If the child is less than eight years old, the law enforcement agency shall refer the case to the department.
(2) If the prosecutor or a judge determines the child cannot be prosecuted for the alleged sex offense because the child is incapable of committing a crime as provided in RCW 9A.04.050 and the prosecutor believes that probable cause exists to believe that the child engaged in acts that would constitute a sex offense, the prosecutor shall refer the child as a sexually aggressive youth to the department. The prosecutor shall provide the department with an affidavit stating that the prosecutor has determined that probable cause exists to believe that the juvenile has committed acts that could be prosecuted as a sex offense but the case is not being prosecuted because the juvenile is incapable of committing a crime as provided in RCW 9A.04.050.

(3) The department shall investigate any referrals that allege that a child is a sexually aggressive youth. The purpose of the investigation shall be to determine whether the child is abused or neglected, as defined in this chapter, and whether the child or the child’s parents are in need of services or treatment. The department may offer appropriate available services and treatment to a sexually aggressive youth and his or her parents or legal guardians as provided in RCW 74.13.075 and may refer the child and his or her parents to appropriate treatment and services available within the community. If the parents refuse to accept or fail to obtain appropriate treatment or services under circumstances that indicate that the refusal or failure is child abuse or neglect, as defined in this chapter, the department may pursue a dependency action as provided in chapter 13.34 RCW.

(4) Nothing in this section shall affect the responsibility of a law enforcement agency to report incidents of abuse or neglect as required in RCW 26.44.030(5).

Sec. 3. RCW 74.13.075 and 1990 c 3 s 305 are each amended to read as follows:

(1) For the purposes of funds appropriated for the treatment of (at-risk juvenile sex offenders, "at-risk juvenile sex offenders"), sexually aggressive youth, the term "sexually aggressive youth" means those juveniles who:

(a) Are in the care and custody of the state (who) and:

((a)) (i) Have been abused; and

((b)) (ii) Have committed a sexually aggressive or other violent act that is sexual in nature; or

((e))) (b) Cannot be detained under the juvenile justice system due to being under age twelve and incompetent to stand trial for acts that could be prosecuted as sex offenses as defined by RCW 9.94A.030 if the juvenile was over twelve years of age, or competent to stand trial if under twelve years of age.

(2) In expending these funds, the department of social and health services shall establish in each region a case review committee to review all cases for which the funds are used. In determining whether to use these funds in a particular case, the committee shall consider:

(a) The age of the juvenile;
The extent and type of abuse to which the juvenile has been subjected;
(c) The juvenile's past conduct;
(d) The benefits that can be expected from the treatment; and
(e) The ability of the juvenile's parent or guardian to pay for the treatment.

NEW SECTION. Sec. 4. The secretary of the department of social and health services is authorized to transfer surplus, unused treatment funds from the civil commitment center operated under chapter 71.09 RCW to the division of children and family services to provide treatment services for sexually aggressive youth.

COMMERCIAL MOTOR VEHICLE INSPECTION
Effective Date: 7/25/93

AN ACT Relating to commercial motor vehicle inspection; amending RCW 46.32.010, 46.32.020, and 46.44.105; adding a new section to chapter 46.32 RCW; and repealing RCW 46.44.100.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 46.32 RCW to read as follows:

For the purpose of this chapter "commercial motor vehicle" means a self-propelled or towed vehicle designed or used to transport passengers or property, if the vehicle:

(1) Has a gross vehicle weight rating or gross combination weight rating of ten thousand one or more pounds;
(2) Is designed to transport sixteen or more passengers, including the driver; or
(3) Is transporting hazardous materials and is required to be identified by a placard in accordance with 49 C.F.R. Sec. 172.500-.560 (1991).

A recreational vehicle used for noncommercial purposes is not considered a commercial motor vehicle. "Recreational vehicle" includes a vehicle towing a horse trailer for a noncommercial purpose.

Sec. 2. RCW 46.32.010 and 1986 c 123 s 1 are each amended to read as follows:

(1) The chief of the Washington state patrol may operate, maintain, or designate, throughout the state of Washington, stations for the inspection of
school buses and private carrier buses, with respect to vehicle equipment, drivers’ qualifications, and hours of service and to set reasonable times when inspection of vehicles shall be performed.

(2) (The inspection of private, common, and contract carriers with respect to vehicle equipment, drivers’ qualifications, and hours of service shall be done in conjunction with weight enforcement under RCW 46.44.100) The state patrol may inspect a commercial motor vehicle while the vehicle is operating on the public highways of this state with respect to vehicle equipment, hours of service, and driver qualifications.

(3) It is unlawful for any vehicle required to be inspected to be operated over the public highways of this state unless and until it has been approved periodically as to equipment.

(4) Inspections shall be performed by a responsible employee of the chief of the Washington state patrol, who shall be duly authorized and who shall have authority to secure and withhold, with written notice to the director of licensing, the certificate of license registration and license plates of any vehicle found to be defective in equipment so as to be unsafe or unfit to be operated upon the highways of this state, and it shall be unlawful for any person to operate such vehicle unless and until it has been placed in a condition satisfactory to pass a subsequent equipment inspection. The police officer in charge of such vehicle equipment inspection shall grant to the operator of such defective vehicle the privilege to move such vehicle to a place for repair under such restrictions as may be reasonably necessary.

(5) In the event any insignia, sticker, or other marker is adopted to be displayed upon vehicles in connection with the inspection of vehicle equipment, it shall be displayed as required by the rules of the chief of the Washington state patrol, and it is a traffic infraction for any person to mutilate, destroy, remove, or otherwise interfere with the display thereof.

(6) It is a traffic infraction for any person to refuse to have his motor vehicle examined as required by the chief of the Washington state patrol, or, after having had it examined, to refuse to place an insignia, sticker, or other marker, if issued, upon the vehicle, or fraudulently to obtain any such insignia, sticker, or other marker, or to refuse to place his motor vehicle in proper condition after having had it examined, or in any manner, to fail to conform to the provisions of this chapter.

(7) It is a traffic infraction for any person to perform false or improvised repairs, or repairs in any manner not in accordance with acceptable and customary repair practices, upon a motor vehicle.

Sec. 3. RCW 46.32.020 and 1986 c 123 s 2 are each amended to read as follows:

The chief of the Washington state patrol may adopt reasonable rules regarding types of vehicles to be inspected, inspection criteria, times for the inspection of vehicle equipment, drivers’ qualifications, hours of service, and all
other matters with respect to the conduct of vehicle equipment and driver inspections.

The chief of the Washington state patrol shall prepare and furnish such stickers, tags, record and report forms, stationery, and other supplies as shall be deemed necessary. The chief of the Washington state patrol is empowered to appoint and employ such assistants as he may consider necessary and to fix hours of employment and compensation.

Sec. 4. RCW 46.44.105 and 1990 c 217 s 1 are each amended to read as follows:

(1) Violation of any of the provisions of RCW 46.44.041, 46.44.042, 46.44.047, 46.44.090, 46.44.091, and 46.44.095, or failure to obtain a permit as provided by RCW 46.44.090 and 46.44.095, or misrepresentation of the size or weight of any load or failure to follow the requirements and conditions of a permit issued hereunder is a traffic infraction, and upon the first finding thereof shall be assessed a basic penalty of not less than fifty dollars; and upon a second finding thereof shall be assessed a basic penalty of not less than seventy-five dollars; and upon a third or subsequent finding shall be assessed a basic penalty of not less than one hundred dollars.

(2) In addition to the penalties imposed in subsection (1) of this section, any person violating RCW 46.44.041, 46.44.042, 46.44.047, 46.44.090, 46.44.091, or 46.44.095 shall be assessed three cents for each pound of excess weight. Upon a first violation in any calendar year, the court may suspend the penalty for five hundred pounds of excess weight for each axle on any vehicle or combination of vehicles, not to exceed a two thousand pound suspension. In no case may the basic penalty assessed in subsection (1) of this section be suspended.

(3) Whenever any vehicle or combination of vehicles is involved in two violations of RCW 46.44.041, 46.44.042, 46.44.047, 46.44.090, 46.44.091, or 46.44.095 during any twelve-month period, the court may suspend the certificate of license registration of the vehicle or combination of vehicles for not less than thirty days. Upon a third or succeeding violation in any twelve-month period, the court shall suspend the certificate of license registration for not less than thirty days. Whenever the certificate of license registration is suspended, the court shall secure such certificate and immediately forward the same to the director with information concerning the suspension.

(4) Any person found to have violated any posted limitations of a highway or section of highway shall be assessed a monetary penalty of not less than one hundred and fifty dollars, and the court shall in addition thereto upon second violation within a twelve-month period involving the same power unit, suspend the certificate of license registration for not less than thirty days.

(5) It is unlawful for the driver of a vehicle to fail or refuse to stop and submit the vehicle and load to a weighing, or to fail or refuse, when directed by an officer upon a weighing of the vehicle to stop the vehicle and otherwise comply with the provisions of this section. It is unlawful for a driver of a commercial motor vehicle as defined in section 1 of this act, other than the
driver of a bus as defined in section 1(2) of this act, to fail or refuse to stop at a weighing station when proper traffic control signs indicate scales are open.

Any police officer is authorized to require the driver of any vehicle or combination of vehicles to stop and submit to a weighing either by means of a portable or stationary scale and may require that the vehicle be driven to the nearest public scale. Whenever a police officer, upon weighing a vehicle and load, determines that the weight is unlawful, the officer may require the driver to stop the vehicle in a suitable location and remain standing until such portion of the load is removed as may be necessary to reduce the gross weight of the vehicle to the limit permitted by law. If the vehicle is loaded with grain or other perishable commodities, the driver shall be permitted to proceed without removing any of the load, unless the gross weight of the vehicle and load exceeds by more than ten percent the limit permitted by this chapter. The owner or operator of the vehicle shall care for all materials unloaded at the risk of the owner or operator.

Any vehicle whose driver or owner represents that the vehicle is disabled or otherwise unable to proceed to a weighing location shall have its load sealed or otherwise marked by any police officer. The owner or driver shall be directed that upon completion of repairs, the vehicle shall submit to weighing with the load and markings and/or seal intact and undisturbed. Failure to report for weighing, appearing for weighing with the seal broken or the markings disturbed, or removal of any cargo prior to weighing is unlawful. Any person so convicted shall be fined five hundred dollars, and in addition the certificate of license registration shall be suspended for not less than thirty days.

(6) Any other provision of law to the contrary notwithstanding, district courts having venue have concurrent jurisdiction with the superior courts for the imposition of any penalties authorized under this section.

(7) For the purpose of determining additional penalties as provided by subsection (2) of this section, "excess weight" means the poundage in excess of the maximum gross weight prescribed by RCW 46.44.041 and 46.44.042 plus the weights allowed by RCW 46.44.047, 46.44.091, and 46.44.095.

(8) The penalties provided in subsections (1) and (2) of this section shall be remitted as provided in chapter 3.62 RCW or RCW 10.82.070. For the purpose of computing the basic penalties and additional penalties to be imposed under the provisions of subsections (1) and (2) of this section the convictions shall be on the same vehicle or combination of vehicles within a twelve-month period under the same ownership.

(9) Any state patrol officer or any weight control officer who finds any person operating a vehicle or a combination of vehicles in violation of the conditions of a permit issued under RCW 46.44.047, 46.44.090, and 46.44.095 may confiscate the permit and forward it to the state department of transportation which may return it to the permittee or revoke, cancel, or suspend it without refund. The department of transportation shall keep a record of all action taken upon permits so confiscated, and if a permit is returned to the permittee the
action taken by the department of transportation shall be endorsed thereon. Any permittee whose permit is suspended or revoked may upon request receive a hearing before the department of transportation or person designated by that department. After the hearing the department of transportation may reinstate any permit or revise its previous action.

Every permit issued as provided for in this chapter shall be carried in the vehicle or combination of vehicles to which it refers and shall be open to inspection by any law enforcement officer or authorized agent of any authority granting such a permit.

Upon the third finding within a calendar year of a violation of the requirements and conditions of a permit issued under RCW 46.44.095 as now or hereafter amended, the permit shall be canceled, and the canceled permit shall be immediately transmitted by the court or the arresting officer to the department of transportation. The vehicle covered by the canceled permit is not eligible for a new permit for a period of thirty days.

(10) For the purposes of determining gross weights the actual scale weight taken by the arresting officer is prima facie evidence of the total gross weight.

(11) It is a traffic infraction to direct the loading of a vehicle with knowledge that it violates the requirements in RCW 46.44.041, 46.44.042, 46.44.047, 46.44.090, 46.44.091, or 46.44.095 and that it is to be operated on the public highways of this state.

(12) The chief of the state patrol, with the advice of the department, may adopt reasonable rules to aid in the enforcement of this section.

NEW SECTION. Sec. 5. RCW 46.44.100 and 1971 ex.s. c 148 s 2, 1967 c 32 s 52, & 1961 c 12 s 46.44.100 are each repealed.

prevailing wages and the certification of affidavits of wages paid. The department may also charge fees to persons or organizations requesting the arbitration of disputes under RCW 39.12.060. The amount of the fees shall be established by rules adopted by the department under the procedures in the administrative procedure act, chapter 34.05 RCW. The fees shall apply to all approvals, certifications, and arbitration requests made after the effective date of the rules. All fees shall be deposited in the public works administration account. On the fifteenth day of the first month of each quarterly period, an amount equaling thirty percent of the revenues received into the public works administration account shall be transferred into the general fund. The department may refuse to arbitrate for contractors, subcontractors, persons, or organizations which have not paid the proper fees. The department may, if necessary, request the attorney general to take legal action to collect delinquent fees.

The department shall set the fees permitted by this section at a level that generates revenue that is as near as practicable to the amount of the appropriation (to carry out the activities specified in this section) to administer this chapter, including, but not limited to, the performance of adequate wage surveys, and to investigate and enforce all alleged violations of this chapter, including, but not limited to, incorrect statements of intent to pay prevailing wage, incorrect certificates of affidavits of wages paid, and wage claims, as provided for in this chapter and chapters 49.48 and 49.52 RCW. However, the fees charged for the approval of statements of intent to pay prevailing wages and the certification of affidavits of wages paid shall be no greater than twenty-five dollars.

NEW SECTION. Sec. 2. A new section is added to chapter 39.12 RCW to read as follows:

The public works administration account is created in the state treasury. The department of labor and industries shall deposit in the account all moneys received from fees collected under RCW 39.12.070. Appropriations from the account, not including moneys transferred to the general fund pursuant to RCW 39.12.070, may be made only for the purposes of administration of this chapter, including, but not limited to, the performance of adequate wage surveys, and for the investigation and enforcement of all alleged violations of this chapter as provided for in this chapter and chapters 49.48 and 49.52 RCW.

Sec. 3. RCW 39.12.042 and 1989 c 12 s 11 are each amended to read as follows:

If any agency of the state, or any county, municipality, or political subdivision created by its laws shall (willfully) knowingly fail to comply with the provisions of RCW 39.12.040 as now or hereafter amended, such agency of the state, or county, municipality, or political subdivision created by its laws, shall be liable to all workers, laborers, or mechanics to the full extent and for the full amount of wages due, pursuant to the prevailing wage requirements of RCW 39.12.020.
NEW SECTION. Sec. 4. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1993.

CHAPTER 405
[Substitute House Bill 1226]
CONSUMER LOAN COMPANIES—PREMIUM CALCULATION FOR CREDIT LIFE OR DISABILITY INSURANCE
Effective Date: 7/25/93

AN ACT Relating to the amounts of credit life insurance and credit disability insurance that consumer loan companies may make in connection with open-end loans; and amending RCW 31.04.115.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 31.04.115 and 1991 c 208 s 12 are each amended to read as follows:

(1) As used in this section, "open-end loan" means an agreement between a licensee and a borrower that expressly states that the loan is made in accordance with this chapter and that provides that:

(a) A licensee may permit the borrower to obtain advances of money from the licensee from time to time, or the licensee may advance money on behalf of the borrower from time to time as directed by the borrower;

(b) The amount of each advance and permitted charges and costs are debited to the borrower's account, and payments and other credits are credited to the same account;

(c) The charges are computed on the unpaid principal balance, or balances, of the account from time to time; and

(d) The borrower has the privilege of paying the account in full at any time without prepayment penalty or, if the account is not in default, in monthly installments of fixed or determinable amounts as provided in the agreement.

(2) Interest charges on an open-end loan shall not exceed twenty-five percent per annum computed in each billing cycle by any of the following methods:

(a) By converting the annual rate to a daily rate, and multiplying the daily rate by the daily unpaid principal balance of the account, in which case each daily rate is determined by dividing the annual rate by three hundred sixty-five;

(b) By multiplying a monthly rate by the average daily unpaid principal balance of the account in the billing cycle, in which case the monthly rate is one-twelfth of the annual rate, and the average daily unpaid principal balance is the
sum of the amount unpaid each day during the cycle divided by the number of
days in the cycle; or

(c) By converting the annual rate to a daily rate, and multiplying the daily
rate by the average daily unpaid principal balance of the account in the billing
cycle, in which case the daily rate is determined by dividing the annual rate by
three hundred sixty-five, and the average daily unpaid principal balance is the
sum of the amount unpaid each day during the cycle divided by the number of
days in the cycle.

For all of the methods of computation specified in this subsection, the billing
cycle shall be monthly, and the unpaid principal balance on any day shall be
determined by adding to the balance unpaid, as of the beginning of that day, all
advances and other permissible amounts charged to the borrower, and deducting
all payments and other credits made or received that day. A billing cycle is
considered monthly if the closing date of the cycle is on the same date each
month, or does not vary by more than four days from that date.

(3) In addition to the charges permitted under subsection (2) of this section,
the licensee may contract for and receive an annual fee, payable each year in
advance, for the privilege of opening and maintaining an open-end loan account.
Except as prohibited or limited by this section, the licensee may also contract for
and receive on an open-end loan any additional charge permitted by this chapter
on other loans, subject to the conditions and restrictions otherwise pertaining to
those charges.

(4)(a) If credit life or ((disability insuranc is provided, and 4he iised
dies er (becomes disabled when therc is an autstanding epen end loan indebted-
ness, the insurance must be sufficient to pay the total balance of the loan due on
the date of the borrower's death in the case of credit life insurance, or all
minimum payments that become due on the loan during the covered period of
disability in the case of credit disability insurance. The additional charge for
credit life insurance or credit disability insurance shall be calculated in each
billing cycle by applying the current monthly premium rate for the insurance, as
permitted by the insurance commissioner, to the unpaid balances in the
borrower's account, using any of the methods specified in subsection (2) of this
section for the calculation of interest charges; and

(b) The licensee shall not cancel credit life or disability insurance written in
connection with an open-end loan because of delinquency of the borrower in the
making of the required minimum payments on the loan, unless one or more of
the payments is past due for a period of ninety days or more; and the licensee
shall advance to the insurer the amounts required to keep the insurance in force during that period, which amounts may be debited to the borrower’s account.

(5) A security interest in real or personal property may be taken to secure an open-end loan. Any such security interest may be retained until the open-end account is terminated. The security interest shall be promptly released if (a) there has been no outstanding balance in the account for twelve months and the borrower either does not have or surrenders the unilateral right to create a new outstanding balance; or (b) the account is terminated at the borrower’s request and paid in full.

(6) The licensee may from time to time increase the rate of interest being charged on the unpaid principal balance of the borrower’s open-end loans if the licensee mails or delivers written notice of the change to the borrower at least thirty days before the effective date of the increase unless the increase has been earlier agreed to by the borrower. However, the borrower may choose to terminate the open-end account and the licensee shall allow the borrower to repay the unpaid balance incurred before the effective date of the rate increase upon the existing open-end loan account terms and interest rate unless the borrower incurs additional debt on or after the effective date of the rate increase or otherwise agrees to the new rate.

(7) The licensee shall deliver a copy of the open-end loan agreement to the borrower at the time the open-end account is created. The agreement must contain the name and address of the licensee and of the principal borrower, and must contain such specific disclosures as may be required by rule of the supervisor. In adopting the rules the supervisor shall consider Regulation Z promulgated by the board of governors of the federal reserve system under the federal consumer credit protection act.

(8) Except in the case of an account that the licensee deems to be uncollectible, or with respect to which delinquency collection procedures have been instituted, the licensee shall deliver to the borrower at the end of each billing cycle in which there is an outstanding balance of more than one dollar in the account, or with respect to which interest is imposed, a periodic statement in the form required by the supervisor. In specifying such form the supervisor shall consider Regulation Z promulgated by the board of governors of the federal reserve system under the federal consumer credit protection act.

Passed the House April 19, 1993.
Passed the Senate April 7, 1993.
Approved by the Governor May 15, 1993.

AN ACT Relating to accountability in state government; amending RCW 43.88.020, 43.88.090, 43.88.160, and 44.28.085; adding a new section to chapter 44.28 RCW; and creating new sections.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that many of the systems currently in place for assuring accountability in state government programs are not operated comprehensively, do not take advantage of modern management techniques, and do not contribute adequately to the optimum use of scarce resources. Critical variables that are not always taken into account include whether stated goals and objectives are being achieved, and whether desired results are being accomplished.

Agency executives need more accurate information for setting policy, determining whether new or existing programs are effective, and improving internal controls for agency management. These needs must be met at all levels of operation, and must be clearly communicated to the legislature and all interested parties.

Ensuring accountability in government involves a long-term commitment to policy planning, quality management, and results-oriented evaluation. It is the intent of the legislature to facilitate program evaluations and performance audits of selected state agencies and programs through the coordinated resources of the executive and legislative branches of state government.

(9) "Revolving fund" means a fund in the state treasury, established by law, from which is paid the cost of goods or services furnished to or by a state agency, and which is replenished through charges made for such goods or services or through transfers from other accounts or funds.

Sec. 3. RCW 43.88.090 and 1989 c 273 s 26 are each amended to read as follows:

(1) For purposes of developing budget proposals to the legislature, the governor shall have the power, and it shall be the governor's duty, to require from proper agency officials such detailed estimates and other information in such form and at such times as the governor shall direct. The estimates for the legislature and the judiciary shall be transmitted to the governor and shall be included in the budget without revision. The estimates for state pension contributions shall be based on the rates provided in chapter 41.45 RCW. Copies of all such estimates shall be transmitted to the standing committees on ways and means of the house and senate at the same time as they are filed with the governor and the office of financial management.

(2) Estimates from each agency shall include goals and objectives for each program administered by the agency. The goals and objectives shall, whenever possible, be stated in terms of objective measurable results.

The estimates shall include statements or tables which indicate, by agency, the state funds which are required for the receipt of federal matching revenues. The estimates shall be revised as necessary to reflect legislative enactments and adopted appropriations and shall be included with the initial biennial allotment submitted under RCW 43.88.110.

(3) It is the policy of the state that each state agency define its mission and establish measurable goals for achieving desirable results for those who receive its services. This section shall not be construed to require an agency to develop a new mission or goals in place of identifiable missions or goals that meet the intent of this section. State agencies should involve affected groups and individuals in developing their missions and goals.

(4) For the purpose of assessing program performance, each state agency shall establish program objectives for each major program in its budget. The objectives shall be consistent with the missions and goals developed under this section. The objectives shall be expressed to the extent practicable in outcome-based, objective, and measurable form unless permitted by the office of financial management to adopt a different standard.

(4) In concert with legislative and executive agencies, the office of financial management shall develop a plan for using these outcome-based objectives in the evaluation of agency performance for improved accountability of state govern-
ment. Any elements of the plan requiring legislation shall be submitted to the legislature no later than November 30, 1994.

The governor-elect or the governor-elect's designee may ask such questions during the hearings and require such information as the governor-elect or the governor-elect's designee deems necessary and may make recommendations in connection with any item of the budget which, with the governor-elect's reasons therefor, shall be presented to the legislature in writing with the budget document. Copies of all such estimates and other required information shall also be submitted to the standing committees on ways and means of the house and senate.

Sec. 4. RCW 43.88.160 and 1992 c 118 s 8 are each amended to read as follows:

This section sets forth the major fiscal duties and responsibilities of officers and agencies of the executive branch. The regulations issued by the governor pursuant to this chapter shall provide for a comprehensive, orderly basis for fiscal management and control, including efficient accounting and reporting therefor, for the executive branch of the state government and may include, in addition, such requirements as will generally promote more efficient public management in the state.

(1) Governor; director of financial management. The governor, through the director of financial management, shall devise and supervise a modern and complete accounting system for each agency to the end that all revenues, expenditures, receipts, disbursements, resources, and obligations of the state shall be properly and systematically accounted for. The accounting system shall include the development of accurate, timely records and reports of all financial affairs of the state. The system shall also provide for central accounts in the office of financial management at the level of detail deemed necessary by the director to perform central financial management. The director of financial management shall adopt and periodically update an accounting procedures manual. Any agency maintaining its own accounting and reporting system shall comply with the updated accounting procedures manual and the rules of the director adopted under this chapter. An agency may receive a waiver from complying with this requirement if the waiver is approved by the director. Waivers expire at the end of the fiscal biennium for which they are granted. The director shall forward notice of waivers granted to the appropriate legislative fiscal committees. The director of financial management may require such financial, statistical, and other reports as the director deems necessary from all agencies covering any period.
The director of financial management is responsible for quarterly reporting of primary operating budget drivers such as applicable workloads, caseload estimates, and appropriate unit cost data. These reports shall be transmitted to the legislative fiscal committees or by electronic means to the legislative evaluation and accountability program committee. Quarterly reports shall include actual monthly data and the variance between actual and estimated data to date. The reports shall also include estimates of these items for the remainder of the budget period.

The director of financial management shall report at least annually to the appropriate legislative committees regarding the status of all appropriated capital projects, including transportation projects, showing significant cost overruns or underruns. If funds are shifted from one project to another, the office of financial management shall also reflect this in the annual variance report. Once a project is complete, the report shall provide a final summary showing estimated start and completion dates of each project phase compared to actual dates, estimated costs of each project phase compared to actual costs, and whether or not there are any outstanding liabilities or unsettled claims at the time of completion.

In addition, the director of financial management, as agent of the governor, shall:

(a) Develop and maintain a system of internal controls and internal audits comprising methods and procedures to be adopted by each agency that will safeguard its assets, check the accuracy and reliability of its accounting data, promote operational efficiency, and encourage adherence to prescribed managerial policies for accounting and financial controls. The system developed by the director shall include criteria for determining the scope and comprehensiveness of internal controls required by classes of agencies, depending on the level of resources at risk.

Each agency head or authorized designee shall be assigned the responsibility and authority for establishing and maintaining internal audits following the standards of internal auditing of the institute of internal auditors;

(b) Make surveys and analyses of agencies with the object of determining better methods and increased effectiveness in the use of manpower and materials; and the director shall authorize expenditures for employee training to the end that the state may benefit from training facilities made available to state employees;

(c) Report to the governor with regard to duplication of effort or lack of coordination among agencies;

(d) Review any pay and classification plans, and changes thereunder, developed by any agency for their fiscal impact: PROVIDED, That none of the provisions of this subsection shall affect merit systems of personnel management now existing or hereafter established by statute relating to the fixing of qualifications requirements for recruitment, appointment, or promotion of employees of any agency. The director shall advise and confer with agencies including appropriate standing committees of the legislature as may be designated
by the speaker of the house and the president of the senate regarding the fiscal impact of such plans and may amend or alter said plans, except that for the following agencies no amendment or alteration of said plans may be made without the approval of the agency concerned: Agencies headed by elective officials;

(((d))) (e) Fix the number and classes of positions or authorized man years of employment for each agency and during the fiscal period amend the determinations previously fixed by the director except that the director shall not be empowered to fix said number or said classes for the following: Agencies headed by elective officials;

(((e))) (f) Provide for transfers and repayments between the budget stabilization account and the general fund as directed by appropriation and RCW 43.88.525 through 43.88.540;

(((f) Promulgate regulations)) (g) Adopt rules to effectuate provisions contained in (a) through (((e))) (f) of this subsection.

(5) The treasurer shall:

(a) Receive, keep, and disburse all public funds of the state not expressly required by law to be received, kept, and disbursed by some other persons: PROVIDED, That this subsection shall not apply to those public funds of the institutions of higher learning which are not subject to appropriation;

(b) Disburse public funds under the treasurer's supervision or custody by warrant or check;

(c) Keep a correct and current account of all moneys received and disbursed by the treasurer, classified by fund or account;

(d) Perform such other duties as may be required by law or by regulations issued pursuant to this law.

It shall be unlawful for the treasurer to issue any warrant or check for public funds in the treasury except upon forms duly prescribed by the director of financial management. Said forms shall provide for authentication and certification by the agency head or the agency head's designee that the services have been rendered or the materials have been furnished; or, in the case of loans or grants, that the loans or grants are authorized by law; or, in the case of payments for periodic maintenance services to be performed on state owned equipment, that a written contract for such periodic maintenance services is currently in effect and copies thereof are on file with the office of financial management; and the treasurer shall not be liable under the treasurer's surety bond for erroneous or improper payments so made: PROVIDED, That when services are lawfully paid for in advance of full performance by any private individual or business entity other than as provided for by RCW 42.24.035, such individual or entity other than central stores rendering such services shall make a cash deposit or furnish surety bond coverage to the state as shall be fixed in an amount by law, or if not fixed by law, then in such amounts as shall be fixed by the director of the department of general administration but in no case shall such required cash deposit or surety bond be less than an amount which will
fully indemnify the state against any and all losses on account of breach of promise to fully perform such services; AND PROVIDED FURTHER, That no payments shall be made in advance for any equipment maintenance services to be performed more than three months after such payment. Any such bond so furnished shall be conditioned that the person, firm or corporation receiving the advance payment will apply it toward performance of the contract. The responsibility for recovery of erroneous or improper payments made under this section shall lie with the agency head or the agency head's designee in accordance with regulations issued pursuant to this chapter. Nothing in this section shall be construed to permit a public body to advance funds to a private service provider pursuant to a grant or loan before services have been rendered or material furnished.

