CHAPTER 2

[Substitute House Bill 2998]

STATE EMPLOYEES—MONETARY AWARDS AND SALARY INCREASES—SUSPENSION

AN ACT Relating to suspension of certain monetary awards and salary increases; amending RCW 41.06.500 and 43.180.080; reenacting and amending RCW 41.06.070 and 41.06.133; adding a new section to chapter 41.06 RCW; creating a new section; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that the current economic crisis is requiring sacrifices by citizens and businesses all across the state. The legislature acknowledges the sacrifices also being made by the many state employees who have volunteered for unpaid furlough days including those, such as our ferry workers, who volunteered for pay freezes. Therefore, the legislature finds it necessary to immediately suspend recognition awards given to state employees. Until the economic climate permits the resumption of appropriate cash awards, the legislature encourages supervisors throughout state agencies to look for nonmonetary ways to acknowledge outstanding contributions to Washington's citizens by our state's civil servants.

The department and the contracted provider should mutually agree, to the greatest extent possible, on a viable placement for the child to go to once the child's treatment process has been completed. The child shall exit only when the emotional, behavioral, or medical condition has improved or if the provider has not shown progress toward the outcomes specified in the signed contract at the time of exit. This subsection (b) does not prevent or eliminate the department's responsibility for removing the child from the provider if the child's emotional, behavioral, or medical condition worsens or is threatened.

(c) The department is encouraged to use performance-based contracts with incentives directly tied to outcomes described in this section. The contracts should incentivize contracted providers to accept the hardest to place children and incentivize improvement in children's emotional, mental, and medical well-being within the established exit date. The committee shall have one representative from the juvenile rehabilitation administration, one representative from the office of financial management, one representative from the office of the administrator of the courts, and one representative from the juvenile courts. Decision making will be by majority rule.

General Fund—State Appropriation (FY 2011) . . . . . . . . . . . . . . . $296,619,000
General Fund—Federal Appropriation . . . . . . . . . . . . . . . . . . . . . $463,180,000

TOTAL APPROPRIATION . . . . . . . . . . . . . . . . . . . . . . $1,041,344,000

The appropriations in this subsection are subject to the following conditions and limitations:
(a) $113,689,000 of the general fund—state appropriation for fiscal year 2010 and $113,689,000 of the general fund—state appropriation for fiscal year 2011 are provided solely for persons and services not covered by the medicaid program. This is a reduction of $11,606,000 each fiscal year from the nonmedicaid funding that was allocated for expenditure by regional support networks during fiscal year 2009 prior to supplemental budget reductions. This $11,606,000 reduction shall be distributed among regional support networks proportional to each network's share of the total state population. To the extent possible, levels of regional support network spending shall be maintained in the following priority order: (i) Crisis and commitment services; (ii) community inpatient services; and (iii) residential care services, including personal care and emergency housing assistance.
(b) $16,900,000 of the general fund—state appropriation for fiscal year 2010 and $16,900,000 of the general fund—state appropriation for fiscal year 2011 are provided solely for the department and regional support networks to contract for implementation of high-intensity program for active community treatment (PACT) teams, and other proven program approaches that the department concurs will enable the regional support network to achieve significant reductions in the number of beds the regional support network would otherwise need to use at the state hospitals.
(c) The number of nonforensic beds allocated for use by regional support networks at eastern state hospital shall be 192 per day. The number of nonforensic beds allocated for use by regional support networks at western state hospital shall be 617 per day during the first quarter of fiscal year 2010, and 587 per day thereafter. Beds in the program for adaptive living skills (PALS) are not included in the preceding bed allocations. The department shall separately charge regional support networks for persons served in the PALS program.
(d) From the general fund—state appropriations in this subsection, the secretary of social and health services shall assure that regional support networks reimburse the aging and disability services administration for the general fund—state cost of medicaid personal care services that enrolled regional support network consumers use because of their psychiatric disability.
(e) $4,582,000 of the general fund—state appropriation for fiscal year 2010 and $4,582,000 of the general fund—state appropriation for fiscal year 2011 are provided solely for mental health services for mentally ill offenders while confined in a county or city jail and for facilitating access to programs that offer mental health services upon release from confinement.
(f) The department is authorized to continue to contract directly, rather than through contracts with regional support networks, for children's long-term inpatient facility services.

(g) $750,000 of the general fund—state appropriation for fiscal year 2010 and $750,000 of the general fund—state appropriation for fiscal year 2011 are provided solely to continue performance-based incentive contracts to provide appropriate community support services for individuals with severe mental illness who were discharged from the state hospitals as part of the expanding community services initiative. These funds will be used to enhance community residential and support services provided by regional support networks through other state and federal funding.

(h) $1,500,000 of the general fund—state appropriation for fiscal year 2010 and $1,500,000 of the general fund—state appropriation for fiscal year 2011 are provided solely for the Spokane regional support network to implement services to reduce utilization and the census at eastern state hospital. Such services shall include:

(i) High intensity treatment team for persons who are high utilizers of psychiatric inpatient services, including those with co-occurring disorders and other special needs;

(ii) Crisis outreach and diversion services to stabilize in the community individuals in crisis who are at risk of requiring inpatient care or jail services;

(iii) Mental health services provided in nursing facilities to individuals with dementia, and consultation to facility staff treating those individuals; and

(iv) Services at the sixteen-bed evaluation and treatment facility.

At least annually, the Spokane regional support network shall assess the effectiveness of these services in reducing utilization at eastern state hospital, identify services that are not optimally effective, and modify those services to improve their effectiveness.

(i) The department shall return to the Spokane regional support network fifty percent of the amounts assessed against the network during the last six months of calendar year 2009 for state hospital utilization in excess of its contractual limit. The regional support network shall use these funds for operation during its initial months of a new sixteen-bed evaluation and treatment facility that will enable the network to reduce its use of the state hospital, and for diversion and community support services for persons with dementia who would likely otherwise require care at the state hospital.

(j) The department is directed to identify and implement program efficiencies and benefit changes in its delivery of medicaid managed-care services that are sufficient to operate within the state and federal appropriations in this section. Such actions may include but are not limited to methods such as adjusting the care access standards; improved utilization management of ongoing, recurring, and high-intensity services; and increased uniformity in provider payment rates. The department shall ensure that the capitation rate adjustments necessary to accomplish these efficiencies and changes are distributed uniformly and equitably across all regional support networks statewide. The department is directed to report to the relevant legislative fiscal and policy committees at least thirty days prior to implementing rate adjustments reflecting these changes.
(k) In developing the new medicaid managed care rates under which the public mental health managed care system will operate during the five years beginning in fiscal year 2011, the department should seek to estimate the reasonable and necessary cost of efficiently and effectively providing a comparable set of medically necessary mental health benefits to persons of different acuity levels regardless of where in the state they live. Actual prior period spending in a regional administrative area shall not be a key determinant of future payment rates. The department shall report to the office of financial management and to the relevant fiscal and policy committees of the legislature on its proposed new waiver and mental health managed care rate-setting approach by October 1, 2009, and again at least sixty days prior to implementation of new capitation rates.

(l) $1,529,000 of the general fund—state appropriation for fiscal year 2010 and $1,529,000 of the general fund—state appropriation for fiscal year 2011 are provided solely to reimburse Pierce and Spokane counties for the cost of conducting 180-day commitment hearings at the state psychiatric hospitals.

(m) The legislature intends and expects that regional support networks and contracted community mental health agencies shall make all possible efforts to, at a minimum, maintain current compensation levels of direct care staff. Such efforts shall include, but not be limited to, identifying local funding that can preserve client services and staff compensation, achieving administrative reductions at the regional support network level, and engaging stakeholders on cost-savings ideas that maintain client services and staff compensation. For purposes of this section, "direct care staff" means persons employed by community mental health agencies whose primary responsibility is providing direct treatment and support to people with mental illness, or whose primary responsibility is providing direct support to such staff in areas such as client scheduling, client intake, client reception, client records-keeping, and facilities maintenance.

The appropriations in this subsection are subject to the following conditions and limitations:

(a) Individuals receiving services as supplemental security income (SSI) state supplemental payments shall not become eligible for medical assistance under RCW 74.09.510 due solely to the receipt of SSI state supplemental payments.

(b) Amounts appropriated in this section reflect a reduction to funds appropriated for in-home care. The department shall reduce the number of in-home hours authorized. The reduction shall be scaled based on the acuity level of care recipients. The largest hour reductions shall be to lower acuity patients and the smallest hour reductions shall be to higher acuity patients. In doing so, the department shall comply with all maintenance of effort requirements contained in the American reinvestment and recovery act.

(c) Amounts appropriated in this section are sufficient to develop and implement the use of a consistent, statewide outcome-based vendor contract for employment and day services by April 1, 2011. The rates paid to vendors under this contract shall also be made consistent. In its description of activities the agency shall include activity listings and dollars appropriated for: Employment services, day services, child development services and county administration of services to the developmentally disabled. The department shall begin reporting to the office of financial management on these activities beginning in fiscal year 2010.

(d) $5,593,000 of the general fund—state appropriation for fiscal year 2010, $4,002,000 of the general fund—state appropriation for fiscal year 2011, and $14,701,000 of the general fund—federal appropriation are provided solely for community residential and support services. Funding in this subsection shall be prioritized for (i) residents of residential habilitation centers who are able to be adequately cared for in community settings and who choose to live in those community settings; (ii) clients without residential services who are at immediate risk of institutionalization or in crisis; (iii) children who are at risk of institutionalization or who are aging out of other state services; and (iv) current home and community-based waiver program clients who have been assessed as having an immediate need for increased services. First priority shall be given to children who are at risk of institutionalization. The department shall ensure that the average cost per day for all program services other than start-up costs shall not exceed $300. In order to maximize the number of clients served and ensure the cost-effectiveness of the waiver programs, the department will strive to limit new client placement expenditures to 90 percent of the budgeted daily rate. If this can be accomplished, additional clients may be served with excess funds, provided the total projected carry-forward expenditures do not exceed the amounts estimated. The department shall electronically report to the appropriate committees of the legislature, within 45 days following each fiscal year quarter, the number of persons served with these additional community services, where they were residing, what kinds of services they were receiving prior to placement, and the actual expenditures for all community services to support these clients.
(e)(i) $493,000 of the general fund—state appropriation for fiscal year 2010, $1,463,000 of the general fund—state appropriation for fiscal year 2011, and $2,741,000 of the general fund—federal appropriation are provided solely for community services for persons with developmental disabilities who also have community protection issues. Funding in this subsection shall be prioritized for (A) clients being diverted or discharged from the state psychiatric hospitals; (B) clients participating in the dangerous mentally ill offender program; (C) clients participating in the community protection program; and (D) mental health crisis diversion outplacements. The department shall ensure that the average cost per day for all program services other than start-up costs shall not exceed $349 per day in fiscal year 2010 and $356 per day in fiscal year 2011. In order to maximize the number of clients served and ensure the cost-effectiveness of the waiver programs, the department will strive to limit new client placement expenditures to 90 percent of the budgeted daily rate. If this can be accomplished, additional clients may be served with excess funds if the total projected carry-forward expenditures do not exceed the amounts estimated.

(ii) The department shall electronically report to the appropriate committees of the legislature, within 45 days following each fiscal year quarter, the number of persons served with these additional community services, where they were residing, what kinds of services they were receiving prior to placement, and the actual expenditures for all community services to support these clients.

(f) $302,000 of the general fund—state appropriation for fiscal year 2010, $831,000 of the general fund—state appropriation for fiscal year 2011, and $1,592,000 of the general fund—federal appropriation are provided solely for health care benefits pursuant to a collective bargaining agreement negotiated with the exclusive bargaining representative of individual providers established under RCW 74.39A.270.

(g)(i) $682,000 of the general fund—state appropriation for fiscal year 2010, $1,651,000 of the general fund—state appropriation for fiscal year 2011, and $1,678,000 of the general fund—federal appropriation are provided solely for the state’s contribution to the training partnership, as provided in RCW 74.39A.360, pursuant to a collective bargaining agreement negotiated with the exclusive bargaining representative of individual providers established under RCW 74.39A.270.

(ii) The federal portion of the amounts in this subsection (g) is contingent upon federal approval of participation in contributions to the trust and shall remain unallotted and placed in reserve status until the office of financial management and the department of social and health services receive federal approval.

(iii) Expenditures for the purposes specified in this subsection (g) shall not exceed the amounts provided in this subsection.

((g)(ii) (h)) Within the amounts appropriated in this subsection (1), the department shall implement all necessary rules to facilitate the transfer to a department home and community-based services (HCBS) waiver of all eligible individuals who (i) currently receive services under the existing state-only employment and day program or the existing state-only residential program, and (ii) otherwise meet the waiver eligibility requirements. The amounts appropriated are sufficient to ensure that all individuals currently receiving services under the state-only employment and day and state-only residential
programs who are not transferred to a department HCBS waiver will continue to receive services.

((i))  (i) Adult day health services shall only be authorized for in-home clients.

((j))  (j) In addition to other reductions, the appropriations in this subsection reflect reductions targeted specifically to state government administrative costs. These administrative reductions shall be achieved, to the greatest extent possible, by reducing those administrative costs that do not affect direct client services or direct service delivery or programs.

((k))  (k) The department shall not pay a home care agency licensed under chapter 70.127 RCW for personal care services provided by a family member, pursuant to Substitute House Bill No. 2361 (modifying state payments for in-home care).

((l))  (l) Within the appropriations of this section, the department shall reduce all seventeen payment levels of the seventeen-level payment system from the fiscal year 2009 levels for boarding homes, boarding homes contracted as assisted living, and adult family homes. Excluded from the reductions are exceptional care rate add-ons. The long-term care program may develop add-ons to pay exceptional care rates to adult family homes and boarding homes with specialty contracts to provide support for the following specifically eligible clients:

(i) Persons with AIDS or HIV-related diseases who might otherwise require nursing home or hospital care;

(ii) Persons with Alzheimer’s disease and related dementia who might otherwise require nursing home care; and

(iii) Persons with co-occurring mental illness and long-term care needs who are eligible for expanded community services and who might otherwise require state and local psychiatric hospital care.

Within amounts appropriated, exceptional add-on rates for AIDS/HIV, dementia specialty care, and expanded community services may be standardized within each program.

((m))  (m) The amounts appropriated in this subsection reflect a reduction in funds available for employment and day services. In administering this reduction the department shall negotiate with counties and their vendors so that this reduction, to the greatest extent possible, is achieved by reducing vendor rates and allowable contract administrative charges (overhead) and not through reductions to direct client services or direct service delivery or programs.

((n))  (n) Within the amounts allotted for employment and day services in this section, the department shall prioritize the funding of employment services for students graduating from high school during fiscal years 2010 and 2011. However, nothing in this subsection is intended to displace services for other recipients of employment services.

((o))  (o) As part of the needs assessment instrument, the department may collect data on family income for minor children with developmental disabilities and all individuals who are receiving state-only funded services. The department may ensure that this information is collected as part of the client assessment process.

The appropriations in this section are subject to the following conditions and limitations:

(1) For purposes of implementing chapter 74.46 RCW, the weighted average nursing facility payment rate shall not exceed $156.37 for fiscal year 2010 and shall not exceed $158.74 for fiscal year 2011, including the rate add-on described in subsection (12) of this section. There will be no adjustments for economic trends and conditions in fiscal years 2010 and 2011. The economic trends and conditions factor or factors defined in the biennial appropriations act shall not be compounded with the economic trends and conditions factor or factors defined in any other biennial appropriations acts before applying it to the component rate allocations established in accordance with chapter 74.46 RCW. When no economic trends and conditions factor for either fiscal year is defined in a biennial appropriations act, no economic trends and conditions factor or factors defined in any earlier biennial appropriations act shall be applied solely or compounded to the component rate allocations established in accordance with chapter 74.46 RCW.

(2) In accordance with chapter 74.46 RCW, the department shall issue no additional certificates of capital authorization for fiscal year 2010 and no new certificates of capital authorization for fiscal year 2011.

(3) The long-term care program may develop and pay enhanced rates for exceptional care to nursing homes for persons with traumatic brain injuries who are transitioning from hospital care. The cost per patient day for caring for these clients in a nursing home setting may be equal to or less than the cost of caring for these clients in a hospital setting.

(4) Within the appropriations of this section, the department shall reduce all seventeen payment levels of the seventeen-level payment system from the fiscal year 2009 levels for boarding homes, boarding homes contracted as assisted living, and adult family homes. Excluded from the reductions are exceptional care rate add-ons. (a) Persons with AIDS or HIV-related diseases who might otherwise require nursing home or hospital care;
(b) Persons with Alzheimer's disease and related dementia who might otherwise require nursing home care; and
(c) Persons with co-occurring mental illness and long-term care needs who are eligible for expanded community services and who might otherwise require state and local psychiatric hospital care.

Within amounts appropriated, exceptional add-on rates for AIDS/HIV, dementia specialty care, and expanded community services may be standardized within each program.

(5) Amounts appropriated in this section reflect a reduction to funds appropriated for in-home care. The department shall reduce the number of in-home hours authorized. The reduction shall be scaled based on the acuity level of care recipients. The largest hour reductions shall be to lower acuity patients and the smallest hour reductions shall be to higher acuity patients. In doing so, the department shall comply with all maintenance of effort requirements contained in the American reinvestment and recovery act.

(6) $536,000 of the general fund—state appropriation for fiscal year 2010, $1,477,000 of the general fund—state appropriation for fiscal year 2011, and $2,830,000 of the general fund—federal appropriation are provided solely for health care benefits pursuant to a collective bargaining agreement negotiated with the exclusive bargaining representative of individual providers established under RCW 74.39A.270.

(c) The federal portion of the amounts in this subsection is contingent upon federal approval of participation in contributions to the trust and shall remain unallotted and placed in reserve status until the office of financial management and the department of social and health services receive federal approval.

(d) Expenditures for the purposes specified in this subsection shall not exceed the amounts provided in this subsection.

(8) Within the amounts appropriated in this section, the department may expand the new freedom waiver program to accommodate new waiver recipients throughout the state. As possible, and in compliance with current state and federal laws, the department shall allow current waiver recipients to transfer to the new freedom waiver.

(11) $3,955,000 of the general fund—state appropriation for fiscal year 2010, $4,239,000 of the general fund—state appropriation for fiscal year 2011, and $10,190,000 of the general fund—federal appropriation are provided solely for the continued operation of community residential and support services for persons who are older adults or who have co-occurring medical and behavioral disorders and who have been discharged or diverted from a state psychiatric hospital. These funds shall be used to serve individuals whose treatment needs constitute substantial barriers to community placement, who no longer require active psychiatric treatment at an inpatient hospital level of care, and who no longer meet the criteria for inpatient involuntary commitment. Coordination of these services will be done in partnership between the mental health program and the aging and disability services administration.

(12) Within the funds provided, the department shall continue to provide an add-on per medicaid resident day per facility not to exceed $1.57. The add-on shall be used to increase wages, benefits, and/or staffing levels for certified nurse aides; or to increase wages and/or benefits for dietary aides, housekeepers, laundry aides, or any other category of worker whose statewide average dollars-per-hour wage was less than $15 in calendar year 2008, according to cost report data. The add-on may also be used to address resulting wage compression for related job classes immediately affected by wage increases to low-wage workers. The department shall continue reporting requirements and a settlement process to ensure that the funds are spent according to this subsection. The department shall adopt rules to implement the terms of this subsection.

(13) $1,840,000 of the general fund—state appropriation for fiscal year 2010 and $1,877,000 of the general fund—state appropriation for fiscal year 2011 are provided solely for operation of the volunteer chore services program.

(a) One waiver program shall include coverage of care in community residential facilities. Enrollment in the waiver shall not exceed 600 persons at any time.

(b) The second waiver program shall include coverage of in-home care. Enrollment in this second waiver shall not exceed 200 persons at any time.

(c) The department shall identify the number of medically needy nursing home residents, and enrollment and expenditures on each of the two medically needy waivers, on monthly management reports.

(d) If it is necessary to establish a waiting list for either waiver because the budgeted number of enrollment opportunities has been reached, the department shall track how the long-term care needs of applicants assigned to the waiting list are met.

(15) The department shall establish waiting lists to the extent necessary to assure that annual expenditures on the community options program entry
systems (COPES) program do not exceed appropriated levels. In establishing and managing any such waiting list, the department shall assure priority access to persons with the greatest unmet needs, as determined by department assessment processes.

(16) The department shall contract for housing with service models, such as cluster care, to create efficiencies in service delivery and responsiveness to unscheduled personal care needs by clustering hours for clients that live in close proximity to each other.

(17) The department shall not pay a home care agency licensed under chapter 70.127 RCW for personal care services provided by a family member, pursuant to Substitute House Bill No. 2361 (modifying state payments for in-home care).

(18) $204,000 of the general fund—state appropriation for fiscal year 2010, $1,099,000 of the general fund—state appropriation for fiscal year 2011, and $1,697,000 of the general fund—federal appropriation are provided solely to implement Engrossed House Bill No. 2194 (extraordinary medical placement for offenders). The department shall work in partnership with the department of corrections to identify services and find placements for offenders who are released through the extraordinary medical placement program. The department shall collaborate with the department of corrections to identify and track cost savings to the department of corrections, including medical cost savings and to identify and track expenditures incurred by the aging and disability services program for community services and by the medical assistance program for medical expenses. A joint report regarding the identified savings and expenditures shall be provided to the office of financial management and the appropriate fiscal committees of the legislature by November 30, 2010. If this bill is not enacted by June 30, 2009, the amounts provided in this subsection shall lapse.

(19) Sufficient funding is provided in this section for the department to implement Engrossed Second Substitute House Bill No. 1935 (adult family homes). During the 2009-11 biennium, the initial licensing fee for an adult family home shall be set at $900.00. During the 2009-11 biennium, the annual licensing renewal fee shall be set at $100.00.

(c) Submit a report electronically by October 1, 2009, to the fiscal committees of the legislature containing a spending plan for the WorkFirst program. (a) The department shall aggressively pursue opportunities to transfer general assistance unemployable clients to general assistance expedited coverage and to facilitate client applications for federal supplemental security income when the client's incapacities indicate that he or she would be likely to meet the federal disability criteria for supplemental security income. The department shall initiate and file the federal supplemental security income interim agreement as quickly as possible in order to maximize the recovery of federal funds;

The evaluation shall identify services necessary to eliminate or minimize barriers to employment, including mental health treatment, substance abuse treatment and vocational rehabilitation services. The department shall expedite referrals to chemical dependency treatment, mental health and vocational rehabilitation services for these clients.

(f) The appropriations in this subsection reflect a change in the earned income disregard policy for general assistance unemployable clients. Sec. 208. 2009 c 564 s 209 (uncodified) is amended to read as follows:

FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES—

$1,598,043,000

General Fund—State Appropriation (FY 2011) .............. ($1,984,797,000)

State Appropriation ....................................... $3,766,000

TOTAL APPROPRIATION ................................. ($8,824,601,000)
$8,828,440,000
The appropriations in this section are subject to the following conditions and limitations:

1. Based on quarterly expenditure reports and caseload forecasts, if the department estimates that expenditures for the medical assistance program will exceed the appropriations, the department shall take steps including but not limited to reduction of rates or elimination of optional services to reduce expenditures so that total program costs do not exceed the annual appropriation authority.

2. In determining financial eligibility for medicaid-funded services, the department is authorized to disregard recoveries by Holocaust survivors of insurance proceeds or other assets, as defined in RCW 48.104.030.

3. The legislature affirms that it is in the state's interest for Harborview medical center to remain an economically viable component of the state's health care system.

4. When a person isineligible for medicaid solely by reason of residence in an institution for mental diseases, the department shall provide the person with the same benefits as he or she would receive if eligible for medicaid, using state-only funds to the extent necessary.

5. In accordance with RCW 74.46.625, $6,000,000 of the general fund—federal appropriation is provided solely for supplemental payments to nursing homes operated by public hospital districts. The public hospital district shall be responsible for providing the required nonfederal match for the supplemental payment, and the payments shall not exceed the maximum allowable under federal rules. It is the legislature's intent that the payments shall be supplemental to and shall not in any way offset or reduce the payments calculated and provided in accordance with part E of chapter 74.46 RCW. It is the legislature's further intent that costs otherwise allowable for rate-setting and settlement against payments under chapter 74.46 RCW shall not be disallowed solely because such costs have been paid by revenues retained by the nursing home from these supplemental payments. The supplemental payments are subject to retrospective interim and final cost settlements based on the nursing homes' as-filed and final medicare cost reports. The timing of the interim and final cost settlements shall be at the department's discretion. During either the interim cost settlement or the final cost settlement, the department shall recoup from the public hospital districts the supplemental payments that exceed the medicaid cost limit and/or the medicare upper payment limit. The department shall apply federal rules for identifying the eligible incurred medicaid costs and the medicare upper payment limit.

6. $1,110,000 of the general fund—federal appropriation and $1,105,000 of the general fund—state appropriation for fiscal year 2011 are provided solely for grants to rural hospitals. The department shall distribute the funds under a formula that provides a relatively larger share of the available funding to hospitals that (a) serve a disproportionate share of low-income and medically indigent patients, and (b) have relatively smaller net financial margins, to the extent allowed by the federal medicaid program.

7. $9,818,000 of the general fund—state appropriation for fiscal year 2011, and $9,865,000 of the general fund—federal appropriation are provided solely for grants to nonrural hospitals. The department shall distribute the funds under a formula that provides a relatively larger share of the available funding to
hospitals that (a) serve a disproportionate share of low-income and medically
indigent patients, and (b) have relatively smaller net financial margins, to the
extent allowed by the federal medicaid program.

(8) The department shall continue the inpatient hospital certified public
expenditures program for the 2009-11 biennium. The program shall apply to all
public hospitals, including those owned or operated by the state, except those
classified as critical access hospitals or state psychiatric institutions. The
department shall submit reports to the governor and legislature by November 1,
2009, and by November 1, 2010, that evaluate whether savings continue to exceed costs for this program. If the certified public expenditures (CPE)
program in its current form is no longer cost-effective to maintain, the
department shall submit a report to the governor and legislature detailing cost-
effective alternative uses of local, state, and federal resources as a replacement for this program. During fiscal year 2010 and fiscal year 2011, hospitals in the
program shall be paid and shall retain one hundred percent of the federal portion
of the allowable hospital cost for each medicaid inpatient fee-for-service claim
payable by medical assistance and one hundred percent of the federal portion of
the maximum disproportionate share hospital payment allowable under federal
regulations. Inpatient medicaid payments shall be established using an
allowable methodology that approximates the cost of claims submitted by the
hospitals. Payments made to each hospital in the program in each fiscal year of
the biennium shall be compared to a baseline amount. The baseline amount will
be determined by the total of (a) the inpatient claim payment amounts that would
have been paid during the fiscal year had the hospital not been in the CPE
program, (b) one half of the indigent assistance disproportionate share hospital
payment amounts paid to and retained by each hospital during fiscal year 2005,
and (c) all of the other disproportionate share hospital payment amounts paid to
and retained by each hospital during fiscal year 2005 to the extent the same
disproportionate share hospital programs exist in the 2009-11 biennium. If
payments during the fiscal year exceed the hospital's baseline amount, no
additional payments will be made to the hospital except the federal portion of
allowable disproportionate share hospital payments for which the hospital can
certify allowable match. If payments during the fiscal year are less than the
baseline amount, the hospital will be paid a state grant equal to the difference
between payments during the fiscal year and the applicable baseline amount.
Payment of the state grant shall be made in the applicable fiscal year and
distributed in monthly payments. The grants will be recalculated and
redistributed as the baseline is updated during the fiscal year. The grant
payments are subject to an interim settlement within eleven months after the end
of the fiscal year. A final settlement shall be performed. To the extent that either
settlement determines that a hospital has received funds in excess of what it
would have received as described in this subsection, the hospital must repay the
excess amounts to the state when requested. $6,570,000 of the general fund—
state appropriation for fiscal year 2010, which is appropriated in section 204(1)
of this act, and $1,500,000 of the general fund—state appropriation for fiscal
year 2011, which is appropriated in section 204(1) of this act, are provided solely
for state grants for the participating hospitals. Sufficient amounts are
appropriated in this section for the remaining state grants for the participating
hospitals.
(9) The department is authorized to use funds appropriated in this section to purchase goods and supplies through direct contracting with vendors when the department determines it is cost-effective to do so.

(10) $93,000 of the general fund—state appropriation for fiscal year 2010 and $93,000 of the general fund—federal appropriation are provided solely for the department to pursue a federal Medicaid waiver pursuant to Second Substitute Senate Bill No. 5945 (Washington health partnership plan). If the bill is not enacted by June 30, 2009, the amounts provided in this subsection shall lapse.

The department shall require managed health care systems that have contracts with the department to serve medical assistance clients to limit any reimbursements or payments the systems make to providers not employed by or under contract with the systems to no more than the medical assistance rates paid by the department to providers for comparable services rendered to clients in the fee-for-service delivery system.

A maximum of $166,875,000 of the general fund—state appropriation and $38,389,000 of the general fund—federal appropriation may be expended in the fiscal biennium for the general assistance-unemployable medical program, and these amounts are provided solely for this program. Of these amounts, $10,749,000 of the general fund—state appropriation for fiscal year 2010 and $10,892,000 of the general fund—federal appropriation are provided solely for payments to hospitals for providing outpatient services to low income patients who are recipients of general assistance-unemployable. Pursuant to RCW 74.09.035, the department shall not expend for the general assistance medical care services program any amounts in excess of the amounts provided in this subsection.

If the department determines that it is feasible within the amounts provided in subsection (16) of this section, and without the loss of federal disproportionate share hospital funds, the department shall contract with the carrier currently operating a managed care pilot project for the provision of medical care services to general assistance-unemployable clients. Mental health services shall be included in the services provided through the managed care system. If the department determines that it is feasible, effective October 1, 2009, in addition to serving clients in the pilot counties, the carrier shall expand managed care services to clients residing in at least the following counties: Spokane, Yakima, Chelan, Kitsap, and Cowlitz. If the department determines that it is feasible, the carrier shall complete implementation into the remaining counties. Total per person costs to the state, including outpatient and inpatient services and any additional costs due to stop loss agreements, shall not exceed the per capita payments projected for the general assistance-unemployable eligibility category, by fiscal year, in the February 2009 medical assistance expenditures forecast. The department, in collaboration with the carrier, shall seek to improve the transition rate of general assistance clients to the federal supplemental security income program.

The department shall evaluate the impact of the use of a managed care delivery and financing system on state costs and outcomes for general assistance medical clients. Outcomes measured shall include state costs, utilization, changes in mental health status and symptoms, and involvement in the criminal justice system.
((19)) (15) The department shall report to the governor and the fiscal committees of the legislature by June 1, 2010, on its progress toward achieving a twenty percentage point increase in the generic prescription drug utilization rate.

((20)) (16) State funds shall not be used by hospitals for advertising purposes.

((21)) (17) The department shall seek a medicaid state plan amendment to create a professional services supplemental payment program for University of Washington medicine professional providers no later than July 1, 2009. The department shall apply federal rules for identifying the shortfall between current fee-for-service medicaid payments to participating providers and the applicable federal upper payment limit. Participating providers shall be solely responsible for providing the local funds required to obtain federal matching funds. Any incremental costs incurred by the department in the development, implementation, and maintenance of this program will be the responsibility of the participating providers. Participating providers will retain the full amount of supplemental payments provided under this program, net of any potential costs for any related audits or litigation brought against the state. The appropriations in this section are subject to the following conditions and limitations:

1. The department of health shall not initiate any services that will require expenditure of state general fund moneys unless expressly authorized in this act or other law. The department of health and the state board of health shall not implement any new or amended rules pertaining to primary and secondary school facilities until the rules and a final cost estimate have been presented to the legislature, and the legislature has formally funded implementation of the rules through the omnibus appropriations act or by statute. The department may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of amounts anticipated in this act. If the department receives unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any other legislation that provides appropriation authority, and an equal amount of appropriated state moneys shall lapse. Upon the lapsing of any moneys under
this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, "unrestricted federal moneys" includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

(2) Pursuant to RCW 43.135.055 and RCW 43.70.250, the department is authorized to establish fees by the amount necessary to fully support the cost of activities related to the administration of long-term care worker certification. The department is further authorized to increase fees by the amount necessary to implement the regulatory requirements of the following bills: House Bill No. 1414 (health care assistants), House Bill No. 1740 (dental residency licenses), and House Bill No. 1899 (retired active physician licenses).

(3) $764,000 of the health professions account—state appropriation is provided solely for the medical quality assurance commission to maintain disciplinary staff and associated costs sufficient to reduce the backlog of disciplinary cases and to continue to manage the disciplinary caseload of the commission.

(4) $57,000 of the general fund—state appropriation for fiscal year 2010 and $58,000 of the general fund—state appropriation for fiscal year 2011 are provided solely for the midwifery licensure and regulatory program to offset a reduction in revenue from fees. There shall be no change to the current annual fees for new or renewed licenses for the midwifery program. The department shall convene the midwifery advisory committee on a quarterly basis to address issues related to licensed midwifery.

(5) Funding for the human papillomavirus vaccine shall not be included in the department's universal vaccine purchase program in fiscal year 2010. Remaining funds for the universal vaccine purchase program shall be used to continue the purchase of all other vaccines included in the program until May 1, 2010, or until state funds are exhausted, at which point state funding for the universal vaccine purchase program shall be discontinued. Funds from section 317 of the federal public health services act direct assistance shall not be used in lieu of state funds.

(6) Beginning July 1, 2010, the department, in collaboration with the department of social and health services, shall maximize the use of existing federal funds, including section 317 of the federal public health services act direct assistance as well as federal funds that may become available under the American recovery and reinvestment act, in order to continue to provide immunizations for low-income, nonmedicaid eligible children up to three hundred percent of the federal poverty level in state-sponsored health programs.

(7) The department shall eliminate outreach activities for the health care directives registry and use the remaining amounts to maintain the contract for the registry and minimal staffing necessary to administer the basic entry functions for the registry.

(8) Funding in this section reflects a temporary reduction of resources for the 2009-11 fiscal biennium for the state board of health to conduct health impact reviews.

(9) Pursuant to RCW 43.135.055 and 43.70.125, the department is authorized to adopt rules to establish a fee schedule to apply to applicants for initial certification surveys of health care facilities for purposes of receiving
federal health care program reimbursement. The fees shall only apply when the
department has determined that federal funding is not sufficient to compensate
the department for the cost of conducting initial certification surveys. The fees
for initial certification surveys may be established as follows: Up to $1,815 for
ambulatory surgery centers, up to $2,015 for critical access hospitals, up to $980
for end stage renal disease facilities, up to $2,285 for home health agencies, up
to $2,285 for hospice agencies, up to $2,285 for hospitals, up to $520 for
rehabilitation facilities, up to $690 for rural health clinics, and up to $7,000 for
transplant hospitals.

(10) Funding for family planning grants for fiscal year 2011 is
reduced in the expectation that federal funding shall become available to expand
coverage of services for individuals through programs at the department of
social and health services. In the event that such funding is not provided, the
legislature intends to continue funding through a supplemental appropriation at
fiscal year 2010 levels.

(11) $16,000,000 of the tobacco prevention and control account—

"Shall taxes be imposed on . . . . . in order to allow a spending increase above last year's authorized spending adjusted for personal income growth?"

(3)(a) The state expenditure limit may be exceeded upon declaration of an emergency for a period not to exceed twenty-four months by a law approved by a two-thirds vote of each house of the legislature and signed by the governor. The law shall set forth the nature of the emergency, which is limited to natural disasters that require immediate government action to alleviate human suffering and provide humanitarian assistance. The state expenditure limit may be
exceeded for no more than twenty-four months following the declaration of the emergency and only for the purposes contained in the emergency declaration.

(b) Additional taxes required for an emergency under this section may be imposed only until thirty days following the next general election, unless an extension is approved at that general election. The additional taxes shall expire upon expiration of the declaration of emergency. The legislature shall not impose additional taxes for emergency purposes under this subsection unless funds in the education construction fund have been exhausted.

(c) The state or any political subdivision of the state shall not impose any tax on intangible property listed in RCW 84.36.070 as that statute exists on January 1, 1993.

(4) If the cost of any state program or function is shifted from the state general fund to another source of funding, or if moneys are transferred from the state general fund to another fund or account, the state expenditure limit committee, acting pursuant to RCW 43.135.025(5), shall lower the state expenditure limit to reflect the shift. For the purposes of this section, a transfer of money from the state general fund to another fund or account includes any state legislative action taken that has the effect of reducing revenues from a particular source, where such revenues would otherwise be deposited into the state general fund, while increasing the revenues from that particular source to another state or local government account. This subsection does not apply to:

(a) The dedication or use of lottery revenues under RCW 67.70.240(3), in support of education or education expenditures; or (b) a transfer of moneys to, or an expenditure from, the budget stabilization account.

(5) If the cost of any state program or function and the ongoing revenue necessary to fund the program or function are shifted to the state general fund on or after January 1, 2007, the state expenditure limit committee, acting pursuant to RCW 43.135.025(5), shall increase the state expenditure limit to reflect the shift unless the shifted revenue had previously been shifted from the general fund.

(6) For the purposes of chapter 1, Laws of 2008, "raises taxes" means any action or combination of actions by the legislature that increases state tax revenue deposited in any fund, budget, or account, regardless of whether the revenues are deposited into the general fund.

Sec. 3. RCW 43.135.041 and 2008 c 1 s 6 are each amended to read as follows:

(1)(a) After July 1, 2011, if legislative action raising taxes as defined by RCW 43.135.035 is blocked from a public vote or is not referred to the people by a referendum petition found to be sufficient under RCW 29A.72.250, a measure for an advisory vote of the people is required and shall be placed on the next general election ballot under chapter 1, Laws of 2008.

((5))) (b) If legislative action raising taxes enacted after July 1, 2011, involves more than one revenue source, each tax being increased shall be subject to a separate measure for an advisory vote of the people under the requirements of chapter 1, Laws of 2008.

(2) No later than the first of August, the attorney general will send written notice to the secretary of state of any tax increase that is subject to an advisory vote of the people, under the provisions and exceptions provided by chapter 1, Laws of 2008. Within five days of receiving such written notice from the
attorney general, the secretary of state will assign a serial number for a measure
for an advisory vote of the people and transmit one copy of the measure bearing
its serial number to the attorney general as required by RCW 29A.72.040, for
any tax increase identified by the attorney general as needing an advisory vote of
the people for that year's general election ballot. Saturdays, Sundays, and legal
holidays are not counted in calculating the time limits in this subsection.

(3) For the purposes of this section, "blocked from a public vote" includes
adding an emergency clause to a bill increasing taxes, bonding or contractually
obligating taxes, or otherwise preventing a referendum on a bill increasing taxes.

(4) If legislative action raising taxes is referred to the people by the
legislature or is included in an initiative to the people found to be sufficient
under RCW 29A.72.250, then the tax increase is exempt from an advisory vote
of the people under chapter 1, Laws of 2008.

NEW SECTION, Sec. 4. This act is necessary for the immediate
preservation of the public peace, health, or safety, or support of the state
government and its existing public institutions, and takes effect immediately.

Passed by the House February 17, 2010.

When the department of
transportation determines to do the work by state forces, it shall enter a statement
upon its records to that effect, stating the reasons therefor. To enable a larger
number of small businesses((,) and veteran, minority, and women contractors to
effectively compete for department of transportation contracts, the department

are available except when delay of performance would jeopardize life or
property or inconvenience the traveling public; and
(2) Need not require the furnishing of a bid deposit nor a performance bond,

contractor may be required to be made based on submittal of paid invoices to
substantiate proof that disbursements have been made to laborers, material
suppliers, mechanics, and subcontractors from the previous partial payment; and

alternative to those set forth in RCW 47.28.070, but the prequalification
standards and procedures under RCW 47.28.070 shall always be sufficient.

CHAPTER 6
[Substitute Senate Bill 5046]
SYMPHONY MUSICIANS—COLLECTIVE BARGAINING

AN ACT Relating to placing symphony musicians under the jurisdiction of the public
employment relations commission for purposes of collective bargaining; and adding a new chapter to
Title 49 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The definitions in this section apply throughout
this chapter unless the context clearly requires otherwise.
(1) "Bargaining representative" means any lawful organization which
represents symphony musicians in their employment relations with their
employers.
(2) "Collective bargaining" means the performance of the mutual
obligations of the employer and the exclusive bargaining representative to meet
at reasonable times, to confer and negotiate in good faith, and to execute a written agreement with respect to grievance procedures and collective negotiations on personnel matters, including wages, hours, and working conditions, which may be peculiar to an appropriate bargaining unit of such employer, except that by such obligation neither party shall be compelled to agree to a proposal or be required to make a concession unless otherwise provided in this chapter.

(3) "Commission" means the public employment relations commission.

(4)(a) "Employer" means a symphony orchestra with a gross annual revenue of more than three hundred thousand dollars that does not meet the jurisdictional standards of the national labor relations board, and includes any person acting as an agent of an employer, directly or indirectly.

(b) In determining whether any person is acting as an "agent" of another person so as to make such other person responsible for his or her acts, the question of whether the specific acts performed were actually authorized or subsequently ratified shall not be controlling.

(5) "Executive director" means the executive director of the commission.

(6) "Labor dispute" includes any controversy concerning terms, tenure, or conditions of employment, or concerning the association of representation of persons in negotiating, fixing, maintaining, changing, or seeking to arrange terms or conditions of employment, regardless of whether the disputants stand in the proximate relation of employer and symphony musician employee. In the event of a dispute between an employer and an exclusive bargaining representative over the matters that are terms and conditions of employment, the commission shall decide which items are mandatory subjects for bargaining.

(7) "Labor organization" means an organization of any kind, or an agency or employee representation committee or plan, in which symphony musicians participate and which exists for the primary purpose of dealing with employers concerning grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of employment.

(8) "Person" includes one or more individuals, labor organizations, partnerships, associations, corporations, legal representatives, trustees in bankruptcy, or receivers.

(9) "Unfair labor practice" means any activity listed in sections 13 and 14 of this act.

NEW SECTION. Sec. 2. No employer, or other person, shall directly or indirectly, interfere with, restrain, coerce, or discriminate against any symphony musician or group of symphony musicians in the free exercise of their right to organize and designate bargaining representatives of their own choosing for the purpose of collective bargaining, or in the free exercise of any other right under this chapter.

NEW SECTION. Sec. 3. If an employer and its symphony musician employees are in disagreement as to the selection of a bargaining representative the commission shall be invited to intervene as is provided in sections 4 through 7 of this act.

NEW SECTION. Sec. 4. The commission, upon reasonable notice, shall decide in each application for certification as an exclusive bargaining representative, the unit appropriate for the purpose of collective bargaining. In
determining, modifying, or combining the bargaining unit, the commission shall consider the duties, skills, and working conditions of the symphony musicians; the history of collective bargaining by the symphony musicians and their bargaining representatives; the extent of organization among the symphony musicians; and the desire of the symphony musicians. The commission shall determine the bargaining representative by: (1) Comparison of signatures on organization bargaining authorization cards; or (2) conducting an election specifically therefor.

NEW SECTION. Sec. 5. If the commission elects to conduct an election to ascertain the exclusive bargaining representative, and upon the request of a prospective bargaining representative showing written proof of at least thirty percent representation of the symphony musicians within the unit, the commission shall hold an election by secret ballot to determine the issue. The ballot shall contain the name of the bargaining representative and of any other bargaining representative showing written proof of at least ten percent representation of the symphony musicians within the unit, together with a choice for any symphony musician to designate that he or she does not desire to be represented by any bargaining agent. Where more than one organization is on the ballot and neither of the three or more choices receives a majority vote of valid ballots cast, a run-off election shall be held. The run-off ballot shall contain the two choices which received the largest and second-largest number of votes. No question concerning representation may be raised within one year of a certification or attempted certification. Where there is a valid collective bargaining agreement in effect, no question of representation may be raised except during the period not more than ninety nor less than sixty days prior to the expiration date of the agreement. Any agreement which contains a provision for automatic renewal or extension of the agreement shall not be a valid agreement; nor shall any agreement be valid if it provides for a term of existence for more than three years.

NEW SECTION. Sec. 6. The bargaining representative which has been determined to represent a majority of the symphony musicians in a bargaining unit shall be certified by the commission as the exclusive bargaining representative of, and shall be required to represent, all the symphony musicians within the unit without regard to membership in the bargaining representative. However, any symphony musician at any time may present his or her grievance to the employer and have such grievance adjusted without the intervention of the exclusive bargaining representative, if the adjustment is not inconsistent with the terms of a collective bargaining agreement then in effect, and if the exclusive bargaining representative has been given reasonable opportunity to be present at any initial meeting called for the resolution of the grievance.

NEW SECTION. Sec. 7. The commission may adopt rules necessary to administer this chapter in conformity with the intent and purpose of this chapter and consistent with the best standards of labor-management relations.

NEW SECTION. Sec. 8. An employer may engage in collective bargaining with the exclusive bargaining representative and no employer may refuse to engage in collective bargaining with the exclusive bargaining representative. Upon the failure of the employer and the exclusive bargaining representative to conclude a collective bargaining agreement, any matter in dispute may be
submitted by either party to the commission. If an employer implements its last and best offer where there is no contract settlement, allegations that either party is violating the terms of the implemented offer are subject to grievance arbitration procedures if and as such procedures are set forth in the implemented offer, or, if not in the implemented offer, if and as such procedures are set forth in the parties' last contract.

NEW SECTION. Sec. 9. Upon the written authorization of any symphony musician within the bargaining unit and after the certification or recognition of the bargaining representative, the employer must deduct from the pay of the symphony musician the monthly amount of dues as certified by the secretary of the exclusive bargaining representative and must transmit the dues to the treasurer of the exclusive bargaining representative.

NEW SECTION. Sec. 10. A collective bargaining agreement may:

(1) Contain union security provisions. However, nothing in this section authorizes a closed shop provision. Agreements involving union security provisions must safeguard the right of nonassociation of employees based on bona fide religious tenets or teachings of a church or religious body of which the symphony musician is a member. The symphony musician must pay an amount of money equivalent to regular union dues and initiation fee to a nonreligious charity or to another charitable organization mutually agreed upon by the symphony musician affected and the bargaining representative to which the symphony musician would otherwise pay the dues and initiation fee. The symphony musician must furnish written proof that the payment has been made. If the symphony musician and the bargaining representative do not reach agreement on this matter, the commission must designate the charitable organization;

(2) Provide for binding arbitration of a labor dispute arising from the application or the interpretation of the matters contained in a collective bargaining agreement.

NEW SECTION. Sec. 11. (1) After the termination date of a collective bargaining agreement, all of the terms and conditions specified in the collective bargaining agreement remain in effect until the effective date of a subsequent agreement, not to exceed one year from the termination date stated in the agreement. Thereafter, the employer may unilaterally implement according to law.

(2) This section does not apply to provisions of a collective bargaining agreement which both parties agree to exclude from the provisions of subsection (1) of this section and to provisions within the collective bargaining agreement with separate and specific termination dates.

(3) This section shall not apply to collective bargaining agreements in effect or being bargained on the effective date of this section.

NEW SECTION. Sec. 12. In addition to any other method for selecting arbitrators, the parties may request the commission to appoint a qualified person who may be an employee of the commission to act as an arbitrator to assist in the resolution of a labor dispute between the employer and the bargaining representative arising from the application of the matters contained in a collective bargaining agreement. The arbitrator must conduct the arbitration of the dispute in a manner as provided for in the collective bargaining agreement.
The commission may not collect any fees or charges from the employer or the bargaining representative for services performed by the commission under this chapter. The provisions of chapter 49.08 RCW do not apply to this chapter.

NEW SECTION. Sec. 13. It is an unfair labor practice for an employer:
(1) To interfere with, restrain, or coerce symphony musicians in the exercise of their rights guaranteed by this chapter;
(2) To control, dominate, or interfere with a bargaining representative;
(3) To discriminate against a symphony musician who has filed an unfair labor practice charge or who has given testimony under this chapter;
(4) To refuse to engage in collective bargaining.

NEW SECTION. Sec. 14. It is an unfair labor practice for a bargaining representative:
(1) To interfere with, restrain, or coerce employees in the exercise of their rights guaranteed by this chapter;
(2) To induce the employer to commit an unfair labor practice;
(3) To discriminate against a symphony musician who has filed an unfair labor practice charge or who has given testimony under this chapter;
(4) To refuse to engage in collective bargaining.

NEW SECTION. Sec. 15. (1) The commission must prevent unfair labor practices and issue appropriate remedial orders. However, a complaint may not be processed for an unfair labor practice occurring more than six months before the filing of the complaint with the commission.
(2) If the commission determines that a person has engaged in or is engaging in an unfair labor practice, the commission must issue and serve upon the person an order requiring the person to cease and desist from the unfair labor practice. The commission may take action to carry out the purposes and policy of this chapter, including requiring the person to pay damages and reinstate employees.
(3) The commission may petition the superior court for the county in which the main office of the employer is located or in which the person who has engaged or is engaging in the unfair labor practice resides or transacts business, for the enforcement of its order and for appropriate temporary relief.

NEW SECTION. Sec. 16. Actions taken by or on behalf of the commission shall be pursuant to chapter 34.05 RCW, or rules adopted in accordance with chapter 34.05 RCW, and the right of judicial review provided by chapter 34.05 RCW is applicable to all actions and rules.

NEW SECTION. Sec. 17. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 18. Sections 1 through 17 of this act constitute a new chapter in Title 49 RCW.

Passed by the Senate February 15, 2010.
Passed by the House February 28, 2010.
Approved by the Governor March 10, 2010.
Filed in Office of Secretary of State March 10, 2010.
NEW SECTION. Sec. 101. The legislature finds that:
(1) The state is projected to experience substantial population growth in the next two decades and this growth will require substantial new housing, places of employment, community facilities, and supporting local, subregional, and regional infrastructure;
(2) In most areas of the state projected to accommodate substantial growth, there are inadequate community facilities and infrastructure to facilitate and support such growth. In addition, current public financing options and resources are not adequate to provide the needed community facilities and local, subregional, and regional infrastructure;
(3) A more flexible type of financing mechanism known as a community facilities district should be available to counties, cities, and towns so that needed community facilities and local, subregional, and regional infrastructure can be provided;
(4) This chapter is intended to facilitate voluntary landowner financing of community facilities and local, subregional, and regional infrastructure by authorizing the creation of community facilities districts, while creating jobs and facilitating economic development; and
(5) It is in the interest of the people of the state of Washington to authorize the establishment of community facility districts as independently governed, special purpose districts, vested with the corporate authority included under Article VII, section 9 of the state Constitution to make local improvements in accordance with this chapter and to carry out the purposes specifically authorized under this chapter.

NEW SECTION. Sec. 102. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.
(1) "Board of supervisors" or "board" means the governing body of a community facilities district.
(2) "Community facilities district" or "district" means a district created under this chapter.
(3) "Facility" or "facilities" means the local improvements included under section 501 of this act.
(4) "Legislative authority" means the governing body of a county, city, or town to which a petition or amended petition is submitted.
(a) If the proposed district is located entirely within unincorporated land, then the county is the exclusive "legislative authority" for purposes of approving formation of the district under sections 201 through 206 of this act, inclusive, and section 301 of this act.
(b) If all or a portion of the proposed district is located within unincorporated land that is entirely surrounded by an incorporated city or town, then the "legislative authority" for purposes of approving formation of the district under sections 201 through 206 of this act, inclusive, and section 301 of this act includes the governing bodies of the county and the city or town surrounding the unincorporated land.

(c) If the proposed district is located entirely within incorporated land, then the city or town is the exclusive "legislative authority" for purposes of this chapter, and all powers and responsibilities of a county under this chapter must be exercised by that city or town.

(5) "Petition" means a request, meeting the requirements of section 201 of this act, made by landowners to form a community facilities district and to voluntarily submit their land to the assessments authorized under this chapter and includes an amended petition meeting the requirements of section 201(3) of this act.

(6) "Special assessment" means an assessment imposed in accordance with the requirements of this chapter.

PART II
COMMUNITY FACILITIES DISTRICT FORMATION

NEW SECTION. Sec. 201. Community facilities districts are authorized to be formed for the purposes authorized under this chapter. Community facilities districts may only include land within urban growth areas designated under the state growth management act, located in portions of one or more cities, towns, or counties when created in accordance with this chapter. A district may include one or more noncontiguous tracts, lots, parcels, or other properties meeting the requirements of this chapter.

(1) To form a community facilities district, a petition must be presented to the applicable legislative authorities. The petition must:

(a) Designate and describe the boundaries of the district by metes and bounds or reference to United States townships, ranges, and legal subdivisions;

(b) Be executed by one hundred percent of all owners of private property located within the boundaries of the proposed district. The property owners must include a request to subject their property to the assessments, up to the amount included in the petition and authorized under this chapter;

(c) Include a certification by the petitioners that they want to voluntarily submit their property to the authority of the district under this chapter to approve the petitioner's request to submit their property to the assessments, up to the amount included in the petition and authorized under this chapter;

(d) Include a general explanation of the objective and plan of the district and describe the specific facilities that the district anticipates financing;

(e) Declare the district will be conducive to public health, safety, and welfare;

(f) Assert that the purpose for forming the district will be a benefit to the land located in the district;

(g) Be accompanied by an "obligation" signed by at least two petitioners who agree to pay the costs of the formation process;
(h) Include a list of petitioners or representatives thereof who are willing and able to serve on the board of supervisors. All petitioners within a proposed district who are natural persons, or natural persons who are designated representatives of petitioners, are eligible to include their name on the list of eligible supervisors. The petitioners may nominate qualified professions to serve on the board of supervisors in lieu of the petitioners or representatives of the petitioners;

(i) If it proposes a special assessment, include: (i) A diagram showing each separate lot, tract, parcel of land, or other property in the district; (ii) the acreage of the property; (iii) the name and address of the owner or reputed owner of each lot, tract, parcel of land, or other property as shown on the tax rolls of the county assessor; (iv) a preliminary assessment roll showing the special assessment proposed to be imposed on each lot, tract, parcel of land, or other property; and (v) a proposed method or combination of methods for computing special assessments, determining the benefit to assessed property or use from facilities or improvements funded directly or indirectly by special assessments under this chapter; and

(j) Include an explanation of what security will be provided to ensure the timely payment of assessments and the timely payment of bonds issued by the district.

(2) The petition must be filed with the auditor of each county in which property included within the proposed district is located. The auditor for the county in which the largest geographic portion of the proposed district is located must be the lead auditor for the purposes of this section. Within thirty days of the lead auditor's receipt of the petition, the lead auditor must confirm that the petition has been validly executed by one hundred percent of all owners of the property located within the proposed district, including confirmation by the auditors of all other counties with whom the petition was filed. Within ten days of the lead auditor's finding that the petition either does or does not contain the required signatures, the lead auditor must either (a) transmit the petition, together with a certificate of sufficiency attached thereto, to each legislative authority petitioned for formation of the district; or (b) return the petition to the petitioners with a list of property owners who must sign the petition in order to comply with this section. There are no restrictions on the number of petitions that may be submitted by one or more property owners.

(3) A petition may be amended for any reason if the amendment is signed by one hundred percent of the owners of property located within the district proposed in the amended petition.

NEW SECTION, Sec. 202. A public hearing on the petition for formation of a district must be held by each applicable legislative authority, not less than thirty, but not more than sixty days, from the date that the lead county auditor issues the certificate of sufficiency required under section 201 of this act.

NEW SECTION, Sec. 203. Notice of all public hearings must include a description of the proposal, be mailed to all petitioners, and must be published once a week for three consecutive weeks in the official paper for each applicable legislative authority, prior to the date set for the hearing. The notice must be posted for not less than fifteen days prior to the date of the hearing in each of three public places within the boundaries of the proposed district and in three
public places for each applicable legislative authority. Each notice must contain the time, date, and place of the public hearing.

**NEW SECTION, Sec. 204.** At the time and place of the public hearing, the legislative authority must consider the petition. The legislative authority may receive any evidence it deems material that supports or opposes the formation of the district, including the inclusion or exclusion of land. Unless an amended petition satisfying the requirements of section 201 of this act is approved in accordance with the requirements of this chapter, no land outside the boundaries described in the petition may be included within the proposed district. No land inside the boundaries of an approved petition may be removed from the district unless an amended petition satisfying the requirements of section 201 of this act is approved in accordance with the requirements of this chapter.

**NEW SECTION, Sec. 205.** (1) The legislative authority may act on the petition to form a community facilities district at the public hearing held under section 204 of this act and in no event may the legislative authority's decision be issued later than thirty days after the day of the public hearing. The applicable legislative authority may approve the petition by resolution if the applicable legislative authority determines, in its sole discretion, that the petitioners will benefit from the proposed district and that the formation of the district will be in the best interest of the county, city or town, as applicable, and that formation of the district is consistent with the requirements of Washington's growth management act.

(2) A community facilities district may not be formed unless each applicable legislative authority makes the finding required under subsection (1) of this section.

(3) All resolutions approving a petition must conform to the terms and conditions contained in the petition, including the maximum amounts of special assessments set forth in the petition, and must designate the name and number of the community facilities district being formed.

**NEW SECTION, Sec. 206.** (1) Any person who objects to formation of the district may appeal the final decision of a legislative authority to approve a petition for formation of a community facilities district by filing an appeal with the superior court of the county in which any part of the district is located within thirty days of the effective date of the resolution approving formation of the district.

(2) If no appeal is timely filed, then the legislative authority's decision is deemed valid, complete, and final, and neither the legal existence of the district, nor the terms and conditions of an approved petition can thereafter be challenged or questioned by any person on the grounds of procedural defect or otherwise. Certified copies of each resolution approving a district must be filed with the auditor of the county or counties in which the community facilities district is located.

**PART III**

**COMMUNITY FACILITIES DISTRICT BOARD OF SUPERVISORS**

**NEW SECTION, Sec. 301.** (1) A community facilities district must be governed by a board of supervisors possessing the powers set forth under section
401 of this act. The board of supervisors must be appointed by each applicable legislative authority within sixty days of the formation of the district. Except as expressly provided under this section, each applicable legislative authority is authorized to appoint members to the board of supervisors only from among the members of its own governing body. Each applicable legislative authority must appoint the petitioner members or nominees required under subsection (2) or (3) of this section. The term of office of each supervisor is three years and until a successor is appointed, except that the supervisors first appointed serve for one and two years respectively from the date of their appointments, as designated in their appointments.

(2) Except as provided in subsection (3) of this section, if the proposed district is located entirely within a single jurisdiction, then the board of supervisors consists of: (a) Three members of the legislative authority of the jurisdiction; and (b) two members appointed from among the list of eligible supervisors included in the petition as provided in section 201(1)(h) of this act. All members of the board of supervisors must be natural persons.

(3) If all or a portion of the proposed district is located within unincorporated land that is entirely surrounded by an incorporated city or town, then the board of supervisors consists of: (a) Two members appointed from the county legislative authority; (b) two members appointed from the legislative authority of the city or town that is the additional legislative authority under section 102(4) of this act; and (c) one member appointed from the list of eligible petitioners included in the petition as provided in section 201(1)(h) of this act, depending on the number of additional members that are required to result in an overall odd number of supervisors.

(4) If the county, city, or town is the exclusive legislative authority pursuant to section 102 of this act, then the board of supervisors consists of: (a) Three members appointed from such county, city, or town; and (b) two members from the list of eligible petitioners or nominees included in the petition, as provided in section 201(1)(h) of this act, to result in an overall odd number of supervisors.

(5) The legislative authorities may appoint qualified professionals with expertise in municipal finance in lieu of one or more appointments authorized in this section. A jurisdiction's appointments to the board of supervisors may consist of a combination of qualified professionals authorized under this section and one or more members from the applicable legislative authority. Nothing contained in this section authorizes a legislative authority to exceed the maximum number of appointments set forth under subsection (2) or (3) of this section.

(6) A vacancy on the board must be filled by the legislative authority authorized to make the appointment to the applicable supervisor position under this section. Vacancies must be filled by a person in the same position vacating the board, which for initial petitioner members or nominees includes successor owners of property located within the boundaries of an approved district. If the approved district was originally located entirely on unincorporated land and the unincorporated land has been annexed into a city or town, then, as of the effective date of annexation, the city or town is deemed the exclusive legislative authority for the purposes of this chapter and the composition of the board must be structured accordingly, as provided in this section. Supervisors must serve without compensation, but they are entitled to expenses, including traveling
expenses, necessarily incurred in discharge of their duties. The board must designate a chair from time to time.

PART IV
COMMUNITY FACILITIES DISTRICT POWERS

NEW SECTION. Sec. 401. (1) A community facilities district created in accordance with this chapter is an independently governed, special purpose district, vested with the corporate authority included under Article VII, section 9 of the state Constitution to make local improvements by special assessment in accordance with this chapter. Nothing in this chapter exempts the public improvements and facilities provided by a district from the regulatory and land use permitting requirements of the county, city, or town in which the improvements are to be located.

(2) Subject to the terms and conditions of an approved petition, a community facilities district has the powers necessary to carry out the specific purposes authorized under this chapter in order to carry out the specific objectives, plan, and facilities identified in the approved petition including, but not limited to, the authority to:

(a) Acquire, purchase, hold, lease, finance, manage, occupy, construct, and sell real and personal property, facilities, or any interest therein, either inside or outside of the boundaries of the district, except that any such property, facilities, or interests outside the boundaries of the district must directly serve facilities or benefit properties within the district;
(b) Finance and construct facilities authorized under this chapter;
(c) Enter into and perform any and all contracts;
(d) Levy and enforce the collection of special assessments against the property included within a district;
(e) Enter into lease-purchase agreements with or without an option to purchase;
(f) Enter into executory conditional sales contracts, leases, and installment promissory notes;
(g) Borrow money to the extent and in the manner authorized by this chapter;
(h) Hold in trust property useful to accomplishment of the authority granted under this chapter;
(i) Issue revenue bonds in accordance with chapter 39.46 RCW and assessment bonds in accordance with chapter 35.45 RCW, and the requirements of this chapter, payable from revenue or assessments, respectively, of the district that is legally available to be pledged to secure the bonds;
(j) Contract with any municipal corporation, governmental, or private agencies to carry out the purposes authorized by this chapter;
(k) Sue and be sued;
(l) Accept and receive on behalf of the district any money or property donated, devised, or bequeathed to the district and carry out the terms of the donation, devise, or bequest, if it is within the powers granted by law to community facilities districts or, in the absence of such terms, expend or use the money or property for district purposes as determined by the board of supervisors;
(m) Transfer to any county, city, or other municipal corporation, without compensation, any property or other assets of the district; and

(n) Do any and all lawful acts required and expedient to carry out the express authority provided in this chapter.

PART V
COMMUNITY FACILITIES DISTRICT FINANCES

NEW SECTION, Sec. 501. (1) Through the use of district revenue derived through special assessments and bonds authorized under this chapter and, consistent with the terms and conditions of a petition approved in accordance with this chapter, a community facilities district may finance all or a portion of the following costs, expenses, and facilities whether located inside or outside the boundaries of an approved district:
   (a) The cost, or any portion thereof, of the purchase, finance, lease, sublease, construction, expansion, improvement, or rehabilitation of any facility with an estimated life of five years or longer;
   (b) The planning and design work that is directly related to the purchase, construction, expansion, improvement, or rehabilitation of a facility, including engineering, architectural, planning, and inspection costs;
   (c) Facilities listed in RCW 35.43.040 to the extent not specified in this section;
   (d) Sanitary sewage systems, including collection, transport, storage, treatment, dispersal, effluent use, and discharge;
   (e) Drainage and flood control systems, including collection, transport, diversion, storage, detention, retention, dispersal, use, and discharge;
   (f) Water systems for domestic, industrial, irrigation, municipal, or community facilities purposes, including production, collection, storage, treatment, transport, delivery, connection, and dispersal;
   (g) Highways, streets, roadways, and parking facilities, including all areas for vehicular use for travel, ingress, egress, and parking;
   (h) Areas for pedestrian, equestrian, bicycle, or other nonmotor vehicle use for travel, ingress, egress, and parking;
   (i) Pedestrian malls, parks, recreational facilities, and open-space facilities for the use of members of the public for entertainment, assembly, and recreation;
   (j) Landscaping, including earthworks, structures, lakes, and other water features, plants, trees, and related water delivery systems;
   (k) Public buildings, public safety facilities, and community facilities;
   (l) Publicly owned natural gas transmission and distribution facilities, facilities for the transmission or distribution of electrical energy, and limited communications facilities, specifically poles, trenches, and conduits, for use of any communications provider;
   (m) Street lighting;
   (n) Traffic control systems and devices, including signals, controls, markings, and signage;
   (o) Systems of surface, underground, or overhead railways, tramways, buses, or any other means of mass transportation facilities, including passenger, terminal, station parking, and related facilities and areas for passenger and vehicular use for travel, ingress, egress, and parking;

   [102]
(p) Library, educational, and cultural facilities; and
(q) Facilities similar to those listed in this section.

(2) The district may not finance public or private residential dwellings, nonprofit facilities as defined in RCW 43.180.300, health care facilities as defined in RCW 70.37.020, higher education institutions as defined in RCW 28B.07.020, or economic development activities as defined in RCW 43.163.010.

NEW SECTION. Sec. 502. (1) The board of supervisors of a community facilities district may impose special assessments on property located inside the district and benefited by the facilities and improvements provided, or to be provided, by a district, whether the facilities and improvements are located inside or outside of the boundaries of the proposed district. The requirements and powers of a district relating to the formation, assessment, collection, foreclosure, and other powers of a special assessment district are as set forth in chapters 35.43, 35.44, 35.49, and 35.50 RCW, except where otherwise addressed under this chapter. In any case where the provisions of this chapter conflict with the requirements under any other chapter that applies to the formation, assessment, collection, foreclosure, or other powers of a special assessment district, the provisions of this chapter control.

(2) Except as otherwise expressly provided under this chapter, the special assessments imposed and collected on property within a district may not exceed the amount set forth in a petition or amended petition approved in accordance with this chapter.

(3) The term of the special assessment is limited to the lesser of (a) twenty-eight years or (b) two years less than the term of any bonds issued by or on behalf of the district to which the assessments or other revenue of the district is specifically dedicated, pledged, or obligated.

(4) The computation of special assessments must follow the requirements of chapter 35.44 RCW, including the authority to use any method or combination of methods to compute assessments which may be deemed by the board of supervisors to fairly reflect the benefit to the properties being assessed. The method of assessment may utilize the supplemental authority granted under chapter 35.51 RCW. A petition meeting the requirements of section 201 of this act may provide for the reduction or waiver of special assessments for low-income households as that term is defined in RCW 36.130.010.

(5) The board must set a date, time, and place for hearing any objections to the assessment roll, which hearing must occur no later than one hundred twenty days from final approval of formation of the district. Petitioners or representatives thereof serving on the board of supervisors must not participate in the determination of the special assessment roll or vote on the confirmation of that assessment roll. The restriction in this subsection does not apply to members of the board of supervisors appointed from among the qualified professionals that petitioners may nominate under section 201(1)(h) of this act.

(6) The procedures and requirements for assessments, hearings on the assessment roll, filing of objections to the assessment roll, and appeals from the decision of the board approving or rejecting the assessment roll, must be as set forth in RCW 35.44.010 through 35.44.020, 35.44.080 through 35.44.110, and 35.44.190 through 35.44.270.

(7) At the hearing on the assessment roll and, in no event later than thirty days after the day of the hearing, the board may adopt a resolution approving the...
assessment roll or may correct, revise, raise, lower, change, or modify the assessment roll or any part thereof, and provide the petitioner with a detailed explanation of the changes made by the board.

(8) If the assessment roll is revised by the board in any way, then, within thirty days of the board's decision, the petitioner(s) must unanimously make one of the following elections: (a) Rescind the petition; or (b) accept the changes made by the board, upon which occurrence the board must adopt a resolution approving the assessment roll as modified by the board.

(9) Reassessments, assessments on omitted property, and supplemental assessments are governed by the provisions set forth under chapter 35.44 RCW.

(10) Any assessment approved under the provisions of this chapter may be segregated upon a petition of one hundred percent of the owners of the property subject to the assessment to be segregated. The segregation must be made as nearly as possible on the same basis as the original assessment was levied and approved by the board. The board, in approving a petition for segregation and amendment of the assessment roll, must do so in a fashion such that the total of the segregated parts of the assessment equal the assessment before segregation. As to any property originally entered upon the roll the assessment upon which has not been raised, no objections to the approval of the petition for segregation, the resulting assessment, or the amended assessment roll may be considered by the jurisdiction in which the district is located, the board, or by any court on appeal. Assessments must be collected in districts pursuant to the district's previous assessment roll until the amendment to the assessment roll is finalized under this section.

(11) Except as provided under chapter 35.44 RCW, assessments may not be increased without the approval of one hundred percent of the property owners subject to the proposed increase.

(12) Special assessments must be collected by the district treasurer determined in accordance with section 505 of this act.

(13) A notice of any special assessment imposed under this chapter must be provided to the owner of the assessed property, not less than once per year, with the following appearing at the top of the page in at least fourteen point, bold font:

****NOTICE****

THIS PROPERTY IS SUBJECT TO THE ASSESSMENTS ITEMIZED BELOW AND APPROVED BY COMMUNITY FACILITIES DISTRICT # . . . . . . AS THE OWNER OR POTENTIAL BUYER OF THIS PROPERTY, YOU ARE, OR WOULD BE, RESPONSIBLE FOR PAYMENT OF THE AMOUNTS ITEMIZED BELOW.

PLEASE REFER TO RCW 36. . . . . (section 502, chapter . . ., Laws of 2010 (section 502 of this act)) OR CONTACT YOUR COUNTY AUDITOR FOR ADDITIONAL INFORMATION.

(14) The district treasurer responsible for collecting special assessments may account for the costs of handling the assessments and may collect a fee not to exceed the measurable costs incurred by the treasurer.
NEW SECTION.  Sec. 503.  (1) The district may utilize the special assessments and revenue derived in accordance with this chapter for the payment of principal and interest on bonds issued pursuant to the authority granted under this chapter to fund or reimburse the costs of facilities authorized under this chapter and prior to the issuance of bonds, may utilize the revenue to directly fund the costs of providing the facilities authorized under this chapter on a pay-as-you-go basis.

(2) The board of supervisors may establish, administer, and pay or otherwise dedicate, pledge, or obligate the assessments and revenue generated in accordance with this chapter into a specific fund created by or on behalf of the district, in order to guarantee payment of obligations incurred in connection with facilities provided under this chapter, including the payment of principal and interest on any bonds issued by or on behalf of the district.

(3) The proceeds of any bond issued pursuant to this chapter may be used to pay any and all costs related to providing the facilities authorized under this chapter, including expenses incurred in connection with issuance of the bonds.

(4) The reporting requirements of RCW 39.44.210 apply to any bond issuance under this chapter.

NEW SECTION.  Sec. 504.  No bonds issued by or on behalf of a community facilities district are obligations of any city, town, county, or the state of Washington or any political subdivision thereof other than the district and the bonds must so state.

NEW SECTION.  Sec. 505.  (1) If a district includes land that is entirely within a county and the land is not surrounded entirely by a city or town, then the treasurer of that county is the treasurer of the district.  If a district includes land that is entirely within a county and the land is entirely surrounded by a city or town, or, if parts of the district include land within or surrounded by more than one jurisdiction, then the board of supervisors may, with the concurrence of the treasurers of all jurisdictions within which the district lies, appoint the treasurer of any of those jurisdictions to serve as the district treasurer.  Except as specifically provided under this chapter, the duties of a district treasurer are as provided under applicable law.

(2) The district treasurer must establish a community facilities district fund, into which must be paid all district revenues.  The district treasurer must also maintain any special funds created by the board of supervisors of the community facilities district, into which the district treasurer must place all money as the board of supervisors may, by resolution, direct.  The treasurer may create such subfunds, accounts, and subaccounts as he or she deems necessary, consistent with applicable law.

(3) The district treasurer must pay assessment bonds and revenue bonds and the accrued interest thereon in accordance with their terms from the appropriate fund when interest or principal payments become due.

(4) All interest collected on community facilities district funds belongs to the district and must be deposited to its credit in the proper district funds.

Be it enacted by the Legislature of the State of Washington:

PART I

Sec. 1001. RCW 10.01.050 and Code 1881 s 770 are each amended to read as follows:

WASHINGTON LAWS, 2010 Ch. 8
No person charged with any offense against the law shall be punished for such offense, unless he or she shall have been duly and legally convicted thereof in a court having competent jurisdiction of the case and of the person.

Sec. 1002. RCW 10.01.060 and 1951 c 52 s 1 are each amended to read as follows:

No person informed against or indicted for a crime shall be convicted thereof, unless by admitting the truth of the charge in his or her plea, by confession in open court, or by the verdict of a jury, accepted and recorded by the court: PROVIDED HOWEVER, That except in capital cases, where the person informed against or indicted for a crime is represented by counsel, such person may, with the assent of the court, waive trial by jury and submit to trial by the court.

Sec. 1003. RCW 10.01.120 and Code 1881 s 1136 are each amended to read as follows:

(2) That it was found by a grand jury or prosecuting attorney of the county in which the court was held;
(3) That the defendant is named, or if his or her name cannot be discovered, that he or she is described by a fictitious name or by reference to a unique genetic sequence of deoxyribonucleic acid, with the statement that his or her real name is unknown;
(4) That the crime was committed within the jurisdiction of the court, except where, as provided by law, the act, though done without the county in which the court is held, is triable therein;
(5) That the crime was committed at some time previous to the finding of the indictment or filing of the information, and within the time limited by law for the commencement of an action therefor;
(6) That the act or omission charged as the crime is clearly and distinctly set forth in ordinary and concise language, without repetition, and in such a manner as to enable a person of common understanding to know what is intended;
(7) That the act or omission charged as the crime is stated with such a degree of certainty as to enable the court to pronounce judgment according to the right of the case.

Sec. 1038. RCW 10.40.050 and 1891 c 28 s 49 are each amended to read as follows:
If he or she alleges that another name is his or her true name it must be entered in the minutes of the court, and the subsequent proceedings on the indictment or information may be had against him or her by that name, referring also to the name by which he or she is indicted or informed against.

**Sec. 1039.** RCW 10.40.060 and 1891 c 28 s 50 are each amended to read as follows:

In answer to the arraignment, the defendant may move to set aside the indictment or information, or he or she may demur or plead to it, and is entitled to one day after arraignment in which to answer thereto if he or she demands it.

**Sec. 1040.** RCW 10.40.140 and Code 1881 s 1053 are each amended to read as follows:

If the demurrer is overruled the defendant has a right to put in a plea. If he or she fails to do so, judgment may be rendered against him or her on the demurrer, and, if necessary, a jury may be impaneled to inquire and ascertain the degree of the offense.

**Sec. 1041.** RCW 10.40.170 and Code 1881 s 1056 are each amended to read as follows:

The plea of guilty can only be put in by the defendant himself or herself in open court.

**Sec. 1042.** RCW 10.43.040 and 1999 c 141 s 1 are each amended to read as follows:

Whenever, upon the trial of any person for a crime, it appears that the offense was committed in another state or country, under such circumstances that the courts of this state had jurisdiction thereof, and that the defendant has already been acquitted or convicted upon the merits, in a judicial proceeding conducted under the criminal laws of such state or country, founded upon the act or omission with respect to which he or she is upon trial, such former acquittal or conviction is a sufficient defense. Nothing in this section affects or prevents a prosecution in a court of this state of any person who has received administrative or nonjudicial punishment, civilian or military, in another state or country based upon the same act or omission.

**Sec. 1043.** RCW 10.43.050 and 1909 c 249 s 64 are each amended to read as follows:

No order of dismissal or directed verdict of not guilty on the ground of a variance between the indictment or information and the proof, or on the ground of any defect in such indictment or information, shall bar another prosecution for the same offense. Whenever a defendant shall be acquitted or convicted upon an indictment or information charging a crime consisting of different degrees, he or she cannot be proceeded against or tried for the same crime in another degree, nor for an attempt to commit such crime, or any degree thereof.

**Sec. 1044.** RCW 10.46.060 and 1891 c 28 s 23 are each amended to read as follows:

When a defendant is designated in the indictment or information by a fictitious or erroneous name, and in any stage of the proceedings his or her true name is discovered, it may be inserted in the subsequent proceedings, referring to the fact of his or her being indicted or informed against by the name mentioned in the indictment or information.
Sec. 1045. RCW 10.46.110 and Code 1881 s 1092 are each amended to read as follows:

When two or more persons are included in one prosecution, the court may, at any time before the defendant has gone into his or her defense, direct any defendant to be discharged, that he or she may be a witness for the state. A defendant may also, when there is not sufficient evidence to put him or her on his or her defense, at any time before the evidence is closed, be discharged by the court, for the purpose of giving evidence for a codefendant. The order of discharge is a bar to another prosecution for the same offense.

Sec. 1046. RCW 10.46.200 and Code 1881 s 1168 are each amended to read as follows:

No prisoner or person under recognizance who shall be acquitted by verdict or discharged because no indictment is found against him or her, or for want of prosecution, shall be liable for any costs or fees of any officer or for any charge of subsistence while he or she was in custody, but in every such case the fees of the defendant's witnesses, and of the officers for services rendered at the request of the defendant; and charges for subsistence of the defendant while in custody shall be taxed and paid as other costs and charges in such cases.

Sec. 1047. RCW 10.46.220 and 1979 c 129 s 1 are each amended to read as follows:

In all convictions for felony, whether capital or punishable by imprisonment in the penitentiary, the clerk of the superior court shall forthwith, after sentence, tax the costs in the case. The cost bill shall be made out in triplicate, and be examined by the prosecuting attorney of the county in which the trial was had. After which the judge of the superior court shall allow and approve such bill or so much thereof, as is allowable by law. The clerk of the superior court shall thereupon, under his or her hand, and under the seal of the court, certify said triplicate cost bills, and shall file one with the papers of cause, and shall transmit one to the administrator for the courts and one to the county auditor of the county in which said felony was committed.

Sec. 1048. RCW 10.52.060 and 1909 c 249 s 54 are each amended to read as follows:

Every person accused of crime shall have the right to meet the witnesses produced against him or her face to face: PROVIDED, That whenever any witness whose deposition shall have been taken pursuant to law by a magistrate, in the presence of the defendant and his or her counsel, shall be absent, and cannot be found when required to testify upon any trial or hearing, so much of such deposition as the court shall deem admissible and competent shall be admitted and read as evidence in such case.

Sec. 1049. RCW 10.52.090 and 1909 c 249 s 39 are each amended to read as follows:

In every case where it is provided in this act that a witness shall not be excused from giving testimony tending to criminate himself or herself, no person shall be excused from testifying or producing any papers or documents on the ground that his or her testimony may tend to criminate or subject him or her to a penalty or forfeiture; but he or she shall not be prosecuted or subjected to a penalty or forfeiture for or on account of any action, matter or thing concerning
which he or she shall so testify, except for perjury or offering false evidence committed in such testimony.

**Sec. 1050.** RCW 10.55.020 and 1943 c 218 s 2 are each amended to read as follows:

If a judge of a court of record in any state which by its laws has made provision for commanding persons within that state to attend and testify in this state certified under the seal of such court that there is a criminal prosecution pending in such court, or that a grand jury investigation has commenced or is about to commence, that a person being within this state is a material witness in such prosecution, or grand jury investigation, and that his or her presence will be required for a specified number of days, upon presentation of such certificate to any judge of a court of record in the county in which such person is, such judge shall fix a time and place for a hearing, and shall make an order directing the witness to appear at a time and place certain for the hearing.

If at a hearing the judge determines that the witness is material and necessary, that it will not cause undue hardship to the witness to be compelled to attend and testify in the prosecution or a grand jury investigation in the other state, and that the laws of the state in which the prosecution is pending, or grand jury investigation has commenced or is about to commence, will give to him or her protection from arrest and the service of civil and criminal process, he or she shall issue a summons, with a copy of the certificate attached, directing the witness to attend and testify in the court where the prosecution is pending, or where a grand jury investigation has commenced or is about to commence and of any other state through which the witness may be required to travel by ordinary course of travel, at a time and place specified in the certificate. In any such hearing the certificate shall be prima facie evidence of all the facts stated therein.

If said certificate recommends that the witness be taken into immediate custody and delivered to an officer of the requesting state to assure his or her attendance in the requesting state, such judge may, in lieu of notification of the hearing, direct that such witness be forthwith brought before him or her for said hearing; and the judge at the hearing being satisfied of the desirability of such custody and delivery, for which determination the certificate shall be prima facie proof of such desirability may, in lieu of issuing subpoena or summons, order that said witness be forthwith taken into custody and delivered to an officer of the requesting state.

If the witness, who is summoned as above provided, after being paid or tendered by some properly authorized person the sum of ten cents a mile for each mile by the ordinary traveled route to and from the court where the prosecution is pending and five dollars for each day, that he or she is required to travel and attend as a witness, fails without good cause to attend and testify as directed in the summons, he or she shall be punished in the manner provided for the punishment of any witness who disobeys a summons issued from a court of record in this state.

**Sec. 1051.** RCW 10.55.060 and 1943 c 218 s 3 are each amended to read as follows:

If any person in any state, which by its laws has made provision for commanding persons within its borders to attend and testify in criminal prosecutions, or grand jury investigations commenced or about to commence, in
this state, is a material witness either for the prosecution or for the defense, in a
criminal action pending in a court of record in this state, or in a grand jury
investigation which has commenced or is about to commence, a judge of such
court may issue a certificate under the seal of the court stating these facts and
specifying the number of days the witness will be required. Said certificate may
include a recommendation that the witness be taken into immediate custody and
delivered to an officer of this state to assure his or her attendance in this state.
This certificate shall be presented to a judge of a court of record in the county in
which the witness is found.

If the witness is summoned to attend and testify in this state he or she shall
be tendered the sum of ten cents a mile for each mile by the ordinary traveled
route to and from the court where the prosecution is pending and five dollars for
each day that he or she is required to travel and attend as a witness. A witness
who has appeared in accordance with the provisions of the summons shall not be
required to remain within this state a longer period of time than the period
mentioned in the certificate, unless otherwise ordered by the court. If such
witness, after coming into this state, fails without good cause to attend and
testify as directed in the summons, he or she shall be punished in the manner
provided for the punishment of any witness who disobeys a summons issued
from a court of record in this state.

Sec. 1052. RCW 10.55.100 and 1943 c 218 s 4 are each amended to read
as follows:

If a person comes into this state in obedience to a summons directing him or
her to attend and testify in this state he or she shall not while in this state
pursuant to such summons be subject to arrest or the service of process, civil or
criminal, in connection with matters which arose before his or her entrance into
this state under the summons.

If a person passes through this state while going to another state in
obedience to a summons to attend and testify in that state or while returning
therefrom, he or she shall not while so passing through this state be subject to
arrest or the service of process, civil or criminal, in connection with matters
which arose before his or her entrance into this state under the summons.

Sec. 1053. RCW 10.58.020 and 1909 c 249 s 56 are each amended to read
as follows:

Every person charged with the commission of a crime shall be presumed
innocent until the contrary is proved by competent evidence beyond a reasonable
doubt; and when an offense has been proved against him or her, and there exists
a reasonable doubt as to which of two or more degrees he or she is guilty, he or
she shall be convicted only of the lowest.

Sec. 1054. RCW 10.58.030 and Code 1881 s 1070 are each amended to read
as follows:

The confession of a defendant made under inducement, with all the
circumstances, may be given as evidence against him or her, except when made
under the influence of fear produced by threats; but a confession made under
inducement is not sufficient to warrant a conviction without corroborating
testimony.

Sec. 1055. RCW 10.61.006 and 1891 c 28 s 76 are each amended to read
as follows:
In all other cases the defendant may be found guilty of an offense the
commission of which is necessarily included within that with which he or she
is charged in the indictment or information.

Sec. 1056. RCW 10.64.060 and Code 1881 s 1127 are each amended to
read as follows:
In every case where imprisonment in the penitentiary is awarded against any
convict, the form of the sentence shall be, that he or she be punished by
confine[ment] at hard labor; and he or she may also be sentenced to solitary
imprisonment for such term as the court shall direct, not exceeding twenty days
at any one time; and in the execution of such punishment the solitary shall
precede the punishment by hard labor, unless the court shall otherwise order.

Sec. 1057. RCW 10.64.070 and 1891 c 28 s 83 are each amended to read
as follows:
Every court before whom any person shall be convicted upon an indictment
or information for an offense not punishable with death or imprisonment in the
penitentiary may, in addition to the punishment prescribed by law, require such
person to recognize with sufficient sureties in a reasonable sum to keep the
peace, or to be of good behavior, or both, for any term not exceeding one year,
and to stand committed until he or she shall so recognize.

Sec. 1058. RCW 10.70.010 and Code 1881 s 1119 are each amended to
read as follows:
When the defendant is adjudged to pay a fine and costs, the court shall order

county jail, the clerk of the court shall, as soon as may be, make out and deliver
to the sheriff of the county, or his or her deputy, a transcript from the minutes of
the court of such conviction and sentence, duly certified by such clerk, which
shall be sufficient authority for such sheriff to execute the sentence, who shall
execute it accordingly.

Sec. 1060. RCW 10.73.040 and 1999 c 143 s 48 are each amended to read
as follows:
In all criminal actions, except capital cases in which the proof of guilt is
clear or the presumption great, upon an appeal being taken from a judgment of
conviction, the court in which the judgment was rendered, or a judge thereof,
must, by an order entered in the journal or filed with the clerk, fix and determine
the amount of bail to be required of the appellant; and the appellant shall be
committed until a bond to the state of Washington in the sum so fixed be
executed on his or her behalf by at least two sureties possessing the
qualifications required for sureties on appeal bonds, such bond to be conditioned
that the appellant shall appear whenever required, and stand to and abide by the
judgment or orders of the appellate court, and any judgment and order of the
superior court that may be rendered or made in pursuance thereof. If the
appellant be already at large on bail, his or her sureties shall be liable to the
amount of their bond, in the same manner and upon the same conditions as if
they had executed the bond prescribed by this section; but the court may by
order require a new bond in a larger amount or with new sureties, and may commit the appellant until the order be complied with.

Sec. 1061. RCW 10.79.020 and Code 1881 s 969 are each amended to read as follows:

When such writ is applied for, notice thereof, and of the time and place of hearing thereon, shall be given to the prosecuting officer of the county in which the arrest is made and in which the accused is in custody, and to the said agent of the demanding state: PROVIDED, That the hearing provided for in this section shall not be available except as may be constitutionally required if a hearing on the legality of arrest has been held pursuant to RCW 10.88.320 or 10.88.330.

ready to proceed on his or her route, such officer or person being chargeable with the expense of keeping.

The officer or agent of a demanding state to whom a prisoner may have been delivered following extradition proceedings in another state, or to whom a prisoner may have been delivered after waiving extradition in such other state, and who is passing through this state with such a prisoner for the purpose of immediately returning such prisoner to the demanding state may, when necessary, confine the prisoner in the jail of any county or city through which he or she may pass; and the keeper of such jail must receive and safely keep the prisoner until the officer or agent having charge of him or her is ready to proceed on his or her route, such officer or agent, however, being chargeable with the expense of keeping: PROVIDED, HOWEVER, That such officer or agent shall produce and show to the keeper of such jail satisfactory written evidence of the fact that he or she is actually transporting such prisoner to the demanding state after a requisition by the executive authority of such demanding state. Before the warrant is issued, the designated agent must file with a judicial officer of this state the following documents:

   (a) An affidavit stating the name and whereabouts of the person whose removal is sought, the crime with which the person was charged, the time and place of the crime charged, and the status of the proceedings against him or her;

(2) The person whose removal is sought may at this time in writing waive the hearing and agree to be returned to the demanding court, judge, or magistrate. If a waiver is executed, the judicial officer shall issue an order pursuant to RCW 10.91.030.

(3) The judicial officer may impose conditions of release authorized by the laws of this state which will reasonably assure the appearance at the hearing of the person whose removal is sought.

Sec. 1092. RCW 10.91.050 and 1971 ex.s. c 17 s 9 are each amended to read as follows:

The costs of the procedures required by this chapter shall be borne by the demanding state, except when the designated agent is not a public official. In any case when the designated agent is not a public official, he or she shall bear the cost of such procedures.

The individual's right to access and review of criminal history record information shall not extend to data contained in intelligence, investigative, or other related files, and shall not be construed to include any information other than that defined as criminal history record information by this chapter.

Every criminal justice agency shall adopt rules and make available forms to facilitate the inspection and review of criminal history record information by the
subjects thereof, which rules may include requirements for identification, the establishment of reasonable periods of time to be allowed an individual to examine the record, and for assistance by an individual's counsel, interpreter, or other appropriate persons.

No person shall be allowed to retain or mechanically reproduce any nonconviction data except for the purpose of challenge or correction when the person who is the subject of the record asserts the belief in writing that the information regarding such person is inaccurate or incomplete. The provisions of chapter 42.56 RCW shall not be construed to require or authorize copying of nonconviction data for any other purpose.

The Washington state patrol shall establish rules for the challenge of records which an individual declares to be inaccurate or incomplete, and for the resolution of any disputes between individuals and criminal justice agencies pertaining to the accuracy and completeness of criminal history record information. The Washington state patrol shall also adopt rules for the correction of criminal history record information and the dissemination of corrected information to agencies and persons to whom inaccurate or incomplete information was previously disseminated. Such rules may establish time limitations of not less than ninety days upon the requirement for disseminating corrected information.

If, in such action, the court shall find that the defendant is violating or has violated any of the provisions of this chapter, it shall enjoin the defendant from a continuance thereof, and it shall not be necessary that actual damages to the plaintiff be alleged or proved. In addition to such injunctive relief, the plaintiff in said action shall be entitled to recover from the defendant the amount of the actual damages, if any, sustained by him or her if actual damages to the plaintiff are alleged and proved. In any suit brought to enjoin a violation of this chapter, the prevailing party may be awarded reasonable attorneys' fees, including fees incurred upon appeal. Commencement, pendency, or conclusion of a civil action for injunction or damages shall not affect the liability of a person or agency to criminal prosecution for a violation of this chapter.

Sec. 1095. RCW 10.97.120 and 1977 ex.s. c 314 s 12 are each amended to read as follows:

Violation of the provisions of this chapter shall constitute a misdemeanor, and any person whether as principal, agent, officer, or director for himself or herself or for another person, or for any firm or corporation, public or private, or any municipality who or which shall violate any of the provisions of this chapter shall be guilty of a misdemeanor for each single violation. Any criminal prosecution shall not affect the right of any person to bring a civil action as authorized by this chapter or otherwise authorized by law.

(1) Share of surviving spouse or state registered domestic partner. The surviving spouse or state registered domestic partner shall receive the following share:

(a) All of the decedent's share of the net community estate; and
(b) One-half of the net separate estate if the intestate is survived by issue; or
(c) Three-quarters of the net separate estate if there is no surviving issue, but the intestate is survived by one or more of his or her parents, or by one or more of the issue of one or more of his or her parents; or
(d) All of the net separate estate, if there is no surviving issue nor parent nor issue of parent.

(2) Shares of others than surviving spouse or state registered domestic partner. The share of the net estate not distributable to the surviving spouse or state registered domestic partner, or the entire net estate if there is no surviving spouse or state registered domestic partner, shall descend and be distributed as follows:

(a) To the issue of the intestate; if they are all in the same degree of kinship to the intestate, they shall take equally, or if of unequal degree, then those of more remote degree shall take by representation.
(b) If the intestate not be survived by issue, then to the parent or parents who survive the intestate.
(c) If the intestate not be survived by issue or by either parent, then to those issue of the parent or parents who survive the intestate; if they are all in the same degree of kinship to the intestate, they shall take equally, or, if of unequal degree, then those of more remote degree shall take by representation.
(d) If the intestate not be survived by issue or by either parent, or by any issue of the parent or parents who survive the intestate, then to the grandparent or grandparents who survive the intestate; if both maternal and paternal grandparents survive the intestate, the maternal grandparent or grandparents shall take one-half and the paternal grandparent or grandparents shall take one-half.
(e) If the intestate not be survived by issue or by either parent, or by any issue of the parent or parents or by any grandparent or grandparents, then to those issue of any grandparent or grandparents who survive the intestate; taken as a group, the issue of the maternal grandparent or grandparents shall share equally with the issue of the paternal grandparent or grandparents, also taken as a group; within each such group, all members share equally if they are all in the same degree of kinship to the intestate, or, if some be of unequal degree, then those of more remote degree shall take by representation.

Sec. 2002. RCW 11.04.035 and 1967 c 168 s 3 are each amended to read as follows:

Kindred of the half blood shall inherit the same share which they would have inherited if they had been of the whole blood, unless the inheritance comes
to the intestate by descent, devise, or gift from one of his or her ancestors, or kindred of such ancestor's blood, in which case all those who are not of the blood of such ancestors shall be excluded from such inheritance: PROVIDED, HOWEVER, That the words "kindred of such ancestor's blood" and "blood of such ancestors" shall be construed to include any child lawfully adopted by one who is in fact of the blood of such ancestors.

If a person dies intestate as to all his or her estate, property which he or she gave in his or her lifetime as an advancement to any person who, if the intestate had died at the time of making the advancement, would be entitled to inherit a part of his or her estate, shall be counted toward the advancee's intestate share, and to the extent that it does not exceed such intestate share shall be taken into account in computing the estate to be distributed. Every gratuitous inter vivos transfer is deemed to be an absolute gift and not an advancement unless shown to be an advancement. The advancement shall be considered as of its value at the time when the advancee came into possession or enjoyment or at the time of the death of the intestate, whichever first occurs. If the advancee dies before the intestate, leaving a lineal heir who takes from the intestate, the advancement shall be taken into account in the same manner as if it had been made directly to such heir. If such heir is entitled to a lesser share in the estate than the advancee would have been entitled had he or she survived the intestate, then the heir shall only be charged with such proportion of the advancement as the amount he or she would have inherited, had there been no advancement, bears to the amount which the advancee would have inherited, had there been no advancement.

No administration of the estate of such decedent, and no decree of distribution or other finding or order of any court shall be necessary in any case to vest such title in the heirs or devisees, but the same shall vest in the heirs or devisees instantly upon the death of such decedent: PROVIDED, That no person shall be deemed a devisee until the will has been probated. The title and right to possession of such lands, tenements, or hereditaments so vested in such heirs or devisees, together with the rents, issues, and profits thereof, shall be good and valid against all persons claiming adversely to the claims of any such heirs, or devisees, excepting only the personal representative when appointed, and persons lawfully claiming under such personal representative; and any one or more of such heirs or devisees, or their grantees, jointly or severally, may sue for and recover their respective shares or interests in any such lands, tenements, or hereditaments and the rents,

If the application for an adjudication of intestacy and heirship does not request the appointment of a personal representative and the court enters an adjudication of intestacy no further administration shall be required except as set forth in RCW 11.28.330 or 11.28.340.

Sec. 2018. RCW 11.28.190 and 1965 c 145 s 11.28.190 are each amended to read as follows:

Before the judge approves any bond required under this chapter, and after its approval, he or she may, of his or her own motion, or upon the motion of any person interested in the estate, supported by affidavit that the sureties, or some one or more of them, are not worth as much as they have justified to, order a citation to issue, requiring such sureties to appear before him or her at a designated time and place, to be examined touching their property and its value; and the judge must, at the same time, cause notice to be issued to the personal representative, requiring his or her appearance on the return of the citation, and
on its return he or she may examine the sureties and such witnesses as may be produced touching the property of the sureties and its value; and if upon such examination he or she is satisfied that the bond is insufficient he or she must require sufficient additional security. If the bond and sureties are found by the court to be sufficient, the costs incident to such hearing shall be taxed against the party instituting such hearing. As a part of such costs the sureties appearing shall be allowed such fees and mileage as witnesses are allowed in civil proceedings: PROVIDED, That when the citation herein referred to is issued on the motion of the court, no costs shall be imposed.

Sec. 2019. RCW 11.28.230 and 1965 c 145 s 11.28.230 are each amended to read as follows:

In all actions on such defective bond the plaintiff may state its legal effect in the same manner as though it were a perfect bond. The bond shall not be void upon the first recovery, but may be sued and recovered upon, from time to time, by any person aggrieved in his or her own name, until the whole penalty is exhausted.

Sec. 2020. RCW 11.28.250 and 1965 c 145 s 11.28.250 are each amended to read as follows:

Whenever the court has reason to believe that any personal representative has wasted, embezzled, or mismanaged, or is about to waste, or embezzle the property of the estate committed to his or her charge, or has committed, or is about to commit a fraud upon the estate, or is incompetent to act, or is permanently removed from the state, or has wrongfully neglected the estate, or has neglected to perform any acts as such personal representative, or for any other cause or reason which to the court appears necessary, it shall have power and authority, after notice and hearing to revoke such letters. The manner of the notice and of the service of the same and of the time of hearing shall be wholly in the discretion of the court, and if the court for any such reasons revokes such letters the powers of such personal representative shall at once cease, and it shall be the duty of the court to immediately appoint some other personal representative, as in this title provided.

Sec. 2021. RCW 11.28.290 and 1965 c 145 s 11.28.290 are each amended to read as follows:

If any personal representative resign, or his or her letters be revoked, or he or she die, he or she or his or her representatives shall account for, pay, and deliver to his or her successor or to the surviving or remaining personal representatives, all money and property of every kind, and all rights, credits, deeds, evidences of debt, and papers of every kind, of the deceased, at such time and in such manner as the court shall order on final settlement with such personal representative or his or her legal representatives.

The succeeding administrator, or remaining personal representative may proceed by law against any delinquent former personal representative, or his or
her personal representatives, or the sureties of either, or against any other person possessed of any part of the estate.

Sec. 2023. RCW 11.28.330 and 2004 c 193 s 1 are each amended to read as follows:

If no personal representative is appointed to administer the estate of a decedent, the person obtaining the adjudication of testacy, or intestacy and heirship, within thirty days shall personally serve or mail a true copy of the adjudication to each heir, legatee, and devisee of the decedent, which copy shall contain the name of the decedent's estate and the probate cause number, and shall:

(1) State the name and address of the applicant;

(2) State that on the . . . . day of . . . . . . , . . . ., the applicant obtained an order from the superior court of . . . . . . county, state of Washington, adjudicating that the decedent died intestate, or testate, whichever shall be the case;

(3) In the event the decedent died testate, enclose a copy of his or her will therewith, and state that the adjudication of testacy will become final and conclusive for all legal intents and purposes unless any heir, legatee, or devisee of the decedent shall contest said will within four months after the date the said will was adjudicated to be the last will and testament of the decedent;

(4) In the event that the decedent died intestate, set forth the names and addresses of the heirs of the decedent, their relationship to the decedent, the distributive shares of the estate of the decedent which they are entitled to receive, and that said adjudication of intestacy and heirship shall become final and conclusive for all legal intents and purposes, unless, within four months of the date of said adjudication of intestacy, a petition shall be filed seeking the admission of a will of the decedent for probate, or contesting the adjudication of heirship.

Notices provided for in this section may be served personally or sent by regular mail, and proof of such service or mailing shall be made by an affidavit filed in the cause;

(5) Mail a true copy of the adjudication, including the decedent's social security number and the name and address of the applicant, to the state of Washington department of social and health services office of financial recovery.

Sec. 2024. RCW 11.28.340 and 2004 c 193 s 2 are each amended to read as follows:

(1) Establishing the decedent's will as his or her last will and testament and persons entitled to receive his or her estate thereunder; or

(2) Establishing the fact that the decedent died intestate, and those persons entitled to receive his or her estate as his or her heirs at law.

The right of an heir, legatee, or devisee to receive the assets of a decedent shall, to the extent otherwise provided by this title, be subject to the prior rights of the decedent's creditors and of any persons entitled to a homestead award or award in lieu of homestead or family allowance, and nothing contained in this section shall be deemed to alter or diminish such prior rights, or to prohibit any person for good cause shown, from obtaining the appointment of a personal representative to administer the estate of the decedent after the entry of an order adjudicating testacy or intestacy and heirship. However, if the petition for letters testamentary or of administration shall be filed more than four months after the date of the adjudication of testacy or of intestacy and heirship, the issuance of such letters shall not affect the finality of said adjudications.

Four months after providing all notices as required in RCW 11.28.330, any person paying, delivering, transferring, or issuing property to the person entitled thereto under an adjudication of testacy or intestacy and heirship that is deemed the equivalent of a final decree of distribution as set forth in this section is discharged and released to the same extent as if such person has dealt with a personal representative of the decedent.

Additional compensation may be allowed for his or her services as attorney and for other services not required of a personal representative. An attorney performing services for the estate at the instance of the personal representative shall have such compensation therefor out of the estate as the court shall deem just and reasonable. Such compensation may be allowed at the final account; but at any time during administration a personal representative or his or her attorney may apply to the court for an allowance upon the compensation of the personal representative and upon attorney's fees. The personal representative shall not deliver any such note, mortgage, or other evidence of indebtedness until he or she has first presented same to the court and obtained its approval of the form. Every mortgage so made and approved shall be effectual to mortgage and encumber all the right, title, and interest of the said estate in the property described therein at the time of the death of the said decedent, or acquired by his or her estate, and no irregularity in the proceedings shall impair or invalidate any mortgage given under such order of the court and approved by it.

Sec. 2047. RCW 11.56.100 and 1965 c 145 s 11.56.100 are each amended to read as follows:

The personal representative making any sale of real estate, either at public or private sale, or sale by negotiation shall within ten days after making such sale file with the clerk of the court his or her return of such sale, the same being duly verified. In the case of a sale by negotiation the personal representative shall publish a notice in one issue of a legal newspaper of the county in which the estate is being administered; such notice shall include the legal description of the property sold, the selling price and the date after which the sale can be confirmed: PROVIDED, That such confirmation date shall be at least ten days after such notice is published. At any time after the expiration of ten days from the publication of such notice, in the case of sale by negotiation, and at any time after the expiration of ten days from the filing of such return, in the case of public or private sale the court may approve and confirm such sale and direct proper instruments of transfer to be executed and delivered. But if the court shall be of the opinion that the proceedings were unfair, or that the sum obtained was disproportionate to the value of the property sold, or if made at private sale or sale by negotiation that it did not sell for at least ninety percent of the appraised value as in RCW 11.56.090 provided, and that a sum exceeding said bid by at least ten percent exclusive of the expense of a new sale, may be obtained, the court may refuse to approve or confirm such sale and may order a resale. On a resale, notice shall be given and the sale shall be conducted in all respects as though no previous sale had been made.

Sec. 2048. RCW 11.56.110 and 1967 ex.s. c 106 s 2 are each amended to read as follows:

If, at any time before confirmation of any such sale, any person shall file with the clerk of the court a bid on such property in an amount not less than ten percent higher than the bid the acceptance of which was reported by the return of sale and shall deposit with the clerk not less than twenty percent of his or her bid in the form of cash, money order, cashier's check, or certified check made payable to the clerk, to be forfeited to the estate unless such bidder complies with his or her bid, the bidder whose bid was accepted shall be informed of such increased bid by registered or certified mail addressed to such bidder at any address which may have been given by him or her at the time of making such bid. Such bidder then shall have a period of five days, not including holidays, in which to make and file a bid better than that of the subsequent bidder. After the expiration of such five-day period the court may refuse to confirm the sale reported in the return of sale and direct a sale to the person making the best bid.
then on file, indicating which is the best bid, and a sale made pursuant to such direction shall need no further confirmation. Instead of such a direction, the court, upon application of the personal representative, may direct the reception of sealed bids. Thereupon the personal representative shall mail notice by registered or certified mail to all those who have made bids on such property, informing them that sealed bids will be received by the clerk of the court within ten days. At the expiration of such period the personal representative, in the presence of the clerk of the court, shall open such bids as shall have been submitted to the clerk within the time stated in the notice (whether by previous bidders or not) and shall file a recommendation of the acceptance of the bid which he or she deems best in view of the requirements of the particular estate. The court may thereupon direct a sale to the bidder whose bid is deemed best by the court and a sale made pursuant to such direction shall need no confirmation: PROVIDED, HOWEVER, That the court shall consider the net realization to the estate in determining the best bid.

If it shall be made to appear to the satisfaction of the court that it will be to the interest of the estate of any deceased person to sell or mortgage other personal estate or to sell or mortgage other real estate of the decedent than that mortgaged by him or her to redeem the property so mortgaged, the court may order the sale or mortgaging of any personal estate, or the sale or mortgaging of any real estate of the decedent which it may deem expedient to be sold or mortgaged for such purpose, which sale or mortgaging shall be conducted in all respects as other sales or mortgages of like property ordered by the court.

In the case of real property, a conveyance executed under the provisions of this title shall so refer to the order authorizing the conveyance that the same may be readily found, but need not recite the record in the case generally, and the conveyance made in pursuance of such order shall pass to the grantee all the estate, right, title, and interest contracted to be conveyed by the deceased, as
fully as if the contracting party himself or herself were still living and executed the conveyance in pursuance of such contract.

Sec. 2053. RCW 11.60.060 and 1965 c 145 s 11.60.060 are each amended to read as follows:

If the person entitled to performance shall die before the commencement of the proceedings according to the provisions of this title or before the completion of performance, any person who would have been entitled to the performance under him or her, as heir, devisee, or otherwise, in case the performance had been made according to the terms of the contract, or the personal representative of such deceased person, for the benefit of persons entitled, may commence such proceedings, or prosecute the same if already commenced; and the performance shall inure to the persons who would have been entitled to it, or to the personal representative for their benefit.

If any such surviving partner be also the personal representative of the estate of the deceased partner, such fact shall not affect his or her right to purchase, or to join with the other surviving partners to purchase such interest in the manner hereinbefore provided.

The court shall make such orders in connection with such sale as it deems proper or necessary to protect the estate of the deceased against any liability for partnership debts or obligations.

Sec. 2056. RCW 11.66.010 and 1979 c 141 s 12 are each amended to read as follows:

(1) If not less than thirty days after the death of an individual entitled at the time of death to a monthly benefit or benefits under Title II of the social security act, all or part of the amount of such benefit or benefits, not in excess of one thousand dollars, is paid by the United States to (a) the surviving spouse, (b) one or more of the deceased's children, or descendants of his or her deceased children, (c) the secretary of social and health services if the decedent was a resident of a state institution at the date of death and liable for the cost of his or her care in an amount at least as large as the amount of such benefits, (d) the deceased's father or mother, or (e) the deceased's brother or sister, preference being given in the order named if more than one request for payment shall have been made by or for such individuals, such payment shall be deemed to be a

extent as if such payment had been made to an executor or administrator of the
decedent's estate.

(2) The provisions of subsection (1) of this section shall apply only if an affidavit has been made and filed with the United States department of health, education, and welfare by the surviving spouse or other relative by whom or on whose behalf request for payment is made and such affidavit shows (a) the date of death of the deceased, (b) the relationship of the affiant to the deceased, (c) that no executor or administrator for the deceased has qualified or been appointed, nor to the affiant's knowledge is administration of the deceased's estate contemplated, and (d) that, to the affiant's knowledge, there exists at the time of the filing of such affidavit, no relative of a closer degree of kindred to the deceased than the affiant: PROVIDED, That the affidavit filed by the secretary of social and health services shall meet the requirements of (a) and (c) of this subsection and, in addition, show that the decedent left no known surviving spouse or children and died while a resident of a state institution at the date of death and liable for the cost of his care in an amount at least as large as the amount of such benefits.

Sec. 2057. RCW 11.68.070 and 1977 ex.s. c 234 s 23 are each amended to
read as follows:

If any personal representative who has been granted nonintervention powers fails to execute his trust faithfully or is subject to removal for any reason specified in RCW 11.28.250 as now or hereafter amended, upon petition of any unpaid creditor of the estate who has filed a claim or any heir, devisee, legatee, or of any person on behalf of any incompetent heir, devisee, or legatee, such petition being supported by affidavit which makes a prima facie showing of cause for removal or restriction of powers, the court shall cite such personal representative to appear before it, and if, upon hearing of the petition it appears that said personal representative has not faithfully discharged said trust or is subject to removal for any reason specified in RCW 11.28.250 as now or hereafter amended, then, in the discretion of the court the powers of the personal representative may be restricted or the personal representative may be removed and a successor appointed. In the event the court shall restrict the powers of the personal representative in any manner, it shall endorse the words "Powers restricted" upon the original order of solvency together with the date of said endorsement, and in all such cases the cost of the citation, hearing, and reasonable attorney's fees may be awarded as the court determines.

Sec. 2058. RCW 11.68.100 and 1977 ex.s. c 234 s 25 are each amended to
read as follows:

(1) When the estate is ready to be closed, the court, upon application by the personal representative who has nonintervention powers, shall have the authority and it shall be its duty, to make and cause to be entered a decree which either:

(a) Finds and adjudges that all approved claims of the decedent have been paid, finds and adjudges the heirs of the decedent or those persons entitled to take under his or her will, and distributes the property of the decedent to the persons entitled thereto; or
(b) Approves the accounting of the personal representative and settles the estate of the decedent in the manner provided for in the administration of those estates in which the personal representative has not acquired nonintervention powers.

(2) Either decree provided for in this section shall be made after notice given as provided for in the settlement of estates by a personal representative who has not acquired nonintervention powers. The petition for either decree provided for in this section shall state the fees paid or proposed to be paid to the personal representative, his or her attorneys, accountants, and appraisers, and any heir, devisee, or legatee whose interest in the assets of a decedent's estate would be reduced by the payment of said fees shall receive a copy of said petition with the notice of hearing thereon; at the request of the personal representative or any said heir, devisee, or legatee, the court shall, at the time of the hearing on either petition, determine the reasonableness of said fees. The court shall take into consideration all criteria forming the basis for the determination of the amount of such fees as contained in the code of professional responsibility; in determining the reasonableness of the fees charged by any personal representative, accountants, and appraisers the court shall take into consideration the criteria forming the basis for the determination of attorney's fees, to the extent applicable, and any other factors which the court determines to be relevant in the determination of the amount of fees to be paid to such personal representative.

Sec. 2059. RCW 11.68.120 and 1974 ex.s. c 117 s 24 are each amended to read as follows:

A personal representative who has acquired nonintervention powers in accordance with this chapter shall not be deemed to have waived his or her nonintervention powers by obtaining any order or decree during the course of his or her administration of the estate.

Sec. 2060. RCW 11.72.002 and 1965 c 145 s 11.72.002 are each amended to read as follows:

Upon application of the personal representative, with or without notice as the court may direct, the court may order the personal representative to deliver to any distributee who consents to it, possession of any specific real or personal property to which he or she is entitled under the terms of the will or by intestacy, provided that other distributees and claimants are not prejudiced thereby. The court may at any time prior to the decree of final distribution order him or her to return such property to the personal representative, if it is for the best interests of the estate. The court may require the distributee to give security for such return.

Sec. 2061. RCW 11.76.010 and 1965 c 145 s 11.76.010 are each amended to read as follows:

Not less frequently than annually from the date of qualification, unless a final report has theretofore been rendered, the personal representative shall make, verify by his or her oath, and file with the clerk of the court a report of the affairs of the estate. Such report shall contain a statement of the claims filed and allowed and all those rejected, and if it be necessary to sell, mortgage, lease, or exchange any property for the purpose of paying debts or settling any obligations against the estate or expenses of administration or allowance to the family, he or she may in such report set out the facts showing such necessity and
ask for such sale, mortgage, lease, or exchange; such report shall likewise state the amount of property, real and personal, which has come into his or her hands, and give a detailed statement of all sums collected by him or her, and of all sums paid out, and it shall state such other things and matters as may be proper or necessary to give the court full information regarding any transactions by him or her done or which should be done. Such personal representative may at any time, however, make, verify, and file any reports which in his or her judgment would be proper or which the court may order to be made.

Sec. 2062. RCW 11.76.030 and 1965 c 145 s 11.76.030 are each amended to read as follows:

When the estate shall be ready to be closed, such personal representative shall make, verify, and file with the court his or her final report and petition for distribution. Such final report and petition shall, among other things, show that the estate is ready to be settled and shall show any moneys collected since the previous report, and any property which may have come into the hands of the personal representative since his or her previous report, and debts paid, and generally the condition of the estate at that time. It shall likewise set out the names and addresses, as nearly as may be, of all the legatees and devisees in the event there shall have been a will, and the names and addresses, as nearly as may be, of all the heirs who may be entitled to share in such estate, and shall give a particular description of all the property of the estate remaining undisposed of, and shall set out such other matters as may tend to inform the court of the condition of the estate, and it may ask the court for a settlement of the estate and distribution of property and the discharge of the personal representative. If the personal representative has been discharged without having legally closed the estate, without having legally obtained an adjudication as to the heirs, or without having legally procured a decree of distribution or final settlement the court may in its discretion upon petition of any person interested, cause all such steps to be taken in such estate as were omitted or defective.

Sec. 2063. RCW 11.76.040 and 1969 c 70 s 3 are each amended to read as follows:

When such final report and petition for distribution, or either, has been filed, the court, or the clerk of the court, shall fix a day for hearing it which must be at least twenty days subsequent to the day of the publication as hereinafter provided. Notice of the time and place fixed for the hearing shall be given by the personal representative by publishing a notice thereof in a legal newspaper published in the county for one publication at least twenty days preceding the time fixed for the hearing. It shall state in substance that a final report and petition for distribution have, or either thereof has, been filed with the clerk of the court and that the court is asked to settle such report, distribute the property to the heirs or persons entitled thereto, and discharge the personal representative, and it shall give the time and place fixed for the hearing of such final report and petition and shall be signed by the personal representative or the clerk of the court.

Whenever a final report and petition for distribution, or either, shall have been filed in the estate of a decedent and a day fixed for the hearing of the same, the personal representative of such estate shall, not less than twenty days before the hearing, cause to be mailed a copy of the notice of the time and place fixed
for hearing to each heir, legatee, devisee and distributee whose name and address are known to him or her, and proof of such mailing shall be made by affidavit and filed at or before the hearing.

Sec. 2064. RCW 11.76.050 and 1965 c 145 s 11.76.050 are each amended to read as follows:

Upon the date fixed for the hearing of such final report and petition for distribution, or either thereof, or any day to which such hearing may have been adjourned by the court, if the court be satisfied that the notice of the time and place of hearing has been given as provided herein, it may proceed to the hearing aforesaid. Any person interested may file objections to the said report and petition for distribution, or may appear at the time and place fixed for the hearing thereof and present his or her objections thereto. The court may take such testimony as to it appears proper or necessary to determine whether the estate is ready to be settled, and whether the transactions of the personal representative should be approved, and to determine who are the legatees or heirs or persons entitled to have the property distributed to them, and the court shall, if it approves such report, and finds the estate ready to be closed, cause to be entered a decree approving such report, find and adjudge the persons entitled to the remainder of the estate, and that all debts have been paid, and by such decree shall distribute the real and personal property to those entitled to the same. Upon the production of receipts from the beneficiaries or distributees for their portions of the estate, the court shall, if satisfied with the correctness thereof, adjudge the estate closed and discharge the personal representative.

The court may, upon such final hearing, partition among the persons entitled thereto, the estate held in common and undivided, and designate and distribute their respective shares; or assign the whole or any part of said estate to one or more of the persons entitled to share therein. The person or persons to whom said estate is assigned shall pay or secure to the other parties interested in said estate their just proportion of the value thereof as determined by the court from the appraisement, or from any other evidence which the court may require.

If it shall appear to the court at or prior to any final hearing that the estate cannot be fairly divided, then the whole or any part of said estate may be sold or mortgaged in the manner provided by law for the sale or mortgaging of property by personal representatives and the proceeds thereof distributed to the persons entitled thereto as provided in the final decree.

The court shall have the authority to make partition, distribution and settlement of all estates in any manner which to the court seems right and proper, to the end that such estates may be administered and distributed to the persons entitled thereto. No estate shall be partitioned, nor sale thereof made where partition is impracticable except upon a hearing before the court and the court shall fix the values of the several pieces or parcels to be partitioned at the time of making such order of partition or sale; and may order the property sold and the proceeds distributed, or may order partition and distribute the several pieces or parcels, subject to such charges or burdens as shall be proper and equitable.

The provisions of this section shall be concurrent with and not in derogation of other statutes as to partition of property or sale.

Sec. 2065. RCW 11.76.060 and 1965 c 145 s 11.76.060 are each amended to read as follows:
If, at any hearing upon any report of any personal representative, it shall appear to the court before which said proceeding is pending that said personal representative has not fully accounted to the beneficiaries of his or her trust and that said report should not be approved as rendered, the court may continue said hearing to a day certain and may cite the surety upon the bond of said personal representative to appear upon the date fixed in said citation and show cause why the account should not be disapproved and judgment entered for any deficiency against said personal representative and the surety upon his or her bond. Said citation shall be personally served upon said surety in the manner provided by law for the service of summons in civil actions and shall be served not less than twenty days previous to said hearing. At said hearing any interested party, including the surety so cited, shall have the right to introduce any evidence which shall be material to the matter before the court. If, at said hearing, the report of said personal representative shall not be approved and the court shall find that said personal representative is indebted to the beneficiary of his or her trust in any amount, the court may thereupon enter final judgment against said personal representative and the surety upon his or her bond, which judgment shall be enforceable in the same manner and to the same extent as judgments in ordinary civil actions.

Sec. 2066. RCW 11.76.070 and 1965 c 145 s 11.76.070 are each amended to read as follows:

If, in any probate or guardianship proceeding, any personal representative shall fail or neglect to report to the court concerning his or her trust and any beneficiary or other interested party shall be reasonably required to employ legal counsel to institute legal proceedings to compel an accounting, or if an erroneous account or report shall be rendered by any personal representative and any beneficiary of said trust or other interested party shall be reasonably required to employ legal counsel to resist said account or report as rendered, and upon a hearing an accounting shall be ordered, or the account as rendered shall not be approved, and the said personal representative shall be charged with further liability, the court before which said proceeding is pending may, in its discretion, in addition to statutory costs, enter judgment for reasonable attorney's fees in favor of the person or persons instituting said proceedings and against said personal representative, and in the event that the surety or sureties upon the bond of said personal representative be made a party to said proceeding, then jointly against said surety and said personal representative, which judgment shall be enforceable in the same manner and to the same extent as judgments in ordinary civil actions.

Sec. 2067. RCW 11.76.100 and 1987 c 363 s 2 are each amended to read as follows:

In rendering his or her accounts or reports the personal representative shall produce receipts or canceled checks for the expenses and charges which he or she shall have paid, which receipts shall be filed and remain in court until the probate has been completed and the personal representative has been discharged; however, he or she may be allowed any item of expenditure, not exceeding twenty dollars, for which no receipt is produced, if such item be supported by his or her own oath, but such allowances without receipts shall not exceed the sum of three hundred dollars in any one estate.

Sec. 2070. RCW 11.76.160 and 1965 c 145 s 11.76.160 are each amended to read as follows:

Whenever a decree shall have been made by the court for the payment of creditors, the personal representative shall be personally liable to each creditor for his or her claim or the dividend thereon, except when his or her inability to make the payment thereof from the property of the estate shall result without fault upon his or her part. The personal representative shall likewise be liable on his or her bond to each creditor.

Sec. 2071. RCW 11.76.170 and 1965 c 145 s 11.76.170 are each amended to read as follows:

If, after the accounts of the personal representative have been settled and the property distributed, it shall appear that there is a creditor or creditors whose claim or claims have been duly filed and not paid or disallowed, the said claim or claims shall not be a lien upon any of the property distributed, but the said creditor or creditors shall have a cause of action against the personal representative and his or her bond, for such an amount as such creditor or creditors would have been entitled to receive had the said claim been duly allowed and paid, and shall also have a cause of action against the distributees and creditors for a contribution from them in proportion to the amount which they have received. If the personal representative or his or her sureties be required to make any payment in this section provided for, he or she or they shall have a right of action against said distributees and creditors to compel them to contribute their just share.

Sec. 2072. RCW 11.76.190 and 1965 c 145 s 11.76.190 are each amended to read as follows:

If there be any contingent or disputed claim against the estate, the amount thereof, or such part thereof as the holder would be entitled to, if the claim were established or absolute, shall be paid into the court, where it shall remain to be
paid over to the party when he or she shall become entitled thereto; or if he or she fails to establish his or her claim, to be paid over or distributed as the circumstances of the case may require.

Sec. 2073. RCW 11.76.210 and 1965 c 145 s 11.76.210 are each amended to read as follows:

If any claim to the estate is made during the period specified above, the claimant shall forthwith notify the department of revenue in writing of such claim. The court, being first satisfied as to the right of such person to the estate, and after the filing of a clearance from the department of revenue, shall order the agent, or the county treasurer, as the case may be, to forthwith deliver the estate, or the proceeds thereof, if sold, to such person.

Sec. 2076. RCW 11.76.243 and 1965 c 145 s 11.76.243 are each amended to read as follows:

If no person appears to claim the estate within four years after it is delivered to the county treasury, as provided by RCW 11.76.240, any heirs of the absentee person may institute probate proceedings on the estate of such absentee within ninety days thereafter. The fact that no claim has been made to the estate by the absentee person during the specified time shall be deemed prima facie proof of the death of such person for the purpose of issuing letters of administration in his or her estate. In the event letters of administration are issued within the period provided above, the county treasurer shall make payment of the funds held by him or her to the administrator upon being furnished a certified copy of the letters of administration.

Upon the coming in of the inventory and appraisement, the judge shall fix the amount of the bond to be given by the trustee, which bond shall in no case be less than the appraised value of the personal property and the annual rents and profits of the real property, and the trustee shall thereupon file with the clerk of the court a good and sufficient bond in the amount fixed and with surety to be approved by the court, conditioned for the faithful performance of his or her duties as trustee, and for accounting for such property, its rents, issues, profits, and increase.

The trustee is authorized and empowered to, by order of the court, expend the proceeds received from the sale of such property, and also the rents, issues, and profits accruing therefrom in the care, maintenance, and upkeep of the property, so long as the trusteeship shall continue, and the trustee shall receive out of such property such compensation for his or her services and those of his or her attorney as may be fixed by the court. The notices and procedures in conducting sales, leases, and mortgages hereunder shall be as provided in chapter 11.56 RCW.

Whenever the owner of such property shall have been absent from the county for the space of five years and his or her whereabouts are unknown and cannot with reasonable diligence be ascertained, his or her presumptive heirs at law may apply to the court for an order of provisional distribution of such property, and to be let into provisional possession thereof: PROVIDED, That such provisional distribution may be made at any time prior to the expiration of five years, when it shall be made to appear to the satisfaction of the court that there are strong presumptions that the absentee is dead; and in determining the question of presumptive death, the court shall take into consideration the habits of the absentee, the motives of and the circumstances surrounding the absence, and the reasons which may have prevented the absentee from being heard of.

Notice of hearing upon application for provisional distribution shall be published in like manner as notices for the appointment of trustees are published.

If the absentee left a will in the possession of any person such person shall present such will at the time of hearing of the application for provisional distribution and if it shall be made to appear to the court that the absentee has left a will and the person in possession thereof shall fail to present it, a citation shall issue requiring him or her so to do, and such will shall be opened, read, proven, filed, and recorded in the case, as are the wills of decedents.

Sec. 2084. RCW 11.80.100 and 1965 c 145 s 11.80.100 are each amended to read as follows:

Whenever the owner of such property shall have been absent from the county for a space of seven years and his or her whereabouts are unknown and cannot with reasonable diligence be ascertained, his or her presumptive heirs at law or the legatees and devisees under the will, as the case may be, to whom the property has been provisionally distributed, may apply to the court for a decree of final distribution of such property and satisfaction, discharge and exoneration of the bonds given upon provisional distribution. Notice of hearing of such
application shall be given in the same manner as notice of hearing of application
for the appointment of trustee and for provisional distribution and if at the final
hearing it shall appear to the satisfaction of the court that the owner of the
property has been absent and unheard of for the space of seven years and his or
her whereabouts are unknown, the court shall exonerate the bonds given on
provisional distribution and enter a decree of final distribution, distributing the
property to the presumptive heirs at law of the absentee or to his or her devisees
and legatees, as the case may be.

Sec. 2085. RCW 11.80.110 and 1965 c 145 s 11.80.110 are each amended

unheard of for a period of seven years and no presumptive heirs at law have
appeared and applied for the provisional distribution of such property and no
will of the absentee has been presented and proven, the trustee appointed under
the provisions of the chapter shall apply to the court for a final settlement of his
or her account and upon the settlement of such final account the property of the
absentee shall be escheated in the manner provided by law for escheating
property of persons who die intestate leaving no heirs.

Sec. 2086. RCW 11.84.060 and 1965 c 145 s 11.84.060 are each amended
to read as follows:
Property in which the slayer holds a reversion or vested remainder and
would have obtained the right of present possession upon the death of the
decedent shall pass to the estate of the decedent during the period of the life
expectancy of decedent; if he or she held the particular estate or if the particular
estate is held by a third person it shall remain in his or her hands for such period.

Sec. 2087. RCW 11.84.900 and 1998 c 292 s 503 are each amended to

Before letters of guardianship are issued, each guardian or limited guardian
shall take and subscribe an oath and, unless dispensed with by order of the court
as provided in RCW 11.88.105, file a bond, with sureties to be approved by the
court, payable to the state, in such sum as the court may fix, taking into account
the character of the assets on hand or anticipated and the income to be received
and disbursements to be made, and such bond shall be conditioned substantially
as follows:
The condition of this obligation is such, that if the above bound A.B., who
has been appointed guardian or limited guardian for C.D., shall faithfully
discharge the office and trust of such guardian or limited guardian according to
law and shall render a fair and just account of his or her guardianship or limited
guardianship to the superior court of the county of . . . . . , from time to time as
he or she shall thereto be required by such court, and comply with all orders of
the court, lawfully made, relative to the goods, chattels, moneys, care,
management, and education of such incapacitated person, or his or her property,
and render and pay to such incapacitated person all moneys, goods, chattels, title papers, and effects which may come into the hands or possession of such guardian or limited guardian, at such time and in such manner as the court may order, then this obligation shall be void, otherwise it shall remain in effect.

The bond shall be for the use of the incapacitated person, and shall not become void upon the first recovery, but may be put in suit from time to time against all or any one of the obligors, in the name and for the use and benefit of any person entitled by the breach thereof, until the whole penalty is recovered thereon. The court may require an additional bond whenever for any reason it appears to the court that an additional bond should be given.

In all guardianships or limited guardianships of the person, and in all guardianship or limited guardianships of the estate, in which the petition alleges that the alleged incapacitated person has total assets of a value of less than three thousand dollars, the court may dispense with the requirement of a bond pending filing of an inventory confirming that the estate has total assets of less than three thousand dollars: PROVIDED, That the guardian or limited guardian shall swear to report to the court any changes in the total assets of the incapacitated person increasing their value to over three thousand dollars: PROVIDED FURTHER, That the guardian or limited guardian shall file a yearly statement showing the monthly income of the incapacitated person if said monthly income, excluding moneys from state or federal benefits, is over the sum of five hundred dollars per month for any three consecutive months.

Consent for such arrangement shall be secured according to RCW 68.50.160. If no person authorized by RCW 68.50.150 accepts responsibility for giving consent, the guardian or limited guardian of the estate may consent, subject to the provisions of this section and to the known directives of the deceased incapacitated person. Reasonable financial commitments made by a guardian or limited guardian pursuant to this section shall be binding against the estate of the deceased incapacitated person.

(2) Upon the death of an incapacitated person intestate the guardian or limited guardian of his or her estate has power under the letters issued to him or her and subject to the direction of the court to administer the estate as the estate of the deceased incapacitated person without further letters unless within forty days after death of the incapacitated person a petition is filed for letters of administration or for letters testamentary and the petition is granted. If the guardian or limited guardian elects to administer the estate under his or her letters of guardianship or limited guardianship, he or she shall petition the court for an order transferring the guardianship or limited guardianship proceeding to a probate proceeding, and upon court approval, the clerk of the court shall re-index the cause as a decedent's estate, using the same file number which was assigned to the guardianship or limited guardianship proceeding. The guardian or limited guardian shall then be authorized to continue administration of the estate without the necessity for any further petition or hearing. Notice to
creditors and other persons interested in the estate shall be published and may be combined with the notice of the guardian's or limited guardian's final account. This notice shall be given and published in the manner provided in chapter 11.40 RCW. Upon the hearing, the account may be allowed and the balance distributed to the persons entitled thereto, after the payment of such claims as may be allowed. Liability on the guardian's or limited guardian's bond shall continue until exonerated on settlement of his or her account, and may apply to the complete administration of the estate of the deceased incapacitated person with the consent of the surety. If letters of administration are granted upon petition filed within forty days after the death of the incapacitated person, the personal representative shall supersede the guardian or limited guardian in the administration of the estate and the estate shall be administered as a decedent's estate as provided in this title, including the publication of notice to creditors and other interested persons and the barring of creditors claims.

At any time after the expiration of ten days from the filing of such return, the court may, without notice, approve and confirm such sale and direct proper instruments of transfer to be executed and delivered. Upon the confirmation of any such sale, the court shall direct the guardian or limited guardian to make, execute and deliver instruments conveying the title to the person to whom such property may be sold and such instruments of conveyance shall be deemed to convey all the estate, rights and interest of the incapacitated person and of the person's estate. In the case of a sale by negotiation the guardians or limited guardians shall publish a notice in one issue of a legal newspaper published in the county in which the estate is being administered; the substance of such notice shall include the legal description of the property sold, the selling price and the date after which the sale may be confirmed: PROVIDED. The legislative body of the municipality shall create a special fund for the sole purpose of paying the principal of and interest on the bonds of each issue, into which fund the legislative body shall obligate the municipality to pay an amount of the gross revenue derived from its ownership, control, use, and operation of the airport and all airport facilities and structures thereon and used and operated in connection therewith, including but not being limited to fees charged for all uses of the airport and facilities, rentals derived from leases of part or all of the airport, buildings and any or all air navigation facilities thereon, fees derived from concessions granted, and proceeds of sales of part or all of the airport and any or all buildings and structures thereon or equipment therefor, sufficient to pay the principal and interest as the same shall become due, and to maintain adequate reserves therefor if necessary. Revenue bonds and the interest thereon shall be payable only out of and shall be a valid claim of the owner thereof only as against the special fund and the revenue pledged to it, and shall not constitute a general indebtedness of the municipality.

Each revenue bond and any interest coupon attached thereto shall name the fund from which it is payable and state upon its face that it is only payable therefrom; however, all revenue bonds and any interest coupons issued under RCW 14.08.112 and 14.08.114 shall be negotiable instruments within the provisions and intent of the negotiable instruments law of this state. Each issue of revenue bonds may be bearer coupon bonds or may be registered either as to principal only or as to principal and interest as provided in RCW 39.46.030;

Revenue bonds shall be sold in the manner as the legislative body of the municipality shall deem best, either at public or private sale.

The municipality at the time of the issuance of revenue bonds may provide covenants as it may deem necessary to secure and guarantee the payment of the principal thereof and interest thereon, including but not being limited to covenants to create a reserve fund or account and to authorize the payment or deposit of certain moneys therein for the purpose of securing or guaranteeing the payment of the principal and interest, to establish and maintain rates, charges, fees, rentals, and sales prices sufficient to pay the principal and interest and to maintain an adequate coverage over annual debt service, to appoint a trustee for the bond owners and a trustee for the safeguarding and disbursing of the proceeds of sale of the bonds and to fix the powers and duties of the trustee or trustees, and to make any and all other covenants as the legislative body may deem necessary to its best interest and that of its inhabitants to accomplish the most advantageous sale possible of the bonds. The legislative body may also provide that revenue bonds payable out of the same source or sources may later be issued on a parity with revenue bonds being issued and sold.

The legislative body of the municipality may include an amount for working capital and an amount necessary for interest during the period of construction of the airport or any facilities plus six months, in the principal amount of any revenue bond issue; if it deems it to the best interest of the municipality and its inhabitants, it may provide in any contract for the construction or acquisition of an airport or facilities that payment therefor shall be made only in revenue bonds at the par value thereof.

If the municipality or any of its officers shall fail to carry out any of its or their obligations, pledges or covenants made in the authorization, issuance and sale of bonds, the owner of any bond or the trustee may bring action against the municipality and/or said officers to compel the performance of any or all of the covenants.

(1) In order to prevent the creation or establishment of airport hazards, every political subdivision having an airport hazard area within its territorial limits may adopt, administer, and enforce, under the police power and in the manner and upon the conditions hereinafter prescribed, airport zoning regulations for
such airport hazard area, which regulations may divide such area into zones, and, within such zones, specify the land uses permitted and regulate and restrict the height to which structures and trees may be erected or allowed to grow.

(2) Where an airport is owned or controlled by a political subdivision and any airport hazard area appertaining to such airport is located outside the territorial limits of said political subdivision, the political subdivision owning or controlling the airport and the political subdivision within which the airport hazard area is located may, by ordinance or resolution duly adopted, create a joint airport zoning board, which board shall have the same power to adopt, administer, and enforce airport zoning regulations applicable to the airport hazard area in question as that vested by subsection (1) of this section in the political subdivision within which such area is located. Each such joint board shall have as members two representatives appointed by each political subdivision participating in its creation and in addition a chair elected by a majority of the members so appointed.

In any event, however, all such regulations shall provide that before any nonconforming structure or tree may be replaced, substantially altered or repaired, rebuilt, allowed to grow higher, or replanted, a permit must be secured from the administrative agency authorized to administer and enforce the regulations, authorizing such replacement, change, or repair. No permit shall be granted that would allow the establishment or creation of an airport hazard or permit a nonconforming structure or tree or nonconforming use to be made or become higher or become a greater hazard to air navigation than it was when the applicable regulation was adopted or than it is when the application for a permit is made. Except as provided herein, all applications for permits shall be granted.

(2) Variances. Any person desiring to erect any structure, or increase the height of any structure, or permit the growth of any tree, or otherwise use his or her property in violation of airport zoning regulations adopted under this chapter, may apply to the board of adjustment for a variance from the zoning regulations in question. Such variances shall be allowed where a literal application or enforcement of the regulations would result in practical difficulty or unnecessary hardship and the relief granted would not be contrary to the public interest but do substantial justice and be in accordance with the spirit of the regulations and this chapter: PROVIDED, That any variance may be allowed subject to any reasonable conditions that the board of adjustment may deem necessary to effectuate the purposes of this chapter.

(3) Hazard marking and lighting. In granting any permit or variance under this section, the administrative agency or board of adjustment may, if it deems such action advisable to effectuate the purposes of this chapter and reasonable in the circumstances, so condition such permit or variance as to require the owner of the structure or tree in question to permit the political subdivision, at its own expense, to install, operate, and maintain thereon such markers and lights as may be necessary to indicate to flyers the presence of an airport hazard.
Sec. 5005. RCW 14.12.140 and 1945 c 174 s 10 are each amended to read as follows:

(c) To hear and decide specific variances under RCW 14.12.110(2).

(2) Where a zoning board of appeals or adjustment already exists, it may be appointed as the board of adjustment. Otherwise, the board of adjustment shall consist of five members, each to be appointed for a term of three years by the authority adopting the regulations and to be removable by the appointing authority for cause, upon written charges and after public hearing.

(3) The concurring vote of a majority of the members of the board of adjustment shall be sufficient to reverse any order, requirement, decision, or determination of the administrative agency, or to decide in favor of the applicant on any matter upon which it is required to pass under the airport zoning regulations, or to effect any variation in such regulations.

