(a) The waste in place report must be prepared for the period of January 1st through December 31st of each year. The report must be submitted to the department or local authority during the subsequent calendar year, with the date of submission to be established by rule as adopted by the department.

(b) The waste in place report must be submitted annually until either:

(i) The active municipal solid waste landfill reaches a size greater than or equal to 450,000 tons of waste in place; or

(ii) The owner or operator submits a closure notification pursuant to section 7 of this act.

(2) Each owner or operator of either an active municipal solid waste landfill having greater than or equal to 450,000 tons of waste in place or a closed municipal solid waste landfill having greater than or equal to 750,000 tons of waste in place must calculate the landfill gas heat input capacity pursuant to section 8 of this act and the department's implementing rules and must submit a landfill gas heat input capacity report to the department or local authority.

(a) If the calculated landfill gas heat input capacity is less than 3,000,000 British thermal units per hour recovered, the owner or operator must:

(i) Recalculate the landfill gas heat input capacity annually using the procedures specified in section 8 of this act and the department's implementing rules; and

(ii) Submit an annual landfill gas heat input capacity report to the department or local authority until either of the following conditions are met:

(b) If the landfill gas heat input capacity is greater than or equal to 3,000,000 British thermal units per hour recovered, the owner or operator must either:

(i) Comply with the requirements of this chapter and the department's implementing rules; or

(ii) Demonstrate to the satisfaction of the department or local authority that after four consecutive quarterly monitoring periods there is no measured concentration of methane of 200 parts per million by volume or greater using the instantaneous surface monitoring procedures specified in section 8 of this act and the department's implementing rules. Based on the monitoring results, the owner or operator must do one of the following:

(A) If there is any measured concentration of methane of 200 parts per million by volume or greater from the surface of an active, inactive, or closed municipal solid waste landfill, comply with this chapter and the department's implementing rules adopted pursuant to section 2 of this act;

(B) If there is no measured concentration of methane of 200 parts per million by volume or greater from the surface of an active municipal solid waste landfill, recalculate the landfill gas heat input capacity annually as required in (a) of this subsection until such time that the owner or operator submits a closure notification pursuant to section 7 of this act and the department's implementing rules adopted pursuant to section 2 of this act; or

(I) A waste in place report pursuant to section 7 of this act and the department's implementing rules adopted pursuant to section 2 of this act; and

(II) All instantaneous surface monitoring records.

NEW SECTION. Sec. 4. (1) The owner or operator of any municipal solid waste landfill that has a calculated landfill gas heat input capacity greater than or equal to 3,000,000 British thermal units per hour recovered must install a gas collection and control system that meets the requirements of this section and the department's implementing rules adopted pursuant to section 2 of this act, unless the owner or operator demonstrates to the satisfaction of the department or local authority that after four consecutive quarterly monitoring periods there is no measured concentration of methane of 200 parts per million by volume or greater using the instantaneous surface monitoring procedures specified in section 8 of this act and the department's implementing rules adopted pursuant to section 2 of this act. If a municipal solid waste landfill partners with a third party to operate all or a portion of the gas collection and control system or energy recovery device, the obligation to comply with the requirements of this chapter are the responsibility of the owner or operator of the relevant portion of the gas collection and control system or energy recovery device.

(2) The gas collection and control system must handle the expected gas generation flow rate from the entire area of the municipal solid waste landfill and must collect gas at an extraction rate to comply with the surface methane emission limits set forth in section 5 of this act and the department's implementing rules.

(3) The gas collection and control system must be designed and operated so that there is no landfill gas leak that exceeds 500 parts per million by volume, measured as methane, at any component under positive pressure.

(4) The gas collection and control system, if it uses a flare, must achieve a methane destruction efficiency of at least 99 percent by weight and must use either an enclosed flare or, if the system uses an open flare, the open flare must comply with the following requirements:

(a) The open flare must meet the requirements of 40 C.F.R. Sec. 60.18 (as last amended by 73 Fed. Reg. 78209, December 22, 2008);

(c) The owner or operator may temporarily operate an open flare during the repair or maintenance of the gas control system, or while awaiting the installation of an enclosed flare, or to

FIFTY FOURTH DAY, MARCH 4, 2022

address offsite gas migration issues. Any owner or operator seeking to temporarily operate an open flare must submit a written request to the department or local authority pursuant to section 10 of this act and the department's implementing rules adopted pursuant to section 2 of this act.

(5) If the gas collection and control system does not use a flare, it must either route the collected gas to an energy recovery device or devices, or must route the collected gas to a treatment system that processes the collected gas for subsequent sale or use.

(6) If a gas collection and control system routes the collected gas to an energy recovery device or devices, the owner or operator of the energy recovery device or devices must comply with the following requirements:

(a) The device or devices must achieve a methane destruction efficiency of at least 97 percent by weight, except for lean-burn internal combustion engines that were installed and operating prior to January 1, 2022, which must reduce the outlet methane concentration to less than 3,000 parts per million by volume, dry basis corrected to 15 percent oxygen; and

(b) If a boiler or a process heater is used as the gas control device, the landfill gas stream must be introduced into the flame zone, except that where the landfill gas is not the primary fuel for the boiler or process heater, introduction of the landfill gas stream into the flame zone is not required.

(7) If a gas collection and control system routes the collected gas to a treatment system that processes the collected gas for subsequent sale or use, the owner or operator of the treatment system must ensure the system achieves a methane leak rate of three percent or less by weight. Venting of processed landfill gas to the ambient air is not allowed. If the processed landfill gas cannot be routed for subsequent sale or use, then the treated landfill gas must be controlled according to subsection (4) of this section.

(8) The owner or operator of a municipal solid waste landfill must conduct a source test for any gas control device or devices subject to this section using the test methods identified in section 8 of this act and the department's implementing rules adopted pursuant to section 2 of this act. If a gas control device is currently in compliance with source testing requirements as of the effective date of this section, the owner or operator must conduct the source test no less frequently than once every five years. If a gas control device is currently not in compliance with source testing requirements as of the effective date of this section, or if a subsequent source test shows the gas control device is out of compliance, the owner or operator must conduct the source test no less frequently than once per year until two subsequent consecutive tests both show compliance. Upon two subsequent consecutive compliant tests, the owner or operator may return to conducting the source test no less frequently than once every five years.

NEW SECTION. Sec. 5. (1) Except as provided in section 4 of this act, beginning January 1st of the year following the year in which the department adopts rules to implement this chapter, or upon commencing operation of a newly installed gas collection and control system or modification of an existing gas collection and control system pursuant to section 4 of this act, whichever is later, and except as provided by the department to accommodate significant technological improvements not to exceed 24 months after the department adopts rules to implement this chapter, no location on a municipal solid waste landfill surface may exceed the following methane concentration limits, dependent upon whether the owner or operator of the municipal solid waste landfills conducts, pursuant to section 6 of this act, instantaneous surface emissions monitoring or integrated surface emissions monitoring:

(a) Five hundred parts per million by volume, other than nonrepeatable, momentary readings, as determined by instantaneous surface emissions monitoring; or

(b) An average methane concentration limit of 25 parts per million by volume as determined by integrated surface emissions monitoring.

(a) The owner or operator must record the date, location, and value of each exceedance, along with retest dates and results. The location of each exceedance must be clearly marked and identified on a topographic map of the municipal solid waste landfill, drawn to scale, with the location of both the monitoring grids and the gas collection system clearly identified; and

(b) The owner or operator must take corrective action, which may include, but not be limited to, maintenance or repair of the cover, or well vacuum adjustments. The location or locations of any exceedance must be remonitored within 10 calendar days of a measured exceedance.

(3) The requirements of this section do not apply to:

(a) The working face of the landfill;

(b) Areas of the landfill surface where the landfill cover material has been removed for the purpose of installing, expanding, replacing, or repairing components of the landfill cover system, the landfill gas collection and control system, the leachate collection and removal system, or a landfill gas condensate collection and removal system;

~~(c) It is the intent of the legislature to adopt a greenhouse gas reduction policy specific to landfills. If such a policy is not enacted by January 1, 2030, the requirements of this subsection (~~3~~) take full effect.)~~

(4) When a covered entity reports, during a compliance period, emissions from a facility under RCW 70A.15.2200 that are below the thresholds specified in subsection (1) or (2) of this section, the covered entity continues to have a compliance obligation through the current compliance period. When a covered entity reports emissions below the threshold for each year during an entire compliance period, or has ceased all processes at the facility requiring reporting under RCW 70A.15.2200, the entity is no longer a covered entity as of the beginning of the subsequent compliance period unless the department provides notice at least 12 months before the end of the compliance period that the facility's emissions were within 10 percent of the threshold and that the person will continue to be designated as a covered entity in order to ensure equity among all covered entities. Whenever a covered entity ceases to be a covered entity, the department shall notify the appropriate policy and fiscal committees of the legislature of the name of the entity and the reason the entity is no longer a covered entity.

(5) For types of emission sources described in subsection (1) of this section that begin or modify operation after January 1, 2023, and types of emission sources described in subsection (2) of this section that begin or modify operation after 2027, coverage under the program starts in the calendar year in which emissions from the source exceed the applicable thresholds in subsection (1) or (2) of this section, or upon formal notice from the department that the source is expected to exceed the applicable emissions threshold, whichever happens first. Sources meeting these conditions are required to transfer their first allowances on the first transfer deadline of the year following the year in which their emissions were equal to or exceeded the emissions threshold.

(6) For emission sources described in subsection (1) of this section that are in operation or otherwise active between 2015 and 2019 but were not required to report emissions for those years under RCW 70A.15.2200 for the reporting periods between 2015 and 2019, coverage under the program starts in the calendar year following the year in which emissions from the source exceed the applicable thresholds in subsection (1) of this section as reported pursuant to RCW 70A.15.2200 or provided as required by this chapter, or upon formal notice from the department that the source is expected to exceed the applicable emissions threshold for the first year that source is required to report emissions, whichever happens first. Sources meeting these criteria are required to transfer their first allowances on the first transfer deadline of the year following the year in which their emissions,

as reported under RCW 70A.15.2200 or provided as required by this chapter, were equal to or exceeded the emissions threshold.

(7) The following emissions are exempt from coverage in the program, regardless of the emissions reported under RCW 70A.15.2200 or provided as required by this chapter:

(a) Emissions from the combustion of aviation fuels;

(b) Emissions from watercraft fuels supplied in Washington that are combusted outside of Washington;

(c) Emissions from a coal-fired electric generation facility exempted from additional greenhouse gas limitations, requirements, or performance standards under RCW 80.80.110;

(d) Carbon dioxide emissions from the combustion of biomass or biofuels;

(e)(i) Motor vehicle fuel or special fuel that is used exclusively for agricultural purposes by a farm fuel user. This exemption is available only if a buyer of motor vehicle fuel or special fuel provides the seller with an exemption certificate in a form and manner prescribed by the department. For the purposes of this subsection, "agricultural purposes" and "farm fuel user" have the same meanings as provided in RCW 82.08.865.

(ii) The department must determine a method for expanding the exemption provided under (e)(i) of this subsection to include fuels used for the purpose of transporting agricultural products on public highways. The department must maintain this expanded exemption for a period of five years, in order to provide the agricultural sector with a feasible transition period; ~~((and))~~

(f) Emissions from facilities with North American industry classification system code 92811 (national security); and

(g) Emissions from municipal solid waste landfills that are subject to, and in compliance with, chapter 70A.--- RCW (the new chapter created in section 18 of this act).

(8) The department shall not require multiple covered entities to have a compliance obligation for the same emissions. The department may by rule authorize refineries, fuel suppliers, facilities using natural gas, and natural gas utilities to provide by agreement for the assumption of the compliance obligation for fuel or natural gas supplied and combusted in the state. The department must be notified of such an agreement at least 12 months prior to the compliance obligation period for which the agreement is applicable.

(9)(a) The legislature intends to promote a growing and sustainable economy and to avoid leakage of emissions from manufacturing to other locations. The legislature further intends to see innovative new businesses locate and grow in Washington that contribute to Washington's prosperity and environmental objectives.

(b) Consistent with the intent of the legislature to avoid the leakage of emissions to other jurisdictions, in achieving the state's greenhouse gas limits in RCW 70A.45.020, the state, including lead agencies under chapter 43.21C RCW, shall pursue the limits in a manner that recognizes that the siting and placement of new or expanded best-in-class facilities with lower carbon emitting processes is in the economic and environmental interests of the state of Washington.

(c) In conducting a life-cycle analysis, if required, for new or expanded facilities that require review under chapter 43.21C RCW, a lead agency must evaluate and attribute any potential net cumulative greenhouse gas emissions resulting from the project as compared to other existing facilities or best available technology including best-in-class facilities and emerging lower carbon processes that supply the same product or end use. The department may adopt rules to determine the appropriate threshold for applying this analysis.

(d) Covered emissions from an entity that is or will be a covered entity under this chapter may not be the basis for denial of a permit for a new or expanded facility. Covered emissions

must be included in the analysis undertaken pursuant to (c) of this subsection. Nothing in this subsection requires a lead agency or a permitting agency to approve or issue a permit to a permit applicant, including to a new or expanded fossil fuel project.

(e) A lead agency under chapter 43.21C RCW or a permitting agency shall allow a new or expanded facility that is a covered entity or opt-in entity to satisfy a mitigation requirement for its covered emissions under chapter 316, Laws of 2021 and under any greenhouse gas emission mitigation requirements for covered emissions under chapter 43.21C RCW by submitting to the department the number of compliance instruments equivalent to its covered emissions during a compliance period.

Sec. 16. RCW 70A.15.3160 and 2021 c 317 s 25, 2021 c 315 s 16, and 2021 c 132 s 1 are each reenacted and amended to read as follows:

(1)(a) Except as provided in RCW 43.05.060 through 43.05.080 and 43.05.150, and in addition to or as an alternate to any other penalty provided by law, any person who violates any of the provisions of this chapter, chapter 70A.25, 70A.60, 70A.450, ((or 70A.60)) 70A.535 ((RCW)), or 70A.--- RCW (the new chapter created in section 18 of this act), RCW 76.04.205, or any of the rules in force under such chapters or section may incur a civil penalty in an amount not to exceed ten thousand dollars per day for each violation. Each such violation shall be a separate and distinct offense, and in case of a continuing violation, each day's continuance shall be a separate and distinct violation. Enforcement actions related to violations of RCW 76.04.205 must be consistent with the provisions of RCW 76.04.205.

(b) Any person who fails to take action as specified by an order issued pursuant to this chapter shall be liable for a civil penalty of not more than ten thousand dollars for each day of continued noncompliance.

(2)(a) Penalties incurred but not paid shall accrue interest, beginning on the ninety-first day following the date that the penalty becomes due and payable, at the highest rate allowed by RCW 19.52.020 on the date that the penalty becomes due and payable. If violations or penalties are appealed, interest shall not begin to accrue until the thirty-first day following final resolution of the appeal.

(b) The maximum penalty amounts established in this section may be increased annually to account for inflation as determined by the state office of the economic and revenue forecast council.

(3) Each act of commission or omission which procures, aids or abets in the violation shall be considered a violation under the provisions of this section and subject to the same penalty. The penalties provided in this section shall be imposed pursuant to RCW 43.21B.300.

(4)(a) Except as provided in (b) of this subsection, all penalties recovered under this section by the department or the department of natural resources shall be paid into the state treasury and credited to the air pollution control account established in RCW 70A.15.1010 or, if recovered by the authority, shall be paid into the treasury of the authority and credited to its funds. If a prior penalty for the same violation has been paid to a local authority, the penalty imposed by the department under subsection (1) of this section shall be reduced by the amount of the payment.

(b) All penalties recovered for violations of chapter 70A.60 RCW must be paid into the state treasury and credited to the refrigerant emission management account created in RCW 70A.60.050.

(5) To secure the penalty incurred under this section, the state or the authority shall have a lien on any vessel used or operated in violation of this chapter which shall be enforced as provided in RCW 60.36.050.

(6) Public or private entities that are recipients or potential recipients of department grants, whether for air quality related

activities or not, may have such grants rescinded or withheld by the department for failure to comply with provisions of this chapter.

(7) In addition to other penalties provided by this chapter, persons knowingly underreporting emissions or other information used to set fees, or persons required to pay emission or permit fees who are more than ninety days late with such payments may be subject to a penalty equal to three times the amount of the original fee owed.

(8) The department shall develop rules for excusing excess emissions from enforcement action if such excess emissions are unavoidable. The rules shall specify the criteria and procedures for the department and local air authorities to determine whether a period of excess emissions is excusable in accordance with the state implementation plan.

Sec. 17. RCW 70A.15.1010 and 2021 c 315 s 13 are each amended to read as follows:

(1) The air pollution control account is established in the state treasury. (2) The amounts collected and allocated in accordance with this section shall be expended upon appropriation except as otherwise provided in this section and in accordance with the following limitations:

Portions of moneys received by the department of ecology from the air pollution control account shall be distributed by the department to local authorities based on:

(a) The level and extent of air quality problems within such authority's jurisdiction;

The measure was read the second time.

MOTION

Senator Randall moved that the following striking amendment no. 1478 by Senator Randall be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that Washington is not on track to meet the state's educational attainment goal that at least 70 percent of adults, aged 25 to 44, have a postsecondary credential by the year 2023. Adults without a postsecondary credential are more at risk of unemployment, less

likely to earn a living wage, and more vulnerable to economic downturns. The student achievement council has deemed that there are four areas essential to achieve the state's 70 percent attainment goal: Affordability, enrollment, completion, and student supports. In terms of affordability, the legislature recognizes that the Washington college grant is one of the country's largest and most generous financial aid programs. However, the legislature also recognizes that despite an increase in financial aid funding and eligibility, enrollments at institutions of higher education are down due to the COVID-19 pandemic. Many prospective students have made the decision to delay pursuing higher education for a myriad of reasons. However, fewer enrollments mean fewer graduates going on to work in high paying jobs, which could have a significant impact on the state's workforce and economy in the future.

The legislature intends to continue to work towards making higher education more affordable and accessible for the state's population by expanding the Washington college grant program. In addition, the legislature intends to provide additional support beyond tuition and fees with the recognition that many students struggle to pay for books, supplies, room and board, transportation, child care, and more while pursuing their education. Grants beyond tuition and fees can help bridge the gap for students who are struggling to pay for the entire cost of attendance at an institution of higher education, and are often the difference between a student staying enrolled and completing his or her education and dropping out. Since the legislature intends that the grant be provided to the student to assist with basic needs expenses, the legislature recognizes that the student should have a choice in whether the grant is received for those expenses or is applied to a student's account to cover additional institutional costs. Therefore, the legislature intends to bridge the gap and support students by making postsecondary education more affordable, encouraging more enrollments, and helping students complete their credentials so tomorrow's workforce and economy are stronger.

Sec. 2. RCW 28B.92.030 and 2019 c 406 s 21 are each amended to read as follows:

(1) The program administrator shall provide administrative support to execute the duties and responsibilities provided in this chapter, including but not limited to publicizing the program, selecting participants for the opportunity scholarship award, distributing opportunity scholarship awards, and achieving the maximum possible rate of return on investment of the accounts in subsection (2) of this section, while ensuring transparency in the investment decisions and processes. Duties, exercised jointly with the board, include soliciting funds and setting annual fund-raising goals. The program administrator shall be paid an administrative fee as determined by the board.

(2) With respect to the opportunity scholarship program, the program administrator shall:

(a) Establish and manage the specified accounts created in (b) of this subsection, into which to receive grants and contributions from private sources as well as state matching funds, and from which to disburse scholarship funds to participants;

(b) Solicit and accept grants and contributions from private sources, via direct payment, pledge agreement, or escrow account, of private sources for deposit into any of the specified accounts created in this subsection (2)(b) upon the direction of the donor and in accordance with this subsection (2)(b):

(i) The "scholarship account," whose principal may be invaded, and from which scholarships must be disbursed for baccalaureate programs beginning no later than December 1, 2011, if, by that date, state matching funds in the amount of five million dollars or more have been received. Thereafter, scholarships shall be disbursed on an annual basis beginning no later than May 1, 2012, and every October 1st thereafter;

(ii) The "student support pathways account," whose principal may be invaded, and from which scholarships may be disbursed for professional-technical certificate or degree programs in the fiscal year following appropriations of state matching funds. Thereafter, scholarships shall be disbursed on an annual basis;

(A) The state match has been made into both the scholarship and the endowment account; and

(B) The state appropriations for the Washington college grant program under chapter 28B.92 RCW meet or exceed state appropriations for the state need grant made in the 2011-2013 biennium, adjusted for inflation, and eligibility for Washington college grant recipients is at least seventy percent of state median family income;

(v) An amount equal to at least fifty percent of all grants and contributions must be deposited into the scholarship account until

such time as twenty million dollars have been deposited into the scholarship account, after which time the private donors may designate whether their contributions must be deposited to the scholarship account, the student support pathways account, the advanced degrees pathways account, or the endowment account. The board and the program administrator must work to maximize private sector contributions to these accounts to maintain a robust scholarship program while simultaneously building the endowment, and to determine the division between the accounts in the case of undesignated grants and contributions, taking into account the need for a long-term funding mechanism and the short-term needs of families and students in Washington. The first five million dollars in state match, as provided in RCW 28B.145.040, shall be deposited into the scholarship account and thereafter the state match shall be deposited into the specified accounts created in this subsection (2)(b) in equal proportion to the private funds deposited in each account, except that no more than \$5,000,000 in state match shall be deposited into the advanced degrees pathways account in a single fiscal biennium; and

(c) Provide proof of receipt of grants and contributions from private sources to the council, identifying the amounts received by name of private source and date, and whether the amounts received were deposited into the scholarship account, the student support pathways account, the advanced degrees pathways account, or the endowment account;

(d) In consultation with the council and the state board for community and technical colleges, make an assessment of the reasonable annual eligible expenses associated with eligible education programs and eligible advanced degree programs identified by the board;

(e) Determine the dollar difference between tuition fees charged by institutions of higher education in the 2008-09 academic year and the academic year for which an opportunity scholarship is being distributed;

(f) Develop and implement an application, selection, and notification process for awarding opportunity scholarships;

(g) Ensure that if the private source is from a federally recognized Indian tribe, municipality, or county, an amount at least equal to the value of the private source plus the state match is awarded to participants within that federally recognized Indian tribe, municipality, or county according to the federally recognized Indian tribe's, municipality's, or county's program rules;

(h) Determine the annual amount of the opportunity scholarship for each selected participant. The annual amount shall be at least one thousand dollars or the amount determined under (e) of this subsection, but may be increased on an income-based, sliding scale basis up to the amount necessary to cover all reasonable annual eligible expenses as assessed pursuant to (d) of this subsection, or to encourage participation in professional-technical certificate programs, professional-technical degree programs, baccalaureate degree programs, or eligible advanced degree programs identified by the board;

(i) Distribute scholarship funds to selected participants. Once awarded, and to the extent funds are available for distribution, an

(j) Notify institutions of scholarship recipients who will attend their institutions and inform them of the terms of the students' eligibility; and

(k) For participants enrolled in an eligible advanced degree program, document each participant's employment following graduation.

(3) With respect to the opportunity expansion program, the program administrator shall:

(a) Assist the board in developing and implementing an application, selection, and notification process for making opportunity expansion awards; and

(i) County-specific employer demand reports issued by the employment security department or the list of statewide high-demand programs for secondary career and technical education established under RCW 28A.700.020; and

(ii) The ability and capacity of the community and technical college to meet the needs of qualifying students and industry in the eligible county;

(c) Develop and implement an application, selection, and notification process for awarding rural jobs program scholarship funds. In making determinations on scholarship recipients, the board shall use county-specific employer high-demand data;

The amount of the credit claimed for a reporting period may not exceed the tax otherwise due under this chapter for that reporting period. No person may claim more than \$1,000,000 of credit in any calendar year, including credit carried over from a previous calendar year. No refunds may be granted for any unused credits.

(b) Any amount of tax credit otherwise allowable under this section not claimed by the person in any calendar year may be carried forward and claimed against a person's tax liability for the next succeeding calendar year; and any credit not used in that next succeeding calendar year may be carried forward and claimed against the person's tax liability for the second succeeding calendar year, but may not be carried over for any calendar year thereafter.

(3) Credits are available on a first-in-time basis. The department must disallow any credits, or portions thereof, that would cause the total amount of credits claimed under this section for any calendar year to exceed \$8,000,000. If this limitation is reached, the department must notify the department of commerce that the annual statewide limit has been met. In addition, the department must provide written notice to any person who has claimed tax credits in excess of the limitation in this subsection. The notice must indicate the amount of tax due and provide the tax be paid within 30 days from the date of the notice. The department may not assess penalties and interest as provided in chapter 82.32 RCW on the amount due in the initial notice if the amount due is paid by the due date specified in the notice, or any extension thereof.

(4) To claim a credit under this section, a person must electronically file with the department all returns, forms, and any other information required by the department, in an electronic format as provided or approved by the department. Any return, form, or information required to be filed in an electronic format under this section is not filed until received by the department in electronic format. As used in this subsection, "returns" has the same meaning as "return" in RCW 82.32.050.

(5) No application is necessary for the tax credit. The person must keep records necessary for the department to verify eligibility under this section.

(6) The equitable access to credit program must provide to the department, upon request, such information as may be needed to verify eligibility for credit under this section, including information regarding contributions received by the program.

(7) The maximum credit that may be earned for each calendar year under this section for a person is limited to the lesser of \$1,000,000 or an amount equal to 100 percent of the contributions made by the person to the equitable access to credit program.

(8) No credit may be earned for contributions made on or after June 30, 2027. Credits may be claimed as provided in subsections (2) through (4) of this section; however, credits may not be claimed prior to January 1, 2023.

(c) At least 65 percent of the value of all grants awarded in any calendar year must be provided for native community development financial institution grantees or grantees to provide services or invest, or both, in rural counties as defined in RCW 82.14.370; and

(d) Beginning in fiscal year 2022, up to five percent of the program revenues may be used for all agencies' staffing and other administrative costs related to the implementation of this act. In the event that the statewide limit in section 2(3) of this act is not reached, the percentage used for administration may be increased as necessary to maintain normal staffing operations, not to exceed 10 percent.

(3) In order to receive a grant award under the equitable access to credit program, a qualified lending institution must:

The department shall seek, to the greatest extent possible, a fair geographic balance.

(5)(a) The following criteria must be considered in ranking applications:

(i) The number and total value of loans and investments closed during the previous five-year period by the qualified lending institution in Washington and the percentage of those loans and investments that went to historically underserved communities;

(ii) Funds leveraged by the proposed grant award, which may be no less than 25 percent for certified community development financial institutions with net assets of \$3,000,000 or more at the time of the grant application;

(iii) Projected loan or investment production with the award over the performance period of the grant;

(iv) How the award supports the growth of the qualified lending institution;

(v) Past performance of loans and investments made by the qualified lending institution including, where applicable, past performance of loans and investments made using funds from the equitable access to credit program; and

(vi) Awards to a diversity of qualified lending institution awardees, including institutions of different sizes or with different target markets or products, access to historically underserved communities, or other differentiators that ensure a broad-base access to capital.

(b) The department may also include such additional criteria as it deems helpful in achieving the goal of ensuring access to credit to underserved communities across the state.

(6) Grants may be awarded from the equitable access to credit program beginning six months after the first tax credits are claimed pursuant to section 2 of this act. Grant awards must cease from the equitable access to credit program upon the expiration of this chapter.

(7) No loan or investment made by a qualified lending institution using funds awarded from the equitable access to credit program may have an interest rate that exceeds 200 basis points above the Wall Street Journal prime rate when the loan or investment is made.

(8) Once a loan or investment made by a qualified lending institution using funds awarded from the equitable access to credit program has been repaid, the qualified lending institution must reallocate the repaid funds consistent with the terms of this chapter.

(9) A qualified lending institution that receives funds from the equitable access to credit program must submit a report to the department of commerce by June 30th of each year that contains the following information:

(a) A list of loans and investments made using funds from the equitable access to credit program's grant and associated match, including, on a per-borrower or per-investee basis:

(i) The date the loan or investment was originated;

(ii) The amount of the loan or investment;

(11) The department may contract for all or part of the administration of this section.

(12) The department may adopt rules as necessary to implement this section.

NEW SECTION. Sec. 4. The equitable access to credit program account is created in the custody of the state treasurer. All receipts from contributions to the equitable access to credit program created by this chapter must be deposited in the account. Expenditures from the account may be used only for the award of grants to qualified lending institutions from the equitable access to credit program and administrative costs pursuant to section 3 of this act. Only the director of the department of commerce or the director's designee may authorize expenditures from the account. NEW SECTION. Sec. 5. (1) This section is the tax preference performance statement for the tax preference contained in section 2, chapter . . . , Laws of 2022 (section 2 of this act). This performance statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to create a private right of action by any party or to be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes this tax preference as one intended to create or retain jobs pursuant to RCW 82.32.808(2)(c), as well as encourage community and economic

(3) It is the legislature's specific public policy objective to create a program that encourages investment in small, underserved businesses to encourage community and economic development in Washington.

