#### MESSAGE FROM THE SENATE

April 20, 2017

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1501 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** A new section is added to chapter 9.41 RCW to read as follows:

(1) A dealer shall report to the Washington association of sheriffs and police chiefs information on each instance where the dealer denies an application for the purchase or transfer of a firearm, whether under RCW 9.41.090 or 9.41.113, or the requirements of federal law, as the result of a background check or completed and submitted firearm purchase or transfer application that indicates the applicant is ineligible to possess a firearm under state or federal law. The dealer shall report the denied application information to the Washington association of sheriffs and police chiefs within five days of the denial in a format as prescribed by the Washington association of sheriffs and police chiefs. The reported information must include the identifying information of the applicant, the date of the application and denial of the application, and other information or documents as prescribed by the Washington association of sheriffs and police chiefs. In any case where the purchase or transfer of a firearm is initially denied by the dealer as the result of a background check that indicates the applicant is ineligible to possess a firearm, but the purchase or transfer is subsequently approved, the dealer shall report the subsequent approval to the Washington association of

sheriffs and police chiefs within one day of the approval.

(2) Upon denying an application for the purchase or transfer of a firearm as a result of a background check or completed and submitted firearm purchase or transfer application that indicates the applicant is ineligible to possess a firearm under state or federal law, the dealer shall:

(a) Provide the applicant with a copy of a notice form generated and distributed by the Washington state patrol under section 3(5) of this act, informing denied applicants of their right to appeal the denial; and

(b) Retain the original records of the attempted purchase or transfer of a firearm for a period not less than six years.

**NEW SECTION. Sec. 2.** A new section is added to chapter 36.28A RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the Washington association of sheriffs and police chiefs must create and maintain an electronic portal for a dealer, as defined in RCW 9.41.010, to report the information as required pursuant to section 1 of this act pertaining to persons who have applied for the purchase or transfer of a firearm and were denied as the result of a background check or completed and submitted firearm purchase or transfer application that indicates the applicant is ineligible to possess a firearm under state or federal law.

(2) Upon receipt of information from a dealer pursuant to section 1 of this act that a person originally denied the purchase or transfer of a firearm as the result of a background check that indicates the applicant is ineligible to possess a firearm has subsequently been approved for the purchase or transfer, the Washington association of sheriffs and police chiefs must purge any record of the person's denial in its possession and inform the Washington state patrol and any local law enforcement agency participating in the grant program created in section 6 of this act of the subsequent approval of the purchase or transfer.

(3) Information and records prepared, owned, used, or retained by the Washington state patrol or the Washington association of sheriffs and police chiefs pursuant to

this act are exempt from public inspection and copying under chapter 42.56 RCW.

(4) The Washington association of sheriffs and police chiefs must destroy the information and data reported by a dealer pursuant to this act upon its satisfaction that the information and data is no longer necessary to carry out its duties pursuant to this act.

**NEW SECTION. Sec. 3.** A new section is added to chapter 43.43 RCW to read as follows:

(1) Upon receipt of the information from the Washington association of sheriffs and police chiefs pursuant to section 2 of this act, the Washington state patrol must incorporate the information into its electronic database accessible to law enforcement agencies and officers, including federally recognized Indian tribes, that have a connection to the Washington state patrol electronic database.

(2) Upon receipt of documentation that a person has appealed a background check denial, the Washington state patrol shall immediately remove the record of the person initially reported pursuant to section 2 of this act from its electronic database accessible to law enforcement agencies and officers. The Washington state patrol must keep a separate record of the person's information for a period of one year or until such time as the appeal has been resolved. Every twelve months, the Washington state patrol shall notify the person that the person must provide documentation that his or her appeal is still pending or the record of the person's background check denial will be put back in its electronic database accessible to law enforcement agencies and officers. At any time, upon receipt of documentation that a person's appeal has been granted, the Washington state patrol shall remove any record of the person's denied firearms purchase or transfer application from its electronic database accessible to law enforcement agencies and officers.

(3) Upon receipt of satisfactory proof that a person who was reported to the Washington state patrol pursuant to section 2 of this act is no longer ineligible to possess a firearm under state or federal law, the Washington state patrol must remove any record of the person's denied firearms purchase or transfer application from its electronic

database accessible to law enforcement agencies and officers.

(4) Upon receipt of notification from the Washington association of sheriffs and police chiefs that a person originally denied the purchase or transfer of a firearm as the result of a background check or completed and submitted firearm purchase or transfer application that indicates the applicant is ineligible to possess a firearm under state or federal law has subsequently been approved for the purchase or transfer, the Washington state patrol must remove any record of the person's denied firearms purchase or transfer application from its electronic database accessible to law enforcement agencies and officers within five business days.

(5) The Washington state patrol shall generate and distribute a notice form to all firearm dealers, to be provided by the dealers to applicants denied the purchase or transfer of a firearm as a result of a background check that indicates the applicant is ineligible to possess a firearm. The notice form must contain the following statements:

State law requires that I transmit the following information to the Washington association of sheriffs and police chiefs as a result of your firearm purchase or transfer denial within two days of the denial:

(a) Identifying information of the applicant;

(b) The date of the application and denial of the application;

(c) Other information as prescribed by the Washington association of sheriffs and police chiefs.

If you believe this denial is in error, and you do not exercise your right to appeal, you may be subject to criminal investigation by the Washington state patrol and/or a local law enforcement agency.

The notice form shall also contain information directing the applicant to a web site describing the process of appealing a national instant criminal background check system denial through the federal bureau of investigation and refer the applicant to local law enforcement for information on a denial based on a state background check. The notice form shall also contain a phone number for a contact

at the Washington state patrol to direct the person to resources regarding an individual's right to appeal a background check denial.

(6) The Washington state patrol may adopt rules as are necessary to carry out the purposes of this section.

Subject to the availability of amounts appropriated for this specific purpose, the Washington association of sheriffs and police chiefs shall prepare an annual report on the number of denied firearms sales or transfers reported pursuant to this act. The report shall indicate the number of cases in which a person was denied a firearms sale or transfer, the number of cases where the denied sale or transfer was investigated for potential criminal prosecution, and the number of cases where an arrest was made, the case was referred for prosecution, and a conviction was obtained. The Washington state patrol shall submit the report to the appropriate committees of the legislature on or before December 31st of each year.

(1)(a) Subject to the availability of amounts appropriated for this specific purpose, the Washington association of sheriffs and police chiefs shall create and operate a statewide automated protected person notification system to automatically notify a registered person via the registered person's choice of telephone or email when a respondent subject to a court order specified in (b) of this subsection has attempted to purchase or acquire a firearm and been denied based on a background check or completed and submitted firearm purchase or transfer application that indicates the respondent is ineligible to possess a firearm under state or federal law. The system must permit a person to register for notification, or a registered person to update the person's registration information, for the statewide automated protected person notification system by calling a toll-free telephone number or by accessing a public web site.

(b) The notification requirements of this section apply to any court order issued under chapter 7.92 RCW and RCW 7.90.090, 9A.46.080, 10.14.080,

The notification requirements of this section apply even if the respondent has notified the Washington state patrol that he or she has appealed a background check denial under section 3 of this act.

(2) An appointed or elected official, public employee, or public agency as defined in RCW 4.24.470, or combination of units of government and its employees, as provided in RCW 36.28A.010, are immune from civil liability for damages for any release of information or the failure to release information related to the statewide automated protected person notification system in this section, so long as the release or failure to release was without gross negligence. The immunity provided under this subsection applies to the release of relevant and necessary information to other public officials, public employees, or public agencies, and to the general public.

(3) Information and records prepared, owned, used, or retained by the Washington association of sheriffs and police chiefs pursuant to this act, including information a person submits to register and participate in the statewide automated protected person notification system, are exempt from public inspection and copying under chapter 42.56 RCW.

NEW SECTION. **Sec. 6.** A new section is added to chapter 36.28A RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the Washington association of sheriffs and police chiefs shall establish a grant program for local law enforcement agencies to conduct criminal investigations regarding persons who illegally attempted to purchase or transfer a firearm within their jurisdiction.

(2) Each grant applicant must be required to submit reports to the Washington association of sheriffs and police chiefs that indicate the number of cases in which a person was denied a firearms sale or transfer, the number of

**MESSAGE FROM THE SENATE**

April 20, 2017

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1543 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 26.26 RCW to read as follows:

(1) This section applies in cases when a person alleged or presumed to be a legal parent to a child is alleged to have committed a sexual assault that resulted

in the victim of the assault becoming pregnant and subsequently giving birth to the child.

(2) For the purposes of this section, "sexual assault" means nonconsensual sexual penetration that results in pregnancy.

(3) For the purposes of this section, the fact that the person seeking parental rights or presumed to be a legal parent committed a sexual assault that resulted in the victim of the assault becoming pregnant and subsequently giving birth to the child may be proved by either:

(a) Evidence that the person seeking parental rights or presumed to be a legal parent was convicted of or pleaded guilty to a sexual assault under RCW 9A.44.040, 9A.44.050, 9A.44.060, or a comparable crime of sexual assault in any jurisdiction, against the child's parent, and that the child was born within three hundred twenty days after the sexual assault; or

(b) Clear, cogent, and convincing evidence that the person seeking parental rights or presumed to be a legal parent committed sexual assault, as defined in this section, against the child's parent, and that the child was born within three hundred twenty days after the sexual assault.

(4) An allegation that the child was born as the result of a sexual assault may be raised under this chapter:

(a) In a petition to adjudicate parentage; or

(b) In response to a petition to adjudicate parentage.