(4) The board shall adopt rules in accordance with the provisions of the ordinance or resolution by which it was created. Meetings of the board shall be held at the call of the ((chairman)) chair and at such other times as the board may determine. The ((chairman)) chair, or in his or her absence the acting ((chairman)) chair, may administer oaths and compel the attendance of witnesses. All hearings of the board shall be public. The board shall keep minutes of its proceedings, showing the vote of each member upon each question, or, if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall immediately be filed in the office of the board and shall be a public record.

The sampling and examination of pesticides or devices shall be made under the direction of the director for the purpose of determining whether or not they comply with the requirements of this chapter. The director is authorized, upon presentation of proper identification, to enter any distributor's premises, including any vehicle of transport, at all reasonable times in order to have access to pesticides or devices. If it appears from such examination that a pesticide or device fails to comply with the provisions of this chapter or rules adopted under this chapter, and the director contemplates instituting criminal proceedings against any person, the director shall cause notice to be given to such person. Any person so notified shall be given an opportunity to present his or her views, either orally or in writing, with regard to the contemplated proceedings. If thereafter in the opinion of the director it appears that the provisions of this chapter or rules adopted under this chapter have been violated by such person, the director shall refer a copy of the results of the analysis or the examination of such pesticide or device to the prosecuting attorney for the county in which the violation occurred.

Such findings shall be made upon every material point controverted at the hearing and/or required by this chapter and upon such other matters and things as the director may deem fitting and proper. The director shall issue a recommended decision based upon his or her findings and shall cause copies of the findings and recommended decision to be delivered or mailed to all parties of record appearing at the hearing, or their attorneys of record.

With respect to marketing agreements, the director shall after publication of his or her final decision, invite all producers and handlers affected thereby to assent or agree to the agreement or amendment set out in such decision. Said marketing agreements or amendments thereto shall be binding upon and only upon persons who have agreed thereto in writing and whose written agreement has been filed with the director: PROVIDED, That the filing of such written agreement by a cooperative association shall be binding upon such cooperative and all of its members, and PROVIDED, FURTHER, That the director shall enter into and put into force a marketing agreement or amendment thereto when and only when he or she shall find in addition to the other findings specified in this chapter that said marketing agreement or any amendment thereto has been assented to by a sufficient number of signatories who handle or produce a sufficient volume of the commodity affected to tend to effectuate the declared policies and purposes of this chapter and to accomplish the purposes and objects of such agreement or amendment thereto and provide sufficient moneys from assessments levied to defray the necessary expenses of formulation, issuance, administration, and enforcement. Such agreement shall be deemed to be issued and put into force and effect when the director shall have so notified all persons who have assented thereto.

Sec. 6072. RCW 15.65.160 and 1985 c 261 s 6 are each amended to read as follows:

After publication of his or her final decision, the director shall ascertain (either by written agreement in accordance with ((subdivision)) subsection (1) of
this section or by referendum in accordance with (subdivision) subsection (2) of this section) whether the above specified percentages of producers and/or handlers assent to or approve any proposed order, amendment, or termination, and for such purpose:

(1) The director may ascertain whether assent or approval by the percentages specified in RCW 15.65.140, 15.65.150 or 15.65.190 (whichever is applicable) have been complied with by written agreement, and the requirements of assent or approval shall, in such case, be held to be complied with, if of the total number of affected producers or affected handlers within the affected area and the total volume of production of the affected commodity or product thereof, the percentages evidencing assent or approval are equal to or in excess of the percentages specified in said sections; or

(2) The director may conduct a referendum among producers within the affected area and the requirements of assent or approval shall be held to be complied with if of the total number of such producers and the total volume of production represented in such referendum the percentage assenting to or favoring is equal to or in excess of the percentage specified in RCW 15.65.140, 15.65.150 or 15.65.190 (whichever is applicable) as now or hereafter amended: PROVIDED, That thirty percent of the affected producers within the affected area producing thirty percent by volume of the affected commodity have been represented in a referendum to determine assent or approval of the issuance of a marketing order: PROVIDED FURTHER, That a marketing order shall not become effective when the provisions of (subdivision) subsection (3) of this section are used unless sixty-five percent by number of the affected producers within the affected area producing fifty-one percent by volume of the affected commodity or fifty-one percent by number of such affected producers producing sixty-five percent by volume of the affected commodity approve such marketing order;

(3) The director shall consider the assent or dissent or the approval or disapproval of any cooperative marketing association authorized by its producer members either by a majority vote of those voting thereon or by its articles of incorporation or by its bylaws or by any marketing or other agreement to market the affected commodity for such members or to act for them in any such referendum as being the assent or dissent or the approval or disapproval of the producers who are members of or stockholders in or under contract with such cooperative association of producers: PROVIDED, That the association shall first determine that a majority of its affected producers authorizes its action concerning the specific marketing order.

Sec. 6073. RCW 15.65.190 and 1985 c 261 s 7 are each amended to read as follows:

Any marketing agreement or order shall be terminated if the director finds that fifty-one percent by numbers and fifty-one percent by volume of production of the affected producers within the affected area favor or assent to such termination. The director may ascertain without compliance with the provisions of RCW 15.65.050 through 15.65.130 whether such termination is so assented to or favored whenever twenty percent by numbers or twenty percent by volume of production of said producers file written application with him or her for such termination. No such termination shall become effective until the expiration of the marketing season then current.
Sec. 6074. RCW 15.65.210 and 1977 ex.s. c 26 s 4 are each amended to read as follows:

The director shall administer, enforce, direct, and control every marketing agreement and order in accordance with its provisions. For such purposes he or she shall include in each order and he or she may include in each agreement provisions for the employment of such administrator and such additional personnel (including attorneys engaged in the private practice of law, subject to the approval and supervision of the attorney general) as he or she determines are necessary and proper for such order or agreement to effectuate the declared policies of this chapter. Such provisions may provide for the qualifications, method of selection, term of office, grounds of dismissal, and the detailed powers and duties to be exercised by such administrator or board and by such additional personnel, including the authority to borrow money and incur indebtedness, and may also provide either that the said administrative board shall be the commodity board or that the administrator or administrative board be designated by the director or the governor.

Sec. 6075. RCW 15.65.280 and 2002 c 313 s 29 are each amended to read as follows:

The powers and duties of the board shall be:

(1) To elect a chairman and such other officers as it deems advisable;

(6) To administer the order or agreement as its administrative board if the director designates it so to do in such order or agreement;
(7) To work cooperatively with other local, state, and federal agencies; universities; and national organizations for the purposes provided in the board's marketing order or agreement;
(8) To enter into contracts or interagency agreements with any private or public agency, whether federal, state, or local, to carry out the purposes provided in the board's marketing order or agreement. Personal service contracts must comply with chapter 39.29 RCW;
(9) To accept and expend or retain any gifts, bequests, contributions, or grants from private persons or private and public agencies to carry out the purposes provided in the board's marketing order or agreement;
(10) To retain in emergent situations the services of private legal counsel to conduct legal actions on behalf of a board. The retention of a private attorney is subject to review by the office of the attorney general;
(11) To engage in appropriate fund-raising activities for the purpose of supporting activities of the board authorized by the marketing order or agreement;

(12) To enter into contracts or agreements for research in the production, irrigation, processing, transportation, marketing, use, or distribution of an affected commodity;

(13) To participate in international, federal, state, and local hearings, meetings, and other proceedings relating to the production, irrigation, manufacture, regulation, transportation, distribution, sale, or use of affected commodities including activities authorized under RCW 42.17.190, including the reporting of those activities to the public disclosure commission;

(14) To maintain a list of the names and addresses of affected producers that may be compiled from information used to collect assessments under the marketing order or agreement, and data on the value of each producer's production for a minimum three-year period;

(15) To maintain a list of the names and addresses of persons who handle the affected commodity within the affected area and data on the amount and value of the commodity handled for a minimum three-year period by each person; and

(16) To perform such other duties as the director may prescribe in the marketing agreement or order.

Any agreement or order under which the commodity board administers the order or agreement shall (if so requested by the affected producers within the affected area in the proposal or promulgation hearing) contain provisions whereby the director reserves the power to approve or disapprove every order, rule or directive issued by the board, in which event such approval or disapproval shall be based on whether or not the director believes the board's action has been carried out in conformance with the purposes of this chapter.

Sec. 6076. RCW 15.65.290 and 1961 c 256 s 29 are each amended to read as follows:

Obligations incurred by any administrator or board or employee or agent thereof pertaining to their performance or nonperformance or misperformance of any matters or things authorized, required or permitted them by this chapter or any marketing agreement or order issued pursuant to this chapter, and any other liabilities or claims against them or any of them shall be enforced in the same manner as if the whole organization under such marketing agreement or order were a corporation. No liability for the debts or actions of such administrator, board, employee, or agent incurred in their official capacity under the agreement or order shall exist either against its administrator, board, officers, employees, and/or agents in his or her or their individual capacity, nor against the state of Washington or any subdivision or instrumentality thereof nor against any other organization, administrator or board (or employee or agent thereof) established pursuant to this chapter or the assets thereof. The administrator of any order or agreement, the members of any such board, and also his or her or their agents and employees, shall not be held responsible individually in any way whatsoever to any person for errors in judgment, mistakes, or other acts, either of commission or omission, as principal, agent, person, or employee, except for their own individual acts of dishonesty or crime. No such person or employee shall be held responsible individually for any act or omission of any other

administrator, board, member of any such board, or other person. The liability of the members of any such board shall be several and not joint and no member shall be liable for the default of any other member.

Sec. 6077. RCW 15.65.320 and 1961 c 256 s 32 are each amended to read as follows:

Any marketing agreement or order may provide for research in the production, processing, and/or distribution of the affected commodity and for the expenditure of money for such purposes. Insofar as practicable, such research shall be carried out by experiment stations of Washington state university but if in the judgment of the director or his or her designee said experiment stations do not have adequate facilities for a particular project or if some other research agency has better facilities therefor, the project may be carried out by other research agencies selected by the director or his or her designee.

Sec. 6078. RCW 15.65.330 and 1961 c 256 s 33 are each amended to read as follows:

Any marketing agreement or order may contain provisions which directly provide for, or which authorize the director or his or her designee to provide by rules and regulations for, any one or more, or all, of the following: (1) Establishing uniform grades and standards of quality, condition, maturity, size, weight, pack, packages, and/or label for the affected commodity or any products thereof; (2) requiring producers, handlers, and/or other persons to conform to such grades and/or standards in packing, packaging, processing, labeling, selling, or otherwise commercially disposing of the affected commodity and/or in offering, advertising, and/or delivering it therefor; (3) providing for inspection and enforcement to ascertain and effectuate compliance; (4) establishing rules and regulations respecting the foregoing; (5) providing that the director or his or her designee shall carry out inspection and enforcement of, and may (within the general provisions of the agreement or order) establish detailed provisions relating to, such standards and grades and such rules and regulations: PROVIDED, That any modification not of a substantial nature, such as the modification of standards within a certain grade may be made without a hearing, and shall not be considered an amendment for the purposes of this chapter.

Sec. 6079. RCW 15.65.340 and 1961 c 256 s 34 are each amended to read as follows:

Any marketing agreement or order may contain provisions prohibiting and/or otherwise regulating any one or more or all of the practices listed to the extent that such practices affect, directly or indirectly, the commodity which forms the subject matter of such agreement or order or any product thereof, but only with respect to persons who engage in such practices with the intent of or with the reasonably foreseeable effect of inducing any purchaser to become his or her customer or his or her supplier or of otherwise dealing or trading with him or her or of diverting trade from a competitor, to wit:

(1) Paying rebates, commissions, or unearned discounts;

(2) Giving away or selling below the true cost (which includes all direct and indirect costs incurred to the point of sale plus a reasonable margin of mark-up for the seller) any of the affected commodities or of any other commodity or product thereof;
(3) Unfairly extending privileges or benefits (pertaining to price, to credit, to the loan, lease or giving away of facilities, equipment or other property or to any other matter or thing) to any customer, supplier, or other person;

(4) Discriminating between customers, or suppliers of like class;

(5) Using the affected or any other commodity or product thereof as a loss leader or using any other device whereby for advertising, promotional, come-on or other purposes such commodity or product is sold below its fair value;

(6) Making or publishing false or misleading advertising. Such regulation may authorize uniform trade practices applicable to all similarly situated handlers and/or other persons. Such regulation shall not prevent any person (a) from selling below cost to liquidate excess inventory which cannot otherwise be moved, or (b) from meeting the equally low legal price of any competitor within any one trading area during any one trading period and the director may define in said marketing agreement or order said trading area and said trading period in accordance with generally accepted industry practices; but in any event the burden of proving that such selling was to meet the equally low legal price of a competitor or to liquidate said excess inventory shall be upon the person who sells below cost as above defined. Any marketing agreement or order may authorize use of any money received and of any persons employed thereunder for legal proceedings, of any type and in the name of any person, directed to enforcement of this or any other law in force in the state of Washington relating to the prevention of unfair trade practices.

Sec. 6080. RCW 15.65.390 and 1987 c 393 s 9 are each amended to read as follows:

There is hereby levied, and the director or his or her designee shall collect, upon each and every affected unit of any agricultural commodity specified in any marketing agreement or order an annual assessment which shall be paid by the producer thereof upon each and every such affected unit stored in frozen condition or sold or marketed or delivered for sale or marketed by him or her, and which shall be paid by the handler thereof upon each and every such unit purchased or received for sale, processing or distribution, or stored in frozen condition, by him or her: PROVIDED, That such assessment shall be paid by producers only, if only producers are regulated by such agreement or order, and by handlers only, if only handlers are so regulated, and by both producers and handlers if both are so regulated. Such assessments shall be expressed as a stated amount of money per unit or as a percentage of the receipt price at the first point of sale. The total amount of such annual assessment to be paid by all producers of such commodity, or by all handlers of such commodity shall not exceed four percent of the total market value of all affected units stored in frozen condition or sold or marketed or delivered for sale or marketing by all producers of such units during the year to which the assessment applies.

Sec. 6081. RCW 15.65.400 and 1987 c 393 s 10 are each amended to read as follows:

In every marketing agreement and order the director shall prescribe the rate of such assessment. Such assessment shall be expressed as a stated amount of money per unit or as a percentage of the receipt price at the first point of sale. Such rate may be at the full amount of, or at any lesser amount than the amount hereinabove limited. Such rate may be altered or amended from time to time,
but only upon compliance with the procedural requirements of this chapter. In every such marketing agreement, order and amendment the director shall base his or her determination of such rate upon the volume and price of sales of affected units (or units which would have been affected units had the agreement or order been in effect) during a period which the director determines to be a representative period. The rate of assessment prescribed in any such agreement, order or amendment shall for all purposes and times be deemed to be within the limits of assessment above provided until such time as such agreement or order is amended as to such rate.

Sec. 6082. RCW 15.65.410 and 1985 c 261 s 14 are each amended to read as follows:

The director shall prescribe in each marketing order and agreement the time, place, and method for payment and collection of assessments under such order or agreement upon any uniform basis applicable alike to all producers subject to such assessment, and upon the same or any other uniform basis applicable alike to all handlers subject to such assessment. For such purpose the director may, by the terms of the marketing order or agreement:

1. Require stamps to be purchased from him or her or his or her designee and attached to the containers, invoices, shipping documents, inspection certificates, releases, or receiving receipts or tickets (said stamps to be canceled immediately upon being attached and the date of cancellation placed thereon); or

2. Require handlers to collect producer assessments from producers whose production they handle and remit the same to the director or his or her designee; or

3. Require the person subject to the assessment to give adequate assurance or security for its payment; or

4. Require in the case of assessments against affected units stored in frozen condition:

   a. Cold storage facilities storing such commodity to file information and reports with the department or affected commission regarding the amount of commodity in storage, the date of receipt, and the name and address of each such owner; and

   b. That such commodity not be shipped from a cold storage facility until the facility has been notified by the commission that the commodity owner has paid the commission for any assessments imposed by the marketing order.

Unless the director has otherwise provided in any marketing order or agreement, assessments payable by producers shall be paid prior to the time when the affected unit is shipped off the farm, and assessments payable to handlers shall be paid prior to the time when the affected units are received by or for the account of the first handler. No affected units shall be transported, carried, shipped, sold, marketed, or otherwise handled or disposed of until every due and payable assessment herein provided for has been paid by the producer or first handler and the receipt issued.

Sec. 6083. RCW 15.65.420 and 1961 c 256 s 42 are each amended to read as follows:

Moneys collected by the director or his or her designee pursuant to any marketing order or agreement from any assessment or as an advance deposit thereon, shall be used by the director or his or her designee only for the purpose
of paying for expenses and costs arising in connection with the formulation, issuance, administration, and enforcement of such order or agreement and carrying out its provisions together with a proportionate share of the overhead expenses of the department attributable to its performance of its duties under this chapter with respect to such marketing order or agreement.

Sec. 6084. RCW 15.65.440 and 1985 c 261 s 15 are each amended to read as follows:

Any due and payable assessment herein levied in such specified amount as may be determined by the director or his or her designee pursuant to the provisions of this chapter and such agreement or order, shall constitute a personal debt of every person so assessed or who otherwise owes the same, and the same shall be due and payable to the director or his or her designee when payment is called for by him or her. In the event any person fails to pay the director or his or her designee the full amount of such assessment or such other sum on or before the date due, the director or his or her designee may, and is hereby authorized to, add to such unpaid assessment or sum an amount not exceeding ten percent of the same to defray the cost of enforcing the collecting of the same. In the event of failure of such person or persons to pay any such due and payable assessment or other such sum, the director or his or her designee may bring a civil action against such person or persons in a court of competent jurisdiction for the collection thereof, together with the above specified ten percent thereon, and such action shall be tried and judgment rendered as in any other cause of action for debt due and payable.

Sec. 6085. RCW 15.65.480 and 1961 c 256 s 48 are each amended to read as follows:

The director and each of his or her designees shall deposit or cause to be deposited all moneys which are collected or otherwise received by them pursuant to the provisions of this chapter in a separate account or accounts separately allocated to each marketing order or agreement under which such moneys are collected or received, and such deposits and accounts shall be in the name of and withdrawable by the check or draft of the administrator or board or designated employee thereof established by such order or agreement. All expenses and disbursements incurred and made pursuant to the provisions of any marketing agreement or order, including a pro rata share of the administrative expenses of the department of agriculture incurred in the general administration of this chapter and all orders and agreements issued pursuant thereto, shall be paid from, and only from, moneys collected and received pursuant to such order or agreement and all moneys deposited for the account of any order or agreement in the marketing act revolving fund shall be paid from said account of such fund by check, draft or voucher in such form and in such manner and upon the signature of such person as may be prescribed by the director or his or her designee.

Sec. 6086. RCW 15.65.490 and 1982 c 81 s 1 are each amended to read as follows:

The director and each of his or her designees shall keep or cause to be kept separately for each agreement and order in accordance with accepted standards of good accounting practice, accurate records of all assessments, collections, receipts, deposits, withdrawals, disbursements, paid outs, moneys, and other...
financial transactions made and done pursuant to such order or agreement, and
the same shall be audited at least every five years subject to procedures and
methods lawfully prescribed by the state auditor. The books and accounts
maintained under every such agreement and order shall be closed as of the last
day of each fiscal year of the state of Washington or of a fiscal year determined
by the director. A copy of every such audit shall be delivered within thirty days
after the completion thereof to the governor and the commodity board of the
agreement or order concerned.

Sec. 6087. RCW 15.65.500 and 1961 c 256 s 50 are each amended to read

every administrator, administrative board, and/or employee occupying a position
of trust under any marketing agreement or order, in such amount as the director
or his or her designee shall deem necessary, the premium for which bond or
bonds shall be paid from assessments collected pursuant to such order or
agreement: PROVIDED, That such bond need not be given with respect to any
person covered by any blanket bond covering officials or employees of the state
of Washington.

as follows:

It shall be a misdemeanor:

(1) For any person to violate any provision of this chapter or any provision
of any marketing agreement or order duly issued by the director pursuant to this
chapter.

(2) For any person to wilfully render or furnish a false or fraudulent report,
statement, or record required by the director pursuant to the provisions of this
chapter or any provision of any marketing agreement or order duly issued by the
director pursuant to this chapter or to wilfully fail or refuse to furnish or render
any such report, statement, or record so required.

(3) For any person engaged in the wholesale or retail trade to fail or refuse
to furnish to the director or his or her designee or his or her duly authorized
agents, upon request, information concerning the name and address of the person
from whom he or she has received an agricultural commodity regulated by a
marketing agreement or order in effect and issued pursuant to the terms of this
chapter and the grade, standard, quality, or quantity of and the price paid for such
commodity so received.

Every person convicted of any such misdemeanor shall be punished by a
fine of not less than fifty dollars nor more than five hundred dollars or by
imprisonment of not less than ten days nor more than six months or by both such
fine and imprisonment. Each violation during any day shall constitute a separate
offense: PROVIDED, That if the court finds that a petition pursuant to RCW
15.65.570 was filed and prosecuted by the defendant in good faith and not for
delay, no penalty shall be imposed under ((clause)) subsection (1) of this section
for such violations as occurred between the date upon which the defendant's
petition was filed with the director and the date upon which notice of the
director's decision thereon was given to the defendant in accordance with RCW
15.65.570 and regulations prescribed pursuant thereto.
Sec. 6089. RCW 15.65.530 and 1961 c 256 s 53 are each amended to read as follows:

Any moneys recovered pursuant to this section shall be allocated to and used for the purposes of the agreement or order concerned.

Sec. 6090. RCW 15.65.540 and 1961 c 256 s 54 are each amended to read as follows:

The several superior courts of the state of Washington are hereby vested with jurisdiction:

(1) Specifically to enforce this chapter and the provisions of each and every marketing agreement and order issued pursuant to this chapter and each and every term, condition and provision thereof;

(3) To require pending litigation and thereafter permanently by mandatory injunction each and every person subject to the provisions of any such agreement or order to carry out and perform the provisions of this chapter and each and every duty imposed upon him or her by such marketing agreement or order.

The director or any administrator or board under any marketing agreement or order, in the name of the state of Washington, or any person affected or regulated by or subject to any marketing order or agreement issued pursuant to this chapter upon joining the director as a party may bring or cause to be brought actions or proceedings for specific performance, restraint, injunction or mandatory injunction against any person who violates or refuses to perform the obligations or duties imposed upon him or her by this chapter or by any marketing agreement or order issued pursuant to this chapter and said courts shall have jurisdiction of such cause and shall grant such relief upon proof of such violation or threatened violation or refusal.

Sec. 6091. RCW 15.65.550 and 1961 c 256 s 55 are each amended to read as follows:

Upon the request of the director or his or her designee, it shall be the duty of the attorney general of the state of Washington and of the several prosecuting attorneys in their respective counties to institute proceedings to enforce the remedies and to collect the moneys provided for or pursuant to this chapter. Whenever the director and/or his or her designee has reason to believe that any person has violated or is violating the provisions of any marketing agreement or order issued pursuant to this chapter, the director and/or his or her designee shall have and is hereby granted the power to institute an investigation and, after due notice to such person, to conduct a hearing in order to determine the facts for the
purpose of referring the matter to the attorney general or to the appropriate prosecuting attorney for appropriate action. The provisions contained in RCW 15.65.080, 15.65.090, 15.65.100 and 15.65.110 shall apply with respect to such hearings.

**Sec. 6092.** RCW 15.65.590 and 1961 c 256 s 59 are each amended to read as follows:

The director and his or her designee are hereby authorized to confer with and cooperate with the legally constituted authorities of other states and of the United States, for the purpose of obtaining uniformity in the administration of federal and state marketing regulations, licenses, agreements, or orders, and the director is authorized to conduct joint hearings, issue joint or concurrent marketing agreements or orders, for the purposes and within the standards set forth in this chapter, and may exercise any administrative authority prescribed by this chapter to effect such uniformity of administration and regulation.

**Sec. 6093.** RCW 15.66.200 and 1961 c 11 s 15.66.200 are each amended to read as follows:

An affected producer subject to a marketing order may file a written petition with the director stating that the order, agreement, or program or any part thereof is not in accordance with the law, and requesting a modification thereof or exemption therefrom. He or she shall thereupon be given a hearing, which hearing shall be conducted in the manner provided by RCW 15.66.070, and thereafter the director shall make his or her ruling which shall be final.

Appeal from any ruling of the director may be taken to the superior court of the county in which the petitioner resides or has his or her principal place of business, by serving upon the director a copy of the notice of appeal and complaint within twenty days from the date of entry of the ruling. Upon such application the court may proceed in accordance with RCW 7.16.010 through 7.16.140. If the court determines that the ruling is not in accordance with law, it shall remand the proceedings to the director with directions to make such ruling as the court determines to be in accordance with law or to take such further proceedings as in its opinion are required by this chapter.

**Sec. 6094.** RCW 15.66.210 and 1961 c 11 s 15.66.210 are each amended to read as follows:

It shall be a misdemeanor for:

1. Any person wilfully to violate any provision of this chapter or any provision of any marketing order duly issued by the director pursuant to this chapter.

2. Any person wilfully to render or furnish a false or fraudulent report, statement of record required by the director or any commission pursuant to the provisions of this chapter or any provision of any marketing order duly issued by the director pursuant to this chapter or wilfully to fail or refuse to furnish or render any such report, statement, or record so required.

In the event of violation or threatened violation of any provision of this chapter or of any marketing order duly issued or entered into pursuant to this chapter, the director, the affected commission, or any affected producer on joining the affected commission, shall be entitled to an injunction to prevent further violation and to a decree of specific performance of such order, and to a
temporary restraining order and injunction pending litigation upon filing a verified complaint and sufficient bond.

All persons subject to any order shall severally from time to time, upon the request of the director, furnish him or her with such information as he or she finds to be necessary to enable him or her to effectuate the policies of this chapter and the purposes of such order or to ascertain and determine the extent to which such order has been carried out or has effectuated such policies and purposes, or to determine whether or not there has been any abuse of the privilege of exemptions from laws relating to trusts, monopolies, and restraints of trade. Such information shall be furnished in accordance with forms and reports to be prescribed by the director. For the purpose of ascertaining the correctness of any report made to the director pursuant to this section or for the purpose of obtaining the information required in any such report where it has been requested and has not been furnished, the director is authorized to examine such books, papers, records, copies of tax reports, accounts, correspondence, contracts, documents, or memoranda as he or she deems relevant and which are within the control of any such person from whom such report was requested, or of any person having, either directly or indirectly, actual or legal control of or over such person or such records, or of any subsidiary of any such person. To carry out the purposes of this section the director, upon giving due notice, may hold hearings, take testimony, administer oaths, subpoena witnesses, and issue subpoenas for the production of books, records, documents, or other writings of any kind, and RCW 15.66.070 shall apply with respect to any such hearing, together with such other regulations consistent therewith as the director may from time to time prescribe.

The members of any such commission, including employees of such board, shall not be held responsible individually in any way whatsoever to any person for errors in judgment, mistakes, or other acts, either of commission or omission, as principal, agent, person, or employee, except for their own individual acts of dishonesty or crime. No such person or employee shall be held responsible individually for any act or omission of any other member of any such commission. The liability of the members of such commission shall be several and not joint and no member shall be liable for the default of any other member.

**Sec. 6096.** RCW 15.66.240 and 1961 c 11 s 15.66.240 are each amended to read as follows:

hearing upon such application. Not less than five days prior thereto he or she shall give written notice thereof to all producers whom he or she determines may be proper parties to such agreement and shall publish such notice at least once in a newspaper of general circulation in the affected area. The director shall approve an agreement so applied for only if he or she shall find:

1. That no other agreement or order is in force for the same commodity in the same area or any part thereof;

2. That such agreement will tend to effectuate its purpose and the declared policies of this chapter and conforms to law;

3. That enough persons who produce a sufficient amount of the affected commodity to tend to effectuate said policies and purposes and to provide sufficient moneys to defray the necessary expenses of formulation, issuance, administration, and enforcement have agreed in writing to said agreement.

Such agreement may be for any of the purposes and may contain any of the provisions that a marketing order may contain under the provisions of this chapter but no other purposes and provisions. A commodity commission created by such agreement shall in all respects have all powers and duties as a commodity commission created by a marketing order. Such agreement shall be binding upon, and only upon, persons who have signed the agreement: PROVIDED, That a cooperative association may, in behalf of its members, execute any and all marketing agreements authorized hereunder, and upon so doing, such agreement so executed shall be binding upon said cooperative association and its members. Such agreements shall go into force when the director endorses his or her approval in writing upon the agreement and so notifies all who have signed the agreement. Additional signatories may be added at any time with the approval of the director. Every agreement shall remain in force and be binding upon all persons so agreeing for the period specified in such agreement but the agreement shall provide a time at least once in every twelve months when any or all such persons may withdraw upon giving notice as provided in the agreement. Such an agreement may be amended or terminated in the same manner as herein provided for its creation and may also be terminated whenever after the withdrawal of any signatory the director finds on the basis of evidence presented at such hearing that not enough persons remain signatory to such agreement to effectuate the purposes of the agreement or the policies of the act or to provide sufficient moneys to defray necessary expenses. However, in the event that a cooperative association is signatory to the marketing agreement in behalf of its members, the action of the cooperative association shall be considered the action of its members for the purpose of determining withdrawal or termination.

PART VII

Sec. 7001. RCW 43.21A.405 and 1973 2nd ex.s. c 30 s 1 are each amended to read as follows:

The legislature recognizes that there exists a great risk of potential damage from oil pollution of the waters of the state of Washington and further declares that immediate steps must be undertaken to reduce this risk. The legislature also is aware that such danger is expected to increase in future years in proportion to the increase in the size and cargo capacity of ships, barges, and other waterborne carriers, the construction and operational characteristics of these carriers, the density of waterborne traffic, and the need for a greater supply of petroleum products.

A program of systematic baseline studies to be conducted by the department of ecology has been recognized as a vital part of the efforts to reduce the risk of oil pollution of marine waters, and the legislature recognizes that many factors combine to make this effort one of considerable magnitude and difficulty. The marine shoreline of the state is about two thousand seven hundred miles long, a greater length than the combined coastlines of Oregon and California. There are some three million acres of submerged land and more than three hundred islands in these marine waters. The average depth of Puget Sound is two hundred twenty feet. There is a great diversity of animal life in the waters of the state. These waters have a multitude of uses by both humans and nonhumans, and the interaction between human activities and natural processes in these waters varies greatly with locale.

Sec. 7002. RCW 43.21C.030 and 1971 ex.s. c 109 s 3 are each amended to read as follows:
The legislature authorizes and directs that, to the fullest extent possible: (1) The policies, regulations, and laws of the state of Washington shall be interpreted and administered in accordance with the policies set forth in this chapter, and (2) all branches of government of this state, including state agencies, municipal and public corporations, and counties shall:

(a) Utilize a systematic, interdisciplinary approach which will insure the integrated use of the natural and social sciences and the environmental design arts in planning and in decision making which may have an impact on the environment;

(b) Identify and develop methods and procedures, in consultation with the department of ecology and the ecological commission, which will insure that presently unquantified environmental amenities and values will be given appropriate consideration in decision making along with economic and technical considerations;

(c) Include in every recommendation or report on proposals for legislation and other major actions significantly affecting the quality of the environment, a detailed statement by the responsible official on:

(i) the environmental impact of the proposed action;

(ii) any adverse environmental effects which cannot be avoided should the proposal be implemented;

(iii) alternatives to the proposed action;

(iv) the relationship between local short-term uses of the environment and the maintenance and enhancement of long-term productivity; and

(v) any irreversible and irretrievable commitments of resources which would be involved in the proposed action should it be implemented;

(d) Prior to making any detailed statement, the responsible official shall consult with and obtain the comments of any public agency which has jurisdiction by law or special expertise with respect to any environmental impact involved. Copies of such statement and the comments and views of the appropriate federal, province, state, and local agencies, which are authorized to develop and enforce environmental standards, shall be made available to the governor, the department of ecology, the ecological commission, and the public, and shall accompany the proposal through the existing agency review processes;

Such abstract shall (a) indicate the total number of vehicles involved, whether the vehicles were legally parked or moving, and whether the vehicles were occupied at the time of the accident; and (b) contain reference to any convictions of the person for violation of the motor vehicle laws as reported to the department, reference to any findings that the person has committed a traffic infraction which have been reported to the department, and a record of any vehicles registered in the name of the person. The department shall collect for each abstract the sum of ten dollars, fifty percent of which shall be deposited in the highway safety fund and fifty percent of which must be deposited according to RCW 46.68.038.

(2) The department shall upon request furnish any person who may have been injured in person or property by any motor vehicle, with an abstract of all information of record in the department pertaining to the evidence of the ability of any driver or owner of any motor vehicle to respond in damages. The department shall collect for each abstract the sum of ten dollars, fifty percent of which shall be deposited in the highway safety fund and fifty percent of which must be deposited according to RCW 46.68.038.

Sec. 9029. RCW 46.29.070 and 1981 c 309 s 1 are each amended to read as follows:

(1) The department, not less than twenty days after receipt of a report of an accident as described in the preceding section, shall determine the amount of security which shall be sufficient in its judgment to satisfy any judgment or judgments for damages resulting from such accident as may be recovered against each driver or owner. Such determination shall not be made with respect to drivers or owners who are exempt under succeeding sections of this chapter from the requirements as to security and suspension.

(2) The department shall determine the amount of security deposit required of any person upon the basis of the reports or other information submitted. In the event a person involved in an accident as described in this chapter fails to make a report or submit information indicating the extent of his or her injuries or the damage to his or her property within one hundred eighty days after the accident and the department does not have sufficient information on which to base an evaluation of such injuries or damage, then the department after reasonable notice to such person, if it is possible to give such notice, otherwise
without such notice, shall not require any deposit of security for the benefit or protection of such person.

(3) The department after receipt of report of any accident referred to herein and upon determining the amount of security to be required of any person involved in such accident or to be required of the owner of any vehicle involved in such accident shall give written notice to every such person of the amount of security required to be deposited by him or her and that an order of suspension will be made as hereinafter provided not less than twenty days and not more than sixty days after the sending of such notice unless within said time security be deposited as required by said notice.

Sec. 9030. RCW 46.29.080 and 1965 c 124 s 1 are each amended to read as follows:

The requirements as to security and suspension in this chapter shall not apply:

(1) To the driver or owner if the owner had in effect at the time of the accident an automobile liability policy or bond with respect to the vehicle involved in the accident, except that a driver shall not be exempt under this subsection if at the time of the accident the vehicle was being operated without the owner's permission, express or implied;

(2) To the driver, if not the owner of the vehicle involved in the accident, if there was in effect at the time of the accident an automobile liability policy or bond with respect to his or her driving of vehicles not owned by him or her;

(3) To the driver, if not the owner of the vehicle involved in the accident, if there was in effect at the time of the accident an automobile liability policy or bond as to which there is a bona fide dispute concerning coverage of such driver as evidenced by the pendency of litigation seeking a declaration of said driver's coverage under such policy or bond;

(4) To the driver, whether or not the owner, if there is a bona fide claim on the part of the driver that there was in effect at the time of the accident, an automobile liability policy or bond insuring or covering such driver;

(5) To any person qualifying as a self-insurer under RCW 46.29.630 or to any person operating a vehicle for such self-insurer;

(6) To the driver or the owner of a vehicle involved in an accident wherein no injury or damage was caused to the person or property of anyone other than such driver or owner;

(7) To the driver or owner of a vehicle which at the time of the accident was parked, unless such vehicle was parked at a place where parking was at the time of the accident prohibited under any applicable law or ordinance;

(8) To the owner of a vehicle if at the time of the accident the vehicle was being operated without his or her permission, express or implied, or was parked by a person who had been operating such vehicle without such permission, except if the vehicle was operated by his or her minor child or spouse;

(9) To the owner of a vehicle involved in an accident if at the time of the accident such vehicle was owned by or leased to the United States, this state or any political subdivision of this state or a municipality thereof, or to the driver of such vehicle if operating such vehicle with permission; or

(10) To the driver or the owner of a vehicle in the event at the time of the accident the vehicle was being operated by or under the direction of a police
officer who, in the performance of his or her duties, shall have assumed custody of such vehicle.

Sec. 9031. RCW 46.29.120 and 1965 c 124 s 2 are each amended to read as follows:

1. A person shall be relieved from the requirement for deposit of security for the benefit or protection of another person injured or damaged in the accident in the event he or she is released from liability by such other person.

2. In the event the department has evaluated the injuries or damage to any minor the department may accept, for the purposes of this chapter only, evidence of a release from liability executed by a natural guardian or a legal guardian on behalf of such minor without the approval of any court or judge.

Sec. 9032. RCW 46.29.140 and 1981 c 309 s 2 are each amended to read as follows:

1. Any two or more of the persons involved in or affected by an accident as described in RCW 46.29.060 may at any time enter into a written agreement for the payment of an agreed amount with respect to all claims of any of such persons because of bodily injury to or death or property damage arising from such accident, which agreement may provide for payment in installments, and may file a signed copy thereof with the department.

2. The department, to the extent provided by any such written agreement filed with it, shall not require the deposit of security and shall terminate any prior order of suspension, or, if security has previously been deposited, the department shall immediately return such security to the depositor or his or her personal representative.

3. In the event of a default in any payment under such agreement and upon notice of such default the department shall take action suspending the license of such person in default as would be appropriate in the event of failure of such person to deposit security when required under this chapter.

4. Such suspension shall remain in effect and such license shall not be restored unless and until:

   a. Security is deposited as required under this chapter in such amount as the department may then determine,

   b. When, following any such default and suspension, the person in default has paid the balance of the agreed amount,

   c. When, following any such default and suspension, the person in default has resumed installment payments under an agreement acceptable to the creditor, or

   d. Three years have elapsed following the accident and evidence satisfactory to the department has been filed with it that during such period no action at law upon such agreement has been instituted and is pending.

Sec. 9033. RCW 46.29.160 and 1963 c 169 s 16 are each amended to read as follows:

The department, if satisfied as to the existence of any fact which under RCW 46.29.120, 46.29.130, 46.29.140 or 46.29.150 would entitle a person to be relieved from the security requirements of this chapter, shall not require the deposit of security by the person so relieved from such requirement, or if security has previously been deposited by such person, the department shall
immediately return such deposit to such person or to his or her personal representative.

Sec. 9034. RCW 46.29.170 and 1981 c 309 s 3 are each amended to read as follows:

Unless a suspension is terminated under other provisions of this chapter, any order of suspension by the department under this chapter shall remain in effect and no license shall be renewed for or issued to any person whose license is so suspended until:

(1) Such person shall deposit or there shall be deposited on his or her behalf the security required under this chapter, or

(2) Three years have elapsed following the date of the accident resulting in such suspension and evidence satisfactory to the department has been filed with it that during such period no action for damages arising out of the accident resulting in such suspension has been instituted.

An affidavit of the applicant that no action at law for damages arising out of the accident has been filed against him or her or, if filed, that it is not still pending shall be prima facie evidence of that fact. The department may take whatever steps are necessary to verify the statement set forth in any said affidavit.

Sec. 9035. RCW 46.29.180 and 1967 c 32 s 38 are each amended to read as follows:

(1) In case the driver or the owner of a vehicle of a type subject to registration under the laws of this state involved in an accident within this state has no driver's license in this state, then such driver shall not be allowed a driver's license until he or she has complied with the requirements of this chapter to the same extent that would be necessary if, at the time of the accident, he or she had held a license or been the owner of a vehicle registered in this state.

(2) When a nonresident's driving privilege is suspended pursuant to RCW 46.29.110, the department shall transmit a certified copy of the record or abstract of such action to the official in charge of the issuance of licenses and registration certificates in the state in which such nonresident resides, if the law of such other state provided for action in relation thereto similar to that provided for in subsection (3) of this section.

(3) Upon receipt of such certification that the driving privilege of a resident of this state has been suspended or revoked in any such other state pursuant to a law providing for its suspension or revocation for failure to deposit security for the payment of judgments arising out of a motor vehicle accident, under circumstances which would require the department to suspend a nonresident's driving privilege had the accident occurred in this state, the department shall suspend the license of such resident. Such suspension shall continue until such resident furnishes evidence of his or her compliance with the law of such other state relating to the deposit of such security.

Sec. 9036. RCW 46.29.190 and 1965 c 124 s 3 are each amended to read as follows:

The department may reduce the amount of security ordered in any case if in its judgment the amount ordered is excessive. In case the security originally ordered has been deposited, the excess deposit over the reduced amount ordered shall be returned to the depositor or his or her personal representative forthwith.
Sec. 9037. RCW 46.29.230 and 1981 c 309 s 5 are each amended to read as follows:
Upon the expiration of three years from the date of the accident resulting in the security requirement, any security remaining on deposit shall be returned to the person who made such deposit or to his or her personal representative if an affidavit or other evidence satisfactory to the department has been filed with it:
(1) That no action for damages arising out of the accident for which deposit was made is pending against any person on whose behalf the deposit was made, and
(2) That there does not exist any unpaid judgment rendered against any such person in such an action.
The foregoing provisions of this section shall not be construed to limit the return of any deposit of security under any other provision of this chapter authorizing such return.

Sec. 9038. RCW 46.29.290 and 1965 c 124 s 5 are each amended to read as follows:
If a person has no license, but by final order or judgment is convicted of or forfeits any bail or collateral deposited to secure an appearance for trial for any offense requiring the suspension or revocation of license, no license shall be thereafter issued to such person unless he or she shall give and thereafter maintain proof of financial responsibility for the future.

Sec. 9039. RCW 46.29.310 and 1969 ex.s. c 44 s 1 are each amended to read as follows:
Whenever any person fails within thirty days to satisfy any judgment, then it shall be the duty of the clerk of the court, or of the judge of a court which has no clerk, in which any such judgment is rendered within this state to forward immediately to the department the following:
(1) A certified copy or abstract of such judgment;
(2) A certificate of facts relative to such judgment;
(3) Where the judgment is by default, a certified copy or abstract of that portion of the record which indicates the manner in which service of summons was effectuated and all the measures taken to provide the defendant with timely and actual notice of the suit against him or her.

Sec. 9040. RCW 46.29.360 and 1967 c 32 s 42 are each amended to read as follows:
No license or nonresident's driving privilege of any person shall be suspended under the provisions of this chapter if the department shall find that an insurer was obligated to pay the judgment upon which suspension is based, at least to the extent and for the amounts required in this chapter, but has not paid such judgment for any reason. A finding by the department that an insurer is obligated to pay a judgment shall not be binding upon such insurer and shall have no legal effect whatever except for the purpose of administering this section. If the department finds that no insurer is obligated to pay such a judgment, the judgment debtor may file with the department a written notice of his or her intention to contest such finding by an action in the superior court. In such a case the license or the nonresident's driving privilege of such judgment debtor shall not be suspended by the department under the provisions of this chapter for thirty days from the receipt of such notice nor during the pendency of
any judicial proceedings brought in good faith to determine the liability of an insurer so long as the proceedings are being diligently prosecuted to final judgment by such judgment debtor. Whenever in any judicial proceedings it shall be determined by any final judgment, decree, or order that an insurer is not obligated to pay any such judgment, the department, notwithstanding any contrary finding theretofore made by it, shall forthwith suspend the license and any nonresident's driving privilege of any person against whom such judgment was rendered, as provided in RCW 46.29.330.

Sec. 9041. RCW 46.29.450 and 1963 c 169 s 45 are each amended to read as follows:

Proof of financial responsibility when required under this chapter, with respect to such a vehicle or with respect to a person who is not the owner of such a vehicle, may be given by filing:

(1) A certificate of insurance as provided in RCW 46.29.460 or 46.29.470;
(2) A bond as provided in RCW 46.29.520;
(3) A certificate of deposit of money or securities as provided in RCW 46.29.550; or
(4) A certificate of self-insurance, as provided in RCW 46.29.630, supplemented by an agreement by the self-insurer that, with respect to accidents occurring while the certificate is in force, he or she will pay the same amounts that an insurer would have been obliged to pay under an owner's motor vehicle liability policy if it had issued such a policy to said self-insurer.

Sec. 9042. RCW 46.29.470 and 1963 c 169 s 47 are each amended to read as follows:

A nonresident may give proof of financial responsibility by filing with the department a written certificate or certificates of an insurance carrier authorized to transact business in the state in which the vehicle, or vehicles, owned by such nonresident is registered, or in the state in which such nonresident resides, if he or she does not own a vehicle, provided such certificate otherwise conforms with the provisions of this chapter, and the department shall accept the same upon condition that said insurance carrier complies with the following provisions with respect to the policies so certified:

(1) Said insurance carrier shall execute a power of attorney authorizing the director to accept service on its behalf of notice or process in any action arising out of a motor vehicle accident in this state;
(2) Said insurance carrier shall agree in writing that such policies shall be deemed to conform with the laws of this state relating to the terms of motor vehicle liability policies issued therein.

Sec. 9043. RCW 46.29.490 and 1980 c 117 s 6 are each amended to read as follows:

(1) Certification. A "motor vehicle liability policy" as said term is used in this chapter means an "owner's policy" or an "operator's policy" of liability insurance, certified as provided in RCW 46.29.460 or 46.29.470 as proof of financial responsibility for the future, and issued, except as otherwise provided in RCW 46.29.470, by an insurance carrier duly authorized to transact business in this state, to or for the benefit of the person named in the policy as insured.
(2) Owner's policy. Such owner's policy of liability insurance:
(a) Shall designate by explicit description or by appropriate reference all vehicles with respect to which coverage is to be granted by the policy; and

(b) Shall insure the person named therein and any other person, as insured, using any such vehicle or vehicles with the express or implied permission of such named insured, against loss from the liability imposed by law for damages arising out of the ownership, maintenance, or use of such vehicle or vehicles within the United States of America or the Dominion of Canada, subject to limits exclusive of interest and costs, with respect to each such vehicle as follows: Twenty-five thousand dollars because of bodily injury to or death of one person in any one accident and, subject to said limit for one person, fifty thousand dollars because of bodily injury to or death of two or more persons in any one accident, and ten thousand dollars because of injury to or destruction of property of others in any one accident.

(3) Operator's policy. Such operator's policy of liability insurance shall insure the person named as insured therein against loss from the liability imposed upon him or her by law for damages arising out of the use by him or her of any motor vehicle not owned by him or her, within the same territorial limits and subject to the same limits of liability as are set forth above with respect to an owner's policy of liability insurance.

(4) Required statements in policies. Such motor vehicle liability policy shall state the name and address of the named insured, the coverage afforded by the policy, the premium charged therefor, the policy period, and the limits of liability, and shall contain an agreement or be endorsed that insurance is provided under the policy in accordance with the coverage defined in this chapter as respects bodily injury and death or property damage, or both, and is subject to all the provisions of this chapter.

(5) Policy need not insure workers' compensation, etc. Such motor vehicle liability policy need not insure any liability under any workers' compensation law nor any liability on account of bodily injury or death of an employee of the insured while engaged in the employment, other than domestic, of the insured, or while engaged in the operation, maintenance, or repair of any such vehicle nor any liability for damage to property owned by, rented to, in charge of, or transported by the insured.

(6) Provisions incorporated in policy. Every motor vehicle liability policy is subject to the following provisions which need not be contained therein:

(a) The liability of the insurance carrier with respect to the insurance required by this chapter becomes absolute whenever injury or damage covered by said motor vehicle liability policy occurs; said policy may not be canceled or annulled as to such liability by any agreement between the insurance carrier and the insured after the occurrence of the injury or damage; no statement made by the insured or on his or her behalf and no violation of said policy defeats or voids said policy.

(b) The satisfaction by the insured of a judgment for such injury or damage shall not be a condition precedent to the right or duty of the insurance carrier to make payment on account of such injury or damage.

(c) The insurance carrier may settle any claim covered by the policy, and if such settlement is made in good faith, the amount thereof is deductible from the limits of liability specified in (((subdivision (b) of) subsection (2)(b) of this section).
(d) The policy, the written application therefor, if any, and any rider or endorsement which does not conflict with the provisions of this chapter constitutes the entire contract between the parties.

(7) Excess or additional coverage. Any policy which grants the coverage required for a motor vehicle liability policy may also grant any lawful coverage in excess of or in addition to the coverage specified for a motor vehicle liability policy, and such excess or additional coverage is not subject to the provisions of this chapter. With respect to a policy which grants such excess or additional coverage the term "motor vehicle liability policy" applies only to that part of the coverage which is required by this section.

(8) Reimbursement provision permitted. Any motor vehicle liability policy may provide that the insured shall reimburse the insurance carrier for any payment the insurance carrier would not have been obligated to make under the terms of the policy except for the provisions of this chapter.

(9) Proration of insurance permitted. Any motor vehicle liability policy may provide for the prorating of the insurance thereunder with other valid and collectible insurance.

(10) Multiple policies. The requirements for a motor vehicle liability policy may be fulfilled by the policies of one or more insurance carrier which policies together meet such requirements.

(11) Binders. Any binder issued pending the issuance of a motor vehicle liability policy is deemed to fulfill the requirements for such a policy.

Sec. 9044. RCW 46.29.510 and 1963 c 169 s 51 are each amended to read as follows:

(1) This chapter shall not be held to apply to or affect policies of automobile insurance against liability which may now or hereafter be required by any other law of this state, and such policies, if they contain an agreement or are endorsed to conform with the requirements of this chapter, may be certified as proof of financial responsibility under this chapter.

(2) This chapter shall not be held to apply to or affect policies insuring solely the insured named in the policy against liability resulting from the maintenance or use by persons in the insured's employ or on his or her behalf of vehicles not owned by the insured.

Sec. 9045. RCW 46.29.540 and 1963 c 169 s 54 are each amended to read as follows:

If a judgment, rendered against the principal on any bond described in RCW 46.29.520, shall not be satisfied within thirty days after it has become final, the judgment creditor may, for his or her own use and benefit and at his or her sole expense, bring an action or actions in the name of the state against the company or persons executing such bond, including an action or proceeding to foreclose any lien that may exist upon the real estate of a person who has executed such bond. Such an action to foreclose a lien shall be prosecuted in the same manner as an action to foreclose a mortgage on real estate.

Sec. 9046. RCW 46.29.550 and 1980 c 117 s 7 are each amended to read as follows:

Proof of financial responsibility may be evidenced by the certificate of the state treasurer that the person named therein has deposited with him or her sixty thousand dollars in cash, or securities such as may legally be purchased by
savings banks or for trust funds of a market value of sixty thousand dollars. The
state treasurer shall not accept any such deposit and issue a certificate therefor
and the department shall not accept such certificate unless accompanied by
evidence that there are no unsatisfied judgments of any character against the
depositor in the county where the depositor resides.

Sec. 9047. RCW 46.29.560 and 1963 c 169 s 56 are each amended to read
as follows:

Such deposit shall be held by the state treasurer to satisfy, in accordance
with the provisions of this chapter, any execution on a judgment issued against
such person making the deposit, for damages, including damages for care and
loss of services, because of bodily injury to or death of any person, or for
damages because of injury to or destruction of property, including the loss of use
thereof, resulting from the ownership, maintenance, use, or operation of a
vehicle of a type subject to registration under the laws of this state after such
deposit was made. Money or securities so deposited shall not be subject to
attachment or execution unless such attachment or execution shall arise out of a
suit for damages as aforesaid. Any interest or other income accruing to such
money or securities, so deposited, shall be paid by the state treasurer to the
depositor, or his or her order, as received.

Sec. 9048. RCW 46.29.570 and 1963 c 169 s 57 are each amended to read
as follows:

The owner of a motor vehicle may give proof of financial responsibility on
behalf of his or her employee or a member of his or her immediate family or
household in lieu of the furnishing of proof by any said person. The furnishing
of such proof shall permit such person to operate only a motor vehicle covered
by such proof. The department shall endorse appropriate restrictions on the
license held by such person, or may issue a new license containing such
restrictions.

Sec. 9049. RCW 46.29.600 and 1979 ex.s. c 136 s 66 are each amended to
read as follows:

(1) The department shall upon request consent to the immediate cancellation
of any bond or certificate of insurance, or the department shall direct and the
state treasurer shall return to the person entitled thereto any money or securities
deposited pursuant to this chapter as proof of financial responsibility, or the
department shall waive the requirement of filing proof, in any of the following
events:

(a) At any time after three years from the date such proof was required
when, during the three-year period preceding the request, the department has not
received record of a conviction, forfeiture of bail, or finding that a traffic
infraction has been committed which would require or permit the suspension or
revocation of the license of the person by or for whom such proof was furnished;
or

(b) In the event of the death of the person on whose behalf such proof was
filed or the permanent incapacity of such person to operate a motor vehicle; or
(c) In the event the person who has given proof surrenders his or her license
to the department;

(2) Provided, however, that the department shall not consent to the
cancellation of any bond or the return of any money or securities in the event any
action for damages upon a liability covered by such proof is then pending or any judgment upon any such liability is then unsatisfied, or in the event the person who has filed such bond or deposited such money or securities has within one year immediately preceding such request been involved as a driver or owner in any motor vehicle accident resulting in injury or damage to the person or property of others. An affidavit of the applicant as to the nonexistence of such facts, or that he or she has been released from all of his or her liability, or has been finally adjudicated not to be liable, for such injury or damage, shall be sufficient evidence thereof in the absence of evidence to the contrary in the records of the department.

(3) Whenever any person whose proof has been canceled or returned under subdivision (c) of this section applies for a license within a period of three years from the date proof was originally required, any such application shall be refused unless the applicant shall reestablish such proof for the remainder of such three-year period.

Sec. 9050. RCW 46.32.010 and 2007 c 419 s 7 are each amended to read as follows:

(1) The chief of the Washington state patrol may operate, maintain, or designate, throughout the state of Washington, stations for the inspection of commercial motor vehicles, school buses, and private carrier buses, with respect to vehicle equipment, drivers' qualifications, and hours of service and to set reasonable times when inspection of vehicles shall be performed.

(2) The state patrol may inspect a commercial motor vehicle while the vehicle is operating on the public highways of this state with respect to vehicle equipment, hours of service, and driver qualifications.

(3) It is unlawful for any vehicle required to be inspected to be operated over the public highways of this state unless and until it has been approved periodically as to equipment.

(4) Inspections shall be performed by a responsible employee of the chief of the Washington state patrol, who shall be duly authorized and who shall have authority to secure and withhold, with written notice to the director of licensing, the certificate of license registration and license plates of any vehicle found to be defective in equipment so as to be unsafe or unfit to be operated upon the highways of this state, and it shall be unlawful for any person to operate a vehicle placed out of service by an officer unless and until it has been placed in a condition satisfactory to pass a subsequent equipment inspection. The officer in charge of such vehicle equipment inspection shall grant to the operator of such defective vehicle the privilege to move such vehicle to a place for repair under such restrictions as may be reasonably necessary.

(5) In the event any insignia, sticker, or other marker is adopted to be displayed upon vehicles in connection with the inspection of vehicle equipment, it shall be displayed as required by the rules of the chief of the Washington state patrol, and it is a traffic infraction for any person to mutilate, destroy, remove, or otherwise interfere with the display thereof.

(6) It is a traffic infraction for any person to refuse to have his or her motor vehicle examined as required by the chief of the Washington state patrol, or, after having had it examined, to refuse to place an insignia, sticker, or other marker, if issued, upon the vehicle, or fraudulently to obtain any such insignia, sticker, or other marker, or to refuse to place his or her motor vehicle in proper condition
after having had it examined, or in any manner, to fail to conform to the provisions of this chapter.

(7) It is a traffic infraction for any person to perform false or improvised repairs, or repairs in any manner not in accordance with acceptable and customary repair practices, upon a motor vehicle.

**Sec. 9051.** RCW 46.32.020 and 2007 c 419 s 8 are each amended to read as follows:

(1)(a) The chief of the Washington state patrol may adopt reasonable rules regarding types of vehicles to be inspected, inspection criteria, times for the inspection of vehicle equipment, drivers' qualifications, hours of service, and all other matters with respect to the conduct of vehicle equipment and driver inspections.

(b) The chief of the Washington state patrol shall prepare and furnish such stickers, tags, record and report forms, stationery, and other supplies as shall be deemed necessary. The chief of the Washington state patrol is empowered to appoint and employ such assistants as he or she may consider necessary and to fix hours of employment and compensation.

(2) The chief of the Washington state patrol shall use data-driven analysis to prioritize for inspections and compliance reviews those motor carriers whose relative safety fitness identify them as higher risk motor carriers.

**Sec. 9052.** RCW 46.37.380 and 1987 c 330 s 720 are each amended to read as follows:

(1) Every motor vehicle when operated upon a highway shall be equipped with a horn in good working order and capable of emitting sound audible under normal conditions from a distance of not less than two hundred feet, but no horn or other warning device may emit an unreasonably loud or harsh sound or a whistle. The driver of a motor vehicle shall when reasonably necessary to insure safe operation give audible warning with his or her horn but shall not otherwise use such horn when upon a highway.

(2) No vehicle may be equipped with nor may any person use upon a vehicle any siren, whistle, or bell, except as otherwise permitted in this section.

(3) It is permissible for any vehicle to be equipped with a theft alarm signal device so long as it is so arranged that it cannot be used by the driver as an ordinary warning signal. Such a theft alarm signal device may use a whistle, bell, horn, or other audible signal but shall not use a siren.

(4) Any authorized emergency vehicle may be equipped with a siren, whistle, or bell capable of emitting sound audible under normal conditions from a distance of not less than five hundred feet and of a type conforming to rules adopted by the state patrol, but the siren shall not be used except when the vehicle is operated in response to an emergency call or in the immediate pursuit of an actual or suspected violator of the law, in which latter events the driver of the vehicle shall sound the siren when reasonably necessary to warn pedestrians and other drivers of its approach.

**Sec. 9053.** RCW 46.37.423 and 1979 ex.s. c 136 s 71 are each amended to read as follows:

No person, firm, or corporation shall sell or offer for sale for use on the public highways of this state any new pneumatic passenger car tire which does not meet the standards established by federal motor vehicle safety standard No.

The applicable standard shall be the version of standard No. 109 in effect at the time of manufacture of the tire.

It is a traffic infraction for any person, firm, or corporation to sell or offer for sale any new pneumatic passenger car tire which does not meet the standards prescribed in this section unless such tires are sold for off-highway use, as evidenced by a statement signed by the purchaser at the time of sale certifying that he or she is not purchasing such tires for use on the public highways of this state.

Sec. 9054. RCW 46.37.424 and 1979 ex.s. c 136 s 72 are each amended to read as follows:

No person, firm, or corporation shall sell or offer for sale any regrooved tire or shall regroove any tire for use on the public highways of this state which does not meet the standard established by federal motor vehicle standard part 569—regrooved tires, as promulgated by the United States department of transportation under authority of the National Traffic and Motor Vehicle Safety Act of 1966 (80 Stat. 719, 728; 15 U.S.C. 1392, 1407).

The applicable standard shall be the version of the federal regrooved tire standard in effect at the time of regrooving.

It is a traffic infraction for any person, firm, or corporation to sell or offer for sale any regrooved tire or shall regroove any tire which does not meet the standards prescribed in this section unless such tires are sold or regrooved for off-highway use, as evidenced by a statement signed by the purchaser or regroover at the time of sale or regrooving certifying that he or she is not purchasing or regrooving such tires for use on the public highways of this state.

Sec. 9055. RCW 46.37.550 and 1969 c 112 s 3 are each amended to read as follows:

It shall be unlawful for any person to sell a motor vehicle in this state if such person has knowledge that the odometer on such motor vehicle has been turned back and if such person fails to notify the buyer, prior to the time of sale, that the odometer has been turned back or that he or she had reason to believe that the odometer has been turned back.

Sec. 9056. RCW 46.37.560 and 1969 c 112 s 4 are each amended to read as follows:

It shall be unlawful for any person to sell a motor vehicle in this state if such person has knowledge that the odometer on such motor vehicle has been replaced with another odometer and if such person fails to notify the buyer, prior to the time of sale, that the odometer has been replaced or that he or she believes the odometer to have been replaced.

Sec. 9057. RCW 46.37.590 and 1975 c 24 s 1 are each amended to read as follows:

In any suit brought by the purchaser of a motor vehicle against the seller of such vehicle, the purchaser shall be entitled to recover his or her court costs and a reasonable attorney's fee fixed by the court, if: (1) The suit or claim is based substantially upon the purchaser's allegation that the odometer on such vehicle has been tampered with contrary to RCW 46.37.540 and 46.37.550 or replaced
contrary to RCW 46.37.560; and (2) it is found in such suit that the seller of such vehicle or any of his or her employees or agents knew or had reason to know that the odometer on such vehicle had been so tampered with or replaced and failed to disclose such knowledge to the purchaser prior to the time of sale.

Sec. 9058. RCW 46.44.047 and 1994 c 172 s 1 are each amended to read as follows:

A three axle truck tractor and a two axle pole trailer combination engaged in the operation of hauling logs may exceed by not more than six thousand eight hundred pounds the legal gross weight of the combination of vehicles when licensed, as permitted by law, for sixty-eight thousand pounds: PROVIDED, That the distance between the first and last axle of the vehicles in combination shall have a total wheelbase of not less than thirty-seven feet, and the weight upon two axles spaced less than seven feet apart shall not exceed thirty-three thousand six hundred pounds.

Such additional allowances shall be permitted by a special permit to be issued by the department of transportation valid only on state primary or secondary highways authorized by the department and under such rules, regulations, terms, and conditions prescribed by the department. The fee for such special permit shall be fifty dollars for a twelve-month period beginning and ending on April 1st of each calendar year. Permits may be issued at any time, but if issued after July 1st of any year the fee shall be thirty-seven dollars and fifty cents. If issued on or after October 1st the fee shall be twenty-five dollars, and if issued on or after January 1st the fee shall be twelve dollars and fifty cents. A copy of such special permit covering the vehicle involved shall be carried in the cab of the vehicle at all times. Upon the third offense within the duration of the permit for violation of the terms and conditions of the special permit, the special permit shall be canceled. The vehicle covered by such canceled special permit shall not be eligible for a new special permit until thirty days after the cancellation of the special permit issued to said vehicle. The fee for such renewal shall be at the same rate as set forth in this section which covers the original issuance of such special permit. Each special permit shall be assigned to a three-axle truck tractor in combination with a two-axle pole trailer. When the department issues a duplicate permit to replace a lost or destroyed permit and where the department transfers a permit, a fee of fourteen dollars shall be charged for each such duplicate issued or each such transfer.

All fees collected hereinabove shall be deposited with the state treasurer and credited to the motor vehicle fund.

Permits involving city streets or county roads or using city streets or county roads to reach or leave state highways, authorized for permit by the department may be issued by the city or county or counties involved. A fee of five dollars for such city or county permit may be assessed by the city or by the county legislative authority which shall be deposited in the city or county road fund. The special permit provided for herein shall be known as a "log tolerance permit" and shall designate the route or routes to be used, which shall first be approved by the city or county engineer involved. Authorization of additional route or routes may be made at the discretion of the city or county by amending the original permit or by issuing a new permit. Said permits shall be issued on a yearly basis expiring on March 31st of each calendar year. Any person, firm, or corporation who uses any city street or county road for the purpose of
transporting logs with weights authorized by state highway log tolerance permits, to reach or leave a state highway route, without first obtaining a city or county permit when required by the city or the county legislative authority shall be subject to the penalties prescribed by RCW 46.44.105. For the purpose of determining gross weight the actual scale weight taken by the officer shall be prima facie evidence of such total gross weight. In the event the gross weight is in excess of the weight permitted by law, the officer may, within his or her discretion, permit the operator to proceed with his or her vehicles in combination.

The chief of the state patrol, with the advice of the department, may make reasonable rules and regulations to aid in the enforcement of the provisions of this section.

Sec. 9059. RCW 46.52.050 and 1961 c 12 s 46.52.050 are each amended to read as follows:

Every coroner or other official performing like functions shall on or before the tenth day of each month, report in writing to the sheriff of the county in which he or she holds office and to the chief of the Washington state patrol the death of any person within his or her jurisdiction during the preceding calendar month as a result of an accident involving any vehicle, together with the circumstances of such accident.

Sec. 9060. RCW 46.52.070 and 1999 c 351 s 2 are each amended to read as follows:

(1) Any police officer of the state of Washington or of any county, city, town, or other political subdivision, present at the scene of any accident or in possession of any facts concerning any accident whether by way of official investigation or otherwise shall make report thereof in the same manner as required of the parties to such accident and as fully as the facts in his or her possession concerning such accident will permit.

(2) The police officer shall report to the department, on a form prescribed by the director: (a) When a collision has occurred that results in a fatality; and (b) the identity of the operator of a vehicle involved in the collision when the officer has reasonable grounds to believe the operator caused the collision.

(3) The police officer shall report to the department, on a form prescribed by the director: (a) When a collision has occurred that results in a serious injury; (b) the identity of the operator of a vehicle involved in the collision when the officer has reasonable grounds to believe the operator who caused the serious injury may not be competent to operate a motor vehicle; and (c) the reason or reasons for the officer's belief.

Sec. 9061. RCW 46.55.030 and 1989 c 111 s 3 are each amended to read as follows:

(1) Application for licensing as a registered tow truck operator shall be made on forms furnished by the department, shall be accompanied by an inspection certification from the Washington state patrol, shall be signed by the applicant or an agent, and shall include the following information:

(a) The name and address of the person, firm, partnership, association, or corporation under whose name the business is to be conducted;
(b) The names and addresses of all persons having an interest in the business, or if the owner is a corporation, the names and addresses of the officers of the corporation;

(c) The names and addresses of all employees who serve as tow truck drivers;

(d) Proof of minimum insurance required by subsection (3) of this section;

(e) The vehicle license and vehicle identification numbers of all tow trucks of which the applicant is the registered owner;

(f) Any other information the department may require; and

(g) A certificate of approval from the Washington state patrol certifying that:

(i) The applicant has an established place of business and that mail is received at the address shown on the application;

(ii) The address of any storage locations where vehicles may be stored is correctly stated on the application;

(iii) The place of business has an office area that is accessible to the public without entering the storage area; and

(iv) The place of business has adequate and secure storage facilities, as defined in this chapter and the rules of the department, where vehicles and their contents can be properly stored and protected.

(2) Before issuing a registration certificate to an applicant the department shall require the applicant to file with the department a surety bond in the amount of five thousand dollars running to the state and executed by a surety company authorized to do business in this state. The bond shall be approved as to form by the attorney general and conditioned that the operator shall conduct his or her business in conformity with the provisions of this chapter pertaining to abandoned or unauthorized vehicles, and to compensate any person, company, or the state for failure to comply with this chapter or the rules adopted hereunder, or for fraud, negligence, or misrepresentation in the handling of these vehicles. Any person injured by the tow truck operator's failure to fully perform duties imposed by this chapter and the rules adopted hereunder, or an ordinance or resolution adopted by a city, town, or county is entitled to recover actual damages, including reasonable attorney's fees against the surety and the tow truck operator. Successive recoveries against the bond shall be permitted, but the aggregate liability of the surety to all persons shall not exceed the amount of the bond. As a condition of authority to do business, the operator shall keep the bond in full force and effect. Failure to maintain the penalty value of the bond or cancellation of the bond by the surety automatically cancels the operator's registration.

(3) Before the department may issue a registration certificate to an applicant, the applicant shall provide proof of minimum insurance requirements of:

(a) One hundred thousand dollars for liability for bodily injury or property damage per occurrence; and

(b) Fifty thousand dollars of legal liability per occurrence, to protect against vehicle damage, including but not limited to fire and theft, from the time a vehicle comes into the custody of an operator until it is redeemed or sold.

Cancellation of or failure to maintain the insurance required by (a) and (b) of this subsection automatically cancels the operator's registration.
(4) The fee for each original registration and annual renewal is one hundred dollars per company, plus fifty dollars per truck. The department shall forward the registration fee to the state treasurer for deposit in the motor vehicle fund.

(5) The applicant must submit an inspection certificate from the state patrol before the department may issue or renew an operator's registration certificate or tow truck permits.

(6) Upon approval of the application, the department shall issue a registration certificate to the registered operator to be displayed prominently at the operator's place of business.

Sec. 9062. RCW 46.55.085 and 2002 c 279 s 6 are each amended to read as follows:

(a) The date and time the sticker was attached;

(b) The identity of the officer;

(c) A statement that if the vehicle is not removed within twenty-four hours from the time the sticker is attached, the vehicle may be taken into custody and stored at the owner's expense;

(d) A statement that if the vehicle is not redeemed as provided in RCW 46.55.120, the registered owner will have committed the traffic infraction of littering—abandoned vehicle; and

(e) The address and telephone number where additional information may be obtained.

(2) If the vehicle has current Washington registration plates, the officer shall check the records to learn the identity of the last owner of record. The officer or his or her department shall make a reasonable effort to contact the owner by telephone in order to give the owner the information on the notification sticker.

(3) If the vehicle is not removed within twenty-four hours from the time the notification sticker is attached, the law enforcement officer may take custody of the vehicle and provide for the vehicle's removal to a place of safety. A vehicle that does not pose a safety hazard may remain on the roadside for more than twenty-four hours if the owner or operator is unable to remove it from the place where it is located and so notifies law enforcement officials and requests assistance.

(4) For the purposes of this section a place of safety includes the business location of a registered tow truck operator.

Sec. 9063. RCW 46.55.200 and 1989 c 111 s 16 are each amended to read as follows:

A registered tow truck operator's license may be denied, suspended, or revoked, or the licensee may be ordered to pay a monetary penalty of a civil nature, not to exceed one thousand dollars per violation, or the licensee may be subjected to any combination of license and monetary penalty, whenever the director has reason to believe the licensee has committed, or is at the time committing, a violation of this chapter or rules adopted under it or any other statute or rule relating to the title or disposition of vehicles or vehicle hulks, including but not limited to:
(1) Towing any abandoned vehicle without first obtaining and having in the operator's possession at all times while transporting it, appropriate evidence of ownership or an impound authorization properly executed by the private person or public official having control over the property on which the unauthorized vehicle was found;

(2) Forging the signature of the registered or legal owner on a certificate of title, or forging the signature of any authorized person on documents pertaining to unauthorized or abandoned vehicles or automobile hulks;

(3) Failing to comply with the statutes and rules relating to the processing and sale of abandoned vehicles;

(4) Failing to accept bids on any abandoned vehicle offered at public sale;

(5) Failing to transmit to the state surplus funds derived from the sale of an abandoned vehicle;

(6) Selling, disposing of, or having in his or her possession, without notifying law enforcement officials, a vehicle that he or she knows or has reason to know has been stolen or illegally appropriated without the consent of the owner;

(7) Failing to comply with the statutes and rules relating to the transfer of ownership of vehicles or other procedures after public sale; or

(8) Failing to pay any civil monetary penalty assessed by the director pursuant to this section within ten days after the assessment becomes final.

All orders by the director made under this chapter are subject to the Administrative Procedure Act, chapter 34.05 RCW.

Sec. 9064. RCW 46.55.240 and 1994 c 176 s 2 are each amended to read as follows:

(1) A city, town, or county that adopts an ordinance or resolution concerning unauthorized, abandoned, or impounded vehicles shall include the applicable provisions of this chapter.

(a) A city, town, or county may, by ordinance, authorize other impound situations that may arise locally upon the public right-of-way or other publicly owned or controlled property.

(b) A city, town, or county ordinance shall contain language that establishes a written form of authorization to impound, which may include a law enforcement notice of infraction or citation, clearly denoting the agency's authorization to impound.

(c) A city, town, or county may, by ordinance, provide for release of an impounded vehicle by means of a promissory note in lieu of immediate payment, if at the time of redemption the legal or registered owner requests a hearing on the validity of the impoundment. If the municipal ordinance directs the release of an impounded vehicle before the payment of the impoundment charges, the municipality is responsible for the payment of those charges to the registered tow truck operator within thirty days of the hearing date.

(d) The hearing specified in RCW 46.55.120(2) and in this section may be conducted by an administrative hearings officer instead of in the district court. A decision made by an administrative hearing officer may be appealed to the district court for final judgment.

(2) A city, town, or county may adopt an ordinance establishing procedures for the abatement and removal as public nuisances of junk vehicles or parts thereof from private property. Costs of removal may be assessed against the
registered owner of the vehicle if the identity of the owner can be determined, unless the owner in the transfer of ownership of the vehicle has complied with RCW 46.12.101, or the costs may be assessed against the owner of the property on which the vehicle is stored. A city, town, or county may also provide for the payment to the tow truck operator or wrecker as a part of a neighborhood revitalization program.

(3) Ordinances pertaining to public nuisances shall contain:
   (a) A provision requiring notice to the last registered owner of record and the property owner of record that a hearing may be requested and that if no hearing is requested, the vehicle will be removed;
   (b) A provision requiring that if a request for a hearing is received, a notice giving the time, location, and date of the hearing on the question of abatement and removal of the vehicle or part thereof as a public nuisance shall be mailed, by certified mail, with a five-day return receipt requested, to the owner of the land as shown on the last equalized assessment roll and to the last registered and legal owner of record unless the vehicle is in such condition that identification numbers are not available to determine ownership;
   (c) A provision that the ordinance shall not apply to (i) a vehicle or part thereof that is completely enclosed within a building in a lawful manner where it is not visible from the street or other public or private property or (ii) a vehicle or part thereof that is stored or parked in a lawful manner on private property in connection with the business of a licensed dismantler or licensed vehicle dealer and is fenced according to RCW 46.80.130;
   (d) A provision that the owner of the land on which the vehicle is located may appear in person at the hearing or present a written statement in time for consideration at the hearing, and deny responsibility for the presence of the vehicle on the land, with his or her reasons for the denial. If it is determined at the hearing that the vehicle was placed on the land without the consent of the landowner and that he or she has not subsequently acquiesced in its presence, then the local agency shall not assess costs of administration or removal of the vehicle against the property upon which the vehicle is located or otherwise attempt to collect the cost from the owner;
   (e) A provision that after notice has been given of the intent of the city, town, or county to dispose of the vehicle and after a hearing, if requested, has been held, the vehicle or part thereof shall be removed at the request of a law enforcement officer with notice to the Washington state patrol and the department of licensing that the vehicle has been wrecked. The city, town, or county may operate such a disposal site when its governing body determines that commercial channels of disposition are not available or are inadequate, and it may make final disposition of such vehicles or parts, or may transfer such vehicle or parts to another governmental body provided such disposal shall be only as scrap.
   (4) A registered disposer under contract to a city or county for the impounding of vehicles shall comply with any administrative regulations adopted by the city or county on the handling and disposing of vehicles.

guilty of a class C felony. The signal given by the police officer may be by hand,
voice, emergency light, or siren. The officer giving such a signal shall be in
uniform and the vehicle shall be equipped with lights and sirens.

(2) It is an affirmative defense to this section which must be established by a
preponderance of the evidence that: (a) A reasonable person would not believe
that the signal to stop was given by a police officer; and (b) driving after the
signal to stop was reasonable under the circumstances.

(3) The license or permit to drive or any nonresident driving privilege of a
person convicted of a violation of this section shall be revoked by the
department of licensing.

herein stated.

(2) The driver of an authorized emergency vehicle may:

(a) Park or stand, irrespective of the provisions of this chapter;

(b) Proceed past a red or stop signal or stop sign, but only after slowing
down as may be necessary for safe operation;

(c) Exceed the maximum speed limits so long as he or she does not
endanger life or property;

(d) Disregard regulations governing direction of movement or turning in
specified directions.

(3) The exemptions herein granted to an authorized emergency vehicle shall
apply only when such vehicle is making use of visual signals meeting the
requirements of RCW 46.37.190, except that: (a) An authorized emergency
vehicle operated as a police vehicle need not be equipped with or display a red
light visible from in front of the vehicle; (b) authorized emergency vehicles shall
use audible signals when necessary to warn others of the emergency nature of
the situation but in no case shall they be required to use audible signals while
parked or standing.

(4) The foregoing provisions shall not relieve the driver of an authorized
emergency vehicle from the duty to drive with due regard for the safety of all
persons, nor shall such provisions protect the driver from the consequences of
his or her reckless disregard for the safety of others.

Sec. 9067. RCW 46.61.202 and 1975 c 62 s 48 are each amended to read
as follows:

any railroad grade crossing unless there is sufficient space on the other side of
the intersection, crosswalk, or railroad grade crossing to accommodate the
vehicle he or she is operating without obstructing the passage of other vehicles,
pedestrians, or railroad trains notwithstanding any traffic control signal
indications to proceed.

(3) The provisions of subsections (1) and (2) above shall not be construed to prevent a person upon a public highway from soliciting, or a driver of a vehicle from giving a ride where an emergency actually exists, nor to prevent a person from signaling or requesting transportation from a passenger carrier for the purpose of becoming a passenger thereon for hire.

(4) No person shall stand in a roadway for the purpose of soliciting employment or business from the occupant of any vehicle.

(1) The driver of any motor vehicle carrying passengers for hire, other than a passenger car, or of any school bus or private carrier bus carrying any school child or other passenger, or of any vehicle carrying explosive substances or flammable liquids as a cargo or part of a cargo, before crossing at grade any track or tracks of a railroad, shall stop such vehicle within fifty feet but not less than fifteen feet from the nearest rail of such railroad and while so stopped shall listen and look in both directions along such track for any approaching train, and for signals indicating the approach of a train, except as hereinafter provided, and shall not proceed until he or she can do so safely. vehicle is a wreck if it has sustained such damage or deterioration that it may not lawfully operate upon the highways of this state.

Sec. 9098. RCW 46.80.030 and 2001 c 64 s 13 are each amended to read as follows:

Application for a vehicle wrecker's license or renewal of a vehicle wrecker's license shall be made on a form for this purpose, furnished by the department of licensing, and shall be signed by the vehicle wrecker or his or her authorized agent and shall include the following information:

(1) Name and address of the person, firm, partnership, association, or corporation under which name the business is to be conducted;

(2) Names and residence address of all persons having an interest in the business or, if the owner is a corporation, the names and addresses of the officers thereof;

(3) Certificate of approval of the chief of police of any city or town having a population of over five thousand persons and in all other instances a member of the Washington state patrol certifying that:

(a) The applicant has an established place of business at the address shown on the application, and;

(b) In the case of a renewal of a vehicle wrecker's license, the applicant is in compliance with this chapter and the provisions of Title 46 RCW, relating to registration and certificates of title: PROVIDED, That the above certifications in any instance can be made by an authorized representative of the department of licensing;

(4) Any other information that the department may require.

Sec. 9099. RCW 46.82.300 and 2009 c 101 s 2 are each amended to read as follows:

(1) The director shall be assisted in the duties and responsibilities of this chapter by the driver instructors' advisory committee, consisting of seven members, two of which, when possible, must reside east of the crest of the Cascade mountains. Members of the advisory committee shall be appointed by the director for two-year terms and shall consist of two representatives of the driver training schools, two representatives of the driving instructors (who shall not be from the same school as the school member), a representative of the superintendent of public instruction, a representative of the department of licensing, and a representative from the Washington state traffic safety commission.

(2) The advisory committee shall meet at least semiannually and shall have additional meetings as may be called by the director. The director or the director's representative shall attend all meetings of the advisory committee and shall serve as ((chairman)) chair.

(3) Duties of the advisory committee shall be to:

(a) Advise and confer on department proposed policy and rule with the director or the director's representative on matters pertaining to the establishment of rules necessary to carry out this chapter;

(b) Review and update when necessary a curriculum consisting of a list of items of knowledge and the processes of driving a motor vehicle specifying the minimum requirements adjudged necessary in teaching a proper and adequate course of driver education;
(c) Review and update instructor certification standards to be consistent with RCW 46.82.330 and take into consideration those standards required to be met by traffic safety education teachers under RCW 28A.220.020(3); and

(d) Prepare the examination for a driver instructor’s certificate and review examination results at least once each calendar year for the purpose of updating and revising examination standards.

Sec. 9100. RCW 46.85.020 and 1987 c 244 s 9 are each amended to read as follows:

The definitions set forth in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Jurisdiction" means and includes a state, territory, or possession of the United States, the District of Columbia, the Commonwealth of Puerto Rico, a foreign country, and a state or province of a foreign country.

(2) "Owner" means a person, business firm, or corporation who holds the legal title to a vehicle, or in the event a vehicle is the subject of an agreement for the conditional sale thereof with the right of purchase upon performance of the conditions stated in the agreement and with an immediate right of possession vested in the conditional vendee, or in the event a vehicle is subject to a lease, contract, or other legal arrangement vesting right of possession or control, for security or otherwise, or in the event a mortgagor of a vehicle is entitled to possession, then the owner shall be deemed to be such person in whom is vested right of possession or control.

(3) "Properly registered," as applied to place of registration, means:

(a) The jurisdiction where the person registering the vehicle has his or her legal residence; or

(b) In the case of a commercial vehicle, the jurisdiction in which it is registered if the commercial enterprise in which such vehicle is used has a place of business therein, and, if the vehicle is most frequently dispatched, garaged, serviced, maintained, operated, or otherwise controlled in or from such place of business, and, the vehicle has been assigned to such place of business; or

(c) In the case of a commercial vehicle, the jurisdiction where, because of an agreement or arrangement between two or more jurisdictions, or pursuant to a declaration, the vehicle has been registered as required by said jurisdiction.

In case of doubt or dispute as to the proper place of registration of a vehicle, the department shall make the final determination, but in making such determination, may confer with departments of the other jurisdictions affected.

Sec. 9101. RCW 46.87.360 and 1987 c 244 s 49 are each amended to read as follows:

Whenever the owner of proportionally registered vehicles is delinquent in the payment of an obligation imposed under this chapter, and the delinquency continues after notice and demand for payment by the department, the department may proceed to collect the amount due from the owner in the following manner: The department shall seize any property subject to the lien of the fees, taxes, penalties, and interest and sell it at public auction to pay the obligation and any and all costs that may have been incurred because of the seizure and sale. Notice of the intended sale and its time and place shall be given to the delinquent owner and to all persons appearing of record to have an interest in the property. The notice shall be given in writing at least ten days before the
date set for the sale by registered or certified mail addressed to the owner as appearing in the proportional registration records of the department and, in the case of any person appearing of record to have an interest in such property, addressed to that person at (their) last known residence or place of business. In addition, the notice shall be published at least ten days before the date set for the sale in a newspaper of general circulation published in the county in which the property seized is to be sold. If there is no newspaper in the county, the notice shall be posted in three public places in the county for a period of ten days. The notice shall contain a description of the property to be sold, a statement of the amount due under this chapter, the name of the owner of the proportionally registered vehicles, and the further statement that unless the amount due is paid on or before the time fixed in the notice the property will be sold in accordance with law.

The department shall then proceed to sell the property in accordance with law and the notice, and shall deliver to the purchaser a bill of sale or deed that vests title in the purchaser. If upon any such sale the moneys received exceed the amount due to the state under this chapter from the delinquent owner, the excess shall be returned to the delinquent owner and (their) receipt obtained for it. The department may withhold payment of the excess to the delinquent owner if a person having an interest in or lien upon the property has filed with the department (their) notice of the lien or interest before the sale, pending determination of the rights of the respective parties thereto by a court of competent jurisdiction. If for any reason the receipt of the delinquent owner is not available, the department shall deposit the excess with the state treasurer as trustee for the delinquent owner.

Sec. 9102. RCW 46.96.150 and 2005 c 433 s 43 are each amended to read as follows:

(1) Within thirty days after receipt of the notice under RCW 46.96.140, or within thirty days after the end of an appeal procedure provided by the manufacturer, whichever is greater, a new motor vehicle dealer so notified or entitled to notice may file a petition with the department protesting the proposed establishment or relocation. The petition shall contain a short statement setting forth the reasons for the dealer's objection to the proposed establishment or relocation. The department shall promptly notify the manufacturer that a timely protest has been filed and shall request the appointment of an administrative law judge under chapter 34.12 RCW to conduct a hearing. The manufacturer shall not establish or relocate the new motor vehicle dealer until the administrative law judge has held a hearing and has determined that there is good cause for permitting the proposed establishment or relocation. When more than one protest is filed against the establishment or relocation of the same dealer, the administrative law judge shall consolidate the hearings to expedite disposition of the matter.

(2) If a manufacturer provides in the franchise agreement or by written statement distributed and provided to its dealers for arbitration under the Uniform Arbitration Act, chapter 7.04A RCW, as a mechanism for resolving disputes relating to the establishment of an additional new motor vehicle dealer or the relocation of a new motor vehicle dealer, then the provisions of this section and RCW 46.96.170 relating to hearings by an administrative law judge do not apply, and a dispute regarding the establishment of an additional new
motor vehicle dealer or the relocation of an existing new motor vehicle dealer shall be determined in an arbitration proceeding conducted in accordance with the Uniform Arbitration Act, chapter 7.04A RCW. The thirty-day period for filing a protest under this section still applies except that the protesting dealer shall file his or her protest with the manufacturer within thirty days after receipt of the notice under RCW 46.96.140.

(3) The dispute shall be referred for arbitration to such arbitrator as may be agreed upon by the parties to the dispute. If the parties cannot agree upon a single arbitrator within thirty days from the date the protest is filed, the protesting dealer will select an arbitrator, the manufacturer will select an arbitrator, and the two arbitrators will then select a third. If a third arbitrator is not agreed upon within thirty days, any party may apply to the superior court, and the judge of the superior court having jurisdiction will appoint the third arbitrator. The protesting dealer will pay the arbitrator selected by him or her, and the manufacturer will pay the arbitrator it selected. The expense of the third arbitrator and all other expenses of arbitration will be shared equally by the parties. Attorneys' fees and fees paid to expert witnesses are not expenses of arbitration and will be paid by the person incurring them.

(4) Notwithstanding the terms of a franchise or written statement of the manufacturer and notwithstanding the terms of a waiver, the arbitration will take place in the state of Washington in the county where the protesting dealer has his or her principal place of business. RCW 46.96.160 applies to a determination made by the arbitrator or arbitrators in determining whether good cause exists for permitting the proposed establishment or relocation of a new motor vehicle dealer, and the manufacturer has the burden of proof to establish that good cause exists for permitting the proposed establishment or relocation. After a hearing has been held, the arbitrator or arbitrators shall render a decision as expeditiously as possible, but in any event not later than one hundred twenty days from the date the arbitrator or arbitrators are selected or appointed. The manufacturer shall not establish or relocate the new motor vehicle dealer until the arbitration hearing has been held and the arbitrator or arbitrators have determined that there is good cause for permitting the proposed establishment or relocation. The written decision of the arbitrator is binding upon the parties unless modified, corrected, or vacated under the Washington Arbitration Act. Any party may appeal the decision of the arbitrator under the Uniform Arbitration Act, chapter 7.04A RCW.

(5) If the franchise agreement or the manufacturer's written statement distributed and provided to its dealers does not provide for arbitration under the Uniform Arbitration Act as a mechanism for resolving disputes relating to the establishment of an additional new motor vehicle dealer or the relocation of a new motor vehicle dealer, then the hearing provisions of this section and RCW 46.96.170 apply. Nothing in this section is intended to preclude a new motor vehicle dealer from electing to use any other dispute resolution mechanism offered by a manufacturer.

PART X

Sec. 10001. RCW 47.01.070 and 1977 ex.s. c 151 s 27 are each amended to read as follows:
In all situations wherein the director of highways, the director of aeronautics, or any one of their designees, or any member of the highway commission, the toll bridge authority, the aeronautics commission, or the canal commission, or any one of their designees was on September 21, 1977, designated or serving as a member of any board, commission, committee, or authority, the ((chairman)) chair of the transportation commission or the ((chairman)) chair’s designee who shall be an employee of the department of transportation, shall hereafter determine who shall serve as such member.

Sec. 10002. RCW 47.10.150 and 1961 c 13 s 47.10.150 are each amended to read as follows:

Increased construction costs for highway and bridge construction since the enactment of a highway bond issue by the 1951 legislature makes necessary additional money with which to complete the sections of primary state highway No. 1 planned from funds allocated under RCW 47.10.010 through 47.10.140 and it is vital to the economy of the state and the safety of the traffic that these sections shall be completed to relieve traffic congestions, to add capacity in event of war, and to presently insure greater safety to highway users; the rapid increase of traffic across Snoqualmie Pass necessitates continued improvement of primary state highway No. 2 to provide four-lane paving contiguous to Snoqualmie Pass as the funds will permit; the rapid increase of traffic and the facilitation of movement of military forces and equipment from the military centers of the state makes imperative the construction of a highway from primary state highway No. 2 beginning approximately four miles west of North Bend thence southwesterly by the most feasible route by the way of Auburn to a junction with primary state highway No. 1 in the vicinity of Milton; said highway to follow approximately the route surveyed by the director of highways and covered in the report filed by him or her with the 1951 legislature commonly known as the "Echo Lake Route," as the funds provided for herein will permit; the construction of secondary state highways in to the Columbia Basin area is immediately necessary to provide needed state arterial highways for the irrigated lands of the Columbia Basin areas to market centers and thereby encourage the full development of the basin project. The construction of such projects is required in the interest of the public safety and for the orderly development of the state. The threat of war makes acceleration of construction a vital necessity at this time.

Sec. 10003. RCW 47.12.023 and 1984 c 7 s 115 are each amended to read as follows:

(1) Except as provided in RCW 47.12.026 and 47.12.029, whenever it is necessary to secure any lands or interests in lands for any highway purpose mentioned in RCW 47.12.010, or for the construction of any toll facility or ferry terminal or docking facility, the title to which is in the state of Washington and under the jurisdiction of the department of natural resources, the department of transportation may acquire jurisdiction over the lands or interests in lands, or acquire rights to remove materials from the lands in the manner set forth in this section.

(2) At any time after the final adoption of a right-of-way plan or other plan requiring the acquisition of lands or interests in lands for any purpose as authorized in subsection (1) of this section, the department of transportation may
file with the department of natural resources a notice setting forth its intent to acquire jurisdiction of the lands or interests in lands under the jurisdiction of the department of natural resources required for right-of-way or other highway purposes related to the construction or improvement of such state highway, toll facility, or ferry terminal or docking facility.

(3) The department of transportation at the time of filing its notice of intent as provided in subsection (2) of this section shall file therewith a written statement showing the total amount of just compensation to be paid for the property in the event of settlement. The offer shall be based upon the department of transportation approved appraisal of the fair market value of the property to be acquired. In no event may the offer of settlement be referred to or used during any arbitration proceeding or trial conducted for the purpose of determining the amount of just compensation.

(4) Just compensation and/or fair market value for the purposes of this section shall be determined in accordance with applicable federal and state constitutional, statutory, and case law relating to the condemnation of private and public property for public purposes.

(5) If the department of natural resources does not accept the offer of the department of transportation, the department of transportation may nonetheless pay to the department of natural resources the amount of its offer and obtain immediate possession and use of the property pending the determination of just compensation in the manner hereinafter provided.

(6) If the amount of just compensation is not agreed to, either the department of natural resources or the department of transportation may request in writing the appointment of an arbitrator for the purpose of determining the amount of compensation to be paid by the department of transportation for the acquisition of jurisdiction over the lands or interests in lands or rights therein. In that event the department of natural resources and the department of transportation may jointly agree on an arbitrator to determine the compensation, and his or her determination shall be final and conclusive upon both departments. The costs of the arbitrator shall be borne equally by the parties. If the department of natural resources and the department of transportation are unable to agree on the selection of an arbitrator within thirty days after a request therefor is made, either the department of transportation or the department of natural resources may file a petition with the superior court for Thurston county for the purpose of determining the amount of just compensation to be paid. The matter shall be tried by the court pursuant to the procedures set forth in RCW 8.04.080.

(7) Whenever the department of transportation has acquired immediate possession and use of property by payment of the amount of its offer to the department of natural resources, and the arbitration award or judgment of the court for the acquisition exceeds the payment for immediate possession and use, the department of transportation shall forthwith pay the amount of such excess to the department of natural resources with interest thereon from the date it obtained immediate possession. If the arbitration or court award is less than the amount previously paid by the department of transportation for immediate possession and use, the department of natural resources shall forthwith pay the amount of the difference to the department of transportation.
(8) Upon the payment of just compensation, as agreed to by the department of transportation and the department of natural resources, or as determined by arbitration or by judgment of the court, and other costs or fees as provided by statute, the department of natural resources shall cause to be executed and delivered to the department of transportation an instrument transferring jurisdiction over the lands or interests in lands, or rights to remove material from the lands, to the department of transportation.

(9) Except as provided in RCW 47.12.026, whenever the department of transportation ceases to use any lands or interests in lands acquired in the manner set forth in this section for the purposes mentioned herein, the department of natural resources may reacquire jurisdiction over the lands or interests in land by paying the fair market value thereof to the department of transportation. If the two departments are unable to agree on the fair market value of the lands or interests in lands, the market value shall be determined and the interests therein shall be transferred in accordance with the provisions and procedures set forth in subsections (4) through (8) of this section.

Sec. 10004. RCW 47.12.160 and 1984 c 7 s 122 are each amended to read as follows:
Whenever a part of a parcel of land is to be acquired for state highway purposes and the remainder lying outside of the right-of-way is to be left in such shape or condition as to be of little value to its owner or to give rise to claims or litigation concerning severance or other damage, and its value does not exceed the probable amount of the severance claims or damages, the department may acquire by gift, purchase, or condemnation the whole parcel and may sell that portion lying outside of the highway right-of-way or may exchange the same for other property needed for highway purposes. The provisions of this section do not apply if the taking of that portion of the land lying outside of the highway right-of-way would deprive any adjacent owner of an existing right of ingress and egress to his or her property.

Sec. 10005. RCW 47.12.230 and 1969 ex.s. c 197 s 5 are each amended to read as follows:
Warrants issued for payment of property and engineering costs as provided herein shall be of a distinctive design and shall contain the words "for purchase by the state finance committee from . . . fund" (indicating the proper investing fund as provided by the agreement). Such warrants shall be approved by the secretary of the state finance committee prior to their issuance by the state treasurer. Upon presentation of such warrants to the state treasurer for payment, he or she shall pay the par value thereof from the fund for which the state finance committee agreed to purchase such warrants whether or not there are then funds in the motor vehicle fund. The state treasurer shall deposit such warrants in the treasury for the investing fund.

Sec. 10006. RCW 47.12.283 and 1979 ex.s. c 189 s 1 are each amended to read as follows:
(1) Whenever the department of transportation determines that any real property owned by the state of Washington and under the jurisdiction of the department is no longer required for highway purposes and that it is in the public interest to do so, the department may, in its discretion, sell the property under RCW 47.12.063 or under subsections (2) through (6) of this section.
(2) Whenever the department determines to sell real property under its jurisdiction at public auction, the department shall first give notice thereof by publication on the same day of the week for two consecutive weeks, with the first publication at least two weeks prior to the date of the auction, in a legal newspaper of general circulation in the area where the property to be sold is located. The notice shall be placed in both the legal notices section and the real estate classified section of the newspaper. The notice shall contain a description of the property, the time and place of the auction, and the terms of the sale. The sale may be for cash or by real estate contract.

(3) The department shall sell the property at the public auction, in accordance with the terms set forth in the notice, to the highest and best bidder providing the bid is equal to or higher than the appraised fair market value of the property.

(4) If no bids are received at the auction or if all bids are rejected, the department may, in its discretion, enter into negotiations for the sale of the property or may list the property with a licensed real estate broker. No property shall be sold by negotiations or through a broker for less than the property's appraised fair market value. Any offer to purchase real property pursuant to this subsection shall be in writing and may be rejected at any time prior to written acceptance by the department.

(5) Before the department shall approve any offer for the purchase of real property having an appraised value of more than ten thousand dollars, pursuant to subsection (4) of this section, the department shall first publish a notice of the proposed sale in a local newspaper of general circulation in the area where the property is located. The notice shall include a description of the property, the selling price, the terms of the sale, including the price and interest rate if sold by real estate contract, and the name and address of the department employee or the real estate broker handling the transaction. The notice shall further state that any person may, within ten days after the publication of the notice, deliver to the designated state employee or real estate broker a written offer to purchase the property for not less than ten percent more than the negotiated sale price, subject to the same terms and conditions. A subsequent offer shall not be considered unless it is accompanied by a deposit of twenty percent of the offer in the form of cash, money order, cashier's check, or certified check payable to the Washington state treasurer, to be forfeited to the state (for deposit in the motor vehicle fund) if the offeror fails to complete the sale if the offeror's offer is accepted. If a subsequent offer is received, the first offeror shall be informed by registered or certified mail sent to the address stated in his or her offer. The first offeror shall then have ten days, from the date of mailing the notice of the increased offer, in which to file with the designated state employee or real estate broker a higher offer than that of the subsequent offeror. After the expiration of the ten-day period, the department shall approve in writing the highest and best offer which the department then has on file.

(6) All moneys received pursuant to this section, less any real estate broker's commissions paid pursuant to RCW 47.12.320, shall be deposited in the motor vehicle fund.

Sec. 10007. RCW 47.26.150 and 1988 c 167 s 17 are each amended to read as follows:
The transportation improvement board shall meet at least once quarterly and upon the call of its chair and shall from time to time adopt rules and regulations for its own government and as may be necessary for it to discharge its duties and exercise its powers under this chapter.

Sec. 10008. RCW 47.26.4254 and 1999 sp.s. c 1 s 611 are each amended to read as follows:

(1) Any funds required to repay series III bonds authorized by RCW 47.26.420, or the interest thereon, when due shall first be taken from that portion of the motor vehicle fund that results from the imposition of excise taxes on motor vehicle and special fuels imposed by chapters 82.36 and 82.38 RCW and that is distributed to the urban arterial trust account in the motor vehicle fund pursuant to RCW 46.68.090(2)(e), subject, however, to the prior lien of the first authorization of bonds authorized by RCW 47.26.420. If the moneys so distributed to the urban arterial trust account, after first being applied to administrative expenses of the transportation improvement board and to the requirements of bond retirement and payment of interest on first authorization bonds and series II bonds as provided in RCW 47.26.425 and 47.26.4252, are insufficient to meet the requirements for bond retirement or interest on any series III bonds, the amount required to make such payments on series III bonds or interest thereon shall next be taken from that portion of the motor vehicle fund that results from the imposition of excise taxes on motor vehicle and special fuels and that is distributed to the state, counties, cities, and towns pursuant to RCW 46.68.090, subject, however, to subsection (2) of this section.

(2) To the extent that moneys so distributed to the urban arterial trust account are insufficient to meet the requirements for bond retirement or interest on any series III bonds, sixty percent of the amount required to make such payments when due shall first be taken from that portion of the motor vehicle fund that results from the imposition of excise taxes on motor vehicle and special fuels and that is distributed to the state. The remaining forty percent shall first be taken from that portion of the motor vehicle fund that results from the imposition of excise taxes on motor vehicle and special fuels and that is distributed to the cities and towns pursuant to RCW 46.68.090 (2)(g) and to the counties pursuant to RCW 46.68.090 (2)(h). Of the counties', cities', and towns' share of any additional amounts required in each fiscal year, the percentage thereof to be taken from the counties' distributive share and from the cities' and towns' distributive share shall correspond to the percentage of funds authorized for specific county projects and for specific city and town projects, respectively, from the proceeds of series III bonds, for the period through the first eleven months of the prior fiscal year as determined by the chair of the transportation improvement board and reported to the state finance committee and the state treasurer not later than the first working day of June.

(3) Any payments on such bonds or interest thereon taken from motor vehicle or special fuel tax revenues that are distributable to the state, counties, cities, and towns shall be repaid from the first moneys distributed to the urban arterial trust account not required for redemption of the first authorization bonds, series II bonds, or series III bonds or interest on these bonds.
Sec. 10009. RCW 47.28.080 and 1985 c 242 s 2 are each amended to read as follows:

Any person, firm, or corporation proposing a bid for the construction or improvement of any state highway in response to a call for bids published therefor may withdraw the bid proposal without forfeiture and without prejudice to the right of the bidder to file a new bid proposal before the time fixed for the opening of the bid proposals. The request for the withdrawal shall be made in writing, signed by the person proposing the bid or his or her duly authorized agent, and filed at the place and before the time fixed in the call for bids for receipt of the bid proposals. No bid proposal may be considered that has not been filed with the department before the time fixed for the receipt of bid proposals. In any provisions regarding the filing or withdrawing of bid proposals the time fixed for the receipt of bid proposals in the call for bid proposals as published shall control without regard for the time when the bid proposals are actually opened.

Sec. 10010. RCW 47.32.060 and 1988 c 202 s 45 are each amended to read as follows:

At the time and place appointed for hearing upon the complaint, which hearing shall be by summary proceedings, if the court or judge thereof finds that due notice has been given by posting and publication and that the order of the department was duly made, and is further satisfied and finds that the state highway or portion thereof described is legally a state highway having the width of right-of-way specified in the order and that the structure, buildings, improvements, or other means of occupancy of the state highway or portion thereof as stated in the certificate of the department do in fact encroach, or that any portion thereof encroach, upon the state highway right-of-way, the court or judge thereof shall thereupon make and enter an order establishing that each of the structures, buildings, improvements, and other means of occupancy specified in the order is unlawfully maintained within the right-of-way and is subject to confiscation and sale and that they be forthwith confiscated, removed from the right-of-way, and sold, and providing that six days after the entry of the order, a writ shall issue from the court directed to the sheriff of the county, commanding the sheriff to seize and remove from the right-of-way of the state highway each such structure, building, improvement, or other means of occupancy specified in the order forthwith on receipt of a writ based on the order and to take and hold the property in his or her custody for a period of ten days, unless redelivered earlier as provided for by law, and if not then so redelivered to sell the property at public or private sale and to pay the proceeds thereof into the registry of the court within sixty days after the issuance of the writ, and further in such action, including costs of posting original notices of the department, the costs of posting and publishing notices of hearing as part thereof and any cost of removal, be paid by the clerk to the state treasurer and credited to the motor vehicle fund. The order shall be filed with the clerk of the court and recorded in the minutes of the court, and is final unless appellate review thereof is sought within five days after filing of the order.

Sec. 10011. RCW 47.32.070 and 1971 c 81 s 115 are each amended to read as follows:
Six days after filing of the order above provided for, if no review thereof be
taken to the supreme court or the court of appeals of the state, the clerk of the
court shall issue under seal of such court a writ directed to the sheriff of the
county in which such court is held commanding him or her to remove, take into
custody and dispose of the property described in such order and make returns
thereof as provided for such writ by said order. On receipt of such writ it shall be
the duty of such sheriff to obey the command thereof, proceed as therein directed
and make return within the time fixed by such writ; and said sheriff shall be
liable upon his or her official bond for the faithful discharge of such duties.
Upon filing of such return the clerk of court shall make payments as provided for
in the order of court. If by the sheriff's return any of the property seized and
removed pursuant to such writ is returned as unsold and as of no sale value, and
if the court or judge thereof be satisfied that such is the fact, the court or judge
thereof may make further order directing the destruction of such property,
otherwise directing the sheriff to give new notice and again offer the same for
sale, when, if not sold, the same may on order of court be destroyed.

Sec. 10012. RCW 47.32.090 and 1961 c 13 s 47.32.090 are each amended
to read as follows:
The sureties on such bond shall justify as in other cases if the sheriff
requires it and in case they do not so justify when required, the sheriff shall
retain and sell or dispose of the property; and if the sheriff does not require the
sureties to justify, he or she shall stand good for their sufficiency. He or she shall
date and indorse his or her acceptance upon the bond, and shall return the
affidavit, bond and justification, if any, to the office of the clerk of such superior
court, whereupon such clerk shall set the hearing thereof as a separate case for
trial, in which such claimant shall be the plaintiff and the sheriff and the state of
Washington defendants: PROVIDED, That no costs shall, in such case, be
assessed against the sheriff or the state of Washington in the event the plaintiff
should prevail.

Sec. 10013. RCW 47.36.110 and 1984 c 7 s 199 are each amended to read
as follows:
In order to provide safety at intersections on the state highway system, the
department may require persons traveling upon any portion of such highway to
stop before entering the intersection. For this purpose there may be erected a
standard stop sign as prescribed in the state department of transportation's
"Manual on Uniform Traffic Control Devices for Streets and Highways." All
persons traveling upon the highway shall come to a complete stop at such a sign,
and the appearance of any sign so located is sufficient warning to a person that
he or she is required to stop. A person stopping at such a sign shall proceed
through that portion of the highway in a careful manner and at a reasonable rate
of speed not to exceed twenty miles per hour. It is unlawful to fail to comply
with the directions of any such stop sign. When the findings of a traffic
engineering study show that the condition of an intersection is such that vehicles
may safely enter the major artery without stopping, the department or local
authorities in their respective jurisdictions shall install and maintain a "Yield"
sign.

Sec. 10014. RCW 47.36.200 and 2006 c 331 s 1 are each amended to read
as follows:
(1) When construction, repair, or maintenance work is conducted on or adjacent to a public highway, county road, street, bridge, or other thoroughfare commonly traveled and when the work interferes with the normal and established mode of travel on the highway, county road, street, bridge, or thoroughfare, the location shall be properly posted by prominently displayed signs or flaggers or both. Signs used for posting in such an area shall be consistent with the provisions found in the state of Washington "Manual on Uniform Traffic Control Devices for Streets and Highways" obtainable from the department of transportation.

(2) If the construction, repair, or maintenance work includes or uses grooved pavement, abrupt lane edges, steel plates, or gravel or earth surfaces, the construction, repair, or maintenance zone must be posted with signs stating the condition, as required by current law; and in addition, must warn motorcyclists of the potential hazard only if the hazard or condition exists on a paved public highway, county road, street, bridge, or other thoroughfare commonly traveled. For the purposes of this subsection, the department shall adopt by rule a uniform sign or signs for this purpose, including at least the following language, "MOTORCYCLES USE EXTREME CAUTION."

(3) Any contractor, firm, corporation, political subdivision, or other agency performing such work shall comply with this section.

(4) Each driver of a motor vehicle used in connection with such construction, repair, or maintenance work shall obey traffic signs posted for, and flaggers stationed at such location in the same manner and under the same restrictions as is required for the driver of any other vehicle.

(5) A violation of or a failure to comply with this section is a misdemeanor. Each day upon which there is a violation, or there is a failure to comply, constitutes a separate violation.

Sec. 10015. RCW 47.41.040 and 1984 c 7 s 218 are each amended to read as follows:

Before July 1, 1971, the department shall determine whether or not the topography of the land adjoining the highway will permit adequate screening of any junkyard lawfully in existence located outside of a zoned industrial area or an unzoned industrial area as defined under RCW 47.41.030 on August 9, 1971, that is within one thousand feet of the nearest edge of the right-of-way and visible from the main traveled way of any highway on the interstate and primary system and whether screening of the junkyard would be economically feasible. Within thirty days thereafter the department shall notify by certified mail the record owner of the land upon which the junkyard is located, or the operator thereof, of its determination.

If it is economically feasible to screen the junkyard, the department shall screen the junkyard so that it will not be visible from the main-traveled way of the highway. The department is authorized to acquire by gift, purchase, exchange, or condemnation such lands or interest in lands as may be required for these purposes.

If it is not economically feasible to screen the junkyard, the department shall acquire by purchase, gift, or condemnation an interest in the real property used for junkyard purposes that is visible from the main traveled way of the highway, restricting any owner of the remaining interest to use of the real estate for purposes other than a junkyard. In addition to compensation for the real
property interest, the operator of a junkyard shall receive the actual reasonable expenses in moving his or her business personal property to a location within the same general area where a junkyard may be lawfully established, operated, and maintained. This section shall be interpreted as being in addition to all other rights and remedies of a junkyard owner or operator and shall not be interpreted as a limitation on or alteration of the law of compensation in eminent domain.

Sec. 10016. RCW 47.42.080 and 1985 c 376 s 6 are each amended to read as follows:

1. Any sign erected or maintained contrary to the provisions of this chapter or rules adopted hereunder that is designed to be viewed from the interstate system, the primary system, or the scenic system is a public nuisance, and the department, the chief of the Washington state patrol, the county sheriff, or the chief of police of any city or town shall notify the permittee or, if there is no permittee, the owner of the property on which the sign is located, by certified mail at his or her last known address, that it constitutes a public nuisance and must comply with the chapter or be removed.

2. If the permittee or owner, as the case may be, fails to comply with the chapter or remove any such sign within fifteen days after being notified to remove the sign he or she is guilty of a misdemeanor. In addition to the penalties imposed by law upon conviction, an order may be entered compelling removal of the sign. Each day the sign is maintained constitutes a separate offense.

3. If the permittee or the owner of the property upon which it is located, as the case may be, is not found or refuses receipt of the notice, the department, the chief of the Washington state patrol, the county sheriff, or the chief of police of any city or town shall post the sign and property upon which it is located with a notice that the sign constitutes a public nuisance and must be removed. If the sign is not removed within fifteen days after such posting, the department, the chief of the Washington state patrol, the county sheriff, or the chief of police of any city or town shall abate the nuisance and destroy the sign, and for that purpose may enter upon private property without incurring liability for doing so.

4. Nothing in this section may be construed to affect the provisions contained in RCW 47.42.102 requiring the payment of compensation upon the removal of any signs compensable under state law.

5. Any sign erected or maintained on state highway right-of-way contrary to this chapter or rules adopted under it is a public nuisance, and the department is authorized to remove any such sign without notice.

Sec. 10017. RCW 47.42.103 and 1984 c 7 s 229 are each amended to read as follows:

1. Compensation as required by RCW 47.42.102 shall be paid to the person or persons entitled thereto for the removal of such signs. If no agreement is reached on the amount of compensation to be paid, the department may institute an action by summons and complaint in the superior court for the county in which the sign is located to obtain a determination of the compensation to be paid. If the owner of the sign is unknown and cannot be ascertained after diligent efforts to do so, the department may remove the sign upon the payment of compensation only to the owner of the real property on which the sign is located. Thereafter the owner of the sign may file an action at any time within one year after the removal of the sign to obtain a determination of the amount of
compensation he or she should receive for the loss of the sign. If either the owner of the sign or the owner of the real property on which the sign is located cannot be found within the state, service of the summons and complaint on such person for the purpose of obtaining a determination of the amount of compensation to be paid may be by publication in the manner provided by RCW 4.28.100.

(2) If compensation is determined by judicial proceedings, the sum so determined shall be paid into the registry of the court to be disbursed upon removal of the sign by its owner or by the owner of the real property on which the sign is located. If the amount of compensation is agreed upon, the department may pay the agreed sum into escrow to be released upon the removal of the sign by its owner or the owner of the real property on which the sign is located.

(3) The state's share of compensation shall be paid from the motor vehicle fund, or if a court having jurisdiction enters a final judgment declaring that motor vehicle funds may not be used, then from the general fund.

The secretary of transportation shall appoint four members of the board. One member shall be selected by the members thus selected, and such ninth member shall be a licensed civil engineer or a recognized city or town planner, who shall be the (chairman) chair of the board. Such boards as are provided by this section shall be appointed within thirty days after the receipt of such a request by the secretary. In the event the secretary or a county, city, or town shall not appoint members of the board or members thus appointed fail to appoint a fifth or ninth member of the board, as the case may be, either the secretary or the county, city, or town may apply to the superior court of the county in which the county, city, or town is situated to appoint the member or members of the board in accordance with the provisions of this chapter.

(8) The term "work place" means any plant, yard, premises, room, or other place where an employee or employees are employed for the performance of
labor or service over which the employer has the right of access or control, and includes, but is not limited to, all work places covered by industrial insurance under Title 51 RCW, as now or hereafter amended.

(9) The term "working day" means a calendar day, except Saturdays, Sundays, and all legal holidays as set forth in RCW 1.16.050, as now or hereafter amended, and for the purposes of the computation of time within which an act is to be done under the provisions of this chapter, shall be computed by excluding the first working day and including the last working day.

Sec. 12006. RCW 49.17.050 and 1998 c 224 s 1 are each amended to read as follows:

In the adoption of rules and regulations under the authority of this chapter, the director shall:

(1) Provide for the preparation, adoption, amendment, or repeal of rules and regulations of safety and health standards governing the conditions of employment of general and special application in all work places;

(2) Provide for the adoption of occupational health and safety standards which are at least as effective as those adopted or recognized by the United States secretary of labor under the authority of the Occupational Safety and Health Act of 1970 (Public Law 91-596; 84 Stat. 1590);

(3) Provide a method of encouraging employers and employees in their efforts to reduce the number of safety and health hazards at their work places and to stimulate employers and employees to institute new and to perfect existing programs for providing safe and healthful working conditions;

(4) Provide for the promulgation of health and safety standards and the control of conditions in all work places concerning gases, vapors, dust, or other airborne particles, toxic materials, or harmful physical agents which shall set a standard which most adequately assures, to the extent feasible, on the basis of the best available evidence, that no employee will suffer material impairment of health or functional capacity even if such employee has regular exposure to the hazard dealt with by such standard for the period of his or her working life; any such standards shall require where appropriate the use of protective devices or equipment and for monitoring or measuring any such gases, vapors, dust, or other airborne particles, toxic materials, or harmful physical agents;

(5) Provide for appropriate reporting procedures by employers with respect to such information relating to conditions of employment which will assist in achieving the objectives of this chapter;

(6) Provide for the frequency, method, and manner of the making of inspections of work places without advance notice; (and)

(7) Provide for the publication and dissemination to employers, employees, and labor organizations and the posting where appropriate by employers of informational, education, or training materials calculated to aid and assist in achieving the objectives of this chapter;

(8) Provide for the establishment of new and the perfection and expansion of existing programs for occupational safety and health education for employers and employees, and, in addition institute methods and procedures for the establishment of a program for voluntary compliance solely through the use of advice and consultation with employers and employees with recommendations including recommendations of methods to abate violations relating to the
requirements of this chapter and all applicable safety and health standards and rules and regulations promulgated pursuant to the authority of this chapter;

(9) Provide for the adoption of safety and health standards requiring the use of safeguards in trenches and excavations and around openings of hoistways, hatchways, elevators, stairways, and similar openings;

(10) Provide for the promulgation of health and safety standards requiring the use of safeguards for all vats, pans, trimmers, cut off, gang edger, and other saws, planers, presses, formers, cogs, gearing, belting, shafting, coupling, set screws, live rollers, conveyors, mangles in laundries, and machinery of similar description, which can be effectively guarded with due regard to the ordinary use of such machinery and appliances and the danger to employees therefrom, and with which the employees of any such work place may come in contact while in the performance of their duties and prescribe methods, practices, or processes to be followed by employers which will enhance the health and safety of employees in the performance of their duties when in proximity to machinery or appliances mentioned in this subsection;

(11) Certify that no later than twenty business days prior to the effective date of any significant legislative rule, as defined by RCW 34.05.328, a meeting of impacted parties is convened to: (a) Identify ambiguities and problem areas in the rule; (b) coordinate education and public relations efforts by all parties; (c) provide comments regarding internal department training and enforcement plans; and (d) provide comments regarding appropriate evaluation mechanisms to determine the effectiveness of the new rule. The meeting shall include a balanced representation of both business and labor from impacted industries, department personnel responsible for the above subject areas, and other agencies or key stakeholder groups as determined by the department. An existing advisory committee may be utilized if appropriate.

Sec. 12007. RCW 49.17.060 and 1973 c 80 s 6 are each amended to read as follows:

Each employer:

(1) Shall furnish to each of his or her employees a place of employment free from recognized hazards that are causing or likely to cause serious injury or death to his or her employees: PROVIDED, That no citation or order assessing a penalty shall be issued to any employer solely under the authority of this subsection except where no applicable rule or regulation has been adopted by the department covering the unsafe or unhealthful condition of employment at the work place; and

(2) Shall comply with the rules, regulations, and orders promulgated under this chapter.

Sec. 12008. RCW 49.17.080 and 1973 c 80 s 8 are each amended to read as follows:

(1) Any employer may apply to the director for a temporary order granting a variance from any safety and health standard promulgated by rule or regulation under the authority of this chapter. Such temporary order shall be granted only if the employer files an application which meets the requirements of subsection (2) of this section and establishes that the employer is unable to comply with a safety or health standard because of the unavailability of professional or technical personnel or of materials and equipment needed to come into
compliance with the safety and health standard or because necessary
collection or alteration of facilities cannot be completed by the effective date
of such safety and health standard, that he or she is taking all available steps to
safeguard his or her employees against the hazards covered by the safety and
health standard, and he or she has an effective program for coming into
compliance with such safety and health standard as quickly as practicable. Any
temporary order issued under the authority of this subsection shall prescribe the
practices, means, methods, operations, and processes which the employer must
adopt and use while the order is in effect and state in detail his or her
program for coming into compliance with the safety and health standard. Such a temporary
order may be granted only after notice to employees and an opportunity for a
hearing upon request of the employer or any affected employee. The name of
any affected employee requesting a hearing under the provisions of this
subsection shall be confidential and shall not be disclosed without the consent of
such employee. The director may issue one interim order to be effective until a
determination is made or a decision rendered if a hearing is demanded. No
temporary order may be in effect for longer than the period needed by the
employer to achieve compliance with the standard, or one year, whichever is
shorter, except that such an order may be renewed not more than twice, so long
as the requirements of this subsection are met and if an application for renewal is
filed at least ninety days prior to the expiration date of the order. No renewal of
a temporary order may remain in effect for longer than one hundred eighty days.

(2) An application for a temporary order under this section shall contain:
(a) A specification of the safety and health standard or portion thereof from
which the employer seeks a variance;
(b) A representation by the employer, supported by representations from
qualified persons having first hand knowledge of the facts represented, that he or
she is unable to comply with the safety and health standard or portion thereof
and a detailed statement of the reasons therefor;
(c) A statement of the steps the employer has taken and will take, with
specific dates, to protect employees against the hazard covered by the standard;
(d) A statement as to when the employer expects to be able to comply with
the standard or portion thereof and what steps he or she has taken and will take,
with dates specified, to come into compliance with the standard; and
(e) A certification that the employer, by the date of mailing or delivery of
the application to the director, has informed his or her employees of the
application by providing a copy thereof to his or her employees or their
authorized representative by posting a copy of such application in a place or
places reasonably accessible to all employees or by other appropriate means of
notification and by mailing a copy to the authorized representative of such
employees; the application shall set forth the manner in which the employees
have been so informed. The application shall also advise employees and their
employee representatives of their right to apply to the director to conduct a
hearing upon the application for a variance.

Sec. 12009. RCW 49.17.090 and 1973 c 80 s 9 are each amended to read
as follows:
Any employer may apply to the director for an order for a variance from any
rule or regulation establishing a safety and health standard promulgated under
this chapter. Affected employees shall be given notice of each such application
and in the manner prescribed by RCW 49.17.080 shall be informed of their right to request a hearing on any such application. The director shall issue such order granting a variance, after opportunity for an inspection, if he or she determines or decides after a hearing has been held, if request for hearing has been made, that the applicant for the variance has demonstrated by a preponderance of the evidence that the conditions, practices, means, methods, operations, or processes used or proposed to be used by such applicant employer will provide employment and places of employment to his or her employees which are as safe and healthful as those which would prevail if he or she complied with the safety and health standard or standards from which the variance is sought. The order so issued shall prescribe the conditions the employer must maintain, and the practices, means, methods, operations, and processes which he or she must adopt and utilize to the extent they differ from the standard in question. At any time after six months has elapsed from the date of the issuance of the order granting a variance upon application of an employer, employee, or the director on his or her own motion, after notice has been given in the manner prescribed for the issuance of such order may modify or revoke the order granting the variance from any standard promulgated under the authority of this chapter.

Sec. 12010. RCW 49.17.100 and 1986 c 192 s 1 are each amended to read as follows:

A representative of the employer and an employee representative authorized by the employees of such employer shall be given an opportunity to accompany the director, or his or her authorized representative, during the physical inspection of any workplace for the purpose of aiding such inspection. Where there is no authorized employee representative, the director or his or her authorized representative shall consult with a reasonable number of employees concerning matters of health and safety in the workplace. The director may adopt procedural rules and regulations to implement the provisions of this section: PROVIDED, That neither this section, nor any other provision of this chapter, shall be construed to interfere with, impede, or in any way diminish the right of employees to bargain collectively with their employers through representatives of their own choosing concerning wages or standards or conditions of employment which equal or exceed those established under the authority of this chapter.

Sec. 12011. RCW 49.17.110 and 1973 c 80 s 11 are each amended to read as follows:

Each employee shall comply with the provisions of this chapter and all rules, regulations, and orders issued pursuant to the authority of this chapter which are applicable to his or her own actions and conduct in the course of his or her employment. Any employee or representative of employees who in good faith believes that a violation of a safety or health standard, promulgated by rule under the authority of this chapter exists that threatens physical harm to employees, or that an imminent danger to such employees exists, may request an inspection of the workplace by giving notice to the director or his or her authorized representative of such violation or danger. Any such notice shall be reduced to writing, shall set forth with reasonable particularity the grounds for the notice, and shall be signed by the employee or representative of employees. A copy of the notice shall be provided the employer or his or her agent no later
than at the time of inspection, except that, upon the request of the person giving such notice, his or her name and the names of individual employees referred to therein shall not appear in such copy or on any record published, released, or made available pursuant to any provision of this chapter. If upon receipt of such notification the director determines that there are reasonable grounds to believe that such violation or danger exists, he or she shall make a special inspection as soon as practicable, to determine if such violation or danger exists. If the director determines there are no reasonable grounds to believe that a violation or danger exists, he or she shall notify the employer and the employee or representative of the employees in writing of such determination.

Prior to or during any inspection of a work place, any employee or representative of employees employed in such work place may notify the director or any representative of the director responsible for conducting the inspection, in writing, of any violation of this chapter which he or she has reason to believe exists in such work place. The director shall, by rule, establish procedures for informal review of any refusal by a representative of the director to issue a citation with respect to any such alleged violation, and shall furnish the employee or representative of employees requesting such review a written statement of the reasons for the director's final disposition of the case.

Sec. 12012. RCW 49.17.130 and 1973 c 80 s 13 are each amended to read as follows:

(1) If upon inspection or investigation, the director, or his or her authorized representative, believes that an employer has violated a requirement of RCW 49.17.060, or any safety or health standard promulgated by rules of the department, or any conditions of an order granting a variance, which violation is such that a danger exists from which there is a substantial probability that death or serious physical harm could result to any employee, the director or his or her authorized representative shall issue a citation and may issue an order immediately restraining any such condition, practice, method, process, or means in the work place. Any order issued under this section may require such steps to be taken as may be necessary to avoid, correct, or remove such danger and prohibit the employment or presence of any individual in locations or under conditions where such danger exists, except individuals whose presence is necessary to avoid, correct, or remove such danger or to maintain the capacity of a continuous process operation in order that the resumption of normal operations may be had without a complete cessation of operations, or where a cessation of operations is necessary, to permit such to be accomplished in a safe and orderly manner. In addition, if any machine or equipment, or any part thereof, is in violation of a requirement of RCW 49.17.060 or any safety or health standard promulgated by rules of the department, and the operation of such machine or equipment gives rise to a substantial probability that death or serious physical harm could result to any employee, and an order of immediate restraint of the use of such machine or equipment has been issued under this subsection, the use of such machine or equipment is prohibited, and a notice to that effect shall be attached thereto by the director or his or her authorized representative.

(2) Whenever the director, or his or her authorized representative, concludes that a condition of employment described in subsection (1) of this section exists in any work place, he or she shall promptly inform the affected employees and employers of the danger.
(3) At any time that a citation or a citation and order restraining any condition of employment or practice described in subsection (1) of this section is issued by the director, or his or her authorized representative, he or she may in addition request the attorney general to make an application to the superior court of the county wherein such condition of employment or practice exists for a temporary restraining order or such other relief as appears to be appropriate under the circumstances.

Sec. 12013. RCW 49.17.160 and 1973 c 80 s 16 are each amended to read as follows:

(1) No person shall discharge or in any manner discriminate against any employee because such employee has filed any complaint or instituted or caused to be instituted any proceeding under or related to this chapter, or has testified or is about to testify in any such proceeding or because of the exercise by such employee on behalf of himself or herself or others of any right afforded by this chapter.

(2) Any employee who believes that he or she has been discharged or otherwise discriminated against by any person in violation of this section may, within thirty days after such violation occurs, file a complaint with the director alleging such discrimination. Upon receipt of such complaint, the director shall cause such investigation to be made as he or she deems appropriate. If upon such investigation, the director determines that the provisions of this section have been violated, he or she shall bring an action in the superior court of the county wherein the violation is alleged to have occurred against the person or persons who is alleged to have violated the provisions of this section. If the director determines that the provisions of this section have not been violated, the employee may institute the action on his or her own behalf within thirty days of such determination. In any such action the superior court shall have jurisdiction, for cause shown, to restrain violations of subsection (1) of this section and order all appropriate relief including rehiring or reinstatement of the employee to his or her former position with back pay.

(3) Within ninety days of the receipt of the complaint filed under this section, the director shall notify the complainant of his or her determination under subsection (2) of this section.

Sec. 12014. RCW 49.17.170 and 1973 c 80 s 17 are each amended to read as follows:

(1) In addition to and after having invoked the powers of restraint vested in the director as provided in RCW 49.17.130 the superior courts of the state of Washington shall have jurisdiction upon petition of the director, through the attorney general, to enjoin any condition or practice in any work place from which there is a substantial probability that death or serious physical harm could result to any employee immediately or before the imminence of such danger can be eliminated through the enforcement procedures otherwise provided by this chapter. Any order issued under this section may require such steps to be taken as may be necessary to avoid, correct, or remove such danger and prohibit the employment or presence of any individual in locations or under conditions where such danger exists, except individuals whose presence is necessary to avoid, correct, or remove such danger or to maintain the capacity of a continuous process operation to resume normal operation without a complete cessation of
operations, or where a cessation of operations is necessary, to permit such to be accomplished in a safe and orderly manner.

(2) Upon the filing of any such petition the superior courts of the state of Washington shall have jurisdiction to grant such injunctive relief or temporary restraining order pending the outcome of enforcement proceedings pursuant to this chapter, except that no temporary restraining order issued without notice shall be effective for a period longer than five working days.

(3) Whenever and as soon as any authorized representative of the director concludes that a condition or practice described in subsection (1) exists in any work place, he or she shall inform the affected employees and employers of the danger and may recommend to the director that relief be sought under this section.

(4) If the director arbitrarily or capriciously fails to invoke his or her restraining authority under RCW 49.17.130 or fails to seek relief under this section, any employee who may be injured by reason of such failure, or the representative of such employees, may bring an action against the director in the superior court for the county in which the danger is alleged to exist for a writ of mandamus to compel the director to seek such an order and for such further relief as may be appropriate or seek the director to exercise his or her restraining authority under RCW 49.17.130.

Sec. 12015. RCW 49.17.180 and 1995 c 403 s 629 are each amended to read as follows:

(1) Except as provided in RCW 43.05.090, any employer who willfully or repeatedly violates the requirements of RCW 49.17.060, of any safety or health standard promulgated under the authority of this chapter, of any existing rule or regulation governing the conditions of employment promulgated by the department, or of any order issued granting a variance under RCW 49.17.080 or 49.17.090 may be assessed a civil penalty not to exceed seventy thousand dollars for each violation. A minimum penalty of five thousand dollars shall be assessed for a willful violation.

(2) Any employer who has received a citation for a serious violation of the requirements of RCW 49.17.060, of any safety or health standard promulgated under the authority of this chapter, of any existing rule or regulation governing the conditions of employment promulgated by the department, or of any order issued granting a variance under RCW 49.17.080 or 49.17.090 as determined in accordance with subsection (6) of this section, shall be assessed a civil penalty not to exceed seven thousand dollars for each such violation.

(3) Any employer who has received a citation for a violation of the requirements of RCW 49.17.060, of any safety or health standard promulgated under this chapter, of any existing rule or regulation governing the conditions of employment promulgated by the department, or of any order issued granting a variance under RCW 49.17.080 or 49.17.090, where such violation is specifically determined not to be of a serious nature as provided in subsection (6) of this section, may be assessed a civil penalty not to exceed seven thousand dollars for each such violation, unless such violation is determined to be de minimis.

(4) Any employer who fails to correct a violation for which a citation has been issued under RCW 49.17.120 or 49.17.130 within the period permitted for its correction, which period shall not begin to run until the date of the final order
of the board of industrial insurance appeals in the case of any review proceedings under this chapter initiated by the employer in good faith and not solely for delay or avoidance of penalties, may be assessed a civil penalty of not more than seven thousand dollars for each day during which such failure or violation continues.

(5) Any employer who violates any of the posting requirements of this chapter, or any of the posting requirements of rules promulgated by the department pursuant to this chapter related to employee or employee representative's rights to notice, including but not limited to those employee rights to notice set forth in RCW 49.17.080, 49.17.090, 49.17.120, 49.17.130, 49.17.220(1), and 49.17.240(2), shall be assessed a penalty not to exceed seven thousand dollars for each such violation. Any employer who violates any of the posting requirements for the posting of informational, educational, or training materials under the authority of RCW 49.17.050(7), may be assessed a penalty not to exceed seven thousand dollars for each such violation.

(6) For the purposes of this section, a serious violation shall be deemed to exist in a work place if there is a substantial probability that death or serious physical harm could result from a condition which exists, or from one or more practices, means, methods, operations, or processes which have been adopted or are in use in such work place, unless the employer did not, and could not with the exercise of reasonable diligence, know of the presence of the violation.

(7) The director, or his or her authorized representatives, shall have authority to assess all civil penalties provided in this section, giving due consideration to the appropriateness of the penalty with respect to the number of affected employees of the employer being charged, the gravity of the violation, the size of the employer's business, the good faith of the employer, and the history of previous violations.

(8) Civil penalties imposed under this chapter shall be paid to the director for deposit in the supplemental pension fund established by RCW 51.44.033. Civil penalties may be recovered in a civil action in the name of the department brought in the superior court of the county where the violation is alleged to have occurred, or the department may utilize the procedures for collection of civil penalties as set forth in RCW 51.48.120 through 51.48.150.

Sec. 12016. RCW 49.17.190 and 1986 c 20 s 3 are each amended to read as follows:

(1) Any person who gives advance notice of any inspection to be conducted under the authority of this chapter, without the consent of the director or his or her authorized representative, shall, upon conviction be guilty of a gross misdemeanor and be punished by a fine of not more than one thousand dollars or by imprisonment for not more than six months, or by both.

(2) Whoever knowingly makes any false statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained pursuant to this chapter shall, upon conviction be guilty of a gross misdemeanor and be punished by a fine of not more than ten thousand dollars, or by imprisonment for not more than six months or by both.

(3) Any employer who willfully and knowingly violates the requirements of RCW 49.17.060, any safety or health standard promulgated under this chapter, any existing rule or regulation governing the safety or health conditions of employment and adopted by the director, or any order issued granting a variance
under RCW 49.17.080 or 49.17.090 and that violation caused death to any employee shall, upon conviction be guilty of a gross misdemeanor and be punished by a fine of not more than one hundred thousand dollars or by imprisonment for not more than six months or by both; except, that if the conviction is for a violation committed after a first conviction of such person, punishment shall be a fine of not more than two hundred thousand dollars or by imprisonment for not more than one year, or by both.

(4) Any employer who has been issued an order immediately restraining a condition, practice, method, process, or means in the work place, pursuant to RCW 49.17.130 or 49.17.170, and who nevertheless continues such condition, practice, method, process, or means, or who continues to use a machine or equipment or part thereof to which a notice prohibiting such use has been attached, shall be guilty of a gross misdemeanor, and upon conviction shall be punished by a fine of not more than ten thousand dollars or by imprisonment for not more than six months, or by both.

(5) Any employer who shall knowingly remove, displace, damage, or destroy, or cause to be removed, displaced, damaged, or destroyed any safety device or safeguard required to be present and maintained by any safety or health standard, rule, or order promulgated pursuant to this chapter, or pursuant to the authority vested in the director under RCW 43.22.050 shall, upon conviction, be guilty of a misdemeanor and be punished by a fine of not more than one thousand dollars or by imprisonment for not more than ninety days, or by both.

(6) Whenever the director has reasonable cause to believe that any provision of this section defining a crime has been violated by an employer, the director shall cause a record of such alleged violation to be prepared, a copy of which shall be referred to the prosecuting attorney of the county wherein such alleged violation occurred, and the prosecuting attorney of such county shall in writing advise the director of the disposition he or she shall make of the alleged violation.

Sec. 12017. RCW 49.17.200 and 1973 c 80 s 20 are each amended to read as follows:

All information reported to or otherwise obtained by the director, or his or her authorized representative, in connection with any inspection or proceeding under the authority of this chapter, which contains or which might reveal a trade secret shall be considered confidential, except that such information may be disclosed to other officers or employees concerned with carrying out this chapter, or when relevant in any proceeding under this chapter. In any such proceeding the director, the board of industrial insurance appeals, or the court shall issue such orders as may be appropriate to protect the confidentiality of trade secrets.

Sec. 12018. RCW 49.17.220 and 1973 c 80 s 22 are each amended to read as follows:

(1) Each employer shall make, keep, and preserve, and make available to the director such records regarding his or her activities relating to this chapter as the director may prescribe by regulation as necessary or appropriate for the enforcement of this chapter or for developing information regarding the causes and prevention of occupational accidents and illnesses. In order to carry out the
provisions of this section such regulations may include provisions requiring employers to conduct periodic inspections. The director shall also issue regulations requiring that employers, through posting of notices or other appropriate means, keep their employees informed of their protections and obligations under this chapter, including the provisions of applicable safety and health standards.

(2) The director shall prescribe regulations requiring employers to maintain accurate records, and to make periodic reports of work-related deaths, and of injuries and illnesses other than minor injuries requiring only first aid treatment and which do not involve medical treatment, loss of consciousness, restriction of work or motion, or transfer to another job.

(3) The director shall issue regulations requiring employers to maintain accurate records of employee exposures to potentially toxic materials or harmful physical agents which are required to be monitored or measured. Such regulations shall provide employees or their representatives with an opportunity to observe such monitoring or measuring, and to have access to the records thereof. Such regulations shall also make appropriate provisions for each employee or former employee to have access to such records as will indicate his or her own exposure to toxic materials or harmful physical agents. Each employer shall promptly notify any employee who has been or is being exposed to toxic materials or harmful physical agents in concentrations or at levels which exceed those prescribed by any applicable safety and health standard promulgated under this chapter and shall inform any employee who is being thus exposed of the corrective action being taken.

Sec. 12019. RCW 49.17.240 and 1973 c 80 s 24 are each amended to read as follows:

(1) The director in the promulgation of rules under the authority of this chapter shall establish safety and health standards for conditions of employment of general and/or specific applicability for all industries, businesses, occupations, crafts, trades, and employments subject to the provisions of this chapter, or those that are a national or accepted federal standard. In adopting safety and health standards for conditions of employment, the director shall solicit and give due regard to all recommendations by any employer, employee, or labor representative of employees.

(2) Any safety and health standard adopted by rule of the director shall, where appropriate, prescribe the use of labels or other forms of warning to insure that employees are apprised of all hazards to which they may be exposed, relevant symptoms, and appropriate emergency treatment, and proper conditions and precautions of safe use or exposure. Where appropriate, such rules shall so prescribe suitable protective equipment and control or technological procedures to be used in connection with such hazards and shall provide for monitoring or measuring employee exposure at such locations and intervals, and in such manner as may be reasonably necessary for the protection of employees. In addition, where appropriate, any such rule shall prescribe the type and frequency of medical examinations or other tests which shall be made available, by the employer or at his or her cost, to employees exposed to such hazards in order to most effectively determine whether the health of such employees is adversely affected by such exposure. In the event that such medical examinations are in the nature of research, as determined by the director, such examinations may be
furnished at the expense of the department. The results of such examinations or
tests shall be furnished only to the director, other appropriate agencies of
government, and at the request of the employee to his or her physician.