(4) The legislature intends to extend the expiration date of this tax preference if a review finds that the equitable access to credit program has had a net positive impact on investment in communities historically underserved by credit and on state and local tax revenues. In conducting its review under this section, the joint legislative audit and review committee should consider, among other data:

(a) The number and aggregate amount of loans and investments originated under the program, including with revolved dollars;

(b) Overall match, including project leverage, invested by grant recipients;

(c) The balance sheet growth of community development financial institutions that received grants from the program;

Concerning the charity care act.

The measure was read the second time.

MOTION

Senator Cleveland moved that the following committee striking amendment by the Committee on Health & Long Term Care be adopted:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 70.170.020 and 2018 c 263 s 1 are each amended to read as follows:

As used in this chapter:

(1) "Department" means department of health.

(2) "Hospital" means any health care institution which is required to qualify for a license under RCW 70.41.020(((7))) (8); or as a psychiatric hospital under chapter 71.12 RCW.

(3) "Secretary" means secretary of health.

(4) "Charity care" means medically necessary hospital health care rendered to indigent persons when third-party coverage, if any, has been exhausted, to the extent that the persons are unable to pay for the care or to pay deductibles or coinsurance amounts required by a third-party payer, as determined by the department.

(5) "Indigent persons" are those patients or their guarantors who qualify for charity care pursuant to section 2(5) of this act based on the federal poverty level, adjusted for family size, and who have exhausted any third-party coverage.

(6) "Third-party coverage" means an obligation on the part of an insurance company, health care service contractor, health maintenance organization, group health plan, government program, tribal health benefits, or health care sharing ministry as defined in 26 U.S.C. Sec. 5000A to pay for the care of covered patients and services, and may include settlements, judgments, or awards actually received related to the negligent acts of others which have resulted in the medical condition for which the patient has received hospital health care service. The pendency of such settlements, judgments, or awards must not stay hospital obligations to consider an eligible patient for charity care.

~~((6) "Sliding fee schedule" means a hospital determined, publicly available schedule of discounts to charges for persons deemed eligible for charity care; such schedules shall be established after consideration of guidelines developed by the department.))~~

(7) "Special studies" means studies which have not been funded through the department's biennial or other legislative appropriations.

Sec. 2. RCW 70.170.060 and 2018 c 263 s 2 are each amended to read as follows:

(1) No hospital or its medical staff shall adopt or maintain admission practices or policies which result in:

(a) A significant reduction in the proportion of patients who have no third-party coverage and who are unable to pay for hospital services;

(b) A significant reduction in the proportion of individuals admitted for inpatient hospital services for which payment is, or is likely to be, less than the anticipated charges for or costs of such services; or

(c) The refusal to admit patients who would be expected to require unusually costly or prolonged treatment for reasons other than those related to the appropriateness of the care available at the hospital.

(2) No hospital shall adopt or maintain practices or policies which would deny access to emergency care based on ability to pay. No hospital which maintains an emergency department shall transfer a patient with an emergency medical condition or who is in active labor unless the transfer is performed at the request of the patient or is due to the limited medical resources of the transferring hospital. Hospitals must follow reasonable procedures in making transfers to other hospitals including confirmation of acceptance of the transfer by the receiving hospital.

(3) The department shall develop definitions by rule, as appropriate, for subsection (1) of this section and, with reference to federal requirements, subsection (2) of this section. The department shall monitor hospital compliance with subsections (1) and (2) of this section. The department shall report individual instances of possible noncompliance to the state attorney general or the appropriate federal agency.

(4) The department shall establish and maintain by rule, consistent with the definition of charity care in RCW 70.170.020, the following:

(a) Uniform procedures, data requirements, and criteria for identifying patients receiving charity care; and

(b) A definition of residual bad debt including reasonable and uniform standards for collection procedures to be used in efforts to collect the unpaid portions of hospital charges that are the patient's responsibility.

(5) For the purpose of providing charity care, each hospital shall develop, implement, and maintain a ~~((charity care))~~ policy which ~~((consistent with subsection (1) of this section.))~~ shall enable ~~((people below the federal poverty level))~~ indigent persons access to ~~((appropriate hospital based medical services, and a sliding fee schedule for determination of discounts from charges~~

~~for persons who qualify for such discounts by January 1, 1990. The department shall develop specific guidelines to assist hospitals in setting sliding fee schedules required by this section. All persons with family income below one hundred percent of the federal poverty standard shall be deemed charity care patients for the full amount of hospital charges, except to the extent the patient has third party coverage for those charges.))~~ charity care. The policy shall include procedures for identifying patients who may be eligible for health care coverage through medical assistance programs under chapter 74.09 RCW or the Washington health benefit exchange and actively assisting patients to apply for any available coverage. If a hospital determines that a patient or their guarantor is qualified for retroactive health care coverage through the medical assistance programs under chapter 74.09 RCW, a hospital shall assist the patient or guarantor with applying for such coverage. If a hospital determines that a patient or their guarantor qualifies for retroactive health care coverage through the medical assistance programs under chapter 74.09 RCW, a hospital is not obligated to provide charity care under this section to any patient or their guarantor if the patient or their guarantor fails to make reasonable efforts to cooperate with the hospital's efforts to assist them in applying for such coverage. Hospitals may not impose application procedures for charity care or for assistance with retroactive coverage applications which place an unreasonable burden upon the patient or guarantor, taking into account any physical, mental, intellectual, or sensory deficiencies, or language barriers which may hinder the responsible party's capability of complying with application procedures. It is an unreasonable burden to require a patient to apply for any state or federal program where the patient is obviously or categorically ineligible or has been deemed ineligible in the prior 12 months.

(a) At a minimum, a hospital owned or operated by a health system that owns or operates three or more acute hospitals licensed under chapter 70.41 RCW, an acute care hospital with over 300 licensed beds located in the most populous county in Washington, or an acute care hospital with over 200 licensed beds located in a county with at least 450,000 residents and located on Washington's southern border shall grant charity care per the following guidelines:

(i) All patients and their guarantors whose income is not more than 300 percent of the federal poverty level, adjusted for family size, shall be deemed charity care patients for the full amount of the patient responsibility portion of their hospital charges;

(ii) All patients and their guarantors whose income is between 301 and 350 percent of the federal poverty level, adjusted for family size, shall be entitled to a 75 percent discount for the full amount of the patient responsibility portion of their hospital charges, which may be reduced by amounts reasonably related to assets considered pursuant to (c) of this subsection;

(iii) All patients and their guarantors whose income is between 351 and 400 percent of the federal poverty level, adjusted for family size, shall be entitled to a 50 percent discount for the full amount of the patient responsibility portion of their hospital charges, which may be reduced by amounts reasonably related to assets considered pursuant to (c) of this subsection.

(b) At a minimum, a hospital not subject to (a) of this subsection shall grant charity care per the following guidelines:

(i) All patients and their guarantors whose income is not more than 200 percent of the federal poverty level, adjusted for family size, shall be deemed charity care patients for the full amount of the patient responsibility portion of their hospital charges;

(ii) All patients and their guarantors whose income is between 201 and 250 percent of the federal poverty level, adjusted for family size, shall be entitled to a 75 percent discount for the full amount of the patient responsibility portion of their hospital

charges, which may be reduced by amounts reasonably related to assets considered pursuant to (c) of this subsection; and

(iii) All patients and their guarantors whose income is between 251 and 300 percent of the federal poverty level, adjusted for family size, shall be entitled to a 50 percent discount for the full amount of the patient responsibility portion of their hospital charges, which may be reduced by amounts reasonably related to assets considered pursuant to (c) of this subsection.

(c)(i) If a hospital considers the existence, availability, and value of assets in order to reduce the discount extended, it must establish and make publicly available a policy on asset considerations and corresponding discount reductions.

(ii) If a hospital considers assets, the following types of assets shall be excluded from consideration:

(A) The first \$5,000 of monetary assets for an individual or \$8,000 of monetary assets for a family of two, and \$1,500 of monetary assets for each additional family member. The value of any asset that has a penalty for early withdrawal shall be the value of the asset after the penalty has been paid;

(B) Any equity in a primary residence;

(C) Retirement plans other than 401(k) plans;

(D) One motor vehicle and a second motor vehicle if it is necessary for employment or medical purposes;

(E) Any prepaid burial contract or burial plot; and

(F) Any life insurance policy with a face value of \$10,000 or less.

(iii) In considering assets, a hospital may not impose procedures which place an unreasonable burden on the responsible party. Information requests from the hospital to the responsible party for the verification of assets shall be limited to that which is reasonably necessary and readily available to substantiate the responsible party's qualification for charity sponsorship and may not be used to discourage application for such sponsorship. Only those facts relevant to eligibility may be verified and duplicate forms of verification may not be demanded.

(A) In considering monetary assets, one current account statement shall be considered sufficient for a hospital to verify a patient's assets.

(B) In the event that no documentation for an asset is available, a hospital shall rely upon a written and signed statement from the responsible party.

(iv) Asset information obtained by the hospital in evaluating a patient for charity care eligibility shall not be used for collection activities.

(v) Nothing in this section prevents a hospital from considering assets as required by the centers for medicare and medicaid services related to medicare cost reporting.

(6) Each hospital shall post and prominently display notice of charity care availability. Notice must be posted in all languages spoken by more than ten percent of the population of the hospital service area. Notice must be displayed in at least the following locations:

(a) Areas where patients are admitted or registered;

(b) Emergency departments, if any; and

(c) Financial service or billing areas where accessible to patients.

(7) Current versions of the hospital's charity care policy, a plain language summary of the hospital's charity care policy, and the hospital's charity care application form must be available on the hospital's website. The summary and application form must be available in all languages spoken by more than ten percent of the population of the hospital service area.

(8)(a) All hospital billing statements and other written communications concerning billing or collection of a hospital bill by a hospital must include the following or a substantially similar

statement prominently displayed on the first page of the statement in both English and the second most spoken language in the hospital's service area:

You may qualify for free care or a discount on your hospital bill, whether or not you have insurance. Please contact our financial assistance office at [website] and [phone number].

(b) Nothing in (a) of this subsection requires any hospital to alter any preprinted hospital billing statements existing as of October 1, 2018.

(9) Hospital obligations under federal and state laws to provide meaningful access for limited English proficiency and non-English-speaking patients apply to information regarding billing and charity care. Hospitals shall develop standardized training programs on the hospital's charity care policy and use of interpreter services, and provide regular training for appropriate staff, including the relevant and appropriate staff who perform functions relating to registration, admissions, or billing.

(10) Each hospital shall make every reasonable effort to determine:

(a) The existence or nonexistence of private or public sponsorship which might cover in full or part the charges for care rendered by the hospital to a patient;

(b) The annual family income of the patient as classified under federal poverty income guidelines as of the time the health care services were provided, or at the time of application for charity care if the application is made within two years of the time of service, the patient has been making good faith efforts towards payment of health care services rendered, and the patient demonstrates eligibility for charity care; and

(c) The eligibility of the patient for charity care as defined in this chapter and in accordance with hospital policy. An initial determination of sponsorship status shall precede collection efforts directed at the patient.

(11) At the hospital's discretion, a hospital may consider applications for charity care at any time, including any time there is a change in a patient's financial circumstances.

(12) The department shall monitor the distribution of charity care among hospitals, with reference to factors such as relative need for charity care in hospital service areas and trends in private and public health coverage. The department shall prepare reports that identify any problems in distribution which are in contradiction of the intent of this chapter. The report shall include an assessment of the effects of the provisions of this chapter on access to hospital and health care services, as well as an evaluation of the contribution of all purchasers of care to hospital charity care.

(13) The department shall issue a report on the subjects addressed in this section at least annually, with the first report due on July 1, 1990.

NEW SECTION. Sec. 3. This act applies prospectively only to care provided on or after July 1, 2022. This act does not affect the ability of a patient who received care prior to July 1, 2022, to receive charity care under RCW 70.170.020 and 70.170.060 as the sections existed before that date."

On page 1, line 1 of the title, after "act;" strike the remainder of the title and insert "amending RCW 70.170.020 and 70.170.060; and creating a new section."

NEW SECTION. Sec. 5. UPPER PAYMENT LIMITS.

(1) The authority must adopt rules setting forth a methodology established by the board for setting upper payment limits for prescription drugs the board has determined have led or will lead to excess costs based on its affordability review. The rules adopted under this subsection may not go into effect until at least 90 days after the next regular legislative session. Each year, the board may set an upper payment limit for up to 12 prescription drugs.

(2) The methodology must take into consideration:

(a) The cost of administering the drug;

(b) The cost of delivering the drug to patients;

(c) The status of the drug on the drug shortage list published by the United States food and drug administration; and

(d) Other relevant administrative costs related to the production and delivery of the drug.

(3) The methodology determined by the board must not use quality-adjusted life years that take into account a patient's age or severity of illness or disability to identify subpopulations for which a prescription drug would be less cost-effective. For any prescription drug that extends life, the board's analysis of cost-effectiveness may not employ a measure or metric which assigns a reduced value to the life extension provided by a treatment based on a preexisting disability or chronic health condition of the individuals whom the treatment would benefit.

(4) Before setting an upper payment limit for a drug, the board must post notice of the proposed upper payment limit on the authority's website, including an explanation of the factors considered when setting the proposed limit and instructions to submit written comment. The board must provide 30 days to submit public comment.

(5) The board must monitor the supply of drugs for which it sets an upper payment limit and may suspend that limit if there is a shortage of the drug in the state.

(6) An upper payment limit for a prescription drug established by the board applies to all purchases of the drug by any entity and reimbursements for a claim for the drug by a health carrier, or a health plan offered under chapter 41.05 RCW, when the drug is dispensed or administered to an individual in the state in person, by mail, or by other means.

(7) An employer-sponsored self-funded plan may elect to be subject to the upper payment limits as established by the board.

(8) The board must establish an effective date for each upper payment limit, provided that the upper payment limit may not go into effect until at least 90 days after the next regular legislative session and that the date is at least six months after the adoption of the upper payment limit and applies only to purchases, contracts, and plans that are issued on or renewed after the effective date.

(9) Any entity affected by a decision of the board may request an appeal within 30 days of the board's decision, and the board

must rule on the appeal within 60 days. Board rulings are subject to judicial review pursuant to chapter 34.05 RCW.

(10) For any upper payment limit set by the board, the board must notify the manufacturer of the drug and the manufacturer must inform the board if it is able to make the drug available for sale in the state and include a rationale for its decision. The board must annually report to the relevant committees of the legislature detailing the manufacturers' responses.

(11) The board may reassess the upper payment limit for any drug annually based on current economic factors.

(12) The board may not establish an upper payment limit for any prescription drug before January 1, 2027.

(13)(a) Any individual denied coverage by a health carrier for a prescription drug because the drug was unavailable due to an upper payment limit established by the board, may seek review of the denial pursuant to RCW 48.43.530 and 48.43.535.

(b) If it is determined that the prescription drug should be covered based on medical necessity, the carrier may disregard the upper payment limit and must provide coverage for the drug.

NEW SECTION. Sec. 6. USE OF SAVINGS. (1) Any savings generated for a health plan, as defined in RCW 48.43.005, or a health plan offered under chapter 41.05 RCW that are attributable to the establishment of an upper payment limit established by the board must be used to reduce costs to consumers, prioritizing the reduction of out-of-pocket costs for prescription drugs.

(2) By January 1, 2024, the board must establish a formula for calculating savings for the purpose of complying with this section.

(3) By March 1st of the year following the effective date of the first upper payment limit, and annually thereafter, each state agency and health carrier issuing a health plan in the state must submit a report to the board describing the savings in the previous calendar year that were attributable to upper payment limits set by the board and how the savings were used to satisfy the requirements of subsection (1) of this section.

NEW SECTION. Sec. 7. MANUFACTURER WITHDRAWAL FROM THE MARKET. (1) Any manufacturer that intends to withdraw a prescription drug from sale or distribution within the state because the board has established an upper payment limit for that drug shall provide a notice of withdrawal in writing indicating the drug will be withdrawn because of the establishment of the upper payment limit at least 180 days before the withdrawal to the office of the insurance commissioner, the authority, and any entity in the state with which the manufacturer has a contract for the sale or distribution of the drug.

(2) If a manufacturer chooses to withdraw the prescription drug from the state, it shall be prohibited from selling that drug in the state for a period of three years.

(3) A manufacturer that has withdrawn a drug from the market may petition the authority, in a form and manner determined by the authority in rule, to reenter the market before the expiration of the three-year ban if it agrees to make the drug available for sale in compliance with the upper payment limit.

(4) The rules adopted under this section may not go into effect until at least 90 days after the next regular legislative session.

NEW SECTION. Sec. 8. By December 15, 2022, and annually thereafter, the board shall provide a comprehensive report to the legislature detailing all actions the board has taken in the past year, including any rules adopted by the authority pursuant to this act, establishing any processes, such as the methodology for the upper payment limit, the list of drugs identified in section 3 of this act, the drugs the board completed an affordability review of and any determinations of whether the

drug had led or will lead to excess costs, and the establishment of any upper payment limits.

NEW SECTION. Sec. 9. RULE MAKING. The authority may adopt any rules necessary to implement this chapter. The rules adopted under this section may not go into effect until at least 90 days after the next regular legislative session.

NEW SECTION. Sec. 10. A new section is added to chapter 48.43 RCW to read as follows:

(1) For health plans issued or renewed on or after January 1, 2024, if the prescription drug affordability board, as established in chapter 70.--- RCW (the new chapter created in section 12 of this act), establishes an upper payment limit for a prescription drug pursuant to section 5 of this act, a carrier must provide sufficient information, as determined by the commissioner, to indicate that reimbursement for a claim for that prescription drug will not exceed the upper payment limit for the drug established by the board.

(2) The commissioner may adopt any rules necessary to implement this section.

Sec. 11. RCW 43.71C.100 and 2019 c 334 s 10 are each amended to read as follows:

(1) The authority shall compile and analyze the data submitted by health carriers, pharmacy benefit managers, manufacturers, and pharmacy services administrative organizations pursuant to this chapter and prepare an annual report for the public and the legislature synthesizing the data to demonstrate the overall impact that drug costs, rebates, and other discounts have on health care premiums.

(2) The data in the report must be aggregated and must not reveal information specific to individual health carriers, pharmacy benefit managers, pharmacy services administrative organizations, individual prescription drugs, individual classes of prescription drugs, individual manufacturers, or discount amounts paid in connection with individual prescription drugs.

(3) Beginning January 1, 2021, and by each January 1st thereafter, the authority must publish the report on its web site.

(4) Except for the report, and as provided in subsection (5) of this section, the authority shall keep confidential all data submitted pursuant to RCW 43.71C.020 through 43.71C.080.

(5) For purposes of public policy, upon request of a legislator, the authority must provide all data provided pursuant to RCW 43.71C.020 through 43.71C.080 and any analysis prepared by the authority. Any information provided pursuant to this subsection must be kept confidential within the legislature and may not be publicly released.

(6) For the purpose of reviewing drug prices and conducting affordability reviews, the prescription drug affordability board, as established in chapter 70.--- RCW (the new chapter created in section 12 of this act), and the health care cost transparency board, established in chapter 70.390 RCW, may access all data collected pursuant to RCW 43.71C.020 through 43.71C.080 and any analysis prepared by the authority.

(7) The data collected pursuant to this chapter is not subject to public disclosure under chapter 42.56 RCW. Any information provided pursuant to this section must be kept confidential and may not be publicly released. Recipients of data under subsection (6) of this section shall:

(a) Follow all rules adopted by the authority regarding appropriate data use and protection; and

(b) Acknowledge that the recipient is responsible for any liability arising from misuse of the data and that the recipient does not have any conflicts under the ethics in public service act that would prevent the recipient from accessing or using the data.

NEW SECTION. Sec. 12. Sections 1 through 9 of this act constitute a new chapter in Title 70 RCW.

FIFTY SEVENTH DAY, MARCH 7, 2022

2022 REGULAR SESSION

Sec. 13. RCW 42.30.110 and 2019 c 162 s 2 are each amended to read as follows:

(1) Nothing contained in this chapter may be construed to prevent a governing body from holding an executive session during a regular or special meeting:

managed to ensure future generations of apprentices for high demand occupations. The earn while you learn apprenticeship model opens opportunities to diverse groups and communities that have not been able to access traditional higher education and traditional apprenticeship programs in the past. The legislature recognizes that the COVID-19 pandemic has also created a significant dislocation and disruption of our workforce that can be repaired in part by reconnecting workers with innovative apprenticeships that lead to new career pathways. The legislature intends to encourage and foster new apprenticeship opportunities through programs sponsored by public and private entities. It is the intent of the legislature that apprenticeship programs seeking state registration receive prompt consideration with minimum delay. To achieve the goals of rebuilding a robust postpandemic workforce and undertaking active efforts to provide equity, diversity, inclusion, and accessibility in apprenticeship programs will take sustained effort and support.

NEW SECTION. Sec. 2. A new section is added to chapter 49.04 RCW to read as follows:

(10) "Family leave" means any leave taken by an employee from work:

(a) To participate in providing care, including physical or psychological care, for a family member of the employee made necessary by a serious health condition of the family member;

(b) To bond with the employee's child during the first twelve months after the child's birth, or the first twelve months after the placement of a child under the age of eighteen with the employee; ~~((e))~~

(c) Because of any qualifying exigency as permitted under the federal family and medical leave act, 29 U.S.C. Sec. 2612(a)(1)(E) and 29 C.F.R. Sec. 825.126(b)(1) through (9), as they existed on October 19, 2017, for family members as defined in subsection (11) of this section; or

(d) During the seven calendar days following the death of the family member for whom the employee;

(i) Would have qualified for medical leave under subsection (15) of this section for the birth of their child; or

(ii) Would have qualified for family leave under (b) of this subsection.

(11) "Family member" means a child, grandchild, grandparent, parent, sibling, or spouse of an employee, and also includes any individual who regularly resides in the employee's home or where the relationship creates an expectation that the employee care for the person, and that individual depends on the employee for care. "Family member" includes any individual who regularly resides in the employee's home, except that it does not include an individual who simply resides in the same home with no expectation that the employee care for the individual.

(12) "Grandchild" means a child of the employee's child.

(13) "Grandparent" means a parent of the employee's parent.

(14) "Health care provider" means: (a) A person licensed as a physician under chapter 18.71 RCW or an osteopathic physician and surgeon under chapter 18.57 RCW; (b) a person licensed as an advanced registered nurse practitioner under chapter 18.79 RCW; or (c) any other person determined by the commissioner to be capable of providing health care services.

(15) "Medical leave" means any leave taken by an employee from work made necessary by the employee's own serious health condition.

(16) "Paid time off" includes vacation leave, personal leave, medical leave, sick leave, compensatory leave, or any other paid leave offered by an employer under the employer's established policy.

(17) "Parent" means the biological, adoptive, de facto, or foster parent, stepparent, or legal guardian of an employee or the employee's spouse, or an individual who stood in loco parentis to an employee when the employee was a child.

(18) "Period of incapacity" means an inability to work, attend school, or perform other regular daily activities because of a serious health condition, treatment of that condition or recovery from it, or subsequent treatment in connection with such inpatient care.

(19) "Postnatal" means the first six weeks after birth.

(20) "Premium" or "premiums" means the payments required by RCW 50A.10.030 and paid to the department for deposit in the family and medical leave insurance account under RCW 50A.05.070.

~~((20))~~ (21) "Qualifying period" means the first four of the last five completed calendar quarters or, if eligibility is not established, the last four completed calendar quarters immediately preceding the application for leave.

~~((21))~~ (22)(a) "Remuneration" means all compensation paid for personal services including commissions and bonuses and the cash value of all compensation paid in any medium other than cash.

(b) Previously accrued compensation, other than severance pay or payments received pursuant to plant closure agreements, when assigned to a specific period of time by virtue of a collective bargaining agreement, individual employment contract, customary trade practice, or request of the individual compensated, is considered remuneration for the period to which it is assigned. Assignment clearly occurs when the compensation serves to make the individual eligible for all regular fringe benefits for the period to which the compensation is assigned.

(c) Remuneration also includes settlements or other proceeds received by an individual as a result of a negotiated settlement for termination of an individual written employment contract prior to its expiration date. The proceeds are deemed assigned in the same intervals and in the same amount for each interval as compensation was allocated under the contract.

(d) Remuneration does not include:

(i) The payment of tips;

(ii) Supplemental benefit payments made by an employer to an employee in addition to any paid family or medical leave benefits received by the employee; or

(iii) Payments to members of the armed forces of the United States, including the organized militia of the state of Washington, for the performance of duty for periods not exceeding seventy-two hours at a time.

~~((22))~~ (23)(a) "Serious health condition" means an illness, injury, impairment, or physical or mental condition that involves:

(i) Inpatient care in a hospital, hospice, or residential medical care facility, including any period of incapacity; or

(ii) Continuing treatment by a health care provider. A serious health condition involving continuing treatment by a health care provider includes any one or more of the following:

(A) A period of incapacity of more than three consecutive, full calendar days, and any subsequent treatment or period of incapacity relating to the same condition, that also involves:

(I) Treatment two or more times, within thirty days of the first day of incapacity, unless extenuating circumstances exist, by a

health care provider, by a nurse or physician's assistant under direct supervision of a health care provider, or by a provider of health care services, such as a physical therapist, under orders of, or on referral by, a health care provider; or

(II) Treatment by a health care provider on at least one occasion which results in a regimen of continuing treatment under the supervision of the health care provider;

(B) Any period of incapacity due to pregnancy, or for prenatal care;

(C) Any period of incapacity or treatment for such incapacity due to a chronic serious health condition. A chronic serious health condition is one which:

(I) Requires periodic visits, defined as at least twice a year, for treatment by a health care provider, or by a nurse under direct supervision of a health care provider;

(II) Continues over an extended period of time, including recurring episodes of a single underlying condition; and

(III) May cause episodic rather than a continuing period of incapacity, including asthma, diabetes, and epilepsy;

(D) A period of incapacity which is permanent or long term due to a condition for which treatment may not be effective. The employee or family member must be under the continuing supervision of, but need not be receiving active treatment by, a health care provider, including Alzheimer's, a severe stroke, or the terminal stages of a disease; or

(E) Any period of absence to receive multiple treatments, including any period of recovery from the treatments, by a health care provider or by a provider of health care services under orders of, or on referral by, a health care provider, either for: (I) Restorative surgery after an accident or other injury; or (II) a condition that would likely result in a period of incapacity of more than three consecutive, full calendar days in the absence of medical intervention or treatment, such as cancer, severe arthritis, or kidney disease.

(b) The requirement in (a)(i) and (ii) of this subsection for treatment by a health care provider means an in-person visit to a health care provider. The first, or only, in-person treatment visit must take place within seven days of the first day of incapacity.

(c) Whether additional treatment visits or a regimen of continuing treatment is necessary within the thirty-day period shall be determined by the health care provider.

(d) The term extenuating circumstances in (a)(ii)(A)(I) of this subsection means circumstances beyond the employee's control that prevent the follow-up visit from occurring as planned by the health care provider. Whether a given set of circumstances are extenuating depends on the facts. For example, extenuating circumstances exist if a health care provider determines that a second in-person visit is needed within the thirty-day period, but the health care provider does not have any available appointments during that time period.

(e) Treatment for purposes of (a) of this subsection includes, but is not limited to, examinations to determine if a serious health condition exists and evaluations of the condition. Treatment does not include routine physical examinations, eye examinations, or dental examinations. Under (a)(ii)(A)(II) of this subsection, a regimen of continuing treatment includes, but is not limited to, a course of prescription medication, such as an antibiotic, or therapy requiring special equipment to resolve or alleviate the health condition, such as oxygen. A regimen of continuing treatment that includes taking over-the-counter medications, such as aspirin, antihistamines, or salves, or bed rest, drinking fluids, exercise, and other similar activities that can be initiated without a visit to a health care provider, is not, by itself, sufficient to constitute a regimen of continuing treatment for purposes of this title.

(f) Conditions for which cosmetic treatments are administered, such as most treatments for acne or plastic surgery, are not serious health conditions unless inpatient hospital care is required or unless complications develop. Ordinarily, unless complications arise, the common cold, the flu, ear aches, upset stomach, minor ulcers, headaches other than migraines, routine dental or orthodontia problems, and periodontal disease are examples of conditions that are not serious health conditions and do not qualify for leave under this title. Restorative dental or plastic surgery after an injury or removal of cancerous growths are serious health conditions provided all the other conditions of this section are met. Mental illness resulting from stress or allergies may be serious health conditions, but only if all the conditions of this section are met.