The pleading making the allegation must be filed in a petition or in a response to a petition in proceedings filed no later than four years after the birth of the child, except that (i) the pleading making the allegation that the child was born as a result of a sexual assault may be filed at any time in proceedings pursuant to RCW 26.26.525; or (ii) for a period of two years after the effective date of this section, a court may waive the time bar in cases in which a presumed, acknowledged, or adjudicated parent was found in a criminal or separate civil proceeding to have committed a sexual assault against the parent alleging that the child was born as a result of the sexual assault.

(5) If there is an allegation that the child was born as a result of a sexual

assault against the child's parent by the person seeking parentage or presumed to be the parent of the child, the court must conduct a fact-finding hearing on the allegation.

(a) The court may not enter any temporary orders providing residential time or decision making to the alleged perpetrator prior to the fact-finding hearing on the sexual assault allegation unless both of the following criteria are satisfied: (i) The alleged perpetrator is a presumed parent of the child; and (ii) the court specifically finds that it would be in the best interests of the child if such temporary orders are entered.

(b) Prior to the fact-finding hearing, the court may order genetic testing to determine whether the alleged perpetrator is biologically related to the child. If genetic testing reveals that the alleged perpetrator is not biologically related to the child, the fact-finding hearing must be stricken.

(c) Fourteen days prior to the fact-finding hearing, the party alleging that the child was born as a result of a sexual assault shall submit affidavits setting forth facts supporting the allegation and shall give notice, together with a copy of the affidavit, to other parties to the proceedings, who may file opposing affidavits. Opposing affidavits must be submitted and served to other parties to the proceeding five days prior to the fact-finding hearing.

(d) The court shall determine on the record whether affidavits and documents submitted for the fact-finding hearing should be sealed.

(6) If, after the fact-finding hearing or after a bench trial, the court finds that the person seeking parental rights or presumed to be a legal parent committed sexual assault, pursuant to the standards set forth in subsection (3)(a) or (b) of this section, against the child's parent, and that the child was born within three hundred twenty days of the sexual assault the court must:

(a) Enter an order holding that the person seeking parental rights or presumed to be a legal parent is not a parent of the child, if such an order is requested by the child's legal parent or guardian; or

(b) Enter an order consistent with the relief requested by the child's legal parent or guardian, provided that the

court determines that the relief requested is in the best interests of the child.

(7) Absent the express written consent of the child's legal parent or guardian, a person who is found to have committed a sexual assault, as defined in this section, against the child's parent, and that the child was born within three hundred twenty days of the sexual assault has:

(a) No right to an allocation of parental rights, including residential time or decision-making responsibilities for the child;

(b) No right to inheritance from the child; and

(c) No right to notification of, or standing to object to, the adoption of the child.

(8) If the court enters an order under subsection (6) of this section that is inconsistent with the information on the child's birth certificate, the court shall also order the birth certificate be amended in a manner that is consistent with the child's best interests and the wishes of the child's legal parent or guardian.

(9) If the court finds that the person seeking parentage or presumed to be the parent committed a sexual assault, as defined in this section, against the child's parent, and that the child was born within three hundred twenty days of the sexual assault, and the legal parent or guardian requests it, the court must order the person seeking parentage or presumed to be the parent to pay child support or birth-related costs or both.

(10) The legal parent or guardian may decline an order for child support or birth-related costs. If the legal parent or guardian declines an order for child support, and is either currently receiving public assistance or later applies for it for the child born as a result of the sexual assault, support enforcement agencies as defined in this chapter shall not file administrative or court proceedings to establish or collect child support, including medical support, from the person seeking parentage or presumed to be the parent who has been found to have committed a sexual assault, as defined in this section, against the child's parent, and that the child was born within three hundred twenty days of the sexual assault.

(11) If the court enters an order under subsection (10) of this section providing that no child support obligation may be established or collected from the person seeking parentage or presumed to be the parent who has been found to have committed a sexual assault, the court shall forward a copy of the order to the Washington state support registry.

(12) The court may order an award of attorneys' fees under this section on the same basis as attorneys' fees are awarded under RCW 26.09.140.

(13) Any party may move to close the fact-finding hearing and any related proceedings under this section to the public. If no party files such a motion, the court shall determine on its own initiative whether the fact-finding hearing and any related proceedings under this section should be closed to the public. Upon finding good cause for closing the proceeding, and if consistent with Article I, section 10 of the state Constitution, the court may: (a) Restrict admission to only those persons whom the court finds to have a direct interest in the case or in the work of the court, including witnesses deemed necessary to the disposition of the case; and (b) restrict persons who are admitted from disclosing any information obtained at the hearing that would identify the parties involved or the child.

**Sec. 2.** RCW 26.09.191 and 2011 c 89 s 6 are each amended to read as follows:

(1) The permanent parenting plan shall not require mutual decision-making or designation of a dispute resolution process other than court action if it is found that a parent has engaged in any of the following conduct: (a) Willful abandonment that continues for an extended period of time or substantial refusal to perform parenting functions; (b) physical, sexual, or a pattern of emotional abuse of a child; or (c) a history of acts of domestic violence as defined in RCW 26.50.010(~~(1)~~) (3) or an assault or sexual assault (~~(which)~~) that causes grievous bodily harm or the fear of such harm or that results in a pregnancy.

(2)(a) The parent's residential time with the child shall be limited if it is found that the parent has engaged in any of the following conduct: (i) Willful abandonment that continues for an extended period of time or substantial refusal to perform parenting functions; (ii) physical, sexual, or a pattern of

emotional abuse of a child; (iii) a history of acts of domestic violence as defined in RCW 26.50.010(~~(1)~~) (3) or an assault or sexual assault (~~(which)~~) that causes grievous bodily harm or the fear of such harm or that results in a pregnancy; or (iv) the parent has been convicted as an adult of a sex offense under:

(A) RCW 9A.44.076 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (d) of this subsection;

(B) RCW 9A.44.079 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (d) of this subsection;

(C) RCW 9A.44.086 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (d) of this subsection;

(D) RCW 9A.44.089;

(E) RCW 9A.44.093;

(F) RCW 9A.44.096;

(G) RCW 9A.64.020 (1) or (2) if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (d) of this subsection;

(H) Chapter 9.68A RCW;

(I) Any predecessor or antecedent statute for the offenses listed in (a) (iv) (A) through (H) of this subsection;

(J) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (a) (iv) (A) through (H) of this subsection.

This subsection (2)(a) shall not apply when (c) or (d) of this subsection applies.

(b) The parent's residential time with the child shall be limited if it is found that the parent resides with a person who has engaged in any of the following conduct: (i) Physical, sexual, or a pattern of emotional abuse of a child; (ii) a history of acts of domestic violence as defined in RCW 26.50.010(~~(1)~~) (3) or an assault or sexual assault that causes grievous bodily harm or the fear of such harm or that results in a pregnancy; or (iii) the person has been convicted as an adult or as a juvenile has been adjudicated of a sex offense under:

(A) RCW 9A.44.076 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (e) of this subsection;

(B) RCW 9A.44.079 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (e) of this subsection;

(C) RCW 9A.44.086 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (e) of this subsection;

(D) RCW 9A.44.089;

(E) RCW 9A.44.093;

(F) RCW 9A.44.096;

(G) RCW 9A.64.020 (1) or (2) if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (e) of this subsection;

(H) Chapter 9.68A RCW;

(I) Any predecessor or antecedent statute for the offenses listed in (b)(iii)(A) through (H) of this subsection;

(J) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (b)(iii)(A) through (H) of this subsection.

This subsection (2)(b) shall not apply when (c) or (e) of this subsection applies.

(c) If a parent has been found to be a sexual predator under chapter 71.09 RCW or under an analogous statute of any other jurisdiction, the court shall restrain the parent from contact with a child that would otherwise be allowed under this chapter. If a parent resides with an adult or a juvenile who has been found to be a sexual predator under chapter 71.09 RCW or under an analogous statute of any other jurisdiction, the court shall restrain the parent from contact with the parent's child except contact that occurs outside that person's presence.

(d) There is a rebuttable presumption that a parent who has been convicted as an adult of a sex offense listed in (d)(i) through (ix) of this subsection poses a present danger to a child. Unless the parent rebuts this presumption, the court shall restrain the parent from contact with a child that would otherwise be allowed under this chapter:

(i) RCW 9A.64.020 (1) or (2), provided that the person convicted was at least five years older than the other person;

(ii) RCW 9A.44.073;

(iii) RCW 9A.44.076, provided that the person convicted was at least eight years older than the victim;

(iv) RCW 9A.44.079, provided that the person convicted was at least eight years older than the victim;

(v) RCW 9A.44.083;

(vi) RCW 9A.44.086, provided that the person convicted was at least eight years older than the victim;

(vii) RCW 9A.44.100;

(viii) Any predecessor or antecedent statute for the offenses listed in (d)(i) through (vii) of this subsection;

(ix) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (d)(i) through (vii) of this subsection.

(e) There is a rebuttable presumption that a parent who resides with a person who, as an adult, has been convicted, or as a juvenile has been adjudicated, of the sex offenses listed in (e)(i) through (ix) of this subsection places a child at risk of abuse or harm when that parent exercises residential time in the presence of the convicted or adjudicated person. Unless the parent rebuts the presumption, the court shall restrain the parent from contact with the parent's child except for contact that occurs outside of the convicted or adjudicated person's presence:

(i) RCW 9A.64.020 (1) or (2), provided that the person convicted was at least five years older than the other person;

(ii) RCW 9A.44.073;

(iii) RCW 9A.44.076, provided that the person convicted was at least eight years older than the victim;

(iv) RCW 9A.44.079, provided that the person convicted was at least eight years older than the victim;

(v) RCW 9A.44.083;

(vi) RCW 9A.44.086, provided that the person convicted was at least eight years older than the victim;

(vii) RCW 9A.44.100;

(viii) Any predecessor or antecedent statute for the offenses listed in (e) (i) through (vii) of this subsection;

(ix) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (e) (i) through (vii) of this subsection.