(3) Whenever the director adopts by rule any safety and health standard he
or she may at the same time provide by rule the effective date of such standard
which shall not be less than thirty days, excepting emergency rules, but may be
made effective at such time in excess of thirty days from the date of adoption as
specified in any rule adopting a safety and health standard. Any rule not made
effective thirty days after adoption, having a delayed effectiveness in excess of thirty
days, may only be made upon a finding made by the director that such
delayed effectiveness of the rule is reasonably necessary to afford the affected
employers a reasonable opportunity to make changes in methods, means, or
practices to meet the requirements of the adopted rule. Temporary orders
granting a variance may be utilized by the director in lieu of the delayed
effectiveness in the adoption of any rule.

Sec. 12020. RCW 49.17.260 and 1973 c 80 s 26 are each amended to read
as follows:

In furtherance of the objects and purposes of this chapter, the director shall
develop and maintain an effective program of collection, compilation, and
analysis of industrial safety and health statistics. The director, or his or her
authorized representative, shall investigate and analyze industrial catastrophes,
serious injuries, and fatalities occurring in any workplace subject to this chapter,
in an effort to ascertain whether such injury or fatality occurred as the result of a
violation of this chapter, or any safety and health standard, rule, or order
promulgated pursuant to this chapter, or if not, whether a safety and health
standard or rule should be promulgated for application to such circumstances.
The director shall adopt rules relating to the conducting and reporting of such
investigations. Such investigative report shall be deemed confidential and only
available upon order of the superior court after notice to the director and an
opportunity for hearing: PROVIDED, That such investigative reports shall be
made available without the necessity of obtaining a court order, to employees of
governmental agencies in the performance of their official duties, to the injured
((workman)) worker or his or her legal representative or his or her labor
organization representative, or to the legal representative or labor organization
representative of a deceased ((workman)) worker who was the subject of an
investigation, or to the employer of the injured or deceased ((workman)) worker
or any other employer or person whose actions or business operation is the
subject of the report of investigation, or any attorney representing a party in any
pending legal action in which an investigative report constitutes relevant and
material evidence in such legal action.

Sec. 12021. RCW 49.24.020 and 1937 c 131 s 2 are each amended to read
as follows:

Every employer of persons for work in compressed air shall:

(1) Connect at least two air pipes with the working chamber and keep such
pipes in perfect working condition;

(2) Attach to the working chamber in accessible positions all instruments
necessary to show its pressure and keep such instruments in charge of competent
persons, with a period of duty for each such person not exceeding six hours in
any twenty-four;

(3) Place in each shaft a safe ladder extending its entire length;

(4) Light properly and keep clear such passageway;

(5) Provide independent lighting systems for the working chamber and shaft

Paragraph three of this section shall not be construed to affect the right of any employer or former employer to sue upon or collect any debt owed to said employer or former employer by his or her employees or former employees.

Sec. 12048. RCW 49.48.030 and 1971 ex.s. c 55 s 3 are each amended to read as follows:

In any action in which any person is successful in recovering judgment for wages or salary owed to him or her, reasonable attorney's fees, in an amount to be determined by the court, shall be assessed against said employer or former employer: PROVIDED, HOWEVER, That this section shall not apply if the amount of recovery is less than or equal to the amount admitted by the employer to be owing for said wages or salary.

Sec. 12049. RCW 49.48.050 and 1935 c 96 s 2 are each amended to read as follows:

Nothing herein contained shall be construed to limit the authority of the prosecuting attorney of any county to prosecute actions, both civil and criminal, for such violations of RCW 49.48.040 through 49.48.080 as may come to his or her knowledge, or to enforce the provisions hereof independently and without specific direction of the director of labor and industries.

Sec. 12050. RCW 49.48.060 and 1971 ex.s. c 55 s 4 are each amended to read as follows:

(1) If upon investigation by the director, after taking assignments of any wage claim under RCW 49.48.040, it appears to the director that the employer is representing to his or her employees that he or she is able to pay wages for their services and that the employees are not being paid for their services, the director may require the employer to give a bond in such sum as the director deems reasonable and adequate in the circumstances, with sufficient surety, conditioned that the employer will for a definite future period not exceeding six months conduct his or her business and pay his or her employees in accordance with the laws of the state of Washington.

(2) If within ten days after demand for such bond the employer fails to provide the same, the director may commence a suit against the employer in the superior court of appropriate jurisdiction to compel him or her to furnish such bond or cease doing business until he or she has done so. The employer shall have the burden of proving the amount thereof to be excessive.

(3) If the court finds that there is just cause for requiring such bond and that the same is reasonable, necessary, or appropriate to secure the prompt payment of the wages of the employees of such employer and his or her compliance with RCW 49.48.010 through 49.48.080, the court shall enjoin such employer from doing business in this state until the requirement is met, or shall make other, and may make further, orders appropriate to compel compliance with the requirement.

Upon being informed of a wage claim against an employer or former employer, the director shall, if such claim appears to be just, immediately notify
the employer or former employer, of such claim by mail. If the employer or former employer fails to pay the claim or make satisfactory explanation to the director of his or her failure to do so, within thirty days thereafter, the employer or former employer shall be liable to a penalty of ten percent of that portion of the claim found to be justly due. The director shall have a cause of action against the employer or former employer for the recovery of such penalty, and the same may be included in any subsequent action by the director on said wage claim, or may be exercised separately after adjustment of such wage claim without court action.

Sec. 12051. RCW 49.48.090 and 1909 c 32 s 1 are each amended to read as follows:

If any or all the claims so presented and claiming preference under this chapter, are disputed by either the debtor or a creditor, the person presenting the same must commence an action within ten days from the recovery thereof, and must prosecute his or her action with due diligence, or be forever barred from any claim of priority of payment thereof; and the officer shall retain possession of so much of the proceeds of the sale as may be necessary to satisfy such claim, until the determination of such action; and in case judgment be had for the claim or any part thereof, carrying costs, the costs taxable therein shall likewise be a preferred claim with the same rank as the original claim.
Sec. 12061. RCW 49.64.030 and 1953 c 45 s 1 are each amended to read as follows:

Notwithstanding the provisions of RCW 26.16.030, whenever payment or refund is made to an employee, former employee, or his or her beneficiary or estate pursuant to and in full compliance with a written retirement, death, or other employee benefit plan or savings plan, such payment or refund shall fully discharge the employer and any trustee or insurance company making such payment or refund from all adverse claims thereto unless, before such payment or refund is made, the employer or former employer, where the payment is made by the employer or former employer, has received at its principal place of business within this state, written notice by or on behalf of some other person that such other person claims to be entitled to such payment or refund or some part thereof, or where a trustee or insurance company is making the payment, such notice has been received by the trustee or insurance company at its home office or its principal place of business within this state, and if none, such notice may be made on the secretary of state: PROVIDED, HOWEVER, That nothing contained in this section shall affect any claim or right to any such payment or refund or part thereof as between all persons other than employer and the trustee or insurance company making such payment or refund.

Sec. 12062. RCW 49.66.030 and 1973 2nd ex.s. c 3 s 3 are each amended to read as follows:

An employee association shall be deemed the properly designated representative of a bargaining unit when it can show evidence that bargaining rights have been assigned to it by a majority of the employees in the bargaining unit. Should questions arise concerning the representative status of any employee organization claiming to represent a bargaining unit of employees, upon petition by such an organization, it shall be the duty of the director, acting by himself or herself or through a designee to investigate and determine the composition of the organization. Any organization found authorized by not less than thirty percent of the employees of a bargaining unit shall be eligible to apply for an election to determine its rights to represent the unit. If more than one organization shall claim to represent any unit, the director, or his or her designee, may conduct an election by secret ballot to determine which organization shall be authorized to represent the unit. In order to be certified as a bargaining representative, an employee organization must receive, in a secret ballot election, votes from a majority of the employees who vote in the election, except that nothing in this section shall prohibit the voluntary recognition of a labor organization as a bargaining representative by an employer upon a showing of reasonable proof of majority. In any election held pursuant to this section, there shall be a choice on the ballot for employees to designate that they do not wish to be represented by any bargaining representative. No representation election shall be directed in any bargaining unit or any subdivision thereof within which, in the preceding twelve-month period, a valid election has been held. Thirty percent of the employees of an employer may file a petition for a secret ballot election to ascertain whether the employee organization which has been certified or is currently recognized by their employer as their bargaining representative is no longer their bargaining representative.
No employee organization shall be certified as the representative of employees in a bargaining unit of guards, if such organization admits to membership, or is affiliated directly or indirectly with an organization which admits to membership, employees other than guards. The determination shall be based upon a plurality of votes cast in such election, and shall remain in effect for a period of not less than one year. In determining appropriate bargaining units, the director shall limit such units to groups consisting of registered nurses, licensed practical nurses or service personnel. PROVIDED, HOWEVER, That if a majority of each such classification desires inclusion within a single bargaining unit, they may combine into a single unit.

Sec. 12063. RCW 49.66.050 and 1973 2nd ex.s. c 3 s 4 are each amended to read as follows:
It shall be an unfair labor practice and unlawful, for any employee organization or its agent to:
(1) Restrain or coerce (a) employees in the exercise of their right to refrain from self-organization, or (b) an employer in the selection of its representatives for purposes of collective bargaining or the adjustment of grievances;
(2) Cause or attempt to cause an employer to discriminate against an employee in violation of (subsection (3) of) RCW 49.66.040(3) or to discriminate against an employee with respect to whom membership in such organization has been denied or terminated on some ground other than his or her failure to tender the periodic dues and initiation fees uniformly required as a condition of acquiring or retaining membership;
(3) Refuse to meet and bargain in good faith with an employer, provided it is the duly designated representative of the employer's employees for purposes of collective bargaining;
(4) Require of employees covered by a union security agreement the payment, as a condition precedent to becoming a member of such organization, of a fee in an amount which the director finds excessive or discriminatory under all the circumstances. In making such a finding, the director shall consider, among other relevant factors, the practices and customs of labor organizations in the particular industry, and the wages currently paid to the employees affected;
(5) Cause or attempt to cause an employer to pay or deliver or agree to pay or deliver any money or other thing of value, in the nature of an exaction, for services which are not performed or not to be performed;
(6) Enter into any contract or agreement, express or implied, whereby an employer or other person ceases or refrains, or agrees to cease or refrain, from handling, using, selling, transporting, or otherwise dealing in any of the products or services of any other employer or person, or to cease doing business with any other employer or person, and any such contract or agreement shall be unenforceable and void; or
(7) Engage in, or induce or encourage any individual employed by any employer or to engage in, an activity prohibited by RCW 49.66.060.

Sec. 12064. RCW 49.66.060 and 1972 ex.s. c 156 s 6 are each amended to read as follows:
No employee organization, bargaining representative, person, or employee shall authorize, sanction, engage in, or participate in a strike (including but not limited to a concerted work stoppage of any kind, concerted slowdown or
concerted refusal or failure to report for work or perform work) or picketing against an employer under any circumstances, whether arising out of a recognition dispute, bargaining impasse, or otherwise: PROVIDED, That nothing in this section shall prohibit picketing or other publicity for the sole purpose of truthfully advising the public of the existence of a dispute with the employer, unless an effect of such picketing or other publicity is (a) to induce any employee of the employer or any other individual, in the course of his or her employment, not to pick up, deliver, or transfer goods, not to enter the employer's premises, or not to perform services; or (b) to induce such an employee or individual to engage in a strike.

Sec. 12065. RCW 49.66.080 and 1973 2nd ex.s. c 3 s 6 are each amended to read as follows:

The director shall have the power to make such rules and regulations not inconsistent with this chapter, including the establishment of procedures for the hearing and determination of charges alleging unfair labor practices, and for a determination on application by either party when an impasse has arisen, and as he or she shall determine are necessary to effectuate its purpose and to enable him or her to carry out its provisions.

In the event that a health care activity and an employees' bargaining unit shall reach an impasse, the matters in dispute shall be submitted to a board of arbitration composed of three arbitrators for final and binding resolution. The board shall be selected in the following manner: Within ten days, the employer shall appoint one arbitrator and the employees shall appoint one arbitrator. The two arbitrators so selected and named shall within ten days agree upon and select the name of a third arbitrator who shall act as (chairman) chair. If, upon the expiration of the period allowed therefor the arbitrators are unable to agree on the selection of a third arbitrator, such arbitrator shall be appointed at the request of either party in accordance with RCW 7.04A.110, and that person shall act as chair of the arbitration board.

Sec. 12067. RCW 49.66.100 and 1972 ex.s. c 156 s 10 are each amended to read as follows:

The arbitration board, acting through its (chairman) chair, shall call a hearing to be held within ten days after the date of the appointment of the (chairman) chair. The board shall conduct public or private hearings. Reasonable notice of such hearings shall be given to the parties who shall appear and be heard either in person or by counsel or other representative. Hearings shall be informal and the rules of evidence prevailing in judicial proceedings shall not be binding. A recording of the proceedings shall be taken. Any oral or documentary evidence and other data deemed relevant by the board may be received in evidence. The board shall have the power to administer oaths, require the attendance of witnesses, and the production of such books, papers, contracts, agreements, and documents as may be deemed by the board material to a just determination of the issues in dispute and to issue subpoenas. If any person refuses to obey such subpoena or refuses to be sworn to testify, or any witness, party, or attorney is guilty of any contempt while in attendance at any hearing held hereunder, the board may invoke the jurisdiction of any superior
court and such court shall have jurisdiction to issue an appropriate order. A failure to obey such order may be punished by the court as a contempt thereof. The hearing conducted by the arbitrators shall be concluded within twenty days of the time of commencement and, within ten days after conclusion of the hearings, the arbitrator shall make written findings and a written opinion upon the issues presented, a copy of which shall be mailed or otherwise delivered to the employees' negotiating agent or its attorney or other designated representative and to the employer or the employer's attorney or designated representative. The determination of the dispute made by the board shall be final and binding upon both parties.

Sec. 12068. RCW 49.70.170 and 2004 c 276 s 911 are each amended to read as follows:

(1) The worker and community right to know fund is hereby established in the custody of the state treasurer. The department shall deposit all moneys received under this chapter in the fund. Moneys in the fund may be spent only for the purposes of this chapter following legislative appropriation. Disbursements from the fund shall be on authorization of the director or the director's designee. During the 2003-2005 fiscal biennium, moneys in the fund may also be used by the military department for the purpose of assisting the state emergency response commission and coordinating local emergency planning activities. The fund is subject to the allotment procedure provided under chapter 43.88 RCW.

(2) The department shall assess each employer who reported ten thousand four hundred or more worker hours in the prior calendar year an annual fee to provide for the implementation of this chapter. The department shall promulgate rules establishing a fee schedule for all employers who reported ten thousand four hundred or more worker hours in the prior calendar year and are engaged in business operations having a standard industrial classification, as designated in the standard industrial classification manual prepared by the federal office of management and budget, within major group numbers 01 through 08 (agriculture and forestry industries), numbers 10 through 14 (mining industries), numbers 15 through 17 (construction industries), numbers 20 through 39 (manufacturing industries), numbers 41, 42, and 44 through 49 (transportation, communications, electric, gas, and sanitary services), number 75 (automotive repair, services, and garages), number 76 (miscellaneous repair services), number 80 (health services), and number 82 (educational services). The department shall establish the annual fee for each employer who reported ten thousand four hundred or more worker hours in the prior calendar year in industries identified by this section, provided that fees assessed shall not be more than two dollars and fifty cents per full time equivalent employee. The annual fee shall not exceed fifty thousand dollars. The fees shall be collected solely from employers whose industries have been identified by rule under this chapter. The department shall promulgate rules allowing employers who do not have hazardous substances at their workplace to request an exemption from the assessment and shall establish penalties for fraudulent exemption requests. All fees collected by the department pursuant to this section shall be collected in a cost-efficient manner and shall be deposited in the fund.

(3) Records required by this chapter shall at all times be open to the inspection of the director, or his or her designee including, the traveling auditors,
agents, or assistants of the department provided for in RCW 51.16.070 and 51.48.040. The information obtained from employer records under the provisions of this section shall be subject to the same confidentiality requirements as set forth in RCW 51.16.070.

(4) An employer may appeal the assessment of the fee or penalties pursuant to the procedures set forth in Title 51 RCW and accompanying rules except that the employer shall not have the right of appeal to superior court as provided in Title 51 RCW. The employer from whom the fee or penalty is demanded or enforced, may however, within thirty days of the board of industrial insurance appeal's final order, pay the fee or penalty under written protest setting forth all the grounds upon which such fee or penalty is claimed to be unlawful, excessive, or otherwise improper and thereafter bring an action in superior court against the department to recover such fee or penalty or any portion of the fee or penalty which was paid under protest.

(5) Repayment shall be made to the general fund of any moneys appropriated by law in order to implement this chapter.

PART XIII

Sec. 13001. RCW 50.01.010 and 2005 c 133 s 2 are each amended to read as follows:

Whereas, economic insecurity due to unemployment is a serious menace to the health, morals, and welfare of the people of this state; involuntary unemployment is, therefore, a subject of general interest and concern which requires appropriate action by the legislature to prevent its spread and to lighten its burden which now so often falls with crushing force upon the unemployed worker and his or her family. Social security requires protection against this greatest hazard of our economic life. This can be provided only by application of the insurance principle of sharing the risks, and by the systematic accumulation of funds during periods of employment to provide benefits for periods of unemployment, thus maintaining purchasing powers and limiting the serious social consequences of relief assistance. The state of Washington, therefore, exercising herein its police and sovereign power endeavors by this title to remedy any widespread unemployment situation which may occur and to set up safeguards to prevent its recurrence in the years to come. The legislature, therefore, declares that in its considered judgment the public good, and the general welfare of the citizens of this state require the enactment of this measure, under the police powers of the state, for the compulsory setting aside of unemployment reserves to be used for the benefit of persons unemployed through no fault of their own, and that this title shall be liberally construed for the purpose of reducing involuntary unemployment and the suffering caused thereby to the minimum.

Sec. 13002. RCW 50.04.040 and 1945 c 35 s 5 are each amended to read as follows:

"Benefits" means the compensation payable to an individual, as provided in this title, with respect to his or her unemployment.

Sec. 13003. RCW 50.04.230 and 1991 c 246 s 7 are each amended to read as follows:
The term "employment" shall not include service performed by an insurance agent, insurance broker, or insurance solicitor or a real estate broker or a real estate salesperson to the extent he or she is compensated by commission and service performed by an investment company agent or solicitor to the extent he or she is compensated by commission. The term "investment company", as used in this section is to be construed as meaning an investment company as defined in the act of congress entitled "Investment Company Act of 1940."

**Sec. 13004.** RCW 50.04.235 and 1957 c 181 s 1 are each amended to read as follows:

The term "employment" shall not include services as an outside salesperson of merchandise paid solely by way of commission; and such services must have been performed outside of all the places of business of the enterprises for which such services are performed only.

**Sec. 13005.** RCW 50.04.290 and 1945 c 35 s 30 are each amended to read as follows:

"Employment office" means a free public employment office, or branch thereof, operated by this or any other state as a part of a state controlled system of public employment offices, or by a federal agency or any agency of a foreign government charged with the administration of an unemployment compensation program or free public employment offices. All claims for unemployment compensation benefits, registrations for employment, and all job or placement referrals received or made by any of the employment offices as above defined and pursuant to regulation of the commissioner subsequent to December 31, 1941, are hereby declared in all respects to be valid. The commissioner is authorized to make such investigation, secure and transmit such information, make available such services and facilities and exercise such of the other powers provided herein with respect to the administration of this title as he or she deems necessary or appropriate to facilitate the administration of any state or federal unemployment compensation or public employment service law in like manner to accept and utilize information, services, and facilities made available to the state by the agency charged with the administration of any such unemployment compensation or public employment service law. Any such action taken by the commissioner subsequent to December 31, 1941, is hereby declared to be in all respects valid.

**Sec. 13006.** RCW 50.04.320 and 1998 c 162 s 1 are each amended to read as follows:

(1) For the purpose of payment of contributions, "wages" means the remuneration paid by one employer during any calendar year to an individual in its employment under this title or the unemployment compensation law of any other state in the amount specified in RCW 50.24.010. If an employer (hereinafter referred to as a successor employer) during any calendar year acquires substantially all the operating assets of another employer (hereinafter referred to as a predecessor employer) or assets used in a separate unit of a trade or business of a predecessor employer, and immediately after the acquisition employs in the individual's trade or business an individual who immediately before the acquisition was employed in the trade or business of the predecessor employer, then, for the purposes of determining the amount of remuneration paid
by the successor employer to the individual during the calendar year which is subject to contributions, any remuneration paid to the individual by the predecessor employer during that calendar year and before the acquisition shall be considered as having been paid by the successor employer.

(2) For the purpose of payment of benefits, "wages" means the remuneration paid by one or more employers to an individual for employment under this title during his or her base year: PROVIDED, That at the request of a claimant, wages may be calculated on the basis of remuneration payable. The department shall notify each claimant that wages are calculated on the basis of remuneration paid, but at the claimant's request a redetermination may be performed and based on remuneration payable.

(3) For the purpose of payment of benefits and payment of contributions, the term "wages" includes tips which are received after January 1, 1987, while performing services which constitute employment, and which are reported to the employer for federal income tax purposes.

(4)(a) "Remuneration" means all compensation paid for personal services including commissions and bonuses and the cash value of all compensation paid in any medium other than cash. The reasonable cash value of compensation paid in any medium other than cash and the reasonable value of gratuities shall be estimated and determined in accordance with rules prescribed by the commissioner. Remuneration does not include payments to members of a reserve component of the armed forces of the United States, including the organized militia of the state of Washington, for the performance of duty for periods not exceeding seventy-two hours at a time.

(b) Previously accrued compensation, other than severance pay or payments received pursuant to plant closure agreements, when assigned to a specific period of time by virtue of a collective bargaining agreement, individual employment contract, customary trade practice, or request of the individual compensated, shall be considered remuneration for the period to which it is assigned. Assignment clearly occurs when the compensation serves to make the individual eligible for all regular fringe benefits for the period to which the compensation is assigned.

(c) Settlements or other proceeds received by an individual as a result of a negotiated settlement for termination of an individual written employment contract prior to its expiration date shall be considered remuneration. The proceeds shall be deemed assigned in the same intervals and in the same amount for each interval as compensation was allocated under the contract.

(d) Except as provided in (c) of this subsection, the provisions of this subsection (4) pertaining to the assignment of previously accrued compensation shall not apply to individuals subject to RCW 50.44.050.

Sec. 13007. RCW 50.04.330 and 1951 c 265 s 4 are each amended to read as follows:

Prior to January 1, 1951, the term "wages" shall not include the amount of any payment by an employing unit for or on behalf of an individual in its employ under a plan or system established by such employing unit which makes provision for individuals in its employ generally, or for a class or classes of such individuals (including any amount paid by an employing unit for insurance or annuities or into a fund to provide for any payment) on account of retirement, sickness or accident disability, or medical and hospitalization expenses in
connection with sickness or accident disability. After December 31, 1950, the term "wages" shall not include:

1. 1. has not the option to receive instead of provisions for such death benefits, any part of such payment, or, if such death benefit is insured, any part of the premium (or contributions to premiums) paid by his or her employing unit; and

2. has not the right under the provisions of the plan or system or policy of insurance providing for such death benefits to assign such benefits or to receive a cash consideration in lieu of such benefits, either upon his or her withdrawal
from the plan or system providing for such benefits or upon termination of such plan or system or policy of insurance or of his or her services with such employing unit.

Sec. 13010. RCW 50.06.030 and 2002 c 73 s 1 are each amended to read as follows:

(1) In the case of individuals eligible under RCW 50.06.020(1), an application for initial determination made pursuant to this chapter, to be considered timely, must be filed in accordance with RCW 50.20.140 within twenty-six weeks following the week in which the period of temporary total disability commenced. Notice from the department of labor and industries shall satisfy this requirement. The records of the agency supervising the award of compensation shall be conclusive evidence of the fact of temporary disability and the beginning date of such disability.

(2) In the case of individuals eligible under RCW 50.06.020(2), an application for initial determination must be filed in accordance with RCW 50.20.140 within twenty-six weeks following the week in which the period of temporary total physical disability commenced. This filing requirement is satisfied by filing a signed statement from the attending physician stating the date that the disability commenced and stating that the individual was unable to reenter the workforce during the time of the disability. The department may examine any medical information related to the disability. If the claim is appealed, a base year employer may examine the medical information related to the disability and require, at the employer's expense, that the individual obtain the opinion of a second health care provider selected by the employer concerning any information related to the disability.

(3) The employment security department shall process and issue an initial determination of entitlement or nonentitlement as the case may be.

(4) For the purpose of this chapter, a special base year is established for an individual consisting of either the first four of the last five completed calendar quarters or the last four completed calendar quarters immediately prior to the first day of the calendar week in which the individual's temporary total disability commenced, and a special individual benefit year is established consisting of the entire period of disability and a fifty-two consecutive week period commencing with the first day of the calendar week immediately following the week or part thereof with respect to which the individual received his or her final temporary total disability compensation under the applicable industrial insurance or crime victims compensation laws, or the week in which the individual reentered the workforce after an absence under subsection (2) of this section, as applicable,
except that no special benefit year shall have a duration in excess of three hundred twelve calendar weeks: PROVIDED HOWEVER, That such special benefit year will not be established unless the criteria contained in RCW 50.04.030 has been met, except that an individual meeting the eligibility requirements of this chapter and who has an unexpired benefit year established which would overlap the special benefit year provided by this chapter, notwithstanding the provisions in RCW 50.04.030 relating to the establishment of a subsequent benefit year and RCW 50.40.010 relating to waiver of rights, may elect to establish a special benefit year under this chapter: PROVIDED FURTHER, that the unexpired benefit year shall be terminated with the beginning of the special benefit year if the individual elects to establish such special benefit year.

(5) For the purposes of establishing a benefit year, the department shall initially use the first four of the last five completed calendar quarters as the base year. If a benefit year is not established using the first four of the last five calendar quarters as the base year, the department shall use the last four completed calendar quarters as the base year.

Each division shall be responsible to the commissioner for the dispatch of its distinctive functions. Each division shall be a separate administrative unit with respect to personnel, budget, and duties, except insofar as the commissioner may find that such separation is impracticable.

It is hereby further provided that the governor in his or her discretion may delegate any or all of the organization, administration, and functions of the said Washington state employment service division to any federal agency.

Sec. 13013. RCW 50.12.010 and 2008 c 74 s 5 are each amended to read as follows:

Such rules and regulations shall be effective upon publication and in the manner, not inconsistent with the provisions of this title, which the commissioner shall prescribe. The commissioner, in accordance with the provisions of this title, shall determine the organization and methods of
procedure of the divisions referred to in this title, and shall have an official seal which shall be judicially noticed. The commissioner shall submit to the governor a report covering the administration and operation of this title during the preceding fiscal year, July 1st through June 30th, and shall make such recommendations for amendments to this title as he or she deems proper. Such report shall include a balance sheet of the moneys in the fund in which there shall be provided, if possible, a reserve against the liability in future years to pay benefits in excess of the then current contributions, which reserve shall be set up by the commissioner in accordance with accepted actuarial principles on the basis of statistics of employment, business activity, and other relevant factors for the longest possible period. Whenever the commissioner believes that a change in contribution or benefit rates will become necessary to protect the solvency of the fund, he or she shall promptly so inform the governor and legislature and make recommendations with respect thereto.

(2) There is established a unit within the department for the purpose of detection and investigation of fraud under this title. The department will employ supervisory and investigative personnel for the program, who must be qualified by training and experience.

In any action or proceedings brought for the recovery of contributions, interest, or penalties due upon the payroll of an employer, the certificate of the department that an audit has been made of the payroll of such employer pursuant to the direction of the department, or a certificate that a return
has been filed by or for an employer or estimated by reason of lack of a return, shall be prima facie evidence of the amount of such payroll for the period stated in the certificate.

Sec. 13016. RCW 50.12.120 and 1945 c 35 s 51 are each amended to read as follows:

No person shall be excused from attending and testifying or from producing books, papers, correspondence, memoranda, and other records before any duly authorized representative of the commissioner or any appeal tribunal in obedience to the subpoena of such representative of the commissioner or such appeal tribunal, on the ground that the testimony or evidence, documentary or otherwise, required of him or her may tend to incriminate him or her or subject him or her to a penalty or forfeiture; but no individual shall be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter, or thing concerning which he or she is compelled, after having claimed his or her privilege against self-incrimination, to testify or produce evidence, documentary or otherwise, except that such individual so testifying shall not be exempt from prosecution and punishment for perjury committed in so testifying.

All moneys received from the United States of America, or any agency thereof, for said purpose pursuant to section 302 of the social security act, as amended, shall be expended solely for the purposes and in the amounts found necessary by the secretary of labor for the proper and efficient administration of this title. All moneys received from the United States employment service, United States department of labor, for said purpose pursuant to the act of congress approved June 6, 1933, as amended or supplemented by any other act of congress, shall be expended solely for the purposes and in the amounts found necessary by the secretary of labor for the proper and efficient administration of the public employment office system of this state. (b) All money deposited in this fund pursuant to RCW 50.38.065 shall be used only after appropriation and only for the purposes of RCW 50.38.060.

If an eligible individual is available for work for less than a full week, he or she shall be paid his or her weekly benefit amount reduced by one-seventh of such amount for each day that he or she is unavailable for work: PROVIDED, That if he or she is unavailable for work for three days or more of a week, he or she shall be considered unavailable for the entire week.
Each eligible individual who is unemployed in any week shall be paid with respect to such week a benefit in an amount equal to his or her weekly benefit amount less seventy-five percent of that part of the remuneration (if any) payable to him or her with respect to such week which is in excess of five dollars. Such benefit, if not a multiple of one dollar, shall be reduced to the next lower multiple of one dollar.

Sec. 13023. RCW 50.20.150 and 1970 ex.s. c 2 s 7 are each amended to read as follows:

The applicant for initial determination, his or her most recent employing unit as stated by the applicant, and any other interested party which the commissioner by regulation prescribes, shall, if not previously notified within the same continuous period of unemployment, be given notice promptly in writing that an application for initial determination has been filed and such notice shall contain the reasons given by the applicant for his or her last separation from work. If, during his or her benefit year, the applicant becomes unemployed after having accepted subsequent work, and reports for the purpose of reestablishing his or her eligibility for benefits, a similar notice shall be given promptly to his or her then most recent employing unit as stated by him or her, or to any other interested party which the commissioner by regulation prescribes.

Each base year employer shall be promptly notified of the filing of any application for initial determination which may result in a charge to his or her account.

Sec. 13024. RCW 50.20.170 and 1945 c 35 s 85 are each amended to read as follows:

An individual who has received an initial determination finding that he or she is potentially entitled to receive waiting period credit or benefits shall, during the benefit year, be given waiting period credit or be paid benefits in accordance with such initial determination for any week with respect to which the conditions of eligibility for such credit or benefits, as prescribed by this title, are met, unless the individual is denied waiting period credit or benefits under the disqualification provisions of this title.

All benefits shall be paid through employment offices in accordance with such regulations as the commissioner may prescribe.

Sec. 13025. RCW 50.20.180 and 1951 c 215 s 7 are each amended to read as follows:

If waiting period credit or the payment of benefits shall be denied to any claimant for any week or weeks, the claimant and such other interested party as the commissioner by regulation prescribes shall be promptly issued written notice of the denial and the reasons therefor. In any case where the department is notified in accordance with such regulation as the commissioner prescribes or has reason to believe that the claimant's right to waiting period credit or benefits is in issue because of his or her separation from work for any reason other than lack of work, the department shall promptly issue a determination of allowance or denial of waiting period credit or benefits and the reasons therefor to the claimant, his or her most recent employing unit as stated by the claimant, and such other interested party as the commissioner by regulation prescribes. Notice that waiting period credit or benefits are allowed or denied shall suffice for the
particular weeks stated in the notice or until the condition upon which the allowance or denial was based has been changed.

Sec. 13026. RCW 50.22.040 and 1983 1st ex.s. c 23 s 13 are each amended to read as follows:

The weekly extended benefit amount payable to an individual for a week of total unemployment in his or her eligibility period shall be an amount equal to the weekly benefit amount payable to him or her during his or her applicable benefit year. However, for those individuals whose eligibility period for extended benefits commences with weeks beginning after October 1, 1983, the weekly benefit amount, as computed in RCW 50.20.120(2) and payable under this section, if not a multiple of one dollar, shall be reduced to the next lower multiple of one dollar.

Sec. 13027. RCW 50.24.040 and 1987 c 111 s 3 are each amended to read as follows:

If contributions are not paid on the date on which they are due and payable as prescribed by the commissioner, the whole or part thereof remaining unpaid shall bear interest at the rate of one percent per month or fraction thereof from and after such date until payment plus accrued interest is received by him or her. The date as of which payment of contributions, if mailed, is deemed to have been received may be determined by such regulations as the commissioner may prescribe. Interest collected pursuant to this section shall be paid into the administrative contingency fund. Interest shall not accrue on contributions from any estate in the hands of a receiver, executor, administrator, trustee in bankruptcy, common law assignee, or other liquidating officer subsequent to the date when such receiver, executor, administrator, trustee in bankruptcy, common law assignee, or other liquidating officer qualifies as such, but contributions accruing with respect to employment of persons by any receiver, executor, administrator, trustee in bankruptcy, common law assignee, or other liquidating officer shall become due and shall draw interest in the same manner as contributions due from other employers. Where adequate information has been furnished the department and the department has failed to act or has advised the employer of no liability or inability to decide the issue, interest may be waived.

Sec. 13028. RCW 50.24.050 and 1981 c 302 s 39 are each amended to read as follows:

The claim of the employment security department for any contributions, interest, or penalties not paid when due, shall be a lien prior to all other liens or claims and on a parity with prior tax liens against all property and rights to property, whether real or personal, belonging to the employer. In order to avail itself of the lien hereby created, the department shall file with any county auditor where property of the employer is located a statement and claim of lien specifying the amount of delinquent contributions, interest, and penalties claimed by the department. From the time of filing for record, the amount required to be paid shall constitute a lien upon all property and rights to property, whether real or personal, in the county, owned by the employer or acquired by him or her. The lien shall not be valid against any purchaser, holder of a security interest, mechanic's lien, or judgment lien creditor until notice thereof has been filed with the county auditor. This lien shall be separate and apart from, and in addition to, any other lien or claim created by, or provided for in, this title.
When any such notice of lien has been so filed, the commissioner may release the same by filing a certificate of release when it shall appear that the amount of delinquent contributions, interest, and penalties have been paid, or when such assurance of payment shall be made as the commissioner may deem to be adequate. Fees for filing and releasing the lien provided herein may be charged to the employer and may be collected from the employer utilizing the remedies provided in this title for the collection of contributions.

Sec. 13029. RCW 50.24.080 and 1979 ex.s. c 190 s 4 are each amended to read as follows:

If the commissioner shall have reason to believe that an employer is insolvent or if any reason exists why the collection of any contributions accrued will be jeopardized by delaying collection, he or she may make an immediate assessment thereof and may proceed to enforce collection immediately, but interest and penalties shall not begin to accrue upon any contributions until the date when such contributions would normally have become delinquent.

Sec. 13030. RCW 50.24.090 and 1979 ex.s. c 190 s 5 are each amended to read as follows:

If the amount of contributions, interest, or penalties assessed by the commissioner by order and notice of assessment provided in this title is not paid within ten days after the service or mailing of the order and notice of assessment, the commissioner or his or her duly authorized representative may collect the amount stated in said assessment by the distraint, seizure, and sale of the property, goods, chattels, and effects of said delinquent employer. There shall be exempt from distraint and sale under this section such goods and property as are exempt from execution under the laws of this state.

Sec. 13031. RCW 50.24.100 and 1979 ex.s. c 190 s 6 are each amended to read as follows:

The commissioner, upon making a distraint, shall seize the property and shall make an inventory of the property distrained, a copy of which shall be mailed to the owner of such property or personally delivered to him or her and shall specify the time and place when said property shall be sold. A notice specifying the property to be sold and the time and place of sale shall be posted in at least two public places in the county wherein the seizure has been made. The time of sale shall be not less than ten nor more than twenty days from the date of posting of such notices. Said sale may be adjourned from time to time at the discretion of the commissioner, but not for a time to exceed in all sixty days. Said sale shall be conducted by the commissioner or his or her authorized representative who shall proceed to sell such property by parcel or by lot at a public auction, and who may set a minimum price to include the expenses of making a levy and of advertising the sale, and if the amount bid for such property at the sale is not equal to the minimum price so fixed, the commissioner or his or her representative may declare such property to be purchased by the employment security department for such minimum price. In such event the delinquent account shall be credited with the amount for which the property has been sold. Property acquired by the employment security department as herein prescribed may be sold by the commissioner or his or her representative at public or private sale, and the amount realized shall be placed in the unemployment compensation trust fund.
In all cases of sale, as aforesaid, the commissioner shall issue a bill of sale or a deed to the purchaser and said bill of sale or deed shall be prima facie evidence of the right of the commissioner to make such sale and conclusive evidence of the regularity of his or her proceeding in making the sale, and shall transfer to the purchaser all right, title, and interest of the delinquent employer in said property. The proceeds of any such sale, except in those cases wherein the property has been acquired by the employment security department, shall be first applied by the commissioner in satisfaction of the delinquent account, and out of any sum received in excess of the amount of delinquent contributions, interest, and penalties the administration fund shall be reimbursed for the costs of distraint and sale. Any excess which shall thereafter remain in the hands of the commissioner shall be refunded to the delinquent employer. Sums so refundable to a delinquent employer may be subject to seizure or distraint in the hands of the commissioner by any other taxing authority of the state or its political subdivisions.

Sec. 13032. RCW 50.24.115 and 2001 c 146 s 8 are each amended to read as follows:

Whenever any order and notice of assessment or jeopardy assessment shall have become final in accordance with the provisions of this title the commissioner may file with the clerk of any county within the state a warrant in the amount of the notice of assessment plus interest, penalties, and a filing fee under RCW 36.18.012(10). The clerk of the county wherein the warrant is filed shall immediately designate a superior court cause number for such warrant, and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of the employer mentioned in the warrant, the amount of the tax, interest, penalties, and filing fee and the date when such warrant was filed. The aggregate amount of such warrant as docketed shall become a lien upon the title to, and interest in all real and personal property of the employer against whom the warrant is issued, the same as a judgment in a civil case duly docketed in the office of such clerk. Such warrant so docketed shall be sufficient to support the issuance of writs of execution and writs of garnishment in favor of the state in the manner provided by law in the case of civil judgment, wholly or partially unsatisfied. The clerk of the court shall be entitled to a filing fee under RCW 36.18.012(10), which shall be added to the amount of the warrant, and charged by the commissioner to the employer or employing unit. A copy of the warrant shall be mailed to the employer or employing unit by certified mail to his or her last known address within five days of filing with the clerk.

Sec. 13033. RCW 50.24.140 and 1979 ex.s. c 190 s 12 are each amended to read as follows:

Remedies given to the state under this title for the collection of contributions, interest, or penalties shall be cumulative and no action taken by the commissioner or his or her duly authorized representative, the attorney general, or any other officer shall be construed to be an election on the part of the state or any of its officers to pursue any remedy to the exclusion of any other.

Sec. 13034. RCW 50.24.150 and 1979 ex.s. c 190 s 13 are each amended to read as follows:
No later than three years after the date on which any contributions, interest, or penalties have been paid, an employer who has paid such contributions, interest, or penalties may file with the commissioner a petition in writing for an adjustment thereof in connection with subsequent contribution payments or for a refund thereof when such adjustment cannot be made. If the commissioner upon an ex parte consideration shall determine that such contributions, interest, penalties, or portion thereof were erroneously collected, he or she shall allow such employer to make an adjustment thereof without interest in connection with subsequent contribution payments by him or her, or if such adjustment cannot be made, the commissioner shall refund said amount without interest from the unemployment compensation fund: PROVIDED, HOWEVER, That after June 20, 1953, that refunds of interest on delinquent contributions or penalties shall be paid from the administrative contingency fund upon warrants issued by the treasurer under the direction of the commissioner. For like cause and within the same period, adjustment or refund may be made on the commissioner's own initiative. If the commissioner finds that upon ex parte consideration he or she cannot readily determine that such adjustment or refund should be allowed, he or she shall deny such application and notify the employer in writing.

Sec. 13035. RCW 50.29.080 and 1970 ex.s. c 2 s 17 are each amended to read as follows:

The commissioner may redetermine any contribution rate if, within three years of the rate computation date he or she finds that the rate as originally computed was erroneous.

In the event that the redetermined rate is lower than that originally computed the difference between the amount paid and the amount which should have been paid on the employer's taxable payroll for the rate year involved shall be established as a credit against his or her tax liability; however, if the redetermined rate is higher than that originally computed the difference between the amount paid and the amount which should have been paid on the employer's taxable payroll shall be assessed against the employer as contributions owing for the rate year involved.

The redetermination of an employer's contribution rate shall not affect the contribution rates which have been established for any other employer nor shall such redetermination affect any other computation made pursuant to this title.

The employer shall have the same rights to request review and redetermination as he or she had from his or her original rate determination.

Sec. 13036. RCW 50.32.010 and 1981 c 67 s 30 are each amended to read as follows:

The commissioner shall establish one or more impartial appeal tribunals, each of which shall consist of an administrative law judge appointed under chapter 34.12 RCW who shall decide the issues submitted to the tribunal. No administrative law judge may hear or decide any disputed claim in any case in which he or she is an interested party. Wherever the term "appeal tribunal" or "the appeal tribunal" is used in this title the same refers to an appeal tribunal established under the provisions of this section. Notice of any appeal or petition for hearing taken to an appeal tribunal in any proceeding under this title may be filed with such agency as the commissioner may by regulation prescribe.

After having acquired jurisdiction for review, the commissioner shall review the proceedings in question. Prior to rendering his or her decision, the commissioner may order the taking of additional evidence by an appeal tribunal to be made a part of the record in the case. Upon the basis of evidence submitted to the appeal tribunal and such additional evidence as the commissioner may order to be taken, the commissioner shall render his or her decision in writing affirming, modifying, or setting aside the decision of the appeal tribunal. Alternatively, the commissioner may order further proceedings to be held before the appeal tribunal, upon completion of which the appeal tribunal shall issue a decision in writing affirming, modifying, or setting aside its previous decision. The new decision may be appealed under RCW 50.32.070. The commissioner shall mail his or her decision to the interested parties at their last known addresses.

Any individual in any such proceeding before the commissioner or any appeal tribunal may be represented by counsel or other duly authorized agent who shall neither charge nor receive a fee for such services in excess of an amount found reasonable by the officer conducting such proceeding.

In all court proceedings under or pursuant to this title the decision of the commissioner shall be prima facie correct, and the burden of proof shall be upon the party attacking the same.

If the court shall determine that the commissioner has acted within his or her power and has correctly construed the law, the decision of the commissioner shall be confirmed; otherwise, it shall be reversed or modified. In case of a modification or reversal the superior court shall refer the same to the commissioner with an order directing him or her to proceed in accordance with the findings of the court.

Whenever any order and notice of assessment shall have become final in accordance with the provisions of this title, the court shall upon application of the commissioner enter a judgment in the amount provided for in said order and notice of assessment, and said judgment shall have and be given the same effect as if entered pursuant to civil action instituted in said court.

and shall be punished by a fine of not less than twenty dollars nor more than two
hundred and fifty dollars or by imprisonment in the county jail for not more than

or may become due or payable under this title shall be void. Such rights to
benefits shall be exempt from levy, execution, attachment, or any other remedy
whatsoever provided for the collection of debts, except as provided in RCW
50.40.050. Benefits received by any individual, so long as they are not
commingled with other funds of the recipient, shall be exempt from any remedy
whatsoever for collection of all debts except debts incurred for necessaries
furnished such individual or his or her spouse or dependents during the time
when such individual was unemployed. Any waiver of any exemption provided
for in this section shall be void.

Sec. 13042. RCW 50.44.040 and 2007 c 386 s 1 are each amended to read
as follows:

The term "employment" as used in RCW 50.44.010, 50.44.020, and
50.44.030 shall not include service performed:

Sec. 13043. RCW 50.44.060 and 1990 c 245 s 9 are each amended to read as follows:

Benefits paid to employees of "nonprofit organizations" shall be financed in accordance with the provisions of this section. For the purpose of this section and RCW 50.44.070, the term "nonprofit organization" is limited to those organizations described in RCW 50.44.010, and joint accounts composed exclusively of such organizations.

(1) Any nonprofit organization which is, or becomes subject to this title on or after January 1, 1972, shall pay contributions under the provisions of RCW 50.24.010 and chapter 50.29 RCW, unless it elects, in accordance with this subsection, to pay to the commissioner for the unemployment compensation fund an amount equal to the full amount of regular and additional benefits and one-half of the amount of extended benefits paid to individuals for weeks of unemployment that are based upon wages paid or payable during the effective period of such election to the extent that such payments are attributable to service in the employ of such nonprofit organization.

(a) Any nonprofit organization which becomes subject to this title after January 1, 1972, may elect to become liable for payments in lieu of contributions for a period of not less than twelve months beginning with the date on which such subjectivity begins by filing a written notice of its election with the commissioner not later than thirty days immediately following the date of the determination of such subjectivity.

(b) Any nonprofit organization which makes an election in accordance with (paragraph) (a) of this subsection will continue to be liable for payments in lieu of contributions until it files with the commissioner a written notice terminating
its election not later than thirty days prior to the beginning of the taxable year for which such termination shall first be effective.

(c) Any nonprofit organization which has been paying contributions under this title for a period subsequent to January 1, 1972, may change to a reimbursable basis by filing with the commissioner not later than thirty days prior to the beginning of any taxable year a written notice of election to become liable for payments in lieu of contributions. Such election shall not be terminable by the organization for that and the next year.

(d) The commissioner may for good cause extend the period within which a notice of election, or a notice of termination, must be filed and may permit an election to be retroactive but not any earlier than with respect to benefits paid after December 31, 1969.

(e) The commissioner, in accordance with such regulations as the commissioner may prescribe, shall notify each nonprofit organization of any determination which the commissioner may make of its status as an employer and of the effective date of any election which it makes and of any termination of such election. Any nonprofit organization subject to such determination and dissatisfied with such determination may file a request for review and redetermination with the commissioner within thirty days of the mailing of the determination to the organization. Should such request for review and redetermination be denied, the organization may, within ten days of the mailing of such notice of denial, file with the appeal tribunal a petition for hearing which shall be heard in the same manner as a petition for denial of refund. The appellate procedure prescribed by this title for further appeal shall apply to all denials of review and redetermination under this paragraph.

(2) Payments in lieu of contributions shall be made in accordance with the provisions of this section including either (paragraph) (a) or (b) of this subsection.

(a) At the end of each calendar quarter, the commissioner shall bill each nonprofit organization or group of such organizations which has elected to make payments in lieu of contributions for an amount equal to the full amount of regular and additional benefits plus one-half of the amount of extended benefits paid during such quarter that is attributable to service in the employ of such organization.

(b)(i) Each nonprofit organization that has elected payments in lieu of contributions may request permission to make such payments as provided in this paragraph. Such method of payment shall become effective upon approval by the commissioner.

(ii) At the end of each calendar quarter, or at the end of such other period as determined by the commissioner, the commissioner shall bill each nonprofit organization for an amount representing one of the following:

(A) The percentage of its total payroll for the immediately preceding calendar year as the commissioner shall determine. Such determination shall be based each year on the average benefit costs attributable to service in the employ of nonprofit organizations during the preceding calendar year.

(B) For any organization which did not pay wages throughout the four calendar quarters of the preceding calendar year, such percentage of its payroll during such year as the commissioner shall determine.
(iii) At the end of each taxable year, the commissioner may modify the quarterly percentage of payroll thereafter payable by the nonprofit organization in order to minimize excess or insufficient payments.

(iv) At the end of each taxable year, the commissioner shall determine whether the total of payments for such year made by a nonprofit organization is less than, or in excess of, the total amount of regular and additional benefits plus one-half of the amount of extended benefits paid to individuals during such taxable year based on wages attributable to service in the employ of such organization. Each nonprofit organization whose total payments for such year are less than the amount so determined shall be liable for payment of the unpaid balance to the fund in accordance with (paragraph (c)) of this subsection. If the total payments exceed the amount so determined for the taxable year, all of the excess payments will be retained in the fund as part of the payments which may be required for the next taxable year, or a part of the excess may, at the discretion of the commissioner, be refunded from the fund or retained in the fund as part of the payments which may be required for the next taxable year.

(c) Payment of any bill rendered under (paragraph (a) or (b) of this subsection) shall be made not later than thirty days after such bill was mailed to the last known address of the nonprofit organization or was otherwise delivered to it, and if not paid within such thirty days, the reimbursement payments itemized in the bill shall be deemed to be delinquent and the whole or part thereof remaining unpaid shall bear interest and penalties from and after the end of such thirty days at the rate and in the manner set forth in RCW 50.12.220 and 50.24.040.

(d) Payments made by any nonprofit organization under the provisions of this section shall not be deducted or deductible, in whole or in part, from the remuneration of individuals in the employ of the organization. Any deduction in violation of the provisions of this paragraph shall be unlawful.

(3) Each employer that is liable for payments in lieu of contributions shall pay to the commissioner for the fund the total amount of regular and additional benefits plus the amount of one-half of extended benefits paid that are attributable to service in the employ of such employer. If benefits paid to an individual are based on wages paid by more than one employer and one or more of such employers are liable for payments in lieu of contributions, the amount payable to the fund by each employer that is liable for such payments shall be determined in accordance with the provisions of (paragraphs) (a) and (b) of this subsection.

(a) If benefits paid to an individual are based on wages paid by one or more employers that are liable for payments in lieu of contributions and on wages paid by one or more employers who are liable for contributions, the amount of benefits payable by each employer that is liable for payments in lieu of contributions shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base-period wages paid to the individual by each such employer bear to the total base-period wages paid to the individual by all of his or her base-period employers.

(b) If benefits paid to an individual are based on wages paid by two or more employers that are liable for payments in lieu of contributions, the amount of benefits payable by each such employer shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base-period
wages paid to the individual by such employer bear to the total base-period wages paid to the individual by all of his or her base-period employers.

Sec. 13044. RCW 50.44.070 and 1973 c 73 s 11 are each amended to read as follows:

In the discretion of the commissioner, any nonprofit organization that elects to become liable for payments in lieu of contributions shall be required within thirty days after the effective date of its election, to execute and file with the commissioner a surety bond approved by the commissioner or it may elect instead to deposit with the commissioner money or securities. The amount of such bond or deposit shall be determined in accordance with the provisions of this section.

(1) The amount of the bond or deposit required by this subsection shall be an amount deemed by the commissioner to be sufficient to cover any reimbursement payments which may be required from the employer attributable to employment during any year for which the election is in effect but in no event shall such amount be in excess of the amount which said employer would pay for such year if he or she were subject to the contribution provisions of this title. The determination made pursuant to this subsection shall be based on payroll information, employment experience, and such other factors as the commissioner deems pertinent.

(2) Any bond deposited under this section shall be in force for a period of not less than two taxable years and shall be renewed with the approval of the commissioner, at such times as the commissioner may prescribe, but not less frequently than at two-year intervals as long as the organization continues to be liable for payments in lieu of contributions. The commissioner shall require adjustments to be made in a previously filed bond as he or she deems appropriate. If the bond is to be increased, the adjusted bond shall be filed by the organization within thirty days of the date notice of the required adjustment was mailed or otherwise delivered to it. Failure by any organization covered by such bond to pay the full amount of payments in lieu of contributions when due, together with any applicable interest and penalties provided for in this title, shall render the surety liable on said bond to the extent of the bond, as though the surety was such organization.

(3) Any deposit of money or securities in accordance with this section shall be retained by the commissioner in an escrow account until liability under the election is terminated, at which time it shall be returned to the organization, less any deductions as hereinafter provided. The commissioner may deduct from the money deposited under this section by a nonprofit organization or sell the securities it has so deposited to the extent necessary to satisfy any due and unpaid payments in lieu of contributions and any applicable interest and penalties provided for in this act. The commissioner shall require the organization within thirty days following any deduction from a money deposit or sale of deposited securities under the provisions of this subsection to deposit sufficient additional money or securities to make whole the organization's deposit at the prior level. Any cash remaining from the sale of such securities shall be a part of the organization's escrow account. The commissioner may, at any time review the adequacy of the deposit made by any organization. If, as a result of such review, he or she determines that an adjustment is necessary he or she shall require the organization to make an additional deposit.
days of written notice of his or her determination or shall return to it such portion of the deposit as he or she no longer considers necessary, whichever action is appropriate. Disposition of income from securities held in escrow shall be governed by the applicable provisions of the state law.

(4) If any nonprofit organization fails to file a bond or make a deposit, or to file a bond in an increased amount or to increase or make whole the amount of a previously made deposit, as provided under this section, the commissioner may terminate such organization's election to make payments in lieu of contributions and such termination shall continue for not less than the four-consecutive-calendar-quarter period beginning with the quarter in which termination becomes effective: PROVIDED, That the commissioner may extend for good cause the applicable filing, deposit, or adjustment period by not more than thirty days.

Sec. 13045. RCW 50.72.060 and 1994 sp.s. c 3 s 6 are each amended to read as follows:

(1) An application for a grant under this chapter shall be submitted by the applicant in such form and in accordance with the requirements as determined by the commissioner.

(2) The application for a grant under this chapter shall contain at a minimum:

(a) The amount of the grant request and its proposed use;

(g) A description of the special outreach efforts that will be undertaken to recruit eligible young women, including young women with dependent children;

(h) A description of how the proposed program will be coordinated with other federal, state, local, and private resources and programs, including vocational, adult, and bilingual education programs, and job training programs;

(i) Assurances that there will be a sufficient number of adequately trained supervisory personnel in the program who have attained (the) journey level (of journeyman) status or have served an apprenticeship through the Washington state apprenticeship training council;

(j) A description of the applicant's relationship with building contractor groups and trade unions regarding their involvement in training, and the

The member representing the department shall be ((chairman)) chair. This committee shall conduct a continuing study of any aspects of workers' compensation as the committee shall determine require their consideration. The committee shall report its findings to the department or the board of industrial insurance appeals for such action as deemed appropriate. The members of the committee shall be appointed for a term of three years commencing on July 1, 1971 and the terms of the members representing the workers and employers shall be staggered so that the director shall designate one member from each such group initially appointed whose term shall expire on June 30, 1972 and one member from each such group whose term shall expire on June 30, 1973. The members shall serve without compensation, but shall be entitled to travel expenses as provided in RCW 43.03.050 and 43.03.060 as now existing or hereafter amended. The committee may hire such experts, if any, as it shall require to discharge its duties, and may utilize such personnel and facilities of the department and board of industrial insurance appeals as it shall need without charge. All expenses of this committee shall be paid by the department.

Sec. 14002. RCW 51.12.080 and 1973 1st ex.s. c 154 s 92 are each amended to read as follows:

Inasmuch as it has proved impossible in the case of employees of common carriers by railroad, engaged in maintenance and operation of railways doing interstate, foreign, and intrastate commerce, and in maintenance and construction of their equipment, to separate and distinguish the connection of such employees with interstate or foreign commerce from their connection with intrastate commerce, and such employees have, in fact, received no compensation under this title, the provisions of this title shall not apply to work performed by such employees in the maintenance and operation of such railroads or performed in the maintenance or construction of their equipment, or to the employees of such common carriers by railroad engaged therein, but nothing herein shall be construed as excluding from the operation of this title railroad construction work, or the employees engaged thereon: PROVIDED, That
common carriers by railroad engaged in such interstate or foreign commerce and in intrastate commerce shall, in all cases where liability does not exist under the laws of the United States, be liable in damages to any person suffering injury while employed by such carrier, or in case of the death of such employee, to the surviving spouse and child, or children, and if no surviving spouse or child or children, then to the parents, minor sisters, or minor brothers, residents of the United States at the time of such death, and who were dependent upon such deceased for support, to the same extent and subject to the same limitations as the liability now existing, or hereafter created, by the laws of the United States governing recoveries by railroad employees injured while engaged in interstate commerce: PROVIDED FURTHER, That if any interstate common carrier by railroad shall also be engaged in one or more intrastate enterprises or industries (including street railways and power plants) other than its railroad, the foregoing provisions of this section shall not exclude from the operation of the other sections of this title or bring under the foregoing proviso of this section any work of such other enterprise or industry, the payroll of which may be clearly separable and distinguishable from the payroll of the maintenance or operation of such railroad, or of the maintenance or construction of its equipment: PROVIDED FURTHER, That nothing in this section shall be construed as relieving an independent contractor engaged through or by his or her employees in performing work for a common carrier by railroad, from the duty of complying with the terms of this title, nor as depriving any employee of such independent contractor of the benefits of this title.

Sec. 14003. RCW 51.14.040 and 1971 ex.s. c 289 s 29 are each amended to read as follows:

(1) The surety on a bond filed by a self-insurer pursuant to this title may terminate its liability thereon by giving the director written notice stating when, not less than thirty days thereafter, such termination shall be effective.

(2) In case of such termination, the surety shall remain liable, in accordance with the terms of the bond, with respect to future compensation for injuries to employees of the self-insurer occurring prior to the termination of the surety's liability.

(3) If the bond is terminated for any reason other than the employer's terminating his or her status as a self-insurer, the employer shall, prior to the date of termination of the surety's liability, otherwise comply with the requirements of this title.

(4) The liability of a surety on any bond filed pursuant to this section shall be released and extinguished and the bond returned to the employer or surety provided either such liability is secured by another bond filed, or money or securities deposited as required by this title.

Sec. 14004. RCW 51.14.050 and 1971 ex.s. c 289 s 30 are each amended to read as follows:

(1) Any employer may at any time terminate his or her status as a self-insurer by giving the director written notice stating when, not less than thirty days thereafter, such termination shall be effective, provided such termination shall not be effective until the employer either shall have ceased to be an employer or shall have filed with the director for state industrial insurance coverage under this title.
(2) An employer who ceases to be a self-insurer, and who so files with the
director, must maintain money, securities, or surety bonds deemed sufficient in
the director's discretion to cover the entire liability of such employer for injuries
or occupational diseases to his or her employees which occurred during the
period of self-insurance: PROVIDED, That the director may agree for the
medical aid and accident funds to assume the obligation of such claims, in whole
or in part, and shall adjust the employer's premium rate to provide for the
payment of such obligations on behalf of the employer.

Sec. 14005. RCW 51.14.100 and 1971 ex.s. c 289 s 34 are each amended
to read as follows:

shall designate a person or persons on the premises to whom report of injury
shall be made.
(2) Any employer who has failed to open an account with the department or
qualify as a self-insurer shall not post or permit to be posted on or about his or
her place of business or premises any notice of compliance with this title and any
wilful violation of this subsection by any officer or supervisory employee of an
employer shall be a misdemeanor.

Sec. 14006. RCW 51.16.150 and 1986 c 9 s 4 are each amended to read as
follows:
If any employer shall default in any payment to any fund, the sum due may
be collected by action at law in the name of the state as plaintiff, and such right
of action shall be in addition to any other right of action or remedy. If such
default occurs after demand, the director may require from the defaulting
employer a bond to the state for the benefit of any fund, with surety to the
director's satisfaction, in the penalty of double the amount of the estimated
payments which will be required from such employer into the said funds for and
during the ensuing one year, together with any penalty or penalties incurred. In
case of refusal or failure after written demand personally served to furnish such
bond, the state shall be entitled to an injunction restraining the delinquent from
prosecuting an occupation or work until such bond is furnished, and until all
delinquent premiums, penalties, interest, and costs are paid, conditioned for the
prompt and punctual making of all payments into said funds during such periods,
and any sale, transfer, or lease attempted to be made by such delinquent during
the period of any of the defaults herein mentioned, of his or her works, plant, or
lease thereto, shall be invalid until all past delinquencies are made good, and
such bond furnished.

Sec. 14007. RCW 51.16.170 and 1986 c 9 s 5 are each amended to read as
follows:

equipment, and buildings improved, operated, or constructed by any employer, and also upon any products or articles manufactured by such employer.

The lien created by this section shall attach from the date of the commencement of the labor upon such property for which such premiums are due. In order to avail itself of the lien hereby created, the department shall, within four months after the employer has made report of his or her payroll and has defaulted in the payment of his or her premiums thereupon, file with the county auditor of the county within which such property is then situated, a statement in writing describing in general terms the property upon which a lien is claimed and stating the amount of the lien claimed by the department. If any employer fails or refuses to make report of his or her payroll, the lien hereby created shall continue in full force and effect, although the amount thereof is undetermined and the four months' time within which the department shall file its claim of lien shall not begin to run until the actual receipt by the department of such payroll report. From and after the filing of such claim of lien, the department shall be entitled to commence suit to cause such lien to be foreclosed in the manner provided by law for the foreclosure of other liens on real or personal property, and in such suit the certificate of the department stating the date of the actual receipt by the department of such payroll report shall be prima facie evidence of such fact.

Sec. 14008. RCW 51.32.025 and 1987 c 185 s 33 are each amended to read as follows:

Payments to any dependent invalid child over the age of eighteen years shall continue in the amount previously paid on account of such child until he or she shall cease to be dependent. Payments to any child over the age of eighteen years permanently enrolled at a full time course in an accredited school shall continue in the amount previously paid on account of such child until the child reaches an age over that provided for in the definition of "child" in this title or ceases to be permanently enrolled whichever occurs first. Notwithstanding any other provisions of law, any overpayments previously recovered under the provisions of RCW 51.32.220 as now or hereafter amended shall be limited to six months' overpayments. Where greater recovery has already been made, the director, in his or her discretion, may make restitution in those cases where an extraordinary hardship has been created.

In such event all parties shall forthwith be notified in writing of said denial: PROVIDED, That if a petition for review is not denied within said twenty days it shall be deemed to have been granted. If the petition for review is granted, the proposed decision and order, the petition or petitions for review and the record or any part thereof deemed necessary shall be considered by a panel of at least two of the members of the board, on which not more than one industry and one labor member serve. A copy of inspection reports prepared by the district shall be furnished by the district to the appropriate state, county, city, or town that has jurisdiction over the area in which the property is located: PROVIDED, That nothing in this subsection shall be construed to grant code enforcement authority to a district. In exercising the authority conferred by this subsection, the fire protection district and its authorized representatives shall comply with the provisions of RCW ((48.48.060)) 43.44.050;

(8) Perform acts consistent with this title and not otherwise prohibited by law.

The secretary of the district shall keep a record of the proceedings of the board, shall perform other duties as prescribed by the board or by law, and shall take and subscribe an official oath similar to that of the fire commissioners which oath shall be filed in the same office as that of the commissioners.

PART XVI

Sec. 16001. RCW 53.08.091 and 1982 c 75 s 1 are each amended to read as follows:

Except in cases where the full purchase price is paid at the time of the purchase, every sale of real property or personal property under authority of RCW 53.08.090 or 53.25.110 shall be subject to the following terms and conditions:

(1) The purchaser shall enter into a contract with the district in which the purchaser shall covenant that he or she will make the payments of principal and interest when due, and that he or she will pay all taxes and assessments on such property. Upon failure to make payments of principal, interest, assessments, or taxes when due all rights of the purchaser under said contract may, at the election of the district, after notice to said purchaser, be declared to be forfeited. When the rights of the purchaser are declared forfeited, the district shall be released from all obligation to convey land covered by the contract, and in the case of personal property, the district shall have all rights granted to a secured party under chapter 62A.9 RCW;

(2) The district may, as it deems advisable, extend the time for payment of principal and interest due or to become due;

(3) The district shall notify the purchaser in each instance when payment is overdue, and that the purchaser is liable to forfeiture if payment is not made
within thirty days from the time the same became due, unless the time be extended by the district;

(4) Not less than four percent of the total purchase price shall be paid on the date of execution of the contract for sale and not less than four percent shall be paid annually thereafter until the full purchase price has been paid, but any purchaser may make full payment at any time. All unpaid deferred payments shall draw interest at a rate not less than six percent per annum.

Nothing in this section shall be deemed to supersede other provisions of law more specifically governing sales of port district property. It is the purpose of this section to provide additional authority and procedures for sale of port district property no longer needed for port purposes.

Sec. 16002. RCW 53.08.208 and 1975 c 60 s 1 are each amended to read as follows:

Whenever any action, claim, or proceeding is instituted against any person who is or was an officer, employee, or agent of a port district established under this title arising out of the performance or failure of performance of duties for, or employment with any such district, the commission of the district may grant a request by such person that the attorney of the district's choosing be authorized to defend said claim, suit or proceeding, and the costs of defense, attorney's fees, and any obligation for payment arising from such action may be paid from the district's funds: PROVIDED, That costs of defense and/or judgment or settlement against such person shall not be paid in any case where the court has found that such person was not acting in good faith or within the scope of his or her employment with or duties for the district.

Sec. 16003. RCW 53.08.390 and 2001 2nd sp.s. c 22 s 1 are each amended to read as follows:

A countywide port district located in part or in whole within the Grays Harbor pilotage district, as defined by RCW 88.16.050(2), may commence pilotage service with the following powers and subject to the conditions contained in this section.

(1) Persons employed to perform the pilotage service of a port district must be licensed under chapter 88.16 RCW to provide pilotage.

(2) Before establishing pilotage service, a port district shall give at least sixty days' written notice to the chair of the board of pilotage commissioners to provide pilotage.

(3) A port district providing pilotage service under this section requiring additional pilots may petition the board of pilotage commissioners to qualify and license as a pilot a person who has passed the examination and is on the waiting list for the training program for the district. If there are no persons on the waiting list, the board shall solicit applicants and offer the examination.

(4) In addition to the power to employ or contract with pilots, a port district providing pilotage services under this section has such other powers as are reasonably necessary to accomplish the purpose of this section including, but not limited to, providing through ownership or contract pilots launches, dispatcher services, or ancillary tug services required for operations or safety.

(5) A port district providing pilotage services under this section may recommend to the board of pilotage commissioners rules of service, rates, and tariffs governing its pilotage services for consideration and adoption pursuant to
RCW 88.16.035. The rules, rates, and tariffs recommended by the port district must have been approved in open meetings of the port district ten or more days after published notice in a newspaper of general circulation and after mailing a copy of the notice to the (chairman) chair of the board of pilotage commissioners.

(6) A pilot providing pilotage services under this section must comply with all requirements of the pilotage act, chapter 88.16 RCW, and all rules adopted thereunder.

Sec. 16004. RCW 53.12.265 and 1975 1st ex.s. c 187 s 2 are each amended to read as follows:

A commissioner of any port district may waive all or any portion of his or her compensation payable under RCW 53.12.260 as to any month or months during his or her term of office, by a written waiver filed with the secretary of the commission. The waiver, to be effective, must be filed any time after the commissioner's election and prior to the date on which said compensation would otherwise be paid. The waiver shall specify the month or period of months for which it is made.

Sec. 16005. RCW 53.18.030 and 1975 1st ex.s. c 296 s 38 are each amended to read as follows:

In determining which employee organization will represent them, employees shall have maximum freedom in exercising their right of self-organization.

Controversies as to the choice of employee organization within a port shall be submitted to the public employment relations commission. Employee organizations may agree with the port district to independently resolve jurisdictional disputes: PROVIDED, That when no other procedure is available the procedures of RCW 49.08.010 shall be followed in resolving such disputes. In such case the (chairman) chair of the public employment relations commission shall, at the request of any employee organization, arbitrate any dispute between employee organizations and enter a binding award in such dispute.

Sec. 16006. RCW 53.25.020 and 1955 c 73 s 2 are each amended to read as follows:

It is further found and declared that:

(1) The existence of such marginal lands characterized by any or all of such conditions constitutes a serious and growing menace which is condemned as injurious and inimical to the public health, safety, and welfare of the people of the communities in which they exist and of the people of the state.

(2) Such marginal lands present difficulties and handicaps which are beyond remedy and control solely by regulatory processes in the exercise of the police power.

(3) They contribute substantially and increasingly to the problems of, and necessitate excessive and disproportionate expenditures for, crime prevention, correction, prosecution, and punishment, the treatment of juvenile delinquency, the preservation of the public health and safety, and the maintaining of adequate police, fire and accident protection, and other public services and facilities.

(4) This menace is becoming increasingly direct and substantial in its significance and effect.
(5) The benefits which will result from the remediying of such conditions and the redevelopment of such marginal lands will accrue to all the inhabitants and property owners of the communities in which they exist.

(6) Such conditions of marginal lands tend to further obsolescence, deterioration, and disuse because of the lack of incentive to the individual landowner and his or her inability to improve, modernize, or rehabilitate his or her property while the condition of the neighboring properties remains unchanged.

(7) As a consequence the process of deterioration of such marginal lands frequently cannot be halted or corrected except by redeveloping the entire area, or substantial portions of it.

(8) Such conditions of marginal lands are chiefly found in areas subdivided into small parcels, held in divided and widely scattered ownerships, frequently under defective titles, and in many such instances the private assembly of the land areas for redevelopment is so difficult and costly that it is uneconomic and as a practical matter impossible for owners to undertake because of lack of the legal power and excessive costs.

(9) The remedying of such conditions may require the public acquisition at fair prices of adequate areas, the redevelopment of the areas suffering from such conditions under proper supervision, with appropriate planning, and continuing land use.

(10) The development or redevelopment of land, or both, acquired under the authority of this chapter constitute a public use and are governmental functions, and that the sale or leasing of such land after the same has been developed or redeveloped is merely incidental to the accomplishment of the real or fundamental purpose, that is, to remove the condition which caused said property to be marginal property as in this chapter defined.

Sec. 16007. RCW 53.25.150 and 1984 c 195 s 2 are each amended to read as follows:

If the commission chooses to sell the property through competitive bidding under RCW 53.25.140:

(1) Bids may be submitted for the property or any part of it, shall state the use which the bidder intends to make of it, and the commission may require the successful bidder to file additional information as to the intended use, and may require of him or her security as assurance that the property will be used for that purpose;

(2) All sales shall be made to the best bidder, and in determining the best bid, the commission may also consider the nature of the proposed use and the relation thereof to the improvement of the harbor and the business and facilities thereof;

(3) Within thirty days after the last day for submitting bids, the commission shall decide which if any bids it accepts. All sales shall be made upon such terms and conditions as the commission may prescribe.

Sec. 16008. RCW 53.25.160 and 1955 c 73 s 16 are each amended to read as follows:

The purchaser shall, within one year from the date of purchase, devote the property to its intended use, or shall commence work on the improvements thereon to devote it to such use, and if he or she fails to do so, the port
commission may cancel the sale and return the money paid on the purchase price, and title to the property shall revert to the district. This remedy shall be in addition to any other remedy under the terms of the sale. No purchaser shall transfer title to such property within one year from the date of purchase.

Sec. 16009. RCW 53.34.020 and 1959 c 236 s 2 are each amended to read as follows:
The district shall have the power to enter into a contract or contracts for the use of said projects, their approaches and equipment and from time to time to amend such contracts, with persons and with private and public corporations, and by said contracts to give such persons or corporations the right to use said projects, their approaches and equipment for the transmission of power for telephone and telegraph lines, for the transportation of water, gas, petroleum, and other products, for railroad and railway purposes, and for any other purpose to which the same may be adapted: PROVIDED, That no such contract shall be for a period longer than ninety-nine years, and that the projects shall be put to the largest possible number of uses consistent with the purposes for which such projects are constructed.

In making such contract or contracts and providing for payments and rentals thereunder the port district shall determine the value of the separate and different uses to which the projects are to be put and shall apportion the annual rentals and charges as nearly as possible according to the respective values of such uses. No such contract shall be made with any person or corporation unless and until such person or corporation shall bind himself or herself or itself to pay as rental therefor an amount determined by the port district and specified in the contract which shall be a fair and just proportion of the total amount required to pay interest on the bonds provided for in this chapter, plus a just proportion of the amount necessary for their retirement, and plus the cost of maintenance of the projects, their approaches and equipment.

The port district may require any of such contracts to be entered into before beginning the construction of said projects or before the expenditure of funds under the provisions of this chapter if in its judgment it is deemed expedient.

There shall be no monopoly of the use of said projects, and their approaches by any one use, or by any person or corporation, private or public, in respect to the several uses, and the port district may continue to make separate, additional, and supplemental contracts for one or more uses until in the judgment of said port district the capacity of the projects and approaches for any such use has been reached. When such capacity has been reached contracts for the use of said projects shall be given preference in regard to such uses according to the public interest as determined by the port district, and subsequent contracts shall be subject to all existing and prior contracts. The port district shall have the power to prescribe regulations for the use of such facilities by the parties to contracts for such use, or any of them, and to hear and determine all controversies which may arise between such parties, under such rules as the port district may from time to time promulgate; and all contracts shall expressly reserve such power to the port district.

Sec. 16010. RCW 53.34.140 and 1959 c 236 s 14 are each amended to read as follows:
Prior to the issuance and delivery of revenue bonds or notes under the authority of this chapter, such revenue bonds or notes and a certified copy of the resolution, resolutions, or trust agreements authorizing such revenue bonds or notes shall be forwarded by the port commission to the state auditor together with any additional information requested by him or her, and when such revenue bonds or notes have been examined they shall be registered by the auditor in books to be kept by him or her for that purpose, and a certificate of registration shall be endorsed upon each such revenue bond or note and signed by the auditor or a deputy appointed by him or her for that purpose.

Revenue bonds or notes so registered shall then be prima facie valid and binding obligations of the port district in accordance with the terms thereof, notwithstanding any defect or irregularity in the proceedings for the authorization and issuance of such revenue bonds or notes or in the sale, execution or delivery thereof or in the application of the proceeds thereof.

Sec. 16011. RCW 53.36.010 and 1983 c 250 s 1 are each amended to read as follows:

The treasurer of the county in which a port district is located shall be treasurer of the district unless the commission of a port district which has for the last three consecutive years received annual gross operating revenues of one hundred thousand dollars or more, excluding tax revenues and grants for capital purposes, designates by resolution some other person having experience in financial or fiscal matters as treasurer of the port district to act with the same powers and under the same restrictions as provided by law for a county treasurer acting on behalf of a port district: PROVIDED, That any port district which was authorized by the county treasurer to appoint its own treasurer prior to July 24, 1983, may continue to appoint its own treasurer. The commission may, and if the treasurer is not the county treasurer it shall, require a bond, with a surety company authorized to do business in the state of Washington, in an amount and under the terms and conditions which the commission by resolution from time to time finds will protect the district against loss. The premium on such bonds shall be paid by the district. All district funds shall be paid to the treasurer and shall be disbursed by him or her upon warrants signed by a port auditor appointed by the port commission, upon vouchers approved by the commission.

Sec. 16012. RCW 53.36.050 and 1997 c 393 s 10 are each amended to read as follows:

The county treasurer acting as port treasurer shall create a fund to be known as the "Port of . . . . Fund," into which shall be paid all money received by him or her from the collection of taxes in behalf of such port district, and shall also maintain such other special funds as may be created by the port commission into which shall be placed such moneys as the port commission may by its resolution direct. All such port funds shall be deposited with the county depositories under the same restrictions, contracts, and security as is provided by statute for county depositories and all interest collected on such port funds shall belong to such port district and shall be deposited to its credit in the proper port funds: PROVIDED, That any portion of such port moneys determined by the port commission to be in excess of the current needs of the port district may be invested by the county treasurer in accordance with RCW 36.29.020, 36.29.022,
Sec. 16013. RCW 53.36.060 and 1933 c 189 s 16 are each amended to read as follows:

The port commission of any port district may, by resolution, create an incidental expense fund in such amount as the port commission may direct. Such incidental expense fund may be kept and maintained in a bank or banks designated in the resolution creating the fund, and such depository shall be required to give bonds or securities to the port district for the protection of such incidental expense fund, in the full amount of the fund authorized by the said resolution. Vouchers shall be drawn to reimburse said incidental expense fund and such vouchers shall be approved by the port commission. Transient labor, freight, express, cartage, postage, petty supplies, and minor expenses of the port district may be paid from said incidental expense fund and all such disbursements therefrom shall be by check of the port auditor or such other officer as the port commission shall by resolution direct. All expenditures from said incidental expense fund shall be covered by vouchers drawn by the port auditor and approved by the manager or such other officer of the port district as the port commission may by resolution direct. The officer disbursing said fund shall be required to give bond to the port district in the full authorized amount of the said incidental expense fund for the faithful performance of his or her duties in connection with the disbursement of moneys from such fund.

Sec. 16014. RCW 53.46.030 and 1965 c 102 s 4 are each amended to read as follows:

The county canvassing board of election returns shall certify the results of the election to the board of county commissioners; and if at such election a majority of voters voting on the question of consolidation in each port district to be consolidated shall vote in favor of consolidation, the board of county commissioners shall so declare, and the port district resulting from the consolidation shall then be and become a municipal corporation of the state of Washington. The county auditor shall in such event issue a certificate of election to the successful candidate from each port commissioner district. If the proposed district includes area in two or more counties, certificates of election shall be issued by the principal county auditor, and the canvassing board of elections shall be made up of the ((chairmen)) chairs of the board of county commissioners, prosecutors, and the auditors of each county with area within the consolidated port district. Of the successful port commissioner candidates, if three are elected, the one receiving the highest number of votes shall serve until his or her successor is elected and qualified at the third subsequent regular election for port commissioner, and the ones receiving the second and third highest numbers of votes shall serve until their successors are elected and qualified at the second and first subsequent regular elections for port commissioner, respectively. If five or seven commissioners are elected, the two with the greatest number of votes shall serve until their successors are elected and qualified at the third subsequent regular election of port commissioners, the two commissioners receiving the next highest number of votes shall serve until their successors are elected and qualified at the second subsequent regular election of port commissioners; and the remaining commissioner or
commissioners shall serve until their successors are elected and qualified at the next regular election of port commissioners.

Sec. 16015. RCW 53.46.080 and 1965 c 102 s 6 are each amended to read as follows:

If the district includes area from two or more counties, it shall be the duty of the county assessor in each county to certify annually to the auditor of his or her county, who shall forward the same to the principal county auditor, the total assessed valuation of that part of the port district which lies within his or her county. The port commission of such consolidated port district shall certify to the principal county auditor the budget and the levies to be assessed for port purposes: PROVIDED, That the amount of tax to be levied upon taxable property of that part of a port district lying in one county shall be in such ratio to the whole amount levied upon the property lying in the entire consolidated port district as the assessed valuation lying in such county bears to the assessed valuation of the property in the entire consolidated port district.

Thereafter the principal county auditor shall forward a certificate to each county auditor, for the county commissioners thereof, which shall specify the proportion of taxes to be levied for port district purposes.

Sec. 16016. RCW 53.46.090 and 1965 c 102 s 7 are each amended to read as follows:

Upon receipt of the certificate from the principal county auditor as provided in RCW 53.46.080 it shall be the duty of the board of county commissioners of each county to levy on all taxable property of the consolidated port district which lies within the county a tax sufficient to raise the amount necessary to meet the county's proportionate share of the total tax levy. Such taxes shall be levied and collected in the same manner as other taxes are levied and collected. The proceeds shall be forwarded quarterly by the treasurer of each county to the principal county treasurer. The principal county treasurer shall place to the credit of said consolidated port district all funds received from the other county treasurers as well as those amounts he or she shall have collected for the account of the port district. The principal county treasurer shall be the treasurer of the consolidated port district and shall perform all functions required of a treasurer of a port district.

Sec. 16017. RCW 53.47.030 and 1971 ex.s. c 162 s 3 are each amended to read as follows:

(2) Alleged with particularity that the port district sought to be dissolved is inactive within the purview of any of the several particulars set forth in RCW 53.47.020; and

(3) Request that the court find the port district inactive and declare it dissolved upon such terms and conditions as the court may impose and declare.

Sec. 16018. RCW 53.47.040 and 1973 1st ex.s. c 195 s 59 are each amended to read as follows:
The superior court, upon the filing of such petition, shall set such petition for hearing not less than one hundred twenty days and not more than one hundred eighty days after the date of filing said petition. Further, the court shall order the clerk of said court to give notice of the time and place fixed for the hearing by publication of notice in a newspaper of general circulation within such district, such publication to be once each week for three consecutive weeks, the date of first publication to be not less than thirty nor more than seventy days prior to the date fixed for the hearing upon such petition. Said notice shall further provide that all creditors of said district, including holders of revenue or general obligation bonds issued by said district, if any, shall present their claims to the clerk of said court within ninety days from the date of first publication of said notice, and that upon failure to do so all such claims will be forever barred. The clerk shall also mail a copy by ordinary mail of such notice to all creditors of said district, including holders of revenue or general obligation bonds issued by said district, if any, such mailing to be mailed not later than thirty days after the hearing date has been set. No other or further notices shall be required at any stage of the proceedings for dissolution of an inactive port district pursuant to this chapter.

The clerk, ten days prior to the date set for the hearing, shall deliver to the court the following:

(1) A list of the liabilities of the port district in detail with the names and addresses of creditors as then known; and

(2) A list of the assets of the port district in detail as then known.

The court upon hearing the petition shall fix and determine all such claims subject to proof being properly filed as provided in this section; shall fix and determine the financial condition of the district as to its assets and liabilities, and if it finds the port district to be inactive in respect of any standard of inactivity set forth by this chapter, shall order the port district to be dissolved upon the following terms and conditions:

(1) If there be no outstanding debts, or if the debts be less than the existing assets, the court shall appoint the auditor of the county in which the port district is located to be trustee of the port's assets and shall empower such person to wind up and liquidate the affairs of such district in such manner as the court shall provide and to file his or her accounting with the court within ninety days from the date of his or her appointment. Upon the filing of such account, the court shall fix a date for hearing upon the same and upon approval thereof, if such accounting be the final accounting, shall enter its order approving the same and declaring the port district dissolved.

At the request of the trustee the county sheriff may sell, at public auction, all real and personal property of the port district. The county sheriff shall cause a notice of such sale fixing the time and place thereof which shall be at a suitable place, which will be noted in the advertisement for sale. Such notice shall contain a description of the property to be sold and shall be signed by the sheriff or his or her deputy. Such notice shall be published at least once in an official newspaper in said county at least ten days prior to the date fixed for said sale. The sheriff or his or her deputy shall conduct said sale and sell the property described in the notice at public auction to the highest and best bidder for cash, and upon payment of the amount of such bid shall deliver the said property to such bidder. The moneys arising from such sale shall be turned over to the
county auditor acting as trustee: PROVIDED, HOWEVER, That the sheriff shall first deduct the costs and expenses of the sale from the moneys and shall apply such moneys to pay said costs and expenses.

The court order shall provide that the assets remaining in the hands of the trustee shall be transferred to any school district, districts, or portions of districts, lying within the dissolved port district boundaries. The transfer of assets shall be prorated to the districts based on the assessed valuation of said districts.

(2) If the debts exceed the assets of the port district, then the court shall appoint the auditor of the county in which a port district is located to be trustee of the port's assets for the purpose of conserving the same and of paying liability of the port district as funds become available therefor. The trustee shall be empowered to generally manage, wind up, and liquidate the affairs of such district in such manner as the court shall provide and to file his or her accounting with the court within ninety days from the date of his or her appointment and as often thereafter as the court shall provide. The board of county commissioners, acting as pro tempore port district commissioners under the authority of RCW 53.36.020 shall levy an annual tax not exceeding forty-five cents per thousand dollars of assessed value or such lesser amount as may previously have been voted by the taxpayers within said district, together with an amount deemed necessary for payment of the costs and expenses attendant upon the dissolution of said district, upon all the taxable property within said district, the amount of such levy to be determined from time to time by the court. When, as shown by the final accounting of the trustee, all of the indebtedness of the district shall have been satisfied, the cost and expense of the proceeding paid or provided for, and the affairs of the district wound up, the court shall declare the district dissolved: PROVIDED, That if the indebtedness be composed in whole or in part of bonded debt for which a regular program of retirement has been provided, then the board of county commissioners shall be directed by the court to continue to make such annual levies as are required for the purpose of debt service upon said bonded debt.

Sec. 16019. RCW 53.49.020 and 1943 c 282 s 2 are each amended to read as follows:

The superior court of any such county shall enter his or her order authorizing such transfer of funds if he or she is satisfied, after hearing the petition therefor, that the port district is dissolved and disestablished or is about to be dissolved and disestablished and that all obligations of the port district remain unpaid. The court shall equitably divide such sums of money between school districts if there be more than one district involved.

In order that the commissioners of a public utility district may be better able to plan for the marketing of power and for the development of resources pertaining thereto, they shall have the same powers as are vested in a board of county commissioners as provided in chapter 44, Laws of 1935 (sections 9322-2 to 9322-4, both inclusive, and 9322-10 to 9322-11 inclusive, Remington's Revised Statutes, also Pierce's Perpetual Code 776-3 to -7, 776-19 and -21), entitled: "An Act relating to city, town, county and regional planning and the creation, organization, duties and powers of planning commissions." For the purposes of such act, the president of a public utility district shall have the powers of the chair of the board of county commissioners, and a planning commission created hereunder shall have the same powers, enumerated in the above sections, with reference to a public utility district as a county planning commission has with reference to a county. However, this section shall not be construed to grant the power to adopt, regulate, or enforce comprehensive plans, zoning, land use, or building codes.

Sec. 17003. RCW 54.04.140 and 1961 c 139 s 2 are each amended to read as follows:

Any person affected by RCW 54.04.130 who was employed by the private utility at the time of acquisition may, at his or her option, apply to the district and/or appropriate officers, for admission to any plan available to other employees of the district. Every such person who was covered at the time of acquisition by a plan with the private utility shall have added and accredited to his or her period of employment his or her period of immediately preceding continuous service with such private utility if he or she remains in the service of the municipal corporation until such plan for which he or she seeks admission becomes applicable to him or her.

No such person shall have added and accredited to his or her period of employment his or her period of service with said private utility unless he or she or a third party shall pay to the appropriate officer or fund of the plan to which he
or she requests admission his or her contribution for the period of such service with the private utility at the rate provided in or for such plan to which he or she desires admission, or if he or she shall be entitled to any private benefits, as a result of such private service, unless he or she agrees at the time of his or her employment with the district to accept a reduction in the payment of any benefits payable under the plan to which he or she requests entry that are based in whole or in part on such added and accredited service by the amount of benefits received. For the purposes of contributions, the date of entry of service shall be deemed the date of entry into service with the private utility, which service is accredited by this section, and the amount of contributions for the period of accredited service shall be based on the wages or salary of such person during that added and accredited period of service with the private utility.

The district may receive such payments from a third party and shall make from such payments contributions with respect to such prior service as may be necessary to enable it to assume its obligations.

After such contributions have been made and such service added and accredited such employee shall be established in the plan to which he or she seeks admission with all rights, benefits, and privileges that he or she would have been entitled to had he or she been a member of the plan from the beginning of his or her immediately preceding continuous employment with the private utility or of his or her eligibility.

specifying particularly the subject matter in dispute, and may agree that their decision shall be final. The council must hear the proofs, and shall order a deed to be executed or denied in accordance with the facts; but in all other cases of adverse claims, the party out of possession shall commence his or her action in a court of competent jurisdiction within six months after the time of filing of the patent from the United States (or a certified copy thereof), in the office of the county auditor. In case such action be commenced, the plaintiff must serve a notice of lis pendens upon the mayor, who must thereupon stay all proceedings in the matter of granting any deed to the land in dispute until the final decision in such suit; and upon presentation of a certified copy of the final judgment of such court in such action, the council must cause to be executed and delivered a deed of such premises, in accordance with the judgment, adjudging the claimant to have been an occupant of any particular lot or lots at the time of the entry of such townsite in the United States land office, or to be the successor in interest of such occupant. If in any action brought under this chapter, or under said acts of congress, the right to the ground in controversy shall not be established by either party, the court or jury shall so find and judgment shall be entered accordingly. In such case costs shall not be allowed to either party, and neither party shall be entitled to a deed to the ground in controversy, and in such action it shall be incumbent upon each claimant to establish that he, she, or it was an occupant of the ground in controversy within the meaning of the said acts of congress at the time of the entry of said townsite in the United States land office, or is the successor in interest of such occupant.

Sec. 18011. RCW 58.28.220 and 1909 c 231 s 22 are each amended to read as follows:

The judge of the superior court of any county in this state, whenever he or she is so requested by a petition signed by not less than five residents, householders in any such unincorporated town, whose names appear upon the assessment roll for the year preceding such application in the county wherein such unincorporated town is situated—which petition shall set forth the existence, name, and locality of such town, whether such town is situated on surveyed or unsurveyed lands, and if on surveyed lands an accurate description according to the government survey of the legal subdivisions sought to be entered as a government townsite must be stated; the estimated number of its inhabitants; the approximate number of separate lots or parcels of land within such townsite, and the amount of land to which they are entitled under such acts of congress—must estimate the cost of entering such land, and of the survey, platting, and recording of the same, and must endorse such estimate upon such petition, and upon receiving from any of the parties interested the amount of money mentioned in such estimate, the said judge may cause an enumeration of the inhabitants of such town to be made by some competent person, exhibiting therein the names of all persons residing in said proposed townsite and the names of occupants of lots, lands, or premises within such townsite, alphabetically arranged, verified by his or her oath, and cause such enumeration to be presented to such judge.

The plat thereof must be made in triplicate on a scale of not less than eighty feet to an inch, which must be duly certified under oath by the surveyor, one of which must be filed with the county auditor of the county wherein such unincorporated town is situated, one must be deposited in the proper United States land office, and one with such judge. These plats shall constitute public records, and must each be accompanied by a copy of the field notes, and the county auditor must make a record of such plat in a book to be kept by him or her for that purpose, and such county auditor must file such copy of said field notes in his or her office. The said surveyor must number and survey the blocks as divided by the roads, and streets opened and generally used and for which a public necessity exists, at the time of making such survey, and must number the several lots consecutively in each block, and all other parcels of land within said unincorporated town as herein provided, which said numbers must be a sufficient description of any parcel of land represented on said plats. Said survey and plat thereof shall conform as nearly as may be to the existing rights, interest, and claims of the occupants thereof, but no lot in the center or business portion of said unincorporated town shall exceed in area four thousand two hundred feet, and no suburban lot in such unincorporated town shall exceed two acres in area.

If an iron monument is used it must be at least two inches in diameter by two and one-half feet in length, and may be either solid iron or pipe. The dimensions of the monuments must be marked on the plat, and reference thereto made in the field notes, and establish permanently the lines of all the streets. The surveyor must make and subscribe on the plat a certificate that such survey was made in accordance with the provisions of this chapter, stating the date of survey, and verify the same by his or her oath.

Sec. 18014. RCW 58.28.290 and 1909 c 231 s 29 are each amended to read as follows:

Each lot or parcel of said lands having thereon valuable improvements or buildings ordinarily used as dwellings or for business purposes, not exceeding one-tenth of one acre in area, shall be rated and assessed by the said judge at the sum of one dollar; each lot or parcel of such lands exceeding one-tenth, and not exceeding one-eighth of one acre in area, shall be rated and assessed at the sum of one dollar and fifty cents; each lot or parcel of such lands exceeding in area one-eighth of one acre and not exceeding one-quarter of an acre in area, shall be rated and assessed at the sum of two dollars; and each lot or parcel of such lands exceeding one-quarter of an acre and not exceeding one-half

Every person, company, corporation, or association, claimant of any town lot or parcel of land, within the limits of such townsite, must present to such judge within three months after the patent (or a certified copy thereof), from the United States has been filed in the office of the county auditor, his, her, or its affidavit, (or by guardian or next friend where the claimant is under disability), verified in person, or by duly authorized agent or attorney, guardian or next friend, in which must be concisely stated the facts constituting the possession or right of possession of the claimant and that the claimant is entitled to the possession thereof and to a deed therefor as against all other persons or claimants, to the best of his or her knowledge and belief, and in which must be stated who was an occupant of such lot or parcel of land at the time of the entry of such townsite at the United States land office, to which must be attached a copy of so much of the plat of said townsite as will fully exhibit the particular lots or parcels of land so claimed; and every such claimant, at the time of presenting and filing such affidavit with said judge, must pay to such judge such sum of money as said judge shall certify to be due for the assessment mentioned in RCW 58.28.300, together with the further sum of four dollars, to be appropriated to the payment of cost and expenses incurred in carrying out the provisions of this chapter, and the said judge must thereupon give to such claimant a certificate, signed by him or her and attested by the seal of the superior court, containing a description of the lot or parcel of land claimed, and setting forth the amounts paid thereon by such claimant. Such judge must procure a bound book for each unincorporated government townsite in his or her county wherein he or she must make proper entries of the substantial matters contained in such certificate issued by him or her, numbering the same in
consecutive order, setting forth the name of the claimant or claimants in full,

certified copy thereof) from the United States, in the office of the county auditor. 
In case such action be commenced within the time herein limited, the plaintiff 
must serve notice of lis pendens upon such judge, who must thereupon stay all 
proceedings in the matter of granting or executing any deed to the land in dispute 
until the final decision in such suit; upon presentation of a certified copy of the 
final judgment in such action, such judge must execute and deliver a deed of the 
premises, in accordance with the judgment, adjudging the claimant to have been 
an occupant of any particular lot or lots at the time of the entry of such townsite in 
the United States land office, or to be the successor in interest of such 
occupant.

**Sec. 18018.** RCW 58.28.390 and 1909 c 231 s 39 are each amended to 
read as follows:

land office shall be sold by such judge or under his or her direction, at public

of such sale, or sales, shall be given by posting five written or printed notices in 
public places within said townsite, giving the time and particular place of sale, 
which notices must be posted at least thirty days prior to the date of any such 
sale, and by publishing a like notice for four consecutive weeks prior to any such 
sale in a newspaper published in such town, or if no newspaper be published in 
such town, then in some newspaper having general circulation in such town. 
And deed shall be given therefor to the several purchasers: PROVIDED, That 
no such unoccupied lot shall be sold for less than five dollars in addition to an 
assessment equivalent to assessment provided for in RCW 58.28.300, and all 
moneys arising from such sale or sales after deducting the cost and expenses of 
such sale or sales shall be placed in the fund hereinbefore mentioned.

**Sec. 18019.** RCW 58.28.410 and 1909 c 231 s 41 are each amended to 
read as follows:

Any sum of money remaining in said fund after defraying all necessary 
expenses of location, entry, surveying, platting, advertising, filing and recording, 
reimbursement of moneys loaned or advanced and paying the cost and expenses 
herein authorized and provided for must be deposited in the county treasury by 
such judge to the credit of a special fund of each particular town, and kept 
separate by the county treasurer to be paid out by him only upon the
written order of such judge in payment for making public improvements, or for public purposes, in such town.

**Sec. 18020.** RCW 58.28.460 and 1909 c 231 s 46 are each amended to read as follows:

Every such judge when fulfilling the duties imposed upon him or her by said acts of congress, and by this chapter, shall be deemed and held to be acting as a trustee for the purposes of fulfilling the purposes of said acts and not as a superior court, and such judge shall be deemed to be disqualified to sit as judge of such superior court in any action or proceeding wherein is involved the execution of such trust or rights involved therein.

**Sec. 18023.** RCW 58.28.500 and 1909 c 231 s 51 are each amended to read as follows:

The successors in office of such superior court judge shall be his or her successors as trustee of such trust.

**Sec. 18024.** RCW 58.28.510 and 1909 c 231 s 52 are each amended to read as follows:

The judge of the superior court of any county is hereby declared to be the successor as trustee of any territorial probate judge in such county who was trustee under any such acts of congress, and may as such succeeding trustee perform any unperformed duties of his or her predecessor in office as such trustee, agreeably to the provisions of this chapter as nearly as may be. And when entry was made by any such probate judge under any of said acts of congress and subsequent to such entry, the city or town situated upon such townsite entry has been incorporated according to law, and the corporate authorities thereof have or have attempted to vacate any common, plaza, public square, public park, or the like, in such government townsite, and where thereafter, any person, or corporation, has placed permanent improvements on such land so vacated or attempted to be vacated, exceeding in value the sum of five thousand dollars, with the knowledge, consent, or acquiescence of the corporate authorities of such city or town and with the general consent and approval of the inhabitants of said city or town and such improvements have been made for more than five years and such person or corporation making such improvements has been in the open, notorious, and peaceable possession of such lands and premises for a period of more than five years, such superior court

Sec. 19002. RCW 59.04.050 and Code 1881 s 2057 are each amended to read as follows:
Whenever any person obtains possession of premises without the consent of the owner or other person having the right to give said possession, he or she shall be deemed a tenant by sufferance merely, and shall be liable to pay reasonable rent for the actual time he or she occupied the premises, and shall forthwith on demand surrender his or her said possession to the owner or person who had the right of possession before said entry, and all his or her right to possession of said premises shall terminate immediately upon said demand.

Sec. 19003. RCW 59.08.030 and 1941 c 188 s 3 are each amended to read as follows:
Such proceedings shall be commenced by the filing of a complaint executed under oath by the owner or landlord or his or her authorized agent. It shall be sufficient to state in such complaint a description of the property with reasonable certainty, that the defendant is in possession thereof and wrongfully holds the same by reason of failure to pay the agreed rental due, or the monthly rental value of the premises.

Sec. 19004. RCW 59.08.040 and 1941 c 188 s 4 are each amended to read as follows:
Upon the filing of such complaint it may be presented to the judge, and by order he or she shall forthwith fix a place and time for the trial of said cause, not more than ten days after the date of making the order. A copy of the complaint, together with a copy of the summons specifying the time and place for trial, shall be served on the defendant not less than five days prior to the time fixed for hearing in the manner provided for the service of notice to quit in RCW 59.12.040.

Sec. 19005. RCW 59.08.070 and 1941 c 188 s 7 are each amended to read as follows:

court in double the amount of the rent found to be due, plus two hundred dollars, conditioned for the payment and performance of any judgment rendered against him or her, and the court shall thereupon enter an order for the parties to proceed in the usual form of action, and recall the writ of restitution.

Sec. 19006. RCW 59.12.035 and 1891 c 96 s 4 are each amended to read as follows:

In all cases of tenancy upon agricultural lands, where the tenant has held over and retained possession for more than sixty days after the expiration of his or her term without any demand or notice to quit by his or her landlord or the successor in estate of his or her landlord, if any there be, he or she shall be deemed to be holding by permission of his or her landlord or the successor in estate of his or her landlord, if any there be, and shall be entitled to hold under the terms of the lease for another full year, and shall not be guilty of an unlawful detainer during said year, and such holding over for the period aforesaid shall be taken and construed as a consent on the part of a tenant to hold for another year.

Sec. 19007. RCW 59.12.040 and 1983 c 264 s 2 are each amended to read as follows:

Any notice provided for in this chapter shall be served either (1) by delivering a copy personally to the person entitled thereto; or (2) if he or she be absent from the premises unlawfully held, by leaving there a copy, with some person of suitable age and discretion, and sending a copy through the mail addressed to the person entitled thereto at his or her place of residence; or (3) if the person to be notified be a tenant, or an unlawful holder of premises, and his or her place of residence is not known, or if a person of suitable age and discretion there cannot be found then by affixing a copy of the notice in a conspicuous place on the premises unlawfully held, and also delivering a copy to a person there residing, if such a person can be found, and also sending a copy through the mail addressed to the tenant, or unlawful occupant, at the place where the premises unlawfully held are situated. Service upon a subtenant may be made in the same manner: PROVIDED, That in cases where the tenant or unlawful occupant, shall be conducting a hotel, inn, lodging house, boarding house, or shall be renting rooms while still retaining control of the premises as a whole, that the guests, lodgers, boarders, or persons renting such rooms shall not be considered as subtenants within the meaning of this chapter, but all such persons may be served by affixing a copy of the notice to be served in two conspicuous places upon the premises unlawfully held; and such persons shall not be necessary parties defendant in an action to recover possession of said premises. Service of any notice provided for in this chapter may be had upon a corporation by delivering a copy thereof to any officer, agent, or person having charge of the business of such corporation, at the premises unlawfully held, and in case no such officer, agent, or person can be found upon such premises, then service may be had by affixing a copy of such notice in a conspicuous place upon said premises and by sending a copy through the mail addressed to such corporation at the place where said premises are situated. Proof of any service under this section may be made by the affidavit of the person making the same in like manner and with like effect as the proof of service of summons in civil actions. When a copy of notice is sent through the mail, as provided in this section, service shall be deemed complete when such copy is deposited in the
United States mail in the county in which the property is situated properly addressed with postage prepaid: PROVIDED, HOWEVER, That when service is made by mail one additional day shall be allowed before the commencement of an action based upon such notice. RCW 59.18.375 may also apply to notice given under this chapter.

Sec. 19008. RCW 59.12.060 and 1891 c 96 s 7 are each amended to read as follows:

No person other than the tenant of the premises, and subtenant, if there be one, in the actual occupation of the premises when the complaint is filed, need be made parties defendant in any proceeding under this chapter, nor shall any proceeding abate, nor the plaintiff be nonsuited, for the nonjoinder of any person who might have been made party defendant; but when it appears that any of the parties served with process, or appearing in the proceeding, are guilty of the offense charged, judgment must be rendered against him or her. In case a person has become a subtenant of the premises in controversy after the service of any notice in this chapter provided for, the fact that such notice was not served on such subtenant shall constitute no defense to the action. All persons who enter the premises under the tenant, after the commencement of the action hereunder, shall be bound by the judgment the same as if they had been made parties to the action.

Sec. 19009. RCW 59.12.080 and 1927 c 123 s 2 are each amended to read as follows:

The summons must state the names of the parties to the proceeding, the court in which the same is brought, the nature of the action, in concise terms, and the relief sought, and also the return day; and must notify the defendant to appear and answer within the time designated or that the relief sought will be taken against him or her. The summons must be directed to the defendant, and in case of summons by publication, be served at least five days before the return day designated therein. The writ shall be issued by the clerk of the superior court in which the action is pending, and be returnable in twenty days after its date; but before any writ shall issue prior to judgment the plaintiff shall execute to the defendant and file in court a bond in such sum as the court or judge may order, with sufficient surety to be approved by the clerk, conditioned that the plaintiff will prosecute his or her action without delay, and will pay all costs that may be adjudged to the defendant, and all damages which he or she may sustain by reason of the writ of restitution having been issued, should the same be wrongfully sued out.

Sec. 19011. RCW 59.12.100 and 1927 c 123 s 4 are each amended to read as follows:
The sheriff shall, upon receiving the writ of restitution, forthwith serve a
copy thereof upon the defendant, his or her agent or attorney, or a person in
possession of the premises, and shall not execute the same for three days
thereafter, nor until after the defendant has been served with summons in the
action as hereinafore provided, and the defendant, or person in possession of the
premises within three days after the service of the writ of restitution may execute
to the plaintiff a bond to be filed with and approved by the clerk of the court in
such sum as may be fixed by the judge, with sufficient surety to be approved by
the clerk of said court, conditioned that ((they)) he or she will pay to the plaintiff
such sum as the plaintiff may recover for the use and occupation of the said
premises, or any rent found due, together with all damages the plaintiff may
sustain by reason of the defendant occupying or keeping possession of said
premises, and also all the costs of the action. The plaintiff, his or her
agent or attorneys, shall have notice of the time and place where the court or judge
thereof shall fix the amount of the defendant's bond, and shall have notice and a
reasonable opportunity to examine into the qualification and sufficiency of the
sureties upon said bond before said bond shall be approved by the clerk. The
writ may be served by the sheriff, in the event he or she shall be unable to find
the defendant, an agent or attorney, or a person in possession of the premises, by
affixing a copy of said writ in a conspicuous place upon the premises.

Sec. 19012. RCW 59.12.121 and 1891 c 96 s 14 are each amended to read
as follows:
On or before the day fixed for his or her appearance the defendant may
appear and answer or demur.

Sec. 19013. RCW 59.12.140 and 1891 c 96 s 16 are each amended to read
as follows:
On the trial of any proceeding for any forcible entry or forcible detainer the
plaintiff shall only be required to show, in addition to a forcible entry
complained of, that he or she was peaceably in the actual possession at the time
of the forcible entry; or, in addition to a forcible detainer complained of, that he
or she was entitled to the possession at the time of the forcible detainer.

Sec. 19014. RCW 59.12.170 and 1891 c 96 s 18 are each amended to read
as follows:
If upon the trial the verdict of the jury or, if the case be tried without a jury,
the finding of the court be in favor of the plaintiff and against the defendant,
judgment shall be entered for the restitution of the premises; and if the
proceeding be for unlawful detainer after neglect or failure to perform any
condition or covenant of a lease or agreement under which the property is held,
or after default in the payment of rent, the judgment shall also declare the
forfeiture of the lease, agreement, or tenancy. The jury, or the court, if the
proceedings be tried without a jury, shall also assess the damages occasioned to
the plaintiff by any forcible entry, or by any forcible or unlawful detainer,
alleged in the complaint and proved on the trial, and, if the alleged unlawful
detainer be after default in the payment of rent, find the amount of any rent due,
and the judgment shall be rendered against the defendant guilty of the forcible
entry, forcible detainer, or unlawful detainer for twice the amount of damages
thus assessed and of the rent, if any, found due. When the proceeding is for an
unlawful detainer after default in the payment of rent, and the lease or agreement
under which the rent is payable has not by its terms expired, execution upon the
judgment shall not be issued until the expiration of five days after the entry of
the judgment, within which time the tenant or any subtenant, or any mortgagee
of the term, or other party interested in its continuance, may pay into court for
the landlord the amount of the judgment and costs, and thereupon the judgment
shall be satisfied and the tenant restored to his or her estate; but if payment, as
herein provided, be not made within five days the judgment may be enforced for
its full amount and for the possession of the premises. In all other cases the
judgment may be enforced immediately. If writ of restitution shall have been
executed prior to judgment no further writ or execution for the premises shall be
required.

Sec. 19015. RCW 59.12.190 and 1891 c 96 s 21 are each amended to read
as follows:

The court may relieve a tenant against a forfeiture of a lease and restore him
or her to his or her former estate, as in other cases provided by law, where
application for such relief is made within thirty days after the forfeiture is
declared by the judgment of the court, as provided in this chapter. The
application may be made by a tenant or subtenant, or a mortgagee of the term, or
any person interested in the continuance of the term. It must be made upon
petition, setting forth the facts upon which the relief is sought, and be verified by
the applicant. Notice of the application, with a copy of the petition, must be
served on the plaintiff in the judgment, who may appear and contest the
application. In no case shall the application be granted except on condition that
full payment of rent due, or full performance of conditions of covenants
stipulated, so far as the same is practicable, be first made.

Sec. 19016. RCW 59.16.020 and 1891 c 115 s 2 are each amended to read
as follows:

The complaint in all cases under the provisions of this chapter shall be upon
oath, and (then [there]) there shall be embodied therein or amended thereto an
abstract of the plaintiff’s title, and the defendant shall, in his or her answer, state
whether he or she makes any claim of title to the lands described in the
complaint, and if he or she makes no claim to the legal title but does claim a right
to the possession of such lands, he or she shall state upon what grounds he or she
claims a right to such possession.

Sec. 19017. RCW 59.16.030 and 1891 c 115 s 3 are each amended to read
as follows:

It shall not be necessary for the plaintiff, in proceedings under this chapter,
to allege or prove that the said lands were, at any time, actually occupied prior to
the defendant’s entry thereupon, but it shall be sufficient to allege that he or she
is the legal owner and entitled to the immediate possession thereof:
PROVIDED, That if the defendant shall, by his or her answer, deny such
ownership and shall state facts showing that he or she has a lawful claim to the
possession thereof, the cause shall thereupon be entered for trial upon the docket
of the court in all respects as if the action were brought under the provisions of
chapter XLVI of the code of eighteen hundred and eighty-one.

Sec. 19018. RCW 59.18.070 and 1989 c 342 s 4 are each amended to read
as follows:
If at any time during the tenancy the landlord fails to carry out the duties required by RCW 59.18.060 or by the rental agreement, the tenant may, in addition to pursuit of remedies otherwise provided him or her by law, deliver written notice to the person designated in RCW 59.18.060 or to the person who collects the rent, which notice shall specify the premises involved, the name of the owner, if known, and the nature of the defective condition. The landlord shall commence remedial action after receipt of such notice by the tenant as soon as possible but not later than the following time periods, except where circumstances are beyond the landlord's control:

1. Not more than twenty-four hours, where the defective condition deprives the tenant of hot or cold water, heat, or electricity, or is imminently hazardous to life;
2. Not more than seventy-two hours, where the defective condition deprives the tenant of the use of a refrigerator, range and oven, or a major plumbing fixture supplied by the landlord; and
3. Not more than ten days in all other cases.

In each instance the burden shall be on the landlord to see that remedial work under this section is completed promptly. If completion is delayed due to circumstances beyond the landlord's control, including the unavailability of financing, the landlord shall remedy the defective condition as soon as possible.

Sec. 19019. RCW 59.18.080 and 1973 1st ex.s. c 207 s 8 are each amended to read as follows:

The tenant shall be current in the payment of rent including all utilities which the tenant has agreed in the rental agreement to pay before exercising any of the remedies accorded him or her under the provisions of this chapter: PROVIDED, That this section shall not be construed as limiting the tenant's civil remedies for negligent or intentional damages: PROVIDED FURTHER, That this section shall not be construed as limiting the tenant's right in an unlawful detainer proceeding to raise the defense that there is no rent due and owing.

Sec. 19020. RCW 59.18.090 and 1973 1st ex.s. c 207 s 9 are each amended to read as follows:

If, after receipt of written notice, and expiration of the applicable period of time, as provided in RCW 59.18.070, the landlord fails to remedy the defective condition within a reasonable time the tenant may:

1. Terminate the rental agreement and quit the premises upon written notice to the landlord without further obligation under the rental agreement, in which case he or she shall be discharged from payment of rent for any period following the quitting date, and shall be entitled to a pro rata refund of any prepaid rent, and shall receive a full and specific statement of the basis for retaining any of the deposit together with any refund due in accordance with RCW 59.18.280;
2. Bring an action in an appropriate court, or at arbitration if so agreed, for any remedy provided under this chapter or otherwise provided by law; or
3. Pursue other remedies available under this chapter.

Sec. 19021. RCW 59.18.100 and 1989 c 342 s 5 are each amended to read as follows:

1. If at any time during the tenancy, the landlord fails to carry out any of the duties imposed by RCW 59.18.060, and notice of the defect is given to the
landlord pursuant to RCW 59.18.070, the tenant may submit to the landlord or his or her designated agent by certified mail or in person a good faith estimate by the tenant of the cost to perform the repairs necessary to correct the defective condition if the repair is to be done by licensed or registered persons, or if no licensing or registration requirement applies to the type of work to be performed, the cost if the repair is to be done by responsible persons capable of performing such repairs. Such estimate may be submitted to the landlord at the same time as notice is given pursuant to RCW 59.18.070: PROVIDED, That the remedy provided in this section shall not be available for a landlord's failure to carry out the duties in RCW 59.18.060 (9)((, and (((11) (14)): PROVIDED FURTHER, That if the tenant utilizes this section for repairs pursuant to RCW 59.18.060(6), the tenant shall promptly provide the landlord with a key to any new or replaced locks. The amount the tenant may deduct from the rent may vary from the estimate, but cannot exceed the one-month limit as described in subsection (2) of this section.

(2) If the landlord fails to commence remedial action of the defective condition within the applicable time period after receipt of notice and the estimate from the tenant, the tenant may contract with a licensed or registered person, or with a responsible person capable of performing the repair if no license or registration is required, to make the repair, and upon the completion of the repair and an opportunity for inspection by the landlord or his or her designated agent, the tenant may deduct the cost of repair from the rent in an amount not to exceed the sum expressed in dollars representing one month's rental of the tenant's unit per repair: PROVIDED, That when the landlord must commence to remedy the defective condition within ten days as provided in RCW 59.18.070(3), the tenant cannot contract for repairs for ten days after notice or five days after the landlord receives the estimate, whichever is later: PROVIDED FURTHER, That the total costs of repairs deducted in any twelve-month period under this subsection shall not exceed the sum expressed in dollars representing two month's rental of the tenant's unit.

(3) If the landlord fails to carry out the duties imposed by RCW 59.18.060 within the applicable time period, and if the cost of repair does not exceed one-half month's rent, including the cost of materials and labor, which shall be computed at the prevailing rate in the community for the performance of such work, and if repair of the condition need not by law be performed only by licensed or registered persons, and if the tenant has given notice under RCW 59.18.070, although no estimate shall be necessary under this subsection, the tenant may repair the defective condition in a workmanlike manner and upon completion of the repair and an opportunity for inspection, the tenant may deduct the cost of repair from the rent: PROVIDED, That repairs under this subsection are limited to defects within the leased premises: PROVIDED FURTHER, That the cost per repair shall not exceed one-half month's rent of the unit and that the total costs of repairs deducted in any twelve-month period under this subsection shall not exceed one month's rent of the unit.

(4) The provisions of this section shall not:

(a) Create a relationship of employer and employee between landlord and tenant; or

(b) Create liability under the workers' compensation act; or
(c) Constitute the tenant as an agent of the landlord for the purposes of RCW 60.04.010 and 60.04.040.

(5) Any repair work performed under the provisions of this section shall comply with the requirements imposed by any applicable code, statute, ordinance, or regulation. A landlord whose property is damaged because of repairs performed in a negligent manner may recover the actual damages in an action against the tenant.

(6) Nothing in this section shall prevent the tenant from agreeing with the landlord to undertake the repairs himself or herself in return for cash payment or a reasonable reduction in rent, the agreement thereof to be agreed upon between the parties, and such agreement does not alter the landlord's obligations under this chapter.

Sec. 19022. RCW 59.18.140 and 1989 c 342 s 6 are each amended to read as follows:

The tenant shall conform to all reasonable obligations or restrictions, whether denominated by the landlord as rules, rental agreement, rent, or otherwise, concerning the use, occupation, and maintenance of his or her dwelling unit, appurtenances thereto, and the property of which the dwelling unit is a part if such obligations and restrictions are not in violation of any of the terms of this chapter and are not otherwise contrary to law, and if such obligations and restrictions are brought to the attention of the tenant at the time of his or her initial occupancy of the dwelling unit and thus become part of the rental agreement. Except for termination of tenancy, after thirty days written notice to each affected tenant, a new rule of tenancy including a change in the amount of rent may become effective upon completion of the term of the rental agreement or sooner upon mutual consent.

Sec. 19023. RCW 59.18.190 and 1973 1st ex.s. c 207 s 19 are each amended to read as follows:

Whenever the landlord learns of a breach of RCW 59.18.130 or has accepted performance by the tenant which is at variance with the terms of the rental agreement or rules enforceable after the commencement of the tenancy, he or she may immediately give notice to the tenant to remedy the nonconformance. Said notice shall expire after sixty days unless the landlord pursues any remedy under this chapter.

Sec. 19024. RCW 59.18.230 and 1989 c 342 s 8 are each amended to read as follows:

(1) Any provision of a lease or other agreement, whether oral or written, whereby any section or subsection of this chapter is waived except as provided in RCW 59.18.360 and shall be deemed against public policy and shall be unenforceable. Such unenforceability shall not affect other provisions of the agreement which can be given effect without them.

(2) No rental agreement may provide that the tenant:
   (a) Agrees to waive or to forego rights or remedies under this chapter; or
   (b) Authorizes any person to confess judgment on a claim arising out of the rental agreement; or
   (c) Agrees to pay the landlord's attorney's fees, except as authorized in this chapter; or
(d) Agrees to the exculpation or limitation of any liability of the landlord arising under law or to indemnify the landlord for that liability or the costs connected therewith; or

(e) And landlord have agreed to a particular arbitrator at the time the rental agreement is entered into.

(3) A provision prohibited by subsection (2) of this section included in a rental agreement is unenforceable. If a landlord deliberately uses a rental agreement containing provisions known by him or her to be prohibited, the tenant may recover actual damages sustained by him or her and reasonable attorney's fees.

(4) The common law right of the landlord of distress for rent is hereby abolished for property covered by this chapter. Any provision in a rental agreement creating a lien upon the personal property of the tenant or authorizing a distress for rent is null and void and of no force and effect. Any landlord who takes or detains the personal property of a tenant without the specific written consent of the tenant to such incident of taking or detention, and who, after written demand by the tenant for the return of his or her personal property, refuses to return the same promptly shall be liable to the tenant for the value of the property retained, actual damages, and if the refusal is intentional, may also be liable for damages of up to one hundred dollars per day but not to exceed one thousand dollars, for each day or part of a day that the tenant is deprived of his or her property. The prevailing party may recover his or her costs of suit and a reasonable attorney's fee.

In any action, including actions pursuant to chapters 7.64 or 12.28 RCW, brought by a tenant or other person to recover possession of his or her personal property taken or detained by a landlord in violation of this section, the court, upon motion and after notice to the opposing parties, may waive or reduce any bond requirements where it appears to be to the satisfaction of the court that the moving party is proceeding in good faith and has, prima facie, a meritorious claim for immediate delivery or redelivery of said property.

Sec. 19025. RCW 59.18.240 and 1983 c 264 s 9 are each amended to read as follows:

So long as the tenant is in compliance with this chapter, the landlord shall not take or threaten to take reprisals or retaliatory action against the tenant because of any good faith and lawful:

(1) Complaints or reports by the tenant to a governmental authority concerning the failure of the landlord to substantially comply with any code, statute, ordinance, or regulation governing the maintenance or operation of the premises, if such condition may endanger or impair the health or safety of the tenant; or

(2) Assertions or enforcement by the tenant of his or her rights and remedies under this chapter.

"Reprisal or retaliatory action" shall mean and include but not be limited to any of the following actions by the landlord when such actions are intended primarily to retaliate against a tenant because of the tenant's good faith and lawful act:

(a) Eviction of the tenant;
(b) Increasing the rent required of the tenant;
(c) Reduction of services to the tenant; and
(d) Increasing the obligations of the tenant.

Sec. 19026. RCW 59.18.250 and 1983 c 264 s 10 are each amended to read as follows:

Initiation by the landlord of any action listed in RCW 59.18.240 within ninety days after a good faith and lawful act by the tenant as enumerated in RCW 59.18.240, or within ninety days after any inspection or proceeding of a governmental agency resulting from such act, shall create a rebuttable presumption affecting the burden of proof, that the action is a reprisal or retaliatory action against the tenant: PROVIDED, That if at the time the landlord gives notice of termination of tenancy pursuant to chapter 59.12 RCW the tenant is in arrears in rent or in breach of any other lease or rental obligation, there is a rebuttable presumption affecting the burden of proof that the landlord's action is neither a reprisal nor retaliatory action against the tenant: PROVIDED FURTHER, That if the court finds that the tenant made a complaint or report to a governmental authority within ninety days after notice of a proposed increase in rent or other action in good faith by the landlord, there is a rebuttable presumption that the complaint or report was not made in good faith: PROVIDED FURTHER, That no presumption against the landlord shall arise under this section, with respect to an increase in rent, if the landlord, in a notice to the tenant of increase in rent, specifies reasonable grounds for said increase, which grounds may include a substantial increase in market value due to remedial action under this chapter: PROVIDED FURTHER, That the presumption of retaliation, with respect to an eviction, may be rebutted by evidence that it is not practical to make necessary repairs while the tenant remains in occupancy. In any action or eviction proceeding where the tenant prevails upon his or her claim or defense that the landlord has violated this section, the tenant shall be entitled to recover his or her costs of suit or arbitration, including a reasonable attorney's fee, and where the landlord prevails upon his or her claim he or she shall be entitled to recover his or her costs of suit or arbitration, including a reasonable attorney's fee: PROVIDED FURTHER, That neither party may recover attorney's fees to the extent that their legal services are provided at no cost to them.

Sec. 19027. RCW 59.18.280 and 1989 c 342 s 9 are each amended to read as follows:

Within fourteen days after the termination of the rental agreement and vacation of the premises or, if the tenant abandons the premises as defined in RCW 59.18.310, within fourteen days after the landlord learns of the abandonment, the landlord shall give a full and specific statement of the basis for retaining any of the deposit together with the payment of any refund due the tenant under the terms and conditions of the rental agreement. No portion of any deposit shall be withheld on account of wear resulting from ordinary use of the premises. The landlord complies with this section if the required statement or payment, or both, are deposited in the United States mail properly addressed with first-class postage prepaid within the fourteen days.

The notice shall be delivered to the tenant personally or by mail to his or her last known address. If the landlord fails to give such statement together with any refund due the tenant within the time limits specified above he or she shall be liable to the tenant for the full amount of the deposit. The landlord is also barred
in any action brought by the tenant to recover the deposit from asserting any
claim or raising any defense for retaining any of the deposit unless the landlord
shows that circumstances beyond the landlord's control prevented the landlord
from providing the statement within the fourteen days or that the tenant
abandoned the premises as defined in RCW 59.18.310. The court may in its
discretion award up to two times the amount of the deposit for the intentional
refusal of the landlord to give the statement or refund due. In any action brought
by the tenant to recover the deposit, the prevailing party shall additionally be
entitled to the cost of suit or arbitration including a reasonable attorney's fee.

Nothing in this chapter shall preclude the landlord from proceeding against,
and the landlord shall have the right to proceed against a tenant to recover sums
exceeding the amount of the tenant's damage or security deposit for damage to
the property for which the tenant is responsible together with reasonable
attorney's fees.

Sec. 19028. RCW 59.18.290 and 1973 1st ex.s. c 207 s 29 are each
amended to read as follows:

(1) It shall be unlawful for the landlord to remove or exclude from the
premises the tenant thereof except under a court order so authorizing. Any
tenant so removed or excluded in violation of this section may recover
possession of the property or terminate the rental agreement and, in either case,
may recover the actual damages sustained. The prevailing party may recover the
costs of suit or arbitration and reasonable attorney's fees.

(2) It shall be unlawful for the tenant to hold over in the premises or exclude
the landlord therefrom after the termination of the rental agreement except under
a valid court order so authorizing. Any landlord so deprived of possession of
premises in violation of this section may recover possession of the property and
damages sustained by him or her; and the prevailing party may recover his or her
costs of suit or arbitration and reasonable attorney's fees.

Sec. 19029. RCW 59.18.300 and 1973 1st ex.s. c 207 s 30 are each
amended to read as follows:

It shall be unlawful for a landlord to intentionally cause termination of any
of his or her tenant's utility services, including water, heat, electricity, or gas,
except for an interruption of utility services for a reasonable time in order to
make necessary repairs. Any landlord who violates this section may be liable to
such tenant for his or her actual damages sustained by him or her, and up to one
hundred dollars for each day or part thereof the tenant is thereby deprived of any
utility service, and the prevailing party may recover his or her costs of suit or
arbitration and a reasonable attorney's fee. It shall be unlawful for a tenant to
intentionally cause the loss of utility services provided by the landlord, including
water, heat, electricity, or gas, excepting as resulting from the normal occupancy
of the premises.

Sec. 19030. RCW 59.18.340 and 1983 c 264 s 12 are each amended to
read as follows:

The administrative fee for this arbitration procedure shall be established by
agreement of the parties and the arbitrator and, unless otherwise allocated by the
arbitrator, shall be shared equally by the parties: PROVIDED, That upon either
party signing an affidavit to the effect that he or she is unable to pay his or her
share of the fee, that portion of the fee may be waived or deferred.
Sec. 19031. RCW 59.18.350 and 1973 1st ex.s. c 207 s 35 are each amended to read as follows:

When a party gives notice pursuant to (subsection (2) of) RCW 59.18.320(2), he or she must, at the same time, arrange for arbitration of the grievance in the manner provided for in this chapter. The arbitration shall be completed before the rental due date next occurring after the giving of notice pursuant to RCW 59.18.320: PROVIDED, That in no event shall the arbitrator have less than ten days to complete the arbitration process.

Sec. 19032. RCW 59.18.380 and 1973 1st ex.s. c 207 s 39 are each amended to read as follows:

At the time and place fixed for the hearing of plaintiff’s motion for a writ of restitution, the defendant, or any person in possession or claiming possession of the property, may answer, orally or in writing, and assert any legal or equitable defense or set-off arising out of the tenancy. If the answer is oral the substance thereof shall be endorsed on the complaint by the court. The court shall examine the parties and witnesses orally to ascertain the merits of the complaint and answer, and if it shall appear that the plaintiff has the right to be restored to possession of the property, the court shall enter an order directing the issuance of a writ of restitution, returnable ten days after its date, restoring to the plaintiff possession of the property and if it shall appear to the court that there is no substantial issue of material fact of the right of the plaintiff to be granted other relief as prayed for in the complaint and provided for in this chapter, the court may enter an order and judgment granting so much of such relief as may be sustained by the proof, and the court may grant such other relief as may be prayed for in the plaintiff's complaint and provided for in this chapter, then the court shall enter an order denying any relief sought by the plaintiff for which the court has determined that the plaintiff has no right as a matter of law: PROVIDED, That within three days after the service of the writ of restitution the defendant, or person in possession of the property, may, in any action for the recovery of possession of the property for failure to pay rent, stay the execution of the writ pending final judgment by paying into court or to the plaintiff, as the court directs, all rent found to be due and all the costs of the action, and in addition by paying, on a monthly basis pending final judgment, an amount equal to the monthly rent called for by the lease or rental agreement at the time the complaint was filed: PROVIDED FURTHER, That before any writ shall issue prior to final judgment the plaintiff shall execute to the defendant and file in the court a bond in such sum as the court may order, with sufficient surety to be approved by the clerk, conditioned that the plaintiff will prosecute his or her action without delay, and will pay all costs that may be adjudged to the defendant, and all damages which he or she may sustain by reason of the writ of restitution having been issued, should the same be wrongfully sued out. The court shall also enter an order directing the parties to proceed to trial on the complaint and answer in the usual manner.

If it appears to the court that the plaintiff should not be restored to possession of the property, the court shall deny plaintiff's motion for a writ of restitution and enter an order directing the parties to proceed to trial within thirty days on the complaint and answer. If it appears to the court that there is a substantial issue of material fact as to whether or not the plaintiff is entitled to other relief as is prayed for in plaintiff's complaint and provided for in this
chapter, or that there is a genuine issue of a material fact pertaining to a legal or equitable defense or set-off raised in the defendant's answer, the court shall grant or deny so much of plaintiff's other relief sought and so much of defendant's defenses or set-off claimed, as may be proper.

Sec. 19033. RCW 59.18.410 and 1973 1st ex.s. c 207 s 42 are each amended to read as follows:

If upon the trial the verdict of the jury or, if the case be tried without a jury, the finding of the court be in favor of the plaintiff and against the defendant, judgment shall be entered for the restitution of the premises; and if the proceeding be for unlawful detainer after neglect or failure to perform any condition or covenant of a lease or agreement under which the property is held, or after default in the payment of rent, the judgment shall also declare the forfeiture of the lease, agreement, or tenancy. The jury, or the court, if the proceedings be tried without a jury, shall also assess the damages arising out of the tenancy occasioned to the plaintiff by any forcible entry, or by any forcible or unlawful detainer, alleged in the complaint and proved on the trial, and, if the alleged unlawful detainer be after default in the payment of rent, find the amount of any rent due, and the judgment shall be rendered against the defendant guilty of the forcible entry, forcible detainer, or unlawful detainer for the amount of damages thus assessed and for the rent, if any, found due, and the court may award statutory costs and reasonable attorney's fees. When the proceeding is for an unlawful detainer after default in the payment of rent, and the lease or agreement under which the rent is payable has not by its terms expired, execution upon the judgment shall not be issued until the expiration of five days after the entry of the judgment, within which time the tenant or any subtenant, or any mortgagee of the term, or other party interested in the continuance of the tenancy, may pay into court for the landlord the amount of the judgment and costs, and thereupon the judgment shall be satisfied and the tenant restored to his or her tenancy; but if payment, as herein provided, be not made within five days the judgment may be enforced for its full amount and for the possession of the premises. In all other cases the judgment may be enforced immediately. If writ of restitution shall have been executed prior to judgment no further writ or execution for the premises shall be required.

Sec. 19034. RCW 59.20.090 and 2003 c 7 s 3 are each amended to read as follows:

(1) Unless otherwise agreed rental agreements shall be for a term of one year. Any rental agreement of whatever duration shall be automatically renewed for the term of the original rental agreement, unless a different specified term is agreed upon.

(2) A landlord seeking to increase the rent upon expiration of the term of a rental agreement of any duration shall notify the tenant in writing three months prior to the effective date of any increase in rent.

(3) A tenant shall notify the landlord in writing one month prior to the expiration of a rental agreement of an intention not to renew.

(4)(a) The tenant may terminate the rental agreement upon thirty days written notice whenever a change in the location of the tenant's employment requires a change in his or her residence, and shall not be liable for rental following such termination unless after due diligence and reasonable effort the
landlord is not able to rent the mobile home lot at a fair rental. If the landlord is not able to rent the lot, the tenant shall remain liable for the rental specified in the rental agreement until the lot is rented or the original term ends.

(b) Any tenant who is a member of the armed forces, including the national guard and armed forces reserves, or that tenant's spouse or dependent, may terminate a rental agreement with less than thirty days notice if the tenant receives reassignment or deployment orders which do not allow greater notice. The tenant shall provide notice of the reassignment or deployment order to the landlord no later than seven days after receipt.

Sec. 19035. RCW 59.20.140 and 1988 c 150 s 6 are each amended to read as follows:

It shall be the duty of the tenant to pay the rental amount at such times and in such amounts as provided for in the rental agreement or as otherwise provided by law and comply with all obligations imposed upon tenants by applicable provisions of all municipal, county, and state codes, statutes, ordinances, and regulations, and in addition the tenant shall:

(1) Keep the mobile home lot which he or she occupies and uses as clean and sanitary as the conditions of the premises permit;

(2) Properly dispose of all rubbish, garbage, and other organic or flammable waste, in a clean and sanitary manner at reasonable and regular intervals, and assume all costs of extermination and fumigation for infestation caused by the tenant on the tenant's leased premises;

(3) Not intentionally or negligently destroy, deface, damage, impair, or remove any facilities, equipment, furniture, furnishings, fixtures, or appliances provided by the landlord, or permit any member of his or her family, invitee, or licensee, or any person acting under his or her control to do so;

(4) Not permit a nuisance or common waste; and

(5) Not engage in drug-related activities as defined in RCW 59.20.080.

NEW SECTION. Sec. 20001. Section 9077 of this act takes effect July 1, 2010.

Passed by the Senate February 11, 2010.
Passed by the House February 28, 2010.
Approved by the Governor March 10, 2010.
Filed in Office of Secretary of State March 10, 2010.

CHAPTER 9

[Engrossed Senate Bill 5516]

DRUG OVERDOSE PREVENTION

AN ACT Relating to drug overdose prevention; amending RCW 18.130.180; reenacting and amending RCW 9.94A.535; adding a new section to chapter 69.50 RCW; adding a new section to chapter 18.130 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature intends to save lives by increasing timely medical attention to drug overdose victims through the establishment of limited immunity from prosecution for people who seek medical assistance in a
drug overdose situation. Drug overdose is the leading cause of unintentional injury death in Washington state, ahead of motor vehicle related deaths. Washington state is one of sixteen states in which drug overdoses cause more deaths than traffic accidents. Drug overdose mortality rates have increased significantly since the 1990s, according to the centers for disease control and prevention, and illegal and prescription drug overdoses killed more than thirty-eight thousand people nationwide in 2006, the last year for which firm data is available. The Washington state department of health reports that in 1999, unintentional drug poisoning was responsible for four hundred three deaths in this state; in 2007, the number had increased to seven hundred sixty-one, compared with six hundred ten motor vehicle related deaths that same year. Many drug overdose fatalities occur because peers delay or forego calling 911 for fear of arrest or police involvement, which researchers continually identify as the most significant barrier to the ideal first response of calling emergency services.

NEW SECTION. Sec. 2. A new section is added to chapter 69.50 RCW to read as follows:

(1)(a) A person acting in good faith who seeks medical assistance for someone experiencing a drug-related overdose shall not be charged or prosecuted for possession of a controlled substance pursuant to RCW 69.50.4013, or penalized under RCW 69.50.4014, if the evidence for the charge of possession of a controlled substance was obtained as a result of the person seeking medical assistance.

(b) A person acting in good faith may receive a naloxone prescription, possess naloxone, and administer naloxone to an individual suffering from an apparent opiate-related overdose.

(2) A person who experiences a drug-related overdose and is in need of medical assistance shall not be charged or prosecuted for possession of a controlled substance pursuant to RCW 69.50.4013, or penalized under RCW 69.50.4014, if the evidence for the charge of possession of a controlled substance was obtained as a result of the overdose and the need for medical assistance.

(3) The protection in this section from prosecution for possession crimes under RCW 69.50.4013 shall not be grounds for suppression of evidence in other criminal charges.

NEW SECTION. Sec. 3. A new section is added to chapter 18.130 RCW to read as follows:

The administering, dispensing, prescribing, purchasing, acquisition, possession, or use of naloxone shall not constitute unprofessional conduct under chapter 18.130 RCW, or be in violation of any provisions under this chapter, by any practitioner or person, if the unprofessional conduct or violation results from a good faith effort to assist:

(1) A person experiencing, or likely to experience, an opiate-related overdose; or

(2) A family member, friend, or other person in a position to assist a person experiencing, or likely to experience, an opiate-related overdose.

Sec. 4. RCW 9.94A.535 and 2008 c 276 s 303 and 2008 c 233 s 9 are each reenacted and amended to read as follows:
The court may impose a sentence outside the standard sentence range for an offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence. Facts supporting aggravated sentences, other than the fact of a prior conviction, shall be determined pursuant to the provisions of RCW 9.94A.537.

Whenever a sentence outside the standard sentence range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard sentence range shall be a determinate sentence.

If the sentencing court finds that an exceptional sentence outside the standard sentence range should be imposed, the sentence is subject to review only as provided for in RCW 9.94A.585(4).

A departure from the standards in RCW 9.94A.589 (1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in this section, and may be appealed by the offender or the state as set forth in RCW 9.94A.585 (2) through (6).

(1) Mitigating Circumstances - Court to Consider

The court may impose an exceptional sentence below the standard range if it finds that mitigating circumstances are established by a preponderance of the evidence. The following are illustrative only and are not intended to be exclusive reasons for exceptional sentences.

(a) To a significant degree, the victim was an initiator, willing participant, aggressor, or provoker of the incident.

(b) Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained.

(c) The defendant committed the crime under duress, coercion, threat, or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.

(d) The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.

(e) The defendant's capacity to appreciate the wrongfulness of his or her conduct, or to conform his or her conduct to the requirements of the law, was significantly impaired. Voluntary use of drugs or alcohol is excluded.

(f) The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.

(g) The operation of the multiple offense policy of RCW 9.94A.589 results in a presumptive sentence that is clearly excessive in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(h) The defendant or the defendant's children suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.

(i) The defendant was making a good faith effort to obtain or provide medical assistance for someone who is experiencing a drug-related overdose.

(2) Aggravating Circumstances - Considered and Imposed by the Court

The trial court may impose an aggravated exceptional sentence without a finding of fact by a jury under the following circumstances:
(a) The defendant and the state both stipulate that justice is best served by the imposition of an exceptional sentence outside the standard range, and the court finds the exceptional sentence to be consistent with and in furtherance of the interests of justice and the purposes of the sentencing reform act.

(b) The defendant's prior unscored misdemeanor or prior unscored foreign criminal history results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(c) The defendant has committed multiple current offenses and the defendant's high offender score results in some of the current offenses going unpunished.

