"NEW SECTION. Sec. 1. The legislature finds that low-income youth are not only at higher risk of dropping out of school, they are also less likely to have dependable access to sufficient and nutritious food. Innovative partnerships between community-based organizations, schools, food banks, and farms or gardens offer promise to address both dropout prevention and food security for such youth, as well as enhancing health and nutrition in the surrounding community. These types of partnerships should be supported as pilot projects and carefully evaluated to assure that desired outcomes are met and to identify opportunities for expansion and replication in other parts of the state.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.630 RCW to read as follows:

(1) The dropout prevention through farm engagement pilot project is established for a three-year period beginning in the 2013-14 school year.

(2) The office of the superintendent of public instruction shall select two pilot projects from school districts that agree to partner with community-based organizations, food banks, and farms or gardens to establish an alternative high school program targeted primarily to at-risk youth as provided in subsection (3) of this section. One of the selected projects must be a currently operating program with a record of success in engaging low-income and disengaged youth. The second selected project must create a new program in a different community. One of the projects must be selected from east of the crest of the Cascade mountains and one must be selected from west of the crest of the Cascade mountains. The selected projects must operate near farm-related activities and may include partnerships with farm-oriented student clubs and organizations. Participating in this pilot project may be incorporated into a student's culminating project to meet any community service requirements.

(3) Dropout prevention through farm engagement pilot projects must have the following characteristics:

(a) Primarily target low-income and disengaged youth who have dropped out or are at risk of dropping out of high school;

(b) Provide participating youth with opportunities for community service such as building food gardens for low-income families and work-based learning and employment training during the school year and during the summer through a farm or garden program;

(c) Provide participating youth with opportunities to earn core credits and elective credits toward high school graduation, including but not limited to science, health, and career and technical education credits;

(d) Offer youth development support and services to participating youth including social emotional learning, counseling, leadership training, and career and college guidance; and

(e) Improve food security for participating youth and the community through the farm or garden program.

(4) For each annual average full-time equivalent student enrolled in the pilot project, including enrollment during the summer months, the participating school district shall receive a basic education allocation as calculated under RCW 28A.150.260 and the omnibus appropriations act for a skill center student. The allocation under this subsection does not apply to a student's enrollment in courses of study that are not part of the pilot project. The allocations provided for the pilot project based on the basic education allocation as calculated under RCW 28A.150.260 and the omnibus appropriations act for a skills center student may not be used to provide participating youth with stipends. No funds from levies under RCW 84.52.0531 may be used to provide participating youth with stipends. Any stipends that are provided to participating youth through other funds must be prorated based on attendance, and youth who are absent for a day may not receive any stipend amount for that day.

(5) The purpose of the dropout prevention through farm engagement pilot project is to measure the effectiveness and cost-benefit of a particular alternative high school program on improving outcomes for at-risk youth. The office of the superintendent of public instruction shall conduct a rigorous evaluation after the pilot projects have been operating for two years, including analysis of a statistical comparison group of students who did not participate in the project. The office shall submit the evaluation results to the education committees of the legislature by December 1, 2015, including recommendations for whether the pilot projects should be continued or replicated in other parts of the state.

(6) Outcomes to be measured under the pilot project include:

(a) Student GPA overall and in science;

(b) Number of earned credits in core courses and elective courses;

(c) Incidence of discipline issues;

(d) School attendance rates;

- (e) High school graduation and GED attainment;
 - (f) Student health and nutrition;
 - (g) Acreage used for fresh produce;
 - (h) Volume of produce produced and made available to students, families, school district food programs, and community food banks; and

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 49.48.086 and 2010 c 42 s 4 are each amended to read as follows:

(1) After a final order is issued under RCW 49.48.084, if an employer defaults in the payment of: (a) Any wages determined by the department to be owed to an employee, including interest; or (b) any civil penalty ordered by the department under RCW 49.48.083, the director may file with the clerk of any county within the state a warrant in the amount of the payment plus any filing fees. The clerk of the county in which the warrant is filed shall immediately designate a superior court cause number for the warrant, and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of the employer mentioned in the warrant, the amount of payment due on it plus any filing fees, and the date when the warrant was filed. The aggregate amount of the warrant as docketed becomes a lien upon the title to, and interest in, all real and personal property of the employer against whom the warrant is issued, the same as a judgment in a civil case docketed in the office of the clerk. The sheriff shall proceed upon the warrant in all respects and with like effect as prescribed by law with respect to execution or other process issued against rights or property upon judgment in a court of competent jurisdiction. The warrant so docketed is sufficient to support the issuance of writs of garnishment in favor of the state in a manner provided by law in case of judgment, wholly or partially unsatisfied. The clerk of the court is entitled to a filing fee which will be added to the amount of the warrant. A copy of the warrant shall be mailed to the employer within three days of filing with the clerk.

(2)(a) The director may issue to any person, firm, corporation, other entity, municipal corporation, political subdivision of the state, a public corporation, or any agency of the state, a notice and order to withhold and deliver property of any kind when he or she has reason to believe that there is in the possession of the person, firm, corporation, other entity, municipal corporation, political subdivision of the state, public corporation, or agency of the state, property that is or will become due, owing, or belonging to an employer upon whom a notice of assessment has been served by the department for payments or civil penalties due to the department. The effect of a notice and order is continuous from the date the notice and order is first made until the liability out of which the notice and order arose is satisfied or becomes unenforceable because of lapse of time. The department shall release the notice and order when the liability out of which the notice and order arose is satisfied or becomes unenforceable by reason of lapse of time and shall notify the person against whom the notice and order was made that the notice and order has been released.

(b) The notice and order to withhold and deliver must be served by the sheriff of the county or by the sheriff's deputy, by certified mail, return receipt requested, or by the director. A person, firm, corporation, other entity, municipal corporation, political subdivision of the state, public corporation, or agency of the state upon whom

service has been made shall answer the notice within twenty days exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired of in the notice and order. Upon service of the notice and order, if the party served possesses any property that may be subject to the claim of the department, the party shall promptly deliver the property to the director. The director shall hold the property in trust for application on the employer's indebtedness to the department, or for return without interest, in accordance with a final determination of a petition for review. In the alternative, the party shall furnish a good and sufficient surety bond satisfactory to the director conditioned upon final determination of liability. If a party served and named in the notice fails to answer the notice within the time prescribed in this section, the court may render judgment by default against the party for the full amount claimed by the director in the notice, together with costs. If a notice is served upon an employer and the property subject to it is wages, the employer may assert in the answer all exemptions provided for by chapter 6.27 RCW to which the wage earner is entitled.

(c) As an alternative to the methods of service described in this section, the department may electronically serve a financial institution with a notice and order to withhold and deliver as described in subsection (i) or (ii) of this subsection (c).

(i) The department may provide a list of its outstanding warrants, except those for which a payment agreement is in good standing, to the department of revenue. The department of revenue shall include the warrants provided by the department in any notice and order to withhold and deliver served under RCW 82.32.235(3). A financial institution that is served with a notice and order to withhold and deliver under this subsection (c)(i) must answer the notice within the time period applicable to service under RCW 82.32.235(3).

(ii) The department may match its outstanding warrants, except those for which a payment is in good standing, against deposit accounts held by financial institutions registered in Washington by using the same format and process as the department of revenue uses for electronic service of a notice and order to withhold and deliver under RCW 82.32.235(3). A financial institution that is served with a notice and order to withhold and deliver under this subsection (c)(ii) must answer the notice within thirty days, exclusive of the day of service.

(iii) The department and the department of revenue may adopt rules to implement this subsection (c).

(3) In addition to the procedure for collection of wages owed, including interest, and civil penalties as set forth in this section, the department may recover wages owed, including interest, and civil penalties assessed under RCW 49.48.083 in a civil action brought in a court of competent jurisdiction of the county where the violation is alleged to have occurred.