(f) The presumption established in (d) of this subsection may be rebutted only after a written finding that the child was not conceived and subsequently born as a result of a sexual assault committed by the parent requesting residential time and that:

(i) If the child was not the victim of the sex offense committed by the parent requesting residential time, (A) contact between the child and the offending parent is appropriate and poses minimal risk to the child, and (B) the offending parent has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes such contact is appropriate and poses minimal risk to the child; or

(ii) If the child was the victim of the sex offense committed by the parent requesting residential time, (A) contact between the child and the offending parent is appropriate and poses minimal risk to the child, (B) if the child is in or has been in therapy for victims of sexual abuse, the child's counselor believes such contact between the child and the offending parent is in the child's best interest, and (C) the offending parent has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes such contact is appropriate and poses minimal risk to the child.

(g) The presumption established in (e) of this subsection may be rebutted only after a written finding that the child was not conceived and subsequently born as a result of a sexual assault committed by the parent requesting residential time and that:

(i) If the child was not the victim of the sex offense committed by the person who is residing with the parent requesting residential time, (A) contact between the child and the parent residing with the convicted or adjudicated person is appropriate and that parent is able to protect the child in the presence of the

convicted or adjudicated person, and (B) the convicted or adjudicated person has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes such contact is appropriate and poses minimal risk to the child; or

(ii) If the child was the victim of the sex offense committed by the person who is residing with the parent requesting residential time, (A) contact between the child and the parent in the presence of the convicted or adjudicated person is appropriate and poses minimal risk to the child, (B) if the child is in or has been in therapy for victims of sexual abuse, the child's counselor believes such contact between the child and the parent residing with the convicted or adjudicated person in the presence of the convicted or adjudicated person is in the child's best interest, and (C) the convicted or adjudicated person has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes contact between the parent and child in the presence of the convicted or adjudicated person is appropriate and poses minimal risk to the child.

(h) If the court finds that the parent has met the burden of rebutting the presumption under (f) of this subsection, the court may allow a parent who has been convicted as an adult of a sex offense listed in (d)(i) through (ix) of this subsection to have residential time with the child supervised by a neutral and independent adult and pursuant to an adequate plan for supervision of such residential time. The court shall not approve of a supervisor for contact between the child and the parent unless the court finds, based on the evidence, that the supervisor is willing and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child.

(i) If the court finds that the parent has met the burden of rebutting the presumption under (g) of this subsection, the court may allow a parent residing with a person who has been adjudicated as a juvenile of a sex offense listed in (e) (i)

through (ix) of this subsection to have residential time with the child in the presence of the person adjudicated as a juvenile, supervised by a neutral and independent adult and pursuant to an adequate plan for supervision of such residential time. The court shall not approve of a supervisor for contact between the child and the parent unless the court finds, based on the evidence, that the supervisor is willing and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child.

(j) If the court finds that the parent has met the burden of rebutting the presumption under (g) of this subsection, the court may allow a parent residing with a person who, as an adult, has been convicted of a sex offense listed in (e)(i) through (ix) of this subsection to have residential time with the child in the presence of the convicted person supervised by a neutral and independent adult and pursuant to an adequate plan for supervision of such residential time. The court shall not approve of a supervisor for contact between the child and the parent unless the court finds, based on the evidence, that the supervisor is willing and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child.

(k) A court shall not order unsupervised contact between the offending parent and a child of the offending parent who was sexually abused by that parent. A court may order unsupervised contact between the offending parent and a child who was not sexually abused by the parent after the presumption under (d) of this subsection has been rebutted and supervised residential time has occurred for at least two years with no further arrests or convictions of sex offenses involving children under chapter 9A.44 RCW, RCW 9A.64.020, or chapter 9.68A RCW and (i) the sex offense of the offending parent was not committed against a child of the offending parent, and (ii) the court finds that unsupervised contact between the child and the offending parent is appropriate and poses minimal risk to the child, after consideration of the

testimony of a state-certified therapist, mental health counselor, or social worker with expertise in treating child sexual abuse victims who has supervised at least one period of residential time between the parent and the child, and after consideration of evidence of the offending parent's compliance with community supervision requirements, if any. If the offending parent was not ordered by a court to participate in treatment for sex offenders, then the parent shall obtain a psychosexual evaluation conducted by a certified sex offender treatment provider or a certified affiliate sex offender treatment provider indicating that the offender has the lowest likelihood of risk to reoffend before the court grants unsupervised contact between the parent and a child.

(l) A court may order unsupervised contact between the parent and a child which may occur in the presence of a juvenile adjudicated of a sex offense listed in (e)(i) through (ix) of this subsection who resides with the parent after the presumption under (e) of this subsection has been rebutted and supervised residential time has occurred for at least two years during which time the adjudicated juvenile has had no further arrests, adjudications, or convictions of sex offenses involving children under chapter 9A.44 RCW, RCW 9A.64.020, or chapter 9.68A RCW, and (i) the court finds that unsupervised contact between the child and the parent that may occur in the presence of the adjudicated juvenile is appropriate and poses minimal risk to the child, after consideration of the testimony of a state-certified therapist, mental health counselor, or social worker with expertise in treatment of child sexual abuse victims who has supervised at least one period of residential time between the parent and the child in the presence of the adjudicated juvenile, and after consideration of evidence of the adjudicated juvenile's compliance with community supervision or parole requirements, if any. If the adjudicated juvenile was not ordered by a court to participate in treatment for sex offenders, then the adjudicated juvenile shall obtain a psychosexual evaluation conducted by a certified sex offender treatment provider or a certified affiliate sex offender treatment provider indicating that the adjudicated juvenile has the lowest likelihood of risk to reoffend before the court grants

unsupervised contact between the parent and a child which may occur in the presence of the adjudicated juvenile who is residing with the parent.

(m)(i) The limitations imposed by the court under (a) or (b) of this subsection shall be reasonably calculated to protect the child from the physical, sexual, or emotional abuse or harm that could result if the child has contact with the parent requesting residential time. The limitations shall also be reasonably calculated to provide for the safety of the parent who may be at risk of physical, sexual, or emotional abuse or harm that could result if the parent has contact with the parent requesting residential time. The limitations the court may impose include, but are not limited to: Supervised contact between the child and the parent or completion of relevant counseling or treatment. If the court expressly finds based on the evidence that limitations on the residential time with the child will not adequately protect the child from the harm or abuse that could result if the child has contact with the parent requesting residential time, the court shall restrain the parent requesting residential time from all contact with the child.

(ii) The court shall not enter an order under (a) of this subsection allowing a parent to have contact with a child if the parent has been found by clear and convincing evidence in a civil action or by a preponderance of the evidence in a dependency action to have sexually abused the child, except upon recommendation by an evaluator or therapist for the child that the child is ready for contact with the parent and will not be harmed by the contact. The court shall not enter an order allowing a parent to have contact with the child in the offender's presence if the parent resides with a person who has been found by clear and convincing evidence in a civil action or by a preponderance of the evidence in a dependency action to have sexually abused a child, unless the court finds that the parent accepts that the person engaged in the harmful conduct and the parent is willing to and capable of protecting the child from harm from the person.

(iii) The court shall not enter an order under (a) of this subsection allowing a parent to have contact with a child if the parent has been found by clear and convincing evidence pursuant to section 1 of this act to have committed sexual

assault, as defined in section 1 of this act, against the child's parent, and that the child was born within three hundred twenty days of the sexual assault.

(iv) If the court limits residential time under (a) or (b) of this subsection to require supervised contact between the child and the parent, the court shall not approve of a supervisor for contact between a child and a parent who has engaged in physical, sexual, or a pattern of emotional abuse of the child unless the court finds based upon the evidence that the supervisor accepts that the harmful conduct occurred and is willing to and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing to or capable of protecting the child.

(n) If the court expressly finds based on the evidence that contact between the parent and the child will not cause physical, sexual, or emotional abuse or harm to the child and that the probability that the parent's or other person's harmful or abusive conduct will recur is so remote that it would not be in the child's best interests to apply the limitations of (a), (b), and (m)(i) and (~~(iii)~~) (iv) of this subsection, or if the court expressly finds that the parent's conduct did not have an impact on the child, then the court need not apply the limitations of (a), (b), and (m)(i) and (~~(iii)~~) (iv) of this subsection. The weight given to the existence of a protection order issued under chapter 26.50 RCW as to domestic violence is within the discretion of the court. This subsection shall not apply when (c), (d), (e), (f), (g), (h), (i), (j), (k), (l), and (m)(ii) of this subsection apply.

(3) A parent's involvement or conduct may have an adverse effect on the child's best interests, and the court may preclude or limit any provisions of the parenting plan, if any of the following factors exist:

(a) A parent's neglect or substantial nonperformance of parenting functions;

(b) A long-term emotional or physical impairment which interferes with the parent's performance of parenting functions as defined in RCW 26.09.004;

(c) A long-term impairment resulting from drug, alcohol, or other substance

abuse that interferes with the performance of parenting functions;

(d) The absence or substantial impairment of emotional ties between the parent and the child;

(e) The abusive use of conflict by the parent which creates the danger of serious damage to the child's psychological development;

(f) A parent has withheld from the other parent access to the child for a protracted period without good cause; or

(g) Such other factors or conduct as the court expressly finds adverse to the best interests of the child.

