# The SR 520 Corridor

- State's innovation and high tech corridor
- Connects UW, Bellevue, Redmond
- Major job generator past, present and future

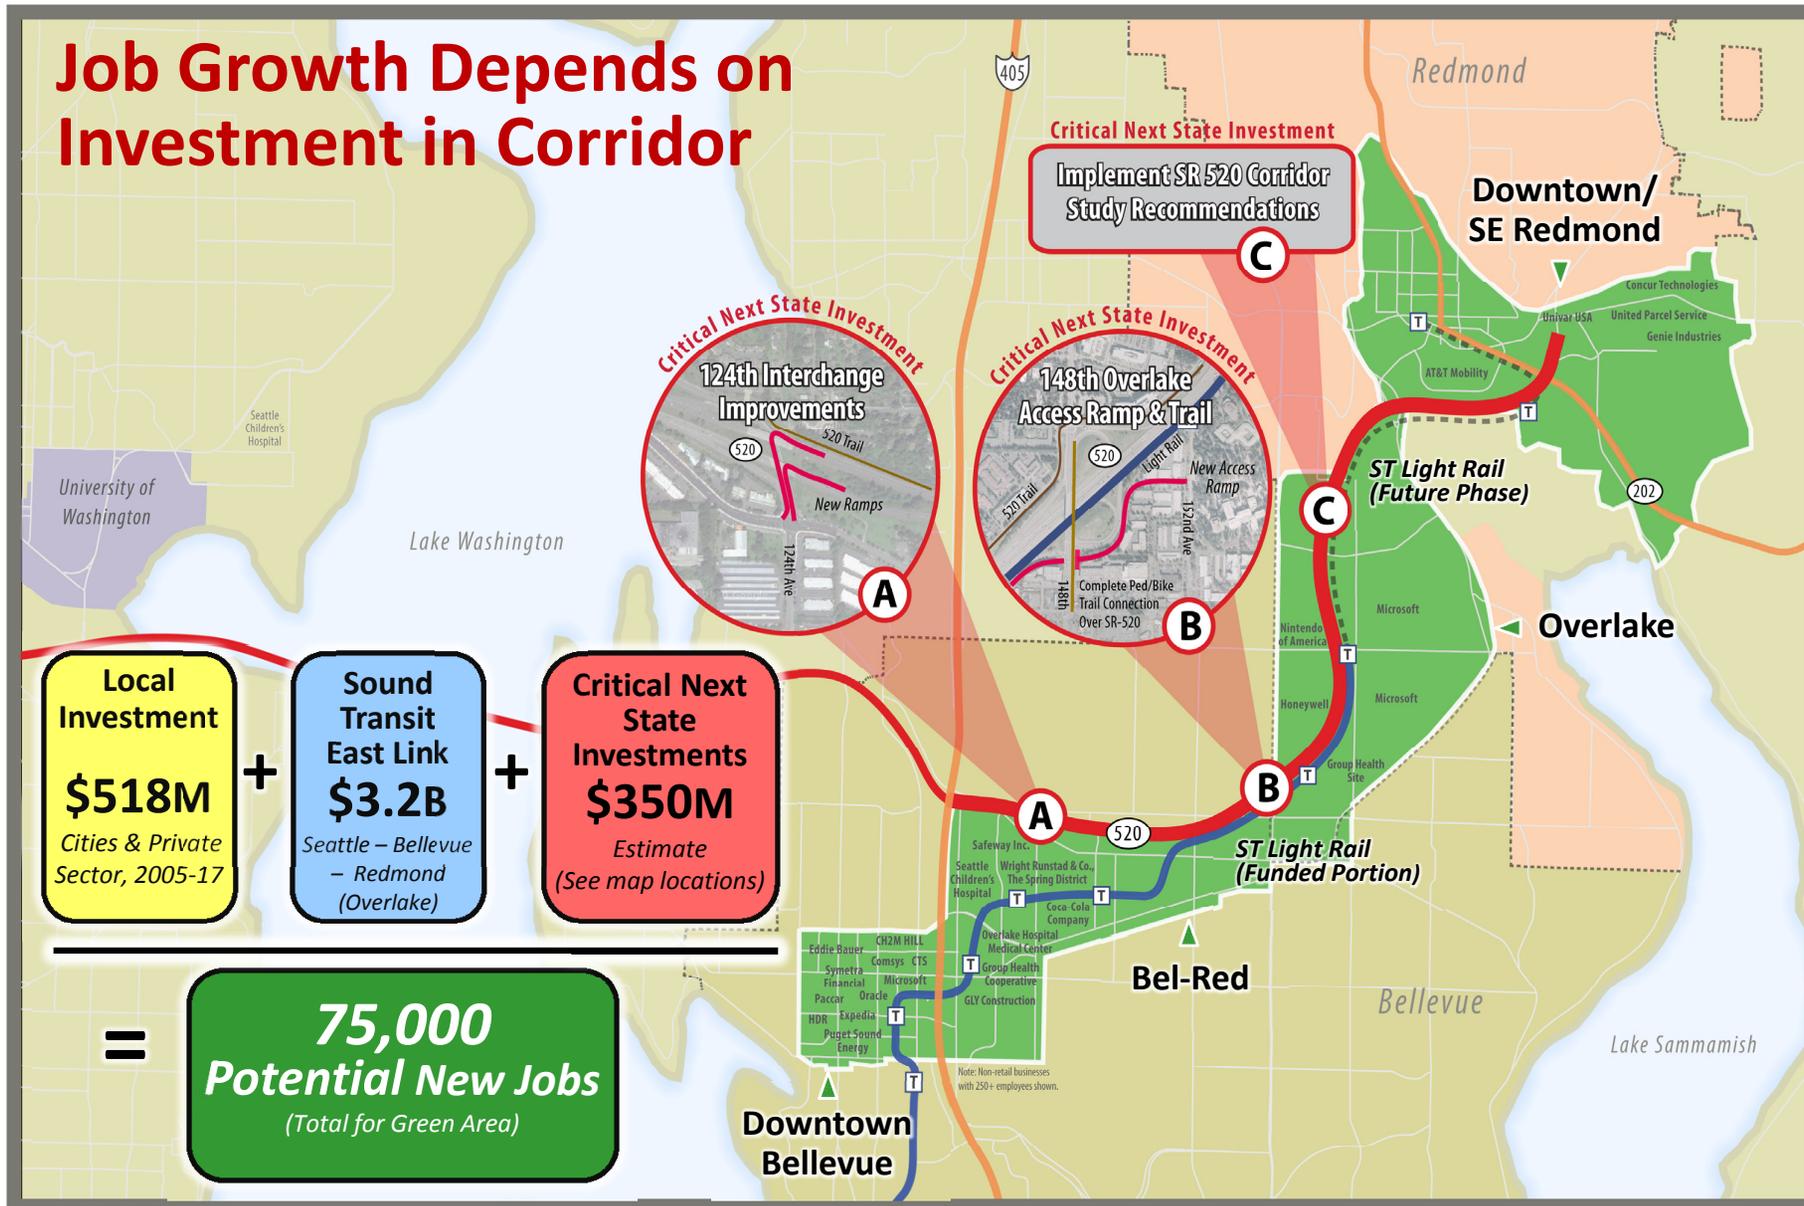

# Job Growth

- Since 1990, Bellevue and Redmond **over 70% job increase**