(d) The failure to consider the defendant's prior criminal history which was omitted from the offender score calculation pursuant to RCW 9.94A.525 results in a presumptive sentence that is clearly too lenient.

(3) Aggravating Circumstances - Considered by a Jury - Imposed by the Court

Except for circumstances listed in subsection (2) of this section, the following circumstances are an exclusive list of factors that can support a sentence above the standard range. Such facts should be determined by procedures specified in RCW 9.94A.537.

(b) The defendant knew or should have known that the victim of the current offense was particularly vulnerable or incapable of resistance.

(e) The current offense was a major violation of the Uniform Controlled Substances Act, chapter 69.50 RCW (VUCSA), related to trafficking in controlled substances, which was more onerous than the typical offense of its statutory definition: The presence of ANY of the following may identify a current offense as a major VUCSA:

(i) The current offense involved at least three separate transactions in which controlled substances were sold, transferred, or possessed with intent to do so;

(ii) The current offense involved an attempted or actual sale or transfer of controlled substances in quantities substantially larger than for personal use;

(f) The current offense included a finding of sexual motivation pursuant to RCW 9.94A.835.

(g) The offense was part of an ongoing pattern of sexual abuse of the same victim under the age of eighteen years manifested by multiple incidents over a prolonged period of time.

   (n) The defendant used his or her position of trust, confidence, or fiduciary responsibility to facilitate the commission of the current offense.
   (o) The defendant committed a current sex offense, has a history of sex offenses, and is not amenable to treatment.

(x) The defendant committed the offense against a public official or officer of the court in retaliation of the public official's performance of his or her duty to the criminal justice system.

(y) The victim's injuries substantially exceed the level of bodily harm necessary to satisfy the elements of the offense. This aggravator is not an exception to RCW 9.94A.530(2).

(z)(i)(A) The current offense is theft in the first degree, theft in the second degree, possession of stolen property in the first degree, or possession of stolen property in the second degree; (B) the stolen property involved is metal property; and (C) the property damage to the victim caused in the course of the theft of metal property is more than three times the value of the stolen metal property, or the theft of the metal property creates a public hazard.

The following conduct, acts, or conditions constitute unprofessional conduct for any license holder under the jurisdiction of this chapter:

(1) The commission of any act involving moral turpitude, dishonesty, or corruption relating to the practice of the person's profession, whether the act constitutes a crime or not. If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. Upon such a conviction, however, the judgment and sentence is conclusive evidence at the ensuing disciplinary hearing of the guilt of the license holder of the crime described in the indictment or information, and of the person's violation of the statute on which it is based. For the purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for the conviction and all proceedings in which the sentence has been deferred or suspended. Nothing in this section abrogates rights guaranteed under chapter 9.96A RCW;

(2) Misrepresentation or concealment of a material fact in obtaining a license or in reinstatement thereof;

(3) All advertising which is false, fraudulent, or misleading;

(4) Incompetence, negligence, or malpractice which results in injury to a patient or which creates an unreasonable risk that a patient may be harmed. The use of a nontraditional treatment by itself shall not constitute unprofessional conduct, provided that it does not result in injury to a patient or create an unreasonable risk that a patient may be harmed;

(5) Suspension, revocation, or restriction of the individual's license to practice any health care profession by competent authority in any state, federal,
or foreign jurisdiction, a certified copy of the order, stipulation, or agreement being conclusive evidence of the revocation, suspension, or restriction;

(6) Except when authorized by section 3 of this act, the possession, use, prescription for use, or distribution of controlled substances or legend drugs in any way other than for legitimate or therapeutic purposes, diversion of controlled substances or legend drugs, the violation of any drug law, or prescribing controlled substances for oneself;

(7) Violation of any state or federal statute or administrative rule regulating the profession in question, including any statute or rule defining or establishing standards of patient care or professional conduct or practice;

(8) Failure to cooperate with the disciplining authority by:

(a) Not furnishing any papers, documents, records, or other items;
(b) Not furnishing in writing a full and complete explanation covering the matter contained in the complaint filed with the disciplining authority;
(c) Not responding to subpoenas issued by the disciplining authority, whether or not the recipient of the subpoena is the accused in the proceeding; or
(d) Not providing reasonable and timely access for authorized representatives of the disciplining authority seeking to perform practice reviews at facilities utilized by the license holder;

(9) Failure to comply with an order issued by the disciplining authority or a stipulation for informal disposition entered into with the disciplining authority;

(10) Aiding or abetting an unlicensed person to practice when a license is required;

(11) Violations of rules established by any health agency;

(12) Practice beyond the scope of practice as defined by law or rule;

(13) Misrepresentation or fraud in any aspect of the conduct of the business or profession;

(14) Failure to adequately supervise auxiliary staff to the extent that the consumer's health or safety is at risk;

(15) Engaging in a profession involving contact with the public while suffering from a contagious or infectious disease involving serious risk to public health;

(16) Promotion for personal gain of any unnecessary or inefficacious drug, device, treatment, procedure, or service;

(17) Conviction of any gross misdemeanor or felony relating to the practice of the person's profession. For the purposes of this subsection, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for conviction and all proceedings in which the sentence has been deferred or suspended. Nothing in this section abrogates rights guaranteed under chapter 9.96A RCW;

(18) The procuring, or aiding or abetting in procuring, a criminal abortion;

(19) The offering, undertaking, or agreeing to cure or treat disease by a secret method, procedure, treatment, or medicine, or the treating, operating, or prescribing for any health condition by a method, means, or procedure which the licensee refuses to divulge upon demand of the disciplining authority;

(20) The willful betrayal of a practitioner-patient privilege as recognized by law;

(21) Violation of chapter 19.68 RCW;
(22) Interference with an investigation or disciplinary proceeding by willful misrepresentation of facts before the disciplining authority or its authorized representative, or by the use of threats or harassment against any patient or witness to prevent them from providing evidence in a disciplinary proceeding or any other legal action, or by the use of financial inducements to any patient or witness to prevent or attempt to prevent him or her from providing evidence in a disciplinary proceeding;

(23) Current misuse of:
   (a) Alcohol;

NEW SECTION. Sec. 1. The legislature finds that the Washington state patrol's participation in charitable work, such as the chief for a day program that provides special attention to chronically ill children through recognition by various law enforcement agencies within the state, advances the overall purposes of the department by promoting positive relationships between law enforcement and the citizens of the state of Washington.

AN ACT Relating to estates and trusts; adding new sections to chapter 11.108 RCW; creating
new sections; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds in order to carry out the
intent of decedents in the construction of wills and trusts, and in order to
promote judicial economy in the administration of trusts and estates, that it is
necessary to construe certain formula clauses to refer to federal estate and
generation-skipping transfer tax rules applicable to estates of decedents dying on
December 31, 2009.

NEW SECTION. Sec. 2. A new section is added to chapter 11.108 RCW to
read as follows:

(1) A will or trust of a decedent who dies after December 31, 2009, and
before January 1, 2011, is deemed to refer to the federal estate and generation-
skipping transfer tax laws as they applied with respect to estates of decedents
dying on December 31, 2009, if the will or trust contains a formula that:

(a) Refers to any of the following: "Unified credit," "estate tax exemption,"
"applicable exemption amount," "applicable credit amount," "applicable
exclusion amount," "generation-skipping transfer tax exemption," "marital
deduction," "maximum marital deduction," or "unlimited marital deduction;"

(b) Measures a share of an estate or trust based on the amount that can pass
free of federal estate taxes or the amount that can pass free of federal generation-
skipping transfer taxes; or

(c) Is otherwise based on a provision of federal estate tax or federal
generation-skipping transfer tax law similar to the provisions in (a) or (b) of this
subsection.

(2) This section is presumed to not apply with respect to a will or trust that
(a) is executed or amended after December 31, 2009, or (b) clearly manifests an
intent that a contrary rule applies in cases where the decedent dies on a date on
which there is no then-applicable federal estate or federal generation-skipping
transfer tax and such tax has been permanently repealed and not merely
temporarily repealed for calendar year 2010.
(3) The reference to January 1, 2011, in this section refers, if the federal estate and generation-skipping transfer tax becomes effective before that date, to the first date on which such tax becomes legally effective.

NEW SECTION. Sec. 3. A new section is added to chapter 11.108 RCW to read as follows:

The personal representative, trustee, or any affected beneficiary under a will or trust may bring a proceeding under the trust and estate dispute resolution act in chapter 11.96A RCW, to determine whether the decedent intended that the references under section 2 of this act be construed with respect to the federal law as it existed after December 31, 2009. Such a proceeding must be commenced within twelve months following the death of the testator or grantor, and not thereafter.

NEW SECTION. Sec. 4. The provisions of this act are effective retroactive to December 31, 2009.

NEW SECTION. Sec. 5. This act is remedial in nature and must be applied and construed liberally in order to carry out its intent.

RESIDENT SURPLUS LINE BROKERS—LICENSING REQUIREMENTS

AN ACT Relating to nonresident surplus line brokers and insurance producers; amending RCW 48.15.070, 48.15.073, 48.17.173, and 48.17.250; adding a new section to chapter 48.02 RCW; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 48.15.070 and 2009 c 162 s 3 are each amended to read as follows:

Any individual while a resident of this state, or any firm ((or any)), corporation, or other business entity that has in its employ a qualified individual who is a resident of this state and who is authorized to exercise the powers of the firm or corporation, deemed by the commissioner to be competent and trustworthy, and while maintaining an office at a designated location in this state, may be licensed as a surplus line broker in accordance with this section.

(1) Application to the commissioner for the license ((shall)) must be made on forms furnished by the commissioner. As part of, or in connection with, this application, the applicant ((shall)) must furnish information concerning his or her identity, including fingerprints for submission to the Washington state patrol, the federal bureau of investigation, and any governmental agency or entity authorized to receive this information for a state and national criminal history background check; personal history; experience; business records; purposes; and other pertinent information, as the commissioner may reasonably require. If in the process of verifying fingerprints, business records, or other information, the commissioner's office incurs fees or charges from another governmental agency or from a business firm, the amount of the fees or charges ((shall)) must be paid to the commissioner's office by the applicant.

(2) Every resident surplus line broker licensed under this chapter must maintain a bond in favor of the state of Washington in the penal sum of twenty thousand dollars, with authorized corporate sureties approved by the commissioner, conditioned that the licensee will conduct business under the license in accordance with the provisions of this chapter and that the licensee will promptly remit the taxes provided by RCW 48.15.120. The licensee
((shall)) must maintain such bond in force for as long as the license remains in effect.

(3) Every resident surplus line broker licensed under this chapter must maintain in force while so licensed a bond in favor of the people of the state of Washington or a named insured such that the people of the state are covered by the bond, executed by an authorized corporate surety approved by the commissioner, in the amount of two thousand five hundred dollars, or five percent of the premiums from placement of coverage with surplus line insurers in the previous calendar year, whichever is greater, but not to exceed one hundred thousand dollars total aggregate liability. The bond may be continuous in form, and total aggregate liability on the bond may be limited to the required amount of the bond. The bond ((shall)) must be contingent on the accounting by the resident surplus line broker to any person requesting the broker to obtain insurance, for moneys or premiums collected in connection therewith. A bond issued in accordance with RCW 48.17.250 or with this subsection will satisfy the requirements of both RCW 48.17.250 and this subsection if the limit of liability is not less than the greater of the requirement of RCW 48.17.250 or the requirement of this subsection.

(4) Authorized surplus line brokers of a business entity may meet the requirements of subsection (3) of this section with a bond in the name of the business entity, continuous in form, and in the amount set forth in subsection (3) of this section.

(5) Surplus line brokers may meet the requirements of this section with a bond in the name of an association. The association must have been in existence for five years, have common membership, and have been formed for a purpose other than obtaining a bond. An individual surplus line broker remains responsible for assuring that a bond is in effect and is for the correct amount.

(6) Members of an association may meet the requirements of subsection (3) of this section with a bond in the name of the association that is continuous in form and in the amounts set forth in subsection (3) of this section for each participating member.

(7) The surety may cancel the bond and be released from further liability thereunder upon thirty days' written notice in advance to the principal. The cancellation does not affect any liability incurred or accrued under the bond before the termination of the thirty-day period.

(8) Failure to have and maintain the bonds required under subsections (2) and (3) of this section is grounds for revocation of a license under RCW 48.15.140.

(9) If a party injured under the terms of the bond required under subsection (3) of this section requests the surplus line broker to provide the name of the surety and the bond number, the surplus line broker must provide the information within three working days after receiving the request.

(10) All records relating to the bonds required by this section must be kept available and open to the inspection of the commissioner at any business time.

(11) A surplus line broker's license expires if not timely renewed. Surplus line broker licenses are valid for the time period established by the commissioner unless suspended or revoked at an earlier date.

(12) Subject to the right of the commissioner to suspend, revoke, or refuse to renew any surplus line broker's license as provided in this title, the license
may be renewed into another like period by filing with the commissioner by any means acceptable to the commissioner on or before the expiration date a request, by or on behalf of the licensee, for the renewal accompanied by payment of the renewal fee as specified in RCW 48.14.010.

(13) If the request and fee for renewal of a surplus line broker's license are filed with the commissioner prior to expiration of the existing license, the licensee may continue to act under the license, unless sooner revoked or suspended, until the issuance of a renewal license, or until the expiration of fifteen days after the commissioner has refused to renew the license and has mailed notification of the refusal to the licensee. If the request and fee for the license are not received by the expiration date, the authority conferred by the license ends on the expiration date.

(14) If the request for renewal of a surplus line broker's license and payment of the fee are not received by the commissioner prior to the expiration date, the applicant for renewal (shall) must pay to the commissioner in addition to the renewal fee, a surcharge as follows:

(a) For the first thirty days or part thereof of delinquency, the surcharge is fifty percent of the renewal fee; and

(b) For the next thirty days or part thereof of delinquency, the surcharge is one hundred percent of the renewal fee.

(15) If the request for renewal of a surplus line broker's license and payment of the renewal fee are not received by the commissioner after sixty days but prior to twelve months after the expiration date, the application (shall) must be for reinstatement of the license and the applicant for reinstatement (shall) must pay to the commissioner the license fee and a surcharge of two hundred percent of the license fee.

(16) Subsections (14) and (15) of this section do not exempt any person from any penalty provided by law for transacting business without a valid and subsisting license.

(17) An individual surplus line broker who allows his or her license to lapse may, within twelve months after the expiration date, reinstate the same license without the necessity of passing a written examination.

(18) For the purposes of this section, a "qualified individual" is a natural person who has met all the requirements that must be met by an individual surplus line broker.

(19) The commissioner may require any documents reasonably necessary to verify the information contained in an application and may, from time to time, require any licensed surplus line broker to produce the information called for in an application for license.

Sec. 2. RCW 48.15.073 and 2009 c 162 s 4 are each amended to read as follows:

(1) The commissioner may license as a surplus line broker a person who is otherwise qualified under this code but who is not a resident of this state, if by the laws of the state or province of his or her residence or domicile a similar privilege is extended to residents of this state.

(2) A person under subsection (1) of this section must meet the same qualifications other than residency as any other person seeking to be licensed as a surplus line broker under this chapter, except for residency, and is not required to submit fingerprints with the license application for a background
A person granted a nonresident surplus line broker's license must fulfill all the same responsibilities as any other surplus line broker, except for bonding, and is subject to the commissioner's supervision as though resident in this state and rules adopted under this chapter.

(3) A nonresident surplus line broker's license expires if not timely renewed. A nonresident surplus line broker's license is valid for the time period established by the commissioner unless suspended or revoked at an earlier date. The request and fee for the renewal of the license is the same as the renewal and fee requirements for a resident surplus line broker licensed under RCW 48.15.070.

(4) Each licensed nonresident surplus line broker shall appoint, by application for and issuance of a license, the commissioner as the surplus line broker's attorney to receive service of legal process issued against the surplus line broker in this state upon causes of action arising within this state. Service upon the commissioner as attorney constitutes effective legal service upon the surplus line broker.

(a) The appointment of the commissioner as attorney is irrevocable, binds any successor in interest or to the assets or liabilities of the surplus line broker, and remains in effect for as long as there could be any cause of action against the surplus line broker arising out of the surplus line broker's insurance transactions in this state.

(b) Duplicate copies of legal process against a surplus line broker shall be served upon the commissioner either by a person competent to serve a summons, or through registered mail. At the time of service the plaintiff shall pay to the commissioner ten dollars, taxable as costs in the action.

(c) Upon receiving service, the commissioner shall immediately send one of the copies of the process, by registered mail with return receipt requested, to the defendant surplus line broker at the surplus line broker's last address of record with the commissioner.

(d) The commissioner shall keep a record of the day and hour of service upon the commissioner of all legal process. Proceedings may not be had against the defendant surplus line broker and the defendant is not required to appear, plead, or answer until the expiration of forty days after the date of service upon the commissioner.) Service of legal process must be accomplished and processed in the manner prescribed in section 5 of this act.

(3) A nonresident business entity acting as a title insurance agent is required to obtain a title insurance agent license. Application must be made to the commissioner on the uniform business entity application, and the individual submitting the application must declare under penalty of refusal, suspension, or revocation of the license that the statements made in the application are true, correct, and complete to the best of the individual's knowledge and belief. Before approving the application, the commissioner must find that the business entity:

(a) Has paid the fees set forth in RCW 48.14.010;

(5) A nonresident insurance producer's satisfaction of the nonresident insurance producer's home state's continuing education requirements for licensed insurance producers constitutes satisfaction of this state's continuing education requirements if the nonresident producer's home state recognizes the satisfaction of its continuing education requirements imposed upon producers from this state on the same basis.
(6) (The commissioner shall waive the requirement for providing fingerprints for submission to the Washington state patrol, the federal bureau of investigation, and any governmental agency or entity authorized to receive this information for a state and national criminal history background check, if the person possesses a valid insurance producer's or surplus line broker's license from the person's home state and the person's home state requires submission of information concerning a person's identity, including fingerprints for the licensure of its resident insurance producers or surplus line brokers, respectively.

(8) A nonresident insurance producer who moves from one state to another state or a resident producer who moves from this state to another state must file a change of address and provide certification from the new resident state within thirty days of the change of legal residence. Service upon the commissioner as attorney constitutes effective legal service upon the insurance producer or title insurance agent.

(a) The appointment of the commissioner as attorney is irrevocable, binds any successor in interest or to the assets or liabilities of the insurance producer or title insurance agent in this state upon causes of action arising within this state. Service upon the commissioner as attorney constitutes effective legal service upon the insurance producer or title insurance agent.

(b) Duplicate copies of such legal process against such insurance producer or title insurance agent shall be served upon the commissioner by a person competent to serve a summons, or through registered mail. At the time of such service the plaintiff shall pay to the commissioner ten dollars, taxable as costs in the action.

(d) The commissioner shall keep a record of the day and hour of service upon the commissioner of all such legal process. No proceedings shall be had
against the defendant insurance producer or title insurance agent, and the defendant shall not be required to appear, plead, or answer until the expiration of forty days after the date of service upon the commissioner.

(4)) Service of legal process must be accomplished and processed in the manner prescribed in section 5 of this act.

(10) The commissioner may require any documents reasonably necessary to verify the information contained in an application and may, from time to time, require any licensed insurance producer or title insurance agent to produce the information called for in an application for license.

Sec. 4. RCW 48.17.250 and 2009 c 162 s 21 are each amended to read as follows:

The bond may be continuous in form, and total aggregate liability on the bond may be limited to the required amount of the bond. The bond (shall) must be contingent on the accounting by the resident insurance producer to any person requesting the resident insurance producer to obtain insurance, for moneys or premiums collected in connection therewith.

(2) Authorized insurance producers of a business entity may meet the requirements of this section with a bond in the name of the business entity, continuous in form, and in the amounts set forth in subsection (1) of this section. Insurance producers may meet the requirements of this section with a bond in the name of an association. (4) The insurance producer's license may be revoked if the insurance producer acts without a bond that is required under this section.

(5) If a party injured under the terms of the bond requests the insurance producer to provide the name of the surety and the bond number, the insurance producer must provide the information within three working days after receiving the request.

(6) Members of an association may meet the requirements of this section with a bond in the name of the association that is continuous in form and in the amounts set forth in subsection (1) of this section for each participating member.

(7) All records relating to the bond required by this section ((shall)) must be kept available and open to the inspection of the commissioner at any business time.
NEW SECTION. Sec. 5. A new section is added to chapter 48.02 RCW to read as follows:

CHAPTER 19

[Substitute Senate Bill 6271]

REGIONAL TRANSIT AUTHORITIES—ANNEXATION OF TERRITORY

AN ACT Relating to annexations by cities and code cities located within the boundaries of a regional transit authority; amending RCW 81.112.050; adding a new section to chapter 35.13 RCW; and adding a new section to chapter 35A.14 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 35.13 RCW to read as follows:

When territory is annexed under this chapter to a city located within the boundaries of a regional transit authority, the territory is simultaneously included within the boundaries of the authority and subject from the effective date of the annexation to all taxes and other liabilities and obligations applicable within the city with respect to the authority. The city must notify the authority of the annexation.

NEW SECTION. Sec. 2. A new section is added to chapter 35A.14 RCW to read as follows:

When territory is annexed under this chapter to a code city located within the boundaries of a regional transit authority, the territory is simultaneously included within the boundaries of the authority and subject from the effective date of the annexation to all taxes and other liabilities and obligations applicable
within the code city with respect to the authority. The code city must notify the authority of the annexation.

Sec. 3. RCW 81.112.050 and 1998 c 192 s 1 are each amended to read as follows:

(1) At the time of formation, the area to be included within the boundary of the authority shall be that area set forth in the system plan adopted by the joint regional policy committee. Prior to submitting the system and financing plan to the voters, the authority may make adjustments to the boundaries as deemed appropriate but must assure that, to the extent possible, the boundaries: (a) Include the largest-population urban growth area designated by each county under chapter 36.70A RCW; and (b) follow election precinct boundaries. If a portion of any city is determined to be within the service area, the entire city must be included within the boundaries of the authority. Subsequent to formation, when territory is annexed to a city located within the boundaries of the authority, the territory is simultaneously included within the boundaries of the authority and subject to all taxes and other liabilities and obligations applicable within the city with respect to the authority as provided in sections 1 and 2 of this act and notwithstanding any other provision of law.

(2) After voters within the authority boundaries have approved the system and financing plan, elections to add areas contiguous to the authority boundaries may be called by resolution of the regional transit authority, after consultation with affected transit agencies and with the concurrence of the legislative authority of the city or town if the area is incorporated, or with the concurrence of the county legislative authority if the area is unincorporated. Only those areas that would benefit from the services provided by the authority may be included and services or projects proposed for the area must be consistent with the regional transportation plan. The election may include a single ballot proposition providing for annexation to the authority boundaries and imposition of the taxes at rates already imposed within the authority boundaries.

(3) Upon receipt of a resolution requesting exclusion from the boundaries of the authority from a city whose municipal boundaries cross the boundaries of an authority and thereby result in only a portion of the city being subject to local option taxes imposed by the authority under chapters 81.104 and 81.112 RCW in order to implement a high capacity transit plan, and where the vote to approve the city's incorporation occurred simultaneously with an election approving the local option taxes, then upon a two-thirds majority vote of the governing board of the authority, the governing board shall redraw the boundaries of the authority to exclude that portion of the city that is located within the authority's boundaries, and the excluded area is no longer subject to local option taxes imposed by the authority. This subsection expires December 31, 1998.

Passed by the Senate February 12, 2010.
Passed by the House February 28, 2010.
Approved by the Governor March 10, 2010.

AN ACT Relating to establishing a statewide dropout reengagement program; amending RCW 28A.305.190 and 28B.15.067; adding new sections to chapter 28A.175 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. (1) In every school district there are older youth who have become disengaged with the traditional education program of public high schools. They may have failed multiple classes and are far behind in accumulating credits to graduate. They do not see a high school diploma as an achievable goal. They may have dropped out of school entirely. They are not likely to become reengaged in their education by the prospect of reenrollment in a traditional or even an alternative high school.

(2) For many years, school districts, community and technical colleges, and community-based organizations have created partnerships to provide appropriate educational programs for these students. Programs such as career education options and career link have successfully offered individualized academic instruction, case management support, and career-oriented skills in an age-appropriate learning environment to hundreds of disengaged older youth. Preparation for the GED test is provided but is not the end goal for students.

(3) However, in recent years, many of these partnerships have ceased to operate. The laws and rules authorizing school districts to contract using basic education allocations do not provide sufficient guidance and instead present barriers. Program providers are forced to adapt to rules that were not written to address the needs of the students being served. Questions and concerns about liability, responsibility, and administrative burden have caused districts reluctantly to abandon their partnerships, and consequently leave hundreds of students without a viable alternative for continuing their public education.

(4) Therefore the legislature intends to provide a statutory framework to support a statewide dropout reengagement system for older youth. The framework clarifies and standardizes funding, programs, and administration by directing the office of the superintendent of public instruction to develop model contracts and interlocal agreements. It is the legislature’s intent to encourage school districts, community and technical colleges, and community-based organizations to participate in this system and provide appropriate instruction and services to reengage older students and help them make progress toward a meaningful credential and career skills.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.175 RCW to read as follows:

(1) This section and sections 3 through 5 of this act provide a statutory framework for a statewide dropout reengagement system to provide appropriate educational opportunities and access to services for students age sixteen to twenty-one who have dropped out of high school or are not accumulating sufficient credits to reasonably complete a high school diploma in a public school before the age of twenty-one.

(2) Under the system, school districts may:
(a) Enter into the model interlocal agreement developed under section 4 of this act with an educational service district, community or technical college, or other public entity to provide a dropout reengagement program for eligible students of the district; or

(b) Enter into the model contract developed under section 4 of this act with a community-based organization to provide a dropout reengagement program for eligible students of the district.

(3) If a school district does not enter an interlocal agreement or contract with an educational service district, community or technical college, other public entity, or community-based organization to provide a dropout reengagement program for eligible students residing in the district, the educational service district, community or technical college, other public entity, or community-based organization may petition a school district other than the resident school district to enroll the eligible students under RCW 28A.225.220 through 28A.225.230 and enter the interlocal agreement or contract with the petitioning entity to provide a dropout reengagement program for the eligible students.

(4) This section does not affect the authority of school districts to contract for educational services under RCW 28A.150.305 and 28A.320.035. This section also does not affect the authority of school districts to offer dropout reengagement programs or other educational services for eligible students directly.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.175 RCW to read as follows:

The definitions in this section apply throughout sections 2 through 4 of this act unless the context clearly requires otherwise:

(1) "Dropout reengagement program" means an educational program that offers at least the following instruction and services:

(a) Academic instruction, including but not limited to GED preparation, academic skills instruction, and college and work readiness preparation, that generates credits that can be applied to a high school diploma from the student's school district or from a community or technical college under RCW 28B.50.535 and has the goal of enabling the student to obtain the academic and work readiness skills necessary for employment or postsecondary study. A dropout reengagement program is not required to offer instruction in only those subject areas where a student is deficient in accumulated credits. Academic instruction must be provided by teachers certified by the Washington professional educator standards board or by instructors employed by a community or technical college whose required credentials are established by the college;

(b) Case management, academic and career counseling, and assistance with accessing services and resources that support at-risk youth and reduce barriers to educational success; and

(c) If the program provider is a community or technical college, the opportunity for qualified students to enroll in college courses that lead to a postsecondary degree or certificate. The college may not charge an eligible student tuition for such enrollment.

(2) "Eligible student" means a student who:

(a) Is at least sixteen but less than twenty-one years of age at the beginning of the school year;
(b) Is not accumulating sufficient credits toward a high school diploma to reasonably complete a high school diploma from a public school before the age of twenty-one or is recommended for the program by case managers from the department of social and health services or the juvenile justice system; and

(c) Is enrolled or enrolls in the school district in which the student resides, or is enrolled or enrolls in a nonresident school district under RCW 28A.225.220 through 28A.225.230.

(3) "Full-time equivalent eligible student" means an eligible student whose enrollment and attendance meet criteria adopted by the office of the superintendent of public instruction specifically for dropout reengagement programs. The criteria shall be:

(a) Based on the community or technical college credits generated by the student if the program provider is a community or technical college; and

(b) Based on a minimum amount of planned programming or instruction and minimum attendance by the student rather than hours of seat time if the program provider is a community-based organization.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.175 RCW to read as follows:

(1) The office of the superintendent of public instruction shall develop a model interlocal agreement and a model contract for the dropout reengagement system.

(2) The model interlocal agreement and contract shall, at a minimum, address the following:

(a) Responsibilities for identification, referral, and enrollment of eligible students;

(b) Instruction and services to be provided by a dropout reengagement program, as specified under section 3 of this act;

(c) Responsibilities for data collection and reporting, including student transcripts and data required for the statewide student information system;

(d) Administration of the high school statewide student assessments;

(e) Uniform financial reimbursement rates per full-time equivalent eligible student enrolled in a dropout reengagement program, calculated and allocated as a statewide annual average of the basic education allocations generated under RCW 28A.150.260 for nonvocational students and including enhancements for vocational students where eligible students are enrolled in vocational courses in a program, and allowing for a uniform administrative fee to be retained by the district;

(f) Responsibilities for provision of special education or related services for eligible students with disabilities who have an individualized education program;

(g) Responsibilities for necessary accommodations and plans for students qualifying under section 504 of the rehabilitation act of 1973;

(h) Minimum instructional staffing ratios for dropout reengagement programs offered by community-based organizations, which are not required to be the same as for other basic education programs in school districts; and

(i) Performance measures that must be reported to the office of the superintendent of public instruction in a common format for purposes of accountability, including longitudinal monitoring of student progress and postsecondary education and employment.
(3) Eligible students enrolled in a dropout reengagement program under sections 2 through 4 of this act are considered regularly enrolled students of the school district in which they are enrolled, except that the students shall not be included in the school district's enrollment for purposes of calculating compliance with RCW 28A.150.100.

NEW SECTION. Sec. 5. A new section is added to chapter 28A.175 RCW to read as follows:

(1) The office of the superintendent of public instruction shall adopt rules to implement sections 2 through 4 of this act.

(2) When adopting rules under this section and developing model interlocal agreements and contracts under section 4 of this act, the office of the superintendent of public instruction shall consult with the state board for community and technical colleges, the workforce training and education coordinating board, colleges and community-based organizations that have previously offered dropout reengagement programs, providers of online courses and programs approved under RCW 28A.250.020, school districts, and educational service districts.

Sec. 6. RCW 28A.305.190 and 1993 c 218 s 1 are each amended to read as follows:

The state board of education shall adopt rules governing the eligibility of a child sixteen years of age and under nineteen years of age to take the GED test if the child provides a substantial and warranted reason for leaving the regular high school education program, if the child was home-schooled, or if the child is an eligible student enrolled in a dropout reengagement program under sections 2 through 4 of this act.

Sec. 7. RCW 28B.15.067 and 2009 c 574 s 1 are each amended to read as follows:

(1) Tuition fees shall be established under the provisions of this chapter.

(2) Beginning with the 2003-04 academic year and ending with the 2012-13 academic year, reductions or increases in full-time tuition fees for resident undergraduates shall be as provided in the omnibus appropriations act.

(3) Beginning with the 2003-04 academic year and ending with the 2012-13 academic year, the governing boards of the state universities, the regional universities, The Evergreen State College, and the state board for community and technical colleges may reduce or increase full-time tuition fees for all students other than resident undergraduates, including summer school students and students in other self-supporting degree programs. Percentage increases in full-time tuition fees may exceed the fiscal growth factor. Reductions or increases may be made for all or portions of an institution's programs, campuses, courses, or students.

(b) Prior to reducing or increasing tuition for each academic year, the governing boards of the state universities, the regional universities, and The Evergreen State College shall consult with existing student associations or organizations with student undergraduate and graduate representatives regarding the impacts of potential tuition increases. Governing boards shall be required to provide data regarding the percentage of students receiving financial aid, the sources of aid, and the percentage of total costs of attendance paid for by aid.
(c) Prior to reducing or increasing tuition for each academic year, each college in the state board for community and technical college system shall consult with existing student associations or organizations with undergraduate student representation regarding the impacts of potential tuition increases. Colleges shall provide data regarding the percentage of students receiving financial aid, the sources of aid, and the percentage of total costs of attendance paid for by aid.

(4) Academic year tuition for full-time students at the state's institutions of higher education beginning with 2015-16, other than summer term, shall be as charged during the 2014-15 academic year unless different rates are adopted by the legislature.

(5) The tuition fees established under this chapter shall not apply to high school students enrolling in participating institutions of higher education under RCW 28A.600.300 through 28A.600.400.

(6) The tuition fees established under this chapter shall not apply to eligible students enrolling in a dropout reengagement program through an interlocal agreement between a school district and a community or technical college under (RCW 28C.04.610) sections 2 through 4 of this act.

(7) The tuition fees established under this chapter shall not apply to eligible students enrolling in a community or technical college participating in the pilot program under RCW 28B.50.534 for the purpose of obtaining a high school diploma.

(8) For the academic years 2003-04 through 2008-09, the University of Washington shall use an amount equivalent to ten percent of all revenues received as a result of law school tuition increases beginning in academic year 2000-01 through academic year 2008-09 to assist needy low and middle-income resident law students.

(9) For the academic years 2003-04 through 2008-09, institutions of higher education shall use an amount equivalent to ten percent of all revenues received as a result of graduate academic school tuition increases beginning in academic year 2003-04 through academic year 2008-09 to assist needy low and middle-income resident graduate academic students.

(10) Any tuition increases above seven percent shall fund costs of instruction, library and student services, utilities and maintenance, other costs related to instruction as well as institutional financial aid. Through 2010-11, any funding reductions to instruction, library and student services, utilities and maintenance and other costs related to instruction shall be proportionally less than other program areas including administration.

CHAPTER 22
[Substitute House Bill 2789]
UNDERGROUND ECONOMY ACTIVITY—INVESTIGATIONS—SUBPOENAS

AN ACT Relating to authorizing issuance of subpoenas for purposes of agency investigations of underground economic activity; amending RCW 51.04.040 and 50.12.130; adding a new section to chapter 82.32 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. (1) The legislature finds that underground economy activity in this state results in lost revenue to the state and is unfair to law-abiding businesses. The legislature further finds that agencies that collect taxes and overpayments on behalf of the state have authority under current law to issue subpoenas and that the issuance of subpoenas is a highly useful tool in the investigation of underground activity of businesses and the unreported employees who work for them. The legislature further finds that in the case of State v. Miles, the Washington supreme court held that Article 1, section 7 of the state Constitution requires judicial review of a subpoena under some circumstances.

(2) The legislature therefore intends to provide a process for the department of revenue, the department of labor and industries, and the employment security department to apply for court approval of an agency investigative subpoena which is authorized under current law in cases where the agency seeks such approval, or where court approval is required by Article 1, section 7. The legislature does not intend to require court approval except where otherwise required by law or Article 1, section 7. The legislature does not intend to create any new authority to subpoena records or create any new rights for any person.

Sec. 2. RCW 51.04.040 and 1987 c 316 s 1 are each amended to read as follows:

(1) The director and his or her authorized assistants ((shall)) have power to issue subpoenas to enforce the attendance and testimony of witnesses and the production and examination of books, papers, photographs, tapes, and records before the department in connection with any claim made to the department, any billing submitted to the department, or the assessment or collection of premiums. The superior court ((shall have)) has the power to enforce any such subpoena by proper proceedings.
(2)(a) The director and his or her authorized assistants may apply for and obtain a superior court order approving and authorizing a subpoena in advance of its issuance. The application may be made in the county where the subpoenaed person resides or is found, or the county where the subpoenaed records or documents are located, or in Thurston county. [Substitute House Bill 2649]
EMPLOYMENT SECURITY ACT—CORRECTIONS

AN ACT Relating to correcting references in RCW 50.29.021(2)(c)(i), (c)(ii), and (3)(c), RCW 50.29.062(2)(b)(i)(B) and (2)(b)(iii), and RCW 50.29.063(1)(b) and (2)(a)(ii) to unemployment insurance statutes concerning employer experience rating accounts and contribution rates; amending RCW 50.29.062 and 50.29.063; reenacting and amending RCW 50.29.021; creating a new section; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 50.29.021 and 2009 c 493 s 1, 2009 c 50 s 1, and 2009 c 3 s 13 are each reenacted and amended to read as follows:

(1) This section applies to benefits charged to the experience rating accounts of employers for claims that have an effective date on or after January 4, 2004.

(2)(a) An experience rating account shall be established and maintained for each employer, except employers as described in RCW 50.44.010, 50.44.030, and 50.50.030 who have properly elected to make payments in lieu of contributions, taxable local government employers as described in RCW 50.44.035, and those employers who are required to make payments in lieu of contributions, based on existing records of the employment security department.

(b) Benefits paid to an eligible individual shall be charged to the experience rating accounts of each of such individual's employers during the individual's base year in the same ratio that the wages paid by each employer to the individual during the base year bear to the wages paid by all employers to that individual during that base year, except as otherwise provided in this section.

(c) When the eligible individual's separating employer is a covered contribution paying base year employer, benefits paid to the eligible individual shall be charged to the experience rating account of only the individual's separating employer if the individual qualifies for benefits under:

(i) RCW 50.20.050 (1)(b)(i) or (2)(b)(i), as applicable, and became unemployed after having worked and earned wages in the bona fide work; or

(ii) RCW 50.20.050 (1)(b) (v) through (x) or (2)(b) (v) through (x).

(3) The legislature finds that certain benefit payments, in whole or in part, should not be charged to the experience rating accounts of employers except those employers described in RCW 50.44.010, 50.44.030, and 50.50.030 who have properly elected to make payments in lieu of contributions, taxable local
government employers described in RCW 50.44.035, and those employers who are required to make payments in lieu of contributions, as follows:

(a) Benefits paid to any individual later determined to be ineligible shall not be charged to the experience rating account of any contribution paying employer. However, when a benefit claim becomes invalid due to an amendment or adjustment of a report where the employer failed to report or inaccurately reported hours worked or remuneration paid, or both, all benefits paid will be charged to the experience rating account of the contribution paying employer or employers that originally filed the incomplete or inaccurate report or reports. An employer who reimburses the trust fund for benefits paid to workers and who fails to report or inaccurately reported hours worked or remuneration paid, or both, shall reimburse the trust fund for all benefits paid that are based on the originally filed incomplete or inaccurate report or reports.

(b) Benefits paid to an individual filing under the provisions of chapter 50.06 RCW shall not be charged to the experience rating account of any contribution paying employer only if:

(i) The individual files under RCW 50.06.020(1) after receiving crime victims' compensation for a disability resulting from a nonwork-related occurrence; or

(ii) The individual files under RCW 50.06.020(2).

(c) Benefits paid which represent the state's share of benefits payable as extended benefits defined under RCW 50.22.010(6) shall not be charged to the experience rating account of any contribution paying employer.

(d) In the case of individuals who requalify for benefits under RCW 50.20.050 or 50.20.060, benefits based on wage credits earned prior to the disqualifying separation shall not be charged to the experience rating account of the contribution paying employer from whom that separation took place.

(e) Benefits paid to an individual who qualifies for benefits under RCW 50.20.050 (1)(b) (iv) or (xi) or (2)(b) (iv) or (xi), as applicable, shall not be charged to the experience rating account of any contribution paying employer.

(f) With respect to claims with an effective date on or after the first Sunday following April 22, 2005, benefits paid that exceed the benefits that would have been paid if the weekly benefit amount for the claim had been determined as one percent of the total wages paid in the individual's base year shall not be charged to the experience rating account of any contribution paying employer. This subsection (3)(f) does not apply to the calculation of contribution rates under RCW 50.29.025 for rate year 2010 and thereafter.

(g) The forty-five dollar increase paid as part of an individual's weekly benefit amount as provided in RCW 50.20.1201 shall not be charged to the experience rating account of any contribution paying employer.

(h) With respect to claims where the minimum amount payable weekly is increased to one hundred fifty-five dollars pursuant to RCW 50.20.1201(3), benefits paid that exceed the benefits that would have been paid if the minimum amount payable weekly had been calculated pursuant to RCW 50.20.120 shall not be charged to the experience rating account of any contribution paying employer.

(i) Training benefits paid to an individual under RCW 50.22.155 shall not be charged to the experience rating account of any contribution paying employer.
(4)(a) A contribution paying base year employer, not otherwise eligible for relief of charges for benefits under this section, may receive such relief if the benefit charges result from payment to an individual who:

(i) Last left the employ of such employer voluntarily for reasons not attributable to the employer;

(ii) Was discharged for misconduct or gross misconduct connected with his or her work not a result of inability to meet the minimum job requirements;

(iii) Is unemployed as a result of closure or severe curtailment of operation at the employer's plant, building, worksite, or other facility. This closure must be for reasons directly attributable to a catastrophic occurrence such as fire, flood, or other natural disaster;

(iv) Continues to be employed on a regularly scheduled permanent part-time basis by a base year employer and who at some time during the base year was concurrently employed and subsequently separated from at least one other base year employer. Benefit charge relief ceases when the employment relationship between the employer requesting relief and the claimant is terminated. This subsection does not apply to shared work employers under chapter 50.06 RCW; or

(v) Was hired to replace an employee who is a member of the military reserves or National Guard and was called to federal active military service by the president of the United States and is subsequently laid off when that employee is reemployed by their employer upon release from active duty within the time provided for reemployment in RCW 73.16.035.

(b) The employer requesting relief of charges under this subsection must request relief in writing within thirty days following mailing to the last known address of the notification of the valid initial determination of such claim, stating the date and reason for the separation or the circumstances of continued employment. The commissioner, upon investigation of the request, shall determine whether relief should be granted.

Sec. 2. RCW 50.29.062 and 2009 c 225 s 1 are each amended to read as follows:

Except as provided in RCW 50.29.063, predecessor and successor employer contribution rates shall be computed in the following manner:

(1) If the successor is an employer, as defined in RCW 50.04.080, at the time of the transfer of a business, the following applies:

(a) The successor's contribution rate shall remain unchanged for the remainder of the rate year in which the transfer occurs; and

(b) Beginning January 1st following the transfer, the successor's contribution rate for each rate year shall be based on a combination of the following:

(i) The successor's experience with payrolls and benefits; and

(ii) Any experience assigned to the predecessor involved in the transfer. If only a portion of the business was transferred, then the experience attributable to the acquired portion is assigned to the successor.

(2) If the successor is not an employer at the time of the transfer, the following applies:

(a) For transfers before January 1, 2005:

(i) Except as provided in (ii) of this subsection (2)(a), the successor shall pay contributions at the lowest rate determined under either of the following:
(A) The contribution rate of the rate class assigned to the predecessor employer at the time of the transfer for the remainder of that rate year. Any experience relating to the assignment of that rate class attributable to the predecessor is transferred to the successor. Beginning with the January 1st following the transfer, the successor's contribution rate shall be based on a combination of the transferred experience of the acquired business and the successor's experience after the transfer; or

(B) The contribution rate equal to the average industry rate as determined by the commissioner, but not less than one percent, and continuing until the successor qualifies for a different rate in its own right. Assignment of employers by the commissioner to industrial classification, for purposes of this subsection, must be in accordance with established classification practices found in the North American industry classification system issued by the federal office of management and budget to the fourth digit provided in the North American industry classification system.

(ii) If the successor simultaneously acquires the business or a portion of the business of two or more employers in different rate classes, its rate, from the date the transfer occurred until the end of that rate year and until it qualifies in its own right for a new rate, shall be the rate of the highest rate class applicable at the time of the acquisition to any predecessor employer who is a party to the acquisition, but not less than one percent.

(b) For transfers on or after January 1, 2005:

(i) Except as provided in (ii) and (iii) of this subsection (2)(b), the successor shall pay contributions:

(A) At the contribution rate assigned to the predecessor employer at the time of the transfer for the remainder of that rate year. Any experience attributable to the predecessor relating to the assignment of the predecessor's rate class is transferred to the successor.

(B) Beginning January 1st following the transfer, the successor's contribution rate for each rate year shall be based on an array calculation factor rate that is a combination of the following: The successor's experience with payrolls and benefits; and any experience assigned to the predecessor involved in the transfer. If only a portion of the business was transferred, then the experience attributable to the acquired portion is assigned to the successor if qualified under RCW 50.29.010((6) (iii)) by including the transferred experience. If not qualified under RCW 50.29.010((6) (iii)), the contribution rate shall equal the sum of the rates determined by the commissioner under RCW 50.29.025 ((2) (d)(ii) or (2) (d) and 50.29.041, if applicable, and continuing until the successor qualifies for a different rate, including the transferred experience.

(ii) If there is a substantial continuity of ownership, control, or management by the successor of the business of the predecessor, the successor shall pay contributions at the contribution rate determined for the predecessor employer at the time of the transfer for the remainder of that rate year. Any experience attributable to the predecessor relating to the assignment of the predecessor's rate class is transferred to the successor. Beginning January 1st following the transfer, the successor's array calculation factor rate shall be based on a combination of the transferred experience of the acquired business and the successor's experience after the transfer.
(iii) If the successor simultaneously acquires the business or a portion of the business of two or more employers with different contribution rates, the successor's rate, from the date the transfer occurred until the end of that rate year and until it qualifies in its own right for a new rate, shall be the sum of the rates determined by the commissioner under RCW 50.29.025 (1)(a) and (b) or (2)(a) and (b), and 50.29.041, applicable at the time of the acquisition, to the predecessor employer who, among the parties to the acquisition, had the largest total payroll in the completed calendar quarter immediately preceding the date of transfer, but not less than the sum of the rates determined by the commissioner under RCW 50.29.025 ((2)(d)(ii)) or (2)(d) and 50.29.041, if applicable.

(3) With respect to predecessor employers:

(a) The contribution rate on any payroll retained by a predecessor employer shall remain unchanged for the remainder of the rate year in which the transfer occurs.

(b) In all cases, beginning January 1st following the transfer, the predecessor's contribution rate or the predecessor's array calculation factor for each rate year shall be based on its experience with payrolls and benefits as of the regular computation date for that rate year excluding the experience of the transferred business or transferred portion of business as that experience has transferred to the successor: PROVIDED, That if all of the predecessor's business is transferred to a successor or successors, the predecessor shall not be a qualified employer until it satisfies the requirements of a "qualified employer" as set forth in RCW 50.29.010.

(4) For purposes of this section, "transfer of a business" means the same as RCW 50.29.063(4)(c).

Sec. 3. RCW 50.29.063 and 2009 c 225 s 2 are each amended to read as follows:

(1) If it is found that a significant purpose of the transfer of a business was to obtain a reduced array calculation factor rate, then the following applies:

(a) If the successor was an employer at the time of the transfer, then the experience rating accounts of the employers involved shall be combined into a single account and the employers assigned the higher of the predecessor or successor array calculation factor rate to take effect as of the date of the transfer.

(b) If the successor was not an employer at the time of the transfer, then the experience rating account of the acquired business must not be transferred and, instead, the sum of the rate determined by the commissioner under RCW 50.29.025 ((2)(d)(ii)) or (2)(d) and 50.29.041, if applicable, shall be assigned.

(2) If any part of a delinquency for which an assessment is made under this title is due to an intent to knowingly evade the successorship provisions of RCW 50.29.062 and this section, then with respect to the employer, and to any business found to be knowingly promoting the evasion of such provisions:

(a) The commissioner shall, for the rate year in which the commissioner makes the determination under this subsection and for each of the three consecutive rate years following that rate year, assign to the employer or business the total rate, which is the sum of the recalculated array calculation factor rate and a civil penalty assessment rate, calculated as follows:
(i) Recalculate the array calculation factor rate as the array calculation factor rate that should have applied to the employer or business under RCW 50.29.025 and 50.29.062; and

(ii) Calculate a civil penalty assessment rate in an amount that, when added to the array calculation factor rate determined under (a)(i) of this subsection for the applicable rate year, results in a total rate equal to the maximum array calculation factor rate under RCW 50.29.025 plus two percent, which total rate is not limited by any maximum array calculation factor rate established in RCW 50.29.025 (1)(b)(ii) or (2)(b)(ii);

(b) The employer or business may be prosecuted under the penalties prescribed in RCW 50.36.020; and

(c) The employer or business must pay for the employment security department's reasonable expenses of auditing the employer's or business's books and collecting the civil penalty assessment.

(3) If the person knowingly evading the successorship provisions, or knowingly attempting to evade these provisions, or knowingly promoting the evasion of these provisions, is not an employer, the person is subject to a civil penalty assessment of five thousand dollars per occurrence. In addition, the person is subject to the penalties prescribed in RCW 50.36.020 as if the person were an employer. The person must also pay for the employment security department's reasonable expenses of auditing his or her books and collecting the civil penalty assessment.

(4) For purposes of this section:

(a) "Knowingly" means having actual knowledge of or acting with deliberate ignorance or reckless disregard for the prohibition involved and includes, but is not limited to, intent to evade, misrepresentation, or willful nondisclosure.

(b) "Person" means and includes an individual, a trust, estate, partnership, association, company, or corporation.

(c) "Transfer of a business" includes the transfer or acquisition of substantially all or a portion of the operating assets, which may include the employer's workforce.

(5) Any decision to assess a penalty under this section shall be made by the chief administrative officer of the tax branch or his or her designee.

(6) Nothing in this section shall be construed to deny an employer the right to appeal the assessment of a penalty in the manner provided in RCW 50.32.030.

(7) The commissioner shall engage in prevention, detection, and collection activities related to evasion of the successorship provisions of RCW 50.29.062 and this section, and establish procedures to enforce this section.

NEW SECTION. Sec. 4. If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state or the eligibility of employers in this state for federal unemployment tax credits, the conflicting part of this act is inoperative solely to the extent of the conflict, and the finding or determination does not affect the operation of the remainder of this act. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state.
NEW SECTION. Sec. 5. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 6. Section 1 of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

If the person who will market a discount plan is an entity, only the entity must be identified. This list must be maintained and updated within sixty days of any change in the information. An updated list must be sent to the commissioner as part of the discount plan organization's renewal application under (b)(vii) of this subsection;

(xii) A copy of the applicant's most recent financial statements audited by an independent certified public accountant, except that, subject to the approval of the commissioner, an applicant that is an affiliate of a parent entity that is publicly traded and that prepares audited financial statements reflecting the consolidated operations of the parent entity may submit the audited financial statement of the parent entity and a written guaranty that the minimum capital requirements required under RCW 48.155.030 will be met by the parent entity instead of the audited financial statement of the applicant;

(xiii) A description of the proposed methods of marketing including, but not limited to, describing the use of marketers, use of the internet, sales by telephone, electronic mail, or facsimile machine, and use of salespersons to market the discount plan benefits;

(xiv) A description of the member complaint procedures which must be established and maintained by the applicant;

(xv) The name and address of the applicant's Washington statutory agent for service of process, notice, or demand or, if not domiciled in this state, a power of attorney duly executed by the applicant, appointing the commissioner and duly authorized deputies as the true and lawful attorney of the applicant in and for this state upon whom all law process in any legal action or proceeding against the discount plan organization on a cause of action arising in this state may be served; and

(xvi) Any other information the commissioner may reasonably require.

(3)(a) Upon application to and approval by the commissioner and payment of the applicable fees, a discount plan organization that holds a current license or other form of authority from another state to operate as a discount plan organization, at the commissioner's discretion, may not be required to submit the information required under subsection (2) of this section in order to obtain a license under this section if the commissioner is satisfied that the other state's requirements, at a minimum, are equivalent to those required under subsection (2) of this section or the commissioner is satisfied that the other state's requirements are sufficient to protect the interests of the residents of this state.
(b) Whenever the discount plan organization loses its license or other form of authority in that other state to operate as a discount plan organization, or is the subject of any disciplinary administrative proceeding related to the organization's operating as a discount plan organization in that other state, the discount plan organization ((shall)) must immediately notify the commissioner.

(4) After the receipt of an application filed under subsection (2) or (3) of this section, the commissioner ((shall)) must review the application and notify the applicant of any deficiencies in the application.

(5)(a) Within ninety days after the date of receipt of a completed application, the commissioner ((shall)) must:

(i) Issue a license if the commissioner is satisfied that the applicant has met the following:

(A) The applicant has fulfilled the requirements of this section and the minimum capital requirements in accordance with RCW 48.155.030; and

(B) The persons who own, control, and manage the applicant are competent and trustworthy and possess managerial experience that would make the proposed operation of the discount plan organization beneficial to discount plan members; or

(ii) Disapprove the application and state the grounds for disapproval.

(b) In making a determination under (a) of this subsection, the commissioner may consider, for example, whether the applicant or an officer or manager of the applicant:

(i) Is not financially responsible;

(ii) does not have adequate expertise or experience to operate a medical discount plan organization;

(iii) is not of good character. Among the factors that the commissioner may consider in making the determination is whether the applicant or an affiliate or a business formerly owned or managed by the applicant or an officer or manager of the applicant has had a previous application for a license, or other authority, to operate as any entity regulated by the commissioner denied, revoked, suspended, or terminated for cause, or is under investigation for or has been found in violation of a statute or regulation in another jurisdiction within the previous five years.

(6) Prior to licensure by the commissioner, each discount plan organization ((shall)) must establish an internet web site in order to conform to the requirements of RCW 48.155.070(2).

(7)(a) A license is effective for up to one year, unless prior to its expiration the license is renewed in accordance with this subsection or suspended or revoked in accordance with subsection (8) of this section. Licenses issued or renewed on or after July 1, 2010, will be subject to renewal annually on July 1st. If not so renewed, the license will automatically expire on the renewal date.

(b) At least ninety days before a license expires, the discount plan organization ((shall)) must submit:

(i) A renewal application form; and

(ii) A two hundred dollar renewal application fee for deposit into the general fund.

(c) The commissioner ((shall)) must renew the license of each holder that meets the requirements of this chapter and pays the appropriate renewal fee required.

(8)(a) The commissioner may suspend the authority of a discount plan organization to enroll new members or refuse to renew or revoke a discount plan
organization's license if the commissioner finds that any of the following conditions exist:

(i) The discount plan organization is not operating in compliance with this chapter;

(ii) The discount plan organization does not have the minimum net worth as required under RCW 48.155.030;

(iii) The discount plan organization has advertised, merchandised, or attempted to merchandise its services in such a manner as to misrepresent its services or capacity for service or has engaged in deceptive, misleading, or unfair practices with respect to advertising or merchandising;

(iv) The discount plan organization is not fulfilling its obligations as a discount plan organization; or

(v) The continued operation of the discount plan organization would be hazardous to its members.

(b) If the commissioner has cause to believe that grounds for the nonrenewal, suspension, or revocation of a license exists, the commissioner must notify the discount plan organization in writing specifically stating the grounds for the refusal to renew or suspension or revocation and may also pursue a hearing on the matter under chapter 48.04 RCW.

(c) When the license of a discount plan organization is nonrenewed, surrendered, or revoked, the discount plan organization must immediately upon the effective date of the order of revocation or, in the case of a nonrenewal, the date of expiration of the license, stop any further advertising, solicitation, collecting of fees, or renewal of contracts, and proceed to wind up its affairs transacted under the license.

(d)(i) When the commissioner suspends a discount plan organization's authority to enroll new members, the suspension order must specify the period during which the suspension is to be in effect and the conditions, if any, that must be met by the discount plan organization prior to reinstatement of its license to enroll members.

(ii) The commissioner may rescind or modify the order of suspension prior to the expiration of the suspension period.

(iii) The license of a discount plan organization may not be reinstated unless requested by the discount plan organization. The commissioner may not grant the request for reinstatement if the commissioner finds that the circumstances for which the suspension occurred still exist or are likely to recur.

(9) Each licensed discount plan organization must notify the commissioner immediately whenever the discount plan organization's license, or other form of authority to operate as a discount plan organization in another state, is suspended, revoked, or nonrenewed in that state.

(10) A health care provider who provides discounts to his or her own patients without any cost or fee of any kind to the patient is not required to obtain and maintain a license under this chapter as a discount plan organization.

(1) Except as otherwise provided by this chapter, all intangible property, including any income or increment derived therefrom, less any lawful charges, that is held, issued, or owing in the ordinary course of the holder's business and has remained unclaimed by the owner for more than three years after it became payable or distributable is presumed abandoned.

(2) Property, with the exception of unredeemed Washington state lottery tickets and unpresented winning parimutuel tickets, is payable and distributable for the purpose of this chapter notwithstanding the owner's failure to make demand or to present any instrument or document required to receive payment.

(3) This chapter does not apply to claims drafts issued by insurance companies representing offers to settle claims unliquidated in amount or settled by subsequent drafts or other means.

(4) This chapter does not apply to property covered by chapter 63.26 RCW.

CHAPTER 30
[Substitute House Bill 2704]
MAIN STREET PROGRAM—TRANSFER

AN ACT Relating to transferring the Washington main street program to the department of
archaeology and historic preservation; amending RCW 35.100.020, 43.360.010, and 82.73.050;
reenacting and amending RCW 82.73.010; creating new sections; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. Many of Washington's communities use the main
street program to address issues facing their older traditional commercial
districts. The main street program is a preservation-based economic
development program that assists communities in implementing a locally driven
downtown revitalization effort. However, the main street program is broader
than merely preserving a community's downtown, it is the revitalization of that
community's downtown. Downtown revitalization creates jobs and puts people
to work. Downtown revitalization attracts new businesses and offers local
investment opportunities. New and expanding downtown businesses generate
increased sales tax and attract export dollars to the community. Therefore, the
legislature finds that the movement of the main street program from the
department of commerce to the department of archaeology and historic
preservation is designed to provide for both the preservation of a community's
downtown and economic development for that community.

Sec. 2. RCW 35.100.020 and 2002 c 79 s 2 are each amended to read as
follows:

neighborhood commercial district in the year preceding.

(3) "Downtown or neighborhood commercial district" means (a) an area or

Sec. 7. RCW 18.44.201 and 1999 c 30 s 5 are each amended to read as follows:

(c) A surety bond in the amount of ten thousand dollars executed by the applicant as obligor and by a surety company authorized to do a surety business in this state as surety, unless the fidelity bond obtained by the licensee to satisfy the requirement in (a) of this subsection does not have a deductible. The bond shall run to the state of Washington as obligee, and shall run to the benefit of the state and any person or persons who suffer loss by reason of the applicant's or its employee's violation of this chapter. The bond shall be conditioned that the obligor as licensee will faithfully conform to and abide by this chapter and all rules adopted under this chapter, and shall reimburse all persons who suffer loss by reason of a violation of this chapter or rules adopted under this chapter. The bond shall be continuous and may be canceled by the surety upon the surety giving written notice to the director of its intention to cancel the bond. The cancellation shall be effective thirty days after the notice is received by the director. Whether or not the bond is renewed, continued, reinstated, reissued, replaced, or modified, including increases or decreases in the penal sum, it shall be considered one continuous obligation, and the surety upon the bond shall not be liable in an aggregate amount exceeding the penal sum set forth on the face of the bond. In no event shall the penal sum, or any portion thereof, at two or more points in time be added together in determining the surety's liability. This bond shall be for the sole benefit of the escrow agent and under no circumstances whatsoever shall the bonding company be liable under the bond to any other party unless the corporate officer, partner, or sole practitioner commits a fraudulent or dishonest act, in which case, the bond shall be for the benefit of the harmed consumer. The bond shall name the escrow agent as obligee and shall protect the obligee against the loss of money or other real or personal property belonging to the obligee, or in which the obligee has a pecuniary interest, or for which the obligee is legally liable or held by the obligee in any capacity, whether the obligee is legally liable therefor or not. An escrow agent's bond must be maintained until all accounts have been reconciled and the escrow trust account balance is zero. The bond may be canceled by the insurer upon delivery of thirty days' written notice to the director and to the escrow agent. In the event that the fidelity bond required under this subsection is not reasonably available, the director may adopt rules to implement a surety bond requirement.

(3) For the purposes of this section, an "errors and omissions policy" shall mean a group or individual insurance policy satisfactory to the director and issued by an insurer authorized to transact insurance business in the state of Washington. Such policy shall provide coverage for unintentional errors and omissions of the escrow agent and its employees, and may be canceled by the insurer upon delivery of thirty days' written notice to the director and to the escrow agent.

(4) Except as provided in RCW 18.44.221, the fidelity bond, surety bond, and the errors and omissions policy required by this section shall be kept in full force and effect as a condition precedent to the escrow agent's authority to transact escrow business in this state, and the escrow agent shall supply the director with satisfactory evidence thereof upon request.

The definitions set forth in this section apply throughout this chapter unless the context clearly requires a different meaning.

(1) "Add-on method" means the method of precomputing interest payable on a loan whereby the interest to be earned is added to the principal balance and the total plus any charges allowed under this chapter is stated as the loan amount, without further provision for the payment of interest except for failure to pay according to loan terms. The director may adopt by rule a more detailed explanation of the meaning and use of this method.

(2) "Applicant" means a person applying for a license under this chapter.

(3) "Borrower" means any person who consults with or retains a licensee or person subject to this chapter in an effort to obtain or seek information about obtaining a loan, regardless of whether that person actually obtains such a loan.

(4) "Depository institution" has the same meaning as in section 3 of the federal deposit insurance act on July 26, 2009, and includes credit unions.

(5) "Director" means the director of financial institutions.

(v) Offering to engage in any activity, or act in any capacity, described in (((b))) (c)(i) through (iv) of this subsection.

((e)) (d) This subsection does not apply to an individual servicing a mortgage loan before July 1, 2011.

(e) This subsection does not apply to employees of a housing counseling agency approved by the United States department of housing and urban development unless the employees of a housing counseling agency are required under federal law to be individually licensed as mortgage loan originators.

(21) "Residential mortgage loan" means any loan primarily for personal, family, or household use that is secured by a mortgage, deed of trust, or other equivalent consensual security interest on a dwelling, as defined in section 103(v) of the truth in lending act, or residential real estate upon which is constructed or intended to be constructed a dwelling.

(22) "Residential mortgage loan modification" means a change in one or more of a residential mortgage loan's terms or conditions. (23) "Residential mortgage loan modification services" includes negotiating, attempting to negotiate, arranging, attempting to arrange, or otherwise offering to perform a residential mortgage loan modification. "Residential mortgage loan modification services" also includes the collection of data for submission to an entity performing mortgage loan modification services. (27) "Service or servicing a reverse mortgage loan" means, pursuant to an agreement with the owner of a reverse mortgage loan: Calculating, collecting, or receiving payments of interest or other amounts due; administering advances to the borrower; and providing account statements to the borrower or lender.

(28) "Simple interest method" means the method of computing interest payable on a loan by applying the annual percentage interest rate or its periodic equivalent to the unpaid balances of the principal of the loan outstanding for the time outstanding with each payment applied first to any unpaid penalties, fees, or charges, then to accumulated interest, and the remainder of the payment applied to the unpaid balance of the principal until paid in full. In using such method, interest shall not be payable in advance nor compounded, except that on a loan secured by real estate, a licensee may collect at the time of the loan closing up to but not exceeding forty-five days of prepaid interest. The prohibition on compounding interest does not apply to reverse mortgage loans made in accordance with the Washington state reverse mortgage act. The director may adopt by rule a more detailed explanation of the meaning and use of this method.

(29) "Third-party residential mortgage loan modification services" means residential mortgage loan modification services offered or performed by any person other than the owner or servicer of the loan.

(30) "Third-party service provider" means any person other than the licensee or a mortgage broker who provides goods or services to the licensee or borrower in connection with the preparation of the borrower's loan and includes, but is not limited to, credit reporting agencies, real estate brokers or salespersons, title insurance companies and agents, appraisers, structural and pest inspectors, or escrow companies.

(31) "Unique identifier" means a number or other identifier assigned by protocols established by the nationwide mortgage licensing system and registry.

Sec. 2. RCW 31.04.035 and 2009 c 120 s 4 are each amended to read as follows:

No person may engage in the business of making secured or unsecured loans of money, credit, or things in action, or servicing residential mortgage loans, without first obtaining and maintaining a license in accordance with this chapter, except those exempt under RCW 31.04.025.

Sec. 3. RCW 31.04.045 and 2009 c 120 s 5 are each amended to read as follows:

(1) Application for a license under this chapter must be made to the nationwide mortgage licensing system and registry or in the form prescribed by the director. The application must contain at least the following information:

(a) The name and the business addresses of the applicant;
(b) If the applicant is a partnership or association, the name of every member;
(c) If the applicant is a corporation, the name, residence address, and telephone number of each officer and director;
(d) The street address, county, and municipality from which business is to be conducted; and
(e) Such other information as the director may require by rule.
(2) As part of or in connection with an application for any license under this section, or periodically upon license renewal, each officer, director, and owner applicant shall furnish information concerning his or her identity, including fingerprints for submission to the Washington state patrol, the federal bureau of investigation, the nationwide mortgage licensing system and registry, or any governmental agency or entity authorized to receive this information for a state and national criminal history background check; personal history; experience; business record; purposes; and other pertinent facts, as the director may reasonably require. As part of or in connection with an application for a license under this chapter, or periodically upon license renewal, the director is authorized to receive criminal history record information that includes nonconviction data as defined in RCW 10.97.030. The department may only disseminate nonconviction data obtained under this section to criminal justice agencies. This section does not apply to financial institutions regulated under chapters 31.12 and 31.13 RCW and Titles 30, 32, and 33 RCW.

(3) In order to reduce the points of contact which the federal bureau of investigation may have to maintain, the director may use the nationwide mortgage licensing system and registry as a channeling agent for requesting information from and distributing information to the department of justice or any governmental agency.

(4) In order to reduce the points of contact which the director may have to maintain, the director may use the nationwide mortgage licensing system and registry as a channeling agent for requesting and distributing information to and from any source so directed by the director.

(5) At the time of filing an application for a license under this chapter, each applicant shall pay to the director or through the nationwide mortgage licensing system and registry an investigation fee and the license fee in an amount determined by rule of the director to be sufficient to cover the director's costs in administering this chapter.

(6) Each applicant shall file and maintain a surety bond, approved by the director, executed by the applicant as obligor and by a surety company authorized to do a surety business in this state as surety, whose liability as such surety shall not exceed in the aggregate the penal sum of the bond. The penal sum of the bond shall be a minimum of thirty thousand dollars and based on the annual dollar amount of loans originated or residential mortgage loans serviced. The bond shall run to the state of Washington as obligee for the use and benefit of the state and of any person or persons who may have a cause of action against the obligor under this chapter. The bond shall be conditioned that the obligor as licensee will faithfully conform to and abide by this chapter and all the rules adopted under this chapter. The bond will pay to the state and any person or persons having a cause of action against the obligor all moneys that may become due and owing to the state and those persons under and by virtue of this chapter. In lieu of a surety bond, if the applicant is a Washington business corporation, the applicant may maintain unimpaired capital, surplus, and long-term subordinated debt in an amount that at any time its outstanding promissory notes or other evidences of debt (other than long-term subordinated debt) in an aggregate sum do not exceed three times the aggregate amount of its unimpaired capital, surplus, and long-term subordinated debt. The director may define qualifying "long-term subordinated debt" for purposes of this section.
Sec. 4. RCW 31.04.055 and 2001 c 81 s 5 are each amended to read as follows:

(1) The director shall issue and deliver a license to the applicant to make loans in accordance with this chapter at the location specified in the application if, after investigation, the director finds that:

(a) The applicant has paid all required fees;
(b) The applicant has submitted a complete application in compliance with RCW 31.04.045;
(c) Neither the applicant nor its officers or principals have had a license issued under this section or any other section, in this state or another state, revoked or suspended within the last five years of the date of filing of the application;
(d) Neither the applicant nor any of its officers or principals have been convicted of a gross misdemeanor involving dishonesty or financial misconduct or a felony or a violation of the banking laws of this state or of the United States within seven years of the filing of an application; and
(e) The financial responsibility, experience, character, and general fitness of the applicant are such as to command the confidence of the community and to warrant a belief that the business will be operated honestly, fairly, and efficiently within the purposes of this chapter; and
(f) Neither the applicant nor any of its principals have provided unlicensed residential mortgage loan modification services in this state in the five years prior to the filing of the present application.

(2) If the director does not find the conditions of subsection (1) of this section have been met, the director shall not issue the license. The director shall notify the applicant of the denial and return to the applicant the bond posted and the sum paid by the applicant as a license fee, retaining the investigation fee to cover the costs of investigating the application. The director shall approve or deny every application for license under this chapter within ninety days from the filing of a complete application with the fees and the approved bond.

Sec. 5. RCW 31.04.085 and 2001 c 81 s 7 are each amended to read as follows:

(1) A licensee shall, for each license held by any person, on or before the first day of each March, pay to the director an annual assessment as determined by rule by the director. The licensee shall be responsible for payment of the annual assessment for the previous calendar year if the licensee had a license for any time during the preceding calendar year, regardless of whether they surrendered their license during the calendar year or whether their license was suspended or revoked. At the same time the licensee shall file with the director the required bond or otherwise demonstrate compliance with RCW 31.04.045. The director may establish a different yearly assessment fee for persons servicing residential mortgage loans.

Sec. 6. RCW 31.04.093 and 2001 c 81 s 8 are each amended to read as follows:

(1) The director shall enforce all laws and rules relating to the licensing and regulation of licensees and persons subject to this chapter.
(2) The director may deny applications for licenses for:
(a) Failure of the applicant to demonstrate within its application for a license that it meets the requirements for licensing in RCW 31.04.045 and 31.04.055;

(b) Violation of an order issued by the director under this chapter or another chapter administered by the director, including but not limited to cease and desist orders and temporary cease and desist orders;

(c) Revocation or suspension of a license to conduct lending or residential mortgage loan servicing, or to provide settlement services associated with lending or residential mortgage loan servicing, by this state, another state, or by the federal government within five years of the date of submittal of a complete application for a license; or

(d) Filing an incomplete application when that incomplete application has been filed with the department for sixty or more days, provided that the director has given notice to the licensee that the application is incomplete, informed the applicant why the application is incomplete, and allowed at least twenty days for the applicant to complete the application.

(3) The director may suspend or revoke a license issued under this chapter if the director finds that:

(a) The licensee has failed to pay any fee due the state of Washington, has failed to maintain in effect the bond or permitted substitute required under this chapter, or has failed to comply with any specific order or demand of the director lawfully made and directed to the licensee in accordance with this chapter;

(b) The licensee, either knowingly or without the exercise of due care, has violated any provision of this chapter or any rule adopted under this chapter; or

(c) A fact or condition exists that, if it had existed at the time of the original application for the license, clearly would have allowed the director to deny the application for the original license. The director may revoke or suspend only the particular license with respect to which grounds for revocation or suspension may occur or exist unless the director finds that the grounds for revocation or suspension are of general application to all offices or to more than one office operated by the licensee, in which case, the director may revoke or suspend all of the licenses issued to the licensee.

(4) The director may impose fines of up to one hundred dollars per day upon the licensee, its employee or loan originator, or other person subject to this chapter for:

(a) Any violation of this chapter; or

(b) Failure to comply with any order or subpoena issued by the director under this chapter.

(5) The director may issue an order directing the licensee, its employee or loan originator, or other person subject to this chapter to:

(a) Cease and desist from conducting business in a manner that is injurious to the public or violates any provision of this chapter;

(b) Take such affirmative action as is necessary to comply with this chapter; or

(c) Make restitution to a borrower or other person who is damaged as a result of a violation of this chapter.

(6) The director may issue an order removing from office or prohibiting from participation in the affairs of any licensee, or both, any officer, principal, employee or loan originator, or any person subject to this chapter for:
(a) False statements or omission of material information from an application for a license that, if known, would have allowed the director to deny the original application for a license;

(b) Conviction of a gross misdemeanor involving dishonesty or financial misconduct or a felony;

(c) Suspension or revocation of a license to engage in lending or residential mortgage loan servicing, or perform a settlement service related to lending or residential mortgage loan servicing, in this state or another state;

(d) Failure to comply with any order or subpoena issued under this chapter; or

(e) A violation of RCW 31.04.027.

(7) Whenever the director determines that the public is likely to be substantially injured by delay in issuing a cease and desist order, the director may immediately issue a temporary cease and desist order. The order may direct the licensee to discontinue any violation of this chapter, to take such affirmative action as is necessary to comply with this chapter, and may include a summary suspension of the licensee's license and may order the licensee to immediately cease the conduct of business under this chapter. The order shall become effective at the time specified in the order. Every temporary cease and desist order shall include a provision that a hearing will be held upon request to determine whether the order will become permanent. Such hearing shall be held within fourteen days of receipt of a request for a hearing unless otherwise specified in chapter 34.05 RCW.

(8) A licensee may surrender a license by delivering to the director written notice of surrender, but the surrender does not affect the licensee's civil or criminal liability, if any, for acts committed before the surrender, including any administrative action initiated by the director to suspend or revoke a license, impose fines, compel the payment of restitution to borrowers or other persons, or exercise any other authority under this chapter.

(9) The revocation, suspension, or surrender of a license does not impair or affect the obligation of a preexisting lawful contract between the licensee and a borrower.

(10) Every license issued under this chapter remains in force and effect until it has been surrendered, revoked, or suspended in accordance with this chapter. However, the director may on his or her own initiative reinstate suspended licenses or issue new licenses to a licensee whose license or licenses have been revoked if the director finds that the licensee meets all the requirements of this chapter.

Sec. 7. RCW 31.04.165 and 2009 c 120 s 30 are each amended to read as follows:

(1) The director has the power, and broad administrative discretion, to administer and interpret this chapter to facilitate the delivery of financial services to the citizens of this state by consumer loan companies, residential mortgage loan servicers, and mortgage loan originators subject to this chapter. The director shall adopt all rules necessary to administer this chapter and to ensure complete and full disclosure by licensees of lending transactions governed by this chapter.
(2) If it appears to the director that a licensee is conducting business in an injurious manner or is violating any provision of this chapter, the director may order or direct the discontinuance of any such injurious or illegal practice.

(3) For purposes of this section, "conducting business in an injurious manner" means conducting business in a manner that violates any provision of this chapter, or that creates the reasonable likelihood of a violation of any provision of this chapter.

(4) The director or designated persons, with or without prior administrative action, may bring an action in superior court to enjoin the acts or practices that constitute violations of this chapter and to enforce compliance with this chapter or any rule or order made under this chapter. Upon proper showing, injunctive relief or a temporary restraining order shall be granted. The director shall not be required to post a bond in any court proceedings.

Sec. 8. RCW 31.04.277 and 2009 c 120 s 27 are each amended to read as follows:

Each consumer loan company licensee who makes, services, or brokers a loan secured by real property shall submit to the nationwide mortgage licensing system and registry reports of condition, which must be in the form and must contain the information as the nationwide mortgage licensing system and registry may require.

NEW SECTION. Sec. 9. (1) A residential mortgage loan servicer must comply with the following requirements:

(a) The requirements of chapter 19.148 RCW;

(b) Any fee that is assessed by a servicer must be assessed within forty-five days of the date on which the fee was incurred and must be explained clearly and conspicuously in a statement mailed to the borrower at the borrower's last known address no more than thirty days after assessing the fee;

(c) All amounts received by a servicer on a residential mortgage loan at the address where the borrower has been instructed to make payments must be accepted and credited, or treated as credited, within one business day of the date received, provided that the borrower has provided sufficient information to credit the account. If a servicer uses the scheduled method of accounting, any regularly scheduled payment made prior to the scheduled due date must be credited no later than the due date. If any payment is received and not credited, or treated as credited, the borrower must be notified of the disposition of the payment within ten business days by mail at the borrower's last known address. The notification must identify the reason the payment was not credited or treated as credited to the account, as well as any actions the borrower must take to make the residential mortgage loan current;

(d) Any servicer that exercises the authority to collect escrow amounts on a residential mortgage loan held for the borrower for payment of insurance, taxes, and other charges with respect to the property shall collect and make all such payments from the escrow account and ensure that no late penalties are assessed or other negative consequences result for the borrower;

(e) The servicer shall make reasonable attempts to comply with a borrower's request for information about the residential mortgage loan account and to respond to any dispute initiated by the borrower about the loan account. The servicer:
(i) Must maintain written or electronic records of each written request for information regarding a dispute or error involving the borrower's account until the residential mortgage loan is paid in full, sold, or otherwise satisfied;

(ii) Must provide a written statement to the borrower within fifteen business days of receipt of a written request from the borrower. The borrower's request must include the name and account number, if any, of the borrower, a statement that the account is or may be in error, and sufficient detail regarding the information sought by the borrower to permit the servicer to comply. At a minimum, the servicer's response to the borrower's request must include the following information:

(A) Whether the account is current or, if the account is not current, an explanation of the default and the date the account went into default;

(B) The current balance due on the residential mortgage loan, including the principal due, the amount of funds, if any, held in a suspense account, the amount of the escrow balance known to the servicer, if any, and whether there are any escrow deficiencies or shortages known to the servicer;

(C) The identity, address, and other relevant information about the current holder, owner, or assignee of the residential mortgage loan; and

(D) The telephone number and mailing address of a servicer representative with the information and authority to answer questions and resolve disputes; and

(iii) May charge a fee for preparing and furnishing the statement in (e)(ii) of this subsection not exceeding thirty dollars per statement; and

(f) Promptly correct any errors and refund any fees assessed to the borrower resulting from the servicer's error.

(2) In addition to the statement in subsection (1)(e)(ii) of this section, a borrower may request more detailed information from a servicer, and the servicer must provide the information within fifteen business days of receipt of a written request from the borrower. The request must include the name and account number, if any, of the borrower, a statement that the account is or may be in error, and provide sufficient detail to the servicer regarding information sought by the borrower. If requested by the borrower this statement must include:

(a) A copy of the original note, or if unavailable, an affidavit of lost note; and

(b) A statement that identifies and itemizes all fees and charges assessed under the loan transaction and provides a full payment history identifying in a clear and conspicuous manner all of the debits, credits, application of and disbursement of all payments received from or for the benefit of the borrower, and other activity on the residential mortgage loan including escrow account activity and suspense account activity, if any. The period of the account history shall cover at a minimum the two-year period prior to the date of the receipt of the request for information. If the servicer has not serviced the residential mortgage loan for the entire two-year time period the servicer shall provide the information going back to the date on which the servicer began servicing the home loan, and identify the previous servicer, if known. If the servicer claims that any delinquent or outstanding sums are owed on the home loan prior to the two-year period or the period during which the servicer has serviced the residential mortgage loan, the servicer shall provide an account history beginning with the month that the servicer claims any outstanding sums are
owed on the residential mortgage loan up to the date of the request for the information. The borrower may request annually one statement free of charge.

**NEW SECTION. Sec. 10.** (1) In addition to any other requirements under federal or state law, an advance fee may not be collected for residential mortgage loan modification services unless a written disclosure summary of all material terms, in the format adopted by the department under subsection (2) of this section, has been provided to the borrower.

(2) The department shall adopt by rule a model written fee agreement, and any other rules necessary to implement this section. This may include, but is not limited to, usual and customary fees for residential mortgage loan modification services.

**NEW SECTION. Sec. 11.** (1) In addition to complying with all requirements for loan originators under this chapter, third-party residential mortgage loan modification services providers must:

(a) Provide a written fee disclosure summary as described in section 10 of this act before accepting any advance fee;

(b) Not receive an advance fee greater than seven hundred fifty dollars;

(c) Not charge total fees in excess of usual and customary charges, or total fees that are not reasonable in light of the service provided; and

(d) Immediately inform the borrower in writing if the owner of the loan requires additional information from the borrower, or if it becomes apparent that a residential mortgage loan modification is not possible.

(2) As a condition for providing a loan modification or loan modification services, third-party residential mortgage loan modification services providers and individuals servicing a residential mortgage loan must not require or encourage a borrower to:

(a) Sign a waiver of his or her legal defenses, counterclaims, and other legal rights against the servicer for future acts;

(d) Agree to pay charges not enumerated in any agreement between the borrower and the lender, servicer, or owner of the loan; or

(e) Cease communication with the lender, investor, or loan servicer.

(3) Failure to comply with subsection (1) of this section is a violation of RCW 19.144.080.

**Sec. 12.** RCW 19.144.080 and 2008 c 108 s 9 are each amended to read as follows:

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 76.04.015 and 1993 c 196 s 3 are each amended to read as follows:

(b) Be empowered to take charge of and direct the work of suppressing forest fires;

(c)(i) Investigate the origin and cause of all forest fires to determine whether either a criminal act or negligence by any person, firm, or corporation caused the starting, spreading, or existence of the fire. In conducting investigations, the department shall work cooperatively, to the extent possible, with utilities, property owners, and other interested parties to identify and preserve evidence. Except as provided otherwise in this subsection, the department in conducting investigations is authorized, without court order, to take possession or control of relevant evidence found in plain view and belonging to any person, firm, or corporation. To the extent possible, the department shall notify the person, firm, or corporation of its intent to take possession or control of the evidence. The person, firm, or corporation shall be afforded reasonable opportunity to view the evidence and, before the department takes possession or control of the evidence,
also shall be afforded reasonable opportunity to examine, document, and photograph it. If the person, firm, or corporation objects in writing to the department's taking possession or control of the evidence, the department must either return the evidence within seven days after the day on which the department is provided with the written objections or obtain a court order authorizing the continued possession or control.

(ii) Absent a court order authorizing otherwise, the department may not take possession or control of evidence over the objection of the owner of the evidence if((i)) the evidence is used by the owner in conducting a business or in providing an electric utility service((ii)) and ((iii)) the department's taking possession or control of the evidence would substantially and materially interfere with the operation of the business or provision of electric utility service.

(iii) Absent a court order authorizing otherwise, the department may not take possession or control of evidence over the objection of an electric utility when the evidence is not owned by the utility but has caused damage to property owned by the utility. However, this (paragraph subsection (3)(c)(iii)) does not apply if the department has notified the utility of its intent to take possession or control of the evidence and provided the utility with reasonable time to examine, document, and photograph the evidence.

(iv) Only personnel qualified to work on electrical equipment may take possession or control of evidence owned or controlled by an electric utility;

(d) Furnish notices or information to the public calling attention to forest fire dangers and the penalties for violation of this chapter;

(5) Any rules adopted under this section for the suppression of forest fires must include a mechanism by which a local fire mobilization radio frequency, consistent with RCW 43.43.963, is identified and made available during the initial response to any forest fire that crosses jurisdictional lines so that all responders have access to communications during the response. Different initial response frequencies may be identified and used as appropriate in different geographic response areas. If the fire radio communication needs escalate beyond the capability of the identified local radio frequency, the use of other available designated interoperability radio frequencies may be used.
(6) When the department considers it to be in the best interest of the state, it may cooperate with any agency of another state, the United States or any agency thereof, the Dominion of Canada or any agency or province thereof, and any county, town, corporation, individual, or Indian tribe within the state of Washington in forest firefighting and patrol.

Sec. 2. RCW 49.48.083 and 2006 c 89 s 2 are each amended to read as follows:

(1) If an employee files a wage complaint with the department, the department shall investigate the wage complaint. Unless otherwise resolved, the department shall issue either a citation and notice of assessment or a determination of compliance((—(a))) no later than sixty days after the date on which the department received the wage complaint((—(a))) unless the department extends this time period for good cause; and (b) no later than three years after the date on which the cause of action accrued, unless a longer period of time applies under law. Such cause of action for wage claims accrues from the date when the wages are due). The department may extend the time period by providing advance written notice to the employee and the employer setting forth good cause for an extension of the time period and specifying the duration of the extension. The department may not investigate any alleged violation of a wage payment requirement that occurred more than three years before the date that the employee filed the wage complaint. The department shall send the citation and notice of assessment or the determination of compliance to both the employer and the employee by service of process or certified mail to their last known addresses.

(2) If the department determines that an employer has violated a wage payment requirement and issues to the employer a citation and notice of assessment, the department may order the employer to pay employees all wages owed, including interest of one percent per month on all wages owed, to the employee. The wages and interest owed must be calculated from the first date wages were owed to the employee, except that the department may not order the employer to pay any wages and interest that were owed more than three years before the date the wage complaint was filed with the department.

(3) If the department determines that the violation of the wage payment requirement was a willful violation, the department also may order the employer to pay the department a civil penalty as specified in (a) of this subsection.

(a) A civil penalty for a willful violation of a wage payment requirement shall be not less than ((five hundred)) one thousand dollars or an amount equal to ten percent of the total amount of unpaid wages, whichever is greater. The maximum civil penalty for a willful violation of a wage payment requirement shall be twenty thousand dollars.

(b) The department may not assess a civil penalty if the employer reasonably relied on: (i) A rule related to any wage payment requirement; (ii) a written order, ruling, approval, opinion, advice, determination, or interpretation of the director; or (iii) an interpretive or administrative policy issued by the department and filed with the office of the code reviser. In accordance with the department's retention schedule obligations under chapter 40.14 RCW, the department shall maintain a complete and accurate record of all written orders, rulings, approvals, opinions, advice, determinations, and interpretations for purposes of determining whether an employer is immune from civil penalties under (b)(ii) of this subsection.
(c) The department shall waive any civil penalty assessed against an employer under this section if the employer is not a repeat willful violator and the director determines that the employer has provided payment to the employee of all wages that the department determined that the employer owed to the employee, including interest, within ten business days of the employer's receipt of the citation and notice of assessment from the department.

(d) The department may waive or reduce at any time a civil penalty assessed under this section((in whole or in part)) if the director determines that the employer paid all wages and interest owed to an employee.

(e) The department shall deposit civil penalties paid under this section in the supplemental pension fund established under RCW 51.44.033.

(4) Upon payment by an employer, and acceptance by an employee, of all wages and interest assessed by the department in a citation and notice of assessment issued to the employer, the fact of such payment by the employer, and of such acceptance by the employee, shall: (a) Constitute a full and complete satisfaction by the employer of all specific wage payment requirements addressed in the citation and notice of assessment; and (b) bar the employee from initiating or pursuing any court action or other judicial or administrative proceeding based on the specific wage payment requirements addressed in the citation and notice of assessment. The citation and notice of assessment shall include a notification and summary of the specific requirements of this subsection.

(5) The applicable statute of limitations for civil actions is tolled during the department's investigation of an employee's wage complaint against an employer. For the purposes of this subsection, the department's investigation begins on the date the employee files the wage complaint with the department and ends when: (a) The wage complaint is finally determined through a final and binding citation and notice of assessment or determination of compliance; (b) the department notifies the employer and the employee in writing that the wage complaint has been otherwise resolved or that the employee has elected to terminate the department's administrative action under RCW 49.48.085.

Sec. 3. RCW 49.48.084 and 2006 c 89 s 3 are each amended to read as follows:

(1) A person, firm, or corporation aggrieved by a citation and notice of assessment or a determination of compliance issued by the department under RCW 49.48.083 or the assessment of civil penalty due to a determination of status as a repeat willful violator may appeal the citation and notice of assessment ((or)), the determination of compliance, or the assessment of civil penalty to the director by filing a notice of appeal with the director within thirty days of the department's issuance of the citation and notice of assessment ((or)), the determination of compliance, or the assessment of civil penalty. A citation and notice of assessment ((or)), a determination of compliance, or an assessment of a civil penalty not appealed within thirty days is final and binding, and not subject to further appeal.

(2) A notice of appeal filed with the director under this section shall stay the effectiveness of the citation and notice of assessment ((or)), the determination of compliance, or the assessment of civil penalty pending final review of the appeal by the director as provided for in chapter 34.05 RCW.
(3) Upon receipt of a notice of appeal, the director shall assign the hearing to an administrative law judge of the office of administrative hearings to conduct the hearing and issue an initial order. The hearing and review procedures shall be conducted in accordance with chapter 34.05 RCW, and the standard of review by the administrative law judge of an appealed citation and notice of assessment ((or)), an appealed determination of compliance, or an appealed assessment of civil penalty shall be de novo. Any party who seeks to challenge an initial order shall file a petition for administrative review with the director within thirty days after service of the initial order. The director shall conduct administrative review in accordance with chapter 34.05 RCW.

(4) The director shall issue all final orders after appeal of the initial order. The final order of the director is subject to judicial review in accordance with chapter 34.05 RCW.

(5) Orders that are not appealed within the time period specified in this section and chapter 34.05 RCW are final and binding, and not subject to further appeal.

(6) An employer who fails to allow adequate inspection of records in an investigation by the department under this chapter within a reasonable time period may not use such records in any appeal under this section to challenge the correctness of any determination by the department of wages owed or penalty assessed.

Sec. 4. RCW 49.48.086 and 2006 c 89 s 5 are each amended to read as follows:

(1) After a final order is issued under RCW 49.48.084, if an employer defaults in the payment of: (a) Any wages determined by the department to be owed to an employee, including interest; or (b) any civil penalty ordered by the department under RCW 49.48.083, the director may file with the clerk of any county within the state a warrant in the amount of the payment plus any filing fees. The clerk of the county in which the warrant is filed shall immediately designate a superior court cause number for the warrant, and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of the employer mentioned in the warrant, the amount of payment due on it plus any filing fees, and the date when the warrant was filed. The aggregate amount of the warrant as docketed becomes a lien upon the title to, and interest in, all real and personal property of the employer against whom the warrant is issued, the same as a judgment in a civil case docketed in the office of the clerk. The sheriff shall proceed upon the warrant in all respects and with like effect as prescribed by law with respect to execution or other process issued against rights or property upon judgment in a court of competent jurisdiction. The warrant so docketed is sufficient to support the issuance of writs of garnishment in favor of the state in a manner provided by law in case of judgment, wholly or partially unsatisfied. The clerk of the court is entitled to a filing fee which will be added to the amount of the warrant. A copy of the warrant shall be mailed to the employer within three days of filing with the clerk.

(2)(a) The director may issue to any person, firm, corporation, other entity, municipal corporation, political subdivision of the state, a public corporation, or any agency of the state, a notice and order to withhold and deliver property of any kind when he or she has reason to believe that there is in the possession of
the person, firm, corporation, other entity, municipal corporation, political subdivision of the state, public corporation, or agency of the state, property that is or will become due, owing, or belonging to an employer upon whom a notice of assessment has been served by the department for payments or civil penalties due to the department. The effect of a notice and order is continuous from the date the notice and order is first made until the liability out of which the notice and order arose is satisfied or becomes unenforceable because of lapse of time. The department shall release the notice and order when the liability out of which the notice and order arose is satisfied or becomes unenforceable by reason of lapse of time and shall notify the person against whom the notice and order was made that the notice and order has been released.

(b) The notice and order to withhold and deliver must be served by the sheriff of the county or by the sheriff's deputy, by certified mail, return receipt requested, or by the director. A person, firm, corporation, other entity, municipal corporation, political subdivision of the state, public corporation, or agency of the state upon whom service has been made shall answer the notice within twenty days exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired of in the notice and order. Upon service of the notice and order, if the party served possesses any property that may be subject to the claim of the department, the party shall promptly deliver the property to the director. The director shall hold the property in trust for application on the employer's indebtedness to the department, or for return without interest, in accordance with a final determination of a petition for review. In the alternative, the party shall furnish a good and sufficient surety bond satisfactory to the director conditioned upon final determination of liability. If a party served and named in the notice fails to answer the notice within the time prescribed in this section, the court may render judgment by default against the party for the full amount claimed by the director in the notice, together with costs. If a notice is served upon an employer and the property subject to it is wages, the employer may assert in the answer all exemptions provided for by chapter 6.27 RCW to which the wage earner is entitled.

(3) In addition to the procedure for collection of wages owed, including interest, and civil penalties as set forth in this section, the department may recover wages owed, including interest, and civil penalties assessed under RCW 49.48.083 in a civil action brought in a court of competent jurisdiction of the county where the violation is alleged to have occurred.

(4) Whenever any employer quits business, sells out, exchanges, or otherwise disposes of the employer's business or stock of goods, any person who becomes a successor to the business becomes liable for the full amount of any outstanding citation and notice of assessment or penalty against the employer's business under this chapter if, at the time of the conveyance of the business, the successor has: (a) Actual knowledge of the fact and amount of the outstanding citation and notice of assessment or (b) a prompt, reasonable, and effective means of accessing and verifying the fact and amount of the outstanding citation and notice of assessment from the department. If the citation and notice of assessment or penalty is not paid in full by the employer within ten days of the date of the sale, exchange, or disposal, the successor is liable for the payment of the full amount of the citation and notice of assessment or penalty, and payment thereof by the successor must, to the extent thereof, be deemed a payment upon
the purchase price. If the payment is greater in amount than the purchase price, the amount of the difference becomes a debt due the successor from the employer.

(5) This section does not affect other collection remedies that are otherwise provided by law.

Sec. 5. RCW 49.48.060 and 1971 ex.s. c 55 s 4 are each amended to read as follows:

(1) If upon investigation by the director, after taking assignments of any wage claim under RCW 49.48.040 or after receiving a wage complaint as defined in RCW 49.48.082 from an employee, it appears to the director that the employer is representing to his employees that he is able to pay wages for their services and that the employees are not being paid for their services, the director may require the employer to give a bond in such sum as the director deems reasonable and adequate in the circumstances, with sufficient surety, conditioned that the employer will for a definite future period not exceeding six months conduct his business and pay his employees in accordance with the laws of the state of Washington.

(2) If within ten days after demand for such bond the employer fails to provide the same, the director may commence a suit against the employer in the superior court of appropriate jurisdiction to compel him to furnish such bond or cease doing business until he has done so. The employer shall have the burden of proving the amount thereof to be excessive.

(3) If the court finds that there is just cause for requiring such bond and that the same is reasonable, necessary or appropriate to secure the prompt payment of the wages of the employees of such employer and his compliance with ((RCW 49.48.010 through 49.48.080)) one or more wage payment requirements as defined in RCW 49.48.082, the court shall enjoin such employer from doing business in this state until the requirement is met, or shall make other, and may make further, orders appropriate to compel compliance with the requirement.

(4) Upon being informed of a wage claim against an employer or former employer, the director shall, if such claim appears to be just, immediately notify the employer or former employer, of such claim by mail. If the employer or former employer fails to pay the claim or make satisfactory explanation to the director of his failure to do so, within thirty days thereafter, the employer or former employer shall be liable to a penalty of ten percent of that portion of the claim found to be justly due. The director shall have a cause of action against the employer or former employer for the recovery of such penalty, and the same may be included in any subsequent action by the director on said wage claim, or may be exercised separately after adjustment of such wage claim without court action. This subsection does not apply to wage complaints made under RCW 49.48.083.

NEW SECTION. Sec. 6. A new section is added to chapter 49.48 RCW to read as follows:

(1) The department shall assess a civil penalty against any repeat willful violator in an amount of not less than one thousand dollars or an amount equal to ten percent of the total amount of unpaid wages, whichever is greater. The maximum civil penalty for a repeat willful violator under this section is twenty thousand dollars.
(2) The department may waive or reduce a civil penalty assessed under this section if the director determines that the employer has paid all wages and interest owed to the employee.

The use of county road funds beyond the county right-of-way for activities associated with the removal of fish barriers is permissive, and wholly within the discretion of the county legislative authority. CHAPTER 52
[Second Substitute House Bill 2396]
EMERGENCY CARDIAC AND STROKE CARE

AN ACT Relating to emergency cardiac and stroke care; amending RCW 70.168.015 and 70.168.090; reenacting and amending RCW 42.56.360; adding new sections to chapter 70.168 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. (1) The legislature finds that:

(a) In 2006, the governor's emergency medical services and trauma care steering committee charged the emergency cardiac and stroke work group with assessing the burden of acute coronary syndrome, otherwise known as heart attack, cardiac arrest, and stroke and the care that people receive for these acute cardiovascular events in Washington.

(b) The work group's report found that:

(i) Despite falling death rates, heart disease and stroke were still the second and third leading causes of death in 2005. All cardiovascular diseases accounted for thirty-four percent of deaths, surpassing all other causes of death.

(ii) Cardiovascular diseases have a substantial social and economic impact on individuals and families, as well as the state's health and long-term care systems. Although many people who survive acute cardiac and stroke events have significant physical and cognitive disability, early evidence-based treatments can help more people return to their productive lives.

(iii) Heart disease and stroke are among the most costly medical conditions at nearly four billion dollars per year for hospitalization and long-term care alone.

(iv) The age group at highest risk for heart disease or stroke, people sixty-five and older, is projected to double by 2030, potentially doubling the social and economic impact of heart disease and stroke in Washington. Early recognition is important, as Washington demographics indicate a significant occurrence of acute coronary syndromes by the age of fifty-five.

(c) The assessment of emergency cardiac and stroke care found:
(i) Many cardiac and stroke patients are not receiving evidence-based treatments;
(ii) Access to diagnostic and treatment resources varies greatly, especially for rural parts of the state;
(iii) Training, protocols, procedures, and resources in dispatch services, emergency medical services, and hospitals vary significantly;
(iv) Cardiac mortality rates vary widely depending on hospital and regional resources; and
(v) Advances in technology and streamlined approaches to care can significantly improve emergency cardiac and stroke care, but many people do not get the benefit of these treatments.

(d) Time is critical throughout the chain of survival, from dispatch of emergency medical services, to transport, to the emergency room, for emergency cardiac and stroke patients. The minutes after the onset of heart attack, cardiac arrest, and stroke are as important as the "golden hour" in trauma. When treatment is delayed, more brain or heart tissue dies. Timely treatment can mean the difference between returning to work or becoming permanently disabled, living at home, or living in a nursing home. It can be the difference between life and death. Ensuring most patients will get life saving care in time requires preplanning and an organized system of care.

(e) Many other states have improved systems of care to respond to and treat acute cardiac and stroke events, similar to improvements in trauma care in Washington.

(f) Some areas of Washington have deployed local systems to respond to and treat acute cardiac and stroke events.

(2) It is the intent of the legislature to support efforts to improve emergency cardiac and stroke care in Washington through an evidence-based coordinated system of care.

Sec. 2. RCW 70.168.015 and 1990 c 269 s 4 are each amended to read as follows:

((18) (19)) "Level I trauma care services" means trauma care services as established in RCW 70.168.060. Hospitals providing level I services shall have specialized trauma care teams and provide ongoing research and health care professional education in trauma care.

((19) (20)) "Level II trauma care services" means trauma care services as established in RCW 70.168.060. Hospitals providing level II services shall be similar to those provided by level I hospitals, although complex surgeries and research and health care professional education activities are not required to be provided.

((20) (21)) "Level III trauma care services" means trauma care services as established in RCW 70.168.060. The range of trauma care services provided by level III hospitals are not as comprehensive as level I and II hospitals.

(1) By January 1, 2011, the department shall endeavor to enhance and support an emergency cardiac and stroke care system through:
(a) Encouraging hospitals to voluntarily self-identify cardiac and stroke capabilities, indicating which level of cardiac and stroke service the facility provides. Hospital levels must be defined by the previous work of the emergency cardiac and stroke technical advisory committee and must follow the guiding principles and recommendations of the emergency cardiac and stroke work group report;

(b) Giving a hospital "deemed status" and designating it as a primary stroke center if it has received a certification of distinction for primary stroke centers issued by the nonprofit organization known as the joint commission. When available, a hospital shall demonstrate its cardiac or stroke level through external, national certifying organizations, including, but not limited to, primary stroke center certification by the joint commission; and

(c) Within the current authority of the department, adopting cardiac and stroke prehospital patient care protocols, patient care procedures, and triage tools, consistent with the guiding principles and recommendations of the emergency cardiac and stroke work group report.

(2) A hospital that voluntarily participates in the system:

(a) Shall participate in internal, as well as regional, quality improvement activities;

(b) Shall participate in a national, state, or local data collection system that measures cardiac and stroke system performance from patient onset of symptoms to treatment or intervention, and includes, at a minimum, the nationally recognized consensus measures for stroke; and

(c) May advertise participation in the system, but may not claim a verified certification level unless verified by an external, nationally recognized, evidence-based certifying body as provided in subsection (1)(b) of this section.

NEW SECTION, Sec. 4. A new section is added to chapter 70.168 RCW to read as follows:

By December 1, 2012, the department shall share with the legislature the department's report, which was funded by the centers for disease control and prevention, concerning emergency cardiac and stroke care.

Sec. 5. RCW 70.168.090 and 2005 c 274 s 344 are each amended to read as follows:

(1) By July 1991, the department shall establish a statewide data registry to collect and analyze data on the incidence, severity, and causes of trauma, including traumatic brain injury. The department shall collect additional data on traumatic brain injury should additional data requirements be enacted by the legislature. The registry shall be used to improve the availability and delivery of prehospital and hospital trauma care services. Specific data elements of the registry shall be defined by rule by the department. To the extent possible, the department shall coordinate data collection from hospitals for the trauma registry with the health care data system authorized in chapter 70.170 RCW. Every hospital, facility, or health care provider authorized to provide level I, II, III, IV, or V trauma care services, level I, II, or III pediatric trauma care services, level I, level I-pediatric, II, or III trauma-related rehabilitative services, and prehospital trauma-related services in the state shall furnish data to the registry. All other hospitals and prehospital providers shall furnish trauma data as required by the department by rule.
The department may respond to requests for data and other information from the registry for special studies and analysis consistent with requirements for confidentiality of patient and quality assurance records. The department may require requestors to pay any or all of the reasonable costs associated with such requests that might be approved.

(2) ((By January 1994,)) In each emergency medical services and trauma care planning and service region, a regional emergency medical services and trauma care systems quality assurance program shall be established by those facilities authorized to provide levels I, II, and III trauma care services. The systems quality assurance program shall evaluate trauma care delivery, patient care outcomes, and compliance with the requirements of this chapter. The systems quality assurance program may also evaluate emergency cardiac and stroke care delivery. The emergency medical services medical program director and all other health care providers and facilities who provide trauma and emergency cardiac and stroke care services within the region shall be invited to participate in the regional emergency medical services and trauma care quality assurance program.

(3) Data elements related to the identification of individual patient's, provider's and facility's care outcomes shall be confidential, shall be exempt from RCW 42.56.030 through 42.56.570 and 42.17.350 through 42.17.450, and shall not be subject to discovery by subpoena or admissible as evidence.

(4) Patient care quality assurance proceedings, records, and reports developed pursuant to this section are confidential, exempt from chapter 42.56 RCW, and are not subject to discovery by subpoena or admissible as evidence. In any civil action, except, after in camera review, pursuant to a court order which provides for the protection of sensitive information of interested parties including the department: (a) In actions arising out of the department's designation of a hospital or health care facility pursuant to RCW 70.168.070; (b) in actions arising out of the department's revocation or suspension of designation status of a hospital or health care facility under RCW 70.168.070; or (c) in actions arising out of the restriction or revocation of the clinical or staff privileges of a health care provider as defined in RCW 7.70.020 (1) and (2), subject to any further restrictions on disclosure in RCW 4.24.250 that may apply. Information that identifies individual patients shall not be publicly disclosed without the patient's consent.

CHAPTER 53
[House Bill 2465]

BREATHTEST INSTRUMENTS—RESULTS—ADMISSIBILITY

AN ACT Relating to breath test instruments approved by the state toxicologist; and amending RCW 46.61.506.

Be it enacted by the Legislature of the State of Washington:
Sec. 1. RCW 46.61.506 and 2004 c 68 s 4 are each amended to read as follows:

(1) Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person while driving or in actual physical control of a vehicle while under the influence of intoxicating liquor or any drug, if the person's alcohol concentration is less than 0.08, it is evidence that may be considered with other competent evidence in determining whether the person was under the influence of intoxicating liquor or any drug.

(2) The breath analysis shall be based upon grams of alcohol per two hundred ten liters of breath. The foregoing provisions of this section shall not be construed as limiting the introduction of any other competent evidence bearing upon the question whether the person was under the influence of intoxicating liquor or any drug.

(3) Analysis of the person's blood or breath to be considered valid under the provisions of this section or RCW 46.61.502 or 46.61.504 shall have been performed according to methods approved by the state toxicologist and by an individual possessing a valid permit issued by the state toxicologist for this purpose. The state toxicologist is directed to approve satisfactory techniques or methods, to supervise the examination of individuals to ascertain their qualifications and competence to conduct such analyses, and to issue permits which shall be subject to termination or revocation at the discretion of the state toxicologist.

(4)(a) A breath test performed by any instrument approved by the state toxicologist shall be admissible at trial or in an administrative proceeding if the prosecution or department produces prima facie evidence of the following:

(i) The person who performed the test was authorized to perform such test by the state toxicologist;

(ii) The person being tested did not vomit or have anything to eat, drink, or smoke for at least fifteen minutes prior to administration of the test;

(iii) The person being tested did not have any foreign substances, not to include dental work, fixed or removable, in his or her mouth at the beginning of the fifteen-minute observation period;

(iv) Prior to the start of the test, the temperature of ((the)) any liquid simulator solution utilized as an external standard, as measured by a thermometer approved of by the state toxicologist was thirty-four degrees centigrade plus or minus 0.3 degrees centigrade;

(v) The internal standard test resulted in the message "verified";

(vi) The two breath samples agree to within plus or minus ten percent of their mean to be determined by the method approved by the state toxicologist;

(vii) The result of the test of the liquid simulator solution external standard or dry gas external standard result did lie between .072 to .088 inclusive; and

(viii) All blank tests gave results of .000.

(b) For purposes of this section, "prima facie evidence" is evidence of sufficient circumstances that would support a logical and reasonable inference of the facts sought to be proved. In assessing whether there is sufficient evidence of the foundational facts, the court or administrative tribunal is to assume the truth of the prosecution's or department's evidence and all reasonable inferences from it in a light most favorable to the prosecution or department.
(c) Nothing in this section shall be deemed to prevent the subject of the test from challenging the reliability or accuracy of the test, the reliability or functioning of the instrument, or any maintenance procedures. Such challenges, however, shall not preclude the admissibility of the test once the prosecution or department has made a prima facie showing of the requirements contained in (a) of this subsection. Instead, such challenges may be considered by the trier of fact in determining what weight to give to the test result.

(5) When a blood test is administered under the provisions of RCW 46.20.308, the withdrawal of blood for the purpose of determining its alcoholic or drug content may be performed only by a physician, a registered nurse, a licensed practical nurse, a nursing assistant as defined in chapter 18.88A RCW, a physician assistant as defined in chapter 18.71A RCW, a first responder as defined in chapter 18.73 RCW, an emergency medical technician as defined in chapter 18.73 RCW, a health care assistant as defined in chapter 18.135 RCW, or any technician trained in withdrawing blood. This limitation shall not apply to the taking of breath specimens.

(6) The person tested may have a physician, or a qualified technician, chemist, registered nurse, or other qualified person of his or her own choosing administer one or more tests in addition to any administered at the direction of a law enforcement officer. The test will be admissible if the person establishes the general acceptability of the testing technique or method. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test or tests taken at the direction of a law enforcement officer.

(7) Upon the request of the person who shall submit to a test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to him or her or his or her attorney.

Passed by the House January 28, 2010.
Passed by the Senate March 1, 2010.
Approved by the Governor March 15, 2010.
Filed in Office of Secretary of State March 15, 2010.

CHAPTER 54

[Substitute House Bill 2487]

DEFERRED PROSECUTION—ADMINISTRATION—COSTS

AN ACT Relating to increasing costs for administering a deferred prosecution; and amending RCW 10.01.160.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 10.01.160 and 2008 c 318 s 2 are each amended to read as follows:

(1) The court may require a defendant to pay costs. Costs may be imposed only upon a convicted defendant, except for costs imposed upon a defendant's entry into a deferred prosecution program, costs imposed upon a defendant for pretrial supervision, or costs imposed upon a defendant for preparing and serving a warrant for failure to appear.

(2) Costs shall be limited to expenses specially incurred by the state in prosecuting the defendant or in administering the deferred prosecution program
under chapter 10.05 RCW or pretrial supervision. They cannot include expenses inherent in providing a constitutionally guaranteed jury trial or expenditures in connection with the maintenance and operation of government agencies that must be made by the public irrespective of specific violations of law. Expenses incurred for serving of warrants for failure to appear and jury fees under RCW 10.46.190 may be included in costs the court may require a defendant to pay. Costs for administering a deferred prosecution ((or)) may not exceed two hundred fifty dollars. Costs for administering a pretrial supervision may not exceed one hundred fifty dollars. Costs for preparing and serving a warrant for failure to appear may not exceed one hundred dollars. Costs of incarceration imposed on a defendant convicted of a misdemeanor or a gross misdemeanor may not exceed the actual cost of incarceration. In no case may the court require the offender to pay more than one hundred dollars per day for the cost of incarceration. Payment of other court-ordered financial obligations, including all legal financial obligations and costs of supervision take precedence over the payment of the cost of incarceration ordered by the court. All funds received from defendants for the cost of incarceration in the county or city jail must be remitted for criminal justice purposes to the county or city that is responsible for the defendant's jail costs. Costs imposed constitute a judgment against a defendant and survive a dismissal of the underlying action against the defendant. However, if the defendant is acquitted on the underlying action, the costs for preparing and serving a warrant for failure to appear do not survive the acquittal, and the judgment that such costs would otherwise constitute shall be vacated.

(3) The court shall not order a defendant to pay costs unless the defendant is or will be able to pay them. In determining the amount and method of payment of costs, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of costs will impose.

(4) A defendant who has been ordered to pay costs and who is not in contumacious default in the payment thereof may at any time petition the sentencing court for remission of the payment of costs or of any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may remit all or part of the amount due in costs, or modify the method of payment under RCW 10.01.170.

(5) Except for direct costs relating to evaluating and reporting to the court, prosecutor, or defense counsel regarding a defendant's competency to stand trial as provided in RCW 10.77.060, this section shall not apply to costs related to medical or mental health treatment or services a defendant receives while in custody of the secretary of the department of social and health services or other governmental units. This section shall not prevent the secretary of the department of social and health services or other governmental units from imposing liability and seeking reimbursement from a defendant committed to an appropriate facility as provided in RCW 10.77.084 while criminal proceedings are stayed. This section shall also not prevent governmental units from imposing liability on defendants for costs related to providing medical or mental health treatment while the defendant is in the governmental unit's custody. Medical or mental health treatment and services a defendant receives at a state hospital or other facility are not a cost of prosecution and shall be recoverable
under RCW 10.77.250 and 70.48.130, chapter 43.20B RCW, and any other applicable statute.

Passed by the House February 13, 2010.
Passed by the Senate March 2, 2010.
Approved by the Governor March 15, 2010.
Filed in Office of Secretary of State March 15, 2010.

[Substitute House Bill 2555]
ELECTRICAL INDUSTRY—VIOLATIONS—ISSUANCE OF SUBPOENAS
AN ACT Relating to authorizing the department of labor and industries to issue subpoenas, but only with respect to enforcement of chapter 19.28 RCW; and adding a new section to chapter 19.28 RCW.

Be it enacted by the Legislature of the State of Washington:

[House Bill 2598]

MOUNT ST. HELEN'S ERUPTION—DREDGED RIVERBED MATERIALS—DISPOSAL

AN ACT Relating to disposal of dredged riverbed materials from the Mount St. Helen's eruption; amending RCW 79.140.210; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

[527]
Sec. 1. RCW 79.140.210 and 2009 c 426 s 1 are each amended to read as follows:

(1)(a) The legislature finds and declares that an extraordinary volume of material washed down onto beds of navigable waters and shorelands in the Toutle river, Coweeman river, and portions of the Cowlitz river following the eruption of Mount St. Helens in 1980.

(b) The legislature further finds that the owners of private lands located near the impacted rivers were authorized to sell, transfer, or otherwise dispose of any dredge spoils removed from the river between the years of 1980 and 1995 without the necessity of any charge by the department.

(c) The legislature further finds that the dredging activities following the eruption of Mount St. Helens are no longer adequate to protect engineered structures on the affected rivers or the public health and safety of the communities located in proximity to the affected rivers. Future river dredging will be necessary as part of managing the post-eruption state of the rivers, and with the commencement of new dredging activities, the underlying conditions leading to the previous authority for private landowners to dispose of the dredged materials without the necessity of any charge by the department are replicated.

(d) The legislature further finds that just as between the years of 1980 and 1995, the dredge spoils placed upon adjacent publicly and privately owned property in the affected areas, if further disposed, will be of nominal value to the state and that it is in the best interests of the state to allow further disposal without charge.

(2)(a) All dredge spoil or materials removed from the state-owned beds and shores of the Toutle river, Coweeman river, and that portion of the Cowlitz river from two miles above the confluence of the Toutle river to its mouth deposited on adjacent public and private lands prior to January 1, 2009, as a result of dredging the affected rivers for navigation and flood control purposes may be sold, transferred, or otherwise disposed of by owners of the lands without the necessity of any charge by the department free and clear of any interest of the department.

(b) All dredge spoil or materials removed from the state-owned beds and shores of the Toutle river, Coweeman river, and that portion of the Cowlitz river from two miles above the confluence of the Toutle river to its mouth deposited on adjacent public and private lands before December 31, after January 1, 2009, but (before December 31, 2017) 2035, as a result of dredging the affected rivers for navigation and flood control purposes that as of the effective date of this section have not been sold, transferred, or otherwise disposed of by owners of the lands, may be sold, transferred, or otherwise disposed of by owners of the lands without the necessity of any charge by the department and free and clear of any interest of the department (if the land in question was not used as a source for commercially sold materials prior to January 1, 2009). If the land in question was used as a source for commercially sold materials prior to January 1, 2009, the dredge spoils may be used without the necessity of any charge by the department. However, any sale of the materials would not be exempt from charges by the department consistent with this title.

(c) Prior to selling or otherwise using any materials under this section for commercial purposes, written notification must be provided by the owners of the
lands to the department outlining the type and amount of material that is planned
to be sold or otherwise used.

(b) The department shall report to the appropriate committees of the
legislature each biennium through the end of the 2015-2017 biennium—a
summary of any notifications received under (a) of this subsection. The report
must include a determination of whether any revenue that would otherwise
accrue to the state has been diverted by the provisions of this section and a
summation of the diverted amount for the previous biennium. The initial report
is due by January 2, 2012, with subsequent reports due by January 2nd of each
even-numbered year.

NEW SECTION. Sec. 2. This act applies to all dredge spoil or materials
removed from the state-owned beds and shores of the Toutle river, Coweeman
river, and that portion of the Cowlitz river from two miles above the confluence
of the Toutle river to its mouth deposited on adjacent public and private lands as
a result of dredging the affected rivers for navigation and flood control purposes
following the eruption of Mount St. Helens in 1980 that, as of the effective date
of this section, have not been sold, transferred, or otherwise disposed of by
owners of the lands. To this extent, this act applies retroactively, but in all other
respects it applies prospectively.

Passed by the House February 10, 2010.
Passed by the Senate February 27, 2010.
Approved by the Governor March 15, 2010.
Filed in Office of Secretary of State March 15, 2010.

(c) Commissioners of other districts shall ((serve without)) receive a salary((. However, the board of commissioners of such a public utility district may pass a resolution providing for salaries not exceeding)) of six hundred dollars per month, as adjusted for inflation by the office of financial management in subsection (6) of this section, for each commissioner.

(2) In addition to salary, all districts ((may)) shall provide ((by resolution)) for the payment of per diem compensation to each commissioner at a rate ((not exceeding)) of ninety dollars, as adjusted for inflation by the office of financial management in subsection (6) of this section, for each day or portion thereof spent in actual attendance at official meetings of the district commission or in performance of other official services or duties on behalf of the district, to include meetings of the commission of his or her district or meetings attended by one or more commissioners of two or more districts called to consider business common to them, but such compensation paid during any one year to a commissioner shall not exceed twelve thousand six hundred dollars, as adjusted for inflation by the office of financial management in subsection (6) of this section. Per diem compensation shall not be paid for services of a ministerial or professional nature.

(3) Any commissioner may waive all or any portion of his or her compensation payable under this section as to any month or months during his or her term of office, by a written waiver filed with the district as provided in this section. "Consumer price index" means, for any calendar year, that year's annual average consumer price index, for Washington state, for wage earners and clerical workers, all items, compiled by the bureau of labor and statistics, United States department of labor. If the bureau of labor and statistics develops more than one consumer price index for areas within the state, the index covering the greatest number of people, covering areas exclusively within the boundaries of the state, and including all items shall be used for the adjustments for inflation in this section. The office of financial management must calculate the new dollar threshold and transmit it to the office of the code reviser for publication in the Washington State Register at least one month before the new dollar threshold is to take effect.
(7) A person holding office as commissioner for two or more special purpose districts shall receive only that per diem compensation authorized for one of his or her commissioner positions as compensation for attending an official meeting or conducting official services or duties while representing more than one of his or her districts. However, such commissioner may receive additional per diem compensation if approved by resolution of all boards of the affected commissions.

However, when a local jurisdiction is required by law to enforce the ordinances in a court of limited jurisdiction, a petition may not be brought under this chapter.

Where a local jurisdiction allows or requires a motion for reconsideration to the highest level of authority making the determination, and a timely motion for reconsideration has been filed, the land use decision occurs on the date a

Sec. 4. RCW 64.06.022 and 2006 c 77 s 1 are each amended to read as follows:
A seller of residential real property shall make available to the buyer the following statement: "This notice is to inform you that the real property you are considering for purchase may lie in close proximity to a farm. (1) If, after the date that a seller of (residential) real property completes a real property transfer disclosure statement, the seller learns from a source other than the buyer or others acting on the buyer's behalf such as an inspector of additional information or an adverse change which makes any of the disclosures made inaccurate, the seller shall amend the real property transfer disclosure statement, and deliver the amendment to the buyer. No amendment shall be required, however, if the seller takes whatever corrective action is necessary so that the accuracy of the disclosure is restored, or the adverse change is corrected, at least three business days prior to the closing date. Unless the corrective action is completed by the seller prior to the closing date, the buyer shall have the right to exercise one of the following two options: (a) Approving and accepting the amendment, or (b) rescinding the agreement of purchase and sale of the property within three business days after receiving the amended real property transfer disclosure statement. Acceptance or rescission shall be subject to the same procedures described in RCW 64.06.030. If the closing date provided in the purchase and sale agreement is scheduled to occur within the three-business-day rescission period provided for in this section, the closing date shall be extended until the expiration of the three-business-day rescission period. The buyer shall have no right of rescission if the seller takes whatever action is necessary so that the accuracy of the disclosure is restored at least three business days prior to the closing date.

(2) In the event any act, occurrence, or agreement arising or becoming known after the closing of a (residential) real property transfer causes a real property transfer disclosure statement to be inaccurate in any way, the seller of such property shall have no obligation to amend the disclosure statement, and the buyer shall not have the right to rescind the transaction under this chapter.

(3) If the seller in a (residential) real property transfer fails or refuses to provide to the prospective buyer a real property transfer disclosure statement as required under this chapter, the prospective buyer's right of rescission under this section shall apply until the earlier of three business days after receipt of the real property transfer disclosure statement or the date the transfer has closed, unless the buyer has otherwise waived the right of rescission in writing. Closing is deemed to occur when the buyer has paid the purchase price, or down payment, and the conveyance document, including a deed or real estate contract, from the seller has been delivered and recorded. After closing, the seller's obligation to deliver the real property transfer disclosure statement and the buyer's rights and remedies under this chapter shall terminate.

(4) Failure of a homeowners' association or its officers, directors, employees, or authorized agents to provide requested information in part 8 of the disclosure statement form in RCW 64.06.015 or part 6 of the disclosure statement form in RCW 64.06.020 does not constitute a seller's failure or refusal
to provide a real property transfer disclosure statement under subsection (3) of this section.

Sec. 6. RCW 64.06.050 and 1996 c 301 s 5 are each amended to read as follows:

Unless the seller ((of residential real property)) has actual knowledge of an error, inaccuracy, or omission in a real property transfer disclosure statement, the seller shall not be liable for such error, inaccuracy, or omission if the disclosure was based on information provided by public agencies, or by other persons providing information within the scope of their professional license or expertise, including, but not limited to, a report or opinion delivered by a land surveyor, title company, title insurance company, structural inspector, pest inspector, licensed engineer, or contractor.

(2) Any ((licensed)) real estate ((salesperson or broker)) licensee involved in a ((residential)) real property transaction is not liable for any error, inaccuracy, or omission in the real property transfer disclosure statement if the licensee had no actual knowledge of the error, inaccuracy, or omission. Unless the ((salesperson or broker)) licensee has actual knowledge of an error, inaccuracy, or omission in a real property transfer disclosure statement, the ((salesperson or broker)) licensee shall not be liable for such error, inaccuracy, or omission if the disclosure was based on information provided by public agencies, or by other persons providing information within the scope of their professional license or expertise, including, but not limited to, a report or opinion delivered by a land surveyor, title company, title insurance company, structural inspector, pest inspector, licensed engineer, or contractor.

Sec. 7. RCW 64.06.070 and 1996 c 301 s 6 are each amended to read as follows:

Except as provided in RCW 64.06.050, nothing in this chapter shall extinguish or impair any rights or remedies of a buyer of real estate against the seller or against any agent acting for the seller otherwise existing pursuant to common law, statute, or contract; nor shall anything in this chapter create any new right or remedy for a buyer of ((residential)) real property other than the right of rescission exercised on the basis and within the time limits provided in this chapter.

The definitions in this section apply throughout this title unless the context clearly requires otherwise.

(1) "Adjuster" means any person who, for compensation as an independent contractor or as an employee of an independent contractor, or for fee or commission, investigates or reports to the adjuster's principal relative to claims arising under insurance contracts, on behalf solely of either the insurer or the insured. An attorney-at-law who adjusts insurance losses from time to time incidental to the practice of his or her profession(,) or an adjuster of marine losses(, or a salaried employee of an insurer or of a managing general agent,) is not deemed to be an "adjuster" for the purpose of this chapter. A salaried employee of an insurer or of a managing general agent is not deemed to be an "adjuster" for the purpose of this chapter, except when acting as a crop adjuster.

(a) "Independent adjuster" means an adjuster representing the interests of the insurer.

(b) "Public adjuster" means an adjuster employed by and representing solely the financial interests of the insured named in the policy.

(c) "Crop adjuster" means an adjuster, including (i) an independent adjuster, (ii) a public adjuster, and (iii) an employee of an insurer or managing general agent, who acts as an adjuster for claims arising under crop insurance. A salaried employee of an insurer or of a managing general agent who is certified by a crop adjuster program approved by the risk management agency of the United States department of agriculture is not a "crop adjuster" for the purposes of this chapter. Proof of certification must be provided to the commissioner upon request.

(3) "Crop insurance" means insurance coverage for damage to crops from unfavorable weather conditions, fire or lightning, flood, hail, insect infestation, disease, or other yield-reducing conditions or perils provided by the private insurance market, or multiple peril crop insurance reinsured by the federal crop insurance corporation, including but not limited to revenue insurance.

(4) "Home state" means the District of Columbia and any state or territory of the United States or province of Canada in which an insurance producer maintains the insurance producer's principal place of residence or principal place of business, and is licensed to act as an insurance producer.

((4)(4)) (5) "Insurance education provider" means any insurer, health care service contractor, health maintenance organization, professional association,
educational institution created by Washington statutes, or vocational school licensed under Title 28C RCW, or independent contractor to which the commissioner has granted authority to conduct and certify completion of a course satisfying the insurance education requirements of RCW 48.17.150.

(((5))  (6)) "Insurance producer" means a person required to be licensed under the laws of this state to sell, solicit, or negotiate insurance. "Insurance producer" does not include title insurance agents as defined in subsection (((15))  (16)) of this section or surplus line brokers licensed under chapter 48.15 RCW.

(((6))  (7)) "Insurer" has the same meaning as in RCW 48.01.050, and includes a health care service contractor as defined in RCW 48.44.010 and a health maintenance organization as defined in RCW 48.46.020.

(((7))  (8)) "License" means a document issued by the commissioner authorizing a person to act as an insurance producer or title insurance agent for the lines of authority specified in the document. The license itself does not create any authority, actual, apparent, or inherent, in the holder to represent or commit to an insurer.

(((8))  (9)) "Limited line credit insurance" includes credit life, credit disability, credit property, credit unemployment, involuntary unemployment, mortgage life, mortgage guaranty, mortgage disability, automobile dealer gap insurance, and any other form of insurance offered in connection with an extension of credit that is limited to partially or wholly extinguishing the credit obligation that the commissioner determines should be designated a form of limited line credit insurance.

(((9))  (10)) "NAIC" means national association of insurance commissioners.

(((10))  (11)) "Negotiate" means the act of conferring directly with, or offering advice directly to, a purchaser or prospective purchaser of a particular contract of insurance concerning any of the substantive benefits, terms, or conditions of the contract, provided that the person engaged in that act either sells insurance or obtains insurance from insurers for purchasers.

(((11))  (12)) "Person" means an individual or a business entity.

(((12))  (13)) "Sell" means to exchange a contract of insurance by any means, for money or its equivalent, on behalf of an insurer.

(((15))  (16)) "Title insurance agent" means a business entity licensed under the laws of this state and appointed by an authorized title insurance company to sell, solicit, or negotiate insurance on behalf of the title insurance company.

(((16))  (17)) "Uniform application" means the current version of the NAIC uniform application for individual insurance producers for resident and nonresident insurance producer licensing.

(((17))  (18)) "Uniform business entity application" means the current version of the NAIC uniform application for business entity insurance license or registration for resident and nonresident business entities.

Examinations required by this section shall be developed and conducted under the rules prescribed by the commissioner. (The commissioner shall prepare, or approve, and make available a manual specifying in general terms the subjects which may be covered in any examination for a particular license.)

   (c) With the exception of crop adjusters, applicants for a license as a nonresident adjuster who are duly licensed in another state and who are deemed by the commissioner to be fully qualified and competent for a similar license in this state; and

(4) The commissioner may, at any time, require any licensed insurance producer, adjuster or crop adjuster to take and successfully pass an examination testing the licensee's competence and qualifications as a condition to the continuance or renewal of a license, if the licensee has been guilty of violating
this title, or has so conducted affairs under an insurance license as to cause the
commissioner to reasonably desire further evidence of the licensee's
qualifications.

(5) The commissioner may by rule establish requirements for crop adjusters
to:
(a) Successfully complete prelicensing education;
(b) Pass a written examination to obtain a license; and
(c) Renew their license.

Sec. 5. RCW 48.17.150 and 2009 c 162 s 17 are each amended to read as

on behalf of and as authorized by an insurer for which an insurance producer or title
insurance agent has been appointed as an agent and investigate and report upon

CHAPTER 69
[Substitute Senate Bill 6367]
PUBLIC RECORDS REQUESTS—ONLINE ACCESS

AN ACT Relating to responses to public records requests; amending RCW 42.56.520; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The internet provides for instant access to public records at a significantly reduced cost to the agency and the public. Agencies are encouraged to make commonly requested records available on agency web sites. When an agency has made records available on its web site, members of the public with computer access should be encouraged to preserve taxpayer resources by accessing those records online.

Sec. 2. RCW 42.56.520 and 1995 c 397 s 15 are each amended to read as follows:

Responses to requests for public records shall be made promptly by agencies, the office of the secretary of the senate, and the office of the chief clerk of the house of representatives. Within five business days of receiving a public record request, an agency, the office of the secretary of the senate, or the office
of the chief clerk of the house of representatives must respond by either (1) providing the record; (2) providing an internet address and link on the agency's website to the specific records requested, except that if the requester notifies the agency that he or she cannot access the records through the internet, then the agency must provide copies of the record or allow the requester to view copies using an agency computer; (3) acknowledging that the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives has received the request and providing a reasonable estimate of the time the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives will require to respond to the request; or (((3) (4)) (4) denying the public record request. Additional time required to respond to a request may be based upon the need to clarify the intent of the request, to locate and assemble the information requested, to notify third persons or agencies affected by the request, or to determine whether any of the information requested is exempt and that a denial should be made as to all or part of the request. In acknowledging receipt of a public record request that is unclear, an agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives may ask the requestor to clarify what information the requestor is seeking. If the requestor fails to clarify the request, the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives need not respond to it. Denials of requests must be accompanied by a written statement of the specific reasons therefor. Agencies, the office of the secretary of the senate, and the office of the chief clerk of the house of representatives shall establish mechanisms for the most prompt possible review of decisions denying inspection, and such review shall be deemed completed at the end of the second business day following the denial of inspection and shall constitute final agency action or final action by the office of the secretary of the senate or the office of the chief clerk of the house of representatives for the purposes of judicial review.

Passed by the Senate February 15, 2010.  
Passed by the House February 28, 2010.  
Approved by the Governor March 15, 2010.

CHAPTER 70  
[Substitute Senate Bill 6556]  
AGRICULTURAL BURNING—FEES

AN ACT Relating to changing fees for certain types of agricultural burning; and amending RCW 70.94.6528.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 70.94.6528 and 2009 c 118 s 401 are each amended to read as follows:

(1) Any person who proposes to set fires in the course of agricultural activities shall obtain a permit from an air pollution control authority, the department of ecology, or a local entity delegated permitting authority under RCW 70.94.6530. General permit criteria of statewide applicability shall be
established by the department, by rule, after consultation with the various air pollution control authorities.

(a) Permits shall be issued under this section based on seasonal operations or by individual operations, or both.
(b) Incidental agricultural burning consistent with provisions established in RCW 70.94.6524 is allowed without applying for any permit and without the payment of any fee.

(2) The department of ecology, local air authorities, or a local entity with delegated permit authority shall:
(a) Condition all permits to ensure that the public interest in air, water, and land pollution and safety to life and property is fully considered;
(b) Condition all burning permits to minimize air pollution insofar as practical;
(c) Act upon, within seven days from the date an application is filed under this section, an application for a permit to set fires in the course of agricultural burning for controlling diseases, insects, weed abatement, or development of physiological conditions conducive to increased crop yield;
(d) Provide convenient methods for issuance and oversight of agricultural burning permits; and
(e) Work, through agreement, with counties and cities to provide convenient methods for granting permission for agricultural burning, including telephone, facsimile transmission, issuance from local city or county offices, or other methods.

(3) A local air authority administering the permit program under subsection (2) of this section shall not limit the number of days of allowable agricultural burning, but may consider the time of year, meteorological conditions, and other criteria specified in rules adopted by the department to implement subsection (2) of this section.

(4) In addition to following any other requirements established by the department to protect air quality pursuant to other laws, applicants for permits must show that the setting of fires as requested is the most reasonable procedure to follow in safeguarding life or property under all circumstances or is otherwise reasonably necessary to successfully carry out the enterprise in which the applicant is engaged, or both. Nothing in this section relieves the applicant from obtaining permits, licenses, or other approvals required by any other law.

(5) The department of ecology, the appropriate local air authority, or a local entity with delegated permitting authority pursuant to RCW 70.94.6530 at the time the permit is issued shall assess and collect permit fees for burning under this section. All fees collected shall be deposited in the air pollution control account created in RCW 70.94.015, except for that portion of the fee necessary to cover local costs of administering a permit issued under this section. Fees shall be set by rule by the permitting agency at the level determined by the task force created by subsection (6) of this section, but fees for field burning shall not exceed $3.50 per acre to be burned, or in the case of pile burning shall not exceed one dollar per ton of material burned. (After fees are established by rule, any increases in such fees shall be limited to annual inflation adjustments as determined by the state office of the economic and revenue forecast council.)
(6) An agricultural burning practices and research task force shall be established under the direction of the department. The task force shall be composed of a representative from the department who shall serve as chair; one representative of eastern Washington local air authorities; three representatives of the agricultural community from different agricultural pursuits; one representative of the department of agriculture; two representatives from universities or colleges knowledgeable in agricultural issues; one representative of the public health or medical community; and one representative of the conservation districts. The task force shall:

(a) Identify best management practices for reducing air contaminant emissions from agricultural activities and provide such information to the department and local air authorities;

(b) Determine the level of fees to be assessed by the permitting agency pursuant to subsection (5) of this section, based upon the level necessary to cover the costs of administering and enforcing the permit programs, to provide funds for research into alternative methods to reduce emissions from such burning, and to the extent possible be consistent with fees charged for such burning permits in neighboring states. The fee level shall provide, to the extent possible, for lesser fees for permittees who use best management practices to minimize air contaminant emissions;

(c) Identify research needs related to minimizing emissions from agricultural burning and alternatives to such burning; and

(d) Make recommendations to the department on priorities for spending funds provided through this chapter for research into alternative methods to reduce emissions from agricultural burning.

(7) Conservation districts and the Washington State University agricultural extension program in conjunction with the department shall develop public education material for the agricultural community identifying the health and environmental effects of agricultural outdoor burning and providing technical assistance in alternatives to agricultural outdoor burning.

(8)(a) Outdoor burning that is normal, necessary, and customary to ongoing agricultural activities, that is consistent with agricultural burning authorized under this section and RCW 70.94.6532, is allowed within the urban growth area as described in RCW 70.94.6514 if the burning is not conducted during air quality episodes, or where a determination of impaired air quality has been made as provided in RCW 70.94.473, and the agricultural activities preceded the designation as an urban growth area.

(b) Outdoor burning of cultivated orchard trees, whether or not agricultural crops will be replanted on the land, shall be allowed as an ongoing agricultural activity under this section if a local horticultural pest and disease board formed under chapter 15.09 RCW, an extension office agent with Washington State University that has horticultural experience, or an entomologist employed by the department of agriculture, has determined in writing that burning is an appropriate method to prevent or control the spread of horticultural pests or diseases.

Passed by the Senate February 15, 2010.
Passed by the House March 2, 2010.

legislature further finds that many of these experiences may represent learning
outcomes equivalent or superior to those achieved by students in more

experience, military and law enforcement training, career college training,
internships and externships, and apprenticeships.
(2) The policies shall address, but are not limited to, issues regarding
verification, accreditation, transfer of academic credit, licensing and
professional recognition, and financial aid. To the greatest extent possible, the
policies shall provide for consistent application by all institutions of higher
education and a basis for accurate and complete academic counseling.
(3) Policies developed by the state board for community and technical
colleges along with recommendations shall be submitted to the appropriate
committees of the legislature by December 31, 2010.

AN ACT Relating to unemployment insurance penalties and contribution rates for employers
who are not "qualified employers"; reenacting and amending RCW 50.29.025; adding a new section
to chapter 50.12 RCW; creating a new section; prescribing penalties; and providing an effective date.
Be it enacted by the Legislature of the State of Washington:

**Sec. 1.** RCW 50.29.025 and 2009 c 493 s 2 and 2009 c 3 s 14 are each reenacted and amended to read as follows:

(1) For contributions assessed for rate years 2005 through 2009, the contribution rate for each employer subject to contributions under RCW 50.24.010 shall be the sum of the array calculation factor rate and the graduated social cost factor rate determined under this subsection, and the solvency surcharge determined under RCW 50.29.041, if any.

(a) The array calculation factor rate shall be determined as follows:

(i) An array shall be prepared, listing all qualified employers in ascending order of their benefit ratios. The array shall show for each qualified employer: (A) Identification number; (B) benefit ratio; and (C) taxable payrolls for the four consecutive calendar quarters immediately preceding the computation date and reported to the employment security department by the cut-off date.

(ii) Each employer in the array shall be assigned to one of forty rate classes according to his or her benefit ratio as follows, and, except as provided in RCW 50.29.026, the array calculation factor rate for each employer in the array shall be the rate specified in the rate class to which the employer has been assigned:

(b) The graduated social cost factor rate shall be determined as follows:

(i)(A) Except as provided in (b)(i)(B) and (C) of this subsection, the commissioner shall calculate the flat social cost factor for a rate year by dividing the total social cost by the total taxable payroll. The division shall be carried to the second decimal place with the remaining fraction disregarded unless it amounts to five hundredths or more, in which case the second decimal place shall be rounded to the next higher digit. The flat social cost factor shall be expressed as a percentage.