(g)(i) Substance abuse may be a serious health condition if the conditions of this section are met. However, leave may only be taken for treatment for substance abuse by a health care provider or by a licensed substance abuse treatment provider. Absence because of the employee's use of the substance, rather than for treatment, does not qualify for leave under this title.

(ii) Treatment for substance abuse does not prevent an employer from taking employment action against an employee. The employer may not take action against the employee because the employee has exercised his or her right to take medical leave for treatment. However, if the employer has an established policy, applied in a nondiscriminatory manner that has been communicated to all employees, that provides under certain circumstances an employee may be terminated for substance abuse, pursuant to that policy the employee may be terminated whether or not the employee is presently taking medical leave. An employee may also take family leave to care for a covered family member who is receiving treatment for substance abuse. The employer may not take action against an employee who is providing care for a covered family member receiving treatment for substance abuse.

(h) Absences attributable to incapacity under (a)(ii)(B) or (C) of this subsection qualify for leave under this title even though the employee or the family member does not receive treatment from a health care provider during the absence, and even if the absence does not last more than three consecutive, full calendar days. For example, an employee with asthma may be unable to report for work due to the onset of an asthma attack or because the employee's health care provider has advised the employee to stay home when the pollen count exceeds a certain level. An employee who is pregnant may be unable to report to work because of severe morning sickness.

~~((23))~~ (24) "Service is localized in this state" has the same meaning as described in RCW 50.04.120.

~~((24))~~ (25) "Spouse" means a husband or wife, as the case may be, or state registered domestic partner.

~~((25))~~ (26) "State average weekly wage" means the most recent average weekly wage calculated under RCW 50.04.355 and available on January 1st of each year.

~~((26))~~ (27) "Supplemental benefit payments" means payments made by an employer to an employee as salary continuation or as paid time off. Such payments must be in addition to any paid family or medical leave benefits the employee is receiving.

~~((27))~~ (28) "Typical workweek hours" means:

(a) For an hourly employee, the average number of hours worked per week by an employee within the qualifying period; and

(b) Forty hours for a salaried employee, regardless of the number of hours the salaried employee typically works.

~~((28))~~ (29) "Wage" or "wages" means:

FIFTY SEVENTH DAY, MARCH 7, 2022

(b) For the purpose of payment of benefits, the remuneration paid by one or more employers to an employee for employment during the employee's qualifying period. At the request of an employee, wages may be calculated on the basis of remuneration payable. The department shall notify each employee that wages are calculated on the basis of remuneration paid, but at the employee's request a redetermination may be performed and based on remuneration payable; and

(c) For the purpose of a self-employed person electing coverage under RCW 50A.10.010, the meaning is defined by rule.

Sec. 2. RCW 50A.05.090 and 2019 c 13 s 37 are each amended to read as follows:

(1) Nothing in this title requires any party to a collective bargaining agreement in existence on October 19, 2017, to reopen negotiations of the agreement or to apply any of the rights and responsibilities under this title unless and until the existing agreement is reopened or renegotiated by the parties or expires.

(2) This section expires December 31, 2023.

Sec. 3. RCW 50A.15.020 and 2020 c 125 s 4 are each amended to read as follows:

(1) Beginning January 1, 2020, family and medical leave are available and benefits are payable to a qualified employee under this section.

(a) Following a waiting period consisting of the first seven consecutive calendar days, benefits are payable when family or medical leave is required. However, no waiting period is required for leave for the birth or placement of a child, or for leave because of any qualifying exigency as defined under RCW 50A.05.010(10)(c). The waiting period begins the previous Sunday of the week when an otherwise eligible employee takes leave for the minimum claim duration under subsection (2)(c) of this section. Eligible employees may satisfy the waiting period requirement while simultaneously receiving paid time off for any part of the waiting period.

(b) Benefits may continue during the continuance of the need for family or medical leave, subject to the maximum and minimum weekly benefits, duration, and other conditions and limitations established in this title.

(2) The weekly benefit shall be prorated by the percentage of hours on leave compared to the number of hours provided as the typical workweek hours as defined in RCW 50A.05.010.

(a) The benefits in this section, if not a multiple of one dollar, shall be reduced to the next lower multiple of one dollar.

(b) Hours on leave claimed for benefits under this title, if not a multiple of one hour, shall be reduced to the next lower multiple of one hour.

(c) The minimum claim duration payment is for eight consecutive hours of leave.

(b) The maximum duration of paid medical leave may not exceed twelve times the typical workweek hours during a period of fifty-two consecutive calendar weeks. This leave may be extended an additional two times the typical workweek hours if the employee experiences a serious health condition with a pregnancy that results in incapacity.

(c) An employee is not entitled to paid family and medical leave benefits under this title that exceeds a combined total of sixteen times the typical workweek hours. The combined total of family and medical leave may be extended to eighteen times the

typical workweek hours if the employee experiences a serious health condition with a pregnancy that results in incapacity.

(4)(a) Any paid leave benefits under this chapter used in the postnatal period by an employee eligible for benefits under RCW 50A.05.010(23)(a)(ii)(B) must be medical leave, subject to the maximum and minimum weekly benefits, duration, and other conditions and limitations established in this title, unless the employee chooses to use family leave during the postnatal period.

(b) Certification of a serious health condition is not required for paid leave benefits used in the postnatal period by an employee eligible for benefits under RCW 50A.05.010(23)(a)(ii)(B).

(5) The weekly benefit for family and medical leave shall be determined as follows: If the employee's average weekly wage is:

(a) Equal to or less than one-half of the state average weekly wage, then the benefit amount is equal to ninety percent of the employee's average weekly wage; or (b) greater than one-half of the state average weekly wage, then the benefit amount is the sum of: (i) Ninety percent of one-half of the state average weekly wage; and (ii) fifty percent of the difference of the employee's average weekly wage and one-half of the state average weekly wage.

~~((5))~~ (6)(a) The maximum weekly benefit for family and medical leave that occurs on or after January 1, 2020, shall be one thousand dollars. By September 30, 2020, and by each subsequent September 30th, the commissioner shall adjust the maximum weekly benefit amount to ninety percent of the state average weekly wage. The adjusted maximum weekly benefit amount takes effect on the following January 1st.

(b) The minimum weekly benefit shall not be less than one hundred dollars per week except that if the employee's average weekly wage at the time of family or medical leave is less than one hundred dollars per week, the weekly benefit shall be the employee's full wage.

(1) Any information or records concerning an individual or employer obtained by the department pursuant to the administration of this title shall be private and confidential, except as otherwise provided in this chapter or RCW 50A.05.040.

(2) This chapter does not create a rule of evidence.

(3) The department must publish, on its website, a current list of all employers that have approved voluntary plans under chapter 50A.30 RCW.

MR. PRESIDENT:

The House passed SENATE BILL NO. 5657 with the following amendment(s): 5657 AMH ED H2862.1

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature recognizes the benefit of computer science and computational thinking in education, not only with respect to educational development, but also in cultivating the skills needed to compete and excel in our state's career landscape. The legislature also recognizes the heightened importance of providing access to computer science

education to youth in secure facilities, where access to innovative and engaging learning experiences can: (1) Build in-demand skills to prepare students for future employment; (2) help students transition back to their communities following incarceration; and (3) prevent recidivism. However, the legislature understands that state long-term juvenile institutions have unique environmental and facility limitations that affect the ability to deliver some components of computer science instruction in a secure manner. Therefore, the legislature intends to require school districts that operate institutional education programs in state long-term juvenile institutions to provide access to computer science courses, while allowing the flexibility to adjust curriculum and instructional activities when necessary.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.190 RCW to read as follows:

(1) Subject to the availability and sufficiency of amounts appropriated for this specific purpose in addition to the amounts appropriated through the institutional education funding formulas specified in the omnibus appropriations act, and subject to staffing availability, each school district operating an institutional education program for youth in state long-term juvenile institutions must provide an opportunity to access an elective computer science course in accordance with RCW 28A.230.300(1).

(2) If, due to facility or technology security limitations, a school district cannot provide a computer science course that is fully aligned with all state computer science learning standards, the school district must adapt the course curriculum and instructional activities to align with as many state computer science learning standards as possible.

(3) Each school district operating an institutional education program for youth in state long-term juvenile institutions must annually report the following information to the office of the superintendent of public instruction:

(a) Data indicating the number of students who enrolled in a computer science course in the prior school year, disaggregated by gender, race, ethnicity, and age;

(b) A brief description of each computer science course and whether the course is fully aligned to state computer science learning standards; and

(c) A brief description of any facility or technology security limitations that prevent the school district from offering a course fully aligned with state computer science learning standards, and the actions the district is taking to address those limitations.

NEW SECTION. Sec. 3. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2022, in the omnibus appropriations act, this act is null and void."

(e) When directed by the court, if an evaluation and report by an expert or professional person has been provided concluding that the defendant lacked the capacity at the time of the offense to form the mental state necessary to commit the charged offense, an opinion as to the capacity of the defendant to have a particular state of mind which is an element of the offense charged;

(f) An opinion as to whether the defendant should be evaluated by a designated crisis responder under chapter 71.05 RCW.

(4) The secretary may execute such agreements as appropriate and necessary to implement this section and may choose to designate more than one evaluator.

(5) In the event that a person remains in jail more than 21 days after service on the department of a court order to transport the person to a facility designated by the department for inpatient competency restoration treatment, upon the request of any party and with notice to all parties, the department shall perform a competency to stand trial status check to determine if the circumstances of the person have changed such that the court should authorize an updated competency evaluation. The status update shall be provided to the parties and the court. Status updates may be provided at reasonable intervals.

Sec. 3. RCW 10.77.068 and 2015 c 5 s 1 are each amended to read as follows:

(1)(a) ~~The legislature establishes ((the following)) a performance ((targets and maximum time limits for the timeliness of the completion of accurate and reliable evaluations of competency to stand trial and admissions for inpatient restoration services related to competency to proceed or stand trial for adult criminal defendants-)) target of seven days or fewer to extend an offer of admission to a defendant in pretrial custody for inpatient competency evaluation or inpatient competency restoration services, when access to the services is legally authorized;~~

(b) The legislature establishes a performance target of 14 days or fewer for the following services related to competency to stand trial, when access to the services is legally authorized:

(i) To complete a competency evaluation in jail and distribute the evaluation report; and

(ii) To extend an offer of admission to a defendant ordered to be committed to a state hospital following dismissal of charges based on incompetency to stand trial under RCW 10.77.086.

(c) The legislature establishes a performance target of 21 days or fewer to complete a competency evaluation in the community and distribute the evaluation report.

(2)(a) A maximum time limit of seven days as measured from the department's receipt of the court order, or a maximum time limit of 14 days as measured from signature of the court order, whichever is shorter, is established to complete the services specified in subsection (1)(a) of this section, subject to the limitations under subsection (9) of this section.

(b) A maximum time limit of 14 days as measured from the department's receipt of the court order, or a maximum time limit of 21 days as measured from signature of the court order, whichever is shorter, is established to complete the services specified in subsection (1)(b) of this section, subject to the limitations under subsection (9) of this section.

(3) The legislature recognizes that these targets may not be achievable in all cases ((without compromise to the quality of competency evaluation and restoration services)), but intends for the department to manage, allocate, and request appropriations for resources in order to meet these targets whenever possible without sacrificing the accuracy and quality of competency ((evaluations and restorations, and to otherwise make sustainable improvements and track performance related to the timeliness of competency services:

(i) ~~For a state hospital to extend an offer of admission to a defendant in pretrial custody for legally authorized evaluation services related to competency, or to extend an offer of admission for legally authorized services following dismissal of charges based on incompetency to proceed or stand trial:~~

(A) ~~A performance target of seven days or less; and~~

(B) ~~A maximum time limit of fourteen days;~~

~~(ii) For a state hospital to extend an offer of admission to a defendant in pretrial custody for legally authorized inpatient restoration treatment related to competency:~~

~~(A) A performance target of seven days or less; and~~

~~(B) A maximum time limit of fourteen days;~~

~~(iii) For completion of a competency evaluation in jail and distribution of the evaluation report for a defendant in pretrial custody:~~

~~(A) A performance target of seven days or less; and~~

~~(B) A maximum time limit of fourteen days, plus an additional seven-day extension if needed for clinical reasons to complete the evaluation at the determination of the department;~~

~~(iv) For completion of a competency evaluation in the community and distribution of the evaluation report for a defendant who is released from custody and makes a reasonable effort to cooperate with the evaluation, a performance target of twenty one days or less) services.~~

~~((b) The time periods measured in these performance targets and maximum time limits shall run from the date on which the state hospital receives the court referral and charging documents, discovery, police reports, the names and addresses of the attorneys for the defendant and state or county, the name of the judge ordering the evaluation, information about the alleged crime, and criminal history information related to the defendant. The maximum time limits in (a) of this subsection shall be phased in over a one-year period beginning July 1, 2015, in a manner that results in measurable incremental progress toward meeting the time limits over the course of the year.~~

~~(e)) (4) It shall be a defense to an allegation that the department has exceeded the maximum time limits for completion of competency services described in ((a) of this) subsection (2) of this section if the department can demonstrate by a preponderance of the evidence that the reason for exceeding the maximum time limits was outside of the department's control including, but not limited to, the following circumstances:~~

~~((+)) (a) Despite a timely request, the department has not received necessary medical ((clearance)) information regarding the current medical status of a defendant ((in pretrial custody for the purposes of admission to a state hospital));~~

~~((+)) (b) The individual circumstances of the defendant make accurate completion of an evaluation of competency to ((proceed or)) stand trial dependent upon review of mental health, substance use disorder, or medical history information which is in the custody of a third party and cannot be immediately obtained by the department(((-Completion of a competency evaluation)), provided that completion shall not be postponed for procurement of ((mental health, substance use disorder, or medical history)) information which is merely supplementary ((to the competency determination));~~

~~((+)) (c) Additional time is needed for the defendant to no longer show active signs and symptoms of impairment related to substance use so that an accurate evaluation may be completed;~~

~~(d) The defendant is medically unavailable for competency evaluation or admission to a facility for competency restoration;~~

~~(e) Completion of the referral ((is frustrated by lack of)) requires additional time to accommodate the availability or participation ((by) of counsel, ((jail or)) court personnel, interpreters, or the defendant;~~

~~((iv) The department does not have access to appropriate private space to conduct a competency evaluation for a defendant in pretrial custody;~~

~~(v)) (f) The defendant asserts legal rights that result in a delay in the provision of competency services; or~~

~~((+)) (g) An unusual spike in the receipt of evaluation referrals or in the number of defendants requiring restoration~~

services has occurred, causing temporary delays until the unexpected excess demand for competency services can be resolved.

~~((2))~~ (5) The department shall provide written notice to the court when it will not be able to meet the maximum time limits under subsection (2) of this section and identify the reasons for the delay and provide a reasonable estimate of the time necessary to complete the competency service. Good cause for an extension for the additional time estimated by the department shall be presumed absent a written response from the court or a party received by the department within seven days.

(6) The department shall:

(a) Develop, document, and implement procedures to monitor the clinical status of defendants admitted to a state hospital for competency services that allow the state hospital to accomplish early discharge for defendants for whom clinical objectives have been achieved or may be achieved before expiration of the commitment period;

(b) Investigate the extent to which patients admitted to a state hospital under this chapter overstay time periods authorized by law and take reasonable steps to limit the time of commitment to authorized periods; and

(c) Establish written standards for the productivity of forensic evaluators and utilize these standards to internally review the performance of forensic evaluators.

~~((3))~~ (7) Following any quarter in which a state hospital has failed to meet one or more of the performance targets or maximum time limits ~~((#))~~ under subsection (1) or (2) of this section ~~((after full implementation of the performance target or maximum time limit))~~, the department shall report to the executive and the legislature the extent of this deviation and describe any corrective action being taken to improve performance. This report ~~((must))~~ shall be made publicly available. An average may be used to determine timeliness under this subsection.

~~((4) Beginning December 1, 2013, the)~~ (8) The department shall report annually to the legislature and the executive on the timeliness of services related to competency to ~~((proceed or))~~ stand trial and the timeliness with which court referrals accompanied by charging documents, discovery, and criminal history information are provided to the department relative to the signature date of the court order. The report must be in a form that is accessible to the public and that breaks down performance by county.

~~((5))~~ (9) This section does not create any new entitlement or cause of action related to the timeliness of competency ~~((evaluations or admission for inpatient restoration))~~ to stand trial services ~~((related to competency to proceed or stand trial))~~, nor can it form the basis for contempt sanctions under chapter 7.21 RCW or a motion to dismiss criminal charges.

Sec. 4. RCW 10.77.086 and 2019 c 326 s 4 are each amended to read as follows:

(1)~~((a)(i))~~ If the defendant is charged with a felony and determined to be incompetent, until he or she has regained the competency necessary to understand the proceedings against him or her and assist in his or her own defense, but in any event for a period of no longer than ~~((ninety))~~ 90 days, the court shall commit the defendant to the custody of the secretary for inpatient competency restoration~~((Based))~~, or may alternatively order the defendant to receive outpatient competency restoration based on a recommendation from a forensic navigator and input from the parties~~((, the court may order the defendant to receive inpatient competency restoration or outpatient competency restoration))~~.

~~((A))~~ (a) To be eligible for an order for outpatient competency restoration, a defendant must be clinically appropriate and be willing to:

~~((H))~~ (i) Adhere to medications or receive prescribed intramuscular medication; ~~((and~~

~~((H))~~ (ii) Abstain from alcohol and unprescribed drugs; and

~~((H))~~ (iii) Comply with urinalysis or breathalyzer monitoring if needed.

~~((B))~~ (b) If the court orders inpatient competency restoration, the department shall place the defendant in an appropriate facility of the department for competency restoration.

~~((C))~~ (c) If the court orders outpatient competency restoration, the court shall modify conditions of release as needed to authorize the department to place the person in approved housing, which may include access to supported housing, affiliated with a contracted outpatient competency restoration program. The department, in conjunction with the health care authority, must establish rules for conditions of participation in the outpatient competency restoration program, which must include the defendant being subject to medication management ~~((and))~~. The court may order regular urinalysis testing ~~((for defendants who have a current substance use disorder diagnosis))~~. The outpatient competency restoration program shall monitor the defendant during the defendant's placement in the program and report any noncompliance or significant changes with respect to the defendant to the department and, if applicable, the forensic navigator.

~~((D))~~ (d) If a defendant fails to comply with the restrictions of the outpatient restoration program such that restoration is no longer appropriate in that setting or the defendant is no longer clinically appropriate for outpatient competency restoration, the ~~((department shall remove the defendant from the outpatient restoration program and place the defendant instead))~~ director of the outpatient competency restoration program shall notify the authority and the department of the need to terminate the outpatient competency restoration placement and intent to request placement for the defendant in an appropriate facility of the department for inpatient competency restoration ~~((for no longer than the time allowed as if the defendant had been initially placed into inpatient competency restoration, in addition to reasonable time for transport to or from the facility))~~. The outpatient competency restoration program shall coordinate with the authority, the department, and any law enforcement personnel under (d)(i) of this subsection to ensure that the time period between termination and admission into the inpatient facility is as minimal as possible. The time period for inpatient competency restoration shall be reduced by the time period spent in active treatment within the outpatient competency restoration program, excluding time periods in which the defendant was absent from the program and all time from notice of termination of the outpatient competency restoration period through the defendant's admission to the facility. The department shall obtain a placement for the defendant within seven days of the notice of intent to terminate the outpatient competency restoration placement.

(i) The department may authorize a peace officer to detain the defendant into emergency custody for transport to the designated inpatient competency restoration facility. If medical clearance is required by the designated competency restoration facility before admission, the peace officer must transport the defendant to a crisis stabilization unit, evaluation and treatment facility, emergency department of a local hospital, or triage facility for medical clearance once a bed is available at the designated inpatient competency restoration facility. The signed outpatient competency restoration order of the court shall serve as authority for the detention of the defendant under this subsection. This subsection does not preclude voluntary transportation of the defendant to a facility for inpatient competency restoration or for medical clearance, or authorize admission of the defendant into jail.

FIFTY SEVENTH DAY, MARCH 7, 2022

2022 REGULAR SESSION

~~((change in placement))~~ defendant's admission for inpatient competency restoration before the close of the next judicial day. The court shall schedule a hearing within five days to review the ~~((placement and))~~ conditions of release of the defendant and anticipated release from treatment and issue appropriate orders. ~~((The standard of proof shall be a preponderance of the evidence, and the court may in its discretion render its decision based on written submissions, live testimony, or remote testimony.~~

~~((E))~~ (e) The court may not issue an order for outpatient competency restoration unless the department certifies that there is an available appropriate outpatient competency restoration program that has adequate space for the person at the time the order is issued or the court places the defendant under the guidance and control of a professional person identified in the court order.

~~((ii))~~ The ninety day period for competency restoration under this subsection (1) includes only the time the defendant is actually at the facility and is in addition to reasonable time for transport to or from the facility.

~~((b))~~ (2) For a defendant whose highest charge is a class C felony, or a class B felony that is not classified as violent under RCW 9.94A.030, the maximum time allowed for the initial competency restoration period ~~((of commitment for competency restoration))~~ is ~~((forty five))~~ 45 days if the defendant is referred for inpatient competency restoration, or 90 days if the defendant is referred for outpatient competency restoration, provided that if the outpatient competency restoration placement is terminated and the defendant is subsequently admitted to an inpatient facility, the period of inpatient treatment during the first competency restoration period under this subsection shall not exceed 45 days. ~~((The forty five day period includes only the time the defendant is actually at the facility and is in addition to reasonable time for transport to or from the facility.~~

~~((e))~~ (3) If the court determines or the parties agree before the initial competency restoration period or at any subsequent stage of the proceedings that the defendant is unlikely to regain competency, the court may dismiss the charges without prejudice without ordering the defendant to undergo an initial or further period of competency restoration treatment, in which case the court shall order that the defendant be referred for evaluation for civil commitment in the manner provided in subsection ~~((4))~~ (5) of this section.

~~((2))~~ (4) On or before expiration of the initial competency restoration period ~~((of commitment under subsection (1) of this section))~~ the court shall conduct a hearing ~~((, at which it shall))~~ to determine whether ~~((or not))~~ the defendant is ~~((incompetent. (3))~~ now competent to stand trial. If the court finds by a preponderance of the evidence that ~~((a))~~ the defendant (charged with a felony) is incompetent to stand trial, the court ~~((shall have the option of extending the))~~ may order (of commitment or alternative treatment) an extension of the competency restoration period for an additional period of ~~((ninety))~~ 90 days, but the court must at the same time ~~((of extension))~~ set a date for a ~~((prompt))~~ new hearing to determine the defendant's competency to stand trial before the expiration of ~~((the))~~ this second restoration period. The defendant, the defendant's attorney, ~~((or))~~ and the prosecutor ~~((has))~~ have the right to demand that the hearing be before a jury. No extension shall be ordered for a second or third competency restoration period ~~((as provided in subsection (4) of this section))~~ if the defendant's incompetence has been determined by the secretary to be solely the result of a developmental disability which is such that competence is not reasonably likely to be regained during an extension. ~~((The ninety day period includes~~

~~only the time the defendant is actually at the facility and is in addition to reasonable time for transport to or from the facility.~~

~~(4) For persons charged with a felony, at)~~

(5) At the hearing upon the expiration of the second competency restoration period, or at the end of the first competency restoration period ~~((in the case of a))~~ if the defendant (with a developmental disability) is ineligible for a second or third competency restoration period under subsection (4) of this section, if the jury or court finds that the defendant is incompetent ~~((, or if the court or jury at any stage finds that the defendant is incompetent and the court determines that the defendant is unlikely to regain competency, the charges shall be dismissed))~~ to stand trial, the court shall dismiss the charges without prejudice ~~((;))~~ and ~~((the court shall))~~ order the defendant to be committed to a state hospital ~~((as defined in RCW 72.23.010))~~ for up to ~~((seventy two))~~ 120 hours if the defendant has not undergone competency restoration services or has engaged in outpatient competency restoration services and up to 72 hours if the defendant engaged in inpatient competency restoration services starting from admission to the facility, excluding Saturdays, Sundays, and holidays, for evaluation for the purpose of filing a civil commitment petition under chapter 71.05 RCW. ~~((The criminal charges))~~ However, the court shall not (be dismissed) dismiss the charges if the court or jury finds that: (a) The defendant (i) is a substantial danger to other persons; or (ii) presents a substantial likelihood of committing criminal acts jeopardizing public safety or security; and (b) there is a substantial probability that the defendant will regain competency within a reasonable period of time. ~~((In the event that))~~ If the court or jury makes such a finding, the court may extend the period of commitment for up to an additional six months. ~~((The six month))~~

(6) Any period of competency restoration treatment under this section includes only the time the defendant is actually at the facility or is actively participating in an outpatient competency restoration program and is in addition to reasonable time for transport to or from the facility.

Sec. 5. RCW 10.77.088 and 2020 c 18 s 4 are each amended to read as follows:

(1) If the defendant is charged with a nonfelony crime which is a serious offense as identified in RCW 10.77.092 and found by the court to be not competent, then the court:

(a) Shall dismiss the proceedings without prejudice and detain the defendant for sufficient time to allow the designated crisis responder to evaluate the defendant and consider initial detention proceedings under chapter 71.05 RCW, unless the prosecutor objects to the dismissal and provides notice of a motion for an order for competency restoration treatment, in which case the court shall schedule a hearing within seven days ~~((to determine whether to enter an order of competency restoration))~~.

(b) At the hearing, the prosecuting attorney must establish that there is a compelling state interest to order competency restoration treatment for the defendant. The court may consider prior criminal history, prior history in treatment, prior history of violence, the quality and severity of the pending charges, any history that suggests whether ~~((or not))~~ competency restoration treatment is likely to be successful, in addition to the factors listed under RCW 10.77.092. If the prosecuting attorney proves by a preponderance of the evidence that there is a compelling state interest in ordering competency restoration treatment, then the court shall issue an order (competency restoration) in accordance with subsection (2) ~~((a))~~ of this section.

~~(2) ((a))~~ If a court finds pursuant to subsection (1)(b) of this section that there is a compelling state interest in pursuing competency restoration treatment, ~~((then))~~ the court shall commit the defendant to the custody of the secretary for inpatient

competency restoration ~~(-Based)~~, or may alternatively order the defendant to receive outpatient competency restoration based on a recommendation from a forensic navigator and input from the parties ~~(, the court may order the defendant to receive inpatient competency restoration or outpatient competency restoration)~~.

~~((+))~~ (a) To be eligible for an order for outpatient competency restoration, a defendant must be clinically appropriate and be willing to:

~~((A))~~ (i) Adhere to medications or receive prescribed intramuscular medication; ~~(and~~

~~(B))~~ (ii) Abstain from alcohol and unprescribed drugs; and

~~(iii)~~ (iii) Comply with urinalysis or breathalyzer monitoring if needed.

~~((+))~~ (b) If the court orders inpatient competency restoration, the department shall place the defendant in an appropriate facility of the department for competency restoration under ~~((b))~~ subsection (3) of this ~~((subsection))~~ section.

~~((+))~~ (c) If the court orders outpatient competency restoration, the court shall modify conditions of release as needed to authorize the department to place the person in approved housing, which may include access to supported housing, affiliated with a contracted outpatient competency restoration program. The department, in conjunction with the health care authority, must establish rules for conditions of participation in the outpatient competency restoration program, which must include the defendant being subject to medication management ~~(and)~~. The court may order regular urinalysis testing (for defendants who have a current substance use disorder diagnosis). The outpatient competency restoration program shall monitor the defendant during the defendant's placement in the program and report any noncompliance or significant changes with respect to the defendant to the department and, if applicable, the forensic navigator.

~~((+))~~ (d) If a defendant fails to comply with the restrictions of the outpatient competency restoration program such that restoration is no longer appropriate in that setting or the defendant is no longer clinically appropriate for outpatient competency restoration, the ~~((department shall remove the defendant from the outpatient restoration program. The department shall place the defendant instead))~~ director of the outpatient competency restoration program shall notify the authority and the department of the need to terminate the outpatient competency restoration placement and intent to request placement for the defendant in an appropriate facility of the department for inpatient competency restoration (for no longer than twenty-nine days regardless of any time spent in outpatient competency restoration, in addition to reasonable time for transport to or from the facility). The outpatient competency restoration program shall coordinate with the authority, the department, and any law enforcement personnel under (d)(i) of this subsection to ensure that the time period between termination and admission into the inpatient facility is as minimal as possible. The time period for inpatient competency restoration shall be reduced by the time period spent in active treatment within the outpatient competency restoration program, excluding time periods in which the defendant was absent from the program and all time from notice of termination of the outpatient competency restoration period through the defendant's admission to the facility. The department shall obtain a placement for the defendant within seven days of the notice of intent to terminate the outpatient competency restoration placement.

