

**Addendum to Strategy 2 based on subgroup's discussion:**

**Subsection 1 re. benefit plan flexibility –**

Continue to evaluate options to provide additional flexibility to carriers on benefit designs.

**Subsection 3 re. connector functions –**

Introduce legislation that would:

- Leverage employer, employee and state dollars to expand coverage to the uninsured;
- Maximize opportunities for employers and employees to use pre-tax dollars;
- Pool individual and small business employees;
- Give consumers portable health coverage;
- Increase consumers' plan choice; and
- Provide consumers with information to make informed decisions on benefit plans.
