On motion of Senator McDougall, the rules were suspended, Engrossed Senate Bill No. 635 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Whetzel: "Will Senator Murray yield? Senator, in section 8 it talks about permitting signs lawfully erected and maintained visible from the main traveled way, the primary system within commercial and industrial areas. Is it correct that this has to be read in context with section 3 that the regulation that in case of a highway that is both part of the primary system and the scenic system, that the scenic system regulations would control?"

Senator Murray: "The scenic system regulations would control from the standpoint of conformity with the act. However, in the two hundred and twenty miles of overlap between the scenic system and the primary system, from the standpoint of removing those signs, the grandfather clause and/or the compensation clause for the primary system would prevail for existing signs. But for all future construction where they do have an overlap, the standard would be that of the scenic which is much higher than the primary."

Senator Whetzel: "The regulations would be those of the scenic system but the compensation features would be those of the primary system?"

Senator Murray: "That is right. We have to have it that way to be in conformity with the federal act."

ENGROSSED SENATE BILL NO. 635, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

APPOINTMENT OF SPECIAL COMMITTEE

The President announced the presence within the bar of the Senate of Victor A. Meyers, former Lieutenant Governor and Secretary of State of the state of Washington and appointed Senators Talley, Henry, Guess and Peterson (Ted) to escort the honored guest to a place of honor upon the rostrum.

APPOINTMENT OF SPECIAL COMMITTEE

The President announced the presence within the bar of the Senate of United States Senator Warren G. Magnuson and appointed Senators Keefe, Woodall, Atwood, Andersen, Bailey, Greive and Donohue to escort Senator Magnuson to a place of honor upon the rostrum.

PRESIDENT'S PRIVILEGE

The President: "Honored members of the Senate, ladies and gentlemen, it is not often that the President has the opportunity to present an illustrious and renowned former quarterback of the University of Washington Huskies. A poor but honest young man who rode the rods on a gully jumper from the vast expanse of the midwest to the Evergreen State of Washington in the mid-twenties, where he arrived in true Horatio Alger manner, worked his way through the University of Washington Law School, admitted to the bar after graduating with honors, later served as a member of the State House of Representatives in Olympia, became the prosecuting attorney of King county, later to become one of the most distinguished members of the House of Representatives in Washington, D.C., and then reached for the highest point and became a United States Senator who has served with distinction and honor and capability for many years.

"The President realizes, through his particular career, that winning may not be everything but it is way ahead of what is in second place. Senator Warren G. Magnuson has won every election he has ever entered and I am sure that everyone will agree that he will continue to win any particular election that he chooses to enter. He is now the sixth ranking Senator in the United States Senate in point of seniority, but in the hearts and minds of many of us he is mister number one. Warren G. Magnuson, United States Senator."

REMARKS BY SENATOR WARREN G. MAGNUSON

Senator Magnuson: "Governor, fellow Senators, Vic, my old friend—first of all I deeply appreciate this invitation. I am so glad I could be here to accept it. I surely do not want to disrupt the work which you are doing now. I know legislative bodies very well and I know they drag along for a while and all of a sudden everything erupts. And I have been reading the papers about you, as you have been reading about us in the United States Senate, and I understand that many things are happening here this week and today, in hopes that you might get through this session sooner or later. I envy you because the United States Congress never seems to get through. It is about eleven or twelve months out of the year and that is because the problems of the country and the state and all of us are involved in so many things, the importance and the responsibility of legislative bodies has grown and grown and grown. I needn't tell you people who have been here a long time that every year and every session it seems to get more and more and more. I have found out after, well pretty near forty years in legislative bodies that there are not many new problems, there are just more of them. And I know the agonies that we all go through in this present day and age to try and meet the needs within our capabilities of what we think should be done for the people that we represent.

"I suppose I could stand here all afternoon and talk about what they are, what the priorities are, but you get down to the fact—who is going to pay for it and where are you going to get the money. Isn't that correct? There are so many things to be done, not only in this country but in this state that you people are involved in that we want to do but we know that we have to fit that within what capabilities we may have to do it. And this

becomes a problem of a legislature. And I know, I think I have an understanding of what those problems are. I have an understanding that there is a great need for better federal-state relationships in all, not only in fiscal matters but in all other matters. And we have got to become more a part in the Congress of the United States. We set the pace like you do here in the problems of every area. I think there has got to be some revenue sharing of some kind. I do not know just the format of it but I think we have to do something about it on the federal level. I am going back Saturday and on Monday I am going to start hearings on the HEW appropriation. Twenty-nine billion dollars, of which the state of Washington in education alone shares about forty-two million. All the welfare problems, social security problems, and all the things that now have a crying need for us to participate in and the legislatures of the states and the nation to do some kind of a job. We had the dubious distinction this year of being the highest unemployment rate in the nation. That is caused mainly by a decline in aerospace employment. But I do not think a couple of airplanes should stop the people from this state of realizing that we can do all the things that we need to do and come back and have a sustained economy here. I was down here in 1933. That is a long time ago, isn't it? I am really not that old. Vic was here. We had an unemployment mark that these things that happened to me in Seattle last week looked like a Sunday school picnic, the one we had. And about forty percent of the people at least were out of work. We came out of it. We did a job and the legislature in this state took the initiative, cooperation with the national government. They took the initiative at that time and we have got to do it again. Now the immediate problem is a difficult one. The aerospace industry, as far as employment is concerned, sums up to one thing. I do not think any of us in this room can do too much about it. American airlines have to start to buy airplanes. Simple as that. The SST got defeated. SST was one facet, it became a symbol. Too much of a symbol. But Boeing has laid off sixty thousand people. In the SST we are talking about maybe four. And the airline industry got in such financial shape in the last two years that we conducted in the Senate Commerce Committee, of which I am chairman, a month's long hearing, pretty near as bad as the railroads. But I think they are coming back.

"High interest rates caused a decline in employment in the—I do not know, I guess the lumber industry and its allied products is just as large as the aerospace industry in this state as far as unemployment is concerned. High interest rates stopped a lot of building, home building and all these things and I think we can look forward to keeping those interest rates down. I hope so. They were the villains. They were the villains in the piece, or higher interest rate was the villain in the piece on the inability of American airlines to buy airplanes. Now that is coming back.

"Now one other thing I want to mention. What else can we do right now? We should accelerate, and we have a bill in Congress which I think will pass within the next two weeks, that will accelerate the payment of public works projects, long overdue. I do not know how many millions this state has in public works projects that are planned, feasible and ready to go. Need to do it now. And I think the legislature has addressed themselves to that. Hospitals, roads, educational facilities, sewer facilities, all these things that we are going to need. Some of that money has been frozen. We are going to dedicate ourselves, all of us in Congress, to unfreeze some of it. It amounts to millions of dollars. Hundreds of millions. So I come with a message, I hope, to you that is not pessimistic at all. I think we can do these things if we work together. And I want to be one who will tell you that I understand the problems of the states. And I understand the money problems that you have, the fiscal problems. And I think there has got to be, sooner or later, some joining of the federal government and the local governments to meet this burden.

"I noticed around the state this week, and I have been around the state for a week, that pretty near every special school levy was defeated, wasn't it? Pretty near every place. And I am convinced, I want to say here today to you people who have this responsibility, that the burdens on education and welfare, as far as the states are concerned, have become unbearable. Now I have come to a tentative conclusion. I may change my mind, I do not know the format of it. But I think right now and I stand here and say I think the federal government has ultimately got to take over all the welfare costs in the United States. I really do. I do not see how you can handle them anymore. They are growing by leaps and bounds. And we would have some uniform procedure in handling welfare costs which would relieve you people, give you some leeway to do many of the things that you want to do here that you cannot do because of your fiscal restraints. And that is what we are going to do, we are going to try and do.

I bring you greetings from my colleague, Senator Jackson, and all the Congressional delegation. We want to work with you and meet these problems and we can. I know the legislative procedure. You are beholden sometimes to a lot of things that you believe in, your conscience. You have still got to represent your people, your own districts. But we can put it all together and do not have any long faces about the future of the state of Washington. You may be a little impatient about it but it will be there. Thank you very much."

PRESIDENT'S PRIVILEGE

The President: "Senator Magnuson, the members of the Senate join with everyone else in extending a very grateful vote of thanks to you and we find that your message, rather than being pessimistic, is really very encouraging. And thank you so much for being with us.

"Honored members of the Senate, Senator Magnuson has graciously consented to attempt to reply to any questions that the members may have."

POINT OF INQUIRY

Senator Washington: "What is the status, or is there any possibility of federal funds for developing new types of mass transportation? I noticed there is some discussion along that line."

Senator Magnuson: "This is one thing—we have a two-pronged problem. What can we do immediately and what can we do for a long range problem? Now we have in the Senate Commerce Committee, and we got the appropriation for it, for a mass transit demonstration. And I have high hopes that the first demonstration project will be sent out here, which would be used between Seattle and Sea-Tac and Tacoma, for instance, as a start. And use some of the expertise that Boeing has, some of this talent that they have, and try and break this, what we call a technological Appalachia that we have, and I have high hopes. I think we will get that project to begin with. This will turn the talents to some other things that some of the people talked about, when they even voted against the SST. And it is a good future for that, yes.

"Well, let me tell you something else. NOAA, which is the big agency, finally we put it in one agency for oceanography, they are going to have their whole Pacific coast headquarters in Seattle. I think the potential of oceanography in ten, fifteen years, is just as great even as the aerospace industry. We have the best laboratory in the world, in all of Puget Sound, for this work, research and development and all the things we can do. Fish farming could be just as great, the aquaculture could be just as great as the agriculture. And we have a lot of things to do. These are long range, but we have got to do something now. That is public works, that is unfreezing some of the funds that have been frozen. Twenty-seven billion dollars in the United States has been frozen. Roads, sewer systems, additions to educational institutions, hospitals and all these things. Every government has traditionally done that when there is a dip, a recession, they move in with public works projects. But that requires, of course, a matching and a local contribution and a planning of the projects that you people of the state of Washington think need to be done."

Senator Canfield: "Senator Magnuson, you spoke of the welfare situation and the possibility of the federal government taking over this burden. Under any plan which you might conceive, would the state of Washington and other states, would they have any screening authority or would all the authority come out of Washington, D.C.?"

Senator Magnuson: "No, I do not think we should take all that authority back to Washington. I do not want it. I do not think anybody else wants it. But I think the federal government has to pay the bill on welfare. I do not see how the state, any state, this state or any other state, can stand this burden. It is just growing, as everybody in this room knows, you people know, by leaps and bounds. I suppose there would be some basic rules you would have to abide by, but they would be uniform and they would be the same throughout the Union. The trouble is now we have fifty different versions on how to administer the welfare program. Pretty near fifty, I will bet there are forty-five, at least. And I do not see how you can do it. Now that does not mean we discontinue our aid to education. Now the federal government, and as I told you I am going back Saturday and I start HEW. I have five hundred and sixteen witnesses to hear. On the whole education bill and the health bill. And the social security. Now we contribute in education, for instance, about eight percent, round figures, of your education needs in the state or any other state. Now that does not mean that we are going to take that away because we relieve you of the burden of welfare, because it is needed. Now that is subject sometimes to rules and regulations but pretty much we leave it up to the local authorities and I want to continue that. But I think we have got to do it. I do not see how the states can handle these things anymore, fiscally."

POINT OF INQUIRY

Senator Guess: "Senator Magnuson, the construction schedule on Lower Granite Dam did not have a sufficient amount of money to carry them out for the fiscal year. They are now operating on the contractors' money. They are somewhat in a dilemma as to whether or not they are going to have enough money to go to July 1. Is there any possibility of making sure that that job does not shut down between now and July 1?"

Senator Magnuson: "The present budget, the fiscal '72 budget contains enough money to do what you suggest. And our only problem is whether the budget will freeze the money. They froze last year's money and we are trying to unfreeze all of this money, which includes our dams and many public works projects. I think it is good, to answer your question specifically."

POINT OF INQUIRY

Senator Dore: "I just wanted to know if Senator Magnuson might want to comment upon Senator Jackson's chances to be our next president and what the prospects are."

Senator Magnuson: "I want to tell you, in the United States Senate we do not have as

fancy galleries as you have here but we have galleries up there and you could throw a rock down there and no matter who you hit, except Senator Ellander who is eighty-two years old and Senator Magnuson, who is not a candidate, you would hit a potential candidate for the presidency. And Senator Jackson is just as able and as capable as any of them that you would hit. Is that a good way to answer it?"

POINT OF INQUIRY

The President: "Senator Magnuson, Senator James Keefe of Spokane has directed a question to you in relation to the Spokane Expo '74."

Senator Keefe: "Senator, we appreciate your dedication to Expo '74 and the legislature here in their wisdom passed a bill and I understand it has some funds back in Washington. Could you give us a rundown?"

Senator Magnuson: "Here we go again about funds in Washington. I think that this is a good project and before I even further answer—Senator Dore, may I have your attention—I and all the people in eastern Washington want to thank you for not only the kind remarks you had to say about me supporting this thing. I think it is going to be a good thing for this state. And they did their job well and you people, this is the way we had to start the Seattle one, and New York and all. We start with the legislature and I am hopeful that I can carry through at my end on the federal government. I tell you I do not guarantee this but I am going to be awfully persuasive. Appropriation time is not a bad time to talk about it with these people."

With leave of the Senate, business was suspended to permit Victor Meyers to address the Senate.

The committee of honor escorted Senator Magnuson and Victor Meyers from the Senate Chamber.

MOTION

Senator Holman moved that the Judiciary Committee be instructed to report back to the Senate, Engrossed Senate Bill No. 227 with recommendations and reasons therefor within seventy-two hours.

POINT OF ORDER

Senator Greive: "Mr. President, point of order, Reed's Rule 160 says that if a bill is committed or anything is done with instruction it opens the entire matter up to debate."

RULING BY THE PRESIDENT

The President: "The Senator's point is well taken."

MOTION

Senator Gissberg moved that the motion by Senator Holman be laid upon the table.

Senator Holman demanded a roll call and the demand was sustained by Senators Greive, McCutcheon, Metcalf, McDougall, Scott, Elicker, Newschwander, Canfield and Atwood.

PERSONAL PRIVILEGE

Senator Holman: "Personal privilege, Mr. President. During the debate just finished, I am sure he did not mean it this way but Senator Woodall rather indicated that possibly I had some reservations as to the treatment of the chairman of the Senate Judiciary Committee and I certainly would want to dispel any feeling that anyone here might have. I have said this many times and I will say it right now, I think Senator Gissberg is just about the most competent, hard working and dedicated committee chairman I have ever had the privilege of serving under. It is certainly true that he has expedited the members' bills, including my own bills, to every extent possible.

"So to the purpose of my motion which was turned down a few minutes ago had nothing to do with that at all. But I just felt that as a realist and knowing the views of the members of the committee that there just would not be any possibility of getting it out that way and that is the reason I wanted the Senate as a whole to vote on it but it has nothing to do with Senator Gissberg."

REMARKS BY SENATOR WOODALL

Senator Woodall: "Well, Senator Holman, if by any stretch of the imagination anything I said could be so construed I certainly did not mean to imply it. May I hasten to add that perhaps his number one diligent member happens to be Senator Holman, who is always there, always in attendance and always willing and ready to work. So it has been a very harmonious committee and I am sure that there is no inner feelings within the committee of anything except unity."

REMARKS BY SENATOR GISSBERG

Senator Gissberg: "I appreciate the kind remarks, Senator Holman. My only regret is that you do not have any bills left in my committee."

REMARKS BY SENATOR HOLMAN

Senator Holman: "I am sorry to remind you that Senate Bill No. 227 is sponsored by Senators Holman and Washington."

POINT OF INQUIRY

Senator Peterson (Ted): “Would Senator Bailey yield? On your figures on these increases, what is the time element on these increases? You had some high increases there of up to thirty-six percent. How many years does this cover?”

Senator Bailey: “As I understand it, this is based on the latest four-year period and this has been longer than that, of course, since we raised county salaries, but it was based on the latest four-year period for computation of these other people. Actually we are probably not raising them as much as we should if we would really go back and research it down to the year.”

Senator Lewis moved adoption of the following amendment to the amendment by Senators Bailey and McDougall:

On page 1, section 1, line 8 of the amendment, after “The” and before “salaries” insert “*maximum*”;

Debate ensued.

POINT OF INQUIRY

Senator Canfield: “Will Senator Lewis yield? Since we have Senate Joint Resolution No. 38 making some suggested changes in the State Constitution regarding this matter, I wonder if your idea which I think is quite commendable could not be reworded to fit into this Joint Resolution and submit it to the people so, if passed, it would then give to the legislative authority of a county the right to set these salaries. Then it would be constitutional without any question if approved by the people.”

Senator Lewis: “I think that might be a meritorious idea. I just happen to be in the position that I disagree with those who oppose this amendment. I think it is a proper place to propose it. I think it does what I intended it to do and I raised the issue on the floor for that purpose.”

“I think if you consider carefully the effect of the amendment, and I did have this checked out with an attorney. I did not draft this myself and I believe that those who are speaking against the amendment are speaking with the purpose of trying to destroy it and have done an effective job in so trying. However, I do believe the amendment is properly drawn.”

“I would not object to including it in that constitutional amendment but it is before us now and I think it is properly before us and that it should be considered at this time.”

On motion of Senator Talley, the amendment by Senator Lewis to the amendment by Senators Bailey and McDougall was laid upon the table.

Senator Huntley moved adoption of the following amendment by Senators Huntley and Washington to the amendment by Senators Bailey and McDougall:

On page 2, section 1, line 23 of the amendment, after "attorney," and before "[ten]" insert "in such a county in which there is no state university," and on line 23 after "dollars;" insert "prosecuting attorney, in such a county in which there is a state university or college, fifteen thousand dollars;"

Debate ensued.

POINT OF INQUIRY

Senator Bailey: "Senator Huntley I agree with you but a thought strikes me that we have done something here that is not quite going to work. What do we do with the fourth class counties that haven't any college? Are we leaving them back at the old figure or the new figure under the amendment?"

Senator Huntley: "That would leave them at thirteen thousand dollars as the amendment calls for. The amendment by Senator McDougall and yourself calls for thirteen thousand for assessors in fourth class counties. This would increase it to fifteen thousand."

Senator Bailey: "Just in the one case?"

Senator Huntley: "In the one case. It would remain at thirteen thousand for the rest of the fourth class counties."

POINT OF INQUIRY

Senator Woodall: "Will Senator Washington yield? What will this bring the salary of fourth class prosecutor up to then?"

Senator Washington: "As I understand it, it would be from thirteen to fifteen thousand in two instances. One would be in Whitman county and the other in Kittitas."

Senator Woodall: "So in Ellensburg you could get fifteen thousand and still have your private practice under your amendment?"

Senator Washington: "This is right. You would in Whitman county."

Senator Woodall: "But in the other one you would get twenty-one thousand and no private practice."

Senator Washington: "This would be right. With the work, of course, that goes on in Kittitas county I am sure they do not have too much time for private practice."

Senator Woodall: "On the theory that there is more work in these two counties, do you anticipate raising the salary of the sheriff in those counties?"

Senator Washington: "In this instance, of course, he has usually a much larger staff while your prosecuting attorney ordinarily in these counties has a very small staff."

The motion carried and the amendment by Senators Huntley and Washington to the amendment by Senators Bailey and McDougall was adopted.

Senator Greive moved adoption of the following amendment to the amendment by Senators Bailey and McDougall:

On page 4, following line 22 of the amendment add a new section to read as follows: "NEW SECTION. Sec. 2. There is added to chapter 53.12 RCW a new section to read as follows:

Commissioners of a port district having a population of more than 350,000 persons according to the latest United States census shall receive a salary of three hundred dollars per month."

Renumber old section 2 of the bill to read section 3, and renumber the remaining sections consecutively.

POINT OF ORDER

Senator Atwood: "I believe that this violates our rules in regard and the amendment is outside the scope and object of this particular bill. If you will look at Senator Greive's amendment, it is in another title in the RCW entirely. This is a county elective official salary bill and if we put too much on it, I am afraid the county officials are going to be in jeopardy from any salary increase and I think that port districts are an entire separate entity and should be treated separately. If you are going to do it for one port district we should look at them all and I think this is clearly beyond the scope and object of this particular bill that is before us."

RULING BY THE PRESIDENT

The President: "The President in ruling upon the point of order as presented by Senator Atwood finds Senate Bill No. 512 has a restricted title dealing solely with 'county government'. The amendment proposed by Senator Greive deals with salaries of port commissioners. Port commissioners are not within the ambit of the statutes relating to county government which are found in Title 36 RCW. The statutes relating to ports and port commissioners are in Title 53 and deal with a different and distinct municipal corporation and are therefore outside the scope and object of the original title of the bill. Therefore, I sustained the point of order made by Senator Atwood."

The amendment as proposed by Senator Greive to the amendment by Senators Bailey and McDougall was ruled out of order.

The motion by Senator Bailey carried and the amendment by Senators Bailey and McDougall as amended was adopted.

Senator McDougall moved adoption of the following amendment:

On page 5 line 18, add a new section as follows: "*NEW SECTION*. Sec. 5. This act shall take effect on January 1, 1972."

Debate ensued.

The motion by Senator McDougall carried and the amendment was adopted.

On motion of Senator McDougall, the following amendment to the title was adopted:

On page 1, line 8 of the title, after "RCW 36.32.320" insert "; and setting an effective date"

On motion of Senator Bailey, the rules were suspended, Engrossed Senate Bill No. 512 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Senate Bill No. 512, and the bill passed the Senate by the following vote: Yeas, 36; nays, 9; absent or not voting, 2; excused, 2.

Voting yea: Senators Atwood, Bailey, Clarke, Connor, Cooney, Day, Donohue, Durkan, Elicker, Foley, Francis, Gardner, Gissberg, Greive, Guess, Henry, Herr, Holman, Huntley, Jolly, Keefe, Knoblauch, McCutcheon, McDougall, Mardesich, Murray, Newschwander, Sandison, Scott, Stender, Stortini, Talley, Twigg, Walgren, Washington, Wilson—36.

Voting nay: Senators Andersen, Canfield, Dore, Fleming, Matson, Odegaard, Peterson (Ted), Ridder, Woodall—9.

Absent or not voting: Senators Lewis, Metcalf—2.

Excused: Senators Peterson (Lowell), Whetzel—2.

ENGROSSED SENATE BILL NO. 512, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTIONS

On motion of Senator McDougall, Engrossed Senate Bill No. 512 was ordered immediately transmitted to the House.

On motion of Senator McDougall, the Senate returned to the fourth order of business.

MESSAGE FROM THE HOUSE

AN ACT Relating to parking and business improvement areas; authorizing formation thereof by counties, cities, and towns; authorizing special assessments therefor; and creating new sections.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 2. (1) "Business" as used in this act means all types of business, including professions.

(2) "Legislative authority" as used in this act means the legislative authority of any city or town including unclassified cities or towns operating under special charters or the legislative authority of any county.

NEW SECTION. Sec. 3. For the purpose of establishing a parking and business improvement area, an initiation petition may be presented to the legislative authority having jurisdiction of the area in which the proposed parking and business improvement area is to be located or the legislative authority may by resolution initiate a parking and business improvement area. The initiation petition or resolution shall contain the following:

(1) A description of the boundaries of the proposed area;

(2) The proposed uses and projects to which the proposed special assessment revenues shall be put and the total estimated cost thereof;

(3) The estimated rate of levy of special assessment with a proposed breakdown by class of business if such classification is to be used.

The initiating petition shall also contain the signatures of the persons who operate businesses in the proposed area which would pay fifty percent of the proposed special assessments.

NEW SECTION. Sec. 4. The legislative authority, after receiving a valid initiation petition or after passage of an initiation resolution, shall adopt a resolution of intention to establish an area. The resolution shall state the time and place of a hearing to be held by the legislative authority to consider establishment of an area and shall restate all the information contained in the initiation petition or initiation resolution regarding boundaries, projects and uses, and estimated rates of assessment.

NEW SECTION. Sec. 5. Notice of a hearing held under the provisions of this act shall be given by:

(1) One publication of the resolution of intention in a newspaper of general circulation in the city; and

The legislative authority may continue the hearing from time to time. Proceedings shall terminate if protest is made by businesses in the proposed area which would pay a majority of the proposed special assessments.

NEW SECTION. Sec. 7. If the legislative authority decides to change the boundaries of the proposed area, the hearing shall be continued to a time at least fifteen days after such decision and notice shall be given as prescribed in section 5 of this act, showing the boundary amendments, but no resolution of intention is required.

NEW SECTION. Sec. 8. For purposes of the special assessments to be imposed

pursuant to this act, the legislative authority may make a reasonable classification of businesses, giving consideration to various factors, including the degree of benefit received from parking only.

NEW SECTION. Sec. 9. The special assessments need not be imposed on different classes of business, as determined pursuant to section 8 of this act, on the same basis or the same rate: **PROVIDED, HOWEVER,** That the special assessments imposed for the purpose of the acquisition, construction or maintenance of parking facilities for the benefit of the area shall be imposed on the basis of benefit determined by the legislative authority after giving consideration to the total cost to be recovered from the businesses upon which the special assessment is to be imposed, the total area within the boundaries of the parking and business improvement area, the assessed value of the land and improvements within the area, the total business volume generated within the area and within each business, and such other factors as the legislative authority may find and determine to be a reasonable measure of such benefit.

NEW SECTION. Sec. 10. If the legislative authority, following the hearing, decides to establish the proposed area, it shall adopt an ordinance to that effect. This ordinance shall contain the following information:

(1) The number, date and title of the resolution of intention pursuant to which it was adopted;

(2) The time and place the hearing was held concerning the formation of such area;

(3) The description of the boundaries of such area;

(4) A statement that the businesses in the area established by the ordinance shall be subject to the provisions of the special assessments authorized by section 1 of this act;

(5) The initial or additional rate or levy of special assessment to be imposed with a breakdown by classification of business, if such classification is used; and

(6) A statement that a parking and business improvement area has been established.

(7) The uses to which the special assessment revenue shall be put: **PROVIDED, HOWEVER,** That such use shall conform to the use as declared in the initiation petition presented pursuant to section 3 of this act.

NEW SECTION. Sec. 11. The legislative authority of each city or town or county shall have sole discretion as to how the revenue derived from the special assessments is to be used within the scope of the purposes; however, the legislative authority may appoint existing advisory boards or commissions to make recommendations as to its use, or the legislative authority may create a new advisory board or commission for the purpose.

The legislative authority may contract with a chamber of commerce or other similar business association operating primarily within the boundaries of the legislative authority to administer the operation of a parking and business improvement area, including any funds derived pursuant thereto: **PROVIDED,** That such administration must comply with all applicable provisions of law including this act, with all county, city, or town resolutions and ordinances, and with all regulations lawfully imposed by the state auditor or other state agencies.

NEW SECTION. Sec. 12. The special assessments levied hereunder must be for the purposes specified in the ordinances and the proceeds shall not be used for any other purpose.

NEW SECTION. Sec. 13. Collections of assessments imposed pursuant to this act shall be made at the same time and in the same manner as otherwise prescribed by Title 35 RCW or in such other manner as the legislative authority shall determine.

NEW SECTION. Sec. 14. Changes may be made in the rate or additional rate of special assessment as specified in the ordinance establishing the area, by ordinance adopted after a hearing before the legislative authority.

The legislative authority shall adopt a resolution of intention to change the rate or additional rate of special assessment at least fifteen days prior to the hearing required by this section. This resolution shall specify the proposed change and shall give the time and place of the hearing: **PROVIDED,** That proceedings to change the rate or impose an additional rate of special assessments shall terminate if protest is made by businesses in the proposed area which would pay a majority of the proposed increase or additional special assessments.

NEW SECTION. Sec. 15. The legislative authority may, for each of the purposes set out in section 1 of this act, establish and modify one or more separate benefit zones based upon the degree of benefit derived from the purpose and may impose a different rate of special assessment within each such benefit zone.

NEW SECTION. Sec. 16. All provisions of this act applicable to establishment or disestablishment of an area also apply to the establishment, modification, or disestablishment of benefit zones pursuant to section 13 of this act. The establishment or the modification of any such zone shall follow the same procedure as provided for the establishment of a parking and business improvement area and the disestablishment shall follow the same procedure as provided for disestablishment of an area.

NEW SECTION. Sec. 17. Businesses established after the creation of an area within the area may be exempted from the special assessments imposed pursuant to this act for a period not exceeding one year from the date they commenced business in the area.

NEW SECTION. Sec. 18. The legislative authority may disestablish an area by ordinance after a hearing before the legislative authority. NEW SECTION. Sec. 19. Upon disestablishment of an area, any proceeds of the special assessments, or assets acquired with such proceeds, or liabilities incurred as a result of the formation of such area, shall be subject to disposition as the legislative authority shall determine: PROVIDED, HOWEVER, Any liabilities, either current or future, incurred as a result of action taken to accomplish the purposes of section 1 of this act shall not be an obligation of the general fund or any special fund of the city or town, but such liabilities shall be provided for entirely from available revenue generated from the projects or facilities authorized by section 1 of this act or from special assessments on the property specially benefited within the area.

NEW SECTION. Sec. 20. NEW SECTION. Sec. 21. The cost of the improvement for the purposes of this act shall be aggregate of all amounts to be paid for the labor, materials and equipment on one continuous or inter-related project where work is to be performed simultaneously or in near sequence. Breaking an improvement into small units for the purposes of avoiding the minimum dollar amount prescribed in section 20 of this act is contrary to public policy and is prohibited.

NEW SECTION. Sec. 22. This act providing for parking and business improvement areas shall not be deemed or construed to affect any existing act, or any part thereof, relating to special assessments or other powers of counties, cities and towns, but shall be supplemental thereto and concurrent therewith.

The purposes and functions of parking and business improvement areas as set forth by the provisions of this act may be accomplished in part by the establishment of an area pursuant to this act and in part by any other method otherwise provided by law, including provisions for local improvements.

NEW SECTION. Sec. 23. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provisions to other persons or circumstances is not affected.

Signed by: Senators McDougall and Talley; Representatives Curtis, Blair and Merrill.

MOTION

Senator McDougall moved that the report of the Free Conference Committee on Reengrossed Senate Bill No. 130 be adopted.

POINT OF INQUIRY

Senator Mardesich: "Will Senator McDougall yield? Could you be explicit as to the difference between the free conference report and the engrossed House committee amendment?"

Senator McDougall: "Yes. The only thing is in new section 3. We changed that back giving an optional method of instigating the provisions of establishing a parking and business improvement area. The original House amendment would have only had this done by the petition method and re-embodies in 'either by resolution or through a petition', and then down on line 20 of the report they have inserted a sixty percent requirement to pay for the proposed special assessments. This was cut back down to a fifty percent requirement of those people affected within that district."

The motion carried and the report of the Free Conference Committee was adopted.

ROLL CALL

The Secretary called the roll on the final passage of Reengrossed Senate Bill No. 130, as amended by the Free Conference Committee, and the bill passed the Senate by the following vote: Yeas, 41; nays, 5; absent or not voting, 1; excused, 2.

Voting yea: Senators Atwood, Canfield, Clarke, Connor, Cooney, Day, Donohue, Dore, Elicker, Fleming, Foley, Francis, Gardner, Gissberg, Greive, Henry, Herr, Holman, Huntley, Jolly, Keefe, Knoblauch, McCutcheon, McDougall, Mardesich, Matson, Metcalf, Murray, Odegaard, Peterson (Ted), Ridder, Sandison, Scott, Stender, Stortini, Talley, Twigg, Walgren, Washington, Wilson, Woodall—41.

Voting nay: Senators Andersen, Durkan, Guess, Lewis, Newschwander—5.

Absent or not voting: Senator Bailey—1.

Excused: Senators Peterson (Lowell), Whetzel—2.

REENGROSSED SENATE BILL NO. 130, as amended by the Free Conference Committee, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

Senator Stortini moved adoption of the following amendment by Senators Stortini, Fleming, Peterson (Ted) and Gardner:

On page 12, after line 26 insert a new section to read as follows:

"NEW SECTION. Sec. 10. There is added to chapter 37, Laws of 1970, ex. sess., a new section to read as follows:

The purpose of this section is to clarify the meaning of this chapter and to declare or make the increased benefits of this chapter applicable to certain firemen who retired prior to June 8, 1961, or their widows and who solely because of the date of their retirement may not be entitled to annual cost of living increases in pension or retirement benefits under any other provision.

The increased benefits provided by this chapter are hereby declared applicable to all retired firemen who were retired prior to the 8th day of June, 1961, for disability whether incurred in the line of duty or otherwise, or their widows, effective July 1st of the first year when such benefits have heretofore or shall hereafter become payable and shall be payable commencing the 1st day of July, 1970. The manner of calculating the retroactive benefits payable to individual beneficiaries under chapter 37, Laws of 1970, first ex. sess. and this 1971 amendatory act shall be to calculate the amount of benefit being received by such individual beneficiary on July 1, 1969; then to multiply that result times two percent times the number of full years that have elapsed following the retirement of the employee; then to add the result so reached to the said amount being received on July 1, 1969, prior to the statutory increase of that date, which total amount is to be paid each month for the next ensuing year until July 1, at which time an additional two percent shall be added and the process shall be repeated as provided in RCW 41.18.104."

Renumber the remaining section consecutively.

Debate ensued.

POINT OF INQUIRY

Senator Atwood: "Would Senator Fleming yield to a question on these amendments? What is the fiscal impact of all of these to the LEFF system for this current biennium?"

Senator Fleming: "Are we talking about my amendment now?"

Senator Atwood: "All of these. Is there a fiscal note available on all of these?"

Senator Fleming: "Yes. There is little or no fiscal impact on this because there is no way you can tell how many will retire. Under these amendments that we are putting on now it would be minimal and it would not require any additional appropriation."

Senator Atwood: "You are quite sure of that?"

Senator Fleming: "Yes."

The motion by Senator Stortini carried and the amendment was adopted.

On motion of Senator Day, the following amendment was adopted:

On page 12, after section 8 add a new section as follows:

"Sec. 11. Section 9, chapter 209, Laws of 1969 ex. sess. as amended by section 4, chapter 6, Laws of 1970 ex. sess. and RCW 41.26.090 are each amended to read as follows:

Retirement of a member for service shall be made by the board as follows:

(1) Any member having five or more years of service and having attained the age of fifty years shall be eligible for a service retirement allowance and shall be retired upon his written request effective the first day following the date upon which the member is separated from service.

(2) Any member having five or more years of service, who terminates his employment with any employer, may leave his contributions in the fund. Any employee who so elects, upon attaining age fifty, shall be eligible to apply for and receive a service retirement allowance based on his years of service, commencing on the first day following his attainment of age fifty. *This section shall also apply to a person who rendered service as a law enforcement officer or fire fighter, as those terms are defined in RCW 41.26.030, on or after July 1, 1969, but who was not employed as a law enforcement officer or fire fighter on March 1, 1970, by reason of his having been elected to a public office.* Any member selecting this optional vesting shall not be covered by the provisions of RCW 41.26.150 or 41.26.160 until the attainment of the age of fifty years: PROVIDED, That a member selecting this option who shall die prior to attaining the age of fifty years, shall have paid from the Washington law enforcement officers' and fire fighters' retirement fund, to such member's surviving spouse, if any, otherwise to such beneficiary as the member shall have designated in writing, or if no such designation has been made, to the personal representative of his estate, a lump sum which is equal to the amount of such member's accumulated contributions plus accrued interest.

(3) Any member who has attained the age of sixty years shall be retired on the first day of the calendar month next succeeding that in which said member shall have attained the age of sixty and may not thereafter be employed as a law enforcement officer or fire fighter: PROVIDED, That for any member who is elected or appointed to the office of sheriff, his election or appointment shall be considered as a waiver of the age sixty provision for retirement and nonemployment for whatever number of years remain in his present term of office and any succeeding periods for which he may be so elected or appointed: PROVIDED FURTHER, That the provisions of this subsection shall not apply to any member who is employed as a law enforcement officer or fire fighter on March 1, 1970."

Renumber section 9 as section 12.

Senator Walgren moved adoption of the following amendment:

On page 12, following section 8, add the following new sections:

"NEW SECTION. Sec. —. There is added to chapter 209, Laws of 1969 ex. sess. and to chapter 41.26 RCW a new section to read as follows:

The legislature of the state of Washington hereby declares that the relationship between members of the law enforcement officers' and fire fighters' retirement system and their governmental employers is similar to that of workmen to their employers and that the sure and certain relief granted by this chapter is desirable, and as beneficial to such law enforcement officers and fire fighters as workmen's compensation coverage is to persons covered by Title 51 RCW. The legislature further declares that removal of law enforcement officers and fire fighters from workmen's compensation coverage under Title 51 RCW necessitates the (1) continuance of sure and certain relief for injuries, which the legislature finds to be accomplished by the provisions of this chapter and (2) protection for the governmental employer from actions at law; and to that end all civil actions and civil causes of actions by such law enforcement officers and fire fighters against their governmental employers for personal injuries are hereby abolished, except as otherwise provided in this chapter.

NEW SECTION. Sec. 5. There is added to chapter 209, Laws of 1969 ex. sess. and to chapter 41.26 RCW a new section to read as follows:

If injury or death results to a member from the deliberate intention of his governmental employer to produce such injury or death, the member, the widow, widower, child, or dependent of the member shall have the privilege to benefit under this chapter and also have cause of action against the governmental employer as otherwise provided by law, for any excess of damages over the amount received or receivable under this chapter."

Senator Walgren moved adoption of the following amendment to the amendment by Senator Walgren:

On line 1 of section 5 of the amendment, strike "deliberate"

POINT OF INQUIRY

Senator Atwood: "Would Senator Walgren yield? By the amendment on the other page you put them under workmen's compensation. Is that correct?"

Senator Walgren: "No, they are not put under workmen's compensation but the employer is given the same benefits as if they had been under workmen's compensation."

Senator Atwood: "The same or similar benefits. Now under workmen's compensation, you cannot sue your employer whether it is intentional or otherwise, can you?"

Senator Walgren: "That is correct."

Senator Atwood: "Why make the distinction here in this particular instance? We are going to start something here on all public employees. I just do not see the rationale at all."

Senator Walgren: "The only thing I can tell you with regard to that is in discussing this with the employer representatives, that is in this case the county representatives, and this is an amendment that was drawn up by them, this is something they felt was appropriate for this particular act."

Senator Atwood: "Is there any other place in the law where anybody else has this same right or benefit?"

Senator Walgren: "I do not know of any."

POINT OF INQUIRY

Senator Bailey: "Would Senator Walgren yield? Is not this a part now in the law, the LEFF Act that they have the right to sue the . . ."

Senator Walgren: "That is correct. When the LEFF Act was adopted it took away the elimination of liability that appeared in the workmen's compensation. . ."

Senator Bailey: "What you are actually doing, though, is not expanding the liability of the cities. You are restricting the liability of the cities and the counties to not deliberate intention but where they show negligence in this."

Senator Walgren: "That is correct."

POINT OF INQUIRY

Senator Guess: "Would Senator Walgren yield? I wonder how a governmental employer could be proved to deliberately intend to produce an injury or death of an employee?"

Senator Walgren: "Number one, we by virtue of the amendment to the amendment have eliminated 'deliberately'. That is out at the present time. We are talking about an intentional act of the governmental employer."

Senator Guess: "How would they then by intention cause the death of an employee?"

Senator Walgren: "I cannot think of any example right at the very moment but I am sure that there are situations where it could be argued, as Senator Atwood has indicated, that there was an intentional act on the part of the employer that caused the injury or death."

Senator Guess: "We had a situation in Spokane two or three years ago where a fireman

went into a shoe store basement and it resulted in death and because the building inspector had not insisted that there were two entrances into that basement, could this have been intent by the governmental employee to produce the death of that fireman? He went in the one end and could not get out the other. There was not any other one."

Senator Walgren: "No, I do not think so. I think in order to prove this type of an action, they would have to prove that the governmental employer had reason to know or did know what the likely results would be."

The motion carried and the amendment to the amendment by Senator Walgren was adopted.

MOTIONS

On motion of Senator Ridder, the amendment by Senator Walgren as amended, was laid upon the table.

ARTICLE III REGULATION OF MANUFACTURE, DISTRIBUTION AND DISPENSING OF CONTROLLED SUBSTANCES

NEW SECTION. Sec. 69.50.301. Rules. The state board of pharmacy may promulgate rules and charge reasonable fees of not less than ten dollars or more than fifty dollars relating to the registration and control of the manufacture, distribution, and dispensing of controlled substances within this state.

NEW SECTION. Sec. 69.50.302. Registration Requirements. (a) Every person who manufactures, distributes, or dispenses any controlled substance within this state or who proposes to engage in the manufacture, distribution, or dispensing of any controlled substance within this state, must obtain annually a registration issued by the state board of pharmacy in accordance with its rules.

(b) Persons registered by the board under this act to manufacture, distribute, dispense, or conduct research with controlled substances may possess, manufacture, distribute, dispense, or conduct research with those substances to the extent authorized by their registration and in conformity with the other provisions of this Article.

(c) The following persons need not register and may lawfully possess controlled substances under this act:

- (1) an agent or employee of any registered manufacturer, distributor, or dispenser of any controlled substance if he is acting in the usual course of his business or employment: PROVIDED, That this exemption shall not include any agent or employee distributing sample controlled substances to practitioners without an order;
- (2) a common or contract carrier or warehouseman, or an employee thereof, whose possession of any controlled substance is in the usual course of business or employment;
- (3) an ultimate user or a person in possession of any controlled substance pursuant to a lawful order of a practitioner or in lawful possession of a Schedule V substance.

(d) The board may waive by rule the requirement for registration of certain manufacturers, distributors, or dispensers if it finds it consistent with the public health and safety: PROVIDED, That personal practitioners licensed or registered in the state of Washington under the respective professional licensing acts shall not be required to be registered under this act unless the specific exemption is denied pursuant to section 69.50.305 for violation of any provisions of this act.

(e) A separate registration is required at each principal place of business or professional practice where the applicant manufactures, distributes, or dispenses controlled substances.

(f) The board may inspect the establishment of a registrant or applicant for registration in accordance with the board's rule.

NEW SECTION. Sec. 69.50.303. Registration. (a) The state board of pharmacy shall register an applicant to manufacture or distribute controlled substances included in sections 69.50.204, 69.50.206, 69.50.208, 69.50.210, and 69.50.212 unless it determines that the issuance of that registration would be inconsistent with the public interest. In determining the public interest, the board shall consider the following factors:

- (1) maintenance of effective controls against diversion of controlled substances into other than legitimate medical, scientific, or industrial channels;
- (2) compliance with applicable state and local law;

(3) any convictions of the applicant under any federal and state laws relating to any controlled substance;

(4) past experience in the manufacture or distribution of controlled substances, and the existence in the applicant's establishment of effective controls against diversion;

(5) furnishing by the applicant of false or fraudulent material in any application filed under this act;

(6) suspension or revocation of the applicant's federal registration to manufacture, distribute, or dispense controlled substances as authorized by federal law; and

(7) any other factors relevant to and consistent with the public health and safety.

(b) Registration under subsection (a) does not entitle a registrant to manufacture and distribute controlled substances in Schedule I or II other than those specified in the registration.

(c) Practitioners must be registered, or exempted under section 69.50.302(d) of this act, to dispense any controlled substances or to conduct research with controlled substances in Schedules II through V if they are authorized to dispense or conduct research under the law of this state. The board need not require separate registration under this Article for practitioners engaging in research with nonnarcotic controlled substances in Schedules II through V where the registrant is already registered under this Article in another capacity. Practitioners registered under federal law to conduct research with Schedule I substances may conduct research with Schedule I substances within this state upon furnishing the board evidence of that federal registration.

(d) Compliance by manufacturers and distributors with the provisions of the federal law respecting registration entitles them to be registered under this act upon application and payment of the required fee.

NEW SECTION. Sec. 69.50.304. Revocation and Suspension of Registration. (a) A registration, or exemption from registration, under section 69.50.303 to manufacture, distribute, or dispense a controlled substance may be suspended or revoked by the state board of pharmacy upon a finding that the registrant:

(1) has furnished false or fraudulent material information in any application filed under this act;

(2) has been found guilty of a felony under any state or federal law relating to any controlled substance; or

(3) has had his federal registration suspended or revoked to manufacture, distribute, or dispense controlled substances.

(b) The board may limit revocation or suspension of a registration to the particular controlled substance or schedule of controlled substances, with respect to which grounds for revocation or suspension exist.

(c) If the board suspends or revokes a registration, all controlled substances owned or possessed by the registrant at the time of suspension or the effective date of the revocation order may be placed under seal. No disposition may be made of substances under seal until the time for taking an appeal has elapsed or until all appeals have been concluded unless a court, upon application therefor, orders the sale of perishable substances and the deposit of the proceeds of the sale with the court. Upon a revocation order becoming final, all controlled substances may be forfeited to the state.

(d) The board shall promptly notify the Bureau of all orders suspending or revoking registration and all forfeitures of controlled substances.

NEW SECTION. Sec. 69.50.305. Procedure for Denial, Suspension or Revocation of Registration. (a) Any registration, or exemption from registration, issued pursuant to the provisions of this act shall not be denied, suspended, or revoked unless the board denies, suspends, or revokes such registration, or exemption from registration, by proceedings consistent with the administrative procedure act, chapter 34.04 RCW.

(b) The board may suspend any registration simultaneously with the institution of proceedings under section 69.50.304, or where renewal of registration is refused, if it finds that there is an imminent danger to the public health or safety which warrants this action. The suspension shall continue in effect until the conclusion of the proceedings, including judicial review thereof, unless sooner withdrawn by the board or dissolved by a court of competent jurisdiction.

NEW SECTION. Sec. 69.50.306. Records of Registrants. Persons registered, or exempted from registration under 69.50.302(d), to manufacture, distribute, dispense, or administer controlled substances under this act shall keep records and maintain inventories in conformance with the record-keeping and inventory requirements of federal law and with any additional rules the state board of pharmacy issues.

NEW SECTION. Sec. 69.50.307. Order Forms. Controlled substances in Schedule I and II shall be distributed by a registrant or person exempt from registration under 69.50.302(d) to another registrant, or person exempt from registration under 69.50.302(d), only pursuant to an order form. Compliance with the provisions of federal law respecting order forms shall be deemed compliance with this section.

(b) In emergency situations, as defined by rule of the state board of pharmacy, Schedule II drugs may be dispensed upon oral prescription of a practitioner, reduced promptly to writing and filed by the pharmacy. Prescriptions shall be retained in conformity

with the requirements of section 69.50.306. No prescription for a Schedule II substance may be refilled.

(c) Except when dispensed directly by a practitioner authorized to prescribe or administer a controlled substance to an ultimate user, a controlled substance included in Schedule III or IV, which is a prescription drug as determined under RCW 69.04.560, shall not be dispensed without a written or oral prescription of a practitioner. Any oral prescription must be promptly reduced to writing. The prescription shall not be filled or refilled more than six months after the date thereof or be refilled more than five times, unless renewed by the practitioner.

(d) A valid prescription or lawful order of a practitioner, in order to be effective in legalizing the possession of controlled substances, must be issued in good faith for a legitimate medical purpose by one authorized to prescribe the use of such controlled substance. An order purporting to be a prescription not in the course of professional treatment is not a valid prescription or lawful order of a practitioner within the meaning and intent of this act; and the person who knows or should know that he is filling such an order, as well as the person issuing it, can be charged with a violation of this chapter.

(e) A controlled substance included in Schedule V shall not be distributed or dispensed other than for a medical purpose.

NEW SECTION. Sec. 69.50.309. Containers. A person to whom or for whose use any controlled substance has been prescribed, sold, or dispensed by a practitioner, and the owner of any animal for which such controlled substance has been prescribed, sold, or dispensed may lawfully possess it only in the container in which it was delivered to him by the person selling or dispensing the same.

NEW SECTION. Sec. 69.50.500. Powers of Enforcement Personnel.

(a) It is hereby made the duty of the state board of pharmacy, its officers, agents, inspectors and representatives, and all law enforcement officers within the state, and of all prosecuting attorneys, to enforce all provisions of this act, except those specifically delegated, and to cooperate with all agencies charged with the enforcement of the laws of

the United States, of this state, and all other states, relating to controlled substances as defined in this act.

(b) Employees of the Washington state board of pharmacy, who are so designated by the board as enforcement officers are declared to be peace officers and shall be vested with police powers to enforce the drug laws of this state, including this act.

NEW SECTION. Sec. 69.50.501. Administrative Inspections. The state board of pharmacy may make administrative inspections of controlled premises in accordance with the following provisions:

(1) For purposes of this section only, "controlled premises" means:

(a) places where persons registered or exempted from registration requirements under this act are required to keep records; and

(b) places including factories, warehouses, establishments, and conveyances in which persons registered or exempted from registration requirements under this act are permitted to hold, manufacture, compound, process, sell, deliver, or otherwise dispose of any controlled substance.

(2) When authorized by an administrative inspection warrant issued pursuant to section 69.50.502 of this act an officer or employee designated by the board, upon presenting the warrant and appropriate credentials to the owner, operator, or agent in charge, may enter controlled premises for the purpose of conducting an administrative inspection.

(3) When authorized by an administrative inspection warrant, an officer or employee designated by the board may:

(a) inspect and copy records required by this act to be kept;

(b) inspect, within reasonable limits and in a reasonable manner, controlled premises and all pertinent equipment, finished and unfinished material, containers and labeling found therein, and, except as provided in subsection (5) of this section, all other things therein, including records, files, papers, processes, controls, and facilities bearing on violation of this act; and

(c) inventory any stock of any controlled substance therein and obtain samples thereof;

(4) This section does not prevent the inspection without a warrant of books and records pursuant to an administrative subpoena issued in accordance with chapter 34.04 RCW, nor does it prevent entries and administrative inspections, including seizures of property, without a warrant:

(a) if the owner, operator, or agent in charge of the controlled premises consents;

(b) in situations presenting imminent danger to health or safety;

(c) in situations involving inspection of conveyances if there is reasonable cause to believe that the mobility of the conveyance makes it impracticable to obtain a warrant;

(d) in any other exceptional or emergency circumstance where time or opportunity to apply for a warrant is lacking; or,

(e) in all other situations in which a warrant is not constitutionally required;

(5) An inspection authorized by this section shall not extend to financial data, sales data, other than shipment data, or pricing data unless the owner, operator, or agent in charge of the controlled premises consents in writing.

NEW SECTION. Sec. 69.50.502. Warrants for Administrative Inspections. Issuance and execution of administrative inspection warrants shall be as follows:

(1) A judge of a superior court, or a judge of a district court within his jurisdiction, and upon proper oath or affirmation showing probable cause, may issue warrants for the purpose of conducting administrative inspections authorized by this act or rules hereunder, and seizures of property appropriate to the inspections. For purposes of the issuance of administrative inspection warrants, probable cause exists upon showing a valid public interest in the effective enforcement of this act or rules hereunder, sufficient to justify administrative inspection of the area, premises, building or conveyance in the circumstances specified in the application for the warrant;

(2) A warrant shall issue only upon an affidavit of a designated officer or employee having knowledge of the facts alleged, sworn to before the judge and establishing the grounds for issuing the warrant. If the judge is satisfied that grounds for the application exist or that there is probable cause to believe they exist, he shall issue a warrant identifying the area, premises, building, or conveyance to be inspected, the purpose of the inspection, and, if appropriate, the type of property to be inspected, if any. The warrant shall:

(b) be directed to a person authorized by section 69.50.500 to execute it;

(c) command the person to whom it is directed to inspect the area, premises, building, or conveyance identified for the purpose specified and, if appropriate, direct the seizure of the property specified;

(d) identify the item or types of property to be seized, if any;

(e) direct that it be served during normal business hours and designate the judge to whom it shall be returned;

(3) A warrant issued pursuant to this section must be executed and returned within ten days of its date unless, upon a showing of a need for additional time, the court orders otherwise. If property is seized pursuant to a warrant, a copy shall be given to the person from whom or from whose premises the property is taken, together with a receipt for the property taken. The return of the warrant shall be made promptly, accompanied by a

written inventory of any property taken. The inventory shall be made in the presence of the person executing the warrant and of the person from whose possession or premises the property was taken, if present, or in the presence of at least one credible person other than the person executing the warrant. A copy of the inventory shall be delivered to the person from whom or from whose premises the property was taken and to the applicant for the warrant;

(4) The judge who has issued a warrant shall attach thereto a copy of the return and all papers returnable in connection therewith and file them with the clerk of the court in which the inspection was made.

(5) all books, records, and research products and materials, including formulas, microfilm, tapes, and data which are used, or intended for use, in violation of this act.

(b) Property subject to forfeiture under this act may be seized by any board inspector or law enforcement officer of this state upon process issued by any superior court having jurisdiction over the property. Seizure without process may be made if:

On page 5, section 10, line 8 of the engrossed bill, being line 6 of the printed bill, after "state" insert "": PROVIDED, That the hearing provided for in this section shall not be available except as may be constitutionally required if a hearing on the legality of arrest has been held pursuant to sections 13 or 14 of this 1971 act"

On page 13, section 30, line 9 of the engrossed bill, being line 17 of the amendment to page 12, line 24 of the printed bill, after "PROVIDED," strike everything down to and including "maintenance" on line 13 and insert "That, before honoring such demand the governor shall require proof of a duty of support arising from a support order based upon competent jurisdiction over the obligor," and the same is herewith transmitted. MALCOLM McBEATH, Chief Clerk.

MOTION

Senator Holman moved that the Senate do concur in the House amendments to Engrossed Senate Bill No. 514.

POINT OF INQUIRY

Senator Woodall: "Would Senator Holman yield? Senator, for the record, I take it it is your observation that this amendment is not designed to allow extradition prior to a determination of a debt owing by a court of competent jurisdiction. In other words, a man could not be extradited to another state merely on a complaint but it would have to be after there had been a determination of a duty responsibility owing."

Senator Holman: "That is correct, and the determination in the other state would have to be constitutionally justified."

The motion by Senator Holman carried.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Senate Bill No. 514, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 33; absent or not voting, 7; excused, 9.

SIGNED BY THE PRESIDENT

The President signed:

SENATE BILL NO. 130,

SENATE CONCURRENT RESOLUTION NO. 3.

SECOND READING

SENATE BILL NO. 186, by Senator Walgren (by Washington Law Enforcement and Fire Fighters' Retirement Board request):

Amending the law enforcement officers' and fire fighters' retirement system act.

The Senate resumed consideration of Senate Bill No. 186 on second reading.

MOTION

Senator Mardesich moved that the following amendment by Senator Walgren be taken from the table:

On page 12, following section 8, add the following new sections:

"NEW SECTION. Sec. 4. There is added to chapter 209, Laws of 1969 ex. sess. and to chapter 41.26 RCW a new section to read as follows:

The legislature of the state of Washington hereby declares that the relationship between members of the law enforcement officers' and fire fighters' retirement system and their governmental employers is similar to that of workmen to their employers and that the sure and certain relief granted by this chapter is desirable, and as beneficial to such law enforcement officers and fire fighters as workmen's compensation coverage is to persons covered by Title 51 RCW. The legislature further declares that removal of law enforcement officers and fire fighters from workmen's compensation coverage under Title 51 RCW necessitates the (1) continuance of sure and certain relief for injuries, which the legislature finds to be accomplished by the provisions of this chapter and (2) protection for the governmental employer from actions at law; and to that end all civil actions and civil causes of actions by such law enforcement officers and fire fighters against their governmental employers for personal injuries are hereby abolished, except as otherwise provided in this chapter.

NEW SECTION. Sec. 5. There is added to chapter 209, Laws of 1969 ex. sess. and to chapter 41.26 RCW a new section to read as follows:

If injury or death results to a member from the deliberate intention of his governmental employer to produce such injury or death, the member, the widow, widower, child, or dependent of the member shall have the privilege to benefit under this chapter and also have cause of action against the governmental employer as otherwise provided by law, for any excess of damages over the amount received or receivable under this chapter."

The motion by Senator Mardesich carried and the amendment by Senator Walgren was taken from the table.

Senator Mardesich moved that Senate Bill No. 186 be ordered to hold its place on the second reading calendar for Monday, April 26, 1971.

Debate ensued.

POINT OF INQUIRY

Senator Fleming: "Would Senator Mardesich yield? Is there an effort to hold this bill over beyond Monday? Will this give you time enough to study that amendment?"

Senator Mardesich: "I assume, Senator Bailey, we are having a caucus Monday morning, aren't we? Senator Fleming, there is your answer."

The motion carried. Senate Bill No. 186 was ordered held on the second reading calendar for Monday, April 26, 1971.

SECOND READING

SENATE BILL NO. 52, by Senators Greive, Knoblauch, Peterson (Ted), Talley, Lewis and Keefe (by Legislative Council request):

Providing changes relating to solid waste and providing for solid waste collection districts.

REPORT OF STANDING COMMITTEE

April 22, 1971.

SENATE BILL NO. 52, providing changes relating to solid waste and providing for solid waste collection districts (reported by Committee on Commerce and Regulatory Agencies):

MAJORITY recommendation: Do pass with the following amendments:

On page 1, after the enacting clause strike the remainder of the bill and insert the following:

"Section 1. Section 9, chapter 134, Laws of 1969 ex. sess. and RCW 70.95.090 are each amended to read as follows:

Each county and city solid waste management plan shall include the following:

(1) A detailed inventory and description of all existing solid waste handling facilities including an inventory of any deficiencies in meeting current solid waste handling needs.

(2) The estimated long-range needs for solid waste handling facilities projected twenty years into the future.

(3) A program for the orderly development of solid waste handling facilities in a manner consistent with the plans for the entire county which shall:

(a) Meet the minimum functional standards for solid waste handling adopted by the department and all laws and regulations relating to air and water pollution, fire prevention, flood control, and protection of public health;

(b) Take into account the comprehensive land use plan of each jurisdiction;

(c) Contain a six year construction and capital acquisition program for solid waste handling facilities; and

(d) Contain a plan for financing both capital costs and operational expenditures of the proposed solid waste management system.

(4) A program for surveillance and control.

(5) A current inventory and description of solid waste collection needs and operations within each respective jurisdiction which shall include:

(a) Any franchise for solid waste collection granted by the utilities and transportation commission in the respective jurisdictions including the name of the holder of the franchise and the address of his place of business and the area covered by his operations;

(b) Any city solid waste operation within the county and the boundaries of such operation;

(c) The population density of each area serviced by a city operation or by a franchised operation within the respective jurisdictions;

(d) The projected solid waste collection needs for the respective jurisdictions for the next six years.

NEW SECTION. Sec. 2. There is added to chapter 36.32 RCW a new section to read as follows:

Any county legislative authority may establish solid waste collection districts within the county boundaries for the mandatory collection of solid waste. Such districts may be established only after approval of a coordinated, comprehensive solid waste management plan adopted pursuant to chapter 134, Laws of 1969 ex. sess. and chapter 70.95 RCW or pursuant to another solid waste management plan adopted prior to effective date of this 1971 amendatory act or within one year thereafter. The legislative authority of the county may modify or dissolve such district after a hearing as provided for in this 1971 amendatory act.

NEW SECTION. Sec. 3. There is added to chapter 36.32 RCW a new section to read as follows:

The county legislative authority proposing to establish a solid waste collection district or to modify or dissolve an existing solid waste collection district shall conduct a hearing at the time and place specified in a notice published at least once not less than ten days prior to the hearing in a newspaper of general circulation within the county. Additional notice of such hearing may be given by mail, posting on the property, or in any manner local authorities deem necessary to notify adjacent landowners and the public. All hearings shall be public and the legislative authority shall hear objections from any person affected by the formation of the solid waste collection district and make such changes in the boundaries of the district or any other modifications of plans that the legislative authority deems necessary.

NEW SECTION. Sec. 4. There is added to chapter 36.32 RCW a new section to read as follows:

No solid waste collection district shall be established in an area within the county boundaries unless the county legislative authority, after the hearing regarding formation of such district, determines from that hearing that the area needs service or that service is not adequate within the area. Such determination by the county legislative authority shall require the utilities and transportation commission to investigate and make a finding as to the adequacy of the service in the area.

If the utilities and transportation commission finds that service within the area is inadequate, it may require any garbage and refuse collection company possessing a certificate under RCW 81.77.040, to provide adequate service or, in the alternative, the utilities and transportation commission may award the new or additional service to any person fulfilling its qualifications for garbage and refuse collection companies.

If no person accepts the offer for new or additional service offered by the utilities and transportation commission, the county legislative authority may provide county garbage and refuse collection services in the area and charge and collect reasonable fees therefor. The county shall not provide service in any portion of the area found by the utilities and transportation commission to be receiving adequate service from an existing certificated carrier unless the county shall acquire the rights of such existing certificated carrier by purchase or condemnation.

NEW SECTION. Sec. 5. In the event that any county or municipality shall extend public solid waste collection service to any area already served by a refuse collection company holding a certificate as required by RCW 81.77.040, it shall by purchase or condemnation acquire at the fair market value, from the person holding the existing certificate for providing the services, that portion of the operating authority and equipment representing the services within the area of public operation.

NEW SECTION. Sec. 6. There is added to chapter 36.32 RCW a new section to read as follows:

If any garbage and refuse collection company certified by the utilities and transportation commission which operates in any solid waste collection district fails to

collect any fees due and payable to it for garbage and refuse collection services, such company may request the county to collect such fees. Upon the collection of such fees, the county shall pay one-half of the fees actually collected to the garbage and refuse collection company entitled to receive such and shall deposit the remaining one-half in the county general fund.

When the county undertakes to collect such fees as requested by the garbage and refuse collection companies, the county shall be subrogated to all of the rights of such companies. Any such fees which the county fails to collect shall become liens on the real or personal property of the persons owing such fees and the county may take all appropriate legal action to enforce such liens.

NEW SECTION. Sec. 7. Nothing contained in the provisions of this 1971 amendatory act shall detract from the powers, duties, and functions given to the utilities and transportation commission in chapter 81.77 RCW.

NEW SECTION. Sec. 8. The following acts or parts of acts are each hereby repealed:

(1) Section 1, chapter 155, Laws of 1933 as amended by section 1, chapter 98, Laws of 1941 and RCW 55.04.010;

(2) Sections 2 through 7, chapter 155, Laws of 1933 and RCW 55.04.020, 55.04.030, 55.08.010, 55.08.020, 55.12.010 and 55.12.020.

NEW SECTION. Sec. 9. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

In line 1 of the title, after "collection" strike "districts"

Signed by: Senators Mardesich, Chairman; Clarke, Cooney, Day, Fleming, Gissberg, Huntley, Keefe, Knoblauch, McDougall, Newschwander, Twigg, Whetzel.

The bill was read the second time by sections.

On motion of Senator Mardesich, the committee amendment beginning on page 1, striking the remainder of the bill after the enacting clause, was not adopted.

Senator Mardesich moved adoption of the following amendment:

On page 1, after the enacting clause strike the remainder of the bill and insert the following:

"Section 1. Section 9, chapter 134, Laws of 1969 ex. sess. and RCW 70.95.090 are each amended to read as follows:

(d) The projected solid waste collection needs for the respective jurisdictions for the next six years.

NEW SECTION. Sec. 2. There is added to chapter 36.32 RCW a new section to read as follows:

NEW SECTION. Sec. 3. There is added to chapter 36.32 RCW a new section to read as follows:

The county legislative authority proposing to establish a solid waste collection district or to modify or dissolve an existing solid waste collection district shall conduct a hearing at

the time and place specified in a notice published at least once not less than ten days prior to the hearing in a newspaper of general circulation within the county. Additional notice of such hearing may be given by mail, posting on the property, or in any manner local authorities deem necessary to notify adjacent landowners and the public. NEW SECTION. Sec. 4. There is added to chapter 36.32 RCW a new section to read as follows:

No solid waste collection district shall be established in an area within the county boundaries unless the county legislative authority, after the hearing regarding formation of such district, determines from that hearing that mandatory solid waste collection is in the public interest and necessary for the preservation of public health. Such determination by the county legislative authority shall require the utilities and transportation commission to investigate and make a finding as to the ability and willingness of the existing garbage and refuse collection companies servicing the area to provide the required service.

If the utilities and transportation commission finds that the existing garbage and refuse collection company or companies are unable or unwilling to provide the required service it shall proceed to issue a certificate of public need and necessity to any qualified person or corporation in accordance with the provisions of RCW 81.77.040.

The utilities and transportation commission shall notify the county legislative authority within sixty days of its findings and actions and if no qualified garbage and refuse collection company or companies are available in the proposed solid waste collection district, the county legislative authority may provide county garbage and refuse collection services in the area and charge and collect reasonable fees therefor. The county shall not provide service in any portion of the area found by the utilities and transportation commission to be receiving adequate service from an existing certificated carrier unless the county shall acquire the rights of such existing certificated carrier by purchase or condemnation.

NEW SECTION. Sec. 8. The following acts or parts of acts are each hereby repealed:

NEW SECTION. Sec. 9. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

Debate ensued.

POINT OF INQUIRY

Senator Gissberg: "Senator Mardesich, would you yield? As I recall the testimony of Jack Rogers of the Association of County Commissioners in the Commerce Committee, had not the House refused to, on one measure, go along with the concept of the county being forced to collect fees for garbage service removal by a private company? Now this bill would require the county to collect a bill from a householder who had not paid his garbage bill to a private garbage carrier and if the county was successful in collecting it, then one-half of that would go into the county general fund and the other half would go to the individual. But I thought a more satisfactory answer to that, rather than putting the county in the garbage

fee collection business, which I do not think it should be in, was to provide with certainty that a lien would extend to the private garbage company for the amount of the service the cost of which was uncollected, a lien against the real property from which the garbage emanated or from where it was hauled. Now why was that not carried? It seemed to me that was the consensus of everybody at the meeting."

Senator Mardesich: "I am not certain as to what you expressed to have been the situation in the House was the situation. At least I am unaware of what it was there. If you will look on page 4, lines 28 through 30 it says 'any such fees which the county fails to collect shall become liens on the real or personal property of the persons owing such fees and the county may take all appropriate legal action to enforce such liens'. Now that, however, is some distinction from what you have suggested.

"What this does is provide that the county shall collect the fees and they shall become, or in any event they may become, a lien on the real property. Now if the House determines that it should like another version of that, I certainly have no objection to it and if the county authorities and the private operators would certainly have no objections to that, to having a lien created by virtue of the existence of their bill. I am sure of that."

Senator Gissberg: "Senator Mardesich, have the representatives of the Association of County Commissioners agreed to the principle that it would be their duty and responsibility to collect the delinquent fees?"

Senator Mardesich: "This is all right as far as they are concerned. Whether they think this is the best way or not, that I could not answer."

POINT OF INQUIRY

Senator Guess: "Would Senator Greive yield? On page 2, subsection (a), line 5, this is the amendment that we have on our desks now. Normally this calls for a franchise being issued by the utilities and transportation commission in the respective jurisdictions, including the name of the holder and the franchise. Now, are we going opposite to what normal law is and normal procedures? In a county the county gives the utilities the right to occupy the right-of-way on county roads. Here we are doing something that we are putting the state into the issuing of the franchise when actually it should be county business."

Senator Greive: "I am told that if you have a franchise from the state you can borrow a number of times your net worth because the franchise itself, like a liquor license, is worth a lot of money and these men in the business are strung way out. In other words, they have a lot of equipment and they borrowed on the strength of the franchise and in any way to interfere with the franchise or play around with it might spell financial doom or ruin for a number of the private operators in this field.

"So if you are going to have private operators you just about have to go with what they have and are accustomed to because if you turn it back to the counties some may have it and some may not.

"Now the other reason is that in one or two cases, as I understand it, these franchises go across county lines, especially in the more remote areas and it just was not feasible for us to turn something back to the county when these men have borrowed money, when they have their territories worked out, and when they have the enforcement, even though the enforcement is not all we would like it to be, when they have the enforcement set up."

Senator Guess: "Senator Greive, I do not quite understand. If this is the case already, why is this new substantive law being put into the act?"

Senator Greive: "The amendment is substantive law applying to those areas where the county can force them to collect. Here is what we had. The counties came in and said, 'We would like to get rid of the private operators basically and get in the business ourselves. Why? Because we feel that there are areas where the collections are not being made.' Now I am not saying that this was the final tenor but this is the first time around, say a year or year and one-half ago. The private operators came in and said, 'We have a substantial investment. We are in the business. We are doing the job, and generally speaking, our work is acceptable.'

"We listened to both sides and little by little we tried to find an area of agreement. The agreements always evolved around how you would make the private operators do the job. This is just one of the devices that we came up with to try and see to it that they do the job. Now whether Senator Mardesich's committee changed it slightly or not I do not know. I do know that the operators have contacted us and the counties have contacted us since and both told us this amendment is acceptable. In other words, I did not get involved in Senator Mardesich's work except that both sides have communicated with me and told me that what he was doing was acceptable."

POINT OF INQUIRY

Senator Guess: "Would Senator Mardesich yield? Senator, as my attorney, would you advise that this is new material and does this procedure vary from that which is already in existence? If it is new material, then I want to have an opportunity to talk to the court house in Spokane before we vote on the bill, if I may."

Senator Mardesich: "With respect to what portion of the bill?"

Senator Guess: "Page 2, subsection (5), beginning at line 5. This is the granting of

franchises within the county by the utilities and transportation commission. Now this is a new departure to me for franchise granting. Why should the public utilities commission come into Spokane and grant a franchise when this is normally the county's job?"

Senator Mardesich: "The granting of the franchise is not covered in section 1, which I think you are referring to, at all. This is merely the section which provides for the study and the adoption of a comprehensive plan with respect to the problem of solid waste collection. One of the things they must do is make a summary of what franchises are outstanding and what areas they cover, along with the name and address of the operator, so they can make a determination as to whether or not the franchises granted do in fact service all areas of the county. That is all this section relates to. It does not give anyone any additional authority to grant franchises. That authority still rests with the Washington utilities and transportation commission."

POINT OF INQUIRY

Senator Guess: "Would Senator Gissberg yield? Would you care to discuss this further?"

Senator Gissberg: "The first section, and specifically on page 2 where you are looking at the underlined material, that entire first section simply adds some of the things that the county and city management plans shall include and your court house would not be upset about that. At the present time the utilities and transportation commission is the only one which has the authority to grant franchises for collection of garbage disposal to private carriers and there is no change in that in any way. This just simply says to the county and the city you have to know how many franchises are out and what territory they cover, in order that they can make a judgment as to whether or not they should set up the mandatory solid waste disposal districts.

"Now the part in section 2 and 3 and section 4 is new material. I would suggest if you want to call your court house, you ought to call your court house about section 4. This puts them in the fee collection business. Jack Rogers who represents the association of county commissioners says he has no objection to it."

Senator Guess: "Okay. Thank you very much."

POINT OF INQUIRY

Senator Wilson: "Will Senator Mardesich yield? Senator, I have two questions, one of which relates to what Senator Guess has been inquiring into and I am referring to page 3 and the paragraph starting on line 23. Does not this paragraph say that if the state commission finds that a company is not doing a good job somewhere, it can certify any other company it wants to provide these services within a county with or without the consent or approval of the county commissioners regarding the particular company that the commission chose to certify?"

Senator Mardesich: "First of all the county must make a finding that there is a need for mandatory service, that there is a need for service somewhere. The county then takes the position that 'We are going to demand this mandatory service.' Then they would have hearings and a factual determination that there is in fact an area that is not properly serviced. Then the next burden falls to the Washington Utilities and Transportation Commission since they are the ones presently authorized to make a determination. If the Commission then finds that in fact there is an inadequacy of service, then the Commission shall direct them to provide satisfactory service, or if there is no franchise, will expand their franchise to include the area and say to them, 'Do you want to take this new area?' The private company who is already in that general area may decide, 'We do not want that extra area.' The Commission can then make a determination that there is still necessary garbage service that should be rendered and call for anyone else to make an offer to carry on the solid waste collection service in that area.

"At that point the Commission could issue a new franchise in that area. The private operator who is already in the area, not deciding to render better service in that area, or deciding that he does not want the additional area, he can refuse.

"The Commission can then issue the franchise to the new man. Then if no one wants to take that new area, then the county can say, if no one apparently wants to render the service, the county itself may then render the service. At that point, if they infringe on the franchise area of another private operator, and the county decides that it does want mandatory service, which this bill directs, even under the private operator, then the county can go into the business itself. If it does so then it has the obligation to carry on a condemnation action with respect to the facilities of the private operator in the area."

POINT OF INQUIRY

Senator Wilson: "Senator Mardesich, however, and nowhere along the line of this process as I understand it, can the county commissioners say, 'We do not want this company providing this service in our county'. Perhaps because of some previous experience they had had with the company. Is that correct?"

Senator Mardesich: "They can make a finding that service is inadequate."

Senator Wilson: "Who can?"

Senator Mardesich: "The county commissioners. Then they ask the utilities and transportation commission to investigate the facts. They say, 'We find that on the basis of the facts and testimony presented at the hearing, that the solid waste collection service is inadequate. At that point then it is incumbent on the Washington Utilities and Transportation Commission to investigate those facts and if they determine that that is the situation, then the Commission must ask that private operator to render the service asked for by the county. If he declines, then the county can go into the mandatory collection.'"

Senator Wilson: "If the Commission feels that the company is doing a good job and the county commissioners do not, for example."

Senator Mardesich: "Then there would be a dispute as to the facts apparently and the Washington Utilities and Transportation Commission would be the final authority."

Senator Wilson: "Its decision would prevail?"

Senator Mardesich: "Right."

Senator Wilson: "My second question, Senator, in section 1, pertaining to solid waste management plan. Is each county and each city required to submit such plans, whether or not they intend to go into the garbage business themselves and regardless of whether they might have the financial resources to have such a plan developed?"

Senator Mardesich: "That is in fact the law today. All that this bill adds are provisos on page 2 which indicate what matter they should incorporate within that study. That would be a current inventory of the solid waste collection company and so on. In other words, this is saying that you must include this information within the study. Otherwise you obviously have not made an adequate study if you do not even know what franchises are outstanding and what areas they cover. That is the law today and the second part of section 1, the new underlined matter at the beginning of page 2 merely sets out some particular facts or factual findings that they must make."

POINT OF INQUIRY

Senator Clarke: "Would Senator Mardesich yield? Senator, I would like a clarification of this term 'mandatory collection'. Now does that mean that the service is to be mandatorily available or does that mean that a resident is required to take such service? In other words, we know that in connection, for instance, with sewers, that you have to connect up and if you do not you still have to pay a fee."

"Now I assume that under your amendment, insofar as an individual resident is concerned, he still has the option as to whether he wants to take or reject this service and if he wants to reject it, he does not have to take it and does not have to pay for it. Am I correct in that?"

Senator Greive: "Senator Mardesich has suggested that I answer your question. As a practical matter, this is up to the plan as adopted by the county. In other words, the county can do it either way. Here is the problem we had when we were conducting the hearings. They would give us all kinds of remote areas where nobody would take collection, King county is a good example."

"Some of these more remote areas have their own private dumps. They are unsupervised and everybody in the neighborhood puts the waste out there. They say they have rats and all of the bad things that go with it, DeSpain, from the King county engineers, was the man that came to us and kept saying 'we have to do something about these areas'. So we said all right, you adopt the plan and you decide what you want in the plan but if you do, make sure the man can make a living by giving him mandatory collection. So it may be either way."

POINT OF INQUIRY

Senator Donohue: "Would Senator Mardesich yield? Senator, I too am concerned about the new language in section 2. I am thinking particularly of the rural areas. When we talk about solid waste in farm areas we are talking about old machinery, and so forth that is out in the countryside. Would it be true then that if a plan were adopted by the county, could the county impose mandatory collections and require that a farmer pay the fees to do away with these particular areas on farms?"

Senator Mardesich: "The county could not make that decision on its own. The county would have to make a finding, first of all, that there is a problem, and then that problem would be referred to the Washington Utilities and Transportation Commission for review and further determination as to whether or not mandatory collection, as explained by Senator Greive."

Senator Donohue: "But it is true that this could happen after it was reviewed by the utilities and transportation commission?"