(6) The state auditor shall:

(a) Report to the legislature the results of current post audits that have been made of the financial transactions of each agency; to this end the auditor may, in the auditor's discretion, examine the books and accounts of any agency, official or employee charged with the receipt, custody or safekeeping of public funds. Where feasible in conducting examinations, the auditor shall utilize data and findings from the internal control system prescribed by the office of financial management. The current post audit of each agency may include a section on recommendations to the legislature as provided in (c) of this subsection.

(b) Give information to the legislature, whenever required, upon any subject relating to the financial affairs of the state.

(c) Make the auditor's official report on or before the thirty-first of December which precedes the meeting of the legislature. The report shall be for the last complete fiscal period and shall include ((at least the following:)) determinations as to whether agencies, in making expenditures, complied with the laws of this state(+(PROVIDED, That nothing in this section may be construed to grant)). The state auditor ((the right)) is authorized to perform or participate in performance audits only as expressly authorized by the legislature in the omnibus biennial appropriations acts. A performance audit for the purpose of this section is the examination of the effectiveness of the administration, its efficiency, and its adequacy in terms of the programs of departments or agencies as previously approved by the legislature. ((The authority and responsibility to conduct such an examination shall be vested in the legislative budget committee as prescribed in RCW 44.28.085.)) The state auditor, upon completing an audit for legal and financial compliance under chapter 43.09 RCW, may report to the legislative budget committee or other appropriate committees of the legislature, in a manner prescribed by the legislative budget committee, on facts relating to the management or performance of governmental programs where such facts are discovered incidental to the legal and financial audit. The auditor may make such a report to a legislative committee only if the auditor has determined that the agency has been given an opportunity and has failed to resolve the management or performance issues raised by the auditor. If the auditor makes
a report to a legislative committee, the agency may submit to the committee a
response to the report. This subsection (6) shall not be construed to authorize
the auditor to allocate other than de minimis resources to performance audits
except as expressly authorized in the appropriations acts.

(d) Be empowered to take exception to specific expenditures that have been
incurred by any agency or to take exception to other practices related in any way
to the agency's financial transactions and to cause such exceptions to be made
a matter of public record, including disclosure to the agency concerned and to
the director of financial management. It shall be the duty of the director of
financial management to cause corrective action to be taken promptly, such
action to include, as appropriate, the withholding of funds as provided in RCW
43.88.110.

(e) Promptly report any irregularities to the attorney general.

(f) Investigate improper governmental activity under chapter 42.40 RCW.

(7) The legislative budget committee may:

(a) Make post audits of the financial transactions of any agency and
management surveys and program reviews as provided for in RCW 44.28.085 as
well as performance audits and program evaluations. To this end the committee
may in its discretion examine the books, accounts, and other records of any
agency, official, or employee.

(b) Give information to the legislature or any legislative committee
whenever required upon any subject relating to the performance and management
of state agencies.

(c) Make a report to the legislature which shall include at least the
following:

(i) Determinations as to the extent to which agencies in making expenditures
have complied with the will of the legislature and in this connection, may take
exception to specific expenditures or financial practices of any agencies; and

(ii) Such plans as it deems expedient for the support of the state's credit, for
lessening expenditures, for promoting frugality and economy in agency affairs
and generally for an improved level of fiscal management.

NEW SECTION. Sec. 5. A new section is added to chapter 44.28 RCW
to read as follows:

(1) In conducting program evaluations as defined in RCW 43.88.020, the
legislative budget committee may establish a biennial work plan that identifies
state agency programs for which formal evaluation appears necessary. Among
the factors to be considered in preparing the work plan are:

(a) Whether a program newly created or significantly altered by the
legislature warrants continued oversight because (i) the fiscal impact of the
program is significant, or (ii) the program represents a relatively high degree of
risk in terms of reaching the stated goals and objectives for that program;

(b) Whether implementation of an existing program has failed to meet its
goals and objectives by any significant degree.
(2) The project description for each program evaluation shall include start and completion dates, the proposed research approach, and cost estimates.

(3) The overall plan may include proposals to employ contract evaluators. As conditions warrant, the program evaluation work plan may be amended from time to time. All biennial work plans shall be transmitted to the appropriate fiscal and policy committees of the senate and the house of representatives.

Sec. 6. RCW 44.28.085 and 1975 1st ex.s. c 293 s 15 are each amended to read as follows:

The legislative budget committee shall make management surveys and program reviews as to every public body, officer or employee subject to the provisions of RCW 43.09.290 through 43.09.340. The legislative budget committee may also make management surveys and program reviews of local school districts, intermediate school districts, and other units of local government receiving state funds as grants-in-aid or as shared revenues. Management surveys for the purposes of this section shall be an independent examination for the purpose of providing the legislature with an evaluation and report of the manner in which any public agency, officer, administrator, or employee has discharged the responsibility to faithfully, efficiently, and effectively administer any legislative purpose of the state. Program reviews for the purpose of this section shall be an examination of state or local government programs to ascertain whether or not such programs continue to serve their intended purposes, are conducted in an efficient and effective manner, or require modification or elimination. Nothing in this section shall limit the power or duty of the state auditor to report to the legislature as directed by RCW 43.88.160 (as now or hereafter amended. The authority in this section conferred excludes a like authority in the state auditor).

The legislative budget committee shall receive a copy of each report of examination issued by the state auditor under RCW 43.09.310, shall review all such reports, and shall make such recommendations to the legislature and to the state auditor as it deems appropriate.

CHAPTER 407
[Engrossed Substitute House Bill 1408]
TEEN PREGNANCY PREVENTION
Effective Date: 7/25/93

AN ACT Relating to teen pregnancy prevention; amending RCW 74.09.790 and 74.09.800; adding a new chapter to Title 70 RCW; creating new sections; and providing an expiration date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. FINDINGS AND STATE POLICY. (1) The legislature finds that:
(a) Each year in Washington approximately fifteen thousand teenage girls become pregnant;
(b) The public cost of adolescent pregnancy is substantial. Eighty percent of teen prenatal care and deliveries are publicly funded. Over fifty percent of the women on public assistance became mothers as teenagers; and
(c) The personal costs of adolescent pregnancy can be socially and economically overwhelming. These too young mothers are often unable to finish high school. Their economic potential is diminished, their probability of dependence on public assistance increases, and their children are more likely to grow up in poverty. The cycle of teen mothers raising children in poverty jeopardizes their future educational opportunity and economic viability of future generations.

(2) The legislature therefore declares that in the interest of health, welfare, and economics, it is the policy of the state to reduce the incidence of unplanned teen pregnancy. To reduce the rate of teen pregnancy in Washington, the legislature hereby:
(a) Establishes four-year projects to prevent teen pregnancy;
(b) Initiates a teen pregnancy prevention media campaign;
(c) Increases funding for family planning education, outreach, and services; and
(d) Expands medicaid eligibility for postpartum family planning services.

NEW SECTION. Sec. 2. DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.
(1) "Community" means an individual political subdivision of the state, a group of such political subdivisions, or a geographic area within a political subdivision.

NEW SECTION. Sec. 3. TEEN PREGNANCY PREVENTION PROJECTS. There is established in the department a program to coordinate and fund community-based teen pregnancy prevention projects. Selection of projects shall be made competitively based upon compliance with the requirements of sections 4 and 5 of this act. To the extent practicable, the projects shall be geographically distributed throughout the state. Criteria shall be established by the
department in consultation with other state agencies and groups involved in teen pregnancy prevention.

**NEW SECTION.** Sec. 4. **TEEN PREGNANCY PREVENTION PROJECTS—REQUIREMENTS.** (1) Each project shall be designed to reduce the incidence of unplanned teen pregnancy in the defined community, and may include preteens.

(2) At least fifty percent of the funding for teen pregnancy prevention projects shall be community matching funds provided by private or public entities. In-kind contributions such as, but not limited to, staff, materials, supplies, or physical facilities may be considered as all or part of the funding provided by the communities.

(3) The department shall perform evaluations of the projects. Each project shall be evaluated solely on the rate by which the teen pregnancy rates in the community are reduced, measured from the rates prior to the implementation of the project. Projects that demonstrate by empirical evidence that they have been successful in reducing the teen pregnancy rate in their community shall be eligible for consideration if reauthorized funding becomes available.

**NEW SECTION.** Sec. 5. **TEEN PREGNANCY PREVENTION PROJECTS—APPLICATIONS.** Applications for teen pregnancy prevention project funding shall:

(1) Define the community requesting funding;

(2) Designate a lead agency or organization for the project;

(3) Contain evidence of the active participation of entities in the community that will participate in the project;

(4) Demonstrate the participation of teens in the development of the project;

(5) Describe the specific activities that will be undertaken by the project;

(6) Identify the community matching funds required under section 4 of this act;

(7) Include statistics on teen pregnancy rates in the community over at least the past five years;

(8) Include components that will demonstrate sensitivity to religious, cultural, and socioeconomic differences; and

(9) Include components giving emphasis to the importance of sexual abstinence as a method of pregnancy prevention, as provided in RCW 28A.230.070 and 70.24.210.

The department shall not discriminate against applicants for teen pregnancy prevention project funding based on the type of pregnancy prevention strategies and services included in the applicant's proposal.

**NEW SECTION.** Sec. 6. **REPORT.** The department shall submit an annual report on the state's teen pregnancy rates over the previous five years, both state-wide and in the specific communities in which teen pregnancy prevention projects are located, to the appropriate standing committees of the legislature in the years 1995 through 1999.
NEW SECTION. Sec. 7. TEEN PREGNANCY PREVENTION MEDIA CAMPAIGN. The department shall develop a teen pregnancy prevention media campaign in collaboration with major media organizations and other organizations and corporations interested in playing a positive and constructive role in their communities. The media campaign shall be designed to reduce the incidence of teen pregnancies. The media campaign shall be directed to teens, their parents, and individuals and organizations working with teens. The department may subcontract all or part of the activities associated with the media campaign to qualified private, nonprofit organizations.

NEW SECTION. Sec. 8. Sections 1 through 7 of this act shall expire June 30, 1999.

Sec. 9. RCW 74.09.790 and 1990 c 151 s 4 are each amended to read as follows:

(6) "Support services" means, at least, public health nursing assessment and follow-up, health and childbirth education, psychological assessment and counseling, outreach services, nutritional assessment and counseling, needed vitamin and nonprescriptive drugs, transportation, family planning services, and child care. Support services may include alcohol and substance abuse treatment for pregnant women who are addicted or at risk of being addicted to alcohol or drugs to the extent funds are made available for that purpose.

(7) "Family planning services" means planning the number of one's children by use of contraceptive techniques.

Sec. 10. RCW 74.09.800 and 1989 1st ex.s. c 10 s 5 are each amended to read as follows:
The department shall, consistent with the state budget act, develop a maternity care access program designed to ensure healthy birth outcomes as follows:

(1) Provide maternity care services to low-income pregnant women and health care services to children in poverty to the maximum extent allowable under the medical assistance program, Title XIX of the federal social security act;

(2) Provide maternity care services to low-income women who are not eligible to receive such services under the medical assistance program, Title XIX of the federal social security act;

(3) By January 1, 1990, have the following procedures in place to improve access to maternity care services and eligibility determinations for pregnant women applying for maternity care services under the medical assistance program, Title XIX of the federal social security act:

   (b) Outstationing department staff to make eligibility determinations;
   (c) Establishing local plans at the county and regional level, coordinated by the department; and

(8) Provide family planning services including information about the synthetic progestin capsule implant form of contraception, for twelve months immediately following a pregnancy to women who were eligible for medical assistance under the maternity care access program during that pregnancy or who were eligible only for emergency labor and delivery services during that pregnancy; and
(9) Within available resources, provide family planning services to women who meet the financial eligibility requirements for services under subsections (1) and (2) of this section.

(1) The superior court of each county, after consultation with the county clerk and county auditor of that jurisdiction, shall annually notify the department of information services not later than March 1 of each year of its election to use either a jury source list that is merged by the county or a jury source list that is merged by the department of information services. The department of information services shall annually furnish at no charge to the superior court of each county a separate list of the registered voters residing in that county as supplied annually by the secretary of state and a separate list of driver's license and identicard holders residing in that county as supplied annually by the department of licensing, or a merged list of all such persons residing in that county, in accordance with the annual notification required by this subsection. The lists provided by the department of information services shall be in an electronic format mutually agreed upon by the superior court requesting it and the department of information services. The annual merger of the list of registered voters residing in each county with the list of licensed drivers and identicard holders residing in each county to form a jury source list for each county shall be in accordance with the standards and methodology established in this chapter or by superseding court rule whether the merger is accomplished by the department of information services or by a county.

(2) Persons on the lists of registered voters and driver's license and identicard holders shall be identified by a minimum of last name, first name, middle initial where available, date of birth, gender, and county of residence. Identifying information shall be used when merging the lists to ensure to the extent reasonably possible that persons are only listed once on the merged list. Conflicts in addresses are to be resolved by using the most recent record by date of last vote in a general election, date of driver's license or identicard address change or date of voter registration.

(3) The department of information services shall provide counties that elect to receive a jury source list merged by department of information services with a list of names which are possible duplicates that cannot be resolved based on the identifying information required under subsection (2) of this section. If a possible duplication cannot subsequently be resolved satisfactorily through reasonable efforts by the county receiving the merged list, the possible duplicate name shall be stricken from the jury source list until the next annual jury source list is prepared.

Sec. 4. RCW 2.36.010 and 1992 c 93 s 1 are each amended to read as follows:

The list shall be filed with the superior court by the county auditor.

The list may be divided into the respective voting precincts)) shall cause a jury source list to be compiled from a list of all registered voters and a list of licensed drivers and identicard holders residing in the county.

The superior court upon receipt of the jury source list ((of registered voters filed by the county auditor)) shall use that list as the jury source list. The master jury list shall be certified by the superior court and filed with the county clerk. All previous jury source lists and master jury lists shall be superseded. In the event that, for any reason, a county's jury source list is not timely created and available for use at least annually, the most recent previously compiled jury source list for that county shall be used by the courts of that county on an emergency basis only for the shortest period of time until a current jury source list is created and available for use.

Upon receipt of amendments to the list of registered voters ((from the county auditor)) and licensed drivers and identicard holders residing in the county the superior court may update the jury source list and master jury list as maintained by the county clerk accordingly.

Sec. 6. RCW 2.36.063 and 1988 c 188 s 5 are each amended to read as follows:

The judge or judges of the superior court of any county may employ a properly programmed electronic data processing system or device to compile the jury source list, and to compile the master jury list and to randomly select jurors from the master jury list.

Sec. 7. RCW 2.36.065 and 1988 c 188 s 6 are each amended to read as follows:

It shall be the duty of the judges of the superior court to ensure continued random selection of the master jury list and jury panels, which shall be done without regard to whether a person's name originally appeared on the list of registered voters, or on the list of licensed drivers and identicard holders, or both. The judges shall review the process from time to time and shall cause to be kept on file with the county clerk a description of the jury selection process. Any person who desires may inspect this description in said office.

Nothing in this chapter shall be construed as requiring uniform equipment or method throughout the state, so long as fair and random selection of the master jury list and jury panels is achieved.

Sec. 8. RCW 2.36.095 and 1992 c 93 s 4 are each amended to read as follows:
persons selected to serve on a petit jury, grand jury, or jury of inquest shall be summoned by mail or personal service. The county clerk shall issue summons and thereby notify persons selected for jury duty. The clerk may issue summons for any jury term, in any consecutive twelve-month period, at any time thirty days or more before the beginning of the jury term for which the summons are issued. However, when applicable, the provisions of RCW 2.36.130 apply.

(2) In courts of limited jurisdiction summons shall be issued by the court. Upon the agreement of the courts, the county clerk may summon jurors for any and all courts in the county or judicial district.

(3) The county clerk shall notify the county auditor of each summons for jury duty that is returned by the postal service as undeliverable.

NEW SECTION. Sec. 9. A new section is added to chapter 2.36 RCW to read as follows:

Each court shall establish a means to preliminarily determine by a written declaration signed under penalty of perjury by the person summoned, the qualifications set forth in RCW 2.36.070 of each person summoned for jury duty prior to their appearance at the court to which they are summoned to serve. Upon receipt by the summoning court of a written declaration stating that a declarant does not meet the qualifications set forth in RCW 2.36.070, that declarant shall be excused from appearing in response to the summons. If a person summoned to appear for jury duty fails to sign and return a declaration of his or her qualifications to serve as a juror prior to appearing in response to a summons and is later determined to be unqualified for one of the reasons set forth in RCW 2.36.070, that person shall not be entitled to any compensation as provided in RCW 2.36.150. Information provided to the court for preliminary determination of statutory qualification for jury duty may only be used for the term such person is summoned and may not be used for any other purpose, except that the court, or designee, may report a change of address or nondelivery of summons of persons summoned for jury duty to the county auditor.

Sec. 10. RCW 29.04.160 and 1977 ex.s. c 226 s 1 are each amended to read as follows:

No later than February 15th and no later than August 15th of each year, the secretary of state shall provide a duplicate copy of the master state-wide computer tape or data file of registered voters to the state central committee of each major political party at actual duplication cost, shall provide a duplicate copy of the master state-wide computer tape or data file of registered voters to the statute law committee without cost, and shall provide a duplicate copy of the master state-wide computer tape or electronic data file of registered voters to the department of information services for purposes of creating the jury source list without cost. The master state-wide computer tape or data file of registered voters or portions of the tape or file shall be available to any other political party, at actual duplication cost, upon written request to the secretary of state. Restrictions as to the commercial use of the information on the state-wide
computer tape or data file of registered voters, and penalties for its misuse, shall be the same as provided in RCW 29.04.110 and 29.04.120 as now existing or hereafter amended.

Sec. 11. RCW 29.07.220 and 1991 c 81 s 22 are each amended to read as follows:

Each county auditor shall maintain a computer file on magnetic tape or disk, punched cards, or other form of data storage containing the records of all registered voters within the county. Where it is necessary or advisable, the auditor may provide for the establishment and maintenance of such files by private contract or through interlocal agreement as provided by chapter 39.34 RCW, as it now exists or is hereafter amended. The computer file shall include, but not be limited to, each voter’s last name, first name, middle initial, date of birth, residence address, sex, date of registration, applicable taxing district and precinct codes and the last date on which the individual voted. The county auditor shall subsequently record each consecutive date upon which the individual has voted and retain at least the last five such consecutive dates: PROVIDED, That if the voter has not voted at least five times since establishing his or her current registration record, only the available dates shall be included.

NEW SECTION. Sec. 12. A new section is added to chapter 46.20 RCW to read as follows:

(1) Except as provided in subsection (2) of this section, the department shall annually provide to the department of information services at no charge a computer tape or electronic data file of all licensed drivers and identicard holders who are eighteen years of age or older and whose records have not expired for more than two years and which shall contain the following information on each such person: Full name, date of birth, residence address including county, sex, and most recent date of application, renewal, replacement, or change of driver’s license or identicard.

(2) Before complying with subsection (1) of this section, the department shall remove from the tape or file the names of any certified participants in the Washington state address confidentiality program under chapter 40.24 RCW that have been identified to the department by the secretary of state.

NEW SECTION. Sec. 13. If specific funding for section 11 of this act, referencing section 11 of this act by bill number, is not provided by June 30, 1994, in the omnibus appropriations act, section 11 of this act is null and void.

NEW SECTION. Sec. 14. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 15. (1) Sections 1, 2, 3, 6, 8, and 13 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1993.

[Substitute House Bill 1469]
JAIL INMATE MEDICAL COSTS—RESPONSIBILITY
Effective Date: 5/15/93

AN ACT Relating to reimbursement of medical costs for care provided to confined persons; amending RCW 70.48.130; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 70.48.130 and 1986 c 118 s 9 are each amended to read as follows:

It is the intent of the legislature that all jail inmates receive appropriate and cost-effective emergency and necessary medical care. Governing units, the department of social and health services, and medical care providers shall cooperate to achieve the best rates consistent with adequate care.

Payment for emergency or necessary health care shall be by the governing unit, except that the department of social and health services shall directly reimburse the ((governing unit for the cost thereof if the confined person requires treatment for which such person is eligible under the department of social and health services' public assistance medical program)) provider pursuant to chapter 74.09 RCW, in accordance with the rates and benefits established by the department, if the confined person is eligible under the department's medical care programs as authorized under chapter 74.09 RCW. After payment by the department, the financial responsibility for any remaining balance, including unpaid client liabilities that are a condition of eligibility or participation under chapter 74.09 RCW, shall be borne by the medical care provider and the governing unit as may be mutually agreed upon between the medical care provider and the governing unit. In the absence of mutual agreement between the medical care provider and the governing unit, the financial responsibility for any remaining balance shall be borne equally between the medical care provider and the governing unit. Total payments from all sources to providers for care rendered to confined persons eligible under chapter 74.09 RCW shall not exceed the amounts that would be paid by the department for similar services provided under Title XIX medicaid, unless additional resources are obtained from the confined person.

As part of the screening process upon booking or preparation of an inmate into jail, general information concerning the inmate's ability to pay for medical

[ 1633 ]
care shall be identified, including insurance or other medical benefits or resources to which an inmate is entitled. This information shall be made available to the department, the governing unit, and any provider of health care services.

The governing unit or provider may obtain reimbursement from the confined person for the cost of ((emergency and other)) health care ((to the extent that such person is reasonably able to pay for such care)) services not provided under chapter 74.09 RCW, including reimbursement from any insurance program or from other medical benefit programs available to ((such)) the confined person. Nothing in this chapter precludes civil or criminal remedies to recover the costs of medical care provided jail inmates or paid for on behalf of inmates by the governing unit. As part of a judgment and sentence, the courts are authorized to order defendants to repay all or part of the medical costs incurred by the governing unit or provider during confinement.

To the extent that a confined person is unable to be financially responsible for medical care and is ineligible for ((financial assistance from the department or from a private source)) the department's medical care programs under chapter 74.09 RCW, or for coverage from private sources, and in the absence of an interlocal agreement or other contracts to the contrary, the governing unit may obtain reimbursement for the cost of such medical services from the unit of government whose law enforcement officers initiated the charges on which the person is being held in the jail: PROVIDED, That reimbursement for the cost of such services shall be by the state for state prisoners being held in a jail who are accused of either escaping from a state facility or of committing an offense in a state facility.

There shall be no right of reimbursement to the governing unit from units of government whose law enforcement officers initiated the charges for which a person is being held in the jail for care provided after the charges are disposed of by sentencing or otherwise, unless by intergovernmental agreement pursuant to chapter 39.34 RCW.

((This section is not intended to limit or change any existing right of any party, governing unit, or unit of government against the person receiving the care for the cost of the care provided or paid for.))

Under no circumstance shall necessary medical services be denied or delayed ((pending)) because of disputes over the cost of medical care or a determination of financial responsibility for payment of the costs of medical care provided to confined persons.

Nothing in this section shall limit any existing right of any party, governing unit, or unit of government against the person receiving the care for the cost of the care provided.

NEW SECTION. Sec. 2. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

[Engrossed Substitute House Bill 1512]

DEPENDENT CHILDREN—CONDITIONS WARRANTING TERMINATION OF PARENTAL RIGHTS REVISED

Effective Date: 7/25/93

AN ACT Relating to dependent children; amending RCW 13.34.145, 13.34.180, 13.34.190, 13.34.232, 13.34.110, 13.34.120, 13.34.150, 13.34.162, 26.44.020, 26.44.030, 26.44.040, 26.44.063, 26.44.067, and 26.44.100; adding new sections to chapter 13.34 RCW; adding new sections to chapter 26.44 RCW; and prescribing penalties.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 13.34.145 and 1989 1st ex.s. c 17 s 18 are each amended to read as follows:

(1) In all cases where a child has been placed in substitute care for at least fifteen months, the agency having custody of the child shall prepare a permanency plan and present it in a hearing held before the court no later than eighteen months following commencement of the placement episode.

(2) At the permanency planning hearing, the court shall enter findings as required by RCW 13.34.130(5). In addition the court shall: (a) Approve a permanency plan which shall include one of the following: Adoption, guardianship, placement of the child in the home of the child's parent, relative placement with written permanency plan, or family foster care with written permanency agreement; (b) require filing of a petition for termination of parental rights; or (c) dismiss the dependency, unless the court finds, based on clear, cogent, and convincing evidence, that it is in the best interest of the child to continue the dependency beyond eighteen months, based on the permanency plan. Extensions may only be granted in increments of twelve months or less.

Sec. 2. RCW 13.34.180 and 1990 c 246 s 7 are each amended to read as follows:

A petition seeking termination of a parent and child relationship may be filed in juvenile court by any party to the dependency proceedings concerning that child. Such petition shall conform to the requirements of RCW 13.34.040, shall be served upon the parties as provided in RCW 13.34.070(7), and shall allege:

(1) That the child has been found to be a dependent child under RCW 13.34.030(2); and

[ 1638 ]
(2) That the court has entered a dispositional order pursuant to RCW 13.34.130; and

(3) That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency under RCW 13.34.030(2); and

(4) That the services ordered under RCW 13.34.130 have been offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been offered or provided; and

(5) That there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. In determining whether the conditions will be remedied the court may consider, but is not limited to, the following factors:

(a) Use of intoxicating or controlled substances so as to render the parent incapable of providing proper care for the child for extended periods of time and documented unwillingness of the parent to receive and complete treatment or documented multiple failed treatment attempts; or

(b) Psychological incapacity or mental deficiency of the parent that is so severe and chronic as to render the parent incapable of providing proper care for the child for extended periods of time, and documented unwillingness of the parent to receive and complete treatment or documentation that there is no treatment that can render the parent capable of providing proper care for the child in the near future; and

(6) That continuation of the parent and child relationship clearly diminishes the child's prospects for early integration into a stable and permanent home; or

(7) In lieu of the allegations in subsections (1) through (6) of this section, the petition may allege that the child was found under such circumstances that the whereabouts of the child's parent are unknown and no person has acknowledged paternity or maternity and requested custody of the child within two months after the child was found.

A parent's failure to substantially improve parental deficiencies within twelve months following entry of the dispositional order shall give rise to a rebuttable presumption that there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. The presumption shall not arise unless the petitioner makes a showing that all necessary services reasonably capable of correcting the parental deficiencies within the foreseeable future have been offered or provided.

Notice of rights shall be served upon the parent, guardian, or legal custodian with the petition and shall be in substantially the following form:

"NOTICE

A petition for termination of parental rights has been filed against you.
You have important legal rights and you must take steps to protect your
interests. This petition could result in permanent loss of your parental rights.

1. You have the right to a fact-finding hearing before a judge.
2. You have the right to have a lawyer represent you at the hearing. A lawyer can look at the files in your case, talk to the department of social and health services and other agencies, tell you about the law, help you understand your rights, and help you at hearings. You should be present at this hearing.

You may call (insert agency) for more information about your child. The agency’s name and telephone number are (insert name and telephone number)."

Sec. 3. RCW 13.34.190 and 1992 c 145 s 15 are each amended to read as follows:

After hearings pursuant to RCW 13.34.110, the court may enter an order terminating all parental rights to a child if the court finds that:

(1) The allegations contained in the petition as provided in RCW 13.34.180 (1) through (6) are established by clear, cogent, and convincing evidence; or
(2) RCW 13.34.180 (3) and (4) may be waived because the allegations under RCW 13.34.180 (1), (2), (5), and (6) are established beyond a reasonable doubt; or
(3) The allegation under RCW 13.34.180(7) is established beyond a reasonable doubt. In determining whether RCW 13.34.180 (5) and (6) are established beyond a reasonable doubt, the court shall consider whether one or more of the (following):

(a) Conviction of the parent of rape of the child in the first, second, or third degree as defined in RCW 9A.44.073, 9A.44.076, and 9A.44.079;
(b) Conviction of the parent of criminal mistreatment of the child in the first or second degree as defined in RCW 9A.42.020 or 9A.42.030;
(c) Conviction of the parent of one of the following assault crimes, when the child is the victim: Assault in the first or second degree as defined in RCW 9A.36.011 and 9A.36.021 or assault of a child in the first or second degree as defined in RCW 9A.36.120 or 9A.36.130;

(4) Such an order is in the best interests of the child.

Sec. 4. RCW 13.34.232 and 1981 c 195 s 3 are each amended to read as follows:

(3) Specify an appropriate frequency of visitation between the parent and the child; and
(4) Specify the need for any continued involvement of the supervising agency and the nature of that involvement, if any.

The order shall not affect the child’s status as a dependent child, and the child shall remain dependent for the duration of the guardianship.

NEW SECTION. Sec. 5. A new section is added to chapter 13.34 RCW to read as follows:

(1) The provisions of this section shall apply when a court orders a party to undergo an alcohol or substance abuse diagnostic investigation and evaluation.

(2) The facility conducting the investigation and evaluation shall make a written report to the court stating its findings and recommendations including family-based services or treatment when appropriate. If its findings and recommendations support treatment, it shall also recommend a treatment plan setting out:
(a) Type of treatment;
(b) Nature of treatment;
(c) Length of treatment;
(d) A treatment time schedule; and
(e) Approximate cost of the treatment.