(i) The department may authorize a peace officer to detain the defendant into emergency custody for transport to the designated inpatient competency restoration facility. If medical clearance is required by the designated competency restoration facility before admission, the peace officer must transport the defendant to a crisis stabilization unit, evaluation and treatment facility,

emergency department of a local hospital, or triage facility for medical clearance once a bed is available at the designated inpatient competency restoration facility. The signed outpatient competency restoration order of the court shall serve as authority for the detention of the defendant under this subsection. This subsection does not preclude voluntary transportation of the defendant to a facility for inpatient competency restoration or for medical clearance, or authorize admission of the defendant into jail.

(ii) The department shall notify the court and parties of the (change in placement) defendant's admission for inpatient competency restoration before the close of the next judicial day. The court shall schedule a hearing within five days to review the (placement and) conditions of release of the defendant and anticipated release from treatment and issue appropriate orders. (The standard of proof shall be a preponderance of the evidence, and the court may in its discretion render its decision based on written submissions, live testimony, or remote testimony.

~~((+))~~ (e) The court may not issue an order for outpatient competency restoration unless the department certifies that there is an available appropriate outpatient restoration program that has adequate space for the person at the time the order is issued or the court places the defendant under the guidance and control of a professional person identified in the court order.

~~((b))~~ (3) The placement under ((+)) subsection (2) of this ((subsection)) section shall not exceed ((twenty-nine)) 29 days if the defendant is ordered to receive inpatient competency restoration, ((or)) and shall not exceed ((ninety)) 90 days if the defendant is ordered to receive outpatient competency restoration. The court may order any combination of this subsection (, not to exceed ninety days. This period must be considered to include only the time the defendant is actually at the facility and shall be in addition to reasonable time for transport to or from the facility), but the total period of inpatient competency restoration may not exceed 29 days.

~~((e))~~ (4) If the court has determined or the parties agree that the defendant is unlikely to regain competency, the court may dismiss the charges without prejudice without ordering the defendant to undergo competency restoration treatment, in which case the court shall order that the defendant be referred for evaluation for civil commitment in the manner provided in ((+)) subsection (5) of this ((subsection)) section.

~~((+))~~ (5)(a) If the proceedings are dismissed under RCW 10.77.084 and the defendant was on conditional release at the time of dismissal, the court shall order the designated crisis responder within that county to evaluate the defendant pursuant to chapter 71.05 RCW. The evaluation may be conducted in any location chosen by the professional.

~~((+))~~ (b) If the defendant was in custody and not on conditional release at the time of dismissal, the defendant shall be detained and sent to an evaluation and treatment facility for up to ((seventy-two)) 120 hours if the defendant has not undergone competency restoration services or has engaged in outpatient competency restoration services and up to 72 hours if the defendant engaged in inpatient competency restoration services, excluding Saturdays, Sundays, and holidays, for evaluation for purposes of filing a petition under chapter 71.05 RCW. The ((seventy-two)) 120-hour or 72-hour period shall commence upon the next nonholiday weekday following the court order and shall run to the end of the last nonholiday weekday within the ((seventy-two)) 120-hour or 72-hour period.

~~((3))~~ (6) If the defendant is charged with a nonfelony crime that is not a serious offense as defined in RCW 10.77.092 and found by the court to be not competent, the court may stay or dismiss proceedings and detain the defendant for sufficient time to allow the designated crisis responder to evaluate the defendant

and consider initial detention proceedings under chapter 71.05 RCW. The court must give notice to all parties at least (~~twenty-four~~) 24 hours before the dismissal of any proceeding under this subsection, and provide an opportunity for a hearing on whether to dismiss the proceedings.

~~((4))~~ (7) If at any time the court dismisses charges under subsections (1) through ~~((3))~~ (6) of this section, the court shall make a finding as to whether the defendant has a history of one or more violent acts. If the court so finds, the defendant is barred from the possession of firearms until a court restores his or her right to possess a firearm under RCW 9.41.047. The court shall state to the defendant and provide written notice that the defendant is barred from the possession of firearms and that the prohibition remains in effect until a court restores his or her right to possess a firearm under RCW 9.41.047.

(8) Any period of competency restoration treatment under this section includes only the time the defendant is actually at the facility or is actively participating in an outpatient competency restoration program and is in addition to reasonable time for transport to or from the facility.

Sec. 6. RCW 10.77.250 and 1987 c 75 s 1 are each amended to read as follows:

Reimbursement may be obtained by the department pursuant to RCW 43.20B.330.

(2) Within amounts appropriated, the authority shall be responsible for all costs relating to outpatient competency restoration programs.

NEW SECTION. Sec. 8. A new section is added to chapter 10.77 RCW to read as follows:

MR. PRESIDENT:

The House passed SECOND SUBSTITUTE SENATE BILL NO. 5695 with the following amendment(s): 5695-S2 AMH APP H2939.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. This act may be known and cited as the drug free prisons act.

NEW SECTION. Sec. 2. The legislature recognizes that the department of corrections is responsible for enhancing public safety through the operation of safe and secure facilities. The legislature recognizes that safe and secure facilities improve safety and well-being for those experiencing incarceration, departmental employees, visitors, and volunteers. The legislature recognizes that one of the greatest risks to operating safe and secure facilities is the introduction and movement of contraband, including but not limited to alcohol and drugs. The legislature recognizes that undiagnosed, untreated, or unaddressed substance use disorder can lead to increased rates of recidivism. Therefore, the legislature intends to protect human dignity by reducing or eliminating strip searches, and to increase public safety by reducing access to drugs and alcohol in correctional facilities and to increase substance use disorder diagnosis, treatment, and services.

NEW SECTION. Sec. 3. A new section is added to chapter 72.09 RCW to read as follows:

(1)(a) The department shall establish a comprehensive body scanner program at the Washington corrections center for women

and at a state correctional facility serving male incarcerated individuals as part of an expanded pilot program to create drug-free state correctional facilities. The scanner must be capable of detecting the presence of contraband contained under clothing and within body cavities, and must meet applicable federal and state radiation and safety standards.

(b) The department shall develop policies and procedures necessary to establish a comprehensive body scanner program that shall be utilized to conduct security screenings for employees, contractors, visitors, volunteers, incarcerated individuals, and other persons entering the secure perimeter of the correctional facility participating in the pilot program under this section. Alternative search methods shall be used for persons who are minors, individuals who are health compromised, individuals with disabilities, individuals who may be pregnant, and individuals who may meet the maximum allowable monthly or annual radiation dosage limit specified by the department of health.

(2) The department shall provide appropriate custody and nursing staff levels for body scanners installed at a state correctional facility under this section. Staffing must be adequate to provide for subsequent searches and dry cell watches if a body scan indicates the presence of contraband.

(a) An incarcerated individual with a body scan indicating the presence of substance-related contraband shall undergo, if appropriate, a comprehensive assessment for substance use disorder and receive relevant substance use disorder treatment services, including medication-assisted treatment. The department shall prioritize substance use disorder treatment services for incarcerated individuals with cognitive, behavioral, and physiological symptoms indicating the incarcerated individual is experiencing a substance use disorder. The department shall distinguish between incarcerated individuals who have symptoms indicating a substance use disorder and incarcerated individuals who transport substances for other individuals and do not have symptoms indicating a substance use disorder.

(b) A department employee, contractor, visitor, or volunteer with a body scan indicating the presence of contraband shall be disciplined in accordance with department policies.

(3) The department shall provide appropriate radiation safety and body scanner operation training to all staff who will administer the body scan. Only staff who have completed all related trainings may be permitted to operate the body scanner and review body scans. The department shall develop policies, in consultation and collaboration with the department of health, on scanner use and screening procedures, including frequency and radiation exposure limits, to minimize harmful radiation exposure while safely and effectively utilizing the full body scanners to create drug-free correctional facilities. The department shall develop a method to track and maintain records on the frequency of body scans conducted on any individual subject to the comprehensive body scanner program to comply with any maximum allowable monthly and annual radiation dosage limits that may be set by the department of health.

(4) The secretary shall adopt any rules and policies necessary to implement the requirements of this section.

(5) By December 1st each year, and in compliance with RCW 43.01.036, the department shall submit a report to the governor and the legislature on:

(a) The number and types of individuals, including visitors, employees, contractors, and volunteers, with positive body scans in the prior year and the disciplinary action taken;

(b) The types of contraband detected by the body scanner;

(c) The number of confiscated substances in the prior five years;

FIFTY SEVENTH DAY, MARCH 7, 2022

2022 REGULAR SESSION

(d) The number of incarcerated individuals with positive body scans for substance-related contraband in the prior year who were assessed for substance use disorder and received substance use disorder treatment services while incarcerated; and

(e) The number and length of time incarcerated individuals with positive body scans were placed on dry cell watch in the prior year.

(6) For the purposes of this section:

(a) "Contraband" has the meaning as in RCW 9A.76.010;

(b) "Dry cell watch" means the placement of an incarcerated person in a secure room or cell for the safe recovery of internally concealed contraband; and

(c) "Substance use disorder treatment services" means services licensed by the department of health or provided as part of a substance use disorder treatment program that has been approved by the department of health.

(7) This section expires June 30, 2024.

MR. PRESIDENT:

The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5702 with the following amendment(s): 5702-S2.E AMH HCW H2824.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 48.43 RCW to read as follows:

(1) For group health plans other than small group health plans issued or renewed on or after January 1, 2023, a health carrier shall provide coverage for medically necessary donor human milk for inpatient use when ordered by a licensed health care provider with prescriptive authority or an international board certified lactation consultant certified by the international board of lactation consultant examiners for an infant who is medically or physically unable to receive maternal human milk or participate in chest feeding or whose parent is medically or physically unable to produce maternal human milk in sufficient quantities or caloric density or participate in chest feeding, if the infant meets at least one of the following criteria:

(a) An infant birth weight of below 2,500 grams;

(b) An infant gestational age equal to or less than 34 weeks;

(c) Infant hypoglycemia;

(d) A high risk for development of necrotizing enterocolitis, bronchopulmonary dysplasia, or retinopathy of prematurity;

(e) A congenital or acquired gastrointestinal condition with long-term feeding or malabsorption complications;

(f) Congenital heart disease requiring surgery in the first year of life;

(g) An organ or bone marrow transplant;

(h) Sepsis;

(i) Congenital hypotonias associated with feeding difficulty or malabsorption;

(j) Renal disease requiring dialysis in the first year of life;

(k) Craniofacial anomalies;

(l) An immunologic deficiency;

(m) Neonatal abstinence syndrome;

(n) Any other serious congenital or acquired condition for which the use of pasteurized donor human milk and donor human milk derived products is medically necessary and supports the treatment and recovery of the child; or

(o) Any baby still inpatient within 72 hours of birth without sufficient human milk available.

(2) Donor human milk covered under this section must be obtained from a milk bank that meets minimum standards adopted by the department of health pursuant to section 5 of this act.

(3) For purposes of this section:

(a) "Donor human milk" means human milk that has been contributed to a milk bank by one or more donors.

(b) "Milk bank" means an organization that engages in the procurement, processing, storage, distribution, or use of human milk contributed by donors.

(4) The commissioner may adopt any rules necessary to implement this section.

Sec. 2. RCW 48.43.715 and 2019 c 33 s 9 are each amended to read as follows:

(1) The commissioner, in consultation with the board and the health care authority, shall, by rule, select the largest small group plan in the state by enrollment as the benchmark plan for the individual and small group market for purposes of establishing the essential health benefits in Washington state.

(2) If the essential health benefits benchmark plan for the individual and small group market does not include all of the ten essential health benefits categories, the commissioner, in

consultation with the board and the health care authority, shall, by rule, supplement the benchmark plan benefits as needed.

(3) All individual and small group health plans must cover the ten essential health benefits categories, other than a health plan offered through the federal basic health program, a grandfathered health plan, or Medicaid. Such a health plan may not be offered in the state unless the commissioner finds that it is substantially equal to the benchmark plan. When making this determination, the commissioner:

(a) Must ensure that the plan covers the ten essential health benefits categories;

(c) Notwithstanding (a) and (b) of this subsection, for benefit years beginning January 1, 2015, must establish by rule the review and approval requirements and procedures for pediatric oral services when offered in stand-alone dental plans in the nongrandfathered individual and small group markets outside of the exchange; and

(d) Must allow health carriers to also offer pediatric oral services within the health benefit plan in the nongrandfathered individual and small group markets outside of the exchange.

(4) Beginning December 15, 2012, and every year thereafter, the commissioner shall submit to the legislature a list of state-mandated health benefits, the enforcement of which will result in federally imposed costs to the state related to the plans sold through the exchange because the benefits are not included in the essential health benefits designated under federal law. The list must include the anticipated costs to the state of each state-mandated health benefit on the list and any statutory changes needed if funds are not appropriated to defray the state costs for the listed mandate. The commissioner may enforce a mandate on the list for the entire market only if funds are appropriated in an omnibus appropriations act specifically to pay the state portion of the identified costs.

(5) Upon authorization by the legislature to modify the state's essential health benefits benchmark plan under 45 C.F.R. Sec. 156.111, the commissioner shall include coverage for donor human milk in the updated plan.

Sec. 3. RCW 41.05.017 and 2021 c 280 s 2 are each amended to read as follows:

(b) "Milk bank" means an organization that engages in the procurement, processing, storage, distribution, or use of human milk contributed by donors.

NEW SECTION. Sec. 5. A new section is added to chapter 43.70 RCW to read as follows:

MESSAGE FROM THE HOUSE

March 2, 2022

MR. PRESIDENT:

The House passed SENATE BILL NO. 5713 with the following amendment(s): 5713 AMH FIN H2851.2

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) This section is the tax preference performance statement for the tax preference contained in section 2, chapter . . ., Laws of 2022 (section 2 of this act). This performance statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes this tax preference as one intended to provide tax relief for certain businesses or individuals, as indicated in RCW 82.32.808(2)(e).

(3) It is the legislature's specific public policy objective to financially incentivize the formation and utilization of limited equity cooperatives, and to increase the availability of housing available to low-income households. It is the legislature's intent to exempt from taxation any real property owned by a limited equity cooperative when a majority of the property is used and occupied by low-income households.

(4)(a) To measure the effectiveness of the tax preference provided in section 2 of this act in achieving the specific public policy objectives described in subsection (3) of this section, the joint legislative audit and review committee must evaluate, two

years prior to the expiration of the tax preference: (i) Growth in the formation and utilization of limited equity cooperatives; (ii) growth in available units of affordable housing within limited equity cooperatives; and (iii) any other metric the joint legislative audit and review committee determines is relevant to measuring success of this exemption.

(b) If the review by the joint legislative audit and review committee finds that growth in the formation and utilization of limited equity cooperatives or growth in available units of affordable housing within limited equity cooperatives has occurred, then the legislature intends to extend the expiration date of the tax preference.

(5) In order to obtain the data necessary to perform the review in subsection (4) of this section, the joint legislative audit and review committee may refer to:

(a) Initial applications for the preference as approved by the department of revenue under RCW 84.36.815;

(b) Annual financial statements for a limited equity cooperative claiming this tax preference; and

(c) Any other data necessary for the evaluation under subsection (4) of this section.

(vi) The Washington state housing finance commission.

(2) If less than 100 percent of the dwelling units within the limited equity cooperative is occupied by low-income households, the limited equity cooperative is eligible for a partial exemption on the real property. The amount of exemption must be calculated by multiplying the assessed value of the property owned by the limited equity cooperative by a fraction. The numerator of the fraction is the number of dwelling units occupied by low-income households as of January 1st of each assessment year for which the exemption is claimed, and the denominator of the fraction is the total number of dwelling units as of such date.

(3) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Cooperative" has the meaning provided in RCW 64.90.010.

(b)(i) "Limited equity cooperative" means a cooperative subject to the Washington uniform common interest ownership act under chapter 64.90 RCW that owns the real property for which an exemption is sought under this section and for which, following the completion of the development or redevelopment of such real property:

(a) The applicant or recipient must file the application for an adjudicative proceeding with the secretary within ~~((ninety))~~ 90 days after receiving notice of the aggrieving decision unless good cause is shown, to the extent allowable under federal law.

The burden is on the department to prove by a preponderance of the evidence that the person knowingly and willingly assigned or transferred the resource at less than market value for the purpose of qualifying or continuing to qualify for medical assistance or the limited casualty program for the medically needy. If the prevailing party in the adjudicative proceeding is the applicant or recipient, he or she is entitled to reasonable attorney's fees.

The presiding officer may sever the proceeding into multiple proceedings on the motion of any of the parties, when:

(i) All parties consent to the severance; or

(ii) Either party requests severance without another party's consent, and the presiding officer finds there is good cause for severing the matter and that the proposed severance is not likely to prejudice the rights of an appellant who is a party to any of the severed proceedings.

(b) If there are multiple adjudicative proceedings involving common issues or parties where there is one appellant and both the authority and the department are parties, upon motion of any party or upon his or her own motion, the presiding officer may consolidate the proceedings if he or she finds that the consolidation is not likely to prejudice the rights of the appellant who is a party to any of the consolidated proceedings.

(6) If the director requires that a party seek administrative review of an initial order to an adjudicative proceeding governed by this section, in order for the party to exhaust administrative remedies pursuant to RCW 34.05.534, the director shall adopt and implement rules in accordance with this subsection.

(a) The director, in consultation with the secretary, shall adopt rules to create a process for parties to seek administrative review of initial orders issued pursuant to RCW 34.05.461 in adjudicative proceedings governed by this subsection when multiple agencies are parties.

(b) This process shall seek to minimize any procedural complexities imposed on appellants that result from multiple agencies being parties to the matter, without prejudicing the rights of parties who are public assistance applicants or recipients.

(c) Nothing in this subsection shall impose or modify any legal requirement that a party seek administrative review of initial orders in order to exhaust administrative remedies pursuant to RCW 34.05.534.

(7) This subsection only applies to an adjudicative proceeding in which the appellant is an applicant for or recipient of medical services programs established under this chapter and the issue is his or her eligibility or ineligibility due to the assignment or transfer of a resource. (8) When an applicant or recipient files a petition for judicial review as provided in RCW 34.05.514 of an adjudicative order entered with respect to the medical services program, no filing fee may be collected from the person and no bond may be required on any appeal. In the event that the superior court, the court of appeals, or the supreme court renders a decision in favor of the applicant or recipient, the person is entitled to reasonable attorneys' fees and costs. If a decision of the court is made in favor of an applicant, assistance shall be paid from the date of earliest eligibility, the date of the denial of the application for assistance, or ~~((forty five))~~ 45 days following the date of application, whichever is soonest. If a decision of the court is made in favor of a recipient, assistance shall be paid from the effective date of the authority's decision.

MESSAGE FROM THE HOUSE

March 3, 2022

MR. PRESIDENT:

The House passed SENATE BILL NO. 5788 with the following amendment(s): 5788 AMH CRJ H2849.1

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 11.130.225 and 2020 c 312 s 108 are each amended to read as follows:

(1) On its own, on motion when a guardianship petition is filed under RCW 11.130.190, or on petition by a person interested in a minor's welfare, including the minor, the court may appoint an emergency guardian for the minor if the court finds:

(a) Appointment of an emergency guardian is likely to prevent substantial harm to the minor's health, safety, or welfare; and

(b) No other person appears to have authority, ability, and the willingness to act ((in the circumstances)) to prevent substantial harm to the minor's health, safety, or welfare.

(2) The duration of authority of an emergency guardian for a minor may not exceed sixty days and the emergency guardian may exercise only the powers specified in the order of appointment. The emergency guardian's authority may be extended once for not more than sixty days if the court finds that the conditions for appointment of an emergency guardian in subsection (1) of this section continue.

(3) Except as otherwise provided in subsection (4) of this section, reasonable notice of the date, time, and place of a hearing on a motion for or a petition for appointment of an emergency guardian for a minor must be given to:

(a) The minor, if the minor is twelve years of age or older;

(b) Any attorney appointed under RCW 11.130.200;

(c) Each parent of the minor;

(d) Any person, other than a parent, having care or custody of the minor; and

(e) Any other person the court determines.

(4) The court may appoint an emergency guardian for a minor without notice under subsection (3) of this section and a hearing only if the court finds from an affidavit or testimony that the minor's health, safety, or welfare will be substantially harmed before a hearing with notice on the appointment can be held. If the court appoints an emergency guardian without notice to an unrepresented minor or the attorney for a represented minor, notice of the appointment must be given not later than forty-eight hours after the appointment to the individuals listed in subsection (3) of this section. Not later than five days after the appointment, the court shall hold a hearing on the appropriateness of the appointment.

(5) Appointment of an emergency guardian under this section, with or without notice, is not a determination that a basis exists for appointment of a guardian under RCW 11.130.185.

(6) The court may remove an emergency guardian appointed under this section at any time. The emergency guardian shall make any report the court requires.

FIFTY SEVENTH DAY, MARCH 7, 2022

(7) Notwithstanding subsection (2) of this section, the court may extend an emergency guardianship pending the outcome of a full hearing under RCW 11.130.190 or 11.130.220.

(8) If a petition for guardianship under RCW 11.130.215 is pending, or is subsequently filed after a petition under this section, the cases shall be linked or consolidated.

Sec. 2. RCW 13.04.030 and 2020 c 41 s 4 are each amended to read as follows:

(1) Except as provided in this section, the juvenile courts in this state shall have exclusive original jurisdiction over all proceedings:

(a) Under the interstate compact on placement of children as provided in chapter 26.34 RCW;

(b) Relating to children alleged or found to be dependent as provided in chapter 26.44 RCW and in RCW 13.34.030 through 13.34.161;

(c) Relating to the termination of a parent and child relationship as provided in RCW 13.34.180 through 13.34.210;

(d) To approve or disapprove out-of-home placement as provided in RCW 13.32A.170;

(e) Relating to juveniles alleged or found to have committed offenses, traffic or civil infractions, or violations as provided in RCW 13.40.020 through 13.40.230, unless:

(i) The juvenile court transfers jurisdiction of a particular juvenile to adult criminal court pursuant to RCW 13.40.110;

(ii) The statute of limitations applicable to adult prosecution for the offense, traffic or civil infraction, or violation has expired;

(iii) The alleged offense or infraction is a traffic, fish, boating, or game offense, or traffic or civil infraction committed by a juvenile sixteen years of age or older and would, if committed by an adult, be tried or heard in a court of limited jurisdiction, in which instance the appropriate court of limited jurisdiction shall have jurisdiction over the alleged offense or infraction, and no guardian ad litem is required in any such proceeding due to the juvenile's age. If such an alleged offense or infraction and an alleged offense or infraction subject to juvenile court jurisdiction arise out of the same event or incident, the juvenile court may have jurisdiction of both matters. The jurisdiction under this subsection does not constitute "transfer" or a "decline" for purposes of RCW 13.40.110 (1) or (2) or (e)(i) of this subsection. Courts of limited jurisdiction which confine juveniles for an alleged offense or infraction may place juveniles in juvenile detention facilities under an agreement with the officials responsible for the administration of the juvenile detention facility in RCW 13.04.035 and 13.20.060;

(iv) The alleged offense is a traffic or civil infraction, a violation of compulsory school attendance provisions under chapter 28A.225 RCW, or a misdemeanor, and a court of limited jurisdiction has assumed concurrent jurisdiction over those offenses as provided in RCW 13.04.0301; or

(v) The juvenile is sixteen or seventeen years old on the date the alleged offense is committed and the alleged offense is:

(A) A serious violent offense as defined in RCW 9.94A.030;

(B) A violent offense as defined in RCW 9.94A.030 and the juvenile has a criminal history consisting of: One or more prior serious violent offenses; two or more prior violent offenses; or three or more of any combination of the following offenses: Any class A felony, any class B felony, vehicular assault, or manslaughter in the second degree, all of which must have been committed after the juvenile's thirteenth birthday and prosecuted separately; or

(C) Rape of a child in the first degree.

(I) In such a case the adult criminal court shall have exclusive original jurisdiction, except as provided in (e)(v)(C)(II) and (III) of this subsection.

(II) The juvenile court shall have exclusive jurisdiction over the disposition of any remaining charges in any case in which the juvenile is found not guilty in the adult criminal court of the charge or charges for which he or she was transferred, or is convicted in the adult criminal court of an offense that is not also an offense listed in (e)(v) of this subsection. The juvenile court shall maintain residual juvenile court jurisdiction up to age twenty-five if the juvenile has turned eighteen years of age during the adult criminal court proceedings but only for the purpose of returning a case to juvenile court for disposition pursuant to RCW 13.40.300(3)(d).

(III) The prosecutor and respondent may agree to juvenile court jurisdiction and waive application of exclusive adult criminal jurisdiction in (e)(v)(A) through (C) of this subsection and remove the proceeding back to juvenile court with the court's approval.

If the juvenile challenges the state's determination of the juvenile's criminal history under (e)(v) of this subsection, the state may establish the offender's criminal history by a preponderance of the evidence. If the criminal history consists of adjudications entered upon a plea of guilty, the state shall not bear a burden of establishing the knowing and voluntariness of the plea;

(f) Under the interstate compact on juveniles as provided in chapter 13.24 RCW;

(g) Relating to termination of a diversion agreement under RCW 13.40.080, including a proceeding in which the divertee has attained eighteen years of age;

(h) Relating to court validation of a voluntary consent to an out-of-home placement under chapter 13.34 RCW, by the parent or Indian custodian of an Indian child, except if the parent or Indian custodian and child are residents of or domiciled within the boundaries of a federally recognized Indian reservation over which the tribe exercises exclusive jurisdiction; and

(i) Relating to petitions to compel disclosure of information filed by the department of social and health services pursuant to RCW 74.13.042.

(2) The family court shall have concurrent original jurisdiction with the juvenile court over all proceedings under this section if the superior court judges of a county authorize concurrent jurisdiction as provided in RCW 26.12.010.

(3) The juvenile court shall have concurrent original jurisdiction with the family or probate court over ~~((child custody))~~ minor guardianship proceedings under chapter ~~((26-10))~~ 11.130 RCW and parenting plans or residential schedules under chapter 26.09, 26.26A, or 26.26B RCW as provided for in RCW 13.34.155.

(4) A juvenile subject to adult superior court jurisdiction under subsection (1)(e)(i) through (v) of this section, who is detained pending trial, may be detained in a detention facility as defined in RCW 13.40.020 pending sentencing or a dismissal.

Sec. 3. RCW 26.12.172 and 2008 c 6 s 1046 are each amended to read as follows:

Any court rules adopted for the implementation of parenting seminars shall include the following provisions:

(1) In no case shall opposing parties be required to attend seminars together;

(2) Upon a showing of domestic violence or abuse which would not require mutual decision making pursuant to RCW 26.09.191, or that a parent's attendance at the seminar is not in the children's best interests, the court shall either:

(a) Waive the requirement of completion of the seminar; or

(b) Provide an alternative, voluntary parenting seminar for battered spouses or battered domestic partners; and

(3) The court may waive the seminar for good cause.

(4) Cases filed as a minor guardianship under chapter 11.130 RCW are exempt from requirements of parenting seminar attendance.

Sec. 4. RCW 26.23.050 and 2021 c 35 s 14 are each amended to read as follows:

(1) If the division of child support is providing support enforcement services under RCW 26.23.045, or if a party is applying for support enforcement services by signing the application form on the bottom of the support order, the superior court shall include in all court orders that establish or modify a support obligation:

(a) A provision that orders and directs the person required to pay support to make all support payments to the Washington state support registry;

(b) A statement that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the person required to pay support at any time after entry of the court order, unless:

(i) One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding and that withholding should be delayed until a payment is past due; or

(ii) The parties reach a written agreement that is approved by the court that provides for an alternate arrangement;

(c) A statement that the payee under the order or the person entitled to receive support might be required to submit an accounting of how the support, including any cash medical support, is being spent to benefit the child;

(d) A statement that a party to the support order who is required to provide health care coverage for the child or children covered by the order must notify the division of child support and the other party to the support order when the coverage terminates;

(e) A statement that any privilege of the person required to pay support to obtain and maintain a license, as defined in RCW 74.20A.320, may not be renewed, or may be suspended if the person is not in compliance with a support order as provided in RCW 74.20A.320; and

(f) A statement that the support obligation under the order may be abated as provided in RCW 26.09.320 if the person required to pay support is confined in a jail, prison, or correctional facility for at least six months, or is serving a sentence greater than six months in a jail, prison, or correctional facility.