(B) If, on the cut-off date, the balance in the unemployment compensation fund is determined by the commissioner to be an amount that will provide more than ten months of unemployment benefits, the commissioner shall calculate the flat social cost factor for the rate year immediately following the cut-off date by reducing the total social cost by the dollar amount that represents the number of months for which the balance in the unemployment compensation fund on the cut-off date will provide benefits above ten months and dividing the result by the total taxable payroll. However, the calculation under this subsection (1)(b)(i)(B) for a rate year may not result in a flat social cost factor that is more than four-tenths lower than the calculation under (b)(i)(A) of this subsection for that rate year.

For the purposes of this subsection, the commissioner shall determine the number of months of unemployment benefits in the unemployment compensation fund using the benefit cost rate for the average of the three highest calendar benefit cost rates in the twenty consecutive completed calendar years.
immediately preceding the cut-off date or a period of consecutive calendar years immediately preceding the cut-off date that includes three recessions, if longer.

(C) The minimum flat social cost factor calculated under this subsection (1)(b) shall be six-tenths of one percent, except that if the balance in the unemployment compensation fund is determined by the commissioner to be an amount that will provide:

(I) At least twelve months but less than fourteen months of unemployment benefits, the minimum shall be five-tenths of one percent; or

(II) At least fourteen months of unemployment benefits, the minimum shall be five-tenths of one percent, except that, for employers in rate class 1, the minimum shall be forty-five hundredths of one percent.

(ii)(A) Except as provided in (b)(ii)(B) of this subsection, the graduated social cost factor rate for each employer in the array is the flat social cost factor multiplied by the percentage specified as follows for the rate class to which the employer has been assigned in (a)(ii) of this subsection, except that the sum of an employer's array calculation factor rate and the graduated social cost factor rate may not exceed six and five-tenths percent or, for employers whose North American industry classification system code is within "111," "112," "1141," "115," "3114," "3117," "42448," or "49312," may not exceed six percent through rate year 2007 and may not exceed five and seven-tenths percent for rate years 2008 and 2009:

(I) Rate class 1 - 78 percent;
(II) Rate class 2 - 82 percent;
(III) Rate class 3 - 86 percent;
(IV) Rate class 4 - 90 percent;
(V) Rate class 5 - 94 percent;
(VI) Rate class 6 - 98 percent;
(VII) Rate class 7 - 102 percent;
(VIII) Rate class 8 - 106 percent;
(IX) Rate class 9 - 110 percent;
(X) Rate class 10 - 114 percent;
(XI) Rate class 11 - 118 percent; and
(XII) Rate classes 12 through 40 - 120 percent.

(B) For contributions assessed beginning July 1, 2005, through December 31, 2007, for employers whose North American industry classification system code is "111," "112," "1141," "115," "3114," "3117," "42448," or "49312," the graduated social cost factor rate is zero.

(iii) For the purposes of this section:

(A) "Total social cost" means the amount calculated by subtracting the array calculation factor contributions paid by all employers with respect to the four consecutive calendar quarters immediately preceding the computation date and paid to the employment security department by the cut-off date from the total unemployment benefits paid to claimants in the same four consecutive calendar quarters. To calculate the flat social cost factor for rate year 2005, the commissioner shall calculate the total social cost using the array calculation factor contributions that would have been required to be paid by all employers in the calculation period if (a) of this subsection had been in effect for the relevant period. To calculate the flat social cost factor for rate years 2010 and 2011, the forty-five dollar increase paid as part of an individual's weekly benefit amount as
provided in RCW 50.20.1201 shall not be considered for purposes of calculating the total unemployment benefits paid to claimants in the four consecutive calendar quarters immediately preceding the computation date.

(B) "Total taxable payroll" means the total amount of wages subject to tax, as determined under RCW 50.24.010, for all employers in the four consecutive calendar quarters immediately preceding the computation date and reported to the employment security department by the cut-off date.

(c) For employers who do not meet the definition of "qualified employer" by reason of failure to pay contributions when due:

(i) The array calculation factor rate shall be two-tenths higher than that in rate class 40, except employers who have an approved agency-deferred payment contract by September 30th of the previous rate year. If any employer with an approved agency-deferred payment contract fails to make any one of the succeeding deferred payments or fails to submit any succeeding tax report and payment in a timely manner, the employer's tax rate shall immediately revert to an array calculation factor rate two-tenths higher than that in rate class 40; and

(ii) The social cost factor rate shall be the social cost factor rate assigned to rate class 40 under (b)(ii) of this subsection.

(d) For all other employers not qualified to be in the array:

(i) For rate years 2005, 2006, and 2007:

(A) The array calculation factor rate shall be a rate equal to the average industry array calculation factor rate as determined by the commissioner, plus fifteen percent of that amount; however, the rate may not be less than one percent or more than the array calculation factor rate in rate class 40; and

(B) The social cost factor rate shall be a rate equal to the average industry social cost factor rate as determined by the commissioner, plus fifteen percent of that amount, but not more than the social cost factor rate assigned to rate class 40 under (b)(ii) of this subsection.

(ii) For contributions assessed for rate years 2008 and 2009:

(A) The array calculation factor rate shall be a rate equal to the average industry array calculation factor rate as determined by the commissioner, multiplied by the history factor, but not less than one percent or more than the array calculation factor rate in rate class 40;

(B) The social cost factor rate shall be a rate equal to the average industry social cost factor rate as determined by the commissioner, multiplied by the history factor, but not more than the social cost factor rate assigned to rate class 40 under (b)(ii) of this subsection; and

(C) The history factor shall be based on the total amounts of benefits charged and contributions paid in the three fiscal years ending prior to the computation date by employers not qualified to be in the array, other than employers in (c) of this subsection, who were first subject to contributions in the calendar year ending three years prior to the computation date. The commissioner shall calculate the history ratio by dividing the total amount of benefits charged by the total amount of contributions paid in this three-year period by these employers. The division shall be carried to the second decimal place with the remaining fraction disregarded unless it amounts to five one-hundredths or more, in which case the second decimal place shall be rounded to the next higher digit. The commissioner shall determine the history factor according to the history ratio as follows:
For contributions assessed in rate year 2010 and thereafter, the contribution rate for each employer subject to contributions under RCW 50.24.010 shall be the sum of the array calculation factor rate and the graduated social cost factor rate determined under this subsection, and the solvency surcharge determined under RCW 50.29.041, if any.

(a) The array calculation factor rate shall be determined as follows:

(i) An array shall be prepared, listing all qualified employers in ascending order of their benefit ratios. The array shall show for each qualified employer: (A) Identification number; (B) benefit ratio; and (C) taxable payrolls for the four consecutive calendar quarters immediately preceding the computation date and reported to the employment security department by the cut-off date.

(ii) Each employer in the array shall be assigned to one of forty rate classes according to his or her benefit ratio as follows, and, except as provided in RCW 50.29.026, the array calculation factor rate for each employer in the array shall be the rate specified in the rate class to which the employer has been assigned:

(b) The graduated social cost factor rate shall be determined as follows:

(i)(A) Except as provided in (b)(i)(B) and (C) of this subsection, the commissioner shall calculate the flat social cost factor for a rate year by dividing the total social cost by the total taxable payroll. The division shall be carried to the second decimal place with the remaining fraction disregarded unless it amounts to five hundredths or more, in which case the second decimal place shall be rounded to the next higher digit. The flat social cost factor shall be expressed as a percentage.

(B) If, on the cut-off date, the balance in the unemployment compensation fund is determined by the commissioner to be an amount that will provide more than ten months of unemployment benefits, the commissioner shall calculate the flat social cost factor for the rate year immediately following the cut-off date by reducing the total social cost by the dollar amount that represents the number of months for which the balance in the unemployment compensation fund on the cut-off date will provide benefits above ten months and dividing the result by the total taxable payroll. However, the calculation under this subsection (2)(b)(i)(B) for a rate year may not result in a flat social cost factor that is more than four-
tenths lower than the calculation under (b)(i)(A) of this subsection for that rate year.

For the purposes of this subsection, the commissioner shall determine the number of months of unemployment benefits in the unemployment compensation fund using the benefit cost rate for the average of the three highest calendar benefit cost rates in the twenty consecutive completed calendar years immediately preceding the cut-off date or a period of consecutive calendar years immediately preceding the cut-off date that includes three recessions, if longer.

(C) The minimum flat social cost factor calculated under this subsection (2)(b) shall be six-tenths of one percent, except that if the balance in the unemployment compensation fund is determined by the commissioner to be an amount that will provide:

(I) At least ten months but less than eleven months of unemployment benefits, the minimum shall be five-tenths of one percent; or

(II) At least eleven months but less than twelve months of unemployment benefits, the minimum shall be forty-five hundredths of one percent; or

(III) At least twelve months but less than thirteen months of unemployment benefits, the minimum shall be four-tenths of one percent; or

(IV) At least thirteen months but less than fifteen months of unemployment benefits, the minimum shall be thirty-five hundredths of one percent; or

(V) At least fifteen months but less than seventeen months of unemployment benefits, the minimum shall be twenty-five hundredths of one percent; or

(VI) At least seventeen months but less than eighteen months of unemployment benefits, the minimum shall be fifteen hundredths of one percent; or

(VII) At least eighteen months of unemployment benefits, the minimum shall be fifteen hundredths of one percent through rate year 2011 and shall be zero thereafter.

(ii) The graduated social cost factor rate for each employer in the array is the flat social cost factor multiplied by the percentage specified as follows for the rate class to which the employer has been assigned in (a)(ii) of this subsection, except that the sum of an employer's array calculation factor rate and the graduated social cost factor rate may not exceed six percent or, for employers whose North American industry classification system code is within "111," "112," "1141," "115," "3114," "3117," "42448," or "49312," may not exceed five and four-tenths percent:

(A) Rate class 1 - 78 percent;
(B) Rate class 2 - 82 percent;
(C) Rate class 3 - 86 percent;
(D) Rate class 4 - 90 percent;
(E) Rate class 5 - 94 percent;
(F) Rate class 6 - 98 percent;
(G) Rate class 7 - 102 percent;
(H) Rate class 8 - 106 percent;
(I) Rate class 9 - 110 percent;
(J) Rate class 10 - 114 percent;
(K) Rate class 11 - 118 percent; and
(L) Rate classes 12 through 40 - 120 percent.
(iii) For the purposes of this section:
   (A) "Total social cost" means the amount calculated by subtracting the array
       calculation factor contributions paid by all employers with respect to the four
       consecutive calendar quarters immediately preceding the computation date and
       paid to the employment security department by the cut-off date from the total
       unemployment benefits paid to claimants in the same four consecutive calendar
       quarters.
   (B) "Total taxable payroll" means the total amount of wages subject to tax,
       as determined under RCW 50.24.010, for all employers in the four consecutive
       calendar quarters immediately preceding the computation date and reported to
       the employment security department by the cut-off date.
   (c) For employers who do not meet the definition of "qualified employer"
       by reason of failure to pay contributions when due:
       (i) For rate years through 2010:
           (A) The array calculation factor rate shall be two-tenths higher than that in
               rate class 40, except employers who have an approved agency-deferred payment
               contract by September 30th of the previous rate year. If any employer with an
               approved agency-deferred payment contract fails to make any one of the
               succeeding deferred payments or fails to submit any succeeding tax report and
               payment in a timely manner, the employer's tax rate shall immediately revert to
               an array calculation factor rate two-tenths higher than that in rate class 40; and
               ((ii)) (B) The social cost factor rate shall be the social cost factor rate
               assigned to rate class 40 under (b)(ii) of this subsection.
       (ii) For rate years 2011 and thereafter:
           (A)(I) For an employer who does not enter into an approved agency-
               deferred payment contract as described in (c)(ii)(A)(II) or (III) of this
               subsection, the array calculation factor rate shall be the rate it would have been if
               the employer had not been delinquent in payment plus an additional one percent
               or, if the employer is delinquent in payment for a second or more consecutive
               year, an additional two percent;
               (II) For an employer who enters an approved agency-deferred payment
                   contract by September 30th of the previous rate year, the array calculation factor
                   rate shall be the rate it would have been if the employer had not been delinquent
                   in payment;
               (III) For an employer who enters an approved agency-deferred payment
                   contract after September 30th of the previous rate year, but
                   within thirty days of the date the department sent its first tax rate notice, the array
                   calculation factor rate shall be the rate it would have been had the employer not been delinquent
                   in payment plus an additional one-half of one percent or, if the employer is
                   delinquent in payment for a second or more consecutive year, an additional one
                   and one-half percent;
               (IV) For an employer who enters an approved agency-deferred payment
                   contract as described in (c)(ii)(A)(II) or (III) of this subsection, but who fails to
                   make any one of the succeeding deferred payments or fails to submit any
                   succeeding tax report and payment in a timely manner, the array calculation factor
                   rate shall immediately revert to the applicable array calculation factor rate
                   under (c)(ii)(A)(I) of this subsection; and
               (B) The social cost factor rate shall be the social cost factor rate assigned to
                   rate class 40 under (b)(ii) of this subsection.
(d) For all other employers not qualified to be in the array:

(i) The array calculation factor rate shall be a rate equal to the average industry array calculation factor rate as determined by the commissioner, multiplied by the history factor, but not less than one percent or more than the array calculation factor rate in rate class 40;

(ii) The social cost factor rate shall be a rate equal to the average industry social cost factor rate as determined by the commissioner, multiplied by the history factor, but not more than the social cost factor rate assigned to rate class 40 under (b)(ii) of this subsection; and

(iii) The history factor shall be based on the total amounts of benefits charged and contributions paid in the three fiscal years ending prior to the computation date by employers not qualified to be in the array, other than employers in (c) of this subsection, who were first subject to contributions in the calendar year ending three years prior to the computation date. The commissioner shall calculate the history ratio by dividing the total amount of benefits charged by the total amount of contributions paid in this three-year period by these employers. The division shall be carried to the second decimal place with the remaining fraction disregarded unless it amounts to five one-hundredths or more, in which case the second decimal place shall be rounded to the next higher digit. The commissioner shall determine the history factor according to the history ratio as follows:

(3) Assignment of employers by the commissioner to industrial classification, for purposes of this section, shall be in accordance with established classification practices found in the North American industry classification system code.

NEW SECTION. Sec. 2. A new section is added to chapter 50.12 RCW to read as follows:

An employer that knowingly fails to register with the department and obtain an employment security account number, as required under RCW 50.12.070(2), is subject to a penalty not to exceed one thousand dollars per quarter or two times the taxes due per quarter, whichever is greater. This penalty is in addition to all other penalties and is in addition to higher rates for employers that do not meet the definition of "qualified employer" under RCW 50.29.010. This penalty does not apply if the employer can prove that it had good cause to believe that it was not required to register with the department.

NEW SECTION. Sec. 3. If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state or the eligibility of employers in this state for federal unemployment tax credits, the conflicting part of this act is inoperative solely to
the extent of the conflict, and the finding or determination does not affect the operation of the remainder of this act. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state.

NEW SECTION. Sec. 4. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 5. Section 2 of this act takes effect January 1, 2011.

Passed by the Senate February 16, 2010.
Passed by the House February 28, 2010.
Approved by the Governor March 15, 2010.
Filed in Office of Secretary of State March 15, 2010.

The director may, at his or her discretion, waive applicability of the licensing provisions of this chapter when the director determines it necessary to facilitate commerce and protect consumers. The director may adopt rules to implement this section.

Sec. 3. RCW 19.230.050 and 2003 c 287 s 7 are each amended to read as follows:

(1) Each money transmitter licensee shall maintain a surety bond, or other similar security acceptable to the director, in an amount based on the previous year's money transmission dollar volume; and the previous year's payment instrument dollar volume. The minimum surety bond must be at least ten thousand dollars, and not to exceed five hundred thousand dollars. The director may adopt rules to implement this section.

(2) The surety bond shall run to the state of Washington as obligee, and shall run to the benefit of the state and any person or persons who suffer loss by reason of a licensee's or licensee's authorized delegate's violation of this chapter or the rules adopted under this chapter. A claimant against a money transmitter licensee may maintain an action on the bond, or the director may maintain an action on behalf of the claimant.

(3) The surety bond shall be continuous and may be canceled by the surety upon the surety giving written notice to the director of its intent to cancel the bond. The cancellation is effective thirty days after the notice of cancellation is received by the director or the director's designee. Whether or not the bond is renewed, continued, replaced, or modified, including increases or decreases in the penal sum, it is considered one continuous obligation, and the surety upon the bond is not liable in an aggregate or cumulative amount exceeding the penal sum set forth on the face of the bond. In no event may the penal sum, or any portion thereof, at two or more points in time, be added together in determining the surety's liability.

(4) A surety bond or other security must cover claims for at least five years after the date of a money transmitter licensee's violation of this chapter, or at least five years after the date the money transmitter licensee ceases to provide money services in this state, whichever is longer. However, the director may permit the amount of the surety bond or other security to be reduced or eliminated before the expiration of that time to the extent the amount of the licensee's obligations outstanding in this state are reduced.

(5) In the event that a money transmitter licensee does not maintain a surety bond or other form of security satisfactory to the director in the amount required under subsection (1) of this section, the director may issue a temporary cease and desist order under RCW 19.230.260.

(6) The director may increase the amount of security required to a maximum of one million dollars if the financial condition of a money transmitter licensee so requires, as evidenced by reduction of net worth, financial losses, potential losses as a result of violations of this chapter or rules adopted under this chapter, or other relevant criteria specified by the director in rule.
Sec. 4. RCW 19.230.060 and 2003 c 287 s 8 are each amended to read as follows:

A money transmitter licensed under this chapter shall maintain a tangible net worth, determined in accordance with generally accepted accounting principles, as determined in rule by the director. The director shall require a tangible net worth of at least ten thousand dollars and not more than ((fifty thousand)) three million dollars. In the event that a licensee's tangible net worth, as determined in accordance with generally accepted accounting principles, falls below the amount required in rule, the director or the director's designee may initiate action under RCW 19.230.230 and 19.230.260. The licensee may request a hearing on such an action under chapter 34.05 RCW.

Sec. 5. RCW 19.230.070 and 2003 c 287 s 9 are each amended to read as follows:

(1) When an application for a money transmitter license is filed under this chapter, the director or the director's designee shall investigate the applicant's financial condition and responsibility, financial and business experience, competence, character, and general fitness. The director or the director's designee may conduct an on-site investigation of the applicant, the cost of which must be paid by the applicant as specified in RCW 19.230.320 or rules adopted under this chapter. The director shall issue a money transmitter license to an applicant under this chapter if the director or the director's designee finds that all of the following conditions have been fulfilled:

(a) The applicant has complied with RCW 19.230.040, 19.230.050, and 19.230.060;

(b) The financial condition and responsibility, financial and business experience, competence, character, and general fitness of the applicant; and the competence, financial and business experience, character, and general fitness of the executive officers, proposed responsible individual, board directors, and persons in control of the applicant; indicate that it is in the interest of the public to permit the applicant to engage in the business of providing money transmission services; and

(c) Neither the applicant, nor any executive officer, nor person who exercises control over the applicant, nor the proposed responsible individual is listed on the specially designated nationals and blocked persons list prepared by the United States department of the treasury or department of state under Presidential Executive Order No. 13224.

(2) The director may for good cause extend the application review period.

(3) An applicant whose application is denied by the director under this chapter may appeal under chapter 34.05 RCW.

(4) A money transmitter license issued under this chapter is valid from the date of issuance and remains in effect with no fixed date of expiration unless otherwise suspended or revoked by the director or unless the license expires for nonpayment of the annual ((license)) assessment and any late fee, if applicable.

(5) A money transmitter licensee may surrender a license by delivering the original license to the director along with a written notice of surrender. The written notice of surrender must include notice of where the records of the licensee will be stored and the name, address, telephone number, and other contact information of a responsible party who is authorized to provide access to the records. The surrender of a license does not reduce or eliminate the
licensee's civil or criminal liability arising from acts or omissions occurring prior to the surrender of the license, including any administrative actions undertaken by the director or the director's designee to revoke or suspend a license, to assess fines, to order payment of restitution, or to exercise any other authority authorized under this chapter.

Sec. 6. RCW 19.230.110 and 2003 c 287 s 13 are each amended to read as follows:

(1) A licensee shall pay an annual ((license)) assessment as established in rule by the director no later than the annual ((license)) assessment due date or, if the annual ((license)) assessment due date is not a business day, on the next business day. A licensee shall pay an annual assessment based on the previous year's Washington dollar volume of: (a) Money transmissions; (b) payment instruments; (c) currency exchanges; and (d) stored value sales. The total minimum assessment must be one thousand dollars per year, and the maximum assessment may not exceed one hundred thousand dollars per year.

(2) A licensee shall submit an accurate annual report with the annual ((license)) assessment, in a form and in a medium prescribed by the director in rule. The annual report must state or contain:

(a) If the licensee is a money transmitter, a copy of the licensee's most recent audited annual financial statement or, if the licensee is a wholly owned subsidiary of another corporation, the most recent audited consolidated annual financial statement of the parent corporation or the licensee's most recent audited consolidated annual financial statement;

(b) A description of each material change, as defined in rule by the director, to information submitted by the licensee in its original license application which has not been previously reported to the director on any required report;

(c) If the licensee is a money transmitter, a list of the licensee's permissible investments and a certification that the licensee continues to maintain permissible investments according to the requirements set forth in RCW 19.230.200 and 19.230.210;

(d) If the licensee is a money transmitter, proof that the licensee continues to maintain adequate security as required by RCW 19.230.050; and

(e) A list of the locations in this state where the licensee or an authorized delegate of the licensee engages in or provides money services.

(3) If a licensee does not file an annual report or pay its annual ((license)) assessment by the annual ((license)) assessment due date, the director or the director's designee shall send the licensee a notice of suspension and assess the licensee a late fee not to exceed twenty-five percent of the annual ((license)) assessment as established in rule by the director. The licensee's annual report and payment of both the annual ((license)) assessment and the late fee must arrive in the department's offices by 5:00 p.m. on the thirtieth day after the assessment due date or any extension of time granted by the director, unless that date is not a business day, in which case the licensee's annual report and payment of both the annual ((license)) assessment and the late fee must arrive in the department's offices by 5:00 p.m. on the next occurring business day. If the licensee's annual report and payment of both the annual ((license)) assessment and late fee do not arrive by such date, the expiration of the licensee's license is effective at 5:00 p.m. on the thirtieth day after the assessment due date, unless that date is not a business day, in which case the expiration of the licensee's
license is effective at 5:00 p.m. on the next occurring business day. The director, or the director's designee, may reinstate the license if, within twenty days after its effective date, the licensee:

(a) Files the annual report and pays both the annual ((license)) assessment and the late fee; and

(b) ((The licensee)) Did not engage in or provide money services during the period its license was expired.

Sec. 7. RCW 19.230.170 and 2003 c 287 s 19 are each amended to read as follows:

(1) A licensee shall maintain the following records for determining its compliance with this chapter for at least five years:
   (a) A general ledger posted at least monthly containing all assets, liabilities, capital, income, and expense accounts;
   (b) Bank statements and bank reconciliation records;
   (c) Monthly reports about permissible investments;
   (d) A list of the last known names and addresses of all of the licensee's authorized delegates;
   (e) Copies of all currency transaction reports and suspicious activity reports filed in compliance with RCW 19.230.180; and
   (f) Any other records required in rule by the director.

(2) The items specified in subsection (1) of this section may be maintained in any form of record that is readily accessible to the director or the director's designee upon request.

(3) Records may be maintained outside this state if they are made accessible to the director on seven business days' notice that is sent in writing.

(4) All records maintained by the licensee are open to inspection by the director or the director's designee.

Sec. 8. RCW 19.230.180 and 2003 c 287 s 20 are each amended to read as follows:

(((1) Every licensee and its authorized delegates shall file ((with the director or the director's designee)) all reports required by federal currency reporting, recordkeeping, and suspicious transaction reporting requirements with the appropriate federal agency as set forth in 31 U.S.C. Sec. 5311, 31 C.F.R. Sec. 103 (2000), and other federal and state laws pertaining to money laundering. Every licensee and its authorized delegates shall maintain copies of these reports in its records in compliance with RCW 19.230.170.

(2) The timely filing of a complete and accurate report required under subsection (1) of this section with the appropriate federal agency in compliance with the requirements of subsection (1) of this section, unless the director notifies the licensee that reports of this type are not being regularly and comprehensively transmitted by the federal agency.))

Sec. 9. RCW 19.230.200 and 2003 c 287 s 22 are each amended to read as follows:

(1) A money transmitter licensee shall maintain, at all times, permissible investments that have a market value computed in accordance with generally accepted accounting principles of not less than the ((aggregate)) amount of ((all)) the licensee's average outstanding money transmission liability. For the purposes of this section, average outstanding money transmission liability means
the sum of the daily amounts of a licensee's money transmissions, as computed
each day of the month divided by the number of days in the month.

(2) The director, with respect to any money transmitter licensee, may limit
the extent to which a type of investment within a class of permissible
investments may be considered a permissible investment, except for money, time
deposits, savings deposits, demand deposits, and certificates of deposit issued by
a federally insured financial institution. The director may prescribe in rule, or by
order allow, other types of investments that the director determines to have a
safety substantially equivalent to other permissible investments.

Sec. 10. RCW 19.230.210 and 2003 c 287 s 23 are each amended to read
as follows:

(1) Except to the extent otherwise limited by the director under RCW
19.230.200, the following investments are permissible for a money transmitter
licensee under RCW 19.230.200:

instrumentality thereof;

(e) Receivables that are payable to a licensee from its authorized delegates,
in the ordinary course of business, pursuant to contracts which are not past due
or doubtful of collection, if the aggregate amount of receivables under this
subsection (1)(e) does not exceed ((twenty)) thirty percent of the total
permissible investments of a licensee and the licensee does not hold, at one time,
receivables under this subsection (1)(e) in any one person aggregating more than
ten percent of the licensee's total permissible investments; and

(f) A share or a certificate issued by an open-end management investment
company that is registered with the United States securities and exchange
commission under the Investment Companies Act of 1940 (15 U.S.C. Sec.

Sec. 80(a)(1) through (64), and whose portfolio is restricted by the management company's investment policy to shares of a person traded on a national securities exchange or a national over-the-counter market, if the aggregate of investments under this subsection (2)(b) does not exceed twenty percent of the total permissible investments of a licensee and the licensee does not, at one time, hold investments under this subsection (2)(b) in any one person aggregating more than ten percent of the licensee's total permissible investments;

(c) A demand-borrowing agreement made to a corporation or a subsidiary of a corporation whose securities are traded on a national securities exchange, if the aggregate of the amount of principal and interest outstanding under demand-borrowing agreements under this subsection (2)(c) does not exceed twenty percent of the total permissible investments of a licensee and the licensee does not, at one time, hold principal and interest outstanding under demand-borrowing agreements under this subsection (2)(c) with any one person aggregating more than ten percent of the licensee's total permissible investments; and

(d) Any other investment the director designates, to the extent specified in rule by the director.

(3) The aggregate of investments under subsection (2) of this section may not exceed fifty percent of the total permissible investments of a licensee.

(4) A licensee may not use any portion of a restricted asset as a permissible investment. Restricted assets include, but are not limited to, surety bonds or any other assets pledged to other persons or entities. The director may establish by rule other restricted assets.

Sec. 11. RCW 19.230.320 and 2003 c 287 s 34 are each amended to read as follows:

(1) The director shall establish fees by rule sufficient to cover the costs of administering this chapter. The director may establish different fees for each type of license authorized under this chapter. These fees may include:

(a) An annual ((license)) assessment specified in rule by the director paid by each licensee on or before the annual ((license)) assessment due date;

(b) A late fee for late payment of the annual ((license)) assessment as specified in rule by the director;

(c) An hourly ((examination or)) investigation fee to cover the costs of any ((examination or)) investigation of the books and records of a licensee or other person subject to this chapter;

(d) A nonrefundable application fee to cover the costs of processing license applications made to the director under this chapter;

(e) An initial license fee to cover the period from the date of licensure to the end of the calendar year in which the license is initially granted; and
(f) A transaction fee or set of transaction fees to cover the administrative costs associated with processing changes in control, changes of address, and other administrative changes as specified in rule by the director.

(2) The director shall ensure that when an examination or investigation, or any part of the examination or investigation, of any licensee applicant or person subject to licensing under this chapter, requires travel and services outside this state by the director or designee, the licensee applicant or person subject to licensing under this chapter that is the subject of the examination or investigation shall pay the actual travel expenses incurred by the director or designee conducting the examination or investigation.

(3) All moneys, fees, and penalties collected under this chapter shall be deposited into the financial services regulation account.

Sec. 12. RCW 19.230.330 and 2003 c 287 s 35 are each amended to read as follows:

(1) Every money transmitter licensee and its authorized delegates shall transmit the monetary equivalent of all money or equivalent value received from a customer for transmission, net of any fees, or issue instructions committing the money or its monetary equivalent, to the person designated by the customer within ten business days after receiving the money or equivalent value, unless otherwise ordered by the customer or unless the licensee or its authorized delegate has reason to believe that a crime has occurred, is occurring, or may occur as a result of transmitting the money. For purposes of this subsection, money is considered to have been transmitted when it is available to the person designated by the customer and a reasonable effort has been made to inform this designated person that the money is available, whether or not the designated person has taken possession of the money. As used in this subsection, "monetary equivalent," when used in connection with a money transmission in which the customer provides the licensee or its authorized delegate with the money of one government, and the designated recipient is to receive the money of another government, means the amount of money, in the currency of the government that the designated recipient is to receive, as converted at the retail exchange rate offered by the licensee or its authorized delegate to the customer in connection with the transaction.

(2) Every money transmitter licensee and its authorized delegates shall provide a receipt to the customer that clearly states the amount of money presented for transmission and the total of any fees charged by the licensee. If the rate of exchange for a money transmission to be paid in the currency of another country is fixed by the licensee for that transaction at the time the money transmission is initiated, then the receipt provided to the customer shall disclose the rate of exchange for that transaction, and the duration, if any, for the payment to be made at the fixed rate of exchange so specified. If the rate of exchange for a money transmission to be paid in the currency of another country is not fixed at the time the money transmission is sent, the receipt provided to the customer shall disclose that the rate of exchange for that transaction will be set at the time the recipient of the money transmission picks up the funds in the foreign country. The receipt shall also contain the licensee name, address, and phone number. As used in this section, "fees" does not include revenue that a licensee or its authorized delegate generates, in connection with a money transmission, in the
conversion of the money of one government into the money of another government.

(3) Every money transmitter licensee and its authorized delegates shall refund to the customer all moneys received for transmittal within ten days of receipt of a written request for a refund unless any of the following occurs:

private lands, property, and property rights which it is necessary to take, damage, or injuriously affect, and to the owner or owners of the private lands, property, or property rights that will be affected by the proposed vacation and abandonment of the existing highway. (1) The director shall make an examination and investigation into the affairs of each credit union at least once every eighteen months, unless the director determines with respect to a credit union, that a less frequent examination schedule will satisfactorily protect the financial stability of the credit union and will satisfactorily assure compliance with the provisions of this chapter.

(2) In regard to credit unions, and out-of-state and foreign credit unions permitted to operate a branch in Washington pursuant to RCW 31.12.471, the director:

The director may furnish only that part of the report which is necessary and pertinent to the investigation, and only after notifying the affected credit union and members of the credit union who are named in that part of the examination report, or other person examined, that the report is being furnished to the officials, unless the officials requesting the report obtain a waiver of the notice requirement for good cause from a court of competent jurisdiction;
(c) The examined credit union or other person examined, solely for its confidential use;

(4) In a civil action in which the reports or information are sought to be discovered or used as evidence, a party may, upon notice to the director, petition the court for an in-camera review of the reports or information. Upon taking possession of the credit union, the receiver shall give written notice to the directors of the credit union and to all persons having possession of any assets of the credit union. No person with knowledge of the taking of possession by the receiver shall have a lien or charge for any payment advanced, clearance made, or liability incurred against any of the assets of the credit union, after the receiver takes possession, unless approved by the receiver.

For the purposes of this section, the principal place of business of a foreign or out-of-state credit union is Thurston county.

Any provision in the contract or lease which provides for damages or cancellation fees upon termination shall not be binding on the conservator, receiver, or credit union. (6) The director may, in his or her discretion, accept in lieu of the examinations required in this section the examinations and reports conducted, as applicable, at the direction of the board of governors of the federal reserve system, the federal office of thrift supervision, the federal deposit insurance corporation, any successor federal thrift regulator or thrift holding company regulator, or other authorities, domestic, foreign, or alien.

(7) The director may enter into joint actions with other regulatory bodies having concurrent jurisdiction or may enter into such actions independently to carry out his or her responsibilities under this title and assure compliance with the laws of this state.

Sec. 44. RCW 32.04.220 and 2005 c 274 s 258 are each amended to read as follows:

(1) All examination reports and all information obtained by the director and the director's staff in conducting examinations of (mutual) savings banks, and information obtained by the director and the director's staff from other state or federal bank regulatory authorities with whom the director has entered into agreements pursuant to RCW 32.04.211, and information obtained by the director and the director's staff relating to examination and supervision of holding companies owning a savings bank in this state or subsidiaries of such holding companies, is confidential and privileged information and shall not be made public or otherwise disclosed to any person, firm, corporation, agency, association, governmental body, or other entity.

(2) Subsection (1) of this section notwithstanding, the director may furnish all or any part of examination reports, work papers, final orders, or other information obtained in the conduct of an examination or investigation prepared by the director's office to:

(a) Federal agencies empowered to examine (mutual) savings banks;

(b) Bank regulatory authorities with whom the director has entered into agreements pursuant to RCW 32.04.211, and other bank regulatory authorities who are the primary regulatory authority or insurer of accounts for a holding company owning a savings bank the principal operations of which are conducted in this state or a subsidiary of such holding company; provided that the director shall first find that the reports of examination to be furnished shall receive protection from disclosure comparable to that accorded by this section;
(c) Officials empowered to investigate criminal charges subject to legal process, valid search warrant, or subpoena. If the director furnishes any examination report to officials empowered to investigate criminal charges, the director may only furnish that part of the report which is necessary and pertinent to the investigation, and the director may do this only after notifying the affected savings bank and any customer of the savings bank who is named in that part of the report of the order to furnish the part of the examination report unless the officials requesting the report first obtain a waiver of the notice requirement from a court of competent jurisdiction for good cause;

(d) The examined savings bank or holding company thereof;

(e) The attorney general in his or her role as legal advisor to the director;

(f) Liquidating agents of a distressed savings bank;

(g) A person or organization officially connected with the savings bank as officer, director, attorney, auditor, or independent attorney or independent auditor;

(h) The Washington public deposit protection commission as provided by RCW 39.58.105;

(i) Organizations insuring or guaranteeing the shares of, or deposits in, the savings bank;

(j) Other persons as the director may determine necessary to protect the public interest and confidence.

(3) All examination reports, work papers, final orders, and other information obtained in the conduct of an examination or investigation furnished under subsections (2) and (4) of this section shall remain the property of the department of financial institutions, and be confidential, and no person, agency, or authority to whom reports are furnished or any officer, director, or employee thereof shall disclose or make public any of the reports or any information contained therein except in published statistical material that does not disclose the affairs of any individual or corporation: PROVIDED, That nothing herein shall prevent the use in a criminal prosecution of reports furnished under subsection (2) of this section.

(4) The examination report made by the department of financial institutions is designed for use in the supervision of the savings bank, and the director may furnish a copy of the report to the savings bank examined. The report shall remain the property of the director and will be furnished to the savings bank solely for its confidential use. Under no circumstances shall the savings bank or any of its trustees, officers, or employees disclose or make public in any manner the report or any portion thereof, to any person or organization not connected with the savings bank as officer, director, employee, attorney, auditor, or candidate for executive office with the bank. The savings bank may also, after execution of an agreement not to disclose information in the report, disclose the report or relevant portions thereof to a party proposing to acquire or merge with the savings bank.

(5) Examination reports and information obtained by the director and the director's staff in conducting examinations, or from other state and federal bank regulatory authorities with whom the director has entered into agreements pursuant to RCW 32.04.211, or relating to examination and supervision of holding companies owning a savings bank the principal operations of which are
conducted in this state or a subsidiary of such holding company, shall not be subject to public disclosure under chapter 42.56 RCW.

(6) In any civil action in which the reports are sought to be discovered or used as evidence, any party may, upon notice to the director, petition the court for an in camera review of the report. The court may permit discovery and introduction of only those portions of the report which are relevant and otherwise unobtainable by the requesting party. This subsection shall not apply to an action brought or defended by the director.

(7) This section shall not apply to investigation reports prepared by the director and the director's staff concerning an application for a new savings bank or an application for a branch of a savings bank: PROVIDED, That the director may adopt rules making confidential portions of the reports if in the director's opinion the public disclosure of the portions of the report would impair the ability to obtain the information which the director considers necessary to fully evaluate the application.

(8) Notwithstanding any other provision of this section or other applicable law, a savings bank or holding company shall not be in violation of any provision of this section on account of its compliance with required reporting to the federal securities and exchange commission, including the disclosure of any order of the director.

(9) Every person who violates any provision of this section shall be guilty of a gross misdemeanor.

Sec. 45. RCW 32.04.250 and 1994 c 92 s 302 are each amended to read as follows:

(1) The director may issue and serve a notice of charges upon a savings bank when, in the opinion of the director:

(a) It has engaged in an unsafe and unsound practice in conducting or in relation to its business;

(b) It has violated any provision of section 39 of this act; or

(c) It is planning, attempting, or currently conducting any act prohibited in (a) or (b) of this subsection.

(2) The director may issue and serve a notice of charges upon a holding company when, in the opinion of the director:

(a) The holding company has committed a violation of section 39(2) of this act;

(b) The conduct of the holding company has resulted in an unsafe and unsound practice at the savings bank or a violation of any provision of section 39 of this act by the savings bank; or

(c) The holding company is planning, attempting, or currently conducting any act prohibited in (a) or (b) of this subsection.

(3) The notice shall contain a statement of the facts constituting the alleged violation or violations or the practice or practices and shall fix a time and place at which a hearing will be held to determine whether an order to cease and desist should issue against the savings bank or holding company. The
hearing shall be set not earlier than ten days ((nor or)) or later than thirty days after service of the notice, unless a later date is set by the director at the request of the ((mutual)) savings bank or holding company.

(4) Unless the ((mutual)) savings bank or holding company shall appear at the hearing by a duly authorized representative, it shall be deemed to have consented to the issuance of the cease and desist order. In the event of this consent or if upon the record made at the hearing the director finds that any violation or practice specified in the notice of charges has been established, the director may issue and serve upon the ((mutual)) savings bank or holding company an order to cease and desist from the violation or practice. The order may require the ((mutual)) savings bank or holding company, and its trustees, officers, employees, and agents, to cease and desist from the violation or practice and may require the ((mutual)) savings bank or holding company to take affirmative action to correct the conditions resulting from the violation or practice.

((4))) (5) A cease and desist order shall become effective at the expiration of ten days after the service of the order upon the ((mutual)) savings bank or holding company concerned, except that a cease and desist order issued upon consent shall become effective at the time specified in the order and shall remain effective as provided therein, unless it is stayed, modified, terminated, or set aside by action of the director or a reviewing court.

Sec. 46. RCW 32.04.260 and 1994 c 92 s 303 are each amended to read as follows:

(Whenever the director determines that the acts specified in RCW 32.04.250 or their continuation is likely to cause insolvency or substantial dissipation of assets or earnings of the mutual savings bank or to otherwise seriously prejudice the interest of its depositors, the director may also issue a temporary order requiring the mutual savings bank to cease and desist from the violation or practice. The order shall become effective upon service on the mutual savings bank and, unless set aside, limited, or suspended by a court in proceedings under RCW 32.04.270, shall remain effective pending the completion of the administrative proceedings under the notice and until such time as the director shall dismiss the charges specified in the notice or until the effective date of a cease and desist order issued against the mutual savings bank under RCW 32.04.250.) (1) The director may also issue a temporary order requiring a savings bank or its holding company, or both, to cease and desist from any action or omission, as specified in RCW 32.04.250, or its continuation, which the director has determined:

(a) Constitutes an unsafe and unsound practice, or a material violation of section 39 of this act affecting the savings bank;

(b) Has resulted in the savings bank being less than adequately capitalized; or

(c) Is likely to cause insolvency or substantial dissipation of assets or earnings of the savings bank, or to otherwise seriously prejudice the interests of the savings bank's depositors.

(2) The order is effective upon service on the savings bank or holding company, and remains effective unless set aside, limited, or suspended by the superior court in proceedings under RCW 32.04.270 pending the completion of the administrative proceedings under the notice and until such time as the
director dismisses the charges specified in the notice or until the effective date of a cease and desist order issued against the savings bank or holding company under RCW 32.04.250.

Sec. 47. RCW 32.04.270 and 1979 c 46 s 3 are each amended to read as follows:

(1) Within ten days after a ((mutual)) savings bank or holding company has been served with a temporary cease and desist order, the ((mutual)) savings bank or holding company may apply to the superior court in the county of its principal place of business for an injunction setting aside, limiting, or suspending the order pending the completion of the administrative proceedings pursuant to the notice served under RCW 32.04.250.

(2) The superior court shall have jurisdiction to issue the injunction.

Sec. 48. RCW 32.04.290 and 1994 c 92 s 305 are each amended to read as follows:

(1) Any administrative hearing provided in RCW 32.04.250 or 32.16.093 ((may be held at such place as is designated by the director and shall be conducted in accordance with chapter 34.05 RCW)) must be conducted in accordance with chapter 34.05 RCW and held at the place designated by the director, and may be conducted by the department. The hearing shall be private unless the director determines that a public hearing is necessary to protect the public interest after fully considering the views of the party afforded the hearing.

(2) Within sixty days after the hearing, the director shall render a decision which shall include findings of fact upon which the decision is based and shall issue and serve upon each party to the proceeding an order or orders consistent with RCW 32.04.250 or 32.16.093, as the case may be.

(3) Unless a petition for review is timely filed in the superior court of the county of the principal place of business of the affected mutual savings bank under subsection (((2))))(5) of this section, and until the record in the proceeding has been filed as provided therein, the director may at any time modify, terminate, or set aside any order upon such notice and in such manner as he or she shall deem proper. Upon filing the record, the director may modify, terminate, or set aside any order only with permission of the court.

(4) The judicial review provided in this section shall be exclusive for orders issued under RCW 32.04.250 and 32.16.093.

(5) Any party to the proceeding or any person required by an order, temporary order, or injunction issued under RCW 32.04.250, 32.04.260, 32.04.280, or 32.16.093 to refrain from any of the violations or practices stated therein may obtain a review of any order served under subsection (1) of this section other than one issued upon consent by filing in the superior court of the county of the principal place of business of the affected mutual savings bank within ten days after the date of service of the order a written petition praying that the order of the director be modified, terminated, or set aside. A copy of the petition shall be immediately served upon the director and the director shall then file in the court the record of the proceeding. The court shall have jurisdiction upon the filing of the petition, which jurisdiction shall become exclusive upon the filing of the record, to affirm, modify, terminate, or set aside in whole or in part the order of the director except that the director may modify, terminate, or set aside an order with the permission of the court. The judgment and decree of
the court shall be final, except that it shall be subject to appellate review under the rules of court.

(6) The commencement of proceedings for judicial review under subsection (5) of this section shall not operate as a stay of any order issued by the director unless specifically ordered by the court.

(7) Service of any notice or order required to be served under RCW 32.04.250, 32.04.260, or 32.16.093, or under RCW 32.16.090, as now or hereafter amended, shall be accomplished in the same manner as required for the service of process in civil actions in superior courts of this state.

Sec. 49. RCW 32.08.153 and 2003 c 24 s 4 are each amended to read as follows:

(1) Notwithstanding any restrictions, limitations, and requirements of law, in addition to all powers, express or implied, that a mutual savings bank has under the laws of this state, a mutual savings bank shall have each and every power and authority that any national bank had on July 28, 1985, or on any subsequent date not later than July 27, 2003.

(2) The restrictions, limitations, and requirements applicable to specific powers or authorities of national banks apply to mutual savings banks exercising those powers or authorities permitted under this section but only insofar as the restrictions, limitations, and requirements relate to exercising the powers or authorities granted mutual savings banks solely under this section. The director may require such a savings bank to provide notice prior to implementation of a plan to develop, improve, or continue holding an individual parcel of real estate, including capitalized and operating leases, acquired through any means in full or partial satisfaction of a debt previously contracted, under circumstances in which a national bank would be required to provide notice to the comptroller of the currency prior to implementation of such a plan. The director may adopt rules, orders, directives, standards, policies, memoranda or other communications to specify guidance with regard to the exercise of the powers and authorities to expend such funds as are needed to enable such a savings bank to recover its total investment, to the fullest extent authorized for a national bank under the national bank act, 12 U.S.C. Sec. 29.

NEW SECTION. Sec. 50. A new section is added to chapter 32.08 RCW to read as follows:

A mutual savings bank may exercise the powers and authorities granted, after July 27, 2003, to national banks or their successors under federal law, only if the director finds that the exercise of such powers and authorities:

(a) Serves the convenience and advantage of depositors and borrowers; and

(b) Maintains the fairness of competition and parity between state-chartered mutual savings banks and national banks or their successors under federal law.

(2) The restrictions, limitations, and requirements applicable to specific powers or authorities of national banks or their successors under federal law shall apply to mutual savings banks exercising those powers or authorities permitted under this section but only insofar as the restrictions, limitations, and requirements relate to exercising the powers or authorities granted mutual savings banks solely under this section.
(3) As used in this section, "powers and authorities" include without limitation powers and authorities in corporate governance matters.

Sec. 51. RCW 32.16.090 and 1994 c 92 s 331 are each amended to read as follows:

((Whenever the director finds that:

(1) Any trustee, officer, or employee of any mutual savings bank has committed or engaged in:

(a) A violation of any law, rule, or cease and desist order which has become final;

(b) Any unsafe or unsound practice in connection with the mutual savings bank; or

(c) Any act, omission, or practice which constitutes a breach of his or her fiduciary duty as trustee, officer, or employee; and

(2) The director determines that:

(a) The mutual savings bank has suffered or may suffer substantial financial loss or other damage; or

(b) The interests of its depositors could be seriously prejudiced by reason of the violation, practice, or breach of fiduciary duty; and

(3) The director determines that the violation, practice, or breach of fiduciary duty is one involving personal dishonesty, recklessness, or incompetence on the part of the trustee, officer, or employee;

Then the director may serve upon the trustee, officer, or employee of any mutual savings bank a written notice of the director's intention to remove the person from office or to prohibit the person from participating in the conduct of the affairs of the mutual savings bank.)) The director may issue and serve a board director, officer, or employee of a savings bank with written notice of intent to remove the person from office or employment or to prohibit the person from participating in the conduct of the affairs of the savings bank or any other depository institution, trust company, bank holding company, thrift holding company, or financial holding company doing business in this state whenever, in the opinion of the director:

(1)(a) Reasonable cause exists to believe the person has committed a material violation of law, an unsafe and unsound practice, or a violation or practice involving a breach of fiduciary duty, personal dishonesty, recklessness, or incompetence; and

(b) The bank, trust company, or holding company has suffered or is likely to suffer substantial financial loss or other damage; or

(c) The interests of depositors or trust beneficiaries could be seriously prejudiced by reason of the violation or practice.

(2) The director may issue and serve a board director, officer, or employee of a holding company of a savings bank with written notice of intent to remove the person from office or employment or to prohibit the person from participating in the conduct of the affairs of the holding company, its subsidiary bank, or any other depository institution, trust company, bank holding company, thrift holding company, or financial holding company doing business in this state whenever, in the opinion of the director:

(a) Reasonable cause exists to believe the person has committed a material violation of law, an unsafe and unsound practice, or a violation or practice.
involving a breach of fiduciary duty, personal dishonesty, recklessness, or incompetence; and

(b) The subsidiary savings bank has suffered or is likely to suffer substantial financial loss or other damage; or

(c) The interests of depositors or trust beneficiaries of the subsidiary savings bank could be seriously prejudiced by reason of the violation or practice.

NEW SECTION. Sec. 52. A new section is added to chapter 32.16 RCW to read as follows:

The director may serve written notice of charges under RCW 32.16.090 to suspend a person from further participation in any manner in the conduct of the affairs of a savings bank or holding company, if the director determines that such an action is necessary for the protection of the savings bank or holding company, or the interests of the depositors. Any suspension notice issued by the director is effective upon service, and unless the superior court of the county of its principal place of business issues a stay of the order, remains in effect and enforceable until:

(1) The director dismisses the charges contained in the notice served to the person; or

(2) The effective date of a final order for removal of the person under RCW 32.16.093.

Sec. 53. RCW 32.16.093 and 1994 c 92 s 332 are each amended to read as follows:

(1) A notice of an intention to remove a board trustee or director, officer, or employee from office or to prohibit his or her participation in the conduct of the affairs of a savings bank or holding company shall contain a statement of the facts which constitute grounds therefor and shall fix a time and place at which a hearing will be held. The hearing shall be set not earlier than ten days nor later than thirty days after the date of service of the notice unless an earlier or later date is set by the director at the request of the board trustee or director, officer, or employee for good cause shown or at the request of the attorney general of the state.

(2) Unless the board trustee or director, officer, or employee appears at the hearing personally or by a duly authorized representative, the person shall be deemed to have consented to the issuance of an order of removal or prohibition or both. In the event of such consent or if upon the record made at the hearing the director finds that any of the grounds specified in the notice have been established, the director may issue such orders of removal from office or prohibition from participation in the conduct of the affairs of the savings bank or holding company as the director may consider appropriate.

(3) Any order under this section shall become effective at the expiration of ten days after service upon the savings bank or holding company and the trustee, director, officer, or employee concerned except that an order issued upon consent shall become effective at the time specified in the order.

An order shall remain effective except to the extent it is stayed, modified, terminated, or set aside by the director or a reviewing court.

Sec. 54. RCW 32.16.095 and 1994 c 92 s 333 are each amended to read as follows:
If at any time because of the removal of one or more trustees or directors under this chapter there shall be on the board of trustees or board of directors of a ((mutual)) savings bank less than a quorum of trustees or directors, all powers and functions vested in, or exercisable by the board shall vest in, and be exercisable by the trustee or trustees or director or directors remaining, until such time as there is a quorum on the board of trustees or board of directors. If all of the trustees or directors of a ((mutual)) savings bank are removed under this chapter, the director shall appoint persons to serve temporarily as trustees or directors until such time as their respective successors take office.

Sec. 55. RCW 32.16.097 and 1994 c 92 s 334 are each amended to read as follows:

Any present or former trustee, board director, officer, or employee of a ((mutual)) savings bank or holding company or any other person against whom there is outstanding an effective final order issued under RCW 32.16.093, which order has been served upon the person, and who, in violation of the order, (1) participates in any manner in the conduct of the affairs of the ((mutual)) savings bank or holding company involved; or (2) directly or indirectly solicits or procures, transfers or attempts to transfer, or votes or attempts to vote any proxies, consents, or authorizations with respect to any voting rights in the ((mutual)) savings bank or holding company; or (3) without the prior approval of the director, votes for a board trustee or director or serves or acts as a trustee, director, officer, employee, or agent of any ((mutual)) savings bank or holding company, shall be guilty of a gross misdemeanor, and, upon conviction, shall be punishable as prescribed under chapter 9A.20 RCW.

Sec. 56. RCW 32.16.140 and 1994 c 92 s 335 are each amended to read as follows:

If the trustees or directors of any savings bank or holding company shall knowingly violate, or knowingly permit any of the officers, agents, or ((servants)) employees of the savings bank or holding company to violate any of the provisions of this title or any lawful regulation or directive of the director, and if the trustees or directors are aware that such facts and circumstances constitute such violations, then each trustee or director who participated in or assented to the violation is personally and individually liable for all damages which the state or any insurer of the deposits of the savings bank sustains due to the violation.

The savings bank may improve property which it owns, and rent, lease, sell, and otherwise deal in such property, the same as any other owner thereof. The total amount a ((mutual)) savings bank may invest pursuant to this section shall not exceed twenty percent of its funds. No officer or board trustee or director of the savings bank shall own or hold any interest in any property in which the savings
bank owns an interest, and in the event the bank owns an interest in property hereunder with or as a part of another entity, no officer or board trustee or director of the savings bank shall own more than two and one-half percent of the equity or stock of any entity involved, and all of the officers and board trustees or directors of the savings bank shall not own more than five percent of the equity or stock of any entity involved.

(1) Under the circumstances set forth in subsection (2) of this section, the director may give to a savings bank notice of unsafe condition of the savings bank; and if the savings bank fails to comply with the terms of such notice within thirty days from the date of its issuance, or within such further time as the director may allow, then the director may take possession of such savings bank as in the case of insolvency.

(2) The director is authorized to give notice and take possession of a savings bank, as described in subsection (1) of this section, under the following circumstances:

(a) The obligations to its creditors, depositors, members, trust beneficiaries, if applicable, and others exceed its assets;

(c) It has concealed its books, papers, records, or assets, or refused to submit its books, records, or affairs to any examiner of the department;

(d) It is likely to be unable to pay its immediate obligations or meet its depositors' immediate demands in the normal course of business;

(e) It ceases to have deposit insurance acceptable to the director;

(f) It fails to submit a capital restoration plan acceptable to the department within a time previously called for or materially fails to implement a capital restoration plan that was previously submitted and accepted by the department;

(g) It is critically undercapitalized or otherwise has substantially insufficient capital.

**Sec. 59.** RCW 32.24.050 and 1994 c 92 s 343 are each amended to read as follows:

(1) Whenever it appears to the director that any offense or delinquency referred to in RCW 32.24.040 has resulted in a savings bank being critically undercapitalized with no reasonably foreseeable prospect of recovery, or that it has suspended payment of its obligations, or is insolvent, the director may notify such savings bank to levy an assessment on its stock, if any, or otherwise to make good such impairment or offense or other delinquency within
such time and in such manner as the director may specify, or if the director
dems necessary, the director may take possession thereof without notice.

(2) Upon taking possession of any ((mutual)) savings bank, the director
shall forthwith proceed to liquidate the business, affairs, and assets thereof and
such liquidation shall be had in accordance with the provisions of law governing
the liquidation of insolvent banks and ((trust companies)) savings banks.

Sec. 60. RCW 32.24.060 and 1994 c 92 s 344 are each amended to read as

date of the service of such notice, to show cause why ((such corporation)) the
director's action taking possession of the savings bank should not be ((restored to
the possession of its assets)) affirmed. Upon the return day of such notice, or
such further day as the matter may be continued to, the court shall summarily
hear ((said)) the cause and shall dismiss the same, if it finds that possession was
taken by the director in good faith and for cause, but if it finds that no cause
existed for ((the)) taking possession of ((such corporation)) the savings bank, it
shall require the director to restore the savings bank to the possession of its
assets and enjoin ((him or her)) the director from further interference therewith
without cause.

Sec. 61. RCW 32.24.070 and 1994 c 92 s 345 are each amended to read as
follows:

No receiver shall be appointed by any court for any ((mutual)) savings bank,
nor shall any assignment of any such bank for the benefit of creditors be valid,
excepting only that a court otherwise having jurisdiction may in case of
imminent necessity appoint a temporary receiver to take possession of and
preserve the assets of the ((mutual)) savings bank. Immediately upon any such
appointment, the clerk of the court shall notify the director ((by telegram and
mail)) in writing of such appointment and the director shall ((forthwith))
immediately take possession of the ((mutual)) savings bank, as in case of
insolvency, and the temporary receiver shall upon demand of the director
surrender up to him or her such possession and all assets which have come into
his or her ((hands)) possession. The director shall in due course pay such
receiver out of the assets of the ((mutual)) savings bank such amount as the court
shall allow.

NEW SECTION. Sec. 62. A new section is added to chapter 32.24 RCW to
read as follows:

(1) Subject to the consent of the director, a savings bank may voluntarily

the control of the director to be liquidated and be made subject to receivership as
provided in this chapter.

(2) Upon issuance of such order taking possession, the savings bank shall
post a notice on its door as follows: "This savings bank is in the possession of
the Director of the Washington State Department of Financial Institutions."
(3) The posting of such notice or the taking possession of any savings bank by the director shall be sufficient to place all of its assets and property of every nature in the director's possession and bar all attachment proceedings.

Sec. 63. RCW 32.24.080 and 2003 c 53 s 196 are each amended to read as follows:

(1) Every transfer of its property or assets by any ((mutual)) savings bank ((in this state)), made (a) after it has become insolvent, (b) within ninety days before the date the director takes possession of such savings bank under RCW 32.24.040, 32.24.050, or section 62 of this act, or the federal deposit insurance corporation is appointed as receiver or liquidator of such savings bank under RCW 32.24.090, and (c) with the view to the preference of one creditor over another or to prevent equal distribution of its property and assets among its creditors, shall be void.

(2) Every trustee or board director, officer, or employee knowingly making any such transfer ((described in subsection (1) of this section)) of assets is guilty of a class B felony punishable according to chapter 9A.20 RCW.

Sec. 64. RCW 32.24.090 and 1994 c 92 s 347 are each amended to read as follows:

(2) In the event of such closing, the director may appoint the federal deposit insurance corporation as receiver or liquidator of such ((mutual)) savings bank.

(3) If the corporation accepts such appointment, it shall have and possess all the powers and privileges provided by the laws of this state with respect to a liquidator of a mutual savings bank, its depositors and other creditors, and be subject to all the duties of such liquidator, except insofar as such powers, privileges, or duties are in conflict with the provisions of the federal deposit insurance act, as now or hereafter amended.

NEW SECTION. Sec. 65. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

The conservator shall conduct the business of the savings bank and take such steps toward the removal of the causes and conditions which have necessitated such order, as the director may direct. During the pendency of the conservatorship the conservator shall make such reports to the director from time to time as may be required by the director, and shall be empowered to take all necessary measures to preserve, protect, and recover any assets or property of such savings bank, including
claims or causes of actions belonging to or which may be asserted by such bank, and to deal with the same in his or her own name as conservator, and shall be empowered to file, prosecute, and defend any suit and suits which have been filed or which may thereafter be filed by or against such savings bank which are deemed by the conservator to be necessary to protect all of the interested parties for a property affected thereby. Any suit filed against a savings bank, or its conservator, after the entrance of an order by the director placing such savings bank in conservatorship and while such order is in effect, shall be brought in the superior court of the county of its principal place of business and not elsewhere. The conservator appointed for such savings bank may file suit in the superior court of the county of its principal place of business or other court of competent jurisdiction against any person for the purpose of preserving, protecting, or recovering any asset or property of such savings bank, including claims or causes of action belonging to or which may be asserted by such savings bank.

NEW SECTION. Sec. 72. The conservator shall serve for such time as is necessary to accomplish the purposes of the conservatorship as intended by this chapter. If rehabilitated, the rehabilitated savings bank shall be returned to management or new managements under such conditions as are reasonable and necessary to prevent recurrence of the condition which occasioned the conservatorship.

RCW—RESPECTFUL LANGUAGE—PERSONS WITH INTELLECTUAL DISABILITIES
   AN ACT Relating to persons with intellectual disabilities; amending RCW 44.04.280,

(uncodified); reenacting and amending RCW 13.34.030; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The purpose of this act is to move toward
fulfillment of the goals stated in RCW 44.04.280, to remove demeaning
language from the Revised Code of Washington and to use respectful language
when referring to individuals with disabilities. It is not the intent of the
legislature to expand or contract the scope or application of any provision of this
Nothing in this act may be construed to change the application of any provision of this code to any person.

Sec. 2. RCW 44.04.280 and 2009 c 377 s 1 are each amended to read as follows:

(1) The legislature recognizes that language used in reference to individuals with disabilities shapes and reflects society's attitudes towards people with disabilities. Many of the terms currently used diminish the humanity and natural condition of having a disability. Certain terms are demeaning and create an invisible barrier to inclusion as equal community members. The legislature finds it necessary to clarify preferred language for new and revised laws by requiring the use of terminology that puts the person before the disability.

(2) (a) The code reviser is directed to avoid all references to: Disabled, developmentally disabled, mentally disabled, mentally ill, mentally retarded, handicapped, cripple, and crippled, in any new statute, memorial, or resolution, and to change such references in any existing statute, memorial, or resolution as sections including these references are otherwise amended by law.

(b) The code reviser is directed to replace terms referenced in (a) of this subsection as appropriate with the following revised terminology: "Individuals with disabilities," "individuals with developmental disabilities," "individuals with mental illness," and "individuals with intellectual disabilities."

(3) No statute, memorial, or resolution is invalid because it does not comply with this section.

(4) The replacement of outmoded terminology with more appropriate references may not be construed as changing the application of any provision of this code to any person.

Sec. 3. RCW 10.95.030 and 1993 c 479 s 1 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, any person convicted of the crime of aggravated first degree murder shall be sentenced to life imprisonment without possibility of release or parole. A person sentenced to life imprisonment under this section shall not have that sentence suspended, deferred, or commuted by any judicial officer and the indeterminate sentence review board or its successor may not parole such prisoner nor reduce the period of confinement in any manner whatsoever including but not limited to any sort of good-time calculation. The department of social and health services or its successor or any executive official may not permit such prisoner to participate in any sort of release or furlough program.

(2) If, pursuant to a special sentencing proceeding held under RCW 10.95.050, the trier of fact finds that there are not sufficient mitigating circumstances to merit leniency, the sentence shall be death. In no case, however, shall a person be sentenced to death if the person ((was mentally retarded)) had an intellectual disability at the time the crime was committed, under the definition of ((mental retardation)) intellectual disability set forth in (a) of this subsection. A diagnosis of ((mental retardation)) intellectual disability shall be documented by a licensed psychiatrist or licensed psychologist designated by the court, who is an expert in the diagnosis and evaluation of ((mental retardation)) intellectual disabilities. The defense must establish ((mental retardation)) an intellectual disability by a preponderance of the
evidence and the court must make a finding as to the existence of an intellectual disability.

(a) "Mentally retarded" "Intellectual disability" means the individual has: (i) Significantly subaverage general intellectual functioning; (ii) existing concurrently with deficits in adaptive behavior; and (iii) both significantly subaverage general intellectual functioning and deficits in adaptive behavior were manifested during the developmental period.

(3) Whether the victim consented to the act of murder;

(4) Whether the defendant was an accomplice to a murder committed by another person where the defendant's participation in the murder was relatively minor;

(5) Whether the defendant acted under duress or domination of another person;

(d) A statement of the likely harms the child will suffer as a result of removal;

(e) A description of the steps that will be taken to minimize the harm to the child that may result if separation occurs including an assessment of the child's relationship and emotional bond with any siblings, and the agency's plan to provide ongoing contact between the child and the child's siblings if appropriate; and

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Gross income" means all income from whatever source derived, including but not limited to gross income of the business as defined in RCW 82.04.080 and moneys received from state appropriations.

(2) "Intermediate care facility for ((the mentally retarded)) persons with intellectual disabilities" means an intermediate care facility for the mentally retarded, as described by federal law, that is certified by the department of social and health services and the federal department of health and human services to provide residential care under 42 U.S.C. Sec. 1396d(d).

Sec. 31. RCW 82.65A.030 and 1993 c 276 s 1 are each amended to read as follows:

In addition to any other tax, a tax is imposed on every intermediate care facility for ((the mentally retarded)) persons with developmental disabilities for the act or privilege of engaging in business within this state. The tax is equal to the gross income attributable to services for the ((mentally retarded)) persons with developmental disabilities, multiplied by the rate of six percent.

Sec. 32. RCW 72.29.010 and 1977 ex.s. c 80 s 52 are each amended to read as follows:

After the acquisition of Harrison Memorial Hospital, the department of social and health services is authorized to enter into contracts for the repair or remodeling of the hospital to the extent they are necessary and reasonable, in order to establish a multi-use facility for ((the mentally or physically handicapped or the mentally ill)) persons with mental or physical disabilities or mental illness. The secretary of the department of social and health services is authorized to determine the most feasible and desirable use of the facility and to operate the facility in the manner he or she deems most beneficial to ((the mentally and physically handicapped, or the mentally ill)) persons with mental or physical disabilities or mental illness, and is authorized, but not limited to programs for out-patient, diagnostic and referral, day care, vocational and educational services to the community which he or she determines are in the best interest of the state.

Sec. 33. 1965 c 11 s 1 (uncodified) is amended to read as follows:

The state facilities to provide community services to ((the mentally and physically deficient and the mentally ill)) persons with mental or physical disabilities or mental illness are inadequate to meet the present demand. Great
savings to the taxpayers can be achieved while helping to meet these worthwhile needs. It is therefore the purpose of this act to provide for acquisition or lease of Harrison Memorial Hospital property and facilities and the operation thereof as a multi-use facility for ((the mentally and physically deficient and the mentally ill)) persons with mental or physical disabilities or mental illness.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 70.44.060 and 2003 c 125 s 1 are each amended to read as follows:
All public hospital districts organized under the provisions of this chapter shall have power:
(1) To make a survey of existing hospital and other health care facilities within and without such district.
(2) To construct, condemn and purchase, purchase, acquire, lease, add to, maintain, operate, develop and regulate, sell and convey all lands, property, property rights, equipment, hospital and other health care facilities and systems for the maintenance of hospitals, buildings, structures, and any and all other facilities, and to exercise the right of eminent domain to effectuate the foregoing purposes or for the acquisition and damaging of the same or property of any kind appurtenant thereto, and such right of eminent domain shall be exercised and instituted pursuant to a resolution of the commission and conducted in the same manner and by the same procedure as in or may be provided by law for the exercise of the power of eminent domain by incorporated cities and towns of the state of Washington in the acquisition of property rights: PROVIDED, That no public hospital district shall have the right of eminent domain and the power of condemnation against any health care facility.
(3) To lease existing hospital and other health care facilities and equipment and/or other property used in connection therewith, including ambulances, and to pay such rental therefor as the commissioners shall deem proper; to provide hospital and other health care services for residents of said district by facilities located outside the boundaries of said district, by contract or in any other manner said commissioners may deem expedient or necessary under the existing conditions; and said hospital district shall have the power to contract with other communities, corporations, or individuals for the services provided by said hospital district; and they may further receive in said hospitals and other health care facilities and furnish proper and adequate services to all persons not residents of said district at such reasonable and fair compensation as may be
considered proper: PROVIDED, That it must at all times make adequate provision for the needs of the district and residents of said district shall have prior rights to the available hospital and other health care facilities of said district, at rates set by the district commissioners.

(4) For the purpose aforesaid, it shall be lawful for any district so organized to take, condemn and purchase, lease, or acquire, any and all property, and property rights, including state and county lands, for any of the purposes aforesaid, and any and all other facilities necessary or convenient, and in connection with the construction, maintenance, and operation of any such hospitals and other health care facilities, subject, however, to the applicable limitations provided in subsection (2) of this section.

(5) To contract indebtedness or borrow money for corporate purposes on the credit of the corporation or the revenues of the hospitals thereof, and the revenues of any other facilities or services that the district is or hereafter may be authorized by law to provide, and to issue and sell: (a) Revenue bonds, revenue warrants, or other revenue obligations therefor payable solely out of a special fund or funds into which the district may pledge such amount of the revenues of the hospitals thereof, and the revenues of any other facilities or services that the district is or hereafter may be authorized by law to provide, to pay the same as the commissioners of the district may determine, such revenue bonds, warrants, or other obligations to be issued and sold in the same manner and subject to the same provisions as provided for the issuance of revenue bonds, warrants, or other obligations by cities or towns under the municipal revenue bond act, chapter 35.41 RCW, as may hereafter be amended; (b) general obligation bonds therefor in the manner and form as provided in RCW 70.44.110 and 70.44.130, as may hereafter be amended; or (c) interest-bearing warrants to be drawn on a fund pending deposit in such fund of money sufficient to redeem such warrants and to be issued and paid in such manner and upon such terms and conditions as the board of commissioners may deem to be in the best interest of the district; and to assign or sell hospital accounts receivable, and accounts receivable for the use of other facilities or services that the district is or hereafter may be authorized by law to provide, for collection with or without recourse. General obligation bonds shall be issued and sold in accordance with chapter 39.46 RCW. Revenue bonds, revenue warrants, or other revenue obligations may be issued and sold in accordance with chapter 39.46 RCW. In connection with the issuance of bonds, a public hospital district is, in addition to its other powers, authorized to grant a lien on any or all of its property, whether then owned or thereafter acquired, including the revenues and receipts from the property, pursuant to a mortgage, deed of trust, security agreement, or any other security instrument now or hereafter authorized by applicable law: PROVIDED, That such bonds are issued in connection with a federal program providing mortgage insurance, including but not limited to the mortgage insurance programs administered by the United States department of housing and urban development pursuant to sections 232, 241, and 242 of Title II of the national housing act, as amended.

(6) To raise revenue by the levy of an annual tax on all taxable property within such public hospital district not to exceed fifty cents per thousand dollars of assessed value, and an additional annual tax on all taxable property within such public hospital district not to exceed twenty-five cents per thousand dollars
of assessed value, or such further amount as has been or shall be authorized by a vote of the people. Although public hospital districts are authorized to impose two separate regular property tax levies, the levies shall be considered to be a single levy for purposes of the limitation provided for in chapter 84.55 RCW. Public hospital districts are authorized to levy such a general tax in excess of their regular property taxes when authorized so to do at a special election conducted in accordance with and subject to all of the requirements of the Constitution and the laws of the state of Washington now in force or hereafter enacted governing the limitation of tax levies. The said board of district commissioners is authorized and empowered to call a special election for the purpose of submitting to the qualified voters of the hospital district a proposition or propositions to levy taxes in excess of its regular property taxes. The superintendent shall prepare a proposed budget of the contemplated financial transactions for the ensuing year and file the same in the records of the commission on or before the first day of November. Notice of the filing of said proposed budget and the date and place of hearing on the same shall be published for at least two consecutive weeks, at least one time each week, in a newspaper printed and of general circulation in said county. On or before the fifteenth day of November the commission shall hold a public hearing on said proposed budget at which any taxpayer may appear and be heard against the whole or any part of the proposed budget. Upon the conclusion of said hearing, the commission shall, by resolution, adopt the budget as finally determined and fix the final amount of expenditures for the ensuing year. Taxes levied by the commission shall be certified to and collected by the proper county officer of the county in which such public hospital district is located in the same manner as is or may be provided by law for the certification and collection of port district taxes. The commission is authorized, prior to the receipt of taxes raised by levy, to borrow money or issue warrants of the district in anticipation of the revenue to be derived by such district from the levy of taxes for the purpose of such district, and such warrants shall be redeemed from the first money available from such taxes when collected, and such warrants shall not exceed the anticipated revenues of one year, and shall bear interest at a rate or rates as authorized by the commission.

(7) To enter into any contract with the United States government or any state, municipality, or other hospital district, or any department of those governing bodies, for carrying out any of the powers authorized by this chapter.

(8) To sue and be sued in any court of competent jurisdiction: PROVIDED, That all suits against the public hospital district shall be brought in the county in which the public hospital district is located.

(9) To pay actual necessary travel expenses and living expenses incurred while in travel status for (a) qualified physicians or other health care practitioners who are candidates for medical staff positions, and (b) other qualified persons who are candidates for superintendent or other managerial and technical positions, which expenses may include expenses incurred by family members accompanying the candidate, when the district finds that hospitals or other health care facilities owned and operated by it are not adequately staffed and determines that personal interviews with said candidates to be held in the district are necessary or desirable for the adequate staffing of said facilities.

| 697 |
(10) To employ superintendents, attorneys, and other technical or professional assistants and all other employees; to make all contracts useful or necessary to carry out the provisions of this chapter, including, but not limited to, (a) contracts with private or public institutions for employee retirement programs, and (b) contracts with current or prospective employees, physicians, or other health care practitioners providing for the payment or reimbursement by the public hospital district of health care training or education expenses, including but not limited to debt obligations, incurred by current or prospective employees, physicians, or other health care practitioners in return for their agreement to provide services beneficial to the public hospital district; to print and publish information or literature; and to do all other things necessary to carry out the provisions of this chapter.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION, Sec. 1. A new section is added to chapter 48.31 RCW to read as follows:

(1) Documents, materials, or other information that the commissioner obtains under this chapter in the commissioner's capacity as a receiver as defined in RCW 48.99.010(12), are records under the jurisdiction and control of the receivership court. These records are confidential by law and privileged, are not subject to chapter 42.56 or 40.14 RCW, and are not subject to subpoena directed to the commissioner or any person who received documents, materials, or other information while acting under the authority of the commissioner. The commissioner is authorized to use such documents, materials, or other information in the furtherance of any regulatory or legal action brought as a part of the commissioner's official duties. The confidentiality and privilege created by this section and RCW 42.56.400(17) is not waived if confidential and privileged information under this section is shared with any person acting under the authority of the commissioner, representatives of insurance guaranty associations that may have statutory obligations as a result of the insolvency of an insurer, the national association of insurance commissioners and its affiliates and subsidiaries, regulatory and law enforcement officials of other states and nations, the federal government, and international authorities.

The court shall conduct an in-camera review after notifying the commissioner and every party that produced the information. The court may order the commissioner to allow the petitioner to have access to the information provided the petitioner maintains the confidentiality of the information. After conducting a hearing, the court may order that the information can be disclosed publicly if the court finds that there is a public interest in the disclosure of the information and protection of the information.
from public disclosure is clearly unnecessary to protect any individual's right of privacy, or any company's proprietary information, and the commissioner has not demonstrated that disclosure would impair any vital governmental function, or the receiver's ability to manage the estate.

(4) The confidentiality and privilege of documents, materials, or other information obtained by the receiver set forth in subsections (1) and (2) of this section does not apply to litigation to which the insurer in receivership is a party. In such instances, discovery is governed by the Washington rules of civil procedure.

(2) Neither the commissioner nor any person who received documents, materials, or other information while acting under the authority of the commissioner as receiver is required to testify in any private civil action concerning any confidential and privileged documents, materials, or information subject to subsection (1) of this section.

(3) Any person who can demonstrate a legal interest in the receivership estate or a reasonable suspicion of negligence or malfeasance by the commissioner related to an insurer receivership may file a motion in the receivership matter to allow inspection of private company information or documents not subject to public disclosure under subsection (1) of this section. The court shall conduct an in-camera review after notifying the commissioner and every party that produced the information. The court may order the commissioner to allow the petitioner to have access to the information, provided the petitioner maintains the confidentiality of the information. The petitioner must not disclose the information to any other person, except upon further order of the court. After conducting a hearing, the court may order that the information can be disclosed if the court finds that there is a public interest in the disclosure of the information and the protection of the information from public disclosure is clearly unnecessary to protect any individual's right of privacy, or any company's proprietary information, and the commissioner has not
demonstrated that the disclosure would impair any vital governmental function, the receivership estate, or the receiver's ability to manage the estate.

(4) The confidentiality and privilege of documents, materials or other information obtained by the receiver set forth in subsections (1) and (2) of this section does not apply to litigation to which the insurer in receivership is a party. CHAPTER 99
[Engrossed Substitute House Bill 2913]
INNOVATIVE INTERDISTRICT COOPERATIVE HIGH SCHOOL PROGRAMS

AN ACT Relating to authorizing innovative interdistrict cooperative high school programs; amending RCW 28A.225.200, 28A.225.200, 28A.545.040, 28A.545.120, 84.52.0531, and 84.52.0531; adding new sections to chapter 28A.340 RCW; creating new sections; providing effective dates; and providing expiration dates.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that the availability of technology, online learning, and field and project-based curricula offer new opportunities for school districts to design innovative programs for high school students. However, the legislature also finds that while small, rural school districts desire to offer innovative learning options for students in their communities, they are constrained by state laws and rules that appear to prohibit nonhigh school districts from creating options for their high school students in cooperation with other nonhigh school districts. Therefore, the legislature intends to authorize and encourage innovative, cooperative high school programs for students from very small school districts.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.340 RCW to read as follows:

(1) Two or more nonhigh school districts may form an interdistrict cooperative, to offer an innovation academy cooperative, as defined in section 3 of this act and subject to the approval of the office of the superintendent of public instruction under section 4 of this act, for high school students residing in the participating nonhigh school districts.

(2) Enrollment in an innovation academy cooperative is optional for students. For students residing in a participating nonhigh school district who enroll in a high school district rather than the innovation academy cooperative, the provisions of RCW 28A.540.110 and chapter 28A.545 RCW apply to the nonhigh school district.

(3) Each innovation academy cooperative shall designate one of the participating nonhigh school districts to report enrolled students for funding purposes. The reporting district shall claim the monthly full-time equivalent students enrolled in the innovation academy cooperative and receive state funding allocations, including basic education allocations that are based on the small high school allocation under the appropriations act to the extent the number of students enrolled in the innovation academy cooperative meets the criteria for a small high school.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.340 RCW to read as follows:

(1) For the purposes of sections 2 through 4 of this act, an innovation academy cooperative is a high school program with one or more of the following characteristics:

(a) Interdisciplinary curriculum and instruction organized into subject-focused themes or academies. Programs are encouraged to provide an initial focus on academies in science, technology, engineering, and mathematics;

(b) A combination of instructional service delivery models, including alternative learning experiences, online learning, work-based learning,
experiential and field-based learning, and direct classroom instruction at multiple and varying locations;

(c) Intensive and accelerated learning to enable students to complete high school credits in a short time period; and

(d) Creative scheduling and use of existing school or community facilities in innovative ways to minimize facility and transportation costs and maximize access for students who may be geographically dispersed.

(2) Participating nonhigh school districts shall work with local community and technical colleges and four-year institutions of higher education to expand the learning options available for students in an innovation academy cooperative.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.340 RCW to read as follows:

Nonhigh school districts proposing to enter an interdistrict agreement to offer an innovation academy cooperative shall submit a copy of the proposed agreement and operating and instructional plans for the cooperative to the office of the superintendent of public instruction for technical review. The purpose of the review is for the office to provide technical assistance and advice to assure that the cooperative addresses issues identified under RCW 28A.225.250 and to assure that the proposed instructional program will offer courses and learning experiences that enable students to earn high school credit and complete a high school diploma. The office of the superintendent of public instruction must approve agreements and plans before an innovation academy cooperative begins operation.

Sec. 5. RCW 28A.225.200 and 1990 c 33 s 234 are each amended to read as follows:

(1) A local district may be authorized by the educational service district superintendent to transport and educate its pupils in other districts for one year, either by payment of a compensation agreed upon by such school districts, or under other terms mutually satisfactory to the districts concerned when this will afford better educational facilities for the pupils and when a saving may be effected in the cost of education: PROVIDED, That notwithstanding any other provision of law, the amount to be paid by the state to the resident school district for apportionment purposes and otherwise payable pursuant to RCW 28A.150.100, 28A.150.250 through 28A.150.290, 28A.150.350 through 28A.150.410, 28A.160.150 through 28A.160.200, (28A.160.220) 28A.300.035, 28A.300.170, and 28A.500.010 shall not be greater than the regular apportionment for each high school student of the receiving district. Such authorization may be extended for an additional year at the discretion of the educational service district superintendent.

(2) Subsection (1) of this section shall not apply to districts participating in a cooperative project established under RCW 28A.340.030 which exceeds two years in duration or to nonhigh school districts participating in an interdistrict cooperative under sections 2 through 4 of this act.

Sec. 6. RCW 28A.225.200 and 2009 c 548 s 706 are each amended to read as follows:

(1) A local district may be authorized by the educational service district superintendent to transport and educate its pupils in other districts for one year,
either by payment of a compensation agreed upon by such school districts, or under other terms mutually satisfactory to the districts concerned when this will afford better educational facilities for the pupils and when a saving may be effected in the cost of education. Notwithstanding any other provision of law, the amount to be paid by the state to the resident school district for apportionment purposes and otherwise payable pursuant to RCW 28A.150.250 through 28A.150.290, 28A.150.350 through 28A.150.410, 28A.160.150 through 28A.160.200, 28A.300.035, and 28A.300.170 shall not be greater than the regular apportionment for each high school student of the receiving district. Such authorization may be extended for an additional year at the discretion of the educational service district superintendent.

(2) Subsection (1) of this section shall not apply to districts participating in a cooperative project established under RCW 28A.340.030 which exceeds two years in duration or to nonhigh school districts participating in an interdistrict cooperative under sections 2 through 4 of this act.

CHAPTER 102
[Substitute House Bill 2990]
CITY TAXING AUTHORITY—WATER-SEWER DISTRICTS

AN ACT Relating to alternative city assumption and tax authority provisions pertaining to water-sewer districts; amending RCW 35.13A.020, 35.13A.030, and 35.13A.040; adding a new section to chapter 35.21 RCW; adding a new chapter to Title 35 RCW; creating a new section; and providing an expiration date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 35.21 RCW to read as follows:

(1) A city in which a water-sewer district operates works, plants, or facilities for the distribution and sale of water or sewer services may levy and collect from the district a tax on the gross revenues derived by the district from the sale of water or sewer services within the city, exclusive of the revenues derived from the sale of water or sewer services for purposes of resale. The tax when levied must be a debt of the district, and may be collected as such. The district may add the amount of tax to the rates or charges it makes for water or sewer services sold within the limits of the city.

(2)(a) A city imposing a tax under this section:
(i) May not impose a franchise fee or other charge on the water-sewer district; and
(ii) May only do so through an interlocal agreement with the district under chapter 39.34 RCW.

(b) The interlocal agreement required by this subsection (2) must identify the district as the collection and pass-through entity, with revenues submitted to the city. The interlocal agreement may include provisions addressing city assumptions of the water-sewer district and the expenditure of revenues collected under this section in areas of the district that are located within the corporate limits of the city.

(3) For purposes of this section, the term "city" has the same meaning as defined in RCW 35.13A.010.

NEW SECTION. Sec. 2. (1) A city choosing to impose a tax under section 1 of this act that adopts a resolution to assume all or part of a water-sewer district
must complete a feasibility study of the assumption. The study must be completed within six months of the passage of the resolution to assume all or part of the district. The study is not required if the board of commissioners of the district consents to the assumption.

(2) The study must be jointly and equally funded by the city and the district through a mutually agreed upon contract with a qualified independent consultant with professional expertise involving public water and sewer systems. The study must address the impact of the proposed assumption on the city and district. Issues to be considered must be mutually agreed upon by the city and district and must include, but are not limited to, engineering and operational impacts, assumption costs to the city and district, including potential impacts on future water-sewer rates, bond ratings and future borrowing costs, the status of existing water rights, and other issues jointly agreed upon.

(3) The findings of the study must be presented as a public record and must be available to the registered voters of the entire district. If the method of assumption requires the submission of a ballot proposition to all registered voters of the district, the findings of the study must be made available to these voters prior to a vote on the proposed assumption.

NEW SECTION. Sec. 3. (1) A city choosing to impose a tax under section 1 of this act may not assume jurisdiction of all or part of a water-sewer district under RCW 35.13A.020, 35.13A.030, or 35.13A.040 without voter approval of a ballot proposition authorizing the assumption. Ballot propositions under this section must be submitted to all registered voters of the district. If a majority of the votes cast on the proposition are in favor of the assumption, the assumption may proceed as authorized under chapter 35.13A RCW.

(2) Elections under this section must be conducted in accordance with general election law, and the election costs must be borne by the city seeking approval to assume jurisdiction of the district.

NEW SECTION. Sec. 4. For purposes of this chapter, the term "city" has the same meaning as defined in RCW 35.13A.010.

NEW SECTION. Sec. 5. (1) The assumption provisions in sections 2 through 4 of this act are alternative and in addition to other provisions in chapter 35.13A RCW.

(2) Nothing in sections 2 through 4 of this act: (a) Limits or otherwise modifies the assumption authority under chapter 35.13A RCW for cities that do not impose a tax under section 1 of this act; or (b) abrogates city and water-sewer district agreements for cities that do not impose a tax under section 1 of this act.

Sec. 6. RCW 35.13A.020 and 1999 c 153 s 28 are each amended to read as follows:

(1) Except as provided in section 3 of this act, whenever all of the territory of a district is included within the corporate boundaries of a city, the city legislative body may adopt a resolution or ordinance to assume jurisdiction over all of the district.

(2) Upon the assumption, all real and personal property, franchises, rights, assets, taxes levied but not collected for the district for other than indebtedness, water, sewer, and drainage facilities, and all other facilities and equipment of the district shall become the property of the city subject to all financial, statutory, or contractual obligations of the district for the security or performance of which
the property may have been pledged. The city, in addition to its other powers, shall have the power to manage, control, maintain, and operate the property, facilities and equipment and to fix and collect service and other charges from owners and occupants of properties so served by the city, subject, however, to any outstanding indebtedness, bonded or otherwise, of the district payable from taxes, assessments, or revenues of any kind or nature and to any other contractual obligations of the district.

(3) The city may by resolution or ordinance of its legislative body, assume the obligation of paying such district indebtedness and of levying and of collecting or causing to be collected the district taxes, assessments, and utility rates and charges of any kind or nature to pay and secure the payment of the indebtedness, according to all of the terms, conditions and covenants incident to the indebtedness, and shall assume and perform all other outstanding contractual obligation of the district in accordance with all of their terms, conditions, and covenants. An assumption shall not be deemed to impair the obligation of any indebtedness or other contractual obligation. During the period until the outstanding indebtedness of the district has been discharged, the territory of the district and the owners and occupants of property therein, shall continue to be liable for its and their proportionate share of the indebtedness, including any outstanding assessments levied within any local improvement district or utility local improvement district thereof. The city shall assume the obligation of causing the payment of the district's indebtedness, collecting the district's taxes, assessments, and charges, and observing and performing the other district contractual obligations. The legislative body of the city shall act as the officers of the district for the purpose of certifying the amount of any property tax to be levied and collected therein, and causing service and other charges and assessments to be collected from the property or owners or occupants thereof, enforcing the collection and performing all other acts necessary to ensure performance of the district's contractual obligations in the same manner and by the same means as if the territory of the district had not been included within the boundaries of a city.

When a city assumes the obligation of paying the outstanding indebtedness, and if property taxes or assessments have been levied and service and other charges have accrued for this purpose but have not been collected by the district prior to the assumption, the same when collected shall belong and be paid to the city and be used by the city so far as necessary for payment of the indebtedness of the district existing and unpaid on the date the city assumes the indebtedness. Any funds received by the city which have been collected for the purpose of paying any bonded or other indebtedness of the district, shall be used for the purpose for which they were collected and for no other purpose. Any outstanding indebtedness shall be paid as provided in the terms, conditions, and covenants of the indebtedness. All funds of the district on deposit with the county treasurer at the time of title transfer shall be used by the city solely for the benefit of the assumed utility and shall not be transferred to or used for the benefit of the city's general fund.

Sec. 7. RCW 35.13A.030 and 1999 c 153 s 29 are each amended to read as follows:

Except as provided in section 3 of this act, whenever a portion of a district equal to at least sixty percent of the area or sixty percent of the assessed
 valuation of the real property lying within such district, is included within the corporate boundaries of a city, the city may assume by ordinance the full and complete management and control of that portion of the entire district not included within another city, whereupon the provisions of RCW 35.13A.020 shall be operative; or the city may proceed directly under the provisions of RCW 35.13A.050.

Sec. 8. RCW 35.13A.040 and 1999 c 153 s 30 are each amended to read as follows:

Except as provided in section 3 of this act, whenever the portion of a district included within the corporate boundaries of a city is less than sixty percent of the area of the district and less than sixty percent of the assessed valuation of the real property within the district, the city may elect to proceed under the provisions of RCW 35.13A.050.

NEW SECTION. Sec. 9. This act applies only to a city, as well as the water-sewer districts within the corporate boundaries of the city and potential annexation areas that, as of the effective date of this act:

(1) Has a population of between eighty thousand and eighty-five thousand as certified in the April 1, 2009, official population estimates listed by the office of financial management; and

[Engrossed Second Substitute House Bill 1560]
HIGHER EDUCATION INSTITUTIONS—COLLECTIVE BARGAINING

AN ACT Relating to collective bargaining for employees of institutions of higher education; and amending RCW 41.80.010.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 41.80.010 and 2002 c 354 s 302 are each amended to read as follows:

(1) For the purpose of negotiating collective bargaining agreements under this chapter, the employer shall be represented by the governor or governor's designee, except as provided for institutions of higher education in subsection (4) of this section.

(2)(a) If an exclusive bargaining representative represents more than one bargaining unit, the exclusive bargaining representative shall negotiate with each employer representative as designated in subsection (1) of this section one master collective bargaining agreement on behalf of all the employees in bargaining units that the exclusive bargaining representative represents. For those exclusive bargaining representatives who represent fewer than a total of five hundred employees each, negotiation shall be by a coalition of all those exclusive bargaining representatives. The coalition shall bargain for a master collective bargaining agreement covering all of the employees represented by the coalition. The governor's designee and the exclusive bargaining representative or representatives are authorized to enter into supplemental bargaining of agency-specific issues for inclusion in or as an addendum to the master collective bargaining agreement, subject to the parties' agreement regarding the issues and procedures for supplemental bargaining. This section does not prohibit cooperation and coordination of bargaining between two or more exclusive bargaining representatives.

(b) This subsection (2) does not apply to exclusive bargaining representatives who represent employees of institutions of higher education, except when the institution of higher education has elected to exercise its option under subsection (4) of this section to have its negotiations conducted by the governor or governor's designee under the procedures provided for general government agencies in subsections (1) through (3) of this section.

(c) If five hundred or more employees of an independent state elected official listed in RCW 43.01.010 are organized in a bargaining unit or bargaining units under RCW 41.80.070, the official shall be consulted by the governor or the governor's designee before any agreement is reached under (a) of this subsection concerning supplemental bargaining of agency specific issues affecting the employees in such bargaining unit.

(3) The governor shall submit a request for funds necessary to implement the compensation and fringe benefit provisions in the master collective bargaining agreement or for legislation necessary to implement the agreement.
Requests for funds necessary to implement the provisions of bargaining agreements shall not be submitted to the legislature by the governor unless such requests:

(a) Have been submitted to the director of the office of financial management by October 1 prior to the legislative session at which the requests are to be considered; and

(b) Have been certified by the director of the office of financial management as being feasible financially for the state.

The legislature shall approve or reject the submission of the request for funds as a whole. The legislature shall not consider a request for funds to implement a collective bargaining agreement unless the request is transmitted to the legislature as part of the governor's budget document submitted under RCW 43.88.030 and 43.88.060. If the legislature rejects or fails to act on the submission, either party may reopen all or part of the agreement or the exclusive bargaining representative may seek to implement the procedures provided for in RCW 41.80.090.

(4)(a)(i) For the purpose of negotiating agreements for institutions of higher education, the employer shall be the respective governing board of each of the universities, colleges, or community ((and technical)) colleges or a designee chosen by the board to negotiate on its behalf.

(ii) A governing board of a university or college may elect to have its negotiations conducted by the governor or governor's designee under the procedures provided for general government agencies in subsections (1) through (3) of this section, except that:

(A) The governor or the governor's designee and an exclusive bargaining representative shall negotiate one master collective bargaining agreement for all of the bargaining units of employees of a university or college that the representative represents; or

(B) If the parties mutually agree, the governor or the governor's designee and an exclusive bargaining representative shall negotiate one master collective bargaining agreement for all of the bargaining units of employees of more than one university or college that the representative represents.

(iii) A governing board of a community college may elect to have its negotiations conducted by the governor or governor's designee under the procedures provided for general government agencies in subsections (1)(c)(i), (c)(ii), and (c)(iii) through (3) of this section.

(b) Prior to entering into negotiations under this chapter, the institutions of higher education or their designees shall consult with the director of the office of financial management regarding financial and budgetary issues that are likely to arise in the impending negotiations.

(c)(i) If appropriations are necessary to implement the compensation and fringe benefit provisions of the bargaining agreements reached between institutions of higher education and exclusive bargaining representatives agreed to under the provisions of this chapter, the governor shall submit a request for such funds to the legislature according to the provisions of subsection (3) of this section, except as provided in (c)(ii) of this subsection.

(ii) In the case of a bargaining unit of employees of institutions of higher education in which the exclusive bargaining representative is certified during or after the conclusion of a legislative session, the legislature may act upon the
compensation and fringe benefit provisions of the unit's initial collective bargaining agreement if those provisions are agreed upon and submitted to the office of financial management and legislative budget committees before final legislative action on the biennial or supplemental operating budget by the sitting legislature.

(5) There is hereby created a joint committee on employment relations, which consists of two members with leadership positions in the house of representatives, representing each of the two largest caucuses; the chair and ranking minority member of the house appropriations committee, or its successor, representing each of the two largest caucuses; two members with leadership positions in the senate, representing each of the two largest caucuses; and the chair and ranking minority member of the senate ways and means committee, or its successor, representing each of the two largest caucuses. The governor shall periodically consult with the committee regarding appropriations necessary to implement the compensation and fringe benefit provisions in the master collective bargaining agreements, and upon completion of negotiations, advise the committee on the elements of the agreements and on any legislation necessary to implement the agreements.

(6) If, after the compensation and fringe benefit provisions of an agreement are approved by the legislature, a significant revenue shortfall occurs resulting in reduced appropriations, as declared by proclamation of the governor or by resolution of the legislature, both parties shall immediately enter into collective bargaining for a mutually agreed upon modification of the agreement.

(7) After the expiration date of a collective bargaining agreement negotiated under this chapter, all of the terms and conditions specified in the collective bargaining agreement remain in effect until the effective date of a subsequently negotiated agreement, not to exceed one year from the expiration date stated in the agreement. Thereafter, the employer may unilaterally implement according to law.

A city that imposes a business and occupation tax may by ordinance provide that return or tax information is confidential, privileged, and subject to disclosure in the manner provided by RCW 82.32.330.

Sec. 102. RCW 42.56.230 and 2009 c 510 s 8 are each amended to read as follows:

(5) Personal and financial information related to a small loan or any system of authorizing a small loan in RCW 31.45.093; and

(6) Documents and related materials and scanned images of documents and related materials used to prove identity, age, residential address, social security number, or other personal information required to apply for a driver's license or identicard.

Sec. 103. RCW 82.16.120 and 2009 c 469 s 505 are each amended to read as follows:

(1) Any individual, business, local governmental entity, not in the light and power business or in the gas distribution business, or a participant in a community solar project may apply to the light and power business serving the situs of the system, each fiscal year beginning on July 1, 2005, for an investment cost recovery incentive for each kilowatt-hour from a customer-generated electricity renewable energy system. No incentive may be paid for kilowatt-hours generated before July 1, 2005, or after June 30, 2020.

(2)(a) Before submitting for the first time the application for the incentive allowed under subsection (4) of this section, the applicant must submit to the department of revenue and to the climate and rural energy development center at the Washington State University, established under RCW 28B.30.642, a certification in a form and manner prescribed by the department that includes, but is not limited to, the following information:

(i) The name and address of the applicant and location of the renewable energy system;

(ii) The applicant's tax registration number;

(iii) That the electricity produced by the applicant meets the definition of "customer-generated electricity" and that the renewable energy system produces electricity with:

(A) Any solar inverters and solar modules manufactured in Washington state;

(B) A wind generator powered by blades manufactured in Washington state;

(C) A solar inverter manufactured in Washington state;

(D) A solar module manufactured in Washington state; or

(E) Solar or wind equipment manufactured outside of Washington state;

(iv) That the electricity can be transformed or transmitted for entry into or operation in parallel with electricity transmission and distribution systems;

(v) The date that the renewable energy system received its final electrical permit from the applicable local jurisdiction.

(b) Within thirty days of receipt of the certification the department of revenue must notify the applicant by mail, or electronically as provided in RCW 82.32.135, whether the renewable energy system qualifies for an incentive under this section. The department may consult with the climate and rural energy development center to determine eligibility for the incentive. System certifications and the information contained therein are subject to disclosure under RCW 82.32.330(3)(((m)))) (l).

(3)(a) By August 1st of each year application for the incentive ((shall)) must be made to the light and power business serving the situs of the system by certification in a form and manner prescribed by the department that includes, but is not limited to, the following information:
(i) The name and address of the applicant and location of the renewable energy system;
(ii) The applicant's tax registration number;

(iv) A statement of the amount of kilowatt-hours generated by the renewable energy system in the prior fiscal year.

(b) Within sixty days of receipt of the incentive certification the light and power business serving the situs of the system (shall) must notify the applicant in writing whether the incentive payment will be authorized or denied. The business may consult with the climate and rural energy development center to determine eligibility for the incentive payment. Incentive certifications and the information contained therein are subject to disclosure under RCW 82.32.330(3)(m) (l).

(c)(i) Persons receiving incentive payments (shall) must keep and preserve, for a period of five years, suitable records as may be necessary to determine the amount of incentive applied for and received. Such records (shall) must be open for examination at any time upon notice by the light and power business that made the payment or by the department. If upon examination of any records or from other information obtained by the business or department it appears that an incentive has been paid in an amount that exceeds the correct amount of incentive payable, the business may assess against the person for the amount found to have been paid in excess of the correct amount of incentive payable and (shall) must add thereto interest on the amount. Interest (shall be) is assessed in the manner that the department assesses interest upon delinquent tax under RCW 82.32.050.

(ii) If it appears that the amount of incentive paid is less than the correct amount of incentive payable the business may authorize additional payment.

(4) Except for community solar projects, the investment cost recovery incentive may be paid fifteen cents per economic development kilowatt-hour unless requests exceed the amount authorized for credit to the participating light and power business. For community solar projects, the investment cost recovery incentive may be paid thirty cents per economic development kilowatt-hour unless requests exceed the amount authorized for credit to the participating light and power business. For the purposes of this section, the rate paid for the investment cost recovery incentive may be multiplied by the following factors:

(a) For customer-generated electricity produced using solar modules manufactured in Washington state, two and four-tenths;
(b) For customer-generated electricity produced using a solar or a wind generator equipped with an inverter manufactured in Washington state, one and two-tenths;

(d) For all other customer-generated electricity produced by wind, eight-tenths.

(5) No individual, household, business, or local governmental entity is eligible for incentives provided under subsection (4) of this section for more
than five thousand dollars per year. Each applicant in a community solar project is eligible for up to five thousand dollars per year.

(6) If requests for the investment cost recovery incentive exceed the amount of funds available for credit to the participating light and power business, the incentive payments (((shall))) must be reduced proportionately.

(7) The climate and rural energy development center at Washington State University energy program may establish guidelines and standards for technologies that are identified as Washington manufactured and therefore most beneficial to the state's environment.

(8) The environmental attributes of the renewable energy system belong to the applicant, and do not transfer to the state or the light and power business upon receipt of the investment cost recovery incentive.

Sec. 104. RCW 82.32.330 and 2009 c 563 s 213 and 2009 c 309 s 2 are each reenacted and amended to read as follows:

(c) "Tax information" means (i) a taxpayer's identity, (ii) the nature, source, or amount of the taxpayer's income, payments, receipts, deductions, exemptions, credits, assets, liabilities, net worth, tax liability deficiencies, overassessments, or tax payments, whether taken from the taxpayer's books and records or any other source, (iii) whether the taxpayer's return was, is being, or will be examined or subject to other investigation or processing, (iv) a part of a written determination that is not designated as a precedent and disclosed pursuant to RCW 82.32.410, or a background file document relating to a written determination, and (v) other data received by, recorded by, prepared by, furnished to, or collected by the department of revenue with respect to the determination of the existence, or possible existence, of liability, or the amount thereof, of a person under the laws of this state for a tax, penalty, interest, fine, forfeiture, or other imposition, or offense. However, data, material, or documents that do not disclose information related to a specific or identifiable taxpayer do not constitute tax information under this section. Except as provided by RCW 82.32.410, nothing in this chapter (((shall))) requires any person possessing data, material, or documents made confidential and privileged by this section to delete information from such data, material, or documents so as to permit its disclosure;

(d) "State agency" means every Washington state office, department, division, bureau, board, commission, or other state agency;

(e) "Taxpayer identity" means the taxpayer's name, address, telephone number, registration number, or any combination thereof, or any other information disclosing the identity of the taxpayer; and

However, tax information not received from the taxpayer must not be so disclosed if the director determines that such disclosure would compromise any investigation or litigation by any federal, state, or local government agency in connection with the civil or criminal liability of the taxpayer or another person, or that such disclosure would identify a confidential informant, or that such disclosure is contrary to any agreement entered into by the department that provides for the reciprocal exchange of information with other government agencies which agreement requires confidentiality with respect to such information unless such information is required to be disclosed to the taxpayer by the order of any court;
   (c) Disclosing the name of a taxpayer ((with a deficiency greater than five thousand dollars and)) against whom a warrant under RCW 82.32.210 has been either issued or filed and remains outstanding for a period of at least ten working days. A peace officer or county prosecuting attorney who receives the return or tax information may disclose that return or tax information only for use in the investigation and a related court proceeding, or in the court proceeding for which the return or tax information originally was sought;

PART II
CLARIFICATIONS AND TECHNICAL CORRECTIONS

Sec. 201. RCW 39.100.050 and 2007 c 266 s 6 are each amended to read as follows:
(1) A local government that creates a benefit zone and has received approval from the department under RCW 82.32.700 to impose the local option sales and use tax authorized in RCW 82.14.465 may use annually any excess local excise taxes received by it from taxable activity within the benefit zone to finance public improvement costs associated with the public improvements financed in whole or in part by hospital benefit zone financing. The use of excess local excise taxes must cease when tax allocation revenues are no longer necessary or obligated to pay the costs of the public improvements. Any participating taxing authority is authorized to allocate excess local excise taxes to the local government as long as the local government has received approval from the department under RCW 82.32.700 to impose the local option sales and use tax authorized in RCW 82.14.465. The legislature declares that it is a proper
purpose of a local government or participating taxing authority to allocate excess local excise taxes for purposes of financing public improvements under this chapter.

(2) A local government must provide the department accurate information describing the geographical boundaries of the benefit zone at least seventy-five days before the effective date of the ordinance creating the benefit zone. The local government must ensure that the boundary information provided to the department is kept current.

(3) The department must provide the necessary information to calculate excess local excise taxes to each local government that has provided boundary information to the department as provided in this section and that has received approval from the department under RCW 82.32.700 to impose the local option sales and use tax authorized in RCW 82.14.465.

(4) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Base year" means the calendar year immediately following the creation of a benefit zone.

(b) "Excess local excise taxes" means the amount of local excise taxes received by the local government during the measurement year from taxable activity within the benefit zone over and above the amount of local excise taxes received by the local government during the base year from taxable activity within the benefit zone. However, if a local government creates the benefit zone and reasonably determines that no activity subject to tax under chapters 82.08 and 82.12 RCW occurred in the twelve months immediately preceding the creation of the benefit zone within the boundaries of the area that became the benefit zone, "excess local excise taxes" means the entire amount of local excise taxes received by the local government during a calendar year period beginning with the calendar year immediately following the creation of the benefit zone and continuing with each measurement year thereafter.

(c) "Local excise taxes" means local revenues derived from the imposition of sales and use taxes authorized in RCW 82.14.030 at the tax rate that was in effect at the time the hospital benefit zone is approved by the department, except that if a local government reduces the rate of such tax after the hospital benefit zone was approved, "local excise taxes" means the local revenues derived from the imposition of the sales and use taxes authorized in RCW 82.14.030 at the lower tax rate.

(d) "Measurement year" means a calendar year, beginning with the calendar year following the base year and each calendar year thereafter, that is used annually to measure the amount of excess state excise taxes and excess local excise taxes required to be used to finance public improvement costs associated with public improvements financed in whole or in part by hospital benefit zone financing.

Sec. 210. RCW 82.08.010 and 2009 c 535 s 303 are each amended to read as follows:

For the purposes of this chapter:

(1)(a) "Selling price" includes "sales price." "Sales price" means the total amount of consideration, except separately stated trade-in property of like kind, including cash, credit, property, and services, for which tangible personal property, extended warranties, digital goods, digital codes, digital automated services, or other services or anything else defined as a "retail sale" under RCW 82.04.050 are sold, leased, or rented, valued in money, whether received in money or otherwise. No deduction from the total amount of consideration is allowed for the following: (i) The seller's cost of the property sold; (ii) the cost of materials used, labor or service cost, interest, losses, all costs of transportation to the seller, all taxes imposed on the seller, and any other expense of the seller; (iii) charges by the seller for any services necessary to complete the sale, other than delivery and installation charges; (iv) delivery charges; and (v) installation charges.

When tangible personal property is rented or leased under circumstances that the consideration paid does not represent a reasonable rental for the use of the articles so rented or leased, the "selling price" shall be determined as nearly as possible according to the value of such use at the places of use of similar products of like quality and character under such rules as the department may prescribe;

(b) "Selling price" or "sales price" does not include: Discounts, including cash, term, or coupons that are not reimbursed by a third party that are allowed by a seller and taken by a purchaser on a sale; interest, financing, and carrying charges from credit extended on the sale of tangible personal property, extended warranties, digital goods, digital codes, digital automated services, or other services or anything else defined as a retail sale in RCW 82.04.050, if the amount is separately stated on the invoice, bill of sale, or similar document given to the purchaser; and any taxes legally imposed directly on the consumer that are separately stated on the invoice, bill of sale, or similar document given to the purchaser;

(c) "Selling price" or "sales price" includes consideration received by the seller from a third party if:

(i) The seller actually receives consideration from a party other than the purchaser, and the consideration is directly related to a price reduction or discount on the sale;

(ii) The seller has an obligation to pass the price reduction or discount through to the purchaser;
(iii) The amount of the consideration attributable to the sale is fixed and determinable by the seller at the time of the sale of the item to the purchaser; and

(iv) One of the criteria in this subsection (1)(c)(iv) is met:

(A) The purchaser presents a coupon, certificate, or other documentation to the seller to claim a price reduction or discount where the coupon, certificate, or documentation is authorized, distributed, or granted by a third party with the understanding that the third party will reimburse any seller to whom the coupon, certificate, or documentation is presented;

(B) The purchaser identifies himself or herself to the seller as a member of a group or organization entitled to a price reduction or discount, however a "preferred customer" card that is available to any patron does not constitute membership in such a group; or

(C) The price reduction or discount is identified as a third party price reduction or discount on the invoice received by the purchaser or on a coupon, certificate, or other documentation presented by the purchaser;

(2)(a) "Seller" means every person, including the state and its departments and institutions, making sales at retail or retail sales to a buyer, purchaser, or consumer, whether as agent, broker, or principal, except "seller" does not mean:

(i) The state and its departments and institutions when making sales to the state and its departments and institutions; or

(ii) A professional employer organization when a covered employee coemployed with the client under the terms of a professional employer agreement engages in activities that constitute a sale at retail that is subject to the tax imposed by this chapter. In such cases, the client, and not the professional employer organization, is deemed to be the seller and is responsible for collecting and remitting the tax imposed by this chapter.

(b) For the purposes of (a) of this subsection, the terms "client," "covered employee," "professional employer agreement," and "professional employer organization" have the same meanings as in RCW 82.04.540;

(3) "Buyer," "purchaser," and "consumer" include, without limiting the scope hereof, every individual, receiver, assignee, trustee in bankruptcy, trust, estate, firm, copartnership, joint venture, club, company, joint stock company, business trust, corporation, association, society, or any group of individuals acting as a unit, whether mutual, cooperative, fraternal, nonprofit, or otherwise, municipal corporation, quasi municipal corporation, and also the state, its departments and institutions and all political subdivisions thereof, irrespective of the nature of the activities engaged in or functions performed, and also the United States or any instrumentality thereof;

(4) "Delivery charges" means charges by the seller of personal property or services for preparation and delivery to a location designated by the purchaser of personal property or services including, but not limited to, transportation, shipping, postage, handling, crating, and packing;

(5) "Direct mail" means printed material delivered or distributed by United States mail or other delivery service to a mass audience or to addressees on a mailing list provided by the purchaser or at the direction of the purchaser when the cost of the items are not billed directly to the recipients. "Direct mail" includes tangible personal property supplied directly or indirectly by the purchaser to the direct mail seller for inclusion in the package containing the
printed material. "Direct mail" does not include multiple items of printed material delivered to a single address;

(6) The meaning attributed in chapter 82.04 RCW to the terms "tax year," "taxable year," "person," "company," "sale," "sale at retail," "retail sale," "sale at wholesale," "wholesale," "business," "engaging in business," "cash discount," "successor," "consumer," "in this state" and "within this state" applies equally to the provisions of this chapter;

(7) For the purposes of the taxes imposed under this chapter and under chapter 82.12 RCW, "tangible personal property" means personal property that can be seen, weighed, measured, felt, or touched, or that is in any other manner perceptible to the senses. Tangible personal property includes electricity, water, gas, steam, and prewritten computer software;

(8) "Extended warranty" has the same meaning as in RCW 82.04.050(7);

(9) The definitions in RCW 82.04.192 apply to this chapter;

(10) For the purposes of the taxes imposed under this chapter and chapter 82.12 RCW, whenever the terms "property" or "personal property" are used, those terms must be construed to include digital goods and digital codes unless:

(a) It is clear from the context that the term "personal property" is intended only to refer to tangible personal property;

(b) It is clear from the context that the term "property" is intended only to refer to tangible personal property, real property, or both; or

(c) To construe the term "property" or "personal property" as including digital goods and digital codes would yield unlikely, absurd, or strained consequences; and

(11) "Retail sale" or "sale at retail" means any sale, lease, or rental for any purpose other than for resale, sublease, or subrent.

Sec. 211. RCW 82.08.020 and 2009 c 469 s 802 are each amended to read as follows:

All of the requirements in subsections (1) and (3) through (6) of this section apply to this subsection.

(3)(a) Any person claiming exemption from retail sales tax under the provisions of this section must display proof of his or her current nonresident status as provided in this section.

(b) Acceptable proof of a nonresident person's status includes one piece of identification such as a valid driver's license from the jurisdiction in which the out-of-state residency is claimed or a valid identification card which has a photograph of the holder and is issued by the out-of-state jurisdiction. Identification under this subsection (3)(b) must show the holder's residential address and have as one of its legal purposes the establishment of residency in that out-of-state jurisdiction.

(c) In lieu of furnishing proof of a person's nonresident status under (b) of this subsection (3), a person claiming exemption from retail sales tax under the provisions of this section may provide the seller with an exemption certificate in compliance with subsection (4)(b) of this section.

(4)(a) Nothing in this section requires the vendor to make tax exempt retail sales to nonresidents. A vendor may choose to make sales to nonresidents, collect the sales tax, and remit the amount of sales tax collected to the state as otherwise provided by law. If the vendor chooses to make a sale to a nonresident without collecting the sales tax, the vendor ((shall, in good faith,)) must examine the purchaser's proof of nonresidency, determine whether the proof is acceptable under subsection (3)(b) of this section, and maintain records for each nontaxable sale which shall show the type of proof accepted, including any identification numbers where appropriate, and the expiration date, if any.

(b) In lieu of using the method provided in (a) of this subsection to document an exempt sale to a nonresident, a seller may accept from the purchaser a properly completed uniform exemption certificate approved by the streamlined sales and use tax agreement governing board or any other exemption certificate as may be authorized by the department and properly completed by the purchaser. A nonresident purchaser who uses an exemption certificate authorized in this subsection (4)(b) must include the purchaser's driver's license number or other state-issued identification number and the state of issuance.

(c) In lieu of using the methods provided in (a) and (b) of this subsection to document an exempt sale to a nonresident, a seller may capture the relevant data elements as allowed under the streamlined sales and use tax agreement.

(5)(a) Any person making fraudulent statements, which includes the offer of fraudulent identification or fraudulently procured identification to a vendor, in order to purchase goods without paying retail sales tax is guilty of perjury under chapter 9A.72 RCW.

(b) Any person making tax exempt purchases under this section by displaying proof of identification not his or her own, or counterfeit
identification, with intent to violate the provisions of this section, is guilty of a misdemeanor and, in addition, is liable for the tax and subject to a penalty equal to the greater of one hundred dollars or the tax due on such purchases.

(6)(a) Any vendor who makes sales without collecting the tax ((to a person who does not hold valid identification establishing out-of-state residency, and any vendor)) and who fails to maintain records of sales to nonresidents as provided in this section((,)) is personally liable for the amount of tax due.

(b) Any vendor who makes sales without collecting the retail sales tax under this section and who has actual knowledge that the purchaser's proof of identification establishing out-of-state residency is fraudulent is guilty of a misdemeanor and, in addition, is liable for the tax and subject to a penalty equal to the greater of one thousand dollars or the tax due on such sales. In addition, both the purchaser and the vendor are liable for any penalties and interest assessable under chapter 82.32 RCW.

Sec. 216. RCW 82.08.0293 and 2009 c 483 s 2 are each amended to read as follows:

(1) The tax levied by RCW 82.08.020 ((shall)) does not apply to sales of food and food ingredients. "Food and food ingredients" means substances, whether in liquid, concentrated, solid, frozen, dried, or dehydrated form, that are sold for ingestion or chewing by humans and are consumed for their taste or nutritional value. "Food and food ingredients" does not include:

(a) "Alcoholic beverages," which means beverages that are suitable for human consumption and contain one-half of one percent or more of alcohol by volume; and

(b) "Tobacco," which means cigarettes, cigars, chewing or pipe tobacco, or any other item that contains tobacco.

(2) The exemption of "food and food ingredients" provided for in subsection (1) of this section ((shall)) does not apply to prepared food, soft drinks, or dietary supplements. For purposes of this subsection, the following definitions apply:

(a) "Dietary supplement" means any product, other than tobacco, intended to supplement the diet that:

(i) Contains one or more of the following dietary ingredients:

(A) A vitamin;

(B) A mineral;

(C) An herb or other botanical;

(iii) Is required to be labeled as a dietary supplement, identifiable by the "supplement facts" box found on the label as required pursuant to 21 C.F.R. Sec. 101.36, as amended or renumbered as of January 1, 2003.

(b)(i) "Prepared food" means:
(((((i)))(A)) Food sold in a heated state or heated by the seller;
(((((i)))(B)) Food sold with eating utensils provided by the seller, including plates, knives, forks, spoons, glasses, cups, napkins, or straws. A plate does not include a container or packaging used to transport the food; or

(((((A)))(I)) Food that is only cut, repackaged, or pasteurized by the seller; or
(((((B)))(II)) Raw eggs, fish, meat, poultry, and foods containing these raw animal foods requiring cooking by the consumer as recommended by the federal food and drug administration in chapter 3, part 401.11 of The Food Code, published by the food and drug administration, as amended or renumbered as of January 1, 2003, so as to prevent foodborne illness.

(((b)))(ii) "Prepared food" does not include the following food or food ingredients, if the food or food ingredients are sold without eating utensils provided by the seller:

(((((i)))(A)) Food sold by a seller whose proper primary North American industry classification system (NAICS) classification is manufacturing in sector 311, except subsector 3118 (bakeries), as provided in the "North American industry classification system—United States, 2002";

(3) Notwithstanding anything in this section to the contrary, the exemption of "food and food ingredients" provided in this section ((shall apply)) applies to food and food ingredients that are furnished, prepared, or served as meals:
(a) Under a state administered nutrition program for the aged as provided for in the Older Americans Act (P.L. 95-478 Title III) and RCW 74.38.040(6); (b) That are provided to senior citizens, individuals with disabilities, or low-income persons by a not-for-profit organization organized under chapter 24.03 or 24.12 RCW; or (c) That are provided to residents, sixty-two years of age or older, of a qualified low-income senior housing facility by the lessor or operator of the facility. The sale of a meal that is billed to both spouses of a marital community or both domestic partners of a domestic partnership meets the age requirement in this subsection (3)(c) if at least one of the spouses or domestic partners is at least sixty-two years of age. For purposes of this subsection, "qualified low-income senior housing facility" means a facility: (i) That meets the definition of a qualified low-income housing project under ((Title)) 26 U.S.C. Sec. 42 of the federal internal revenue code, as existing on August 1, 2009; (ii) That has been partially funded under ((Title)) 42 U.S.C. Sec. 1485 of the federal internal revenue code; and (iii) For which the lessor or operator has at any time been entitled to claim a federal income tax credit under ((Title)) 26 U.S.C. Sec. 42 of the federal internal revenue code.

(4)(a) Subsection (1) of this section notwithstanding, the retail sale of food and food ingredients is subject to sales tax under RCW 82.08.020 if the food and food ingredients are sold through a vending machine, and in this case.

Except as provided in (b) of this subsection, the selling price of food and food ingredients sold through a vending machine for purposes of RCW 82.08.020 is fifty-seven percent of the gross receipts.

(b) ((This subsection (4) does not apply to)) For soft drinks and hot prepared food and food ingredients, other than food and food ingredients which are heated after they have been dispensed from the vending machine, the selling price is the total gross receipts of such sales divided by the sum of one plus the sales tax rate expressed as a decimal.

(c) For tax collected under this subsection (4), the requirements that the tax be collected from the buyer and that the amount of tax be stated as a separate item are waived.

Sec. 217. RCW 82.08.050 and 2009 c 563 s 206 and 2009 c 289 s 2 are each reenacted and amended to read as follows:

(1) The tax ((hereby)) imposed ((shall)) in this chapter must be paid by the buyer to the seller, and each seller ((shall)) must collect from the buyer the full amount of the tax payable in respect to each taxable sale in accordance with the schedule of collections adopted by the department under the provisions of RCW 82.08.060.

(2) The tax required by this chapter, to be collected by the seller, is deemed to be held in trust by the seller until paid to the department, and any seller who appropriates or converts the tax collected to the seller's own use or to any use other than the payment of the tax to the extent that the money required to be collected is not available for payment on the due date as prescribed in this chapter is guilty of a gross misdemeanor.

(3) ((In case)) Except as otherwise provided in this section, if any seller fails to collect the tax ((herein)) imposed in this chapter or, having collected the tax,
fails to pay it to the department in the manner prescribed by this chapter, whether such failure is the result of ((his or her)) the seller's own acts or the result of acts or conditions beyond ((his or her)) the seller's control, ((be or she shall)) the seller is, nevertheless, ((be)) personally liable to the state for the amount of the tax((, unless the seller has taken from the buyer a seller's permit or uniform
exemption certificate authorized under RCW 82.04.470, a copy of a direct pay
permit issued under RCW 82.32.087, a direct mail form as provided in RCW
82.32.730(5), an exemption certificate claiming direct mail as provided in RCW
82.32.730(6), or other information required under the streamlined sales and use
tax agreement, or information required under rules adopted by the department)).

(4) Sellers ((shall)) are not ((be)) relieved from personal liability for the amount of the tax unless they maintain proper records of exempt or nontaxable transactions and provide them to the department when requested.

(5) Sellers are not relieved from personal liability for the amount of tax if they fraudulently fail to collect the tax or if they solicit purchasers to participate in an unlawful claim of exemption.

(6) Sellers are not relieved from personal liability for the amount of tax if they accept an exemption certificate from a purchaser claiming an entity-based exemption if:

(a) The subject of the transaction sought to be covered by the exemption certificate is actually received by the purchaser at a location operated by the seller in Washington; and

(b) Washington provides an exemption certificate that clearly and affirmatively indicates that the claimed exemption is not available in Washington. Graying out exemption reason types on a uniform form and posting it on the department's web site is a clear and affirmative indication that the grayed out exemptions are not available.

(7)(a) Sellers are relieved from personal liability for the amount of tax if they obtain a fully completed exemption certificate or capture the relevant data elements required under the streamlined sales and use tax agreement within ninety days, or a longer period as may be provided by rule by the department, subsequent to the date of sale.

(b) If the seller has not obtained an exemption certificate or all relevant data elements required under the streamlined sales and use tax agreement within the period allowed subsequent to the date of sale, the seller may, within one hundred twenty days, or a longer period as may be provided by rule by the department, subsequent to a request for substantiation by the department, either prove that the transaction was not subject to tax by other means or obtain a fully completed exemption certificate from the purchaser, taken in good faith.

(c) Sellers are relieved from personal liability for the amount of tax if they obtain a blanket exemption certificate for a purchaser with which the seller has a recurring business relationship. The department may not request from a seller renewal of blanket exemption certificates or updates of exemption certificate information or data elements if there is a recurring business relationship between the buyer and seller. For purposes of this subsection (7)(c), a "recurring business relationship" means at least one sale transaction within a period of twelve consecutive months.

(d) Sellers are relieved from personal liability for the amount of tax if they obtain a copy of a direct pay permit issued under RCW 82.32.087.
(8) The amount of tax, until paid by the buyer to the seller or to the department, (shall constitute) a debt from the buyer to the seller (and). Any seller who fails or refuses to collect the tax as required with intent to violate the provisions of this chapter or to gain some advantage or benefit, either direct or indirect, and any buyer who refuses to pay any tax due under this chapter is guilty of a misdemeanor.

(9) Except as otherwise provided in this subsection, the tax required by this chapter to be collected by the seller (shall) must be stated separately from the selling price in any sales invoice or other instrument of sale. On all retail sales through vending machines, the tax need not be stated separately from the selling price or collected separately from the buyer. Except as otherwise provided in this subsection, for purposes of determining the tax due from the buyer to the seller and from the seller to the department it (shall) must be conclusively presumed that the selling price quoted in any price list, sales document, contract or other agreement between the parties does not include the tax imposed by this chapter (,). But if the seller advertises the price as including the tax or that the seller is paying the tax, the advertised price (shall) may not be considered the selling price.

(10) Where a buyer has failed to pay to the seller the tax imposed by this chapter and the seller has not paid the amount of the tax to the department, the department may, in its discretion, proceed directly against the buyer for collection of the tax (, in which case). If the department proceeds directly against the buyer for collection of the tax as authorized in this subsection, the department may add a penalty of ten percent (may be added) of the unpaid tax to the amount of the tax due for failure of the buyer to pay the (same) tax to the seller, regardless of when the tax may be collected by the department (and). In addition to the penalty authorized in this subsection, all of the provisions of chapter 82.32 RCW, including those relative to interest and penalties, (shall) apply (in addition; and). For the sole purpose of applying the various provisions of chapter 82.32 RCW, the twenty-fifth day of the month following the tax period in which the purchase was made (shall) will be considered as the due date of the tax.

(11) Notwithstanding subsections (1) through (10) of this section, any person making sales is not obligated to collect the tax imposed by this chapter if:
   (a) The person's activities in this state, whether conducted directly or through another person, are limited to:
      (i) The storage, dissemination, or display of advertising;
      (ii) The taking of orders; or
      (iii) The processing of payments; and
   (b) The activities are conducted electronically via a web site on a server or other computer equipment located in Washington that is not owned or operated by the person making sales into this state nor owned or operated by an affiliated person. "Affiliated persons" has the same meaning as provided in RCW 82.04.424.

(12) Subsection (11) of this section expires when: (a) The United States congress grants individual states the authority to impose sales and use tax collection duties on remote sellers; or (b) it is determined by a court of competent jurisdiction, in a judgment not subject to review, that a state can impose sales and use tax collection duties on remote sellers.
(13) For purposes of this section((,)):

(a) "Exemption certificate" means documentation furnished by a buyer to a seller to claim an exemption from sales tax. An exemption certificate includes a reseller permit or other documentation authorized in RCW 82.04.470 furnished by a buyer to a seller to substantiate a wholesale sale; and

(b) "Seller" includes a certified service provider, as defined in RCW 82.32.020, acting as agent for the seller.

Sec. 218. RCW 82.08.865 and 2007 c 443 s 1 are each amended to read as follows:

(1) The tax levied by RCW 82.08.020 does not apply to sales of diesel fuel, biodiesel fuel, or aircraft fuel, to a farm fuel user for nonhighway use for agricultural purposes. This exemption applies to a fuel blend if all of the component fuels of the blend would otherwise be exempt under this subsection if the component fuels were sold as separate products. This exemption is available only if the buyer provides the seller with an exemption certificate in a form and manner prescribed by the department. ((Fuel used for space or water heating for human habitation is not exempt under this section.))

(2) The definitions in RCW 82.04.213 and this subsection apply to this section.

(a)(i) "Agricultural purposes" means the performance of activities directly related to the growing, raising, or producing of agricultural products.

(ii) "Agricultural purposes" does not include: (A) Heating space for human habitation or water for human consumption; or (B) Transporting on public roads individuals, agricultural products, farm machinery or equipment, or other tangible personal property, except when the transportation is incidental to transportation on private property and the fuel used for such transportation is not subject to tax under chapter 82.38 RCW.

(b) "Aircraft fuel" is defined as provided in RCW 82.42.010.

(c) "Biodiesel fuel" is defined as provided in RCW 19.112.010.

(d) "Diesel fuel" is defined as provided in 26 U.S.C. 4083, as amended or renumbered as of January 1, 2006.

(e) "Farm fuel user" means: (i) A farmer; or (ii) a person who provides horticultural services for farmers, such as soil preparation services, crop cultivation services, and crop harvesting services.

Sec. 219. RCW 82.08.700 and 2007 c 22 s 1 are each amended to read as follows:

(1) The tax levied by RCW 82.08.020 does not apply to sales to nonresident individuals of vessels thirty feet or longer if an individual purchasing a vessel purchases and displays a valid use permit.

(2)(a) An individual claiming exemption from retail sales tax under this section must display proof of his or her current nonresident status at the time of purchase.

(b) Acceptable proof of a nonresident individual's status includes one piece of identification such as a valid driver's license from the jurisdiction in which the out-of-state residency is claimed or a valid identification card that has a photograph of the holder and is issued by the out-of-state jurisdiction. Identification under this subsection (2)(b) must show the holder's residential
address and have as one of its legal purposes the establishment of residency in that out-of-state jurisdiction.

(3) Nothing in this section requires the vessel dealer to make tax exempt retail sales to nonresidents. A dealer may choose to make sales to nonresidents, collect the sales tax, and remit the amount of sales tax collected to the state as otherwise provided by law. If the dealer chooses to make a sale to a nonresident without collecting the sales tax, the vendor ((shall, in good faith,)) must examine the proof of nonresidence, determine whether the proof is acceptable under subsection (2)(b) of this section, and maintain records for each nontaxable sale that shows the type of proof accepted, including any identification numbers where appropriate, and the expiration date, if any.

(4) A vessel dealer shall issue a use permit to a buyer if the dealer is satisfied that the buyer is a nonresident. The use permit ((shall)) must be in a form and manner required by the department and ((shall)) must include an affidavit, signed by the purchaser, declaring that the vessel will be used in a manner consistent with this section. The fee for the issuance of a use permit is five hundred dollars for vessels fifty feet in length or less and eight hundred dollars for vessels greater than fifty feet in length. Funds collected under this section and RCW 82.12.700 ((shall)) must be reported on the dealer's excise tax return and remitted to the department in accordance with RCW 82.32.045. The department ((shall)) must transmit the fees to the state treasurer to be deposited in the state general fund. The use permit must be displayed on the vessel and is valid for twelve consecutive months from the date of issuance. A use permit is not renewable. A purchaser at the time of purchase must make an irrevocable election to take the exemption authorized in this section or the exemption in either RCW 82.08.0266 or 82.08.02665. A vessel dealer must maintain a copy of the use permit for the dealer's records. Vessel dealers must provide copies of use permits issued by the dealer under this section and RCW 82.12.700 to the department on a quarterly basis.

(5) A nonresident who claims an exemption under this section and who uses a vessel in this state after his or her use permit for that vessel has expired is liable for the tax imposed under RCW 82.08.020 on the original selling price of the vessel and ((shall)) must pay the tax directly to the department. Interest at the rate provided in RCW 82.32.050 applies to amounts due under this subsection, retroactively to the date the vessel was purchased, and accrues until the full amount of tax due is paid to the department.

(6) Any vessel dealer who makes sales without collecting the tax to a person who does not hold valid identification establishing out-of-state residency, and any dealer who fails to maintain records of sales to nonresidents as provided in this section, is personally liable for the amount of tax due.

(7) Chapter 82.32 RCW applies to the administration of the fee imposed in this section and RCW 82.12.700.

(8) A vessel dealer that issues use permits under this section and RCW 82.12.700 must file with the department all returns in an electronic format as provided or approved by the department. As used in this subsection, "returns" has the same meaning as "return" in RCW 82.32.050.

(a) Any return required to be filed in an electronic format under this subsection is not filed until received by the department in an electronic format provided or approved by the department.
(b) The electronic filing requirement in this subsection ends when a vessel dealer no longer issues use permits, and the dealer has electronically filed all of its returns reporting the fees collected under this section and RCW 82.12.700.

(c) The department may waive the electronic filing requirement in this subsection for good cause shown.

Sec. 220. RCW 82.12.0257 and 2009 c 535 s 611 are each amended to read as follows:

The provisions of this chapter do not apply in respect to the use of any article of personal property included within the transfer of the title to the entire operating property of a publicly or privately owned public utility, or of a complete operating integral section thereof, by the state or a political subdivision thereof in conducting any public service business as defined in RCW 82.16.010 (((1), (2), (3), (4), (5), (6), (7), (8), (9), (10), or (11))). For the purposes of this section, "operating property" includes digital goods and digital codes.

Sec. 221. RCW 82.12.040 and 2009 c 535 s 1108 are each amended to read as follows:

(1) Every person who maintains in this state a place of business or a stock of goods, or engages in business activities within this state, shall obtain from the department a certificate of registration, and shall, at the time of making sales of tangible personal property, digital goods, digital codes, digital automated services, extended warranties, or sales of any service defined as a retail sale in RCW 82.04.050 (2) (a) or (g), (3)(a), or (6)(b), or making transfers of either possession or title, or both, of tangible personal property for use in this state, collect from the purchasers or transferees the tax imposed under this chapter. The tax to be collected under this section must be in an amount equal to the purchase price multiplied by the rate in effect for the retail sales tax under RCW 82.08.020. For the purposes of this chapter, the phrase "maintains in this state a place of business" shall include the solicitation of sales and/or taking of orders by sales agents or traveling representatives. For the purposes of this chapter, "engages in business activity within this state" includes every activity which is sufficient under the Constitution of the United States for this state to require collection of tax under this chapter. The department must in rules specify activities which constitute engaging in business activity within this state, and must keep the rules current with future court interpretations of the Constitution of the United States.

(2) Every person who engages in this state in the business of acting as an independent selling agent for persons who do not hold a valid certificate of registration, and who receives compensation by reason of sales of tangible personal property, digital goods, digital codes, digital automated services, extended warranties, or sales of any service defined as a retail sale in RCW 82.04.050 (2) (a) or (g), (3)(a), or (6)(b), of his or her principals for use in this state, must, at the time such sales are made, collect from the purchasers the tax imposed on the purchase price under this chapter, and for that purpose (shall be) is deemed a retailer as defined in this chapter.

(3) The tax required to be collected by this chapter is deemed to be held in trust by the retailer until paid to the department, and any retailer who appropriates or converts the tax collected to the retailer's own use or to any use other than the payment of the tax provided herein to the extent that the money
required to be collected is not available for payment on the due date as
prescribed is guilty of a misdemeanor. In case any seller fails to collect the tax
herein imposed or having collected the tax, fails to pay the same to the
department in the manner prescribed, whether such failure is the result of the
seller's own acts or the result of acts or conditions beyond the seller's control, the
seller is nevertheless personally liable to the state for the amount of such tax,
unless the seller has taken from the buyer ((in good faith)) a copy of a direct pay
permit issued under RCW 82.32.087.
(4) Any retailer who refunds, remits, or rebates to a purchaser, or transferee,
either directly or indirectly, and by whatever means, all or any part of the tax
levied by this chapter is guilty of a misdemeanor.
(5) Notwithstanding subsections (1) through (4) of this section, any person
making sales is not obligated to collect the tax imposed by this chapter if:
(a) The person's activities in this state, whether conducted directly or
through another person, are limited to:
(i) The storage, dissemination, or display of advertising;
(ii) The taking of orders; or
(iii) The processing of payments; and
(b) The activities are conducted electronically via a web site on a server or
other computer equipment located in Washington that is not owned or operated
by the person making sales into this state nor owned or operated by an affiliated
person. "Affiliated persons" has the same meaning as provided in RCW
82.04.424.
(6) Subsection (5) of this section expires when: (a) The United States
congress grants individual states the authority to impose sales and use tax
collection duties on remote sellers; or (b) it is determined by a court of
competent jurisdiction, in a judgment not subject to review, that a state can
impose sales and use tax collection duties on remote sellers.
(7) Notwithstanding subsections (1) through (4) of this section, any person
making sales is not obligated to collect the tax imposed by this chapter if the
person would have been obligated to collect retail sales tax on the sale absent a
specific exemption provided in chapter 82.08 RCW, and there is no
nonhighway

Sec. 222. RCW 82.12.865 and 2007 c 443 s 2 are each amended to read as
follows:
(1) The provisions of this chapter do not apply with respect to the
(nonhighway) use of diesel fuel, biodiesel fuel, or aircraft fuel, by a farm fuel
user for agricultural purposes. This exemption applies to a fuel blend if all of the
component fuels of the blend would otherwise be exempt under this subsection
if the component fuels were acquired as separate products. For purposes of this chapter:
(1) "City" means a city or town;
(2) The meaning ascribed to words and phrases in chapters 82.04, 82.08 and 82.12 RCW, as now or hereafter amended, insofar as applicable, shall have full force and effect with respect to taxes imposed under authority of this chapter. However, the terms "retail sale" and "sale at retail" have only the meaning provided in RCW 82.08.010 for the purposes of this chapter, unless the context clearly requires that a different definition apply.

(3) "Taxable event" means any retail sale, or any use, upon which a state tax is imposed pursuant to chapter 82.08 or 82.12 RCW, as they now exist or may hereafter be amended. However, the term does not include a retail sale taxable pursuant to RCW 82.08.150, as now or hereafter amended; and

(4) "Treasurer or other legal depository" means the treasurer or legal depository of a county or city.

Sec. 224. RCW 82.16.010 and 2009 c 535 s 1110 and 2009 c 469 s 701 are each reenacted and amended to read as follows:

For the purposes of this chapter, unless otherwise required by the context:

(1) "Express business" means the business of carrying property for public hire on the line of any common carrier operated in this state, when such common carrier is not owned or leased by the person engaging in such business.

(2) "Gas distribution business" means the business of operating a plant or system for the production or distribution for hire or sale of gas, whether manufactured or natural.

(3) "Gross income" means the value proceeding or accruing from the performance of the particular public service or transportation business involved, including operations incidental thereto, but without any deduction on account of the cost of the commodity furnished or sold, the cost of materials used, labor costs, interest, discount, delivery costs, taxes, or any other expense whatsoever paid or accrued and without any deduction on account of losses.

Sec. 226. RCW 82.32.080 and 2009 c 176 s 2 are each amended to read as follows:

(1) When authorized by the department, payment of the tax may be made by uncertified check under such rules as the department prescribes, but, if a check so received is not paid by the bank on which it is drawn, the taxpayer, by whom such check is tendered, will remain liable for payment of the tax and for all legal penalties, the same as if such check had not been tendered.

(2)(a) Except as otherwise provided in this subsection, payment of the tax must be made by electronic funds transfer, as defined in RCW 82.32.085, if the taxpayer is required to file and remit its taxes on a monthly basis. As an alternative to electronic funds transfer, the department may authorize other forms of electronic payment, such as credit card and e-check. All taxes administered by this chapter are subject to this requirement except the taxes authorized by chapters 82.14A, 82.14B, 82.24, (82.27,)) 82.29A, and 84.33 RCW. It is the intent of this subsection to require electronic payment for those taxes reported on the department's combined excise tax return or any successor return. The mandatory electronic payment requirement in this subsection also applies to taxpayers who meet the threshold for filing and remitting taxes on a monthly basis as established by rule of the department but for whom the department has authorized a less frequent reporting frequency, when such authorization became effective on or after July 26, 2009.