(4) In cases involving allegations of limiting factors under subsection (2) (a) (ii) and (iii) of this section, both parties shall be screened to determine the appropriateness of a comprehensive assessment regarding the impact of the limiting factor on the child and the parties.

(5) In entering a permanent parenting plan, the court shall not draw any presumptions from the provisions of the temporary parenting plan.

(6) In determining whether any of the conduct described in this section has occurred, the court shall apply the civil rules of evidence, proof, and procedure.

(7) For the purposes of this section:

(a) "A parent's child" means that parent's natural child, adopted child, or stepchild; and

(b) "Social worker" means a person with a master's or further advanced degree from a social work educational program accredited and approved as provided in RCW 18.320.010.

**Sec. 3.** RCW 26.33.170 and 1999 c 173 s 1 are each amended to read as follows:

(1) An agency's, the department's, or a legal guardian's consent to adoption may be dispensed with if the court determines by clear, cogent and convincing evidence that the proposed adoption is in the best interests of the adoptee.

(2) An alleged father's, birth parent's, or parent's consent to adoption (~~may~~) shall be dispensed with if the court finds that the proposed adoption is in the best interests of the adoptee and:

(a) The alleged father, birth parent, or parent has been found guilty of rape

under chapter 9A.44 RCW or incest under RCW 9A.64.020, where the adoptee was the victim of the rape or incest; or

(b) The alleged father, birth parent, or parent has been found guilty of rape under chapter 9A.44 RCW or incest under RCW 9A.64.020, or has been found by clear and convincing evidence to have committed a sexual assault, where the other parent of the adoptee was the victim of the rape (~~(or)~~), incest, or sexual assault and the adoptee was conceived as a result of the rape (~~(or)~~), incest, or sexual assault, unless the parent who is the victim indicates by affidavit or sworn testimony that consent to adoption by the person who committed the rape, incest, or sexual assault should occur.

(3) Nothing in this section shall be construed to eliminate the notice provisions of this chapter.

**NEW SECTION. Sec. 4.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

On page 1, line 2 of the title, after "survivors;" strike the remainder of the title and insert "amending RCW 26.09.191 and 26.33.170; and adding a new section to chapter 26.26 RCW."

#### MESSAGE FROM THE SENATE

April 20, 2017

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1614 with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that there is significant value in diligently combating the crime of driving under the influence and promoting the safety of all persons using our public roadways. The legislature also finds that phlebotomy, also known as venipuncture, is a health care procedure that involves removing blood from the body by making an incision in a vein with a needle. The legislature finds further that the use of forensic phlebotomy can be a useful tool when investigating whether a person may be impaired while operating a motor vehicle. The legislature also finds, however, that despite the value of forensic phlebotomy, both motorists and law enforcement officers must be protected from the potentially significant health risks inherent in allowing the practice of phlebotomy without adequate and appropriate training, as defined by the department of health.

**Sec. 2.** RCW 9.96.060 and 2014 c 176 s 1 and 2014 c 109 s 1 are each reenacted and amended to read as follows:

(1) Every person convicted of a misdemeanor or gross misdemeanor offense

who has completed all of the terms of the sentence for the misdemeanor or gross misdemeanor offense may apply to the sentencing court for a vacation of the applicant's record of conviction for the offense. If the court finds the applicant meets the tests prescribed in subsection (2) of this section, the court may in its discretion vacate the record of conviction by: (a) (i) Permitting the applicant to withdraw the applicant's plea of guilty and to enter a plea of not guilty; or (ii) if the applicant has been convicted after a plea of not guilty, the court setting aside the verdict of guilty; and (b) the court dismissing the information, indictment, complaint, or citation against the applicant and vacating the judgment and sentence.

(2) An applicant may not have the record of conviction for a misdemeanor or gross misdemeanor offense vacated if any one of the following is present:

(a) There are any criminal charges against the applicant pending in any court of this state or another state, or in any federal court;

(b) The offense was a violent offense as defined in RCW 9.94A.030 or an attempt to commit a violent offense;

(c) The offense was a violation of RCW 46.61.502 (driving while under the influence), 46.61.504 (actual physical control while under the influence), 9.91.020 (operating a railroad, etc. while intoxicated), or the offense is considered a "prior offense" under RCW 46.61.5055 and the applicant has had a subsequent alcohol or drug violation within ten years of the date of arrest for the prior offense or less than ten years has elapsed since the date of the arrest for the prior offense;

(d) The offense was any misdemeanor or gross misdemeanor violation, including attempt, of chapter 9.68 RCW (obscenity and pornography), chapter 9.68A RCW (sexual exploitation of children), or chapter 9A.44 RCW (sex offenses);

(e) The applicant was convicted of a misdemeanor or gross misdemeanor offense as defined in RCW 10.99.020, or the court determines after a review of the court file that the offense was committed by one family member or household member against another, or the court, after considering the damage to person or property that resulted in the conviction, any prior convictions for crimes defined in RCW 10.99.020, or for comparable offenses in another state or in federal court, and the

totality of the records under review by the court regarding the conviction being considered for vacation, determines that the offense involved domestic violence, and any one of the following factors exist:

(i) The applicant has not provided written notification of the vacation petition to the prosecuting attorney's office that prosecuted the offense for which vacation is sought, or has not provided that notification to the court;

(ii) The applicant has previously had a conviction for domestic violence. For purposes of this subsection, however, if the current application is for more than one conviction that arose out of a single incident, none of those convictions counts as a previous conviction;

(iii) The applicant has signed an affidavit under penalty of perjury affirming that the applicant has not previously had a conviction for a domestic violence offense, and a criminal history check reveals that the applicant has had such a conviction; or

(iv) Less than five years have elapsed since the person completed the terms of the original conditions of the sentence, including any financial obligations and successful completion of any treatment ordered as a condition of sentencing;

(f) For any offense other than those described in (e) of this subsection, less than three years have passed since the person completed the terms of the sentence, including any financial obligations;

(g) The offender has been convicted of a new crime in this state, another state, or federal court since the date of conviction;

(h) The applicant has ever had the record of another conviction vacated; or

(i) The applicant is currently restrained, or has been restrained within five years prior to the vacation application, by a domestic violence protection order, a no-contact order, an antiharassment order, or a civil restraining order which restrains one party from contacting the other party.

(3) Subject to RCW 9.96.070, every person convicted of prostitution under RCW 9A.88.030 who committed the offense as a result of being a victim of trafficking, RCW 9A.40.100, promoting prostitution in the first degree, RCW 9A.88.070, promoting

commercial sexual abuse of a minor, RCW 9.68A.101, or trafficking in persons under the trafficking victims protection act of 2000, 22 U.S.C. Sec. 7101 et seq. may apply to the sentencing court for vacation of the applicant's record of conviction for the prostitution offense. An applicant may not have the record of conviction for prostitution vacated if any one of the following is present:

(a) There are any criminal charges against the applicant pending in any court of this state or another state, or in any federal court, for any crime other than prostitution; or

(b) The offender has been convicted of another crime, except prostitution, in this state, another state, or federal court since the date of conviction.

(4) Every person convicted prior to January 1, 1975, of violating any statute or rule regarding the regulation of fishing activities, including, but not limited to, RCW 75.08.260, 75.12.060, 75.12.070, 75.12.160, 77.16.020, 77.16.030, 77.16.040, 77.16.060, and 77.16.240 who claimed to be exercising a treaty Indian fishing right, may apply to the sentencing court for vacation of the applicant's record of the misdemeanor, gross misdemeanor, or felony conviction for the offense. If the person is deceased, a member of the person's family or an official representative of the tribe of which the person was a member may apply to the court on behalf of the deceased person. Notwithstanding the requirements of RCW 9.94A.640, the court shall vacate the record of conviction if:

(a) The applicant is a member of a tribe that may exercise treaty Indian fishing rights at the location where the offense occurred; and

(b) The state has been enjoined from taking enforcement action of the statute or rule to the extent that it interferes with a treaty Indian fishing right as determined under *United States v. Washington*, 384 F. Supp. 312 (W.D. Wash. 1974), or *Sohappy v. Smith*, 302 F. Supp. 899 (D. Oregon 1969), and any posttrial orders of those courts, or any other state supreme court or federal court decision.

(5) Once the court vacates a record of conviction under this section, the person shall be released from all penalties and disabilities resulting from the offense and the fact that the person has been convicted of the offense shall not be included in the person's criminal history

for purposes of determining a sentence in any subsequent conviction. For all purposes, including responding to questions on employment or housing applications, a person whose conviction has been vacated under this section may state that he or she has never been convicted of that crime. Nothing in this section affects or prevents the use of an offender's prior conviction in a later criminal prosecution.

(6) All costs incurred by the court and probation services shall be paid by the person making the motion to vacate the record unless a determination is made pursuant to chapter 10.101 RCW that the person making the motion is indigent, at the time the motion is brought.

(7) The clerk of the court in which the vacation order is entered shall immediately transmit the order vacating the conviction to the Washington state patrol identification section and to the local police agency, if any, which holds criminal history information for the person who is the subject of the conviction. The Washington state patrol and any such local police agency shall immediately update their records to reflect the vacation of the conviction, and shall transmit the order vacating the conviction to the federal bureau of investigation. A conviction that has been vacated under this section may not be disseminated or disclosed by the state patrol or local law enforcement agency to any person, except other criminal justice enforcement agencies.