- SR 520 Corridor potential **75,000 new jobs**
  - Jobs today: 132,300
  - Jobs in 2030: 207,600

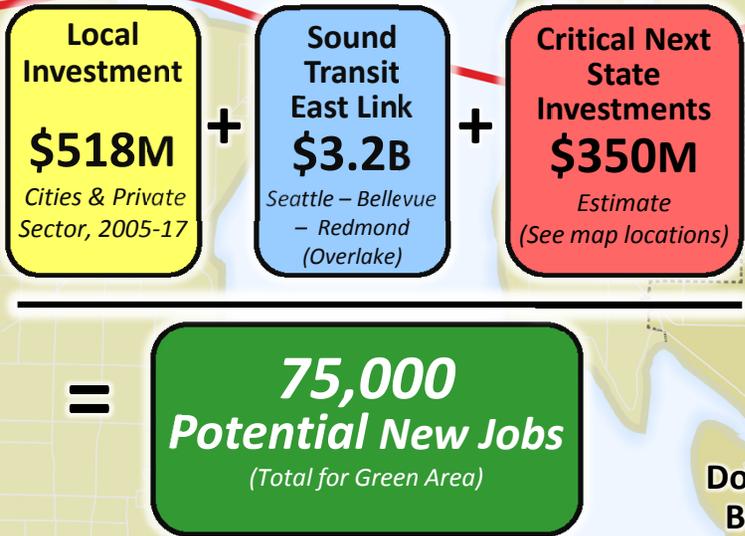

# Job Growth Depends on Investment in Corridor

# Equation for Job Growth

- Job growth *NOT* foregone conclusion
- State investments leveraged
- Continued partnership