As used in this subsection and subsection (3) of this section, "good cause not to require immediate income withholding" means a written determination of why implementing immediate wage withholding would not be in the child's best interests and, in modification cases, proof of timely payment of previously ordered support.

(2) In all other cases not under subsection (1) of this section, the court may order the person required to pay support to make payments directly to the person entitled to receive the payments, to the Washington state support registry, or may order that payments be made in accordance with an alternate arrangement agreed upon by the parties.

(a) The superior court shall include in all orders under this subsection that establish or modify a support obligation:

(i) A statement that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the person required to pay support at any time after entry of the court order, unless:

(A) One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding and that withholding should be delayed until a payment is past due; or

(B) The parties reach a written agreement that is approved by the court that provides for an alternate arrangement;

(ii) A statement that the payee under the order or the person entitled to receive support may be required to submit an accounting of how the support is being spent to benefit the child;

(iii) A statement that any party to the order required to provide health care coverage for the child or children covered by the order must notify the division of child support and the other party to the order when the coverage terminates; and

(iv) A statement that a party to the order seeking to enforce the other party's obligation to provide health care coverage may:

(A) File a motion in the underlying superior court action; or

(B) If there is not already an underlying superior court action, initiate an action in the superior court.

As used in this subsection, "good cause not to require immediate income withholding" is any reason that the court finds appropriate.

(b) The superior court may order immediate or delayed income withholding as follows:

(i) Immediate income withholding may be ordered if the person required to pay support has earnings. If immediate income withholding is ordered under this subsection, all support payments shall be paid to the Washington state support registry. The superior court shall issue a mandatory wage assignment order as set forth in chapter 26.18 RCW when the support order is signed by the court. The payee under the order or the person entitled to receive the transfer payment is responsible for serving the employer with the order and for its enforcement as set forth in chapter 26.18 RCW.

(ii) If immediate income withholding is not ordered, the court shall require that income withholding be delayed until a payment is past due. The support order shall contain a statement that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the person required to pay support, after a payment is past due.

(c) If a mandatory income withholding order under chapter 26.18 RCW is issued under this subsection and the division of child support provides support enforcement services under RCW 26.23.045, the existing wage withholding assignment is prospectively superseded upon the division of child support's subsequent service of an income withholding order.

(3) The office of administrative hearings and the department of social and health services shall require that all support obligations established as administrative orders include a provision which orders and directs that the person required to pay support shall make all support payments to the Washington state support registry. All administrative orders shall also state that any privilege of the person required to pay support to obtain and maintain a license, as defined in RCW 74.20A.320, may not be renewed, or may be suspended if the person is not in compliance with a support order as provided in RCW 74.20A.320. All administrative orders shall also state that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state without further notice to the person required to pay support at any time after entry of the order, unless:

(a) One of the parties demonstrates, and the presiding officer finds, that there is good cause not to require immediate income withholding; or

(b) The parties reach a written agreement that is approved by the presiding officer that provides for an alternate agreement.

(4) If the support order does not include the provision ordering and directing that all payments be made to the Washington state

support registry and a statement that withholding action may be taken against wages, earnings, assets, or benefits if a support payment is past due or at any time after the entry of the order, or that licensing privileges of the person required to pay support may not be renewed, or may be suspended, the division of child support may serve a notice on the person stating such requirements and authorizations. Service may be by personal service or any form of mail requiring a return receipt.

(5) Every support order shall state:

(a) The address where the support payment is to be sent;

(b) That withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the person required to pay support at any time after entry of a support order, unless:

(ii) The parties reach a written agreement that is approved by the court that provides for an alternate arrangement;

(c) The income of the parties, if known, or that their income is unknown and the income upon which the support award is based;

(d) The support award as a sum certain amount;

(e) The specific day or date on which the support payment is due;

(f) The names and ages of the dependent children;

(g) A provision requiring both the person required to pay support, and the payee under the order or the person entitled to receive support who is a parent of the child or children covered by the order, to keep the Washington state support registry informed of whether he or she has access to health care coverage at reasonable cost and, if so, the health care coverage information;

(h) That either or both the person required to pay support, and the payee under the order or the person entitled to receive support who is a parent of the child or children covered by the order, shall be obligated to provide medical support for a child or children covered by the order through health care coverage if:

(i) The person obligated to provide medical support provides accessible coverage for the child or children through private or public health care coverage; or

(ii) Coverage that can be extended to cover the child or children is or becomes available to the person obligated to provide medical support through employment or is union-related; or

(iii) In the absence of such coverage, through an additional sum certain amount, as that obligated person's monthly payment toward the premium as provided under RCW 26.09.105;

(i) That a person obligated to provide medical support who is providing health care coverage must notify both the division of child support and the other party to the order when coverage terminates;

(j) That if proof of health care coverage or proof that the coverage is unavailable is not provided within twenty days, the person seeking enforcement or the department may seek direct enforcement of the coverage through the employer or union of the person required to provide medical support without further notice to the person as provided under chapter 26.18 RCW;

(l) That any privilege of the person required to pay support to obtain and maintain a license, as defined in RCW 74.20A.320, may not be renewed, or may be suspended if the person is not in compliance with a support order as provided in RCW 74.20A.320;

(m) That each party to the support order must:

(i) Promptly file with the court and update as necessary the confidential information form required by subsection (7) of this section; and

(ii) Provide the state case registry and update as necessary the information required by subsection (7) of this section; and

(n) That parties to administrative support orders shall provide to the state case registry and update as necessary their residential addresses and the address of the employer of the person required to pay support. The division of child support may adopt rules that govern the collection of parties' current residence and mailing addresses, telephone numbers, dates of birth, social security numbers, the names of the children, social security numbers of the children, dates of birth of the children, driver's license numbers, and the names, addresses, and telephone numbers of the parties' employers to enforce an administrative support order. The division of child support shall not release this information if the division of child support determines that there is reason to believe that release of the information may result in physical or emotional harm to the party or to the child, or a restraining order or protective order is in effect to protect one party from the other party.

(6) After the person required to pay support has been ordered or notified to make payments to the Washington state support registry under this section, that person shall be fully responsible for making all payments to the Washington state support registry and shall be subject to payroll deduction or other income-withholding action. The person required to pay support shall not be entitled to credit against a support obligation for any payments made to a person or agency other than to the Washington state support registry except as provided under RCW 74.20.101. A civil action may be brought by the person required to pay support to recover payments made to persons or agencies who have received and retained support moneys paid contrary to the provisions of this section.

The clerk of the court shall not accept petitions, except in parentage actions initiated by the state, orders of child support, decrees of dissolution, or parentage orders for filing in such actions unless accompanied by the confidential information form or equivalent, or unless the confidential information form or equivalent is already on file with the court clerk. In lieu of or in addition to requiring the parties to complete a separate confidential information form, the clerk may collect the information in electronic form. The clerk of the court shall transmit the confidential information form or its data to the division of child support with a copy of the order of child support or parentage order, and may provide copies of the confidential information form or its data and any related findings, decrees, parenting plans, orders, or other documents to the state administrative agency that administers Title IV-A, IV-D, IV-E, or XIX of the federal social security act. In state initiated parentage actions, the parties adjudicated the parents of the child or children shall complete the confidential information form or equivalent or the state's attorney of record may complete that form to the best of the attorney's knowledge.

(8) The department has rule-making authority to enact rules consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19) as amended by section 7307 of the deficit reduction act of 2005. (i) Information on the reasons that the desired outcome has not occurred;

(ii) The number of months the student has not achieved the desired outcome; and

(iii) The efforts made to ensure the student achieves the desired outcome.

MESSAGE FROM THE HOUSE

March 3, 2022

MR. PRESIDENT:

The House passed SECOND SUBSTITUTE SENATE BILL NO. 5793 with the following amendment(s): 5793-S2 AMH APP H2941.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that equitable public policy discussions should include individuals directly impacted by that policy. In order to do so, the legislature supports removing barriers to that participation. The legislature finds that asking community members with lower financial means to volunteer their time and expertise while state employees and representatives of advocacy organizations receive compensation from their respective agency or organization for their time and experience ultimately hinders full and open public participation. As a result, the legislature finds that removing financial barriers for those individuals fosters increased access to government and enriches public policy discussions and decisions, ultimately leading to more equitable and sustainable policy outcomes.

Sec. 2. RCW 43.03.220 and 2011 1st sp.s. c 21 s 55 and 2011 c 5 s 902 are each reenacted and amended to read as follows:

(1) Any part-time board, commission, council, committee, or other similar group which is established by the executive, legislative, or judicial branch to participate in state government and which functions primarily in an advisory, coordinating, or planning capacity shall be identified as a class one group. Unless otherwise identified in law, all newly formed and existing groups are a class one group.

(2) Absent any other provision of law to the contrary, ~~((no money beyond the customary reimbursement or allowance for expenses may be paid by or through the state to members of class one groups for attendance at meetings of such groups))~~ a stipend may be provided to a member of a class one group in accordance with this subsection.

(a) Subject to available funding, an agency may provide a stipend to individuals who are low income or have lived experience to support their participation in class one groups when the agency determines such participation is desirable in order to implement the principles of equity described in RCW 43.06D.020, provided that the individuals are not otherwise compensated for their attendance at meetings.

FIFTY SEVENTH DAY, MARCH 7, 2022

2022 REGULAR SESSION

(b) Stipends shall not exceed \$200 for each day during which the member attends an official meeting or performs statutorily prescribed duties approved by the chairperson of the group.

(c) Individuals eligible for stipends under this section are eligible for reasonable allowances for child and adult care reimbursement, lodging, and travel expenses as provided in RCW 43.03.050 and 43.03.060 in addition to stipend amounts.

(d) Nothing in this subsection creates an employment relationship, or any membership or qualification in any state or other publicly supported retirement system, for this or any other title due to the payment of a stipend, lodging and travel expenses, or child care expenses provided under this section where such a relationship, membership, or qualification did not already exist.

(e) As allowable by federal and state law, state agencies will minimize, to the greatest extent possible, the impact of stipends and reimbursements on public assistance eligibility and benefit amounts.

(3)((a) No) Except for members who qualify for a stipend under subsection (2) of this section, no person designated as a member of a class one board, commission, council, committee, or similar group may receive an allowance for subsistence, lodging, or travel expenses if the allowance cost is funded by the state general fund. Exceptions may be granted under RCW 43.03.049. Class one groups, when feasible, shall use an alternative means of conducting a meeting that does not require travel while still maximizing member and public participation and may use a meeting format that requires members to be physically present at one location only when necessary or required by law.

((b)) (4) Class one groups that are funded by sources other than the state general fund are encouraged to reduce travel, lodging, and other costs associated with conducting the business of the group including use of other meeting formats that do not require travel.

(5) Agencies exercising their authority to provide stipends and allowances under this section must follow the guidelines established by the office of equity pursuant to section 3 of this act.

(6) For purposes of this section:

(a) "Lived experience" means direct personal experience in the subject matter being addressed by the board, commission, council, committee, or other similar group.

(b) "Low income" means an individual whose income is not more than 400 percent of the federal poverty level, adjusted for family size.

NEW SECTION. Sec. 3. A new section is added to chapter 43.03 RCW to read as follows:

(1) By December 1, 2022, the office of equity shall develop uniform equity-driven guidelines for agencies on the issuance of stipends and allowances authorized under RCW 43.03.220 to provide for consistent application of the law. In developing the guidelines, the office of equity shall consult with stakeholders including, but not limited to, state agencies and impacted communities. The guidelines for providing allowances must include the reasonable allowances as prescribed by the office of financial management under RCW 43.03.050.

(2) Agencies exercising their authority under RCW 43.03.220 to provide stipends or allowances to members of class one groups shall adhere to the guidelines established under subsection (1) of this section.

Sec. 4. RCW 28A.300.802 and 2011 1st sp.s. c 21 s 53 are each amended to read as follows:

In addition to any board, commission, council, committee, or other similar group established by statute or executive order, the superintendent of public instruction may appoint advisory groups on subject matters within the superintendent's responsibilities or as may be required by any federal legislation as a condition to the

receipt of federal funds by the federal department. The advisory groups shall be constituted as required by federal law or as the superintendent may determine.

Members of advisory groups under the authority of the superintendent may be paid their travel expenses in accordance with RCW 43.03.050 and 43.03.060.

Except as provided in this section or as authorized by RCW 43.03.220, members of advisory groups under the authority of the superintendent are volunteering their services and are not eligible for compensation. A person is eligible to receive compensation in an amount not to exceed one hundred dollars for each day during which the member attends an official meeting of the group or performs statutorily prescribed duties approved by the chairperson of the group if the person (1) occupies a position, normally regarded as full-time in nature, as a certificated employee of a local school district; (2) is participating as part of their employment with the local school district; and (3) the meeting or duties are performed outside the period in which school days as defined by RCW 28A.150.030 are conducted. The superintendent may reimburse local school districts for substitute certificated employees to enable members to meet or perform duties on school days. A person is eligible to receive compensation from federal funds in an amount to be determined by personal service contract for groups required by federal law.

Sec. 5. RCW 43.03.050 and 2011 1st sp.s. c 21 s 61 are each amended to read as follows:

(1) The director of financial management shall prescribe reasonable allowances to cover reasonable and necessary subsistence and lodging expenses for elective and appointive officials and state employees while engaged on official business away from their designated posts of duty. The director of financial management may prescribe and regulate the allowances provided in lieu of subsistence and lodging expenses and may prescribe the conditions under which reimbursement for subsistence and lodging may be allowed. The schedule of allowances adopted by the office of financial management may include special allowances for foreign travel and other travel involving higher than usual costs for subsistence and lodging. The allowances established by the director shall not exceed the rates set by the federal government for federal employees. However, during the 2003-05 fiscal biennium, the allowances for any county that is part of a metropolitan statistical area, the largest city of which is in another state, shall equal the allowances prescribed for that larger city.

(2) Those persons appointed to serve without compensation on any state board, commission, or committee, if entitled to payment of travel expenses, shall be paid pursuant to special per diem rates prescribed in accordance with subsection (1) of this section by the office of financial management.

(3) The director of financial management may prescribe reasonable allowances to cover reasonable expenses for meals, coffee, and light refreshment served to elective and appointive officials and state employees regardless of travel status at a meeting where: (a) The purpose of the meeting is to conduct official state business or to provide formal training to state employees or state officials; (b) the meals, coffee, or light refreshment are an integral part of the meeting or training session; (c) the meeting or training session takes place away from the employee's or official's regular workplace; and (d) the agency head or authorized designee approves payments in advance for the meals, coffee, or light refreshment. In order to prevent abuse, the director may regulate such allowances and prescribe additional conditions for claiming the allowances.

(4) Upon approval of the agency head or authorized designee, an agency may serve coffee or light refreshments at a meeting

where: (a) The purpose of the meeting is to conduct state business or to provide formal training that benefits the state; and (b) the coffee or light refreshment is an integral part of the meeting or training session. The director of financial management shall adopt requirements necessary to prohibit abuse of the authority authorized in this subsection.

(5) The director of financial management shall prescribe reasonable allowances to cover reasonable and necessary child and adult care expenses incurred by eligible members of a class one board, commission, council, committee, or similar group, who are authorized under RCW 43.03.220 to receive such allowances, while attending an official meeting or performing statutorily prescribed duties approved by the chairperson of the group.

(6) The schedule of allowances prescribed by the director under the terms of this section and any subsequent increases in any maximum allowance or special allowances for areas of higher than usual costs shall be reported to the ways and means committees of the house of representatives and the senate at each regular session of the legislature.

~~((6))~~ (7) No person designated as a member of a class one through class three or class five board, commission, council, committee, or similar group may receive an allowance for subsistence, lodging, or travel expenses if the allowance cost is funded by the state general fund (~~Exceptions may be granted~~), unless authorized under RCW 43.03.220 or granted an exception under RCW 43.03.049.

Sec. 6. RCW 43.03.060 and 2011 1st sp.s. c 21 s 62 are each amended to read as follows:

(1) Whenever it becomes necessary for elective or appointive officials or employees of the state to travel away from their designated posts of duty while engaged on official business, and it is found to be more advantageous or economical to the state that travel be by a privately-owned vehicle rather than a common carrier or a state-owned or operated vehicle, a mileage rate established by the director of financial management shall be allowed. The mileage rate established by the director shall not exceed any rate set by the United States treasury department above which the substantiation requirements specified in Treasury Department Regulations section 1.274-5T(a)(1), as now law or hereafter amended, will apply.

(2) The director of financial management may prescribe and regulate the specific mileage rate or other allowance for the use of privately-owned vehicles or common carriers on official business and the conditions under which reimbursement of transportation costs may be allowed. The reimbursement or other payment for transportation expenses of any employee or appointive official of the state shall be based on the method deemed most advantageous or economical to the state.

(3) The mileage rate established by the director of financial management pursuant to this section and any subsequent changes thereto shall be reported to the ways and means committees of the house of representatives and the senate at each regular session of the legislature.

(4) No person designated as a member of a class one through class three or class five board, commission, council, committee, or similar group may receive an allowance for subsistence, lodging, or travel expenses if the allowance cost is funded by the state general fund (~~Exceptions may be granted~~), unless authorized under RCW 43.03.220 or granted an exception under RCW 43.03.049.

NEW SECTION. Sec. 7. A new section is added to chapter 43.03 RCW to read as follows:

(1) An agency exercising its authority to provide stipends under RCW 43.03.220(2) must report to the Washington state office of

equity by August 30, 2023, and August 30, 2024, for state fiscal years 2023 and 2024 respectively, the following information:

(2) The Washington state office of equity shall:

(a) Compile and analyze the information received from agencies under this section; and

(b) Prepare a report, in compliance with RCW 43.01.036, to the governor and legislature by December 1, 2024. The report must include:

(i) An overall evaluation of the stipend process authorized in RCW 43.03.220(2);

(ii) Recommendations for improving the process; and

(iii) Recommendations to further decrease barriers to participation and increase the diversity of group applicants.

Sec. 8. RCW 41.40.035 and 1987 c 146 s 1 are each amended to read as follows:

(1) No person appointed to membership on any committee, board, or commission on or after July 1, 1976, who is compensated for service on such committee, board, or commission for fewer than ten days or seventy hours in any month, whichever amount is less, shall receive service credit for such service for that month: PROVIDED, That on and after October 1, 1977, appointive and elective officials who receive monthly compensation earnable from an employer in an amount equal to or less than ninety times the state minimum hourly wage shall not receive any service credit for such employment.

The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5842 with the following amendment(s): 5842-S2.E AMH ENGR H2769.E

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 70A.65.070 and 2021 c 316 s 9 are each amended to read as follows:

(1)(a) The department shall commence the program by January 1, 2023, by determining an emissions baseline establishing the proportionate share that the total greenhouse gas emissions of covered entities for the first compliance period bears to the total anthropogenic greenhouse gas emissions in the state during 2015 through 2019, based on data reported to the department under RCW 70A.15.2200 or provided as required by this chapter, as well as other relevant data. By October 1, 2022, the department shall adopt annual allowance budgets for the first compliance period of the program, calendar years 2023 through 2026, to be distributed from January 1, 2023, through December 31, 2026.

(b) By October 1, 2026, the department shall add to its emissions baseline by incorporating the proportionate share that the total greenhouse gas emissions of new covered entities in the second compliance period bear to the total anthropogenic greenhouse gas emissions in the state during ((2023)) 2015 through ((2025)) 2019. In determining the addition to the baseline, the department may exclude a year from the determination if the department identifies that year to have been an outlier due to a state of emergency. The department shall adopt annual allowance budgets for the second compliance period of the program, calendar years 2027 through 2030, that will be distributed from January 1, 2027, through December 31, 2030.

(c) By October 1, 2028, the department shall adopt by rule the annual allowance budgets for calendar years 2031 through 2040.

(2) The annual allowance budgets must be set to achieve the share of reductions by covered entities necessary to achieve the 2030, 2040, and 2050 statewide emissions limits established in RCW 70A.45.020, based on data reported to the department under chapter 70A.15 RCW or provided as required by this chapter. Annual allowance budgets must be set such that the use of offsets as compliance instruments, consistent with RCW 70A.65.170, does not prevent the achievement of the emissions limits established in RCW 70A.45.020. In so setting annual allowance budgets, the department must reduce the annual allowance budget relative to the limits in an amount equivalent to offset use, or in accordance with a similar methodology adopted by the department. The department must adopt annual allowance budgets for the program on a calendar year basis that provide for progressively equivalent reductions year over year. An allowance

distributed under the program, either directly by the department under RCW 70A.65.110 through 70A.65.130 or ((though [through])) through auctions under RCW 70A.65.100, does not expire and may be held or banked consistent with RCW 70A.65.100(6) and 70A.65.150(1).

(3) The department must complete ((an)) evaluations by December 31, 2027, and by December 31, 2035, of the performance of the program, including its performance in reducing greenhouse gases. If the evaluation shows that adjustments to the annual allowance budgets are necessary for covered entities to achieve their proportionate share of the 2030 and 2040 emission reduction limits identified in RCW 70A.45.020, as applicable, the department shall adjust the annual allowance budgets accordingly. The department must complete additional evaluations of the performance of the program by December 31, 2040, and by December 31, 2045, and make any necessary adjustments in the annual allowance budgets to ensure that covered entities achieve their proportionate share of the 2050 emission reduction limit identified in RCW 70A.45.020. Nothing in this subsection precludes the department from making additional adjustments to annual allowance budgets as necessary to ensure successful achievement of the proportionate emission reduction limits by covered entities. The department shall determine and make public the circumstances, metrics, and processes that would initiate the public consideration of additional allowance budget adjustments to ensure successful achievement of the proportionate emission reduction limits.

(4) Data reported to the department under RCW 70A.15.2200 or provided as required by this chapter for 2015 through 2019 is deemed sufficient for the purpose of adopting annual allowance budgets and serving as the baseline by which covered entities demonstrate compliance under the first compliance period of the program. Data reported to the department under RCW 70A.15.2200 or provided as required by this chapter for 2023 through 2025 is deemed sufficient for adopting annual allowance budgets and serving as the baseline by which covered entities demonstrate compliance under the second compliance period of the program.

(5) The legislature intends to promote a growing and sustainable economy and to avoid leakage of emissions from manufacturing to other jurisdictions. Therefore, the legislature finds that implementation of this section is contingent upon the enactment of RCW 70A.65.110.

NEW SECTION. **Sec. 2.** A new section is added to chapter 70A.65 RCW to read as follows:

(1) A covered or opt-in entity has a compliance obligation for its emissions during each four-year compliance period, with the first compliance period commencing January 1, 2023. The department shall by rule require that covered or opt-in entities annually transfer a percentage of compliance instruments, but must fully satisfy their compliance obligation, for each compliance period.

(2) Compliance occurs through the transfer of the required compliance instruments or price ceiling units, on or before the transfer date, from the holding account to the compliance account of the covered or opt-in entity as described in RCW 70A.65.080.

(3)(a) A covered entity may substitute the submission of compliance instruments with price ceiling units.

(b) A covered or opt-in entity submitting insufficient compliance instruments to meet its compliance obligation is subject to a penalty as provided in RCW 70A.65.200.

(4) Older vintage allowances must be retired before newer vintage allowances.

(5) Upon receipt by the department of all compliance instruments transferred by a covered entity or opt-in entity to meet

its compliance obligation, the department shall retire the allowances or offset credits.

Sec. 3. RCW 70A.65.100 and 2021 c 316 s 12 are each amended to read as follows:

(1) Except as provided in RCW 70A.65.110, 70A.65.120, and 70A.65.130, the department shall distribute allowances through auctions as provided in this section and in rules adopted by the department to implement these sections. An allowance is not a property right.

(2)(a) The department shall hold a maximum of four auctions annually, plus any necessary reserve auctions. An auction may include allowances from the annual allowance budget of the current year and allowances from the annual allowance budgets from prior years that remain to be distributed. The department must transmit to the environmental justice council an auction notice at least 60 days prior to each auction, as well as a summary results report and a postauction public proceeds report within 60 days after each auction. The department must communicate the results of the previous calendar year's auctions to the environmental justice council on an annual basis beginning in 2024.

(b) The department must make future vintage allowances available through parallel auctions at least twice annually in addition to the auctions through which current vintage allowances are exclusively offered under (a) of this subsection.

(3) The department shall engage a qualified, independent contractor to run the auctions. The department shall also engage a qualified financial services administrator to hold the bid guarantees, evaluate bid guarantees, and inform the department of the value of bid guarantees once the bids are accepted.

(4) Auctions are open to covered entities, opt-in entities, and general market participants that are registered entities in good standing. The department shall adopt by rule the requirements for a registered entity to register and participate in a given auction.

(a) Registered entities intending to participate in an auction must submit an application to participate at least 30 days prior to the auction. The application must include the documentation required for review and approval by the department. A registered entity is eligible to participate only after receiving a notice of approval by the department.

(b) Each registered entity that elects to participate in the auction must have a different representative. Only a representative with an approved auction account is authorized to access the auction platform to submit an application or confirm the intent to bid for the registered entity, submit bids on behalf of the registered entity during the bidding window, or to download reports specific to the auction.

(5) The department may require a bid guarantee, payable to the financial services administrator, in an amount greater than or equal to the sum of the maximum value of the bids to be submitted by the registered entity.

(6) To protect the integrity of the auctions, a registered entity or group of registered entities with a direct corporate association are subject to auction purchase and holding limits. The department may impose additional limits if it deems necessary to protect the integrity and functioning of the auctions:

(a) A covered entity or an opt-in entity may not buy more than 10 percent of the allowances offered during a single auction;

(b) A general market participant may not buy more than four percent of the allowances offered during a single auction and may not in aggregate own more than 10 percent of total allowances to be issued in a calendar year;

(c) No registered entity may buy more than the entity's bid guarantee; and

(d) No registered entity may buy allowances that would exceed the entity's holding limit at the time of the auction.

(7)(a) For fiscal year 2023, upon completion and verification of the auction results, the financial services administrator shall notify winning bidders and transfer the auction proceeds to the state treasurer for deposit as follows: (i) \$127,341,000 must first be deposited into the carbon emissions reduction account created in RCW 70A.65.240; and (ii) the remaining auction proceeds to the climate investment account created in RCW 70A.65.250 and the air quality and health disparities improvement account created in RCW 70A.65.280.

(b) For fiscal year 2024, upon completion and verification of the auction results, the financial services administrator shall notify winning bidders and transfer the auction proceeds to the state treasurer for deposit as follows: (i) \$356,697,000 must first be deposited into the carbon emissions reduction account created in RCW 70A.65.240; and (ii) the remaining auction proceeds to the climate investment account created in RCW 70A.65.250 and the air quality and health disparities improvement account created in RCW 70A.65.280.

(c) For fiscal year 2025, upon completion and verification of the auction results, the financial services administrator shall notify winning bidders and transfer the auction proceeds to the state treasurer for deposit as follows: (i) \$366,558,000 must first be deposited into the carbon emissions reduction account created in RCW 70A.65.240; and (ii) the remaining auction proceeds to the climate investment account created in RCW 70A.65.250 and the air quality and health disparities improvement account created in RCW 70A.65.280.

(d) For fiscal years 2026 through 2037, upon completion and verification of the auction results, the financial services administrator shall notify winning bidders and transfer the auction proceeds to the state treasurer for deposit as follows: (i) \$359,117,000 per year must first be deposited into the carbon emissions reduction account created in RCW 70A.65.240; and (ii) the remaining auction proceeds to the climate investment account created in RCW 70A.65.250 and the air quality and health disparities improvement account created in RCW 70A.65.280.

(e) The deposits into the carbon emissions reduction account pursuant to (a) through (d) of this subsection must not exceed \$5,200,000,000 over the first 16 fiscal years and any remaining auction proceeds must be deposited into the climate investment account created in RCW 70A.65.250 and the air quality and health disparities improvement account created in RCW 70A.65.280.

(f) For fiscal year 2038 and each year thereafter, upon completion and verification of the auction results, the financial services administrator shall notify winning bidders and transfer the auction proceeds to the state treasurer for deposit as follows: (i) 50 percent of the auction proceeds to the carbon emissions reduction account created in RCW 70A.65.240; and (ii) the remaining auction proceeds to the climate investment account created in RCW 70A.65.250 and the air quality and health disparities improvement account created in RCW 70A.65.280.