(4) Whenever any employer quits business, sells out, exchanges, or otherwise disposes of the employer's business or stock of goods, any person who becomes a successor to the business becomes liable for the full amount of any outstanding citation and notice of assessment or penalty against the employer's business under this chapter if, at the time of the conveyance of the business, the successor has: (a) Actual knowledge of the fact and amount of the outstanding citation and notice of assessment or (b) a prompt, reasonable, and effective means of accessing and verifying the fact and amount of the outstanding citation and notice of assessment from the department. If the citation and notice of assessment or penalty is not paid in full by the employer within ten days of the date of the sale, exchange, or disposal, the successor is liable for the payment of the full amount of the citation and notice of assessment or penalty, and payment thereof by the successor must, to the extent thereof, be deemed a payment upon the purchase price. If the payment is greater in amount than the purchase price, the amount of the difference becomes a debt due the successor from the employer.

(5) This section does not affect other collection remedies that are otherwise provided by law.

Sec. 2. RCW 82.32.235 and 2009 c 562 s 1 are each amended to read as follows:

(1) In addition to the remedies provided in this chapter the department is authorized to issue to any person, a notice and order to withhold and deliver property of any kind whatsoever when there is reason to believe that there is in the possession of such person, property which is or will become due, owing, or belonging to any taxpayer against whom a warrant has been filed.

(2) The sheriff of the county where the service is made, or his or her deputy, or any duly authorized representative of the department may personally serve the notice and order to withhold and deliver upon the person to whom it is directed or may do so by certified mail, with return receipt requested.

(3)(a) The department is authorized to issue a notice and order to withhold and deliver to any financial institution in the form of a listing of all or a portion of the unsatisfied tax warrants filed under this chapter and outstanding warrants under RCW 49.48.086 with the clerk of the superior court of a county of the state, except tax warrants subject to a payment agreement, which is not in default, between the department and the taxpayer.

(b) As an alternative to the methods of service in subsection (2) of this section, the department may serve the notice and order to withhold and deliver authorized under this subsection electronically. The remedy in this subsection (3) is in addition to any other remedies authorized by law.

(c) No more than one notice and order to withhold and deliver under this subsection (3) may be served on the same financial institution in a calendar month.

(d) Notice and order to withhold and deliver under this subsection (3) must include the federal taxpayer identification number of each taxpayer.

(e) For purposes of this subsection, "financial institution" means a bank, trust company, mutual savings bank, savings and loan association, or credit union authorized to do business and accept deposits in this state under state or federal law.

(f) The department may provide a financial institution relief from a notice and order to withhold and deliver in the form provided under this subsection (3) upon the request of the financial institution. The department must consider the size, customer base, and geographic location of the financial institution when considering whether to provide relief. The department must serve any financial institution so relieved under subsection (1) of this section.

(4) Any person who has been served with a notice and order to withhold and deliver under subsection (1) of this section must answer the notice within twenty days, exclusive of the day of service. Any person who has been served with a notice and order to withhold and deliver under subsection (3) of this section must answer the notice within thirty days, exclusive of the day of service. The answer must be in writing, under oath if required by the department, and include true answers to the matters inquired of in the notice. Any person served under subsection (3) of this section may answer in aggregate within thirty days, but must answer separately as to each taxpayer listed and specify any property by taxpayer which is delivered. The department must allow any person served electronically under subsection (3) of this section to answer the notice and order to withhold and deliver electronically in a format provided or approved by the department.

(5) In the event there is in the possession of any person served with a notice and order to withhold and deliver, any property which may be subject to the claim of the department, such property must be delivered immediately to the department of revenue or its duly authorized representative upon demand. The department must hold the property in trust for application on the indebtedness involved or for return, without interest, in accordance with final determination of

liability or nonliability. Instead of delivering the property to the department or the department's duly authorized representative, the person may furnish a bond satisfactory to the department conditioned upon final determination of liability.

(6) Should any person, having been served with a notice and order to withhold and deliver, fail to answer the notice and order to withhold and deliver within the time prescribed in this section or otherwise fail to comply with the duties imposed in this section, the department may bring a proceeding, in the superior court of Thurston county or of the county in which service of the notice was made, to enforce the notice and order to withhold and deliver. The court may render judgment by default against such person for the full amount claimed by the department in the notice and order to withhold and deliver or may grant such other relief as the court deems just, together with costs.