The affected person shall be included in developing the appropriate plan of treatment. The plan of treatment must be signed by treatment provider and the affected person. The initial written report based on the treatment plan and response to treatment shall be sent to appropriate persons six weeks after initiation of treatment, and after three months, after six months, after twelve months, and thereafter every six months if treatment exceeds twelve months. Reports are to be filed in a timely manner. Close-out of the treatment record must include summary of pretreatment and posttreatment, with final outcome and disposition. The report shall also include recommendations for ongoing stability and decrease in destructive behavior.
The report with the treatment plan shall be filed with the court and a copy given to the person evaluated and the person's counsel. A copy of the treatment plan shall also be given to the department's caseworker and to the guardian ad litem. Any program for chemical dependency shall meet the program requirements contained in chapter 70.96A RCW.

(3) If the court has ordered treatment pursuant to a dependency proceeding it shall also require the treatment program to provide, in the reports required by subsection (2) of this section, status reports to the court, the department, the supervising child-placing agency if any, and the person or person’s counsel regarding: (a) The person’s cooperation with the treatment plan proposed; and (b) the person’s progress in treatment.

(4) In addition, if the party fails or neglects to carry out and fulfill any term or condition of the treatment plan, the program or agency administering the treatment shall report such breach to the court, the department, the guardian ad litem, the supervising child-placing agency if any, and the person or person’s counsel, within twenty-four hours, together with its recommendation. These reports shall be made as a declaration by the person who is personally responsible for providing the treatment.

(5) Nothing in this chapter may be construed as allowing the court to require the department to pay for the cost of any alcohol or substance abuse evaluation or treatment program.

NEW SECTION.  Sec. 6. A new section is added to chapter 13.34 RCW to read as follows:

(1) The court or the department, upon receiving a report under section 5(4) of this act, may schedule a show cause hearing to determine whether the person is in violation of the treatment conditions. All parties shall be given notice of the hearing. The court shall hold the hearing within ten days of the request for a hearing. At the hearing, testimony, declarations, reports, or other relevant information may be presented on the person’s alleged failure to comply with the treatment plan and the person shall have the right to present similar information on his or her own behalf.

(2) If the court finds that there has been a violation of the treatment conditions it shall modify the dependency order, as necessary, to ensure the safety of the child. The modified order shall remain in effect until the party is in full compliance with the treatment requirements.

Sec. 7. RCW 13.34.110 and 1991 c 340 s 3 are each amended to read as follows:

The court shall hold a fact-finding hearing on the petition and, unless the court dismisses the petition, shall make written findings of fact, stating the reasons therefor, and after it has announced its findings of fact shall hold a hearing to consider disposition of the case immediately following the fact-finding hearing or at a continued hearing within fourteen days or longer for good cause shown. The parties need not appear at the fact-finding or dispositional hearing.
if all the parties, their attorneys, the guardian ad litem, and court-appointed special advocates, if any, are all in agreement. The court shall receive and review a social study before entering an order based on agreement. No social file or social study may be considered by the court in connection with the fact-finding hearing or prior to factual determination, except as otherwise admissible under the rules of evidence. Notice of the time and place of the continued hearing may be given in open court. If notice in open court is not given to a party, that party shall be notified by mail of the time and place of any continued hearing.

All hearings may be conducted at any time or place within the limits of the county, and such cases may not be heard in conjunction with other business of any other division of the superior court. The general public shall be excluded, and only such persons may be admitted who are found by the judge to have a direct interest in the case or in the work of the court. If a child resides in foster care or in the home of a relative pursuant to a disposition order entered under RCW 13.34.130, the court may allow the child’s foster parent or relative care provider to attend dependency review proceedings pertaining to the child for the sole purpose of providing information about the child to the court.

Stenographic notes or any device which accurately records the proceedings may be required as provided in other civil cases pursuant to RCW 2.32.200.

Sec. 8. RCW 13.34.120 and 1987 c 524 s 5 are each amended to read as follows:

(1) To aid the court in its decision on disposition, a social study, consisting of a written evaluation of matters relevant to the disposition of the case, shall be made by the person or agency filing the petition. The study shall include all social records and may also include facts relating to the child’s cultural heritage, and shall be made available to the court. The court shall consider the social file, social study, guardian ad litem report, the court-appointed special advocates report, if any, and any reports filed by a party at the disposition hearing in addition to evidence produced at the fact-finding hearing. At least ten working days before the disposition hearing, the department shall mail to the parent and his or her attorney a copy of the agency’s social study and proposed service plan, which shall be in writing or in a form understandable to the parents or custodians. In addition, the department shall provide an opportunity for parents to review and comment on the plan at the community service office. If the parents disagree with the agency’s plan or any part thereof, the parents shall submit to the court at least twenty-four hours before the hearing, in writing, or signed oral statement, an alternative plan to correct the problems which led to the finding of dependency. This section shall not interfere with the right of the parents or custodians to submit oral arguments regarding the disposition plan at the hearing.

(2) In addition to the requirements set forth in subsection (1) of this section, a predisposition study to the court in cases of dependency alleged pursuant to RCW 13.34.030(2) (b) or (c) shall contain the following information:
WASHINGTON LAWS, 1993

(a) A statement of the specific harm or harms to the child that intervention is designed to alleviate;

(b) A description of the specific programs, for both the parents and child, that are needed in order to prevent serious harm to the child; the reasons why such programs are likely to be useful; the availability of any proposed services; and the agency’s overall plan for ensuring that the services will be delivered;

(c) If removal is recommended, a full description of the reasons why the child cannot be protected adequately in the home, including a description of any previous efforts to work with the parents and the child in the home; the in-home treatment programs which have been considered and rejected; and the parents’ attitude toward placement of the child;

(d) A statement of the likely harms the child will suffer as a result of removal. This section should include an exploration of the nature of the parent-child attachment and the meaning of separation and loss to both the parents and the child;

(e) A description of the steps that will be taken to minimize harm to the child that may result if separation occurs; and

(f) Behavior that will be expected before determination that supervision of the family or placement is no longer necessary.

Sec. 9. RCW 13.34.150 and 1990 c 246 s 6 are each amended to read as follows:

Any order made by the court in the case of a dependent child may be changed, modified, or set aside, only upon a showing of a change in circumstance or as provided in section 8 of this act.

Sec. 10. RCW 13.34.162 and 1988 c 275 s 15 are each amended to read as follows:

Sec. 13. RCW 26.44.030 and 1991 c 111 s 1 are each amended to read as follows:

(1)(a) When any practitioner, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, licensed or certified child care providers or their employees, employee of the department, or juvenile probation officer has reasonable cause to believe that a child or adult dependent or developmentally disabled person, has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child or adult dependent or developmentally disabled person, who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(c) The report shall be made at the first opportunity, but ; and in no case longer than forty-eight hours after there is reasonable cause to believe that the child or adult has suffered abuse or neglect. The report shall include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children, dependent adults, or developmentally disabled persons are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section shall apply.

(3) Any other person who has reasonable cause to believe that a child or adult dependent or developmentally disabled person has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of abuse or neglect pursuant to this chapter, involving a child or adult dependent or developmentally disabled person who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child, adult dependent, or...
developmentally disabled person’s welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report shall also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of abuse or neglect pursuant to this chapter, involving a child or adult dependent or developmentally disabled person who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency’s investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency’s disposition of them. In emergency cases, where the child, adult dependent, or developmentally disabled person’s welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. (7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services or department case services for the developmentally disabled. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child or developmentally disabled person. Information considered privileged by statute and not directly related to reports required by this section shall not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child’s safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents’ choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child’s health or safety, and the department
agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving reports of abuse or neglect, the department or law enforcement agency may interview children. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. Parental notification of the interview shall occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation.

(11) Upon receiving a report of incidents, conditions, or circumstances of child abuse and neglect, the department shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(12) The department shall maintain investigation records and conduct timely and periodic reviews of all cases constituting abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(13) The department (of social and health services) shall use a risk assessment process when investigating child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

The department shall provide annual reports to the appropriate committees of the senate and house of representatives on the effectiveness of the risk assessment process. The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

(14) Upon receipt of a report of abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

Sec. 14. RCW 26.44.040 and 1987 c 206 s 4 are each amended to read as follows:
An immediate oral report shall be made by telephone or otherwise to the proper law enforcement agency or the department of social and health services and, upon request, shall be followed by a report in writing. Such reports shall contain the following information, if known:

1. The name, address, and age of the child or adult dependent or developmentally disabled person;
2. The name and address of the child’s parents, stepparents, guardians, or other persons having custody of the child or the residence of the adult dependent or developmentally disabled person;
3. The nature and extent of the injury or injuries;
4. The nature and extent of the neglect;
5. The nature and extent of the sexual abuse;
6. Any evidence of previous injuries, including their nature and extent; and
7. Any other information which may be helpful in establishing the cause of the child’s or adult dependent or developmentally disabled person’s death, injury, or injuries and the identity of the alleged perpetrator or perpetrators.

Sec. 15. RCW 26.44.063 and 1988 c 190 s 3 are each amended to read as follows:

1. It is the intent of the legislature to minimize trauma to a child involved in an allegation of sexual or physical abuse. The legislature declares that removing the child from the home often has the effect of further traumatizing the child. It is, therefore, the legislature’s intent that the alleged offender, rather than the child, shall be removed from the home and that this should be done at the earliest possible point of intervention in accordance with RCW 10.31.100, 13.34.130, this section, and RCW 26.44.130.

2. In any judicial proceeding in which it is alleged that a child has been subjected to sexual or physical abuse, if the court finds reasonable grounds to believe that an incident of sexual or physical abuse has occurred, the court may, on its own motion, or the motion of the guardian ad litem or other parties, issue a temporary restraining order or preliminary injunction restraining or enjoining the person accused of committing the abuse from:
   a. Molesting or disturbing the peace of the alleged victim;
   b. Entering the family home of the alleged victim except as specifically authorized by the court; or
   c. Having any contact with the alleged victim, except as specifically authorized by the court.

3. In issuing a temporary restraining order or preliminary injunction, the court may impose any additional restrictions that the court in its discretion determines are necessary to protect the child from further abuse or emotional trauma pending final resolution of the abuse allegations.

4. The court shall issue a temporary restraining order prohibiting a person from entering the family home if the court finds that the order would eliminate the need for an out-of-home placement to protect the child’s right to nurturance,
health, and safety and is sufficient to protect the child from further sexual or physical abuse or coercion.

(5) The court may issue a temporary restraining order without requiring notice to the party to be restrained or other parties only if it finds on the basis of the moving affidavit or other evidence that irreparable injury could result if an order is not issued until the time for responding has elapsed.

(6) A temporary restraining order or preliminary injunction:
   (a) Does not prejudice the rights of a party or any child which are to be adjudicated at subsequent hearings in the proceeding; and
   (b) May be revoked or modified.

(7) The person having physical custody of the child shall have an affirmative duty to assist in the enforcement of the restraining order including but not limited to a duty to notify the court as soon as practicable of any violation of the order, a duty to request the assistance of law enforcement officers to enforce the order, and a duty to notify the department of social and health services of any violation of the order as soon as practicable if the department is a party to the action. Failure by the custodial party to discharge these affirmative duties shall be subject to contempt proceedings.

(8) Willful violation of a court order entered under this section is a misdemeanor. A written order shall contain the court's directive and shall bear the legend: "Violation of this order with actual notice of its terms is a criminal offense under chapter 26.44 RCW, is also subject to contempt proceedings, and will subject a violator to arrest."

Sec. 16. RCW 26.44.067 and 1989 c 373 s 23 are each amended to read as follows:

(1) Any person having had actual notice of the existence of a restraining order issued by a court of competent jurisdiction pursuant to RCW 26.44.063 who refuses to comply with the provisions of such order ((when requested by any peace officer of the state)) shall be guilty of a misdemeanor.

(2) The notice requirements of subsection (1) of this section may be satisfied by the peace officer giving oral or written evidence to the person subject to the order by reading from or handing to that person a copy certified by a notary public or the clerk of the court to be an accurate copy of the original court order which is on file. The copy may be supplied by the court or any party.

(3) The remedies provided in this section shall not apply unless restraining orders subject to this section shall bear this legend: VIOLATION OF THIS ORDER WITH ACTUAL NOTICE OF ITS TERMS IS A CRIMINAL OFFENSE UNDER CHAPTER 26.44 RCW AND IS ALSO SUBJECT TO CONTEMPT PROCEEDINGS.

(4) It is a defense to prosecution under subsection (1) of this section that the court order was issued contrary to law or court rule. No right of action shall accrue against any peace officer acting upon a properly certified copy of a court order lawful on its face if such officer employs otherwise lawful means to effect the arrest.
Sec. 17. RCW 26.44.100 and 1985 c 183 s 1 are each amended to read as follows:

The legislature finds parents and children often are not aware of their due process rights when agencies are investigating allegations of child abuse and neglect. The legislature reaffirms that all citizens, including parents, shall be afforded due process, that protection of children remains the priority of the legislature, and that this protection includes protecting the family unit from unnecessary disruption. To facilitate this goal, the legislature wishes to ensure that parents and children be advised in writing and orally, if feasible, of their basic rights and other specific information as set forth in this chapter, provided that nothing contained in this chapter shall cause any delay in protective custody action.

NEW SECTION. Sec. 18. A new section is added to chapter 26.44 RCW to read as follows:

(1) If a person who has unsupervised visitation rights with a minor child pursuant to a court order is accused of sexually or physically abusing a child and the alleged abuse has been reported to the proper authorities for investigation, the law enforcement officer conducting the investigation may file an affidavit with the prosecuting attorney stating that the person is currently under investigation for sexual or physical abuse of a child and that there is a risk of harm to the child if a temporary restraining order is not entered. Upon receipt of the affidavit, the prosecuting attorney shall determine whether there is a risk of harm to the child if a temporary restraining order is not entered. If the prosecutor determines there is a risk of harm, the prosecutor shall immediately file a motion for an order to show cause seeking to restrict visitation with the child, and seek a temporary restraining order. The restraining order shall be issued for up to ninety days or until the investigation has been concluded in favor of the alleged abuser, whichever is shorter.

(2) Willful violation of a court order entered under this section is a misdemeanor. The court order shall state: "Violation of this order is a criminal offense under chapter 26.44 RCW and will subject the violator to arrest."

TO GIVE
Effective Date: 7/25/93
AN ACT Relating to notice of estate tax findings filings; and amending RCW 83.100.160.
Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 83.100.160 and 1988 c 64 s 15 are each amended to read as follows:

Upon filing findings under RCW 83.100.150, the clerk of the superior court shall give notice of the filing (to all persons interested in the proceeding) by causing notice thereof to be posted at the courthouse in the county in which the court is located, and in addition thereto shall mail. In addition, the department of revenue shall give notice of the filing to all persons interested in the proceeding by mailing a copy of the notice to all persons having an interest in property subject to the tax. TO OBTAIN COLLEGE DEGREE
Effective Date: 7/25/93
AN ACT Relating to higher education; and adding new sections to chapter 28B.10 RCW.
Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that, in public colleges and universities, improvement is needed in graduation rates and in the length of time required for students to attain their educational objectives. The legislature also finds that public colleges and universities should offer classes in a way that will permit full-time students to complete a degree or certificate program in about the amount of time described in the institution’s catalog as necessary to complete that degree or certificate program.
NEW SECTION. Sec. 2. (1) By May 15, 1994, each state institution of higher education, as part of its strategic plan, shall adopt strategies designed to shorten the time required for students to complete a degree or certificate and to improve the graduation rate for all students.

(2) Beginning with the fall 1995-96 academic term, each institution of higher education as defined in RCW 28B.10.016 shall implement the strategies described in subsection (1) of this section.

NEW SECTION. Sec. 3. (1) By May 30, 1994, each public four-year institution of higher education shall forward to the higher education coordinating board for its review and comment, certain preliminary components of the institution's strategic plan. The components shall include strategies to improve student graduation rates and shorten the time needed for students to obtain a baccalaureate degree.

(2) By September 30, 1994, the state board for community and technical colleges will forward to the higher education coordinating board for its review and comment, a report on the strategies adopted by community and technical colleges to speed the progress of students towards their educational goals and to shorten the time needed for students to obtain a degree or certificate.

(3) By December 15, 1994, the higher education coordinating board shall report to the governor and the higher education committees of the house of representatives and senate on its review of strategies designed to improve graduation rates and shorten the time needed for students to obtain a degree or certificate. The report shall include an analysis of system-wide strategies and recommendations for any legislation necessary to assist institutions with the implementation of their plans.

NEW SECTION. Sec. 4. Each institution of higher education as defined in RCW 28B.10.016 may enter into a student progression understanding with an interested student. Usually, the standard amount of time will be about two years for an associate of arts degree and about four years for a baccalaureate degree. Student progression understandings shall not give rise to any cause of action on behalf of any student as a result of the failure of any state institution of higher education to fulfill its obligations under the student progression understanding.

CHAPTER 415
[Engrossed Substitute House Bill 1966]

IMPLEMENTATION OF JUVENILE JUSTICE RACIAL DISPROPORTIONALITY STUDY RECOMMENDATIONS

Effective Date: 7/25/93

AN ACT Relating to implementation of the juvenile justice racial disproportionality study recommendations; amending RCW 2.56.030, 13.06.050, and 13.40.027; adding a new section to chapter 43.101 RCW; adding a new section to chapter 2.56 RCW; adding a new section to chapter 13.04 RCW; and creating new sections.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. Pursuant to the work of the juvenile justice task force created by the 1991 legislature to undertake a study of Washington state's juvenile justice system, the department of social and health services and the commission on African-American affairs commissioned an independent study of racial disproportionality in the state's juvenile justice system. The study team, which documented evidence of disparity in the treatment of juvenile offenders of color throughout the system, provided recommendations to the legislature on December 15, 1992. The study recommends cultural diversity training for juvenile court and law enforcement personnel, expanded data collection on juvenile offenders throughout the system, development of uniform prosecutorial standards for juvenile offenders, changes to the consolidated juvenile services program and funding formula, dissemination of information to families and communities regarding juvenile court procedures, and examination of juvenile disposition standards for racial and/or ethnic bias.

It is the intent of the legislature to implement the recommendations of this study in an effort to discourage differential treatment of youth of color and their families who come in contact with the juvenile courts in this state, and to promote racial and ethnic sensitivity and awareness throughout the juvenile court system.

NEW SECTION. Sec. 2. The administrator for the courts shall develop a plan to improve the collection and reporting of information on juvenile offenders by all juvenile courts in the state. The information related to juvenile offenders shall include, but is not limited to, social, demographic, education, and economic data on juvenile offenders and where possible, their families. Development and implementation of the plan shall be accomplished in consultation with the human rights commission, the governor's juvenile justice advisory committee, superior court judges, juvenile justice administrators, and interested juvenile justice practitioners and researchers. The plan shall include a schedule and budget for implementation and shall be provided to the office of financial management by September 15, 1993.

(2) Examine the state of the dockets of the courts and determine the need for assistance by any court;

(3) Make recommendations to the chief justice relating to the assignment of judges where courts are in need of assistance and carry out the direction of the chief justice as to the assignments of judges to counties and districts where the courts are in need of assistance;

(4) Collect and compile statistical and other data and make reports of the business transacted by the courts and transmit the same to the chief justice to the end that proper action may be taken in respect thereto;

(5) Prepare and submit budget estimates of state appropriations necessary for the maintenance and operation of the judicial system and make recommendations in respect thereto;

(9) Formulate and submit to the judicial council of this state recommendations of policies for the improvement of the judicial system;

(11) Administer programs and standards for the training and education of judicial personnel;

(12) Examine the need for new superior court and district judge positions under a weighted caseload analysis that takes into account the time required to hear all the cases in a particular court and the amount of time existing judges have available to hear cases in that court. The results of the weighted caseload analysis shall be reviewed by the board for judicial administration and the judicial council, both of which shall make recommendations to the legislature by January 1, 1989. It is the intent of the legislature that weighted caseload analysis become the basis for creating additional district court positions, and recommendations should address that objective;

(13) Provide staff to the judicial retirement account plan under chapter 2.14 RCW;

(14) Attend to such other matters as may be assigned by the supreme court of this state;
(15) Within available funds, develop a curriculum for a general understanding of child development, placement, and treatment resources, as well as specific legal skills and knowledge of relevant statutes including chapters 13.32A, 13.34, and 13.40 RCW, cases, court rules, interviewing skills, and special needs of the abused or neglected child. This curriculum shall be completed and made available to all juvenile court judges, court personnel, and service providers by July 1, 1988. The curriculum shall be updated yearly to reflect changes in statutes, court rules, or case law;

(17) Develop, in consultation with the criminal justice training commission and the commissions established under chapters 43.113, 43.115, and 43.117 RCW, a curriculum for a general understanding of ethnic and cultural diversity and its implications for working with youth of color and their families. The curriculum shall be completed and made available to all superior court judges and court commissioners assigned to juvenile court, and other court personnel by October 1, 1993. The curriculum shall be developed by October 1, 1993. The commission shall ensure that ethnic and diversity training becomes an integral part of the training of law enforcement personnel so as to incorporate cultural sensitivity and awareness into the daily activities of law enforcement personnel.

NEW SECTION. Sec. 5. A new section is added to chapter 2.56 RCW to read as follows:

In addition, any county making application for state funds under this chapter that also operates a juvenile detention facility must have standards of operations in place that include: Intake and admissions, medical and health care, communication, correspondence, visiting and telephone use, security and control, sanitation and hygiene, juvenile rights, rules and discipline, property, juvenile records, safety and emergency procedures, programming, release and transfer, training and staff development, and food service.

1) The distribution of funds to a county or a group of counties shall be based on criteria including but not limited to the county's per capita income, regional or county at-risk populations, juvenile crime or arrest rates, rates of poverty, size of racial minority populations, existing programs, and the effectiveness and efficiency of consolidating local programs towards reducing commitments to state correctional facilities for offenders whose standard range disposition does not include commitment of the offender to the department and reducing reliance on other traditional departmental services.

2) The secretary will reimburse a county upon presentation and approval of a valid claim pursuant to the provisions of this chapter based on actual performance in meeting the terms and conditions of the approved plan and contract. Funds received by participating counties under this chapter shall not be used to replace local funds for existing programs.

3) The secretary, in conjunction with the human rights commission, shall evaluate the effectiveness of programs funded under this chapter in reducing racial disproportionality. The analysis shall indicate which programs are cost-effective in reducing disproportionality in such areas as alternatives to detention, intake and risk assessment standards pursuant to RCW 13.40.038, alternatives to incarceration, and in the prosecution and adjudication of juveniles. (1) The county auditor may enter one or more contracts with the United States postal service, or its licensee, which permit the auditor to use postal service change-of-address information. If the auditor finds that information received under such a contract gives the appearance that a voter has changed his or her residence address, the auditor shall notify the voter concerning the requirements of state and federal laws governing voter registration and residence.

(2) Whenever any vote-by-mail ballot, notification to voters following reprecincting of the county, notification to voters of selection to serve on jury duty, notification under subsection (1) of this section, or initial voter identification card is returned by the postal service as undeliverable, the county auditor shall, in every instance, inquire into the validity of the registration of that voter.

(3) The county auditor shall initiate his or her inquiry by sending, by first-class mail, a written notice to the challenged voter at the address indicated on the voter’s permanent registration record and to any other address at which the county auditor could reasonably expect mail to be received by the voter. The county auditor shall not request any restriction on the forwarding of such notice by the postal service. The notice shall contain the nature of the inquiry and provide a suitable form for reply. The notice shall also contain a warning that the county auditor must receive a response within ninety days from the date of mailing the notice of inquiry in a case resulting from a returned vote-by-mail ballot or forty-five days from the date of mailing in all other cases or the individual’s voter registration will be canceled.

(4) The voter, in person or in writing, may state that the information on the permanent voter registration record is correct or may request a change in the address information on the permanent registration record no later than the ninetieth day or forty-fifth day, as appropriate, after the date of mailing the inquiry.

(5) Upon the timely receipt of a response signed by the voter, the county auditor shall consider the inquiry satisfied and will make any address corrections requested by the voter on the permanent registration record. The county auditor shall cancel the registration of a voter who fails to respond to the notice of inquiry within ninety days after the date of mailing the notice in a case resulting from a returned vote-by-mail ballot, or, in all other cases, within forty-five days after the date of mailing.
The county auditor shall notify any voter whose registration has been canceled by sending, by first class mail, a written notice to the address indicated on the voter’s permanent registration record and to any other address to which the original inquiry was sent. Upon receipt of a satisfactory voter response, the auditor shall reinstate the voter.

A voter whose registration has been canceled under this section and who offers to vote at the next ensuing election shall be issued a questioned ballot. Upon receipt of such a questioned ballot the auditor shall investigate the circumstances surrounding the original cancellation. If he or she determines that the cancellation was in error, the voter’s registration shall be immediately reinstated, and the voter’s questioned ballot shall be counted. If the original cancellation was not in error, the voter shall be afforded the opportunity to reregister at his or her correct address, and the voter’s questioned ballot shall not be counted.

CHAPTER 421
[Engrossed Substitute House Bill 1818]
ASSISTANCE TO MILITARY IMPACTED COMMUNITIES
Effective Date: 7/25/93

AN ACT Relating to military dependent communities; adding a new section to chapter 43.06 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that military base expansions, closures, and defense procurement contract cancellations may have extreme economic impacts on communities and firms. The legislature began to address this concern in 1990 by establishing the community diversification program in the department of community development. While this program has
helped military dependent communities begin the long road to diversification, base expansions or closures or major procurement contract reductions in the near future will find these communities unable to respond adequately, endangering the health, safety, and welfare of the community. The legislature intends to target emergency state assistance to military dependent communities significantly impacted by defense spending. The emergency state assistance and the long-term strategy should be driven by the impacted community and consistent with the state plan for diversification required under RCW 43.63A.450(4).

NEW SECTION. Sec. 2. A new section is added to chapter 43.06 RCW to read as follows:

(1) The governor may, by executive order, after consultation with or notification of the executive-legislative committee on economic development created by chapter . . . (Senate Bill No. 5300), Laws of 1993, declare a community to be a "military impacted area." A "military impacted area" means a community or communities, as identified in the executive order, that experience serious social and economic hardships because of a change in defense spending by the federal government in that community or communities.

(2) If the governor executes an order under subsection (1) of this section, the governor shall establish a response team to coordinate state efforts to assist the military impacted community. The response team may include, but not be limited to, one member from each of the following agencies: (a) The department of community development; (b) the department of trade and economic development; (c) the department of social and health services; (d) the employment security department; (e) the state board for community and technical colleges; (f) the higher education coordinating board; (g) the department of transportation; and (h) the Washington energy office. The governor may appoint a response team coordinator. The governor shall seek to actively involve the impacted community or communities in planning and implementing a response to the crisis. The governor may seek input or assistance from the community diversification advisory committee, and the governor may establish task forces in the community or communities to assist in the coordination and delivery of services to the local community. The state and community response shall consider economic development, human service, and training needs of the community or communities impacted.

(3) The governor shall report at the beginning of the next legislative session to the legislature and the executive-legislative committee on economic development created by chapter . . . (Senate Bill No. 5300), Laws of 1993, as to the designation of a military impacted area. The report shall include recommendations regarding whether a military impacted area should become eligible for (a) funding provided by the community economic revitalization board, public facilities construction loan revolving account, Washington state development loan fund, basic health plan, the public works assistance account, department of trade and economic development, employment security department, and department of
transportation; (b) training for dislocated defense workers; or (c) services for
dislocated defense workers.

Passed the House April 22, 1993.
Passed the Senate April 21, 1993.
Approved by the Governor May 15, 1993.

CHAPTER 422
[Engrossed Substitute House Bill 2026]
FETAL ALCOHOL SYNDROME PREVENTION

Effective Date: 7/25/93

AN ACT Relating to notice about fetal alcohol syndrome; adding a new section to chapter
66.08 RCW; adding new sections to Title 70 RCW; and creating new sections.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The United States surgeon general warns that
women should not drink alcoholic beverages during pregnancy because of the
risk of birth defects. The legislature finds that these defects include fetal alcohol
syndrome, a birth defect that causes permanent antisocial behavior in the sufferer,
disrupts the functions of his or her family, and, at an alarmingly increasing rate,
events a safety and fiscal toll on society.

NEW SECTION. Sec. 2. A new section is added to chapter 66.08 RCW
to read as follows:

The board shall cause to be posted in conspicuous places, in a number
determined by the board, within each state liquor store, notices in print not less
than one inch high warning persons that consumption of alcohol shortly before
conception or during pregnancy may cause birth defects, including fetal alcohol
syndrome and fetal alcohol effects.

NEW SECTION. Sec. 3. The legislature recognizes that the use of alcohol
and other drugs during pregnancy can cause medical, psychological, and social
problems for women and infants. The legislature further recognizes that
communities are increasingly concerned about this problem and the associated
costs to the mothers, infants, and society as a whole. The legislature recognizes
that the department of health and other agencies are focusing on primary
prevention activities to reduce the use of alcohol or drugs during pregnancy but
few efforts have focused on secondary prevention efforts aimed at intervening
in the lives of women already involved in the use of alcohol or other drugs
during pregnancy. The legislature recognizes that the best way to prevent
problems for chemically dependent pregnant women and their resulting children
is to engage the women in alcohol or drug treatment. The legislature acknowl-
edges that treatment professionals find pretreatment services to clients to be
important in engaging women in alcohol or drug treatment. The legislature
further recognizes that pretreatment services should be provided at locations where chemically dependent women are likely to be found, including public health clinics and domestic violence or homeless shelters. Therefore the legislature intends to prevent the detrimental effects of alcohol or other drug use to women and their resulting infants by promoting the establishment of local programs to help facilitate a woman’s entry into alcohol or other drug treatment. These programs shall provide secondary prevention services and provision of opportunities for immediate treatment so that women who seek help are welcomed rather than ostracized.