Senator Mardesich: "That could happen today, Senator Donohue."

POINT OF INQUIRY

Senator Lewis: "Would Senator Mardesich yield? Senator, if we were to take a hypothetical case of a garbage company in an area that had limited patronage and the county were to insist that this company were to service the homes and the Utilities and Transportation Commission investigated and made the finding that the companies were not willing to provide the service. As I read sections 4, 5 and 6, it appears to me that if, the way the bill is drafted, the county decided to let another private utility who was willing come in and take over that area, that the private operator who had had that area would not have the recourse provided in section 5 unless it were a public solid waste collection service that would take over. He would therefore lose that operating authority and have no recourse to a suit under the provisions of section 5 because it refers only to a public solid waste collection agency.

"In other words, I am saying that he probably has a value there of long standing but he feels that it is economically not feasible or he does not have the revenue to move into the area even though it is growing, until it grows to a certain point but the county and the public service commission could arbitrarily say that he must serve. Senator Mardesich, what I am saying is that it does not appear clear. I would like to hold it over unless you can satisfy this."

Senator Mardesich: "Senator Lewis, I think the answer would be that, on the basis of pure logic, it would not be the position of the Washington Utilities and Transportation Commission to franchise a company and then proceed to drive them into financial ruin. In fact they would, if higher fees were necessary in a particular area to sustain a solid waste disposal collection, authorize the fees in that area. If the private operator was unwilling to extend to that area, then they could give the franchise to a new operator. If they found that no one was willing to extend into that new area, then the county could go into the area, under a mandatory collection system. The only instance where there would be a need for the condemnation procedure would be in that instance where there was the extension or the takeover by the county in an area already franchised to an operator. But if he were doing very little or no collection in that area, he would have nothing to give up."

Senator Lewis: "Take for example, today though. I understand that these operating authorities can be granted even though services are not rendered in the entire area, but in the bulk of the area. That authority has a value and if I have an authority for an area and then I choose not to go out and service that area because I do not believe it is economically feasible, I choose not to make the capital investment. What you are saying is that because I, in my best business judgment, elect not to service the area today, therefore you can take it away from me."

Senator Mardesich: "No, they can do that today. That is the purpose of a franchise. By giving you a franchise they are saying to you, 'We are giving you this area and you must render the service and upon your failure to render the service, the Washington Utilities and Transportation Commission can take that authority away from you.' They have that authority today."

POINT OF INQUIRY

Senator Guess: "Would Senator Greive yield? Senator, I would say then; normally the public utilities commission will set fees. Are they going to do this in this case?"

Senator Greive: "I do not think there is any question that they are going to implement it. But you have to have an escape valve. The private operators are the last people who wanted the county in but they kept saying, 'Yes, but there are some areas where there is no way you will ever come out.' As I interpret it, they wanted the authority just to move the private operators out and so what they said was, 'Our protection is the public service commission. We do not want some county commissioners at some election to get a majority and suddenly force us out in the county. We want to have some place else we can go.'"

Senator Guess: "Thank you, Senator Greive."

The motion carried and the amendment by Senator Mardesich was adopted.

On motion of Senator Mardesich, the committee amendment to the title was adopted.

SENATE BILL NO. 542, by Senators Whetzel, Talley and Clarke:

Providing that sewer districts may include within their boundaries parts of more than one county.

MOTIONS

On motion of Senator Clarke, Substitute Senate Bill No. 542 was substituted for Senate Bill No. 542, the substitute bill was placed on second reading and read the second time in full.

On motion of Senator Clarke, the following amendment by Senator Whetzel was adopted:

On page 10 of the substitute bill, beginning on line 11 with "Sec. 11." strike all material down to and including "decision" on page 12, line 7, and insert the following:

"Sec. 11. Section 32, chapter 210, Laws of 1941 as last amended by section 125, chapter 81, Laws of 1971 and RCW 56.20.080 are each amended to read as follows:

The decision of the sewer commission upon any objections made within the time and in the manner herein prescribed, may be reviewed by the superior court upon an appeal thereto taken in the following manner. Such appeal shall be made by filing written notice of appeal with the secretary of said sewer commission and with the clerk of the superior court in the county in which [such sewer district] *the real property* is situated within ten days after publication of a notice that the resolution confirming such assessment roll has been adopted, and such notice of appeal shall describe the property and set forth the objections of such appellant to such assessment. Within ten days from the filing of such notice of appeal with the clerk of the superior court, the appellant shall file with the clerk of said court, a transcript consisting of the assessment roll and his objections thereto, together with the resolution confirming such assessment roll and the record of the sewer district commission with reference to said assessment, which transcript, upon payment of the necessary fees therefor, shall be furnished by such secretary of said sewer commission and by him certified to contain full, true and correct copies of all matters and proceedings required to be included in such transcript. Such fees shall be the same as the fees payable to the county clerk for the preparation and certification of transcripts on appeal to the supreme court or the court of appeals in civil actions. At the time of filing of the notice of appeal with the clerk of the superior court a sufficient bond in the penal sum of two hundred dollars, with sureties thereon as provided by law for appeals in civil cases, shall be filed conditioned to prosecute such appeal without delay, and if unsuccessful, to pay all costs to which the sewer district is put by reason of such appeal. The court may order the appellant upon application therefor, to execute and file such additional bond or bonds as the necessity of the case may require. Within three days after such transcript is filed in the superior court, as aforesaid, the appellant shall give written notice to the secretary of such sewer district, that such transcript is filed. Said notice shall state a time, not less than three days from the service thereof, when the appellant will call up the said cause for hearing. The superior court shall, at said time or at such further time as may be fixed by order of the court, hear and determine such appeal without a jury, and such cause shall have preference

over all civil causes pending in said court, except proceedings under an act relating to eminent domain in such sewer district and actions of forcible entry and detainer. The judgment of the court shall confirm, correct, modify or annul the assessment insofar as the same affects the property of the appellant. A certified copy of the decision of the court shall be filed with the officer who shall have the custody of the assessment roll, and he shall modify and correct such assessment roll in accordance with such decision. An appeal shall lie to the supreme court or the court of appeals from the judgment of the superior court, as in other cases, however, such appeal must be taken within fifteen days after the date of the entry of the judgment of such superior court, and the record and opening brief of the appellant in said cause shall be filed in the supreme court or the court of appeals within sixty days after the appeal shall have been taken by notice as provided in this title. The time for filing such record and serving and filing of briefs in this section prescribed may be extended by order of the superior court, or by stipulation of the parties concerned. The supreme court or the court of appeals on such appeal may correct, change, modify, confirm or annul the assessment insofar as the same affects the property of the appellant. A certified copy of the order of the supreme court or the court of appeals upon such appeal shall be filed with the officer having custody of such assessment roll, who shall thereupon modify and correct such assessment roll in accordance with such decision."

On motion of Senator Talley, the following amendment by Senator Whetzel to the title was adopted:

On line 23 of the title, strike "amended by section 2, chapter 40, Laws of 1965 ex. sess." and insert "last amended by section 125, chapter 81, Laws of 1971"

(NOTE: The purpose of these two amendments is to update the language which section 11 of this bill would amend. SB 122, which has passed both houses and has been signed by the governor, added references to the newly created court of appeals to appropriate sections of the Code. RCW 56.20.080, amended by section 11 of SSB 542 was one of these sections.)

SECOND READING

SENATE BILL NO. 792, by Senators Gissberg, Scott, Ridder and Peterson (Ted) (by Attorney General request):

Pertaining to consumer protection class actions.

The bill was read the second time by sections.

Senator Gissberg moved adoption of the following amendment:

On page 1, line 22, following "court" insert the following:

"PROVIDED FURTHER, That printers, publishers and broadcasters shall not be subject to liability for advertising under RCW 19.86.020 unless they have knowledge of the unfairness or deceptiveness of the advertisement!"

POINT OF INQUIRY

Senator Canfield: "Will Senator Gissberg yield? Senator, I know that when some magazines carry advertisements, they guarantee the truth of their advertising. Apparently they make some kind of research into their advertisers so they can make a reasonable guarantee and if the advertisers do not make good, then the newspaper or the magazine itself takes action against them. Why are we setting up a special privilege class for newspapers, magazines, radios, television and so forth?"

Senator Gissberg: "It is a policy decision that you now have to make as to whether or not you wish to do this. The type of magazine that you are talking about, that guarantees the products they are selling, or their advertisers, I do not think this would touch at all. It would not let them off because they are, in effect, entering into a contract of guarantee with their readers who accept that offer so that I do not think that this would touch that guarantee."

"I think it goes far beyond that. But you have the situation where somebody is advertising in the morning paper or the evening paper or any magazine. They send in the ads to the copywriter and how can the newspaper or the magazine which is not engaging in the type of business that you have just described, know that the advertising is or does constitute 'an unfair method of competition, an unfair or deceptive act or practice'. How can the man that is looking at that copy in the advertising department know that that is the case?"

"At this posture of the law, it is such that whether they know it or not they are liable. The newspaper itself is liable. I do not think that that was the intention when we first passed the consumer protection act. We tried to get at the culprit. We are trying to get at the man who is doing this, not the one who is innocently, so to speak, conveying the message through the communications media. But nonetheless the law now does place a high degree of responsibility and potential liability to that news media, even though they innocently publish an advertisement from one which does constitute an unfair method of competition, and so forth.

"That is a policy decision you have to make right now, as to whether or not you believe that they are in some special class or whether you think the prevailing public interest is so great that you should require the newspapers to take that chance and by taking the chance then, investigate before they will take the advertisement so as to protect the consuming public and put the burden on them and keep the burden on them. Now that is the question you have to decide."

Senator Canfield: "Do you know of any newspapers and these other media that use a disclaimer method of protecting themselves? Would that give any kind of reasonable protection to both the consumer and to the newspaper?"

Senator Gissberg: "I do not understand what you mean by a disclaimer."

Senator Canfield: "I mentioned a moment ago that some magazines do protect the consumers by guaranteeing the truthfulness of the advertisement. Now supposing they put in a statement to the effect that 'We specifically do not guarantee the truth or accuracy of these advertisements.' Would that take them off the hook?"

Senator Gissberg: "No, it would not. That would be a self-serving statement that would not cut across the law as it now exists. It would not do so."

Senator Canfield: "I am a little concerned with this drive for consumer protection. I am in favor of consumer protection, I think nearly everyone is as long as they do not go to ridiculous extremes and these class actions really bug me. I do not know how the attorneys feel about them. They are generally in favor, are they, Senator Gissberg? In favor of class actions, or is that an unfair question?"

Senator Gissberg: "No, I do not think it is an unfair question. It is a good question. That is quite a different question, however, than the subject that we are now dealing with in the amendment. The amendment seeks to go the other way and remove from the present consumer protection act potential liability to a special class of industry for the reason that I just suggested.

"With respect to your inquiry as to whether attorneys favor class actions, some do, some do not. For instance, the attorneys for Montgomery Wards, J. C. Penny, Sears Roebuck and many others, those attorneys do not favor class actions because they know that if their clients are engaging in an unfair method of competition or an unfair practice and the consuming public is only damaged to the extent of five dollars, they know that they are not going to be sued. No attorney in his right mind is going to sue for that five dollars, representing one client. But under the class action method, if the attorney, through the court proceedings which are available now, can represent, instead of one client damaged by five dollars, a million clients who have been damaged by an unfair trade practice, then to that extent I believe that the consuming public is protected and that the unfair practice which the company is engaging in will be stopped in a hurry. To that extent, if the lawyer is on that side of the fence, yes, then he does and he is speaking in the public interest at that point.

"On the other hand, in our committee hearings, industry groups, the companies that I just mentioned—I do not think it is improper to mention who they were—came before the committee and proposed numerous amendments and I would suspect that maybe they are going to be offered on Monday by Senator Guess, which would substantially go in the other direction and would go backwards insofar as the consumer protection matter is concerned with respect to the fees and so forth. The committee considered those amendments but in its wisdom did not adopt them, feeling that we would be going the opposite direction.

"I do not know whether I have answered your questions or not but with respect to this amendment at least, I am supporting it at this point because I just do not feel that the communications media is in a position to adequately grapple with this problem at the time they are writing an ad and I do not believe that they should have to."

Senator Mardesich moved adoption of the following amendment to the amendment by Senator Gissberg:

In the amendment by Senator Gissberg, after "advertisement" and before the period, insert the following: "Or should have reasonably questioned its unfairness or deceptiveness"

Debate ensued.

On motion of Senator Scott, the amendment to the amendment by Senator Mardesich was laid upon the table on a rising vote.

The motion by Senator Gissberg carried and the amendment was adopted.

Let Thy work appear unto Thy servants, and Thy glory upon their children. And let the beauty of the Lord our God be upon us. Establish Thou the work of our hands upon us; yea, the work of our hands establish Thou it. Our Father God, as we are about to begin another week, we would first thank Thee for the Gospel of Work; for work to do and for health of body and soundness of mind to do the work. We invoke now the sending forth of Thy light and truth to guide the presiding officer and the members of this Upper House this day. LETTER OF INFORMATION

April 26, 1971.

THE HONORABLE JOHN CHERBERG,
PRESIDENT OF THE SENATE,
LEGISLATIVE BUILDING,
OLYMPIA, WASHINGTON.

DEAR SIR:

The following bills have been passed out of the Senate Committee on Revenue and Taxation into the full Committee on Ways and Means:

On motion of Senator Talley, the following resolution was adopted:

SENATE RESOLUTION: 1971-EX-54

By Senator Talley:

WHEREAS, Railpax is to commence rail service May 1, 1971 amid serious controversy over its proposed routes and basic purposes; and

WHEREAS, There are now scheduled to be two daily trains in each direction between Portland and Seattle which will leave Portland at 8 a.m. and 4:30 p.m. and Seattle at 9:30 a.m. and 5:30 p.m. with stops only at Vancouver and Tacoma; and

WHEREAS, The Seattle-San Diego tri-weekly train is scheduled to stop at Kelso when northbound at 2:25 p.m. and to arrive in Seattle at 5:15 p.m. and the only daily Seattle-Chicago train will depart from Seattle at 2:15 p.m.; and

WHEREAS, From the above schedule it will be impossible for persons of the Kelso-Longview area, Kalama, Castle Rock, Cathlamet, Skamokawa, and the other communities between Tacoma and Vancouver to board a train for Chicago or points east unless they take the Northbound California train and wait for twenty-one hours in Seattle; and

WHEREAS, This area of Southwestern Washington does provide sufficient patrons on a daily average basis to warrant another stop and, in addition provides substantially more weekend traffic composed largely of college students; and

WHEREAS, The proposed reduction of train service under Railpax will place greater traffic burdens on the badly overcrowded Interstate 5 highway, and will reduce the work force in our area by 105 persons including several persons from the Kelso depot;

NOW, THEREFORE, BE IT RESOLVED, That the Senate of the State of Washington requests that the Railpax organization, the Interstate Commerce Commission, the Department of Transportation, and the Congressional delegation from the state of Washington reexamine the proposed Railpax schedule and provide for an additional stop at Kelso of the four daily Portland-Seattle trains; and

BE IT FURTHER RESOLVED, That copies of this resolution be transmitted by the Secretary of the Senate to the Railpax organization, to the Interstate Commerce Commission, to the Department of Transportation, to the President of the United States Senate, to the Speaker of the House of Representatives and to each member of Congress from the state of Washington.

The bill was read the third time and placed on final passage.

MOTION

On motion of Senator McDougall, Senator Matson was excused.

POINT OF INQUIRY

Senator Canfield: "Would Senator Walgren yield to a question? Senator Walgren, I am concerned about your definition of what is a liquor vendor. I notice the Senate amendment eliminates the part-time vendors, that is fellows who run a dry goods store, and hardware and things like that. Is this a full-time salesman or a liquor store operator or just what is a liquor vendor?"

Senator Walgren: "The part-time people, that is the people that were selling dry goods and other things besides liquor were never under the law and were never brought in by virtue of the personnel board ruling. This amendment applies only to those persons who the great majority of the time, in fact all the time, are selling liquor on behalf of the state."

Senator Wilson: "I think I asked the same question Saturday, but to refresh my memory, the full-time liquor vendors remain under civil service coverage. Is that correct?"

Senator Walgren: "The full-time liquor vendor was never under civil service coverage. The only reason that we have this bill is because the personnel board, by virtue of an interpretation, stated that they would come under civil service but under the law they never were. But what we are doing here is to specify particularly that they are not under civil service coverage except for the purposes that in case they were fired or something of that nature."

[These additional board members shall serve on the retirement board only for the purposes of administering this chapter.] One board member shall be a fire fighter and shall be elected by the fire fighter members and one shall be a law enforcement officer elected by the law enforcement members. [These board members shall serve two year terms.] The first board member elected by the law enforcement officer members shall serve for one year only, the first board member elected by the fire fighters shall serve a two year term, and thereafter both shall serve two years unless they cease to be members of the retirement system. In such case there shall be elected in the same manner another member from the same service to fill out the remaining part of the term. *Two additional representatives of counties and cities shall be added to the retirement board. The legislature of the state of Washington hereby declares that the relationship between members of the law enforcement officers' and fire fighters' retirement system and their governmental employers is similar to that of workmen to their employers and that the sure and certain relief granted by this chapter is desirable, and as beneficial to such law enforcement officers and fire fighters as workmen's compensation coverage is to persons covered by Title 51 RCW. The legislature further declares that removal of law enforcement officers and fire fighters from workmen's compensation coverage under Title 51 RCW necessitates the (1) continuance of sure and certain relief for injuries, which the legislature finds to be accomplished by the provisions of this chapter and (2) protection for the governmental employer from actions at law; and to that end all civil actions and civil causes of actions by such law enforcement officers and fire fighters against their governmental employers for personal injuries are hereby abolished, except as otherwise provided in this chapter.

Senator Francis: "The idea is to try to have these facilities open and available as much as possible throughout the year, at nights during the school year, also on weekends during the school year. There have been classes and courses given during the summer also at Lincoln high school. In fact, my wife took a class in painting there. It would apply year round, the idea being to use these facilities which are owned by all of us, not just for the school district to use them but for the entire community to be able to use them."

Senator Peterson (Ted): "It is all schools then?"

Senator Francis: "It would be all public schools that we are thinking about and trying to encourage the use."

Senator Peterson (Ted): "What is the financial impact if you were to be open all summer? That is quite an expense, isn't it?"

Senator Francis: "No, I do not think so. Of course, here we are not committing ourselves to anything. We are just studying the possibility. But the information we have gotten, mostly from Michigan, is that it is very small but this is the kind of thing we are talking about and I think we are going to want to find out more about it."

SECOND READING

SENATE BILL NO. 849, by Senators Durkan and Lewis:
Pertaining to taxation of timber and forest lands.

MOTIONS

On motion of Senator Durkan, Substitute Senate Bill No. 849 was substituted for Senate Bill No. 849, the substitute bill was placed on second reading and read the second time in full.

On motion of Senator Durkan, the rules were suspended, Substitute Senate Bill No. 849 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Talley: "Would Senator Durkan yield? Senator, from your remarks, and I appreciate them very much, I am assured then that our counties, and I represent a timber growing county, that our revenue loss from taxes will not occur in the next two years?"

Senator Durkan: "That is correct."

POINT OF INQUIRY

Senator Dore: "I wonder if Senator Durkan will yield to some questions? What is the difference basically in the substitute bill and the original bill? What changes were made?"

Senator Durkan: "Generally speaking, between the substitute bill and the Senate bill there was only technical amendments made. Senator Lewis may be able to add to it and I would like him to do so but as far as I am concerned, most of them were technical amendments."

Senator Dore: "There are no substantial changes between the two bills?"

Senator Durkan: "To the best of my knowledge, but I would like Senator Lewis to add to this."

POINT OF INQUIRY

Senator Dore: "Are there any substantial changes between the substitute and the original bill?"

Senator Lewis: "The only, and the most significant substantial change, in addition to the technical changes that Senator Durkan described which were primarily definition changes to make more clear the intent of the legislation, the only additional change which was significant was the inclusion of the superintendent of public instruction on the committee, which we felt was a wise decision. The school directors, the Washington Education Association and the superintendent agreed with us and this will provide and make available the staff of the superintendent to make sure that the technical arrangements for the return of revenue will be made."

Senator Dore: "There is none other than you related now, right?"

Senator Lewis: "That is correct."

POINT OF INQUIRY

Senator Dore: "May I ask another question, Senator Durkan? Over the next five years, have you made any projections in your study as to any difference in taxes as to what would

raise under the conventional ad valorem system as opposed to the adoption of this system? I understand from your statement the yield has been suggested at six to thirteen percent. Assuming those figures, what would be the difference between money that would be raised if we did not change the system as opposed to what it will be raised under this substitute bill?"

Senator Durkan: "The best judgment we have is based upon the ten million dollars presently raised and over a period of time based as to the ad valorem and the yield tax and, of course, depending upon the rates which will determine that but the yield tax will probably raise somewhere in excess of twenty percent more."

Senator Dore: "Twenty percent more. Now, I do not think you answered my question specifically or maybe I did not ask it right. I did not ask as to what it raises today, but assuming that, projecting the present system five years forward as opposed to projection of this system five years forward, how will it compare? Will it raise the same, will it raise less, or will it raise more?"

Senator Durkan: "It would raise more and the present system would be approximately fourteen million dollars and it would raise approximately—and it could go higher than that but based upon the best judgment that we have on an average rate it would be twenty percent higher than a fourteen million dollar—"

Senator Dore: "In other words, under this bill we will raise approximately twenty percent more revenue the next five years than if we did not adopt this system. Is that correct?"

Senator Durkan: "To the best of our judgment and also dependent upon, it could go higher than that, what rate we set in the bill."

Senator Dore: "What is your answer based on? Is it based on six percent or thirteen percent or what?"

Senator Durkan: "It was based upon, I think, seven percent average which I thought was low."

Senator Dore: "In other words, based on a seven percent average yield tax then over the next five years this bill will raise approximately twenty percent more than if we continued the present system, ad valorem system?"

Senator Durkan: "That is right. It could be more."

Senator Dore: "Then if this is to be more equitable to the owners of timber, why do we adopt this bill which will require them to pay twenty percent more. What is the reason for that?"

Senator Durkan: "Because the aspects of timber is that presently the land owner on a wood lot has to pay the ad valorem tax year after year after year, regardless of the fact that he may never get to harvest it and receive any benefits from it. So under a yield tax theory is that he pays at the time that the yield is made, when the timber is cut. That is the theory behind it."

Senator Dore: "He is going to save money under adoption of that theory. What timber people will pay more to raise the tax income twenty percent?"

Senator Durkan: "Two things. First of all, they are prepared to pay a greater yield based upon the fact that if they do not have to pay constantly until when they yield the timber. They are prepared to pay more. That is the important aspect of it. Secondly, what is more important is that under the 1963 tax manual there are many of us who believe now that the timber tax manual is too low and that the revenue should be more, so they are going to pay more under the yield tax because of that. The rate will be higher."

POINT OF INQUIRY

Senator Dore: "Will Senator Lewis yield to one further question? Senator, we were told in the committee meeting the other day there had been study made of comparable tax that would be raised under the existent ad valorem system as opposed to the yield tax as reflected in this bill. Are those studies available? I have not seen any."

Senator Lewis: "Senator Dore, the studies have just been normal projections made by the consultant, and that consultant's study is available to you. We would be glad to submit that to you."

"I would like to make a couple additional comments in regard to that same question. Number one, it was the committee's feeling, and a strong feeling, that there were a number of stands of timber throughout the state that were not included on the ad valorem basis. For example, some counties have been doing an excellent job in cruising old growth timber and getting that on the rolls but we became aware that it was quite possible that some of these counties had missed large acreages of second growth which they were unable to cruise and those values, of course, were not added to the tax rolls and therefore the local taxing districts were unable to receive the benefits of that tax. Under the yield tax system, each cubic foot, board foot, a unit of chips, will be taxed. So the escapement that is possible under the ad valorem system certainly will not be available under the yield tax system."

"In addition to that, I think we should all recognize that those people who have been paying ad valorem taxes on their timber throughout the years, particularly those who have a stand of timber that is approaching maturity or is mature, in a short period of time, will pay a yield tax in addition to the ad valorem tax which they had been paying. So on that basis alone, assuming normal rotations, I think we could look for somewhere between a five and seven percent increase in total taxes from timber almost immediately because of that duplication in taxes which is necessary in the transfer to another system."

"Third, and probably most significant point, Senator Dore, from your standpoint as chairman of the committee on appropriations, is that the legislature will have a handle on the rate of tax every time it meets. This I think you clearly understand in its implications in tax revenue."

Senator Dore: "Senator Lewis, now on testimony before the committee the other day, as I understand under this bill you will still maintain a tax on the land as distinguished from the timber that is taken from the land. Is that correct?"

Senator Lewis: "That is correct."

Senator Dore: "Presently it has been arbitrarily appraised at say fifty or one hundred dollars an acre in some counties. Isn't that right?"

Senator Lewis: "It varies greatly from county to county, Senator Dore, and with classified land and other lands as well."

Senator Dore: "After this bill passes there will be some question as to whether the land underneath the timber has any value at all and I just wonder, is it your intent to at least retain the value of the land the assessors have given it now? In other words, at fifty or one hundred dollars an acre rather than perhaps dropping it to a dollar or two an acre based on its actual value."

Senator Lewis: "The answer to that is that a standard will be set by the revenue department which will be followed by the assessor in defining forest land. The assessor himself, and rightly so, will make the determination of whether the land is forest land or not. Or whether its purpose has a higher and better use. If he makes the determination that it is not forest land, then the land owner has the right to appeal and it falls on his back then to prove that the land is indeed forest land. The net result will be a uniform method of appraising forest land throughout the state, which system we do not have now, where in some counties forest land is valued as low as fifteen dollars an acre and in other counties as high as three hundred, which completely prohibits the operation of long range forest planning and management."

Senator Dore: "I would just like to ask, what is it your intent as a legislator? Is it to have at least the value—I understand the director of revenue will set the standards—but is it your intent as a sponsor that these present values of forest land under the definitions of this bill will have at least as much taxation on the land as it does at the present time?"

Senator Lewis: "Senator Dore, the total tax is a combination of the land tax and the tax on timber. The amount of revenue that we obtain from a forest tax program is based on those two items. It is my intent and it was the intent of the committee, that no taxing district shall suffer any loss of revenue in moving to a yield tax system and I am very confident that we will see substantial increases in the amount of tax borne by the forest industry."

POINT OF INQUIRY

Senator Stender: "Will Senator Durkan yield to a further question? Senator, one of the tests of these revised tax systems sometimes is in finding out how the users of the tax dollars that are raised react to it. Do you have anything you can add as to whether the school districts or special taxing districts and those that would normally be concerned about a shift in the taxing program?"

Senator Durkan: "The organizations which represent the common schools support it. Washington Education Association testified before our committee that they support it. The Association of School Superintendents testified before our committee that they support it."

Senators Matson, Newschwander and Lewis demanded the previous question and the demand was sustained.

The President declared the question before the Senate to be the final passage of Substitute Senate Bill No. 849.

"O God of love, Thou hast said that if we were to speak with the combined eloquence of men and angels, we should stir men like a fanfare of trumpets or the crashing of cymbals; but unless we had love, we should do nothing more. O Father of lights, since Thou hast said that love is the fulfilling of the law, then surely we need to invoke the spirit of Thy love upon our legislators that the laws which they are even now enacting be worthy of obedient fulfillment by the citizenry of our state. Pour forth now the spirit of Thy love upon us; the love that is slow to lose patience and that looks for a way of being constructive; the love that is now possessive and does not cherish inflated ideas of its own importance; the love that has good manners and does not pursue selfish advantage. May we this day and all our days, follow the way of love, through Jesus Christ our Lord. Amen."

MESSAGE FROM THE HOUSE

April 27, 1971.

Mr. President: The Speaker has signed SENATE BILL NO. 514, and the same is herewith transmitted. MALCOLM McBEATH, Chief Clerk.

MOTION

On motion of Senator Guess, Senate Bill No. 373 was ordered placed on the second reading calendar for today immediately following consideration of Senate Bill No. 724.

PERSONAL PRIVILEGE

Senator Stender: "Yesterday the President named me to serve on a Conference Committee to confer with the House on House Bill No. 735. There was a sharp division among the members as to approval of the conferees appointed. My leader, Senator Atwood, found it within his judgment to announce that I did not represent the view of the caucus. It was a statement that I found difficult to understand.

"This morning there was an article in the Post-Intelligencer where Senator Atwood apparently speaks out, stating, 'It was a real rotten thing on their part.' I resent being referred to in this manner. Senator Stortini also is quoted as saying, 'A lot of Democrats are not happy with what happened'.

"I should like to state for the record that I have worked with our state industrial insurance law since 1946. I have been involved in many cases of personal injury under our state workmen's compensation. I have been involved with appeals procedures of the act. I

served on the interim committee on industrial insurance by appointment and confirmation of this body. As a matter of self-appraisal, I probably have had as much and probably a broader background of experience and study in this field than any other member of this body. I am not committed to anyone in any of the current measures. My only commitment is that the present law must be improved in the benefit structure as well as the administration of the law including the appeals procedure. I do trust that the philosophical views will not close out the injured workman's problem. He is the one that is so often forgotten.

"My decision is, therefore, to resign from the Conference Committee. I regret the need to do this, mainly because as I said already this is area which I have worked in for so many years past. I thank those of you who supported me yesterday and I do trust the committee's work, whoever is on it, will be carried forward to success."

PRESIDENT'S REMARKS

The President: "The resignation by Senator Stender has been received and the resignation granted."

MOTION

At 10:55 a.m., on motion of Senator Greive, the Senate recessed until 12:20 p.m.

NOON SESSION

The President called the Senate to order at 12:20 p.m.

MOTION

On motion of Senator Greive, Senate Bill No. 371 was ordered to hold its place on the second reading calendar for Thursday, April 29, 1971.

SECOND READING

SENATE BILL NO. 724, by Senator Ridder:
Implementing laws relating to education.

REPORT OF STANDING COMMITTEE

April 16, 1971.

SENATE BILL NO. 724, implementing laws relating to education (reported by Committee on Education):

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

"Section 1. Section 28A.01.010, chapter 223, Laws of 1969 ex. sess. and RCW 28A.01.010 are each amended to read as follows:

A school day shall [consist of six hours for all pupils above the third grade, exclusive of an intermission at noon; any board of directors however may fix as a school day for their district a less number of hours than six: PROVIDED, That for pupils in kindergarten the school day shall not be less than three hours, exclusive of an intermission at noon, for pupils in grades one through three the school day shall not be less than four hours, exclusive of an intermission at noon, and for pupils belonging to grades above the third grade the minimum school day shall not be less than five hours, exclusive of an intermission at noon: PROVIDED FURTHER, That for kindergarten purposes an attendance of two hours shall be credited as one-half day. In the absence of any bylaw or order of the board of directors defining the school day for their district, any teacher may dismiss all pupils belonging to grades one through three after an attendance of four hours, exclusive of an intermission at noon] *mean each day of the school year on which pupils enrolled in the common schools of a school district are engaged in educational activity planned by and under the direction of the school district staff, as directed by the administration and board of directors of the district.*

Sec. 2. Section 28A.01.025, chapter 223, Laws of 1969 ex. sess. and RCW 28A.01.025 are each amended to read as follows:

The school year for all matters pertaining to teacher certification or for computing experience in teaching shall consist of not fewer than one hundred eighty school days, *except in those school districts which maintain a school year of fewer days pursuant to section 3 of this 1971 amendatory act.*

Sec. 3. Section 28A.58.180, chapter 223, Laws of 1969 ex. sess. and RCW 28A.58.180 are each amended to read as follows:

All school districts in this state shall maintain school at least one hundred eighty days each school year as defined in RCW 28A.01.020, *except that no school district shall be required to maintain school in excess of the number of days for which it has available revenues from state and local property taxes, county administered funds, K-12 apportionment, state transportation funds, proceeds from the mobile home excise tax, state funds from any separate appropriation for salary improvement purposes, state funds for employee health benefits, state forest funds, proceeds from the public utility district excise tax, federal forest reserve funds, and revenues from Public Law 874. The determination of the availability of such revenues shall be based on a per full time equivalent pupil basis and compared with the total of identical revenues per full time equivalent pupil which the district received during the previous school year. The number of days which school shall be in session shall be reduced proportionate to the reduction in per pupil revenues from the sources enumerated above. This section shall not be deemed a limitation on the duty of the superintendent of public instruction to distribute moneys appropriated by the legislature for apportionment under RCW 28A.41.130 nor shall it be deemed a limitation on the duty of the board of county commissioners of each county to distribute the proceeds of the excise tax on real estate sales pursuant to RCW 28A.44.040 and 28A.45.040.*

NEW SECTION. Sec. 4. Sections 2 and 3 of this 1971 amendatory act are necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

Strike the title and insert the following:

"An Act relating to education; amending section 28A.01.010, chapter 223, Laws of 1969 ex. sess. and RCW 28A.01.010; amending section 28A.01.025, chapter 223, Laws of 1969 ex. sess. and RCW 28A.01.025; amending section 28A.58.180, chapter 223, Laws of 1969 ex. sess. and RCW 28A.58.180; and declaring an emergency."

Signed by: Senators Francis, Chairman; Fleming, Metcalf, Newschwander, Odegaard, Ridder, Washington.

The bill was read the second time by sections.

Senator Francis moved adoption of the committee amendment.

Senator Atwood moved adoption of the following amendment to the committee amendment by Senators Atwood and Durkan:

Insert as section 4 the following:

"Sec. 4. Section 28A.41.130, chapter 223, Laws of 1969 ex. sess. as amended by section 2, chapter 138, Laws of 1969 and RCW 28A.41.130 are each amended to read as follows:

From those funds made available by the legislature for the current use of the common schools, other than the proceeds of the state property tax, the state superintendent of public instruction shall distribute annually as provided in RCW 28A.48.010 to each school district of the state operating a program approved by the state board of education, an amount which, when combined with the following revenues, will constitute an equal guarantee in dollars for each weighted student enrolled, based upon one full school year of one hundred eighty days:

(1) Eighty-five percent *prior to the 1972-73 school year and ninety percent during the 1972-73 school year and thereafter* of the amount of revenues which would be produced by a levy of fourteen mills on the assessed valuation of taxable property within the school district adjusted to twenty-five percent of true and fair value thereof as determined by the state department of revenue's indicated county ratio: PROVIDED, [That in each of the calendar years 1968 and 1969 the funds otherwise distributable under this section to any school district which is collecting property taxes based upon a levy of less than five-sixths of the maximum levy permissible for the district for such year under RCW 84.52.050 shall be reduced by an amount equal to the difference between the proceeds of the actual school district tax levy in the district and the proceeds which five-sixths of such maximum permissible levy for the district would produce irrespective of any delinquencies: PROVIDED, FURTHER,] That the funds otherwise distributable under this section to any school district for any year [other than the calendar years 1968 and 1969] shall be reduced by the difference between the proceeds from the actual school district tax levy in the district and the amount the maximum levy permissible for the district under RCW 84.52.050 would produce irrespective of any delinquencies; and

(2) The receipts from the one percent tax on real estate transactions which may be imposed pursuant to chapter 28A.45 RCW: PROVIDED, That the funds otherwise distributable under this section to any school district in any county which does not impose a tax in the full amount authorized by chapter 28A.45 RCW shall be reduced by five percent; and

(3) Eighty-five percent *prior to the 1972-73 school year and ninety percent during the 1972-73 school year and thereafter* of the maximum receipts collectible from the high school district fund pursuant to chapter 28A.44 RCW; and

(4) Eighty-five percent of the receipts from public utility district funds distributed to school districts pursuant to RCW 54.28.090; and

(5) Eighty-five percent of the receipts from federal forest revenues distributed to school districts pursuant to RCW 36.33.110;

(6) Eighty-five percent of such other available revenues as the superintendent of

public instruction may deem appropriate for consideration in computing state equalization support."

Renumber old section 4 of the amendment as section 5.

POINT OF INQUIRY

Senator Odegaard: "Would Senator Atwood yield? Senator, is this the first year of the biennium or the second year of the biennium or both?"

Senator Atwood: "I believe it is both."

Senator Odegaard: "Would not this cause a problem to school districts that have already . . ."

Senator Atwood: "No, it does not. They were notified when the Governor's budget came out that it was based on ninety percent consideration of the adjustment. This bill has been before the Senate. I think most of the school districts, including my own, have figured their budget based on this ninety percent consideration. Now there may be some that have not, but as far as I am aware, the Governor's office notified everyone very early in the game, especially when the budget was first presented to the legislature, that this was the underpinning of both the House and Senate Ways and Means Committees and even Senator Dore's version of the budget."

Senator Odegaard: "The original proposal by Governor Evans in his budget increased to both ninety percent for both years of the biennium?"

Senator Atwood: "Maybe it is only one year. I may be in error."

Senator Odegaard: "That is what I thought, it was just one year."

Senator Atwood: "You could be right on that."

Senator Odegaard: "If this is both years of the biennium I believe there are districts in the state who have not planned for this. This could be a serious blow financially to many of them and I would like to . . ."

Senator Atwood: "You are right. It is the 1972-73 school year. It is the second year of the biennium."

Senator Odegaard: "So your amendment pertains only to the second year?"

Senator Atwood: "Yes, I will read it, the underlined portions that are important. 'eighty-five percent prior to the 1972-73 school year and ninety percent during the 1972-73 school year.' So it is the second year of the biennium."

Senator Odegaard: "Senator Atwood, isn't that proviso in the budget bill?"

Senator Atwood: "Not good enough in the budget bill because the school apportionment formula is set by section 28A.41 of RCW. To be upheld, it should be statutory."

MOTIONS

On motion of Senator Francis, Senate Bill No. 724, the pending committee amendment and the amendment to the committee amendment by Senators Atwood and Durkan was made a special order of business immediately following the noon recess.

At 12:25 p.m., on motion of Senator Greive, the Senate recessed until 1:30 p.m.

AFTERNOON SESSION

The President called the Senate to order at 1:30 p.m.

SECOND READING

SENATE BILL NO. 360, by Senators Huntley, McDougall and Washington (by Joint Committee on Highways request):

Establishing a highway classification board and providing for long range priority planning for all streets, roads and highways.

MOTION

Senator Gissberg moved that Senate Bill No. 360 be referred to the Committee on Transportation.

Debate ensued.

POINT OF INQUIRY

Senator Atwood: "Would Senator Huntley yield? Senator, what are the amendments that you want to put on the bill?"

Senator Huntley: "There are several on your desk and I find that in reading the bill we have overlooked some things that should be in it. They should be discussed further."

Senator Atwood: "Okay. Time is starting to run."

The motion carried. Senate Bill No. 360 was referred to the Committee on Transportation.

SPECIAL ORDER OF BUSINESS

SENATE BILL NO. 724, by Senator Ridder:

Implementing laws relating to education.

The Senate resumed consideration of Senate Bill No. 724, the pending committee amendment and the amendment by Senators Atwood and Durkan to the committee amendment.

POINT OF ORDER

Senator Francis: "Senator Atwood's amendment would change the scope and object of the bill because the bill itself relates to school days and this talks about finance and apportionment formula."

REMARKS BY SENATOR ATWOOD

Senator Atwood: "Mr. President, I would point out to the good Senator that this is a title only bill as it sits out here in front of us. I am amending your amendment and the bill itself is title only. It covers anything within Title 28. If you take that position, I do not think it can stand in the present posture of this bill as it sits before us."

Senator Francis: "I am aware of that, Senator Atwood. I would like to have a ruling from the Chair on it."

REPLY BY THE PRESIDENT

The President: "Senator Francis, the President is in the position of not being able to determine whether or not the amendment changes the scope and object of the measure until such an amendment to the measure is adopted."

Debate ensued.

The motion by Senator Atwood carried and the amendment by Senators Atwood and Durkan to the committee amendment was adopted.

The motion by Senator Francis carried and the committee amendment, as amended, was adopted.

Senator Francis moved adoption of the committee amendment to the title.

On motion of Senator Atwood, the following amendment to the Committee amendment to the title by Senators Atwood and Durkan was adopted:

Amend the committee amendment to the title as follows:

On line 6 of the committee amendment to the title, after " "RCW 28A.58.180;" insert "amending section 28A.41.130, chapter 223, Laws of 1969 ex. sess. as amended by section 2, chapter 138, Laws of 1969 and RCW 28A.41.130;"

The motion by Senator Francis carried and the committee amendment to the title, as amended, was adopted.

On motion of Senator Francis, the rules were suspended, Engrossed Senate Bill No. 724 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Guess: "Would Senator Francis yield? Senator, yesterday we had several hundred teachers and students over here from Mead which is located in the northern section of Spokane. One of the things that they pointed out was that they are now going to have to

double shift their schools with about fifty students in each class. Now is this going to help the Mead situation or is it going to hurt the education?"

Senator Francis: "I have to answer you with an opinion because I do not think it is an absolute fact. I think it helps in the sense that it gives the school directors one more option when they meet a crisis like this, it gives them another alternative to consider. I was just talking to Senator Scott about this. I do not think the pressures are going to be all that strong to do this because if they cut short the school year they are cutting teachers' salaries but it may be that the directors will determine that they want to keep debate or keep some other subject and cut a few days off at the end because they think that aspect of education is more important than the number of days they go. This bill gives the directors the right to make that decision, rather than being forced to simply cut back on program. I think it would help the situation."

Senator Guess: "I do not know the bill because as Senator Canfield said, it was a title only bill. You say it gives them one more alternative that they can operate with. But now, how do they now operate when they have double shifting? Do the teachers teach both a morning class and an afternoon class with abbreviated hours?"

Senator Francis: "I believe that is right but I cannot state it as a fact that is absolutely known to me. I believe that is correct."

POINT OF INQUIRY

Senator Guess: "Will Senator Ridder yield? Senator, in talking with the teachers and the students from Mead yesterday, they asked me what the legislature was going to do to help them get a better education or to be educated. Were we going to continue to ask them to double shift and to have the large class loads that they have? Is this going to help that in any way?"

Senator Ridder: "I believe if the Mead school board of directors wants to alter their school year in this way, that this might very possibly solve their problem. I talked to the people from Mead yesterday also. I noticed that they cut fifty teachers from the staff and cut back the offerings. When you go into a double shifting situation, this has a tendency to spread out the offerings and cut down time but I think that you overuse the teacher and in this sense the students do not get the kind of education you want. I have taught in a situation like this and it is come and go and you really do not get much out of it. No teacher can call any room his own and it is a real problem.

"But what they could do here very easily, I noticed they had stricken some algebra from their program; any youngster who is going to go through the University of Washington needs algebra to get into the University of Washington. This will enable them to give a full range of subject matter, for rather than going one hundred and eighty days they will go one hundred and sixty days. They will get, however, all of the courses offered and they could do this under this plan. All of these courses offered that they need to get into the University and the credits to get into the University could then be offered. As it is now, they have to cut back. They cannot offer these and even if they get one hundred and eighty days they have not gotten the necessary courses to get into these various programs at the University.

"I think this would solve their problem because then they could keep the full number of courses and just cut the school year short. I think the University would accept this."

POINT OF INQUIRY

Senator Bailey: "Senator, do you believe that if we had half of a school year that a person coming out of that half a school year could be accredited by the state board of education for the same amount of time as a full year. . . ?"

Senator Ridder: "No, I do not believe this. Only in times when we are caught in the situation we are caught in would we even consider such a thing."

Senator Bailey: "Senator, do you think that this would not open it up for the state school board directors or the school administrators to adopt a resolution saying that in order to teach the legislature a lesson, in order to teach our local citizens a lesson on local levies, that we have decided that we are not going to operate any of these schools over one hundred and fifty days or one hundred and twenty days and we will bring this thing to a crushing halt and get them into action in the next session? Do you think this is not a very good possibility with this type of legislation?"

Senator Ridder: "Senator Bailey, this is not the intent. Our intent is to solve a very pressing problem in a few districts. This is up to the school district and the board of directors elected by the people. If their intention is to use this as another bit of flexibility to handle the problem they are caught in, fine and dandy if it will help their program. We must remember, I think, that we are trying to educate youngsters and by squeezing them into first grade classes of fifty each, I do not think you solve the problem. I do not think that the youngsters should pay for the economic crunch that we are in. I go along with you, Senator Canfield, I think in this case it allows us to do a little different job and face the problem in a different way. It is not a good substitute but it is a way to face a growing problem."

Further debate ensued.

POINT OF INQUIRY

Senator Scott: "Will Senator Ridder yield? Senator, since twenty-five percent of the moneys, as an average, state-wide for maintenance and operation are now resultant from special levies, is there not the possibility that those partisan to the levy can use this situation as a bludgeon over the heads of the people of the local district by saying, 'If you do not pass our special levy for so many mills your sons and daughters are going to lose X number of school days?'"

Senator Ridder: "We have not planned it to be used in this way."

Senator Scott: "You admit that it is a possibility, however?"

Senator Ridder: "Well, there are many possibilities. My mind doesn't give over to such thoughts but I suppose you could use it in this way."

Senator Scott: "How does this affect the continuing contract law which the teachers would have signed during the previous spring? They signed it for a certain amount of dollars and their contract to be paid over a twelve month basis. Now the school district comes along, they do not have the money, they decide to cut back and they say, 'We are going to cut your salaries.' How can they do this under the continuing contract law?"

Senator Ridder: "Remember this all goes back to the local school district. The Washington Education Association has said that in behalf of its members that they will go along with this. This is their understanding of the bill. The idea is merely to put in the hands of the local school directors, and they are the ones that have to make this decision, after all they are elected by the people and we give them that responsibility."

Senator Scott: "Yes, but they are going to be abridging a contract that has been in effect for six to nine months."

Senator Ridder: "I think that in this sense, in the continuing contract law, I think that we are going to bring about in the entanglement that we have now a proof that it does not really exist in fact. I think that you are going to find, from the courts, in the very near future that this exists only on paper."

Further debate ensued.

POINT OF INQUIRY

Senator Holman: "Would Senator Ridder yield to a question? Senator, I notice that this bill bears your name as sole sponsor and so I assume that this far-reaching legislation will come to be known in future years as the Ridder Act. Is there anything significant in the fact that in the bill as you introduced it you said in section 1, 'It is the paramount duty of the state to make ample provision for the education of all children,' and you have now stricken that language?"

Senator Ridder: "This language still exists in the Constitution of the state of Washington. I cannot strike that. I would not dare strike it."

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Senate Bill No. 724, and the bill failed to pass the Senate by the following vote: Yeas, 12; nays, 34; absent or not voting, 1; excused, 2.

Voting yea: Senators Connor, Fleming, Francis, Greive, Herr, Murray, Odegaard, Ridder, Stender, Stortini, Washington, Wilson—12.

Voting nay: Senators Andersen, Atwood, Bailey, Canfield, Clarke, Cooney, Day, Donohue, Dore, Elicker, Foley, Gardner, Gissberg, Guess, Henry, Holman, Huntley, Jolly, Keefe, Knoblauch, Lewis, McDougall, Mardesich, Matson, Metcalf, Newschwander, Peterson (Ted), Sandison, Scott, Talley, Twigg, Walgren, Whetzel, Woodall—34.

Absent or not voting: Senator McCutcheon—1.

Excused: Senators Durkan, Peterson (Lowell)—2.

ENGROSSED SENATE BILL NO. 724, having failed to receive the constitutional majority, was declared lost.

NOTICE OF RECONSIDERATION

Having voted on the prevailing side, Senator Atwood served notice that he would, on the next working day, move that the Senate reconsider the vote by which Engrossed Senate Bill No. 724 failed to pass the Senate.

POINT OF INQUIRY

Senator Mardesich: "I wonder if Senator Atwood would indicate what his position was and what his intention is with respect to this measure?"

Senator Atwood: "Mr. President, my position is this; if the motion carries I will try to move the bill back to second reading and strip everything off but the amendment that I offered. So we get a clear cut vote on that particular issue for guidance of the conferees."

MOTION

On motion of Senator Day, there being no objection, the Senate began consideration of Engrossed Substitute House Bill No. 379.

HOUSE BILL NO. 1034, by Representatives Charette, Newhouse, Thompson and Zimmerman:

Providing for forest protection.

REPORT OF STANDING COMMITTEE

April 21, 1971.

HOUSE BILL NO. 1034, providing for forest protection (reported by Committee on Ways and Means):

MAJORITY recommendation: Do pass with the following amendments:

On page 15, line 29, insert as section 14 the following and renumber the remaining sections consecutively:

"Sec. 14. Section 2, chapter 105, Laws of 1917 as last amended by section 1, chapter 123, Laws of 1959 and RCW 76.04.360 are each amended to read as follows:

If any owner of forest land neglects or fails to provide adequate fire protection therefor as required by RCW 76.04.350, the administrator of the department of natural resources, through the supervisor of natural resources, shall provide such protection therefor at a cost to the owner of not to exceed [nine] *eighteen* cents an acre per year on lands west of the summit of the Cascade mountains and [seven] *fourteen* cents an acre per year on lands east of the summit of the Cascade mountains [and for that purpose]. *For the purpose of this act, the supervisor* may divide the forest lands of the state, or any part thereof, into districts, for patrol and assessment purposes, may classify lands according to the character of timber prevailing, and the fire hazard existing, and place unprotected lands under the administration of the proper district. Such cost must be justified by a showing of budgets on demand of twenty-five owners of forest land in the county concerned at public hearing. Any amounts paid or contracted to be paid by the supervisor of natural resources for this purpose from any funds at his disposal shall be a lien upon the property patrolled and protected, and unless reimbursed by the owner within ten days after October 1st of the year in which they were incurred, on which date the supervisor of natural resources shall be prepared to make statement thereof upon request to any forest owner whose own protection has not been previously approved by him as adequate, shall be reported by the supervisor of natural resources to the assessor of the county in which the property is situated who shall extend the amounts upon the tax rolls covering the property, or the county assessor may upon authorization from the supervisor of natural resources levy the forest patrol assessment against the amounts of unimproved land as shown in each ownership on the county assessor's records and the assessor may then segregate on his records to provide that the improved land and improvements thereon carry the millage levy designed to support the rural fire protection districts as provided for in chapter 52.04.

The amounts assessed shall be collected at the time, in the same manner, by the same procedure, and with the same penalties attached that the next general state and county taxes on the same property are collected, except that errors in assessment may be corrected at any time by the supervisor of natural resources certifying them to the treasurer of the county in which the land involved is situated. Upon the collection of such assessments the county treasurer shall transmit them to the supervisor of natural resources to be applied against expenses incurred in carrying out the provisions of this section.

The supervisor of natural resources shall include in the assessment a sum not to exceed one-half of one cent per acre, to cover the necessary and reasonable cost of office and clerical work incurred in the enforcement of these provisions. He may also expend any sums collected from owners of forest lands or received from any other source for necessary office and clerical expense in connection with the enforcement of RCW 76.04.370.

When land against which fire patrol assessments are outstanding is acquired for delinquent taxes and sold at public auction, the state shall have a prior lien on the proceeds of sale over and above the amount necessary to satisfy the county's delinquent tax judgment, and the county treasurer in case the proceeds of sale exceed the amount of the

delinquent tax judgment shall forthwith remit to the supervisor of natural resources the amount of the outstanding patrol assessments.

The supervisor of natural resources shall furnish a good and sufficient surety company bond running to the state, in a sum as great as the probable amount of money annually coming into his hands under the provisions of this chapter, conditioned for the faithful performance of his duties and for a faithful accounting for all sums received and expended thereunder, which bond shall be approved by the attorney general."

On page 1, line 18 of the title, after "76.04.180;" insert "amending section 2, chapter 105, Laws of 1917 as last amended by section 1, chapter 123, Laws of 1959 and RCW 76.04.360;"

On page 5, section 3, line 22, after "writing" and before ",", insert " : PROVIDED, That if the extreme fire hazard existed at the time of passage of this act there will be a thirty-day notice in writing"

POINT OF INQUIRY

Senator Guess: "Will Senator Wilson yield? Senator, we are having an awful lot of problems in our area about burning. We have to burn the grass seed in the grass in order for the plants to be shocked properly to develop a proper seed the next season. Now since it is apparent to us that the department of ecology is going to stop this within the foreseeable future by the year 1973 or 1974, is it going to be impossible for the man who owns the woods and who has slashed down, is it going to be possible for him to burn slash?"

Senator Wilson: "Senator Guess, you are really asking me to discuss the merits of the bill as a whole rather than the amendment. I would have to defer to whoever is handling the bill on the floor to reply to your question."

MOTION

On motion of Senator Lewis, House Bill No. 1034, the pending amendment by Senator Wilson and the committee amendment to the title was ordered to hold its place on the second reading calendar for Thursday, April 29, 1971.

On motion of Senator Francis, the rules were suspended, Engrossed House Bill No. 1037 was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Canfield: "Will Senator Francis yield? Senator, when I read this bill I could hardly believe my eyes when I saw that hundred dollars there and I thought maybe it was a misprint. Can you assure me that a hundred dollars is the correct figure? I never saw an appropriation bill with such a low amount of money in it."

Senator Francis: "I think we have to compliment the members of the House who were able to get it worked out so it would cost the taxpayers so little."

ROLL CALL

The Secretary called the roll on the final passage of Engrossed House Bill No. 1037, and the bill passed the Senate by the following vote: Yeas, 41; absent or not voting, 3; excused, 5.

Voting yea: Senators Bailey, Canfield, Clarke, Connor, Cooney, Day, Donohue, Fleming, Foley, Francis, Gardner, Gissberg, Greive, Guess, Henry, Herr, Holman, Huntley, Jolly, Keefe, Knoblauch, Lewis, McDougall, Matson, Metcalf, Murray, Newschwander, Odegaard, Peterson (Ted), Ridder, Sandison, Scott, Stender, Stortini, Talley, Twigg, Walgren, Washington, Whetzel, Wilson, Woodall—41.

ENGROSSED HOUSE BILL NO. 493, by Representatives Bledsoe, Brouillet, Wolf,

O'Brien, Charette, Newhouse, Flanagan, Amen, Benitz, Bozarth, Mentor, Pardini and Schumaker:

Pertaining to assessment of leasehold estates.

REPORT OF STANDING COMMITTEE

April 21, 1971.

ENGROSSED HOUSE BILL NO. 493, pertaining to assessment of leasehold estates (reported by Committee on Ways and Means):

MAJORITY recommendation: Do pass with the following amendment:

On page 2, section 1, line 14, of both the printed and engrossed bills, strike the period at the end of the sentence and insert "*or to any such estate after the date, if any, provided for in the agreement for rental renegotiation.*"

Signed by: Senators Durkan, Chairman; Andersen, Atwood, Bailey, Day, Foley, Guess, Holman, Huntley, Jolly, Lewis, Metcalf, Peterson (Ted), Ridder, Sandison, Stortini, Talley, Twigg, Walgren, Wilson, Woodall.

The bill was read the second time by sections.

Senator Holman moved adoption of the committee amendment.

POINT OF INQUIRY

Senator Mardesich: "For the record, would Senator Holman yield? Senator, as I understand it now, this extension period merely gives them a chance to renegotiate the leases but does not in fact excuse the imposition of the tax on the leasehold after the two year period."

Senator Holman: "This bill has no application after the two year period but during the two year period it says that you will still continue under the old law and then this proviso excepts out these leases which are renewed, extended or renegotiated."

Senator Mardesich: "The point I am making is the mere fact that the lease is extended or renewed does not make it non-taxable after the two year period."

Senator Holman: "No, it does not. It certainly does not."

The motion by Senator Holman carried and the committee amendment was adopted.

On motion of Senator Holman, the rules were suspended, Engrossed House Bill No. 493, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

ENGROSSED HOUSE BILL NO. 52, by Representatives Van Dyk, Berentson, Haussler, Bauer and Hansey (by Legislative Council request):

Regulating the production and marketing of milk

REPORT OF STANDING COMMITTEE

April 3, 1971.

ENGROSSED HOUSE BILL NO. 52, regulating the production and marketing of milk (reported by Committee on Agriculture and Horticulture):

MAJORITY recommendation: Do pass with the following amendment:

On page 7, section 15, line 4 of the engrossed bill, being page 7, section 15, line 5 of the House Committee on Agriculture amendment, after "quota" strike the balance of the sentence and insert "in a reasonable proportion and for old and new producers to participate in any new class I sales in a reasonable proportion."

Signed by: Senators Jolly, Chairman; Canfield, Donohue, Huntley, Knoblauch, McDougall, Wilson.

The bill was read the second time by sections.

Senator Jolly moved that the committee amendment be adopted.

POINT OF INQUIRY

Senator Mardesich: "Will Senator Jolly yield? Senator, I am not as familiar with this bill as I might be but the question has been raised with me just recently about the introduction of new producers into the field. As I understand it under this bill, a new producer would have to buy in. He would have to take out some other operator and it would not allow an operator to move in without the displacement of some other person who is presently in business. Is that correct?"

Senator Jolly: "As I understand it, he cannot buy in. He would have to start and work his way in."

Senator Mardesich: "How does he do that? How does he work his way in?"

Senator Jolly: "As I understand it, it would be set up by the rules and regulations of the department of agriculture as allowed under the bill and the milk producers themselves set up the regulations, as they do in Oregon. This is copied primarily after the Oregon law. They set up in Oregon so that a new producer can start getting his base, as I understand it, in about a year after he starts producing and he is in in three years."

Senator Mardesich: "Is that in the law or would that be provided for by regulation?"

Senator Jolly: "That is by regulation."

Senator Mardesich: "What you are doing then is assuming that that will be the regulation."

Senator Jolly: "This is correct."

Senator Mardesich: "We do not have any assurance of that, do we? Would not it then be the producers who would be voting as to whether or not other producers might be allowed in?"

Senator Jolly: "I think this is probably correct, that the rules and regulations would be set up by the producers themselves would regulate it. After hearings directed by the director of agriculture."

Senator Mardesich: "I have been told that the producers would be—sixty percent of the production lies with the co-op and that they would make all of the decisions, all the rules, themselves, including setting the quotas which in effect would set prices."

Senator Jolly: "As I understand the bill that the co-ops are not a block vote. It is each individual producer that has the vote."

Senator Mardesich: "Senator Gardner seems to disagree with you on that point and I wonder if he would yield? That has concerned me about it. I had no feeling one way or the other until just about forty minutes ago I was called to the door and some people expressed serious doubts about this measure. If they are correct I would feel constrained not to agree with the bill but as I say I am not fully aware of what it does and that is why I raise these questions."

Senator Jolly: "Senator Mardesich, Senator Atwood comes from a dairy producing area, maybe he could answer that for you."

Senator Atwood: "If Senator Mardesich will look at the committee amendment on page 7, it tells you exactly how the new producer gets in. After quota, the balance of the old section is stricken and they have inserted, 'the new producer gets in in a reasonable proportion and for old and new producers to participate in any new class I sales in a reasonable proportion. The exact proportion will be set by rules and regulations and as part of the base plan'. I do not think you can spell it out any more than that unless you want to actually write the base plan into the bill and I do not think anybody here is qualified to do that."

Senator Mardesich: "Once the plan is instituted, does the director of agriculture have any authority to de-institute it?"

Senator Atwood: "No, he participates in the drawing of this and the rules and regulations that go with it but the bill itself provides that the new producer will participate in the new pooling arrangement in a reasonable proportion. Now I think the objection that some of the people, and a couple of them are my constituents, wanted me to amend this to

set it out definitely but I do not want to tamper with this and get into writing the actual base plan."

Senator Mardesich: "Senator Atwood, then further, I was told at least, that this bill has to do with the setting of quotas and what prices. . ."

Senator Atwood: "It does not have anything to do with prices at all, Senator."

Senator Mardesich: "Who sets the price in the sell to the pool then?"

Senator Atwood: "I could not answer that but it has nothing to do with prices. It is only for the pooling arrangement because the federal order is expiring and they have until December 31st of this next year to come up with a new plan. It has to be voted on by sixty-six and two-thirds of all the producers."

The motion by Senator Jolly carried and the committee amendment was adopted.

On motion of Senator Jolly, the rules were suspended, Engrossed House Bill No. 52, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Holman: "Will Senator Jolly yield to a question? Senator, I noticed that this bill has an emergency clause. Could you tell me what the necessity for the emergency clause is?"

Senator Jolly: "The way it was explained to me, I am not a dairyman, but they had what is known as a federal class I base plan in effect now. It is going to be voted on in about a month. They said if this was voted down, if this bill did not have the emergency clause on it as late as we are working, it would take too long to get in effect and this bill could not be put into effect to take up the slack of the class I base plan of the federal order if it was voted down. That was the reason for the emergency clause, so that it could be put into effect immediately if it had to be."

Senator Holman: "As I understand it, the emergency clause was not put in to deny the right of referendum as might happen and it did happen on a similar milk marketing act."

Senator Jolly: "It was not a similar act, that was a price fixing one, I understand. This has nothing to do with prices."

POINT OF INQUIRY

Senator Woodall: "Will Senator Canfield yield? Does this bar a young man getting in the act or does he have to buy out someone who is already in business in order to get started?"

Senator Canfield: "Senator Woodall, that is kind of a double-barrelled question but that has been the bone of contention in these hearings as to whether it does or does not in fact do that very thing which you are asking the question about.

"These new producers who come in, these young fellows for instance like war veterans or anyone else coming in and wanting to start a dairy herd. The question is, what is he going to do with the milk? Then your question comes into the focus. Where does he get his quota? How does he get on the market? I think your question is a real legitimate question and that is one of the purposes of this bill, to give these new producers an opportunity to establish quotas through these hearings under the authority of the director of agriculture. I believe your question is very well taken and I think there will be, I am sure there will be, provision for these new producers.

"Again I say that some of them will not get in as soon as they would wish or as strongly as they might wish. That has to be determined through the hearings. But this bill does not attempt to keep them out and I would like to say for your information, Senator Woodall, that the dairymen in our district which we represent in the Yakima Valley, I have heard no opposition to this bill and everyone that I have spoken to has been strongly in favor of the bill as amended."

Further debate ensued.

POINT OF INQUIRY

Senator Huntley: "Would Senator Jolly yield? Senator, as chairman of the Committee on Agriculture and Horticulture, wasn't it your understanding, I know it was mine, that the amendment that we just adopted was supposed to go a long ways to taking care of this new producer that was coming in, the objections that they had?"

Senator Jolly: "That is true, Senator Huntley. That is the understanding I had, that when we put that amendment on, it was asked for by the producers and the old producers agreed to it, the new producers asked for it, the old producers agreed to it and this was the understanding I had that this would help them."

Senator Huntley: "In other words, it was one of those compromises that is necessary in any legislation that we pass."

Senator Jolly: "That is correct."

ROLL CALL

The Secretary called the roll on the final passage of Engrossed House Bill No. 52, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 37; nays, 9; absent or not voting, 1; excused, 2.

SENATE BILL NO. 54, by Senators Greive, Knoblauch, Peterson (Ted), Talley and Lewis (by Legislative Council request):

Regarding the building of highrise apartments on tide lands.

The bill was read the second time by sections.

On motion of Senator Greive, the rules were suspended, Senate Bill No. 54 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

MOTION

On motion of Senator Newschwander, Senators Andersen and Atwood were excused.

POINT OF INQUIRY

Senator Stender: "Will Senator Greive yield? Senator, this bill purportedly applies itself to King county."

Senator Greive: "That is correct."

Senator Stender: "Only?"

Senator Greive: "That is right."

Senator Stender: "King county has a comprehensive plan, as you know. Why superimpose this bill over the top of the county. . ."

Senator Greive: "Because the planners tell me, especially in the city of Seattle, that without this legislation they cannot do it. They said they would like to but they need the legislation. As an actual matter, this time we did not go to the formality but two years and four years ago the city of Seattle came down and endorsed it, as did the association of Washington cities."

Senator Stender: "By your reply, would I understand that the city planning commission does not have authority to zone the waterfront areas to high rise apartments?"

Senator Greive: "It would depend on a variety of things. You see the zones apparently cover area. There is a problem. Can you zone, is it reasonable zoning without state legislation to say that you can have it on one side of the street and not the other because we are not arguing about anything that is across the street. The thing that raised all this in my mind is that one apartment that goes out four hundred feet over the water. For instance, in my district the University of Washington took a poll of the Alki area and they found that with eighty-six percent of the people, this is their biggest problem. The beach residents and the people in the Alki area feel more strongly about this than anything else. So that basically it is a question of whether zoning is reasonable if you cut it right in the middle of a street in a strip."

ROLL CALL

The Secretary called the roll on the final passage of Senate Bill No. 54, and the bill passed the Senate by the following vote: Yeas, 39; nays, 3; absent or not voting, 3; excused, 4.

Voting yea: Senators Bailey, Canfield, Connor, Cooney, Day, Donohue, Durkan, Fleming, Foley, Francis, Gardner, Gissberg, Greive, Guess, Henry, Herr, Holman, Huntley, Jolly, Keefe, Knoblauch, Lewis, McDougall, Matson, Metcalf, Murray, Odegaard, Peterson (Ted), Ridder, Sandison, Scott, Stortini, Talley, Twigg, Walgren, Washington, Whetzel, Wilson, Woodall—39.

Voting nay: Senators Clarke, Newschwander, Stender—3.

Absent or not voting: Senators Dore, McCutcheon, Mardesich—3.

Excused: Senators Andersen, Atwood, Elicker, Peterson (Lowell)—4.

SENATE BILL NO. 54, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTIONS

On motion of Senator Twigg, Senators Lewis and Stender were excused.

On motion of Senator Durkan, the Senate returned to the fourth order of business.

Any failure to obey such judicial order may be punished by the court as in the case of other civil contempt.

NEW SECTION. Sec. 10. Within a reasonable time after the hearing by the board, but in no event more than thirty days following the hearing, the board shall make a written report of its findings and conclusions and shall file the same with the director, together with a transcript of all the evidence. Review of the judgment of the superior court may be had to the court of appeals or the supreme court as in other civil cases. If the accused seeks judicial review the order of the board shall be stayed until final judgment has been rendered.

HOUSE BILL NO. 688,
HOUSE BILL NO. 728,
HOUSE BILL NO. 1037.

MOTIONS

On motion of Senator Knoblauch, Senator Durkan was excused.

Senator Andersen moved that the rules be suspended and the Senate immediately consider the following resolution:

SENATE RESOLUTION: 1971-EX-58

By Senators Andersen, Atwood, Newschwander, Scott and Metcalf:

BE IT RESOLVED, By the Senate, that the present Senate rules of the Forty-second session of the Legislature are hereby amended by the addition of Rule 71A, to read as follows:

“Rule 71A. Interim committee members shall be appointed by the appropriate appointing authority from a list of members designated by the respective caucuses.”

Debate ensued.

POINT OF INQUIRY

Senator Woodall: Would Senator Andersen yield to a question? Senator, under this rule as written, if we were awarded a certain number of people to a committee and the caucus only sent that particular number, would the then appointing authority be compelled to appoint the ones who were sent by the caucus? All right, we are entitled to three members on a committee for roads. The caucus sends three names. Under this rule, would the appointing authority be compelled to appoint the three names sent by the caucus?”

Senator Andersen: “Yes.”

Further debate ensued.

POINT OF INQUIRY

Senator Walgren: “Would Senator Andersen yield to a question? Senator, I am giving very serious consideration about voting in favor of this particular measure, as you might guess. I am just kind of curious, if the resolution is passed, would it be the intention of the minority caucus to bind its members as to votes on. . . .”

Senator Andersen: “Absolutely not. It is our desire and I think I speak for Senator Atwood, the caucus chairman as well as myself and all of the members of the minority caucus, that we are not binding ourselves anyplace on interim committees. We would propose to go by seniority and all the other things that go into who gets appointed to what committee. But we would like to be able to handle it on a businesslike basis as a caucus. We definitely are not talking about bound caucuses.”

Senator McDougall demanded a roll call and the demand was sustained by Senators Metcalf, Greive, Newschwander, Clarke, Holman, Andersen, Ridder, McCutcheon and Bailey.

ROLL CALL

The Secretary called the roll. The motion by Senator Andersen failed and the resolution was not adopted by the following vote: Yeas, 18; nays, 30; excused, 1.

Voting yea: Senators Andersen, Atwood, Canfield, Clarke, Elicker, Holman, Huntley, Lewis, McDougall, Matson, Metcalf, Murray, Newschwander, Peterson (Ted), Scott, Stender, Twigg, Whetzel—18.

Voting nay: Senators Bailey, Connor, Cooney, Day, Donohue, Dore, Fleming, Foley, Francis, Gardner, Gissberg, Greive, Guess, Henry, Herr, Jolly, Keefe, Knoblauch, McCutcheon, Mardesich, Odegaard, Peterson (Lowell), Ridder, Sandison, Stortini, Talley, Walgren, Washington, Wilson, Woodall—30.

Excused: Senator Durkan—1.

NOTICE OF RECONSIDERATION

Senator Andersen served notice that he would, following the expiration of seven days, again move that the amendment, Senate Rule 71A., be considered by the Senate.

PERSONAL PRIVILEGE

Senator Bailey: "Mr. President, more or less personal privilege but I would hope that in the intervening time we would have the interim committees named."

MOTION FOR RECONSIDERATION

Having voted on the prevailing side and having given prior notice, Senator Atwood moved that the Senate do now reconsider the vote by which Engrossed Senate Bill No. 724 failed to pass the Senate.

The motion carried.

MOTION

On motion of Senator Atwood, the rules were suspended and Engrossed Senate Bill No. 724 was returned to second reading.

Senator Canfield moved adoption of the following amendment:

On page 1, beginning on line 10, strike all of section 1. Renumber remaining sections consecutively.

Debate ensued.

POINT OF ORDER

Senator Ridder: "We are talking here of section, just in the amendment, of taking section 1 out because I figured that the whole section 1, 2 and 3 would be stricken and this is only section 1 of three sections."

RULING BY THE PRESIDENT

The President: "Senator Ridder, in answer to your point, the amendment proposed by Senator Canfield strikes section 1. There are amendments on the desk that will intend to strike section 2 and 3."

Further debate ensued.

POINT OF INQUIRY

Senator Odegaard: "Would Senator Atwood yield to a question? Senator, talking about Senator Elicker mentioning passing clean bills in the House that they started, was not your amendment a House bill?"

Senator Atwood: "485."

Senator Odegaard: "What happened to House Bill No. 485?"

Senator Atwood: "It is still resting comfortably over there. All I am doing is trying to get a reading from the Senate. If it is not going to go in either house, then we will go back and cut. That is why I want a vote on this as clear direction from this body. The bill, I think, was indefinitely postponed by the school people in the House. I thought we would have a better chance here and I am going to try and put it in a different committee if we get it through the Senate."

Senator Odegaard: "Senator, was that done in the committee, in the House or on the floor?"

Senator Atwood: "No, it was done in the committee. It didn't get to the floor."

Debate ensued.

POINT OF INQUIRY

Senator Guess: "Would Senator Ridder yield? Senator, you said some hard words just now and I do not know quite what you said because I had to go off the floor a second. But under the section 1 that I see here, what would keep the schools from scheduling the first hour of Monday morning and all the children would meet down at the school house and then they would just dismiss them. Could that constitute a day?"

Senator Ridder: "Senator Guess, you have the feeling that the school districts and the

school directors are people who are trying to cheat a little bit here and there. That they want to somehow cheat the people of this state out of the due education. I do not have this feeling. I happen to be one of the establishment. I have seen school boards and school directors operate and I will tell you the truth, they are closer to the people than sometimes the administration. The idea is not to allow somebody to cheat somebody out of six hours of education. It means that we are going to give a little flexibility into a situation that is inflexible. Just because six hours a day is put into the law, this does not mean that six hours is sanctified in some way. There are days in which, for instance, in our cottage program at Rainier Beach the youngsters come into school, they spend three hours in class and then they go out to a meeting of a jury or they go and ride the transit systems and take input from people. This is in the high school class and they are not in the classroom but they still put in a classroom day under the supervision of an administrator or classroom personnel. So we are not trying to cheat. We are trying to build new programs. For once you kick us for not building programs and then you kick us because we build programs. I would like to see you build a little flexibility into our school system and that is all I am asking for this bill."

POINT OF ORDER

Senator Canfield: "My point of order is to inquire if we are discussing section 1 and the striking of section 1 or are we speaking on the bill or just what?"

REPLY BY THE PRESIDENT

The President: "The question is the adoption of the amendment striking section 1."

POINT OF ORDER

Senator Canfield: "Then my point of order is, is Senator Ridder speaking on this or just speaking on the bill and teachers' problems generally?"

(No reply by the President.)

Senator Canfield demanded a roll call and the demand was sustained by Senators Greive, Donohue, Odegaard, Wilson, Francis, Fleming, Knoblauch, Day and Connor.

POINT OF INQUIRY

Senator Woodall: "Will Senator Canfield yield to a question? Senator, how many years were you a teacher in the public schools? Thirty years. When did you first start teaching?"

Senator Canfield: "I started teaching in Senator Sandison's district just outside of Port Angeles in a little country school."

Senator Woodall: "And you were president of the Classroom Teachers' Association of Yakima county at one time, I believe?"

Senator Canfield: "Yes, and of the state of Washington as well."

Senator Woodall: "Thank you."

ROLL CALL

The Secretary called the roll and the amendment by Senator Canfield was adopted by the following vote: Yeas, 33; nays, 14; absent or not voting, 1; excused, 1.

Voting yea: Senators Andersen, Atwood, Bailey, Canfield, Clarke, Cooney, Day, Donohue, Dore, Elicker, Foley, Gardner, Gissberg, Guess, Holman, Huntley, Jolly, Keefe, Lewis, McDougall, Mardesich, Matson, Murray, Newschwander, Peterson (Ted), Sandison, Scott, Stender, Twigg, Walgren, Whetzel, Wilson, Woodall-33.

Voting nay: Senators Connor, Fleming, Francis, Greive, Herr, Knoblauch, McCutcheon, Metcalf, Odegaard, Peterson (Lowell), Ridder, Stortini, Talley, Washington-14.

Absent or not voting: Senator Henry-1.

Excused: Senator Durkan-1.

Senator Atwood moved adoption of the following amendment:

On page 2, section 2, line 5, strike sections 2 and 3 of the engrossed bill, and renumber the remaining section.

On page 4, strike all of section 5.

Senator Atwood demanded a roll call and the demand was sustained by Senators Ridder, Connor, Odegaard, Wilson, Metcalf, McDougall, Francis, Knoblauch and Day.

ROLL CALL

The Secretary called the roll and the amendment by Senator Atwood was adopted by the following vote: Yeas, 30; nays, 15; absent or not voting, 3; excused, 1.

Voting yea: Senators Andersen, Atwood, Bailey, Canfield, Clarke, Day, Donohue, Dore, Elicker, Foley, Gardner, Gissberg, Guess, Herr, Holman, Huntley, Lewis, McDougall, Mardesich, Matson, Metcalf, Murray, Newschwander, Peterson (Ted), Scott, Stender, Twigg, Walgren, Whetzel, Woodall—30.

Voting nay: Senators Connor, Francis, Greive, Jolly, Keefe, Knoblauch, McCutcheon, Odegaard, Peterson (Lowell), Ridder, Sandison, Stortini, Talley, Washington, Wilson—15.

Absent or not voting: Senators Cooney, Fleming, Henry—3.

Excused: Senator Durkan—1.

Senator Metcalf moved adoption of the following amendment:

On page 2, following section 4, being renumbered section 1, add two new sections as follows:

"NEW SECTION. Sec. 2. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.58 RCW a new section to read as follows:

No school district shall exclude any student therein from attendance in the regular school program solely on the grounds of the student's pregnancy, but school districts shall develop alternative education programs designed to benefit a pregnant student's scholastic needs. **PROVIDED,** That any school board may require attendance in an alternative educational program when the pregnancy is noticeable to the school principal.

NEW SECTION. Sec. 3. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.58 RCW a new section to read as follows:

Pregnant students may be required to produce a physician's statement as to the condition of her health relative to her continued presence in the regular school programs. When said statement reads that the pregnant student's health and physical well-being mandates her withdrawal from regular school attendance, the school superintendent shall excuse such pupil from regular school attendance and shall provide for such pupil an alternative educational program."

