According to the center for disease control's national intimate partner and sexual violence survey, about one in three women and one in three men reported experiencing intimate partner violence in their lifetime. In Washington in 2017, over fifty-four thousand domestic violence offenses were reported to law enforcement and forty-nine domestic violence homicides were committed.

(2) The legislature finds that the workplace may be the only location in which an individual experiencing domestic violence may be free from a perpetrator and feel safe. Individuals experiencing domestic violence may also find the workplace a place of shared confidences. Therefore, the legislature intends to create a task force to explore ways in which the employer and employee community may help curb domestic violence.

(3) This section expires June 30, 2021.

NEW SECTION. **Sec. 2.** (1) The department of commerce shall convene a task force on domestic violence and workplace resources to identify the role of the workplace in helping to curb domestic violence.

(3) The task force shall choose the chair or cochairs from among its membership.

(4) The task force shall review the following issues:

(a) The role of the workplace in the lives of individuals experiencing domestic violence;
