DIGEST & HISTORY ON LEGISLATIVE BILLS, MEMORIALS, AND RESOLUTIONS; RCW - BILL TABLE; TOPICAL INDEX; AND SESSION LAW CHAPTER TO BILL TABLE

** Compiled to and Inclusive of April 18, 2018 **

BRAD HENDRICKSON  BERNARD DEAN
Secretary of the Senate  Chief Clerk, House of Representatives

With the Cooperation of the Statute Law Committee
& the Legislative Service Center
The brief descriptions and digest paragraphs in this digest were prepared by the employees of the legislature as a guide to interested persons concerned with the various measures pending before the legislature. Brief descriptions and digest paragraphs are not offered in substitution of or supplementary to the official titles and official text of the legislative measures. The brief descriptions and digest paragraphs are not intended to constitute any part of the law, are not in any manner adopted or acted upon by the legislature, and are in no way evidence of the intent of the legislature.

If the only action on a bill for a session is "By resolution, reintroduced and retained in present status." and no action other than "By resolution, reintroduced and retained in present status." occurs in subsequent sessions in the two-year legislative cycle for that bill, the history for those sessions will not be printed in this publication.

Companion bills are shown for original bills only.

The brief description for each bill family shows only once on the original bill unless there is a change in the brief description for a later version of the bill.
HOW TO USE
THE "LEGISLATIVE DIGEST AND HISTORY OF BILLS"

The Legislative Digest and History of Bills is a joint legislative publication which is published after the final legislative session each year.

During the legislative session, a daily Legislative Digest is available. Use the daily Legislative Digest to keep up with the new introductions (including substitute bills) and the amendments to the various measures in between publications of the Legislative Digest and History of Bills. (A "-S" or ".S2" following the bill number indicates a substitute, e.g., SB 5009-S, HB 1071-S2.) The latest legislative history on the measures is also provided in the Legislative Digest publication.

This publication consists of three parts:
(1) Digest paragraphs and legislative actions on all measures (bills);
(2) RCW - Bill Table;
(3) Topical Index; and
(4) Session Law Chapter to Bill Table

DIGEST PARAGRAPHS AND LEGISLATIVE ACTIONS

This portion consists of the following:
(1) The summary digest paragraphs and legislative actions on all bills, joint memorials, joint resolutions, concurrent resolutions, and floor resolutions considered by the House or Senate during the legislative session;
(2) Summary paragraph and legislative actions on gubernatorial appointments submitted to and being considered by the Senate;
(3) The listing of the bills a member has sponsored along with an indication of prime sponsorship; and
(4) The special status of legislation reports for the Senate and the House.

The bulk of the Legislative Digest and History of Bills is formed by an in-sequence listing of measures. In this listing are included the measure number, the legislative and "by-request" sponsors, the latest digest paragraphs, and the bill histories. This portion of the publication is divided into two sections: Senate measures and House measures. Initiatives, bills, joint memorials, joint resolutions, concurrent resolutions, floor resolutions, and gubernatorial appointments are included as measures.

Reports on the special status of legislation follow the Senate and House digest history portion of the book. The reports are listed as they become available as legislation progresses down the path toward enactment. A full listing of the reports available in a particular Legislative Digest and History of Bills is found on the Index Page of the Legislative Digest and History of Bills beginning on page one. Several examples of these reports are:

(1) Senate Bills Introduced by Members
(Prime sponsorship is noted by a bullet (large dot) before the bill number;) 
(2) Senate Bills Introduced by Request; 
(3) Senate Bills Passed by the Senate; 
(4) Senate Bills Passed by the Senate and House; 
(5) Senate Bills Failed to Pass the House; 
(6) Senate Bills Passed Both Houses Showing Executive Action; and 
(7) Governor's Messages on Bills Vetoed or Partially Vetoed
   VO - Veto overridden
   PV - Partial Veto
   V - Veto

Comparable reports are supplied for the House Bills. (See Table of Contents for page numbers.)
RCW - BILL TABLE