MOTION

On motion of Senator Lewis, Senator Andersen was excused.

POINT OF INQUIRY

Senator Mardesich: "Will Senator Metcalf yield to a question? Senator, the amendment you speak of as an alternative educational program for pregnant girls. What type of program are you thinking of? Instruction in the proper use of prophylactics or something of that sort?"

Senator Metcalf: "I did not cover that specifically and I will. I am very happy that you asked the question. Frankly, and I am going to respond very seriously because this is a very tragic matter.

"We know that pregnancies occur in our community, in our schools, and I think we should not ignore the fact. The great tragedy of it is that most of the girls are ostracized in the community and withdraw from school and their education is then terminated.

"I would say that the great need for today is to continue these girls' education. We should do everything we can to lessen the tragedy that this usually is. I suggest to you that this effort to keep the girl's educational progress as intact as possible under nearly impossible or very difficult conditions is very vital. If these people can maintain their education as best possible, come back to school afterwards and finish and graduate, they are far better off than if they just withdraw, drop out, or retreat into a shell. This is a very great personal tragedy for many girls.

"Now specifically, what kind of program, Senator Mardesich, it is mainly this; home visitation program. Home visitation program or alternative programs at school after school hours. Those are the two that are most likely. Anything else that the school board wanted to provide that would comply would be up to the school board."

MOTION

Senator Woodall moved that the Senate immediately consider Engrossed House Bill No. 853.

Debate ensued.

The motion failed.

POINT OF INQUIRY

Senator Mardesich: "I would, Mr. President and gentlemen of the Senate, seriously raise the question if anyone has any idea whether there might be additional cost. I would assume there would be if we had to set alternative courses or after hour classes and has anyone made any inquiry into the cost of such a program?"

Senator Dore: "I think it would have no financial impact. The schools are there, the staffs are there, and I think it could be worked in in the regular curricula. There would be no, in my opinion, or very little extra expense. Expense comes when an entirely separate agency is set up in order to do this but if it stays within the schools, I do not think there will be any fiscal impact."

The motion by Senator Metcalf carried and the amendment was adopted.

On motion of Senator Atwood, the following amendments to the title were adopted:

On page 1, line 1 of the title, after "education;" strike all the material down to and including "RCW 28A.58.180;" on line 5.

On page 1, line 7 of the title, after "28A.41.130;" insert "and adding new sections to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.58 RCW;" and on line 7, after "RCW 28A.41.130" strike "and declaring an emergency"

On motion of Senator Atwood, the rules were suspended, Reengrossed Senate Bill No. 724 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

ROLL CALL

The Secretary called the roll on the final passage of Reengrossed Senate Bill No. 724, and the bill failed to pass the Senate by the following vote: Yeas, 15; nays, 30; absent or not voting, 2; excused, 2.

Voting yea: Senators Atwood, Bailey, Canfield, Clarke, Cooney, Day, Dore, Guess, Keefe, Mardesich, Metcalf, Murray, Scott, Twigg, Woodall—15.

Voting nay: Senators Connor, Donohue, Elicker, Fleming, Foley, Francis, Gardner, Gissberg, Greive, Henry, Herr, Holman, Huntley, Jolly, Knoblauch, Lewis, McDougall, Newschwander, Odegaard, Peterson (Lowell), Peterson (Ted), Ridder, Sandison, Stender, Stortini, Talley, Walgren, Washington, Whetzel, Wilson—30.

On motion of Senator Guess, Senate Bill No. 792 was ordered to hold its place on the second reading calendar for Friday, April 30, 1971.

SECOND READING

HOUSE BILL NO. 1034, by Representatives Charette, Newhouse, Thompson and Zimmerman:

Providing for forest protection.

The Senate resumed consideration of House Bill No. 1034 and the following pending amendment by Senator Wilson:

On page 5, section 3, line 22, after "writing" and before the comma insert "*PROVIDED, That if the extreme fire hazard existed at the time of passage of this act there will be a thirty-day notice in writing*"

The motion by Senator Wilson carried and the amendment was adopted.

On motion of Senator Atwood, the following amendments were adopted:

On page 10, after "authorized" strike "*at the then current rate of interest*" and insert "*within the provisions of RCW 43.84.110*"

On page 10, section 7, line 2, strike "*state treasurer*" and insert "*finance committee*"

On page 10, section 8, line 16, after "recovered" insert a period and strike the remainder of line 16 and all of lines 17 and 18.

On motion of Senator Wilson, the following amendment was adopted:

On page 11, section 8, line 19, after "34.04 RCW" strike the balance of the section.

On motion of Senator Wilson, the following committee amendment to the title was adopted:

On page 1, line 18 of the title, after "76.04.180;" insert "amending section 2, chapter 105, Laws of 1917 as last amended by section 1, chapter 123, Laws of 1959 and RCW 76.04.360;"

On motion of Senator Donohue, the rules were suspended, House Bill No. 1034, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Donohue: "Yesterday Senator Guess asked the question, 'Will forest land owners be able to continue burning and does this bill pertain to that?' For your information, Senator Guess, this does not. This bill does not pertain to that and I would like, with permission of the Senate, to read a short paragraph from the department of natural resources. It says, 'Substitute House Bill No. 772 and Senate Bill No. 42, which at the present time are in Senate Rules, do deal with this air pollution matter and these two bills have been agreed upon by the department of ecology, department of natural resources

and the forest industry. Basically they provide that ecology will establish air quality standards and that the department of natural resources will regulate burning of forest debris, both from the fire safety standpoint and to comply with these air quality stands.' I think this pretty well answers your question, Senator Guess, of yesterday. I hope that you will vote for the bill."

Senator Guess: "Senator Donohue, would you yield? Senator, in further clarification of what you have said and the fact that the bill that is under consideration has a mandatory burning order in it, I understand that the department of natural resources would not force a forest owner to burn when the department of ecology said no. Is this right?"

Senator Donohue: "I think that is correct, Senator."

POINT OF INQUIRY

Senator Talley: "Would Senator Donohue yield? Senator, you spoke of an agreed bill. Was that the five cents or is that the fourteen cents?"

Senator Donohue: "The amendment we adopted yesterday, Senator, was the first section of Senate Bill No. 624 that we had discussed and it is the amendment which brings immediate funds into the picture and this is the increase that goes from seven to fourteen and from nine to eighteen. This brings in about a million dollars to build the fund back up. This particular bill was built into the Governor's budget."

Senator Talley: "Did the forest owners agree to the whole thing, or just to the five cents?"

Senator Donohue: "The forest owners were reluctant to go along with the amendment but they also agreed that we have to have funds to fight the fires."

Senator Talley: "This amount that the bill raises?"

Senator Donohue: "We are really talking about two separate bills. The million dollars that will be in the Governor's budget now, as I mentioned before, were not particularly the kind of legislation that the forest industry agreed upon. But they do agree upon House Bill No. 1034, which is the bill before us, as far as the five cent assessment is concerned. They were not particularly anxious, I should say, to have the increase from seven to fourteen and from nine to eighteen."

Senator Talley: "Thank you."

SECOND READING

HOUSE BILL NO. 313, by Representatives Gladder, Kopet, Eikenberry, Paris and Conway (by departmental request):

Providing for changes in the law relating to county hospitals and infirmaries.

REPORT OF STANDING COMMITTEE

April 6, 1971.

HOUSE BILL NO. 313, providing for changes in the law relating to county hospitals and infirmaries (reported by Committee on Medicine, Dentistry and Health Care, Air and Water Pollution):

MAJORITY recommendation: Do pass with the following amendments:

Add new sections following section 4 as follows:

NEW SECTION. Sec. 5. The purpose of sections 5 through 14 of this 1971 amendatory act is to authorize and establish two tuberculosis and respiratory disease hospital districts in the state to operate hospitals and supply hospital service for the residents of such districts and such others as the districts shall deem necessary.

NEW SECTION. Sec. 6. There is hereby established a tuberculosis and respiratory disease hospital district in the state, hereinafter in this 1971 amendatory act referred to as the Eastern district, consisting of the following named counties: Okanogan, Chelan, Kittitas, Yakima, Benton, Walla Walla, Franklin, Grant, Douglas, Ferry, Lincoln, Adams, Columbia, Asotin, Garfield, Whitman, Spokane, Stevens and Pend Oreille; the headquarters county of such district shall be Spokane county. Such hospital district is authorized to operate a hospital in the present tuberculosis hospital facilities at Edgecliff in Spokane, Washington.

There is hereby established a tuberculosis and respiratory disease hospital district in the state, hereinafter in this 1971 amendatory act referred to as the Western district, consisting of the following named counties: Clallam, Jefferson, Kitsap, Mason, Grays Harbor, Thurston, Pacific, Lewis, Wahkiakum, Cowlitz, Clark, Skamania, Klickitat, Pierce, King, Snohomish, Skagit, Whatcom, San Juan and Island; the headquarters county of such district shall be King County. Such hospital district is authorized to operate a hospital in the present tuberculosis hospital facilities at Firland, in Seattle, Washington.

NEW SECTION. Sec. 7. Each tuberculosis and respiratory disease hospital district in this state shall be governed by a commission consisting of five members, three of whom shall be members of the legislative authority of the headquarter counties to be chosen by and to serve at the pleasure of such legislative authority and two of whom shall be elected by and to serve at the pleasure of an advisory committee to the commission made up of the chief health officers of the respective counties within the district. If such advisory committee shall fail to fill a vacancy within two weeks, the governor shall fill such vacancy and so notify the commission. Initial members of the commission shall be elected or appointed within ten days of the effective date of sections 5 through 14 of this 1971 amendatory act. Such advisory committee shall counsel the commission with respect to commission powers and duties under sections 5 through 14 of this 1971 amendatory act. Failure of any member to continue in public office shall result in a commission vacancy which shall be filled as in the case of original appointment or election.

NEW SECTION. Sec. 8. Each district commission shall appoint and determine the compensation of a hospital superintendent for the district who shall serve at the pleasure of the commission and be a physician duly licensed in this state and qualified in public health and/or specializing in the care of tuberculosis and respiratory diseases. Such superintendent shall act as administrative officer for his respective commission, shall be the tuberculosis and respiratory control officer for his district, and shall be empowered to employ such technical and other personnel as approved by such commission.

NEW SECTION. Sec. 9. Each district commission shall have authority:

(1) To lease existing hospital and equipment and/or other property used in connection therewith, and to pay such rental therefor as the commissioners shall deem proper; to provide hospital service for residents of said district in hospitals located outside the boundaries of said district, by contract or in any other manner said commissioners may deem expedient or necessary under the existing conditions; and said commission shall have

the power to contract with other communities, corporations or individuals for the services provided by said district; and they may further receive in said hospital and furnish proper and adequate services to all persons not residents of said district at such reasonable and fair compensation as may be considered proper: PROVIDED, That it must at all times make adequate provision for the needs of the district and residents of said district shall have prior rights to the available facilities of said hospitals, at rates set by the district commissioners.

(2) To enter into any contract with the United States government, or any state or municipality for carrying out any of the powers authorized in sections 5 through 14 of this 1971 amendatory act;

(3) To sue and be sued in any court of competent jurisdiction: PROVIDED, That all suits against the district shall be brought in the headquarters county of the district; and

(4) To make contracts, employ superintendents, attorneys, and other technical or professional assistants and all other employees; to make contracts with private or public institutions for employee retirement programs; to print and publish information or literature and to do all those things necessary to carry out the purposes of sections 5 through 14 of this 1971 amendatory act.

(5) To enter into agreements with the other district commission created by this 1971 act for the care and treatment of patients from said other district, when requested and feasible, and to transfer funds to finance such care and treatment.

Commission members shall be reimbursed for reasonable expenses incurred in connection with commission business and meetings, including subsistence and lodging and travel while away from their place of residence. Commission organization and proceedings shall be in accordance with that for public hospital district commissions under RCW 70.44.050.

NEW SECTION. Sec. 10. The commission shall as soon as possible after the effective date of sections 5 through 14 of this 1971 amendatory act enter into those necessary negotiations and agreements to obtain the use of the present tuberculosis hospital facilities at Edgecliff in Spokane, Washington and Firland in Seattle, Washington.

NEW SECTION. Sec. 11. Tuberculosis is a communicable disease and tuberculosis control, including hospitalization, case finding, prevention and follow up of known cases of tuberculosis represent the basic step in the conquest of this major health problem. In addition, environmental conditions today make vital the advancement of remedies relating to respiratory diseases. In order to carry on work effectively in these fields there shall be levied for tuberculosis and respiratory disease hospital district purposes in the district annually a tax in a sum equal to the amount which would be raised by a levy of one-eighth of a mill against the actual value of the taxable property in the district, or the equivalent thereof, such levy to be made by the board of county commissioners in each county constituting the district, the receipts therefrom to be forwarded by the treasurers of such county to the treasurer of the headquarters district county, who shall be treasurer for the district. The commission shall return a total of 35% of moneys received from the levy provided under this section to the chief health officers of the counties, other than the headquarters county, which funds are to be allocated to specific counties based on caseload in the counties pursuant to standards promulgated by the district commission. Such returned funds are to be used by the chief health officers to carry out tuberculosis control and respiratory disease treatment on a local county level. The sum herein provided for, and any income that may occur from miscellaneous receipts in connection with the aforesaid programs shall be placed in a special fund in the treasury of the headquarters county and obligations incurred for such programs shall be paid from such fund upon order of the district commissioners by the treasurer in the same manner as general county obligations are paid.

MAJORITY recommendation: Do pass with the following amendments:

On page 3, beginning on line 4, after “Sec. 5.”, strike the entire section and insert “The board shall promulgate such rules and regulations, to be effective no sooner than February 1, 1972, as may be necessary to assure that each transient accommodation will be operated and maintained in a manner consistent with the health and welfare of the members of the public using such facilities. On page 3, section 6, line 23, after "thereunder" insert "PROVIDED, That no room or suite shall be entered for inspection unless said room or suite is not occupied by any patron or guest of the transient accommodation at the time of entry"

Debate ensued.

POINT OF INQUIRY

Senator Woodall: "Would Senator Ridder yield? Senator, under this amendment the way you literally have it, if the owner of a building thought he smelled smoke coming from a room, would he be barred from using his key to go in if it was rented or occupied, to find out about it if someone fell asleep in bed with a cigarette or something?"

Senator Ridder: "No, this says 'entered for inspection' and this refers to the inspection that they make under the licensure procedure and the inspection procedure. So if the room were occupied when they came through to inspect, they could not enter a room that was occupied and I think this is pretty well explanatory."

POINT OF INQUIRY

Senator Canfield: "Will Senator Ridder yield? Senator, supposing somebody in there that they were trying to apprehend, a law violator, and thought he was in that room, would this prohibit them from going in there on an inspection tour or anything of that sort?"

Senator Ridder: "I think since the bill deals with licensure and inspection that this would refer to the inspection at the time of inspection and I think common sense would rule against this in a court of law."

Senator Canfield: "Are you implying that common sense is a standard criterion used?"

Senator Ridder: "I hope so."

The motion by Senator Ridder carried and the amendment was adopted.

On motion of Senator Ridder, the rules were suspended, Engrossed Senate Bill No. 170 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Guess: "Would Senator Mardesich yield? Senator, in considering this bill, did you at any time consider the American Standards Association standards for this type of a building? ASA has a nationally recognized code that we live under in the construction industry. They write numerous codes and I wondered if anybody proposed, during the time that the bill was under consideration, that ASA standards be adopted?"

Senator Mardesich: "In my memory the committee did not consider that particular set of standards. We had so many of these bills where standards were a problem that I have sort of lost track now, but offhand my recollection is that we did not, although some other committee member may be able to correct me."

Further debate ensued.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 768, by Committee on Social and Health Services:
Providing for adoption of hard to place children.

REPORT OF STANDING COMMITTEE

April 6, 1971.

SUBSTITUTE HOUSE BILL NO. 768, providing for adoption of hard to place children (reported by Committee on Public Institutions):

Recommendation: Do pass with the following amendments:

On page 5, section 5, line 28, strike "a" and insert "another"

On page 5, section 5, line 29, after "or" and before "foreign" insert "a"

Signed by: Senators Odegaard, Chairman; Clarke, Guess, Knoblauch, Sandison, Scott, Stortini, Talley, Twigg.

The bill was read the second time by sections.

On motion of Senator Odegaard, the committee amendments were adopted.

On motion of Senator Odegaard, the rules were suspended, Substitute House Bill No. 768, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Canfield: "Would Senator Odegaard yield? Senator, what is the approximate cost now of maintaining these hard to place children at state expense and, secondly, what would be the estimated cost under this program as provided by this bill?"

Senator Odegaard: "The cost now of maintaining one of these children, I believe, is close to one hundred dollars a month. Under this bill they figure the average cost to be about sixty-one dollars a month. It is a lesser cost."

Senator Canfield: "Would this mean that if a hard to place child were adopted in a family, that the family would receive this sixty-one dollars a month indefinitely?"

Senator Odegaard: "Until the child is twenty-one years of age."

Senator Canfield: "I am just wondering what kind of a situation that would create in a

home where there were other children that you were not getting a subsidy. I would like to have your comment on that."

Senator Odegaard: "What effect it might have, you mean, on the other siblings in the family? If the child would become a part of the family, I would assume he would be another loved one in the family and be a part, as the brothers and sisters are, and whether the brothers and sisters would somehow hold this against the child I just could not predict. Maybe if he for some reason had some resentment toward this brother or sister, possibly he could use this but I suppose this could happen in any type of a program."

POINT OF INQUIRY

Senator Peterson (Ted): "Would Senator Francis yield? You made a statement regarding the payment. You said, later on if the foster parents or the people that took the child could pay, they would no longer receive or take money from the state for the care of the child. Do you think this is a good condition? Wouldn't they just carry on until age twenty-one and say this is a part of the cost in sustaining the youngster? It seems like this is too open, the way you phrased this."

Senator Francis: "The decision is of the department, Senator. I am not sure I am understanding the main thrust of your question, but if you are saying that it might be the parents who would claim they needed it, this would be up to the department to determine whether or not these payments were needed. The payments themselves are based on the needs of the children and the financial resources of the parents, or the adoptive parents. If those resources were no longer needed, or that supplemental income is no longer needed, they would not be entitled to it. This would be a matter for the discretion of the department. This would be something they would have the duty and obligation to administer."

Senator Peterson (Ted): "You mean they would check the financial condition or statement of the people and if they found that they had available moneys that they would no longer provide this help that they are getting? Is that correct?"

Senator Francis: "That is correct. There would be a continuing relationship here in which they would be getting this kind of feedback."

ROLL CALL

The Secretary called the roll on the final passage of Substitute House Bill No. 768, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 48; excused, 1.

SENATE RESOLUTION: 1971-EX-59

By Senators Day, Odegaard and Peterson (Ted):
 WHEREAS, It is in the public interest to preserve the public health and provide for the maintenance of quality hearing aid services; and
 WHEREAS, There is evidence that consumers, especially the aged, have been defrauded by itinerant salesmen selling defective hearing aids, who then abscond, leaving little remedy for those so defrauded;
 NOW, THEREFORE, BE IT RESOLVED, By the Senate, That the Legislative Council is requested to conduct a study of hearing aid selling practices;
 BE IT FURTHER RESOLVED, That the results of the study and recommendations, if any, be presented to the next regular session of the Legislature for its consideration.
 Senator Day moved adoption of the following resolution:

SENATE RESOLUTION: 1971-EX-60

By Senators Day, Odegaard, Jolly and Peterson (Ted):
 WHEREAS, It is in the public interest to protect and maintain the public health; and
 WHEREAS, The qualifications and training of persons engaged in the practice of electrolysis, an electronic method for removing hair from the human body, are questionable;
 NOW, THEREFORE, BE IT RESOLVED, By the Senate, That the Legislative Council is requested to undertake a study of persons practicing electrolysis, their standards of trade, their qualifications, and their training;

BE IT FURTHER RESOLVED, That the results of this study and recommendations, if any, be submitted to the Legislature prior to the next regular session for its consideration.

POINT OF INQUIRY

Senator Bailey: "A question of Senator Day, Senator, the electrolysis that I have had trouble with in my area has been when they get their pipes plugged up over copper piping. Now does this include a study of how to rotoroot those pipes?"

Senator Day: "No, this has only to do with the removal of hair from the human body by the process of electrolysis."

Senator Bailey: "With that assurance I think it might be a modern method of scalping."

Senator Day: "That is right."

POINT OF INQUIRY

Senator Stender: "Senator Day, would you further yield? Would it be in order to amend this resolution to investigating planting of some hair on a human body?"

Senator Day: "That would be perfectly acceptable. However, I believe that is only being done by physicians who are licensed so to do."

The motion by Senator Day carried and the resolution was adopted.

On motion of Senator Day, the following resolution was adopted:

SENATE RESOLUTION: 1971-EX-61

By Senators Day and Scott:

WHEREAS, It is in the public interest to preserve and maintain the public health; and WHEREAS, There is evidence that certain massage parlors and sauna baths are conducted and utilized for purposes other than massage or cleanliness, being places where conduct of the most lewd and salacious acts are perpetrated, contributing to the moral decline and degrading the standards of the community.

NOW, THEREFORE, BE IT RESOLVED, By the Senate, That the Legislative Council is requested to undertake a study of massage parlor practices, the qualifications and training of their personnel, and their standards of health.

BE IT FURTHER RESOLVED, That the results of the study, and recommendations, if any, be submitted to the Legislature prior to the next regular session for its consideration.

Senator Durkan moved adoption of the following resolution:

SENATE RESOLUTION: 1971-EX-62

By Senator Durkan:

WHEREAS, The percentage and number of persons now unemployed in the State of Washington has surpassed the previous high recorded, back to the calendar year of 1950; and

WHEREAS, Hiring of personnel in State Government, and in the state tax-supported subdivisions, including the institutions of higher education, the state colleges, the community colleges, and the common schools, has been sharply reduced because of the sagging economy; and

WHEREAS, Records available to the Legislature indicate that some hiring is continuing;

NOW, THEREFORE, BE IT RESOLVED, That all entities supported by any revenue derived from state or local taxes, licenses and fees set a priority for their manpower recruitment efforts and limit any hiring to citizens of the State of Washington; and

BE IT FURTHER RESOLVED, That copies of this resolution immediately be forwarded for distribution to all affected hiring authorities within the State for their compliance.

POINT OF INQUIRY

Senator Canfield: "Senator Durkan, I like your explanation and I approve of what you are trying to do but the resolution says to limit and your explanation said rather to give priority and full consideration to our citizens. I would approve of that but when you then follow that by saying to limit it, that would keep anybody from coming into the state on any pretext whatsoever for a job. I wonder if you would not be willing to follow your oral recommendation rather than absolutely limiting the hiring to citizens. Let us set the priority, let us keep your recommendation, but let us do not absolutely close the door."

Senator Durkan: "Mr. President, I accept that."

POINT OF ORDER

Senator Andersen: "As I read Senator Durkan's resolution, which I agree with incidentally, it purports I believe to mandate that these entities set the priority and so on and so forth. I do not believe we can do this by Senate resolution. I think if we are mandating something of this kind, I think, in effect you are talking about telling them to do something and that is the law. I do not believe a Senate resolution has the force of law by itself or that this can be done without concurrent resolution or some other order. I just do not think it is in order unless the words do this and this be requested to set a priority or something of that kind."

Senator Durkan: "Mr. President, I would yield to Senator Andersen's comments just as long as I think that we agree that we want the word to get to these people that this is what we expect them to do."

"Now I am not so concerned about the manner in which it is drafted and perhaps Senator Andersen is correct on that, as to the effect of the resolution and that is to tell these people that the legislature would hope that they would go within the confines of the state of Washington first before they start going out of its borders."

POINT OF INQUIRY

Senator Dore: "Would Senator Durkan yield? Senator, if this resolution is adopted, would this prevent Mr. Kinnear to go to Chicago from hiring the Jacobs Company again?"

Senator Durkan: "Actually, what it would do is if we could find qualified appraisers in the state of Washington, that is who we should use. We do not need to go to Chicago or anywhere else to hire appraisers if we have them available here."

On motion of Senator Andersen, the following amendment to the resolution was adopted:

On line 2 of the fourth paragraph, after "fees" insert "be requested to"

The motion by Senator Durkan carried and the resolution, as amended, was adopted.

MOTION

At 11:30 a.m., on motion of Senator Greive, the Senate recessed until 12:30 p.m.

MOTIONS

On motion of Senator Bailey, Senate Bill No. 371 was ordered to hold its place on the second reading calendar for Monday, May 3, 1971.

On motion of Senator Guess, Senate Bill No. 792 was ordered to hold its place on the second reading calendar for Monday, May 3, 1971.

SECOND READING

ENGROSSED HOUSE BILL NO. 853, by Representatives Bledsoe, Morrison, North and Ross:

Repealing prohibition on sale of contraceptives.

The Senate resumed consideration of Engrossed House Bill No. 853 and the pending committee amendments. Senator Day had moved the adoption of the committee amendments on April 28, 1971.

POINT OF INQUIRY

Senator Odegaard: "Would Senator Day yield to a question? Senator, is this on the first amendment? In the digest it speaks of two amendments, or are these being considered together?"

Senator Day: "The bill itself, I believe, is the part that, the first part I was speaking to, and the amendment would strike 18,81,030, retail licenses-eligibility. That reads, 'No retail dealer's license shall be issued to any person who does not hold a valid and subsisting license issued under the laws of the state of Washington authorizing the holder to operate a drug store, pharmacy or dispensary. Nor shall any sale be made,' and so forth, 'Except in the place of business and business establishment of the licentiate.'"

Senator Odegaard: "In the digest it states the first amendment strikes the statute making it a gross misdemeanor to advertise matters relating to the treatment of venereal disease and restoration of lost manhood and similar matters."

Senator Day: "Yes, that is an old statute that is pretty well covered now by the amendment in 1961 which gave the medical disciplinary board powers to regulate advertising and so that is the House bill. The amendment is what I have just explained. That is the committee amendment."

Senator Odegaard: "Thank you, Senator Day. Apparently the caucus digest is incorrect."

Debate ensued.

The motion by Senator Day carried and the committee amendments were adopted.

On motion of Senator Day, the rules were suspended, Engrossed House Bill No. 853, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

Requiring second hand dealers to fence or hedge certain parts of their premises.

On page 1, section 1, line 9, after "hand" and before "goods" insert "household"

On motion of Senator Peterson (Ted), the rules were suspended, Engrossed Senate Bill No. 89 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Huntley: "Mr. President, would Senator Ted Peterson yield? Senator, first of all I am for this concept, but I notice down in section 2 that you are directing that the state patrol shall make these inspections. Have you provided any funding for the state patrol to do this job?"

Senator Peterson (Ted): "Senator, this is just in the smaller communities. I do not know whether you will have the problem that we have but that is under five thousand and I do not think there will be any problem there at all. Anything over five thousand is taken care of in the cities, where most of these junk dealers have businesses."

POINT OF INQUIRY

Senator Guess: "Will Senator Ted Peterson yield? Senator, on the main street in Cheney there is an antique dealer who sells second hand goods and his property is such that you could reach out on the sidewalk and touch his place and he uses the front yard to display such things as you mentioned a few minutes ago. I just wonder if this is going to make him put a fence up along the main street and thus deprive him of a showcase that he has been using all these years?"

Senator Peterson (Ted): "Senator, I would say that if it is up to the criteria which you are suggesting here, that maybe he should do something like that. If he has it on the other side of a fence or if it is just an open display, then in this case he will screen it. If it is tied in with his building, he displays most of his things inside and, if this is household, Senator. . . ."

Senator Guess: "Yes, this is household."

Senator Peterson (Ted): "He will move these household things in where he displays them through the window and that is all we are asking him to do."

Senator Guess: "Senator, he does not have any windows that he can display these things through. The house has very small windows and it would be impossible for a passerby

to see these things. Now he has had a bunch of old kitchen cabinets out there that somebody might think they were good. He has also had antique clocks out from time to time and he has had washing machines and things like this. Are we now going to deny him the use of his private property?"

Senator Peterson (Ted): "Senator Guess, it sounds to me like something should be done here. I do not know how the people of Cheney appreciate something like this, having a clock outside means there is not much to the clock. The things that you refer to sound like they might be junk and there is no deterioration there, if he cannot screen it a little."

POINT OF INQUIRY

Senator Fleming: "Would Senator Peterson (Ted) yield? Senator, I was looking at the last section in this bill. I would assume under this bill the penalty that would be laid upon an individual breaking this act or the law would be a misdemeanor?"

Senator Peterson (Ted): "Yes."

On motion of Senator Mardesich, Engrossed Senate Bill No. 89 was ordered placed on the third reading calendar for Saturday, May 1, 1971.

On motion of Senator Keefe, Senate Bill No. 264 was ordered to hold its place on the second reading calendar for Saturday, May 1, 1971.

MOTIONS

On motion of Senator Mardesich, Substitute Senate Bill No. 85 was substituted for Senate Bill No. 85 and the substitute bill was placed on second reading and read the second time in full.

The director shall forward by registered or certified mail a copy of the notice of delinquency herein provided to the legal owner recorded with the director pursuant to chapter 46.12.

Sec. 17. Section 82.50.140, chapter 15, Laws of 1961 as amended by section 55, chapter 149, Laws of 1967 ex. sess. and RCW 82.50.140 are each amended to read as follows:

Such notices shall state the time when and the place where the [mobile home or] travel trailer will be sold. He shall tax the same fees for making the distraint and sale of the [mobile home or] travel trailer for the payment of taxes as are allowed him by law for making levy and sales of property on execution, traveling fees to be computed from the county seat of the county to the place of making distraint. Such application shall be handled in the same manner and the fees and taxes transmitted in the same manner as in the case of an original application. Any such application which upon validation becomes a renewal certificate need not have entered on it the name of the lienholder, if any, of the mobile home concerned.

(1) No limited access highway shall be constructed that will result in the severance or destruction of an existing recreational trail of substantial usage for pedestrians, equestrians or bicyclists unless an alternative recreational trail, satisfactory to the authority having jurisdiction over the trail being severed or destroyed, either exists or is reestablished at the time the limited access highway is constructed. If a proposed limited access highway will sever a planned recreational trail which is part of a comprehensive plan for trails adopted by a state or local governmental authority, and no alternative route for the planned trail exists which is satisfactory to the authority which adopted the comprehensive plan for trails, the state or local agency proposing to construct the limited access highway shall design the facility and acquire sufficient right of way to accommodate future construction of the portion of the trail which will properly lie within the highway right of way. Thereafter when such trail is developed and constructed by the authority having jurisdiction over the trail, the state or local agency which constructed the limited access highway shall develop and construct the portion of such trail lying within the right of way of the limited access highway.

On page 1, section 1, line 12, after "crosses a" and before "of substantial" strike "route" and insert "recreational trail"

On page 1, section 1, line 16, after "existing" and before "of substantial" strike "route" and insert "recreational trail"

On page 1, section 1, line 21, after "of said" and before "shall be" strike "routes" and insert "recreational trails"

Debate ensued.

POINT OF INQUIRY

Senator Whetzel: "Senator Ridder, would you yield? Senator, looking at these series of amendments where you strike 'route' and insert 'trail', you do that until you get down to the last amendment and you strike 'facilities' and insert 'trail'. I wonder if that does not make a substantial change in the meaning of section 2 because I think that might be broader than 'trail'?"

Senator Ridder: "'Facilities' is an extremely broad terminology here. You can imagine what kind of facilities for pedestrians could be. These could be outdoor privies, these could be a number of facilities. I think 'trail' specifies exactly what we mean by facilities."

Senator Whetzel: "What would be wrong with including facilities in the designs? There is nothing here that requires these to be built by anyone and certainly not by the highway construction agency, as I read section 2. It just seems to me that is changing the entire meaning of section 2."

Senator Ridder: "According to Mr. Butts of the highway department, this was to tighten up the wording. The bill is to provide for recreational trails along traveled routes, limited access highways and other highways. In this sense the plan is not to build these facilities, it is merely to provide routes along limited access highways."

The motion carried and the amendments by Senators Ridder, Washington and Guess were adopted.

On motion of Senator Ridder, the rules were suspended, House Bill No. 1060, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

MOTION

On motion of Senator Keefe, the Senate commenced consideration of Senate Bill No. 264.

SENATE BILL NO. 264, by Senators Francis, Gardner, Keefe, Ridder and Dore (by Joint Committee on Education request):

Providing financial aid to certain students attending elementary and secondary schools.

REPORT OF STANDING COMMITTEE

March 30, 1971.

SENATE BILL NO. 264, providing financial aid to certain students attending elementary and secondary schools (reported by Committee on Ways and Means):

MAJORITY recommendation: Do pass with the following amendments:

On page 3, line 18, strike all of section 8 and renumber the remaining section

In line 1 of the title, after "students" and before "who" strike "in the common schools"

Signed by: Senators Durkan, Chairman; Atwood, Canfield, Connor, Day, Dore, Fleming, Gissberg, Greive, Guess, Holman, Jolly, Lewis, Metcalf, Odegaard, Peterson (Lowell), Ridder, Sandison, Stortini, Washington.

The bill was read the second time by sections.

On motion of Senator Francis, the committee amendment to page 3, line 18 was adopted.

MOTIONS

On motion of Senator Sandison, Senator Henry was excused.

On motion of Senator Andersen, Senators Atwood and Elicker were excused.

Senator Stender moved adoption of the following amendment:

On page 3, section 7, line 17, after "doing" insert "": PROVIDED, That such aid shall only be granted to any qualified student attending a school which does not discriminate on the basis of race, religion, sex, or national origin in the hiring of administrators, faculty and staff or in the admission of students"

Debate ensued.

POINT OF INQUIRY

Senator Francis: "Would Senator Stender yield? Senator, under your amendment, if the Tacoma Baptist School were to hire any of their teachers and request as part of that hiring that the teachers be Baptists, would that be a violation of this section or would that prohibit a student who receives aid under this from attending that school?"

Senator Stender: "The amendment does not say that, Senator. The amendment says a school which does not discriminate on the basis of race, religion, sex or national origin in the hiring. If they would only hire Baptists, for example, then of course that would be discriminating in that sense, I would believe."

Senator Francis: "If one or two of the members of the faculty were Catholic or atheists and the remaining members of the faculty were Baptists, you do not think that would be any problem then with this section?"

Senator Stender: "So long as there is not a line of discrimination, I think that is the purpose of the amendment because it would line up with the provisions as I have noted on Article VIII, section 4 of the State Constitution that I had read just a moment ago."

On motion of Senator Dore, the amendment by Senator Stender was laid upon the table.

Senator Stender moved adoption of the following amendment:

On page 3, section 10, line 27, insert as section 10 the following:

"NEW SECTION. Sec. 10. This act shall be submitted to the people for their adoption and ratification, or rejection, at the general election to be held in this state on the Tuesday next succeeding the first Monday in November 1972, in accordance with the provisions of section 1, article II of the State Constitution, as amended, and the laws adopted to facilitate the operation thereof."

Debate ensued.

On motion of Senator Keefe, the amendment by Senator Stender was laid upon the table on a rising vote.

On motion of Senator Francis, the committee amendment to the title was adopted.

On motion of Senator Francis, the rules were suspended, Engrossed Senate Bill No. 264 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Stender: "Would Senator Ridder yield to a question? Senator, you were a member of the interim committee on education that dealt with this matter during the interim. Is that correct?"

Senator Ridder: "Yes."

Senator Stender: "I notice also you are one of the sponsors of the measure. Now, Senator, I did review some of the testimony that was printed in the report that you made and I know when we were in the Committee on Rules and Joint Rules we were discussing this measure as to whether it should be sent out. You made some statements as to the condition of the schools, the private schools in Seattle. Is not it true that the private schools are in dire financial need in Seattle?"

Senator Ridder: "They are. They are closing three parochial schools next year in Seattle and two in Everett."

Senator Stender: "Will this measure give them material help in keeping open?"

Senator Ridder: "I would not categorically state that this would result in maintaining these three schools they are closing, but I would state that in the hearings that we had and the input we had from all private schools that such a move would give many private schools heart to stay open and this is the thing that we are attempting to do."

"There are about fifty-two thousand parochial school children in the state of Washington that would come under public schooling. Were they all to close and shift these students into the public sector, this is the thing that would be extremely difficult to take. It takes on the average about six hundred and fifty dollars to educate a student and you can imagine that this costs about two hundred and fifty dollars from the state money. This gets to be quite an overhead if they were, all fifty-two thousand to come in. So this would give them a measure of security to stay open and try to raise money and keep going, figuring that they could make it."

Senator Stender: "One further question, I want to preface it, Senator, if you will yield. On Thursday, January 28, 1971, the Tacoma News Tribune has a little quote here from Father Cobb. . . ."

POINT OF ORDER

Senator Greive: "Under Rule 17, you are unable to read any document without permission of the body and I would have no objection to Senator Stender reading any document he wishes, provided it is not read in this particular manner because this is putting it into the record for the purpose of a court contest obviously. So for that reason I object unless he wants to merely read it as a part of a speech, then I would not object. I would object under Rule 17 to reading any document."

Senator Stender: "Senator, I have had many questions asked me and I did not know that there was any reason why I could not ask another Senator a question. Senator Ridder, you are an author of this bill as you previously testified on my other question. In section 7 of the measure, it provides that state financial aid recipient under this 1971 act shall apply the award solely toward the cost of supplying books, tuition, incidentals and other fees or such other authorized expenditures as the state board of education shall deem proper, subject to the denial of further financial aid for such recipient not so doing. Now, where in the public school system would this type of a need arrive for a school child attending public school?"

Senator Ridder: "For instance, any youngster attending our junior high school has to pay twenty-seven dollars and fifty cents for his insurance, for physical education clothing, towel fees, locker fees, breakage fees and if he takes shop, for his woodshop fees, and I can go on."

Senator Stender: "In other words, what you are saying, this particular bill would authorize the state to pay for those particular fees? Is that all?"

Senator Ridder: "In the wording of this it says all other fees, incidentals and other fees, tuition, books. Now, of course, in the public schools no tuition but it is tuition of a sort in some cases."

Senator Stender: "It would be the same thing in the private schools, the parochial schools, correct?"

Senator Ridder: "Right."

Senator Stender: "I see. Thank you, Senator."

POINT OF INQUIRY

Senator Peterson (Ted): "Would Senator Francis yield? Senator, I just can hardly contain myself, I mean I could really shoot to the ceiling here but I have been consistent in my voting and I have said that I was not going to vote for any increase in the appropriations. I have kept that in the Committee on Ways and Means. Now you have struck the appropriation out of here and still you are proposing that the bill go through. You know as well as I do that it is an endeavor in futility and I want to know from you as to what this bill is going to accomplish now and why you struck the appropriation?"

Senator Francis: "Let me answer the last part first by saying that I did not strike the appropriation, the Ways and Means Committee struck the appropriation and I was opposed to that. The appropriation was struck, however, because nobody felt we could afford to fund this program. Now the question becomes, what is going to happen in this biennium as a result of this bill when there is no appropriation for it? I am speaking mainly here to section 3. Remember this is a scholarship bill. Students who are not able to go to school because of

family financial circumstances have to be identified. Criteria has to be established, the students themselves have to be surveyed in various ways.

"These students, when they are awarded a scholarship, can apply it any way they wish with the limitations that are in here, in either a public or a private school as long as it is with regard to tuition, fees, incidental expenses related to their education. The program itself has to get started. There may well be funds under URRD, under federal funds or other places to apply the scholarships but at the present time the state board of education is not authorized to give these poor students scholarships, poor in the sense of finances, not in the sense of their scholastic ability.

"The question really is, is there any authority to try to meet the social needs involved of taking care of these children and giving them a chance to complete a K through 12 education. I think a great deal can be done without an appropriation and I think it is important that we move ahead on the bill."

POINT OF INQUIRY

Senator Peterson (Ted): "Will Senator Dore yield? Senator, now we struck the appropriation. What assurance do we have that there will not be an appropriation worked out of this session of the legislature? Could you answer me yes or no whether there will be one?"

Senator Dore: "I think Senator Francis probably has answered it as well as I."

Senator Peterson (Ted): "He has not, Senator."

Senator Dore: "Except I might say this, based on the money in the state allocation that we are going to be eligible to receive seven or eight million dollars in federal funds if we satisfy the criteria of the federal government. If we had the enabling legislation passed, then this money would go to the state superintendent of public instruction and he could then use the money to satisfy that criteria. I think there have been a lot of statements made about this helping the private schools. Actually this is a tested procedure in the various constitutional courts of this state and nation whereby it has been upheld that the state can give to students—it is like the principle in which, after the second world war, the GI bill was created which gave tuition and fees to returning GI's to go to school, whether it be public or private.

"This is the same concept that is in this bill, only it is extended to the K to 12. There are no funds. There may well be—I think some of the reasoning on the taking of the money out of the bill is more or less the procedure we have followed in other bills that have gone through here that we wanted to be able to handle all money matters in a single committee and not put individual bills through with appropriations on them. I think it has been on very rare occasions when bills have actually passed this legislature with the money directly on it. I think there was an exception in the state scholarship bill which went through on the floor with a six hundred thousand dollar appropriation, but to my memory that is about the only one I can remember.

"So I assume that some attempt will be made in the budget conference committee or in the supplemental budget, probably more likely. When bills go through they have to be funded and then the various appropriations committees have to prepare a supplemental budget. As yet we have prepared just half of that budget and then when we get to the end of the session we find out what bills have passed that have not been funded in the individual bills and they are brought before the committee for acceptance or rejection. I assume that the amendment might be offered along the route to fund it to the tune of the bill of five hundred thousand dollars. Actually I think probably a better way to fund it would be to rely upon the federal funds which will be received as a result of the matching state funds in the URD appropriation which the Governor has recommended at the nine million dollar level which is up some three million dollars from two years ago."

Senator Peterson (Ted): "Further question. On nine million dollars, what would that take in funding from the state of Washington?"

Senator Dore: "That is now before the budget conference committee. I do not know if any final decision has been made on that particular level but it has been voted on by the body. I think without any appropriation or any further action that these moneys might be used to secure a federal matching fund for needy and disadvantaged children, no matter where they are going to school. Under the terms of this bill they can receive up to three hundred dollars for help. It could be in terms of clothing or incidental expenses and very little for tuition or books. In other words, it goes to the needy students. The same concept that we passed the other day in Senate Bill 419 for those attending colleges and universities, the same concept in the K to 12. But I think in the K to 12 would be probably more made available in certain core areas of our cities and probably a great part of that would be used for things other than tuition or books, probably it would be used actually for perhaps shoes for the individual, maybe getting lunch money and maybe to buy some pencils and so on, can be used for a number of other purposes, up to the amount of three hundred dollars per student per year."

POINT OF INQUIRY

Senator Peterson (Ted): "Would Senator Andersen yield to a question? Senator, you

and I have spoken of these things before and I am not sure just how you feel on these things but I think for our side you should make a statement on this. Would you do that?"

Senator Andersen: "I would like to answer Senator Peterson's question, also the answers which I presume are on the record from Senator Dore and Senator Francis in response to Senator Peterson's earlier questions. I do not believe that there is any one of us in this Senate or in this Legislature that is not concerned with the problem of bolstering up our private schools. As a matter of fact, when Senator Dore talked about the bill to provide one hundred dollars for tuition of people in higher education going to private schools, he is talking about Senate Bill 419 which I introduced and which has now passed the Legislature. That is not equivalent to this bill, however, because in that case it was funded. There was a specific provision made for that one hundred dollar scholarship in the Governor's budget; there was provision for it in both the House and Senate versions of the budget; and I am sure it is going to be provided for in the final budget bill that passes at this Legislature.

"The cruel thing to me, and it is one of the big problems that we face in our country today, is that governments and politicians promise so much and then deliver so little. I can see this bill passing here and headlines and hopes being raised in the breasts of people who are needy and unfortunate and who cannot possibly get the money, at least not in the foreseeable future, with our present financial condition here in this state. They hear they are going to get three hundred dollars and then they come to their government and say, 'Where do we go to apply?' and the government says, 'Well, you know that was just the Senate or somebody talking or a bill being passed that was never funded.' One of the real big problems that we face in our country today is with the people of this country being fed up with some of their governments and fed up with some of the things that their governments do like making promises and then welshing on them. Here we are impliedly promising three hundred dollars a year for each youngster in K through 12 in these private schools and we cannot possibly deliver. There is no chance that we are going to be able to deliver to these people because the appropriation has been struck from this bill. I think that this is a cruel, unfortunate thing and I do not believe that this Legislature should indulge in it just so somebody can grab a couple of headlines for having passed the scholarship bill, when this is just not the case at all."

Senators Keefe, Gissberg and Connor demanded the previous question and the demand was sustained.

The President declared the question before the Senate to be the final passage of Engrossed Senate Bill No. 264.

MOTION FOR RECONSIDERATION

Having voted on the prevailing side, Senator Metcalf moved that the Senate do immediately reconsider the vote by which Engrossed Senate Bill No. 149 passed the Senate.

POINT OF INQUIRY

Senator Andersen: "Would Senator Whetzel yield to a question? Senator, I believe you have been examining the amendments and I wonder if you would be kind enough to advise the body what the amendments consist of."

Senator Whetzel: "Yes, Senator Andersen. If you will recall, this was a bill that we had out before us for a number of days on the floor and there were a number of amendments considered and I believe the ones that are in our bill book are the ones that are on the bill. They are in a slightly different form than they are in the bill book.

"One of the key sections that I think we spent quite a bit of time on was section 3 dealing with the port commissioners having a population of more than one hundred thousand. The amendment says they shall by adoption of their resolution receive a salary of three hundred dollars per month and I think that the concern over this particular amendment is that this applies at least to the Seattle port commission. The point here is that these commissioners are presently receiving a salary by their choice of one dollar a year and they passed a resolution saying that they did not want this increase that we in the legislature are giving them. At a time when we are cutting the budgets for state agencies and appropriations to education, it seems to me anyway unwise to pass an increase that comes out of property taxes in the King county area. A tax increase to port commissioners who have indicated by a public resolution, that they do not want it. I think that is the key item of concern in this particular amendment.

"In addition, there was another provision for a twenty-five dollar per day payment to commissioners of other port districts. I think those are the items, Senator Andersen, that are in the amendments. Underneath all of this heavy weight of amendments there is a bill that I do not think there is any particular objection to, that deals with the provision for the payment of the port to the Washington Public Ports Association. It would be my hope that the body would reconsider this bill and we would find some way maybe we can take these amendments off and pass the bill that Senator Talley has been so anxious to get through here in the form in which he introduced it, which I think is without controversy."

PARLIAMENTARY INQUIRY

Senator Day: "Did not we adopt the committee amendments? Were there any other amendments than the committee amendments?"

REPLY BY THE PRESIDENT

The President: "The amendments adopted were floor amendments. No committee amendments were proposed."

PARLIAMENTARY INQUIRY

Senator Day: "Did we adopt the amendment by Senators McDougall and Greive to new section 3 which reads, 'Commissioners of port districts having a population of more

than one hundred thousand persons according to the latest United States census may, by adoption of port commission resolution authorizing same, receive a salary of three hundred dollars per month? Is that correct?"

REPLY BY THE PRESIDENT

The President: "The amendment states 'may', Senator Day."

POINT OF INQUIRY

Senator Day: "Will Senator Whetzel yield? Did not I understand you to say that this would mandate that they receive a salary? According to the way I interpret this is that if the port commission does not want to pass the resolution that authorizes the salary, they just will not get it."

Senator Whetzel: "I think it should say 'may'. They are being given the authority by resolution. The last section is the repealer of the present procedure by which they receive their salary increase which does require a vote of the people. We are taking that out in the present law."

Senator Day: "Yes, but we are not mandating the commissioners to take a salary. We are merely authorizing it if they pass a resolution to that effect, but we are certainly not forcing a salary on anyone."

Senator Whetzel: "We are, in this sense, in that the law does not now provide for this and we have to repeal RCW 53.12.250. In that sense we are facilitating and making it possible for this increase. Without our action they could not do it."

Senator Day: "Yes, but that is entirely different. As I understood your explanation you said that we were mandating them a salary, and as I understand it, it is a discretionary thing that if they do not want the salary they certainly would not have to take it under this amendment."

We thank Thee for the trust the people of this state have placed in these men and women. Give them wisdom and vision that Thy will may be reflected in the decisions and be pleasing to Thee and for the good of our people. Grant, we pray, O God, a larger measure of Thy grace that these men and women may differ in the thinking and yet not lead to harmful discord. That they may be able to bring about justice and peace among our people. Our heavenly Father, we pray that Thou will commend Thy love and protection to care and have compassion for the men and women of our state who are suffering distress and anxiety through lack of work. Support and strengthen them that they may be able to see Thy will and to experience Thy love and strength. We thank Thee for the opportunity and use us as Thy servants and keep us witnessing to the fact that Thou art our God and we are Thy servants. In Christ's name we pray. Amen."

On motion of Senator Durkan, Engrossed House Joint Resolution No. 47 was ordered placed at the end of the second reading calendar for today.

INTRODUCTION AND FIRST READING

ENGROSSED HOUSE CONCURRENT RESOLUTION NO. 35, by Representatives Shipoch, Lynch, Maxie, King, Kiskaddon, Rabel, Douthwaite, Knowles, Anderson, Goldsworthy, Shera, Benitz, Bottiger, Gladder, Bluechel and Chatalas:

Directing a study of college credit transfers.

Referred to Committee on Higher Education and Libraries.

MOTION

Senator Metcalf moved that the Committee on Higher Education and Libraries be relieved of further consideration of Senate Bill No. 577.

Debate ensued.

POINT OF ORDER

Senator Durkan: "Mr. President, we are talking about removing this bill from the committee and Senator Metcalf is discussing the merits of the bill, not whether or not it should be removed from the committee."

RULING BY THE PRESIDENT

The President: "The question before the Senate is the motion by Senator Metcalf that the Senate Committee on Higher Education and Libraries be relieved of further consideration of Senate Bill No. 577. Would Senator Metcalf please confine his remarks to the motion."

POINT OF INQUIRY

Senator Durkan: "Will Senator Metcalf yield? Senator, under the rules of the Senate as I understand it, you have the right to petition a majority of the members for removal of the bill from the committee?"

Senator Metcalf: "A majority of the committee members?"

Senator Durkan: "Yes, you can petition as I understand it, the rules so state. Have you sought out any of the members of the committee to ask them?"

Senator Metcalf: "Yes, I have. I have not made a formal petition but I have checked with the membership and as I said in my opening remarks, a bare majority of the committee does not favor bringing this bill out at this time."

MOTIONS

On motion of Senator Durkan, the motion by Senator Metcalf was made a special order of business for 4:00 p.m., today.

Senator Bailey moved adoption of the following rule change:

RESOLVED, That the Senate adopt the following temporary rule:

RULE 73A. During the remainder of this extraordinary session, each member shall be limited to five minutes debate on each subject, with no yields; provided that this shall not be effective for redistricting, revenue and taxation and budget;

PROVIDED FURTHER, That gallery introductions, laudatory floor or senate resolutions, and other proceedings tending to divert the senate from consideration of substantive legislation, shall be out of order, during the remainder of this session.

POINT OF INQUIRY

Senator Stender: "Will Senator Bailey yield? Senator, who shall we designate as the timekeeper for this particular rule?"

Senator Bailey: "Senator Stender, if it will help any I will personally buy an egg timer for the Lieutenant Governor. I think he is the one that keeps the time and he probably has a stop watch."

POINT OF INQUIRY

Senator Atwood: "Senator Bailey, would you yield? Would you clarify the motion in regards to no yields?"

Senator Bailey: "Senator Atwood, the problem is that if you do not have that in the motion that I can stand up, each one of us are allowed five minutes and I can stand up and talk as long as forty-eight of you will yield your five minutes. I can stand here and talk for how many hours and I am just trying to say each one of us can only speak that time and cannot yield to another member. Now that does not preclude speaking five minutes on every motion, amendment or anything like that on the floor but . . ."

Senator Atwood: "But the effect of what you are doing is limiting each member to five minutes on each particular subject?"

Senator Bailey: "Yes."

POINT OF INQUIRY

Senator Stender: "Senator Bailey, would you please yield again? I am a little confused as usual. When you say there is no yield, I have five minutes, assuming I am recognized, and I wanted to spend, say three minutes of it asking you to tell me something. I cannot quite follow how that would cut across the five minute rule because when my five minutes has run out, why of course I am through even though I allowed you to talk on my five minutes."

Senator Bailey: "Senator Stender, the trouble is that you have been spending five minutes asking questions without any question mark at the end of it and that is what I am trying to stop. But I think when you talk for five minutes you have not asked a question,

you are giving a speech and I think that would be beyond the rules and I intend to raise that question every time somebody gets up and gives a speech when they are not really asking a question for the record."

MOTIONS

On motion of Senator Atwood, the motion by Senator Bailey to adopt a temporary rule to the Senate rules was made a special order of business immediately following the noon recess.

On motion of Senator Keefe, the following resolution was adopted:

SENATE RESOLUTION: 1971-EX-64

By Senators Keefe, Talley, Knoblauch and Guess:

WHEREAS, Jack J. Bankson, Vice President and General Manager of KVI Radio in Seattle, did initiate on his radio station a campaign to get signatures on petitions asking for humane treatment of and information about United States personnel held as prisoners of war and those missing in action in Southeast Asia, and

WHEREAS, This petition campaign quickly secured the signatures of more than 25,000 residents of the State of Washington, and

WHEREAS, The success of the original campaign motivated a statewide petition drive under the chairmanship of Lieutenant Governor John A. Cherberg, involving most of the radio and television stations and newspapers in the State of Washington, and

WHEREAS, The State of Washington petition campaign and the individuals involved in it were instrumental in the formation of similar campaigns in most other states in the United States, and

WHEREAS, The petition drive in the State of Washington succeeded in getting more than 300,000 individual signatures and more than 12,000 letters, and

WHEREAS, Jack J. Bankson, representing the people of the State of Washington, and accompanied by Mrs. Diane Fernan, wife of Chief Warrant Officer William Fernan who is missing in action, did personally take these petitions and letters to Paris, France, and did deliver them to the representatives of the government of North Vietnam and the Viet Cong,

NOW, THEREFORE BE IT RESOLVED, By the Senate of the State of Washington, that we do hereby commend Jack J. Bankson for his initiative and his efforts on behalf of the United States personnel held as prisoners of war and those missing in action in Southeast Asia, and do further commend him for this demonstration of creative public service which has permitted the people of the State of Washington to show their concern for our prisoners of war and those missing in action,

BE IT FURTHER RESOLVED, That the Secretary of the Senate prepare copies of this Senate Resolution to be sent to Mr. Jack J. Bankson.

POINT OF INQUIRY

Senator Guess: "Would Senator Elicker yield to a question? Senator, you say that it would provide that the bill would expire on July 1, 1973 with no cutoff?"

Senator Elicker: "No, I say this provides, the language in the statute as proposed would expire in July 1973. As the bill is currently written there is no cutoff date. In other words, the bill as written is a permanent exemption into the statute unless the legislature takes affirmative action to withdraw it at some future time."

Senator Greive demanded a roll call on the amendment by Senator Holman and the demand was sustained by Senators Bailey, Elicker, Holman, Scott, Francis, Sandison, Canfield, McDougall and Keefe.

ROLL CALL

The Secretary called the roll and the amendment by Senator Holman was adopted by the following vote: Yeas, 22; nays, 19; excused, 8.

Voting yea: Senators Atwood, Bailey, Canfield, Cooney, Elicker, Gardner, Gissberg, Greive, Holman, Jolly, Knoblauch, Lewis, McCutcheon, McDougall, Odegaard, Peterson (Lowell), Ridder, Sandison, Scott, Twigg, Walgren, Wilson—22.

POINT OF INQUIRY

Senator Guess: "Would Senator Holman yield? Senator, when the computer service makes a run and sends back to the parent company a print out, would you think that by returning to, or giving to the company the print out that the material in the print out should bear sales tax?"

Senator Holman: "It is not a question of what I think. It is a question of whether the statutes of the state of Washington consider that as a retail sale by A to B which should be charged for. What I want to make sure here is that by this bill, if we pass it, we are not tampering with whatever the RCW's are in the sales tax.

"If I buy computer services from IBM, I assume I am going to pay for that and I assume that there may be a tax on that. We tax most all services except legal and doctors and certainly there would be a tax if they furnished me hardware, so I think your statement to me a minute ago indicates that we have to have this on if there is any question about it."

Senator Guess: "Senator Holman, I think that the only instances—there is no instance where this amendment or where the bill will affect other statutes. It only has to do with the B&O and I stand corrected on that. If the company bought hardware from the computer service, then of course it would be a normal transaction."

The motion by Senator Holman carried and the amendment was adopted.

On motion of Senator Holman, the following amendment was adopted:

On page 3, section 1, line 26 of both the printed and engrossed bills, strike "eighty" and insert "ninety-five"

Senator Holman moved adoption of the following amendment:

On page 3, section 1, line 28 of the printed bill, strike the period at the end of the sentence and insert: ", and the deduction granted herein shall be applicable solely to gross income of the parent corporation otherwise includible in the measure of the tax imposed upon the parent corporation by RCW 82.04.240 and RCW 82.04.250."

Debate ensued.

POINT OF INQUIRY

Senator Gissberg: "Will Senator Holman yield? Senator, one of the things that I have been concerned about with this bill is a memorandum that I received from Mr. Kinnear of the revenue department of this state wherein he indicated that if this theory were adopted that the Boeing Company is asking, that there would be a substantially greater number of corporations that are engaged in the computer activity of setting up a subsidiary corporation and thereby cause an additional loss of revenue to the state of Washington. It would appear, and I ask this as a question, whether or not if your amendment is adopted then, it would discourage or at least the incentive would be lost for other corporations, a banking corporation, for instance which has its own computer, from setting up a subsidiary corporation. Would this then not in effect save the state of Washington large sums of money by discouraging other corporations from setting up their companies in the fashion to take advantage of this bill if your amendment were not adopted?"

Senator Holman: "I think I agree with your point, Senator Gissberg, and I think that may well happen. It illustrates the never-never land we are getting into with this kind of legislation, and that is why it seemed to me that we are in effect making a rate for them here which is quite analogous to what happened in a similar bill. You know, I do not stand here on the floor and tell the people of the state or Senator Guess or anybody else that Boeing did not have a problem here, but I just say this is not the way to go about it as Senator Gissberg is pointing this out in his question.

"There is another company that came to the state the last year called Jersey Nuclear. They wanted to put a plant over in the tri-cities area to manufacture nuclear fuel assemblies. They went to the department of revenue and they worked out a rate that would be right for this type of industry, a brand new industry with high capital costs and so forth. They worked out this rate which turned out to be .25. Probably they would like to get by with an exemption but they did not ask for that. They asked for a fair rate, and I think if the Boeing Company had done this they might get someplace instead of just saying, 'Leave us out completely.'

"So I think, Senator Gissberg, you have a point there and if we adopt this amendment it may make this thing a little more complicated so that these things will be done with due care for the proper rate of taxation for the privilege of doing business in this state."

Further debate ensued.

Senator Guess demanded a roll call and the demand was sustained by Senators Metcalf, Murray, Elicker, Peterson (Ted), Cooney, Canfield, Andersen, Twigg and Connor.

ROLL CALL

The Secretary called the roll and the amendment by Senator Holman was not adopted by the following vote: Yeas, 13; nays, 30, excused, 6.

Voting yea: Senators Elicker, Gissberg, Holman, Knoblauch, McCutcheon, McDougall, Mardesich, Peterson (Lowell), Ridder, Scott, Walgren, Whetzel, Wilson—13.

Voting nay: Senators Andersen, Atwood, Bailey, Canfield, Connor, Cooney, Day, Donohue, Durkan, Fleming, Foley, Francis, Gardner, Greive, Guess, Herr, Jolly, Keefe, Lewis, Metcalf, Murray, Newschwander, Odegaard, Peterson (Ted), Sandison, Stender, Stortini, Talley, Twigg, Washington—30.

Excused: Senators Clarke, Dore, Henry, Huntley, Matson, Woodall—6.

Senator Holman moved adoption of the following amendment:

On page 3, beginning on line 29 of the engrossed bill, being the House Committee amendment, strike all of section 2.

Excused: Senators Clarke, Dore, Henry, Huntley, Matson, Woodall—6.

On motion of Senator Holman, the following amendment to the title was adopted:

On page 1, line 4 of the engrossed bill, being the House Committee amendment, strike “; and declaring an emergency”

On motion of Senator Durkan, the rules were suspended, Engrossed House Bill No. 144, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Scott: “Mr. President, would Senator Holman yield? Senator, as a lawyer who deals consistently in these matters, do you believe that there are any implications as far as the constitutional questions in this piece of legislation?”

Senator Holman: “Senator Scott, there is a very serious one in my opinion. If you will get out your legislative manual, read article II, section 28 of the State Constitution, you will find the usual constitutional provision against passing special legislation. Special legislation means legislation which can only apply to one taxpayer and it reads, ‘The legislature is prohibited from enacting any private or special laws in the following cases: subsection (5), For the assessment or collection of taxes’ I certainly think this has a serious legal implication from our constitutional standpoint and whether it did or not, I think there is a moral question here that each of us have to ask ourselves, if we are passing legislation that can only apply to one person, no matter how good we may think they are.”

Further debate ensued.

Senators Keefe, Greive and Holman demanded the previous question and the demand was sustained.

The President declared the question before the Senate to be the final passage of Engrossed House Bill No. 144, as amended by the Senate.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed House Bill No. 144, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 28; nays, 15; excused, 6.

Voting yea: Senators Andersen, Atwood, Bailey, Canfield, Connor, Cooney, Day, Donohue, Durkan, Fleming, Foley, Francis, Greive, Guess, Herr, Keefe, Lewis, Metcalf, Murray, Newschwander, Peterson (Ted), Ridder, Sandison, Stender, Stortini, Talley, Twigg, Washington—28.

Voting nay: Senators Elicker, Gardner, Gissberg, Holman, Jolly, Knoblauch, McCutcheon, McDougall, Mardesich, Odegaard, Peterson (Lowell), Scott, Walgren, Whetzel, Wilson—15.

Excused: Senators Clarke, Dore, Henry, Huntley, Matson, Woodall—6.

ENGROSSED HOUSE BILL NO. 144, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

On motion of Senator Guess, Engrossed House Bill No. 144, as amended by the Senate, was ordered immediately transmitted to the House.

SIGNED BY THE PRESIDENT

The President signed:
HOUSE BILL NO. 52,
SUBSTITUTE HOUSE BILL NO. 768.

PERSONAL PRIVILEGE

Senator Durkan: "Mr. President, there was some reference made that the Senate Ways and Means Committee did not hold hearings on this bill. And for those that did not remember, I would only like to point out that Senator Donohue had an extended hearing in Revenue on it. I had three hearings on it. I permitted first the proponents to testify, I then permitted the opponents to testify and at that time I permitted Senator Holman to cross-examine, and then I had another hearing at which time the amendments were presented. I did not hear any member ask for further hearings on the bill and I just want to make it clear that I thought that the bill had received extensive hearings on it and a sufficient number of times for the members to make their determination."

Senator Holman: "I, Senator Durkan, never said and certainly never intended to say that there were no hearings in your committee. In fact, I think I referred several times to those hearings. As far as the hearings in the Revenue and Tax Committee on this bill, there never were any. And you recall I raised the point as to how did it get from Revenue and Tax into your committee. There never was any sign out of this bill from Revenue and Tax into Ways and Means, and if you will look through the records you will not find any. Now it is true there was, early in the session, several weeks ago, a hearing on Senate Bill No. 754, which is an identical bill. Unfortunately I was not able to attend that hearing because I had three committee meetings meeting that very day, one with Senator Wilson's, one with Senator Sandison's. I had to choose, and I do not think there is a Senate chairman here that will not say that I am a pretty good attendee at these meetings. But I was told that at that hearing of Revenue and Tax on Senate Bill No. 754 there would be no executive action taken and it was simply to hear the Boeing Company explain their position. And I was waiting for Senator Donohue to call a hearing on House Bill No. 144. There never was one."

EXPLANATION OF FAILURE TO VOTE

The undersigned, prior to being formally excused, abstained from preliminary votes with respect to House Bill No. 144 for the reason that we own stock in The Boeing Company.

While the amount of stock is relatively small and the bill does not specifically relate only to The Boeing Company or its subsidiaries, it was felt that there was sufficient question

under Article 2, Section 30 of the State Constitution so that we should abstain from voting thereon.

/s/ Senator George W. Clarke.
/s/ Senator Elmer C. Huntley.

RULE 73A. During the remainder of this extraordinary session, each member shall be limited to five minutes debate on each subject, with no yields; provided that this shall not be effective for redistricting, revenue and taxation and budget;

subsequent to December 31, 1970 and within fifteen months after the death of such decedent, if such death occurred on or prior to December 31, 1970."

Senator Holman moved adoption of the following amendment:

On page 2, section 3, line 14, insert as section 3 the following:

"NEW SECTION. Section 3. There is added to chapter 15, Laws of 1961 and to chapter 83.20 RCW a new section to read as follows:

Annuities or any other payments passing under the federal Armed Services Retirement Act, 67 Stat. 501-504, chapter 73, title 10, United States Code, as now or hereafter amended, which shall pass to the beneficiaries of the annuitant, shall be exempt from inheritance tax."

Re-number section 3 of the printed bill as section 4.

Debate ensued.

POINT OF ORDER

Senator Woodall: "My point of order is that this amendment increases the scope and object of this bill. This bill starts out on the subject of when do you pay the inheritance tax. There is nothing in this bill about exemptions and what is exempt from the inheritance tax, so it is adding a new theme to the bill and starting to put in exemptions. If you open it up to add exemptions to it, why then it would be subject to various amendments from the floor, all on the subject of exemptions which has not been considered by the body. We have no fiscal note on the impact and no chance to analyze just exactly what is happening. So it seems to me that this definitely increases the scope and purpose. The sole purpose of the bill was to accelerate the date that you pay. It is not an act establishing exemption."

RULING BY THE PRESIDENT

The President: "In ruling on the point of order by Senator Woodall, the President finds that the amendment proposed by Senator Holman pertains to an exemption to the inheritance laws, while Engrossed House Bill No. 213 merely changes the due date for the payment of inheritance taxes. The amendment therefore does increase the scope and object of the bill and the point of order is well taken."

The amendment by Senator Holman was ruled out of order.

On motion of Senator Atwood, the rules were suspended, Engrossed House Bill No. 213, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Atwood: "Will Senator Gissberg yield? Senator, if you have a twenty-five dollar check cashed in Whatcom county, a twenty-five dollar check cashed in King county and a twenty-five dollar check cashed in Snohomish county, what would be the charge and which county would have the jurisdiction?"

Senator Gissberg: "The charge would be a felony, but the question of jurisdiction is one that Senator Woodall satisfied himself about, apparently. That is the reason we held this bill over from last Friday. As to the question of jurisdiction, but not being a prosecutor, I could not tell you."

MOTION

On motion of Senator Atwood, Engrossed House Bill No. 244 was ordered held at the end of the calendar for today.

The secretary of state shall file such annual report in his office for the fee of [one] two dollars. If any corporation shall fail to comply with the foregoing provisions of this section and more than one year shall have elapsed from the date of the filing of the last report, service of process against such corporation may be made by serving duplicate copies upon the secretary of state. Upon such service being made, the secretary of state shall forthwith mail one of such duplicate copies of such process to such corporation at its registered office or its last known address, as shown by the records of his office.

For every violation of this section there shall become due and owing to the state of Washington the sum of twenty-five dollars which sum shall be collected by the secretary of state who shall call upon the attorney general to institute a civil action for the recovery thereof if necessary."

On motion of Senator Walgren, the following amendment to the title was adopted:

In line 2 of the title after "section" and before "ex. sess." in line 3, strike "2, chapter 83, Laws of 1969" and insert "6, chapter 38, Laws of 1971"

On motion of Senator Walgren, the rules were suspended, Engrossed House Bill No. 254, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

EXPLANATION OF VOTE

I voted against removing Senate Bill No. 577 from Higher Education Committee and moving it to the floor for consideration because of our committee procedure. Though a laudable bill on its surface it did merely encompass points already in law and had been duly considered in committee and found wanting for support.

If we had followed this procedure as proposed here by Senator Metcalf, there would be no control of legislation and the power of the committee system seriously impaired. The vote today was a procedural vote by a member of the majority and not a vote on Senate Bill No. 577.

/s/ Senator Robert C. Ridder.

There being no objection, the Senate returned to the seventh order of business.

SECOND READING

SENATE BILL NO. 17, by Senators Mardesich, Cooney, Twigg, Stender, Holman and Peterson (Ted) (by Insurance Commissioner request):

SENATE BILL NO. 17, creating the Washington Life Insurance Guaranty Association (reported by Committee on Commerce and Regulatory Agencies):

MAJORITY recommendation: Do pass with the following amendments:

Strike all material after the enacting clause and insert the following:

"NEW SECTION. Section 1. PURPOSE. The purpose of this act is the creation of funds arising from assessments upon all insurers authorized to transact life or disability insurance business in the state of Washington, to be used to assure to the extent prescribed herein the performance of the insurance contractual obligations of insurers becoming

insolvent to residents of this state and, in the case of domestic insurers, to residents of other jurisdictions as well; and to promote thereby the stability of domestic insurers. In the judgment of the legislature, the foregoing purpose not being capable of accomplishment by a corporation created under general laws, the creation of the nonprofit association hereinafter in this act described is deemed essential for the protection of the general welfare.

NEW SECTION. Sec. 2. SCOPE, PERSONAL INSURANCES. This act shall apply as follows to life insurance policies, disability insurance policies, and annuity contracts of liquidating insurers, other than separate account variable policies and contracts authorized by chapter 48.18A RCW:

(1) To all such policies and contracts of a domestic insurer, without regard to the place of residence or domicile of the policy or contract owner, insured, annuitant, beneficiary, or payee.

(2) To all such policies and contracts of a foreign or alien insurer authorized to transact such insurance or annuity business in this state at the time such policies or contracts were issued or at the time of entry of the order of liquidation of the insolvent insurer, and of which the policy or contract owner, insured, annuitant, beneficiary, or payee is a resident of and domiciled within this state. With respect to group policies or group contracts of such foreign or alien insurers, this act shall apply only as to the insurance or annuities thereunder of individuals who are residents of and domiciled within this state. The place of residence or domicile shall be determined as of the date of entry of the order of liquidation against the insurer.

(3) To policies and contracts only of insolvent insurers with respect to which an order of liquidation is entered after the effective date of this act.

(4) The obligations of the association created under this act shall apply only as to contractual obligations of the insurer under insurance policies and annuity contracts, and shall be no greater than such obligations of the insolvent insurer at the time of entry of the order of liquidation; except, that the association shall have no liability with respect to any portions of such policies or contracts to the extent that the death benefit coverage on any one life exceeds an aggregate of three hundred thousand dollars.

(5) This act shall not apply to fraternal benefit societies, health care service contractors, or to insurance or liability assumed by the liquidating insurer under a contract of reinsurance other than of bulk reinsurance.

NEW SECTION. Sec. 3. DEFINITIONS. Within the meaning of this act:

(1) "Association" means "the Washington life and disability insurance guaranty association".

(2) "Board" means the board of directors of the Washington life and disability insurance guaranty association.

(3) "Commissioner" means the insurance commissioner of this state.

(4) "Policies" means life or disability insurance policies; "contracts" means annuity contracts and contracts supplemental to such insurance policies and annuity contracts.

(5) "Liquidating insurer" means an insurer with respect to which an order of liquidation has been entered by a court of competent jurisdiction.

(7) "Account" means any one of the three guaranty fund accounts created under section 8(1) of this act.

(8) "Assessment" means a charge made upon an insurer by the board under this act for payment into a guaranty fund. The charge shall constitute a legal liability of the insurer so assessed.

(10) "Certificate" means a certificate of contribution provided for in section 9 of this act.

NEW SECTION. Sec. 4. GUARANTY ASSOCIATION CREATED. (1) There is hereby created a nonprofit unincorporated legal entity to be known as the Washington life and disability insurance guaranty association, which shall be composed of the commissioner, ex officio, and of each insurer authorized to transact life insurance, or disability insurance, or annuity business in this state. All such insurers shall be and remain members of the association during the continuance of, and as a condition to, their authority to transact such business in this state.

(2) The association shall be managed by a board of directors composed of the commissioner, ex officio, and of not less than five nor more than nine member insurers, each of whom shall initially be appointed by the commissioner to serve for terms of one, two, or three years. After the initial board is appointed, the board shall provide in its bylaws for selection of board members by member insurers subject to the commissioner's approval; members so selected shall serve for three year terms, acceding to office upon expiration of the terms of the respective initial board members; and board members shall thereafter serve for three year terms and shall continue in office until their respective successors be selected, approved, and have qualified. At least a majority of the members of the board shall be domestic insurers. In case of a vacancy for any reason on the initial board appointed, the commissioner shall appoint a member insurer to fill the unexpired term; vacancies on the board thereafter shall be filled in the same manner as in the original selection and approval. Board members may be reimbursed for reasonable and necessary expenses incurred in connection with the performance of their duties.

(3) A director, officer, employee, agent or other representative of the association or of a member insurer, or the commissioner or his representative shall in no event be

individually liable to any person, including the association, for any act or omission to act, or for any liability incurred or assumed, on behalf of the association or by virtue thereof, any such liability so incurred or assumed to be collectible only out of a fund; nor shall any insurer member of the association be subject to any liability except for assessment as in this act provided.

(4) The association shall be under the immediate supervision of the commissioner and shall be subject to such provisions of the insurance code of the state of Washington as may be applicable and not inconsistent with the provisions of this act.

(5) The board may, upon majority vote, make recommendations to the commissioner for the detection and prevention of insurer insolvencies.

NEW SECTION. Sec. 5. POWERS OF THE ASSOCIATION. The association shall have the power:

(1) To use a seal, to contract, to sue and be sued and, in addition, possess and exercise all powers necessary or convenient for the purposes of this act.

(2) With the approval of the commissioner and as provided in section 6 of this act, to assume, reinsure or guarantee or cause to be assumed, reinsured, or guaranteed, partially or wholly, any or all of the policies or contracts of any liquidating domestic life or disability insurer or any policy or contract to which this act applies, and to make available from a fund, the creation of which is hereinafter in section 8 of this act provided, such sum or sums as may be necessary for such purpose.

(3) To carry out the provisions of this section, the association shall have, and may exercise, all necessary rights, powers, privileges, and franchises of a domestic insurer, except that it shall not be authorized to issue contracts or policies unless such contracts or policies are pursuant to contracts and policies representing obligations in whole or in part of the liquidating insurer or of the association.

(4) To borrow money for the purposes of the fund, either with or without security, and pledge such assets in a fund as security for such loans, and in connection therewith, rehypothecate any securities or collateral pledged to it by an insurer. Any notes or other evidence of indebtedness of the association shall be legal investments for domestic insurers and may be carried as admitted assets.

(5) To collect or enforce by legal proceedings, if necessary, the payment of all assessments for which any insurer may be liable under this act; and to collect any other debt or obligation due to the association or a fund created in this act.

(6) To make bylaws and regulations for the conduct of the affairs of the association, not inconsistent with this act.

NEW SECTION. Sec. 6. REINSURANCE, GUARANTY OF POLICIES, CONTRACTS.

(1) The association shall, subject to such terms and conditions as it may impose with the approval of the commissioner, assume, reinsure, or guarantee the performance of the policies and contracts of any domestic life or disability insurer with respect to which an order of liquidation has been entered by any court of general jurisdiction in the state of Washington, and shall have power to receive, own, and administer any assets acquired in connection with such assumption, reinsurance, or guaranty. The association, as to any such policy or contract under which there is no default in payment of premiums subsequent to such assumption, reinsurance, or guaranty, shall make or cause to be made prompt payment of the benefits due under the terms of the policy or contract.