NEW SECTION. Sec. 4. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Alcoholism" means a disease, characterized by a dependency on alcoholic beverages, loss of control over the amount and circumstances of alcohol use, symptoms of tolerance, physiological or psychological withdrawal, or both, if use is reduced or discontinued, and impairment of health or disruption of social or economic functioning.

(2) "Approved treatment program" means a discrete program of chemical dependency treatment provided by a treatment program certified by the department of social and health services as meeting standards adopted under this chapter.

treatment program, and advocacy on a client's behalf with social service agencies or others to ensure and coordinate a client's entry into treatment.

(12) "Primary prevention" means providing information about the effects of alcohol or drug use to individuals so they will avoid using these substances.

(16) "Treatment program" means an organization, institution, or corporation, public or private, engaged in the care, treatment, or rehabilitation of chemically dependent individuals.

NEW SECTION. Sec. 5. The secretary shall develop and promote statewide secondary prevention strategies designed to increase the use of alcohol and drug treatment services by women of child-bearing age, before, during, and immediately after pregnancy. These efforts are conducted through the division of alcohol and substance abuse. The secretary shall:

(1) Promote development of three pilot demonstration projects in the state to be called pretreatment projects for women of child bearing age.

(2) Ensure that two of the projects are located in public health department clinics that provide maternity services and one is located with a domestic violence program.

(3) Hire three certified chemical dependency counselors to work as substance abuse educators in each of the three demonstration projects. The counselors may rotate between more than one clinic or domestic violence program. The chemical dependency counselor for the domestic violence program shall also be trained in domestic violence issues.

   (g) Advocating on the client's behalf with other social service agencies or others to ensure and coordinate clients into treatment.
(5) Ensure that administrative costs of the department are limited to ten percent of the funds appropriated for the project.

NEW SECTION. Sec. 6. If specific funding for the purposes of sections 3, 4, and 5 of this act, referencing these sections by bill and section number, is not provided by June 30, 1993, in the omnibus appropriations act, sections 3, 4, and 5 of this act shall be null and void.

(2) "Automotive repair" includes but is not limited to:

(a) All repairs to vehicles subject to chapter 46.16 RCW that are commonly performed in a repair facility by a motor vehicle technician including the diagnosis, installation, exchange, or repair of mechanical or electrical parts or units for any vehicle, the performance of any electrical or mechanical adjustment to any vehicle, or the performance of any service work required for routine maintenance or repair of any vehicle. However, commercial fleet repair or maintenance transactions involving two or more vehicles or ongoing service or maintenance contracts involving vehicles used primarily for business purposes are not included;

(b) All work in facilities that perform one or more specialties within the automotive repair service industry including, but not limited to, body collision repair, refinishing, brake, electrical, exhaust repair or installation, frame, unibody, front-end, radiators, tires, transmission, tune-up, and windshield; and

(c) The removal, replacement, or repair of exterior body panels, the removal, replacement, or repair of structural and nonstructural body components, the removal, replacement, or repair of collision damaged suspension components, and the refinishing of automotive components.

(3) "Automotive repair facility" or "repair facility" means any person, firm, association, or corporation who for compensation engages in the business of automotive repair or diagnosis, or both, of malfunctions of motor vehicles subject
to licensure under chapter 46.16 RCW and repair and refinishing auto-body collision damage as well as overall refinishing and cosmetic repairs.

(4) A "rebuilt" part consists of a used assembly that has been dismantled and inspected with only the defective parts being replaced.

(5) A "remanufactured" part consists of a used assembly that has been dismantled with the core parts being remachined and all other parts replaced with new parts so as to provide performance comparable to that found originally.

NEW SECTION. Sec. 3. (1) Except as otherwise provided in section 5 of this act, all estimates that exceed one hundred dollars shall be in writing and include the following information: The date; the name, address, and telephone number of the repair facility; the name, address, and telephone number, if available, of the customer or the customer’s designee; if the vehicle is delivered for repair, the year, make, and model of the vehicle, the vehicle license plate number or last eight digits of the vehicle identification number, and the odometer reading of the vehicle; a description of the problem reported by the customer or the specific repairs requested by the customer; and a choice of alternatives described in section 5 of this act.

(2) Whether or not a written estimate is required, parts and labor provided by an automotive repair facility shall be clearly and accurately recorded in writing on an invoice and shall include, in addition to the information listed in subsection (1) of this section, the following information: A description of the repair or maintenance services performed on the vehicle; a list of all parts supplied, identified by name and part number, if available, part kit description or recognized package or shop supplies, if any, and an indication whether the parts supplied are rebuilt, or used, if applicable or where collision repair is involved, after market body parts or nonoriginal equipment manufacturer body parts, if applicable; the price per part charged, if any, and the total amount charged for all parts; the total amount charged for all labor, if any; and the total charge. Parts and labor do not need to be separately disclosed if pricing is expressed as an advertised special by the job, a predisclosed written repair menu item, or a routine service package.

(3) Notwithstanding subsection (2) of this section, if the repair work is performed under warranty or without charge to the customer, other than an applicable deductible, the repair facility shall provide either an itemized list of the parts supplied, or describe the service performed on the vehicle, but the repair facility is not required to provide any pricing information for parts or labor.

(4) A copy of the estimate, unless waived, shall be provided to the customer or customer’s designee prior to providing parts or labor as required under section 5 of this act. A copy of the invoice shall be provided to the customer upon completion of the repairs.

(5) Only material omissions, under this section, are actionable in a court of law or equity.
NEW SECTION. Sec. 4. Except for parts covered by a manufacturer's or other warranty or parts that must be returned to a distributor, remanufacturer, or rebuilder, the repair facility shall return replaced parts to the customer at the time the work is completed if the customer requested the parts at the time of authorization of the repair. If a customer at the time of authorization of the repair requests the return of a part that must be returned to the manufacturer, remanufacturer, distributor, recycler, or rebuilder, or must be disposed of as required by law, the repair facility shall offer to show the part to the customer. The repair facility need not show a replaced part if no charge is being made for the replacement part.

NEW SECTION. Sec. 5. (1) Except as provided in subsection (3) of this section, a repair facility prior to providing parts or labor shall provide the customer or the customer's designee with a written price estimate of the total cost of the repair, including parts and labor, or where collision repair is involved, after market body parts or nonoriginal equipment manufacturer body parts, if applicable, or offer the following alternatives:

"YOU ARE ENTITLED TO A WRITTEN PRICE ESTIMATE FOR THE REPAIRS YOU HAVE AUTHORIZED. YOU ARE ALSO ENTITLED TO REQUIRE THE REPAIR FACILITY TO OBTAIN YOUR ORAL OR WRITTEN AUTHORIZATION TO EXCEED THE WRITTEN PRICE ESTIMATE. YOUR SIGNATURE OR INITIALS WILL INDICATE YOUR SELECTION.

1. I request an estimate in writing before you begin repairs. Contact me if the price will exceed this estimate by more than ten percent.

2. Proceed with repairs but contact me if the price will exceed $...

3. I do not want a written estimate.

......................
(Initial or signature)

Date: ........... Time: .......

(2) The repair facility may not charge the customer more than one hundred ten percent, exclusive of retail sales tax, of the total shown on the written price estimate. Neither of these limitations apply if, before providing additional parts or labor the repair facility obtains either the oral or written authorization of the customer, or the customer's designee, to exceed the written price estimate. The repair facility or its representative shall note on the estimate the date and time of obtaining an oral authorization, the additional parts and labor required, the estimated cost of the additional parts and labor, or where collision repair is involved, after market body parts or nonoriginal equipment manufacturer body parts, if applicable, the name or identification number of the employee who obtains the authorization, and the name and telephone number of the person authorizing the additional costs.
(3) A written estimate shall not be required when the customer's motor vehicle or component has been brought to an automotive repair facility's regular place of business without face-to-face contact between the customer and the repair facility. Face-to-face contact means actual in-person discussion between the customer or his or her designee and the agent or employee of the automotive repair facility authorized to intake vehicles or components. However, prior to providing parts and labor, the repair facility must obtain either the oral or written authorization of the customer or the customer's designee. The repair facility or its representative shall note on the estimate or repair order the date and time of obtaining an oral authorization, the total amount authorized, the name or identification number of the employee who obtains the authorization, and the name of the person authorizing the repairs.

NEW SECTION. Sec. 6. An automotive repair facility shall post in a prominent place on the business premises one or more signs, readily visible to customers, in the following form:

"YOUR CUSTOMER RIGHTS
YOU ARE ENTITLED BY LAW TO:

1. A WRITTEN ESTIMATE FOR REPAIRS WHICH WILL COST MORE THAN ONE HUNDRED DOLLARS, UNLESS WAIVED OR ABSENT FACE-TO-FACE CONTACT (SEE ITEM 4 BELOW);

2. RETURN OR INSPECTION OF ALL REPLACED PARTS, IF REQUESTED AT TIME OF REPAIR AUTHORIZATION;

3. AUTHORIZE ORALLY OR IN WRITING ANY REPAIRS WHICH EXCEED THE ESTIMATED TOTAL PRESALES TAX COST BY MORE THAN TEN PERCENT;

4. AUTHORIZE ANY REPAIRS ORALLY OR IN WRITING IF YOUR VEHICLE IS LEFT WITH THE REPAIR FACILITY WITHOUT FACE-TO-FACE CONTACT BETWEEN YOU AND THE REPAIR FACILITY PERSONNEL.

IF YOU HAVE AUTHORIZED A REPAIR IN ACCORDANCE WITH THE ABOVE INFORMATION YOU ARE REQUIRED TO PAY FOR THE COSTS OF THE REPAIR PRIOR TO TAKING THE VEHICLE FROM THE PREMISES."

The first line of each sign shall be in letters not less than one and one-half inch in height and the remaining lines shall be in letters not less than one-half inch in height.

NEW SECTION. Sec. 7. An automotive repair facility that fails to comply with the estimate requirements of section 5 of this act is barred from recovering in an action to recover for automotive repairs any amount in excess of one hundred ten percent of the amount authorized by the customer, or the customer's
designee, unless the repair facility proves by a preponderance of the evidence that its conduct was reasonable, necessary, and justified under the circumstances. In an action to recover for automotive repairs the prevailing party may, at the discretion of the court, recover the costs of the action and reasonable attorneys' fees.

**NEW SECTION.** Sec. 8. A repair facility that fails to comply with section 4, 5, or 6 of this act is barred from asserting a possessory or chattel lien for the amount of the unauthorized parts or labor upon the motor vehicle or component.

**NEW SECTION.** Sec. 9. Each of the following acts or practices are unlawful:

1. Advertising that is false, deceptive, or misleading. A single or isolated media mistake does not constitute a false, deceptive, or misleading statement or misrepresentation under this section;
2. Materially understating or misstating the estimated price for a specified repair procedure;
3. Retaining payment from a customer for parts not delivered or installed or a labor operation or repair procedure that has not actually been performed;
4. Unauthorized operation of a customer's vehicle for purposes not related to repair or diagnosis;
5. Failing or refusing to provide a customer, upon request, a copy, at no charge, of any document signed by the customer;
6. Retaining duplicative payment from both the customer and the warranty or extended service contract provider for the same covered component, part, or labor;
7. Charging a customer for unnecessary repairs. For purposes of this subsection "unnecessary repairs" means those for which there is no reasonable basis for performing the service. A reasonable basis includes, but is not limited to: (a) That the repair service is consistent with specifications established by law or the manufacturer of the motor vehicle, component, or part; (b) that the repair is in accordance with accepted industry standards; or (c) that the repair was performed at the specific request of the customer.

**NEW SECTION.** Sec. 10. The repair facility shall make available, upon request, a copy of any express warranty provided by the repair facility to the customer that covers repairs performed on the vehicle.

Sec. 11. RCW 46.71.060 and 1982 c 62 s 7 are each amended to read as follows:
Every automotive repair facility shall retain and make available for inspection, upon request by the customer or the customer's authorized representative, true copies of the written price estimates and invoices required under this chapter for at least one year after the date on which the repairs were performed.
Sec. 12. RCW 46.71.070 and 1982 c 62 s 9 are each amended to read as follows:

The legislature finds that the practices covered by this chapter are matters vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW. Violations of this chapter are not reasonable in relation to the development and preservation of business. A violation of this chapter is an unfair or deceptive act in trade or commerce and an unfair method of competition for the purpose of applying the consumer protection act, chapter 19.86 RCW. In an action under chapter 19.86 RCW due to an automotive repair facility's charging a customer an amount in excess of one hundred ten percent of the amount authorized by the customer, a violation shall not be found if the automotive repair facility proves by a preponderance of the evidence that its conduct was reasonable, necessary, and justified under the circumstances.

Notwithstanding RCW 46.64.050, no violation of this chapter shall give rise to criminal liability under that section.

Sec. 13. RCW 46.71.090 and 1982 c 62 s 11 are each amended to read as follows:

When the department of revenue issues a registration certificate under RCW 82.32.030 to an automotive repair facility, it shall give written notice to the person of the requirements of this chapter in a manner prescribed by the director of revenue. The department of revenue shall thereafter give the notice on an annual basis in conjunction with the business and occupation tax return provided to each person holding a registration certificate as an automotive repair facility.

NEW SECTION. Sec. 14. The attorney general shall study the recommendations of the national association of attorneys general automotive repair task force and make findings on the possible use of the task force's recommendations in this state. The attorney general may submit a report of its findings to the appropriate standing committees of the legislature by December 1, 1994.

NEW SECTION. Sec. 15. If any provision of this act is declared unconstitutional, or the applicability thereof to any person or circumstances is held invalid, the constitutionality of the remainder of the act and the applicability thereof to persons and circumstances shall not be affected thereby.

NEW SECTION. Sec. 16. The following acts or parts of acts are each repealed:

(1) RCW 46.71.010 and 1982 c 62 s 1 & 1977 ex.s. c 280 s 1;
(2) RCW 46.71.020 and 1977 ex.s. c 280 s 2;

CHAPTER 425
[Substitute House Bill 1752]

TELEPHONE RELAY SERVICE—FUNDING AND ELIGIBILITY—REVISIONS

Effective Date: 5/15/93

AN ACT Relating to telephone relay service; amending RCW 43.20A.725; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 43.20A.725 and 1992 c 144 s 3 are each amended to read as follows:

(1) The department shall maintain a program whereby TTs, signal devices, and amplifying accessories capable of serving the needs of the hearing and speech impaired shall be provided under the standards established in subsection (II) of this section to an individual of school age or older:—

(a) Who is certified as hearing impaired by a licensed physician, audiologist, or a qualified state agency, and to any subscriber that is an organization representing the hearing impaired, as determined and specified by the TRS program advisory committee; or

(b) Who is certified as speech impaired by a licensed physician, speech pathologist, or a qualified state agency, and to any subscriber that is an organization representing the speech impaired, as determined and specified by the TRS program advisory committee.

For the purpose of this section, certification implies that individuals cannot use the telephone for expressive or receptive communications due to hearing or speech impairment.

(2) The office shall award contracts on a competitive basis, to qualified persons for which eligibility to contract is determined by the office, for the distribution and maintenance of such TTs, signal devices, and amplifying accessories as shall be determined by the office. When awarding such contracts, the office may consider the quality of equipment and, with the director's approval, may award contracts on a basis other than cost. Such contracts may
include a provision for the employment and use of a qualified trainer and the training of recipients in the use of such devices.

(3) The office shall establish and implement a policy for the ultimate responsibility for recovery of TTS, signal devices, and amplifying accessories from recipients who have been provided with the equipment without cost and who are moving from this state or who for other reasons are no longer using them.

(4) Pursuant to recommendations of the TRS program advisory committee, until July 26, 1993, the office shall maintain a program whereby a relay system will be provided state-wide using operator intervention to connect hearing impaired and speech impaired persons and offices or organizations representing the hearing impaired and speech impaired, as determined and specified by the TDD advisory committee pursuant to RCW 43.20A.730. The relay system shall be the most cost-effective possible and shall operate in a manner consistent with federal requirements for such systems.

(5) Pursuant to the recommendations of the TDD task force report of December 1991, and with the express purpose of maintaining state control and jurisdiction, the office shall seek certification by the federal communications commission of the state-wide relay service.

(6) The office shall award contracts for the operation and maintenance of the state-wide relay service. The initial contract shall be for service commencing on or before July 26, 1993. The contract shall be awarded to an individual company registered as a telecommunications company by the utilities and transportation commission, to a group of registered telecommunications companies, or to any other company or organization determined by the office as qualified to provide relay services, contingent upon that company or organization being approved as a registered telecommunications company prior to final contract approval.

(7) The program shall be funded by a telecommunications relay service (TRS) excise tax applied to each switched access line provided by the local exchange companies. The office shall determine, in consultation with the TRS program advisory committee, the budget needed to fund the program on an annual basis, including both operational costs and a reasonable amount for capital improvements such as equipment upgrade and replacement. The proposed budget by the office, together with documentation and supporting materials, shall be submitted to the office of financial management for review and approval. The approved budget shall be given by the department in an annual budget to the utilities and transportation commission no later than March 1 prior to the beginning of the fiscal year. The utilities and transportation commission shall then determine the amount of TRS excise tax to be placed on each access line and shall inform each local exchange company of this amount no later than May 15. The utilities and transportation commission shall determine the amount of TRS excise tax by dividing the total of the program budget, as submitted by the office, by the total number of access lines, and shall not exercise any further oversight of the program under this subsection.
The TRS excise tax shall not exceed nineteen cents per month per access line. Each local exchange company shall impose the amount of excise tax determined by the commission as of July 1, and shall remit the amount collected directly to the department on a monthly basis. The TRS excise tax shall be separately identified on each ratepayer's bill with the following statement: "Funds federal ADA requirement." All proceeds from the TRS excise tax shall be put into a fund to be administered by the office through the department.

(8) The office shall administer and control the award of money to all parties incurring costs in implementing and maintaining telecommunications services, programs, equipment, and technical support services in accordance with the provisions of RCW 43.20A.725.

(9) The department shall provide the legislature with a biennial report on the operation of the program. The first report shall be provided no later than December 1, 1990, and successive reports every two years thereafter. Reports shall be prepared in consultation with the TRS program advisory committee and the utilities and transportation commission. The reports shall, at a minimum, briefly outline the accomplishments of the program, the number of persons served, revenues and expenditures, the prioritizing of services to those eligible based on such factors as degree of physical handicap or the allocation of the program's revenue between provision of devices to individuals and operation of the state-wide relay service, other major policy or operational issues, and proposals for improvements or changes for the program. The first report shall contain a study which includes examination of like programs in other states, alternative methods of financing the program, alternative methods of using the telecommunications system, advantages and disadvantages of operating the TRS program from within the department, by telecommunications companies, and by a private, nonprofit corporation, and means to limit demand for system usage.

(10) The program shall be consistent with the requirements of federal law for the operation of both interstate and intrastate telecommunications services for the deaf or hearing impaired or speech impaired. The department and the utilities and transportation commission shall be responsible for ensuring compliance with federal requirements and shall provide timely notice to the legislature of any legislation that may be required to accomplish compliance.

(11)(a) The department shall provide TTs, signal devices, and amplifying accessories to a person eligible under subsection (1) of this section at no charge in addition to the basic exchange rate if:

(i) The person is eligible for participation in the Washington telephone assistance program under RCW 80.36.470;

(ii) The person's annual family income is equal to or less than one hundred sixty-five percent of the federal poverty level; or

(iii) The person is a child eighteen years of age or younger with a family income less than or equal to two hundred percent of the federal poverty level.

(b) A person eligible under subsection (1) of this section with a family income greater than one hundred sixty-five percent and less than or equal to two
hundred percent of the federal poverty level shall be assessed a charge for the

cost of TTs, signal devices, and amplifying accessories based on a sliding scale
of charges established by rule adopted by the department.

(c) The department shall charge a person eligible under subsection (1) of this

section whose income exceeds two hundred percent of the federal poverty level
the cost to the department of purchasing the equipment provided to that person.

(d) The department may waive part or all of the charges assessed under this

subsection if the department finds that (i) the eligible person requires telebraille

equipment or other equipment of similar cost and (ii) the charges normally

assessed for the equipment under this subsection would create an exceptional or

undue hardship on the eligible person.

(e) For the purposes of this subsection, certification of family income by the

eligible person or the person's guardian or head of household is sufficient to
determine eligibility.

NEW SECTION. Sec. 2. This act is necessary for the immediate

preservation of the public peace, health, or safety, or support of the state

government and its existing public institutions, and shall take effect immediately.

Passed the House April 20, 1993.
Passed the Senate April 8, 1993.
Approved by the Governor May 15, 1993.
Filed in Office of Secretary of State May 15, 1993.

motion may be filed by the obligee, the state, or any agency providing care or
support to the dependent child. A filing fee shall not be assessed in cases

Sec. 5. RCW 26.18.050 and 1989 c 373 s 22 are each amended to read as
follows:

(1) If an obligor fails to comply with a support or spousal maintenance
order, a petition or motion may be filed without notice under RCW 26.18.040 to
initiate a contempt action as provided in chapter 7.21 RCW. If the court finds
there is reasonable cause to believe the obligor has failed to comply with a
support or spousal maintenance order, the court may issue an order to show
cause requiring the obligor to appear at a certain time and place for a hearing,
at which time the obligor may appear to show cause why the relief requested should not be granted. A copy of the petition or motion shall be served on the obligor along with the order to show cause.

(2) Service of the order to show cause shall be by personal service, or in the manner provided in the civil rules of superior court or applicable statute.

(3) If the order to show cause served upon the obligor included a warning that an arrest warrant could be issued for failure to appear, the court may issue a bench warrant for the arrest of the obligor if the obligor fails to appear on the return date provided in the order.

(4) If the obligor contends at the hearing that he or she lacked the means to comply with the support or spousal maintenance order, the obligor shall establish that he or she exercised due diligence in seeking employment, in conserving assets, or otherwise in rendering himself or herself able to comply with the court's order.

(5) As provided in RCW 26.18.040, the court retains continuing jurisdiction under this chapter and may use a contempt action to enforce a support or maintenance order until the obligor satisfies all duties of support, including arrearages, that accrued pursuant to the support or maintenance order.

Sec. 6. RCW 26.18.070 and 1987 c 435 s 18 are each amended to read as follows:

(1) A petition or motion seeking a mandatory wage assignment in an action under RCW 26.18.040 may be filed by an obligee if the obligor is more than fifteen days past due in child support or spousal maintenance payments in an amount equal to or greater than the obligation payable for one month. The petition or motion shall include a sworn statement by the obligee, stating the facts authorizing the issuance of the wage assignment order, including:

(a) That the obligor, stating his or her name and residence, is more than fifteen days past due in child support or spousal maintenance payments in an amount equal to or greater than the obligation payable for one month;

(b) A description of the terms of the order requiring payment of support or spousal maintenance, and the amount past due;

(c) The name and address of the obligor's employer;

(d) That notice by personal service or any form of mail requiring a return receipt, has been provided to the obligor at least fifteen days prior to the obligee seeking a mandatory wage assignment, unless the order for support or maintenance states that the obligee may seek a mandatory wage assignment without notice to the obligor; and

(e) In cases not filed by the state, whether the obligee has received public assistance from any source and, if the obligee has received public assistance, that the department of social and health services has been notified in writing of the pending action.

(2) If the court in which a mandatory wage assignment is sought does not already have a copy of the support or maintenance order in the court file, then
the obligee shall attach a copy of the support or maintenance order to the petition or motion seeking the wage assignment.

Sec. 7. RCW 26.18.090 and 1984 c 260 s 9 are each amended to read as follows:

1. The wage assignment order in RCW 26.18.080 shall include:
   a. The maximum amount of current support or spousal maintenance, if any, to be withheld from the obligor’s earnings each month, or from each earnings disbursement; and
   b. The total amount of the arrearage or reimbursement judgment previously entered by the court, if any, together with interest, if any.

2. The total amount to be withheld from the obligor’s earnings each month, or from each earnings disbursement, shall not exceed fifty percent of the disposable earnings of the obligor. If the amounts to be paid toward the arrearage are specified in the support or spousal maintenance order, then the maximum amount to be withheld is the sum of: Either the current support or spousal maintenance ordered, or both; and the amount ordered to be paid toward the arrearage, or fifty percent of the disposable earnings of the obligor, whichever is less.

3. The provisions of RCW 6.27.150 do not apply to wage assignments for child support or spousal maintenance authorized under this chapter, but fifty percent of the disposable earnings of the obligor are exempt, and may be disbursed to the obligor.

4. If an obligor is subject to two or more attachments for child support on account of different obligees, the employer shall, if the nonexempt portion of the obligor’s earnings is not sufficient to respond fully to all the attachments, apportion the obligor’s nonexempt disposable earnings between or among the various obligees equally. Any obligee may seek a court order reapportioning the obligor’s nonexempt disposable earnings upon notice to all interested obligees. Notice shall be by personal service, or in the manner provided by the civil rules of superior court or applicable statute.

5. If an obligor is subject to two or more attachments for spousal maintenance on account of different obligees, the employer shall, if the nonexempt portion of the obligor’s earnings is not sufficient to respond fully to all the attachments, apportion the obligor’s nonexempt disposable earnings between or among the various obligees equally. An obligee may seek a court order reapportioning the obligor’s nonexempt disposable earnings upon notice to all interested obligees. Notice shall be by personal service, or in the manner provided by the civil rules of superior court or applicable statute.

Sec. 8. RCW 26.18.100 and 1991 c 367 s 20 are each amended to read as follows:

The wage assignment order shall be substantially in the following form:

[ 1692 ]
Obligee vs. Obligor

THE STATE OF WASHINGTON TO: Employer

Obligor

AND TO: Obligor

The above-named obligee claims that the above-named obligor is more than fifteen days past due in either child support or spousal maintenance payments, or both, in an amount equal to or greater than the child support or spousal maintenance payable for one month. The amount of the accrued child support or spousal maintenance debt as of this date is ....... dollars, the amount of arrearage payments specified in the support or spousal maintenance order (if applicable) is ....... dollars per ........, and the amount of the current and continuing support or spousal maintenance obligation under the (support) order is ....... dollars per .........

You are hereby commanded to answer this order by filling in the attached form according to the instructions, and you must mail or deliver the original of the answer to the court, one copy to the Washington state support registry, one copy to the obligee or obligee’s attorney, and one copy to the obligor within twenty days after service of this wage assignment order upon you.

If you possess any earnings or other remuneration for employment due and owing to the obligor, then you shall do as follows:

(1) Withhold from the obligor’s earnings or remuneration each month, or from each regular earnings disbursement, the lesser of:
   (a) The sum of the accrued support or spousal maintenance debt and the current support or spousal maintenance obligation;
   (b) The sum of the specified arrearage payment amount and the current support or spousal maintenance obligation; or
   (c) Fifty percent of the disposable earnings or remuneration of the obligor.

(2) The total amount withheld above is subject to the wage assignment order, and all other sums may be disbursed to the obligor.

(3) Upon receipt of this wage assignment order you shall make immediate deductions from the obligor’s earnings or remuneration and remit to the Washington state support registry or other address specified below the proper amounts at each regular pay interval.
You shall continue to withhold the ordered amounts from nonexempt earnings or remuneration of the obligor until notified by:

(a) The court that the wage assignment has been modified or terminated;

(b) The Washington state support registry, office of support enforcement that the accrued child support debt has been paid; or

(c) The court that has entered an order delaying, modifying, or terminating the wage assignment order and has approved an alternate payment plan as provided in RCW 26.23.050(2).

You shall promptly notify the court and the Washington state support registry if and when the employee is no longer employed by you, or if the obligor no longer receives earnings or remuneration from you. If you no longer employ the employee, the wage assignment order shall remain in effect for one year after the employee has left your employment or you are no longer in possession of any earnings or remuneration owed to the employee, whichever is later. You shall continue to hold the wage assignment order during that period. If the employee returns to your employment during the one-year period you shall immediately begin to withhold the employee’s earnings according to the terms of the wage assignment order. If the employee has not returned to your employment within one year, the wage assignment will cease to have effect at the expiration of the one-year period, unless you still owe the employee earnings or other remuneration.

You shall deliver the withheld earnings or remuneration to the Washington state support registry or other address stated below at each regular pay interval.

You shall deliver a copy of this order to the obligor as soon as is reasonably possible. This wage assignment order has priority over any other wage assignment or garnishment, except for another wage assignment or garnishment for child support or spousal maintenance, or order to withhold or deliver under chapter 74.20A RCW.

WHETHER OR NOT YOU OWE ANYTHING TO THE OBLIGOR, YOUR FAILURE TO ANSWER AS REQUIRED MAY MAKE YOU LIABLE FOR OBLIGOR’S CLAIMED SUPPORT OR SPOUSAL MAINTENANCE DEBT TO THE OBLIGEE OR SUBJECT TO CONTEMPT OF COURT.