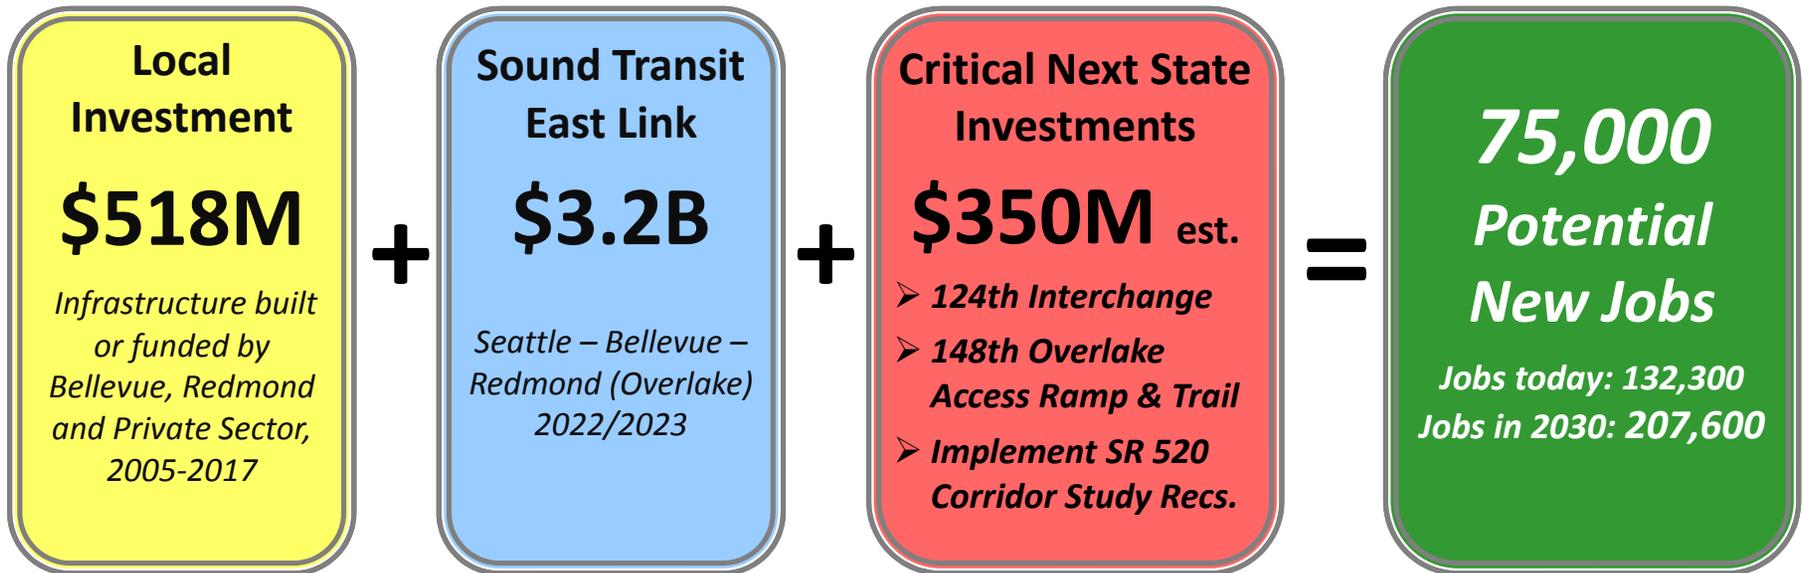

**Critical Next State Investment**  
Implement SR 520 Corridor Study Recommendations

# Microsoft Employee Distribution

# Partnership for Job Growth

## Coalition Supports SR 520 Improvements