(2) The association shall make or cause to be made payment of the death, endowment, or disability insurance or annuity benefits due under the terms of each policy or contract insuring the life or health of, or providing annuity or other benefits for, a resident of this state which was issued or assumed by a foreign or alien insurer with respect to which an order of liquidation has been entered by a court of competent jurisdiction in the state or country of its domicile.

(3) In determining benefits to be paid with respect to the policies and contracts of a particular liquidating insurer the board may give due consideration to amounts reasonably recoverable or deductible because of the contingent liability, if any, of policyholders of the insurer (if a mutual insurer) or recoverable because of the assessment liability, if any, of the insurer's stockholders (if a stock insurer).

(4) With respect to an insolvent domestic insurer, the board shall have power to petition the court in which the delinquency proceedings are pending for, and the court shall have authority to order and effectuate, such modifications in the terms, benefits, values, and premiums thereafter to be in effect of policies and contracts of the insurer as may reasonably be necessary to effect a bulk reinsurance of such policies and contract in a solvent insurer.

(5) In addition to any other rights of the association acquired by assignment or otherwise, the association shall be subrogated to the rights of any person entitled to receive benefits under this act against the liquidating insurer, or the receiver, rehabilitator, liquidator, or conservator, as the case may be, under the policy or contract with respect to which a payment is made or guaranteed, or obligation assumed by the association pursuant to this section, and the association may require an assignment to it of such rights by any such persons as a condition precedent to the receipt by such person of payment of any benefits under this act.

(6) For the purpose of carrying out its obligations under this act, the association shall be deemed to be a creditor of the liquidating insurer to the extent of assets attributable to cover policies and contracts reduced by any amounts to which the association is entitled as a subrogee. All assets of the liquidating insurer attributable to covered policies and contracts

shall be used to continue all covered policies and contracts and pay all contractual obligations of the liquidating insurer as required by this act. Assets attributable to covered policies and contracts, as used in this subsection, are those in that proportion of the assets which the reserves that should have been established for such policies and contracts bear to the reserves that should have been established for all insurances written by the liquidating insurer.

NEW SECTION. Sec. 7. DUPLICATION OF BENEFITS PROHIBITED. Whenever a guaranty or payment of proceeds or benefits of a policy or contract otherwise provided for under this act is also provided for by a similar law of another jurisdiction, there shall be only one recovery of values or benefits, and the association or their entity established by such law in the domiciliary jurisdiction or state of entry of the liquidating insurer shall be solely responsible for such guaranty and payment.

NEW SECTION. Sec. 8. GUARANTY FUNDS. (1) For purposes of administration and assessment, the association shall establish and maintain three guaranty fund accounts: (a) the life insurance account; (b) the disability insurance account; and (c) the annuity account.

(2) For the purpose of providing the funds necessary to carry out the powers and duties of the association, the board shall assess the member insurers, separately for each account, at such times and for such amounts as the board finds necessary. The board shall collect the assessment after thirty days written notice to the member insurers before payment is due.

(3) There shall be three classes of assessments, as follows:

(a) Class A assessments shall be made for the purpose of meeting administrative costs and other general expenses of the association not related to a particular liquidating insurer.

(b) Class B assessments shall be made to the extent necessary to carry out the powers and duties of the association with respect to a particular liquidating domestic insurer.

(c) Class C assessments shall be made to the extent necessary to carry out the powers and duties of the association with respect to a particular liquidating foreign or alien insurer.

(4) (a) The amount of any Class A assessment for each account shall be determined by the board. The amount of any Class B or C assessment shall be divided among the accounts in the proportion that the premiums received by the liquidating insurer on the policies or contracts covered by each account bears to the premiums received by such insurer on all covered policies and contracts.

(b) Class A and Class C assessments against member insurers for each account shall be in the proportion that the premiums received on business in this state by each assessed member insurer on policies or contracts covered by each account bears to such premiums received on business in this state by all assessed member insurers.

(c) Class B assessments for each account shall be made separately for each state in which the liquidating domestic insurer was authorized to transact insurance at any time, in the proportion that the premiums received on business in such state by the liquidating insurer on policies or contracts covered by such account bears to such premiums received in all such states by the liquidating insurer. The assessments against member insurers shall be in the proportion that the premiums received on business in each such state by each assessed member insurer on policies or contracts covered by each account bears to such premiums received on business in each such state by all assessed member insurers.

(d) Assessments for funds to meet the requirements of the association with respect to a particular liquidating insurer shall not be made until necessary, in the board's opinion, to implement the purposes of this act; and in no event shall such an assessment be made with respect to such insurer until an order of liquidation has been entered against the insurer by a court of competent jurisdiction of the insurer's state or country of domicile. Classification of assessments under subsection (3) of this section, and computation of assessments under this subsection (4) shall be made with a reasonable degree of accuracy, recognizing that exact determination may not always be possible.

(5) The association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the insurer to fulfill its contractual obligations. The total of all assessments upon a member insurer for each account shall not in any one calendar year exceed two percent of such insurer's premiums in this state on the policies or contracts covered by the account.

(6) In the event an assessment against a member insurer is abated or deferred, in whole or in part, because of the limitations set forth in subsection (5) of this section, the amount by which such assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section. If the maximum assessment, together with the other assets of the association in an account, does not provide in any one year an amount sufficient to carry out the responsibilities of the association with respect to such account, the necessary additional funds shall be assessed as soon thereafter as permitted by this act.

(7) The amount in a fund shall be kept at such a sum as in the opinion of the board will enable the association to meet the immediate obligations and liabilities of such fund. Whenever in the opinion of the board the amount in a fund is in excess of such immediate obligations and liabilities, with the approval of the commissioner the association may distribute such excess by retirement of certificates previously issued against the fund. Such distribution shall be made pro rata upon the basis of outstanding certificates, except that by unanimous consent of all directors and with the approval of the commissioner any other reasonable method of retirement of such certificates may be adopted.

(8) As used in this section, "premiums" are those for the calendar year preceding the

entry of the order of liquidation as to a particular liquidating insurer, and shall be direct gross insurance premiums and annuity considerations received on policies and contracts to which this act applies, less return premiums and considerations and less dividends paid or credited to policy-holders.

(9) Upon dissolution of a fund by the repeal of this act or otherwise, the fund shall be distributed in the same manner as is provided for the repayment or retirement of certificates. If the amount in the fund at the time of dissolution is in excess of outstanding certificates issued against the fund, such portion of the excess as is not payable into the general fund of the state of Washington under subsection (4) of section 9 of this act, shall be distributed among contributing member insurers in such equitable manner as is approved by the commissioner.

NEW SECTION. Sec. 9. CERTIFICATES OF CONTRIBUTION; ALLOWANCE AS ASSET. (1) The association shall issue to each insurer paying an assessment under this act certificates of contribution, in appropriate form and terms as prescribed or approved by the commissioner, for the amounts so paid into the respective funds. All outstanding certificates against a particular fund shall be of equal dignity and priority without reference to amounts or dates of issue.

(2) An outstanding certificate of contribution shall be shown by the insurer in its financial statements as an admitted asset for such amount and period of time as the commissioner may approve: PROVIDED, That unless a longer period has been allowed by the commissioner the insurer shall in any event at its option have the right to so show a certificate of contribution as an admitted asset at percentages of original face amount for calendar years as follows:

- 100% for the calendar year of issuance;
- 80% for the first calendar year after the year of issuance;
- 60% for the second calendar year after the year of issuance;
- 40% for the third calendar year after the year of issuance;
- 20% for the fourth calendar year after the year of issuance; and
- 0% for the fifth and subsequent calendar years after the year of issuance.

(3) No distribution to stockholders, if any, of a liquidating insurer shall be made unless and until the total amount of assessments levied by the association with respect to such insurer have been fully recovered by the association.

NEW SECTION. Sec. 10. TAXATION. (1) The association shall be exempt from premium tax. Any domestic insurer whose policies or contracts have been assumed, reinsured, or guaranteed by the association under this act shall remain liable for premium taxes on all premiums received on policies and contracts issued by it, but payment of such taxes shall be suspended. Payment of or on account of such taxes shall be made under such terms and conditions as the commissioner may prescribe. No distribution to stockholders, if any, of the liquidating insurer shall be made unless all premium taxes, the payment of which has been suspended hereunder, have been fully paid.

(2) The association shall be exempt from all taxes and fees now or hereafter imposed by the state of Washington or by any county, municipality, or local authority or subdivision; except that any real property owned by the association shall be subject to taxation to the same extent according to its value as other real property is taxed.

(3) Assessments made upon domestic insurers pursuant to a law of another jurisdiction similar to this act, shall be excluded from the application of RCW 48.14.040 (retaliatory provision).

NEW SECTION. Sec. 11. PROHIBITED USE OF ACT. No person shall make use in any manner of the protection afforded under this act in the solicitation of insurance or annuity business.

NEW SECTION. Sec. 12. RECAPTURE OF EXCESSIVE DIVIDENDS TO AFFILIATES. (1) If an order for liquidation or rehabilitation of a domestic insurer has been entered, the receiver appointed or existing under such order shall have a right to recover, and upon request of the board or without such request shall take such action as he deems advisable to recover, on behalf of the insurer from any affiliate that controlled it the amount of distributions, other than stock dividends paid by the insurer on its capital stock, at any time during the five years preceding the petition for liquidation or rehabilitation of the insurer subject to the limitations of subsections (2) through (4) of this section.

(2) No such dividend shall be recoverable if the insurer shows that when paid the distribution was lawful and reasonable, and that the insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the insurer to fulfill its contractual obligations.

(3) Any person who was an affiliate in control of the insurer at the time a distribution was paid shall be liable up to the amount of distribution he received. Any person who was an affiliate in control of the insurer at the time a distribution was declared shall be liable up to the amount of distribution he would have received if it had been paid immediately. If two persons are liable with respect to the same distribution they shall be jointly and severally liable.

(4) The maximum amount recoverable by the receiver under this section shall be the amount needed in excess of all other available assets to pay the contractual obligations of the insurer.

(5) If any person liable under subsection (3) of this section is insolvent, all its affiliates that controlled it at the time the distribution was paid shall be jointly and severally liable for any resulting deficiency in the amount recovered from the insolvent affiliate.

NEW SECTION. Sec. 13. SHORT TITLE. This chapter shall be known and may be cited as the Washington Life and Disability Insurance Guaranty Association Act.

NEW SECTION. Sec. 14. CONSTRUCTION. This chapter shall be liberally construed to effect the purpose stated in section 1 of this act, which shall constitute an aid and guide to interpretation.

NEW SECTION. Sec. 15. SECTION HEADINGS NOT PART OF LAW. Section headings in this act do not constitute any part of the law.

NEW SECTION. Sec. 16. NEW CHAPTER. Sections 1 through 14 of this act shall be added to Title 48 RCW as a new chapter thereof.

NEW SECTION. Sec. 17. SEVERABILITY. If any clause, sentence, paragraph, section or part of this act shall for any reason be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment has been rendered.

NEW SECTION. Sec. 18. EMERGENCY. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

POINT OF INQUIRY

Senator Peterson (Ted): "Would Senator Mardesich yield? What will this total up to over a period of time?"

Senator Mardesich: "This does not have the fund build up which is prior assessments. This bill is designed on the post assessment theory. There is no fund build up. It is only after a loss has been determined that the companies begin to assess themselves to make up the loss. There are no premium taxes or anything that would provide for an advance fund build up."

Senator Peterson (Ted): "Further question, Senator Mardesich. Now in my district, there were so many people that were caught in this who put their whole life savings in there. What will this do for them?"

Senator Mardesich: "I assume you are speaking with respect to policyholders rather than investors."

Senator Peterson (Ted): "Yes, right."

Senator Mardesich: "With respect to the policyholders, it will make them whole. With respect to the investors, only time will tell."

POINT OF INQUIRY

Senator Woodall: "Will Senator Mardesich yield? Senator Mardesich, in view of the types of losses that we have, such as this Federal Old Line, investment firms such as

Sparkman and McLean, is your committee undertaking any study for remedial laws to tighten up any of these areas?"

Senator Mardesich: "We have and there is legislation which should be introduced. I do not know whether this same type of theory could apply to a company such as Sparkman and McLean because there is a little bit of a distinction. The Sparkman McLean type company, that is an investment, ostensibly for a higher than normal gain. The rates of interest are good rates of interest. However, it is my belief that we should put these companies under tougher regulation and tougher control. And if we do do that, then the people have a right to rely upon the inspections and the control which the state makes and having that to rely, much as they do with respect to banks and insurance companies, then they should be given the protection of a similar type measure such as this. We have had any number of inquiries as to whether or not this bill would cover those situations, because there are three companies that are now in a state of receivership if not insolvency and although this bill does nothing for them, I am firmly convinced that we should take action to further regulate those companies and provide protection. Any company that holds itself out as one doing business as a bank or at least gives all the appearances of such, should be under strict control."

Senator Peterson (Ted): "Would Senator Mardesich yield further? Senator, three months before Savesco went down, one of my employees invested five thousand dollars with them. At a later time, in talking to financial people they made this statement. They said that Savesco was nothing, wait until you get the aroma and the odor from McLean. When you get the odor of this it will really be something. Well I can see by some of the excerpts I am reading that there are so many companies involved and this is going to be a disastrous thing to many more people that had savings. Can anything be accomplished during this session so that we can start right in and put some protection in there and stop this because I think there is going to be more of this now?"

Senator Mardesich: "Senator Peterson, if something could be done I do not know what all it would be unless we bring these people under a very strict type of control such as now exists for banks. And it may even be that we should do that now. However, I think that the first order of business for the interim committee to come up with is a solution to that problem and if it is going as far as putting this type of company under the same sort of control as we have for banks, then it should be done because as I say, these people advertise. They have offices which look like banks, they hold themselves out as banks by using passbooks or savings books, and to the average investor, he thinks he is putting his money in a savings account in a bank. And that being the case, either we should prohibit all those practices or require that they come under the same type of control. Unfortunately this bill does not cover the problem but something should be done about it and done immediately. Incidentally and with respect to this particular bill and the Federal Old Line case, I have made a number of trips to the offices of Federal Old Line and the extent of the loss is not determinable. It could range, I have been told, between three and one-half and seven and one-half million dollars. Now what will finally come out we do not know. But at least someone is going to take a beating and I think eventually, although the policyholders will now be protected, there are going to be a lot of investors who are being hurt on that Federal Old Line case. Those were other than policyholders. And the same thing would apply to them. It is the same type of thing as happened to Savesco."

The motion by Senator Mardesich carried and the amendments to the committee amendment were adopted.

The motion by Senator Mardesich carried and the committee amendment, as amended, was adopted.

On motion of Senator Mardesich, the committee amendment to the title was adopted.

On motion of Senator Mardesich, the rules were suspended, Engrossed Senate Bill No. 17 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

SECOND READING

SENATE BILL NO. 18, by Senators Mardesich, Cooney and Twigg (by Insurance Commissioner request):

Creating the Washington Insurance Guaranty Association.

REPORT OF STANDING COMMITTEE

May 1, 1971.

SENATE BILL NO. 18, creating the Washington Insurance Guaranty Association (reported by Committee on Commerce and Regulatory Agencies):

MAJORITY recommendation: Do pass with the following amendments:

On page 1, section 3, line 27, after "claim," and before "one" strike "excluding" and insert "including"

On page 2, section 3, line 1, after "out of" and before "is within", strike "and" and insert "or"

On page 4, section 6, line 1, after "amount of" and before "any" insert "unearned premiums"

Signed by: Senators Mardesich, Chairman; Clarke, Cooney, Foley, Gardner, Huntley, Keefe, Knoblauch, McDougall, Stortini, Whetzel.

The bill was read the second time by sections.

On motion of Senator Mardesich, the committee amendments were adopted.

Senator Atwood moved adoption of the following amendment:

On page 2, section 3, line 4, strike "effective date of this chapter" and insert "first day of April, 1971"

On line 14 after "to the" strike "effective date of this chapter" and insert "first day of April, 1971"

Debate ensued.

POINT OF INQUIRY

Senator Guess: "Would Senator Atwood yield? Senator, what will this cost?"

Senator Atwood: "They estimate about a hundred thousand dollars."

Senator Guess: "And where is the money going to come from?"

Senator Atwood: "According to this bill it comes from the guaranty fund."

Senator Guess: "And who is going to put the money in the guaranty fund?"

Senator Atwood: "The insurance companies. Otherwise the home owner has zero. That is the whole purpose of the bill."

Senator Guess: "You mean insurance companies who were competing with this outfit that went . . ."

Senator Atwood: "That is the whole purpose of the bill, Senator."

Senator Guess: "Are now going to have to pick up the debts of their competitor?"

Senator Atwood: "Of the insolvent insurance company. That is the whole purpose of this particular bill and the one that we voted on prior to it."

Further debate ensued.

POINT OF INQUIRY

Senator Guess: "One other point, Senator Mardesich. Are these only citizens of the state of Washington that we are going to be bailing out now or are we going to pick them up from all over the United States?"

Senator Mardesich: "These bills run to coverage for citizens of the state of Washington who are now residents at the time of a declaration of insolvency or if the contract was drawn in this state and the person was a resident of this state when the contract was drawn. In other words, if that company was doing business in this state and wrote a policy for a citizen of this state and that citizen subsequently moved to another state, he would be covered by virtue of the fact that the contract was drawn in this state."

The motion by Senator Atwood carried and the amendment was adopted.

On motion of Senator Atwood, the following amendment was adopted:

On page 13, line 22, add a new section as follows:

"NEW SECTION. Sec. 23. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provisions to other persons or circumstances is not affected."

On motion of Senator Mardesich, the rules were suspended, Engrossed Senate Bill No. 18 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

As the message on a label we read recently said, 'Handle with prayer,' so we would handle the affairs and responsibilities before us. Now, Father, we realize that all of the decisions before this body are not easy ones. Divine direction is needed and requested. As Robert Schuller has said, so we affirm today in our prayer: 'When faced with a mountain, I will not quit! I will keep on striving until I climb over, find a pass through, tunnel underneath, or simply stay and turn the mountain into a gold mine, with God's help!' Thank You for Your love, Your power, and Your mercy. Perform in and through us Your good pleasure and guide these senators today. In Jesus' Name. Amen."

Mr. President: The House has passed ENGROSSED SENATE BILL NO. 42 with the following amendment:

MOTION

Senator Gardner moved that the Senate concur in the House amendment to Engrossed Senate Bill No. 42.

Debate ensued.

POINT OF INQUIRY

Senator Atwood: "Senator Gardner, there was a little more to it than the Senate amendment. It was providing for appeals in the county in which the burning occurs. I think if you take this off, then you have to come to Thurston county if you want to appeal the decision of the board. That was the whole purpose of that amendment. You are trying to drum up a little trade for Thurston county, are you?"

Senator Lewis: "Senator Atwood, no, we are busy enough here but this was agreed amendment by both industry, natural resources and the department of ecology and the only people left to agree are you and Senator Durkan. So I would suggest—that was a little facetious—but it appears that this is the right route to go, Senator Atwood."

The motion carried and the Senate concurred in the House amendment to Engrossed Senate Bill No. 42.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Senate Bill No. 42, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 42; nays, 5; absent or not voting, 1; excused, 1.

INTRODUCTION AND FIRST READING

ENGROSSED HOUSE BILL NO. 1082, by Representatives Bauer, Cunningham and Luders:

Providing a refund of excise taxes to owners of destroyed motor vehicles, mobile homes or travel trailers.

Referred to Committee on Transportation.

On motion of Senator Francis, the following resolution was adopted:

SENATE RESOLUTION: 1971-EX-65

By Senators Francis and Fleming:

WHEREAS, It has been the policy of the Legislature to remove discrimination because of sex wherever it is possible to do so; and

WHEREAS, It appears that discrimination may exist in the computation of retirement benefits by public retirement systems due to the use of different actuarial tables on life expectancy for men and women; and

WHEREAS, This computation results in women receiving lower benefits than men with comparable work histories;

NOW, THEREFORE, BE IT RESOLVED, By the Senate, That the State Public Pension Commission be requested to study whether or not discrimination because of sex does, in fact, exist in public retirement system benefit computations, and to make a full report of such study, together with recommendations for action, to the Forty-third Regular Session of the Legislature; and

BE IT FURTHER RESOLVED, That the Secretary of the Senate transmit a copy of this resolution to the said Public Pension Commission.

MOTION FOR RECONSIDERATION

On motion of Senator Whetzel, the motion for reconsideration by Senator Metcalf from May 1, 1971 to reconsider the vote by which Engrossed Senate Bill No. 149 passed the Senate was made a special order of business immediately following the noon recess.

MOTIONS

On motion of Senator Gissberg, Engrossed Substitute House Bill No. 584 was made a special order of business at 2:00 p.m. today.

On motion of Senator Stender, Senate Bill No. 486 was made a special order of business immediately following consideration of Engrossed Substitute House Bill No. 584.

On motion of Senator Wilson, Engrossed House Bill No. 11 was ordered to hold its place on the second reading calendar for Wednesday, May 5, 1971.

At 12:30 p.m., on motion of Senator Bailey, the Senate recessed until 1:45 p.m.

AFTERNOON SESSION

The President called the Senate to order at 1:45 p.m.

MOTION

Senator Durkan moved that Senate Bill No. 371 be referred to the Committee on Rules and Joint Rules.

Senators McDougall, Matson and Bailey demanded a Call of the Senate.

A Call of the Senate was ordered.

CALL OF THE SENATE

The Sergeant at Arms locked the doors of the Senate Chamber.

The Secretary called the roll on the call of the Senate, all members being present except Senator Clarke who had previously been excused.

On motion of Senator Greive, the Senate proceeded under the Call of the Senate.

POINT OF ORDER

Senator McDougall: "I believe that the motion made by Senator Durkan was to refer Senate Bill No. 371 to the Committee on Rules and Joint Rules and I believe that Senator Greive is talking about an amendment which was proposed by Senator Matson and myself which is not before the body."

MOTION

Senator Greive moved that the motion by Senator Durkan be amended to refer Senate Bill No. 371 to the Committee on Rules and Joint Rules with instructions.

POINT OF ORDER

Senator Woodall: "The point of order is that while recognized to speak on an existing motion, he cannot speak and then at the same time make an auxiliary motion."

PRESIDENT'S RULING

The President: "Senator Woodall's point of order is well taken."

PARLIAMENTARY INQUIRY

Senator Durkan: "Does the three-minute rule apply?"

REPLY BY THE PRESIDENT

The President: "Yes, Senator."

POINT OF INQUIRY

Senator McDougall: "Mr. President, will Senator Matson yield? Senator, inasmuch as Senator Greive spoke basically about an amendment which he and Senator Washington proposed and alluded to an amendment which you and I proposed, could you tell us the effects of rerefering this Senate Bill No. 371 back to the Committee on Rules and Joint Rules and what the effect of the amendment proposed by yourself and myself would have been?"

Senator Matson: "Senator, in order to stay within the time limit this is going to have to be somewhat brief."

MOTION

On motion of Senator Greive, the rules were suspended to allow Senator Matson to reply to the point of inquiry by Senator McDougall.

Senator Matson: "Thank you, Senator Greive. I do not talk a great deal or at any great length so I will still try to stay within the three minutes.

"I think the point here is that the vote on this motion of Senator Durkan's to refer is plain and simple a move to kill the amendment that Senator McDougall and I have proposed on Senate Bill No. 371. In essence it is almost a parallel motion against those amendments, those amendments that those of us who work in this area believe are very necessary in a labor relations act this year in the state of Washington. I suspect that perhaps the easiest way to go about this is simply to tell you that if you believe that employees of any union including an agricultural union should not have the right of secret ballot for organizational purposes, for decertification purposes, or the right of secret ballot to determine whether they will or will not strike, then I suggest you vote for Senator Durkan's motion. If you believe that farmers should not have the right to hire college students or Boeing workers on vacation or unemployment compensation, or housewives or retired people, then I suggest that you vote for Senator Durkan's motion. If you also believe that farmers can survive and

produce the food and fiber that we need in this state and in this nation without an arbitration procedure in lieu of strikes, then I suggest you vote for Senator Durkan's motion. If you also believe that the near-blackmail tactics of secondary boycott jurisdictional disputes and hot cargo deal disputes to bring about economic pressure on farmers to commit his employees to a labor union without a vote, then I suggest you again support Senator Durkan's motion.

"On the other hand, if you believe that guidelines and arbitration procedures to provide for orderly, unemotional gains in the farm labor field without the chaos and disastrous law of the jungle that is now being experienced in California, I urge that you vote against Senator Durkan's motion."

Senator Newschwander demanded a roll call and the demand was sustained by Senators Atwood, Canfield, Andersen, McDougall, Stortini, Fleming, Francis, Ridder and Connor.

ROLL CALL

The Secretary called the roll and the motion by Senator Durkan, as amended by Senator Greive, carried by the following vote: Yeas, 29; nays, 19; excused, 1.

Voting yea: Senators Bailey, Connor, Cooney, Day, Donohue, Dore, Durkan, Fleming, Foley, Francis, Gardner, Gissberg, Greive, Herr, Jolly, Keefe, Knoblauch, McCutcheon, Mardesich, Odegaard, Peterson (Lowell), Ridder, Sandison, Stender, Stortini, Talley, Walgren, Washington, Wilson—29.

Voting nay: Senators Andersen, Atwood, Canfield, Elicker, Guess, Henry, Holman, Huntley, Lewis, McDougall, Matson, Metcalf, Murray, Newschwander, Peterson (Ted), Scott, Twigg, Whetzel, Woodall—19.

Excused: Senator Clarke—1.

SENATE BILL NO. 371 was referred to the Committee on Rules and Joint Rules with instructions.

SPECIAL ORDER OF BUSINESS

The time having arrived the Senate resumed consideration of the motion by Senator Metcalf to reconsider the vote by which the Senate passed Engrossed Senate Bill No. 149 on May 1, 1971. The motion for reconsideration carried. On motion of Senator Whetzel, the rules were suspended and Engrossed Senate Bill No. 149 was returned to second reading. On motion of Senator Whetzel, the following amendment was adopted:

On page 1, section 1, beginning on line 19 of the engrossed bill, being the Senate amendment adding three sections, strike new sections 2, 3, and 4 and insert the following: "NEW SECTION. Sec. 2. The compensation of port commissioners shall be set by the port commission.

NEW SECTION. Sec. 3. Section 4, chapter 348, Laws of 1955, section 1, chapter 72, Laws of 1957 and RCW 53.12.250 are each repealed."

MOTIONS

On motion of Senator Durkan, the Senate dispensed with the Call of the Senate.

On motion of Senator Keefe, Senator Durkan was excused.

On motion of Senator Gissberg, the rules were suspended, Reengrossed Senate Bill No. 149 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

ROLL CALL

The Secretary called the roll on the final passage of Reengrossed Senate Bill No. 149, and the bill passed the Senate by the following vote: Yeas, 37; nays, 9; absent or not voting, 1; excused, 2.

(ii) constitutes an implementation of this chapter in violation of constitutional or statutory provisions; or

(iii) is arbitrary and capricious; or

(iv) was developed without fully considering and evaluating all proposed master programs submitted to the department by the local government; or

(v) was not adopted in accordance with required procedures; the board shall enter a final decision declaring the program invalid, remanding the master program to the department with a statement of the reasons in support of the determination, and directing the department to adopt, after a thorough consultation with the affected local government, a new master program. Unless the board makes one or more of the determinations as hereinbefore provided, the board shall find the master program to be valid and enter a final decision to that effect.

(b) In an appeal relating to a master program for shorelines of state-wide significance the board shall approve the master program adopted by the department unless a local government shall, by clear and convincing evidence and argument, persuade the board that the master program approved by the department is inconsistent with the policy of section 2 of this chapter and the applicable guidelines.

(c) In an appeal relating to rules, regulations, guidelines, master programs of state-wide significance and designations, the standard of review provided in RCW 34.04.070 shall apply.

(5) Rules, regulations, designations, master programs and guidelines shall be subject to review in superior court, if authorized pursuant to RCW 34.04.070: PROVIDED, That no review shall be granted by a superior court on petition from a local government unless the local government shall first have obtained review under subsection (4) of this section and the petition for court review is filed within three months after the date of final decision by the shorelines hearing board."

MOTIONS

On motion of Senator Greive, the rules were suspended and no limitation on time allowed on debate on Engrossed Substitute House Bill No. 584.

On motion of Senator Gissberg, the committee amendments to pages 4 and 5 were adopted.

Senator Gissberg moved adoption of the committee amendment to page 6.

Debate ensued.

POINT OF INQUIRY

Senator Guess: "Senator Gissberg, I do not want to interrupt your train of thought

here but I was wondering if you would accept questions during this explanation. You said that an individual who owned a lot could build a home on the lot for his own use but a developer could not. Now, who is the developer going to have to obtain the permit from?"

Senator Gissberg: "The local agency involved, whether it be a city or a county jurisdiction. However, I will get into all of those substantive matters as we go through it, probably not on the adoption of these or if you feel that I should, I can give you a rundown of what the whole bill does and then that way it may make more sense for you to follow the specific amendments. If I might do that, it might be more helpful to the Senate in understanding this whole gist of these amendments."

POINT OF INQUIRY

Senator Washington: "I do have a question on this particular amendment. Just a brief preface, one of the purposes of such an act is to prevent homes and recreation homes from being built close to waterways, particularly in the foothills and mountain section. Now would this bill allow as is now going on, small homes or even larger homes to be built right close to the water course?"

Senator Gissberg: "Yes, assuming that it otherwise met the underlying zoning requirements that would have to be adopted pursuant to this act but only if the zoning permitted that. In other words, once the master program which consists of all of the zoning, has been adopted, if that zoning for that particular area accommodated and allowed single family residences, whether it be under a planned unit development or otherwise, then the owner of a lot within that properly zoned area could construct his single family residence without a permit for doing so. But bear in mind the land itself within that shoreline area would have to be so zoned to accommodate that particular use."

Senator Washington: "But the other point, it would be possible then for them to build very close to the water course itself under the strict interpretation of this particular amendment."

Senator Gissberg: "Assuming, but only assuming that the local government and the state of Washington after going through a very laborious process had agreed that a particular site did accommodate and was in the public interest to allow it to be done."

The motion carried and the committee amendment to page 6 was adopted.

On motion of Senator Gissberg, the committee amendments to pages 7 and 8 were adopted.

Senator Gissberg moved adoption of the committee amendment to page 10.

POINT OF INQUIRY

Senator Guess: "Would Senator Gissberg yield? Senator, the last sentence of the amendment says, 'Thereafter, the department shall adopt the resubmitted program or, if the department determines that said program does not provide for optimum implementation, it may develop and adopt an alternative as hereinbefore provided'. In other words, if the county has proposed something, they have sent it in to the state and they have not approved it, sent it back, the local agency again sends something back and the state still does not adopt it, then they can make up their minds as to what the local agency is going to have, willy-nilly. Disregarding the feelings of the local area, why do we go through all of the folderol and the subterfuge of having the local agencies do anything other than do exactly what the state says in the beginning?"

Senator Gissberg: "There are several reasons, Senator, I think. Not the least of which is we are all part of the same state and I do not think that the local governments and the state government are going to be fighting this out in an arena. I think it is going to be based on reason, discussion and cooperation."

"Now, the second part of my answer to your question is that this particular section applies to shorelines of state-wide significance, which are defined under the act, of course, as lakes which are in excess of a thousand acres in size, which are really quite large and there are not too many of those in the state of Washington to begin with. And it also applies to some of the large major river systems of the state and we were surprised to learn that there were not as many of those as we thought there were. And, of course, it applies to the seacoast, the ocean beaches and parts of Puget Sound. Where I have no doubt that there is an abiding state-wide interest and an abiding state-wide concern which I think transcends the ability of the local government, at least as to those particular waters, to require the state to have the final say in connection with the development of those particular bodies of water and the uplands and wetlands associated with them. That is the philosophy of it. If you disagree with that philosophy, as some people do, then you get to the heart of it. But the Bailey amendment which we are now discussing, you see, requires further input by the department."

"As the bill came over from the House if the department did not like the plan that was submitted by the locals as to shorelands of state-wide significance, the department could say, 'No, we turn it down and that is all there is to it', and then the state would go ahead. Under the Bailey amendment the state would have to resubmit and tell the locals why they did not like their plan and then the local governments would resubmit their program, not

necessarily in the same fashion that the state says it has to be done—planning is not that rigid. It provides for flexibility and local government resubmits the program to the state.

"At that point, of course, if the state does not approve of it, as you have pointed out, the state can adopt an alternative which would be binding on the locals. But the local government could then appeal that determination to the appeals hearing board."

Senator Guess: "That was what I wanted to hear, Senator."

Senator Bailey: "Senator Guess, I come from an area of all state-wide significance and I was very interested in seeing there was at least one more bounce back before the state took over and I also, I think Senator Gissberg will reach it very shortly, but a little later, about four pages in the bill, the appeal proceeding is in that other section and so I really feel this gives us quite a bit more protection than we had before."

The motion carried and the committee amendment to page 10 was adopted.

Senator Gissberg moved adoption of the remaining committee amendments.

Debate ensued.

POINT OF INQUIRY

Senator Guess: "Senator Gissberg, in section 16, surface drilling for oil or gas is prohibited in the waters of Puget Sound north to the Canadian boundary and the Straits of Juan de Fuca on all lands within a thousand feet landward of said mark. Will you permit slant drilling?"

Senator Gissberg: "Not within the area that the bill prohibits. In order to slant drill, you would have to go back at least a thousand feet from the ordinary high water mark before you could drill and then you would have to drill down under the regulated shorelines."

Senator Guess: "Senator, you can sit in the middle of a quarter section or actually you can sit on a section of land and you can drill to all of the quarters within that section by sitting in the midpoint and this puts your drill-point, or your developer of the field sometimes as high as twenty-five hundred feet away from where you are really sitting. Now what I want to know is if this would not prohibit you from going at the thousand foot mark and then going out to the extent of the technology."

Senator Gissberg: "No, it would not. Mr. Cole has indicated publicly and otherwise that he would not approve any slant drilling within the state and his department has that authority, until such time as the technology in his opinion has progressed to the point where there is not the danger of spills of oil as such.

"But to specifically answer your question, this act only governs the breaking of the surface of the ground within a distance of one thousand feet from the high water mark landward. You cannot drill the bottom under the water nor can you drill anywhere within a thousand feet upland from the line of ordinary high water. You could, under your circumstance, go back a thousand and ten feet and slant drill."

Senator Guess: "Okay. Now, in your early explanation, I did not ask the question but now in section 15, it appears that within the shorelines this business has to do with that thirty percent of the merchantable trees which may be harvested in any ten year period. Now this gets down to bother me from the standpoint of what is a shoreline. What constitutes a body of water on which we are talking?"

Senator Gissberg: "You have to look back on page 4 of the bill and examine the definitions. Let me explain it to you this way, Senator Guess: The kind of waterways we are talking about that are covered by this act are all waterways, all streams which are at least three feet wide and a foot and a half feet deep. Now it is that size of stream that carries a mean annual flow of twenty cubic feet per second. Now anything less than that size that I just indicated is not covered by the act in any respect. But all streams and bodies of water that are larger than that, including the ocean beaches, Puget Sound, lakes in excess of twenty acres, are covered by the act. And the timber cutting provision would apply to those and within two hundred feet upland. It would apply to all those areas."

POINT OF INQUIRY

Senator Whetzel: "On the amendment on page 15 dealing with the plat, I wonder if you would explain the conditions there on the pink amendment in section 9, an amendment to page 15, section 15, says no permit will be required for a preliminary plat approved prior to April 1, 1971, if, and then there is (a), (b), (c), (d) and (e). Are those intended to all conditions or are they alternative. I am now confused."

Senator Gissberg: "(a) and (b) are alternative and the remainder are conjunctive. The reason for that, I will explain, Senator Whetzel, if I may, to the best of my ability at least.

"As the bill came over from the House, there was an exclusion which said that no permit was required for construction incident to the development of platted property which otherwise meets all requirements of state and local government for property either platted prior to the effective date of the act or for which a preliminary plat had been approved by the appropriate local government. Now this would have left it wide open, in our judgment. There are many plats in the state of Washington that have been made in shorelines which would be covered by this act which received no planning whatsoever. They received no

development as such and so that, had we accepted the bill as it came over from the House, there would have been large areas and old plats of the state which have never been implemented, trees are grown up and so forth, that would have been excluded from the act. This constituted one of the Governor's serious objections, one of his many objections to the act, and as a matter of fact, he gave us the specific language that now appears in the bill in that amendment. The amendment seeks to tighten up on which plats are excepted from the permit system. Now it does not talk about construction. In some instances as to future construction on the plats you may still be required to get permits to construct. But it seeks to get a handle on plats that are old. In other words, those old plats are going to have to come back in unless there is substantial development already on them. As to the dates that are in there, I understand that they were picked out of the air, on the somewhat specious reasoning that it was at least until April 1961 before there was any effective planning going on throughout the state and the local political subdivisions and they felt that from that date forward at least there was effective planning going on. As I say, that is the specific language of the amendment that was submitted to us by the Governor and that was one of the instances where we adopted his language."

Senator Whetzel: "For the explanation, it seems to me that subsection (b) would exclude from this act any one of the ancient plats since they would have been approved prior to April 1, 1971, as long as there had been sales of lots to purchase with reference plat, two sales of a 1905 plat, as long as those sales took place before April 1, 1971, would exempt that entire plat from this act. Do you read it that way?"

Senator Gissberg: "Yes, I do."

Senator Whetzel: "Do you think that is desirable?"

Senator Gissberg: "I think we are talking about something that is de minimus."

Senator Guess: "Senator Gissberg, in connection with subsection (9), it says, 'No permit shall be required for any development on the shorelines of the state included within a preliminary or final plat approved by the applicable state agency or local government prior to April 1, 1971.' All right. Now, what size buildings and what size developments are we considering here? For instance, would a group of people who have banded together for a condominium or to build on the oceanside, they have had the application in for a number of years, it has been approved by the local area, but it has not been approved by any higher authority. Would they be permitted to go ahead and build according to the permit they have gotten from the local government already?"

Senator Gissberg: "Assuming that the condominium was a final plat or was a plat that was approved within those time limits, they could go ahead with the consummation of their project. They would probably have a vested right if they had a valid building permit."

Senator Guess: "Even though this would be closer than two hundred feet from the water's edge?"

Senator Gissberg: "Yes."

Senator Guess: "Okay, thank you."

Senator Whetzel: "Another question. Over on page 20 in the amendment to line 6 that changes the date to December 4, 1969, this I assume relates to the Wilbour vs. Gallagher case and . . ."

Senator Gissberg: "Yes."

Senator Whetzel: "I think makes legal any fills that took place prior to December 4, 1969."

Senator Gissberg: "Yes."

Senator Whetzel: "Is there any saving provision for any pending litigation? I do not know what, other than the particular case of Wilbour vs. Gallagher and maybe that is all resolved now but is there any other . . ."

Senator Gissberg: "Subsection (4) relates to pending litigation, on lines 22 through 26 of that same page. I am sure you are aware of why we changed that date from the date May 1, 1971 to December 4, 1969. That was the date, as you pointed out, of the decision of the Supreme Court in Wilbour vs. Gallagher. To leave the date in as it came over from the House would have had the effect of rewarding those persons who, in spite of the decision, had chosen to infringe upon and impair the public rights of navigation. While at the same time it would have penalized those who, from caution or a sense of public conscience, had refrained from undertaking the infringement in spite of the Supreme Court decision, and consequently the reason for the change of the date. Incidentally, the Governor also felt that we should move the date back."

Senator Whetzel: "Are we changing the result in the Wilbour case or any other case by, I guess my question includes both the amendment to the date and the . . ."

Senator Gissberg: "Yes, I think in the entire section in subsection (3), you are, the state of Washington is giving its consent to the impairment of public rights of navigation as to those structures, improvements, docks, fills or developments which were placed in navigable waters prior to December 4, 1969. And it is a savings clause for those structures that were placed there prior to Wilbour vs. Gallagher. If it is not there, then every dock, most of industry in the state that is on the water, of course, is there illegally and subject to mandatory injunction to being removed by anyone that wants to bring the lawsuit. Consequently, that is why the savings clause is there, and the state is giving, or purports to give its consent to the impairment of the navigable rights of the public generally which are impeded by the construction of those docks and facilities that are in the navigable waters."

The motion carried and the remainder of the committee amendments were adopted.

Senator Mardesich moved adoption of the following amendment:

On page 23, section 40, line 16, strike section 40.

Debate ensued.

POINT OF INQUIRY

Senator Guess: "The guidelines that are to be developed in the hearings, are these going to be held under the Washington Administrative Code procedures?"

Senator Gissberg: "Yes, they are."

Senator Guess: "All right, I was wondering, one other thing that I did not cover a minute ago when I asked you about the platting. Can a person owning a large area, for instance, in his natural holdings now, can he sell off to individuals, not as a developer but the market say is a good market for recreational purposes and one by one he can sell these lots off in conformance with the present platting laws, does he then have to make application as a developer or does he fall under . . . do each one of the lots that are sold fall under the individual application to the local agency?"

Senator Gissberg: "I take it you are talking about plats other than the construction of anything on them?"

Senator Guess: "Yes."

Senator Gissberg: "In the first part of your question having to do with whether or not he can sell off his land, platted or otherwise, he cannot plat unless of course the master program that has been adopted accommodates a particular plat for a particular purpose. In other words, the zoning of the area may not accommodate single family residences in which he then cannot have a plat approved. That is number one. No property owner has the absolute assurance of being able to use his land for the purpose of platting it up into homesites unless it meets the requirements of the underlying zoning. I am sure Spokane county has a zoning ordinance and you do not allow a plat in an area which does not accommodate single family residences. Assuming, however, the underlying zoning did accommodate single family residences, yes, you would have to receive a permit for the development of that plat, from the standpoint that it would require at least an expenditure of a thousand dollars to put in the roads and the utilities and so on. Once that was permitted and once the plat was in, then the landowner would be perfectly free and able to do as he does now, namely sell those lots to individual purchasers, without getting any further permits from the state. But if he were going to build on twenty of them himself and sell them, then he would have to have another permit."

Senator Guess: "Now, would you look at lines 18, 19 and 20 on the first page and, keeping in mind your reply to me and using the assumption that the local agency or the state, either one, will permit construction on the privately owned shoreline, are we not then taking, in effect, that particular person's land and his right to the land away from him or unduly circumscribing the use of private property?"

Senator Gissberg: "Well, Senator, you are discussing the whole philosophy of how far either the state and/or local governments can go in the exercise of their police powers in connection with regulation of uses of land by the private owners thereof, and the doctrine of law espoused in this state as handed down by our supreme court says that so long as there remains some reasonable economic use of that land by the landowner he cannot complain that the state is taking his property for public purposes without compensation by restricting his use to all but one use.

"Now that is the law of this state. The supreme court has laid it down. We are not laying anything further down in connection with it. We cannot, in terms of this act, attempt to do so and if the master programs that are ultimately developed under this act are such that it deprives a property owner of any reasonable economic use of his property, then of course this constitutional prohibition would have been violated and the property owner would be entitled either to compensation and/or the master program would be declared to be unlawful in a court of law."

Senator Guess: "Well that is the whole crux of the question then, Senator Gissberg, as to whether or not the master plan is a reasonable plan and a reasonable circumvention of the individual's right to use his own property, and this is the thing that the bill does not completely assure me of is that we are not going to have some jurisdiction who will step over the bounds of good government and proscribe certain regulations so strict that the person will not be able to use his land to the best of his ability."

Senator Gissberg: "I think that is entirely possible and it certainly is the vogue of planning and zoning now. It is the main thrust of planning and zoning now, quite aside from this bill. Thurston county is now going through this change and the agony of planning land uses. Owners of property are finding that they are not going to be able to use the land for the purpose that they thought was the highest and best use to them but that their use is in the future going to have to accommodate itself to an orderly planned use for the benefit and orderly growth of the entire community and all of Thurston county.

"The same concepts apply to this as it does to any other planning concept that we now have on the books of this state. I would enjoin you to look at the first two lines on top of page 2 where as a part of the policy expression it is the policy of the state to provide for the management of the shorelines of the state by planning for and fostering all reasonable and appropriate uses subject, of course, to the preferential treatment that is given later on down. Obviously there must be some reasonable use available for the owner of property to use his land, otherwise it is a taking without compensation. One of the most serious objections that

I had and frankly that I now have with Initiative 43 is that in my opinion as I read it as a lawyer, it prohibits the use of any of the shorelines described in that act for use for single family residences. It is fine to use it for commercial purposes, fine to use it for port purposes and everything else but not little Joe Blow, he cannot build a house within a shoreline area under Initiative 43 and that is my strongest objection to the initiative."

Senator Guess: "Senator Gissberg, I have had some letters of question from the area which is an agricultural area lying north of Spokane, not in my district, but people who are very concerned over the use of pasture land. Is there anything in the bill which is going to limit the use of the farmer from his pasture land and can he continue to graze his cattle along the bank of a stream without having to fence the bank of the stream?"

Senator Gissberg: "Senator, the bill does not get into that kind of detail as a prohibition. It could conceivably, the departments conceivably could restrict certain lands, I would assume, for that purpose. But I cannot conceive that lands which have ordinarily been used as farm lands could be construed or planned in any fashion other than that use if the owners of the land and the local people want it to be continued for that purpose. The whole thrust of the state has been, in recent times at least, to preserve and protect those open spaces."

Senator Guess: "Senator Gissberg, again back to line 18, it says that one of the goals of it is the unrestricted construction. Now are we just talking about construction and not talking about what the farmer does on his land or if he can do . . .?"

Senator Gissberg: "There we are just saying that the state as a whole and the legislature specifically believes that there ought to be a handle on construction. That unrestricted construction for any purpose, for any reason, for any activity should be circumscribed and controlled. That is the meaning of that."

Senator Guess: "Thank you, Senator Gissberg."

Further debate ensued.

POINT OF INFORMATION

Senator Bailey: "I think we are voting on the emergency clause striking, not on the amount of property Senator Washington owns, and that would not have much to do with that, would it, Senator? Now I own property a thousand feet from the river and if they included a thousand feet I would be in it too and if they do not include a thousand feet I will not be in it so maybe I should not vote either but this is kind of a reverse sort of a conflict of interest. I do not know who would be in this bill if we all take everybody out. But right now we are voting on the emergency clause and I do not think it has anything to do with a personal interest."

The motion by Senator Mardesich failed and the amendment was not adopted on a rising vote.

Senator Whetzel moved adoption of the following amendment:

On page 21, section 31, line 26, of the engrossed bill, after "building" insert "or structure"

POINT OF INQUIRY

Senator Canfield: "Senator Whetzel, would this exclude a flagpole or a television aerial under your definition of a structure?"

Senator Whetzel: "It would if it would obstruct the view of a substantial number of residences on areas adjoining such shoreline, except where a master program does not prohibit the same and then only when overriding consideration of public interest will be served. I think we are talking about a fairly massive structure rather than something slender like that."

The motion by Senator Whetzel carried and the amendment was adopted.

On motion of Senator Holman, the following amendment was adopted:

On page 23, section 41, line 25, after "next" insert "ensuing regular" and on line 28 before "general" insert "ensuing regular"

POINT OF INQUIRY

Senator Bailey: "Would Senator Gissberg yield to a question? Senator, for the record I would like to ask you a question that we discussed in subcommittee. In your opinion, would section 3, subsection (e) (i) as amended by the Senate Natural Resources Committee amendment include the normal maintenance and reconstruction of existing railroad facilities such as repairs to road beds, and tracks, replacement of over-age bridges and replacement or up-grading of signals on railroads rights-of-way?"

Senator Gissberg: "Mr. President, Senator Bailey, yes, it is our intent to do so. Under that definition we are excluding from the permit section and from the definition of substantial development the very things that you have described and there is no intent by

the drafters of this amendment to in any way restrict the activity of the railroads that you have described which would otherwise fall within the purview of this act."

POINT OF INQUIRY

Senator Guess: "Senator Gissberg, would you yield? In section 31 which was just amended, regarding the building of structure, says, 'No permit shall be issued pursuant to this chapter for any new or expanded building of more than thirty-five feet above average grade that will obstruct the view of a substantial number of residences on areas adjoining such shoreline'. Now let me assume that there are no residences on the area behind the structure. Would this section apply?"

Senator Gissberg: "You pose a very interesting legal question of construction. I would, if I were on the bench and had the problem submitted to me without benefit of authorities, examine what the whole intent of the amendment was and it is to prohibit the obstruction of view. Notwithstanding the fact that there was no residence actually constructed behind me, if the underlying zoning of that property were such that it were zoned to accommodate residences at some future date I would hold that the construction in excess of thirty-five feet would nonetheless be prohibited."

Senator Guess: "Senator Gissberg, suppose I was the sole owner of all of the land lying back of the structure and had no intention of putting residences on the area, or that the area was so steep that at no time could residences be put on the area, would this apply?"

Senator Gissberg: "I think under that factual pattern you have demonstrated that it would not interfere or obstruct the view of any other residences. As a matter of fact, if you are on a hillside I do not know how it could."

Senator Guess: "You might have land that was of such a nature that it could be built on but at the present time it has no residences on it, yet I own it and it is not my present intention of building anything there and so I go ahead and build a property or a building structure higher than thirty-five feet. Then later on decide to sell to residential areas, the person who would buy in future years would have the opportunity of knowing that the structure was there before he bought, it seems to me that he would have been preempted from having any complaint."

Senator Gissberg: "That very well may be, Senator, but construing the whole policy provisions of the act and what this is trying to get at, I would say that it would probably be strictly construed and that could very well mean that under the factual circumstance that you have put that you could not construct such a building which would obstruct the view, potentially, of other users at some future time, whether it be twenty-five, fifty or a hundred years down the line."

Senator Guess: "Then, Senator Gissberg, could you build a structure, having ownership of the land lying back, and put into the deed or covenant that no residences shall be in the future built on the area, then would it be a permissible item?"

Senator Gissberg: "You are asking me for a lot of legal opinions, Senator, but I would say that assuming that that covenant ran with the land and there was no way that future owners could waive that covenant, then I would say that there would be no reason why you could not so construct."

Senator Guess: "Okay, thank you very much."

POINT OF INQUIRY

Senator Whetzel: "Will Senator Gissberg yield? Senator, I wonder if you would explain section 27 relating to agencies of state government, whether they come under the—this is apart from the department of natural resources which we treat as a local agency—I assume that the state agencies would not have to submit their plans to local agencies. Does this extension of the provisions of this chapter mean that they are to submit their plans to the department for approval and that they will be issuing the permits, or how is it set up in this act for the other agencies of state government?"

Senator Gissberg: "I think your question is twofold. The first part of it is relatively easy and the second part I have got to find the definition of 'person' which is in here somewhere, Senator Whetzel. The first part of it goes to the proposition as to whether or not the state particularly, and other public bodies, but particularly the state, is giving up its sovereignty for the purpose of regulating the uses of land owned by the state. And the answer is, yes, that it is giving up its sovereignty. As you know, traditionally the local planning function does not encompass the power of being able to zone effectively as against state-owned property or any state agency's property. But in that connection this act does state that publicly owned property is subject to the provisions of the act insofar as planning and use is concerned as is any other privately owned property. Now I am advised that on page 3, the definition of 'person' appears and it means, not only individuals, corporations and so on, but public or municipal corporations or agencies of the state or local government unit, however designated. Which would mean then an affirmative answer to your question and that is that it would be subject to the permit section of section 15."

Senator Whetzel: "I do not see the word 'person' in that section 15, which is what gives me some concern as to the—it just says no substantial development shall be undertaken

without a permit. It does not say no person shall undertake a development without a permit."

Senator Gissberg: "I think it is a distinction without a difference. I do not think you could have a ghost apply for a permit. The application would have to come from some thing or someone."

Senator Whetzel: "It is your intention that the state agencies would have to get a permit for substantial development on—would that apply just to the shorelines of state-wide significance?"

Senator Gissberg: "No, it would apply to all shorelines of the state."

Senator Whetzel: "In the shorelines of state-wide significance, they would apply to the department and the other shorelines they would apply to the local government, is that it?"

Senator Gissberg: "No, it is not. The entire permit section, whether it be on shorelines of state-wide significance or shorelines are submitted to the local government which is charged with the responsibility of administering the permit system, subject to the rights of appeal and so on. So as to the state piece of property, if the state wanted to build something on it within the shoreline area, whether it be of state-wide significance or local significance, it would have to apply to the local governmental unit for a permit to construct."

On motion of Senator Gissberg, the rules were suspended, Engrossed Substitute House Bill No. 584, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

SPECIAL ORDER OF BUSINESS

SECOND READING

SENATE BILL NO. 486, by Senator Stender:

Providing legislation to promote the public welfare in regard to the public highways of this state.

The time having arrived, the Senate commenced consideration of Senate Bill No. 486.

REPORT OF STANDING COMMITTEE

April 8, 1971.

SENATE BILL NO. 486, providing legislation to promote the public welfare in regard to the public highways of this state (reported by Committee on Transportation):

MAJORITY recommendation: Do pass with the following amendments:

Beginning on page 1, line 3, strike all of section 1 and insert the following new sections:

"NEW SECTION. Section 1. There is added to chapter 47.44 RCW a new section to read as follows:

The legislature finds that federal regulations governing the construction, reconstruction, repair, alteration, relocation and improvement of the national system of defense and interstate highways, funded in large part by funds of the United States, require

substantial removal and relocation of the facilities of local utilities. The removal and relocation of these facilities in Washington, necessary to serve the national need for safe interstate highways, cost millions of dollars. The congress, accepting a national interstate highway system as a national commitment to be paid for nationally, has provided federal funds to pay the great bulk of the costs—including the costs of removing and relocating utility facilities where payment of such costs is permitted by state law. Thus the cost of utility facility removal and relocation was intended to be part of the national highway commitment, rather than a burden to the utility rate payers of this state.

The legislature further finds that it is in the public interest and for a public purpose that utilities owning such facilities be paid or reimbursed for the relocation and removal costs so that federal moneys might be obtained and Washington tax and utility rate payers pay no more than their fair share for the national highway program. Receipt of federal funds will benefit utility rate payers who make up the public and will not confer a significant benefit on utility owners.

NEW SECTION. Sec. 2. There is added to chapter 47.44 RCW a new section to read as follows:

There is hereby established in the state treasury a special fund, to be known as the federal-aid utility relocation fund and to be administered by the state highway commission in accordance with the provisions of this act. The special fund is and shall be administered as a separate and special fund of a proprietary nature. There shall be appropriate accounts and subaccounts within the fund, as required by sound accounting practices, including but not limited to individual accounts for each of the several utilities making payments to the fund as hereinafter provided. The special fund shall not be a part of the general fund of the state nor of the state motor vehicle fund, and in no event shall any of the general fund or the motor vehicle fund be used in connection with this act.

NEW SECTION. Sec. 3. There is added to chapter 47.44 RCW a new section to read as follows:

Contributions and advances may be made to the federal-aid utility relocation fund by publicly, privately or cooperatively owned utilities, and shall be credited to individual accounts for those utilities. The contributions and advances shall be accepted on such terms and conditions as are appropriate for the purposes of carrying out this act. All moneys received by the fund shall upon receipt become funds of the state, subject, however, to the provisions of this act.

NEW SECTION. Sec. 4. There is added to chapter 47.44 RCW a new section to read as follows:

Moneys in the federal-aid utility relocation fund shall be used as follows:

(1) To pay the cost of administering the provisions of this act, which cost shall be equitably apportioned among and paid from the individual accounts of the participating utilities;

(2) To pay the costs of relocation and removal of utility facilities required by the construction, reconstruction, repair, alteration, relocation and improvement of interstate highways, notwithstanding any contrary provision of law or of any existing or future franchise held by any publicly, privately or cooperatively owned utility, but subject to the following limitations:

(a) No payment shall be made except in connection with the removal and relocation of facilities pursuant to highway commission order and except upon the presentation of evidence satisfactory to the state highway commission substantiating utility expenditures for removal or relocation; and

(2) No payment shall be made from the individual account of any utility which exceeds the total moneys in such individual account.

NEW SECTION. Sec. 5. There is added to chapter 47.44 RCW a new section to read as follows:

Promptly after the highway commission has paid or reimbursed a utility, in accordance with the provisions of this act, for costs of the removal or relocation of its facilities located on the federal interstate highway system, the highway commission shall apply to the United States for reimbursement of such removal and relocation costs under the provisions of section 123, Federal-aid Highway Act of 1958. Any funds received as a result of such application shall be deposited in the federal-aid utility relocation fund, and credited to the accounts of individual utilities in such amounts as the funds received represent and are attributable to federal reimbursement for state payments from those individual accounts as provided in this act.

NEW SECTION. Sec. 6. There is added to chapter 47.44 RCW a new section to read as follows:

All moneys in individual accounts shall be transmitted to the particular utilities within thirty days of their receipt by the highway commission. In the event of the discontinuance of the federal aid highway program, any moneys remaining in the federal-aid utility relocation fund, after all proper payments have been made therefrom, shall be paid to the state general fund.

NEW SECTION. Sec. 7. There is added to chapter 47.44 RCW a new section to read as follows:

The legislature intends that the provisions of this act shall be nonseverable. If any provision of this act, or part thereof, or its application to any person or circumstance is held invalid, the entire act shall be inoperative. In the event this act should be declared

unconstitutional, all contributions and advances to the federal-aid utility relocation fund shall be repaid to the utilities in proportion to their contributions and advances."

On line 1 of the title, after "highways" and before the period insert " ; providing for payment for costs of relocating utility facilities located within the right-of-way of interstate highways, when relocation is necessitated by construction of such highways; creating a special fund out of which such payments shall be made; and adding new sections to chapter 47.44 RCW"

On motion of Senator Stender, Substitute Senate Bill No. 915 was substituted for Senate Bill No. 915, the substitute bill was placed on second reading and read the second time in full.

On motion of Senator Guess, the following amendment was adopted:

On page 7, line 22 of the substitute bill following section 8 add two new sections to read as follows:

"Sec. 9. Section 47.64.030, chapter 13, Laws of 1961 and RCW 47.64.030 are each amended to read as follows:

Subject to the provisions of section 10 of this 1971 amendatory act, the [authority] state highway commission is empowered to negotiate and to enter into labor agreements with its employees or their representatives, including provisions for health and welfare benefits for its employees to be financed either wholly or in part by contributions from the operating fund. Except for establishing salary and wage schedules, the commission shall have the authority to administer labor relations and to adjudicate all labor disputes on the best interests of the efficient operation of any ferry or ferry system. In adjudicating disputes, the

commission shall take into consideration that though an individual employee shall be free to decline to associate with his fellow employees, it is necessary that he have full freedom of association, self-organization and designation of representatives of his own choosing who shall represent him in all respects before the commission to negotiate the terms and conditions of his employment and the settlement of his labor disputes. [The commission shall make such surveys of wages, hours and working conditions as it deems necessary, shall consider the prevailing practices for similarly skilled trades in the area in which the employee is employed, and shall adjust complaints, grievances and disputes concerning labor arising out of the operation of the ferry or ferry system.]

NEW SECTION. Sec. 10. There is added to chapter 47.64 RCW a new section to read as follows:

The state personnel board shall adopt and revise recommended wage and salary schedules for employees of the Washington state ferries which shall be subject to the approval of the office of program planning and fiscal management in accordance with the provisions of chapter 43.88 RCW. In adopting or revising recommended wage and salary schedules for ferry employees the state personnel board shall give full consideration to prevailing rates in other public employment and in private employment in this state and for this purpose shall have made periodic wage surveys with one such survey to be conducted each year prior to the convening of each regular session of the state legislature, the results of such wage survey to be forwarded with a recommended ferry employee salary schedule to the office of program planning and fiscal management and the Washington state highway commission for their use in preparing recommended appropriations from the Puget Sound ferry operations account to be submitted to the succeeding legislature."

Renumber the remaining sections consecutively.

Senator Whetzel moved adoption of the following amendment:

On page 2, section 1, line 18, after "amended" insert "": *PROVIDED, That proceeds of not to exceed one-eighths cent tax shall be available to be credited to the urban arterial trust account created by RCW 47.26.080 in the event revenues otherwise provided are insufficient to meet bond retirement requirements for limited obligation bonds authorized by RCW 47.26.420: PROVIDED FURTHER, That any such revenues that are required for city and county urban arterial bond retirement requirements shall be repaid to the motor vehicle fund for distribution pursuant to RCW 46.68.100 in the event additional revenues are made available for the city and county urban arterial program"*

POINT OF INQUIRY

Senator Bailey: "A question of Senator Whetzel. Senator, if we adopt this, does this mean then that we go back to our cities and say that you now have less money in the urban arterial fund because of the amendment that we are voting on here?"

Senator Whetzel: "It means this, that the urban arterial board has authorization to issue bonds for the project and their authorization is given them by statute. They have not issued them all and they get into the situation of agreeing to certain projects and then no demand is made on them for the funds because the projects do not get started. Last biennium roughly about half their money was uncommitted, although they had the authority to commit it. So this will actually put the urban arterial board in the position of being able to go a little further with their commitments to authorize additional projects to the cities and the counties but it is still within their statutory bond limits. And if they find—we do not think that they are going to get caught on this, if they do they then can draw on this fund to fulfill their commitments, and they will have to ultimately pay it back. So it is kind of a loaning in the fund to expedite the board.

"The board has held back because they have some commitments on some of these slow moving projects, from making commitments for other projects. Ultimately over the long run the gas tax that is allocated to the urban arterial board will pay all of this but this as I look on it, is a kind of an economic situation measure to see that the money that we have authorized can be spent and we did make some efforts in the transportation committee to encourage them to spend all the money and not have a lot of cash left over at the end of this particular biennium when we are so desperate to see that what state resources we have are put to use."

The motion by Senator Whetzel carried and the amendment was adopted.

On motion of Senator Murray, the following amendment was adopted:

On page 5, section 5, line 23, after "provision" insert "": *PROVIDED, That adjustments, if any, during the 1971-1973 biennium, in salaries and wages of Puget Sound ferry personnel shall not be greater than the average adjustment, if any, in salary or wages paid to personnel covered by the state employees' personnel board, comparing the 1971-1973 biennium with the current biennium"*

On motion of Senator Guess, the following amendments to the title were adopted:

On line 11 of the title, after "47.60.440:" and before "adding" insert "amending section 47.64.030, chapter 13, Laws of 1961 and RCW 47.64.030;"

On line 12 of the title before "repealing section" insert "adding a new section to chapter 47.64 RCW;"

On motion of Senator Stender, the rules were suspended, Engrossed Substitute Senate Bill No. 915 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Preserving seniority of teachers transferring from private schools in state to state's common school system.

REPORT OF STANDING COMMITTEE

March 23, 1971.

SENATE BILL NO. 267, preserving seniority of teachers transferring from private schools in state to state's common school system (reported by Committee on Education):

MAJORITY recommendation: Do pass with the following amendments:

On page 1, section 1, line 8, after "shall retain" strike the remainder of the act and insert "up to a maximum of five years such seniority as to years of service as such employee had in the previous position. If the school district to which such employee transfers has a different system for computing such seniority as to years of service, the employee shall be granted the same seniority up to a maximum of five years as a person in that district who has similar occupational status and total years of service: PROVIDED, That nothing within this section shall preclude the board of directors of the school district from recognizing more than five years of previous service in a private school system."

On page 1, line 1 of the title after "certificated employee" strike "in the common schools" and insert "transferring from private to public school systems"

Signed by: Senators Francis, Chairman; Fleming, Gardner, Metcalf, Murray, Newschwander, Odegaard, Peterson (Ted), Ridder, Washington.

The bill was read the second time by sections.

On motion of Senator Metcalf, the committee amendment to page 1, section 1, line 8 was not adopted.

Senator Metcalf moved adoption of the following amendment:

On page 1, section 1, beginning with line 9 strike all the matter down to and including "service." on line 14 and insert "position on the salary schedule as if he had been in public school service."

POINT OF INQUIRY

Senator Woodall: "Would Senator Metcalf yield? As I understand this bill then, is not a part of your salary increment based on the theory that the laborer has faithfully served the master or the employer and so when a person has been with you for say three years or whatever time it is, they get an automatic increment? Is not that correct?"

Senator Metcalf: "I would hope that in the school system your increment is based on the fact that since you had taught for one or two or three years you were a better, more experienced teacher and did a better job. That is the concept I have always had, not a sort of payment for faithful service. Now I suppose it can be interpreted any way but I would interpret it the way I mentioned."

Senator Woodall: "Then what is the purpose of mandating the local school authority to say that if they wish to hire someone from a private school they are automatically mandated to pay them their first year with the new school district the same as if they were with them for the sixth year? What is the purpose of that?"

Senator Metcalf: "The problem today is that when a teacher with three years' experience in the private school transfers to a public school, he starts as if he were fresh out of college with no experience.

"This bill would authorize or require that he be paid for the third year on the salary schedule. Now the school district still does not have to hire him. You know, they do not have to hire him. But if they hire him they have to recognize, not his seniority but his steps on the salary schedule as though he were a public school teacher. That is the purpose of this bill."

Senator Woodall: "Then, will that not encourage school teachers to leave the private schools which are already having problems and have them move over where they are guaranteed an accelerated rate of employment?"

Senator Metcalf: "Senator Stender asked this same question and I think it might have that effect, encouraging teachers in private schools to leave, but it would also have the reverse effect, so it is a trade off. It would also have the effect of giving the teacher an incentive or allowing a teacher to teach in the private schools for two or three years and not be denied that. So I think there might be effects which might harm the private schools in getting people but it would also help them. I think on balance it would tend to help them."

POINT OF INQUIRY

Senator Canfield: "Senator Metcalf, it would appear to me that if you would want a bill like this passed, we ought to have some data on the salary schedules of private schools as compared with public schools. Now I am no authority on private school salaries but my impression from what I do know is that they are substantially below the salaries paid in public schools. I am talking now about the elementary, I am not talking about MIT or Harvard."

Senator Metcalf: "I think you are correct."

Senator Canfield: "All right. So now if we would encourage the teachers in the private schools to come to the public schools and bring their seniority with them, would not we be

in effect perhaps doubling their salary when they make the transfer, or at least giving them a very substantial increase in salary, and I am just wondering why the public schools should have to pick up the tab for that kind of a transfer."

Senator Metcalf: "I think it would have the effect, if they moved into the public school, of perhaps in some cases a dramatic increase in salary, but this is up to the local school board. If they find a person who they think is of the quality necessary or of the quality that they want, and want to hire him at that salary schedule, then they can hire him. If they do not, and today there are many other applicants for the job, probably without experience, that they can get for a lower price."

POINT OF INQUIRY

Senator Woodall: "Would Senator Metcalf yield further? Senator, is there anything to preclude a school board from offering a candidate the salary which they wish to offer? I do not believe their hands are tied by any salary schedule like you are referring to. If the school district wanted you to teach, couldn't they make you an offer?"

Senator Metcalf: "Mr. President and members of the Senate—Senator Ridder and others correct me if I am wrong, but I do not think they can make you an offer at all. I think you are right on the salary schedule. There is no bargaining there. I believe that they cannot."

Further debate ensued.

The motion by Senator Metcalf carried and the amendment was adopted.

On motion of Senator Metcalf, the following amendment by Senators Metcalf and Ridder was adopted:

On page 1, section 2, line 15, add a new section 2 as follows:

"Sec. 2. Section 26, page 364, Laws of 1890 as last amended by section 27, chapter 283, Laws of 1969, 1st ex. sess. and RCW 28A.58.100 are each amended to read as follows: Every board of directors, unless otherwise specially provided by law, shall:

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Senate Bill No. 256, and the bill passed the Senate by the following vote: Yeas, 44; absent or not voting, 4; excused, 1.

Voting yea: Senators Atwood, Bailey, Canfield, Connor, Cooney, Day, Donohue, Dore, Durkan, Elicker, Foley, Francis, Gardner, Gissberg, Greive, Guess, Henry, Herr, Holman, Huntley, Jolly, Keefe, Knoblauch, Lewis, McDougall, Matson, Metcalf, Murray, Newschwander, Odegaard, Peterson (Lowell), Peterson (Ted), Ridder, Sandison, Scott, Stender, Stortini, Talley, Twigg, Walgren, Washington, Whetzel, Wilson, Woodall—44.

Excused: Senator Clarke—1.

ENGROSSED SENATE BILL NO. 256, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

HOUSE BILL NO. 307, by Representatives Flanagan, Kiskaddon, Brouillet and Luders:

Extending two-mill shift for schools.

The bill was read the second time by sections.

Senator Durkan moved adoption of the following amendment:

On page 1, section 1, line 14 after "twenty-two" and before "mills" insert "and one-quarter"

On page 1, section 1, after "and" in line 16 insert "[twenty-one mills on the dollar of assessed valuation with respect to levies made]"

POINT OF INQUIRY

Senator Elicker: "Would Senator Durkan yield? Would this apply to school districts?"

Senator Durkan: "Yes, it would."

Senator Elicker: "Is not it true that under our formula that actually they are paying for something they are not getting? In other words, the increases due to revaluation do not really affect the school district because of the apportionment formula being deducted from the 365. . . ."

Senator Durkan: "That is not correct. I mean the schools benefit by the increased valuation on the levy."

Senator Elicker: "On special levy?"

Senator Durkan: "Yes."

Senator Elicker: "But under the regular. . . ."

Senator Durkan: "No, that is correct. But they do benefit and they benefit on their special levies, of which is the majority of the tax bills now."

POINT OF INQUIRY

Senator Peterson (Ted): "Will Senator Durkan yield? In other words, Senator, this takes care of the additional moneys and gives you how much over?"

Senator Durkan: "About two million. But it permits the revaluation to go forward; rather than the state paying for local revaluation, we are saying to the local taxing district, 'You are going to be required to pay for it yourself.'"

POINT OF INQUIRY

Senator Guess: "Will Senator Durkan yield? Senator, in addition to two million dollars, how much more is it going to raise?"

Senator Durkan: "Senator, the total amount that it will raise is about \$8.3 million and that will pay for the revaluation program which is about \$4.9 million, plus there will be about \$2.6 million additional amount that is available to the state government out of the one-quarter levy. There is an amendment that provides that in the event House Joint Resolution No. 30 passes, which is a study of the entire taxing program in the state of Washington, that amount that is raised by this special levy, one hundred and fifty thousand dollars so much thereof can be used for that study."

Senator Guess: "Senator Durkan, does this have a terminal date?"

Senator Durkan: "It does have because Initiative No. 44 will terminate it for us. There will not be any problem about it, when Initiative No. 44 takes place, it will cut it off immediately."

POINT OF INQUIRY

Senator Wilson: "Will Senator Durkan yield? What would be the effect on a county which is not participating in the state revaluation program but is doing it with its own assessor's staff, and secondly on a county which has completed its state revaluation program?"

Senator Durkan: "First, it would be a state-wide assessment so they would have to pay. The question of getting it back to them on the basis of the revaluation law which is already on the books, it would be difficult. But you want to remember that those who have finished, used state funds to pay for that."

POINT OF INQUIRY

Senator Holman: "Mr. President, I support this amendment and I think it should be borne in mind that the department of revenue had a bill in here which we considered for quite a while in the committee on revenue and taxation and also in the ways and means committee, 587, which was designed to raise the money for the county by in effect prorating the costs of assessment functions. I assume, this is a question of Senator Durkan. With this amendment we can assist the counties in getting this under way and finished and we would not need to use that 587. Is that correct?"

Senator Durkan: "That is exactly the purpose of this amendment, Senator Holman."

The motion by Senator Durkan carried and the amendment was adopted.

On motion of Senator Durkan, the following amendments were adopted:

On page 2, section 1, line 12, after "four" and before "mills" insert "*and one-quarter*"

On page 2, section 1, line 13, after "state" and before "and of" insert "*and of which one-quarter of a mill shall be used exclusively for support of a program of revaluation of property for purposes of taxation and for support of legislative investigations of the property tax,*"

On page 3, section 2, line 15, after "state" and before "adjusted" insert "*and in 1971 and 1972 the state shall levy for collection in 1972 and 1973 respectively for the support of the program of revaluation of property pursuant to chapter 84.41 RCW as now or hereafter amended, and for legislative investigations related to the property tax, a tax of one-quarter of one mill*"

On motion of Senator Atwood, the following amendment was adopted:

On page 3, line 21, insert a new section as follows:

"Sec. 3. Section 28A.48.110, chapter 223, Laws of 1969 ex. sess. and RCW 28A.48.110 are each amended to read as follows:

In each calendar year in which the state shall collect a property tax for the support of common schools, the superintendent of public instruction shall distribute the proceeds of such tax to each school district of the state operating a program approved by the state board of education, in the manner provided in this section.

Except as hereinafter provided, the amount to be distributed to each school district in each year shall be a fraction of the total amount available for distribution, the numerator of which fraction shall be the assessed valuation of all taxable property in such school district adjusted to fifty percent of true and fair value thereof in accordance with the ratio of assessed valuation to actual valuation fixed by the state department of revenue, and the denominator of which fraction shall be the aggregate valuation of taxable property in all school districts entitled to a distribution under this section adjusted as to the property in each such district to fifty percent of true and fair value thereof in accordance with the ratio of assessed valuation to actual valuation fixed by the state department of revenue: PROVIDED, That each nonhigh school district shall receive only three-fifths of the amount

otherwise distributable to a school district as provided above and the remaining two-fifths of such amount shall be distributed to the high school district fund of the county in which the nonhigh school district is located.

The superintendent of public instruction shall make the distribution of funds authorized in this section on or before the tenth day of each month by prorating the funds available on such distribution dates to the school districts entitled thereto: *PROVIDED, That funds otherwise distributed in the month of June of each odd-numbered year shall not be distributed until the tenth day of July of such year and shall be accounted for by the state as expenditures for the ensuing fiscal biennium.*"

Remember the remaining section consecutively.

On motion of Senator Atwood, the following amendment to the title was adopted:

On page 1, in line 1 of the title after "taxation;" and before "amending" insert "amending section 28A.48.110, chapter 223, Laws of 1969 ex. sess. and RCW 28A.48.110;"

On motion of Senator Atwood, the rules were suspended, House Bill No. 307, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

ROLL CALL

The Secretary called the roll on the final passage of House Bill No. 307, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 34; nays, 9; absent or not voting, 5; excused, 1.

Voting yea: Senators Andersen, Atwood, Bailey, Canfield, Cooney, Donohue, Fleming, Foley, Francis, Gardner, Gissberg, Greive, Guess, Henry, Herr, Holman, Jolly, Keefe, Knoblauch, Lewis, McDougall, Mardesich, Matson, Metcalf, Murray, Peterson (Lowell), Peterson (Ted), Ridder, Sandison, Scott, Stortini, Walgren, Washington, Whetzel—34.

Making larceny by check constitute grand larceny.

MOTION

Senator Andersen moved that Engrossed House Bill No. 244 be referred to the Judiciary Committee.

Debate ensued.

POINT OF INQUIRY

Senator Lewis: "Would Senator Walgren yield? Senator, I know of your great and lengthy experience in this area and I feel that you are eminently qualified to comment on this bad check bill and I wonder if you would comment about the operation of the bill as you understand it and how it would work and comment briefly perhaps on Senator Andersen's remarks, if you would."

Senator Walgren: "First let me say that I am not quite as experienced as Senator Andersen is, having come from a larger city where they do a lot more of this type of thing than they do from the very small community from whence I come. But as I understand the law on the twenty-five dollar checks, for instance, there was a question of whether or not there were three twenty-five dollar checks written in three different counties, who had jurisdiction. My conclusion is that each county has jurisdiction over this particular check for a grand larceny charge. I think that is what you were referring to, Senator Lewis. Each county would have jurisdiction."

The motion by Senator Andersen carried and Engrossed House Bill No. 244 was referred to the Judiciary Committee.

There being no objection, the Senate returned to the seventh order of business.

The commission may, acting through the director, issue permits for the taking or capture of managed marine mammals for scientific research, display, or propagation purposes: PROVIDED, That a managed marine mammal may be taken without permit when it constitutes a threat to human life or is causing substantial damage to private property.