**Sec. 3.** RCW 10.31.100 and 2016 c 203 s 9 and 2016 c 113 s 1 are each reenacted and amended to read as follows:

A police officer having probable cause to believe that a person has committed or is committing a felony shall have the authority to arrest the person without a warrant. A police officer may arrest a person without a warrant for committing a misdemeanor or gross misdemeanor only when the offense is committed in the presence of an officer, except as provided in subsections (1) through (12) of this section.

(1) Any police officer having probable cause to believe that a person has committed or is committing a misdemeanor or gross misdemeanor, involving physical harm or threats of harm to any person or property or the unlawful taking of property or involving the use or possession of cannabis, or involving the

acquisition, possession, or consumption of alcohol by a person under the age of twenty-one years under RCW 66.44.270, or involving criminal trespass under RCW 9A.52.070 or 9A.52.080, shall have the authority to arrest the person.

(2) A police officer shall arrest and take into custody, pending release on bail, personal recognizance, or court order, a person without a warrant when the officer has probable cause to believe that:

(a) An order has been issued of which the person has knowledge under RCW 26.44.063, or chapter 7.92, 7.90, 9A.46, 10.99, 26.09, 26.10, 26.26, 26.50, or 74.34 RCW restraining the person and the person has violated the terms of the order restraining the person from acts or threats of violence, or restraining the person from going onto the grounds of or entering a residence, workplace, school, or day care, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location or, in the case of an order issued under RCW 26.44.063, imposing any other restrictions or conditions upon the person; or

(b) A foreign protection order, as defined in RCW 26.52.010, has been issued of which the person under restraint has knowledge and the person under restraint has violated a provision of the foreign protection order prohibiting the person under restraint from contacting or communicating with another person, or excluding the person under restraint from a residence, workplace, school, or day care, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location, or a violation of any provision for which the foreign protection order specifically indicates that a violation will be a crime; or

(c) The person is eighteen years or older and within the preceding four hours has assaulted a family or household member as defined in RCW 10.99.020 and the officer believes: (i) A felonious assault has occurred; (ii) an assault has occurred which has resulted in bodily injury to the victim, whether the injury is observable by the responding officer or not; or (iii) that any physical action has occurred which was intended to cause another person reasonably to fear imminent serious bodily injury or death. Bodily injury means physical pain, illness, or an impairment of physical condition. When the officer

has probable cause to believe that family or household members have assaulted each other, the officer is not required to arrest both persons. The officer shall arrest the person whom the officer believes to be the primary physical aggressor. In making this determination, the officer shall make every reasonable effort to consider: (A) The intent to protect victims of domestic violence under RCW 10.99.010; (B) the comparative extent of injuries inflicted or serious threats creating fear of physical injury; and (C) the history of domestic violence of each person involved, including whether the conduct was part of an ongoing pattern of abuse.

(3) A police officer shall, at the request of a parent or guardian, arrest the sixteen or seventeen year old child of that parent or guardian if the officer has probable cause to believe that the child has assaulted a family or household member as defined in RCW 10.99.020 in the preceding four hours. Nothing in this subsection removes a police officer's existing authority provided in this section to make an arrest.

(4) Any police officer having probable cause to believe that a person has committed or is committing a violation of any of the following traffic laws shall have the authority to arrest the person:

(a) RCW 46.52.010, relating to duty on striking an unattended car or other property;

(b) RCW 46.52.020, relating to duty in case of injury to or death of a person or damage to an attended vehicle;

(c) RCW 46.61.500 or 46.61.530, relating to reckless driving or racing of vehicles;

(d) RCW 46.61.502 or 46.61.504, relating to persons under the influence of intoxicating liquor or drugs;

(e) RCW 46.61.503 or 46.25.110, relating to persons having alcohol or THC in their system;

(f) RCW 46.20.342, relating to driving a motor vehicle while operator's license is suspended or revoked;

(g) RCW 46.61.5249, relating to operating a motor vehicle in a negligent manner.

(5) A law enforcement officer investigating at the scene of a motor vehicle accident may arrest the driver of

a motor vehicle involved in the accident if the officer has probable cause to believe that the driver has committed in connection with the accident a violation of any traffic law or regulation.

(6) (a) A law enforcement officer investigating at the scene of a motor vessel accident may arrest the operator of a motor vessel involved in the accident if the officer has probable cause to believe that the operator has committed, in connection with the accident, a criminal violation of chapter 79A.60 RCW.

(b) A law enforcement officer investigating at the scene of a motor vessel accident may issue a citation for an infraction to the operator of a motor vessel involved in the accident if the officer has probable cause to believe that the operator has committed, in connection with the accident, a violation of any boating safety law of chapter 79A.60 RCW.

(7) Any police officer having probable cause to believe that a person has committed or is committing a violation of RCW 79A.60.040 shall have the authority to arrest the person.

(8) An officer may act upon the request of a law enforcement officer in whose presence a traffic infraction was committed, to stop, detain, arrest, or issue a notice of traffic infraction to the driver who is believed to have committed the infraction. The request by the witnessing officer shall give an officer the authority to take appropriate action under the laws of the state of Washington.

(9) Any police officer having probable cause to believe that a person has committed or is committing any act of indecent exposure, as defined in RCW 9A.88.010, may arrest the person.

(10) A police officer may arrest and take into custody, pending release on bail, personal recognizance, or court order, a person without a warrant when the officer has probable cause to believe that an order has been issued of which the person has knowledge under chapter 10.14 RCW and the person has violated the terms of that order.

(11) Any police officer having probable cause to believe that a person has, within twenty-four hours of the alleged violation, committed a violation of RCW 9A.50.020 may arrest such person.

(12) A police officer having probable cause to believe that a person illegally possesses or illegally has possessed a firearm or other dangerous weapon on private or public elementary or secondary school premises shall have the authority to arrest the person.

For purposes of this subsection, the term "firearm" has the meaning defined in RCW 9.41.010 and the term "dangerous weapon" has the meaning defined in RCW 9.41.250 and 9.41.280(1) (c) through (e).

(13) A law enforcement officer having probable cause to believe that a person has committed a violation under RCW 77.15.160(4) may issue a citation for an infraction to the person in connection with the violation.

(14) A law enforcement officer having probable cause to believe that a person has committed a criminal violation under RCW 77.15.809 or 77.15.811 may arrest the person in connection with the violation.

(15) Except as specifically provided in subsections (2), (4), (5), and (8) of this section, nothing in this section extends or otherwise affects the powers of arrest prescribed in Title 46 RCW.

(16) No police officer may be held criminally or civilly liable for making an arrest pursuant to subsection (2) or (10) of this section if the police officer acts in good faith and without malice.

(17)(a) Except as provided in (b) of this subsection, a police officer shall arrest and keep in custody, until release by a judicial officer on bail, personal recognizance, or court order, a person without a warrant when the officer has probable cause to believe that the person has violated RCW 46.61.502 or 46.61.504 or an equivalent local ordinance and the police officer: (i) Has knowledge that the person has a prior offense as defined in RCW 46.61.5055 within ten years; or (ii) has knowledge, based on a review of the information available to the officer at the time of arrest, that the person is charged with or is awaiting arraignment for an offense that would qualify as a prior offense as defined in RCW 46.61.5055 if it were a conviction.

(b) A police officer is not required to keep in custody a person under (a) of this subsection if the person requires immediate medical attention and is admitted to a hospital.

(18) A juvenile detention facility shall book into detention any person under age eighteen brought to that detention facility pursuant to an arrest for assaulting a family or household member as defined in RCW 10.99.020.

**Sec. 4.** RCW 46.20.385 and 2016 c 203 s 13 are each amended to read as follows:

(1)(a) Any person licensed under this chapter or who has a valid driver's license from another state, who is convicted of: (i) A violation of RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state statute or ordinance, or (ii) a violation of RCW 46.61.520(1)(a) or an equivalent local or out-of-state statute or ordinance, or (iii) a conviction for a violation of RCW 46.61.520(1) (b) or (c) if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.520(1)(a), or (iv) RCW 46.61.522(1)(b) or an equivalent local or out-of-state statute or ordinance, or (v) RCW 46.61.522(1) (a) or (c) if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.522(1)(b) committed while under the influence of intoxicating liquor or any drug, or (vi) who has had or will have his or her license suspended, revoked, or denied under RCW 46.20.3101, or who is otherwise permitted under subsection (8) of this section, may submit to the department an application for an ignition interlock driver's license. The department, upon receipt of the prescribed fee and upon determining that the petitioner is eligible to receive the license, may issue an ignition interlock driver's license.

(b) A person may apply for an ignition interlock driver's license anytime, including immediately after receiving the notices under RCW 46.20.308 or after his or her license is suspended, revoked, or denied.

(c) An applicant under this subsection shall provide proof to the satisfaction of the department that a functioning ignition interlock device has been installed on all vehicles operated by the person.

(i) The department shall require the person to maintain the device on all vehicles operated by the person and shall restrict the person to operating only vehicles equipped with the device, for the remainder of the period of suspension, revocation, or denial, unless otherwise permitted under RCW 46.20.720(6).

(ii) Subject to any periodic renewal requirements established by the department under this section and subject to any applicable compliance requirements under this chapter or other law, an ignition interlock driver's license granted upon a suspension or revocation under RCW 46.61.5055 or 46.20.3101 extends through the remaining portion of any concurrent or consecutive suspension or revocation that may be imposed as the result of administrative action and criminal conviction arising out of the same incident.