(b) The department, for good cause, may waive the electronic payment requirement in this subsection for any taxpayer. In the discretion of the department, a waiver under this subsection may be made temporary or permanent, and may be made on the department's own motion.

(c) The department is authorized to accept payment of taxes by electronic funds transfer or other acceptable forms of electronic payment from taxpayers that are not subject to the mandatory electronic payment requirements in this subsection.

(3)(a) Except as otherwise provided in this subsection, returns must be filed electronically using the department's online tax filing service, if the taxpayer is required to file and remit its taxes on a monthly basis. The mandatory electronic filing requirement in this subsection also applies to taxpayers who meet the threshold for filing and remitting taxes on a monthly basis as established by rule of the department but for whom the department has authorized a less frequent reporting frequency, when such authorization became effective on or after July 26, 2009.
(b) The department, for good cause, may waive the electronic filing requirement in this subsection for any taxpayer. In the discretion of the department, a waiver under this subsection may be made temporary or permanent, and may be made on the department's own motion.

(c) The department is authorized to allow electronic filing of returns from taxpayers that are not subject to the mandatory electronic filing requirements in this subsection.

(4)(a)(i) The department, for good cause shown, may extend the time for making and filing any return, and may grant such reasonable additional time within which to make and file returns as it may deem proper, but any permanent extension granting the taxpayer a reporting date without penalty more than ten days beyond the due date, and any extension in excess of thirty days must be conditional on deposit with the department of an amount to be determined by the department which shall be approximately equal to the estimated tax liability for the reporting period or periods for which the extension is granted. In the case of a permanent extension or a temporary extension of more than thirty days the deposit must be deposited within the state treasury with other tax funds and a credit recorded to the taxpayer's account which may be applied to taxpayer's liability upon cancellation of the permanent extension or upon reporting of the tax liability where an extension of more than thirty days has been granted.

(ii) The department must review the requirement for deposit at least annually and may require a change in the amount of the deposit required when it believes that such amount does not approximate the tax liability for the reporting period or periods for which the extension is granted.

(b) During a state of emergency declared under RCW 43.06.010(12), the department, on its own motion or at the request of any taxpayer affected by the emergency, may extend the time for making or filing any return as the department deems proper. The department may not require any deposit as a condition for granting an extension under this subsection (4)(b).

(5) The department must keep full and accurate records of all funds received and disbursed by it. Subject to the provisions of RCW 82.32.105 and 82.32.350, the department must apply the payment of the taxpayer first against penalties and interest, and then upon the tax, without regard to any direction of the taxpayer.

(6) The department may refuse to accept any return that is not accompanied by a remittance of the tax shown to be due thereon or that is not filed electronically as required in this section. When such return is not accepted, the taxpayer is deemed to have failed or refused to file a return and is subject to the procedures provided in RCW 82.32.100 and to the penalties provided in RCW 82.32.090. The above authority to refuse to accept a return may not apply when a return is timely filed electronically and a timely payment has been made by electronic funds transfer or other form of electronic payment as authorized by the department.

(7) Except for returns and remittances required to be transmitted to the department electronically under this section and except as otherwise provided in this chapter, a return or remittance that is transmitted to the department by United States mail is deemed filed or received on the date shown by the post office cancellation mark stamped upon the envelope containing it. A return or
remittance that is transmitted to the department electronically is deemed filed or received according to procedures set forth by the department.

(8)(a) For purposes of subsections (2) and (3) of this section, "good cause" means the inability of a taxpayer to comply with the requirements of subsection (2) or (3) of this section because:

(i) The taxpayer does not have the equipment or software necessary to enable the taxpayer to comply with subsection (2) or (3) of this section;
(ii) The equipment or software necessary to enable the taxpayer to comply with subsection (2) or (3) of this section is not functioning properly;
(iii) The taxpayer does not have access to the internet using the taxpayer's own equipment;
(iv) The taxpayer does not have a bank account or a credit card;
(v) The taxpayer's bank is unable to send or receive electronic funds transfer transactions; or
(vi) Some other circumstance or condition exists that, in the department's judgment, prevents the taxpayer from complying with the requirements of subsection (2) or (3) of this section.

(b) "Good cause" also includes any circumstance that, in the department's judgment, supports the efficient or effective administration of the tax laws of this state, including providing relief from the requirements of subsection (2) or (3) of this section to any taxpayer that is voluntarily collecting and remitting this state's sales or use taxes on sales to Washington customers but has no legal requirement to be registered with the department.

Sec. 227. RCW 82.32.440 and 2001 c 116 s 2 are each amended to read as follows:

(1) The department is authorized to enter into agreements with sellers who meet the criteria in this section for a project on sales and use tax exemption requirements. This project will allow the use of electronic data collection in lieu of paper certificates otherwise required by law, including the use of electronic signatures.

(2) The object of the project is to determine whether using an electronic system and reviewing the data regarding the exempt transactions provides the same level of reliability as the current system while lessening the burden on the seller.

(3) A business making both sales taxable and exempt under chapter 82.08 or 82.12 RCW, that has electronic data-collecting capabilities, and that wishes to participate in the project may make application to the department in such form and manner as the department may require. To be eligible for such participation, a seller must demonstrate its capability to take part in the project and to provide data to the department in a form in which the data can be used by the department. The department is not required to accept all applicants in this project and is not required to provide any reason for not selecting a participant. A seller selected as a participant may be relieved of other sales and use tax exemption documentation requirements provided by law as covered by the project((, and will be relieved of the good faith requirement under RCW 82.08.050 to the extent that it has made available to the department the data required by the project)).

merely provided the digital transfer of the product sold)) sale is sourced as provided in RCW 82.32.730(1)(e):

(4) The definitions in this subsection apply throughout this chapter.

(a) "Air-ground radiotelephone service" means air-ground radio service, as defined in 47 C.F.R. Sec. 22.99, as amended or renumbered as of January 1, 2003, in which common carriers are authorized to offer and provide radio telecommunications service for hire to subscribers in aircraft.

If the end user of telecommunications services is not the contracting party, the end user of the telecommunications service is the customer of the telecommunications service. "Customer" does not include a reseller of telecommunications service or for mobile telecommunications service of a serving carrier under an agreement to serve the customer outside the home service provider's licensed service area.

(e) "Customer channel termination point" means the location where the customer either inputs or receives the communications.

A postpaid calling service includes a telecommunications service, except a prepaid wireless calling service, that would be a prepaid calling service except it is not exclusively a telecommunications service.

(k) "Prepaid calling service" means the right to access exclusively telecommunications services, which must be paid for in advance and which enables the origination of calls using an access number and/or authorization code, whether manually or electronically dialed, and that is sold in predetermined units or dollars of which the number declines with use in a known amount.

Sec. 229. RCW 82.32.730 and 2009 c 535 s 704 and 2009 c 289 s 1 are each reenacted and amended to read as follows:

(1) Except as provided in subsections (5) through (8) of this section, for purposes of collecting or paying sales or use taxes to the appropriate jurisdictions, all sales at retail shall be sourced in accordance with this subsection and subsections (2) through (4) of this section.

(a) When tangible personal property, an extended warranty, a digital good, digital code, digital automated service, or other service defined as a retail sale
under RCW 82.04.050 is received by the purchaser at a business location of the
seller, the sale is sourced to that business location.

(b) When the tangible personal property, extended warranty, digital good,
digital code, digital automated service, or other service defined as a retail sale
under RCW 82.04.050 is not received by the purchaser at a business location of
the seller, the sale is sourced to the location where receipt by the purchaser or the
purchaser's donee, designated as such by the purchaser, occurs, including the
location indicated by instructions for delivery to the purchaser or donee, known
to the seller.

(c) When (a) and (b) of this subsection do not apply, the sale is sourced to
the location indicated by an address for the purchaser that is available from the
business records of the seller that are maintained in the ordinary course of the
seller's business when use of this address does not constitute bad faith.

(d) When (a), (b), and (c) of this subsection do not apply, the sale is sourced
to the location indicated by an address for the purchaser obtained during the
consummation of the sale, including the address of a purchaser's payment
instrument, if no other address is available, when use of this address does not
constitute bad faith.

(e) When (a), (b), (c), or (d) of this subsection do not apply, including the
circumstance where the seller is without sufficient information to apply those
provisions, then the location shall be determined by the address from which
tangible personal property was shipped, from which the digital good or digital
code or the computer software delivered electronically was first available for
transmission by the seller, or from which the extended warranty or digital
automated service or other service defined as a retail sale under RCW 82.04.050
was provided, disregarding for these purposes any location that merely provided
the digital transfer of the product sold.

(2) The lease or rental of tangible personal property, other than property
identified in subsection (3) or (4) of this section, shall be sourced as provided in
this subsection.

(a) For a lease or rental that requires recurring periodic payments, the first
periodic payment is sourced the same as a retail sale in accordance with
subsection (1) of this section. Periodic payments made subsequent to the first
payment are sourced to the primary property location for each period covered by
the payment. The primary property location shall be as indicated by an address
for the property provided by the lessee that is available to the lessor from its
records maintained in the ordinary course of business, when use of this address
does not constitute bad faith. The property location is not altered by intermittent
use at different locations, such as use of business property that accompanies
employees on business trips and service calls.

(b) For a lease or rental that does not require recurring periodic payments,
the payment is sourced the same as a retail sale in accordance with subsection
(1) of this section.

(c) This subsection (2) does not affect the imposition or computation of
sales or use tax on leases or rentals based on a lump sum or accelerated basis, or
on the acquisition of property for lease.

(3) The lease or rental of motor vehicles, trailers, semitrailers, or aircraft
that do not qualify as transportation equipment shall be sourced as provided in
this subsection.
(a) For a lease or rental that requires recurring periodic payments, each periodic payment is sourced to the primary property location. The primary property location is as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. This location is not altered by intermittent use at different locations.

(b) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with subsection (1) of this section.

(c) This subsection does not affect the imposition or computation of sales or use tax on leases or rentals based on a lump sum or accelerated basis, or on the acquisition of property for lease.

(4) The retail sale, including lease or rental, of transportation equipment shall be sourced the same as a retail sale in accordance with subsection (1) of this section.

(5) This subsection applies to direct mail transactions not governed by subsection (6) of this section. A purchaser of direct mail that is not a holder of a direct pay permit shall provide to the seller in conjunction with the purchase either a direct mail form or information that shows the jurisdictions to which the direct mail is delivered to recipients.

(i) Upon receipt of the direct mail form, the seller is relieved of all obligations to collect, pay, or remit the applicable tax and the purchaser is obligated to pay or remit the applicable tax on a direct pay basis. A direct mail form shall remain in effect for all future sales of direct mail by the seller to the purchaser until it is revoked in writing.

(ii) Upon receipt of information from the purchaser showing the jurisdictions to which the direct mail is delivered to recipients, the seller shall collect the tax according to the delivery information provided by the purchaser. In the absence of bad faith, the seller is relieved of any further obligation to collect tax on any transaction where the seller has collected tax pursuant to the delivery information provided by the purchaser.

(b) If the purchaser of direct mail does not have a direct pay permit and does not provide the seller with either a direct mail form or delivery information as required by (a) of this subsection, the seller shall collect the tax according to subsection (1)(e) of this section. This subsection does not limit a purchaser's obligation for sales or use tax to any state to which the direct mail is delivered.

(c) If a purchaser of direct mail provides the seller with documentation of direct pay authority, the purchaser is not required to provide a direct mail form or delivery information to the seller.

(a) This subsection (5)(a) applies to sales of advertising and promotional direct mail.

(i) A purchaser of advertising and promotional direct mail may provide the seller with either:

(A) A direct pay permit;

(B) A streamlined sales and use tax agreement certificate of exemption claiming direct mail (or other written statement approved, authorized, or accepted by the department); or

(C) Information showing the jurisdictions to which the advertising and promotional direct mail is to be delivered to recipients.
(ii) If the purchaser provides the permit, certificate, or statement referred to in (a)(i)(A) or (B) of this subsection (5), the seller, in the absence of bad faith, is relieved of all obligations to collect, pay, or remit any tax on any transaction involving advertising and promotional direct mail to which the permit, certificate, or statement applies. The purchaser must source the sale to the jurisdictions to which the advertising and promotional direct mail is to be delivered to the recipients and must report and pay any applicable tax due.

(iii) If the purchaser provides the seller information showing the jurisdictions to which the advertising and promotional direct mail is to be delivered to recipients, the seller must source the sale to the jurisdictions to which the advertising and promotional direct mail is to be delivered and must collect and remit the applicable tax. In the absence of bad faith, the seller is relieved of any further obligation to collect any additional tax on the sale of advertising and promotional direct mail where the seller has sourced the sale according to the delivery information provided by the purchaser.

(iv) If the purchaser does not provide the seller with any of the items listed in (a)(i)(A), (B), or (C) of this subsection (5), the sale must be sourced according to subsection (1)(e) of this section.

(b) This subsection (5)(b) applies to sales of other direct mail.

(i) Except as otherwise provided in this subsection (5)(b), sales of other direct mail are sourced in accordance with subsection (1)(c) of this section.

(ii) A purchaser of other direct mail may provide the seller with either:

(A) A direct pay permit; or

(B) A streamlined sales and use tax agreement certificate of exemption claiming direct mail (or other written statement approved, authorized, or accepted by the department).

(iii) If the purchaser provides the permit, certificate, or statement referred to in (b)(ii)(A) or (B) of this subsection (5), the seller, in the absence of bad faith, is relieved of all obligations to collect, pay, or remit any tax on any transaction involving other direct mail to which the permit, certificate, or statement applies. Notwithstanding (b)(i) of this subsection (5), the sale must be sourced to the jurisdictions to which the other direct mail is to be delivered to the recipients, and the purchaser must report and pay any applicable tax due.

(b) If any property in the decedent's estate is located outside of Washington, the amount of tax is the amount determined in (a) of this subsection multiplied by a fraction. The numerator of the fraction is the value of the property located in Washington. The denominator of the fraction is the value of the decedent's
gross estate. Property qualifying for a deduction under RCW 83.100.046 shall be excluded from the numerator and denominator of the fraction.

(3) The tax imposed under this section is a stand-alone estate tax that incorporates only those provisions of the internal revenue code as amended or renumbered as of January 1, 2005, that do not conflict with the provisions of this chapter. The tax imposed under this chapter is independent of any federal estate tax obligation and is not affected by termination of the federal estate tax.

Sec. 235. RCW 83.100.046 and 2005 c 514 s 1201 are each amended to read as follows:

(1) For the purposes of determining the Washington taxable estate, a deduction is allowed from the federal taxable estate for:

(a) The value of qualified real property reduced by any amounts allowable as a deduction in respect of the qualified real property and tangible personal property under 26 U.S.C. Sec. 2053(a)(4) of the federal internal revenue code, if the decedent was at the time of his or her death a citizen or resident of the United States.

(b) The value of any tangible personal property used by the decedent or a member of the decedent's family for a qualified use on the date of the decedent's death, reduced by any amounts allowable as a deduction in respect of the tangible personal property under 26 U.S.C. Sec. 2053(a)(4) of the federal internal revenue code, if all of the requirements of subsection (10)(f)(i)(A) of this section are met and the decedent was at the time of his or her death a citizen or resident of the United States.

(c) The value of real property that is not deductible under (a) of this subsection solely by reason of subsection (10)(f)(i)(B) of this section, reduced by any amounts allowable as a deduction in respect of the real property under 26 U.S.C. Sec. 2053(a)(4) of the federal internal revenue code, if the requirements of subsection (10)(f)(i)(C) of this section are met with respect to the property and the decedent was at the time of his or her death a citizen or resident of the United States.

(2) Property shall be considered to have been acquired from or to have passed from the decedent if:

(a) The property is so considered under 26 U.S.C. Sec. 1014(b) of the federal internal revenue code;

(b) The property is acquired by any person from the estate; or

(c) The property is acquired by any person from a trust, to the extent the property is includible in the gross estate of the decedent.

(3) If the decedent and the decedent's surviving spouse at any time held qualified real property as community property, the interest of the surviving spouse in the property shall be taken into account under this section to the extent necessary to provide a result under this section with respect to the property which is consistent with the result which would have obtained under this section if the property had not been community property.

(4) In the case of any qualified woodland, the value of trees growing on the woodland may be deducted if otherwise qualified under this section.

(5) If property is qualified real property with respect to a decedent, hereinafter in this subsection referred to as the 'first decedent,' and the property was acquired from or passed from the first decedent to the surviving spouse of the first decedent, active management of the farm by the surviving spouse.
((shall)) must be treated as material participation by the surviving spouse in the operation of the farm.

(6) Property owned indirectly by the decedent may qualify for a deduction under this section if owned through an interest in a corporation, partnership, or trust as the terms corporation, partnership, or trust are used in ((section)) 26 U.S.C. Sec. 2032A(g) of the federal internal revenue code. In order to qualify for a deduction under this subsection, the interest, in addition to meeting the other tests for qualification under this section, must qualify under ((section)) 26 U.S.C. Sec. 6166(b)(1) of the federal internal revenue code as an interest in a closely held business on the date of the decedent's death and for sufficient other time, combined with periods of direct ownership, to equal at least five years of the eight-year period preceding the death.

(7)(a) If, on the date of the decedent's death, the requirements of subsection (10)(f)(i)(C)(II) of this section with respect to the decedent for any property are not met, and the decedent (i) was receiving old age benefits under Title II of the social security act for a continuous period ending on such date, or (ii) was disabled for a continuous period ending on this date, then subsection (10)(f)(i)(C)(II) of this section ((shall)) must be applied with respect to the property by substituting "the date on which the longer of such continuous periods began" for "the date of the decedent's death" in subsection (10)(f)(i)(C) of this section.

(b) For the purposes of (a) of this subsection, an individual ((shall be)) is disabled if the individual has a mental or physical impairment which renders that individual unable to materially participate in the operation of the farm.

(8) Property may be deducted under this section whether or not special valuation is elected under ((section)) 26 U.S.C. Sec. 2032A of the federal internal revenue code on the federal return. For the purposes of determining the deduction under this section, the value of property is its value as used to determine the value of the gross estate.

(9)(a) In the case of any qualified replacement property, any period during which there was ownership, qualified use, or material participation with respect to the replaced property by the decedent or any member of the decedent's family ((shall)) must be treated as a period during which there was ownership, use, or material participation, as the case may be, with respect to the qualified replacement property.

(b) Subsection (9)(a) of this section ((shall)) does not apply to the extent that the fair market value of the qualified replacement property, as of the date of its acquisition, exceeds the fair market value of the replaced property, as of the date of its disposition.

(c) For the purposes of this subsection (9), the following definitions apply:

(i)(A) "Qualified replacement property" means any real property:

Sec. 2032A(g) of the federal internal revenue code. In order to qualify for a deduction under this subsection, the interest, in addition to meeting the other tests for qualification under this section, must qualify under ((section)) 26 U.S.C. Sec. 6166(b)(1) of the federal internal revenue code as an interest in a closely held business on the date of the decedent's death and for sufficient other time, combined with periods of direct ownership, to equal at least five years of the eight-year period preceding the death.

(7)(a) If, on the date of the decedent's death, the requirements of subsection (10)(f)(i)(C)(II) of this section with respect to the decedent for any property are not met, and the decedent (i) was receiving old age benefits under Title II of the social security act for a continuous period ending on such date, or (ii) was disabled for a continuous period ending on this date, then subsection (10)(f)(i)(C)(II) of this section ((shall)) must be applied with respect to the property by substituting "the date on which the longer of such continuous
periods began" for "the date of the decedent's death" in subsection (10)(f)(i)(C) of this section.

(b) For the purposes of (a) of this subsection, an individual ((shall be)) is disabled if the individual has a mental or physical impairment which renders that individual unable to materially participate in the operation of the farm.

(8) Property may be deducted under this section whether or not special valuation is elected under ((section)) 26 U.S.C. Sec. 2032A of the federal internal revenue code on the federal return. For the purposes of determining the deduction under this section, the value of property is its value as used to determine the value of the gross estate.

(9)(a) In the case of any qualified replacement property, any period during which there was ownership, qualified use, or material participation with respect to the replaced property by the decedent or any member of the decedent's family ((shall)) must be treated as a period during which there was ownership, use, or material participation, as the case may be, with respect to the qualified replacement property.

(b) Subsection (9)(a) of this section ((shall)) does not apply to the extent that the fair market value of the qualified replacement property, as of the date of its acquisition, exceeds the fair market value of the replaced property, as of the date of its disposition.

(c) For the purposes of this subsection (9), the following definitions apply:

(i)(A) "Qualified replacement property" means any real property:

((A)) (I) Which is acquired in an exchange which qualifies under ((section)) 26 U.S.C. Sec. 1031 of the federal internal revenue code; or

((B)) (II) The acquisition of which results in the nonrecognition of gain under ((section)) 26 U.S.C. Sec. 1033 of the federal internal revenue code.

(B) The term "qualified replacement property" only includes property which is used for the same qualified use as the replaced property was being used before the exchange.

(ii) "Replaced property" means the property was:

(A) Transferred in the exchange which qualifies under ((section)) 26 U.S.C. Sec. 1031 of the federal internal revenue code; or

(B) Compulsorily or involuntarily converted within the meaning of ((section)) 26 U.S.C. Sec. 1033 of the federal internal revenue code.

(10) For the purposes of this section, the following definitions apply:

(iii)(A) The planting, cultivating, caring for, or cutting of trees; or
(B) The preparation, other than milling, of trees for market.

(d)(i) "Member of the family" means, with respect to any individual, only:

or state registered domestic partner, or of a parent of the individual; or

descendant described in (d)((iii)(1)(C)) of this subsection.

(ii) For the purposes of this subsection (10)(d), a legally adopted child of an
individual  must be treated as the child of such individual by blood.

(e) "Qualified heir" means, with respect to any property, a member of the
decedent's family who acquired property, or to whom property passed, from the
decedent.

(f)(i) "Qualified real property" means real property which was acquired
from or passed from the decedent to a qualified heir of the decedent and which,
on the date of the decedent's death, was being used for a qualified use by the
decedent or a member of the decedent's family, but only if:

(A) Fifty percent or more of the adjusted value of the gross estate consists of
the adjusted value of real or personal property which:

(I) On the date of the decedent's death, was being used for a qualified use by
the decedent or a member of the decedent's family; and

(II) Was acquired from or passed from the decedent to a qualified heir of the

the decedent's family; and

(II) There was material participation by the decedent or a member of the
decedent's family in the operation of the farm. For the purposes of this
subsection (f)(i)(C)(II), material participation  must be determined in a
manner similar to the manner used for purposes of ((section) 26 U.S.C. Sec.
1402(a)(1) of the federal internal revenue code.

(ii) For the purposes of this subsection, the term "adjusted value" means:

revenue code; or

(B) In the case of any real or personal property, the value of the property for
purposes of chapter 11 of the federal internal revenue code, determined without
regard to any special valuation under ((section) 26 U.S.C. Sec. 2032A of the

in respect of such property under ((section) 26 U.S.C. Sec. 2053(a)(4) of the
federal internal revenue code.

Sec. 302. RCW 36.68.525 and 1994 c 156 s 5 are each amended to read as follows:

A park and recreation service area may impose regular property tax levies in an amount equal to sixty cents or less per thousand dollars of assessed value of property in the service area in each year for six consecutive years when
specifically authorized so to do by a majority of at least three-fifths of the voters thereof approving a proposition authorizing the levies submitted not more than twelve months prior to the date on which the proposed initial levy is to be made and not oftener than twice in such twelve month period, either at a special election or at the regular election of the service area, at which election the number of voters voting "yes" on the proposition ((shall)) must constitute three-fifths of a number equal to forty percent of the number of voters voting in the service area at the last preceding general election when the number of voters voting on the proposition does not exceed forty percent of the number of voters voting in such taxing district in the last preceding general election; or by a majority of at least three-fifths of the voters thereof voting on the proposition if the number of voters voting on the proposition exceeds forty per centum of the number of voters voting in such taxing district in the last preceding general election. A proposition authorizing such tax levies ((shall)) may not be submitted by a park and recreation service area more than twice in any twelve-month period. Ballot propositions ((shall)) must conform with RCW ((29.30.111)) 29A.36.210. If a park and recreation service area is levying property taxes, which in combination with property taxes levied by other taxing districts result in taxes in excess of the ((nine dollar and fifteen cents per thousand dollars of assessed valuation)) limitation provided for in RCW 84.52.043(2), the park and recreation service area property tax levy ((shall)) must be reduced or eliminated ((before the property tax levies of other taxing districts are reduced)) as provided in RCW 84.52.010.

Sec. 303. RCW 36.69.145 and 1994 c 156 s 3 are each amended to read as follows:

(1) A park and recreation district may impose regular property tax levies in an amount equal to sixty cents or less per thousand dollars of assessed value of property in the district in each year for six consecutive years when specifically authorized so to do by a majority of at least three-fifths of the voters thereof approving a proposition authorizing the levies submitted at a special election or at the regular election of the district, at which election the number of voters voting "yes" on the proposition ((shall)) must constitute three-fifths of a number equal to forty per centum of the number of voters voting in such district at the last preceding general election when the number of voters voting on the proposition does not exceed forty per centum of the number of voters voting in such taxing district in the last preceding general election; or by a majority of at least three-fifths of the voters thereof voting on the proposition if the number of voters voting on the proposition exceeds forty per centum of the number of voters voting in such taxing district in the last preceding general election. A proposition authorizing the tax levies ((shall)) may not be submitted by a park and recreation district more than twice in any twelve-month period. Ballot propositions ((shall)) must conform with RCW ((29.30.111)) 29A.36.210. In the event a park and recreation district is levying property taxes, which in combination with property taxes levied by other taxing districts subject to the one percent limitation provided for in Article 7, section 2, of our state Constitution result in taxes in excess of the limitation provided for in RCW 84.52.043(2), the park and recreation district property tax levy ((shall)) must be reduced or eliminated ((before the property tax levies of other taxing districts are reduced)) as provided in RCW 84.52.010.
(2) The limitation in RCW 84.55.010 (shall) does not apply to the first levy imposed under this section following the approval of the levies by the voters under subsection (1) of this section.

**Sec. 306.** RCW 84.36.381 and 2008 c 6 s 706 are each amended to read as follows:

A person ((shall be)) is exempt from any legal obligation to pay all or a portion of the amount of excess and regular real property taxes due and payable in the year following the year in which a claim is filed, and thereafter, in accordance with the following:

1. The property taxes must have been imposed upon a residence which was occupied by the person claiming the exemption as a principal place of residence as of the time of filing((: PROVIDED, That)). However, any person who sells, transfers, or is displaced from his or her residence may transfer his or her exemption status to a replacement residence, but no claimant ((shall)) may receive an exemption on more than one residence in any year((: PROVIDED FURTHER, That)). Moreover, confinement of the person to a hospital, nursing home, boarding home, or adult family home ((shall)) does not disqualify the claim of exemption if:
   - The residence is temporarily unoccupied;
   - The residence is occupied by a spouse or a domestic partner and/or a person financially dependent on the claimant for support;
   - The residence is rented for the purpose of paying nursing home, hospital, boarding home, or adult family home costs;

2. The person claiming the exemption must have owned, at the time of filing, in fee, as a life estate, or by contract purchase, the residence on which the property taxes have been imposed or if the person claiming the exemption lives in a cooperative housing association, corporation, or partnership, such person must own a share therein representing the unit or portion of the structure in which he or she resides. For purposes of this subsection, a residence owned by a marital community or state registered domestic partnership or owned by cotenants ((shall)) is deemed to be owned by each spouse or each domestic partner or each cotenant, and any lease for life ((shall)) is deemed a life estate;

3. The person claiming the exemption must be (a) sixty-one years of age or older on December 31st of the year in which the exemption claim is filed, or must have been, at the time of filing, retired from regular gainful employment by reason of disability, or (b) a veteran of the armed forces of the United States with one hundred percent service-connected disability as provided in 42 U.S.C. Sec. 423 (d)(1)(A) as amended prior to January 1, 2005, or such subsequent date as the department may provide by rule consistent with the purpose of this section. However, any surviving spouse or surviving domestic partner of a person who was receiving an exemption at the time of the person's death ((shall)) will qualify if the surviving spouse or surviving domestic partner is fifty-seven years of age or older and otherwise meets the requirements of this section;

4. The amount that the person ((shall)) is exempt from an obligation to pay ((shall)) is calculated on the basis of combined disposable income, as defined in RCW 84.36.383. If the person claiming the exemption was retired for two months or more of the assessment year, the combined disposable income of such person ((shall)) must be calculated by multiplying the average monthly combined disposable income of such person during the months such person was retired by twelve. If the income of the person claiming exemption is reduced for
two or more months of the assessment year by reason of the death of the person's spouse or the person's domestic partner, or when other substantial changes occur in disposable income that are likely to continue for an indefinite period of time, the combined disposable income of such person ((shall be)) must be calculated by multiplying the average monthly combined disposable income of such person after such occurrences by twelve. If it is necessary to estimate income to comply with this subsection, the assessor may require confirming documentation of such income prior to May 31 of the year following application;

(5)(a) A person who otherwise qualifies under this section and has a combined disposable income of thirty-five thousand dollars or less ((shall be)) is exempt from all excess property taxes; and

(b)(i) A person who otherwise qualifies under this section and has a combined disposable income of thirty thousand dollars or less but greater than twenty-five thousand dollars ((shall be)) is exempt from all regular property taxes on the greater of fifty thousand dollars or thirty-five percent of the valuation of his or her residence, but not to exceed seventy thousand dollars of the valuation of his or her residence; or

(ii) A person who otherwise qualifies under this section and has a combined disposable income of twenty-five thousand dollars or less ((shall be)) is exempt from all regular property taxes on the greater of sixty thousand dollars or sixty percent of the valuation of his or her residence;

(6)(a) For a person who otherwise qualifies under this section and has a combined disposable income of thirty-five thousand dollars or less, the valuation of the residence ((shall be)) is the assessed value of the residence on the later of January 1, 1995, or January 1st of the assessment year the person first qualifies under this section. If the person subsequently fails to qualify under this section only for one year because of high income, this same valuation ((shall be)) must be used upon requalification. If the person fails to qualify for more than one year in succession because of high income or fails to qualify for any other reason, the valuation upon requalification ((shall be)) is the assessed value on January 1st of the assessment year in which the person requalifies. If the person transfers the exemption under this section to a different residence, the valuation of the different residence ((shall be)) is the assessed value of the different residence on January 1st of the assessment year in which the person transfers the exemption.

(b) In no event may the valuation under this subsection be greater than the true and fair value of the residence on January 1st of the assessment year.

(c) This subsection does not apply to subsequent improvements to the property in the year in which the improvements are made. Subsequent improvements to the property ((shall)) must be added to the value otherwise determined under this subsection at their true and fair value in the year in which they are made.

(e) Military pay and benefits other than attendant-care and medical-aid payments;

(7) "Disability" has the same meaning as provided in 42 U.S.C. Sec. 423(d)(1)(A) as amended prior to January 1, 2005, or such subsequent date as the department may provide by rule consistent with the purpose of this section.

Sec. 308. RCW 84.36.385 and 2001 c 185 s 8 are each amended to read as follows:

(1) A claim for exemption under RCW 84.36.381 as now or hereafter amended, may be made and filed at any time during the year for exemption from taxes payable the following year and thereafter and solely upon forms as prescribed and furnished by the department of revenue. However, an exemption from tax under RCW 84.36.381 continues for no more than six years unless a renewal application is filed as provided in subsection (3) of this section. The county assessor may also require, by written notice, a renewal application following an amendment of the income requirements set forth in RCW 84.36.381. Renewal applications must be on forms prescribed and furnished by the department of revenue.

(2) A person granted an exemption under RCW 84.36.381 must inform the county assessor of any change in status affecting the person's entitlement to the exemption on forms prescribed and furnished by the department of revenue.

(3) Each person exempt from taxes under RCW 84.36.381 in 1993 and thereafter, must file with the county assessor a renewal application not later than December 31 of the year the assessor notifies such person of the requirement to file the renewal application.

(4) Beginning in 1992 and in each of the three succeeding years, the county assessor must notify approximately one-fourth of those persons exempt from taxes under RCW 84.36.381 in the current year who have not filed a renewal application within the previous four years, of the requirement to file a renewal application.

(5) If the assessor finds that the applicant does not meet the qualifications as set forth in RCW 84.36.381, as now or hereafter amended, the claim or exemption must be denied but such denial is subject to appeal under the provisions of RCW 84.40.038. If the applicant had received exemption in prior years based on erroneous information, the taxes must be collected subject to penalties as provided in RCW 84.40.130 for a period of not to exceed five years.

(6) The department and each local assessor is hereby directed to publicize the qualifications and manner of making claims under RCW 84.36.381 through communications media, including such paid advertisements or notices as it deems appropriate. Notice of the qualifications, method of making applications, the penalties for not reporting a change in status, and availability of further information must be included on or with property...
tax statements and revaluation notices for all residential property including mobile homes, except rental properties.

**Sec. 309.** RCW 84.37.030 and 2007 sp.s. c 2 s 2 are each amended to read as follows:

A claimant may defer payment of fifty percent of special assessments or real property taxes, or both, listed on the annual tax statement in any year in which all of the following conditions are met:

1. The special assessments or property taxes must be imposed upon a residence that was occupied by the claimant as a principal place of residence as of January 1st of the year in which the assessments and taxes are due, subject to the exceptions allowed under RCW 84.36.381(1);
2. The claimant must have combined disposable income, as defined in RCW 84.36.383, of fifty-seven thousand dollars or less in the calendar year preceding the filing of the declaration;
3. The claimant must have paid one-half of the total amount of special assessments and property taxes listed on the annual tax statement for the year in which the deferral claim is made;
4. A deferral is not allowed for special assessments (or property taxes, or both, levied for collection in the first five calendar years in which the person owns the residence;
5. The claimant who defers payment of special assessments or real property taxes, or both, listed on the annual tax statement under this section must also meet the conditions of RCW 84.38.030 (4) and (5);
6. The total amount deferred by a claimant under this chapter must not exceed forty percent of the amount of the claimant's equity value in the claimant's residence; and
7. The claimant may not defer taxes under both this chapter and chapter 84.38 RCW.

**Sec. 310.** RCW 84.37.902 and 2007 sp.s. c 2 s 13 are each amended to read as follows:

1. ((During calendar year 2011, the joint legislative audit and review committee shall review the property tax deferral program under chapter 84.37 RCW.) Pursuant to chapter 43.136 RCW, the citizen commission for performance measurement of tax preferences must schedule the property tax deferral program under this chapter for a tax preference review by the joint legislative audit and review committee in 2011. The department of revenue and county assessors ((shall)) must provide the committee with any data within its purview that the committee considers necessary to conduct the review. ((By December 1, 2011, the joint legislative audit and review committee shall report to the legislature the results of its review.))
2. ((As part of its review under subsection (1) of this section)) In addition to the factors in RCW 43.136.055(1), the committee ((shall)) must also study and report on:
   a. The effectiveness of the property tax deferral program in assisting families in economic distress in remaining in their homes;
(b) The effectiveness of the property tax deferral program in decreasing the default rate on residential mortgages for the statewide population within the income threshold of the program;

c) The number of potential participants per thousand population by geographic region;

d) The ratio of actual deferral program participants to potential deferral program participants by geographic region;

e) The ratio of average annual household property taxes for deferral program participants and average annual income of deferral program participants by geographic region;

(f) Economic conditions in the housing and lending markets for the prior three years and the forecasted economic conditions for the current biennium and the next succeeding biennium;

g) Annual costs specific to the administration of the deferral program; and

(h) Total annual costs of the deferral program((;

(i) Recommended changes to the deferral program that would increase program participation;

(j) Any other recommendations the committee may have to improve the deferral program; and

(3) This section expires January 1, 2012.

Sec. 311. RCW 84.48.050 and 1995 c 134 s 15 are each amended to read as follows:

(1) The county assessor ((shall)) must, on or before the fifteenth day of January in each year, ((make out and transmit to the state auditor, in such form as may be prescribed,)) prepare a complete abstract of the tax rolls of the county, showing the number of acres that have been assessed and the total value of the real property, including the structures on the real property; the total value of all taxable personal property in the county; the aggregate amount of all taxable property in the county; the total amount as equalized and the total amount of taxes levied in the county for state, county, city, and other taxing district purposes, for that year. ((Should the))

(2) If an assessor of any county fails to transmit to the department of revenue the abstract provided for in RCW 84.48.010, and if((by reason of such failure to transmit such abstract, any)) a county ((shall)) fail to collect and pay to the state its due proportion of the state tax for any year because of that failure, the department of revenue ((shall)) must ascertain what amount of state tax ((said)) the county ((has)) failed to collect((, and)). The department must certify ((the same)) to the ((state)) county auditor((, who shall charge the amount to the proper county and notify the auditor of said county of the amount of said charge; said)) the amount of state tax the county failed to collect. This sum ((shall be)) is due and payable immediately by warrant in favor of the state on the current expense fund of ((said)) the county.

Sec. 312. RCW 84.52.030 and 1994 c 124 s 38 are each amended to read as follows:

For the purpose of raising revenue for state, county, and other taxing district purposes, the county legislative authority of each county ((at its October
and all other officials or boards authorized by law to levy taxes for taxing district purposes, (shall) must levy taxes on all the taxable property in the county or district, as the case may be, sufficient for such purposes, and within the limitations permitted by law.

Sec. 313. RCW 84.52.070 and 1994 c 81 s 86 are each amended to read as follows:

(1) It (shall be) is the duty of the county legislative authority of each county, on or before the thirtieth day of November in each year, to certify to the county assessor (of the county) the amount of taxes levied upon the property in the county for county purposes, and the respective amounts of taxes levied by the board for each taxing district, within or coextensive with the county, for district purposes.

(2) It (shall be) is the duty of the council of each city having a population of three hundred thousand or more, and of the council of each town, and of all officials or boards of taxing districts within or coextensive with the county, authorized by law to levy taxes directly and not through the county legislative authority, on or before the thirtieth day of November in each year, to certify to the county assessor (of the county) the amount of taxes levied upon the property within the city, town, or district for city, town, or district purposes.

(3) If a levy amount is not certified to the county assessor (by) after the thirtieth day of November, the county assessor (shall) may use no more than the certified levy amount for the previous year for the taxing district. This subsection (3) does not apply to the state levy or when the assessor has not certified assessed values as required by RCW 84.48.130 at least twelve working days prior to November 30th.

Sec. 314. RCW 84.52.080 and 1989 c 378 s 16 are each amended to read as follows:

(1) The county assessor (shall) must extend the taxes upon the tax rolls in the form (herein) prescribed in this section. The rate percent necessary to raise the amounts of taxes levied for state and county purposes, and for purposes of taxing districts coextensive with the county, (shall) must be computed upon the assessed value of the property of the county. The rate percent necessary to raise the amount of taxes levied for any taxing district within the county (shall) must be computed upon the assessed value of the property of the district. All taxes assessed against any property (shall) must be added together and extended on the rolls in a column headed consolidated or total tax. In extending any tax, whenever (it) the tax amounts to a fractional part of a cent greater than five mills (one-half of a cent) (shall) must be (made) rounded up to one cent, and whenever it amounts to five mills or less (than five mills) (shall) must be dropped. The amount of all taxes (shall) must be entered in the proper columns, as shown by entering the rate percent necessary to raise the consolidated or total tax and the total tax assessed against the property.

(2) For the purpose of computing the rate necessary to raise the amount of any excess levy in a taxing district (which has classified or designated forest land under chapter 84.33 RCW) entitled to a distribution under RCW 84.33.081, other than the state, the county assessor (shall) must add the district's timber assessed value, as defined in RCW 84.33.035, to the assessed
value of the property. However, for school districts maintenance and operations levies, only one-half of the district's timber assessed value or eighty percent of the timber roll of the district in calendar year 1983 as determined under chapter 84.33 RCW, whichever is greater, must be added to the assessed value of the property.

(3) Upon the completion of such tax extension, it is the duty of the county assessor to make in each assessment book, tax roll or list a certificate in the following form:

I, . . . . . . , assessor of . . . . county, state of Washington, do hereby certify that the foregoing is a correct list of taxes levied on the real and personal property in the county of . . . . for the year (one) two thousand nine hundred and . . . . .

(4) The county assessor shall deliver the tax rolls to the county treasurer, on or before the fifteenth day of January, taking a receipt from the treasurer. At the same time, the county assessor shall provide the county auditor with an abstract of the tax rolls showing the total amount of taxes collectible in each of the taxing districts.

NEW SECTION. Sec. 315. RCW 84.55.080 (Adjustment to tax limitation) and 2006 c 184 s 5 & 1982 1st ex.s. c 42 s 12 are each repealed.

(b) For the purposes of this section:

(i) "Commercial operation" means the same as "commencement of commercial production" as used in RCW 82.08.965.

(ii) "Semiconductor microchip fabrication" means "manufacturing semiconductor microchips" as defined in RCW 82.04.426.

(iii) "Significant" means the combined investment of new buildings and new machinery and equipment in the buildings, at the commencement of commercial production, will be at least one billion dollars.

(2) Chapter 149, Laws of 2003 takes effect the first day of the month in which a contract for the construction of a significant semiconductor fabrication facility is signed, as determined by the director of the department of revenue.

(3)(a) The department of revenue must provide notice of the effective date of this act to affected taxpayers, the legislature, and others as deemed appropriate by the department.

(b) If, after making a determination that a contract has been signed and chapter 149, Laws of 2003 is effective, the department discovers that
commencement of commercial production did not take place within three years of the date the contract was signed, the department must make a determination that chapter 149, Laws of 2003 is no longer effective, and all taxes that would have been otherwise due are deemed deferred taxes and are immediately assessed and payable from any person reporting tax under RCW 82.04.240(2) or claiming an exemption or credit under section 2 or 5 through 10, chapter 149, Laws of 2003. The department is not authorized to make a second determination regarding the effective date of chapter 149, Laws of 2003.

Passed by the House February 16, 2010.
Passed by the Senate March 9, 2010.
Approved by the Governor March 18, 2010.
Filed in Office of Secretary of State March 18, 2010.
NEW SECTION. Sec. 1. (1) The legislature recognizes that Engrossed Substitute House Bill No. 1933, enacted as chapter 321, Laws of 2003, modified the relationship between the shoreline management act and the growth management act. The legislature recognizes also that its 2003 efforts, while intended to create greater operational clarity between these significant shoreline and land use acts, have been the subject of differing, and occasionally contrary, legal interpretations. This act is intended to affirm and clarify the legislature's intent relating to the provisions of chapter 321, Laws of 2003.

(2) The legislature affirms that development regulations adopted under the growth management act to protect critical areas apply within shorelines of the state as provided in section 2 of this act.

(3) The legislature affirms that the adoption or update of critical area regulations under the growth management act is not automatically an update to the shoreline master program.

(4) The legislature intends for this act to be remedial and curative in nature, and to apply retroactively to July 27, 2003.

Sec. 2. RCW 36.70A.480 and 2003 c 321 s 5 are each amended to read as follows:
(1) For shorelines of the state, the goals and policies of the shoreline management act as set forth in RCW 90.58.020 are added as one of the goals of this chapter as set forth in RCW 36.70A.020 without creating an order of priority among the fourteen goals. The goals and policies of a shoreline master program for a county or city approved under chapter 90.58 RCW shall be considered an element of the county or city's comprehensive plan. All other portions of the shoreline master program for a county or city adopted under chapter 90.58 RCW, including use regulations, shall be considered a part of the county or city's development regulations.

(2) The shoreline master program shall be adopted pursuant to the procedures of chapter 90.58 RCW rather than the goals, policies, and procedures set forth in this chapter for the adoption of a comprehensive plan or development regulations.

(3)(a) The policies, goals, and provisions of chapter 90.58 RCW and applicable guidelines shall be the sole basis for determining compliance of a shoreline master program with this chapter except as the shoreline master program is required to comply with the internal consistency provisions of RCW 36.70A.070, 36.70A.040(4), 35.63.125, and 35A.63.105.

(((a) As of the date the department of ecology approves a local government's shoreline master program adopted under applicable shoreline guidelines, the protection of critical areas as defined by RCW 36.70A.030(5) within shorelines of the state shall be accomplished only through the local government's shoreline master program and shall not be subject to the procedural and substantive
requirements of this chapter, except as provided in subsection (6) of this section.})

(b) Except as otherwise provided in (c) of this subsection, development regulations adopted under this chapter to protect critical areas within shorelines of the state apply within shorelines of the state until the department of ecology approves one of the following: A comprehensive master program update, as defined in RCW 90.58.030; a segment of a master program relating to critical areas, as provided in RCW 90.58.090; or a new or amended master program approved by the department of ecology on or after March 1, 2002, as provided in RCW 90.58.080. The adoption or update of development regulations to protect critical areas under this chapter prior to department of ecology approval of a master program update as provided in this subsection is not a comprehensive or segment update to the master program.

(c)(i) Until the department of ecology approves a master program or segment of a master program as provided in (b) of this subsection, a use or structure legally located within shorelines of the state that was established or vested on or before the effective date of the local government's development regulations to protect critical areas may continue as a conforming use and may be redeveloped or modified if: (A) The redevelopment or modification is consistent with the local government's master program; and (B) the local government determines that the proposed redevelopment or modification will result in no net loss of shoreline ecological functions. The local government may waive this requirement if the redevelopment or modification is consistent with the master program and the local government's development regulations to protect critical areas.

(ii) For purposes of this subsection (3)(c), an agricultural activity that does not expand the area being used for the agricultural activity is not a redevelopment or modification. "Agricultural activity," as used in this subsection (3)(c), has the same meaning as defined in RCW 90.58.065.

(d) Upon department of ecology approval of a shoreline master program or critical area segment of a shoreline master program, critical areas within shorelines of the state (that have been identified as meeting the definition of critical areas as defined by RCW 36.70A.020(5), and that are subject to a shoreline master program adopted under applicable shoreline guidelines shall not be)) are protected under chapter 90.58 RCW and are not subject to the procedural and substantive requirements of this chapter, except as provided in subsection (6) of this section. Nothing in chapter 321, Laws of 2003 or this act is intended to affect whether or to what extent agricultural activities, as defined in RCW 90.58.065, are subject to chapter 36.70A RCW.

(e) The provisions of RCW 36.70A.172 shall not apply to the adoption or subsequent amendment of a local government's shoreline master program and shall not be used to determine compliance of a local government's shoreline master program with chapter 90.58 RCW and applicable guidelines. Nothing in this section, however, is intended to limit or change the quality of information to be applied in protecting critical areas within shorelines of the state, as required by chapter 90.58 RCW and applicable guidelines.

(4) Shoreline master programs shall provide a level of protection to critical areas located within shorelines of the state that (is at least equal to the level of protection provided to critical areas by the local government's critical area...
ordinances adopted and thereafter amended pursuant to RCW 36.70A.060(2)) assures no net loss of shoreline ecological functions necessary to sustain shoreline natural resources as defined by department of ecology guidelines adopted pursuant to RCW 90.58.060.

(5) Shorelines of the state shall not be considered critical areas under this chapter except to the extent that specific areas located within shorelines of the state qualify for critical area designation based on the definition of critical areas provided by RCW 36.70A.030(5) and have been designated as such by a local government pursuant to RCW 36.70A.060(2).

(6) If a local jurisdiction's master program does not include land necessary for buffers for critical areas that occur within shorelines of the state, as authorized by RCW 90.58.030(2)(f), then the local jurisdiction shall continue to regulate those critical areas and their required buffers pursuant to RCW 36.70A.060(2).

Sec. 3. RCW 90.58.030 and 2007 c 328 s 1 are each amended to read as follows:

As used in this chapter, unless the context otherwise requires, the following definitions and concepts apply:

(1) Administration:
   (a) "Department" means the department of ecology;

   (b) "Ordinary high water mark" on all lakes, streams, and tidal water is that mark that will be found by examining the bed and banks and ascertaining where the presence and action of waters are so common and usual, and so long continued in all ordinary years, as to mark upon the soil a character distinct from that of the abutting upland, in respect to vegetation as that condition exists on June 1, 1971, as it may naturally change thereafter, or as it may change thereafter in accordance with permits issued by a local government or the department: PROVIDED, That in any area where the ordinary high water mark cannot be found, the ordinary high water mark adjoining salt water shall be the line of mean higher high tide and the ordinary high water mark adjoining fresh water shall be the line of mean high water;
   (c) "Shorelines of the state" are the total of all "shorelines" and "shorelines of statewide significance" within the state;
   (d) "Shorelines" means all of the water areas of the state, including reservoirs, and their associated shorelands, together with the lands underlying them; except (i) shorelines of statewide significance; (ii) shorelines on segments of streams upstream of a point where the mean annual flow is twenty cubic feet per second or less and the wetlands associated with such upstream segments; and
(iii) shorelines on lakes less than twenty acres in size and wetlands associated with such small lakes;

(e) "Shorelines of statewide significance" means the following shorelines of the state:
   (i) The area between the ordinary high water mark and the western boundary of the state from Cape Disappointment on the south to Cape Flattery on the north, including harbors, bays, estuaries, and inlets;
   (ii) Those areas of Puget Sound and adjacent salt waters and the Strait of Juan de Fuca between the ordinary high water mark and the line of extreme low tide as follows:

      (B) Birch Bay—from Point Whitehorn to Birch Point,
      (C) Hood Canal—from Tala Point to Foulweather Bluff,
      (D) Skagit Bay and adjacent area—from Brown Point to Yokeko Point, and
      (E) Padilla Bay—from March Point to William Point;
   (iii) Those areas of Puget Sound and the Strait of Juan de Fuca and adjacent salt waters north to the Canadian line and lying seaward from the line of extreme low tide;
   (iv) Those lakes, whether natural, artificial, or a combination thereof, with a surface acreage of one thousand acres or more measured at the ordinary high water mark;
   (v) Those natural rivers or segments thereof as follows:
      (A) Any west of the crest of the Cascade range downstream of a point where the mean annual flow is measured at one thousand cubic feet per second or more,
      (B) Any east of the crest of the Cascade range downstream of a point where the annual flow is measured at two hundred cubic feet per second or more, or those portions of rivers east of the crest of the Cascade range downstream from the first three hundred square miles of drainage area, whichever is longer;
   (vi) Those shorelands associated with (i), (ii), (iv), and (v) of this subsection (2)(e);

(f) "Shorelands" or "shoreland areas" means those lands extending landward for two hundred feet in all directions as measured on a horizontal plane from the ordinary high water mark; floodways and contiguous floodplain areas landward two hundred feet from such floodways; and all wetlands and river deltas associated with the streams, lakes, and tidal waters which are subject to the provisions of this chapter; the same to be designated as to location by the department of ecology.
   (i) Any county or city may determine that portion of a one-hundred-year-flood plain to be included in its master program as long as such portion includes, as a minimum, the floodway and the adjacent land extending landward two hundred feet therefrom.
   (ii) Any city or county may also include in its master program land necessary for buffers for critical areas, as defined in chapter 36.70A RCW, that occur within shorelines of the state, provided that forest practices regulated under chapter 76.09 RCW, except conversions to nonforest land use, on lands subject to the provisions of this subsection (2)(f)(ii) are not subject to additional regulations under this chapter;

(g) "Floodway" means the area, as identified in a master program, that either: (i) Has been established in federal emergency management agency flood
insurance rate maps or floodway maps; or (ii) consists of those portions of a river valley lying streamward from the outer limits of a watercourse upon which flood waters are carried during periods of flooding that occur with reasonable regularity, although not necessarily annually, said floodway being identified, under normal condition, by changes in surface soil conditions or changes in types or quality of vegetative ground cover condition, topography, or other indicators of flooding that occurs with reasonable regularity, although not necessarily annually. Regardless of the method used to identify the floodway, the floodway shall not include those lands that can reasonably be expected to be protected from flood waters by flood control devices maintained by or maintained under license from the federal government, the state, or a political subdivision of the state;

(h) "Wetlands" means areas that are inundated or saturated by surface water or groundwater at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions. Wetlands generally include swamps, marshes, bogs, and similar areas. Wetlands do not include those artificial wetlands intentionally created from nonwetland sites, including, but not limited to, irrigation and drainage ditches, grass-lined swales, canals, detention facilities, wastewater treatment facilities, farm ponds, and landscape amenities, or those wetlands created after July 1, 1990, that were unintentionally created as a result of the construction of a road, street, or highway. Wetlands may include those artificial wetlands intentionally created from nonwetland areas to mitigate the conversion of wetlands.

(3) Procedural terms:
   (a) "Guidelines" means those standards adopted to implement the policy of this chapter for regulation of use of the shorelines of the state prior to adoption of master programs. Such standards shall also provide criteria to local governments and the department in developing master programs;
   (b) "Master program" shall mean the comprehensive use plan for a described area, and the use regulations together with maps, diagrams, charts, or other descriptive material and text, a statement of desired goals, and standards developed in accordance with the policies enunciated in RCW 90.58.020. "Comprehensive master program update" means a master program that fully achieves the procedural and substantive requirements of the department guidelines effective January 17, 2004, as now or hereafter amended;
   (c) "State master program" is the cumulative total of all master programs approved or adopted by the department of ecology;
   (d) "Development" means a use consisting of the construction or exterior alteration of structures; dredging; drilling; dumping; filling; removal of any sand, gravel, or minerals; bulkheading; driving of piling; placing of obstructions; or any project of a permanent or temporary nature which interferes with the normal public use of the surface of the waters overlying lands subject to this chapter at any state of water level;
   (e) "Substantial development" shall mean any development of which the total cost or fair market value exceeds five thousand dollars, or any development which materially interferes with the normal public use of the water or shorelines of the state. The dollar threshold established in this subsection (3)(e) must be adjusted for inflation by the office of financial management every five years,
beginning July 1, 2007, based upon changes in the consumer price index during
that time period. "Consumer price index" means, for any calendar year, that
year's annual average consumer price index, Seattle, Washington area, for urban

and statistics, United States department of labor. The office of financial
management must calculate the new dollar threshold and transmit it to the office
of the code reviser for publication in the Washington State Register at least one
month before the new dollar threshold is to take effect. The following shall not
be considered substantial developments for the purpose of this chapter:

(i) Normal maintenance or repair of existing structures or developments,
including damage by accident, fire, or elements;

(ii) Construction of the normal protective bulkhead common to single
family residences;

channels. A feedlot of any size, all processing plants, other activities of a
commercial nature, alteration of the contour of the shorelands by leveling or
filling other than that which results from normal cultivation, shall not be
considered normal or necessary farming or ranching activities. A feedlot shall
be an enclosure or facility used or capable of being used for feeding livestock
hay, grain, silage, or other livestock feed, but shall not include land for growing
crops or vegetation for livestock feeding and/or grazing, nor shall it include
normal livestock wintering operations;

(v) Construction or modification of navigational aids such as channel
markers and anchor buoys;

(vi) Construction on shorelands by an owner, lessee, or contract purchaser
of a single family residence for his own use or for the use of his or her family,
which residence does not exceed a height of thirty-five feet above average grade
level and which meets all requirements of the state agency or local government
having jurisdiction thereof, other than requirements imposed pursuant to this
chapter;

(vii) Construction of a dock, including a community dock, designed for
pleasure craft only, for the private noncommercial use of the owner, lessee, or
contract purchaser of single and multiple family residences. This exception
applies if either: (A) In salt waters, the fair market value of the dock does not
exceed two thousand five hundred dollars; or (B) in fresh waters, the fair market
value of the dock does not exceed ten thousand dollars, but if subsequent
construction having a fair market value exceeding two thousand five hundred
dollars occurs within five years of completion of the prior construction, the
subsequent construction shall be considered a substantial development for the
purpose of this chapter;

(viii) Operation, maintenance, or construction of canals, waterways, drains,
reservoirs, or other facilities that now exist or are hereafter created or developed
as a part of an irrigation system for the primary purpose of making use of system
waters, including return flow and artificially stored groundwater for the irrigation of lands;

(ix) The marking of property lines or corners on state owned lands, when such marking does not significantly interfere with normal public use of the surface of the water;

(x) Operation and maintenance of any system of dikes, ditches, drains, or other facilities existing on September 8, 1975, which were created, developed, or utilized primarily as a part of an agricultural drainage or diking system;

(xi) Site exploration and investigation activities that are prerequisite to preparation of an application for development authorization under this chapter, if:

(A) The activity does not interfere with the normal public use of the surface waters;

(B) The activity will have no significant adverse impact on the environment including, but not limited to, fish, wildlife, fish or wildlife habitat, water quality, and aesthetic values;

(C) The activity does not involve the installation of a structure, and upon completion of the activity the vegetation and land configuration of the site are restored to conditions existing before the activity;

(D) A private entity seeking development authorization under this section first posts a performance bond or provides other evidence of financial responsibility to the local jurisdiction to ensure that the site is restored to preexisting conditions; and

(E) The activity is not subject to the permit requirements of RCW 90.58.550;

(xii) The process of removing or controlling an aquatic noxious weed, as defined in RCW 17.26.020, through the use of an herbicide or other treatment methods applicable to weed control that are recommended by a final environmental impact statement published by the department of agriculture or the department jointly with other state agencies under chapter 43.21C RCW.

CHAPTER 111
[Substitute House Bill 2620]
DIGITAL PRODUCTS—TAXES

AN ACT Relating to excise taxation of certain products and services provided or furnished electronically; amending RCW 82.04.190, 82.04.192, 82.04.257, 82.04.297, 82.32.080, 35.102.130, 82.08.02082, 82.08.02087, 82.12.02082, 82.12.02087, 82.32.532, and 82.32.533; reenacting and amending RCW 82.04.050 and 82.08.195; creating new sections; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

PART I
BACKGROUND AND PURPOSE

NEW SECTION. Sec. 101. The 2009 legislature enacted Engrossed Substitute House Bill No. 2075 (chapter 535, Laws of 2009), an act relating to the excise taxation of certain products and services provided or furnished electronically; amending RCW 82.04.190, 82.04.192, 82.04.257, 82.04.297, 82.32.080, 35.102.130, 82.08.02082, 82.08.02087, 82.12.02082, 82.12.02087, 82.32.532, and 82.32.533; reenacting and amending RCW 82.04.050 and 82.08.195; creating new sections; and providing an effective date.

Because of the complexity and length of Engrossed Substitute House Bill No. 2075, it was the legislature's expectation that, in the course of implementing the bill, ambiguities and unintended consequences would be discovered, which, if not corrected, will unsettle expectations. Thus, the legislature further anticipated that it would need to consider legislation in the 2010 legislative session to address these issues.

Therefore, the purpose of this act is to clarify ambiguities, correct unintended consequences, restore expectations, and conform the law to the original intent of the legislature.

PART II
DEFINITIONS

Sec. 201. RCW 82.04.050 and 2009 c 563 s 301 and 2009 c 535 s 301 are each reenacted and amended to read as follows:

limiting the scope hereof, persons who install, repair, clean, alter, improve,
construct, or decorate real or personal property of or for consumers other than a
sale to a person who presents a seller's permit or uniform exemption certificate
in conformity with RCW 82.04.470 and who:

(a) Purchases for the purpose of resale as tangible personal property in the
regular course of business without intervening use by such person, but a

producing for sale a new article of tangible personal property or substance, of
which such property becomes an ingredient or component or is a chemical used
in processing, when the primary purpose of such chemical is to create a chemical
reaction directly through contact with an ingredient of a new article being
produced for sale; or

(d) Purchases for the purpose of consuming the property purchased in
producing ferrosilicon which is subsequently used in producing magnesium for
sale, if the primary purpose of such property is to create a chemical reaction
directly through contact with an ingredient of ferrosilicon; or

(e) Purchases for the purpose of providing the property to consumers as part
of competitive telephone service, as defined in RCW 82.04.065. The term shall
include every sale of tangible personal property which is used or consumed or to
be used or consumed in the performance of any activity classified as a "sale at
retail" or "retail sale" even though such property is resold or utilized as provided
in (a), (b), (c), (d), or (e) of this subsection following such use. The term also
means every sale of tangible personal property to persons engaged in any
business which is taxable under RCW 82.04.280 (2) and (7), 82.04.290, and
82.04.2908; or

(f) Purchases for the purpose of satisfying the person's obligations under an
extended warranty as defined in subsection (7) of this section, if such tangible
personal property replaces or becomes an ingredient or component of property
covered by the extended warranty without intervening use by such person.

(2) The term "sale at retail" or "retail sale" includes the sale of or charge
made for tangible personal property consumed and/or for labor and services
rendered in respect to the following:

(a) The installing, repairing, cleaning, altering, imprinting, or improving of
tangible personal property of or for consumers, including charges made for the

nonprofit health care facilities, and excluding services rendered in respect to live
animals, birds and insects;

(b) The constructing, repairing, decorating, or improving of new or existing
buildings or other structures under, upon, or above real property of or for
consumers, including the installing or attaching of any article of tangible
personal property therein or thereto, whether or not such personal property
becomes a part of the realty by virtue of installation, and shall also include the 
sale of services or charges made for the clearing of land and the moving of earth 
excepting the mere leveling of land used in commercial farming or agriculture;

(c) The constructing, repairing, or improving of any structure upon, above, 
or under any real property owned by an owner who conveys the property by title, 
possession, or any other means to the person performing such construction, 
repair, or improvement for the purpose of performing such construction, repair, 
or improvement and the property is then reconveyed by title, possession, or any 
other means to the original owner;

(d) The cleaning, fumigating, razing, or moving of existing buildings or 
structures, but may not include the charge made for janitorial services; and for 
purposes of this section the term "janitorial services" shall mean those cleaning 
and caretaking services ordinarily performed by commercial janitor service 
businesses including, but not limited to, wall and window washing, floor

The term "janitorial services" does not include painting, papering, repairing,

(e) Automobile towing and similar automotive transportation services, but 
not in respect to those required to report and pay taxes under chapter 82.16 
RCW;

(f) The furnishing of lodging and all other services by a hotel, rooming 
house, tourist court, motel, trailer camp, and the granting of any similar license 
to use real property, as distinguished from the renting or leasing of real property, 
and it is presumed that the occupancy of real property for a continuous period of 
one month or more constitutes a rental or lease of real property and not a mere 
license to use or enjoy the same. For the purposes of this subsection, it shall be 
presumed that the sale of and charge made for the furnishing of lodging for a 
continuous period of one month or more to a person is a rental or lease of real 
property and not a mere license to enjoy the same;

(g) The installing, repairing, altering, or improving of digital goods for 
consumers;

(h) Persons taxable under (a), (b), (c), (d), (e), (f), and (g) of this subsection 
when such sales or charges are for property, labor and services which are used or 
consumed in whole or in part by such persons in the performance of any activity 
defined as a "sale at retail" or "retail sale" even though such property, labor and 
services may be resold after such use or consumption. Nothing contained in this 
subsection shall be construed to modify subsection (1) of this section and 
nothing contained in subsection (1) of this section may be construed to modify 
this subsection.

(3) The term "sale at retail" or "retail sale" includes the sale of or charge 
made for personal, business, or professional services including amounts 
designated as interest, rents, fees, admission, and other service emoluments 
however designated, received by persons engaging in the following business 
activities:

(a) Amusement and recreation services including but not limited to golf, 
pool, billiards, skating, bowling, ski lifts and tows, day trips for sightseeing 
purposes, and others, when provided to consumers;

(b) Abstract, title insurance, and escrow services;

(c) Credit bureau services;
(d) Automobile parking and storage garage services;

(f) Service charges associated with tickets to professional sporting events; and
(g) The following personal services: Physical fitness services, tanning salon services, tattoo parlor services, steam bath services, turkish bath services, escort services, and dating services.

(4)(a) The term also includes:
(i) The renting or leasing of tangible personal property to consumers; and
(ii) Providing tangible personal property along with an operator for a fixed or indeterminate period of time. A consideration of this is that the operator is necessary for the tangible personal property to perform as designed. For the purpose of this subsection (4)(a)(ii), an operator must do more than maintain, inspect, or set up the tangible personal property.
(b) The term does not include the renting or leasing of tangible personal property where the lease or rental is for the purpose of sublease or subrent.

(5) The term also includes the providing of "competitive telephone service," "telecommunications service," or "ancillary services," as those terms are defined in RCW 82.04.065, to consumers.

(6)(a) The term also includes the sale of prewritten computer software other than a sale to a person who presents a seller's permit or uniform exemption certificate in conformity with RCW 82.04.470, regardless of the method of delivery to the end user. For purposes of this subsection (6)(a), the sale of prewritten computer software includes the sale of or charge made for a key or an enabling or activation code, where the key or code is required to activate prewritten computer software and put the software into use. There is no separate sale of the key or code from the prewritten computer software, regardless of how the sale may be characterized by the vendor or by the purchaser.

The term "retail sale" does not include the sale of or charge made for:
(i) Custom software; or
(ii) The customization of prewritten computer software.

(b)(i) The term also includes the charge made to consumers for the right to access and use prewritten computer software, where possession of the software is maintained by the seller or a third party, regardless of whether the charge for the service is on a per use, per user, per license, subscription, or some other basis.

(ii)(A) The service described in (b)(i) of this subsection (6) includes the right to access and use prewritten computer software to perform data processing.
(B) For purposes of this subsection (6)(b)(ii), "data processing" means the systematic performance of operations on data to extract the required information in an appropriate form or to convert the data to usable information. Data processing includes check processing, image processing, form processing, survey processing, payroll processing, claim processing, and similar activities.

(7) The term also includes the sale of or charge made for an extended warranty to a consumer. For purposes of this subsection, "extended warranty"
means an agreement for a specified duration to perform the replacement or repair of tangible personal property at no additional charge or a reduced charge for tangible personal property, labor, or both, or to provide indemnification for the replacement or repair of tangible personal property, based on the occurrence of specified events. The term "extended warranty" does not include an agreement, otherwise meeting the definition of extended warranty in this subsection, if no separate charge is made for the agreement and the value of the agreement is included in the sales price of the tangible personal property covered by the agreement. For purposes of this subsection, "sales price" has the same meaning as in RCW 82.08.010.

(8)(a) The term also includes the following sales to consumers of digital goods, digital codes, and digital automated services:

(i) Sales in which the seller has granted the purchaser the right of permanent use;
(ii) Sales in which the seller has granted the purchaser a right of use that is less than permanent;
(iii) Sales in which the purchaser is not obligated to make continued payment as a condition of the sale; and
(iv) Sales in which the purchaser is obligated to make continued payment as a condition of the sale.

(b) A retail sale of digital goods, digital codes, or digital automated services under this subsection (8) includes any services provided by the seller exclusively in connection with the digital goods, digital codes, or digital automated services, whether or not a separate charge is made for such services.

(c) For purposes of this subsection, "permanent" means perpetual or for an indefinite or unspecified length of time. A right of permanent use is presumed to have been granted unless the agreement between the seller and the purchaser specifies or the circumstances surrounding the transaction suggest or indicate that the right to use terminates on the occurrence of a condition subsequent.

(9) The term does not include the sale of or charge made for labor and services rendered in respect to the building, repairing, or improving of any street, place, road, highway, easement, right-of-way, mass public transportation terminal or parking facility, bridge, tunnel, or trestle which is owned by a municipal corporation or political subdivision of the state or by the United States and which is used or to be used primarily for foot or vehicular traffic including mass transportation vehicles of any kind.

(10) The term also does not include sales of chemical sprays or washes to persons for the purpose of postharvest treatment of fruit for the prevention of scald, fungus, mold, or decay, nor does it include sales of feed, seed, seedlings, fertilizer, agents for enhanced pollination including insects such as bees, and spray materials to: (a) Persons who participate in the federal conservation reserve program, the environmental quality incentives program, the wetlands reserve program, and the wildlife habitat incentives program, or their successors administered by the United States department of agriculture; (b) farmers for the purpose of producing for sale any agricultural product; and (c) farmers acting under cooperative habitat development or access contracts with an organization exempt from federal income tax under Title 26 U.S.C. Sec. 501(c)(3) or the Washington state department of fish and wildlife to produce or improve wildlife habitat on land that the farmer owns or leases.
(11) The term does not include the sale of or charge made for labor and services rendered in respect to the constructing, repairing, decorating, or improving of new or existing buildings or other structures under, upon, or above real property or for the United States, any instrumentality thereof, or a county or city housing authority created pursuant to chapter 35.82 RCW, including the installing, or attaching of any article of tangible personal property therein or thereto, whether or not such personal property becomes a part of the realty by virtue of installation. Nor does the term include the sale of services or charges made for the clearing of land and the moving of earth of or for the United States, any instrumentality thereof, or a county or city housing authority. Nor does the term include the sale of services or charges made for cleaning up for the United States, or its instrumentalities, radioactive waste and other by-products of weapons production and nuclear research and development.

(12) The term does not include the sale of or charge made for labor, services, or tangible personal property pursuant to agreements providing maintenance services for bus, rail, or rail fixed guideway equipment when a regional transit authority is the recipient of the labor, services, or tangible personal property, and a transit agency, as defined in RCW 81.104.015, performs the labor or services.

(B) The service described in this subsection (3)(b)((xii)) (xii) does not include the underlying sale of the products or services, digital or otherwise, by the person receiving the service; ((and (xii) Online classified)) (xiii) Advertising services. For purposes of this subsection (3)(b)(xiii), "advertising services" means all services directly related to the creation, preparation, production, or the dissemination of advertisements. Advertising services include layout, art direction, graphic design, mechanical preparation, production supervision, placement, and rendering advice to a client concerning the best methods of advertising that client's products or services. Advertising services also include online referrals, search engine marketing and lead generation optimization, web campaign planning, the acquisition of advertising space in the internet media, and the monitoring and evaluation of web site traffic for purposes of determining the effectiveness of an advertising campaign. Advertising services do not include web hosting services and domain name registration;

(xiv) The mere storage of digital products, digital codes, computer software, or master copies of software. This exclusion from the definition of digital automated services includes providing space on a server for web hosting or the backing up of data or other information;

(xv) Data processing services. For purposes of this subsection (3)(b)(xv), "data processing service" means a primarily automated service provided to a business or other organization where the primary object of the service is the systematic performance of operations by the service provider on data supplied in whole or in part by the customer to extract the required information in an appropriate form or to convert the data to usable information. Data processing services include check processing, image processing, form processing, survey processing, payroll processing, claim processing, and similar activities. Data processing does not include the service described in RCW 82.04.050(6)(b); and

(xvi) Digital goods.

(4) "Digital books" means works that are generally recognized in the ordinary and usual sense as books.

(5) "Digital code" means a code that provides a purchaser with the right to obtain one or more digital products, if all of the digital products to be obtained through the use of the code have the same sales and use tax treatment. "Digital code" does not include a code that represents a stored monetary value that is deducted from a total as it is used by the purchaser. "Digital code" also does not include a code that represents a redeemable card, gift card, or gift certificate that entitles the holder to select digital products of an indicated cash value. A digital code may be obtained by any means, including e-mail or by tangible means regardless of its designation as song code, video code, book code, or some other term.
(6)(a) "Digital goods," except as provided in (b) of this subsection (6), means sounds, images, data, facts, or information, or any combination thereof, transferred electronically, including, but not limited to, specified digital products and other products transferred electronically not included within the definition of specified digital products.

(iv)(A) Except as provided in (b)(iv)(B) of this subsection (6), the representation of a personal or professional service in electronic form, such as an electronic copy of an engineering report prepared by an engineer, where the service primarily involves the application of human effort by the service provider, and the human effort originated after the customer requested the service.

(B) The exclusion in (b)(iv)(A) of this subsection (6) does not apply to photographers in respect to amounts received for the taking of photographs that are transferred electronically to the customer, but only if the customer is an end user, as defined in RCW 82.04.190(11), of the photographs. Such amounts are considered to be for the sale of digital goods; and

(v) Services and activities excluded from the definition of digital automated services in subsection (3)(b)(i) through (xv) of this section and not otherwise described in (b)(i) through (iv) of this subsection (6).

(7) "Digital products" means digital goods and digital automated services.

(8) "Electronically transferred" or "transferred electronically" means obtained by the purchaser by means other than tangible storage media. It is not necessary that a copy of the product be physically transferred to the purchaser. So long as the purchaser may access the product, it will be considered to have been electronically transferred to the purchaser.

(9) "Specified digital products" means electronically transferred digital audio-visual works, digital audio works, and digital books.

(10) "Subscription radio services" means the sale of audio programming by a radio broadcaster as defined in RCW 82.08.02081, except as otherwise provided in this subsection. "Subscription radio services" does not include audio programming that is sold on a pay-per-program basis or that allows the buyer to access a library of programs at any time for a specific charge for that service.

(11) "Subscription television services" means the sale of video programming by a television broadcaster as defined in RCW 82.08.02081, except as otherwise provided in this subsection. "Subscription television services" does not include video programming that is sold on a pay-per-program basis or that allows the buyer to access a library of programs at any time for a specific charge for that service, but only if the seller is not subject to a franchise fee in this state under the authority of Title 47 U.S.C. Sec. 542(a) on the gross revenue derived from the sale.
PART III
BUSINESS AND OCCUPATION TAX

Sec. 301. RCW 82.04.257 and 2009 c 535 s 401 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, upon every person engaging within this state in the business of making sales at retail or wholesale of digital goods, digital codes, digital automated services, or services described in RCW 82.04.050 (2)(g) or (6)(b), as to such persons, the amount of tax with respect to such business is equal to the gross proceeds of sales of the business, multiplied by the rate of 0.471 percent in the case of retail sales and by the rate of 0.484 percent in the case of wholesale sales.

(2) Persons providing subscription television services or subscription radio services are subject to tax under RCW 82.04.290(2) on the gross income of the business received from providing such services.

(3) For purposes of this section, a person is considered to be engaging within this state in the business of making sales of digital goods, digital codes, digital automated services, or services described in RCW 82.04.050 (2)(g) or (6)(b), if the person makes sales of digital goods, digital codes, digital automated services, or services described in RCW 82.04.050 (2)(g) or (6)(b) and the sales are sourced to this state under RCW 82.32.730 for sales tax purposes or would have been sourced to this state under RCW 82.32.730 if the sale had been taxable under chapter 82.08 RCW.

Sec. 302. RCW 82.04.2907 and 2009 c 535 s 407 are each amended to read as follows:

(1) Upon every person engaging within this state in the business of receiving income from royalties or charges in the nature of royalties for the granting of intangible rights, such as copyrights, licenses, patents, or franchise fees, the amount of tax with respect to the business is equal to the gross income from royalties or charges in the nature of royalties from the business multiplied by the rate of 0.484 percent.

(2) For the purposes of this section, "royalties" means compensation for the use of intangible property, such as copyrights, patents, licenses, franchises, trademarks, trade names, and similar items. It does not include compensation for any natural resource, the licensing of prewritten computer software to the end user, or the licensing of digital goods, digital codes, or digital automated services to the end user as defined in RCW 82.04.190(11).

Sec. 303. RCW 82.04.297 and 2009 c 535 s 408 are each amended to read as follows:

(1) The provision of internet access is subject to tax under RCW 82.04.290(2).

(2)(a) Except as provided in (b) of this subsection, "internet" and "internet access" have the same meaning as those terms are defined in the federal internet tax freedom act, Title 47 U.S.C. Sec. 151 note, as existing on July 1, 2009.
(b) "Internet access" does not include telecommunications service purchased, used, or sold by a person that provides a service that enables users to connect to the internet to access content, information, or other services offered over the internet, to the extent such telecommunications service is purchased, used, or sold: (i) To provide such service; or (ii) to otherwise enable users to access content, information, or other services offered over the internet.

(3) Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

Sec. 304. RCW 82.32.080 and 2009 c 176 s 2 are each amended to read as follows:

(1) When authorized by the department, payment of the tax may be made by uncertified check under such rules as the department prescribes, but, if a check so received is not paid by the bank on which it is drawn, the taxpayer, by whom such check is tendered, will remain liable for payment of the tax and for all legal penalties, the same as if such check had not been tendered.

(2)(a) Except as otherwise provided in this subsection, payment of the tax must be made by electronic funds transfer, as defined in RCW 82.32.085, if the taxpayer is required to file and remit its taxes on a monthly basis. As an alternative to electronic funds transfer, the department may authorize other forms of electronic payment, such as credit card and e-check. All taxes administered by this chapter are subject to this requirement except the taxes authorized by chapters 82.14A, 82.14B, 82.24, 82.27, 82.29A, and 84.33 RCW. It is the intent of this subsection to require electronic payment for those taxes reported on the department's combined excise tax return or any successor return. The mandatory electronic payment requirement in this subsection also applies to taxpayers who: (i) Are subject to the tax imposed in RCW 82.04.257 but for whom the department has authorized a tax reporting frequency that is less frequent than monthly; or (ii) meet the threshold for filing and remitting taxes on a monthly basis as established by rule of the department but for whom the department has authorized a less frequent reporting frequency, when such authorization became effective on or after July 26, 2009.

(b) The department, for good cause, may waive the electronic payment requirement in this subsection for any taxpayer. In the discretion of the department, a waiver under this subsection may be made temporary or permanent, and may be made on the department's own motion.

(c) The department is authorized to accept payment of taxes by electronic funds transfer or other acceptable forms of electronic payment from taxpayers that are not subject to the mandatory electronic payment requirements in this subsection.

(3)(a) Except as otherwise provided in this subsection, returns must be filed electronically using the department's online tax filing service, if the taxpayer is required to file and remit its taxes on a monthly basis. The mandatory electronic filing requirement in this subsection also applies to taxpayers who: (i) Are subject to the tax imposed in RCW 82.04.257 but for whom the department has authorized a tax reporting frequency that is less frequent than monthly; or (ii) meet the threshold for filing and remitting taxes on a monthly basis as established by rule of the department but for whom the department has authorized a less frequent reporting frequency, when such authorization became effective on or after July 26, 2009.
(b) The department, for good cause, may waive the electronic filing requirement in this subsection for any taxpayer. In the discretion of the department, a waiver under this subsection may be made temporary or permanent, and may be made on the department's own motion.

(c) The department is authorized to allow electronic filing of returns from taxpayers that are not subject to the mandatory electronic filing requirements in this subsection.

(4)(a)(i) The department, for good cause shown, may extend the time for making and filing any return, and may grant such reasonable additional time within which to make and file returns as it may deem proper, but any permanent extension granting the taxpayer a reporting date without penalty more than ten days beyond the due date, and any extension in excess of thirty days must be conditional on deposit with the department of an amount to be determined by the department which is approximately equal to the estimated tax liability for the reporting period or periods for which the extension is granted. In the case of a permanent extension or a temporary extension of more than thirty days the deposit must be deposited within the state treasury with other tax funds and a credit recorded to the taxpayer's account which may be applied to taxpayer's liability upon cancellation of the permanent extension or upon reporting of the tax liability where an extension of more than thirty days has been granted.

(ii) The department must review the requirement for deposit at least annually and may require a change in the amount of the deposit required when it believes that such amount does not approximate the tax liability for the reporting period or periods for which the extension is granted.

(b) During a state of emergency declared under RCW 43.06.010(12), the department, on its own motion or at the request of any taxpayer affected by the emergency, may extend the time for making or filing any return as the department deems proper. The department may not require any deposit as a condition for granting an extension under this subsection (4)(b).

(5) The department must keep full and accurate records of all funds received and disbursed by it. Subject to the provisions of RCW 82.32.105 and 82.32.350, the department must apply the payment of the taxpayer first against penalties and interest, and then upon the tax, without regard to any direction of the taxpayer.

(6) The department may refuse to accept any return that is not accompanied by a remittance of the tax shown to be due thereon or that is not filed electronically as required in this section. When such return is not accepted, the taxpayer is deemed to have failed or refused to file a return and is subject to the procedures provided in RCW 82.32.100 and to the penalties provided in RCW 82.32.090. The above authority to refuse to accept a return may not apply when a return is timely filed electronically and a timely payment has been made by electronic funds transfer or other form of electronic payment as authorized by the department.

(7) Except for returns and remittances required to be transmitted to the department electronically under this section and except as otherwise provided in this chapter, a return or remittance that is transmitted to the department by United States mail is deemed filed or received on the date shown by the postmark.
office cancellation mark stamped upon the envelope containing it. A return or remittance that is transmitted to the department electronically is deemed filed or received according to procedures set forth by the department.

(8)(a) For purposes of subsections (2) and (3) of this section, "good cause" means the inability of a taxpayer to comply with the requirements of subsection (2) or (3) of this section because:

(i) The taxpayer does not have the equipment or software necessary to enable the taxpayer to comply with subsection (2) or (3) of this section;
(ii) The equipment or software necessary to enable the taxpayer to comply with subsection (2) or (3) of this section is not functioning properly;
(iii) The taxpayer does not have access to the internet using the taxpayer's own equipment;
(iv) The taxpayer does not have a bank account or a credit card;
(v) The taxpayer's bank is unable to send or receive electronic funds transfer transactions; or
(vi) Some other circumstance or condition exists that, in the department's judgment, prevents the taxpayer from complying with the requirements of subsection (2) or (3) of this section.

(b) "Good cause" also includes any circumstance that, in the department's judgment, supports the efficient or effective administration of the tax laws of this state, including providing relief from the requirements of subsection (2) or (3) of this section to any taxpayer that is voluntarily collecting and remitting this state's sales or use taxes on sales to Washington customers but has no legal requirement to be registered with the department.

Sec. 305. RCW 35.102.130 and 2003 c 79 s 13 are each amended to read as follows:

A city that imposes a business and occupation tax ((shall)) must provide for the allocation and apportionment of a person's gross income, other than persons subject to the provisions of chapter 82.14A RCW, as follows:

(1) Gross income derived from all activities other than those taxed as service or royalties ((shall)) must be allocated to the location where the activity takes place.

(a) In the case of sales of tangible personal property, the activity takes place where delivery to the buyer occurs.

(b)(i) In the case of sales of digital products, the activity takes place where delivery to the buyer occurs. The delivery of digital products will be deemed to occur at:

(A) The seller's place of business if the purchaser receives the digital product at the seller's place of business;

(B) If not received at the seller's place of business, the location where the purchaser or the purchaser's donee, designated as such by the purchaser, receives the digital product, including the location indicated by instructions for delivery to the purchaser or donee, known to the seller;

(C) If the location where the purchaser or the purchaser's donee receives the digital product is not known, the purchaser's address maintained in the ordinary course of the seller's business when use of this address does not constitute bad faith;

(D) If no address for the purchaser is maintained in the ordinary course of the seller's business, the purchaser's address obtained during the consummation
of the sale, including the address of a purchaser's payment instrument, if no other address is available, when use of this address does not constitute bad faith; and

(E) If no address for the purchaser is obtained during the consummation of the sale, the address where the digital good or digital code is first made available for transmission by the seller or the address from which the digital automated service or service described in RCW 82.04.050 (2)(g) or (6)(b) was provided, disregarding for these purposes any location that merely provided the digital transfer of the product sold.

(ii) If none of the methods in (b)(i) of this subsection (1) for determining where the delivery of digital products occurs are available after a good faith effort by the taxpayer to apply the methods provided in (b)(i)(A) through (E) of this subsection (1), then the city and the taxpayer may mutually agree to employ any other method to effectuate an equitable allocation of income from the sale of digital products. The taxpayer will be responsible for petitioning the city to use an alternative method under this subsection (1)(b)(ii). The city may employ an alternative method for allocating the income from the sale of digital products if the methods provided in (b)(i)(A) through (E) of this subsection (1) are not available and the taxpayer and the city are unable to mutually agree on an alternative method to effectuate an equitable allocation of income from the sale of digital products.

(iii) For purposes of this subsection (1)(b), the following definitions apply:
(A) "Digital automated services," "digital codes," and "digital goods" have the same meaning as in RCW 82.04.192;
(B) "Digital products" means digital goods, digital codes, digital automated services, and the services described in RCW 82.04.050 (2)(g) and (6)(b); and
(C) "Receive" has the same meaning as in RCW 82.32.730.

(c) If a business activity allocated under this subsection (1) takes place in more than one city and all cities impose a gross receipts tax, a credit must be allowed as provided in RCW 35.102.060; if not all of the cities impose a gross receipts tax, the affected cities must allow another credit or allocation system as they and the taxpayer agree.

(2) Gross income derived as royalties from the granting of intangible rights must be allocated to the commercial domicile of the taxpayer.

(3) Gross income derived from activities taxed as services shall be apportioned to a city by multiplying apportionable income by a fraction, the numerator of which is the payroll factor plus the service-income factor and the denominator of which is two.

(a) The payroll factor is a fraction, the numerator of which is the total amount paid in the city during the tax period by the taxpayer for compensation and the denominator of which is the total compensation paid everywhere during the tax period. Compensation is paid in the city if:
(i) The individual is primarily assigned within the city;
(ii) The individual is not primarily assigned to any place of business for the tax period and the employee performs fifty percent or more of his or her service for the tax period in the city; or
(iii) The individual is not primarily assigned to any place of business for the tax period, the individual does not perform fifty percent or more of his or her service in any city, and the employee resides in the city.
(b) The service income factor is a fraction, the numerator of which is the total service income of the taxpayer in the city during the tax period, and the denominator of which is the total service income of the taxpayer everywhere during the tax period. Service income is in the city if:

(i) The customer location is in the city; or

(ii) The income-producing activity is performed in more than one location and a greater proportion of the service-income-producing activity is performed in the city than in any other location, based on costs of performance, and the taxpayer is not taxable at the customer location; or

(iii) The service-income-producing activity is performed within the city, and the taxpayer is not taxable in the customer location.

(c) If the allocation and apportionment provisions of this subsection do not fairly represent the extent of the taxpayer's business activity in the city or cities in which the taxpayer does business, the taxpayer may petition for or the tax administrators may jointly require, in respect to all or any part of the taxpayer's business activity, that one of the following methods be used jointly by the cities to allocate or apportion gross income, if reasonable:

(i) Separate accounting;

(ii) The use of a single factor;

(iii) The inclusion of one or more additional factors that will fairly represent the taxpayer's business activity in the city; or

(iv) The employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

(4) The definitions in this subsection apply throughout this section.

(a) "Apportionable income" means the gross income of the business taxable under the service classifications of a city's gross receipts tax, including income received from activities outside the city if the income would be taxable under the service classification if received from activities within the city, less any exemptions or deductions available.

(b) "Compensation" means wages, salaries, commissions, and any other form of remuneration paid to individuals for personal services that are or would be included in the individual's gross income under the federal internal revenue code.

(c) "Individual" means any individual who, under the usual common law rules applicable in determining the employer-employee relationship, has the status of an employee of that taxpayer.

(d) "Customer location" means the city or unincorporated area of a county where the majority of the contacts between the taxpayer and the customer take place.

(e) "Primarily assigned" means the business location of the taxpayer where the individual performs his or her duties.

(f) "Service-taxable income" or "service income" means gross income of the business subject to tax under either the service or royalty classification.

(g) "Tax period" means the calendar year during which tax liability is accrued. If taxes are reported by a taxpayer on a basis more frequent than once per year, taxpayers shall calculate the factors for the previous calendar year for reporting in the current calendar year and correct the reporting for the previous year when the factors are calculated for that year, but not later than the end of the first quarter of the following year.
(h) "Taxable in the customer location" means either that a taxpayer is subject to a gross receipts tax in the customer location for the privilege of doing business, or that the government where the customer is located has the authority to subject the taxpayer to gross receipts tax regardless of whether, in fact, the government does so.

(2) The exemption is available only when the buyer provides the seller with an exemption certificate in a form and manner prescribed by the department. The seller must retain a copy of the certificate for the seller’s files.

(3) For purposes of this section, the following definitions apply:

(a) "Business purposes" means any purpose relevant to the business needs of the taxpayer claiming an exemption under this section. Business purposes do not include any personal, family, or household purpose. The term also does not include any activity conducted by a government entity as that term is defined in RCW 7.25.005; and

(b) "Standard digital information" means a digital good consisting primarily of data, facts, or information, or any combination thereof, not generated or compiled for a specific client or customer. "Services rendered in respect to digital goods" means those services defined as a retail sale in RCW 82.04.050(2)(g).

PART VI
BUNDLING OF DIGITAL PRODUCTS TO BE OBTAINED THROUGH THE USE OF A CODE THAT DOES NOT MEET THE DEFINITION OF DIGITAL CODE

Sec. 601. RCW 82.08.195 and 2009 c 535 s 801 and 2009 c 483 s 3 are each reenacted and amended to read as follows:

(1) Except as provided in subsection (6) of this section, a bundled transaction is subject to the tax imposed by RCW 82.08.020 if the retail sale of any of its component products would be subject to the tax imposed by RCW 82.08.020.

(2) The transactions described in RCW 82.08.190(4) (a) and (b) are subject to the tax imposed by RCW 82.08.020 if the service that is the true object of the transaction is subject to the tax imposed by RCW 82.08.020. If the service that is the true object of the transaction is not subject to the tax imposed by RCW 82.08.020, the transaction is not subject to the tax imposed by RCW 82.08.020.

(3) The transaction described in RCW 82.08.190(4)(c) is not subject to the tax imposed by RCW 82.08.020.

(5) In the case of a bundled transaction that includes any of the following: Telecommunications service, ancillary service, internet access, or audio or video programming service:

(a) If the price is attributable to products that are taxable and products that are not taxable, the portion of the price attributable to the nontaxable products are subject to the tax imposed by RCW 82.08.020 unless the seller can identify by reasonable and verifiable standards the portion from its books and records that are kept in the regular course of business for other purposes including, but not limited to, nontax purposes;

(b) If the price is attributable to products that are subject to tax at different tax rates, the total price is attributable to the products subject to the tax at the highest tax rate unless the seller can identify by reasonable and verifiable standards the portion of the price attributable to the products subject to the tax imposed by RCW 82.08.020 at the lower rate from its books and records that are kept in the regular course of business for other purposes including, but not limited to, nontax purposes.

(6) The tax imposed by RCW 82.08.020 does not apply in respect to a bundled transaction consisting entirely of the sale of services or of services and prepared food, if the sale is to a resident, sixty-two years of age or older, of a qualified low-income senior housing facility by the lessor or operator of the facility. A single bundled transaction involving both spouses of a marital community or both domestic partners of a domestic partnership meets the age requirement in this subsection if at least one of the spouses or domestic partners is at least sixty-two years of age. For purposes of this subsection, “qualified
low-income senior housing facility" has the same meaning as in RCW 82.08.0293.

(7) In the case of the sale of a code that provides a purchaser with the right to obtain more than one digital product or one or more digital products and other products or services, and all of the products and services, digital or otherwise, to be obtained through the use of the code do not have the same sales and use tax treatment, for purposes of the tax imposed by RCW 82.08.020:

(a) The transaction is deemed to be the sale of the products and services to be obtained through the use of the code; and

(b)(i) The tax imposed by RCW 82.08.020 applies to the entire selling price of the code, except as provided in (b)(ii) of this subsection (7).

(ii) If the seller can identify by reasonable and verifiable standards the portion of the selling price attributable to the products and services that are not subject to the tax imposed by RCW 82.08.020 from its books and records that are kept in the regular course of business for other purposes including, but not limited to, nontax purposes, the tax imposed by RCW 82.08.020 does not apply to that portion of the selling price of the code attributable to the products and services that are not subject to the tax imposed by RCW 82.08.020 nor to that portion of the selling price of the code attributable to any digital goods, the sale of which is exempt under RCW 82.08.02087.

PART VII
NEXUS

Sec. 701. RCW 82.32.532 and 2009 c 535 s 901 are each amended to read as follows:

(1) For purposes of the taxes imposed in this title, the department of revenue may not consider a person's ownership of, or rights in, computer software as defined in RCW 82.04.215, including computer software used in providing a digital automated service; master copies of software; digital goods or digital codes residing on servers located in this state in determining whether the person has substantial nexus with this state.

(2) For purposes of this section, "substantial nexus" means the requisite connection that a person has with a state to allow the state to subject the person to the state's taxing authority, consistent with the commerce clause of the United States Constitution.

PART VIII
AMNESTY

Sec. 801. RCW 82.32.533 and 2009 c 535 s 1001 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, no person may be held liable for the failure to collect or pay state and local sales and use taxes accrued before July 26, 2009, on the sale or use of digital goods or of services defined as a retail sale in RCW 82.04.050(2)(a) and rendered in respect to digital goods.
(2) Subsection (1) of this section does not relieve any person from liability for state and local sales taxes that the person collected from buyers but did not remit to the department of revenue.

(3) Nothing in this section may be construed as authorizing the refund of state and local sales and use taxes properly paid on the sale or use, before July 26, 2009, of digital goods (before July 26, 2009) or of services defined as a retail sale in RCW 82.04.050(2)(a) and rendered in respect to digital goods.

(4) A person is not entitled to a credit or refund of any business and occupation tax paid in excess of that properly due as a result of the person paying tax on its income earned from the sale of eligible digital products and services at the tax rate provided in RCW 82.04.290(2)(a) rather than the tax rate provided in RCW 82.04.250(1), unless the person requesting the credit or refund has paid the proper amount of state and local sales taxes due on the sales of the eligible digital products and services that generated the income in respect to which the business and occupation tax credit or refund is sought. For purposes of this subsection, "eligible digital products and services" means: (a) Digital goods; and (b) services defined as a retail sale in RCW 82.04.050(2)(a) and rendered in respect to digital goods.

CHAPTER 112
[Substitute House Bill 2758]
WHOLESALE PURCHASES—RESELLER PERMITS

AN ACT Relating to documenting wholesale sales for excise tax purposes; amending RCW 82.32.780, 82.32.783, 82.32.785, 82.32.787, and 82.32.290; amending 2009 c 563 § 101 (uncodified); reenacting and amending RCW 82.04.470, 82.08.050, 82.08.130, 82.32.087, 82.32.291, 82.32.330, 82.04.050, and 34.05.328; adding a new section to chapter 82.32 RCW; creating a new section; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. 2009 c 563 s 101 (uncodified) is amended to read as follows:
Ch. 112 WASHINGTON LAWS, 2010

The legislature finds that the department of revenue's 2008 compliance study estimates that sales tax noncompliance exceeds well over one hundred million dollars annually in unpaid state and local sales and use taxes.

The legislature intends to address this significant problem by eliminating the use of resale certificates to document wholesale purchases. Resale certificates will be replaced with ((seller's)) reseller permits, which will be issued by the department of revenue only to those businesses that make wholesale purchases, such as retailers, wholesalers, manufacturers, and qualified contractors. Businesses that do not make wholesale purchases, such as most service businesses, will not be entitled to a ((seller's)) reseller permit.

Sec. 2. RCW 82.32.780 and 2009 c 563 s 201 are each amended to read as follows:

(1)(a) Taxpayers seeking to obtain a new ((seller's)) reseller permit or to renew or reinstate a ((seller's)) reseller permit, other than taxpayers subject to the provisions of RCW 82.32.783, must apply to the department in a form and manner prescribed by the department. The department must use its best efforts to rule on applications within sixty days of receiving a complete application. If the department fails to rule on an application within sixty days of receiving a complete application, the taxpayer may either request a review as provided in subsection (6) of this section or resubmit the application. Nothing in this subsection may be construed as preventing the department from ruling on an application more than sixty days after the department received the application.

(b) An application must be denied if:

(i) The department determines that, based on the nature of the applicant's business, the applicant is not entitled to make purchases at wholesale or is otherwise prohibited from using a ((seller's)) reseller permit.

(ii) The application contains any material misstatement; or

(iii) The application is incomplete.

(c) The department may also deny an application if it determines that denial would be in the best interest of collecting taxes due under this title.

(d) The department's decision ((whether)) to approve or deny an application may be based on tax returns previously filed with the department by the applicant, a current or previous examination of the applicant's books and records by the department, information provided by the applicant in the master application and the ((seller's)) reseller permit application, and other information available to the department.

(e) The department must refuse to accept an application to renew a reseller permit that is received more than ninety days before the expiration of the reseller permit.

(2) Notwithstanding subsection (1) of this section, the department may issue or renew a ((seller's)) reseller permit ((to)) for a taxpayer that has not applied for the permit or renewal of the permit if it appears to the department's satisfaction, based on the nature of the taxpayer's business activities and any other information available to the department, that the taxpayer is entitled to make purchases at wholesale.

(3) ((Seller's permits issued by the department will be in a form prescribed by the department, which may include an electronic form, and must contain a unique identifying number assigned by the department.)
(4)) (a) Except as otherwise provided in this section, reseller permits issued, renewed, or reinstated under this section will be valid for a period of forty-eight months from the date of issuance, renewal, or reinstatement.

(b)(i) A reseller permit is valid for a period of twenty-four months and may be renewed for the period prescribed in (a) of this subsection if the permit is issued to a taxpayer who:

(A) Is not registered with the department under RCW 82.32.030;

(B) Has been registered with the department under RCW 82.32.030 for a continuous period of less than one year as of the date that the department received the taxpayer's application for a reseller permit;

(C) Was on nonreporting status as authorized under RCW 82.32.045(4) at the time that the department received the taxpayer's application for a reseller permit or to renew or reinstate a reseller permit;

(D) Has filed tax returns reporting no business activity for purposes of sales and business and occupation taxes for the twelve-month period immediately preceding the date that the department received the taxpayer's application for a reseller permit or to renew or reinstate a reseller permit; or

(E) Has failed to file tax returns covering any part of the twelve-month period immediately preceding the department's receipt of the taxpayer's application for a reseller permit or to renew or reinstate a reseller permit.

(ii) The provisions of this subsection (3)(b) do not apply to reseller permits issued to any business owned by a federally recognized Indian tribe or by an enrolled member of a federally recognized Indian tribe, if the business does not engage in any business activity that subjects the business to any tax imposed by the state under chapter 82.04 RCW. Permits issued to such businesses are valid for the period provided in (a) of this subsection (3).

(iii) Nothing in this subsection (3)(b) may be construed as affecting the department's right to deny a taxpayer's application for a reseller permit or to renew or reinstate a reseller permit as provided in subsection (1)(b) and (c) of this section.

(c) A reseller permit is no longer valid if the permit holder's certificate of registration is revoked, the permit holder's tax reporting account is closed by the department, or the permit holder otherwise ceases to engage in business.

(d) The department may provide by rule for a uniform expiration date for reseller permits issued, renewed, or reinstated under this section, if the department determines that a uniform expiration date for reseller permits will improve administrative efficiency for the department. If the department adopts a uniform expiration date by rule, the department may extend or shorten the twenty-four or forty-eight month period provided in (a) and (b) of this subsection for a period not to exceed six months as necessary to conform the reseller permit to the uniform expiration date.

((4)) (4)(a) The department may revoke a taxpayer's reseller permit for any of the following reasons:

(i) The taxpayer used or allowed or caused its reseller permit to be used to purchase any item or service without payment of sales tax, but the
taxpayer or other purchaser was not entitled to use the ((seller's)) reseller permit for the purchase;

(ii) The department issued the ((seller's)) reseller permit to the taxpayer in error;

(iii) The department determines that the taxpayer is no longer entitled to make purchases at wholesale; or

(iv) The department determines that revocation of the ((seller's)) reseller permit would be in the best interest of collecting taxes due under this title.

(b) The notice of revocation must be in writing and is effective on the date specified in the revocation notice. The notice must also advise the taxpayer of its right to a review by the department.

(c) The department may refuse to reinstate a ((seller's)) reseller permit revoked under (a)(i) of this subsection until all taxes, penalties, and interest due on any improperly purchased item or service have been paid in full. In the event a taxpayer whose ((seller's)) reseller permit has been revoked under this subsection reorganizes, the new business resulting from the reorganization is not entitled to a ((seller's)) reseller permit until all taxes, penalties, and interest due on any improperly purchased item or service have been paid in full.

(d) For purposes of this subsection, "reorganize" or "reorganization" means:

(i) The transfer, however effected, of a majority of the assets of one business to another business, where any of the persons having an interest in the ownership or management in the former business maintain an ownership or management interest in the new business, either directly or indirectly; (ii) a mere change in identity or form of ownership, however effected; or (iii) the new business is a mere continuation of the former business based on significant shared features such as owners, personnel, assets, or general business activity.

(((6) (5))) (5) The department may provide ((lists of valid and revoked seller's)) the public with access to reseller permit numbers on its web site, including the name of the permit holder, the status of the reseller permit, the expiration date of the permit, and any other information that is disclosable under RCW 82.32.330(3)(d).

(((7) (6))) (6) The department must provide by rule for the review of the department's decision to deny, revoke, or refuse to reinstate a ((seller's)) reseller permit or the department's failure to rule on an application within the time prescribed in subsection (1)(a) of this section. Such review must be consistent with the requirements of chapter 34.05 RCW.

(((8) (7))) (7) As part of its continuing efforts to educate taxpayers on their sales and use tax responsibilities, the department will educate taxpayers on the appropriate use of a ((seller's)) reseller permit or ((uniform exemption certificate)) other documentation authorized under RCW 82.04.470 and the consequences of misusing such permits or ((exemption certificates)) other documentation.

Sec. 3. RCW 82.32.783 and 2009 c 563 s 202 are each amended to read as follows:

(1)(a) Contractors seeking a new ((seller's)) reseller permit or to renew or reinstate a ((seller's)) reseller permit must apply to the department in a form and manner prescribed by the department.

(b) As part of the application, the contractor must report the total combined dollar amount of all purchases of materials and labor during the preceding
((twelve)) twenty-four months for retail construction activity, wholesale construction activity, speculative building, public road construction, and government contracting. If the contractor was not engaged in business as a contractor during the preceding ((twelve)) twenty-four months, the contractor may provide an estimate of the dollar amount of purchases of materials and labor for retail construction activity, wholesale construction activity, speculative building, public road construction, and government contracting during the twelve-month or twenty-four month period for which the ((seller's)) reseller permit will be valid. The contractor must also report the percentage of its total dollar amount of actual or, if applicable, estimated material and labor purchases that was for retail and wholesale construction activity performed by the applicant.

(c) The department must use its best efforts to rule on applications within sixty days of receiving a complete application. If the department fails to rule on an application within sixty days of receiving a complete application, the taxpayer may either request a review as provided in subsection (6) of this section or resubmit the application. Nothing in this subsection may be construed as preventing the department from ruling on an application more than sixty days after the department received the application.

(d)(i) An application must be denied if:

(A) The department determines that the applicant is not entitled to make purchases at wholesale or is otherwise prohibited from using a reseller permit;

(B) The application contains any material misstatement;

(C) The application is incomplete; or

(D) Less than twenty-five percent of the taxpayer's total dollar amount of actual or, if applicable, estimated material and labor purchases as reported on the application is for retail and wholesale construction activity performed by the applicant. However, the department may approve an application not meeting the criteria in this subsection (1)(d)(i)(D) if the department is satisfied that approval is unlikely to jeopardize collection of the taxes due under this title.

(ii) The department may also deny an application if the department determines that denial would be in the best interest of collecting taxes due under this title.

(iii) The department's decision to approve or deny an application may be based on tax returns previously filed with the department by the applicant, a current or previous examination of the applicant's books and records by the department, information provided by the applicant in the master application and the reseller permit application, and other information available to the department.

(e) The department must refuse to accept an application((s)) to renew a ((seller's)) reseller permit ((may not be made)) that is received more than ninety days before the expiration of the ((seller's)) reseller permit.

(2) ((Selllers') permits issued by the department will be in a form prescribed by the department, which may include an electronic form, and must contain a unique identifying number assigned by the department.) Notwithstanding subsection (1) of this section, the department may issue or renew a reseller permit for a contractor that has not applied for the permit or renewal of the permit if the department is satisfied that the contractor is entitled to make purchases at wholesale and that issuing or renewing the reseller permit is
unlikely to jeopardize collection of sales taxes due under this title based on criteria established by the department by rule. Such criteria may include but is not limited to whether the taxpayer has a previous history of misusing resale certificates or reseller permits or there is any other indication that issuing or renewing the reseller permit would jeopardize collection of sales taxes due from the contractor.

(3)(a) Except as otherwise provided in (b) of this subsection:
(1) Except as provided in (a)(ii) of this subsection, until June 30, 2013, reseller permits issued, renewed, or reinstated under this section will be valid for a period of twelve months from the date of issuance, renewal, or reinstatement; and
(ii) Beginning July 1, 2013, reseller permits issued, renewed, or reinstated under this section will be valid for a period of twenty-four months from the date of issuance, renewal, or reinstatement. However, the department may issue, renew, or reinstate permits for a period of twenty-four months beginning July 1, 2011, if the department is satisfied in the same manner as set forth in subsection (2) of this section.
(b)(i) A reseller permit is no longer valid if the permit holder's certificate of registration is revoked, the permit holder's tax reporting account is closed by the department, or the permit holder otherwise ceases to engage in business.
(ii) The department may provide by rule for a uniform expiration date for reseller permits issued, renewed, or reinstated under this section, if the department determines that a uniform expiration date for reseller permits will improve administrative efficiency for the department. If the department adopts a uniform expiration date by rule, the department may extend or shorten the twelve or twenty-four month period provided in (a)(i) and (ii) of this subsection for a period not to exceed six months as necessary to conform the reseller permit to the uniform expiration date.

(4)(a) The department may revoke a contractor's reseller permit for any of the following reasons:
(i) The contractor used or allowed or caused its reseller permit to be used to purchase any item or service without payment of sales tax, but the contractor or other purchaser was not entitled to use the reseller permit for the purchase;
(ii) The department issued the reseller permit to the contractor in error;
(iii) The department determines that the contractor is no longer entitled to make purchases at wholesale; or
(iv) The department determines that revocation of the reseller permit would be in the best interest of collecting taxes due under this title.
(b) The notice of revocation must be in writing and is effective on the date specified in the revocation notice. The notice must also advise the contractor of its right to a review by the department.
(c) The department may refuse to reinstate a reseller permit revoked under (a)(i) of this subsection until all taxes, penalties, and interest due on any improperly purchased item or service have been paid in full. In the event a contractor whose reseller permit has been revoked under this subsection reorganizes, the new business resulting from the reorganization is not
entitled to a ((seller's)) reseller permit until all taxes, penalties, and interest due on any improperly purchased item or service have been paid in full.

(d) For purposes of this subsection, "reorganize" or "reorganization" means:
(i) The transfer, however effected, of a majority of the assets of one business to another business where any of the persons having an interest in the ownership or management in the former business maintain an ownership or management interest in the new business, either directly or indirectly; (ii) a mere change in identity or form of ownership, however effected; or (iii) the new business is a mere continuation of the former business based on significant shared features such as owners, personnel, assets, or general business activity.

(5) The department may provide ((lists of valid and revoked sellers')) the public with access to reseller permit numbers on its web site, including the name of the permit holder, the status of the reseller permit, the expiration date of the permit, and any other information that is disclosable under RCW 82.32.330(3)(l).

(6) The department must provide by rule for the review of the department's decision to deny, revoke, or refuse to reinstate a ((seller's)) reseller permit or the department's failure to rule on an application within the time prescribed in subsection (1)(a) of this section. Such review must be consistent with the requirements of chapter 34.05 RCW.

(7) As part of its continuing efforts to educate taxpayers on their sales and use tax responsibilities, the department will educate taxpayers on the appropriate use of a ((seller's)) reseller permit or ((uniform exemption certificate)) other documentation authorized under RCW 82.04.470 and the consequences of misusing such permits or ((exemption certificates)) other documentation.

(8) As used in this section, the following definitions apply:
(a) "Contractor" means a person ((who engages in any retail construction activity, or who engages in any activity that brings the person within the definition of consumer in RCW 82.04.190 (3) or (6), or who is a speculative builder as defined by rule of the department)) whose primary business activity is as a contractor as defined in RCW 18.27.010 or an electrical contractor as defined in RCW 19.28.006.
(b) "Government contracting" means the activity described in RCW 82.04.190(6).

(d) "Retail construction activity" means any activity defined as a retail sale in RCW 82.04.050(2) (b) or (c).
(e) "Speculative building" means the activities of a speculative builder as the term "speculative builder" is defined by rule of the department.
(f) "Wholesale construction activity" means labor and services rendered for persons who are not consumers in respect to real property, if such labor and services are expressly defined as a retail sale by RCW 82.04.050 when rendered to or for consumers. For purposes of this subsection (8)(f), "consumer" has the same meaning as in RCW 82.04.190.

NEW SECTION. Sec. 4. A new section is added to chapter 82.32 RCW to read as follows:
(1) Reseller permits issued by the department, as provided under RCW 82.32.780 and 82.32.783, will be in a form prescribed by the department, which

(5)(a) In lieu of a seller's permit issued by the department under RCW 82.32.780 or 82.32.782, a seller may accept from a buyer that is not required to be registered with the department under RCW 82.32.030 a properly completed:

(ii) Any other exemption certificate as may be authorized by the department and properly completed by the buyer.

(b) Certificates authorized under (a)(i) and (ii) of this subsection (2) must include the reseller permit number issued by the department to the buyer.

(c) A seller who accepts exemption certificates authorized in (a) of this subsection (2) is not required to verify with the department whether the buyer is required to be registered with the department under RCW 82.32.030. Nothing in this subsection (2)(c) may be construed to modify any of the provisions of RCW 82.08.050.

(3)(a) In lieu of a copy of a reseller permit issued by the department, a seller may accept from a buyer that is not required to be registered with the department under RCW 82.32.030:

(i) A properly completed uniform sales and use tax exemption certificate developed by the multistate tax commission;

(ii) A properly completed uniform exemption certificate approved by the streamlined sales and use tax agreement governing board; or

(iii) Any other exemption certificate as may be authorized by the department and properly completed by the buyer.

(b) A seller who accepts exemption certificates authorized in (a) of this subsection (3) is not required to verify with the department whether the buyer is not required to be registered with the department under RCW 82.32.030. Nothing in this subsection (3)(b) may be construed to modify any of the provisions of RCW 82.08.050.
(4) In lieu of obtaining the documentation in subsection (1), (2), or (3) of this section, a seller may capture the relevant data elements as allowed under the streamlined sales and use tax agreement.

(5) A seller that does not comply with subsection (1), (2), (3), or (4) of this section may meet its burden of proving that a sale is a wholesale sale rather than a retail sale by demonstrating facts and circumstances, according to rules adopted by the department, that show the sale was properly made without payment of retail sales tax.

(6) Notwithstanding anything in this section to the contrary, a seller who maintains records establishing that it uses electronic means to verify, at least once per calendar year, the validity of its customers' reseller permits need not take a copy of a reseller permit or other documentation or the data elements as authorized in subsection (1), (2), (3), or (4) of this section for wholesale sales to those customers with valid reseller permits as confirmed by the department for all sales occurring within twelve months following the date that the seller last electronically verified the validity of its customers' reseller permits. A seller that meets the requirements of this subsection will be deemed to have met its burden of proving a sale is a wholesale sale rather than a retail sale.

(7) As used in this section "reseller permit" means documentation issued by the department under RCW 82.32.780 or 82.32.783, which is used to substantiate a wholesale sale.

Sec. 8. RCW 82.08.050 and 2009 c 563 s 206 and 2009 c 289 s 2 are each reenacted and amended to read as follows:

(1) The tax ((hereby)) imposed ((shall)) in this chapter must be paid by the buyer to the seller((, and)). Each seller ((shall)) must collect from the buyer the full amount of the tax payable in respect to each taxable sale in accordance with the schedule of collections adopted by the department ((pursuant to)) under the provisions of RCW 82.08.060.

(2) The tax required by this chapter, to be collected by the seller, ((shall be)) is deemed to be held in trust by the seller until paid to the department((, and)). Any seller who appropriates or converts the tax collected to ((his or her)) the seller's own use or to any use other than the payment of the tax to the extent that the money required to be collected is not available for payment on the due date as prescribed in this chapter is guilty of a gross misdemeanor.

(3) ((In case)) Except as otherwise provided in this section, if any seller fails to collect the tax ((herein)) imposed in this chapter or, having collected the tax, fails to pay it to the department in the manner prescribed by this chapter, whether such failure is the result of ((his or her)) the seller's own acts or the result of acts or conditions beyond ((his or her)) the seller's control, ((be or the shall)) the seller is, nevertheless, ((be)) personally liable to the state for the amount of the tax((, unless the seller has taken from the buyer a seller's permit or uniform exemption certificate authorized under RCW 82.04.470, a copy of a direct pay permit issued under RCW 82.32.087, a direct mail form as provided in RCW 82.32.730(5), an exemption certificate claiming direct mail as provided in RCW 82.32.730(6), or other information required under the streamlined sales and use tax agreement, or information required under rules adopted by the department)).

(4) Sellers ((shall)) are not ((be)) relieved from personal liability for the amount of the tax unless they maintain proper records of exempt or nontaxable transactions and provide them to the department when requested.
(5) Sellers are not relieved from personal liability for the amount of tax if they fraudulently fail to collect the tax or if they solicit purchasers to participate in an unlawful claim of exemption.

(6) Sellers are not relieved from personal liability for the amount of tax if they accept an exemption certificate from a purchaser claiming an entity-based exemption if:

(a) The subject of the transaction sought to be covered by the exemption certificate is actually received by the purchaser at a location operated by the seller in Washington; and

(b) Washington provides an exemption certificate that clearly and affirmatively indicates that the claimed exemption is not available in Washington. Graying out exemption reason types on a uniform form and posting it on the department's web site is a clear and affirmative indication that the grayed out exemptions are not available.

(7)(a) Sellers are relieved from personal liability for the amount of tax if they obtain a fully completed exemption certificate or capture the relevant data elements required under the streamlined sales and use tax agreement within ninety days, or a longer period as may be provided by rule by the department, subsequent to the date of sale.

(b) If the seller has not obtained an exemption certificate or all relevant data elements required under the streamlined sales and use tax agreement within the period allowed subsequent to the date of sale, the seller may, within one hundred twenty days, or a longer period as may be provided by rule by the department, subsequent to a request for substantiation by the department, either prove that the transaction was not subject to tax by other means or obtain a fully completed exemption certificate from the purchaser, taken in good faith.

(c) Sellers are relieved from personal liability for the amount of tax if they obtain a blanket exemption certificate for a purchaser with which the seller has a recurring business relationship. The department may not request from a seller renewal of blanket exemption certificates or updates of exemption certificate information or data elements if there is a recurring business relationship between the buyer and seller. For purposes of this subsection (7)(c), a "recurring business relationship" means at least one sale transaction within a period of twelve consecutive months.

(d) Sellers are relieved from personal liability for the amount of tax if they obtain a copy of a direct pay permit issued under RCW 82.32.087.

(8) The amount of tax, until paid by the buyer to the seller or to the department, constitutes a debt from the buyer to the seller. Any seller who fails or refuses to collect the tax as required with intent to violate the provisions of this chapter or to gain some advantage or benefit, either direct or indirect, and any buyer who refuses to pay any tax due under this chapter is guilty of a misdemeanor.

(9) Except as otherwise provided in this subsection, the tax required by this chapter to be collected by the seller must be stated separately from the selling price in any sales invoice or other instrument of sale. On all retail sales through vending machines, the tax need not be stated separately from the selling price or collected separately from the buyer. Except as otherwise provided in this subsection, for purposes of determining the tax due from the buyer to the seller and from the seller to the department it must be conclusively
presumed that the selling price quoted in any price list, sales document, contract
or other agreement between the parties does not include the tax imposed by this
chapter. But if the seller advertises the price as including the tax or that the
seller is paying the tax, the advertised price may not be considered the
selling price.

(10) Where a buyer has failed to pay to the seller the tax imposed by this
chapter and the seller has not paid the amount of the tax to the department, the
department may, in its discretion, proceed directly against the buyer for
collection of the tax. If the department proceeds directly against the buyer for
collection of the tax as authorized in this subsection, the department may add a penalty of ten percent of the unpaid tax to the amount of the tax due for failure of the buyer to pay the tax to the seller, regardless of when the tax may be collected by the department. In addition to the penalty authorized in this subsection, all of the provisions of chapter 82.32 RCW, including those relative to interest and penalties, apply. For the sole purpose of applying the various provisions of chapter 82.32 RCW, the twenty-fifth day of the month following the tax period in which the purchase was made will be considered as the due date of the tax.

(11) Notwithstanding subsections (1) through (10) of this section, any
person making sales is not obligated to collect the tax imposed by this chapter if:

(a) The person's activities in this state, whether conducted directly or
through another person, are limited to:

(i) The storage, dissemination, or display of advertising;
(ii) The taking of orders; or
(iii) The processing of payments; and

(b) The activities are conducted electronically via a web site on a server or
other computer equipment located in Washington that is not owned or operated
by the person making sales into this state nor owned or operated by an affiliated
person. "Affiliated persons" has the same meaning as provided in RCW 82.04.424.

(12) Subsection (11) of this section expires when: (a) The United States
congress grants individual states the authority to impose sales and use tax
collection duties on remote sellers; or (b) it is determined by a court of
competent jurisdiction, in a judgment not subject to review, that a state can
impose sales and use tax collection duties on remote sellers.

(13) For purposes of this section:

(a) "Exemption certificate" means documentation furnished by a buyer to a
seller to claim an exemption from sales tax. An exemption certificate includes a
reseller permit or other documentation authorized in RCW 82.04.470 furnished
by a buyer to a seller to substantiate a wholesale sale; and

(b) "Seller" includes a certified service provider, as defined in RCW
82.32.020, acting as agent for the seller.

Sec. 9. RCW 82.08.130 and 2009 c 563 s 207 and 2009 c 535 s 1106 are
each reenacted and amended to read as follows:

(1) If a buyer normally is engaged in both consuming and reselling certain
types of personal property, the retail sale of which is taxable under this chapter,
and the buyer is not able to determine at the time of purchase whether the
particular property acquired will be consumed or resold, the buyer may use a
((seller's) reseller permit or ((if eligible, a uniform exemption certificate)) other documentation authorized under RCW 82.04.470 for the entire purchase if the buyer principally resells the ((articles)) property according to the general nature of the buyer's business. The buyer ((shall)) must account for the value of any articles purchased with a ((seller's)) reseller permit or ((uniform exemption certificate)) other documentation authorized under RCW 82.04.470 that ((are)) is used by the buyer and remit the deferred sales tax on the ((articles)) property to the department.

(2) A buyer who pays a tax on all purchases and subsequently resells ((an article)) property or services at retail, without intervening use by the buyer, ((shall)) must collect the tax from the purchaser as otherwise provided by law and is entitled to a deduction ((or credit)) on the buyer's tax return equal to ((in the case of a deduction)) the cost to the buyer of the property or service resold upon which retail sales tax has been paid ((in the case of a credit, the amount of state and local sales taxes paid with respect to the property or service resold)). The deduction ((or credit)) is allowed only if the taxpayer keeps and preserves records that ((show)) include the names of the persons from whom the ((articles)) property or services were purchased, the date of the purchase, the type of ((articles)) property or services, the amount of the purchase, and the tax that was paid.

(3) The department must provide by rule for the refund or credit of retail sales tax paid by a buyer for purchases that are later resold without intervening use by the buyer or for purchases that would otherwise have met the definition of wholesale sale if the buyer had provided the seller with a ((seller's)) reseller permit or ((uniform exemption certificate)) other documentation as authorized in RCW 82.04.470.

(4) Nothing in this section may be construed to authorize a deduction or credit in respect to the purchase of services if the services are not of a type that can be sold at wholesale under the definition of wholesale sale in RCW 82.04.060.

Sec. 10. RCW 82.32.087 and 2009 c 563 s 210 and 2009 c 176 s 5 are each reenacted and amended to read as follows:

(1) The director may grant a direct pay permit to a taxpayer who demonstrates, to the satisfaction of the director, that the taxpayer meets the requirements of this section. The direct pay permit allows the taxpayer to accrue and remit directly to the department use tax on the acquisition of tangible personal property or sales tax on the sale of or charges made for labor and/or services, in accordance with all of the applicable provisions of this title. Any taxpayer that uses a direct pay permit shall remit state and local sales or use tax directly to the department. The agreement by the purchaser to remit tax directly to the department, rather than pay sales or use tax to the seller, relieves the seller of the obligation to collect sales or use tax and requires the buyer to pay use tax on the tangible personal property and sales tax on the sale of or charges made for labor and/or services.

(2)(a) A taxpayer may apply for a permit under this section if: (i) The taxpayer's cumulative tax liability is reasonably expected to be two hundred forty thousand dollars or more in the current calendar year; or (ii) the taxpayer makes purchases subject to the taxes imposed under chapter 82.08 or 82.12 RCW in excess of ten million dollars per calendar year. For the purposes of this
section, "tax liability" means the amount required to be remitted to the department for taxes administered under this chapter, except for the taxes imposed or authorized by chapters 82.14A, 82.14B, 82.24, 82.27, 82.29A, and 84.33 RCW.

(b) Application for a permit must be made in writing to the director in a form and manner prescribed by the department. A taxpayer who transacts business in two or more locations may submit one application to cover the multiple locations.

(c) The director must review a direct pay permit application in a timely manner and shall notify the applicant, in writing, of the approval or denial of the application. The department must approve or deny an application based on the applicant's ability to comply with local government use tax coding capabilities and responsibilities; requirements for vendor notification; recordkeeping obligations; electronic data capabilities; and tax reporting procedures. Additionally, an application may be denied if the director determines that denial would be in the best interest of collecting taxes due under this title. The department must provide a direct pay permit to an approved applicant with the notice of approval. The direct pay permit shall clearly state that the holder is solely responsible for the accrual and payment of the tax imposed under chapters 82.08 and 82.12 RCW and that the seller is relieved of liability to collect tax imposed under chapters 82.08 and 82.12 RCW on all sales to the direct pay permit holder. The taxpayer may petition the director for reconsideration of a denial.

(d) A taxpayer who uses a direct pay permit must continue to maintain records that are necessary to a determination of the tax liability in accordance with this title. A direct pay permit is not transferable and the use of a direct pay permit may not be assigned to a third party.

(3) Taxes for which the direct pay permit is used are due and payable on the tax return for the reporting period in which the taxpayer (a) receives the tangible personal property purchased or in which the labor and/or services are performed or (b) receives an invoice for such property or such labor and/or services, whichever period is earlier.

(4) The holder of a direct pay permit must furnish a copy of the direct pay permit to each vendor with whom the taxpayer has opted to use a direct pay permit. Sellers who make sales upon which the sales or use tax is not collected by reason of the provisions of this section, in addition to existing requirements under this title, must maintain a copy of the direct pay permit and any such records or information as the department may specify.

(5) A direct pay permit is subject to revocation by the director at any time the department determines that the taxpayer has violated any provision of this section or that revocation would be in the best interests of collecting the taxes due under this title. The notice of revocation must be in writing and is effective either as of the end of the taxpayer's next normal reporting period or a date deemed appropriate by the director and identified in the revocation notice. The taxpayer may petition the director for reconsideration of a revocation and reinstatement of the permit.

(6) Any taxpayer who chooses to no longer use a direct pay permit or whose permit is revoked by the department, must return the permit to the department
and immediately make a good faith effort to notify all vendors to whom the permit was given, advising them that the permit is no longer valid.

(7) Except as provided in this subsection, the direct pay permit may be used for any purchase of tangible personal property and any retail sale under RCW 82.04.050. The direct pay permit may not be used for:

(a) Purchases of meals or beverages;
(b) Purchases of motor vehicles, trailers, boats, airplanes, and other property subject to requirements for title transactions by the department of licensing;
(c) Purchases for which a ((seller's)) reseller permit or ((uniform exemption certificate)) other documentation authorized under RCW 82.04.470 may be used;
(d) Purchases that meet the definitions of RCW 82.04.050 (2) (e) and (f), (3) (a) through (d), (f), and (g), and (5); or
(e) Other activities subject to tax under chapter 82.08 or 82.12 RCW that the department by rule designates, consistent with the purposes of this section, as activities for which a direct pay permit is not appropriate and may not be used.

Sec. 11. RCW 82.32.290 and 2009 c 563 s 211 are each amended to read as follows:

(1)(a) It shall be unlawful:

(i) For any person to engage in business without having obtained a certificate of registration as provided in this chapter;
(ii) For the president, vice president, secretary, treasurer, or other officer of any company to cause or permit the company to engage in business without having obtained a certificate of registration as provided in this chapter;
(iii) For any person to tear down or remove any order or notice posted by the department;
(iv) For any person to aid or abet another in any attempt to evade the payment of any tax or any part thereof;
(v) For any purchaser to fraudulently sign or furnish to a seller ((a seller's)) reseller permit or ((uniform exemption certificate)) documentation authorized under RCW 82.04.470 without intent to resell the property purchased or with intent to otherwise use the property in a manner inconsistent with the claimed wholesale purchase; or
(vi) For any person to fail or refuse to permit the examination of any book, paper, account, record, or other data by the department or its duly authorized agent; or to fail or refuse to permit the inspection or appraisal of any property by the department or its duly authorized agent; or to refuse to offer testimony or produce any record as required.

(b) Any person violating any of the provisions of this subsection (1) shall be guilty of a gross misdemeanor in accordance with chapter 9A.20 RCW.

(2)(a) It shall be unlawful:

(i) For any person to engage in business after revocation of a certificate of registration;
(ii) For the president, vice president, secretary, treasurer, or other officer of any company to cause or permit the company to engage in business after revocation of a certificate of registration; or
(iii) For any person to make any false or fraudulent return or false statement in any return, with intent to defraud the state or evade the payment of any tax or part thereof.
(b) Any person violating any of the provisions of this subsection (2) shall be
guilty of a class C felony in accordance with chapter 9A.20 RCW.

(3) In addition to the foregoing penalties, any person who knowingly swears
to or verifies any false or fraudulent return, or any return containing any false or
fraudulent statement with the intent aforesaid, shall be guilty of the offense of
perjury in the second degree; and any company for which a false return, or a
return containing a false statement, as aforesaid, is made, shall be punished,
upon conviction thereof, by a fine of not more than one thousand dollars. All
penalties or punishments provided in this section shall be in addition to all other
penalties provided by law.

Sec. 12. RCW 82.32.291 and 2009 c 563 s 212 and 2009 c 289 s 4 are each
reenacted and amended to read as follows:

(1) Except as otherwise provided in this section, if any ((person who)) buyer
improperly uses a ((seller's)) reseller permit number, reseller permit, or other
documentation authorized under RCW 82.04.470 to purchase items or services
at retail without payment of sales tax((, or who uses a uniform exemption
certificate developed by the multistate tax commission or approved by the
streamlined sales and use tax agreement governing board to claim a purchase for
resale exemption, and who is not entitled to use the seller's permit or exemption
certificate for the purchase shall be assessed)) that was legally due on the
purchase, the department must assess against that buyer a penalty of fifty percent
of the tax due, in addition to all other taxes, penalties, and interest due, on the
improperly purchased item or service.

(2) The department ((may)) must waive the penalty imposed under
subsection (1) of this section if it finds that the use of the ((seller's)) reseller
permit ((or exemption certificate)) number, reseller permit, or other
documentation authorized under RCW 82.04.470 was due to circumstances
beyond the taxpayer's control or if the ((seller's)) reseller permit ((or exemption
certificate)) number, reseller permit, or other documentation authorized under
RCW 82.04.470 was properly used for purchases for dual purposes. The
department ((shall)) must define by rule what circumstances are considered to be
beyond the taxpayer's control.

(3) A buyer that purchases items or services at retail without payment of
sales tax legally due on the purchase is deemed to have improperly used a
reseller permit number, reseller permit, or other documentation authorized under
RCW 82.04.470 to purchase the items or services without payment of sales tax
and is subject to the penalty in subsection (1) of this section if the buyer:

(a) Furnished to the seller a reseller permit number, a reseller permit or copy
of a reseller permit, or other documentation authorized under RCW 82.04.470 to
avoid payment of sales tax legally due on the purchase; or

(b) Made the purchase from a seller that had previously used electronic
means to verify the validity of the buyer's reseller permit with the department
and, as a result, did not require the buyer to provide a copy of its reseller permit
or furnish other documentation authorized under RCW 82.04.470 to document
the wholesale nature of the purchase. In such cases, the buyer bears the burden
of proving that it did not improperly use its reseller permit to make the purchase
without payment of sales tax.
Sec. 13. RCW 82.32.330 and 2009 c 563 s 213 and 2009 c 309 s 2 are each reenacted and amended to read as follows:

(1) For purposes of this section:
   (a) "Disclose" means to make known to any person in any manner whatever a return or tax information;
   (b) "Return" means a tax or information return or claim for refund required by, or provided for or permitted under, the laws of this state which is filed with the department of revenue by, on behalf of, or with respect to a person, and any amendment or supplement thereto, including supporting schedules, attachments, or lists that are supplemental to, or part of, the return so filed;
   (c) "Tax information" means (i) a taxpayer's identity, (ii) the nature, source, or amount of the taxpayer's income, payments, receipts, deductions, exemptions, credits, assets, liabilities, net worth, tax liability deficiencies, overassessments, or tax payments, whether taken from the taxpayer's books and records or any other source, (iii) whether the taxpayer's return was, is being, or will be examined or subject to other investigation or processing, (iv) a part of a written determination that is not designated as a precedent and disclosed pursuant to RCW 82.32.410, or a background file document relating to a written determination, and (v) other data received by, recorded by, prepared by, furnished to, or collected by the department of revenue with respect to the determination of the existence, or possible existence, of liability, or the amount thereof, of a person under the laws of this state for a tax, penalty, interest, fine, forfeiture, or other imposition, or offense. However, data, material, or documents that do not disclose information related to a specific or identifiable taxpayer do not constitute tax information under this section. Except as provided by RCW 82.32.410, nothing in this chapter requires any person possessing data, material, or documents made confidential and privileged by this section to delete information from such data, material, or documents so as to permit its disclosure;
   (d) "State agency" means every Washington state office, department, division, bureau, board, commission, or other state agency;
   (e) "Taxpayer identity" means the taxpayer's name, address, telephone number, registration number, or any combination thereof, or any other information disclosing the identity of the taxpayer; and
   (f) "Department" means the department of revenue or its officer, agent, employee, or representative.

(2) Returns and tax information are confidential and privileged, and except as authorized by this section, neither the department of revenue nor any other person may disclose any return or tax information.

(3) This section does not prohibit the department of revenue from:
   (a) Disclosing such return or tax information in a civil or criminal judicial proceeding or an administrative proceeding:
      (i) In respect of any tax imposed under the laws of this state if the taxpayer or its officer or other person liable under this title is a party in the proceeding;
      (ii) In which the taxpayer about whom such return or tax information is sought and another state agency are adverse parties in the proceeding; or
      (iii) Brought by the department under RCW 18.27.040 or 19.28.071;
(b) Disclosing, subject to such requirements and conditions as the director prescribes by rules adopted pursuant to chapter 34.05 RCW, such return or tax information regarding a taxpayer to such taxpayer or to such person or persons as that taxpayer may designate in a request for, or consent to, such disclosure, or to any other person, at the taxpayer's request, to the extent necessary to comply with a request for information or assistance made by the taxpayer to such other person. However, tax information not received from the taxpayer must not be so disclosed if the director determines that such disclosure would compromise any investigation or litigation by any federal, state, or local government agency in connection with the civil or criminal liability of the taxpayer or another person, or that such disclosure would identify a confidential informant, or that such disclosure is contrary to any agreement entered into by the department that provides for the reciprocal exchange of information with other government agencies which agreement requires confidentiality with respect to such information unless such information is required to be disclosed to the taxpayer by the order of any court;

(c) Disclosing the name of a taxpayer with a deficiency greater than five thousand dollars and against whom a warrant under RCW 82.32.210 has been either issued or filed and remains outstanding for a period of at least ten working days. The department is not required to disclose any information under this subsection if a taxpayer: (i) Has been issued a tax assessment; (ii) has been issued a warrant that has not been filed; and (iii) has entered a deferred payment arrangement with the department of revenue and is making payments upon such deficiency that will fully satisfy the indebtedness within twelve months;

(d) Disclosing the name of a taxpayer with a deficiency greater than five thousand dollars and against whom a warrant under RCW 82.32.210 has been filed with a court of record and remains outstanding;

(e) Publishing statistics so classified as to prevent the identification of particular returns or reports or items thereof;

(f) Disclosing such return or tax information, for official purposes only, to the governor or attorney general, or to any state agency, or to any committee or subcommittee of the legislature dealing with matters of taxation, revenue, trade, commerce, the control of industry or the professions;

(g) Permitting the department of revenue's records to be audited and examined by the proper state officer, his or her agents and employees;

(h) Disclosing any such return or tax information to a peace officer as defined in RCW 9A.04.110 or county prosecuting attorney, for official purposes. The disclosure may be made only in response to a search warrant, subpoena, or other court order, unless the disclosure is for the purpose of criminal tax enforcement. A peace officer or county prosecuting attorney who receives the return or tax information may disclose that return or tax information only for use in the investigation and a related court proceeding, or in the court proceeding for which the return or tax information originally was sought;

(i) Disclosing any such return or tax information to the proper officer of the internal revenue service of the United States, the Canadian government or provincial governments of Canada, or to the proper officer of the tax department of any state or city or town or county, for official purposes, but only if the statutes of the United States, Canada or its provincial governments, or of such
other state or city or town or county, as the case may be, grants substantially
similar privileges to the proper officers of this state;

(j) Disclosing any such return or tax information to the United States
department of justice, including the bureau of alcohol, tobacco, firearms and
explosives, the department of defense, the immigration and customs
enforcement and the customs and border protection agencies of the United States
department of homeland security, the United States coast guard, the alcohol and
tobacco tax and trade bureau of the United States department of treasury, and the
United States department of transportation, or any authorized representative of
these federal agencies, for official purposes;

(k) Publishing or otherwise disclosing the text of a written determination
designated by the director as a precedent pursuant to RCW 82.32.410;

(l) Disclosing, in a manner that is not associated with other tax information,
the taxpayer name, entity type, business address, mailing address, revenue tax
registration numbers, ((seller's)) reseller permit numbers and the expiration date
and status of such permits, North American industry classification system or
standard industrial classification code of a taxpayer, and the dates of opening and
closing of business. This subsection must not be construed as giving authority to
the department to give, sell, or provide access to any list of taxpayers for any
commercial purpose;

(m) Disclosing such return or tax information that is also maintained by
another Washington state or local governmental agency as a public record
available for inspection and copying under the provisions of chapter 42.56 RCW
or is a document maintained by a court of record and is not otherwise prohibited
from disclosure;

(n) Disclosing such return or tax information to the United States
department of agriculture for the limited purpose of investigating food stamp
fraud by retailers;

(o) Disclosing to a financial institution, escrow company, or title company,
in connection with specific real property that is the subject of a real estate
transaction, current amounts due the department for a filed tax warrant,
judgment, or lien against the real property;

(p) Disclosing to a person against whom the department has asserted
liability as a successor under RCW 82.32.140 return or tax information
pertaining to the specific business of the taxpayer to which the person has
succeeded;

(q) Disclosing such return or tax information in the possession of the
department relating to the administration or enforcement of the real estate excise
tax imposed under chapter 82.45 RCW, including information regarding
transactions exempt or otherwise not subject to tax;

(r) Disclosing to local taxing jurisdictions the identity of sellers granted
relief under RCW 82.32.430(5)(b)(i) and the period for which relief is granted; or

(s) Disclosing such return or tax information to the court in respect to the
department's application for a subpoena under RCW 82.32.115.

(4)(a) The department may disclose return or taxpayer information to a
person under investigation or during any court or administrative proceeding
against a person under investigation as provided in this subsection (4). The
disclosure must be in connection with the department's official duties relating to
an audit, collection activity, or a civil or criminal investigation. The disclosure may occur only when the person under investigation and the person in possession of data, materials, or documents are parties to the return or tax information to be disclosed. The department may disclose return or tax information such as invoices, contracts, bills, statements, resale or exemption certificates, or checks. However, the department may not disclose general ledgers, sales or cash receipt journals, check registers, accounts receivable/payable ledgers, general journals, financial statements, expert's workpapers, income tax returns, state tax returns, tax return workpapers, or other similar data, materials, or documents.