SECOND READING

SENATE BILL NO. 622, by Senator Walgren:
Relating to unemployment.

REPORT OF STANDING COMMITTEE

March 26, 1971.

SENATE BILL NO. 622, relating to unemployment (reported by Committee on Labor and Industrial Insurance):

MAJORITY recommendation: Do pass with the following amendments:

On page 1, following the enacting clause strike the remainder of the bill and insert the following:

"Section 1. Section 19, chapter 2, Laws of 1970 ex. sess. and RCW 50.04.323 are each amended to read as follows:

(1) Any payments which an individual has claimed, is receiving or has received under a government and/or a private retirement pension plan to which a base year employer has contributed on behalf of such individual, shall be deemed remuneration under this title for the purpose of determining eligibility and the amount of weekly benefits to which such an individual is entitled: PROVIDED, That in no event will old age and survivors insurance benefits, under the provisions of Title II of the federal social security act, as amended, serve to reduce an individual's weekly benefit amount: AND PROVIDED FURTHER, That retirement pensions which are based in full on wage credits earned prior to the base year, and which have been applied for and approved, shall not be deemed remuneration for the purposes of this title.

(2) Payments claimed or received under a government and/or a private pension plan shall not be considered wages subject to contributions under this title nor shall such payments be considered in determining base year earnings of the individual /

(3) In the event a retroactive retirement or pension payment covers a period in which an individual received benefits under the provisions of this title, the excess paid over the amount to which he would have been entitled had such retirement or pension payment been considered, as provided in subsection (1) above, shall be recoverable under RCW 50.20.190: PROVIDED, HOWEVER, That any amounts which have been deducted from the weekly benefit amount by reason of the provisions of this section shall not be available for future benefits: PROVIDED FURTHER, That no payments received on account of temporary or

things go to the pension committee? I thought we had a pension committee to handle these things."

Senator Walgren: "I think it primarily applies to unemployment compensation. At least that was my intent when I had the amendment prepared and the amendment was prepared by the employment security department."

Senator Canfield: "The underlined material refers to retirement pensions."

Senator Bailey: "Maybe I could answer that and Senator McDougall's question. Last year when we were in the Governor's office working out the unemployment compensation bill, you remember that when you retired you drew fifty-two weeks of unemployment compensation. Labor at that time offered to eliminate that part. The Governor came back and offered a different proposal and that was when you retire, you would be allowed to draw the difference between what you would have in unemployment compensation and what you were drawing on retirement. In other words, if your retirement benefit was not equal to unemployment compensation, you could draw the difference. This was a concession they made in the writing of the bill, and it was our general idea that we would take care of service pensions too as they came out, because most veterans of that type have always been under unemployment compensation under the old law."

"When the bill came out, we got so entangled on other things that there was absolutely no allowance for people retiring. Now this is where this bill comes in, Senator Canfield. People retiring from federal service had no allowance for unemployment compensation which they had always had before. Senator Walgren here is trying to put them on the same basis as any other citizen retiring. They would get the difference between their retirement and that which would be coming to them under unemployment compensation. Now if they are making more retirement than they would get unemployment compensation, I trust they would not get any unemployment compensation, but this puts them on a par with a civilian or any other worker in the state."

The motion for reconsideration by Senator McDougall carried.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 545, by Committee on State Government:
Providing for management surveys by legislative budget committee.

REPORT OF STANDING COMMITTEE

March 24, 1971.

SUBSTITUTE HOUSE BILL NO. 545, providing for management surveys by legislative budget committee (reported by Committee on State Government):

MAJORITY recommendation: Do pass with the following amendments:

On page 3, section 3, line 6, after "section" and before "of" strike "2" and insert "3"

On page 6, section 4, line 21, strike "[i]" and insert "(i)"

On page 6, section 4, strike lines 24 through 27 and insert the following:

Signed by: Senators Walgren, Chairman; Atwood, Day, Elicker, Gardner, Jolly, Newschwander.

The bill was read the second time by sections.

On motion of Senator Walgren, the committee amendment to page 3 was adopted.

On motion of Senator Atwood, the committee amendment to page 6, section 4, line 21 was adopted.

On motion of Senator Atwood, the committee amendment to page 6, section 4, striking lines 24 through 27 was not adopted.

On motion of Senator Mardesich, the following amendment was adopted:

On page 6, line 23, after "state" insert "*PROVIDED, That nothing in this act shall be construed to grant the state auditor the right to perform performance audits. A performance audit for the purpose of this act shall be the examination of the effectiveness of the administration, its efficiency and its adequacy in terms of the programs of departments or agencies as previously approved by the legislature. The authority and responsibility to conduct such an examination shall be vested in the legislative budget committee as prescribed in section 3 of this act*"

POINT OF INQUIRY

Senator Bailey: "Will Senator Mardesich yield? Senator Mardesich, I had to be off the floor for a minute and I want to ask you a question about the intent of your amendment to the State Auditor's audit right. Do you infer here that he has no powers of state audit, rather than post audit?"

Senator Mardesich: "Well, I do not think that is the inference of that at all. No, it is that he should not perform performance audits."

Senator Bailey: "Is it your intent that he continue then to perform audits in all manners and except performance audits, that he check on the spending of public moneys?"

Senator Mardesich: "That is correct, although it is my firm belief that we should even do something about the post audit function. It should become a legislative function. His should rather be merely a matter of bookkeeping, checking the books for truth and veracity."

Senator Bailey: "It is not your intent though that the post audit functions are bothered by this amendment?"

Senator Mardesich: "No, but I think that strict reading of the amendment would not allow that at all. If it would, I would say that it was my intent, but it is not my intent."

Senator Bailey: "A strict reading of the amendment would not allow what at all?"

Senator Mardesich: "It is not a prohibition against the Auditor doing the post audit function."

On motion of Senator Walgren, the rules were suspended, Substitute House Bill No. 545, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

ROLL CALL

The Secretary called the roll on the final passage of Substitute House Bill No. 545, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 37; nays, 7; absent or not voting, 5.

Debate ensued.

POINT OF INQUIRY

Senator Canfield: "I wonder if Senator Clarke would yield to a question? Senator, this is catching both of us a little unawares but in regard to this bill, you remember you were on a conference committee having to do with trespass and access to public lands and the like and remember you submitted a report which was adopted by the body. Does this particular bill infringe upon the decision that we made prior on this other bill? Does this allow for trespass or does this conflict with this other bill?"

Senator Clarke: "I am sorry to state that without further study, I am not in a position to answer that question."

POINT OF INQUIRY

Senator Canfield: "Would Senator Lowell Peterson yield to the same question?"

Senator Peterson (Lowell): "Senator, I do not believe there is any connection. I do not think there is anything in the bill that is permissive along this line. However, if you would care to put the bill down on the calendar we would be glad to check into it."

Senator Canfield: "Just wherever you wish, Senator. I have no objection to the bill if that matter is covered."

MOTION

On motion of Senator Peterson (Lowell), Engrossed House Bill No. 394 was ordered placed on the third reading calendar following consideration of House Bill No. 860.

THIRD READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 93, by Committee on Medicine, Dentistry and Health Care, Air and Water Pollution:

Establishing the Washington Commission for the blind.

The Senate resumed consideration of Engrossed Substitute Senate Bill No. 93 on third reading. The motion for reconsideration by Senator Andersen having carried on May 4, 1971 on the vote by which the Senate passed the bill.

MOTION

Senator Andersen moved that Engrossed Substitute Senate Bill No. 93 be referred to the Committee on Ways and Means.

PERSONAL PRIVILEGE

Senator Bailey: "I am going to support the motion for reconsideration but I think it should be in the record that the Senate of the State of Washington supported the request of the blind people in asking for a commission. I think it also should be in the record that this has been in the Rules Committee, has come out of the other committee after lengthy hearings in Senator Day's committee. It has been in the Rules Committee for a long time, that the Lieutenant Governor tried to get it out of the Rules Committee many times for the blind people and that we passed the bill yesterday. Then we discovered that the Department of Social and Health Services has now discovered it has a great financial impact and it would seem to me like if there is any burden that the blind people should place on anyone, it should be placed on the Department of Social and Health Services."

PERSONAL PRIVILEGE

Senator Andersen: "I suppose I am one of the great warriors against the department when it comes down to that because I guess I fight with them as much as anybody but I would respectfully point out that the fiscal impact or the potential adverse fiscal consequences the passage of this bill would bring with it were revealed to me by the assistant attorney general assigned to the department. So while there may be something they should have done some place along the line, the point is that they were the people who made it possible to correct this problem before we faced the problem. I am certainly very pleased that they did come forward with this information and that they did research the matter last evening while this bill was in the Senate for consideration.

"So in view of the adverse fiscal impact on the blind program in loss of federal funds, I again ask that the members of this body join me in my motion to re-refer this bill to the Senate Ways and Means Committee. And, Senator Bailey, the bill has already been reconsidered and it is before us on the third reading for the motion for referral at this point."

The motion by Senator Andersen carried and Engrossed Substitute Senate Bill No. 93 was referred to the Committee on Ways and Means.

SIGNED BY THE PRESIDENT

The President signed:
 SENATE BILL NO. 42,
 SENATE BILL NO. 472,
 SENATE BILL NO. 858,
 HOUSE BILL NO. 53,
 HOUSE BILL NO. 133,
 HOUSE BILL NO. 222,
 SUBSTITUTE HOUSE BILL NO. 379,
 SUBSTITUTE HOUSE BILL NO. 562,
 HOUSE BILL NO. 575,

 HOUSE CONCURRENT RESOLUTION NO. 7.

MOTION

On motion of Senator Durkan, Engrossed House Bill No. 372 was made a special order of business for 11:30 a.m. today.

There being no objection, the Senate returned to the seventh order of business.

SECOND READING

ENGROSSED HOUSE JOINT RESOLUTION NO. 47, by Representatives Bluechel, O'Brien, Hoggins and Kiskaddon:

Amending Article VII, section 2 of the Constitution.

The Senate resumed consideration of Engrossed House Joint Resolution No. 47 on second reading.

Senator Holman moved adoption of the following amendment:

On page 1, line 12, after "money" and before the colon insert "*as determined by law*"

POINT OF ORDER

Senator Canfield: "I raise a point of order in that the amendment by Senator Holman enlarges the scope and object of the bill. The bill under consideration refers to the forty mill law, Article VII, section 2 and the amendments thereto, and as I read the amendatory document on the sheet it includes a number of taxes including, you might say, tax reform in general. Therefore, Mr. President, I suggest that it does indeed enlarge the scope and object of the bill."

There being no objection, the Senate returned to the fifth order of business.

On motion of Senator Andersen, the following resolution was adopted:

SENATE RESOLUTION: 1971-EX-68

By Senators Andersen, Connor, Whetzel and Dore:

WHEREAS, On April 29, 1971, the State of Israel celebrated the Twenty-third Anniversary of the reestablishment of the Jewish State; and

WHEREAS, In the past twenty-three years, the State of Israel has created a spiritual and cultural center whose influence has been felt in many countries of the world; and

WHEREAS, Israel has extended cooperation and friendship to many states in Africa, Asia, and Oceanic Islands and South America, most of which are also newly emerged nations, by the sharing of its experience and knowledge in the fields of health and medicine, science and technology, as well as many others; and

WHEREAS, The young State of Israel has made tremendous strides in all aspects of its national life through perseverance, determination and arduous effort, bringing to many the opportunity for a new life and renewed hope in the land of their forefathers; and

WHEREAS, The Israeli institutions and way of life are firmly grounded on democratic principles making the State of Israel a part of the free world; and

WHEREAS, The State of Washington is honored by the presence of Consul General David Ben-Dov, who is here to attend the celebrations in honor of Israel's Twenty-third Anniversary;

NOW, THEREFORE, BE IT RESOLVED, By the Senate of the State of Washington, that the members do hereby commemorate the occasion of the Twenty-third Anniversary of the State of Israel, do hereby commend the State of Israel and its people for their many great accomplishments and their fervent desire for peace among all people, and the members extend best wishes to Israel for many happy returns of this historic occasion and for many more great accomplishments in the future; and

BE IT FURTHER RESOLVED, That the Secretary of the Senate transmit suitably prepared copies of this resolution to Consul General of Israel David Ben-Dov; Benjamin S. Asia, President of the Jewish Federation and Council of Greater Seattle; Judge Solie Ringold, Chairman of the Community Relations Department of the Jewish Federation; Sydney A. Abrams and Dr. Cyrus Rubin, National Committeemen of American Israel Public Affairs Committee.

APPOINTMENT OF SPECIAL COMMITTEE

The President announced the presence within the bar of the Senate of Consul General of Israel, David Ben-Dov and appointed a special committee consisting of Senators Andersen, Connor, Whetzel, Dore and Keefe to escort the honored guest to a place of honor upon the rostrum.

With leave of the Senate, business was suspended to permit Consul General Ben-Dov to address the Senate.

MOTION

At 11:20 a.m., on motion of Senator Bailey, the Senate recessed until 12:50 p.m.

AFTERNOON SESSION

The President called the Senate to order at 12:50 p.m.

MOTION

At 12:50 p.m., on motion of Senator Greive, the Senate recessed until 2:30 p.m.

SECOND AFTERNOON SESSION

The President called the Senate to order at 2:30 p.m.

MOTION

On motion of Senator Gissberg, Engrossed House Bill No. 372 was referred to the Committee on Rules and Joint Rules.

ENGROSSED HOUSE JOINT RESOLUTION NO. 47, by Representatives Bluechel, O'Brien, Hoggins and Kiskaddon:

Amending article VII, section 2 of the Constitution.

The Senate resumed consideration of Engrossed House Joint Resolution No. 47, the pending amendment to page 1, line 12, by Senator Holman and the point of order as raised by Senator Canfield.

RULING BY THE PRESIDENT

The President: "The President in ruling upon the point of order as raised by Senator Canfield, finds that Engrossed House Joint Resolution No. 47 is a measure which deals with the number of voters necessary to validate a special levy and the percentage of favorable votes to pass a special levy. Although the amendment as proposed by Senator Holman deals with the same subject, it also contains an income tax proposal and therefore does increase the scope and object of the bill. The point of order as presented by Senator Canfield is well taken."

The amendment by Senator Holman was ruled out of order.

PERSONAL PRIVILEGE

Senator Holman: "Mr. President, I am sure it must have been unintentional but this is the first time in my experience in either body in the short period of five years when a point of order has been made against someone's bill or amendment and the Chair has ruled upon it without permitting the sponsor of the amendment to speak on the point of order. I think this is something that the people of this state will not appreciate, especially when it has to do with a matter as serious as tax reform. The second part of my point of personal privilege is that scope and object is usually a parliamentary device to shut off debate. It is usually made by those who are unfriendly either to the bill or the sponsor."

REPLY BY THE PRESIDENT

The President: "Senator Holman, in answer to your remarks, the President wishes to assure you that he did not realize that was the particular situation. However, if true, the President would gladly extend you the privilege of speaking upon the point of order and if your remarks are of such a nature to convince the President, the President would be more than willing to change the decision just announced."

There being no objection, the rules were suspended, Engrossed House Joint Resolution No. 47 was advanced to third reading.

SECOND READING

ENGROSSED HOUSE BILL NO. 491, by Representatives Hoggins, Cunningham, Shera, Brouillet, Marsh, Mentor, Sawyer, Backstrom and Bauer (by Superintendent of Public Instruction request):

Mandating state board of education to implement, by rule or regulation, vocational education programs in school districts.

The Senate resumed consideration of Engrossed House Bill No. 491 as amended on May 4, 1971, and the pending amendment by Senator Ridder.

The motion by Senator Ridder carried and the amendment as proposed on May 4, 1971 was adopted.

MOTIONS

On motion of Senator Andersen, Senators Gissberg and Andersen were excused.

Senator Murray moved adoption of the following amendment:

On page 1, after section 1 add new sections as follows:

“NEW SECTION. Sec. 2. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.72 RCW a new section to read as follows:

There is hereby established, under the authority of the superintendent of public instruction, an educational mediation and conciliation service, hereinafter in this 1971 amendatory act referred to as the service. The service shall be under the direction of a Washington state education conciliation director, hereinafter in this 1971 amendatory act referred to as the director, who shall have had substantial experience in the field of conciliation and mediation of disputes involving employee relations, and who shall be appointed by the superintendent of public instruction and shall be exempt from the provisions of chapter 41.06 RCW, the state civil service law. The director shall appoint the staff for the service, subject to the approval of the superintendent of public instruction.

The state board of education is empowered and directed to adopt, with the advice of the superintendent of public instruction and the director, rules and regulations necessary for the administration of section 3 of this 1971 amendatory act, the same to be in conformity with such section's intent and purpose.

NEW SECTION. Sec. 3. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.72 RCW a new section to read as follows:

If agreement is not reached between the board of directors of a school district and an employee organization on any matter to which the employee organization has negotiating rights, either party to the negotiations, forty-eight hours after serving written notice of its intended action to the other party, may request that the director appoint a mediator to assist in the resolution of the disagreement. The director shall forthwith appoint a mediator as requested, to enter the negotiations process in that school district.

If a mediator is appointed, the parties shall furnish all information and documents relevant to the negotiations dispute requested and shall attend as requested all hearings scheduled by him. Neither party shall be bound in their subsequent negotiations by the conciliation efforts of the mediator.

From the time of the written notice of intent to invoke the procedures of this section until five days after the first conference of the mediator with both parties, neither party shall take any action adverse to the position of the other party or its members.

NEW SECTION. Sec. 4. Section 28A.72.060, chapter 223, Laws of 1969 ex. sess., section 3, chapter 52, Laws of 1969 ex. sess. and RCW 28A.72.060 are each hereby repealed.”

POINT OF ORDER

Senator Ridder: “I believe that getting into this subject at this time—this started out as a simple bill on vocational education and my amendment was to that end and now we are getting into professional negotiations which is in a completely different section of RCW's and I think it enlarges the scope and sequence of this bill.”

RULING BY THE PRESIDENT

The President: “The President believes that the remarks of Senator Ridder are correct and therefore the amendment proposed by Senator Murray does, in the opinion of the President, increase the scope and object of the measure. Therefore, the point of order as presented by Senator Ridder is well taken.”

The amendment by Senator Murray was ruled out of order.

Senator Murray moved adoption of the following amendment:

On page 1, section 2, line 12, insert as sections 2-13 the following:

Sec. 2. Section 28A.72.010, chapter 223, Laws of 1969 ex. sess. and RCW 28A.72.010 are each amended to read as follows:

It is the purpose of this chapter to strengthen methods of administering employer-employee relations through the establishment of orderly methods of communication and procedures for resolving disputes between certificated employees and the school districts by which they are employed.

Sec. 3. Section 28A.72.020, chapter 223, Laws of 1969 ex. sess. and RCW 28A.72.020 are each amended to read as follows:

"Chief administrative officers" shall mean the superintendent, deputy superintendents, administrative assistants to the superintendent, assistant superintendents, the business manager, the director of personnel and board negotiators as provided for in section 5 of this 1971 amendatory act.

"Established administrative channels" shall mean those procedures adopted by the board of directors of a school district under section 5 of this 1971 amendatory act for utilizing chief administrative officers of the district to meet and confer with representatives of the employee organization prior to the meeting, conferring or negotiating with the board of directors, or a committee thereof, or its designated representatives.

Sec. 4. Section 28A.72.030, chapter 223, Laws of 1969 ex. sess. and RCW 28A.72.030 are each amended to read as follows:

Representatives of an employee organization, which organization shall by secret ballot have won a majority in an election to represent the certificated employees within its school district, [shall have the right,] after using established administrative channels, shall have the right to meet, confer and negotiate with the board of directors of the school district or [a committee thereof] its designated representatives [to communicate the considered professional judgment of the certificated staff] prior to [the] final adoption by the board or chief administrative officers of proposed school board policies and administrative procedures relating to [, but not limited to, curriculum, textbook selection,] in-service training, student teaching programs, [personnel] grievance procedures, hiring and assignment practices, fringe benefits, leaves of absence, personnel contract provisions, hours to be worked, salaries and salary schedules [and] , noninstructional duties, procedures for curriculum development, and, except as otherwise provided by law, the selection of instructional materials: PROVIDED, That any other definite course or method of action or program adopted or to be adopted or selected for the respective school district including the procedures used or to be used to implement such course or method of action or program, only by mutual consent of the board of directors and the employee organization, may become a matter subject to the negotiations procedures established in this chapter: PROVIDED FURTHER, That the employee organization shall have the right to communicate, but not negotiate, its professional judgment on other matters prior to final action by the school board of chief administrative officers.

Sec. 5. Section 28A.72.070, chapter 223, Laws of 1969 ex. sess. as amended by section 4, chapter 52, Laws of 1969 ex. sess. and RCW 28A.72.070 are each amended to read as follows:

Boards of directors of school districts or any chief administrative officers thereof shall not discriminate against certificated employees or applicants for such positions because of their membership or nonmembership in employee organizations or their exercise of other rights under this chapter.

Sec. 6. Section 28A.72.080, chapter 223, Laws of 1969 ex. sess. and RCW 28A.72.080 are each amended to read as follows:

Boards of directors of school districts shall adopt reasonable rules and regulations for the administration of employer-employee relations under this chapter, which rules and regulations shall be subject to negotiation with the employee organization duly chosen to represent the certificated employees. Any such board may employ individuals to serve as negotiators on behalf of the board with representatives of the employee organization chosen to represent the certificated employees prior to meetings between such representatives and such boards, or committees of such boards, pursuant to RCW 28A.72.030: PROVIDED, That an agreement by the negotiators shall be reduced to writing and submitted in such form to the respective parties for final action. A board's negotiator may be given authority to reach agreement on behalf of the board within limits established by the board.

NEW SECTION. Sec. 7. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.72 RCW a new section to read as follows:

Negotiations between the employee organization duly chosen to represent certificated employees under chapter 28A.72 RCW and the board shall at all times be conducted in good faith with the objective of reaching an agreement which, when final, shall be reduced to writing and which shall be binding on both parties. Such employee organization shall be the exclusive representative of and negotiate for all of the certificated employees of their respective school district.

NEW SECTION. Sec. 8. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.72 RCW a new section to read as follows:

There is hereby established, under the authority of the superintendent of public instruction, an educational mediation, conciliation, and fact-finding service, hereinafter in this 1971 amendatory act referred to as the service. The service shall be under the direction of a Washington state education conciliation director, hereinafter in this 1971 amendatory act referred to as the director, who shall have had substantial experience in the field of fact-finding, conciliation, and mediation of disputes involving employee relations, and who shall be appointed by the superintendent of public instruction and shall be exempt from the provisions of chapter 41.06 RCW, the state civil service law. The director shall appoint the staff for the service, subject to the approval of the superintendent of public instruction.

The state board of education is empowered and directed to adopt, with the advice of the superintendent of public instruction and the director, rules and regulations necessary for the administration of sections 8 and 9 of this 1971 amendatory act, the same to be in conformity with such sections' intent and purpose.

NEW SECTION. Sec. 9. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.72 RCW a new section to read as follows:

If agreement is not reached between the board of directors of a school district and an employee organization on any matter to which the employee organization has negotiating rights, either party to the negotiations, forty-eight hours after serving written notice of its intended action to the other party, may request that the director appoint either a fact-finder or mediator to assist in the resolution of the disagreement. The director shall forthwith appoint a fact-finder or mediator, as requested, to enter the negotiations process in that school district. In the case of conflicting requests, the director shall decide whether a fact-finder or mediator shall be appointed.

If a fact-finder is appointed, the parties shall furnish all information and documents relevant to the negotiations dispute requested by the fact-finder and shall attend as requested all hearings scheduled by him. Any party refusing to produce any such information or documents, unless privileged, or to attend such hearings as requested shall be deemed to be in bad faith. Neither party shall be bound in their subsequent negotiations by the findings of the fact-finder respecting the facts or law related to the dispute.

If a mediator is appointed, any party to negotiations which fails to attend, after reasonable notice, the first meeting scheduled by a mediator appointed under this section shall be deemed to be in bad faith. The meaning of the term "bad faith" is not limited to the definitions contained herein. Any party held or deemed to be in bad faith in negotiations shall be subject to judicial process by the other party for which the court may grant such injunctive or other relief as the court deems appropriate.

From the time of the written notice of intent to invoke the procedures of this section until seventy-two hours after the receipt by both parties of the written decision of the fact-finder or until five days after the first conference of the mediator with both parties, neither party shall take any action adverse to the position of the other party or its members.

NEW SECTION. Sec. 10. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.72 RCW a new section to read as follows:

After exhausting the procedures provided in section 8 of this 1971 amendatory act, both parties to the negotiations, through mutual consent and by written agreement, may request the director of the service to appoint, and the director shall appoint, an arbitrator to any dispute arising from employee-employer negotiations in school districts. The costs of such arbitrator shall be paid by the parties as provided in the arbitration agreement.

NEW SECTION. Sec. 11. Section 28A.72.060, chapter 223, Laws of 1969 ex. sess. as amended by section 3, chapter 52, Laws of 1969 ex. sess. and RCW 28A.72.060; and section 28A.72.040, chapter 223, Laws of 1969 ex. sess. and RCW 28A.72.040 are each hereby repealed.

NEW SECTION. Sec. 12. If any provision of sections 2-11 of this 1971 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 13. The sum of one hundred dollars is hereby appropriated from the budget of the superintendent of public instruction for the purpose of carrying out the provisions of this act."

POINT OF ORDER

Senator Ridder: "I respectively submit and I must make my plea again, I cannot argue with the worth or value of the amendment but it does seriously broaden the scope and object of this bill."

RULING BY THE PRESIDENT

The President: "The President in ruling upon the point of order presented by Senator Ridder, finds that Engrossed House Bill No. 491 is a measure dealing with vocational educational programs and rehabilitation, whereas the amendment as proposed by Senator Murray in essence is a proposal dealing with mediation and negotiation and therefore the President rules the point as presented by Senator Ridder is well taken."

Senator Guess moved adoption of the following amendment:

On page 1, section 1, line 11 add new sections to read as follows:

"NEW SECTION. Sec. 2. There is added to chapter 223, Laws of 1969 ex. session and to chapter 28A.58 RCW a new section to read as follows:

Any parent, guardian or person having the control or custody of any student enrolled in the common schools, upon his written request, shall be permitted as soon as reasonably practicable to review and examine all instructional materials of whatsoever nature and whether audible or visual, used in any course of instruction in which his children may be enrolled, except academic tests in advance to be taken.

Each school district shall develop a procedure by which the persons authorized above may review or challenge the content of the instructional material described above. The procedure shall specify:

- a. The person to whom the application shall be made.
- b. The method of filing a challenge.

In the event a parent, guardian or custodian shall be denied the rights conferred by this

act the person so responsible shall be subject to disciplinary procedures by the school district. The disciplinary procedures shall be developed at the same time and incorporated in the policy established herewith.

NEW SECTION. Sec. 3. If any provision of this 1971 act, or its application to any person or circumstances is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected."

POINT OF ORDER

Senator Henry: "As much as I regret, I must raise the question of scope and object, and as one who presides sometimes I would hate to be in the same position of having to make this decision because once you let down the bars on a hard and fast rule that we have used here over the years on enlarging the scope and object of the bill, it is going to be brought up in other forms and other types of legislation. I am wholeheartedly in sympathy with the aims of this particular amendment, I supported it as a bill but unfortunately we cannot hang every bill that we cannot get through the House on these bills just because they have an educational title."

RULING BY THE PRESIDENT

The President: "The President in ruling upon the point of order as presented by Senator Henry first wishes to express appreciation to both Senator Guess and Senator Henry. The President fully realizes that both honored members of the Senate who have spoken on this realize that the measure does increase the scope and object of the bill and therefore that is the ruling of the President."

The amendment by Senator Guess was ruled out of order.

On motion of Senator Wilson, the following amendment by Senators Wilson and Odegaard to the title was adopted:

On page 1, line 1 of the title, after "education;" and before "and" insert "amending section 28A.04.060, chapter 223, Laws of 1969 ex. sess. as amended by section 25, chapter 283, Laws of 1969 ex. sess. and RCW 28A.04.060;"

On motion of Senator Ridder, the following amendment to the title was adopted:

On page 1, line 3 of the title, after "RCW 28A.09.100" and before the period insert "defining certain terms; and adding new sections to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.09 RCW"

On motion of Senator Ridder, the rules were suspended, Engrossed House Bill No. 491, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Woodall: "Would Senator Peterson (Lowell) yield? In this amendment is there any limit to the size of the well?"

Senator Peterson (Lowell): "Senator, to the best of my knowledge you would still have to go through the application for your permit under normal procedure. This would merely exempt you from having to procure a well drillers' license, per se."

POINT OF INQUIRY

Senator Guess: "Would Senator Lowell Peterson yield? Senator, I am well aware that the bill has been through the body before, having introduced it one time. There is a new section 4, which gives the department certain powers. What I would like to know, is the department going to have some very broad powers in adopting rules and regulations governing the licensing under it? Now, normally licenses are issued by the motor vehicle department, but this puts the licensing under the department of ecology. Is the department of ecology going to start issuing licenses?"

Senator Peterson (Lowell): "Senator, in answer to your question, I think that we all recognize that under the new department that we have created they are going to be issuing licenses for a number of things in the future, including maybe permits and applications that are going to be acted on in many different areas in the scope and field that they cover so I would say, in answer to your question, yes."

Senator Guess: "All right. Will they follow the procedures of the Washington Administrative Code?"

Senator Peterson (Lowell): "I think they are bound to do that."

Senator Guess: "That is what I wanted to hear you say."

ROLL CALL

POINT OF INQUIRY

Senator Metcalf: "Mr. President, would Senator Donohue yield? Senator, does this represent a new departure now in that we are going out of the range of just edible fruits, berries, vegetables and nuts into things that are not specifically edible in their form and have we any problems for the future in going into a new area?"

Senator Donohue: "Senator, I doubt it. I think there is probably only one thing like hops and that is hops. I think that in the past the statute does provide that these certain vegetables have been exempt during transportation by truck or otherwise and I do not think this is really a departure. I think it is more or less due to the judge's decision over in Senator Woodall's area."

Senator Foley: "It will go in the supplemental if it is passed."

Senator Day: "This bill says in the event the county elects to transfer the funds. If Olympia does that, they will not elect to transfer them any longer. That is not the intent of the bill, Senator."

A sewer district, by a majority vote of its board of commissioners, may enter into contracts to provide health care services and/or group insurance, [other than life insurance] including term life insurance, for the benefit of its employees and/or commissioners and may pay all or any part of the cost thereof. Any two or more sewer districts or one or more sewer districts and one or more water districts, by a majority vote of their respective boards of commissioners, may, if deemed expedient, join in the procuring of such health care services and/or group insurance [, other than life insurance.] and the board of commissioners of each participating sewer and/or water district may by appropriate resolution authorize their respective district to pay all or any portion of the cost thereof.

A water district, by a majority vote of its board of commissioners, may enter into contracts to provide health care services and/or group insurance, [other than life insurance] including term life insurance, for the benefit of its employees and/or commissioners and may pay all or any part of the cost thereof. NEW SECTION. Sec. 10. There is added to chapter 56.02 RCW a new section to read as follows:

Notwithstanding any provision of law to the contrary, no sewer district shall be formed or reorganized under chapter 56.04 RCW, nor shall any sewer district annex territory under chapter 56.24 RCW, nor shall any sewer district withdraw territory under chapter 56.28 RCW, nor shall any sewer district consolidate or be merged under chapter 56.32 RCW, nor shall any water district be merged into a sewer district under chapter 56.36 RCW, unless such proposed action shall be approved as provided for in section 12 of this 1971 amendatory act.

The county legislative authority shall within thirty days after receiving notice of the proposed action, approve such action or hold a hearing on such action. In addition, a copy of such proposed action shall be mailed to the state department of ecology and to the state department of social and health services.

The county legislative authority shall decide within sixty days of a hearing whether to approve or not approve such proposed action. In approving or not approving the proposed action, the county legislative authority shall consider the following criteria:

(1) Whether the proposed action in the area under consideration is in compliance with the development program which is outlined in the county comprehensive plan and its supporting documents; and/or

(2) Whether the proposed action in the area under consideration is in compliance with the basinwide water and/or sewage plan as approved by the state department of ecology and the state department of social and health services; and/or

(3) Whether the proposed action is in compliance with the policies expressed in the county plan for water and/or sewage facilities.

If the proposed action is inconsistent with subsections (1), (2), or (3) of this section, the county legislative authority shall not approve it. If such action is consistent with all such subsections, the county legislative authority shall approve it unless it finds that utility service in the area under consideration will be most appropriately served by the county itself under the provisions of chapter 36.94 RCW, by a city, town, or municipality, or by another existing special purpose district rather than by the proposed action under consideration. If there has not been adopted for the area under consideration a plan under any one of

subsections (1), (2), or (3) of this section, the proposed action shall not be found inconsistent with such subsection.

NEW SECTION. Sec. 11. There is added to chapter 57.02 RCW a new section to read as follows:

Notwithstanding any provision of law to the contrary, no water district shall be formed or reorganized under chapter 57.04 RCW, nor shall any water district annex territory under chapter 57.24 RCW, nor shall any water district withdraw territory under chapter 57.28 RCW, nor shall any water district consolidate under chapter 57.32 RCW, nor shall any water district be merged under chapter 57.32 RCW, nor shall any sewer district be merged into a water district under sections 1 through 6 of this 1971 amendatory act, unless such proposed action shall be approved as provided for in section 12 of this 1971 amendatory act.

The county legislative authority shall within thirty days of the date after receiving notice of the proposed action, approve such action or hold a hearing on such action. In addition, a copy of such proposed action shall be mailed to the state department of ecology and to the state department of social and health services.

The county legislative authority shall decide within sixty days of a hearing whether to approve or not approve such proposed action. In approving or not approving the proposed action, the county legislative authority shall consider the following criteria:

(1) Whether the proposed action in the area under consideration is in compliance with the development program which is outlined in the county comprehensive plan and its supporting documents; and/or

(2) Whether the proposed action in the area under consideration is in compliance with the basinwide water and/or sewage plan as approved by the state department of ecology and the state department of social and health services; and/or

(3) Whether the proposed action is in compliance with the policies expressed in the county plan for water and/or sewage facilities.

If the proposed action is inconsistent with subsections (1), (2), or (3) of this section, the county legislative authority shall not approve it. If such action is consistent with all such subsections, the county legislative authority shall approve it unless it finds that utility service in the area under consideration will be most appropriately served by the county itself under the provisions of chapter 36.94 RCW, by a city, town, or municipality, or by another existing special purpose district rather than by the proposed action under consideration. If there has not been adopted for the area under consideration a plan under any one of subsections (1), (2), or (3) of this section, the proposed action shall not be found inconsistent with such subsection.

NEW SECTION. Sec. 12. In any county where a boundary review board, as provided in chapter 36.93 RCW, has not been established, the approval of the proposed action shall be by the county legislative authority pursuant to sections 10 and 11 of this 1971 amendatory act, and shall be final and the procedures required to adopt such proposed action shall be followed as provided by law.

In any county where a boundary review board, as provided in chapter 36.93 RCW, has been established, notice of intention of the proposed action shall be filed with the board as required by RCW 36.93.090 and a copy thereof with the legislative authority. The latter shall transmit to the board a report of its approval or disapproval of the proposed action together with its findings and recommendations thereon under the provisions of sections 10 and 11 of this 1971 amendatory act. If the county legislative authority has approved of the proposed action, such approval shall be final and the procedures required to adopt such proposal shall be followed as provided by law, unless the board reviews the action under the provisions of RCW 36.93.100 through 36.93.180. If the county legislative authority has not approved the proposed action, the board shall review the action under the provisions of RCW 36.93.150 through 36.93.180. Action of the board after review of the proposed action shall supersede approval or disapproval by the county legislative authority."

POINT OF INQUIRY

Senatore Dore: "I would like to ask Senator Whetzel a question. Is not this rather a revolutionary thing to hang on this bill at this time? There is no limit on the amount of term insurance for commissioners; in effect it is a salary increase for them. Why don't you take commissioners out and just leave employees in?"

Senator Whetzel: "This was considered by the committee, Senator, on cities, towns and counties, of which you are a member and it was in the committee's wisdom we adopted this proposal."

Senator Dore: "Isn't this a floor amendment?"

Senator Whetzel: "It is very similar to the language, I cannot give you the number of a bill that has passed the Senate and is over in the House at this time, Senator Dore. I have not checked the record to see whether you voted for it or not but I do not think it raised any particular concern at the time that it passed here."

NOTICE OF RECONSIDERATION

Having voted on the prevailing side, Senator Washington served notice that he would move for reconsideration of the vote by which Substitute House Bill No. 545 passed the Senate, prior to adjournment today.

POINT OF ORDER

Senator Newschwander: "I believe I heard that Senator Washington moved to reconsider later today Substitute House Bill No. 545. I am under the impression that was immediately transferred to the House when we passed that bill."

JOURNAL OF THE SENATE

RULING BY THE PRESIDENT

The President: "The President has been advised by the Secretary that the records show that the bill was transmitted to the House. However, Senator Newschwander, this does not rule out the possibility of the Senate reconsidering its action."

Debate ensued.

POINT OF INQUIRY

Senator Elicker: "Would Senator Greive yield to a question? I am not trying to be argumentative, Senator Greive, but I want to get this straightened out in my own mind. Would it be your position that if a bill had been transmitted to the House, the House had passed it, had the bill, but then we could unpass the bill?"

Senator Greive: "According to our rules it is not legally through until all the motions are exhausted that we have a right to make under the law. I would not care what happened to it, we still have a right to reconsider. However, if you suspend the rules, suspend the motion to reconsider the rule that governs it, then you have a right. So it would depend on how it is worded. I realize the last couple of days have been pretty chaotic, but normally if I hear the motion to reconsider, I take an entirely different attitude. Somebody moves to transmit, that is one thing but the minute I hear this suspending the rules, I take an entirely different attitude and stop that because we may not want to suspend the right to reconsider. So it depends on how it is said."

Further debate ensued.

RULING BY THE PRESIDENT

The President: "The President, in ruling upon the point of order finds that the remarks by Senator Washington and Senator Greive are correct. In the instance of Substitute House Bill No. 545, the measure happens still to be in the possession of the Senate because the bill had amendments which have not been processed as yet. However, to enlarge on the remarks, had the bill been transmitted to the House and in the possession of the House, precedents will show that the House would return the bill to the Senate upon a request if a notice of reconsideration is given prior to the adjournment on that day. Therefore, the point of order is not well taken."

MOTION

On motion of Senator Keefe, Senator Gardner was excused.

PARLIAMENTARY INQUIRY

Senator Andersen: "What order of business are we on? Point of additional parliamentary inquiry. Is there any particular place on the order of business where a notice of reconsideration must be given or can it be given on any order of business?"

REPLY BY THE PRESIDENT

The President: "Senator Washington gave his notice when the Senate was on the second reading of bills and the motion was in order at that time. Subsequently, if Senator Washington wishes to make his motion to comply strictly with the rules, it would be on the sixth order of business."

PARLIAMENTARY INQUIRY

Senator Andersen: "Mr. President, point of order. Would there have to be a suspension of rules to go to that order of business from where we are now?"

REPLY BY THE PRESIDENT

The President: "No, sir, it would not require a suspension, Senator Andersen."

MOTION

At 4:45 p.m. on motion of Senator Greive, the Senate was declared to be at ease subject to the Call of the Chair.

EVENING SESSION

The President called the Senate to order at 5:45 p.m.

Having voted on the prevailing side and having given prior notice, Senator Washington moved that the Senate immediately reconsider the vote by which Substitute House Bill No. 545, as amended by the Senate, passed the Senate.

Debate ensued.

Senators Woodall, Atwood and Canfield demanded the previous question and the demand was sustained.

Senator Washington demanded a roll call on the motion for reconsideration and the demand was sustained by Senators Ridder, Jolly, Matson, Canfield, Greive, Cooney, Fleming, Stender and Newschwander.

The President declared the question before the Senate to be the motion by Senator Washington to reconsider the vote by which Substitute House Bill No. 545, as amended by the Senate, passed the Senate.

ROLL CALL ON MOTION FOR RECONSIDERATION

SECOND READING

ENGROSSED HOUSE BILL NO. 291, by Representatives Kuehnle, Litchman, Curtis, Hatfield, Bottiger, Gladder, Eikenberry, Pardini, Smith, Conway, Kopet, Morrison, Wolf, Shera, Gallagher, Bagnariol, Jastad, Adams, Rosellini, Ceccarelli, Randall, Anderson, Backstrom, Bauer, Hoggins, Knowles, Marzano and McCormick:

Relating to gambling.

POINT OF ORDER

Senator Washington: "I have an amendment which is geared to the bill itself which perhaps goes to the heart of the bill itself. There are a number of amendments which if enacted would make this bill merely a bill for bingo and raffles. It seems to me we would act on the first of the amendments. If that amendment were to carry I would go ahead with the rest of the amendments. If it were to fail, obviously the rest of the amendments would fail but since I do not have that amendment geared to the committee amendment, I think it would be more appropriate that it be acted on ahead of the committee amendment. I think my amendment on page 2, section 1, in chronological order would be the first section to be covered and would come ahead of the committee amendment."

RULING BY THE PRESIDENT

The President: "Senator Washington, your remarks are true. However, it has been the practice to consider the committee amendments first unless the members of the Senate wish to do otherwise. The President believes that your point of order is one that should be decided by the members as to what amendments they wish to consider first."

The bill was read the second time by sections.

MOTIONS

On motion of Senator Talley, the Senate began consideration of the amendment by Senator Washington prior to consideration of the committee amendments.

Senator Washington moved adoption of the following amendment:

On page 2, section 1, line 29 after "bingo games" strike everything down to and including "pull tabs" in line 31 and insert "and raffles"

Senator Keefe moved that the amendment by Senator Washington be laid upon the table.

Senator Washington demanded a roll call and the demand was sustained by Senators Bailey, Stender, Peterson (Ted), Cooney, Day, Foley, Scott, Atwood and Newschwander.

ROLL CALL

The Secretary called the roll and the amendment by Senator Washington was laid upon the table by the following vote: Yeas, 29; nays, 12; absent or not voting, 6; excused, 2.

Voting yea: Senators Atwood, Bailey, Canfield, Connor, Cooney, Day, Donohue, Dore, Fleming, Francis, Gissberg, Huntley, Keefe, Knoblauch, Lewis, McDougall, Mardesich, Matson, Newschwander, Odegaard, Peterson (Lowell), Ridder, Sandison, Stender, Stortini, Talley, Twigg, Wilson, Woodall—29.

Voting nay: Senators Andersen, Clarke, Elicker, Foley, Guess, Jolly, Murray, Peterson (Ted), Scott, Walgren, Washington, Whetzel—12.

Absent or not voting: Senators Durkan, Greive, Henry, Herr, Holman, McCutcheon—6.

Excused: Senators Gardner, Metcalf—2.

Senator Walgren moved adoption of the committee amendment to page 12, section 8, beginning on line 21.

Debate ensued.

The motion lost and the committee amendment was not adopted.

On motion of Senator Walgren, the remaining committee amendments to page 12 were adopted. The committee amendment to page 13 was adopted.

On motion of Senator Mardesich, the remainder of the committee amendments were adopted.

On motion of Senator Canfield, the following amendment was adopted:

On page 3, section 2, line 5, insert as subsections (1) and (2) the following:

"(1) "Amusement game" for the purposes of this act means a game played for entertainment which shall have a twenty-five cent limit for participation therein in which: (a) The contestant actively participates; (b) the outcome depends in some material degree upon the skill of the contestant; (c) only merchandise prizes of minimal value are awarded; (d) the outcome is not in the control of the operator; (e) the game is played, the winners are determined, and the distribution of prizes is made in the presence of all persons playing in any one such game; and (f) the game is conducted as a part of an agricultural fair, as the same is authorized under chapters 15.76 or 36.37 RCW, after authorization therefor by contract with the appropriate fair officials, and under the supervision and control of the fair management.

(2) "Agricultural fair" means any fair or exhibition authorized under chapters 15.76 or 36.37 RCW."

Renumber subsections (1) and (2) of the bill as (3) and (4).

Senator Wilson moved adoption of the following amendment:

On page 3, section 2, line 20, after "insurance" and before the period insert "nor does it include drawings conducted by business enterprises in connection with business promotions, where there is no charge to enter the drawing or any other charges directly or indirectly related thereto, and it is not necessary to make any purchase to enter the contest and it is not necessary to be present at the drawing to win any of the prizes: PROVIDED, That no sponsoring business firm may conduct more than one such drawing during each calendar year and that the period of the drawing and its promotion shall not extend for more than seven consecutive days: PROVIDED FURTHER, That if the sponsoring organization has more than one outlet in the state such drawings must be held in all such outlets at the same time except that a sponsoring organization with more than one outlet may conduct a separate drawing in connection with the first grand opening of any such outlet"

POINT OF INQUIRY

Senator Stender: "Will Senator Wilson yield? Senator, I see nothing wrong with the

amendment except why do you provide for a limitation of one a year? Is there some particular reason that is in the amendment?"

Senator Wilson: "I suspect simply to establish some sort of a restraint, Senator, and to improve the prospects of the passage of the amendment."

Senator Stender: "This is not anything where anyone wagers anything. It is just a matter that is a business promotion, as I understand it."

Senator Wilson: "That is correct. I would have no objection to eliminating such a restriction if that were the will of the majority here."

The motion by Senator Wilson carried and the amendment was adopted.

Senator Canfield moved adoption of the following amendment:

On page 7, section 2, line 12, strike subsection (13). Renumber subsection (14) as subsection (13).

Debate ensued.

POINT OF INQUIRY

Senator Bailey: "Will Senator Canfield yield? Do you think there should be a different standard of morals for gambling at an agricultural fair than gambling in a non-charitable institution?"

Senator Canfield: "I think I am getting trapped by that question, but my whole purpose in introducing Senate Bill No. 878 for fun games at fairs was simply to try to redefine some of these simple little games as non-gambling. I do not think that the morals at fairs are necessarily any higher in the Yakima Valley than in your area but I did not want to run afoul of the law and get our people in difficulties on account of this clause. For instance, Senator, you will notice it says on line 30 that such fair may rent on a fixed fee basis only space for the persons for the conduct of amusement games as defined in this subsection. Most of the fairs rent their space on some kind of a share of profits.

"When I discussed this with Mr. Gorton, he felt that if we operated on a sliding scale, in other words, to share the income on a profit basis, we would be in gross violation of the law and it would subject us to a hundred thousand dollars fine and that gave me the trembles. That is why I wanted this particular phrase stricken as far as agricultural fairs are concerned."

Senator Bailey: "Senator Canfield, then in other words you want to share the profits taken from gambling on the basis of what you have shilled out of the customer rather than on a fixed fee basis?"

Senator Canfield: "In Senate Bill No. 878, Senator Bailey, we have tried to redefine the word and we do not use the word gambling in that bill. We call them fun games for fairs, and I think what we are trying to do in this whole bill that we are discussing here is to redefine what we mean by gambling and what we mean by professional gambling. Some of these simple little things we do I do not think are criminal and that is why I was trying to change this wording somewhat, to get the fairs off the hook. Now if Senator Ridder wants to re-establish this phrase for amusement games other than fairs, I would have no objection."

Further debate ensued.

POINT OF INQUIRY

Senator Donohue: "Mr. President, would Senator Canfield yield? Senator, are you speaking specifically of trying to create something here that will allow you or your wife or your children or grandchildren to throw a dart at a balloon and see if he can hit it and are we trying to define or redefine this so that it will not be considered gambling if he misses a balloon?"

Senator Canfield: "That is correct, Senator. When I posed a list of some twenty questions to the attorney general, I asked him that specific question, 'Is throwing a dart at a balloon gambling?' He said, 'Yes.' If it is, I would like to have it redefined, Senator Donohue, so it will not be a criminal offense because I think that is just a little fun game."

Further debate ensued.

There being no objection, Senator Canfield withdrew his amendment.

MOTION FOR RECONSIDERATION

Having voted on the prevailing side, Senator Ridder moved that the Senate do immediately reconsider the amendment by Senator Canfield to page 3, section 2, line 5 that was adopted.

The motion for reconsideration carried.

There being no objection, the amendment by Senator Canfield was withdrawn.

On motion of Senator Canfield, the following amendment was adopted:

On page 16, section 13, line 25, insert as section 13:

"NEW SECTION. Sec. 13. It shall be lawful to conduct or to participate in any amusement game at any agricultural fair as the same are defined in section 2 of this act and the conduct of or participation in any such amusement game shall not: (1) Be deemed gambling for the purposes of any of the provisions of chapter 9.47 RCW; (2) be deemed a lottery for the purposes of any of the provisions of chapter 9.59 RCW or under Article 2, section 24 of the state Constitution; and (3) be deemed committing or maintaining a public nuisance under any law of this state, nor shall a place where any amusement game as defined in this act be conducted be deemed a public nuisance for the purposes of RCW 9.66.010."

Renumber section 13 as section 14, and renumber the remaining sections consecutively.

Senator Francis moved adoption of the following amendment:

On page 22, insert the following:

"NEW SECTION. Sec. 24. This act shall be submitted to the people for approval or rejection at the next general state election."

Senator Bailey moved that the amendment by Senator Francis be laid upon the table.

Senator Greive demanded a roll call and the demand was sustained by Senators Francis, Talley, Atwood, Ridder, Canfield, Gissberg, Whetzel, Woodall and Connor.

ROLL CALL

The Secretary called the roll and the amendment by Senator Francis was laid upon the table by the following vote: Yeas, 25; nays, 18; absent or not voting, 5; excused, 1.

Voting yea: Senators Atwood, Bailey, Canfield, Clarke, Connor, Cooney, Day, Donohue, Dore, Gardner, Keefe, Knoblauch, Lewis, McDougall, Matson, Newschwander, Odegaard, Peterson (Lowell), Ridder, Sandison, Stortini, Talley, Washington, Whetzel, Wilson—25.

Voting nay: Senators Elicker, Fleming, Foley, Francis, Gissberg, Greive, Guess, Herr, Huntley, Jolly, Mardesich, Murray, Peterson (Ted), Scott, Stender, Twigg, Walgren, Woodall—18.

Absent or not voting: Senators Andersen, Durkan, Henry, Holman, McCutcheon—5.

Excused: Senator Metcalf—1.

POINT OF INQUIRY

Senator Woodall: "Mr. President, would Senator Walgren yield? I was thinking of the indirect author of this bill and it confused me. I note on page 18, section 17, it says, 'any person, association or corporation whether charitable or non-profit or otherwise, who operates a bingo game, raffle,' and so on and then it lists certain crimes, and crime number four is, 'fail to make any report as required by section 8 of this 1971 amendatory act'.

"Now I have no quarrel with the first three penalties which are in this particular bill which has to do with fraud but simply failing to make any report as required shall be fined not more than one hundred thousand dollars or imprisoned more than five years. That is a little more than they rap you on an income tax violation. I want to go back now to section 8 and I wish you and perhaps others would read where it says, 'Failure to make any report as required in section 8.' Now in section 8 it says that anyone who runs bingo, raffles and similar mechanical devices shall be subject to inspection and audit at any reasonable time with or without notice, upon demand by certain people and at that time they must provide him whatever they must determine with reports under oath detailing receipts, disbursements, and so on and so forth.

"Now I am wondering whether or not for a mere failure to file a report upon demand, whether or not in your opinion the penalty of one hundred thousand dollars sets something of an all-time high for a mere crime on non-feasance as distinguished from a crime of malfeasance or misfeasance, and here just because you failed to file a report you can get up to a hundred thousand dollar fine."

Senator Walgren: "Senator Woodall, I would have to agree that this does, in my opinion, make one of the all-time high fines or penalties that might be involved in a crime such as is set out here. This, of course, is just one of the problems that I think you will find in this bill as we pass it. Of course, I know that the people are very much interested in getting an opportunity to come back and play bingo and to participate in raffles and to do those things that have been prohibited to them and taken away from them primarily by the action of the attorney general earlier. This, of course, is just one of them and I am afraid, Senator Woodall, that this type of thing might just come to roost and they are going to be very, very disappointed even though tonight or tomorrow when we finally get around to passing this bill, they are going to be momentarily very happy."

Senator Francis moved adoption of the following amendment:

On page 22, add the following:

"NEW SECTION. Sec. 24. This act shall be of no force and effect unless and until

Senate Joint Resolution No. 5 has been approved by a vote of the people of the state of Washington."

Debate ensued.

POINT OF ORDER

Senator Bailey: "Senator Guess is speaking on the amendment that we just tabled about the referendum. We tabled that amendment and I do not think that referendum has anything to do with this subject or whether or not it is legal or not legal at this time. I think he is speaking on the referendum amendment we just tabled."

POINT OF INQUIRY

Senator Odegaard: "Mr. President, would Senator Francis yield to a question? Senator Francis, an amendment was placed on the SJR 5 in the House stating that lotteries shall be prohibited except as specifically authorized upon the affirmative vote of sixty percent of the members of each house of the legislature. What would be the effect if your amendment were to pass and the bill were not to receive sixty percent of the vote? Let us say it received fifty-nine percent of each house of the legislature."

Senator Francis: "I do not know, Senator Odegaard. I am wondering if that constitutional amendment is not pretty undesirable from the point of view of those people who want this act to take effect immediately, because that very same sixty percent requirement would also cut off any act that we pass now and I think that both houses had better insure that they pass this by sixty percent if they are going to put on that sixty percent requirement on the constitutional amendment which they are going to put on the ballot."

Senator Odegaard: "Senator Francis, when this bill first passed the House in the regular session, it passed by over a sixty percent majority. But when it passed again in the special session, it passed by—if my arithmetic is right—fifty-nine point some percent."

Senator Francis: "Senator Odegaard, I would not worry too much about that. After all of the amendments that have been put on it by the Senate, I am sure that the bill has been vastly improved and it will get a much larger vote when the House votes to concur."

On motion of Senator Talley, the amendment by Senator Francis was laid upon the table on a rising vote.

Senator Francis moved adoption of the following amendment:

On page 22, following line 1 add a new section as follows:

"NEW SECTION. Sec. 24. This act shall automatically expire, and thereafter be of no force and effect, if SJR 5 is not approved by the people of the state of Washington."

Debate ensued.

POINT OF INQUIRY

Senator Bailey: "Would Senator Francis yield? Would you think of changing your amendment to read that this act shall expire on December 31, 1972?"

Senator Francis: "No. I personally would not and I would like to explain my reason for that. I think you are thinking in terms of giving us an opportunity, if the voters pass the constitutional amendment or if they reject it, of coming down here and responding one way or the other. My feeling is on several points. One, I do feel the people should have a right to gamble. In that case I think that you are only going to get their support if they are cut off from gambling before the vote on the constitutional amendment occurs. But secondly, I think whether it is November or December it does not make an awful lot of difference. I think the people should be quite aware of the fact that if there is going to be gambling now, it will be in some form of tolerance and that tolerance will not continue if they defeat a constitutional amendment. I think the cutoff should be exactly on such time as the constitutional amendment is defeated, should it be defeated. I would hope it would not be and all I can say with regard to this amendment is I had hoped that I would be able to withdraw it and that the previous one would be passed. I think that we cannot really in good conscience reject this one."

The motion carried and the amendment was adopted.

On motion of Senator Woodall, the following amendments were adopted:

On page 18, section 17, line 33, before "be" strike "Shall" and insert "As to subsections (1), (2) or (3) shall"

On page 19, line 2, after "both" insert "as to subsection (4) shall be guilty of a gross misdemeanor"

Senator Stortini moved adoption of the following amendment:

On page 22, following line 2 add a new section as follows:

"NEW SECTION. Sec. 25. This 1971 amendatory act is necessary for the immediate

preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.”

Debate ensued.

The motion lost and the amendment was not adopted.

On motion of Senator Canfield, the following amendments by Senators Canfield and Ridder were adopted:

On page 7, section 2, line 21, after “persons” strike “placing wagers at” and insert “playing any”

On page 7, line 27, after “such game;” strike everything down to and including “subsection.” on line 32 and insert “or

(g) Is conducted as part of any agricultural fair as authorized under chapters 15.76 or 36.37 RCW.”

On motion of Senator Mardesich, the rules were suspended, Engrossed House Bill No. 291, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

MOTION

On motion of Senator McDougall, Senator Holman was excused.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed House Bill No. 291, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 34; nays, 11; absent or not voting, 2; excused, 2.

Voting yea: Senators Atwood, Bailey, Canfield, Clarke, Connor, Cooney, Day, Donohue, Elicker, Fleming, Francis, Gardner, Gissberg, Greive, Herr, Jolly, Keefe, Knoblauch, Lewis, McDougall, Mardesich, Matson, Newschwander, Odegaard, Peterson (Lowell), Ridder, Sandison, Stender, Stortini, Talley, Twigg, Walgren, Wilson, Woodall—34.

Voting nay: Senators Andersen, Dore, Durkan, Foley, Guess, Huntley, Murray, Peterson (Ted), Scott, Washington, Whetzel—11.

Absent or not voting: Senators Henry, McCutcheon—2.

Excused: Senators Holman, Metcalf—2.

ENGROSSED HOUSE BILL NO. 291, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

At 11:30 p.m., on motion of Senator Greive, the Senate adjourned until 10:00 a.m., Thursday, May 6, 1971.

JOHN A. CHERBERG, President of the Senate.

SIDNEY R. SNYDER, Secretary of the Senate.

FIFTY-SIXTH DAY

MORNING SESSION

Senate Chamber, Olympia, Wash., Thursday, May 6, 1971.

The Senate was called to order at 10:00 a.m. by President Cherberg. The Secretary called the roll and announced to the President that all Senators were present except Senators McCutcheon and Newschwander. On motion of Senator McDougall, Senator Newschwander was excused.

"Heavenly Father, here we are again, looking to You for the strength and help needed for another day. We are grateful for the opportunity to acknowledge You as another session of business begins. The words of Jesus are meaningful to us this morning. . . 'If you human beings who are imperfect know how to be faithful to your children; be sure God who is perfect will never let you down.' How we thank You for this powerful promise, You will never let us down. Through prayer we can be given courage to follow God's plan for the day. Mountain after mountain can move under the power of prayer. We affirm that the key to peace, poise and inner power is prayer. Now move right into these Chambers. Move right into the hearts of these leaders of government. May faith be renewed, through Jesus Christ our Lord. Amen."

On motion of Senator Greive, the reading of the journal of the previous day was dispensed with and it was approved.

On page 1, line 5 of the title after "57.08 RCW" and before the period insert "; and adding new sections to chapter 87, Laws of 1970 ex. sess. and to Title 84 RCW"

On page 1, line 7 insert the following new sections:

"NEW SECTION. Section 1. There is added to chapter 87, Laws of 1970 ex. sess. and to Title 84 RCW a new section to read as follows:

The legislature finds that the haphazard growth and spread of urban development is encroaching upon, or eliminating, numerous open areas and spaces of varied size and character, including many devoted to agriculture, the cultivation of timber, and other productive activities, and many others having significant recreational, social, scenic, or esthetic values. Such areas and spaces, if preserved and maintained in their present open state, would constitute important assets to existing and impending urban and metropolitan development, at the same time that they would continue to contribute to the welfare and well-being of the citizens of the state as a whole. The acquisition of interests or rights in real property for the preservation of such open spaces and areas constitutes a public purpose for which public funds may properly be expended or advanced.

NEW SECTION. Sec. 2. There is added to chapter 87, Laws of 1970 ex. sess. and to Title 84 RCW a new section to read as follows:

Any county, city or town, or metropolitan municipal corporation may acquire by purchase, gift, grant, bequest, devise, lease, or otherwise, except by eminent domain, the fee or any lesser interest, development right, easement, covenant, or other contractual right necessary to protect, preserve, maintain, improve, restore, limit the future use of, or otherwise conserve, selected open space land, farm and agricultural land, and timber land as such are defined in chapter 84.34 RCW for public use or enjoyment. Among interests that may be so acquired are mineral rights. Any county, city or town, or metropolitan municipal corporation may acquire the fee to such property for the purpose of conveying or leasing the property back to its original owner or other person under such covenants or other contractual arrangements as will limit the future use of the property in accordance with the purposes of this 1971 amendatory act.

NEW SECTION. Sec. 3. There is added to chapter 87, Laws of 1970 ex. sess. and to Title 84 RCW a new section to read as follows:

In accordance with the authority granted in section 2 of this 1971 amendatory act, a county, city or town, or metropolitan municipal corporation may specifically purchase or otherwise acquire, except by eminent domain, rights in perpetuity to future development of any open space land, farm and agricultural land, and timber land which are so designated under the provisions of chapter 84.34 RCW and taxed at current use assessment as provided by that chapter. For the purposes of this 1971 amendatory act, such developmental rights shall be termed "conservation futures". The private owner may retain the right to continue any existing open space use of the land, and to develop any other open space use, but, under the terms of purchase of conservation futures, the county, city or town, or metropolitan municipal corporation may forbid or restrict building thereon, or may require that improvements cannot be made without county, city or town, or metropolitan municipal corporation permission. The land may be alienated or sold and used as formerly by the new

owner, subject to the terms of the agreement made by the county, city or town, or metropolitan municipal corporation with the original owner.

NEW SECTION. Sec. 4. There is added to chapter 87, Laws of 1970 ex. sess. and to Title 84 RCW a new section to read as follows:

For the purpose of acquiring conservation futures as well as other rights and interests in real property pursuant to sections 2 and 3 of this 1971 amendatory act, a county may levy an amount not to exceed one eighth of one mill on the assessed valuation of all taxable property within the county, which levy shall be in addition to that authorized by RCW 84.52.050.

NEW SECTION. Sec. 5. There is added to chapter 87, Laws of 1970 ex. sess. and to Title 84 RCW a new section to read as follows:

Any board of county commissioners may establish by resolution a special fund which may be termed a conservation futures fund to which it may credit all taxes levied pursuant to section 4 of this 1971 amendatory act. Amounts placed in this fund may be used solely for the purpose of acquiring rights and interests in real property pursuant to the terms of sections 2 and 3 of this 1971 amendatory act. Nothing in this section shall be construed as limiting in any manner methods and funds otherwise available to a county for financing the acquisition of such rights and interests in real property.

Sec. 6. Section 84.52.010, chapter 15, Laws of 1961 as amended by section 4, chapter 92, Laws of 1970 ex. sess. and RCW 84.52.010 are each amended to read as follows:

All taxes shall be levied or voted in specific amounts, and the rate percent of all taxes for state and county purposes, and purposes of taxing districts coextensive with the county, shall be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the county, as shown by the completed tax rolls of the county, and the rate percent of all taxes levied for purposes of taxing districts within any county shall be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the taxing districts respectively: PROVIDED, That when any such county assessor shall find that the aggregate rate of levy on any property will exceed the limitation set forth in RCW 84.52.050 as now or hereafter amended, he shall recompute and establish a consolidated levy in the following manner:

(1) He shall include for extension on the tax rolls the full rates of levy certified to him for state, county, county road districts, city and school district purposes in amounts not exceeding the limitations established by law: *PROVIDED, That in the event of a levy made pursuant to section 5 of this 1971 amendatory act, the rates of levy for county, county road district, and school district purposes shall be reduced in such uniform percentages as will result in a consolidated levy by such taxing districts which will be no greater on any property than a consolidated levy by such taxing districts would be if the levy had not been made pursuant to section 5 of this 1971 amendatory act, and*

(2) He shall include for extension on the tax rolls the rates percent of the tax levies certified to him by all other taxing districts imposing taxes on such property, other than port districts and public utility districts, reduced by him in such uniform percentages as will bring the consolidated tax levy on such property within the provisions of such limitation."

Renumber the remaining sections consecutively.

On page 1, section 2 now renumbered as section 8, on line 23 after "section" and before "of" strike "1" and insert "7"

On page 1 following section 2 now renumbered as section 8 insert a new section to read as follows:

MOTION

Senator Lewis moved that Senate Resolution 1971-EX-74 be referred to the Committee on Ways and Means.

Debate ensued.

POINT OF INQUIRY

Senator Canfield: "Mr. President, would Senator Scott yield to a question? Senator, some of us were in the House when the House considered the electric system there and we felt, at least in that body, it had quite a few advantages and also some problems arose, some of which you have mentioned.

"I would be hopeful that your resolution would also include not just precipitous action but would give to some committee the authority to investigate these different systems and to recommend the best one for the least money. There is nothing in the resolution that includes that and I hope that would be your intent."

Senator Scott: "My intent, Senator Canfield, and the understanding is that this resolution would be directed to the legislative council which would investigate all of the options prior to considering the purchase of any machine. If it would put you more at ease I would be happy to so amend the resolution."

Further debate ensued.

The motion by Senator Lewis carried and the resolution was referred to the Committee on Ways and Means.

On motion of Senator Guess, the following resolution was adopted:

SENATE RESOLUTION: 1971-EX-75

By Senators Francis and Guess:

WHEREAS, The people of this state have a right to know what instructional materials are being used by the schools of this state in the education of their children; and

WHEREAS, The instructional materials used in the education of children should be open to the inspection of their parents without undue and unreasonable restrictions; and

WHEREAS, In some cases these instructional materials have not been made available to some parents upon their request;

NOW, THEREFORE, BE IT RESOLVED, That the Senate requests the Superintendent of Public Instruction to promulgate and adopt rules and regulations to be used as guidelines by the boards of directors of the school districts of this state to allow any parent, guardian, or person having control or custody of any student enrolled in the common schools, upon written request, to review and examine all instructional materials of whatever nature, whether audible or visual, used or to be used in any course of instruction in which his child or children may be enrolled except examination materials in advance of the date of examination.

BE IT FURTHER RESOLVED, That copies of this resolution be transmitted to the Superintendent of Public Instruction.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 433, by Committee on Elections and Apportionment: Implementing laws relating to elections.

The Senate resumed consideration of Engrossed Substitute House Bill No. 433 and a motion by Senator Holman that the committee amendment to page 10 be not adopted.

Debate ensued.

The motion carried and the committee amendment to page 10 was not adopted.

On motion of Senator Holman, the following amendment was adopted:

On page 10, of the printed and engrossed bills add a new section following section 12 as follows:

"NEW SECTION. Sec. 13. The provisions of this 1971 amendatory act relating to "special voters", as that term is defined in section 3 of this 1971 amendatory act, shall cease to be effective upon the adoption and ratification of an amendment to the constitution of the United States, establishing the minimum age requirement for voting in state and local elections at eighteen years of age: PROVIDED HOWEVER, That if at the time of such adoption and ratification there is less than fifteen days, Saturdays and Sundays excepted, in which to register for voting prior to either an approaching state primary election, or state general election, as the case may be, the voting procedure for "special voters" insofar as the one primary or election is concerned will remain essentially the same except that all properly executed applications received by the secretary of state shall be forwarded to the appropriate county auditor who, in turn, will honor same as an application for a mailed ballot to be issued, received and counted in the same manner as absentee ballots for that election."

Renumber the remaining section consecutively.

MOTION

On motion of Senator Bailey, Engrossed Substitute House Bill No. 433 was ordered placed at the end of the second reading calendar for today.

ENGROSSED HOUSE BILL NO. 567, by Representatives Bagnariol, Barden and Merrill:

Providing for merger of sewer districts into water districts.

The Senate resumed consideration of Engrossed House Bill No. 567 and the pending amendment by Senator Whetzel.

There being no objection, that portion of the pending amendment following sec. 9 was withdrawn.

The Senate resumed consideration of the following amendment by Senator Whetzel:

On page 5, following section 7, add two new sections as follows:

"Sec. 8. Section 1, chapter 261, Laws of 1961 and RCW 56.08.100 are each amended to read as follows:

A sewer district, by a majority vote of its board of commissioners, may enter into contracts to provide health care services and/or group insurance, [other than life insurance] including term life insurance, for the benefit of its employees and/or commissioners and may pay all or any part of the cost thereof. Any two or more sewer districts or one or more sewer districts and one or more water districts, by a majority vote of their respective boards of commissioners, may, if deemed expedient, join in the procuring of such health care services and/or group insurance [other than life insurance,] and the board of commissioners of each participating sewer and/or water district may by appropriate resolution authorize their respective district to pay all or any portion of the cost thereof.

Sec. 9. Section 2, chapter 261, Laws of 1961 and RCW 57.08.100 are each amended to read as follows:

A water district, by a majority vote of its board of commissioners, may enter into contracts to provide health care services and/or group insurance, [other than life insurance] including term life insurance, for the benefit of its employees and/or commissioners and may pay all or any part of the cost thereof. Any two or more water districts or any one or more water districts and one or more sewer districts, by a majority vote of their respective boards of commissioners, may, if deemed expedient, join in the procuring of such health care services and/or group insurance [other than life insurance,] and the board of commissioners of each participating sewer and/or water district may by appropriate resolution authorize their respective district to pay all or any portion of the cost thereof."

POINT OF INQUIRY

Senator Holman: "Will Senator Whetzel yield? Senator, in the third line of the text of the first amendment, you have stricken 'other than life insurance' so that it now appears that they may provide group insurance including term life."

Senator Whetzel: "Yes."

Senator Holman: "I would assume now that they could also provide group life, other types of life insurance which might have more than the term feature and might have an

endowment or some other factor in there and thereby really involve granting a sort of an investment privilege to the employees. Is that your intention?"

Senator Whetzel: "No, I think it is strictly limited to term life insurance. As you may know, many medical insurance policies include a group feature. Many union contracts have these with their medical—as kind of a package program. I know that the private insurance I have, in my private employment which is with one carrier, is both a medical disability coverage and includes a group term life insurance part of that.

"I think the purpose of this in the policies is if the employee dies while he is employed during the term of employment, the employer is very happy to have this because it avoids the necessity of dipping into the funds to pass some kind of special thing for the widow and kind of in lieu of a pension arrangement. I think that is all that they are trying to get at here."

Senator Holman: "I would like to pursue that because I think that is what they are trying to get at but I do not think they have said that. I think you have now opened it up, while you have said 'including term life insurance,' you have not limited to that. I think there should be some more exclusionary language to eliminate finally any question that there might be other types of life insurance that could be included."

Senator Whetzel: "Senator Holman, I am not certain I agree with you. The language of this clearly says it can only be contracts for health care services and/or group insurance. I suppose you could work out a permanent group policy but I have never heard of one. They are always term insurance. Then the life insurance is modified by the word 'term' so I do not think they could go beyond that. If they went beyond just the straight term life into with some whole life features, it is true many term life insurance policies have a conversion feature but this is not something that the employer picks up usually. It is something at the option of the employee when he has terminated his employment that he can pick up and I do not think that—certainly I do not intend that this goes beyond the term feature."

POINT OF INQUIRY

Senator Guess: "Would Senator Whetzel yield? Senator, this organization would not come under the National Labor Relations Board, is that right?"

Senator Whetzel: "I just cannot say, Senator Guess."

Senator Guess: "Thank you, Senator."

Senator Mardesich moved adoption of the following amendment:

Amend the Whetzel amendment to page 5, following section 7, as follows:

On line 6 of the amendment strike "including" and insert "and/or"

On line 5 of section 9 of the amendment, strike "including" and insert "and/or"

POINT OF INQUIRY

Senator Guess: "Would Senator Mardesich yield? Senator, I still cannot quite comprehend what the impact of this is going to be."

Senator Mardesich: "The impact, if I might Mr. President, would be to solve the question raised by Senator Fleming as to whether or not this type of group insurance exists. And if the and/or was included within—put in there in place of 'including', I suggest that it could be some type other than group and therefore would solve the problem raised by Senator Holman.

"As to your objection, it would also take out the directive nature and make it an alternative possible program so that there could be one program applying to the commissioners and another for his employees and solve the problem you raised, if in fact the problem exists."

The motion by Senator Mardesich carried and the amendment to the amendment was adopted.

The amendment by Senator Whetzel, as amended, was adopted.

On motion of Senator Whetzel, the following amendment to the title was adopted:

Beginning on line 1 of the title after "districts;" strike everything down to and including "districts;" on line 3 and insert "amending section 1, chapter 261, Laws of 1961 and RCW 56.08.100; amending section 2, chapter 261, Laws of 1961 and RCW 57.08.100;"

On motion of Senator Whetzel, the rules were suspended, Engrossed House Bill No. 567, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Holman: "Will Senator Ridder yield? Senator, have you checked with anyone in the House to see whether when this bill goes back with this amendment on it might be challenged on the ground of scope and object?"

Senator Ridder: "No, we have not checked. I would refer this question to Senator Whetzel. I believe that he has a little bit more ground work than I on the amendment."

Further debate ensued.

President Pro Tempore Henry assumed the Chair.

POINT OF INQUIRY

Senator Andersen: "Would one of the sponsors explain something that remains somewhat of a mystery to me and that is, what exactly is the reason why this legislature should authorize sewer district commissioners and water district commissioners to use public funds to provide for themselves health care services, group insurance, life insurance and that kind of thing? This looks to me like an additional tax. Is there some compelling urgency? Is this job so difficult and so onerous that we have to load up the people that are paying the freight on this with all these additional expenses?"

Senator Whetzel: "Senator Andersen, I think that being elected officials they are probably in no particularly different situation than members of the legislature who have available to them a health care plan paid by tax funds, and in this case it is not tax funds in most instances. In water and sewer districts, they are dealing with revenues of services. They are elected and I think if they go overboard and indulge in something that is too elaborate in taking care of themselves, the voters will take care of them as they probably would take care of us if we enriched ourselves too much."

POINT OF ORDER

Senator Bailey: "I have been harping on these questions in the record for a long time and I think Senator Andersen's are not questions, they are arguments for or against the bill and I think they are highly improper under the form of questioning."

Senators Talley, Bailey and Greive demanded the previous question and the demand was sustained.

President Pro Tempore Henry declared the question before the Senate to be the final passage of Engrossed House Bill No. 567, as amended by the Senate.

ENGROSSED HOUSE BILL NO. 567, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

POINT OF ORDER

Senator Gissberg: "My point of order is that Rule 3 prohibits what is going on up at the desk right now and it started yesterday and it is pretty bad. I do not think that when the roll is being taken or counted that Senators should be up at the desk. It is very confusing, not only to the clerk but everybody here on the floor. Rule 3 specifically prohibits it."

ENGROSSED SUBSTITUTE HOUSE BILL NO. 321, by Committee on Transportation:

Providing for suspended sentences for driving while intoxicated.

REPORT OF STANDING COMMITTEE

May 3, 1971.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 321, providing for suspended sentences for driving while intoxicated (reported by Judiciary Committee):

MAJORITY recommendation: Do pass with the following amendments:

On page 2, of both the printed and engrossed bill, following section 1, strike the remainder of the bill.

On line 3 of the title of both the printed and engrossed bill, after "RCW 46.61.515" strike the remainder of the sentence down to the period on line 4.

Debate ensued.

POINT OF INQUIRY

Senator Holman: "Would Senator Gissberg yield? Senator, I was not at the Judiciary Committee meeting where the amendment was put on to strike this particular part of the bill and I rather felt when I heard that it was stricken, that I probably would not have gone along with it, but I did not have strong feelings. But now it appears that the committee amendment may not be adopted and so this will be in here.

"Now I have to raise a question with you that I otherwise would not have. I refer you to section 4 on page 3, line 18 which is a proviso saying that where more than one described offense shall be committed within a six-hour period, such multiple offenses shall on the first such occasion be treated for the purposes of this chapter as one offense if the person charged has no record of prior offenses chargeable under this chapter. It is the last clause that I am concerned with. 'If the person charged has no record of prior offenses chargeable under this chapter.'

"First I thought that 'chargeable under this chapter' meant the chapter in RCW which probably had several offenses that you could be charged with, but now I tend to believe that we are talking about a new chapter and I am wondering what other offenses are chargeable under this chapter, referring to this particular bill. The only offense here is being an habitual offender and I do not quite see, if you have been an habitual offender, does this mean you had this treatment and you have been denied your rights for five years, then got them back and then you can come back in here and that is what this applies to? I just do not know what that means."

Senator Gissberg: "I do not know."

