CHAPTER 432
[Substitute House Bill 1555]
CONSTRUCTION INDUSTRY—UNDERGROUND ECONOMY

AN ACT Relating to the recommendations of the joint legislative task force on the underground economy in the construction industry; amending RCW 60.28.021, 60.28.040, 60.28.051, 60.28.060, and 50.12.070; amending 2008 c 120 s 10 (uncodified); reenacting and amending RCW 60.28.011; adding a new section to chapter 18.27 RCW; adding a new section to chapter 35.21 RCW; adding a new section to chapter 35A.21 RCW; adding a new section to chapter 36.01 RCW; adding a new section to chapter 51.04 RCW; creating a new section; prescribing penalties; providing an effective date; and providing an expiration date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 18.27 RCW to read as follows:
A contractor must maintain and have available for inspection by the department a list of all direct subcontractors and a copy of their certificate of registration.

NEW SECTION. Sec. 2. A new section is added to chapter 35.21 RCW to read as follows:
A city that issues a business license to a person required to be registered under chapter 18.27 RCW may verify that the person is registered under chapter 18.27 RCW and report violations to the department of labor and industries. The department of licensing shall conduct the verification for cities that participate in the master license system.

NEW SECTION. Sec. 3. A new section is added to chapter 35A.21 RCW to read as follows:
A city that issues a business license to a person required to be registered under chapter 18.27 RCW may verify that the person is registered under chapter 18.27 RCW and report violations to the department of labor and industries. The department of licensing shall conduct the verification for cities that participate in the master license system.

NEW SECTION. Sec. 4. A new section is added to chapter 36.01 RCW to read as follows:
A county that issues a business license to a person required to be registered under chapter 18.27 RCW may verify that the person is registered under chapter 18.27 RCW and report violations to the department of labor and industries.

Sec. 5. RCW 60.28.011 and 2007 c 494 s 504 and 2007 c 218 s 92 are each reenacted and amended to read as follows:

1. Public improvement contracts shall provide, and public bodies shall reserve, a contract retainage not to exceed five percent of the moneys earned by the contractor as a trust fund for the protection and payment of: (a) The claims of any person arising under the contract; and (b) the state with respect to taxes imposed pursuant to Titles 50, 51, and 82 RCW which may be due from such contractor.

2. Every person performing labor or furnishing supplies toward the completion of a public improvement contract shall have a lien upon moneys reserved by a public body under the provisions of a public improvement contract. However, the notice of the lien of the claimant shall be given within
forty-five days of completion of the contract work, and in the manner provided in RCW 39.08.030.

(3) The contractor at any time may request the contract retainage be reduced to one hundred percent of the value of the work remaining on the project.
   (a) After completion of all contract work other than landscaping, the contractor may request that the public body release and pay in full the amounts retained during the performance of the contract, and sixty days thereafter the public body must release and pay in full the amounts retained (other than continuing retention of five percent of the moneys earned for landscaping) subject to the provisions of chapters 39.12 and 60.28 RCW.
   (b) Sixty days after completion of all contract work the public body must release and pay in full the amounts retained during the performance of the contract subject to the provisions of chapters 39.12 and 60.28 RCW.

(4) The moneys reserved by a public body under the provisions of a public improvement contract, at the option of the contractor, shall be:
   (a) Retained in a fund by the public body;
   (b) Deposited by the public body in an interest bearing account in a bank, mutual savings bank, or savings and loan association. Interest on moneys reserved by a public body under the provision of a public improvement contract shall be paid to the contractor;
   (c) Placed in escrow with a bank or trust company by the public body. When the moneys reserved are placed in escrow, the public body shall issue a check representing the sum of the moneys reserved payable to the bank or trust company and the contractor jointly. This check shall be converted into bonds and securities chosen by the contractor and approved by the public body and the bonds and securities shall be held in escrow. Interest on the bonds and securities shall be paid to the contractor as the interest accrues.

(5) The contractor or subcontractor may withhold payment of not more than five percent from the moneys earned by any subcontractor or sub-subcontractor or supplier contracted with by the contractor to provide labor, materials, or equipment to the public project. Whenever the contractor or subcontractor reserves funds earned by a subcontractor or sub-subcontractor or supplier, the contractor or subcontractor shall pay interest to the subcontractor or sub-subcontractor or supplier at a rate equal to that received by the contractor or subcontractor from reserved funds.

(6) A contractor may submit a bond for all or any portion of the contract retainage in a form acceptable to the public body and from a bonding company meeting standards established by the public body. The public body shall accept a bond meeting these requirements unless the public body can demonstrate good cause for refusing to accept it. This bond and any proceeds therefrom are subject to all claims and liens and in the same manner and priority as set forth for retained percentages in this chapter. The public body shall release the bonded portion of the retained funds to the contractor within thirty days of accepting the bond from the contractor. Whenever a public body accepts a bond in lieu of retained funds from a contractor, the contractor shall accept like bonds from any subcontractors or suppliers from which the contractor has retained funds. The contractor shall then release the funds retained from the subcontractor or supplier to the subcontractor or supplier within thirty days of accepting the bond from the subcontractor or supplier.
(7) If the public body administering a contract, after a substantial portion of the work has been completed, finds that an unreasonable delay will occur in the completion of the remaining portion of the contract for any reason not the result of a breach thereof, it may, if the contractor agrees, delete from the contract the remaining work and accept as final the improvement at the stage of completion then attained and make payment in proportion to the amount of the work accomplished and in this case any amounts retained and accumulated under this section shall be held for a period of sixty days following the completion. In the event that the work is terminated before final completion as provided in this section, the public body may thereafter enter into a new contract with the same contractor to perform the remaining work or improvement for an amount equal to or less than the cost of the remaining work as was provided for in the original contract without advertisement or bid. The provisions of this chapter are exclusive and shall supersede all provisions and regulations in conflict herewith.

(8) Whenever the department of transportation has contracted for the construction of two or more ferry vessels, sixty days after completion of all contract work on each ferry vessel, the department must release and pay in full the amounts retained in connection with the construction of the vessel subject to the provisions of RCW 60.28.020 and chapter 39.12 RCW. However, the department of transportation may at its discretion condition the release of funds retained in connection with the completed ferry upon the contractor delivering a good and sufficient bond with two or more sureties, or with a surety company, in the amount of the retained funds to be released to the contractor, conditioned that no taxes shall be certified or claims filed for work on the ferry after a period of sixty days following completion of the ferry; and if taxes are certified or claims filed, recovery may be had on the bond by the department of revenue, the employment security department, the department of labor and industries, and the material suppliers and laborers filing claims.

(9) Except as provided in subsection (1) of this section, reservation by a public body for any purpose from the moneys earned by a contractor by fulfilling its responsibilities under public improvement contracts is prohibited.

(10) Contracts on projects funded in whole or in part by farmers home administration and subject to farmers home administration regulations are not subject to subsections (1) through (9) of this section.

(11) This subsection applies only to a public body that has contracted for the construction of a facility using the general contractor/construction manager procedure, as defined under RCW 39.10.210. If the work performed by a subcontractor on the project has been completed within the first half of the time provided in the general contractor/construction manager contract for completing the work, the public body may accept the completion of the subcontract. The public body must give public notice of this acceptance. After a forty-five day period for giving notice of liens, and compliance with the retainage release procedures in RCW 60.28.021, the public body may release that portion of the retained funds associated with the subcontract. Claims against the retained funds after the forty-five day period are not valid.

(12) Unless the context clearly requires otherwise, the definitions in this subsection apply throughout this section.

(a) "Contract retainage" means an amount reserved by a public body from the moneys earned by a person under a public improvement contract.
(b) "Person" means a person or persons, mechanic, subcontractor, or material person who performs labor or provides materials for a public improvement contract, and any other person who supplies the person with provisions or supplies for the carrying on of a public improvement contract.

(c) "Public body" means the state, or a county, city, town, district, board, or other public body.

(d) "Public improvement contract" means a contract for public improvements or work, other than for professional services, or a work order as defined in RCW 39.10.210.

Sec. 6. RCW 60.28.021 and 2007 c 218 s 94 are each amended to read as follows:

After the expiration of the forty-five day period for giving notice of lien provided in RCW 60.28.011(2), and after receipt of the department of revenue's, the employment security department, and the department of labor and industries certificates that all taxes certified as due or to become due by the department of revenue, the employment security department, and the department of labor and industries are discharged, and the claims of material suppliers and laborers who have filed their claims, together with a sum sufficient to defray the cost of foreclosing the liens of such claims, and to pay attorneys' fees, have been paid, the public body may withhold from the remaining retained amounts for claims the public body may have against the contractor and shall pay the balance, if any, to the contractor the fund retained by it or release to the contractor the securities and bonds held in escrow.

If such taxes have not been discharged or the claims, expenses, and fees have not been paid, the public body shall either retain in its fund, or in an interest bearing account, or retain in escrow, at the option of the contractor, an amount equal to such unpaid taxes and unpaid claims together with a sum sufficient to defray the costs and attorney fees incurred in foreclosing the lien of such claims, and shall pay, or release from escrow, the remainder to the contractor.

Sec. 7. RCW 60.28.040 and 1985 c 80 s 1 are each amended to read as follows:

(1) Subject to subsection (5) of this section, the amount of all taxes, increases, and penalties due or to become due under Title 82 RCW, from a contractor or the contractor's successors or assignees with respect to a public improvement contract wherein the contract price is twenty thousand dollars or more, shall be a lien prior to all other liens upon the amount of the retained percentage withheld by the disbursing officer under such contract.

(2) Subject to subsection (5) of this section, after payment of all taxes, increases, and penalties due or to become due under Title 82 RCW, from a contractor or the contractor's successors or assignees with respect to a public improvement contract wherein the contract price is twenty thousand dollars or more, the amount of all other taxes, increases, and penalties under Title 82 RCW, due and owing from the contractor, shall be a lien prior to all other liens upon the amount of the retained percentage withheld by the disbursing officer under such contract.
(3) Subject to subsection (5) of this section, after payment of all taxes, increases, and penalties due or to become due under Title 82 RCW, the amount of all taxes, increases, and penalties due or to become due under Titles 50 and 51 RCW from the contractor or the contractor’s successors or assignees with respect to a public improvement contract wherein the contract price is twenty thousand dollars or more shall be a lien prior to all other liens upon the amount of the retained percentage withheld by the disbursing officer under such contract.

(4) Subject to subsection (5) of this section, the amount of all other taxes, increases, and penalties due and owing from the contractor shall be a lien upon the balance of such retained percentage remaining in the possession of the disbursing officer after all other statutory lien claims have been paid.

(5) The employees of a contractor or the contractor's successors or assignees who have not been paid the prevailing wage under such a public improvement contract shall have a first priority lien against the bond or retainage prior to all other liens. ((The amount of all other taxes, increases and penalties due and owing from the contractor shall be a lien upon the balance of such retained percentage remaining in the possession of the disbursing officer after all other statutory lien claims have been paid.))

Sec. 8. RCW 60.28.051 and 2007 c 210 s 2 are each amended to read as follows:

Upon completion of a contract, the state, county, or other municipal officer charged with the duty of disbursing or authorizing disbursement or payment of such contracts shall forthwith notify the department of revenue, the employment security department, and the department of labor and industries of the completion of contracts over thirty-five thousand dollars. Such officer shall not make any payment from the retained percentage fund or release any retained percentage escrow account to any person, until he or she has received from the department of revenue ((a)), the employment security department, and the department of labor and industries certificates that all taxes, increases, and penalties due from the contractor, and all taxes due and to become due with respect to such contract have been paid in full or that they are, in ((the)) each department's opinion, readily collectible without recourse to the state's lien on the retained percentage.

Sec. 9. RCW 60.28.060 and 1967 ex.s. c 26 s 25 are each amended to read as follows:

If within thirty days after receipt of notice by the department of revenue, the employment security department, and the department of labor and industries of the completion of the contract, the amount of all taxes, increases and penalties due from the contractor or any of his successors or assignees or to become due with respect to such contract have not been paid, the department of revenue, the employment security department, and the department of labor and industries may certify to the disbursing officer the amount of all taxes, increases and penalties due from the contractor, together with the amount of all taxes due and to become due with respect to the contract and may request payment thereof ((to the department of revenue)) in accordance with the priority provided by this chapter. The disbursing officer shall within ten days after receipt of such certificate and request pay to the department of revenue, the employment security department, and the department of labor and industries the amount of all
taxes, increases and penalties certified to be due or to become due ((with respect to the particular contract, and, after payment of)) and all claims which by statute are a lien upon the retained percentage withheld by the disbursing officer((, shall pay to the department of revenue the balance, if any, or so much thereof as shall be necessary to satisfy the claim of the department of revenue for the balance of all taxes, increases or penalties shown to be due by the certificate of the department of revenue)) in accordance with the priority provided by this chapter.

If the contractor owes no taxes imposed pursuant to Titles 50, 51, and 82 RCW, the department of revenue, the employment security department, and the department of labor and industries shall so certify to the disbursing officer.

NEW SECTION. Sec. 10. A new section is added to chapter 51.04 RCW to read as follows:

The department shall conduct education and outreach to employers on workers' compensation requirements and premium responsibilities, including independent contractor issues. The department shall work with new employers on an individual basis and also establish mass education campaigns.

Sec. 11. RCW 50.12.070 and 2008 c 120 s 7 are each amended to read as follows:

(1)(a) Each employing unit shall keep true and accurate work records, containing such information as the commissioner may prescribe. Such records shall be open to inspection and be subject to being copied by the commissioner or his or her authorized representatives at any reasonable time and as often as may be necessary. The commissioner may require from any employing unit any sworn or unsworn reports with respect to persons employed by it, which he or she deems necessary for the effective administration of this title.

(b) An employer who contracts with another person or entity for work subject to chapter 18.27 or 19.28 RCW shall obtain and preserve a record of the unified business identifier account number for and compensation paid to the person or entity performing the work. In addition to the penalty in subsection (3) of this section, failure to obtain or maintain the record is subject to RCW 39.06.010 ((and to a penalty determined by the commissioner, but not to exceed two hundred fifty dollars, to be collected as provided in RCW 50.24.120)).

(2)(a) Each employer shall register with the department and obtain an employment security account number. Registration must include the names and social security numbers of the owners, partners, members, or corporate officers of the business, as well as their mailing addresses and telephone numbers and other information the commissioner may by rule prescribe. Registration of corporations must also include the percentage of stock ownership for each corporate officer, delineated by zero percent, less than ten percent, or ten percent or more. Any changes in the owners, partners, members, or corporate officers of the business, and changes in percentage of ownership of the outstanding shares of stock of the corporation, must be reported to the department at intervals prescribed by the commissioner under (b) of this subsection.

(b) Each employer shall make periodic reports at such intervals as the commissioner may by regulation prescribe, setting forth the remuneration paid for employment to workers in its employ, the full names and social security numbers of all such workers, and the total hours worked by each worker and such other information as the commissioner may by regulation prescribe.
(c) If the employing unit fails or has failed to report the number of hours in a reporting period for which a worker worked, such number will be computed by the commissioner and given the same force and effect as if it had been reported by the employing unit. In computing the number of such hours worked, the total wages for the reporting period, as reported by the employing unit, shall be divided by the dollar amount of the state's minimum wage in effect for such reporting period and the quotient, disregarding any remainder, shall be credited to the worker: PROVIDED, That although the computation so made will not be subject to appeal by the employing unit, monetary entitlement may be redetermined upon request if the department is provided with credible evidence of the actual hours worked. Benefits paid using computed hours are not considered an overpayment and are not subject to collections when the correction of computed hours results in an invalid or reduced claim; however:

(i) A contribution paying employer who fails to report the number of hours worked will have its experience rating account charged for all benefits paid that are based on hours computed under this subsection; and

(ii) An employer who reimburses the trust fund for benefits paid to workers and fails to report the number of hours worked shall reimburse the trust fund for all benefits paid that are based on hours computed under this subsection.

(3) Any employer who fails to keep and preserve records required by this section shall be subject to a penalty determined by the commissioner but not to exceed two hundred fifty dollars or two hundred percent of the quarterly tax for each offense, whichever is greater.

(d) Such other items the task force deems necessary.

(5)(a) The task force shall use legislative facilities and staff support shall be provided by senate committee services and the house of representatives office of program research. Within available funding, the task force may hire additional staff with specific technical expertise if such expertise is necessary to carry out the mandates of this study.

If the claimant is incapacitated from verifying, presenting, and filing the claim and for a period of six months immediately prior to the time the claim arose. If the claimant is incap
presented after the effective date of this section, all claims for damages must be presented on the standard tort claim form that is maintained by the risk management division of the office of financial management, except as allowed under (c) of this subsection. (e) Presenting either the standard tort claim form or the local government tort claim form satisfies the requirements of this chapter.

(f) The amount of damages stated on the claim form is not admissible at trial.

CHAPTER 434

[Substitute House Bill 1062]

ELECTROLYTIC PROCESSING BUSINESS TAX EXEMPTION

AN ACT Relating to the expiration date, goals, and legislative reporting provisions of the electrolytic processing business tax exemption; amending RCW 82.16.0421 and 82.32.560; creating a new section; and providing an expiration date.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 82.16.0421 and 2004 c 240 s 1 are each amended to read as follows:

(1) For the purposes of this section:
(a) "Chlor-alkali electrolytic processing business" means a person who is engaged in a business that uses more than ten average megawatts of electricity per month in a chlor-alkali electrolytic process to split the electrochemical bonds of sodium chloride and water to make chlorine and sodium hydroxide. A "chlor-
alkali electrolytic processing business" does not include direct service industrial customers or their subsidiaries that contract for the purchase of power from the Bonneville power administration as of June 10, 2004.

(b) "Sodium chlorate electrolytic processing business" means a person who is engaged in a business that uses more than ten average megawatts of electricity per month in a sodium chlorate electrolytic process to split the electrochemical bonds of sodium chloride and water to make sodium chlorate and hydrogen. A "sodium chlorate electrolytic processing business" does not include direct service industrial customers or their subsidiaries that contract for the purchase of power from the Bonneville power administration as of June 10, 2004.

(2) Effective July 1, 2004, the tax levied under this chapter does not apply to sales of electricity made by a light and power business to a chlor-alkali electrolytic processing business or a sodium chlorate electrolytic processing business for the electrolytic process if the contract for sale of electricity to the business contains the following terms:

(a) The electricity to be used in the electrolytic process is separately metered from the electricity used for general operations of the business;

(b) The price charged for the electricity used in the electrolytic process will be reduced by an amount equal to the tax exemption available to the light and power business under this section; and

(c) Disallowance of all or part of the exemption under this section is a breach of contract and the damages to be paid by the chlor-alkali electrolytic processing business or the sodium chlorate electrolytic processing business are the amount of the tax exemption disallowed.

(3) The exemption provided for in this section does not apply to amounts received from the remarketing or resale of electricity originally obtained by contract for the electrolytic process.

(4) In order to claim an exemption under this section, the chlor-alkali electrolytic processing business or the sodium chlorate electrolytic processing business must provide the light and power business with an exemption certificate in a form and manner prescribed by the department.

(5)(a) This section does not apply to sales of electricity made after December 31, 2018.

(b) This section expires June 30, 2019.

Sec. 2. RCW 82.32.560 and 2004 c 240 s 2 are each amended to read as follows:

(1) For the purposes of this section, "electrolytic processing business tax exemption" means the exemption and preferential tax rate under RCW 82.16.0421.

(2) The legislature finds that accountability and effectiveness are important aspects of setting tax policy. In order to make policy choices regarding the best use of limited state resources, the legislature needs information to evaluate whether the stated goals of legislation were achieved.

(3) The goals of the electrolytic processing business tax exemption are:

(a) To retain family wage jobs by enabling electrolytic processing businesses to maintain production of chlor-alkali and sodium chlorate at a level that will preserve at least seventy-five percent of the jobs that were on the payroll effective January 1, 2004; and
(b) To allow the electrolytic processing industries to continue production in this state (through 2011) so that the industries will remain competitive and be positioned to preserve and create new jobs (when the anticipated reduction of energy costs occur).

(4) (a) A person who receives the benefit of an electrolytic processing business tax exemption shall make an annual report to the department detailing employment, wages, and employer-provided health and retirement benefits per job at the manufacturing site. The report is due by March 31st following any year in which a tax exemption is claimed or used. The report shall not include names of employees. The report shall detail employment by the total number of full-time, part-time, and temporary positions. The report shall indicate the quantity of product produced at the plant during the time period covered by the report. The first report filed under this subsection shall include employment, wage, and benefit information for the twelve-month period immediately before first use of a tax exemption. Employment reports shall include data for actual levels of employment and identification of the number of jobs affected by any employment reductions that have been publicly announced at the time of the report. Information in a report under this section is not subject to the confidentiality provisions of RCW 82.32.330 and may be disclosed to the public upon request.

(b) If a person fails to submit an annual report under (a) of this subsection by the due date of the report, the department shall declare the amount of taxes exempted for that year to be immediately due and payable. Public utility taxes payable under this subsection are subject to interest but not penalties, as provided under this chapter. NEW SECTION, Sec. 2. DEFINITIONS. In this chapter:

(1) "Charitable purpose" means the relief of poverty, the advancement of education or religion, the promotion of health, the promotion of a governmental purpose, or any other purpose the achievement of which is beneficial to the community.

(2) "Endowment fund" means an institutional fund or part thereof that, under the terms of a gift instrument, is not wholly expendable by the institution on a current basis. "Endowment fund" does not include assets that an institution designates as an endowment fund for its own use.

(3) "Gift instrument" means a record or records, including an institutional solicitation, under which property is granted to, transferred to, or held by an institution as an institutional fund.

(4) "Institution" means:
   (a) A person, other than an individual, organized and operated exclusively for charitable purposes;
   (b) A government or governmental subdivision, agency, or instrumentality, to the extent that it holds funds exclusively for a charitable purpose; or
   (c) A trust that had both charitable and noncharitable interests, after all noncharitable interests have terminated.

(5) "Institutional fund" means a fund held by an institution exclusively for charitable purposes. "Institutional fund" does not include:
   (a) Program-related assets;
   (b) A fund held for an institution by a trustee that is not an institution; or
   (c) A fund in which a beneficiary that is not an institution has an interest, other than an interest that could arise upon violation or failure of the purposes of the fund.

(6) "Person" means an individual, corporation, business trust, estate, trust, partnership, limited liability company, association, joint venture, public corporation, government or governmental subdivision, agency, or instrumentality, or any other legal or commercial entity.

(8) "Record" means information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form.

NEW SECTION, Sec. 3. STANDARD OF CONDUCT IN MANAGING AND INVESTING INSTITUTIONAL FUND. (1) Subject to the intent of a donor expressed in a gift instrument, an institution, in managing and investing an institutional fund, shall consider the charitable purposes of the institution and the purposes of the institutional fund.

(2) In addition to complying with the duty of loyalty imposed by law other than this chapter, each person responsible for managing and investing an institutional fund shall manage and invest the fund in good faith and with the care an ordinarily prudent person in a like position would exercise under similar circumstances.
(3) In managing and investing an institutional fund, an institution:
   (a) May incur only costs that are appropriate and reasonable in relation to
       the assets, the purposes of the institution, and the skills available to the
       institution; and
   (b) Shall make a reasonable effort to verify facts relevant to the
       management and investment of the fund.
(4) An institution may pool two or more institutional funds for purposes of
    management and investment.
(5) Except as otherwise provided by a gift instrument, the following rules
    apply:
    (a) In managing and investing an institutional fund, the following factors, if
        relevant, must be considered:
        (i) General economic conditions;
        (ii) The possible effect of inflation or deflation;
        (iii) The expected tax consequences, if any, of investment decisions or
            strategies;
        (iv) The role that each investment or course of action plays within the
            overall investment portfolio of the fund;
        (v) The expected total return from income and the appreciation of
            investments;
        (vi) Other resources of the institution;
        (vii) The needs of the institution and the institutional fund to make
            distributions and to preserve capital; and
        (viii) An asset's special relationship or special value, if any, to the charitable
            purposes of the institution.
    (b) Management and investment decisions about an individual asset must be
        made not in isolation but rather in the context of the institutional fund's portfolio
        of investments as a whole and as a part of an overall investment strategy having
        risk and return objectives reasonably suited to the institutional fund and to the
        institution.
    (c) Except as otherwise provided by law, an institution may invest in any
        kind of property or type of investment consistent with this section.
    (d) An institution shall diversify the investments of an institutional fund
        unless the institution reasonably determines that, because of special
        circumstances, the purposes of the fund are better served without diversification.
    (e) Within a reasonable time after receiving property, an institution shall
        make and carry out decisions concerning the retention or disposition of the
        property or to rebalance a portfolio, in order to bring the institutional fund into
        compliance with the purposes, terms, and distribution requirements of the
        institution as necessary to meet other circumstances of the institution and the
        requirements of this chapter.
    (f) A person that has special skills or expertise, or is selected in reliance
        upon the person's representation that the person has special skills or expertise,
        has a duty to use those skills or that expertise in managing and investing
        institutional funds.

NEW SECTION. Sec. 4. APPROPRIATION FOR EXPENDITURE OR
ACCUMULATION OF ENDOWMENT FUND—RULES OF
CONSTRUCTION. (1) Subject to the intent of a donor expressed in the gift
instrument, an institution may appropriate for expenditure or accumulate so
much of an endowment fund as the institution determines is prudent for the uses, benefits, purposes, and duration for which the endowment fund is established. Unless stated otherwise in the gift instrument, the assets in an endowment fund are donor-restricted assets until appropriated for expenditure by the institution. In making a determination to appropriate or accumulate, the institution shall act in good faith, with the care that an ordinarily prudent person in a like position would exercise under similar circumstances, and shall consider, if relevant, the following factors:

(a) The duration and preservation of the endowment fund;
(b) The purposes of the institution and the endowment fund;
(c) General economic conditions;
(d) The possible effect of inflation or deflation;
(e) The expected total return from income and the appreciation of investments;
(f) Other resources of the institution; and
(g) The investment policy of the institution.

(2) To limit the authority to appropriate for expenditure or accumulate under subsection (1) of this section, a gift instrument must specifically state the limitation.

(3) Terms in a gift instrument designating a gift as an endowment, or a direction or authorization in the gift instrument to use only "income," "interest," "dividends," or "rents, issues, or profits," or "to preserve the principal intact," or words of similar import:
(a) Create an endowment fund of permanent duration unless other language in the gift instrument limits the duration or purpose of the fund; and
(b) Do not otherwise limit the authority to appropriate for expenditure or accumulate under subsection (1) of this section.

NEW SECTION, Sec. 5. DELEGATION OF MANAGEMENT AND INVESTMENT FUNCTIONS. (1) Subject to any specific limitation set forth in a gift instrument or in law other than this chapter, an institution may delegate to an external agent the management and investment of an institutional fund to the extent that an institution could prudently delegate under the circumstances. An institution shall act in good faith, with the care that an ordinarily prudent person in a like position would exercise under similar circumstances, in:
(a) Selecting an agent;
(b) Establishing the scope and terms of the delegation, consistent with the purposes of the institution and the institutional fund; and
(c) Periodically reviewing the agent's actions in order to monitor the agent's performance and compliance with the scope and terms of the delegation.

(2) In performing a delegated function, an agent owes a duty to the institution to exercise reasonable care to comply with the scope and terms of the delegation.

(3) An institution that complies with subsection (1) of this section is not liable for the decisions or actions of an agent to which the function was delegated.

(4) By accepting delegation of a management or investment function from an institution that is subject to the laws of this state, an agent submits to the jurisdiction of the courts of this state in all proceedings arising from or related to the delegation or the performance of the delegated function.
(5) An institution may delegate management and investment functions to its committees, officers, or employees as authorized by law.

NEW SECTION. Sec. 6. RELEASE OR MODIFICATION OF RESTRICTIONS ON MANAGEMENT, INVESTMENT, OR PURPOSE. (1) If the donor consents in a record, an institution may release or modify, in whole or in part, a restriction contained in a gift instrument on the management, investment, or purpose of an institutional fund. A release or modification may not allow a fund to be used for a purpose other than a charitable purpose of the institution.

(2) The court, upon application of an institution, may modify a restriction contained in a gift instrument regarding the management or investment of an institutional fund if the restriction has become impracticable or wasteful, if it impairs the management or investment of the fund, or if, because of circumstances not anticipated by the donor, a modification of a restriction will further the purposes of the fund. The institution shall notify the attorney general of the application, and the attorney general must be given an opportunity to be heard. To the extent practicable, any modification must be made in accordance with the donor's probable intention.

(3) If a particular charitable purpose or a restriction contained in a gift instrument on the use of an institutional fund becomes unlawful, impracticable, impossible to achieve, or wasteful, the court, upon application of an institution, may modify the purpose of the fund or the restriction on the use of the fund in a manner consistent with the charitable purposes expressed in the gift instrument. The institution shall notify the attorney general of the application, and the attorney general must be given an opportunity to be heard.

(4) If an institution determines that a restriction contained in a gift instrument on the management, investment, or purpose of an institutional fund is unlawful, impracticable, impossible to achieve, or wasteful, the institution, sixty days after notification to the attorney general, may release or modify the restriction, in whole or part, if:

(a) The institutional fund subject to the restriction has a total value of less than seventy-five thousand dollars. On the first day of July of each year, beginning on July 1, 2011, the dollar limit provided in this subsection (4)(a) shall increase by an amount of two thousand five hundred dollars;

(b) More than twenty years have elapsed since the fund was established; and

(c) The institution uses the property in a manner consistent with the charitable purposes expressed in the gift instrument.

NEW SECTION. Sec. 7. REVIEWING COMPLIANCE. Compliance with this chapter is determined in light of the facts and circumstances existing at the time a decision is made or action is taken, and not by hindsight.

NEW SECTION. Sec. 8. APPLICATION TO EXISTING INSTITUTIONAL FUNDS. (1) Before July 1, 2009, this chapter applies to an institutional fund existing on the effective date of this act only if the institution's governing body elects to apply this chapter to the institutional fund before July 1, 2009.

(2) On and after July 1, 2009, this chapter applies to all institutional funds.

(3) As applied to institutional funds existing on the effective date of this act, this chapter governs only decisions made or actions taken on or after July 1,
2009, except that in the case of an institution that makes the election under subsection (1) of this section this chapter governs decisions made or actions taken on or after the date the institution elects to be covered by this chapter.

NEW SECTION. Sec. 9. RELATION TO ELECTRONIC SIGNATURES IN GLOBAL AND NATIONAL COMMERCE ACT. This chapter modifies, limits, and supersedes the electronic signatures in global and national commerce act (15 U.S.C. Sec. 7001 et seq.), but does not modify, limit, or supersede 15 U.S.C. Sec. 7001(a), or authorize electronic delivery of any of the notices described in 15 U.S.C. Sec. 7003(b).

NEW SECTION. Sec. 10. UNIFORMITY OF APPLICATION AND CONSTRUCTION. In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

NEW SECTION. Sec. 11. CAPTIONS NOT LAW. Captions used in this act are not any part of the law.

NEW SECTION. Sec. 12. Sections 1 through 11 of this act constitute a new chapter in Title 24 RCW.

(1) A foreign limited liability partnership transacting business in this state may not maintain an action or proceeding in this state unless it has in effect a registration as a foreign limited liability partnership.
(2) The failure of a foreign limited liability partnership to have in effect a registration as a foreign limited liability partnership does not impair the validity of a contract or act of the foreign limited liability partnership or preclude it from defending an action or proceeding in this state.
(3) A limitation on personal liability of a partner is not waived solely by transacting business in this state without registration as a foreign limited liability partnership.
(4) If a foreign limited liability partnership transacts business in this state without a registration as a foreign limited liability partnership, the secretary of state is its agent, as set forth under section 11 of this act, for service of process with respect to a right of action arising out of the transaction of business in this state.

NEW SECTION. Sec. 13. A new section is added to chapter 24.12 RCW to read as follows:

   (b) The address of the principal place of business of the corporation sole in this state including street and number;
   (c) The name and respective address of the bishop, overseer, or presiding elder of the corporation sole; and

(2) (a) The information shall be given as of the date of the execution of the report. It shall be executed by the corporation sole by an officer of the corporation sole or, if the corporation sole is in the hands of a receiver or trustee, it shall be executed on behalf of the corporation sole by such receiver or trustee.
   (b) The secretary of state may provide that correcting or updating information appearing on previous annual or biennial filings is sufficient to constitute the current filing.
(3) The secretary may administratively dissolve a corporation sole that does not comply with this section. However, the secretary shall reinstate a corporation sole administratively dissolved under this subsection if the
corporation sole complies with the requirements of section 15 of this act within five years of the administrative dissolution.

NEW SECTION, Sec. 14. A new section is added to chapter 24.12 RCW to read as follows:

(1) Not less than thirty days prior to a corporation sole's renewal date, the secretary of state shall mail to each corporation sole, by first-class mail addressed to its registered office, a notice that its annual report must be filed as required by this chapter, and stating that if it fails to file its annual report it shall be dissolved or its certificate of authority revoked, as the case may be. Failure of the secretary of state to mail the notice does not relieve a corporation sole from its obligation to file the annual reports required by this chapter.

(2)(a) The report of a corporation sole shall be delivered to the secretary of state on an annual renewal date as the secretary of state may establish. The secretary of state may adopt rules to establish biennial reporting dates and to stagger reporting dates.

(b) If the secretary of state finds that the report substantially conforms to the requirements of this chapter, the secretary of state shall file that report.

NEW SECTION, Sec. 15. A new section is added to chapter 24.12 RCW to read as follows:

(1) The secretary of state shall, when exigent or mitigating circumstances are presented, reinstate to full active status any corporation sole previously in good standing that would otherwise be penalized or lose its active status. Any corporation sole desiring to seek relief under this section shall, within five years of the missed filing or lapse, notify the secretary of state in writing. The notification must include the name and mailing address of the corporation sole, the corporate sole officer to whom correspondence should be sent, and a statement under oath by a responsible corporate sole officer, setting forth the nature of the missed filing or lapse, the circumstances of the missed filing or lapse, that disproportionate harm would occur to the corporation sole if relief were not granted, and the relief sought.

(2) Upon receipt of the notice under subsection (1) of this section, the secretary of state shall investigate the circumstances of the missed filing or lapse.

(a) If the secretary of state is satisfied that sufficient exigent or mitigating circumstances exist; that the corporation sole has demonstrated good faith and a reasonable attempt to comply with the applicable corporate sole license statutes of this state; that disproportionate harm would occur to the corporation sole if relief were not granted; and that relief would not be contrary to the public interest expressed in this title, the secretary may issue an order reinstating the corporation sole and specifying any terms and conditions of the relief. Reinstatement may relate back to the date of lapse or dissolution.

(b) If the secretary of state determines the request does not comply with the requirements for relief, the secretary shall issue an order denying the requested relief and stating the reasons for the denial. Any denial of relief by the secretary of state is final and is not appealable.

(c) The secretary of state shall keep records of all requests for relief and the disposition of the requests. The secretary of state shall annually report to the
legislature the number of relief requests received in the preceding year and a summary of the secretary's disposition of the requests.

(ii) Irritable bowel syndrome;
(iii) Any condition requiring use of an ostomy device; or
(iv) Any permanent or temporary medical condition that requires immediate access to a restroom.

any structure such as a filling station, service station, or restaurant of eight hundred square feet or less that has an employee restroom located within that structure.

(2) A retail establishment that has an employee restroom must allow a customer with an eligible medical condition to use that employee restroom during normal business hours if:

(a) The customer requesting the use of the employee restroom provides in writing either:

(i) A signed statement by the customer's health care provider on a form that has been prepared by the department of health under subsection (4) of this section; or

(ii) An identification card that is issued by a nonprofit organization whose purpose includes serving individuals who suffer from an eligible medical condition; and

(b) One of the following conditions are met:

(i) The employee restroom is reasonably safe and is not located in an area where providing access would create an obvious health or safety risk to the customer; or

(ii) Allowing the customer to access the restroom facility does not pose a security risk to the retail establishment or its employees.

CHAPTER 439
[House Bill 1148]
DOMESTIC VIOLENCE—PROTECTION OF ANIMALS

AN ACT Relating to protecting animals from perpetrators of domestic violence; amending RCW 26.50.060 and 26.50.110; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that considerable research shows a strong correlation between animal abuse, child abuse, and domestic violence. The legislature intends that perpetrators of domestic violence not be allowed to further terrorize and manipulate their victims, or the children of their victims, by using the threat of violence toward pets.

Sec. 2. RCW 26.50.060 and 2000 c 119 s 15 are each amended to read as follows:

(1) Upon notice and after hearing, the court may provide relief as follows:
(a) Restrain the respondent from committing acts of domestic violence;
(b) Exclude the respondent from the dwelling that the parties share, from the residence, workplace, or school of the petitioner, or from the day care or school of a child;
(c) Prohibit the respondent from knowingly coming within, or knowingly remaining within, a specified distance from a specified location;
(d) On the same basis as is provided in chapter 26.09 RCW, the court shall make residential provision with regard to minor children of the parties. However, parenting plans as specified in chapter 26.09 RCW shall not be required under this chapter;
(e) Order the respondent to participate in a domestic violence perpetrator treatment program approved under RCW 26.50.150;
(f) Order other relief as it deems necessary for the protection of the petitioner and other family or household members sought to be protected, including orders or directives to a peace officer, as allowed under this chapter;
(g) Require the respondent to pay the administrative court costs and service fees, as established by the county or municipality incurring the expense and to reimburse the petitioner for costs incurred in bringing the action, including reasonable attorneys' fees;

(h) Restrain the respondent from having any contact with the victim of domestic violence or the victim's children or members of the victim's household;

(i) Require the respondent to submit to electronic monitoring. The order shall specify who shall provide the electronic monitoring services and the terms under which the monitoring must be performed. The order also may include a requirement that the respondent pay the costs of the monitoring. The court shall consider the ability of the respondent to pay for electronic monitoring;

(j) Consider the provisions of RCW 9.41.800;

(k) Order possession and use of essential personal effects. The court shall list the essential personal effects with sufficient specificity to make it clear which property is included. Personal effects may include pets. The court may order that a petitioner be granted the exclusive custody or control of any pet owned, possessed, leased, kept, or held by the petitioner, respondent, or minor child residing with either the petitioner or respondent and may prohibit the respondent from interfering with the petitioner's efforts to remove the pet. The court may also prohibit the respondent from knowingly coming within, or knowingly remaining within, a specified distance of specified locations where the pet is regularly found; and

(l) Order use of a vehicle.

(2) If a protection order restrains the respondent from contacting the respondent's minor children the restraint shall be for a fixed period not to exceed one year. This limitation is not applicable to orders for protection issued under chapter 26.09, 26.10, or 26.26 RCW. With regard to other relief, if the petitioner has petitioned for relief on his or her own behalf or on behalf of the petitioner's family or household members or minor children, and the court finds that the respondent is likely to resume acts of domestic violence against the petitioner or the petitioner's family or household members or minor children when the order expires, the court may either grant relief for a fixed period or enter a permanent order of protection.

If the petitioner has petitioned for relief on behalf of the respondent's minor children, the court shall advise the petitioner that if the petitioner wants to continue protection for a period beyond one year the petitioner may either petition for renewal pursuant to the provisions of this chapter or may seek relief pursuant to the provisions of chapter 26.09 or 26.26 RCW.

(3) If the court grants an order for a fixed time period, the petitioner may apply for renewal of the order by filing a petition for renewal at any time within the three months before the order expires. The petition for renewal shall state the reasons why the petitioner seeks to renew the protection order. Upon receipt of the petition for renewal the court shall order a hearing which shall be not later than fourteen days from the date of the order. Except as provided in RCW 26.50.085, personal service shall be made on the respondent not later than five days before the hearing. If timely service cannot be made the court shall set a new hearing date and shall either require additional attempts at obtaining personal service or permit service by publication as provided in RCW 26.50.085 or by mail as provided in RCW 26.50.123. If the court permits service by
publication or mail, the court shall set the new hearing date not later than twenty-
four days from the date of the order. If the order expires because timely service
cannot be made the court shall grant an ex parte order of protection as provided
in RCW 26.50.070. The court shall grant the petition for renewal unless the
respondent proves by a preponderance of the evidence that the respondent will
not resume acts of domestic violence against the petitioner or the petitioner's
children or family or household members when the order expires. The court
may renew the protection order for another fixed time period or may enter a
permanent order as provided in this section. The court may award court costs,
service fees, and reasonable attorneys' fees as provided in subsection (1)(g) of this section.

(4) In providing relief under this chapter, the court may realign the
designation of the parties as "petitioner" and "respondent" where the court finds
that the original petitioner is the abuser and the original respondent is the victim
of domestic violence and may issue an ex parte temporary order for protection in
accordance with RCW 26.50.070 on behalf of the victim until the victim is able
to prepare a petition for an order for protection in accordance with RCW
26.50.030.

(5) Except as provided in subsection (4) of this section, no order for
protection shall grant relief to any party except upon notice to the respondent
and hearing pursuant to a petition or counter-petition filed and served by the
party seeking relief in accordance with RCW 26.50.050.

(6) The court order shall specify the date the order expires if any. The court
order shall also state whether the court issued the protection order following
personal service, service by publication, or service by mail and whether the court
has approved service by publication or mail of an order issued under this section.

(7) If the court declines to issue an order for protection or declines to renew
an order for protection, the court shall state in writing on the order the particular
reasons for the court's denial.

Sec. 3. RCW 26.50.110 and 2007 c 173 s 2 are each amended to read as
follows:

(1)(a) Whenever an order is granted under this chapter, chapter 7.90, 10.99,
26.09, 26.10, 26.26, or 74.34 RCW, or there is a valid foreign protection order as
defined in RCW 26.52.020, and the respondent or person to be restrained knows
of the order, a violation of any of the following provisions of the order is a gross
misdemeanor, except as provided in subsections (4) and (5) of this section:

(i) The restraint provisions prohibiting acts or threats of violence against, or
stalking of, a protected party, or restraint provisions prohibiting contact with a
protected party;

(ii) A provision excluding the person from a residence, workplace, school,
or day care;

(iii) A provision prohibiting a person from knowingly coming within, or

or

(v) A provision of a foreign protection order specifically indicating that a
violation will be a crime.

[ 2225 ]
(b) Upon conviction, and in addition to any other penalties provided by law, the court may require that the respondent submit to electronic monitoring. The court shall specify who shall provide the electronic monitoring services, and the terms under which the monitoring shall be performed. The order also may include a requirement that the respondent pay the costs of the monitoring. The court shall consider the ability of the convicted person to pay for electronic monitoring.

(2) A peace officer shall arrest without a warrant and take into custody a person whom the peace officer has probable cause to believe has violated an order issued under this chapter, chapter 7.90, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or a valid foreign protection order as defined in RCW 26.52.020, that restrains the person or excludes the person from a residence, workplace, school, or day care, or prohibits the person from knowingly coming within, or knowingly remaining within, a specified distance of a location, if the person restrained knows of the order. Presence of the order in the law enforcement computer-based criminal intelligence information system is not the only means of establishing knowledge of the order.

(3) A violation of an order issued under this chapter, chapter 7.90, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or of a valid foreign protection order as defined in RCW 26.52.020, shall also constitute contempt of court, and is subject to the penalties prescribed by law.

(4) Any assault that is a violation of an order issued under this chapter, chapter 7.90, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or of a valid foreign protection order as defined in RCW 26.52.020, and that does not amount to assault in the first or second degree under RCW 9A.36.011 or 9A.36.021 is a class C felony, and any conduct in violation of such an order that is reckless and creates a substantial risk of death or serious physical injury to another person is a class C felony.

(5) A violation of a court order issued under this chapter, chapter 7.90, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or of a valid foreign protection order as defined in RCW 26.52.020, is a class C felony if the offender has at least two previous convictions for violating the provisions of an order issued under this chapter, chapter 7.90, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or a valid foreign protection order as defined in RCW 26.52.020. The previous convictions may involve the same victim or other victims specifically protected by the orders the offender violated.

(6) Upon the filing of an affidavit by the petitioner or any peace officer alleging that the respondent has violated an order granted under this chapter, chapter 7.90, 10.99, 26.09, 26.10, 26.26, or 74.34 RCW, or a valid foreign protection order as defined in RCW 26.52.020, the court may issue an order to the respondent, requiring the respondent to appear and show cause within fourteen days why the respondent should not be found in contempt of court and punished accordingly. (9) Counties must meet the criteria established in RCW 2.28.170(3)(b).

(10) The authority under this section to use funds from the criminal justice treatment account for the administrative and overhead costs associated with the operation of a drug court expires June 30, 2013.

Sec. 2. RCW 2.28.170 and 2006 c 339 s 106 are each amended to read as follows:

(1) Counties may establish and operate drug courts.

(2) For the purposes of this section, "drug court" means a court that has special calendars or dockets designed to achieve a reduction in recidivism and substance abuse among nonviolent, substance abusing felony and nonfelony offenders, whether adult or juvenile, by increasing their likelihood for successful rehabilitation through early, continuous, and intense judicially supervised treatment; mandatory periodic drug testing; and the use of appropriate sanctions and other rehabilitation services.

(3)(a) Any jurisdiction that seeks a state appropriation to fund a drug court program must first:

(i) Exhaust all federal funding that is available to support the operations of its drug court and associated services; and

(ii) Match, on a dollar-for-dollar basis, state moneys allocated for drug court programs with local cash or in-kind resources. Moneys allocated by the state must be used to supplement, not supplant, other federal, state, and local funds for
drug court operations and associated services. However, from the effective date of this act until June 30, 2013, no match is required for state moneys expended for the administrative and overhead costs associated with the operation of a drug court pursuant to RCW 70.96A.350.

(b) Any county that establishes a drug court pursuant to this section shall establish minimum requirements for the participation of offenders in the program. The drug court may adopt local requirements that are more stringent than the minimum. The minimum requirements are:

(i) The offender would benefit from substance abuse treatment;
(ii) The offender has not previously been convicted of a serious violent offense or sex offense as defined in RCW 9.94A.030; and
(iii) Without regard to whether proof of any of these elements is required to convict, the offender is not currently charged with or convicted of an offense:
   (A) That is a sex offense;
   (B) That is a serious violent offense;
   (C) During which the defendant used a firearm; or
   (D) During which the defendant caused substantial or great bodily harm or death to another person.

CHAPTER 446
[Engrossed House Bill 1986]
PEER MENTORING—PILOT PROGRAM

AN ACT Relating to peer mentoring; adding a new section to chapter 28B.12 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that peer mentoring provides tangible and long-lasting opportunities for all students, especially for low-income students, students of color, and first generation students. These benefits include improved student achievement and planning for success in postsecondary education. The legislature further finds that mentoring increases the self-worth of both mentees and mentors, while cultivating opportunities to improve communication skills and develop and enhance leadership and other critical transferable skills. Furthermore, the legislature finds that mentorship provides a valuable opportunity to increase student interest in career opportunities in the counseling and teaching professions, and thus intends to support those efforts to the maximum extent possible.

NEW SECTION. Sec. 2. A new section is added to chapter 28B.12 RCW to read as follows:

(1) Western Washington University shall create and implement a pilot mentoring program to inspire academic success and introduce elementary students to educational opportunities. In addition to establishing a pilot project on its own campus, the university, in close collaboration with the state board for community and technical colleges, shall jointly identify a community or
technical college to participate in the pilot program. The community or technical college selected shall demonstrate active partnerships with interested common schools, local businesses, and community organizations. Western Washington University and the state board for community and technical colleges shall identify the community or technical college by August 1, 2009.

(2) The state board for community and technical colleges shall work in close collaboration with Western Washington University to identify a community or technical college to participate in the pilot mentoring program.

(3) The goals of the pilot project are to:

(a) Encourage at-risk elementary school students to complete high school and attend college, boosting the percentage of Washington students who continue onto college;
(b) Provide positive role models for at-risk students and allow college students the opportunity to perform community service;
(c) Strengthen relationships between the community, the university, and area youth;
(d) Introduce at-risk students to college and provide them an opportunity to experience their public colleges and universities;
(e) Increase the number of youth who view going to college as both necessary and achievable; and
(f) Develop a model that is scalable statewide.

(4) Within existing resources, the pilot institutions shall:

(a) Recruit college students interested in serving as mentors to elementary school students;
(b) Identify local elementary schools with demonstrated need for a mentoring program;
(c) Develop a curriculum used for training college mentors. The college may grant college-level credit to students who complete the course;
(d) Develop any necessary contracts or interagency agreements to facilitate program implementation;
(e) Provide ongoing support and oversight of the program;
(f) Solicit grants, awards, and gifts from individuals, businesses, agencies, and foundations;
(g) Provide community outreach and publicity for the program;
(h) Develop appropriate outcome measures and evaluate the program at regular intervals;
(i) Together with the state board for community and technical colleges and in close collaboration with other community and institutional partners, submit to the legislature:

(i) A preliminary progress report by December 1, 2010, that includes a review of preliminary findings from the pilot project, recommendations regarding the resources necessary to expand the model statewide, and a process and timeline for statewide implementation; and
(ii) A final report, updating the findings from the preliminary report, by December 1, 2011.

Passed by the House April 21, 2009.
Passed by the Senate April 16, 2009.
CHAPTER 447

DEVELOPMENTAL DISABILITIES SERVICES—JAILS AND CORRECTIONS

AN ACT Relating to persons with developmental disabilities who are in correctional facilities or jails; creating new sections; and providing an expiration date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. (1) The legislature finds that:
(a) A small number of persons with developmental disabilities commit crimes, are held in jail, are tried for their offenses, and are sentenced to serve time in our correctional system;
(b) Persons with developmental disabilities are often confused with persons with mental illness. These populations are different and must be understood as distinct groups, with different reasonable accommodation needs; and
(c) A developmental disability often stems from a mix of causes and many persons with developmental disabilities have cognitive impairments that require reasonable accommodations to assist them in understanding what is happening to them and what is expected of them when they encounter the criminal justice system.

(2) The legislature intends to improve the ability of corrections institutions to better identify and provide safe, appropriate accommodations for persons with developmental disabilities.

NEW SECTION. Sec. 2. (1) Within state and federal funds appropriated or otherwise available for this purpose, a work group is established, to be cochaired by representatives of the developmental disabilities council and the Washington association of sheriffs and police chiefs, to address issues relating to persons with developmental disabilities who are confined in correctional facilities.

(2) In addition to representatives from the developmental disabilities council and the Washington association of sheriffs and police chiefs, the work group shall consult with:
(a) The department of social and health services;
(b) The department of corrections;
(c) The Washington traumatic brain injury strategic partnership advisory council as defined in RCW 74.31.020;
(d) Disability rights Washington;
(e) Consumer advocates; and
(f) Other interested organizations as identified by the developmental disabilities council and the Washington association of sheriffs and police chiefs.

(3) By December 1, 2009, the work group shall develop recommendations and report to the appropriate committees of the legislature relating to:
(a) Expediately reviewing and determining eligibility for developmental disabilities services provided through the department of social and health services prior to a person's release from confinement from jail or confinement in the department of corrections;
(b) The appropriate role of the department of social and health services in providing potential alternatives to confinement for persons with developmental disabilities and consultation and technical assistance to jails and the department of corrections in their efforts to provide reasonable accommodations for persons with developmental disabilities who are confined in their facility;

c) Increasing the appropriate use of the authority granted the courts under current sentencing reform act provisions, chapter 9.94A RCW, to order alternatives to confinement prior to trial or following conviction in cases with a sentence of twelve months or less;

d) The establishment of new options under the sentencing reform act to divert persons with developmental disabilities from the criminal justice system while maintaining public safety;

e) The feasibility of developing and adopting law enforcement training for responding to persons with developmental disabilities that is analogous to the crisis intervention training currently provided to law enforcement officers for responding to alleged criminal behavior by persons with mental illness;

f) The feasibility of adopting standardized statewide screening and application practices and forms designed to facilitate the application of a confined person who is likely to be eligible for medical assistance services by the division of developmental disabilities;

g) The need for and feasibility of developing a screening tool and training for corrections staff to be used to identify persons with developmental disabilities who are confined in prison with the department of corrections similar to the tool to be developed for jails under subsection (4) of this section; and

h) The feasibility of developing a screening tool for traumatic brain injuries, and information on best practices and training regarding appropriate accommodations for persons with traumatic brain injuries.

(4) By July 1, 2010, the work group shall develop:

a) A simple screening tool that may be used by jails as part of a jail’s intake and/or classification process and which will assist in the identification of offenders with the most common types of developmental disabilities;

b) A model policy for the use of the screening tool;

c) A cost-effective means to provide concise training to jail staff on the use of the tool; and

d) Information on best practices and training regarding appropriate accommodations for persons with developmental disabilities during their confinement.

NEW SECTION. Sec. 3. The definitions in this section apply throughout sections 1 and 2 of this act unless the context clearly requires otherwise.

Sec. 2. RCW 80.80.040 and 2007 c 307 s 5 are each amended to read as follows:

(1) Beginning July 1, 2008, the greenhouse gas emissions performance standard for all baseload electric generation for which electric utilities enter into long-term financial commitments on or after such date is the lower of:
   (a) One thousand one hundred pounds of greenhouse gases per megawatt-hour; or
   (b) The average available greenhouse gas emissions output as determined under RCW 80.80.050.

(2) This chapter does not apply to long-term financial commitments with the Bonneville power administration.

(3) All baseload electric generation facilities in operation as of June 30, 2008, are deemed to be in compliance with the greenhouse gas emissions performance standard established under this section until the facilities are the subject of long-term financial commitments. All baseload electric generation that commences operation after June 30, 2008, and is located in Washington, must comply with the greenhouse gas emissions performance standard established in subsection (1) of this section.

(4) All electric generation facilities or power plants powered exclusively by renewable resources, as defined in RCW 19.280.020, are deemed
to be in compliance with the greenhouse gas emissions performance standard established under this section.

(((4))) (5) All cogeneration facilities in the state that are fueled by natural gas or waste gas or a combination of the two fuels, and that are in operation as of June 30, 2008, are deemed to be in compliance with the greenhouse gas emissions performance standard established under this section until the facilities are the subject of a new ownership interest or are upgraded.

(((5))) (6) In determining the rate of emissions of greenhouse gases for baseload electric generation, the total emissions associated with producing electricity shall be included.

(7) In no case shall a long-term financial commitment be determined to be in compliance with the greenhouse gas emissions performance standard if the commitment includes more than twelve percent of electricity from unspecified sources.

(8) For a long-term financial commitment with multiple power plants, each specified power plant must be treated individually for the purpose of determining the annualized plant capacity factor and net emissions, and each power plant must comply with subsection (1) of this section, except as provided in subsections (3) through (5) of this section.

(((6))) (9) The department shall establish an output-based methodology to ensure that the calculation of emissions of greenhouse gases for a cogeneration facility recognizes the total usable energy output of the process, and includes all greenhouse gases emitted by the facility in the production of both electrical and thermal energy. In developing and implementing the greenhouse gas emissions performance standard, the department shall consider and act in a manner consistent with any rules adopted pursuant to the public utilities regulatory policy act of 1978 (16 U.S.C. Sec. 824a-3), as amended.

(((7))) (10) The following greenhouse gas emissions produced by baseload electric generation owned or contracted through a long-term financial commitment shall not be counted as emissions of the power plant in determining compliance with the greenhouse gas emissions performance standard:

(a) Those emissions that are injected permanently in geological formations;
(b) Those emissions that are permanently sequestered by other means approved by the department; and
(c) Those emissions sequestered or mitigated as approved under subsection ((13)) (16) of this section.

(((8))) (11) In adopting and implementing the greenhouse gas emissions performance standard, the department of community, trade, and economic development energy policy division, in consultation with the commission, the department, the Bonneville power administration, the western electricity coordination council, the energy facility site evaluation council, electric utilities, public interest representatives, and consumer representatives, shall consider the effects of the greenhouse gas emissions performance standard on system reliability and overall costs to electricity customers.

(((9))) (12) In developing and implementing the greenhouse gas emissions performance standard, the department shall, with assistance of the commission, the department of community, trade, and economic development energy policy division, and electric utilities, and to the extent practicable,
address long-term purchases of electricity from unspecified sources in a manner consistent with this chapter.

(((10)) (13)) The directors of the energy facility site evaluation council and the department shall each adopt rules under chapter 34.05 RCW in coordination with each other to implement and enforce the greenhouse gas emissions performance standard. The rules necessary to implement this section shall be adopted by June 30, 2008.

(((14)) (14)) In adopting the rules for implementing this section, the energy facility site evaluation council and the department shall include criteria to be applied in evaluating the carbon sequestration plan, for baseload electric generation that will rely on subsection (((7)) (10)) of this section to demonstrate compliance, but that will commence sequestration after the date that electricity is first produced. The rules shall include but not be limited to:

(a) Provisions for financial assurances, as a condition of plant operation, sufficient to ensure successful implementation of the carbon sequestration plan, including construction and operation of necessary equipment, and any other significant costs;

(b) Provisions for geological or other approved sequestration commencing within five years of plant operation, including full and sufficient technical documentation to support the planned sequestration;

(c) Provisions for monitoring the effectiveness of the implementation of the sequestration plan;

(d) Penalties for failure to achieve implementation of the plan on schedule;

(e) Provisions for an owner to purchase emissions reductions in the event of the failure of a sequestration plan under subsection (((13)) (16)) of this section; and

(f) Provisions for public notice and comment on the carbon sequestration plan.

(((15)) (15)(a) Except as provided in (b) of this subsection, as part of its role enforcing the greenhouse gas emissions performance standard, the department shall determine whether sequestration or a plan for sequestration will provide safe, reliable, and permanent protection against the greenhouse gases entering the atmosphere from the power plant and all ancillary facilities.

(b) For facilities under its jurisdiction, the energy facility site evaluation council shall contract for review of sequestration or the carbon sequestration plan with the department consistent with the conditions under (a) of this subsection, consider the adequacy of sequestration or the plan in its adjudicative proceedings conducted under RCW 80.50.090(3), and incorporate specific findings regarding adequacy in its recommendation to the governor under RCW 80.50.100.

(((16)) (16)) A project under consideration by the energy facility site evaluation council by July 22, 2007, is required to include all of the requirements of subsection (((14)) (14)) of this section in its carbon sequestration plan submitted as part of the energy facility site evaluation council process. A project under consideration by the energy facility site evaluation council by July 22, 2007, that receives final site certification agreement approval under chapter 80.50 RCW shall make a good faith effort to implement the sequestration plan. If the project owner determines that implementation is not feasible, the project owner shall submit documentation of that determination to
the energy facility site evaluation council. The documentation shall demonstrate the steps taken to implement the sequestration plan and evidence of the technological and economic barriers to successful implementation. The project owner shall then provide to the energy facility site evaluation council notification that they shall implement the plan that requires the project owner to meet the greenhouse gas emissions performance standard by purchasing verifiable greenhouse gas emissions reductions from an electric generating facility located within the western interconnection, where the reduction would not have occurred otherwise or absent this contractual agreement, such that the sum of the emissions reductions purchased and the facility's emissions meets the standard for the life of the facility.

Sec. 3. RCW 80.80.060 and 2007 c 307 s 8 are each amended to read as follows:

(1) No electrical company may enter into a long-term financial commitment unless the baseload electric generation supplied under such a long-term financial commitment complies with the greenhouse gases emissions performance standard established under RCW 80.80.040.

(2) In order to enforce the requirements of this chapter, the commission shall review in a general rate case or as provided in subsection (5) of this section any long-term financial commitment entered into by an electrical company after June 30, 2008, to determine whether the baseload electric generation to be supplied under that long-term financial commitment complies with the greenhouse gases emissions performance standard established under RCW 80.80.040.

(3) In determining whether a long-term financial commitment is for baseload electric generation, the commission shall consider the design of the power plant and its intended use, based upon the electricity purchase contract, if any, permits necessary for the operation of the power plant, and any other matter the commission determines is relevant under the circumstances.

(4) Upon application by an electric utility, the commission may provide a case-by-case exemption from the greenhouse gases emissions performance standard to address: (a) Unanticipated electric system reliability needs; (b) extraordinary cost impacts on utility ratepayers; or (c) catastrophic events or threat of significant financial harm that may arise from unforeseen circumstances.

(5) Upon application by an electrical company, the commission shall determine whether the company's proposed decision to acquire electric generation or enter into a power purchase agreement for electricity complies with the greenhouse gases emissions performance standard established under RCW 80.80.040((, whether the company has a need for the resource, and whether the specific resource selected is appropriate. The commission shall take into consideration factors such as the company's forecasted loads, need for energy, power plant technology, expected costs, and other associated investment decisions)). The commission shall not decide in a proceeding under this subsection (5) issues involving the actual costs to construct and operate the selected resource, cost recovery, or other issues reserved by the commission for decision in a general rate case or other proceeding for recovery of the resource or contract costs. (A proceeding under this subsection (5) shall be conducted pursuant to chapter 34.05 RCW (part IV). The commission shall adopt rules to
provide that the schedule for a proceeding under this subsection takes into account both (a) the needs of the parties to the proposed resource acquisition or power purchase agreement for timely decisions that allow transactions to be completed, and (b) the procedural rights to be provided to parties in chapter 34.05 RCW (part IV), including intervention, discovery, briefing, and hearing.)

(6) An electrical company may account for and defer for later consideration by the commission costs incurred in connection with ((the)) a long-term financial commitment, including operating and maintenance costs, depreciation, taxes, and cost of invested capital. The deferral begins with the date on which the power plant begins commercial operation or the effective date of the power purchase agreement and continues for a period not to exceed twenty-four months; provided that if during such period the company files a general rate case or other proceeding for the recovery of such costs, deferral ends on the effective date of the final decision by the commission in such proceeding. Creation of such a deferral account does not by itself determine the actual costs of the long-term financial commitment, whether recovery of any or all of these costs is appropriate, or other issues to be decided by the commission in a general rate case or other proceeding for recovery of these costs. For the purpose of this subsection (6) only, the term "long-term financial commitment" also includes an electric company's ownership or power purchase agreement with a term of five or more years associated with an eligible renewable resource as defined in RCW 19.285.030.

(7) The commission shall consult with the department to apply the procedures adopted by the department to verify the emissions of greenhouse gases from baseload electric generation under RCW 80.80.040. The department shall report to the commission whether baseload electric generation will comply with the greenhouse gases emissions performance standard for the duration of the period the baseload electric generation is supplied to the electrical company.

(8) The commission shall adopt rules for the enforcement of this section with respect to electrical companies and adopt procedural rules for approving costs incurred by an electrical company under subsection (4) of this section.

(9) The commission shall adopt rules necessary to implement this section by December 31, 2008.

*Sec. 4. RCW 80.80.070 and 2007 c 307 s 9 are each amended to read as follows:

(1) No consumer-owned utility may enter into a long-term financial commitment unless the baseload electric generation supplied under such a long-term financial commitment complies with the greenhouse ((gases)) gas emissions performance standard established under RCW 80.80.040.

(2) The governing board shall review and make a determination on any long-term financial commitment by the utility, pursuant to this chapter and after consultation with the department, to determine whether the baseload electric generation to be supplied under that long-term financial commitment complies with the greenhouse ((gases)) gas emissions performance standard established under RCW 80.80.040. No consumer-owned utility may enter into a long-term financial commitment unless the baseload electric generation to be supplied under that long-term financial commitment complies with the greenhouse ((gases)) gas emissions performance standard established under RCW 80.80.040.
(3) In confirming that a long-term financial commitment is for baseload electric generation, the governing board shall consider the design of the power plant and the intended use of the power plant based upon the electricity purchase contract, if any, permits necessary for the operation of the power plant, and any other matter the governing board determines is relevant under the circumstances.

(4) The governing board may provide a case-by-case exemption from the greenhouse gas emissions performance standard to address: (a) Unanticipated electric system reliability needs; (b) extraordinary cost impacts on utility ratepayers; or (c) catastrophic events or threat of significant financial harm that may arise from unforeseen circumstances.

(5) The governing board shall apply the procedures adopted by the department to verify the emissions of greenhouse gases from baseload electric generation under RCW 80.80.040, and may request assistance from the department in doing so.

(6) For consumer-owned utilities, the auditor is responsible for auditing compliance with this chapter and rules adopted under this chapter that apply to those utilities and the attorney general is responsible for enforcing that compliance.

*Sec. 4 was vetoed. See message at end of chapter.

Passed by the House April 20, 2009.
Passed by the Senate April 9, 2009.
Approved by the Governor May 11, 2009, with the exception of certain items that were vetoed.
Filed in Office of Secretary of State May 11, 2009.

Note: Governor's explanation of partial veto is as follows:

"I have approved, except for Section 4, House Bill 2129 entitled:

"AN ACT Relating to the greenhouse gas emissions performance standard under chapter 80.80 RCW."

Section 4 allows the governing boards of public utilities to exempt themselves from performance standards if they find "extraordinary cost impacts on utility ratepayers." I am vetoing this section because there is no clear definition of what these impacts may be on ratepayers, no process by which other parties would have the opportunity to present evidence and argument opposing a proposed exemption, and no clear legal framework that assures transparency and accountability.

For these reasons, I have vetoed Section 4 of House Bill 2129. With the exception of Section 4, House Bill No. 2129 is approved."

CHAPTER 449
[Engrossed Substitute House Bill 2222]

INDUSTRIAL STORM WATER GENERAL DISCHARGE PERMITS

AN ACT Relating to conditioning industrial storm water general discharge permits; amending RCW 90.48.555; adding a new section to chapter 90.48 RCW; and providing an expiration date.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 90.48.555 and 2004 c 225 s 2 are each amended to read as follows:
The provisions of this section apply to the construction and industrial storm water general permits issued by the department pursuant to the federal clean water act, 33 U.S.C. Sec. 1251 et seq., and this chapter.

(1) Effluent limitations shall be included in construction and industrial storm water general permits as required under the federal clean water act, 33 U.S.C. Sec. 1251 et seq., and its implementing regulations. In accordance with federal clean water act requirements, pollutant specific, water quality-based effluent limitations shall be included in construction and industrial storm water general permits if there is a reasonable potential to cause or contribute to an excursion of a state water quality standard.

(2) Subject to the provisions of this section, both technology and water quality-based effluent limitations may be expressed as:
   (a) Numeric effluent limitations;
   (b) Narrative effluent limitations; or
   (c) A combination of numeric and narrative effluent discharge limitations.

(3) The department must condition storm water general permits for industrial and construction activities issued under the national pollutant discharge elimination system of the federal clean water act to require compliance with numeric effluent discharge limits when such discharges are subject to:
   (a) Numeric effluent limitations established in federally adopted, industry-specific effluent guidelines;
   (b) State developed, industry-specific performance-based numeric effluent limitations;
   (c) Numeric effluent limitations based on a completed total maximum daily load analysis or other pollution control measures; or
   (d) A determination by the department that:
      (i) The discharges covered under either the construction or industrial storm water general permits have a reasonable potential to cause or contribute to violation of state water quality standards; and
      (ii) Effluent limitations based on nonnumeric best management practices are not effective in achieving compliance with state water quality standards.

(4) In making a determination under subsection (3)(d) of this section, the department shall use procedures that account for:
   (a) Existing controls on point and nonpoint sources of pollution;
   (b) The variability of the pollutant or pollutant parameter in the storm water discharge; and
   (c) As appropriate, the dilution of the storm water in the receiving waters.

(5) Narrative effluent limitations requiring both the implementation of best management practices, when designed to satisfy the technology and water quality-based requirements of the federal clean water act, 33 U.S.C. Sec. 1251 et seq., and compliance with water quality standards, shall be used for construction and industrial storm water general permits, unless the provisions of subsection (3) of this section apply.

(6) Compliance with water quality standards shall be presumed, unless discharge monitoring data or other site specific information demonstrates that a discharge causes or contributes to violation of water quality standards, when the permittee is:
   (a) In full compliance with all permit conditions, including planning, sampling, monitoring, reporting, and recordkeeping conditions; and
(b)(i) Fully implementing storm water best management practices contained in storm water technical manuals approved by the department, or practices that are demonstrably equivalent to practices contained in storm water technical manuals approved by the department, including the proper selection, implementation, and maintenance of all applicable and appropriate best management practices for on-site pollution control.

(ii) For the purposes of this section, "demonstrably equivalent" means that the technical basis for the selection of all storm water best management practices are documented within a storm water pollution prevention plan. The storm water pollution prevention plan must document:

(A) The method and reasons for choosing the storm water best management practices selected;
(B) The pollutant removal performance expected from the practices selected;
(C) The technical basis supporting the performance claims for the practices selected, including any available existing data concerning field performance of the practices selected;
(D) An assessment of how the selected practices will comply with state water quality standards; and
(E) An assessment of how the selected practices will satisfy both applicable federal technology-based treatment requirements and state requirements to use all known, available, and reasonable methods of prevention, control, and treatment.

(7)(a) By November 1, 2009, the department shall modify or reissue the industrial storm water general permit to require compliance (by May 1, 2009,)) with appropriately derived numeric water quality-based effluent limitations for existing discharges to water bodies listed as impaired according to 33 U.S.C. Sec. 1313(d) (Sec. 303(d) of the federal clean water act, 33 U.S.C. Sec. 1251 et seq.).

(b) ((No later than September 1, 2008,)) The industrial storm water general permit must require permittees to comply with appropriately derived numeric water quality-based effluent limitations in the permit, as described in (a) of this subsection, by no later than six months after the effective date of the modified or reissued industrial storm water general permit.

(c) For permittees that the department determines are unable to comply with the numeric water quality-based effluent limitations required by (a) of this subsection, within the timeline established in (b) of this subsection, the department shall establish a compliance schedule as follows:

(i) Any compliance schedule provided by the department must require compliance as soon as possible, and must require compliance by no later than twenty-four months, or two complete wet seasons, after the effective date of the industrial storm water general permit. For purposes of this subsection (7)(c)(i), "wet seasons" means October 1st through June 30th.

(ii) The department shall post on its website the name, location, industrial storm water permit number, and the reason for requesting a compliance schedule for each permittee who requests a compliance schedule according to this subsection (7)(c). The department shall post this information no later than thirty days after receiving a permittee's request for a compliance schedule under this subsection (7)(c). The department shall also prepare a list of organizations and
individuals seeking to be notified when such requests for compliance schedules are made, and notify them within thirty days after receiving a permittee's request for a compliance schedule. Notification under this subsection may be accomplished electronically.

(d) The department shall report to the appropriate committees of the legislature specifying how the numeric effluent limitation in (a) of this subsection would be implemented. The report shall identify the number of dischargers to impaired water bodies and provide an assessment of anticipated compliance with the numeric effluent limitation established by (a) of this subsection.

(8)(a) Construction and industrial storm water general permits issued by the department shall include an enforceable adaptive management mechanism that includes appropriate monitoring, evaluation, and reporting. The adaptive management mechanism shall include elements designed to result in permit compliance and shall include, at a minimum, the following elements:

(i) An adaptive management indicator, such as monitoring benchmarks;
(ii) Monitoring;
(iii) Review and revisions to the storm water pollution prevention plan;
(iv) Documentation of remedial actions taken; and
(v) Reporting to the department.

(b) Construction and industrial storm water general permits issued by the department also shall include the timing and mechanisms for implementation of treatment best management practices.

(9) Construction and industrial storm water discharges authorized under general permits must not cause or have the reasonable potential to cause or contribute to a violation of an applicable water quality standard. Where a discharge has already been authorized under a national pollutant discharge elimination system storm water permit and it is later determined to cause or have the reasonable potential to cause or contribute to the violation of an applicable water quality standard, the department may notify the permittee of such a violation.

(10) Once notified by the department of a determination of reasonable potential to cause or contribute to the violation of an applicable water quality standard, the permittee must take all necessary actions to ensure future discharges do not cause or contribute to the violation of a water quality standard and document those actions in the storm water pollution prevention plan and a report timely submitted to the department. If violations remain or recur, coverage under the construction or industrial storm water general permits may be terminated by the department, and an alternative general permit or individual permit may be issued. Compliance with the requirements of this subsection does not preclude any enforcement activity provided by the federal clean water act, 33 U.S.C. Sec. 1251 et seq., for the underlying violation.

(11) Receiving water sampling shall not be a requirement of an industrial or construction storm water general permit except to the extent that it can be conducted without endangering the health and safety of persons conducting the sampling.

(12) The department may authorize mixing zones only in compliance with and after making determinations mandated by the procedural and substantive requirements of applicable laws and regulations.
NEW SECTION. Sec. 2. A new section is added to chapter 90.48 RCW to read as follows:

(1) As funding to do so becomes available, the department shall create a storm water technical resource center in partnership with a university, nonprofit organization, or other public or private entity to provide tools for storm water management. The center shall use its authority to support the duties listed in this subsection through research, development, technology demonstration, technology transfer, education, outreach, recognition, and training programs. The center may:

(a) Review and evaluate emerging storm water technologies;
(b) Research and develop innovative and cost-effective technical solutions to remove pollutants from runoff and to reduce or eliminate storm water discharges;
(c) Conduct pilot projects to test technical solutions;
(d) Serve as a clearinghouse and outreach center for information on storm water technology;
(e) Assist in the development of storm water control methods to better protect water quality, including source control, product substitution, pollution prevention, and storm water treatment;
(f) Coordinate with federal, state, and local agencies and private organizations in administering programs related to storm water control measures; and

(g) Collaborate with existing storm water outreach programs.

(2) The department shall consult with an advisory committee in the development of the storm water technical resource center. The advisory committee must include representatives from relevant state agencies, local governments, the business community, the environmental community, tribes, and the building and development industry.

(3) The department, in consultation with the storm water technical resource center advisory committee, shall identify a funding strategy for funding the storm water technical resource center.

(4) The department shall encourage all interested parties to help and support the technical resource center with in-kind services.

(5) The department shall prepare and submit a biennial progress report to the legislature.

NEW SECTION. Sec. 3. Section 1 of this act expires January 1, 2015.

Passed by the House April 20, 2009.
Passed by the Senate April 14, 2009.
Approved by the Governor May 11, 2009.
Filed in Office of Secretary of State May 11, 2009.
NEW SECTION. Sec. 1. (1) The legislature finds that the economy of the state of Washington requires a well-prepared workforce. To meet the need, more Washington students need to be prepared for postsecondary education and training. Further, the personal enrichment and success of Washington citizens increasingly relies on their ability to use the state's postsecondary education and training system. To accomplish those ends, the legislature desires to increase the number of students who begin earning college credits while still in high school.

(2) The legislature further finds that dual credit programs introduce students to college-level work, provide a jump start on getting a college degree, and, perhaps most importantly, show students that they can succeed in college. Dual credit programs also provide another avenue of student financial aid, since many programs are offered for little or no cost to students.

(3) The legislature also finds that students must be provided a choice when selecting a dual credit program that is right for them. Options should be available for the student who wants to learn on a college campus and the student who wants to stay at the high school and take college-level courses. Options must also be available for the hands-on learner who seeks to complete an apprenticeship program.

(4) The legislature intends to blur the line between high school and college by articulating a vision to dramatically increase participation in dual credit programs. It is for this reason that the legislature should call on all education stakeholders to come together to coordinate resources, track outcomes, and improve program availability.

(5) The legislature further intends to provide high schools, colleges, and universities with a set of tools for growing and coordinating dual credit programs. Institutions should be given some flexibility in determining the best methods to secure long-term, ample financial support for these programs, while students should be given some help in offsetting instructional costs.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.600 RCW to read as follows:

(1) The office of the superintendent of public instruction, in collaboration with the state board for community and technical colleges, the Washington state apprenticeship and training council, the workforce training and education coordinating board, the higher education coordinating board, and the public baccalaureate institutions, shall report by September 1, 2010, and annually thereafter to the education and higher education committees of the legislature regarding participation in dual credit programs. The report shall include:

(a) Data about student participation rates and academic performance including but not limited to running start, college in the high school, tech prep, international baccalaureate, advanced placement, and running start for the trades;

(b) Data on the total unduplicated head count of students enrolled in at least one dual credit program course; and

(c) The percentage of students who enrolled in at least one dual credit program as percent of all students enrolled in grades nine through twelve.

(2) Data on student participation shall be disaggregated by race, ethnicity, gender, and receipt of free or reduced-price lunch.
NEW SECTION. Sec. 3. A new section is added to chapter 28A.600 RCW to read as follows:

(1) The superintendent of public instruction, the state board for community and technical colleges, the higher education coordinating board, and the public baccalaureate institutions shall jointly develop and each adopt rules governing the college in the high school program. The association of Washington school principals shall be consulted during the rules development. The rules shall be written to encourage the maximum use of the program and may not narrow or limit the enrollment options.

(2) College in the high school programs shall each be governed by a local contract between the district and the institution of higher education, in compliance with the guidelines adopted by the superintendent of public instruction, the state board for community and technical colleges, and the public baccalaureate institutions.

(3) The college in the high school program must include the provisions in this subsection.

(a) The high school and institution of higher education together shall define the criteria for student eligibility. The institution of higher education may charge tuition fees to participating students.

(b) School districts shall report no student for more than one full-time equivalent including college in the high school courses.

(c) The funds received by the institution of higher education may not be deemed tuition or operating fees and may be retained by the institution of higher education.

(d) Enrollment information on persons registered under this section must be maintained by the institution of higher education separately from other enrollment information and may not be included in official enrollment reports, nor may such persons be considered in any enrollment statistics that would affect higher education budgetary determinations.

(e) A school district must grant high school credit to a student enrolled in a program course if the student successfully completes the course. If no comparable course is offered by the school district, the school district superintendent shall determine how many credits to award for the course. The determination shall be made in writing before the student enrolls in the course. The credits shall be applied toward graduation requirements and subject area requirements. Evidence of successful completion of each program course shall be included in the student's secondary school records and transcript.

(f) An institution of higher education must grant college credit to a student enrolled in a program course if the student successfully completes the course. The college credit shall be applied toward general education requirements or major requirements. If no comparable course is offered by the college, the institution of higher education at which the teacher of the program course is employed shall determine how many credits to award for the course and whether the course fulfills general education or major requirements. Evidence of successful completion of each program course must be included in the student's college transcript.

(g) Eleventh and twelfth grade students or students who have not yet received a high school diploma or its equivalent and are eligible to be in the
eleventh or twelfth grades may participate in the college in the high school program.

(h) Participating school districts must provide general information about the college in the high school program to all students in grades ten, eleven, and twelve and to the parents and guardians of those students.

(i) Full-time and part-time faculty at institutions of higher education, including adjunct faculty, are eligible to teach program courses.

(4) The definitions in this subsection apply throughout this section.

(a) "Institution of higher education" has the meaning in RCW 28B.10.016 and also includes a public tribal college located in Washington and accredited by the Northwest commission on colleges and universities or another accrediting association recognized by the United States department of education.

(b) "Program course" means a college course offered in a high school under the college in the high school program.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.600 RCW to read as follows:

The superintendent of public instruction and the higher education coordinating board shall develop advising guidelines to assure that students and parents understand that college credits earned in high school dual credit programs may impact eligibility for financial aid.

Sec. 5. RCW 28A.225.290 and 1990 1st ex.s. c 9 s 207 are each amended to read as follows:

(1) The superintendent of public instruction shall prepare and annually distribute an information booklet outlining parents' and guardians' enrollment options for their children.

(2) Before the 1991-92 school year, the booklet shall be distributed to all school districts by the office of the superintendent of public instruction. School districts shall have a copy of the information booklet available for public inspection at each school in the district, at the district office, and in public libraries.

(3) The booklet shall include:

(b) Information about the running start ((community college or vocational-technical institute)) choice program under RCW 28A.600.300 through (28A.600.395) 28A.600.400; and

(c) Information about the seventh and eighth grade choice program under RCW 28A.230.090.

Sec. 6. RCW 28A.600.160 and 1998 c 225 s 2 are each amended to read as follows:

Any middle school, junior high school, or high school using educational pathways shall ensure that all participating students will continue to have access to the courses and instruction necessary to meet admission requirements at baccalaureate institutions. Students shall be allowed to enter the educational pathway of their choice. Before accepting a student into an educational pathway,
the school shall inform the student's parent of the pathway chosen, the opportunities available to the student through the pathway, and the career objectives the student will have exposure to while pursuing the pathway. Parents and students dissatisfied with the opportunities available through the selected educational pathway shall be provided with the opportunity to transfer the student to any other pathway provided in the school. Schools may not develop educational pathways that retain students in high school beyond the date they are eligible to graduate, and may not require students who transfer between pathways to complete pathway requirements beyond the date the student is eligible to graduate. Educational pathways may include, but are not limited to, programs such as (work-based) worksite learning, (school to work transition) internships, tech prep, (vocational) career and technical education, running start, college in the high school, running start for the trades, and preparation for technical college, community college, or university education.

Sec. 7. RCW 28A.600.300 and 2005 c 207 s 5 are each amended to read as follows:

(1) The program established in this section through RCW 28A.600.400 shall be known as the running start program.

(2) For the purposes of RCW 28A.600.310 through 28A.600.400, "participating institution of higher education" or "institution of higher education" means:

(a) A community or technical college as defined in RCW 28B.50.030;

(b) A public tribal college located in Washington and accredited by the northwest commission on colleges and universities or another accrediting association recognized by the United States department of education; and

(c) Central Washington University, Eastern Washington University, Washington State University, and The Evergreen State College, if the institution's governing board decides to participate in the program in RCW 28A.600.310 through 28A.600.400.

Sec. 8. RCW 28A.600.310 and 2005 c 125 s 1 are each amended to read as follows:

(1) Eleventh and twelfth grade students or students who have not yet received the credits required for the award of a high school diploma and are eligible to be in the eleventh or twelfth grades may apply to a participating institution of higher education to enroll in courses or programs offered by the institution of higher education. A student receiving home-based instruction enrolling in a public high school for the sole purpose of participating in courses or programs offered by institutions of higher education shall not be counted by the school district in any required state or federal accountability reporting if the student's parents or guardians filed a declaration of intent to provide home-based instruction and the student received home-based instruction during the school year before the school year in which the student intends to participate in courses or programs offered by the institution of higher education. Students receiving home-based instruction under chapter 28A.200 RCW and students attending private schools approved under chapter 28A.195 RCW shall not be required to meet the student learning goals, obtain a certificate of academic achievement or a certificate of individual achievement to graduate from high school, or to master
the essential academic learning requirements. However, students are eligible to enroll in courses or programs in participating universities only if the board of directors of the student's school district has decided to participate in the program. Participating institutions of higher education, in consultation with school districts, may establish admission standards for these students. If the institution of higher education accepts a secondary school pupil for enrollment under this section, the institution of higher education shall send written notice to the pupil and the pupil's school district within ten days of acceptance. The notice shall indicate the course and hours of enrollment for that pupil.

(2) In lieu of tuition and fees, as defined in RCW 28B.15.020 and 28B.15.041, running start students shall pay to the community or technical college all other mandatory fees as established by each community or technical college; and all other institutions of higher education operating a running start program may charge technology fees. The fees charged shall be prorated based on credit load.

(3) The institutions of higher education must make available fee waivers for low-income running start students. Each institution must establish a written policy for the determination of low-income students before offering the fee waiver. A student shall be considered low income and eligible for a fee waiver upon proof that the student is currently qualified to receive free or reduced-price lunch. Acceptable documentation of low-income status may also include, but is not limited to, documentation that a student has been deemed eligible for free or reduced-price lunches in the last five years, or other criteria established in the institution's policy.

(4) The pupil's school district shall transmit to the institution of higher education an amount per each full-time equivalent college student at statewide uniform rates for vocational and nonvocational students. The superintendent of public instruction shall separately calculate and allocate moneys appropriated for basic education under RCW 28A.150.260 to school districts for purposes of making such payments and for granting school districts seven percent thereof to offset program related costs. The calculations and allocations shall be based upon the estimated statewide annual average per full-time equivalent high school student allocations under RCW 28A.150.260, excluding small high school enhancements, and applicable rules adopted under chapter 34.05 RCW. The superintendent of public instruction, the higher education coordinating board, and the state board for community and technical colleges shall consult on the calculation and distribution of the funds. The institution of higher education shall not require the pupil to pay any other fees. The funds received by the institution of higher education from the school district shall not be deemed tuition or operating fees and may be retained by the institution of higher education. A student enrolled under this subsection shall be counted for the purpose of meeting enrollment targets in accordance with terms and conditions specified in the omnibus appropriations act.

(5) The state board for community and technical colleges, in collaboration with the other institutions of higher education that participate in the running start program and the office of the superintendent of public instruction, shall identify, assess, and report on alternatives for providing ongoing and adequate financial support for the program. Such alternatives shall include but are not limited to
students' tuition, increased support from local school districts, and reallocation of existing state financial support among the community and technical college system to account for differential running start enrollment levels and impacts. The state board for community and technical colleges shall report the assessment of alternatives to the governor and to the appropriate fiscal and policy committees of the legislature by September 1, 2010.

(c) The department may deny transfer to community custody in lieu of earned release time pursuant to subsection (1) of this section if the department determines an offender's release plan, including proposed residence location and living arrangements, may violate the conditions of the sentence or conditions of supervision, place the offender at risk to violate the conditions of the sentence, place the offender at risk to reoffend, or present a risk to victim safety or community safety. The department's authority under this section is independent of any court-ordered condition of sentence or statutory provision regarding conditions for community custody;

(d) If the department denies transfer to community custody in lieu of earned early release pursuant to (c) of this subsection, the department may transfer an offender to partial confinement in lieu of earned early release up to three months. (iii) Granting the extraordinary medical placement will result in a cost savings to the state.
(b) An offender sentenced to death or to life imprisonment without the possibility of release or parole is not eligible for an extraordinary medical placement.

(c) The secretary shall require electronic monitoring for all offenders in extraordinary medical placement unless the electronic monitoring equipment interferes with the function of the offender's medical equipment or results in the loss of funding for the offender's medical care. The secretary shall specify who shall provide the monitoring services and the terms under which the monitoring shall be performed.

(d) The secretary may revoke an extraordinary medical placement under this subsection at any time.

(e) Persistent offenders are not eligible for extraordinary medical placement:

The earned release time shall be for good behavior and good performance, as determined by the correctional agency having jurisdiction. The correctional agency shall not credit the offender with earned release credits in advance of the offender actually earning the credits. Any program established pursuant to this section shall allow an offender to earn early release credits for presentence incarceration. If an offender is transferred from a county jail to the department, the administrator of a county jail facility shall certify to the department the
amount of time spent in custody at the facility and the amount of earned release time.

(2) An offender who has been convicted of a felony committed after July 23, 1995, that involves any applicable deadly weapon enhancements under RCW 9.94A.533 (3) or (4), or both, shall not receive any good time credits or earned release time for that portion of his or her sentence that results from any deadly weapon enhancements.

Passed by the House April 22, 2009.
WASHINGTON LAWS, 2009
Ch. 455

Approved by the Governor May 11, 2009, with the exception of certain items that were vetoed.
Filed in Office of Secretary of State May 11, 2009.

Note: Governor's explanation of partial veto is as follows:

"I have approved, except for Section 4, Senate Bill 5525 entitled:

"AN ACT Relating to rental vouchers to allow release from state institutions."

This section requires a report from the Department of Corrections to the Legislature on December 1, 2009 regarding the number of rental vouchers issued to offenders and any corresponding sanction history for those offenders receiving vouchers. No funding is included in the budget for this report. I am directing the Department to keep track of information related to this bill.

For this reason, I have vetoed Section 4 of Senate Bill 5525. With the exception of Section 4, Senate Bill 5525 is approved."

CHAPTER 456
[Substitute Senate Bill 5504]

[ 2293 ]
"Constructed treatment wetlands" means (those wetlands) wetland-like impoundments intentionally constructed on nonwetland sites and managed for the primary purpose of polishing further treatment or retention of reclaimed water (or aesthetics) as distinct from creating natural wetland functions and values. (Constructed treatment wetlands are considered part of the collection and treatment system and are not considered "waters of the state."

"Direct groundwater recharge" means the controlled subsurface addition of water directly (to the groundwater basin that results in the replenishment of) into groundwater for the purpose of replenishing groundwater.

"Greywater or gray water" means wastewater having the consistency and strength of residential type wastewater. Greywater includes wastewater flows from bathtubs, showers, bathroom sinks, washing machines, dishwashers, and kitchen or utility sinks. Grey water does not include flow from a toilet or urinal.

"Groundwater recharge" means the contaminant criteria found in the drinking water quality standards adopted by the state board of health pursuant to chapter 43.20 RCW and the department of health pursuant to chapter 70.119A RCW.

"Industrial reuse water" means water that has been used for the purpose of industrial processing and has been adequately and reliably treated so that, as a result of that treatment, it is suitable for other uses.

"Reclaimed water" means (effluent) water derived in any part from (sewage from a) wastewater (treatment system) with a domestic wastewater component that has been adequately and reliably treated, so that (as a result of that treatment, it is suitable for a beneficial use or a controlled use that would not otherwise occur and is no longer considered wastewater.

"Reclamation criteria" means the criteria set forth in the water reclamation and reuse interim standards and subsequent revisions adopted by the department of ecology and the department of health it can be used for beneficial purposes. Reclaimed water is not considered a wastewater.

"Wastewater" means water-carried wastes from residences, buildings, industrial and commercial establishments, or other places, together with such groundwater infiltration and inflow as may be present.

"Domestic wastewater" means (water-carried human wastes from residences, buildings, industrial and commercial establishments, or other places, together with such groundwater infiltration,
surface waters, or industrial wastewater as may be present) wastewater from greywater, toilet, or urinal sources.

(16) "Streamflow or surface water augmentation" means the intentional use of reclaimed water for rivers and streams of the state or other surface water bodies, but not wetlands, for the purpose of increasing volumes.

(22) "Nonlead agency" means either the department of health or the department of ecology, whichever is not the lead agency for purposes of this chapter.

Sec. 2. RCW 90.46.015 and 2006 c 279 s 1 are each amended to read as follows:

(1) The department of ecology shall, in coordination with the department of health, adopt rules for reclaimed water use consistent with this chapter. The rules must address all aspects of reclaimed water use, including commercial and industrial uses, land applications, direct groundwater recharge, wetland discharge, surface percolation, constructed wetlands, and streamflow or surface water augmentation. The department of health shall, in coordination with the department of ecology, adopt rules for greywater reuse. The rules must also designate whether the department of ecology or the department of health will be the lead (permitting or regulatory) agency responsible for a particular aspect of reclaimed water use. In developing the rules, the departments of health and ecology shall amend or rescind any existing rules on reclaimed water in conflict with the new rules.

(2) All rules required to be adopted pursuant to this section must be completed no later than December 31, 2010, although the department of ecology is encouraged to adopt the final rules as soon as possible.

(3) The department of ecology must consult with the advisory committee created under RCW 90.46.050 in all aspects of rule development required under this section.
Sec. 3. RCW 90.46.040 and 2006 c 279 s 6 are each amended to read as follows:

(1)(a)) The department of ecology shall, in coordination with the department of health, adopt a single set of standards, procedures, and guidelines, on or before August 1, 1993, for land applications of reclaimed water.

(b) Standards adopted under this section are superseded by any rules adopted by the department of ecology pursuant to RCW 90.46.015 as they relate to the land application of reclaimed water.

(2) A permit is required for any land application of reclaimed water. The department of ecology may issue a reclaimed water permit under chapter 90.48 RCW to the generator of reclaimed water who may then distribute the water, subject to provisions in the permit governing the location, rate, water quality, and purpose of use. The department of ecology shall not issue more than one permit for any individual land application of reclaimed water to a single generator.

(3) In cases where the department of ecology determines, in land applications of reclaimed water, that a significant risk to the public health exists, the department shall refer the application to the department of health for review and consultation and the department of health may require fees appropriate for review and consultation from the applicant pursuant to RCW 43.70.250.

(4) A permit under this section for use of reclaimed water may be issued only to:

(a) A municipal, quasi-municipal, or other governmental entity;
(b) A private utility as defined under RCW 36.94.010; or
(c) The holder of a waste discharge permit issued under chapter 90.48 RCW.

(5) The authority and duties created in this section are in addition to any authority and duties already provided in law. Nothing in this section limits the powers of the state or any political subdivision to exercise such authority.

(6) Before deciding whether to issue a permit under this section to a private utility, the department of ecology may require information that is reasonable and necessary to determine whether the private utility has the financial and other resources to ensure the reliability, continuity, and supervision of the reclaimed water facility.

Sec. 4. RCW 90.46.080 and 2006 c 279 s 9 are each amended to read as follows:

(1) Except as otherwise provided in this section, reclaimed water may be beneficially used for surface percolation provided the reclaimed water meets the (groundwater recharge) state drinking water contaminant criteria as measured in groundwater beneath or down gradient of the recharge project site, and has been incorporated into a sewer or water comprehensive plan, as applicable, adopted by the applicable local government and approved by the department of health or department of ecology as applicable.

(2) If the state (groundwater recharge) drinking water contaminant criteria (as defined by RCW 90.46.010) do not contain a standard for a constituent or contaminant, the department of ecology shall establish a discharge limit consistent with the goals of this chapter, except as otherwise provided in this section.
(3) Except as otherwise provided in this section, reclaimed water that does not meet the state drinking water contaminant criteria may be beneficially used for surface percolation where the department of ecology, in consultation with the department of health, has specifically authorized such use at such lower standard.

(4) The provisions of this section are superseded by any rules adopted by the department of ecology pursuant to RCW 90.46.015 as they relate to surface percolation.

Sec. 5. RCW 90.46.120 and 2007 c 445 s 3 are each amended to read as follows:

(1) The owner of a wastewater treatment facility that is reclaiming water with a permit issued under this chapter has the exclusive right to any reclaimed water generated by the wastewater treatment facility. Use, distribution, storage, and the recovery from storage of reclaimed water permitted under this chapter is exempt from the permit requirements of RCW 90.03.250 and 90.44.060, provided that a permit for recovery of reclaimed water from aquifer storage shall be reviewed under the standards established under RCW 90.03.370 for aquifer storage and recovery projects. Revenues derived from the reclaimed water facility shall be used only to offset the cost of operation of the wastewater utility fund or other applicable source of systemwide funding.

(2) If the proposed use of reclaimed water is to augment or replace potable water supplies or to create the potential for the development of new potable water supplies, such use or uses shall be considered in the development of any regional water supply plan or plans addressing potable water supply service by multiple water purveyors. Such water supply plans include plans developed by multiple jurisdictions under the relevant provisions of chapters 43.20, 70.116, 90.44, and 90.82 RCW, and the water supply provisions under the utility element of chapter 36.70A RCW. The method by which such plans are approved shall remain unchanged. The owner of a wastewater treatment facility that proposes to reclaim water shall be included as a participant in the development of such regional water supply plan or plans. Such water supply plans prepared by multiple water purveyors must consider the proposed use of the reclaimed water as they are developed or updated.

(a) Regional water supply plans include those adopted under state board of health laws (chapter 43.20 RCW), the public water system coordination act of 1977 (chapter 70.116 RCW), groundwater protection laws (chapter 90.44 RCW), and the watershed planning act (chapter 90.82 RCW).

(b) The requirement to consider the use of reclaimed water does not change the plan approval process established under these statutes.

(c) When regional water supply plans are being developed, the owners of wastewater treatment facilities that produce or propose to produce reclaimed water for use within the planning area must be included in the planning process.

(3) Where opportunities for the use of reclaimed water exist within the period of time addressed by a water system plan, a water supply plan, or a coordinated water system plan developed) When reclaimed water is available or is proposed for use under a water supply or wastewater plan developed under chapter(s) 43.20, 70.116, 90.44, or 90.82 RCW((, and the water

supply provisions under the utility element of chapter 36.70A RCW, these plans must be coordinated to ensure that opportunities for reclaimed water are evaluated. The requirements of this subsection (3) do not apply to water system plans developed under chapter 43.20 RCW for utilities serving less than one thousand service connections.

(4) The provisions of any plan for reclaimed water, developed under the authorities in subsections (2) and (3) of this section, should be included by a city, town, or county in reviewing provisions for water supplies in a proposed short plat, short subdivision, or subdivision under chapter 58.17 RCW, where reclaimed water supplies may be proposed for nonpotable purposes in the short plat, short subdivision, or subdivision.

(5) By November 30, 2009, the department of ecology shall review comments from the reclaimed water advisory committee under RCW 90.46.050 and the reclaimed water and water rights advisory committee under the direction of the department of ecology and submit a recommendation to the legislature on the impairment requirements and standards for reclaimed water. The department of ecology shall also provide a report to the legislature that describes the opinions of the stakeholders on the impairment requirements and standards for reclaimed water.

Sec. 6. RCW 90.48.465 and 2002 c 361 s 2 are each amended to read as follows:

(1) The department shall establish annual fees to collect expenses for issuing and administering each class of permits under RCW 90.48.160, 90.48.162, and 90.48.260. An initial fee schedule shall be established by rule and be adjusted no more often than once every two years. This fee schedule shall apply to all permits, regardless of date of issuance, and fees shall be assessed prospectively. All fees charged shall be based on factors relating to the complexity of permit issuance and compliance and may be based on pollutant loading and toxicity and be designed to encourage recycling and the reduction of the quantity of pollutants. Fees shall be established in amounts to fully recover and not to exceed expenses incurred by the department in processing permit applications and modifications, monitoring and evaluating compliance with permits, conducting inspections, securing laboratory analysis of samples taken during inspections, reviewing plans and documents directly related to operations of permittees, overseeing performance of delegated pretreatment programs, and supporting the overhead expenses that are directly related to these activities.

(2) The annual fee paid by a municipality, as defined in 33 U.S.C. Sec. 1362, for all domestic wastewater facility permits issued under RCW 90.48.162 and 90.48.260 shall not exceed the total of a maximum of fifteen cents per month per residence or residential equivalent contributing to the municipality's wastewater system.

(3) The department shall ensure that indirect dischargers do not pay twice for the administrative expense of a permit. Accordingly, administrative expenses for permits issued by a municipality under RCW 90.48.165 are not recoverable by the department.

(4) In establishing fees, the department shall consider the economic impact of fees on small dischargers and the economic impact of fees on public entities required to obtain permits for storm water runoff and shall provide appropriate adjustments.
The fee for an individual permit issued for a dairy farm as defined under chapter 90.64 RCW shall be fifty cents per animal unit up to one thousand two hundred fourteen dollars for fiscal year 1999. The fee for a general permit issued for a dairy farm as defined under chapter 90.64 RCW shall be fifty cents per animal unit up to eight hundred fifty dollars for fiscal year 1999. Thereafter, these fees may rise in accordance with the fiscal growth factor as provided in chapter 43.135 RCW.

(6) The fee for a general permit or an individual permit developed solely as a result of the federal court of appeals decision in Headwaters, Inc. v. Talent Irrigation District, 243 F.3rd 526 (9th Cir. 2001) is limited, until June 30, 2003, to a maximum of three hundred dollars. Such a permit is required only, and as long as, the interpretation of this court decision is not overturned or modified by future court rulings, administrative rule making, or clarification of scope by the United States environmental protection agency or legislative action. In such a case the department shall take appropriate action to rescind or modify these permits.

(7) All fees collected under this section shall be deposited in the water quality permit account hereby created in the state treasury. Moneys in the account may be appropriated only for purposes of administering permits under section 9 of this act, RCW 90.48.160, 90.48.162, and 90.48.260.

(8) The department shall present a biennial progress report on the use of moneys from the account to the legislature. The report will be due December 31st of odd-numbered years. The report shall consist of information on fees collected, actual expenses incurred, and anticipated expenses for the current and following fiscal years.

NEW SECTION. Sec. 7. LEAD AGENCY DUTIES. (1) The department of ecology and the department of health shall have authority to carry out all the provisions of this chapter including, but not limited to, permitting and enforcement. Only the department of ecology or the department of health may act as a lead agency for purposes of this chapter and will be established as such by rule. Enforcement of a permit issued under this chapter shall be at the sole discretion of the lead agency that issued the permit.

(2) All permit applications shall be referred to the nonlead agency for review and consultation. The nonlead agency may choose to limit the scope of its review.

(3) The authority and duties created in this chapter are in addition to any authority and duties already provided in law. Nothing in this chapter limits the powers of the state or any political subdivision to exercise such authority.

NEW SECTION. Sec. 8. VIOLATIONS—INJUNCTIONS AND LEGAL PROCEEDINGS AUTHORIZED. The lead agency, with the assistance of the attorney general, is authorized to bring any appropriate action at law or in equity, including action for injunctive relief, as may be necessary to carry out the provisions of this chapter. The lead agency may bring the action in the superior court of the county in which the violation occurred or in the superior court of Thurston county. The court may award reasonable attorneys' fees for the cost of the attorney general's office in representing the lead agency.

NEW SECTION. Sec. 9. OPERATING PERMIT REQUIRED. (1) Any person proposing to generate any type of reclaimed water for a use regulated
under this chapter shall obtain a permit from the lead agency prior to distribution or use of that water. The permittee may then distribute and use the water, subject to the provisions in the permit. The permit must include provisions that protect human health and the environment. At a minimum, the permit must:

(a) Assure adequate and reliable treatment; and
(b) Govern the water quality, location, rate, and purpose of use.

(2) A permit under this chapter may be issued only to:

(a) A municipal, quasi-municipal, or other governmental entity;
(b) A private utility as defined in RCW 36.94.010;
(c) The holder of a waste disposal permit issued under chapter 90.48 RCW; or
(d) The owner of an agricultural processing facility that is generating agricultural industrial process water for agricultural use, or the owner of an industrial facility that is generating industrial process water for reuse.

(3) Before deciding whether to issue a permit under this section to a private utility, the lead agency may require information that is reasonable and necessary to determine whether the private utility has the financial and other resources to ensure the reliability, continuity, and supervision of the reclaimed water facility.

(4) Permits shall be issued for a fixed term specified by the rules adopted under RCW 90.46.015. A permittee shall apply for permit renewal prior to the end of the term. The rules adopted under RCW 90.46.015 shall specify the process of renewal, modification, change of ownership, suspension, and termination.

(5) The lead agency may deny an application for a permit or modify, suspend, or revoke a permit for good cause, including but not limited to, any case in which it finds that the permit was obtained by fraud or misrepresentation, or there is or has been a failure, refusal, or inability to comply with the requirements of this chapter or the rules adopted under this chapter.

(6) The lead agency shall provide for adequate public notice and opportunity for review and comment on all initial permit applications and renewal applications. Methods for providing notice may include electronic mail, posting on the lead agency's internet site, publication in a local newspaper, press releases, mailings, or other means of notification the lead agency determines appropriate. The lead agency shall also publicize notice of final permitting decisions.

(7) Any person aggrieved by a permitting decision has the right to an adjudicative proceeding. An adjudicative proceeding conducted under this subsection is governed by chapter 34.05 RCW. For any permit decision for which the department of ecology is the lead agency under this chapter, any appeal shall be in accordance with chapter 43.21B RCW. For any permit decision for which department of health is the lead agency under this chapter, any application for an adjudicative proceeding must be in writing, state the basis for contesting the action, include a copy of the decision, be served on and received by the department of health within twenty-eight days of receipt of notice of the final decision, and be served in a manner that shows proof of receipt.

(8) Permit requirements for the distribution and use of greywater will be established in rules adopted by the department of health under RCW 90.46.015.
NEW SECTION. Sec. 10. AUTHORITY TO ENTER PREMISES—SEARCH WARRANTS. (1)(a) Except as otherwise provided in (b) of this subsection, the lead agency or its designee shall have the right to enter and inspect any property related to the purpose of the permit, public or private, at reasonable times with prior notification in order to determine compliance with laws and rules administered by the lead agency. During such inspections, the lead agency shall have free and unimpeded access to all data, facilities, and property involved in the generation, distribution, and use of reclaimed water.

(b) The lead agency or its designee need not give prior notification to enter property under (a) of this subsection if the purpose of the entry is to ensure compliance by the permittee with a prior order of the lead agency or if the lead agency or its designee has reasonable cause to believe there is a violation of the law that poses a serious threat to public health and safety or the environment.

(2) The lead agency or its designee may apply for an administrative search warrant to a court of competent jurisdiction and an administrative search warrant may issue where:

(a) The lead agency has attempted an inspection under this chapter and access has been actually or constructively denied; or

(b) There is reasonable cause to believe that a violation of this chapter or rules adopted under this chapter is occurring or has occurred.

NEW SECTION. Sec. 11. PLANS, REPORTS, AND PROPOSED METHODS OF OPERATION AND MAINTENANCE TO BE SUBMITTED TO DEPARTMENTS. All required feasibility studies, planning documents, engineering reports, and plans and specifications for the construction of new reclaimed water, agricultural industrial process water, and industrial reuse water facilities, including generation, distribution, and use facilities, or for improvements or extensions to existing facilities, and the proposed method of future operation and maintenance of said facility or facilities, shall be submitted to and be approved by the lead agency, before construction thereof may begin. No approval shall be given until the lead agency is satisfied that the plans, reports, and specifications and the methods of operation and maintenance submitted are adequate to protect the quality of the water for the intended use as provided for in this chapter and are adequate to protect public health and safety as necessary.

NEW SECTION. Sec. 12. NOTICE OF DETERMINATION THAT VIOLATION HAS OR WILL OCCUR—REPORT OF COMPLIANCE WITH DETERMINATION—ORDER OR DIRECTIVE TO BE ISSUED—NOTICE. (1) When, in the opinion of the lead agency, a person violates or creates a substantial potential to violate this chapter, the lead agency shall notify the person of its determination by registered mail. The determination shall not constitute an appealable order or directive. Within thirty days from the receipt of notice of such determination, the person shall file with the lead agency a full report stating what steps have been and are being taken to comply with the determination of the lead agency. After the full report is filed or after the thirty days have elapsed, the lead agency may issue the order or directive as it deems appropriate under the circumstances, shall notify the person by registered mail, and shall inform the person of the process for requesting an adjudicative hearing.
(2) When it appears to the lead agency that water quality conditions or other conditions exist which require immediate action to protect human health and safety or the environment, the lead agency may issue a written order to the person or persons responsible without first issuing a notice of determination pursuant to subsection (1) of this section. An order or directive issued pursuant to this subsection shall be served by registered mail or personally upon any person to whom it is directed, and shall inform the person or persons responsible of the process for requesting an adjudicative hearing.

NEW SECTION. Sec. 13. PENALTY. Any person found guilty of willfully violating any of the provisions of this chapter, or any final written orders or directive of the lead agency or a court in pursuance thereof, is guilty of a gross misdemeanor, and upon conviction thereof shall be punished by a fine of up to ten thousand dollars and costs of prosecution, or by imprisonment in the county jail for not more than one year, or both, in the discretion of the court. Each day upon which a willful violation of the provisions of this chapter occurs may be deemed a separate and additional violation.

NEW SECTION. Sec. 14. VIOLATIONS—CIVIL PENALTY—PROCEDURE. (1) Except as provided in RCW 43.05.060 through 43.05.080, 43.05.100, 43.05.110, and 43.05.150, any person who:
   (a) Generates any reclaimed water for a use regulated under this chapter and distributes or uses that water without a permit;
   (b) Violates the terms or conditions of a permit issued under this chapter; or
   (c) Violates rules or orders adopted or issued pursuant to this chapter,
shall incur, in addition to any other penalty as provided by law, a penalty in an amount of up to ten thousand dollars per day for every violation. Each violation shall be a separate and distinct offense, and in case of a continuing violation, every day's continuance shall be a separate and distinct violation. Every act of commission or omission which procures, aids, or abets in the violation shall be considered a violation under the provisions of this section and subject to the penalty herein provided for. The penalty amount shall be set in consideration of the previous history of the violator and the severity of the violation's impact on public health, the environment, or both, in addition to other relevant factors.

(2) A penalty imposed by a final administrative order is due upon service of the final administrative order. A person who fails to pay a penalty assessed by a final administrative order within thirty days of service of the final administrative order shall pay, in addition to the amount of the penalty, interest at the rate of one percent of the unpaid balance of the assessed penalty for each month or part of a month that the penalty remains unpaid, commencing within the month in which the notice of penalty was served, and reasonable attorneys' fees as are incurred if civil enforcement of the final administrative order is required to collect penalty.

(3) A person who institutes proceedings for judicial review of a final administrative order assessing a civil penalty under this chapter shall place the full amount of the penalty in an interest bearing account in the registry of the reviewing court. At the conclusion of the proceeding the court shall, as appropriate, enter a judgment on behalf of the lead agency and order that the judgment be satisfied to the extent possible from moneys paid into the registry of the court or shall enter a judgment in favor of the person appealing the penalty assessment and order return of the moneys paid into the registry of the court.
together with accrued interest to the person appealing. The judgment may award
reasonable attorneys' fees for the cost of the attorney general's office in
representing the lead agency.

(4) If no appeal is taken from a final administrative order assessing a civil
penalty under this chapter, the lead agency may file a certified copy of the final
administrative order with the clerk of the superior court in which the person
resides, or in Thurston county, and the clerk shall enter judgment in the name of
the lead agency and in the amount of the penalty assessed in the final
administrative order.