(8) The department shall adopt by rule provisions to guard against bidder collusion and minimize the potential for market manipulation. A registered entity may not release or disclose any bidding information including: Intent to participate or refrain from participation; auction approval status; intent to bid; bidding strategy; bid price or bid quantity; or information on the bid guarantee provided to the financial services administrator. The department may cancel or restrict a previously approved auction participation application or reject a new application if the department determines that a registered entity has:

(a) Provided false or misleading facts;

(b) Withheld material information that could influence a decision by the department;

(c) Violated any part of the auction rules;

(d) Violated registration requirements; or

(e) Violated any of the rules regarding the conduct of the auction.

(9) Records containing the following information are confidential and are exempt from public disclosure in their entirety:

(a) Bidding information as identified in subsection (8) of this section;

(b) Information contained in the secure, online electronic tracking system established by the department pursuant to RCW 70A.65.090(6);

(c) Financial, proprietary, and other market sensitive information as determined by the department that is submitted to the department pursuant to this chapter;

(d) Financial, proprietary, and other market sensitive information as determined by the department that is submitted to the independent contractor or the financial services administrator engaged by the department pursuant to subsection (3) of this section; and

(e) Financial, proprietary, and other market sensitive information as determined by the department that is submitted to a jurisdiction with which the department has entered into a linkage agreement pursuant to RCW 70A.65.210, and which is shared with the department, the independent contractor, or the financial services administrator pursuant to a linkage agreement.

(10) Any cancellation or restriction approved by the department under subsection (8) of this section may be permanent or for a specified number of auctions and the cancellation or restriction imposed is not exclusive and is in addition to the remedies that may be available pursuant to chapter 19.86 RCW or other state or federal laws, if applicable.

((11)) (11) The department shall design allowance auctions so as to allow, to the maximum extent practicable, linking with external greenhouse gas emissions trading programs in other jurisdictions and to facilitate the transfer of allowances when the state's program has entered into a linkage agreement with other external greenhouse gas emissions trading programs. The department may conduct auctions jointly with linked jurisdictions.

((11)) (12) In setting the number of allowances offered at each auction, the department shall consider the allowances in the marketplace due to the marketing of allowances issued as required under RCW 70A.65.110, 70A.65.120, and 70A.65.130 in the department's determination of the number of allowances to be offered at auction. The department shall offer only such number of allowances at each auction as will enhance the likelihood of achieving the goals of RCW 70A.45.020.

Sec. 4. RCW 70A.65.200 and 2021 c 316 s 23 are each amended to read as follows:

(1) All covered and opt-in entities are required to submit compliance instruments in a timely manner to meet the entities' compliance obligations and shall comply with all requirements for monitoring, reporting, holding, and transferring emission allowances and other provisions of this chapter.

(2) If a covered or opt-in entity does not submit sufficient compliance instruments to meet its compliance obligation by the specified transfer dates, a penalty of four allowances for every one compliance instrument that is missing must be submitted to the department within six months. When a covered entity or opt-in entity reasonably believes that it will be unable to meet a compliance obligation, the entity shall immediately notify the department. Upon receiving notification, the department shall

FIFTY SEVENTH DAY, MARCH 7, 2022

issue an order requiring the entity to submit the penalty allowances.

(3) If a covered entity or opt-in entity fails to submit penalty allowances as required by subsection (2) of this section, the department must issue an order or issue a penalty of up to \$10,000 per day per violation, or both, for failure to submit penalty allowances as required by subsection (2) of the section. The order may include a plan and schedule for coming into compliance.

(4) The department may issue a penalty of up to \$50,000 per day per violation for violations of RCW 70A.65.100(8) (a) through (e).

(5) Except as provided in subsections (3) and (4) of this section, any person that violates the terms of this chapter or an order issued under this chapter incurs a penalty of up to \$10,000 per day per violation for each day that the person does not comply. All penalties under subsections (3) and (4) of this section and this subsection must be deposited into the climate investment account created in RCW 70A.65.250.

(6) Orders and penalties issued under this chapter are appealable to the pollution control hearings board under chapter 43.21B RCW.

(7) For the first compliance period, the department may reduce the amount of the penalty by adjusting the monetary amount or the number of penalty allowances described in subsections (2) and (3) of this section.

(8) An electric utility or natural gas utility must notify its retail customers and the environmental justice council in published form within three months of paying a monetary penalty under this section.

(9)(a) No city, town, county, township, or other subdivision or municipal corporation of the state may implement a charge or tax based exclusively upon the quantity of greenhouse gas emissions.

(b) No state agency may adopt or enforce a ((program that regulates greenhouse gas emissions from a stationary source except as provided in this chapter)) greenhouse gas pricing or market-based emissions cap and reduce program for stationary sources, or adopt or enforce emission limitations on greenhouse gas emissions from stationary sources except as:

(i) Provided in this chapter;

(ii) Authorized or directed by a state statute in effect as of July 1, 2022; or

(iii) Required to implement a federal statute, rule, or program.

(c) This chapter preempts the provisions of chapter 173-442 WAC, and the department shall repeal chapter 173-442 WAC.

(10)(a) By December 1, 2023, the office of financial management must submit a report to the appropriate committees of the legislature that summarizes two categories of state laws other than this chapter:

(i) Laws that regulate greenhouse gas emissions from stationary sources, and the greenhouse gas emission reductions attributable to each chapter, relative to a baseline in which this chapter and all other state laws that regulate greenhouse gas emissions are presumed to remain in effect; and

(ii) Laws whose implementation may effectuate reductions in greenhouse gas emissions from stationary sources.

(b) The state laws that the office of financial management may address in completing the report required in this subsection include, but are not limited to:

(i) Chapter 19.27A RCW;

(ii) Chapter 19.280 RCW;

(iii) Chapter 19.405 RCW;

(iv) Chapter 36.165 RCW;

(v) Chapter 43.21F RCW;

(vi) Chapter 70.30 RCW;

(vii) Chapter 70A.15 RCW;

(viii) Chapter 70A.45 RCW;

(ix) Chapter 70A.60 RCW;

(x) Chapter 70A.535 RCW;

(xi) Chapter 80.04 RCW;

(xii) Chapter 80.28 RCW;

(xiii) Chapter 80.70 RCW;

(xiv) Chapter 80.80 RCW; and

(xv) Chapter 81.88 RCW.

(c) The office of financial management may contract for all or part of the work product required under this subsection.

Sec. 5. RCW 70A.65.020 and 2021 c 316 s 3 are each amended to read as follows:

(1) To ensure that the program created in RCW 70A.65.060 through 70A.65.210 achieves reductions in criteria pollutants as well as greenhouse gas emissions in overburdened communities highly impacted by air pollution, the department must:

(a) Identify overburdened communities, which may be accomplished through the department's process to identify overburdened communities under chapter ((314, Laws of 2021)) 70A.02 RCW;

(b) Deploy an air monitoring network in overburdened communities to collect sufficient air quality data for the 2023 review and subsequent reviews of criteria pollutant reductions conducted under subsection (2) of this section; and

(c)(i) Within the identified overburdened communities, analyze and determine which sources are the greatest contributors of criteria pollutants and develop a high priority list of significant emitters.

(ii) Prior to listing any entity as a high priority emitter, the department must notify that entity and share the data used to rank that entity as a high priority emitter, and provide a period of not less than 60 days for the covered entity to submit more recent data or other information relevant to the designation of that entity as a high priority emitter.

(2)(a) Beginning in 2023, and every two years thereafter, the department must conduct a review to determine levels of criteria pollutants, as well as greenhouse gas emissions, in the overburdened communities identified under subsection (1) of this section. This review must also include an evaluation of initial and subsequent health impacts related to criteria pollution in overburdened communities. The department may conduct this evaluation jointly with the department of health.

(b) Once this review determines the levels of criteria pollutants in an identified overburdened community, then the department, in consultation with local air pollution control authorities, must:

(i) Establish air quality targets to achieve air quality consistent with whichever is more protective for human health:

(A) National ambient air quality standards established by the United States environmental protection agency; or

(B) The air quality experienced in neighboring communities that are not identified as overburdened;

(ii) Identify the stationary and mobile sources that are the greatest contributors of those emissions that are either increasing or not decreasing;

(iii) Achieve the reduction targets through adoption of emission control strategies or other methods;

(iv) Adopt, along with local air pollution control authorities, stricter air quality standards, emission standards, or emissions limitations on criteria pollutants, consistent with the authority of the department provided under RCW 70A.15.3000, and may consider alternative mitigation actions that would reduce criteria pollution by similar amounts; and

(v) After adoption of the stricter air quality standards, emission standards, or emissions limitations on criteria pollutants under (b)(iv) of this subsection, issue an enforceable order or the local

air authority must issue an enforceable order, as authorized under RCW 70A.15.1100, as necessary to comply with the stricter standards or limitations and the requirements of this section. The department or local air authority must initiate the process, including provision of notice to all relevant affected permittees or registered sources and to the public, to adopt and implement an enforceable order required under this subsection within six months of the adoption of standards or limitations under (b)(iv) of this subsection.

(c) Actions imposed under this section may not impose requirements on a permitted stationary source that are disproportionate to the permitted stationary source's contribution to air pollution compared to other permitted stationary sources and other sources of criteria pollutants in the overburdened community.

(3) An eligible facility sited after July 25, 2021, that receives allowances under RCW 70A.65.110 must mitigate increases in ((its emissions of)) particulate matter in overburdened communities due to its emissions.

(4)(a) The department must create and adopt a supplement to the department's community engagement plan developed pursuant to chapter ((314, Laws of 2021)) 70A.02 RCW. The supplement must describe how the department will engage with overburdened communities and vulnerable populations in:

- (i) Identifying emitters in overburdened communities; and
- (ii) Monitoring and evaluating criteria pollutant emissions in those areas.

(b) The community engagement plan must include methods for outreach and communication with those who face barriers, language or otherwise, to participation.

Sec. 6. RCW 70A.65.150 and 2021 c 316 s 17 are each amended to read as follows:

(1) To help minimize allowance price volatility in the auction, the department shall adopt by rule an auction floor price and a schedule for the floor price to increase by a predetermined amount every year. The department may not sell allowances at bids lower than the auction floor price. The department's rules must specify holding limits that determine the maximum number of allowances that may be held for use or trade by a registered entity at any one time. The department shall also establish ((an auction ceiling)) a reserve auction floor price to limit extraordinary prices and to determine when to offer allowances through the allowance price containment reserve auctions authorized under this section.

(2) For calendar years 2023 through 2026, the department must place no less than two percent of the total number of allowances available from the allowance budgets for those years in an allowance price containment reserve. The reserve must be designed as a mechanism to assist in containing compliance costs for covered and opt-in entities in the event of unanticipated high costs for compliance instruments.

(3)(a) The department shall adopt rules for holding auctions of allowances from the price containment reserve when the settlement prices in the preceding auction ((approach)) exceed the adopted ((auction ceiling)) reserve auction floor price. The auction must be separate from auctions of other allowances.

(b) Allowances must also be distributed from the allowance price containment reserve by auction when new covered and opt-in entities enter the program and allowances in the emissions containment reserve under RCW 70A.65.140(5) are exhausted.

(4) Only covered and opt-in entities may participate in the auction of allowances from the allowance price containment reserve.

(5) The process for reserve auctions is the same as the process provided in RCW 70A.65.100 and the proceeds from reserve auctions must be treated the same.

(6) The department shall by rule:

(a) Set the reserve auction floor price in advance of the reserve auction. The department may choose to establish multiple price tiers for the allowances from the reserve;

(b) Establish the requirements and schedule for the allowance price containment reserve auctions; and

(c) Establish the amount of allowances to be placed in the allowance price containment reserve after the first compliance period ending in 2026.

Sec. 7. RCW 70A.65.160 and 2021 c 316 s 18 are each amended to read as follows:

(1) The department shall establish a price ceiling to provide cost protection for ((facilities)) covered entities obligated to comply with this chapter. The ceiling must be set at a level sufficient to facilitate investments to achieve further emission reductions beyond those enabled by the price ceiling, with the intent that investments accelerate the state's achievement of greenhouse gas limits established under RCW 70A.45.020. The price ceiling must increase annually in proportion to the ((price floor)) reserve auction floor price established in RCW 70A.65.150(1).

(2) In the event that no allowances remain in the allowance price containment reserve, the department must issue the number of price ceiling units for sale sufficient to provide cost protection for ((facilities)) covered entities as established under subsection (1) of this section. Purchases must be limited to entities that do not have sufficient eligible compliance instruments in their holding and compliance accounts for the ((next)) current compliance period and these entities may only purchase what they need to meet their compliance obligation for the current compliance period. Price ceiling units may not be sold or transferred and must be retired for compliance in the current compliance period. A price ceiling unit is not a property right.

(3) ((Funds raised in connection with the sale of price ceiling units)) The price ceiling unit emission reduction investment account is created in the state treasury. All receipts from the sale of price ceiling units must be deposited in the account. Moneys in the account may only be spent after appropriation. Moneys in the account must be expended to achieve emissions reductions on at least a metric ton for metric ton basis that are real, permanent, quantifiable, verifiable, enforceable by the state, and in addition to any greenhouse gas emission reduction otherwise required by law or regulation and any other greenhouse gas emission reduction that otherwise would occur.

Sec. 8. RCW 70A.65.230 and 2021 c 316 s 26 are each amended to read as follows:

(1) It is the intent of the legislature that each year the total investments made through the carbon emissions reduction account created in RCW 70A.65.240, the climate commitment account created in RCW 70A.65.260, the natural climate solutions account created in RCW 70A.65.270, and the air quality and health disparities improvement account created in RCW 70A.65.280, achieve the following:

(a) A minimum of not less than 35 percent and a goal of 40 percent of total investments that provide direct and meaningful benefits to vulnerable populations within the boundaries of overburdened communities identified under chapter ((314, Laws of 2021)) 70A.02 RCW; and

(b) In addition to the requirements of (a) of this subsection, a minimum of not less than 10 percent of total investments that are used for programs, activities, or projects formally supported by a resolution of an Indian tribe, with priority given to otherwise qualifying projects directly administered or proposed by an Indian tribe. An investment that meets the requirements of both this subsection (1)(b) and (a) of this subsection may count toward the minimum percentage targets for both subsections.

FIFTY SEVENTH DAY, MARCH 7, 2022

2022 REGULAR SESSION

(2) The expenditure of moneys under this chapter must be consistent with applicable federal, state, and local laws, and treaty rights including, but not limited to, prohibitions on uses of funds imposed by the state Constitution.

(3) For the purposes of this section, "benefits" means investments or activities that:

(a) Reduce vulnerable population characteristics, environmental burdens, or associated risks that contribute significantly to the cumulative impact designation of ((highly impacted)) overburdened communities;

(b) Meaningfully protect an overburdened community from, or support community response to, the impacts of air pollution or climate change; or

(c) Meet a community need identified by vulnerable members of the overburdened community that is consistent with the intent of this chapter.

(4) The state must develop a process by which to evaluate the impacts of the investments made under this chapter, work across state agencies to develop and track priorities across the different eligible funding categories, and work with the environmental justice council pursuant to RCW 70A.65.040.

(5) No expenditures may be made from the carbon emissions reduction account created in RCW 70A.65.240, the climate investment account created in RCW 70A.65.250, or the air quality and health disparities improvement account created in RCW 70A.65.280 if, by April 1, 2023, the legislature has not considered and enacted request legislation brought forth by the department under RCW 70A.65.060 that outlines a compliance pathway specific to emissions-intensive, trade-exposed businesses for achieving their proportionate share of the state's emissions reduction limits through 2050.

Sec. 9. RCW 70A.15.2200 and 2021 c 316 s 33 are each amended to read as follows:

(1) The board of any activated authority or the department, may classify air contaminant sources, by ordinance, resolution, rule or regulation, which in its judgment may cause or contribute to air pollution, according to levels and types of emissions and other characteristics which cause or contribute to air pollution, and may require registration or reporting or both for any such class or classes. Classifications made pursuant to this section may be for application to the area of jurisdiction of such authority, or the state as a whole or to any designated area within the jurisdiction, and shall be made with special reference to effects on health, economic and social factors, and physical effects on property.

(2) Except as provided in subsection (3) of this section, any person operating or responsible for the operation of air contaminant sources of any class for which the ordinances, resolutions, rules or regulations of the department or board of the authority, require registration or reporting shall register therewith and make reports containing information as may be required by such department or board concerning location, size and height of contaminant outlets, processes employed, nature of the contaminant emission and such other information as is relevant to air pollution and available or reasonably capable of being assembled. In the case of emissions of greenhouse gases as defined in RCW 70A.45.010 the department shall adopt rules requiring reporting of those emissions. The department or board may require that such registration or reporting be accompanied by a fee, and may determine the amount of such fee for such class or classes: PROVIDED, That the amount of the fee shall only be to compensate for the costs of administering such registration or reporting program which shall be defined as initial registration and annual or other periodic reports from the source owner providing information directly related to air pollution registration, on-site inspections necessary to verify compliance with

registration requirements, data storage and retrieval systems necessary for support of the registration program, emission inventory reports and emission reduction credits computed from information provided by sources pursuant to registration program requirements, staff review, including engineering or other reliable analysis for accuracy and currentness, of information provided by sources pursuant to registration program requirements, clerical and other office support provided in direct furtherance of the registration program, and administrative support provided in directly carrying out the registration program: PROVIDED FURTHER, That any such registration made with either the board or the department shall preclude a further registration and reporting with any other board or the department, except that emissions of greenhouse gases as defined in RCW 70A.45.010 must be reported as required under subsection (5) of this section.

All registration program and reporting fees collected by the department shall be deposited in the air pollution control account. All registration program fees collected by the local air authorities shall be deposited in their respective treasuries.

(3) If a registration or report has been filed for a grain warehouse or grain elevator as required under this section, registration, reporting, or a registration program fee shall not, after January 1, 1997, again be required under this section for the warehouse or elevator unless the capacity of the warehouse or elevator as listed as part of the license issued for the facility has been increased since the date the registration or reporting was last made. If the capacity of the warehouse or elevator listed as part of the license is increased, any registration or reporting required for the warehouse or elevator under this section must be made by the date the warehouse or elevator receives grain from the first harvest season that occurs after the increase in its capacity is listed in the license.

This subsection does not apply to a grain warehouse or grain elevator if the warehouse or elevator handles more than ((ten million)) 10,000,000 bushels of grain annually.

(4) For the purposes of subsection (3) of this section:

(a) A "grain warehouse" or "grain elevator" is an establishment classified in standard industrial classification (SIC) code 5153 for wholesale trade for which a license is required and includes, but is not limited to, such a licensed facility that also conducts cleaning operations for grain;

(b) A "license" is a license issued by the department of agriculture licensing a facility as a grain warehouse or grain elevator under chapter 22.09 RCW or a license issued by the federal government licensing a facility as a grain warehouse or grain elevator for purposes similar to those of licensure for the facility under chapter 22.09 RCW; and

(c) "Grain" means a grain or a pulse.

(5)(a) The department shall adopt rules requiring persons to report emissions of greenhouse gases as defined in RCW 70A.45.010 where those emissions from a single facility, or from electricity or fossil fuels sold in Washington by a single supplier or local distribution company, meet or exceed ((ten thousand)) 10,000 metric tons of carbon dioxide equivalent annually. The rules adopted by the department must support implementation of the program created in RCW 70A.65.060. In addition, the rules must require that:

(i) Emissions of greenhouse gases resulting from the combustion of fossil fuels be reported separately from emissions of greenhouse gases resulting from the combustion of biomass; and

(ii) Each annual report must include emissions data for the preceding calendar year and must be submitted to the department by March 31st of the year in which the report is due, except for

an electric power entity, which must submit its report by June 1st of the year in which the report is due.

(b)(i) The department may by rule include additional gases to the definition of "greenhouse gas" in RCW 70A.45.010 only if the gas has been designated as a greenhouse gas by the United States congress, by the United States environmental protection agency, or included in external greenhouse gas emission trading programs with which Washington has pursuant to RCW 70A.65.210. Prior to including additional gases to the definition of "greenhouse gas" in RCW 70A.45.010, the department shall notify the appropriate committees of the legislature.

(ii) The department may by rule exempt persons who are required to report greenhouse gas emissions to the United States environmental protection agency and who emit less than ((ten thousand)) 10,000 metric tons carbon dioxide equivalent annually.

(iii) The department must establish a methodology for persons who are not required to report under this section to voluntarily report their greenhouse gas emissions.

(c)(i) The department shall review and if necessary update its rules whenever:

(A) The United States environmental protection agency adopts final amendments to 40 C.F.R. Part 98 to ensure consistency with federal reporting requirements for emissions of greenhouse gases; or

(B) Needed to ensure consistency with emissions reporting requirements for jurisdictions with which Washington has entered a linkage agreement.

(ii) The department shall not amend its rules in a manner that conflicts with this section.

(d) The department shall share any reporting information reported to it with the local air authority in which the person reporting under the rules adopted by the department operates.

(e) The fee provisions in subsection (2) of this section apply to reporting of emissions of greenhouse gases. Persons required to report under (a) of this subsection who fail to report or pay the fee required in subsection (2) of this section are subject to enforcement penalties under this chapter. The department shall enforce the reporting rule requirements. When a person that holds a compliance obligation under RCW 70A.65.080 fails to submit an emissions data report or fails to obtain a positive emissions data verification statement in accordance with (g)(ii) of this subsection, the department may assign an emissions level for that person.

(f) The energy facility site evaluation council shall, simultaneously with the department, adopt rules that impose greenhouse gas reporting requirements in site certifications on owners or operators of a facility permitted by the energy facility site evaluation council. The greenhouse gas reporting requirements imposed by the energy facility site evaluation council must be the same as the greenhouse gas reporting requirements imposed by the department. The department shall share any information reported to it from facilities permitted by the energy facility site evaluation council with the council, including notice of a facility that has failed to report as required. The energy facility site evaluation council shall contract with the department to monitor the reporting requirements adopted under this section.

(g)(i) The department must establish by rule the methods of verifying the accuracy of emissions reports.

(ii) Verification requirements apply at a minimum to persons required to report under (a) of this subsection with emissions that equal or exceed 25,000 metric tons of carbon dioxide equivalent emissions, including carbon dioxide from biomass-derived fuels, or to persons who have a compliance obligation under RCW 70A.65.080 in any year of the current compliance period. The

department may adopt rules to accept verification reports from another jurisdiction with a linkage agreement pursuant to RCW 70A.65.180 in cases where the department deems that the methods or procedures are substantively similar.

(h)(i) The definitions in RCW 70A.45.010 apply throughout this subsection (5) unless the context clearly requires otherwise.

Sec. 11. RCW 70A.65.140 and 2021 c 316 s 16 are each amended to read as follows:

(1) To help ensure that the price of allowances remains sufficient to incentivize reductions in greenhouse gas emissions, the department must establish an emissions containment reserve and set an emissions containment reserve trigger price by rule. The price must be set at a reasonable amount above the auction floor price and equal to the level established in jurisdictions with which the department has entered into a linkage agreement. ((In the event that)) If a jurisdiction with which the department ((has entered)) might enter into a linkage agreement has no emissions containment trigger price, the department ((shall)) may suspend the trigger price under this subsection. The purpose of withholding allowances in the emissions containment reserve is to secure additional emissions reductions.

(2) In the event that the emissions containment reserve trigger price is met during an auction, the department must automatically withhold allowances as needed. The department must convert and transfer any allowances that have been withheld from auction into the emissions containment reserve account.

(3) Emissions containment reserve allowances may only be withheld from an auction if the demand for allowances would result in an auction clearing price that is less than the emissions containment reserve trigger price prior to the withholding from the auction of any emissions containment reserve allowances.

(4) The department shall transfer allowances to the emissions containment reserve in the following situations:

(a) No less than two percent of the total number of allowances available from the allowance budgets for calendar years 2023 through 2026;

(b) When allowances are unsold in auctions under RCW 70A.65.100;

(c) When facilities curtail or close consistent with RCW 70A.65.110(6); or

(d) When facilities fall below the emissions threshold. The amount of allowances withdrawn from the program budget must be proportionate to the amount of emissions such a facility was previously using.

(5)(a) Allowances must be distributed from the emissions containment reserve by auction when new covered and opt-in entities enter the program.

(b) Allowances equal to the greenhouse gas emissions resulting from a new or expanded emissions-intensive, trade-exposed facility with emissions in excess of 25,000 metric tons per year during the first applicable compliance period will be provided to the facility from the reserve created in this section and must be retired by the facility. In subsequent compliance periods, the facility will be subject to the regulatory cap and related requirements under this chapter.

Sec. 12. RCW 70A.65.170 and 2021 c 316 s 19 are each amended to read as follows:

(1) The department shall adopt by rule the protocols for establishing offset projects and securing offset credits that may be used to meet a portion of a covered or opt-in entity's compliance obligation under this chapter ((316, Laws of 2021)). The protocols adopted by the department under this section must align with the policies of the state established under RCW 70A.45.090 and 70A.45.100.

(2) Offset projects must:

(a) Provide direct environmental benefits to the state or be located in a jurisdiction with which Washington has entered into a linkage agreement;

(b) Result in greenhouse gas reductions or removals that:

(i) Are real, permanent, quantifiable, verifiable, and enforceable; and

(ii) Are in addition to greenhouse gas emission reductions or removals otherwise required by law and other greenhouse gas emission reductions or removals that would otherwise occur; and

(c) Have been certified by a recognized registry ((after July 25, 2021, or within two years prior to July 25, 2021)).

(3)(a) A total of no more than five percent of a covered or opt-in entity's compliance obligation during the first compliance period may be met by transferring offset credits. During these years, at least 50 percent of a covered or opt-in entity's compliance obligation satisfied by offset credits must be sourced from offset projects that provide direct environmental benefits in the state.

(b) A total of no more than four percent of a covered or opt-in entity's compliance obligation during the second compliance period may be met by transferring offset credits. During these years, at least 75 percent of a covered or opt-in entity's compliance obligation satisfied by offset credits must be sourced from offset projects that provide direct environmental benefits in the state. The department may reduce the 75 percent requirement if it determines there is not sufficient offset supply in the state to meet offset demand during the second compliance period.

(c) The limits in (a) and (b) of this subsection may be modified by rule as adopted by the department when appropriate to ensure achievement of the proportionate share of statewide emissions limits established in RCW 70A.45.020 and to provide for alignment with other jurisdictions to which the state has linked.

(d) The limits in (a) and (b) of this subsection may be reduced for a specific covered or opt-in entity if the department determines, in consultation with the environmental justice council, that the covered or opt-in entity has or is likely to:

(i) Contribute substantively to cumulative air pollution burden in an overburdened community as determined by criteria established by the department, in consultation with the environmental justice council; or

(ii) Violate any permits required by any federal, state, or local air pollution control agency where the violation may result in an increase in emissions.

(e) An offset project on federally recognized tribal land does not count against the offset credit limits described in (a) and (b) of this subsection.

(i) No more than three percent of a covered or opt-in entity's compliance obligation may be met by transferring offset credits from projects on federally recognized tribal land during the first compliance period.

(ii) No more than two percent of a covered or opt-in entity's compliance obligation may be met by transferring offset credits from projects on federally recognized tribal land during the second compliance period.

(4) In adopting protocols governing offset projects and covered and opt-in entities' use of offset credits, the department shall:

(a) Take into consideration standards, rules, or protocols for offset projects and offset credits established by other states, provinces, and countries with programs comparable to the program established in this chapter;

(b) Encourage opportunities for the development of offset projects in this state by adopting offset protocols that may include, but need not be limited to, protocols that make use of aggregation or other mechanisms to reduce transaction costs related to the development of offset projects and that support the development of carbon dioxide removal projects;

(c) Adopt a process for monitoring and invalidating offset credits as necessary to ensure the credit reflects emission reductions or removals that continue to meet the standards required by subsection (1) of this section. If an offset credit is invalidated, the covered or opt-in entity must, within six months of the invalidation, transfer replacement credits or allowances to meet its compliance obligation. Failure to transfer the required credits or allowances is a violation subject to penalties as provided in RCW 70A.65.200; and

(d) Make use of aggregation or other mechanisms, including cost-effective inventory and monitoring provisions, to increase the development of offset and carbon removal projects by landowners across the broadest possible variety of types and sizes of lands, including lands owned by small forestland owners.

(5) Any offset credits used ((may not) must:

(a) Not be in addition to or allow for an increase in the emissions limits established under RCW 70A.45.020, as reflected in the annual allowance budgets developed under RCW 70A.65.070;

(b) Have been issued for reporting periods wholly after July 25, 2021, or within two years prior to July 25, 2021; and

(c) Be consistent with offset protocols adopted by the department.

(6) The offset credit must be registered and tracked as a compliance instrument.

(7) Beginning in 2031, the limits established in subsection (3)(b) and (e)(ii) of this section apply unless modified by rule as adopted by the department after a public consultation process.