(2) An applicant for an ignition interlock driver's license who qualifies under subsection (1) of this section is eligible to receive a license only if the applicant files satisfactory proof of financial responsibility under chapter 46.29 RCW.

(3) Upon receipt of evidence that a holder of an ignition interlock driver's license granted under this subsection no longer has a functioning ignition interlock device installed on all vehicles operated by the driver, the director shall give written notice by first-class mail to the driver that the ignition interlock driver's license shall be canceled. If at any time before the cancellation goes into effect the driver submits evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver, the cancellation shall be stayed. If the cancellation becomes effective, the driver may obtain, at no additional charge, a new ignition interlock driver's license upon submittal of evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver.

(4) A person aggrieved by the decision of the department on the application for an ignition interlock driver's license may request a hearing as provided by rule of the department.

(5) The director shall cancel an ignition interlock driver's license after receiving notice that the holder thereof has been convicted of operating a motor vehicle in violation of its restrictions, no longer meets the eligibility requirements, or has been convicted of or found to have committed a separate offense or any other act or omission that under this chapter would warrant suspension or revocation of a regular driver's license. The department must give notice of the cancellation as provided under RCW 46.20.245. A person whose ignition

interlock driver's license has been canceled under this section may reapply for a new ignition interlock driver's license if he or she is otherwise qualified under this section and pays the fee required under RCW 46.20.380.

(6) (a) Unless costs are waived by the ignition interlock company or the person is indigent under RCW 10.101.010, the applicant shall pay the cost of installing, removing, and leasing the ignition interlock device and shall pay an additional fee of twenty dollars per month. Payments shall be made directly to the ignition interlock company. The company shall remit the additional ~~((twenty dollar))~~ fee to the department, except that the company may retain twenty-five cents per month of the additional fee to cover the expenses associated with administering the fee.

(b) The department shall deposit the proceeds of the twenty dollar fee into the ignition interlock device revolving account. Expenditures from the account may be used only to administer and operate the ignition interlock device revolving account program. The department shall adopt rules to provide monetary assistance according to greatest need and when funds are available.

(7) The department shall adopt rules to implement ignition interlock licensing. The department shall consult with the administrative office of the courts, the state patrol, the Washington association of sheriffs and police chiefs, ignition interlock companies, and any other organization or entity the department deems appropriate.

(8) (a) Any person licensed under this chapter who is convicted of a violation of RCW 46.61.500 when the charge was originally filed as a violation of RCW 46.61.502 or 46.61.504, or an equivalent local ordinance, may submit to the department an application for an ignition interlock driver's license under this section.

(b) A person who does not have any driver's license under this chapter, but who would otherwise be eligible under this section to apply for an ignition interlock license, may submit to the department an application for an ignition interlock license. The department may require the person to take any driver's licensing examination under this chapter and may require the person to also apply and

qualify for a temporary restricted driver's license under RCW 46.20.391.

**Sec. 5.** RCW 46.20.720 and 2016 c 203 s 14 are each amended to read as follows:

(b) **Ignition interlock driver's license.** As required for issuance of an ignition interlock driver's license under RCW 46.20.385;

(c) **Deferred prosecution.** Upon receipt of notice from a court that the person is participating in a deferred prosecution program under RCW 10.05.020 for a violation of:

(i) RCW 46.61.502 or 46.61.504 or an equivalent local ordinance; or

(ii) RCW 46.61.5249 or 46.61.500 or an equivalent local ordinance if the person would be required under RCW 46.61.5249(4) or 46.61.500(3) (a) or (b) to install an ignition interlock device on all vehicles operated by the person in the event of a conviction;

(d) **Post conviction.** After any applicable period of suspension, revocation, or denial of driving privileges:

(i) Due to a conviction of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state statute or ordinance; or

(ii) Due to a conviction of a violation of RCW 46.61.5249 or 46.61.500 or an equivalent local ordinance if the person is required under RCW 46.61.5249(4) or 46.61.500(3) (a) or (b) to install an ignition interlock device on all vehicles operated by the person; or

(e) **Court order.** Upon receipt of an order by a court having jurisdiction that a person charged or convicted of any offense involving the use, consumption, or possession of alcohol while operating a motor vehicle may drive only a motor vehicle equipped with a functioning ignition interlock. The court shall establish a specific calibration setting at which the ignition interlock will prevent the vehicle from being started. The court shall also establish the period

of time for which ignition interlock use will be required.

(2) **Calibration.** Unless otherwise specified by the court for a restriction imposed under subsection (1)(e) of this section, the ignition interlock device shall be calibrated to prevent the motor vehicle from being started when the breath sample provided has an alcohol concentration of 0.025 or more.

(3) **Duration of restriction.** A restriction imposed under:

(a) Subsection (1)(a) of this section shall remain in effect until:

(i) The court has authorized the removal of the device under RCW 10.21.055; or

(ii) The department has imposed a restriction under subsection (1)(b), (c), or (d) of this section arising out of the same incident.

(b) Subsection (1)(b) of this section remains in effect during the validity of any ignition interlock driver's license that has been issued to the person.

(c) Subsection (1)(c)(i) or (d)(i) of this section shall be for no less than:

(i) For a person who has not previously been restricted under this subsection, a period of one year;

The period of restriction under (c) and (d) of this subsection based on incidents occurring on or after June 9, 2016, must be tolled for any period in which the person does not have an ignition interlock

device installed on a vehicle owned or operated by the person unless the person receives a determination from the department that the person is unable to operate an ignition interlock device due to a physical disability. The department's determination that a person is unable to operate an ignition interlock device must be reasonable and be based upon good and substantial evidence. This determination is subject to review by a court of competent jurisdiction. The department may charge a person seeking a medical exemption under this subsection a reasonable fee for the assessment.

(4) **Requirements for removal.** A restriction imposed under subsection (1)(c) or (d) of this section shall remain in effect until the department receives a declaration from the person's ignition interlock device vendor, in a form provided or approved by the department, certifying that there have been none of the following incidents in the ~~((four))~~ one hundred eighty consecutive ~~((months))~~ days prior to the date of release:

(a) Any attempt to start the vehicle with a breath alcohol concentration of 0.04 or more unless a subsequent test performed within ten minutes registers a breath alcohol concentration lower than 0.04 and the digital image confirms the same person provided both samples;

(b) Failure to take any random test unless a review of the digital image confirms that the vehicle was not occupied by the driver at the time of the missed test;

(c) Failure to pass any random retest with a breath alcohol concentration of 0.025 or lower unless a subsequent test performed within ten minutes registers a breath alcohol concentration lower than 0.025, and the digital image confirms the same person provided both samples; or

(d) Failure of the person to appear at the ignition interlock device vendor when required for maintenance, repair, calibration, monitoring, inspection, or replacement of the device.

(5) **Day-for-day credit.** (a) The time period during which a person has an ignition interlock device installed in order to meet the requirements of subsection (1)(b) of this section shall apply on a day-for-day basis toward satisfying the period of time the ignition interlock device restriction is imposed under subsection (1)(c) or (d) of this section arising out of the same incident.

(b) The department must also give the person a day-for-day credit for any time period, beginning from the date of the incident, during which the person kept an ignition interlock device installed on all vehicles the person operates, other than those subject to the employer exemption under subsection (6) of this section.

(c) If the day-for-day credit granted under this subsection equals or exceeds the period of time the ignition interlock device restriction is imposed under subsection (1)(c) or (d) of this section arising out of the same incident, and the person has already met the requirements for removal of the device under subsection (4) of this section, the department may waive the requirement that a device be installed or that the person again meet the requirements for removal.

(6) **Employer exemption.** (a) Except as provided in (b) of this subsection, the installation of an ignition interlock device is not necessary on vehicles owned, leased, or rented by a person's employer and on those vehicles whose care and/or maintenance is the temporary responsibility of the employer, and driven at the direction of a person's employer as a requirement of employment during working hours. The person must provide the department with a declaration pursuant to RCW 9A.72.085 from his or her employer stating that the person's employment requires the person to operate a vehicle owned by the employer or other persons during working hours.

(7) **Ignition interlock device revolving account.** In addition to any other costs associated with the use of an ignition interlock device imposed on the person restricted under this section, the person shall pay an additional fee of twenty dollars per month. Payments must be made directly to the ignition interlock company. The company shall remit the additional ~~((twenty dollar))~~ fee to the department to be deposited into the ignition interlock device revolving account, except that the company may retain twenty-five cents per month of the additional fee to cover the expenses associated with administering the fee. The department may waive the monthly fee if the person is indigent under RCW 10.101.010.

(8) **Foreign jurisdiction.** For a person restricted under this section who is residing outside of the state of Washington, the department may accept verification of installation of an ignition interlock device by an ignition interlock company authorized to do business in the jurisdiction in which the person resides, provided the device meets any applicable requirements of that jurisdiction. The department may waive the monthly fee required by subsection (7) of this section if collection of the fee would be impractical in the case of a person residing in another jurisdiction.

Upon its own motion or upon motion by a person, a court may find, on the record, that notice to the department under RCW 46.20.270 has been delayed for three years or more as a result of a clerical or court error. If so, the court may order that the person's license, permit, or nonresident privilege shall not be revoked, suspended, or denied for that offense. The court shall send notice of the finding and order to the department and to the person. Upon receipt of the notice from the court, the department shall not revoke, suspend, or deny the license, permit, or nonresident privilege of the person for that offense.