MOTIONS

Senator Holman moved that Engrossed Substitute House Bill No. 321 be placed at the end of today's second reading calendar.

Senator Atwood moved that Engrossed Substitute House Bill No. 321 be returned to the Committee on Rules and Joint Rules.

RULING BY PRESIDENT PRO TEMPORE

President Pro Tempore Henry: "The point of order is well taken."

The motion by Senator Holman carried and Engrossed Substitute House Bill No. 321 was ordered placed at the end of today's second reading calendar.

Sec. 5. Section 6, chapter 131, Laws of 1967 ex. sess. and RCW 44.64.060 are each amended to read as follows:

The [attorney general] *senate board of ethics and house board of ethics designated in chapter 44.60 RCW shall enforce the provisions of this chapter [and shall prosecute, or may delegate to the appropriate prosecuting attorney the prosecution of all violations of this chapter: PROVIDED, That this section shall not preclude actions for the recovery of damages.] with the assistance of the attorney general. Each board shall have the following powers, duties, and functions:*

(1) *The boards jointly, with the advice and assistance of a member of the attorney general's staff, shall adopt procedural rules and guidelines for processing complaints and notifications of violations including, but not limited to, rules for the preservation of confidentiality when necessary and in the public interest.*

(2) Upon the written complaint of any person who has reason to believe that there is or has been a violation of this 1971 amendatory act, or whenever in the board's judgment the public interest requires, either board may cause the attorney general to investigate the activities of any lobbyist or other person when there is reason to believe he is or has been acting in violation of this 1971 amendatory act, or to authorize the attorney general to bring immediate civil action as provided in this act.

(3) When the attorney general investigates any lobbyist or other person as directed by either the senate board of ethics or house board of ethics he may require any such person or any other person reasonably believed to have information concerning the activities of such person to appear at a time and place designated by the attorney general in the county in which such person resides or is found, to give such information under oath and to produce all accounts, bills, receipts, books, papers, and documents related to the expenditures statement required by section 7 of this 1971 amendatory act. When the attorney general requires the attendance of any person to obtain such lobbying information or the production of the lobbyist's accounts, bills, receipts, books, papers and documents required to be preserved by section 7 of this 1971 amendatory act, he shall issue an order setting forth the time when and the place where attendance is required and shall cause the same to be delivered to or sent by registered mail to the person at least fourteen days before the date fixed for attendance. Such order shall have the same force and effect as a subpoena, shall be effective state-wide, and, upon application of the attorney general, obedience to the order may be enforced by any superior court judge in the county where the person receiving it resides or is found, in the same manner as though the notice were a subpoena. The court, after hearing, for good cause, and upon application of any person aggrieved by the order, shall have the right to alter, amend, revise, suspend, or postpone all or any part of its provisions. In any case where the order is not enforced by the court according to its terms, the reasons for the court's actions shall be clearly stated in the record, and shall be subject to review by the appellate courts by certiorari or other appropriate proceeding.

(4) When the attorney general finds that a lobbyist has violated or is violating any provisions of this 1971 amendatory act he shall report his findings and recommendations to the board directing the investigation.

(5) When the senate board of ethics or house board of ethics has reason to believe that a lobbyist has violated or is violating any provision of this 1971 amendatory act, either board may request the attorney general to bring a civil action to revoke such lobbyists' registration and enjoin his lobbying activities. A lobbyist whose registration is revoked shall be enjoined from all lobbying activities for a period of not less than two years: PROVIDED, HOWEVER, That revocation of a lobbyist's registration does not excuse said lobbyist from filing the statements required under section 7 of this 1971 amendatory act.

(6) When the senate board of ethics or house board of ethics has reason to believe that a lobbyist has failed to file any statement required by section 7 of this 1971 amendatory act, or that a lobbyist has filed any such statement reporting less than the amount required to be reported, either board may request the attorney general to bring an action in the name of the state to require the filing of the required statement or information. If the state prevails in such action, there may be awarded as a judgment to the state for its general fund an amount not more than treble the difference between the amounts the lobbyist failed to disclose or file and the amounts the lobbyist actually disclosed or filed as having been made or incurred in connection with his lobbying activities; and the court may, in addition, award to the state all costs of investigating and trial, including a reasonable attorney's fee to be fixed by the court. If damages or treble damages are awarded in such action, the judgment may be awarded against the lobbyist, the lobbyist's employer or employers joined as defendants, jointly, severally, or both.

(7) The senate board of ethics or house board of ethics may by general rule authorize the attorney general to serve written notice upon any person whenever the attorney general has reason to believe that person is or has been violating section 2 of this 1971 amendatory act by carrying on lobbying activities without having registered, which notice shall direct such person to respond within twenty-four hours of receipt of such notice and show cause why he should not register or be enjoined from all lobbying activities. An action to enjoin such person's lobbying activities may be brought by the attorney general if the person does not register and the attorney general does not receive a satisfactory response as directed.

NEW SECTION. Sec. 6. There is added to chapter 131, Laws of 1967 ex. sess. and to chapter 44.64 RCW a new section to read as follows:

The powers and duties of the attorney general pursuant to this 1971 amendatory act are in addition to his existing powers and duties and shall not be construed to limit or restrict the exercise of his powers or the performance of his duties under any other provision of law.

NEW SECTION. Sec. 7. There is added to chapter 131, Laws of 1967 ex. sess. and to chapter 44.64 RCW a new section to read as follows:

(1) Any lobbyist registered according to section 2 of this 1971 amendatory act shall file with the code reviser not later than sixty days after the expiration of his lobbyist registration, whether by termination of employment or adjournment of any session of the legislature, a complete and detailed statement upon a prescribed form showing:

The totals of all expenditures made or incurred by or on behalf of such lobbyist during the legislative session, which totals shall be segregated according to financial category, including but not limited to the following: Entertainment, including food and refreshments; advertising; contributions; and other expenses or services: PROVIDED, HOWEVER, That a

lobbyist's personal living and travel expenses and the expenses incidental to establishing and maintaining an office in connection with lobbying activities need not be reported.

The reporting period of the statement required by this subsection shall be the duration of each legislative session: PROVIDED, HOWEVER, That when an extraordinary session follows immediately after a regular session, the reporting period of the statement required by this subsection shall be the duration of both the regular and the extraordinary sessions, and such statement shall be filed not later than sixty days after the adjournment of the extraordinary session.

(2) Within ninety days after the termination of all lobbyist registrations by the adjournment of the legislature, the code reviser shall publish a report showing each person who has registered as a lobbyist since the last such report, and shall deliver a copy of such report to the governor, the president of the senate, the speaker of the house, the president of the capitol correspondents' association, the attorney general and the secretary of state. The report shall contain:

- (a) The lobbyist's name and permanent address;
- (b) The name and address of all employers listed by such lobbyist;
- (c) The total of all expenditures by category reported by such lobbyist.

The secretary of state shall file and preserve such report for a period of three years as a public record open to public inspection.

NEW SECTION. Sec. 8. There is added to chapter 131, Laws of 1967 ex. sess. and to chapter 44.64 RCW a new section to read as follows:

A lobbyist has the following obligations, the violation of which shall constitute cause for revocation of his registration, and may subject the lobbyist to other civil liabilities, as provided by this 1971 amendatory act.

A lobbyist shall obtain and preserve all accounts, bills, receipts, books, papers, and documents necessary to substantiate the financial reports required to be made under this 1971 amendatory act for a period of at least two years from the date of the filing of the statement containing such items: PROVIDED, That if the lobbyist is required under the terms of his employment contract to turn any records over to his employer, responsibility for the preservation of such records under this subsection shall rest with such employer.

In addition, a lobbyist shall not:

- (1) Engage in any activity as a lobbyist in any session before registering as such;
- (2) Knowingly deceive or attempt to deceive any legislator as to any fact pertaining to any pending or proposed legislation;
- (3) Cause or influence the introduction of any bill or amendment thereto for the purpose of thereafter being employed to secure its defeat;
- (4) Knowingly represent an interest adverse to any of his employers without first obtaining such employer's written consent thereto after full disclosure to such employer of such adverse interest.

Sec. 9. Section 3, chapter 150, Laws of 1967 ex. sess. and RCW 44.60.030 are each amended to read as follows:

The jurisdiction of the respective boards of ethics created by this chapter shall be strictly limited to the consideration of the conduct of the members of its own house [and], the conduct of employees of its own house, and the activities of legislative lobbying regulated under chapter 44.64 RCW.

NEW SECTION. Sec. 10. Section 5, chapter 131, Laws of 1967 ex. sess. and RCW 44.64.050 are each repealed.

NEW SECTION. Sec. 11. The enactment of this 1971 amendatory act shall not have the effect of terminating, or in any way modifying, any liability, civil or criminal, which shall already be in existence at the date this act becomes effective. Nothing in this 1971 amendatory act shall be construed to in any way limit the power of the senate and house of representatives, or either of them, to adopt additional or supplementary rules regarding lobbying activities nor limit the right of any person to recover damages from any other person on account of any violation of this 1971 amendatory act.

NEW SECTION. Sec. 12. If any provision of this 1971 amendatory act, or its application to any person or circumstance is held invalid, the remainder of this act, or the application of the provision to other persons or circumstances is not affected."

Signed by: Senators Walgren, Chairman; Atwood, Day, Elicker, Gardner, Jolly, Lewis.

The bill was read the second time by sections.

Senator Walgren moved adoption of the committee amendment.

POINT OF INQUIRY

Senator Holman: "Would Senator Walgren yield? Senator, what penalties are there then for violation of the act if you have stricken the law with respect to criminal penalties?"

Senator Walgren: "I do not think I said that we have stricken the law."

Senator Holman: "Section 10 of the bill, as I read it, repeals section 5."

Senator Walgren: "New section, section 11, provides that nothing in this 1971 amendatory act shall be construed in any way to limit the power of the Senate and the House of Representatives and also provides that the enactment of this 1971 amendatory act shall not have the effect of terminating or in any way modifying any liability, civil or criminal, which shall already be in existence at the date this act becomes effective."

Senator Holman: "I understand that but on page 11 of the committee amendment on line 2, that section 5 of the present act is repealed. That is the act that places criminal penalties, so there will be no more criminal penalties."

Senator Walgren: "The specific criminal penalties with regard to lobbying activities are stricken by this repealing action, but as to any other criminal penalties that may be in existence at the time that this act is adopted, they are still in effect."

Senator Holman: "No, but future violations of this act have no criminal sanction, is that correct?"

Senator Walgren: "In this particular act that is correct."

Senator Holman: "Could you explain why that is?"

Senator Walgren: "The change that was suggested and was made was to provide that the board of legislative ethics of both the Senate and the House, together with the attorney general's office would be in a position to prescribe various civil penalties for violations of the act which are found on pages 6 and 7 of the pink sheet."

Further debate ensued.

SECOND SUBSTITUTE HOUSE BILL NO. 594, by Committee on State Government: Prohibiting discrimination based on sex, race, creed, color or national origin.

REPORT OF STANDING COMMITTEE

April 6, 1971.

SECOND SUBSTITUTE HOUSE BILL NO. 594, prohibiting discrimination based on sex, race, creed, color or national origin (reported by Judiciary Committee):

MAJORITY recommendation: Do pass with the following amendment:

On page 3, section 3, line 8, after "PROVIDED," and before "That" insert "*That it shall not be an unfair practice for an employer to observe the terms of a bona fide seniority system or any bona fide employee benefit plan such as a retirement, pension, or insurance plan, which is not a subterfuge to evade the purpose of this chapter, except that no such employee benefit plan shall excuse the failure to hire any individual: PROVIDED FURTHER,*"

Signed by: Senators Gissberg, Chairman; Dore, Vice Chairman; Andersen, Durkan, Foley, Francis, Holman, Twigg, Walgren.

The bill was read the second time by sections.

On motion of Senator Gissberg, the committee amendment was not adopted.

On motion of Senator Francis, the rules were suspended, Second Substitute House Bill No. 594, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Wilson: "Would Senator Francis yield? I would assume, Senator, it is not the intent of this legislation, for example, to prohibit classified ads in newspapers or the comparable type of advertising on radio stations which, for example, in which a person might be looking for a male farm hand or a female cleaning lady and that sort of thing where there obviously would be a distinction as between the requirements for the position."

Senator Francis: "It does not prohibit that and I will go further and say it does not even do the minimal things that I would like to see done in connection with advertising, such as 'Help Wanted—Men' and 'Help Wanted—Women', which I do not think we ought to have in the newspapers at all. I think it ought to be broken down by general job types rather than by sexual distinctions. We do not get at that problem in this bill. We did in Senate Bill No. 7 which we will not be passing here. I can only hope that next session we can rectify that. We are not even getting at the problem. We certainly are not creating any problems in that area. It does not speak to that at all."

POINT OF INQUIRY

Senator Bailey: "Will Senator Francis further yield? It would not be an act of discrimination then, after this act is passed, to put a 'men's' sign in the men's room and a 'women's' sign in the women's room?"

Senator Francis: "That is correct, Senator Bailey. This bill does not deal with public accommodations in any way and I would hope that when we do get to the question of public accommodations we will still be able to make it possible to have the privacy of our own separate restrooms."

POINT OF INQUIRY

Senator Woodall: "Would Senator Francis further yield? Under this no discrimination sex bill as you now have it, assume a period of unemployment or reduction of staff. Would it be a proper distinction that if you knew that both man and wife had employment, would you be able to elect to release the wife from employment, knowing that there was still a wage earner in the family and keep, instead of her, the head of another household so that that household would not have to go on some public form of assistance? In other words, could you make the distinction in a reduction of force on a basis of trying to keep one wage earner in each family rather than allowing two to be in one family and none in the other?"

Senator Francis: "Senator Woodall, the question, I think, is an excellent one and the answer I am giving I am not guaranteeing the accuracy of. It would be my interpretation that such basis would not be a sexual distinction. In fact, you could very well decide that the best earner in that particular family was the wife. It may be that husband and wife could get together to decide which one would lose the job. I would not think that that would be a sexual discrimination and I would feel that the bill does not interfere with that management decision."

ROLL CALL

The Secretary called the roll on the final passage of Second Substitute House Bill No. 594, and the bill passed the Senate by the following vote: Yeas, 45; absent or not voting, 3; excused, 1.

Voting yea: Senators Andersen, Atwood, Bailey, Canfield, Clarke, Connor, Cooney, Day, Donohue, Durkan, Elicker, Fleming, Foley, Francis, Gardner, Gissberg, Greive, Guess, Henry, Herr, Holman, Huntley, Jolly, Keefe, Knoblauch, Lewis, McDougall, Mardesich, Matson, Metcalf, Murray, Newschwander, Odegaard, Peterson (Lowell), Peterson (Ted), Ridder, Sandison, Scott, Stender, Stortini, Twigg, Waigren, Whetzel, Wilson, Woodall—45.

Absent or not voting: Senators McCutcheon, Talley, Washington—3.

Excused: Senator Dore—1.

SECOND SUBSTITUTE HOUSE BILL NO. 594, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

HOUSE BILL NO. 684, by Representatives Zimmerman, Backstrom and Berentson:

Requiring that certain insurance contracts include psychological service.

The bill was read the second time by sections.

Senator Day moved adoption of the following amendments:

On page 2, line 1, insert the following:

“NEW SECTION. Sec. 3. There is added to chapter 48.44 RCW a new section to read as follows:

It shall be an unfair practice for a health care service contractor subsequent to the effective date of this act to enter into, renew or extend any contract for the furnishing of health care services which contract does not include in the services offered, when requested by a health care service beneficiary, as defined by 48.44.010 (3) RCW, and offered by a health care service contractor, excluding cooperative groups and groups of hospitals licensed by the state of Washington, any of the services described in 48.44.010 (1) RCW.”

Renumber old section 3 as section 4.

On page 2, line 1, after “1” insert “,” and strike “and”, after “2” insert “and 3”

POINT OF INQUIRY

Senator Guess: “Would Senator Day yield? In the field of labor relations, there are several hundred health and welfare groups in the state of Washington and I wonder what is going to be the effect. Now normally you enter into negotiations, you have so many cents to devote to the various items in the health and welfare package. Now suppose that there is no money to devote to this service? Is that going to be mandated?”

Senator Day: “Senator Guess, this does not mandate anything. It merely says when the beneficiary, who in this instance would be the group, requests that the service be included when they request it. In other words, let us take a contract with fifteen hundred people in it. It is up for re-negotiation and it would not be being bid just by a health care service contractor. It probably would be also being bid by a private insurance company.

“Now this legislature in its wisdom has mandated that whenever an insurance policy says physician, it automatically includes optometrists, podiatrists and chiropractors. So they have to bid with the service in. Now the only instance in which the health care contractor would have to include is if the beneficiary, in other words, the group, requested that they bid with that in the contract. Then in addition to that they could only request it if another health care service contractor or group offered that type of service.

“Western Vision Care, for example, offers vision care for optometrists. So they could request that optometrists be included but it would only be included when the beneficiary requested it. If you read it very carefully, it says, ‘when requested by a health care service beneficiary as defined in 48.44.010 (3) and offered by a health care service contractor.’ In other words, if it is not offered by any health care service contractor, even then the beneficiary could not request it.

“Now what this is is really a freedom of choice thing. It gives the beneficiary the right to request that the health care contractor not offer him a total monopoly contract if he wants other services in it.”

Debate ensued.

POINT OF INQUIRY

Senator Holman: “Senator Day, a question please? Senator, just to pin this down now, does this mean that if I have King county medical service health care coverage and I wish to have some health care service that they do not ordinarily cover but some other health care contractor does cover, then they have to give it to me?”

Senator Day: “No, it just says that they have to offer it to you in your renewed contract. In other words, it would not abrogate any existing contract at all. All it would say is, if you were in a group or an individual and when they offer you a new contract, subsequent to the effective date of this act, that they would have to offer you the service if you wanted it and it was available through another health care contractor. In other words,

they would obviously figure into it in the new contract they would be changing the premium and they would have to offer what you requested."

Senator Holman: "That is going a little far, isn't it?"

Senator Day: "No, I think that what that is doing is exactly what we have done with private insurance. We have said that when private insurers write a contract, this legislature in 1961 mandated that a physician be interpreted to include podiatry. So if you have a contract written subsequent to 1961 by a private insurer, you have mandated that the term 'physician' include 'podiatry'. We are now passing a bill that mandates it to include psychology. We are just saying here that if it is requested by the beneficiary and offered by a health care service contractor, that he may request that this additional service be available to him, and naturally if they adjust the premium, there would be an adjustment in premium."

POINT OF INQUIRY

Senator Guess: "Would Senator Day yield? Senator, I am covered by Spokane medical. Now, what relation does this amendment have to Spokane medical and my relation with Spokane medical?"

Senator Day: "Are you presently covered?"

Senator Guess: "I am presently covered."

Senator Day: "It does not change the contract one iota. The Constitution would preclude that. If they renewed, if you negotiate a new contract and if you are in a group and the group requests the addition of, say the recognition of an optometrist and the optometrist does have, under the health care service contractors' laws, a health care service organization, then you could request it and they would have to offer it.

"Now they could subcontract it through Western Vision Care or the optometrists' deal. The same thing with dental care. All this will do is broaden the availability of care. For example, there is the group dental plan. If your group asks that your prime contractor include dental care they naturally would feel that there would be an additional premium but they could ask that dental care be included and it says when the contract is offered they have to get together with the dental care group and offer the plan. Really the only mandate in this is that the beneficiary can mandate that that prime mover, which is a monopoly in Spokane county, must get together with the other existing health care contractors and offer a composite plan to your group."

The motion by Senator Day carried and the amendments were adopted.

On motion of Senator Day, the following amendments to the title were adopted:

On page 1, line 2, before "services" strike "psychological"

On page 1, line 4, after "48.20 RCW;" strike "and"

On page 1, line 5, after "RCW;" insert "and adding a new section to chapter 48.44 RCW;"

On motion of Senator Day, the rules were suspended, House Bill No. 684, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

ENGROSSED HOUSE BILL NO. 687, by Representatives Conner, Flanagan and Gallagher:

Increasing commercial salmon fishing license fees.

REPORT OF STANDING COMMITTEE

April 13, 1971.

ENGROSSED HOUSE BILL NO. 687, increasing commercial salmon fishing license fees (reported by Committee on Natural Resources, Fisheries and Game):

MAJORITY recommendation: Do pass with the following amendment:

On page 6, following line 22, insert a new section to read as follows:

“NEW SECTION. Sec. 11. There shall be established in the state treasury a fund known and denominated as the department of fisheries building account. Fifty percent of the revenue to be derived from this amendatory act shall be deposited in the department of fisheries building account in the general fund to be used solely for capital outlay for the department of fisheries for salmon propagation and to match federal funds for new fisheries facilities.”

Renumber the following section.

Signed by: Senators Peterson (Lowell), Chairman; Clarke, Gissberg, Matson, Metcalf, Peterson (Ted), Sandison, Talley.

The bill was read the second time by sections.

On motion of Senator Peterson (Lowell), the committee amendment was adopted.

Senator Bailey moved adoption of the following amendment by Senators Bailey and Talley:

On page 6, following new section 11 added by the Senate Committee amendment, insert:

“NEW SECTION. Sec. 12. The fees for all licenses prescribed in this act shall be double for non-residents of the state.”

POINT OF INQUIRY

Senator Peterson (Lowell): "Would Senator Bailey yield? Senator, in your amendment, are we putting ourselves in a position of discriminating or jeopardizing in any way our own resource? Would Alaska and Oregon double rates to our fishermen?"

Senator Bailey: "Senator Peterson, the old law always had a difference between out-of-state fishermen and local fishermen. Now we are coming in here and doubling the fishing license, mainly on our own people, and we have stricken any difference between our residents and non-residents.

"It is my understanding the state of Oregon is sitting down there waiting for us to adjourn so they can adopt a schedule that will benefit Oregon no matter what we do so I think the time has come that we are going to be out of here Monday night and we have to take action today. I am not worried about Alaska, I am worried about Oregon."

Senator Peterson (Lowell): "Thank you, Senator. I would concur in your amendment."

The motion by Senator Bailey carried and the amendment was adopted.

Senator Peterson (Ted) moved adoption of the following amendment by Senators Mardesich and Peterson (Ted):

On page 6, section 11, line 23, following old section 10, strike all of the material down to and including "1972." on line 24 and insert:

"Sec. 13. Section 75.12.010, chapter 12, Laws of 1955 and RCW 75.12.010 are each amended to read as follows:

It shall be unlawful to fish for, catch, or take any species of salmon for commercial purposes, except as hereinafter provided, within the waters of the Straits of Juan de Fuca, Puget Sound and waters connected therewith within the state of Washington described as lying to the southerly, easterly and southeasterly of a line described as follows:

Commencing at a concrete monument on Angeles Point in Clallam county, state of Washington, near the mouth of the Elwha River on which is inscribed "Angeles Point monument" in the latitude 48° 9'3" 30" true from said point across the flashlight and bell buoy off Partridge Point and thence continued to where said line intersects longitude 122° 40' west; thence north on said line to where said line intersects the southerly shore of Sinclair Island at high tide; thence along the southerly shore of said island to the most easterly point thereof; thence north 46° east true to the line of high tide at Carter Point, the most southerly point of Lummi Island; thence northwesterly along the westerly shore line at high tide of said Lummi Island to where said shore line at high tide intersects the line of longitude 122° 40' west; thence north on said line to where said line intersects the mainland at the line of high-tide; including within said area the southerly portion of Hale Passage, Bellingham Bay, Padilla Bay, Fidalgo Bay, Guemes Channel, Skagit Bay, Similk Bay, Saratoga Passage, Holmes Harbor, Possession Sound, Admiralty Inlet, Hood Canal, Puget Sound, and all inlets, passages, waters, waterways, and the tributaries thereof: PROVIDED, That subject to such seasons and regulations as may be established from time to time by the director, fishing for salmon for commercial purposes within the above described waters with gill nets, round haul nets, and troll lines with not to exceed six hooks per boat shall be lawful, and subject to such regulations and to such shorter seasons as the director may establish from time to time [.] It shall be lawful to fish for salmon for commercial purposes within the above described waters with any lawful gear during the period extending from the tenth day of June to the twenty-fifth day of the following July and from the fifth day of October to and including the thirtieth day of the following November, except during the hours beginning 4:00 o'clock p.m. of Friday and ending at 4:00 o'clock a.m. of the Sunday following:

PROVIDED, That for the privilege of purse seining in said waters during the lawful periods a seiner's permit from the director of fisheries shall be required, which permit shall issue on application and payment of a fee of ten dollars:

PROVIDED, That whenever the director determines that a stock or run of salmon cannot be feasibly and properly harvested in the usual manner, and that such stock or run of salmon may be in danger of being wasted and surplus to natural or artificial spawning requirements, the director may maneuver units of lawful gill net and purse seine gear in any number or equivalents at his discretion, by time and area, to fully utilize such harvestable portions of these salmon runs for the economic well being of the citizens of this state:

PROVIDED, That subject to such regulations and to such shorter seasons as the director may establish from time to time, it shall be lawful to fish for salmon for commercial purposes with any lawful-gear in each odd year during the period running from the first day of August to the first day of September, both dates inclusive, in the waters lying inside of the following described line: A line commencing at a red wooden monument located on the most easterly point of Dungeness Spit and thence projected to a similar monument located at Point Partridge on Whidby Island and a line commencing at a red wooden monument located on Olele Point and thence projected easterly to a similar monument located at Bush Point on Whidby Island.

NEW SECTION. Sec. 14. The provisions of section 11 of this 1971 amendatory act are necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately. The provisions of sections 1 to 10 inclusive of this 1971 amendatory act shall take effect on January 1, 1972."

POINT OF ORDER

Senator Talley: "I think this amendment completely enlarges the scope and object of the bill."

Debate ensued.

POINT OF INFORMATION

Senator Peterson (Lowell): "Could we have a ruling from the Chair on Senator Talley's request before we go into the merits of the measure?"

REPLY BY THE PRESIDENT

The President: "The President yesterday gave a ruling without permitting the members to speak upon the point. The President wishes to exhaust every aspect of the point before making a ruling, Senator Peterson."

POINT OF INQUIRY

Senator Talley: "I wonder if Senator Ted Peterson would answer a question? I noticed that you said that the fish were going to go through the locks and the locks would be open. What kind of a signal do these salmon give when they want to go through the locks?"

Senator Peterson (Ted): "Because they cannot do what a boat owner does, he can ring a bell and advise the lock tender he is there, they are out there in the salt water splashing and kicking around and he knows they are there."

RULING BY THE PRESIDENT

The President: "The President in ruling on the point of order as raised by Senator Talley finds that House Bill No. 687 is a measure pertaining to commercial fishing regulations and fees. The amendment proposed by Senators Mardesich and Peterson is likewise a proposal which regulates the commercial fishing industry and establish fees for certain rights. Therefore the point of order is not well taken."

Senator Bailey moved adoption of the following amendment to the amendment by Senators Mardesich and Peterson (Ted):

On page 3, line 10 of the amendment after "Island" and before the period add the following:

"*PROVIDED, That the director shall not sell surplus salmon from hatcheries or any source other than test fishing except as provided in section 11 of this amendatory act*"

Following section 10 of the amendment add the following:

"*NEW SECTION. Sec. 11 (1) Except for salmon taken in the course of test fishing the director of the department of fisheries is authorized to sell only those salmon in the possession of the department which have been inspected and graded as fit solely for animal food. No salmon carcasses deemed fit for human consumption shall be sold and such salmon shall be disposed of through distribution to state institutions or to charitable institutions. Salmon eggs suitable for human consumption may be sold.*

(2) The proceeds of all departmental sales of salmon or salmon eggs shall be applied to reimburse the department for expenses incurred in the processing and distribution of edible salmon to state institutions or charitable institutions. Any proceeds excess to such costs shall be placed in the general fund to the department's credit and disbursed only for support of the department's salmon hatchery program as provided in section 3 (4) of this 1971 amendatory act."

Debate ensued.

POINT OF ORDER

Senator Lewis: "Mr. President, I would like to raise the question of scope and object on the amendment to the amendment by Senator Bailey. It appears to me that it goes far beyond the original scope and object of the bill and that it involves, as he has said directly on the floor, the direct involvement of state institutions, of the welfare department of the treatment of the poor, of the canning industry, etc. It seems to me that it is clearly and obviously far beyond the scope and object of the bill."

RULING BY THE PRESIDENT

The President: "The President in ruling upon the point of order by Senator Lewis, the President has previously stated finds that House Bill No. 687 is a measure pertaining to commercial fishing regulations and fees. The amendment proposed by Senator Bailey relates to the disposition of fish taken in the course of test fishing as outlined in section 11. Section

11 is not a part of the bill or even of the amendment pending but is a part of the amendment proposed by Senator Bailey. Therefore the President believes that the amendment does increase the scope and object of the amendment by Senators Mardesich and Ted Peterson."

The amendment by Senator Bailey to the amendment by Senators Mardesich and Peterson (Ted) was ruled out of order.

Senator Andersen moved adoption of the following amendment by Senators Andersen, Clarke and Mardesich to the amendment by Senators Mardesich and Peterson (Ted):

On page 2, line 31 of the amendment strike the period and insert the following: "*except that gill net and purse seine gear other than emergency and test gear authorized by the fisheries department shall not be used in Lake Washington.*"

Debate ensued.

POINT OF INQUIRY

Senator Peterson (Lowell): "Will Senator Andersen yield? Senator, would your amendment be so broad in scope and object that should by some freak quirk of nature we get several thousand surplus fish in Lake Washington,—would your amendment preclude the department of fisheries from leasing vessels to go in and properly harvest this over-run?"

Senator Andersen: "I believe that it is a broad prohibition. I do not know how else to approach it. When this matter comes up on the floor like this, Senator Peterson, as I mentioned in my remarks in support of the amendment, I would propose to put this flat prohibition in and then the matter can be cut down or lessened or whatever is necessary by subsequent changes in the law. I believe that most of the catch you are talking about is in the Sound as I mentioned also in my remarks. I do not think the fish are any good in Lake Washington and I believe if you put purse seiners and gillnetters in there that there would be quite a furor. But this prohibition is strictly Lake Washington and it seems fairly reasonable to a lay person such as myself."

The motion carried and the amendment to the amendment was adopted.

The motion by Senator Peterson (Ted) carried and the amendment, as amended, was adopted.

On motion of Senator Ridder, the following amendment was adopted:

On page 6, line 23 of the engrossed bill, following section 13 of the Mardesich amendment, add two new sections to read as follows: Renumber section 14 of the Mardesich amendment as section 16.

"NEW SECTION. Sec. 14. There is added to chapter 75.28 RCW a new section to read as follows:

A personal commercial fishing license shall be obtained by each and every person who takes or assists in taking any salmon while on board a commercially licensed trolling vessel trolling for salmon in waters within the territorial boundaries of the state of Washington or who sells his commercial catch in the state of Washington.

The fee for such license is ten dollars per annum.

The personal license shall be carried on the person whenever such person is engaged in the taking, landing, or selling of any salmon: PROVIDED, That this section does not apply to owners or operators licensed pursuant to RCW 75.28.085 or owners licensed pursuant to RCW 75.28.095.

NEW SECTION. Sec. 15, Section 1, chapter 90, Laws of 1969 and RCW 75.28.095 are each amended to read as follows:

Every owner of a vessel used as a charter boat from which food fish are taken for personal use shall obtain a yearly charter boat license for each such vessel, and the fee for said license shall be fifty dollars per annum for residents and one hundred dollars per annum for nonresidents. "Charter boat" means any vessel from which persons may, for a fee, angle for food fish, and which delivers food fish taken from waters either within or without the territorial boundaries of the state of Washington into state ports.

[No vessel shall be licensed as a charter boat and hold a commercial salmon fishing license or vessel delivery permit at one and the same time.

A vessel may be transferred from charter boat fishing to commercial salmon fishing or vice versa by depositing the appropriate license and vessel delivery permit at the nearest office of the department of fisheries, provided that RCW 75.28.014 has been complied with.]

No vessel may engage in both charter or sports fishing and commercial fishing on the same day. A vessel may be licensed for both charter boat fishing and for commercial fishing at the same time: PROVIDED, That the license and delivery permit allowing the activity not being engaged in shall be deposited with the fisheries patrol officer for that area or an agent designated by the director.

Nothing in this section shall be construed to mean that vessels not generally engaged in charter boat fishing, and under private lease or charter being operated by the lessee for the lessee's personal recreational enjoyment shall be included under the provisions of this section."

Renumber the succeeding section.

On motion of Senator Mardesich, the following amendment to the title was adopted:

On page 1, line 21 of the title, after "RCW 75.28.220;" and before "and" insert "amending section 75.12.010, chapter 12, Laws of 1955 and RCW 75.12.010; declaring an emergency;"

On motion of Senator Ridder, the following amendment to the Mardesich title amendment was adopted:

On page 1, line 21, after "RCW 75.12.010;" in the Mardesich title amendment, insert "amending section 1, chapter 90, Laws of 1969 and RCW 75.28.095; adding a new section to chapter 75.28 RCW;"

On motion of Senator Mardesich, the rules were suspended, Engrossed House Bill No. 687, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

MOTION

On motion of Senator Murray, Senators Matson and McDougall were excused.

POINT OF INQUIRY

Senator Stender: "Mr. President and members of the Senate, I rise to oppose this bill and basically I am surprised that Senator Lowell Peterson has changed his position in this regard because now after conferring with Senator Atwood I find that there were, in fact, two bills on this question. The one I am looking at indicates that it is somewhat different than the amendment that is being placed here onto Senate Bill No. 687. Neither one of those, neither the House version nor the Senate version of the bills came out of their standing committee even though the numbers are quite small in relation to the amount of bills that we had, which indicates they were there some time ago.

"Now maybe Senator Lowell Peterson can tell me how it is that a bill that he believes is a good bill did not get out of his committee and come in the way that I suggested should be the way it be done in my previous remarks on the amendment. It seems to me that to do this orderly that if the people, the department the people that are in this industry and the public generally, are in accord with the amendments, then of course we should by all means pass this bill. If they are opposed to it, it seems to me that it would be wrong to come here at the end of a session and tack it onto a measure without having had the proper support from those that are directly involved. Maybe Senator Peterson would yield and tell me why that is. Could you do that, Senator?"

Senator Peterson (Lowell): "Senator Stender, perhaps you were not listening, in my previous remarks I indicated that I did not support the amendment as we amended the bill and I stated that the reason that I would still support the measure was the very nature of the fact that the only revenue that we had built into the budget that the department needs in propagation, we will get absolutely nothing further in the next biennium unless we generate this revenue by the passage of this act."

ROLL CALL

The Secretary called the roll on the final passage of Engrossed House Bill No. 687, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 36; nays, 10; absent or not voting, 2; excused, 1.

Voting yea: Senators Andersen, Atwood, Bailey, Canfield, Clarke, Cooney, Day, Donohue, Dore, Fleming, Foley, Francis, Gissberg, Greive, Henry, Herr, Holman, Jolly, Keefe, Knoblauch, Lewis, McDougall, Mardesich, Matson, Murray, Peterson (Lowell), Peterson (Ted), Ridder, Sandison, Scott, Stortini, Twigg, Walgren, Washington, Wilson, Woodall—36.

Voting nay: Senators Connor, Durkan, Gardner, Guess, Huntley, Metcalf, Newschwander, Odegaard, Stender, Talley—10.

Absent or not voting: Senators McCutcheon, Whetzel—2.

Excused: Senator Elicker—1.

ENGROSSED HOUSE BILL NO. 687, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

On motion of Senator Mardesich, Engrossed Substitute House Bill No. 433 was made a special order of business for 3:30 p.m. today.

MOTION FOR RECONSIDERATION

Having voted on the prevailing side, Senator Atwood moved that the Senate immediately reconsider the vote by which Substitute House Bill No. 461 passed the Senate. The motion carried.

MOTION

On motion of Senator Atwood, the rules were suspended and Substitute House Bill No. 461 was returned to second reading.

On motion of Senator Atwood, the following amendments were adopted:

POINT OF ORDER

Senator Andersen: "I raise as my point of order, Mr. President, that Senator Day's amendment exceeds the scope and object and for that reason is improper, is in violation of the Constitution and the rules of this body."

Debate ensued.

POINT OF INQUIRY

Senator McDougall: "Will Senator Day yield? Senator, did I hear you say that you had removed an amendment that the House had put onto this measure in order to make your amendment more. . . ."

Senator Day: "One minor section, yes."

Senator McDougall: "Would you relate which section that was?"

Senator Day: "It is the one that Senator Atwood is speaking to. It does amend the bill back to its original form so that actually, if the House has the prerogative to amend a title only bill, certainly the Senate does."

RULING BY THE PRESIDENT

The President: "The President in ruling upon the point of order finds that the remarks of Senator Guess and Senator Atwood are essentially correct, Senator Day. There is a House bill before the Senate and that the amendment proposed by you, Senator Day, is rather extensive and broad and therefore does change the scope and object of the bill."

The amendment by Senator Day was ruled out of order.

On motion of Senator Fleming, the rules were suspended, Engrossed House Bill No. 798 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed House Bill No. 798, and the bill passed the Senate by the following vote: Yeas, 42; absent or not voting, 7.

Voting yea: Senators Andersen, Atwood, Bailey, Canfield, Clarke, Connor, Cooney, Day, Donohue, Dore, Elicker, Fleming, Foley, Gardner, Gissberg, Greive, Guess, Herr, Holman, Huntley, Jolly, Keefe, Knoblauch, Lewis, McDougall, Matson, Metcalf, Odegaard, Peterson (Lowell), Peterson (Ted), Ridder, Sandison, Scott, Stender, Stortini, Talley, Twigg, Walgren, Washington, Whetzel, Wilson, Woodall—42.

Absent or not voting: Senators Durkan, Francis, Henry, McCutcheon, Mardesich, Murray, Newschwander—7.

ENGROSSED HOUSE BILL NO. 798, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SECOND READING

ENGROSSED HOUSE BILL NO. 888, by Representatives Morrison, Rosellini, Savage, Johnson and Benitz:

Pertaining to application of business and occupation taxes to nuclear fuel assemblies.

The bill was read the second time by sections.

Senator Holman moved adoption of the following amendment:

On page 5, section 3, line 11, insert as subdivision (11) the following:

"Upon every person engaging in the business of rendering computer services and of making sales of materials, supplies and processes used in or in respect to such services; as to such persons the tax imposed shall be equal to the gross proceeds derived from such services and sales multiplied by the rate of forty-four one-hundredths of one percent."

Debate ensued.

POINT OF ORDER

Senator Holman: "Senator Canfield is speaking to the bill and not to the amendment."

POINT OF ORDER

Senator Woodall: "In discussing any amendment you can discuss the bill and what the amendment does to the bill."

REPLY BY THE PRESIDENT

The President: "Senator Woodall's remarks are correct."
Further debate ensued.

POINT OF INQUIRY

Senator Ridder: "Will Senator Holman yield? The other day when we were discussing the problem of Boeing and the forgiveness of the six hundred thousand dollars per year in B&O tax, it was stated that the Boeing Company would pay this six hundred thousand dollars in tax in some other manner in the final product as produced by the company. I have had a lot of second thoughts about my vote on this bill the other day. I have talked to some people and they say that there is no way that this six hundred thousand dollars can be picked up on the final product as produced by Boeing, that actually it is a loss of six hundred thousand dollars or a million two in the biennium.

"Is it true that this six hundred thousand dollars forgiven in B&O taxes by the bill we passed here, would it be picked up on that final product?"

Senator Holman: "Senator, if it were picked up on the final product it would only be picked up at the rate that the Boeing Company pays, which is point forty-four hundredths of one percent. You cannot tell what type of computer work went into the product. It might go into some other Boeing operation that did not get involved in the product.

"The excuse, I believe, that the legislature has for giving this relief in House Bill No. 144 is that we want to help an infant industry get going. This means, and I think the Boeing Company is sincere, they want to build up a computer industry that serves not only the parent corporation but customers all around the world, if you please. They testified that they have a lot of customers but it is only five percent of their volume. Now they want to build that end up and this state wants to help them do that.

"Well we can do that best by this amendment here because that puts a reasonable B&O tax rate on that end of their business instead of the one percent they are now paying. So I think they would very much welcome this amendment. In any event, if they do not and if the Governor should sign House Bill No. 144, then he could simply take this off of this bill but this gives that latitude."

Further debate ensued.

Senator Canfield moved that the amendment by Senator Holman be laid upon the table.

Senators Holman, Ridder and Scott demanded a Call of the Senate. The demand was not sustained on a rising vote.

Senator Holman demanded a roll call and the demand was sustained by Senators Metcalf, Newschwander, McDougall, Whetzel, Stortini, Jolly, Lewis, Connor and Cooney.

MOTION

On motion of Senator McDougall, Senator Andersen was excused.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 772, by Committee on Natural Resources and Ecology:

Requiring permits for certain fires to control air pollution.

REPORT OF STANDING COMMITTEE

April 21, 1971.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 772, requiring permits for certain fires to control air pollution (reported by Committee on Medicine, Dentistry and Health Care, Air and Water Pollution):

MAJORITY recommendation: Do pass with the following amendments:

On page 2, section 2, line 17, of the printed and engrossed bills, after "have" and before "responsibility" insert "the"

On page 4, section 5, line 4, of the printed and engrossed bills, after "burning" strike "under" and insert "not included in section 2 thereof".

On page 4 of the printed and engrossed bill, add a new section following section 6 to read as follows:

"NEW SECTION. Sec. 7. There is added to chapter 70.94 RCW a new section to read as follows:

(1) Any county may, by resolution of its legislative body, withdraw from a multi-county or regional air pollution control authority, for the purpose of establishing a single-county air pollution control authority subject to the provisions of chapter 70.94 RCW.

(2) The withdrawal resolution must be served on the governing board of the district or authority at its next scheduled meeting and on or before such date a copy of the resolution shall be sent by registered mail to the Secretary of State and the department of ecology. The withdrawal shall become effective ninety days after service of the resolution upon the board or authority from which the county is withdrawing.

(3) The resolution shall contain a statement that the county accepts a pro rata share of the existing obligations of the district or authority from which it is withdrawing.

(4) The withdrawing county shall establish a county-wide air pollution control authority which shall become effective at the time the withdrawal is effective."

Re-number the remaining section accordingly.

Signed by: Senators Day, Chairman; Cooney, Elicker, Francis, Holman, Keefe, Odegaard.

The bill was read the second time by sections.

On motion of Senator Day, the committee amendments to page 2, section 2 and page 4, section 5 were adopted.

Senator Day moved adoption of the committee amendment to page 4, adding new section 7.

Debate ensued.

POINT OF ORDER

Senator Whetzel: "Point of order, Mr. President. My point of order is that the amendment under consideration enlarges the scope and object of the bill. The bill is one dealing with controlling burning fires in connection with forest operations, and the amendment is one that allows a county to withdraw from a regional air pollution control authority. I submit that is beyond the scope and object of the bill."

Debate ensued.

RULING BY THE PRESIDENT

The President: "The President in ruling on the point of order raised by Senator Whetzel finds that Engrossed Substitute House Bill No. 772 is a measure requiring burning permits under regulation of the department of natural resources and the department of ecology. The amendment proposed by the Committee on Medicine, Dentistry and Health Care, Air and Water Pollution is a measure which permits counties to withdraw from multi-county or regional air pollution control authorities and sets up the procedure to accomplish this withdrawal. The amendment does, therefore, increase the scope and object of the bill and the point of order is well taken."

The committee amendment to page 4, adding new section 7 was ruled out of order.

POINT OF INQUIRY

Senator Guess: "Would Senator Day yield? Senator, before we get out of the second reading process here, I would like to ask you how the grass seed producers of eastern Washington are going to fare under this bill and I would draw your attention particularly to the line beginning. . . ."

Senator Day: "Senator Guess, I know the section of the bill to which you refer and it is my understanding that the department of ecology together with the grass burning representatives from eastern Washington have agreed to this particular section and the language is acceptable to them. That is the only reason the bill came out of the committee."

Senator Guess: "Fine. Thank you very much, Senator."

On motion of Senator Newschwander, the following amendment by Senators Newschwander and Day was adopted:

On page 2, section 1, line 14 of both the printed and engrossed bills, after "filed" and before the period insert " : PROVIDED, That nothing herein shall prevent a householder from setting fire in the course of burning leaves, clippings or trash when otherwise permitted locally"

On motion of Senator Woodall, the following amendment by Senators Woodall and Canfield was adopted:

On page 2, section 1, line 14 of both the printed and engrossed bills, after the Newschwander/Day amendment, insert "Nothing contained herein shall prohibit Indian campfires or the sending of smoke signals if part of a religious ritual."

On motion of Senator Day, the rules were suspended, Engrossed Substitute House Bill No. 772, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

Voting nay: Senators Elicker, Wilson—2.

Absent or not voting: Senators Durkan, Francis, Henry, McCutcheon, Twigg—5.

Excused: Senator Holman—1.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 772, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

On motion of Senator Day, Engrossed Substitute House Bill No. 1041 was ordered placed at the beginning of the second reading calendar for Friday, May 7, 1971.

ENGROSSED HOUSE BILL NO. 351, by Representatives Julin, Charette, Hubbard and Backstrom:

Granting immunity to medical professionals bringing charges against fellow professionals.

REPORT OF STANDING COMMITTEE

April 6, 1971.

ENGROSSED HOUSE BILL NO. 351, granting immunity to medical professionals bringing charges against fellow professionals (reported by Judiciary Committee):

MAJORITY recommendation: Do pass with the following amendments:

Amend the amendment by the House Committee on Judiciary to page 1, section 1,

lines 8 to 21, as follows: on line 12 of the amendment, being page 1, line 17 of the engrossed bill, after "activities" strike "except where said physician, or dentist acts maliciously in filing the charges or presenting the evidence"

On page 1 following section 1 insert a new section to read as follows:

"NEW SECTION. Sec. 2. There is added to chapter 4.24 RCW a new section to read as follows:

Physicians licensed under chapter 18.71 RCW who, in good faith, file charges or present evidence against another member of their profession based on the claimed incompetency or gross misconduct of such person before the medical disciplinary board established under 18.72 RCW shall be immune from civil action for damages arising out of such activities."

On line 3 of the title, after "adding" and before "to" strike "a new section" and insert "new sections"

Signed by: Senators Gissberg, Chairman; Andersen, Atwood, Clarke, Francis, Holman, Woodall.

The bill was read the second time by sections.

MOTIONS

On motion of Senator Knoblauch, Senator Durkan was excused.

On motion of Senator Gissberg, the committee amendment to page 1 of the House Committee on Judiciary was adopted and the committee amendment to page 1 inserting new section 2 was adopted.

Senator Gissberg moved adoption of the committee amendment to the title.

POINT OF INQUIRY

Senator Day: "Would Senator Gissberg yield? Senator, did I understand you to say that this would exempt them from liability when testifying in front of the disciplinary board?"

Senator Gissberg: "Yes. New section 2 would do that. It would carry forward the principle expressed in section 1, which would grant them an immunity before the review committee of the hospital and would extend that immunity from civil suit to the situation where there was a complainant who is making the complaint to the medical disciplinary board."

Senator Day: "I see. I thought they already had that immunity."

Senator Gissberg: "No, they apparently do not."

The motion by Senator Gissberg carried and the committee amendment to the title was adopted.

On motion of Senator Gissberg, the rules were suspended, Engrossed House Bill No. 351, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Greive: "Senator Gissberg, would you yield to a question? Do I understand by this bill and by going through some sort of an interagency procedure in which a doctor or a hospital is presumably tried for their incompetence, that you freeze the records so they would not be available for a malpractice suit to protect the person from injuries?"

Senator Gissberg: "No, the answer is no to the question that you put. What it does do, it would immunize records where one doctor is complaining to a hospital board about the incompetency of another physician. In other words, he goes to the board of review of the hospital or the board of trustees."

Senator Greive: "I understand that."

Senator Gissberg: "That is all it does. It immunizes that particular. . . ."

Senator Greive: "Okay, I just want to get this in the record. This is not intended under any circumstances to be an act that would say that where a person has been wronged by a member of the medical profession that they could somehow protect these records from discovery."

Senator Gissberg: "Oh no, in no way."

On motion of Senator Washington, the rules were suspended, Substitute House Bill No. 247, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Donohue: "Will Senator Washington yield? Senator, if this particular portion that exempts propane fuel as used in motor vehicles such as buses, passes, let us assume that a bill No. 691 passes and Seattle transit system buys a lot of rubber tired buses using propane fuel. Is it true then that we are creating quite a windfall for the city of Seattle in the area of exemptions with this particular provision?"

Senator Washington: "It would only go until 1975 and I would have the feeling that they are not going to be too far into their transit system by 1975. There is a 1975 cutoff date."

HOUSE BILL NO. 841.

SECOND READING

SENATE BILL NO. 691, by Senators Greive, Andersen, Holman, Durkan, Connor, Whetzel, Washington, Murray and Scott:

Authorizing local excise taxes for support of public transportation.
The bill was read the second time by sections.

PERSONAL PRIVILEGE

Senator Durkan: "Mr. President, in the Senate Ways and Means Committee, Senator Atwood offered a committee amendment which, after lengthy debate, was adopted by the Ways and Means Committee and the committee staff inadvertently omitted the amendment when the bill was sent to the Senate Committee on Rules and Joint Rules. As a result of this, Mr. President, the amendment is not on the bill and I apologize to Senator Atwood and I would like to let him have the opportunity of offering his amendment now so that it could be debated fully."

With permission of the Senate, the amendment by Senator Atwood will be considered before the committee amendments.

Senator Atwood moved adoption of the following amendment:

On page 5, section 5, line 2, after "authorization" insert "": PROVIDED, That the revenue generated by the tax source authorized in this section does not qualify for state matching funds available under the provisions of RCW 82.44.150"

Debate ensued.

MOTION

On motion of Senator Greive, the rules were suspended and the three minute rule suspended on debate on Senate Bill No. 691.

POINT OF INQUIRY

Senator Knoblauch: "I would like to ask Senator Atwood to yield to a question. I have forgotten, Senator Atwood; you mentioned what it would cost the state of Washington, the general budget, if your amendment did not pass."

Senator Atwood: "If my amendment does not pass, the present posture of the bill is that not in the Governor's budget, it will cost the general fund as near as we can tell an additional \$14.3 million."

Further debate ensued.

POINT OF INQUIRY

Senator Mardesich: "Mr. President and gentlemen of the Senate, I am concerned not only about the figures I have heard and I feel that although it is necessary to do something about the problem, we should take some recognition of what we face and we have heard that there is \$14.3 millions involved now but I would like to direct a question to Senator Durkan who probably has an analysis of this bill as to what the fiscal effect would be in 1973. We are looking at \$14.3 million now but what is it in the next biennium?"

Senator Durkan: "In the fiscal 1973 the total impact would be about three million dollars but after that there is no ceiling to what it could be. It will go, dependent on how much they match. It could be the \$14 million that Senator Atwood talks about or it could

be more. It will depend upon the amount of matching money on the local level as to how much money will be necessary from the general fund on the state level and our amendment would limit that though just for the 1973 fiscal year."

Further debate ensued.

Senators Talley, Matson and Greive demanded the previous question and the demand was sustained.

Senator Greive demanded a roll call and the demand was sustained by Senators Atwood, Holman, Andersen, Washington, Day, Connor, Knoblauch, Scott, Stortini and Cooney.

The President declared the question before the Senate to be the adoption of the amendment by Senator Atwood.

FIFTY-SEVENTH DAY

MORNING SESSION

Senate Chamber, Olympia, Wash., Friday, May 7, 1971.

The Senate was called to order at 10:00 a.m. by President Cherberg. The Secretary called the roll and announced to the President that all Senators were present.

The Color Guard, consisting of Pages Margaret Harrison, Color Bearer, and Kirk McDonnell, presented the Colors. Pastor Glen D. Cole of the First Assembly of God Church of Olympia, offered prayer as follows:

"Heavenly Father, there is a word in Your Gospel that is so encouraging . . . the word 'come'. 'Come unto me all ye that labour and are heavy laden and I will give you rest.' The great prayer of St. Augustine also expresses this word of invitation, and we make it our petition today, 'Oh come, Thou refreshment of them that sail in the tempestuous sea of the world; Thou only haven of the tossed and shipwrecked. Come, Thou Glory and Crown of the living, and only safeguard of the dying. Come, Holy Spirit, in much mercy, and make me fit to receive Thee.' We come to You for strength, physical, mental and spiritual for another day's work. Be near to help us. Be present to guide the deliberations of this body. We thank You now for answering our prayer, in Jesus' Name. Amen."

On motion of Senator Greive, the reading of the journal of the previous day was dispensed with and it was approved.

On line 13 of the title after "RCW 36.94.240;" insert the following: "providing for the review of certain sewer and water rates and services; and adding a new section to Title 36 RCW;"

On page 1, line 13 of the title, following "RCW 36.94.240;" and the foregoing amendment, strike the remainder of the title and insert "providing for a tax; creating new sections; prescribing penalties; and declaring an emergency."

"NEW SECTION. Sec. 13. There is added to Title 36 RCW a new section to read as follows:

The board of county commissioners, on its own motion or upon the request of any affected person, may undertake a full and comprehensive review of the rates, services, facilities, and practices of sewer and water districts where such services are provided across such district's boundaries and into unincorporated areas to determine whether such rates, services, facilities, and practices are just, fair, reasonable and nondiscriminatory. Such review shall include a hearing or hearings to provide affected persons an opportunity to make their views known.

If the results of such review and investigation warrant, the board shall consult with the appropriate governmental subdivisions providing such sewer and water services to the unincorporated areas and present alternative rates, services, and/or practices found by the board to be just, fair, reasonable, and nondiscriminatory.

The board shall keep full and accurate minutes and records of all transactions, proceedings, and determinations in regard to such review and may perform such other functions as may be necessary and appropriate to discharge its duties under this section.

With the publication of the petition there shall be published a notice of the time, date, and place of the public meeting of the county commissioners when the petition will be considered, stating that persons interested may appear and be heard.

Prior to adoption, however, the board may amend the petition in the interest of carrying out the purposes of this act.

NEW SECTION. Sec. 19. The business of the district shall be conducted by the board of the television reception improvement district, hereinafter referred to as the "board". The board shall be constituted as provided under either subsection (1) or (2) of this section.

MOTION

On motion of Senator Day, the Senate adheres to its position and refuses to concur in the House amendments to Engrossed Substitute Senate Bill No. 51.

MESSAGE FROM THE HOUSE

May 6, 1971.

Mr. President: The House refuses to concur in the Senate amendments to HOUSE BILL NO. 313 and asks the Senate to recede therefrom, and the same is herewith transmitted. MALCOLM McBEATH, Chief Clerk.

MOTIONS

Senator Day moved that the Senate recede from the Senate amendments to House Bill No. 313 and moved that the rules be suspended and House Bill No. 313 be returned to second reading.

Debate ensued.

The motion to suspend the rules and return to second reading carried.

Senator Day moved adoption of the following amendment:

Add new sections following section 4 as follows:

NEW SECTION. Sec. 5. The purpose of sections 5 through 14 of this 1971 amendatory act is to authorize and establish a tuberculosis and respiratory disease hospital district in the state to operate a hospital and supply hospital service for the residents of such district and such others as the district shall deem necessary.

NEW SECTION. Sec. 6. There is hereby established a tuberculosis and respiratory disease hospital district in the state, hereinafter in this 1971 amendatory act referred to as the Eastern district, consisting of the following named counties: Okanogan, Chelan, Kittitas, Yakima, Benton, Walla Walla, Franklin, Grant, Douglas, Ferry, Lincoln, Adams, Columbia, Asotin, Garfield, Whitman, Spokane, Stevens and Pend Oreille; the headquarters county of such district shall be Spokane county. Such hospital district is authorized to operate a hospital in the present tuberculosis hospital facilities at Edgecliff in Spokane, Washington.

NEW SECTION. Sec. 7. The Eastern tuberculosis and respiratory disease hospital district in this state shall be governed by a commission consisting of five members, three of whom shall be members of the legislative authority of the headquarters county to be chosen by and to serve at the pleasure of such legislative authority and two of whom shall be elected by and to serve at the pleasure of an advisory committee to the commission made up of the chief health officers of the respective counties within the district. If such advisory committee shall fail to fill a vacancy within two weeks, the governor shall fill such vacancy and so notify the commission. Initial members of the commission shall be elected or appointed within ten days of the effective date of sections 5 through 14 of this 1971 amendatory act. Such advisory committee shall counsel the commission with respect to commission powers and duties under sections 5 through 14 of this 1971 amendatory act. Failure of any member to continue in public office shall result in a commission vacancy which shall be filled as in the case of original appointment or election.

NEW SECTION. Sec. 8. The district commission shall appoint and determine the compensation of a hospital superintendent for the district who shall serve at the pleasure of the commission and be a physician duly licensed in this state and qualified in public health and/or specializing in the care of tuberculosis and respiratory diseases. Such superintendent shall act as administrative officer for the commission, shall be the tuberculosis and respiratory control officer for the district, and shall be empowered to employ such technical and other personnel as approved by such commission.

NEW SECTION. Sec. 9. The district commission shall have authority:

(1) To lease existing hospital and equipment and/or other property used in connection therewith, and to pay such rental therefor as the commissioners shall deem proper; to provide hospital service for residents of said district in hospitals located outside the boundaries of said district, by contract or in any other manner said commissioners may deem expedient or necessary under the existing conditions; and said commission shall have the power to contract with other communities, corporations or individuals for the services provided by said district; and they may further receive in said hospital and furnish proper and adequate services to all persons not residents of said district at such reasonable and fair compensation as may be considered proper: **PROVIDED**, That it must at all times make adequate provision for the needs of the district and residents of said district shall have prior rights to the available facilities of said hospitals, at rates set by the district commissioners.

(2) To enter into any contract with the United States government, or any state or municipality for carrying out any of the powers authorized in sections 5 through 14 of this 1971 amendatory act;

(3) To sue and be sued in any court of competent jurisdiction: **PROVIDED**, That all suits against the district shall be brought in the headquarters county of the district; and

(4) To make contracts, employ superintendents, attorneys, and other technical or professional assistants and all other employees; to make contracts with private or public institutions for employee retirement programs; to print and publish information or literature and to do all those things necessary to carry out the purposes of sections 5 through 14 of this 1971 amendatory act.

Commission members shall be reimbursed for reasonable expenses incurred in connection with commission business and meetings, including subsistence and lodging and travel while away from their place of residence. Commission organization and proceedings shall be in accordance with that for public hospital district commissions under RCW 70.44.050.

NEW SECTION. Sec. 10. The commission shall as soon as possible after the effective date of sections 5 through 14 of this 1971 amendatory act enter into those necessary negotiations and agreements to obtain the use of the present tuberculosis hospital facilities at Edgecliff in Spokane, Washington.

NEW SECTION. Sec. 11. Tuberculosis is a communicable disease and tuberculosis control, including hospitalization, case finding, prevention and follow-up of known cases of tuberculosis represent the basic step in the conquest of this major health problem. In addition, environmental conditions today make vital the advancement of remedies relating to respiratory diseases. In order to carry on work effectively in these fields there shall be levied for tuberculosis and respiratory disease hospital district purposes in the district annually a tax in a sum equal to the amount which would be raised by a levy of one-eighth of a mill against the actual value of the taxable property in the district, or the equivalent thereof, such levy to be made by the board of county commissioners in each county constituting the district, the receipts therefrom to be forwarded by the treasurers of such

county to the treasurer of the headquarters district county, who shall be treasurer for the district. The commission shall return a total of thirty-five percent of moneys received from the levy provided under this section to the chief health officers of the counties, other than the headquarters county, which funds are to be allocated to specific counties based on caseload in the counties pursuant to standards promulgated by the district commission. Such returned funds are to be used by the chief health officers to carry out tuberculosis control and respiratory disease treatment on a local county level. The sum herein provided for, and any income that may occur from miscellaneous receipts in connection with the aforesaid programs shall be placed in a special fund in the treasury of the headquarters county and obligations incurred for such programs shall be paid from such fund upon order of the district commissioners by the treasurer in the same manner as general county obligations are paid.

NEW SECTION. Sec. 12. The district created by section 6 of this 1971 amendatory act shall not participate in any distributions made pursuant to chapter 70.32 RCW on and after the effective date of sections 5 through 14 of this 1971 amendatory act. On and after January 1, 1972 the provisions of chapter 70.32 RCW shall not apply to the eastern district created by section 6 of this 1971 amendatory act.

NEW SECTION. Sec. 13. The department of social and health services shall have the same authority over the hospital of a tuberculosis and respiratory disease hospital district as its authority over any privately administered hospital in this state.

NEW SECTION. Sec. 14. Until January 1, 1972, counties and the state shall continue to pay for the treatment of county patients at Edgecliff in Spokane, Washington, in the same manner as they have during this 1969-1971 fiscal biennium prior to the effective date of sections 5 through 14 of this amendatory act.

NEW SECTION. Sec. 15. Sections 5 through 14 of this 1971 amendatory act are necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

POINT OF INQUIRY

Senator Holman: "Would Senator Day yield? This is rather a sudden development. I was not kept abreast of this at all and am quite concerned about it. What is supposed to be the future of Firland?"

Senator Day: "What this will do is give us an opportunity to have a trial on this one side. Actually last year Firlands only got twenty-one hundred dollars from the state so the real bulk of the money in this particular program, Senator, is for the east side hospital. Now of course this would change the basic program but this would give us a pilot program to see if this particular thing will work with these hospitals. In the meantime, of course, Firland does not require that much funding so it really is not that big a budgetary impact. I think we can fund it as we did before."

Senator Holman: "Would you have any objection to holding this over so I could check with the Firland people on the impact of this?"

Senator Day: "The problem is that we cannot get the Firland amendment through the House. By not getting it through the House we would not have it anyhow. We would not have it for either side of the state. I have done considerable leg work on this this morning and we just cannot get the people from the west side to show too much concern in the House. Consequently, otherwise we would have had fifty votes to concur."

The motion by Senator Day carried and the amendment was adopted.

On motion of Senator Day, the following amendment to the title was adopted:

Strike all of the title and insert the following:

"An Act relating to the public health; authorizing the creation of tuberculosis and respiratory disease hospital districts; implementing the law relating to county hospitals and infirmaries; amending section 36.62.252, chapter 4, Laws of 1963 as amended by section 3, chapter 36, Laws of 1967 ex. sess. and RCW 36.62.252; amending section 36.62.270, chapter 4, Laws of 1963 and RCW 36.62.270; adding a new section to chapter 36.62 RCW; creating new sections; repealing section 36.62.280, chapter 4, Laws of 1963 and RCW 36.62.280; providing for the levy of certain taxes; and declaring an emergency."

On motion of Senator Day, the rules were suspended, House Bill No. 313, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

Signed by: Senators Durkan, Chairman; Andersen, Bailey, Canfield, Day, Donohue, Francis, Greive, Guess, Huntley, Jolly, Lewis, Metcalf, Peterson (Lowell), Peterson (Ted), Sandison, Scott, Twigg, Walgren, Washington.

On motion of Senator Durkan, the committee amendments to page 2, section 2 and page 4, section 5, line 13 were adopted.

Senator Durkan moved adoption of the committee amendment to page 4, section 5, line 20.

Senator Dore moved adoption of the following amendment by Senators Dore and Ridder to the committee amendment:

Amend the committee amendment to page 4, section 5, line 20, as follows: Add to the amendment, "That such proposition submitted to the voters for authorization shall include language stating that such proposition shall be partially financed by the levying of an additional three-tenths of one percent of the state sales tax on the residents of King county."

Debate ensued.

POINT OF INQUIRY

Senator Bailey: "Would Senator Dore yield? Senator, just a quick glance at this, I see three-tenths of one percent of the state sales tax. Would it be better if we struck the word 'state' and had 'sales tax'?"

Senator Dore: "I have no objection. I think 'state' is all right but. . ."

Senator Bailey: "Mr. President, I just want to be very sure that in some interpretation later that no one could think that the state sales tax is being increased by three-tenths of one percent and that other people in the state were going to pay for King county's problem."

POINT OF INQUIRY

Senator Holman: "Mr. President, will Senator Dore yield? If we are going to put this amendment on I think it is necessary to get it in the right legal language. You do not levy a sales tax on residents, you levy it on sales, and it does not make any difference where the purchaser lives, it is where the sale takes place. So I think what you mean, looking at it closely but fairly, an additional three-tenths of one cent per dollar on sales within King county. Would that satisfy you?"

Senator Dore: "I am a lawyer, I drafted it. I put it specifically so they would know that the proposition would state that this sales tax would be levied on all residents of King county as distinguished, what I originally thought it would be levied only on residents who resided in the metro area, that is the area within the outer bounds of King county. That is why I did not want any subterfuge or misinformation that everyone in King county voting on it would realize that they would be voting themselves an additional three-tenths of one percent."

Senator Holman: "I agree with what you are trying to do but is it not true that the sales tax is levied on the transaction and not on the resident?"

Senator Dore: "I think my amendment is all right. If you think there is something wrong with it, if you can keep the intent of what I am trying to do; I think it is all right the way it is but if you think you have some golden words to insert I have no objection."

POINT OF INQUIRY

Senator Jolly: "I was just going to ask Senator Dore if he would yield to a question. Will this language you have in this amendment, I am not a resident of King county, if I bought something in Seattle, would I be subject to this three-tenths of a cent sales tax?"

Senator Dore: "If you bought it in Seattle you would."

Senator Jolly: "Even though I am not a resident?"

Senator Dore: "Right. You do not carry your certificate with you that you are a non-resident. That is only if you live in Vancouver and buy things in Portland, I guess."

There being no objection, the amendment to the committee amendment by Senators Dore and Ridder was withdrawn.

On motion of Senator Dore, the following amendments to the committee amendment were adopted:

On page 4, section 5, line 20, after "amended" and before the comma insert "submit an authorizing proposition to the voters or include such authorization in a proposition to perform the function of metropolitan public transportation pursuant to chapter 35.58 RCW and if approved by a majority of persons voting thereon"

On line 21, following July 1, 1972, added by the committee amendment to line 21, insert "; that such proposition submitted to the voters for authorization shall include language stating that such proposition shall be partially financed by the levying of an additional three-tenths of one percent per dollar on sales transactions within King county"

The committee amendment, as amended, was adopted.

Senator Durkan moved adoption of the committee amendment to page 4, section 5, line 21.

Senator Atwood moved adoption of the following amendment to the committee amendment:

On page 4, section 5, line 21, after "1969" insert "; and PROVIDED FURTHER, That after June 30, 1973 no sales or use tax levied and collected pursuant to the 1971 amendatory act may be used as such qualifying matching funds."

Debate ensued.

Senator Atwood demanded a roll call and the demand was sustained by Senators Walgren, Donohue, McDougall, Andersen, Holman, Wilson, Stortini, Durkan, Elicker and Whtzel.

The Secretary called the roll and the amendment to the committee amendment was adopted by the following vote: Yeas, 26; nays, 22; absent or not voting, 1.

On motion of Senator Durkan, the rules were suspended, Engrossed Senate Bill No. 691 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Andersen: "Would Senator Durkan yield to a question? Senator, I could have just walked across and asked you except we have come to the point here where we are voting on this. Does Senate Bill No. 691, the way it is drafted now, knock out the municipal business and occupation tax as it has been presently amended? I have lost track somewhat of the amendment."

Senator Durkan: "My best judgment was it was a household tax."

Senator Andersen: "That is what I thought but I wanted to make sure there had not been an inadvertence here."

Senator Durkan: "Yes, it is a household tax."

The Secretary commenced calling the roll on Engrossed Senate Bill No. 691.

PERSONAL PRIVILEGE

Senator Durkan: "Point of personal privilege if I can interrupt the roll call. I was asked by Senator Andersen if it knocked out the business and occupation tax and I said the household tax and I should have said the household tax and the business and occupation tax. I am sorry, Senator Andersen, but for any Senator on the floor who wanted to be informed on that, I think they should know."

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Senate Bill No. 691 and the bill passed the Senate by the following vote: Yeas, 31; nays, 16; absent or not voting, 2.

Voting yea: Senators Andersen, Atwood, Bailey, Canfield, Clarke, Connor, Cooney, Day, Dore, Durkan, Elicker, Fleming, Francis, Gardner, Greive, Guess, Henry, Herr, Holman, Keefe, McCutcheon, McDougall, Mardesich, Matson, Metcalf, Murray, Peterson (Ted), Scott, Twigg, Washington, Whetzel—31.

SPECIAL ORDER OF BUSINESS

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 433, by Committee on Elections and Apportionment:

Implementing laws relating to elections.

The time having arrived, the Senate resumed consideration of Engrossed Substitute House Bill No. 433, the committee amendment was not adopted and the amendment by Senator Holman adding new section 13 was adopted on May 6, 1971.

Senator Mardesich moved adoption of the following amendment by Senators Mardesich and Dore:

On page 7 after section 22 insert new sections as follows:

NEW SECTION. Sec. 23. There is added to chapter 9, Laws of 1965 and to Title 29 RCW a new chapter to read as set forth in sections 24 through 33 of this 1971 act.

NEW SECTION. Sec. 24. In each year when a president of the United States is to be nominated and elected, there shall be held a presidential preference primary, at which voters may express their choice for candidates for nominations for president. The presidential preference primary shall be held on the second Tuesday in May of such year.

NEW SECTION. Sec. 25. Each voter shall have the opportunity to vote on the official presidential preference primary ballot for one person to be the candidate for nomination for president of the United States. The name of any candidate for a political party nomination for president of the United States shall be printed on the ballots only:

(1) If the secretary of state shall have determined in his sole discretion that the candidate's candidacy is generally advocated or recognized in national news media throughout the United States; or

(2) If a petition for nomination of the candidate is presented. The petition shall have attached thereto a sheet or sheets containing the signatures of at least a number of registered voters equal to one percent of the vote cast at the last general election in the state for the candidates for presidential elector of the party to which the candidate belongs, or at least one thousand such registered voters, whichever number is the greater. The petition shall be filed with the secretary of state not later than the sixtieth day prior to the presidential primary.

The format of the signature petition sheets shall be prescribed by the secretary of state and shall be patterned after but not limited to such sheets as used for state initiative and referendum measures. The signatures so submitted shall be certified in the manner prescribed in RCW 29.79.200 and 29.79.210.

The secretary of state shall, on the ninetieth day prior to the presidential primary, publicly announce a tentative list of names and political party affiliations of presidential candidates that he intends to identify pursuant to paragraph (1) of this section. On the second Monday after the close of the time for acceptance of petitions, the secretary of state shall publicly announce the name and political party affiliation of each presidential candidate as a final determination pursuant to paragraphs (1) and (2) of this section. These names shall be placed on the presidential primary election ballot: PROVIDED, HOWEVER, That the name of a candidate shall not be placed on the ballot if such candidate executes and files with the secretary of state no later than the last Monday in March an affidavit stating without qualification that he is not now and does not intend to become a candidate for the office of president of the United States at the forthcoming election.

No declaration of candidacy or affidavit of candidacy shall be required from any candidate as a condition for printing the name of that candidate on the official ballot used in the presidential preference primary.

NEW SECTION. Sec. 26. The names of candidates for nominations for president of the United States shall be printed on the official ballots for the presidential preference primary according to political party, with the list of candidates of the party whose candidate for president of the United States received the highest number of votes from the electors of this state in the preceding presidential election placed first on the ballot, the list of candidates of the party whose candidate for president of the United States received the next highest number of votes placed second on the ballot, and the list of candidates of other parties

placed on the ballot in the order in which petitions are filed with the secretary of state for the first candidate of that party for whom petitions are presented. The names of the presidential candidates shall be printed alphabetically under the designation of their party.

NEW SECTION. Sec. 27. At a presidential preference primary, voters may vote for a candidate for nomination for president of the United States from among the candidates of one political party only. Any presidential preference primary ballot voted for more than one candidate, or in more than one party column, or for any candidate whose name is not printed upon the ballot shall be void, and notice to this effect, couched in clear, simple language, and printed in large type, shall appear on the face of each presidential preference primary ballot.

NEW SECTION. Sec. 28. The presidential preference primary shall be by mail or absentee ballot only. Voting may be by paper ballot, by "ballot card" counted by "vote tally system" as those terms are defined in chapter 29.34 RCW as now or hereafter amended, or by any other means provided by law, so long as that means is suitable for voting by mail, as the secretary of state may select.

The secretary of state shall mail presidential preference primary ballots to each registered voter in the state at his address of record not later than fifteen days before the day of election. The records of the secretary of state shall be the official records for purposes of this mailing. Ballots may be distributed after the above deadline to voters who did not receive a ballot and who can establish their registered voter status to the satisfaction of the secretary of state. All ballots shall be mailed in such a manner that they will be returned to the secretary of state if not delivered to the voter.

Presidential preference primary ballots shall be counted if they reach the secretary of state by 8:00 p.m. the day of the election or earlier, or, in the case of ballots returned by mail, if they have been postmarked by 8:00 p.m. the day of the election or earlier.

Returned ballots may be opened, inspected, and readied for tabulation prior to the day of election. The tabulation of ballots may begin at any time during election day: **PROVIDED**, That all such election returns shall be held in secrecy until 8:00 p.m. election day. Any person revealing any election returns to unauthorized persons prior to 8:00 p.m. shall be subject to the same penalties as provided by RCW 29.54.035.

Insofar as is practicable, and where the provisions of sections 24 through 33 of this 1971 act do not specifically indicate otherwise, ballots shall be handled in the manner provided by law for handling of absentee ballots.

NEW SECTION. Sec. 29. Insofar as is practicable, and where the provisions of sections 24 through 33 of this 1971 act do not specifically indicate otherwise, the presidential preference primary shall be conducted in the same manner as a state primary, including the procedure for the certification of the election returns by the state canvassing board.

NEW SECTION. Sec. 30. Sections 24 through 33 of this 1971 act shall not repeal, amend, or modify any law relating to partisan primaries except as specifically provided, but shall be construed as setting forth specific requirements in the conduct of presidential preference primaries for the expression of popular choice for presidential candidates.

NEW SECTION. Sec. 31. Each delegate and alternate delegate to the national conventions will use his best efforts at the convention for the candidate of his party for the office of the president of the United States who receives the highest number of votes at the presidential preference primary, including without limitation, voting for such candidate, until such candidate is nominated, or releases the delegate, or until two convention nominating ballots have been taken. To qualify as a delegate or alternate delegate, any person selected by his state political party convention to attend that party's national nominating convention, shall within two weeks of his selection file with the secretary of state a pledge to act in accordance with the provisions of sections 24 through 33 of this 1971 act and any such person who refuses to so pledge or who acts in violation of his pledge shall be disqualified as a delegate or alternate delegate, as the case may be. The state party chairman shall select a substitute for any disqualified delegate from among the qualified alternate delegates.

NEW SECTION. Sec. 32. The manner of selection of delegates and alternate delegates to national political conventions shall not be affected by sections 24 through 33 of this 1971 act, except as provided in section 31 of this 1971 act, and nothing in sections 24 through 33 of this 1971 act shall be deemed to require or permit the election at the presidential preference primary of delegates to the national convention of a political party.

NEW SECTION. Sec. 33. Whenever a presidential preference primary election is held as provided by sections 24 through 33 of this 1971 act, the state of Washington shall assume all costs of holding such election."

Remember the remaining sections consecutively.

POINT OF ORDER

Senator Woodall: "I raise the point that this amendment enlarges the scope and object of the original bill. The measure which we started out with was rather a simple one to furnish the method by which the secretary of state could expedite the eighteen year old voting for the office of President and Congress and Senate. This opens up a whole new area of the direct primary law. It is a very voluminous measure not been considered by any committee, we are asked suddenly to pass on this on the floor, which changes the whole method by which we select delegates to our respective national conventions and changes the

manner in which the delegates are chosen who go to the national convention to select the nominees for office. I will not go into the merits of it, there are numerous arguments against it, but it clearly, definitely enlarges the scope and object of this bill and should not be allowed."