(b) Before disclosure of any tax return or tax information under this subsection (4), the department must, through written correspondence, inform the person in possession of the data, materials, or documents to be disclosed. The correspondence must clearly identify the data, materials, or documents to be disclosed. The department may not disclose any tax return or tax information under this subsection (4) until the time period allowed in (c) of this subsection has expired or until the court has ruled on any challenge brought under (c) of this subsection.

(c) The person in possession of the data, materials, or documents to be disclosed by the department has twenty days from the receipt of the written request required under (b) of this subsection to petition the superior court of the county in which the petitioner resides for injunctive relief. The court ((shall)) must limit or deny the request of the department if the court determines that:

(i) The data, materials, or documents sought for disclosure are cumulative or duplicative, or are obtainable from some other source that is more convenient, less burdensome, or less expensive;

(ii) The production of the data, materials, or documents sought would be unduly burdensome or expensive, taking into account the needs of the department, the amount in controversy, limitations on the petitioner's resources, and the importance of the issues at stake; or

(iii) The data, materials, or documents sought for disclosure contain trade secret information that, if disclosed, could harm the petitioner.

(d) The department must reimburse reasonable expenses for the production of data, materials, or documents incurred by the person in possession of the data, materials, or documents to be disclosed.

(e) Requesting information under (b) of this subsection that may indicate that a taxpayer is under investigation does not constitute a disclosure of tax return or tax information under this section.

(5) Service of a subpoena issued under RCW 82.32.115 does not constitute a disclosure of return or tax information under this section. Notwithstanding anything else to the contrary in this section, a person served with a subpoena under RCW 82.32.115 may disclose the existence or content of the subpoena to that person's legal counsel.

(6) Any person acquiring knowledge of any return or tax information in the course of his or her employment with the department of revenue and any person acquiring knowledge of any return or tax information as provided under subsection (3)(f), (g), (h), (i), (j), or (n) of this section, who discloses any such return or tax information to another person not entitled to knowledge of such return or tax information under the provisions of this section, is guilty of a
misdemeanor. If the person guilty of such violation is an officer or employee of the state, such person must forfeit such office or employment and is incapable of holding any public office or employment in this state for a period of two years thereafter.

(c) Purchases for the purpose of consuming the property purchased in producing for sale a new article of tangible personal property or substance, of which such property becomes an ingredient or component or is a chemical used in processing, when the primary purpose of such chemical is to create a chemical reaction directly through contact with an ingredient of a new article being produced for sale; or

(d) Purchases for the purpose of consuming the property purchased in producing ferrosilicon which is subsequently used in producing magnesium for sale, if the primary purpose of such property is to create a chemical reaction directly through contact with an ingredient of ferrosilicon; or

(e) Purchases for the purpose of providing the property to consumers as part of competitive telephone service, as defined in RCW 82.04.065. The term (shall) includes every sale of tangible personal property which is used or consumed or to be used or consumed in the performance of any activity classified as a "sale at retail" or "retail sale" even though such property is resold or utilized as provided in (a), (b), (c), (d), or (e) of this subsection following such use. The term also means every sale of tangible personal property to persons engaged in any business which is taxable under RCW 82.04.280 (2) and (7), 82.04.290, and 82.04.2908; or

(f) Purchases for the purpose of satisfying the person's obligations under an extended warranty as defined in subsection (7) of this section, if such tangible personal property replaces or becomes an ingredient or component of property covered by the extended warranty without intervening use by such person.

2) The term "sale at retail" or "retail sale" includes the sale of or charge made for tangible personal property consumed and/or for labor and services rendered in respect to the following:

(a) The installing, repairing, cleaning, altering, imprinting, or improving of tangible personal property of or for consumers, including charges made for the
mere use of facilities in respect thereto, but excluding charges made for the use

(b) The constructing, repairing, decorating, or improving of new or existing

the sale of services or charges made for the clearing of land and the moving of
earth excepting the mere leveling of land used in commercial farming or
agriculture;

(c) The constructing, repairing, or improving of any structure upon, above,
or under any real property owned by an owner who conveys the property by title,
possession, or any other means to the person performing such construction,
repair, or improvement for the purpose of performing such construction, repair,
or improvement and the property is then reconveyed by title, possession, or any
other means to the original owner;

(d) The cleaning, fumigating, razing, or moving of existing buildings or
structures, but ((may)) does not include the charge made for janitorial services;
and for purposes of this section the term "janitorial services" ((shall)) means
those cleaning and caretaking services ordinarily performed by commercial
janitor service businesses including, but not limited to, wall and window
washing, floor cleaning and waxing, and the cleaning in place of rugs, drapes
and upholstery. The term "janitorial services" does not include painting,
papering, repairing, furnace or septic tank cleaning, snow removal or
sandblasting;

(e) Automobile towing and similar automotive transportation services, but
not in respect to those required to report and pay taxes under chapter 82.16
RCW;

(f) The furnishing of lodging and all other services by a hotel, rooming
house, tourist court, motel, trailer camp, and the granting of any similar license
to use real property, as distinguished from the renting or leasing of real property,
and it is presumed that the occupancy of real property for a continuous period of
one month or more constitutes a rental or lease of real property and not a mere
license to use or enjoy the same. For the purposes of this subsection, it ((shall
be)) is presumed that the sale of and charge made for the furnishing of lodging
for a continuous period of one month or more to a person is a rental or lease of
real property and not a mere license to enjoy the same;

(g) The installing, repairing, altering, or improving of digital goods for
consumers;

(h) Persons taxable under (a), (b), (c), (d), (e), (f), and (g) of this subsection
when such sales or charges are for property, labor and services which are used or
consumed in whole or in part by such persons in the performance of any activity
defined as a "sale at retail" or "retail sale" even though such property, labor and
services may be resold after such use or consumption. Nothing contained in this
subsection ((shall)) may be construed to modify subsection (1) of this section
and nothing contained in subsection (1) of this section may be construed to
modify this subsection.
(3) The term "sale at retail" or "retail sale" includes the sale of or charge made for personal, business, or professional services including amounts designated as interest, rents, fees, admission, and other service emoluments however designated, received by persons engaging in the following business activities:
   
   (a) Amusement and recreation services including but not limited to golf, pool, billiards, skating, bowling, ski lifts and tows, day trips for sightseeing purposes, and others, when provided to consumers;
   
   (b) Abstract, title insurance, and escrow services;
   
   (c) Credit bureau services;

   (f) Service charges associated with tickets to professional sporting events; and
   
   (g) The following personal services: Physical fitness services, tanning salon services, tattoo parlor services, steam bath services, turkish bath services, escort services, and dating services.

(4)(a) The term also includes:
   
   (i) The renting or leasing of tangible personal property to consumers; and
   
   (ii) Providing tangible personal property along with an operator for a fixed or indeterminate period of time. A consideration of this is that the operator is necessary for the tangible personal property to perform as designed. For the purpose of this subsection (4)(a)(ii), an operator must do more than maintain, inspect, or set up the tangible personal property.

   (b) The term does not include the renting or leasing of tangible personal property where the lease or rental is for the purpose of sublease or subrent.

(5) The term also includes the providing of "competitive telephone service," "telecommunications service," or "ancillary services," as those terms are defined in RCW 82.04.065, to consumers.

(6)(a) The term also includes the sale of prewritten computer software ((other than a sale)) to a ((person who presents a seller's permit or uniform exemption certificate in conformity with RCW 82.04.470)) consumer, regardless of the method of delivery to the end user. For purposes of this subsection (6)(a), the sale of prewritten computer software includes the sale of or charge made for a key or an enabling or activation code, where the key or code is required to activate prewritten computer software and put the software into use. There is no separate sale of the key or code from the prewritten computer software, regardless of how the sale may be characterized by the vendor or by the purchaser.

   The term "retail sale" does not include the sale of or charge made for:
   
   (i) Custom software; or
   
   (ii) The customization of prewritten computer software.

   (b) The term also includes the charge made to consumers for the right to access and use prewritten computer software, where possession of the software is maintained by the seller or a third party, regardless of whether the charge for
the service is on a per use, per user, per license, subscription, or some other basis.

(7) The term also includes the sale of or charge made for an extended warranty to a consumer. For purposes of this subsection, "extended warranty" means an agreement for a specified duration to perform the replacement or repair of tangible personal property at no additional charge or a reduced charge for tangible personal property, labor, or both, or to provide indemnification for the replacement or repair of tangible personal property, based on the occurrence of specified events. The term "extended warranty" does not include an agreement, otherwise meeting the definition of extended warranty in this subsection, if no separate charge is made for the agreement and the value of the agreement is included in the sales price of the tangible personal property covered by the agreement. For purposes of this subsection, "sales price" has the same meaning as in RCW 82.08.010.

(8)(a) The term also includes the following sales to consumers of digital goods, digital codes, and digital automated services:

(i) Sales in which the seller has granted the purchaser the right of permanent use;
(ii) Sales in which the seller has granted the purchaser a right of use that is less than permanent;
(iii) Sales in which the purchaser is not obligated to make continued payment as a condition of the sale; and
(iv) Sales in which the purchaser is obligated to make continued payment as a condition of the sale.

(b) A retail sale of digital goods, digital codes, or digital automated services under this subsection (8) includes any services provided by the seller exclusively in connection with the digital goods, digital codes, or digital automated services, whether or not a separate charge is made for such services.

(c) For purposes of this subsection, "permanent" means perpetual or for an indefinite or unspecified length of time. A right of permanent use is presumed to have been granted unless the agreement between the seller and the purchaser specifies or the circumstances surrounding the transaction suggest or indicate that the right to use terminates on the occurrence of a condition subsequent.

(9) The term does not include the sale of or charge made for labor and services rendered in respect to the building, repairing, or improving of any street, place, road, highway, easement, right-of-way, mass public transportation terminal or parking facility, bridge, tunnel, or trestle which is owned by a municipal corporation or political subdivision of the state or by the United States and which is used or to be used primarily for foot or vehicular traffic including mass transportation vehicles of any kind.

(10) The term also does not include sales of chemical sprays or washes to persons for the purpose of postharvest treatment of fruit for the prevention of scald, fungus, mold, or decay, nor does it include sales of feed, seed, seedlings, fertilizer, agents for enhanced pollination including insects such as bees, and spray materials to: (a) Persons who participate in the federal conservation reserve program, the environmental quality incentives program, the wetlands reserve program, and the wildlife habitat incentives program, or their successors administered by the United States department of agriculture; (b) farmers for the purpose of producing for sale any agricultural product; and (c) farmers acting
under cooperative habitat development or access contracts with an organization exempt from federal income tax under Title 26 U.S.C. Sec. 501(c)(3) or the Washington state department of fish and wildlife to produce or improve wildlife habitat on land that the farmer owns or leases.

(11) The term does not include the sale of or charge made for labor and services rendered in respect to the constructing, repairing, decorating, or improving of new or existing buildings or other structures under, upon, or above real property of or for the United States, any instrumentality thereof, or a county or city housing authority created pursuant to chapter 35.82 RCW, including the installing, or attaching of any article of tangible personal property therein or thereto, whether or not such personal property becomes a part of the realty by virtue of installation. Nor does the term include the sale of services or charges made for the clearing of land and the moving of earth of or for the United States, any instrumentality thereof, or a county or city housing authority. Nor does the term include the sale of services or charges made for cleaning up for the United States, or its instrumentalities, radioactive waste and other byproducts of weapons production and nuclear research and development.

(12) The term does not include the sale of or charge made for labor, services, or tangible personal property pursuant to agreements providing maintenance services for bus, rail, or rail fixed guideway equipment when a regional transit authority is the recipient of the labor, services, or tangible personal property, and a transit agency, as defined in RCW 81.104.015, performs the labor or services.

Sec. 15. RCW 34.05.328 and 2003 c 165 s 2 and 2003 c 39 s 13 are each reenacted and amended to read as follows:

(1) Before adopting a rule described in subsection (5) of this section, an agency shall:

(a) Clearly state in detail the general goals and specific objectives of the statute that the rule implements;

(b) Determine that the rule is needed to achieve the general goals and specific objectives stated under (a) of this subsection, and analyze alternatives to rule making and the consequences of not adopting the rule;

(c) Provide notification in the notice of proposed rule making under RCW 34.05.320 that a preliminary cost-benefit analysis is available. The preliminary cost-benefit analysis must fulfill the requirements of the cost-benefit analysis under (d) of this subsection. If the agency files a supplemental notice under RCW 34.05.340, the supplemental notice shall include notification that a revised preliminary cost-benefit analysis is available. A final cost-benefit analysis shall be available when the rule is adopted under RCW 34.05.360;

(d) Determine that the probable benefits of the rule are greater than its probable costs, taking into account both the qualitative and quantitative benefits and costs and the specific directives of the statute being implemented;

(e) Determine, after considering alternative versions of the rule and the analysis required under (b), (c), and (d) of this subsection, that the rule being adopted is the least burdensome alternative for those required to comply with it that will achieve the general goals and specific objectives stated under (a) of this subsection;

(f) Determine that the rule does not require those to whom it applies to take an action that violates requirements of another federal or state law;
(g) Determine that the rule does not impose more stringent performance requirements on private entities than on public entities unless required to do so by federal or state law;

(h) Determine if the rule differs from any federal regulation or statute applicable to the same activity or subject matter and, if so, determine that the difference is justified by the following:

(i) A state statute that explicitly allows the agency to differ from federal standards;

(ii) Substantial evidence that the difference is necessary to achieve the general goals and specific objectives stated under (a) of this subsection; and

(i) Coordinate the rule, to the maximum extent practicable, with other federal, state, and local laws applicable to the same activity or subject matter.

(2) In making its determinations pursuant to subsection (1)(b) through (h) of this section, the agency shall place in the rule-making file documentation of sufficient quantity and quality so as to persuade a reasonable person that the determinations are justified.

(3) Before adopting rules described in subsection (5) of this section, an agency shall place in the rule-making file a rule implementation plan for rules filed under each adopting order. The plan shall describe how the agency intends to:

(a) Implement and enforce the rule, including a description of the resources the agency intends to use;

(b) Inform and educate affected persons about the rule;

(c) Promote and assist voluntary compliance; and

(d) Evaluate whether the rule achieves the purpose for which it was adopted, including, to the maximum extent practicable, the use of interim milestones to assess progress and the use of objectively measurable outcomes.

(4) After adopting a rule described in subsection (5) of this section regulating the same activity or subject matter as another provision of federal or state law, an agency shall do all of the following:

(a) Provide to the business assistance center a list citing by reference the other federal and state laws that regulate the same activity or subject matter;

(b) Coordinate implementation and enforcement of the rule with the other federal and state entities regulating the same activity or subject matter by making every effort to do one or more of the following:

(i) Deferring to the other entity;

(ii) Designating a lead agency; or

(iii) Entering into an agreement with the other entities specifying how the agency and entities will coordinate implementation and enforcement.

If the agency is unable to comply with this subsection (4)((b)) (a), the agency shall report to the legislature pursuant to (((c)) (b)) of this subsection;

(((c)) (b) Report to the joint administrative rules review committee:

(i) The existence of any overlap or duplication of other federal or state laws, any differences from federal law, and any known overlap, duplication, or conflict with local laws; and

(ii) Make recommendations for any legislation that may be necessary to eliminate or mitigate any adverse effects of such overlap, duplication, or difference.

(5)(a) Except as provided in (b) of this subsection, this section applies to:
(i) Significant legislative rules of the departments of ecology, labor and industries, health, revenue, social and health services, and natural resources, the employment security department, the forest practices board, the office of the insurance commissioner, and to the legislative rules of the department of fish and wildlife implementing chapter 77.55 RCW; and

(ii) Any rule of any agency, if this section is voluntarily made applicable to the rule by the agency, or is made applicable to the rule by a majority vote of the joint administrative rules review committee within forty-five days of receiving the notice of proposed rule making under RCW 34.05.320.

(b) This section does not apply to:
(i) Emergency rules adopted under RCW 34.05.350;
(ii) Rules relating only to internal governmental operations that are not subject to violation by a nongovernment party;
(iii) Rules adopting or incorporating by reference without material change federal statutes or regulations, Washington state statutes, rules of other Washington state agencies, shoreline master programs other than those programs governing shorelines of statewide significance, or, as referenced by Washington state law, national consensus codes that generally establish industry standards, if the material adopted or incorporated regulates the same subject matter and conduct as the adopting or incorporating rule;
(iv) Rules that only correct typographical errors, make address or name changes, or clarify language of a rule without changing its effect;
(v) Rules the content of which is explicitly and specifically dictated by statute;
(vi) Rules that set or adjust fees or rates pursuant to legislative standards;
(vii) Rules of the department of social and health services relating only to client medical or financial eligibility and rules concerning liability for care of dependents; or
(viii) Rules of the department of revenue that adopt a uniform expiration date for reseller permits as authorized in RCW 82.32.780 and 82.32.783.

(c) For purposes of this subsection:
(i) A "procedural rule" is a rule that adopts, amends, or repeals (A) any procedure, practice, or requirement relating to any agency hearings; (B) any filing or related process requirement for making application to an agency for a license or permit; or (C) any policy statement pertaining to the consistent internal operations of an agency.

(ii) An "interpretive rule" is a rule, the violation of which does not subject a person to a penalty or sanction, that sets forth the agency's interpretation of statutory provisions it administers.

(iii) A "significant legislative rule" is a rule other than a procedural or interpretive rule that (A) adopts substantive provisions of law pursuant to delegated legislative authority, the violation of which subjects a violator of such rule to a penalty or sanction; (B) establishes, alters, or revokes any qualification or standard for the issuance, suspension, or revocation of a license or permit; or (C) adopts a new, or makes significant amendments to, a policy or regulatory program.
(d) In the notice of proposed rule making under RCW 34.05.320, an agency shall state whether this section applies to the proposed rule pursuant to (a)(i) of this subsection, or if the agency will apply this section voluntarily.

(6) By January 31, 1996, and by January 31st of each even-numbered year thereafter, the office of financial management, after consulting with state agencies, counties, and cities, and business, labor, and environmental organizations, shall report to the governor and the legislature regarding the effects of this section on the regulatory system in this state. The report shall document:

(e) The extent to which this section has improved the acceptability of state rules to those regulated; and
(f) Any other information considered by the office of financial management to be useful in evaluating the effect of this section.

CHAPTER 113

HOSPITALS—REQUIRED REPORTS—INFECTIONS—SURGERY SITES

AN ACT Relating to requiring hospitals to report certain health care-associated infections to the Washington state hospital association's quality benchmarking system until the national health care safety network is able to accept aggregate denominator data; amending RCW 43.70.056; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 43.70.056 and 2009 c 244 s 2 are each amended to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.
(a) "Health care-associated infection" means a localized or systemic condition that results from adverse reaction to the presence of an infectious agent or its toxins and that was not present or incubating at the time of admission to the hospital.

(b) "Hospital" means a health care facility licensed under chapter 70.41 RCW.

(2)(a) A hospital shall collect data related to health care-associated infections as required under this subsection (2) on the following:

(i) Beginning July 1, 2008, central line-associated bloodstream infection in the intensive care unit;

(ii) Beginning January 1, 2009, ventilator-associated pneumonia; and

(iii) Beginning January 1, 2010, surgical site infection for the following procedures:

(A) Deep sternal wound for cardiac surgery, including coronary artery bypass graft;

(B) Total hip and knee replacement surgery; and

(C) Hysterectomy, abdominal and vaginal.

(b) Until the national health care safety network releases a revised module that successfully interfaces with a majority of computer systems of Washington hospitals required to report data under (a)(iii) of this subsection or three years, whichever occurs sooner, a hospital shall monthly submit the data required to be collected under (a) of this subsection to the national healthcare safety network of the United States centers for disease control and prevention in accordance with national healthcare safety network definitions, methods, requirements, and procedures.

(ii) Until the national health care safety network releases a revised module that successfully interfaces with a majority of computer systems of Washington hospitals required to report data under (a)(iii) of this subsection or three years, whichever occurs sooner, a hospital shall monthly submit the data required to be collected under (a)(iii) of this subsection to the Washington state hospital association's quality benchmarking system instead of the national health care safety network. The department shall not include data reported to the quality benchmarking system in reports published under subsection (3)(d) of this section. The data the hospital submits to the quality benchmarking system under (b)(ii) of this subsection:

(A) Must include the number of infections and the total number of surgeries performed for each type of surgery; and

(B) Must be the basis for a report developed by the Washington state hospital association and published on its web site that compares the health care-associated infection rates for surgical site infections at individual hospitals in the state using the data reported in the previous calendar year pursuant to this subsection. The report must be published on December 1, 2010, and every year thereafter until data is again reported to the national health care safety network.

(c)(i) With respect to any of the health care-associated infection measures for which reporting is required under (a) of this subsection, the department must, by rule, require hospitals to collect and submit the data to the centers for medicare and medicaid services according to the definitions, methods, requirements, and procedures of the hospital compare program, or its successor, instead of to the national healthcare safety network, if the department determines that:
(A) The measure is available for reporting under the hospital compare program, or its successor, under substantially the same definition; and

(B) Reporting under this subsection (2)(c) will provide substantially the same information to the public.

(ii) If the department determines that reporting of a measure must be conducted under this subsection (2)(c), the department must adopt rules to implement such reporting. The department's rules must require reporting to the centers for medicare and medicaid services as soon as practicable, but not more than one hundred twenty days, after the centers for medicare and medicaid services allow hospitals to report the respective measure to the hospital compare program, or its successor. However, if the centers for medicare and medicaid services allow infection rates to be reported using the centers for disease control and prevention's national healthcare safety network, the department's rules must require reporting that reduces the burden of data reporting and minimizes changes that hospitals must make to accommodate requirements for reporting.

(d) Data collection and submission required under this subsection (2) must be overseen by a qualified individual with the appropriate level of skill and knowledge to oversee data collection and submission.

(e)(i) A hospital must release to the department, or grant the department access to, its hospital-specific information contained in the reports submitted under this subsection (2), as requested by the department.

(ii) The hospital reports obtained by the department under this subsection (2), and any of the information contained in them, are not subject to discovery by subpoena or admissible as evidence in a civil proceeding, and are not subject to public disclosure as provided in RCW 42.56.360.

(3) The department shall:

(a) Provide oversight of the health care-associated infection reporting program established in this section;

(b) By January 1, 2011, submit a report to the appropriate committees of the legislature based on the recommendations of the advisory committee established in subsection (5) of this section for additional reporting requirements related to health care-associated infections, considering the methodologies and practices of the United States centers for disease control and prevention, the centers for medicare and medicaid services, the joint commission, the national quality forum, the institute for healthcare improvement, and other relevant organizations;

(c) Delete, by rule, the reporting of categories that the department determines are no longer necessary to protect public health and safety;

(d) By December 1, 2009, and by each December 1st thereafter, prepare and publish a report on the department's web site that compares the health care-associated infection rates at individual hospitals in the state using the data reported in the previous calendar year pursuant to subsection (2) of this section. The department may update the reports quarterly. In developing a methodology for the report and determining its contents, the department shall consider the recommendations of the advisory committee established in subsection (5) of this section. The report is subject to the following:

(i) The report must disclose data in a format that does not release health information about any individual patient; and
(ii) The report must not include data if the department determines that a data set is too small or possesses other characteristics that make it otherwise unrepresentative of a hospital's particular ability to achieve a specific outcome; and

(e) Evaluate, on a regular basis, the quality and accuracy of health care-associated infection reporting required under subsection (2) of this section and the data collection, analysis, and reporting methodologies.

(4) The department may respond to requests for data and other information from the data required to be reported under subsection (2) of this section, at the requestor's expense, for special studies and analysis consistent with requirements for confidentiality of patient records.

(5)(a) The department shall establish an advisory committee which may include members representing infection control professionals and epidemiologists, licensed health care providers, nursing staff, organizations that represent health care providers and facilities, health maintenance organizations, health care payers and consumers, and the department. The advisory committee shall make recommendations to assist the department in carrying out its responsibilities under this section, including making recommendations on allowing a hospital to review and verify data to be released in the report and on excluding from the report selected data from certified critical access hospitals. [Substitute House Bill 3066]

TAX INCENTIVES—ACCOUNTABILITY REPORTS AND SURVEYS

AN ACT Relating to creating uniformity among annual tax reporting survey provisions; amending RCW 82.04.240, 82.04.2404, 82.04.250, 82.04.2909, 82.04.294, 82.04.426, 82.04.4266, 82.04.4268, 82.04.4269, 82.04.4452, 82.04.4461, 82.04.4463, 82.04.448, 82.04.4481, 82.04.4483, 82.04.4484, 82.04.449, 82.08.805, 82.08.965, 82.08.9651, 82.08.970, 82.08.980, 82.12.022, 82.12.805, 82.12.965, 82.12.9651, 82.12.970, 82.12.980, 82.16.0421, 82.29A.137, 82.32.590, 82.32.600, 82.32.710, 82.60.020, 82.60.070, 82.63.020, 82.63.045, 82.74.040, 82.74.050, 82.75.010,
Be it enacted by the Legislature of the State of Washington:

PART I

PROVIDING UNIFORMITY IN TAX INCENTIVE ACCOUNTABILITY PROVISIONS

NEW SECTION. Sec. 101. (1) The legislature finds that accountability and effectiveness are important aspects of setting tax policy. In order to make policy choices regarding the best use of limited state resources, the legislature needs information on how a tax preference is used. In recent years, the legislature has enacted or extended numerous tax preferences that require the reporting of information to the department of revenue. Although there are many similarities in the requirements, and only two distinct accountability documents, there is a lack of uniformity in the information reported, penalties for failure to file, due dates, filing extensions, and filing requirements. Greater uniformity in the data reported is necessary to adequately compare tax preference programs. The legislature intends to create two sets of uniform reporting requirements that apply to the existing tax preferences and can be used in future legislation granting additional tax preferences.

(2) The legislative fiscal committees or the department of revenue are required to study many of the existing tax preferences and report to the legislature at least once. Because chapter 43.136 RCW now requires the joint legislative audit and review committee, with support from the department of revenue, to comprehensively review most tax preferences every ten years and provide a report to the legislature, a number of redundant studies by the legislative fiscal committees and the department of revenue have been eliminated. However, the department of revenue will continue to prepare summary descriptive statistics by category and report the statistics to the legislature each year.

NEW SECTION. Sec. 102. A new section is added to chapter 82.32 RCW to read as follows:

(1)(a) Every person claiming a tax preference that requires a survey under this section must file a complete annual survey with the department.

(i) Except as provided in (a)(ii) of this subsection, the survey is due by April 30th of the year following any calendar year in which a person becomes eligible to claim the tax preference that requires a survey under this section.

(ii) If the tax preference is a deferral of tax, the first survey must be filed by April 30th of the calendar year following the calendar year in which the investment project is certified by the department as operationally complete, and a survey must be filed by April 30th of each of the seven succeeding calendar years.

(b) The department may extend the due date for timely filing of annual surveys under this section as provided in RCW 82.32.590.
(2)(a) The survey must include the amount of the tax preference claimed for the calendar year covered by the survey.

(b) The survey must also include the following information for employment positions in Washington, not to include names of employees, for the year that the tax preference was claimed:

(i) The number of total employment positions;

(ii) Full-time, part-time, and temporary employment positions as a percent of total employment;

(iii) The number of employment positions according to the following wage bands: Less than thirty thousand dollars; thirty thousand dollars or greater, but less than sixty thousand dollars; and sixty thousand dollars or greater. A wage band containing fewer than three individuals may be combined with another wage band; and

(iv) The number of employment positions that have employer-provided medical, dental, and retirement benefits, by each of the wage bands.

(c) For persons claiming the tax preference provided under chapter 82.60 or 82.63 RCW, the survey must also include the number of new products or research projects by general classification, and the number of trademarks, patents, and copyrights associated with activities at the investment project.

(d) For persons claiming the credit provided under RCW 82.04.4452, the survey must also include the qualified research and development expenditures during the calendar year for which the credit was claimed, the taxable amount during the calendar year for which the credit was claimed, the number of new products or research projects by general classification, the number of trademarks, patents, and copyrights associated with the research and development activities for which the credit was claimed, and whether the tax preference has been assigned, and who assigned the credit. The definitions in RCW 82.04.4452 apply to this subsection (2)(d).

(e) If the person filing a survey under this section did not file a survey with the department in the previous calendar year, the survey filed under this section must also include the employment, wage, and benefit information required under (b)(i) through (iv) of this subsection for the calendar year immediately preceding the calendar year for which a tax preference was claimed.

(3) As part of the annual survey, the department may request additional information necessary to measure the results of, or determine eligibility for, the tax preference.

(4) All information collected under this section, except the amount of the tax preference claimed, is deemed taxpayer information under RCW 82.32.330. Information on the amount of tax preference claimed is not subject to the confidentiality provisions of RCW 82.32.330 and may be disclosed to the public upon request, except as provided in subsection (5) of this section. If the amount of the tax preference claimed as reported on the survey is different than the amount actually claimed or otherwise allowed by the department based on the taxpayer's excise tax returns or other information known to the department, the amount actually claimed or allowed may be disclosed.

(5) Persons for whom the actual amount of the tax reduced or saved is less than ten thousand dollars during the period covered by the survey may request the department to treat the amount of the tax reduction or savings as confidential under RCW 82.32.330.
(6)(a) Except as otherwise provided by law, if a person claims a tax preference that requires an annual survey under this section but fails to submit a complete annual survey by the due date of the survey or any extension under RCW 82.32.590, the department must declare the amount of the tax preference claimed for the previous calendar year to be immediately due. If the tax preference is a deferral of tax, twelve and one-half percent of the deferred tax is immediately due. If the economic benefits of the deferral are passed to a lessee, the lessee is responsible for payment to the extent the lessee has received the economic benefit.

(b) The department must assess interest, but not penalties, on the amounts due under this subsection. The interest must be assessed at the rate provided for delinquent taxes under this chapter, retroactively to the date the tax preference was claimed, and accrues until the taxes for which the tax preference was claimed are repaid. Amounts due under this subsection are not subject to the confidentiality provisions of RCW 82.32.330 and may be disclosed to the public upon request.

(7) The department must use the information from this section to prepare summary descriptive statistics by category. No fewer than three taxpayers may be included in any category. The department must report these statistics to the legislature each year by October 1st.

(8) For the purposes of this section:
   (a) "Person" has the meaning provided in RCW 82.04.030 and also includes the state and its departments and institutions.
   (b) "Tax preference" has the meaning provided in RCW 43.136.021 and includes only the tax preferences requiring a survey under this section.

NEW SECTION, Sec. 103. A new section is added to chapter 82.32 RCW to read as follows:

(1)(a) Every person claiming a tax preference that requires a report under this section must file a complete annual report with the department. The report is due by April 30th of the year following any calendar year in which a person becomes eligible to claim the tax preference that requires a report under this section. The department may extend the due date for timely filing of annual reports under this section as provided in RCW 82.32.590.

(b) The report must include information detailing employment, wages, and employer-provided health and retirement benefits for employment positions in Washington for the year that the tax preference was claimed. However, persons engaged in manufacturing commercial airplanes or components of such airplanes may report employment, wage, and benefit information per job at the manufacturing site for the year that the tax preference was claimed. The report must not include names of employees. The report must also detail employment by the total number of full-time, part-time, and temporary positions for the year that the tax preference was claimed.

(c) Persons receiving the benefit of the tax preference provided by RCW 82.16.0421 or claiming any of the tax preferences provided by RCW 82.04.2909, 82.04.4481, 82.08.805, 82.12.805, or 82.12.022(5) must indicate on the annual report the quantity of product produced in this state during the time period covered by the report.

(d) If a person filing a report under this section did not file a report with the department in the previous calendar year, the report filed under this section must
also include employment, wage, and benefit information for the calendar year immediately preceding the calendar year for which a tax preference was claimed.

(2) As part of the annual report, the department may request additional information necessary to measure the results of, or determine eligibility for, the tax preference.

(3) Other than information requested under subsection (2) of this section, the information contained in an annual report filed under this section is not subject to the confidentiality provisions of RCW 82.32.330 and may be disclosed to the public upon request.

(4) Except as otherwise provided by law, if a person claims a tax preference that requires an annual report under this section but fails to submit a complete report by the due date or any extension under RCW 82.32.590, the department must declare the amount of the tax preference claimed for the previous calendar year to be immediately due and payable. The department must assess interest, but not penalties, on the amounts due under this subsection. The interest must be assessed at the rate provided for delinquent taxes under this chapter, retroactively to the date the tax preference was claimed, and accrues until the taxes for which the tax preference was claimed are repaid. Amounts due under this subsection are not subject to the confidentiality provisions of RCW 82.32.330 and may be disclosed to the public upon request.

(5) The department must use the information from this section to prepare summary descriptive statistics by category. No fewer than three taxpayers may be included in any category. The department must report these statistics to the legislature each year by October 1st.

Sec. 114. RCW 82.04.4452 and 2005 c 514 s 1003 are each amended to read as follows:

(1) In computing the tax imposed under this chapter, a credit is allowed for each person whose research and development spending during the year in which the credit is claimed exceeds 0.92 percent of the person's taxable amount during the same calendar year.

(2) The credit is calculated as follows:

(a) Determine the greater of the amount of qualified research and development expenditures of a person or eighty percent of amounts received by a person other than a public educational or research institution in compensation for the conduct of qualified research and development;

(b) Subtract 0.92 percent of the person's taxable amount from the amount determined under (a) of this subsection;

(c) Multiply the amount determined under (b) of this subsection by the following:

(i) For the period June 10, 2004, through December 31, 2006, the person's average tax rate for the calendar year for which the credit is claimed;

(ii) For the calendar year ending December 31, 2007, the greater of the person's average tax rate for that calendar year or 0.75 percent;

(iii) For the calendar year ending December 31, 2008, the greater of the person's average tax rate for that calendar year or 1.0 percent;
(iv) For the calendar year ending December 31, 2009, the greater of the person’s average tax rate for that calendar year or 1.25 percent;
(v) For the calendar year ending December 31, 2010, and thereafter, 1.50 percent.

For purposes of calculating the credit, if a person’s reporting period is less than annual, the person may use an estimated average tax rate for the calendar year for which the credit is claimed by using the person’s average tax rate for each reporting period. A person who uses an estimated average tax rate must make an adjustment to the total credit claimed for the calendar year using the person’s actual average tax rate for the calendar year when the person files its last return for the calendar year for which the credit is claimed.

(3) Any person entitled to the credit provided in subsection (2) of this section as a result of qualified research and development conducted under contract may assign all or any portion of the credit to the person contracting for the performance of the qualified research and development.

(4) The credit, including any credit assigned to a person under subsection (3) of this section, must be claimed against taxes due for the same calendar year in which the qualified research and development expenditures are incurred. The credit, including any credit assigned to a person under subsection (3) of this section, for each calendar year may not exceed the lesser of two million dollars or the amount of tax otherwise due under this chapter for the calendar year.

(5) For any person claiming the credit, including any credit assigned to a person under subsection (3) of this section, whose research and development spending during the calendar year in which the credit is claimed fails to exceed 0.92 percent of the person’s taxable amount during the same calendar year or who is otherwise ineligible, the department must declare the taxes against which the credit was claimed to be immediately due and payable. The department must assess interest, but not penalties, on the taxes against which the credit was claimed. Interest must be assessed at the rate provided for delinquent excise taxes under chapter 82.32 RCW, retroactively to the date the credit was claimed, and accrues until the taxes against which the credit was claimed are repaid. Any credit assigned to a person under subsection (3) of this section that is disallowed as a result of this section may be claimed by the person who performed the qualified research and development subject to the limitations set forth in subsection (4) of this section.

(6)(a) The legislature finds that accountability and effectiveness are important aspects of setting tax policy. In order to make policy choices regarding the best use of limited state resources the legislature needs information on how a tax incentive is used.

(b) A person claiming the credit provided in this section must file a complete annual survey with the department under section 102 of this act. The survey is due by March 31st following any year in which a credit is claimed. The department may extend the due date for timely filing of annual surveys under this section as provided in RCW 82.32.590. The survey shall include the amount of the tax credit claimed, the qualified research and development expenditures during the calendar year for which the credit is claimed, the taxable amount during the calendar year for which the credit is claimed, the number of new products or research projects by general
classification, the number of trademarks, patents, and copyrights associated with
the research and development activities for which a credit was claimed, and
whether the credit has been assigned under subsection (3) of this section and
who assigned the credit. The survey shall also include the following information
for employment positions in Washington:

(i) The number of total employment positions;
(ii) Full-time, part-time, and temporary employment positions as a percent
of total employment;
(iii) The number of employment positions according to the following wage
bands: Less than thirty thousand dollars; thirty thousand dollars or greater, but
less than sixty thousand dollars; and sixty thousand dollars or greater. A wage
band containing fewer than three individuals may be combined with another
wage band; and
(iv) The number of employment positions that have employer-provided
medical, dental, and retirement benefits, by each of the wage bands.

(c) The department may request additional information necessary to
measure the results of the tax credit program, to be submitted at the same time as
the survey.

(d)(i) All information collected under this subsection, except the amount of
the tax credit claimed, is deemed taxpayer information under RCW 82.32.330.
Information on the amount of tax credit claimed is not subject to the
confidentiality provisions of RCW 82.32.330 and may be disclosed to the public
upon request, except as provided in this subsection (d)(ii). If the amount of the
tax credit as reported on the survey is different than the amount actually claimed
on the taxpayer's tax returns or otherwise allowed by the department, the amount
actually claimed or allowed may be disclosed.

(ii) Persons for whom the actual amount of the tax credit claimed on the
taxpayer's returns or otherwise allowed by the department is less than ten
thousand dollars during the period covered by the survey may request the
department to treat the tax credit amount as confidential under RCW 82.32.330.

(e) If a person fails to file a complete annual survey required under this
subsection with the department by the due date or any extension under RCW
82.32.590, the person entitled to the credit provided in subsection (2) of this
section is not eligible to claim or assign the credit provided in subsection (2) of
this section in the year the person failed to timely file a complete survey.

(7) The department shall use the information from subsection (6) of this
section to prepare summary descriptive statistics by category. No fewer than
three taxpayers shall be included in any category. The department shall report
these statistics to the legislature each year by September 1st.

(8) The department shall use the information from subsection (6) of this
section to study the tax credit program authorized under this section. The
department shall report to the legislature by December 1, 2009, and December 1,
2013. The reports shall measure the effect of the program on job creation, the
number of jobs created for Washington residents, company growth, the
introduction of new products, the diversification of the state's economy, growth
in research and development investment, the movement of firms or the
consolidation of firms' operations into the state, and such other factors as the
department selects.

(9)) For the purpose of this section:
(a) "Average tax rate" means a person's total tax liability under this chapter for the calendar year for which the credit is claimed divided by the taxpayer's total taxable amount under this chapter for the calendar year for which the credit is claimed.

(b) "Qualified research and development expenditures" means operating expenses, including wages, compensation of a proprietor or a partner in a partnership as determined under rules adopted by the department, benefits, supplies, and computer expenses, directly incurred in qualified research and development by a person claiming the credit provided in this section. The term does not include amounts paid to a person other than a public educational or research institution to conduct qualified research and development. Nor does the term include capital costs and overhead, such as expenses for land, structures, or depreciable property.

(c) "Qualified research and development" shall have the same meaning as in RCW 82.63.010.

(d) "Research and development spending" means qualified research and development expenditures plus eighty percent of amounts paid to a person other than a public educational or research institution to conduct qualified research and development.

(e) "Taxable amount" means the taxable amount subject to the tax imposed in this chapter required to be reported on the person's combined excise tax returns for the calendar year for which the credit is claimed, less any taxable amount for which a credit is allowed under RCW 82.04.440.

((10) (8)) This section expires January 1, 2015.

Sec. 115. RCW 82.04.4461 and 2008 c 81 s 7 are each amended to read as follows:

(1)(a)(i) In computing the tax imposed under this chapter, a credit is allowed for each person for qualified aerospace product development. For a person who is a manufacturer or processor for hire of commercial airplanes or components of such airplanes, credit may be earned for expenditures occurring after December 1, 2003. For all other persons, credit may be earned only for expenditures occurring after June 30, 2008.

(ii) For purposes of this subsection, "commercial airplane" and "component" have the same meanings as provided in RCW 82.32.550.

(b) Before July 1, 2005, any credits earned under this section must be accrued and carried forward and may not be used until July 1, 2005. These carryover credits may be used at any time thereafter, and may be carried over until used. Refunds may not be granted in the place of a credit.

(2) The credit is equal to the amount of qualified aerospace product development expenditures of a person, multiplied by the rate of 1.5 percent.

(3) Except as provided in subsection (1)(b) of this section the credit ((shall)) must be ((taken)) claimed against taxes due for the same calendar year in which the qualified aerospace product development expenditures are incurred. Credit earned on or after July 1, 2005, may not be carried over. The credit for each calendar year ((shall)) may not exceed the amount of tax otherwise due under this chapter for the calendar year. Refunds may not be granted in the place of a credit.

(4) Any person claiming the credit ((shall)) must file a form prescribed by the department that ((shall)) must include the amount of the credit claimed, an
estimate of the anticipated aerospace product development expenditures during the calendar year for which the credit is claimed, an estimate of the taxable amount during the calendar year for which the credit is claimed, and such additional information as the department may prescribe.

(5) The definitions in this subsection apply throughout this section.

(a) "Aerospace product" has the meaning given in RCW 82.08.975.

(b) "Aerospace product development" means research, design, and engineering activities performed in relation to the development of an aerospace product or of a product line, model, or model derivative of an aerospace product, including prototype development, testing, and certification. The term includes the discovery of technological information, the translating of technological information into new or improved products, processes, techniques, formulas, or inventions, and the adaptation of existing products and models into new products or new models, or derivatives of products or models. The term does not include manufacturing activities or other production-oriented activities, however the term does include tool design and engineering design for the manufacturing process. The term does not include surveys and studies, social science and humanities research, market research or testing, quality control, sale promotion and service, computer software developed for internal use, and research in areas such as improved style, taste, and seasonal design.

(c) "Qualified aerospace product development" means aerospace product development performed within this state.

(d) "Qualified aerospace product development expenditures" means operating expenses, including wages, compensation of a proprietor or a partner in a partnership as determined by the department, benefits, supplies, and computer expenses, directly incurred in qualified aerospace product development by a person claiming the credit provided in this section. The term does not include amounts paid to a person or to the state and any of its departments and institutions, other than a public educational or research institution to conduct qualified aerospace product development. The term does not include capital costs and overhead, such as expenses for land, structures, or depreciable property.

(e) "Taxable amount" means the taxable amount subject to the tax imposed in this chapter required to be reported on the person's tax returns during the year in which the credit is claimed, less any taxable amount for which a credit is allowed under RCW 82.04.440.

(6) In addition to all other requirements under this title, a person (taking) claiming the credit under this section must file a complete annual report (as required) with the department under (RCW 82.32.545) section 103 of this act.

(7) Credit may not be claimed for expenditures for which a credit is claimed under RCW 82.04.4452.

(8) This section expires July 1, 2024.

Sec. 116. RCW 82.04.4463 and 2008 c 81 s 8 are each amended to read as follows:

(1) In computing the tax imposed under this chapter, a credit is allowed for property taxes and leasehold excise taxes paid during the calendar year.

(2) The credit is equal to:
(a)(i)(A) Property taxes paid on buildings, and land upon which the buildings are located, constructed after December 1, 2003, and used exclusively in manufacturing commercial airplanes or components of such airplanes; and

(B) Leasehold excise taxes paid with respect to buildings constructed after January 1, 2006, the land upon which the buildings are located, or both, if the buildings are used exclusively in manufacturing commercial airplanes or components of such airplanes; and

(C) Property taxes or leasehold excise taxes paid on, or with respect to, buildings constructed after June 30, 2008, the land upon which the buildings are located, or both, and used exclusively for aerospace product development, manufacturing tooling specifically designed for use in manufacturing commercial airplanes or their components, or in providing aerospace services, by persons not within the scope of (a)(i)(A) and (B) of this subsection (2) and are((:  (I) Engaged in manufacturing tooling specifically designed for use in manufacturing commercial airplanes or their components, or (II) taxable under RCW 82.04.290(3), 82.04.260(11)(b), or 82.04.250(3); or

(ii) Property taxes attributable to an increase in assessed value due to the renovation or expansion, after:  (A) December 1, 2003, of a building used exclusively in manufacturing commercial airplanes or components of such airplanes; and (B) June 30, 2008, of buildings used exclusively for aerospace product development, manufacturing tooling specifically designed for use in manufacturing commercial airplanes or their components, or in providing aerospace services, by persons not within the scope of (a)(ii)(A) of this subsection (2) and are((— (I) Engaged in manufacturing tooling specifically designed for use in manufacturing commercial airplanes or their components, or (II) taxable under RCW 82.04.290(3), 82.04.260(11)(b), or 82.04.250(3); and

(b) An amount equal to:

(i) Property taxes paid, by persons taxable under RCW 82.04.260(11)(a), on machinery and equipment exempt under RCW 82.08.02565 or 82.12.02565 and acquired after December 1, 2003;

(B) Property taxes paid, by persons taxable under RCW 82.04.260(11)(b), on machinery and equipment exempt under RCW 82.08.02565 or 82.12.02565 and acquired after June 30, 2008; or

(((4))) (B) The denominator of the fraction is the total taxable amount subject to the tax imposed under all manufacturing classifications in chapter 82.04 RCW.
For purposes of both the numerator and denominator of the fraction, the total taxable amount refers to the total taxable amount required to be reported on the person's returns for the calendar year before the calendar year in which the credit under this section is earned. The department may provide for an alternative method for calculating the numerator in cases where the tax rate provided in RCW 82.04.260(11) for manufacturing was not in effect during the full calendar year before the calendar year in which the credit under this section is earned.

No credit is available under (b)(i)(A) or (B) of this subsection (2) if either the numerator or the denominator of the fraction is zero. If the fraction is greater than or equal to nine-tenths, then the fraction is rounded to one.

As used in (((III)(C)) of this subsection (2)(b)(ii)((C))), "returns" means the tax returns for which the tax imposed under this chapter is reported to the department.

The definitions in this subsection apply throughout this section, unless the context clearly indicates otherwise.

"Aerospace product development" has the same meaning as provided in RCW 82.04.4461.

"Commercial airplane" and "component" have the same meanings as provided in RCW 82.32.550.

A credit earned during one calendar year may be carried over to be credited against taxes incurred in a subsequent calendar year, but may not be carried over a second year. No refunds may be granted for credits under this section.

In addition to all other requirements under this title, a person claiming the credit under this section must file a complete annual report with the department under section 103 of this act.

This section expires July 1, 2024.

Sec. 117. RCW 82.04.448 and 2003 c 149 s 9 are each amended to read as follows:

(1) Subject to the limits and provisions of this section, a credit is authorized against the tax otherwise due under RCW 82.04.240(2) for persons engaged in the business of manufacturing semiconductor materials. For the purposes of this section "semiconductor materials" has the same meaning as provided in RCW 82.04.240(2).

(2)(a) The credit under this section equals three thousand dollars for each employment position used in manufacturing production that takes place in a new building exempt from sales and use tax under RCW 82.08.965 and 82.12.965. A credit is earned for the calendar year a person fills a position. Additionally a credit is earned for each year the position is maintained over the subsequent consecutive years, up to eight years. Those positions that are not filled for the entire year are eligible for fifty percent of the credit if filled less than six months, and the entire credit if filled more than six months.

(b) To qualify for the credit, the manufacturing activity of the person must be conducted at a new building that qualifies for the exemption from sales and use tax under RCW 82.08.965 and 82.12.965.
(c) In those situations where a production building in existence on the effective date of this section will be phased out of operation, during which time employment at the new building at the same site is increased, the person is eligible for credit for employment at the existing building and new building, with the limitation that the combined eligible employment not exceed full employment at the new building. "Full employment" has the same meaning as in RCW 82.08.965. The credit may not be earned until the commencement of commercial production, as that term is used in RCW 82.08.965.

(3) No application is necessary for the tax credit. The person is subject to all of the requirements of chapter 82.32 RCW. In no case may a credit earned during one calendar year be carried over to be credited against taxes incurred in a subsequent calendar year. No refunds may be granted for credits under this section.

(4) If at any time the department finds that a person is not eligible for tax credit under this section, the amount of taxes for which a credit has been claimed ((shall be)) is immediately due. The department ((shall)) must assess interest, but not penalties, on the taxes for which the person is not eligible. The interest ((shall)) must be assessed at the rate provided for delinquent excise taxes under chapter 82.32 RCW, ((shall be)) is retroactive to the date the tax credit was taken, and ((shall)) accrues until the taxes for which a credit has been used are repaid.

(5) A person ((taking)) claiming the credit under this section must file a complete annual report with the department under ((RCW 82.32.535)) section 103 of this act.

(6) Credits may be ((taken)) claimed after twelve years after the effective date of this act, for those buildings at which commercial production began before twelve years after the effective date of this act, subject to all of the eligibility criteria and limitations of this section.

(7) This section expires twelve years after the effective date of this act.

Sec. 118. RCW 82.04.4481 and 2006 c 182 s 2 are each amended to read as follows:

(1) In computing the tax imposed under this chapter, a credit is allowed for all property taxes paid during the calendar year on property owned by a direct service industrial customer and reasonably necessary for the purposes of an aluminum smelter.

(2) A person ((taking)) claiming the credit under this section is subject to all the requirements of chapter 82.32 RCW. A credit earned during one calendar year may be carried over to be credited against taxes incurred in the subsequent calendar year, but may not be carried over a second year. Credits carried over must be applied to tax liability before new credits. No refunds may be granted for credits under this section.

(3) Credits may not be claimed under this section for property taxes levied for collection in 2012 and thereafter.

(4) A person claiming the credit provided in this section must file a complete annual report with the department under section 103 of this act.

Sec. 119. RCW 82.04.4483 and 2004 c 25 s 1 are each amended to read as follows:
(1) Subject to the limits and provisions of this section, a credit is authorized against the tax otherwise due under this chapter for persons engaged in a rural county in the business of manufacturing computer software or programming, as those terms are defined in this section.

(2) A person who partially or totally relocates a business from one rural county to another rural county is eligible for any new qualifying employment positions created as a result of the relocation but is not eligible to receive credit for the jobs moved from one county to the other.

(3)(a) To qualify for the credit, the qualifying activity of the person must be conducted in a rural county and the new qualified employment position must be located in the rural county.

(b) If an activity is conducted both from a rural county and outside of a rural county, the credit is available if at least ninety percent of the qualifying activity is conducted within a rural county. If the qualifying activity is a service taxable activity, the place where the work is performed is the place at which the activity is conducted.

(4)(a) The credit under this section shall equal one thousand dollars for each new qualified employment position created after January 1, 2004, in an eligible area. A credit is earned for the calendar year the person is hired to fill the position. Additionally a credit is earned for each year the position is maintained over the subsequent consecutive years, up to four years. The county must meet the definition of a rural county at the time the position is filled. If the county does not have a rural county status the following year or years, the position is still eligible for the remaining years if all other conditions are met.

(b) Participants who claimed credit under RCW 82.04.4456 for qualified employment positions created before December 31, 2003, are eligible to earn credit for each year the position is maintained over the subsequent consecutive years, for up to four years, which four years include any years claimed under RCW 82.04.4456. Those persons who did not receive a credit under RCW 82.04.4456 before December 31, 2003, are not eligible to earn credit for qualified employment positions created before December 31, 2003.

(c) Credit is authorized for new employees hired for new qualified employment positions created on or after January 1, 2004. New qualified employment positions filled by existing employees are eligible for the credit under this section only if the position vacated by the existing employee is filled by a new hire. A business that is a sole proprietorship without any employees is equivalent to one employee position and this type of business is eligible to receive credit for one position.

(d) If a position is filled before July 1st, the position is eligible for the full yearly credit for that calendar year. If it is filled after June 30th, the position is eligible for half of the credit for that calendar year.

(5) No application is necessary for the tax credit. The person must keep records necessary for the department to verify eligibility under this section. This information includes information relating to description of qualifying activity conducted in the rural county and outside the rural county by the person as well as detailed records on positions and employees.

(6) If at any time the department finds that a person is not eligible for tax credit under this section, the amount of taxes for which a credit has been claimed ((shall be)) is immediately due. The department ((shall)) must assess interest,
but not penalties, on the taxes for which the person is not eligible. The interest ((shall must)) must be assessed at the rate provided for delinquent excise taxes under chapter 82.32 RCW, ((shall be assessed)) applies retroactively to the date the tax credit was taken, and ((shall accrue)) accrues until the taxes for which a credit has been used are repaid.

(7) The credit under this section may be used against any tax due under this chapter, but in no case may a credit earned during one calendar year be carried over to be credited against taxes incurred in a subsequent calendar year. A person is not eligible to receive a credit under this section if the person is receiving credit for the same position under chapter 82.62 RCW or RCW 82.04.44525 or is taking a credit under this chapter for information technology help desk services conducted from a rural county. No refunds may be granted for credits under this section.

(8) Transfer of ownership does not affect credit eligibility. However, the successive credits are available to the successor for remaining periods in the five years only if the eligibility conditions of this section are met.

(9) A person ((taking)) claiming a tax credit((s)) under this section ((shall make an)) must file a complete annual ((report to)) survey with the department under section 102 of this act. ((The report shall be in a letter form and shall include the following information: Number of positions for which credit is being claimed, type of position for which credit is being claimed, type of activity in which the person is engaged in the county, how long the person has been located in the county, and taxpayer name and registration number. The report must be filed by January 30th of each year for which credit was claimed during the previous year. Failure to file a report will not result in the loss of eligibility under this section. However, the department, through its research division, shall contact taxpayers who have not filed the report and obtain the data from the taxpayer or assist the taxpayer in the filing of the report, so that the data and information necessary to measure the program’s effectiveness is maintained.))

(iii) Tenant improvements for a qualified building, if the economic benefits of the deferral are passed to a lessee as provided in subsection (5)(b)(ii)(A) of this section.

(b) "Initiation of construction" does not include soil testing, site clearing and grading, site preparation, or any other related activities that are initiated before the issuance of a building permit for the construction of the foundation of the building.

(c) If the investment project is a phased project, "initiation of construction" applies separately to each phase.

(7) "Manufacturing" has the meaning provided in RCW 82.04.120.

(8) "Medical device" means an instrument, apparatus, implement, machine, contrivance, implant, in vitro reagent, or other similar or related article, including any component, part, or accessory, that is designed or developed and:

(a) Recognized in the national formulary, or the United States pharmacopeia, or any supplement to them;

(b) Intended for use in the diagnosis of disease, or in the cure, mitigation, treatment, or prevention of disease or other conditions in human beings or other animals; or

(c) Intended to affect the structure or any function of the body of human beings or other animals, and which does not achieve any of its primary intended purposes through chemical action within or on the body of human beings or other animals and which is not dependent upon being metabolized for the achievement of any of its principal intended purposes.

(9) "Person" has the meaning provided in RCW 82.04.030.
"Qualified buildings" means construction of new structures, and expansion or renovation of existing structures for the purpose of increasing floor space or production capacity used for biotechnology product manufacturing or medical device manufacturing activities, including plant offices, commercial laboratories for process development, quality assurance and quality control, and warehouses or other facilities for the storage of raw material or finished goods if the facilities are an essential or an integral part of a factory, plant, or laboratory used for biotechnology product manufacturing or medical device manufacturing. If a building is used partly for biotechnology product manufacturing or medical device manufacturing and partly for other purposes, the applicable tax deferral ((shall)) must be determined by apportionment of the costs of construction under rules adopted by the department.

"Qualified machinery and equipment" means all new industrial and research fixtures, equipment, and support facilities that are an integral and necessary part of a biotechnology product manufacturing or medical device manufacturing operation. "Qualified machinery and equipment" includes: Computers; software; data processing equipment; laboratory equipment; manufacturing components such as belts, pulleys, shafts, and moving parts; molds, tools, and dies; operating structures; and all equipment used to control or operate the machinery.

"Recipient" means a person receiving a tax deferral under this chapter.

Sec. 146. RCW 82.75.020 and 2006 c 178 s 3 are each amended to read as follows:

Application for deferral of taxes under this chapter must be made ((and approved)) before initiation of the construction of the investment project or acquisition of equipment or machinery. The application ((shall)) must be made to the department in a form and manner prescribed by the department. The application ((shall)) must contain information regarding the location of the investment project, the applicant's average employment in the state for the prior year, estimated or actual new employment related to the project, estimated or actual wages of employees related to the project, estimated or actual costs, time schedules for completion and operation, and other information required by the department. The department ((shall)) must rule on the application within sixty days.

Sec. 147. RCW 82.75.040 and 2006 c 178 s 5 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section and ((RCW 82.32.645)) section 102 of this act, taxes deferred under this chapter need not be repaid.

(2)(a) If, on the basis of the survey under ((RCW 82.32.645)) section 102 of this act or other information, the department finds that an investment project is used for purposes other than qualified biotechnology product manufacturing or medical device manufacturing activities at any time during the calendar year in which the eligible investment project is certified by the department as having been operationally completed, or at any time during any of the seven succeeding calendar years, a portion of deferred taxes ((shall-be)) is immediately due and payable according to the following schedule:
(b) If a recipient of the deferral fails to complete the annual survey required under RCW 82.32.645 by the date due, the amount of deferred tax specified in RCW 82.32.645(6) shall be immediately due and payable. If the economic benefits of the deferral are passed to a lessee as provided in RCW 82.75.010, the lessee is responsible for payment to the extent the lessee has received the economic benefit.

(3) For a violation of subsection (2)(a) of this section, the department must assess interest at the rate provided for delinquent taxes, but not penalties, retroactively to the date of deferral. The debt for deferred taxes will not be extinguished by insolvency or other failure of the recipient. Transfer of ownership does not terminate the deferral. The deferral is transferred, subject to the successor meeting the eligibility requirements of this chapter, for the remaining periods of the deferral.

(4) Notwithstanding subsection (2) of this section or section 102 of this act, deferred taxes on the following need not be repaid:

(a) Machinery and equipment, and sales of or charges made for labor and services, which at the time of purchase would have qualified for exemption under RCW 82.08.02565; and

(b) Machinery and equipment which at the time of first use would have qualified for exemption under RCW 82.12.02565.

Sec. 148. RCW 82.82.020 and 2008 c 15 s 2 are each amended to read as follows:

(1) Application for deferral of taxes under this chapter can be made at any time prior to completion of construction of a qualified building or buildings, but tax liability incurred prior to the department's receipt of an application may not be deferred. The application must be made to the department in a form and manner prescribed by the department. The application must contain information regarding the location of the investment project, the applicant's average employment in the state for the prior year, estimated or actual new employment related to the project, estimated or actual wages of employees related to the project, estimated or actual costs, time schedules for completion and operation, and other information required by the department. The department must rule on the application within sixty days.

(2) The legislature finds that accountability and effectiveness are important aspects of setting tax policy. In order to make policy choices regarding the best use of limited state resources the legislature needs information on how a tax incentive is used.
(b) Applicants for deferral of taxes under this chapter must agree to complete an annual survey. If the economic benefits of the deferral are passed to a lessee as provided in RCW 82.82.010(5), the lessee must agree to complete the annual survey and the applicant is not required to complete the annual survey. The survey is due by March 31st of the year following the calendar year in which the investment project is certified by the department as having been operationally complete and the seven succeeding calendar years. The survey must include the amount of tax deferred. The survey must also include the following information for employment positions in Washington:

(i) The number of total employment positions;

(ii) Full-time, part-time, and temporary employment positions as a percent of total employment;

(iii) The number of employment positions according to the following wage bands: Less than thirty thousand dollars; thirty thousand dollars or greater, but less than sixty thousand dollars; and sixty thousand dollars or greater. A wage band containing fewer than three individuals may be combined with another wage band; and

(iv) The number of employment positions that have employer-provided medical, dental, and retirement benefits, by each of the wage bands.

(c) The department may request additional information necessary to measure the results of the deferral program, to be submitted at the same time as the survey.

(d) All information collected under this subsection, except the amount of the tax deferral taken, is deemed taxpayer information under RCW 82.32.330 and is not disclosable. Information on the amount of tax deferral taken is not subject to the confidentiality provisions of RCW 82.32.330 and may be disclosed to the public upon request.

(3) The department must use the information to study the tax deferral program authorized under this chapter. The department must report to the legislature by December 1, 2014, and December 1, 2018. The reports must measure the effect of the program on job creation, the number of jobs created for Washington residents, company growth, the introduction of new products, the diversification of the state's economy, growth in research and development investment, the movement of firms or the consolidation of firms' operations into the state, and such other factors as the department selects. If fewer than three deferrals are granted under this chapter, the department may not report statistical information.

(4) Applications for deferral of taxes under this section may not be made after December 31, 2020.

(3) Each recipient of a deferral of taxes under this chapter must file a complete annual survey with the department under section 102 of this act. If the economic benefits of the deferral are passed to a lessee as provided in RCW 82.82.010(5), the lessee must file a complete annual survey, and the applicant is not required to file the annual survey.

(4) A recipient who must repay deferred taxes under RCW 82.82.040 because the department has found that an investment project is no longer an eligible investment project is no longer required to file annual surveys under section 102 of this act beginning on the date an investment project is used for nonqualifying purposes.
Sec. 149. RCW 82.82.040 and 2008 c 15 s 5 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section and section 102 of this act, taxes deferred under this chapter need not be repaid.

(2)(a) If, on the basis of the survey under ((RCW 82.82.020)) section 102 of this act or other information, the department finds that an investment project is no longer an "eligible investment project" under RCW 82.82.010 at any time during the calendar year in which the investment project is certified by the department as having been operationally completed, or at any time during any of the seven succeeding calendar years, a portion of deferred taxes are immediately due according to the following schedule:

(b) If a recipient of the deferral fails to complete the annual survey required under RCW 82.82.020 by the date due, twelve and one-half percent of the deferred tax is immediately due.) If the economic benefits of the deferral are passed to a lessee as provided in RCW 82.82.010(5), the lessee is responsible for payment to the extent the lessee has received the economic benefit.

((c) If an investment project is meeting the requirement of RCW 82.82.010(5) at any time during the calendar year in which the investment project is certified as having been operationally complete and the recipient of the deferral fails to complete the annual survey due under RCW 82.82.020, the portion of deferred taxes immediately due is the amount on the schedule in (a) of this subsection. If the economic benefits of the deferral are passed to a lessee as provided in RCW 82.82.010(5), the lessee is responsible for payment to the extent the lessee has received the economic benefit.)

(3) The department must assess interest at the rate provided for delinquent taxes under chapter 82.32 RCW, but not penalties, retroactively to the date of deferral. The debt for deferred taxes will not be extinguished by insolvency or other failure of the recipient. Transfer of ownership does not terminate the deferral. The deferral is transferred, subject to the successor meeting the eligibility requirements of this chapter, for the remaining periods of the deferral.

Sec. 150. RCW 84.36.645 and 2003 c 149 s 10 are each amended to read as follows:

(1) Machinery and equipment exempt under RCW 82.08.02565 or 82.12.02565 used in manufacturing semiconductor materials at a building exempt from sales and use tax and in compliance with the employment requirement under RCW 82.08.965 and 82.12.965 are ((taxes)) exempt from
property taxation. "Semiconductor materials" has the same meaning as provided in RCW 82.04.240(2).

(2) A person seeking this exemption must make application to the county assessor, on forms prescribed by the department.

(3) A person claiming an exemption under this section must file a complete annual report (as required) with the department under section 103 of this act.

(4) This section is effective for taxes levied for collection one year after the effective date of this act and thereafter.

(5) This section expires December 31st of the year occurring twelve years after the effective date of this act, for taxes levied for collection in the following year.

Sec. 151. RCW 84.36.655 and 2003 2nd sp.s. c 1 s 14 are each amended to read as follows:

(1) Effective January 1, 2005, all buildings, machinery, equipment, and other personal property of a lessee of a port district eligible under RCW 82.08.980 and 82.12.980, used exclusively in manufacturing superefficient airplanes, are exempt from property taxation. A person taking the credit under RCW 82.04.4463 is not eligible for the exemption under this section. For the purposes of this section, "superefficient airplane" and "component" have the meanings given in RCW 82.32.550.

(2) In addition to all other requirements under this title, a person claiming the exemption under this section must file a complete annual report (as required) with the department under section 103 of this act.

(3) Claims for exemption authorized by this section must be filed with the county assessor on forms prescribed by the department and furnished by the assessor. The assessor must verify and approve claims as the assessor determines to be justified and in accordance with this section. No claims may be filed after December 31, 2023. The department may adopt rules, under the provisions of chapter 34.05 RCW, as necessary to properly administer this section.

(4) This section applies to taxes levied for collection in 2006 and thereafter.

(5) This section expires July 1, 2024.

CHAPTER 115
[Senate Bill 6218]
VOTER APPROVED EXCESS PROPERTY TAX LEVIES—
CAPITAL ASSET LENDING PROGRAM

AN ACT Relating to modifying the local option capital asset lending program to authorize state use of certain voter approved excess tax levies to pay financing contracts and to clarify program participants; amending RCW 39.94.020, 39.94.030, and 84.52.056; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 39.94.020 and 1998 c 291 s 3 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Credit enhancement" includes insurance, letters of credit, lines of credit, or other similar agreements which enhance the security for the payment of the state's or an other agency's obligations under financing contracts.

(2) "Financing contract" means any contract entered into by the state for itself or on behalf of an other agency which provides for the use and purchase of real or personal property by the state and provides for payment by the state over a term of more than one year, and which provides that title to the subject property may secure performance of the state or transfer to the state or an other agency by the end of the term, upon exercise of an option, for a nominal amount or for a price determined without reference to fair market value. Financing contracts ((shall)) include, but are not ((be)) limited to, conditional sales
contracts, financing leases, lease purchase contracts, or refinancing contracts, but ((shall))) does not include operating or true leases. For purposes of this chapter, the term "financing contract" ((shall))) does not include any nonrecourse financing contract or other obligation payable only from money or other property received from private sources and not payable from any public money or property. The term "financing contract" ((shall))) includes a "master financing contract."

(3) "Master financing contract" means a financing contract which provides for the use and purchase of property by the state, and which may include more than one financing contract and appropriation.

(4) "Other agency" means any commission established under Title 15 RCW, a library or regional library, an educational service district, the superintendent of public instruction, the school directors' association, a health district, or any county, city, town, school district, or other municipal corporation ((described as such by statute)).

(5) "State" means the state, agency, department, or instrumentality of the state, the state board for community and technical colleges, and any state institution of higher education.

(6) "State finance committee" means the state finance committee under chapter 43.33 RCW.

(7) "Trustee" means a bank or trust company, within or without the state, authorized by law to exercise trust powers.

Sec. 2. RCW 39.94.030 and 2009 c 500 s 7 are each amended to read as follows:

(1) The state may enter into financing contracts for itself or on behalf of an other agency for the use and acquisition for public purposes of real and personal property. Payments under financing contracts of the state shall be made by the state from currently appropriated funds or funds not constituting "general state revenues" as defined in Article VIII, section 1 of the state Constitution. Except as provided in subsection (4)(b) of this section, payments under financing contracts of the state on behalf of any other agency shall be made solely from the sources identified in the financing contract, which may not obligate general state revenues as defined in Article VII, section 1 of the state Constitution. The treasurer of an other agency shall remit payments under financing contracts to the office of the state treasurer or to the state treasurer's designee. In the event of any deficiency of payments by an other agency under a financing contract, the treasurer of the other agency shall transfer any legally available funds of the other agency in satisfaction of the other agency's obligations under the financing contract if such funds have been obligated by the other agency under the financing contract and, if such deficiency is not thereby cured, the office of the state treasurer is directed to withdraw from that agency's share of state revenues for distribution or other money an amount sufficient to fulfill the terms and conditions of the financing contract. The term of any financing contract shall not exceed thirty years or the remaining useful life of the property, whichever is shorter. Financing contracts may include other terms and conditions agreed upon by the parties.

(2) The state for itself or on behalf of an other agency may enter into contracts for credit enhancement, which ((shall))) limits the recourse of the
provider of credit enhancement solely to the security provided under the financing contract secured by the credit enhancement.

(3) The state or an other agency may grant a security interest in real or personal property acquired under financing contracts. The security interest may be perfected as provided by the uniform commercial code - secured transactions, or otherwise as provided by law for perfecting liens on real estate. Other terms and conditions may be included as agreed upon by the parties. An other agency that is authorized by applicable law to enter into a financing contract may make payments due under such a contract from the proceeds of annual tax levies approved by the voters under RCW 84.52.056, among other sources.

(4)(a) Financing contracts and contracts for credit enhancement entered into under the limitations set forth in this chapter ((shall)) do not constitute a debt or the contracting of indebtedness under any law limiting debt of the state. It is the intent of the legislature that such contracts also ((shall)) do not constitute a debt or the contracting of indebtedness under Article VIII, section 1 of the state Constitution. Certificates of participation in payments to be made under financing contracts also ((shall)) do not constitute a debt or the contracting of an indebtedness under any law limiting debt of the state if payment is conditioned upon payment by the state under the financing contract with respect to which the same relates. It is the intent of the legislature that such certificates also ((shall)) do not constitute a debt or the contracting of indebtedness under Article VIII, section 1 of the state Constitution if payment of the certificates is conditioned upon payment by the state under the financing contract with respect to which those certificates relate.

(b) An other agency authorized by law to issue bonds, notes or other evidences of indebtedness or to enter into conditional sales contracts or lease obligations, may participate in a program under this chapter in which the state enters into a financing contract on behalf of that other agency, and the other agency's obligations to the state under the program may be evidenced by an agreement, lease, bond, note, or other appropriate instrument. A financing contract made by the state on behalf of an other agency may be secured by the pledge of revenues of the other agency or other agency's full faith and credit or may, at the option of the state finance committee, include a contingent obligation by the state for payment under such financing contract.

Sec. 3. RCW 84.52.056 and 1973 1st ex.s. c 195 s 104 are each amended to read as follows:

(1) Any municipal corporation otherwise authorized by law to issue general obligation bonds for capital purposes may, at an election duly held after giving notice thereof as required by law, authorize the issuance of general obligation bonds for capital purposes only, which ((shall)) does not include the replacement of equipment, and provide for the payment of the principal and interest of such bonds by annual levies in excess of the tax limitations contained in RCW 84.52.050 to 84.52.056, inclusive and RCW 84.52.043. Such an election ((shall)) may not be held ((often)) more often than twice a calendar year, and the proposition to issue any such bonds and to exceed ((said)) the tax limitation must receive the affirmative vote of a three-fifths majority of those voting on the proposition and the total number of persons voting at ((such)) the election must constitute not less than forty percent of the voters in ((said)) the municipal corporation who voted at the last preceding general state election.
(2) Any taxing district ((shall have)) has the right by vote of its governing body to refund any general obligation bonds of said district issued for capital purposes only, and to provide for the interest thereon and amortization thereof by annual levies in excess of the tax limitations provided for in RCW 84.52.050 to 84.52.056, inclusive and RCW 84.52.043.

(3) For the purposes of this section, "bond" includes a municipal corporation's obligation to make payments to the state in connection with a financing contract entered into by the state by or on behalf of a municipal corporation under chapter 39.94 RCW.

NEW SECTION, Sec. 4. The authority conferred on the state and any municipal corporation or other agency under this act is in addition and supplemental to any other authority granted by applicable law. Any action previously taken by the state, a municipal corporation, or other agency consistent with the provisions of this act is approved and confirmed.

Passed by the Senate January 29, 2010.
Passed by the House March 4, 2010.
Approved by the Governor March 18, 2010.
Filed in Office of Secretary of State March 18, 2010.

The secretary shall develop a formula for the distribution of offender wages, gratuities, and benefits. The formula shall not reduce the inmate account below the indigency level, as defined in RCW 72.09.015.

(a) The formula shall include the following minimum deductions from class I gross wages and from all others earning at least minimum wage:

(i) Five percent to the state general fund;
(ii) Ten percent to a department personal inmate savings account;
(iii) Twenty percent to the department to contribute to the cost of incarceration; and
(iv) Twenty percent for payment of legal financial obligations for all inmates who have legal financial obligations owing in any Washington state superior court.

Sec. 2. RCW 46.37.195 and 1990 c 94 s 2 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, a public agency, business, entity, or person shall not sell or give emergency vehicle lighting equipment or other equipment to a person who may not lawfully operate the lighting equipment or other equipment on the public streets and highways. Prior to selling or giving an emergency vehicle to a person or entity that is not a public law enforcement or emergency agency within or outside the state, public law enforcement or emergency agency in another country, or private ambulance business within or outside the state, the seller or donor must remove all emergency lighting as defined in rules by the Washington state patrol, radios, and any other emergency equipment from the vehicle, except for reflective stripes and paint on fire trucks, that was not originally installed by the original vehicle manufacturer and that visibly identifies the vehicle as an emergency vehicle from the exterior, including spotlights and confinement or rear seat safety cages. CHAPTER 118
[Substitute Senate Bill 6395]
PUBLIC PARTICIPATION LAWSUITS—SPECIAL MOTION TO STRIKE CLAIM

AN ACT Relating to lawsuits aimed at chilling the valid exercise of the constitutional rights of speech and petition; adding a new section to chapter 4.24 RCW; creating new sections; and prescribing penalties.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. (1) The legislature finds and declares that:
(a) It is concerned about lawsuits brought primarily to chill the valid exercise of the constitutional rights of freedom of speech and petition for the redress of grievances;
(b) Such lawsuits, called "Strategic Lawsuits Against Public Participation" or "SLAPPs," are typically dismissed as groundless or unconstitutional, but often not before the defendants are put to great expense, harassment, and interruption of their productive activities;
(c) The costs associated with defending such suits can deter individuals and entities from fully exercising their constitutional rights to petition the government and to speak out on public issues;
(d) It is in the public interest for citizens to participate in matters of public concern and provide information to public entities and other citizens on public issues that affect them without fear of reprisal through abuse of the judicial process; and
(e) An expedited judicial review would avoid the potential for abuse in these cases.

(2) The purposes of this act are to:
(a) Strike a balance between the rights of persons to file lawsuits and to trial by jury and the rights of persons to participate in matters of public concern;
(b) Establish an efficient, uniform, and comprehensive method for speedy adjudication of strategic lawsuits against public participation; and
(c) Provide for attorneys' fees, costs, and additional relief where appropriate.

NEW SECTION. Sec. 2. A new section is added to chapter 4.24 RCW to read as follows:
(1) As used in this section:
   (a) "Claim" includes any lawsuit, cause of action, claim, cross-claim, counterclaim, or other judicial pleading or filing requesting relief;
   (b) "Government" includes a branch, department, agency, instrumentality, official, employee, agent, or other person acting under color of law of the United States, a state, or subdivision of a state or other public authority;
   (c) "Moving party" means a person on whose behalf the motion described in subsection (4) of this section is filed seeking dismissal of a claim;
   (d) "Other governmental proceeding authorized by law" means a proceeding conducted by any board, commission, agency, or other entity created by state, county, or local statute or rule, including any self-regulatory organization that regulates persons involved in the securities or futures business and that has been delegated authority by a federal, state, or local government agency and is subject to oversight by the delegating agency.
   (e) "Person" means an individual, corporation, business trust, estate, trust, partnership, limited liability company, association, joint venture, or any other legal or commercial entity;
   (f) "Responding party" means a person against whom the motion described in subsection (4) of this section is filed.
(2) This section applies to any claim, however characterized, that is based on an action involving public participation and petition. As used in this section, an "action involving public participation and petition" includes:
   (a) Any oral statement made, or written statement or other document submitted, in a legislative, executive, or judicial proceeding or other governmental proceeding authorized by law;
   (b) Any oral statement made, or written statement or other document submitted, in connection with an issue under consideration or review by a legislative, executive, or judicial proceeding or other governmental proceeding authorized by law;
   (c) Any oral statement made, or written statement or other document submitted, that is reasonably likely to encourage or to enlist public participation in an effort to effect consideration or review of an issue in a legislative, executive, or judicial proceeding or other governmental proceeding authorized by law;
   (d) Any oral statement made, or written statement or other document submitted, in a place open to the public or a public forum in connection with an issue of public concern; or
   (e) Any other lawful conduct in furtherance of the exercise of the constitutional right of free speech in connection with an issue of public concern, or in furtherance of the exercise of the constitutional right of petition.
(3) This section does not apply to any action brought by the attorney general, prosecuting attorney, or city attorney, acting as a public prosecutor, to enforce laws aimed at public protection.
(4)(a) A party may bring a special motion to strike any claim that is based on an action involving public participation and petition, as defined in subsection (2) of this section.

(b) A moving party bringing a special motion to strike a claim under this subsection has the initial burden of showing by a preponderance of the evidence that the claim is based on an action involving public participation and petition. If the moving party meets this burden, the burden shifts to the responding party to establish by clear and convincing evidence a probability of prevailing on the claim. If the responding party meets this burden, the court shall deny the motion.

(c) In making a determination under (b) of this subsection, the court shall consider pleadings and supporting and opposing affidavits stating the facts upon which the liability or defense is based.

(d) If the court determines that the responding party has established a probability of prevailing on the claim:

(i) The fact that the determination has been made and the substance of the determination may not be admitted into evidence at any later stage of the case; and

(ii) The determination does not affect the burden of proof or standard of proof that is applied in the underlying proceeding.

(e) The attorney general's office or any government body to which the moving party's acts were directed may intervene to defend or otherwise support the moving party.

(5)(a) The special motion to strike may be filed within sixty days of the service of the most recent complaint or, in the court's discretion, at any later time upon terms it deems proper. A hearing shall be held on the motion not later than thirty days after the service of the motion unless the docket conditions of the court require a later hearing. Notwithstanding this subsection, the court is directed to hold a hearing with all due speed and such hearings should receive priority.

(b) The court shall render its decision as soon as possible but no later than seven days after the hearing is held.

(c) All discovery and any pending hearings or motions in the action shall be stayed upon the filing of a special motion to strike under subsection (4) of this section. The stay of discovery shall remain in effect until the entry of the order ruling on the motion. Notwithstanding the stay imposed by this subsection, the court, on motion and for good cause shown, may order that specified discovery or other hearings or motions be conducted.

(d) Every party has a right of expedited appeal from a trial court order on the special motion or from a trial court's failure to rule on the motion in a timely fashion.

(6)(a) The court shall award to a moving party who prevails, in part or in whole, on a special motion to strike made under subsection (4) of this section, without regard to any limits under state law:

(i) Costs of litigation and any reasonable attorneys' fees incurred in connection with each motion on which the moving party prevailed;

(ii) An amount of ten thousand dollars, not including the costs of litigation and attorney fees; and
(iii) Such additional relief, including sanctions upon the responding party and its attorneys or law firms, as the court determines to be necessary to deter repetition of the conduct and comparable conduct by others similarly situated.

(b) If the court finds that the special motion to strike is frivolous or is solely intended to cause unnecessary delay, the court shall award to a responding party who prevails, in part or in whole, without regard to any limits under state law:

(i) Costs of litigation and any reasonable attorneys' fees incurred in connection with each motion on which the responding party prevailed;

(ii) An amount of ten thousand dollars, not including the costs of litigation and attorneys' fees; and

(iii) Such additional relief, including sanctions upon the moving party and its attorneys or law firms, as the court determines to be necessary to deter repetition of the conduct and comparable conduct by others similarly situated.

(7) Nothing in this section limits or precludes any rights the moving party may have under any other constitutional, statutory, case or common law, or rule provisions.

NEW SECTION. Sec. 3. This act shall be applied and construed liberally to effectuate its general purpose of protecting participants in public controversies from an abusive use of the courts.

NEW SECTION. Sec. 4. This act may be cited as the Washington Act Limiting Strategic Lawsuits Against Public Participation.

NEW SECTION. Sec. 5. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Passed by the Senate February 16, 2010.
Passed by the House February 28, 2010.
Approved by the Governor March 18, 2010.

CHAPTER 119

SUBSTITUTE SENATE BILL 6398

MALICIOUS HARASSMENT—THREAT

AN ACT Relating to the definition of threat; and amending RCW 9A.36.080.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 9A.36.080 and 2009 c 180 s 1 are each amended to read as follows:

(1) A person is guilty of malicious harassment if he or she maliciously and intentionally commits one of the following acts because of his or her perception of the victim's race, color, religion, ancestry, national origin, gender, sexual orientation, or mental, physical, or sensory handicap:

(a) Causes physical injury to the victim or another person;

(b) Causes physical damage to or destruction of the property of the victim or another person; or

(c) Threatens a specific person or group of persons and places that person, or members of the specific group of persons, in reasonable fear of harm to person or property. The fear must be a fear that a reasonable person would have
under all the circumstances. For purposes of this section, a "reasonable person" is a reasonable person who is a member of the victim's race, color, religion, ancestry, national origin, gender, or sexual orientation, or who has the same mental, physical, or sensory handicap as the victim. Words alone do not constitute malicious harassment unless the context or circumstances surrounding the words indicate the words are a threat. Threatening words do not constitute malicious harassment if it is apparent to the victim that the person does not have the ability to carry out the threat.

(2) In any prosecution for malicious harassment, unless evidence exists which explains to the trier of fact's satisfaction that the person did not intend to threaten the victim or victims, the trier of fact may infer that the person intended to threaten a specific victim or group of victims because of the person's perception of the victim's or victims' race, color, religion, ancestry, national origin, gender, sexual orientation, or mental, physical, or sensory handicap if the person commits one of the following acts:
   (a) Burns a cross on property of a victim who is or whom the actor perceives to be of African American heritage; or
   (b) Defaces property of a victim who is or whom the actor perceives to be of Jewish heritage by defacing the property with a swastika.

This subsection only applies to the creation of a reasonable inference for evidentiary purposes. This subsection does not restrict the state's ability to prosecute a person under subsection (1) of this section when the facts of a particular case do not fall within (a) or (b) of this subsection.

(3) It is not a defense that the accused was mistaken that the victim was a member of a certain race, color, religion, ancestry, national origin, gender, or sexual orientation, or had a mental, physical, or sensory handicap.

(4) Evidence of expressions or associations of the accused may not be introduced as substantive evidence at trial unless the evidence specifically relates to the crime charged. Nothing in this chapter shall affect the rules of evidence governing impeachment of a witness.

(5) Every person who commits another crime during the commission of a crime under this section may be punished and prosecuted for the other crime separately.

(6) For the purposes of this section:
   (a) "Sexual orientation" ((for the purposes of this section)) has the same meaning as in RCW 49.60.040.
   (b) "Threat" means to communicate, directly or indirectly, the intent to:
      (i) Cause bodily injury immediately or in the future to the person threatened or to any other person; or
      (ii) Cause physical damage immediately or in the future to the property of a person threatened or to any other person; or

(7) Malicious harassment is a class C felony.

(8) The penalties provided in this section for malicious harassment do not preclude the victims from seeking any other remedies otherwise available under law.

(9) Nothing in this section confers or expands any civil rights or protections to any group or class identified under this section, beyond those rights or protections that exist under the federal or state Constitution or the civil laws of the state of Washington.

((2)) (b) Necessary to protect the victim's life or prevent deterioration of the victim's previously accepted condition; and
((3)) (c) Not available from an alternative source.
For the purposes of this section, an individual will not be required to use his or her assets other than funds recovered as a result of a civil action or criminal restitution, for medical expenses or pain and suffering, in order to qualify for an alternative source of payment.

The director shall, in cooperation with the department of social and health services, establish by October 1, 1989, a process to aid crime victims in identifying and applying for appropriate alternative benefit programs, if any, administered by the department of social and health services.

NEW SECTION. Sec. 3. A new section is added to chapter 7.68 RCW to read as follows:
The crime victims' compensation account is created in the custody of the state treasurer. Expenditures from the account may be used only for the crime victims' compensation program under this chapter. Only the director of the department or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

(c) The management of classes I, II, and IV correctional industries may establish an incentive payment for offender workers based on productivity criteria. This incentive shall be paid separately from the hourly wage/gratuity rate and shall not be subject to the specified deduction for cost of incarceration.
(4)(a) Subject to availability of funds for the correctional industries program, the expansion of inmate employment in class I and class II correctional industries shall be implemented according to the following schedule:

(b) Failure to comply with the schedule in this subsection does not create a private right of action.

(5) In the event that the offender worker's wages, gratuity, or workers' compensation benefit is subject to garnishment for support enforcement, the crime victims' compensation account, savings, and cost of incarceration deductions shall be calculated on the net wages after taxes, legal financial obligations, and garnishment.

(6) The department shall explore other methods of recovering a portion of the cost of the inmate's incarceration and for encouraging participation in work programs, including development of incentive programs that offer inmates benefits and amenities paid for only from wages earned while working in a correctional industries work program.

(7) The department shall develop the necessary administrative structure to recover inmates' wages and keep records of the amount inmates pay for the costs of incarceration and amenities. All funds deducted from inmate wages under subsection (1) of this section for the purpose of contributions to the cost of incarceration shall be deposited in a dedicated fund with the department and shall be used only for the purpose of enhancing and maintaining correctional industries work programs.

(2) When an inmate, except as provided in subsections (4) and (8) of this section, receives any funds in addition to his or her wages or gratuities, except settlements or awards resulting from legal action, the additional funds shall be subject to the following deductions and the priorities established in chapter 72.11 RCW:

(4) When an inmate who is subject to a child support order receives funds from an inheritance, the deduction required under subsection (2)(e) of this section shall only apply after the child support obligation has been paid in full.

(5) The amount deducted from an inmate's funds under subsection (2) of this section shall not exceed the department's total cost of incarceration for the inmate incurred during the inmate's minimum or actual term of confinement, whichever is longer.

(6)(a) The deductions required under subsection (2) of this section shall not apply to funds received by the department from an offender or from a third party on behalf of an offender for payment of education or vocational programs or postsecondary education degree programs as provided in RCW 72.09.460 and 72.09.465.

(b) The deductions required under subsection (2) of this section shall not apply to funds received by the department from a third party, including but not limited to a nonprofit entity on behalf of the department's education, vocation, or postsecondary education degree programs.

Money received under this subsection may only be used for the payment of postage expenses and may not be transferred to any other account or purpose. Money that remains unused in the inmate's postage fund at the time of release shall be subject to the deductions outlined in subsection (2) of this section.

(8) When an inmate sentenced to life imprisonment without possibility of release or sentenced to death under chapter 10.95 RCW receives funds, deductions are required under subsection (2) of this section, with the exception of a personal inmate savings account under subsection (2)(b) of this section.

FARM IMPLEMENT SPECIAL PERMITS—ADMINISTRATIVE REVIEW
AN ACT Relating to special permitting for certain farm implements; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The department of transportation shall review its administrative rules that pertain to transporting farm implements, with special attention to WAC 468-38-290(3)(b) that establishes a blanket restriction on transporting farm implements over fourteen feet in height on the holder of a farm implement special permit. In conducting this review, the department shall invite representatives of farmers, farm equipment dealers, the Washington state patrol's commercial vehicle enforcement office, and other interested stakeholders to participate. The department shall consider whether there are specific areas in the state where there is a need for transporting farm implements that exceed fourteen feet in height, and an ability to provide an exception to the fourteen-foot height limitation without causing damage to road overpasses and other overhead obstructions. The department is encouraged to conduct this review in a timely manner so that any rule changes can be implemented expeditiously.

The department shall provide a written report of the findings and conclusions of its review to the legislative committees with jurisdiction over transportation and agricultural issues by December 1, 2010.

CHAPTER 125
[House Bill 1880]
BALLOT ENVELOPES—SECRECY FLAP
AN ACT Relating to ballot envelopes; amending RCW 29A.40.091; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 29A.40.091 and 2009 c 369 s 39 are each amended to read as follows:

The county auditor shall send each (absentee) voter a ballot, a security envelope in which to seal the ballot after voting, a larger envelope in which to return the security envelope, and instructions on how to mark the ballot and how to return it to the county auditor. The instructions that accompany (an absentee) a ballot for a partisan primary must include instructions for voting the applicable ballot style, as provided in chapter 29A.36 RCW. The (absentee) voter's name and address must be printed on the larger return envelope, which must also contain a declaration by the (absentee) voter reciting his or her qualifications and stating that he or she has not voted in any other jurisdiction at this election, together with a summary of the penalties for any violation of any of the provisions of this chapter. The declaration must clearly inform the voter that it is illegal to vote if he or she is not a United States citizen; it is illegal to vote if
he or she has been convicted of a felony and has not had his or her voting rights restored; and, except as otherwise provided by law, it is illegal to cast a ballot or sign a return envelope on behalf of another voter. The return envelope must provide space for the voter to indicate the date on which the ballot was voted and for the voter to sign the oath. It must also contain a space so that the voter may include a telephone number. A summary of the applicable penalty provisions of this chapter must be printed on the return envelope immediately adjacent to the space for the voter's signature. The signature of the voter on the return envelope must affirm and attest to the statements regarding the qualifications of that voter and to the validity of the ballot. The return envelope may provide secrecy for the voter's signature and optional telephone number. For overseas voters and service voters, the signed declaration on the return envelope constitutes the equivalent of a voter registration for the election or primary for which the ballot has been issued. The voter must be instructed to either return the ballot to the county auditor by whom it was issued or attach sufficient first-class postage, if applicable, and mail the ballot to the appropriate county auditor no later than the day of the election or primary for which the ballot was issued.

If the county auditor chooses to forward ballots, he or she must include with the ballot a clear explanation of the qualifications necessary to vote in that election and must also advise a voter with questions about his or her eligibility to contact the county auditor. This explanation may be provided on the ballot envelope, on an enclosed insert, or printed directly on the ballot itself. If the information is not included, the envelope must clearly indicate that the ballot is not to be forwarded and that return postage is guaranteed.

*NEW SECTION. Sec. 2. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

*Sec. 2 was vetoed. See message at end of chapter.

Passed by the House March 8, 2010.
Passed by the Senate March 5, 2010.
Approved by the Governor March 19, 2010, with the exception of certain items that were vetoed.
Filed in Office of Secretary of State March 19, 2010.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to Section 2, House Bill 1880 entitled:

"AN ACT Relating to ballot envelopes."

This bill provides that county auditors may, but are no longer required to, provide return ballot envelopes that have a privacy flap to cover the voter's signature and optional telephone number. There is no emergent need for the bill to become effective immediately, and therefore the emergency clause in Section 2 of this bill is unnecessary.

For this reason, I have vetoed Section 2 of House Bill 1880.

With the exception of Section 2, House Bill 1880 is approved."
CHAPTER 126
[Second Substitute House Bill 2481]
FOREST BIOMASS ON STATE LANDS

AN ACT Relating to the department of natural resources authority to enter into forest biomass supply agreements; amending RCW 79.02.010, 43.30.020, 76.06.180, 79.15.100, 79.15.220, 79.15.510, and 79.15.510; adding a new chapter to Title 79 RCW; creating a new section; providing an effective date; and providing expiration dates.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that the utilization of forest biomass materials located on state lands will assist in achieving the purposes of the forest biomass energy demonstration project under RCW 43.30.835, facilitate and support the emerging forest biomass market and clean energy economy, and enable the department to encourage biomass energy development on state trust lands for the trust land's potential long-term benefits to trust beneficiaries. The legislature finds that biomass utilization on state forest lands must be accomplished in a manner that retains organic components of the forest necessary to restore or sustain forest ecological functions.

NEW SECTION. Sec. 2. (1) The department may maintain a list of all potential sources of forest biomass on state lands for the purposes of identifying and making forest biomass, as defined in RCW 79.02.010, available for sale, exploration, collection, processing, storage, stockpiling, and conversion into energy, biofuels, for use in a biorefinery, or any other similar use. Prior to entering an agreement authorized by section 3(1) or 4 of this act, the department shall complete an inventory of the available biomass in the area that will be subject to the agreement, except that no inventory will be required as a prerequisite for demonstration projects authorized pursuant to RCW 43.30.835. The inventory must contain, at a minimum, an estimated amount of the forest biomass available in the area that will be subject to the agreement and a determination of the ecological and operational sustainability of the volumetric limit established by the agreement under section 3(5) of this act.

(2) The data developed for each inventoried area will be compiled for the list authorized by this section. In order to utilize the list to limit or terminate any agreement authorized under this act, the department must determine that the overall supply of forest biomass in a region or watershed has been reduced to a point such that further exploration and collection of forest biomass may not be ecologically or operationally sustainable or might otherwise threaten long-term forest health.

NEW SECTION. Sec. 3. (1) The department is authorized to enter forest biomass supply contracts on terms and conditions acceptable to the department for terms of up to five years, except as provided in subsection (4) of this section, for the purpose of providing a supply of forest biomass during the term of the contract except as the term of the contract may be limited under subsection (2) of this section, provided that such a contract must terminate automatically upon the removal of the agreed volume of biomass and the completion of other conditions of the contract.

(2) The department may authorize the sale of forest biomass in a contract for the sale of valuable materials under chapter 79.15 RCW provided that the department complies with the provisions of this chapter and: (a) Requires a
separate bid and selects an apparent highest bidder for the forest biomass separately from the sale of valuable materials; (b) expressly includes forest biomass as an element of the sale of the valuable materials to be sold in the sales contract; or (c) a combination of (a) and (b) of this subsection. The term of the contract for the removal of biomass, if the sale is made in conformance with this subsection, must not exceed the term of the contract for valuable materials sold under chapter 79.15 RCW.

(3) The department may: (a) Enter into direct sales contracts for forest biomass, without public auction, based upon procedures adopted by the board to ensure competitive market prices and accountability; or (b) enter into contracts for forest biomass at public auction or by sealed bid to the highest bidder in a manner consistent with the sale procedures established for the sale of valuable materials in chapter 79.15 RCW or as may be adopted by the board.

(4) In the event a contracting entity makes a qualifying capital investment of fifty million dollars or more, the department may enter into an agreement for up to fifteen years. Such an agreement must include provisions that are periodically adjusted for market conditions. In addition, the conditions of the contract must include provisions that allow the department, when in the best interest of trust beneficiaries, to maintain the availability of biomass resources on state lands to existing pulp and paper operations or other existing biomass processing operations that are using such resources, in quantities typical for the period of five years preceding the effective date of this section. For the purposes of this section, "qualifying capital investment" means a planned and committed investment at the time the contract is set with the requirement that at least fifty million dollars be invested before the removal of any biomass under the contract.

(5) The department must specify in each contract an annual volumetric limit of the total cubic volume or tons of forest biomass to be supplied from a specific unit, geographically delineated area, or region within a watershed or watersheds on an ecologically and operationally sustainable basis. The department shall adopt general procedures for making the biomass supply availability determinations under this subsection. The procedures must be written to ensure that biomass utilization on forest lands managed by the department is accomplished in a manner that retains organic components of the forest necessary to restore or sustain forest ecological functions. The department shall develop utilization standards and operational methods in recognition of the variability of on-site conditions. The department may unilaterally amend the volume to be supplied by providing the contracting party with a minimum of six months notice prior to reducing the contract volume to be supplied if the department determines, under section 2 of this act, that the available supply has been reduced to a point such that further removal of forest biomass may not be ecologically or operationally sustainable or may adversely affect long-term forest health.

(6) At the expiration of the contract term, the department may renew the contract for up to three additional five year periods on terms and conditions acceptable to the department, if the department finds: (a) An ecologically and operationally sustainable supply of forest biomass is available for the term of the contract; (b) the payment under the contract represents the fair market value at the time of the renewal; and (c) the purchaser agrees to the estimated amount of biomass material available.
(7) Where the department sells forest biomass in a contract for sale of valuable materials under subsection (2) of this section, any valuable material conveyed as timber in such a contract must count toward the achievement of annual or decadal targets developed in the sustainable timber harvest calculation required by RCW 79.10.320, or similar targets for timber harvest volume, even where the purchaser uses that material as a biomass energy feedstock. All other biomass volume conveyed as authorized in this chapter must not be counted toward such sustainable timber harvest targets.

(8) All contractors and their operations authorized under this section shall comply with all applicable state and federal laws and regulations.

NEW SECTION. Sec. 4. The department is authorized to lease state lands for the purpose of the sale, exploration, collection, processing, storage, stockpiling, and conversion of biomass into energy or biofuels, the development of a biorefinery, or for any other resource use derived from biomass if the department is able to obtain a fair market rental return to the state or the appropriate constitutional or statutory trust and if the lease is in the best interest of the state and the affected trust, as follows:

(1) Leases authorized under this chapter may be entered into by public auction, in accordance with the provisions of RCW 79.13.140, or by negotiation.

(2) All leases must contain such terms and conditions as may be prescribed by the department in accordance with the provision of this act and to ensure that removal of forest biomass is ecologically and operationally sustainable. Leases authorized under this act may be for a term of no more than fifty years.

(3) For leases that involve the development of biomass processing, biofuel manufacturing, or biomass energy production facilities, the department may include provisions for reduced rent until an approved plan of development is completed and the facility is operational, provided that provisions are included to require: (a) Adequate assurances to protect the department's interest in a future rental income stream; (b) the demonstration of reasonable progress consistent with an approved plan of development; and (c) a lump sum payment to the department in the amount of the difference between the fair market rent and the reduced rent, if the approved plan of development is not completed in the time required in the plan.

(4) The department may require the payment of production rent or other compensation for the use of the land and biomass materials on the land. If the department is not entering a supply contract under section 3 of this act for any forest biomass to be supplied for the lease purposes from the leased land, then the department must require a royalty payment for the contribution to value of any product created by the lessee that is associated with forest biomass removed from the leased land in an amount fixed by the board.

(5) All lessees and their operations authorized under this section shall comply with all applicable state and federal laws and regulations.

NEW SECTION. Sec. 5. (1) For the purpose of improving forest health on state trust lands, and to better clarify the relationship of forest biomass with the by-products of forest health and fuel reduction treatments that have been traditionally utilized for other products, the department of natural resources shall evaluate how the supply agreements in sections 3 and 4 of this act could be utilized to sustain or create rural jobs and timber manufacturing infrastructure,
and to sell state timber to traditional types of timber purchasers. The department shall report its findings to the appropriate committees of the legislature by December 15, 2010, and the evaluation must at a minimum identify how such supply agreements could:

(a) Ensure the department of natural resources meets its fiduciary responsibility to the state's trust beneficiaries;
(b) Restore or sustain a competitive market for state timber sales;
(c) Generate returns for the trust that are commensurate with fluctuating market prices; and
(d) Ensure environmental compliance with all pertinent state and federal laws, and provide for ecologically and operationally sustainable biomass removal.

(2) For the purposes of proving the concepts evaluated in this section, the department may, in addition to the authorities granted in section 3 of this act, establish a five-year forest health and fuel reduction supply agreement demonstration project. Solicitation of private industry partners for such a project must be competitive, must focus on areas where traditional forest products manufacturing infrastructure and rural jobs have been lost, and should consider prioritizing partners utilizing materials for both traditional forest products and biomass energy conversion.

Sec. 8. RCW 76.06.180 and 2007 c 480 s 7 are each amended to read as follows:

1. Prior to issuing a forest health hazard warning or forest health hazard order, the commissioner shall consider the findings and recommendations of the forest health technical advisory committee and shall consult with county government officials, forest landowners and forest land managers, consulting foresters, and other interested parties to gather information on the threat, opportunities or constraints on treatment options, and other information they may provide. The commissioner, or a designee, shall conduct a public hearing in a county within the geographical area being considered.

2. The commissioner of public lands may issue a forest health hazard warning when he or she deems such action is necessary to manage the development of a threat to forest health or address an existing threat to forest health. A decision to issue a forest health hazard warning may be based on existing forest stand conditions and:

   a. The presence of an uncharacteristic insect or disease outbreak that has or is likely to (i) spread to multiple forest ownerships and cause extensive damage to forests; or (ii) significantly increase forest fuel that is likely to further the spread of uncharacteristic fire;

   b. When, due to extensive physical damage from wind or ice storm or other cause, there are (i) insect populations building up to large scale levels; or (ii) significantly increased forest fuels that are likely to further the spread of uncharacteristic fire; or

   c. When otherwise determined by the commissioner to be appropriate.

3. The commissioner of public lands may issue a forest health hazard order when he or she deems such action is necessary to address a significant threat to forest health. A decision to issue a forest health hazard order may be based on existing forest stand conditions and:

   a. The presence of an uncharacteristic insect or disease outbreak that has (i) spread to multiple forest ownerships and has caused and is likely to continue to cause extensive damage to forests; or (ii) significantly increased forest fuels that are likely to further the spread of uncharacteristic fire;

   b. When, due to extensive physical damage from wind or ice storm or other cause (i) insect populations are causing extensive damage to forests; or (ii) significantly increased forest fuels are likely to further the spread of uncharacteristic fire;

   c. Insufficient landowner action under a forest health hazard warning; or

   d. When otherwise determined by the commissioner to be appropriate.

4. A forest health hazard warning or forest health hazard order shall be issued by use of a commissioner's order. General notice of the commissioner's order shall be published in a newspaper of general circulation in each county within the area covered by the order and on the department's web site. The order shall specify the boundaries of the area affected, including federal and tribal lands, the forest stand conditions that would make a parcel subject to the provisions of the order, and the actions landowners or land managers should take to reduce the hazard. If the forest health hazard warning or order relates to land managed by the department, the warning or order may also contain provisions
for the department's utilization of any forest biomass pursuant to chapter 79.—
RCW (the new chapter created in section 14 of this act).

(5) Written notice of a forest health hazard warning or forest health hazard
order shall be provided to forest landowners of specifically affected property.

(a) The notice shall set forth:
(i) The reasons for the action;
(ii) The boundaries of the area affected, including federal and tribal lands;
(iii) Suggested actions that should be taken by the forest landowner under a
forest health hazard warning or the actions that must be taken by a forest
landowner under a forest health hazard order;
(iv) The time within which such actions should or must be taken;
(v) How to obtain information or technical assistance on forest health
conditions and treatment options;
(vi) The right to request mitigation under subsection (6) of this section and
appeal under subsection (7) of this section;
(vii) These requirements are advisory only for federal and tribal lands.

(b) The notice shall be served by personal service or by mail to the latest
recorded real property owner, as shown by the records of the county recording
officer as defined in RCW 65.08.060.  Service by mail is effective on the date of
mailing.  Proof of service shall be by affidavit or declaration under penalty of
perjury.

(6) Forest landowners who have been issued a forest health hazard order
under subsection (5) of this section may apply to the department for the
remission or mitigation of such order.  The application shall be made to the
department within fifteen days after notice of the order has been served.  Upon
receipt of the application, the department may remit or mitigate the order upon
whatever terms the department in its discretion deems proper, provided the
department deems the remission or mitigation to be in the best interests of
carrying out the purposes of this chapter.  The department may ascertain the facts
regarding all such applications in such reasonable manner and under such rule as
it deems proper.

(7) Forest landowners who have been issued a forest health hazard order
under subsection (5) of this section may appeal the order to the forest practices
appeals board.

(a) The appeal shall be filed within thirty days after notice of the order has
been served, unless application for mitigation has been made to the department.
When such an application for mitigation is made, such appeal shall be filed
within thirty days after notice of the disposition of the application for mitigation
has been served.

(b) The appeal must set forth:
(i) The name and mailing address of the appellant;
(ii) The name and mailing address of the appellant's attorney, if any;
(iii) A duplicate copy of the forest health hazard order;
(iv) A separate and concise statement of each error alleged to have been
committed;
(v) A concise statement of facts upon which the appellant relies to sustain
the statement of error; and
(vi) A statement of the relief requested.
(8) A forest health hazard order issued under subsection (5) of this section is effective thirty days after date of service unless application for remission or mitigation is made or an appeal is filed. When an application for remission or mitigation is made, the order is effective thirty days after notice setting forth the disposition of the application is served unless an appeal is filed from such disposition. Whenever an appeal of the order is filed, the order shall become effective only upon completion of all administrative and judicial review proceedings and the issuance of a final decision confirming the order in whole or in part.

(9) Upon written request, the department may certify as adequate a forest health management plan developed by a forest landowner, before or in response to a forest health hazard warning or forest health hazard order, if the plan is likely to achieve the desired result and the terms of the plan are being diligently followed by the forest landowner. The certification of adequacy shall be determined by the department in its sole discretion, and be provided to the requestor in writing.

Sec. 9. RCW 79.15.100 and 2004 c 177 s 5 are each amended to read as follows:

(1) Valuable materials may be sold separately from the land as a "lump sum sale" or as a "scale sale."

(a) "Lump sum sale" means any sale offered with a single total price applying to all the material conveyed.

(b) "Scale sale" means any sale offered with per unit prices to be applied to the material conveyed.

(2) Payment for lump sum sales must be made as follows:

(a) Lump sum sales under five thousand dollars appraised value require full payment on the day of sale.

(b) Lump sum sales appraised at over five thousand dollars but under one hundred thousand dollars may require full payment on the day of sale.

(c) Lump sum sales requiring full payment on the day of sale may be paid in cash or by certified check, cashier's check, bank draft, or money order, all payable to the department.

(3) Except for sales paid in full on the day of sale or sales with adequate bid bonds, an initial deposit not to exceed twenty-five percent of the actual or projected purchase price shall be made on the day of sale.

(a) Sales with bid bonds are subject to the day of sale payment and replacement requirements prescribed by RCW 79.15.110.

(b) The initial deposit must be maintained until all contract obligations of the purchaser are satisfied. However, all or a portion of the initial deposit may be applied as the final payment for the valuable materials in the event the department determines that adequate security exists for the performance or fulfillment of any remaining obligations of the purchaser under the sale contract.

(4) Advance payments or other adequate security acceptable to the department is required for valuable materials sold on a scale sale basis or a lump sum sale not requiring full payment on the day of sale.

(a) The purchaser must notify the department before any operation takes place on the sale site.
(b) Upon notification as provided in (a) of this subsection, the department must require advanced payment or may allow purchasers to submit adequate security.

(c) The amount of advanced payments or security must be determined by the department and must at all times equal or exceed the value of timber cut and other valuable materials processed or removed until paid for.

(d) Security may be bank letters of credit, payment bonds, assignments of savings accounts, assignments of certificates of deposit, or other methods acceptable to the department as adequate security.

(5) All valuable material must be removed from the sale area within the period specified in the contract.

(a) The specified period may not exceed five years from date of purchase except for stone, sand, gravel, fill material, or building stone.

(b) The specified period for stone, sand, gravel, fill material, or building stone may not exceed thirty years.

(c) In all cases, any valuable material not removed from the land within the period specified in the contract reverts to the state. The department may utilize any remaining forest biomass in accordance with chapter 79 — RCW (the new chapter created in section 14 of this act).

(6) The department may extend a contract beyond the normal termination date specified in the sale contract as the time for removal of valuable materials when, in the department's judgment, the purchaser is acting in good faith and endeavoring to remove the materials. The extension is contingent upon payment of the fees specified below.

(a) The extended time for removal shall not exceed:
   (i) Forty years from date of purchase for stone, sand, gravel, fill material, or building stone;
   (ii) A total of ten years beyond the original termination date for all other valuable materials.

(b) An extension fee fixed by the department will be charged based on the estimated loss of income per acre to the state resulting from the granting of the extension plus interest on the unpaid portion of the contract. The board must periodically fix and adopt by rule the interest rate, which shall not be less than six percent per annum.

(c) The sale contract shall specify:
   (i) The applicable rate of interest as fixed at the day of sale and the maximum extension payment; and
   (ii) The method for calculating the unpaid portion of the contract upon which interest is paid.

(d) The minimum extension fee is fifty dollars per extension plus interest on the unpaid portion of the contract.

(e) Moneys received for any extension must be credited to the same fund in the state treasury as was credited the original purchase price of the valuable material sold.

(7) The department may, in addition to any other securities, require a performance security to guarantee compliance with all contract requirements. The security is limited to those types listed in subsection (4) of this section. The value of the performance security will, at all times, equal or exceed the value of work performed or to be performed by the purchaser.
(8) The department does not need to comply with the provisions of this chapter for forest biomass except as described in the provisions of chapter 79—RCW (the new chapter created in section 14 of this act). Forest biomass may not be included in any sales contract authorized under this chapter unless the department has complied with the provisions of chapter 79—RCW (the new chapter created in section 14 of this act).

(9) The provisions of this section apply unless otherwise provided by statute.

Sec. 10. RCW 79.15.220 and 2001 c 250 s 14 are each amended to read as follows:

When the department finds valuable materials on state land that are damaged by fire, wind, flood, or from any other cause, it shall determine if the salvage of the damaged valuable materials is in the best interest of the trust for which the land is held, which may include the salvage of forest biomass under chapter 79—RCW (the new chapter created in section 14 of this act). If salvaging the valuable materials is in the best interest of the trust, the department shall proceed to offer the valuable materials for sale. The valuable materials, when offered for sale, must be sold in the most expeditious and efficient manner as determined by the department. In determining if the sale is in the best interest of the trust the department shall consider the net value of the valuable materials and relevant elements of the physical and social environment.

Sec. 11. RCW 79.15.510 and 2009 c 418 s 2 are each amended to read as follows:

(1) The department may establish a contract harvesting program for directly contracting for the removal of timber and other valuable materials from state lands and for conducting silvicultural treatments consistent with RCW 79.15.540.

(2) The contract requirements must be compatible with the office of financial management's guide to public service contracts.

(3) The department may not use contract harvesting for more than twenty percent of the total annual volume of timber offered for sale. However, volume removed primarily to address an identified forest health issue under RCW 79.15.540 may not be included in calculating the twenty percent annual limit of contract harvesting sales. Forest biomass resulting from harvesting to address an identified forest health issue under RCW 79.15.540 may be utilized in accordance with chapter 79—RCW (the new chapter created in section 14 of this act).

Sec. 12. RCW 79.15.510 and 2004 c 218 s 6 are each amended to read as follows:

(1) The department may establish a contract harvesting program for directly contracting for the removal of timber and other valuable materials from state lands and for conducting silvicultural treatments consistent with RCW 79.15.540.

(2) The contract requirements must be compatible with the office of financial management's guide to public service contracts.

(3) The department may not use contract harvesting for more than ten percent of the total annual volume of timber offered for sale. However, volume removed primarily to address an identified forest health issue under RCW 79.15.540.
79.15.540 may not be included in calculating the (ten percent) annual limit of contract harvesting sales. Forest biomass resulting from harvesting to address an identified forest health issue under RCW 79.15.540 may be utilized in accordance with chapter 79.—RCW (the new chapter created in section 14 of this act).

NEW SECTION. Sec. 13. The department of natural resources must conduct a survey of scientific literature regarding the carbon neutrality of forest biomass. The department must submit the survey results with any findings and recommendations to the appropriate committees of the legislature by December 15, 2010. This section expires January 1, 2011.

NEW SECTION. Sec. 14. Sections 1 through 5 of this act constitute a new chapter in Title 79 RCW.

NEW SECTION. Sec. 15. Section 11 of this act expires January 1, 2014.

NEW SECTION. Sec. 16. Section 12 of this act takes effect January 1, 2014.

CHAPTER 127

[Engrossed Substitute House Bill 3179]
LOCAL EXCISE TAXES

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 82.14.450 and 2009 c 551 s 1 are each amended to read as follows:

(1) A county legislative authority may submit an authorizing proposition to the county voters at a primary or general election and, if the proposition is approved by a majority of persons voting, impose a sales and use tax in accordance with the terms of this chapter. The title of each ballot measure must clearly state the purposes for which the proposed sales and use tax will be used. (Funds raised under this tax shall not supplant existing funds used for these purposes, except as follows: Up to one hundred percent may be used to supplant existing funding in calendar year 2010; up to eighty percent may be used to supplant existing funding in calendar year 2011; up to sixty percent may be used to supplant existing funding in calendar year 2012; up to forty percent may be used to supplant existing funding in calendar year 2013; and up to twenty percent may be used to supplant existing funding in calendar year 2014. For purposes of this subsection, existing funds means the actual operating expenditures for the calendar year in which the ballot measure is approved by voters. Actual operating expenditures excludes lost federal funds, lost or expired state grants or loans, extraordinary events not likely to reoccur, changes in
contract provisions beyond the control of the county or city receiving the services, and major nonrecurring capital expenditures. The rate of tax under this section may not exceed three-tenths of one percent of the selling price in the case of a sales tax, or value of the article used, in the case of a use tax.

(2)(a) A city legislative authority may submit an authorizing proposition to the city voters at a primary or general election and, if the proposition is approved by a majority of persons voting, impose a sales and use tax in accordance with the terms of this chapter. The title of each ballot measure must clearly state the purposes for which the proposed sales and use tax will be used. The rate of tax under this subsection may not exceed one-tenth of one percent of the selling price in the case of a sales tax, or value of the article used, in the case of a use tax. A city may not begin imposing a tax approved by the voters under this subsection prior to January 1, 2011.

(b) If a county adopts an ordinance or resolution to submit a ballot proposition to the voters to impose the sales and use tax under subsection (1) of this section prior to a city within the county adopting an ordinance or resolution to submit a ballot proposition to the voters to impose the tax under this subsection, the rate of tax by the city under this subsection may not exceed an amount that would cause the total county and city tax rate under this section to exceed three-tenths of one percent. This subsection (2)(b) also applies if the county and city adopt an ordinance or resolution to impose sales and use taxes under this section on the same date.

(c) If the city adopts an ordinance or resolution to submit a ballot proposition to the voters to impose the sales and use tax under this subsection prior to the county in which the city is located, the county must provide a credit against its tax under subsection (1) of this section for the city tax under this subsection to the extent the total county and city tax rate under this section would exceed three-tenths of one percent.

(3) The tax authorized in this section is in addition to any other taxes authorized by law and must be collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the county.

(4) The retail sale or use of motor vehicles, and the lease of motor vehicles for up to the first thirty-six months of the lease, are exempt from tax imposed under this section.

(5) One-third of all money received under this section must be used solely for criminal justice purposes, fire protection purposes, or both. For the purposes of this subsection, "criminal justice purposes" has the same meaning as provided in RCW 82.14.340.

(6) Money received by a county under subsection (1) of this section must be shared between the county and the cities as follows: Sixty percent must be retained by the county and forty percent must be distributed on a per capita basis to cities in the county.

(7) Tax proceeds received by a city imposing a tax under this section must be shared between the county and city as follows: Fifteen percent must be distributed to the county and eighty-five percent is retained by the city.

Sec. 2. RCW 82.14.460 and 2009 c 551 s 2 are each amended to read as follows:
(1)(a) A county legislative authority may authorize, fix, and impose a sales and use tax in accordance with the terms of this chapter.

(b) If a county with a population over eight hundred thousand has not imposed the tax authorized under this subsection by January 1, 2011, any city with a population over thirty thousand located in that county may authorize, fix, and impose the sales and use tax in accordance with the terms of this chapter. The county must provide a credit against its tax for the full amount of tax imposed under this subsection (1)(b) by any city located in that county if the county imposes the tax after January 1, 2011.

(2) The tax authorized in this section ((shall be)) is in addition to any other taxes authorized by law and ((shall)) must be collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the county for a county's tax and within a city for a city's tax. The rate of tax ((shall)) equals one-tenth of one percent of the selling price in the case of a sales tax, or value of the article used, in the case of a use tax.

(3) Moneys collected under this section ((shall)) must be used solely for the purpose of providing for the operation or delivery of chemical dependency or mental health treatment programs and services and for the operation or delivery of therapeutic court programs and services. For the purposes of this section, "programs and services" includes, but is not limited to, treatment services, case management, and housing that are a component of a coordinated chemical dependency or mental health treatment program or service.

(4) All moneys collected under this section must be used solely for the purpose of providing new or expanded programs and services as provided in this section, except a portion of moneys collected under this section may be used to supplant existing funding for these purposes in any county or city as follows: Up to fifty percent may be used to supplant existing funding in calendar year 2010; up to forty percent may be used to supplant existing funding in calendar year 2011; up to thirty percent may be used to supplant existing funding in calendar year 2012; up to twenty percent may be used to supplant existing funding in calendar year 2013; and up to ten percent may be used to supplant existing funding in calendar year 2014.

(5) Nothing in this section may be interpreted to prohibit the use of moneys collected under this section for the replacement of lapsed federal funding previously provided for the operation or delivery of services and programs as provided in this section.

Sec. 3. RCW 82.14.340 and 1995 c 309 s 1 are each amended to read as follows:

(1) The legislative authority of any county may fix and impose a sales and use tax in accordance with the terms of this chapter, provided that such sales and use tax is subject to repeal by referendum, using the procedures provided in RCW 82.14.036. covered employee coemployed with the client under the terms of a professional
employer agreement engages in activities that constitute a sale of tangible
personal property, extended warranty, digital good, digital code, or a sale of any
digital automated service or service defined as a retail sale in RCW 82.04.050
(2)(a) or (g), (3)(a), or (6)(b) that is subject to the tax imposed by this chapter.  In

The "value of the article used," does not include any amounts that are paid for
the hire or use of a natural gas business in transporting the gas subject to tax
under this subsection if those amounts are subject to tax under RCW 35.21.870.
(3) The tax imposed under this section ((shall)) does not apply to the use of natural or manufactured gas if the person who sold the gas to the consumer has paid a tax under RCW 35.21.870 with respect to the gas for which exemption is sought under this subsection.

(b) It is the intent of the legislature to encourage the performance of child death reviews by local health departments by providing necessary legal protections to the families of children whose deaths are studied, local health department officials and employees, and health care professionals participating in child mortality review committee activities.

(2) As used in this section, "child mortality review" means a process authorized by a local health department as such department is defined in RCW 70.05.010 for examining factors that contribute to deaths of children less than eighteen years of age. The process may include a systematic review of medical, clinical, and hospital records; home interviews of parents and caretakers of children who have died; analysis of individual case information; and review of this information by a team of professionals in order to identify modifiable medical, socioeconomic, public health, behavioral, administrative, educational, and environmental factors associated with each death.

(3) Local health departments are authorized to conduct child mortality reviews. In conducting such reviews, the following provisions shall apply:

(a) (All medical records, reports, and statements procured by, furnished to, or maintained by a local health department pursuant to chapter 70.02 RCW for purposes of a child mortality review are confidential insofar as the identity of an individual child and his or her adoptive or natural parents is concerned. Such records may be used solely by local health departments for the purposes of the review. This section does not prevent a local health department from publishing statistical compilations and reports related to the child mortality review, if such compilations and reports do not identify individual cases and sources of information.

(b) Any records or documents supplied or maintained for the purposes of a child mortality review are not subject to discovery or subpoena in any administrative, civil, or criminal proceeding related to the death of a child reviewed. This provision shall not restrict or limit the discovery or subpoena from a health care provider of records or documents maintained by such health care provider in the ordinary course of business, whether or not such records or documents may have been supplied to a local health department pursuant to this section.

(b) No identifying information related to the deceased child, the child's guardians, or anyone interviewed as part of the child mortality review may be disclosed. Any such information shall be redacted from any records produced as part of the review.

(c) Any witness statements or documents collected from witnesses, or summaries or analyses of those statements or records prepared exclusively for purposes of a child mortality review, are not subject to public disclosure.
discovery, subpoena, or introduction into evidence in any administrative, civil,
or criminal proceeding related to the death of a child reviewed. This provision
does not restrict or limit the discovery or subpoena from a health care provider
of records or documents maintained by such health care provider in the ordinary
course of business, whether or not such records or documents may have been
supplied to a local health department pursuant to this section. This provision
shall not restrict or limit the discovery or subpoena of documents from such
witnesses simply because a copy of a document was collected as part of a child
total mortality review.

(d) No local health department official or employee, and no members of
technical committees established to perform case reviews of selected child
deaths may be examined in any administrative, civil, or criminal proceeding as
to the existence or contents of documents assembled, prepared, or maintained for
purposes of a child mortality review.

(e) This section shall not be construed to prohibit or restrict any person from
reporting suspected child abuse or neglect under chapter 26.44 RCW nor to limit
access to or use of any records, documents, information, or testimony in any
civil or criminal action arising out of any report made pursuant to chapter 26.44
RCW.

(4) The department shall assist local health departments to collect the
reports of any child mortality reviews conducted by local health departments and
assist with entering the reports into a database to the extent that the data is not
protected under subsection (3) of this section. Notwithstanding subsection (3) of
this section, the department shall respond to any requests for data from the
database to the extent permitted for health care information under chapter 70.02
RCW. In addition, the department shall provide technical assistance to local
health departments and child death review coordinators conducting child

(4) Product producers must play a significant role in financing no-cost collection and processing programs for mercury-containing lights; and

(5) Providers of premium collection services such as residential curbside and mail-back programs may charge a fee to cover the collection costs for these more convenient forms of collection.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

NEW SECTION. Sec. 3. (1) Every producer of mercury-containing lights sold in or into Washington state for residential use must fully finance and participate in a product stewardship program for that product, including the department's costs for administering and enforcing this chapter.

(2) Every producer must:

(a) Participate in a product stewardship program approved by the department and operated by a product stewardship organization contracted by the department. All producers must finance and participate in the plan operated by the product stewardship organization, unless the producer obtains department approval for an independent plan as described in (b) of this subsection; or

(b) Finance and operate, either individually or jointly with other producers, a product stewardship program approved by the department.

(3) A producer, group of producers, or product stewardship organization funded by producers must pay all administrative and operational costs associated with their program or programs, except for the collection costs associated with curbside and mail-back collection programs. For curbside and mail-back programs, a producer, group of producers, or product stewardship organization shall finance the costs of transporting mercury-containing lights from accumulation points and for processing mercury-containing lights collected by curbside and mail-back programs. NEW SECTION. Sec. 7. (1) Except for persons involved in registered mail-back programs, a person who collects unwanted mercury-containing lights in the state, receives funding through a product stewardship program for mercury-containing lights, and who is not a generator of unwanted mercury-containing lights must:

(a) Register with the department as a collector of unwanted mercury-containing lights. Until the department adopts rules for collectors, the collector must provide to the department the legal name of the person or entity owning and operating the collection location, the address and phone number of the collection location, and the name, address, and phone number of the individual responsible for operating the collection location and update any changes in this information within thirty days of the change;

(b) Maintain a spill and release response plan at the collection location that describes the materials, equipment, and procedures that will be used to respond to any mercury release from an unwanted mercury-containing light;

(c) Maintain a worker safety plan at the collection location that describes the handling of the unwanted mercury-containing lights at the collection location and measures that will be taken to protect worker health and safety; and

(d) Use packaging and shipping material that will minimize the release of mercury into the environment and minimize breakage and use mercury vapor barrier packaging if mercury-containing lights are transported by the United States postal service or a common carrier.

(2) A person who operates a curbside collection program or owns or operates a mail-back business participating in a product stewardship program for mercury-containing lights and uses the United States postal service or a common carrier for transport must register with the department and use mercury vapor barrier packaging for curbside collection and mail-back containers.

NEW SECTION. Sec. 8. Effective January 1, 2013:

(1) All persons, residents, government, commercial, industrial, and retail facilities and office buildings must recycle their end-of-life mercury-containing lights.

(2) No mercury-containing lights may knowingly be placed in waste containers for disposal at incinerators, waste to energy facilities, or landfills.

(3) No mercury-containing lights may knowingly be placed in a container for mixed recyclables unless there is a separate location or compartment for the mercury-containing lights that complies with local government collection standards or guidelines.

(4) No owner or operator of a solid waste facility may be found in violation of this section if the facility has posted in a conspicuous location a sign stating that mercury-containing lights must be recycled and are not accepted for disposal.
(5) No solid waste collector may be found in violation of this section for mercury-containing lights placed in a disposal container by the generator of the mercury-containing light.

NEW SECTION. Sec. 9. As of January 1, 2013, no producer, wholesaler, retailer, electric utility, or other person may distribute, sell, or offer for sale mercury-containing lights for residential use to any person in this state unless the producer is participating in a product stewardship program under a plan approved by the department.

NEW SECTION. Sec. 10. (1) The department shall send a written warning and a copy of this chapter and any rules adopted to implement this chapter to a producer who is not participating in a product stewardship program approved by the department and whose mercury-containing lights are being sold in or into the state.

(2) A producer not participating in a product stewardship program approved by the department whose mercury-containing lights continue to be sold in or into the state sixty days after receiving a written warning from the department shall be assessed a penalty of up to one thousand dollars for each violation. A violation is one day of sales.

(3) If any producer fails to implement its approved plan, the department shall assess a penalty of up to five thousand dollars for the first violation along with notification that the producer must implement its plan within thirty days of the violation. After thirty days, any producer failing to implement their approved plan must be assessed a penalty of up to ten thousand dollars for the second and each subsequent violation. A subsequent violation occurs each thirty-day period that the producer fails to implement the approved plan.

(4) The department shall send a written warning to a producer that fails to submit a product stewardship plan, update or change the plan when required, or submit an annual report as required under this chapter. The written warning must include compliance requirements and notification that the requirements must be met within sixty days. If requirements are not met within sixty days, the producer will be assessed a ten thousand dollar penalty per day of noncompliance starting with the first day of notice of noncompliance.

(5) Penalties prescribed under this section must be reduced by fifty percent if the producer complies within thirty days of the second violation notice.

(6) A producer may appeal penalties prescribed under this section to the pollution control hearings board created under chapter 43.21B RCW.

NEW SECTION. Sec. 11. (1) The department shall provide on its web site a list of all producers participating in a product stewardship plan that the department has approved and a list of all producers the department has identified as noncompliant with this chapter and any rules adopted to implement this chapter.

(2) Product wholesalers, retailers, distributors, and electric utilities must check the department's web site or producer-provided written verification to determine if producers of products they are selling in or into the state are in compliance with this chapter.

(3) No one may distribute or sell mercury-containing lights in or into the state from producers who are not participating in a product stewardship program.
or who are not in compliance with this chapter and rules adopted under this chapter.

(4) The department shall serve, or send with delivery confirmation, a written warning explaining the violation to any person known to be distributing or selling mercury-containing lights in or into the state from producers who are not participating in a product stewardship program or who are not in compliance with this chapter and rules adopted under this chapter.

(5) Any person who continues to distribute or sell mercury-containing lights from a producer that is not participating in an approved product stewardship program sixty days after receiving a written warning from the department may be assessed a penalty two times the value of the products sold in violation of this chapter or five hundred dollars, whichever is greater. The penalty must be waived if the person verifies that the person has discontinued distribution or sales of mercury-containing lights within thirty days of the date the penalty is assessed. A retailer may appeal penalties to the pollution control hearings board.

(6) The department shall adopt rules to implement this section.

(7) A sale or purchase of mercury-containing lights as a casual or isolated sale as defined in RCW 82.04.040 is not subject to the provisions of this section.

(8) A person primarily engaged in the business of reuse and resale of a used mercury-containing light is not subject to the provisions of this section when selling used working mercury-containing lights, for use in the same manner and purpose for which it was originally purchased.

(9) In-state distributors, wholesalers, and retailers in possession of mercury-containing lights on the date that restrictions on the sale of the product become effective may exhaust their existing stock through sales to the public.

NEW SECTION. Sec. 12. All producers shall pay the department annual fees to cover the cost of administering and enforcing this chapter. The department may prioritize the work to implement this chapter if fees are not adequate to fund all costs of the program.

NEW SECTION. Sec. 13. The product stewardship programs account is created in the custody of the state treasurer. All funds received from producers under this chapter and penalties collected under this chapter must be deposited in the account. Expenditures from the account may be used only for administering this chapter. Only the director of the department or the director's designee may authorize expenditures from the account. The account is subject to the allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

NEW SECTION. Sec. 14. (1) The department may adopt rules necessary to implement, administer, and enforce this chapter.

(2) The department may adopt rules to establish performance standards for product stewardship programs and may establish administrative penalties for failure to meet the standards.

(3) By December 31, 2010, and annually thereafter until December 31, 2014, the department shall report to the appropriate committees of the legislature concerning the status of the product stewardship program and recommendations for changes to the provisions of this chapter.

(4) Beginning October 1, 2014, the department shall annually invite comments from local governments, communities, and citizens to report their
satisfaction with services provided by product stewardship programs. This information must be used by the department to determine if the plan operator is meeting convenience requirements and in reviewing proposed updates or changes to product stewardship plans.

(5) Beginning October 1, 2014, the department shall annually invite comments from retailers, consumer groups, electric utilities, the Northwest power and conservation council, and other interested parties regarding the impacts of the requirements of this chapter on the availability or purchase of energy efficient lighting within the state. If the department determines that evidence shows the requirements of this chapter have resulted in negative impacts on the availability or purchase of energy efficient lighting in the state, the department shall report this information by December 31st of each year to the appropriate committees of the legislature with recommendations for changes to the provisions of this chapter.

(6) Beginning October 1, 2014, the department shall annually invite comments from retailers, consumer groups, electric utilities, the Northwest power and conservation council, and other interested parties regarding the availability of energy efficient nonmercury lighting to replace mercury-containing lighting within the state. If the department determines that evidence shows that energy efficient nonmercury-containing lighting is available and achieves similar energy savings as mercury lighting at similar cost, the department shall report this information by December 31st of each year to the appropriate committees of the legislature with recommendations for legislative changes to reduce mercury use in lighting.

(7) Beginning October 1, 2014, the department shall annually estimate the overall statewide recycling rate for mercury-containing lights and calculate that portion of the recycling rate attributable to the product stewardship program.

(8) The department may require submission of independent performance evaluations and report evaluations documenting the effectiveness of mercury vapor barrier packaging in preventing the escape of mercury into the environment. The department may restrict the use of packaging for which adequate documentation has not been provided. Restricted packaging may not be used in any product stewardship program required under this chapter.

NEW SECTION. Sec. 15. Nothing in this chapter changes or limits the authority of the Washington utilities and transportation commission to regulate collection of solid waste, including curbside collection of residential recyclable materials, nor does this chapter change or limit the authority of a city or town to provide such service itself or by contract under RCW 81.77.020.

NEW SECTION. Sec. 16. Nothing in this chapter changes the requirements of any entity regulated under chapter 70.105 RCW to comply with the requirements under that chapter.

NEW SECTION. Sec. 17. This chapter must be liberally construed to carry out its purposes and objectives.

animal agriculture climate control system or industrial measurement system or
for veterinary medicine until such a time as the system is replaced or a
nonmercury component for the system or application is available;

(iv) A thermometer or manometer that contains mercury that is used for
calibration of other thermometers, manometers, apparatus, or equipment, unless
a nonmercury calibration standard is approved for the application by the national
institute of standards and technology;

(v) A thermometer that is provided by prescription. A manufacturer of a
mercury thermometer shall supply clear instructions on the careful handling of
the thermometer to avoid breakage and proper cleanup should a breakage occur;
or

(vi) A manometer or thermometer sold or distributed to a hospital, or a
health care facility controlled by a hospital, if the hospital has adopted a plan for
mercury reduction consistent with the goals of the mercury chemical action plan
developed by the department under section 302, chapter 371, Laws of 2002.

(b) A manufacturer of thermometers that contain mercury must notify all
retailers that sell the product about the provisions of this section and how to
properly dispose of any remaining thermometer inventory.

(3) Effective January 1, 2006, no person may sell, install, or reinstall a

However, the prohibition in this subsection does not apply to immediate dangerous waste recycling facilities or treatment, storage, and disposal facilities as approved by the department and sales to research facilities, or industrial facilities that provide products or services to entities exempted from this chapter. The facilities described in this subsection must submit an inventory of their purchase and use of bulk mercury to the department on an annual basis, as well as any mercury waste generated from such actions.

NEW SECTION. Sec. 20. Sections 1 through 17 and 21 of this act constitute a new chapter in Title 70 RCW.

CHAPTER 131
[Engrossed Substitute Senate Bill 5704]
FLOOD DISTRICT CREATION—THREE OR MORE COUNTIES
AN ACT Relating to creation of a flood district by three or more counties; amending RCW 85.38.090; and adding a new section to chapter 85.38 RCW.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 85.38.090 and 1991 c 349 s 12 are each amended to read as follows:
(1) Whenever the governing body of a special district has more than three members, the governing body shall be reduced to three members as of January 1, 1986, by eliminating the positions of those district governing body members with the shortest remaining terms of office. The remaining three governing body members shall have staggered terms with the one having the shortest remaining term having his or her position filled at the 1987 special district general election, the one with the next shortest remaining term having his or her position filled at the 1989 special district general election, and the one with the longest remaining term having his or her position filled at the 1992 special district general election. If any of these remaining three governing body members have identical remaining terms of office, the newly calculated remaining terms of these persons shall be determined by lot with the county auditor who assists the special district in its elections managing such lot procedure. The newly established terms shall be recorded by the county auditor.
(2) However, whenever five or more special districts have consolidated under chapter 85.36 RCW and the consolidated district has five members in its governing body on July 28, 1985, the consolidated district may adopt a resolution retaining a five-member governing body. At any time thereafter, such a district may adopt a resolution and reduce the size of the governing body to three members with the reduction occurring as provided in subsection (1) of this section, but the years of the effective dates shall be extended so that the reduction occurs at the next January 1st occurring after the date of the adoption of the resolution. Whenever a special district is so governed by a five-member governing body, two members shall be elected at each of two consecutive special district general elections, and one member shall be elected at the following special district general election, each to serve a six-year staggered term.

(3) Nothing in this section permits the governing body of a flood control district that is subject to section 2 of this act to reduce the size of its governing body.

NEW SECTION. Sec. 2. A new section is added to chapter 85.38 RCW to read as follows:

The following provisions apply to the governing bodies of flood control districts that, upon creation, have territory in three or more counties:

(1) The governing body shall include one member from each county with territory in the district, and two additional members selected as provided by this section. No more than two governing members may be from the same county.

(2) The initial members of the governing body must be chosen by each county legislative authority within which the district resides, with each county choosing one member, and the two counties with the largest populations within the district choosing one additional member each. The initial governing body members shall serve until their successors are elected and qualified at the next special district general election.

(3) At this first election, the members receiving the two greatest number of votes shall serve six-year terms, the members receiving the third and fourth greatest number of votes shall serve four-year terms, and the remaining members shall serve two-year terms of office.

(4) The requirements for the filing period, method for filing declarations of candidacy, and the arrangement of candidate names on the ballot for all special district general elections conducted after the initial election in the district shall be the same as the requirements for the initial election in the district. No primary elections may be held for the governing body of a flood control district that, upon creation, has territory in three or more counties.

(5) A vacancy occurs upon the death, resignation, or incapacity of a governing body member, or whenever the governing body member ceases to be a registered voter of the district.

(6)(a) Whenever a vacancy occurs in the governing body, the legislative authority of the county within which the largest geographic portion of the district is located shall appoint a registered voter to serve until a person is elected, at the next special district general election occurring sixty or more days after the vacancy has occurred, to serve the remainder of the unexpired term. The person so elected shall take office immediately when qualified as defined in RCW 29A.04.133.
(b) If an election for the position that became vacant would otherwise have been held at this special district general election, only one election shall be held and the person elected to fill the succeeding term for that position shall take office immediately when qualified as defined in RCW 29A.04.133 and shall serve both the remainder of the unexpired term and the succeeding term.

(7) An elected or appointed member of the governing body, or a candidate for the governing body, must be a registered voter of the flood control district who has resided within the district for period of not less than thirty days before the election. In accordance with RCW 85.38.127, land ownership is not a requirement for serving on the governing body of the district.