(5) When the penalty herein provided for is imposed by the department of
ecology, it shall be imposed pursuant to the procedures set forth in RCW
43.21B.300. All penalties imposed by the department of ecology pursuant to
RCW 43.21B.300 shall be deposited into the state treasury and credited to the
general fund.

(6) When the penalty is imposed by the department of health, it shall be
imposed pursuant to the procedures set forth in RCW 43.70.095. All receipts
from penalties shall be deposited into the health reclaimed water account. The
department of health shall use revenue derived from penalties only to provide
training and technical assistance to reclaimed water system owners and
operators.

NEW SECTION. Sec. 15. APPLICATION OF ADMINISTRATIVE

CHAPTER 457
[Substitute Senate Bill 6036]
WATER CLEANUP PLANNING AND IMPLEMENTATION

AN ACT Relating to water cleanup planning and implementation; and adding a new section to chapter 90.48 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 90.48 RCW to read as follows:

The department shall amend the state water quality standards to authorize compliance schedules in excess of ten years for discharge permits issued under this chapter that implement allocations contained in a total maximum daily load under certain circumstances. Any such amendment must be submitted to the United States environmental protection agency under the clean water act. Compliance schedules for the permits may exceed ten years if the department determines that:

(1) The permittee is meeting its requirements under the total maximum daily load as soon as possible;
(2) The actions proposed in the compliance schedule are sufficient to achieve water quality standards as soon as possible;
(3) A compliance schedule is appropriate; and
(4) The permittee is not able to meet its waste load allocation solely by controlling and treating its own effluent.
CHAPTER 458
[Engrossed Substitute Senate Bill 5768]
ALASKAN WAY VIADUCT REPLACEMENT PROJECT

AN ACT Relating to identifying the final design for the state route number 99 Alaskan Way viaduct replacement project as a deep bore tunnel; adding a new section to chapter 47.01 RCW; creating a new section; providing an effective date; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 47.01 RCW to read as follows:

(1) The legislature finds that the replacement of the vulnerable state route number 99 Alaskan Way viaduct is a matter of urgency for the safety of Washington's traveling public and the needs of the transportation system in central Puget Sound. The state route number 99 Alaskan Way viaduct is susceptible to damage, closure, or catastrophic failure from earthquakes and tsunamis. Additionally, the viaduct serves as a vital route for freight and passenger vehicles through downtown Seattle.

Since 2001, the department has undertaken an extensive evaluation of multiple options to replace the Alaskan Way viaduct, including an initial evaluation of seventy-six conceptual alternatives and a more detailed analysis of five alternatives in 2004. In addition to a substantial technical review, the department has also undertaken considerable public outreach, which included consultation with a stakeholder advisory committee that met sixteen times over a thirteen-month period.

Therefore, it is the conclusion of the legislature that time is of the essence, and that Washington state cannot wait for a disaster to make it fully appreciate the urgency of the need to replace this vulnerable structure. The state shall take the necessary steps to expedite the environmental review and design processes to replace the Alaskan Way viaduct with a deep bore tunnel under First Avenue from the vicinity of the sports stadiums in Seattle to Aurora Avenue north of the Battery Street tunnel. The tunnel must include four general purpose lanes in a stacked formation.

(2) The state route number 99 Alaskan Way viaduct replacement project finance plan must include state funding not to exceed two billion four hundred million dollars and must also include no more than four hundred million dollars in toll revenue. These funds must be used solely to build a replacement tunnel, as described in subsection (1) of this section, and to remove the existing state route number 99 Alaskan Way viaduct. All costs associated with city utility relocations for state work as described in this section must be borne by the city of Seattle and provided in a manner that meets project construction schedule requirements as determined by the department. State funding is not authorized for any utility relocation costs, or for central seawall or waterfront promenade improvements.
(3) The department shall provide updated cost estimates for construction of the bored tunnel and also for the full Alaskan Way viaduct replacement project to the legislature and governor by January 1, 2010. The department must also consult with independent tunnel engineering experts to review the estimates and risk assumptions. The department shall not enter into a design-build contract for construction of the bored tunnel until the report in this section has been submitted.

(4) Any contract the department enters into related to construction of the deep bored tunnel must include incentives and penalties to encourage on-time completion of the project and to minimize the potential for cost overruns.

(5) It is important that the public and policymakers have accurate and timely access to information related to the Alaskan Way viaduct replacement project as it proceeds to, and during, construction of all aspects of the project, specifically including but not limited to information regarding costs, schedules, contracts, project status, and neighborhood impacts. Therefore it is the intent of the legislature that the state, city, and county departments of transportation establish a single source of accountability for integration, coordination, tracking, and information of all requisite components of the replacement project, which must include, at minimum:

(a) A master schedule of all subprojects included in the full replacement project or program; and
(b) A single point of contact for the public, media, stakeholders, and other interested parties.

(6)(a) The city and county departments of transportation shall be responsible for the cost, delivery, and associated risks of the project components for which each department is responsible, as outlined in the January 13, 2009, letter of agreement signed by the governor, city, and county.

(b) The state's contribution shall not exceed two billion four hundred million dollars. If costs exceed two billion four hundred million dollars, no more than four hundred million of the additional costs shall be financed with toll revenue. Any costs in excess of two billion eight hundred million dollars shall be borne by property owners in the Seattle area who benefit from replacement of the existing viaduct with the deep bore tunnel.

(7) Compression brakes may be used by authorized motor vehicles in the deep bore tunnel in a manner consistent with the requirements of RCW 46.37.395.

**NEW SECTION. Sec. 2.** The department of transportation must prepare a traffic and revenue study for a state route number 99 deep bore tunnel for the purpose of determining the facility's potential to generate toll revenue. The department shall regularly report to the transportation commission regarding the progress of the study for the purpose of guiding the commission's toll setting on the facility. The study must include the following information:

1. An analysis of the potential diversion from state route number 99 to other parts of the transportation system resulting from tolls on the facility;
2. An analysis of potential mitigation measures to offset or reduce diversion from state route number 99;
3. A summary of the amount of revenue generated from tolling the deep bore tunnel; and
4. An analysis of the impact of tolls on the performance of the facility.
The department must provide the results of the study to the governor and the legislature by January 2010.

NEW SECTION. Sec. 3. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 2009.

Passed by the Senate April 24, 2009.
Passed by the House April 22, 2009.
Approved by the Governor May 12, 2009.
Filed in Office of Secretary of State May 13, 2009.

CHAPTER 459
[Second Substitute House Bill 1481]
ELECTRIC VEHICLES

AN ACT Relating to electric vehicles; amending RCW 43.19.648; adding a new section to chapter 82.29A RCW; adding a new section to chapter 82.08 RCW; adding a new section to chapter 82.12 RCW; adding a new section to chapter 79.13 RCW; adding a new section to chapter 43.21C RCW; adding new sections to chapter 35.63 RCW; adding a new section to chapter 35A.63 RCW; adding a new section to chapter 36.70 RCW; adding a new section to chapter 36.70A RCW; adding new sections to chapter 47.38 RCW; adding a new section to chapter 19.27 RCW; adding a new section to chapter 19.28 RCW; creating new sections; and providing expiration dates.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds the development of electric vehicle infrastructure to be a critical step in creating jobs, fostering economic growth, reducing greenhouse gas emissions, reducing our reliance on foreign fuels, and reducing the pollution of Puget Sound attributable to the operation of petroleum-based vehicles on streets and highways. Limited driving distance between battery charges is a fundamental disadvantage and obstacle to broad consumer adoption of vehicles powered by electricity. In order to eliminate this fundamental disadvantage and dramatically increase consumer acceptance and usage of electric vehicles, it is essential that an infrastructure of convenient electric vehicle charging opportunities be developed. The purpose of this act is to encourage the transition to electric vehicle use and to expedite the establishment of a convenient, cost-effective, electric vehicle infrastructure that such a transition necessitates. The state's success in encouraging this transition will serve as an economic stimulus to the creation of short-term and long-term jobs as the entire automobile industry and its associated direct and indirect jobs transform over time from combustion to electric vehicles.

NEW SECTION. Sec. 2. (1) A regional transportation planning organization containing any county with a population in excess of one million in collaboration with representatives from the department of ecology, the department of community, trade, and economic development, local governments, and the office of regulatory assistance must seek federal or private funding for the planning for, deployment of, or regulations concerning electric vehicle infrastructure. These efforts should include:

(a) Development of short-term and long-term plans outlining how state, regional, and local government construction may include electric vehicle infrastructure in publicly available off-street parking and government fleet
vehicle parking, including what ratios of charge spots to parking may be appropriate based on location or type of facility or building;

(b) Consultations with the state building code council and the department of labor and industries to coordinate the plans with state standards for new residential, commercial, and industrial buildings to ensure that the appropriate electric circuitry is installed to support electric vehicle infrastructure;

(c) Consultation with the workforce development council and the higher education coordinating board to ensure the development of appropriate educational and training opportunities for citizens of the state in support of the transition of some portion of vehicular transportation from combustion to electric vehicles;

(d) Development of an implementation plan for counties with a population greater than five hundred thousand with the goal of having public and private parking spaces, in the aggregate, be ten percent electric vehicle ready by December 31, 2018; and

(c) Provide existing truck stop operators and retail truck refueling businesses with an absolute right of first refusal over the offering of refueling services to class six trucks with a maximum gross vehicle weight of twenty-six thousand pounds within the same geographic area identified for a possible pilot project site;

(d) Reach agreement with the department of services for the blind ensuring that any activities at host sites do not materially affect the revenues forecasted from their vending operations at each site;

(e) Regulate the internal rate of return from the partnership, including provisions to reduce or eliminate the level of state support once the partnership attains economic self-sufficiency;

(f) Be limited to not more than five locations on state-owned land within federal interstate rights-of-way or state highway rights-of-way in Washington; and

(g) Be limited in duration to a term of years reasonably necessary for the partnership to recover the cost of capital investments, plus the regulated internal rate of return.

School districts shall establish the following funds in addition to those provided elsewhere by law:
(1) A general fund for maintenance and operation of the school district to account for all financial operations of the school district except those required to be accounted for in another fund.

(2) A capital projects fund shall be established for major capital purposes. All statutory references to a "building fund" shall mean the capital projects fund so established. Money to be deposited into the capital projects fund shall include, but not be limited to, bond proceeds, proceeds from excess levies authorized by RCW 84.52.053, state apportionment proceeds as authorized by RCW 28A.150.270, earnings from capital projects fund investments as authorized by RCW 28A.320.310 and 28A.320.320, and state forest revenues transferred pursuant to subsection (3) of this section.

Money derived from the sale of bonds, including interest earnings thereof, may only be used for those purposes described in RCW 28A.530.010, except that accrued interest paid for bonds shall be deposited in the debt service fund.

Money to be deposited into the capital projects fund shall include but not be limited to rental and lease proceeds as authorized by RCW 28A.335.060, and proceeds from the sale of real property as authorized by RCW 28A.335.130.

Money legally deposited into the capital projects fund from other sources may be used for the purposes described in RCW 28A.530.010, and for the purposes of:

(a) Major renovation and replacement of facilities and systems where periodical repairs are no longer economical or extend the useful life of the facility or system beyond its original planned useful life. Such renovation and replacement shall include, but shall not be limited to, major repairs, exterior painting of facilities, replacement and refurbishment of roofing, exterior walls, windows, heating and ventilating systems, floor covering in classrooms and public or common areas, and electrical and plumbing systems.

(b) Renovation and rehabilitation of playfields, athletic fields, and other district real property.

(c) The conduct of preliminary energy audits and energy audits of school district buildings. For the purpose of this section:

(i) "Preliminary energy audits" means a determination of the energy consumption characteristics of a building, including the size, type, rate of energy consumption, and major energy using systems of the building.

(ii) "Energy audit" means a survey of a building or complex which identifies the type, size, energy use level, and major energy using systems; which determines appropriate energy conservation maintenance or operating procedures and assesses any need for the acquisition and installation of energy conservation measures, including solar energy and renewable resource measures.

(iii) "Energy capital improvement" means the installation, or modification of the installation, of energy conservation measures in a building which measures are primarily intended to reduce energy consumption or allow the use of an alternative energy source.

(d) Those energy capital improvements which are identified as being cost-effective in the audits authorized by this section.

(e) Purchase or installation of additional major items of equipment and furniture: PROVIDED, That vehicles shall not be purchased with capital projects fund money.

However, to the extent the funds are used for the purpose under this subsection (2)(f)(ii), the school district shall transfer to the district's general fund the portion of the capital projects fund used for this purpose. The office of the superintendent of public instruction shall develop accounting guidelines for these transfers in accordance with internal revenue service regulations.

(g) Major equipment repair, painting of facilities, and other major preventative maintenance purposes. However, to the extent the funds are used for the purpose under this subsection (2)(g), the school district shall transfer to the district's general fund the portion of the capital projects fund used for this purpose. The office of the superintendent of public instruction shall develop accounting guidelines for these transfers in accordance with internal revenue service regulations. Based on the district's most recent two-year history of general fund maintenance expenditures, funds used for this purpose may not replace routine annual preventive maintenance expenditures made from the district's general fund.

(3) A debt service fund to provide for tax proceeds, other revenues, and disbursements as authorized in chapter 39.44 RCW. Elections for such taxes shall be held in the year in which the levy is made or, in the case of propositions authorizing two-year through four-year levies for maintenance and operation support of a school district, authorizing two-year levies for transportation vehicle funds established in RCW 28A.160.130, or authorizing two-year through six-year levies to support the construction, modernization, or remodeling of school facilities, which includes the purposes of RCW 28A.320.330(2) (f) and (g), in the year in which the first annual levy is made.
(2) Once additional tax levies have been authorized for maintenance and operation support of a school district for a two-year through four-year period as provided under subsection (1) of this section, no further additional tax levies for maintenance and operation support of the district for that period may be authorized. For the purpose of applying the limitation of this subsection, a two-year through six-year levy to support the construction, modernization, or remodeling of school facilities shall not be deemed to be a tax levy for maintenance and operation support of a school district.

(3) A special election may be called and the time therefor fixed by the board of school directors, by giving notice thereof by publication in the manner provided by law for giving notices of general elections, at which special election the proposition authorizing such excess levy shall be submitted in such form as to enable the voters favoring the proposition to vote "yes" and those opposed thereto to vote "no".

This exemption applies only to computer equipment not otherwise exempt under RCW 82.08.02565.

(2) A person taking the exemption under this section must keep records necessary for the department to verify eligibility under this section. This exemption is available only when the purchaser provides the seller with an exemption certificate in a form and manner prescribed by the department. The seller shall retain a copy of the certificate for the seller's files.

(3) The definitions in this subsection (3) apply throughout this section, unless the context clearly requires otherwise.

(a) "Computer" has the same meaning as in RCW 82.04.215.

(b) "Computer equipment" means a computer and the associated physical components that constitute a computer system, including monitors, keyboards, printers, modems, scanners, pointing devices, and other computer peripheral equipment, cables, servers, and routers. "Computer equipment" also includes digital cameras and computer software.

(c) "Computer software" has the same meaning as in RCW 82.04.215.

(d) "Primarily" means greater than fifty percent as measured by time.

(e) "Printer or publisher" means a person, as defined in RCW 82.04.030, who is subject to tax under RCW 82.04.260(14) or 82.04.280(1).

If computer equipment is used simultaneously for administrative and nonadministrative purposes, the administrative use shall be disregarded during
the period of simultaneous use for purposes of determining whether the
computer equipment is used primarily for administrative purposes.

NEW SECTION. Sec. 6. A new section is added to chapter 82.32 RCW to
read as follows:

(1)(a) Every person claiming the preferential rate provided in RCW
82.04.260(14) must file a complete annual report with the department. The
report is due by March 31st of the year following any calendar year in which a
person is eligible to claim the preferential rate provided in RCW 82.04.260(14).
The department may extend the due date for timely filing of annual reports under
this section as provided in RCW 82.32.590.

(b) The report must include information detailing employment, wages, and
employer-provided health and retirement benefits for employment positions in
Washington for the year that the preferential rate was claimed. The report must
not include names of employees. The report must also detail employment by the
total number of full-time, part-time, and temporary positions for the year that the
tax preference was claimed.

(c) If a person filing a report under this section did not file a report with the
department in the previous calendar year, the report filed under this section must
also include employment, wage, and benefit information for the calendar year
immediately preceding the calendar year for which the preferential rate provided
in RCW 82.04.260(14) was claimed.

(2) As part of the annual report, the department may request additional
information necessary to measure the results of, or determine eligibility for, the
preferential rate provided in RCW 82.04.260(14).

(3) Other than information requested under subsection (2) of this section,
the information contained in an annual report filed under this section is not
subject to the confidentiality provisions of RCW 82.32.330 and may be
disclosed to the public upon request.

(4) Except as otherwise provided by law, if a person claims the preferential
rate provided in RCW 82.04.260(14) but fails to submit a report by the due date
or any extension under RCW 82.32.590, the department must declare the amount
of the tax preference claimed for the previous calendar year to be immediately
due and payable. The department must assess interest, but not penalties, on the
amounts due under this subsection. The interest must be assessed at the rate
provided for delinquent taxes under this chapter, retroactively to the date the tax
preference was claimed, and accrues until the taxes for which the tax preference
was claimed are repaid. Amounts due under this subsection are not subject to
the confidentiality provisions of RCW 82.32.330 and may be disclosed to the
public upon request.

(5) By November 1, 2014, and November 1, 2016, the fiscal committees of
the house of representatives and the senate, in consultation with the department,
must report to the legislature on the effectiveness of the preferential rate
provided in RCW 82.04.260(14). The report must measure the effect of the
preferential rate provided in RCW 82.04.260(14) on job retention, net jobs
created for Washington residents, industry growth, and other factors as the
committees select. The report must include a discussion of principles to apply in
evaluating whether the legislature should continue the preferential rate provided
in RCW 82.04.260(14).
Sec. 7. RCW 82.32.590 and 2008 c 81 s 13 and 2008 c 15 s 7 are each reenacted and amended to read as follows:

(1) If the department finds that the failure of a taxpayer to file an annual survey or annual report under RCW 82.04.4452, 82.32.5351, 82.32.650, 82.32.630, 82.32.610, 82.82.020, section 6 of this act, or 82.74.040 by the due date was the result of circumstances beyond the control of the taxpayer, the department shall extend the time for filing the survey or report. Such extension shall be for a period of thirty days from the date the department issues its written notification to the taxpayer that it qualifies for an extension under this section. The department may grant additional extensions as it deems proper.

(2) In making a determination whether the failure of a taxpayer to file an annual survey or annual report by the due date was the result of circumstances beyond the control of the taxpayer, the department shall be guided by rules adopted by the department for the waiver or cancellation of penalties when the underpayment or untimely payment of any tax was due to circumstances beyond the control of the taxpayer.

Sec. 8. RCW 82.32.600 and 2008 c 81 s 14 and 2008 c 15 s 8 are each reenacted and amended to read as follows:

As used in this section, "returns" has the same meaning as "return" in RCW 82.32.050.

(2) Any survey, report, return, or any other form or information required to be filed in an electronic format under subsection (1) of this section is not filed until received by the department in an electronic format.

(3) The department may waive the electronic filing requirement in subsection (1) of this section for good cause shown.

Sec. 9. 2006 c 300 s 12 (uncodified) is amended to read as follows:

(1)(a) ((This act and)) Section 3, chapter . . ., Laws of 2009 (section 3 of this act), section 7, chapter 300, Laws of 2006, and section 4, chapter 149, Laws of 2003 are contingent upon the siting and commercial operation of a significant semiconductor microchip fabrication facility in the state of Washington.

(b) For the purposes of this section:

(i) "Commercial operation" means the same as "commencement of commercial production" as used in RCW 82.08.965.

(ii) "Semiconductor microchip fabrication" means "manufacturing semiconductor microchips" as defined in RCW 82.04.426.

(iii) "Significant" means the combined investment of new buildings and new machinery and equipment in the buildings, at the commencement of commercial production, will be at least one billion dollars.

(2) ((This act)) Chapter 149, Laws of 2003 takes effect the first day of the month in which a contract for the construction of a significant semiconductor fabrication facility is signed, as determined by the director of the department of revenue.
(3)(a) The department of revenue ((shall)) must provide notice of the effective date of this act to affected taxpayers, the legislature, and others as deemed appropriate by the department.

(b) If, after making a determination that a contract has been signed and ((this act)) chapter 149, Laws of 2003 is effective, the department discovers that commencement of commercial production did not take place within three years of the date the contract was signed, the department ((shall)) must make a determination that ((this act)) chapter 149, Laws of 2003 is no longer effective, and all taxes that would have been otherwise due ((shall be)) are deemed deferred taxes and are immediately assessed and payable from any person reporting tax under RCW 82.04.240(2) or claiming an exemption or credit under section 2 or 5 through 10 ((of this act)), chapter 149, Laws of 2003. The department is not authorized to make a second determination regarding the effective date of ((this act)) chapter 149, Laws of 2003.

NEW SECTION.  Sec. 10.  (1) Except as provided in subsection (2) of this section, this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 2009.

(2) Section 3 of this act takes effect if the contingency in section 9 of this act occurs.

NEW SECTION.  Sec. 11.  Section 2 of this act expires on the date that section 3 of this act takes effect.

CHAPTER 462
[House Bill 2331]

DOCUMENT RECORDING SURCHARGE—SERVICES FOR THE HOMELESS

AN ACT Relating to the existing document recording fee for services for the homeless; and amending RCW 36.22.179.

Be it enacted by the Legislature of the State of Washington:

Sec. 1.  RCW 36.22.179 and 2007 c 427 s 4 are each amended to read as follows:

(1) In addition to the surcharge authorized in RCW 36.22.178, and except as provided in subsection (2) of this section, an additional surcharge of ten dollars shall be charged by the county auditor for each document recorded, which will be in addition to any other charge allowed by law. During the 2009-11 and 2011-13 biennia, the surcharge shall be thirty dollars. The funds collected pursuant to this section are to be distributed and used as follows:

(a) The auditor shall retain two percent for collection of the fee, and of the remainder shall remit sixty percent to the county to be deposited into a fund that must be used by the county and its cities and towns to accomplish the purposes of ((this)) chapter 484, Laws of 2005, six percent of which may be used by the county for administrative costs related to its homeless housing plan, and the remainder for programs which directly accomplish the goals of the county's local
homeless housing plan, except that for each city in the county which elects as
authorized in RCW 43.185C.080 to operate its own local homeless housing
program, a percentage of the surcharge assessed under this section equal to the
percentage of the city's local portion of the real estate excise tax collected by the
county shall be transmitted at least quarterly to the city treasurer, without any
deduction for county administrative costs, for use by the city for program costs
which directly contribute to the goals of the city's local homeless housing plan;
of the funds received by the city, it may use six percent for administrative costs
for its homeless housing program.

(b) The auditor shall remit the remaining funds to the state treasurer for
deposit in the home security fund account. The department may use twelve and
one-half percent of this amount for administration of the program established in
RCW 43.185C.020, including the costs of creating the statewide homeless
housing strategic plan, measuring performance, providing technical assistance to
local governments, and managing the homeless housing grant program. The
remaining eighty-seven and one-half percent is to be used by the department to:

(i) Provide housing and shelter for homeless people including, but not
limited to: Grants to operate, repair, and staff shelters; grants to operate
transitional housing; partial payments for rental assistance; consolidated
emergency assistance; overnight youth shelters; and emergency shelter
assistance; and

(ii) Fund the homeless housing grant program.

(2) The surcharge imposed in this section does not apply to (a) assignments
or substitutions of previously recorded deeds of trust, or (b) documents
recording a birth, marriage, divorce, or death or any documents otherwise
exempted from a recording fee under state law.

Passed by the House April 25, 2009.
Passed by the Senate April 25, 2009.
Approved by the Governor May 12, 2009.

CHAPTER 463

[Engrossed Substitute House Bill 2128]
HEALTH CARE COVERAGE FOR CHILDREN

AN ACT Relating to meeting the goal of all children in Washington state having health care
coverage by 2010; amending RCW 74.09.470 and 74.09.480; and creating new sections.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that substantial progress has
been made toward achieving the equally important goals set in 2007 that all
children in Washington state have health care coverage by 2010 and that child
health outcomes improve. The legislature also finds that continued steps are
necessary to reach the goals that all children in Washington state shall have
access to the health services they need to be healthy and ready to learn and that
key measures of child health outcomes will show year by year improvement.
The legislature further finds that reaching these goals is integral to the state's
ability to weather the current economic crisis. The recent reauthorization of the
federal children's health insurance program provides additional opportunities for
the state to reach these goals. In view of these important objectives, the legislature intends that the apple health for kids program be managed actively across administrations in the department of social and health services, and across state and local agencies, with clear accountability for achieving the intended program outcomes. The legislature further intends that the department continue the implementation of the apple health for kids program with a commitment to fully utilizing the new program identity with appropriate materials.

Sec. 2. RCW 74.09.470 and 2007 c 5 s 2 are each amended to read as follows:

(1) Consistent with the goals established in RCW 74.09.402, through the apple health for kids program authorized in this section, the department shall provide affordable health care coverage to children under the age of nineteen who reside in Washington state and whose family income at the time of enrollment is not greater than two hundred fifty percent of the federal poverty level as adjusted for family size and determined annually by the federal department of health and human services, and effective January 1, 2009, and only to the extent that funds are specifically appropriated therefor, to children whose family income is not greater than three hundred percent of the federal poverty level. In administering the program, the department shall take such actions as may be necessary to ensure the receipt of federal financial participation under the medical assistance program, as codified at Title XIX of the federal social security act, the state children's health insurance program, as codified at Title XXI of the federal social security act, and any other federal funding sources that are now available or may become available in the future. The department and the caseload forecast council shall estimate the anticipated caseload and costs of the program established in this section.

(2) The department shall accept applications for enrollment for children's health care coverage; establish appropriate minimum-enrollment periods, as may be necessary; and determine eligibility based on current family income. The department shall make eligibility determinations within the time frames for establishing eligibility for children on medical assistance, as defined by RCW 74.09.510. The application and annual renewal processes shall be designed to minimize administrative barriers for applicants and enrolled clients, and to minimize gaps in eligibility for families who are eligible for coverage. If a change in family income results in a change in the source of funding for coverage, the department shall transfer the family members to the appropriate source of funding and notify the family with respect to any change in premium obligation, without a break in eligibility. The department shall use the same eligibility redetermination and appeals procedures as those provided for children on medical assistance programs. The department shall modify its eligibility renewal procedures to lower the percentage of children failing to annually renew. ((The department shall report to the appropriate committees of the legislature on its progress in this regard by December 2007.)) The department shall manage its outreach, application, and renewal procedures with the goals of: (a) Achieving year by year improvements in enrollment, enrollment rates, renewals, and renewal rates; (b) maximizing the use of existing program databases to obtain information related to earned and unearned income for purposes of eligibility determination and renewals, including, but not limited to, the basic food program, the child care subsidy
program, federal social security administration programs, and the employment
security department wage database; (c) streamlining renewal processes to rely
primarily upon data matches, online submissions, and telephone interviews; and
(d) implementing any other eligibility determination and renewal processes to
allow the state to receive an enhanced federal matching rate and additional
federal outreach funding available through the federal children's health
insurance program reauthorization act of 2009 by January 2010. The department
shall advise the governor and the legislature regarding the status of these efforts
by September 30, 2009. The information provided should include the status of
the department's efforts, the anticipated impact of those efforts on enrollment,
and the costs associated with that enrollment.

(3) To ensure continuity of care and ease of understanding for families and
health care providers, and to maximize the efficiency of the program, the
amount, scope, and duration of health care services provided to children under
this section shall be the same as that provided to children under medical
assistance, as defined in RCW 74.09.520.

(4) The primary mechanism for purchasing health care coverage under this
section shall be through contracts with managed health care systems as defined
in RCW 74.09.522 ((except when utilization patterns suggest that fee-for-service
purchasing could produce equally effective and cost-efficient care)), subject to
conditions, limitations, and appropriations provided in the biennial
appropriations act. However, the department shall make every effort within
available resources to purchase health care coverage for uninsured children
whose families have access to dependent coverage through an employer-
sponsored health plan or another source when it is cost-effective for the state to
do so, and the purchase is consistent with requirements of Title XIX and Title
XXI of the federal social security act. To the extent allowable under federal law,
the department shall require families to enroll in available employer-sponsored
coverage, as a condition of participating in the program established under
((chapter 5, Laws of 2007)) this section, when it is cost-effective for the state to
do so. Families who enroll in available employer-sponsored coverage under
((chapter 5, Laws of 2007)) this section shall be accounted for separately in the
annual report required by RCW 74.09.053.

(5)(a) To reflect appropriate parental responsibility, the department shall
develop and implement a schedule of premiums for children's health care
coverage due to the department from families with income greater than two
hundred percent of the federal poverty level. For families with income greater
than two hundred fifty percent of the federal poverty level, the premiums shall
be established in consultation with the senate majority and minority leaders and
the speaker and minority leader of the house of representatives. Premiums shall
be set at a reasonable level that does not pose a barrier to enrollment. The
amount of the premium shall be based upon family income and shall not exceed
the premium limitations in Title XXI of the federal social security act.
Premiums shall not be imposed on children in households at or below two
hundred percent of the federal poverty level as articulated in RCW 74.09.055.

(b) Beginning no later than January 1, ((2009)) 2010, the department shall
offer families whose income is greater than three hundred percent of the federal
poverty level the opportunity to purchase health care coverage for their children
through the programs administered under this section without ((a)) an explicit
premium subsidy from the state. The design of the health benefit package offered to these children should provide a benefit package substantially similar to that offered in the apple health for kids program, and may differ with respect to cost-sharing, and other appropriate elements from that provided to children under subsection (3) of this section including, but not limited to, application of preexisting conditions, waiting periods, and other design changes needed to offer affordable coverage. The amount paid by the family shall be in an amount equal to the rate paid by the state to the managed health care system for coverage of the child, including any associated and administrative costs to the state of providing coverage for the child. Any pooling of the program enrollees that results in state fiscal impact must be identified and brought to the legislature for consideration.

(6) The department shall undertake and continue a proactive, targeted outreach and education effort with the goal of enrolling children in health coverage and improving the health literacy of youth and parents. The department shall collaborate with the department of health, local public health jurisdictions, the office of (the) superintendent of public instruction, the department of early learning, health educators, health care providers, health carriers, community-based organizations, and parents in the design and development of this effort. The outreach and education effort shall include the following components:

(a) Broad dissemination of information about the availability of coverage, including media campaigns;

(b) Assistance with completing applications, and community-based outreach efforts to help people apply for coverage. Community-based outreach efforts should be targeted to the populations least likely to be covered;

(c) Use of existing systems, such as enrollment information from the free and reduced-price lunch program, the department of early learning child care subsidy program, the department of health's women, infants, and children program, and the early childhood education and assistance program, to identify children who may be eligible but not enrolled in coverage;

(d) Contracting with community-based organizations and government entities to support community-based outreach efforts to help families apply for coverage. These efforts should be targeted to the populations least likely to be covered. The department shall provide informational materials for use by government entities and community-based organizations in their outreach activities, and should identify any available federal matching funds to support these efforts;

(e) Development and dissemination of materials to engage and inform parents and families statewide on issues such as: The benefits of health insurance coverage; the appropriate use of health services, including primary care provided by health care practitioners licensed under chapters 18.71, 18.57, 18.36A, and 18.79 RCW, and emergency services; the value of a medical home, well-child services and immunization, and other preventive health services with linkages to department of health child profile efforts; identifying and managing chronic conditions such as asthma and diabetes; and the value of good nutrition and physical activity;
(f) An evaluation of the outreach and education efforts, based upon clear, cost-effective outcome measures that are included in contracts with entities that undertake components of the outreach and education effort;

(g) ((A feasibility study and)) An implementation plan to develop online application capability that is integrated with the department's automated client eligibility system, and to develop data linkages with the office of (([the])) the superintendent of public instruction for free and reduced-price lunch enrollment information and the department of early learning for child care subsidy program enrollment information. ((The department shall submit a feasibility study on the implementation of the requirements in this subsection to the governor and legislature by July 2008.))

(7) The department shall take action to increase the number of primary care physicians providing dental disease preventive services including oral health screenings, risk assessment, family education, the application of fluoride varnish, and referral to a dentist as needed.

(8) The department shall monitor the rates of substitution between private-sector health care coverage and the coverage provided under this section and shall report to appropriate committees of the legislature by December 2010.

*NEW SECTION. Sec. 3. The department must identify, within existing resources, a staff position as the single point of contact and coordination for the apple health for kids program. The position must ensure planning and coordination of all aspects of the apple health for kids program across all the involved agencies and with the various stakeholders, facilitate the collection, reporting, and analysis of the outcome data required in section 4 of this act, and facilitate the collection and reporting of the data required in section 2 of this act. The position must strive to provide transparency and accountability for the apple health for kids program and provide public reporting of the data required in sections 2 and 4 of this act.

*Sec. 3 was vetoed. See message at end of chapter.

Sec. 4. RCW 74.09.480 and 2007 c 5 s 4 are each amended to read as follows:

(1) The department, in collaboration with the department of health, health carriers, local public health jurisdictions, children's health care providers including pediatricians, family practitioners, and pediatric subspecialists, community and migrant health centers, parents, and other purchasers, shall ((identify explicit performance measures that indicate that a child has an established and effective medical home, such as)) establish a concise set of explicit performance measures that can indicate whether children enrolled in the program are receiving health care through an established and effective medical home, and whether the overall health of enrolled children is improving. Such indicators may include, but are not limited to:

(a) Childhood immunization rates;

(b) Well child care utilization rates, including the use of behavioral and oral health screening, and validated, structured developmental ((assessment tools that include behavioral and oral health screening)) screens using tools, that are consistent with nationally accepted pediatric guidelines and recommended administration schedule, once funding is specifically appropriated for this purpose;

(c) Care management for children with chronic illnesses;
(d) Emergency room utilization; 
(e) Visual acuity and eye health;  
(f) Preventive oral health service utilization; and  
(g) Children's mental health status. In defining these measures, the department shall be guided by the measures provided in RCW 71.36.025.

Performance measures and targets for each performance measure must be established and monitored each biennium, with a goal of achieving measurable, improved health outcomes for the children of Washington state each biennium.

(2) Beginning in calendar year 2009, targeted provider rate increases shall be linked to quality improvement measures established under this section. The department, in conjunction with those groups identified in subsection (1) of this section, shall develop parameters for determining criteria for increased payment, alternative payment methodologies, or other incentives for those practices and health plans that incorporate evidence-based practice and improve and achieve sustained improvement with respect to the measures (in both fee for service and managed care).

(3) The department shall provide a report to the governor and the legislature related to provider performance on these measures, beginning in September 2010 for 2007 through 2009 and biennially thereafter. The department shall advise the legislature as to its progress towards developing this biennial reporting system by September 30, 2009.

NEW SECTION. Sec. 5. This act may be known and cited as the apple health for kids act.

Passed by the House April 20, 2009.
Passed by the Senate April 15, 2009.
Approved by the Governor May 12, 2009, with the exception of certain items that were vetoed.
Filed in Office of Secretary of State May 13, 2009.

Note: Governor's explanation of partial veto is as follows:

"I have approved, except for Section 3, Engrossed Substitute House Bill 2128 entitled:

"AN ACT Relating to meeting the goal of all children in Washington having health care coverage by 2010."

Section 3 requires the Department of Social and Health Services to identify a staff position as the single point of contact and coordination for the Apple Health for Kids program. While I appreciate the intent of this section, I believe it inappropriate to direct in statute how an agency must staff a particular program. Especially in this difficult economic time, agencies must have the flexibility to allocate limited staff resources in the way which best suits all of their activities. Nonetheless, I will direct the Department to appoint someone to oversee this program.

For this reason, I have vetoed Section 3 of Engrossed Substitute House Bill 2128. With the exception of Section 3, Engrossed Substitute House Bill 2128 is approved."

STATE ENDEMIC MAMMAL—OLYMPIC MARMOT

AN ACT Relating to the state endemic mammal; adding a new section to chapter 1.20 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that the Olympic marmot, the only endemic mammal in Washington state, should be designated as the state endemic mammal. The Olympic marmot inhabits the Olympic Peninsula in the western section of the state of Washington. Olympic marmots hibernate from September to May. During the morning and afternoon on summer days they feed and spend time sunbathing on rocks. In the evening, they return to their burrow. Olympic marmots are relatively easy to see during the summer months along Hurricane Ridge in the Olympic National Park. Olympic marmots eat herbs, grasses, and flowers. They prefer plants that are soft and easy to digest. They may also eat fruits, legumes, and insects.

Olympic marmots are highly social and may live in groups of over a dozen animals. Gregarious bonds are made between individuals in a family. Olympic marmots identify each other by touching noses and smelling cheeks.

The legislature intends to promote awareness of the Olympic marmot by designating the Olympic marmot as the official endemic mammal of the state of Washington.

NEW SECTION. Sec. 2. A new section is added to chapter 1.20 RCW to read as follows:

The Olympic marmot, Marmota olympus, is hereby designated as the official endemic mammal of the state of Washington.

AN ACT Relating to establishing a global Asia institute; adding a new section to chapter 28B.20 RCW; and creating new sections.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that Asia and its interactions with the rest of the world are transforming the way the world works in the twenty-first century. The legislature further finds that trade, finance, technology, and global influence and institutions are all areas in which China, India, and other Asian states are in the process of reshaping the nature of the international system, and that Washington state is uniquely situated to contribute to enhance interactions between the United States and Asia. The legislature intends to establish a global Asia institute at the University of Washington.

Asia through general public programs and targeted collaborations with specific communities in the state.

(2) Within existing resources, a global Asia institute advisory board is established. The director of the Henry M. Jackson School of International Studies shall appoint members of the advisory board and determine the advisory board's roles and responsibilities. CHAPTER 467

COMMUNITY ATHLETICS PROGRAMS—SEX DISCRIMINATION

AN ACT Relating to prohibiting unfair practices in public community athletics programs by prohibiting discrimination on the basis of sex; adding new sections to chapter 49.60 RCW; adding a new section to chapter 35.21 RCW; adding a new section to chapter 35.61 RCW; adding a new section to chapter 35A.21 RCW; adding a new section to chapter 36.01 RCW; adding a new section to chapter 36.68 RCW; adding a new section to chapter 36.69 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds and declares:

On June 23, 1972, President Richard Nixon signed into law Title IX of the Education Amendments of 1972 to the 1964 Civil Rights Act. This landmark legislation provides that: "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance...." Title IX has expanded opportunities for males as well as females in educational programs and activities, including ensuring access to athletic opportunities for girls and women in educational institutions and to male and female staff to coaching and athletics administrative positions in educational institutions. The dramatic increases in participation rates at both the high school and college levels since Title IX was passed show that when doors are opened to women and girls, they will participate.

Further, ensuring equality in the state of Washington, the legislature passed an amendment to the state Constitution, ratified by the voters in November 1972, providing "Equality of rights and responsibilities under the law shall not be denied or abridged on account of sex." In 1975, Washington continued to be at
the forefront of this issue by adopting legislation that established our own statutory version of the federal Title IX law that prohibited "inequality in the educational opportunities afforded women and girls at all levels of the public schools in Washington state."

Athletic opportunities provide innumerable benefits to participants, including greater academic success, better physical and psychological health, responsible social behaviors, and enhanced interpersonal skills. Athletic scholarships make it possible for some young people to attend college. The Washington state legislature, recognizing the importance of full participation in athletics, has passed numerous bills directed at achieving equity and eliminating discrimination in intercollegiate athletics in the state's institutions of higher education.

Despite advances in educational settings and efforts by some local agencies to expand opportunities in community athletics programs, discrimination still exists that limits these opportunities. It is the intent of the legislature to expand and support equal participation in athletics programs, and provide all sports programs equal access to facilities administered by cities, towns, counties, metropolitan park districts, park and recreation service areas, or park and recreation districts.

Nothing in this act is intended to affect the holding in the Washington state supreme court's ruling in Darrin v. Gould, 85 Wn.2d 859, 540 P.2d 882 (1975) and its progeny that held it is not acceptable to discriminate in contact sports on the basis of sex.

NEW SECTION. Sec. 2. (1) No city, town, county, or district may discriminate against any person on the basis of sex in the operation, conduct, or administration of community athletics programs for youth or adults. A third party receiving a lease or permit from a city, town, county, district, or a school district, for a community athletics program also may not discriminate against any person on the basis of sex in the operation, conduct, or administration of community athletics programs for youth or adults.

(2) The definitions in this subsection apply throughout this section.

(a) "Community athletics program" means any athletic program that is organized for the purposes of training for and engaging in athletic activity and competition and that is in any way operated, conducted, administered, or supported by a city, town, county, district, or school district other than those offered by the school and created solely for the students by the school.

(b) "District" means any metropolitan park district, park and recreation service area, or park and recreation district.

NEW SECTION. Sec. 3. (1) By January 1, 2010, each city, town, county, or district operating a community athletics program or issuing permission to a third party for the operation of such program on its facilities shall adopt a policy that specifically prohibits discrimination against any person on the basis of sex in the operation, conduct, or administration of community athletics programs for youth or adults.

(2) It is the responsibility of each city, town, county, or district operating a community athletics program or issuing permission to a third party for the operation of such program on its facilities to publish and disseminate this policy. At a minimum, the nondiscrimination policy should be included in any
publication that includes information about the entity's own athletics programs, or about obtaining a permit for operating athletics programs and on the appropriate city, town, county, or district web site.

(3) School districts issuing permission to a third party for the operation of a community athletics program on its facilities shall also follow the provisions of this section but may modify and use existing school district policies and procedures to the extent that is possible. Nothing in this section may be construed to require school districts to monitor compliance, investigate complaints, or otherwise enforce school district policies as to third parties using school district facilities.

(4) Every city, town, county, or district covered by this section should also publish the name, office address, and office telephone number of the employee or employees responsible for its efforts to comply with and carry out its responsibilities under this act.

NEW SECTION. Sec. 4. A new section is added to chapter 35.21 RCW to read as follows:

The antidiscrimination provisions of section 2 of this act apply to community athletics programs and facilities operated, conducted, or administered by a city or town.

NEW SECTION. Sec. 5. A new section is added to chapter 35.61 RCW to read as follows:

The antidiscrimination provisions of section 2 of this act apply to community athletics programs and facilities operated, conducted, or administered by a metropolitan park district.

NEW SECTION. Sec. 6. A new section is added to chapter 35A.21 RCW to read as follows:

The antidiscrimination provisions of section 2 of this act apply to community athletics programs and facilities operated, conducted, or administered by a code city.

NEW SECTION. Sec. 7. A new section is added to chapter 36.01 RCW to read as follows:

The antidiscrimination provisions of section 2 of this act apply to community athletics programs and facilities operated, conducted, or administered by a county.

NEW SECTION. Sec. 8. A new section is added to chapter 36.68 RCW to read as follows:

The antidiscrimination provisions of section 2 of this act apply to community athletics programs and facilities operated, conducted, or administered by a park and recreation service area.

NEW SECTION. Sec. 9. A new section is added to chapter 36.69 RCW to read as follows:

The antidiscrimination provisions of section 2 of this act apply to community athletics programs and facilities operated, conducted, or administered by a park and recreation district.

NEW SECTION. Sec. 10. Sections 2 and 3 of this act are each added to chapter 49.60 RCW.
CHAPTER 468
[Second Substitute Senate Bill 5973]
K-12 EDUCATION—ACHIEVEMENT GAP

AN ACT Relating to closing the achievement gap in order to provide all students an excellent and equitable education; amending RCW 28A.300.137; adding new sections to chapter 28A.300 RCW; adding a new section to chapter 28A.410 RCW; adding a new section to chapter 28A.660 RCW; and creating new sections.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. (1) The legislature finds compelling evidence from five commissioned studies that additional progress must be made to address the achievement gap. Many students are in demographic groups that are overrepresented in measures such as school disciplinary sanctions; failure to meet state academic standards; failure to graduate; enrollment in special education and underperforming schools; enrollment in advanced placement courses, honors programs, and college preparatory classes; and enrollment in and completion of college. The studies contain specific recommendations that are data-driven and drawn from education research, as well as the personal, professional, and cultural experience of those who contributed to the studies. The legislature finds there is no better opportunity to make a strong commitment to closing the achievement gap and to affirm the state's constitutional obligation to provide opportunities to learn for all students without distinction or preference on account of race, ethnicity, socioeconomic status, or gender.

(2) The legislature further finds that access to comprehensive and consistent data that is disaggregated in the smallest units allowable by law is important in closing the achievement gap. Policymakers and educators need as much information as possible not only about students' academic progress, but also about other factors across multiple disciplines that affect student performance.

(3) A consistent and powerful theme throughout the achievement gap studies was the need for cultural competency in instruction, curriculum, assessment, and professional development. Cultural competency forms a foundation for efforts to address the achievement gap, and more work is needed to embed it into the public school system.

(4) Therefore, following the priority recommendations from the achievement gap studies, the legislature intends to:

(a) Provide resources to support parent and community involvement and outreach efforts by public schools, including such items as additional notices and communication to parents, translations, translators, parent and community meetings, and school events within the community. The legislature encourages school districts to consult with the office of the education ombudsman in developing plans for parent and community involvement and outreach;

(b) Require that teachers demonstrate cultural competency in the classroom and with students at each level of state teacher certification, and provide
additional opportunities for professional development in cultural competency for current teachers;
(c) Create local alternative routes to teacher certification for paraeducators and individuals in the communities surrounding schools and school districts that are struggling to address the achievement gap;
(d) Reexamine the study recommendations regarding data and accountability and identify ways for the education data system to address these needs; and
(e) Sustain efforts to close the achievement gap over the long term by creating a high profile achievement gap oversight and accountability committee that will provide ongoing advice to education agencies and report annually to the legislature and the governor.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.300 RCW to read as follows:
(1) An achievement gap oversight and accountability committee is created to synthesize the findings and recommendations from the 2008 achievement gap studies into an implementation plan, and to recommend policies and strategies to the superintendent of public instruction, the professional educator standards board, and the state board of education to close the achievement gap.
(2) The committee shall recommend specific policies and strategies in at least the following areas:
(a) Supporting and facilitating parent and community involvement and outreach;
(b) Enhancing the cultural competency of current and future educators and the cultural relevance of curriculum and instruction;
(c) Expanding pathways and strategies to prepare and recruit diverse teachers and administrators;
(d) Recommending current programs and resources that should be redirected to narrow the gap;
(e) Identifying data elements and systems needed to monitor progress in closing the gap;
(f) Making closing the achievement gap part of the school and school district improvement process; and
(g) Exploring innovative school models that have shown success in closing the achievement gap.
(3) Taking a multidisciplinary approach, the committee may seek input and advice from other state and local agencies and organizations with expertise in health, social services, gang and violence prevention, substance abuse prevention, and other issues that disproportionately affect student achievement and student success.
(4) The achievement gap oversight and accountability committee shall be composed of the following members:
(a) The chairs and ranking minority members of the house and senate education committees, or their designees;
(b) One additional member of the house of representatives appointed by the speaker of the house and one additional member of the senate appointed by the president of the senate;
(c) A representative of the office of the education ombudsman;
(d) A representative of the center for the improvement of student learning in the office of the superintendent of public instruction;

(e) A representative of federally recognized Indian tribes whose traditional lands and territories lie within the borders of Washington state, designated by the federally recognized tribes; and

(f) Four members appointed by the governor in consultation with the state ethnic commissions, who represent the following populations: African-Americans, Hispanic Americans, Asian Americans, and Pacific Islander Americans.

(5) The governor and the tribes are encouraged to designate members who have experience working in and with schools.

(6) The committee may convene ad hoc working groups to obtain additional input and participation from community members. Members of ad hoc working groups shall serve without compensation and shall not be reimbursed for travel or other expenses.

(7) The chair or cochairs of the committee shall be selected by the members of the committee. Staff support for the committee shall be provided by the center for the improvement of student learning. Members of the committee shall serve without compensation but must be reimbursed as provided in RCW 43.03.050 and 43.03.060. Legislative members of the committee shall be reimbursed for travel expenses in accordance with RCW 44.04.120.

Sec. 3. RCW 28A.300.137 and 2008 c 298 s 3 are each amended to read as follows:

Beginning in January 2010, the achievement gap oversight and accountability committee shall report annually to the superintendent of public instruction, the state board of education, the professional educator standards board, the governor, the P-20 council, and the education committees of the legislature on the strategies to address the achievement gap for African-American students and on the progress in improvement of education performance measures for African-American, Hispanic, American Indian/Alaskan Native, Asian, and Pacific Islander/Hawaiian Native students.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.300 RCW to read as follows:

All student data related reports required of the superintendent of public instruction in this title must be disaggregated by at least the following subgroups of students: White, Black, Hispanic, American Indian/Alaskan Native, Asian, Pacific Islander/Hawaiian Native, low income, transitional bilingual, migrant, special education, and students covered by section 504 of the federal rehabilitation act of 1973, as amended (29 U.S.C. Sec. 794).

NEW SECTION. Sec. 5. A new section is added to chapter 28A.410 RCW to read as follows:

(1) The professional educator standards board, in consultation and collaboration with the achievement gap oversight and accountability committee established under section 2 of this act, shall identify a list of model standards for cultural competency and make recommendations to the education committees of the legislature on the strengths and weaknesses of those standards.
(2) For the purposes of this section, "cultural competency" includes knowledge of student cultural histories and contexts, as well as family norms and values in different cultures; knowledge and skills in accessing community resources and community and parent outreach; and skills in adapting instruction to students' experiences and identifying cultural contexts for individual students.

NEW SECTION. Sec. 6. A new section is added to chapter 28A.660 RCW to read as follows:

The office of the superintendent of public instruction shall identify school districts that have the most significant achievement gaps among subgroups of students and for large numbers of those students, and districts that should receive priority for assistance in advancing cultural competency skills in their workforce. The professional educator standards board shall provide assistance to the identified school districts to develop partnership grant programs between the districts and teacher preparation programs to provide one or more of the four alternative route programs under RCW 28A.660.040 and to recruit paraeducators and other individuals in the local community to become certified as teachers. A partnership grant program proposed by an identified school district shall receive priority eligibility for partnership grants under RCW 28A.660.020. To the maximum extent possible, the board shall coordinate the recruiting Washington teachers program under RCW 28A.415.370 with the alternative route programs under this section.

NEW SECTION. Sec. 7. The superintendent of public instruction shall take all actions necessary to secure federal funds to support enhancing data collection and data system capacity in order to monitor progress in closing the achievement gap and to support other innovations and model programs that align education reform and address disproportionality in the public school system.

(4) Except as provided in RCW 43.08.190, all earnings of investments of balances in the local sales and use tax account shall be credited to the local sales and use tax account and distributed to the counties, cities, transportation authorities, public facilities districts, public transportation benefit areas, regional transportation investment districts, and transportation benefit districts monthly.

Sec. 108. RCW 82.14.060 and 2005 c 336 s 21 are each amended to read as follows:

(1)(a) Monthly, the state treasurer must distribute from the local sales and use tax account to the counties, cities, transportation authorities, public facilities districts, and transportation benefit districts the amount of tax collected on behalf of each taxing authority, less:

(i) The deduction provided for in RCW 82.14.050; and

(ii) The amount of any refunds of local sales and use taxes exempted under sections 101 and 102 of this act, which must be made without appropriation.

(b) The state treasurer shall make the distribution under this section without appropriation.

(2) In the event that any ordinance or resolution imposes a sales and use tax at a rate in excess of the applicable limits contained herein, such ordinance or resolution shall not be considered void in toto, but only with respect to that portion of the rate which is in excess of the applicable limits contained herein.

NEW SECTION. Sec. 109. A new section is added to chapter 82.12 RCW to read as follows:

(1) Except as provided in subsection (2) of this section, the expiration of RCW 82.12.02567 and section 102 of this act do not require the payment of, or authorize the department to assess, use tax imposed by or under the authority of RCW 82.12.020, 81.104.170, and chapter 82.14 RCW, on the use of machinery and equipment, and labor and services rendered in respect to installing such machinery and equipment, if such use qualified for the exemption under RCW 82.12.02567 or section 102 of this act immediately preceding the expiration date of the applicable exemption under RCW 82.12.02567 or section 102 of this act.
(2) Subsection (1) of this section does not prohibit the department from assessing, subject to the limitations period in RCW 82.32.050, state and local use taxes on the use of machinery and equipment, and labor and services rendered in respect to installing such machinery and equipment, if, before the expiration of the applicable exemption provided in RCW 82.12.02567 or section 102 of this act, the machinery and equipment was put to a use that is outside of the scope of the applicable exemption in RCW 82.12.02567 or section 102 of this act.

PART II
Radioactive Waste Cleanup

NEW SECTION. Sec. 201. (1) The legislature finds that the cleaning up of radioactive waste at the Hanford site is crucial to the environment in this state. The legislature intends to include services supporting the cleanup within the radioactive waste clean-up business and occupation tax classification, but it is not the legislature's intent to extend the radioactive waste clean-up classification to all business activities conducted at the Hanford site or performed for persons engaged in the performance of cleanup.

(2) It is the legislature's intent in enacting this legislation to ensure that the radioactive waste clean-up business and occupation tax classification applies to all services contributing to the performance of a clean-up project at the Hanford site other than services that are routinely provided to any business, including businesses that are not engaged in clean-up activities.

Sec. 202. RCW 82.04.263 and 1996 c 112 s 3 are each amended to read as follows:

(1) Upon every person engaging within this state in the business of cleaning up for the United States, or its instrumentalities, radioactive waste and other by-products of weapons production and nuclear research and development; as to such persons the amount of the tax with respect to such business shall be equal to the ((value of the)) gross income of the business multiplied by the rate of 0.471 percent.

(2) For the purposes of this chapter, "cleaning up radioactive waste and other by-products of weapons production and nuclear research and development" means:

(a) The activities of handling, storing, treating, immobilizing, stabilizing, or disposing of radioactive waste, radioactive tank waste and capsules, nonradioactive hazardous solid and liquid wastes, or spent nuclear fuel;
(b) Spent nuclear fuel conditioning;
(c) Removal of contamination in soils and groundwater;
(d) Decontamination and decommissioning of facilities; and ((activities integral and necessary to the direct performance of cleanup)) (e) Services supporting the performance of cleanup. For the purposes of this subsection (2)(e), a service supports the performance of cleanup if it:

(i) Is within the scope of work under a clean-up contract with the United States department of energy; or

(ii) Assists in the accomplishment of a requirement of a clean-up project undertaken by the United States department of energy under a subcontract entered into with the prime contractor or another subcontractor in furtherance of
a clean-up contract between the United States department of energy and a prime contractor.

(3) A service does not assist in the accomplishment of a requirement of a clean-up project undertaken by the United States department of energy if the same services are routinely provided to businesses not engaged in clean-up activities, except that the following services are always deemed to contribute to the accomplishment of a requirement of a clean-up project undertaken by the United States department of energy:

(a) Information technology and computer support services;
(b) Services rendered in respect to infrastructure; and
(c) Security, safety, and health services.

(4) The legislature intends that the examples provided in this subsection be used as a guideline when determining whether a service is "routinely provided to businesses not engaged in clean-up activities" as that phrase is used in subsection (3) of this section.

(a) The radioactive waste clean-up classification does not apply to general accounting services but does apply to performance audits performed for persons cleaning up radioactive waste.

(b) The radioactive waste clean-up classification does not apply to general legal services but does apply to those legal services that assist in the accomplishment of a requirement of a clean-up project undertaken by the United States department of energy. Thus, legal services provided to contest any local, state, or federal tax liability or to defend a company against a workers' compensation claim arising from a worksite injury do not qualify for the radioactive waste clean-up classification. But, legal services related to the resolution of a contractual dispute between the parties to a clean-up contract between the United States department of energy and a prime contractor do qualify.

(c) General office janitorial services do not qualify for the radioactive waste clean-up classification, but the specialized cleaning of equipment exposed to radioactive waste does qualify.

PART III
Hog Fuel Tax Relief

NEW SECTION, Sec. 301. A new section is added to chapter 82.08 RCW to read as follows:

(1) The tax levied by RCW 82.08.020 does not apply to sales of hog fuel used to produce electricity, steam, heat, or biofuel. This exemption is available only if the buyer provides the seller with an exemption certificate in a form and manner prescribed by the department. The seller must retain a copy of the certificate for the seller's files.

(2) For the purposes of this section the following definitions apply:
(a) "Hog fuel" means wood waste and other wood residuals including forest derived biomass. "Hog fuel" does not include firewood or wood pellets; and

(3) This section expires June 30, 2013.

PART IV
Biomass Energy Incentives

NEW SECTION. Sec. 401. A new section is added to chapter 82.04 RCW to read as follows:
(1) In computing the tax imposed under this chapter, harvesters are allowed a credit against the amount of tax otherwise due under this chapter, as provided in this section. The credit per harvested green ton of forest derived biomass sold, transferred, or used for production of electricity, steam, heat, or biofuel is as follows:
(a) For forest derived biomass harvested October 1, 2009, through June 30, 2010, zero dollars;
(b) For forest derived biomass harvested July 1, 2010, through June 30, 2013, three dollars;
(c) For forest derived biomass harvested July 1, 2013, through June 30, 2015, five dollars.
(2) Credit may not be claimed for forest derived biomass sold, transferred, or used before the effective date of this section. The amount of credit allowed for a reporting period may not exceed the tax otherwise due under this chapter for that reporting period. Any unused excess credit in a reporting period may be carried forward to future reporting periods for a maximum of two years.
(3) For the purposes of this section, "harvested" and "harvesters" are defined in RCW 84.33.035, and "biofuel" is defined in RCW 43.325.010.

(3) This section expires twelve years after December 1, 2006.

Sec. 504. RCW 82.16.110 and 2005 c 300 s 2 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1)(a) "Community solar project" means:

(i) A solar energy system owned by local individuals, households, nonprofit organizations, or nonutility businesses that is placed on the property owned by a cooperating local governmental entity that is not in the light and power business or in the gas distribution business; or

(ii) A utility-owned solar energy system that is voluntarily funded by the utility's ratepayers where, in exchange for their financial support, the utility gives contributors a payment or credit on their utility bill for the value of the electricity produced by the project.

(b) For the purposes of "community solar project" as defined in (a) of this subsection:

(i) "Nonprofit organization" means an organization exempt from taxation under Title 26 U.S.C. Sec. 501(c)(3) of the federal internal revenue code of 1986, as amended, as of January 1, 2009; and

(ii) "Utility" means a light and power business, an electric cooperative, or a mutual corporation that provides electricity service.

(2) "Customer-generated electricity" means a community solar project or the alternating current electricity that is generated from a renewable energy system located on an individual's, businesses', or local government's real property that is also provided electricity generated by a light and power business. Except for community solar projects, a system located on a leasehold interest does not qualify under this definition. "Customer-generated electricity" does not include electricity generated by a light and power business with greater than one thousand megawatt hours of annual sales or a gas distribution business.

(3) "Economic development kilowatt-hour" means the actual kilowatt-hour measurement of customer-generated electricity multiplied by the appropriate economic development factor.

(4) "Local governmental entity" means any unit of local government of this state including, but not limited to, counties, cities, towns, municipal corporations, quasi-municipal corporations, special purpose districts, and school districts.

(5) "Photovoltaic cell" means a device that converts light directly into electricity without moving parts.

Sec. 505. RCW 82.16.120 and 2007 c 111 s 101 are each amended to read as follows:

(1) Any individual, business, local governmental entity, not in the light and power business or in the gas distribution business, or a participant in a community solar project may apply to the light and power business serving the situs of the system, each fiscal year beginning on July 1, 2005, for an investment cost recovery incentive for each kilowatt-hour from a customer-generated electricity renewable energy system (installed on its property that is not interconnected to the electric distribution system). No incentive may be paid for kilowatt-hours generated before July 1, 2005, or after June 30, 2020.

(2) When light and power businesses serving eighty percent of the total customer load in the state adopt uniform standards for interconnection to the electric distribution system, any individual, business, or local governmental entity, not in the light and power business or in the gas distribution business, may apply to the light and power business serving the situs of the system, each fiscal year, for an investment cost recovery incentive for each kilowatt-hour from a customer-generated electricity renewable energy system installed on its property that is not interconnected to the electric distribution system and from a customer-generated electricity renewable energy system installed on its property that is interconnected to the electric distribution system. Uniform standards for interconnection to the electric distribution system means those standards established by light and power businesses that have ninety percent of total requirements the same. No incentive may be paid for kilowatt-hours generated before July 1, 2005, or after June 30, 2014.

(a) Before submitting for the first time the application for the incentive allowed under subsection (4) of this section, the applicant must submit to the department of revenue and to the climate and rural energy development center at the Washington State University, established under RCW 28B.30.642, a certification in a form and manner prescribed by the department that includes, but is not limited to, the following information:

(i) The name and address of the applicant and location of the renewable energy system;

(ii) The applicant's tax registration number;

(iii) That the electricity produced by the applicant meets the definition of "customer-generated electricity" and that the renewable energy system produces electricity with:

(A) Any solar inverters and solar modules manufactured in Washington state;

(B) A wind generator powered by blades manufactured in Washington state;

(C) A solar inverter manufactured in Washington state;

(D) A solar module manufactured in Washington state;

(E) Solar or wind equipment manufactured outside of Washington state;
(iv) That the electricity can be transformed or transmitted for entry into or operation in parallel with electricity transmission and distribution systems;

(v) The date that the renewable energy system received its final electrical permit from the applicable local jurisdiction.

(b) Within thirty days of receipt of the certification the department of revenue (shall) must notify the applicant by mail, or electronically as provided in RCW 82.32.135, whether the renewable energy system qualifies for an incentive under this section. The department may consult with the climate and rural energy development center to determine eligibility for the incentive. System certifications and the information contained therein are subject to disclosure under RCW 82.32.330(3)(m).

((4)) (3) (a) By August 1st of each year application for the incentive shall be made to the light and power business serving the situs of the system by certification in a form and manner prescribed by the department that includes, but is not limited to, the following information:

(i) The name and address of the applicant and location of the renewable energy system;

(ii) The applicant's tax registration number;

(iii) The date of the notification from the department of revenue stating that the renewable energy system is eligible for the incentives under this section;

(iv) A statement of the amount of kilowatt-hours generated by the renewable energy system in the prior fiscal year.

(b) Within sixty days of receipt of the incentive certification the light and power business serving the situs of the system shall notify the applicant in writing whether the incentive payment will be authorized or denied. The business may consult with the climate and rural energy development center to determine eligibility for the incentive payment. Incentive certifications and the information contained therein are subject to disclosure under RCW 82.32.330(3)(m).

(c)(i) Persons receiving incentive payments shall keep and preserve, for a period of five years, suitable records as may be necessary to determine the amount of incentive applied for and received. Such records shall be open for examination at any time upon notice by the light and power business that made the payment or by the department. If upon examination of any records or from other information obtained by the business or department it appears that an incentive has been paid in an amount that exceeds the correct amount of incentive payable, the business may assess against the person for the amount found to have been paid in excess of the correct amount of incentive payable and shall add thereto interest on the amount. Interest shall be assessed in the manner that the department assesses interest upon delinquent tax under RCW 82.32.050.

(ii) If it appears that the amount of incentive paid is less than the correct amount of incentive payable the business may authorize additional payment.

((4)) (4) Except for community solar projects, the investment cost recovery incentive may be paid fifteen cents per economic development kilowatt-hour unless requests exceed the amount authorized for credit to the participating light and power business. For community solar projects, the investment cost recovery incentive may be paid thirty cents per economic development kilowatt-hour unless requests exceed the amount authorized for credit to the participating light and power business. For the purposes of this
section, the rate paid for the investment cost recovery incentive may be multiplied by the following factors:

(a) For customer-generated electricity produced using solar modules manufactured in Washington state, two and four-tenths;
(b) For customer-generated electricity produced using a solar or a wind generator equipped with an inverter manufactured in Washington state, one and two-tenths;
(c) For customer-generated electricity produced using an anaerobic digester, or by other solar equipment or using a wind generator equipped with blades manufactured in Washington state, one; and
(d) For all other customer-generated electricity produced by wind, eight-tenths.

(5) No individual, household, business, or local governmental entity is eligible for incentives provided under subsection (4) of this section for more than five thousand dollars per year. Each applicant in a community solar project is eligible for up to five thousand dollars per year.

(6) If requests for the investment cost recovery incentive exceed the amount of funds available for credit to the participating light and power business, the incentive payments shall be reduced proportionately.

(7) The climate and rural energy development center at Washington State University energy program may establish guidelines and standards for technologies that are identified as Washington manufactured and therefore most beneficial to the state's environment.

(8) The environmental attributes of the renewable energy system belong to the applicant, and do not transfer to the state or the light and power business upon receipt of the investment cost recovery incentive.

Sec. 506. RCW 82.16.130 and 2005 c 300 s 4 are each amended to read as follows:

(1) A light and power business shall be allowed a credit against taxes due under this chapter in an amount equal to investment cost recovery incentive payments made in any fiscal year under RCW 82.16.120. The credit shall be taken in a form and manner as required by the department. The credit under this section for the fiscal year (shall) may not exceed one percent of the businesses' taxable power sales due under RCW 82.16.020(1)(b) or (twenty-five one-hundredths) of the businesses' taxable power sales due under RCW 82.16.020(1)(b) or (twenty-five one hundred thousand dollars, whichever is greater. Incentive payments to participants in a utility-owned community solar project as defined in RCW 82.16.110(1)(a)(ii) may only account for up to twenty-five percent of the total allowable credit. The credit may not exceed the tax that would otherwise be due under this chapter. Refunds shall not be granted in the place of credits. Expenditures not used to earn a credit in one fiscal year may not be used to earn a credit in subsequent years.

(2) For any business that has claimed credit for amounts that exceed the correct amount of the incentive payable under RCW 82.16.120, the amount of tax against which credit was claimed for the excess payments shall be immediately due and payable. The department shall assess interest but not penalties on the taxes against which the credit was claimed. Interest shall be assessed at the rate provided for delinquent excise taxes under chapter 82.32 RCW, retroactively to the date the credit was claimed, and shall accrue until the taxes against which the credit was claimed are repaid.

Motor Vehicle Account—Federal Appropriation ................. $2,050,000
Motor Vehicle Account—Private/Local Appropriation ............ $127,000

(2) The department, in consultation with the Washington state patrol, may continue a pilot program for the patrol to issue infractions based on information from automated traffic safety cameras in roadway construction zones on state highways. For the purpose of this pilot program, during the 2009-11 fiscal biennium, a roadway construction zone includes areas where public employees or private contractors are not present but where a driving condition exists that would make it unsafe to drive at higher speeds, such as, when the department is redirecting or realigning lanes on any public roadway pursuant to ongoing construction. The department shall use the following guidelines to administer the program:

(a) Automated traffic safety cameras may only take pictures of the vehicle and vehicle license plate and only while an infraction is occurring. The picture must not reveal the face of the driver or of passengers in the vehicle;

(b) The department shall plainly mark the locations where the automated traffic safety cameras are used by placing signs on locations that clearly indicate to a driver that he or she is entering a roadway construction zone where traffic laws are enforced by an automated traffic safety camera;

(c) Notices of infractions must be mailed to the registered owner of a vehicle within fourteen days of the infraction occurring;

(d) The owner of the vehicle is not responsible for the violation if the owner of the vehicle, within fourteen days of receiving notification of the violation, mails to the patrol, a declaration under penalty of perjury, stating that the vehicle involved was, at the time, stolen or in the care, custody, or control of some person other than the registered owner, or any other extenuating circumstances;

(e) For purposes of the 2009-11 fiscal biennium pilot program, infractions detected through the use of automated traffic safety cameras are not part of the registered owner's driving record under RCW 46.52.101 and 46.52.120. Additionally, infractions generated by the use of automated traffic safety cameras must be processed in the same manner as parking infractions for the purposes of RCW 3.50.100, 35.20.220, 46.16.216, and 46.20.270(3). However, the amount of the fine issued under this subsection (2) for an infraction generated through the use of an automated traffic safety camera is one hundred thirty-seven dollars. The court shall remit thirty-two dollars of the fine to the state treasurer for deposit into the state patrol highway account; and

(f) If a notice of infraction is sent to the registered owner and the registered owner is a rental car business, the infraction must be dismissed against the business if it mails to the patrol, within fourteen days of receiving the notice, a declaration under penalty of perjury of the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred. If the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred, the business must sign a declaration under penalty
of perjury to this effect. The declaration must be mailed to the patrol within fourteen days of receiving the notice of traffic infraction. Timely mailing of this declaration to the issuing agency relieves a rental car business of any liability under this section for the notice of infraction. A declaration form suitable for this purpose must be included with each automated traffic infraction notice issued, along with instructions for its completion and use.

Appropriation .................................................. $1,027,000
TOTAL APPROPRIATION ................................. $124,081,000

The appropriations in this section are subject to the following conditions
and limitations:
(1) $25,000,000 of the multimodal transportation account—state
appropriation is provided solely for a grant program for special needs
transportation provided by transit agencies and nonprofit providers of
transportation.
(a) $5,500,000 of the amount provided in this subsection is provided solely
for grants to nonprofit providers of special needs transportation. Grants for
nonprofit providers shall be based on need, including the availability of other
providers of service in the area, efforts to coordinate trips among providers and
riders, and the cost effectiveness of trips provided.
(b) $19,500,000 of the amount provided in this subsection is provided solely
for grants to transit agencies to transport persons with special transportation
needs. To receive a grant, the transit agency must have a maintenance of effort
for special needs transportation that is no less than the previous year's
maintenance of effort for special needs transportation. Grants for transit
agencies shall be prorated based on the amount expended for demand response
service and route deviated service in calendar year 2007 as reported in the
"Summary of Public Transportation - 2007" published by the department of
transportation. No transit agency may receive more than thirty percent of these
distributions.
(2) Funds are provided for the rural mobility grant program as follows:
   (a) $8,500,000 of the multimodal transportation account—state appropriation is provided solely for grants for those transit systems serving small cities and rural areas as identified in the "Summary of Public Transportation - 2007" published by the department of transportation. Noncompetitive grants must be distributed to the transit systems serving small cities and rural areas in a manner similar to past disparity equalization programs.
   (b) $8,500,000 of the multimodal transportation account—state appropriation is provided solely to providers of rural mobility service in areas not served or underserved by transit agencies through a competitive grant process.

(3) $7,000,000 of the multimodal transportation account—state appropriation is provided solely for a vanpool grant program for:
   (a) Public transit agencies to add vanpools or replace vans; and
   (b) incentives for employers to increase employee vanpool use. The grant program for public transit agencies will cover capital costs only; operating costs for public transit agencies are not eligible for funding under this grant program. Additional employees may not be hired from the funds provided in this section for the vanpool grant program, and supplanting of transit funds currently funding vanpools is not allowed. The department shall encourage grant applicants and recipients to leverage funds other than state funds. At least $1,600,000 of this amount must be used for vanpool grants in congested corridors.

(4) $400,000 of the multimodal transportation account—state appropriation is provided solely for a grant for a flexible carpooling pilot project program to be administered and monitored by the department. Funds are appropriated for one time only. The pilot project program must:
   Test and implement at least one flexible carpooling system in a high-volume commuter area that enables carpooling without prearrangement; utilize technologies that, among other things, allow for transfer of ride credits between participants; and be a membership system that involves prescreening to ensure safety of the participants. The program must include a pilot project that targets commuter traffic on the state route number 520 bridge. The department shall submit to the legislature by December 2010 a report on the program results and any recommendations for additional flexible carpooling programs.

(5) $3,318,000 of the multimodal transportation account—state appropriation and $21,248,000 of the regional mobility grant program account—state appropriation are reappropriated and provided solely for the regional mobility grant projects identified on the LEAP Transportation Document 2007-B, as developed April 20, 2007, or the LEAP Transportation Document 2006-D, as developed March 8, 2006. The department shall continue to review all projects receiving grant awards under this program at least semiannually to determine whether the projects are making satisfactory progress. The department shall promptly close out grants when projects have been completed, and any remaining funds available to the office of transit mobility must be used only to fund projects on the LEAP Transportation Document 2006-D, as developed March 8, 2006; the LEAP Transportation Document 2007-B, as developed April 20, 2007; or the LEAP Transportation Document 2009-B, as developed April 24, 2009. It is the intent of the legislature to appropriate funds
through the regional mobility grant program only for projects that will be completed on schedule.

(6) $33,429,000 of the regional mobility grant program account—state appropriation is provided solely for the regional mobility grant projects identified in LEAP Transportation Document 2009-B, as developed April 24, 2009. The department shall review all projects receiving grant awards under this program at least semiannually to determine whether the projects are making satisfactory progress. Any project that has been awarded funds, but does not report activity on the project within one year of the grant award, must be reviewed by the department to determine whether the grant should be terminated. The department shall promptly close out grants when projects have been completed, and any remaining funds available to the office of transit mobility must be used only to fund projects identified in LEAP Transportation Document 2009-B, as developed April 24, 2009. The department shall provide annual status reports on December 15, 2009, and December 15, 2010, to the office of financial management and the transportation committees of the legislature regarding the projects receiving the grants. It is the intent of the legislature to appropriate funds through the regional mobility grant program only for projects that will be completed on schedule.

(7) $300,000 of the multimodal transportation account—state appropriation is provided solely for a transportation demand management program, developed by the Whatcom council of governments, to further reduce drive-alone trips and maximize the use of sustainable transportation choices. The community-based program must focus on all trips, not only commute trips, by providing education, assistance, and incentives to four target audiences: (a) Large work sites; (b) employees of businesses in downtown areas; (c) school children; and (d) residents of Bellingham.

(8) $130,000 of the multimodal transportation account—state appropriation is provided solely to the department to distribute to support Engrossed Substitute House Bill No. 2072 (special needs transportation).

(a) $80,000 of the amount provided in this subsection is provided solely for implementation of the work group related to federal requirements in section 1, chapter . . . (Engrossed Substitute House Bill No. 2072), Laws of 2009.

(b) $50,000 of the amount provided in this subsection is provided solely to support the pilot project to be developed or implemented by the local coordinating coalition comprised of a single county, described in sections 9, 10, and 11, chapter . . . (Engrossed Substitute House Bill No. 2072), Laws of 2009. The department shall assist the local coordinating coalition to seek funding sufficient to fully fund the pilot project from a variety of sources including, but not limited to, the regional transit authority serving the county, the regional transportation planning organization serving the county, and other appropriate state and federal agencies and grants. Development or implementation of the pilot project is contingent on securing funding sufficient to fully fund the pilot project.

(c) If Engrossed Substitute House Bill No. 2072 is not enacted by June 30, 2009, the amount provided in this subsection (8) lapses. If Engrossed Substitute House Bill No. 2072 is enacted by June 30, 2009, but a commitment from other sources to fully fund the pilot project described in (b) of this subsection has not
been obtained by September 30, 2009, the amount provided in (b) of this subsection lapses.

(9) Funds provided for the commute trip reduction program may also be used for the growth and transportation efficiency center program.

(10) An affected urban growth area that has not previously implemented a commute trip reduction program is exempt from the requirements in RCW 70.94.527 if a solution to address the state highway deficiency that exceeds the person hours of delay threshold has been funded and is in progress during the 2009-11 fiscal biennium.

(11) $2,309,000 of the multimodal transportation account—state appropriation is provided solely for the tri-county connection service for Island, Skagit, and Whatcom transit agencies.

NEW SECTION. Sec. 223. FOR THE DEPARTMENT OF TRANSPORTATION—MARINE—PROGRAM X

The appropriation in this section is subject to the following conditions and limitations:

(1) $53,110,560 of the Puget Sound ferry operations account—state appropriation is provided solely for auto ferry vessel operating fuel in the 2009-11 fiscal biennium. This appropriation is contingent upon the enactment of section 716 of this act.

(2) To protect the waters of Puget Sound, the department shall investigate nontoxic alternatives to fuel additives and other commercial products that are used to operate, maintain, and preserve vessels.

(3) If, after the department's review of fares and pricing policies, the department proposes a fuel surcharge, the department must evaluate other cost savings and fuel price stabilization strategies that would be implemented before the imposition of a fuel surcharge.

(4) The department shall strive to significantly reduce the number of injuries suffered by Washington state ferries employees. By December 15, 2009, the department shall submit to the office of financial management and the transportation committees of the legislature its implementation plan to reduce such injuries.

(5) The department shall continue to provide service to Sidney, British Columbia. The department may place a Sidney terminal departure surcharge on fares for out of state residents riding the Washington state ferry route that runs between Anacortes, Washington and Sidney, British Columbia, if the cost for landing/license fee, taxes, and additional amounts charged for docking are in excess of $280,000 CDN. The surcharge must be limited to recovering amounts above $280,000 CDN.

(6) The department shall analyze operational solutions to enhance service on the Bremerton to Seattle ferry run. The Washington state ferries shall report its analysis to the transportation committees of the legislature by December 1, 2009.

(7) The office of financial management budget instructions require agencies to recast enacted budgets into activities. The Washington state ferries shall include a greater level of detail in its 2011-13 omnibus transportation
appropriations act request, as determined jointly by the office of financial 
management, the Washington state ferries, and the legislative transportation 
committees.

(8) $3,000,000 of the Puget Sound ferry operations account—state 
appropriation is provided solely for commercial insurance for ferry assets. The 
office of financial management, after consultation with the transportation 
committees of the legislature, must present a business plan for the Washington 
state ferry system's insurance coverage to the 2010 legislature. The business 
plan must include a cost-benefit analysis of Washington state ferries' current 
commercial insurance purchased for ferry assets and a review of self-insurance 
for noncatastrophic events.

(9) $1,100,000 of the Puget Sound ferry operations account—state 
appropriation is provided solely for a marketing program. The department shall 
present a marketing program proposal to the transportation committees of the 
legislature during the 2010 legislative session before implementing this 
program. Of this amount, $10,000 is for the city of Port Townsend and $10,000 
is for the town of Coupeville for mitigation expenses related to only one vessel 
operating on the Port Townsend/Keystone ferry route. The moneys provided to 
the city of Port Townsend and town of Coupeville are not contingent upon the 
required marketing proposal.

(10) $350,000 of the Puget Sound ferry operations account—state 
appropriation is provided solely for two extra trips per day during the summer of 
2009 season, beyond the current schedule, on the Port Townsend/Keystone 
route.

(11) When purchasing uniforms that are required by collective bargaining 
agreements, the department shall contract with the lowest cost provider.

(12) The legislature finds that measuring the performance of Washington 
state ferries requires the measurement of quality, timeliness, and unit cost of 
services delivered to customers. Consequently, the department must develop a 
set of metrics that measure that performance and report to the transportation 
committees of the legislature and to the office of financial management on the 
development of these measurements along with recommendations to the 2010 
legislature on which measurements must become a part of the next omnibus 
transportation appropriations act.

(13) As a priority task, the department is directed to propose a 
comprehensive incident and accident investigation policy and appropriate 
procedures, and to provide the proposal to the legislature by November 1, 2009, 
using existing resources and staff expertise. In addition to consulting with ferry 
system unions and the United States coast guard, the Washington state ferries is 
couraged to solicit independent outside expertise on incident and accident 
investigation best practices as they may be found in other organizations with a 
similar concern for marine safety. It is the intent of the legislature to enact the 
policies into law and to publish that law and procedures as a manual for 
Washington state ferries' accident/incident investigations. Until that time, the 
Washington state ferry system must exercise particular diligence to assure that 
any incident or accident investigations are conducted within the spirit of the 
guidelines of this act. The proposed policy must contain, at a minimum:

(a) The definition of an incident and an accident and the type of 
investigation that is required by both types of events;
(b) The process for appointing an investigating officer or officers and a description of the authorities and responsibilities of the investigating officer or officers. The investigating officer or officers must:

(iv) Be provided with, if requested by the investigating officer or officers, appropriate outside technical expertise; and

(v) Be provided with staff and legal support by the Washington state ferries as may be appropriate to the type of investigation;

(e) The process for review, approval, and implementation of any approved recommendations within the department; and

(f) The process for keeping the public informed of the investigation and its outcomes, in compliance with any affected employee's or employees' respective collective bargaining agreement and state laws and rules regarding public disclosure under chapter 42.56 RCW.

The appropriations in this section are subject to the following conditions and limitations:

1. Except as provided otherwise in this section, the entire transportation 2003 account (nickel account) appropriation and the entire transportation partnership account appropriation are provided solely for the projects and activities as listed by fund, project, and amount in LEAP Transportation Document 2009-1 as developed April 24, 2009, Program - Highway Improvement Program (I). However, limited transfers of specific line-item project appropriations may occur between projects for those amounts listed subject to the conditions and limitations in section 603 of this act.

2. As a result of economic changes since the initial development of the improvement program budget for the 2009-11 fiscal biennium, the department has received bids on construction contracts over the last several months that are favorable with respect to current estimates of project costs. National economic forecasts indicate that inflationary pressures are likely to remain lower than previously expected for the next several years. As a result, the nominal project cost totals shown in LEAP Transportation Document 2009-1 in aggregate for the 2009-11 fiscal biennium and the 2011-13 fiscal biennium are expected to exceed the likely amount necessary to deliver the projects listed within those biennia by $63,500,000 in the 2009-11 fiscal biennium and $52,700,000 in the 2011-13 fiscal biennium. The appropriations provided in this section for the projects in those biennia are therefore $63,500,000 less in the 2009-11 fiscal biennium and $52,700,000 less in the 2011-13 fiscal biennium than the aggregate total of project costs listed. It is the intent of the legislature that the department shall deliver the projects listed in LEAP Transportation Document 2009-1 within the time, scope, and budgets identified in that document, provided that the prices of commodities used in transportation projects do not differ significantly from
those assumed for the 2009-11 and 2011-13 fiscal biennia in the March 2009 forecast of the economic and revenue forecast council.

(3) $162,900,000 of the transportation partnership account—state appropriation and $106,000,000 of the state route number 520 corridor account—state appropriation are provided solely for the state route number 520 bridge replacement and HOV project. The department shall submit an application for the eastside transit and HOV project to the supplemental discretionary grant program for regionally significant projects as provided in the American Recovery and Reinvestment Act of 2009. Eastside state route number 520 improvements shall be designed and constructed to accommodate a future full interchange at 124th Avenue Northeast. Concurrent with the eastside transit and HOV project, the department shall conduct engineering design of a full interchange at 124th Avenue Northeast. The amount provided in this subsection from the state route number 520 corridor account—state appropriation is contingent on the enactment of (a) Engrossed Substitute House Bill No. 2211 and (b) either Engrossed Substitute House Bill No. 2326 or other legislation authorizing bonds for the state route number 520 corridor projects. If the conditions of this subsection are not satisfied, the state route number 520 corridor account—state appropriation shall lapse.

(4) As required under section 305(6), chapter 518, Laws of 2007, the department shall report by January 2010 to the transportation committees of the legislature on the findings of the King county noise reduction solutions pilot project.

(5) Funding allocated for mitigation costs is provided solely for the purpose of project impact mitigation, and shall not be used to develop or otherwise participate in the environmental assessment process.

(6) The department shall apply for surface transportation program (STP) enhancement funds to be expended in lieu of or in addition to state funds for eligible costs of projects in Programs I and P including, but not limited to, the SR 518, SR 520, Columbia river crossing, and Alaskan Way viaduct projects.

(7) The department shall, on a quarterly basis beginning July 1, 2009, provide to the office of financial management and the legislature reports providing the status on each active project funded in part or whole by the transportation 2003 account (nickel account) or the transportation partnership account. Funding provided at a programmatic level for transportation partnership account and transportation 2003 account (nickel account) projects relating to bridge rail, guard rail, fish passage barrier removal, and roadside safety projects should be reported on a programmatic basis. Projects within this programmatic level funding should be completed on a priority basis and scoped to be completed within the current programmatic budget. The department shall work with the office of financial management and the transportation committees of the legislature to agree on report formatting and elements. Elements must include, but not be limited to, project scope, schedule, and costs. For new construction contracts valued at fifteen million dollars or more, the department must also use an earned value method of project monitoring. The department shall also provide the information required under this subsection on a quarterly basis via the transportation executive information systems (TEIS).
(8) The transportation 2003 account (nickel account)—state appropriation includes up to $628,000,000 in proceeds from the sale of bonds authorized by RCW 47.10.861.

(9) The transportation partnership account—state appropriation includes up to $1,360,528,000 in proceeds from the sale of bonds authorized in RCW 47.10.873.

(10) The special category C account—state appropriation includes up to $22,127,000 in proceeds from the sale of bonds authorized in RCW 47.10.812.

(11) The motor vehicle account—state appropriation includes up to $31,500,000 in proceeds from the sale of bonds authorized in RCW 47.10.843.

(12) The department must prepare a tolling study for the Columbia river crossing project. While conducting the study, the department must coordinate with the Oregon department of transportation to perform the following activities:

(a) Evaluate the potential diversion of traffic from Interstate 5 to other parts of the transportation system when tolls are implemented on Interstate 5 in the vicinity of the Columbia river;

(b) Evaluate the most advanced tolling technology to maintain travel time speed and reliability for users of the Interstate 5 bridge;

(c) Evaluate available active traffic management technology to determine the most effective options for technology that could maintain travel time speed and reliability on the Interstate 5 bridge;

(d) Confer with the project sponsor's council, as well as local and regional governing bodies adjacent to the Interstate 5 Columbia river crossing corridor and the Interstate 205 corridor regarding the implementation of tolls, the impacts that the implementation of tolls might have on the operation of the corridors, the diversion of traffic to local streets, and potential mitigation measures;

(e) Regularly report to the Washington transportation commission regarding the progress of the study for the purpose of guiding the commission's potential toll setting on the facility;

(f) Research and evaluate options for a potential toll-setting framework between the Oregon and Washington transportation commissions;

(g) Conduct public work sessions and open houses to provide information to citizens, including users of the bridge and business and freight interests, regarding implementation of tolls on the Interstate 5 and to solicit citizen views on the following items:

(i) Funding a portion of the Columbia river crossing project with tolls;

(ii) Implementing variable tolling as a way to reduce congestion on the facility; and

(iii) Tolling Interstate 205 separately as a management tool for the broader state and regional transportation system; and

(h) Provide a report to the governor and the legislature by January 2010.

operating plans, but must not include the state's oversight of railroad regulatory
compliance, rail infrastructure condition, or real property management issues.
The PCC rail system must be managed in a self-sustaining manner and best
efforts must be used to ensure that it does not require state capital or operating
subsidy beyond the level of state funding expended on it to date. The
assignment of the stated responsibilities to an intergovernmental entity or rail
district must be on terms and conditions as the department of transportation and the intergovernmental entity or rail district mutually agree. The grant funds may be used only to refurbish the rail lines. It is the intent of the legislature to make the funds appropriated in this section available as grants to an intergovernmental entity or local rail district for the purposes stated in this section at least until June 30, 2012, and to reappropriate as necessary any portion of the appropriation in this section that is not used by June 30, 2011.

(2)(a) The department shall issue a call for projects for the freight rail investment bank program and the emergent freight rail assistance program, and shall evaluate the applications according to the cost benefit methodology developed during the 2008 interim using the legislative priorities specified in (c) of this subsection. By November 1, 2010, the department shall submit a prioritized list of recommended projects to the office of financial management and the transportation committees of the legislature.

(b) When the department identifies a prospective rail project that may have strategic significance for the state, or at the request of a proponent of a prospective rail project or a member of the legislature, the department shall evaluate the prospective project according to the cost benefit methodology developed during the 2008 interim using the legislative priorities specified in (c) of this subsection. The department shall report its cost benefit evaluation of the prospective rail project, as well as the department's best estimate of an appropriate construction schedule and total project costs, to the office of financial management and the transportation committees of the legislature.

(c) The legislative priorities to be used in the cost benefit methodology are, in order of relative importance:

(i) Economic, safety, or environmental advantages of freight movement by rail compared to alternative modes;
(ii) Self-sustaining economic development that creates family-wage jobs;
(iii) Preservation of transportation corridors that would otherwise be lost;
(iv) Increased access to efficient and cost-effective transport to market for Washington's agricultural and industrial products;
(v) Better integration and cooperation within the regional, national, and international systems of freight distribution; and
(vi) Mitigation of impacts of increased rail traffic on communities.

(3) The department is directed to seek the use of unprogrammed federal rail crossing funds to be expended in lieu of or in addition to state funds for eligible costs of projects in program Y.

(4) At the earliest possible date, the department shall apply, and assist ports and local jurisdictions in applying, for any federal funding that may be available for any projects that may qualify for such federal funding. State projects must be (a) currently identified on the project list referenced in subsection (1)(a) of this section or (b) projects for which no state match is required to complete the project. Local or port projects must not require additional state funding in order to complete the project, with the exception of (c) state funds currently appropriated for such project if currently identified on the project list referenced in subsection (1)(a) of this section or (d) potential grants awarded in the competitive grant process for the essential rail assistance program. If the department receives any federal funding, the department is authorized to obligate and spend the federal funds in accordance with federal law. To the
extent permissible by federal law, federal funds may be used (e) in addition to
state funds appropriated for projects currently identified on the project list
referenced in subsection (1)(a) of this section in order to advance funding from
future biennia for such project(s) or (f) in lieu of state funds; however, the state
funds must be redirected within the rail capital program to advance funding for
other projects currently identified on the project list referenced in subsection
(1)(a) of this section. State funds may be redirected only upon consultation with
the transportation committees of the legislature and the office of financial
management, and approval by the director of the office of financial management.
The department shall spend the federal funds before the state funds, and shall
consult the office of financial management and the transportation committees of
the legislature regarding project scope changes.

(5) The department shall provide quarterly reports to the office of financial
management and the transportation committees of the legislature regarding
applications that the department submits for federal funds, the status of such
applications, and the status of projects identified on the list referenced in
subsection (1)(a) of this section. The quarterly report regarding the status of
projects identified on the list referenced in subsection (1)(a) of this section must
be developed according to an earned value method of project monitoring.

(6) The multimodal transportation account—state appropriation includes up
to $20,000,000 in proceeds from the sale of bonds authorized in RCW
47.10.867.

(7) When the balance of that portion of the miscellaneous program account
apportioned to the department for the grain train program reaches $1,180,000,
the department shall acquire twenty-nine additional grain train railcars.

IMPLEMENTING PROVISIONS

NEW SECTION. Sec. 601. INFORMATION SYSTEMS PROJECTS.
Agencies shall comply with the following requirements regarding information systems projects when specifically directed to do so by this act.

(1) Agency planning and decisions concerning information technology shall be made in the context of its information technology portfolio. "Information technology portfolio" means a strategic management approach in which the relationships between agency missions and information technology investments can be seen and understood, such that: Technology efforts are linked to agency objectives and business plans; the impact of new investments on existing infrastructure and business functions are assessed and understood before implementation; and agency activities are consistent with the development of an integrated, nonduplicative statewide infrastructure.

(2) Agencies shall use their information technology portfolios in making decisions on matters related to the following:
   (a) System refurbishment, acquisitions, and development efforts;
   (b) Setting goals and objectives for using information technology in meeting legislatively-mandated missions and business needs;
   (c) Assessment of overall information processing performance, resources, and capabilities;
   (d) Ensuring appropriate transfer of technological expertise for the operation of any new systems developed using external resources; and
   (e) Progress toward enabling electronic access to public information.

(3) Each project will be planned and designed to take optimal advantage of Internet technologies and protocols. Agencies shall ensure that the project is in compliance with the architecture, infrastructure, principles, policies, and standards of digital government as maintained by the information services board.

(4) The agency shall produce a feasibility study for information technology projects at the direction of the information services board and in accordance with published department of information services policies and guidelines. At a minimum, such studies shall include a statement of: (a) The purpose or impetus for change; (b) the business value to the agency, including an examination and evaluation of benefits, advantages, and cost; (c) a comprehensive risk assessment based on the proposed project's impact on both citizens and state operations, its visibility, and the consequences of doing nothing; (d) the impact on agency and statewide information infrastructure; and (e) the impact of the proposed enhancements to an agency's information technology capabilities on meeting service delivery demands.

(5) The agency shall produce a comprehensive management plan for each project. The plan or plans shall address all factors critical to successful completion of each project. The plan(s) shall include, but is not limited to, the following elements: A description of the problem or opportunity that the information technology project is intended to address; a statement of project objectives and assumptions; a definition and schedule of phases, tasks, and activities to be accomplished; and the estimated cost of each phase. The planning for the phased approach shall be such that the business case justification for a project needs to demonstrate how the project recovers cost or
adds measurable value or positive cost benefit to the agency's business functions within each development cycle.

(6) The agency shall produce quality assurance plans for information technology projects. Consistent with the direction of the information services board and the published policies and guidelines of the department of information services, the quality assurance plan shall address all factors critical to successful completion of the project and successful integration with the agency and state information technology infrastructure. At a minimum, quality assurance plans shall provide time and budget benchmarks against which project progress can be measured, a specification of quality assurance responsibilities, and a statement of reporting requirements. The quality assurance plans shall set out the functionality requirements for each phase of a project.

(7) A copy of each feasibility study, project management plan, and quality assurance plan shall be provided to the department of information services, the office of financial management, and legislative fiscal committees. The plans and studies shall demonstrate a sound business case that justifies the investment of taxpayer funds on any new project, an assessment of the impact of the proposed system on the existing information technology infrastructure, the disciplined use of preventative measures to mitigate risk, and the leveraging of private-sector expertise as needed. Authority to expend any funds for individual information systems projects is conditioned on the approval of the relevant feasibility study, project management plan, and quality assurance plan by the department of information services and the office of financial management.

(8) Quality assurance status reports shall be submitted to the department of information services, the office of financial management, and legislative fiscal committees at intervals specified in the project's quality assurance plan.

*NEW SECTION. Sec. 602. Transportation agencies shall consider some or all of the following strategies to achieve savings on information technology expenditures: (a) Holistic virtualization strategies; (b) wide-area network optimization strategies; (c) replacement of traditional telephone communications systems with alternatives; and (d) migration of external voice mail systems to internal voice mail systems. Agencies shall select an experienced firm from the prequalified contractors on the department of information services ITPS master agreement to develop a consolidated strategy and plan to achieve these strategies. By December 1, 2009, agencies shall report findings, including anticipated savings for the 2010 supplemental omnibus transportation appropriations act, to the office of financial management and the transportation committees of the legislature.

*Sec. 602 was vetoed. See message at end of chapter.

NEW SECTION. Sec. 603. FUND TRANSFERS. (1) The transportation 2003 projects or improvements and the 2005 transportation partnership projects or improvements are listed in LEAP Transportation Document 2009-1 as developed April 24, 2009, which consists of a list of specific projects by fund source and amount over a sixteen year period. Current fiscal biennium funding for each project is a line item appropriation, while the outer year funding allocations represent a sixteen year plan. The department is expected to use the flexibility provided in this section to assist in the delivery and completion of all transportation partnership account and transportation 2003 (nickel) account projects on the LEAP lists referenced in this act. For the 2009-11 project
appropriations, unless otherwise provided in this act, the director of financial management may authorize a transfer of appropriation authority between projects funded with transportation 2003 account (nickel account) appropriations, transportation partnership account appropriations, or multimodal transportation account appropriations, in order to manage project spending and efficiently deliver all projects in the respective program under the following conditions and limitations:

(a) Transfers may only be made within each specific fund source referenced on the respective project list;
(b) Transfers from a project may not be made as a result of the reduction of the scope of a project, nor shall a transfer be made to support increases in the scope of a project;
(c) Each transfer between projects may only occur if the director of financial management finds that any resulting change will not hinder the completion of the projects as approved by the legislature. Until the legislature reconvenes to consider the 2010 supplemental budget, any unexpended 2007-09 appropriation balance as approved by the office of financial management, in consultation with the legislative staff of the house of representatives and senate transportation committees, may be considered when transferring funds between projects;
(d) Transfers from a project may be made if the funds appropriated to the project are in excess of the amount needed to complete the project;
(e) Transfers may not occur to projects not identified on the applicable project list, except for those projects that were expected to be completed in the 2007-09 fiscal biennium; and
(f) Transfers may not be made while the legislature is in session.

(2) At the time the department submits a request to transfer funds under this section a copy of the request shall be submitted to the transportation committees of the legislature.

(3) The office of financial management shall work with legislative staff of the house of representatives and senate transportation committees to review the requested transfers.

(4) The office of financial management shall document approved transfers and/or schedule changes in the transportation executive information system (TEIS), compare changes to the legislative baseline funding and schedules identified by project identification number identified in the LEAP lists adopted in this act, and transmit revised project lists to chairs of the transportation committees of the legislature on a quarterly basis.

NEW SECTION. Sec. 604. Executive Order number 05-05, archaeological and cultural resources, was issued effective November 10, 2005. Agencies and higher education institutions that issue grants or loans for capital projects shall comply with the requirements set forth in this executive order.

4. Provisions that require concept proposals to include at least the following information: Proposers' qualifications and experience; description of the proposed project and impact; proposed project financing; and known public benefits and opposition; and
5. Provisions that specify the process to be followed if the commission is interested in the concept proposal, which must include provisions:
   a. Requiring that information regarding the potential project would be published for a period of not less than thirty days, during which time entities could express interest in submitting a proposal;
   b. Specifying that if letters of interest were received during the thirty days, then an additional sixty days for submission of the fully detailed proposal would be allowed; and
   c. Procedures for what will happen if there are insufficient proposals submitted or if there are no letters of interest submitted in the appropriate time frame.

The commission may adopt other rules as necessary to avoid conflicts with existing laws, statutes, or contractual obligations of the state.

The commission may not accept or consider any unsolicited proposals before July 1, ((2009)) 2011.

**NEW SECTION. Sec. 703.** To the extent that any appropriation authorizes expenditures of state funds from the motor vehicle account, special category C account, Tacoma Narrows toll bridge account, transportation 2003 account (nickel account), transportation partnership account, transportation improvement account, Puget Sound capital construction account, multimodal transportation account, or other transportation capital project account in the state treasury for a state transportation program that is specified to be funded with proceeds from the sale of bonds authorized in chapter 47.10 RCW, the legislature declares that any such expenditures made prior to the issue date of the applicable transportation bonds for that state transportation program are intended to be
reimbursed from proceeds of those transportation bonds in a maximum amount equal to the amount of such appropriation.

Sec. 704. RCW 46.16.685 and 2007 c 518 s 704 are each amended to read as follows:

The license plate technology account is created in the state treasury. All receipts collected under RCW 46.01.140(4)(e)(ii) must be deposited into this account. Expenditures from this account must support current and future license plate technology and systems integration upgrades for both the department and correctional industries. Moneys in the account may be spent only after appropriation. Additionally, the moneys in this account may be used to reimburse the motor vehicle account for any appropriation made to implement the digital license plate system. During the 2007-2009 and 2009-2011 fiscal biennia, the legislature may transfer from the license plate technology account to the highway safety account such amounts as reflect the excess fund balance of the license plate technology account.

Sec. 705. RCW 47.01.380 and 2006 c 311 s 26 are each amended to read as follows:

The department shall not commence construction on any part of the state route number 520 bridge replacement and HOV project until a record of decision has been reached providing reasonable assurance that project impacts will be avoided, minimized, or mitigated as much as practicable to protect against further adverse impacts on neighborhood environmental quality as a result of repairs and improvements made to the state route number 520 bridge and its connecting roadways, and that any such impacts will be addressed through engineering design choices, mitigation measures, or a combination of both. The requirements of this section shall not apply to off-site pontoon construction supporting the state route number 520 bridge replacement and HOV project. The requirements of this section shall not apply during the 2009-2011 fiscal biennium.

Sec. 706. RCW 47.01.390 and 2007 c 518 s 705 are each amended to read as follows:

(1) Prior to commencing construction on either project, the department of transportation must complete all of the following requirements for both the Alaskan Way viaduct and Seattle Seawall replacement project, and the state route number 520 bridge replacement and HOV project: (a) In accordance with the national environmental policy act, the department must designate the preferred alternative, prepare a substantial project mitigation plan, and complete a comprehensive cost estimate review using the department's cost estimate validation process, for each project; (b) in accordance with all applicable federal highway administration planning and project management requirements, the department must prepare a project finance plan for each project that clearly identifies secured and anticipated fund sources, cash flow timing requirements, and project staging and phasing plans if applicable; and (c) the department must report these results for each project to the joint transportation committee.

(2) The requirements of this section shall not apply to (a) utility relocation work, and related activities, on the Alaskan Way viaduct and Seattle Seawall
replacement project and (b) off-site pontoon construction supporting the state route number 520 bridge replacement and HOV project.

(3) The requirements of subsection (1) of this section shall not apply during the 2007-2009 fiscal biennium.

(4) The requirements of subsection (1) of this section shall not apply during the 2009-2011 fiscal biennium.

Sec. 707. RCW 47.60.395 and 2007 c 512 s 15 are each amended to read as follows:

(1) The joint legislative audit and review committee shall assess and report as follows:

(a) Audit the implementation of the cost allocation methodology evaluated under [section 205,] chapter 518, Laws of 2007, as it exists on July 22, 2007, assessing whether actual costs are allocated consistently with the methodology, whether there are sufficient internal controls to ensure proper allocation, and the adequacy of staff training; and

(b) Review the assignment of preservation costs and improvement costs for fiscal year 2009 to determine whether:

(i) The costs are capital costs;

(ii) The costs meet the statutory requirements for preservation activities and for improvement activities; and

(iii) Improvement costs are within the scope of legislative appropriations.

(2) The report on the evaluations in this section is due by January 31, 2010.

(3) This section expires December 31, 2010.

(4) The requirements of this section shall not apply during the 2009-2011 fiscal biennium.

Sec. 708. RCW 88.16.090 and 2008 c 128 s 4 are each amended to read as follows:

(1) A person may pilot any vessel subject to this chapter on waters covered by this chapter only if licensed to pilot such vessels on such waters under this chapter.

(2)(a) A person is eligible to be licensed as a pilot or a pilot trainee if the person:

(i) Is a citizen of the United States;

(ii) Is over the age of twenty-five years and under the age of seventy years;

(iii)(A) Holds at the time of application, as a minimum, a United States government license as master of steam or motor vessels of not more than one thousand six hundred gross register tons (three thousand international tonnage convention tons) upon oceans, near coastal waters, or inland waters; or the then most equivalent federal license as determined by the board; any such license to have been held by the applicant for a period of at least two years before application;

(B) Holds at the time of licensure as a pilot, after successful completion of the board-required training program, a first class United States endorsement without restrictions on the United States government license for the pilotage district in which the pilot applicant desires to be licensed; however, all applicants for a pilot examination scheduled to be given before July 1, 2008, must have the United States pilotage endorsement at the time of application; and
(C) The board may require that applicants and pilots have federal licenses and endorsements as it deems appropriate; and

(iv) Successfully completes a board-specified training program.

(b) In addition to the requirements of (a) of this subsection, a pilot applicant must meet such other qualifications as may be required by the board.

(c) A person applying for a license under this section shall not have been convicted of an offense involving drugs or the personal consumption of alcohol in the twelve months prior to the date of application. This restriction does not apply to license renewals under this section.

(3) The board may establish such other training license and pilot license requirements as it deems appropriate.

(4) Pilot applicants shall be evaluated and may be ranked for entry into a board-specified training program in a manner specified by the board based on their performance on a written examination or examinations established by the board, performance on other evaluation exercises as may be required by the board, and other criteria or qualifications as may be set by the board.

When the board determines that the demand for pilots requires entry of an applicant into the training program it shall issue a training license to that applicant, but under no circumstances may an applicant be issued a training license more than four years after taking the written entry examination. The training license authorizes the trainee to do such actions as are specified in the training program.

After the completion of the training program the board shall evaluate the trainee's performance and knowledge. The board, as it deems appropriate, may then issue a pilot license, delay the issuance of the pilot license, deny the issuance of the pilot license, or require further training and evaluation.

(5) The board may (a) appoint a special independent committee or (b) contract with private or governmental entities knowledgeable and experienced in the development, administration, and grading of licensing examinations or simulator evaluations for marine pilots, or (c) do both. Active, licensed pilots designated by the board may participate in the development, administration, and grading of examinations and other evaluation exercises. If the board does appoint a special examination or evaluation development committee, it is authorized to pay the members of the committee the same compensation and travel expenses as received by members of the board. Any person who willfully gives advance knowledge of information contained on a pilot examination or other evaluation exercise is guilty of a gross misdemeanor.

(6) This subsection applies to the review of a pilot applicant's written examinations and evaluation exercises to qualify to be placed on a waiting list to become a pilot trainee. Failure to comply with the process set forth in this subsection renders the results of the pilot applicant's written examinations and evaluation exercises final. A pilot applicant may seek board review, administrative review, and judicial review of the results of the written examinations and evaluation exercises in the following manner:

(a) A pilot applicant who seeks a review of the results of his or her written examinations or evaluation exercises must request from the board-appointed or board-designated examination committee an administrative review of the results of his or her written examinations or evaluation exercises as set forth by board rule.
(b) The determination of the examination committee's review of a pilot applicant's examination results becomes final after thirty days from the date of service of written notification of the committee's determination unless a full adjudicative hearing before an administrative law judge has been requested by the pilot applicant before the thirty-day period has expired, as set forth by board rule.

(c) When a full adjudicative hearing has been requested by the pilot applicant, the board shall request the appointment of an administrative law judge under chapter 34.12 RCW who has sufficient experience and familiarity with pilotage matters to be able to conduct a fair and impartial hearing. The hearing shall be governed by chapter 34.05 RCW. The administrative law judge shall issue an initial order.

(d) The initial order of the administrative law judge is final unless within thirty days of the date of service of the initial order the board or pilot applicant requests review of the initial order under chapter 34.05 RCW.

(e) The board may appoint a person to review the initial order and to prepare and enter a final order as governed by chapter 34.05 RCW and as set forth by board rule. The person appointed by the board under this subsection (6)(e) is called the board reviewing officer.

(7) Pilots are licensed under this section for a term of five years from and after the date of the issuance of their respective state licenses. Licenses must thereafter be renewed as a matter of course, unless the board withholds the license for good cause. Each pilot shall pay to the state treasurer an annual license fee in an amount set by the board by rule. Pursuant to RCW 43.135.055, the fees established under this subsection may be increased (in excess of the fiscal growth factor as provided in RCW 43.135.055) through the fiscal year ending June 30, 2011. The fees must be deposited in the pilotage account. The board may assess partially active or inactive pilots a reduced fee.

(8) All pilots and pilot trainees are subject to an annual physical examination by a physician chosen by the board. The physician shall examine the pilot's or pilot trainee's heart, blood pressure, circulatory system, lungs and respiratory system, eyesight, hearing, and such other items as may be prescribed by the board. After consultation with a physician and the United States coast guard, the board shall establish minimum health standards to ensure that pilots and pilot trainees licensed by the state are able to perform their duties. Within ninety days of the date of each annual physical examination, and after review of the physician's report, the board shall make a determination of whether the pilot or pilot trainee is fully able to carry out the duties of a pilot or pilot trainee under this chapter. The board may in its discretion check with the appropriate authority for any convictions of or information regarding offenses by a licensed pilot or pilot trainee involving drugs or the personal consumption of alcohol in the prior twelve months.

(9) The board may require vessel simulator training for a pilot trainee and shall require vessel simulator training for a licensed pilot subject to RCW 88.16.105. The board shall also require vessel simulator training in the first year of active duty for a new pilot and at least once every five years for all active pilots.

(10) The board shall prescribe, pursuant to chapter 34.05 RCW, such reporting requirements and review procedures as may be necessary to assure the
accuracy and validity of license and service claims. Willful misrepresentation of such required information by a pilot applicant shall result in disqualification of the pilot applicant.

Sec. 709. RCW 47.12.244 and 2007 c 518 s 707 are each amended to read as follows:

There is created the "advance right-of-way revolving fund" in the custody of the treasurer, into which the department is authorized to deposit directly and expend without appropriation:

1. An initial deposit of ten million dollars from the motor vehicle fund included in the department of transportation's 1991-93 budget;
2. All moneys received by the department as rental income from real properties that are not subject to federal aid reimbursement, except moneys received from rental of capital facilities properties as defined in chapter 47.13 RCW; and
3. Any federal moneys available for acquisition of right-of-way for future construction under the provisions of section 108 of Title 23, United States Code.

During the 2007-09 fiscal biennium, the legislature may transfer from the advance right-of-way revolving fund to the motor vehicle account amounts as reflect the excess fund balance of the advance right-of-way revolving fund.