NOTICE TO OBLIGOR: YOU HAVE A RIGHT TO REQUEST A HEARING IN THE SUPERIOR COURT THAT ISSUED THIS WAGE ASSIGNMENT ORDER, TO REQUEST THAT THE COURT QUASH, MODIFY, OR TERMINATE THE WAGE ASSIGNMENT ORDER.

DATED THIS . . . day of . . ., 19. . .
Sec. 9. RCW 26.18.110 and 1991 c 367 s 21 are each amended to read as follows:

(1) An employer upon whom service of a wage assignment order has been made shall answer the order by sworn affidavit within twenty days after the date of service. The answer shall state whether the obligor is employed by or receives earnings or other remuneration from the employer, whether the employer will honor the wage assignment order, and whether there are either multiple child support or spousal maintenance attachments, or both, against the obligor.

(2) If the employer possesses any earnings or remuneration due and owing to the obligor, the earnings subject to the wage assignment order shall be withheld immediately upon receipt of the wage assignment order. The withheld earnings shall be delivered to the Washington state support registry or, if the wage assignment order is to satisfy a duty of spousal maintenance, to the addressee specified in the assignment at each regular pay interval.

(3) The employer shall continue to withhold the ordered amounts from nonexempt earnings or remuneration of the obligor until notified by:

(a) The court that the wage assignment has been modified or terminated;

(b) The Washington state support registry or obligee that the accrued child support or spousal maintenance debt has been paid, provided the wage assignment order contains the language set forth under RCW 26.18.100((c)(2)(b))) (3)(b). The employer shall promptly notify the Washington state support registry when the employee is no longer employed. If the employer no longer employs the employee, the wage assignment order shall remain in effect for one year after the employee has left the employment or the employer has been in possession of any earnings or remuneration owed to the employee, whichever is later. The employer shall continue to hold the wage assignment order during that ((one-year)) period. If the employee returns to the employer’s employment during the one-year period the employer shall immediately begin to withhold the employee’s earnings or remuneration according to the terms of the wage assignment order. If the employee has not returned within one year, the wage assignment shall cease to have effect at the expiration of the one-year period, unless the employer continues to owe remuneration for employment to the obligor; or

(c) The court that has entered an order delaying, modifying, or terminating the wage assignment order and has approved an alternate payment plan as provided in RCW 26.23.050(2).

(4) The employer may deduct a processing fee from the remainder of the employee’s earnings after withholding under the wage assignment order, even if
the remainder is exempt under RCW 26.18.090. The processing fee may not exceed (a) ten dollars for the first disbursement made by the employer to the Washington state support registry; and (b) one dollar for each subsequent disbursement to the clerk.

(5) An order for wage assignment for support for a dependent child entered under this chapter shall have priority over any other wage assignment or garnishment, except for another wage assignment or garnishment for child support, or order to withhold and deliver under chapter 74.20A RCW. An order for wage assignment for spousal maintenance entered under this chapter shall have priority over any other wage assignment or garnishment, except for a wage assignment, garnishment, or order to withhold and deliver under chapter 74.20A RCW for support of a dependent child, and except for another wage assignment or garnishment for spousal maintenance.

(6) An employer who fails to withhold earnings as required by a wage assignment issued under this chapter may be held liable to the obligee for one hundred percent of the support or spousal maintenance debt, or the amount of support or spousal maintenance moneys that should have been withheld from the employee's earnings whichever is the lesser amount, if the employer:

(a) Fails or refuses, after being served with a wage assignment order, to deduct and promptly remit from the unpaid earnings the amounts of money required in the order;

(b) Fails or refuses to submit an answer to the notice of wage assignment after being served; or

(c) Is unwilling to comply with the other requirements of this section.

Liability may be established in superior court. Awards in superior court shall include costs, interest under RCW 19.52.020 and 4.56.110, and reasonable attorneys' fees.

(7) No employer who complies with a wage assignment issued under this chapter may be liable to the employee for wrongful withholding.

(8) No employer may discharge, discipline, or refuse to hire an employee because of the entry or service of a wage assignment issued and executed under this chapter. If an employer discharges, disciplines, or refuses to hire an employee in violation of this section, the employee or person shall have a cause of action against the employer. The employer shall be liable for double the amount of damages suffered as a result of the violation and for costs and reasonable attorneys' fees, and shall be subject to a civil penalty of not more than two thousand five hundred dollars for each violation. The employer may also be ordered to hire, rehire, or reinstate the aggrieved individual.

(9) For wage assignments payable to the Washington state support registry, an employer may combine amounts withheld from various employees into a single payment to the Washington state support registry, if the payment includes a listing of the amounts attributable to each employee and other information as required by the registry.
(10) An employer shall deliver a copy of the wage assignment order to the obligor as soon as is reasonably possible.

Sec. 10. RCW 26.18.120 and 1984 c 260 s 12 are each amended to read as follows:

The answer of the employer shall be made on forms, served on the employer with the wage assignment order, substantially as follows:

Sec. 11. RCW 26.18.140 and 1991 c 367 s 22 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, in a hearing to quash, modify, or terminate the wage assignment order, the court may grant
relief only upon a showing that the wage assignment order causes extreme hardship or substantial injustice. Satisfaction by the obligor of all past due payments subsequent to the issuance of the wage assignment order is not grounds to quash, modify, or terminate the wage assignment order. If a wage assignment order has been in operation for twelve consecutive months and the obligor's support or spousal maintenance obligation is current, the court may terminate the order upon motion of the obligor unless the obligee can show good cause as to why the wage assignment order should remain in effect.

(2) The court may enter an order delaying, modifying, or terminating the wage assignment order and order the obligor to make payments directly to the obligee if the court approves an alternate payment plan as provided in RCW 26.23.050(2).

Sec. 12. RCW 26.18.150 and 1984 c 260 s 15 are each amended to read as follows:

(1) In any action to enforce a support or spousal maintenance order under Title 26 RCW, the court may, in its discretion, order a parent obligated to pay support for a minor child or person owing a duty of spousal maintenance to post a bond or other security with the court. The bond or other security shall be in the amount of support or spousal maintenance due for a two-year period. The bond or other security is subject to approval by the court. The bond shall include the name and address of the issuer. If the bond is canceled, any person issuing a bond under this section shall notify the court and the person entitled to receive payment under the order.

(2) If the obligor fails to make payments as required under the court order, the person entitled to receive payment may recover on the bond or other security in the existing proceeding. The court may, after notice and hearing, increase the amount of the bond or other security. Failure to comply with the court's order to obtain and maintain a bond or other security may be treated as contempt of court.

Sec. 13. RCW 26.18.160 and 1984 c 260 s 25 are each amended to read as follows:

In any action to enforce a support or maintenance order under this chapter, the prevailing party is entitled to a recovery of costs, including an award for reasonable attorney fees. An obligor may not be considered a prevailing party under this section unless the obligee has acted in bad faith in connection with the proceeding in question.

Sec. 14. RCW 26.18.170 and 1989 c 416 s 5 are each amended to read as follows:

(1) Whenever an obligor parent who has been ordered to provide health insurance coverage for a dependent child fails to provide such coverage or lets it lapse, the department or the obligee may seek enforcement of the coverage order as provided under this section.
(2)(a) If the obligor parent’s order to provide health insurance coverage contains language notifying the obligor that failure to provide such coverage may result in direct enforcement of the order and orders payments through, or has been submitted to, the Washington state support registry for enforcement, then the department may, without further notice to the obligor, send a notice of enrollment to the obligor’s employer or union by certified mail, return receipt requested.

The notice shall require the employer or union to enroll the child in the health insurance plan as provided in subsection (3) of this section.

(b) If the obligor parent’s order to provide health insurance coverage does not order payments through, and has not been submitted to, the Washington state support registry for enforcement:

(i) The obligee may, without further notice to the obligor send a certified copy of the order requiring health insurance coverage to the obligor’s employer or union by certified mail, return receipt requested; and

(ii) The obligee shall attach a notarized statement to the order declaring that the order is the latest order addressing coverage entered by the court and require the employer or union to enroll the child in the health insurance plan as provided in subsection (3) of this section.

(3) Upon receipt of an order that provides for health insurance coverage, or a notice of enrollment:

(a) The obligor’s employer or union shall answer the party who sent the order or notice within thirty-five days and confirm that the child:

(i) Has been enrolled in the health insurance plan;
(ii) Will be enrolled in the next open enrollment period; or
(iii) Cannot be covered, stating the reasons why such coverage cannot be provided;

(b) The employer or union shall withhold any required premium from the obligor’s income or wages;

(c) If more than one plan is offered by the employer or union, and each plan may be extended to cover the child, then the child shall be enrolled in the obligor’s plan. If the obligor’s plan does not provide coverage which is accessible to the child, the child shall be enrolled in the least expensive plan otherwise available to the obligor parent;

(d) The employer or union shall provide information about the name of the health insurance coverage provider or insurer and the extent of coverage available to the obligee or the department and shall make available any necessary claim forms or enrollment membership cards.

(4) If the order for coverage contains no language notifying the obligor that failure to provide health insurance coverage may result in direct enforcement of the order, the department or the obligee may serve a written notice of intent to enforce the order on the obligor by certified mail, return receipt requested, or by personal service. If the obligor fails to provide written proof that such coverage has been obtained or applied for within twenty days of service of the notice, or
within twenty days of coverage becoming available the department or the obligee may proceed to enforce the order directly as provided in subsection (2) of this section.

(5) If the obligor ordered to provide health insurance coverage elects to provide coverage that will not be accessible to the child because of geographic or other limitations when accessible coverage is otherwise available, the department or the obligee may serve a written notice of intent to purchase health insurance coverage on the obligor by certified mail, return receipt requested. The notice shall also specify the type and cost of coverage.

(6) If the department serves a notice under subsection (5) of this section the obligor shall, within twenty days of the date of service:
   (a) File an application for an adjudicative proceeding; or
   (b) Provide written proof to the department that the obligor has either applied for, or obtained, coverage accessible to the child.

(7) If the obligee serves a notice under subsection (5) of this section, within twenty days of the date of service the obligor shall provide written proof to the obligee that the obligor has either applied for, or obtained, coverage accessible to the child.

(8) If the obligor fails to respond to a notice served under subsection (5) of this section to the party who served the notice, the party who served the notice may purchase the health insurance coverage specified in the notice directly. The amount of the monthly premium shall be added to the support debt and be collectible without further notice. The amount of the monthly premium may be collected or accrued until the obligor provides proof of the required coverage.

(9) The signature of the obligee or of a department employee shall be a valid authorization to the coverage provider or insurer for purposes of processing a payment to the child’s health services provider. An order for health insurance coverage shall operate as an assignment of all benefit rights to the obligee or to the child’s health services provider, and in any claim against the coverage provider or insurer, the obligee or the obligee’s assignee shall be subrogated to the rights of the obligor. Notwithstanding the provisions of this section regarding assignment of benefits, this section shall not require a health care service contractor authorized under chapter 48.44 RCW or a health maintenance organization authorized under chapter 48.46 RCW to deviate from their contractual provisions and restrictions regarding reimbursement for covered services. If the coverage is terminated, the employer shall mail a notice of termination to the department or the obligee at the obligee’s last known address within thirty days of the termination date.

(10) This section shall not be construed to limit the right of the obligor or the obligee to bring an action in superior court at any time to enforce, modify, or clarify the original support order.

(11) Nothing in this section shall be construed to require a health maintenance organization, or health care service contractor, to extend coverage to a child who resides outside its service area.
(12) If an obligor fails to pay his or her portion of any deductible required under the health insurance coverage or fails to pay his or her portion of medical expenses incurred in excess of the coverage provided under the plan, the department or the obligee may enforce collection of the obligor's portion of the deductible or the additional medical expenses through a wage assignment order. The amount of the deductible or additional medical expenses shall be added to the support debt and be collectible without further notice if the obligor's share of the amount of the deductible or additional expenses is reduced to a sum certain in a court order.

CHAPTER 427
[Substitute House Bill 1931]
COMMERCIAL FERRY OPERATIONS—REVISIONS
Effective Date: 7/25/93

AN ACT Relating to regulation of steamboat operators; amending RCW 47.60.120, 81.84.010, 81.84.020, 81.84.030, 81.84.050, 81.04.010, and 81.24.030; adding new sections to chapter 81.84 RCW; and prescribing penalties.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 47.60.120 and 1984 c 7 s 307 are each amended to read as follows:

(1) If the department acquires or constructs, maintains, and operates any ferry crossings upon or toll bridges over Puget Sound or any of its tributary or connecting waters, there shall not be constructed, operated, or maintained any other ferry crossing upon or bridge over any such waters within ten miles of any such crossing or bridge operated or maintained by the department excepting such bridges or ferry crossings in existence, and being operated and maintained under a lawfully issued franchise at the time of the location of the ferry crossing or construction of the toll bridge by the department.

(2) The ten-mile distance in subsection (1) of this section means ten statute miles measured by airline distance. The ten-mile restriction shall be applied by comparing the two end points (termini) of a state ferry crossing to those of a private ferry crossing.

(3) The Washington utilities and transportation commission may, upon written petition of a commercial ferry operator certificated or applying for certification under chapter 81.84 RCW, and upon notice and hearing, grant a waiver from the ten-mile restriction. The waiver must not be detrimental to the public interest. In making a decision to waive the ten-mile restriction, the commission shall consider, but is not limited to, the impact of the waiver on
transportation congestion mitigation, air quality improvement, and the overall impact on the Washington state ferry system. The commission shall act upon a request for a waiver within ninety days after the conclusion of the hearing. A waiver is effective for a period of five years from the date of issuance. At the end of five years the waiver becomes permanent unless appealed within thirty days by the commission on its own motion, the department, or an interested party.

(4) The department shall not maintain and operate any ferry crossing or toll bridge over Puget Sound or any of its tributary or connecting waters that would infringe upon any franchise lawfully issued by the state and in existence and being exercised at the time of the location of the ferry crossing or toll bridge by the department, without first acquiring the rights granted to such franchise holder under the franchise.

((While any revenue bonds issued by the department under the provisions of this chapter are outstanding no additional bonds may be issued for the purposes of acquiring, constructing, operating, or maintaining any ferries or toll bridges within the aforesaid ten mile distance by the department unless the revenues of any such additional ferries or toll bridges are pledged to the bonds then outstanding to the extent provided by the resolution authorizing the issue of the outstanding bonds. The provisions of this section are binding upon the state, and all of its departments, agencies, and instrumentalities, as well as any and all private, political, municipal, and public corporations and subdivisions, including cities, towns, counties, and other political subdivisions, and the prohibitions of this section shall restrict and limit the powers of the legislature of the state in respect to the matters herein mentioned so long as any of such bonds are outstanding and unpaid and shall be deemed to constitute a contract to that effect for the benefit of the holders of all such bonds.))

Sec. 2. RCW 81.84.010 and 1961 c 14 s 81.84.010 are each amended to read as follows:

(1) No commercial ferry may hereafter operate any vessel or ferry for the public use for hire between fixed termini or over a regular route upon the waters within this state, including the rivers and lakes and Puget Sound, without first applying for and obtaining from the commission a certificate declaring that public convenience and necessity require such operation. Service authorized by certificates issued before or after the effective date of this act to a commercial ferry operator shall be exercised by the operator in a manner consistent with the conditions established in the certificate or tariffs: PROVIDED, That no certificate shall be required for a vessel primarily engaged in transporting freight other than vehicles, whose gross earnings from the transportation of passengers and/or vehicles, are not more than ten percent of the total gross annual earnings of such vessel: PROVIDED, That nothing herein shall be construed to affect the right of any county public transportation benefit area or other public agency within this state to construct, condemn, purchase, operate, or maintain, itself or by contract, agreement, or lease, with any person,
firms or corporation, ferries or boats across or wharfs at or upon the waters within this state, including rivers and lakes and Puget Sound, provided such operation is not over the same route or between the same districts, being served by a certificate holder without first acquiring the rights granted to the certificate holder under the certificate, nor shall this chapter be construed to affect, amend or invalidate any contract entered into prior to January 15, 1927, for the operation of ferries or boats upon the waters within this state, which was entered into in good faith by any county with any person, firm, or corporation, except that in case of the operation or maintenance by any county, city, town, port district, or other political subdivision by contract, agreement, or lease with any person, firm, or corporation, of ferries or boats across or wharfs at or upon the waters within this state, including rivers and lakes and Puget Sound, the commission shall have power and authority to regulate rates and services of such operation or maintenance of ferries, boats, or wharfs, to make, fix, alter or amend said rates, and to regulate service and safety of operations thereof, in the manner and to the same extent as it is empowered to regulate a commercial ferry, notwithstanding the provisions of any act or parts of acts inconsistent herewith.

(2) The holder of a certificate of public convenience and necessity granted under this chapter must initiate service within five years of obtaining the certificate. The certificate holder shall report to the commission every six months after the certificate is granted on the progress of the certificated route. The reports shall include, but not be limited to, the progress of environmental impact, parking, local government land use, docking, and financing considerations. However, if service has not been initiated within five years of obtaining the certificate, the commission may extend the certificate on a twelve-month basis for up to three years if the six-month progress reports indicate there is significant advancement toward initiating service.

(3) The commission shall review certificates in existence as of the effective date of this act, where service is not being provided on all or any portion of the route or routes certificated. Based on progress reports required under subsection (2) of this section, the commission may grant an extension beyond that provided in subsection (2) of this section. Such additional extension may not exceed a total of two years.

Sec. 3. RCW 81.84.020 and 1961 c 14 s 81.84.020 are each amended to read as follows:

(1) Upon the filing of an application the commission shall give reasonable notice to the department, affected cities and counties, and any common carrier which might be adversely affected, of the time and place for hearing on such application. The commission shall have power after hearing, to issue the certificate as prayed for, or to refuse to issue it, or to issue it for the partial exercise only of the privilege sought, and may attach to the exercise of the rights granted by said certificate such terms and conditions as in its judgment the public convenience and necessity may require; but the commission shall not have power
to grant a certificate to operate between districts and/or into any territory prohibited by RCW 47.60.120 or already served by an existing certificate holder, unless such existing certificate holder (shall fail and refuse) has failed or refused to furnish reasonable and adequate service or has failed to provide the service described in its certificate or tariffs after the time period allowed to initiate service has elapsed: PROVIDED, A certificate shall be granted when it shall appear to the satisfaction of the commission that (such steamer company) the commercial ferry was actually operating in good faith over the route for which such certificate shall be sought, on January 15, 1927: PROVIDED, FURTHER, That in case two or more (steamboat companies) commercial ferries shall upon said date have been operating vessels upon the same route, or between the same districts the commission shall determine after public hearing whether one or more certificates shall issue, and in determining to whom a certificate or certificates shall be issued, the commission shall consider all material facts and circumstances including the prior operation, schedules, and services rendered by either of (said companies) the ferries, and in case more than one certificate shall issue, the commission shall fix and determine the schedules and services of the (companies to whom such) ferries to which the certificates are issued to the end that duplication of service be eliminated and public convenience be furthered.

(2) Before issuing a certificate, the commission shall determine that the applicant has the financial resources to operate the proposed service for at least twelve months, based upon the submission by the applicant of a pro forma financial statement of operations. Issuance of a certificate shall be determined upon, but not limited to, the following factors: Ridership and revenue forecasts; the cost of service for the proposed operation; an estimate of the cost of the assets to be used in providing the service; a statement of the total assets on hand of the applicant that will be expended on the proposed operation; and a statement of prior experience, if any, in such field by the applicant. The documentation required of the applicant under this section shall comply with the provisions of RCW 9A.72.085.

(3) Subsection (2) of this section does not apply to an application for a certificate that is pending as of the effective date of this act.

NEW SECTION. Sec. 4. A new section is added to chapter 81.84 RCW to read as follows:

The commission, in granting a certificate to operate as a commercial ferry, shall require the operator to first obtain liability and property damage insurance from a company licensed to write liability insurance in the state or a surety bond of a company licensed to write surety bonds in the state, on each vessel or ferry to be used, in the amount of not less than one hundred thousand dollars for any recovery for personal injury by one person, and not less than one million dollars and in such additional amount as the commission shall determine, for all persons receiving personal injury and property damage by reason of one act of negligence, and not less than fifty thousand dollars for damage to property of any
person other than the insured; or combined bodily injury and property damage liability insurance of not less than one million dollars, and to maintain such liability and property damage insurance or surety bond in force on each vessel or ferry while so used. Each policy for liability or property damage insurance or surety bond required by this section must be filed with the commission and kept in full force and effect, and failure to do so is cause for revocation of the operator's certificate.

Sec. 5. RCW 81.84.030 and 1961 c 14 s 81.84.030 are each amended to read as follows:

No certificate or any right or privilege thereunder held, owned, or obtained under the provisions of this chapter shall be sold, assigned, leased, mortgaged, or in any manner transferred, either by the act of the parties or by operation of law, except upon authorization by the commission first obtained. (The commission may at any time by its order duly entered after hearing had upon notice to the holder of any certificate thereunder and an opportunity to such holder to be heard, suspend, revoke, alter, or amend any certificate issued under the provisions of this chapter, if the holder thereof wilfully violates or fails to observe the provisions or conditions of the certificate, or the orders, rules or regulations of the commission, or the provisions of this title.)

Sec. 6. RCW 81.84.050 and 1961 c 14 s 81.84.050 are each amended to read as follows:

Every commercial ferry and every officer, agent, or employee of any commercial ferry who violates or who procures, aids, or abets in the violation of any provision of this title, or any order, rule, regulation, or decision of the commission shall incur a penalty of one hundred dollars for every such violation. Each and every such violation shall be a separate and distinct offense, and in case of a continuing violation every day's continuance shall be and be deemed to be a separate and distinct violation. Every act of commission or omission which procures, aids, or abets in the violation shall be considered a violation under the provisions of this section and subject to the penalty herein provided for.

The penalty herein provided for shall become due and payable when the person incurring the same receives a notice in writing from the commission describing such violation with reasonable particularity and advising such person that the penalty is due.

The commission may, upon written application therefor, received within fifteen days, remit or mitigate any penalty provided for in this section or discontinue any prosecution to recover the same upon such terms as it in its discretion shall deem proper, and shall have authority to ascertain the facts upon all such applications in such manner and under such regulations as it may deem proper.

notice of the disposition of such application, the attorney general shall bring an
action to recover the penalty in the name of the state of Washington in the
superior court of Thurston county or of some other county in which such violator

CHAPTER 430
[Substitute House Bill 2023]
STATE HIGHWAY SYSTEM REVISIONS
Effective Date: 7/25/93

AN ACT Relating to jurisdiction over certain roads and highways; amending RCW 47.17.001, 47.17.305, 47.17.577, 47.39.020, 47.42.020, 47.42.100, and 47.42.140; adding new sections to chapter 47.17 RCW; adding a new section to chapter 47.39 RCW; creating a new section; and repealing RCW 47.17.565.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 47.17.001 and 1990 c 233 s 1 are each amended to read as follows:
In considering whether to make additions, deletions, or other changes to the state highway system, the legislature shall be guided by the following criteria as contained in the Road Jurisdiction Committee Phase I report to the legislature dated January 1987:

(1) A rural highway route should be designated as a state highway if it meets any of the following criteria:
   (a) Is designated as part of the national system of interstate and defense highways (popularly called the interstate system); or
   (b) Is designated as part of the system of numbered United States routes; or
   (c) Contains an international border crossing that is open twelve or more hours each day.

(2) A rural highway route may be designated as a state highway if it is part of an integrated system of roads and:
   (a) Carries in excess of three hundred thousand tons annually and provides primary access to a rural port or intermodal freight terminal;
   (b) Provides a major cross-connection between existing state highways;
   (c) Connects places exhibiting one or more of the following characteristics:
      (i) A population center of one thousand or greater;
      (ii) An area or aggregation of areas having a population equivalency of one thousand or more, such as, but not limited to, recreation areas, military installations, and so forth;
      (iii) A county seat;
      (iv) A major commercial-industrial terminal in a rural area with a population equivalency of one thousand or greater; or
   (d) Is designated as a scenic and recreational highway.

(3) An urban highway route that meets any of the following criteria should be designated as part of the state highway system:
   (a) Is designated as part of the interstate system;
   (b) Is designated as part of the system of numbered United States routes;
   (c) Is an urban extension of a rural state highway into or through an urban area and is necessary to form an integrated system of state highways;
   (d) Is a principal arterial that is a connecting link between two state highways and serves regionally oriented through traffic in urbanized areas with a population of fifty thousand or greater, or is a spur that serves regionally oriented traffic in urbanized areas.

(4) The following guidelines are intended to be used as a basis for interpreting and applying the criteria to specific routes:
   (a) For any route wholly within one or more contiguous jurisdictions which would be proposed for transfer to the state highway system under these criteria, if local officials prefer, responsibility will remain at the local level.
   (b) State highway routes maintain continuity of the system by being composed of routes that join other state routes at both ends or to arterial routes in the states of Oregon and Idaho and the Province of British Columbia.
(c) Public facilities may be considered to be served if they are within approximately two miles of a state highway.

(d) Exceptions may be made to include:

(i) Rural spurs as state highways if they meet the criteria relative to serving population centers of one thousand or greater population or activity centers with population equivalencies or an aggregated population of one thousand or greater;

(ii) Urban spurs as state highways that provide needed access to Washington state ferry terminals, state parks, major seaports, and trunk airports; and

(iii) Urban connecting links as state highways that function as needed bypass routing of regionally oriented through traffic and benefit truck routing, capacity alternative, business congestion, and geometric deficiencies.

(e) In urban and urbanized areas:

(i) Unless they are significant regional traffic generators, public facilities such as state hospitals, state correction centers, state universities, ferry terminals, and military bases do not constitute a criteria for establishment of a state highway; and

(ii) There may be no more than one parallel nonaccess controlled facility in the same corridor as a freeway or limited access facility as designated by the metropolitan planning organization.

(f) When there is a choice of two or more routes between population centers, the state route designation shall normally be based on the following considerations:

(i) The ability to handle higher traffic volumes;

(ii) The higher ability to accommodate further development or expansion along the existing alignment;

(iii) The most direct route and the lowest travel time;

(iv) The route that serves traffic with the most interstate, state-wide, and interregional significance;

Effective Date: 7/25/93

AN ACT Relating to state highway bonds; and adding new sections to chapter 47.10 RCW.
Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. In order to provide funds necessary for the
location, design, right of way, and construction of state highway improvements
that are identified as special category C improvements, there shall be issued and
sold upon the request of the Washington state transportation commission a total
of two hundred forty million dollars of general obligation bonds of the state of
Washington.

NEW SECTION. Sec. 2. Upon the request of the transportation commis-
sion, the state finance committee shall supervise and provide for the issuance,
sale, and retirement of the bonds authorized by sections 1 through 6 of this act
in accordance with chapter 39.42 RCW. Bonds authorized by sections 1 through 6 of this act shall be sold in such manner, at such time or times, in such amounts, and at such price as the state finance committee shall determine. No such bonds may be offered for sale without prior legislative appropriation of the net proceeds of the sale of the bonds.

The state finance committee shall consider the issuance of short-term obligations in lieu of long-term obligations for the purposes of more favorable interest rates, lower total interest costs, and increased marketability and for the purpose of retiring the bonds during the life of the project for which they were issued.

NEW SECTION. Sec. 3. The proceeds from the sale of bonds authorized by sections 1 through 6 of this act shall be deposited in the special category C account in the motor vehicle fund. The proceeds shall be available only for the purposes enumerated in section 1 of this act, for the payment of bond anticipation notes, if any, and for the payment of bond issuance costs, including the costs of underwriting.

NEW SECTION. Sec. 4. Bonds issued under the authority of sections 1 through 6 of this act shall distinctly state that they are a general obligation of the state of Washington, shall pledge the full faith and credit of the state to the payment of the principal thereof and the interest thereon, and shall contain an unconditional promise to pay such principal and interest as the same shall become due. The principal and interest on the bonds shall be first payable in the manner provided in sections 1 through 6 of this act from the proceeds of the state excise taxes on motor vehicle and special fuels imposed by chapters 82.36, 82.37, and 82.38 RCW. Proceeds of such excise taxes are hereby pledged to the payment of any bonds and the interest thereon issued under the authority of sections 1 through 6 of this act, and the legislature agrees to continue to impose these excise taxes on motor vehicle and special fuels in amounts sufficient to pay, when due, the principal and interest on all bonds issued under the authority of sections 1 through 6 of this act.

NEW SECTION. Sec. 5. Both principal and interest on the bonds issued for the purposes of sections 1 through 6 of this act shall be payable from the highway bond retirement fund. The state finance committee may provide that a special account be created in the fund to facilitate payment of the principal and interest. The state finance committee shall, on or before June 30th of each year, certify to the state treasurer the amount required for principal and interest on the bonds in accordance with the bond proceedings. The state treasurer shall withdraw revenues from the special category C account in the motor vehicle fund and deposit in the highway bond retirement fund, or a special account in the fund, such amounts, and at such times, as are required by the bond proceedings.

Any funds required for bond retirement or interest on the bonds authorized by sections 1 through 6 of this act shall be taken from that portion of the motor vehicle fund that results from the imposition of excise taxes on motor vehicle
and special fuels and that is distributed to the special category C account in the
tor vehicle fund. Funds required shall never constitute a charge against any
other allocations of motor vehicle fuel and special fuel tax revenues to the state,
counties, cities and towns unless the amount arising from excise taxes on motor
vehicle and special fuels distributed to the special category C account proves
insufficient to meet the requirements for bond retirement or interest on any such
bonds.