(7) For purposes of this section, "person" has the same meaning as in RCW 82.04.030 and also includes any agency, department, or institution of the state."

Representative Orwall moved the adoption of amendment (141).

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature recognizes that persons convicted and imprisoned for crimes they did not commit have been uniquely victimized. Having suffered tremendous injustice by being stripped of their lives and liberty, they are forced to endure imprisonment and are later stigmatized as felons. A majority of those wrongly convicted in Washington state have no remedy available under the law for the destruction of their personal lives resulting from errors in our criminal justice system. The legislature intends to provide an avenue for those who have been wrongly convicted in Washington state to redress the lost years of their lives, and help to address the unique challenges faced by the wrongly convicted after exoneration.

NEW SECTION. Sec. 2. (1) Any person convicted in superior court and subsequently imprisoned for one or more felonies of which he or she is actually innocent may file a claim for compensation against the state.

(2) For purposes of this chapter, a person is:

(a) "Actually innocent" of a felony if he or she did not engage in any illegal conduct alleged in the charging documents; and

(b) "Wrongly convicted" if he or she was charged, convicted, and imprisoned for one or more felonies of which he or she is actually innocent.

(3)(a) If the person entitled to file a claim under subsection (1) of this section is incapacitated and incapable of filing the claim, or if he or she is a minor, or is a nonresident of the state, the claim may be filed on behalf of the claimant by an authorized agent.

(b) A claim filed under this chapter survives to the personal representative of the claimant as provided in RCW 4.20.046.

NEW SECTION. Sec. 3. (1) All claims under this chapter must be filed in superior court. The venue for such actions is governed by RCW 4.12.020.

(2) Service of the summons and complaint is governed by RCW 4.28.080.

NEW SECTION. Sec. 4. (1) In order to file an actionable claim for compensation under this act, the claimant must establish by documentary evidence that:

(a) The claimant has been convicted of one or more felonies in superior court and subsequently sentenced to a term of imprisonment, and has served all or part of the sentence;

(b)(i) The claimant is not currently incarcerated for any offense; and

(ii) During the period of confinement for which the claimant is seeking compensation, the claimant was not serving a term of imprisonment or a concurrent sentence for any crime other than the felony or felonies that are the basis for the claim;

(c)(i) The claimant has been pardoned on grounds consistent with innocence for the felony or felonies that are the basis for the claim; or

(ii) The claimant's judgment of conviction was reversed or vacated and the charging document dismissed on the basis of significant new exculpatory information or, if a new trial was ordered pursuant to the presentation of significant new exculpatory information, either the claimant was found not guilty at the new trial or the claimant was not retried and the charging document dismissed; and

(d) The claim is not time barred by section 9 of this act.

(2) In addition to the requirements in subsection (1) of this section, the claimant shall state facts in sufficient detail for the finder of fact to determine that:

(a) The claimant did not engage in any illegal conduct alleged in the charging documents; and

(b) The claimant did not commit or suborn perjury, or fabricate evidence to cause or bring about the conviction. A guilty plea to a crime the claimant did not commit, or a confession that is later determined by a court to be false, does not automatically constitute perjury or fabricated evidence under this subsection.

(3) Convictions vacated, overturned, or subject to resentencing pursuant to *In re: Personal Detention of Andress*, 147 Wn.2d 602 (2002) may not serve as the basis for a claim under this chapter unless the claimant otherwise satisfies the qualifying criteria set forth in section 2 of this act and this section.

(4) The claimant shall verify the claim unless he or she is incapacitated, in which case the personal representative or agent filing on behalf of the claimant shall verify the claim.

(5) If the attorney general concedes that the claimant was wrongly convicted, the court shall award compensation as provided in section 6 of this act.