Sec. 710. RCW 46.16.725 and 2008 c 72 s 2 are each amended to read as follows:

1. The creation of the board does not in any way preclude the authority of the legislature to independently propose and enact special license plate legislation.
2. The board must review and either approve or reject special license plate applications submitted by sponsoring organizations.
3. Duties of the board include but are not limited to the following:
   a. Review and approve the annual financial reports submitted by sponsoring organizations with active special license plate series and present those annual financial reports to the senate and house transportation committees;
   b. Report annually to the senate and house transportation committees on the special license plate applications that were considered by the board;
   c. Issue approval and rejection notification letters to sponsoring organizations, the department, the chairs of the senate and house of representatives transportation committees, and the legislative sponsors identified in each application. The letters must be issued within seven days of making a determination on the status of an application;
   d. Review annually the number of plates sold for each special license plate series created after January 1, 2003. The board may submit a recommendation to discontinue a special plate series to the chairs of the senate and house of representatives transportation committees;
   e. Provide policy guidance and directions to the department concerning the adoption of rules necessary to limit the number of special license plates that an organization or a governmental entity may apply for.
4. Except as provided in chapter 72, Laws of 2008, in order to assess the effects and impact of the proliferation of special license plates, the legislature declares a temporary moratorium on the issuance of any additional plates until
July 1, ((2009)) 2011. During this period of time, the special license plate review board created in RCW 46.16.705 and the department of licensing are prohibited from accepting, reviewing, processing, or approving any applications. Additionally, no special license plate may be enacted by the legislature during the moratorium, unless the proposed license plate has been approved by the board before February 15, 2005.

Sec. 711. RCW 46.68.060 and 2007 c 518 s 714 are each amended to read as follows:

There is hereby created in the state treasury a fund to be known as the highway safety fund to the credit of which shall be deposited all moneys directed by law to be deposited therein. This fund shall be used for carrying out the provisions of law relating to driver licensing, driver improvement, financial responsibility, cost of furnishing abstracts of driving records and maintaining such case records, and to carry out the purposes set forth in RCW 43.59.010. During the ((2005-2007 and)) 2007-2009 and 2009-2011 fiscal biennia, the legislature may transfer from the highway safety fund to the motor vehicle fund and the multimodal transportation account such amounts as reflect the excess fund balance of the highway safety fund.

Sec. 712. RCW 46.68.220 and 2009 c 8 s 503 are each amended to read as follows:

The department of licensing services account is created in the motor vehicle fund. All receipts from service fees received under RCW 46.01.140(4)(b) shall be deposited into the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for information and service delivery systems for the department, and for reimbursement of county licensing activities. During the 2007-2009 and 2009-2011 fiscal biennia, the legislature may transfer from the department of licensing services account such amounts as reflect the excess fund balance of the account.

Sec. 713. RCW 46.61.527 and 1994 c 141 s 1 are each amended to read as follows:

1) The secretary of transportation shall adopt standards and specifications for the use of traffic control devices in roadway construction zones on state highways. A roadway construction zone is an area where construction, repair, or maintenance work is being conducted by public employees or private contractors, on or adjacent to any public roadway. For the purpose of the pilot program referenced in section 218(2) of this act, during the 2009-2011 fiscal biennium, a roadway construction zone includes areas where public employees or private contractors are not present but where a driving condition exists that would make it unsafe to drive at higher speeds, such as, when the department is redirecting or realigning lanes on or adjacent to any public roadway pursuant to ongoing construction.

2) No person may drive a vehicle in a roadway construction zone at a speed greater than that allowed by traffic control devices.

3) A person found to have committed any infraction relating to speed restrictions in a roadway construction zone shall be assessed a monetary penalty equal to twice the penalty assessed under RCW 46.63.110. This penalty may not be waived, reduced, or suspended.
(4) A person who drives a vehicle in a roadway construction zone in such a manner as to endanger or be likely to endanger any persons or property, or who removes, evades, or intentionally strikes a traffic safety or control device is guilty of reckless endangerment of roadway workers. A violation of this subsection is a gross misdemeanor punishable under chapter 9A.20 RCW.

(5) The department shall suspend for sixty days the license or permit to drive or a nonresident driving privilege of a person convicted of reckless endangerment of roadway workers.

Sec. 714. RCW 46.63.170 and 2007 c 372 s 3 are each amended to read as follows:

(1) The use of automated traffic safety cameras for issuance of notices of infraction is subject to the following requirements:

(a) The appropriate local legislative authority must first enact an ordinance allowing for their use to detect one or more of the following: Stoplight, railroad crossing, or school speed zone violations. At a minimum, the local ordinance must contain the restrictions described in this section and provisions for public notice and signage. Cities and counties using automated traffic safety cameras before July 24, 2005, are subject to the restrictions described in this section, but are not required to enact an authorizing ordinance.

(b) Use of automated traffic safety cameras is restricted to two-arterial intersections, railroad crossings, and school speed zones only.

(c) During the 2009-2011 fiscal biennium, automated traffic safety cameras may be used to detect speed violations for the purposes of section 201(2) of this act if the local legislative authority first enacts an ordinance authorizing the use of cameras to detect speed violations.

(d) Automated traffic safety cameras may only take pictures of the vehicle and vehicle license plate and only while an infraction is occurring. The picture must not reveal the face of the driver or of passengers in the vehicle.

(((d)) (e) A notice of infraction must be mailed to the registered owner of the vehicle within fourteen days of the violation, or to the renter of a vehicle within fourteen days of establishing the renter's name and address under subsection (3)(a) of this section. The law enforcement officer issuing the notice of infraction shall include with it a certificate or facsimile thereof, based upon inspection of photographs, microphotographs, or electronic images produced by an automated traffic safety camera, stating the facts supporting the notice of infraction. This certificate or facsimile is prima facie evidence of the facts contained in it and is admissible in a proceeding charging a violation under this chapter. The photographs, microphotographs, or electronic images evidencing the violation must be available for inspection and admission into evidence in a proceeding to adjudicate the liability for the infraction. A person receiving a notice of infraction based on evidence detected by an automated traffic safety camera may respond to the notice by mail.

(((e))) (f) The registered owner of a vehicle is responsible for an infraction under RCW 46.63.030(1)(e) unless the registered owner overcomes the presumption in RCW 46.63.075, or, in the case of a rental car business, satisfies the conditions under subsection (3) of this section. If appropriate under the circumstances, a renter identified under subsection (3)(a) of this section is responsible for an infraction.
((6)) (g) Notwithstanding any other provision of law, all photographs, microphotographs, or electronic images prepared under this section are for the exclusive use of law enforcement in the discharge of duties under this section and are not open to the public and may not be used in a court in a pending action or proceeding unless the action or proceeding relates to a violation under this section. No photograph, microphotograph, or electronic image may be used for any purpose other than enforcement of violations under this section nor retained longer than necessary to enforce this section.

((6)) (h) All locations where an automated traffic safety camera is used must be clearly marked by placing signs in locations that clearly indicate to a driver that he or she is entering a zone where traffic laws are enforced by an automated traffic safety camera.

((6)) (i) If a county or city has established an authorized automated traffic safety camera program under this section, the compensation paid to the manufacturer or vendor of the equipment used must be based only upon the value of the equipment and services provided or rendered in support of the system, and may not be based upon a portion of the fine or civil penalty imposed or the revenue generated by the equipment.

(2) Infractions detected through the use of automated traffic safety cameras are not part of the registered owner's driving record under RCW 46.52.101 and 46.52.120. Additionally, infractions generated by the use of automated traffic safety cameras under this section shall be processed in the same manner as parking infractions, including for the purposes of RCW ((3.46.120)) 3.50.100, 35.20.220, 46.16.216, and 46.20.270(3). However, the amount of the fine issued for an infraction generated through the use of an automated traffic safety camera shall not exceed the amount of a fine issued for other parking infractions within the jurisdiction.

(3) If the registered owner of the vehicle is a rental car business, the law enforcement agency shall, before a notice of infraction being issued under this section, provide a written notice to the rental car business that a notice of infraction may be issued to the rental car business if the rental car business does not, within eighteen days of receiving the written notice, provide to the issuing agency by return mail:

(a) A statement under oath stating the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred; or

(b) A statement under oath that the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred because the vehicle was stolen at the time of the infraction. A statement provided under this subsection must be accompanied by a copy of a filed police report regarding the vehicle theft; or

(c) In lieu of identifying the vehicle operator, the rental car business may pay the applicable penalty.

Timely mailing of this statement to the issuing law enforcement agency relieves a rental car business of any liability under this chapter for the notice of infraction.

(4) Nothing in this section prohibits a law enforcement officer from issuing a notice of traffic infraction to a person in control of a vehicle at the time a violation occurs under RCW 46.63.030(1) (a), (b), or (c).
(5) For the purposes of this section, "automated traffic safety camera" means a device that uses a vehicle sensor installed to work in conjunction with an intersection traffic control system, a railroad grade crossing control system, or a speed measuring device, and a camera synchronized to automatically record one or more sequenced photographs, microphotographs, or electronic images of the rear of a motor vehicle at the time the vehicle fails to stop when facing a steady red traffic control signal or an activated railroad grade crossing control signal, or exceeds a speed limit in a school speed zone as detected by a speed measuring device. During the 2009-2011 fiscal biennium, an automated traffic safety camera includes a camera used to detect speed violations for the purposes of section 201(2) of this act.

(6) During the 2009-2011 fiscal biennium, this section does not apply to automated traffic safety cameras for the purposes of section 218(2) of this act.

*Sec. 715. RCW 47.12.080 and 1984 c 7 s 121 are each amended to read as follows:

(1) Except as provided otherwise in this section, the secretary of transportation may transfer and convey to the United States, its agencies or instrumentalities, to any other state agency, to any county or city or port district of this state, or to any public utility company, any unused state-owned real property under the jurisdiction of the department of transportation when, in the judgment of the secretary of transportation and the attorney general, the transfer and conveyance is consistent with public interest. Whenever the secretary makes an agreement for any such transfer or conveyance, and the attorney general concurs therein, the secretary shall execute and deliver unto the grantee a deed of conveyance, easement, or other instrument, duly acknowledged, as shall be necessary to fulfill the terms of the aforesaid agreement. All moneys paid to the state of Washington under any of the provisions hereof shall be deposited in the motor vehicle fund.

(2) Through the end of the 2009-2011 fiscal biennium, the legislature may designate property under the jurisdiction of the department as unused state-owned real property and may further designate the transfer and conveyance of the property as consistent with the public interest. Once designated under this subsection, the legislature may direct the transfer and conveyance of the property to any entity described in subsection (1) of this section for adequate consideration as deemed such by the legislature, and need not require fair market value in exchange for the property.

*Sec. 715 was vetoed. See message at end of chapter.

Sec. 716. RCW 43.19.642 and 2007 c 348 s 201 are each amended to read as follows:

(1) Effective June 1, 2006, for agencies complying with the ultra-low sulfur diesel mandate of the United States environmental protection agency for on-highway diesel fuel, agencies shall use biodiesel as an additive to ultra-low sulfur diesel fuel for lubricity, provided that the use of a lubricity additive is warranted and that the use of biodiesel is comparable in performance and cost with other available lubricity additives. The amount of biodiesel added to the ultra-low sulfur diesel fuel shall be not less than two percent.

(2) Effective June 1, 2009, state agencies are required to use a minimum of twenty percent biodiesel as compared to total volume of all diesel purchases
made by the agencies for the operation of the agencies' diesel-powered vessels, vehicles, and construction equipment.

(3) All state agencies using biodiesel fuel shall, beginning on July 1, 2006, file biannual reports with the department of general administration documenting the use of the fuel and a description of how any problems encountered were resolved.

(4) For the 2009-2011 fiscal biennium, the Washington state ferries is required to use a minimum of five percent biodiesel as compared to total volume of all diesel purchases made by the Washington state ferries for the operation of the Washington state ferries diesel-powered vessels so long as the per gallon price of diesel containing a five percent biodiesel blend level does not exceed the per gallon price of diesel by more than five percent. If the per gallon price of diesel containing a five percent biodiesel blend level exceeds the per gallon price of diesel by more than five percent, the requirements of this section do not apply to vessel fuel purchases by the Washington state ferries.

(5) By December 1, 2009, the department of general administration shall:
(a) Report to the legislature on the average true price differential for biodiesel by blend and location; and
(b) Examine alternative fuel procurement methods that work to address potential market barriers for in-state biodiesel producers and report these findings to the legislature.

Sec. 717. RCW 43.19.534 and 1993 sp.s. c 20 s 1 are each amended to read as follows:

(1) State agencies, the legislature, and departments shall purchase for their use all goods and services required by the legislature, agencies, or departments that are produced or provided in whole or in part from class II inmate work programs operated by the department of corrections through state contract. These goods and services shall not be purchased from any other source unless, upon application by the department or agency: (((1) (a)) The department of general administration finds that the articles or products do not meet the reasonable requirements of the agency or department, (((2) (b)) are not of equal or better quality, or (((3) (c)) the price of the product or service is higher than that produced by the private sector. However, the criteria contained in (((1) (a)), (((2) (b)), and (((3) (c)) of this section for purchasing goods and services from sources other than correctional industries do not apply to goods and services produced by correctional industries that primarily replace goods manufactured or services obtained from outside the state. The department of corrections and department of general administration shall adopt administrative rules that implement this section.

(2) During the 2009-2011 fiscal biennium, and in conformance with section 223(11) of this act, this section does not apply to the purchase of uniforms by the Washington state ferries.

Sec. 718. RCW 47.68.090 and 1980 c 67 s 1 are each amended to read as follows:
The department of transportation may make available its engineering and other technical services, with or without charge, to any municipality or person desiring them in connection with the planning, acquisition, construction, improvement, maintenance or operation of airports or air navigation facilities.
The department may render financial assistance by grant or loan or both to any municipality or municipalities acting jointly in the planning, acquisition, construction, improvement, maintenance, or operation of an airport owned or controlled, or to be owned or controlled by such municipality or municipalities, or to any Indian tribe recognized as such by the federal government or such tribes acting jointly in the planning, acquisition, construction, improvement, maintenance or operation of an airport, owned or controlled, or to be owned or controlled by such tribe or tribes and to be held available for the general use of the public, out of appropriations made by the legislature for such purposes. Such financial assistance may be furnished in connection with federal or other financial aid for the same purposes: PROVIDED, That no grant or loan or both shall be in excess of two hundred fifty thousand dollars, or five hundred thousand dollars during the 2009-2011 fiscal biennium, for any one project: PROVIDED FURTHER, That no grant or loan or both shall be granted unless the municipality or municipalities acting jointly, or the tribe or tribes acting jointly shall from their own funds match any funds made available by the department upon such ratio as the department may prescribe.

The department is authorized to act as agent of any municipality or municipalities acting jointly or any tribe or tribes acting jointly, upon the request of such municipality or municipalities, or such tribe or tribes in accepting, receiving, receipting for and disbursing federal moneys, and other moneys public or private, made available to finance, in whole or in part, the planning, acquisition, construction, improvement, maintenance or operation of an airport or air navigation facility; and if requested by such municipality or municipalities, or tribe or tribes, may act as its or their agent in contracting for and supervising such planning, acquisition, construction, improvement, maintenance, or operation; and all municipalities and tribes are authorized to designate the department as their agent for the foregoing purposes. The department, as principal on behalf of the state, and any municipality on its own behalf, may enter into any contracts, with each other or with the United States or with any person, which may be required in connection with a grant or loan of federal moneys for airport or air navigation facility purposes. All federal moneys accepted under this section shall be accepted and transferred or expended by the department upon such terms and conditions as are prescribed by the United States. All moneys received by the department pursuant to this section shall be deposited in the state treasury, and, unless otherwise prescribed by the authority from which such moneys were received, shall be kept in separate funds designated according to the purposes for which the moneys were made available, and held by the state in trust for such purposes. All such moneys are hereby appropriated for the purposes for which the same were made available, to be disbursed or expended in accordance with the terms and conditions upon which they were made available: PROVIDED, That any landing fee or charge imposed by any Indian tribe or tribes for the privilege of use of an airport facility planned, acquired, constructed, improved, maintained, or operated with financial assistance from the department pursuant to this section must apply equally to tribal and nontribal members: PROVIDED FURTHER, That in the event any municipality or municipalities or Indian tribe or tribes, or any distributor of aircraft fuel as defined by RCW 82.42.020 which operates in any airport facility which has received financial assistance pursuant to this

Section 215(2), page 19, Department of Transportation
This proviso requires the Department of Transportation (Department) to offer former property owners the “right of first repurchase” if the property was acquired through condemnation or threat of condemnation, and the property is to be sold as surplus because it is no longer needed for a public purpose. This proviso may hinder the Department's ability to utilize property it currently owns in future acquisition negotiations. It also may have the unintended consequence of restricting the Department's ability to get the best price for surplus property by limiting competition.

Section 215(4), page 20, Department of Transportation

"AN ACT Relating to transportation funding and appropriations."
WASHINGTON LAWS, 2009

This proviso makes an appropriation of $2,000,000 from the Water Pollution Account-State subject to passage of Substitute House Bill 1614. Since Substitute House Bill 1614 was not enacted, the appropriation lapses and this section is no longer required.

Section 217(9), page 22, Department of Transportation
This proviso makes an appropriation of $12,500,000 from the Water Pollution Account-State subject to passage of Substitute House Bill 1614. Since Substitute House Bill 1614 was not enacted, the appropriation lapses and this section is no longer required.

Section 602, pages 71-72, Department of Transportation
This section would have transportation agencies hire a consultant approved by the Department of Information Services to develop a "consolidated strategy and plan" to achieve cost savings resulting from holistic virtualization, wide area network optimization, transition to alternative telecommunications systems, and migration to internal voice mail systems. A similar proviso in the omnibus operating budget (Section 143) requires the Department of Information Services to implement some or all of these strategies and to report on the savings to the Office of Financial Management and the fiscal committees of the Legislature.

The transportation budget does not contain funding to hire contractors to develop the plan. Rather than hiring a contractor, the Department can work with the Department of Information Services to learn from its experience with these strategies.

Section 715, pages 87-88, Department of Transportation
This section would give the Legislature the ability to designate property under the jurisdiction of the Department as "unused state-owned real property," and direct the transfer and conveyance of such unused property, provided it is consistent with public interest. The Legislature could then direct the transfer and conveyance of such property to entities listed in statute as eligible recipients such as ports, utilities, other state agencies, cities, or counties. The value of such properties would be determined by the Legislature for "adequate consideration," and would not require fair market value.

While the Legislature may possess the authority to direct the Department in the transfer and conveyance of unused properties, such decisions must be guided by clear criteria. This section does not set forth sufficient safeguards to determine how unused properties would be determined, how properties would be conveyed and transferred, or how values would be assigned to such properties.

For these reasons, I have vetoed Sections 215(2), 215(4), 217(9), 602 and 715.

With the exception of Sections 215(2), 215(4), 217(9), 602 and 715, Engrossed Substitute Senate Bill 5352 is approved."

CHAPTER 471

[Substitute Senate Bill 5684]

HIGHWAY CONSTRUCTION—ENVIRONMENTAL MITIGATION

AN ACT Relating to environmental mitigation in highway construction; and adding a new section to chapter 47.01 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 47.01 RCW to read as follows:

(1) For highway construction projects where the department considers agricultural lands of long-term commercial significance, as defined in RCW 36.70A.030, in reviewing and selecting sites to meet environmental mitigation requirements under the national environmental policy act (42 U.S.C. Sec. 4321 et seq.) and chapter 43.21C RCW, the department shall, to the greatest extent possible, consider using public land first.

(2) If public lands are not available that meet the required environmental mitigation needs, the department may use other sites while making every effort
to avoid any net loss of agricultural lands that have a designation of long-term commercial significance.

Passed by the Senate March 11, 2009.
Passed by the House April 23, 2009.
Approved by the Governor May 13, 2009.
Filed in Office of Secretary of State May 18, 2009.

CHAPTER 472
[Engrossed Substitute House Bill 2211]
SR 520 BRIDGE—TOLLS

AN ACT Relating to the authorization, administration, collection, and enforcement of tolls on the state route number 520 corridor; reenacting and amending RCW 43.84.092; adding new sections to chapter 47.56 RCW; creating a new section; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. It is the intent of the legislature that the state authorize early tolling on the state route number 520 corridor in order to secure the authority to spend federal grant moneys provided to Washington state as part of the urban partnership grant program.

It is further the intent of the legislature to impose tolls on the state route number 520 floating bridge subject to section 2 of this act, to help finance construction of the replacement state route number 520 floating bridge and necessary landings.

It is further the intent of the legislature to expedite the replacement of the floating bridge and necessary landings in a manner that does not preclude local design options on either side of the state route number 520 corridor. For all projects in the state route number 520 corridor program, the legislature intends that the total cost will be no more than four billion six hundred fifty million dollars.

It is further the intent of the legislature that if the tolls on the state route number 520 corridor significantly alter the performance of nearby facilities, the legislature will reconsider the tolling policy for the corridor.

It is further the intent of the legislature that the department of transportation applies for federal stimulus funds for projects in the corridor.

NEW SECTION. Sec. 2. A new section is added to chapter 47.56 RCW under the subchapter heading "toll facilities created after July 1, 2008" to read as follows:

1. The initial imposition of tolls on the state route number 520 corridor is authorized, the state route number 520 corridor is designated an eligible toll facility, and toll revenue generated in the corridor must only be expended as allowed under RCW 47.56.820.

2. The state route number 520 corridor consists of that portion of state route number 520 between the junctions of Interstate 5 and state route number 202. The toll imposed by this section shall be charged only for travel on the floating bridge portion of the state route number 520 corridor.

3. (a) In setting the toll rates for the corridor pursuant to RCW 47.56.850, the tolling authority shall set a variable schedule of toll rates to maintain travel...
time, speed, and reliability on the corridor and generate the necessary revenue as required under (b) of this subsection.

(b) The tolling authority shall initially set the variable schedule of toll rates, which the tolling authority may adjust at least annually to reflect inflation as measured by the consumer price index or as necessary to meet the redemption of bonds and interest payments on the bonds, to generate revenue sufficient to provide for:

(i) The issuance of general obligation bonds first payable from toll revenue and then excise taxes on motor vehicle and special fuels pledged for the payment of those bonds in the amount necessary to fund the replacement state route number 520 floating bridge and necessary landings, subject to subsection (4) of this section; and

(ii) Costs associated with the project designated in subsection (4) of this section that are eligible under RCW 47.56.820.

(4) The proceeds of the bonds designated in subsection (3)(b)(i) of this section, which together with other appropriated and identified state and federal funds is sufficient to pay for the replacement of the floating bridge segment and necessary landings of state route number 520, must be used only to fund the construction of the replacement state route number 520 floating bridge and necessary landings.

(5) The department may carry out the construction and improvements designated in subsection (4) of this section and administer the tolling program on the state route number 520 corridor.

NEW SECTION. Sec. 3. A new section is added to chapter 47.56 RCW to read as follows:

(1)(a) The state route number 520 work group is created. The work group shall consist of the following members:

(i) The legislators from the forty-third legislative district;
(ii) The legislators from the forty-eighth legislative district;
(iii) The secretary of transportation;
(iv) Two legislators from each of the forty-sixth and forty-fifth legislative districts as jointly determined by the speaker of the house of representatives and the president of the senate;
(v) The chairs of the transportation committees of the legislature, who may each appoint one additional legislator from the joint transportation committee representing a legislative district outside of the state route number 520 corridor; and

(vi) The member of the transportation commission representing King county.

(b) The work group members shall elect two cochairs to consist of one legislative member representing the east side of the state route number 520 corridor and one legislative member representing the west side of the state route number 520 corridor. The work group shall conduct at least three meetings consisting of an initial meeting, a midcourse meeting, and a final meeting.

(2) The state route number 520 work group must:

(a) Review and recommend a financing strategy, in conjunction with the department, to fund the projects in the state route number 520 corridor that reflects the design options recommended under (b) of this subsection. The financing strategy must be based on a total cost of all the intended projects in the
state route number 520 corridor that does not exceed four billion six hundred fifty million dollars;

(b) Recommend design options that provide for a full state route number 520 corridor project, including projects in the corridor for which the department applies for federal stimulus funds provided in the American recovery and reinvestment act of 2009, that meets the needs of the region's transportation system while providing appropriate mitigation for the neighborhood and communities in the area directly impacted by the project; and

(c) Present a final report with recommendations on financing and design options to the legislature and the governor by January 1, 2010. The recommendations will inform the supplemental draft environmental impact statement process for the state route number 520 corridor. The process must continue through 2009.

(3) All design options considered or recommended by the state route number 520 work group must adhere to RCW 47.01.408.

(4) The state route number 520 work group shall form a westside subgroup to conduct a detailed review and make recommendations on design options on the west side of the corridor, which extends from the west end of the floating bridge to Interstate 5. The westside subgroup shall consult with neighborhood and community groups impacted by the potential design options. The work group may form an eastside subgroup to review current design options on the east side of the corridor, which extends from the east end of the floating bridge to state route number 202.

(5) The state route number 520 work group shall consult with the governor and legislators representing the primary users of the state route number 520 corridor.

(6) The department shall provide staff support to the state route number 520 work group.

NEW SECTION. Sec. 4. A new section is added to chapter 47.56 RCW under the subchapter heading "toll facilities created after July 1, 2008" to read as follows:

A special account to be known as the state route number 520 corridor account is created in the state treasury.

(1) Deposits to the account must include:

(a) All proceeds of bonds issued for construction of the replacement state route number 520 floating bridge and necessary landings, including any capitalized interest;

(b) All of the tolls and other revenues received from the operation of the state route number 520 corridor as a toll facility, to be deposited at least monthly;

(c) Any interest that may be earned from the deposit or investment of those revenues;

(d) Notwithstanding RCW 47.12.063, proceeds from the sale of any surplus real property acquired for the purpose of building the replacement state route number 520 floating bridge and necessary landings; and

(e) All damages, liquidated or otherwise, collected under any contract involving the construction of the replacement state route number 520 floating bridge and necessary landings.

(2) Subject to the covenants made by the state in the bond proceedings authorizing the issuance and sale of bonds for the replacement state route
number 520 floating bridge and necessary landings, toll charges, other revenues, and interest received from the operation of the state route number 520 corridor as a toll facility may be used to:

(a) Pay any required costs allowed under RCW 47.56.820; and
(b) Repay amounts to the motor vehicle fund as required.

(3) When repaying the motor vehicle fund, the state treasurer shall transfer funds from the state route number 520 corridor account to the motor vehicle fund on or before each debt service date for bonds issued for the replacement state route number 520 floating bridge project and necessary landings in an amount sufficient to repay the motor vehicle fund for amounts transferred from that fund to the highway bond retirement fund to provide for any bond principal and interest due on that date. The state treasurer may establish subaccounts for the purpose of segregating toll charges, bond sale proceeds, and other revenues.

Sec. 5. RCW 43.84.092 and 2008 c 128 s 19 and 2008 c 106 s 4 are each reenacted and amended to read as follows:

(1) All earnings of investments of surplus balances in the state treasury shall be deposited to the treasury income account, which account is hereby established in the state treasury.

(2) The treasury income account shall be utilized to pay or receive funds associated with federal programs as required by the federal cash management improvement act of 1990. The treasury income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for refunds or allocations of interest earnings required by the cash management improvement act. Refunds of interest to the federal treasury required under the cash management improvement act fall under RCW 43.88.180 and shall not require appropriation. The office of financial management shall determine the amounts due to or from the federal government pursuant to the cash management improvement act. The office of financial management may direct transfers of funds between accounts as deemed necessary to implement the provisions of the cash management improvement act, and this subsection. Refunds or allocations shall occur prior to the distributions of earnings set forth in subsection (4) of this section.

The treasury income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for payments to financial institutions. Payments shall occur prior to distribution of earnings set forth in subsection (4) of this section.

(4) Monthly, the state treasurer shall distribute the earnings credited to the treasury income account. The state treasurer shall credit the general fund with all the earnings credited to the treasury income account except:

NEW SECTION. Sec. 6. A new section is added to chapter 47.56 RCW to read as follows:

Prior to the convening of each regular session of the legislature, the transportation commission must provide the transportation committees of the legislature with a detailed report regarding any increase or decrease in any toll rate approved by the commission that has not been described in a previous report provided pursuant to this section, along with a detailed justification for each such increase or decrease.

NEW SECTION. Sec. 7. This act takes effect August 1, 2009.

Passed by the House April 25, 2009.
Passed by the Senate April 24, 2009.
Approved by the Governor May 13, 2009.
Filed in Office of Secretary of State May 18, 2009.
Sec. 1. RCW 39.08.030 and 2007 c 218 s 89 are each amended to read as follows:

(1) The bond mentioned in RCW 39.08.010 shall be in an amount equal to the full contract price agreed to be paid for such work or improvement, except under subsection (2) and (3) of this section, and shall be to the state of Washington, except as otherwise provided in RCW 39.08.100, and except in cases of cities and towns, in which cases such municipalities may by general ordinance fix and determine the amount of such bond and to whom such bond shall run: PROVIDED, The same shall not be for a less amount than twenty-five percent of the contract price of any such improvement, and may designate that the same shall be payable to such city, and not to the state of Washington, and all such persons mentioned in RCW 39.08.010 shall have a right of action in his, her, or their own name or names on such bond for work done by such laborers or mechanics, and for materials furnished or provisions and goods supplied and furnished in the prosecution of such work, or the making of such improvements: PROVIDED, That such persons shall not have any right of action on such bond for any sum whatever, unless within thirty days from and after the completion of the contract with an acceptance of the work by the affirmative action of the board, council, commission, trustees, officer, or body acting for the state, county or municipality, or other public body, city, town or district, the laborer, mechanic or subcontractor, or material supplier, or person claiming to have supplied materials, provisions or goods for the prosecution of such work, or the making of such improvement, shall present to and file with such board, council, commission, trustees or body acting for the state, county or municipality, or other public body, city, town or district, a notice in writing in substance as follows:

To (here insert the name of the state, county or municipality or other public body, city, town or district):

Notice is hereby given that the undersigned (here insert the name of the laborer, mechanic or subcontractor, or material supplier, or person claiming to have furnished labor, materials or provisions for or upon such contract or work) has a claim in the sum of . . . . . . . dollars (here insert the amount) against the bond taken from . . . . . . (here insert the name of the principal and surety or sureties upon such bond) for the work of . . . . . . (here insert a brief mention or description of the work concerning which said bond was taken).

(here to be signed) . . . . . . .

Such notice shall be signed by the person or corporation making the claim or giving the notice, and said notice, after being presented and filed, shall be a public record open to inspection by any person, and in any suit or action brought against such surety or sureties by any such person or corporation to recover for any of the items hereinbefore specified, the claimant shall be entitled to recover in addition to all other costs, attorney's fees in such sum as the court shall adjudge reasonable: PROVIDED, HOWEVER, That no attorney's fees shall be allowed in any suit or action brought or instituted before the expiration of thirty days following the date of filing of the notice hereinbefore mentioned.
Provided further, That any city may avail itself of the provisions of RCW 39.08.010 through 39.08.030, notwithstanding any charter provisions in conflict herewith: and provided further, That any city or town may impose any other or further conditions and obligations in such bond as may be deemed necessary for its proper protection in the fulfillment of the terms of the contract secured thereby, and not in conflict herewith.

(2) Under the job order contracting procedure described in RCW (39.10.130) 39.10.420, bonds will be in an amount not less than the dollar value of all open work orders.

(3)(a) On highway construction contracts administered by the department of transportation with an estimated contract price of two hundred fifty million dollars or more, the department may authorize bonds in an amount less than the full contract price of the project. If a bond less than the full contract price is authorized by the department, the bond must be in the form of a performance bond and a separate payment bond. The department shall fix the amount of the performance bond on a contract-by-contract basis to adequately protect one hundred percent of the state's exposure to loss. The amount of the performance bond must not be less than two hundred fifty million dollars. The payment bond must be in an amount fixed by the department but must not be less than the amount of the performance bond. The secretary of transportation must approve each performance bond and payment bond authorized to be less than the full contract price of a project. Before the secretary may approve any bond authorized to be less than the full contract price of a project, the office of financial management shall review and approve the analysis supporting the amount of the bond set by the department to ensure that one hundred percent of the state's exposure to loss is adequately protected. All the requirements of this chapter apply respectively to the individual performance and payment bonds. The performance bond is solely for the protection of the department. The payment bond is solely for the protection of laborers, mechanics, subcontractors, and suppliers mentioned in RCW 39.08.010.

(b) The department shall develop risk assessment guidelines and gain approval of these guidelines from the office of financial management before implementing (a) of this subsection. The guidelines must include a clear process for how the department measures the state's exposure to loss and how the performance bond amount, determined under (a) of this subsection, adequately protects one hundred percent of the state's exposure to loss.

(c) The department shall report to the house of representatives and senate transportation committees by December 1, 2012: Each project where the department authorized bonds that were less than the full contract price; the difference between the project amount and the bond requirements; the number of bidders on the project; and other information that documents the effects of the reduced bond amounts on the project.

*NEW SECTION. Sec. 2. A new section is added to chapter 39.08 RCW to read as follows:

In consultation with the director of the office of financial management and the secretary of the department of transportation, the governor shall approve any contract and bond amount authorized with respect to contracts in which the department intends to authorize bonds under RCW 39.08.030 in an amount less than the full contract price of the contract.
*Sec. 2 was vetoed. See message at end of chapter.

NEW SECTION. Sec. 3. This act expires June 30, 2016.

Passed by the Senate April 26, 2009.
Passed by the House April 25, 2009.
Approved by the Governor May 13, 2009, with the exception of certain items that were vetoed.
Filed in Office of Secretary of State May 18, 2009.

Note: Governor's explanation of partial veto is as follows:

"I am returning, without my approval as to Section 2, Substitute Senate Bill 5499 entitled:

"AN ACT Relating to bond amounts for department of transportation highway contracts."

Section 2 of this bill requires the Governor to approve any contracts in which the Washington State Department of Transportation intends to authorize bonds in an amount less than the full contract price of the contract.

Section 1 of the bill requires the Office of Financial Management to approve risk guidelines developed by the Department of Transportation prior to authorizing bonds in an amount less than the full price of the contract. Section 1 also requires the Office of Financial Management to review and approve the decision of the Secretary of Transportation to authorize a bond in an amount less than the full price of the contract prior to proceeding with the contract. Approval from the Office of Financial Management of the risk guidelines, as well as review of pending contracts constitutes sufficient oversight by the Governor's office of highway contract decisions. Requiring subsequent approval from the Governor is redundant and is not a necessary statutory requirement.

For these reasons, I have vetoed Section 2 of Substitute Senate Bill 5499.

With the exception of Section 2, Substitute Senate Bill 5499 is approved."

CHAPTER 474
[Second Substitute House Bill 1172]
REGIONAL TRANSFER OF DEVELOPMENT RIGHTS PROGRAM

AN ACT Relating to the implementation of a regional transfer of development rights program; amending RCW 43.362.005 and 43.362.010; and adding new sections to chapter 43.362 RCW.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 43.362.005 and 2007 c 482 s 1 are each amended to read as follows:

(1) The legislature finds that current concern over the rapid and increasing loss of rural, agricultural, and forested land has led to the exploration of creative approaches to preserving these important lands, and that the creation of a regional transfer of development rights marketplace will assist in conserving these lands.

(2) A transfer of development rights is a market-based exchange mechanism that encourages the voluntary transfer of development rights from places where a community would like to see less development, referred to as sending areas, to places where a community would like to see more development, referred to as receiving areas. Under this technique) sending areas with lower population densities to receiving areas with higher population densities. When development rights are transferred through a transfer of development rights exchange, permanent deed restrictions are placed on the sending area properties
to ensure that the land will be used only for approved activities (such as), activities that may include farming, forest management, conservation, or passive recreation. Additionally, in a transfer of development rights exchange, the costs of purchasing the recorded development restrictions are borne by the developers who receive the transferred right in the form of a building credit or bonus.

(3) The legislature further finds that a successful transfer of development rights program must consider housing affordable to all economic segments of the population, and economic development programs and policies in designated receiving areas. Counties, cities, and towns that decide to participate in the regional transfer of development rights program for central Puget Sound are encouraged to adopt comprehensive plan policies and development regulations to implement the program that do not compete or conflict with comprehensive plan policies and development regulations that require or encourage affordable housing. Participating cities and towns are also encouraged to use the development of receiving areas to maximize opportunities for economic development that supports the creation or retention of jobs.

(4) Participation in a regional transfer of development rights program by counties, cities, and towns should be as simple as possible.

(5) Accordingly, the legislature has determined that it is good public policy to build upon existing transfer of development rights programs, pilot projects, and private initiatives that foster effective use of transferred development rights through the creation of a market-based program that focuses on the central Puget Sound region. A regional transfer of development rights program in the central Puget Sound should be voluntary, incentive-driven, and separate, but compatible with existing local transfer of development rights programs.

Sec. 2. RCW 43.362.010 and 2007 c 482 s 2 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Receiving area ratio" means the number or character of development rights that are assigned to a development right for use in a receiving area. Development rights in a receiving area may be used at the discretion of the receiving area jurisdiction, including but not limited to additional residential density, additional building height, additional commercial floor area, or to meet regulatory requirements.

(2) "Sending area ratio" means the number of development rights that a sending area landowner can sell per acre.

(3) "By-right permitting" means that project applications for permits that use transferable development rights would be subject to administrative review. Administrative review allows a local planning official to approve a project without noticed public hearings.

(4) "Department" means the department of community, trade, and economic development.

(5) "Nongovernmental entities" includes nonprofit or membership organizations with experience or expertise in transferring development rights.

(6) "Receiving areas" are lands within and designated by a city or town in which transferable development rights from the regional program established by this chapter may be used.
(7) "Regional transfer of development rights program" or "regional program" means the regional transfer of development rights program established by section 3 of this act in central Puget Sound, including King, Pierce, Kitsap, and Snohomish counties and the cities and towns within these counties.

(8) "Sending area" includes those lands that meet conservation criteria as described in section 4 of this act.

(9) "Transferable development right" means a right to develop one or more residential units in a sending area that can be sold and transferred for use consistent with a receiving ratio adopted for development in a designated receiving area consistent with the regional program.

(10) "Transfer of development rights" includes methods for protecting land from development by voluntarily removing the development rights from a sending area and transferring them to a receiving area for the purpose of increasing development density or intensity in the receiving area.

NEW SECTION. Sec. 3. (1) Subject to the availability of funds appropriated for this specific purpose or another source of funding made available for this specific purpose, the department shall establish a regional transfer of development rights program in central Puget Sound, including King, Kitsap, Snohomish, and Pierce counties and the cities and towns within these counties. The program must be guided by the Puget Sound regional council's multicounty planning policies adopted under RCW 36.70A.210(7).

(2) The purpose of the program is to foster voluntary county, city, and town participation in the program so that interjurisdictional transfers occur between the counties, cities, and towns, including transfers from counties to cities and towns in other counties. Private transactions between buyers and sellers of transferable development rights are allowed and encouraged under this program. In fulfilling the requirements of this chapter, the department shall work with the Puget Sound regional council to implement a regional program.

(3) The department shall encourage participation by the cities, towns, and counties in the regional program. The regional program shall not be implemented in a manner that negatively impacts existing local programs. The department shall encourage and work to enhance the efforts in any of these counties, cities, or towns to develop local transfer of development rights programs or enhance existing programs.

(4) Subject to the availability of funds appropriated for this specific purpose or another source of funding made available for this specific purpose, the department shall do the following to implement a regional transfer of development rights program in central Puget Sound:

(a) Serve as the central coordinator for state government in the implementation of sections 3 through 7 of this act.

(b) Offer technical assistance to cities, towns, and counties planning for participation in the regional transfer of development rights program. The department's technical assistance shall:

(i) Include written guidance for local development and implementation of the regional transfer of development rights program;

(ii) Include guidance for and encourage permitting or environmental review incentives for developers to participate. Activities may include, but are not limited to, provision for by-right permitting, substantial environmental review of a subarea plan for the receiving area that includes the use of transferable development rights;
development rights, adoption of a categorical exemption for infill under RCW 43.21C.229 for a receiving area, or adoption of a planned action under RCW 43.21C.240;

(iii) Provide guidance to counties, cities, and towns to negotiate receiving area ratios and foster private transactions;

(iv) Provide guidance and encourage planning for receiving areas that do not compete or conflict with comprehensive plan policies and development regulations that require or encourage affordable housing; and

(v) Provide guidance and encourage planning for receiving areas that maximizes opportunities for economic development through the creation or retention of jobs.

(c) Work with counties, cities, and towns to inform elected officials, planning commissions, and the public regarding the regional transfer of development rights program. The information provided by the department shall discuss the importance of preserving farmland and farming, and forest land and forestry, to cities and towns and the local economy.

(d) Based on information provided by the counties, cities, and towns, post on a web site information regarding transfer of development rights transactions and a list of interested buyers and sellers of transferable development rights.

(e) Coordinate with and provide resources to state and local agencies and stakeholders to provide public outreach.

NEW SECTION. Sec. 4. (1) Counties shall use the following criteria to guide the designation of sending areas for participation in the regional transfer of development rights program:

(a) Land designated as agricultural or forest land of long-term commercial significance;

(b) Land designated rural that is being farmed or managed for forestry;

(c) Land whose conservation meets other state and regionally adopted priorities; and

(d) Land that is in current use as a manufactured/mobile home park as defined in chapter 59.20 RCW.

Nothing in these criteria limits a county's authority to designate additional lands as a sending area for conservation under a local county transfer of development rights program.

(2) Upon purchase of a transferable development right from land designated rural that is being farmed or managed for forestry, a county must include the land from which the right was purchased in any programs it administers for conservation of agricultural land or forest land.

(3) The designation of receiving areas is limited to incorporated cities or towns. Prior to designating a receiving area, a city or town should have adequate infrastructure planned and funding identified for development in the receiving area at densities or intensities consistent with what can be achieved under the local transfer of development rights program. Nothing in this subsection limits a city's, town's, or county's authority to designate additional lands for a receiving area under a local intrajurisdictional transfer of development rights program that is not part of the regional program.

(4) Cities and towns participating in the regional transfer of development rights program shall have discretion to determine which sending areas they receive development rights from to be used in their designated receiving areas.
(5) Designation of sending and receiving areas should include a process for public outreach consistent with the public participation requirements in chapter 36.70A RCW.

NEW SECTION. Sec. 5. (1) To facilitate participation, the department shall develop and adopt by rule terms and conditions of an interlocal agreement for transfers of development rights between counties, cities, and towns. Counties, cities, and towns participating in the regional program have the option of adopting the rule by reference to transfer development rights across jurisdictional boundaries as an alternative to entering into an interlocal agreement under chapter 39.34 RCW.

(2) This section and the rules adopted under this section shall be deemed to provide an alternative method for the implementation of a regional transfer of development rights program, and shall not be construed as imposing any additional condition upon the exercise of any other powers vested in municipalities.

(3) Nothing in this section prohibits a county, city, or town from entering into an interlocal agreement under chapter 39.34 RCW to transfer development rights under the regional program.

NEW SECTION. Sec. 6. (1) Counties, cities, and towns that choose to participate in the regional transfer of development rights program must:

(a) Enter into an interlocal agreement or adopt a resolution adopting by reference the provisions in the department rule authorized in section 5 of this act; and

(b) Adopt transfer of development rights policies or implement development regulations that:

(i) Comply with chapter 36.70A RCW;

(ii) Designate sending or receiving areas consistent with sections 3 through 7 of this act; and

(iii) Adopt a sending or receiving area ratio in cooperation with the sending or receiving jurisdiction.

(2) Cities and towns that choose to participate in the regional transfer of development rights program are encouraged to provide permitting or environmental review incentives for developers to participate. Such incentives may include, but are not limited to, provision for by-right permitting, substantial environmental review of a subarea plan for the receiving area that includes the use of transferable development rights, adoption of a categorical exemption for infill under RCW 43.21C.229 for a receiving area, or adoption of a planned action under RCW 43.21C.240.

NEW SECTION. Sec. 7. The department will develop quantitative and qualitative performance measures for monitoring the regional transfer of development rights program. The performance measures may address conservation of land and creation of compact communities, as well as other measures identified by the department. The department may require cities, towns, and counties to report on these performance measures biannually. The department shall compile any performance measure information that has been reported by the counties, cities, and towns and post it on a web site.

NEW SECTION. Sec. 8. Sections 3 through 7 of this act are each added to chapter 43.362 RCW.
CHAPTER 475
[Engrossed House Bill 1824]
YOUTH SPORTS—HEAD INJURY POLICIES

AN ACT Relating to requiring the adoption of policies for the management of concussion and head injury in youth sports; amending RCW 4.24.660; and adding a new section to chapter 28A.600 RCW.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 4.24.660 and 1999 c 316 s 3 are each amended to read as follows:

(1) A school district shall not be liable for an injury to or the death of a person due to action or inaction of persons employed by, or under contract with, a youth program if:
   (a) The action or inaction takes place on school property and during the delivery of services of the youth program;
   (b) The private nonprofit group provides proof of being insured, under an accident and liability policy issued by an insurance company authorized to do business in this state, that covers any injury or damage arising from delivery of its services. Coverage for a policy meeting the requirements of this section must be at least fifty thousand dollars due to bodily injury or death of one person, or at least one hundred thousand dollars due to bodily injury or death of two or more persons in any incident. The private nonprofit shall also provide a statement of compliance with the policies for the management of concussion and head injury in youth sports as set forth in section 2 of this act; and
   (c) The group provides proof of such insurance before the first use of the school facilities. The immunity granted shall last only as long as the insurance remains in effect.

(2) Immunity under this section does not apply to any school district before January 1, 2000.

(3) As used in this section, "youth programs" means any program or service, offered by a private nonprofit group, that is operated primarily to provide persons under the age of eighteen with opportunities to participate in services or programs.

(4) This section does not impair or change the ability of any person to recover damages for harm done by: (a) Any contractor or employee of a school district acting in his or her capacity as a contractor or employee; or (b) the existence of unsafe facilities or structures or programs of any school district.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.600 RCW to read as follows:

(1)(a) Concussions are one of the most commonly reported injuries in children and adolescents who participate in sports and recreational activities. The centers for disease control and prevention estimates that as many as three million nine hundred thousand sports-related and recreation-related concussions occur in the United States each year. A concussion is caused by a blow or
motion to the head or body that causes the brain to move rapidly inside the skull. The risk of catastrophic injuries or death are significant when a concussion or head injury is not properly evaluated and managed.

(b) Concussions are a type of brain injury that can range from mild to severe and can disrupt the way the brain normally works. Concussions can occur in any organized or unorganized sport or recreational activity and can result from a fall or from players colliding with each other, the ground, or with obstacles. Concussions occur with or without loss of consciousness, but the vast majority occurs without loss of consciousness.

c) Continuing to play with a concussion or symptoms of head injury leaves the young athlete especially vulnerable to greater injury and even death. The legislature recognizes that, despite having generally recognized return to play standards for concussion and head injury, some affected youth athletes are prematurely returned to play resulting in actual or potential physical injury or death to youth athletes in the state of Washington.

(2) Each school district's board of directors shall work in concert with the Washington interscholastic activities association to develop the guidelines and other pertinent information and forms to inform and educate coaches, youth athletes, and their parents and/or guardians of the nature and risk of concussion and head injury including continuing to play after concussion or head injury. On a yearly basis, a concussion and head injury information sheet shall be signed and returned by the youth athlete and the athlete's parent and/or guardian prior to the youth athlete's initiating practice or competition.

(3) A youth athlete who is suspected of sustaining a concussion or head injury in a practice or game shall be removed from competition at that time.

(4) A youth athlete who has been removed from play may not return to play until the athlete is evaluated by a licensed health care provider trained in the evaluation and management of concussion and receives written clearance to return to play from that health care provider. The health care provider may be a volunteer. A volunteer who authorizes a youth athlete to return to play is not liable for civil damages resulting from any act or omission in the rendering of such care, other than acts or omissions constituting gross negligence or willful or wanton misconduct.

(5) This section may be known and cited as the Zackery Lystedt law.

Passed by the House April 20, 2009.
Passed by the Senate April 2, 2009.
Approved by the Governor May 14, 2009.
Filed in Office of Secretary of State May 18, 2009.

CHAPTER 476

[Substitute House Bill 1845]

CHILD SUPPORT ORDERS—MEDICAL SUPPORT

AN ACT Relating to medical support obligations; amending RCW 26.09.105, 26.18.170, 26.18.180, 26.23.050, 26.23.110, 74.20A.300, 74.20A.055, 74.20A.056, and 74.20A.059; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 26.09.105 and 1994 c 230 s 1 are each amended to read as follows:

[ 2452 ]
(1) ((In entering or modifying)) Whenever a child support order is entered or modified under this chapter, the court shall require ((either or)) both parents to provide medical support for any child named in the order as provided in this section.

(a) Medical support consists of:
   (i) Health insurance coverage; and
   (ii) Cash medical support.

(b) Cash medical support consists of:
   (i) A parent's monthly payment toward the premium paid for coverage by either the other parent or the state, which represents the obligated parent's proportionate share of the premium paid, but no more than twenty-five percent of the obligated parent's basic support obligation; and
   (ii) A parent's proportionate share of uninsured medical expenses.

(c) Under appropriate circumstances, the court may excuse one parent from the responsibility to provide health insurance coverage or the monthly payment toward the premium.

(d) The court shall always require both parents to contribute their proportionate share of uninsured medical expenses.

(2) Both parents share the obligation to provide medical support for the child or children specified in the order, by providing health insurance coverage or contributing a cash medical support obligation when appropriate, and paying a proportionate share of any uninsured medical expenses.

(3)(a) The court may specify how medical support must be provided by each parent under subsection (4) of this section.

(b) If the court does not specify how medical support will be provided or if neither parent provides proof that he or she is providing health insurance coverage for the child at the time the support order is entered, the division of child support or either parent may enforce a parent's obligation to provide medical support under RCW 26.18.170.

(4)(a) If there is sufficient evidence provided at the time the order is entered, the court may make a determination of which parent must provide coverage and which parent must contribute a sum certain amount as his or her monthly payment toward the premium.

(b) If both parents have available health insurance coverage that is accessible to the child at the time the support order is entered, the court has discretion to order the parent with better coverage to provide the health insurance coverage for the child and the other parent to pay a monthly payment toward the premium. In making the determination of which coverage is better, the court shall consider the needs of the child, the cost and extent of each parent's coverage, and the accessibility of the coverage.

(c) Each parent shall remain responsible for his or her proportionate share of uninsured medical expenses.

(5) The order must provide that if the parties' circumstances change, the parties' medical support obligations will be enforced as provided in RCW 26.18.170.

(6) A parent who is ordered to maintain or provide health insurance coverage ((except as provided in subsection (2) of this section,)) may comply with that requirement by:
(a) Providing proof of accessible private insurance coverage for any child named in the order; or
(b) Providing coverage that can be extended to cover the child that is available to that parent through employment or that is union-related, if the cost of such coverage does not exceed twenty-five percent of that parent's basic support obligation.

The court may order a parent to provide health insurance coverage that exceeds twenty-five percent of that parent's basic support obligation if it is in the best interests of the child to provide coverage.

If the child receives state-financed medical coverage through the department under chapter 74.09 RCW for which there is an assignment, the obligated parent shall pay a monthly payment toward the premium.

Each parent is responsible for his or her proportionate share of uninsured medical expenses for the child or children covered by the support order.

The parents must maintain health insurance coverage as required under this section until:
(a) Further order of the court;
(b) The child is emancipated, if there is no express language to the contrary in the order; or
(c) Health insurance is no longer available through the parents' employer or union and no conversion privileges exist to continue coverage following termination of employment.

A parent who is required to extend health insurance coverage to a child under this section is liable for any covered health care costs for which the parent receives direct payment from an insurer.

This section shall not be construed to limit the authority of the court to enter or modify support orders containing provisions for payment of uninsured health expenses, health care costs, or insurance premiums which are in addition to and not inconsistent with this section.

A parent ordered to provide health insurance coverage must provide proof of such coverage or proof that such coverage is unavailable within twenty days of the entry of the order to:
(a) The other parent; or
(b) The department of social and health services if the parent has been notified or ordered to make support payments to the Washington state support registry.

Every order requiring a parent to provide health care or insurance coverage must be entered in compliance with RCW 26.23.050 and be subject to direct enforcement as provided under chapter 26.18 RCW.

"Health insurance coverage" as used in this section does not include medical assistance provided under chapter 74.09 RCW.

When a parent is providing health insurance coverage at the time the order is entered, the premium shall be included in the worksheets for the calculation of child support under chapter 26.19 RCW.

As used in this section:
(a) "Accessible" means health insurance coverage which provides primary care services to the child or children with reasonable effort by the custodian.

(b) "Cash medical support" means a combination of: (i) A parent's monthly payment toward the premium paid for coverage by either the other parent or the state, which represents the obligated parent's proportionate share of the premium paid, but no more than twenty-five percent of the obligated parent's basic support obligation; and (ii) a parent's proportionate share of uninsured medical expenses.

(c) "Health insurance coverage" does not include medical assistance provided under chapter 74.09 RCW.

(d) "Uninsured medical expenses" includes premiums, copays, deductibles, along with other health care costs not covered by insurance.

(e) "Obligated parent" means a parent ordered to provide health insurance coverage for the children.

(f) "Proportionate share" means an amount equal to a parent's percentage share of the combined monthly net income of both parents as computed when determining a parent's child support obligation under chapter 26.19 RCW.

(g) "Monthly payment toward the premium" means a parent's contribution toward premiums paid by the other parent or the state for insurance coverage for the child, which is based on the obligated parent's proportionate share of the premium paid, but no more than twenty-five percent of the obligated parent's basic support obligation.

(17) The department of social and health services has rule-making authority to enact rules in compliance with 45 C.F.R. Parts 302, 303, 304, 305, and 308.

Sec. 2. RCW 26.18.170 and 2007 c 143 s 1 are each amended to read as follows:

(1) Whenever a parent has been ordered to provide medical support for a dependent child ((fails to provide such coverage or lets it lapse)), the department or the other parent may seek enforcement of the medical support as provided under this section.

(a) If the obligated parent provides proof that he or she provides accessible coverage for the child through private insurance, that parent has satisfied his or her obligation to provide health insurance coverage.

(b) If the obligated parent does not provide proof of coverage, either the department or the other parent may take appropriate action as provided in this section to enforce the obligation.

(2) The department may attempt to enforce a parent's obligation to provide health insurance coverage for the dependent child. If health insurance coverage is not available through the parent's employment or union at a cost not to exceed twenty-five percent of the parent's basic support obligation, or as otherwise provided in the support order, the department may enforce any monthly payment toward the premium ordered to be provided under RCW 26.09.105 or 74.20A.300.

(3) A parent seeking to enforce another parent's monthly payment toward the premium under RCW 26.09.105 may:

(a) Apply for support enforcement services from the division of child support as provided by rule; or

(b) Take action on his or her own behalf by:

(i) Filing a motion in the underlying superior court action; or
(ii) Initiating an action in superior court to determine the amount owed by the obligated parent, if there is not already an underlying superior court action.

(4)(a) The department may serve a notice of support owed under RCW 26.23.110 on a parent to determine the amount of that parent's monthly payment toward the premium.

(b) Whether or not the child receives temporary assistance for needy families or medicaid, the department may enforce the responsible parent's monthly payment toward the premium. When the child receives state-financed medical coverage through the department under chapter 74.09 RCW for which there is an assignment, the department may disburse amounts collected to the custodial parent to be used for the medical costs of the child or the department may retain amounts collected and apply them toward the cost of providing the child's state-financed medical coverage. The department may disregard monthly payments toward the premium which are passed through to the family in accordance with federal law.

(5)(a) If the order to provide health insurance coverage contains language notifying the parent ordered to provide coverage that failure to provide such coverage or proof that such coverage is unavailable may result in direct enforcement of the order and orders payments through, or has been submitted to, the Washington state support registry for enforcement, then the department may, without further notice to the parent, send a national medical support notice pursuant to 42 U.S.C. Sec. 666(a)(19), and sections 401 (e) and (f) of the federal child support and performance incentive act of 1998 to the parent's employer or union. The notice shall be served:

(i) By regular mail;
(ii) In the manner prescribed for the service of a summons in a civil action;
(iii) By certified mail, return receipt requested; or
(iv) By electronic means if there is an agreement between the secretary of the department and the person, firm, corporation, association, political subdivision, department of the state, or agency, subdivision, or instrumentality of the United States to accept service by electronic means.

(b) The notice shall require the employer or union to enroll the child in the health insurance plan as provided in subsection (((3) (8)) of this section.

(c) The returned part A of the national medical support notice to the division of child support by the employer constitutes proof of service of the notice in the case where the notice was served by regular mail.

(((d))) (6) Upon receipt of a national medical support notice from a child support agency operating under Title IV-D of the federal social security act:

(a) The parent's employer or union shall comply with the provisions of the notice, including meeting response time frames and withholding requirements required under part A of the notice;

(b) The parent's employer or union shall also be responsible for complying with forwarding part B of the notice to the child's plan administrator, if required by the notice;

(c) The plan administrator is responsible for complying with the provisions of the notice.

(7) If the parent's order to provide health insurance coverage does not order payments through, and has not been submitted to, the Washington state support registry for enforcement:
((i)) (a) The parent seeking enforcement may, without further notice to the ((other)) obligated parent, send a certified copy of the order requiring health insurance coverage to the ((obligor's)) parent's employer or union by certified mail, return receipt requested; and

((ii)) (b) The parent seeking enforcement shall attach a notarized statement to the order declaring that the order is the latest order addressing coverage entered by the court and require the employer or union to enroll the child in the health insurance plan as provided in subsection (((3))) (8) of this section.

(((3))) (8) Upon receipt of an order that provides for health insurance coverage:

(a) The parent's employer or union shall answer the party who sent the order within twenty days and confirm that the child:
   (i) Has been enrolled in the health insurance plan;
   (ii) Will be enrolled; or
   (iii) Cannot be covered, stating the reasons why such coverage cannot be provided;

(b) The employer or union shall withhold any required premium from the parent's income or wages;

(c) If more than one plan is offered by the employer or union, and each plan may be extended to cover the child, then the child shall be enrolled in the parent's plan. If the parent's plan does not provide coverage which is accessible to the child, the child shall be enrolled in the least expensive plan otherwise available to the parent;

(d) The employer or union shall provide information about the name of the health insurance coverage provider or issuer and the extent of coverage available to the parent and shall make available any necessary claim forms or enrollment membership cards.

(((4)) Upon receipt of a national medical support notice from a child support agency operating under Title IV-D of the federal social security act:

(a) The parent's employer or union shall comply with the provisions of the notice, including meeting response time frames and withholding requirements required under part A of the notice;

(b) The parent's employer or union shall also be responsible for complying with forwarding part B of the notice to the child's plan administrator, if required by the notice;

(c) The plan administrator shall be responsible for complying with the provisions of the notice.

((5)) (9) If the order for coverage contains no language notifying either or both parents that failure to provide health insurance coverage or proof that such coverage is unavailable may result in direct enforcement of the order, the department or the parent seeking enforcement may serve a written notice of intent to enforce the order on the ((other)) obligated parent by certified mail, return receipt requested, or by personal service. If the parent required to provide medical support fails to provide written proof that such coverage has been obtained or applied for or fails to provide proof that such coverage is unavailable within twenty days of service of the notice, the department or the parent seeking enforcement may proceed to enforce the order directly as provided in subsection (((2))) (5) of this section.
If the parent ordered to provide health insurance coverage elects to provide coverage that will not be accessible to the child because of geographic or other limitations when accessible coverage is otherwise available, the department or the parent seeking enforcement may serve a written notice of intent to purchase health insurance coverage on the obligated parent ((required to provide medical support)) by certified mail, return receipt requested. The notice shall also specify the type and cost of coverage.

If the department serves a notice under subsection (((6))) (10) of this section the parent required to provide medical support shall, within twenty days of the date of service:

(a) File an application for an adjudicative proceeding; or

(b) Provide written proof to the department that the obligated parent has either applied for, or obtained, coverage accessible to the child.

If the parent seeking enforcement serves a notice under subsection (((6))) (10) of this section, within twenty days of the date of service the parent required to provide medical support shall provide written proof to the parent seeking enforcement that he or she has either applied for, or obtained, coverage accessible to the child.

If the parent required to provide medical support fails to respond to a notice served under subsection (((6))) (10) of this section to the party who served the notice, the party who served the notice may purchase the health insurance coverage specified in the notice directly.

(a) If the obligated parent is the responsible parent, the amount of the monthly premium shall be added to the support debt and be collectible without further notice.

(b) If the obligated parent is the custodial parent, the responsible parent may file an application for enforcement services and ask the department to establish and enforce the custodial parent's obligation.

(c) The amount of the monthly premium may be collected or accrued until the parent required to provide medical support provides proof of the required coverage.

The signature of the parent seeking enforcement or of a department employee shall be a valid authorization to the coverage provider or issuer for purposes of processing a payment to the child's health services provider. An order for health insurance coverage shall operate as an assignment of all benefit rights to the parent seeking enforcement or to the child's health services provider, and in any claim against the coverage provider or issuer, the parent seeking enforcement or his or her assignee shall be subrogated to the rights of the parent obligated to provide medical support for the child. Notwithstanding the provisions of this section regarding assignment of benefits, this section shall not require a health care service contractor authorized under chapter 48.44 RCW or a health maintenance organization authorized under chapter 48.46 RCW to deviate from their contractual provisions and restrictions regarding reimbursement for covered services. If the coverage is terminated, the employer shall mail a notice of termination to the department or the parent seeking enforcement at that parent's last known address within thirty days of the termination date.
This section shall not be construed to limit the right of the parents or parties to the support order to bring an action in superior court at any time to enforce, modify, or clarify the original support order.

Where a child does not reside in the issuer's service area, an issuer shall cover no less than urgent and emergent care. Where the issuer offers broader coverage, whether by policy or reciprocal agreement, the issuer shall provide such coverage to any child otherwise covered that does not reside in the issuer's service area.

If a parent required to provide medical support fails to pay his or her portion, determined under RCW 26.19.080, of any premium, deductible, copay, or uninsured medical expense incurred on behalf of the child, pursuant to a child support order, the department or the parent seeking reimbursement of medical expenses may enforce collection of the obligated parent's portion of the premium, deductible, copay, or uninsured medical expense incurred on behalf of the child.

(a) If the department is enforcing the order and the responsible parent is the obligated parent, the obligated parent's portion of the premium, deductible, copay, or uninsured medical expenses incurred on behalf of the child added to the support debt and be collectible without further notice, following the reduction of the expenses to a sum certain either in a court order or by the department, pursuant to RCW 26.23.110.

(b) If the custodial parent is the obligated parent, the responsible parent may file an application for enforcement services and ask the department to establish and enforce the custodial parent's obligation.

As used in this section:

(a) "Accessible" means health insurance coverage which provides primary care services to the child or children with reasonable effort by the custodian.

(b) "Cash medical support" means a combination of: (i) A parent's monthly payment toward the premium paid for coverage by either the other parent or the state, which represents the obligated parent's proportionate share of the premium paid, but no more than twenty-five percent of the obligated parent's basic support obligation; and (ii) a parent's proportionate share of uninsured medical expenses.

(c) "Health insurance coverage" does not include medical assistance provided under chapter 74.09 RCW.

(d) "Uninsured medical expenses" includes premiums, copays, deductibles, along with other health care costs not covered by insurance.

(e) "Obligated parent" means a parent ordered to provide health insurance coverage for the children.

(f) "Monthly payment toward the premium" means a parent's contribution toward premiums paid by the other parent or the state for insurance coverage for the child, which is based on the obligated parent's proportionate share of the premium paid, but no more than twenty-five percent of the obligated parent's basic support obligation.

The department has rule-making authority to enact rules consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19) as amended by section 7307 of the deficit reduction act of 2005. Additionally, the department has rule-making authority to implement regulations required under parts 302, 303, 304, 305, and 308.
Sec. 3. RCW 26.18.180 and 2000 c 86 s 3 are each amended to read as follows:

1. (An obligated parent's) The employer or union of a parent who has been ordered to provide health insurance coverage shall be liable for a fine of up to one thousand dollars per occurrence, if the employer or union fails or refuses, within twenty days of receiving the order or notice for health insurance coverage to:

(a) Promptly enroll the obligated parent's child in the health insurance plan; or
(b) Make a written answer to the person or entity who sent the order or notice for health insurance coverage stating that the child:
   (i) Will be enrolled in the next available open enrollment period; or
   (ii) Cannot be covered and explaining the reasons why coverage cannot be provided.

2. Liability may be established and the fine may be collected by the office of support enforcement under chapter 74.20A or 26.23 RCW using any of the remedies contained in those chapters.

3. Any employer or union who enrolls a child in a health insurance plan in compliance with chapter 26.18 RCW shall be exempt from liability resulting from such enrollment.

Sec. 4. RCW 26.23.050 and 2007 c 143 s 3 are each amended to read as follows:

1. If the division of child support is providing support enforcement services under RCW 26.23.045, or if a party is applying for support enforcement services by signing the application form on the bottom of the support order, the superior court shall include in all court orders that establish or modify a support obligation:

(a) A provision that orders and directs the responsible parent to make all support payments to the Washington state support registry;
(b) A statement that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the responsible parent at any time after entry of the court order, unless:
   (i) One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding and that withholding should be delayed until a payment is past due; or
   (ii) The parties reach a written agreement that is approved by the court that provides for an alternate arrangement;
(c) A statement that the receiving parent might be required to submit an accounting of how the support, including any cash medical support, is being spent to benefit the child;
(d) A statement that any parent required to provide health insurance coverage for the child or children covered by the order must notify the division of child support and the other parent when the coverage terminates; and
((d)) (e) A statement that the responsible parent's privileges to obtain and maintain a license, as defined in RCW 74.20A.320, may not be renewed, or may be suspended if the parent is not in compliance with a support order as provided in RCW 74.20A.320.
As used in this subsection and subsection (3) of this section, "good cause not to require immediate income withholding" means a written determination of why implementing immediate wage withholding would not be in the child's best interests and, in modification cases, proof of timely payment of previously ordered support.

(2) In all other cases not under subsection (1) of this section, the court may order the responsible parent to make payments directly to the person entitled to receive the payments, to the Washington state support registry, or may order that payments be made in accordance with an alternate arrangement agreed upon by the parties.

(a) The superior court shall include in all orders under this subsection that establish or modify a support obligation:

(i) A statement that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the responsible parent at any time after entry of the court order, unless:

(A) One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding and that withholding should be delayed until a payment is past due; or

(B) The parties reach a written agreement that is approved by the court that provides for an alternate arrangement; ((and))

(ii) A statement that the receiving parent may be required to submit an accounting of how the support is being spent to benefit the child;

(iii) A statement that any parent required to provide health insurance coverage for the child or children covered by the order must notify the division of child support and the other parent when the coverage terminates; and

(iv) A statement that a parent seeking to enforce the obligation to provide health insurance coverage may:

(A) File a motion in the underlying superior court action; or

(B) If there is not already an underlying superior court action, initiate an action in the superior court.

As used in this subsection, "good cause not to require immediate income withholding" is any reason that the court finds appropriate.

(b) The superior court may order immediate or delayed income withholding as follows:

(i) Immediate income withholding may be ordered if the responsible parent has earnings. If immediate income withholding is ordered under this subsection, all support payments shall be paid to the Washington state support registry. The superior court shall issue a mandatory wage assignment order as set forth in chapter 26.18 RCW when the support order is signed by the court. The parent entitled to receive the transfer payment is responsible for serving the employer with the order and for its enforcement as set forth in chapter 26.18 RCW.

(ii) If immediate income withholding is not ordered, the court shall require that income withholding be delayed until a payment is past due. The support order shall contain a statement that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the responsible parent, after a payment is past due.
(c) If a mandatory wage withholding order under chapter 26.18 RCW is issued under this subsection and the division of child support provides support enforcement services under RCW 26.23.045, the existing wage withholding assignment is prospectively superseded upon the division of child support's subsequent service of an income withholding notice.

(3) The office of administrative hearings and the department of social and health services shall require that all support obligations established as administrative orders include a provision which orders and directs that the responsible parent shall make all support payments to the Washington state support registry. All administrative orders shall also state that the responsible parent's privileges to obtain and maintain a license, as defined in RCW 74.20A.320, may not be renewed, or may be suspended if the parent is not in compliance with a support order as provided in RCW 74.20A.320. All administrative orders shall also state that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state without further notice to the responsible parent at any time after entry of the order, unless:

(a) One of the parties demonstrates, and the presiding officer finds, that there is good cause not to require immediate income withholding; or

(b) The parties reach a written agreement that is approved by the presiding officer that provides for an alternate agreement.

(4) If the support order does not include the provision ordering and directing that all payments be made to the Washington state support registry and a statement that withholding action may be taken against wages, earnings, assets, or benefits if a support payment is past due or at any time after the entry of the order, or that a parent's licensing privileges may not be renewed, or may be suspended, the division of child support may serve a notice on the responsible parent stating such requirements and authorizations. Service may be by personal service or any form of mail requiring a return receipt.

(5) Every support order shall state:

(a) The address where the support payment is to be sent;

(b) That withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the responsible parent at any time after entry of a support order, unless:

(i) One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding; or

(ii) The parties reach a written agreement that is approved by the court that provides for an alternate arrangement;

(c) The income of the parties, if known, or that their income is unknown and the income upon which the support award is based;

(d) The support award as a sum certain amount;

(e) The specific day or date on which the support payment is due;

(f) The names and ages of the dependent children;

(g) A provision requiring both the responsible parent and the custodial parent to keep the Washington state support registry informed of whether he or she has access to health insurance coverage at reasonable cost and, if so, the health insurance policy information;
(h) That either or both the responsible parent and the custodial parent shall be obligated to provide medical support for his or her child through health insurance coverage if:

(i) The obligated parent provides accessible coverage for the child through private insurance; or

(ii) Coverage that can be extended to cover the child is or becomes available to the parent through employment or is union-related; or

(iii) In the absence of such coverage, through an additional sum certain amount, as that parent's monthly payment toward the premium as provided under RCW 26.09.105;

(i) That a parent providing health insurance coverage must notify both the division of child support and the other parent when coverage terminates;

(j) That if proof of health insurance coverage or proof that the coverage is unavailable is not provided within twenty days, the parent seeking enforcement or the department may seek direct enforcement of the coverage through the employer or union of the parent required to provide medical support without further notice to the parent as provided under chapter 26.18 RCW;

(k) The reasons for not ordering health insurance coverage if the order fails to require such coverage;

(l) That the responsible parent's privileges to obtain and maintain a license, as defined in RCW 74.20A.320, may not be renewed, or may be suspended if the parent is not in compliance with a support order as provided in RCW 74.20A.320;

(m) That each parent must:

(i) Promptly file with the court and update as necessary the confidential information form required by subsection (7) of this section; and

(ii) Provide the state case registry and update as necessary the information required by subsection (7) of this section; and

(n) That parties to administrative support orders shall provide to the state case registry and update as necessary their residential addresses and the address of the responsible parent's employer. The division of child support may adopt rules that govern the collection of parties' current residence and mailing addresses, telephone numbers, dates of birth, social security numbers, the names of the children, social security numbers of the children, dates of birth of the children, driver's license numbers, and the names, addresses, and telephone numbers of the parties' employers to enforce an administrative support order. The division of child support shall not release this information if the division of child support determines that there is reason to believe that release of the information may result in physical or emotional harm to the party or to the child, or a restraining order or protective order is in effect to protect one party from the other party.

(6) After the responsible parent has been ordered or notified to make payments to the Washington state support registry under this section, the responsible parent shall be fully responsible for making all payments to the Washington state support registry and shall be subject to payroll deduction or other income-withholding action. The responsible parent shall not be entitled to credit against a support obligation for any payments made to a person or agency other than to the Washington state support registry except as provided under RCW 74.20.101. A civil action may be brought by the payor to recover
payments made to persons or agencies who have received and retained support moneys paid contrary to the provisions of this section.

(7) All petitioners and parties to all court actions under chapters 26.09, 26.10, 26.12, 26.18, 26.21A, 26.23, 26.26, and 26.27 RCW shall complete to the best of their knowledge a verified and signed confidential information form or equivalent that provides the parties' current residence and mailing addresses, telephone numbers, dates of birth, social security numbers, driver's license numbers, and the names, addresses, and telephone numbers of the parties' employers. The clerk of the court shall not accept petitions, except in parentage actions initiated by the state, orders of child support, decrees of dissolution, or paternity orders for filing in such actions unless accompanied by the confidential information form or equivalent, or unless the confidential information form or equivalent is already on file with the court clerk. In lieu of or in addition to requiring the parties to complete a separate confidential information form, the clerk may collect the information in electronic form. The clerk of the court shall transmit the confidential information form or its data to the division of child support with a copy of the order of child support or paternity order, and may provide copies of the confidential information form or its data and any related findings, decrees, parenting plans, orders, or other documents to the state administrative agency that administers Title IV-A, IV-D, IV-E, or XIX of the federal social security act. In state initiated paternity actions, the parties adjudicated the parents of the child or children shall complete the confidential information form or equivalent or the state's attorney of record may complete that form to the best of the attorney's knowledge.

(8) The department has rule-making authority to enact rules consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19) as amended by section 7307 of the deficit reduction act of 2005. Additionally, the department has rule-making authority to implement regulations required under ((parts 302, 303, 304, 305, and 308).

Sec. 5. RCW 26.23.110 and 2007 c 143 s 4 are each amended to read as follows:

(1) The department may serve a notice of support owed on a responsible parent when a support order:

(a) Does not state the current and future support obligation as a fixed dollar amount;

(b) Contains an escalation clause or adjustment provision for which additional information not contained in the support order is needed to determine the fixed dollar amount of the support debt or the fixed dollar amount of the current and future support obligation, or both; or

(c) Provides that the responsible parent is responsible for paying for a portion of uninsured medical costs, copayments, and/or deductibles incurred on behalf of the child, but does not reduce the costs to a fixed dollar amount.

(2) The department may serve a notice of support owed on a parent who has been designated to pay per a support order a portion of uninsured medical costs, copayments, or deductibles incurred on behalf of the child, but only when the support order does not reduce the costs to a fixed dollar amount.

(3) The department may serve a notice of support owed to determine a parent's monthly payment toward the premium as defined in RCW 26.09.105, if
(4) The notice of support owed shall facilitate enforcement of the support order and implement and effectuate the terms of the support order, rather than modify those terms. When the office of support enforcement issues a notice of support owed, the office shall inform the payee under the support order.

(5) The notice of support owed shall be served on a responsible parent by personal service or any form of mailing requiring a return receipt. The notice shall be served on the applicant or recipient of services by first-class mail to the last known address. The notice of support owed shall contain an initial finding of the fixed dollar amount of current and future support obligation that should be paid or the fixed dollar amount of the support debt owed under the support order, or both.

(6) The notice of support owed shall be served on a responsible parent by personal service or any form of mailing requiring a return receipt. The notice shall be served on the applicant or recipient of services by first-class mail to the last known address. The notice of support owed shall contain an initial finding of the fixed dollar amount of current and future support obligation that should be paid or the fixed dollar amount of the support debt owed under the support order, or both.

(7) The notice of support owed shall state that the parent may:
(a) File an application for an adjudicative proceeding governed by chapter 34.05 RCW, the administrative procedure act, in which the parent will be required to appear and show cause why the fixed dollar amount of support debt or current and future support obligation, or both, stated in the notice of support owed is incorrect and should not be ordered; or
(b) Initiate an action in superior court.

(8) If either parent does not file an application for an adjudicative proceeding or initiate an action in superior court, the fixed dollar amount of current and future support obligation or support debt, or both, stated in the notice of support owed shall become final and subject to collection action.

(9) An adjudicative order entered in accordance with this section shall state the basis, rationale, or formula upon which the fixed dollar amounts established in the adjudicative order were based. The fixed dollar amount of current and future support obligation or the amount of the support debt, or both, determined under this section shall be subject to collection under this chapter and other applicable state statutes.

(10) The department shall also provide for:
(a) An annual review of the support order if either the office of support enforcement or the parent requests such a review; and
(b) A late adjudicative proceeding if the parent fails to file an application for an adjudicative proceeding in a timely manner under this section.
If an annual review or late adjudicative proceeding is requested under subsection (((11))) (((12))) of this section, the department shall mail a copy of the notice of adjudicative proceeding to the parties' last known address.

The department has rule-making authority to enact rules consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19) as amended by section 7307 of the deficit reduction act of 2005. Additionally, the department has rule-making authority to implement regulations required under ((parts)) 45 C.F.R. Parts 302, 303, 304, 305, and 308.

Sec. 6. RCW 74.20A.300 and 1994 c 230 s 22 are each amended to read as follows:

(1) Whenever a support order is entered or modified under this chapter, the department shall require ((the responsible)) either or both parents to ((maintain or provide health insurance coverage)) provide medical support for any dependent child, in the nature of health insurance coverage or a monthly payment toward the premium, as provided under RCW 26.09.105.

(2) "Health insurance coverage" as used in this section does not include medical assistance provided under chapter 74.09 RCW.

(3) A parent ordered to provide health insurance coverage shall provide proof of such coverage or proof that such coverage is unavailable to the department within twenty days of the entry of the order.

(4) A parent required to provide health insurance coverage must notify the department and the other parent when coverage terminates.

(5) Every order requiring a parent to provide health insurance coverage shall be entered in compliance with RCW 26.23.050 and be subject to direct enforcement as provided under chapter 26.18 RCW.

Sec. 7. RCW 74.20A.055 and 2007 c 143 s 8 are each amended to read as follows:

(1) The secretary may, if there is no order that establishes the responsible parent's support obligation or specifically relieves the responsible parent of a support obligation or pursuant to an establishment of paternity under chapter 26.26 RCW, serve on the responsible parent or parents and custodial parent a notice and finding of financial responsibility requiring the parents to appear and show cause in an adjudicative proceeding why the finding of responsibility and/or the amount thereof is incorrect, should not be finally ordered, but should be rescinded or modified. This notice and finding shall relate to the support debt accrued and/or accruing under this chapter and/or RCW 26.16.205, including periodic payments to be made in the future. The hearing shall be held pursuant to this section, chapter 34.05 RCW, the Administrative Procedure Act, and the rules of the department. A custodian who has physical custody of a child has the same rights that a custodial parent has under this section.

(2) The notice and finding of financial responsibility shall be served in the same manner prescribed for the service of a summons in a civil action or may be served on the responsible parent by certified mail, return receipt requested. The receipt shall be prima facie evidence of service. The notice shall be served upon the debtor within sixty days from the date the state assumes responsibility for the support of the dependent child or children on whose behalf support is sought. If the notice is not served within sixty days from such date, the department shall lose the right to reimbursement of payments made after the sixty-day period and
before the date of notification: PROVIDED, That if the department exercises reasonable efforts to locate the debtor and is unable to do so the entire sixty-day period is tolled until such time as the debtor can be located. The notice may be served upon the custodial parent who is the nonassistance applicant or public assistance recipient by first-class mail to the last known address. If the custodial parent is not the nonassistance applicant or public assistance recipient, service shall be in the same manner as for the responsible parent.

3 The notice and finding of financial responsibility shall set forth the amount the department has determined the responsible parent owes, the support debt accrued and/or accruing, and periodic payments to be made in the future. The notice and finding shall also include:

(a) A statement of the name of the custodial parent and the name of the child or children for whom support is sought;

(b) A statement of the amount of periodic future support payments as to which financial responsibility is alleged;

(c) A statement that the responsible parent or custodial parent may object to all or any part of the notice and finding, and file an application for an adjudicative proceeding to show cause why the terms set forth in the notice should not be ordered;

(d) A statement that, if neither the responsible parent nor the custodial parent files in a timely fashion an application for an adjudicative proceeding, the support debt and payments stated in the notice and finding, including periodic support payments in the future, shall be assessed and determined and ordered by the department and that this debt and amounts due under the notice shall be subject to collection action;

(e) A statement that the property of the debtor, without further advance notice or hearing, will be subject to lien and foreclosure, distraint, seizure and sale, order to withhold and deliver, notice of payroll deduction or other collection action to satisfy the debt and enforce the support obligation established under the notice;

(f) A statement that either or both parents are responsible for providing health insurance for his or her child if coverage that can be extended to cover the child either through private health insurance which is accessible to the child or through coverage that is or becomes available to the parent through employment or is union-related, or for paying a monthly payment toward the premium if no such coverage is available, as provided under RCW 26.09.105.

4 A responsible parent or custodial parent who objects to the notice and finding of financial responsibility may file an application for an adjudicative proceeding within twenty days of the date of service of the notice or thereafter as provided under this subsection.

(a) If the responsible parent or custodial parent files the application within twenty days, the office of administrative hearings shall schedule an adjudicative proceeding to hear the parent's or parents' objection and determine the support obligation for the entire period covered by the notice and finding of financial responsibility. The filing of the application stays collection action pending the entry of a final administrative order;

(b) If both the responsible parent and the custodial parent fail to file an application within twenty days, the notice and finding shall become a final administrative order. The amounts for current and future support and the support
debt stated in the notice are final and subject to collection, except as provided under (c) and (d) of this subsection;

(c) If the responsible parent or custodial parent files the application more than twenty days after, but within one year of the date of service, the office of administrative hearings shall schedule an adjudicative proceeding to hear the parent's or parents' objection and determine the support obligation for the entire period covered by the notice and finding of financial responsibility. The filing of the application does not stay further collection action, pending the entry of a final administrative order, and does not affect any prior collection action;

(d) If the responsible parent or custodial parent files the application more than one year after the date of service, the office of administrative hearings shall schedule an adjudicative proceeding at which the parent who requested the late hearing must show good cause for failure to file a timely application. The filing of the application does not stay future collection action and does not affect prior collection action:

(i) If the presiding officer finds that good cause exists, the presiding officer shall proceed to hear the parent's objection to the notice and determine the support obligation;

(ii) If the presiding officer finds that good cause does not exist, the presiding officer shall treat the application as a petition for prospective modification of the amount for current and future support established under the notice and finding. In the modification proceeding, the presiding officer shall set current and future support under chapter 26.19 RCW. The petitioning parent need show neither good cause nor a substantial change of circumstances to justify modification of current and future support;

(e) If the responsible parent's support obligation was based upon imputed median net income, the grant standard, or the family need standard, the division of child support may file an application for adjudicative proceeding more than twenty days after the date of service of the notice. The office of administrative hearings shall schedule an adjudicative proceeding and provide notice of the hearing to the responsible parent and the custodial parent. The presiding officer shall determine the support obligation for the entire period covered by the notice, based upon credible evidence presented by the division of child support, the responsible parent, or the custodial parent, or may determine that the support obligation set forth in the notice is correct. The division of child support demonstrates good cause by showing that the responsible parent's support obligation was based upon imputed median net income, the grant standard, or the family need standard. The filing of the application by the division of child support does not stay further collection action, pending the entry of a final administrative order, and does not affect any prior collection action.

(f) The department shall retain and/or shall not refund support money collected more than twenty days after the date of service of the notice. Money withheld as the result of collection action shall be delivered to the department. The department shall distribute such money, as provided in published rules.

(5) If an application for an adjudicative proceeding is filed, the presiding or reviewing officer shall determine the past liability and responsibility, if any, of the alleged responsible parent and shall also determine the amount of periodic payments to be made in the future, which amount is not limited by the amount of any public assistance payment made to or for the benefit of the child. If
deviating from the child support schedule in making these determinations, the
presiding or reviewing officer shall apply the standards contained in the child
support schedule and enter written findings of fact supporting the deviation.

(6) If either the responsible parent or the custodial parent fails to attend or
participate in the hearing or other stage of an adjudicative proceeding, upon a
showing of valid service, the presiding officer shall enter an order of default
against each party who did not appear and may enter an administrative order
declaring the support debt and payment provisions stated in the notice and
finding of financial responsibility to be assessed and determined and subject to
collection action. The parties who appear may enter an agreed settlement or
consent order, which may be different than the terms of the department's notice.
Any party who appears may choose to proceed to the hearing, after the
conclusion of which the presiding officer or reviewing officer may enter an order
that is different than the terms stated in the notice, if the obligation is supported
by credible evidence presented by any party at the hearing.

(7) The final administrative order establishing liability and/or future
periodic support payments shall be superseded upon entry of a superior court
order for support to the extent the superior court order is inconsistent with the
administrative order.

(8) Debts determined pursuant to this section, accrued and not paid, are
subject to collection action under this chapter without further necessity of action
by a presiding or reviewing officer.

(9) The department has rule-making authority to enact rules consistent with
42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19) as amended by section
7307 of the deficit reduction act of 2005. Additionally, the department has rule-
making authority to implement regulations required under ((parts)) 45 C.F.R.
Parts 302, 303, 304, 305, and 308.

Sec. 8. RCW 74.20A.056 and 2007 c 143 s 9 are each amended to read as
follows:

(1) If an alleged father has signed an affidavit acknowledging paternity
which has been filed with the state registrar of vital statistics before July 1, 1997,
the division of child support may serve a notice and finding of parental
responsibility on him and the custodial parent. Procedures for and responsibility
resulting from acknowledgments filed after July 1, 1997, are in subsections (8)
and (9) of this section. Service of the notice shall be in the same manner as a
summons in a civil action or by certified mail, return receipt requested, on the
alleged father. The custodial parent shall be served by first-class mail to the last
known address. If the custodial parent is not the nonassistance applicant or
public assistance recipient, service shall be in the same manner as for the
responsible parent. The notice shall have attached to it a copy of the affidavit or
certification of birth record information advising of the existence of a filed
affidavit, provided by the state registrar of vital statistics, and shall state that:

(a) Either or both parents are responsible for providing health insurance for
their child either through private health insurance which is accessible to the child
or through coverage that if coverage that can be extended to cover the child is or
becomes available to the parent through employment or is union-related, or for
paying a monthly payment toward the premium if no such coverage is available,
as provided under RCW 26.09.105;
(b) The alleged father or custodial parent may file an application for an adjudicative proceeding at which they both will be required to appear and show cause why the amount stated in the notice as to support is incorrect and should not be ordered;

c) An alleged father or mother, if she is also the custodial parent, may request that a blood or genetic test be administered to determine whether such test would exclude him from being a natural parent and, if not excluded, may subsequently request that the division of child support initiate an action in superior court to determine the existence of the parent-child relationship; and

d) If neither the alleged father nor the custodial parent requests that a blood or genetic test be administered or files an application for an adjudicative proceeding, the amount of support stated in the notice and finding of parental responsibility shall become final, subject only to a subsequent determination under RCW 26.26.500 through 26.26.630 that the parent-child relationship does not exist.

(2) An alleged father or custodial parent who objects to the amount of support requested in the notice may file an application for an adjudicative proceeding up to twenty days after the date the notice was served. An application for an adjudicative proceeding may be filed within one year of service of the notice and finding of parental responsibility without the necessity for a showing of good cause or upon a showing of good cause thereafter. An adjudicative proceeding under this section shall be pursuant to RCW 74.20A.055. The only issues shall be the amount of the accrued debt, the amount of the current and future support obligation, and the reimbursement of the costs of blood or genetic tests if advanced by the department. A custodian who is not the parent of a child and who has physical custody of a child has the same notice and hearing rights that a custodial parent has under this section.

(3) If the application for an adjudicative proceeding is filed within twenty days of service of the notice, collection action shall be stayed pending a final decision by the department. If no application is filed within twenty days:

(a) The amounts in the notice shall become final and the debt created therein shall be subject to collection action; and

(b) Any amounts so collected shall neither be refunded nor returned if the alleged father is later found not to be a responsible parent.

(4) An alleged father or the mother, if she is also the custodial parent, may request that a blood or genetic test be administered at any time. The request for testing shall be in writing, or as the department may specify by rule, and served on the division of child support. If a request for testing is made, the department shall arrange for the test and, pursuant to rules adopted by the department, may advance the cost of such testing. The department shall mail a copy of the test results by certified mail, return receipt requested, to the alleged father's and mother's, if she is also the custodial parent, last known address.

(5) If the test excludes the alleged father from being a natural parent, the division of child support shall file a copy of the results with the state registrar of vital statistics and shall dismiss any pending administrative collection proceedings based upon the affidavit in issue. The state registrar of vital statistics shall remove the alleged father's name from the birth certificate and change the child's surname to be the same as the mother's maiden name as stated on the birth certificate, or any other name which the mother may select.
(6) The alleged father or mother, if she is also the custodial parent, may, within twenty days after the date of receipt of the test results, request the division of child support to initiate an action under RCW 26.26.500 through 26.26.630 to determine the existence of the parent-child relationship. If the division of child support initiates a superior court action at the request of the alleged father or mother and the decision of the court is that the alleged father is a natural parent, the parent who requested the test shall be liable for court costs incurred.

(7) If the alleged father or mother, if she is also the custodial parent, does not request the division of child support to initiate a superior court action, or fails to appear and cooperate with blood or genetic testing, the notice of parental responsibility shall become final for all intents and purposes and may be overturned only by a subsequent superior court order entered under RCW 26.26.500 through 26.26.630.

(8)(a) Subsections (1) through (7) of this section do not apply to acknowledgments of paternity filed with the state registrar of vital statistics after July 1, 1997.

(b) If an acknowledged father has signed an acknowledgment of paternity that has been filed with the state registrar of vital statistics after July 1, 1997:

(i) The division of child support may serve a notice and finding of financial responsibility under RCW 74.20A.055 based on the acknowledgment. The division of child support shall attach a copy of the acknowledgment or certification of the birth record information advising of the existence of a filed acknowledgment of paternity to the notice;

(ii) The notice shall include a statement that the acknowledged father or any other signatory may commence a proceeding in court to rescind or challenge the acknowledgment or denial of paternity under RCW 26.26.330 and 26.26.335;

(iii) A statement that either or both parents are responsible for providing health insurance for his or her child if coverage that can be extended to cover the child is or becomes available to the parent through employment or is union-related as provided under RCW 26.09.105; and

(iv) The party commencing the action to rescind or challenge the acknowledgment or denial must serve notice on the division of child support and the office of the prosecuting attorney in the county in which the proceeding is commenced. Commencement of a proceeding to rescind or challenge the acknowledgment or denial stays the establishment of the notice and finding of financial responsibility, if the notice has not yet become a final order.

(c) If neither the acknowledged father nor the other party to the notice files an application for an adjudicative proceeding or the signatories to the acknowledgment or denial do not commence a proceeding to rescind or challenge the acknowledgment of paternity, the amount of support stated in the notice and finding of financial responsibility becomes final, subject only to a subsequent determination under RCW 26.26.500 through 26.26.630 that the parent-child relationship does not exist. The division of child support does not refund nor return any amounts collected under a notice that becomes final under this section or RCW 74.20A.055, even if a court later determines that the acknowledgment is void.

(d) An acknowledged father or other party to the notice who objects to the amount of support requested in the notice may file an application for an adjudicative proceeding up to twenty days after the date the notice was served.
An application for an adjudicative proceeding may be filed within one year of service of the notice and finding of parental responsibility without the necessity for a showing of good cause or upon a showing of good cause thereafter. An adjudicative proceeding under this section shall be pursuant to RCW 74.20A.055. The only issues shall be the amount of the accrued debt and the amount of the current and future support obligation.

(i) If the application for an adjudicative proceeding is filed within twenty days of service of the notice, collection action shall be stayed pending a final decision by the department.

(ii) If the application for an adjudicative proceeding is not filed within twenty days of the service of the notice, any amounts collected under the notice shall be neither refunded nor returned if the alleged father is later found not to be a responsible parent.

(e) If neither the acknowledged father nor the custodial parent requests an adjudicative proceeding, or if no timely action is brought to rescind or challenge the acknowledgment or denial after service of the notice, the notice of financial responsibility becomes final for all intents and purposes and may be overturned only by a subsequent superior court order entered under RCW 26.26.500 through 26.26.630.

(9) Acknowledgments of paternity that are filed after July 1, 1997, are subject to requirements of chapters 26.26, the uniform parentage act, and 70.58 RCW.

(10) The department and the department of health may adopt rules to implement the requirements under this section.

(11) The department has rule-making authority to enact rules consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19) as amended by section 7307 of the deficit reduction act of 2005. Additionally, the department has rule-making authority to implement regulations required under (partie) 45 C.F.R. Parts 302, 303, 304, 305, and 308.

Sec. 9. RCW 74.20A.059 and 1991 c 367 s 47 are each amended to read as follows:

(1) The department, the physical custodian, or the responsible parent may petition for a prospective modification of a final administrative order if:

(a) The administrative order has not been superseded by a superior court order; and

(b) There has been a substantial change of circumstances, except as provided under RCW 74.20A.055(4)(d).

(2) An order of child support may be modified one year or more after it has been entered without showing a substantial change of circumstances:

(a) If the order in practice works a severe economic hardship on either party or the child; or

(b) If a party requests an adjustment in an order for child support that was based on guidelines which determined the amount of support according to the child's age, and the child is no longer in the age category on which the current support amount was based; or

(c) If a child is a full-time student and reasonably expected to complete secondary school or the equivalent level of vocational or technical training before the child becomes nineteen years of age upon a finding that there is a need to extend support beyond the eighteenth birthday.
(3) An order may be modified without showing a substantial change of circumstances if the requested modification is to:
   (a) Require medical support under RCW 26.09.105 for a child covered by the order; or
   (b) Modify an existing order for health insurance coverage.

(4) Support orders may be adjusted once every twenty-four months based upon changes in the income of the parents without a showing of substantially changed circumstances.

(5)(a) All administrative orders entered on, before, or after September 1, 1991, may be modified based upon changes in the child support schedule established in chapter 26.19 RCW without a substantial change of circumstances. The petition may be filed based on changes in the child support schedule after twelve months has expired from the entry of the administrative order or the most recent modification order setting child support, whichever is later. However, if a party is granted relief under this provision, twenty-four months must pass before another petition for modification may be filed pursuant to subsection (4) of this section.

   (b) If, pursuant to subsection (4) of this section or (a) of this subsection, the order modifies a child support obligation by more than thirty percent and the change would cause significant hardship, the change may be implemented in two equal increments, one at the time of the entry of the order and the second six months from the entry of the order. Twenty-four months must pass following the second change before a petition for modification under subsection (4) of this section may be filed.

(6) An increase in the wage or salary of the parent or custodian who is receiving the support transfer payments (as defined in section 24 of this act) is not a substantial change in circumstances for purposes of modification under subsection (1)(b) of this section. An obligor’s voluntary unemployment or voluntary underemployment, by itself, is not a substantial change of circumstances.

(7) The department shall file the petition and a supporting affidavit with the secretary or the secretary’s designee when the department petitions for modification.

(8) The responsible parent or the physical custodian shall follow the procedures in this chapter for filing an application for an adjudicative proceeding to petition for modification.

(9) Upon the filing of a proper petition or application, the secretary or the secretary’s designee shall issue an order directing each party to appear and show cause why the order should not be modified.

(10) If the presiding or reviewing officer finds a modification is appropriate, the officer shall modify the order and set current and future support under chapter 26.19 RCW.

NEW SECTION. Sec. 10. This act takes effect October 1, 2009.

Passed by the House April 24, 2009.
Passed by the Senate April 23, 2009.
Approved by the Governor May 14, 2009.
Filed in Office of Secretary of State May 18, 2009.
AN ACT Relating to encouraging early and consistent engagement of parents in children's dependency matters; amending RCW 13.34.065, 13.34.145, and 13.34.180; reenacting and amending RCW 13.34.062; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that when children have been found dependent and placed in out-of-home care, the likelihood of reunification with their parents diminishes significantly after fifteen months. The legislature also finds that early and consistent parental engagement in services and participation in appropriate parent-child contact and visitation increases the likelihood of successful reunifications. The legislature intends to promote greater awareness among parents in dependency cases of the importance of active participation in services, visitation, and case planning for the child, and the risks created by failure to participate in their child's case over the long term.

Sec. 2. RCW 13.34.062 and 2007 c 413 s 4 and 2007 c 409 s 5 are each reenacted and amended to read as follows:

1. Whenever a child is taken into custody by child protective services pursuant to a court order issued under RCW 13.34.050 or when child protective services is notified that a child has been taken into custody pursuant to RCW 26.44.050 or 26.44.056, child protective services shall make reasonable efforts to inform the parent, guardian, or legal custodian of the fact that the child has been taken into custody, the reasons why the child was taken into custody, and their legal rights under this title, including the right to a shelter care hearing, as soon as possible. Notice must be provided in an understandable manner and take into consideration the parent's, guardian's, or legal custodian's primary language, level of education, and cultural issues.

2. In no event shall the notice required by this section be provided to the parent, guardian, or legal custodian more than twenty-four hours after the child has been taken into custody or twenty-four hours after child protective services has been notified that the child has been taken into custody.

3. The notice of custody and rights may be given by any means reasonably certain of notifying the parents including, but not limited to, written, telephone, or in person notification. If the initial notification is provided by a means other than writing, child protective services shall make reasonable efforts to also provide written notification.

4. The written notice of custody and rights required by this section shall be in substantially the following form:

"NOTICE

Your child has been placed in temporary custody under the supervision of Child Protective Services (or other person or agency). You have important legal rights and you must take steps to protect your interests.

1. A court hearing will be held before a judge within 72 hours of the time your child is taken into custody excluding Saturdays, Sundays, and holidays.

5. [2474]
2. You have the right to have a lawyer represent you at the hearing. Your right to representation continues after the shelter care hearing. You have the right to records the department intends to rely upon. A lawyer can look at the files in your case, talk to child protective services and other agencies, tell you about the law, help you understand your rights, and help you at hearings. If you cannot afford a lawyer, the court will appoint one to represent you. To get a court-appointed lawyer you must contact: (explain local procedure).

3. At the hearing, you have the right to speak on your own behalf, to introduce evidence, to examine witnesses, and to receive a decision based solely on the evidence presented to the judge.

4. If your hearing occurs before a court commissioner, you have the right to have the decision of the court commissioner reviewed by a superior court judge. To obtain that review, you must, within ten days after the entry of the decision of the court commissioner, file with the court a motion for revision of the decision, as provided in RCW 2.24.050.

5. You have a right to a case conference to develop a written service agreement following the shelter care hearing. The service agreement may not conflict with the court's order of shelter care. You may request that a multidisciplinary team, family group conference, or prognostic staffing be convened for your child's case. You may participate in these processes with your counsel present.

6. If your child is placed in the custody of the department of social and health services or other supervising agency, immediately following the shelter care hearing, the court will enter an order granting the department or other supervising agency the right to inspect and copy all health, medical, mental health, and education records of the child, directing health care providers to release such information without your further consent, and granting the department or supervising agency or its designee the authority and responsibility, where applicable, to:

   (1) Notify the child's school that the child is in out-of-home placement;
   (2) Enroll the child in school;
   (3) Request the school transfer records;
   (4) Request and authorize evaluation of special needs;
   (5) Attend parent or teacher conferences;
   (6) Excuse absences;
   (7) Grant permission for extracurricular activities;
   (8) Authorize medications which need to be administered during school hours and sign for medical needs that arise during school hours; and
   (9) Complete or update school emergency records.

7. If the court decides to place your child in the custody of the department of social and health services or other supervising agency, the department or agency
will create a permanency plan for your child, including a primary placement goal and secondary placement goal. The department or agency also will recommend that the court order services for your child and for you, if needed. The department or agency is required to make reasonable efforts to provide you with services to address your parenting problems, and to provide you with visitation with your child according to court orders. Failure to promptly engage in services or to maintain contact with your child may lead to the filing of a petition to terminate your parental rights.

8. Primary and secondary permanency plans are intended to run at the same time so that your child will have a permanent home as quickly as possible. Absent good cause, and when appropriate, the department or other supervising agency must follow the wishes of a natural parent regarding placement of a child. You should tell your lawyer and the court where you wish your child placed immediately, including whether you want your child placed with you, with a relative, or with another suitable person. You also should tell your lawyer and the court what services you feel are necessary and your wishes regarding visitation with your child. Even if you want another parent or person to be the primary placement choice for your child, you should tell your lawyer, the department or other supervising agency, and the court if you want to be a secondary placement option, and you should comply with court orders for services and participate in visitation with your child. Early and consistent involvement in your child's case plan is important for the well-being of your child.

9. A dependency petition begins a judicial process, which, if the court finds your child dependent, could result in substantial restrictions including, the entry or modification of a parenting plan or residential schedule, nonparental custody order or decree, guardianship order, or permanent loss of your parental rights.

Upon receipt of the written notice, the parent, guardian, or legal custodian shall acknowledge such notice by signing a receipt prepared by child protective services. If the parent, guardian, or legal custodian does not sign the receipt, the reason for lack of a signature shall be written on the receipt. The receipt shall be made a part of the court's file in the dependency action.

If after making reasonable efforts to provide notification, child protective services is unable to determine the whereabouts of the parents, guardian, or legal custodian, the notice shall be delivered or sent to the last known address of the parent, guardian, or legal custodian.

(3) If child protective services is not required to give notice under this section, the juvenile court counselor assigned to the matter shall make all reasonable efforts to advise the parents, guardian, or legal custodian of the time and place of any shelter care hearing, request that they be present, and inform them of their basic rights as provided in RCW 13.34.090.

(4) Reasonable efforts to advise and to give notice, as required in this section, shall include, at a minimum, investigation of the whereabouts of the parent, guardian, or legal custodian. If such reasonable efforts are not successful, or the parent, guardian, or legal custodian does not appear at the shelter care hearing, the petitioner shall testify at the hearing or state in a declaration:
(a) The efforts made to investigate the whereabouts of, and to advise, the parent, guardian, or ((legal)) custodian; and

(b) Whether actual advice of rights was made, to whom it was made, and how it was made, including the substance of any oral communication or copies of written materials used.

Sec. 3. RCW 13.34.065 and 2008 c 267 s 2 are each amended to read as follows:

(1)(a) When a child is taken into custody, the court shall hold a shelter care hearing within seventy-two hours, excluding Saturdays, Sundays, and holidays. The primary purpose of the shelter care hearing is to determine whether the child can be immediately and safely returned home while the adjudication of the dependency is pending.

(b) Any parent, guardian, or legal custodian who for good cause is unable to attend the shelter care hearing may request that a subsequent shelter care hearing be scheduled. The request shall be made to the clerk of the court where the petition is filed prior to the initial shelter care hearing. Upon the request of the parent, the court shall schedule the hearing within seventy-two hours of the request, excluding Saturdays, Sundays, and holidays. The clerk shall notify all other parties of the hearing by any reasonable means.

(2)(a) The department of social and health services shall submit a recommendation to the court as to the further need for shelter care in all cases in which it is the petitioner. In all other cases, the recommendation shall be submitted by the juvenile court probation counselor.

(b) All parties have the right to present testimony to the court regarding the need or lack of need for shelter care.

(c) Hearsay evidence before the court regarding the need or lack of need for shelter care must be supported by sworn testimony, affidavit, or declaration of the person offering such evidence.

(3)(a) At the commencement of the hearing, the court shall notify the parent, guardian, or custodian of the following:

(i) The parent, guardian, or custodian has the right to a shelter care hearing;

(ii) The nature of the shelter care hearing, the rights of the parents, and the proceedings that will follow; and

(iii) If the parent, guardian, or custodian is not represented by counsel, the right to be represented. If the parent, guardian, or custodian is indigent, the court shall appoint counsel as provided in RCW 13.34.090; and

(b) If a parent, guardian, or legal custodian desires to waive the shelter care hearing, the court shall determine, on the record and with the parties present, whether such waiver is knowing and voluntary. A parent may not waive his or her right to the shelter care hearing unless he or she appears in court and the court determines that the waiver is knowing and voluntary. Regardless of whether the court accepts the parental waiver of the shelter care hearing, the court must provide notice to the parents of their rights required under (a) of this subsection and make the finding required under subsection (4) of this section.

(4) At the shelter care hearing the court shall examine the need for shelter care and inquire into the status of the case. The paramount consideration for the court shall be the health, welfare, and safety of the child. At a minimum, the court shall inquire into the following:
(a) Whether the notice required under RCW 13.34.062 was given to all known parents, guardians, or legal custodians of the child. The court shall make an express finding as to whether the notice required under RCW 13.34.062 was given to the parent, guardian, or legal custodian. If actual notice was not given to the parent, guardian, or legal custodian and the whereabouts of such person is known or can be ascertained, the court shall order the supervising agency or the department of social and health services to make reasonable efforts to advise the parent, guardian, or legal custodian of the status of the case, including the date and time of any subsequent hearings, and their rights under RCW 13.34.090;
(b) Whether the child can be safely returned home while the adjudication of the dependency is pending;
(c) What efforts have been made to place the child with a relative;
(d) What services were provided to the family to prevent or eliminate the need for removal of the child from the child's home;
(e) Is the placement proposed by the agency the least disruptive and most family-like setting that meets the needs of the child;
(f) Whether it is in the best interest of the child to remain enrolled in the school, developmental program, or child care the child was in prior to placement and what efforts have been made to maintain the child in the school, program, or child care if it would be in the best interest of the child to remain in the same school, program, or child care;
(g) Appointment of a guardian ad litem or attorney;
(h) Whether the child is or may be an Indian child as defined in 25 U.S.C. Sec. 1903, whether the provisions of the Indian child welfare act apply, and whether there is compliance with the Indian child welfare act, including notice to the child's tribe;
(i) Whether, as provided in RCW 26.44.063, restraining orders, or orders expelling an allegedly abusive household member from the home of a nonabusive parent, guardian, or legal custodian, will allow the child to safely remain in the home;
(j) Whether any orders for examinations, evaluations, or immediate services are needed. The court may not order a parent to undergo examinations, evaluation, or services at the shelter care hearing unless the parent agrees to the examination, evaluation, or service;
(k) The terms and conditions for parental, sibling, and family visitation.
(5)(a) The court shall release a child alleged to be dependent to the care, custody, and control of the child's parent, guardian, or legal custodian unless the court finds there is reasonable cause to believe that:
(i) After consideration of the specific services that have been provided, reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and
(ii) (A) The child has no parent, guardian, or legal custodian to provide supervision and care for such child; or
(B) The release of such child would present a serious threat of substantial harm to such child, notwithstanding an order entered pursuant to RCW 26.44.063; or
(C) The parent, guardian, or custodian to whom the child could be released has been charged with violating RCW 9A.40.060 or 9A.40.070.
(b) If the court does not release the child to his or her parent, guardian, or legal custodian, the court shall order placement with a relative, unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized or that the efforts to reunite the parent and child will be hindered. The relative must be willing and available to:

(i) Care for the child and be able to meet any special needs of the child;
(ii) Facilitate the child's visitation with siblings, if such visitation is part of the supervising agency's plan or is ordered by the court; and
(iii) Cooperate with the department in providing necessary background checks and home studies.

(c) If the child was not initially placed with a relative, and the court does not release the child to his or her parent, guardian, or legal custodian, the supervising agency shall make reasonable efforts to locate a relative pursuant to RCW 13.34.060(1). In determining placement, the court shall weigh the child's length of stay and attachment to the current provider in determining what is in the best interest of the child.

(d) If a relative is not available, the court shall order continued shelter care or order placement with another suitable person, and the court shall set forth its reasons for the order. If the court orders placement of the child with a person not related to the child and not licensed to provide foster care, the placement is subject to all terms and conditions of this section that apply to relative placements.

(e) Any placement with a relative, or other person approved by the court pursuant to this section, shall be contingent upon cooperation with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order is grounds for removal of the child from the home of the relative or other person, subject to review by the court.

(f) Uncertainty by a parent, guardian, legal custodian, relative, or other suitable person that the alleged abuser has in fact abused the child shall not, alone, be the basis upon which a child is removed from the care of a parent, guardian, or legal custodian under (a) of this subsection, nor shall it be a basis, alone, to preclude placement with a relative under (b) of this subsection or with another suitable person under (d) of this subsection.

(6)(a) A shelter care order issued pursuant to this section shall include the requirement for a case conference as provided in RCW 13.34.067. However, if the parent is not present at the shelter care hearing, or does not agree to the case conference, the court shall not include the requirement for the case conference in the shelter care order.

(b) If the court orders a case conference, the shelter care order shall include notice to all parties and establish the date, time, and location of the case conference which shall be no later than thirty days before the fact-finding hearing.

(c) The court may order another conference, case staffing, or hearing as an alternative to the case conference required under RCW 13.34.067 so long as the conference, case staffing, or hearing ordered by the court meets all requirements
under RCW 13.34.067, including the requirement of a written agreement specifying the services to be provided to the parent.

(7)(a) A shelter care order issued pursuant to this section may be amended at any time with notice and hearing thereon. The shelter care decision of placement shall be modified only upon a showing of change in circumstances. No child may be placed in shelter care for longer than thirty days without an order, signed by the judge, authorizing continued shelter care.

(b)(i) An order releasing the child on any conditions specified in this section may at any time be amended, with notice and hearing thereon, so as to return the child to shelter care for failure of the parties to conform to the conditions originally imposed.

(ii) The court shall consider whether nonconformance with any conditions resulted from circumstances beyond the control of the parent, guardian, or legal custodian and give weight to that fact before ordering return of the child to shelter care.

