

JOINT TRANSPORTATION COMMITTEE

WASHINGTON STATE LEGISLATURE

www.leg.wa.gov/JTC

DRAFT Agenda

Wednesday, January 4, 2012

10:00 AM – 1:00 PM

John A. Cherberg Building, Hearing Room 1
Olympia

1. Ferry Fare Media Study (45 min) 10:00

Consultants will present their findings and recommendations

*Gene Baxstrom, JTC project manager; Kathy Scanlan, Cedar River Group project manager;
Michael Hodgins, BERK; Paul Lavelle, IBI Group*

2. P3 Study draft final report (15 min) 10:45

This study evaluated the potential for public private partnerships (P3s) to finance transportation projects in Washington, and provides a conceptual P3 implementation plan for the state.

Mary Fleckenstein, JTC project manager

3. Stormwater study draft final report (10 min) 11:00

This study identified ways to improve the process by which WSDOT reimburses cities for the costs of managing stormwater from state highways within city boundaries, and identified stormwater management efficiencies.

Diane Schwickerath, JTC project manager

4. Ferry LNG study draft final report (10 min)..... 11:10

This study evaluated the use of liquefied natural gas in Washington State Ferries vessels.

Mary Fleckenstein, JTC project manager

5. Ferry Management Organization Study draft final report (10 min) 11:20

This study evaluated the management structure of the Washington State Ferry system, and its ability to manage in an evolving operating environment.

Gene Baxstrom, JTC project manager

6. Ferry system performance targets (30 min)..... 11:30

2ESSB 5742, Section 10 requires the ad hoc committee appointed by the Governor to establish performance targets for the Washington state Ferry System to present the performance measures to the JTC for review.

Presenter from Governor's office

7. PSRC report on transit overlay zone, multimodal concurrency (30 min) 12:00

The Puget Sound Regional Council will report on progress with implementing a multimodal concurrency approach to a local transit overlay zone, the goals for doing so being improved transit efficiency, land use decisions and development patterns. Final report on January 31, 2012.

Gil Cerise, Project Manager, Puget Sound Regional Council

8. Specialized license plates (30 min) 12:30

Section 703 of the Transportation Budget (ESHB 1175) directs the Department of Licensing to report to the JTC, rather than the House and Senate Transportation Committees, concerning special license plates. This is the first annual report to JTC.

Presenter from Dept. of Licensing

9. ADJOURN.....1:00