(6)(a) If the attorney general does not concede that the claimant was wrongly convicted and the court finds after reading the claim that the claimant does not meet the filing criteria set forth in this section, it may dismiss the claim, either on its own motion or on the motion of the attorney general.

(b) If the court dismisses the claim, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law.

NEW SECTION. Sec. 5. Any party is entitled to the rights of appeal afforded parties in a civil action following a decision on such motions. In the case of dismissal of a claim, review of the superior court action is de novo.

NEW SECTION. Sec. 6. (1) In order to obtain a judgment in his or her favor, the claimant must show by clear and convincing evidence that:

(a) The claimant was convicted of one or more felonies in superior court and subsequently sentenced to a term of imprisonment, and has served all or any part of the sentence;

(b)(i) The claimant is not currently incarcerated for any offense; and

(ii) During the period of confinement for which the claimant is seeking compensation, the claimant was not serving a term of imprisonment or a concurrent sentence for any conviction other than those that are the basis for the claim;

(c)(i) The claimant has been pardoned on grounds consistent with innocence for the felony or felonies that are the basis for the claim; or

(ii) The claimant's judgment of conviction was reversed or vacated and the charging document dismissed on the basis of significant new exculpatory information or, if a new trial was ordered pursuant to the presentation of significant new exculpatory information, either the claimant was found not guilty at the new trial or the claimant was not retried and the charging document dismissed;

(d) The claimant did not engage in any illegal conduct alleged in the charging documents; and

(e) The claimant did not commit or suborn perjury, or fabricate evidence to cause or bring about his or her conviction. A guilty plea to a crime the claimant did not commit, or a confession that is later determined by a court to be false, does not automatically constitute perjury or fabricated evidence under this subsection.

(2) Any pardon or proclamation issued to the claimant must be certified by the officer having lawful custody of the pardon or proclamation, and be affixed with the seal of the office of the governor, or with the official certificate of such officer before it may be offered as evidence.

(3) In exercising its discretion regarding the weight and admissibility of evidence, the court shall give due consideration to difficulties of proof caused by the passage of time or by release of evidence pursuant to a plea, the death or unavailability of witnesses, the destruction of evidence, or other factors not caused by the parties.

(4) The claimant may not be compensated for any period of time in which he or she was serving a term of imprisonment or a concurrent sentence for any conviction other than the felony or felonies that are the basis for the claim.

(5) If the jury or, in the case where the right to a jury is waived, the court finds by clear and convincing evidence that the claimant was wrongly convicted, the court shall order the state to pay the actually innocent claimant the following compensation award, as adjusted for partial years served and to account for inflation from the effective date of this section:

(a) Fifty thousand dollars for each year of actual confinement including time spent awaiting trial and an additional fifty thousand dollars for each year served under a sentence of death pursuant to chapter 10.95 RCW;

(b) Twenty-five thousand dollars for each year served on parole, community custody, or as a registered sex offender pursuant only to the felony or felonies which are grounds for the claim;

(c) Compensation for child support payments owed by the claimant that became due and interest on child support arrearages that accrued while the claimant was in custody on the felony or felonies that are grounds for the compensation claim. The funds must be paid on the claimant's behalf in a lump sum payment to the department of social and health services for disbursement under Title 26 RCW;

(d) Reimbursement for all restitution, assessments, fees, court costs, and all other sums paid by the claimant as required by pretrial orders and the judgment and sentence; and

(e) Attorneys' fees for successfully bringing the wrongful conviction claim calculated at ten percent of the monetary damages awarded under subsection (5)(a) and (b) of this section, plus expenses. However, attorneys' fees and expenses may not exceed seventy-five thousand dollars. These fees may not be deducted from the compensation award due to the claimant and counsel is not entitled to receive additional fees from the client related to the claim. The court may not award any attorneys' fees to the claimant if the claimant fails to prove he or she was wrongly convicted.

(6) The compensation award may not include any punitive damages.

(7) The court may not offset the compensation award by any expenses incurred by the state, the county, or any political subdivision of the state including, but not limited to, expenses incurred to secure the claimant's custody, or to feed, clothe, or provide medical services for the claimant. The court may not offset against the compensation

award the value of any services or reduction in fees for services to be provided to the claimant as part of the award under this section.