The Legislative Digest and History of Bills contains a table which lists the statutes being affected by the current bills. This table is widely used by legislative drafters as well as all other attorneys concerned with the legislative process. The "S" found preceding the bill numbers in this table means that the bill being referred to is the substitute version. All first substitutes are noted by an "S" preceding the bill number; second, third, etc., are noted by 2S, 3S, etc.; e.g.,

38.03.030    AMD    SHB    1301*
38.03.040    AMD    SHB    1375+
39.07.060    REP    2SSB    5111

The "RCW (Statute Number) to Bill Number Table" lists in code section number order the sections in the Revised Code of Washington (RCW) that are the subject matter of current legislation. The action the bill takes on the section is listed with the following abbreviations: ADD (adding a new section or section to a code chapter or code title), AMD (amending), DECD (decodifying), RECD (recodifying), REMD (reenacting and amending), REEN (reenacting), and REP (repealing). It is especially useful in the closing days of the session to determine whether a code section currently under consideration by the legislature may already have been repealed or amended during the session, in which event the earlier action must be taken in cognizance. In addition to being included in the Legislative Digest and History of Bills, an electronic version of this table is available at Washington State Legislative website. The URL to the website is http://www.leg.wa.gov, choose Bill Info and then RCW to Bill Table.

The symbols on the table indicate whether the amended section or the new section has passed the legislature or has been signed into law or vetoed by the Governor. A "p" following the bill number means that the legislature has passed the bill. An asterisk (*) means that executive action or inaction has been recorded upon the bill during the first year of the two-year legislative cycle. A plus sign (+) means that executive action or inaction has been recorded upon the bill during the second year of the two-year legislative cycle. Generally, the "*" and "+" mean that the Governor has signed the bill into law with or without a partial veto.

TOPICAL INDEX

The Topical Index is at the end of the Legislative Digest and History of Bills. The Topical Index entries are entered soon after the bills are introduced on the floor, so that researchers can search the text of the index for measures related to their issue. Various symbols are found in the index which aid in determining the type of measures to which the index entry refers. The table of abbreviated symbols for the Topical Index is found on the page beginning the Topical Index section.

VETO MESSAGE ON SB 5037

May 16, 2017

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 5, Senate Bill No. 5037 entitled:

"AN ACT Relating to making a fourth driving under the influence offense a felony."

Section 5 of this bill increases the $200 fee assessed to alcohol violators by $50. The revenue is used to fund grants to organizations that operate programs to reduce driving under the influence of alcohol or drugs. This language is nearly identical to Section 13 of Engrossed Second Substitute House Bill 1614, which passed on April 21, 2017, and will soon be signed into law. However, Engrossed Second Substitute House Bill 1614 includes a provision that a minimum of $300,000 of these grant funds shall support newly established pilot programs for persons with two or more prior offenses in seven years, a preferable approach.

For these reasons I have vetoed Section 5 of Senate Bill No. 5037.

Respectfully submitted,

Jay Inslee
Governor

With the exception of Section 5, Senate Bill No. 5037 is approved.

Companion Bill: 1540

Providing public notices of public health, safety, and welfare in a language other than English.

(SUBSTITUTED FOR - SEE 1ST SUB)

Requires state agencies, that are required by law or rule to provide public notices to a community or area to advise or inform the public about an imminent or emergent public health, safety, or welfare risk, to provide the notices in the language that diverse residents can understand when a significant segment of the community speaks a language other than English and has limited proficiency in English.

Requires each local organization or joint local organization for emergency management to maintain updated demographic data for their jurisdictions and information on the languages represented by their respective communities.

SB 5046-S by Senate Committee on Local Government

(originally sponsored by Senators Hasegawa, Chase, Darnell, and Rolfs)

(DIGEST AS ENACTED)

Requires a state agency that provides life safety information in an emergency or disaster to: (1) Provide to the relevant committees of the legislature, a copy of its current communication plan for notifying significant population segments of the information, including the agency's point of contact; and

(2) Submit an annual report to the relevant committees of the legislature identifying those instances of emergency or disaster in the preceding year in which life safety information was provided and what public messaging strategies and means were used to notify citizens with limited English proficiency.