Sec. 13. RCW 70A.65.030 and 2021 c 316 s 4 are each amended to read as follows:

(1) Each year or biennium, as appropriate, when allocating funds from the carbon emissions reduction account created in RCW 70A.65.240, the climate commitment account created in RCW 70A.65.260, the natural climate solutions account created in RCW 70A.65.270, the climate investment account created in RCW 70A.65.250, or the air quality and health disparities improvement account created in RCW 70A.65.280, or administering grants or programs funded by the accounts, agencies shall conduct an environmental justice assessment consistent with the requirements of RCW 70A.02.060 and establish a minimum of not less than 35 percent and a goal of 40 percent of total investments that provide direct and meaningful benefits to vulnerable populations within the boundaries of overburdened communities through: (a) The direct reduction of environmental burdens in overburdened communities; (b) the reduction of disproportionate, cumulative risk from environmental burdens, including those associated with climate change; (c) the support of community led project development, planning, and participation costs; or (d) meeting a community need identified by the community that is consistent with the intent of this chapter or RCW 70A.02.010.

(2) The allocation of funding under subsection (1) of this section must adhere to the following principles, additional to the requirements of RCW 70A.02.080: (a) Benefits and programs should be directed to areas and targeted to vulnerable populations and overburdened communities to reduce statewide disparities; (b) investments and benefits should be made roughly proportional to the health disparities that a specific community experiences, with a goal of eliminating the disparities; (c) investments and programs should focus on creating environmental benefits, including eliminating health burdens, creating community and population resilience, and raising the quality of life of those in the community; and (d) efforts should be made to balance investments and benefits across the state and within counties, local jurisdictions, and unincorporated areas as appropriate to reduce disparities by location and to ensure efforts contribute to a

FIFTY SEVENTH DAY, MARCH 7, 2022

reduction in disparities that exist based on race or ethnicity, socioeconomic status, or other factors.

(3) State agencies allocating funds or administering grants or programs from the carbon emissions reduction account created in RCW 70A.65.240, the climate commitment account created in RCW 70A.65.260, the natural climate solutions account created in RCW 70A.65.270, the climate investment account created in RCW 70A.65.250, or the air quality and health disparities improvement account created in RCW 70A.65.280, must:

(a) Report annually to the environmental justice council created in RCW 70A.02.110 regarding progress toward meeting environmental justice and environmental health goals;

MESSAGE FROM THE HOUSE

March 3, 2022

MR. PRESIDENT:

The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5847 with the following amendment(s): 5847-S.E AMH APP H2798.2

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** (1) The legislature recognizes that our country faces a student loan debt crisis. Nationally, Americans owe \$1.73 trillion in student loans. In Washington state, about 767,300 student loan borrowers owe nearly \$27.4 billion of outstanding debt, more than \$35,700 per borrower on average.

(2) Student loan debt is a multigenerational issue that affects borrowers of all ages and jeopardizes millions of families' long-term financial security. While student loan balances have risen for all age groups, older borrowers have seen the largest increase. Student loan defaults rise with the borrower's age, and parents and grandparents take on debt to help their children and grandchildren pay for their education. Borrowers are increasingly defaulting on their debts, resulting in income garnishment and deductions from federal tax refunds or social security payments.

(3) The legislature further recognizes that the federal government offers and provides loan forgiveness for individuals who have worked in a public service job full time and have made qualifying payments towards their student loans. Unfortunately, the eligibility criteria to qualify for this program has been complex, leading to low approval rates for individuals who would otherwise qualify. By providing more public awareness of this program, the legislature intends to help alleviate the student loan debt burden of those who have committed their lives to public service.

(4) It is the intent of the legislature to do the following:

(a) Develop materials to increase awareness of the federal public service loan forgiveness program;

(b) Create a program for state agencies to certify employment for the purpose of the public service loan forgiveness program;

(c) Have public service employers collaborate on a statewide initiative to improve access and remove barriers to the public service loan forgiveness program for all public service employees in the state; and

(d) Acknowledge the work done outside the classroom by part-time academic employees, allowing for those hours to be counted

towards the definition of full time for the public service loan forgiveness program as set forth in 34 C.F.R. Sec. 685.219.

NEW SECTION. Sec. 2. A new section is added to chapter 28B.77 RCW to read as follows:

(1) The student loan advocate, established in RCW 28B.77.007, shall develop, and update annually as necessary, materials designed to increase awareness of the public service loan forgiveness program. Materials include, at a minimum:

(a) A standardized letter for public service employers to send to their employees briefly summarizing the public service loan forgiveness program, information about what eligible employees are required to do in order to benefit from the program, and how an eligible employee may contact their student loan servicer for additional resources;

(b) A detailed fact sheet describing the public service loan forgiveness program, including the official website address maintained by the United States department of education for the program and contact information for the student loan advocate; and

(c) A document containing frequently asked questions about the public service loan forgiveness program.

(2) The student loan advocate shall coordinate with the office of financial management, the secretary of state, local governmental entities, and other relevant agencies and public service employer entities to ensure that public service employers receive materials developed in subsection (1) of this section.

(3) For purposes of this section, the definitions in this subsection apply:

(a) "Public service employer" includes the following:

(i) Any governmental entity including state, county, city, or other local government entity including political subdivisions, such as office, department, independent agency, school district, public college or university system, public library system, authority, or other body including the legislature and the judiciary;

(ii) Any employer that has received designation as a tax-exempt organization pursuant to Title 26 U.S.C. Sec. 501(c)(3) of the federal internal revenue code of 1986, as amended;

(iii) Any other entities identified as a public service job in Title 20 U.S.C. Sec. 1087e(m).

(b) "Public service loan forgiveness program" means the federal loan forgiveness program established pursuant to Title 20 U.S.C. Sec. 1087e(m) and 34 C.F.R. Sec. 685.219.

NEW SECTION. Sec. 3. A new section is added to chapter 43.41 RCW to read as follows:

(1) The office shall:

(a) Develop a program for state agencies to certify employment for the purposes of the public service loan forgiveness program by July 1, 2023.

(b) Assist the student loan advocate in creating and distributing materials designed to increase awareness of the public service loan forgiveness program set forth in section 1 of this act.

(c) Collaborate with the student achievement council, the employment security department, the department of retirement systems, nonprofit entities, local government representatives, and other public service employers in developing a statewide initiative to improve access and remove barriers to the public service loan forgiveness program for all public service employees. The program established for state agencies in this section and the certification process in section 4 of this act may be considered in the development of the initiative. A plan for a statewide initiative must be developed and submitted to the higher education committees of the legislature by December 1, 2024, in compliance with RCW 43.01.036.

(2) For purposes of this section, the definitions in this subsection apply:

(a) "Certifying employment" means either completing the employer sections of the public service loan forgiveness form or sharing data directly with the United States department of education that corresponds to the information required for the public service loan forgiveness form, as allowed by the United States department of education.

(d) "State agency" or "agency" means departments, offices, agencies, or institutions of state government, the legislature, institutions of higher education, school districts, and educational service districts.

NEW SECTION. Sec. 4. A new section is added to chapter 41.04 RCW to read as follows:

(1) As soon as available, a state agency shall provide the materials described in section 2 of this act in written or electronic form to:

(a) All employees annually;

(b) Newly hired employees within 30 days of the employee's first day of employment.

(2) A state agency must certify employment for the purposes of the public service loan forgiveness program in accordance with the program established in section 3 of this act beginning July 1, 2023.

(a) If a state agency does not directly certify employment with the United States department of education, the state agency must annually provide notice of renewal and a copy of the public service loan forgiveness form with employer information and employment certification sections of the form already completed reflecting at least the last 12 months of employment to:

(i) An employee who requests a public service loan forgiveness form;

(ii) Any current employee for whom the state agency has previously certified employment, unless the employee has opted out; and

(iii) An employee upon separation from service or employment, unless the employee has opted out. The notice of renewal and completed employer sections of the public service loan forgiveness form provided to a separated employee must be sent within 60 days of separation and are exempted from the annual requirement set forth in subsection (2)(a) of this section.

(b) A state agency shall not unreasonably delay in certifying employment.

(c) A state agency must seek permission from its employees prior to certifying their employment.

(d) Institutions of higher education must use the calculation established in section 5 of this act and may apply it retroactively to determine whether a part-time academic employee is considered full time for the public service loan forgiveness program.

(e) A state agency may send the information necessary for public service loan forgiveness employment certification to the United States department of education, or its agents, if the United

States department of education permits public service employers to certify employment for past or present individual employees or groups of employees directly, notwithstanding other provisions of law.

(f) The office of financial management is authorized to adopt rules for the purpose of this section.

(3) An employee of a state agency may opt out of the employment certification process established in section 3 of this act at any time.

(4) For purposes of this section, the definitions in this subsection apply:

(a) "Certifying employment" means either completing the employer sections of the public service loan forgiveness form or sharing data directly with the United States department of education that corresponds to the information required for the public service loan forgiveness form.

(b) "Full time" has the same meaning as set forth in 34 C.F.R. Sec. 685.219.

(c) "Public service employer" includes the following:

NEW SECTION. Sec. 5. A new section is added to chapter 41.04 RCW to read as follows:

For the purpose of determining whether a part-time academic employee at an institution of higher education is considered full time for certifying employment for the public service loan forgiveness program, duties performed in support of, or in addition to, contractually assigned in-class teaching hours must be included. To calculate this, each hour of in-class teaching time shall be multiplied by 3.35 hours. This section shall not supersede any calculation or adjustment established by a collective bargaining agreement or employer policy for additional work done outside of in-class teaching. An institution of higher education shall not treat any adjusted total hours worked differently from hours worked without an adjustment when determining whether an employee is full time. "Institution of higher education" has the same meaning as "institutions of higher education" in RCW 28B.10.016.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

MESSAGE FROM THE HOUSE

March 3, 2022

MR. PRESIDENT:

The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5878 with the following amendment(s): 5878-S.E AMH ENGR H2797.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) Washington state has long led the way in creating arts education policy. Washington state was one of the first states to adopt visual and performing arts graduation requirements. Our state has a two-credit visual and performing arts graduation requirement, although the second credit may be waived in certain circumstances. Our state has also been a leader by formally declaring the arts including dance, music, theatre, visual arts, and media as core content areas in the definition of basic education. However, there is a very large gap between policy and practice in our state. While most high schools offer a range of arts courses, it is not uncommon for middle schools to offer only one of the arts, usually music, and for elementary schools to offer no formal arts instruction at all,

during the regular school day. When arts instruction is offered, it is often as an extracurricular activity, a volunteer docent program, or as a program which meets far less often than other core subjects do. Further, students who perform poorly on standardized tests in math and English often have what little arts instruction they would normally receive taken away, in favor of remediation in the test subject areas. Our students who live in low socioeconomic areas tend to perform worse on standardized tests. As a result, poorer students in our state tend to be denied arts instruction at a higher rate than students from economically stable homes and neighborhoods. The evidence of the multiple benefits of arts education is voluminous and undeniable. The arts are not only a vehicle for doing better at other subjects; they have immense value in their own right and should be taught as stand-alone disciplines, the way our laws and policies are written.

(2) The legislature intends to clarify, for schools and school districts, the importance of arts education and to bring our schools' practices in line with our state and federal laws and policies, and the promises made to our communities, by ensuring formal instruction in the core disciplines of visual and performing arts for all Washington students, regardless of their family's socioeconomic status or the relative affluence of the neighborhood in which they live. The legislature recognizes and supports that the best practice is for basic education courses, including the arts, to be taught by certificated teachers who are qualified through an endorsement to teach in the subject area of the course. However, the legislature acknowledges that there is a shortage of arts endorsed teachers in Washington, so intends to allow arts instruction to also be provided by certificated teachers actively pursuing an endorsement in the relevant arts discipline.

Sec. 2. RCW 28A.230.020 and 2013 c 23 s 48 are each amended to read as follows:

All common schools shall give instruction in reading, handwriting, orthography, written and mental arithmetic, geography, the history of the United States, English grammar, visual and performing arts, physiology and hygiene with special reference to the effects of alcohol and drug abuse on the human system, science with special reference to the environment, and such other studies as may be prescribed by rule of the superintendent of public instruction. All teachers shall stress the importance of the cultivation of manners, the fundamental principles of honesty, honor, industry and economy, the minimum requisites for good health including the beneficial effect of physical exercise and methods to prevent exposure to and transmission of sexually transmitted diseases, and the worth of kindness to all living creatures and the land. The prevention of child abuse may be offered as part of the curriculum in the common schools.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.230 RCW to read as follows:

(1) Beginning with the 2023-24 school year, school districts with more than 200 enrolled students shall offer regular instruction in at least one visual art or at least one performing art, throughout the school year. Each student must receive instruction in at least one arts discipline throughout their elementary and middle education experience. For grades nine through 12, all students must be given the opportunity to take arts coursework each academic year.

(2) Every student must have access to arts education, as part of basic education under RCW 28A.150.210. Arts instruction must be accessible by all students, in a manner that is commensurate with instruction in other core subject areas.

(3)(a) Except as provided in (b) of this subsection, arts instruction must be provided by either: A certificated teacher with an endorsement in the relevant arts discipline; or a certificated

teacher actively pursuing an endorsement in the relevant arts discipline.

(b) A person holding a limited teaching certificate may provide arts instruction while either: (i) The school district recruits and hires a certificated teacher with the qualifications provided in (a) of this subsection; or (ii) the certificated teacher with qualifications provided in (a) of this subsection takes leave as provided in the school district's written leave policy required by RCW 28A.400.300.

(4) Instruction under this section must be solely for the arts discipline in the skills and craft of each specific arts discipline as their own end, rather than as a vehicle to enhance learning in any other nonarts subject area. If schools wish to integrate or infuse the arts into other subject matter, they must do so in addition to the regular, formal arts instruction required by this section.

(5) The arts instructors in each school district, as subject matter experts, shall be consulted to determine which specific visual and performing arts courses to offer at given grade levels, so that instruction is properly aligned to state learning standards in the arts and students' developmental stages and vertically aligned to give arts-focused students the best chance for success in their arts college or career pathway.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.710 RCW to read as follows:

Section 3 of this act, related to arts instruction, governs school operation and management under RCW 28A.710.040 and applies to charter schools with more than 200 enrolled students established under this chapter.

NEW SECTION. Sec. 5. A new section is added to chapter 28A.715 RCW to read as follows:

Section 3 of this act, related to arts instruction, governs school operation and management under RCW 28A.715.020 and applies to state-tribal education compact schools with more than 200 enrolled students established under this chapter."

MESSAGE FROM THE HOUSE

March 4, 2022

MR. PRESIDENT:

The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5268 with the following amendment(s): 5268-S.E AMH APP H2923.1

Strike everything after the enacting clause and insert the following:

"Part 1: Increase the Capabilities of Community Residential Settings and Services

NEW SECTION. **Sec. 1.** (1) The legislature finds that the recommendations in the December 2019 report, "Rethinking Intellectual and Developmental Disability Policy to Empower Clients, Develop Providers, and Improve Services" and recommendations in the 2021 preliminary report of the joint executive and legislative task force established in chapter 317, Laws of 2020 are the product of deliberations among a diverse and dedicated group of stakeholders and are critical to advancing the continuum of care for individuals with developmental disabilities.

(2) The legislature intends to continue efforts to expand community residential settings and supports with the goals of reducing the risk of federal divestment from Washington's intermediate care facilities and delivering appropriate care to clients of the developmental disabilities administration. To that end, the legislature finds that a reliable network of community providers is critical to meeting these goals and that community residential rates must be established at appropriate levels to ensure that individuals with intellectual and developmental disabilities have community residential options that appropriately address their needs and ensure stable, permanent outcomes.

(3) The legislature also finds that it is imperative that internal processes within the department of social and health services, including those that guide eligibility determinations, assess hours of service delivery, and measure quality of providers, be examined to ensure that these systems function in the most streamlined and efficient manner with the goal of achieving a system that has greater consistency with regard to expectations and requirements of providers and that is structured to be more person-centered and user-friendly at interface.

Sec. 2. RCW 43.88C.010 and 2021 c 334 s 975 are each amended to read as follows:

(1) The caseload forecast council is hereby created. The council shall consist of two individuals appointed by the governor and four individuals, one of whom is appointed by the chairperson of each of the two largest political caucuses in the senate and house of representatives. The chair of the council shall be selected from among the four caucus appointees. The council may select such other officers as the members deem necessary.

(3) Approval by an affirmative vote of at least five members of the council is required for any decisions regarding employment of the supervisor. Employment of the supervisor shall terminate after each term of three years. At the end of the first year of each

MR. PRESIDENT:

The House passed SENATE BILL NO. 5498 with the following amendment(s): 5498 AMH ED MOET 115

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature affirms its statutory assertion that the purpose of a high school diploma is to declare that a student is ready for success in postsecondary education, gainful employment, and citizenship, and is equipped with the skills to be a lifelong learner.

(2) The legislature finds that, on rare occasions and due to unforeseen circumstances, school districts may wish to provide recognition of a student's status of being on-track to graduate, which is interrupted by an untimely passing that prevents the completion of the secondary education program. In these limited instances, school districts should have discretion to issue a posthumous high school diploma with an "honoris causa" inscription.

(3) The legislature recognizes that the authority to issue a high school diploma properly rests with the local school district and its determination of whether a student has met the applicable state and local graduation requirements. The legislature finds, however, that establishing uniform requirements governing the issuance of posthumous diplomas by school districts will promote the proper and effective administration of the public education system.

(4) The legislature, therefore, intends to authorize school districts to issue posthumous high school diplomas for qualifying students and in accordance with delineated requirements that promote local discretion, consistent administration, and the acknowledgement of academic achievements that were prematurely interrupted by the student's untimely passing.

Sec. 2. RCW 28A.230.120 and 2008 c 185 s 1 are each amended to read as follows:

(1) School districts shall issue diplomas to students signifying graduation from high school upon the students' satisfactory completion of all local and state graduation requirements. Districts shall grant students the option of receiving a final transcript in addition to the regular diploma.

(2) School districts or schools of attendance shall establish policies and procedures to notify senior students of the transcript option and shall direct students to indicate their decisions in a timely manner. School districts shall make appropriate provisions to assure that students who choose to receive a copy of their final transcript shall receive such transcript after graduation.

(3)(a) A school district may issue a high school diploma to a person who:

(i) Is an honorably discharged member of the armed forces of the United States; and

(ii) Left high school before graduation to serve in World War II, the Korean conflict, or the Vietnam era as defined in RCW 41.04.005.

(b) A school district may issue a diploma to or on behalf of a person otherwise eligible under (a) of this subsection notwithstanding the fact that the person holds a high school equivalency certification or is deceased.

(c) The superintendent of public instruction shall adopt a form for a diploma application to be used by a veteran or a person acting on behalf of a deceased veteran under this subsection (3). The superintendent of public instruction shall specify what constitutes acceptable evidence of eligibility for a diploma.

(4)(a) A school district, at the request of the parent, guardian, or custodian, may issue a posthumous high school diploma for a deceased student if the student:

(i) Was enrolled in a public school of the district at the time of death;

(ii) Was deemed on-track for graduation before the time of death; and

(iii) Died after matriculating into high school.

(b) A high school diploma issued under this subsection (4) must bear the inscription "honoris causa" and may not be issued before the graduation date of the class in which the student was enrolled.

(c) Nothing in this subsection (4):

(i) Obligates school districts to award a diploma for a deceased student at the same ceremony or event as other graduating students; or

(ii) Limits the retroactive issuance of a high school diploma.

(d) Diplomas issued under this subsection (4) may not be applied toward student graduation counts or for any other purpose of federal and state accountability data collection.

NEW SECTION. Sec. 3. This act may be known and cited as Evitan's law."

MESSAGE FROM THE HOUSE

March 4, 2022

MR. PRESIDENT:

The House passed SUBSTITUTE SENATE BILL NO. 5818 with the following amendment(s): 5818-S AMH FITZ H2947.1

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 36.70A.600 and 2020 c 173 s 1 are each amended to read as follows:

(1) A city planning pursuant to RCW 36.70A.040 is encouraged to take the following actions in order to increase its residential building capacity:

(a) Authorize development in one or more areas of not fewer than five hundred acres that include at least one train station served by commuter rail or light rail with an average of at least fifty residential units per acre that require no more than an average of one on-site parking space per two bedrooms in the portions of multifamily zones that are located within the areas;

(b) Authorize development in one or more areas of not fewer than two hundred acres in cities with a population greater than forty thousand or not fewer than one hundred acres in cities with a population less than forty thousand that include at least one bus stop served by scheduled bus service of at least four times per hour for twelve or more hours per day with an average of at least

twenty-five residential units per acre that require no more than an average of one on-site parking space per two bedrooms in portions of the multifamily zones that are located within the areas;

(c) Authorize at least one duplex, triplex, quadplex, sixplex, stacked flat, townhouse, or courtyard apartment on each parcel in one or more zoning districts that permit single-family residences unless a city documents a specific infrastructure of physical constraint that would make this requirement unfeasible for a particular parcel;

(d) Authorize a duplex, triplex, quadplex, sixplex, stacked flat, townhouse, or courtyard apartment on one or more parcels for which they are not currently authorized;

(e) Authorize cluster zoning or lot size averaging in all zoning districts that permit single-family residences;

(f) Adopt a subarea plan pursuant to RCW 43.21C.420;

(g) Adopt a planned action pursuant to RCW 43.21C.440(1)(b)(ii), except that an environmental impact statement pursuant to RCW 43.21C.030 is not required for such an action;

(h) Adopt increases in categorical exemptions pursuant to RCW 43.21C.229 for residential or mixed-use development;

(i) Adopt a form-based code in one or more zoning districts that permit residential uses. "Form-based code" means a land development regulation that uses physical form, rather than separation of use, as the organizing principle for the code;

(j) Authorize a duplex on each corner lot within all zoning districts that permit single-family residences;

(k) Allow for the division or redivision of land into the maximum number of lots through the short subdivision process provided in chapter 58.17 RCW;

(l) Authorize a minimum net density of six dwelling units per acre in all residential zones, where the residential development capacity will increase within the city. For purposes of this subsection, the calculation of net density does not include the square footage of areas that are otherwise prohibited from development, such as critical areas, the area of buffers around critical areas, and the area of roads and similar features;

(m) Create one or more zoning districts of medium density in which individual lots may be no larger than three thousand five hundred square feet and single-family residences may be no larger than one thousand two hundred square feet;

(n) Authorize accessory dwelling units in one or more zoning districts in which they are currently prohibited;

(o) Remove minimum residential parking requirements related to accessory dwelling units;

(p) Remove owner occupancy requirements related to accessory dwelling units;

(q) Adopt new square footage requirements related to accessory dwelling units that are less restrictive than existing square footage requirements related to accessory dwelling units;

(r) Adopt maximum allowable exemption levels in WAC 197-11-800(1) as it existed on June 11, 2020, or such subsequent date as may be provided by the department of ecology by rule, consistent with the purposes of this section;

(s) Adopt standards for administrative approval of final plats pursuant to RCW 58.17.100;

(t) Adopt ordinances authorizing administrative review of preliminary plats pursuant to RCW 58.17.095;

(u) Adopt other permit process improvements where it is demonstrated that the code, development regulation, or ordinance changes will result in a more efficient permit process for customers;

(v) Update use matrices and allowable use tables that eliminate conditional use permits and administrative conditional use permits for all housing types, including single-family homes,

FIFTY SEVENTH DAY, MARCH 7, 2022

townhomes, multifamily housing, low-income housing, and senior housing, but excluding essential public facilities;

(w) Allow off-street parking to compensate for lack of on-street parking when private roads are utilized or a parking demand study shows that less parking is required for the project;

(x) Develop a local program that offers homeowners a combination of financing, design, permitting, or construction support to build accessory dwelling units. A city may condition this program on a requirement to provide the unit for affordable home ownership or rent the accessory dwelling unit for a defined period of time to either tenants in a housing subsidy program as defined in RCW 43.31.605(14) or to tenants whose income is less than eighty percent of the city or county median family income. If the city includes an affordability requirement under the program, it must provide additional incentives, such as:

- (i) Density bonuses;
- (ii) Height and bulk bonuses;
- (iii) Fee waivers or exemptions;
- (iv) Parking reductions; or
- (v) Expedited permitting; and

(y) Develop a local program that offers homeowners a combination of financing, design, permitting, or construction support to convert a single-family home into a duplex, triplex, or quadplex where those housing types are authorized. A local government may condition this program on a requirement to provide a certain number of units for affordable home ownership or to rent a certain number of the newly created units for a defined period of time to either tenants in a housing subsidy program as defined in RCW 43.31.605(14) or to tenants whose income is less than eighty percent of the city or county median family income. If the city includes an affordability requirement, it must provide additional incentives, such as:

- (i) Density bonuses;
- (ii) Height and bulk bonuses;
- (iii) Fee waivers or exemptions;
- (iv) Parking reductions; or
- (v) Expedited permitting.

(2) A city planning pursuant to RCW 36.70A.040 may adopt a housing action plan as described in this subsection. The goal of any such housing plan must be to encourage construction of additional affordable and market rate housing in a greater variety of housing types and at prices that are accessible to a greater variety of incomes, including strategies aimed at the for-profit single-family home market. A housing action plan may utilize data compiled pursuant to RCW 36.70A.610. The housing action plan should:

(a) Quantify existing and projected housing needs for all income levels, including extremely low-income households, with documentation of housing and household characteristics, and cost-burdened households;

(b) Develop strategies to increase the supply of housing, and variety of housing types, needed to serve the housing needs identified in (a) of this subsection;

(c) Analyze population and employment trends, with documentation of projections;

(d) Consider strategies to minimize displacement of low-income residents resulting from redevelopment;

(e) Review and evaluate the current housing element adopted pursuant to RCW 36.70A.070, including an evaluation of success in attaining planned housing types and units, achievement of goals and policies, and implementation of the schedule of programs and actions;

(f) Provide for participation and input from community members, community groups, local builders, local realtors, nonprofit housing advocates, and local religious groups; and

(g) Include a schedule of programs and actions to implement the recommendations of the housing action plan.

(3) ~~(If adopted by April 1, 2023,)~~ The adoption of ordinances, development regulations and amendments to ~~(development)~~ such regulations, and other nonproject actions taken by a city to implement the actions specified in subsection (1) of this section, with the exception of the action specified in subsection (1)(f) of this section, are not subject to administrative or judicial appeal under chapter 43.21C RCW.

(4) Any action taken by a city prior to April 1, 2023, to amend ~~(their)~~ its comprehensive plan~~(s)~~ or adopt or amend ordinances or development regulations, solely to enact provisions under subsection (1) of this section is not subject to legal challenge under this chapter.

(5) In taking action under subsection (1) of this section, cities are encouraged to utilize strategies that increase residential building capacity in areas with frequent transit service and with the transportation and utility infrastructure that supports the additional residential building capacity.

(6) A city that is planning to take at least two actions under subsection (1) of this section, and that action will occur between July 28, 2019, and April 1, 2021, is eligible to apply to the department for planning grant assistance of up to one hundred thousand dollars, subject to the availability of funds appropriated for that purpose. The department shall develop grant criteria to ensure that grant funds awarded are proportionate to the level of effort proposed by a city, and the potential increase in housing supply or regulatory streamlining that could be achieved. Funding may be provided in advance of, and to support, adoption of policies or ordinances consistent with this section. A city can request, and the department may award, more than one hundred thousand dollars for applications that demonstrate extraordinary potential to increase housing supply or regulatory streamlining.

(7) A city seeking to develop a housing action plan under subsection (2) of this section is eligible to apply to the department for up to one hundred thousand dollars.

(8) The department shall establish grant award amounts under subsections (6) and (7) of this section based on the expected number of cities that will seek grant assistance, to ensure that all cities can receive some level of grant support. If funding capacity allows, the department may consider accepting and funding applications from cities with a population of less than twenty thousand if the actions proposed in the application will create a significant amount of housing capacity or regulatory streamlining and are consistent with the actions in this section.

(9) In implementing chapter 348, Laws of 2019, cities are encouraged to prioritize the creation of affordable, inclusive neighborhoods and to consider the risk of residential displacement, particularly in neighborhoods with communities at high risk of displacement.