(11) **Conditions of probation.** (a) In addition to any nonsuspendable and nondeferrable jail sentence required by this section, whenever the court imposes up to three hundred sixty-four days in jail, the court shall also suspend but shall not defer a period of confinement for a period not exceeding five years. The court shall impose conditions of probation that include: (i) Not driving a motor vehicle within this state without a valid license to drive; (ii) not driving a motor vehicle within this state without proof of liability insurance or other financial responsibility for the future pursuant to RCW 46.30.020; (iii) not driving or being in physical control of a motor vehicle within this state while having an alcohol concentration of 0.08 or more or a THC concentration of 5.00 nanograms per milliliter of whole blood or higher, within two hours after driving; (iv) not refusing to submit to a test of his or her breath or blood to determine alcohol or drug concentration upon request of a law enforcement officer who has reasonable grounds to believe the person was driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drug; and (v) not driving a motor vehicle in this state without a functioning ignition interlock device as required by the department under RCW 46.20.720. The court may impose conditions of probation that include nonrepetition, installation of an ignition interlock device on the probationer's motor vehicle, alcohol or drug treatment, supervised probation, or other conditions that may be appropriate. The sentence may be imposed in whole or in part upon violation of a condition of probation during the suspension period.

(b) For each violation of mandatory conditions of probation under (a)(i), (ii), (iii), (iv), or (v) of this subsection, the court shall order the

convicted person to be confined for thirty days, which shall not be suspended or deferred.

The court shall notify the department of any suspension, revocation, or denial or any extension of a suspension, revocation, or denial imposed under this subsection.

(12) **Waiver of electronic home monitoring.** A court may waive the electronic home monitoring requirements of this chapter when:

(a) The offender does not have a dwelling, telephone service, or any other necessity to operate an electronic home monitoring system. However, if a court determines that an alcohol monitoring device utilizing wireless reporting technology is reasonably available, the court may require the person to obtain such a device during the period of required electronic home monitoring;

(b) The offender does not reside in the state of Washington; or

(c) The court determines that there is reason to believe that the offender would violate the conditions of the electronic home monitoring penalty.

Whenever the mandatory minimum term of electronic home monitoring is waived, the court shall state in writing the reason for granting the waiver and the facts upon which the waiver is based, and shall impose an alternative sentence with similar punitive consequences. The alternative sentence may include, but is not limited to, use of an ignition interlock device, the 24/7 sobriety program monitoring, additional jail time, work crew, or work camp.

Whenever the combination of jail time and electronic home monitoring or alternative sentence would exceed three hundred sixty-four days, the offender shall serve the jail portion of the sentence first, and the electronic home monitoring or alternative portion of the sentence shall be reduced so that the

combination does not exceed three hundred sixty-four days.

(13) **Extraordinary medical placement.**

An offender serving a sentence under this section, whether or not a mandatory minimum term has expired, may be granted an extraordinary medical placement by the jail administrator subject to the standards and limitations set forth in RCW 9.94A.728(1)(c).

(b) "Treatment" means substance use disorder treatment approved by the department of social and health services;

(c) "Within seven years" means that the arrest for a prior offense occurred within seven years before or after the arrest for the current offense; and

(15) All fines imposed by this section apply to adult offenders only.

**Sec. 7.** RCW 46.61.506 and 2016 c 203 s 8 are each amended to read as follows:

(1) Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person while driving or in actual physical control of a vehicle while under the influence of intoxicating liquor or any drug, if the person's alcohol concentration is less than 0.08 or the person's THC concentration is less than 5.00, it is evidence that may be considered with other competent evidence in determining whether the person was under the influence of intoxicating liquor or any drug.

(2) (a) The breath analysis of the person's alcohol concentration shall be based upon grams of alcohol per two hundred ten liters of breath.

(b) The blood analysis of the person's THC concentration shall be based upon nanograms per milliliter of whole blood.

(c) The foregoing provisions of this section shall not be construed as limiting the introduction of any other competent evidence bearing upon the question whether the person was under the influence of intoxicating liquor or any drug.

(3) Analysis of the person's blood or breath to be considered valid under the provisions of this section or RCW 46.61.502 or 46.61.504 shall have been performed according to methods approved by the state toxicologist and by an individual possessing a valid permit issued by the state toxicologist for this purpose. The state toxicologist is directed to approve satisfactory techniques or methods, to supervise the examination of individuals to ascertain their qualifications and competence to conduct such analyses, and to issue permits which shall be subject to termination or revocation at the discretion of the state toxicologist.

(4) (a) A breath test performed by any instrument approved by the state toxicologist shall be admissible at trial or in an administrative proceeding if the prosecution or department produces prima facie evidence of the following:

(i) The person who performed the test was authorized to perform such test by the state toxicologist;

(ii) The person being tested did not vomit or have anything to eat, drink, or smoke for at least fifteen minutes prior to administration of the test;

(iii) The person being tested did not have any foreign substances, not to include dental work or piercings, fixed or removable, in his or her mouth at the beginning of the fifteen-minute observation period;

(iv) Prior to the start of the test, the temperature of any liquid simulator solution utilized as an external standard, as measured by a thermometer approved of by the state toxicologist was thirty-four degrees centigrade plus or minus 0.3 degrees centigrade;

(v) The internal standard test resulted in the message "verified";

(vi) The two breath samples agree to within plus or minus ten percent of their mean to be determined by the method approved by the state toxicologist;

(vii) The result of the test of the liquid simulator solution external standard or dry gas external standard result did lie between .072 to .088 inclusive; and

(viii) All blank tests gave results of .000.

(b) For purposes of this section, "prima facie evidence" is evidence of sufficient circumstances that would support a logical and reasonable inference of the facts sought to be proved. In assessing whether there is sufficient evidence of the foundational facts, the court or administrative tribunal is to assume the truth of the prosecution's or department's evidence and all reasonable inferences from it in a light most favorable to the prosecution or department.

(c) Nothing in this section shall be deemed to prevent the subject of the test from challenging the reliability or accuracy of the test, the reliability or functioning of the instrument, or any maintenance procedures. Such challenges, however, shall not preclude the admissibility of the test once the prosecution or department has made a prima facie showing of the requirements contained in (a) of this subsection. Instead, such challenges may be considered by the trier of fact in determining what weight to give to the test result.

(5) When a blood test is administered under the provisions of RCW 46.20.308, the withdrawal of blood for the purpose of determining its ~~((alcoholic))~~ alcohol or drug content may be performed only by a physician licensed under chapter 18.71 RCW; an osteopathic physician licensed under chapter 18.57 RCW; a registered nurse, licensed practical nurse, or advanced registered nurse practitioner licensed under chapter 18.79 RCW; a physician assistant licensed under chapter 18.71A RCW; an osteopathic physician assistant licensed under chapter 18.57A RCW; an advanced emergency medical technician or paramedic ~~((licensed))~~ certified under chapter ~~((18.73))~~ 18.71 RCW; ~~((until July 1, 2016, a health care assistant certified under chapter 18.135 RCW))~~ or a medical assistant-certified or medical assistant-phlebotomist certified under chapter 18.360 RCW, a person holding another credential under Title 18 RCW whose scope of practice includes performing venous blood draws, or a forensic phlebotomist certified under chapter 18.360 RCW. When the blood test is performed outside the state of Washington, the withdrawal of blood for the purpose of determining its alcohol or drug content may be performed by any person who is authorized by the out-of-state jurisdiction to perform venous blood draws. Proof of qualification to draw blood may be established through the

department of health's provider credential search. This limitation shall not apply to the taking of breath specimens.

(6) When a venous blood sample is performed by a forensic phlebotomist certified under chapter 18.360 RCW, it must be done under the following conditions:

(a) If taken at the scene, it must be performed in an ambulance or aid service vehicle licensed by the department of health under chapter 18.73 RCW.

(b) The collection of blood samples must not interfere with the provision of essential medical care.

(c) The blood sample must be collected using sterile equipment and the skin area of puncture must be thoroughly cleansed and disinfected.

(d) The person whose blood is collected must be seated, reclined, or lying down when the blood is collected.

(7) The person tested may have a licensed or certified health care provider listed in subsection (5) of this section, or a qualified technician, chemist, or other qualified person of his or her own choosing administer one or more tests in addition to any administered at the direction of a law enforcement officer. The test will be admissible if the person establishes the general acceptability of the testing technique or method. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test or tests taken at the direction of a law enforcement officer.

~~((7))~~ (8) Upon the request of the person who shall submit to a test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to him or her or his or her attorney.

**Providing public notices of public health, safety, and welfare in a language other than English.**

Representative Santos moved the adoption of striking amendment (575):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that, as a matter of human dignity, all persons should be informed of emergency notifications in a manner in which they can understand. It is the intent of the legislature that all persons who may be in harm's way in an emergency are informed of their peril, and informed of appropriate actions they should take to protect themselves and their families.

NEW SECTION. Sec. 2. A new section is added to chapter 38.52 RCW to read as follows:

Beginning December 1, 2019, a state agency that provides life safety information in an emergency or disaster must provide, to the relevant committees of the legislature, a copy of its current communication plan for notifying significant population segments of such information, including the agency's point of contact. The state agency must also submit an annual report to the relevant committees of the legislature identifying those instances of emergency or disaster in the preceding year in which life safety information was provided and what public messaging strategies and means were used to notify citizens with limited English proficiency.

**Sec. 3.** RCW 38.52.010 and 2015 c 61 s 1 are each reenacted and amended to read as follows:

As used in this chapter:

(1) "Communication plan," as used in RCW 38.52.070, means a section in a local comprehensive emergency management plan that addresses emergency notification of life safety information.

(2) "Continuity of operations planning" means the internal effort of an organization to assure that the capability exists to continue essential functions and services in response to a comprehensive array of potential emergencies or disasters.