Any payments for bond retirement or interest on the bonds taken from other
revenues from the motor vehicle fuel or special fuel taxes that are distributable
to the state, counties, cities and towns, shall be repaid from the first revenues
from the motor vehicle fuel or special fuel taxes distributed to the special
category C account not required for bond retirement or interest on the bonds.

NEW SECTION. Sec. 6. Bonds issued under the authority of sections 1
through 5 of this act and this section and any other general obligation bonds of
the state of Washington that have been or that may be authorized and that pledge
motor vehicle and special fuels excise taxes for the payment of principal and
interest thereon shall be an equal charge against the revenues from such motor
vehicle and special fuels excise taxes.

NEW SECTION. Sec. 7. Sections 1 through 6 of this act shall be added
to chapter 47.10 RCW.

NEW SECTION. Sec. 8. If any provision of this act or its application to

Effective Date: 7/25/93

AN ACT Relating to highway bonds; and adding new sections to chapter 47.10 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. In order to provide funds necessary for the
location, design, right of way, and construction of selected interstate and other
highway improvements, there shall be issued and sold upon the request of the
Washington state transportation commission a total of one hundred million
dollars of general obligation bonds of the state of Washington for the following
purposes and specified sums:
(1) Not to exceed twenty-five million dollars to pay the state's and local
governments' share of matching funds for the ten demonstration projects

(2) Not to exceed fifty million dollars to temporarily pay the regular federal
share of construction in advance of federal-aid apportionments as authorized by
this section.

(3) Not to exceed twenty-five million dollars for loans to local governments
to provide the required matching funds to take advantage of available federal
funds. These loans shall be on such terms and conditions as determined by the
Washington state transportation commission, but in no event may the loans be
for a period of more than ten years. The interest rate on the loans authorized
under this subsection shall be equal to the interest rate on the bonds sold for such
purposes.

NEW SECTION. Sec. 2. Upon the request of the transportation commis-
sion, the state finance committee shall supervise and provide for the issuance,
sale, and retirement of the bonds authorized by sections 1 through 6 of this act
in accordance with chapter 39.42 RCW. Bonds authorized by sections 1 through
6 of this act shall be sold in such manner, at such time or times, in such
amounts, and at such price as the state finance committee shall determine. No
such bonds may be offered for sale without prior legislative appropriation of the
net proceeds of the sale of the bonds.

The state finance committee shall consider the issuance of short-term
obligations in lieu of long-term obligations for the purposes of more favorable
interest rates, lower total interest costs, and increased marketability and for the
purpose of retiring the bonds during the life of the project for which they were
issued.

NEW SECTION. Sec. 3. The proceeds from the sale of bonds authorized
by sections 1 through 6 of this act shall be deposited in the motor vehicle fund.
The proceeds shall be available only for the purposes enumerated in section 1 of
this act, for the payment of bond anticipation notes, if any, and for the payment
of bond issuance costs, including the costs of underwriting.

NEW SECTION. Sec. 4. Bonds issued under the authority of sections 1
through 6 of this act shall distinctly state that they are a general obligation of the
state of Washington, shall pledge the full faith and credit of the state to the
payment of the principal thereof and the interest thereon, and shall contain an
unconditional promise to pay such principal and interest as the same shall
become due. The principal and interest on the bonds shall be first payable in the
manner provided in sections 1 through 6 of this act from the proceeds of the
state excise taxes on motor vehicle and special fuels imposed by chapters 82.36,
82.37, and 82.38 RCW. Proceeds of such excise taxes are hereby pledged to the
payment of any bonds and the interest thereon issued under the authority of
sections 1 through 6 of this act, and the legislature agrees to continue to impose
these excise taxes on motor vehicle and special fuels in amounts sufficient to
pay, when due, the principal and interest on all bonds issued under the authority of sections 1 through 6 of this act.

NEW SECTION. Sec. 5. Both principal and interest on the bonds issued for the purposes of sections 1 through 6 of this act shall be payable from the highway bond retirement fund. The state finance committee may provide that a special account be created in the fund to facilitate payment of the principal and interest. The state finance committee shall, on or before June 30th of each year, certify to the state treasurer the amount required for principal and interest on the bonds in accordance with the bond proceedings. The state treasurer shall withdraw revenues from the motor vehicle fund and deposit in the highway bond retirement fund, or a special account in the fund, such amounts, and at such times, as are required by the bond proceedings.

Any funds required for bond retirement or interest on the bonds authorized by sections 1 through 6 of this act shall be taken from that portion of the motor vehicle fund that results from the imposition of excise taxes on motor vehicle and special fuels and which is, or may be appropriated to the department of transportation for state highway purposes. Funds required shall never constitute a charge against any other allocations of motor vehicle fuel and special fuel tax revenues to the state, counties, cities, and towns unless the amount arising from excise taxes on motor vehicle and special fuels distributed to the state in the motor vehicle fund proves insufficient to meet the requirements for bond retirement or interest on any such bonds.

Any payments for bond retirement or interest on the bonds taken from other revenues from the motor vehicle fuel or special fuel taxes that are distributed to the state, counties, cities, and towns, shall be repaid from the first revenues from the motor vehicle fuel or special fuel taxes distributed to the motor vehicle fund not required for bond retirement or interest on the bonds.

NEW SECTION. Sec. 6. Bonds issued under the authority of sections 1 through 5 of this act and this section and any other general obligation bonds of the state of Washington that have been or that may be authorized and that pledge motor vehicle and special fuels excise taxes for the payment of principal and interest thereon shall be an equal charge against the revenues from such motor vehicle and special fuels excise taxes.

Effective Date: 7/25/93

AN ACT Relating to personal service contracts; amending RCW 39.29.003, 39.29.006, and 39.29.018; adding new sections to chapter 39.29 RCW; and adding a new section to chapter 39.80 RCW.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 39.29.003 and 1987 c 414 s 1 are each amended to read as follows:

It is the intent of this chapter to establish a policy of open competition for all personal service contracts and subcontracts to personal service contracts entered into by state agencies, unless specifically exempted under this chapter. It is further the intent to provide for legislative and executive review of all personal service contracts, to centralize the location of information about personal service contracts for ease of public review, and ensure proper accounting of personal services expenditures.

Sec. 2. RCW 39.29.006 and 1987 c 414 s 2 are each amended to read as follows:

As used in this chapter:

(1) "Agency" means any state office or activity of the executive and judicial branches of state government, including state agencies, departments, offices, divisions, boards, commissions, and educational, correctional, and other types of institutions.

(2) "Client services" means services provided directly to agency clients including, but not limited to, medical and dental services, employment and training programs, residential care, and subsidized housing.

(3) "Competitive solicitation" means a documented formal process providing an equal and open opportunity to qualified parties and culminating in a selection based on criteria which may include such factors as the consultant's fees or costs, ability, capacity, experience, reputation, responsiveness to time limitations, responsiveness to solicitation requirements, quality of previous performance, and compliance with statutes and rules relating to contracts or services.

(4) "Consultant" means an independent individual or firm contracting with an agency to perform a service or render an opinion or recommendation according to the consultant's methods and without being subject to the control
of the agency except as to the result of the work. The agency monitors progress under the contract and authorizes payment.

(5) "Emergency" means a set of unforeseen circumstances beyond the control of the agency that either:

(a) Present a real, immediate threat to the proper performance of essential functions; or

(b) May result in material loss or damage to property, bodily injury, or loss of life if immediate action is not taken.

(6) "Evidence of competition" means documentation demonstrating that the agency has solicited responses from multiple firms in selecting a consultant.

(7) "Personal service" means professional or technical expertise provided by a consultant to accomplish a specific study, project, task, or other work statement. This term does not include purchased services as defined under subsection (9) of this section. This term does include client services.

(8) "Personal service contract" means an agreement, or any amendment thereto, with a consultant for the rendering of personal services to the state which is consistent with RCW 41.06.380.

(9) "Purchased services" means services provided by a vendor to accomplish routine, continuing and necessary functions. This term includes, but is not limited to, services acquired under RCW 43.19.190 or 43.105.041 for equipment maintenance and repair; operation of a physical plant; security; computer hardware and software maintenance; data entry; key punch services; and computer time-sharing, contract programming, and analysis.

(10) "Sole source" means a consultant providing professional or technical expertise of such a unique nature that the consultant is clearly and justifiably the only practicable source to provide the service. The justification shall be based on either the uniqueness of the service or sole availability at the location required.

(11) "Subcontract" means a contract assigning some of the work of a contract to a third party.

NEW SECTION. Sec. 3. A new section is added to chapter 39.29 RCW to read as follows:

(1) Substantial changes in either the scope of work specified in the contract or in the scope of work specified in the formal solicitation document must generally be awarded as new contracts. Substantial changes executed by contract amendments must be submitted to the office of financial management and the legislative budget committee, and are subject to approval by the office of financial management.

(2) An amendment or amendments to personal service contracts, if the value of the amendment or amendments, whether singly or cumulatively, exceeds fifty percent of the value of the original contract must be provided to the office of financial management and the legislative budget committee.
The office of financial management shall approve amendments provided to it under this section before the amendments become binding and before services may be performed under the amendments.

(4) The amendments must be filed with the office of financial management and made available for public inspection at least ten working days prior to the proposed starting date of services under the amendments.

(5) The office of financial management shall approve amendments provided to it under this section only if they meet the criteria for approval of the amendments established by the director of the office of financial management.

NEW SECTION. Sec. 4. A new section is added to chapter 39.29 RCW to read as follows:

If subcontracts and subcontractors are specified in the contractor’s response to a competitive solicitation, this constitutes a competitive solicitation of subcontract services. If subcontracts are authorized, but subcontractors are not specifically identified in a contractor’s response to a competitive solicitation and the contractor later desires to issue subcontracts, the subcontracts must comply with the competitive solicitation requirements of this chapter, and selection of subcontractors is subject to prior agency approval.

Sec. 5. RCW 39.29.018 and 1987 c 414 s 5 are each amended to read as follows:

(1) Sole source contracts shall be filed with the office of financial management and the legislative budget committee and made available for public inspection at least ten working days prior to the proposed starting date of the contract. Documented justification for sole source contracts shall be provided to the office of financial management and the legislative budget committee when the contract is filed. For sole source contracts of ten thousand dollars or more that are state funded, documented justification shall include evidence that the agency attempted to identify potential consultants by advertising through statewide or regional newspapers.

(2) The office of financial management shall approve sole source contracts of ten thousand dollars or more that are state funded, before any such contract becomes binding and before any services may be performed under the contract. These requirements shall also apply to sole source contracts of less than ten thousand dollars if the total amount of such contracts between an agency and the same consultant is ten thousand dollars or more within a fiscal year. Agencies shall ensure that the costs, fees, or rates negotiated in filed sole source contracts of ten thousand dollars or more are reasonable.

NEW SECTION. Sec. 6. A new section is added to chapter 39.29 RCW to read as follows:

Personal services may be procured only to resolve a particular agency problem or issue or to expedite a specific project that is temporary in nature. An agency may procure personal services only if it documents that:
The service is critical to agency responsibilities or operations, or is mandated or authorized by the legislature;

(2) Sufficient staffing or expertise is not available within the agency to perform the service; and

(3) Other qualified public resources are not available to perform the service.

NEW SECTION. Sec. 7. A new section is added to chapter 39.29 RCW to read as follows:

(1) State-funded personal service contracts subject to competitive solicitation shall be filed with the office of financial management and the legislative budget committee and made available for public inspection at least ten working days before the proposed starting date of the contract.

(2) The office of financial management shall review and approve state-funded personal service contracts subject to competitive solicitation that provide services relating to management consulting, organizational development, marketing, communications, employee training, or employee recruiting.

NEW SECTION. Sec. 8. A new section is added to chapter 39.29 RCW to read as follows:

The office of financial management shall maintain a publicly available list of all personal service contracts entered into by state agencies during each fiscal year. The list shall identify the contracting agency, the contractor, the purpose of the contract, effective dates and periods of performance, the cost of the contract and funding source, any modifications to the contract, and whether the contract was competitively procured or awarded on a sole source basis. The office of financial management shall also ensure that state accounting definitions and procedures are consistent with RCW 39.29.006 and permit the reporting of personal services expenditures by agency and by type of service. Designations of type of services shall include, but not be limited to, management and organizational services, legal and expert witness services, financial services, computer and information services, social or technical research, marketing, communications, and employee training or recruiting services. Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. Unless the context clearly requires otherwise, "by mail" means delivery of a completed original voter registration form by mail, by personal delivery, or by courier to a county auditor.

NEW SECTION. Sec. 2. The county auditor is responsible for the conduct of voter registration under this chapter within the county. Except where inconsistent with this chapter, the remaining provisions of Title 29 RCW apply to registration by mail.

NEW SECTION. Sec. 3. Any elector of this state may register to vote by mail under this chapter.

NEW SECTION. Sec. 4. The county auditor shall distribute forms by which a person may register to vote by mail and cancel any previous registration in this state. The county auditor shall keep a supply of voter registration forms in his or her office at all times for political parties and others interested in assisting in voter registration, and shall make every effort to make these forms generally available to the public. The county auditor shall provide voter registration forms to city and town clerks, state offices, schools, fire stations, and any other locations considered appropriate by the auditor for extending registration opportunities to all areas of the county. After the initial distribution of voter registration forms to a given location, a representative designated by the official in charge of that location shall notify the county auditor of the need for additional voter registration supplies.

NEW SECTION. Sec. 5. In addition to the information required under RCW 29.07.070, when registering to vote by mail under this chapter, the applicant shall sign a portion of the form that can be used as an initiative signature card for the verification of petition signatures by the secretary of state and shall sign and attest to the following oath: "I declare that the facts relating
to my qualifications as a voter recorded on this voter registration form are true. I am a citizen of the United States, I am not presently denied my civil rights as a result of being convicted of an infamous crime, I will have lived in this state, county, and precinct thirty days immediately preceding the next election at which I offer to vote, and I will be at least eighteen years of age at the time of voting."

The voter registration by mail form shall provide, in a conspicuous place, the following warning: "Knowingly providing false information on this voter registration form or knowingly making a false declaration about your qualifications for registration is a class C felony punishable by imprisonment for up to five years, or by a fine not to exceed ten thousand dollars, or by both such imprisonment and fine."

NEW SECTION. Sec. 6. On receipt of an application for voter registration under this chapter, the county auditor shall review the application to determine whether the information supplied is complete. If it is not, the auditor shall promptly send notice of the deficiency to the applicant. If the information is complete, the applicant is registered as of the date of the application's postmark. If there is no postmark or if the postmark is illegible, the applicant is registered on the date the complete and correct application was received by the auditor. The auditor shall record the appropriate precinct identification, taxing district identification, and date of registration on the voter's record. Within forty-five days after the receipt of an application but no later than seven days before the next primary, special election, or general election, the auditor shall send to the applicant, by first class mail, a voter registration card identifying the registrant's precinct and containing such other information as may be required by the secretary of state. The postal service shall be instructed not to forward a voter registration card to any other address and to return to the auditor any card which is not deliverable.

If a voter registration card is properly mailed as required by this section to the address listed by the applicant as being the applicant's mailing address and the card is subsequently returned to the auditor by the postal service as being undeliverable to the applicant at that address, the auditor shall immediately cancel the voter registration of the applicant. The auditor shall promptly send the applicant a notice and explanation of the cancellation, and a registration application form. The postal service shall be requested to forward this notice as applicable.

NEW SECTION. Sec. 7. The secretary of state shall adopt an application form for registering by mail under RCW 29.07.140. An applicant registering to vote by mail shall be required to complete only one form and to provide the required information, other than his or her signature, no more than once. However, costs incurred by the secretary of state during 1994 and 1995 in the printing and distribution of voter registration forms shall be reimbursed by the counties. This cost shall be considered an election cost under RCW 29.13.045 and be prorated as part of the 1994 and 1995 general election costs.

**NEW SECTION.** Sec. 9. Violations of this chapter shall be prosecuted under chapter 29.07 RCW or any other applicable provisions of law.

(1) The county auditor may enter one or more contracts with the United States postal service, or its licensee, which permit the auditor to use postal service change-of-address information. If the auditor finds that information received under such a contract gives the appearance that a voter has changed his or her residence address, the auditor shall notify the voter concerning the requirements of state and federal laws governing voter registration and residence.

(2) Whenever any vote-by-mail ballot, notification to voters following reprecincting of the county, notification to voters of selection to serve on jury duty, notification under subsection (1) of this section, or voter identification card other than a voter identification card issued under section 6 of this act is returned by the postal service as undeliverable, the county auditor shall, in every instance, inquire into the validity of the registration of that voter.

(3) The county auditor shall initiate his or her inquiry by sending, by first-class mail, a written notice to the challenged voter at the address indicated on the voter's permanent registration record and to any other address at which the county auditor could reasonably expect mail to be received by the voter. The county auditor shall not request any restriction on the forwarding of such notice by the postal service. The notice shall contain the nature of the inquiry and provide a suitable form for reply. The notice shall also contain a warning that the county auditor must receive a response within forty-five days from the date of mailing or the individual’s voter registration will be canceled.

(4) The voter, in person or in writing, may state that the information on the permanent voter registration record is correct or may request a change in the address information on the permanent registration record no later than the forty-fifth day after the date of mailing the inquiry.

(5) Upon the timely receipt of a response signed by the voter, the county auditor shall consider the inquiry satisfied and will make any address corrections requested by the voter on the permanent registration record. The county auditor shall cancel the registration of a voter who fails to respond to the notice of inquiry within forty-five days after the date of mailing.
(6) The county auditor shall notify any voter whose registration has been canceled by sending, by first class mail, a written notice to the address indicated on the voter's permanent registration record and to any other address to which the original inquiry was sent. Upon receipt of a satisfactory voter response, the auditor shall reinstate the voter.

(7) A voter whose registration has been canceled under this section and who offers to vote at the next ensuing election shall be issued a questioned ballot. Upon receipt of such a questioned ballot the auditor shall investigate the circumstances surrounding the original cancellation. If he or she determines that the cancellation was in error, the voter's registration shall be immediately reinstated, and the voter's questioned ballot shall be counted. If the original cancellation was not in error, the voter shall be afforded the opportunity to reregister at his or her correct address, and the voter's questioned ballot shall not be counted.

AN ACT Relating to taxation of property affected by growth management regulations; and amending RCW 84.40.030.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 84.40.030 and 1988 c 222 s 14 are each amended to read as follows:

All property shall be valued at one hundred percent of its true and fair value in money and assessed on the same basis unless specifically provided otherwise by law.

Taxable leasehold estates shall be valued at such price as they would bring at a fair, voluntary sale for cash without any deductions for any indebtedness owed including rentals to be paid. Notwithstanding any other provisions of this section or of any other statute, when the value of any taxable leasehold estate created prior to January 1, 1971 is being determined for assessment years prior to the assessment year 1973, there shall be deducted from what would otherwise be the value thereof the present worth of the rentals and other consideration which may be required of the lessee by the lessor for the unexpired term thereof: PROVIDED, That the foregoing provisions of this sentence shall not apply to any extension or renewal, made after December 31, 1970 of the term of any such estate, or to any such estate after the date, if any, provided for in the agreement for rental renegotiation.

The true and fair value of real property for taxation purposes (including property upon which there is a coal or other mine, or stone or other quarry) shall be based upon the following criteria:

(1) Any sales of the property being appraised or similar properties with respect to sales made within the past five years. The appraisal shall (be) consistent with the comprehensive land use plan, development regulations under chapter 36.70A RCW, zoning, and any other governmental policies or practices in effect at the time of appraisal that affect the use of property, as well as physical and environmental influences. The appraisal shall also take into account, (a) in the use of sales by real estate contract as similar sales, the extent, if any, to which the stated selling price has been increased by reason of the down payment, interest rate, or other financing...
WASHINGTON LAWS, 1993

terms; and (b) the extent to which the sale of a similar property actually represents the general effective market demand for property of such type, in the geographical area in which such property is located. Sales involving deed releases or similar seller-developer financing arrangements shall not be used as sales of similar property.

(2) In addition to sales as defined in subsection (1), consideration may be given to cost, cost less depreciation, reconstruction cost less depreciation, or capitalization of income that would be derived from prudent use of the property. In the case of property of a complex nature, or being used under terms of a franchise from a public agency, or operating as a public utility, or property not having a record of sale within five years and not having a significant number of sales of similar property in the general area, the provisions of this subsection (2) shall be the dominant factors in valuation. When provisions of this subsection (2) are relied upon for establishing values the property owner shall be advised upon request of the factors used in arriving at such value.

(3) In valuing any tract or parcel of real property, the value of the land, exclusive of structures thereon shall be determined; also the value of structures thereon, but the valuation shall not exceed the value of the total property as it exists. In valuing agricultural land, growing crops shall be excluded.

TRANSPORTATION PROJECTS IN URBAN AREAS—ISSUANCE OF BONDS
BY TRANSPORTATION IMPROVEMENT BOARD
Effective Date: 7/25/93

AN ACT Relating to bond authorization for the transportation improvement board; and adding new sections to chapter 47.26 RCW.

Be it enacted by the Legislature of the State of Washington:

**NEW SECTION.** Sec. 1. In order to provide funds necessary to meet the urgent construction needs on state, county, and city transportation projects within urban areas, there are hereby authorized for issuance general obligation bonds of the state of Washington in the sum of fifty million dollars, which shall be issued
and sold in such amounts and at such times as determined to be necessary by the state transportation improvement board. The amount of such bonds issued and sold under the provisions of sections 1 through 8 of this act in any biennium shall not exceed the amount of a specific appropriation therefor, from the proceeds of such bonds, for the construction of state, county, and city transportation projects in urban areas. The issuance, sale, and retirement of the bonds shall be under the supervision and control of the state finance committee which, upon request being made by the state transportation commission on behalf of the transportation improvement board, shall provide for the issuance, sale, and retirement of coupon or registered bonds to be dated, issued, and sold from time to time in such amounts as shall be requested by the state transportation commission.

NEW SECTION. Sec. 2. Each of such bonds shall be made payable at any time not exceeding thirty years from the date of its issuance, with such reserved rights of prior redemption, bearing such interest, and such terms and conditions, as the state finance committee may prescribe to be specified therein. The bonds shall be signed by the governor and the state treasurer under the seal of the state, either or both of which signatures may be in printed facsimile, and any coupons attached to such bonds shall be signed by the same officers whose signatures thereon may be in printed facsimile. Any bonds may be registered in the name of the holder on presentation to the state treasurer or at the fiscal agency of the state of Washington in Seattle or New York City, as to principal alone, or as to both principal and interest under such rules as the state treasurer may adopt. Such bonds shall be payable at such places as the state finance committee may provide. All bonds issued hereunder shall be fully negotiable instruments.

NEW SECTION. Sec. 3. The bonds issued under sections 1 through 8 of this act shall be in denominations to be prescribed by the state finance committee and may be sold in such manner and in such amounts and at such times and on such terms and conditions as the committee may prescribe. The state finance committee may obtain insurance, letters of credit, or other credit facility devices with respect to the bonds and may authorize the execution and delivery of agreements, promissory notes, and other obligations for the purpose of insuring the payment or enhancing the marketability of the bonds. Promissory notes or other obligations issued pursuant to this section shall not constitute a debt or the contracting of indebtedness under any constitutional or statutory indebtedness limitation if their payment is conditioned upon the failure of the state to pay the principal of or interest on the bonds with respect to which the promissory notes or other obligations relate. The state finance committee may authorize the issuance of short-term obligations in lieu of long-term obligations for the purposes of more favorable interest rates, lower total interest costs, and increased marketability and for the purpose of retiring the bonds during the life of the project for which they were issued. Bonds issued under the provisions of
sections 1 through 8 of this act shall be legal investment for any of the funds of the state, except the permanent school fund.

**NEW SECTION.** Sec. 4. The money arising from the sale of the bonds shall be deposited in the state treasury to the credit of the transportation improvement account in the motor vehicle fund, and such money shall be available only for the construction and improvement of state, county, and city transportation projects, and for payment of the expense incurred in the printing, issuance, and sale of any such bonds. The costs of obtaining insurance, letters of credit, or other credit enhancement devices with respect to the bonds shall be considered to be expenses incurred in the issuance and sale of the bonds.

**NEW SECTION.** Sec. 5. Bonds issued under the provisions of sections 1 through 8 of this act shall distinctly state that they are a general obligation of the state of Washington, shall pledge the full faith and credit of the state to the payment of the principal thereof and the interest thereon, and shall contain an unconditional promise to pay such principal and interest as the same shall become due. The principal and interest on such bonds shall be first payable in the manner provided in sections 1 through 8 of this act from the proceeds of state excise taxes on motor vehicle and special fuels imposed by chapters 82.36, 82.37, and 82.38 RCW. The proceeds of such excise taxes are hereby pledged to the payment of any such bonds and the interest thereon, and the legislature hereby agrees to continue to impose the same excise taxes on motor vehicle and special fuels in amounts sufficient to pay, when due, the principal and interest on all such bonds.

**NEW SECTION.** Sec. 6. Any funds required to repay such bonds, or the interest thereon when due, shall be taken from that portion of the motor vehicle fund which results from the imposition of excise taxes on motor vehicle and special fuels and which is distributed to the transportation improvement account in the motor vehicle fund, and shall never constitute a charge against any allocations of any other such funds in the motor vehicle fund to the state, counties, cities, and towns unless and until the amount of the motor vehicle fund arising from the excise tax on motor vehicle and special fuels and distributed to the transportation improvement account proves insufficient to meet the requirements for bond retirement or interest on any such bonds.

**NEW SECTION.** Sec. 7. At least one year prior to the date any interest is due and payable on such bonds or before the maturity date of any such bonds, the state finance committee shall estimate, subject to the provisions of section 6 of this act the percentage of the receipts in money of the motor vehicle fund, resulting from collection of excise taxes on motor vehicle and special fuels, for each month of the year which shall be required to meet interest or bond payments under sections 1 through 8 of this act when due, and shall notify the state treasurer of such estimated requirement. The state treasurer, subject to section 6 of this act, shall thereafter from time to time each month as such funds are paid into the motor vehicle fund, transfer such percentage of the monthly
receipts from excise taxes on motor vehicle and special fuels of the motor vehicle fund to the highway bond retirement fund, maintained in the office of the state treasurer, which fund shall be available for payment of interest or bonds when due. If in any month it shall appear that the estimated percentage of money so made is insufficient to meet the requirements for interest or bond retirement, the treasurer shall notify the state finance committee forthwith and such committee shall adjust its estimates so that all requirements for interest and principal of all bonds issued shall be fully met at all times.

NEW SECTION. Sec. 8. Whenever the percentage of the motor vehicle fund arising from excise taxes on motor vehicle and special fuels payable into the highway bond retirement fund, shall prove more than is required for the payment of interest on bonds when due, or current retirement of bonds, any excess may, in the discretion of the state finance committee, be available for the prior redemption of any bonds or remain available in the fund to reduce the requirements upon the fuel excise tax portion of the motor vehicle fund at the next interest or bond payment period.

NEW SECTION. Sec. 9. Sections 1 through 8 of this act are each added to chapter 47.26 RCW.

Passed the Senate April 24, 1993.
Passed the House April 25, 1993.
Approved by the Governor May 15, 1993.

Sec. 2. RCW 76.09.040 and 1988 c 36 s 46 are each amended to read as follows:

(1) Where necessary to accomplish the purposes and policies stated in RCW 76.09.010, and to implement the provisions of this chapter, the board shall promulgate forest practices regulations pursuant to chapter 34.05 RCW and in accordance with the procedures enumerated in this section that:

(a) Establish minimum standards for forest practices;

(b) Provide procedures for the voluntary development of resource management plans which may be adopted as an alternative to the minimum standards in (a) of this subsection if the plan is consistent with the purposes and policies stated in RCW 76.09.010 and the plan meets or exceeds the objectives of the minimum standards; and

(c) Set forth necessary administrative provisions; and

Prior to initiating the rule making process, the proposed regulations shall be submitted for review and comments to the department of fisheries, the department of wildlife, and to the counties of the state. After receipt of the proposed forest practices regulations, the departments of fisheries and wildlife and the counties of the state shall have thirty days in which to review and submit comments to the board, and to the department of ecology with respect to its proposed regulations relating to water quality protection. After the expiration of such thirty day period the board and the department of ecology shall jointly hold one or more hearings on the proposed regulations pursuant to chapter 34.05 RCW. At such hearing(s) any county may propose specific forest practices regulations relating to problems existing within such county. The board and the
department of ecology may adopt such proposals if they find the proposals are consistent with the purposes and policies of this chapter.

Sec. 3. RCW 76.09.050 and 1990 1st ex.s. c 17 s 61 are each amended to read as follows:

Class II: Forest practices which have a less than ordinary potential for damaging a public resource that may be conducted without submitting an application and may begin five calendar days, or such lesser time as the department may determine, after written notification by the operator, in the manner, content, and form as prescribed by the department, is received by the department. However, the work may not begin until all forest practice fees required under section 5 of this act have been received by the department. Class II shall not include forest practices:

Such evaluation shall be made within ten days from the date the department receives the application: PROVIDED, That nothing herein shall be construed to prevent any local or regional governmental entity from determining that a detailed statement must be prepared for an action pursuant to a Class IV forest practice taken by that governmental entity concerning the land on which forest practices will be conducted. A Class IV application must be approved or disapproved by the department within thirty calendar days from the date the department receives the application, unless the
department determines that a detailed statement must be made, in which case the application must be approved or disapproved by the department within sixty calendar days from the date the department receives the application, unless the commissioner of public lands, through the promulgation of a formal order, determines that the process cannot be completed within such period. However, the applicant may not begin work on that forest practice until all forest practice fees required under section 5 of this act have been received by the department.