(8)(a) If a child is returned home from shelter care a second time in the case, or if the supervisor of the caseworker deems it necessary, the multidisciplinary team may be reconvened.

(b) If a child is returned home from shelter care a second time in the case a law enforcement officer must be present and file a report to the department.

Sec. 4. RCW 13.34.145 and 2008 c 152 s 3 are each amended to read as follows:

(1) The purpose of a permanency planning hearing is to review the permanency plan for the child, inquire into the welfare of the child and progress of the case, and reach decisions regarding the permanent placement of the child.

(a) A permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree, guardianship order, or permanent custody order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the current placement episode.

(b) Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than twelve months, as provided in this section, following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree, guardianship order, or a permanent custody order is entered, or the dependency is dismissed. Every effort shall be made to provide stability in long-term placement, and to avoid disruption of placement, unless the child is being returned home or it is in the best interest of the child.

(c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(2) No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written
permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.

(3) At the permanency planning hearing, the court shall conduct the following inquiry:

(a) If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate.

(b) In cases where the primary permanency planning goal has not been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal. The court shall review the permanency plan prepared by the agency and make explicit findings regarding each of the following:

(i) The continuing necessity for, and the safety and appropriateness of, the placement;

(ii) The extent of compliance with the permanency plan by the agency and any other service providers, the child's parents, the child, and the child's guardian, if any;

(iii) The extent of any efforts to involve appropriate service providers in addition to agency staff in planning to meet the special needs of the child and the child's parents;

(iv) The progress toward eliminating the causes for the child's placement outside of his or her home and toward returning the child safely to his or her home or obtaining a permanent placement for the child;

(v) The date by which it is likely that the child will be returned to his or her home or placed for adoption, with a guardian or in some other alternative permanent placement; and

(vi) If the child has been placed outside of his or her home for fifteen of the most recent twenty-two months, not including any period during which the child was a runaway from the out-of-home placement or the first six months of any period during which the child was returned to his or her home for a trial home visit, the appropriateness of the permanency plan, whether reasonable efforts were made by the agency to achieve the goal of the permanency plan, and the circumstances which prevent the child from any of the following:

(A) Being returned safely to his or her home;

(B) Having a petition for the involuntary termination of parental rights filed on behalf of the child;

(C) Being placed for adoption;

(D) Being placed with a guardian;

(E) Being placed in the home of a fit and willing relative of the child; or

(F) Being placed in some other alternative permanent placement, including independent living or long-term foster care.

At this hearing, the court shall order the department to file a petition seeking termination of parental rights if the child has been in out-of-home care for fifteen of the last twenty-two months since the date the dependency petition was filed unless the court makes a good cause exception as to why the filing of a termination of parental rights petition is not appropriate. Any good cause finding shall be reviewed at all subsequent hearings pertaining to the child. For purposes of this section, "good cause exception" includes but is not limited to the
following: The child is being cared for by a relative; the department has not provided to the child's family such services as the court and the department have deemed necessary for the child's safe return home; or the department has documented in the case plan a compelling reason for determining that filing a petition to terminate parental rights would not be in the child's best interests.

(c)(i) If the permanency plan identifies independent living as a goal, the court shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial, personal, social, educational, and nonfinancial affairs prior to approving independent living as a permanency plan of care.

(ii) The permanency plan shall also specifically identify the services that will be provided to assist the child to make a successful transition from foster care to independent living.

(iii) The department shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(d) If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall also enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 74.13.280, 13.34.215(5), and 13.34.096.

(4) In all cases, at the permanency planning hearing, the court shall:

(a)(i) Order the permanency plan prepared by the agency to be implemented; or

(ii) Modify the permanency plan, and order implementation of the modified plan; and

(b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or

(ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.

(5) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

(6) Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

(7) If the court orders the child returned home, casework supervision shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.138, and the court shall determine the need for continued intervention.

(8) The juvenile court may hear a petition for permanent legal custody when: (a) The court has ordered implementation of a permanency plan that includes permanent legal custody; and (b) the party pursuing the permanent legal custody is the party identified in the permanency plan as the prospective legal custodian. During the pendency of such proceeding, the court shall conduct review hearings and further permanency planning hearings as provided in this chapter. At the conclusion of the legal guardianship or permanent legal custody proceeding, a juvenile court hearing shall be held for the purpose of determining
whether dependency should be dismissed. If a guardianship or permanent custody order has been entered, the dependency shall be dismissed.

(9) Continued juvenile court jurisdiction under this chapter shall not be a barrier to the entry of an order establishing a legal guardianship or permanent legal custody when the requirements of subsection (8) of this section are met.

(10) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

(11) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services, under this chapter, intended to effectuate the return of the child to the parent, including but not limited to, visitation rights. The court shall consider the child's relationships with siblings in accordance with RCW 13.34.130.

(12) Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter.

Sec. 5. RCW 13.34.180 and 2001 c 332 s 4 are each amended to read as follows:

(1) A petition seeking termination of a parent and child relationship may be filed in juvenile court by any party to the dependency proceedings concerning that child. Such petition shall conform to the requirements of RCW 13.34.040, shall be served upon the parties as provided in RCW 13.34.070(8), and shall allege all of the following unless subsection (2) or (3) of this section applies:

(a) That the child has been found to be a dependent child;
(b) That the court has entered a dispositional order pursuant to RCW 13.34.130;
(c) That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency;
(d) That the services ordered under RCW 13.34.136 have been expressly and understandably offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been expressly and understandably offered or provided;
(e) That there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. A parent's failure to substantially improve parental deficiencies within twelve months following entry of the dispositional order shall give rise to a rebuttable presumption that there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. The presumption shall not arise unless the petitioner makes a showing that all necessary services reasonably capable of correcting the parental deficiencies within the foreseeable future have been clearly offered or provided. In determining whether the conditions will be remedied the court may consider, but is not limited to, the following factors:

[ 2483 ]
(i) Use of intoxicating or controlled substances so as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documented multiple failed treatment attempts; (or)

(ii) Psychological incapacity or mental deficiency of the parent that is so severe and chronic as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documentation that there is no treatment that can render the parent capable of providing proper care for the child in the near future; or

(iii) Failure of the parent to have contact with the child for an extended period of time after the filing of the dependency petition if the parent was provided an opportunity to have a relationship with the child by the department or the court and received documented notice of the potential consequences of this failure, except that the actual inability of a parent to have visitation with the child including, but not limited to, mitigating circumstances such as a parent's incarceration or service in the military does not in and of itself constitute failure to have contact with the child; and

(f) That continuation of the parent and child relationship clearly diminishes the child's prospects for early integration into a stable and permanent home.

(2) In lieu of the allegations in subsection (1) of this section, the petition may allege that the child was found under such circumstances that the whereabouts of the child's parent are unknown and no person has acknowledged paternity or maternity and requested custody of the child within two months after the child was found.

(3) In lieu of the allegations in subsection (1)(b) through (f) of this section, the petition may allege that the parent has been convicted of:

(a) Murder in the first degree, murder in the second degree, or homicide by abuse as defined in chapter 9A.32 RCW against another child of the parent;

(b) Manslaughter in the first degree or manslaughter in the second degree, as defined in chapter 9A.32 RCW against another child of the parent;

(c) Attempting, conspiring, or soliciting another to commit one or more of the crimes listed in (a) or (b) of this subsection; or

(d) Assault in the first or second degree, as defined in chapter 9A.36 RCW, against the surviving child or another child of the parent.

(4) Notice of rights shall be served upon the parent, guardian, or legal custodian with the petition and shall be in substantially the following form:

"NOTICE

The director may apply for and, subject to appropriation, expend federal funds under Public Law 98-473 and any other federal program providing financial assistance to state crime victim compensation programs. The federal funds shall be deposited in the state general fund and may be expended only for purposes authorized by applicable federal law.
Sec. 8. RCW 7.68.035 and 2000 c 71 s 3 are each amended to read as follows:

(1)(a) When any person is found guilty in any superior court of having committed a crime, except as provided in subsection (2) of this section, there shall be imposed by the court upon such convicted person a penalty assessment. The assessment shall be in addition to any other penalty or fine imposed by law and shall be five hundred dollars for each case or cause of action that includes one or more convictions of a felony or gross misdemeanor and two hundred fifty dollars for any case or cause of action that includes convictions of only one or more misdemeanors.

(b) When any juvenile is adjudicated of any offense in any juvenile offense disposition under Title 13 RCW, except as provided in subsection (2) of this section, there shall be imposed upon the juvenile offender a penalty assessment. The assessment shall be in addition to any other penalty or fine imposed by law and shall be one hundred dollars for each case or cause of action that includes one or more adjudications for a felony or gross misdemeanor and seventy-five dollars for each case or cause of action that includes adjudications of only one or more misdemeanors.

(2) The assessment imposed by subsection (1) of this section shall not apply to motor vehicle crimes defined in Title 46 RCW except those defined in the following sections: RCW 46.61.520, 46.61.522, 46.61.024, 46.52.090, 46.70.140, 46.61.502, 46.61.504, 46.52.101, 46.20.410, 46.52.020, 46.10.130, 46.09.130, 46.61.5249, 46.61.525, 46.61.685, 46.61.530, 46.61.500, 46.61.015, 46.52.010, 46.44.180, 46.10.090(2), and 46.09.120(2).

(4) Such penalty assessments shall be paid by the clerk of the superior court to the county treasurer who shall monthly transmit the money as provided in RCW 10.82.070. Each county shall deposit fifty percent of the money it receives per case or cause of action under subsection (1) of this section and retains under RCW 10.82.070, not less than one and seventy-five one-hundredths percent of the remaining money it retains under RCW 10.82.070 and the money it retains under chapter 3.62 RCW, and all money it receives under subsection (7) of this section into a fund maintained exclusively for the support of comprehensive programs to encourage and facilitate testimony by the victims of crimes and witnesses to crimes. A program shall be considered "comprehensive" only after approval of the department upon application by the county prosecuting attorney. The department shall approve as comprehensive only programs which:

(a) Provide comprehensive services to victims and witnesses of all types of crime with particular emphasis on serious crimes against persons and property. It is the intent of the legislature to make funds available only to programs which do not restrict services to victims or witnesses of a particular type or types of crime and that such funds supplement, not supplant, existing local funding levels;
(b) Are administered by the county prosecuting attorney either directly through the prosecuting attorney's office or by contract between the county and agencies providing services to victims of crime;

c) Make a reasonable effort to inform the known victim or his surviving dependents of the existence of this chapter and the procedure for making application for benefits;

d) Assist victims in the restitution and adjudication process; and

e) Assist victims of violent crimes in the preparation and presentation of their claims to the department of labor and industries under this chapter.

Before a program in any county west of the Cascade mountains is submitted to the department for approval, it shall be submitted for review and comment to each city within the county with a population of more than one hundred fifty thousand. The department will consider if the county's proposed comprehensive plan meets the needs of crime victims in cases adjudicated in municipal, district or superior courts and of crime victims located within the city and county.

(5) Upon submission to the department of a letter of intent to adopt a comprehensive program, the prosecuting attorney shall retain the money deposited by the county under subsection (4) of this section until such time as the county prosecuting attorney has obtained approval of a program from the department. Approval of the comprehensive plan by the department must be obtained within one year of the date of the letter of intent to adopt a comprehensive program. The county prosecuting attorney shall not make any expenditures from the money deposited under subsection (4) of this section until approval of a comprehensive plan by the department. If a county prosecuting attorney has failed to obtain approval of a program from the department under subsection (4) of this section or failed to obtain approval of a comprehensive program within one year after submission of a letter of intent under this section, the county treasurer shall monthly transmit one hundred percent of the money deposited by the county under subsection (4) of this section to the state treasurer for deposit in the state general fund.

(6) County prosecuting attorneys are responsible to make every reasonable effort to insure that the penalty assessments of this chapter are imposed and collected.

(7) Every city and town shall transmit monthly one and seventy-five one-hundredths percent of all money, other than money received for parking infractions, retained under RCW 3.50.100((, 3.46.120, 35.20.220) to the county treasurer for deposit as provided in subsection (4) of this section.

Sec. 9. RCW 7.68.085 and 1990 c 3 s 504 are each amended to read as follows:

The director of labor and industries shall institute a cap on medical benefits of one hundred fifty thousand dollars per injury or death. Payment for medical services in excess of the cap shall be made available to any innocent victim under the same conditions as other medical services and if the medical services are:

1) Necessary for a previously accepted condition;

2) Necessary to protect the victim's life or prevent deterioration of the victim's previously accepted condition; and

3) Not available from an alternative source.
The director of financial management and the director of labor and industries shall monitor expenditures from the public safety and education account. Once each fiscal quarter, the director of financial management shall determine if expenditures from the public safety and education account during the prior fiscal quarter exceeded allotments by more than ten percent. Within thirty days of a determination that expenditures exceeded allotments by more than ten percent, the director of financial management shall develop and implement a plan to reduce expenditures from the account to a level that does not exceed the allotments. Such a plan may include across-the-board reductions in allotments from the account to all nonjudicial agencies except for the crime victims compensation program. In implementing the plan, the director of financial management shall seek the cooperation of judicial agencies in reducing their expenditures from the account. The director of financial management shall notify the legislative fiscal committees prior to implementation of the plan.

Development and implementation of the plan is not required if the director of financial management notifies the legislative fiscal committees that increases in the official revenue forecast for the public safety and education account for that fiscal quarter will eliminate the need to reduce expenditures from the account. The official revenue forecast for the public safety and education account shall be prepared by the economic and revenue forecast council pursuant to RCW 82.33.020 and 82.33.010.

For the purposes of this section, an individual will not be required to use his or her assets other than funds recovered as a result of a civil action or criminal restitution, for medical expenses or pain and suffering, in order to qualify for an alternative source of payment.

The director shall, in cooperation with the department of social and health services, establish by October 1, 1989, a process to aid crime victims in identifying and applying for appropriate alternative benefit programs, if any, administered by the department of social and health services.

Sec. 10. RCW 9.41.110 and 1994 sp.s. c 7 s 416 are each amended to read as follows:

(1) No dealer may sell or otherwise transfer, or expose for sale or transfer, or have in his or her possession with intent to sell, or otherwise transfer, any pistol without being licensed as provided in this section.

(2) No dealer may sell or otherwise transfer, or expose for sale or transfer, or have in his or her possession with intent to sell, or otherwise transfer, any firearm other than a pistol without being licensed as provided in this section.

(3) No dealer may sell or otherwise transfer, or expose for sale or transfer, or have in his or her possession with intent to sell, or otherwise transfer, any ammunition without being licensed as provided in this section.

(4) The duly constituted licensing authorities of any city, town, or political subdivision of this state shall grant licenses in forms prescribed by the director of licensing effective for not more than one year from the date of issue permitting the licensee to sell firearms within this state subject to the following conditions, for breach of any of which the license shall be forfeited and the licensee subject to punishment as provided in RCW 9.41.010 through 9.41.810. A licensing authority shall forward a copy of each license granted to the department of licensing. The department of licensing shall notify the department of revenue of the name and address of each dealer licensed under this section.
(5)(a) A licensing authority shall, within thirty days after the filing of an application of any person for a dealer's license, determine whether to grant the license. However, if the applicant does not have a valid permanent Washington driver's license or Washington state identification card, or has not been a resident of the state for the previous consecutive ninety days, the licensing authority shall have up to sixty days to determine whether to issue a license. No person shall qualify for a license under this section without first receiving a federal firearms license and undergoing fingerprinting and a background check. In addition, no person ineligible to possess a firearm under RCW 9.41.040 or ineligible for a concealed pistol license under RCW 9.41.070 shall qualify for a dealer's license.

(b) A dealer shall require every employee who may sell a firearm in the course of his or her employment to undergo fingerprinting and a background check. An employee must be eligible to possess a firearm, and must not have been convicted of a crime that would make the person ineligible for a concealed pistol license, before being permitted to sell a firearm. Every employee shall comply with requirements concerning purchase applications and restrictions on delivery of pistols that are applicable to dealers.

(6)(a) Except as otherwise provided in (b) of this subsection, the business shall be carried on only in the building designated in the license. For the purpose of this section, advertising firearms for sale shall not be considered the carrying on of business.

(b) A dealer may conduct business temporarily at a location other than the building designated in the license, if the temporary location is within Washington state and is the location of a gun show sponsored by a national, state, or local organization, or an affiliate of any such organization, devoted to the collection, competitive use, or other sporting use of firearms in the community. Nothing in this subsection (6)(b) authorizes a dealer to conduct business in or from a motorized or towed vehicle.

In conducting business temporarily at a location other than the building designated in the license, the dealer shall comply with all other requirements imposed on dealers by RCW 9.41.090, 9.41.100, and 9.41.110. The license of a dealer who fails to comply with the requirements of RCW 9.41.080 and 9.41.090 and subsection (8) of this section while conducting business at a temporary location shall be revoked, and the dealer shall be permanently ineligible for a dealer's license.

(7) The license or a copy thereof, certified by the issuing authority, shall be displayed on the premises in the area where firearms are sold, or at the temporary location, where it can easily be read.

(8)(a) No pistol may be sold: (i) In violation of any provisions of RCW 9.41.010 through 9.41.810; nor (ii) may a pistol be sold under any circumstances unless the purchaser is personally known to the dealer or shall present clear evidence of his or her identity.

(b) A dealer who sells or delivers any firearm in violation of RCW 9.41.080 is guilty of a class C felony. In addition to any other penalty provided for by law, the dealer is subject to mandatory permanent revocation of his or her dealer's license and permanent ineligibility for a dealer's license.

(c) The license fee for pistols shall be one hundred twenty-five dollars. The license fee for firearms other than pistols shall be one hundred twenty-five dollars. The license fee for ammunition shall be one hundred twenty-five
dollars. Any dealer who obtains any license under subsection (1), (2), or (3) of this section may also obtain the remaining licenses without payment of any fee. The fees received under this section shall be deposited in the ((account under RCW 69.50.520)) state general fund.

(9)(a) A true record in triplicate shall be made of every pistol sold, in a book kept for the purpose, the form of which may be prescribed by the director of licensing and shall be personally signed by the purchaser and by the person effecting the sale, each in the presence of the other, and shall contain the date of sale, the caliber, make, model and manufacturer's number of the weapon, the name, address, occupation, and place of birth of the purchaser and a statement signed by the purchaser that he or she is not ineligible under RCW 9.41.040 to possess a firearm.

(b) One copy shall within six hours be sent by certified mail to the chief of police of the municipality or the sheriff of the county of which the purchaser is a resident; the duplicate the dealer shall within seven days send to the director of licensing; the triplicate the dealer shall retain for six years.

(10) Subsections (2) through (9) of this section shall not apply to sales at wholesale.

(11) The dealer's licenses authorized to be issued by this section are general licenses covering all sales by the licensee within the effective period of the licenses. The department shall provide a single application form for dealer's licenses and a single license form which shall indicate the type or types of licenses granted.

(12) Except as provided in RCW 9.41.090, every city, town, and political subdivision of this state is prohibited from requiring the purchaser to secure a permit to purchase or from requiring the dealer to secure an individual permit for each sale.

Sec. 11. RCW 9A.82.110 and 2001 c 222 s 15 are each amended to read as follows:

(1) Any payments or forfeiture to the state general fund ordered under RCW 9A.82.100(4) or (5) shall be deposited in the public safety and education account.

(2)) In an action brought by the attorney general on behalf of the state under RCW 9A.82.100(1)(b)(i) in which the state prevails, any payments ordered in excess of the actual damages sustained shall be deposited in the ((public safety and education account)) state general fund.

(2)) (2) It is the intent of the legislature that the money deposited in the public safety and education account pursuant to this chapter be appropriated to promote crime victims' compensation.

(4)) (2)(a) The county legislative authority may establish an antiprofiteering revolving fund to be administered by the county prosecuting attorney under the conditions and for the purposes provided by this subsection. Disbursements from the fund shall be on authorization of the county prosecuting attorney. No appropriation is required for disbursements.

(b) Any prosecution and investigation costs, including attorney's fees, recovered for the state by the county prosecuting attorney as a result of enforcement of civil and criminal statutes pertaining to any offense included in the definition of criminal profiteering, whether by final judgment, settlement, or otherwise, shall be deposited, as directed by a court of competent jurisdiction, in
the fund established by this subsection. In an action brought by a prosecuting
attorney on behalf of the county under RCW 9A.82.100(1)(b)(i) in which the
county prevails, any payments ordered in excess of the actual damages sustained
shall be deposited in the state general fund.

c) The county legislative authority may prescribe a maximum level of
moneys in the antiprofiteering revolving fund. Moneys exceeding the prescribed
maximum shall be transferred to the county current expense fund.

d) The moneys in the fund shall be used by the county prosecuting
attorney for the investigation and prosecution of any offense, within the jurisdiction
of the county prosecuting attorney, included in the definition of criminal
profiteering, including civil enforcement.

e) If a county has not established an antiprofiteering revolving fund, any
payments or forfeitures ordered to the county under this chapter shall be
deposited to the county current expense fund.

any kind used or intended to be used to manufacture or process any visual or
printed matter that depicts a minor engaged in sexually explicit conduct, and all
conveyances, including aircraft, vehicles, or vessels that are used or intended for
use to transport, or in any manner to facilitate the transportation of, visual or
printed matter in violation of RCW 9.68A.050 or 9.68A.060, but:

(a) No conveyance used by any person as a common carrier in the
transaction of business as a common carrier is subject to forfeiture under this
section unless it appears that the owner or other person in charge of the
conveyance is a consenting party or privy to a violation of this chapter;

(b) No property is subject to forfeiture under this section by reason of any
act or omission established by the owner of the property to have been committed
or omitted without the owner's knowledge or consent;

(c) A forfeiture of property encumbered by a bona fide security interest is
subject to the interest of the secured party if the secured party neither had
knowledge of nor consented to the act or omission; and

(d) When the owner of a conveyance has been arrested under this chapter
the conveyance may not be subject to forfeiture unless it is seized or process is
issued for its seizure within ten days of the owner's arrest.

(3) All personal property, moneys, negotiable instruments, securities, or
other tangible or intangible property furnished or intended to be furnished by
any person in exchange for visual or printed matter depicting a minor engaged in
sexually explicit conduct, or constituting proceeds traceable to any violation of
this chapter.

(4) Property subject to forfeiture under this chapter may be seized by any
law enforcement officer of this state upon process issued by any superior court
having jurisdiction over the property. Seizure without process may be made if:

(a) The seizure is incident to an arrest or a search under a search warrant or
an inspection under an administrative inspection warrant;
(b) The property subject to seizure has been the subject of a prior judgment in favor of the state in a criminal injunction or forfeiture proceeding based upon this chapter;

(c) A law enforcement officer has probable cause to believe that the property is directly or indirectly dangerous to health or safety; or

(d) The law enforcement officer has probable cause to believe that the property was used or is intended to be used in violation of this chapter.

(5) In the event of seizure under subsection (4) of this section, proceedings for forfeiture shall be deemed commenced by the seizure. The law enforcement agency under whose authority the seizure was made shall cause notice to be served within fifteen days following the seizure on the owner of the property seized and the person in charge thereof and any person having any known right or interest therein, of the seizure and intended forfeiture of the seized property. The notice may be served by any method authorized by law or court rule including but not limited to service by certified mail with return receipt requested. Service by mail shall be deemed complete upon mailing within the fifteen day period following the seizure.

(6) If no person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of seized items within forty-five days of the seizure, the item seized shall be deemed forfeited.

(7) If any person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of seized items within forty-five days of the seizure, the person or persons shall be afforded a reasonable opportunity to be heard as to the claim or right. The hearing shall be before an administrative law judge appointed under chapter 34.12 RCW, except that any person asserting a claim or right may remove the matter to a court of competent jurisdiction if the aggregate value of the article or articles involved is more than five hundred dollars. The hearing before an administrative law judge and any appeal therefrom shall be under Title 34 RCW. In a court hearing between two or more claimants to the article or articles involved, the prevailing party shall be entitled to a judgment for costs and reasonable attorney's fees. The burden of producing evidence shall be upon the person claiming to be the lawful owner or the person claiming to have the lawful right to possession of the seized items. The seizing law enforcement agency shall promptly return the article or articles to the claimant upon a determination by the administrative law judge or court that the claimant is lawfully entitled to possession thereof of the seized items.

(8) If property is sought to be forfeited on the ground that it constitutes proceeds traceable to a violation of this chapter, the seizing law enforcement agency must prove by a preponderance of the evidence that the property constitutes proceeds traceable to a violation of this chapter.

(a) Retain it for official use or upon application by any law enforcement agency of this state release the property to that agency for the exclusive use of enforcing this chapter;

(b) Sell that which is not required to be destroyed by law and which is not harmful to the public. The proceeds and all moneys forfeited under this chapter shall be used for payment of all proper expenses of the investigation leading to
the seizure, including any money delivered to the subject of the investigation by the law enforcement agency, and of the proceedings for forfeiture and sale, including expenses of seizure, maintenance of custody, advertising, actual costs of the prosecuting or city attorney, and court costs. Fifty percent of the money remaining after payment of these expenses shall be deposited in the ((public safety and education account established under RCW 43.08.250)) state general fund and fifty percent shall be deposited in the general fund of the state, county, or city of the seizing law enforcement agency; or

(c) Request the appropriate sheriff or director of public safety to take custody of the property and remove it for disposition in accordance with law.

Sec. 13. RCW 10.82.070 and 2004 c 15 s 6 are each amended to read as follows:

(1) All sums of money derived from costs, fines, penalties, and forfeitures imposed or collected, in whole or in part, by a superior court for violation of orders of injunction, mandamus and other like writs, for contempt of court, or for breach of the penal laws shall be paid in cash by the person collecting the same, within twenty days after the collection, to the county treasurer of the county in which the same have accrued.

(2) Except as provided in RCW 10.99.080, the county treasurer shall remit monthly thirty-two percent of the money received under this section except for certain costs to the state treasurer for deposit (as provided under RCW 43.08.250) in the state general fund and shall deposit the remainder as provided by law. "Certain costs" as used in this subsection, means those costs awarded to prevailing parties in civil actions under RCW 4.84.010 or 36.18.040, or those costs awarded against convicted defendants in criminal actions under RCW 10.01.160, 10.46.190, or 36.18.040, or other similar statutes if such costs are specifically designated as costs by the court and are awarded for the specific reimbursement of costs incurred by the state or county in the prosecution of the case, including the fees of defense counsel. Costs or assessments awarded to dedicated accounts, state or local, are not subject to this state allocation or to RCW 7.68.035.

(3) All fees, fines, forfeitures and penalties collected or assessed by a district court because of the violation of a state law shall be remitted as provided in chapter 3.62 RCW as now exists or is later amended. All fees, fines, forfeitures, and penalties collected or assessed by a superior court in cases on appeal from a lower court shall be remitted to the municipal or district court from which the cases were appealed.

Sec. 14. RCW 10.82.090 and 2004 c 121 s 1 are each amended to read as follows:

(2) The court may, on motion by the offender, following the offender's release from total confinement, reduce or waive the interest on legal financial obligations levied as a result of a criminal conviction. The court may reduce or waive the interest only as an incentive for the offender to meet his or her legal financial obligations. The court may not waive the interest on the restitution portion of the legal financial obligation and may only reduce the interest on the restitution portion of the legal financial obligation if the principal of the restitution has been paid in full. The offender must show that he or she has personally made a good faith effort to pay, that the interest accrual is causing a significant hardship, and that he or she will be unable to pay the principal and interest in full and that reduction or waiver of the interest will likely enable the offender to pay the full principal and any remaining interest thereon. For purposes of this section, "good faith effort" means that the offender has either (a) paid the principal amount in full; or (b) made twenty-four consecutive monthly payments, excluding any payments mandatorily deducted by the department of corrections, on his or her legal financial obligations under his or her payment agreement with the court. The court may grant the motion, establish a payment schedule, and retain jurisdiction over the offender for purposes of reviewing and revising the reduction or waiver of interest. This section applies to persons convicted as adults or in juvenile court.

Sec. 15. RCW 10.105.010 and 1993 c 288 s 2 are each amended to read as follows:

No property may be forfeited under this section until after there has been a superior court conviction of the owner of the property for the felony in connection with which the property was employed, furnished, or acquired.

A forfeiture of property encumbered by a bona fide security interest is subject to the interest of the secured party if at the time the security interest was created, the secured party neither had knowledge of nor consented to the commission of the felony.

(2) Personal property subject to forfeiture under this chapter may be seized by any law enforcement officer of this state upon process issued by any superior court having jurisdiction over the property. Seizure of personal property without process may be made if:

(b) The property subject to seizure has been the subject of a prior judgment in favor of the state in a criminal injunction or forfeiture proceeding;

(d) The law enforcement officer has probable cause to believe that the property was used or is intended to be used in the commission of a felony.
(3) In the event of seizure pursuant to this section, proceedings for forfeiture shall be deemed commenced by the seizure. The law enforcement agency under whose authority the seizure was made shall cause notice to be served within fifteen days following the seizure on the owner of the property seized and the person in charge thereof and any person having any known right or interest therein, including any community property interest, of the seizure and intended forfeiture of the seized property. The notice of seizure may be served by any method authorized by law or court rule including but not limited to service by certified mail with return receipt requested. Service by mail shall be deemed complete upon mailing within the fifteen day period following the seizure. Notice of seizure in the case of property subject to a security interest that has been perfected by filing a financing statement in accordance with chapter 62A.9A RCW, or a certificate of title shall be made by service upon the secured party or the secured party's assignee at the address shown on the financing statement or the certificate of title.

(4) If no person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of items specified in subsection (1) of this section within forty-five days of the seizure, the item seized shall be deemed forfeited.

(5) If a person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of the seized property within forty-five days of the seizure, the law enforcement agency shall give the person or persons a reasonable opportunity to be heard as to the claim or right. The hearing shall be before the chief law enforcement officer of the seizing agency or the chief law enforcement officer's designee, except where the seizing agency is a state agency as defined in RCW 34.12.020(4), the hearing shall be before the chief law enforcement officer of the seizing agency or an administrative law judge appointed under chapter 34.12 RCW, except that any person asserting a claim or right may remove the matter to a court of competent jurisdiction. Removal may only be accomplished according to the rules of civil procedure. The person seeking removal of the matter must serve process against the state, county, political subdivision, or municipality that operates the seizing agency, and any other party of interest, in accordance with RCW 4.28.080 or 4.92.020, within forty-five days after the person seeking removal has notified the seizing law enforcement agency of the person's claim of ownership or right to possession. The court to which the matter is to be removed shall be the district court when the aggregate value of the property is within the jurisdictional limit set forth in RCW 3.66.020. A hearing before the seizing agency and any appeal therefrom shall be under Title 34 RCW. In a court hearing between two or more claimants to the property involved, the prevailing party shall be entitled to a judgment for costs and reasonable attorney's fees. The burden of producing evidence shall be upon the person claiming to be the lawful owner or the person claiming to have the lawful right to possession of the property. The seizing law enforcement agency shall promptly return the property to the claimant upon a determination by the administrative law judge or court that the claimant is the present lawful owner or is lawfully entitled to possession of the property.

(6) When property is forfeited under this chapter, after satisfying any court-ordered victim restitution, the seizing law enforcement agency may:
(a) Retain it for official use or upon application by any law enforcement agency of this state release such property to such agency for the exclusive use of enforcing the criminal law;

(b) Sell that which is not required to be destroyed by law and which is not harmful to the public.

(7) By January 31st of each year, each seizing agency shall remit to the state treasurer an amount equal to ten percent of the net proceeds of any property forfeited during the preceding calendar year. Money remitted shall be deposited in the [[public safety and education account]] state general fund.

(1) After July 1, 1995, any action or combination of actions by the legislature that raises taxes may be taken only if approved by a two-thirds vote
of each house of the legislature, and then only if state expenditures in any fiscal year, including the new revenue, will not exceed the state expenditure limits established under this chapter. Pursuant to the referendum power set forth in Article II, section 1(b) of the state Constitution, tax increases may be referred to the voters for their approval or rejection at an election.

(2)(a) If the legislative action under subsection (1) of this section will result in expenditures in excess of the state expenditure limit, then the action of the legislature shall not take effect until approved by a vote of the people at a November general election. The state expenditure limit committee shall adjust the state expenditure limit by the amount of additional revenue approved by the voters under this section. This adjustment shall not exceed the amount of revenue generated by the legislative action during the first full fiscal year in which it is in effect. The state expenditure limit shall be adjusted downward upon expiration or repeal of the legislative action.

(b) The ballot title for any vote of the people required under this section shall be substantially as follows:

"Shall taxes be imposed on . . . . . . in order to allow a spending increase above last year's authorized spending adjusted for personal income growth?"

The state expenditure limit may be exceeded for no more than twenty-four months following the declaration of the emergency and only for the purposes contained in the emergency declaration.

(b) Additional taxes required for an emergency under this section may be imposed only until thirty days following the next general election, unless an extension is approved at that general election. The additional taxes shall expire upon expiration of the declaration of emergency. The legislature shall not impose additional taxes for emergency purposes under this subsection unless funds in the education construction fund have been exhausted.

(c) The state or any political subdivision of the state shall not impose any tax on intangible property listed in RCW 84.36.070 as that statute exists on January 1, 1993.

(4) If the cost of any state program or function is shifted from the state general fund (or a related fund) to another source of funding, or if moneys are transferred from the state general fund (or a related fund) to another fund or account, the state expenditure limit committee, acting pursuant to RCW 43.135.025(5), shall lower the state expenditure limit to reflect the shift. For the purposes of this section, a transfer of money from the state general fund (or a related fund) to another fund or account includes any state legislative action taken that has the effect of reducing revenues from a particular source, where such revenues would otherwise be deposited into the state general fund (or a related fund), while increasing the revenues from that particular source to another state or local government account. Upon the arrest of a person or upon the filing of a complaint, citation, or information in a court of competent jurisdiction, based upon probable cause to believe that a person has violated RCW 46.61.502 or 46.61.504 or any similar municipal ordinance, if such person has a prior offense within seven years as defined in RCW 46.61.5055, and where the person has been provided written notice that any transfer, sale, or encumbrance of such person's interest in the vehicle over which that person was actually driving or had physical control when the violation occurred, is unlawful pending either acquittal, dismissal, sixty days after conviction, or other termination of the charge, such person shall be prohibited from encumbering, selling, or transferring his or her interest in such vehicle, except as otherwise provided in (a), (b), and (c) of this subsection, until either acquittal, dismissal, sixty days after conviction, or other termination of the charge. The prohibition against transfer of title shall not be stayed pending the determination of an appeal from the conviction.
(a) A vehicle encumbered by a bona fide security interest may be transferred to the secured party or to a person designated by the secured party;

(b) A leased or rented vehicle may be transferred to the lessor, rental agency, or to a person designated by the lessor or rental agency; and

(c) A vehicle may be transferred to a third party or a vehicle dealer who is a bona fide purchaser or may be subject to a bona fide security interest in the vehicle unless it is established that (i) in the case of a purchase by a third party or vehicle dealer, such party or dealer had actual notice that the vehicle was subject to the prohibition prior to the purchase, or (ii) in the case of a security interest, the holder of the security interest had actual notice that the vehicle was subject to the prohibition prior to the encumbrance of title.

(2) On conviction for a violation of either RCW 46.61.502 or 46.61.504 or any similar municipal ordinance where the person convicted has a prior offense within seven years as defined in RCW 46.61.5055, the motor vehicle the person was driving or over which the person had actual physical control at the time of the offense, if the person has a financial interest in the vehicle, is subject to seizure and forfeiture pursuant to this section.

(3) A vehicle subject to forfeiture under this chapter may be seized by a law enforcement officer of this state upon process issued by a court of competent jurisdiction. Seizure of a vehicle may be made without process if the vehicle subject to seizure has been the subject of a prior judgment in favor of the state in a forfeiture proceeding based upon this section.

(4) Seizure under subsection (3) of this section automatically commences proceedings for forfeiture. The law enforcement agency under whose authority the seizure was made shall cause notice of the seizure and intended forfeiture of the seized vehicle to be served within fifteen days after the seizure on the owner of the vehicle seized, on the person in charge of the vehicle, and on any person having a known right or interest in the vehicle, including a community property interest. The notice of seizure may be served by any method authorized by law or court rule, including but not limited to service by certified mail with return receipt requested. Service by mail is complete upon mailing within the fifteen-day period after the seizure. Notice of seizure in the case of property subject to a security interest that has been perfected on a certificate of title shall be made by service upon the secured party or the secured party's assignee at the address shown on the financing statement or the certificate of title.

(5) If no person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of the seized vehicle within forty-five days of the seizure, the vehicle is deemed forfeited.

(6) If a person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of the seized vehicle within forty-five days of the seizure, the law enforcement agency shall give the person or persons a reasonable opportunity to be heard as to the claim or right. The hearing shall be before the chief law enforcement officer of the seizing agency or the chief law enforcement officer's designee, except where the seizing agency is a state agency as defined in RCW 34.12.020, the hearing shall be before the chief law enforcement officer of the seizing agency or an administrative law judge appointed under chapter 34.12 RCW, except that any person asserting a claim or right may remove the matter to a court of competent jurisdiction. Removal may only be accomplished according to the rules of civil procedure.
The person seeking removal of the matter must serve process against the state, county, political subdivision, or municipality that operates the seizing agency, and any other party of interest, in accordance with RCW 4.28.080 or 4.92.020, within forty-five days after the person seeking removal has notified the seizing law enforcement agency of the person's claim of ownership or right to possession. The court to which the matter is to be removed shall be the district court when the aggregate value of the vehicle is within the jurisdictional limit set forth in RCW 3.66.020. A hearing before the seizing agency and any appeal therefrom shall be under Title 34 RCW. In a court hearing between two or more claimants to the vehicle involved, the prevailing party shall be entitled to a judgment for costs and reasonable attorneys' fees. The burden of producing evidence shall be upon the person claiming to be the legal owner or the person claiming to have the lawful right to possession of the vehicle. The seizing law enforcement agency shall promptly return the vehicle to the claimant upon a determination by the administrative law judge or court that the claimant is the present legal owner under Title 46 RCW or is lawfully entitled to possession of the vehicle.

(7) When a vehicle is forfeited under this chapter the seizing law enforcement agency may sell the vehicle, retain it for official use, or upon application by a law enforcement agency of this state release the vehicle to that agency for the exclusive use of enforcing this title; provided, however, that the agency shall first satisfy any bona fide security interest to which the vehicle is subject under subsection (1)(a) or (c) of this section.

(8) When a vehicle is forfeited, the seizing agency shall keep a record indicating the identity of the prior owner, if known, a description of the vehicle, the disposition of the vehicle, the value of the vehicle at the time of seizure, and the amount of proceeds realized from disposition of the vehicle.

(9) Each seizing agency shall retain records of forfeited vehicles for at least seven years.

(10) Each seizing agency shall file a report including a copy of the records of forfeited vehicles with the state treasurer each calendar quarter.

(11) The quarterly report need not include a record of a forfeited vehicle that is still being held for use as evidence during the investigation or prosecution of a case or during the appeal from a conviction.

(12) By January 31st of each year, each seizing agency shall remit to the state treasurer an amount equal to ten percent of the net proceeds of vehicles forfeited during the preceding calendar year. Money remitted shall be deposited in the state general fund.

(13) The net proceeds of a forfeited vehicle is the value of the forfeitable interest in the vehicle after deducting the cost of satisfying a bona fide security interest to which the vehicle is subject at the time of seizure; and in the case of a sold vehicle, after deducting the cost of sale, including reasonable fees or commissions paid to independent selling agents.

(14) The value of a sold forfeited vehicle is the sale price. The value of a retained forfeited vehicle is the fair market value of the vehicle at the time of seizure, determined when possible by reference to an applicable commonly used index, such as the index used by the department of licensing. A seizing agency may, but need not, use an independent qualified appraiser to determine the value.
of retained vehicles. If an appraiser is used, the value of the vehicle appraised is net of the cost of the appraisal.

Sec. 39. RCW 46.63.110 and 2007 c 356 s 8 and 2007 c 199 s 28 are each reenacted and amended to read as follows:

(1) A person found to have committed a traffic infraction shall be assessed a monetary penalty. No penalty may exceed two hundred and fifty dollars for each offense unless authorized by this chapter or title.

(2) The monetary penalty for a violation of (a) RCW 46.55.105(2) is two hundred fifty dollars for each offense; (b) RCW 46.61.210(1) is five hundred dollars for each offense. No penalty assessed under this subsection (2) may be reduced.

(3) The supreme court shall prescribe by rule a schedule of monetary penalties for designated traffic infractions. This rule shall also specify the conditions under which local courts may exercise discretion in assessing fines and penalties for traffic infractions. The legislature respectfully requests the supreme court to adjust this schedule every two years for inflation.

(4) There shall be a penalty of twenty-five dollars for failure to respond to a notice of traffic infraction except where the infraction relates to parking as defined by local law, ordinance, regulation, or resolution or failure to pay a monetary penalty imposed pursuant to this chapter. A local legislative body may set a monetary penalty not to exceed twenty-five dollars for failure to respond to a notice of traffic infraction relating to parking as defined by local law, ordinance, regulation, or resolution. The local court, whether a municipal, police, or district court, shall impose the monetary penalty set by the local legislative body.

(5) Monetary penalties provided for in chapter 46.70 RCW which are civil in nature and penalties which may be assessed for violations of chapter 46.44 RCW relating to size, weight, and load of motor vehicles are not subject to the limitation on the amount of monetary penalties which may be imposed pursuant to this chapter.

(6) Whenever a monetary penalty, fee, cost, assessment, or other monetary obligation is imposed by a court under this chapter it is immediately payable. If the court determines, in its discretion, that a person is not able to pay a monetary obligation in full, and not more than one year has passed since the later of July 1, 2005, or the date the monetary obligation initially became due and payable, the court shall enter into a payment plan with the person, unless the person has previously been granted a payment plan with respect to the same monetary obligation, or unless the person is in noncompliance of any existing or prior payment plan, in which case the court may, at its discretion, implement a payment plan. If the court has notified the department that the person has failed to pay or comply and the person has subsequently entered into a payment plan and made an initial payment, the court shall notify the department that the infraction has been adjudicated, and the department shall rescind any suspension of the person's driver's license or driver's privilege based on failure to respond to that infraction. "Payment plan," as used in this section, means a plan that requires reasonable payments based on the financial ability of the person to pay. The person may voluntarily pay an amount at any time in addition to the payments required under the payment plan.
(a) If a payment required to be made under the payment plan is delinquent or the person fails to complete a community restitution program on or before the time established under the payment plan, unless the court determines good cause therefor and adjusts the payment plan or the community restitution plan accordingly, the court shall notify the department of the person's failure to meet the conditions of the plan, and the department shall suspend the person's driver's license or driving privilege until all monetary obligations, including those imposed under subsections (3) and (4) of this section, have been paid, and court authorized community restitution has been completed, or until the department has been notified that the court has entered into a new time payment or community restitution agreement with the person.

(b) If a person has not entered into a payment plan with the court and has not paid the monetary obligation in full on or before the time established for payment, the court shall notify the department of the delinquency. The department shall suspend the person's driver's license or driving privilege until all monetary obligations have been paid, including those imposed under subsections (3) and (4) of this section, or until the person has entered into a payment plan under this section.

(c) If the payment plan is to be administered by the court, the court may assess the person a reasonable administrative fee to be wholly retained by the city or county with jurisdiction. The administrative fee shall not exceed ten dollars per infraction or twenty-five dollars per payment plan, whichever is less.

(d) Nothing in this section precludes a court from contracting with outside entities to administer its payment plan system. When outside entities are used for the administration of a payment plan, the court may assess the person a reasonable fee for such administrative services, which fee may be calculated on a periodic, percentage, or other basis.

(e) If a court authorized community restitution program for offenders is available in the jurisdiction, the court may allow conversion of all or part of the monetary obligations due under this section to court authorized community restitution in lieu of time payments if the person is unable to make reasonable time payments.

(7) In addition to any other penalties imposed under this section and not subject to the limitation of subsection (1) of this section, a person found to have committed a traffic infraction shall be assessed:

(a) A fee of five dollars per infraction. Under no circumstances shall this fee be reduced or waived. Revenue from this fee shall be forwarded to the state treasurer for deposit in the emergency medical services and trauma care system trust account under RCW 70.168.040;

(b) A fee of ten dollars per infraction. Under no circumstances shall this fee be reduced or waived. Revenue from this fee shall be forwarded to the state treasurer for deposit in the Washington auto theft prevention authority account; and

(c) A fee of two dollars per infraction. Revenue from this fee shall be forwarded to the state treasurer for deposit in the traumatic brain injury account established in RCW 74.31.060.

(8)(a) In addition to any other penalties imposed under this section and not subject to the limitation of subsection (1) of this section, a person found to have committed a traffic infraction other than of RCW 46.61.527 shall be assessed an
additional penalty of twenty dollars. The court may not reduce, waive, or suspend the additional penalty unless the court finds the offender to be indigent. If a court authorized community restitution program for offenders is available in the jurisdiction, the court shall allow offenders to offset all or a part of the penalty due under this subsection (8) by participation in the court authorized community restitution program.

(b) Eight dollars and fifty cents of the additional penalty under (a) of this subsection shall be remitted to the state treasurer. The remaining revenue from the additional penalty must be remitted under chapters 2.08, 3.46, 3.50, 3.62, 10.82, and 35.20 RCW. Money remitted under this subsection to the state treasurer must be deposited (as provided in RCW 43.08.250) in the state general fund. The balance of the revenue received by the county or city treasurer under this subsection must be deposited into the county or city current expense fund. Moneys retained by the city or county under this subsection shall constitute reimbursement for any liabilities under RCW 43.135.060.

(9) If a legal proceeding, such as garnishment, has commenced to collect any delinquent amount owed by the person for any penalty imposed by the court under this section, the court may, at its discretion, enter into a payment plan.

(10) The monetary penalty for violating RCW 46.37.395 is: (a) Two hundred fifty dollars for the first violation; (b) five hundred dollars for the second violation; and (c) seven hundred fifty dollars for each violation thereafter.

Sec. 40. RCW 46.64.055 and 2002 c 175 s 38 are each amended to read as follows:

(1) In addition to any other penalties imposed for conviction of a violation of this title that is a misdemeanor, gross misdemeanor, or felony, the court shall impose an additional penalty of fifty dollars. The court may not reduce, waive, or suspend the additional penalty unless the court finds the offender to be indigent. If a community restitution program for offenders is available in the jurisdiction, the court shall allow offenders to offset all or a part of the penalty due under this section by participation in the community restitution program.

(2) Revenue from the additional penalty must be remitted under chapters 2.08, 3.46, 3.50, 3.62, 10.82, and 35.20 RCW. Money remitted under this section to the state treasurer must be deposited (as provided in RCW 43.08.250) in the state general fund. The balance of the revenue received by the county or city treasurer under this section must be deposited into the county or city current expense fund. Moneys retained by the city or county under this subsection shall constitute reimbursement for any liabilities under RCW 43.135.060.

Sec. 41. RCW 48.14.0201 and 2005 c 405 s 1, 2005 c 223 s 6, and 2005 c 7 s 1 are each reenacted and amended to read as follows:

(1) As used in this section, "taxpayer" means a health maintenance organization as defined in RCW 48.46.020, a health care service contractor as defined in RCW 48.44.010, or a self-funded multiple employer welfare arrangement as defined in RCW 48.125.010.

(2) Each taxpayer shall pay a tax on or before the first day of March of each year to the state treasurer through the insurance commissioner's office. The tax shall be equal to the total amount of all premiums and prepayments for health
care services received by the taxpayer during the preceding calendar year multiplied by the rate of two percent.

(3) Taxpayers shall prepay their tax obligations under this section. The minimum amount of the prepayments shall be percentages of the taxpayer's tax obligation for the preceding calendar year recomputed using the rate in effect for the current year. For the prepayment of taxes due during the first calendar year, the minimum amount of the prepayments shall be percentages of the taxpayer's tax obligation that would have been due had the tax been in effect during the previous calendar year. The tax prepayments shall be paid to the state treasurer through the commissioner's office by the due dates and in the following amounts:

(a) On or before June 15, forty-five percent;
(b) On or before September 15, twenty-five percent;
(c) On or before December 15, twenty-five percent.

(4) For good cause demonstrated in writing, the commissioner may approve an amount smaller than the preceding calendar year's tax obligation as recomputed for calculating the health maintenance organization's, health care service contractor's, self-funded multiple employer welfare arrangement's, or certified health plan's prepayment obligations for the current tax year.

(5) Moneys collected under this section shall be deposited in the general fund ((through March 31, 1996, and in the health services account under RCW 43.72.900 after March 31, 1996)).

(6) The taxes imposed in this section do not apply to:
(a) Amounts received by any taxpayer from the United States or any instrumentality thereof as prepayments for health care services provided under Title XVIII (medicare) of the federal social security act.
(b) Amounts received by any taxpayer from the state of Washington as prepayments for health care services provided under:
   (i) The medical care services program as provided in RCW 74.09.035;
   (ii) The Washington basic health plan on behalf of subsidized enrollees as provided in chapter 70.47 RCW;
   (iii) The medicaid program on behalf of elderly or ((disabled)) clients with disabilities as provided in chapter 74.09 RCW when these prepayments are received prior to July 1, 2009, and are associated with a managed care contract program that has been implemented on a voluntary demonstration or pilot project basis.
(c) Amounts received by any health care service contractor, as defined in RCW 48.44.010, as prepayments for health care services included within the definition of practice of dentistry under RCW 18.32.020.
(d) Participant contributions to self-funded multiple employer welfare arrangements that are not taxable in this state.

(7) Beginning January 1, 2000, the state does hereby preempt the field of imposing excise or privilege taxes upon taxpayers and no county, city, town, or other municipal subdivision shall have the right to impose any such taxes upon such taxpayers. This subsection shall be limited to premiums and payments for health benefit plans offered by health care service contractors under chapter 48.44 RCW, health maintenance organizations under chapter 48.46 RCW, and self-funded multiple employer welfare arrangements as defined in RCW 48.125.010. The preemption authorized by this subsection shall not impair the
ability of a county, city, town, or other municipal subdivision to impose excise or privilege taxes upon the health care services directly delivered by the employees of a health maintenance organization under chapter 48.46 RCW.

(8)(a) The taxes imposed by this section apply to a self-funded multiple employer welfare arrangement only in the event that they are not preempted by the employee retirement income security act of 1974, as amended, 29 U.S.C. Sec. 1001 et seq. The arrangements and the commissioner shall initially request an advisory opinion from the United States department of labor or obtain a declaratory ruling from a federal court on the legality of imposing state premium taxes on these arrangements. Once the legality of the taxes has been determined, the multiple employer welfare arrangement certified by the insurance commissioner must begin payment of these taxes.

(b) If there has not been a final determination of the legality of these taxes, then beginning on the earlier of (i) the date the fourth multiple employer welfare arrangement has been certified by the insurance commissioner, or (ii) April 1, 2006, the arrangement shall deposit the taxes imposed by this section into an interest bearing escrow account maintained by the arrangement. Upon a final determination that the taxes are not preempted by the employee retirement income security act of 1974, as amended, 29 U.S.C. Sec. 1001 et seq., all funds in the interest bearing escrow account shall be transferred to the state treasurer.

(9) The effect of transferring contracts for health care services from one taxpayer to another taxpayer is to transfer the tax prepayment obligation with respect to the contracts.

(10) On or before June 1st of each year, the commissioner shall notify each taxpayer required to make prepayments in that year of the amount of each prepayment and shall provide remittance forms to be used by the taxpayer. However, a taxpayer's responsibility to make prepayments is not affected by failure of the commissioner to send, or the taxpayer to receive, the notice or forms.

Sec. 42. RCW 66.24.210 and 2008 c 94 s 8 are each amended to read as follows:

(1) There is hereby imposed upon all wines except cider sold to wine distributors and the Washington state liquor control board, within the state a tax at the rate of twenty and one-fourth cents per liter. All revenues collected during any month from this additional tax shall be deposited in the state general fund by the twenty-fifth day of the following month.

(5) (a) An additional tax is imposed on all cider subject to tax under subsection (1) of this section. The additional tax is equal to two and four one-hundredths cents per liter of cider sold after June 30, 1996, and before July 1, 1997, and is equal to four and seven one-hundredths cents per liter of cider sold after June 30, 1997.

(b) All revenues collected from the additional tax imposed under this subsection (5) shall be deposited in the state general fund.

"Cider" includes, but is not limited to, flavored, sparkling, or carbonated cider and cider made from condensed apple or pear must.

(7) For the purposes of this section, out-of-state wineries shall pay taxes under this section on wine sold and shipped directly to Washington state residents in a manner consistent with the requirements of a wine distributor under subsections (1) through (4) of this section, except wineries shall be responsible for the tax and not the resident purchaser.

Sec. 44. RCW 67.70.240 and 2001 c 3 s 4 are each amended to read as follows:

The moneys in the state lottery account shall be used only:

(1) For the payment of prizes to the holders of winning lottery tickets or shares;

(2) For purposes of making deposits into the reserve account created by RCW 67.70.250 and into the lottery administrative account created by RCW 67.70.260;

(3) For purposes of making deposits into the education construction fund (and student achievement fund) created in RCW 43.135.045. (For the transition period from July 1, 2001, until and including June 30, 2002, fifty percent of the moneys not otherwise obligated under this section shall be placed in the student achievement fund and fifty percent of these moneys shall be placed in the education construction fund. On and after July 1, 2002, until June 30, 2004, seventy-five percent of these moneys shall be placed in the student achievement fund and twenty-five percent shall be placed in the education construction fund.) On and after July 1, 2004, all deposits not otherwise obligated under this section shall be placed in the education construction fund. Moneys in the state lottery account deposited in the education construction fund (and the student achievement fund) are included in "general state revenues" under RCW 39.42.070;

(4) For distribution to a county for the purpose of paying the principal and interest payments on bonds issued by the county to construct a baseball stadium, as defined in RCW 82.14.0485, including reasonably necessary preconstruction costs. Three million dollars shall be distributed under this subsection during calendar year 1996. During subsequent years, such distributions shall equal the prior year's distributions increased by four percent. dollars shall be distributed under this subsection during the calendar year 1998. During subsequent years, such distribution shall equal the prior year's distributions increased by four percent. No distribution may be made under this subsection after December 31, 1999, unless the conditions for issuance of the bonds under RCW 43.99N.020(2) are met. Distributions under this subsection shall cease when the bonds are retired, but not later than December 31, 2020; and

(6) For the purchase and promotion of lottery games and game-related services; and

Sec. 45. RCW 67.70.340 and 2005 c 369 s 4 are each amended to read as follows:

(1) The legislature recognizes that creating a shared game lottery could result in less revenue being raised by the existing state lottery ticket sales. The legislature further recognizes that the (two funds) fund most impacted by this potential event (are the student achievement fund and) is the education construction account. Therefore, it is the intent of the legislature to use some of the proceeds from the shared game lottery to make up the difference that the potential state lottery revenue loss would have on (the student achievement fund and) the education construction account. The legislature further intends to use some of the proceeds from the shared game lottery to fund programs and services related to problem and pathological gambling.

(2) The (student achievement fund and the) education construction account (are) is expected to (collectively) receive one hundred two million dollars annually from state lottery games other than the shared game lottery. For fiscal year 2003 and thereafter, if the amount of lottery revenues earmarked for the (student achievement fund and the) education construction account is less than one hundred two million dollars, the commission, after making the transfer required under subsection (3) of this section, must transfer sufficient moneys from revenues derived from the shared game lottery into the (student achievement fund and the) education construction account to bring the total revenue up to one hundred two million dollars. (The funds transferred from the shared game lottery account under this subsection must be divided between the student achievement fund and the education construction account in a manner consistent with RCW 67.70.240(3).)

(3)(a) The commission shall transfer, from revenue derived from the shared game lottery, to the problem gambling account created in RCW 43.20A.892, an amount equal to the percentage specified in (b) of this subsection of net receipts. For purposes of this subsection, "net receipts" means the difference between (i) revenue received from the sale of lottery tickets or shares and revenue received from the sale of shared game lottery tickets or shares; and (ii) the sum of payments made to winners.

(b) In fiscal year 2006, the percentage to be transferred to the problem gambling account is one-tenth of one percent. In fiscal year 2007 and subsequent fiscal years, the percentage to be transferred to the problem gambling account is thirteen one-hundredths of one percent.
(4) The remaining net revenues, if any, in the shared game lottery account after the transfers pursuant to this section shall be deposited into the general fund.

Sec. 46. RCW 69.50.505 and 2008 c 6 s 631 are each amended to read as follows:

A forfeiture of money, negotiable instruments, securities, or other tangible or intangible property encumbered by a bona fide security interest is subject to the interest of the secured party if, at the time the security interest was created, the secured party neither had knowledge of nor consented to the act or omission. No personal property may be forfeited under this subsection (1)(g), to the extent of the interest of an owner, by reason of any act or omission which that owner establishes was committed or omitted without the owner's knowledge or consent; and

(h) All real property, including any right, title, and interest in the whole of any lot or tract of land, and any appurtenances or improvements which are being used with the knowledge of the owner for the manufacturing, compounding, processing, delivery, importing, or exporting of any controlled substance, or which have been acquired in whole or in part with proceeds traceable to an exchange or series of exchanges in violation of this chapter or chapter 69.41 or 69.52 RCW, if such activity is not less than a class C felony and a substantial nexus exists between the commercial production or sale of the controlled substance and the real property. However:

(i) No property may be forfeited pursuant to this subsection (1)(h), to the extent of the interest of an owner, by reason of any act or omission committed or omitted without the owner's knowledge or consent;

(ii) The bona fide gift of a controlled substance, legend drug, or imitation controlled substance shall not result in the forfeiture of real property;

(iii) The possession of marijuana shall not result in the forfeiture of real property unless the marijuana is possessed for commercial purposes, the amount possessed is five or more plants or one pound or more of marijuana, and a substantial nexus exists between the possession of marijuana and the real property. In such a case, the intent of the offender shall be determined by the preponderance of the evidence, including the offender's prior criminal history, the amount of marijuana possessed by the offender, the sophistication of the activity or equipment used by the offender, and other evidence which demonstrates the offender's intent to engage in commercial activity;

(iv) The unlawful sale of marijuana or a legend drug shall not result in the forfeiture of real property unless the sale was forty grams or more in the case of marijuana or one hundred dollars or more in the case of a legend drug, and a substantial nexus exists between the unlawful sale and the real property; and

(v) A forfeiture of real property encumbered by a bona fide security interest is subject to the interest of the secured party if the secured party, at the time the security interest was created, neither had knowledge of nor consented to the act or omission.

(2) Real or personal property subject to forfeiture under this chapter may be seized by any board inspector or law enforcement officer of this state upon process issued by any superior court having jurisdiction over the property. Seizure of real property shall include the filing of a lis pendens by the seizing agency. Real property seized under this section shall not be transferred or otherwise conveyed until ninety days after seizure or until a judgment of forfeiture is entered, whichever is later: PROVIDED, That real property seized under this section may be transferred or conveyed to any person or entity who
acquires title by foreclosure or deed in lieu of foreclosure of a security interest. Seizure of personal property without process may be made if:

(a) The seizure is incident to an arrest or a search under a search warrant or an inspection under an administrative inspection warrant;

(b) The property subject to seizure has been the subject of a prior judgment in favor of the state in a criminal injunction or forfeiture proceeding based upon this chapter;

(c) A board inspector or law enforcement officer has probable cause to believe that the property is directly or indirectly dangerous to health or safety; or

(d) The board inspector or law enforcement officer has probable cause to believe that the property was used or is intended to be used in violation of this chapter.

(3) In the event of seizure pursuant to subsection (2) of this section, proceedings for forfeiture shall be deemed commenced by the seizure. The law enforcement agency under whose authority the seizure was made shall cause notice to be served within fifteen days following the seizure on the owner of the property seized and the person in charge thereof and any person having any known right or interest therein, including any community property interest, of the seizure and intended forfeiture of the seized property. Service of notice of seizure of real property shall be made according to the rules of civil procedure. However, the state may not obtain a default judgment with respect to real property against a party who is served by substituted service absent an affidavit stating that a good faith effort has been made to ascertain if the defaulted party is incarcerated within the state, and that there is no present basis to believe that the party is incarcerated within the state. Notice of seizure in the case of property subject to a security interest that has been perfected by filing a financing statement in accordance with chapter 62A.9A RCW, or a certificate of title, shall be made by service upon the secured party or the secured party's assignee at the address shown on the financing statement or the certificate of title. The notice of seizure in other cases may be served by any method authorized by law or court rule including but not limited to service by certified mail with return receipt requested. Service by mail shall be deemed complete upon mailing within the fifteen day period following the seizure.

(4) If no person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of items specified in subsection (1)(d), (g), or (h) of this section within forty-five days of the seizure in the case of personal property and ninety days in the case of real property, the item seized shall be deemed forfeited. The community property interest in real property of a person whose spouse or domestic partner committed a violation giving rise to seizure of the real property may not be forfeited if the person did not participate in the violation.

(5) If any person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of items specified in subsection (1)(b), (c), (d), (e), (f), (g), or (h) of this section within forty-five days of the seizure in the case of personal property and ninety days in the case of real property, the person or persons shall be afforded a reasonable opportunity to be heard as to the claim or right. The hearing shall be before the chief law enforcement officer of the seizing agency or the chief law enforcement officer's designee, except where the seizing agency is a state agency as defined in RCW...
34.12.020(4), the hearing shall be before the chief law enforcement officer of the seizing agency or an administrative law judge appointed under chapter 34.12 RCW, except that any person asserting a claim or right may remove the matter to a court of competent jurisdiction. Removal of any matter involving personal property may only be accomplished according to the rules of civil procedure. The person seeking removal of the matter must serve process against the state, county, political subdivision, or municipality that operates the seizing agency, and any other party of interest, in accordance with RCW 4.28.080 or 4.92.020, within forty-five days after the person seeking removal has notified the seizing law enforcement agency of the person's claim of ownership or right to possession. The court to which the matter is to be removed shall be the district court when the aggregate value of personal property is within the jurisdictional limit set forth in RCW 3.66.020. A hearing before the seizing agency and any appeal therefrom shall be under Title 34 RCW. In all cases, the burden of proof is upon the law enforcement agency to establish, by a preponderance of the evidence, that the property is subject to forfeiture.

The seizing law enforcement agency shall promptly return the article or articles to the claimant upon a determination by the administrative law judge or court that the claimant is the present lawful owner or is lawfully entitled to possession thereof of items specified in subsection (1)(b), (c), (d), (e), (f), (g), or (h) of this section.

(6) In any proceeding to forfeit property under this title, where the claimant substantially prevails, the claimant is entitled to reasonable attorneys' fees reasonably incurred by the claimant. In addition, in a court hearing between two or more claimants to the article or articles involved, the prevailing party is entitled to a judgment for costs and reasonable attorneys' fees.

(7) When property is forfeited under this chapter the board or seizing law enforcement agency may:

(a) Retain it for official use or upon application by any law enforcement agency of this state release such property to such agency for the exclusive use of enforcing the provisions of this chapter;

(b) Sell that which is not required to be destroyed by law and which is not harmful to the public;

(c) Request the appropriate sheriff or director of public safety to take custody of the property and remove it for disposition in accordance with law;

(d) Forward it to the drug enforcement administration for disposition.

(8)(a) When property is forfeited, the seizing agency shall keep a record indicating the identity of the prior owner, if known, a description of the property, the disposition of the property, the value of the property at the time of seizure, and the amount of proceeds realized from disposition of the property.

(b) Each seizing agency shall retain records of forfeited property for at least seven years.

(c) Each seizing agency shall file a report including a copy of the records of forfeited property with the state treasurer each calendar quarter.

(d) The quarterly report need not include a record of forfeited property that is still being held for use as evidence during the investigation or prosecution of a case or during the appeal from a conviction.

(9)(a) By January 31st of each year, each seizing agency shall remit to the state treasurer an amount equal to ten percent of the net proceeds of any property
forfeited during the preceding calendar year. Money remitted shall be deposited in the state general fund.

(b) The net proceeds of forfeited property is the value of the forfeitable interest in the property after deducting the cost of satisfying any bona fide security interest to which the property is subject at the time of seizure; and in the case of sold property, after deducting the cost of sale, including reasonable fees or commissions paid to independent selling agents, and the cost of any valid landlord's claim for damages under subsection (15) of this section.

(c) The value of sold forfeited property is the sale price. The value of retained forfeited property is the fair market value of the property at the time of seizure, determined when possible by reference to an applicable commonly used index, such as the index used by the department of licensing for valuation of motor vehicles. A seizing agency may use, but need not use, an independent qualified appraiser to determine the value of retained property. If an appraiser is used, the value of the property appraised is net of the cost of the appraisal. The value of destroyed property and retained firearms or illegal property is zero.

(10) Forfeited property and net proceeds not required to be paid to the state treasurer shall be retained by the seizing law enforcement agency exclusively for the expansion and improvement of controlled substances related law enforcement activity. Money retained under this section may not be used to supplant preexisting funding sources.

(11) Controlled substances listed in Schedule I, II, III, IV, and V that are possessed, transferred, sold, or offered for sale in violation of this chapter are contraband and shall be seized and summarily forfeited to the state. Controlled substances listed in Schedule I, II, III, IV, and V, which are seized or come into the possession of the board, the owners of which are unknown, are contraband and shall be summarily forfeited to the board.

(12) Species of plants from which controlled substances in Schedules I and II may be derived which have been planted or cultivated in violation of this chapter, or of which the owners or cultivators are unknown, or which are wild growths, may be seized and summarily forfeited to the board.

(13) The failure, upon demand by a board inspector or law enforcement officer, of the person in occupancy or in control of land or premises upon which the species of plants are growing or being stored to produce an appropriate registration or proof that he or she is the holder thereof constitutes authority for the seizure and forfeiture of the plants.

(14) Upon the entry of an order of forfeiture of real property, the court shall forward a copy of the order to the assessor of the county in which the property is located. Orders for the forfeiture of real property shall be entered by the superior court, subject to court rules. Such an order shall be filed by the seizing agency in the county auditor's records in the county in which the real property is located.

(15) A landlord may assert a claim against proceeds from the sale of assets seized and forfeited under subsection (7)(b) of this section, only if:

(a) A law enforcement officer, while acting in his or her official capacity, directly caused damage to the complaining landlord's property while executing a search of a tenant's residence; and

(b) The landlord has applied any funds remaining in the tenant's deposit, to which the landlord has a right under chapter 59.18 RCW, to cover the damage
directly caused by a law enforcement officer prior to asserting a claim under the provisions of this section;

(i) Only if the funds applied under (b) of this subsection are insufficient to satisfy the damage directly caused by a law enforcement officer, may the landlord seek compensation for the damage by filing a claim against the governmental entity under whose authority the law enforcement agency operates within thirty days after the search;

(ii) Only if the governmental entity denies or fails to respond to the landlord's claim within sixty days of the date of filing, may the landlord collect damages under this subsection by filing within thirty days of denial or the expiration of the sixty-day period, whichever occurs first, a claim with the seizing law enforcement agency. The seizing law enforcement agency must notify the landlord of the status of the claim by the end of the thirty-day period. Nothing in this section requires the claim to be paid by the end of the sixty-day or thirty-day period.

(c) For any claim filed under (b) of this subsection, the law enforcement agency shall pay the claim unless the agency provides substantial proof that the landlord either:

(i) Knew or consented to actions of the tenant in violation of this chapter or chapter 69.41 or 69.52 RCW; or

(ii) Failed to respond to a notification of the illegal activity, provided by a law enforcement agency under RCW 59.18.075, within seven days of receipt of notification of the illegal activity.

(16) The landlord's claim for damages under subsection (15) of this section may not include a claim for loss of business and is limited to:

(a) Damage to tangible property and clean-up costs;

(b) The lesser of the cost of repair or fair market value of the damage directly caused by a law enforcement officer;

(c) The proceeds from the sale of the specific tenant's property seized and forfeited under subsection (7)(b) of this section; and

(d) The proceeds available after the seizing law enforcement agency satisfies any bona fide security interest in the tenant's property and costs related to sale of the tenant's property as provided by subsection (9)(b) of this section.

(17) Subsections (15) and (16) of this section do not limit any other rights a landlord may have against a tenant to collect for damages. However, if a law enforcement agency satisfies a landlord's claim under subsection (15) of this section, the rights the landlord has against the tenant for damages directly caused by a law enforcement officer under the terms of the landlord and tenant's contract are subrogated to the law enforcement agency.

NEW SECTION. Sec. 47. RCW 69.50.520 (Violence reduction and drug enforcement account) and 2005 c 518 s 937, 2005 c 514 s 1107, 2005 c 514 s 202, 2004 c 276 s 912, 2003 1st sp.s. c 25 s 930, & 2002 c 371 s 920 are each repealed.

Sec. 48. RCW 70.05.125 and 1998 c 266 s 1 are each amended to read as follows:

(1) The county public health account is created in the state treasury. Funds deposited in the county public health account shall be distributed by the state treasurer to each local public health jurisdiction based upon amounts certified to
it by the department of community, trade, and economic development in consultation with the Washington state association of counties. The account shall include funds distributed under RCW (82.14.200(8) and such funds as are appropriated to the account from the state general fund, the public health services account under RCW 43.72.900, and such other funds as the legislature may appropriate to it.

(2)(a) The director of the department of community, trade, and economic development shall certify the amounts to be distributed to each local public health jurisdiction using 1995 as the base year of actual city contributions to local public health.

(b) Only if funds are available and in an amount no greater than available funds under RCW 82.14.200(8), the department of community, trade, and economic development shall adjust the amount certified under (a) of this subsection to compensate for any annexation of an area with fifty thousand residents or more to any city as a result of a petition during calendar year 1996 or 1997, or for any city that became newly incorporated as a result of an election during calendar year 1994 or 1995. The amount to be adjusted shall be equal to the amount which otherwise would have been lost to the health jurisdiction due to the annexation or incorporation as calculated using the jurisdiction's 1995 funding formula.

(c) The county treasurer shall certify the actual 1995 city contribution to the department. Funds in excess of the base shall be distributed proportionately among the health jurisdictions based on incorporated population figures as last determined by the office of financial management.

(3) Moneys distributed under this section shall be expended exclusively for local public health purposes.

Sec. 49. RCW 70.47.015 and 2008 c 217 s 99 are each amended to read as follows:

(1) The legislature finds that the basic health plan has been an effective program in providing health coverage for uninsured residents. Further, since 1993, substantial amounts of public funds have been allocated for subsidized basic health plan enrollment.

(2) (It is the intent of the legislature that the basic health plan enrollment be expanded expeditiously, consistent with funds available in the health services account, with the goal of two hundred thousand adult subsidized basic health plan enrollees and one hundred thirty thousand children covered through expanded medical assistance services by June 30, 1997, with the priority of providing needed health services to children in conjunction with other public programs.

(3)) Effective January 1, 1996, basic health plan enrollees whose income is less than one hundred twenty-five percent of the federal poverty level shall pay at least a ten-dollar premium share.

(((4))) (3) No later than July 1, 1996, the administrator shall implement procedures whereby hospitals licensed under chapters 70.41 and 71.12 RCW, health carrier, rural health care facilities regulated under chapter 70.175 RCW, and community and migrant health centers funded under RCW 41.05.220, may expeditiously assist patients and their families in applying for basic health plan or medical assistance coverage, and in submitting such applications directly to
the health care authority or the department of social and health services. The
health care authority and the department of social and health services shall make
every effort to simplify and expedite the application and enrollment process.

(((5))) (4) No later than July 1, 1996, the administrator shall implement
procedures whereby disability insurance producers, licensed under chapter 48.17
RCW, may expeditiously assist patients and their families in applying for basic
health plan or medical assistance coverage, and in submitting such applications
directly to the health care authority or the department of social and health
services. Insurance producers may receive a commission for each individual
sale of the basic health plan to anyone not signed up within the previous five
years and a commission for each group sale of the basic health plan, if funding
for this purpose is provided in a specific appropriation to the health care
authority. No commission shall be provided upon a renewal. Commissions shall
be determined based on the estimated annual cost of the basic health plan,
however, commissions shall not result in a reduction in the premium amount
paid to health carriers. For purposes of this section "health carrier" is as defined
in RCW 48.43.005. The administrator may establish: (a) Minimum educational
requirements that must be completed by the insurance producers; (b) an
appointment process for insurance producers marketing the basic health plan; or
(c) standards for revocation of the appointment of an insurance producer to
submit applications for cause, including untrustworthy or incompetent conduct
or harm to the public. The health care authority and the department of social and
health services shall make every effort to simplify and expedite the application
and enrollment process.

Sec. 50. RCW 70.96A.350 and 2008 c 329 s 918 are each amended to read
as follows:

(1) The criminal justice treatment account is created in the state treasury.
Moneys in the account may be expended solely for: (a) Substance abuse

substance abuse problem that, if not treated, would result in addiction, against
whom charges are filed by a prosecuting attorney in Washington state; (b) the
provision of drug and alcohol treatment services and treatment support services
for nonviolent offenders within a drug court program; and (c) during the 2007-
2009 biennium, operation of the integrated crisis response and intensive case

(4)(a) For the fiscal biennium beginning July 1, 2003, the state treasurer shall transfer eight million nine hundred fifty thousand dollars from the general fund into the criminal justice treatment account, divided into eight equal quarterly payments. (b) (For the fiscal biennium beginning July 1, 2003, and each biennium thereafter, the state treasurer shall transfer two million nine hundred eighty-four thousand dollars from the general fund into the violence reduction and drug enforcement account, divided into eight quarterly payments. (c)) In each odd-numbered year, the legislature shall appropriate the amount transferred to the criminal justice treatment account in (a) of this subsection to the division of alcohol and substance abuse for the purposes of subsection (5) of this section.

(5) Moneys appropriated to the division of alcohol and substance abuse from the criminal justice treatment account shall be distributed as specified in this subsection. The department shall serve as the fiscal agent for purposes of distribution. Until July 1, 2004, the department may not use moneys appropriated from the criminal justice treatment account for administrative expenses and shall distribute all amounts appropriated under subsection (4)((c)) (b) of this section in accordance with this subsection. The panel shall review county or regional plans for funding under (a) of this subsection and grants approved under this subsection. The panel shall attempt to ensure that treatment as funded by the grants is available to offenders statewide.

(6) The county alcohol and drug coordinator, county prosecutor, county sheriff, county superior court, a substance abuse treatment provider appointed by the county legislative authority, a member of the criminal defense bar appointed by the county legislative authority, and, in counties with a drug court, a representative of the drug court shall jointly submit a plan, approved by the county legislative authority or authorities, to the panel established in subsection (5)(b) of this section, for disposition of all the funds provided from the criminal justice treatment account within that county. The funds shall be used solely to provide approved alcohol and substance abuse treatment pursuant to RCW 70.96A.090 and treatment support services. No more than ten percent of the total moneys received under subsections (4) and (5) of this section by a county or group of counties participating in a regional agreement shall be spent for treatment support services.

(7) Counties are encouraged to consider regional agreements and submit regional plans for the efficient delivery of treatment under this section.

(8) Moneys allocated under this section shall be used to supplement, not supplant, other federal, state, and local funds used for substance abuse treatment.

(9) Counties must meet the criteria established in RCW 2.28.170(3)(b).

Sec. 51. RCW 70.146.010 and 1986 c 3 s 1 are each amended to read as follows:

chapter shall be entirely a local or private responsibility. It is the intent of this chapter that industrial pretreatment be paid by industries and that state funds shall not be used for such purposes.

(4) "Water pollution control facility" or "facilities" means any facilities or systems for the control, collection, storage, treatment, disposal, or recycling of wastewater, including but not limited to sanitary sewage, storm water, residential, commercial, industrial, and agricultural wastes, which are causing water quality degradation due to concentrations of conventional, nonconventional, or toxic pollutants. The family policy council shall:

(1) Establish network boundaries no later than July 1, 1994. This monitoring shall include provision for periodic feedback to community networks;

(b) The legislature intends that this monitoring be used by the Washington state institute for public policy, together with public health data on at-risk behaviors and risk and protective factors, to produce an external evaluation of the effectiveness of the networks and their programs. (b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, either for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(e) The reporting requirement also applies to guardians ad litem, including court-appointed special advocates, appointed under Titles 11, 13, and 26 RCW, who in the course of their representation of children in these actions have reasonable cause to believe a child has been abused or neglected.

(f) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency. (7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases
currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11) (a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or
higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(12) In conducting an investigation of alleged abuse or neglect, the department or law enforcement agency:
(a) May interview children. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. Parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and
(b) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.
(13) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children's ombudsman of the contents of the report. The department shall also notify the ombudsman of the disposition of the report.
(14) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.
(15) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.
(16) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor. The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.
(17) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.
(18) Upon receiving a report of alleged abuse or neglect involving a child under the court's jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report's contents. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this subsection, "guardian ad litem" has the meaning provided in RCW 13.34.030.

Sec. 2. RCW 13.34.100 and 2000 c 124 s 2 are each amended to read as follows:
(1) The court shall appoint a guardian ad litem for a child who is the subject of an action under this chapter, unless a court for good cause finds the appointment unnecessary. The requirement of a guardian ad litem may be
deemed satisfied if the child is represented by independent counsel in the proceedings. The court shall attempt to match a child with special needs with a guardian ad litem who has specific training or education related to the child's individual needs.

(2) If the court does not have available to it a guardian ad litem program with a sufficient number of volunteers, the court may appoint a suitable person to act as guardian ad litem for the child under this chapter. Another party to the proceeding or the party's employee or representative shall not be so appointed.

(3) Each guardian ad litem program shall maintain a background information record for each guardian ad litem in the program. The background information record shall include, but is not limited to, the following information:

(a) Level of formal education;
(b) General training related to the guardian's ad litem's duties;

(e) Number of years' experience as a guardian ad litem;
(f) Number of appointments as a guardian ad litem and the county or counties of appointment;
(g) The names of any counties in which the person was removed from a guardian ad litem registry pursuant to a grievance action, and the name of the court and the cause number of any case in which the court has removed the person for cause;
(h) Founded allegations of abuse or neglect as defined in RCW 26.44.020;
(i) The results of an examination of state and national criminal identification data. The examination shall consist of a background check as allowed through the Washington state criminal records privacy act under RCW 10.97.050, the Washington state patrol criminal identification system under RCW 43.43.832 through 43.43.834, and the federal bureau of investigation. The background check shall be done through the Washington state patrol criminal identification section and must include a national check from the federal bureau of investigation based on the submission of fingerprints; and
(j) Criminal history, as defined in RCW 9.94A.030, for the period covering ten years prior to the appointment.

The background information record shall be updated annually. As a condition of appointment, the guardian ad litem's background information record shall be made available to the court. If the appointed guardian ad litem is not a member of a guardian ad litem program a suitable person appointed by the court to act as guardian ad litem shall provide the background information record to the court.

Upon appointment, the guardian ad litem, or guardian ad litem program, shall provide the parties or their attorneys with a statement containing: His or her training relating to the duties as a guardian ad litem, the name of any counties in which the person was removed from a guardian ad litem registry pursuant to a grievance action, and the name of the court and the cause number of any case in which the court has removed the person for cause; and his or her...
criminal history as defined in RCW 9.94A.030 for the period covering ten years prior to the appointment) copy of the background information record. The portion of the background information record containing the results of the criminal background check and the criminal history shall not be disclosed to the parties or their attorneys. The background information record shall not include identifying information that may be used to harm a guardian ad litem, such as home addresses and home telephone numbers, and for volunteer guardians ad litem the court may allow the use of maiden names or pseudonyms as necessary for their safety.

(4) The appointment of the guardian ad litem shall remain in effect until the court discharges the appointment or no longer has jurisdiction, whichever comes first. The guardian ad litem may also be discharged upon entry of an order of guardianship.

(5) A guardian ad litem through counsel, or as otherwise authorized by the court, shall have the right to present evidence, examine and cross-examine witnesses, and to be present at all hearings. A guardian ad litem shall receive copies of all pleadings and other documents filed or submitted to the court, and notice of all hearings according to court rules. The guardian ad litem shall receive all notice contemplated for a parent or other party in all proceedings under this chapter.

(6) If the child requests legal counsel and is age twelve or older, or if the guardian ad litem or the court determines that the child needs to be independently represented by counsel, the court may appoint an attorney to represent the child’s position.

(7) For the purposes of child abuse prevention and treatment act (42 U.S.C. Secs. 5101 et seq.) grants to this state under P.L. 93-247, or any related state or federal legislation, a person appointed pursuant to RCW 13.34.100 shall be deemed a guardian ad litem to represent the best interests of the minor in proceedings before the court.

(8) When a court-appointed special advocate or volunteer guardian ad litem is requested on a case, the program shall give the court the name of the person it recommends (and the appointment shall be effective immediately). The program shall attempt to match a child with special needs with a guardian ad litem who has specific training or education related to the child’s individual needs. The court shall immediately appoint the person recommended by the program.

(9) If a party in a case reasonably believes the court-appointed special advocate or volunteer guardian ad litem is inappropriate or unqualified, the party may request a review of the appointment by the program. The program must complete the review within five judicial days and remove any appointee for good cause. If the party seeking the review is not satisfied with the outcome of the review, the party may file a motion with the court for the removal of the court-appointed special advocate or volunteer guardian ad litem on the grounds the advocate or volunteer is inappropriate or unqualified.

Sec. 3. RCW 26.12.175 and 2000 c 124 s 6 are each amended to read as follows:

(1)(a) The court may appoint a guardian ad litem to represent the interests of a minor or dependent child when the court believes the appointment of a guardian ad litem is necessary to protect the best interests of the child in any
proceeding under this chapter. The court may appoint a guardian ad litem from
the court-appointed special advocate program, if that program exists in the
county. The court shall attempt to match a child with special needs with a
 guardian ad litem who has specific training or education related to the child's
individual needs. The family court services professionals may also make a
recommendation to the court regarding whether a guardian ad litem should be
appointed for the child. ((The court may appoint a guardian ad litem from
the court-appointed special advocate program, if that program exists in the county.))

(b) ((Unless otherwise ordered,)) The guardian ad litem's role is to
investigate and report factual information regarding the issues ordered to be
reported or investigated to the court ((concerning parenting arrangements for the
child, and to represent the child's best interests)). The guardian ad litem shall
always represent the best interests of the child. Guardians ad litem and
investigators under this title may make recommendations based upon ((an

recommendations of all of the parties. If a child expresses a preference
regarding the parenting plan, the guardian ad litem shall report the preferences to
the court, together with the facts relative to whether any preferences are being
expressed voluntarily and the degree of the child's understanding. The court
may require the guardian ad litem to provide periodic reports to the parties
regarding the status of his or her investigation. The guardian ad litem shall file
his or her report at least sixty days prior to trial.

(c) The parties to the proceeding may file with the court written responses to
any report filed by the guardian ad litem or investigator. The court shall consider
any written responses to a report filed by the guardian ad litem or investigator,
including any factual information or recommendations provided in the report.

(d) The court shall enter an order for costs, fees, and disbursements to cover
the costs of the guardian ad litem. The court may order either or both parents to
pay for the costs of the guardian ad litem, according to their ability to pay. If
both parents are indigent, the county shall bear the cost of the guardian, subject
to appropriation for guardians' ad litem services by the county legislative
authority. Guardians ad litem who are not volunteers shall provide the parties
with an itemized accounting of their time and billing for services each month.

(2)(a) If the guardian ad litem appointed is from the county court-appointed
special advocate program, the program shall supervise any guardian ad litem
assigned to the case. The court-appointed special advocate program shall be
entitled to notice of all proceedings in the case.

(b) The legislative authority of each county may authorize creation of a
court-appointed special advocate program. The county legislative authority may
adopt rules of eligibility for court-appointed special advocate program services
that are not inconsistent with this section.

(3) Each guardian ad litem program for compensated guardians ad litem and
each court-appointed special advocate program shall maintain a background
information record for each guardian ad litem in the program. The background
((file)) information record shall include, but is not limited to, the following

(d) Specific training or education related to child disability or developmental issues;

(e) Number of years' experience as a guardian ad litem;

(f) Number of appointments as a guardian ad litem and county or counties of appointment;

(g) The names of any counties in which the person was removed from a guardian ad litem registry pursuant to a grievance action, and the name of the court and the cause number of any case in which the court has removed the person for cause; (and)

(h) Founded allegations of abuse or neglect as defined in RCW 26.44.020;

(i) The results of an examination that shall consist of a background check as allowed through the Washington state criminal records privacy act under RCW 10.97.050 and the Washington state patrol criminal identification system under RCW 43.43.832 through 43.43.834. This background check shall be done through the Washington state patrol criminal identification section; and

(j) Criminal history, as defined in RCW 9.94A.030, for the period covering ten years prior to the appointment.

The background information ((report)) record shall be updated annually. As a condition of appointment, the guardian ad litem's background information record shall be made available to the court. If the appointed guardian ad litem is not a member of a guardian ad litem program the person appointed as guardian ad litem shall provide the background information record to the court.

Upon appointment, the guardian ad litem, court-appointed special advocate program or guardian ad litem program, shall provide the parties or their attorneys with a ((statement containing: His or her training relating to the duties as a guardian ad litem; the name of any counties in which the person was removed from a guardian ad litem registry pursuant to a grievance action, and the name of the court and the cause number of any case in which the court has removed the person for cause; and his or her criminal history as defined in RCW 9.94A.030 for the period covering ten years prior to the appointment)) copy of the background information record. The portion of the background information record containing the results of the criminal background check and the criminal history shall not be disclosed to the parties or their attorneys. The court shall immediately appoint the person recommended by the program.

(5) If a party in a case reasonably believes the court-appointed special advocate or volunteer guardian ad litem is inappropriate or unqualified, the party may request a review of the appointment by the program. The program must complete the review within five judicial days and remove any appointee for good cause. If the party seeking the review is not satisfied with the outcome of
the review, the party may file a motion with the court for the removal of the court-appointed special advocate or volunteer guardian ad litem on the grounds the advocate or volunteer is inappropriate or unqualified.

Sec. 4. RCW 26.12.177 and 2007 c 496 s 305 are each amended to read as follows:

1. All guardians ad litem and investigators appointed under this title must comply with the training requirements established under RCW 2.56.030(15), prior to their appointment in cases under Title 26 RCW, except that volunteer guardians ad litem or court-appointed special advocates may comply with alternative training requirements approved by the administrative office of the courts that meet or exceed the statewide requirements. In cases involving allegations of limiting factors under RCW 26.09.191, the guardians ad litem and investigators appointed under this title must have additional relevant training under RCW 2.56.030(15) and as recommended under RCW 2.53.040, when it is available.

2. (a) Each guardian ad litem program for compensated guardians ad litem shall establish a rotational registry system for the appointment of guardians ad litem and investigators under this title. If a judicial district does not have a program the court shall establish the rotational registry system. Guardians ad litem and investigators under this title shall be selected from the registry except in exceptional circumstances as determined and documented by the court. The parties may make a joint recommendation for the appointment of a guardian ad litem from the registry.

(b) In judicial districts with a population over one hundred thousand, a list of three names shall be selected from the registry and given to the parties along with the background information record as specified in RCW 26.12.175(3), including their hourly rate for services. Each party may, within three judicial days, strike one name from the list. If more than one name remains on the list, the court shall make the appointment from the names on the list. In the event all three names are stricken the person whose name appears next on the registry shall be appointed.

(c) If a party reasonably believes that the appointed guardian ad litem ((lacks the necessary expertise for the proceeding)) is inappropriate or unqualified, charges an hourly rate higher than what is reasonable for the particular proceeding, or has a conflict of interest, the party may, within three judicial days from the appointment, move for substitution of the appointed guardian ad litem by filing a motion with the court.

(d) Under this section, within either registry referred to in (a) of this subsection, a subregistry may be created that consists of guardians ad litem under contract with the department of social and health services' division of child support. Guardians ad litem on such a subregistry shall be selected and appointed in state-initiated paternity cases only.

(e) The superior court shall remove any person from the guardian ad litem registry who ((misrepresents)) has been found to have misrepresented his or her qualifications ((pursuant to a grievance procedure established by the court)).

3. The rotational registry system shall not apply to court-appointed special advocate programs.

CHAPTER 481
[Senate Bill 5354]
PUBLIC HOSPITAL CAPITAL FACILITY AREAS

AN ACT Relating to public hospital capital facility areas; adding a new chapter to Title 70 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. PURPOSE. The legislature finds that it is in the interests of the people of the state of Washington to be able to establish public hospital capital facility areas as quasi-municipal corporations and independent taxing units existing within the boundaries of counties composed entirely of islands that receive medical services from an existing public hospital district but are not annexed to an existing public hospital district for the purpose of financing the construction, additions, or betterments of capital hospital facilities or other capital health care facilities.

NEW SECTION. Sec. 2. DEFINITIONS. (1) "Public hospital capital facility area" means a quasi-municipal corporation and independent taxing authority within the meaning of Article VII, section 1 of the state Constitution, and a taxing district within the meaning of Article VII, section 2 of the state Constitution, created by a county legislative authority of a county composed entirely of islands that receives medical services from a hospital district, but is prevented by geography and the absence of contiguous boundaries from annexing to that district. A public hospital capital facility area may include all or a portion of a city or town.

(2) "Hospital capital facilities" include both real and personal property including land, buildings, site improvements, equipment, furnishings, collections, and all necessary costs related to acquisition, financing, design, construction, equipping, and remodeling.

(3) "Other capital health care facilities" means nursing home, extended care, long-term care, outpatient and rehabilitative facilities, ambulances, and such other facilities as are appropriate to the health needs of the population served.

NEW SECTION. Sec. 3. ESTABLISHING A PUBLIC HOSPITAL CAPITAL FACILITY AREA—BALLOT PROPOSITIONS. (1)(a) Upon receipt of a completed petition to both establish a public hospital capital facility area and submit a ballot proposition under section 7 of this act to finance public hospital capital facilities and other capital health care facilities, the legislative authority of the county in which a proposed public hospital capital facility area is to be established shall submit separate ballot propositions to voters to authorize establishing the proposed public hospital capital facility area and authorizing the public hospital capital facility area, if established, to finance public hospital capital facilities or other capital health care facilities by issuing general indebtedness and imposing excess levies to retire the indebtedness. A petition submitted under this section must be accompanied by a written request to
establish a public hospital capital facility area that is signed by a majority of the commissioners of the public hospital district serving the proposed area.

(b) The ballot propositions must be submitted to voters of the proposed public hospital capital facility area at a general or special election. If the proposed election date is not a general election, the county legislative authority is encouraged to request an election when another unit of local government with territory located in the proposed public hospital capital facility area is already holding a special election under RCW 29A.04.330. Approval of the ballot proposition to create a public hospital capital facility area requires a simple majority vote by the voters participating in the election.

(2) A completed petition submitted under this section must include:

(a) A description of the boundaries of the public hospital capital facility area; and

(b) A copy of a resolution of the legislative authority of each city, town, and hospital district with territory in the proposed public hospital capital facility area indicating both: (i) Approval of the creation of the proposed public hospital capital facility area; and (ii) agreement on how election costs will be paid for ballot propositions to voters that authorize the public hospital capital facility area to incur general indebtedness and impose excess levies to retire the general indebtedness.

NEW SECTION. Sec. 4. PETITION FOR LESSER AREA—PROCEDURE. Any petition for the formation of a public hospital capital facility area may describe an area less than the entire county in which the petition is filed, the boundaries of which must follow the then existing precinct boundaries and not divide any voting precinct; and in the event that a petition is filed containing not less than ten percent of the voters of the proposed public hospital capital facility area who voted at the last general election, certified by the auditor in like manner as for a countywide district, the board of county commissioners shall fix a date for a hearing on the petition, and shall publish the petition, without the signatures thereto appended, for two weeks prior to the date of the hearing, together with a notice stating the time of the meeting when the petition will be heard. Publications required by this chapter must be in a newspaper published in the proposed public hospital capital facility area, or, if there be no such newspaper, then in a newspaper published in the county in which the public hospital capital facility area is situated, and of general circulation in that county. The hearing on the petition may be adjourned from time to time, not exceeding four weeks in all. If upon the final hearing the board of county commissioners finds that any lands have been unjustly or improperly included within the proposed public hospital capital facility area the board shall change and fix the boundary lines in such manner as it deems reasonable and just and conducive to the welfare and convenience, and make and enter an order establishing and defining the boundary lines of the proposed public hospital capital facility area: PROVIDED, That no lands may be included within the boundaries so fixed lying outside the boundaries described in the petition, except upon the written request of the owners of those lands.

NEW SECTION. Sec. 5. GOVERNING BODY. The governing body of the public hospital capital facility area must consist of three members of the county legislative authority from each county in which the public hospital
capital facility area is located. In counties that have more than three members of their legislative body, the three members who serve on the governing body of the public hospital capital facility area must be chosen by the full membership of the county legislative authority.

NEW SECTION. Sec. 6. AUTHORITY TO CONSTRUCT, ACQUIRE, PURCHASE, MAINTAIN, ADD TO, AND REMODEL FACILITIES—INTERLOCAL AGREEMENTS—LEGAL TITLE. A public hospital capital facility area may construct, acquire, purchase, maintain, add to, and remodel public hospital capital facilities, and the governing body of the public hospital capital facility area may, by interlocal agreement or otherwise, contract with a county, city, town, or public hospital district to design, administer the construction of, operate, or maintain a public hospital capital facility or other capital health care facility financed pursuant to this chapter. Legal title to public hospital capital facilities or other capital health care facilities acquired or constructed pursuant to this chapter may be transferred, acquired, or held by the public hospital capital facility area or by a county, city, town, or public hospital district in which the facility is located and receives service.

NEW SECTION. Sec. 7. FINANCING—BONDS AUTHORIZED. (1) A public hospital capital facility area may contract indebtedness or borrow money to finance public hospital capital facilities and other capital health care facilities and may issue general obligation bonds for such purpose not exceeding an amount, together with any existing indebtedness of the public hospital capital facility area, equal to one and one-quarter percent of the value of the taxable property in the public hospital capital facility area and impose excess property tax levies to retire the general indebtedness as provided in RCW 39.36.050 if a ballot proposition authorizing both the indebtedness and excess levies is approved by at least three-fifths of the voters of the public hospital capital facility area voting on the proposition, and the total number of voters voting on the proposition constitutes not less than forty percent of the total number of voters in the public hospital capital facility area voting at the last preceding general election. The term "value of the taxable property" has the meaning set forth in RCW 39.36.015. The proposition must be submitted to voters at a general or special election and may be submitted to voters at the same election as the election when the ballot proposition authorizing the establishing of the public hospital capital facility area is submitted. If the proposed election date is not a general election, the county legislative authority is encouraged to request an election when another unit of local government with territory located in the proposed public hospital capital facility area is already holding a special election under RCW 29A.04.330.

(2) A public hospital capital facility area may accept gifts or grants of money or property of any kind for the same purposes for which it is authorized to borrow money in subsection (1) of this section.

NEW SECTION. Sec. 8. DISSOLUTION OF PUBLIC HOSPITAL CAPITAL FACILITY AREA. (1) A public hospital capital facility area may be dissolved by a majority vote of the governing body when all obligations under any general obligation bonds issued by the public hospital capital facility area have been discharged and any other contractual obligations of the public hospital...
capital facility area have either been discharged or assumed by another governmental entity.

(2) A public hospital capital facility area must be dissolved by the governing body if the first two ballot propositions under section 7 of this act that are submitted to voters are not approved.

NEW SECTION. Sec. 9. LIMITATIONS ON LEGAL CHALLENGES. Unless commenced within thirty days after the date of the filing of the certificate of the canvass of an election on the proposition of creating a new public hospital capital facility area pursuant to this chapter, no lawsuit whatever may be maintained challenging in any way the legal existence of the public hospital capital facility area or the validity of the proceedings had for the organization and creation thereof. If the creation of a public hospital capital facility area is not challenged within the period specified in this section, the public hospital capital facility area conclusively must be deemed duly and regularly organized under the laws of this state.

NEW SECTION. Sec. 10. TREASURER—DUTIES—FUNDS—DEPOSITARIES—SURETY BONDS, COST. (1) The treasurer of the county in which a public hospital capital facility area is located shall be treasurer of the public hospital capital facility area, except that the commission of the public hospital district in which the facility area is located by resolution may designate some other person having experience in financial or fiscal matters as treasurer of the public hospital capital facility area. If the treasurer is not the county treasurer, the commission shall require a bond, with a surety company authorized to do business in the state of Washington, in an amount and under the terms and conditions which the commission by resolution from time to time finds will protect the public hospital capital facility area against loss. The premium on any such bond must be paid by the public hospital capital facility area.

(2) All public hospital capital facility area funds must be paid to the treasurer and must be disbursed by him or her only on warrants issued by an auditor appointed by the commission, upon orders or vouchers approved by it. The treasurer shall establish a public hospital capital facility area fund, into which all public hospital capital facility area funds must be paid, and he or she shall maintain such special funds as may be created by the commission, into which he or she shall place all money as the commission may, by resolution, direct.

(3) If the treasurer of the district is the treasurer of the county all public hospital capital facility area funds must be deposited with the county depositaries under the same restrictions, contracts, and security as provided for county depositaries. If the treasurer of the public hospital capital facility area is some other person, all funds must be deposited in a bank or banks authorized to do business in this state as the commission by resolution designates, and with surety bond to the public hospital capital facility area or securities in lieu thereof of the kind, no less in amount, for deposit of county funds. The surety bond or securities in lieu thereof must be filed or deposited with the treasurer of the public hospital capital facility area, and approved by resolution of the commission.
(4) All interest collected on public hospital capital facility area funds belong to the public hospital capital facility area and be deposited to its credit in the proper public hospital capital facility area funds.

(5) A public hospital capital facility area may provide and require a reasonable bond of any other person handling moneys or securities of the public hospital capital facility area. The public hospital capital facility area may pay the premium on the bond.

NEW SECTION. Sec. 11. CONTRACTING WITH OTHER ENTITIES TO PROVIDE SERVICES FACILITIES. Any public hospital capital facility area may contract or join with any public hospital district, publicly owned hospital, nonprofit hospital, legal entity, or individual to acquire, own, operate, manage, or provide any hospital or other health care facilities or hospital services or other health care services to be used by individuals, districts, hospitals, or others, including providing health maintenance services. If a public hospital capital facility area chooses to contract or join with another party or parties pursuant to the provisions of this chapter, it may do so through establishing a nonprofit corporation, partnership, limited liability company, or other legal entity of its choosing in which the public hospital capital facility area and the other party or parties participate. The governing body of the legal entity must include representatives of the public hospital capital facility area, which representatives may include members of the public hospital district's board of commissioners. A public hospital capital facility area contracting or joining with another party pursuant to the provisions of this chapter may appropriate funds and may sell, lease, or otherwise provide property, personnel, and services to the legal entity established to carry out the contract or joint activity.

NEW SECTION. Sec. 12. Sections 1 through 11 of this act constitute a new chapter in Title 70 RCW.

NEW SECTION. Sec. 13. Captions used in this act are not any part of the law.

NEW SECTION. Sec. 14. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

CHAPTER 482
[Substitute Senate Bill 5431]
OUT-OF-HOME CARE—SUBSEQUENT FOSTER HOME PLACEMENT

AN ACT Relating to subsequent foster family home placements; amending RCW 74.13.290; and adding a new section to chapter 13.34 RCW.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 74.13.290 and 1990 c 284 s 11 are each amended to read as follows:
(1) To provide stability to children in out-of-home care, placement selection shall be made with a view toward the fewest possible placements for each child. If possible, the initial placement shall be viewed as the only placement for the child. Pursuant to RCW 13.34.060 and 13.34.130, placement of the child with a relative or other suitable person is the preferred option. The use of short-term interim placements of thirty days or less to protect the child's health or safety while the placement of choice is being arranged is not a violation of this principle.

(2) If a child has been previously placed in out-of-home care and is subsequently returned to out-of-home care, and the department cannot locate an appropriate and available relative or other suitable person, the preferred placement for the child is in a foster family home where the child previously was placed, if the following conditions are met:

(a) The foster family home is available and willing to care for the child;
(b) The foster family is appropriate and able to meet the child's needs; and
(c) The placement is in the best interest of the child.

NEW SECTION. Sec. 2. A new section is added to chapter 13.34 RCW to read as follows:
If a child has been previously placed in out-of-home care and is subsequently returned to out-of-home care, and the department cannot locate an appropriate and available relative or other suitable person, the preferred placement for the child is in a foster family home where the child previously was placed, if the following conditions are met:

(1) The foster family home is available and willing to care for the child;

CHAPTER 483
[Senate Bill 5470]
SALES AND USE TAX EXEMPTION—LOW-INCOME SENIOR CITIZENS

AN ACT Relating to providing sales and use tax exemptions for senior residents of qualified low-income senior housing facilities; amending RCW 82.08.0293, 82.08.195, 82.12.0293, and 82.12.195; creating a new section; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that low-income senior citizens are one of the most vulnerable segments of our population who often find it difficult to find safe and clean housing that is also affordable. The federal government has identified this population as being at risk. The federal government provides income tax credits and favorable financing to encourage developers and operators to provide safe and clean housing for our low-income senior citizens. There are only four such facilities in the state, and it is doubtful that any new ones will be built in the future. These four facilities offer "service packages" to their residents, which may include meals, housekeeping,
recreation, laundry, and transportation. Washington's sales and use tax law provides generally that when multiple goods and services are offered for one nonitemized price, the entire transaction is subject to sales or use tax if any of the component goods or services are subject to sales tax. Consequently, in order to provide tax relief to these vulnerable tenants, the legislature intends to establish sales and use tax exemptions for the sale of service packages and to meals sold outside of a service package when provided by the lessor or operator of these senior housing facilities to tenants who are at least sixty-two years old.

Sec. 2. RCW 82.08.0293 and 2004 c 153 s 201 are each amended to read as follows:

(1) The tax levied by RCW 82.08.020 shall not apply to sales of food and food ingredients. "Food and food ingredients" means substances, whether in liquid, concentrated, solid, frozen, dried, or dehydrated form, that are sold for ingestion or chewing by humans and are consumed for their taste or nutritional value. "Food and food ingredients" does not include:

(a) "Alcoholic beverages," which means beverages that are suitable for human consumption and contain one-half of one percent or more of alcohol by volume; and

(b) "Tobacco," which means cigarettes, cigars, chewing or pipe tobacco, or any other item that contains tobacco.

(2) The exemption of "food and food ingredients" provided for in subsection (1) of this section shall not apply to prepared food, soft drinks, or dietary supplements.

(a) "Prepared food" means:

(i) Food sold in a heated state or heated by the seller;

(ii) Food sold with eating utensils provided by the seller, including plates, knives, forks, spoons, glasses, cups, napkins, or straws. A plate does not include a container or packaging used to transport the food; or

(iii) Two or more food ingredients mixed or combined by the seller for sale as a single item, except:

(A) Food that is only cut, repackaged, or pasteurized by the seller; or

(B) Raw eggs, fish, meat, poultry, and foods containing these raw animal foods requiring cooking by the consumer as recommended by the federal food and drug administration in chapter 3, part 401.11 of The Food Code, published by the food and drug administration, as amended or renumbered as of January 1, 2003, so as to prevent foodborne illness.

(b) "Prepared food" does not include the following food or food ingredients, if the food or food ingredients are sold without eating utensils provided by the seller:

(i) Food sold by a seller whose proper primary North American industry classification system (NAICS) classification is manufacturing in sector 311, except subsector 3118 (bakeries), as provided in the "North American industry classification system—United States, 2002";

(ii) Food sold in an unheated state by weight or volume as a single item; or

(iii) Bakery items. The term "bakery items" includes bread, rolls, buns, biscuits, bagels, croissants, pastries, donuts, Danish, cakes, tortes, pies, tarts, muffins, bars, cookies, or tortillas.

(c) "Soft drinks" means nonalcoholic beverages that contain natural or artificial sweeteners. Soft drinks do not include beverages that contain: Milk or...
milk products; soy, rice, or similar milk substitutes; or greater than fifty percent of vegetable or fruit juice by volume.

(d) "Dietary supplement" means any product, other than tobacco, intended to supplement the diet that:

(i) Contains one or more of the following dietary ingredients:
(A) A vitamin;
(B) A mineral;
(C) An herb or other botanical;
(D) An amino acid;
(E) A dietary substance for use by humans to supplement the diet by increasing the total dietary intake; or
(F) A concentrate, metabolite, constituent, extract, or combination of any ingredient described in this subsection;

(ii) Is intended for ingestion in tablet, capsule, powder, softgel, gelcap, or liquid form, or if not intended for ingestion in such form, is not represented as conventional food and is not represented for use as a sole item of a meal or of the diet; and

(iii) Is required to be labeled as a dietary supplement, identifiable by the "supplement facts" box found on the label as required pursuant to 21 C.F.R. Sec. 101.36, as amended or renumbered as of January 1, 2003.

(3) Notwithstanding anything in this section to the contrary, the exemption of "food and food ingredients" provided in this section shall apply to food and food ingredients that are furnished, prepared, or served as meals:

(a) Under a state administered nutrition program for the aged as provided for in the Older Americans Act (P.L. 95-478 Title III) and RCW 74.38.040(6);

(b) That are provided to senior citizens, individuals with disabilities, or low-income persons by a not-for-profit organization organized under chapter 24.03 or 24.12 RCW; or

(c) That are provided to residents, sixty-two years of age or older, of a qualified low-income senior housing facility by the lessor or operator of the facility. The sale of a meal that is billed to both spouses of a marital community or both domestic partners of a domestic partnership meets the age requirement in this subsection (3)(c) if at least one of the spouses or domestic partners is at least sixty-two years of age. For purposes of this subsection, "qualified low-income senior housing facility" means a facility:

(i) That meets the definition of a qualified low-income housing project under Title 26 U.S.C. Sec. 42 of the federal internal revenue code, as existing on the effective date of this act;
(ii) That has been partially funded under Title 42 U.S.C. Sec. 1485 of the federal internal revenue code; and
(iii) For which the lessor or operator has at any time been entitled to claim a federal income tax credit under Title 26 U.S.C. Sec. 42 of the federal internal revenue code.

(4)(a) Subsection (1) of this section notwithstanding, the retail sale of food and food ingredients is subject to sales tax under RCW 82.08.020 if the food and food ingredients are sold through a vending machine, and in this case the selling price for purposes of RCW 82.08.020 is fifty-seven percent of the gross receipts.
(b) This subsection (4) does not apply to hot prepared food and food ingredients, other than food and food ingredients which are heated after they have been dispensed from the vending machine.

(c) For tax collected under this subsection (4), the requirements that the tax be collected from the buyer and that the amount of tax be stated as a separate item are waived.

Sec. 3. RCW 82.08.195 and 2007 c 6 s 1402 are each amended to read as follows:

(1) Except as provided in subsection (6) of this section, a bundled transaction is subject to the tax imposed by RCW 82.08.020 if the retail sale of any of its component products would be subject to the tax imposed by RCW 82.08.020.

(2) The transactions described in RCW 82.08.190(4) (a) and (b) are subject to the tax imposed by RCW 82.08.020 if the service that is the true object of the transaction is subject to the tax imposed by RCW 82.08.020. If the service that is the true object of the transaction is not subject to the tax imposed by RCW 82.08.020, the transaction is not subject to the tax imposed by RCW 82.08.020.

(3) The transaction described in RCW 82.08.190(4)(c) is not subject to the tax imposed by RCW 82.08.020.

(4) The transaction described in RCW 82.08.190(4)(d) is not subject to the tax imposed by RCW 82.08.020.

(5) In the case of a bundled transaction that includes any of the following: Telecommunications service, ancillary service, internet access, or audio or video programming service:

(a) If the price is attributable to products that are taxable and products that are not taxable, the portion of the price attributable to the nontaxable products are subject to the tax imposed by RCW 82.08.020 unless the seller can identify by reasonable and verifiable standards the portion from its books and records that are kept in the regular course of business for other purposes including, but not limited to, nontax purposes;

(b) If the price is attributable to products that are subject to tax at different tax rates, the total price is attributable to the products subject to the tax at the highest tax rate unless the seller can identify by reasonable and verifiable standards the portion of the price attributable to the products subject to the tax imposed by RCW 82.08.020 at the lower rate from its books and records that are kept in the regular course of business for other purposes including, but not limited to, nontax purposes.

(6) The tax imposed by RCW 82.08.020 does not apply in respect to a bundled transaction consisting entirely of the sale of services or of services and prepared food, if the sale is to a resident, sixty-two years of age or older, of a qualified low-income senior housing facility by the lessor or operator of the facility. A single bundled transaction involving both spouses of a marital community or both domestic partners of a domestic partnership meets the age requirement in this subsection if at least one of the spouses or domestic partners is at least sixty-two years of age. For purposes of this subsection, "qualified low-income senior housing facility" has the same meaning as in RCW 82.08.0293.
Sec. 4. RCW 82.12.0293 and 2003 c 168 s 303 are each amended to read as follows:

(1) The provisions of this chapter shall not apply in respect to the use of food and food ingredients for human consumption. "Food and food ingredients" has the same meaning as in RCW 82.08.0293.

