

Agenda

Tuesday, November 13, 2018

10:00 AM – 3:15 PM

Tacoma, Hotel Murano, Bicentennial Plaza, Room E/F

1. Introductions and Welcome (5 min) 10:00

2. Regulation of Transportation Network Companies – Study Update (50 min) 10:05

The legislature directed the JTC to review and analyze state and local regulations that govern transportation network companies. The study will also include policy options for the Legislature to consider as informed by stakeholder engagement and interviews with other jurisdictions. The final report for this study is due January 14, 2019.

For this work session, the consultants will give an update on the study and highlight some of their initial findings.

Dave Catterson, JTC Project Manager; Allegra Calder, Project Manager, BERK Consulting; Robert Feldstein, Cedar River Group

3. Regulation of Taxis and For-Hire Services – Study Update (40 min) 10:55

The legislature directed the JTC to examine the regulation of taxi and for-hire services by the state, local governments and port districts. The study includes comparisons of local regulations, feedback from jurisdiction and industry representatives around the state, and recommendations to improve the competitive fairness of the current regulatory frameworks. The final report for this study is due January 14, 2019.

For this work session, the consultants will give an update on the study and highlight some of their initial findings.

Beth Redfield, JTC Project Manager; Allegra Calder, Project Manager, BERK Consulting; Robert Feldstein, Cedar River Group

4. WSDOT Puget Sound Gateway Program Update (30 min) 11:35

The Puget Sound Gateway Program is composed of two projects funded through the Connecting Washington package: the completion of SR 167 in Pierce County, and the completion of SR 509 in King County.

*Craig J. Stone, P.E. Gateway Program Administrator, WSDOT
Brent Baker, Tolling and Finance, Gateway Program, WSDOT*

5. Lunch break (40 min)12:05

(over)

- 6. County Transportation Issues (60 min)12:45**
The panelists will provide a history of federal Surface Transportation Program funding in Washington state and discuss the potential benefit of swapping STP funds for state funds when used for local projects.

*Jane Wall, Managing Director, Washington Association of County Engineers
Todd O'Brien, Public Works Director, Adams County
Rich James, Transportation Program Manager, Clallam County
Monte Reinders, Public Works Director & County Engineer, Jefferson County*

- 7. Air Cargo Study – Draft Final Report (60 min)1:45**
In 2017, the Legislature directed the JTC to conduct a study of air cargo movement in Washington state, to evaluate system capacity, identify market forces contributing to cargo movement, and evaluate how to effectively use existing capacity throughout the state. The study will be completed by December 2018.

In this work session the consultants will present their findings and recommendations and a summary of their draft final report.

Beth Redfield, JTC Project Manager; Joe Bryan, Project Manager, WSP; Tom Phillips, Keiser Phillips Associates

- 8. Commercial Driver's Licenses and Medical Certifications – Draft Final Report (30 min).....2:45**
The Legislature directed the JTC to assess and recommend methods for setting state medical standards for certain types of commercial driver's licenses (CDLs). The final report for this study is due January 14, 2019.

In this work session JTC staff will present their findings and a summary of the draft final report.

Paul Neal, JTC Senior Counsel

- 9. Adjourn3:15**