~~((2))~~ (3) "Department" means the state military department.

~~((3))~~ (4) "Director" means the adjutant general.

~~((4))~~ (5) "Emergency management" or "comprehensive emergency management" means the preparation for and the carrying out of all emergency functions, other than functions for which the military forces are primarily responsible, to mitigate, prepare for, respond to, and recover from emergencies and disasters, and to aid victims suffering from injury or damage, resulting from disasters caused by all hazards, whether natural, technological, or human caused, and to provide support for search and rescue operations for persons and property in distress. However, "emergency management" or "comprehensive emergency management" does not mean preparation for emergency evacuation or relocation of residents in anticipation of nuclear attack.

~~((5))~~ (6) (a) "Emergency or disaster" as used in all sections of this chapter except RCW 38.52.430 shall mean an event or set of circumstances which: (i) Demands immediate action to preserve public health, protect life, protect public property, or to provide relief to any stricken community overtaken by such occurrences, or (ii) reaches such a dimension or degree of destructiveness as to warrant the governor declaring a state of emergency pursuant to RCW 43.06.010.

(b) "Emergency" as used in RCW 38.52.430 means an incident that requires a normal police, coroner, fire, rescue, emergency medical services, or utility response as a result of a violation of one of the statutes enumerated in RCW 38.52.430.

~~((6))~~ (7) "Emergency response" as used in RCW 38.52.430 means a public agency's use of emergency services during an emergency or disaster as defined in subsection ~~((5))~~ (6) (b) of this section.

~~((7))~~ (8) "Emergency worker" means any person who is registered with a local emergency management organization or the department and holds an identification card issued by the local emergency management director or the department for the purpose of engaging in authorized emergency management activities or is an employee of the state of Washington or any political subdivision thereof who is called upon to perform emergency management activities.

~~((8))~~ (9) "Executive head" and "executive heads" means the county executive in those charter counties with an elective office of county executive, however designated, and, in the case of other counties, the county legislative authority. In the case of cities and towns, it means the mayor in those cities and towns with mayor-council or commission forms of government, where the mayor is directly elected, and it means the city manager in those cities and towns with council manager forms of government. Cities and towns may also designate an executive head for the purposes of this chapter by ordinance.

~~((9))~~ (10) "Expense of an emergency response" as used in RCW 38.52.430 means reasonable costs incurred by a public agency in reasonably making an appropriate emergency response to the incident, but shall only include those costs directly arising from the response to the particular incident. Reasonable costs shall include the costs of providing police, coroner, firefighting, rescue, emergency medical services, or utility response at the scene of the incident, as well as the salaries of the personnel responding to the incident.

~~((10))~~ (11) "Incident command system" means: (a) An all-hazards, on-scene functional management system that establishes common standards in organization, terminology, and procedures; provides a means (unified command) for the establishment of a common set of incident objectives and strategies during multiagency/multijurisdiction operations while maintaining individual agency/jurisdiction authority, responsibility, and accountability; and is a component of the national interagency incident management system; or (b) an

equivalent and compatible all-hazards, on-scene functional management system.

~~((11))~~ (12) "Injury" as used in this chapter shall mean and include accidental injuries and/or occupational diseases arising out of emergency management activities.

~~((12))~~ (13) "Life safety information" means information provided to people during a response to a life-threatening emergency or disaster informing them of actions they can take to preserve their safety. Such information may include, but is not limited to, information regarding evacuation, sheltering, sheltering-in-place, facility lockdown, and where to obtain food and water.

(14) "Local director" means the director of a local organization of emergency management or emergency services.

~~((13))~~ (15) "Local organization for emergency services or management" means an organization created in accordance with the provisions of this chapter by state or local authority to perform local emergency management functions.

~~((14))~~ (16) "Political subdivision" means any county, city or town.

~~((15))~~ (17) "Public agency" means the state, and a city, county, municipal corporation, district, town, or public authority located, in whole or in part, within this state which provides or may provide firefighting, police, ambulance, medical, or other emergency services.

~~((16))~~ (18) "Radio communications service company" has the meaning ascribed to it in RCW 82.14B.020.

~~((17))~~ (19) "Search and rescue" means the acts of searching for, rescuing, or recovering by means of ground, marine, or air activity any person who becomes lost, injured, or is killed while outdoors or as a result of a natural, technological, or human caused disaster, including instances involving searches for downed aircraft when ground personnel are used. Nothing in this section shall affect appropriate activity by the department of transportation under chapter 47.68 RCW.

**Sec. 4.** RCW 38.52.070 and 1997 c 49 s 4 are each amended to read as follows:

(1) Each political subdivision of this state is hereby authorized and directed to establish a local organization or to be a member of a joint local organization for

emergency management in accordance with the state comprehensive emergency management plan and program: PROVIDED, That a political subdivision proposing such establishment shall submit its plan and program for emergency management to the state director and secure his or her recommendations thereon, and verification of consistency with the state comprehensive emergency management plan, in order that the plan of the local organization for emergency management may be coordinated with the plan and program of the state. Local comprehensive emergency management plans must specify the use of the incident command system for multiagency/multijurisdiction operations. No political subdivision may be required to include in its plan provisions for the emergency evacuation or relocation of residents in anticipation of nuclear attack. If the director's recommendations are adverse to the plan as submitted, and, if the local organization does not agree to the director's recommendations for modification to the proposal, the matter shall be referred to the council for final action. The director may authorize two or more political subdivisions to join in the establishment and operation of a joint local organization for emergency management as circumstances may warrant, in which case each political subdivision shall contribute to the cost of emergency management upon such fair and equitable basis as may be determined upon by the executive heads of the constituent subdivisions. If in any case the executive heads cannot agree upon the proper division of cost the matter shall be referred to the council for arbitration and its decision shall be final. When two or more political subdivisions join in the establishment and operation of a joint local organization for emergency management each shall pay its share of the cost into a special pooled fund to be administered by the treasurer of the most populous subdivision, which fund shall be known as the . . . . . emergency management fund. Each local organization or joint local organization for emergency management shall have a director who shall be appointed by the executive head of the political subdivision, and who shall have direct responsibility for the organization, administration, and operation of such local organization for emergency management, subject to the direction and control of such executive officer or officers. In the case of a joint local organization for emergency management, the director shall be

appointed by the joint action of the executive heads of the constituent political subdivisions. Each local organization or joint local organization for emergency management shall perform emergency management functions within the territorial limits of the political subdivision within which it is organized, and, in addition, shall conduct such functions outside of such territorial limits as may be required pursuant to the provisions of this chapter.

(2) In carrying out the provisions of this chapter each political subdivision, in which any disaster as described in RCW 38.52.020 occurs, shall have the power to enter into contracts and incur obligations necessary to combat such disaster, protecting the health and safety of persons and property, and providing emergency assistance to the victims of such disaster. Each political subdivision is authorized to exercise the powers vested under this section in the light of the exigencies of an extreme emergency situation without regard to time-consuming procedures and formalities prescribed by law (excepting mandatory constitutional requirements), including, but not limited to, budget law limitations, requirements of competitive bidding and publication of notices, provisions pertaining to the performance of public work, entering into contracts, the incurring of obligations, the employment of temporary workers, the rental of equipment, the purchase of supplies and materials, the levying of taxes, and the appropriation and expenditures of public funds.

(3) (a) Each local organization or joint local organization for emergency management that produces a local comprehensive emergency management plan must include a communication plan for notifying significant population segments of life safety information during an emergency. Local organizations and joint local organizations are encouraged to consult with affected community organizations in the development of the communication plans.

(i) In developing communication plans, local organizations and joint organizations should consider, as part of their determination of the extent of the obligation to provide emergency notification to significant population segments, the following factors: The number or proportion of the limited English proficiency persons eligible to be served or likely to be encountered; the

frequency with which limited English proficiency individuals come in contact with the emergency notification; the nature and importance of the emergency notification, service, or program to people's lives; and the resources available to the political subdivision to provide emergency notifications.

(ii) "Significant population segment" means, for the purposes of this subsection (3), each limited English proficiency language group that constitutes five percent or one thousand residents, whichever is less, of the population of persons eligible to be served or likely to be affected within a city, town, or county. The office of financial management forecasting division's limited English proficiency population estimates are the demographic data set for determining eligible limited English proficiency language groups.

(b) Local organizations and joint local organizations must submit the plans produced under (a) of this subsection to the Washington military department emergency management division, and must implement those plans. An initial communication plan must be submitted with the local organization or joint local organization's next local emergency management plan update following the effective date of this section, and subsequent plans must be reviewed in accordance with the director's schedule.

(4) When conducting emergency or disaster after-action reviews, local organizations and joint local organizations must evaluate the effectiveness of communication of life safety information and must inform the emergency management division of the Washington military department of technological challenges which limited communications efforts, along with identifying recommendations and resources needed to address those challenges.

**NEW SECTION. Sec. 5.** A new section is added to chapter 38.52 RCW to read as follows:

(1) Beginning December 1, 2019, the Washington military department emergency management division must submit a report every five years to the relevant committees of the legislature containing the status of communication plans produced under RCW 38.52.070 (3) (a) .

(2) The emergency management division of the Washington military department must provide the legislature an annual report

on instances of emergency or disaster in which communication of life safety information was technologically infeasible, as reported to the department pursuant to RCW 38.52.070(4). When potential technology solutions exist, the report must include recommendations and an estimate of resources required to remedy the infeasibility. The first annual report is due December 1, 2019.

**NEW SECTION. Sec. 6.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2017, in the omnibus appropriations act, this act is null and void."