(2) The exemption of "food and food ingredients" provided for in subsection (1) of this section shall not apply to prepared food, soft drinks, or dietary supplements. "Prepared food," "soft drinks," and "dietary supplements" have the same meanings as in RCW 82.08.0293.

(3) Notwithstanding anything in this section to the contrary, the exemption of "food and food ingredients" provided in this section shall apply to food and food ingredients which are furnished, prepared, or served as meals:

(a) Under a state administered nutrition program for the aged as provided for in the older americans act (P.L. 95-478 Title III) and RCW 74.38.040(6);

(b) Which are provided to senior citizens, individuals with disabilities, or low-income persons by a not-for-profit organization organized under chapter 24.03 or 24.12 RCW; or

(c) That are provided to residents, sixty-two years of age or older, of a qualified low-income senior housing facility by the lessor or operator of the facility. The sale of a meal that is billed to both spouses of a marital community or both domestic partners of a domestic partnership meets the age requirement in this subsection (3)(c) if at least one of the spouses or domestic partners is at least sixty-two years of age. For purposes of this subsection, "qualified low-income senior housing facility" has the same meaning as in RCW 82.08.0293.

Sec. 5. RCW 82.12.195 and 2007 c 6 s 1403 are each amended to read as follows:

(1) Except as provided in subsection (5) of this section, the use of each product acquired in a bundled transaction is subject to the tax imposed by RCW 82.12.020 if the use of any of its component products is subject to the tax imposed by RCW 82.12.020.

(2) The use of each product acquired in a transaction described in RCW 82.08.190(4)(a) or (b) is subject to the tax imposed by RCW 82.12.020 if the service that is the true object of the transaction is subject to the tax imposed by RCW 82.12.020. If the service that is the true object of the transaction is not subject to the tax imposed by RCW 82.12.020, the use of each product acquired in the transaction is not subject to the tax imposed by RCW 82.12.020.

(3) The use of each product acquired in a transaction described in RCW 82.08.190(4)(c) is not subject to the tax imposed by RCW 82.12.020.

(4) The use of each product in a transaction described in RCW 82.08.190(4)(d) is not subject to the tax imposed by RCW 82.12.020.

(5) The tax imposed by RCW 82.12.020 does not apply in respect to the use of each product acquired in a bundled transaction consisting entirely of the sale of services or of services and prepared food, if the products are provided to a resident, sixty-two years of age or older, of a qualified low-income senior housing facility by the lessor or operator of the facility. A single bundled transaction involving both spouses of a marital community or both domestic partners of a domestic partnership meets the age requirement in this subsection if at least one of the spouses or domestic partners is at least sixty-two years of age.
For purposes of this subsection, "qualified low-income senior housing facility" has the same meaning as in RCW 82.08.0293.

DEPENDENCY PROCEEDINGS—NOTIFICATION

AN ACT Relating to notification in dependency matters; and adding a new section to chapter 13.34 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION, Sec. 1. A new section is added to chapter 13.34 RCW to read as follows:

(1) After entry of a dispositional order pursuant to RCW 13.34.130 ordering placement of a child in out-of-home care, the department shall continue to encourage the parent, guardian, or custodian of the child to engage in services and maintain contact with the child, which shall be accomplished by attaching a standard notice to the services and safety plan to be provided in advance of hearings conducted pursuant to RCW 13.34.138.

(2) The notice shall be photocopied on contrasting paper to distinguish it from the services and safety plan to which it is attached, and shall be in substantially the following form:

"NOTICE

If you have not been maintaining consistent contact with your child in out-of-home care, your ability to reunify with your child may be jeopardized. If this is your situation, you need to be aware that you have important legal rights and must take steps to protect your interests.

1. The department of social and health services (or other supervising agency) and the court have created a permanency plan for your child, including a primary placement plan and a secondary placement plan, and recommending services needed before your child can be placed in the primary or secondary placement. If you want the court to order that your child be reunified with you, you should notify your lawyer and the department, and you should carefully comply with court orders for services and participate regularly in visitation with your child. Failure to promptly engage in services or to maintain contact with your child may lead to the filing of a petition to terminate your rights as a parent.

2. Primary and secondary permanency plans are intended to run at the same time so that your child will have a permanent home as quickly as possible. Even if you want another parent or person to be the primary placement choice for your child, you should tell your lawyer, the department, and the court if you want to be the secondary placement option, and you should comply with any court orders for services and participate in visitation with your child. Early and
consistent involvement in your child's case plan is important for the well-being of your child.

3. Dependency review hearings, and all other dependency case hearings, are legal proceedings with potentially serious consequences. Failure to participate, respond, or comply with court orders may lead to the loss of your parental rights."

AN ACT Relating to protecting consumer data in motor vehicles; amending RCW 46.63.020; adding a new chapter to Title 46 RCW; prescribing penalties; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Recording device" means an electronic system, and the physical device or mechanism containing the electronic system, that primarily, or incidental to its primary function, preserves or records, in electronic form, data collected by sensors or provided by other systems within a motor vehicle. "Recording device" includes event data recorders, sensing and diagnostic modules, electronic control modules, automatic crash notification systems, geographic information systems, and any other device that records and preserves data that can be accessed related to that motor vehicle. "Recording device" does not include onboard diagnostic systems whose exclusive function is to capture fault codes used to diagnose or service the motor vehicle.

(2) "Owner" means:
(a) A person having all the incidents of ownership, including legal title, of a motor vehicle, whether or not the person lends, rents, or creates a security interest in the motor vehicle;
(b) A person entitled to the possession of a motor vehicle as the purchaser under a security agreement;
(c) A person entitled to possession of a motor vehicle as a lessee pursuant to a written lease agreement for a period of more than three months; or
(d) If a third party requests access to a recording device to investigate a collision, the owner of the motor vehicle at the time the collision occurred.

NEW SECTION. Sec. 2. (1) A manufacturer of a motor vehicle sold or leased in this state, that is equipped with one or more recording devices, shall disclose in the owner's manual that the motor vehicle is equipped with one or more recording devices and, if so, the type of data recorded and whether the recording device or devices have the ability to transmit information to a central communications system or other external device.
(2) If a recording device is used as part of a subscription service, the subscription service agreement must disclose the type of information that the device may record or transmit.

(3) A disclosure made in writing is deemed a disclosure in the owner's manual.

(4) If a recording device is to be installed in a vehicle aftermarket, the manufacturer or distributor of the device shall disclose in the product manual the type of information that the device may record and whether the recording device has the ability to transmit information to a central communications system or other external device.

(5) A disclosure made in writing is deemed a disclosure in the product manual.

NEW SECTION. Sec. 3. (1) Information recorded or transmitted by a recording device may not be retrieved, downloaded, scanned, read, or otherwise accessed by a person other than the owner of the motor vehicle in which the recording device is installed except:

(a) Upon a court order or pursuant to discovery. Any information recorded or transmitted by a recording device and obtained by a court order or pursuant to discovery is private and confidential and is not subject to public disclosure;

(b) With the consent of the owner, given for a specific instance of access, for any purpose;

(c) For improving motor vehicle safety, including medical research on the human body's reaction to motor vehicle collisions, if the identity of the motor vehicle or the owner or driver of the motor vehicle is not disclosed in connection with the retrieved information;

(d) For determining the need for or facilitating emergency medical response if a motor vehicle collision occurs, provided that the information retrieved is used solely for medical purposes; or

(e) For subscription services pursuant to an agreement in which disclosure required under section 2 of this act has been made, provided that the information retrieved is used solely for the purposes of fulfilling the subscription service.

(2) For the purposes of subsection (1)(c) of this section:

(a) The disclosure of a motor vehicle's vehicle identification number with the last six digits deleted or redacted is not a disclosure of the identity of the owner or driver; and

(b) Retrieved information may only be disclosed to a data processor.

(3) Information that can be associated with an individual and that is recorded or transmitted by a recording device may not be sold to a third party unless the owner of the information explicitly grants permission for the sale.

(4) Any person who violates this section is guilty of a misdemeanor.

NEW SECTION. Sec. 4. The legislature finds that the practices covered by this chapter are matters vitally affecting the public interest for the purpose of applying chapter 19.86 RCW. A violation of this chapter is not reasonable in relation to the development and preservation of business and is an unfair or deceptive act in trade or commerce and an unfair method of competition for the purpose of applying chapter 19.86 RCW.

NEW SECTION. Sec. 5. A manufacturer of a motor vehicle sold or leased in this state that is equipped with a recording device shall ensure by licensing
agreement or other means that a tool or tools are available that are capable of accessing and retrieving the information stored in a recording device. The tool or tools must be commercially available no later than ninety days after the effective date of this section.

CHAPTER 491
[Engrossed Substitute Senate Bill 5811]
DEPENDENCY MATTERS—PLACEMENT OF CHILDREN

AN ACT Relating to foster child placements; amending RCW 13.34.065, 13.34.145, 13.34.260, 74.13.031, 74.13.109, 74.13.250, and 74.13.333; reenacting and amending RCW 13.34.130 and 13.34.138; adding a new section to chapter 13.34 RCW; and adding a new section to chapter 74.13 RCW.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 13.34.065 and 2008 c 267 s 2 are each amended to read as follows:

(1)(a) When a child is taken into custody, the court shall hold a shelter care hearing within seventy-two hours, excluding Saturdays, Sundays, and holidays. The primary purpose of the shelter care hearing is to determine whether the child can be immediately and safely returned home while the adjudication of the dependency is pending.

(b) Any parent, guardian, or legal custodian who for good cause is unable to attend the shelter care hearing may request that a subsequent shelter care hearing be scheduled. The request shall be made to the clerk of the court where the petition is filed prior to the initial shelter care hearing. Upon the request of the parent, the court shall schedule the hearing within seventy-two hours of the request, excluding Saturdays, Sundays, and holidays. The clerk shall notify all other parties of the hearing by any reasonable means.

(2)(a) The department of social and health services shall submit a recommendation to the court as to the further need for shelter care in all cases in which it is the petitioner. In all other cases, the recommendation shall be submitted by the juvenile court probation counselor.

(b) All parties have the right to present testimony to the court regarding the need or lack of need for shelter care.

(c) Hearsay evidence before the court regarding the need or lack of need for shelter care must be supported by sworn testimony, affidavit, or declaration of the person offering such evidence.

(3)(a) At the commencement of the hearing, the court shall notify the parent, guardian, or custodian of the following:

(i) The parent, guardian, or custodian has the right to a shelter care hearing;

(ii) The nature of the shelter care hearing, the rights of the parents, and the proceedings that will follow; and

(iii) If the parent, guardian, or custodian is not represented by counsel, the right to be represented. If the parent, guardian, or custodian is indigent, the court shall appoint counsel as provided in RCW 13.34.090; and

(b) If a parent, guardian, or legal custodian desires to waive the shelter care hearing, the court shall determine, on the record and with the parties present, whether such waiver is knowing and voluntary. A parent may not waive his or her right to the shelter care hearing unless he or she appears in court and the court determines that the waiver is knowing and voluntary. Regardless of whether the court accepts the parental waiver of the shelter care hearing, the court must provide notice to the parents of their rights required under (a) of this subsection and make the finding required under subsection (4) of this section.

(4) At the shelter care hearing the court shall examine the need for shelter care and inquire into the status of the case. The paramount consideration for the
court shall be the health, welfare, and safety of the child. At a minimum, the court shall inquire into the following:

(a) Whether the notice required under RCW 13.34.062 was given to all known parents, guardians, or legal custodians of the child. The court shall make an express finding as to whether the notice required under RCW 13.34.062 was given to the parent, guardian, or legal custodian. If actual notice was not given to the parent, guardian, or legal custodian and the whereabouts of such person is known or can be ascertained, the court shall order the supervising agency or the department of social and health services to make reasonable efforts to advise the parent, guardian, or legal custodian of the status of the case, including the date and time of any subsequent hearings, and their rights under RCW 13.34.090;

(b) Whether the child can be safely returned home while the adjudication of the dependency is pending;

(c) What efforts have been made to place the child with a relative. The court shall ask the parents whether the department discussed with them the placement of the child with a relative or other suitable person described in RCW 13.34.130(1)(b) and shall determine what efforts have been made toward such a placement;

(d) What services were provided to the family to prevent or eliminate the need for removal of the child from the child's home;

(e) Is the placement proposed by the agency the least disruptive and most family-like setting that meets the needs of the child;

(f) Whether it is in the best interest of the child to remain enrolled in the school, developmental program, or child care the child was in prior to placement and what efforts have been made to maintain the child in the school, program, or child care if it would be in the best interest of the child to remain in the same school, program, or child care;

(g) Appointment of a guardian ad litem or attorney;

(h) Whether the child is or may be an Indian child as defined in 25 U.S.C. Sec. 1903, whether the provisions of the Indian child welfare act apply, and whether there is compliance with the Indian child welfare act, including notice to the child's tribe;

(i) Whether, as provided in RCW 26.44.063, restraining orders, or orders expelling an allegedly abusive household member from the home of a nonabusive parent, guardian, or legal custodian, will allow the child to safely remain in the home;

(j) Whether any orders for examinations, evaluations, or immediate services are needed. The court may not order a parent to undergo examinations, evaluation, or services at the shelter care hearing unless the parent agrees to the examination, evaluation, or service;

(k) The terms and conditions for parental, sibling, and family visitation.

(5)(a) The court shall release a child alleged to be dependent to the care, custody, and control of the child's parent, guardian, or legal custodian unless the court finds there is reasonable cause to believe that:

(i) After consideration of the specific services that have been provided, reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and
(ii)(A) The child has no parent, guardian, or legal custodian to provide supervision and care for such child; or

(B) The release of such child would present a serious threat of substantial harm to such child, notwithstanding an order entered pursuant to RCW 26.44.063; or

(C) The parent, guardian, or custodian to whom the child could be released has been charged with violating RCW 9A.40.060 or 9A.40.070.

(b) If the court does not release the child to his or her parent, guardian, or legal custodian, the court shall order placement with a relative or other suitable person as described in RCW 13.34.130(1)(b), unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized or that the efforts to reunite the parent and child will be hindered. The court must also determine whether placement with the relative or other suitable person is in the child's best interests. The relative or other suitable person must be willing and available to:

(i) Care for the child and be able to meet any special needs of the child;

(ii) Facilitate the child's visitation with siblings, if such visitation is part of the supervising agency's plan or is ordered by the court; and

(iii) Cooperate with the department in providing necessary background checks and home studies.

(c) If the child was not initially placed with a relative or other suitable person, and the court does not release the child to his or her parent, guardian, or legal custodian, the supervising agency shall make reasonable efforts to locate a relative or other suitable person pursuant to RCW 13.34.060(1).

(d) If a relative or other suitable person is not available, the court shall order continued shelter care and shall set forth its reasons for the order. If the court orders placement of the child with a person not related to the child and not licensed to provide foster care, the placement is subject to all terms and conditions of this section that apply to relative placements.

(e) Any placement with a relative, or other suitable person approved by the court pursuant to this section, shall be contingent upon cooperation with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order is grounds for removal of the child from the home of the relative or other suitable person, subject to review by the court.

(f) Uncertainty by a parent, guardian, legal custodian, relative, or other suitable person that the alleged abuser has in fact abused the child shall not, alone, be the basis upon which a child is removed from the care of a parent, guardian, or legal custodian under (a) of this subsection, nor shall it be a basis, alone, to preclude placement with a relative or other suitable person under (b) of this subsection (or with another suitable person under (d) of this subsection).

(6)(a) A shelter care order issued pursuant to this section shall include the requirement for a case conference as provided in RCW 13.34.067. However, if the parent is not present at the shelter care hearing, or does not agree to the case conference, the court shall not include the requirement for the case conference in the shelter care order.
(b) If the court orders a case conference, the shelter care order shall include notice to all parties and establish the date, time, and location of the case conference which shall be no later than thirty days before the fact-finding hearing.

(c) The court may order another conference, case staffing, or hearing as an alternative to the case conference required under RCW 13.34.067 so long as the conference, case staffing, or hearing ordered by the court meets all requirements under RCW 13.34.067, including the requirement of a written agreement specifying the services to be provided to the parent.

(7)(a) A shelter care order issued pursuant to this section may be amended at any time with notice and hearing thereon. The shelter care decision of placement shall be modified only upon a showing of change in circumstances. No child may be placed in shelter care for longer than thirty days without an order, signed by the judge, authorizing continued shelter care.

(b)(i) An order releasing the child on any conditions specified in this section may at any time be amended, with notice and hearing thereon, so as to return the child to shelter care for failure of the parties to conform to the conditions originally imposed.

(ii) The court shall consider whether nonconformance with any conditions resulted from circumstances beyond the control of the parent, guardian, or legal custodian and give weight to that fact before ordering return of the child to shelter care.

(8)(a) If a child is returned home from shelter care a second time in the case, or if the supervisor of the caseworker deems it necessary, the multidisciplinary team may be reconvened.

(b) If a child is returned home from shelter care a second time in the case a law enforcement officer must be present and file a report to the department.

Sec. 2. RCW 13.34.130 and 2007 c 413 s 6 and 2007 c 412 s 2 are each reenacted and amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030 after consideration of the social study prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In determining the disposition, the court should choose those services, including housing assistance, that least interfere with family autonomy and are adequate to protect the child.

(b) Order the child to be removed from his or her home and into the custody, control, and care of a relative or other suitable person or the department or a licensed child placing agency for supervision of the child's placement. The department or agency supervising the child's placement has the authority to place the child, subject to review and approval by the court (i) with a relative as defined in RCW 74.15.020(2)(a), (ii) in a foster family home or group care...
facility licensed pursuant to chapter 74.15 RCW, or (iii)) in the home of another suitable person if the child or family has a preexisting relationship with that person, and the person has completed all required criminal history background checks and otherwise appears to the department or supervising agency to be suitable and competent to provide care for the child, or (iii) in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW. Absent good cause, the department or supervising agency shall follow the wishes of the natural parent regarding the placement of the child in accordance with RCW 13.34.260. The department or supervising agency may only place a child with a person not related to the child as defined in RCW 74.15.020(2)(a) when the court finds that such placement is in the best interest of the child. Unless there is reasonable cause to believe that the health, safety, or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, ((such)) the child shall be placed with a person who is: (A) Related to the child as defined in RCW 74.15.020(2)(a) with whom the child has a relationship and is comfortable; or (B) a suitable person as described in this subsection (1)(b); and (((B))) (C) willing, appropriate, and available to care for the child. The court shall consider the child's existing relationships and attachments when determining placement.

(2) Placement of the child with a relative ((under this subsection)) or other suitable person as described in subsection (1)(b) of this section shall be given preference by the court. An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home, specifying the services that have been provided to the child and the child's parent, guardian, or legal custodian, and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:

(a) There is no parent or guardian available to care for such child;
(b) The parent, guardian, or legal custodian is not willing to take custody of the child; or
(c) The court finds, by clear, cogent, and convincing evidence, a manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger.

(3) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court shall consider whether it is in a child's best interest to be placed with, have contact with, or have visits with siblings.

(a) There shall be a presumption that such placement, contact, or visits are in the best interests of the child provided that:

(i) The court has jurisdiction over all siblings subject to the order of placement, contact, or visitation pursuant to petitions filed under this chapter or the parents of a child for whom there is no jurisdiction are willing to agree; and
(ii) There is no reasonable cause to believe that the health, safety, or welfare of any child subject to the order of placement, contact, or visitation would be jeopardized or that efforts to reunite the parent and child would be hindered by
such placement, contact, or visitation. In no event shall parental visitation time be reduced in order to provide sibling visitation.

(b) The court may also order placement, contact, or visitation of a child with a step-brother or step-sister provided that in addition to the factors in (a) of this subsection, the child has a relationship and is comfortable with the step-sibling.

(4) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section and placed into nonparental or nonrelative care, the court shall order a placement that allows the child to remain in the same school he or she attended prior to the initiation of the dependency proceeding when such a placement is practical and in the child’s best interest.

(5) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court may order that a petition seeking termination of the parent and child relationship be filed if the requirements of RCW 13.34.132 are met.

(6) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative or other suitable person, the child shall remain in foster care and the court shall direct the supervising agency to conduct necessary background investigations as provided in chapter 74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative or other person appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after placement. Any placements with relatives or other suitable persons, pursuant to this section, shall be contingent upon cooperation by the relative or other suitable person with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative’s or other suitable person’s home, subject to review by the court.

Sec. 3. RCW 13.34.138 and 2007 c 413 s 8 and 2007 c 410 s 1 are each reenacted and amended to read as follows:

(1) ((Except for children whose cases are reviewed by a citizen review board under chapter 13.70 RCW,)) The status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first. The purpose of the hearing shall be to review the progress of the parties and determine whether court supervision should continue.

(a) The initial review hearing shall be an in-court review and shall be set six months from the beginning date of the placement episode or no more than ninety days from the entry of the disposition order, whichever comes first. The requirements for the initial review hearing, including the in-court review requirement, shall be accomplished within existing resources.

(b) The initial review hearing may be a permanency planning hearing when necessary to meet the time frames set forth in RCW 13.34.145 (1)(a) or 13.34.134.

(2)(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists. The parents, guardian, or legal custodian shall report to the court the
efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) Prior to the child returning home, the department must complete the following:

(i) Identify all adults residing in the home and conduct background checks on those persons;

(ii) Identify any persons who may act as a caregiver for the child in addition to the parent with whom the child is being placed and determine whether such persons are in need of any services in order to ensure the safety of the child, regardless of whether such persons are a party to the dependency. The department or supervising agency may recommend to the court and the court may order that placement of the child in the parent's home be contingent on or delayed based on the need for such persons to engage in or complete services to ensure the safety of the child prior to placement. If services are recommended for the caregiver, and the caregiver fails to engage in or follow through with the recommended services, the department or supervising agency must promptly notify the court; and

(iii) Notify the parent with whom the child is being placed that he or she has an ongoing duty to notify the department or supervising agency of all persons who reside in the home or who may act as a caregiver for the child both prior to the placement of the child in the home and subsequent to the placement of the child in the home as long as the court retains jurisdiction of the dependency proceeding or the department is providing or monitoring either remedial services to the parent or services to ensure the safety of the child to any caregivers.

Caregivers may be required to engage in services under this subsection solely for the purpose of ensuring the present and future safety of a child who is a ward of the court. This subsection does not grant party status to any individual not already a party to the dependency proceeding, create an entitlement to services or a duty on the part of the department or supervising agency to provide services, or create judicial authority to order the provision of services to any person other than for the express purposes of this section or RCW 13.34.025 or if the services are unavailable or unsuitable or the person is not eligible for such services.

(c) If the child is not returned home, the court shall establish in writing:

(i) Whether the agency is making reasonable efforts to provide services to the family and eliminate the need for placement of the child. If additional services, including housing assistance, are needed to facilitate the return of the child to the child's parents, the court shall order that reasonable services be offered specifying such services;

(ii) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(iii) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(iv) Whether the services set forth in the case plan and the responsibilities of the parties need to be clarified or modified due to the availability of additional information or changed circumstances;

(v) Whether there is a continuing need for placement;
(vi) Whether the child is in an appropriate placement which adequately meets all physical, emotional, and educational needs;
(vii) Whether preference has been given to placement with the child's relatives if such placement is in the child's best interests;
(viii) Whether both in-state and, where appropriate, out-of-state placements have been considered;
(ix) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;
(x) Whether terms of visitation need to be modified;
(xi) Whether the court-approved long-term permanent plan for the child remains the best plan for the child;
(xii) Whether any additional court orders need to be made to move the case toward permanency; and
(xiii) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(d) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

(3)(a) In any case in which the court orders that a dependent child may be returned to or remain in the child's home, the in-home placement shall be contingent upon the following:

(i) The compliance of the parents with court orders related to the care and supervision of the child, including compliance with an agency case plan; and
(ii) The continued participation of the parents, if applicable, in available substance abuse or mental health treatment if substance abuse or mental illness was a contributing factor to the removal of the child.

(b) The following may be grounds for removal of the child from the home, subject to review by the court:

(i) Noncompliance by the parents with the agency case plan or court order;
(ii) The parent's inability, unwillingness, or failure to participate in available services or treatment for themselves or the child, including substance abuse treatment if a parent's substance abuse was a contributing factor to the abuse or neglect; or
(iii) The failure of the parents to successfully and substantially complete available services or treatment for themselves or the child, including substance abuse treatment if a parent's substance abuse was a contributing factor to the abuse or neglect.

(c) In a pending dependency case in which the court orders that a dependent child may be returned home and that child is later removed from the home, the court shall hold a review hearing within thirty days from the date of removal to determine whether the permanency plan should be changed, a termination petition should be filed, or other action is warranted. The best interests of the child shall be the court's primary consideration in the review hearing.

(4) The court's ability to order housing assistance under RCW 13.34.130 and this section is:
(a) Limited to cases in which homelessness or the lack of adequate and safe housing is the primary reason for an out-of-home placement; and
(b) Subject to the availability of funds appropriated for this specific purpose.

(5) The court shall consider the child's relationship with siblings in accordance with RCW 13.34.130(3).
Sec. 4. RCW 13.34.145 and 2008 c 152 s 3 are each amended to read as follows:

(1) The purpose of a permanency planning hearing is to review the permanency plan for the child, inquire into the welfare of the child and progress of the case, and reach decisions regarding the permanent placement of the child.

(a) A permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree, guardianship order, or permanent custody order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the current placement episode.

(b) Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than twelve months, as provided in this section, following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree, guardianship order, or a permanent custody order is entered, or the dependency is dismissed.

(c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(2) No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.

(3) At the permanency planning hearing, the court shall conduct the following inquiry:

(a) If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate.

(b) In cases where the primary permanency planning goal has not been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal. The court shall review the permanency plan prepared by the agency and make explicit findings regarding each of the following:

(i) The continuing necessity for, and the safety and appropriateness of, the placement;

(ii) The extent of compliance with the permanency plan by the agency and any other service providers, the child's parents, the child, and the child's guardian, if any;

(iii) The extent of any efforts to involve appropriate service providers in addition to agency staff in planning to meet the special needs of the child and the child's parents;
(iv) The progress toward eliminating the causes for the child's placement outside of his or her home and toward returning the child safely to his or her home or obtaining a permanent placement for the child;

(v) The date by which it is likely that the child will be returned to his or her home or placed for adoption, with a guardian or in some other alternative permanent placement; and

(vi) If the child has been placed outside of his or her home for fifteen of the most recent twenty-two months, not including any period during which the child was a runaway from the out-of-home placement or the first six months of any period during which the child was returned to his or her home for a trial home visit, the appropriateness of the permanency plan, whether reasonable efforts were made by the agency to achieve the goal of the permanency plan, and the circumstances which prevent the child from any of the following:

(A) Being returned safely to his or her home;
(B) Having a petition for the involuntary termination of parental rights filed on behalf of the child;
(C) Being placed for adoption;
(D) Being placed with a guardian;
(E) Being placed in the home of a fit and willing relative of the child; or
(F) Being placed in some other alternative permanent placement, including independent living or long-term foster care.

At this hearing, the court shall order the department to file a petition seeking termination of parental rights if the child has been in out-of-home care for fifteen of the last twenty-two months since the date the dependency petition was filed unless the court makes a good cause exception as to why the filing of a termination of parental rights petition is not appropriate. Any good cause finding shall be reviewed at all subsequent hearings pertaining to the child. For purposes of this section, "good cause exception" includes but is not limited to the following: The child is being cared for by a relative; the department has not provided to the child's family such services as the court and the department have deemed necessary for the child's safe return home; or the department has documented in the case plan a compelling reason for determining that filing a petition to terminate parental rights would not be in the child's best interests.

(c)(i) If the permanency plan identifies independent living as a goal, the court shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial, personal, social, educational, and nonfinancial affairs prior to approving independent living as a permanency plan of care.

(ii) The permanency plan shall also specifically identify the services that will be provided to assist the child to make a successful transition from foster care to independent living.

(iii) The department shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(d) If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall ((also)):
(i) Enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 74.13.280, 13.34.215(5), and 13.34.096; and

(ii) If the department or supervising agency is recommending a placement other than the child's current placement with a foster parent, relative, or other suitable person, enter a finding as to the reasons for the recommendation for a change in placement.

(4) In all cases, at the permanency planning hearing, the court shall:
   (a)(i) Order the permanency plan prepared by the agency to be implemented; or
   (ii) Modify the permanency plan, and order implementation of the modified plan; and
   (b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or
   (ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.

(5) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

(6) Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

(7) If the court orders the child returned home, casework supervision shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.138, and the court shall determine the need for continued intervention.

(8) The juvenile court may hear a petition for permanent legal custody when: (a) The court has ordered implementation of a permanency plan that includes permanent legal custody; and (b) the party pursuing the permanent legal custody is the party identified in the permanency plan as the prospective legal custodian. During the pendency of such proceeding, the court shall conduct review hearings and further permanency planning hearings as provided in this chapter. At the conclusion of the legal guardianship or permanent legal custody proceeding, a juvenile court hearing shall be held for the purpose of determining whether dependency should be dismissed. If a guardianship or permanent custody order has been entered, the dependency shall be dismissed.

(9) Continued juvenile court jurisdiction under this chapter shall not be a barrier to the entry of an order establishing a legal guardianship or permanent legal custody when the requirements of subsection (8) of this section are met.

(10) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.
(11) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services, under this chapter, intended to effectuate the return of the child to the parent, including but not limited to, visitation rights. The court shall consider the child's relationships with siblings in accordance with RCW 13.34.130.

(12) Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter.

Sec. 5. RCW 13.34.260 and 2003 c 226 s 2 are each amended to read as follows:

(1) In an attempt to minimize the inherent intrusion in the lives of families involved in the foster care system and to maintain parental authority where appropriate, the department, absent good cause, shall follow the wishes of the natural parent regarding the placement of the child with a relative or other suitable person pursuant to RCW 13.34.130. Preferences such as family constellation, sibling relationships, ethnicity, and religion shall be considered when matching children to foster homes. Parental authority is appropriate in areas that are not connected with the abuse or neglect that resulted in the dependency and shall be integrated through the foster care team.

(2) When a child is placed in out-of-home care, relatives, other suitable persons, and foster parents are encouraged to:

(a) Provide consultation to the foster care team based upon their experience with the child placed in their care;

(b) Assist the birth parents by helping them understand their child's needs and correlating appropriate parenting responses;

(c) Participate in educational activities, and enter into community-building activities with birth families and other foster families;

(d) Transport children to family time visits with birth families and assist children and their families in maximizing the purposefulness of family time.

(3) For purposes of this section, "foster care team" means the relative, other suitable person, or foster parent currently providing care, the currently assigned social worker, and the parent or parents; and "birth family" means the persons described in RCW 74.15.020(2)(a).

NEW SECTION. Sec. 6. A new section is added to chapter 13.34 RCW to read as follows:

(1) The administrative office of the courts shall develop standard court forms and format rules for mandatory use by parties in dependency matters commenced under this chapter or chapter 26.44 RCW. Forms shall be developed not later than November 1, 2009, and the mandatory use requirement shall be effective January 1, 2010. The administrative office of the courts has continuing responsibility to develop and revise mandatory forms and format rules as appropriate.

(2) According to rules established by the administrative office of the courts, a party may delete unnecessary portions of the forms and may supplement the mandatory forms with additional material.

(3) Failure by a party to use the mandatory forms or follow the format rules shall not be a reason to dismiss a case, refuse a filing, or strike a pleading. The
court may, however, require the party to submit a corrected pleading and may impose terms payable to the opposing party or payable to the court, or both.

(4) The administrative office of the courts shall distribute a master copy of the mandatory forms to all county court clerks. Upon request, the administrative office of the courts and county clerks must distribute the forms to the public and may charge for the cost of production and distribution of the forms. Private vendors also may distribute the forms. Distribution of forms may be in printed or electronic form.

Sec. 7. RCW 74.13.031 and 2008 c 267 s 6 are each amended to read as follows:

The department shall have the duty to provide child welfare services and shall:

(1) Develop, administer, supervise, and monitor a coordinated and comprehensive plan that establishes, aids, and strengthens services for the protection and care of runaway, dependent, or neglected children.

(2) Within available resources, recruit an adequate number of prospective adoptive and foster homes, both regular and specialized, i.e. homes for children of ethnic minority, including Indian homes for Indian children, sibling groups, handicapped and emotionally disturbed, teens, pregnant and parenting teens, and annually report to the governor and the legislature concerning the department's success in: (a) Meeting the need for adoptive and foster home placements; (b) reducing the foster parent turnover rate; (c) completing home studies for legally free children; and (d) implementing and operating the passport program required by RCW 74.13.285. The report shall include a section entitled "Foster Home Turn-Over, Causes and Recommendations."

(3) Investigate complaints of any recent act or failure to act on the part of a parent or caretaker that results in death, serious physical or emotional harm, or sexual abuse or exploitation, or that presents an imminent risk of serious harm, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, legal custodians, or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency. An investigation is not required of nonaccidental injuries which are clearly not the result of a lack of care or supervision by the child's parents, legal custodians, or persons serving in loco parentis. If the investigation reveals that a crime against a child may have been committed, the department shall notify the appropriate law enforcement agency.

(4) Offer, on a voluntary basis, family reconciliation services to families who are in conflict.

(5) Monitor placements of children in out-of-home care and in-home dependencies to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislature as defined in RCW 74.13.010 and 74.15.010. The policy for monitoring placements under this section shall require that children in out-of-home care and in-home dependencies and their caregivers receive a private and individual face-to-face visit each month.

(a) The department shall conduct the monthly visits with children and caregivers required under this section unless the child's placement is being supervised under a contract between the department and a private agency accredited by a national child welfare accrediting entity, in which case the private agency shall, within existing resources, conduct the monthly visits with
the child and with the child's caregiver according to the standards described in this subsection and shall provide the department with a written report of the visits within fifteen days of completing the visits.

(b) In cases where the monthly visits required under this subsection are being conducted by a private agency, the department shall conduct a face-to-face health and safety visit with the child at least once every ninety days.

(6) Have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, to provide for the routine and necessary medical, dental, and mental health care, or necessary emergency care of the children, and to provide for the physical care of such children and make payment of maintenance costs if needed. Except where required by Public Law 95-608 (25 U.S.C. Sec. 1915), no private adoption agency which receives children for adoption from the department shall discriminate on the basis of race, creed, or color when considering applications in their placement for adoption.

(7) Have authority to provide temporary shelter to children who have run away from home and who are admitted to crisis residential centers.

(8) Have authority to purchase care for children; and shall follow in general the policy of using properly approved private agency services for the actual care and supervision of such children insofar as they are available, paying for care of such children as are accepted by the department as eligible for support at reasonable rates established by the department.

(9) Establish a children's services advisory committee which shall assist the secretary in the development of a partnership plan for utilizing resources of the public and private sectors, and advise on all matters pertaining to child welfare, licensing of child care agencies, adoption, and services related thereto. At least one member shall represent the adoption community.

(10)(a) Have authority to provide continued foster care or group care as needed to participate in or complete a high school or vocational school program.

(b)(i) Beginning in 2006, the department has the authority to allow up to fifty youth reaching age eighteen to continue in foster care or group care as needed to participate in or complete a posthigh school academic or vocational program, and to receive necessary support and transition services.

(ii) In 2007 and 2008, the department has the authority to allow up to fifty additional youth per year reaching age eighteen to remain in foster care or group care as provided in (b)(i) of this subsection.

(iii) A youth who remains eligible for such placement and services pursuant to department rules may continue in foster care or group care until the youth reaches his or her twenty-first birthday. Eligibility requirements shall include active enrollment in a posthigh school academic or vocational program and maintenance of a 2.0 grade point average.

(11) Refer cases to the division of child support whenever state or federal funds are expended for the care and maintenance of a child, including a child with a developmental disability who is placed as a result of an action under chapter 13.34 RCW, unless the department finds that there is good cause not to pursue collection of child support against the parent or parents of the child. Cases involving individuals age eighteen through twenty shall not be referred to the division of child support unless required by federal law.
(12) Have authority within funds appropriated for foster care services to purchase care for Indian children who are in the custody of a federally recognized Indian tribe or tribally licensed child-placing agency pursuant to parental consent, tribal court order, or state juvenile court order; and the purchase of such care shall be subject to the same eligibility standards and rates of support applicable to other children for whom the department purchases care.

Notwithstanding any other provision of RCW 13.32A.170 through 13.32A.200 and 74.13.032 through 74.13.036, or of this section all services to be provided by the department of social and health services under subsections (4), (6), and (7) of this section, subject to the limitations of these subsections, may be provided by any program offering such services funded pursuant to Titles II and III of the federal juvenile justice and delinquency prevention act of 1974.

(13) Within amounts appropriated for this specific purpose, provide preventive services to families with children that prevent or shorten the duration of an out-of-home placement.

(14) Have authority to provide independent living services to youths, including individuals who have attained eighteen years of age, and have not attained twenty-one years of age who are or have been in foster care.

(15) Consult at least quarterly with foster parents, including members of the foster parent association of Washington state, for the purpose of receiving information and comment regarding how the department is performing the duties and meeting the obligations specified in this section and RCW 74.13.250 and 74.13.320 regarding the recruitment of foster homes, reducing foster parent turnover rates, providing effective training for foster parents, and administering a coordinated and comprehensive plan that strengthens services for the protection of children. Consultation shall occur at the regional and statewide levels.

(16)(a) Within current funding levels, place on the public web site maintained by the department a document listing the duties and responsibilities the department has to a child subject to a dependency petition including, but not limited to, the following:

(i) Reasonable efforts, including the provision of services, toward reunification of the child with his or her family;
(ii) Sibling visits subject to the restrictions in RCW 13.34.136(2)(b)(ii);
(iii) Parent-child visits;
(iv) Statutory preference for placement with a relative or other suitable person, if appropriate; and
(v) Statutory preference for an out-of-home placement that allows the child to remain in the same school or school district, if practical and in the child's best interests.

(b) The document must be prepared in conjunction with a community-based organization and must be updated as needed.

NEW SECTION. Sec. 8. A new section is added to chapter 74.13 RCW to read as follows:

Once a dependency is established under chapter 13.34 RCW, the social worker assigned to the case shall provide the dependent child age twelve years and older with a document containing the information described in RCW 74.13.031(16). The social worker shall explain the contents of the document to the child and direct the child to the department's web site for further information.
The social worker shall document, in the electronic data system, that this requirement was met.

Sec. 9. RCW 74.13.109 and 1990 c 285 s 7 are each amended to read as follows:

(1) The secretary shall issue rules and regulations to assist in the administration of the program of adoption support authorized by RCW 26.33.320 and 74.13.100 through 74.13.145.

(2) Disbursements from the appropriations available from the general fund shall be made pursuant to such rules and regulations and pursuant to agreements conforming thereto to be made by the secretary with parents for the purpose of supporting the adoption of children in, or likely to be placed in, foster homes or child caring institutions who are found by the secretary to be difficult to place in adoption because of physical or other reasons; including, but not limited to, physical or mental handicap, emotional disturbance, ethnic background, language, race, color, age, or sibling grouping.

(3) Such agreements shall meet the following criteria:

((1)) (a) The child whose adoption is to be supported pursuant to such agreement shall be or have been a child hard to place in adoption.

((2)) (b) Such agreement must relate to a child who was or is residing in a foster home or child-caring institution or a child who, in the judgment of the secretary, is both eligible for, and likely to be placed in, either a foster home or a child-caring institution.

((3)) (c) Such agreement shall provide that adoption support shall not continue beyond the time that the adopted child reaches eighteen years of age, becomes emancipated, dies, or otherwise ceases to need support, provided that if the secretary shall find that continuing dependency of such child after such child reaches eighteen years of age warrants the continuation of support pursuant to RCW 26.33.320 and 74.13.100 through 74.13.145 the secretary may do so, subject to all the provisions of RCW 26.33.320 and 74.13.100 through 74.13.145, including annual review of the amount of such support.

((4)) (d) Any prospective parent who is to be a party to such agreement shall be a person who has the character, judgment, sense of responsibility, and disposition which make him or her suitable as an adoptive parent of such child.

(4) At least six months before an adoption is finalized under chapter 26.33 RCW and RCW 74.13.100 through 74.13.145, the department must provide to the prospective adoptive parent, in writing, information describing the limits of the adoption support program including the following information:

(a) The limits on monthly cash payments to adoptive families;

(b) The limits on the availability of children's mental health services and the funds with which to pay for these services;

(c) The process for accessing mental health services for children receiving adoption support services;

(d) The limits on the one-time cash payments to adoptive families for expenses related to their adopted children; and

(e) That payment for residential or group care is not available for adopted children under the adoption support program.
Sec. 10. RCW 74.13.250 and 1990 c 284 s 2 are each amended to read as follows:

(1) Preservice training is recognized as a valuable tool to reduce placement disruptions, the length of time children are in care, and foster parent turnover rates. Preservice training also assists potential foster parents in making their final decisions about foster parenting and assists social service agencies in obtaining information about whether to approve potential foster parents.

(2) Foster parent preservice training shall include information about the potential impact of placement on foster children; social service agency administrative processes; the requirements, responsibilities, expectations, and skills needed to be a foster parent; attachment, separation, and loss issues faced by birth parents, foster children, and foster parents; child management and discipline; birth family relationships; information on the limits of the adoption support program as provided in RCW 74.13.109(4); and helping children leave foster care. Preservice training shall assist applicants in making informed decisions about whether they want to be foster parents. Preservice training shall be designed to enable the agency to assess the ability, readiness, and appropriateness of families to be foster parents. As a decision tool, effective preservice training provides potential foster parents with enough information to make an appropriate decision, affords potential foster parents an opportunity to discuss their decision with others and consider its implications for their family, clarifies foster family expectations, presents a realistic picture of what foster parenting involves, and allows potential foster parents to consider and explore the different types of children they might serve.

(3) Preservice training shall be completed prior to the issuance of a foster care license, except that the department may, on a case by case basis, issue a written waiver that allows the foster parent to complete the training after licensure, so long as the training is completed within ninety days following licensure.

Sec. 11. RCW 74.13.333 and 2004 c 181 s 1 are each amended to read as follows:

(1) A foster parent who believes that a department employee has retaliated against the foster parent or in any other manner discriminated against the foster parent because:

((4))) (a) The foster parent made a complaint with the office of the family and children's ombudsman, the attorney general, law enforcement agencies, or the department, provided information, or otherwise cooperated with the investigation of such a complaint;

((4))) (b) The foster parent has caused to be instituted any proceedings under or related to Title 13 RCW;

((4))) (c) The foster parent has testified or is about to testify in any proceedings under or related to Title 13 RCW;

((4))) (d) The foster parent has advocated for services on behalf of the foster child;

((4))) (e) The foster parent has sought to adopt a foster child in the foster parent's care; or

((4))) (f) The foster parent has discussed or consulted with anyone concerning the foster parent's rights under this chapter or chapter 74.15 or 13.34.
Ch. 491 WASHINGTON LAWS, 2009

RCW, may file a complaint with the office of the family and children's ombudsman.

(2) The ombudsman may investigate the allegations of retaliation. The ombudsman shall have access to all relevant information and resources held by or within the department by which to conduct the investigation. Upon the conclusion of its investigation, the ombudsman shall provide its findings in written form to the department.

(3) The department shall notify the office of the family and children's ombudsman in writing, within thirty days of receiving the ombudsman's findings, of any personnel action taken or to be taken with regard to the department employee.

(4) The office of the family and children's ombudsman shall also include its recommendations regarding complaints filed under this section in its annual report pursuant to RCW 43.06A.030. The office of the family and children's ombudsman shall identify trends which may indicate a need to improve relations between the department and foster parents.

CHAPTER 492

[Engrossed Second Substitute Senate Bill 5850]

HUMAN TRAFFICKING

AN ACT Relating to protecting workers from human trafficking violations; amending RCW 18.71.080, 18.83.090, and 18.225.040; adding a new chapter to Title 19 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Domestic employers of foreign workers" means a person or persons residing in the state of Washington who recruit or employ a foreign worker to perform work in Washington state.

(2) "Foreign worker" or "worker" means a person who is not a citizen of the United States and who comes to Washington state based on an offer of employment. "Foreign worker" or "worker" does not include persons who hold an H-1B visa and come to work in the state.

(3) "International labor recruitment agency" means a corporation, partnership, business, or other legal entity, whether or not organized under the laws of the United States or any state, that does business in the United States and offers Washington state entities engaged in the employment or recruitment of foreign workers, employment referral services involving citizens of a foreign country or countries by acting as an intermediary between these foreign workers and Washington employers.

NEW SECTION. Sec. 2. (1) Domestic employers of foreign workers and international labor recruitment agencies must provide a disclosure statement as
described in this section to foreign workers who have been referred to or hired by a Washington employer.

(2) The disclosure statement must:
   (a) Be provided in English or, if the worker is not fluent or literate in English, another language that is understood by the worker;
   (b) State that the worker may be considered an employee under the laws of the state of Washington and is subject to state worker health and safety laws and may be eligible for workers’ compensation insurance and unemployment insurance;
   (c) State that the worker may be subject to both state and federal laws governing overtime and work hours, including the minimum wage act under chapter 49.46 RCW;
   (d) Include an itemized listing of any deductions the employer intends to make from the worker’s pay for food and housing;
   (e) Include an itemized listing of the international labor recruitment agency’s fees;
   (f) State that the worker has the right to control over his or her travel and labor documents, including his or her visa, at all times and that the employer may not require the employee to surrender those documents to the employer or to the international labor recruitment agency while the employee is working in the United States, except as otherwise required by law or regulation or for use as supporting documentation in visa applications;
   (g) Include a list of services or a hot line a worker may contact if he or she thinks that he or she may be a victim of trafficking.

(3) The department of labor and industries may create a model disclosure form and post the model form on its web site so that domestic employers of foreign workers and international labor recruitment agencies may download the form, or mail the form upon request. The disclosure statement must be given to the worker no later than the date that the worker arrives at the place of employment in Washington.

NEW SECTION. Sec. 3. For purposes of establishing personal jurisdiction under this chapter, an international labor recruitment agency or a domestic employer of a foreign worker is deemed to be doing business in Washington and is subject to the jurisdiction of the courts of Washington state if the agency or employer contracts for employment services with a Washington resident or is considered to be doing business under any other provision or rule of law.

*NEW SECTION. Sec. 4. The legislature finds that the practices covered by this chapter are matters vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW. A violation of this chapter is not reasonable in relation to the development and preservation of business and is an unfair or deceptive act in trade or commerce and an unfair method of competition for the purpose of applying the consumer protection act, chapter 19.86 RCW.

*Sec. 4 was vetoed. See message at end of chapter.

(2) The office of crime victims advocacy shall supply the commission with information on methods of recognizing victims of human trafficking, what services are available for these victims, and where to report potential trafficking situations. The information supplied must be culturally sensitive and must include information relating to minor victims. The commission shall report to the office of crime victims advocacy on the method or methods it uses to distribute information under this subsection.

(3) The commission, in its sole discretion, may permit an applicant who has not renewed his or her license to be licensed without examination if it is satisfied that such applicant meets all the requirements for licensure in this state, and is competent to engage in the practice of medicine.

(4) Issue licenses to applicants who have met the education, training, and examination requirements for licensure and to deny a license to applicants who do not meet the requirements;
(5) Hire clerical, administrative, investigative, and other staff as needed to implement this chapter, and hire individuals licensed under this chapter to serve as examiners for any practical examinations;
(6) Administer and supervise the grading and taking of examinations for applicants for licensure;

The committee shall disseminate this information to licensees by: Providing the information on the committee's web site; including the information in newsletters; holding trainings at meetings attended by organization members; or through another distribution method determined by the committee. The committee shall report to the office of crime victims advocacy on the method or methods it uses to distribute information under this subsection;
(11) Maintain the official record of all applicants and licensees; and

NEW SECTION. Sec. 8. Sections 1 through 4 of this act constitute a new chapter in Title 19 RCW.

NEW SECTION. Sec. 9. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2009, in the omnibus appropriations act, this act is null and void.

Passed by the Senate April 22, 2009.
Passed by the House April 17, 2009.
Approved by the Governor May 14, 2009, with the exception of certain items that were vetoed.
Filed in Office of Secretary of State May 18, 2009.

Note: Governor's explanation of partial veto is as follows:

"I have approved, except for Section 4, Engrossed Second Substitute Senate Bill 5850 entitled:

"AN ACT Relating to protecting workers from human trafficking violations."

Section 4 applies the Consumer Protection Act, chapter 19.86 RCW, to violations of this law. The Consumer Protection Act is ill suited to responding to these types of issues. Employment activities are already well regulated by the Department of Labor and Industries. Violations of this law would be better directed to the statutes administered by that agency.

[ 2621 ]
For these reasons, I have vetoed Section 4 of Engrossed Second Substitute Senate Bill 5850. With the exception of Section 4, Engrossed Second Substitute Senate Bill 5850 is approved.

CHAPTER 493
[Substitute Senate Bill 5963]
UNEMPLOYMENT INSURANCE

AN ACT Relating to unemployment insurance; amending RCW 50.29.021, 50.29.025, 50.20.050, and 50.22.010; creating a new section; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 50.29.021 and 2008 c 323 s 2 are each amended to read as follows:

(1) This section applies to benefits charged to the experience rating accounts of employers for claims that have an effective date on or after January 4, 2004.

(2)(a) An experience rating account shall be established and maintained for each employer, except employers as described in RCW 50.44.010, 50.44.030, and 50.50.030 who have properly elected to make payments in lieu of contributions, taxable local government employers as described in RCW 50.44.035, and those employers who are required to make payments in lieu of contributions, based on existing records of the employment security department.

(b) Benefits paid to an eligible individual shall be charged to the experience rating accounts of each of such individual's employers during the individual's base year in the same ratio that the wages paid by each employer to the individual during the base year bear to the wages paid by all employers to that individual during that base year, except as otherwise provided in this section.

(c) When the eligible individual's separating employer is a covered contribution paying base year employer, benefits paid to the eligible individual shall be charged to the experience rating account of only the individual's separating employer if the individual qualifies for benefits under:

(i) RCW 50.20.050((2)(b)(i), as applicable, and became unemployed after having worked and earned wages in the bona fide work; or

(ii) RCW 50.20.050((2)(b)(v) through (x),

(3) The legislature finds that certain benefit payments, in whole or in part, should not be charged to the experience rating accounts of employers except those employers described in RCW 50.44.010, 50.44.030, and 50.50.030 who have properly elected to make payments in lieu of contributions, taxable local government employers described in RCW 50.44.035, and those employers who are required to make payments in lieu of contributions, as follows:

(a) Benefits paid to any individual later determined to be ineligible shall not be charged to the experience rating account of any contribution paying employer. However, when a benefit claim becomes invalid due to an amendment or adjustment of a report where the employer failed to report or inaccurately reported hours worked or remuneration paid, or both, all benefits paid will be charged to the experience rating account of the contribution paying employer or employers that originally filed the incomplete or inaccurate report or reports. An employer who reimburses the trust fund for benefits paid to workers and who fails to report or inaccurately reported hours worked or remuneration paid, or both, shall reimburse the trust fund for all benefits paid that are based on the originally filed incomplete or inaccurate report or reports.

[ 2622 ]
(b) Benefits paid to an individual filing under the provisions of chapter 50.06 RCW shall not be charged to the experience rating account of any contribution paying employer only if:

(i) The individual files under RCW 50.06.020(1) after receiving crime victims' compensation for a disability resulting from a nonwork-related occurrence; or

(ii) The individual files under RCW 50.06.020(2).

(c) Benefits paid which represent the state's share of benefits payable as extended benefits defined under RCW 50.22.010(6) shall not be charged to the experience rating account of any contribution paying employer.

(d) In the case of individuals who requalify for benefits under RCW 50.20.050 or 50.20.060, benefits based on wage credits earned prior to the disqualifying separation shall not be charged to the experience rating account of the contribution paying employer from whom that separation took place.

(e) Benefits paid to an individual who qualifies for benefits under RCW 50.20.050(((2) (b) (iv) or (xi), as applicable, shall not be charged to the experience rating account of any contribution paying employer.

(f) With respect to claims with an effective date on or after the first Sunday following April 22, 2005, benefits paid that exceed the benefits that would have been paid if the weekly benefit amount for the claim had been determined as one percent of the total wages paid in the individual's base year shall not be charged to the experience rating account of any contribution paying employer. This subsection (3)(f) does not apply to the calculation of contribution rates under RCW 50.29.025 for rate year 2010 and thereafter.

(4)(a) A contribution paying base year employer, not otherwise eligible for relief of charges for benefits under this section, may receive such relief if the benefit charges result from payment to an individual who:

(i) Last left the employ of such employer voluntarily for reasons not attributable to the employer;

(ii) Was discharged for misconduct or gross misconduct connected with his or her work not a result of inability to meet the minimum job requirements;

(iii) Is unemployed as a result of closure or severe curtailment of operation at the employer's plant, building, worksite, or other facility. This closure must be for reasons directly attributable to a catastrophic occurrence such as fire, flood, or other natural disaster; or

(iv) Continues to be employed on a regularly scheduled permanent part-time basis by a base year employer and who at some time during the base year was concurrently employed and subsequently separated from at least one other base year employer. Benefit charge relief ceases when the employment relationship between the employer requesting relief and the claimant is terminated. This subsection does not apply to shared work employers under chapter 50.06 RCW.

(b) The employer requesting relief of charges under this subsection must request relief in writing within thirty days following mailing to the last known address of the notification of the valid initial determination of such claim, stating the date and reason for the separation or the circumstances of continued employment. The commissioner, upon investigation of the request, shall determine whether relief should be granted.
Sec. 2. RCW 50.29.025 and 2007 c 51 s 1 are each amended to read as follows:

(1) (Except as provided in subsection (2) of this section, the contribution rate for each employer subject to contributions under RCW 50.24.010 shall be determined under this subsection.

(a) A fund balance ratio shall be determined by dividing the balance in the unemployment compensation fund as of the September 30th immediately preceding the rate year by the total remuneration paid by all employers subject to contributions during the second calendar year preceding the rate year and reported to the department by the following March 31st. The division shall be carried to the fourth decimal place with the remaining fraction, if any, disregarded. The fund balance ratio shall be expressed as a percentage.

(b) The interval of the fund balance ratio, expressed as a percentage, shall determine which tax schedule in (e) of this subsection shall be in effect for assigning tax rates for the rate year. The intervals for determining the effective tax schedule shall be:

(c) An array shall be prepared, listing all qualified employers in ascending order of their benefit ratios. The array shall show for each qualified employer: (i) Identification number; (ii) benefit ratio; (iii) taxable payrolls for the four calendar quarters immediately preceding the computation date and reported to the department by the cut off date; (iv) a cumulative total of taxable payrolls consisting of the employer's taxable payroll plus the taxable payrolls of all other employers preceding him or her in the array; and (v) the percentage equivalent of the cumulative total of taxable payrolls.

(d) Each employer in the array shall be assigned to one of twenty rate classes according to the percentage intervals of cumulative taxable payrolls set forth in (c) of this subsection—PROVIDED, That if an employer's taxable payroll falls within two or more rate classes, the employer and any other employer with the same benefit ratio shall be assigned to the lowest rate class which includes any portion of the employer's taxable payroll.

(e) Except as provided in RCW 50.29.026, the contribution rate for each employer in the array shall be the rate specified in the following tables for the rate class to which he or she has been assigned, as determined under (d) of this subsection, within the tax schedule which is to be in effect during the rate year.
WASHINGTON LAWS, 2009
Ch. 493

(f) The contribution rate for each employer not qualified to be in the array shall be as follows:

(i) Employers who do not meet the definition of "qualified employer" by reason of failure to pay contributions when due shall be assigned a contribution rate two-tenths higher than that in rate class 20 for the applicable rate year, except employers who have an approved agency-deferred payment contract by September 30 of the previous rate year. If any employer with an approved agency-deferred payment contract fails to make any one of the succeeding deferred payments or fails to submit any succeeding tax report and payment in a timely manner, the employer's tax rate shall immediately revert to a contribution rate two-tenths higher than that in rate class 20 for the applicable rate year; and

(ii) For all other employers not qualified to be in the array, the contribution rate shall be a rate equal to the average industry rate as determined by the commissioner; however, the rate may not be less than one percent.

(2) Beginning with contributions assessed for rate years 2005 through 2009, the contribution rate for each employer subject to contributions under RCW 50.24.010 shall be the sum of the array calculation factor rate and the graduated social cost factor rate determined under this subsection, and the solvency surcharge determined under RCW 50.29.041, if any.

(a) The array calculation factor rate shall be determined as follows:

(f) The contribution rate for each employer not qualified to be in the array shall be as follows:

(i) Employers who do not meet the definition of "qualified employer" by reason of failure to pay contributions when due shall be assigned a contribution rate two-tenths higher than that in rate class 20 for the applicable rate year, except employers who have an approved agency-deferred payment contract by September 30 of the previous rate year. If any employer with an approved agency-deferred payment contract fails to make any one of the succeeding deferred payments or fails to submit any succeeding tax report and payment in a timely manner, the employer's tax rate shall immediately revert to a contribution rate two-tenths higher than that in rate class 20 for the applicable rate year, and

(ii) For all other employers not qualified to be in the array, the contribution rate shall be a rate equal to the average industry rate as determined by the commissioner; however, the rate may not be less than one percent.

(2) Beginning with contributions assessed for rate years 2005 through 2009, the contribution rate for each employer subject to contributions under RCW 50.24.010 shall be the sum of the array calculation factor rate and the graduated social cost factor rate determined under this subsection, and the solvency surcharge determined under RCW 50.29.041, if any.

(a) The array calculation factor rate shall be determined as follows:
(i) An array shall be prepared, listing all qualified employers in ascending order of their benefit ratios. The array shall show for each qualified employer: (A) Identification number; (B) benefit ratio; and (C) taxable payrolls for the four consecutive calendar quarters immediately preceding the computation date and reported to the employment security department by the cut-off date.

(ii) Each employer in the array shall be assigned to one of forty rate classes according to his or her benefit ratio as follows, and, except as provided in RCW 50.29.026, the array calculation factor rate for each employer in the array shall be the rate specified in the rate class to which the employer has been assigned:

(b) The graduated social cost factor rate shall be determined as follows:

(i)(A) Except as provided in (b)(i)(B) and (C) of this subsection, the commissioner shall calculate the flat social cost factor for a rate year by dividing the total social cost by the total taxable payroll. The division shall be carried to the second decimal place with the remaining fraction disregarded unless it amounts to five hundredths or more, in which case the second decimal place shall be rounded to the next higher digit. The flat social cost factor shall be expressed as a percentage.

(B) If, on the cut-off date, the balance in the unemployment compensation fund is determined by the commissioner to be an amount that will provide more than ten months of unemployment benefits, the commissioner shall calculate the flat social cost factor for the rate year immediately following the cut-off date by reducing the total social cost by the dollar amount that represents the number of months for which the balance in the unemployment compensation fund on the cut-off date will provide benefits above ten months and dividing the result by the total taxable payroll. However, the calculation under this subsection (((2))) (1)(b)(i)(B) for a rate year may not result in a flat social cost factor that is more than four-tenths lower than the calculation under (b)(i)(A) of this subsection for that rate year.

For the purposes of this subsection, the commissioner shall determine the number of months of unemployment benefits in the unemployment compensation fund using the benefit cost rate for the average of the three highest calendar benefit cost rates in the twenty consecutive completed calendar years immediately preceding the cut-off date or a period of consecutive calendar years immediately preceding the cut-off date that includes three recessions, if longer.

(C) The minimum flat social cost factor calculated under this subsection (((2))) (1)(b) shall be six-tenths of one percent, except that if the balance in the unemployment compensation fund is determined by the commissioner to be an amount that will provide:

(I) At least twelve months but less than fourteen months of unemployment benefits, the minimum shall be five-tenths of one percent; or
(II) At least fourteen months of unemployment benefits, the minimum shall be five-tenths of one percent, except that, for employers in rate class 1, the minimum shall be forty-five hundredths of one percent.

(ii)(A) Except as provided in (b)(ii)(B) of this subsection, the graduated social cost factor rate for each employer in the array is the flat social cost factor multiplied by the percentage specified as follows for the rate class to which the employer has been assigned in (a)(ii) of this subsection, except that the sum of an employer's array calculation factor rate and the graduated social cost factor rate may not exceed six and five-tenths percent or, for employers whose North American industry classification system code is within "111," "112," "1141," "115," "3114," "3117," "42448," or "49312," may not exceed six percent through rate year 2007 and may not exceed five and seven-tenths percent for rate years 2008 and (thereafter) 2009:

(I) Rate class 1 - 78 percent;
(II) Rate class 2 - 82 percent;
(III) Rate class 3 - 86 percent;
(IV) Rate class 4 - 90 percent;
(V) Rate class 5 - 94 percent;
(VI) Rate class 6 - 98 percent;
(VII) Rate class 7 - 102 percent;
(VIII) Rate class 8 - 106 percent;
(IX) Rate class 9 - 110 percent;
(X) Rate class 10 - 114 percent;
(XI) Rate class 11 - 118 percent; and
(XII) Rate classes 12 through 40 - 120 percent.

(B) For contributions assessed beginning July 1, 2005, through December 31, 2007, for employers whose North American industry classification system code is "111," "112," "1141," "115," "3114," "3117," "42448," or "49312," the graduated social cost factor rate is zero.

(iii) For the purposes of this section:

(A) "Total social cost" means the amount calculated by subtracting the array calculation factor contributions paid by all employers with respect to the four consecutive calendar quarters immediately preceding the computation date and paid to the employment security department by the cut-off date from the total unemployment benefits paid to claimants in the same four consecutive calendar quarters. To calculate the flat social cost factor for rate year 2005, the commissioner shall calculate the total social cost using the array calculation factor contributions that would have been required to be paid by all employers in the calculation period if (a) of this subsection had been in effect for the relevant period.

(B) "Total taxable payroll" means the total amount of wages subject to tax, as determined under RCW 50.24.010, for all employers in the four consecutive calendar quarters immediately preceding the computation date and reported to the employment security department by the cut-off date.

(c) For employers who do not meet the definition of "qualified employer" by reason of failure to pay contributions when due:

(i) The array calculation factor rate shall be two-tenths higher than that in rate class 40, except employers who have an approved agency-deferred payment contract by September 30th of the previous rate year. If any employer with an
approved agency-deferred payment contract fails to make any one of the succeeding deferred payments or fails to submit any succeeding tax report and payment in a timely manner, the employer's tax rate shall immediately revert to an array calculation factor rate two-tenths higher than that in rate class 40; and

(ii) The social cost factor rate shall be the social cost factor rate assigned to rate class 40 under (b)(ii) of this subsection.

(d) For all other employers not qualified to be in the array:

(i) For rate years 2005, 2006, and 2007:

(A) The array calculation factor rate shall be a rate equal to the average industry array calculation factor rate as determined by the commissioner, plus fifteen percent of that amount; however, the rate may not be less than one percent or more than the array calculation factor rate in rate class 40; and

(B) The social cost factor rate shall be a rate equal to the average industry social cost factor rate as determined by the commissioner, plus fifteen percent of that amount, but not more than the social cost factor rate assigned to rate class 40 under (b)(ii) of this subsection.

(ii) ((Beginning with)) For contributions assessed for rate years 2008 and 2009:

(A) The array calculation factor rate shall be a rate equal to the average industry array calculation factor rate as determined by the commissioner, multiplied by the history factor, but not less than one percent or more than the array calculation factor rate in rate class 40;

(B) The social cost factor rate shall be a rate equal to the average industry social cost factor rate as determined by the commissioner, multiplied by the history factor, but not more than the social cost factor rate assigned to rate class 40 under (b)(ii) of this subsection; and

(C) The history factor shall be based on the total amounts of benefits charged and contributions paid in the three fiscal years ending prior to the computation date by employers not qualified to be in the array, other than employers in (c) of this subsection, who were first subject to contributions in the calendar year ending three years prior to the computation date. The commissioner shall calculate the history ratio by dividing the total amount of benefits charged by the total amount of contributions paid in this three-year period by these employers. The division shall be carried to the second decimal place with the remaining fraction disregarded unless it amounts to five one-hundredths or more, in which case the second decimal place shall be rounded to the next higher digit. The commissioner shall determine the history factor according to the history ratio as follows:

(2) For contributions assessed in rate year 2010 and thereafter, the contribution rate for each employer subject to contributions under RCW 50.24.010 shall be the sum of the array calculation factor rate and the graduated social cost factor rate determined under this subsection, and the solvency surcharge determined under RCW 50.29.041, if any.

(a) The array calculation factor rate shall be determined as follows:

(i) An array shall be prepared, listing all qualified employers in ascending order of their benefit ratios. The array shall show for each qualified employer:
(A) Identification number; (B) benefit ratio; and (C) taxable payrolls for the four consecutive calendar quarters immediately preceding the computation date and reported to the employment security department by the cut-off date.

(ii) Each employer in the array shall be assigned to one of forty rate classes according to his or her benefit ratio as follows, and, except as provided in RCW 50.29.026, the array calculation factor rate for each employer in the array shall be the rate specified in the rate class to which the employer has been assigned:

(b) The graduated social cost factor rate shall be determined as follows:

(i)(A) Except as provided in (b)(i)(B) and (C) of this subsection, the commissioner shall calculate the flat social cost factor for a rate year by dividing the total social cost by the total taxable payroll. The division shall be carried to the second decimal place with the remaining fraction disregarded unless it amounts to five hundredths or more, in which case the second decimal place shall be rounded to the next higher digit. The flat social cost factor shall be expressed as a percentage.

(B) If, on the cut-off date, the balance in the unemployment compensation fund is determined by the commissioner to be an amount that will provide more than ten months of unemployment benefits, the commissioner shall calculate the flat social cost factor for the rate year immediately following the cut-off date by reducing the total social cost by the dollar amount that represents the number of months for which the balance in the unemployment compensation fund on the cut-off date will provide benefits above ten months and dividing the result by the total taxable payroll. However, the calculation under this subsection (2)(b)(i)(B) for a rate year may not result in a flat social cost factor that is more than four-tenths lower than the calculation under (b)(i)(A) of this subsection for that rate year.

For the purposes of this subsection, the commissioner shall determine the number of months of unemployment benefits in the unemployment compensation fund using the benefit cost rate for the average of the three highest calendar benefit cost rates in the twenty consecutive completed calendar years immediately preceding the cut-off date or a period of consecutive calendar years immediately preceding the cut-off date that includes three recessions, if longer.
(C) The minimum flat social cost factor calculated under this subsection (2)(b) shall be six-tenths of one percent, except that if the balance in the unemployment compensation fund is determined by the commissioner to be an amount that will provide:

(I) At least ten months but less than eleven months of unemployment benefits, the minimum shall be five-tenths of one percent; or

(II) At least eleven months but less than twelve months of unemployment benefits, the minimum shall be forty-five hundredths of one percent; or

(III) At least twelve months but less than thirteen months of unemployment benefits, the minimum shall be four-tenths of one percent; or

(IV) At least thirteen months but less than fifteen months of unemployment benefits, the minimum shall be thirty-five hundredths of one percent; or

(V) At least fifteen months but less than seventeen months of unemployment benefits, the minimum shall be twenty-five hundredths of one percent; or

(VI) At least seventeen months but less than eighteen months of unemployment benefits, the minimum shall be fifteen hundredths of one percent; or

(VII) At least eighteen months of unemployment benefits, the minimum shall be fifteen hundredths of one percent through rate year 2011 and shall be zero thereafter.

(ii) The graduated social cost factor rate for each employer in the array is the flat social cost factor multiplied by the percentage specified as follows for the rate class to which the employer has been assigned in (a)(ii) of this subsection, except that the sum of an employer's array calculation factor rate and the graduated social cost factor rate may not exceed six percent or, for employers whose North American industry classification system code is within "111," "112," "114.1," "115," "3114," "3117," "42448," or "49312," may not exceed five and four-tenths percent:

(A) Rate class 1 - 78 percent;

(B) Rate class 2 - 82 percent;

(C) Rate class 3 - 86 percent;

(D) Rate class 4 - 90 percent;

(E) Rate class 5 - 94 percent;

(F) Rate class 6 - 98 percent;

(G) Rate class 7 - 102 percent;

(H) Rate class 8 - 106 percent;

(I) Rate class 9 - 110 percent;

(J) Rate class 10 - 114 percent;

(K) Rate class 11 - 118 percent; and

(L) Rate classes 12 through 40 - 120 percent.

(iii) For the purposes of this section:

(A) "Total social cost" means the amount calculated by subtracting the array calculation factor contributions paid by all employers with respect to the four consecutive calendar quarters immediately preceding the computation date and paid to the employment security department by the cut-off date from the total unemployment benefits paid to claimants in the same four consecutive calendar quarters.
"Total taxable payroll" means the total amount of wages subject to tax, as determined under RCW 50.24.010, for all employers in the four consecutive calendar quarters immediately preceding the computation date and reported to the employment security department by the cut-off date.

(c) For employers who do not meet the definition of "qualified employer" by reason of failure to pay contributions when due:

(i) The array calculation factor rate shall be two-tenths higher than that in rate class 40, except employers who have an approved agency-deferred payment contract by September 30th of the previous rate year. If any employer with an approved agency-deferred payment contract fails to make any one of the succeeding deferred payments or fails to submit any succeeding tax report and payment in a timely manner, the employer's tax rate shall immediately revert to an array calculation factor rate two-tenths higher than that in rate class 40; and

(ii) The social cost factor rate shall be the social cost factor rate assigned to rate class 40 under (b)(ii) of this subsection.

(d) For all other employers not qualified to be in the array:

(i) The array calculation factor rate shall be a rate equal to the average industry array calculation factor rate as determined by the commissioner, multiplied by the history factor, but not less than one percent or more than the array calculation factor rate in rate class 40;

(ii) The social cost factor rate shall be a rate equal to the average industry social cost factor rate as determined by the commissioner, multiplied by the history factor, but not more than the social cost factor rate assigned to rate class 40 under (b)(ii) of this subsection; and

(iii) The history factor shall be based on the total amounts of benefits charged and contributions paid in the three fiscal years ending prior to the computation date by employers not qualified to be in the array, other than employers in (c) of this subsection, who were first subject to contributions in the calendar year ending three years prior to the computation date. The commissioner shall calculate the history ratio by dividing the total amount of benefits charged by the total amount of contributions paid in this three-year period by these employers. The division shall be carried to the second decimal place with the remaining fraction disregarded unless it amounts to five one-hundredths or more, in which case the second decimal place shall be rounded to the next higher digit. The commissioner shall determine the history factor according to the history ratio as follows:

(3) Assignment of employers by the commissioner to industrial classification, for purposes of this section, shall be in accordance with established classification practices found ((in the "Standard Industrial

[ 2633 ]
Sec. 3. RCW 50.20.050 and 2008 c 323 s 1 are each amended to read as follows:

(1) ((With respect to claims that have an effective date before January 4, 2004:

(a) An individual shall be disqualified from benefits beginning with the first day of the calendar week in which he or she has left work voluntarily without good cause and thereafter for seven calendar weeks and until he or she has obtained bona fide work in employment covered by this title and earned wages in that employment equal to seven times his or her weekly benefit amount. The disqualification shall continue if the work obtained is a mere sham to qualify for benefits and is not bona fide work. In determining whether work is of a bona fide nature, the commissioner shall consider factors including but not limited to the following:

(i) The duration of the work;
(ii) The extent of direction and control by the employer over the work; and
(iii) The level of skill required for the work in light of the individual's training and experience.

(b) An individual shall not be considered to have left work voluntarily without good cause when:

(i) He or she has left work to accept a bona fide offer of bona fide work as described in (a) of this subsection;
(ii) The separation was because of the illness or disability of the claimant or the death, illness, or disability of a member of the claimant's immediate family if the claimant took all reasonable precautions, in accordance with any regulations that the commissioner may prescribe, to protect his or her employment status by having promptly notified the employer of the reason for the absence and by having promptly requested reemployment when again able to assume employment; PROVIDED, That these precautions need not have been taken when they would have been a futile act, including those instances when the futility of the act was a result of a recognized labor-management dispatch system;
(iii) He or she has left work to relocate for the spouse's employment that is due to an employer-initiated mandatory transfer that is outside the existing labor market area if the claimant remained employed as long as was reasonable prior to the move; or
(iv) The separation was necessary to protect the claimant or the claimant's immediate family members from domestic violence, as defined in RCW 26.50.010, or stalking, as defined in RCW 9A.46.110.

c) In determining under this subsection whether an individual has left work voluntarily without good cause, the commissioner shall only consider work-connected factors such as the degree of risk involved to the individual's health, safety, and morals, the individual's physical fitness for the work, the individual's ability to perform the work, and such other work-connected factors as the commissioner may deem pertinent, including state and national emergencies. Good cause shall not be established for voluntarily leaving work because of its distance from an individual's residence where the distance was known to the
individual at the time he or she accepted the employment and where, in the judgment of the department, the distance is customarily traveled by workers in the individual's job classification and labor market, nor because of any other significant work factor which was generally known and present at the time he or she accepted employment, unless the related circumstances have so changed as to amount to a substantial involuntary deterioration of the work factor or unless the commissioner determines that other related circumstances would work an unreasonable hardship on the individual were he or she required to continue in the employment.

(d) Subsection (1)(a) and (c) of this section shall not apply to an individual whose marital status or domestic responsibilities cause him or her to leave employment. Such an individual shall not be eligible for unemployment insurance benefits beginning with the first day of the calendar week in which he or she left work and thereafter for seven calendar weeks and until he or she has requalified, either by obtaining bona fide work in employment covered by this title and earning wages in that employment equal to seven times his or her weekly benefit amount or by reporting in person to the department during ten different calendar weeks and certifying on each occasion that he or she is ready, able, and willing to immediately accept any suitable work which may be offered, is actively seeking work pursuant to customary trade practices, and is utilizing such employment counseling and placement services as are available through the department. This subsection does not apply to individuals covered by (b)(ii) or (iii) of this subsection.

(2)) With respect to claims that have an effective date on or after January 4, 2004, and for separations that occur before September 6, 2009:

(a) An individual shall be disqualified from benefits beginning with the first day of the calendar week in which he or she has left work voluntarily without good cause and thereafter for seven calendar weeks and until he or she has obtained bona fide work in employment covered by this title and earned wages in that employment equal to seven times his or her weekly benefit amount.

The disqualification shall continue if the work obtained is a mere sham to qualify for benefits and is not bona fide work. In determining whether work is of a bona fide nature, the commissioner shall consider factors including but not limited to the following:

(i) The duration of the work;
(ii) The extent of direction and control by the employer over the work; and
(iii) The level of skill required for the work in light of the individual's training and experience.

(b) An individual is not disqualified from benefits under (a) of this subsection when:

(i) He or she has left work to accept a bona fide offer of bona fide work as described in (a) of this subsection;
(ii) The separation was necessary because of the illness or disability of the claimant or the death, illness, or disability of a member of the claimant's immediate family if:

(A) The claimant pursued all reasonable alternatives to preserve his or her employment status by requesting a leave of absence, by having promptly notified the employer of the reason for the absence, and by having promptly requested reemployment when again able to assume employment. These
alternatives need not be pursued, however, when they would have been a futile act, including those instances when the futility of the act was a result of a recognized labor/management dispatch system; and

(B) The claimant terminated his or her employment status, and is not entitled to be reinstated to the same position or a comparable or similar position;

(iii)(A) With respect to claims that have an effective date before July 2, 2006, he or she: (I) Left work to relocate for the spouse's employment that, due to a mandatory military transfer: (1) Is outside the existing labor market area; and (2) is in Washington or another state that, pursuant to statute, does not consider such an individual to have left work voluntarily without good cause; and (II) remained employed as long as was reasonable prior to the move;

(B) With respect to claims that have an effective date on or after July 2, 2006, he or she: (I) Left work to relocate for the spouse's employment that, due to a mandatory military transfer, is outside the existing labor market area; and (II) remained employed as long as was reasonable prior to the move;

(iv) The separation was necessary to protect the claimant or the claimant's immediate family members from domestic violence, as defined in RCW 26.50.010, or stalking, as defined in RCW 9A.46.110;

(v) The individual's usual compensation was reduced by twenty-five percent or more;

(vi) The individual's usual hours were reduced by twenty-five percent or more;

(vii) The individual's worksite changed, such change caused a material increase in distance or difficulty of travel, and, after the change, the commute was greater than is customary for workers in the individual's job classification and labor market;

(viii) The individual's worksite safety deteriorated, the individual reported such safety deterioration to the employer, and the employer failed to correct the hazards within a reasonable period of time;

(ix) The individual left work because of illegal activities in the individual's worksite, the individual reported such activities to the employer, and the employer failed to end such activities within a reasonable period of time;

(x) The individual's usual work was changed to work that violates the individual's religious convictions or sincere moral beliefs; or

(xi) The individual left work to enter an apprenticeship program approved by the Washington state apprenticeship training council. Benefits are payable beginning Sunday of the week prior to the week in which the individual begins active participation in the apprenticeship program.

(2) With respect to separations that occur on or after September 6, 2009:

(a) An individual shall be disqualified from benefits beginning with the first day of the calendar week in which he or she has left work voluntarily without good cause and thereafter for seven calendar weeks and until he or she has obtained bona fide work in employment covered by this title and earned wages in that employment equal to seven times his or her weekly benefit amount. Good cause reasons to leave work are limited to reasons listed in (b) of this subsection.

The disqualification shall continue if the work obtained is a mere sham to qualify for benefits and is not bona fide work. In determining whether work is of
a bona fide nature, the commissioner shall consider factors including but not limited to the following:

(i) The duration of the work;
(ii) The extent of direction and control by the employer over the work; and
(iii) The level of skill required for the work in light of the individual's training and experience.

(b) An individual has good cause and is not disqualified from benefits under (a) of this subsection only under the following circumstances:

(i) He or she has left work to accept a bona fide offer of bona fide work as described in (a) of this subsection;

(ii) The separation was necessary because of the illness or disability of the claimant or the death, illness, or disability of a member of the claimant's immediate family if:

(A) The claimant pursued all reasonable alternatives to preserve his or her employment status by requesting a leave of absence, by having promptly notified the employer of the reason for the absence, and by having promptly requested reemployment when again able to assume employment. These alternatives need not be pursued, however, when they would have been a futile act, including those instances when the futility of the act was a result of a recognized labor/management dispatch system; and

(B) The claimant terminated his or her employment status, and is not entitled to be reinstated to the same position or a comparable or similar position;

(iii) The claimant: (A) Left work to relocate for the employment of a spouse or domestic partner that is outside the existing labor market area; and (B) remained employed as long as was reasonable prior to the move;

(iv) The separation was necessary to protect the claimant or the claimant's immediate family members from domestic violence, as defined in RCW 26.50.010, or stalking, as defined in RCW 9A.46.110;

(v) The individual's usual compensation was reduced by twenty-five percent or more;

(vi) The individual's usual hours were reduced by twenty-five percent or more;

(vii) The individual's worksite changed, such change caused a material increase in distance or difficulty of travel, and, after the change, the commute was greater than is customary for workers in the individual's job classification and labor market;

(viii) The individual's worksite safety deteriorated, the individual reported such safety deterioration to the employer, and the employer failed to correct the hazards within a reasonable period of time;

(ix) The individual left work because of illegal activities in the individual's worksite, the individual reported such activities to the employer, and the employer failed to end such activities within a reasonable period of time;

(x) The individual's usual work was changed to work that violates the individual's religious convictions or sincere moral beliefs; or

(xi) The individual left work to enter an apprenticeship program approved by the Washington state apprenticeship training council. Benefits are payable beginning Sunday of the week prior to the week in which the individual begins active participation in the apprenticeship program.
Sec. 4. RCW 50.22.010 and 1993 c 483 s 15 are each amended to read as follows:

As used in this chapter, unless the context clearly indicates otherwise:

1. "Extended benefit period" means a period which:
   a. Begins with the third week after a week for which there is an "on" indicator; and
   b. Ends with the third week after the first week for which there is an "off" indicator: PROVIDED, That no extended benefit period shall last for a period of less than thirteen consecutive weeks, and further that no extended benefit period may begin by reason of an "on" indicator before the fourteenth week after the close of a prior extended benefit period which was in effect with respect to this state.

2. There is an "on" indicator for this state for a week if the commissioner determines, in accordance with the regulations of the United States secretary of labor, that for the period consisting of such week and the immediately preceding twelve weeks:
   a. The rate of insured unemployment, not seasonally adjusted, equaled or exceeded one hundred twenty percent of the average of such rates for the corresponding thirteen-week period ending in each of the preceding two calendar years and equaled or exceeded five percent; or
   b. For benefits for weeks of unemployment beginning after March 6, 1993:
      i. The average rate of total unemployment, seasonally adjusted, as determined by the United States secretary of labor, for the period consisting of the most recent three months for which data for all states are published before the close of the week equals or exceeds six and one-half percent; and
      ii. The average rate of total unemployment in the state, seasonally adjusted, as determined by the United States secretary of labor, for the three-month period referred to in (b)(i) of this subsection, equals or exceeds one hundred ten percent of the average for either or both of the corresponding three-month periods ending in the two preceding calendar years.

3. "High unemployment period" means any period of unemployment beginning after March 6, 1993, during which an extended benefit period would be in effect if:
   a. The average rate of total unemployment, seasonally adjusted, as determined by the United States secretary of labor, for the period consisting of the most recent three months for which data for all states are published before the close of the week equals or exceeds eight percent; and
   b. The average rate of total unemployment in the state, seasonally adjusted, as determined by the United States secretary of labor, for the three-month period referred to in (a) of this subsection, equals or exceeds one hundred ten percent of the average for either or both of the corresponding three-month periods ending in the two preceding calendar years.

4. There is an "off" indicator for this state for a week only if, for the period consisting of such week and immediately preceding twelve weeks, none of the options specified in subsection (2) or (3) of this section result in an "on" indicator.

5. "Regular benefits" means benefits payable to an individual under this title or under any state law (including benefits payable to federal civilian
employees and to ex-servicemen pursuant to 5 U.S.C. chapter 85) other than extended benefits or additional benefits.

(6) "Extended benefits" means benefits payable for weeks of unemployment beginning in an extended benefit period to an individual under this title or under any state law (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. chapter 85) other than regular or additional benefits.

(7) "Additional benefits" are benefits totally financed by the state and payable under this title to exhaustees by reason of conditions of high unemployment or by reason of other special factors.

(8) "Eligibility period" of an individual means:

(a) The period consisting of the weeks in his or her benefit year which begin in an extended benefit period that is in effect in this state and, if his or her benefit year ends within such extended benefit period, any weeks thereafter which begin in such period; or

(b) For an individual who is eligible for emergency unemployment compensation during the extended benefit period beginning February 15, 2009, the period consisting of the week ending February 28, 2009, through the week ending May 29, 2010.

(9) "Additional benefit eligibility period" of an individual means the period consisting of the weeks in his or her benefit year which begin in an additional benefit period that is in effect and, if his or her benefit year ends within such additional benefit period, any weeks thereafter which begin in such period.

(10) "Exhaustee" means an individual who, with respect to any week of unemployment in his or her eligibility period:

(a) Has received, prior to such week, all of the regular benefits that were payable to him or her under this title or any other state law (including dependents’ allowances and regular benefits payable to federal civilian employees and ex-servicemen under 5 U.S.C. chapter 85) in his or her current benefit year that includes such week; or

(b) Has received, prior to such week, all of the regular benefits that were available to him or her under this title or any other state law (including dependents’ allowances and regular benefits available to federal civilian employees and ex-servicemen under 5 U.S.C. chapter 85) in his or her current benefit year that includes such week, after the cancellation of some or all of his or her wage credits or the total or partial reduction of his or her rights to regular benefits: PROVIDED, That, for the purposes of (a) and (b), an individual shall be deemed to have received in his or her current benefit year all of the regular benefits that were payable to him or her, or available to him or her, as the case may be, even though:

(i) As a result of a pending appeal with respect to wages or employment, or both, that were not included in the original monetary determination with respect to his or her current benefit year, he or she may subsequently be determined to be entitled to more regular benefits; or

(ii) By reason of the seasonal provisions of another state law, he or she is not entitled to regular benefits with respect to such week of unemployment (although he or she may be entitled to regular benefits with respect to future weeks of unemployment in the next season, as the case may be, in his or her current benefit year), and he or she is otherwise an exhaustee within the meaning
of this section with respect to his or her right to regular benefits under such state law seasonal provisions during the season or off season in which that week of unemployment occurs; or

(iii) Having established a benefit year, no regular benefits are payable to him or her during such year because his or her wage credits were canceled or his or her right to regular benefits was totally reduced as the result of the application of a disqualification; or

(c) His or her benefit year having ended prior to such week, he or she has insufficient wages or employment, or both, on the basis of which he or she could establish in any state a new benefit year that would include such week, or having established a new benefit year that includes such week, he or she is precluded from receiving regular benefits by reason of the provision in RCW 50.04.030 which meets the requirement of section 3304(a)(7) of the Federal Unemployment Tax Act, or the similar provision in any other state law; and

(d)(i) Has no right for such week to unemployment benefits or allowances, as the case may be, under the Railroad Unemployment Insurance Act, the Trade Expansion Act of 1962, and such other federal laws as are specified in regulations issued by the United States secretary of labor; and

(ii) Has not received and is not seeking for such week unemployment benefits under the unemployment compensation law of Canada, unless the appropriate agency finally determines that he or she is not entitled to unemployment benefits under such law for such week.

(11) "State law" means the unemployment insurance law of any state, approved by the United States secretary of labor under section 3304 of the internal revenue code of 1954.

NEW SECTION. Sec. 5. If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state or the eligibility of employers in this state for federal unemployment tax credits, the conflicting part of this act is inoperative solely to the extent of the conflict, and the finding or determination does not affect the operation of the remainder of this act. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state.

NEW SECTION. Sec. 6. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

CHAPTER 494
[Senate Bill 6096]
BUSINESS AND OCCUPATION TAX—BUNKER FUEL

AN ACT Relating to the taxation of the manufacturing and selling of fuel for consumption outside the waters of the United States by vessels in foreign commerce; amending RCW 82.04.433; creating new sections; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. (1) Through this act the legislature intends to address the taxation of persons manufacturing and/or selling bunker fuel. Bunker fuel is fuel intended for consumption outside the waters of the United States by vessels in foreign commerce. Although the state has historically collected tax from bunker fuel manufacturers, recently questions have arisen whether the manufacture of bunker fuel is subject to business and occupation tax under RCW 82.04.240. Pursuant to this act, the activity is taxable under RCW 82.04.240.

(2) The legislature finds that at the time the deduction allowed under RCW 82.04.433 was enacted in 1985, it was intended to apply only to the wholesaling or retailing of bunker fuel. In 1987 the legislature enacted the multiple activities tax credit in RCW 82.04.440. Enactment of the multiple activities tax credit resulted in changed tax liability for certain taxpayers. In particular, some taxpayers that engaged in activities that had been exempt under the prior multiple activities exemption became subject to tax on manufacturing activities upon enactment of the multiple activities tax credit in its place. The manufacturing of bunker fuel is one such activity.

Sec. 2. RCW 82.04.433 and 1985 c 471 s 16 are each amended to read as follows:

1. In computing tax there may be deducted from the measure of tax imposed under RCW 82.04.250 and 82.04.270 amounts derived from sales of fuel for consumption outside the territorial waters of the United States, by vessels used primarily in foreign commerce.

2. (Nothing in this section shall be construed to imply that amounts which may be deducted under this section were taxable under Title 82 RCW prior to the enactment of this section.) The deduction in subsection (1) of this section does not apply with respect to the tax imposed under RCW 82.04.240, whether the value of the fuel under that tax is measured by the gross proceeds derived from the sale thereof or otherwise under RCW 82.04.450.

NEW SECTION. Sec. 3. The department of revenue must take any actions that are necessary to ensure that its rules and other interpretive statements are consistent with this act.

NEW SECTION. Sec. 4. This act applies both prospectively and retroactively.

NEW SECTION. Sec. 5. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

(1) The department shall have primary responsibility among state agencies to receive complaints from persons aggrieved by the failure of a public water system. If the remedy to the complaint is not within the jurisdiction of the department, the department shall refer the complaint to the state or local agency that has the appropriate jurisdiction. The department shall take such steps as are necessary to inform other state agencies of their primary responsibility for such complaints and the implementing procedures.

The system shall be a portal to report both adverse events and incidents, and notifications and reports of adverse events shall be immediately transmitted to the department. The system shall be a secure system that protects the confidentiality of personal health information and provider and facility specific information submitted in notifications and reports, including appropriate
encryption and an accurate means of authenticating the identity of users of the
system. When the system becomes operational, medical facilities shall submit
all notifications and reports by means of the system;

adverse events and incidents, including the identification of performance
indicators and patterns in frequency or severity at certain medical facilities or in
certain regions of the state;

procedures, which may be instituted for the purpose of reducing the number or
severity of adverse events and incidents;

statewide basis regarding changes, trends, and improvements in health care
practices and procedures for the purpose of reducing the number and severity of
adverse events or incidents. Prior to issuing recommendations, consideration

impact to patients, payers, and medical facilities. Statewide recommendations
shall be issued to medical facilities on a continuing basis and shall be published
and posted on a publicly accessible web site. The recommendations made to
medical facilities under this section shall not be considered mandatory for
licensure purposes unless they are adopted by the department as rules pursuant

annually thereafter in any year that an independent entity is contracted for under
subsection (1) of this section to the governor and the legislature on the activities
under this chapter in the preceding year. The report shall include:

(i) The number of adverse events and incidents reported by medical
facilities, in the aggregate, on a geographical basis, and a summary of actions
taken by facilities in response to the adverse events or incidents;

(ii) In the aggregate, the information derived from the data collected,
including any recognized trends concerning patient safety;

(iii) Recommendations for statutory or regulatory changes that may help
improve patient safety in the state; and

(iv) Information, presented in the aggregate, to inform and educate
consumers and providers, on best practices and prevention tools that medical
facilities are implementing to prevent adverse events as well as other patient
safety initiatives medical facilities are undertaking to promote patient safety.

(b) The annual report shall be made available for public inspection and shall
be posted on the department's and the independent entity's web site.

manner that preserves the confidentiality of facilities, documents, materials, or
information made confidential by RCW 70.56.050.

The notification shall be filed in a format specified by the independent entity, after consultation with the department and medical facilities, and shall identify the facility but shall not include any identifying information for any of the health care professionals, facility employees, or patients involved. This provision does not modify the duty of a hospital to make a report to the department or a disciplinary authority if a licensed practitioner has committed unprofessional conduct as defined in RCW 18.130.180. The protections of RCW 43.70.075 apply to notifications of incidents that are submitted in good faith by employees of medical facilities.

Temporary Public Works Grant Program (92000021)

The appropriation in this section is subject to the following conditions and limitations: The appropriation is provided solely for grants for the specified public works projects and competitive public works grant programs specified below. The public works board (board) shall administer the following competitive public works grant programs within the amounts specified, provided that up to ten percent of the amounts provided for competitive grant programs may be transferred to other competitive grant categories if acceptable applications for any category do not total the amount available.

(1) $9,531,000 is provided solely for a competitive public works grant program for local governments serving communities in rural counties as defined in RCW 43.160.020. The board shall prioritize applications for funding for this small community jobs program based on the following criteria:
(a) The unemployment rate of the community;
(b) The ability of the applicant to complete the project promptly; and
(c) The value the project presents to the community in lasting improvements to public safety, environmental quality, recreation and community life, or economic development.

(2) $9,531,000 is provided solely for a competitive public works grant program for local governments serving high density urban communities. The board shall prioritize applications for funding from this urban vitality program based on the following criteria:
(a) The proposed project's ability to decrease the per capita vehicle miles driven in the community by increasing access to mass transit, supporting residential density in proximity to employment opportunities, and improving the safety and appeal of walking and biking in a community;

(b) The ability of the applicant to complete the project promptly; and

(c) The local support for the project as indicated by the level of local matching funds devoted to the project. Local matching funds do not include funds from other state sources.

(3) The state taxable building construction account—state appropriation is provided solely for emergency loans under RCW 43.155.065.

(4) $23,535,000 is provided solely for the following list of projects. The appropriation for Airway Heights wastewater treatment plant is contingent upon a capacity agreement with the Kalispel Tribe that precludes the need to build multiple wastewater treatment facilities on the West Plains. If any project on the following list is unable to show reasonable progress towards accomplishing the intended project by December 31, 2010, the board may transfer the amount allocated for the project to the competitive grant categories in subsections (1) and (2) of this section.

Land Bank (30000050)

The appropriation in this section is subject to the following conditions and limitations: The appropriation is provided solely for acquisition of working forest lands at risk of conversion to nonforest uses and working natural resource lands that will protect and enhance the value of trust land holdings. The legislature finds that the chronic loss of working forest lands threatens the long-term prospects of the timber products and other natural resource industries, which in turn threatens the long-term economic return for the beneficiaries of state trust lands. Acquisition of these lands is intended to help stabilize the primary source of revenue to trust land beneficiaries. The department shall submit a report to the appropriate committees of the legislature by October 1, 2010, and every two years thereafter, indicating the lands purchased under this section, showing the locations, acres, purchase price, and within that purchase price, the value of the property attributed to the future value of timber harvests given an expected rate of return for timber lands, and the value of the property attributed to future development of the property. It is the intent of the legislature to lease the development rights of these conversion lands and retain them as long-term working natural resource lands under the sustainable harvest plan. Working forest lands acquired under this section shall be managed at a level equal to or greater than seventy-five percent of the expected harvest under the sustainable harvest plan.

legislature finds that the chronic loss of working forest lands threatens the long-

NEW SECTION. Sec. 3203. FOR THE DEPARTMENT OF NATURAL RESOURCES
Trust Land Transfer (30000066)

The appropriation in this section is subject to the following conditions and limitations:

(1) The total appropriation is provided to the department solely to transfer from trust status, or enter into fifty year leases for, certain trust lands of statewide significance deemed appropriate for state park, fish and wildlife habitat, natural area preserve, natural resources conservation area, open space, housing and essential government services, or recreation purposes. The approved list of properties for lease or transfer is identified in the LEAP capital document No. 2009-2a, developed April 23, 2009.

(2) Property transferred under this section must be appraised and transferred at fair market value. The value of the timber transferred must be deposited by the department to the common school construction account in the same manner as timber revenues from other common school trust lands. No deduction may be
made for the resource management cost account under RCW 79.64.040. The value of the land transferred must be deposited in the natural resources real property replacement account.

(3) Property subject to lease agreements under this section must be appraised at fair market value. Lease terms must be fifty years with options to renew for an additional fifty years. Lease payments must be lump sum payments for the entire term of the lease at the beginning of the lease. The department shall calculate such lump sum payments using professional appraisal standards. These lease payments may not exceed the fee simple purchase price based on current fair market value and must be deposited by the department to the common school construction account in the same manner as lease revenues from other common school trust lands. No deduction may be made for the resource management cost account under RCW 79.64.040.

(4) All reasonable costs incurred by the department to implement this section are authorized to be paid out of the appropriations. Authorized costs include the actual cost of appraisals, staff time, environmental reviews, surveys, and other similar costs and shall not exceed one and nine-tenths percent of the appropriation.

(5) Intergrant exchanges between common school and other trust lands of equal value may occur if the exchange is in the interest of each trust, as determined by the board of natural resources.

(6) Prior to or concurrent with conveyance of these properties, the department, with full cooperation of the receiving agencies, shall execute and record a real property instrument that dedicates the transferred properties to the purposes identified in subsection (1) of this section. Transfer and lease agreements for properties identified in subsection (1) of this section must include terms that restrict the use of the property to the intended purpose. Transfer and lease agreements may include provisions for receiving agencies to request alternative uses of the property, provided the alternative uses are compatible with the original intended public purpose and the department and legislature approves such uses.

(7) The department and receiving agencies shall work in good faith to carry out the intent of this section. However, the department or receiving agencies may remove a property from the transfer list based on new, substantive information, if it is determined that transfer of the property is not in the statewide interest of either the common school trust or the receiving agency.

(8) The department shall execute trust land transfers that, after the deduction of reasonable costs as provided in subsection (4) of this section, eighty percent of the total value of transferred property is timber value and is deposited in the common school construction account. To achieve the eighty percent requirement, the department may choose to lease properties originally intended as transfers.

(9) $4,189,000 of the amount appropriated is provided solely for fifty-year leases of development rights from timber lands at risk of conversion to non-timber land uses purchased from appropriations in the 2007-2009 fiscal period.

(10) On June 30, 2011, the state treasurer shall transfer all remaining uncommitted funds from this appropriation to the common school construction account and the appropriations in this section shall be reduced by an equivalent amount.

Higher Education Cost Escalation (20082850)

The reappropriation in this section is subject to the following conditions and
limitations: The reappropriation is provided solely for the state board for
community and technical colleges to assist public community and technical
colleges to manage unanticipated cost escalation for projects bid during the
2007-09 biennium. Not more than $750,000 shall be made available to any
single project and amounts provided for this purpose must be matched equally
from other resources. The state board for community and technical colleges shall
manage the distribution of funds to ensure that the requesting college has
managed its project within the current appropriation through preparation of bid
documents and that the scope of the project is no greater than was originally
specified in the design. Prior to the office of financial management approving
use of a minor works appropriation as a match, and its transfer to the project with
unanticipated cost escalation, the state board for community and technical
colleges shall require the college to describe what it has done to identify and
develop alternative resources for a match, and the specific minor works projects
that would be deferred as a result of the transfer. The state board for community
and technical colleges will report to the office of financial management and the
appropriate fiscal committees of the legislature on the use of these funds.

NEW SECTION, Sec. 6001. (1) Allotments for appropriations in this act shall be provided in accordance with the capital project review requirements adopted by the office of financial management and in compliance with RCW 43.88.110. Projects that will be employing alternative public works construction procedures under chapter 39.10 RCW are subject to the allotment procedures defined in this section and RCW 43.88.110.

(2) Each project is defined as proposed in the legislative budget notes or in the governor's budget document.

NEW SECTION, Sec. 6002. To ensure that major construction projects are carried out in accordance with legislative and executive intent, appropriations in this act in excess of $5,000,000 shall not be expended or encumbered until the office of financial management has reviewed and approved the agency's predesign. The predesign document shall include but not be limited to program, site, and cost analysis in accordance with the predesign manual adopted by the office of financial management. To improve monitoring of major construction projects, progress reports shall be submitted by the agency administering the project to the office of financial management and to the fiscal committees of the house of representatives and senate. Reports will be submitted on July 1st and December 31st each year in a format to be developed by the office of financial management.

NEW SECTION, Sec. 6003. (1) To ensure minor works appropriations are carried out in accordance with legislative intent, funds appropriated in this act shall not be allotted until project lists are on file at the office of financial management, the house of representatives capital budget committee, and the senate ways and means committee. All projects must meet the criteria included in subsection (2)(a) of this section. Revisions to the lists must be filed with the office of financial management, the house of representatives capital budget committee, and the senate ways and means committee and include an explanation of variances from the prior lists before funds may be expended on the revisions.

(2)(a) Minor works projects are single line appropriations that include multiple projects of a similar nature and that are valued between $25,000 and $1,000,000 each, with the exception of higher education minor works projects that may be valued up to $2,000,000. These projects can generally be completed within two years of the appropriation with the funding provided. Agencies are prohibited from including projects on their minor works lists that are a phase of a larger project, and that if combined over a continuous period of time, would exceed $1,000,000, or $2,000,000 for higher education minor works projects. Improvements for accessibility in compliance with the Americans with disabilities act may be included in any of the above minor works categories.

(b) Minor works appropriations shall not be used for, among other things: Studies, except for technical or engineering reviews or designs that lead directly to and support a project on the same minor works list; planning; design outside the scope of work on a minor works list; moveable, temporary, and traditionally funded operating equipment not in compliance with the equipment criteria established by the office of financial management; software not dedicated to
control of a specialized system; moving expenses; land or facility acquisition; or to supplement funding for projects with funding shortfalls unless expressly authorized elsewhere in this act. The office of financial management may make an exception to the limitations described in this subsection (2)(b) for exigent circumstances after notifying the legislative fiscal committees and waiting ten days for comments by the legislature regarding the proposed exception.

(3) It is generally not the intent of the legislature to make future appropriations for capital expenditures or for maintenance and operating expenses for an acquisition project or a significant expansion project that is initiated through the minor works process and therefore does not receive a policy and fiscal analysis by the legislature. Minor works projects are intended to be one-time expenditures that do not require future state resources to complete.

NEW SECTION. **Sec. 6004.** (1) The office of financial management may authorize a transfer of appropriation authority provided for a capital project that is in excess of the amount required for the completion of such project to another capital project for which the appropriation is insufficient. No such transfer may be used to expand the capacity of any facility beyond that intended in making the appropriation. Such transfers may be effected only between capital appropriations to a specific department, commission, agency, or institution of higher education and only between capital projects that are funded from the same fund or account. No transfers may occur between projects to local government agencies except where the grants are provided within a single omnibus appropriation and where such transfers are specifically authorized by the implementing statutes that govern the grants.

(2) The office of financial management may find that an amount is in excess of the amount required for the completion of a project only if: (a) The project as defined in the notes to the budget document is substantially complete and there are funds remaining; or (b) bids have been let on a project and it appears to a substantial certainty that the project as defined in the notes to the budget document can be completed within the biennium for less than the amount appropriated in this act.

(3) For the purposes of this section, the intent is that each project be defined as proposed to the legislature in the governor's budget document, unless it clearly appears from the legislative history that the legislature intended to define the scope of a project in a different way.

(4) Transfers of funds to an agency's infrastructure savings appropriation are subject to review and approval by the office of financial management. Expenditures from an infrastructure savings appropriation are limited to projects that have a primary purpose to correct infrastructure deficiencies or conditions that: (a) Adversely affect the ability to utilize the infrastructure for its current programmatic use; (b) reduce the life expectancy of the infrastructure; or (c) increase the operating costs of the infrastructure for its current programmatic use. Eligible infrastructure projects may include structures and surface improvements, site amenities, utility systems outside building footprints and natural environmental changes or requirements as part of an environmental regulation, a declaration of emergency for an infrastructure issue in conformance with RCW 43.88.250, or infrastructure planning as part of a facility master plan.

(5) A report of any transfer effected under this section, except emergency projects or any transfer under $250,000, shall be filed with the legislative fiscal
committees of the senate and house of representatives by the office of financial management at least thirty days before the date the transfer is effected. The office of financial management shall report all emergency or smaller transfers within thirty days from the date of transfer.

**NEW SECTION. Sec. 6005.** (1) It is expected that projects be ready to proceed in a timely manner depending on the type or phase of the project or program that is the subject of the appropriation in this act. Except for major projects that customarily may take more than two biennia to complete from predesign to the end of construction, or large infrastructure grant or loan programs supporting projects that often take more than two biennia to complete, the legislature generally does not intend to reappropriate funds more than once, particularly for smaller grant programs, local/community projects, and minor works.

(2) Agencies shall expedite the expenditure of reappropriations and appropriations in this act in order to: (a) Rehabilitate infrastructure resources; (b) accelerate environmental rehabilitation and restoration projects for the improvement of the state's natural environment; (c) reduce additional costs associated with acquisition and construction inflationary pressures; and (d) provide additional employment opportunities associated with capital expenditures.

(3) To the extent feasible, agencies are directed to accelerate expenditure rates at their current level of permanent employees and shall use contracted design and construction services wherever necessary to meet the goals of this section.

**NEW SECTION. Sec. 6006.** State agencies, including institutions of higher education, shall allot and report full-time equivalent staff for capital projects in a manner comparable to staff reporting for operating expenditures.

**NEW SECTION. Sec. 6007.** The department of general administration shall not charge the facility depreciation component of lease charges for nonprofit tenants in the building adjoining Capitol Way and 11th avenue during the 2009-2011 biennium.

**NEW SECTION. Sec. 6008.** Executive Order No. 05-05, archaeological and cultural resources, was issued effective November 10, 2005. Agencies and higher education institutions shall comply with the requirements set forth in this executive order.

**NEW SECTION. Sec. 6009.** ACQUISITION OF PROPERTIES AND FACILITIES THROUGH FINANCIAL CONTRACTS. The following agencies may enter into financial contracts, paid from any funds of an agency, appropriated or nonappropriated, for the purposes indicated and in not more than the principal amounts indicated, plus financing expenses and required reserves pursuant to chapter 39.94 RCW. When securing properties under this section, agencies shall use the most economical financial contract option available, including long-term leases, lease-purchase agreements, lease-development with option to purchase agreements or financial contracts using certificates of participation. Expenditures made by an agency for one of the indicated purposes before the issue date of the authorized financial contract and any certificates of participation therein are intended to be reimbursed from proceeds of the
financial contract and any certificates of participation therein to the extent provided in the agency's financing plan approved by the state finance committee.

State agencies may enter into agreements with the department of general administration and the state treasurer's office to develop requests to the legislature for acquisition of properties and facilities through financial contracts. The agreements may include charges for services rendered.

Those noninstructional facilities of higher education institutions authorized in this section to enter into financial contracts are not eligible for state funded maintenance and operations. Instructional space that is available for regularly scheduled classes for academic transfer, basic skills, and workforce training programs may be eligible for state funded maintenance and operations.

(1) Department of corrections: Enter into a financing contract for up to $17,958,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to purchase or build work release beds, violator beds, or other community-based re-entry facilities.

(2) Community and technical colleges:
   (a) Enter into a financing contract on behalf of Walla Walla Community College for up to $1,000,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to purchase up to 40 acres of land.
   (b) Enter into a financing contract on behalf of Bellingham Technical College for up to $1,390,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to develop an instructional resource center.
   (c) Enter into a financing contract on behalf of Bellingham Technical College for up to $28,968,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to develop an instructional resource center. The cost of this financing contract shall be paid from the community and technical colleges capital projects account. This facility shall be eligible for maintenance and operations funding on the same terms as if constructed with state general obligation bonds.

RESTORATION. Consistent with RCW 90.71.340, when expending
appropriations under this act that contribute to Puget Sound protection and
recovery, agencies shall consult with the Puget Sound partnership to ensure that
projects and expenditures are either in, or consistent with the 2020 action
agenda. These consultations shall include the exchange of information on
specific actions, projects, associated funding, performance measures, and other
information necessary to track project implementation and ensure alignment
with the action agenda. In situations where the Puget Sound partnership finds

NEW SECTION. Sec. 6011. FOR THE ARTS COMMISSION—ART
WORK ALLOWANCE POOLING. (1) One-half of one percent of moneys
appropriated in this act for original construction of school plant facilities is

The commission may use up to $100,000 of this amount to conserve or maintain existing pieces in the state art collection pursuant to chapter 36, Laws of 2005.

NEW SECTION. Sec. 6012. The amounts shown under the headings "Prior Biennia," "Future Biennia," and "Total" in this act are for informational purposes only and do not constitute legislative approval of these amounts. "Prior biennia" typically refers to the immediate prior biennium for reappropriations, but may refer to multiple biennia in the case of specific projects. A "future biennia" amount is an estimate of what may be appropriated for the project or program in the 2011-2013 biennium and the following three biennia; an amount of zero does not necessarily constitute legislative intent to not provide funding for the project or program in the future.

NEW SECTION. Sec. 6013. (1) "Reappropriations" in this act are appropriations and, unless the context clearly provides otherwise, are subject to the relevant conditions and limitations applicable to appropriations. Reappropriations shall be limited to the unexpended balances remaining on June 30, 2009, from the 2007-2009 biennial appropriations for each project.

(2) "Reappropriations" in sections 5126, 5130, and 5131 of this act shall be reduced in this act to the unexpended balance remaining as of the end of fiscal year 2009 for the 2007-09 biennial appropriations in sections 1085, 1086, and 5145, chapter 520, Laws of 2007.

NEW SECTION. Sec. 6014. To carry out the provisions of this act, the governor may assign responsibility for predesign, design, construction, and other related activities to any appropriate agency.

NEW SECTION. Sec. 6015. If any federal moneys appropriated by this act for capital projects are not received by the state, the department or agency to which the moneys were appropriated may replace the federal moneys with funds available from private or local sources. No replacement may occur under this section without the prior approval of the director of financial management in consultation with the senate ways and means committee and the house of representatives capital budget committee.

NEW SECTION. Sec. 6016. (1) Unless otherwise stated, for all appropriations under this act that require a match of nonstate money or in-kind
contributions, the following requirement, consistent with RCW 43.88.150, shall apply: Expenditures of state money shall be timed so that the state share of project expenditures never exceeds the intended state share of total project costs.