RULING BY THE PRESIDENT

The President: "In ruling upon the point of order presented by Senator Perry B. Woodall, the President finds that Engrossed Substitute House Bill No. 433 is a measure which sets up a system for persons eighteen years of age but not yet twenty-one years of age to vote in elections for national offices and modify certain residency requirements.

"The amendment proposed by Senator Mardesich and Senator Dore provides for the establishment of a presidential primary which would bind the party delegates to support the election choice at the national convention of the respective parties. The amendment does therefore increase the scope and object of the bill and the point of order is well taken."

The amendment as proposed by Senators Mardesich and Dore was ruled out of order.

Senator Stortini moved adoption of the following amendment:

On page 10 of the printed and engrossed bills, following the Holman amendment adding a new section 13, add the following:

"NEW SECTION. Sec. 14. There is hereby added to chapter 29.13 RCW a new section to read as follows:

Effective January 1, 1973, the city, town and district general elections held throughout the state on the first Tuesday following the first Monday in November in the odd-numbered years as provided for in RCW 29.13.020 is hereby established as a regular general election, within the intendment of the Constitution, Article II, section 1, as amended, for the purpose of enactment or rejection of referendums referred to the people by the legislature."

POINT OF ORDER

Senator Talley: "I raise the point the amendment by Senator Stortini enlarges the scope and object of the bill."

RULING BY THE PRESIDENT

The President: "The President, in ruling upon the point of order as previously stated in the point raised on the presidential primary amendment, finds Engrossed Substitute House Bill No. 433 sets up a system for persons eighteen years of age and not yet twenty-one years of age to vote in elections for national offices and modifies residency requirements.

"The amendment proposed by Senator Stortini is a modified annual elections proposal which sets up annual elections for referendum purposes. The amendment therefore does enlarge the scope and object of the bill and the point as presented by Senator Talley is well taken."

The amendment proposed by Senator Stortini was ruled out of order.

On motion of Senator Wilson, the rules were suspended, Engrossed Substitute House Bill No. 433, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1041, providing for television reception improvement districts (reported by Committee on Cities, Towns and Counties):

MAJORITY recommendation: Do pass with the following amendments:

On page 1, section 3, line 26, after "than fifty" and before "registered voters" insert "percent of the"

On page 4, section 10, line 4, after "not receive" strike all of the material down to and including the comma on line 5, and insert "at least a class grade B contour signal re-transmitted by the television translator station or other similar device operated by the district, as such class is defined under regulations of the federal communications commission as of the effective date of this act."

On page 4, section 11, line 17, after "tax" and before the period insert "but no such excise tax or costs, nor any judgment based thereon, shall be deemed to create a lien against real property"

On page 5, following section 13, add a new section as follows:

"NEW SECTION. Sec. 14. A district may translate or re-transmit only those signals which originate from commercial and educational television stations which directly provide, within some portion of the state of Washington, a class A grade or class B grade contour, as such classes are defined under regulations of the Federal Communications Commission as of the effective date of this act."

Remember the remaining sections accordingly.

On page 6, following section 19, add a new section as follows:

"NEW SECTION. Sec. 20. No television reception improvement district may be formed to operate and maintain any translator station presently or previously owned, operated or maintained by a television broadcaster."

Remember the remaining sections accordingly.

Signed by: Senators Connor, Chairman; Stortini, Vice Chairman; Canfield, Clarke, Fleming, McDougall, Peterson (Ted), Talley, Whetzel, Wilson.

The bill was read the second time by sections.

On motion of Senator Wilson, the committee amendments were adopted.

On motion of Senator Wilson, the rules were suspended, Engrossed Substitute House Bill No. 1041, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Bailey: "Will Senator Wilson yield? Senator, I notice you say that no broadcaster operating a re-broadcast or translator in the area could be brought under a district or you could not form a district in that area, but what about the independent cable company that operates in the area and then you have a dissatisfied customer that decides to get up a petition and disrupt the whole area by starting a public television district?"

Senator Wilson: "Senator Bailey, in the first place the act provides that new reflector operations may not be started which could then take over areas presently served by a cable television system. This act gives the authority to create a district only to reflector systems which are presently in existence. Beyond this, considerable safeguards have been built into the act with respect to the formation of such districts. The requirement that petitions be signed by fifty percent of the registered voters, for example, is an extremely tough requirement. It is not the intent of this act at all to serve in a punitive fashion in any respect regarding cable television. The cable television people have attended hearings on this bill in both the House and Senate. A couple of the amendments proposed were at their request, and following the adoption of the amendments which we have just approved, the cable television association has expressed itself as having no opposition to this bill."

POINT OF INQUIRY

Senator Ridder: "Will Senator Wilson yield? Senator, will this impede, inhibit or work in with a proposed educational television network across this state?"

Senator Wilson: "Senator, without being familiar with details regarding the educational television system that is proposed, I can only suggest that anything that would increase the dissemination of television programs, which this will, would certainly work to the advantage of the proposed educational operation."

Senator Ridder: "Further, Senator Wilson, would there be some way that schools could perhaps be worked into this without a full fee or something of the sort?"

Senator Wilson: "I cannot answer that, Senator. There is no such provision in the bill."

Senator Ridder: "But there is a possibility?"

Senator Wilson: "I just do not know. I am sorry."

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute House Bill No. 1041, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 41; nays, 3; absent or not voting, 2; excused, 3.

Voting nay: Senators Dore, Jolly, Mardesich—3.

Absent or not voting: Senators Atwood, Twigg—2.

Excused: Senators Andersen, Donohue, Sandison—3.

(2) A notice of each oral commitment he has given to growers for the purchase of acres of crops and/or quantity of crops to be harvested during the present or next growing season, and such notice shall disclose the amount of acres and/or quantity to which the processor has committed himself.

In line 18 of the title after the semicolon following "RCW 20.01.475" strike the remainder of the title and insert: "adding new sections to chapter 139, Laws of 1959 and to chapter 20.01 RCW; and providing an effective date."

Signed by: Senators Jolly, Chairman; Canfield, Day, Donohue, Knoblauch, Wilson.

The bill was read the second time by sections.

The bill was read the second time by sections.

On motion of Senator Gissberg, the following amendment by Senators Gissberg and Whetzel was adopted:

Strike everything after the enacting clause and insert the following:

"Section 1. Section 112, chapter 255, Laws of 1927 and RCW 79.01.448 are each amended to read as follows:

[The owner or owners of land abutting or fronting upon tide or shore lands of the first class platted and appraised by the commissioner of public lands, as in this chapter provided, shall have the right, for sixty days following the filing of the final appraisal of the tide or shore lands with the commissioner of public lands, to apply for the purchase of all or any part of the tide or shore lands in front of the lands so owned] *Upon platting and appraisal of tide or shore lands of the first class, as in this chapter provided, if the department of natural resources shall deem it for the best public interests to offer said tide or shore lands of the first class for lease, the department shall cause a notice to be served upon the owner of record of land fronting upon the tide or shore lands to be offered for lease if he be a resident of this state, or if he be a nonresident of this state, shall mail to his last known post office address, as reflected in the county records, a copy of the notice notifying him that the state is offering such tide or shore lands for lease, giving a description and the department's appraised fair market value of such tide or shore lands for lease, and notifying such owner that he has a preference right to apply to lease said tide or shore lands at the appraised value for the lease thereof for a period of sixty days from the date of service or mailing of said notice. If at the expiration of the sixty days from the service or mailing of the notice, as above provided, there being no conflicting applications filed, and the owner of land fronting upon the tide or shore lands offered for lease has failed to avail himself of his preference right to apply to lease or to pay to the department the appraised value for lease of the tide or shore lands described in said notice, then in that event, said tide or shore lands may be offered for lease and leased in the manner provided for the lease of state lands.*

If at the expiration of sixty days two or more claimants asserting a preference right to lease shall have filed applications to lease any tract, conflicting with each other, the conflict between the claimants shall be equitably resolved by the department of natural resources as the best interests of the state require in accord with the procedures prescribed by chapter 34.04 RCW: PROVIDED, That [if the abutting upland owner has attempted to convey by deed to a bona fide purchaser any portion of the tide or shore lands in front of such uplands, or littoral rights therein, such right of purchase herein given to the upland owner shall be construed to belong to such purchaser, or to any person, association or corporation claiming by, through or under such purchaser, to the extent of the tract or right so conveyed] any contract purchaser of land or rights, which land qualifies the owner for a preference right under this section, shall have first priority for such preference right.

[If at the expiration of sixty days from and after the filing of the final appraisal with the commissioner of public lands, there being no conflicting applications filed, the applicant shall be deemed to have the right of purchase at the appraised value.

If at the expiration of sixty days two or more applicants claiming a preference right to purchase shall have filed applications to purchase any tract, conflicting with each other, the commissioner of public lands shall forthwith require each applicant, within a time stated, to submit under oath a full statement of facts whereby he claims a preference right of purchase.

In case any applicant shall fail to file such statement within the time stated, he shall, unless good cause be shown therefor, be deemed to have waived his claim to a right of purchase of the tract described in his application.

After such statements have been filed, if it be deemed advisable or necessary by the commissioner of public lands in order to determine the rights of the parties applying for said tract, he may order a hearing for that purpose.

The commissioner shall determine who has the first right of purchase to the whole, or any portion of the lot or tract, involved, and shall, unless appeal be taken from his determination to the superior court of the county in which the land is situated, proceed to sell such lands in accordance with his determination.

In case of appeal the court after a hearing de novo shall enter an order determining the rights of the parties to the appeal and the commissioner of public lands shall proceed to sell the lands in accordance with the court's determination.]

Debate ensued.

Senator Guess demanded a roll call and the demand was sustained by Senators Stender, Atwood, Twigg, Peterson (Ted), Metcalf, McDougall, Bailey, Clarke and Matson.

ROLL CALL

Debate ensued.

The motion lost and the amendment was not adopted.

Senator Lewis moved adoption of the following amendment:

On page 18, line 22, insert the following new section:

"NEW SECTION. Sec. 23. An additional fee of sixty dollars per academic year shall be added to the operating fee for all students enrolled in a program leading to a graduate degree, exclusive of students enrolled in programs leading to the degrees of doctor of medicine, doctor of dental surgery and doctor of veterinary medicine."

Debate ensued.

Senator Day moved adoption of the following amendment to the amendment by Senator Lewis:

In the amendment by Senator Lewis, strike the comma after "degree" and insert a period. Strike the remainder of the amendment.

POINT OF INQUIRY

Senator Odegaard: "Mr. President, would Senator Day yield to a question? Senator, Senator Lewis in his amendment and your amendment to that amendment is to strike that section that would exclude those people leading to degrees of doctor of medicine, dentistry and so forth. Are these students more apt to receive government aid, federal programs, scholarships and this type of thing than other types of graduate students?"

Senator Day: "Senator Odegaard, in answer to your question, absolutely. In fact, statistics now show that over ninety-five percent of the education of a medical student is paid for by other than his tuition. Now as to the dental students, I do not believe it is quite that high but it is about ninety percent. So you can see that these people are already highly subsidized and it is a very difficult thing for even the qualified students to get into these courses too, that is another thing. They are very selective in who they allow in. There are all types of subsidies, private grants, research grants. Fifty-one percent of the medical research grants come from federal money. I just think that by singling them out as an exemption here that, really it is an unfair thing. It really is."

Senator Day demanded a roll call and the demand was sustained by Senators Ridder, Mardesich, Metcalf, Foley, Guess, Stortini, Huntley, Canfield and Gissberg.

The Secretary commenced the roll call.

POINT OF ORDER

Senator Francis: "That is my point of order. I would like the President to explain what the vote is and we can do that in the middle of a roll call."

RULING BY THE PRESIDENT

The President: "The President does not believe that the rules provide that a roll call can be interrupted for the purpose."

ROLL CALL

The Secretary called the roll and the amendment by Senator Day to the amendment was adopted by the following vote: Yeas, 23; nays, 19; absent or not voting, 5; excused, 2.

Voting yea: Senators Clarke, Cooney, Day, Fleming, Francis, Gardner, Gissberg, Greive, Holman, Jolly, Keefe, Mardesich, Odegaard, Peterson (Lowell), Peterson (Ted), Ridder, Stender, Stortini, Twigg, Walgren, Washington, Wilson, Woodall—23.

Voting nay: Senators Atwood, Canfield, Connor, Elicker, Foley, Guess, Herr, Huntley, Knoblauch, Lewis, McDougall, Matson, Metcalf, Murray, Newschwander, Sandison, Scott, Talley, Whetzel—19.

Absent or not voting: Senators Bailey, Dore, Durkan, Henry, McCutcheon—5.

Excused: Senators Andersen, Donohue—2.

The motion by Senator Day carried and the amendment to the amendment was adopted.

The amendment by Senator Lewis, as amended, was adopted.

On motion of Senator Sandison, the rules were suspended, Engrossed Substitute House Bill No. 740, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Woodall: "Would Senator Murray yield? Senator, you were talking about the amounts we spend on welfare. Did you vote with me or against me when I tried to cut the amount that we give to welfare?"

Senator Murray: "Senator Woodall, I think that there is an emergency situation where you do not let a person starve. We have certain social responsibilities that we need to take care of."

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute House Bill No. 740, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 25; nays, 19; absent or not voting, 3; excused, 2.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 740, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

STATEMENT FOR SENATE JOURNAL REGARDING HOUSE BILL NO. 740

At the time of the vote on House Bill No. 740 I was in Conference Committee meetings. Had I been present, I would have voted "no" for the reason that I felt resident students and non-graduate students were being required to bear an unusually high burden in view of the economic conditions of the state.

INTRODUCTION AND FIRST READING

ENGROSSED HOUSE BILL NO. 550, by Representatives Newhouse, Hausser, Morrison, Amen, Benitz, Berentson, Bledsoe, Bozarth, Costanti, Curtis, Moon and Van Dyk: Enacting the Washington State Agricultural Labor Relations Act.

MOTION

Senator McDougall moved that the rules be suspended and the Senate immediately advance Engrossed House Bill No. 550 to second reading.

Debate ensued.

POINT OF INQUIRY

Senator Donohue: "Mr. President, will Senator Matson yield? Senator, I am concerned particularly with just how wide a scope that this particular bill covers and just who will come under the act if passed. Could you respond to that?"

Senator Matson: "Senator Donohue, any farm employer would be covered under this act and any farm employee would be covered under this act."

Senator Donohue: "I think that is right, Senator. For the record, under section 2, page 2, subsection (2), where it explains the definition of employer it says it includes 'any person who regularly employs one or more employees in agricultural work and any person acting as an agent of an employer'.

"It is my understanding then from this particular explanation of employer that the farmer, and I have about twenty-two hundred of them in my district, that employs regularly during a season such as the haying season would come under this act, irregardless of how many people he employed, even if he employs only one. Now it would be my understanding that if a farmer hired his neighbor to come and help him or hired two neighbors, that they would also come under this act. I am sympathetic with the problem that you have in that area but I have many people in my district, in my farming area who employ one or two people who live and work in the community and they work for one farmer for two or three months and then maybe they will move on, depending upon the season and the elevation and where the work is, and these people are all going to come under this particular act. It is in my judgment, for my district, with the exception of perhaps food processing industry. . . ."

POINT OF ORDER

Senator Metcalf: "I am sort of losing contact with the question."

Senator Donohue: "Mr. President, I asked Senator Matson a question and I was trying to elaborate and for the record, to get my viewpoint known. If I have erred, Senator, I apologize."

"I would just like to state that because of these reasons I have to oppose this bill and hope that we can reach a compromise, that we can come back next session and probably next January, and pass a good piece of legislation."

Senator Matson: "Senator Donohue, your question was whether or not a farmer with one employee, whether it was his neighbor or not, would come under the act. The answer is that he would. However, let me reiterate that there is nothing in the present law that would prohibit your neighbor from coming to work for you and then trying to organize you into a farm union. Under this bill, however, if that were so, he could only organize you if he fully intended to and voted in a secret ballot to do so. You see what I am saying is that under this bill it sets up the guidelines where employees of a farm employer can organize only with their own free will by voting a secret ballot to do so."

Further debate ensued.

Senator Huntley demanded a roll call and the demand was sustained by Senators Matson, Greive, Bailey, Murray, McDougall, Holman, Clarke, Stortini and Dore.

Senators Atwood, Canfield and Matson demanded a Call of the Senate.

A Call of the Senate was ordered.

CALL OF THE SENATE

The Sergeant at Arms locked the doors of the Senate Chamber.

The Secretary called the roll on the Call of the Senate, all members being present.

On motion of Senator Greive, the Senate proceeded under the Call of the Senate.

POINT OF ORDER

Senator Greive: "This is a motion to suspend the rules and immediately consider the bill except that the one takes a two-thirds and the other does not. Mr. President, I am going to ask for a ruling on that point so that we will have it clearly understood before we vote. Does it or does it not take a two-thirds and is it or is it not a suspension of the rules?"

RULING BY THE PRESIDENT

The President: "Gentlemen of the Senate, if there are no objections, the President is prepared to make a ruling on the point presented by Senator Greive. If there are no objections, the Senate will proceed subject to roll call."

ROLL CALL

The Secretary called the roll and the motion by Senator McDougall to immediately advance Engrossed House Bill No. 550 to second reading failed by the following vote: Yeas, 22; nays, 27.

Voting yea: Senators Andersen, Atwood, Canfield, Clarke, Elicker, Guess, Henry, Holman, Huntley, Jolly, Knoblauch, Lewis, McDougall, Matson, Metcalf, Murray, Newschwander, Scott, Twigg, Whetzel, Wilson, Woodall—22.

Voting nay: Senators Bailey, Connor, Cooney, Day, Donohue, Dore, Durkan, Fleming, Foley, Francis, Gardner, Gissberg, Greive, Herr, Keefe, McCutcheon, Mardesich, Odegaard, Peterson (Lowell), Peterson (Ted), Ridder, Sandison, Stender, Stortini, Talley, Walgren, Washington—27.

The motion by Senator McDougall failed.

RULING BY THE PRESIDENT

The President: "In ruling upon the point of order raised by Senator Greive, the President finds that the proviso contained in the first paragraph of Rule 61 permits the Senate, by a majority vote to suspend the rule which requires a bill to be read on three separate days. Although the President believes that the overall purpose of this proviso is to expedite the processing of bills during the closing day of the session, the proviso does not

appear to apply to the third paragraph of Rule 61 requiring the bill to be referred to the appropriate committee. Engrossed House Bill No. 550 is therefore referred to the Committee on Labor and Industrial Insurance.

"A further note of clarification, if the Senate wishes to act on this measure at this time the correct procedure would be to relieve the Committee on Labor and Industrial Insurance of the bill and then suspend the rule requiring three readings on separate days. This could be accomplished by two motions, both of which require a simple majority to carry."

Engrossed House Bill No. 550 was referred to the Committee on Labor and Industrial Insurance.

MOTION

Senator McDougall moved that the rules be suspended and the Committee on Labor and Industrial Insurance be relieved of further consideration of Engrossed House Bill No. 550.

Debate ensued.

Senator Elicker demanded a roll call and the demand was sustained by Senators Bailey, Metcalf, McDougall, Greive, Clarke, Whetzel, Canfield, Stender and Lewis.

Further debate ensued.

POINT OF INQUIRY

Senator Mardesich: "I wonder if Senator Greive would yield to a question? Simply as a matter of information, what was that occasion, that once in twenty-five years?"

Senator Greive: "It was on a bribery attempt, presumably, and involved Speaker Hodde and a legislator from Senator Knoblauch's district and it was about twenty years ago."

Senator Mardesich: "Do not you recall there was an instance when they decided to take a bill away from Senator Mardesich?"

Senator Greive: "Senator, you should be very happy for the rule. I am sure that it affords you more protection than most."

Senator Mardesich: "Unfortunately, the only thing I can remember is the one they took away from me."

ROLL CALL

The Secretary called the roll and the motion by Senator McDougall to relieve the Committee on Labor and Industrial Insurance of further consideration of Engrossed House Bill No. 550 failed by the following vote: Yeas, 20; nays, 29.

Voting yea: Senators Andersen, Atwood, Canfield, Clarke, Elicker, Guess, Holman, Huntley, Knoblauch, Lewis, McDougall, Matson, Metcalf, Murray, Newschwander, Scott, Twigg, Whetzel, Wilson, Woodall—20.

Voting nay: Senators Bailey, Connor, Cooney, Day, Donohue, Dore, Durkan, Fleming, Foley, Francis, Gardner, Gissberg, Greive, Henry, Herr, Jolly, Keefe, McCutcheon, Mardesich, Odegaard, Peterson (Lowell), Peterson (Ted), Ridder, Sandison, Stender, Stortini, Talley, Walgren, Washington—29.

MOTIONS

On motion of Senator Atwood, the Senate dispensed with the Call of the Senate.

At 9:55 p.m., on motion of Senator Greive, the Senate recessed until 10:25 p.m.

SECOND EVENING SESSION

The President called the Senate to order at 10:25 p.m.

Sec. 7. Section 5, chapter 209, Laws of 1969 ex. sess. as amended by section 3, chapter 6, Laws of 1970 ex. sess. and RCW 41.26.050 are each amended to read as follows:

The retirement board shall be composed of the members of the public employees' retirement board established in chapter 41.40 RCW. Their terms of office shall be the same as their term of office with the public employees' retirement board. The members of the retirement system shall elect two additional members to the board who shall be members of the Washington law enforcement officers' and fire fighters' retirement system. [These additional board members shall serve on the retirement board only for the purposes of administering this chapter.] One board member shall be a fire fighter and shall be elected by the fire fighter members and one shall be a law enforcement officer elected by the law enforcement members. [These board members shall serve two year terms.] The first board member elected by the law enforcement officer members shall serve for one year only, the first board member elected by the fire fighters shall serve a two year term, and thereafter both shall serve two years unless they cease to be members of the retirement system. In such case there shall be elected in the same manner another member from the same service to fill out the remaining part of the term. *Two additional representatives of counties and cities shall be added to the retirement board. One of these representatives shall be appointed by the Washington state association of counties and the other shall be appointed by the association of Washington cities. In case of a vacancy in these county and city representative positions, a new appointee will be designated by the appropriate organization to fill out the unexpired term. The additional board members shall serve on the retirement board only for the purpose of administering this chapter. These board members shall serve two year terms.* All administrative services of this system shall be performed by the director and staff of the public employees' retirement system with the cost of administration as determined by the retirement board charged against the Washington law enforcement officers' and fire fighters' retirement fund as provided in this chapter from funds appropriated for this purpose.

Sec. 8. Section 9, chapter 209, Laws of 1969 ex. sess. as amended by section 4, chapter 6, Laws of 1970 ex. sess. and RCW 41.26.090 are each amended to read as follows:

Retirement of a member for service shall be made by the board as follows:

(1) Any member having five or more years of service and having attained the age of fifty years shall be eligible for a service retirement allowance and shall be retired upon his written request effective the first day following the date upon which the member is separated from service.

(2) Any member having five or more years of service, who terminates his employment with any employer, may leave his contributions in the fund. Any employee who so elects, upon attaining age fifty, shall be eligible to apply for and receive a service retirement allowance based on his years of service, commencing on the first day following his attainment of age fifty. *This section shall also apply to a person who rendered service as a law enforcement officer or fire fighter, as those terms are defined in RCW 41.26.030, on or after July 1, 1969, but who was not employed as a law enforcement officer or fire fighter on March 1, 1970, by reason of his having been elected to a public office. Any member selecting this optional vesting with less than twenty years of service shall not be covered by the provisions of RCW 41.26.150 [or], and his survivors shall not be entitled to the benefits of RCW 41.26.160 unless his death occurs after he has attained the age of fifty years. Those members selecting this optional vesting with twenty or more years service shall not be covered by the provisions of RCW 41.26.150 until the attainment of the age of fifty years: PROVIDED, That a member selecting this option who shall die prior to attaining the age of fifty years, shall have paid from the Washington law enforcement officers' and fire fighters' retirement fund, to such member's surviving spouse, if any, otherwise to such beneficiary as the member shall have designated in writing, or if no such designation has been made, to the personal representative of his estate, a lump sum which is equal to the amount of such member's accumulated contributions plus accrued interest: PROVIDED FURTHER, That if the vested member has twenty or more years of service credit the surviving spouse or children shall then become eligible for the benefits of RCW 41.26.160 regardless of his age at the time of his death.*

(3) Any member who has attained the age of sixty years shall be retired on the first day of the calendar month next succeeding that in which said member shall have attained the age of sixty and may not thereafter be employed as a law enforcement officer or fire fighter: PROVIDED, That for any member who is elected or appointed to the office of sheriff, his election or appointment shall be considered as a waiver of the age sixty provision for retirement and nonemployment for whatever number of years remain in his present term of office and any succeeding periods for which he may be so elected or appointed: PROVIDED FURTHER, That the provisions of this subsection shall not apply to any member who is employed as a law enforcement officer or fire fighter on March 1, 1970.

Sec. 9. Section 10, chapter 209, Laws of 1969 ex. sess. as amended by section 5, chapter 6, Laws of 1970 ex. sess. and RCW 41.26.100 are each amended to read as follows:

A member upon retirement for service shall receive a monthly retirement allowance computed according to his completed [years of] creditable service, as follows: Five years but under ten years, *one-twelfth* of one percent of his final average salary for each [year] month of service; ten years but under twenty years, *one-twelfth* of one and one-half percent of his final average salary for each [year] month of service; and twenty years and over *one-twelfth* of two percent of his final average salary for each [year] month of service: PROVIDED, That the recipient of a retirement allowance who shall return to service as a law enforcement officer or fire fighter shall be considered to have terminated his retirement status and he shall immediately become a member of the retirement system with the status of membership he had as of the date of his retirement. Retirement benefits shall be suspended during the period of his return to service and he shall make contributions and receive service credit. Such a member shall have the right to again retire at any time and his retirement allowance shall be recomputed, based upon additional service rendered and any change in final average salary, and shall be paid, *one-twelfth* of two percent of his final average salary for each additional completed month of service.

Sec. 10. Section 15, chapter 209, Laws of 1969 ex. sess. as last amended by section 10, chapter 6, Laws of 1970 ex. sess. and RCW 41.26.150 are each amended to read as follows:

(1) Whenever any active member, or any member hereafter retired, on account of service, sickness or disability, not caused or brought on by dissipation or abuse, of which the disability board shall be judge, is confined in any hospital or in his home, and whether or not so confined, requires [nursing, care, or attention] *medical services*, the employer shall pay for such active or retired member the necessary [hospital, care, and nursing expenses] *medical services* not payable from some other source as provided for in subsection (2). In the case of active or retired fire fighters the employer may make the payments provided for in this section from the firemen's pension fund established pursuant to RCW 41.16.050 where such fund had been established prior to March 1, 1970: PROVIDED, That in the event the pension fund is depleted, the employer shall have the obligation to pay all [retirement] benefits payable under chapters 41.16 and 41.18 RCW: PROVIDED FURTHER, That the disability board in all cases may have the active or retired member suffering from such sickness or disability examined at any time by a licensed physician or physicians, to be appointed by the disability board, for the purpose of ascertaining the nature and extent of the sickness or disability, the physician or physicians to report to the disability board the result of the examination within three days thereafter. Any active or retired member who refuses to submit to such examination or examinations shall forfeit all his rights to benefits under this section for the period of such refusal: PROVIDED [FURTHER], That the disability board shall designate the [hospital and] medical services available to such sick or disabled member.

(2) The medical [benefits] *services* payable under this section will be reduced by any amount received or eligible to be received by the member under workmen's compensation, social security including the changes incorporated under Public Law 89-97 as now or hereafter amended, insurance provided by another employer, other pension plan, or any other similar source. Failure to apply for coverage if otherwise eligible under the provisions of Public Law 89-97 as now or hereafter amended shall not be deemed a refusal of payment of benefits thereby enabling collection of charges under the provisions of this chapter.

(3) Upon making such payments as are provided for in subsection (1), the employer shall be subrogated to all rights of the member against any third party who may be held liable for the member's injuries to the extent necessary to recover the amount of payments made by the employer.

(4) Any employer under this chapter, either singly, or jointly with any other such employer or employers through an association thereof as provided for in chapter 48.21 RCW, may provide for all or part of one or more plans of group hospitalization and medical aid insurance to cover any of its employees who are members of the Washington law enforcement officers' and fire fighters' retirement system, and/or retired former employees who were, before retirement, members of said retirement system, through contracts with regularly constituted insurance carriers or with health care service contractors as defined in chapter 48.44 RCW. Benefits payable under any such plan or plans shall be deemed to be amounts received or eligible to be received by the active or retired member under subsection (2) of this section.

Sec. 11. Section 17, chapter 209, Laws of 1969 ex. sess. as amended by section 12, chapter 6, Laws of 1970 ex. sess. and RCW 41.26.160 are each amended to read as follows:

(1) In the event of the death of any member who is in active service, or who has *vested under the provisions of section 8 of this 1971 amendatory act with twenty or more years of service*, or who is retired, his surviving spouse shall become entitled to receive a monthly allowance equal to fifty percent of his final average salary at the date of death if

active, or the amount of retirement allowance the vested member would have received at age fifty, or the amount of the retirement allowance such retired member was receiving at the time of his death if retired for service or disability. The amount of this allowance will be increased five percent of final average salary for each child as defined in RCW 41.26.030(7), subject to a maximum combined allowance of sixty percent of final average salary.

(2) If at the time of the death of a vested member as provided above or a member retired for service of twenty or more years or a member retired for disability, the surviving spouse has not been lawfully married to [the] such member for one year prior to his retirement or separation from service if a vested member, the surviving spouse shall not be eligible to receive the benefits under this section: PROVIDED, That if a member dies as a result of a disability incurred in the line of duty, then if he was married at the time he was disabled, his surviving spouse shall be eligible to receive the benefits under this section.

(3) If there be no surviving spouse eligible to receive benefits at the time of such member's death, then the child or children of such member shall receive a monthly allowance equal to thirty percent of final average salary for one child and an additional ten percent for each additional child subject to a maximum combined payment, under this subsection, of sixty percent of final average salary. When there cease to be any eligible children as defined in RCW 41.26.030(7), there shall be paid to the legal heirs of said member the excess, if any, of accumulated contributions of said member at the time of his death over all payments made to his survivors on his behalf under this chapter.

(4) In the event that there is no surviving spouse eligible to receive benefits under this section, and that there be no child or children eligible to receive benefits under this section, then the accumulated contributions shall be paid to the estate of said member.

(5) If a surviving spouse receiving benefits under the provisions of this section thereafter dies or remarries and there are children [under eighteen years of age] as defined in RCW 41.26.030(7), as now or hereafter amended, payment to the spouse shall cease and the child or children shall receive the benefits as provided in subsection (3) above.

Sec. 12. Section 23, chapter 209, Laws of 1969 ex. sess. as amended by section 15, chapter 6, Laws of 1970 ex. sess. and RCW 41.26.180 are each amended to read as follows:

The right of a person to a retirement allowance, disability allowance, or death benefit, to the return of accumulated contributions, the retirement, disability or death allowance itself, any optional benefit, any other right accrued or accruing to any person under the provisions of this chapter, and the moneys in the fund created under this chapter, are hereby exempt from any state, county, municipal, or other local tax and shall not be subject to execution, garnishment, attachment, the operation of bankruptcy or insolvency laws, or any other process of law whatsoever, and shall be unassignable: PROVIDED, That on the written request of any person eligible to receive benefits under this section, the board may deduct from such payments the premiums for life, health, or other insurance. The request on behalf of any child or children shall be made by the legal guardian of such child or children. The board may provide for such persons one or more plans of group insurance, through contracts with regularly constituted insurance carriers or health care service contractors.

Sec. 13. Section 16, chapter 209, Laws of 1969 ex. sess. as amended by section 11, chapter 6, Laws of 1970 ex. sess. and RCW 41.26.200 are each amended to read as follows:

(1) Any person feeling aggrieved by any order or determination of a disability board denying [an application for] disability leave or disability retirement, or canceling a previously granted disability retirement allowance, shall have the right to appeal the said order or determination to the retirement board. The said retirement board shall have no jurisdiction to entertain the appeal unless a notice of appeal is filed with the said retirement board within thirty days following the rendition of the order by the applicable disability board. A copy of the notice of appeal shall be served upon the applicable disability board and, within ninety days thereof, the disability board shall certify its decision and order, together with a transcript of all proceedings in connection therewith, to the retirement board for its review. Upon its review of the record, the retirement board may affirm the order of the disability board or it may remand the case for such further proceedings as it may direct, in accordance with such rules of procedure as the retirement board shall promulgate.

(2) The said appeal authorized by this section shall be governed by the provisions of RCW 41.26.210 and 41.26.220.

NEW SECTION. Sec. 14. There is added to chapter 209, Laws of 1969 ex. sess. and to chapter 41.26 RCW a new section to read as follows:

The legislature of the state of Washington hereby declares that the relationship between members of the law enforcement officers' and fire fighters' retirement system and their governmental employers is similar to that of workmen to their employers and that the sure and certain relief granted by this chapter is desirable, and as beneficial to such law enforcement officers and fire fighters as workmen's compensation coverage is to persons covered by Title 51 RCW. The legislature further declares that removal of law enforcement officers and fire fighters from workmen's compensation coverage under Title 51 RCW necessitates the (1) continuance of sure and certain relief for injuries, which the legislature finds to be accomplished by the provisions of this chapter and (2) protection for the governmental employer from actions at law; and to this end the legislature further declares that the benefits and remedies conferred by this chapter upon law enforcement officers and fire fighters covered hereunder, shall be to the exclusion of any other remedy, proceeding, or compensation for personal injuries, caused by the governmental employer except as

otherwise provided by this chapter; and to that end all civil actions and civil causes of actions by such law enforcement officers and fire fighters against their governmental employers for personal injuries are hereby abolished, except as otherwise provided in this chapter.

NEW SECTION. Sec. 15. There is added to chapter 209, Laws of 1969 ex. sess. and to chapter 41.26 RCW a new section to read as follows:

If injury or death results to a member from the intentional or negligent act or omission of his governmental employer, the member, the widow, widower, child, or dependent of the member shall have the privilege to benefit under this chapter and also have cause of action against the governmental employer as otherwise provided by law, for any excess of damages over the amount received or receivable under this chapter.

NEW SECTION. Sec. 16. There is added to chapter 209, Laws of 1969 ex. sess. and to chapter 41.26 RCW a new section to read as follows:

Should any change or error in the records result in any member or beneficiary receiving from the retirement system more or less than he would have been entitled to receive had the records been correct, the retirement board shall correct such error, and, as far as practicable, shall adjust the payment in such a manner that the actuarial equivalent of the benefit to which such member or beneficiary was correctly entitled shall be paid.

NEW SECTION. Sec. 17. There is added to chapter 41.16 RCW a new section to read as follows:

The increased benefits provided by this chapter are hereby declared applicable to all retired firemen who were retired prior to June 8, 1961, for disability whether incurred in the line of duty or otherwise, or their widows, effective July 1st of the first year when such benefits have heretofore or shall hereafter become payable and shall be payable commencing July 1, 1970. The manner of calculating the retroactive benefits payable to individual beneficiaries under chapter 37, Laws of 1970 ex. sess. and this 1971 amendatory act shall be to calculate the amount of benefit being received by such individual beneficiary on July 1, 1969; then to multiply that result times two percent times the number of full years that have elapsed following the retirement of the employee; then to add the result so reached to the said amount being received on July 1, 1969, prior to the statutory increase of that date, which total amount is to be paid each month for the next ensuing year until July 1, at which time an additional two percent shall be added and the process shall be repeated as provided in RCW 41.18.104.

NEW SECTION. Sec. 18. There is added to chapter 41.18 RCW a new section to read as follows:

The increased benefits provided by this chapter are hereby declared applicable to all retired firemen who were retired prior to June 8, 1961, for disability whether incurred in the line of duty or otherwise, or their widows, effective July 1st of the first year when such benefits have heretofore or shall hereafter become payable and shall be payable commencing July 1, 1970. The manner of calculating the retroactive benefits payable to individual beneficiaries under chapter 37, Laws of 1970 ex. sess. and this 1971 amendatory act shall be to calculate the amount of benefit being received by such individual beneficiary on July 1, 1969; then to multiply that result times two percent times the number of full years that have elapsed following the retirement of the employee; then to add the result so reached to the said amount being received on July 1, 1969, prior to the statutory increase of that date, which total amount is to be paid each month for the next ensuing year until July 1, at which time an additional two percent shall be added and the process shall be repeated as provided in RCW 41.18.104.

Sec. 19. Section 3, chapter 184, Laws of 1951 as last amended by section 1, chapter 5, Laws of 1967 and RCW 41.48.030 are each amended to read as follows:

(1) The governor is hereby authorized to enter on behalf of the state into an agreement with the secretary of health, education, and welfare consistent with the terms and provisions of this chapter, for the purpose of extending the benefits of the federal old-age and survivors insurance system to employees of the state or any political subdivision not members of an existing retirement system, or to members of a retirement system established by the state or by a political subdivision thereof or by an institution of higher learning with respect to services specified in such agreement which constitute "employment" as defined in RCW 41.48.020. Such agreement may contain such provisions relating to coverage, benefits, contributions, effective date, modification and termination of the agreement, administration, and other appropriate provisions as the governor and secretary of health, education, and welfare shall agree upon, but, except as may be otherwise required by or under the social security act as to the services to be covered, such agreement shall provide in effect that—

(a) Benefits will be provided for employees whose services are covered by the agreement (and their dependents and survivors) on the same basis as though such services constituted employment within the meaning of title II of the social security act;

(b) The state will pay to the secretary of the treasury, at such time or times as may be prescribed under the social security act, contributions with respect to wages (as defined in RCW 41.48.020), equal to the sum of the taxes which would be imposed by the federal insurance contributions act if the services covered by the agreement constituted employment within the meaning of that act;

(c) Such agreement shall be effective with respect to services in employment covered by the agreement or modification thereof performed after a date specified therein but in no event may it be effective with respect to any such services performed prior to the first day

of the calendar year immediately preceding the calendar year in which such agreement or modification of the agreement is accepted by the secretary of health, education and welfare.

(d) All services which constitute employment as defined in RCW 41.48.020 and are performed in the employ of the state by employees of the state, shall be covered by the agreement;

(e) All services which (i) constitute employment as defined in RCW 41.48.020, (ii) are performed in the employ of a political subdivision of the state, and (iii) are covered by a plan which is in conformity with the terms of the agreement and has been approved by the governor under RCW 41.48.050, shall be covered by the agreement; and

(f) As modified, the agreement shall include all services described in either paragraph (d) or paragraph (e) of this subsection and performed by individuals to whom section 218(c) (3) (C) of the social security act is applicable, and shall provide that the service of any such individual shall continue to be covered by the agreement in case he thereafter becomes eligible to be a member of a retirement system; and

(g) As modified, the agreement shall include all services described in either paragraph (d) or paragraph (e) of this subsection and performed by individuals in positions covered by a retirement system with respect to which the governor has issued a certificate to the secretary of health, education, and welfare pursuant to subsection (5) of this section.

(h) *Law enforcement officers and firemen of each political subdivision of this state who are covered by the Washington Law Enforcement Officers' and Fire Fighters' Retirement System Act (chapter 209, Laws of 1969 ex. sess.) as now in existence or hereafter amended shall constitute a separate "coverage group" for purposes of the agreement entered into under this section and for purposes of section 218 of the social security act. To the extent that the agreement between this state and the federal secretary of health, education, and welfare in existence on the date of adoption of this subsection is inconsistent with this subsection, the governor shall seek to modify the inconsistency.*

(2) Any instrumentality jointly created by this state and any other state or states is hereby authorized, upon the granting of like authority by such other state or states, (a) to enter into an agreement with the secretary of health, education, and welfare whereby the benefits of the federal old-age and survivors insurance system shall be extended to employees of such instrumentality, (b) to require its employees to pay (and for that purpose to deduct from their wages) contributions equal to the amounts which they would be required to pay under RCW 41.48.040(1) if they were covered by an agreement made pursuant to subsection (1) of this section, and (c) to make payments to the secretary of the treasury in accordance with such agreement, including payments from its own funds, and otherwise to comply with such agreements. Such agreement shall, to the extent practicable, be consistent with the terms and provisions of subsection (1) and other provisions of this chapter.

(3) The governor is empowered to authorize a referendum, and to designate an agency or individual to supervise its conduct, in accordance with the requirements of section 218(d) (3) of the social security act, and subsection (4) of this section on the question of whether service in all positions covered by a retirement system established by the state or by a political subdivision thereof should be excluded from or included under an agreement under this chapter. If a retirement system covers positions of employees of the state of Washington, of the [University of Washington, the state college of Washington and the several colleges of education] *institutions of higher learning*, and positions of employees of one or more of the political subdivisions of the state, then for the purpose of the referendum as provided herein, there may be deemed to be a separate retirement system with respect to employees of the state, or any one or more of the political subdivisions, or institutions of higher learning [named herein] and the governor shall authorize a referendum upon request of the subdivisions' or institutions' of higher learning governing body: PROVIDED HOWEVER, That if a referendum of state employees generally fails to produce a favorable majority vote then the governor may authorize a referendum covering positions of employees in any state department who are compensated in whole or in part from grants made to this state under title III of the federal social security act: PROVIDED, That any city or town affiliated with the state-wide city employees retirement system organized under chapter 41.44 may at its option agree to a plan submitted by the board of trustees of said state-wide city employees retirement system for inclusion under an agreement under this chapter if the referendum to be held as provided herein indicates a favorable result: PROVIDED Further, That the Teachers' Retirement System be considered one system for the purpose of the referendum except as applied to the several colleges of education. The notice of referendum required by section 218(d) (3) (C) of the social security act to be given to employees shall contain or shall be accompanied by a statement, in such form and such detail as the agency or individual designated to supervise the referendum shall deem necessary and sufficient, to inform the employees of the rights which will accrue to them and their dependents and survivors, and the liabilities to which they will be subject, if their services are included under an agreement under this chapter.

(4) The governor, before authorizing a referendum, shall require the following conditions to be met:

(a) The referendum shall be by secret written ballot on the question of whether service in positions covered by such retirement system shall be excluded from or included under the agreement between the governor and the secretary of health, education, and welfare provided for in RCW 41.48.030(1);

(b) An opportunity to vote in such referendum shall be given and shall be limited to eligible employees;

(c) Not less than ninety days' notice of such referendum shall be given to all such employees;

(d) Such referendum shall be conducted under the supervision (of the governor or) of an agency or individual designated by the governor;

(e) The proposal for coverage shall be approved only if a majority of the eligible employees vote in favor of including services in such positions under the agreement;

(f) The state legislature, in the case of a referendum affecting the rights and liabilities of state employees covered under the state employees' retirement system and employees under the teachers' retirement system, and in all other cases the local legislative authority or governing body, shall have specifically approved the proposed plan and approved any necessary structural adjustment to the existing system to conform with the proposed plan.

(5) Upon receiving satisfactory evidence that with respect to any such referendum the conditions specified in subsection (4) of this section and section 218(d) (3) of the social security act have been met, the governor shall so certify to the secretary of health, education, and welfare.

(6) If the legislative body of any political subdivision of this state certifies to the governor that a referendum has been held under the terms of RCW 41.48.050(1) (i) and gives notice to the governor of termination of social security for any coverage group of the political subdivision, the governor shall give two years advance notice in writing to the federal department of health, education, and welfare of such termination of the agreement entered into under this section with respect to said coverage group.

Sec. 20. Section 5, chapter 184, Laws of 1951 as amended by section 5, chapter 4, Laws of 1955 ex. sess. and RCW 41.48.050 are each amended to read as follows:

(1) Each political subdivision of the state is hereby authorized to submit for approval by the governor a plan for extending the benefits of title II of the social security act, in conformity with the applicable provisions of such act, to those employees of such political subdivisions who are not covered by an existing pension or retirement system. Each pension or retirement system established by the state or a political subdivision thereof is hereby authorized to submit for approval by the governor a plan for extending the benefits of title II of the social security act, in conformity with applicable provisions of such act, to members of such pension or retirement system. Each such plan and any amendment thereof shall be approved by the governor if he finds that such plan, or such plan as amended, is in conformity with such requirements as are provided in regulations of the governor, except that no such plan shall be approved unless—

(a) It is in conformity with the requirements of the social security act and with the agreement entered into under RCW 41.48.030;

(b) It provides that all services which constitute employment as defined in RCW 41.48.020 and are performed in the employ of the political subdivision by employees thereof, shall be covered by the plan;

(c) It specifies the source or sources from which the funds necessary to make the payments required by paragraph (a) of subsection (3) and by subsection (4) of this section are expected to be derived and contains reasonable assurance that such sources will be adequate for such purposes;

(d) It provides that in the plan of coverage for members of the state teachers' retirement system or for state employee members of the state employees' retirement system, there shall be no additional cost to or involvement of the state until such plan has received prior approval by the legislature;

(e) It provides for such methods of administration of the plan by the political subdivision as are found by the governor to be necessary for the proper and efficient administration of the plan;

(f) It provides that the political subdivision will make such reports, in such form and containing such information, as the governor may from time to time require and comply with such provisions as the governor or the secretary of health, education, and welfare may from time to time find necessary to assure the correctness and verification of such reports; and

(g) It authorizes the governor to terminate the plan in its entirety, in his discretion, if he finds that there has been a failure to comply substantially with any provision contained in such plan, such termination to take effect at the expiration of such notice and on such conditions as may be provided by regulations of the governor and may be consistent with the provisions of the social security act.

(h) It provides that law enforcement officers and fire fighters of each political subdivision of this state who are covered by the Washington Law Enforcement Officers' and Fire Fighters' Retirement System Act (chapter 209, Laws of 1969 ex. sess.) as now in existence or hereafter amended shall constitute a separate "coverage group" for purposes of the plan or agreement entered into under this section and for purposes of section 216 of the social security act. To the extent that the plan or agreement entered into between the state and any political subdivision of this state is inconsistent with this subsection, the governor shall seek to modify the inconsistency.

(i) It provides that the plan or agreement may be terminated by any political subdivision as to any such coverage group upon giving at least two years advance notice in writing to the governor, effective at the end of the calendar quarter specified in the notice. It shall specify that before notice of such termination is given, a referendum shall be held among the members of the coverage group under the following conditions:

(1) The referendum shall be conducted under the supervision of the legislative body of the political subdivision.

(ii) Not less than sixty days' notice of such referendum shall be given to members of the coverage group.

(iii) An opportunity to vote by secret ballot in such referendum shall be given and shall be limited to all members of the coverage group.

(iv) The proposal for termination shall be approved only if a majority of the coverage group vote in favor of termination.

(v) If a majority of the coverage group vote in favor of termination, the legislative body of the political subdivision shall certify the results of the referendum to the governor and give notice of termination of such coverage group.

(2) The governor shall not finally refuse to approve a plan submitted by a political subdivision under subsection (1), and shall not terminate an approved plan, without reasonable notice and opportunity for hearing to the political subdivision affected thereby.

(3) (a) Each political subdivision as to which a plan has been approved under this section shall pay into the contribution fund, with respect to wages (as defined in RCW 41.48.020), at such time or times as the governor may by regulation prescribe, contributions in the amounts and at the rates specified in the applicable agreement entered into by the governor under RCW 41.48.030.

(b) Each political subdivision required to make payments under paragraph (a) of this subsection is authorized, in consideration of the employee's retention in, or entry upon, employment after enactment of this chapter, to impose upon each of its employees, as to services which are covered by an approved plan, a contribution with respect to his wages (as defined in RCW 41.48.020), not exceeding the amount of employee tax which is imposed by the federal insurance contributions act, and to deduct the amount of such contribution from his wages as and when paid. Contributions so collected shall be paid into the OASI contribution fund in partial discharge of the liability of such political subdivision or instrumentality under paragraph (a) of this subsection. Failure to deduct such contribution shall not relieve the employee or employer of liability therefor.

SECOND READING

SENATE BILL NO. 928, by Senator Greive:

Relating to redistricting.

The bill was read the second time by sections.

Senator Greive moved adoption of the following amendment:

Strike everything after the enacting clause and insert:

"NEW SECTION. Section 1. For election of members of the legislature, the territory of the state shall be divided into forty-nine legislative districts as described in sections 2 through 50 of this act.

(1) The plan represented by this act is based on the 1970 United States Census with the data being adjusted according to the formula established by the attorney general of Washington in order to reflect the presence of transient military personnel. The legislature attempted to achieve precise mathematical equality in the populations of the various legislative districts. Any variation in the populations of the districts is inadvertent and resulted from the policy of following to the extent possible existing political subdivision boundaries, from the policy of choosing other easily identifiable boundaries, or from the necessity of subdividing the smallest census data division and interpolating the percentage of the population total in each portion.

It is legislative policy that census lines should rank no more than equally with other

lines available for use in defining districts. The legislature finds that census unit lines are often hard to read on census maps; that the lines used in the 1970 census are often holdovers from earlier censuses and do not reflect urban and suburban growth, new roads, new communities, newly established ethnic groups, or additions to existing political subdivisions; that census unit sizes vary so greatly that it is impossible to use consistent sizes; that in some cases the smallest census units were unreadable or unit lines were missing, which would have forced the use of the larger census units as boundaries; and that voters and election officials find it difficult to determine their district boundaries if only census units are used in descriptions. In summary the legislature rejects the notion that state redistricting plans must be forced into the pattern established by the federal census lines since the federal census lines were arbitrarily created for the convenience of the federal government in enumerating persons and are not necessarily related to or effective for the process of state legislative redistricting.

(2) In order to provide the best possible representation for all persons the legislature established the policy of dividing a legislative district into two representative districts if significant factors of dissimilarity were found to exist within a district and where a division of the district would serve to provide more effective representation for the different communities of interest. The factors examined by the legislature included the following:

- (a) The combination of urban, suburban, or rural components within a district;
- (b) Presence of ethnic, racial, religious, nationality, or other cultural subgroupings;
- (c) Presence of academic communities around colleges and universities;
- (d) Historical political subdivisions;
- (e) Significant transient populations;
- (f) Geographic factors such as isolation due to distance, mountains, or water barriers;
- (g) Special housing areas;
- (h) Variations in industrial, commercial and agricultural land use or zoning;
- (i) Patterns of home ownership and property taxation;
- (j) Communications and transportation patterns with particular reference to centers of distribution of information, goods, and services;
- (k) Age, income, occupation, family size, number of children in schools, and other demographic factors.

(3) A single three member district is maintained to accommodate the Washington legislative tradition of an uneven number in each house to guarantee that one party will have a majority. This has proven to be in the best interest of the people of the state of Washington.

A formula was devised which provides for proportional representation with the representation value of one of forty-nine senators being correlated with the representation value of one of ninety-nine representatives. Thus in the three house member district a slight under-representation in the senate is balanced by a slight over-representation in the house but in terms of representation units the two member districts and the three member district are equal under the one man, one vote concept.

(4) For the purposes of this act the following guides to interpretation shall apply:

(a) Road and street descriptions follow the centerline of the named or numbered streets and roads, and a straight line extension thereof where such named or numbered streets or roads have not been cut through, except where the context expressly indicates otherwise. Road and street descriptions are based to the extent possible on 1970 census maps.

(b) Water boundaries follow the main thread of a river or stream and the centerline of other bodies of water unless the context indicates otherwise.

(c) Municipal and district boundaries are those boundaries of the political subdivisions of the state as they appear on the 1970 census maps.

(d) Census tract and enumeration district boundaries are as they appear on the 1970 census maps.

(e) Boundary descriptions making reference to the boundaries of other legislative districts shall refer to the districts established by this act.

NEW SECTION. Sec. 2. The first legislative district shall consist of the area in King and Snohomish counties encompassed by the following boundaries:

On motion of Senator Greive, the rules were suspended, Engrossed Senate Bill No. 928 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Huntley: "Would Senator Greive yield? Senator, in one of the daily newspapers the other day, you were quoted at your news conference that you had taken care of every member of the Senate but one, Senator Huntley, and the reason that you had not taken care of him, because he had said he was going to run for Congress. I wonder where you got that because I did not tell you nor have I told it to anyone else."

Senator Greive: "Well, Senator, since you are not running for Congress and since this bill is not going to pass, maybe there is yet hope."

POINT OF ORDER

Senator Huntley: "Mr. President and members of the Senate, since I am the only one that does not have a district, under Article II, section 30 of the Constitution, I suggest to you that I am the only one on this floor that is going to be able to vote for or against the bill. Mr. President, I would suggest that if the reading clerk is ready to call the roll, I vote 'no' and that is the end of the bill."

RULING BY THE PRESIDENT

The President: "Senator Huntley, the President is aware that your remarks are correct and was going to rule upon your point of order. The point of order as raised by Senator Huntley is well taken as provided for in the Constitution, but the President unfortunately does not rule on constitutional questions, Senator Huntley."

POINT OF INQUIRY

Senator Canfield: "In looking at this map, I was just wondering who had the most distance to cover, Senator Wilson or myself. I wanted to ask Senator Greive, do you furnish a helicopter in these two districts?"

Senator Greive: "Maurice Chevalier, when he was asked how it felt to be eighty-seven said once, 'When I consider the alternative it feels pretty good.' Since you are eliminated under the Republican plan, I think you would rather have something with a helicopter."

Senator Canfield: "Mr. President, Senator Greive's point is well taken."

Providing for suspended sentences for driving while intoxicated.

The Senate resumed consideration of Engrossed Substitute House Bill No. 321 and the pending committee amendments previously moved for adoption by Senator Gissberg, on Thursday, May 6, 1971.

Debate ensued.

On page 2, after section 1, add a new section as follows:

"Sec. 2. Section 46.20.270, chapter 12, Laws of 1961 as last amended by section 55, chapter 145, Laws of 1967 ex. sess. and RCW 46.20.270 are each amended to read as follows:

(1) Whenever any person is convicted of any offense for which this title makes mandatory the suspension or revocation of the driver's license of such person by the department, the privilege of the person to operate a vehicle is suspended until the department takes the action required by this chapter, and the court in which such conviction is had shall forthwith secure the immediate forfeiture of the driver's license of such convicted person and immediately forward such driver's license to the department, and on failure of such convicted person to deliver such driver's license the judge shall cause such person to be confined for the period of such suspension or revocation or until such driver's license is delivered to such judge: PROVIDED, That in the event such convicted person shall testify that he does not and at the time of the offense did not have a current and valid vehicle driver's license, then the judge shall cause such person to be charged with the operation of a motor vehicle without a current and valid driver's license and on conviction

punished as by law provided, and the department shall not issue a driver's license to such persons during the period of such suspension or revocation: PROVIDED, ALSO, That in the event that the driver's license of such convicted person has been lost or destroyed and such convicted person shall make an affidavit to that effect, sworn to before the judge, he shall not be so confined, but the department shall not issue or reissue a driver's license for such convicted person during the period of such suspension or revocation: PROVIDED, That perfection of notice of appeal shall stay the execution of sentence including the suspension and/or revocation of the driver's license.

(2) Every court having jurisdiction over offenses committed under this chapter, or any other act of this state or municipal ordinance adopted by a local authority regulating the operation of motor vehicles on highways, shall forward to the department within ten days of the date of a forfeiture of bail or collateral deposited to secure a defendant's appearance in court, or the payment of a fine or a plea of guilty, or a finding of guilt on a traffic violation charge, an abstract of the court record in the form prescribed by rule of the supreme court, showing the forfeiture of bail or collateral deposited to secure the defendant's appearance in court, or the payment of the fine or the plea of guilty, or the finding of guilt [conviction of any person] in said court for a violation of any said laws other than regulations governing standing or parking, and may recommend the suspension of the driver's license of the person [so convicted].

(3) For the purposes of Title 46 the term "conviction" shall mean a final conviction in either a state or municipal court. An unvacated forfeiture of bail or collateral deposited to secure a defendant's appearance in court, the payment of a fine, a plea of guilty or a finding of guilt on a traffic law violation charge, shall be equivalent to a conviction, under Title 46 regardless of whether the imposition of sentence is deferred or the penalty is suspended."

Senator Walgren moved adoption of the following amendment:

On page 7, following line 21, after section 14 insert the following new sections and renumber the remaining sections consecutively:

"NEW SECTION. Sec. 15. There is added to chapter 12, Laws of 1961 and to chapter 46.20 RCW a new section to read as follows:

(1) A person is eligible to petition for an occupational driver's license if he has been convicted of an offense relating to motor vehicles, other than negligent homicide or manslaughter, for which suspension or revocation of his driver's license is mandatory, including suspensions or revocations pursuant to RCW 46.20.308: PROVIDED, That notwithstanding the provisions of RCW 46.20.270 as now or hereafter amended, if such person declares at the time of conviction his intent to so petition, the court may stay the effect of such mandatory suspension or revocation for a period not to exceed thirty days to allow the making of such petition.

(2) A petitioner for an occupational driver's license is eligible to receive such license only if:

(a) Within three years immediately preceding the present conviction he has not been convicted of any offense relating to motor vehicles for which suspension or revocation of a driver's license is mandatory or has not had his driver's license suspended or revoked pursuant to RCW 46.20.308; and

(b) He is engaged in an occupation or trade which makes it essential that he operate a motor vehicle; and

(c) He files satisfactory proof of financial responsibility pursuant to chapter 46.29 RCW.

(3) A petitioner for an occupational driver's license must file a verified petition on a form provided by the director, who shall issue such form upon receipt of the prescribed fee if petitioner is eligible under the requirements of subsections (1) and (2)(a) and (2)(c) above. Petitioner must set forth in detail in such petition his need for operating a motor vehicle and may file such petition with any judge in a court of record, justice court or municipal court having criminal jurisdiction in the county of the petitioner's residence.

If such petitioner is qualified under the provisions of subsection (2) (b) above, and if the judge to whom petition was made believes such petition should be granted, such judge may order the director to issue an occupational driver's license to such petitioner: PROVIDED, That an occupational driver's license may be issued for a period of not more than one year, and shall permit the operation of a motor vehicle not to exceed twelve hours per day and then only when such operation is essential to the licensee's occupation or trade: PROVIDED FURTHER, That such order shall be on a form provided by the director, and shall contain definite restrictions as to hours of the day, days of the week, type of

occupation, and areas or routes of travel to be permitted under such license and such other conditions as the judge granting the same deems appropriate.

A copy of the order and of the petition shall be sent to the director by the court. The order shall be given to the petitioner and shall serve as his occupational license until the petitioner receives the license issued by the director: PROVIDED, That the director shall not be required to issue such license if the petitioner's mandatory suspension or revocation is for sixty days or less.

(4) If the convicting judge granted a stay of effect as provided in subsection (1) above, then at the time the judge to whom petition was made issues the order he shall collect the petitioner's driver's license in the same manner as is specified in RCW 46.20.270 as now or hereafter amended, and at such time also the conviction shall take full effect.

(5) The director shall cancel an occupational driver's license upon receipt of notice that the holder thereof has been convicted of operating a motor vehicle in violation of its restrictions, or of an offense which pursuant to chapter 46.20 RCW would warrant suspension or revocation of a regular driver's license. Such cancellation shall be effective as of the date of such conviction, and shall continue with the same force and effect as any suspension or revocation under this title.

NEW SECTION. Sec. 16. Section 46.20.390, chapter 12, Laws of 1961, section 32, chapter 32, Laws of 1967, and RCW 46.20.390 are each repealed."

The motion by Senator Walgren carried and the amendment was adopted.

MOTION

On motion of Senator Bailey, Engrossed Substitute House Bill No. 321 was made a special order of business for 11:30 a.m., Saturday, May 8, 1971.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 457, by Committee on State Government:

Providing for the registration and regulation of lobbyists.

The Senate resumed consideration of Engrossed Substitute House Bill No. 457 and the pending committee amendment moved for adoption by Senator Walgren on Thursday, May 6, 1971.

Senator Holman moved adoption of the following amendment to the committee amendment:

On page 10, section 8, line 20 of the Senate Committee amendment, after "pertaining to" and before "any pending" insert "or exercise any undue influence, extortion or unlawful retaliation upon any legislator by reason of his position with respect to or his vote upon,"

POINT OF INQUIRY

Senator Woodall: "Would Senator Holman yield? The particular amendment you have in mind interests me. If someone says, 'I am going to tell all of my club', 'I am going to tell all of my lodge', 'I am going to tell all of my church', 'I am going to tell all of my union on you if you vote a certain way', would that be contraband under your amendment?"

Senator Holman: "No, sir, it would not."

Senator Woodall: "Well then what is the import of the amendment when you say 'attempt to pressure you'?"

Senator Holman: "The language of the amendment says 'undue influence' which is a legal term which you understand, extortion or retaliation. I think they are quite self-evident what they mean."

Senator Woodall: "Mr. President, I understand extortion and undue influence but retaliation I do not believe has a fixed legal definition. I know of no crime involving retaliation. I know of extortion; I know of undue influence, but retaliation. That is the item I wish you would address yourself to. I would like to know what it means."

Senator Holman: "I would say it means unlawful retaliation. If you would like to offer an amendment. That is what it means. It is not a crime. It is what a lobbyist shall not do. I offer the amendment by putting the word 'unlawful' in the proper place there."

The motion carried and the amendment to the amendment was adopted.

On motion of Senator Holman, the following amendment to the committee amendment was adopted:

On page 10, section 8, line 27 of the Senate Committee amendment, change the period to a semicolon and add "and such lobbyist's employer who aids or abets, participates in, ratifies or confirms, such acts as hereinabove prescribed, violates the provisions of this 1971 amendatory act."

Senator Holman moved adoption of the following amendment to the committee amendment:

On page 11, section 10, line 2 of the amendment, beginning with "Section" strike the remainder of line 2 and all of line 3 and insert: "Any person damaged by reason of any violation of the provisions of this 1971 amendatory act by a lobbyist, or a lobbyist's employer, may maintain an action against such lobbyist or such lobbyist's employer. If damages are awarded in such action, the court may also award a reasonable attorney's fee."

POINT OF INQUIRY

Senator Woodall: "Senator Holman, it is rather apparent you wrote these out in longhand in haste. If you will look at the amendment, it reads, 'If damages are awarded in such action, they shall include a reasonable attorney's fee as fixed by the court'. Now you mean that after there is an award in damages the court then fixes an award of reasonable attorney's fee? Is that what you are saying or does a jury include some award for attorney's fees as part of his damage?"

Senator Holman: "A jury would not fix them. It would be fixed by the court. I was using the language earlier in the bill at the top of page 8 which says 'including a reasonable attorney's fee to be fixed by the court' and I think your point is well taken. It is probably wrong up there too. If it is agreeable with the body I would suggest the secretary change the amendment to read 'damages awarded in such action, reasonable attorney's fees may also be awarded as fixed by the court'. Would that be satisfactory? Make it 'may'. I think it should be 'may'. The last sentence should read, 'If damages are awarded in such action a reasonable attorney's fee may also be allowed by the court.'"

The motion by Senator Holman carried and the amendment to the committee amendment was adopted.

On motion of Senator Mardesich, the following amendment to the committee amendment was adopted:

On page 5, section 5, lines 29 and 30 of the amendment, strike "with the assistance of the attorney general." and on lines 32 and 33 strike "with the advice and assistance of a member of the attorney general's staff."

The committee amendments, as amended, were adopted.

On motion of Senator Holman, the following amendment to the title was adopted:

On page 1, beginning on line 11 of the engrossed and printed bills, strike "repealing section 5, chapter 131, Laws of 1967 ex. sess. and RCW 44.64.050;"

On motion of Senator Walgren, the rules were suspended, Engrossed Substitute House Bill No. 457, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

FIFTY-EIGHTH DAY

MORNING SESSION

Senate Chamber, Olympia, Wash., Saturday, May 8, 1971.

The Senate was called to order at 10:00 a.m. by President Cherberg. The Secretary called the roll and announced to the President that all Senators were present except Senators Durkan, Gardner and Newschwander. On motion of Senator Knoblauch, Senator Gardner was excused.

The Color Guard, consisting of Pages Judy Holbrook, Color Bearer, and Kim Foster, presented the Colors. Pastor Glen D. Cole, of the First Assembly of God Church of Olympia, offered prayer as follows:

"Father, this legislative session is coming to a close. These men have heard many voices over the past weeks and months. Many have been crying out for their cause. Some would believe and state that we need a solver of national and international problems. Others shout, 'Give us fresh imaginative ideas'. Somehow, Lord, it seems that we need to learn as creatures of Yours, that we don't necessarily need more new things. That it is not some new, brilliant, creative idea from some super-intellectual brain that will guide us out of our dilemma. Remind us today that the truth is that the big wonderful idea has already been thought of. That we need not the discovery of new things or new ideas, but a rediscovery of the grand and glorious revelation to a sad and sick humanity 2000 years ago. God, draw the curtain back again. Open the door. Show us the tall Stranger of Galilee Who can save our world and give men the inner security they crave. Start that work right here in us this moment, for Jesus' sake.

"And on this very special day when the Honorable and Mrs. Gordon Sandison celebrate their twenty-eighth wedding anniversary, we pray a special blessing upon them. Thank You for their dedicated service to our state. We ask that You will grant them strength, happiness and renewal on this wonderful day. We pray in Jesus' name. Amen."

On motion of Senator Greive, the reading of the journal of the previous day was dispensed with and it was approved.

SENATE RESOLUTION: 1971-EX-77

By Senator Walgren:

WHEREAS, The population of this state is increasing at a rapid pace; and

WHEREAS, The increasing population is settling in areas of already high population density; and

WHEREAS, The Legislature finds that the existence of multiple governmental units in compact geographical areas leads to expensive duplication of essential services with resulting inefficiency; and

WHEREAS, The Legislature must have up-to-date information on the possibilities of city-town consolidation, city-county consolidation, and even county-county consolidation; and

WHEREAS, The nonhighway movement of people in and around metropolitan areas is of increasing importance to the Legislature and the people of this state; and

WHEREAS, The Legislature needs information on the concept of self-contained model cities developed in areas away from already congested population centers;

NOW, THEREFORE, BE IT RESOLVED, By the Senate that the interim municipal committee is requested to undertake studies of local government consolidation, movement of people in metropolitan centers and model cities.

BE IT FURTHER RESOLVED, That results and recommendations of such studies together with suggested legislation be presented to the forty-third regular session of the Legislature to be convened in January, 1973, or if available, any extraordinary session of the Legislature to be convened in January, 1972.

On motion of Senator Durkan, the following resolution was adopted:

SENATE RESOLUTION: 1971-EX-78

By Senators Durkan and Francis:

WHEREAS, The various education organizations have not had opportunity to explore the matter within their own organization and testimony has not been received from all parties to the negotiations process;

NOW, THEREFORE, BE IT RESOLVED, By the Washington State Senate, That the Joint Committee on Education be requested to conduct a study during the interim on the appropriate role of principals in the negotiations process in the common schools and report to a subsequent session of the Legislature an appropriate legislative remedy.

BE IT FURTHER RESOLVED, That a copy of this resolution be transmitted to the Executive Secretary of the Joint Committee on Education.

On motion of Senator Gissberg, the following resolution was adopted:

SENATE RESOLUTION: 1971-EX-79

By Senators Gissberg and Holman:

WHEREAS, The Legislature recognizes that there is a need for the simplification and clarification of the law concerning the affairs of decedents, missing persons, protected persons, minors, and incapacitated persons; and

WHEREAS, It further recognizes the importance of discovering and making effective the intent of a decedent in the distribution of his property; and

WHEREAS, The Legislature desires to promote a speedy and efficient system for liquidating the estate of the decedent and making distribution to his successors, and to minimize the need for formal administration in the case of small estates; and

WHEREAS, It further desires to facilitate the use and enforcement of certain trusts; and

WHEREAS, It also recognizes the value of making uniform the law on such subjects among the various jurisdictions;

NOW, THEREFORE, BE IT RESOLVED, That the Senate hereby respectfully requests the Judicial Council to study the Uniform Probate Code, as presented to the 42nd Legislature in Senate Bill No. 313, and in particular Article III of the Code, and determine whether such legislation would accomplish the goals set forth in this resolution; and

BE IT FURTHER RESOLVED, That the Judicial Council is also requested to report its findings and recommendations concerning the Uniform Probate Code to the 43rd session of the Legislature, and, giving particular attention to Article III thereof, to render a preliminary report to the 1972 extraordinary session, if such session is convened.

On motion of Senator Odegaard, the following resolution was adopted:

SENATE RESOLUTION: 1971-EX-80

By Senators Odegaard, Donohue, Henry, Matson, Jolly, Gissberg, Day, Stortini, Guess, Lewis, Newschwander and Wilson:

WHEREAS, The Legislature has in recent sessions enacted a substantial number of bills containing programs designed to protect and conserve the natural resources of our State and enhance the quality of the environment; and

WHEREAS, The Legislature recognizes that in the implementation of these programs the conduct of certain activities would have to be modified and in some cases eliminated, and that in such transition period of adjustment the administrators of these programs must exercise a great amount of common sense and rely on equitable considerations to insure, so far as reasonably possible, that no undue hardships result; and

WHEREAS, Regional and local air pollution control authorities have been granted substantial powers under one of the aforesaid bills to control the degradation of the quality of the air; and

WHEREAS, It is the feeling of the Washington State Senate that various of these authorities have implemented their programs in manners which are not uniform, and that further, these authorities have not always established their priorities in a satisfactory manner by taking aggressive action against those who introduce only minor amounts of pollutants into the air, such as those who engage in "backyard burning" and land clearing, while the same authorities have taken less aggressive positions against those who substantially degrade the quality of the air, such as those engaged in certain industrial and municipal activities; and

WHEREAS, These same programs are premature in that severe economic hardships are imposed upon land clearers and extreme inconvenience and frustrations upon individual residents, while reasonable and practical alternatives to traditional practices are not being provided by government, including the air pollution authorities;

NOW, THEREFORE, BE IT RESOLVED, By the Senate of the state of Washington, that the local and regional air authorities be requested to:

(1) Reexamine the priorities of their enforcement programs to insure that primary emphasis is placed on the serious problems in their regions;

(2) Alter, redraft and/or hold in abeyance for a later priority date, such regulations relating to backyard and land clearing burning; and

(3) In the course of such reexamination obtain the views and recommendations of the Department of Ecology as to priorities in such enforcement programs; and

BE IT FURTHER RESOLVED, That the Secretary of the Senate transmit a copy of this Resolution to each regional and local air pollution control authority, including each board member of said authority, and to the director of the Department of Ecology.

On motion of Senator Scott, the following resolution was adopted:

SENATE RESOLUTION: 1971-EX-81

By Senators Washington, Henry, Bailey, Lewis, Connor, McDougall, Donohue, Mardesich, Matson, Elicker, Murray, Foley, Peterson (Lowell), Herr, Scott, Huntley, Walgren and Whetzel.

WHEREAS, The Legislature has studied the advisability of revising the practice of restricting highway user tax revenues for highway purposes as established by the 18th amendment to the Washington State Constitution; and

WHEREAS, The Senate Transportation Committee held extensive hearings on Senate Joint Resolution No. 17, which would have permitted the tax to be used by a public agency for any bona fide public transportation purpose that would help answer the needs of congested urban areas for improved transportation facilities, while at the same time protecting the interests of non-urban areas in retaining an effective highway program; and

WHEREAS, The Senate Transportation Committee believes that so long as the major needs of a statewide arterial highway network are safeguarded it is possible for a portion of the locally collected highway user revenues to be used for public transportation purposes at the option of the local agency without serious impact on the orderly and continuing development of the statewide arterial highway network; and

WHEREAS, The Joint Committee on Highways is the permanent legislative interim committee charged with a continuing overview of all aspects of a statewide balanced transportation system, and has the capability for suggesting appropriate statutory provisions required to identify highway user revenues collected on a county or city basis;

ENGROSSED HOUSE BILL NO. 90, by Representatives Brouillet, Hoggins, Chatalas, Kirk, Merrill, Lynch, Grant, Conner, Thompson, Marsh, Backstrom, Bagnariol, Bauer, Beck, Ceccarelli, Charnley, Douthwaite, Farr, Gallagher, King, Luders, Martinis, Marzano, Mentor, McCormick, O'Brien, Paris, Rosellini, Williams, Wojahn and Litchman (by Joint Committee on Education, executive and Superintendent of Public Instruction request):

Relating to educational opportunities for all handicapped children.

The bill was read the second time by sections.

On motion of Senator Ridder, the rules were suspended, Engrossed House Bill No. 90 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Newschwander: "Would Senator Dore yield to a question? Can you give me the impact, say over five years, what this will do to the budget?"

Senator Dore: "It is in the budget, it is programmed in the budget for five million dollars in the handicapped children program. There is an item of five million dollars in order to carry out the purpose of this act."

Senator Newschwander: "How about five years?"

Senator Dore: "I assume if it is five million for two years, then it would be an impact of twelve and one-half million over five years."

POINT OF INQUIRY

Senator Wilson: "Would Senator Dore yield please? Senator, will the additional obligations involved in House Bill No. 90 be entirely funded by this five million dollars in the state budget?"

Senator Dore: "That is the only money provided for that. It is directly in the handicapped children's appropriation of some, I think it is forty-seven million, and five million of that is for this program."

Senator Wilson: "Then the local districts are not going to have to try to find partial funding for this program within the scope of their present allocations?"

Senator Dore: "They might want to expand the program; that would be up to the school board."

Senator Wilson: "They would or would not be obligated to add more?"

Senator Dore: "No. It is my understanding of the makeup of the budget, and I got this from the budget director, is that the estimated cost of implementing this program is five million dollars and we have the five million dollars in the budget to take care of the number of people that he estimated would be eligible for the program."

"There has been a lot of misunderstanding about it and a lot of large figures kicked around but that is my best knowledge and understanding and that is the recommendation and the information received from the budget director."

Following section 2 add new sections as follows:

"NEW SECTION. Sec. 3. PURPOSE. The purpose of sections 3 through 20 of this act is the creation of funds arising from assessments upon all insurers authorized to transact life or disability insurance business in the state of Washington, to be used to assure to the extent prescribed herein the performance of the insurance contractual obligations of insurers becoming insolvent to residents of this state and, in the case of domestic insurers, to residents of other jurisdictions as well; and to promote thereby the stability of domestic insurers. In the judgment of the legislature, the foregoing purpose not being capable of accomplishment by a corporation created under general laws, the creation of the nonprofit association hereinafter in sections 3 through 20 of this act described is deemed essential for the protection of the general welfare.

NEW SECTION. Sec. 4. SCOPE, PERSONAL INSURANCES. Sections 3 through 20 of this act shall apply as follows to life insurance policies, disability insurance policies, and annuity contracts of liquidating insurers, other than separate account variable policies and contracts authorized by chapter 48.18A RCW:

(1) To all such policies and contracts of a domestic insurer, without regard to the place of residence or domicile of the policy or contract owner, insured, annuitant, beneficiary, or payee.

(2) To all such policies and contracts of a foreign or alien insurer authorized to transact such insurance or annuity business in this state at the time such policies or contracts were issued or at the time of entry of the order of liquidation of the insolvent insurer, and of which the policy or contract owner, insured, annuitant, beneficiary, or payee is a resident of and domiciled within this state. With respect to group policies or group contracts of such foreign or alien insurers, sections 3 through 20 of this act shall apply only as to the insurance or annuities thereunder of individuals who are residents of and domiciled within this state. The place of residence or domicile shall be determined as of the date of entry of the order of liquidation against the insurer.

(3) To policies and contracts only of insolvent insurers with respect to which an order of liquidation is entered after the effective date of sections 3 through 20 of this act.

(4) The obligations of the association created under sections 3 through 20 this act shall apply only as to contractual obligations of the insurer under insurance policies and annuity contracts, and shall be no greater than such obligations of the insolvent insurer at the time of entry of the order of liquidation; except, that the association shall have no liability with respect to any portions of such policies or contracts to the extent that the death benefit coverage on any one life exceeds an aggregate of three hundred thousand dollars.

(5) Sections 3 through 20 of this act shall not apply to fraternal benefit societies, health care service contractors, or to insurance or liability assumed by the liquidating insurer under a contract of reinsurance other than of bulk reinsurance.

NEW SECTION. Sec. 5. DEFINITIONS. Within the meaning of sections 3 through 20 of this act:

(1) "Association" means "the Washington life and disability insurance guaranty association".

