

Voice of Washington State

Speak out on transportation

Sponsored by the
Washington State
Transportation Commission

voiceofwashingtonstate.org

The Washington State Transportation Commission invites you to join the Voice of Washington State (VOWS). It's your opportunity to voice your opinions on important transportation issues.

You can participate in two ways:

- 1. Join the Survey Panel and receive short surveys throughout the year**
- 2. Participate in online regional discussion forums and share your ideas**

What is the Voice Of Washington State (V.O.W.S.)?

The V.O.W.S. is an online public input program that gives citizens two ways to voice their opinions: 1. Participate in periodic online surveys on transportation issues, sent via email; 2. Participate in online regional discussion forums.

There are seven regions and you can participate in as many forums as you like. Anyone can join V.O.W.S. Go to voiceofwashingtonstate.org

Why is my participation important?

How we address growing transportation needs across the state is an ongoing challenge and decision makers need to know where Washington citizens stand on critical issues that impact their lives on a daily basis. All results from VOWS surveys and discussion forums are presented to the Governor and Legislature to inform their discussions and decision making. This is one way to be sure the voice of Washington is heard.

If I sign up will my personal information be protected?

Yes! All personal identifying information is deleted from the survey data and is not shown on the discussion forums. Your information will be grouped and analyzed with that of other citizens and results will only be presented in the aggregate.