(2) Provision of the full amount of required matching funds is not required to permit the expenditure of capital budget appropriations for phased projects if a proportional amount of the required matching funds is provided for each distinct, identifiable phase of the project.

NEW SECTION. Sec. 6017. NONTAXABLE AND TAXABLE BOND PROCEEDS. Portions of the appropriation authority granted by this act from the state building construction account, or any other account receiving bond proceeds, may be transferred to the state taxable building construction account as deemed necessary by the state finance committee to comply with the federal internal revenue service rules and regulations pertaining to the use of nontaxable bond proceeds. Portions of the general obligation bond proceeds authorized by chapter . . ., Laws of 2009 for deposit into the state taxable building construction account that are in excess of amounts required to comply with the federal internal revenue service rules and regulations shall be deposited into the state building construction account. The state treasurer shall submit written notification to the director of financial management if it is determined that a shift of appropriation authority between the state building construction account, or any other account receiving bond proceeds, and the state taxable building construction account is necessary.

NEW SECTION. Sec. 6018. The office of financial management, in consultation with the fiscal committees of the legislature, may select capital projects that have completed predesign to undergo a budget evaluation study. The budget evaluation study team approach using value engineering techniques must be utilized by the office of financial management in conducting the studies. The office of financial management shall select the budget evaluation team members, contract for the study, and report the results to the legislature and agencies in a timely manner following the study. Funds from the project appropriation must be used by the office of financial management through an interagency agreement with the affected agencies to cover the cost of the study.

During the 2009-2011 biennium, sums credited to the Washington State University building account shall also be used for routine facility maintenance and utility costs. Expenditures so made shall be accounted for in accordance with existing law and shall not be expended until appropriated by the legislature.

(2) All normal school fund revenue pursuant to RCW 28B.35.751 shall be deposited in the Eastern Washington University capital projects account, the Central Washington University capital projects account, the Western Washington University capital projects account, or The Evergreen State College capital projects account respectively, which accounts are hereby created in the state treasury. (1) The department shall establish the building communities fund program. Under the program, capital and technical assistance grants may be made to nonprofit organizations for acquiring, constructing, or rehabilitating facilities used for the delivery of nonresidential community services, including social service centers and multipurpose community centers, including those serving a distinct or ethnic population. Such facilities must be located in a distressed community or serve a substantial number of low-income or disadvantaged persons.

(2) The department shall establish a competitive process to solicit, evaluate, and rank applications for the building communities fund program as follows:

(a) The department shall conduct a statewide solicitation of project applications from nonprofit organizations.

(b) The department shall evaluate and rank applications in consultation with a citizen advisory committee using objective criteria. To be considered qualified, applicants must demonstrate that the proposed project:

(i) Will increase the range, efficiency, or quality of the services provided to citizens;

(ii) Will be located in a distressed community or will serve a substantial number of low-income or disadvantaged persons;

(iii) Will offer three or more distinct activities that meet a single community service objective or a diverse set of activities that meet multiple community service objectives, including but not limited to: Providing social services; expanding employment opportunities for or increasing the employability of community residents; or offering educational or recreational opportunities separate from the public school system or private schools, as long as recreation is not the sole purpose of the facility;

(iv) Reflects a long-term vision for the development of the community, shared by residents, businesses, leaders, and partners;

(v) Requires state funding to accomplish a discrete, usable phase of the project;

(vi) Is ready to proceed and will make timely use of the funds;

(vii) Is sponsored by one or more entities that have the organizational and financial capacity to fulfill the terms of the grant agreement and to maintain the project into the future;

(viii) Fills an unmet need for community services;

(ix) Will achieve its stated objectives; and

(x) Is a community priority as shown through tangible commitments of existing or future assets made to the project by community residents, leaders, businesses, and government partners.
(c) The evaluation process shall also include an examination of existing assets that applicants may apply to projects. Grant assistance under this section shall not exceed twenty-five percent of the total cost of the project, except, under exceptional circumstances, the department may reduce the amount of nonstate match required. The nonstate portion of the total project cost may include cash, the value of real property when acquired solely for the purpose of the project, and in-kind contributions.

(d) The department may not set a monetary limit to funding requests.

(e) No more than ten percent of the total granted amount may be awarded to qualified eligible projects that meet the definition of exceptional circumstances defined in this subsection. For purposes of this subsection, exceptional circumstances include but are not limited to: Natural disasters affecting projects; emergencies beyond an applicant's control, such as a fire or an unanticipated loss of a lease where services are currently provided; a delay that could result in a threat to public health or safety; or instances where a local community could quantifiably demonstrate that they had exhausted all possible fund-raising efforts.

(3) The department shall submit a list of the qualified eligible projects for which applications were received. The list must include a description of each project, its total cost, and the amount of state funding requested. The appropriate fiscal committees of the legislature shall use this list to determine building communities fund projects that may receive funding in the capital budget. The total amount of state capital funding available for all projects on the list shall be determined by the capital budget beginning with the 2009-2011 biennium and thereafter. In addition, if cash funds have been appropriated, up to three million dollars may be used for technical assistance grants. The department shall not sign contracts or otherwise financially obligate funds under this section until the legislature has approved a specific list of projects.

(4) In addition to the list of qualified eligible projects, the department shall submit a summary report that describes the solicitation and evaluation processes, including but not limited to the number of applications received, the total amount of funding requested, issues encountered, if any, and any recommendations for process improvements.

(5) After the legislature has approved a specific list of projects in law, the department shall develop and manage appropriate contracts with the selected applicants; monitor project expenditures and grantee performance; report project and contract information; and exercise due diligence and other contract management responsibilities as required.

(6) In contracts for grants authorized under this section the department shall include provisions which require that capital improvements shall be held by the grantee for a specified period of time appropriate to the amount of the grant and that facilities shall be used for the express purpose of the grant. If the grantee is found to be out of compliance with provisions of the contract, the grantee shall repay to the state general fund the principal amount of the grant plus interest calculated at the rate of interest on state of Washington general obligation bonds issued most closely to the date of authorization of the grant.

Proceeds may be in the form of cash or services in order to achieve the purposes established in this section. Any cash received as part of an exchange transaction shall be deposited in the resource management cost account to pay for administrative expenses incurred in carrying out an exchange transaction. Proceeds may be in the form of cash or services in order to achieve the purposes established in this section. Any cash received as part of an exchange transaction shall be deposited in the forest development account to pay for administrative expenses incurred in carrying out an exchange transaction. The amount of proceeds received from the exchange partner may not exceed five percent of the total value of the exchange. The receipt of proceeds shall not change the character of the transaction from an exchange to a sale.

(3) Prior to executing an exchange under this section, and in addition to the public notice requirements set forth in RCW 79.17.050, the department shall consult with legislative members, other state and federal agencies, local governments, tribes, local stakeholders, conservation groups, and any other interested parties to identify and address cultural resource issues, and the potential of the state lands proposed for exchange to be used for open space, park, school, or critical habitat purposes.

Sec. 6026. RCW 43.99N.060 and 2008 c 328 s 6017 are each amended to read as follows:

(1) The stadium and exhibition center account is created in the custody of the state treasurer. All receipts from the taxes imposed under RCW 82.14.0494 and distributions under RCW 67.70.240(5) shall be deposited into the account. Only the director of the office of financial management or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW. An appropriation is not required for expenditures from this account.

(2) Until bonds are issued under RCW 43.99N.020, up to five million dollars per year beginning January 1, 1999, shall be used for the purposes of subsection (3)(b) of this section, all remaining moneys in the account shall be transferred to the public stadium authority, created under RCW 36.102.020, to be used for public stadium authority operations and development of the stadium and exhibition center.

(3) After bonds are issued under RCW 43.99N.020, all moneys in the stadium and exhibition center account shall be used exclusively for the following purposes in the following priority:

(a) On or before June 30th of each year, the office of financial management shall accumulate in the stadium and exhibition center account an amount at least equal to the amount required in the next succeeding twelve months for the payment of principal of and interest on the bonds issued under RCW 43.99N.020;

(b) An additional reserve amount not in excess of the expected average annual principal and interest requirements of bonds issued under RCW 43.99N.020 shall be accumulated and maintained in the account, subject to withdrawal by the state treasurer at any time if necessary to meet the
requirements of (a) of this subsection, and, following any withdrawal, reaccumulated from the first tax revenues and other amounts deposited in the account after meeting the requirements of (a) of this subsection; and

(c) The balance, if any, shall be transferred to the youth athletic facility account under subsection (4) of this section.

Any revenues derived from the taxes authorized by RCW 36.38.010(5) and 36.38.040 or other amounts that if used as provided under (a) and (b) of this subsection would cause the loss of any tax exemption under federal law for interest on bonds issued under RCW 43.99N.020 shall be deposited in and used exclusively for the purposes of the youth athletic facility account and shall not be used, directly or indirectly, as a source of payment of principal of or interest on bonds issued under RCW 43.99N.020, or to replace or reimburse other funds used for that purpose.

(4) Any moneys in the stadium and exhibition center account not required or permitted to be used for the purposes described in subsection (3)(a) and (b) of this section shall be deposited in the youth athletic facility account hereby created in the state treasury. Expenditures from the account may be used only for purposes of grants or loans to cities, counties, and qualified nonprofit organizations for community outdoor athletic facilities. (For the 2005–2007 biennium, moneys in the account may also be used for a recreation level of service study for local and regional active recreation facilities.) Only the director of the recreation and conservation office or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures. The athletic facility grants or loans may be used for acquiring, developing, equipping, maintaining, and improving community outdoor athletic facilities. Funds shall be divided equally between the development of new community outdoor athletic facilities, the improvement of existing community outdoor athletic facilities, and the maintenance of existing community outdoor athletic facilities. Cities, counties, and qualified nonprofit organizations must submit proposals for grants or loans from the account. To the extent that funds are available, cities, counties, and qualified nonprofit organizations must meet eligibility criteria as established by the director of the recreation and conservation office. The grants and loans shall be awarded on a competitive application process and the amount of the grant or loan shall be in proportion to the population of the city or county for where the community outdoor athletic facility is located. Grants or loans awarded in any one year need not be distributed in that year. In the 2007–2009 biennium, if there are not enough project applications submitted in a category within the account to meet the requirement of equal distribution of funds to each category, the director of the recreation and conservation office may distribute any remaining funds to other categories within the account. The director of the recreation and conservation office may expend up to one and one-half percent of the moneys deposited in the account created in this subsection for administrative purposes.

Passed by the House April 26, 2009.
Passed by the Senate April 26, 2009.
Approved by the Governor May 15, 2009, with the exception of certain items that were vetoed.
Filed in Office of Secretary of State May 18, 2009.

Note: Governor's explanation of partial veto is as follows:
"I have approved, except for Sections 2063, page 70, lines 12 through 15; 6028; 6029; 6030; and 6049 of Substitute House Bill 1216 entitled:"

"AN ACT Relating to the capital budget."

**Section 2063, page 70, lines 12 through 15, Department of Corrections** This proviso requires the Office of Financial Management to undertake a budget evaluation study of the project to expand the reception center at the Washington Corrections Center. Because no funding was provided to continue this project, the study is unnecessary at this time. Therefore, I am vetoing this section.

**Section 6028, pages 239-240, Superintendent of Public Instruction Section 6029, pages 240-241, Universities and Colleges Section 6030, page 241, State Agencies**

These sections direct the Washington State Arts Commission to restrict the purchase of artwork to artists residing in Washington State for projects involving state-assisted K-12 school construction, state colleges and universities, and all state agencies. This restriction could have negative impacts on Washington artists who may be performing work on public works projects in other states. Therefore, I have vetoed these sections.

**Section 6049, page 257, Puget Sound Partnership**

I am vetoing this section because it is duplicative of Section 6010 on page 225.

For these reasons, I have vetoed Sections 2063, page 70, lines 12 through 15; 6028; 6029; 6030; and 6049. With the exception of Sections 2063, page 70, lines 12 through 15; 6028; 6029; 6030; and 6049, Substitute House Bill 1216 is approved."

[Engrossed Substitute House Bill 1272]

CAPITAL AND OPERATING BUDGET PROJECTS—BONDS

AN ACT Relating to state general obligation bonds and related accounts; amending RCW 47.10.867 and 47.56.850; adding new sections to chapter 47.10 RCW; adding a new chapter to Title 43 RCW; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

**NEW SECTION, Sec. 1.** For the purpose of providing funds to finance the projects described and authorized by the legislature in the capital and operating appropriations acts for the 2007-2009 and 2009-2011 fiscal bienniums, and all costs incidental thereto, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of two billion two hundred nineteen million dollars, or as much thereof as may be required, to finance these projects and all costs incidental thereto. Bonds authorized in this section may be sold at such price as the state finance committee shall determine. No bonds authorized in this section may be offered for sale without prior legislative appropriation of the net proceeds of the sale of the bonds.

**NEW SECTION, Sec. 2.** The proceeds from the sale of the bonds authorized in section 1 of this act shall be deposited in the state building construction account created by RCW 43.83.020. The proceeds shall be transferred as follows:

1. One billion nine hundred forty-seven million dollars to remain in the state building construction account created by RCW 43.83.020;
2. Twenty-seven million dollars to the outdoor recreation account created by RCW 79A.25.060;
3. Twenty-seven million dollars to the habitat conservation account created by RCW 79A.15.020;
(4) Six million dollars to the riparian protection account created by RCW 79A.15.120;

(5) Ten million dollars to the farmlands preservation account created by RCW 79A.15.130;

(6) One hundred fifty-nine million dollars to the state taxable building construction account. All receipts from taxable bond issues are to be deposited into the account. If the state finance committee deems it necessary or advantageous to issue more than the amount specified in this subsection (6) as taxable bonds in order to comply with federal internal revenue service rules and regulations pertaining to the use of nontaxable bond proceeds or in order to reduce the total financing costs for bonds issued, the proceeds of such additional taxable bonds shall be transferred to the state taxable building construction account in lieu of any transfer otherwise provided by this section. The state treasurer shall submit written notice to the director of financial management if it is determined that any such additional transfer to the state taxable building construction account is necessary. Moneys in the account may be spent only after appropriation.

These proceeds shall be used exclusively for the purposes specified in this section and for the payment of expenses incurred in the issuance and sale of the bonds issued for the purposes of this section, and shall be administered by the office of financial management subject to legislative appropriation.

NEW SECTION. Sec. 3. (1) The debt-limit general fund bond retirement account shall be used for the payment of the principal of and interest on the bonds authorized in section 2 (1), (2), (3), (4), (5), and (6) of this act.

(2) The state finance committee shall, on or before June 30th of each year, certify to the state treasurer the amount needed in the ensuing twelve months to meet the bond retirement and interest requirements on the bonds authorized in section 2 (1), (2), (3), (4), (5), and (6) of this act.

(3) On each date on which any interest or principal and interest payment is due on bonds issued for the purposes of section 2 (1), (2), (3), (4), (5), and (6) of this act the state treasurer shall withdraw from any general state revenues received in the state treasury and deposit in the debt-limit general fund bond retirement account an amount equal to the amount certified by the state finance committee to be due on the payment date.

NEW SECTION. Sec. 4. (1) Bonds issued under sections 1 through 3 of this act shall state that they are a general obligation of the state of Washington, shall pledge the full faith and credit of the state to the payment of the principal thereof and the interest thereon, and shall contain an unconditional promise to pay the principal and interest as the same shall become due.

(2) The owner and holder of each of the bonds or the trustee for the owner and holder of any of the bonds may by mandamus or other appropriate proceeding require the transfer and payment of funds as directed in this section.

NEW SECTION. Sec. 5. The legislature may provide additional means for raising moneys for the payment of the principal of and interest on the bonds authorized in section 1 of this act, and sections 2 and 3 of this act shall not be deemed to provide an exclusive method for the payment.
Sec. 6. RCW 47.10.867 and 2003 c 147 s 7 are each amended to read as follows:

For the purpose of providing funds for the planning, design, construction, reconstruction, and other necessary costs for transportation projects, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of ((three)) two hundred forty-nine million five hundred thousand dollars, or as much thereof as may be required, to finance these projects and all costs incidental thereto. Bonds authorized in this section may be sold at such price as the state finance committee shall determine. No bonds authorized in this section may be offered for sale without prior legislative appropriation of the net proceeds of the sale of the bonds.

NEW SECTION. Sec. 7. Sections 1 through 5 of this act constitute a new chapter in Title 43 RCW.

NEW SECTION. Sec. 8. In order to provide funds necessary for the location, design, right-of-way, and construction of the state route number 520 corridor projects, as allowed in section 2, chapter . . . (Engrossed Substitute House Bill No. 2211), Laws of 2009, there shall be issued and sold upon the request of the department of transportation a total of one billion nine hundred fifty million dollars of general obligation bonds of the state of Washington first payable from toll revenue and excise taxes on motor vehicle and special fuels in accordance with section 12 of this act.

NEW SECTION. Sec. 9. Upon the request of the department of transportation, the state finance committee shall supervise and provide for the issuance, sale, and retirement of the bonds authorized by this act in accordance with chapter 39.42 RCW. Bonds authorized by this act shall be sold in the manner, at time or times, in amounts, and at the price as the state finance committee shall determine. No bonds may be offered for sale without prior legislative appropriation of the net proceeds of the sale of the bonds.

NEW SECTION. Sec. 10. The proceeds from the sale of bonds authorized by this act shall be deposited in the state route number 520 corridor account created under chapter . . . (Engrossed Substitute House Bill No. 2211), Laws of 2009, and shall be available only for the purposes enumerated in section 8 of this act, for the payment of bond anticipation notes or other interim financing, if any, capitalizing interest on the bonds, and for the payment of bond issuance costs, including the costs of underwriting.

NEW SECTION. Sec. 11. The toll facility bond retirement account is created in the state treasury for the purpose of payment of the principal of and interest and premium on bonds. Both principal of and interest on the bonds issued for the purposes of this act shall be payable from the toll facility bond retirement account. The state finance committee may provide that special subaccounts be created in the account to facilitate payment of the principal of and interest on the bonds. The state finance committee shall, on or before June 30th of each year, certify to the state treasurer the amount required for principal and interest on the bonds in accordance with the bond proceedings.

NEW SECTION. Sec. 12. Bonds issued under the authority of this section and sections 8, 13, and 14 of this act shall distinctly state that they are a general obligation of the state of Washington, shall pledge the full faith and credit of the
state to the payment of the principal thereof and the interest thereon, and shall contain an unconditional promise to pay such principal and interest as the same shall become due. The principal of and interest on the bonds shall be first payable in the manner provided in this section and sections 8, 13, and 14 of this act from toll revenue and then from proceeds of excise taxes on motor vehicle and special fuels to the extent toll revenue is not available for that purpose. Toll revenue and the state excise taxes on motor vehicle and special fuels imposed by chapters 82.36 and 82.38 RCW are hereby pledged to the payment of any bonds and the interest thereon issued under the authority of this section and sections 8, 13, and 14 of this act, and the legislature agrees to continue to impose these toll charges on the state route number 520 corridor, and on any other eligible toll facility designated by the legislature and on which the imposition of tolls is authorized by the legislature in respect of the bonds, and excise taxes on motor vehicle and special fuels in amounts sufficient to pay, when due, the principal and interest on all bonds issued under the authority of this section and sections 8, 13, and 14 of this act.

NEW SECTION. Sec. 13. For bonds issued under the authority of this section and sections 8, 12, and 14 of this act, the state treasurer shall first withdraw toll revenue from the state route number 520 corridor account created under chapter . . . (Engrossed Substitute House Bill No. 2211), Laws of 2009, and, to the extent toll revenue is not available, excise taxes on motor vehicle and special fuels in the motor vehicle fund and deposit in the toll facility bond retirement account, or a special subaccount in the account, such amounts, and at such times, as are required by the bond proceedings.

Any excise taxes on motor vehicle and special fuels required for bond retirement or interest on the bonds authorized by this section and sections 8, 12, and 14 of this act shall be taken from that portion of the motor vehicle fund that results from the imposition of excise taxes on motor vehicle and special fuels and which is, or may be, appropriated to the department for state highway purposes. Funds required shall never constitute a charge against any other allocations of motor vehicle fuel and special fuel tax revenues to the state, counties, cities, and towns unless the amount arising from excise taxes on motor vehicle and special fuels distributed to the state in the motor vehicle fund proves insufficient to meet the requirements for bond retirement or interest on any such bonds.

Any payments for bond retirement or interest on the bonds taken from other revenues from the motor vehicle fuel or special fuel taxes that are distributable to the state, counties, cities, and towns shall be repaid from available toll revenue in the manner provided in the bond proceedings or, if toll revenue is not available for that purpose, from the first excise taxes on motor vehicle and special fuels distributed to the motor vehicle fund not required for bond retirement or interest on the bonds. Any excise taxes on motor vehicle and special fuels required for bond retirement or interest on the bonds authorized by this section and sections 8, 12, and 14 of this act shall be reimbursed to the motor vehicle fund from toll revenue in the manner and with the priority specified in the bond proceedings.

NEW SECTION. Sec. 14. Bonds issued under the authority of sections 8, 12, and 13 of this act and this section and any other general obligation bonds of
the state of Washington that have been or that may be authorized and that pledge
motor vehicle and special fuels excise taxes for the payment of principal and
interest thereon shall be an equal charge against the revenues from such motor
vehicle and special fuels excise taxes.

Sec. 15. RCW 47.56.850 and 2008 c 122 s 7 are each amended to read as fol-

(1) Unless these powers are otherwise delegated by the legislature, the
transportation commission is the tolling authority for the state. The tolling
authority shall:
(a) Set toll rates, establish appropriate exemptions, if any, and make
adjustments as conditions warrant on eligible toll facilities;
(b) Review toll collection policies, toll operations policies, and toll revenue
expenditures on the eligible toll facilities and report annually on this review to
the legislature.
(2) The tolling authority, in determining toll rates, shall consider the policy
guidelines established in RCW 47.56.830.
(3) Unless otherwise directed by the legislature, in setting and periodically
adjusting toll rates, the tolling authority must ensure that toll rates will generate
revenue sufficient to:
(a) Meet the operating costs of the eligible toll facilities, including necessary
maintenance, preservation, renewal, replacement, administration, and toll
enforcement by public law enforcement;
(b) Meet obligations for the timely payment of debt and service on bonds issued for eligible toll facilities, and any other
associated financing costs including, but not limited to, required reserves, minimum debt coverage or other appropriate contingency funding,
and compliance with all other financial and other covenants made by
the state in the bond proceedings;

(c) Meet obligations to reimburse the motor vehicle fund for excise taxes on
motor vehicle and special fuels applied to the payment of bonds issued for
eligible toll facilities; and
(d) Meet any other obligations of the tolling authority to provide its
proportionate share of funding contributions for any projects or operations of the
eligible toll facilities.
(4) The established toll rates may include variable pricing, and should be set
to optimize system performance, recognizing necessary trade-offs to generate
revenue for the purposes specified in subsection (3) of this section. Tolls may
vary for type of vehicle, time of day, traffic conditions, or other factors designed
to improve performance of the system.
(5) In fixing and adjusting toll rates under this section, the only toll revenue
to be taken into account must be toll revenue pledged to bonds that includes toll
receipts, and the only debt service requirements to be taken into account must be
debt service on bonds payable from and secured by toll revenue that includes toll
receipts.
(6) The legislature pledges to appropriate toll revenue as necessary to carry
out the purposes of this section. When the legislature has specifically identified
and designated an eligible toll facility and authorized the issuance of bonds for
the financing of the eligible toll facility that are payable from and secured by a
pledge of toll revenue, the legislature further agrees for the benefit of the owners
of outstanding bonds issued by the state for eligible toll facilities to continue in
effect and not to impair or withdraw the authorization of the tolling authority to
fix and adjust tolls as provided in this section. The state finance committee shall
pledge the state's obligation to impose and maintain tolls, together with the
application of toll revenue as described in this section, to the owners of any
bonds.

NEW SECTION. Sec. 16. If and to the extent that the state finance
committee determines, in consultation with the department of transportation and
the tolling authority, that it will be beneficial for the state to issue any bonds
authorized in sections 8 and 12 through 14 of this act as toll revenue bonds rather
than as general obligation bonds, the state finance committee is authorized to
issue and sell, upon the request of the department of transportation, such bonds
as toll revenue bonds and not as general obligation bonds. Notwithstanding
section 12 of this act, each such bond shall contain a recital that payment or
redemption of the bond and payment of the interest and any premium thereon is
payable solely from and secured solely by a direct pledge, charge, and lien upon
toll revenue and is not a general obligation of the state to which the full faith and
credit of the state is pledged.

Toll revenue is hereby pledged to the payment of any bonds and the interest
thereon issued under the authority of this section, and the legislature agrees to
continue to impose these toll charges on the state route number 520 corridor, and
on any other eligible toll facility designated by the legislature and on which the
imposition of tolls is authorized by the legislature in respect of the bonds, in
amounts sufficient to pay, when due, the principal and interest on all bonds
issued under the authority of this section.

NEW SECTION. Sec. 17. The state finance committee may determine and
include in any resolution authorizing the issuance of any bonds under this act,
such terms, provisions, covenants, and conditions as it may deem appropriate in
order to assist with the marketing and sale of the bonds, confer rights upon the
owners of bonds, and safeguard rights of the owners of bonds including, among
other things:

1. Provisions regarding the maintenance and operation of eligible toll
facilities;

2. The pledges, uses, and priorities of application of toll revenue;

3. Provisions that bonds shall be payable from and secured solely by toll
revenue as provided by section 16 of this act, or shall be payable from and
secured by both toll revenue and by a pledge of excise taxes on motor vehicle
and special fuels and the full faith and credit of the state as provided in sections 8
and 12 through 14 of this act;

4. In consultation with the department of transportation and the tolling
authority, financial covenants requiring that the eligible toll facilities must
produce specified coverage ratios of toll revenue to debt service on bonds;

5. The purposes and conditions that must be satisfied prior to the issuance
of any additional bonds that are to be payable from and secured by any toll
revenue on an equal basis with previously issued and outstanding bonds payable
from and secured by toll revenue;

6. Provisions that bonds for which any toll revenue are pledged, or for
which a pledge of any toll revenue may be reserved, may be structured on a
(7) Provisions regarding reserves, credit enhancement, liquidity facilities, and payment agreements with respect to bonds.

Notwithstanding the foregoing, covenants and conditions detailing the character of management, maintenance, and operation of eligible toll facilities, insurance for eligible toll facilities, financial management of toll revenue, and disposition of eligible toll facilities must first be approved by the department of transportation.

The owner of any bond may by mandamus or other appropriate proceeding require and compel performance of any duties imposed upon the tolling authority and the department of transportation and their respective officials, including any duties imposed upon or undertaken by them or by their respective officers, agents, and employees, in connection with the construction, maintenance, and operation of eligible toll facilities and in connection with the collection, deposit, investment, application, and disbursement of the proceeds of the bonds and toll revenue.

NEW SECTION. Sec. 18. (1) For the purposes of this act, "toll revenue" means all toll receipts, all interest income derived from the investment of toll receipts, and any gifts, grants, or other funds received for the benefit of eligible toll facilities. However, for the purpose of any pledge of toll revenue to the payment of particular bonds issued under this act, "toll revenue" means and includes only such toll revenue or portion thereof that is pledged to the payment of those bonds in the resolution authorizing the issuance of such bonds. Toll revenue constitutes "fees and revenues derived from the ownership or operation of any undertaking, facility, or project" as that phrase is used in Article VIII, section 1(c)(1) of the state Constitution.

(2) For the purposes of this act, "tolling authority" has the same meaning as in RCW 47.56.810.

NEW SECTION. Sec. 19. Sections 8 through 14 and 16 through 18 of this act are each added to chapter 47.10 RCW.

NEW SECTION. Sec. 20. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 21. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

CHAPTER 499
[Engrossed Substitute House Bill 2254]
HIGHER EDUCATION PROJECTS—FINANCING

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 28B.15.210 and 1985 c 390 s 20 are each amended to read as follows:

Within thirty-five days from the date of collection thereof, all building fees at the University of Washington, including building fees to be charged students registering in the schools of medicine and dentistry, shall be paid into the state treasury and credited as follows:

One-half or such larger portion as may be necessary to prevent a default in the payments required to be made out of the bond retirement fund((, and in no event shall such one-half be less than twelve dollars and fifty cents per each resident student per quarter, and thirty-seven dollars and fifty cents per each nonresident student per quarter)) to the “University of Washington bond retirement fund” and the remainder thereof to the "University of Washington building account.” The sum so credited to the University of Washington building account shall be used exclusively for the purpose of erecting, altering, maintaining, equipping, or furnishing buildings, and for certificates of participation under chapter 39.94 RCW, except for any sums transferred as authorized in RCW 28B.20.725(3). The sum so credited to the University of Washington bond retirement fund shall be used for the payment of principal of and interest on bonds outstanding as provided by chapter 28B.20 RCW except for any sums transferred as authorized in RCW 28B.20.725(5).

Sec. 2. RCW 28B.15.310 and 1985 c 390 s 22 are each amended to read as follows:

Within thirty-five days from the date of collection thereof, all building fees shall be paid ((into the state treasury)) and credited as follows: To the Washington State University bond retirement fund, one-half or such larger portion as may be necessary to prevent a default in the payments required to be made out of such bond retirement fund; and the remainder thereof to the Washington State University building account.

The sum so credited to the Washington State University building account shall be expended by the board of regents for buildings, equipment, or maintenance on the campus of Washington State University as may be deemed most advisable and for the best interests of the university, and for certificates of participation under chapter 39.94 RCW, except for any sums transferred as authorized by law. Expenditures so made shall be accounted for in accordance with existing law and shall not be expended until appropriated by the legislature.

The sum so credited to the Washington State University bond retirement fund shall be used to pay and secure the payment of the principal of and interest on building bonds issued by the university, except for any sums which may be transferred out of such fund as authorized by law.
Sec. 3. RCW 28B.20.720 and 1985 c 390 s 39 are each amended to read as follows:

For the purpose of paying and securing the payment of the principal of and interest on the bonds as the same shall become due, there is created in the custody of the state treasurer a special trust fund to be known as the University of Washington bond retirement fund. An appropriation is not required for expenditures from the fund. There shall be paid into the fund, the following:

(1) One-half of such building fees as the board may from time to time determine, or such larger portion as may be necessary to prevent default in the payments required to be made out of the bond retirement fund;

   (f) Providing for the financial support of the child.

(4) "Military duties potentially impacting parenting functions" means those obligations imposed, voluntarily or involuntarily, on a parent serving in the armed forces that may interfere with that parent's abilities to perform his or her parenting functions under a temporary or permanent parenting plan. Military duties potentially impacting parenting functions include, but are not limited to:
   (a) "Deployment," which means the temporary transfer of a service member serving in an active-duty status to another location in support of a military operation, to include any tour of duty classified by the member's branch of the armed forces as "remote" or "unaccompanied";
   (b) "Activation" or "mobilization," which means the call-up of a national guard or reserve service member to extended active-duty status. For purposes of this definition, "mobilization" does not include national guard or reserve annual training, inactive duty days, or drill weekends; or
(c) "Temporary duty," which means the transfer of a service member from one military base or the service member's home to a different location, usually another base, for a limited period of time to accomplish training or to assist in the performance of a noncombat mission.

Sec. 2. RCW 26.09.010 and 2008 c 6 s 1004 are each amended to read as follows:

(1) Except as otherwise specifically provided herein, the practice in civil action shall govern all proceedings under this chapter, except that trial by jury is dispensed with.

(2) A proceeding for dissolution of marriage or domestic partnership, legal separation or a declaration concerning the validity of a marriage or domestic partnership shall be entitled "In re the marriage of . . . . and . . . ." or "In re the domestic partnership of . . . . and . . . ." Such proceedings may be filed in the superior court of the county where the petitioner resides.

(3) In cases where there has been no prior proceeding in this state involving the marital or domestic partnership status of the parties or support obligations for a minor child, a separate parenting and support proceeding between the parents shall be entitled "In re the parenting and support of . . . ."

(4) The initial pleading in all proceedings under this chapter shall be denominated a petition. A responsive pleading shall be denominated a response. Other pleadings, and all pleadings in other matters under this chapter shall be denominated as provided in the civil rules for superior court.

(5) In this chapter, "decree" includes "judgment".

(6) A decree of dissolution, of legal separation, or a declaration concerning the validity of a marriage or domestic partnership shall not be awarded to one of the parties, but shall provide that it affects the status previously existing between the parties in the manner decreed.

(7) In order to provide a means by which to facilitate a fair, efficient, and swift process to resolve matters regarding custody and visitation when a parent serving in the armed forces receives temporary duty, deployment, activation, or mobilization orders from the military, the court shall, upon motion of such a parent:

(a) For good cause shown, hold an expedited hearing in custody and visitation matters instituted under this chapter when the military duties of the parent have a material effect on the parent's ability, or anticipated ability, to appear in person at a regularly scheduled hearing; and

(b) Upon reasonable advance notice to the affected parties and for good cause shown, allow the parent to present testimony and evidence by electronic means in custody and visitation matters instituted under this chapter when the military duties of the parent have a material effect on the parent's ability to appear in person at a regularly scheduled hearing. The phrase "electronic means" includes communication by telephone, video teleconference, or the internet.

Sec. 3. RCW 26.09.260 and 2000 c 21 s 19 are each amended to read as follows:

(1) Except as otherwise provided in subsections (4), (5), (6), (8), and (10) of this section, the court shall not modify a prior custody decree or a parenting plan unless it finds, upon the basis of facts that have arisen since the prior decree or
plan or that were unknown to the court at the time of the prior decree or plan, that a substantial change has occurred in the circumstances of the child or the nonmoving party and that the modification is in the best interest of the child and is necessary to serve the best interests of the child. The effect of a parent's military duties potentially impacting parenting functions shall not, by itself, be a substantial change of circumstances justifying a permanent modification of a prior decree or plan.

(2) In applying these standards, the court shall retain the residential schedule established by the decree or parenting plan unless:

(a) The parents agree to the modification;
(b) The child has been integrated into the family of the petitioner with the consent of the other parent in substantial deviation from the parenting plan;
(c) The child's present environment is detrimental to the child's physical, mental, or emotional health and the harm likely to be caused by a change of environment is outweighed by the advantage of a change to the child; or
(d) The court has found the nonmoving parent in contempt of court at least twice within three years because the parent failed to comply with the residential time provisions in the court-ordered parenting plan, or the parent has been convicted of custodial interference in the first or second degree under RCW 9A.40.060 or 9A.40.070.

(3) A conviction of custodial interference in the first or second degree under RCW 9A.40.060 or 9A.40.070 shall constitute a substantial change of circumstances for the purposes of this section.

(4) The court may reduce or restrict contact between the child and the parent with whom the child does not reside a majority of the time if it finds that the reduction or restriction would serve and protect the best interests of the child using the criteria in RCW 26.09.191.

(5) The court may order adjustments to the residential aspects of a parenting plan upon a showing of a substantial change in circumstances of either parent or of the child, and without consideration of the factors set forth in subsection (2) of this section, if the proposed modification is only a minor modification in the residential schedule that does not change the residence the child is scheduled to reside in the majority of the time and:

(a) Does not exceed twenty-four full days in a calendar year; or
(b) Is based on a change of residence of the parent with whom the child does not reside the majority of the time or an involuntary change in work schedule by a parent which makes the residential schedule in the parenting plan impractical to follow; or
(c) Does not result in a schedule that exceeds ninety overnights per year in total, if the court finds that, at the time the petition for modification is filed, the decree of dissolution or parenting plan does not provide reasonable time with the parent with whom the child does not reside a majority of the time, and further, the court finds that it is in the best interests of the child to increase residential time with the parent in excess of the residential time period in (a) of this subsection. However, any motion under this subsection (5)(c) is subject to the factors established in subsection (2) of this section if the party bringing the petition has previously been granted a modification under this same subsection within twenty-four months of the current motion. Relief granted under this section shall not be the sole basis for adjusting or modifying child support.

[2883]
(6) The court may order adjustments to the residential aspects of a parenting plan pursuant to a proceeding to permit or restrain a relocation of the child. The person objecting to the relocation of the child or the relocating person's proposed revised residential schedule may file a petition to modify the parenting plan, including a change of the residence in which the child resides the majority of the time, without a showing of adequate cause other than the proposed relocation itself. A hearing to determine adequate cause for modification shall not be required so long as the request for relocation of the child is being pursued. In making a determination of a modification pursuant to relocation of the child, the court shall first determine whether to permit or restrain the relocation of the child using the procedures and standards provided in RCW 26.09.405 through 26.09.560. Following that determination, the court shall determine what modification pursuant to relocation should be made, if any, to the parenting plan or custody order or visitation order.

(7) A parent with whom the child does not reside a majority of the time and whose residential time with the child is subject to limitations pursuant to RCW 26.09.191 (2) or (3) may not seek expansion of residential time under subsection (5)(c) of this section unless that parent demonstrates a substantial change in circumstances specifically related to the basis for the limitation.

(8)(a) If a parent with whom the child does not reside a majority of the time voluntarily fails to exercise residential time for an extended period, that is, one year or longer, the court upon proper motion may make adjustments to the parenting plan in keeping with the best interests of the minor child.

(b) For the purposes of determining whether the parent has failed to exercise residential time for one year or longer, the court may not count any time periods during which the parent did not exercise residential time due to the effect of the parent's military duties potentially impacting parenting functions.

(9) A parent with whom the child does not reside a majority of the time who is required by the existing parenting plan to complete evaluations, treatment, parenting, or other classes may not seek expansion of residential time under subsection (5)(c) of this section unless that parent has fully complied with such requirements.

(10) The court may order adjustments to any of the nonresidential aspects of a parenting plan upon a showing of a substantial change of circumstances of either parent or of a child, and the adjustment is in the best interest of the child. Adjustments ordered under this section may be made without consideration of the factors set forth in subsection (2) of this section.

(11) If the parent with whom the child resides a majority of the time receives temporary duty, deployment, activation, or mobilization orders from the military that involve moving a substantial distance away from the parent's residence or otherwise would have a material effect on the parent's ability to exercise parenting functions and primary placement responsibilities, then:

(a) Any temporary custody order for the child during the parent's absence shall end no later than ten days after the returning parent provides notice to the temporary custodian, but shall not impair the discretion of the court to conduct an expedited or emergency hearing for resolution of the child's residential placement upon return of the parent and within ten days of the filing of a motion alleging an immediate danger of irreparable harm to the child. If a motion
alleging immediate danger has not been filed, the motion for an order restoring
the previous residential schedule shall be granted; and
(b) The temporary duty, activation, mobilization, or deployment and the
temporary disruption to the child's schedule shall not be a factor in a
determination of change of circumstances if a motion is filed to transfer
residential placement from the parent who is a military service member.

(12) If a parent receives military temporary duty, deployment, activation, or
mobilization orders that involve moving a substantial distance away from the
military parent's residence or otherwise have a material effect on the military
parent's ability to exercise residential time or visitation rights, at the request of
the military parent, the court may delegate the military parent's residential time
or visitation rights, or a portion thereof, to a child's family member, including a
step-parent, or another person other than a parent, with a close and substantial
relationship to the minor child for the duration of the military parent's absence, if
delegating residential time or visitation rights is in the child's best interest. The
court may not permit the delegation of residential time or visitation rights to a
person who would be subject to limitations on residential time under RCW 26.09.191. The parties shall attempt to resolve disputes regarding delegation of
residential time or visitation rights through the dispute resolution process
specified in their parenting plan, unless excused by the court for good cause
shown. Such a court-ordered temporary delegation of a military parent's
residential time or visitation rights does not create separate rights to residential
time or visitation for a person other than a parent.

(13) If the court finds that a motion to modify a prior decree or parenting
plan has been brought in bad faith, the court shall assess the attorney's fees and
court costs of the nonmoving parent against the moving party.

[Substitute House Bill 1332]

WATERSHED MANAGEMENT PARTNERSHIP—EMINENT DOMAIN

AN ACT Relating to the authority of a watershed management partnership to exercise powers of its forming governments; and adding a new section to chapter 39.34 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 39.34 RCW to read as follows:

(1) As limited in subsection (3) of this section, a watershed management partnership formed or qualified under the authority of RCW 39.34.200 and 39.34.210, including the separate legal entity established by such a partnership under RCW 39.34.030(3)(b) to conduct the cooperative undertaking of the partnership under the same statutory authority, may exercise the power of eminent domain as provided in chapter 8.12 RCW.

(2) The eminent domain authority granted under subsection (1) of this section may be exercised only for those utility purposes for which the watershed partnership was formed and is limited solely to providing water services to its customers.

(3) Subsection (1) of this section applies only to a watershed management partnership that:

(a) Was formed or qualified before July 1, 2006, under the authority of RCW 39.34.200 and 39.34.210;

(b) Is not engaged in planning or in implementing a plan for a water resource inventory area under the terms of chapter 90.82 RCW;
(c) Is composed entirely of cities and water-sewer districts authorized to exercise the power of eminent domain in the manner provided by chapter 8.12 RCW; and

(d) Is governed by a board of directors consisting entirely of elected officials from the cities and water-sewer districts that constitute the watershed management partnership.

(4) A watershed management partnership exercising authority under this section shall:

(a) Comply with the notice requirements of RCW 8.25.290;

(b) Provide notice to the city, town, or county with jurisdiction over the subject property by certified mail thirty days prior to the partnership board authorizing condemnation; and

(c) With any city that is not a member of the watershed management partnership and that has water or sewer service areas within one-half mile of Lake Tapps or water or sewer service areas within five miles upstream from Lake Tapps along the White river, enter into an interlocal agreement to allow eminent domain within that city prior to exercising eminent domain authority under this section.

(5) The legislature is currently unaware of any information suggesting that the expected use by the watershed management partnership of the Lake Tapps water supply will have a significantly adverse effect on surrounding communities. However, if the watershed management partnership's Lake Tapps water supply operations result in a negative impact to the water supplies of a city that is not a member of the watershed management partnership and the city has water or sewer service areas within one-half mile of Lake Tapps or water or sewer service areas within five miles upstream from Lake Tapps along the White river, the city claiming a negative impact under this subsection must notify the watershed management partnership of their claim and give the partnership at least sixty days to resolve the claimed impact. If the watershed management partnership fails to resolve the claimed negative impact or disputes that the negative impact exists, the city claiming the negative impact under this subsection may pursue existing legal remedies in accordance with state and federal law. If a court determines that a negative impact has occurred as provided under this subsection, the watershed management partnership shall implement a remedy acceptable to the claiming city. If the affected city or cities and the watershed management partnership cannot agree on the terms required under this subsection, the court shall establish the terms for the remedy required under this subsection.

CHAPTER 506
[Engrossed House Bill 2040]
BEER AND WINE REGULATION
AN ACT Relating to the work of the joint select committee on beer and wine regulation; amending RCW 66.28.180; adding new sections to chapter 66.28 RCW; and repealing RCW 66.28.010.

Be it enacted by the Legislature of the State of Washington:
NEW SECTION. Sec. 1. A new section is added to chapter 66.28 RCW to read as follows:
The legislature recognizes that Washington's current three-tier system, where the functions of manufacturing, distributing, and retailing are distinct and the financial relationships and business transactions between entities in these tiers are regulated, is a valuable system for the distribution of beer and wine. The legislature further recognizes that the historical total prohibition on ownership of an interest in one tier by a person with an ownership interest in another tier, as well as the historical restriction on financial incentives and business relationships between tiers, is unduly restrictive. The legislature finds the modifications contained in this act are appropriate, because the modifications do not impermissibly interfere with the goals of orderly marketing of alcohol in the state, encouraging moderation in consumption of alcohol by the citizens of the state, protecting the public interest and advancing public safety by preventing the use and consumption of alcohol by minors and other abusive consumption, and promoting the efficient collection of taxes by the state.

NEW SECTION. Sec. 2. A new section is added to chapter 66.28 RCW to read as follows:
The definitions in this section apply throughout sections 1 through 8 of this act unless the context clearly requires otherwise.

(1) "Adverse impact on public health and safety" means that an existing or proposed practice or occurrence has resulted or is more likely than not to result in alcohol being made significantly more attractive or available to minors than would otherwise be the case or has resulted or is more likely than not to result in overconsumption, consumption by minors, or other harmful or abusive forms of consumption.

(2) "Affiliate" means any one of two or more persons if one of those persons has actual or legal control, directly or indirectly, whether by stock ownership or otherwise, of the other person or persons and any one of two or more persons subject to common control, actual or legal, directly or indirectly, whether by stock ownership or otherwise.

(3) "Industry member" means a licensed manufacturer, producer, supplier, importer, wholesaler, distributor, authorized representative, certificate of approval holder, warehouse, and any affiliates, subsidiaries, officers, directors, partners, agents, employees, and representatives of any industry member. "Industry member" does not include the board or any of the board's employees.

(4) "Person" means any individual, partnership, joint stock company, business trust, association, corporation, or other form of business enterprise, including a receiver, trustee, or liquidating agent and includes any officer or employee of a retailer or industry member.

(5) "Retailer" means the holder of a license issued by the board to allow for the sale of alcoholic beverages to consumers for consumption on or off premises and any of the retailer's agents, officers, directors, shareholders, partners, or employees. "Retailer" does not include the board or any of the board's employees.

(6) "Undue influence" means one retailer or industry member directly or indirectly influencing the purchasing, marketing, or sales decisions of another retailer or industry member by any agreement written or unwritten or any other business practices or arrangements such as but not limited to the following:
(a) Any form of coercion between industry members and retailers or between retailers and industry members through acts or threats of physical or economic harm, including threat of loss of supply or threat of curtailment of purchase;

(b) A retailer on an involuntary basis purchasing less than it would have of another industry member's product;

(c) Purchases made by a retailer or industry member as a prerequisite for purchase of other items;

(d) A retailer purchasing a specific or minimum quantity or type of a product or products from an industry member;

(e) An industry member requiring a retailer to take and dispose of a certain product type or quota of the industry member's products;

(f) A retailer having a continuing obligation to purchase or otherwise promote or display an industry member's product;

(g) An industry member having a continuing obligation to sell a product to a retailer;

Be it enacted by the Legislature of the State of Washington:

NEW SECTION.  Sec. 1. (1) The legislature finds that the deployment and adoption of high-speed internet services and technology advancements enhance economic development and public safety for the state's communities. Such deployment also offers improved health care, access to consumer and legal services, increased educational and civic participation opportunities, and a better quality of life for the state's residents. The legislature further finds that improvements in the deployment and adoption of high-speed internet services and the strategic inclusion of technology advancements and technology education are critical to ensuring that Washington remains competitive and continues to provide a skilled workforce, attract businesses, and stimulate job growth.

(2) The legislature intends to support strategic partnerships of public, private, nonprofit, and community-based sectors in the continued growth and development of high-speed internet services and information technology. The
legislature further intends to ensure that all Washington citizens, businesses, schools, and organizations are able to obtain and utilize broadband fully, regardless of location, economic status, literacy level, age, disability, structure, or size. In addition, the legislature intends that a statewide assessment of the availability, location, service levels, and other characteristics of high-speed internet services and other advanced telecommunications services in the state be conducted.

   (3) In recognition of the importance of broadband deployment and adoption to the economy, health, safety, and welfare of the people of Washington, it is the purpose of this act to make high-speed internet service more readily available throughout the state, especially in areas and for populations with a low utilization rate.

NEW SECTION. Sec. 2. (1) The broadband mapping account is established in the custody of the state treasurer. The department shall deposit into the account such funds received from legislative appropriation, federal grants authorized under the federal broadband data improvement act, P.L. 110-385, Title I, and donated funds from private and public sources. Expenditures from the account may be used only for the purposes of sections 3 through 5 of this act. Only the director of the department or the director's designee may authorize expenditures from the account. The account is subject to the allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

(2) The department of information services is the single eligible entity in the state for purposes of the federal broadband data improvement act, P.L. 110-385, Title I.

(3) Funding received by the department under the federal broadband data improvement act, P.L. 110-385, Title I, must be used in accordance with the requirements of that act and, subject to those requirements, may be distributed by the department on a competitive basis to other entities in the state to achieve the purposes of that act.

(4) The department of information services shall consult with the department of community, trade, and economic development or its successor agency, the office of financial management, and the utilities and transportation commission in coordinating broadband mapping activities. In carrying out any broadband mapping activities, the provisions of P.L. 110-385, Title I, regarding trade secrets, commercial or financial information, and privileged or confidential information submitted by the federal communications commission or a broadband provider are deemed to encompass the consulted agencies.

NEW SECTION. Sec. 3. (1) Subject to the availability of federal or state funding, the department may:

(a) Develop an interactive web site to allow residents to self-report whether high-speed internet is available at their home or residence and at what speed; and

(b) Conduct a detailed survey of all high-speed internet infrastructure owned or leased by state agencies and creating a geographic information system map of all high-speed internet infrastructure owned or leased by the state.

(2) State agencies responding to a survey request from the department under subsection (1)(b) of this section shall respond in a reasonable and timely manner,
not to exceed one hundred twenty days. The department shall request of state agencies, at a minimum:

(b) The cost of maintaining that high-speed internet infrastructure, if owned, or the price paid for the high-speed internet infrastructure, if leased; and
(c) The leasing entity, if applicable.
(3) The department may adopt rules as necessary to carry out the provisions of this section.
(4) For purposes of this section, "state agency" includes every state office, department, division, bureau, board, commission, or other state agency.

NEW SECTION. Sec. 4. (1) The department is authorized, through a competitive bidding process, to procure on behalf of the state a geographic information system map detailing high-speed internet infrastructure, service availability, and adoption. This geographic information system map may include adoption information, availability information, type of high-speed internet deployment technology, and available speed tiers for high-speed internet based on any publicly available data.
(2) The department may procure this map either by:
(a) Contracting for and purchasing a completed map from a third party; or
(b) Working directly with the federal communications commission to accept publicly available data.
(3) The department shall establish an accountability and oversight structure to ensure that there is transparency in the bidding and contracting process and full financial and technical accountability for any information or actions taken by a third-party contractor creating this map.
(4) In contracting for purchase of the map in subsection (2)(a) of this section, the department may take no action, nor impose any condition on the third party, that causes any record submitted by a public or private broadband service provider to the third party to meet the standard of a public record as defined in RCW 42.56.010. This prohibition does not apply to any records delivered to the department by the third party as a component of the completed map. For the purpose of RCW 42.56.010(2), the purchase by the department of a completed map may not be deemed use or ownership by the department of the underlying information used by the third party to complete the map.
(5) Data or information that is publicly available as of the effective date of this section will not cease to be publicly available due to any provision of this act.

NEW SECTION. Sec. 5. (1) The department, in coordination with the department of community, trade, and economic development and the utilities and transportation commission, and such advisors as the department chooses, may prepare regular reports that identify the following:

(c) A determination of how nonfederal sources may be utilized to achieve the purposes of broadband mapping, deployment, and adoption activities in the state.

(2) To the greatest extent possible, the initial report should be based upon the information identified in the geographic system maps developed under the requirements of this chapter.

(3) The initial report should be delivered to the appropriate committees of the legislature as soon as feasible, but no later than January 18, 2010.

(4) Future reports based upon the requirements of subsection (1) of this section should be delivered to the appropriate committees of the legislature by January 15th of each year.

CHAPTER 510
[Engrossed Substitute House Bill 1709]
SMALL LOAN BORROWERS—INSTALLMENT PLANS

AN ACT Relating to fee and installment plan assistance for borrowers at risk of default on small loans; amending RCW 31.45.010, 31.45.073, 31.45.084, and 42.56.230; adding new sections to chapter 31.45 RCW; creating new sections; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that some small loan borrowers are unable to pay the entire loaned amount when it is due. Many of these borrowers take out multiple loans to pay off the original borrowed sum.

It is the legislature's intent to reduce or limit the number of borrowers taking out multiple loans by providing for installment plans that give a borrower a better opportunity to pay off their original small loan without having to resort to taking out a subsequent loan or loans.

This act shall be liberally construed to effectuate the legislature's intent to protect borrowers.

Sec. 2. RCW 31.45.010 and 2003 c 86 s 1 are each amended to read as follows:

(11) "Financial institution" means a commercial bank, savings bank, savings and loan association, or credit union.

(13) "Licensee" means a check cashier or seller licensed by the director to engage in business in accordance with this chapter. For purposes of the enforcement powers of this chapter, including the power to issue cease and desist orders under RCW 31.45.110, "licensee" also means a check cashier or seller who fails to obtain the license required by this chapter.

(22) "Total of payments" means the principal amount of the small loan plus all fees or interest charged on the loan.

(23) "Trade secret" means the same as defined in RCW 19.108.010.

Sec. 3. RCW 31.45.073 and 2003 c 86 s 8 are each amended to read as follows:

(1) No licensee may engage in the business of making small loans without first obtaining a small loan endorsement to its license from the director in accordance with this chapter. An endorsement will be required for each location where a licensee engages in the business of making small loans, but a small loan endorsement may authorize a licensee to make small loans at a location different than the licensed locations where it cashes or sells checks. A licensee may have more than one endorsement.

(2) A licensee must set the due date of a small loan on or after the date of the borrower's next pay date. If a borrower's next pay date is within seven days of taking out the loan, a licensee must set the due date of a small loan on or after the borrower's second pay date after the date the small loan is made. The termination date of a small loan may not exceed the origination date of that same small loan by more than forty-five days, including weekends and holidays, unless the term of the loan is extended by agreement of both the borrower and the licensee and no additional fee or interest is charged. The maximum principal amount of any small loan, or the outstanding principal balances of all small loans made by ((a)) all licensees to a single borrower at any one time, may not exceed seven hundred dollars or thirty percent of the gross monthly income of the borrower, whichever is lower. A licensee is prohibited from making a small loan to a borrower who is in default on another small loan until after that loan is paid in full or two years have passed from the origination date of the small loan, whichever occurs first.

(3) A licensee is prohibited from making a small loan to a borrower in an installment plan with any licensee until after the plan is paid in full or two years have passed from the origination date of the installment plan, whichever occurs first.

(4) A borrower is prohibited from receiving more than eight small loans from all licensees in any twelve-month period. A licensee is prohibited from making a small loan to a borrower if making that small loan would result in a borrower receiving more than eight small loans from all licensees in any twelve-month period.

(5) A licensee that has obtained the required small loan endorsement may charge interest or fees for small loans not to exceed in the aggregate fifteen percent of the first five hundred dollars of principal. If the principal exceeds five hundred dollars, a licensee may charge interest or fees not to exceed in the aggregate ten percent of that portion of the principal in excess of five hundred dollars. If a licensee makes more than one loan to a single borrower, and the aggregated principal of all loans made to that borrower exceeds five hundred
dollars at any one time, the licensee may charge interest or fees not to exceed in
the aggregate ten percent on that portion of the aggregated principal of all loans
at any one time that is in excess of five hundred dollars. The director may
determine by rule which fees, if any, are not subject to the interest or fee
limitations described in this section. It is a violation of this chapter for any
licensee to knowingly loan to a single borrower at any one time, in a single loan
or in the aggregate, more than the maximum principal amount described in this
section.

(((4))) (6) In connection with making a small loan, a licensee may advance
moneys on the security of a postdated check. The licensee may not accept any
other property, title to property, or other evidence of ownership of property as
collateral for a small loan. The licensee may accept only one postdated check
per loan as security for the loan. A licensee may permit a borrower to redeem a
postdated check with a payment of cash or the equivalent of cash. The licensee
may disburse the proceeds of a small loan in cash, in the form of a check, or in
the form of the electronic equivalent of cash or a check.

(((5))) (7) No person may at any time cash or advance any moneys on a
postdated check or draft in excess of the amount of goods or services purchased
without first obtaining a small loan endorsement to a check cashier or check
seller license.

Sec. 4. RCW 31.45.084 and 2003 c 86 s 12 are each amended to read as
follows:

(1) ((A licensee and borrower may agree to a payment plan for a small loan
at any time. After four successive loans and prior to default upon the last loan,
each)) If a borrower notifies a licensee that the borrower will be or is unable to
repay a loan when it is due, the licensee must inform the borrower that the
borrower may convert their small loan to ((a payment plan)) an installment plan. The
licensee must convert the small loan to an installment plan at the borrower's
request. Each agreement for a loan ((payment plan)) installment plan must be in
writing and acknowledged by both the borrower and the licensee. ((The licensee
may charge the borrower, at the time both parties enter into the payment plan, a
one-time fee for the payment plan in an amount up to the fee or interest on the
outstanding principal of the loan as allowed under RCW 31.45.073(3).)) The
licensee may not assess any other fee, interest charge, or other charge on the
borrower as a result of converting the small loan into ((a payment plan)) an
installment plan. This ((payment plan)) installment plan must provide for the
payment of the total of payments due on the small loan over a period not less
than ((sixty)) ninety days (in three or more payments, unless the borrower and
licensee agree to a shorter payment period)) for a loan amount of up to and
including four hundred dollars. For a loaned amount over four hundred dollars,
the installment plan must be a period not less than one hundred eighty days.
The borrower may pay the total of ((payment plan)) installments at any time. The
licensee may not charge any penalty, fee, or charge to the borrower for
prepayment of the loan ((payment plan)) installment plan by the borrower. Each
licensee shall conspicuously disclose to each borrower in the small loan
agreement or small loan note that the borrower has access to such ((payment plan)) an
installment plan ((after four successive loans)). A licensee's violation of such
((payment plan)) an installment plan constitutes a violation of this chapter.
(2) The licensee (may take) must return any postdated checks that the borrower has given to the licensee for the original small loan at the initiation of the installment plan (for the payments agreed to under the plan. If any check accepted by the licensee as payment under the payment plan is dishonored, the licensee may not charge the borrower any fee for the dishonored check).

(3) (If the borrower defaults on the payment plan, the licensee may initiate action to collect the total of payments under RCW 31.45.082.) A licensee may take postdated checks for installment plan payments at the time the installment plan is originated. If any check accepted as payment under the installment plan is dishonored, the licensee may not charge the borrower any fee for the dishonored check. If a borrower defaults on the installment plan, the licensee may charge the borrower a one-time installment plan default fee of twenty-five dollars.

(4) If the licensee enters into an installment plan with the borrower through an accredited third party, with certified credit counselors, that is representing the borrower, the licensee's failure to comply with the terms of that installment plan constitutes a violation of this chapter.

NEW SECTION. Sec. 5. A new section is added to chapter 31.45 RCW to read as follows:

(1)(a) In addition to other disclosures required by this chapter, the application for a small loan must include a statement that is substantially similar to the following: "At the time you repay this loan, you should have sufficient funds to meet your other financial obligations. If you cannot pay other bills because you are paying off this debt, you should go into the installment plan offered in connection with this loan."

(b) The statement in (a) of this subsection must be on the front page of the loan application and must be in at least twelve point type.

(2) The director may adopt rules to implement this section.

NEW SECTION. Sec. 6. A new section is added to chapter 31.45 RCW to read as follows:

(1) The director must, by contract with a vendor or service provider or otherwise, develop and implement a system by means of which a licensee may determine:

(a) Whether a consumer has an outstanding small loan;
(b) The number of small loans the consumer has outstanding;
(c) Whether the borrower is eligible for a loan under RCW 31.45.073;
(d) Whether the borrower is in an installment plan; and
(e) Any other information necessary to comply with chapter 31.45 RCW.

(2) The director may specify the form and contents of the system by rule. Any system must provide that the information entered into or stored by the system is:

(a) Accessible to and usable by licensees and the director from any location in this state; and
(b) Secured against public disclosure, tampering, theft, or unauthorized acquisition or use.

(3) If the system described in subsection (1) of this section is developed and implemented, a licensee making small loans under chapter 31.45 RCW must
enter or update the required information in subsection (1) of this section at the
time that the small loan transaction is conducted by the licensee.

(4) A licensee must continue to enter and update all required information for
any loans subject to chapter 31.45 RCW that are outstanding or have not yet
expired after the date on which the licensee no longer has the license or small
loan endorsement required by this chapter. Within ten business days after
ceasing to make loans subject to chapter 31.45 RCW, the licensee must submit a
plan for continuing compliance with this subsection to the director for approval.
The director must promptly approve or disapprove the plan and may require the
licensee to submit a new or modified plan that ensures compliance with this
subsection.

(5) If the system described in subsection (1) of this section is developed and
implemented, the director shall adopt rules to set the fees licensees shall pay to
the vendor or service provider for the operation and administration of the system
and the administration of this chapter by the department.

(6) The director shall adopt rules establishing standards for the retention,
archiving, and deletion of information entered into or stored by the system
described in subsection (1) of this section.

(7) The information in the system described in subsection (1) of this section
is not subject to public inspection or disclosure under chapter 42.56 RCW.

NEW SECTION. Sec. 7. A new section is added to chapter 31.45 RCW to
read as follows:

(1) The director must collect and submit the following information in a
report to the financial services committees of the senate and house of
representatives:

(a) The number of borrowers entered into an installment plan since the
effective date of this section;

(b) How the number of borrowers in installment plans compares to the
number of borrowers in installment plans in years previous to the effective date
of this section;

(c) The number of borrowers who have defaulted since the effective date of
this section;

(d) If known on the effective date of this section, how the number of
borrowers who have defaulted compares to the number of borrowers who
defaulted in years previous to the effective date of this section; and

(e) Any other information that the director believes is relevant or useful.

(2) Failure to provide the director information required by this section is a
violation of this chapter.

Sec. 8. RCW 42.56.230 and 2008 c 200 s 5 are each amended to read as
follows:

The following personal information is exempt from public inspection and
copying under this chapter:

(1) Personal information in any files maintained for students in public
schools, patients or clients of public institutions or public health agencies, or
welfare recipients;

(2) Personal information in files maintained for employees, appointees, or
elected officials of any public agency to the extent that disclosure would violate
their right to privacy;
(3) Information required of any taxpayer in connection with the assessment or collection of any tax if the disclosure of the information to other persons would (a) be prohibited to such persons by RCW 84.08.210, 82.32.330, 84.40.020, or 84.40.340 or (b) violate the taxpayer's right to privacy or result in unfair competitive disadvantage to the taxpayer;

(4) Credit card numbers, debit card numbers, electronic check numbers, card expiration dates, or bank or other financial account numbers, except when disclosure is expressly required by or governed by other law; ((and))

(5) Personal and financial information related to a small loan or any system of authorizing a small loan in section 6 of this act; and

(6) Documents and related materials and scanned images of documents and related materials used to prove identity, age, residential address, social security number, or other personal information required to apply for a driver's license or identicard.

(1) The legislative authority of a rural county may impose a sales and use tax in accordance with the terms of this chapter. The tax is in addition to other taxes authorized by law and shall be collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the county. The rate of tax shall not exceed 0.09 percent of the selling price in the case of a sales tax or value of the article used in the case of a use tax, except that for rural counties with population densities between sixty and one hundred persons per square mile, the rate shall not exceed 0.04 percent before January 1, 2000.

(2) The tax imposed under subsection (1) of this section shall be deducted from the amount of tax otherwise required to be collected or paid over to the department of revenue under chapter 82.08 or 82.12 RCW. The department of revenue shall perform the collection of such taxes on behalf of the county at no cost to the county.

(3)(a) Moneys collected under this section shall only be used to finance public facilities serving economic development purposes in rural counties and finance personnel in economic development offices. The public facility must be
listed as an item in the officially adopted county overall economic development plan, or the economic development section of the county's comprehensive plan, or the comprehensive plan of a city or town located within the county for those counties planning under RCW 36.70A.040. For those counties that do not have an adopted overall economic development plan and do not plan under the growth management act, the public facility must be listed in the county's capital facilities plan or the capital facilities plan of a city or town located within the county.

(b) In implementing this section, the county shall consult with cities, towns, and port districts located within the county and the associate development organization serving the county to ensure that the expenditure meets the goals of chapter 130, Laws of 2004 and the requirements of (a) of this subsection. Each county collecting money under this section shall report, as follows, to the office of the state auditor, within one hundred fifty days after the close of each fiscal year: (i) A list of new projects begun during the fiscal year, showing that the county has used the funds for those projects consistent with the goals of chapter 130, Laws of 2004 and the requirements of (a) of this subsection; and (ii) expenditures during the fiscal year on projects begun in a previous year. Any projects financed prior to June 10, 2004, from the proceeds of obligations to which the tax imposed under subsection (1) of this section has been pledged shall not be deemed to be new projects under this subsection. No new projects funded with money collected under this section may be for justice system facilities.

(c) The definitions in this section apply throughout this section.

(i) "Public facilities" means bridges, roads, domestic and industrial water facilities, sanitary sewer facilities, earth stabilization, storm sewer facilities, railroad, electricity, natural gas, buildings, structures, telecommunications infrastructure, transportation infrastructure, or commercial infrastructure, and port facilities in the state of Washington.

(ii) "Economic development purposes" means those purposes which facilitate the creation or retention of businesses and jobs in a county.

(iii) "Economic development office" means an office of a county, port districts, or an associate development organization as defined in RCW 43.330.010, which promotes economic development purposes within the county.

(4) No tax may be collected under this section before July 1, 1998. (a) Except as provided in (b) of this subsection, no tax may be collected under this section by a county more than twenty-five years after the date that a tax is first imposed under this section.

(b) For counties imposing the tax at the rate of 0.09 percent before August 1, 2009, the tax expires on the date that is twenty-five years after the date that the 0.09 percent tax rate was first imposed by that county.

(5) For purposes of this section, "rural county" means a county with a population density of less than one hundred persons per square mile or a county smaller than two hundred twenty-five square miles as determined by the office of financial management and published each year by the department for the period July 1st to June 30th.

[Engrossed House Bill 1815]

CURRENT USE VALUATION—OPEN SPACE LAND

AN ACT Relating to current use valuation under the property tax open space program; and amending RCW 84.34.020 and 84.34.108.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 84.34.020 and 2005 c 57 s 1 are each amended to read as follows:

As used in this chapter, unless a different meaning is required by the context:

(1) "Open space land" means (a) any land area so designated by an official comprehensive land use plan adopted by any city or county and zoned accordingly, or (b) any land area, the preservation of which in its present use
would (i) conserve and enhance natural or scenic resources, or (ii) protect streams or water supply, or (iii) promote conservation of soils, wetlands, beaches or tidal marshes, or (iv) enhance the value to the public of abutting or neighboring parks, forests, wildlife preserves, nature reservations or sanctuaries or other open space, or (v) enhance recreation opportunities, or (vi) preserve historic sites, or (vii) preserve visual quality along highway, road, and street corridors or scenic vistas, or (viii) retain in its natural state tracts of land not less than one acre situated in an urban area and open to public use on such conditions as may be reasonably required by the legislative body granting the open space classification, or (c) any land meeting the definition of farm and agricultural conservation land under subsection (8) of this section. As a condition of granting open space classification, the legislative body may not require public access on land classified under (b)(iii) of this subsection for the purpose of promoting conservation of wetlands.

(2) "Farm and agricultural land" means:

(a) Any parcel of land that is twenty or more acres or multiple parcels of land that are contiguous and total twenty or more acres:
   (i) Devoted primarily to the production of livestock or agricultural commodities for commercial purposes;
   (ii) Enrolled in the federal conservation reserve program or its successor administered by the United States department of agriculture; or
   (iii) Other similar commercial activities as may be established by rule;

(b)(i) Any parcel of land that is five acres or more but less than twenty acres devoted primarily to agricultural uses, which has produced a gross income from agricultural uses equivalent to, as of January 1, 1993:
   (A) One hundred dollars or more per acre per year for three of the five calendar years preceding the date of application for classification under this chapter for all parcels of land that are classified under this subsection or all parcels of land for which an application for classification under this subsection is made with the granting authority prior to January 1, 1993; and
   (B) On or after January 1, 1993, two hundred dollars or more per acre per year for three of the five calendar years preceding the date of application for classification under this chapter;
   (ii) For the purposes of (b)(i) of this subsection, "gross income from agricultural uses" includes, but is not limited to, the wholesale value of agricultural products donated to nonprofit food banks or feeding programs;
   (c) Any parcel of land of less than five acres devoted primarily to agricultural uses which has produced a gross income as of January 1, 1993, of:
      (i) One thousand dollars or more per year for three of the five calendar years preceding the date of application for classification under this chapter for all parcels of land that are classified under this subsection or all parcels of land for which an application for classification under this subsection is made with the granting authority prior to January 1, 1993; and
      (ii) On or after January 1, 1993, fifteen hundred dollars or more per year for three of the five calendar years preceding the date of application for classification under this chapter.

Parcels of land described in (b)(i)(A) and (c)(i) of this subsection shall, upon any transfer of the property excluding a transfer to a surviving spouse, be subject to the limits of (b)(i)(B) and (c)(ii) of this subsection;
(d) Any parcel of land that is five acres or more but less than twenty acres devoted primarily to agricultural uses, which meet one of the following criteria:

(i) Has produced a gross income from agricultural uses equivalent to two hundred dollars or more per acre per year for three of the five calendar years preceding the date of application for classification under this chapter;

(ii) Has standing crops with an expectation of harvest within seven years, except as provided in (d)(iii) of this subsection, and a demonstrable investment in the production of those crops equivalent to one hundred dollars or more per acre in the current or previous calendar year. For the purposes of this subsection (2)(d)(ii), "standing crop" means Christmas trees, vineyards, fruit trees, or other perennial crops that: (A) Are planted using agricultural methods normally used in the commercial production of that particular crop; and (B) typically do not produce harvestable quantities in the initial years after planting; or

(iii) Has a standing crop of short rotation hardwoods with an expectation of harvest within fifteen years and a demonstrable investment in the production of those crops equivalent to one hundred dollars or more per acre in the current or previous calendar year;

(e) Any lands including incidental uses as are compatible with agricultural purposes, including wetlands preservation, provided such incidental use does not exceed twenty percent of the classified land and the land on which appurtenances necessary to the production, preparation, or sale of the agricultural products exist in conjunction with the lands producing such products. Agricultural lands shall also include any parcel of land of one to five acres, which is not contiguous, but which otherwise constitutes an integral part of farming operations being conducted on land qualifying under this section as "farm and agricultural lands"; or

(f) The land on which housing for employees and the principal place of residence of the farm operator or owner of land classified pursuant to (a) of this subsection is sited if: The housing or residence is on or contiguous to the classified parcel; and the use of the housing or the residence is integral to the use of the classified land for agricultural purposes.

(3) "Timber land" means any parcel of land that is five or more acres or multiple parcels of land that are contiguous and total five or more acres which is or are devoted primarily to the growth and harvest of timber for commercial purposes. Timber land means the land only and does not include a residential homesite. The term includes land used for incidental uses that are compatible with the growing and harvesting of timber but no more than ten percent of the land may be used for such incidental uses. It also includes the land on which appurtenances necessary for the production, preparation, or sale of the timber products exist in conjunction with land producing these products.

(4) "Current" or "currently" means as of the date on which property is to be listed and valued by the assessor.

(5) "Owner" means the party or parties having the fee interest in land, except that where land is subject to real estate contract "owner" shall mean the contract vendee.

(6) "Contiguous" means land adjoining and touching other property held by the same ownership. Land divided by a public road, but otherwise an integral part of a farming operation, shall be considered contiguous.
(7) "Granting authority" means the appropriate agency or official who acts on an application for classification of land pursuant to this chapter.

(8) "Farm and agricultural conservation land" means either:

(a) Land that was previously classified under subsection (2) of this section, that no longer meets the criteria of subsection (2) of this section, and that is reclassified under subsection (1) of this section; or

(b) Land that is traditional farmland that is not classified under chapter 84.33 or 84.34 RCW, that has not been irrevocably devoted to a use inconsistent with agricultural uses, and that has a high potential for returning to commercial agriculture.

Sec. 2. RCW 84.34.108 and 2007 c 54 s 25 are each amended to read as follows:

(1) When land has once been classified under this chapter, a notation of the classification shall be made each year upon the assessment and tax rolls and the land shall be valued pursuant to RCW 84.34.060 or 84.34.065 until removal of all or a portion of the classification by the assessor upon occurrence of any of the following:

(a) Receipt of notice from the owner to remove all or a portion of the classification;

(b) Sale or transfer to an ownership, except a transfer that resulted from a default in loan payments made to or secured by a governmental agency that intends to or is required by law or regulation to resell the property for the same use as before, making all or a portion of the land exempt from ad valorem taxation;

(c) Sale or transfer of all or a portion of the land to a new owner, unless the new owner has signed a notice of classification continuance, except transfer to an owner who is an heir or devisee of a deceased owner shall not, by itself, result in removal of classification. The notice of continuance shall be on a form prepared by the department. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all additional taxes calculated pursuant to subsection (4) of this section shall become due and payable by the seller or transferor at time of sale. The auditor shall not accept an instrument of conveyance regarding classified land for filing or recording unless the new owner has signed the notice of continuance or the additional tax has been paid, as evidenced by the real estate excise tax stamp affixed thereto by the treasurer. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (4) of this section to the county board of equalization in accordance with the provisions of RCW 84.40.038. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals;

(d) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that all or a portion of the land no longer meets the criteria for classification under this chapter. The criteria for classification pursuant to this chapter continue to apply after classification has been granted.

The granting authority, upon request of an assessor, shall provide reasonable assistance to the assessor in making a determination whether the land continues to meet the qualifications of RCW 84.34.020 (1) or (3). The assistance shall be provided within thirty days of receipt of the request.

(2) Land may not be removed from classification because of:
(a) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120; or

(b) The creation, sale, or transfer of a fee interest or a conservation easement for the riparian open space program under RCW 76.09.040.

(3) Within thirty days after the removal of all or a portion of the land from current use classification under subsection (1) of this section, the assessor shall notify the owner in writing, setting forth the reasons for the removal. The seller, transferor, or owner may appeal the removal to the county board of equalization in accordance with the provisions of RCW 84.40.038. The removal notice must explain the steps needed to appeal the removal decision, including when a notice of appeal must be filed, where the forms may be obtained, and how to contact the county board of equalization.

(4) Unless the removal is reversed on appeal, the assessor shall revalue the affected land with reference to its true and fair value on January 1st of the year of removal from classification. Both the assessed valuation before and after the removal of classification shall be listed and taxes shall be allocated according to that part of the year to which each assessed valuation applies. Except as provided in subsection (6) of this section, an additional tax, applicable interest, and penalty shall be imposed which shall be due and payable to the treasurer thirty days after the owner is notified of the amount of the additional tax. As soon as possible, the assessor shall compute the amount of additional tax, applicable interest, and penalty and the treasurer shall mail notice to the owner of the amount thereof and the date on which payment is due. The amount of the additional tax, applicable interest, and penalty shall be determined as follows:

   (a) The amount of additional tax shall be equal to the difference between the property tax paid as "open space land," "farm and agricultural land," or "timber land" and the amount of property tax otherwise due and payable for the seven years last past had the land not been so classified;

   (b) The amount of applicable interest shall be equal to the interest upon the amounts of the additional tax paid at the same statutory rate charged on delinquent property taxes from the dates on which the additional tax could have been paid without penalty if the land had been assessed at a value without regard to this chapter;

   (c) The amount of the penalty shall be as provided in RCW 84.34.080. The penalty shall not be imposed if the removal satisfies the conditions of RCW 84.34.070.

(5) Additional tax, applicable interest, and penalty, shall become a lien on the land which shall attach at the time the land is removed from classification under this chapter and shall have priority to and shall be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation or responsibility to or with which the land may become charged or liable. This lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. Any additional tax unpaid on its due date shall thereupon become delinquent. From the date of delinquency until paid, interest shall be charged at the same rate applied by law to delinquent ad valorem property taxes.
(6) The additional tax, applicable interest, and penalty specified in subsection (4) of this section shall not be imposed if the removal of classification pursuant to subsection (1) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other land located within the state of Washington;

(b)(i) A taking through the exercise of the power of eminent domain, or (ii) sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power, said entity having manifested its intent in writing or by other official action;

(c) A natural disaster such as a flood, windstorm, earthquake, or other such calamity rather than by virtue of the act of the landowner changing the use of the property;

(d) Official action by an agency of the state of Washington or by the county or city within which the land is located which disallows the present use of the land;

(e) Transfer of land to a church when the land would qualify for exemption pursuant to RCW 84.36.020;

(f) Acquisition of property interests by state agencies or agencies or organizations qualified under RCW 84.34.210 and 64.04.130 for the purposes enumerated in those sections. At such time as these property interests are not used for the purposes enumerated in RCW 84.34.210 and 64.04.130 the additional tax specified in subsection (4) of this section shall be imposed;

(g) Removal of land classified as farm and agricultural land under RCW 84.34.020(2)(((e)))(f);

(h) Removal of land from classification after enactment of a statutory exemption that qualifies the land for exemption and receipt of notice from the owner to remove the land from classification;

(i) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120;

(j) The creation, sale, or transfer of a fee interest or a conservation easement for the riparian open space program under RCW 76.09.040; or

(k) The sale or transfer of land within two years after the death of the owner of at least a fifty percent interest in the land if the land has been assessed and valued as classified forest land, designated as forest land under chapter 84.33 RCW, or classified under this chapter continuously since 1993. The date of death shown on a death certificate is the date used for the purposes of this subsection (6)(k).

Passed by the House April 24, 2009.
Passed by the Senate April 22, 2009.
Approved by the Governor May 15, 2009.
Filed in Office of Secretary of State May 18, 2009.
Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. (1) The legislature finds that Washington's marine container ports operate within a complex system of marine terminal operations, truck and train transportation corridors, and industrial services that together support a critical amount of our state and national economy, including key parts of our state's manufacturing and agricultural sectors, and directly create thousands of high-wage jobs throughout our region.

(2) The legislature further finds that the container port services are increasingly challenged by the conversion of industrial properties to nonindustrial uses, leading to competing and incompatible uses that can hinder port operations, restrict efficient movement of freight, and limit the opportunity for improvements to existing port-related facilities.

(3) It is the intent of the legislature to ensure that local land use decisions are made in consideration of the long-term and widespread economic contribution of our international container ports and related industrial lands and transportation systems, and to ensure that container ports continue to function effectively alongside vibrant city waterfronts.

NEW SECTION. Sec. 2. A new section is added to chapter 36.70A RCW to read as follows:

(1) Comprehensive plans of cities that have a marine container port with annual operating revenues in excess of sixty million dollars within their jurisdiction must include a container port element.

(2) Comprehensive plans of cities that include all or part of a port district with annual operating revenues in excess of twenty million dollars may include a marine industrial port element. Prior to adopting a marine industrial port element under this subsection (2), the commission of the applicable port district must adopt a resolution in support of the proposed element.

(3) Port elements adopted under subsections (1) and (2) of this section must be developed collaboratively between the city and the applicable port, and must establish policies and programs that:

(a) Define and protect the core areas of port and port-related industrial uses within the city;

(b) Provide reasonably efficient access to the core area through freight corridors within the city limits; and

(c) Identify and resolve key land use conflicts along the edge of the core area, and minimize and mitigate, to the extent practicable, incompatible uses along the edge of the core area.

(4) Port elements adopted under subsections (1) and (2) of this section must be:

(a) Completed and approved by the city according to the schedule specified in RCW 36.70A.130; and

(b) Consistent with the economic development, transportation, and land use elements of the city's comprehensive plan, and consistent with the city's capital facilities plan.

(5) In adopting port elements under subsections (1) and (2) of this section, cities and ports must: Ensure that there is consistency between the port elements and the port comprehensive scheme required under chapters 53.20 and 53.25
RCW; and retain sufficient planning flexibility to secure emerging economic opportunities.

(6) In developing port elements under subsections (1) and (2) of this section, a city may utilize one or more of the following approaches:
(a) Creation of a port overlay district that protects container port uses;
(b) Use of industrial land banks;
(c) Use of buffers and transition zones between incompatible uses;
(d) Use of joint transportation funding agreements;
(e) Use of policies to encourage the retention of valuable warehouse and storage facilities;
(f) Use of limitations on the location or size, or both, of nonindustrial uses in the core area and surrounding areas; and
(g) Use of other approaches by agreement between the city and the port.

(7) The department of community, trade, and economic development must provide matching grant funds to cities meeting the requirements of subsection (1) of this section to support development of the required container port element.

(8) Any planned improvements identified in port elements adopted under subsections (1) and (2) of this section must be transmitted by the city to the transportation commission for consideration of inclusion in the statewide transportation plan required under RCW 47.01.071.

Sec. 3. RCW 47.06.140 and 2007 c 516 s 11 and 2007 c 512 s 2 are each reenacted and amended to read as follows:

(1) The legislature declares the following transportation facilities and services to be of statewide significance: Highways of statewide significance as designated by the legislature under chapter 47.05 RCW, the interstate highway system, interregional state principal arterials including ferry connections that serve statewide travel, intercity passenger rail services, intercity high-speed ground transportation, major passenger intermodal terminals excluding all airport facilities and services, the freight railroad system, the Columbia/Snake navigable river system, marine port facilities and services that are related solely to marine activities affecting international and interstate trade, key freight transportation corridors serving these marine port facilities, and high capacity transportation systems serving regions as defined in RCW 81.104.015. The department, in cooperation with regional transportation planning organizations, counties, cities, transit agencies, public ports, private railroad operators, and private transportation providers, as appropriate, shall plan for improvements to transportation facilities and services of statewide significance in the statewide multimodal transportation plan. Improvements to facilities and services of statewide significance identified in the statewide multimodal transportation plan, or to highways of statewide significance designated by the legislature under chapter 47.05 RCW, are essential state public facilities under RCW 36.70A.200.

(2) The department of transportation, in consultation with local governments, shall set level of service standards for state highways and state ferry routes of statewide significance. Although the department shall consult with local governments when setting level of service standards, the department retains authority to make final decisions regarding level of service standards for state highways and state ferry routes of statewide significance. In establishing level of service standards for state highways and state ferry routes of statewide significance, the department shall consider the necessary balance between...
providing for the free interjurisdictional movement of people and goods and the needs of local communities using these facilities. When setting the level of service standards under this section for state ferry routes, the department may allow for a standard that is adjustable for seasonality.

**NEW SECTION.** Sec. 4. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2009, in the omnibus appropriations act, this act is null and void.

**CHAPTER 515**

[Engrossed Substitute House Bill 2072]

**SPECIAL NEEDS TRANSPORTATION**

AN ACT Relating to advancing effective transportation for persons with special transportation needs; amending RCW 47.06B.010, 47.06B.020, 47.06B.030, 47.06B.050, 36.73.020, 47.80.023, 47.06B.900, and 47.06B.901; adding new sections to chapter 47.06B RCW; adding a new section to chapter 28A.300 RCW; adding a new section to chapter 35.58 RCW; adding a new section to chapter 47.01 RCW; creating a new section; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

**NEW SECTION.** Sec. 1. A new section is added to chapter 47.06B RCW to read as follows:

(1) In 2007, the legislature directed the joint transportation committee to conduct a study of special needs transportation to examine and evaluate the effectiveness of special needs transportation in the state. A particular goal of the study was to explore opportunities to enhance coordination of special needs transportation programs to ensure that they are delivered efficiently and result in improved access and increased mobility options for their clients. It is the intent of the legislature to further consider some of the recommendations, and to implement many of these recommendations in the form of two pilot projects that will test the potential for applying these recommendations statewide in the future.

(2) The legislature is aware that the department of social and health services submitted an application in December of 2008 to the federal centers for medicare and medicaid services, seeking approval to use the medical match system, a federal funding system that has different requirements from the federal administrative match system currently used by the department. It is the intent of the legislature to advance the goals of this act and the recommendations of the study identified in subsection (1) of this section without jeopardizing the application made by the department.

(3) By August 15, 2009, the agency council on coordinated transportation shall appoint a work group for the purpose of identifying relevant federal requirements related to special needs transportation, and identifying solutions to streamline the requirements and increase efficiencies in transportation services provided for persons with special transportation needs. To advance its purpose, the work group shall work with relevant federal representatives and agencies to identify and address various challenges and barriers.
(4) Membership of the work group must include, but not be limited to, one or more representatives from:

(a) The departments of transportation, veterans affairs, health, and social and health services;
(b) Medicaid nonemergency medical transportation brokers;
(c) Public transit agencies;
(d) Regional and metropolitan transportation planning organizations, including a representative of the regional transportation planning organization or organizations that provide staff support to the local coordinating coalition established under section 9 of this act;
(e) Indian tribes;
(f) The agency council on coordinated transportation;
(g) The local coordinating coalitions established under section 9 of this act; and

(h) The office of the superintendent of public instruction.

(5) The work group shall elect one or more of its members to service as chair or cochairs.

(6) The work group shall immediately contact representatives of the federal congressional delegation for Washington state and the relevant federal agencies and coordinating authorities including, but not limited to, the federal transit administration, the United States department of health and human services, and the interagency transportation coordinating council on access and mobility, and invite the federal representatives to work collaboratively to:

(a) Identify transportation definitions and terminology used in the various relevant state and federal programs, and establish consistent transportation definitions and terminology. For purposes of this subsection, relevant state definitions exclude terminology that requires a medical determination, including whether a trip or service is medically necessary;
(b) Identify restrictions or barriers that preclude federal, state, and local agencies from sharing client lists or other client information, and make progress towards removing any restrictions or barriers;
(c) Identify relevant state and federal performance and cost reporting systems and requirements, and work towards establishing consistent and uniform performance and cost reporting systems and requirements; and
(d) Explore, subject to federal approval, opportunities to test cost allocation models, including the pilot projects established in section 11 of this act, that:
   (i) Allow for cost sharing among public paratransit and medicaid nonemergency medical trips; and
   (ii) Capture the value of medicaid trips provided by public transit agencies for which they are not currently reimbursed with a funding match by federal medicaid dollars.

(7) By December 1, 2009, the work group shall submit a report to the joint transportation committee that explains the progress made towards the goals of this section and identifies any necessary legislative action that must be taken to implement all the provisions of this section. A second progress report must be submitted to the joint transportation committee by June 1, 2010, and a final report must be submitted to the joint transportation committee by December 1, 2010.
*NEW SECTION. Sec. 2. A new section is added to chapter 47.06B RCW to read as follows:

(1) By August 15, 2009, the agency council on coordinated transportation shall appoint a work group to consider certain recommendations resulting from the study identified in section 1(1) of this act. In conducting its analysis, the work group must consult with the appropriate federal agencies, including the federal transit administration, the United States department of health and human services, and the interagency transportation coordinating council on access and mobility.

(2) The work group must be chaired by a representative of the agency council on coordinated transportation, and members must include one or more representatives of:

(a) Regional and metropolitan planning organizations;
(b) Transit agencies;
(c) Brokerages providing nonemergency medical transportation services; and
(d) The department of social and health services.

(3) The work group may consider any recommendation resulting from the study identified in section 1(1) of this act, and shall specifically consider the study's recommendations regarding the procurement and designation of community access managers, including:

(a) The most appropriate agency to make those designations;
(b) The preferred geographic regions in which to establish community access managers;
(c) The duties and responsibilities of community access managers; and
(d) Any study recommendations that may interfere with the department's application as described in section 1(2) of this act, and potential solutions to those issues.

(4) The work group may also develop an alternative to the community access manager model proposed in the 2009 special needs transportation study recommendations, as described in section 1(1) of this act, as a recommendation to be considered by the joint transportation committee. Any proposed alternative model must build upon the work conducted in the pilot projects under section 11 of this act and the work completed in the 2009 study, and must be consistent with the goals of the 2009 study.

(5) Subject to available funds, the work group may consult with other agencies and organizations as needed.

(6) By December 1, 2009, the agency council on coordinated transportation shall submit a report to the joint transportation committee describing the work group's findings and recommendations for implementing the study recommendations. If the work group finds that additional time is needed to complete its analysis, a second progress report must be submitted to the joint transportation committee by June 1, 2010.

Sec. 3. RCW 47.06B.010 and 2007 c 421 s 1 are each amended to read as follows:

The legislature finds that transportation systems for persons with special needs are not operated as efficiently as possible. In too many cases, programs
established by the legislature to assist persons with special needs can not be accessed due to these inefficiencies and coordination barriers.

The legislature further finds that the transportation needs of each community are unique, and that transportation services may be improved by establishing a system of statewide oversight that seeks input, collaboration, and cooperation from and among all local service providers, including public agencies, private organizations, and community-based groups.

It is the intent of the legislature that public transportation agencies, pupil transportation programs, private nonprofit transportation providers, and other public agencies sponsoring programs that require transportation services coordinate those transportation services. Through coordination of transportation services, programs will achieve increased efficiencies and will be able to provide more rides to a greater number of persons with special needs.

Sec. 4. RCW 47.06B.020 and 2007 c 421 ss 2 are each amended to read as follows:

(1) The agency council on coordinated transportation is created. (5) The secretary of transportation or a designee shall serve as the chair. The council shall vote on an annual basis to elect one of its voting members to serve as chair. The position of chair must rotate among the represented agencies, associations, and interest groups at least every two years. If the position of chair is vacated for any reason, the secretary of transportation or the secretary's designee shall serve as acting chair until the next regular meeting of the council, at which time the members will elect a chair.

Recommendations for modifying the membership of the council must be included in the council's biennial report to the legislature as provided in RCW 47.06B.050.

(7) The department of transportation shall provide necessary staff support for the council.

(8) The council may receive gifts, grants, or endowments from public or private sources that are made from time to time, in trust or otherwise, for the use and benefit of the purposes of the council and spend gifts, grants, or endowments or income from the public or private sources according to their terms, unless the receipt of the gifts, grants, or endowments violates RCW 42.17.710.

(9) The meetings of the council must be open to the public, with the agenda published in advance, and minutes kept and made available to the public. The public notice of the meetings must indicate that accommodations for persons with disabilities will be made available upon request.

*Sec. 5 was vetoed. See message at end of chapter.

*NEW SECTION. Sec. 6. A new section is added to chapter 47.06B RCW to read as follows:
(1) The legislature acknowledges that successful models of coordination among state, regional, and local service providers recognize that cost
accounting and cost allocation are integral components in meeting the statutory obligations of the various funding sources that may be used to support the purchase of services from special needs transportation service providers. To that end, the agency council on coordinated transportation must work collaboratively with any appropriate agencies and transportation providers and organizations to:

(a) Develop and adopt common units of service definitions including, but not limited to, definitions for vehicle miles, vehicle hours, and passenger trips, consistent with any relevant definitions established under section 1 of this act. For purposes of this subsection, "common units of service" excludes elements involving medical determinations, including whether a trip type or transportation service is medically necessary; and

(2) By December 1, 2009, the agency council on coordinated transportation shall submit a report to the joint transportation committee that, at a minimum, describes the progress made towards the goals of this section. If necessary, a second progress report must be submitted to the joint transportation committee by June 1, 2010, and a final report must be submitted to the joint transportation committee by December 1, 2010.

*Sec. 6 was vetoed. See message at end of chapter.

*NEW SECTION. Sec. 7. A new section is added to chapter 47.06B RCW to read as follows:

(1) In cooperation with the department of social and health services and the Washington state patrol, the agency council on coordinated transportation shall make progress toward the goal of establishing a single clearinghouse for driver background checks within the most cost-effective agency. The report must also include the required performance
measure evaluations established in RCW 47.06B.030(4). The information will be reported in a form established by the council.

The local coordinating coalition shall serve in an advisory capacity to the agency council on coordinated transportation by providing the council with a focused and ongoing assessment of the special transportation needs and services provided within its region.

(3) The composition and size of each local coordinating coalition may vary by region. Local coordinating coalition members, appointed by the chair of the agency council on coordinated transportation to two-year terms, must reflect a balanced representation of the region's providers of special needs transportation services and must include:

The transportation improvements shall be owned by the county of jurisdiction if located in an unincorporated area, by the city of jurisdiction if located in an incorporated area, or by the state in cases where the transportation improvement is or becomes a state highway. However, if deemed appropriate by the governing body of the transportation benefit district, a transportation improvement may be owned by a participating port district or transit district, unless otherwise prohibited by law. Transportation improvements shall be administered and maintained as other public streets, roads, highways, and transportation improvements. To the extent practicable, the district shall consider the following criteria when selecting transportation improvements:

(a) Reduced risk of transportation facility failure and improved safety;
(b) Improved travel time;

However, the boundaries of the district need not include all territory within the boundaries of the participating jurisdictions comprising the district.

(3) The members of the legislative authority proposing to establish the district, acting ex officio and independently, shall constitute the governing body of the district: PROVIDED, That where a district includes area within more than one jurisdiction under subsection (2) of this section, the district shall be governed under an interlocal agreement adopted pursuant to chapter 39.34 RCW. However, the governing body shall be composed of at least five members including at least one elected official from the legislative authority of each participating jurisdiction.

(4) The treasurer of the jurisdiction proposing to establish the district shall act as the ex officio treasurer of the district, unless an interlocal agreement states otherwise.

Sec. 15. RCW 47.80.023 and 2007 c 421 s 5 are each amended to read as follows:

Each regional transportation planning organization shall have the following duties:

(1) Prepare and periodically update a transportation strategy for the region. The strategy shall address alternative transportation modes and transportation demand management measures in regional corridors and shall recommend preferred transportation policies to implement adopted growth strategies. The strategy shall serve as a guide in preparation of the regional transportation plan.

(2) Prepare a regional transportation plan as set forth in RCW 47.80.030 that is consistent with county-wide planning policies if such have been adopted pursuant to chapter 36.70A RCW, with county, city, and town comprehensive plans, and state transportation plans.
(3) Certify by December 31, 1996, that the transportation elements of comprehensive plans adopted by counties, cities, and towns within the region reflect the guidelines and principles developed pursuant to RCW 47.80.026, are consistent with the adopted regional transportation plan, and, where appropriate, conform with the requirements of RCW 36.70A.070.

(4) Where appropriate, certify that county-wide planning policies adopted under RCW 36.70A.210 and the adopted regional transportation plan are consistent.

(5) Develop, in cooperation with the department of transportation, operators of public transportation services and local governments within the region, a six-year regional transportation improvement program which proposes regionally significant transportation projects and programs and transportation demand management measures. The regional transportation improvement program shall be based on the programs, projects, and transportation demand management measures of regional significance as identified by transit agencies, cities, and counties pursuant to RCW 35.58.2795, 35.77.010, and 36.81.121, respectively, and any recommended programs or projects identified by the agency council on coordinated transportation, as provided in chapter 47.06B RCW, that advance special needs coordinated transportation as defined in RCW 47.06B.012. The program shall include a priority list of projects and programs, project segments and programs, transportation demand management measures, and a specific financial plan that demonstrates how the transportation improvement program can be funded. The program shall be updated at least every two years for the ensuing six-year period.

(6) Include specific opportunities and projects to advance special needs coordinated transportation, as defined in RCW 47.06B.012, in the coordinated transit-human services transportation plan, after providing opportunity for public comment.

(7) Designate a lead planning agency to coordinate preparation of the regional transportation plan and carry out the other responsibilities of the organization. The lead planning agency may be a regional organization, a component county, city, or town agency, or the appropriate Washington state department of transportation district office.

(8) Review level of service methodologies used by cities and counties planning under chapter 36.70A RCW to promote a consistent regional evaluation of transportation facilities and corridors.

(9) Work with cities, counties, transit agencies, the department of transportation, and others to develop level of service standards or alternative transportation performance measures.

(10) Submit to the agency council on coordinated transportation, as provided in chapter 47.06B RCW, beginning on July 1, 2007, and every four years thereafter, an updated plan that includes the elements identified by the council. Each regional transportation planning organization must submit to the council every two years a prioritized regional human service and transportation project list.

chapter 121, Laws of 2008, or for other funding provided for persons with special transportation needs, as defined in RCW 47.06B.012, must include in its application, in addition to meeting other eligibility requirements provided in law, an explanation of how the requested funding will advance efficiencies in, accessibility to, or coordination of transportation services provided to persons with special transportation needs as defined in RCW 47.06B.012.

(2) Unless otherwise required by law, in administering federal funding provided for special needs transportation purposes, including funding under SAFETEA-LU, the safe, accountable, flexible, efficient transportation equity act, P.L. 109-59, or its successor, the department shall give priority to projects that result in increased efficiencies in special needs transportation or improved coordination among special needs transportation service providers.

(3) In making final grant award determinations under subsection (1) of this section, the department shall seek input from the agency council on coordinated transportation, as provided in chapter 47.06B RCW, and shall give substantial deference to applications recommended by the council.

Sec. 17. RCW 47.06B.900 and 2007 c 421 s 8 are each amended to read as follows:

Passed by the House April 20, 2009.
Passed by the Senate April 10, 2009.
WASHINGTON LAWS, 2009

Approved by the Governor May 15, 2009, with the exception of certain items that were vetoed.

Filed in Office of Secretary of State May 18, 2009.

Note: Governor's explanation of partial veto is as follows:

"I have approved, except for Sections 2, 5, 6, 7 and 19, Engrossed Substitute House Bill 2072 entitled:

"AN ACT Relating to advancing effective transportation for persons with special transportation needs."

Section 19 of the bill makes the provisions of the legislation null and void if sufficient funding to implement the legislation is not included in the 2009-11 Transportation Budget. The 2009-11 Transportation Budget does include sufficient funding to implement portions of the legislation, but not the entire bill. I have decided to veto Sections 2, 5, 6 and 7 of the legislation that do not have sufficient funding for implementation, as well as the null and void clause in Section 19. As a result, we will be able to move forward with providing special needs transportation services in a more coordinated and efficient manner, without imposing unfunded mandates on state agencies.

For these reasons, I have vetoed Sections 2, 5, 6, 7 and 19 of Engrossed Substitute House Bill 2072.

With the exception of Sections 2, 5, 6, 7 and 19, Engrossed Substitute House Bill 2072 is approved."

CHAPTER 516

[Engrossed Substitute House Bill 2125]
COMMUNITY PRESERVATION AND DEVELOPMENT AUTHORITIES

AN ACT Relating to community preservation and development authorities; and amending RCW 43.167.010, 43.167.020, and 43.167.030.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 43.167.010 and 2007 c 501 s 3 are each amended to read as follows:

(1) The residents, property owners, employees, or business owners of an impacted community may propose formation of a community preservation and development authority. The proposal to form a community preservation and development authority must be presented in writing to the appropriate legislative committee in both the house of representatives and the senate. The proposal must contain proposed general geographic boundaries that will be used to define the community for the purposes of the authority. Proposals presented after January 1, 2008, must identify in its proposal one or more stable revenue sources that (a) have a nexus with the multiple publicly funded facilities that have adversely impacted the community, and (b) can be used to support future operating or capital projects that will be identified in the strategic plan required under RCW 43.167.030.

(2) Formation of the community preservation and development authority is subject to legislative authorization by statute. The legislature must find that (a) the area within the proposal's geographic boundaries meets the definition of "impacted community" contained in section 2(4) of this act and (b) those persons that have brought forth the proposal are members of the community as defined in section 2(1) of this act and, if the authority were approved, would meet the definition of constituency contained in section 2(3) of this act. For proposals brought after January 1, 2008, the legislature must also find that the community has identified one or more stable revenue sources as required in subsection (1) of

[ 2961 ]
this section. The legislature may then act to authorize the establishment of the community preservation and development authority in law.

(3) The affairs of a community preservation and development authority shall be managed by a board of directors, consisting of the following members:

CHAPTER 517
[Substitute House Bill 2208]
NEW MOTORSPORTS VEHICLES—CANCELLATION OR RETURN

AN ACT Relating to the return or cancellation of new motorsports vehicles; amending RCW 46.93.170; providing an expiration date; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 46.93.170 and 2003 c 354 s 17 are each amended to read as follows:

(1) Notwithstanding the terms of a franchise agreement, a manufacturer, distributor, factory branch, or factory representative, or an agent, officer, parent company, wholly or partially owned subsidiary, affiliated entity, or other person controlled by or under common control with a manufacturer, distributor, factory branch, or factory representative, shall not:

(a) Discriminate between dealers by selling or offering to sell a like motorsports vehicle to one dealer at a lower actual price than the actual price offered to another dealer for the same model similarly equipped;

(b) Discriminate between dealers by selling or offering to sell parts or accessories to one dealer at a lower actual price than the actual price offered to another dealer;

(c) Discriminate between dealers by using a promotion plan, marketing plan, or other similar device that results in a lower actual price on vehicles, parts, or accessories being charged to one dealer over another dealer;

(d) Discriminate between dealers by adopting a method, or changing an existing method, for the allocation, scheduling, or delivery of new motorsports vehicles, parts, or accessories to its dealers that is not fair, reasonable, and equitable. Upon the request of a dealer, a manufacturer shall disclose in writing to the dealer the method by which new motorsports vehicles, parts, and accessories are allocated, scheduled, or delivered to its dealers handling the same line or make of vehicles;

(e) Give preferential treatment to some dealers over others by refusing or failing to deliver, in reasonable quantities and within a reasonable time after receipt of an order, to a dealer holding a franchise for a line or make of motorsports vehicles sold or distributed by the manufacturer, a new vehicle, parts, or accessories, if the vehicle, parts, or accessories are being delivered to other dealers, or require a dealer to purchase unreasonable advertising displays or other materials, or unreasonably require a dealer to remodel or renovate existing facilities as a prerequisite to receiving a model or series of vehicles;

[ 2964 ]
(f) Compete with a dealer by acting in the capacity of a dealer, or by owning, operating, or controlling, whether directly or indirectly, a dealership in this state. It is not, however, a violation of this subsection for:

(i) A manufacturer to own or operate a dealership for a temporary period, not to exceed two years, during the transition from one owner of the dealership to another where the dealership was previously owned by a franchised dealer and is currently for sale to any qualified independent person at a fair and reasonable price. The temporary operation may be extended for one twelve-month period on petition of the temporary operator to the department. The matter will be handled as an adjudicative proceeding under chapter 34.05 RCW. A dealer who is a franchisee of the petitioning manufacturer or distributor may intervene and participate in a proceeding under this subsection (1)(f)(i). The temporary operator has the burden of proof to show justification for the extension and a good faith effort to sell the dealership to an independent person at a fair and reasonable price;

(ii) A manufacturer to own or operate a dealership in conjunction with an independent person in a bona fide business relationship for the purpose of broadening the diversity of its dealer body and enhancing opportunities for qualified persons who are part of a group who have historically been underrepresented in its dealer body, or other qualified persons who lack the resources to purchase a dealership outright, and where the independent person (A) has made a significant, bona fide capital investment in the dealership that is subject to loss; (B) has an ownership interest in the dealership; and (C) operates the dealership under a bona fide written agreement with the manufacturer, distributor, factory branch, or factory representative under which he or she will acquire all of the ownership interest in the dealership within a reasonable period of time and under reasonable terms and conditions. The manufacturer has the burden of proof of establishing that the acquisition of the dealership by the independent person was made within a reasonable period of time and under reasonable terms and conditions. The number of dealerships operated under this subsection (1)(f)(ii) may not exceed four percent rounded up to the nearest whole number of a manufacturer's total of dealer franchises in this state;

(iii) A manufacturer to own or operate a dealership in conjunction with an independent person in a bona fide business relationship where the independent person (A) has made a significant, bona fide capital investment in the dealership that is subject to loss; (B) has an ownership interest in the dealership; and (C) operates the dealership under a bona fide written agreement with the manufacturer under which he or she will acquire all of the ownership interest in the dealership within a reasonable period of time and under reasonable terms and conditions. The manufacturer has the burden of proof of establishing that the acquisition of the dealership by the independent person was made within a reasonable period of time and under reasonable terms and conditions. The number of dealerships operated under this subsection (1)(f)(iii) may not exceed four percent rounded up to the nearest whole number of a manufacturer's total of dealer franchises in this state;

(iv) A manufacturer to own, operate, or control a dealership trading exclusively in a single line make of the manufacturer if (A) the manufacturer does not own, directly or indirectly, in the aggregate, in excess of forty-five percent of the total ownership interest in the dealership; (B) at the time the manufacturer first acquires ownership or assumes operation or control of any such dealership, the distance between any dealership thus owned, operated, or
controlled and the nearest dealership trading in the same line make of vehicle and in which the manufacturer has no ownership or control complies with the applicable provisions in the relevant market area sections of this chapter; (C) all of the manufacturer's franchise agreements confer rights on the dealer of that line make to develop and operate within a defined geographic territory or area, as many dealership facilities as the dealer and the manufacturer agree are appropriate; and (D) the manufacturer had no more than four new motorsports vehicle dealers of that manufacturer's line make in this state, and at least half of those dealers owned and operated two or more dealerships facilities in the geographic territory or area covered by their franchise agreements with the manufacturer;

(g) Compete with a dealer by owning, operating, or controlling, whether directly or indirectly, a service facility in this state for the repair or maintenance of motorsports vehicles under the manufacturer's new motorsports vehicle warranty and extended warranty. Nothing in this subsection (1)(g), however, prohibits a manufacturer from owning or operating a service facility for the purpose of providing or performing maintenance, repair, or service work on motorsports vehicles that are owned by the manufacturer;

(h) Use confidential or proprietary information obtained from a dealer to unfairly compete with the dealer without the prior written consent of the dealer. For purposes of this subsection (1)(h), "confidential or proprietary information" means trade secrets as defined in RCW 19.108.010, business plans, marketing plans or strategies, customer lists, contracts, sales data, revenues, or other financial information;

(i) Coerce, threaten, intimidate, or require, either directly or indirectly, a dealer to accept, buy, or order any motorsports vehicle, part, or accessory, or any other commodity or service not voluntarily ordered, or requested, or to buy, order, or pay anything of value for such items in order to obtain a motorsports vehicle, part, accessory, or other commodity that has been voluntarily ordered or requested;

(j) Coerce, threaten, intimidate, or require, either directly or indirectly, a dealer to enter into any agreement that violates this chapter;

(k) Require a change in capital structure or means of financing for the dealership if the dealer at all times meets the reasonable, written, and uniformly applied capital standards determined by the manufacturer;

(l) Prevent or attempt to prevent a dealer from making reasonable changes in the capital structure of a dealership or the means by which the dealership is financed if the dealer meets the reasonable, written, and uniformly applied capital requirements determined by the manufacturer;

(m) Unreasonably require the dealer to change the location or require any substantial alterations to the place of business;

(n) Condition a renewal or extension of the franchise on the dealer's substantial renovation of the existing place of business or on the construction, purchase, acquisition, or re-lease of a new place of business unless written notice is first provided one hundred eighty days before the date of renewal or extension and the manufacturer demonstrates the reasonableness of the requested actions. The manufacturer shall agree to supply the dealer with an adequate quantity of motorsports vehicles, parts, and accessories to meet the sales level necessary to
support the overhead resulting from substantial construction, acquisition, or lease of a new place of business;

(o) Coerce, threaten, intimidate, or require, either directly or indirectly, a dealer to order or accept delivery of a motorsports vehicle with special features, accessories, or equipment not included in the list price of the vehicle as advertised by the manufacturer, except items that have been voluntarily requested or ordered by the dealer, and except items required by law;

(p) Fail to hold harmless and indemnify a dealer against losses, including lawsuits and court costs, arising from: (i) The manufacture or performance of a motorsports vehicle, part, or accessory if the lawsuit involves representations by the manufacturer on the manufacture or performance of a motorsports vehicle without negligence on the part of the dealer; (ii) damage to merchandise in transit where the manufacturer specifies the carrier; (iii) the manufacturer's failure to jointly defend product liability suits concerning the motorsports vehicle, part, or accessory provided to the dealer; or (iv) any other act performed by the manufacturer;

(q) Unfairly prevent or attempt to prevent a dealer from receiving reasonable compensation for the value of a motorsports vehicle;

(r) Fail to pay to a dealer, within a reasonable time after receipt of a valid claim, a payment agreed to be made by the manufacturer on grounds that a new motorsports vehicle, or a prior year's model, is in the dealer's inventory at the time of introduction of new model motorsports vehicles;

(s) Deny a dealer the right of free association with any other dealer for any lawful purpose;

(t) Charge increased prices without having given written notice to the dealer at least fifteen days before the effective date of the price increases;

(u) Permit factory authorized warranty service to be performed upon motorsports vehicles or accessories by persons other than their franchised dealers;

(v) Require or coerce a dealer to sell, assign, or transfer a retail sales installment contract, or require the dealer to act as an agent for a manufacturer, in the securing of a promissory note, a security agreement given in connection with the sale of a motorsports vehicle, or securing of a policy of insurance for a motorsports vehicle. The manufacturer may not condition delivery of any motorsports vehicle, parts, or accessories upon the dealer's assignment, sale, or other transfer of sales installment contracts to specific finance companies;

(w) Require or coerce a dealer to grant a manufacturer a right of first refusal or other preference to purchase the dealer's franchise or place of business, or both;

(x) Require a dealer to pay a fee for canceling an order for new motorsports vehicles.