(8) The compensation award is not income for tax purposes, except attorneys' fees awarded under subsection (5)(e) of this section.

(9)(a) Upon finding that the claimant was wrongly convicted, the court shall seal the claimant's record of conviction.

(b) Upon request of the claimant, the court may order the claimant's record of conviction vacated if the record has not already been vacated, expunged, or destroyed under court rules. The requirements for vacating records under RCW 9.94A.640 do not apply.

(10) Upon request of the claimant, the court shall refer the claimant to the department of corrections or the department of social and health services for access to reentry services, if available, including but not limited to the community-based transition programs and long-term support programs for education, mentoring, life skills training, assessment, job skills development, mental health and substance abuse treatment.

NEW SECTION. Sec. 7. (1) On or after the effective date of this section, when a court grants judicial relief, such as reversal and vacation of a person's conviction, consistent with the criteria established in section 4 of this act, the court shall provide to the claimant a copy of sections 2 through 11 of this act at the time the relief is granted.

(2) The clemency and pardons board or the indeterminate sentence review board, whichever is applicable, upon issuance of a pardon by the governor on grounds consistent with innocence on or after the effective date of this section, shall provide a copy of sections 2 through 11 of this act to the individual pardoned.

(3) If an individual entitled to receive the information required under this section shows that he or she was not provided with the information, he or she has an additional twelve months, beyond the statute of limitations under section 9 of this act, to bring a claim under this chapter.

NEW SECTION. Sec. 8. (1) Nothing in this chapter precludes any existing remedy available to the claimant related to his or her wrongful conviction and imprisonment.

(2) If a claimant is awarded compensation under this act and receives a tort award related to his or her wrongful conviction and incarceration, the claimant shall reimburse the state for the lesser of:

(a) The amount of the compensation award, excluding the portion awarded pursuant to section 6(5) (c) through (e) of this act; or

(b) The amount received by the claimant under the tort award.

(3) A release dismissal agreement, plea agreement, or any similar agreement whereby a prosecutor's office or an agent acting on its behalf agrees to take or refrain from certain action if the accused individual agrees to forgo legal action against the county, the state of Washington, or any political subdivision, is admissible and should be evaluated in light of all the evidence. However, any such agreement is not dispositive of the question of whether the claimant was wrongly convicted or entitled to compensation under this act.

NEW SECTION. Sec. 9. Except as provided in section 7 of this act, an action for compensation under this chapter must be commenced within three years after the grant of a pardon, the grant of judicial relief and satisfaction of other conditions described in section 2 of this act, or release from custody, whichever is later; provided, however, that any action by the state challenging or appealing the grant of judicial relief or release from custody tolls the three-year period. Any persons meeting the criteria set forth in section 2 of this act who was wrongly convicted before the effective date of this section may commence an action under this chapter within three years after the effective date of this section.

NEW SECTION. Sec. 10. A new section is added to chapter 28B.15 RCW to read as follows:

(1) Subject to the conditions in subsection (2) of this section and the limitations in RCW 28B.15.910, the governing boards of the state

universities, the regional universities, The Evergreen State College, and the community colleges, shall waive all tuition and fees for the following persons:

(a) A wrongly convicted person; and

(b) Any child or stepchild of a wrongly convicted person who was born or became the stepchild of, or was adopted by, the wrongly convicted person before compensation is awarded under section 6 of this act.

(a) A wrongly convicted person must be a Washington domiciliary to be eligible for the tuition waiver.

(b) A child must be a Washington domiciliary ages seventeen through twenty-six years to be eligible for the tuition waiver. A child's marital status does not affect eligibility.

(c) Each recipient's continued participation is subject to the school's satisfactory progress policy.

(d) Tuition waivers for graduate students are not required for those who qualify under subsection (1) of this section but are encouraged.

(e) Recipients who receive a waiver under subsection (1) of this section may attend full time or part time. Total credits earned using the waiver may not exceed two hundred quarter credits, or the equivalent of semester credits.