Sec. 2. RCW 36.70A.070 and 2021 c 254 s 2 are each amended to read as follows:

The comprehensive plan of a county or city that is required or chooses to plan under RCW 36.70A.040 shall consist of a map or maps, and descriptive text covering objectives, principles, and standards used to develop the comprehensive plan. The plan shall be an internally consistent document and all elements shall be consistent with the future land use map. A comprehensive plan shall be adopted and amended with public participation as provided in RCW 36.70A.140. Each comprehensive plan shall include a plan, scheme, or design for each of the following:

(1) A land use element designating the proposed general distribution and general location and extent of the uses of land, where appropriate, for agriculture, timber production, housing, commerce, industry, recreation, open spaces, general aviation

airports, public utilities, public facilities, and other land uses. The land use element shall include population densities, building intensities, and estimates of future population growth. The land use element shall provide for protection of the quality and quantity of groundwater used for public water supplies. Wherever possible, the land use element should consider utilizing urban planning approaches that promote physical activity. Where applicable, the land use element shall review drainage, flooding, and stormwater runoff in the area and nearby jurisdictions and provide guidance for corrective actions to mitigate or cleanse those discharges that pollute waters of the state, including Puget Sound or waters entering Puget Sound.

(2) A housing element ensuring the vitality and character of established residential neighborhoods that:

(a) Includes an inventory and analysis of existing and projected housing needs that identifies the number of housing units necessary to manage projected growth, as provided by the department of commerce, including:

(i) Units for moderate, low, very low, and extremely low-income households; and

(ii) Emergency housing, emergency shelters, and permanent supportive housing;

(b) Includes a statement of goals, policies, objectives, and mandatory provisions for the preservation, improvement, and development of housing, including single-family residences, and within an urban growth area boundary, moderate density housing options including $((\frac{1}{2}))_2$, but not limited to, duplexes, triplexes, and townhomes;

(c) Identifies sufficient capacity of land for housing including, but not limited to, government-assisted housing, housing for moderate, low, very low, and extremely low-income households, manufactured housing, multifamily housing, group homes, foster care facilities, emergency housing, emergency shelters, permanent supportive housing, and within an urban growth area boundary, consideration of duplexes, triplexes, and townhomes;

(d) Makes adequate provisions for existing and projected needs of all economic segments of the community, including:

(i) Incorporating consideration for low, very low, extremely low, and moderate-income households;

(ii) Documenting programs and actions needed to achieve housing availability including gaps in local funding, barriers such as development regulations, and other limitations;

(iii) Consideration of housing locations in relation to employment location; and

(iv) Consideration of the role of accessory dwelling units in meeting housing needs;

(e) Identifies local policies and regulations that result in racially disparate impacts, displacement, and exclusion in housing, including:

(i) Zoning that may have a discriminatory effect;

(ii) Disinvestment; and

(iii) Infrastructure availability;

(f) Identifies and implements policies and regulations to address and begin to undo racially disparate impacts, displacement, and exclusion in housing caused by local policies, plans, and actions;

(g) Identifies areas that may be at higher risk of displacement from market forces that occur with changes to zoning development regulations and capital investments; and

(h) Establishes antidisplacement policies, with consideration given to the preservation of historical and cultural communities as well as investments in low, very low, extremely low, and moderate-income housing; equitable development initiatives; inclusionary zoning; community planning requirements; tenant protections; land disposition policies; and consideration of land that may be used for affordable housing.

In counties and cities subject to the review and evaluation requirements of RCW 36.70A.215, any revision to the housing element shall include consideration of prior review and evaluation reports and any reasonable measures identified. The housing element should link jurisdictional goals with overall county goals to ensure that the housing element goals are met.

The adoption of ordinances, development regulations and amendments to such regulations, and other nonproject actions taken by a city that is required or chooses to plan under RCW 36.70A.040 that increase housing capacity, increase housing affordability, and mitigate displacement as required under this subsection (2) and that apply outside of critical areas are not subject to administrative or judicial appeal under chapter 43.21C RCW unless the adoption of such ordinances, development regulations and amendments to such regulations, or other nonproject actions has a probable significant adverse impact on fish habitat.

(3) A capital facilities plan element consisting of: (a) An inventory of existing capital facilities owned by public entities, showing the locations and capacities of the capital facilities; (b) a forecast of the future needs for such capital facilities; (c) the proposed locations and capacities of expanded or new capital facilities; (d) at least a six-year plan that will finance such capital facilities within projected funding capacities and clearly identifies sources of public money for such purposes; and (e) a requirement to reassess the land use element if probable funding falls short of meeting existing needs and to ensure that the land use element, capital facilities plan element, and financing plan within the capital facilities plan element are coordinated and consistent. Park and recreation facilities shall be included in the capital facilities plan element.

(4) A utilities element consisting of the general location, proposed location, and capacity of all existing and proposed utilities, including, but not limited to, electrical lines, telecommunication lines, and natural gas lines.

(5) Rural element. Counties shall include a rural element including lands that are not designated for urban growth, agriculture, forest, or mineral resources. The following provisions shall apply to the rural element:

(a) Growth management act goals and local circumstances. Because circumstances vary from county to county, in establishing patterns of rural densities and uses, a county may consider local circumstances, but shall develop a written record explaining how the rural element harmonizes the planning goals in RCW 36.70A.020 and meets the requirements of this chapter.

(b) Rural development. The rural element shall permit rural development, forestry, and agriculture in rural areas. The rural element shall provide for a variety of rural densities, uses, essential public facilities, and rural governmental services needed to serve the permitted densities and uses. To achieve a variety of rural densities and uses, counties may provide for clustering, density transfer, design guidelines, conservation easements, and other innovative techniques that will accommodate appropriate rural economic advancement, densities, and uses that are not characterized by urban growth and that are consistent with rural character.

(c) Measures governing rural development. The rural element shall include measures that apply to rural development and protect the rural character of the area, as established by the county, by:

(i) Containing or otherwise controlling rural development;

(ii) Assuring visual compatibility of rural development with the surrounding rural area;

(iii) Reducing the inappropriate conversion of undeveloped land into sprawling, low-density development in the rural area;

FIFTY SEVENTH DAY, MARCH 7, 2022

2022 REGULAR SESSION

(iv) Protecting critical areas, as provided in RCW 36.70A.060, and surface water and groundwater resources; and

(v) Protecting against conflicts with the use of agricultural, forest, and mineral resource lands designated under RCW 36.70A.170.

(d) Limited areas of more intensive rural development. Subject to the requirements of this subsection and except as otherwise specifically provided in this subsection (5)(d), the rural element may allow for limited areas of more intensive rural development, including necessary public facilities and public services to serve the limited area as follows:

(i) Rural development consisting of the infill, development, or redevelopment of existing commercial, industrial, residential, or mixed-use areas, whether characterized as shoreline development, villages, hamlets, rural activity centers, or crossroads developments.

(A) A commercial, industrial, residential, shoreline, or mixed-use area are subject to the requirements of (d)(iv) of this subsection, but are not subject to the requirements of (c)(ii) and (iii) of this subsection.

(B) Any development or redevelopment other than an industrial area or an industrial use within a mixed-use area or an industrial area under this subsection (5)(d)(i) must be principally designed to serve the existing and projected rural population.

(C) Any development or redevelopment in terms of building size, scale, use, or intensity shall be consistent with the character of the existing areas. Development and redevelopment may include changes in use from vacant land or a previously existing use so long as the new use conforms to the requirements of this subsection (5);

(ii) The intensification of development on lots containing, or new development of, small-scale recreational or tourist uses, including commercial facilities to serve those recreational or tourist uses, that rely on a rural location and setting, but that do not include new residential development. A small-scale recreation or tourist use is not required to be principally designed to serve the existing and projected rural population. Public services and public facilities shall be limited to those necessary to serve the recreation or tourist use and shall be provided in a manner that does not permit low-density sprawl;

(iii) The intensification of development on lots containing isolated nonresidential uses or new development of isolated cottage industries and isolated small-scale businesses that are not principally designed to serve the existing and projected rural population and nonresidential uses, but do provide job opportunities for rural residents. Rural counties may allow the expansion of small-scale businesses as long as those small-scale businesses conform with the rural character of the area as defined by the local government according to RCW 36.70A.030(23). Rural counties may also allow new small-scale businesses to utilize a site previously occupied by an existing business as long as the new small-scale business conforms to the rural character of the area as defined by the local government according to RCW 36.70A.030(23). Public services and public facilities shall be limited to those necessary to serve the isolated nonresidential use and shall be provided in a manner that does not permit low-density sprawl;

(iv) A county shall adopt measures to minimize and contain the existing areas or uses of more intensive rural development, as appropriate, authorized under this subsection. Lands included in such existing areas or uses shall not extend beyond the logical outer boundary of the existing area or use, thereby allowing a new pattern of low-density sprawl. Existing areas are those that are clearly identifiable and contained and where there is a logical boundary delineated predominately by the built environment, but

that may also include undeveloped lands if limited as provided in this subsection. The county shall establish the logical outer boundary of an area of more intensive rural development. In establishing the logical outer boundary, the county shall address (A) the need to preserve the character of existing natural neighborhoods and communities, (B) physical boundaries, such as bodies of water, streets and highways, and land forms and contours, (C) the prevention of abnormally irregular boundaries, and (D) the ability to provide public facilities and public services in a manner that does not permit low-density sprawl;

(v) For purposes of (d) of this subsection, an existing area or existing use is one that was in existence:

(A) On July 1, 1990, in a county that was initially required to plan under all of the provisions of this chapter;

(B) On the date the county adopted a resolution under RCW 36.70A.040(2), in a county that is planning under all of the provisions of this chapter under RCW 36.70A.040(2); or

(C) On the date the office of financial management certifies the county's population as provided in RCW 36.70A.040(5), in a county that is planning under all of the provisions of this chapter pursuant to RCW 36.70A.040(5).

(e) Exception. This subsection shall not be interpreted to permit in the rural area a major industrial development or a master planned resort unless otherwise specifically permitted under RCW 36.70A.360 and 36.70A.365.

(6) A transportation element that implements, and is consistent with, the land use element.

(a) The transportation element shall include the following subelements:

(i) Land use assumptions used in estimating travel;

(ii) Estimated traffic impacts to state-owned transportation facilities resulting from land use assumptions to assist the department of transportation in monitoring the performance of state facilities, to plan improvements for the facilities, and to assess the impact of land-use decisions on state-owned transportation facilities;

(iii) Facilities and services needs, including:

(A) An inventory of air, water, and ground transportation facilities and services, including transit alignments and general aviation airport facilities, to define existing capital facilities and travel levels as a basis for future planning. This inventory must include state-owned transportation facilities within the city or county's jurisdictional boundaries;

(B) Level of service standards for all locally owned arterials and transit routes to serve as a gauge to judge performance of the system. These standards should be regionally coordinated;

(C) For state-owned transportation facilities, level of service standards for highways, as prescribed in chapters 47.06 and 47.80 RCW, to gauge the performance of the system. The purposes of reflecting level of service standards for state highways in the local comprehensive plan are to monitor the performance of the system, to evaluate improvement strategies, and to facilitate coordination between the county's or city's six-year street, road, or transit program and the office of financial management's ten-year investment program. The concurrency requirements of (b) of this subsection do not apply to transportation facilities and services of statewide significance except for counties consisting of islands whose only connection to the mainland are state highways or ferry routes. In these island counties, state highways and ferry route capacity must be a factor in meeting the concurrency requirements in (b) of this subsection;

(D) Specific actions and requirements for bringing into compliance locally owned transportation facilities or services that are below an established level of service standard;

(E) Forecasts of traffic for at least ten years based on the adopted land use plan to provide information on the location, timing, and capacity needs of future growth;

(F) Identification of state and local system needs to meet current and future demands. Identified needs on state-owned transportation facilities must be consistent with the statewide multimodal transportation plan required under chapter 47.06 RCW;

(iv) Finance, including:

(A) An analysis of funding capability to judge needs against probable funding resources;

These strategies may include increased public transportation service, ride-sharing programs, demand management, and other transportation systems management strategies. For the purposes of this subsection (6), "concurrent with the development" means that improvements or strategies are in place at the time of development, or that a financial commitment is in place to complete the improvements or strategies within six years. Requirements to incorporate any such new or amended elements shall be null and void until funds sufficient to cover applicable local government costs are appropriated and distributed by the state at least two years before local government must update comprehensive plans as required in RCW 36.70A.130.

(5) Disclosure or admission of evidence excepted from the privilege under subsection (2) or (3) of this section does not make the evidence or any other collaborative law communication discoverable or admissible for any other purpose.

(6) The privileges under RCW 7.77.150 do not apply if the parties agree in advance in a signed record, or if a record of a proceeding reflects agreement by the parties, that all or part of a collaborative law process is not privileged. (1) In issuing any type of protection order, other than an extreme risk protection order, the court shall have broad discretion to grant such relief as the court deems proper, including an order that provides relief as follows:

(a) Restrain the respondent from committing any of the following acts against the petitioner and other persons protected by the order: Domestic violence; nonconsensual sexual conduct or nonconsensual sexual penetration; sexual abuse; stalking; acts of abandonment, abuse, neglect, or financial exploitation against a vulnerable adult; and unlawful harassment;

(b) Restrain the respondent from making any attempts to have contact, including nonphysical contact, with the petitioner or the petitioner's family or household members who are minors or other members of the petitioner's household, either directly, indirectly, or through third parties regardless of whether those third parties know of the order;

(c) Exclude the respondent from the dwelling that the parties share; from the residence, workplace, or school of the petitioner; or from the day care or school of a minor child;

(d) Restrain the respondent from knowingly coming within, or knowingly remaining within, a specified distance from a specified location including, but not limited to, a residence, school, day care, workplace, the protected party's person, and the protected party's vehicle. The specified distance shall presumptively be at least 1,000 feet, unless the court for good cause finds that a shorter specified distance is appropriate;

(e) If the parties have children in common, make residential provisions with regard to their minor children on the same basis as is provided in chapter 26.09 RCW. However, parenting plans as specified in chapter 26.09 RCW must not be required under this chapter. The court may not delay or defer relief under this chapter on the grounds that the parties could seek a parenting plan or modification to a parenting plan in a different action. A protection order must not be denied on the grounds that the parties have an existing parenting plan in effect. A protection order may suspend the respondent's contact with the parties' children under an existing parenting plan, subject to further orders in a family law proceeding;

The court shall consider the ability of the respondent to pay for an evaluation. Minors are presumed to be unable to pay. The parent or legal guardian is responsible for costs unless the parent or legal guardian demonstrates inability to pay;

(h) In cases where the petitioner and the respondent are students who attend the same public or private elementary, middle, or high school, the court, when issuing a protection order and providing relief, shall consider, among the other facts of the case, the severity of the act, any continuing physical danger, emotional distress, or educational disruption to the petitioner, and the financial difficulty and educational disruption that would be caused by a transfer of the respondent to another school. The court

may order that the respondent not attend the public or private elementary, middle, or high school attended by the petitioner. If a minor respondent is prohibited attendance at the minor's assigned public school, the school district must provide the student comparable educational services in another setting. In such a case, the district shall provide transportation at no cost to the respondent if the respondent's parent or legal guardian is unable to pay for transportation. The district shall put in place any needed supports to ensure successful transition to the new school environment. The court shall send notice of the restriction on attending the same school as the petitioner to the public or private school the respondent will attend and to the school the petitioner attends;

(i) Require the respondent to pay the administrative court costs and service fees, as established by the county or municipality incurring the expense, and to reimburse the petitioner for costs incurred in bringing the action, including reasonable attorneys' fees or limited license legal technician fees when such fees are incurred by a person licensed and practicing in accordance with state supreme court admission and practice rule 28, the limited practice rule for limited license legal technicians. Minors are presumed to be unable to pay. The parent or legal guardian is responsible for costs unless the parent or legal guardian demonstrates inability to pay;

(j) Restrain the respondent from harassing, following, monitoring, keeping under physical or electronic surveillance, ~~((cyberstalking))~~ cyber harassment as defined in RCW 9.61.260 ~~(as recodified by this act)~~, and using telephonic, audiovisual, or other electronic means to monitor the actions, location, or communication of the petitioner or the petitioner's family or household members who are minors or other members of the petitioner's household. For the purposes of this subsection, "communication" includes both "wire communication" and "electronic communication" as defined in RCW 9.73.260;

(k) Other than for respondents who are minors, require the respondent to submit to electronic monitoring. The order must specify who shall provide the electronic monitoring services and the terms under which the monitoring must be performed. The order also may include a requirement that the respondent pay the costs of the monitoring. The court shall consider the ability of the respondent to pay for electronic monitoring;

(l) Consider the provisions of RCW 9.41.800, and order the respondent to surrender, and prohibit the respondent from accessing, having in his or her custody or control, possessing, purchasing, attempting to purchase or receive, or receiving, all firearms, dangerous weapons, and any concealed pistol license, as required in RCW 9.41.800;

(m) Order possession and use of essential personal effects. The court shall list the essential personal effects with sufficient specificity to make it clear which property is included. Personal effects may include pets. The court may order that a petitioner be granted the exclusive custody or control of any pet owned, possessed, leased, kept, or held by the petitioner, respondent, or minor child residing with either the petitioner or respondent, and may prohibit the respondent from interfering with the petitioner's efforts to obtain the pet. The court may also prohibit the respondent from knowingly coming within, or knowingly remaining within, a specified distance of specified locations where the pet is regularly found;

(n) Order use of a vehicle;

(o) Enter an order restricting the respondent from engaging in abusive litigation as set forth in chapter 26.51 RCW or in frivolous filings against the petitioner, making harassing or libelous communications about the petitioner to third parties, or making false reports to investigative agencies. petitioner may request this relief by separate motion at any time within five years of the date the protection order is entered even if the order has since expired. A stand-alone motion for an order restricting abusive litigation may be brought by a party who meets the requirements of chapter 26.51 RCW regardless of whether the party has previously sought a protection order under this chapter, provided the motion is made within five years of the date the order that made a finding of domestic violence was entered. In cases where a finding of domestic violence was entered pursuant to an order under chapter 26.09, 26.26, or 26.26A RCW, a motion for an order restricting abusive litigation may be brought under the family law case or as a stand-alone action filed under this chapter, when it is not reasonable or practical to file under the family law case;

(p) Restrain the respondent from committing acts of abandonment, abuse, neglect, or financial exploitation against a vulnerable adult;

(q) Require an accounting by the respondent of the disposition of the vulnerable adult's income or other resources;

(r) Restrain the transfer of either the respondent's or vulnerable adult's property, or both, for a specified period not exceeding 90 days;

(s) Order financial relief and restrain the transfer of jointly owned assets;

(t) Restrain the respondent from possessing or distributing intimate images, as defined in RCW 9A.86.010, depicting the petitioner including, but not limited to, requiring the respondent to: Take down and delete all intimate images and recordings of the petitioner in the respondent's possession or control; and cease any and all disclosure of those intimate images. The court may also inform the respondent that it would be appropriate to ask third parties in possession or control of the intimate images of this protection order to take down and delete the intimate images so that the order may not inadvertently be violated; or

(u) Order other relief as it deems necessary for the protection of the petitioner and other family or household members who are minors or vulnerable adults for whom the petitioner has sought protection, including orders or directives to a law enforcement officer, as allowed under this chapter.

(2) The court in granting a temporary antiharassment protection order or a civil antiharassment protection order shall not prohibit the respondent from exercising constitutionally protected free speech. Nothing in this section prohibits the petitioner from utilizing other civil or criminal remedies to restrain conduct or communications not otherwise constitutionally protected.

(3) The court shall not take any of the following actions in issuing a protection order.

(a) The court may not order the petitioner to obtain services including, but not limited to, drug testing, victim support services, a mental health assessment, or a psychological evaluation.

(b) The court may not order the petitioner to pay the respondent's attorneys' fees or other costs.

(c) The court shall not issue a full protection order to any party except upon notice to the respondent and the opportunity for a hearing pursuant to a petition or counter-petition filed and served by the party seeking relief in accordance with this chapter. Except as provided in RCW 7.105.210, the court shall not issue a temporary protection order to any party unless the party has filed a petition or counter-petition for a protection order seeking relief in accordance with this chapter.

(d) Under no circumstances shall the court deny the petitioner the type of protection order sought in the petition on the grounds that the court finds that a different type of protection order would have a less severe impact on the respondent.

(4) The order shall specify the date the order expires, if any. For permanent orders, the court shall set the date to expire 99 years from the issuance date. The order shall also state whether the court issued the protection order following personal service, service by electronic means, service by mail, or service by publication, and whether the court has approved service by mail or publication of an order issued under this section.

- (d) On the same basis as is provided in chapter 26.09 RCW, the court shall make residential provision with regard to minor children of the parties. However, parenting plans as specified in chapter 26.09 RCW shall not be required under this chapter;
- (e) Order the respondent to participate in a domestic violence perpetrator treatment program approved under RCW 26.50.150;
- (f) Order other relief as it deems necessary for the protection of the petitioner and other family or household members sought to be protected, including orders or directives to a peace officer, as allowed under this chapter;
- (g) Require the respondent to pay the administrative court costs and service fees, as established by the county or municipality incurring the expense and to reimburse the petitioner for costs incurred in bringing the action, including reasonable attorneys' fees or limited license legal technician fees when such fees are incurred by a person licensed and practicing in accordance with the state supreme court's admission to practice rule 28, the limited practice rule for limited license legal technicians;
- (h) Restrain the respondent from having any contact with the victim of domestic violence or the victim's children or members of the victim's household;
- (i) Restrain the respondent from harassing, following, keeping under physical or electronic surveillance, ~~((cyberstalking))~~ cyber harassment as defined in RCW 9.61.260 (as recodified by this act), and using telephonic, audiovisual, or other electronic means to monitor the actions, location, or communication of a victim of domestic violence, the victim's children, or members of the victim's household. For the purposes of this subsection, "communication" includes both "wire communication" and "electronic communication" as defined in RCW 9.73.260;
- (j) Require the respondent to submit to electronic monitoring. The order shall specify who shall provide the electronic monitoring services and the terms under which the monitoring must be performed. The order also may include a requirement that the respondent pay the costs of the monitoring. The court shall

consider the ability of the respondent to pay for electronic monitoring;

(k) Consider the provisions of RCW 9.41.800;

(l) Order possession and use of essential personal effects. The court shall list the essential personal effects with sufficient specificity to make it clear which property is included. Personal effects may include pets. The court may order that a petitioner be granted the exclusive custody or control of any pet owned, possessed, leased, kept, or held by the petitioner, respondent, or minor child residing with either the petitioner or respondent and may prohibit the respondent from interfering with the petitioner's efforts to remove the pet. The court may also prohibit the respondent from knowingly coming within, or knowingly remaining within, a specified distance of specified locations where the pet is regularly found;

(m) Order use of a vehicle; and

(n) Enter an order restricting the respondent from engaging in abusive litigation as set forth in chapter 26.51 RCW. A petitioner may request this relief in the petition or by separate motion. A petitioner may request this relief by separate motion at any time within five years of the date the order for protection is entered even if the order has since expired. A stand-alone motion for an order restricting abusive litigation may be brought by a party who meets the requirements of chapter 26.51 RCW regardless of whether the party has previously sought an order for protection under this chapter, provided the motion is made within five years of the date the order that made a finding of domestic violence was entered. In cases where a finding of domestic violence was entered pursuant to an order under chapter 26.09, 26.26, or 26.26A RCW, a motion for an order restricting abusive litigation may be brought under the family law case or as a stand-alone action filed under this chapter, when it is not reasonable or practical to file under the family law case.

(2) If a protection order restrains the respondent from contacting the respondent's minor children the restraint shall be for a fixed period not to exceed one year. This limitation is not applicable to orders for protection issued under chapter 26.09, 26.10, 26.26A, or 26.26B RCW. With regard to other relief, if the petitioner has petitioned for relief on his or her own behalf or on behalf of the petitioner's family or household members or minor children, and the court finds that the respondent is likely to resume acts of domestic violence against the petitioner or the petitioner's family or household members or minor children when the order expires, the court may either grant relief for a fixed period or enter a permanent order of protection.

If the petitioner has petitioned for relief on behalf of the respondent's minor children, the court shall advise the petitioner that if the petitioner wants to continue protection for a period beyond one year the petitioner may either petition for renewal pursuant to the provisions of this chapter or may seek relief pursuant to the provisions of chapter 26.09, 26.26A, or 26.26B RCW.

(3) If the court grants an order for a fixed time period, the petitioner may apply for renewal of the order by filing a petition for renewal at any time within the three months before the order expires. The petition for renewal shall state the reasons why the petitioner seeks to renew the protection order. Upon receipt of the petition for renewal the court shall order a hearing which shall be not later than ~~((fourteen))~~ 14 days from the date of the order. Except as provided in RCW 26.50.085, personal service shall be made on the respondent not less than five days before the hearing. If timely service cannot be made the court shall set a new hearing date and shall either require additional attempts at obtaining personal service or permit service by publication as provided in RCW 26.50.085 or by mail as provided in RCW 26.50.123. If the

court permits service by publication or mail, the court shall set the new hearing date not later than ~~((twenty-four))~~ 24 days from the date of the order. If the order expires because timely service cannot be made the court shall grant an ex parte order of protection as provided in RCW 26.50.070. The court shall grant the petition for renewal unless the respondent proves by a preponderance of the evidence that the respondent will not resume acts of domestic violence against the petitioner or the petitioner's children or family or household members when the order expires. The court may renew the protection order for another fixed time period or may enter a permanent order as provided in this section. The court may award court costs, service fees, and reasonable attorneys' fees as provided in subsection (1)(g) of this section.

(4) In providing relief under this chapter, the court may realign the designation of the parties as "petitioner" and "respondent" where the court finds that the original petitioner is the abuser and the original respondent is the victim of domestic violence and may issue an ex parte temporary order for protection in accordance with RCW 26.50.070 on behalf of the victim until the victim is able to prepare a petition for an order for protection in accordance with RCW 26.50.030.

(5) Except as provided in subsection (4) of this section, no order for protection shall grant relief to any party except upon notice to the respondent and hearing pursuant to a petition or counter-petition filed and served by the party seeking relief in accordance with RCW 26.50.050.

(6) The court order shall specify the date the order expires if any. The court order shall also state whether the court issued the protection order following personal service, service by publication, or service by mail and whether the court has approved service by publication or mail of an order issued under this section.

(7) If the court declines to issue an order for protection or declines to renew an order for protection, the court shall state in writing on the order the particular reasons for the court's denial.

Sec. 17. RCW 26.50.070 and 2019 c 245 s 14 are each amended to read as follows:

(1) Where an application under this section alleges that irreparable injury could result from domestic violence if an order is not issued immediately without prior notice to the respondent, the court may grant an ex parte temporary order for protection, pending a full hearing, and grant relief as the court deems proper, including an order:

(a) Restraining any party from committing acts of domestic violence;

(b) Restraining any party from going onto the grounds of or entering the dwelling that the parties share, from the residence, workplace, or school of the other, or from the day care or school of a child until further order of the court;

(c) Prohibiting any party from knowingly coming within, or knowingly remaining within, a specified distance from a specified location;

(d) Restraining any party from interfering with the other's custody of the minor children or from removing the children from the jurisdiction of the court;

(f) Restraining the respondent from harassing, following, keeping under physical or electronic surveillance, ~~((cyberstalking))~~ cyber harassment as defined in RCW 9.61.260 (as recodified by this act), and using telephonic, audiovisual, or other electronic means to monitor the actions, location, or communication of a victim of domestic violence, the victim's children, or members of the victim's household. For the purposes

of this subsection, "communication" includes both "wire communication" and "electronic communication" as defined in RCW 9.73.260.

(2) In issuing the order, the court shall consider the provisions of RCW 9.41.800, and shall order the respondent to surrender, and prohibit the respondent from possessing, all firearms, dangerous weapons, and any concealed pistol license as required in RCW 9.41.800.

(3) Irreparable injury under this section includes but is not limited to situations in which the respondent has recently threatened petitioner with bodily injury or has engaged in acts of domestic violence against the petitioner.

(4) The court shall hold an ex parte hearing in person or by telephone on the day the petition is filed or on the following judicial day.

(5) An ex parte temporary order for protection shall be effective for a fixed period not to exceed ~~((fourteen))~~ 14 days or ~~((twenty-four))~~ 24 days if the court has permitted service by publication under RCW 26.50.085 or by mail under RCW 26.50.123. The ex parte temporary order may be reissued. A full hearing, as provided in this chapter, shall be set for not later than ~~((fourteen))~~ 14 days from the issuance of the ex parte temporary order or not later than ~~((twenty-four))~~ 24 days if service by publication or by mail is permitted. Except as provided in RCW 26.50.050, 26.50.085, and 26.50.123, the respondent shall be personally served with a copy of the ex parte temporary order along with a copy of the petition and notice of the date set for the hearing.

(6) Any order issued under this section shall contain the date and time of issuance and the expiration date and shall be entered into a statewide judicial information system by the clerk of the court within one judicial day after issuance.

(7) If the court declines to issue an ex parte temporary order for protection the court shall state the particular reasons for the court's denial. The court's denial of a motion for an ex parte temporary order for protection shall be filed with the court.