(2) Subsections (1)(a), (b), and (c) of this section do not apply to sales to a dealer: (a) For resale to a federal, state, or local government agency; (b) where the motorsports vehicles will be sold or donated for use in a program of driver's education; (c) where the sale is made under a manufacturer's bona fide promotional program offering sales incentives or rebates; (d) where the sale of parts or accessories is under a manufacturer's bona fide quantity discount program; or (e) where the sale is made under a manufacturer's bona fide fleet vehicle discount program. For purposes of this subsection, "fleet" means a
group of fifteen or more new motorsports vehicles purchased or leased by a
dealer at one time under a single purchase or lease agreement for use as part of a
fleet, and where the dealer has been assigned a fleet identifier code by the
department.

(3) The following definitions apply to this section:

(a) "Actual price" means the price to be paid by the dealer less any incentive
paid by the manufacturer, whether paid to the dealer or the ultimate purchaser of
the motorsports vehicle.

(b) "Control" or "controlling" means (i) the possession of, title to, or control
of ten percent or more of the voting equity interest in a person, whether directly
or indirectly through a fiduciary, agent, or other intermediary, or (ii) the
possession, direct or indirect, of the power to direct or cause the direction of the
management or policies of a person, whether through the ownership of voting
securities, through director control, by contract, or otherwise, except as
expressly provided under the franchise agreement.

(c) "Operate" means to manage a dealership, whether directly or indirectly.

(d) "Own" or "ownership" means to hold the beneficial ownership of one
percent or more of any class of equity interest in a dealership, whether the
interest is that of a shareholder, partner, limited liability company member, or
otherwise. To hold an ownership interest means to have possession of, title to, or
control of the ownership interest, whether directly or indirectly through a
fiduciary, agent, or other intermediary.

(4) A violation of this section is deemed to affect the public interest and
constitutes an unlawful and unfair practice under chapter 19.86 RCW. A person
aggrieved by an alleged violation of this section may petition the department to
have the matter handled as an adjudicative proceeding under chapter 34.05
RCW.

NEW SECTION. Sec. 2. This act is necessary for the immediate
preservation of the public peace, health, or safety, or support of the state
government and its existing public institutions, and takes effect immediately.

70.114A.085, 43.70.518, and 79A.15.100; adding a new section to chapter 43.01 RCW; and
providing expiration dates.

Be it enacted by the Legislature of the State of Washington:
REPORTS ELIMINATED

Sec. 1. RCW 19.146.280 and 2006 c 19 s 17 are each amended to read as follows:

(1) There is established the mortgage broker commission consisting of seven commission members who shall act in an advisory capacity to the director on mortgage broker issues.

(2) The director shall appoint the members of the commission, weighing the recommendations from professional organizations representing mortgage brokers and loan originators. At least three of the commission members shall be mortgage brokers licensed under this chapter, at least one shall be exempt from licensure under RCW 19.146.020(1)(g), and at least two of the commission members shall be licensed loan originators under this chapter. No commission member shall be appointed who has had less than five years' experience in the business of residential mortgage lending. In addition, the director or a designee shall serve as an ex officio, nonvoting member of the commission. Voting members of the commission shall serve for two-year terms. The department shall provide staff support to the commission.

(3) The commission may establish a code of conduct for its members. Any commissioner may bring a motion before the commission to remove a commissioner for failing to conduct themselves in a manner consistent with the code of conduct. The motion shall be in the form of a recommendation to the director to dismiss a specific commissioner and shall enumerate causes for doing so. The commissioner in question shall recuse himself or herself from voting on any such motion. Any such motion must be approved unanimously by the remaining six commissioners. Approved motions shall be immediately transmitted to the director for review and action.

(4) Members of the commission shall be reimbursed for their travel expenses incurred in carrying out the provisions of this chapter in accordance with RCW 43.03.050 and 43.03.060. All costs and expenses associated with the commission shall be paid from the financial services regulation fund, unless the consumer services account is created as a dedicated, nonappropriated account, in which case all costs and expenses shall be paid from the consumer services account.

(5) The commission shall advise the director on the characteristics and needs of the mortgage broker profession.

(6) The department, in consultation with other applicable agencies of state government, shall conduct a continuing review of the number and type of consumer complaints arising from residential mortgage lending in the state. (The department shall report its findings to the senate committee on financial institutions and house of representatives committee on financial institutions and insurance along with recommendations for any changes in the licensing requirements of this chapter, biennially by December 1st of each even-numbered year.)

Sec. 2. RCW 43.320.1401 and 2006 c 21 s 3 are each amended to read as follows:

(1) Before December 31st of every year, the department of financial institutions shall provide the senate and house of representatives committees that
address matters related to financial institutions with a written report outlining the activity of the mortgage lending fraud prosecution account.

(2) This section expires June 30, ((2011)) 2009.

Sec. 3. RCW 43.88.110 and 2003 c 206 s 1 are each amended to read as follows:

This section sets forth the expenditure programs and the allotment and reserve procedures to be followed by the executive branch for public funds.

(1) Allotments of an appropriation for any fiscal period shall conform to the terms, limits, or conditions of the appropriation.

(2) The director of financial management shall provide all agencies with a complete set of operating and capital instructions for preparing a statement of proposed expenditures at least thirty days before the beginning of a fiscal period. The set of instructions need not include specific appropriation amounts for the agency.

(3) Within forty-five days after the beginning of the fiscal period or within forty-five days after the governor signs the omnibus biennial appropriations act, whichever is later, all agencies shall submit to the governor a statement of proposed expenditures at such times and in such form as may be required by the governor.

(4) The office of financial management shall develop a method for monitoring capital appropriations and expenditures that will capture at least the following elements:

(a) Appropriations made for capital projects including transportation projects;
(b) Estimates of total project costs including past, current, ensuing, and future biennial costs;
(c) Comparisons of actual costs to estimated costs;
(d) Comparisons of estimated construction start and completion dates with actual dates;
(e) Documentation of fund shifts between projects.

This data may be incorporated into the existing accounting system or into a separate project management system, as deemed appropriate by the office of financial management.

(5) The office of financial management shall publish agency annual maintenance summary reports beginning in October 1997. State agencies shall submit a separate report for each major campus or site, as defined by the office of financial management. Reports shall be prepared in a format prescribed by the office of financial management and shall include, but not be limited to: Information describing the number, size, and condition of state-owned facilities; facility maintenance, repair, and operating expenses paid from the state operating and capital budgets, including maintenance staffing levels; the condition of major infrastructure systems; and maintenance management initiatives undertaken by the agency over the prior year. Agencies shall submit their annual maintenance summary reports to the office of financial management by September 1 each year.

(6) The office of financial management, prior to approving allotments for major capital construction projects valued over five million dollars, shall institute procedures for reviewing such projects at the predesign stage that will
reduce long-term costs and increase facility efficiency. The procedures shall include, but not be limited to, the following elements:

(a) Evaluation of facility program requirements and consistency with long-range plans;

(b) Utilization of a system of cost, quality, and performance standards to compare major capital construction projects; and

(c) A requirement to incorporate value-engineering analysis and constructability review into the project schedule.

(((7)) (6) No expenditure may be incurred or obligation entered into for such major capital construction projects including, without exception, land acquisition, site development, predesign, design, construction, and equipment acquisition and installation, until the allotment of the funds to be expended has been approved by the office of financial management. This limitation does not prohibit the continuation of expenditures and obligations into the succeeding biennium for projects for which allotments have been approved in the immediate prior biennium.

(((8))) (7) If at any time during the fiscal period the governor projects a cash deficit in a particular fund or account as defined by RCW 43.88.050, the governor shall make across-the-board reductions in allotments for that particular fund or account so as to prevent a cash deficit, unless the legislature has directed the liquidation of the cash deficit over one or more fiscal periods. Except for the legislative and judicial branches and other agencies headed by elective officials, the governor shall review the statement of proposed operating expenditures for reasonableness and conformance with legislative intent. The governor may request corrections of proposed allotments submitted by the legislative and judicial branches and agencies headed by elective officials if those proposed allotments contain significant technical errors. Once the governor approves the proposed allotments, further revisions may at the request of the office of financial management or upon the agency’s initiative be made on a quarterly basis and must be accompanied by an explanation of the reasons for significant changes. However, changes in appropriation level authorized by the legislature, changes required by across-the-board reductions mandated by the governor, changes caused by executive increases to spending authority, and changes caused by executive decreases to spending authority for failure to comply with the provisions of chapter 36.70A RCW may require additional revisions. Revisions shall not be made retroactively. However, the governor may assign to a reserve status any portion of an agency appropriation withheld as part of across-the-board reductions made by the governor and any portion of an agency appropriation conditioned on a contingent event by the appropriations act. The governor may remove these amounts from reserve status if the across-the-board reductions are subsequently modified or if the contingent event occurs. The director of financial management shall enter approved statements of proposed expenditures into the state budgeting, accounting, and reporting system within forty-five days after receipt of the proposed statements from the agencies. If an agency or the director of financial management is unable to meet these requirements, the director of financial management shall provide a timely explanation in writing to the legislative fiscal committees.

(((9))) (8) It is expressly provided that all agencies shall be required to maintain accounting records and to report thereon in the manner prescribed in
this chapter and under the regulations issued pursuant to this chapter. Within ninety days of the end of the fiscal year, all agencies shall submit to the director of financial management their final adjustments to close their books for the fiscal year. Prior to submitting fiscal data, written or oral, to committees of the legislature, it is the responsibility of the agency submitting the data to reconcile it with the budget and accounting data reported by the agency to the director of financial management.

The director of financial management may exempt certain public funds from the allotment controls established under this chapter if it is not practical or necessary to allot the funds. Allotment control exemptions expire at the end of the fiscal biennium for which they are granted. The director of financial management shall report any exemptions granted under this subsection to the legislative fiscal committees.

Sec. 4. RCW 13.60.110 and 1999 c 168 s 2 are each amended to read as follows:

(1) A task force on missing and exploited children is established in the Washington state patrol. The task force shall be under the direction of the chief of the state patrol.

(2) The task force is authorized to assist law enforcement agencies, upon request, in cases involving missing or exploited children by:

(a) Direct assistance and case management;
(b) Technical assistance;
(c) Personnel training;
(d) Referral for assistance from local, state, national, and international agencies; and
(e) Coordination and information sharing among local, state, interstate, and federal law enforcement and social service agencies.

(3) To maximize the efficiency and effectiveness of state resources and to improve interagency cooperation, the task force shall, where feasible, use existing facilities, systems, and staff made available by the state patrol and other local, state, interstate, and federal law enforcement and social service agencies. The chief of the state patrol may employ such additional personnel as are necessary for the work of the task force and may share personnel costs with other agencies.

(4) The chief of the state patrol shall seek public and private grants and gifts to support the work of the task force.

(5) By December 1, 2001, and annually thereafter, the chief of the state patrol shall submit a report to the appropriate committees of the legislature. The report shall establish performance measurements and objectives for the task force and assess the accomplishments of the task force.

(6) For the purposes of RCW 13.60.100 through 13.60.120, "exploited children" means children under the age of eighteen who are employed, used, persuaded, induced, enticed, or coerced to engage in, or assist another person to engage in, sexually explicit conduct. "Exploited children" also means the rape, molestation, or use for prostitution of children under the age of eighteen.
Sec. 5. RCW 74.13.036 and 2003 c 207 s 2 are each amended to read as follows:

(1) The department of social and health services shall oversee implementation of chapter 13.34 RCW and chapter 13.32A RCW. The oversight shall be comprised of working with affected parts of the criminal justice and child care systems as well as with local government, legislative, and executive authorities to effectively carry out these chapters. The department shall work with all such entities to ensure that chapters 13.32A and 13.34 RCW are implemented in a uniform manner throughout the state.

(2) The department shall develop a plan and procedures, in cooperation with the statewide advisory committee, to insure the full implementation of the provisions of chapter 13.32A RCW. Such plan and procedures shall include but are not limited to:

(a) Procedures defining and delineating the role of the department and juvenile court with regard to the execution of the child in need of services placement process;

(b) Procedures for designating department staff responsible for family reconciliation services;

(c) Procedures assuring enforcement of contempt proceedings in accordance with RCW 13.32A.170 and 13.32A.250; and

(d) Procedures for the continued education of all individuals in the criminal juvenile justice and child care systems who are affected by chapter 13.32A RCW, as well as members of the legislative and executive branches of government.

Sec. 21. RCW 43.79.460 and 2009 c 4 s 902 are each amended to read as follows:

(1) The savings incentive account is created in the custody of the state treasurer. The account shall consist of all moneys appropriated to the account by the legislature. The account is subject to the allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures from the account.

(2) Within the savings incentive account, the state treasurer may create subaccounts to be credited with incentive savings attributable to individual state agencies, as determined by the office of financial management in consultation with the legislative fiscal committees. Moneys deposited in the subaccounts may be expended only on the authorization of the agency's executive head or designee and only for the purpose of one-time expenditures to improve the quality, efficiency, and effectiveness of services to customers of the state, such as one-time expenditures for employee training, employee incentives, technology improvements, new work processes, or performance measurement. Funds may not be expended from the account to establish new programs or services, expand existing programs or services, or incur ongoing costs that would require future expenditures.

(3) For purposes of this section, "incentive savings" means state general fund appropriations that are unspent as of June 30th of a fiscal year, excluding any amounts included in across-the-board reductions under RCW 43.88.110 and excluding unspent appropriations for:

(a) Caseload and enrollment in entitlement programs, except to the extent that an agency has clearly demonstrated that efficiencies have been achieved in the administration of the entitlement program. "Entitlement program," as used in this section, includes programs for which specific sums of money are appropriated for pass-through to third parties or other entities;

(b) Enrollments in state institutions of higher education;

(c) A specific amount contained in a condition or limitation to an appropriation in the biennial appropriations act, if the agency did not achieve the specific purpose or objective of the condition or limitation;

(d) Debt service on state obligations; and

(e) State retirement system obligations.

(4) The office of financial management, after consulting with the legislative fiscal committees, shall report the amount of savings incentives achieved. (By December 1, 1998, and each December 1st thereafter, the office of financial management shall submit a report to the fiscal committees of the legislature on the implementation of this section. The report shall (a) evaluate the impact of this section on agency reversions and end-of-biennium expenditure patterns, and (b) itemize agency expenditures from the savings recovery account. The office of financial management is relieved from having to submit a report by December 1, 2008.)

(5) For fiscal year 2009, the legislature may transfer from the savings incentive account to the state general fund such amounts as reflect the fund balance of the account attributable to unspent state general fund appropriations for fiscal year 2008.
Sec. 22. RCW 18.130.310 and 2008 c 134 s 13 are each amended to read as follows:

(1) Subject to RCW 40.07.040, the disciplinary authority shall submit ((an annual)) a biennial report to the legislature on its proceedings during the ((year)) biennium, detailing the number of complaints made, investigated, and adjudicated and manner of disposition. In addition, the report must provide data on the department's background check activities conducted under RCW 18.130.064 and the effectiveness of those activities in identifying potential license holders who may not be qualified to practice safely. The report must summarize the distribution of the number of cases assigned to each attorney and investigator for each profession. The identity of the attorney and investigator must remain anonymous. The report may include recommendations for improving the disciplinary process, including proposed legislation. The department shall develop a uniform report format.

(2) Each disciplining authority identified in RCW 18.130.040(2)(b) may submit ((an annual)) a biennial report to complement the report required under subsection (1) of this section. Each report may provide additional information about the disciplinary activities, rule-making and policy activities, and receipts and expenditures for the individual disciplining authority.

Sec. 23. RCW 43.20.100 and 1977 c 75 s 44 are each amended to read as follows:

The state board of health shall ((make an annual)) report to the governor by July 1st of each even-numbered year including therein suggestions for public health priorities for the following biennium and such legislative action as it deems necessary.

NEW SECTION. Sec. 24. A new section is added to chapter 43.01 RCW to read as follows:

(1)(a) All reports required to be submitted to the legislature shall be provided only in an electronic format. Reports must be submitted electronically to the chief clerk of the house of representatives and the secretary of the senate. The chief clerk of the house of representatives and the secretary of the senate shall provide an online site for reports submitted to the legislature on the legislative internet home page. The reports shall be organized in such a way as to make the reports easy to find and accessible by legislators, staff, and the public.

(b) Upon electronic submittal of the required report to the chief clerk of the house of representatives and the secretary of the senate, the agency shall send a letter, also by electronic means, to the appropriate legislative committee that the report has been filed. The letter may include a brief summary of the report. The public entity submitting the report may make hard copies available by request.

(2)(a) All annual and biennial reports to the governor shall be provided only in an electronic format. The reports shall be organized in such a way as to make the reports easy to find and accessible by the public.

(b) Upon electronic submittal of the required report to the governor's office, the agency shall send a letter, also by electronic means, that the report has been filed. The letter may include a brief summary of the report. The entity submitting the report may make hard copies available by request.
NEW SECTION, Sec. 25. Section 12 of this act expires June 30, 2039.
NEW SECTION, Sec. 26. Section 20 of this act expires June 30, 2016.

Passed by the House April 23, 2009.
Passed by the Senate April 20, 2009.
Approved by the Governor May 15, 2009, with the exception of certain items that were vetoed.
Filed in Office of Secretary of State May 18, 2009.

Note: Governor's explanation of partial veto is as follows:

"I have approved, except for Section 7, Engrossed Substitute House Bill 2327 entitled:

"AN ACT Relating to eliminating or reducing the frequency of reports prepared by state agencies."

Section 7 of Engrossed Substitute House Bill 2327 conflicts with Section 13 of Substitute Senate Bill 6171 that I signed on May 14, 2009. Section 7 eliminates a report on adverse events and incidents at medical facilities because there is no funding for this task. However, Section 13 of Substitute Senate Bill 6171 clarifies that this report is contingent on available funding.

For this reason, I have vetoed Section 7 of Engrossed Substitute House Bill 2327.

With the exception of Section 7, Engrossed Substitute House Bill 2327 is approved."

CHAPTER 519
[Engrossed Second Substitute Senate Bill 5560]
STATE AGENCIES—EMISSIONS REDUCTION

AN ACT Relating to state agency climate leadership; amending RCW 70.235.010, 43.41.130, and 39.35D.010; adding new sections to chapter 70.235 RCW; adding a new chapter to Title 43 RCW; and creating new sections.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION, Sec. 1. The legislature finds that in chapter 14, Laws of 2008, the legislature established greenhouse gas emission reduction limits for Washington state, including a reduction of overall emissions by 2020 to emission levels in 1990, a reduction by 2035 to levels twenty-five percent below 1990 levels, and by 2050 a further reduction below 1990 levels. Based upon estimated 2006 emission levels in Washington, this will require a reduction from present emission levels of over twenty-five percent in the next eleven years. The legislature further finds that state government activities are a significant source of emissions, and that state government should meet targets for reducing emissions from its buildings, vehicles, and all operations that demonstrate that these reductions are achievable, cost-effective, and will help to promote innovative energy efficiency technologies and practices.

NEW SECTION, Sec. 2. A new section is added to chapter 70.235 RCW to read as follows:

(1) All state agencies shall meet the statewide greenhouse gas emission limits established in RCW 70.235.020 to achieve the following, using the estimates and strategy established in subsections (2) and (3) of this section:

(a) By July 1, 2020, reduce emissions by fifteen percent from 2005 emission levels;
(b) By 2035, reduce emissions to thirty-six percent below 2005 levels; and
(c) By 2050, reduce emissions to the greater reduction of fifty-seven and one-half percent below 2005 levels, or seventy percent below the expected state government emissions that year.

(2) By June 30, 2010, all state agencies shall report estimates of emissions for 2005 to the department, including 2009 levels of emissions, and projected emissions through 2035.

(b) State agencies required to report under RCW 70.94.151 must estimate emissions from methodologies recommended by the department and must be based on actual operation of those agencies. Agencies not required to report under RCW 70.94.151 shall derive emissions estimates using an emissions calculator provided by the department.

(3) By June 30, 2011, each state agency shall submit to the department a strategy to meet the requirements in subsection (1) of this section. The strategy must address employee travel activities, teleconferencing alternatives, and include existing and proposed actions, a timeline for reductions, and recommendations for budgetary and other incentives to reduce emissions, especially from employee business travel.

(4) By October 1st of each even-numbered year beginning in 2012, each state agency shall report to the department the actions taken to meet the emission reduction targets under the strategy for the preceding fiscal biennium. The department may authorize the department of general administration to report on behalf of any state agency having fewer than five hundred full-time equivalent employees at any time during the reporting period. The department shall cooperate with the department of general administration and the department of community, trade, and economic development to develop consolidated reporting methodologies that incorporate emission reduction actions taken across all or substantially all state agencies.

(5) All state agencies shall cooperate in providing information to the department, the department of general administration, and the department of community, trade, and economic development for the purposes of this section.

(6) The governor shall designate a person as the single point of accountability for all energy and climate change initiatives within state agencies. This position must be funded from current full-time equivalent allocations without increasing budgets or staffing levels. If duties must be shifted within an agency, they must be shifted among current full-time equivalent allocations. All agencies, councils, or work groups with energy or climate change initiatives shall coordinate with this designee.

*Sec. 3. RCW 70.235.010 and 2008 c 14 s 2 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Carbon dioxide equivalents" means a metric measure used to compare the emissions from various greenhouse gases based upon their global warming potential.

(2) "Climate advisory team" means the stakeholder group formed in response to executive order 07-02.

(3) "Climate impacts group" means the University of Washington's climate impacts group.

(4) "Department" means the department of ecology.
(5) "Direct emissions" means emissions of greenhouse gases from sources of emissions, including stationary combustion sources, mobile combustion emissions, process emissions, and fugitive emissions.

(6) "Director" means the director of the department.

(7) "Greenhouse gas" and "greenhouse gases" includes carbon dioxide, methane, nitrous oxide, hydrofluorocarbons, perfluorocarbons, and sulfur hexafluoride.

(8) "Indirect emissions" means emissions of greenhouse gases associated with the purchase of electricity, heating, cooling, or steam.

(9) "Person" means an individual, partnership, franchise holder, association, corporation, a state, a city, a county, or any subdivision or instrumentality of the state.

(10) "Program" means the department's climate change program.

(11) "Small-scale powered equipment" means a tool or other nonroad or marine machine powered by a gasoline, diesel, or propane spark ignition engine that has a standard manufacturer's listed horsepower rating of fifty horsepower or less. Examples of the term "small-scale powered equipment" include, but are not limited to, the following items when the components of the definition are satisfied: lawnmowers, string trimmers, leaf blowers, air compressors, chainsaws, turf equipment, and lawn and garden tractors.

(12) "Total emissions of greenhouse gases" means all direct emissions and all indirect emissions.

(13) "Western climate initiative" means the collaboration of states, Canadian provinces, Mexican states, and tribes to design a multisector market-based mechanism as directed under the western regional climate action initiative signed by the governor on February 22, 2007.

*Sec. 3 was vetoed. See message at end of chapter.

*NEW SECTION. Sec. 4. A new section is added to chapter 70.235 RCW to read as follows:

(1) As part of satisfying the requirements of section 2 of this act, state agencies are, except as otherwise provided in this section, prohibited from purchasing small-scale powered equipment if the market offers an alternative item that is powered by an electrical cord or rechargeable battery.

(2)(a) The top administrative official of a state agency may waive the provisions of this section on a case-by-case basis if the top administrative official of the agency publishes a finding in the Washington State Register explaining the details as to why the purchase or use of the small-scale powered equipment was necessary and why the use of an electric-based alternative would have been impractical.

(b) The Washington State Register publication requirements of this section may be satisfied with one annual publication summarizing all instances where the requirements of this section were waived by the top administrative official in the preceding year.

(3) As a demonstration to other state agencies as to how the requirements of this section may be achieved, the department of general administration shall suspend the use of all spark ignition push lawnmowers, string trimmers, and leaf blowers on the capitol campus by October 1, 2009. The department of general administration shall document its transition from small-scale powered
equipment to electrical or manual alternatives to aid other state agencies in their implementation of this section.

*Sec. 4 was vetoed. See message at end of chapter.

NEW SECTION. Sec. 5. A new section is added to chapter 70.235 RCW to read as follows:

(1) The department shall develop an emissions calculator to assist state agencies in estimating aggregate emissions as well as in estimating the relative emissions from different ways in carrying out activities.

(2) The department may use data such as totals of building space occupied, energy purchases and generation, motor vehicle fuel purchases and total mileage driven, and other reasonable sources of data to make these estimates. The estimates may be derived from a single methodology using these or other factors, except that for the top ten state agencies in occupied building space and vehicle miles driven, the estimates must be based upon the actual and projected operations of those agencies. The estimates may be adjusted, and reasonable estimates derived, when agencies have been created since 1990 or functions reorganized among state agencies since 1990. The estimates may incorporate projected emissions reductions that also affect state agencies under the program authorized in RCW 70.235.020 and other existing policies that will result in emissions reductions.

(3) By December 31st of each even-numbered year beginning in 2010, the department shall report to the governor and to the appropriate committees of the senate and house of representatives the total state agencies' emissions of greenhouse gases for 2005 and the preceding two years and actions taken to meet the emissions reduction targets.

Sec. 6. RCW 43.41.130 and 1982 c 163 s 13 are each amended to read as follows:

The director of financial management, after consultation with other interested or affected state agencies, shall establish overall policies governing the acquisition, operation, management, maintenance, repair, and disposal of, all passenger motor vehicles owned or operated by any state agency. Such policies shall include but not be limited to a definition of what constitutes authorized use of a state owned or controlled passenger motor vehicle and other motor vehicles on official state business. The definition shall include, but not be limited to, the use of state-owned motor vehicles for commuter ride sharing so long as the entire capital depreciation and operational expense of the commuter ride-sharing arrangement is paid by the commuters. Any use other than such defined use shall be considered as personal use. By June 15, 2010, the director of the department of general administration, in consultation with the office and other interested or affected state agencies, shall develop strategies to reduce fuel consumption and emissions from all classes of vehicles. State agencies shall use these strategies to:

(1) Phase in fuel economy standards for motor pools and leased vehicles to achieve an average fuel economy standard of thirty-six miles per gallon for passenger vehicle fleets by 2015;

(2) Achieve an average fuel economy of forty miles per gallon for light duty passenger vehicles purchased after June 15, 2010; and

State agencies must report annually on the progress made to achieve the goals under subsections (1) through (3) of this section beginning October 31, 2011.

The department of general administration, in consultation with the office and other affected or interested agencies, shall develop a separate fleet fuel economy standard for all other classes of vehicles and report the progress made toward meeting the fuel consumption and emissions goals established by this section to the governor and the relevant legislative committees by December 1, 2012.

For the purposes of this section, light duty vehicles refers to cars, sport utility vehicles, and passenger vans. The following vehicles are excluded from the agency fleet average fuel economy calculation: Emergency response vehicles, passenger vans with a gross vehicle weight of eight thousand five hundred pounds or greater, vehicles that are purchased for off-pavement use, and vehicles that are driven less than two thousand miles per year. Average fuel economy calculations must be based upon the current United States environmental protection agency composite city and highway mile per gallon rating.

((Such policies shall also include the widest possible use of gasohol and cost-effective alternative fuels in all motor vehicles owned or operated by any state agency. As used in this section, "gasohol" means motor vehicle fuel which contains more than nine and one-half percent alcohol by volume.))

*NEW SECTION. Sec. 7. The department of general administration must perform energy performance monitoring from July 2009 to July 2011 on each building that has completed an energy audit and installed energy conservation measures within the last five years and report to the legislature on the cost of the energy conservation measures, the projected energy savings, and the actual energy savings realized.

*Sec. 7 was vetoed. See message at end of chapter.

Sec. 8. RCW 39.35D.010 and 2005 c 12 s 1 are each amended to read as follows:

(1) The legislature finds that public buildings can be built and renovated using high-performance methods that save money, improve school performance, and make workers more productive. High-performance public buildings are proven to increase student test scores, reduce worker absenteeism, and cut energy and utility costs.

(2) It is the intent of the legislature that state-owned buildings and schools be improved by adopting recognized standards for high-performance public buildings, reducing energy consumption, and allowing flexible methods and choices in how to achieve those standards and reductions. The legislature also intends that public agencies and public school districts shall document costs and savings to monitor this program and ensure that economic, community, and environmental goals are achieved each year, and that an independent performance review be conducted to evaluate this program and determine the extent to which the results intended by this chapter are being met.
(3) The legislature further finds that state agency leadership is needed in the development of preparation and adaptation actions for climate change to ensure the economic health, safety, and environmental well-being of the state and its citizens.

NEW SECTION. Sec. 9. A new section is added to chapter 70.235 RCW to read as follows:

Beginning in 2010, when distributing capital funds through competitive programs for infrastructure and economic development projects, all state agencies must consider whether the entity receiving the funds has adopted policies to reduce greenhouse gas emissions. Agencies also must consider whether the project is consistent with:

1. The state's limits on the emissions of greenhouse gases established in RCW 70.235.020;
2. Statewide goals to reduce annual per capita vehicle miles traveled by 2050, in accordance with RCW 47.01.440, except that the agency shall consider whether project locations in rural counties, as defined in RCW 43.160.020, will maximize the reduction of vehicle miles traveled; and
3. Applicable federal emissions reduction requirements.

NEW SECTION. Sec. 10. (1) The departments of ecology, agriculture, community, trade, and economic development, fish and wildlife, natural resources, and transportation shall develop an integrated climate change response strategy to better enable state and local agencies, public and private businesses, nongovernmental organizations, and individuals to prepare for, address, and adapt to the impacts of climate change. The integrated climate change response strategy should be developed, where feasible and consistent with the direction of the strategy, in collaboration with local government agencies with climate change preparation and adaptation plans.

(2)(a) By December 1, 2011, the department of ecology shall compile an initial climate change response strategy, including information and data from the
departments of fish and wildlife, agriculture, community, trade, and economic
development, natural resources, and transportation that: Summarizes the best
known science on climate change impacts to Washington; assesses Washington's
vulnerability to the identified climate change impacts; prioritizes solutions that
can be implemented within and across state agencies; and identifies
recommended funding mechanisms and technical and other essential resources
for implementing solutions.

(b) The initial strategy must include:
(i) Efforts to identify priority planning areas for action, based on
vulnerability and risk assessments;
(ii) Barriers challenging state and local governments to take action, such as
laws, policies, regulations, rules, and procedures that require revision to
adequately address adaptation to climate change;
(iii) Opportunities to integrate climate science and projected impacts into
planning and decision making; and
(iv) Methods to increase public awareness of climate change, its projected
impacts on the community, and to build support for meaningful adaptation
policies and strategies.

NEW SECTION. Sec. 12. The departments of ecology, agriculture,
community, trade, and economic development, fish and wildlife, natural
resources, and transportation may consult with qualified nonpartisan experts
from the scientific community as needed to assist with developing an integrated
climate change response strategy. The qualified nonpartisan experts from the
scientific community may assist the department of ecology on the following
components:

(1) Identifying the timing and extent of impacts from climate change;
(2) Assessing the effects of climate variability and change in the context of
multiple interacting stressors or impacts;
(3) Developing forecasting models;
(4) Determining the resilience of the environment, natural systems,
communities, and organizations to deal with potential or actual impacts of
climate change and the vulnerability to which a natural or social system is
susceptible to sustaining damage from climate change impacts; and
(5) Identifying other issues, as determined by the department of ecology,
necessary to develop policies and actions for the integrated climate change
response strategy.

NEW SECTION. Sec. 13. State agencies shall strive to incorporate
adaptation plans of action as priority activities when planning or designing
agency policies and programs. Agencies shall consider: The integrated climate
change response strategy when designing, planning, and funding infrastructure
projects; and incorporating natural resource adaptation actions and alternative
energy sources when designing and planning infrastructure projects.

NEW SECTION. Sec. 14. Sections 10 through 13 of this act constitute a
new chapter in Title 43 RCW.

NEW SECTION. Sec. 15. If specific funding for the purposes of this act,
referencing this act by bill or chapter number, is not provided by June 30, 2009,
in the omnibus appropriations act, this act is null and void.

WASHINGTON LAWS, 2009

Passed by the Senate April 21, 2009.
Passed by the House April 16, 2009.

Approved by the Governor May 15, 2009, with the exception of certain items that were vetoed.

Filed in Office of Secretary of State May 18, 2009.

Note: Governor's explanation of partial veto is as follows:

"I have approved, except for Sections 3, 4 and 7, Engrossed Second Substitute Senate Bill 5560 entitled:

"AN ACT Relating to state agency climate leadership."

Sections 3 and 4 require agencies to use battery operated or electric small-scale powered equipment that is not yet available for commercial or heavy duty use, although it is available for home or light duty use. I am directing the Department of General Administration to examine landscaping policies on the Capitol Campus and develop and implement a plan that will reduce the carbon footprint of landscaping within the 2009-11 biennium, including a pilot project to showcase methods for "green landscaping" of the Capitol Campus.

Section 7 addresses energy audits and high performance buildings. On May 8, 2009, I signed Engrossed Second Substitute Senate Bill 5854 which directs the Department of General Administration to conduct energy audits and assign energy benchmarks of state buildings. Engrossed Second Substitute Senate Bill 5854 provides a complete and thorough process to examine state buildings and, therefore, this additional provision is not needed at this time.

For these reasons, I have vetoed Sections 3, 4 and 7 of Engrossed Second Substitute Senate Bill 5560.

With the exception of Sections 3, 4 and 7, Engrossed Second Substitute Senate Bill 5560 is hereby approved."

Be it enacted by the Legislature of the State of Washington:

[ 2994 ]
*NEW SECTION. Sec. 1. A new section is added to chapter 74.13 RCW to read as follows:

The legislature declares that the safety and well-being of children and families is essential to the social and economic health of Washington. It is the duty of the state to provide children at risk of out-of-home placement and their families with reasonable opportunities to access supportive services that enhance their safety and well-being. The legislature directs the programmatic and administrative changes required in this act to be accomplished in conformance with this foregoing principle.

The legislature finds that research in the area of child safety and well-being supports the conclusion that a restructuring of the administration and delivery of child welfare services through the use of performance-based contracts can enhance safety and well-being, when done so in a careful, well-planned and collaborative manner.

The legislature intends to encourage broad participation by interested entities in the bidding process. The legislature directs that the department retain those positions necessary to provide child protective and investigative services and to administer performance-based contracts.

The legislature further intends that the programmatic and administrative changes contained in this act have the result of reducing racial disproportionality in the child welfare system and racial disparities in child outcomes.

The legislature, in creating the committee in section 8 of this act, is establishing the mechanism to design, in collaboration with the executive and judicial branches and all affected entities, the transition to performance-based contracts in the delivery of out-of-home care and case management services.

*Sec. 1 was vetoed. See message at end of chapter.

From June 30, 2012, until January 1, 2015, the committee need only report twice a year. (9) The committee, by majority vote, may establish advisory committees as it deems necessary.

Cooperation by the children's administration must include developing and scheduling training for supervising agencies to access data and information necessary to implement and monitor the contracts.

(11) It is expected that the administrative costs for the committee will be supported through private funds.
(12) Staff support for the committee shall be provided jointly by partners for our children and legislative staff.

(b) Obtaining background information and any out-of-state equivalent, to determine whether the applicant or service provider is disqualified and to determine the character, competence, and suitability of an agency, the agency's employees, volunteers, and other persons associated with an agency;

(c) Conducting background checks for those who will or may have unsupervised access to children, expectant mothers, or individuals with a developmental disability;

(d) Obtaining child protective services information or records maintained in the department's ((case management)) information technology system. ((No unfounded allegations of child abuse or neglect as defined in RCW 26.44.020 ((may)) shall be disclosed to ((a child-placing agency, private adoption agency, or any other provider licensed)) supervising agencies under this chapter;)

(e) Submitting a fingerprint-based background check through the Washington state patrol under chapter 10.97 RCW and through the federal bureau of investigation for:

(i) Agencies and their staff, volunteers, students, and interns when the agency is seeking license or relicense;

(ii) Foster care and adoption placements; and

(iii) Any adult living in a home where a child may be placed;

(f) If any adult living in the home has not resided in the state of Washington for the preceding five years, the department shall review any child abuse and neglect registries maintained by any state where the adult has resided over the preceding five years;

(g) The cost of fingerprint background check fees will be paid as required in RCW 43.43.837;

(h) National and state background information must be used solely for the purpose of determining eligibility for a license and for determining the character, suitability, and competence of those persons or agencies, excluding parents, not required to be licensed who are authorized to care for children or expectant mothers;

(i) The number of qualified persons required to render the type of care and treatment for which an agency seeks a license;

(j) The safety, cleanliness, and general adequacy of the premises to provide for the comfort, care and well-being of children, expectant mothers or developmentally disabled persons;

(k) The provision of necessary care, including food, clothing, supervision and discipline; physical, mental and social well-being; and educational, recreational and spiritual opportunities for those served;
(l) The financial ability of an agency to comply with minimum requirements established pursuant to chapter 74.15 RCW and RCW 74.13.031; and

(m) The maintenance of records pertaining to the admission, progress, health and discharge of persons served;

(3) To investigate any person, including relatives by blood or marriage except for parents, for character, suitability, and competence in the care and treatment of children, expectant mothers, and developmentally disabled persons prior to authorizing that person to care for children, expectant mothers, and developmentally disabled persons. However, if a child is placed with a relative under RCW 13.34.065 or 13.34.130, and if such relative appears otherwise suitable and competent to provide care and treatment the criminal history background check required by this section need not be completed before placement, but shall be completed as soon as possible after placement;

(4) On reports of alleged child abuse and neglect, to investigate agencies in accordance with chapter 26.44 RCW, including child day-care centers and family day-care homes, to determine whether the alleged abuse or neglect has occurred, and whether child protective services or referral to a law enforcement agency is appropriate;

(5) To issue, revoke, or deny licenses to agencies pursuant to chapter 74.15 RCW and RCW 74.13.031. Licenses shall specify the category of care which an agency is authorized to render and the ages, sex and number of persons to be served;

(6) To prescribe the procedures and the form and contents of reports necessary for the administration of chapter 74.15 RCW and RCW 74.13.031 and to require regular reports from each licensee;

(9) To consult with public and private agencies in order to help them improve their methods and facilities for the care of children, expectant mothers and developmentally disabled persons.

*Sec. 14 was vetoed. See message at end of chapter.

Sec. 15. RCW 74.15.050 and 1995 c 369 s 62 are each amended to read as follows:

The chief of the Washington state patrol, through the director of fire protection, shall have the power and it shall be his or her duty:

(1) In consultation with the children's services advisory committee and with the advice and assistance of persons representative of the various type agencies to be licensed, to adopt recognized minimum standard requirements pertaining to each category of agency established pursuant to chapter 74.15 RCW and RCW 74.13.031, except foster-family homes and child-placing agencies, necessary to protect all persons residing therein from fire hazards;
(2) To make or cause to be made such inspections and investigations of agencies, other than foster-family homes or child-placing agencies, as he or she deems necessary;

(3) To make a periodic review of requirements under RCW 74.15.030(7) and to adopt necessary changes after consultation as required in subsection (1) of this section;

(4) To issue to applicants for licenses hereunder, other than foster-family homes or child-placing agencies, who comply with the requirements, a certificate of compliance, a copy of which shall be presented to the department before a license shall be issued, except that an initial license may be issued as provided in RCW 74.15.120.

Sec. 16. RCW 74.15.100 and 2006 c 265 s 403 are each amended to read as follows:

Each agency or supervising agency shall make application for a license or renewal of license to the department on forms prescribed by the department. A licensed agency having foster-family homes under its supervision may make application for a license on behalf of any such foster-family home. Such a foster home license shall cease to be valid when the home is no longer under the supervision of that agency. Upon receipt of such application, the department shall either grant or deny a license within ninety days unless the application is for licensure as a foster-family home, in which case RCW 74.15.040 shall govern. A license shall be granted if the agency meets the minimum requirements set forth in chapter 74.15 RCW and RCW 74.13.031 and the departmental requirements consistent herewith, except that an initial license may be issued as provided in RCW 74.15.120. Licenses provided for in chapter 74.15 RCW and RCW 74.13.031 shall be issued for a period of three years. The licensee, however, shall advise the secretary of any material change in circumstances which might constitute grounds for reclassification of license as to category. The license issued under this chapter is not transferable and applies only to the licensee and the location stated in the application. For licensed foster-family homes having an acceptable history of child care, the license may remain in effect for two weeks after a move, except that this will apply only if the family remains intact.

Sec. 17. RCW 26.44.020 and 2007 c 220 s 1 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abuse or neglect" means sexual abuse, sexual exploitation, or injury of a child by any person under circumstances which cause harm to the child's health, welfare, or safety, excluding conduct permitted under RCW 9A.16.100; or the negligent treatment or maltreatment of a child by a person responsible for or providing care to the child. An abused child is a child who has been subjected to child abuse or neglect as defined in this section.

(2) "Child" or "children" means any person under the age of eighteen years of age.

(3) "Child protective services" means those services provided by the department designed to protect children from child abuse and neglect and safeguard such children from future abuse and neglect, and conduct
investigations of child abuse and neglect reports. Investigations may be conducted regardless of the location of the alleged abuse or neglect. Child protective services includes referral to services to ameliorate conditions that endanger the welfare of children, the coordination of necessary programs and services relevant to the prevention, intervention, and treatment of child abuse and neglect, and services to children to ensure that each child has a permanent home. In determining whether protective services should be provided, the department shall not decline to provide such services solely because of the child's unwillingness or developmental inability to describe the nature and severity of the abuse or neglect.

(4) "Child protective services section" means the child protective services section of the department.

(5) "Clergy" means any regularly licensed or ordained minister, priest, or rabbi of any church or religious denomination, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(6) "Court" means the superior court of the state of Washington, juvenile department.

(7) "Department" means the state department of social and health services.

(8) "Founded" means the determination following an investigation by the department that, based on available information, it is more likely than not that child abuse or neglect did occur.

(9) "Inconclusive" means the determination following an investigation by the department, prior to October 1, 2008, that based on available information a decision cannot be made that more likely than not, child abuse or neglect did or did not occur.

(10) "Institution" means a private or public hospital or any other facility providing medical diagnosis, treatment, or care.

(11) "Law enforcement agency" means the police department, the prosecuting attorney, the state patrol, the director of public safety, or the office of the sheriff.

(12) "Malice" or "maliciously" means an intent, wish, or design to intimidate, annoy, or injure another person. Such malice may be inferred from an act done in willful disregard of the rights of another, or an act wrongfully done without just cause or excuse, or an act or omission of duty betraying a willful disregard of social duty.

(13) "Negligent treatment or maltreatment" means an act or a failure to act, or the cumulative effects of a pattern of conduct, behavior, or inaction, that evidences a serious disregard of consequences of such magnitude as to constitute a clear and present danger to a child's health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100. When considering whether a clear and present danger exists, evidence of a parent's substance abuse as a contributing factor to negligent treatment or maltreatment shall be given great weight. The fact that siblings share a bedroom is not, in and of itself, negligent treatment or maltreatment. Poverty, homelessness, or exposure to domestic violence as defined in RCW 26.50.010 that is perpetrated against someone other than the child does not constitute negligent treatment or maltreatment in and of itself.
(14) "Pharmacist" means any registered pharmacist under chapter 18.64 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(15) "Practitioner of the healing arts" or "practitioner" means a person licensed by this state to practice podiatric medicine and surgery, optometry, chiropractic, nursing, dentistry, osteopathic medicine and surgery, or medicine and surgery or to provide other health services. The term "practitioner" includes a duly accredited Christian Science practitioner((: PROVIDED, HOWEVER, That)). A person who is being furnished Christian Science treatment by a duly accredited Christian Science practitioner will not be considered, for that reason alone, a neglected person for the purposes of this chapter.

(16) "Professional school personnel" include, but are not limited to, teachers, counselors, administrators, child care facility personnel, and school nurses.

(17) "Psychologist" means any person licensed to practice psychology under chapter 18.83 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(18) "Screened-out report" means a report of alleged child abuse or neglect that the department has determined does not rise to the level of a credible report of abuse or neglect and is not referred for investigation.

(19) "Sexual exploitation" includes: (a) Allowing, permitting, or encouraging a child to engage in prostitution by any person; or (b) allowing, permitting, encouraging, or engaging in the obscene or pornographic photographing, filming, or depicting of a child by any person.

(20) "Sexually aggressive youth" means a child who is defined in RCW 74.13.075(1)(b) as being a sexually aggressive youth.

(21) "Social service counselor" means anyone engaged in a professional capacity during the regular course of employment in encouraging or promoting the health, welfare, support or education of children, or providing social services to adults or families, including mental health, drug and alcohol treatment, and domestic violence programs, whether in an individual capacity, or as an employee or agent of any public or private organization or institution.

(22) "Supervising agency" means an agency licensed by the state under RCW 74.15.090 or an Indian tribe under RCW 74.15.190 that has entered into a performance-based contract with the department to provide child welfare services.

(23) "Unfounded" means the determination following an investigation by the department that available information indicates that, more likely than not, child abuse or neglect did not occur, or that there is insufficient evidence for the department to determine whether the alleged child abuse did or did not occur.

Sec. 18. RCW 26.44.200 and 2002 c 134 s 4 are each amended to read as follows:

A law enforcement agency in the course of investigating: (1) An allegation under RCW 69.50.401(((a) (1) and (2) (a) through (e) relating to manufacture of methamphetamine; or (2) an allegation under RCW 69.50.440 relating to possession of ephedrine or any of its salts or isomers or salts of isomers, pseudoephedrine or any of its salts or isomers or salts of isomers, pressurized ammonia gas, or pressurized ammonia gas solution with intent to manufacture
methamphetamine, that discovers a child present at the site, shall contact the department immediately.

*NEW SECTION. Sec. 19. A new section is added to chapter 26.44 RCW to read as follows:

Within existing resources, the department shall develop a curriculum designed to train child protective services staff in forensic techniques used for investigating allegations of child abuse or neglect.

*Sec. 19 was vetoed. See message at end of chapter.

Sec. 20. RCW 13.34.025 and 2007 c 410 s 2 are each amended to read as follows:

(1) The department ((of social and health services)) and supervising agencies shall develop methods for coordination of services to parents and children in child dependency cases. To the maximum extent possible under current funding levels, the department and supervising agencies must:

(a) Coordinate and integrate services to children and families, using service plans and activities that address the children's and families' multiple needs, including ensuring that siblings have regular visits with each other, as appropriate. Assessment criteria should screen for multiple needs;
(b) Develop treatment plans for the individual needs of the client in a manner that minimizes the number of contacts the client is required to make; and
(c) Access training for department and supervising agency staff to increase skills across disciplines to assess needs for mental health, substance abuse, developmental disabilities, and other areas.

(2) The department shall coordinate within the administrations of the department, and with contracted service providers including supervising agencies, to ensure that parents in dependency proceedings under this chapter receive priority access to remedial services recommended by the department or supervising agency in its social study or ordered by the court for the purpose of correcting any parental deficiencies identified in the dependency proceeding that are capable of being corrected in the foreseeable future. Services may also be provided to caregivers other than the parents as identified in RCW 13.34.138.

(a) For purposes of this chapter, remedial services are those services defined in the federal adoption and safe families act as time-limited family reunification services. Remedial services include individual, group, and family counseling; substance abuse treatment services; mental health services; assistance to address domestic violence; services designed to provide temporary child care and therapeutic services for families; and transportation to or from any of the above services and activities.
(b) The department shall provide funds for remedial services if the parent is unable to pay to the extent funding is appropriated in the operating budget or otherwise available to the department for such specific services. As a condition for receiving funded remedial services, the court may inquire into the parent's ability to pay for all or part of such services or may require that the parent make appropriate applications for funding to alternative funding sources for such services.
(c) If court-ordered remedial services are unavailable for any reason, including lack of funding, lack of services, or language barriers, the department or supervising agency shall promptly notify the court that the parent is unable to engage in the treatment due to the inability to access such services.
(d) This section does not create an entitlement to services and does not create judicial authority to order the provision of services except for the specific purpose of making reasonable efforts to remedy parental deficiencies identified in a dependency proceeding under this chapter.

Sec. 21. RCW 13.34.030 and 2003 c 227 s 2 are each amended to read as follows:

For purposes of this chapter:

(1) "Abandoned" means when the child's parent, guardian, or other custodian has expressed, either by statement or conduct, an intent to forego, for an extended period, parental rights or responsibilities despite an ability to exercise such rights and responsibilities. If the court finds that the petitioner has exercised due diligence in attempting to locate the parent, no contact between the child and the child's parent, guardian, or other custodian for a period of three months creates a rebuttable presumption of abandonment, even if there is no expressed intent to abandon.

(2) "Child" and "juvenile" means any individual under the age of eighteen years.

(3) "Current placement episode" means the period of time that begins with the most recent date that the child was removed from the home of the parent, guardian, or legal custodian for purposes of placement in out-of-home care and continues until: (a) The child returns home; (b) an adoption decree, a permanent custody order, or guardianship order is entered; or (c) the dependency is dismissed, whichever occurs first.

(4) "Department" means the department of social and health services.

(5) "Dependency guardian" means the person, nonprofit corporation, or Indian tribe appointed by the court pursuant to this chapter for the limited purpose of assisting the court in the supervision of the dependency.

(6) "Dependent child" means any child who:

(a) Has been abandoned;
(b) Is abused or neglected as defined in chapter 26.44 RCW by a person legally responsible for the care of the child; or
(c) Has no parent, guardian, or custodian capable of adequately caring for the child, such that the child is in circumstances which constitute a danger of substantial damage to the child's psychological or physical development.

(7) "Developmental disability" means a disability attributable to mental retardation, cerebral palsy, epilepsy, autism, or another neurological or other condition of an individual found by the secretary to be closely related to mental retardation or to require treatment similar to that required for individuals with mental retardation, which disability originates before the individual attains age eighteen, which has continued or can be expected to continue indefinitely, and which constitutes a substantial handicap to the individual.

(8) "Guardian" means the person or agency that: (a) Has been appointed as the guardian of a child in a legal proceeding other than a proceeding under this chapter; and (b) has the legal right to custody of the child pursuant to such appointment. The term "guardian" shall not include a dependency guardian appointed pursuant to a proceeding under this chapter.

(9) "Guardian ad litem" means a person, appointed by the court to represent the best interests of a child in a proceeding under this chapter, or in any matter which may be consolidated with a proceeding under this chapter. A
"court-appointed special advocate" appointed by the court to be the guardian ad litem for the child, or to perform substantially the same duties and functions as a guardian ad litem, shall be deemed to be guardian ad litem for all purposes and uses of this chapter.

"Guardian ad litem program" means a court-authorized volunteer program, which is or may be established by the superior court of the county in which such proceeding is filed, to manage all aspects of volunteer guardian ad litem representation for children alleged or found to be dependent. Such management shall include but is not limited to: Recruitment, screening, training, supervision, assignment, and discharge of volunteers.

"Indigent" means a person who, at any stage of a court proceeding, is:

(a) Receiving one of the following types of public assistance: Temporary assistance for needy families, general assistance, poverty-related veterans' benefits, food stamps or food stamp benefits transferred electronically, refugee resettlement benefits, medicaid, or supplemental security income; or

(b) Involuntarily committed to a public mental health facility; or

(c) Receiving an annual income, after taxes, of one hundred twenty-five percent or less of the federally established poverty level; or

(d) Unable to pay the anticipated cost of counsel for the matter before the court because his or her available funds are insufficient to pay any amount for the retention of counsel.

"Out-of-home care" means placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or placement in a home, other than that of the child's parent, guardian, or legal custodian, not required to be licensed pursuant to chapter 74.15 RCW.

"Preventive services" means preservation services, as defined in chapter 74.14C RCW, and other reasonably available services, including housing services, capable of preventing the need for out-of-home placement while protecting the child. Housing services may include, but are not limited to, referrals to federal, state, local, or private agencies or organizations, assistance with forms and applications, or financial subsidies for housing.

"Shelter care" means temporary physical care in a facility licensed pursuant to RCW 74.15.030 or in a home not required to be licensed pursuant to RCW 74.15.030.

"Sibling" means a child's birth brother, birth sister, adoptive brother, adoptive sister, half-brother, or half-sister, or as defined by the law or custom of the Indian child's tribe for an Indian child as defined in 25 U.S.C. Sec. 1903(4).

"Social study" means a written evaluation of matters relevant to the disposition of the case and shall contain the following information:

(a) A statement of the specific harm or harms to the child that intervention is designed to alleviate;

(b) A description of the specific services and activities, for both the parents and child, that are needed in order to prevent serious harm to the child; the reasons why such services and activities are likely to be useful; the availability of any proposed services; and the agency's overall plan for ensuring that the services will be delivered. The description shall identify the services chosen and approved by the parent;
(c) If removal is recommended, a full description of the reasons why the child cannot be protected adequately in the home, including a description of any previous efforts to work with the parents and the child in the home; the in-home treatment programs that have been considered and rejected; the preventive services that have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home; and the parents' attitude toward placement of the child;

(d) A statement of the likely harms the child will suffer as a result of removal;

(e) A description of the steps that will be taken to minimize the harm to the child that may result if separation occurs including an assessment of the child's relationship and emotional bond with any siblings, and the agency's plan to provide ongoing contact between the child and the child's siblings if appropriate; and

(f) Behavior that will be expected before determination that supervision of the family or placement is no longer necessary.

Sec. 22. RCW 13.34.065 and 2008 c 267 s 2 are each amended to read as follows:

(1)(a) When a child is taken into custody, the court shall hold a shelter care hearing within seventy-two hours, excluding Saturdays, Sundays, and holidays. The primary purpose of the shelter care hearing is to determine whether the child can be immediately and safely returned home while the adjudication of the dependency is pending.

(b) Any parent, guardian, or legal custodian who for good cause is unable to attend the shelter care hearing may request that a subsequent shelter care hearing be scheduled. The request shall be made to the clerk of the court where the petition is filed prior to the initial shelter care hearing. Upon the request of the parent, the court shall schedule the hearing within seventy-two hours of the request, excluding Saturdays, Sundays, and holidays. The clerk shall notify all other parties of the hearing by any reasonable means.

(2)(a) If it is likely that the child will remain in shelter care longer than seventy-two hours, in those areas in which child welfare services are being provided by a supervising agency, the supervising agency shall assume case management responsibilities of the case. The department (of social and health services)) or supervising agency shall submit a recommendation to the court as to the further need for shelter care in all cases in which (it is the petitioner)) the child will remain in shelter care longer than the seventy-two hour period. In all other cases, the recommendation shall be submitted by the juvenile court probation counselor.

(b) All parties have the right to present testimony to the court regarding the need or lack of need for shelter care.

(c) Hearsay evidence before the court regarding the need or lack of need for shelter care must be supported by sworn testimony, affidavit, or declaration of the person offering such evidence.
(3)(a) At the commencement of the hearing, the court shall notify the parent, guardian, or custodian of the following:

(i) The parent, guardian, or custodian has the right to a shelter care hearing;
(ii) The nature of the shelter care hearing, the rights of the parents, and the proceedings that will follow; and
(iii) If the parent, guardian, or custodian is not represented by counsel, the right to be represented. If the parent, guardian, or custodian is indigent, the court shall appoint counsel as provided in RCW 13.34.090; and

(b) If a parent, guardian, or legal custodian desires to waive the shelter care hearing, the court shall determine, on the record and with the parties present, whether such waiver is knowing and voluntary. A parent may not waive his or her right to the shelter care hearing unless he or she appears in court and the court determines that the waiver is knowing and voluntary. Regardless of whether the court accepts the parental waiver of the shelter care hearing, the court must provide notice to the parents of their rights required under (a) of this subsection and make the finding required under subsection (4) of this section.

(4) At the shelter care hearing the court shall examine the need for shelter care and inquire into the status of the case. The paramount consideration for the court shall be the health, welfare, and safety of the child. At a minimum, the court shall inquire into the following:

(a) Whether the notice required under RCW 13.34.062 was given to all known parents, guardians, or legal custodians of the child. The court shall make an express finding as to whether the notice required under RCW 13.34.062 was given to the parent, guardian, or legal custodian. If actual notice was not given to the parent, guardian, or legal custodian and the whereabouts of such person is known or can be ascertained, the court shall order the department to make reasonable efforts to advise the parent, guardian, or legal custodian of the status of the case, including the date and time of any subsequent hearings, and their rights under RCW 13.34.090;
(b) Whether the child can be safely returned home while the adjudication of the dependency is pending;
(c) What efforts have been made to place the child with a relative;
(d) What services were provided to the family to prevent or eliminate the need for removal of the child from the child's home;
(e) Is the placement proposed by the department or supervising agency the least disruptive and most family-like setting that meets the needs of the child;
(f) Whether it is in the best interest of the child to remain enrolled in the school, developmental program, or child care the child was in prior to placement and what efforts have been made to maintain the child in the school, program, or child care if it would be in the best interest of the child to remain in the same school, program, or child care;
(g) Appointment of a guardian ad litem or attorney;
(h) Whether the child is or may be an Indian child as defined in 25 U.S.C. Sec. 1903, whether the provisions of the Indian child welfare act apply, and whether there is compliance with the Indian child welfare act, including notice to the child's tribe;
(i) Whether, as provided in RCW 26.44.063, restraining orders, or orders expelling an allegedly abusive household member from the home of a
nonabusive parent, guardian, or legal custodian, will allow the child to safely remain in the home;

(i) Whether any orders for examinations, evaluations, or immediate services are needed. The court may not order a parent to undergo examinations, evaluation, or services at the shelter care hearing unless the parent agrees to the examination, evaluation, or service;

(k) The terms and conditions for parental, sibling, and family visitation.

(5)(a) The court shall release a child alleged to be dependent to the care, custody, and control of the child's parent, guardian, or legal custodian unless the court finds there is reasonable cause to believe that:

(i) After consideration of the specific services that have been provided, reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and

(ii)(A) The child has no parent, guardian, or legal custodian to provide supervision and care for such child; or

(B) The release of such child would present a serious threat of substantial harm to such child, notwithstanding an order entered pursuant to RCW 26.44.063; or

(C) The parent, guardian, or custodian to whom the child could be released has been charged with violating RCW 9A.40.060 or 9A.40.070.

(b) If the court does not release the child to his or her parent, guardian, or legal custodian, the court shall order placement with a relative, unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized or that the efforts to reunite the parent and child will be hindered. The relative must be willing and available to:

(i) Care for the child and be able to meet any special needs of the child;

(ii) Facilitate the child's visitation with siblings, if such visitation is part of the supervising agency's plan or is ordered by the court; and

(iii) Cooperate with the department or supervising agency in providing necessary background checks and home studies.

(c) If the child was not initially placed with a relative, and the court does not release the child to his or her parent, guardian, or legal custodian, the supervising agency shall make reasonable efforts to locate a relative pursuant to RCW 13.34.060(1).

(d) If a relative is not available, the court shall order continued shelter care or order placement with another suitable person, and the court shall set forth its reasons for the order. If the court orders placement of the child with a person not related to the child and not licensed to provide foster care, the placement is subject to all terms and conditions of this section that apply to relative placements.

(e) Any placement with a relative, or other person approved by the court pursuant to this section, shall be contingent upon cooperation with the department's or supervising agency's case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order is grounds for removal of the child from the home of the relative or other person, subject to review by the court.
(f) Uncertainty by a parent, guardian, legal custodian, relative, or other suitable person that the alleged abuser has in fact abused the child shall not, alone, be the basis upon which a child is removed from the care of a parent, guardian, or legal custodian under (a) of this subsection, nor shall it be a basis, alone, to preclude placement with a relative under (b) of this subsection or with another suitable person under (d) of this subsection.

(6)(a) A shelter care order issued pursuant to this section shall include the requirement for a case conference as provided in RCW 13.34.067. However, if the parent is not present at the shelter care hearing, or does not agree to the case conference, the court shall not include the requirement for the case conference in the shelter care order.

(b) If the court orders a case conference, the shelter care order shall include notice to all parties and establish the date, time, and location of the case conference which shall be no later than thirty days before the fact-finding hearing.

(c) The court may order another conference, case staffing, or hearing as an alternative to the case conference required under RCW 13.34.067 so long as the conference, case staffing, or hearing ordered by the court meets all requirements under RCW 13.34.067, including the requirement of a written agreement specifying the services to be provided to the parent.

(7)(a) A shelter care order issued pursuant to this section may be amended at any time with notice and hearing thereon. The shelter care decision of placement shall be modified only upon a showing of change in circumstances. No child may be placed in shelter care for longer than thirty days without an order, signed by the judge, authorizing continued shelter care.

(b)(i) An order releasing the child on any conditions specified in this section may at any time be amended, with notice and hearing thereon, so as to return the child to shelter care for failure of the parties to conform to the conditions originally imposed.

(ii) The court shall consider whether nonconformance with any conditions resulted from circumstances beyond the control of the parent, guardian, or legal custodian and give weight to that fact before ordering return of the child to shelter care.

(8)(a) If a child is returned home from shelter care a second time in the case, or if the supervisor of the caseworker deems it necessary, the multidisciplinary team may be reconvened.

(b) If a child is returned home from shelter care a second time in the case a law enforcement officer must be present and file a report to the department.

Sec. 23. RCW 13.34.067 and 2004 c 147 s 1 are each amended to read as follows:

(1)(a) Following shelter care and no later than thirty days prior to fact-finding, the department or supervising agency shall convene a case conference as required in the shelter care order to develop and specify in a written service agreement the expectations of both the department or supervising agency and the parent regarding voluntary services for the parent.

(b) The case conference shall include the parent, counsel for the parent, caseworker, counsel for the state, guardian ad litem, counsel for the child, and any other person agreed upon by the parties. Once the shelter care order is entered, the department or supervising agency is not required to provide
additional notice of the case conference to any participants in the case conference.

(c) The written service agreement expectations must correlate with the court's findings at the shelter care hearing. The written service agreement must set forth specific services to be provided to the parent.

(d) The case conference agreement must be agreed to and signed by the parties. The court shall not consider the content of the discussions at the case conference at the time of the fact-finding hearing for the purposes of establishing that the child is a dependent child, and the court shall not consider any documents or written materials presented at the case conference but not incorporated into the case conference agreement, unless the documents or written materials were prepared for purposes other than or as a result of the case conference and are otherwise admissible under the rules of evidence.

(2) At any other stage in a dependency proceeding, the department or supervising agency, upon the parent's request, shall convene a case conference.

Sec. 24. RCW 13.34.094 and 2004 c 147 s 3 are each amended to read as follows:

The department, or supervising agency after the shelter care hearing, shall, within existing resources, provide to parents requesting or participating in a multidisciplinary team, family group conference, case conference, or prognostic staffing information that describes these processes prior to the processes being undertaken.

Sec. 25. RCW 13.34.096 and 2007 c 409 s 1 are each amended to read as follows:

The department ((of social and health services or other)) or supervising agency shall provide the child's foster parents, preadoptive parents, or other caregivers with notice of their right to be heard prior to each proceeding held with respect to the child in juvenile court under this chapter. The rights to notice and to be heard apply only to persons with whom a child has been placed by the department before shelter care or ((other)) supervising agency and who are providing care to the child at the time of the proceeding. This section shall not be construed to grant party status to any person solely on the basis of such notice and right to be heard.

Sec. 26. RCW 13.34.125 and 1999 c 173 s 2 are each amended to read as follows:

In those cases where an alleged father, birth parent, or parent has indicated his or her intention to make a voluntary adoption plan for the child and has agreed to the termination of his or her parental rights, the department or supervising agency shall follow the wishes of the alleged father, birth parent, or parent regarding the proposed adoptive placement of the child, if the court determines that the adoption is in the best interest of the child, and the prospective adoptive parents chosen by the alleged father, birth parent, or parent are properly qualified to adopt in compliance with the standards in this chapter and chapter 26.33 RCW. If the department or supervising agency has filed a termination petition, an alleged father's, birth parent's, or parent's preferences regarding the proposed adoptive placement of the child shall be given consideration.
Sec. 27. RCW 13.34.130 and 2007 c 413 s 6 and 2007 c 412 s 2 are each reenacted and amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030 after consideration of the social study prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:
   (a) Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In determining the disposition, the court should choose those services, including housing assistance, that least interfere with family autonomy and are adequate to protect the child.
   (b) Order the child to be removed from his or her home and into the custody, control, and care of a relative ((or)), the department, or a ((licensed child placing)) supervising agency for supervision of the child's placement. The department or supervising agency ((supervising the child's placement)) has the authority to place the child, subject to review and approval by the court ((i)) with a relative as defined in RCW 74.15.020(2)(a), (ii) in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW, or (iii) in the home of another suitable person if the child or family has a preexisting relationship with that person, and the person has completed all required criminal history background checks and otherwise appears to the department or supervising agency to be suitable and competent to provide care for the child. Absent good cause, the department or supervising agency shall follow the wishes of the natural parent regarding the placement of the child in accordance with RCW 13.34.260. The department or supervising agency shall follow the wishes of the natural parent regarding the placement of the child in accordance with RCW 13.34.260. The department or supervising agency may only place a child with a person not related to the child as defined in RCW 74.15.020(2)(a) when the court finds that such placement is in the best interest of the child. Unless there is reasonable cause to believe that the health, safety, or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, such child shall be placed with a person who is: (A) Related to the child as defined in RCW 74.15.020(2)(a) with whom the child has a relationship and is comfortable; and (B) willing and available to care for the child.
   (2) Placement of the child with a relative under this subsection shall be given preference by the court. An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home, specifying the services that have been provided to the child and the child's parent, guardian, or legal custodian, and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:
      (a) There is no parent or guardian available to care for such child;
      (b) The parent, guardian, or legal custodian is not willing to take custody of the child; or
(c) The court finds, by clear, cogent, and convincing evidence, a manifest
danger exists that the child will suffer serious abuse or neglect if the child is not
removed from the home and an order under RCW 26.44.063 would not protect
the child from danger.

(3) If the court has ordered a child removed from his or her home pursuant
to subsection (1)(b) of this section, the court shall consider whether it is in a
child's best interest to be placed with, have contact with, or have visits with
siblings.

(a) There shall be a presumption that such placement, contact, or visits are
in the best interests of the child provided that:

(i) The court has jurisdiction over all siblings subject to the order of
placement, contact, or visitation pursuant to petitions filed under this chapter or
the parents of a child for whom there is no jurisdiction are willing to agree; and

(ii) There is no reasonable cause to believe that the health, safety, or welfare
of any child subject to the order of placement, contact, or visitation would be
jeopardized or that efforts to reunite the parent and child would be hindered by
such placement, contact, or visitation. In no event shall parental visitation time
be reduced in order to provide sibling visitation.

(b) The court may also order placement, contact, or visitation of a child with
a step-brother or step-sister provided that in addition to the factors in (a) of this
subsection, the child has a relationship and is comfortable with the step-sibling.

(4) If the court has ordered a child removed from his or her home pursuant
to subsection (1)(b) of this section and placed into nonparental or nonrelative
care, the court shall order a placement that allows the child to remain in the same
school he or she attended prior to the initiation of the dependency proceeding
when such a placement is practical and in the child's best interest.

(5) If the court has ordered a child removed from his or her home pursuant
to subsection (1)(b) of this section, the court may order that a petition seeking
termination of the parent and child relationship be filed if the requirements of
RCW 13.34.132 are met.

(6) If there is insufficient information at the time of the disposition hearing
upon which to base a determination regarding the suitability of a proposed
placement with a relative, the child shall remain in foster care and the court shall
direct the department or supervising agency to conduct necessary background
investigations as provided in chapter 74.15 RCW and report the results of such
investigation to the court within thirty days. However, if such relative appears
otherwise suitable and competent to provide care and treatment, the criminal
history background check need not be completed before placement, but as soon
as possible after placement. Any placements with relatives, pursuant to this
section, shall be contingent upon cooperation by the relative with the agency
case plan and compliance with court orders related to the care and supervision of
the child including, but not limited to, court orders regarding parent-child
contacts, sibling contacts, and any other conditions imposed by the court.
Noncompliance with the case plan or court order shall be grounds for removal of
the child from the relative's home, subject to review by the court.

Sec. 28. RCW 13.34.136 and 2008 c 267 s 3 and 2008 c 152 s 2 are each
reenacted and amended to read as follows:

(1) Whenever a child is ordered removed from the home, a permanency plan
shall be developed no later than sixty days from the time the supervising agency
assumes responsibility for providing services, including placing the child, or at
the time of a hearing under RCW 13.34.130, whichever occurs first. The
permanency planning process continues until a permanency planning goal is
achieved or dependency is dismissed. The planning process shall include
reasonable efforts to return the child to the parent's home.

(2) The agency supervising the dependency shall submit a written
permanency plan to all parties and the court not less than fourteen days prior to
the scheduled hearing. Responsive reports of parties not in agreement with the
department's or supervising agency's proposed permanency plan must be
provided to the department or supervising agency, all other parties, and the court
at least seven days prior to the hearing.

The permanency plan shall include:

(a) A permanency plan of care that shall identify one of the following
outcomes as a primary goal and may identify additional outcomes as alternative
goals: Return of the child to the home of the child's parent, guardian, or legal
custodian; adoption; guardianship; permanent legal custody; long-term relative
or foster care, until the child is age eighteen, with a written agreement between
the parties and the care provider; successful completion of a responsible living
skills program; or independent living, if appropriate and if the child is age
sixteen or older. The department or supervising agency shall not discharge a
child to an independent living situation before the child is eighteen years of age
unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130(5), that a
termination petition be filed, a specific plan as to where the child will be placed,
what steps will be taken to return the child home, what steps the supervising
agency or the department will take to promote existing appropriate sibling
relationships and/or facilitate placement together or contact in accordance with
the best interests of each child, and what actions the department or supervising
agency will take to maintain parent-child ties. All aspects of the plan shall
include the goal of achieving permanence for the child.

(i) The department's or supervising agency's plan shall specify what services
the parents will be offered to enable them to resume custody, what requirements
the parents must meet to resume custody, and a time limit for each service plan
and parental requirement.

(ii) Visitation is the right of the family, including the child and the parent, in
cases in which visitation is in the best interest of the child. Early, consistent, and
frequent visitation is crucial for maintaining parent-child relationships and
making it possible for parents and children to safely reunify. The supervising
agency or department shall encourage the maximum parent and child and sibling
contact possible, when it is in the best interest of the child, including regular
visitation and participation by the parents in the care of the child while the child
is in placement. Visitation shall not be limited as a sanction for a parent's failure
to comply with court orders or services where the health, safety, or welfare of the
child is not at risk as a result of the visitation. Visitation may be limited or
denied only if the court determines that such limitation or denial is necessary to
protect the child's health, safety, or welfare. The court and the department or
supervising agency should rely upon community resources, relatives, foster
parents, and other appropriate persons to provide transportation and supervision
for visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(iv) The plan shall state whether both in-state and, where appropriate, out-of-state placement options have been considered by the department or supervising agency.

(v) Unless it is not in the best interests of the child, whenever practical, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

(vi) The supervising agency (charged with supervising a child in placement) or department shall provide all reasonable services that are available within the department or supervising agency, or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130(5), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The department or supervising agency shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.

(3) Permanency planning goals should be achieved at the earliest possible date. If the child has been in out-of-home care for fifteen of the most recent twenty-two months, the court shall require the department or supervising agency to file a petition seeking termination of parental rights in accordance with RCW 13.34.145(3)(b)(vi). In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130(3).

(7) For purposes related to permanency planning:

(a) "Guardianship" means a dependency guardianship or a legal guardianship pursuant to chapter 11.88 RCW or equivalent laws of another state or a federally recognized Indian tribe.
(b) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.

(c) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or a federally recognized Indian tribe.

Sec. 29. RCW 13.34.138 and 2007 c 413 s 8 and 2007 c 410 s 1 are each reenacted and amended to read as follows:

(1) Except for children whose cases are reviewed by a citizen review board under chapter 13.70 RCW, the status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first. The purpose of the hearing shall be to review the progress of the parties and determine whether court supervision should continue.

(a) The initial review hearing shall be an in-court review and shall be set six months from the beginning date of the placement episode or no more than ninety days from the entry of the disposition order, whichever comes first. The requirements for the initial review hearing, including the in-court review requirement, shall be accomplished within existing resources.

(b) The initial review hearing may be a permanency planning hearing when necessary to meet the time frames set forth in RCW 13.34.145 (1)(a) or 13.34.134.

(2)(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision by the supervising agency or department shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) Prior to the child returning home, the department or supervising agency must complete the following:

(i) Identify all adults residing in the home and conduct background checks on those persons;

(ii) Identify any persons who may act as a caregiver for the child in addition to the parent with whom the child is being placed and determine whether such persons are in need of any services in order to ensure the safety of the child, regardless of whether such persons are a party to the dependency. The department or supervising agency may recommend to the court and the court may order that placement of the child in the parent's home be contingent on or delayed based on the need for such persons to engage in or complete services to ensure the safety of the child prior to placement. If services are recommended for the caregiver, and the caregiver fails to engage in or follow through with the recommended services, the department or supervising agency must promptly notify the court; and

(iii) Notify the parent with whom the child is being placed that he or she has an ongoing duty to notify the department or supervising agency of all persons who reside in the home or who may act as a caregiver for the child both prior to the placement of the child in the home and subsequent to the placement of the child in the home as long as the court retains jurisdiction of the dependency
proceeding or the department is providing or monitoring either remedial services to the parent or services to ensure the safety of the child to any caregivers.

Caregivers may be required to engage in services under this subsection solely for the purpose of ensuring the present and future safety of a child who is a ward of the court. This subsection does not grant party status to any individual not already a party to the dependency proceeding, create an entitlement to services or a duty on the part of the department or supervising agency to provide services, or create judicial authority to order the provision of services to any person other than for the express purposes of this section or RCW 13.34.025 or if the services are unavailable or unsuitable or the person is not eligible for such services.

(c) If the child is not returned home, the court shall establish in writing:

(i) Whether the supervising agency or the department is making reasonable efforts to provide services to the family and eliminate the need for placement of the child. If additional services, including housing assistance, are needed to facilitate the return of the child to the child's parents, the court shall order that reasonable services be offered specifying such services;

(ii) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(iii) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(iv) Whether the services set forth in the case plan and the responsibilities of the parties need to be clarified or modified due to the availability of additional information or changed circumstances;

(v) Whether there is a continuing need for placement;

(vi) Whether the child is in an appropriate placement which adequately meets all physical, emotional, and educational needs;

(vii) Whether preference has been given to placement with the child's relatives;

(viii) Whether both in-state and, where appropriate, out-of-state placements have been considered;

(ix) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(x) Whether terms of visitation need to be modified;

(xi) Whether the court-approved long-term permanent plan for the child remains the best plan for the child;

(xii) Whether any additional court orders need to be made to move the case toward permanency; and

(xiii) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(d) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

(3)(a) In any case in which the court orders that a dependent child may be returned to or remain in the child's home, the in-home placement shall be contingent upon the following:

(i) The compliance of the parents with court orders related to the care and supervision of the child, including compliance with ((an)) the supervising agency's case plan; and
(ii) The continued participation of the parents, if applicable, in available substance abuse or mental health treatment if substance abuse or mental illness was a contributing factor to the removal of the child.

(b) The following may be grounds for removal of the child from the home, subject to review by the court:

(i) Noncompliance by the parents with the department's or supervising agency's case plan or court order;

(ii) The parent's inability, unwillingness, or failure to participate in available services or treatment for themselves or the child, including substance abuse treatment if a parent's substance abuse was a contributing factor to the abuse or neglect; or

(iii) The failure of the parents to successfully and substantially complete available services or treatment for themselves or the child, including substance abuse treatment if a parent's substance abuse was a contributing factor to the abuse or neglect.

(c) In a pending dependency case in which the court orders that a dependent child may be returned home and that child is later removed from the home, the court shall hold a review hearing within thirty days from the date of removal to determine whether the permanency plan should be changed, a termination petition should be filed, or other action is warranted. The best interests of the child shall be the court's primary consideration in the review hearing.

(4) The court's ability to order housing assistance under RCW 13.34.130 and this section is:

(a) Limited to cases in which homelessness or the lack of adequate and safe housing is the primary reason for an out-of-home placement; and

(b) Subject to the availability of funds appropriated for this specific purpose.

(5) The court shall consider the child's relationship with siblings in accordance with RCW 13.34.130(3).

Sec. 30. RCW 13.34.145 and 2008 c 152 s 3 are each amended to read as follows:

(1) The purpose of a permanency planning hearing is to review the permanency plan for the child, inquire into the welfare of the child and progress of the case, and reach decisions regarding the permanent placement of the child.

(a) A permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree, guardianship order, or permanent custody order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the current placement episode.

(b) Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than twelve months, as provided in this section, following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree, guardianship order, or a permanent custody order is entered, or the dependency is dismissed.

(c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for
adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(2) No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.

(3) At the permanency planning hearing, the court shall conduct the following inquiry:
   (a) If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate.
   (b) In cases where the primary permanency planning goal has not been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal. The court shall review the permanency plan prepared by the agency and make explicit findings regarding each of the following:
      (i) The continuing necessity for, and the safety and appropriateness of, the placement;
      (ii) The extent of compliance with the permanency plan by the department or supervising agency and any other service providers, the child's parents, the child, and the child's guardian, if any;
      (iii) The extent of any efforts to involve appropriate service providers in addition to department or supervising agency staff in planning to meet the special needs of the child and the child's parents;
      (iv) The progress toward eliminating the causes for the child's placement outside of his or her home and toward returning the child safely to his or her home or obtaining a permanent placement for the child;
      (v) The date by which it is likely that the child will be returned to his or her home or placed for adoption, with a guardian or in some other alternative permanent placement; and
      (vi) If the child has been placed outside of his or her home for fifteen of the most recent twenty-two months, not including any period during which the child was a runaway from the out-of-home placement or the first six months of any period during which the child was returned to his or her home for a trial home visit, the appropriateness of the permanency plan, whether reasonable efforts were made by the department or supervising agency to achieve the goal of the permanency plan, and the circumstances which prevent the child from any of the following:
         (A) Being returned safely to his or her home;
         (B) Having a petition for the involuntary termination of parental rights filed on behalf of the child;
         (C) Being placed for adoption;
         (D) Being placed with a guardian;
         (E) Being placed in the home of a fit and willing relative of the child; or
         (F) Being placed in some other alternative permanent placement, including independent living or long-term foster care.
At this hearing, the court shall order the department or supervising agency to file a petition seeking termination of parental rights if the child has been in out-of-home care for fifteen of the last twenty-two months since the date the dependency petition was filed unless the court makes a good cause exception as to why the filing of a termination of parental rights petition is not appropriate. Any good cause finding shall be reviewed at all subsequent hearings pertaining to the child. For purposes of this section, "good cause exception" includes but is not limited to the following: The child is being cared for by a relative; the department has not provided to the child's family such services as the court and the department have deemed necessary for the child's safe return home; or the department has documented in the case plan a compelling reason for determining that filing a petition to terminate parental rights would not be in the child's best interests.

(c)(i) If the permanency plan identifies independent living as a goal, the court shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial, personal, social, educational, and nonfinancial affairs prior to approving independent living as a permanency plan of care.

(ii) The permanency plan shall also specifically identify the services that will be provided to assist the child to make a successful transition from foster care to independent living.

(iii) The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(d) If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall also enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 74.13.280, 13.34.215(5), and 13.34.096.

(4) In all cases, at the permanency planning hearing, the court shall:

(a)(i) Order the permanency plan prepared by the supervising agency to be implemented; or

(ii) Modify the permanency plan, and order implementation of the modified plan; and

(b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or

(ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.

(5) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

(6) Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

(7) If the court orders the child returned home, casework supervision by the department or supervising agency shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.138, and the court shall determine the need for continued intervention.
(8) The juvenile court may hear a petition for permanent legal custody when:  (a) The court has ordered implementation of a permanency plan that includes permanent legal custody; and (b) the party pursuing the permanent legal custody is the party identified in the permanency plan as the prospective legal custodian. During the pendency of such proceeding, the court shall conduct review hearings and further permanency planning hearings as provided in this chapter. At the conclusion of the legal guardianship or permanent legal custody proceeding, a juvenile court hearing shall be held for the purpose of determining whether dependency should be dismissed. If a guardianship or permanent custody order has been entered, the dependency shall be dismissed.

(9) Continued juvenile court jurisdiction under this chapter shall not be a barrier to the entry of an order establishing a legal guardianship or permanent legal custody when the requirements of subsection (8) of this section are met.

(10) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the department or supervising agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

(11) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services, under this chapter, intended to effectuate the return of the child to the parent, including but not limited to, visitation rights. The court shall consider the child's relationships with siblings in accordance with RCW 13.34.130.

(12) Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter.

Sec. 31.  RCW 13.34.155 and 2000 c 135 s 1 are each amended to read as follows:

(1) The court hearing the dependency petition may hear and determine issues related to chapter 26.10 RCW in a dependency proceeding as necessary to facilitate a permanency plan for the child or children as part of the dependency disposition order or a dependency review order or as otherwise necessary to implement a permanency plan of care for a child. The parents, guardians, or legal custodian of the child must agree, subject to court approval, to establish a permanent custody order. This agreed order may have the concurrence of the other parties to the dependency including the supervising agency, the guardian ad litem of the child, and the child if age twelve or older, and must also be in the best interests of the child. If the petitioner for a custody order under chapter 26.10 RCW is not a party to the dependency proceeding, he or she must agree on the record or by the filing of a declaration to the entry of a custody order. Once an order is entered under chapter 26.10 RCW, and the dependency petition dismissed, the department or supervising agency shall not continue to supervise the placement.
(2) Any court order determining issues under chapter 26.10 RCW is subject to modification upon the same showing and standards as a court order determining Title 26 RCW issues.

(3) Any order entered in the dependency court establishing or modifying a permanent legal custody order under chapter 26.10 RCW shall also be filed in the chapter 26.10 RCW action by the prevailing party. Once filed, any order establishing or modifying permanent legal custody shall survive dismissal of the dependency proceeding.

Sec. 32. RCW 13.34.174 and 2000 c 122 s 23 are each amended to read as follows:

(1) The provisions of this section shall apply when a court orders a party to undergo an alcohol or substance abuse diagnostic investigation and evaluation.

(2) The facility conducting the investigation and evaluation shall make a written report to the court stating its findings and recommendations including family-based services or treatment when appropriate. If its findings and recommendations support treatment, it shall also recommend a treatment plan setting out:

(a) Type of treatment;
(b) Nature of treatment;
(c) Length of treatment;
(d) A treatment time schedule; and
(e) Approximate cost of the treatment.

The affected person shall be included in developing the appropriate treatment plan. The treatment plan must be signed by the treatment provider and the affected person. The initial written progress report based on the treatment plan shall be sent to the appropriate persons six weeks after initiation of treatment. Subsequent progress reports shall be provided after three months, six months, twelve months, and thereafter every six months if treatment exceeds twelve months. Reports are to be filed with the court in a timely manner. Close-out of the treatment record must include summary of pretreatment and posttreatment, with final outcome and disposition. The report shall also include recommendations for ongoing stability and decrease in destructive behavior.

Each report shall also be filed with the court and a copy given to the person evaluated and the person's counsel. A copy of the treatment plan shall also be given to the department's or supervising agency's caseworker and to the guardian ad litem. Any program for chemical dependency shall meet the program requirements contained in chapter 70.96A RCW.

(3) If the court has ordered treatment pursuant to a dependency proceeding it shall also require the treatment program to provide, in the reports required by subsection (2) of this section, status reports to the court, the department, the supervising ((child-placing)) agency ((if any)), and the person or person's counsel regarding the person's cooperation with the treatment plan proposed and the person's progress in treatment.

(4) If a person subject to this section fails or neglects to carry out and fulfill any term or condition of the treatment plan, the program or agency administering the treatment shall report such breach to the court, the department, the guardian ad litem, the supervising ((child-placing)) agency if any, and the person or person's counsel, within twenty-four hours, together with its recommendation.
These reports shall be made as a declaration by the person who is personally responsible for providing the treatment.

(5) Nothing in this chapter may be construed as allowing the court to require the department to pay for the cost of any alcohol or substance abuse evaluation or treatment program.

Sec. 33. RCW 13.34.176 and 2000 c 122 s 24 are each amended to read as follows:

(1) The court, upon receiving a report under RCW 13.34.174(4) or at the department's or supervising agency's request, may schedule a show cause hearing to determine whether the person is in violation of the treatment conditions. All parties shall be given notice of the hearing. The court shall hold the hearing within ten days of the request for a hearing. At the hearing, testimony, declarations, reports, or other relevant information may be presented on the person's alleged failure to comply with the treatment plan and the person shall have the right to present similar information on his or her own behalf.

(2) If the court finds that there has been a violation of the treatment conditions it shall modify the dependency order, as necessary, to ensure the safety of the child. The modified order shall remain in effect until the party is in full compliance with the treatment requirements.

Sec. 34. RCW 13.34.180 and 2001 c 332 s 4 are each amended to read as follows:

(1) A petition seeking termination of a parent and child relationship may be filed in juvenile court by any party, including the supervising agency, to the dependency proceedings concerning that child. Such petition shall conform to the requirements of RCW 13.34.040, shall be served upon the parties as provided in RCW 13.34.070(8), and shall allege all of the following unless subsection (2) or (3) of this section applies:

(a) That the child has been found to be a dependent child;
(b) That the court has entered a dispositional order pursuant to RCW 13.34.130;
(c) That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency;
(d) That the services ordered under RCW 13.34.136 have been expressly and understandably offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been expressly and understandably offered or provided;
(e) That there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. A parent's failure to substantially improve parental deficiencies within twelve months following entry of the dispositional order shall give rise to a rebuttable presumption that there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. The presumption shall not arise unless the petitioner makes a showing that all necessary services reasonably capable of correcting the parental deficiencies within the foreseeable future have been clearly offered or provided. In determining whether the conditions will be remedied the court may consider, but is not limited to, the following factors:

[ 3031 ]
(i) Use of intoxicating or controlled substances so as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documented multiple failed treatment attempts; or

(ii) Psychological incapacity or mental deficiency of the parent that is so severe and chronic as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documentation that there is no treatment that can render the parent capable of providing proper care for the child in the near future; and

(f) That continuation of the parent and child relationship clearly diminishes the child's prospects for early integration into a stable and permanent home.

(2) In lieu of the allegations in subsection (1) of this section, the petition may allege that the child was found under such circumstances that the whereabouts of the child's parent are unknown and no person has acknowledged paternity or maternity and requested custody of the child within two months after the child was found.

(3) In lieu of the allegations in subsection (1)(b) through (f) of this section, the petition may allege that the parent has been convicted of:

(a) Murder in the first degree, murder in the second degree, or homicide by abuse as defined in chapter 9A.32 RCW against another child of the parent;

(b) Manslaughter in the first degree or manslaughter in the second degree, as defined in chapter 9A.32 RCW against another child of the parent;

(c) Attempting, conspiring, or soliciting another to commit one or more of the crimes listed in (a) or (b) of this subsection; or

(d) Assault in the first or second degree, as defined in chapter 9A.36 RCW, against the surviving child or another child of the parent.

(4) Notice of rights shall be served upon the parent, guardian, or legal custodian with the petition and shall be in substantially the following form:

"NOTICE

A petition for termination of parental rights has been filed against you. You have important legal rights and you must take steps to protect your interests. This petition could result in permanent loss of your parental rights.

1. You have the right to a fact-finding hearing before a judge.

2. You have the right to have a lawyer represent you at the hearing. A lawyer can look at the files in your case, talk to the ((department of social and health services)) supervising agency and other agencies, tell you about the law, help you understand your rights, and help you at hearings. If you cannot afford a lawyer, the court will appoint one to represent you. To get a court-appointed lawyer you must contact:  

   (explain local procedure) ."
3. At the hearing, you have the right to speak on your own behalf, to introduce evidence, to examine witnesses, and to receive a decision based solely on the evidence presented to the judge.

You should be present at this hearing.

You may call (insert agency) for more information about your child.

The agency's name and telephone number are (insert name and telephone number)."

Sec. 35. RCW 13.34.210 and 2003 c 227 s 8 are each amended to read as follows:

If, upon entering an order terminating the parental rights of a parent, there remains no parent having parental rights, the court shall commit the child to the custody of the department or (if) a (licensed child-placing) supervising agency willing to accept custody for the purpose of placing the child for adoption. If an adoptive home has not been identified, the department or supervising agency shall place the child in a licensed foster home, or take other suitable measures for the care and welfare of the child. The custodian shall have authority to consent to the adoption of the child consistent with chapter 26.33 RCW, the marriage of the child, the enlistment of the child in the armed forces of the United States, necessary surgical and other medical treatment for the child, and to consent to such other matters as might normally be required of the parent of the child.

If a child has not been adopted within six months after the date of the order and a guardianship of the child under RCW 13.34.231 or chapter 11.88 RCW, or a permanent custody order under chapter 26.10 RCW, has not been entered by the court, the court shall review the case every six months until a decree of adoption is entered except for those cases which are reviewed by a citizen review board under chapter 13.70 RCW. The supervising agency shall take reasonable steps to ensure that the child maintains relationships with siblings as provided in RCW 13.34.130(3) and shall report to the court the status and extent of such relationships.

Sec. 36. RCW 13.34.215 and 2008 c 267 s 1 are each amended to read as follows:

(1) A child may petition the juvenile court to reinstate the previously terminated parental rights of his or her parent under the following circumstances:

(a) The child was previously found to be a dependent child under this chapter;

(b) The child's parent's rights were terminated in a proceeding under this chapter;

(c) The child has not achieved his or her permanency plan within three years of a final order of termination; and

(d) The child must be at least twelve years old at the time the petition is filed. Upon the child's motion for good cause shown, or on its own motion, the court may hear a petition filed by a child younger than twelve years old.

(2) A child seeking to petition under this section shall be provided counsel at no cost to the child.

(3) The petition must be signed by the child in the absence of a showing of good cause as to why the child could not do so.
(4) If, after a threshold hearing to consider the parent's apparent fitness and interest in reinstatement of parental rights, the court finds by a preponderance of the evidence that the best interests of the child may be served by reinstatement of parental rights, the juvenile court shall order that a hearing on the merits of the petition be held.

(5) The court shall give prior notice for any proceeding under this section, or cause prior notice to be given, to the department or the supervising agency, the child's attorney, and the child. The court shall also order the department or supervising agency to give prior notice of any hearing to the child's former parent whose parental rights are the subject of the petition, any parent whose rights have not been terminated, the child's current foster parent, relative caregiver, guardian or custodian, and the child's tribe, if applicable.

(6) The juvenile court shall conditionally grant the petition if it finds by clear and convincing evidence that the child has not achieved his or her permanency plan and is not likely to imminently achieve his or her permanency plan and that reinstatement of parental rights is in the child's best interest. In determining whether reinstatement is in the child's best interest the court shall consider, but is not limited to, the following:

(a) Whether the parent whose rights are to be reinstated is a fit parent and has remedied his or her deficits as provided in the record of the prior termination proceedings and prior termination order;
(b) The age and maturity of the child, and the ability of the child to express his or her preference;
(c) Whether the reinstatement of parental rights will present a risk to the child's health, welfare, or safety; and
(d) Other material changes in circumstances, if any, that may have occurred which warrant the granting of the petition.

(7) In determining whether the child has or has not achieved his or her permanency plan or whether the child is likely to achieve his or her permanency plan, the department or supervising agency shall provide the court, and the court shall review, information related to any efforts to achieve the permanency plan including efforts to achieve adoption or a permanent guardianship.

(8)(a) If the court conditionally grants the petition under subsection (6) of this section, the case will be continued for six months and a temporary order of reinstatement entered. During this period, the child shall be placed in the custody of the parent. The department or supervising agency shall develop a permanency plan for the child reflecting the plan to be reunification and shall provide transition services to the family as appropriate.
(b) If the child must be removed from the parent due to abuse or neglect allegations prior to the expiration of the conditional six-month period, the court shall dismiss the petition for reinstatement of parental rights if the court finds the allegations have been proven by a preponderance of the evidence.
(c) If the child has been successfully placed with the parent for six months, the court order reinstating parental rights remains in effect and the court shall dismiss the dependency.

(9) After the child has been placed with the parent for six months, the court shall hold a hearing. If the placement with the parent has been successful, the court shall enter a final order of reinstatement of parental rights, which shall restore all rights, powers, privileges, immunities, duties, and obligations of the
parent as to the child, including those relating to custody, control, and support of the child. The court shall dismiss the dependency and direct the clerk's office to provide a certified copy of the final order of reinstatement of parental rights to the parent at no cost.

(10) The granting of the petition under this section does not vacate or otherwise affect the validity of the original termination order.

(11) Any parent whose rights are reinstated under this section shall not be liable for any child support owed to the department pursuant to RCW 13.34.160 or Title 26 RCW or costs of other services provided to a child for the time period from the date of termination of parental rights to the date parental rights are reinstated.

(12) A proceeding to reinstate parental rights is a separate action from the termination of parental rights proceeding and does not vacate the original termination of parental rights. An order granted under this section reinstates the parental rights to the child. This reinstatement is a recognition that the situation of the parent and child have changed since the time of the termination of parental rights and reunification is now appropriate.

(13) This section is retroactive and applies to any child who is under the jurisdiction of the juvenile court at the time of the hearing regardless of the date parental rights were terminated.

(14) The state, the department, the supervising agency, and its employees are not liable for civil damages resulting from any act or omission in the provision of services under this section, unless the act or omission constitutes gross negligence. This section does not create any duty and shall not be construed to create a duty where none exists. This section does not create a cause of action against the state, the department, the supervising agency, or its employees concerning the original termination.

Sec. 37. RCW 13.34.230 and 1981 c 195 s 1 are each amended to read as follows:

Any party to a dependency proceeding, including the supervising agency, may file a petition in juvenile court requesting that guardianship be created as to a dependent child. The department ((of social and health services)) or supervising agency shall receive notice of any guardianship proceedings and have the right to intervene in the proceedings.

Sec. 38. RCW 13.34.233 and 2000 c 122 s 30 are each amended to read as follows:

(1) Any party may request the court under RCW 13.34.150 to modify or terminate a dependency guardianship order. Notice of any motion to modify or terminate the guardianship shall be served on all other parties, including any agency that was responsible for supervising the child's placement at the time the guardianship petition was filed. Notice in all cases shall be served upon the department. If the department or supervising agency was not previously a party to the guardianship proceeding, the department or supervising agency shall nevertheless have the right to: (a) Initiate a proceeding to modify or terminate a guardianship; and (b) intervene at any stage of such a proceeding.

(2) The guardianship may be modified or terminated upon the motion of any party ((or)), the department, or the supervising agency if the court finds by a preponderance of the evidence that there has been a substantial change of
circumstances subsequent to the establishment of the guardianship and that it is in the child's best interest to modify or terminate the guardianship. The court shall hold a hearing on the motion before modifying or terminating a guardianship.

(3) Upon entry of an order terminating the guardianship, the dependency guardian shall not have any rights or responsibilities with respect to the child and shall not have legal standing to participate as a party in further dependency proceedings pertaining to the child. The court may allow the child's dependency guardian to attend dependency review proceedings pertaining to the child for the sole purpose of providing information about the child to the court.

(4) Upon entry of an order terminating the guardianship, the child shall remain dependent and the court shall either return the child to the child's parent or order the child into the custody, control, and care of the department or a supervising agency for placement in a foster home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to such chapter. The court shall not place a child in the custody of the child's parent unless the court finds that reasons for removal as set forth in RCW 13.34.130 no longer exist and that such placement is in the child's best interest. The court shall thereafter conduct reviews as provided in RCW 13.34.138 and, where applicable, shall hold a permanency planning hearing in accordance with RCW 13.34.145.

Sec. 39. RCW 13.34.245 and 1997 c 386 s 18 are each amended to read as follows:

(1) Where any parent or Indian custodian voluntarily consents to foster care placement of an Indian child and a petition for dependency has not been filed regarding the child, such consent shall not be valid unless executed in writing before the court and filed with the court. The consent shall be accompanied by the written certification of the court that the terms and consequences of the consent were fully explained in detail to the parent or Indian custodian during the court proceeding and were fully understood by the parent or Indian custodian. The court shall also certify in writing either that the parent or Indian custodian fully understood the explanation in English or that it was interpreted into a language that the parent or Indian custodian understood. Any consent given prior to, or within ten days after, the birth of the Indian child shall not be valid.

(2) To obtain court validation of a voluntary consent to foster care placement, any person may file a petition for validation alleging that there is located or residing within the county an Indian child whose parent or Indian custodian wishes to voluntarily consent to foster care placement of the child and requesting that the court validate the consent as provided in this section. The petition shall contain the name, date of birth, and residence of the child, the names and residences of the consenting parent or Indian custodian, and the name and location of the Indian tribe in which the child is a member or eligible for membership. The petition shall state whether the placement preferences of 25 U.S.C. Sec. 1915 (b) or (c) will be followed. Reasonable attempts shall be made by the petitioner to ascertain and set forth in the petition the identity, location, and custodial status of any parent or Indian custodian who has not consented to foster care placement and why that parent or Indian custodian cannot assume custody of the child.
(3) Upon filing of the petition for validation, the clerk of the court shall schedule the petition for a hearing on the court validation of the voluntary consent no later than forty-eight hours after the petition has been filed, excluding Saturdays, Sundays, and holidays. Notification of time, date, location, and purpose of the validation hearing shall be provided as soon as possible to the consenting parent or Indian custodian, the department or ((other child-placing)) supervising agency which is to assume responsibility for the child’s placement and care pursuant to the consent to foster care placement, and the Indian tribe in which the child is enrolled or eligible for enrollment as a member. If the identity and location of any nonconsenting parent or Indian custodian is known, reasonable attempts shall be made to notify the parent or Indian custodian of the consent to placement and the validation hearing. Notification under this subsection may be given by the most expedient means, including, but not limited to, mail, personal service, telephone, and telegraph.

(4) Any parent or Indian custodian may withdraw consent to a voluntary foster care placement, made under this section, at any time. Unless the Indian child has been taken in custody pursuant to RCW 13.34.050 or 26.44.050, placed in shelter care pursuant to RCW 13.34.060, or placed in foster care pursuant to RCW 13.34.130, the Indian child shall be returned to the parent or Indian custodian upon withdrawal of consent to foster care placement of the child.

(5) Upon termination of the voluntary foster care placement and return of the child to the parent or Indian custodian, the department or ((other child-placing)) supervising agency which had assumed responsibility for the child's placement and care pursuant to the consent to foster care placement shall file with the court written notification of the child’s return and shall also send such notification to the Indian tribe in which the child is enrolled or eligible for enrollment as a member and to any other party to the validation proceeding including any noncustodial parent.

**Sec. 40.** RCW 13.34.320 and 1999 c 188 s 2 are each amended to read as follows:

The department or supervising agency shall obtain the prior consent of a child's parent, legal guardian, or legal custodian before a dependent child is admitted into an inpatient mental health treatment facility. If the child's parent, legal guardian, or legal custodian is unavailable or does not agree with the proposed admission, the department or supervising agency shall request a hearing and provide notice to all interested parties to seek prior approval of the juvenile court before such admission. In the event that an emergent situation creating a risk of substantial harm to the health and welfare of a child in the custody of the department or supervising agency does not allow time for the department or supervising agency to obtain prior approval or to request a court hearing before consenting to the admission of the child into an inpatient mental health hospital, the department or supervising agency shall seek court approval by requesting that a hearing be set on the first available court date.

**Sec. 41.** RCW 13.34.330 and 1999 c 188 s 3 are each amended to read as follows:

A dependent child who is admitted to an inpatient mental health facility shall be placed in a facility, with available treatment space, that is closest to the family home, unless the department or supervising agency, in consultation with
the admitting authority finds that admission in the facility closest to the child's home would jeopardize the health or safety of the child.

Sec. 42. RCW 13.34.340 and 2000 c 122 s 35 are each amended to read as follows:

For minors who cannot consent to the release of their records with the department or supervising agency because they are not old enough to consent to treatment, or, if old enough, lack the capacity to consent, or if the minor is receiving treatment involuntarily with a provider the department or supervising agency has authorized to provide mental health treatment under RCW 13.34.320, the department or supervising agency shall disclose, upon the treating physician's request, all relevant records, including the minor's passport as established under RCW 74.13.285, in the department's or supervising agency's possession that the treating physician determines contain information required for treatment of the minor. The treating physician shall maintain all records received from the department or supervising agency in a manner that distinguishes the records from any other records in the minor's file with the treating physician and the department or supervising agency records may not be disclosed by the treating physician to any other person or entity absent a court order except that, for medical purposes only, a treating physician may disclose the department or supervising agency records to another treating physician.

Sec. 43. RCW 13.34.350 and 2001 c 52 s 2 are each amended to read as follows:

In order to facilitate communication of information needed to serve the best interest of any child who is the subject of a dependency case filed under this chapter, the department ((of social and health services)) shall, consistent with state and federal law governing the release of confidential information, establish guidelines, and shall use those guidelines for the facilitation of communication of relevant information among divisions, providers, the courts, the family, caregivers, caseworkers, and others.

Sec. 44. RCW 13.34.370 and 2004 c 146 s 2 are each amended to read as follows:

The court may order expert evaluations of parties to obtain information regarding visitation issues or other issues in a case. These evaluations shall be performed by appointed evaluators who are mutually agreed upon by the court, the ((state)) supervising agency, the department, and the parents' counsel, and, if the child is to be evaluated, by the representative for the child. If no agreement can be reached, the court shall select the expert evaluator.

Sec. 45. RCW 13.34.380 and 2004 c 146 s 3 are each amended to read as follows:

The department ((of social and health services)) shall develop consistent policies and protocols, based on current relevant research, concerning visitation for dependent children to be implemented consistently throughout the state. The department shall develop the policies and protocols in consultation with researchers in the field, community-based agencies, court-appointed special advocates, parents' representatives, and court representatives. The policies and protocols shall include, but not be limited to: The structure and quality of visitations; and training for department and supervising agency caseworkers, visitation supervisors, and foster parents related to visitation.
The policies and protocols shall be consistent with the provisions of this chapter and implementation of the policies and protocols shall be consistent with relevant orders of the court.

Sec. 46. RCW 13.34.385 and 2008 c 259 s 1 are each amended to read as follows:

(1) A relative of a dependent child may petition the juvenile court for reasonable visitation with the child if:
   (a) The child has been found to be a dependent child under this chapter;
   (b) The parental rights of both of the child's parents have been terminated;
   (c) The child is in the custody of the department ((or another public ((or private)) agency, or a supervising agency; and
   (d) The child has not been adopted and is not in a preadoptive home or other permanent placement at the time the petition for visitation is filed.

(2) The court shall give prior notice for any proceeding under this section, or cause prior notice to be given, to the department ((or other public ((or private)) agency, or supervising agency) having custody of the child, the child's attorney or guardian ad litem if applicable, and the child. The court shall also order the custodial agency to give prior notice of any hearing to the child's current foster parent, relative caregiver, guardian or custodian, and the child's tribe, if applicable.

(3) The juvenile court may grant the petition for visitation if it finds that the requirements of subsection (1) of this section have been met, and that unsupervised visitation between the child and the relative does not present a risk to the child's safety or well-being and that the visitation is in the best interests of the child. In determining the best interests of the child the court shall consider, but is not limited to, the following:
   (a) The love, affection, and strength of the relationship between the child and the relative;
   (b) The length and quality of the prior relationship between the child and the relative;
   (c) Any criminal convictions for or founded history of abuse or neglect of a child by the relative;
   (d) Whether the visitation will present a risk to the child's health, welfare, or safety;
   (e) The child's reasonable preference, if the court considers the child to be of sufficient age to express a preference;
   (f) Any other factor relevant to the child's best interest.

(4) The visitation order may be modified at any time upon a showing that the visitation poses a risk to the child's safety or well-being. The visitation order shall state that visitation will automatically terminate upon the child's placement in a preadoptive home, if the child is adopted, or if there is a subsequent founded abuse or neglect allegation against the relative.

(5) The granting of the petition under this section does not grant the relative the right to participate in the dependency action and does not grant any rights to the relative not otherwise specified in the visitation order.

(6) This section is retroactive and applies to any eligible dependent child at the time of the filing of the petition for visitation, regardless of the date parental rights were terminated.
(7) For the purpose of this section, "relative" means a relative as defined in RCW 74.15.020(2)(a), except parents.

(8) This section is intended to provide an additional procedure by which a relative may request visitation with a dependent child. It is not intended to impair or alter the ability a court currently has to order visitation with a relative under the dependency statutes.

Sec. 47. RCW 13.34.390 and 2005 c 504 s 303 are each amended to read as follows:

The department ((of social and health services)) and the department of health shall develop and expand comprehensive services for drug-affected and alcohol-affected mothers and infants. Subject to funds appropriated for this purpose, the expansion shall be in evidence-based, research-based, or consensus-based practices, ((as those terms are defined in section 603 of this act,)) and shall expand capacity in underserved regions of the state.

Sec. 48. RCW 13.34.400 and 2007 c 411 s 2 are each amended to read as follows:

In any proceeding under this chapter, if the department or supervising agency submits a report to the court in which the department is recommending a new placement or a change in placement, the department or supervising agency shall include the documents relevant to persons in the home in which a child will be placed and listed in subsections (1) through (5) of this section to the report. The department or supervising agency shall include only these relevant documents and shall not attach the entire history of the subject of the report.

2. Such agreement must relate to a child who was or is residing in a foster home or child-caring institution or a child who, in the judgment of the secretary, is both eligible for, and likely to be placed in, either a foster home or a child-caring institution.

3. Such agreement shall provide that adoption support shall not continue beyond the time that the adopted child reaches eighteen years of age, becomes emancipated, dies, or otherwise ceases to need support. If the secretary finds that continuing dependency of such child after such child reaches eighteen years of age warrants the continuation of support pursuant to RCW 26.33.320 and 74.13.100 through 74.13.145 (as recodified by this act), the secretary may do so, subject to all the provisions of RCW 26.33.320 and 74.13.100 through 74.13.145 (as recodified by this act), including annual review of the amount of such support.

4. Any prospective parent who is to be a party to such agreement shall be a person who has the character, judgment, sense of responsibility, and disposition which make him or her suitable as an adoptive parent of such child.

Sec. 67. RCW 74.13.124 and 1985 c 7 s 140 are each amended to read as follows:

An agreement for adoption support made (pursuant to RCW 26.32.115 before January 1, 1985, or pursuant to RCW 26.33.320 and 74.13.100 through 74.13.145 (as recodified by this act), although subject to review and adjustment as provided for herein, shall, as to the standard used by the secretary in making such review or reviews and any such adjustment, constitutes a contract within the meaning of section 10, Article I of the United States Constitution and section 23, Article I of the state Constitution. For that reason once such an agreement has been made any review of and adjustment under such agreement shall as to the standards used by the secretary, be made only subject to the provisions of RCW 26.33.320 and 74.13.100 through 74.13.145 (as recodified by this act) and such rules and regulations relating thereto as they exist on the date of the initial determination in connection with such agreement or such more generous standard or parts of such standard as may hereafter be provided for by law or regulation. Once made such an agreement shall constitute a solemn undertaking by the state of Washington with such adoptive parent or parents. The termination of the effective period of RCW 26.33.320 and 74.13.100 through 74.13.145 (as recodified by this act) or a decision by the state or federal government to discontinue or reduce general appropriations made available for the purposes to be served by RCW 26.33.320 and 74.13.100 through 74.13.145 (as recodified by this act), shall not affect the state's specific continuing obligations to support such adoptions, subject to such annual review and adjustment for all such agreements as have theretofore been entered into by the state.

The purpose of this section is to assure any such parent that, upon his or her consenting to assume the burdens of adopting a hard to place child, the state will not in future so act by way of general reduction of appropriations for the program authorized by RCW 26.33.320 and 74.13.100 through 74.13.145 (as recodified by this act) or ratable reductions, to impair the trust and confidence
necessarily reposed by such parent in the state as a condition of such parent taking upon himself or herself the obligations of parenthood of a difficult to place child.

Should the secretary and any such adoptive parent differ as to whether any standard or part of a standard adopted by the secretary after the date of an initial agreement, which standard or part is used by the secretary in making any review and adjustment, is more generous than the standard in effect as of the date of the initial determination with respect to such agreement such adoptive parent may invoke his or her rights, including all rights of appeal under the fair hearing provisions, available to him or her under RCW 74.13.127 (as recodified by this act).

Sec. 68. RCW 74.13.136 and 1985 c 7 s 144 are each amended to read as follows:

Any ((child-caring)) supervising agency or person having a child in foster care or institutional care and wishing to recommend to the secretary support of the adoption of such child as provided for in RCW 26.33.320 and 74.13.100 through 74.13.145 (as recodified by this act) may do so, and may include in its or his or her recommendation advice as to the appropriate level of support and any other information likely to assist the secretary in carrying out the functions vested in the secretary by RCW 26.33.320 and 74.13.100 through 74.13.145 (as recodified by this act). Such agency may, but is not required to, be retained by the secretary to make the required preplacement study of the prospective adoptive parent or parents.