(2) "Board" means the board of directors of the Washington life and disability insurance guaranty association.

(3) "Commissioner" means the insurance commissioner of this state.

(6) "Fund" means a guaranty fund provided for in section 10 of this act.

(7) "Account" means any one of the three guaranty fund accounts created under section 10(1) of this act.

(8) "Assessment" means a charge made upon an insurer by the board under sections 3 through 20 of this act for payment into a guaranty fund. The charge shall constitute a legal liability of the insurer so assessed.

All such insurers shall be and remain members of the association during the continuance of, and as a condition to, their authority to transact such business in this state.

(2) The association shall be managed by a board of directors composed of the commissioner, ex officio, and of not less than five nor more than nine member insurers, each of whom shall initially be appointed by the commissioner to serve for terms of one, two, or three years. After the initial board is appointed, the board shall provide in its bylaws for selection of board members by member insurers subject to the commissioner's approval; members so selected shall serve for three year terms, acceding to office upon expiration of the terms of the respective initial board members; and board members shall thereafter serve for three year terms and shall continue in office until their respective successors be selected, approved, and have qualified. (3) A director, officer, employee, agent or other representative of the association or of a member insurer, or the commissioner or his representative shall in no event be individually liable to any person, including the association, for any act or omission to act, or for any liability incurred or assumed, on behalf of the association or by virtue thereof, any such liability so incurred or assumed to be collectible only out of a fund; nor shall any insurer member of the association be subject to any liability except for assessment as in sections 3 through 20 of this act provided.

(4) The association shall be under the immediate supervision of the commissioner and shall be subject to such provisions of the insurance code of the state of Washington as may be applicable and not inconsistent with the provisions of sections 3 through 20 of this act.

(5) The board may, upon majority vote, make recommendations to the commissioner for the detection and prevention of insurer insolvencies.

NEW SECTION. Sec. 7. POWERS OF THE ASSOCIATION. The association shall have the power:

(1) To use a seal, to contract, to sue and be sued and, in addition, possess and exercise all powers necessary or convenient for the purposes of sections 3 through 20 of this act.

(2) With the approval of the commissioner and as provided in section 8 of this act, to assume, reinsure or guarantee or cause to be assumed, reinsured, or guaranteed, partially or wholly, any or all of the policies or contracts of any liquidating domestic life or disability insurer or any policy or contract to which sections 3 through 20 of this act applies, and to make available from a fund, the creation of which is hereinafter in section 10 of this act provided, such sum or sums as may be necessary for such purpose.

(4) To borrow money for the purposes of the fund, either with or without security, and pledge such assets in a fund as security for such loans, and in connection therewith, rehypothecate any securities or collateral pledged to it by an insurer. Any notes or other evidence of indebtedness of the association shall be legal investments for domestic insurers and may be carried as admitted assets.

(5) To collect or enforce by legal proceedings, if necessary, the payment of all assessments for which any insurer may be liable under sections 3 through 20 of this act; and to collect any other debt or obligation due to the association or a fund created in sections 3 through 20 of this act.

(6) To make bylaws and regulations for the conduct of the affairs of the association, not inconsistent with sections 3 through 20 of this act.

NEW SECTION. Sec. 8. REINSURANCE, GUARANTY OF POLICIES, CONTRACTS.

The association, as to any such policy or contract under which there is no default in payment of premiums subsequent to such assumption, reinsurance, or guaranty, shall make or cause to be made prompt payment of the benefits due under the terms of the policy or contract.

(2) The association shall make or cause to be made payment of the death, endowment, or disability insurance or annuity benefits due under the terms of each policy or contract insuring the life or health of, or providing annuity or other benefits for, a resident of this state which was issued or assumed by a foreign or alien insurer with respect to which an order of liquidation has been entered by a court of competent jurisdiction in the state or country of its domicile.

(3) In determining benefits to be paid with respect to the policies and contracts of a particular liquidating insurer the board may give due consideration to amounts reasonably recoverable or deductible because of the contingent liability, if any, of policyholders of the insurer (if a mutual insurer) or recoverable because of the assessment liability, if any, of the insurer's stockholders (if a stock insurer).

(4) With respect to an insolvent domestic insurer, the board shall have power to petition the court in which the delinquency proceedings are pending for, and the court shall have authority to order and effectuate, such modifications in the terms, benefits, values, and premiums thereafter to be in effect of policies and contracts of the insurer as may reasonably be necessary to effect a bulk reinsurance of such policies and contract in a solvent insurer.

(5) In addition to any other rights of the association acquired by assignment or otherwise, the association shall be subrogated to the rights of any person entitled to receive benefits under sections 3 through 20 of this act against the liquidating insurer, or the receiver, rehabilitator, liquidator, or conservator, as the case may be, under the policy or contract with respect to which a payment is made or guaranteed, or obligation assumed by the association pursuant to this section, and the association may require an assignment to it of such rights by any such persons as a condition precedent to the receipt by such person of payment of any benefits under sections 3 through 20 of this act.

(6) For the purpose of carrying out its obligations under sections 3 through 20 of this act, the association shall be deemed to be a creditor of the liquidating insurer to the extent of assets attributable to covered policies and contracts reduced by any amounts to which the association is entitled as a subrogee. All assets of the liquidating insurer attributable to covered policies and contracts shall be used to continue all covered policies and contracts and pay all contractual obligations of the liquidating insurer as required by sections 3 through 20 of this act. Assets attributable to covered policies and contracts, as used in this subsection, are those in that proportion of the assets which the reserves that should have been established for such policies and contracts bear to the reserves that should have been established for all insurances written by the liquidating insurer.

NEW SECTION. Sec. 9. DUPLICATION OF BENEFITS PROHIBITED. Whenever a guaranty or payment of proceeds or benefits of a policy or contract otherwise provided for under sections 3 through 20 of this act is also provided for by a similar law of another jurisdiction, there shall be only one recovery of values or benefits, and the association or their entity established by such law in the domiciliary jurisdiction or state of entry of the liquidating insurer shall be solely responsible for such guaranty and payment.

NEW SECTION. Sec. 10. GUARANTY FUNDS. (1) For purposes of administration and assessment, the association shall establish and maintain three guaranty fund accounts: (a) the life insurance account; (b) the disability insurance account; and (c) the annuity account.

(2) For the purpose of providing the funds necessary to carry out the powers and duties of the association, the board shall assess the member insurers, separately for each account, at such times and for such amounts as the board finds necessary. The board shall collect the assessment after thirty days written notice to the member insurers before payment is due.

(3) (a) The amount of any assessment for each account shall be determined by the board, and shall be divided among the accounts in the proportion that the premiums received by the liquidating insurer on the policies or contracts covered by each account bears to the premiums received by such insurer on all covered policies and contracts.

(b) Assessments against member insurers for each account shall be in the proportion that the premiums received on business in this state by each assessed member insurer on policies or contracts covered by each account bears to such premiums received on business in this state by all assessed member insurers.

(c) Assessments for funds to meet the requirements of the association with respect to a particular liquidating insurer shall not be made until necessary, in the board's opinion, to implement the purposes of sections 3 through 20 of this act; and in no event shall such an assessment be made with respect to such insurer until an order of liquidation has been entered against the insurer by a court of competent jurisdiction of the insurer's state or country of domicile. Computation of assessments under this subsection shall be made with a reasonable degree of accuracy, recognizing that exact determination may not always be possible.

(4) The association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the insurer to fulfill its contractual obligations. The total of all assessments upon a member insurer for each account shall not in any one calendar year exceed two percent of such insurer's premiums in this state on the policies or contracts covered by the account.

(5) In the event an assessment against a member insurer is abated or deferred, in whole or in part, because of the limitations set forth in subsection (4) of this section, the amount by which such assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section. If the maximum assessment, together with the other assets of the association in an account, does not provide in any one year an amount sufficient to carry out the responsibilities of the association with respect to such account, the necessary additional funds shall be assessed as soon thereafter as permitted by sections 3 through 20 of this act.

(6) The amount in a fund shall be kept at such a sum as in the opinion of the board will enable the association to meet the immediate obligations and liabilities of such fund. Whenever in the opinion of the board the amount in a fund is in excess of such immediate obligations and liabilities, with the approval of the commissioner the association may distribute such excess by retirement of certificates previously issued against the fund. Such distribution shall be made pro rata upon the basis of outstanding certificates, except that by unanimous consent of all directors and with the approval of the commissioner any other reasonable method of retirement of such certificates may be adopted.

(7) As used in this section, "premiums" are those for the calendar year preceding the entry of the order of liquidation as to a particular liquidating insurer, and shall be direct gross insurance premiums and annuity considerations received on policies and contracts to which sections 3 through 20 of this act applies, less return premiums and considerations and less dividends paid or credited to policy-holders.

(8) Upon dissolution of a fund by the repeal of sections 3 through 20 of this act or otherwise, the fund shall be distributed in the same manner as is provided for the repayment or retirement of certificates. If the amount in the fund at the time of dissolution is in excess of outstanding certificates issued against the fund, such excess shall be distributed among contributing member insurers in such equitable manner as is approved by the commissioner.

NEW SECTION. Sec. 11. CERTIFICATES OF CONTRIBUTION; ALLOWANCE AS ASSET. (1) The association shall issue to each insurer paying an assessment under sections 3 through 20 of this act certificates of contribution, in appropriate form and terms as prescribed or approved by the commissioner, for the amounts so paid into the respective funds. All outstanding certificates against a particular fund shall be of equal dignity and priority without reference to amounts or dates of issue.

(2) An outstanding certificate of contribution shall be shown by the insurer in its financial statements as an admitted asset for such amount and period of time as the commissioner may approve: PROVIDED, That unless a longer period has been allowed by the commissioner the insurer shall in any event at its option have the right to so show a certificate of contribution as an admitted asset at percentages of original face amount for calendar years as follows:

- 100% for the calendar year of issuance;
- 80% for the first calendar year after the year of issuance;
- 60% for the second calendar year after the year of issuance;
- 40% for the third calendar year after the year of issuance;
- 20% for the fourth calendar year after the year of issuance; and
- 0% for the fifth and subsequent calendar years after the year of issuance.

(3) No distribution to stockholders, if any, of a liquidating insurer shall be made unless and until the total amount of assessments levied by the association with respect to such insurer have been fully recovered by the association.

NEW SECTION. Sec. 12. TAXATION. (1) The association shall be exempt from premium tax. Any domestic insurer whose policies or contracts have been assumed, reinsured, or guaranteed by the association under sections 3 through 20 of this act shall remain liable for premium taxes on all premiums received on policies and contracts issued by it, but payment of such taxes shall be suspended. Payment of or on account of such taxes shall be made under such terms and conditions as the commissioner may prescribe. No distribution to stockholders, if any, of the liquidating insurer shall be made unless all premium taxes, the payment of which has been suspended hereunder, have been fully paid.

(2) The association shall be exempt from all taxes and fees now or hereafter imposed by the state of Washington or by any county, municipality, or local authority or subdivision; except that any real property owned by the association shall be subject to taxation to the same extent according to its value as other real property is taxed.

(3) Assessments made upon domestic insurers pursuant to a law of another jurisdiction similar to sections 3 through 20 of this act, shall be excluded from the application of RCW 48.14.040 (retaliatory provision).

NEW SECTION. Sec. 13. PROHIBITED USE OF ACT. No person shall make use in any manner of the protection afforded under sections 3 through 20 of this act in the solicitation of insurance or annuity business.

NEW SECTION. Sec. 14. RECAPTURE OF EXCESSIVE DIVIDENDS TO AFFILIATES. (1) If an order for liquidation or rehabilitation of a domestic insurer has been entered, the receiver appointed or existing under such order shall have a right to recover, and upon request of the board or without such request shall take such action as he deems advisable to recover, on behalf of the insurer from any affiliate that controlled it the amount of distributions, other than stock dividends paid by the insurer on its capital stock, at any time during the five years preceding the petition for liquidation or rehabilitation of the insurer subject to the limitations of subsections (2) through (4) of this section.

(2) No such dividend shall be recoverable if the insurer shows that when paid the distribution was lawful and reasonable, and that the insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the insurer to fulfill its contractual obligations.

(3) Any person who was an affiliate in control of the insurer at the time a distribution was paid shall be liable up to the amount of distribution he received. Any person who was an affiliate in control of the insurer at the time a distribution was declared shall be liable up to the amount of distribution he would have received if it had been paid immediately. If two persons are liable with respect to the same distribution they shall be jointly and severally liable.

(4) The maximum amount recoverable by the receiver under this section shall be the amount needed in excess of all other available assets to pay the contractual obligations of the insurer.

(5) If any person liable under subsection (3) of this section is insolvent, all its affiliates that controlled it at the time the distribution was paid shall be jointly and severally liable for any resulting deficiency in the amount recovered from the insolvent affiliate.

NEW SECTION. Sec. 15. **SHORT TITLE.** Sections 3 through 20 of this 1971 act shall be known and may be cited as the Washington Life and Disability Insurance Guaranty Association Act.

NEW SECTION. Sec. 16. **CONSTRUCTION.** Sections 3 through 20 of this 1971 act shall be liberally construed to effect the purpose stated in section 3 of this act, which shall constitute an aid and guide to interpretation.

NEW SECTION. Sec. 17. **SECTION HEADINGS NOT PART OF LAW.** Section headings in sections 3 through 20 of this act do not constitute any part of the law.

NEW SECTION. Sec. 18. **NEW CHAPTER.** Sections 3 through 16 of this act shall be added to Title 48 RCW as a new chapter thereof.

NEW SECTION. Sec. 19. **EMERGENCY.** Sections 3 through 41 of this 1971 act are necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

NEW SECTION. Sec. 20. **SEVERABILITY.** If any clause, sentence, paragraph, section or part of this act shall for any reason be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment has been rendered.

NEW SECTION. Sec. 21. **PURPOSE.** The purpose of this chapter is to provide a mechanism for the payment of covered claims under certain insurance policies to avoid excessive delay in payment and to avoid financial loss to claimants or policyholders because of the insolvency of an insurer, to assist in the detection and prevention of insurer insolvencies, and to provide an association to assess the cost of such protection among insurers.

NEW SECTION. Sec. 22. **SCOPE.** This chapter shall apply to all kinds of direct insurance, except life, title, surety, disability, credit, mortgage guaranty, and ocean marine insurance.

NEW SECTION. Sec. 23. **DEFINITIONS.** As used in this chapter:

(1) "Account" means any one of the three accounts created in section 24 of this 1971 act.

(2) "Association" means the Washington Insurance Guaranty Association created in section 24 of this 1971 act.

(3) "Commissioner" means the insurance commissioner of this state.

(4) "Covered claim" means an unpaid claim, including one for unearned premiums, which arises out of or is within the coverage of an insurance policy to which this chapter applies issued by an insurer, if such insurer becomes an insolvent insurer after the first day of April, 1971 and (a) the claimant or insured is a resident of this state at the time of the insured event; or (b) the property from which the claim arises is permanently located in this state. "Covered claim" shall not include any amount due any reinsurer, insurer, insurance pool, or underwriting association, as subrogation recoveries or otherwise.

(5) "Insolvent insurer" means an insurer (a) authorized to transact insurance in this state either at the time the policy was issued or when the insured event occurred and (b) determined to be insolvent by a court of competent jurisdiction, and which adjudication was subsequent to the first day of April, 1971.

(6) "Member insurer" means any person who (a) writes any kind of insurance to which this chapter applies under section 22 of this 1971 act, including the exchange of reciprocal or interinsurance contracts, and (b) is licensed to transact insurance in this state.

(7) "Net direct written premiums" means direct gross premiums written in this state on insurance policies to which this chapter applies, less return premiums thereon and dividends paid or credited to policyholders on such direct business. "Net direct written premiums" does not include premiums on contracts between insurers or reinsurers.

(8) "Person" means any individual, corporation, partnership, association, or voluntary organization.

NEW SECTION. Sec. 24. **CREATION OF THE ASSOCIATION.** There is hereby created a nonprofit unincorporated legal entity to be known as the Washington Insurance Guaranty Association. All insurers defined as member insurers in section 23 (6) of this 1971 act shall be and remain members of the association as a condition of their authority to transact insurance in this state. The association shall perform its functions under a plan of operation established and approved under section 27 of this 1971 act and shall exercise its powers through a board of directors established under section 25 hereof. For purposes of administration and assessment, the association shall be divided into three separate accounts: (1) The workmen's compensation insurance account; (2) the automobile insurance account; and (3) the account for all other insurance to which this chapter applies.

NEW SECTION. Sec. 25. **BOARD OF DIRECTORS.** (1) The board of directors of the association shall consist of not less than five nor more than nine persons serving terms as established in the plan of operation. The members of the board shall be selected by member insurers subject to the approval of the commissioner. Vacancies on the board shall be filled

for the remaining period of the term in the same manner as initial appointments. If no members are selected within sixty days after the effective date of this chapter, the commissioner may appoint the initial members of the board of directors.

(2) In approving selections to the board, the commissioner shall consider among other things whether all member insurers are fairly represented.

(3) Members of the board may be reimbursed from the assets of the association for expenses incurred by them as members of the board of directors.

NEW SECTION. Sec. 26. POWERS AND DUTIES OF THE ASSOCIATION.

(1) The association shall:

(a) Be obligated to the extent of the covered claims existing prior to the determination of insolvency and arising within thirty days after the determination of insolvency, or before the policy expiration date if less than thirty days after the determination, or before the insured replaces the policy or on request effects cancellation, if he does so within thirty days of the determination, but such obligation shall include only that amount of each covered claim which is in excess of applicable deductible provisions of the policy and is less than three hundred thousand dollars, except that the association shall pay the full amount of unearned premiums or any covered claim arising out of a workmen's compensation policy. In no event shall the association be obligated to a policy holder or claimant in an amount in excess of the face amount of the policy from which the claim arises.

(b) Be deemed the insurer to the extent of its obligation on the covered claims and to such extent shall have all rights, duties, and obligations of the insolvent insurer as if the insurer had not become insolvent.

(c) Allocate claims paid and expenses incurred among the three accounts enumerated in section 24 of this 1971 act separately, and assess member insurers separately for each account amounts necessary to pay the obligations of the association under subsection (1) (a) above subsequent to an insolvency, the expenses of handling covered claims subsequent to an insolvency, the cost of examinations under section 31 of this 1971 act, and other expenses authorized by this chapter. The assessments of each member insurer shall be in the proportion that the net direct written premiums of the member insurer for the preceding calendar year on the kinds of insurance in the account bears to the net direct written premiums of all member insurers for the preceding calendar year on the kinds of insurance in the account. Each member insurer shall be notified of the assessment not later than thirty days before it is due. No member insurer may be assessed in any year on any account an amount greater than two percent of that member insurer's net direct written premiums for the preceding calendar year on the kinds of insurance in the account. If the maximum assessment, together with the other assets of the association in any account, does not provide in any one year in any account an amount sufficient to make all necessary payments from that account, the funds available shall be prorated and the unpaid portion shall be paid as soon thereafter as funds become available. The association may exempt or defer, in whole or in part, the assessment of any member insurer, if the assessment would cause the member insurer's financial statement to reflect amounts of capital or surplus less than the minimum amounts required for a certificate of authority by any jurisdiction in which the member insurer is authorized to transact insurance. Each member insurer may set off against any assessment, authorized payments made on covered claims and expenses incurred in the payment of such claims by the member insurer if they are chargeable to the account for which the assessment is made.

(d) Investigate claims brought against the association and adjust, compromise, settle, and pay covered claims to the extent of the association's obligation and deny all other claims.

(e) Notify such persons as the commissioner directs under section 28 (2) (a) of this 1971 act.

(f) Handle claims through its employees or through one or more insurers or other persons designated as servicing facilities. Designation of a servicing facility is subject to the approval of the commissioner, but such designation may be declined by a member insurer.

(g) Reimburse each servicing facility for obligations of the association paid by the facility and for expenses incurred by the facility while handling claims on behalf of the association and shall pay the other expenses of the association authorized by this chapter.

(2) The association may:

(a) Appear in, defend, and appeal any action on a claim brought against the association.

(b) Employ or retain such persons as are necessary to handle claims and perform other duties of the association.

(c) Borrow funds necessary to effect the purposes of this chapter in accord with the plan of operation.

(d) Sue or be sued.

(e) Negotiate and become a party to such contracts as are necessary to carry out the purpose of this chapter.

(f) Perform such other acts as are necessary or proper to effectuate the purpose of this chapter.

(g) Refund to the member insurers in proportion to the contribution of each member insurer to that account that amount by which the assets of the account exceed the liabilities, if, at the end of any calendar year, the board of directors finds that the assets of the association in any account exceed the liabilities of that account as estimated by the board of directors for the coming year.

NEW SECTION. Sec. 27. PLAN OF OPERATION. (1) (a) The association shall submit to the commissioner a plan of operation and any amendments thereto necessary or suitable to assure the fair, reasonable, and equitable administration of the association. The plan of operation and any amendments thereto shall become effective upon approval in writing by the commissioner.

(b) If the association fails to submit a suitable plan of operation within ninety days following the effective date of this chapter or if at any time thereafter the association fails to submit suitable amendments to the plan, the commissioner shall, after notice and hearing, adopt and promulgate such reasonable rules as are necessary or advisable to effectuate the provisions of this chapter. Such rules shall continue in force until modified by the commissioner or superseded by a plan submitted by the association and approved by the commissioner.

(2) All member insurers shall comply with the plan of operation.

(3) The plan of operation shall:

(a) Establish the procedures whereby all the powers and duties of the association under section 26 of this 1971 act will be performed.

(b) Establish procedures for handling assets of the association.

(c) Establish the amount and method of reimbursing members of the board of directors under section 25 of this 1971 act.

(d) Establish procedures by which claims may be filed with the association and establish acceptable forms of proof of covered claims. Notice of claims to the receiver or liquidator of the insolvent insurer shall be deemed notice to the association or its agent and a list of such claims shall be periodically submitted to the association or similar organization in another state by the receiver or liquidator.

(e) Establish regular places and times for meetings of the board of directors.

(f) Establish procedures for records to be kept of all financial transactions of the association, its agents, and the board of directors.

(g) Provide that any member insurer aggrieved by any final action or decision of the association may appeal to the commissioner within thirty days after the action or decision.

(h) Establish the procedures whereby selections for the board of directors will be submitted to the commissioner.

(i) Contain additional provisions necessary or proper for the execution of the powers and duties of the association.

(4) The plan of operation may provide that any or all powers and duties of the association, except those under section 26, subsections (1) (c) and (2) (c), are delegated to a corporation, association, or other organization which performs or will perform functions similar to those of this association, or its equivalent, in two or more states. Such a corporation, association or organization shall be reimbursed as a servicing facility would be reimbursed and shall be paid for its performance of any other functions of the association. A delegation under this subsection shall take effect only with the approval of both the board of directors and the commissioner, and may be made only to a corporation, association, or organization which extends protection not substantially less favorable and effective than that provided by this chapter.

NEW SECTION. Sec. 28. DUTIES AND POWERS OF THE COMMISSIONER.

(1) The commissioner shall:

(a) Notify the association of the existence of an insolvent insurer not later than three days after he receives notice of the determination of the insolvency.

(b) Upon request of the board of directors, provide the association with a statement of the net direct written premiums of each member insurer.

(2) The commissioner may:

(a) Require that the association notify the insureds of the insolvent insurer and any other interested parties of the determination of insolvency and of their rights under this chapter. Such notification shall be by mail at their last known address, where available, but if sufficient information for notification by mail is not available, notice by publication or in a newspaper of general circulation shall be sufficient.

(b) Suspend or revoke, after notice and hearing, the certificate of authority to transact insurance in this state of any member insurer which fails to pay an assessment when due or fails to comply with the plan of operation. As an alternative, the commissioner may levy a fine on any member insurer which fails to pay an assessment when due. Such fine shall not exceed five percent of the unpaid assessment per month, except that no fine shall be less than one hundred dollars per month.

(c) Revoke the designation of any servicing facility if he finds claims are being handled unsatisfactorily.

(3) Any final action or order of the commissioner under this chapter shall be subject to judicial review in a court of competent jurisdiction.

NEW SECTION. Sec. 29. EFFECT OF PAID CLAIMS. (1) Any person recovering under this chapter shall be deemed to have assigned his rights under the policy to the association to the extent of his recovery from the association. Every insured or claimant seeking the protection of this chapter shall cooperate with the association to the same extent as such person would have been required to cooperate with the insolvent insurer. The association shall have no cause of action against the insured of the insolvent insurer for any sums it has paid out.

(2) The receiver, liquidator, or statutory successor of an insolvent insurer shall be bound by settlements of covered claims by the association or a similar organization in

another state. The court having jurisdiction shall grant such claims priority equal to that which the claimant would have been entitled in the absence of this chapter against the assets of the insolvent insurer. The expenses of the association or similar organization in handling claims shall be accorded the same priority as the liquidator's expenses.

(3) The association shall periodically file with the receiver or liquidator of the insolvent insurer statements of the covered claims paid by the association and estimates of anticipated claims on the association which shall preserve the right of the association against the assets of the insolvent insurer.

NEW SECTION. Sec. 30. NONDUPLICATION OF RECOVERY. (1) Any person having a claim against his insurer under any provision in his insurance policy which is also a covered claim shall be required to exhaust first his right under such policy. Any amount payable on a covered claim under this chapter shall be reduced by the amount of such recovery under the claimant's insurance policy.

(2) Any person having a claim which may be recovered under more than one insurance guaranty association or its equivalent shall seek recovery first from the association of the place of residence of the insured except that if it is a first party claim for damage to property with a permanent location, from the association of the location of the property, and if it is a workmen's compensation claim, from the association of the residence of the claimant. Any recovery under this chapter shall be reduced by the amount of the recovery from any other insurance guaranty association or its equivalent.

NEW SECTION. Sec. 31. PREVENTION OF INSOLVENCIES. To aid in the detection and prevention of insurer insolvencies:

(1) It shall be the duty of the board of directors, upon majority vote, to notify the commissioner of any information indicating any member insurer may be insolvent or in a financial condition hazardous to the policyholders or the public.

(2) The board of directors may, upon majority vote, request that the commissioner order an examination of any member insurer which the board in good faith believes may be in a financial condition hazardous to the policyholders or the public. Within thirty days of the receipt of such request, the commissioner shall begin such examination. The examination may be conducted as a National Association of Insurance Commissioners examination or may be conducted by such persons as the commissioner designates. The cost of such examination shall be paid by the association and the examination report shall be treated as are other examination reports. In no event shall such examination report be released to the board of directors prior to its release to the public, but this shall not preclude the commissioner from complying with subsection (3) of this section. The commissioner shall notify the board of directors when the examination is completed. The request for an examination shall be kept on file by the commissioner but it shall not be open to public inspection prior to the release of the examination report to the public.

(3) It shall be the duty of the commissioner to report to the board of directors when he has reasonable cause to believe that any member insurer examined or being examined at the request of the board of directors may be insolvent or in a financial condition hazardous to the policyholders or the public.

(4) The board of directors may, upon majority vote, make reports and recommendations to the commissioner upon any matter germane to the solvency, liquidation, rehabilitation or conservation of any member insurer. Such reports and recommendations shall not be considered public documents.

(5) The board of directors may, upon majority vote, make recommendations to the commissioner for the detection and prevention of insurer insolvencies.

(6) The board of directors shall, at the conclusion of any insurer insolvency in which the association was obligated to pay covered claims, prepare a report on the history and causes of such insolvency, based on the information available to the association, and submit such report to the commissioner.

NEW SECTION. Sec. 32. EXAMINATION OF THE ASSOCIATION. The association shall be subject to examination and regulation by the commissioner. The board of directors shall submit, not later than March 30th of each year, a financial report for the preceding calendar year in a form approved by the commissioner.

NEW SECTION. Sec. 33. TAX EXEMPTION. The association shall be exempt from payment of all fees and all taxes levied by this state or any of its subdivisions except taxes levied on real or personal property.

NEW SECTION. Sec. 34. RECOGNITION OF ASSESSMENTS IN RATES. The rates and premiums charged for insurance policies to which this chapter applies shall include amounts sufficient to recoup a sum equal to the amounts paid to the association by the member insurer less any amounts returned to the member insurer by the association and such rates shall not be deemed excessive because they contain an amount reasonably calculated to recoup assessments paid by the member insurer.

NEW SECTION. Sec. 35. IMMUNITY. There shall be no liability on the part of and no cause of action of any nature shall arise against any member insurer, the association or its agents or employees, the board of directors, or the commissioner or his representatives for any action taken by them in the performance of their powers and duties under this chapter.

NEW SECTION. Sec. 36. STAY OF PROCEEDINGS. All proceedings in which the insolvent insurer is a party in any court in this state shall be stayed for sixty days from the date the insolvency is determined to permit proper defense by the association of all pending causes of action.

NEW SECTION. Sec. 37. TERMINATION, DISTRIBUTION OF FUND. (1) The commissioner shall by order terminate the operation of the Washington insurers insolvency

pool as to any kind of insurance afforded by property or casualty insurance policies with respect to which he has found, after hearing, that there is in effect a statutory or voluntary plan which:

(a) Is a permanent plan which is adequately funded or for which adequate funding is provided; and

(b) Extends, or will extend to state policyholders and residents protection and benefits with respect to insolvent insurers not substantially less favorable and effective to such policyholders and residents than the protection and benefits provided with respect to such kind of insurance under this chapter.

(2) The commissioner shall by the same such order authorize discontinuance of future payments by insurers to the Washington insurers insolvency pool with respect to the same kinds of insurance: PROVIDED, That assessments and payments shall continue, as necessary, to liquidate covered claims of insurers adjudged insolvent prior to said order and the related expenses not covered by such other plan.

(3) In the event the operation of any account of the Washington insurers insolvency pool shall be so terminated as to all kinds of insurance otherwise within its scope, the pool as soon as possible thereafter shall distribute the balance of the moneys and assets remaining in said account (after discharge of the functions of the pool with respect to prior insurers insolvencies not covered by such other plan, together with related expenses) to the insurers which are then writing in this state policies of the kinds of insurance covered by such account, and which had made payments into such account, pro rata upon the basis of the aggregate of such payments made by the respective insurers to such account during the period of five years next preceding the date of such order. Upon completion of such distribution with respect to all of the accounts specified in section 26 of this 1971 act, this chapter shall be deemed to have expired.

NEW SECTION. Sec. 38. SHORT TITLE. Sections 20 through 39 of this 1971 act shall be known and may be cited as the Washington Insurance Guaranty Association Act.

NEW SECTION. Sec. 39. CONSTRUCTION. Sections 20 through 39 of this 1971 act shall be liberally construed to effect the purpose under section 21 of this 1971 act which shall constitute an aid and guide to interpretation.

NEW SECTION. Sec. 40. NEW CHAPTER. Sections 21 through 39 of this 1971 act shall be added to Title 48 RCW as a new chapter thereof.

NEW SECTION. Sec. 41. SECTION HEADINGS NOT PART OF LAW. Section headings as used in sections 21 through 41 of this 1971 act do not constitute any part of the law."

In line 2 of the title after "RCW" and before the period insert "; and adding certain new sections to Title 48 RCW as two new chapters thereof; providing penalties; and declaring an emergency"

POINT OF ORDER

Senator Clarke: "I raise the question that the proposed amendment increases the scope and object of the bill contrary to our rules, and the Constitution. If you will read House Bill No. 140, you will see that it is a little fifteen line bill which deals solely with the prohibition against discrimination on the ground of sex in connection with the writing of automobile insurance whereas the proposed amendment is a very long amendment which is in substance Senate Bill Nos. 17 and 18, both of which have already passed this body and which Senate Bill No. 17 establishes a life insurance guaranty fund and Senate Bill No. 18 establishes a casualty insurance guaranty fund. Now while I know that sex covers a very wide field, I do not think it extends quite this far."

RULING BY THE PRESIDENT

The President: "The President in ruling upon the point of order raised by Senator Clarke, finds that Engrossed House Bill No. 140 is a measure which prohibits the cancellation of an automobile insurance policy if the basis for the cancellation is on either sex or marital status.

"The amendment proposed by the three Senators are proposals which set up the life insurance guaranty association and the insurance guaranty association. The amendment therefore does change the scope and object of the bill and the point presented by Senator Clarke is well taken."

MOTIONS

On motion of Senator Greive, Senator Sandison was excused to attend a Conference Committee meeting.

On motion of Senator Dore, Senator Dore was excused to attend a Conference Committee meeting.

The amendment proposed by Senators Fleming, Gardner and Mardesich was ruled out of order.

Senator Fleming moved adoption of the following amendments:

Add two new sections following section 2 as follows:

"NEW SECTION. Sec. 3. (1) This section shall apply to policies of insurance, other than automobile insurance and workmen's compensation insurance, on risks located or resident in this state which are issued and take effect or which are renewed after the effective date of this 1971 act and which insure any of the following contingencies:

(a) Loss of or damage to real property which is used predominantly for residential purposes, and which consists of not more than four dwelling units.

(b) Loss of or damage to personal property in which natural persons resident in specifically described real property of the kind described in subdivision (a) have an insurable interest, except personal property used in the conduct of a commercial or industrial enterprise.

(c) Legal liability of a natural person or persons for loss of, damage to, or injury to, persons or property, but not including policies primarily insuring risks arising from the conduct of a commercial or industrial enterprise.

This section shall not be construed so as to modify or negate any of the provisions of RCW 48.18.291 or 48.18.292, nor to destroy any rights or remedies therein provided.

(2) After such policy has been in effect for sixty days, or, if the policy is a renewal, effective immediately, no notice of cancellation shall be effective unless it is based on the occurrence, after the effective date of the policy, of one or more of the following:

(a) Nonpayment of premium, including nonpayment of any additional premiums, calculated in accordance with the current rating manual of the insurer, justified by a physical change in the insured property or a change in its occupancy or use.

(b) Conviction of the named insured of a crime having as one of its necessary elements an act increasing any hazard insured against.

(c) Discovery of fraud or material misrepresentation by either of the following:

(i) The insured or his representative in obtaining the insurance.

(ii) The named insured in pursuing a claim under the policy.

(d) Discovery of grossly negligent acts or omissions by the insured substantially increasing any of the hazards insured against.

(e) Physical changes in the insured property which result in the property becoming uninsurable.

(3) All notices of cancellation shall be in writing, mailed to the named insured at the address shown in the policy, and shall state (a) which of the grounds set forth in subsection (2) of this section is relied upon, and (b) that, upon written request of the named insured, the insurer shall furnish the facts on which the cancellation is based.

(4) Unless the insurer, at least forty-five days in advance of the end of the policy period, mails or delivers to the named insured at the address shown in the policy notice of its intention not to renew the policy or to condition its renewal upon reduction of limits or elimination of coverages, the insurer shall not fail to renew the policy upon payment of the premium due on the effective date of the renewal, in accordance with the then existing rating manual of the insurer. Any policy written for a term of less than one year shall be considered as if written for a term of one year. Any policy written for a term longer than one year, or any policy with no fixed expiration date, shall be considered as if written for successive policy periods or terms of one year.

(5) There shall be no liability on the part of, and no cause of action of any nature shall arise against, any insurer or its authorized representatives, agents, or employees, or any licensed insurance agent or broker, for any statement made, unless shown to have been made in bad faith with malice in fact, by any of them in (a) any written notice of cancellation or in any other oral or written communication specifying the reasons for cancellation, (b) any communication providing information pertaining to such cancellation, or (c) evidence submitted at any court proceeding or informal inquiry in which such cancellation is an issue.

(6) Proof of mailing of a notice of cancellation and the reasons therefor or of intention not to renew to the named insured at the address shown in the policy shall be sufficient proof of the notice required by this section.

NEW SECTION. Sec. 4. If any provision of this 1971 act, or its application to any person or circumstance if held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected."

In line 2 of the title after "RCW" and before the period insert "and creating a new section"

POINT OF ORDER

Senator Clarke: "Another point of order. I also raise the question of scope and object with respect to this particular amendment. While this amendment relates to cancellation, I will point out that House Bill No. 140 establishes a new section and is restricted entirely to casualty insurance, whereas the proposed amendment relates not to casualty insurance; it specifically excludes automobile insurance and provides for methods of cancellation, restricted methods of cancellation with respect to real property and certain liability insurance.

"Customarily, each of these are handled under completely different sections of the insurance code and on a question of scope and object, I submit that Engrossed House Bill No. 140 has a very narrow and limited scope which is specifically and only on the question

of discrimination based solely on sex or artificial marital status, whereas the other bill which relates to an entirely different type of insurance would have to do with an entirely different status in connection with cancellation."

RULING BY THE PRESIDENT

The President: "The President finds that the remarks, in essence, presented by Senator Clarke are correct inasmuch as Engrossed House Bill No. 140 does have an extremely limited scope and object and the amendment proposed by Senator Fleming does increase the scope and object of the measure."

The amendment by Senator Fleming was ruled out of order.

MOTION

On motion of Senator Mardesich, Engrossed House Bill No. 140 was made a special order of business for 4:00 p.m. today.

SPECIAL ORDER OF BUSINESS

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 321, by Committee. on Transportation:

Providing for suspended sentences for driving while intoxicated.

The time having arrived, the Senate resumed consideration of Engrossed Substitute House Bill No. 321 on second reading and amended on May 7, 1971.

Senator Metcalf moved adoption of the following amendment:

On page 1, section 1, line 16, strike the House amendment on lines 16-18.

Debate ensued.

POINT OF ORDER

Senator Bailey: "Mr. President, last night we had proceeded with all of the amendments and had adopted the title amendment and proceeded through the bill in order. I merely made a motion that it be held over at this stage of the game so we could look over the amendments. I just do not feel that any further amendments are in order at this time."

Senator Metcalf: "You feel that I am breaching faith with the Senate to offer this amendment, Senator Bailey?"

Senator Bailey: "Mr. President, I made no accusation that Senator Metcalf was breaching any faith. I just thought that the usual procedure was to proceed through a bill when we had adopted the title amendment, that that was the usual procedure. We usually do not go back and start adopting other sections of the bill again just because we give somebody twenty-four hours to think of a couple of new ones. I have no insinuation that Senator Metcalf is not moving in good faith. I just thought it was out of order and I may be mistaken."

RULING BY THE PRESIDENT

The President: "The status of the bill is as follows: The title had been read and an amendment to the title was pending. The bill is still on second reading and therefore an amendment would be in order."

Further debate ensued.

The motion by Senator Metcalf failed and the amendment was not adopted.

On motion of Senator Walgren, the following amendment to the title was adopted:

On page 1, line 3 of the title, after the semicolon and before "adding" insert "adding a new section to chapter 12, Laws of 1961 and to chapter 46.20 RCW; repealing section 46.20.390, chapter 12, Laws of 1961, section 32, chapter 32, Laws of 1967 and RCW 46.20.390."

On motion of Senator Woodall, the rules were suspended, Engrossed Substitute House Bill No. 321, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

MOTION

On motion of Senator Atwood, Senators McDougall and Matson were excused to attend a Conference Committee meeting.

SECOND READING

ENGROSSED HOUSE BILL NO. 430, by Representatives Newhouse, Wojahn, Bottiger, Smythe, Chatalas, Backstrom and Haussler (by departmental request):

Providing for participation under the Economic Opportunity Act of state and local government.

The bill was read the second time by sections.

Senator Fleming moved adoption of the following amendment:

On page 3, after section 4 add new sections as follows:

"Sec. 5. Section 1, chapter 77, Laws of 1970 ex. sess. and RCW 35.21.660 are each amended to read as follows:

Notwithstanding any other provision of law, all cities shall have the power and authority to enter into agreements with the United States or any department or agency thereof, to carry out the purposes of the Demonstration Cities and Metropolitan Development Act of 1966 (PL 89-754; 80 Stat. 1255), and to plan, organize and administer programs provided for in such contracts. This power and authority shall include, but not be limited to, the power and authority to create public corporations, commissions and authorities to perform duties arising under and administer programs provided for in such contracts *and to limit the liability of said public corporations, commissions, and authorities, in order to prevent recourse to such cities, their assets, or their credit.*

NEW SECTION. Sec. 6. There is added to chapter 35.21 RCW a new section to read as follows:

Any public corporation, commission or authority created as provided in section 5 hereof, may be empowered to own and sell real and personal property; to contract with individuals, associations and corporations, and the state and the United States; to sue and be sued; to loan and borrow funds; to do anything a natural person may do; and to perform all manner and type of community services and activities in furtherance of an agreement by a city or by the public corporation, commission or authority with the United States to carry out the purposes of the Demonstration Cities and Metropolitan Development Act of 1966: **PROVIDED, That**

(1) All liabilities incurred by such public corporation, commission or authority shall be satisfied exclusively from the assets and credit of such public corporation, commission or authority; and no creditor or other person shall have any recourse to the assets, credit or services of the municipal corporation creating the same on account of any debts, obligations or liabilities of such public corporation, commission or authority;

(2) Such public corporation, commission or authority shall have no power of eminent domain nor any power to levy taxes or special assessments;

(3) The name, the organization, the purposes and scope of activities, the powers and duties of the officers, and the disposition of property upon dissolution of such public corporation, commission or authority shall be set forth in its charter of incorporation or organization, or in a general ordinance of the city or both.

NEW SECTION. Sec. 7. This 1971 amendatory act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions and shall take effect immediately."

POINT OF INQUIRY

Senator Woodall: "Would Senator Fleming yield? I have not followed your amendment in detail but it does not change any of the body of the rest of the bill in any way, does it?"

Senator Fleming: "No, it does not. Basically your bill, House Bill No. 430, authorizes the state's, cities and counties to participate directly in programs funded under OEO and this amendment here is trying to make the model cities and metropolitan demonstration act of 1966 be eligible to get these federal funds."

The motion by Senator Fleming carried and the amendment was adopted.

On motion of Senator Whetzel, the following amendment was adopted:

On page 3, section 4, line 9 of the engrossed and printed bills, following section 5 added by the Fleming amendment, add the following:

On motion of Senator Whetzel, the following amendment to the title was adopted:

On page 1, line 6 of the title, after "RCW" and before the period insert "; amending section 35.81.010, chapter 7, Laws of 1965 and RCW 35.81.010"

The bill was read the second time by sections.

Senator Canfield moved adoption of the following amendment:

Amend the Grant amendment to line 19, being line 20 of the engrossed bill, after "up to a maximum of" strike "one hundred and eighty" and insert "forty-five"

Debate ensued.

POINT OF INQUIRY

Senator Guess: "I would like to ask Senator Ridder if it is a negligible bill and is of no importance, why does he want it?"

Senator Ridder: "You do not have—well, this I think is a rather intriguing point, I will buy that. I think a sense. . . ."

POINT OF ORDER

Senator Bailey: "I would like to make a point of order on a rule that we adopted on the person speaking once on each issue and also the fact that some of these questions are aimed at repeating argument and arguing for a bill.

"Now a question like Senator Guess asked is to ask a person to get up and argue for their bill. They have argued twice for the bill and I think that if we are going to enforce the rule that we should have some enforcement. If not, let us forget the whole thing and let us go down the drain fighting for one bill all afternoon and up until Monday night. I have not one to take out myself."

RULING BY THE PRESIDENT

The President: "Senator Ridder, Senator Bailey's point of order is well taken, namely that the rule invoked by the majority of the members will be enforced henceforth."

Senator Ridder: "However, I beg personal privilege."

REPLY BY THE PRESIDENT

The President: "Senator, the President does not believe that anything that has transpired is of a personal nature to you."

The motion by Senator Canfield carried and the amendment was adopted.

Senator Washington moved adoption of the following amendment:

On page 3, line 9, following section 1, add new sections to read as follows:

"Sec. 2. Section 28A.57.250, chapter 223, Laws of 1969 ex. sess. and RCW 28A.57.250 are each amended to read as follows:

For all purposes essential to the maintenance, operation, and administration of the schools of a district, including the apportionment of current state and county school funds, a joint school district shall be considered as belonging to the county in which the high school of said district or the county in which the high school with the largest enrollment at the time of its establishment, is situated, or in case no high school is operated by the district, to the county in which is situated the schoolhouse of the district or the school with the largest attendance, if there be more than one schoolhouse. If there is no schoolhouse in the joint district, said district shall then be considered as belonging to the county in which is located that part of the district having the largest number of children of school age residing therein: *PROVIDED, That if a joint school district was created by consolidation of two separate school districts, and if such joint school district is made up of parts of four separate counties, then the joint school district will be considered for the purposes of this section as belonging to the county with the highest classification.*

NEW SECTION. Sec. 3. This 1971 amendatory act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

POINT OF ORDER

Senator Guess: "The amendment offered by Senator Washington enlarges the scope and object of the bill. The bill before us has to do with the granting of an extension to the retirement and pension plan and the amendment that has been offered has to do with the creation of school districts and the consolidation thereof."

RULING BY THE PRESIDENT

The President: "The President wishes to point out that whereas the title of a bill is naturally of concern and is considered in rulings on scope and object of the bill, that the title of the bill does not necessarily determine the scope and object of a bill nor does the length or shortness of a bill determine the scope and object of a bill and as to whether or not an amendment changes the scope and object of a bill.

"The President believes that Engrossed House Bill No. 346 is a bill which would grant teachers the opportunity to retire one year earlier if they had not used up their maximum amount of sick leave, whereas Senator Washington's amendment does relate to a consolidation of school districts. Therefore this is unrelated to the bill and in the President's opinion, changes the scope and object of the bill."

The amendment by Senator Washington was ruled out of order.

Senator Durkan moved adoption of the following amendment:

Add a new section following section — as follows:

"*NEW SECTION.* Sec. — . There is added to chapter 223, Laws of 1969 ex. sess. and

to chapter 28A.02 RCW a new section to read as follows: In addition to other deductions permitted by law, any person authorized to disburse funds in payment of salaries or wages of employees of school districts, upon written request of the employee, may deduct each month from the salary or wage of the employee, membership dues or other association fee deductions, and any other deduction the employee shall request: PROVIDED, That such person shall be required to make any such deduction if ten percent or more of the certificated employees, or ten percent or more of the noncertificated employees, as the case may be, make such like request."

Renumber the remaining sections consecutively.

Senator Gissberg moved adoption of the following amendments to the amendment by Senator Durkan:

On line 7 of the Durkan amendment, strike "may" and insert "shall"

On line 8 of the Durkan amendment, after "deductions" insert a period and strike the balance of the amendment to and including "request."

Debate ensued.

POINT OF ORDER

Senator Atwood: "My point of order is that both the amendment and the amendments to the amendment enlarge the scope and object of the bill. I think it is clear that this deals with salary deductions. The bill itself, as Senator Ridder points out, deals with sick leave as a credit towards the last year and I think the opinion of the Chair on the prior amendment would also apply to this."

RULING BY THE PRESIDENT

The President: "The President in ruling upon the point of order presented by Senator Atwood; believes that the remarks of Senator Atwood are essentially correct and that the amendment does indeed change the scope and object of the bill."

The amendment by Senator Durkan, and the amendments to the amendment by Senator Gissberg were ruled out of order.

On motion of Senator Durkan, the rules were suspended, Engrossed House Bill No. 346, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Huntley: "Since Senator Ridder is not allowed to speak again, would Senator Durkan yield? Senator, is there a fiscal note on this bill?"

Senator Durkan: "Senator Elicker made the point. The point simply is that the amount of money that is appropriated from the general fund to the teachers' retirement board, there could be a fiscal impact in the sense that more teachers would take advantage of the early retirement. I think in all honesty it would cost more. Obviously that is the reason why they want it, not because it is going to cost less."

Senator Huntley: "You really do not have a tag on it as to how much?"

Senator Durkan: "I had a fiscal note and I will try and get it for you, Senator Huntley."

ROLL CALL

The Secretary called the roll on the final passage of Engrossed House Bill No. 346, as amended by the Senate, and the bill passed by the following vote: Yeas, 39; nays, 8; absent or not voting, 1; excused, 1.

Voting yea: Senators Bailey, Clarke, Connor, Cooney, Day, Donohue, Durkan, Elicker, Fleming, Foley, Francis, Gardner, Gissberg, Henry, Herr, Holman, Huntley, Jolly, Keefe, Knoblauch, McCutcheon, McDougall, Mardesich, Matson, Murray, Newschwander, Odegaard, Peterson (Lowell), Peterson (Ted), Ridder, Sandison, Scott, Stender, Stortini, Talley, Walgren, Washington, Whetzel, Wilson—39.

Voting nay: Senators Andersen, Atwood, Canfield, Guess, Lewis, Metcalf, Twigg, Woodall—8.

Absent or not voting: Senator Greive—1.

Excused: Senator Dore—1.

ENGROSSED HOUSE BILL NO. 346, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

HOUSE BILL NO. 759, by Representatives Wanamaker, Berentson and Bozarth:

Amending reporting and planning periods of urban arterial board.

The bill was read the second time by sections.

On motion of Senator Whetzel, the following amendment was adopted:

On page 2, line 31, add a new section to read as follows:

"NEW SECTION. Sec. 4. On motion of Senator Whetzel, the following amendments to the title by Senators Whetzel and Washington were adopted:

On page 1, line 6 of the title, after "RCW 47.26.190" and before the period, add "adding a new section to chapter 47.26 RCW"

Debate ensued.

The Senate cafeteria employees were escorted from the rostrum.

PROTESTS

"I wish to make it clear that I have voted for Senate Bill No. 928 under protest. The

Democratic caucus desires my support for this bill which represents a preliminary step in redistricting negotiations. My protest concerns the absence of "A" and "B" representative districts in the Second Legislative District, which I feel are needed because of its considerable size and in order to insure that each of the two general areas composing the district will continue to have representation in the House of Representatives."

/s/ SENATOR BRUCE A. WILSON.

"As Chairman of the Senate subcommittee on redistricting, I hereby state that this subcommittee does not intend to accept a final redistricting plan without "A" and "B" representative districts for the proposed Second Legislative District."

/s/ SENATOR R. R. BOB GREIVE.

SECOND READING

ENGROSSED HOUSE BILL NO. 373, by Representatives Copeland and Sawyer (by departmental request):

Increasing state patrol retirement benefits.

The bill was read the second time by sections.

Senator Woodall moved adoption of the following amendment:

On page 1, section 1 (1), line 12 of the engrossed bill, being line 10 of the printed bill, before "prior" strike "A" and insert "[A] *As long as such member is not employed by the United States, the state or any agency or instrumentality or political subdivision thereof*" and on line 15 of the engrossed bill being line 14 of the printed bill after "member" insert "": *PROVIDED, That as long as any such member is employed by the United States, the state or any agency or instrumentality or any political subdivision thereof, a prior service annuity which shall be equal to one and one-half percent of the member's average final salary multiplied by the number of years of prior service rendered by the member.*"

Debate ensued.

POINT OF INQUIRY

Senator Talley: "I wonder if Senator Woodall would yield to a question? Senator, if I understand your amendment, these men would have to be fully retired to draw this."

Senator Woodall: "That is correct."

Senator Talley: "What if the man had a part-time job like bus driving or something like that? Would he be ineligible to receive this increase?"

Senator Woodall: "Those who are not supplementing their retirement any other way and we are perfectly willing to supplement it for them."

Senator Talley: "Then at that time that he was holding down another job when he did fully retire, would he be eligible for this pension increase?"

Senator Woodall: "Yes. The minute that he is retired he gets it."

Senator Talley: "Even if he had another job now but say ten years from now if he fully retired then he would be eligible for this increase?"

Senator Woodall: "Yes."

Senator Talley: "Would you entertain an amendment to this amendment that as long as such member is not employed full time?"

Senator Woodall: "Well I do not know just what the definition of full time is. I think you would mess it up. The purpose of it is that once you retire from state government at an adequate rate of pay, that there is just no reason to add this if you are holding down any other state employment. It only applies to state government. If he supplements it on the outside, that is all right. No one is going to worry about that."

Senator Talley: "I do not read it that way. The state or any agency of it. That would be schools, cities, towns."

Senator Woodall: "Well that is what I would say, yes."

Further debate ensued.

POINT OF INQUIRY

Senator Fleming: "Mr. President, would Senator Woodall yield to a question? Senator, I just had a chance to read your amendment. Would this include legislators and everyone else?"

Senator Woodall: "No, if we were going back prior to 1947 and were changing the base from part of 1947,—these were the only ones who had a retirement at that time, in fact I was author of that act."

The motion by Senator Woodall carried and the amendment was adopted.

On motion of Senator Atwood, the rules were suspended, Engrossed House Bill No. 373, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed House Bill No. 373, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 47; absent or not voting, 1; excused, 1.

Voting yea: Senators Andersen, Atwood, Bailey, Canfield, Clarke, Connor, Cooney, Day, Donohue, Durkan, Elicker, Fleming, Foley, Francis, Gardner, Gissberg, Greive, Guess, Henry, Herr, Holman, Huntley, Jolly, Keefe, Knoblauch, Lewis, McDougall, Mardesich, Matson, Metcalf, Murray, Newschwander, Odegaard, Peterson (Lowell), Peterson (Ted), Ridder, Sandison, Scott, Stender, Stortini, Talley, Twigg, Walgren, Washington, Whetzel, Wilson, Woodall—47.

Absent or not voting: Senator McCutcheon—1.

Excused: Senator Dore—1.

ENGROSSED HOUSE BILL NO. 373, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

Signed by: Senators Washington, Chairman; Henry, Vice Chairman; Bailey, Connor, Donohue, Durkan, Foley, Guess, Herr, Huntley, Jolly, Keefe, Knoblauch, Murray, Peterson (Lowell), Talley, Walgren, Whetzel.

The bill was read the second time by sections.

On motion of Senator Washington, the committee amendments were adopted.

On motion of Senator Keefe, the following amendment was adopted:

On page 2, section 1, line 19, after "commence" and before the period insert the following: ": PROVIDED FURTHER, That all funds programmed for expenditure on state route 2 in Spokane between milepost 286.93 and 292.86 that are not obligated by April 1, 1973, shall be used at the discretion of the state highway commission for construction improvements on state route 195 between milepost 21.00 near the City of Pullman and 80.82 near the City of Spangle."

Senator Washington moved adoption of the following amendment by Senators Washington and Durkan:

On page 2, section 1, line 19 after "commence" and before the period and following the Senate amendment to line 19 insert: ": PROVIDED FURTHER, That within constitutional limitations the state highway commission is authorized to use highway construction funds to provide highway facilities for public bus transportation facilities for which the state may receive partial reimbursement of federal aid funds pursuant to section 142 of Title 23, United States Code as amended by section 111 of Public Law 91-605"

POINT OF INQUIRY

Senator Guess: "Will Senator Washington yield? Senator, will you tell us what is in Title 23, United States Code, as amended by section 111 of Public Law 91-605?"

Senator Washington: "I cannot tell you precisely but as I understand it these are the funds which the federal government is authorizing for public transportation, so the federal funds can be utilized for such things as bus shelters, parking lots and facilities such as that."

Senator Guess: "Would this happen by any chance to be the public law on public mass transportation passed in 1969? Could that be it?"

Senator Washington: "I am not certain as to the date. I will say that this particular amendment has been checked with the highway department. Tom Garlington drew the

amendment and they felt that it would allow them to use state funds coordinated with federal funds for the same purpose. There is no objection by the highway department."

Senator Guess: "I have just been handed a document, the Laws of the Ninety-first Congress, Second Session, and this is in the Urban Highway Public Transportation Act. I just wanted to make sure that it was recorded."

Senator Washington: "The controlling point is that within the constitutional limitations of the state of Washington."

The motion by Senator Washington carried and the amendment was adopted.

Senator Durkan moved adoption of the following amendment:

On page 2, section 1, line 19 after "commence" and before the period and following the Senate committee amendment insert: " PROVIDED FURTHER, That whenever additional highway lanes are needed for the weekday work trip of commuters in urban areas of over fifty thousand population as determined by the United States bureau of the census, the state highway commission shall increase the capacity of the state highway system by authorizing funds only for ferry system projects and for projects which provide facilities for mass transportation systems operating motor vehicles on highways for the transportation of passengers when

(1) (a) Such project will avoid the construction of a state-funded highway project which increases automobile traffic capacity, (b) such project will provide a capacity for the movement of persons at least equal to that which would be provided by the avoided highway project, and (c) such project will not cost the state more than the state's share of the avoided project; or, when

(2) No other feasible and prudent highway project can provide the additional capacity for the movement of persons by motor vehicles on highways or on ferries provided by the project; but in either case (1) or (2) the state highway commission shall not authorize any funds for projects under this proviso unless it has received assurances satisfactory to it and recorded findings and supporting considerations of public record to the effect that the urban area has a public mass transportation system or systems which will have adequate capacity to fully utilize the proposed project, and the other conditions of this proviso have been met.

As used in this proviso, "projects which provide facilities for mass transportation systems operating motor vehicles on highways for the transportation of passengers" shall include but not be limited to the following:

(a) Exclusive bus highway—an entire highway facility reserved at all times solely for the uses of buses.

(b) Exclusive bus lane(s) or reserved bus lane(s)—one or more lanes of a highway facility reserved solely for buses. Cars containing a minimum number of persons may be metered into the bus lane so that it becomes an exclusive bus and car-pool lane.

(c) Preferential bus treatment—(bus priority) making special allowance for bus movement within the general stream of traffic.

(d) Highway traffic control devices which expedite bus use of highways.

(e) Bus passenger loading areas and facilities including shelters.

(f) Fringe and transportation corridor parking facilities located outside a central business district to serve bus and other public mass transportation passengers.

As used in this proviso, "ferry system" includes parking facilities, shelters and loading areas, and the ferries needed."

MOTION

Senator Henry moved that the amendment by Senator Durkan be laid upon the table.

Senator Durkan demanded a roll call and the demand was sustained by Senators Elicker, McDougall, Scott, Whetzel, Twigg, Andersen, Matson, Clarke and Holman.

Voting yea: Senators Canfield, Connor, Cooney, Day, Donohue, Foley, Guess, Henry, Huntley, Jolly, Keefe, Knoblauch, Lewis, McCutcheon, McDougall, Matson, Metcalf, Newschwander, Odegard, Peterson (Lowell), Sandison, Talley, Twigg, Washington, Wilson, Woodall—26.

Voting nay: Senators Andersen, Atwood, Bailey, Clarke, Durkan, Elicker, Fleming, Francis, Gardner, Gissberg, Herr, Holman, Mardesich, Murray, Peterson (Ted), Ridder, Scott, Stender, Stortini, Walgren, Whetzel—21.

Excused: Senator Dore—1.

On motion of Senator Whetzel, the following amendment by Senators Whetzel, Murray and Francis was adopted:

On motion of Senator Washington, the following amendment by Senators Washington and Durkan was adopted:

On page 7 insert the following new section to read as follows:

"NEW SECTION. Sec. 15. It is the intent of the legislature that no salary increase be granted in the same job classification, except for increments resulting from longevity, to any individual in the employ of the state whose salary is funded by the provisions of this act."

Senator Washington moved adoption of the following amendment by Senators Washington and Durkan:

"NEW SECTION. Sec. 16. It is the intent of the legislature that no funds from any appropriation contained in this act shall be used to pay yearly merit increments resulting from employee longevity during the 1971-73 biennium for those employees whose salary computed on an annual basis as of July 1, 1971 exceeds \$15,000 per annum."

POINT OF INQUIRY

Senator Atwood: "Would Senator Washington yield? Senator, is it the intent of this particular amendment to preclude the granting of merit or longevity increases for those below fifteen thousand dollars?"

Senator Washington: "No, the intent incorporated in this particular section applies only to salary increases in the same job classification and not to normal step increases or to increments resulting from employee longevity, except longevity increases for those individuals earning in excess of fifteen thousand dollars per annum as expressed by the previous amendment."

The motion by Senator Washington carried and the amendment was adopted.

Senator Mardesich moved adoption of the following amendment:

On page 6, after line 12, add the following, numbering new sections consecutively:

"NEW SECTION. Sec. 1. The legislature finds that the more populous cities and counties of the state lack adequate sources of revenue to carry out essential county and municipal purposes; that traffic congestion caused by travel demand in excess of highway capacity is concentrated in the same populous cities and counties; and that retail gasoline prices tend to be lower in populous areas than in less competitive rural areas. The legislature further finds that sources other than highway user revenues are necessary to maintain adequate systems of streets and roads in populous areas at the expense of other essential county and municipal purposes and that the most efficient and appropriate method of deriving revenues for such purposes is to vest additional taxing powers in the governing bodies of such cities and counties. The legislature intends, by enacting this 1971 amendatory act, to provide the means by which counties and cities may finance road, street programs and mass transit facilities should they choose to employ them, primarily from highway user revenues.

NEW SECTION. Sec. 2. The populous counties and cities to which this chapter shall apply are counties of the second class or larger, all cities located within such counties, and first class cities located in other counties.

Sec. 3. Section 82.36.440, chapter 15, Laws of 1961 and RCW 82.36.440 are each hereby amended to read as follows:

The tax herein levied is in lieu of any excise, privileged, or occupational tax upon the business of manufacturing, selling, or distributing motor vehicle fuel, and no city, town, county, township or other subdivision or municipal corporation of the state shall levy or collect any excise tax upon or measured by the sale, receipt, distribution, or use of motor vehicle fuel *except as specifically provided in this 1971 amendatory act.*

NEW SECTION. Sec. 4. The governing body of any county or city, while not required by legislative mandate to do so, may, by resolution or ordinance for the purposes authorized by this 1971 amendatory act, fix and impose a motor vehicle fuel tax and a use fuel tax in accordance with the terms of this act, provided that both such taxes must be imposed concurrently and may not be imposed or maintained severally. Such tax shall be collected from those persons who are taxable by the state pursuant to chapters 82.36 and 82.40 RCW, upon each gallon of motor vehicle fuel sold, distributed, or used within the county or city as the case may be. The rate of such tax imposed by a county or city shall be one cent per gallon of fuel sold, distributed or used.

NEW SECTION. Sec. 5. It is the intent of this chapter that any local motor vehicle fuel tax and use fuel tax adopted pursuant to this 1971 amendatory act be as consistent and

uniform as possible with the state motor vehicle fuel tax and use fuel tax respectively. It is further the intent of this act that local motor vehicle fuel and use fuel taxes shall be imposed upon an individual sale, distribution or use of motor vehicle fuel simultaneously with the imposition of the state motor vehicle fuel or use fuel tax upon the same sale, distribution or use. The rule making powers of the director of motor vehicles relating to motor vehicle fuel taxes and use fuel taxes shall be applicable to this chapter. The director shall, as soon as practicable, and with the assistance of the appropriate associations of county prosecutors and city attorneys, draft a model resolution and ordinance. No resolution or ordinance or any amendment thereto adopted pursuant to this chapter shall be effective except upon the first day of a calendar month.

NEW SECTION. Sec. 6. Any county ordinance adopted pursuant to this act shall contain, in addition to all other provisions required to conform to this chapter, a provision allowing a credit against the county tax for the full amount of any city motor vehicle fuel tax or use fuel tax imposed upon the same sale, distribution or use.

NEW SECTION. Sec. 7. For the purposes of this 1971 amendatory act, the place of sale, distribution, or use of motor vehicle fuel shall be the place where such fuel is received into any receptacle on a motor vehicle for consumption in propelling such motor vehicle on the highways within this state.

NEW SECTION. Sec. 8. The counties and cities shall contract, prior to the effective date of resolution or ordinance imposing a motor vehicle fuel tax and a use fuel tax, in accordance with this chapter, the administration and collection to the state department of motor vehicles, which shall deduct a percentage amount, as provided by contract, not to exceed two percent of the taxes collected for administration and collection expenses incurred by the department. The remainder of any portion of any tax authorized by this 1971 amendatory act which is collected by the department of motor vehicles shall be deposited by the director in a special fund under the custody of the state treasurer to be known as the local motor vehicle fuel and use fuel tax revolving fund. Bimonthly the state treasurer shall make distribution from the local motor vehicle fuel and use fuel tax revolving fund to the counties and cities the amount of tax collected on behalf of each county or city, less the deduction provided for in this section.

NEW SECTION. Sec. 9. All administrative provisions in chapters 82.36 and 82.40 RCW, as they now exist or may hereafter be amended, shall be applicable to taxes imposed pursuant to this 1971 amendatory act.

NEW SECTION. Sec. 10. No determination that one or more provisions of this 1971 amendatory act, or any part thereof, are invalid shall affect the validity of the remaining provisions.

NEW SECTION. Sec. 11. Section 1 and sections 3 through 10 are added to and shall constitute a new chapter in Title 82 RCW.

NEW SECTION. Sec. 12. This 1971 amendatory act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government, and existing public institutions, and shall take effect immediately."

POINT OF ORDER

Senator Washington: "I raise the point of order that the amendment proposed by Senator Mardesich is beyond the scope and object of the bill."

Debate ensued.

RULING BY THE PRESIDENT

The President: "The President in ruling upon the point of order presented by Senator Washington finds the remarks of Senator Mardesich are absolutely correct in that the President does not rule upon constitutional questions. However, this is a point that deals strictly with scope and object.

"The President finds that the remarks of Senator Washington are correct in that Engrossed Substitute House Bill No. 510 is an act relating to highways and is more or less strictly an appropriation measure whereas the amendment proposed by Senator Mardesich does include a proposed one cent a gallon tax on gasoline. Therefore the President rules that the point of order as presented by Senator Washington is well taken."

The amendment by Senator Mardesich was ruled out of order.

PERSONAL PRIVILEGE

Senator Woodall: "Mr. President and members of the Senate, I want to tell you how pleased I was a short time ago when I was off the floor over the speaker system I heard the voice of Senator Washington objecting to adding extraneous matter to his highway bill. Senator Washington, you have come a long, long way."

On motion of Senator Washington, the rules were suspended, Engrossed Substitute House Bill No. 510, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute House Bill No. 510, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 42; nays, 4; absent or not voting, 2; excused, 1.

Voting yea: Senators Andersen, Atwood, Bailey, Canfield, Clarke, Connor, Cooney, Day, Donohue, Elicker, Foley, Gardner, Gissberg, Greive, Guess, Henry, Herr, Holman, Jolly, Keefe, Knoblauch, Lewis, McCutcheon, McDougall, Matson, Metcalf, Murray, Newschwander, Odegaard, Peterson (Lowell), Peterson (Ted), Ridder, Sandison, Stender, Stortini, Talley, Twigg, Walgren, Washington, Whetzel, Wilson, Woodall—42.

Voting nay: Senators Fleming, Huntley, Mardesich, Scott—4.

Absent or not voting: Senators Durkan, Francis—2.

Excused: Senator Dore—1.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 510, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

There being no objection, the Senate returned to the fourth order of business.

PARLIAMENTARY INQUIRY

Senator Guess: "Mr. President, does it take two-thirds to bypass the committee?"

REPLY BY THE PRESIDENT

The President: "Senator Guess, in order for the Senate to consider this measure it will be necessary for the Senate to suspend that portion of Rule 61, 'after the first reading, bills shall be referred to the appropriate standing committee.' This would require a two-thirds majority."

Debate ensued.

POINT OF ORDER

Senator Woodall: "Senator Stortini is going beyond making a mere statement as to what the measure does."

REPLY BY THE PRESIDENT

The President: "Senator Woodall's point is well taken."

The Secretary called the roll and the motion by Senator Stortini to suspend the rules and advance Engrossed House Bill No. 463 to second reading, failed by the following vote: Yeas, 19; nays, 28; absent or not voting, 1; excused, 1.

POINT OF INQUIRY

Senator Guess: "Would Senator Mardesich yield? Senator, section 5 says no holder of an agent's license shall contact any retail licensee of the board in goodwill activities. Can you tell me what the meaning of that is?"

Senator Mardesich: "I suppose that means he could not be giving samples away or buying people lunches or things of that sort. He would merely have to approach on a hard sell basis."

Senator Guess: "He would have no purpose if he could not go calling on a man. That is what I wanted to make sure."

Senator Mardesich: "No, that is not the point at all. It is the same thing that our liquor representatives are prohibited from doing but they are calling only on the board."

This chapter shall apply to any county or municipal corporation, or any political subdivision of the state of Washington except as otherwise provided by RCW 47.64.030, 47.64.040, 54.04.170, 54.04.180, [28.72.010 through 28.72.090] 28A.72.010 through 28A.72.090, and chapter 53.18 RCW.

Sec. 3. Section 11, chapter 108, Laws of 1967 ex. sess. and RCW 41.56.110 are each amended to read as follows:

[A collective bargaining agreement may provide that] Upon the written authorization of any public employee within the bargaining unit and after the certification or recognition of such bargaining representative, the public employer shall deduct from the pay of such public employee the monthly amount of dues, initiation fee, and assessments as certified by the secretary of the exclusive bargaining representative and shall transmit the same to the treasurer of the exclusive bargaining representative.

NEW SECTION. Sec. 4. There is added to chapter 41.56 RCW a new section to read as follows:

A collective bargaining agreement may:

(1) Contain union security provisions including all-union or agency provisions: PROVIDED, That agreements involving union security provisions including an all-union or agency provisions must safeguard the right of nonassociation of public employees based on bona fide religious tenets or teachings of a church or religious body of which such public employee is a member. Such public employee must pay an amount of money equivalent to regular union dues, initiation fee, and assessments, if any, to a nonreligious charity or to another charitable organization mutually agreed upon by the public employee affected and the bargaining representative to which such public employee would otherwise pay the dues, initiation fee, and assessments. POINT OF ORDER

Senator Atwood: "We just got this amendment on our desks here two seconds ago and after a quick examination I raise the point of order that it violates our rule, Rule 62, it enlarges the scope and object of the bill that is presently in front of us. The bill that it is being hooked to is an application of collective bargaining agreements for retroactive wages for city and public employees. This deals with certification or recognition of bargaining representatives, initiation fees and assessments, has a complete new section on seniority provisions and all union or agency provisions and a whole host of other things and I think it is far beyond the scope and object of the particular bill in front of us."

RULING BY PRESIDENT PRO TEMPORE

President Pro Tempore Henry: "The President, in ruling upon Senator Atwood's point of order, believes that while the amendment may be germane it most clearly expands the scope of the bill. Senator Atwood, the point of order is well taken."

The amendment by Senators Francis and Stortini was ruled out of order.

On motion of Senator Stortini, the rules were suspended, Engrossed House Bill No. 1075 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Lewis: "Will Senator Greive yield to a question? Senator, what I am concerned about, I understand and I am not objecting to that sort of an arrangement that you and Senator Stender are talking about, does this open up the whole broad spectrum of municipal government to the same provision?"

Senator Greive: "No, as I understand it, it deals only with one little railroad."

Senator Lewis: "Is it restricted then only and singly only to that railroad and does not open up the other cities of the state for the same type of bargaining agreement? If that is correct, then I would be glad to. . ."

Senator Greive: "I think the only fair thing to do here, since I do not know, is to hold the bill briefly and let us look it up and be sure."

MOTION

On motion of Senator Lewis, Engrossed House Bill No. 1075 was placed on the third reading calendar immediately following consideration of Engrossed House Bill No. 175.

FIFTY-NINTH DAY

AFTERNOON SESSION

Senate Chamber, Olympia, Wash., Sunday, May 9, 1971.

The Senate was called to order at 2:00 p.m. by President Cherberg. The Secretary called the roll and announced to the President that all Senators were present except Senator Stender. On motion of Senator Atwood, Senator Stender was excused.

The Color Guard, consisting of Pages Mark Wrenn, Color Bearer, and Kim Stamey, presented the Colors. Pastor Glen D. Cole, of the First Assembly of God Church of Olympia, offered prayer as follows:

"Our Heavenly Father, we cannot help but think of the fifth commandment You taught us in Your Word . . . 'Honor thy father and thy mother'. We take time on this Mother's Day to say 'thanks for Mom!' Her knee was our first classroom. She taught us how to get along with people and how to love God. The fifth commandment seems to be a call to America today to revive a reverent respect for our glorious Christian heritage. Take us from the extreme liberalism, the sophisticated novels, the pornographic movies and magazines, from the murky, muddy swamps of a new moral code and return us to a position of respect for the wisdom of moms and dads who lived and walked with God.

"We thank You for the privilege of living and serving today. Guide this group of statesmen through the final decisions of this session. Make, Oh God, every burden a blessing, every obstacle an opportunity and every problem a glorious possibility. We know You can and will, just because You are God. We love You and thank You for every blessing on this Mother's Day. In Jesus' Name we pray. Amen."

On motion of Senator Greive, the reading of the journal of the previous day was dispensed with and it was approved.

Mr. President: The House has passed SENATE BILL NO. 884 with the following amendments:

Strike all of the title and insert the following:

"An Act relating to housing authorities; amending section 35.82.030, chapter 7, Laws of 1965 and RCW 35.82.030; and adding a new section to chapter 35.82 RCW."

Strike everything after the enacting clause and insert the following:

"Section 1. Section 35.82.030, chapter 7, Laws of 1965 and RCW 35.82.030 are each amended to read as follows:

In each city (as herein defined) and in each county of the state there is hereby created a public body corporate and politic to be known as the "Housing Authority" of the city or county: PROVIDED, HOWEVER, That such authority shall not transact any business or exercise its powers hereunder until or unless the governing body of the city or the county, as the case may be, by proper resolution shall declare at any time hereafter that there is need for an authority to function in such city or county. The determination as to whether or not there is such need for an authority to function (1) may be made by the governing body on its own motion or (2) shall be made by the governing body upon the filing of a petition signed by twenty-five residents of the city or county, as the case may be, asserting that there is need for an authority to function in such city or county and requesting that the governing body so declare: PROVIDED, That the governing body of any class A county east of the Cascade mountains and of any city within such county shall only make such determination after referendum thereon to the people of such city or county, as the case may be.

The governing body shall adopt a resolution declaring that there is need for a housing authority in the city or county, as the case may be, if it shall find (1) that unsanitary or unsafe inhabited dwelling accommodations exist in such city or county or (2) that there is a shortage of safe or sanitary dwelling accommodations in such city or county available to persons of low income at rentals they can afford. In determining whether dwelling accommodations are unsafe or insanitary said governing body may take into consideration the degree of overcrowding, the percentage of land coverage, the light, air, space and access available to the inhabitants of such dwelling accommodations, the size and arrangement of the rooms, the sanitary facilities, and the extent to which conditions exist in such buildings which endanger life or property by fire or other causes.

In any suit, action or proceeding involving the validity or enforcement of or relating to any contract of the authority, the authority shall be conclusively deemed to have become established and authorized to transact business and exercise its powers hereunder upon proof of the adoption of a resolution by the governing body declaring the need for the authority. Such resolution or resolutions shall be deemed sufficient if it declares that there is such need for an authority and finds in substantially the foregoing terms (no further detail being necessary) that either or both of the above enumerated conditions exist in the city or county, as the case may be. A copy of such resolution duly certified by the clerk shall be admissible in evidence in any suit, action or proceeding.

NEW SECTION. Sec. 2. There is added to chapter 35.82 RCW a new section to read as follows:

Except as limited by this section, an authority shall have the same powers with respect to supplemental projects as hereinafter in this section defined as are now or hereafter granted to it under this chapter with respect to housing projects.

No funds shall be expended by an authority for a supplemental project except by resolution adopted on notice at a public hearing as provided by chapter 42.32 RCW, supported by formal findings of fact incorporated therein, establishing that:

(1) Low-income housing needs within the area of operation of the authority are being or will be adequately met by existing programs; and

(2) A surplus of funds will exist after meeting such low-income housing needs.

Expenditures for supplemental projects shall be limited to those funds determined to be surplus.

"Supplemental project" for the purposes of this chapter shall mean any work or undertaking to provide buildings, land, equipment, facilities, and other real or personal property for recreational, group home, halfway house or other community purposes which by resolution of the housing authority is determined to be necessary for the welfare of the community within its area of operation and to fully accomplish the purposes of this

chapter. Such project need not be in conjunction with the clearing of a slum area under subsection (9)(a) of RCW 35.82.020 or with the providing of low-income housing under subsection (9)(b) of RCW 35.82.020." and the same is herewith transmitted. MALCOLM McBEATH, Chief Clerk.