(3) Private vocational schools and private higher education institutions are encouraged to provide waivers consistent with the terms of this section.

(4) For the purposes of this section:

(a) "Child" means a biological child, stepchild, or adopted child who was born of, became the stepchild of, or was adopted by a wrongly convicted person before compensation is awarded under section 6 of this act.

(b) "Fees" includes all assessments for costs incurred as a condition to a student's full participation in coursework and related activities at an institution of higher education.

(c) "Washington domiciliary" means a person whose true, fixed, and permanent house and place of habitation is the state of Washington. In ascertaining whether a wrongly convicted person or child is domiciled in the state of Washington, public institutions of higher education shall, to the fullest extent possible, rely upon the standards provided in RCW 28B.15.013.

(d) "Wrongly convicted person" means a Washington domiciliary who was awarded damages under section 6 of this act.

NEW SECTION. Sec. 11. A new section is added to chapter 72.09 RCW to read as follows:

When a court refers a person to the department under section 6 of this act as part of the person's award in a wrongful conviction claim, the department shall provide reasonable access to existing reentry programs and services. Nothing in this section requires the department to establish new reentry programs or services.

NEW SECTION. Sec. 12. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 13. Sections 1 through 9 of this act constitute a new chapter in Title 4 RCW."

NEW SECTION. Sec. 1. A new section is added to chapter 43.330 RCW to read as follows:

(1) The legislature finds that every year significant public and private infrastructure investments are made in Washington for the purposes of energy, information networks, water, sewer, and transportation. These investments are critical to contributing towards the nation's economic and national security interests, connecting regions, achieving long-term global competitiveness, and creating equal access to economic opportunity for all the state's citizens.

(2) The legislature further finds that the public and private investments may not be coordinated such that they provide maximum efficiency and effectiveness, and that access to a broader array of information would enable the state to make and manage more informed investment decisions.

(3) Therefore, the legislature intends to direct the use of available maps and available data for the creation and use of digital cross-system infrastructure maps to inform and develop state priorities around economic development and make investment decisions that allow Washington's critical infrastructure to support both state and national interests.

NEW SECTION. Sec. 2. A new section is added to chapter 43.330 RCW to read as follows:

(1) The state energy office and broadband office of the department, the public works board, and the community economic revitalization board, in collaboration with the department of transportation and department of natural resources, and in consultation with other agencies and organizations with expertise in energy, information networks, water, sewer, and transportation, must:

(a) Develop one or more digital layered maps that within economic corridors identify:

(i) Major power facilities and energy infrastructure sites;

(ii) Broadband availability;

(iii) Water and sewer infrastructure; and

(iv) Rail corridors, public highways including waterways, and ports;

(b) Leverage and use available maps, available data, Washington's adopted geographic information systems mapping standards, enterprise infrastructure, web services, and applications, where appropriate; and

(c) Use commercially available, off-the-shelf software for the creation of the maps that meet the following conditions:

(i) The map scale must not allow displays closer than 1:24,000;

(ii) The economic corridors may only identify energy, transportation, water, sewer, and broadband services;

(iii) No geographical coordinates of any features or physical facilities associated with the infrastructure may be identified; and

(iv) Information exempt from disclosure under RCW 42.56.420, including through order or agreement, must not be included.

(2) The department and department of transportation must analyze the maps to identify:

(a) Gaps in infrastructure, including missing, aged and substandard infrastructure, corresponding with economic corridors; and

(b) Priority areas for future investment, based on the ability of the infrastructure to meet the needs of local economies to compete in the regional and global marketplace.

(3) The department and department of transportation must jointly report to the legislature by January 1st of each year, beginning on January 1, 2014, with the infrastructure gaps and investment recommendations.

Sec. 3. RCW 43.330.010 and 2011 c 286 s 4 are each amended to read as follows:

(1) "Associate development organization" means a local economic development nonprofit corporation that is broadly representative of community interests.

(2) "Department" means the department of commerce.

(3) "Director" means the director of the department of commerce.