Requires each local organization or joint local organization for emergency management that produces a local comprehensive emergency management plan to: (1) Include a communication plan for notifying significant population segments of life safety information during an emergency;

(2) Submit the plans to the state military department emergency management division; and

(3) When conducting emergency or disaster after-action reviews, evaluate the effectiveness of communication of life safety information and inform the emergency management division of the state military department of technological challenges which limited communications efforts.

Requires the state military department emergency management division to: (1) Submit a report every five years to the relevant committees of the legislature containing the status of the communication plans; and

(2) Provide the legislature an annual report on instances of emergency or disaster in which communication of life safety information was technologically infeasible.

Provides that this act is null and void if appropriations are not approved.

VETO MESSAGE ON SB 5096

May 16, 2017

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 209(9), 215(6), 306(17), 702, 705, and 1303, Engrossed Senate Bill No. 5096 entitled:

"AN ACT Relating to transportation funding and appropriations."

I am returning herewith, without my approval as to Sections 209(9), 215(6), 306(17), 702, 705, and 1303, Engrossed Senate Bill No. 5096 entitled:

"AN ACT Relating to transportation funding and appropriations."

Section 209(9), pages 21-22, Department of Transportation, Toll Operations and Maintenance

Section 209(9) directs the Department of Transportation's Toll Operations and Maintenance program to study and report to the legislative transportation committees on the potential of converting two staffed tollbooths on the Tacoma Narrows Bridge to unstaffed. No funding was provided for the study. For this reason, I have vetoed Section 209(9).
Section 215(6), page 27, Department of Transportation, Highway Maintenance

Section 215(6) requires the department to create and maintain a separate maintenance budget for the Hood Canal Bridge. The department is not required to maintain separate budgets for other bridges and roads, and this would limit the department's flexibility to manage its budget. For these reasons, I have vetoed Section 215(6).

Section 306(17), page 43, Department of Transportation, Improvements

Section 306(17) creates a new I-5/Exit 274 interchange project in Blaine to be funded with $12,100,000 of Connecting Washington Account-State funds in the 2023-25 biennium. It directs the LEAP transportation document referenced in Section 306(1) to be modified accordingly. The I-5/Exit 274 interchange project in Blaine does not appear in LEAP Transportation Document 2017-1, nor is there any information about project scope. This LEAP transportation document should not be amended for a project without sufficient information about its scope and cost. For this reason, I have vetoed Section 306(17).

Section 702, pages 75-76, Settlement Funds Expenditure

Section 702 provides a legislative finding that it is appropriate to provide a framework for the administration of mitigation funds provided to the state as a beneficiary of the consent decree entered into between the United States, Volkswagen AG, and other parties that settle emission-related claims for certain models of diesel vehicles (commonly referred to as the VW Settlement). Accordingly, the section provides that the omnibus capital budget for the Department of Ecology includes necessary provisions to administer the mitigation funds and development of the mitigation plan. The Legislature has not adopted an omnibus capital budget. Therefore, it is not possible to determine at this time what provisions the final capital budget may contain nor whether such provisions will be acceptable. For this reason, I have vetoed Section 702. I will continue to work with the Legislature to ensure prompt administration of the settlement funds under the terms of the consent decree. I also have directed the departments of Ecology and Transportation to jointly develop the proposed mitigation plan for public comment and submittal to the trustee.

Section 705, pages 78-79, DUI Fee

Section 705 amends RCW 46.61.5054. This statute was amended in two other bills--Section 5 of Senate Bill 5037 and Section 13 of Engrossed Second Substitute House Bill 1614, which I will sign into law on May 16, 2017. The amendment in Engrossed Second Substitute House Bill 1614 renders moot the amendment in Section 705. For this reason, I have vetoed Section 705.

Section 1303, page 157, Effective Date of Section 705

Section 1303 enables Section 705 of the transportation budget to take effect if Senate Bill 5037 is enacted by June 30, 2017. Since I am vetoing Section 705, this section is no longer required. For this reason, I have vetoed Section 1303.