Forest practices under Classes I, II, and III are exempt from the requirements for preparation of a detailed statement under the state environmental policy act.

(2) No Class II, Class III, or Class IV forest practice shall be commenced or continued after January 1, 1975, unless the department has received a notification with regard to a Class II forest practice or approved an application with regard to a Class III or Class IV forest practice containing all information required by RCW 76.09.060 as now or hereafter amended: PROVIDED, That any person commencing a forest practice during 1974 may continue such forest practice until April 1, 1975, if such person has submitted an application to the department prior to January 1, 1975: PROVIDED, FURTHER, That in the event forest practices regulations necessary for the scheduled implementation of this chapter and RCW 90.48.420 have not been adopted in time to meet such schedules, the department shall have the authority to regulate forest practices and approve applications on such terms and conditions consistent with this chapter and RCW 90.48.420 and the purposes and policies of RCW 76.09.010 until applicable forest practices regulations are in effect.

(4) Forest practices shall be conducted in accordance with the forest practices regulations, orders and directives as authorized by this chapter or the forest practices regulations, and the terms and conditions of any approved applications.

(5) The department of natural resources shall notify the applicant in writing of either its approval of the application or its disapproval of the application and the specific manner in which the application fails to comply with the provisions of this section or with the forest practices regulations. Except as provided otherwise in this section, if the department fails to either approve or disapprove an application or any portion thereof within the applicable time limit, the application shall be deemed approved and the operation may be commenced: PROVIDED, That this provision shall not apply to applications which are neither approved nor disapproved pursuant to the provisions of subsection (7) of this section: PROVIDED, FURTHER, That if seasonal field conditions prevent the department from being able to properly evaluate the application, the department may issue an approval conditional upon further review within sixty days:
PROVIDED, FURTHER, That the department shall have until April 1, 1975, to approve or disapprove an application involving forest practices allowed to continue to April 1, 1975, under the provisions of subsection (2) of this section. Upon receipt of any notification or any satisfactorily completed application the department shall in any event no later than two business days after such receipt transmit a copy to the departments of ecology, wildlife, and fisheries, and to the county, city, or town in whose jurisdiction the forest practice is to be commenced. Any comments by such agencies shall be directed to the department of natural resources.

(6) If the county, city, or town believes that an application is inconsistent with this chapter, the forest practices regulations, or any local authority consistent with RCW 76.09.240 as now or hereafter amended, it may so notify the department and the applicant, specifying its objections.

(7) The department shall not approve portions of applications to which a county, city, or town objects if:

(a) The department receives written notice from the county, city, or town of such objections within fourteen business days from the time of transmittal of the application to the county, city, or town, or one day before the department acts on the application, whichever is later; and

(b) The objections relate to lands either:
   (i) Platted after January 1, 1960; or
   (ii) Being converted to another use.

The department shall either disapprove those portions of such application or appeal the county, city, or town objections to the appeals board. If the objections related to subparagraphs (b) (i) and (ii) of this subsection are based on local authority consistent with RCW 76.09.240 as now or hereafter amended, the department shall disapprove the application until such time as the county, city, or town consents to its approval or such disapproval is reversed on appeal. The applicant shall be a party to all department appeals of county, city, or town objections. Unless the county, city, or town either consents or has waived its rights under this subsection, the department shall not approve portions of an application affecting such lands until the minimum time for county, city, or town objections has expired.

(8) In addition to any rights under the above paragraph, the county, city, or town may appeal any department approval of an application with respect to any lands within its jurisdiction. The appeals board may suspend the department's approval in whole or in part pending such appeal where there exists potential for immediate and material damage to a public resource.

(9) Appeals under this section shall be made to the appeals board in the manner and time provided in RCW 76.09.220(8). In such appeals there shall be no presumption of correctness of either the county, city, or town or the department position.

(10) The department shall, within four business days notify the county, city, or town of all notifications, approvals, and disapprovals of an application
affecting lands within the county, city, or town, except to the extent the county, city, or town has waived its right to such notice.

(11) A county, city, or town may waive in whole or in part its rights under this section, and may withdraw or modify any such waiver, at any time by written notice to the department.

Sec. 4. RCW 76.09.060 and 1992 c 52 s 22 are each amended to read as follows:

(1) The department shall prescribe the form and contents of the notification and application. The forest practices rules shall specify by whom and under what conditions the notification and application shall be signed or otherwise certified as acceptable. The application or notification shall be delivered in person to the department, sent by first class mail to the department or electronically filed in a form defined by the department. The form for electronic filing shall be readily convertible to a paper copy, which shall be available to the public pursuant to chapter 42.17 RCW. The information required may include, but is not limited to:

(a) Name and address of the forest landowner, timber owner, and operator;
(b) Description of the proposed forest practice or practices to be conducted;
(c) Legal description of the land on which the forest practices are to be conducted;
(d) Planimetric and topographic maps showing location and size of all lakes and streams and other public waters in and immediately adjacent to the operating area and showing all existing and proposed roads and major tractor roads;
(e) Description of the silvicultural, harvesting, or other forest practice methods to be used, including the type of equipment to be used and materials to be applied;
(f) Proposed plan for reforestation and for any revegetation necessary to reduce erosion potential from roadsides and yarding roads, as required by the forest practices rules;
(g) Soil, geological, and hydrological data with respect to forest practices;
(h) The expected dates of commencement and completion of all forest practices specified in the application;
(i) Provisions for continuing maintenance of roads and other construction or other measures necessary to afford protection to public resources; (and)
(j) An affirmation that the statements contained in the notification or application are true; and
(k) All necessary application or notification fees.

(2) Long range plans may be submitted to the department for review and consultation.

(3) The application for a forest practice or the notification of a class II forest practice shall indicate whether any land covered by the application or notification will be converted or is intended to be converted to a use other than commercial timber production within three years after completion of the forest practices described in it.
(a) If the application states that any such land will be or is intended to be so converted:

(i) The reforestation requirements of this chapter and of the forest practices rules shall not apply if the land is in fact so converted unless applicable alternatives or limitations are provided in forest practices rules issued under RCW 76.09.070 as now or hereafter amended;

(ii) Completion of such forest practice operations shall be deemed conversion of the lands to another use for purposes of chapters (84.33) 84.33((T)) and 84.34 RCW unless the conversion is to a use permitted under a current use tax agreement permitted under chapter 84.34 RCW;

(iii) The forest practices described in the application are subject to applicable county, city, town, and regional governmental authority permitted under RCW 76.09.240 as now or hereafter amended as well as the forest practices rules.

(b) If the application or notification does not state that any land covered by the application or notification will be or is intended to be so converted:

(i) For six years after the date of the application the county, city, town, and regional governmental entities may deny any or all applications for permits or approvals, including building permits and subdivision approvals, relating to nonforestry uses of land subject to the application;

(ii) Failure to comply with the reforestation requirements contained in any final order or decision shall constitute a removal ((from classification under the provisions of RCW 84.28.065, a removal)) of designation under the provisions of RCW 84.33.140, and a change of use under the provisions of RCW 84.34.080, and, if applicable, shall subject such lands to the payments and/or penalties resulting from such removals or changes; and

(iii) Conversion to a use other than commercial timber operations within three years after completion of the forest practices without the consent of the county, city, or town shall constitute a violation of each of the county, municipal city, town, and regional authorities to which the forest practice operations would have been subject if the application had so stated.

(c) The application or notification shall be either signed by the landowner or accompanied by a statement signed by the landowner indicating his or her intent with respect to conversion and acknowledging that he or she is familiar with the effects of this subsection.

(4) Whenever an approved application authorizes a forest practice which, because of soil condition, proximity to a water course or other unusual factor, has a potential for causing material damage to a public resource, as determined by the department, the applicant shall, when requested on the approved application, notify the department two days before the commencement of actual operations.

(5) Before the operator commences any forest practice in a manner or to an extent significantly different from that described in a previously approved application or notification, there shall be submitted to the department a new application or notification form in the manner set forth in this section.
(6) The notification to or the approval given by the department to an application to conduct a forest practice shall be effective for a term of two years from the date of approval or notification and shall not be renewed unless a new application is filed and approved or a new notification has been filed. At the option of the applicant, an application or notification may be submitted to cover a single forest practice or a number of forest practices within reasonable geographic or political boundaries as specified by the department. An application or notification that covers more than one forest practice may have an effective term of more than two years. The board shall adopt rules that establish standards and procedures for approving an application or notification that has an effective term of more than two years. Such rules shall include extended time periods for application or notification approval or disapproval. On an approved application with a term of more than two years, the applicant shall inform the department before commencing operations.

(7) Notwithstanding any other provision of this section, no prior application or notification shall be required for any emergency forest practice necessitated by fire, flood, windstorm, earthquake, or other emergency as defined by the board, but the operator shall submit an application or notification, whichever is applicable, to the department within forty-eight hours after commencement of such practice.

NEW SECTION. Sec. 5. A new section is added to chapter 76.09 RCW to read as follows:

(1) Effective July 1, 1993, an applicant shall pay a fee at the time an application or notification is submitted pursuant to RCW 76.09.060. All money collected from the fees under this section shall be deposited in the state general fund. The fee shall be fifty dollars for class II, III, and IV forest practices applications or notifications relating to the commercial harvest of timber. However, the fee shall be five hundred dollars for class IV forest practices applications on lands being converted to other uses or on lands which are not to be reforested because of the likelihood of future conversion to urban development.

(2) An application fee under subsection (1) of this section shall be refunded or credited to the applicant if either the application is disapproved by the department or the application is withdrawn by the applicant due to restrictions imposed by the department.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

[Senate Bill 5251]

SALES TAX—NONRESIDENT EXEMPTION—IDENTIFICATION REQUIREMENTS

Effective Date: 7/25/93

AN ACT Relating to the nonresident sales tax exemption; and amending RCW 82.08.0273.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 82.08.0273 and 1988 c 96 s 1 are each amended to read as follows:

(1) The tax levied by RCW 82.08.020 shall not apply to sales to nonresidents of this state of tangible personal property for use outside this state when the purchaser (a) is a bona fide resident of a state or possession or Province of Canada other than the state of Washington and such state, possession, or Province of Canada does not impose a retail sales tax or use tax of three percent or more or, if imposing such a tax, permits Washington residents exemption from otherwise taxable sales by reason of their residence, and (b) agrees, when requested, to grant the department of revenue access to such records and other forms of verification at his or her place of residence to assure that such purchases are not first used substantially in the state of Washington.

(2)(a) Any person claiming exemption from retail sales tax under the provisions of this section must display proof of his or her current nonresident status as herein provided.

(b) Acceptable proof of a nonresident person's status shall include one piece of identification such as a valid driver's license from the jurisdiction in which the out-of-state residency is claimed or a valid identification card which has a photograph of the holder and is issued by the out-of-state jurisdiction. Identification under this subsection (2)(b) must show the holder's residential address and have as one of its legal purposes the establishment of residency in that out-of-state jurisdiction.

(3) Nothing in this section requires the vendor to make tax exempt retail sales to nonresidents. A vendor may choose to make sales to nonresidents, collect the sales tax, and remit the amount of sales tax collected to the state as otherwise provided by law. If the vendor chooses to make a sale to a nonresident without collecting the sales tax, the vendor shall, in good faith, examine the proof of nonresidence, determine whether the proof is acceptable under subsection (2)(b) of this section, and maintain records for each nontaxable sale which shall show the type of proof accepted, including any identification numbers where appropriate, and the expiration date, if any.

(4)(a) Any person making fraudulent statements, which includes the offer of fraudulent identification or fraudulently procured identification to a vendor, in order to purchase goods without paying retail sales tax shall be guilty of perjury.
Any person making tax exempt purchases under this section by displaying proof of identification not his or her own, or counterfeit identification, with intent to violate the provisions of this section, shall be guilty of a misdemeanor and, in addition, shall be liable for the tax and subject to a penalty equal to the greater of one hundred dollars or the tax due on such purchases.

(b) Any vendor who makes sales without collecting the tax to a person who does not hold valid identification establishing out-of-state residency, and any vendor who fails to maintain records of sales to nonresidents as provided in this section, shall be personally liable for the amount of tax due. Any vendor who makes sales without collecting the retail sales tax under this section and who has actual knowledge that the purchaser's proof of identification establishing out-of-state residency is fraudulent shall be guilty of a misdemeanor and, in addition, shall be liable for the tax and subject to a penalty equal to the greater of one thousand dollars or the tax due on such sales. In addition, both the purchaser and the vendor shall be liable for any penalties and interest assessable under chapter 82.32 RCW.

CHAPTER 445
[Senate Bill 5828]
PRIVATE VOCATIONAL SCHOOLS—PAYMENT OF CLAIMS AGAINST CLOSED SCHOOLS
Effective Date: 7/25/93

AN ACT Relating to vocational education; amending RCW 28C.10.020, 28C.10.084, 28C.10.120, and 43.84.092; and repealing RCW 28C.10.910.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 28C.10.020 and 1991 c 238 s 81 are each amended to read as follows:

(2) "Agent" means a person owning an interest in, employed by, or representing for remuneration a private vocational school within or without this state, who enrolls or personally attempts to secure the enrollment in a private vocational school of a resident of this state, offers to award educational credentials for remuneration on behalf of a private vocational school, or holds himself or herself out to residents of this state as representing a private vocational school for any of these purposes.
(3) "Degree" means any designation, appellation, letters, or words including but not limited to "associate," "bachelor," "master," "doctor," or "fellow" which signify or purport to signify satisfactory completion of an academic program of study beyond the secondary school level.

(4) "Education" includes but is not limited to, any class, course, or program of training, instruction, or study.

(5) "Educational credentials" means degrees, diplomas, certificates, transcripts, reports, documents, or letters of designation, marks, appellations, series of letters, numbers, or words which signify or appear to signify enrollment, attendance, progress, or satisfactory completion of the requirements or prerequisites for any educational program.

(6) "Entity" includes, but is not limited to, a person, company, firm, society, association, partnership, corporation, or trust.

Sec. 2. RCW 28C.10.084 and 1990 c 188 s 8 are each amended to read as follows:

(1) The agency shall establish, maintain, and administer a tuition recovery trust fund. All funds collected for the tuition recovery trust fund are payable to the state for the benefit and protection of any student or enrollee of a private vocational school licensed under this chapter, or, in the case of a minor, his or her parents or guardian, for purposes including but not limited to the settlement of claims related to school closures under subsection (9) of this section and the settlement of claims under RCW 28C.10.120. The fund shall be liable for settlement of claims and costs of administration but shall not be liable to pay out or recover penalties assessed under RCW 28C.10.130 or 28C.10.140. No liability accrues to the state of Washington from claims made against the fund.

(2) By June 30, 1998, a minimum operating balance of one million dollars shall be achieved in the fund and maintained thereafter. If disbursements reduce the operating balance below two hundred thousand dollars at any time before June 30, 1998, or below one million dollars thereafter, each participating entity shall be assessed a pro rata share of the deficiency created, based upon the incremental scale created under subsection (6) of this section. The agency shall adopt schedules of times and amounts for effecting payments of assessment.
(3) To be and remain licensed under this chapter each entity shall, in addition to other requirements under this chapter, make cash deposits into a tuition recovery trust fund as a means to assure payment of claims brought under this chapter. ((The fund shall be initially capitalized at two hundred thousand dollars and shall achieve an operating balance of at least one million dollars within five years after May 18, 1987, as required under subsection (5) of this section.))

(4) The amount of liability that can be satisfied by this fund on behalf of each individual entity licensed under this chapter shall be established by the agency, based on an incremental scale that recognizes the average amount of unearned prepaid tuition in possession of the entity. However, the minimum amount of liability for any entity shall not be less than five thousand dollars ((and the maximum amount shall not exceed two hundred thousand dollars. Such limitation on each entity's liability remains unchanged by single or cumulative disbursements made on behalf of the entity)). The upper limit of liability is reestablished ((following the settlement of any claim)) after any disbursements are made to settle an individual claim or class of claims.

(5) Within sixty days after any entity deposits its initial contribution into the fund, the agency shall release whatever surety such entity had previously filed. Thereupon, the tuition recovery fund shall be liable for a period of one year following the date such surety is released with respect to prior claims against the surety. However, the liability of the fund is limited to the amount of and subject to the defenses of that released surety as though it had remained on file with the agency.))

(6) The agency shall adopt by rule a matrix for calculating the deposits into the fund required of each entity. Proration shall be determined by factoring the entity's share of liability in proportion to the aggregated liability of all participants under the fund by grouping such prorations under the incremental scale created ((in)) by subsection (((3))) (4) of this section. Expressed as a percentage of the total liability, that figure determines the amount to be contributed when factored into a fund containing one million dollars. The total amount of its prorated share, minus the amount paid for initial capitalization, shall be payable in ((ten equal)) up to twenty increments over a ((five)) ten-year period, commencing with the sixth month after ((May 18, 1987)) the entity makes its initial capitalization deposit. Additionally, the agency shall require deposits for initial capitalization, under which the amount each entity deposits is proportionate to its share of two hundred thousand dollars, employing the matrix developed under this subsection. The amount thus established shall be deposited ((by each licensee of record, within thirty days after May 18, 1987, and a like amount shall be deposited)) by each ((subsequent)) applicant for initial licensing before the issuance of such license.
((6)) (7) No vested right or interests in deposited funds is created or implied for the depositor, either at any time during the operation of the fund or at any such future time that the fund may be dissolved. All funds deposited are payable to the state for the purposes described under this section. The agency shall maintain the fund, serve appropriate notices to affected entities when scheduled deposits are due, collect deposits, and make disbursements to settle claims against the fund. When the aggregated deposits total five million dollars and the history of disbursements justifies such modifications, the agency may at its own option reduce the schedule of deposits whether as to time, amount, or both and the agency may also entertain proposals from among the licensees with regard to disbursing surplus funds for such purposes as vocational scholarships.

((7) The agency shall make determinations) (8) Based on annual financial data supplied by the entity the agency shall determine whether the increment assigned to that entity on the incremental scale established under subsection ((5)) (6) of this section has changed. If an increase or decrease in gross annual tuition income has occurred, a corresponding change in its incremental position and contribution schedule shall be made before the date of its next scheduled deposit into the fund. Such adjustments shall only be calculated and applied annually.

((8)) (9) No deposits made into the fund by an entity are transferable. If the majority ownership interest in an entity is conveyed through sale or other means into different ownership, all contributions made to the date of transfer accrue to the fund. The new owner commences contributions under provisions applying to a new applicant.

((9)) (10) To settle claims adjudicated under RCW 28C.10.120 and claims resulting when a private vocational school ceases to provide educational services, the agency may make disbursements from the fund. Students enrolled under a training contract executed between a school and a public or private agency or business are not eligible to make a claim against the fund. In addition to the processes described for making reimbursements related to claims under RCW 28C.10.120, the following procedures are established to deal with reimbursements related to school closures:

(a) The agency shall attempt to notify all potential claimants. The unavailability of records and other circumstances surrounding a school closure may make it impossible or unreasonable for the agency to ascertain the names and whereabouts of each potential claimant but the agency shall make reasonable inquiries to secure that information from all likely sources. The agency shall then proceed to settle the claims on the basis of information in its possession. The agency is not responsible or liable for claims or for handling claims that may subsequently appear or be discovered.
(b) Thirty days after identified potential claimants have been notified, if a claimant refuses or neglects to file a claim verification as requested in such notice, the agency shall be relieved of further duty or action on behalf of the claimant under this chapter.

(c) After verification and review, the agency may disburse funds from the tuition recovery trust fund to settle or compromise the claims. However, the liability of the fund for claims against the closed entity shall not exceed (that total amount of the contribution schedule) the maximum amount of liability assigned to that entity under subsection ((5)) (6) of this section.

(d) In the instance of claims against a closed school, the agency shall seek to recover such disbursed funds from the assets of the defaulted entity, including but not limited to asserting claims as a creditor in bankruptcy proceedings.

((40)) (e) When funds are disbursed to settle claims against a current licensee, the agency shall make demand upon the licensee for recovery. The agency shall adopt schedules of times and amounts ((acceptable)) for effecting recoveries. An entity’s failure to perform subjects its license to suspension or revocation under RCW 28C.10.050 in addition to any other available remedies.

(f) A minimum operating balance of two hundred thousand dollars shall be maintained in the fund. If disbursements reduce the balance below two hundred thousand dollars, each participating entity shall be assessed a pro rata share of the deficiency created, based upon the incremental scale created under subsection (5) of this section. The agency shall promptly adopt schedules of times and amounts acceptable for affecting payments of assessments.))

Sec. 3. RCW 28C.10.120 and 1990 c 188 s 10 are each amended to read as follows:

(1) Complaints may be filed under this chapter only by a person claiming loss of tuition or fees as a result of an unfair business practice ((may file a complaint with the agency)). The complaint shall set forth the alleged violation and shall contain information required by the agency on forms provided for that purpose. A complaint may also be filed with the agency by an authorized staff member of the agency or by the attorney general.

(2) The agency shall investigate any complaint under this section and ((may)) shall first attempt to bring about a negotiated settlement. The agency director or the director’s designee may ((hold a hearing pursuant to the Administrative Procedure Act, chapter 34.05 RCW)) conduct an informal hearing with the affected parties in order to determine whether a violation has occurred.

(3) If((, after the hearing,)) the agency finds that the private vocational school or its agent engaged in or is engaging in any unfair business practice, the agency shall issue and cause to be served upon the violator an order requiring the violator to cease and desist from the act or practice and may impose the penalties provided under RCW 28C.10.130. If the agency finds that the claimant or person has suffered loss as a result of the act or practice, the agency may order the violator to pay full or partial restitution ((for the loss)) of any amounts
lost. The loss may include any money paid for tuition, required or recommended course materials, and any reasonable living expenses incurred by the complainant during the time the complainant was enrolled at the school.

(4) The complainant is not bound by the agency’s determination of restitution. The complainant may reject that determination and may pursue any other legal remedy.

((f4)) (5) The violator may, within twenty days of being served any order described under subsection (3) of this section, file an appeal under the administrative procedure act, chapter 34.05 RCW. Timely filing stays the agency’s order during the pendency of the appeal. If the agency prevails ((in any administrative hearing)), the ((private vocational school)) appellant shall pay the costs of the administrative hearing.

Sec. 4. RCW 43.84.092 and 1992 c 235 s 4 are each amended to read as follows:

(1) All earnings of investments of surplus balances in the state treasury shall be deposited to the treasury income account, which account is hereby established in the state treasury.

(2) Monthly, the state treasurer shall distribute the earnings credited to the treasury income account. The state treasurer shall credit the general fund with all the earnings credited to the treasury income account except:

CHAPTER 446
[Engrossed House Bill 1007]
STATE-WIDE TRANSPORTATION PLANNING DUTIES OF
DEPARTMENT OF TRANSPORTATION
Effective Date: 7/25/93

AN ACT Relating to state transportation planning; amending RCW 47.05.030; adding a new chapter to Title 47 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION, Sec. 1. FINDINGS. The legislature recognizes that the ownership and operation of Washington's transportation system is spread among federal, state, and local government agencies, regional transit agencies, port districts, and the private sector. The legislature also recognizes that transportation planning authority is shared on the local, regional, and state levels, and that this planning must be a comprehensive and coordinated effort. While significant authority for transportation planning is vested with local agencies and regional transportation planning organizations under the growth management act, the legislature recognizes that certain transportation issues and facilities cross local and regional boundaries and are vital to the state-wide economy and the cross-state mobility of people and goods. Therefore, the state has an appropriate role in developing state-wide transportation plans that address state jurisdiction facilities and services as well as transportation facilities and services of state interest. These plans shall serve as a guide for short-term investment needs and provide a long-range vision for transportation system development.

NEW SECTION, Sec. 2. STATE-WIDE TRANSPORTATION PLANNING. The specific role of the department in transportation planning shall be (1) ongoing coordination and development of state-wide transportation policies that guide all Washington transportation providers; (2) ongoing development of a state-wide multimodal transportation plan that includes both state-owned and state-interest facilities and services; (3) coordinating the state high-capacity transportation planning and regional transportation planning programs; and (4) conducting special transportation planning studies that impact state transportation facilities or relate to transportation facilities and services of state-wide significance. Specific requirements for each of these state transportation planning components are described in this chapter.

NEW SECTION, Sec. 3. TRANSPORTATION POLICY PLAN. The commission shall develop a state transportation policy plan that (1) establishes a vision and goals for the development of the state-wide transportation system consistent with the state's growth management goals, (2) identifies significant state-wide transportation policy issues, and (3) recommends state-wide transportation policies and strategies to the legislature to fulfill the requirements of RCW 47.01.071(1). The state transportation policy plan shall be the product of an ongoing process that involves representatives of significant transportation interests and the general public from across the state.
NEW SECTION. Sec. 4. STATE-WIDE MULTIMODAL TRANSPORTATION PLAN. The department shall develop a state-wide multimodal transportation plan under RCW 47.01.071(3) and in conformance with federal requirements, to ensure the continued mobility of people and goods within regions and across the state in a safe, cost-effective manner. The state-wide multimodal transportation plan shall consist of:

(1) A state-owned facilities component, which shall guide state investment for state highways including bicycle and pedestrian facilities, and state ferries; and

(2) A state-interest component, which shall define the state interest in aviation, marine ports and navigation, freight rail, intercity passenger rail, bicycle transportation and pedestrian walkways, and public transportation, and recommend actions in coordination with appropriate public and private transportation providers to ensure that the state interest in these transportation modes is met.

The plans developed under each component must be consistent with the state transportation policy plan and with each other, reflect public involvement, be consistent with regional transportation planning, high-capacity transportation planning, and local comprehensive plans prepared under chapter 36.70A RCW, and include analysis of intermodal connections and choices. A primary emphasis for these plans shall be the improvement and integration of all transportation modes to create a seamless intermodal transportation system for people and goods.

NEW SECTION. Sec. 5. STATE-OWNED FACILITIES COMPONENT OF STATE-WIDE MULTIMODAL TRANSPORTATION PLAN. The state-owned facilities component of the state-wide transportation plan shall consist of:

(1) The state highway system plan, which identifies program and financing needs and recommends specific and financially realistic improvements to preserve the structural integrity of the state highway system, ensure acceptable operating conditions, and provide for enhanced access to scenic, recreational, and cultural resources. The state highway system plan shall contain the following elements:

(a) A system preservation element, which shall establish structural preservation objectives for the state highway system including bridges, identify current and future structural deficiencies based upon analysis of current conditions and projected future deterioration, and recommend program funding levels and specific actions necessary to preserve the structural integrity of the state highway system consistent with adopted objectives. This element shall serve as the basis for the preservation component of the six-year highway program and the two-year biennial budget request to the legislature;

(b) A capacity and operational improvement element, which shall establish operational objectives, including safety considerations, for moving people and goods on the state highway system, identify current and future capacity, operational, and safety deficiencies, and recommend program funding levels and specific improvements and strategies necessary to achieve the operational
objectives. In developing capacity and operational improvement plans the department shall first assess strategies to enhance the operational efficiency of the existing system before recommending system expansion. Strategies to enhance the operational efficiencies include but are not limited to access management, transportation system management, demand management, and high-occupancy vehicle facilities. The capacity and operational improvement element must conform to the state implementation plan for air quality and be consistent with regional transportation plans adopted under chapter 47.80 RCW, and shall serve as the basis for the capacity and operational improvement portions of the six-year highway program and the two-year biennial budget request to the legislature;

(c) A scenic and recreational highways element, which shall identify and recommend designation of scenic and recreational highways, provide for enhanced access to scenic, recreational, and cultural resources associated with designated routes, and recommend a variety of management strategies to protect, preserve, and enhance these resources. The department, affected counties, cities, and towns, regional transportation planning organizations, and other state or federal agencies shall jointly develop this element;

(d) A paths and trails element, which shall identify the needs of nonmotorized transportation modes on the state transportation systems and provide the basis for the investment of state transportation funds in paths and trails, including funding provided under chapter 47.30 RCW.

(2) The state ferry system plan, which shall guide capital and operating investments in the state ferry system. The plan shall establish service objectives for state ferry routes, forecast travel demand for the various markets served in the system, and develop strategies for ferry system investment that consider regional and state-wide vehicle and passenger needs, support local land use plans, and assure that ferry services are fully integrated with other transportation services. The plan shall assess the role of private ferries operating under the authority of the utilities and transportation commission and shall coordinate ferry system capital and operational plans with these private operations. The ferry system plan must be consistent with the regional transportation plans for areas served by the state ferry system, and shall be developed in conjunction with the ferry advisory committees.

NEW SECTION. Sec. 6. STATE-INTEREST COMPONENT OF STATE-WIDE MULTIMODAL TRANSPORTATION PLAN—STATE AVIATION PLAN. The state-interest component of the state-wide multimodal transportation plan shall include an aviation plan, which shall fulfill the state-wide aviation planning requirements of the federal government, coordinate state-wide aviation planning, and identify the program needs for public use and state airports.