Sec. 69. RCW 74.13.165 and 1997 c 272 s 4 are each amended to read as follows:

The secretary or the secretary's designee ((may)) shall purchase services from nonprofit agencies for the purpose of conducting home studies for legally free children who have been awaiting adoption finalization for more than ((ninety)) sixty days. The home studies selected to be done under this section shall be for the children who have been legally free and awaiting adoption finalization the longest period of time.

This section expires June 30, 2011.

Sec. 70. RCW 74.13.170 and 1991 c 326 s 2 are each amended to read as follows:

The department ((of social and health services)) may, through performance-based contracts with supervising agencies, implement a therapeutic family home program for up to fifteen youth in the custody of the department under chapter 13.34 RCW. The program shall strive to develop and maintain a mutually reinforcing relationship between the youth and the therapeutic staff associated with the program.

Sec. 71. RCW 74.13.250 and 1990 c 284 s 2 are each amended to read as follows:

(1) Preservice training is recognized as a valuable tool to reduce placement disruptions, the length of time children are in care, and foster parent turnover rates. Preservice training also assists potential foster parents in making their final decisions about foster parenting and assists social service agencies in obtaining information about whether to approve potential foster parents.
(2) Foster parent preservice training shall include information about the potential impact of placement on foster children; social service agency administrative processes; the requirements, responsibilities, expectations, and skills needed to be a foster parent; attachment, separation, and loss issues faced by birth parents, foster children, and foster parents; child management and discipline; birth family relationships; and helping children leave foster care. Preservice training shall assist applicants in making informed decisions about whether they want to be foster parents. Preservice training shall be designed to enable the agency to assess the ability, readiness, and appropriateness of families to be foster parents. As a decision tool, effective preservice training provides potential foster parents with enough information to make an appropriate decision, affords potential foster parents an opportunity to discuss their decision with others and consider its implications for their family, clarifies foster family expectations, presents a realistic picture of what foster parenting involves, and allows potential foster parents to consider and explore the different types of children they might serve.

(3) Foster parents shall complete preservice training ((shall be completed prior to)) before the issuance of a foster care license, except that the department may, on a case by case basis, issue a written waiver that allows the foster parent to complete the training after licensure, so long as the training is completed within ninety days following licensure.

Sec. 72. RCW 74.13.280 and 2007 c 409 s 6 and 2007 c 220 s 4 are each reenacted and amended to read as follows:

If the child is dependent pursuant to a proceeding under chapter 13.34 RCW, the department or supervising agency shall keep the care provider informed regarding the dates and location of dependency review and permanency planning hearings pertaining to the child.

(2) Information about the child and the child's family shall include information known to the department or agency as to whether the child is a sexually reactive child, has exhibited high-risk behaviors, or is physically assaultive or physically aggressive, as defined in this section.

(3) Information about the child shall also include information known to the department or agency that the child:
   (a) Has received a medical diagnosis of fetal alcohol syndrome or fetal alcohol effect;
   (b) Has been diagnosed by a qualified mental health professional as having a mental health disorder;
   (c) Has witnessed a death or substantial physical violence in the past or recent past; or
   (d) Was a victim of sexual or severe physical abuse in the recent past.

(4) Any person who receives information about a child or a child's family pursuant to this section shall keep the information confidential and shall not further disclose or disseminate the information except as authorized by law. Care providers shall agree in writing to keep the information that they receive...
confidential and shall affirm that the information will not be further disclosed or disseminated, except as authorized by law.

(5) Nothing in this section shall be construed to limit the authority of the department or ((child-placing)) supervising agencies to disclose client information or to maintain client confidentiality as provided by law.

(iii) Attempting to assault or inflict bodily harm on other children or adults under circumstances where the child has the apparent ability or capability to carry out the attempted assaults including threats to use a weapon.

The passport shall contain education records obtained pursuant to RCW 28A.150.510. The passport shall be provided to a foster parent at any placement of a child covered by this section. The department or supervising agency shall update the passport during the regularly scheduled court reviews required under chapter 13.34 RCW.

New placements ((after July 1, 1997,)) shall have first priority in the preparation of passports. ((Within available resources, the department may prepare passports for any child in a foster home on July 1, 1997, provided that no time spent in a foster home before July 1, 1997, shall be included in the computation of the ninety days.))

(2) In addition to the requirements of subsection (1) of this section, the department or supervising agency shall, within available resources, notify a foster parent before placement of a child of any known health conditions that pose a serious threat to the child and any known behavioral history that presents a serious risk of harm to the child or others.

(3) The department shall hold harmless the provider including supervising agencies for any unauthorized disclosures caused by the department.

(4) Any foster parent who receives information about a child or a child's family pursuant to this section shall keep the information confidential and shall not further disclose or disseminate the information, except as authorized by law. Such individuals shall agree in writing to keep the information that they receive confidential and shall affirm that the information will not be further disclosed or disseminated, except as authorized by law.

Sec. 76. RCW 74.13.289 and 2004 c 40 s 3 are each amended to read as follows:

(1) Upon any placement, the department ((of social and health services)) or supervising agency shall inform each out-of-home care provider if the child to be placed in that provider's care is infected with a blood-borne pathogen, and shall identify the specific blood-borne pathogen for which the child was tested if known by the department or supervising agency.

(2) All out-of-home care providers licensed by the department shall receive training related to blood-borne pathogens, including prevention, transmission, infection control, treatment, testing, and confidentiality.

(1) Whenever a child has been placed in a foster family home by the department or ((a child-placing)) supervising agency and the child has thereafter resided in the home for at least ninety consecutive days, the department or ((child-placing)) supervising agency shall notify the foster family at least five days prior to moving the child to another placement, unless:

(a) A court order has been entered requiring an immediate change in placement;
(b) The child is being returned home;
(c) The child's safety is in jeopardy; or
(d) The child is residing in a receiving home or a group home.

(3) This section is intended solely to assist in minimizing disruption to the child in changing foster care placements. Nothing in this section shall be construed to require that a court hearing be held prior to changing a child's foster care placement nor to create any substantive custody rights in the foster parents.

Sec. 78. RCW 74.13.310 and 1990 c 284 s 13 are each amended to read as follows:

Adequate foster parent training has been identified as directly associated with increasing the length of time foster parents are willing to provide foster care and reducing the number of placement disruptions for children. Placement disruptions can be harmful to children by denying them consistent and nurturing support. Foster parents have expressed the desire to receive training in addition to the foster parent ((SCOPE)) training currently offered. Foster parents who care for more demanding children, such as children with severe emotional, mental, or physical handicaps, would especially benefit from additional training.
The department and supervising agency shall develop additional training for foster parents that focuses on skills to assist foster parents in caring for emotionally, mentally, or physically handicapped children.

Sec. 79. RCW 74.13.315 and 1997 c 272 s 6 are each amended to read as follows:

The department or supervising agency may provide child care for all foster parents who are required to attend department-sponsored or supervising agency-sponsored meetings or training sessions. If the department or supervising agency does not provide such child care, the department or supervising agency, where feasible, shall conduct the activities covered by this section in the foster parent's home or other location acceptable to the foster parent.

Sec. 80. RCW 74.13.320 and 1990 c 284 s 15 are each amended to read as follows:

((The legislature finds that during the fiscal years 1987 to 1989 the number of children in foster care has risen by 14.3 percent. At the same time there has been a 31 percent turnover rate in foster homes because many foster parents have declined to continue to care for foster children. This situation has caused a dangerously critical shortage of foster homes.

The department of social and health services shall develop and implement a project to recruit more foster homes and adoptive homes for special needs children by developing a request for proposal to licensed private foster care, licensed adoption agencies, and other organizations qualified to provide this service.

The project shall consist of one statewide administrator of recruitment programs, and one or more licensed foster care or adoption agency contracts in each of the six departmental regions. These contracts shall enhance currently provided services and may not replace services currently funded by the agencies. No more than sixty thousand dollars may be spent annually to fund the administrator position.

The agencies shall recruit foster care homes and adoptive homes for children classified as special needs children under chapter 74.08 RCW. The agencies shall utilize their own network of contacts and shall also develop programs similar to those used effectively in other states. The department shall expand the foster-adopt program statewide to encourage stable placements for foster children for whom permanent out-of-home placement is a likelihood. The department shall carefully consider existing programs to eliminate duplication of services.))

The department shall assist ((the private contractors)) supervising agencies by providing printing services for informational brochures and other necessary recruitment materials. No more than fifty thousand dollars of the funds provided for this section may be expended annually for recruitment materials.

Sec. 81. RCW 74.13.325 and 1997 c 272 s 3 are each amended to read as follows:

Within available resources, the department and supervising agencies shall increase the number of adoptive and foster families available to accept children through an intensive recruitment and retention program. The department shall ((contract with a private agency to)) enter into performance-based contracts with supervising agencies, under which the agencies will coordinate all foster care

(2) The foster parent has caused to be instituted any proceedings under or related to Title 13 RCW;

(3) The foster parent has testified or is about to testify in any proceedings under or related to Title 13 RCW;

(4) The foster parent has advocated for services on behalf of the foster child;

(5) The foster parent has sought to adopt a foster child in the foster parent's care; or

(6) The foster parent has discussed or consulted with anyone concerning the foster parent's rights under this chapter or chapter 74.15 or 13.34 RCW, may file a complaint with the office of the family and children's ombudsman. The office of the family and children's ombudsman shall include its recommendations regarding complaints filed under this section in its annual report pursuant to RCW 43.06A.030. The office of the family and children's ombudsman shall identify trends which may indicate a need to improve relations between the department or supervising agency and foster parents.

(1) Consistent with the provisions of chapter 42.56 RCW and applicable federal law, the secretary, or the secretary's designee, shall disclose information regarding the abuse or neglect of a child, the investigation of the abuse, neglect, or near fatality of a child, and any services related to the abuse or neglect of a child if any one of the following factors is present:

(a) The subject of the report has been charged in an accusatory instrument with committing a crime related to a report maintained by the department in its case and management information system;

(b) The investigation of the abuse or neglect of the child by the department or the provision of services by the department or a supervising agency has been publicly disclosed in a report required to be disclosed in the course of their official duties, by a law enforcement agency or official, a prosecuting attorney, any other state or local investigative agency or official, or by a judge of the superior court;
(c) There has been a prior knowing, voluntary public disclosure by an individual concerning a report of child abuse or neglect in which such individual is named as the subject of the report; or

(d) The child named in the report has died and the child's death resulted from abuse or neglect or the child was in the care of, or receiving services from the department or a supervising agency at the time of death or within twelve months before death.

(2) The secretary is not required to disclose information if the factors in subsection (1) of this section are present if he or she specifically determines the disclosure is contrary to the best interests of the child, the child's siblings, or other children in the household.

(3) Except for cases in subsection (1)(d) of this section, requests for information under this section shall specifically identify the case about which information is sought and the facts that support a determination that one of the factors specified in subsection (1) of this section is present.

(4) For the purposes of this section, "near fatality" means an act that, as certified by a physician, places the child in serious or critical condition. The secretary is under no obligation to have an act certified by a physician in order to comply with this section.

Sec. 85.

For purposes of RCW 74.13.500(1)(d), the secretary must make the fullest possible disclosure consistent with chapter 42.56 RCW and applicable federal law in cases of all fatalities of children who were in the care of, or receiving services from, the department or a supervising agency at the time of their death or within the twelve months previous to their death.

If the secretary specifically determines that disclosure of the name of the deceased child is contrary to the best interests of the child's siblings or other children in the household, the secretary may remove personally identifying information.

For the purposes of this section, "personally identifying information" means the name, street address, social security number, and day of birth of the child who died and of private persons who are relatives of the child named in child welfare records. "Personally identifying information" shall not include the month or year of birth of the child who has died. Once this personally identifying information is removed, the remainder of the records pertaining to a child who has died must be released regardless of whether the remaining facts in the records are embarrassing to the unidentifiable other private parties or to identifiable public workers who handled the case.

Sec. 86.

RCW 74.13.525 and 2005 c 274 s 352 are each amended to read as follows:

The department or supervising agency, when acting in good faith, is immune from any criminal or civil liability, except as provided under RCW 42.56.550, for any action taken under RCW 74.13.500 through 74.13.520.

(b) The child has been, is, or is likely to be a witness in any pending cause of action against any adult in the home when the cause includes: (i) An allegation of abuse or neglect against the child or any sibling of the child; or (ii) a claim of damages resulting from wrongful interference with the parent-child relationship of the child and his or her biological or adoptive parent.

(3) The prohibition set forth in subsection (1) of this section may not be waived or deferred by the department or a supervising agency under any circumstance or at the request of any person, regardless of who has made the request or the length of time of the requested placement.

Sec. 88. RCW 74.13.560 and 2003 c 112 s 3 are each amended to read as follows:

The administrative regions of the department and the supervising agencies shall develop protocols with the respective school districts in their regions specifying specific strategies for communication, coordination, and collaboration regarding the status and progress of foster children placed in the region, in order to maximize the educational continuity and achievement for foster children. (2) The department and supervising agencies shall plan, design, and implement strategies to prioritize the placement of children with willing and able kin when out-of-home placement is required.

These strategies must include at least the following:

(a) Development of standardized, statewide procedures to be used by supervising agencies when searching for kin of children prior to out-of-home placement. The procedures must include a requirement that documentation be maintained in the child's case record that identifies kin, and documentation that identifies the assessment criteria and procedures that were followed during all
kin searches. The procedures must be used when a child is placed in out-of-home care under authority of chapter 13.34 RCW, when a petition is filed under RCW 13.32A.140, or when a child is placed under a voluntary placement agreement. To assist with implementation of the procedures, the department or supervising agencies shall request that the juvenile court require parents to disclose to the ((department)) agencies all contact information for available and appropriate kin within two weeks of an entered order. For placements under signed voluntary agreements, the department and supervising agencies shall encourage the parents to disclose to the department and agencies all contact information for available and appropriate kin within two weeks of the date the parent signs the voluntary placement agreement.

(b) Development of procedures for conducting active outreach efforts to identify and locate kin during all searches. The procedures must include at least the following elements:

(iii) Contacts with kin identified through outreach efforts and interviews under this subsection as part of permanency planning activities and change of placement discussions;

(iv) Establishment of a process for ongoing contact with kin who express interest in being considered as a placement resource for the child; and

(v) A requirement that when the decision is made to not place the child with any kin, the department or supervising agency provides documentation as part of the child's individual service and safety plan that clearly identifies the rationale for the decision and corrective action or actions the kin must take to be considered as a viable placement option.

(3) Nothing in this section shall be construed to create an entitlement to services or to create judicial authority to order the provision of services to any person or family if the services are unavailable or unsuitable or the child or family is not eligible for such services.

Sec. 91. RCW 74.13.640 and 2008 c 211 s 1 are each amended to read as follows:

Reports shall be distributed to the appropriate committees of the legislature, and the department shall create a public web site where all child fatality review reports required under this section shall be posted and maintained.
(3) The department shall develop and implement procedures to carry out the requirements of subsections (1) and (2) of this section.

(4) In the event a child fatality is the result of apparent abuse or neglect by the child's parent or caregiver, the department shall ensure that the fatality review team is comprised of individuals who had no previous involvement in the case and whose professional expertise is pertinent to the dynamics of the case.

(a) The allegations arise from the child's conduct that is substantially similar to prior behavior of the child, and:

(i) The child is a sexually reactive youth, exhibits high-risk behaviors, or is physically assaultive or physically aggressive as defined in RCW 74.13.280, and this information and the child's prior behavior was not disclosed to the care provider as required by RCW 74.13.280; and

(ii) The care provider did not know or have reason to know that the child needed supervision as a sexually reactive or physically assaultive or physically aggressive youth, or because of a documented history of high-risk behaviors, as a result of the care provider's involvement with or independent knowledge of the child or training and experience; or

(b) The child was not within the reasonable control of the care provider at the time of the incident that is the subject of the allegation, and the care provider was acting in good faith and did not know or have reason to know that reasonable control or supervision of the child was necessary to prevent harm or risk of harm to the child or other persons.
(2) Allegations of child abuse or neglect that meet the provisions of this section shall be designated as "unfounded" as defined in RCW 26.44.020.

NEW SECTION. Sec. 98. Section 8 of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

Passed by the House April 21, 2009.
Passed by the Senate April 16, 2009.
Approved by the Governor May 18, 2009, with the exception of certain items that were vetoed.
Filed in Office of Secretary of State May 20, 2009.

Note: Governor's explanation of partial veto is as follows:

"I have approved, except for Sections 1, 14 and 19, Second Substitute House Bill 2106 entitled:

"AN ACT Relating to improving child welfare outcomes through the phased implementation of strategic and proven reforms."

[ 3064 ]
Section 1 of the bill is an intent section and includes a sentence that says "It is the duty of the state to provide children at risk of out-of-home placement and their families with reasonable opportunities to access supportive services that enhance their safety and well-being." The bill does not define the term "children at risk of out-of-home placement," but does define "child welfare services" broadly. This section may be interpreted as creating a broad new entitlement that I do not believe was intended.

Section 14 amends RCW 74.15.030 to specify that unfounded allegations of child abuse or neglect shall be disclosed to supervising agencies. This language is in direct conflict with existing statutory language in RCW 26.44.031(4) which specifies that an unfounded, screened-out, or inconclusive report may not be disclosed to any licensed provider.

Section 19 directs the Department of Social and Health Services (Department) to, "within existing resources...develop a curriculum to train child protective services staff in forensic techniques used for investigating allegations of child abuse and neglect." The Department cannot absorb costs associated with unfunded new activities at this time. I agree with the goal of ensuring the quality of our investigations and the local investigation protocols involving the Department, law enforcement and prosecutors are an existing mechanism that can be used to further this goal.

For these reasons, I have vetoed Sections 1, 14 and 19 of Second Substitute House Bill 2106.

With the exception of sections 1, 14 and 19, Second Substitute House Bill 2106 is approved.

It is the intent of the legislature that for all purposes under state law, state registered domestic partners shall be treated the same as married spouses. Any privilege, immunity, right, benefit, or responsibility granted or imposed by statute, administrative or court rule, policy, common law or any other law to an individual because the individual is or was a spouse, or because the individual is or was an in-law in a specified way to another individual, is granted on equivalent terms, substantive and procedural, to an individual because the individual is or was in a state registered domestic partnership or because the individual is or was, based on a state registered domestic partnership, related in a specified way to another individual. The provisions of this act shall be liberally construed to achieve equal treatment, to the extent not in conflict with federal law, of state registered domestic partners and married spouses.

NEW SECTION. Sec. 2. A new section is added to chapter 34.05 RCW to read as follows:

(1) Subject to the availability of funds appropriated for this specific purpose, except where inconsistent with federal law or regulations applicable to federal benefit programs, agencies shall amend their rules to reflect the intent of the legislature to ensure that all privileges, immunities, rights, benefits, or responsibilities granted or imposed by statute to an individual because that individual is or was a spouse in a marital relationship are granted or imposed on equivalent terms to an individual because that individual is or was in a state registered domestic partnership.

(2) Except where inconsistent with federal law or regulations applicable to federal benefit programs, all agency orders creating new rules, or amending existing rules, shall be formulated to reflect the intent stated in subsection (1) of this section.

(3) No agency rule is invalid because it does not comply with this section.

For the purposes of this code, with the exception of chapter 26.04 RCW, the terms spouse, marriage, marital, husband, wife, widow, widower, next of kin, and family shall be interpreted as applying equally to state registered domestic partnerships or individuals in state registered domestic partnerships as well as to marital relationships and married persons, and references to dissolution of marriage shall apply equally to state registered domestic partnerships that have been terminated, dissolved, or invalidated, to the extent that such interpretation does not conflict with federal law. Where necessary to implement this act, gender-specific terms such as husband and wife used in any statute, rule, or other law shall be construed to be gender neutral, and applicable to individuals in state registered domestic partnerships.

NOTICE OF GARNISHMENT
AND OF YOUR RIGHTS

A Writ of Garnishment issued in a Washington court has been or will be served on the garnishee named in the attached copy of the writ. After receipt of the writ, the garnishee is required to withhold payment of any money that was due to you and to withhold any other property of yours that the garnishee held or controlled. This notice of your rights is required by law.
YOU HAVE THE FOLLOWING EXEMPTION RIGHTS:

WAGES. If the garnishee is your employer who owes wages or other personal earnings to you, your employer is required to pay amounts to you that are exempt under state and federal laws, as explained in the writ of garnishment. You should receive a copy of your employer's answer, which will show how the exempt amount was calculated. If the garnishment is for child support, the exempt amount paid to you will be forty percent of wages due you, but if you are supporting a spouse, state registered domestic partner, or dependent child, you are entitled to claim an additional ten percent as exempt.

BANK ACCOUNTS. If the garnishee is a bank or other institution with which you have an account in which you have deposited benefits such as Temporary Assistance for Needy Families, Supplemental Security Income (SSI), Social Security, veterans' benefits, unemployment compensation, or a United States pension, you may claim the account as fully exempt if you have deposited only such benefit funds in the account. It may be partially exempt even though you have deposited money from other sources in the same account. An exemption is also available under RCW 26.16.200, providing that funds in a community bank account that can be identified as the earnings of a stepparent are exempt from a garnishment on the child support obligation of the parent.

OTHER EXEMPTIONS. If the garnishee holds other property of yours, some or all of it may be exempt under RCW 6.15.010, a Washington statute that exempts up to five hundred dollars of property of your choice (including up to one hundred dollars in cash or in a bank account) and certain property such as household furnishings, tools of trade, and a motor vehicle (all limited by differing dollar values).

HOW TO CLAIM EXEMPTIONS. Fill out the enclosed claim form and mail or deliver it as described in instructions on the claim form. If the plaintiff does not object to your claim, the funds or other property that you have claimed as exempt must be released not later than 10 days after the plaintiff receives your claim form. If the plaintiff objects, the law requires a hearing not later than 14 days after the plaintiff receives your claim form, and notice of the objection and hearing date will be mailed to you at the address that you put on the claim form.

THE LAW ALSO PROVIDES OTHER EXEMPTION RIGHTS. IF NECESSARY, AN ATTORNEY CAN ASSIST YOU TO ASSERT THESE AND OTHER RIGHTS, BUT YOU MUST ACT IMMEDIATELY TO AVOID LOSS OF RIGHTS BY DELAY.

(2) The claim form required by RCW 6.27.130(1) to be mailed to or served on an individual judgment debtor shall be in the following form, printed or typed in type no smaller than elite type:

**Sec. 135.** RCW 49.78.020 and 2006 c 59 s 2 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

1. "Child" means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is: (a) Under eighteen years of age; or (b) eighteen years of age or older and incapable of self-care because of a mental or physical disability.

2. "Department" means the department of labor and industries.

3. "Director" means the director of the department.

4(a) "Employee" means a person who has been employed: (i) For at least twelve months by the employer with respect to whom leave is requested under RCW 49.78.220; and (ii) for at least one thousand two hundred fifty hours of service with the employer during the previous twelve-month period.
(b) "Employee" does not mean a person who is employed at a worksite at which the employer as defined in (a) of this subsection employs less than fifty employees if the total number of employees employed by that employer within seventy-five miles of that worksite is less than fifty.

(5) "Employer" means: (a) Any person, firm, corporation, partnership, business trust, legal representative, or other business entity which engages in any business, industry, profession, or activity in this state and includes any unit of local government including, but not limited to, a county, city, town, municipal corporation, quasi-municipal corporation, or political subdivision, which employs fifty or more employees for each working day during each of twenty or more calendar workweeks in the current or preceding calendar year; (b) the state, state institutions, and state agencies; and (c) any unit of local government including, but not limited to, a county, city, town, municipal corporation, quasi-municipal corporation, or political subdivision.

(6) "Employment benefits" means all benefits provided or made available to employees by an employer, including group life insurance, health insurance, disability insurance, sick leave, annual leave, educational benefits, and pensions except benefits that are provided by a practice or written policy of an employer or through an employee benefit plan as defined in 29 U.S.C. Sec. 1002(3).

(7) "Family member" means a child, parent, ((or)) spouse, or state registered domestic partner of an employee.

(8) "Health care provider" means: (a) A person licensed as a physician under chapter 18.71 RCW or an osteopathic physician and surgeon under chapter 18.57 RCW; (b) a person licensed as an advanced registered nurse practitioner under chapter 18.79 RCW; or (c) any other person determined by the director to be capable of providing health care services.

(9) "Intermittent leave" is leave taken in separate blocks of time due to a single qualifying reason.

(10) "Leave for a family member's serious health condition" means leave as described in RCW 49.78.220(1)(c).

(11) "Leave for the birth or placement of a child" means leave as described in RCW 49.78.220(1) (a) or (b).

(12) "Leave for the employee's serious health condition" means leave as described in RCW 49.78.220(1)(d).

(13) "Parent" means the biological or adoptive parent of an employee or an individual who stood in loco parentis to an employee when the employee was a child.

(14) "Period of incapacity" means an inability to work, attend school, or perform other regular daily activities because of the serious health condition, treatment of that condition or recovery from it, or subsequent treatment in connection with such inpatient care.

(15) "Reduced leave schedule" means a leave schedule that reduces the usual number of hours per workweek, or hours per workday, of an employee.

(16)(a) "Serious health condition" means an illness, injury, impairment, or physical or mental condition that involves:
(i) Inpatient care in a hospital, hospice, or residential medical care facility, including any period of incapacity; or

(ii) Continuing treatment by a health care provider. A serious health condition involving continuing treatment by a health care provider includes any one or more of the following:

(A) A period of incapacity of more than three consecutive calendar days, and any subsequent treatment or period of incapacity relating to the same condition, that also involves:

(I) Treatment two or more times by a health care provider, by a nurse or physician's assistant under direct supervision of a health care provider, or by a provider of health care services under orders of, or on referral by, a health care provider; or

(II) Treatment by a health care provider on at least one occasion which results in a regimen of continuing treatment under the supervision of the health care provider;

(B) Any period of incapacity due to pregnancy, or for prenatal care;

(C) Any period of incapacity or treatment for such incapacity due to a chronic serious health condition. A chronic serious health condition is one which:

(I) Requires periodic visits for treatment by a health care provider, or by a nurse or physician's assistant under direct supervision of a health care provider;

(II) Continues over an extended period of time, including recurring episodes of a single underlying condition; and

(III) May cause episodic rather than a continuing period of incapacity;

(D) A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective. The employee or family member must be under the continuing supervision of, but need not be receiving active treatment by, a health care provider; or

(E) Any period of absence to receive multiple treatments, including any period of recovery from the treatments, by a health care provider or by a provider of health care services under orders of, or on referral by, a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment, such as cancer, severe arthritis, or kidney disease.

(b) Treatment for purposes of (a) of this subsection includes, but is not limited to, examinations to determine if a serious health condition exists and evaluations of the condition. Treatment does not include routine physical examinations, eye examinations, or dental examinations. Under (a)(ii)(A)(II) of this subsection, a regimen of continuing treatment includes, but is not limited to, a course of prescription medication or therapy requiring special equipment to resolve or alleviate the health condition. A regimen of continuing treatment that includes taking over-the-counter medications, such as aspirin, antihistamines, or salves, or bed-rest, drinking fluids, exercise, and other similar activities that can be initiated without a visit to a health care provider, is not, by itself, sufficient to constitute a regimen of continuing treatment for purposes of this chapter.

(c) Conditions for which cosmetic treatments are administered are not "serious health conditions" unless inpatient hospital care is required or unless complications develop. Unless complications arise, the common cold, the flu,
ear aches, upset stomach, minor ulcers, headaches other than migraine, routine dental or orthodontia problems, and periodontal disease are examples of conditions that do not meet the definition of a "serious health condition" and do not qualify for leave under this chapter. Restorative dental or plastic surgery after an injury or removal of cancerous growths are serious health conditions provided all the other conditions of this section are met. Mental illness resulting from stress or allergies may be serious health conditions provided all the other conditions of this section are met.

(d) Substance abuse may be a serious health condition if the conditions of this section are met. However, leave may only be taken for treatment for substance abuse by a health care provider or by a provider of health care services upon referral by a health care provider. Absence from work because of the employee's use of the substance, rather than for treatment, does not qualify for leave under this chapter.

(e) Absences attributable to incapacity under (a)(ii)(B) or (C) of this subsection qualify for leave under this chapter even though the employee or the immediate family member does not receive treatment from a health care provider during the absence, and even if the absence does not last more than three days.

(17) "Spouse" means a husband or wife, as the case may be, or state registered domestic partner.

Sec. 191. RCW 83.100.046 and 2005 c 514 s 1201 are each amended to read as follows:

(1) For the purposes of determining the Washington taxable estate, a deduction is allowed from the federal taxable estate for:

(a) The value of qualified real property reduced by any amounts allowable as a deduction in respect of the qualified real property and tangible personal property under section 2053(a)(4) of the internal revenue code, if the decedent was at the time of his or her death a citizen or resident of the United States.
(b) The value of any tangible personal property used by the decedent or a member of the decedent's family for a qualified use on the date of the decedent's death, reduced by any amounts allowable as a deduction in respect of the tangible personal property under section 2053(a)(4) of the internal revenue code, if all of the requirements of subsection (10)(f)(i)(A) of this section are met and the decedent was at the time of his or her death a citizen or resident of the United States.

(c) The value of real property that is not deductible under (a) of this subsection solely by reason of subsection (10)(f)(i)(B) of this section, reduced by any amounts allowable as a deduction in respect of the qualified real property and tangible personal property under section 2053(a)(4) of the internal revenue code, if the requirements of subsection (10)(f)(i)(C) of this section are met with respect to the property and the decedent was at the time of his or her death a citizen or resident of the United States.

(2) Property shall be considered to have been acquired from or to have passed from the decedent if:

- (a) The property is so considered under section 1014(b) of the Internal Revenue Code;
- (b) The property is acquired by any person from the estate; or
- (c) The property is acquired by any person from a trust, to the extent the property is includible in the gross estate of the decedent.

(3) If the decedent and the decedent's surviving spouse at any time held qualified real property as community property, the interest of the surviving spouse in the property shall be taken into account under this section to the extent necessary to provide a result under this section with respect to the property which is consistent with the result which would have obtained under this section if the property had not been community property.

(4) In the case of any qualified woodland, the value of trees growing on the woodland may be deducted if otherwise qualified under this section.

(5) If property is qualified real property with respect to a decedent, hereinafter in this subsection referred to as the "first decedent," and the property was acquired from or passed from the first decedent to the surviving spouse of the first decedent, active management of the farm by the surviving spouse shall be treated as material participation by the surviving spouse in the operation of the farm.

(6) Property owned indirectly by the decedent may qualify for a deduction under this section if owned through an interest in a corporation, partnership, or trust as the terms corporation, partnership, or trust are used in section 2032A(g) of the Internal Revenue Code. In order to qualify for a deduction under this subsection, the interest, in addition to meeting the other tests for qualification under this section, must qualify under section 6166(b)(1) of the Internal Revenue Code as an interest in a closely held business on the date of the decedent's death and for sufficient other time, combined with periods of direct ownership, to equal at least five years of the eight-year period preceding the death.

(7)(a) If, on the date of the decedent's death, the requirements of subsection (10)(f)(i)(C)(II) of this section with respect to the decedent for any property are not met, and the decedent (i) was receiving old age benefits under Title II of the social security act for a continuous period ending on such date, or (ii) was disabled for a continuous period ending on this date, then subsection
(10)(f)(i)(C)(II) of this section shall be applied with respect to the property by substituting "the date on which the longer of such continuous periods began" for "the date of the decedent's death" in subsection (10)(f)(i)(C) of this section.

(b) For the purposes of (a) of this subsection, an individual shall be disabled if the individual has a mental or physical impairment which renders that individual unable to materially participate in the operation of the farm.

(8) Property may be deducted under this section whether or not special valuation is elected under section 2032A of the Internal Revenue Code on the federal return. For the purposes of determining the deduction under this section, the value of property is its value as used to determine the value of the gross estate.

(9)(a) In the case of any qualified replacement property, any period during which there was ownership, qualified use, or material participation with respect to the replaced property by the decedent or any member of the decedent's family shall be treated as a period during which there was ownership, use, or material participation, as the case may be, with respect to the qualified replacement property.

(b) Subsection (9)(a) of this section shall not apply to the extent that the fair market value of the qualified replacement property, as of the date of its acquisition, exceeds the fair market value of the replaced property, as of the date of its disposition.

(a) Standard allowance. A member electing this option shall receive a retirement allowance payable throughout the member's life. However, if the retiree dies before the total of the retirement allowance paid to the retiree equals the amount of the retiree's accumulated contributions at the time of retirement, then the balance shall be paid to the member's estate, or such person or persons, trust, or organization as the retiree shall have nominated by written designation duly executed and filed with the department; or if there be no such designated person or persons still living at the time of the retiree's death, then to the surviving spouse or domestic partner, or if there be neither such designated person or persons still living at the time of death nor a surviving spouse or domestic partner, then to the retiree's legal representative.

(b) The department shall adopt rules that allow a member to select a retirement option that pays the member a reduced retirement allowance and upon death, such portion of the member's reduced retirement allowance as the department by rule designates shall be continued throughout the life of and paid to a designated person. Such person shall be nominated by the member by written designation duly executed and filed with the department at the time of retirement. The options adopted by the department shall include, but are not limited to, a joint and one hundred percent survivor option and a joint and fifty percent survivor option.

(2)(a) A member, if married or in a domestic partnership, must provide the written consent of his or her spouse or domestic partner to the option selected under this section, except as provided in (b) of this subsection. If a member is married or in a domestic partnership and both the member and member's spouse or domestic partner do not give written consent to an option under this section, the department will pay the member a joint and fifty percent survivor benefit and record the member's spouse or domestic partner as the beneficiary. This benefit shall be calculated to be actuarially equivalent to the benefit options available under subsection (1) of this section unless ((spousal)) consent by the spouse or domestic partner is not required as provided in (b) of this subsection.

(b) If a copy of a dissolution order designating a survivor beneficiary under RCW 41.50.790 has been filed with the department at least thirty days prior to a member's retirement:

(i) The department shall honor the designation as if made by the member under subsection (1) of this section; and

(ii) The ((spousal)) spouse or domestic partner consent provisions of (a) of this subsection do not apply.

(ii) A member who entered into a postretirement marriage or domestic partnership prior to the effective date of the rules adopted pursuant to this subsection and satisfies the conditions of (a)(i) of this subsection shall have one year to designate their spouse or domestic partner as a survivor beneficiary following the adoption of the rules.

(b) A retired member who elected to receive a reduced retirement allowance under this section and designated a nonspouse or a nondomestic partner as survivor beneficiary shall have the opportunity to remove the survivor designation and have their future benefit adjusted.

(c) The department may make an additional charge, if necessary, to ensure that the benefits provided under this subsection remain actuarially equivalent.

(4) No later than July 1, 2003, the department shall adopt rules to permit:

(a) A court-approved property settlement incident to a court decree of dissolution made before retirement to provide that benefits payable to a member who has completed at least five years of service and the member's divorcing spouse or former domestic partner be divided into two separate benefits payable over the life of each spouse or domestic partner.

The member shall have available the benefit options of subsection (1) of this section upon retirement, and if remarried or in a domestic partnership at the time of retirement remains subject to the ((spousal)) spouse or domestic partner consent requirements of subsection (2) of this section. Any reductions of the member's benefit subsequent to the division into two separate benefits shall be made solely to the separate benefit of the member.

The nonmember ex spouse or former domestic partner shall be eligible to commence receiving their separate benefit upon reaching the ages provided in RCW 43.43.250(2) and after filing a written application with the department.

(b) A court-approved property settlement incident to a court decree of dissolution made after retirement may only divide the benefit into two separate benefits payable over the life of each spouse or domestic partner if the nonmember ex spouse or former domestic partner was selected as a survivor beneficiary at retirement.

The retired member may later choose the survivor benefit options available in subsection (3) of this section. Any actuarial reductions subsequent to the division into two separate benefits shall be made solely to the separate benefit of the member.

Both the retired member and the nonmember divorced spouse or former domestic partner shall be eligible to commence receiving their separate benefits upon filing a copy of the dissolution order with the department in accordance with RCW 41.50.670.

(c) The department may make an additional charge or adjustment if necessary to ensure that the separate benefits provided under this subsection are actuarially equivalent to the benefits payable prior to the decree of dissolution.

department of retirement systems by order under RCW 51.52.050.

Sec. 5. RCW 41.26.460 and 2003 c 294 s 3 are each amended to read as
follows:

(1) Upon retirement for service as prescribed in RCW 41.26.430 or
disability retirement under RCW 41.26.470, a member shall elect to have the
retirement allowance paid pursuant to the following options, calculated so as to
be actuarially equivalent to each other.

(a) Standard allowance. A member electing this option shall receive a
retirement allowance payable throughout such member's life. However, if the
retiree dies before the total of the retirement allowance paid to such retiree
equals the amount of such retiree's accumulated contributions at the time of
retirement, then the balance shall be paid to the member's estate, or such person

designation duly executed and filed with the department; or if there be no such

written designation duly executed and filed with the department at the time of
retirement. The options adopted by the department shall include, but are not
limited to, a joint and one hundred percent survivor option and a joint and fifty
percent survivor option.

(2)(a) A member, if married or a domestic partner, must provide the written
consent of his or her spouse or domestic partner to the option selected under this
section, except as provided in (b) of this subsection. If a member is married or a
domestic partner and both the member and member's spouse or domestic partner
do not give written consent to an option under this section, the department will
pay the member a joint and fifty percent survivor benefit and record the
member's spouse or domestic partner as the beneficiary. Such benefit shall be
calculated to be actuarially equivalent to the benefit options available under
subsection (1) of this section unless spousal or domestic partner consent is not required as provided in (b) of this subsection.

(b) If a copy of a dissolution order designating a survivor beneficiary under RCW 41.50.790 has been filed with the department at least thirty days prior to a member's retirement:

(i) The department shall honor the designation as if made by the member under subsection (1) of this section; and

(ii) The spousal or domestic partner consent provisions of (a) of this subsection do not apply.

(3)(a) Any member who retired before January 1, 1996, and who elected to receive a reduced retirement allowance under subsection (1)(b) or (2) of this section is entitled to receive a retirement allowance adjusted in accordance with (b) of this subsection, if they meet the following conditions:

(ii) The retiree provides to the department proper proof of the designated beneficiary's death.

(b) The retirement allowance payable to the retiree, as of July 1, 1998, or the date of the designated beneficiary's death, whichever comes last, shall be increased by the percentage derived in (c) of this subsection.

(c) The percentage increase shall be derived by the following:

(i) One hundred percent multiplied by the result of (c)(ii) of this subsection converted to a percent;

(ii) Subtract one from the reciprocal of the appropriate joint and survivor option factor;

(iii) The joint and survivor option factor shall be from the table in effect as of July 1, 1998.

(d) The adjustment under (b) of this subsection shall accrue from the beginning of the month following the date of the designated beneficiary's death or from July 1, 1998, whichever comes last.

(4) No later than July 1, 2001, the department shall adopt rules that allow a member additional actuarially equivalent survivor benefit options, and shall include, but are not limited to:

(a)(i) A retired member who retired without designating a survivor beneficiary shall have the opportunity to designate their spouse or domestic partner from a postretirement marriage or domestic partnership as a survivor during a one-year period beginning one year after the date of the postretirement marriage or domestic partnership provided the retirement allowance payable to the retiree is not subject to periodic payments pursuant to a property division obligation as provided for in RCW 41.50.670.

(ii) A member who entered into a postretirement marriage or domestic partnership prior to the effective date of the rules adopted pursuant to this subsection and satisfies the conditions of (a)(i) of this subsection shall have one year to designate their spouse or domestic partner as a survivor beneficiary following the adoption of the rules.

(b) A retired member who elected to receive a reduced retirement allowance under this section and designated a nonspouse or a person not their domestic partner as survivor beneficiary shall have the opportunity to remove the survivor designation and have their future benefit adjusted.
(c) The department may make an additional charge, if necessary, to ensure that the benefits provided under this subsection remain actuarially equivalent.

(5) No later than July 1, 2003, the department shall adopt rules to permit:

(a) A court-approved property settlement incident to a court decree of dissolution made before retirement to provide that benefits payable to a member who meets the length of service requirements of RCW 41.26.530(1) and the member's divorcing spouse or domestic partner be divided into two separate benefits payable over the life of each spouse or domestic partner.

The member shall have available the benefit options of subsection (1) of this section upon retirement, and if remarried or in a domestic partnership at the time of retirement remains subject to the spousal or domestic partner consent requirements of subsection (2) of this section. Any reductions of the member's benefit subsequent to the division into two separate benefits shall be made solely to the separate benefit of the member.

The nonmember ex spouse or former domestic partner shall be eligible to commence receiving their separate benefit upon reaching the ages provided in RCW 41.26.430(1) and after filing a written application with the department.

(b) A court-approved property settlement incident to a court decree of dissolution made after retirement may only divide the benefit into two separate benefits payable over the life of each spouse or domestic partner if the nonmember ex spouse or former domestic partner was selected as a survivor beneficiary at retirement.

The retired member may later choose the survivor benefit options available in subsection (4) of this section. Any actuarial reductions subsequent to the division into two separate benefits shall be made solely to the separate benefit of the member.

Both the retired member and the nonmember divorced spouse or domestic partner shall be eligible to commence receiving their separate benefits upon filing a copy of the dissolution order with the department in accordance with RCW 41.50.670.

(c) The department may make an additional charge or adjustment if necessary to ensure that the separate benefits provided under this subsection are actuarially equivalent to the benefits payable prior to the decree of dissolution.

Sec. 6. RCW 41.26.470 and 2006 c 39 s 1 are each amended to read as follows:

(1) A member of the retirement system who becomes totally incapacitated for continued employment by an employer as determined by the director shall be eligible to receive an allowance under the provisions of RCW 41.26.410 through 41.26.550. Such member shall receive a monthly disability allowance computed as provided for in RCW 41.26.420 and shall have such allowance actuarially reduced to reflect the difference in the number of years between age at disability and the attainment of age fifty-three, except under subsection (7) of this section.

(2) Any member who receives an allowance under the provisions of this section shall be subject to such comprehensive medical examinations as required by the department. If such medical examinations reveal that such a member has recovered from the incapacitating disability and the member is no longer entitled to benefits under Title 51 RCW, the retirement allowance shall be canceled and the member shall be restored to duty in the same civil service rank, if any, held by the member at the time of retirement or, if unable to perform the duties of the
rank, then, at the member's request, in such other like or lesser rank as may be or become open and available, the duties of which the member is then able to perform. In no event shall a member previously drawing a disability allowance be returned or be restored to duty at a salary or rate of pay less than the current salary attached to the rank or position held by the member at the date of the retirement for disability. If the department determines that the member is able to return to service, the member is entitled to notice and a hearing. Both the notice and the hearing shall comply with the requirements of chapter 34.05 RCW, the Administrative Procedure Act.

(3) Those members subject to this chapter who became disabled in the line of duty on or after July 23, 1989, and who receive benefits under RCW 41.04.500 through 41.04.530 or similar benefits under RCW 41.04.535 shall receive or continue to receive service credit subject to the following:

(a) No member may receive more than one month's service credit in a calendar month.

(b) No service credit under this section may be allowed after a member separates or is separated without leave of absence.

(c) Employer contributions shall be paid by the employer at the rate in effect for the period of the service credited.

(d) Employee contributions shall be collected by the employer and paid to the department at the rate in effect for the period of service credited.

(e) State contributions shall be as provided in RCW 41.45.060 and 41.45.067.

(f) Contributions shall be based on the regular compensation which the member would have received had the disability not occurred.

(g) The service and compensation credit under this section shall be granted for a period not to exceed six consecutive months.

(h) Should the legislature revoke the service credit authorized under this section or repeal this section, no affected employee is entitled to receive the credit as a matter of contractual right.

(4)(a) If the recipient of a monthly retirement allowance under this section dies before the total of the retirement allowance paid to the recipient equals the amount of the accumulated contributions at the date of retirement, then the balance shall be paid to the member's estate, or such person or persons, trust, or organization as the recipient has nominated by written designation duly executed and filed with the director, or, if there is no such designated person or persons still living at the time of the recipient's death, then to the surviving spouse or domestic partner, or, if there is neither such designated person or persons still living at the time of his or her death nor a surviving spouse or domestic partner, then to his or her legal representative.

(b) If a recipient of a monthly retirement allowance under this section died before April 27, 1989, and before the total of the retirement allowance paid to the recipient equalled the amount of his or her accumulated contributions at the date of retirement, then the department shall pay the balance of the accumulated contributions to the member's surviving spouse or, if there is no surviving spouse, then in equal shares to the member's children. If there is no surviving spouse or children, the department shall retain the contributions.

(5) Should the disability retirement allowance of any disability beneficiary be canceled for any cause other than reentrance into service or retirement for
service, he or she shall be paid the excess, if any, of the accumulated contributions at the time of retirement over all payments made on his or her behalf under this chapter.

(6) A member who becomes disabled in the line of duty, and who ceases to be an employee of an employer except by service or disability retirement, may request a refund of one hundred fifty percent of the member's accumulated contributions. Any accumulated contributions attributable to restorations made under RCW 41.50.165(2) shall be refunded at one hundred percent. A person in receipt of this benefit is a retiree.

(7) A member who becomes disabled in the line of duty shall be entitled to receive a minimum retirement allowance equal to ten percent of such member's final average salary. The member shall additionally receive a retirement allowance equal to two percent of such member's average final salary for each year of service beyond five.

(8) A member who is totally disabled in the line of duty is entitled to receive a retirement allowance equal to seventy percent of the member's final average salary. The allowance provided under this subsection shall be offset by:

(a) Temporary disability wage-replacement benefits or permanent total disability benefits provided to the member under Title 51 RCW; and

(b) Federal social security disability benefits, if any;

so that such an allowance does not result in the member receiving combined benefits that exceed one hundred percent of the member's final average salary. However, the offsets shall not in any case reduce the allowance provided under this subsection below the member's accrued retirement allowance.

A member is considered totally disabled if he or she is unable to perform any substantial gainful activity due to a physical or mental condition that may be expected to result in death or that has lasted or is expected to last at least twelve months. Substantial gainful activity is defined as average earnings in excess of eight hundred sixty dollars a month in 2006 adjusted annually as determined by the director based on federal social security disability standards. The department may require a person in receipt of an allowance under this subsection to provide any financial records that are necessary to determine continued eligibility for such an allowance. A person in receipt of an allowance under this subsection whose earnings exceed the threshold for substantial gainful activity shall have their benefit converted to a line-of-duty disability retirement allowance as provided in subsection (7) of this section.

Any person in receipt of an allowance under the provisions of this section is subject to comprehensive medical examinations as may be required by the department under subsection (2) of this section in order to determine continued eligibility for such an allowance.

Sec. 7. RCW 41.26.510 and 2006 c 345 s 1 are each amended to read as follows:

(1) Except as provided in RCW 11.07.010, if a member or a vested member who has not completed at least ten years of service dies, the amount of the accumulated contributions standing to such member's credit in the retirement system at the time of such member's death, less any amount identified as owing to an obligee upon withdrawal of accumulated contributions pursuant to a court order filed under RCW 41.50.670, shall be paid to the member's estate, or such person or persons, trust, or organization as the member shall have nominated by
written designation duly executed and filed with the department. (b)(i) The member's accumulated contributions, less any amount identified as owing to an obligee upon withdrawal of accumulated contributions pursuant to a court order filed under RCW 41.50.670; or

(ii) If the member dies on or after July 25, 1993, one hundred fifty percent of the member's accumulated contributions, less any amount identified as owing to an obligee upon withdrawal of accumulated contributions pursuant to a court order filed under RCW 41.50.670. Any accumulated contributions attributable to restorations made under RCW 41.50.165(2) shall be refunded at one hundred percent.

(3) If a member who is eligible for retirement or a member who has completed at least ten years of service dies after October 1, 1977, and is not survived by a spouse, domestic partner, or an eligible child, then the accumulated contributions standing to the member's credit, less any amount identified as owing to an obligee upon withdrawal of accumulated contributions pursuant to a court order filed under RCW 41.50.670, shall be paid:

(a) To an estate, a person or persons, trust, or organization as the member shall have nominated by written designation duly executed and filed with the department; or

(b) If there is no such designated person or persons still living at the time of the member's death, then to the member's legal representatives.
The retirement allowance of a member who is killed in the course of employment, as determined by the director of the department of labor and industries, is not subject to an actuarial reduction. The member's retirement allowance is computed under RCW 41.26.420.

(5) The retirement allowance paid to the spouse or domestic partner and dependent children of a member who is killed in the course of employment, as set forth in RCW 41.05.011(14), shall include reimbursement for any payments of premium rates to the Washington state health care authority pursuant to RCW 41.05.080.

Sec. 8. RCW 41.26.520 and 2005 c 64 s 9 are each amended to read as follows:

(1) A member who is on a paid leave of absence authorized by a member's employer shall continue to receive service credit as provided for under the provisions of RCW 41.26.410 through 41.26.550.

(2) A member who receives compensation from an employer while on an authorized leave of absence to serve as an elected official of a labor organization, and whose employer is reimbursed by the labor organization for the compensation paid to the member during the period of absence, may also be considered to be on a paid leave of absence. This subsection shall only apply if the member's leave of absence is authorized by a collective bargaining agreement that provides that the member retains seniority rights with the employer during the period of leave. The basic salary reported for a member who establishes service credit under this subsection may not be greater than the salary paid to the highest paid job class covered by the collective bargaining agreement.

(3) Except as specified in subsection (7) of this section, a member shall be eligible to receive a maximum of two years service credit during a member's entire working career for those periods when a member is on an unpaid leave of absence authorized by an employer. Such credit may be obtained only if the member makes the employer, member, and state contributions plus interest as determined by the department for the period of the authorized leave of absence within five years of resumption of service or prior to retirement whichever comes sooner.

(4) A law enforcement member may be authorized by an employer to work part time and to go on a part-time leave of absence. During a part-time leave of absence a member is prohibited from any other employment with their employer. A member is eligible to receive credit for any portion of service credit not earned during a month of part-time leave of absence if the member makes the employer, member, and state contributions, plus interest, as determined by the department for the period of the authorized leave of absence within five years of resumption of full-time service or prior to retirement whichever comes sooner. Any service credit purchased for a part-time leave of absence is included in the two-year maximum provided in subsection (3) of this section.

(5) If a member fails to meet the time limitations of subsection (3) or (4) of this section, the member may receive a maximum of two years of service credit during a member's working career for those periods when a member is on unpaid leave of absence authorized by an employer. This may be done by paying the amount required under RCW 41.50.165(2) prior to retirement.
(6) For the purpose of subsection (3) or (4) of this section the contribution shall not include the contribution for the unfunded supplemental present value as required by RCW 41.45.060, 41.45.061, and 41.45.067. The contributions required shall be based on the average of the member's basic salary at both the time the authorized leave of absence was granted and the time the member resumed employment.

(7) A member who leaves the employ of an employer to enter the uniformed services of the United States shall be entitled to retirement system service credit for up to five years of military service. This subsection shall be administered in a manner consistent with the requirements of the federal uniformed services employment and reemployment rights act.

(a) The member qualifies for service credit under this subsection if:
   (i) Within ninety days of the member's honorable discharge from the uniformed services of the United States, the member applies for reemployment with the employer who employed the member immediately prior to the member entering the uniformed services; and
   (ii) The member makes the employee contributions required under RCW 41.45.060, 41.45.061, and 41.45.067 within five years of resumption of service or prior to retirement, whichever comes sooner; or
   (iii) Prior to retirement and not within ninety days of the member's honorable discharge or five years of resumption of service the member pays the amount required under RCW 41.50.165(2).

(b) Upon receipt of member contributions under (a)(ii), (d)(iii), or (e)(iii) of this subsection, the department shall establish the member's service credit and shall bill the employer and the state for their respective contributions required under RCW 41.26.450 for the period of military service, plus interest as determined by the department.

(c) The contributions required under (a)(ii), (d)(iii), or (e)(iii) of this subsection shall be based on the compensation the member would have earned if not on leave, or if that cannot be estimated with reasonable certainty, the compensation reported for the member in the year prior to when the member went on military leave.

(d) The surviving spouse, domestic partner, or eligible child or children of a member who left the employ of an employer to enter the uniformed services of the United States and died while serving in the uniformed services may, on behalf of the deceased member, apply for retirement system service credit under this subsection up to the date of the member's death in the uniformed services. The department shall establish the deceased member's service credit if the surviving spouse or eligible child or children:
   (i) Provides to the director proof of the member's death while serving in the uniformed services;
   (ii) Provides to the director proof of the member's honorable service in the uniformed services prior to the date of death; and
   (iii) Pays the employee contributions required under chapter 41.45 RCW within five years of the date of death or prior to the distribution of any benefit, whichever comes first.

(e) A member who leaves the employ of an employer to enter the uniformed services of the United States and becomes totally incapacitated for continued employment by an employer while serving in the uniformed services is entitled
to retirement system service credit under this subsection up to the date of
discharge from the uniformed services if:

(i) The member obtains a determination from the director that he or she is
totally incapacitated for continued employment due to conditions or events that
occurred while serving in the uniformed services;

(ii) The member provides to the director proof of honorable discharge from
the uniformed services; and

(iii) The member pays the employee contributions required under chapter
41.45 RCW within five years of the director's determination of total disability or
prior to the distribution of any benefit, whichever comes first.

benefits under this chapter shall be deemed to be on unpaid, authorized leave of
absence.

RCW 28B.50.535, 28A.225.290, 28A.600.320, and 28A.655.061; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature has previously affirmed the value
of career and technical education, particularly in programs that lead to nationally
recognized certification. These programs provide students with the knowledge
and skills to become responsible citizens and contribute to their own economic
well-being and that of their families and communities, which is the goal of
education in the public schools. The legislature has also previously affirmed the
value of dual enrollment in college and high school programs that can lead to
both an associate degree and a high school diploma. Therefore, the legislature
intends to maximize students' options and choices for completing high school by
awarding diplomas to students who complete these valuable postsecondary
programs.

Sec. 2. RCW 28B.50.535 and 2007 c 355 s 2 are each amended to read as
follows:
A community or technical college may issue a high school diploma or
certificate as provided under this section.

(1) An individual who satisfactorily meets the requirements for high school
completion shall be awarded a diploma from the college, subject to rules adopted
by the superintendent of public instruction and the state board of education.

(2) An individual enrolled through the option established under RCW
28A.600.310 through 28A.600.400 who satisfactorily completes an associate

awarded a diploma from the college upon written request from the student.
(3) An individual, twenty-one years or older, who enrolls in a community or technical college for the purpose of obtaining an associate degree and who satisfactorily completes an associate degree, including an associate of arts degree, associate of science degree, associate of technology degree, or associate in applied science degree, shall be awarded a diploma from the college upon written request from the student. Individuals under this subsection are not eligible for funding provided under chapter 28A.150 RCW.

Sec. 3. RCW 28A.225.290 and 1990 1st ex.s. c 9 s 207 are each amended to read as follows:

(1) The superintendent of public instruction shall prepare and annually distribute an information booklet outlining parents' and guardians' enrollment options for their children.

(2) ((Before the 1991-92 school year,)) The booklet shall be distributed to all school districts by the office of the superintendent of public instruction and shall be posted on the web site of the office of the superintendent of public instruction. School districts shall have a copy of the information booklet available for public inspection at each school in the district, at the district office, and in public libraries.

(3) The booklet shall include:

(b) Information about the running start(( - community college or vocational-technical institute choice )) program under RCW 28A.600.300 through (28A.600.395) 28A.600.400; ((and))

(c) Information about the seventh and eighth grade choice program under RCW 28A.230.090; and

(d) Information about the college high school diploma options under RCW 28B.50.535.

Sec. 4. RCW 28A.600.320 and 2008 c 95 s 3 are each amended to read as follows:

A school district shall provide general information about the program to all pupils in grades ten, eleven, and twelve and the parents and guardians of those pupils, including information about the opportunity to enroll in the program through online courses available at community and technical colleges and other state institutions of higher education and including the college high school diploma options under RCW 28B.50.535. To assist the district in planning, a pupil shall inform the district of the pupil's intent to enroll in courses at an institution of higher education for credit. Students are responsible for applying for admission to the institution of higher education.

Sec. 5. RCW 28A.655.061 and 2008 c 321 s 2 are each amended to read as follows:

(1) The high school assessment system shall include but need not be limited to the Washington assessment of student learning, opportunities for a student to retake the content areas of the assessment in which the student was not successful, and if approved by the legislature pursuant to subsection (10) of this
section, one or more objective alternative assessments for a student to demonstrate achievement of state academic standards. The objective alternative assessments for each content area shall be comparable in rigor to the skills and knowledge that the student must demonstrate on the Washington assessment of student learning for each content area.

(2) Subject to the conditions in this section, a certificate of academic achievement shall be obtained by most students at about the age of sixteen, and is evidence that the students have successfully met the state standard in the content areas included in the certificate. With the exception of students satisfying the provisions of RCW 28A.155.045 or 28A.655.0611, acquisition of the certificate is required for graduation from a public high school but is not the only requirement for graduation.

(3) Beginning with the graduating class of 2008, with the exception of students satisfying the provisions of RCW 28A.155.045, a student who meets the state standards on the reading, writing, and mathematics content areas of the high school Washington assessment of student learning shall earn a certificate of academic achievement. If a student does not successfully meet the state standards in one or more content areas required for the certificate of academic achievement, then the student may retake the assessment in the content area up to four times at no cost to the student. If the student successfully meets the state standards on a retake of the assessment then the student shall earn a certificate of academic achievement. Once objective alternative assessments are authorized pursuant to subsection (10) of this section, a student may use the objective alternative assessments to demonstrate that the student successfully meets the state standards for that content area if the student has taken the Washington assessment of student learning at least once. If the student successfully meets the state standards on the objective alternative assessments then the student shall earn a certificate of academic achievement.

(4) Beginning no later than with the graduating class of 2013, a student must meet the state standards in science in addition to the other content areas required under subsection (3) of this section on the Washington assessment of student learning or the objective alternative assessments in order to earn a certificate of academic achievement. The state board of education may adopt a rule that implements the requirements of this subsection (4) beginning with a graduating class before the graduating class of 2013, if the state board of education adopts the rule by September 1st of the freshman school year of the graduating class to which the requirements of this subsection (4) apply. The state board of education's authority under this subsection (4) does not alter the requirement that any change in performance standards for the tenth grade assessment must comply with RCW 28A.305.130.

(5) The state board of education may not require the acquisition of the certificate of academic achievement for students in home-based instruction under chapter 28A.200 RCW, for students enrolled in private schools under chapter 28A.195 RCW, or for students satisfying the provisions of RCW 28A.155.045.

(6) A student may retain and use the highest result from each successfully completed content area of the high school assessment.

(7) School districts must make available to students the following options:
(a) To retake the Washington assessment of student learning up to four times in the content areas in which the student did not meet the state standards if the student is enrolled in a public school; or

(b) To retake the Washington assessment of student learning up to four times in the content areas in which the student did not meet the state standards if the student is enrolled in a high school completion program at a community or technical college. The superintendent of public instruction and the state board for community and technical colleges shall jointly identify means by which students in these programs can be assessed.

(8) Students who achieve the standard in a content area of the high school assessment but who wish to improve their results shall pay for retaking the assessment, using a uniform cost determined by the superintendent of public instruction.

(9) Opportunities to retake the assessment at least twice a year shall be available to each school district.

(10) (a) The office of the superintendent of public instruction shall develop options for implementing objective alternative assessments, which may include an appeals process for students' scores, for students to demonstrate achievement of the state academic standards. The objective alternative assessments shall be comparable in rigor to the skills and knowledge that the student must demonstrate on the Washington assessment of student learning and be objective in its determination of student achievement of the state standards. Before any objective alternative assessments in addition to those authorized in RCW 28A.655.065 or (b) of this subsection are used by a student to demonstrate that the student has met the state standards in a content area required to obtain a certificate, the legislature shall formally approve the use of any objective alternative assessments through the omnibus appropriations act or by statute or concurrent resolution.

(b)(i) A student's score on the mathematics, reading or English, or writing portion of the ((scholastic assessment test (SAT))) or the ((American college test (ACT))) may be used as an objective alternative assessment under this section for demonstrating that a student has met or exceeded the state standard for the certificate of academic achievement. The state board of education shall identify the scores students must achieve on the relevant portion of the SAT or ACT to meet or exceed the state standard in the relevant content area on the Washington assessment of student learning. The state board of education shall identify the first scores by December 1, 2007. After the first scores are established, the state board may increase but not decrease the scores required for students to meet or exceed the state standards.

(ii) Until August 31, 2008, a student's score on the mathematics portion of the ((preliminary scholastic assessment test (PSAT))) may be used as an objective alternative assessment under this section for demonstrating that a student has met or exceeded the state standard for the certificate of academic achievement. The state board of education shall identify the score students must achieve on the mathematics portion of the PSAT to meet or exceed the state standard in that content area on the Washington assessment of student learning.

(iii) A student who scores at least a three on the grading scale of one to five for selected AP examinations may use the score as an objective alternative assessment under this section for demonstrating that a student has met or
exceeded state standards for the certificate of academic achievement. A score of three on the AP examinations in calculus or statistics may be used as an alternative assessment for the mathematics portion of the Washington assessment of student learning. A score of three on the AP examinations in English language and composition may be used as an alternative assessment for the writing portion of the Washington assessment of student learning. A score of three on the AP examinations in English literature and composition, macroeconomics, microeconomics, psychology, United States history, world history, United States government and politics, or comparative government and politics may be used as an alternative assessment for the reading portion of the Washington assessment of student learning.

(11) By December 15, 2004, the house of representatives and senate education committees shall obtain information and conclusions from recognized, independent, national assessment experts regarding the validity and reliability of the high school Washington assessment of student learning for making individual student high school graduation determinations.

(12) To help assure continued progress in academic achievement as a foundation for high school graduation and to assure that students are on track for high school graduation, each school district shall prepare plans for and notify students and their parents or legal guardians as provided in this subsection (12).

(a) Student learning plans are required for eighth through twelfth grade students who were not successful on any or all of the content areas of the Washington assessment for student learning during the previous school year or who may not be on track to graduate due to credit deficiencies or absences. The parent or legal guardian shall be notified about the information in the student learning plan, preferably through a parent conference and at least annually. To the extent feasible, schools serving English language learner students and their parents shall translate the plan into the primary language of the family. The plan shall include the following information as applicable:

(i) The student's results on the Washington assessment of student learning;
(ii) If the student is in the transitional bilingual program, the score on his or her Washington language proficiency test II;
(iii) Any credit deficiencies;
(iv) The student's attendance rates over the previous two years;
(v) The student's progress toward meeting state and local graduation requirements;
(vi) The courses, competencies, and other steps needed to be taken by the student to meet state academic standards and stay on track for graduation;
(vii) Remediation strategies and alternative education options available to students, including informing students of the option to continue to receive instructional services after grade twelve or until the age of twenty-one;
(viii) The alternative assessment options available to students under this section and RCW 28A.655.065;
(ix) School district programs, high school courses, and career and technical education options available for students to meet graduation requirements; and
(x) Available programs offered through skill centers or community and technical colleges, including the college high school diploma options under RCW 28B.50.535.
(b) All fifth grade students who were not successful in one or more of the content areas of the fourth grade Washington assessment of student learning shall have a student learning plan.

(i) The parent or guardian of the student shall be notified, preferably through a parent conference, of the student's results on the Washington assessment of student learning, actions the school intends to take to improve the student's skills in any content area in which the student was unsuccessful, and provide strategies to help them improve their student's skills.

(ii) Progress made on the student plan shall be reported to the student's parents or guardian at least annually and adjustments to the plan made as necessary.

(1) An abuser is entitled to acquire or receive an interest in property or any other benefit described in this chapter if the court determines by clear, cogent, and convincing evidence that the decedent:

(a) Knew of the financial exploitation; and

(b) Subsequently ratified his or her intent to transfer the property interest or benefit to that person.

(2) The court may consider the record of proceedings and in its discretion allow an abuser to acquire or receive an interest in property or any other benefit described in this chapter in any manner the court deems equitable. In determining what is equitable, the court may consider, among other things:

(a) The various elements of the decedent's dispositive scheme;

(b) The decedent's likely intent given the totality of the circumstances; and

(c) The degree of harm resulting from the abuser's financial exploitation of the decedent.

Sec. 18. RCW 26.16.120 and 2008 c 6 s 612 are each amended to read as follows:

Nothing contained in any of the provisions of this chapter or in any law of this state, shall prevent both spouses or both domestic partners from jointly entering into any agreement concerning the status or disposition of the whole or any portion of the community property, then owned by them or afterwards to be acquired, to take effect upon the death of either. But such agreement may be made at any time by both spouses or both domestic partners by the execution of an instrument in writing under their hands and seals, and to be witnessed, acknowledged and certified in the same manner as deeds to real estate are required to be, under the laws of the state, and the same may at any time thereafter be altered or amended in the same manner. Such agreement shall not derogate from the right of creditors; nor be construed to curtail the powers of the superior court to set aside or cancel such agreement for fraud or under some other recognized head of equity jurisdiction, at the suit of either party; nor prevent the application of laws governing the community property and inheritance rights of slayers or abusers under chapter 11.84 RCW.

Sec. 19. RCW 41.04.273 and 1998 c 292 s 501 are each amended to read as follows:

(2) Property that would have passed to or for the benefit of a beneficiary under one of the retirement systems listed in RCW 41.50.030 shall not pass to that beneficiary if the beneficiary was a slayer or abuser of the decedent and the property shall be distributed as if the slayer or abuser had predeceased the decedent.

(3) A slayer or abuser is deemed to have predeceased the decedent as to property which, by designation or by operation of law, would have passed from the decedent to the slayer or abuser because of the decedent's entitlement to benefits under one of the retirement systems listed in RCW 41.50.030.

(4)(a) The department of retirement systems has no affirmative duty to determine whether a beneficiary is, or is alleged to be, a slayer or abuser. However, upon receipt of written notice that a beneficiary is a defendant in a civil lawsuit or probate proceeding that alleges the beneficiary is a slayer or abuser, or is charged with a crime that, if committed, means the beneficiary is a slayer or abuser, the department of retirement systems shall determine whether the beneficiary is a defendant in such a civil proceeding or has been formally charged in court with the crime, or both. If so, the department shall withhold payment of any benefits until:

(i) The case or charges, or both if both are pending, are dismissed;

(ii) The beneficiary is found not guilty in the criminal case or prevails in the civil proceeding, or both if both are pending; or

If the beneficiary is convicted or found to be a slayer or abuser in a civil proceeding, the department shall distribute the benefits according to subsection (2) of this section.

(5) Any record of conviction for having participated in the willful and unlawful killing of the decedent or for conduct constituting financial exploitation against the decedent, including but not limited to theft, forgery, fraud, identity theft, robbery, burglary, or extortion, shall be admissible in evidence against a claimant of property in any civil action arising under this section.

(6) In the absence of a criminal conviction, a superior court may determine:

(a) By a preponderance of the evidence whether a person participated in the willful and unlawful killing of the decedent;

(b) By clear, cogent, and convincing evidence whether a person participated in conduct constituting financial exploitation against the decedent, as provided in chapter 11.84 RCW.

(7) This section shall not subject the department of retirement systems to liability for payment made to a slayer or abuser or alleged slayer or abuser, prior to the department's receipt of written notice that the slayer or abuser has been convicted of, or the alleged slayer or abuser has been formally criminally or
civilly charged in court with, the death or financial exploitation of the decedent. If the conviction or civil judgment of a slayer or abuser is reversed on appeal, the department of retirement systems shall not be liable for payment made prior to the receipt of written notice of the reversal to a beneficiary other than the person whose conviction or civil judgment is reversed.

The department may only disseminate nonconviction data obtained under this section to criminal justice agencies. This section does not apply to financial institutions regulated under chapters 31.12 and 31.13 RCW and Titles 30, 32, and 33 RCW.

(3) In order to reduce the points of contact which the federal bureau of investigation may have to maintain, the director may use the nationwide mortgage licensing system and registry as a channeling agent for requesting information from and distributing information to the department of justice or any governmental agency.

(4) In order to reduce the points of contact which the director may have to maintain, the director may use the nationwide mortgage licensing system and registry as a channeling agent for requesting and distributing information to and from any source so directed by the director.

(5) At the time of filing an application for a license under this chapter, each applicant shall pay to the director through the nationwide mortgage licensing system and registry the appropriate application fee in an amount determined by rule of the director in accordance with RCW 43.24.086 to cover, but not exceed, the cost of processing and reviewing the application. The bond shall be conditioned that the obligor as licensee will faithfully conform to and abide by this chapter and all rules adopted under this chapter, and shall reimburse all persons who suffer loss by reason of a violation of this chapter or rules adopted under this chapter. Borrowers shall be given priority over the state and other persons. The state and other third parties shall be allowed to receive distribution pursuant to a valid claim against the remainder of the bond. The cancellation shall be effective thirty days after the notice is received by the director. Whether or not the bond is renewed, continued, reinstated, reissued, or otherwise extended, replaced, or modified, including increases or decreases in the penal sum, it shall be considered one continuous obligation, and the surety upon the bond shall not be liable in an aggregate or cumulative amount exceeding the penal sum set forth on the face of the bond. In no event shall the penal sum, or any portion thereof, at two or more points in time be added together in determining the surety's liability. The bond shall not be liable for any penalties imposed on the licensee, including, but not limited to, any increased damages or attorneys' fees, or both, awarded under RCW 19.86.090. The applicant may obtain the bond directly from the surety or through a group bonding arrangement involving a professional organization comprised of mortgage brokers if the arrangement provides at least as much coverage as is required under this subsection.

An applicant may only substitute coverage under this subsection for the requirements of (a) or (b) of this subsection if the director, with the consent of the insurance commissioner, has authorized such association to organize a mutual corporation under such terms and conditions as may be imposed by the director to ensure that the corporation is operated in a financially responsible manner to pay any claims within the financial responsibility limits specified in (a) of this subsection. If the director determines that the bond required in (a) of this subsection is not reasonably available, the director shall waive the requirements for such a bond. The
The mortgage recovery fund account is created in the custody of the state treasurer. The director is authorized to charge fees to fund the account. All fees charged under this section, except those retained by the director for administration of the fund, must be deposited into the mortgage recovery fund account. Expenditures from the account may be used only for the same purposes as the surety bond as described in (a) of this subsection. Only the director or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures. A person entitled to receive payment from the mortgage recovery fund may only receive reimbursement after a court of competent jurisdiction has determined the actual damages caused by the licensee. The director may determine by rule the procedure for recovery; the amount each mortgage broker must pay through the nationwide mortgage licensing system and registry for deposit in the mortgage recovery fund; and the amount necessary to administer the fund.

Sec. 5. RCW 19.146.228 and 2006 c 19 s 15 are each amended to read as follows:

(7) The director may retain attorneys, accountants, or other professionals and specialists as examiners, auditors, or investigators to conduct or assist in the conduct of examinations or investigations. The cost of these services for investigations only must be billed in accordance with RCW 19.146.228.

CHAPTER 530

[Engrossed Second Substitute House Bill 1935]
ADULT FAMILY HOMES—LICENSURE—COVENANTS

AN ACT Relating to adult family homes; amending RCW 70.128.040, 70.128.005, and 70.128.060; adding a new section to chapter 70.128 RCW; and adding a new section to chapter 64.38 RCW.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 70.128.040 and 2007 c 184 s 8 are each amended to read as follows:

(1) The department shall adopt rules and standards with respect to adult family homes and the operators thereof to be licensed under this chapter to carry out the purposes and requirements of this chapter. The rules and standards relating to applicants and operators shall address the differences between individual providers and providers that are partnerships, corporations, associations, or companies. The rules and standards shall also recognize and be appropriate to the different needs and capacities of the various populations served by adult family homes such as but not limited to persons who are developmentally disabled or elderly. In developing rules and standards the department shall recognize the residential family-like nature of adult family homes and not develop rules and standards which by their complexity serve as an overly restrictive barrier to the development of the adult family homes in the state. Procedures and forms established by the department shall be developed so they are easy to understand and comply with. Paper work requirements shall be minimal. Easy to understand materials shall be developed for applicants and providers explaining licensure requirements and procedures.

(2)(a) In developing the rules and standards, the department shall consult with all divisions and administrations within the department serving the various populations living in adult family homes, including the division of developmental disabilities and the aging and adult services administration. Involvement by the divisions and administration shall be for the purposes of assisting the department to develop rules and standards appropriate to the different needs and capacities of the various populations served by adult family homes. During the initial stages of development of proposed rules, the department shall provide notice of development of the rules to organizations representing adult family homes and their residents, and other groups that the department finds appropriate. The notice shall state the subject of the rules under consideration and solicit written recommendations regarding their form and content.

(b) In addition, the department shall engage in negotiated rule making pursuant to RCW 34.05.310(2) with the exclusive representative of the adult family home licensees selected in accordance with RCW 70.128.043 and with other affected interests before adopting requirements that affect adult family home licensees.

(3) Except where provided otherwise, chapter 34.05 RCW shall govern all department rule-making and adjudicative activities under this chapter.

(4) The department shall establish a specialty license to include geriatric specialty certification for providers who have successfully completed the University of Washington school of nursing certified geriatric certification program and testing.
Sec. 2. RCW 70.128.005 and 2001 c 319 ss 1 are each amended to read as follows:

(1) The legislature finds that:
   (a) Adult family homes are an important part of the state's long-term care system. Adult family homes provide an alternative to institutional care and promote a high degree of independent living for residents.
   (b) Persons with functional limitations have broadly varying service needs. Adult family homes that can meet those needs are an essential component of a long-term system. ((The legislature further finds that)) Different populations living in adult family homes, such as ((the developmentally disabled)) persons with developmental disabilities and ((the)) elderly persons, often have significantly different needs and capacities from one another.
   (c) There is a need to update certain restrictive covenants to take into consideration the legislative findings cited in (a) and (b) of this subsection; the need to prevent or reduce institutionalization; and the legislative and judicial mandates to provide care and services in the least restrictive setting appropriate to the needs of the individual. Restrictive covenants which directly or indirectly restrict or prohibit the use of property for adult family homes (i) are contrary to the public interest served by establishing adult family homes and (ii) discriminate against individuals with disabilities in violation of RCW 49.60.224.

(2) It is the legislature's intent that department rules and policies relating to the licensing and operation of adult family homes recognize and accommodate the different needs and capacities of the various populations served by the homes. Furthermore, the development and operation of adult family homes that can provide quality personal care and special care services should be encouraged.

(3) The legislature finds that many residents of community-based long-term care facilities are vulnerable and their health and well-being are dependent on their caregivers. The quality, skills, and knowledge of their caregivers are the key to good care. The legislature finds that the need for well-trained caregivers is growing as the state's population ages and residents' needs increase. The legislature intends that current training standards be enhanced.

(4) The legislature finds that the state of Washington has a compelling interest in protecting and promoting the health, welfare, and safety of vulnerable adults residing in adult family homes. The health, safety, and well-being of vulnerable adults must be the paramount concern in determining whether to issue a license to an applicant, whether to suspend or revoke a license, or whether to take other licensing actions.

NEW SECTION. Sec. 3. A new section is added to chapter 70.128 RCW to read as follows:

(1) To effectuate the public policies of this chapter, restrictive covenants may not limit, directly or indirectly:
   (a) Persons with disabilities from living in an adult family home licensed under this chapter; or
   (b) Persons and legal entities from operating adult family homes licensed under this chapter, whether for-profit or nonprofit, to provide services covered under this chapter. However, this subsection does not prohibit application of reasonable nondiscriminatory regulation, including but not limited to
landscaping standards or regulation of sign location or size, that applies to all residential property subject to the restrictive covenant.

(2) This section applies retroactively to all restrictive covenants in effect on the effective date of this section. Any provision in a restrictive covenant in effect on or after the effective date of this section that is inconsistent with subsection (1) of this section is unenforceable to the extent of the conflict.

**NEW SECTION.** Sec. 4. A new section is added to chapter 64.38 RCW to read as follows:

(1) To effectuate the public policy of chapter 70.128 RCW, the governing documents may not limit, directly or indirectly:

(a) Persons with disabilities from living in an adult family home licensed under chapter 70.128 RCW; or

(b) Persons and legal entities from operating adult family homes licensed under chapter 70.128 RCW, whether for-profit or nonprofit, to provide services covered under chapter 70.128 RCW. However, this subsection does not prohibit application of reasonable nondiscriminatory regulation, including but not limited to landscaping standards or regulation of sign location or size, that applies to all residential property subject to the governing documents.

(2) This section applies retroactively to any governing documents in effect on the effective date of this section. Any provision in a governing document in effect on or after the effective date of this section that is inconsistent with subsection (1) of this section is unenforceable to the extent of the conflict.

**Sec. 5.** RCW 70.128.060 and 2004 c 140 s 3 are each amended to read as follows:

(1) An application for license shall be made to the department upon forms provided by it and shall contain such information as the department reasonably requires.

(2) Subject to the provisions of this section, the department shall issue a license to an adult family home if the department finds that the applicant and the home are in compliance with this chapter and the rules adopted under this chapter, unless (a) the applicant or a person affiliated with the applicant has prior violations of this chapter relating to the adult family home subject to the application or any other adult family home, or of any other law regulating residential care facilities within the past five years that resulted in revocation, suspension, or nonrenewal of a license or contract with the department; or (b) the applicant or a person affiliated with the applicant has a history of significant noncompliance with federal, state, or local laws, rules, or regulations relating to the provision of care or services to vulnerable adults or to children. A person is considered affiliated with an applicant if the person is listed on the license application as a partner, officer, director, resident manager, or majority owner of the applying entity, or is the spouse of the applicant.

(3) The license fee shall be submitted with the application.

(4) The department shall serve upon the applicant a copy of the decision granting or denying an application for a license. An applicant shall have the right to contest denial of his or her application for a license as provided in chapter 34.05 RCW by requesting a hearing in writing within twenty-eight days after receipt of the notice of denial.
(5) The department shall not issue a license to a provider if the department finds that the provider or spouse of the provider or any partner, officer, director, managerial employee, or majority owner has a history of significant noncompliance with federal or state regulations, rules, or laws in providing care or services to vulnerable adults or to children.

(6) The department shall license an adult family home for the maximum level of care that the adult family home may provide. The department shall define, in rule, license levels based upon the education, training, and caregiving experience of the licensed provider or staff.

(7) The department shall establish, by rule, standards used to license nonresident providers and multiple facility operators.

(8) The department shall establish, by rule, for multiple facility operators educational standards substantially equivalent to recognized national certification standards for residential care administrators.

(9) The license fee shall be set at ((fifty)) one hundred dollars per year for each home. ((A fifty)) An eight hundred dollar processing fee shall also be charged each home when the home is initially licensed. The processing fee will be applied toward the license renewal in the subsequent three years. A five hundred dollar rebate will be returned to any home that renews after four years in operation.

(10) A provider who receives notification of the department's initiation of a denial, suspension, nonrenewal, or revocation of an adult family home license may, in lieu of appealing the department's action, surrender or relinquish the license. The department shall not issue a new license to or contract with the provider, for the purposes of providing care to vulnerable adults or children, for a period of twenty years following the surrendering or relinquishment of the former license. The licensing record shall indicate that the provider relinquished or surrendered the license, without admitting the violations, after receiving notice of the department's initiation of a denial, suspension, nonrenewal, or revocation of a license.

(11) The department shall establish, by rule, the circumstances requiring a change in the licensed provider, which include, but are not limited to, a change in ownership or control of the adult family home or provider, a change in the provider's form of legal organization, such as from sole proprietorship to partnership or corporation, and a dissolution or merger of the licensed entity with another legal organization. The new provider is subject to the provisions of this chapter, the rules adopted under this chapter, and other applicable law. In order to ensure that the safety of residents is not compromised by a change in provider, the new provider is responsible for correction of all violations that may exist at the time of the new license.

NEW SECTION. Sec. 6. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

(1)(a) Except for a public facilities district created under RCW 35.57.010(1)(e), a public facilities district is authorized to acquire, construct, own, remodel, maintain, equip, reequip, repair, finance, and operate one or more regional centers. For purposes of this chapter, "regional center" means a
convention, conference, or special events center, or any combination of facilities, and related parking facilities, serving a regional population constructed, improved, or rehabilitated after July 25, 1999, at a cost of at least ten million dollars, including debt service. "Regional center" also includes an existing convention, conference, or special events center, and related parking facilities, serving a regional population, that is improved or rehabilitated after July 25, 1999, where the costs of improvement or rehabilitation are at least ten million dollars, including debt service. A "special events center" is a facility, available to the public, used for community events, sporting events, trade shows, and artistic, musical, theatrical, or other cultural exhibitions, presentations, or performances. A regional center is conclusively presumed to serve a regional population if state and local government investment in the construction, improvement, or rehabilitation of the regional center is equal to or greater than ten million dollars.

(b) A public facilities district created under RCW 35.57.010(1)(e) is authorized to acquire, construct, own, remodel, maintain, equip, reequip, repair, finance, and operate one or more recreational facilities other than a ski area.

(5) Notwithstanding the establishment of a career, civil, or merit service system, a public facilities district may contract with a public or private entity for the operation or management of its public facilities.

(6) A public facilities district is authorized to use the supplemental alternative public works contracting procedures set forth in chapter 39.10 RCW in connection with the design, construction, reconstruction, remodel, or alteration of any regional center.

(7) A city or town in conjunction with any special agency, authority, or other district established by a county or any other governmental agency is authorized to use the supplemental alternative public works contracting procedures set forth in chapter 39.10 RCW in connection with the design, construction, reconstruction, remodel, or alteration of any regional center funded in whole or in part by a public facilities district.

Sec. 3. RCW 82.14.048 and 2008 c 86 s 103 are each amended to read as follows:

(1) The governing board of a public facilities district under chapter 36.100 or 35.57 RCW may submit an authorizing proposition to the voters of the district, and if the proposition is approved by a majority of persons voting, impose a sales and use tax in accordance with the terms of this chapter.

(2) The tax authorized in this section shall be in addition to any other taxes authorized by law and shall be collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of any
taxable event within the public facilities district. The rate of tax shall not exceed two-tenths of one percent of the selling price in the case of a sales tax, or value of the article used, in the case of a use tax. A public facilities district formed under RCW 35.57.010(1)(c) may not impose the tax authorized under this subsection at a rate that exceeds two-tenths of one percent minus the rate of the highest tax authorized by this subsection that is imposed by any other public facilities district within its boundaries. If a public facilities district formed under RCW 35.57.010(1)(c) has imposed a tax under this subsection and issued or incurred obligations pledging that tax, so long as those obligations are outstanding no other public facilities district within its boundaries may thereafter impose a tax under this subsection at a rate that would reduce the rate of the tax that was pledged to the repayment of those obligations. A public facilities district that imposes a tax under this subsection is responsible for the payment of any costs incurred for the purpose of administering the provisions of this subsection. RCW 35.57.010(1)(e), and 35.57.020(1)(b), including any administrative costs associated with the imposition of a tax under this subsection incurred by either the department of revenue or local government, or both.

(3) Moneys received from any tax imposed under the authority of this section shall be used for the purpose of providing funds for the costs associated with the financing, design, acquisition, construction, equipping, operating, maintaining, remodeling, repairing, and reequipping of its public facilities.

Sec. 4. RCW 36.100.180 and 1995 c 396 s 15 are each amended to read as follows:

(1) The public facilities district may secure services by means of an agreement with a service provider. The public facilities district shall publish notice, establish criteria, receive and evaluate proposals, and negotiate with respondents under requirements set forth by district resolution.

(2) For personal service contracts of one hundred fifty thousand dollars or greater not otherwise governed by chapter 39.80 RCW, contracts for architectural and engineering services, a competitive solicitation process is required. The district shall establish the process by resolution, which must at a minimum include the following:

(a) Notice. A notice inviting statements of either qualifications or proposals, or both, from interested parties must be published in a newspaper of general circulation throughout the county in which the district is located at least ten days before the date for submitting the statements of qualifications or proposals.

(b) Description of services required. The request for statements of either qualifications or proposals, or both published or provided to interested parties must describe the services required and list the types of information and data required of each proposal. It may also describe the evaluation criteria and state the relative importance of the criteria if then available.

(c) Review and evaluation. The district shall establish a process to review and evaluate statements of either qualifications or proposals, or both. That process may include a selection board identified by the district or some other panel of evaluators. If appropriate, the reviewers may hear oral presentations by proposers.

(d) Selection. The evaluators shall select and rank the most qualified proposers. In selecting and ranking such proposers, the selection board shall
consider the evaluation criteria established by the district and may consider such other information as may be secured during the evaluation process related to a proposer's qualifications and experience.

(e) Negotiations. The district shall enter into contract negotiations with the top-ranked proposer or proposers identified in the selection process. Negotiations may be conducted concurrently or sequentially as may be allowed by law.

(f) Approval. When negotiations are complete, the proposed contract will be presented to the district's governing body at its next regularly scheduled meeting for approval or ratification.

(3) Exceptions. The requirements of this section need not be met in the following circumstances:

(a) Emergency. When the contracting authority makes a finding that an emergency requires the immediate execution of the work involved. As used in this subsection, "emergency" has the same meaning as provided in RCW 39.29.006;

(b) Contract amendment. Amendments to existing service contracts are exempt from these requirements; and

(c) Sole source. In the event that the services being sought can only be obtained from a single source, then the district shall make a formal written finding stating the factual basis for the exception and the solicitation requirements of this section do not apply. As used in this subsection, "sole source" has the same meaning as provided in RCW 39.29.006.

(4) Prospective application. Nothing in this section affects the validity or effect of any district contract executed prior to the effective date of this act.

Be it enacted by the Legislature of the State of Washington:

PART I
BACKGROUND AND FINDINGS

NEW SECTION. Sec. 101. (1) In 2007, the legislature directed the department of revenue (department) to conduct a study of the taxation of electronically delivered products (digital products). In conducting the study, the department was assisted by a committee comprised of legislators, academics, and individuals representing different segments of government and industry (the "study committee").

(2) At the conclusion of the study, the department issued its final report December 5, 2008. The final report noted that any recommendations to the legislature should promote the following goals: (a) Simplicity and fairness; (b)
conformity with the streamlined sales and use tax agreement; (c) neutrality regardless of industry, content, and delivery method while taking the purchaser's underlying property rights into account; (d) consideration given to the revenue impact of potential changes to the tax base; (e) consideration given to the impact caused by the pyramiding of business inputs; (f) maintaining or enhancing the competitiveness of businesses located in Washington; and (g) maintaining certainty, consistency, durability, and equity despite changes in technology and business models.

(3) While the department's final report did not contain recommendations for the legislature, the report's conclusion notes that the study committee found that legislation implementing digital products tax policy is necessary in 2009 to: (a) Protect the sales and use tax base; (b) establish certainty in our tax code; (c) maintain conformity with the streamlined sales and use tax agreement; and (d) encourage economic development.

(4) This act is the outgrowth of the work of the department and the study committee. The purpose of this act is to implement those findings of the study committee noted in subsection (3) of this section. This act also takes into account the goals noted in subsection (2) of this section. Moreover, this act contains specific provisions to: (a) Provide protections for taxpayers who failed to pay or collect tax on digital products for periods before the effective date of this act; and (b) promote the location of server farms and data centers in this state by preventing the department from considering a person's ownership of, or rights in, digital goods or digital codes residing on servers located in this state in determining whether the person has nexus with this state for purposes of the taxes imposed in Title 82 RCW.

PART II

(8)(a) The term also includes the following sales to consumers of digital goods, digital codes, and digital automated services:

Sec. 303. RCW 82.08.010 and 2007 c 6 s 1302 are each amended to read as follows:

For the purposes of this chapter:

(1) (a) "Selling price" includes "sales price." "Sales price" means the total amount of consideration, except separately stated trade-in property of like kind, including cash, credit, property, and services, for which tangible personal property, extended warranties, digital goods, digital codes, digital automated services, or other services defined as a "retail sale" under RCW 82.04.050 are sold, leased, or rented, valued in money, whether received in money or otherwise. No deduction from the total amount of consideration is allowed for the following: (i) The seller's cost of the property sold; (ii) the cost of materials used, labor or service cost, interest, losses, all costs of transportation to the seller, all taxes imposed on the seller, and any other expense of the seller; (iii) charges by the seller for any services necessary to complete the sale, other than delivery and installation charges; (iv) delivery charges; and (v) installation charges.

When tangible personal property is rented or leased under circumstances that the consideration paid does not represent a reasonable rental for the use of the articles so rented or leased, the "selling price" shall be determined as nearly as possible according to the value of such use at the places of use of similar products of like quality and character under such rules as the department may prescribe;

(b) "Selling price" or "sales price" does not include: Discounts, including cash, term, or coupons that are not reimbursed by a third party that are allowed by a seller and taken by a purchaser on a sale; interest, financing, and carrying charges from credit extended on the sale of tangible personal property, extended warranties, digital goods, digital codes, digital automated services, or other services, if the amount is separately stated on the invoice, bill of sale, or similar document given to the purchaser; and any taxes legally imposed directly on the consumer that are separately stated on the invoice, bill of sale, or similar document given to the purchaser;

(c) "Selling price" or "sales price" includes consideration received by the seller from a third party if:

(i) The seller actually receives consideration from a party other than the purchaser, and the consideration is directly related to a price reduction or discount on the sale;

(ii) The seller has an obligation to pass the price reduction or discount through to the purchaser;

(iii) The amount of the consideration attributable to the sale is fixed and determinable by the seller at the time of the sale of the item to the purchaser; and
(iv) One of the criteria in this subsection (1)(c)(iv) is met:

(A) The purchaser presents a coupon, certificate, or other documentation to the seller to claim a price reduction or discount where the coupon, certificate, or documentation is authorized, distributed, or granted by a third party with the understanding that the third party will reimburse any seller to whom the coupon, certificate, or documentation is presented;

(B) The purchaser identifies himself or herself to the seller as a member of a group or organization entitled to a price reduction or discount, however a "preferred customer" card that is available to any patron does not constitute membership in such a group; or

(C) The price reduction or discount is identified as a third party price reduction or discount on the invoice received by the purchaser or on a coupon, certificate, or other documentation presented by the purchaser;

(2)(a) "Seller" means every person, including the state and its departments and institutions, making sales at retail or retail sales to a buyer, purchaser, or consumer, whether as agent, broker, or principal, except "seller" does not mean:

(i) The state and its departments and institutions when making sales to the state and its departments and institutions; or

(ii) A professional employer organization when a covered employee coemployed with the client under the terms of a professional employer agreement engages in activities that constitute a sale at retail that is subject to the tax imposed by this chapter. In such cases, the client, and not the professional employer organization, is deemed to be the seller and is responsible for collecting and remitting the tax imposed by this chapter.

(b) For the purposes of (a) of this subsection, the terms "client," "covered employee," "professional employer agreement," and "professional employer organization" have the same meanings as in RCW 82.04.540;

(3) "Buyer," "purchaser," and "consumer" include, without limiting the scope hereof, every individual, receiver, assignee, trustee in bankruptcy, trust, estate, firm, copartnership, joint venture, club, company, joint stock company, business trust, corporation, association, society, or any group of individuals acting as a unit, whether mutual, cooperative, fraternal, nonprofit, or otherwise, municipal corporation, quasi municipal corporation, and also the state, its departments and institutions and all political subdivisions thereof, irrespective of the nature of the activities engaged in or functions performed, and also the United States or any instrumentality thereof;

(4) "Delivery charges" means charges by the seller of personal property or services for preparation and delivery to a location designated by the purchaser of personal property or services including, but not limited to, transportation, shipping, postage, handling, crating, and packing;

(5) "Direct mail" means printed material delivered or distributed by United States mail or other delivery service to a mass audience or to addressees on a mailing list provided by the purchaser or at the direction of the purchaser when the cost of the items are not billed directly to the recipients. "Direct mail" includes tangible personal property supplied directly or indirectly by the purchaser to the direct mail seller for inclusion in the package containing the printed material. "Direct mail" does not include multiple items of printed material delivered to a single address;
(6) The meaning attributed in chapter 82.04 RCW to the terms "tax year," "taxable year," "person," "company," "sale," "sale at retail," "retail sale," "sale at wholesale," "wholesale," "business," "engaging in business," "cash discount," "successor," "consumer," "in this state" and "within this state" shall apply equally to the provisions of this chapter;

(7) For the purposes of the taxes imposed under this chapter and under chapter 82.12 RCW, "tangible personal property" means personal property that can be seen, weighed, measured, felt, or touched, or that is in any other manner perceptible to the senses. Tangible personal property includes electricity, water, gas, steam, and prewritten computer software;

(8) "Extended warranty" has the same meaning as in RCW 82.04.050(7);

(9) The definitions in section 201 of this act apply to this chapter; and

(10) For the purposes of the taxes imposed under this chapter and chapter 82.12 RCW, whenever the terms "property" or "personal property" are used, those terms must be construed to include digital goods and digital codes unless:

(a) It is clear from the context that the term "personal property" is intended only to refer to tangible personal property;

(b) It is clear from the context that the term "property" is intended only to refer to tangible personal property, real property, or both;

(c) To construe the term "property" or "personal property" as including digital goods and digital codes would yield unlikely, absurd, or strained consequences.

Sec. 304. RCW 82.12.010 and 2006 c 301 s 3 are each amended to read as follows:

For the purposes of this chapter:

(1) "Purchase price" means the same as sales price as defined in RCW 82.08.010((.));

(2(a) "Value of the article used" shall be the purchase price for the article of tangible personal property, the use of which is taxable under this chapter. The term also includes, in addition to the purchase price, the amount of any tariff or duty paid with respect to the importation of the article used. In case the article used is acquired by lease or by gift or is extracted, produced, or manufactured by the person using the same or is sold under conditions wherein the purchase price does not represent the true value thereof, the value of the article used shall be determined as nearly as possible according to the retail selling price at place of use of similar products of like quality and character under such rules as the department may prescribe.

(b) In case the articles used are acquired by bailment, the value of the use of the articles so used shall be in an amount representing a reasonable rental for the use of the articles so bailed, determined as nearly as possible according to the value of such use at the places of use of similar products of like quality and character under such rules as the department of revenue may prescribe. In case any such articles of tangible personal property are used in respect to the construction, repairing, decorating, or improving of, and which become or are to become an ingredient or component of, new or existing buildings or other structures under, upon, or above real property of or for the United States, any instrumentality thereof, or of any county or city housing authority created pursuant to chapter 35.82 RCW, including the installing or attaching of any such articles therein or thereto, whether or not such personal property becomes a part of the
realty by virtue of installation, then the value of the use of such articles so used shall be determined according to the retail selling price of such articles, or in the absence of such a selling price, as nearly as possible according to the retail selling price at place of use of similar products of like quality and character or, in the absence of either of these selling price measures, such value may be determined upon a cost basis, in any event under such rules as the department of revenue may prescribe.

(c) In the case of articles owned by a user engaged in business outside the state which are brought into the state for no more than one hundred eighty days in any period of three hundred sixty-five consecutive days and which are temporarily used for business purposes by the person in this state, the value of the article used shall be an amount representing a reasonable rental for the use of the articles, unless the person has paid tax under this chapter or chapter 82.08 RCW upon the full value of the article used, as defined in (a) of this subsection.

(d) In the case of articles manufactured or produced by the user and used in the manufacture or production of products sold or to be sold to the department of defense of the United States, the value of the articles used shall be determined according to the value of the ingredients of such articles.

(e) In the case of an article manufactured or produced for purposes of serving as a prototype for the development of a new or improved product, the value of the article used shall be determined by: (i) The retail selling price of such new or improved product when first offered for sale; or (ii) the value of materials incorporated into the prototype in cases in which the new or improved product is not offered for sale.

(f) In the case of an article purchased with a direct pay permit under RCW 82.32.087, the value of the article used shall be determined by the purchase price of such article if, but for the use of the direct pay permit, the transaction would have been subject to sales tax;

(3) "Value of the service used" means the purchase price for the digital automated service or other service, the use of which is taxable under this chapter. If the service is received by gift or under conditions wherein the purchase price does not represent the true value thereof, the value of the service used shall be determined as nearly as possible according to the retail selling price at place of use of similar services of like quality and character under rules the department may prescribe;

(4) "Value of the extended warranty used" means the purchase price for the extended warranty, the use of which is taxable under this chapter. If the extended warranty is received by gift or under conditions wherein the purchase price does not represent the true value of the extended warranty, the value of the extended warranty used shall be determined as nearly as possible according to the retail selling price at place of use of similar extended warranties of like quality and character under rules the department may prescribe;

(5) "Value of the digital good or digital code used" means the purchase price for the digital good or digital code, the use of which is taxable under this chapter. If the digital good or digital code is acquired other than by purchase, the value of the digital good or digital code must be determined as nearly as possible according to the retail selling price at place of use of similar digital goods or digital codes of like quality and character under rules the department may prescribe;
(6) "Use," "used," "using," or "put to use" ((shall)) have their ordinary meaning, and ((shall)) mean:

(a) With respect to tangible personal property, the first act within this state by which the taxpayer takes or assumes dominion or control over the article of tangible personal property (as a consumer), and include installation, storage, withdrawal from storage, distribution, or any other act preparatory to subsequent actual use or consumption within this state;

(b) With respect to a service defined in RCW 82.04.050(2)(a), the first act within this state after the service has been performed by which the taxpayer takes or assumes dominion or control over the article of tangible personal property upon which the service was performed (as a consumer), and includes installation, storage, withdrawal from storage, distribution, or any other act preparatory to subsequent actual use or consumption of the article within this state;

(c) With respect to an extended warranty, the first act within this state after the extended warranty has been acquired by which the taxpayer takes or assumes dominion or control over the article of tangible personal property to which the extended warranty applies, and includes installation, storage, withdrawal from storage, distribution, or any other act preparatory to subsequent actual use or consumption of the article within this state;

(d) With respect to a digital good or digital code, the first act within this state by which the taxpayer, as a consumer, views, accesses, downloads, possesses, stores, opens, manipulates, or otherwise uses or enjoys the digital good or digital code;

(2) For purposes of this section, a person is considered to be engaging within this state in the business of making sales of digital goods, digital codes, digital automated services, or services described in RCW 82.04.050 (2)(g) or (6)(b), if the person makes sales of digital goods, digital codes, digital automated services, or services described in RCW 82.04.050 (2)(g) or (6)(b) and the sales are sourced to this state under RCW 82.32.730 for sales tax purposes or would have been sourced to this state under RCW 82.32.730 if the sale had been taxable under chapter 82.08 RCW.

(a) For a lease or rental that requires recurring periodic payments, the first periodic payment is sourced the same as a retail sale in accordance with subsection (1) of this section. The primary property location shall be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. The property location is not altered by intermittent use at different locations, such as use of business property that accompanies employees on business trips and service calls.

(b) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with subsection (1) of this section.

(b) Excise taxes on the sale, purchase, use, or possession of (i) real property; (ii) tangible personal property; (iii) extended warranties; (and) (iv) services, including digital automated services as defined in section 201 of this act; and (v) digital goods and digital codes as those terms are defined in section 201 of this act; and

(3) For the purposes of this section, the term "taxes" includes taxes imposed by the state or any county, city, town, municipal corporation, quasi-municipal corporation, or other political subdivision.

Sec. 1103. RCW 82.02.020 and 2008 c 113 s 2 are each amended to read as follows:

Except only as expressly provided in chapters 67.28, 81.104, and 82.14 RCW, the state preempts the field of imposing retail sales and use taxes and taxes upon (retail sales of tangible personal property, the use of tangible
personal property) parimutuel wagering authorized pursuant to RCW 67.16.060, conveyances, and cigarettes, and no county, town, or other municipal subdivision shall have the right to impose taxes of that nature. Except as provided in RCW 64.34.440 and 82.02.050 through 82.02.090, no county, city, town, or other municipal corporation shall impose any tax, fee, or charge, either direct or indirect, on the construction or reconstruction of residential buildings, commercial buildings, industrial buildings, or on any other building or building space or appurtenance thereto, or on the development, subdivision, classification, or reclassification of land. However, this section does not preclude dedications of land or easements within the proposed development or plat which the county, city, town, or other municipal corporation can demonstrate are reasonably necessary as a direct result of the proposed development or plat to which the dedication of land or easement is to apply.

This section does not prohibit voluntary agreements with counties, cities, towns, or other municipal corporations that allow a payment in lieu of a dedication of land or to mitigate a direct impact that has been identified as a consequence of a proposed development, subdivision, or plat. A local government shall not use such voluntary agreements for local off-site transportation improvements within the geographic boundaries of the area or areas covered by an adopted transportation program authorized by chapter 39.92 RCW. Any such voluntary agreement is subject to the following provisions:

1. The payment shall be held in a reserve account and may only be expended to fund a capital improvement agreed upon by the parties to mitigate the identified, direct impact;

2. The payment shall be expended in all cases within five years of collection; and

3. Any payment not so expended shall be refunded with interest to be calculated from the original date the deposit was received by the county and at the same rate applied to tax refunds pursuant to RCW 84.69.100; however, if the payment is not expended within five years due to delay attributable to the developer, the payment shall be refunded without interest.

No county, city, town, or other municipal corporation shall require any payment as part of such a voluntary agreement which the county, city, town, or other municipal corporation cannot establish is reasonably necessary as a direct result of the proposed development or plat.

Nothing in this section prohibits cities, towns, counties, or other municipal corporations from collecting reasonable fees from an applicant for a permit or other governmental approval to cover the cost to the city, town, county, or other municipal corporation of processing applications, inspecting and reviewing plans, or preparing detailed statements required by chapter 43.21C RCW.

This section does not limit the existing authority of any county, city, town, or other municipal corporation to impose special assessments on property specifically benefitted thereby in the manner prescribed by law.

Nothing in this section prohibits counties, cities, or towns from imposing or permits counties, cities, or towns to impose water, sewer, natural gas, drainage utility, and drainage system charges(Provided, That). However, no such charge shall exceed the proportionate share of such utility or system's capital costs which the county, city, or town can demonstrate are attributable to the property being charged(Provided Further, That). Furthermore, these
provisions ((shall)) may not be interpreted to expand or contract any existing authority of counties, cities, or towns to impose such charges.

Nothing in this section prohibits a transportation benefit district from imposing fees or charges authorized in RCW 36.73.120 nor prohibits the legislative authority of a county, city, or town from approving the imposition of such fees within a transportation benefit district.

Nothing in this section prohibits counties, cities, or towns from imposing transportation impact fees authorized pursuant to chapter 39.92 RCW.

Nothing in this section prohibits counties, cities, or towns from requiring property owners to provide relocation assistance to tenants under RCW 59.18.440 and 59.18.450.

Nothing in this section limits the authority of counties, cities, or towns to implement programs consistent with RCW 36.70A.540, nor to enforce agreements made pursuant to such programs.

This section does not apply to special purpose districts formed and acting pursuant to Title((s)) 54, 57, or 87 RCW, nor is the authority conferred by these titles affected.

Sec. 1106. RCW 82.08.130 and 1993 sp.s. c 25 s 702 are each amended to read as follows:

(1) If a buyer normally is engaged in both consuming and reselling certain types of ((articles of tangible)) personal property, the retail sale of which is taxable under this chapter, and the buyer is not able to determine at the time of purchase whether the particular property acquired will be consumed or resold, the buyer may use a resale certificate for the entire purchase if the buyer principally resells the articles according to the general nature of the buyer's business. Except as provided in this section, the tax in addition to other taxes authorized by law and shall be collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the taxing jurisdiction of the city, town, or county. The rate of tax shall not exceed the rate provided in RCW 82.08.020(1) in the case of a sales tax or ((the rate provided in RCW 82.12.020(5) in the case of a use tax,)) less the aggregate rates of any other taxes imposed on the same events that are credited against the state taxes imposed under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the taxing jurisdiction of the city, town, or county. The rate of tax shall be no higher than what is reasonably necessary for the local government to receive its entire annual state contribution in a ten-month period of time.

(2) The tax imposed under subsection (1) of this section shall be deducted from the amount of tax otherwise required to be collected or paid over to the department under chapter 82.08 or 82.12 RCW. The department shall perform the collection of such taxes on behalf of the city, town, or county at no cost to the city, town, or county.

(3) No tax may be imposed under this section before July 1, 2007. Before imposing a tax under this section, the city, town, or county shall first have received tax allocation revenues during the preceding calendar year. The tax imposed under this section shall expire on the earlier of the date: (a) The tax allocation revenues are no longer used for public improvements and public
improvement costs; (b) the bonds issued under the authority of chapter 39.100 RCW are retired, if the bonds are issued; or (c) that is thirty years after the tax is first imposed.

(4) An ordinance adopted by the legislative authority of a city, town, or county imposing a tax under this section shall provide that:
   (a) The tax shall first be imposed on the first day of a fiscal year;
   (b) The amount of tax received by the local government in any fiscal year shall not exceed the amount of the state contribution;
   (c) The tax shall cease to be distributed for the remainder of any fiscal year in which either:

   (d) The tax shall be distributed again, should it cease to be distributed for any of the reasons provided in (c) of this subsection, at the beginning of the next fiscal year, subject to the restrictions in this section; and
   (e) Any revenue generated by the tax in excess of the amounts specified in (b) and (c) of this subsection shall belong to the state of Washington.

(5) If both a county and a city or town impose a tax under this section, the tax imposed by the city, town, or county shall be credited as follows:
   (a) If the county has created a benefit zone before the city or town, the tax imposed by the county shall be credited against the tax imposed by the city or town, the purpose of such credit is to give priority to the county tax; and
   (b) If the city or town has created a benefit zone before the county, the tax imposed by the city or town shall be credited against the tax imposed by the county, the purpose of such credit is to give priority to the city or town tax.

(6) The department shall determine the amount of tax distributions attributable to each city, town, and county imposing a sales and use tax under this section and shall advise a city, town, or county when the tax will cease to be distributed for the remainder of the fiscal year as provided in subsection (4)(c) of this section. Determinations by the department of the amount of taxes attributable to a city, town, or county are final and shall not be used to challenge the validity of any tax imposed under this section. The department shall remit any tax revenues in excess of the amounts specified in subsection (4)(b) and (c) of this section to the state treasurer who shall deposit the moneys in the general fund.

Sec. 1111. RCW 82.32.020 and 2007 c 6 s 101 are each amended to read as follows:

For the purposes of this chapter:

(2) Whenever "property" or "personal property" is used, those terms must be construed to include digital goods and digital codes unless: (a) It is clear from the context that the term "personal property" is intended only to refer to tangible personal property; (b) it is clear from the context that the term "property" is intended only to refer to tangible personal property, real property, or both; or (c) to construe the term "property" or "personal property" as including digital goods and digital codes would yield unlikely, absurd, or strained consequences.

The petitioning states, by majority vote, may also grant associate member status to a petitioning state that does not receive an affirmative vote of three-fourths of the petitioning states upon a finding that the state has achieved substantial compliance with the terms of the agreement as a whole, but not necessarily each required provision, measured qualitatively, and there is a reasonable expectation that the state will achieve compliance by January 1, 2008.

(B) Before the effective date of the agreement, has been found to be in compliance with the requirements of the agreement by an affirmative vote of three-fourths of the other petitioning states; or
(C) After the effective date of the agreement, has been found to be in compliance with the agreement by a three-fourths vote of the entire governing board of the agreement.

(ii) Membership by reason of (e)(i)(A) and (B) of this subsection is effective on the first day of a calendar quarter at least sixty days after at least ten states comprising at least twenty percent of the total population, as determined by the 2000 federal census, of all states imposing a state sales tax have petitioned for membership and have either been found in compliance with the agreement or have been found to be an associate member under section 704 of the agreement.

(iii) Membership by reason of (e)(i)(A) and (C) of this subsection is effective on the state's proposed date of entry or the first day of the calendar quarter after its petition is approved by the governing board, whichever is later, and at least sixty days after its petition is approved.

(h) "Model 3 seller" means a seller that has sales in at least five member states, has total annual sales revenue of at least five hundred million dollars, has a proprietary system that calculates the amount of tax due each jurisdiction, and has entered into a performance agreement with the member states that establishes a tax performance standard for the seller. As used in this subsection ((2))(3)(h), a seller includes an affiliated group of sellers using the same proprietary system.

(i) "Source" means the location in which the sale or use of tangible personal property, a digital good or digital code, an extended warranty, or a digital...
automated service or other service, subject to tax under chapter 82.08, 82.12, 82.14, or 82.14B RCW, is deemed to occur.

Sec. 1112. RCW 82.32.023 and 2007 c 6 s 104 are each amended to read as follows:

For purposes of construing those provisions of the streamlined sales and use tax agreement that have been incorporated into this title, and unless the context requires otherwise, the terms "product" and "products" refer to tangible personal property, digital goods, digital codes, digital automated services, other services, extended warranties, and anything else that can be sold or used.