CHAPTER 132
[Second Engrossed Substitute Senate Bill 5742]
CRIME-FREE RENTAL HOUSING

AN ACT Relating to crime-free rental housing; and adding a new chapter to Title 35 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that local governments, landlords, and tenants working together to provide crime-free rental housing is beneficial to the public health, safety, and welfare. The legislature is also concerned about activities and provisions that serve to bar a person with a criminal history from obtaining viable housing regardless of other factors that may indicate rental stability, such as employment, rental references, or time in the community with no further criminal activity. It is therefore the intent of this act to provide certain requirements that a local government must follow in adopting a crime-free rental housing program.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Crime-free rental housing program" means a crime prevention program designed to reduce crime, drugs, and gangs on rental housing premises under the supervision of the local police department or a crime prevention officer. The program may include, but is not limited to: Property management and crime prevention training classes; crime prevention through environmental design surveys; and community awareness training.

(2) "Criminal activity" means a criminal act defined by statute or ordinance that threatens the health, safety, or welfare of the tenants, owner, guests, occupants, or property manager.

(3) "Local government" means any city, code city, town, or county.

(4) "Premises" has the same meaning as in RCW 59.18.030.

(5) "Rental housing" means any tenancy subject to chapter 59.12, 59.18, or 59.20 RCW.

NEW SECTION. Sec. 3. (1)(a) Except as provided in (b) of this subsection, a local government may adopt and implement a crime-free rental housing program within its jurisdiction in accordance with this chapter.
(b) A crime-free rental housing program adopted and implemented by a county is applicable only to unincorporated areas of the county.

(2) Except as provided in subsection (3) of this section, a crime-free rental housing program must be voluntary.

(3)(a) A local government may require a landlord to participate in a crime-free rental housing program upon exceeding a reasonable threshold of instances of criminal activity on the premises if the landlord has not made a good faith effort to deter the criminal activity.

(b) A good faith effort may include, but is not limited to:

(i) Service of notice on the tenant to comply or quit as allowed by law or the commencement of an unlawful detainer action against the tenant; and

(ii) Attendance and completion of a landlord training program approved by the local government.

(4)(a) As a requisite to subsection (3) of this section, upon the occurrence of criminal activity on the premises, the local police department must send a notice to the landlord setting forth the following:

(i) The date and location of the occurrence;

(ii) The nature of the occurrence; and

(iii) The name of the person who engaged in the occurrence.

(b) Notice is deemed properly delivered when it is either served upon the landlord or a property manager of the rental property, or is delivered by first-class mail to the last known address of the landlord.

(5) This section does not prevent a local government from charging a fee for participation in a crime-free rental housing program.

(6) This section does not affect a local government's authority to enforce existing law in regard to rental housing, except in regard to a crime-free rental housing program.

NEW SECTION. Sec. 4. A crime-free rental housing program may not prohibit a landlord from hiring or renting to a person solely because of the person's criminal history.

NEW SECTION. Sec. 5. (1) Except as provided in subsection (2) of this section, this chapter supersedes and preempts all rules, regulations, codes, statutes, or ordinances of all local governments regarding the same subject matter. The state preemption created in this section applies to all rules, regulations, codes, statutes, and ordinances pertaining to crime-free rental housing programs at any time.

(2) Section 3 of this act does not apply to rules, regulations, codes, statutes, or ordinances adopted by local governments prior to July 1, 2010, except as required by an order issued by a court of competent jurisdiction pursuant to litigation regarding the rules, regulations, codes, statutes, or ordinances.

NEW SECTION. Sec. 6. Sections 1 through 5 of this act constitute a new chapter in Title 35 RCW.

Passed by the Senate March 8, 2010.
Passed by the House February 28, 2010.
Approved by the Governor March 19, 2010.

VULNERABLE ADULTS—FINANCIAL INSTITUTIONS—REPORTS OF ABUSE OR NEGLECT
AN ACT Relating to vulnerable adults; amending RCW 30.22.210, 74.34.020, and 74.34.035; and adding new sections to chapter 74.34 RCW.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 30.22.210 and 1981 c 192 s 21 are each amended to read as follows:

(1) Nothing contained in this chapter shall be deemed to require any financial institution to make any payment from an account to a depositor, or any trust or P.O.D. account beneficiary, or any other person claiming an interest in any funds deposited in the account, if the financial institution has actual knowledge of the existence of a dispute between the depositors, beneficiaries, or other persons concerning their respective rights of ownership to the funds contained in, or proposed to be withdrawn, or previously withdrawn from the account, or in the event the financial institution is otherwise uncertain as to who is entitled to the funds pursuant to the contract of deposit. In any such case, the financial institution may, without liability, notify, in writing, all depositors, beneficiaries, or other persons claiming an interest in the account of either its uncertainty as to who is entitled to the distributions or the existence of any dispute, and may also, without liability, refuse to disburse any funds contained in the account to any depositor, and/or trust or P.O.D. account beneficiary thereof, and/or other persons claiming an interest therein, until such time as either:

((1)) (a) All such depositors and/or beneficiaries have consented, in writing, to the requested payment; or

((2)) (b) The payment is authorized or directed by a court of proper jurisdiction.

(2) If a financial institution reasonably believes that financial exploitation of a vulnerable adult, as defined in RCW 74.34.020, may have occurred, may have been attempted, or is being attempted, the financial institution may refuse a transaction as permitted under section 3 of this act.

Sec. 2. RCW 74.34.020 and 2007 c 312 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Abandonment" means action or inaction by a person or entity with a duty of care for a vulnerable adult that leaves the vulnerable person without the means or ability to obtain necessary food, clothing, shelter, or health care.

(2) "Abuse" means the willful action or inaction that inflicts injury, unreasonable confinement, intimidation, or punishment on a vulnerable adult. In instances of abuse of a vulnerable adult who is unable to express or demonstrate physical harm, pain, or mental anguish, the abuse is presumed to cause physical harm, pain, or mental anguish. Abuse includes sexual abuse, mental abuse, physical abuse, and exploitation of a vulnerable adult, which have the following meanings:

(a) "Sexual abuse" means any form of nonconsensual sexual contact, including but not limited to unwanted or inappropriate touching, rape, sodomy,
sexual coercion, sexually explicit photographing, and sexual harassment. Sexual abuse includes any sexual contact between a staff person, who is not also a resident or client, of a facility or a staff person of a program authorized under chapter 71A.12 RCW, and a vulnerable adult living in that facility or receiving service from a program authorized under chapter 71A.12 RCW, whether or not it is consensual.

(b) "Physical abuse" means the willful action of inflicting bodily injury or physical mistreatment. Physical abuse includes, but is not limited to, striking with or without an object, slapping, pinching, choking, kicking, shoving, prodding, or the use of chemical restraints or physical restraints unless the restraints are consistent with licensing requirements, and includes restraints that are otherwise being used inappropriately.

(c) "Mental abuse" means any willful action or inaction of mental or verbal abuse. Mental abuse includes, but is not limited to, coercion, harassment, inappropriately isolating a vulnerable adult from family, friends, or regular activity, and verbal assault that includes ridiculing, intimidating, yelling, or swearing.

(d) "Exploitation" means an act of forcing, compelling, or exerting undue influence over a vulnerable adult causing the vulnerable adult to act in a way that is inconsistent with relevant past behavior, or causing the vulnerable adult to perform services for the benefit of another.

(3) "Consent" means express written consent granted after the vulnerable adult or his or her legal representative has been fully informed of the nature of the services to be offered and that the receipt of services is voluntary.

(4) "Department" means the department of social and health services.

(5) "Facility" means a residence licensed or required to be licensed under chapter 18.20 RCW, boarding homes; chapter 18.51 RCW, nursing homes; chapter 70.128 RCW, adult family homes; chapter 72.36 RCW, soldiers' homes; or chapter 71A.20 RCW, residential habilitation centers; or any other facility licensed by the department.

(6) "Financial exploitation" means the illegal or improper use of the property, income, resources, or trust funds of the vulnerable adult by any person for any person's profit or advantage other than for the vulnerable adult's profit or advantage.

(7) "Financial institution" has the same meaning as in RCW 30.22.040 and 30.22.041. For purposes of this chapter only, "financial institution" also means a "broker-dealer" or "investment adviser" as defined in RCW 21.20.005.

(8) "Incapacitated person" means a person who is at a significant risk of personal or financial harm under RCW 11.88.010(1)(a), (b), (c), or (d).

((¶¶)) (9) "Individual provider" means a person under contract with the department to provide services in the home under chapter 74.09 or 74.39A RCW.

((¶¶)) (10) "Interested person" means a person who demonstrates to the court's satisfaction that the person is interested in the welfare of the vulnerable adult, that the person has a good faith belief that the court's intervention is necessary, and that the vulnerable adult is unable, due to incapacity, undue influence, or duress at the time the petition is filed, to protect his or her own interests.

((¶¶)) (11) "Mandated reporter" is an employee of the department; law enforcement officer; social worker; professional school personnel; individual
provider; an employee of a facility; an operator of a facility; an employee of a social service, welfare, mental health, adult day health, adult day care, home health, home care, or hospice agency; county coroner or medical examiner; Christian Science practitioner; or health care provider subject to chapter 18.130 RCW.

"Neglect" means (a) a pattern of conduct or inaction by a person or entity with a duty of care that fails to provide the goods and services that maintain physical or mental health of a vulnerable adult, or that fails to avoid or prevent physical or mental harm or pain to a vulnerable adult; or (b) an act or omission that demonstrates a serious disregard of consequences of such a magnitude as to constitute a clear and present danger to the vulnerable adult's health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100.

"Permissive reporter" means any person, including, but not limited to, an employee of a financial institution, attorney, or volunteer in a facility or program providing services for vulnerable adults.

"Protective services" means any services provided by the department to a vulnerable adult with the consent of the vulnerable adult, or the legal representative of the vulnerable adult, who has been abandoned, abused, financially exploited, neglected, or in a state of self-neglect. These services may include, but are not limited to case management, social casework, home care, placement, arranging for medical evaluations, psychological evaluations, day care, or referral for legal assistance.

"Self-neglect" means the failure of a vulnerable adult, not living in a facility, to provide for himself or herself the goods and services necessary for the vulnerable adult's physical or mental health, and the absence of which impairs or threatens the vulnerable adult's well-being. This definition may include a vulnerable adult who is receiving services through home health, hospice, or a home care agency, or an individual provider when the neglect is not a result of inaction by that agency or individual provider.

"Vulnerable adult" includes a person:
(a) Sixty years of age or older who has the functional, mental, or physical inability to care for himself or herself; or
(b) Found incapacitated under chapter 11.88 RCW; or
(c) Who has a developmental disability as defined under RCW 71A.10.020; or
(d) Admitted to any facility; or
(e) Receiving services from home health, hospice, or home care agencies licensed or required to be licensed under chapter 70.127 RCW; or
(f) Receiving services from an individual provider.

NEW SECTION, Sec. 3. A new section is added to chapter 74.34 RCW to read as follows:
(1) Pending an investigation by the financial institution, the department, or law enforcement, if a financial institution reasonably believes that financial exploitation of a vulnerable adult may have occurred, may have been attempted, or is being attempted, the financial institution may, but is not required to, refuse a transaction requiring disbursement of funds contained in the account:
(a) Of the vulnerable adult;
On which the vulnerable adult is a beneficiary, including a trust or guardianship account; or

Of a person suspected of perpetrating financial exploitation of a vulnerable adult.

A financial institution may also refuse to disburse funds under this section if the department, law enforcement, or the prosecuting attorney's office provides information to the financial institution demonstrating that it is reasonable to believe that financial exploitation of a vulnerable adult may have occurred, may have been attempted, or is being attempted.

A financial institution is not required to refuse to disburse funds when provided with information alleging that financial exploitation may have occurred, may have been attempted, or is being attempted, but may use its discretion to determine whether or not to refuse to disburse funds based on the information available to the financial institution.

A financial institution that refuses to disburse funds based on a reasonable belief that financial exploitation of a vulnerable adult may have occurred, may have been attempted, or is being attempted shall:

Make a reasonable effort to notify all parties authorized to transact business on the account orally or in writing; and

Report the incident to the adult protective services division of the department and local law enforcement.

Any refusal to disburse funds as authorized by this section based on the reasonable belief of a financial institution that financial exploitation of a vulnerable adult may have occurred, may have been attempted, or is being attempted will expire upon the sooner of:

Ten business days after the date on which the financial institution first refused to disburse the funds if the transaction involved the sale of a security or offer to sell a security, as defined in RCW 21.20.005, unless sooner terminated by an order of a court of competent jurisdiction;

Five business days after the date on which the financial institution first refused to disburse the funds if the transaction did not involve the sale of a security or offer to sell a security, as defined in RCW 21.20.005, unless sooner terminated by an order of a court of competent jurisdiction; or

The time when the financial institution is satisfied that the disbursement will not result in financial exploitation of a vulnerable adult.

A court of competent jurisdiction may enter an order extending the refusal by the financial institution to disburse funds based on a reasonable belief that financial exploitation of a vulnerable adult may have occurred, may have been attempted, or is being attempted. A court of competent jurisdiction may also order other protective relief as authorized by RCW 7.40.010 and 74.34.130.

A financial institution or an employee of a financial institution is immune from criminal, civil, and administrative liability for refusing to disburse funds or disbursing funds under this section and for actions taken in furtherance of that determination if the determination of whether or not to disburse funds was made in good faith.

Sec. 4. RCW 74.34.035 and 2003 c 230 s 2 are each amended to read as follows:
(1) When there is reasonable cause to believe that abandonment, abuse, financial exploitation, or neglect of a vulnerable adult has occurred, mandated reporters shall immediately report to the department.

(2) When there is reason to suspect that sexual assault has occurred, mandated reporters shall immediately report to the appropriate law enforcement agency and to the department.

(3) When there is reason to suspect that physical assault has occurred or there is reasonable cause to believe that an act has caused fear of imminent harm:
   (a) Mandated reporters shall immediately report to the department; and
   (b) Mandated reporters shall immediately report to the appropriate law enforcement agency, except as provided in subsection (4) of this section.

(4) A mandated reporter is not required to report to a law enforcement agency, unless requested by the injured vulnerable adult or his or her legal representative or family member, an incident of physical assault between vulnerable adults that causes minor bodily injury and does not require more than basic first aid, unless:
   (a) The injury appears on the back, face, head, neck, chest, breasts, groin, inner thigh, buttock, genital, or anal area;
   (b) There is a fracture;
   (c) There is a pattern of physical assault between the same vulnerable adults or involving the same vulnerable adults; or
   (d) There is an attempt to choke a vulnerable adult.

(5) When there is reason to suspect that the death of a vulnerable adult was caused by abuse, neglect, or abandonment by another person, mandated reporters shall, pursuant to RCW 68.50.020, report the death to the medical examiner or coroner having jurisdiction, as well as the department and local law enforcement, in the most expeditious manner possible. A mandated reporter is not relieved from the reporting requirement provisions of this subsection by the existence of a previously signed death certificate. If abuse, neglect, or abandonment caused or contributed to the death of a vulnerable adult, the death is a death caused by unnatural or unlawful means, and the body shall be the jurisdiction of the coroner or medical examiner pursuant to RCW 68.50.010.

(6) Permissive reporters may report to the department or a law enforcement agency when there is reasonable cause to believe that a vulnerable adult is being or has been abandoned, abused, financially exploited, or neglected.

(7) No facility, as defined by this chapter, agency licensed or required to be licensed under chapter 70.127 RCW, or facility or agency under contract with the department to provide care for vulnerable adults may develop policies or procedures that interfere with the reporting requirements of this chapter.

(8) Each report, oral or written, must contain as much as possible of the following information:
   (a) The name and address of the person making the report;
   (b) The name and address of the vulnerable adult and the name of the facility or agency providing care for the vulnerable adult;
   (c) The name and address of the legal guardian or alternate decision maker;
   (d) The nature and extent of the abandonment, abuse, financial exploitation, neglect, or self-neglect;
(e) Any history of previous abandonment, abuse, financial exploitation, neglect, or self-neglect;
(f) The identity of the alleged perpetrator, if known; and
(g) Other information that may be helpful in establishing the extent of abandonment, abuse, financial exploitation, neglect, or the cause of death of the deceased vulnerable adult.

Unless there is a judicial proceeding or the person consents, the identity of the person making the report under this section is confidential.

NEW SECTION. Sec. 5. A new section is added to chapter 74.34 RCW to read as follows:
(1) A financial institution shall provide training concerning the financial exploitation of vulnerable adults to the employees specified in subsection (2) of this section within one year of the effective date of this act and shall thereafter provide such training to the new employees specified in subsection (2) of this section within the first three months of their employment.
(2) A financial institution that is a broker-dealer or investment adviser as defined in RCW 21.20.005 shall provide training concerning the financial exploitation of vulnerable adults to employees who are required to be registered in the state of Washington as salespersons or investment adviser representatives under RCW 21.20.040 and who have contact with customers and access to account information on a regular basis and as part of their job. All other financial institutions shall provide training concerning the financial exploitation of vulnerable adults to employees who have contact with customers and access to account information on a regular basis and as part of their job.
(3) The training must include recognition of indicators of financial exploitation of a vulnerable adult, the manner in which employees may report suspected financial exploitation to the department and law enforcement as permissive reporters, and steps employees may take to prevent suspected financial exploitation of a vulnerable adult as authorized by law or agreements between the financial institution and customers of the financial institution. The office of the attorney general and the department shall develop a standardized training that financial institutions may offer, or the financial institution may develop its own training.
(4) A financial institution may provide access to or copies of records that are relevant to suspected financial exploitation or attempted financial exploitation of a vulnerable adult to the department, law enforcement, or the prosecuting attorney's office, either as part of a referral to the department, law enforcement, or the prosecuting attorney's office, or upon request of the department, law enforcement, or the prosecuting attorney's office pursuant to an investigation. The records may include historical records as well as records relating to the most recent transaction or transactions that may comprise financial exploitation.
(5) A financial institution or employee of a financial institution participating in good faith in making a report or providing documentation or access to information to the department, law enforcement, or the prosecuting attorney's office under this chapter shall be immune from criminal, civil, or administrative liability.

Passed by the Senate March 8, 2010.
CHAPTER 134
[Substitute Senate Bill 6192]
JUVENILE CASES—RESTITUTION

AN ACT Relating to the modification of restitution in juvenile cases; and amending RCW 13.40.190.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 13.40.190 and 2004 c 120 s 6 are each amended to read as follows:

1. In its dispositional order, the court shall require the respondent to make restitution to any persons who have suffered loss or damage as a result of the offense committed by the respondent. In addition, restitution may be ordered for loss or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which, pursuant to a plea agreement, are not prosecuted.

2. Restitution may include the costs of counseling reasonably related to the offense.

3. The payment of restitution shall be in addition to any punishment which is imposed pursuant to the other provisions of this chapter.

4. The court may determine the amount, terms, and conditions of the restitution including a payment plan extending up to ten years if the court determines that the respondent does not have the means to make full restitution over a shorter period. For the purposes of this section, the respondent shall remain under the court's jurisdiction for a maximum term of ten years after the respondent's eighteenth birthday and, during this period, the restitution portion of the dispositional order may be modified as to amount, terms, and conditions at any time. Prior to the expiration of the ten-year period, the juvenile court may extend the judgment for the payment of restitution for an additional ten years. If the court grants a respondent's petition pursuant to RCW 13.50.050(11), the court's jurisdiction under this subsection shall terminate.

5. Nothing in this section shall prevent a respondent from petitioning the court pursuant to RCW 13.50.050(11) if the respondent has paid the full restitution amount stated in the court's order and has met the statutory criteria.

6. If the respondent participated in the crime with another person or other persons, all such participants shall be jointly and severally responsible for the payment of restitution. For the purposes of this section, the respondent shall remain under the court's jurisdiction for a maximum term of ten years after the respondent's eighteenth birthday. Prior to the expiration of the ten-year period, the juvenile court may extend the judgment for the payment of restitution for an additional ten years.

7. At any time, the court may determine that the respondent is not required to pay, or may relieve the respondent of the requirement to pay, full or partial restitution to any insurance provider authorized under Title 48 RCW if the respondent reasonably satisfies the court that he or she does not have the means
to make full or partial restitution to the insurance provider and could not
reasonably acquire the means to pay the insurance provider the restitution over a
ten-year period.

(2) Regardless of the provisions of subsection (1) of this section, the court
shall order restitution in all cases where the victim is entitled to benefits under
the crime victims' compensation act, chapter 7.68 RCW. If the court does not
order restitution and the victim of the crime has been determined to be entitled to
benefits under the crime victims' compensation act, the department of labor and
industries, as administrator of the crime victims' compensation program, may
petition the court within one year of entry of the disposition order for entry of a
restitution order. Upon receipt of a petition from the department of labor and
industries, the court shall hold a restitution hearing and shall enter a restitution
order.

(3) If an order includes restitution as one of the monetary assessments, the
county clerk shall make disbursements to victims named in the order. The
restitution to victims named in the order shall be paid prior to any payment for
other penalties or monetary assessments.

(4) For purposes of this section, "victim" means any person who has
sustained emotional, psychological, physical, or financial injury to person or
property as a direct result of the offense charged. "Victim" may also include a
known parent or guardian of a victim who is a minor child or is not a minor child
but is incapacitated, incompetent, disabled, or deceased.

(5) A respondent under obligation to pay restitution may petition the court
for modification of the restitution order.

CHAPTER 135
[Engrossed Senate Bill 6261]
UTILITY SERVICES COLLECTIONS—RESIDENTIAL RENTAL PROPERTY
AN ACT Relating to utility services collections against rental property; and amending RCW
35.21.217 and 35.21.290.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 35.21.217 and 1998 c 285 s 1 are each amended to read as
follows:

(1) Prior to furnishing utility services, a city or town may require a deposit
to guarantee payment for services. However, failure to require a deposit does
not affect the validity of any lien authorized by RCW 35.21.290 or 35.67.200. A
city or town may determine how to apply partial payments on past due accounts.

(2) A city or town may provide a real property owner or the owner's
designee with duplicates of tenant utility service bills, or may notify an owner or
the owner's designee that a tenant's utility account is delinquent. However, if an
owner or the owner's designee notifies the city or town in writing that a property
served by the city or town is a residential rental property, asks to be notified of a
tenant's delinquency, and has provided, in writing, a complete and accurate
mailing address, the city or town shall notify the owner or the owner's designee of a residential tenant's delinquency at the same time and in the same manner the city or town notifies the tenant of the tenant's delinquency or by mail, and the city or town is prohibited from collecting from the owner or the owner's designee any charges for electric light or power services more than four months past due. When a city or town provides a real property owner or the owner's designee with duplicates of residential tenant utility service bills or notice that a tenant's utility account is delinquent, the city or town shall notify the tenant that it is providing the duplicate bills or delinquency notice to the owner or the owner's designee.

(3) After (January 1, 1999) August 1, 2010, if a city or town fails to notify the owner of a tenant's delinquency after receiving a written request to do so and after receiving the other information required by this subsection, the city or town shall have no lien against the premises for the residential tenant's delinquent and unpaid charges and is prohibited from collecting the tenant's delinquent and unpaid charges for electric light or power services from the owner or the owner's designee.

(4) When a utility account is in a tenant's name, the owner or the owner's designee shall notify the city or town in writing within fourteen days of the termination of the rental agreement and vacation of the premises. If the owner or the owner's designee fails to provide this notice, a city or town providing electric light or power services is not limited to collecting only up to four months of a tenant's delinquent charges from the owner or the owner's designee, provided that the city or town has complied with the notification requirements of subsection (3) of this section.

(5)(a) If an occupied multiple residential rental unit receives utility service through a single utility account, if the utility account's billing address is not the same as the service address of a residential rental property, or if the city or town has been notified that a tenant resides at the service address, the city or town shall make a good faith and reasonable effort to provide written notice to the service address of pending disconnection of electric power and light or water service for nonpayment at least seven calendar days prior to disconnection. The purpose of this notice is to provide any affected tenant an opportunity to resolve the delinquency with his or her landlord or to arrange for continued service. If requested, a city or town shall provide electric power and light or water services to an affected tenant on the same terms and conditions as other residential utility customers, without requiring that he or she pay delinquent amounts for services billed directly to the property owner or a previous tenant except as otherwise allowed by law and only where the city or town offers the opportunity for the affected tenant to set up a reasonable payment plan for the delinquent amounts legally due. If a landlord fails to pay for electric power and light or water services, any tenant who requests that the services be placed in his or her name may deduct from the rent due all reasonable charges paid by the tenant to the city or town for such services. A landlord may not take or threaten to take reprisals or retaliatory action as defined in RCW 59.18.240 against a tenant who deducts from his or her rent payments made to a city or town as provided in this subsection.

(b) Nothing in this subsection (5) affects the validity of any lien authorized by RCW 35.21.290 or 35.67.200. Furthermore, a city or town that provides
electric power and light or water services to a residential tenant in these circumstances shall retain the right to collect from the property owner, previous tenant, or both, any delinquent amounts due for service previously provided to the service address if the city or town has complied with the notification requirements of subsection (3) of this section when applicable.

Sec. 2. RCW 35.21.290 and 1965 c 7 s 35.21.290 are each amended to read as follows:

(5) Nothing in RCW 66.28.305 prohibits the performance of personal services offered from time to time by a domestic winery or certificate of approval holder to retailers when the personal services are (a) conducted at a licensed premises, and (b) intended to inform, educate, or enhance customers' knowledge or experience of the manufacturer's products. The performance of personal services may include participation and pouring, bottle signing events, and other similar informational or educational activities at the premises of a retailer holding a spirits, beer, and wine restaurant license, a wine and/or beer restaurant license, a specialty wine shop license, a special occasion license, a grocery store license with a tasting endorsement, or a private club license. A domestic winery or certificate of approval holder is not obligated to perform any such personal services, and a retail licensee may not require a domestic winery or certificate of approval holder to conduct any personal service as a condition for selling any alcohol to the retail licensee, or as a condition for including any product of the domestic winery or certificate of approval holder in any tasting conducted by the licensee. Except as provided in RCW 66.28.150, the cost of sampling may not be borne, directly or indirectly, by any domestic winery or certificate of approval holder or any distributor. Nothing in this section prohibits wineries, certificate of approval holders, and retail licensees from identifying the producers on private labels authorized under RCW 66.24.400, 66.24.425, and 66.24.450.

(6) Nothing in RCW 66.28.305 prohibits an industry member from entering into an arrangement with any holder of a sports entertainment facility license or an affiliated business for brand advertising at the licensed facility or promoting events held at the sports entertainment facility as authorized under RCW 66.24.570.

(7) Nothing in RCW 66.28.305 prohibits the performance of personal services offered from time to time by a domestic brewery, microbrewery, or beer certificate of approval holder to grocery store licensees when the personal services are (a) conducted at a licensed premises in conjunction with a tasting event, and (b) intended to inform, educate, or enhance customers' knowledge or experience of the manufacturer's products. The performance of personal services may include participation and pouring, bottle signing events, and other similar informational or educational activities. A domestic brewery, microbrewery, or beer certificate of approval holder is not obligated to perform any such personal services, and a grocery store licensee may not require the performance of any personal service as a condition for including any product in any tasting conducted by the licensee.

CHAPTER 145
[Substitute Senate Bill 6350]
MARINE WATERS PLANNING AND MANAGEMENT

AN ACT Relating to marine waters planning and management, including marine spatial planning; reenacting and amending RCW 43.84.092; adding a new section to chapter 43.21F RCW; adding a new chapter to Title 43 RCW; and providing an expiration date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. (1) The legislature finds that:

(a) Native American tribes have depended on the state's marine waters and its resources for countless generations and continue to do so for cultural, spiritual, economic, and subsistence purposes.

(b) The state has long demonstrated a strong commitment to protecting the state's marine waters, which are abundant in natural resources, contain a treasure of biological diversity, and are a source of multiple uses by the public supporting the economies of nearby communities as well as the entire state. These multiple uses include, but are not limited to: Marine-based industries and activities such as cargo, fuel, and passenger transportation; commercial, recreational, and tribal fishing; shellfish aquaculture; telecommunications and energy infrastructure;
seafood processing; tourism; scientific research; and many related goods and services. These multiple uses as well as new emerging uses, such as renewable ocean energy, constitute a management challenge for sustaining resources and coordinating state decision making in a proactive, comprehensive and ecosystem-based manner.

(c) Washington's marine waters are part of a west coast-wide large marine ecosystem known as the California current, and the Puget Sound and Columbia river estuaries constitute two of the three largest estuaries that are part of this large marine ecosystem. Puget Sound and the Columbia river are estuaries of national significance under the national estuary program, and the outer coast includes the Olympic national marine sanctuary.

(d) Washington is working in cooperation with the states of Oregon and California and federal agencies on ocean and ocean health management issues through the west coast governors' agreement on ocean health, and with the government of British Columbia on shared waters management issues through the British Columbia-Washington coastal and ocean task force.

(e) Washington has initiated comprehensive management programs to protect and promote compatible uses of these waters. These include: The development of a comprehensive ecosystem-based management plan known as the Puget Sound action agenda; shoreline plans for shorelines around the state; management plans for state-owned aquatic lands and their associated waters statewide; and watershed and salmon recovery management plans in the upland areas of Puget Sound, the coast, and the Columbia river. Data and data management tools have also been developed to support these management and planning activities, such as the coastal atlas managed by the department of ecology and the shore zone database managed by the department of natural resources.

(f) For marine waters specifically, Washington has formed several mechanisms to improve coordination and management. A legislatively authorized task force formed by the governor identified priority recommendations for improving state management of ocean resources through Washington's ocean action plan in 2006. The governor further formed an ongoing interagency team that assists the department of ecology in implementing these recommendations. There is an extensive network of marine resources committees within Puget Sound and on the outer coast and the Columbia river to promote and support local involvement identifying and conducting local priority marine projects and some have been involved in local planning and management. Through the Olympic coast intergovernmental policy council, the state has also formalized its working relationship with coastal tribes and the federal government in the management of the Olympic coast national marine sanctuary.

(g) Reports by the United States commission on oceans policy, the Pew oceans commission, and the joint oceans commission initiative recommend the adoption of a national ocean policy under which states and coastal communities would have a principal role in developing and implementing ecosystem-based management of marine waters. Acting on these recommendations, the president of the United States recently formed an interagency ocean policy task force charged with developing a national ocean policy and a framework for marine spatial planning that involves all governmental levels, including state, tribal, and
local governments. To further develop and implement such a planning framework, it is anticipated that federal cooperation and support will be available to coastal states that are engaged in marine and coastal resource management and planning, including marine spatial planning.

(2) The purpose of this chapter is to build upon existing statewide Puget Sound, coastal, and Columbia river efforts. When resources become available, the state intends to augment the marine spatial component of existing plans and to improve the coordination among state agencies in the development and implementation of marine management plans.

(3) It is also the purpose of this chapter to establish policies to guide state agencies and local governments when exercising jurisdiction over proposed uses and activities in these waters. Specifically, in conducting marine spatial planning, and in augmenting existing marine management plans with marine spatial planning components, the state must:

(a) Continue to recognize the rights of Native American tribes regarding marine natural resources;

(b) Base all planning on best available science. This includes identifying gaps in existing information, recommend a strategy for acquiring science needed to strengthen marine spatial plans, and create a process to adjust plans once additional scientific information is available;

(c) Coordinate with all stakeholders, including marine resources committees and nongovernmental organizations, that are significantly involved in the collection of scientific information, ecosystem protection and restoration, or other activities related to marine spatial planning;

(d) Recognize that marine ecosystems span tribal, state, and international boundaries and that planning has to be coordinated with all entities with jurisdiction or authority in order to be effective;

(e) Establish or further promote an ecosystem-based management approach including linking marine spatial plans to adjacent nearshore and upland spatial or ecosystem-based plans;

(f) Ensure that all marine spatial plans are linked to measurable environmental outcomes;

(g) Establish a performance management system to monitor implementation of any new marine spatial plan;

(h) Establish an ocean stewardship policy that takes into account the existing natural, social, cultural, historic, and economic uses;

(i) Recognize that commercial, tribal, and recreational fisheries, and shellfish aquaculture are an integral part of our state's culture and contribute substantial economic benefits;

(j) Value biodiversity and ecosystem health, and protect special, sensitive, or unique estuarine and marine life and habitats, including important spawning, rearing, and migration areas for finfish, marine mammals, and productive shellfish habitats;

(k) Integrate this planning with existing plans and ongoing planning in the same marine waters and provide additional mechanisms for improving coordination and aligning management;

(l) Promote recovery of listed species under state and federal endangered species acts plans pursuant to those plans; and
(m) Fulfill the state's public trust and tribal treaty trust responsibilities in managing the state's ocean waters in a sustainable manner for current and future generations.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Aquatic lands" includes all tidelands, shorelands, harbor areas, and the beds of navigable waters, and must be construed to be coextensive with the term "aquatic lands" as defined in RCW 79.105.060.

(2) "Exclusive economic zone waters" means marine waters from the offshore state boundary to the boundary of the exclusive economic zone, over which the United States government has primary jurisdiction.

(3) "Marine counties" includes Clallam, Jefferson, Grays Harbor, Wahkiakum, San Juan, Whatcom, Skagit, Island, Snohomish, King, Pierce, Thurston, Mason, Kitsap, and Pacific counties.

(4) "Marine ecosystem" means the physical, biological, and chemical components and processes and their interactions in marine waters and aquatic lands, including humans.

(5) "Marine interagency team" or "team" means the marine interagency team created under section 3 of this act.

(6) "Marine management plan" and "marine waters management plan" means any plan guiding activities on and uses of the state's marine waters, and may include a marine spatial plan or element.

(7) "Marine resources committees" means those committees organized under RCW 36.125.020 or by counties within the Northwest straits marine conservation initiative.

(8) "Marine spatial planning" means a public process of analyzing and allocating the spatial and temporal distribution of human activities in marine areas to achieve ecological, economic, and social objectives. Often this type of planning is done to reduce conflicts among uses, to reduce environmental impacts, to facilitate compatible uses, to align management decisions, and to meet other objectives determined by the planning process.

(9) "Marine waters" means aquatic lands and waters under tidal influence, including saltwaters and estuaries to the ordinary high water mark lying within the boundaries of the state. This definition also includes the portion of the Columbia river bordering Pacific and Wahkiakum counties, Willapa Bay, Grays Harbor, the Strait of Juan de Fuca, and the entire Puget Sound.

NEW SECTION. Sec. 3. (1) The office of the governor shall chair a marine interagency team that is composed of representatives of each of the agencies in the governor's natural resources cabinet with management responsibilities for marine waters, including the independent agencies. A representative from a federal agency with lead responsibility for marine spatial planning must be invited to serve as a liaison to the team to help ensure consistency with federal actions and policy. The team must conduct the assessment authorized in section 4 of this act, assist state agencies under section 5 of this act with the review and coordination of such planning with their existing and ongoing planning, and conduct the marine management planning authorized in section 6 of this act.
(2) The team may not commence any activities authorized under sections 5 and 6 of this act until federal, private, or other nonstate funding is secured specifically for these activities.

NEW SECTION. Sec. 4. (1) The marine interagency team created in section 3 of this act must assess and recommend a framework for conducting marine spatial planning and integrating the planning into existing management plans. The assessment must include, but not be limited to, recommendations for:

(a) Including a marine spatial component into the Puget Sound action agenda;
(b) Integrating marine spatial planning into management efforts for the Columbia river estuary, working with the state of Oregon; and
(c) Developing a marine management plan containing a marine spatial component for the outer coast, to be incorporated within the comprehensive marine management plan authorized under section 6 of this act.

(2) The assessment authorized under subsection (1) of this section must also:

(a) Summarize existing goals and objectives for: Plans in Puget Sound, the Columbia river estuary, and the outer coast, including the Puget Sound action agenda; shoreline plans for shorelines around the state; management plans for state-owned aquatic lands and their associated waters statewide; and watershed and salmon recovery management plans;
(b) Develop recommended goals and objectives for marine spatial planning that integrate with existing policies and regulations, and recommend a schedule to develop marine ecosystem health indicators, considering the views and recommendations of affected stakeholders and governmental agencies;
(c) Summarize how the existing goals and objectives as well as recommended goals and objectives are consistent or inconsistent with those adopted by other states for the west coast large marine ecosystem, and with those goals and objectives articulated in relevant national oceans policies and the national framework for marine spatial planning;
(d) Identify the existing management activities and spatial data related to these priorities and objectives and the key needs for incorporating marine spatial planning into existing statewide plans; and
(e) Provide recommendations on achieving a unified approach to database management and delivery that would support marine spatial planning throughout the state.

(3) The results of this assessment must be provided to the appropriate legislative committees by December 15, 2010.

(4) This section expires June 30, 2011.

NEW SECTION. Sec. 5. (1) Concurrently or prior to the assessment and planning activities provided in sections 4 and 6 of this act, and subject to available federal, private, or other nonstate funding for this purpose, all state agencies with marine waters planning and management responsibilities are authorized to include marine spatial data and marine spatial planning elements into their existing plans and ongoing planning.

(2) The director of the Puget Sound partnership under the direction of the leadership council created in RCW 90.71.220 must integrate marine spatial information and planning provisions into the action agenda. The information
should be used to address gaps or improve the effectiveness of the spatial planning component of the action agenda, such as in addressing potential new uses such as renewable energy projects.

(3) The governor and the commissioner of public lands, working with appropriate marine management and planning agencies, should work cooperatively with the applicable west coast states, Canadian provinces, and with federal agencies, through existing cooperative entities such as the west coast governor's agreement on ocean health, the coastal and oceans task force, the Pacific coast collaborative, the Puget Sound federal caucus, and the United States and Canada cooperative agreement working group, to explore the benefits of developing joint marine spatial plans or planning frameworks in the shared waters of the Salish Sea, the Columbia river estuary, and in the exclusive economic zone waters. The governor and commissioner may approve the adoption of shared marine spatial plans or planning frameworks where they determine it would further policies of this chapter and chapter 43.143 RCW.

(4) On an ongoing basis, the director of the department of ecology shall work with other state agencies with marine management responsibilities, tribal governments, marine resources committees, local and federal agencies, and marine waters stakeholders to compile marine spatial information and to incorporate this information into ongoing plans. This work may be integrated with the comprehensive marine management plan authorized under section 6 of this act when that planning process is initiated.

(5) All actions taken to implement this section must be consistent with section 8 of this act.

NEW SECTION. Sec. 6. (1) Upon the receipt of federal, private, or other nonstate funding for this purpose, together with any required match of state funding that may be specifically provided for this purpose, the marine interagency team shall coordinate the development of a comprehensive marine management plan for the state's marine waters. The marine management plan must include marine spatial planning, as well as recommendations to the appropriate federal agencies regarding the exclusive economic zone waters. The plan may be developed in geographic segments, and may incorporate or be developed as an element of existing marine plans, such as the Puget Sound action agenda. The chair of the team may designate a state agency with marine management responsibilities to take the lead in developing and recommending to the team particular segments or elements of the comprehensive marine management plan.

(2) The marine management plan must be developed and implemented in a manner that:

(a) Recognizes and respects existing uses and tribal treaty rights;

(b) Promotes protection and restoration of ecosystem processes to a level that will enable long-term sustainable production of ecosystem goods and services;

(c) Addresses potential impacts of climate change and sea level rise upon current and projected marine waters uses and shoreline and coastal impacts;

(d) Fosters and encourages sustainable uses that provide economic opportunity without significant adverse environmental impacts;

(e) Preserves and enhances public access;
(f) Protects and encourages working waterfronts and supports the infrastructure necessary to sustain marine industry, commercial shipping, shellfish aquaculture, and other water-dependent uses;

(g) Fosters public participation in decision making and significant involvement of communities adjacent to the state's marine waters; and

(h) Integrates existing management plans and authorities and makes recommendations for aligning plans to the extent practicable.

(3) To ensure the effective stewardship of the state's marine waters held in trust for the benefit of the people, the marine management plan must rely upon existing data and resources, but also identify data gaps and, as possible, procure missing data necessary for planning.

(4) The marine management plan must include but not be limited to:

(a) An ecosystem assessment that analyzes the health and status of Washington marine waters including key social, economic, and ecological characteristics and incorporates the best available scientific information, including relevant marine data. This assessment should seek to identify key threats to plan goals, analyze risk and management scenarios, and develop key ecosystem indicators. In addition, the plan should incorporate existing adaptive management strategies underway by local, state, or federal entities and provide an adaptive management element to incorporate new information and consider revisions to the plan based upon research, monitoring, and evaluation;

(b) Using and relying upon existing plans and processes and additional management measures to guide decisions among uses proposed for specific geographic areas of the state's marine and estuarine waters consistent with applicable state laws and programs that control or address developments in the state's marine waters;

(c) A series of maps that, at a minimum, summarize available data on: The key ecological aspects of the marine ecosystem, including physical and biological characteristics, as well as areas that are environmentally sensitive or contain unique or sensitive species or biological communities that must be conserved and warrant protective measures; human uses of marine waters, particularly areas with high value for fishing, shellfish aquaculture, recreation, and maritime commerce; and appropriate locations with high potential for renewable energy production with minimal potential for conflicts with other existing uses or sensitive environments;

(d) An element that sets forth the state's recommendations to the federal government for use priorities and limitations, siting criteria, and protection of unique and sensitive biota and ocean floor features within the exclusive economic zone waters consistent with the policies and management criteria contained in this chapter and chapter 43.143 RCW;

(e) An implementation strategy describing how the plan's management measures and other provisions will be considered and implemented through existing state and local authorities; and

(f) A framework for coordinating state agency and local government review of proposed renewable energy development uses requiring multiple permits and other approvals that provide for the timely review and action upon renewable energy development proposals while ensuring protection of sensitive resources and minimizing impacts to other existing or projected uses in the area.
(5) If the director of the department of fish and wildlife determines that a fisheries management element is appropriate for inclusion in the marine management plan, this element may include the incorporation of existing management plans and procedures and standards for consideration in adopting and revising fisheries management plans in cooperation with the appropriate federal agencies and tribal governments.

(6) Any provision of the marine management plan that does not have as its primary purpose the management of commercial or recreational fishing but that has an impact on this fishing must minimize the negative impacts on the fishing. The team must accord substantial weight to recommendations from the director of the department of fish and wildlife for plan revisions to minimize the negative impacts.

(7) The marine management plan must recognize and value existing uses. All actions taken to implement this section must be consistent with section 8 of this act.

(8) The marine management plan must identify any provisions of existing management plans that are substantially inconsistent with the plan.

(9)(a) In developing the marine management plan, the team shall implement a strong public participation strategy that seeks input from throughout the state and particularly from communities adjacent to marine waters. Public review and comment must be sought and incorporated with regard to planning the scope of work as well as in regard to significant drafts of the plan and plan elements.

(b) The team must engage tribes and marine resources committees in its activities throughout the planning process. In particular, prior to finalizing the plan, the team must provide each tribe and marine resources committee with a draft of the plan and invite them to review and comment on the plan.

(10) The team must complete the plan within twenty-four months of the initiation of planning under this section.

(11) The director of the department of ecology shall submit the completed marine management plan to the appropriate federal agency for its review and approval for incorporation into the state's federally approved coastal zone management program.

(12) Subsequent to the adoption of the marine management plan, the team may periodically review and adopt revisions to the plan to incorporate new information and to recognize and incorporate provisions in other marine management plans. The team must afford the public an opportunity to review and comment upon significant proposed revisions to the marine management plan.

NEW SECTION. Sec. 7. (1) Upon the adoption of the marine management plan under section 6 of this act, each state agency and local government must make decisions in a manner that ensures consistency with applicable legal authorities and conformance with the applicable provisions of the marine management plan to the greatest extent possible.

(2) The director of the department of ecology, in coordination with the team, shall periodically review existing management plans maintained by state agencies and local governments that cover the same marine waters as the marine management plan under section 6 of this act, and for any substantial inconsistency with the marine management plan the director shall make
recommendations to the agency or to the local government for revisions to eliminate the inconsistency.

(3) Not later than four years following adoption of the marine management plan under section 6 of this act, the department of ecology, in coordination with the team, shall report to the appropriate marine waters committees in the senate and house of representatives describing provisions of existing management plans that are substantially inconsistent with the marine management plan under section 6 of this act, and making recommendations for eliminating the inconsistency.

(4) All actions taken to implement this section must be consistent with section 8 of this act.

NEW SECTION. Sec. 8. No authority is created under this chapter to affect in any way any project, use, or activity in the state's marine waters existing prior to or during the development and review of the marine management plan. No authority is created under this chapter to supersede the current authority of any state agency or local government.

NEW SECTION. Sec. 9. A new section is added to chapter 43.21F RCW to read as follows:

(1) In addition to the duties prescribed in RCW 43.21F.045, the department must develop guidance applicable to all state agencies for achieving a unified state position upon matters involving the siting and operation of renewable energy facilities in the state's coastal and estuarine marine waters. The guidance must provide procedures for coordinating the views and responsibilities of any state agency with jurisdiction or expertise over the matter under consideration, which may include federal policy proposals, activities, permits, licenses, or the extension of funding for activities in or affecting the state's marine waters. In developing the guidance, the director must consult with agencies with primary responsibilities for permitting and management of marine waters and bedlands, including the departments of natural resources, ecology, transportation, and fish and wildlife, and the state parks and recreation commission, the Puget Sound partnership, and the energy facility site evaluation council. The director must also consult and incorporate relevant information from the regional activities related to renewable energy siting in marine waters, including those under the west coast governors' agreement on ocean health.

(2) The director may not commence development of the guidance until federal, private, or other nonstate funding is secured for this activity. The director must adopt the guidance within one year of securing such funds.

(3) This section is intended to promote consistency and multiple agency coordination in developing positions and exercising jurisdiction in matters involving the siting and operation of renewable energy facilities and does not diminish or abrogate the authority or jurisdiction of any state agency over such matters established under any other law.

NEW SECTION. Sec. 10. (1) The marine resources stewardship trust account is created in the state treasury. All receipts from income derived from the investment of amounts credited to the account, any grants, gifts, or donations to the state for the purposes of marine management planning, marine spatial planning, data compilation, research, or monitoring, and any appropriations
made to the account must be deposited in the account. Moneys in the account may be spent only after appropriation.

(2) Expenditures from the account may only be used for the purposes of marine management planning, marine spatial planning, research, monitoring, implementation of the marine management plan, and for the restoration or enhancement of marine habitat or resources.

**Sec. 11.** RCW 43.84.092 and 2009 c 479 s 31, 2009 c 472 s 5, and 2009 c 451 s 8 are each reenacted and amended to read as follows:

(1) All earnings of investments of surplus balances in the state treasury shall be deposited to the treasury income account, which account is hereby established in the state treasury.

(2) The treasury income account shall be utilized to pay or receive funds associated with federal programs as required by the federal cash management improvement act of 1990. The treasury income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for refunds or allocations of interest earnings required by the cash management improvement act. Refunds of interest to the federal treasury required under the cash management improvement act fall under RCW 43.88.180 and shall not require appropriation. The office of financial management shall determine the amounts due to or from the federal government pursuant to the cash management improvement act. The office of financial management may direct transfers of funds between accounts as deemed necessary to implement the provisions of the cash management improvement act, and this subsection. Refunds or allocations shall occur prior to the distributions of earnings set forth in subsection (4) of this section.

(3) Except for the provisions of RCW 43.84.160, the treasury income account may be utilized for the payment of purchased banking services on behalf of treasury funds including, but not limited to, depository, safekeeping, and disbursement functions for the state treasury and affected state agencies. The treasury income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for payments to financial institutions. Payments shall occur prior to distribution of earnings set forth in subsection (4) of this section.

(4) Monthly, the state treasurer shall distribute the earnings credited to the treasury income account. The state treasurer shall credit the general fund with all the earnings credited to the treasury income account except:

Sec. 2. RCW 70.94.151 and 2008 c 14 s 5 are each amended to read as follows:

(1) The board of any activated authority or the department, may classify air contaminant sources, by ordinance, resolution, rule or regulation, which in its judgment may cause or contribute to air pollution, according to levels and types of emissions and other characteristics which cause or contribute to air pollution, and may require registration or reporting or both for any such class or classes. Classifications made pursuant to this section may be for application to the area of jurisdiction of such authority, or the state as a whole or to any designated area within the jurisdiction, and shall be made with special reference to effects on health, economic and social factors, and physical effects on property.

(2) Except as provided in subsection (3) of this section, any person operating or responsible for the operation of air contaminant sources of any class for which the ordinances, resolutions, rules or regulations of the department or board of the authority, require registration or reporting shall register therewith and make reports containing information as may be required by such department or board concerning location, size and height of contaminant outlets, processes employed, nature of the contaminant emission and such other information as is relevant to air pollution and available or reasonably capable of being assembled. In the case of emissions of greenhouse gases as defined in RCW 70.235.010 the department shall adopt rules requiring reporting of those emissions. The department or board may require that such registration or reporting be accompanied by a fee, and may determine the amount of such fee for such class or classes: PROVIDED, That the amount of the fee shall only be to compensate for the costs of administering such registration or reporting program which shall be defined as initial registration and annual or other periodic reports from the source owner providing information directly related to air pollution registration, on-site inspections necessary to verify compliance with registration requirements, data storage and retrieval systems necessary for support of the registration program, emission inventory reports and emission reduction credits computed from information provided by sources pursuant to registration program requirements, staff review, including engineering or other reliable analysis for accuracy and currentness, of information provided by sources
pursuant to registration program requirements, clerical and other office support provided in direct furtherance of the registration program, and administrative support provided in directly carrying out the registration program: PROVIDED FURTHER, That any such registration made with either the board or the department shall preclude a further registration and reporting with any other board or the department, except that emissions of greenhouse gases as defined in RCW 70.235.010 must be reported as required under subsection (5) of this section.

All registration program and reporting fees collected by the department shall be deposited in the air pollution control account. All registration program fees collected by the local air authorities shall be deposited in their respective treasuries.

(3) If a registration or report has been filed for a grain warehouse or grain elevator as required under this section, registration, reporting, or a registration program fee shall not, after January 1, 1997, again be required under this section for the warehouse or elevator unless the capacity of the warehouse or elevator as listed as part of the license issued for the facility has been increased since the date the registration or reporting was last made. If the capacity of the warehouse or elevator listed as part of the license is increased, any registration or reporting required for the warehouse or elevator under this section must be made by the date the warehouse or elevator receives grain from the first harvest season that occurs after the increase in its capacity is listed in the license.

This subsection does not apply to a grain warehouse or grain elevator if the warehouse or elevator handles more than ten million bushels of grain annually.

(4) For the purposes of subsection (3) of this section:

(a) A "grain warehouse" or "grain elevator" is an establishment classified in standard industrial classification (SIC) code 5153 for wholesale trade for which a license is required and includes, but is not limited to, such a licensed facility that also conducts cleaning operations for grain;

(b) A "license" is a license issued by the department of agriculture licensing a facility as a grain warehouse or grain elevator under chapter 22.09 RCW or a license issued by the federal government licensing a facility as a grain warehouse or grain elevator for purposes similar to those of licensure for the facility under chapter 22.09 RCW; and

(c) "Grain" means a grain or a pulse.

(5)(a) The department shall adopt rules requiring persons to report emissions of greenhouse gases as defined in RCW 70.235.010. The rules must include a de minimis amount of emissions below which reporting will not be required for both indirect and direct emissions. The rules must require that emissions of greenhouse gases resulting from the burning of fossil fuels be reported separately from emissions of greenhouse gases resulting from the burning of biomass. Except as provided in (b) of this subsection, the department shall, under the authority granted in subsection (1) of this section, adopt rules requiring any owner or operator: (i) Of a fleet of on-road motor vehicles that as a fleet emit at least twenty-five hundred metric tons of greenhouse gas annually in the state to report the emissions of greenhouse gases generated from or emitted by that fleet; or (ii) of a source or combination of sources that emit at least ten thousand metric tons of greenhouse gas annually in the state to report their total annual emissions of greenhouse gases.
calculating emissions of greenhouse gases for purposes of determining whether or not reporting is required, only direct emissions shall be included. For purposes of reporting emissions of greenhouse gases in chapter 14, Laws of 2008, "source" means any stationary source as defined in RCW 70.94.030, or mobile source used for transportation of people or cargo. The emissions of greenhouse gases must be reported as carbon dioxide equivalents. The rules must require that persons report 2009 emissions starting in 2010. The rules must establish an annual reporting schedule that takes into account the time needed to allow the owner or operator reporting emissions of greenhouse gases to gather the information needed and to verify the emissions being reported. However, in no event may reports be submitted later than October 31st of the year in which the report is due. The department may phase in the reporting requirements for sources or combinations of sources under (a)(ii) of this subsection until the reporting threshold is met, which must be met by January 1, 2012. The department may from time to time amend the rules to include other persons that emit less than the annual greenhouse gas emissions levels set out in this subsection if necessary to comply with any federal reporting requirements for emissions of greenhouse gases.

(b) In its rules, the department may defer the reporting requirement under (a) of this subsection for emissions associated with interstate and international commercial aircraft, rail, truck, or marine vessels until (i) there is a federal requirement to report these emissions; or (ii) the department finds that there is a generally accepted reporting protocol for determining interstate emissions from these sources; (iii) where those emissions from a single facility, source, or site, or from fossil fuels sold in Washington by a single supplier meet or exceed ten thousand metric tons of carbon dioxide equivalent annually. The department may phase in the requirement to report greenhouse gas emissions until the reporting threshold in this subsection is met, which must occur by January 1, 2012. In addition, the rules must require that:

(i) Emissions of greenhouse gases resulting from the combustion of fossil fuels be reported separately from emissions of greenhouse gases resulting from the combustion of biomass;

(ii) Reporting will start in 2010 for 2009 emissions. Each annual report must include emissions data for the preceding calendar year and must be submitted to the department by October 31st of the year in which the report is due. However, starting in 2011, a person who is required to report greenhouse gas emissions to the United States environmental protection agency under 40 C.F.R. Part 98, as adopted on September 22, 2009, must submit the report required under this section to the department concurrent with the submission to the United States environmental protection agency. Except as otherwise provided in this section, the data for emissions in Washington and any corrections thereto that are reported to the United States environmental protection agency must be the emissions data reported to the department; and

(iii) Emissions of carbon dioxide associated with the complete combustion or oxidation of liquid motor vehicle fuel, special fuel, or aircraft fuel that is sold in Washington where the annual emissions associated with that combustion or oxidation equal or exceed ten thousand metric tons be reported to the department. Each person who is required to file periodic tax reports of motor vehicle fuel sales under RCW 82.36.031 or special fuel sales under RCW
82.38.150, or each distributor of aircraft fuel required to file periodic tax reports under RCW 82.42.040 must report to the department the annual emissions of carbon dioxide from the complete combustion or oxidation of the fuels listed in those reports as sold in the state of Washington. The department shall not require suppliers to use additional data to calculate greenhouse gas emissions other than the data the suppliers report to the department of licensing. The rules may allow this information to be aggregated when reported to the department. The department and the department of licensing shall enter into an interagency agreement to ensure proprietary and confidential information is protected if the departments share reported information. Any proprietary or confidential information exempt from disclosure when reported to the department of licensing is exempt from disclosure when shared by the department of licensing with the department under this provision.

(b)(i) Except as otherwise provided in this subsection, the rules adopted by the department under (a) of this subsection must be consistent with the regulations adopted by the United States environmental protection agency in 40 C.F.R. Part 98 on September 22, 2009.

(ii) The department may by rule include additional gases to the definition of "greenhouse gas" in RCW 70.235.010 only if the gas has been designated as a greenhouse gas by the United States congress or by the United States environmental protection agency. Prior to including additional gases to the definition of "greenhouse gas" in RCW 70.235.010, the department shall notify the appropriate committees of the legislature. Decisions to amend the rule to include additional gases must be made prior to December 1st of any year and the amended rule may not take effect before the end of the regular legislative session in the next year.

(iii) The department may by rule exempt persons who are required to report greenhouse gas emissions to the United States environmental protection agency and who emit less than ten thousand metric tons carbon dioxide equivalent annually.

(iv) The department must establish a methodology for persons who are not required to report under this section to voluntarily report their greenhouse gas emissions.

(c) The department shall review and if necessary update its rules whenever the United States environmental protection agency adopts final amendments to 40 C.F.R. Part 98 to ensure consistency with federal reporting requirements for emissions of greenhouse gases. However, the department shall not amend its rules in a manner that conflicts with (a) of this subsection.

(d) The department shall share any reporting information reported to it with the local air authority in which the person reporting under the rules adopted by the department operates.

(((d))) (e) The fee provisions in subsection (2) of this section apply to reporting of emissions of greenhouse gases. Persons required to report under (a) of this subsection who fail to report or pay the fee required in subsection (2) of this section are subject to enforcement penalties under this chapter. The department shall enforce the reporting rule requirements unless it approves a local air authority's request to enforce the requirements for persons operating within the authority's jurisdiction. However, neither the department nor a local air authority approved under this section are
authorized to assess enforcement penalties on persons required to report under (a) of this subsection until six months after the department adopts its reporting rule in 2010.

(((e) (f) The energy facility site evaluation council shall, simultaneously with the department, adopt rules that impose greenhouse gas reporting requirements in site certifications on owners or operators of a facility permitted by the energy facility site evaluation council. The greenhouse gas reporting requirements imposed by the energy facility site evaluation council must be the same as the greenhouse gas reporting requirements imposed by the department. The department shall share any information reported to it from facilities permitted by the energy facility site evaluation council with the council, including notice of a facility that has failed to report as required. The energy facility site evaluation council shall contract with the department to monitor the reporting requirements adopted under this section.

(f) In developing its rules, the department shall, with the assistance of the department of transportation, identify a mechanism to report an aggregate estimate of the annual emissions of greenhouse gases generated from or emitted by otherwise unreported on-road motor vehicles.)

(g) The inclusion or failure to include any person, source, classes of persons or sources, or types of emissions of greenhouse gases into the department's rules for reporting under this section does not indicate whether such a person, source, or category is appropriate for inclusion in (the multisector market based system designed under RCW 70.235.020) state, regional, or national greenhouse gas reduction programs or strategies. Furthermore, aircraft fuel purchased in the state may not be considered equivalent to aircraft fuel combusted in the state.

(h) ((Should the federal government adopt rules sufficient to track progress toward the emissions reductions required by chapter 14, Laws of 2008 governing the reporting of greenhouse gases, the department shall amend its rules, as necessary, to seek consistency with the federal rules to ensure duplicate reporting is not required. Nothing in this section requires the department to increase the reporting threshold established in (a) of this subsection or otherwise require the department's rules be identical to the federal rules in scope.))

(i) The definitions in RCW 70.235.010 apply throughout this subsection (5) unless the context clearly requires otherwise.

(ii) For the purpose of this subsection (5), the term "supplier" includes: (A) A motor vehicle fuel supplier or a motor vehicle fuel importer, as those terms are defined in RCW 82.36.010; (B) a special fuel supplier or a special fuel importer, as those terms are defined in RCW 82.38.020; and (C) a distributor of aircraft fuel, as those terms are defined in RCW 82.42.010.

(iii) For the purpose of this subsection (5), the term "person" includes: (A) An owner or operator, as those terms are defined by the United States environmental protection agency in its mandatory greenhouse gas reporting regulation in 40 C.F.R. Part 98, as adopted on September 22, 2009; and (B) a supplier.

material in Washington state containing any of the following constituents in an
amount exceeding the specified concentrations:
(a) Asbestiform fibers, 0.1 percent by weight.
(b) Cadmium and its compounds, 0.01 percent by weight.
(c) Chromium(VI)-salts, 0.1 percent by weight.
(d) Lead and its compounds, 0.1 percent by weight.
(e) Mercury and its compounds, 0.1 percent by weight.
(2) Beginning January 1, 2021, no manufacturer, wholesaler, retailer, or
distributor may sell or offer for sale brake friction material in Washington state
containing more than five percent copper and its compounds by weight.

(3) Brake friction material manufactured prior to 2015 is exempt from
subsection (1) of this section for the purposes of clearing inventory. This
exemption expires January 1, 2025.

(4) Brake friction material manufactured prior to 2021 is exempt from
subsection (2) of this section for the purposes of clearing inventory. This
exemption expires January 1, 2031.

(5) Brake friction material manufactured as part of an original equipment
service contract for vehicles manufactured prior to January 1, 2015, is exempt
from subsection (1) of this section.

(6) Brake friction material manufactured as part of an original equipment
service contract for vehicles manufactured prior to January 1, 2021, is exempt
from subsection (2) of this section.

NEW SECTION. Sec. 4. (1) By December 1, 2015, the department shall
review risk assessments, scientific studies, and other relevant analyses regarding
alternative brake friction material and determine whether the material may be
available. The department shall consider any new science with regard to the bioavailability and toxicity of copper.

(2) If the department finds that alternative brake friction material may be available, it shall convene a brake friction material advisory committee. The committee shall include, but is not limited to:

(a) A representative of the department, who will chair the committee;
(b) The chief of the Washington state patrol, or the chief's designee;
(c) A representative of manufacturers of brake friction material;
(d) A representative of manufacturers of motor vehicles;
(e) A representative of a nongovernmental organization concerned with motor vehicle safety;
(f) A representative of the national highway traffic safety administration; and
(g) A representative of a nongovernmental organization concerned with the environment.

(3) If convened pursuant to subsection (2) of this section, the committee shall separately assess alternative brake friction material for passenger vehicles, light-duty vehicles, and heavy-duty vehicles. The committee shall make different recommendations to the department as to whether alternative brake friction material is available or unavailable for passenger vehicles, light-duty vehicles, and heavy-duty vehicles. For purposes of this section, "heavy-duty vehicle" means a vehicle used for commercial purposes with a gross vehicle weight rating above twenty-six thousand pounds. The committee shall also consider appropriate exemptions including original equipment service and brake friction material manufactured prior to the dates specified in section 5 of this act. The department shall consider the committee's recommendations and make a finding as to whether alternative brake friction material is available or unavailable.

(4) If, pursuant to subsection (3) of this section, the department finds that alternative brake friction material:

(a) Is available, it shall comply with section 5 of this act;
(b) Is not available, it shall periodically evaluate the finding and, if it determines that alternative brake friction material may be available, comply with subsections (2) and (3) of this section. If the department finds that alternative brake friction material is available, it shall comply with section 5 of this act.

NEW SECTION. Sec. 5. If, pursuant to section 4 of this act, the department finds that alternative brake friction material is available:

(1) (a) By December 31st of the year in which the finding is made, the department shall publish the information required by section 4 of this act in the Washington State Register and present it in a report to the appropriate committees of the legislature; and

(b) The report must include recommendations for exemptions on original equipment service and brake friction material manufactured prior to dates specified in this section and may include recommendations for other exemptions.

(2) Beginning eight years after the report in subsection (1) of this section is published in the Washington State Register, no manufacturer, wholesaler, retailer, or distributor may sell or offer for sale brake friction material in
Washington state containing more than 0.5 percent copper and its compounds by weight, as specified in the report.

(3) The department shall adopt rules to implement this section.

NEW SECTION. Sec. 6. Any motor vehicle manufacturer or brake friction material manufacturer may apply to the department for an exemption from this chapter for brake friction material intended for a specific motor vehicle model or class of motor vehicles based on special needs or characteristics of the motor vehicles for which the brake friction material is intended. Exemptions may only be issued for small volume motor vehicle manufacturers, specific motor vehicle models, or special classes of vehicles, such as fire trucks, police cars, and heavy or wide-load equipment hauling, provided the manufacturer can demonstrate that complying with the requirements of this chapter is not feasible, does not allow compliance with safety standards, or causes significant financial hardship. Exemptions are valid for no less than one year and may be renewed automatically as needed or the exemption may be permanent for as long as the vehicle is used in the manner described in the application.

NEW SECTION. Sec. 7. (1) By January 1, 2013, and at least every three years thereafter, manufacturers of brake friction material sold or offered for sale in Washington state shall provide data to the department adequate to enable the department to determine concentrations of antimony, copper, nickel, and zinc and their compounds in brake friction material sold or offered for sale in Washington state.

(2) Using data provided pursuant to subsection (1) of this section and other data as needed, and in consultation with the brake friction material manufacturing industry, the department must:

(a) By July 1, 2013, establish baseline concentration levels for constituents identified in subsection (1) of this section in brake friction material; and

(b) Track progress toward reducing the use of copper and its compounds and ensure that concentration levels of antimony, nickel, or zinc and their compounds do not increase by more than fifty percent above baseline concentration levels.

(3) If concentration levels of antimony, nickel, or zinc and their compounds in brake friction material increase by more than fifty percent above baseline concentration levels, the department shall review scientific studies to determine the potential impact of the constituent on human health and the environment. If scientific studies demonstrate the need for controlling the use of the constituent in brake friction material, the department may consider recommending limits on concentration levels of the constituent in the material.

(4) Confidential business information otherwise protected under RCW 43.21A.160 or chapter 42.56 RCW is exempt from public disclosure.

NEW SECTION. Sec. 8. (1) Manufacturers of brake friction material offered for sale in Washington state must certify compliance with the requirements of this chapter and mark proof of certification on the brake friction material in accordance with criteria developed under this section.

(2) By December 1, 2012, the department must, after consulting with interested parties, develop compliance criteria to meet the requirements of this chapter. Compliance criteria includes, but is not limited to:
(a) Self-certification of compliance by brake friction material manufacturers using accredited laboratories; and

(b) Marked proof of certification, including manufacture date, on brake friction material and product packaging. Marked proof of certification must appear by January 1, 2015. Brake friction material manufactured or packaged prior to January 1, 2015, is exempt from this subsection (2)(b).

(3) Beginning January 1, 2021, manufacturers of new motor vehicles offered for sale in Washington state must ensure that motor vehicles are equipped with brake friction material certified to be compliant with the requirements of this chapter.

NEW SECTION. Sec. 9. (1) The department shall enforce this chapter. The department may periodically purchase and test brake friction material sold or offered for sale in Washington state to verify that the material complies with this chapter.

(2) Enforcement of this chapter by the department must rely on notification and information exchange between the department and manufacturers, distributors, and retailers. The department shall issue one warning letter by certified mail to a manufacturer, distributor, or retailer that sells or offers to sell brake friction material in violation of this chapter, and offer information or other appropriate assistance regarding compliance with this chapter. Once a warning letter has been issued to a distributor or retailer for violations under subsections (3) and (5) of this section, the department need not provide warning letters for subsequent violations by that distributor or retailer. For the purposes of subsection (6) of this section, a warning letter serves as notice of the violation. If compliance is not achieved, the department may assess penalties under this section.

(3) A brake friction material distributor or retailer that violates this chapter is subject to a civil penalty not to exceed ten thousand dollars for each violation. Brake friction material distributors or retailers that sell brake friction material that is packaged consistent with section 8(2)(b) of this act are not in violation of this chapter. However, if the department conclusively proves that the brake friction material distributor or retailer was aware that the brake friction material being sold violates section 3 or 5 of this act, the brake friction material distributor or retailer is subject to civil penalties according to this section.

(4) A brake friction material manufacturer that knowingly violates this chapter shall recall the brake friction material and reimburse the brake friction distributor, retailer, or any other purchaser for the material and any applicable shipping and handling charges for returning the material. A brake friction material manufacturer that violates this chapter is subject to a civil penalty not to exceed ten thousand dollars for each violation.

(5) A motor vehicle distributor or retailer that violates this chapter is subject to a civil penalty not to exceed ten thousand dollars for each violation. A motor vehicle distributor or retailer is not in violation of this chapter for selling a vehicle that was previously sold at retail and that contains brake friction material failing to meet the requirements of this chapter. However, if the department conclusively proves that the motor vehicle distributor or retailer installed brake friction material that violates section 3, 5, or 8(2)(b) of this act on the vehicle being sold and was aware that the brake friction material violates section 3, 5, or
8(2)(b) of this act, the motor vehicle distributor or retailer is subject to civil penalties under this section.

(6) A motor vehicle manufacturer that violates this chapter must notify the registered owner of the vehicle within six months of knowledge of the violation and must replace at no cost to the owner the noncompliant brake friction material with brake friction material that complies with this chapter. A motor vehicle manufacturer that fails to provide the required notification to registered owners of the affected vehicles within six months of knowledge of the violation is subject to a civil penalty not to exceed one hundred thousand dollars. A motor vehicle manufacturer that fails to provide the required notification to registered owners of the affected vehicles after twelve months of knowledge of the violation is subject to a civil penalty not to exceed ten thousand dollars per vehicle. For purposes of this section, "motor vehicle manufacturer" does not include a vehicle dealer defined under RCW 46.70.011 and required to be licensed as a vehicle dealer under chapter 46.70 RCW.

(7) Before the effective date of the prohibitions in section 3 or 5 of this act, the department shall prepare and distribute information about the prohibitions to manufacturers, distributors, and retailers to the maximum extent practicable.

(8) All penalties collected under this chapter must be deposited in the state toxics control account created in RCW 70.105D.070.

NEW SECTION. Sec. 10. The department may adopt rules necessary to implement this chapter.

NEW SECTION. Sec. 11. Sections 1 through 10 and 12 of this act constitute a new chapter in Title 70 RCW.

NEW SECTION. Sec. 12. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 59.18.030 and 2008 c 278 s 12 are each amended to read as follows:

(11) "Rental agreement" means all agreements which establish or modify the terms, conditions, rules, regulations, or any other provisions concerning the use and occupancy of a dwelling unit.

(12) A "single family residence" is a structure maintained and used as a single dwelling unit. (13) A "tenant" is any person who is entitled to occupy a dwelling unit primarily for living or dwelling purposes under a rental agreement.

(14) "Reasonable attorney's fees", where authorized in this chapter, means an amount to be determined including the following factors: The time and labor required, the novelty and difficulty of the questions involved, the skill requisite to perform the legal service properly, the fee customarily charged in the locality for similar legal services, the amount involved and the results obtained, and the experience, reputation and ability of the lawyer or lawyers performing the services.

NEW SECTION. Sec. 2. A new section is added to chapter 59.18 RCW to read as follows:

(1) Local municipalities may require that landlords provide a certificate of inspection as a business license condition. A local municipality does not need to have a business license or registration program in order to require that landlords provide a certificate of inspection. A certificate of inspection does not preclude or limit inspections conducted pursuant to the tenant remedy as provided for in RCW 59.18.115, at the request or consent of the tenant, or pursuant to a warrant.
(2) A qualified inspector who is conducting an inspection under this section may only investigate a rental property as needed to provide a certificate of inspection.

(3) A local municipality may only require a certificate of inspection on a rental property once every three years.

(4)(a) A rental property that has received a certificate of occupancy within the last four years and has had no code violations reported on the property during that period is exempt from inspection under this section.

(b) A rental property inspected by a government agency or other qualified inspector within the previous twenty-four months may provide proof of that inspection which the local municipality may accept in lieu of a certificate of inspection. If any additional inspections of the rental property are conducted, a copy of the findings of these inspections may also be required by the local municipality.

(5) A rental property owner may choose to inspect one hundred percent of the units on the rental property and provide only the certificate of inspection for all units to the local municipality. However, if a rental property owner chooses to inspect only a sampling of the units, the owner must send written notice of the inspection to all units at the property. The notice must advise tenants that some of the units at the property will be inspected and that the tenants whose units need repairs or maintenance should send written notification to the landlord as provided in RCW 59.18.070. The notice must also advise tenants that if the landlord fails to adequately respond to the request for repairs or maintenance, the tenants may contact local municipality officials. A copy of the notice must be provided to the inspector upon request on the day of inspection.

(6)(a) If a rental property has twenty or fewer dwelling units, no more than four dwelling units at the rental property may be selected by the local municipality to provide a certificate of inspection as long as the initial inspection reveals that no conditions exist that endanger or impair the health or safety of a tenant.

(b) If a rental property has twenty-one or more units, no more than twenty percent of the units, rounded up to the next whole number, on the rental property, and up to a maximum of fifty units at any one property, may be selected by the local municipality to provide a certificate of inspection as long as the initial inspection reveals that no conditions exist that endanger or impair the health or safety of a tenant.

(c) If a rental property is asked to provide a certificate of inspection for a sample of units on the property and a selected unit fails the initial inspection, the local municipality may require up to one hundred percent of the units on the rental property to provide a certificate of inspection.

(d) If a rental property has had conditions that endanger or impair the health or safety of a tenant reported since the last required inspection, the local municipality may require one hundred percent of the units on the rental property to provide a certificate of inspection.

(e) If a rental property owner chooses to hire a qualified inspector other than a municipal housing code enforcement officer, and a selected unit of the rental property fails the initial inspection, both the results of the initial inspection and any certificate of inspection must be provided to the local municipality.
(7)(a) The landlord shall provide written notification of his or her intent to enter an individual unit for the purposes of providing a local municipality with a certificate of inspection in accordance with RCW 59.18.150(6). The written notice must indicate the date and approximate time of the inspection and the company or person performing the inspection, and that the tenant has the right to see the inspector's identification before the inspector enters the individual unit. A copy of this notice must be provided to the inspector upon request on the day of inspection.

(b) A tenant who continues to deny access to his or her unit is subject to RCW 59.18.150(8).

(8) If a rental property owner does not agree with the findings of an inspection performed by a local municipality under this section, the local municipality shall offer an appeals process.

(9) A penalty for noncompliance under this section may be assessed by a local municipality. A local municipality may also notify the landlord that until a certificate of inspection is provided, it is unlawful to rent or to allow a tenant to continue to occupy the dwelling unit.

(10) Any person who knowingly submits or assists in the submission of a falsified certificate of inspection, or knowingly submits falsified information upon which a certificate of inspection is issued, is, in addition to the penalties provided for in subsection (9) of this section, guilty of a gross misdemeanor and must be punished by a fine of not more than five thousand dollars.

(11) As of the effective date of this section, a local municipality may not enact an ordinance requiring a certificate of inspection unless the ordinance complies with this section. This prohibition does not preclude any amendments made to ordinances adopted before the effective date of this section.

Sec. 3. RCW 59.18.150 and 2002 c 263 s 1 are each amended to read as follows:

(1) The tenant shall not unreasonably withhold consent to the landlord to enter into the dwelling unit in order to inspect the premises, make necessary or agreed repairs, alterations, or improvements, supply necessary or agreed services, or exhibit the dwelling unit to prospective or actual purchasers, mortgagees, tenants, workers, or contractors.

(2) Upon written notice of intent to seek a search warrant, when a tenant or landlord denies a fire official the right to search a dwelling unit, a fire official may immediately seek a search warrant and, upon a showing of probable cause specific to the dwelling unit sought to be searched that criminal fire code violations exist in the dwelling unit, a court of competent jurisdiction shall issue a warrant allowing a search of the dwelling unit.

Upon written notice of intent to seek a search warrant, when a landlord denies a fire official the right to search the common areas of the rental building other than the dwelling unit, a fire official may immediately seek a search warrant and, upon a showing of probable cause specific to the common area sought to be searched that a criminal fire code violation exists in those areas, a court of competent jurisdiction shall issue a warrant allowing a search of the common areas in which the violation is alleged.

The superior court and courts of limited jurisdiction organized under Titles 3, 35, and 35A RCW have jurisdiction to issue such search warrants. Evidence
obtained pursuant to any such search may be used in a civil or administrative enforcement action.

(3) As used in this section:
(a) "Common areas" means a common area or those areas that contain electrical, plumbing, and mechanical equipment and facilities used for the operation of the rental building.
(b) "Fire official" means any fire official authorized to enforce the state or local fire code.

(4)(a) A search warrant may be issued by a judge of a superior court or a court of limited jurisdiction under Titles 3, 35, and 35A RCW to a code enforcement official of the state or of any county, city, or other political subdivision for the purpose of allowing the inspection of any specified dwelling unit and premises to determine the presence of an unsafe building condition or a violation of any building regulation, statute, or ordinance.
(b) A search warrant must only be issued upon application of a designated officer or employee of a county or city prosecuting or regulatory authority supported by an affidavit or declaration made under oath or upon sworn testimony before the judge, establishing probable cause that a violation of a state or local law, regulation, or ordinance regarding rental housing exists and endangers the health or safety of the tenant or adjoining neighbors. In addition, the affidavit must contain a statement that consent to inspect has been sought from the owner and the tenant but could not be obtained because the owner or the tenant either refused or failed to respond within five days, or a statement setting forth facts or circumstances reasonably justifying the failure to seek such consent. A landlord may not take or threaten to take reprisals or retaliatory action as defined in RCW 59.18.240 against a tenant who gives consent to a code enforcement official of the state or of any county, city, or other political subdivision to inspect his or her dwelling unit to determine the presence of an unsafe building condition or a violation of any building regulation, statute, or ordinance.
(c) In determining probable cause, the judge is not limited to evidence of specific knowledge, but may also consider any of the following:
   (i) The age and general condition of the premises;
   (ii) Previous violations or hazards found present in the premises;
   (iii) The type of premises;
   (iv) The purposes for which the premises are used; or
   (v) The presence of hazards or violations in and the general condition of premises near the premises sought to be inspected.
(d) Before issuing an inspection warrant, the judge shall find that the applicant has: (i) Provided written notice of the date, approximate time, and court in which the applicant will be seeking the warrant to the owner and, if the applicant reasonably believes the dwelling unit or rental property to be inspected is in the lawful possession of a tenant, to the tenant; and (ii) posted a copy of the notice on the exterior of the dwelling unit or rental property to be inspected. The judge shall also allow the owner and any tenant who appears during consideration of the application for the warrant to defend against or in support of the issuance of the warrant.
(e) All warrants must include at least the following:
(i) The name of the agency and building official requesting the warrant and authorized to conduct an inspection pursuant to the warrant;

(ii) A reasonable description of the premises and items to be inspected; and

(iii) A brief description of the purposes of the inspection.

(f) An inspection warrant is effective for the time specified in the warrant, but not for a period of more than ten days unless it is extended or renewed by the judge who signed and issued the original warrant upon satisfying himself or herself that the extension or renewal is in the public interest. The inspection warrant must be executed and returned to the judge by whom it was issued within the time specified in the warrant or within the extended or renewed time. After the expiration of the time specified in the warrant, the warrant, unless executed, is void.

(g) An inspection pursuant to a warrant must not be made:

(i) Between 7:00 p.m. of any day and 8:00 a.m. of the succeeding day, on Saturday or Sunday, or on any legal holiday, unless the owner or, if occupied, the tenant specifies a preference for inspection during such hours or on such a day;

(ii) Without the presence of an owner or occupant over the age of eighteen years or a person designated by the owner or occupant unless specifically authorized by a judge upon a showing that the authority is reasonably necessary to effectuate the purpose of the search warrant; or

(iii) By means of forcible entry, except that a judge may expressly authorize a forcible entry when:

(A) Facts are shown that are sufficient to create a reasonable suspicion of a violation of a state or local law or rule relating to municipal or county building, fire, safety, environmental, animal control, land use, plumbing, electrical, health, minimum housing, or zoning standards that, if the violation existed, would be an immediate threat to the health or safety of the tenant; or

(B) Facts are shown establishing that reasonable attempts to serve a previous warrant have been unsuccessful.

(h) Immediate execution of a warrant is prohibited, except when necessary to prevent loss of life or property.

(i) Any person who willfully refuses to permit inspection, obstructs inspection, or aids in the obstruction of an inspection of property authorized by warrant issued pursuant to this section is subject to remedial and punitive sanctions for contempt of court under chapter 7.21 RCW. Such conduct may also be subject to a civil penalty imposed by local ordinance that takes into consideration the facts and circumstances and the severity of the violation.

(5) The landlord may enter the dwelling unit without consent of the tenant in case of emergency or abandonment.

((54)) (6) The landlord shall not abuse the right of access or use it to harass the tenant. Except in the case of emergency or if it is impracticable to do so, the landlord shall give the tenant at least two days' notice of his or her intent to enter and shall enter only at reasonable times. The tenant shall not unreasonably withhold consent to the landlord to enter the dwelling unit at a specified time where the landlord has given at least one day's notice of intent to enter to exhibit the dwelling unit to prospective or actual purchasers or tenants. A landlord shall not unreasonably interfere with a tenant's enjoyment of the rented dwelling unit by excessively exhibiting the dwelling unit.
The landlord has no other right of access except by court order, arbitrator or by consent of the tenant.

A landlord or tenant who continues to violate the rights of the tenant or landlord with respect to the duties imposed on the other as set forth in this section after being served with one written notification alleging in good faith violations of this section listing the date and time of the violation shall be liable for up to one hundred dollars for each violation after receipt of the notice. The prevailing landlord or tenant may recover costs of the suit or arbitration under this section, and may also recover reasonable attorneys' fees.

Nothing in this section is intended to (a) abrogate or modify in any way any common law right or privilege or (b) affect the common law as it relates to a local municipality's right of entry under emergency or exigent circumstances.

NEW SECTION. Sec. 4. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

CHAPTER 149
[Engrossed Senate Bill 6764]
TORT JUDGMENTS—ACCRUAL OF INTEREST

AN ACT Relating to accrual of interest on judgments founded on tortious conduct; amending RCW 4.56.110; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 4.56.110 and 2004 c 185 s 2 are each amended to read as follows:

Interest on judgments shall accrue as follows:

(1) Judgments founded on written contracts, providing for the payment of interest until paid at a specified rate, shall bear interest at the rate specified in the contracts: PROVIDED, That said interest rate is set forth in the judgment.

(2) All judgments for unpaid child support that have accrued under a superior court order or an order entered under the administrative procedure act shall bear interest at the rate of twelve percent.

(3)(a) Judgments founded on the tortious conduct of ((individuals or other entities, whether acting in their personal or representative capacities,)) a "public agency" as defined in RCW 42.30.020 shall bear interest from the date of entry at two percentage points above the equivalent coupon issue yield, as published by the board of governors of the federal reserve system, of the average bill rate for twenty-six week treasury bills as determined at the first bill market auction conducted during the calendar month immediately preceding the date of entry. In any case where a court is directed on review to enter judgment on a verdict or in any case where a judgment entered on a verdict is wholly or partly affirmed on review, interest on the judgment or on that portion of the judgment affirmed shall date back to and shall accrue from the date the verdict was rendered.
Ch. 149 WASHINGTON LAWS, 2010

(b) Except as provided in (a) of this subsection, judgments founded on the tortious conduct of individuals or other entities, whether acting in their personal or representative capacities, shall bear interest from the date of entry at two percentage points above the prime rate, as published by the board of governors of the federal reserve system on the first business day of the calendar month immediately preceding the date of entry. In any case where a court is directed on review to enter judgment on a verdict or in any case where a judgment entered on a verdict is wholly or partly affirmed on review, interest on the judgment or on that portion of the judgment affirmed shall date back to and shall accrue from the date the verdict was rendered.

The method for determining an interest rate prescribed by this subsection is also the method for determining the "rate applicable to civil judgments" for purposes of RCW 10.82.090.

NEW SECTION. Sec. 2. The rate of interest required by RCW 4.56.110(3) (a) and (b) applies to the accrual of interest:

AN ACT Relating to restricting access to juvenile offender records; and amending RCW 13.04.240, 13.50.050, 13.50.010, and 13.04.011.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 13.04.240 and 1961 c 302 s 16 are each amended to read as follows:

An order of court adjudging a child ((delinquent)) a juvenile offender or dependent under the provisions of this chapter shall in no case be deemed a conviction of crime.

Sec. 2. RCW 13.50.050 and 2008 c 221 s 1 are each amended to read as follows:

(1) This section governs records relating to the commission of juvenile offenses, including records relating to diversions.
(2) The official juvenile court file of any alleged or proven juvenile offender shall be open to public inspection, unless sealed pursuant to subsection (12) of this section.

(3) All records other than the official juvenile court file are confidential and may be released only as provided in this section, RCW 13.50.010, 13.40.215, and 4.24.550.

(4) Except as otherwise provided in this section and RCW 13.50.010, records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by the other participant or when that other participant is assigned the responsibility for supervising the juvenile.

(5) Except as provided in RCW 4.24.550, information not in an official juvenile court file concerning a juvenile or a juvenile's family may be released to the public only when that information could not reasonably be expected to identify the juvenile or the juvenile's family.

(6) Notwithstanding any other provision of this chapter, the release, to the juvenile or his or her attorney, of law enforcement and prosecuting attorneys' records pertaining to investigation, diversion, and prosecution of juvenile offenses shall be governed by the rules of discovery and other rules of law applicable in adult criminal investigations and prosecutions.

(7) Upon the decision to arrest or the arrest, law enforcement and prosecuting attorneys may cooperate with schools in releasing information to a school pertaining to the investigation, diversion, and prosecution of a juvenile attending the school. Upon the decision to arrest or the arrest, incident reports may be released unless releasing the records would jeopardize the investigation or prosecution or endanger witnesses. If release of incident reports would jeopardize the investigation or prosecution or endanger witnesses, law enforcement and prosecuting attorneys may release information to the maximum extent possible to assist schools in protecting other students, staff, and school property.

(8) The juvenile court and the prosecutor may set up and maintain a central record-keeping system which may receive information on all alleged juvenile offenders against whom a complaint has been filed pursuant to RCW 13.40.070 whether or not their cases are currently pending before the court. The central record-keeping system may be computerized. If a complaint has been referred to a diversion unit, the diversion unit shall promptly report to the juvenile court or the prosecuting attorney when the juvenile has agreed to diversion. An offense shall not be reported as criminal history in any central record-keeping system without notification by the diversion unit of the date on which the offender agreed to diversion.

(9) Upon request of the victim of a crime or the victim's immediate family, the identity of an alleged or proven juvenile offender alleged or found to have committed a crime against the victim and the identity of the alleged or proven juvenile offender's parent, guardian, or custodian and the circumstance of the alleged or proven crime shall be released to the victim of the crime or the victim's immediate family.

(10) Subject to the rules of discovery applicable in adult criminal prosecutions, the juvenile offense records of an adult criminal defendant or
witness in an adult criminal proceeding shall be released upon request to prosecution and defense counsel after a charge has actually been filed. The juvenile offense records of any adult convicted of a crime and placed under the supervision of the adult corrections system shall be released upon request to the adult corrections system.

(11) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and, subject to subsection (23) of this section, order the sealing of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

(12)(a) The court shall not grant any motion to seal records for class A offenses made pursuant to subsection (11) of this section that is filed on or after July 1, 1997, unless (it finds that):

((a) For class B offenses other than sex offenses))

For gross misdemeanors and misdemeanors, since the last date of release from confinement, including full-time residential treatment, if any, or entry of disposition, the person has spent two consecutive years in the community without committing any offense or crime that subsequently results in conviction. For diversions, since completion of the diversion agreement, the person has spent two consecutive years in the community without committing any offense or crime that subsequently results in conviction or diversion));

((b)))

(ii) A proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense;

((c)))

(iii) A proceeding is pending seeking the formation of a diversion agreement with that person;

((d)))

(iv) The person has not been convicted of a ((class A or)) sex offense; and

((e)))

(v) Full restitution has been paid.

(b) The court shall not grant any motion to seal records for class B, C, gross misdemeanor and misdemeanor offenses and diversions made under subsection (11) of this section unless:

(i) Since the date of last release from confinement, including full-time residential treatment, if any, entry of disposition, or completion of the diversion agreement, the person has spent two consecutive years in the community without being convicted of any offense or crime;

(ii) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense;

(iii) No proceeding is pending seeking the formation of a diversion agreement with that person;
(iv) The person has not been convicted of a sex offense; and
(v) Full restitution has been paid.

(13) The person making a motion pursuant to subsection (11) of this section shall give reasonable notice of the motion to the prosecution and to any person or agency whose files are sought to be sealed.

(14) If the court grants the motion to seal made pursuant to subsection (11) of this section, it shall, subject to subsection (23) of this section, order sealed the official juvenile court file, the social file, and other records relating to the case as are named in the order. Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(15) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8) and subsection (23) of this section.

(16) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying the sealing order. Any charging of an adult felony subsequent to the sealing has the effect of nullifying the sealing order for the purposes of chapter 9.94A RCW. The administrative office of the courts shall ensure that the superior court judicial information system provides prosecutors access to information on the existence of sealed juvenile records.

(17)(a)(i) Subject to subsection (23) of this section, all records maintained by any court or law enforcement agency, including the juvenile court, local law enforcement, the Washington state patrol, and the prosecutor's office, shall be automatically destroyed within ninety days of becoming eligible for destruction. Juvenile records are eligible for destruction when:

(A) The person who is the subject of the information or complaint is at least eighteen years of age;
(B) His or her criminal history consists entirely of one diversion agreement or counsel and release entered on or after June 12, 2008;
(C) Two years have elapsed since completion of the agreement or counsel and release;
(D) No proceeding is pending against the person seeking the conviction of a criminal offense; and
(E) There is no restitution owing in the case.

(ii) No less than quarterly, the administrative office of the courts shall provide a report to the juvenile courts of those individuals whose records may be eligible for destruction. The juvenile court shall verify eligibility and notify the Washington state patrol and the appropriate local law enforcement agency and prosecutor's office of the records to be destroyed. The requirement to destroy records under this subsection is not dependent on a court hearing or the issuance of a court order to destroy records.

(iii) The state and local governments and their officers and employees are not liable for civil damages for the failure to destroy records pursuant to this section.
(b) A person eighteen years of age or older whose criminal history consists entirely of one diversion agreement or counsel and release entered prior to June 12, 2008, may request that the court order the records in his or her case destroyed. The request shall be granted, subject to subsection (23) of this section, if the court finds that two years have elapsed since completion of the agreement or counsel and release.

(c) A person twenty-three years of age or older whose criminal history consists of only referrals for diversion may request that the court order the records in those cases destroyed. The request shall be granted, subject to subsection (23) of this section, if the court finds that all diversion agreements have been successfully completed and no proceeding is pending against the person seeking the conviction of a criminal offense.

(18) If the court grants the motion to destroy records made pursuant to subsection (17)(b) or (c) of this section, it shall, subject to subsection (23) of this section, order the official juvenile court file, the social file, and any other records named in the order to be destroyed.

(19) The person making the motion pursuant to subsection (17)(b) or (c) of this section shall give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.

(20) Any juvenile to whom the provisions of this section may apply shall be given written notice of his or her rights under this section at the time of his or her disposition hearing or during the diversion process.

(21) Nothing in this section may be construed to prevent a crime victim or a member of the victim's family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

(22) Any juvenile justice or care agency may, subject to the limitations in subsection (23) of this section and (a) and (b) of this subsection, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

(a) Records may be routinely destroyed only when the person the subject of the information or complaint has attained twenty-three years of age or older or pursuant to subsection (17)(a) of this section.

(b) The court may not routinely destroy the official juvenile court file or recordings or transcripts of any proceedings.

(23) No identifying information held by the Washington state patrol in accordance with chapter 43.43 RCW is subject to destruction or sealing under this section. For the purposes of this subsection, identifying information includes photographs, fingerprints, palmprints, soleprints, toeprints and any other data that identifies a person by physical characteristics, name, birthdate or address, but does not include information regarding criminal activity, arrest, charging, diversion, conviction or other information about a person's treatment by the criminal justice system or about the person's behavior.

(24) Information identifying child victims under age eighteen who are victims of sexual assaults by juvenile offenders is confidential and not subject to release to the press or public without the permission of the child victim or the child's legal guardian. Identifying information includes the child victim's name, addresses, location, photographs, and in cases in which the child victim is a relative of the alleged perpetrator, identification of the relationship between the

For purposes of this title:
WASHINGTON LAWS, 2010

Ch. 150

150

AN ACT Relating to protecting consumers from breaches of security; adding a new section to chapter 19.255 RCW; creating new sections; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature recognizes that data breaches of credit and debit card information contribute to identity theft and fraud and can be costly to consumers. The legislature also recognizes that when a breach occurs, remedial measures such as reissuance of credit or debit cards affected by the breach can help to reduce the incidence of identity theft and associated costs to consumers. Accordingly, the legislature intends to encourage financial institutions to reissue credit and debit cards to consumers when appropriate, and to permit financial institutions to recoup data breach costs associated with the reissuance from large businesses and card processors who are negligent in maintaining or transmitting card data.

NEW SECTION. Sec. 2. A new section is added to chapter 19.255 RCW to read as follows:

(1) For purposes of this section:

(a) "Account information" means: (i) The full, unencrypted magnetic stripe of a credit card or debit card; (ii) the full, unencrypted account information contained on an identification device as defined under RCW 19.300.010; or (iii) the unencrypted primary account number on a credit card or debit card or
identification device, plus any of the following if not encrypted: Cardholder name, expiration date, or service code.

(b) "Breach" has the same meaning as "breach of the security of the system" in RCW 19.255.010.

(c) "Business" means an individual, partnership, corporation, association, organization, government entity, or any other legal or commercial entity that processes more than six million credit card and debit card transactions annually, and who provides, offers, or sells goods or services to persons who are residents of Washington.

(d) "Credit card" has the same meaning as in RCW 9A.56.280.

(e) "Debit card" has the same meaning as in RCW 9A.56.280 and and for the purposes of this section, includes a payroll debit card.

(f) "Encrypted" means enciphered or encoded using standards reasonable for the breached business or processor taking into account the business or processor's size and the number of transactions processed annually.

(g) "Financial institution" has the same meaning as in RCW 30.22.040.

(h) "Processor" means an individual, partnership, corporation, association, organization, government entity, or any other legal or commercial entity, other than a business as defined under this section, that directly processes or transmits account information for or on behalf of another person as part of a payment processing service.

(i) "Service code" means the three or four digit number in the magnetic stripe or on a credit card or debit card that is used to specify acceptance requirements or to validate the card.

(j) "Vendor" means an individual, partnership, corporation, association, organization, government entity, or any other legal or commercial entity that manufactures and sells software or equipment that is designed to process, transmit, or store account information or that maintains account information that it does not own.

(2) Processors, businesses, and vendors are not liable under this section if

(a) the account information was encrypted at the time of the breach, or

(b) the processor, business, or vendor was certified compliant with the payment card industry data security standards adopted by the payment card industry security standards council, and in force at the time of the breach. A processor, business, or vendor will be considered compliant, if its payment card industry data security compliance was validated by an annual security assessment, and if this assessment took place no more than one year prior to the time of the breach. For the purposes of this subsection (2), a processor, business, or vendor's security assessment of compliance is nonrevocable. The nonrevocability of a processor, business, or vendor's security assessment of compliance is only for the purpose of determining a processor, business, or vendor's liability under this subsection (2).

(3)(a) If a processor or business fails to take reasonable care to guard against unauthorized access to account information that is in the possession or under the control of the business or processor, and the failure is found to be the proximate cause of a breach, the processor or business is liable to a financial institution for reimbursement of reasonable actual costs related to the reissuance of credit cards and debit cards that are incurred by the financial institution to mitigate potential current or future damages to its credit card and debit card holders that reside in
the state of Washington as a consequence of the breach, even if the financial
institution has not suffered a physical injury in connection with the breach. In
any legal action brought pursuant to this subsection, the prevailing party is
entitled to recover its reasonable attorneys' fees and costs incurred in connection
with the legal action.

(b) A vendor, instead of a processor or business, is liable to a financial
institution for the damages described in (a) of this subsection to the extent that
the damages were proximately caused by the vendor's negligence and if the
claim is not limited or foreclosed by another provision of law or by a contract to
which the financial institution is a party.

(4) Nothing in this section may be construed as preventing or foreclosing
any entity responsible for handling account information on behalf of a business
or processor from being made a party to an action under this section.

(5) Nothing in this section may be construed as preventing or foreclosing
a processor, business, or vendor from asserting any defense otherwise available to
it in an action including, but not limited to, defenses of contract, or of
contributory or comparative negligence.

(6) In cases to which this section applies, the trier of fact shall determine the
percentage of the total fault which is attributable to every entity which was the
proximate cause of the claimant's damages.

(7) The remedies under this section are cumulative and do not restrict any
other right or remedy otherwise available under law, however a trier of fact may
reduce damages awarded to a financial institution by any amount the financial
institution recovers from a credit card company in connection with the breach,
for costs associated with access card reissuance.

NEW SECTION. Sec. 3. This act takes effect July 1, 2010.

NEW SECTION. Sec. 4. This act applies prospectively only. This act
applies to any breach occurring on or after the effective date of this section.

Passed by the House March 6, 2010.
Passed by the Senate March 2, 2010.
Approved by the Governor March 22, 2010.
Filed in Office of Secretary of State March 22, 2010.

CHAPTER 153

[Engrossed Substitute House Bill 2538]

COMPREHENSIVE PLANNING—COMPACT, HIGH-DENSITY URBAN DEVELOPMENT

AN ACT Relating to high-density urban development; amending RCW 82.02.020; adding a new section to chapter 43.21C RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. It is the intent of the legislature to encourage high-density, compact, in-fill development and redevelopment within existing urban areas in order to further existing goals of chapter 36.70A RCW, the growth management act, to promote the use of public transit and encourage further investment in transit systems, and to contribute to the reduction of greenhouse gas emissions by: (1) Encouraging local governments to adopt plans and regulations that authorize compact, high-density urban development as defined in section 2 of this act; (2) providing for the funding and preparation of environmental impact statements that comprehensively examine the impacts of such development at the time that the plans and regulations are adopted; and (3)
encouraging development that is consistent with such plans and regulations by precluding appeals under chapter 43.21C RCW.

NEW SECTION. Sec. 2. A new section is added to chapter 43.21C RCW to read as follows:

(1) Cities with a population greater than five thousand, in accordance with their existing comprehensive planning and development regulation authority under chapter 36.70A RCW, and in accordance with this section, may adopt optional elements of their comprehensive plans and optional development regulations that apply within specified subareas of the cities, that are either:

(a) Areas designated as mixed-use or urban centers in a land use or transportation plan adopted by a regional transportation planning organization; or

(b) Areas within one-half mile of a major transit stop that have an average minimum density of fifteen dwelling units or more per gross acre.

(2) Cities located on the east side of the Cascade mountains and located in a county with a population of two hundred thirty thousand or less, in accordance with their existing comprehensive planning and development regulation authority under chapter 36.70A RCW, and in accordance with this section, may adopt optional elements of their comprehensive plans and optional development regulations that apply within the mixed-use or urban centers. The optional elements of their comprehensive plans and optional development regulations must enhance pedestrian, bicycle, transit, or other nonvehicular transportation methods.

(3) A major transit stop is defined as:

(a) A stop on a high capacity transportation service funded or expanded under the provisions of chapter 81.104 RCW;

(b) Commuter rail stops;

(c) Stops on rail or fixed guideway systems, including transitways;

(d) Stops on bus rapid transit routes or routes that run on high occupancy vehicle lanes; or

(e) Stops for a bus or other transit mode providing fixed route service at intervals of at least thirty minutes during the peak hours of operation.

(4)(a) A city that elects to adopt such an optional comprehensive plan element and optional development regulations shall prepare a nonproject environmental impact statement, pursuant to RCW 43.21C.030, assessing and disclosing the probable significant adverse environmental impacts of the optional comprehensive plan element and development regulations and of future development that is consistent with the plan and regulations.

(b) At least one community meeting must be held on the proposed subarea plan before the scoping notice for such a nonproject environmental impact statement is issued. Notice of scoping for such a nonproject environmental impact statement and notice of the community meeting required by this section must be mailed to all property owners of record within the subarea to be studied, to all property owners within one hundred fifty feet of the boundaries of such a subarea, to all affected federally recognized tribal governments whose ceded area is within one-half mile of the boundaries of the subarea, and to agencies with jurisdiction over the future development anticipated within the subarea.

(c) In cities with over five hundred thousand residents, notice of scoping for such a nonproject environmental impact statement and notice of the community meeting...
meeting required by this section must be mailed to all small businesses as defined in RCW 19.85.020, and to all community preservation and development authorities established under chapter 43.167 RCW, located within the subarea to be studied or within one hundred fifty feet of the boundaries of such subarea. The process for community involvement must have the goal of fair treatment and meaningful involvement of all people with respect to the development and implementation of the subarea planning process.

(d) The notice of the community meeting must include general illustrations and descriptions of buildings generally representative of the maximum building envelope that will be allowed under the proposed plan and indicate that future appeals of proposed developments that are consistent with the plan will be limited. Notice of the community meeting must include signs located on major travel routes in the subarea. If the building envelope increases during the process, another notice complying with the requirements of this section must be issued before the next public involvement opportunity.

(e) Any person that has standing to appeal the adoption of this subarea plan or the implementing regulations under RCW 36.70A.280 has standing to bring an appeal of the nonproject environmental impact statement required by this subsection.

(f) Cities with over five hundred thousand residents shall prepare a study that accompanies or is appended to the nonproject environmental impact statement, but must not be part of that statement, that analyzes the extent to which the proposed subarea plan may result in the displacement or fragmentation of existing businesses, existing residents, including people living with poverty, families with children, and intergenerational households, or cultural groups within the proposed subarea plan. The city shall also discuss the results of the analysis at the community meeting.

(g) As an incentive for development authorized under this section, a city shall consider establishing a transfer of development rights program in consultation with the county where the city is located, that conserves county-designated agricultural and forest land of long-term commercial significance. If the city decides not to establish a transfer of development rights program, the city must state in the record the reasons for not adopting the program. The city's decision not to establish a transfer of development rights program is not subject to appeal. Nothing in this subsection (4)(g) may be used as a basis to challenge the optional comprehensive plan or subarea plan policies authorized under this section.

(5)(a) Until July 1, 2018, a proposed development that is consistent with the optional comprehensive plan or subarea plan policies and development regulations adopted under subsection (1) or (2) of this section and that is environmentally reviewed under subsection (4) of this section may not be challenged in administrative or judicial appeals for noncompliance with this chapter as long as a complete application for such a development that vests the application or would later lead to vested status under city or state law is submitted to the city within a time frame established by the city, but not to exceed ten years from the date of issuance of the final environmental impact statement.

(b) After July 1, 2018, the immunity from appeals under this chapter of any application that vests or will vest under this subsection or the ability to vest
under this subsection is still valid, provided that the final subarea environmental impact statement is issued by July 1, 2018. After July 1, 2018, a city may continue to collect reimbursement fees under subsection (6) of this section for the proportionate share of a subarea environmental impact statement issued prior to July 1, 2018.

(6) It is recognized that a city that prepares a nonproject environmental impact statement under subsection (4) of this section must endure a substantial financial burden. A city may recover its reasonable expenses of preparation of a nonproject environmental impact statement prepared under subsection (4) of this section through access to financial assistance under RCW 36.70A.490 or funding from private sources. In addition, a city is authorized to recover a portion of its reasonable expenses of preparation of such a nonproject environmental impact statement by the assessment of reasonable and proportionate fees upon subsequent development that is consistent with the plan and development regulations adopted under subsection (5) of this section, as long as the development makes use of and benefits, as described in subsection (5) of this section, from the nonproject environmental impact statement prepared by the city. Any assessment fees collected from subsequent development may be used to reimburse funding received from private sources. In order to collect such fees, the city must enact an ordinance that sets forth objective standards for determining how the fees to be imposed upon each development will be proportionate to the impacts of each development and to the benefits accruing to each development from the nonproject environmental impact statement. Any disagreement about the reasonableness or amount of the fees imposed upon a development may not be the basis for delay in issuance of a project permit for that development. The fee assessed by the city may be paid with the written stipulation "paid under protest" and if the city provides for an administrative appeal of its decision on the project for which the fees are imposed, any dispute about the amount of the fees must be resolved in the same administrative appeal process.

(7) If a proposed development is inconsistent with the optional comprehensive plan or subarea plan policies and development regulations adopted under subsection (1) of this section, the city shall require additional environmental review in accordance with this chapter.

Sec. 3. RCW 82.02.020 and 2009 c 535 s 1103 are each amended to read as follows:

Except only as expressly provided in chapters 67.28, 81.104, and 82.14 RCW, the state preempts the field of imposing retail sales and use taxes and taxes upon parimutuel wagering authorized pursuant to RCW 67.16.060, conveyances, and cigarettes, and no county, town, or other municipal subdivision shall have the right to impose taxes of that nature. Except as provided in RCW 64.34.440 and 82.02.050 through 82.02.090, no county, city, town, or other municipal corporation shall impose any tax, fee, or charge, either direct or indirect, on the construction or reconstruction of residential buildings, commercial buildings, industrial buildings, or on any other building or building space or appurtenance thereto, or on the development, subdivision, classification, or reclassification of land. However, this section does not preclude dedications of land or easements within the proposed development or plat which the county, city, town, or other municipal corporation can
demonstrate are reasonably necessary as a direct result of the proposed
development or plat to which the dedication of land or easement is to apply.

This section does not prohibit voluntary agreements with counties, cities,
towns, or other municipal corporations that allow a payment in lieu of a
dedication of land or to mitigate a direct impact that has been identified as a
consequence of a proposed development, subdivision, or plat. A local
government shall not use such voluntary agreements for local off-site
transportation improvements within the geographic boundaries of the area or
areas covered by an adopted transportation program authorized by chapter 39.92
RCW. Any such voluntary agreement is subject to the following provisions:

(1) The payment shall be held in a reserve account and may only be
expended to fund a capital improvement agreed upon by the parties to mitigate
the identified, direct impact;

(2) The payment shall be expended in all cases within five years of
collection; and

(3) Any payment not so expended shall be refunded with interest to be
calculated from the original date the deposit was received by the county and at
the same rate applied to tax refunds pursuant to RCW 84.69.100; however, if the
payment is not expended within five years due to delay attributable to the
developer, the payment shall be refunded without interest.

No county, city, town, or other municipal corporation shall require any
payment as part of such a voluntary agreement which the county, city, town, or
other municipal corporation cannot establish is reasonably necessary as a direct
result of the proposed development or plat.

Nothing in this section prohibits cities, towns, counties, or other municipal
corporations from collecting reasonable fees from an applicant for a permit or
other governmental approval to cover the cost to the city, town, county, or other
municipal corporation of processing applications, inspecting and reviewing
plans, or preparing detailed statements required by chapter 43.21C RCW,
including reasonable fees that are consistent with section 2(6) of this act.

This section does not limit the existing authority of any county, city, town,
or other municipal corporation to impose special assessments on property
specifically benefitted thereby in the manner prescribed by law.

Nothing in this section prohibits counties, cities, or towns from imposing or
permits counties, cities, or towns to impose water, sewer, natural gas, drainage
utility, and drainage system charges. However, no such charge shall exceed the
proportionate share of such utility or system's capital costs which the county,
city, or town can demonstrate are attributable to the property being charged.
Furthermore, these provisions may not be interpreted to expand or contract any
existing authority of counties, cities, or towns to impose such charges.

Nothing in this section prohibits a transportation benefit district from
imposing fees or charges authorized in RCW 36.73.120 nor prohibits the
legislative authority of a county, city, or town from approving the imposition of
such fees within a transportation benefit district.

Nothing in this section prohibits counties, cities, or towns from imposing
transportation impact fees authorized pursuant to chapter 39.92 RCW.

Nothing in this section prohibits counties, cities, or towns from requiring
property owners to provide relocation assistance to tenants under RCW
59.18.440 and 59.18.450.
Nothing in this section limits the authority of counties, cities, or towns to implement programs consistent with RCW 36.70A.540, nor to enforce agreements made pursuant to such programs.

This section does not apply to special purpose districts formed and acting pursuant to Title 54, 57, or 87 RCW, nor is the authority conferred by these titles affected.

CHAPTER 154

[Engrossed Second Substitute House Bill 2539]

SOLID WASTE MANAGEMENT PLANNING—RESIDENTIAL RECYCLING

AN ACT Relating to optimizing the collection of source separated materials within the current regulatory structure; amending RCW 70.95.080 and 81.77.185; adding a new section to chapter 81.77 RCW; and creating new sections.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. Increasing available residential curbside service for solid waste, recyclable, and compostable materials provides enumerable public benefits for all of Washington. Not only will increased service provide better system-wide efficiency, but it will also result in job creation, pollution reduction, and energy conservation, all of which serve to improve the quality of life in Washington communities.

It is therefore the intent of the legislature that Washington strive to significantly increase current residential recycling rates by 2020.

Sec. 2. RCW 70.95.080 and 1985 c 448 s 17 are each amended to read as follows:

(1) Each county within the state, in cooperation with the various cities located within such county, shall prepare a coordinated, comprehensive solid waste management plan. Such plan may cover two or more counties. The purpose is to plan for solid waste and materials reduction, collection, and handling and management services and programs throughout the state, as designed to meet the unique needs of each county and city in the state. When updating a solid waste management plan developed under this chapter, after the effective date of this section, local comprehensive plans must consider and plan for the following handling methods or services:

(a) Source separation of recyclable materials and products, organic materials, and wastes by generators;
(b) Collection of source separated materials;
(c) Handling and proper preparation of materials for reuse or recycling;
(d) Handling and proper preparation of organic materials for composting or anaerobic digestion; and
(e) Handling and proper disposal of nonrecyclable wastes.

(2) When updating a solid waste management plan developed under this chapter, after the effective date of this section, each local comprehensive plan
must, at a minimum, consider methods that will be used to address the following:

(a) Construction and demolition waste for recycling or reuse;
(b) Organic material including yard debris, food waste, and food contaminated paper products for composting or anaerobic digestion;
(c) Recoverable paper products for recycling;
(d) Metals, glass, and plastics for recycling; and
(e) Waste reduction strategies.

(3) Each city shall:

((1)) (a) Prepare and deliver to the county auditor of the county in which it is located its plan for its own solid waste management for integration into the comprehensive county plan; ((or

(2)) (b) Enter into an agreement with the county pursuant to which the city shall participate in preparing a joint city-county plan for solid waste management; or

((3)) (c) Authorize the county to prepare a plan for the city's solid waste management for inclusion in the comprehensive county plan.

(4) Two or more cities may prepare a plan for inclusion in the county plan. With prior notification of its home county of its intent, a city in one county may enter into an agreement with a city in an adjoining county, or with an adjoining county, or both, to prepare a joint plan for solid waste management to become part of the comprehensive plan of both counties.

(5) After consultation with representatives of the cities and counties, the department shall establish a schedule for the development of the comprehensive plans for solid waste management. In preparing such a schedule, the department shall take into account the probable cost of such plans to the cities and counties.

(6) Local governments shall not be required to include a hazardous waste element in their solid waste management plans.

Sec. 3. RCW 81.77.185 and 2002 c 299 s 6 are each amended to read as follows:

(1) The commission shall allow solid waste collection companies collecting recyclable materials to retain up to ((thirty)) fifty percent of the revenue paid to the companies for the material if the companies submit a plan to the commission that is certified by the appropriate local government authority as being consistent with the local government solid waste plan and that demonstrates how the revenues will be used to increase recycling. The remaining revenue shall be passed to residential customers.

(2) By December 2, 2005, the commission shall provide a report to the legislature that evaluates:

(a) The effectiveness of revenue sharing as an incentive to increase recycling in the state; and
(b) The effect of revenue sharing on costs to customers.

NEW SECTION. Sec. 4. A new section is added to chapter 81.77 RCW to read as follows:

Upon request of a county, the commission may approve rates, charges, or services at a discount for low-income senior customers and low-income customers, as adopted by the county in its comprehensive solid waste management plan. Expenses and lost revenues as a result of these discounts
must be included in the company's cost of service and recovered in rates to other customers.

NEW SECTION. Sec. 5. Nothing in this act changes or limits the authority of the Washington utilities and transportation commission to regulate collection of solid waste, including curbside collection of residential recyclable materials, nor does this act change or limit the authority of a city or town to provide such service itself or by contract under RCW 81.77.020.

[House Bill 3007]
AIRPORT PROPERTY—RENTAL—PUBLIC USES

AN ACT Relating to authorizing airport operators to make airport property available at less than fair market rental value for public recreational or other community uses; and amending RCW 14.08.120.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 14.08.120 and 2009 c 124 s 1 are each amended to read as follows:

In addition to the general powers conferred in this chapter, and without limitation thereof, a municipality that has established or may hereafter establish airports, restricted landing areas, or other air navigation facilities, or that has acquired or set apart or may hereafter acquire or set apart real property for that purpose or purposes is authorized:

(1) To vest authority for the construction, enlargement, improvement, maintenance, equipment, operation, and regulation thereof in an officer, a board, or body of the municipality by ordinance or resolution that prescribes the powers and duties of the officer, board, or body; and the municipality may also vest authority for industrial and commercial development in a municipal airport commission consisting of at least five resident taxpayers of the municipality to be appointed by the governing board of the municipality by an ordinance or resolution that includes (a) the terms of office, which may not exceed six years and which shall be staggered so that not more than three terms will expire in the same year, (b) the method of appointment and filling vacancies, (c) a provision that there shall be no compensation but may provide for a per diem of not to exceed twenty-five dollars per day plus travel expenses for time spent on commission business, (d) the powers and duties of the commission, and (e) any other matters necessary to the exercise of the powers relating to industrial and commercial development. The expense of the construction, enlargement, improvement, maintenance, equipment, industrial and commercial development, operation, and regulation are the responsibility of the municipality.

(2) To adopt and amend all needed rules, regulations, and ordinances for the management, government, and use of any properties under its control, whether within or outside the territorial limits of the municipality; to provide fire protection for the airport, including the acquisition and operation of fire
protection equipment and facilities, and the right to contract with any private body or political subdivision of the state for the furnishing of such fire protection; to appoint airport guards or police, with full police powers; to fix by ordinance or resolution, as may be appropriate, penalties for the violation of the rules, regulations, and ordinances, and enforce those penalties in the same manner in which penalties prescribed by other rules, regulations, and ordinances of the municipality are enforced. For the purposes of such management and government and direction of public use, that part of all highways, roads, streets, avenues, boulevards, and territory that adjoins the limits of any airport or restricted landing area acquired or maintained under the provisions of this chapter is under like control and management of the municipality. It may also adopt and enact rules, regulations, and ordinances designed to safeguard the public upon or beyond the limits of private airports or landing strips within the municipality or its police jurisdiction against the perils and hazards of instrumentalities used in aerial navigation. Rules, regulations, and ordinances shall be published as provided by general law or the charter of the municipality for the publication of similar rules, regulations, and ordinances. They shall conform to and be consistent with the laws of this state and the rules of the state department of transportation and shall be kept in conformity, as nearly as may be, with the then current federal legislation governing aeronautics and the regulations duly promulgated thereunder and the rules and standards issued from time to time pursuant thereto.

(3) To create a special airport fund, and provide that all receipts from the operation of the airport be deposited in the fund, which fund shall remain intact from year to year and may be pledged to the payment of aviation bonds, or kept for future maintenance, construction, or operation of airports or airport facilities.

(4) To lease airports or other air navigation facilities, or real property acquired or set apart for airport purposes, to private parties, any municipal or state government or the national government, or any department thereof, for operation; to lease or assign to private parties, any municipal or state government or the national government, or any department thereof, for operation or use consistent with the purposes of this chapter, space, area, improvements, or equipment of such airports; to authorize its lessees to construct, alter, repair, or improve the leased premises at the cost of the lessee and to reimburse its lessees for such cost, provided the cost is paid solely out of funds fully collected from the airport's tenants; to sell any part of such airports, other air navigation facilities or real property to any municipal or state government, or to the United States or any department or instrumentality thereof, for aeronautical purposes or purposes incidental thereto, and to confer the privileges of concessions of supplying upon its airports goods, commodities, things, services, and facilities: PROVIDED, That in each case in so doing the public is not deprived of its rightful, equal, and uniform use thereof.

(5) Acting through its governing body, to sell or lease any property, real or personal, acquired for airport purposes and belonging to the municipality, which, in the judgment of its governing body, may not be required for aircraft landings, aircraft takeoffs or related aeronautic purposes, in accordance with the laws of this state, or the provisions of the charter of the municipality, governing the sale or leasing of similar municipally owned property. The municipal airport commission, if one has been organized and appointed under subsection (1) of
this section, may lease any airport property for aircraft landings, aircraft takeoffs, or related aeronautic purposes. If there is a finding by the governing body of the municipality that any airport property, real or personal, is not required for aircraft landings, aircraft takeoffs, or related aeronautic purposes, then the municipal airport commission may lease such space, land, area, or improvements, or construct improvements, or take leases back for financing purposes, grant concessions on such space, land, area, or improvements, all for industrial or commercial purposes, by private negotiation and under such terms and conditions that seem just and proper to the municipal airport commission. Any such lease of real property for aircraft manufacturing or aircraft industrial purposes or to any manufacturer of aircraft or aircraft parts or for any other business, manufacturing, or industrial purpose or operation relating to, identified with, or in any way dependent upon the use, operation, or maintenance of the airport, or for any commercial or industrial purpose may be made for any period not to exceed seventy-five years, but any such lease of real property made for a longer period than ten years shall contain provisions requiring the municipality and the lessee to permit the rentals for each five-year period thereafter, to be readjusted at the commencement of each such period if written request for readjustment is given by either party to the other at least thirty days before the commencement of the five-year period for which the readjustment is requested. If the parties cannot agree upon the rentals for the five-year period, they shall submit to have the disputed rentals for the period adjusted by arbitration. The lessee shall pick one arbitrator, and the governing body of the municipality shall pick one, and the two so chosen shall select a third. After a review of all pertinent facts the board of arbitrators may increase or decrease such rentals or continue the previous rate thereof.

The proceeds of the sale of any property the purchase price of which was obtained by the sale of bonds shall be deposited in the bond sinking fund. If all the proceeds of the sale are not needed to pay the principal of bonds remaining unpaid, the remainder shall be paid into the airport fund of the municipality. The proceeds of sales of property the purchase price of which was paid from appropriations of tax funds shall be paid into the airport fund of the municipality.

(6) To determine the charges or rental for the use of any properties under its control and the charges for any services or accommodations, and the terms and conditions under which such properties may be used: PROVIDED, That in all cases the public is not deprived of its rightful, equal, and uniform use of the property. Charges shall be reasonable and uniform for the same class of service and established with due regard to the property and improvements used and the expense of operation to the municipality. The municipality shall have and may enforce liens, as provided by law for liens and enforcement thereof, for repairs to or improvement or storage or care of any personal property, to enforce the payment of any such charges.

(7) To impose a customer facility charge upon customers of rental car companies accessing the airport for the purposes of financing, designing, constructing, operating, and maintaining consolidated rental car facilities and common use transportation equipment and facilities which are used to transport the customer between the consolidated car rental facilities and other airport facilities. The airport operator may require the rental car companies to collect the facility charges, and any facility charges so collected shall be deposited in a
trust account for the benefit of the airport operator and remitted at the direction of the airport operator, but no more often than once per month. The charge shall be calculated on a per-day basis. Facility charges may not exceed the reasonable costs of financing, designing, constructing, operating, and maintaining the consolidated car rental facilities and common use transportation equipment and facilities and may not be used for any other purpose. For the purposes of this subsection (7), if an airport operator makes use of its own funds to finance the consolidated rental car facilities and common use transportation equipment and facilities, the airport operator (a) is entitled to earn a rate of return on such funds no greater than the interest rate that the airport operator would pay to finance such facilities in the appropriate capital market, provided that the airport operator establish the rate of return in consultation with the rental car companies, and (b) may use the funds earned under (a) of this subsection for purposes other than those associated with the consolidated rental car facilities and common use transportation equipment and facilities.

(8) To make airport property available for less than fair market rental value under very limited conditions provided that prior to the lease or contract authorizing such use the airport operator's board, commission, or council has (a) adopted a policy that establishes that such lease or other contract enhances the public acceptance of the airport and serves the airport's business interest and (b) adopted procedures for approval of such lease or other contract.

(9) If the airport operator has adopted the policy and procedures under subsection (8) of this section, to lease or license the use of property belonging to the municipality and acquired for airport purposes at less than fair market rental value as long as the municipality's council, board, or commission finds that the following conditions are met:

(a) The lease or license of the subject property enhances public acceptance of the airport in a community in the immediate area of the airport;

(b) The subject property is put to a desired public recreational or other community use by the community in the immediate area of the airport;

(c) The desired community use and the community goodwill that would be generated by such community use serves the business interest of the airport in ways that can be articulated and demonstrated;

(d) The desired community use does not adversely affect the capacity, security, safety, or operations of the airport;

(e) At the time the community use is contemplated, the subject property is not reasonably expected to be used by an aeronautical tenant or otherwise be needed for airport operations in the foreseeable future;

(f) At the time the community use is contemplated, the subject property would not reasonably be expected to produce more than de minimus revenue;

(g) If the subject property can be reasonably expected to produce more than de minimus revenue, the community use is permitted only where the revenue to be earned from the community use would approximate the revenue that could be generated by an alternate use;

(h) Leases for community use must not preclude reuse of the subject property for airport purposes if, in the opinion of the airport owner, reuse of the subject property would provide greater benefits to the airport than continuation of the community use;
(i) The airport owner ensures that airport revenue does not support the capital or operating costs associated with the community use;

(j) The lease or other contract for community use is not to a for-profit organization or for the benefit of private individuals;

(k) The lease or other contract for community use is subject to the requirement that if the term of the lease is for a period that exceeds ten years, the lease must contain a provision allowing for a readjustment of the rent every five years after the initial ten-year term;

(l) The lease or other contract for community use is subject to the requirement that the term of the lease must not exceed fifty years; and

(m) The lease or other contract for community use is subject to the requirement that if the term of the lease exceeds one year, the lease or other contract obligations must be secured by rental insurance, bond, or other security satisfactory to the municipality's board, council, or commission in an amount equal to at least one year's rent, or as consistent with chapter 53.08 RCW. However, the municipality's board, council, or commission may waive the rent security requirement or lower the amount of the rent security requirement for good cause.

(10) To exercise all powers necessarily incidental to the exercise of the general and special powers granted in this section.

CHAPTER 158
[Substitute House Bill 2745]
STATE LEAD-BASED PAINT PROGRAM—RENOVATION ACTIVITIES

AN ACT Relating to including renovation activities as defined in the environmental protection agency's renovation, repair, and painting rule in the lead-based paint program; and amending RCW 70.103.010, 70.103.020, 70.103.030, 70.103.040, 70.103.050, 70.103.080, and 70.103.090.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 70.103.010 and 2003 c 322 s 1 are each amended to read as follows:

(1) The legislature finds that lead hazards associated with lead-based paint represent a significant and preventable environmental health problem. Lead-based paint is the most widespread of the various sources of lead exposure to the public. Census data show that one million five hundred sixty thousand homes in Washington state were built prior to 1978 when the sale of residential lead-based paint was banned. These are homes that are believed to contain some lead-based paint.

Lead negatively affects every system of the body. It is harmful to individuals of all ages and is especially harmful to children, fetuses, and adults of childbearing age. The effects of lead on a child's cognitive, behavioral, and developmental abilities may necessitate large expenditures of public funds for health care and special education. The irreversible damage to children and subsequent expenditures could be avoided if exposure to lead is reduced.

(2) The federal government regulates lead poisoning and lead hazard reduction through:

(a)(i) The lead-based paint poisoning prevention act;
(ii) The lead contamination control act;
(iii) The safe drinking water act;
(iv) The resource conservation and recovery act of 1976; and
(v) The residential lead-based paint hazard reduction act of 1992; and
(b) Implementing regulations of:
(i) The environmental protection agency;
(ii) The department of housing and urban development;
(iii) The occupational safety and health administration; and
(iv) The centers for disease control and prevention.

(3) In 1992, congress passed the federal residential lead-based paint hazard reduction act, which allows states to provide for the accreditation of lead-based paint activities programs, the certification of persons completing such training programs, and the licensing of lead-based paint activities contractors under standards developed by the United States environmental protection agency.

(4) The legislature recognizes the state's need to protect the public from exposure to lead hazards. A qualified and properly trained workforce is needed to assist in the prevention, detection, reduction, and elimination of hazards associated with lead-based paint. The purpose of training workers, supervisors, inspectors, risk assessors, (and) project designers, renovators, and dust sampling technicians engaged in lead-based paint activities is to protect building
occupants, particularly children ages six years and younger from potential lead-based paint hazards and exposures both during and after lead-based paint activities. Qualified and properly trained individuals and firms will help to ensure lead-based paint activities are conducted in a way that protects the health of the citizens of Washington state and safeguards the environment. The state lead-based paint activities program requires that all lead-based paint activities be performed by certified personnel trained by an accredited program, and that all lead-based paint activities meet minimum work practice standards established by the department of commerce. Therefore, the lead-based paint activities accreditation, training, and certification program shall be established in accordance with this chapter. The lead-based paint activities accreditation, training, and certification program shall be administered by the department of commerce and shall be used as a means to assure the protection of the general public from exposure to lead hazards.

(5) For the welfare of the people of the state of Washington, this chapter establishes a lead-based paint activities program within the department of commerce to protect the general public from exposure to lead hazards and to ensure the availability of a trained and qualified workforce to identify and address lead-based paint hazards. The legislature recognizes the department of commerce is not a regulatory agency and may delegate enforcement responsibilities under chapter 322, Laws of 2003 to local governments or private entities.

Sec. 2. RCW 70.103.020 and 2009 c 565 s 49 are each amended to read as follows:

(a) Abatement includes, but is not limited to:

(i) The removal of paint and dust, the permanent enclosure or encapsulation of lead-based paint, the replacement of painted surfaces or fixtures, or the removal or permanent covering of soil, when lead-based paint hazards are present in such paint, dust, or soil; and

(ii) All preparation, cleanup, disposal, and postabatement clearance testing activities associated with such measures.

(b) Specifically, abatement includes, but is not limited to:

(i) Projects for which there is a written contract or other documentation, which provides that an individual or firm will be conducting activities in or to a residential dwelling or child-occupied facility that:

(A) Shall result in the permanent elimination of lead-based paint hazards; or

(B) Are designed to permanently eliminate lead-based paint hazards and are described in (a)(i) and (ii) of this subsection;

(ii) Projects resulting in the permanent elimination of lead-based paint hazards, conducted by certified firms or individuals, unless such projects are covered by (c) of this subsection;

(iii) Projects resulting in the permanent elimination of lead-based paint hazards, conducted by firms or individuals who, through their company name or
promotional literature, represent, advertise, or hold themselves out to be in the business of performing lead-based paint activities as identified and defined by this section, unless such projects are covered by (c) of this subsection; or

(iv) Projects resulting in the permanent elimination of lead-based paint hazards, that are conducted in response to state or local abatement orders.

(c) Abatement does not include renovation, remodeling, landscaping, or other activities, when such activities are not designed to permanently eliminate lead-based paint hazards, but, instead, are designed to repair, restore, or remodel a given structure or dwelling, even though these activities may incidentally result in a reduction or elimination of lead-based paint hazards. Furthermore, abatement does not include interim controls, operations and maintenance activities, or other measures and activities designed to temporarily, but not permanently, reduce lead-based paint hazards.

(2) "Accredited training program" means a training program that has been accredited by the department to provide training for individuals engaged in lead-based paint activities.

"Lead-based paint hazard" means any condition that causes exposure to lead from lead-contaminated dust, lead-contaminated soil, or lead-contaminated paint that is deteriorated or present in accessible surfaces, friction surfaces, or impact surfaces that would result in adverse human health effects as identified by the administrator of the United States environmental protection agency under the toxic substances control act, section 403.

"Person" includes an individual, corporation, firm, partnership, or association, an Indian tribe, state, or political subdivision of a state, and a state department or agency.

"Renovation" means the modification of any existing structure, or portion thereof, that results in the disturbance of painted surfaces, unless that activity is performed as part of an abatement as defined in this section. The term includes but is not limited to:
(a) The removal, modification, or repair of painted surface or painted components;
(b) Modification of painted doors;
(c) Surface restoration;
(d) Window repair;
(e) Surface preparation, such as sanding, scraping, or activities that generate paint dust;

Sec. 1. RCW 43.41.130 and 2009 c 519 s 6 are each amended to read as follows:

(1) The director of financial management, after consultation with other interested or affected state agencies, shall establish overall policies governing the acquisition, operation, management, maintenance, repair, and disposal of all passenger motor vehicles owned or operated by any state agency. These policies shall include but not be limited to a definition of what constitutes authorized use of a state owned or controlled passenger motor vehicle and other motor vehicles on official state business. The definition shall include, but not be limited to, the use of state-owned motor vehicles for commuter ride sharing so long as the entire capital depreciation and operational expense of the commuter ride-sharing arrangement is paid by the commuters. Any use other than such defined use shall be considered as personal use.

(2) (a) By June 15, 2010, the director of the department of general administration, in consultation with the office and other interested or affected state agencies, shall develop strategies to assist state agencies in reducing fuel consumption and emissions from all classes of vehicles.

(b) In an effort to achieve lower overall emissions for all classes of vehicles, state agencies should, when financially comparable over the vehicle's useful life, consider purchasing or converting to ultra-low carbon fuel vehicles.

(3) State agencies shall phase in fuel economy standards for motor pools and leased petroleum-based fuel vehicles to achieve an average fuel economy standard of thirty-six miles per gallon for passenger vehicle fleets by 2015;

(4) Achieve an average fuel economy of forty miles per gallon for light duty passenger vehicles purchased after June 15, 2010; and
(3) Achieve an average fuel economy standard of twenty-seven miles per gallon for light duty vans and sport utility vehicles purchased after June 15, 2010).

      (i) Achieve an average fuel economy of forty miles per gallon for light duty passenger vehicles; and (ii) achieve an average fuel economy of twenty-seven miles per gallon for light duty vans and sports utility vehicles; or
   (b) Purchase ultra-low carbon fuel vehicles.

(5) State agencies must report annually on the progress made to achieve the goals under subsections ((1) through) (3) and (4) of this section beginning October 31, 2011.

(6) The department of general administration, in consultation with the office and other affected or interested agencies, shall develop a separate fleet fuel economy standard for all other classes of petroleum-based fuel vehicles and report the progress made toward meeting the fuel consumption and emissions goals established by this section to the governor and the relevant legislative committees by December 1, 2012.

   (For the purposes of this section, light duty vehicles refers to cars, sport utility vehicles, and passenger vans.)

(7) The following vehicles are excluded from the ((agency fleet)) average fuel economy ((calculation)) goals established in subsections (3) and (4) of this section: Emergency response vehicles, passenger vans with a gross vehicle weight of eight thousand five hundred pounds or greater, vehicles that are purchased for off-pavement use, ultra-low carbon fuel vehicles, and vehicles that are driven less than two thousand miles per year.

(8) Average fuel economy calculations used under this section for petroleum-based fuel vehicles must be based upon the current United States environmental protection agency composite city and highway mile per gallon rating.

(9) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.
   (a) "Petroleum-based fuel vehicle" means a vehicle that uses, as a fuel source, more than ten percent gasoline or diesel fuel.

AN ACT Relating to a farm internship program; amending RCW 49.46.010; adding a new section to chapter 49.12 RCW; adding a new section to chapter 51.16 RCW; adding a new section to chapter 50.04 RCW; creating a new section; and providing an expiration date.

Be it enacted by the Legislature of the State of Washington:
NEW SECTION. Sec. 1. A new section is added to chapter 49.12 RCW to read as follows:

(1) The director shall establish a farm internship pilot project until December 1, 2011, for the employment of farm interns on small farms under special certificates at wages, if any, as authorized by the department and subject to such limitations as to time, number, proportion, and length of service as provided in this section and as prescribed by the department. The pilot project shall consist of two counties, one a county consisting entirely of islands with fewer than fifty thousand residents and one a county that is bordered by the crest of the Cascade mountain range and salt waters with fewer than one hundred fifty thousand residents.

(2) A small farm may employ no more than three interns per year under this section.

(3) A small farm must apply for a special certificate on a form made available by the director. The application must set forth: The name of the farm and a description of the farm seeking the certificate; the type of work to be performed by a farm intern; a description of the internship program; the period of time for which the certificate is sought and the duration of an internship; the number of farm interns for which a special certificate is sought; the wages, if any, that will be paid to the farm intern; any room and board, stipends, and other remuneration the farm will provide to a farm intern; and the total number of workers employed by the farm.

(4) Upon receipt of an application, the department shall review the application and issue a special certificate to the requesting farm within fifteen days if the department finds that:

(a) The farm qualifies as a small farm;

(b) There have been no serious violations of chapter 49.46 RCW or Title 51 RCW that provide reasonable grounds to believe that the terms of an internship agreement may not be complied with;

(c) The issuance of a certificate will not create unfair competitive labor cost advantages nor have the effect of impairing or depressing wage or working standards established for experienced workers for work of a like or comparable character in the industry or occupation at which the intern is to be employed;

(d) A farm intern will not displace an experienced worker; and

(e) The farm demonstrates that the interns will perform work for the farm under an internship program that: (i) Provides a curriculum of learning modules and supervised participation in farm work activities designed to teach farm interns about farming practices and farm enterprises; (ii) is based on the bona fide curriculum of an educational or vocational institution; and (iii) is reasonably designed to provide the intern with vocational knowledge and skills about farming practices and enterprises. In assessing an internship program, the department may consult with relevant college and university departments and extension programs and state and local government agencies involved in the regulation or development of agriculture.

(5) A special certificate issued under this section must specify the terms and conditions under which it is issued, including: The name of the farm; the duration of the special certificate allowing the employment of farm interns and the duration of an internship; the total number of interns authorized under the special certificate; the authorized wage rate, if any; and any room and board,
stipends, and other remuneration the farm will provide to the farm intern. A farm worker may be paid at wages specified in the certificate only during the effective period of the certificate and for the duration of the internship.

(6) If the department denies an application for a special certificate, notice of denial must be mailed to the farm. The farm listed on the application may, within fifteen days after notice of such action has been mailed, file with the director a petition for review of the denial, setting forth grounds for seeking such a review. If reasonable grounds exist, the director or the director's authorized representative may grant such a review and, to the extent deemed appropriate, afford all interested persons an opportunity to be heard on such review.

(7) Before employing a farm intern, a farm must submit a statement on a form made available by the director stating that the farm understands: The requirements of the industrial welfare act, chapter 49.12 RCW, that apply to farm interns; that the farm must pay workers’ compensation premiums in the assigned intern risk class and must pay workers’ compensation premiums for nonintern work hours in the applicable risk class; and that if the farm does not comply with subsection (8) of this section, the director may revoke the special certificate.

(8) The director may revoke a special certificate issued under this section if a farm fails to: Comply with the requirements of the industrial welfare act, chapter 49.12 RCW, that apply to farm interns; pay workers’ compensation premiums in the assigned intern risk class; or pay workers’ compensation premiums in the applicable risk class for nonintern work hours.

(9) Before the start of a farm internship, the farm and the intern must sign a written agreement and send a copy of the agreement to the department. The written agreement must, at a minimum:

(a) Describe the internship program offered by the farm, including the skills and objectives the program is designed to teach and the manner in which those skills and objectives will be taught;

(b) Explicitly state that the intern is not entitled to minimum wages for work and activities conducted pursuant to the internship program for the duration of the internship;

(d) Describe the activities of the farm and the type of work to be performed by the farm intern; and

*Sec. 5 was vetoed. See message at end of chapter.*

NEW SECTION. Sec. 6. This act expires December 31, 2011.

Passed by the Senate March 9, 2010.

Approved by the Governor March 22, 2010, with the exception of certain items that were vetoed.

Filed in Office of Secretary of State March 22, 2010.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to Section 5, Substitute Senate Bill 6349 entitled:

"AN ACT Relating to a farm internship program."

This bill provides a structure for agricultural education with oversight from the Department of Labor and Industries. Section 5 provides that appropriations made for purposes of this act must be from the state general fund. The Legislature can determine through the appropriation process how to fund this program, and does not require a separate statutory provision to determine how to fund the program. This bill creates the program in the Department of Labor and Industries and therefore appropriations made for purposes of this act should be from the departments funds dedicated to that purpose.

For this reason I have vetoed Section 5 of Substitute Senate Bill 6349.

With the exception of Section 5, Substitute Senate Bill 6349 is approved."