NEW SECTION. Sec. 7. STATE-INTEREST COMPONENT OF STATE-WIDE MULTIMODAL TRANSPORTATION PLAN—STATE MARINE PORTS AND NAVIGATION PLAN. The state-interest component of the state-
wide multimodal transportation plan shall include a state marine ports and navigation plan, which shall assess the transportation needs of Washington's marine ports, including navigation, and identify transportation system improvements needed to support the international trade and economic development role of Washington's marine ports.

NEW SECTION. Sec. 8. STATE-INTEREST COMPONENT OF STATE-WIDE MULTIMODAL TRANSPORTATION PLAN—STATE FREIGHT RAIL PLAN. The state-interest component of the state-wide multimodal transportation plan shall include a state freight rail plan, which shall fulfill the state-wide freight rail planning requirements of the federal government, identify freight rail mainline issues, identify light-density freight rail lines threatened with abandonment, establish criteria for determining the importance of preserving the service or line, and recommend priorities for the use of state rail assistance and state rail banking program funds, as well as other available sources of funds. The plan shall also identify existing intercity rail rights of way that should be preserved for future transportation use.

NEW SECTION. Sec. 9. STATE-INTEREST COMPONENT OF STATE-WIDE MULTIMODAL TRANSPORTATION PLAN—STATE INTERCITY PASSENGER RAIL PLAN. The state-interest component of the state-wide multimodal transportation plan shall include an intercity passenger rail plan, which shall analyze existing intercity passenger rail service and recommend improvements to that service under the state passenger rail service program including depot improvements, potential service extensions, and ways to achieve higher train speeds.

NEW SECTION. Sec. 10. STATE-INTEREST COMPONENT OF STATE-WIDE MULTIMODAL TRANSPORTATION PLAN—STATE BICYCLE TRANSPORTATION AND PEDESTRIAN WALKWAYS PLAN. The state-interest component of the state-wide multimodal transportation plan shall include a bicycle transportation and pedestrian walkways plan, which shall propose a state-wide strategy for addressing bicycle and pedestrian transportation, including the integration of bicycle and pedestrian pathways with other transportation modes; the coordination between local governments, regional agencies, and the state in the provision of such facilities; the role of such facilities in reducing traffic congestion; and an assessment of state-wide bicycle and pedestrian transportation needs. This plan shall satisfy the federal requirement for a long-range bicycle transportation and pedestrian walkways plan.

NEW SECTION. Sec. 11. STATE-INTEREST COMPONENT OF STATE-WIDE MULTIMODAL TRANSPORTATION PLAN—STATE PUBLIC TRANSPORTATION PLAN. The state-interest component of the state-wide multimodal transportation plan shall include a state public transportation plan that:
Articulates the state vision of an interest in public transportation and provides quantifiable objectives, including benefits indicators;

Identifies the goals for public transit and the roles of federal, state, regional, and local entities in achieving those goals;

Recommends mechanisms for coordinating state, regional, and local planning for public transportation;

Recommends mechanisms for coordinating public transportation with other transportation services and modes;

Recommends criteria, consistent with the goals identified in subsection (2) of this section and with RCW 82.44.180 (2) and (3), for existing federal authorizations administered by the department to transit agencies; and

Recommends a state-wide public transportation facilities and equipment management system as required by federal law.

In developing the state public transportation plan, the department shall involve local jurisdictions, public and private providers of transportation services, nonmotorized interests, and state agencies with an interest in public transportation, including but not limited to the departments of community development, social and health services, and ecology, the state energy office, the office of the superintendent of public instruction, the office of the governor, and the office of financial management.

The department shall submit an initial report to the legislative transportation committee by December 1, 1993, and shall provide annual reports summarizing the plan’s progress each year thereafter.

NEW SECTION. Sec. 12. HIGH-CAPACITY TRANSPORTATION PLANNING AND REGIONAL TRANSPORTATION PLANNING—DEPARTMENT OF TRANSPORTATION. The department’s role in high-capacity transportation planning and regional transportation planning is to administer state planning grants for these purposes, represent the interests of the state in these regional planning processes, and coordinate other department planning with these regional efforts, including those under RCW 81.104.060.

NEW SECTION. Sec. 13. SPECIAL PLANNING STUDIES. The department may carry out special transportation planning studies to resolve specific issues with the development of the state transportation system or other state-wide transportation issues.

*Sec. 14. RCW 47.05.030 and 1987 c 179 s 2 are each amended to read as follows:

The transportation commission shall adopt and periodically revise, after consultation with the legislative transportation committee, a comprehensive six-year program and financial plan for highway improvements specifying program objectives for each of the highway categories, "A," "B," "C," and "H," defined in this section, and within the framework of estimated funds for such period. The program and plan shall be based upon the improvement needs (for state highways as determined by the department from time to time))
identified in the state highway system plan, as required under section 5 of this act.

With such reasonable deviations as may be required to effectively utilize the estimated funds and to adjust to unanticipated delays in programmed projects, the commission shall allocate the estimated funds among the following described categories of highway improvements, so as to carry out the commission's program objectives:

(1) Category A shall consist of those improvements necessary to sustain the structural, safety, and operational integrity of the existing state highway system (other than improvements to the interstate system to be funded with federal aid at the regular interstate rate under federal law and regulations, and improvements designated in subsections (2) through (4) of this section).

(2) Category B shall consist of improvements for the continued development of the interstate system to be funded with federal aid at the regular interstate rate under federal law and regulations.

(3) Category C shall consist of the development of major transportation improvements (other than improvements to the interstate system to be funded with federal aid at the regular interstate rate under federal law and regulations) including designated but unconstructed highways which are vital to the state-wide transportation network.

(4) Category H shall consist of those improvements necessary to sustain the structural and operational integrity of existing bridges on the highway system (other than bridges on the interstate system or bridge work included in another category because of its association with a highway project in such category).

Projects which are financed one hundred percent by federal funds or other agency funds shall, if the commission determines that such work will improve the state highway system, be managed separately from the above categories.

*Sec. 14 was vetoed, see message at end of chapter.

NEW SECTION. Sec. 15. CODIFICATION DIRECTIVE. Sections 1 through 13 of this act shall constitute a new chapter in Title 47 RCW.

NEW SECTION. Sec. 16. CAPTIONS. Captions used in this act do not constitute any part of the law.

Passed the Senate April 17, 1993.
Approved by the Governor May 17, 1993 except of certain items which were vetoed.

Filed in Office of Secretary of State May 17, 1993.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 14, Engrossed House Bill No. 1007 entitled:

"AN ACT Relating to statewide transportation planning."
This bill defines the Washington State Department of Transportation's role in statewide transportation planning.

Section 14 of the bill, amends RCW 47.05.031, directing that the Transportation Commission's comprehensive six-year program and financial plan for highway improvements be based upon the improvement needs identified in the state-owned facilities component of the Multimodal Transportation Plan created by this legislation. Section 14 is not necessary since the same statute is amended in Substitute Senate Bill No. 5963, an Act Relating To Priority Programming Of Multimodal Solutions To Address State Highway Deficiencies, which also passed the Legislature this session. Substitute Senate Bill No. 5963 spells out in more specific terms how that integration should take place and is the preferred wording for implementation of the intent of both bills.

With the exception of Section 14, Engrossed House Bill No. 1007 is approved."

CHAPTER 447
[Engrossed Substitute House Bill 1085]
COLLEGE AND UNIVERSITY TRANSPORTATION DEMAND MANAGEMENT PROGRAMS
Effective Date: 7/25/93

AN ACT Relating to reducing single-occupancy vehicle travel by students to college campuses; and adding a new chapter to Title 28B RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. Transportation demand management strategies that reduce the number of vehicles on Washington state's highways, roads, and streets, and provide attractive and effective alternatives to single-occupancy travel, can improve ambient air quality, conserve fossil fuels, and forestall the need for capital improvements to the state's transportation system. The legislature has required many public and private employers in the state's largest counties to implement transportation demand management programs to reduce the number of single-occupant vehicle travelers during the morning and evening rush hours, and has provided substantial funding for the University of Washington's UPASS program, which has been immensely successful in its first two years of implementation. The legislature finds that additional transportation demand management strategies are required to mitigate the adverse social, environmental, and economic effects of auto dependency and traffic congestion. While expensive capital improvements, including dedicated busways and commuter rail systems, may be necessary to improve the region's mobility, they are only part of the solution. All public and private entities that attract single-occupant vehicle drivers must develop imaginative and cost-effective ways to encourage walking, bicycling, carpooling, vanpooling, bus riding, and telecommuting. It is the intent of the legislature to revise those portions of state law that inhibit the application of imaginative solutions to the state's transportation mobility problems, and to encourage many more public and private institutions of higher learning to adopt effective transportation demand management strategies.
The legislature finds further that many of the institutions of higher education in the state's largest counties are responsible for significant numbers of single-occupant vehicle trips to and from their campuses. These single-occupant vehicle trips are not only contributing to the degradation of the state's environment and deterioration of its transportation system, but are also usurping parking spaces from surrounding residential communities because existing parking facilities cannot accommodate students' current demand. Therefore, it is the intent of the legislature to permit these institutions to develop and fund transportation demand management programs that reduce single-occupant vehicle travel and promote alternatives to single-occupant vehicle driving. The legislature encourages institutions of higher education to include faculty and staff in their transportation demand management programs.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Transportation fee" means the fee charged to employees and students at institutions of higher education for the purposes provided in section 3 of this act.

(2) "Transportation demand management program" means the set of strategies adopted by an institution of higher education to reduce the number of single-occupant vehicles traveling to its campus. These strategies may include but are not limited to those identified in RCW 70.94.531.

NEW SECTION. Sec. 3. The governing board of an institution of higher education as defined in RCW 28B.10.016 may impose either a voluntary or a mandatory transportation fee on employees and on students at the institution. The transportation fee shall be used solely to fund transportation demand management programs that reduce the demand for campus and neighborhood parking, and promote alternatives to single-occupant vehicle driving. If the board charges a mandatory transportation fee to students, it shall charge a mandatory transportation fee to employees. The transportation fee for employees may exceed, but shall not be lower than the transportation fee charged to students. The transportation fee for employees may be deducted from the employees' paychecks. The transportation fee for students may be imposed annually, or each academic term. For students attending community colleges and technical colleges, the mandatory transportation fee shall not exceed sixty percent of the maximum rate permitted for services and activities fees at community colleges, unless, through a vote, a majority of students consent to increase the transportation fee. For students attending four-year institutions of higher education, the mandatory transportation fee shall not exceed thirty-five percent of the maximum rate permitted for services and activities fees at the institution unless, through a vote, a majority of students consents to increase the transportation fee. The board may make a limited number of exceptions to the fee based on a policy adopted by the board.
NEW SECTION. Sec. 4. Transportation fees shall be spent only on activities directly related to the institution of higher education’s transportation demand management program. These may include, but are not limited to the following activities: Transit, carpool, and vanpool subsidies; ridesharing programs, and program advertising for carpools, vanpools, and transit service; guaranteed ride-home and telecommuting programs; and bicycle storage facilities. Funds may be spent on capital or operating costs incurred in the implementation of any of these strategies, and may be also used to contract with local or regional transit agencies for transportation services. Funds may be used for existing programs if they are incorporated into the campus transportation demand management program.

NEW SECTION. Sec. 5. The board of trustees or board of regents of each institution of higher education imposing a transportation fee shall adopt guidelines governing the establishment and funding of transportation demand management programs supported by transportation fees. These guidelines shall establish procedures for budgeting and expending transportation fee revenue.

NEW SECTION. Sec. 6. Sections 1 through 5 of this act shall constitute a new chapter in Title 28B RCW.

Passed the House April 20, 1993.
Passed the Senate April 15, 1993.
Approved by the Governor May 17, 1993.

(4) "Health care" means any care, service, or procedure provided by a health care provider:

(a) To diagnose, treat, or maintain a patient's physical or mental condition; or

(b) That affects the structure or any function of the human body.

(5) "Health care facility" means a hospital, clinic, nursing home, laboratory, office, or similar place where a health care provider provides health care to patients.

(6) "Health care information" means any information, whether oral or recorded in any form or medium, that identifies or can readily be associated with the identity of a patient and directly relates to the patient's health care. The term includes any record of disclosures of health care information.

In addition, a clerical fee for searching and handling may be charged not to exceed fifteen dollars. These amounts shall be adjusted biennially in accordance with changes in the consumer price index, all consumers, for Seattle-Tacoma metropolitan statistical area as determined by the secretary of health. However, where editing of records by a health care provider is required by statute and is done by the provider personally, the fee may be the usual and customary charge for a basic office visit.
"Third-party payor" means an insurer regulated under Title 48 RCW authorized to transact business in this state or other jurisdiction, including a health care service contractor, and health maintenance organization; or an employee welfare benefit plan; or a state or federal health benefit program.

Sec. 2. RCW 70.02.020 and 1991 c 335 s 201 are each amended to read as follows:

Except as authorized in RCW 70.02.050, a health care provider, an individual who assists a health care provider in the delivery of health care, or an agent and employee of a health care provider may not disclose health care information about a patient to any other person without the patient's written authorization. A disclosure made under a patient's written authorization must conform to the authorization.

Health care providers or facilities shall chart all disclosures, except to third-party (health-care) payors, of health care information, such chartings to become part of the health care information.

Sec. 3. RCW 70.02.030 and 1991 c 335 s 202 are each amended to read as follows:

(1) A patient may authorize a health care provider to disclose the patient's health care information. A health care provider shall honor an authorization and, if requested, provide a copy of the recorded health care information unless the health care provider denies the patient access to health care information under RCW 70.02.090.

(2) A health care provider may charge a reasonable fee (not to exceed the health care provider's actual cost) for providing the health care information and is not required to honor an authorization until the fee is paid.

(3) To be valid, a disclosure authorization to a health care provider shall:
   (a) Be in writing, dated, and signed by the patient;
   (b) Identify the nature of the information to be disclosed;
   (c) Identify the name, address, and institutional affiliation of the person to whom the information is to be disclosed;
   (d) Except for third-party payors, identify the provider who is to make the disclosure; and
   (e) Identify the patient.

(4) Except as provided by this chapter, the signing of an authorization by a patient is not a waiver of any rights a patient has under other statutes, the rules of evidence, or common law.

(5) A health care provider shall retain each authorization or revocation in conjunction with any health care information from which disclosures are made. This requirement shall not apply to disclosures to third-party (health-care) payors.

(6) Except for authorizations given pursuant to an agreement with a treatment or monitoring program or disciplinary authority under chapter 18.72 or 18.130 RCW or to provide information to third-party (health-care) payors, an
authorization may not permit the release of health care information relating to
future health care that the patient receives more than ninety days after the
authorization was signed. Patients shall be advised of the period of validity of
their authorization on the disclosure authorization form. If the authorization does
not contain an expiration date, it expires ninety days after it is signed.

((7) Except for authorizations to provide information to third-party health
payers, an authorization in effect on July 28, 1991, remains valid for six months
after July 28, 1991, unless an earlier date is specified or it is revoked under
RCW 70.02.040. Health care information disclosed under such an authorization
is otherwise subject to this chapter. An authorization written after July 28, 1991,
becomes invalid after the expiration date contained in the authorization, which
may not exceed ninety days. If the authorization does not contain an expiration
date, it expires ninety days after it is signed.)

Sec. 4. RCW 70.02.050 and 1991 c 335 s 204 are each amended to read as
follows:

(1) A health care provider may disclose health care information about a
patient without the patient's authorization to the extent a recipient needs to know
the information, if the disclosure is:

(a) To a person who the provider reasonably believes is providing health
care to the patient;

(b) To any other person who requires health care information for health care
education, or to provide planning, quality assurance, peer review, or administra-
tive, legal, financial, or actuarial services to the health care provider; or for
assisting the health care provider in the delivery of health care and the health
care provider reasonably believes that the person:

(i) Will not use or disclose the health care information for any other
purpose; and

(ii) Will take appropriate steps to protect the health care information;

(c) To any other health care provider reasonably believed to have previously
provided health care to the patient, to the extent necessary to provide health care
to the patient, unless the patient has instructed the health care provider in writing
not to make the disclosure;

(d) To any person if the health care provider reasonably believes that
disclosure will avoid or minimize an imminent danger to the health or safety of
the patient or any other individual, however there is no obligation under this
chapter on the part of the provider to so disclose;

(e) Oral, and made to immediate family members of the patient, or any other
individual with whom the patient is known to have a close personal relationship,
if made in accordance with good medical or other professional practice, unless
the patient has instructed the health care provider in writing not to make the
disclosure;

(f) To a health care provider who is the successor in interest to the health
care provider maintaining the health care information;
(g) For use in a research project that an institutional review board has determined:

(i) Is of sufficient importance to outweigh the intrusion into the privacy of the patient that would result from the disclosure;

(ii) Is impracticable without the use or disclosure of the health care information in individually identifiable form;

(iii) Contains reasonable safeguards to protect the information from redisclosure;

(iv) Contains reasonable safeguards to protect against identifying, directly or indirectly, any patient in any report of the research project; and

(v) Contains procedures to remove or destroy at the earliest opportunity, consistent with the purposes of the project, information that would enable the patient to be identified, unless an institutional review board authorizes retention of identifying information for purposes of another research project;

(h) To a person who obtains information for purposes of an audit, if that person agrees in writing to:

(i) Remove or destroy, at the earliest opportunity consistent with the purpose of the audit, information that would enable the patient to be identified; and

(ii) Not to disclose the information further, except to accomplish the audit or report unlawful or improper conduct involving fraud in payment for health care by a health care provider or patient, or other unlawful conduct by the health care provider;

(i) To an official of a penal or other custodial institution in which the patient is detained;

(j) To provide directory information, unless the patient has instructed the health care provider not to make the disclosure;

(k) In the case of a hospital or health care provider to provide, in cases reported by fire, police, sheriff, or other public authority, name, residence, sex, age, occupation, condition, diagnosis, or extent and location of injuries as determined by a physician, and whether the patient was conscious when admitted.

(2) A health care provider shall disclose health care information about a patient without the patient’s authorization if the disclosure is:

(a) To federal, state, or local public health authorities, to the extent the health care provider is required by law to report health care information; when needed to determine compliance with state or federal licensure, certification or registration rules or laws; or when needed to protect the public health;

(b) To federal, state, or local law enforcement authorities to the extent the health care provider is required by law;

(c) Pursuant to compulsory process in accordance with RCW 70.02.060.

(3) All state or local agencies obtaining patient health care information pursuant to this section shall adopt rules establishing their record acquisition, retention, and security policies that are consistent with this chapter.
Sec. 5. RCW 70.02.080 and 1991 c 335 s 301 are each amended to read as follows:

(1) Upon receipt of a written request from a patient to examine or copy all or part of the patient's recorded health care information, a health care provider, as promptly as required under the circumstances, but no later than fifteen working days after receiving the request shall:

(a) Make the information available for examination during regular business hours and provide a copy, if requested, to the patient;

(b) Inform the patient if the information does not exist or cannot be found;

(c) If the health care provider does not maintain a record of the information, inform the patient and provide the name and address, if known, of the health care provider who maintains the record;

(d) If the information is in use or unusual circumstances have delayed handling the request, inform the patient and specify in writing the reasons for the delay and the earliest date, not later than twenty-one working days after receiving the request, when the information will be available for examination or copying or when the request will be otherwise disposed of; or

(e) Deny the request, in whole or in part, under RCW 70.02.090 and inform the patient.

(2) Upon request, the health care provider shall provide an explanation of any code or abbreviation used in the health care information. If a record of the particular health care information requested is not maintained by the health care provider in the requested form, the health care provider is not required to create a new record or reformulate an existing record to make the health care information available in the requested form. The health care provider may charge a reasonable fee (not to exceed the health care provider's actual cost) for providing the health care information and is not required to permit examination or copying until the fee is paid.

Sec. 6. RCW 71.05.390 and 1990 c 3 s 112 are each amended to read as follows:

The fact of admission and all information and records compiled, obtained, or maintained in the course of providing services to either voluntary or involuntary recipients of services at public or private agencies shall be confidential.

Information and records may be disclosed only:

(1) In communications between qualified professional persons to meet the requirements of this chapter, in the provision of services or appropriate referrals, or in the course of guardianship proceedings. The consent of the patient, or his or her guardian, must be obtained before information or records may be disclosed by a professional person employed by a facility to a professional person, not employed by the facility, who does not have the medical responsibility for the patient's care or who is not a designated county mental health professional or who is not involved in providing services under the community mental health services act, chapter 71.24 RCW.
(2) When the communications regard the special needs of a patient and the necessary circumstances giving rise to such needs and the disclosure is made by a facility providing outpatient services to the operator of a care facility in which the patient resides.

(3) When the person receiving services, or his or her guardian, designates persons to whom information or records may be released, or if the person is a minor, when his or her parents make such designation.

(4) To the extent necessary for a recipient to make a claim, or for a claim to be made on behalf of a recipient for aid, insurance, or medical assistance to which he or she may be entitled.

(5) For either program evaluation (and/or) or research, or both: PROVIDED, That the secretary of social and health services adopts rules for the conduct of (such) the evaluation (and/or) or research, or both. Such rules shall include, but need not be limited to, the requirement that all evaluators and researchers must sign an oath of confidentiality substantially as follows:

"As a condition of conducting evaluation or research concerning persons who have received services from (fill in the facility, agency, or person) I, ............., agree not to divulge, publish, or otherwise make known to unauthorized persons or the public any information obtained in the course of such evaluation or research regarding persons who have received services such that the person who received such services is identifiable.

I recognize that unauthorized release of confidential information may subject me to civil liability under the provisions of state law.

/ls/ 

(6) To the courts as necessary to the administration of this chapter.

(7) To law enforcement officers, public health officers, or personnel of the department of corrections or the indeterminate sentence review board for persons who are the subject of the records and who are committed to the custody of the department of corrections or indeterminate sentence review board which information or records are necessary to carry out the responsibilities of their office. Except for dissemination of information released pursuant to RCW 71.05.425 and 4.24.550, regarding persons committed under this chapter under RCW 71.05.280(3) and 71.05.320(2)(c) after dismissal of a sex offense as defined in RCW 9.94A.030, the extent of information that may be released is limited as follows:

Any monetary judgment against the officer ((of)), employee ((may)), or volunteer shall be paid on approval of the ((county)) legislative authority of the local governmental entity or by a procedure for approval created by ordinance or resolution.
(3) The necessary expenses of defending an elective ((county)) officer of the local governmental entity in a judicial hearing to determine the sufficiency of a recall charge as provided in RCW 29.82.023 shall be paid by the ((county)) local governmental entity if the officer requests such defense and approval is granted by both the ((county)) legislative authority of the local governmental entity and the ((prosecuting)) attorney representing the local governmental entity. The expenses paid by the ((county)) local governmental entity may include costs associated with an appeal of the decision rendered by the superior court concerning the sufficiency of the recall charge.

(4) When an officer, employee, or volunteer of the local governmental entity has been represented at the expense of the local governmental entity under subsection (1) of this section and the court hearing the action has found that the officer, employee, or volunteer was acting within the scope of his or her official duties, and a judgment has been entered against the officer, employee, or volunteer under chapter 4.96 RCW or 42 U.S.C. The clerk shall include in the transcript a copy of the memorandum of acknowledgment of satisfaction and the entry thereof as the basis for an order on the treasurer for payment. Unless the transcript contains such memorandum, no order upon the treasurer shall issue thereon.

Effective Date: 5/17/93

AN ACT Relating to child care; amending RCW 74.13.0903; creating a new section; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that building a system of quality, affordable child care requires coordinated efforts toward constructing partnerships at state and community levels. Through the office of child care policy, the department of social and health services is responsible for facilitating the coordination of child care efforts and establishing working partnerships among the affected entities within the public and private sectors. Through these collaborative efforts, the office of child care policy encouraged the coalition of locally based child care resource and referral agencies into a state-wide network. The state-wide network, in existence since 1989, supports the development and operation of community-based resource and referral programs, improves the quality and quantity of child care available in Washington by fostering state-wide strategies, and generates then nurtures effective public-private partnerships. The state-wide network provides important training, standards of service, and general technical assistance to its locally based child care resource and referral programs. The locally based programs enrich the availability, affordability, and quality of child care in their communities.

Sec. 2. RCW 74.13.0903 and 1991 sp.s. c 16 s 924 are each amended to read as follows:

The office of ((the)) child care ((resource coordinator)) policy is established to operate under the authority of the department of social and health services.
The duties and responsibilities of the office include, but are not limited to, the following, within appropriated funds:

(1) Staff and assist the child care coordinating committee in the implementation of its duties under RCW 74.13.090;

(2) Work in conjunction with the state-wide child care resource and referral network as well as local governments, nonprofit organizations, businesses, and community child care advocates to create local child care resource and referral organizations. These organizations may carry out needs assessments, resource development, provider training, technical assistance, and parent information and training;

(3) Actively seek public and private money for distribution as grants to the state-wide child care resource and referral network and to existing or potential local child care resource and referral organizations. AN ACT Relating to jointly administered health and welfare benefits trusts; amending RCW 48.62.121; adding a new section to chapter 48.62 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

(1) No employee or official of a local government entity may directly or indirectly receive anything of value for services rendered in connection with the operation and management of a self-insurance program other than the salary and benefits provided by his or her employer or the reimbursement of expenses reasonably incurred in furtherance of the operation or management of the program. No employee or official of a local government entity may accept or solicit anything of value for personal benefit or for the benefit of others under circumstances in which it can be reasonably inferred that the employee’s or official’s independence of judgment is impaired with respect to the management and operation of the program.

(2)(a) No local government entity may participate in a joint self-insurance program in which local government entities do not retain complete governing control. This prohibition does not apply to:

(i) Local government contribution to a self-insured employee health and welfare benefits plan otherwise authorized and governed by state statute

(ii) Local government participation in a multistate joint program where control is shared with local government entities from other states; or

(iii) Local government contribution to a self-insured employee health and welfare benefit trust in which the local government shares governing control with their employees.

(b) If a local government self-insured health and welfare benefit program, established by the local government as a trust, shares governing control of the trust with its employees:

(iii) The trust agreement must contain provisions for resolution of any deadlock in the administration of the trust.

(3) Moneys made available and moneys expended by school districts and educational service districts for self-insurance under this chapter are subject to such rules of the superintendent of public instruction as the superintendent may adopt governing budgeting and accounting. However, the superintendent shall ensure that the rules are consistent with those adopted by the state risk manager for the management and operation of self-insurance programs.

(5) Every individual and joint local government self-insured health and welfare benefits program that provides comprehensive coverage for health care services shall include mandated benefits that the state health care authority is required to provide under RCW 41.05.170 and 41.05.180. The state risk manager may adopt rules identifying the mandated benefits.
(6) An employee health and welfare benefit program established as a trust shall contain a provision that trust funds be expended only for purposes of the trust consistent with statutes and rules governing the local government or governments creating the trust.

NEW SECTION. Sec. 2. A new section is added to chapter 48.62 RCW to read as follows:

No local government self-insured employee health and welfare benefit program established as a trust by a local government entity or entities prior to the effective date of this act may continue in operation unless such program complies with the provisions of this chapter within one hundred eighty days after the effective date of this act. Be it enacted by the Legislature of the State of Washington:

arrangement may develop a strategic plan within sixty days after the effective date of this act to address the management of mentally ill offenders within the correctional system, facilitating their reentry into the community and the mental health system, and preventing the inappropriate incarceration of mentally ill individuals. The collaborative arrangement may also specify the establishment and maintenance of a corrections mental health center located at McNeil Island corrections center. The collaborative arrangement shall require that an advisory panel of key stakeholders be established and consulted throughout the development and implementation of the center. The stakeholders advisory panel shall include a broad array of interest groups drawn from representatives of mental health, criminal justice, and correctional systems. The stakeholders advisory panel shall include, but is not limited to, membership from: The department of corrections, the department of social and health services mental health division and division of juvenile rehabilitation, regional support networks, local and regional law enforcement agencies, the sentencing guidelines commission, county and city jails, mental health advocacy groups for the mentally ill, developmentally disabled, and traumatically brain-injured, and the general public. The center established by the department of corrections and University of Washington, in consultation with the stakeholder advisory groups, shall have the authority to:

(a) Develop new and innovative treatment approaches for corrections mental health clients;

(j) Develop innovative and effective recruitment and training programs for correctional personnel working with mentally ill offenders;

Evaluate all current and innovative approaches developed within this center in terms of their effective and efficient achievement of improved mental health of inmates, development and utilization of personnel, the impact of these approaches on the functioning of correctional institutions, and the relationship of the corrections system to mental health and criminal justice systems. Specific attention should be paid to evaluating the effects of programs on the reintegration of mentally ill offenders into the community and the prevention of inappropriate incarceration of mentally ill persons.

The corrections mental health center may conduct research, training, and treatment activities for the mentally ill offender within selected sites operated by the department. The department shall provide support services for the center such as food services, maintenance, perimeter security, classification, offender supervision, and living unit functions. The University of Washington may develop, implement, and evaluate the clinical, treatment, research, and evaluation components of the mentally ill offender center. The institute of public policy and management may be consulted regarding the development of the center and in the recommendations regarding public policy. As resources permit, training within the center shall be available to state, county, and municipal agencies requiring the services. Other state colleges, state universities, and mental health providers may be involved in activities as required on a subcontract basis. Community mental health organizations, research groups, and community advocacy groups may be critical components of the center's operations and involved as appropriate to annual objectives. Mentally ill clients may be drawn from throughout the department's population and transferred to the center as clinical need, available services, and department jurisdiction permits.

The department shall prepare a report of the center's progress toward the attainment of stated goals and provide the report to the legislature annually.