For these reasons I have vetoed Sections 209(9), 215(6), 306(17), 702, 705, and 1303 of Engrossed Senate Bill No. 5096.

With the exception of Sections 209(9), 215(6), 306(17), 702, 705, and 1303, Engrossed Senate Bill No. 5096 is approved.

Respectfully submitted,
Jay Inslee
Governor

SB 5107-S2 by Senate Committee on Ways & Means (originally sponsored by Senators Billig, Fain, Rolfs, Wellman, Walsh, Zeiger, Lias, Cleveland, Hunt, Conway, Saldaña, Kuderer, and Mullet)

Facilitating local funding and involvement in expanding early childhood education and assistance program eligibility.

(DIGEST AS ENACTED)

Creates a local pathway to high quality early learning to help local governments, school districts, institutions of higher education, and nonprofit organizations understand how they can use additional local and private funds with existing funds to expand access for existing programs.

Authorizes local governments, school districts, institutions of higher education, and nonprofit organizations to contribute funds to the department of early learning for: (1) Initial investments to build capacity and quality in local early care and education programming; (2) Reductions in copayments charged to parents or caregivers; and (3) Expanding access and eligibility in the early childhood education and assistance program.

Requires those funds to be deposited in the early start account.

Requires the department of early learning to: (1) Reduce barriers and increase efficiency for using local or private funds, or both, to provide more high quality early learning opportunities; and (2) Separately track funds received for each local government, school district, institution of higher education, or nonprofit organization that deposits funds into the early start account.

Prohibits grants and contributions from community sources from supplanting the funding required for the full statewide implementation of the early learning program.

SB 5266 by Senators O'Ban, Pedersen, Angel, and Darneille

Companion Bill: 1292

Modifying theft of rental, leased, lease-purchased, or loaned property provisions. (REVISED FOR PASSED LEGISLATURE: Concerning theft of rental or leased property.)

(DIGEST AS PASSED LEGISLATURE)

Includes in the crime of theft of rental or leased property, when a person who has control of personal property under a written rental or lease agreement intentionally holds the property beyond the expiration of the rental or lease period without the effective consent of the owner of the property, depriving the owner of the property of its use in further rentals.

VETO MESSAGE ON ESB 5266

May 5, 2017

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval, Engrossed Senate Bill No. 5266 entitled:

"AN ACT Relating to theft of rental property."

Engrossed Senate Bill No. 5266 creates a new criminal offense for a person who fails to return rental or leased property at the expiration of the rental or lease period and, after proper notice, fails to return the property within 72 hours and pay the applicable rental charges which have accrued. I have serious concerns with this approach. The bill has the effect of criminalizing debt and would disproportionately affect low-income Washingtonians and their families. These matters could more prudently be handled in a civil setting.

For these reasons I have vetoed Engrossed Senate Bill No. 5266 in its entirety.

Respectfully submitted,
Jay Inslee
Governor

Revises distracted driving provisions with regard to portable electronic devices which are defined as a device that is capable of wireless communication or electronic data retrieval and is not manufactured primarily for hands-free use in a motor vehicle.

Creates the distracted driving prevention account.

VETO MESSAGE ON SSB 5289

May 16, 2017

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 5, Substitute Senate Bill No. 5289 entitled:

"AN ACT Relating to updating the distracted driving infraction."

The bill creates a new traffic infraction that prohibits a person from using a personal electronic device while driving a motor vehicle on a public highway. Section 5 creates a delayed implementation date of January 1, 2019. I am vetoing this section because public safety is better served by implementing this bill this year.

For these reasons I have vetoed Section 5 of Substitute Senate Bill No. 5289.

With the exception of Section 5, Substitute Senate Bill No. 5289 is approved.

Respectfully submitted,
Jay Inslee
Governor

VETO MESSAGE ON ESSB 5293
May 16, 2017

To the Honorable President and Members, The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval, Engrossed Substitute Senate Bill No. 5293 entitled:

"AN ACT Relating to court-based and school-based efforts to promote attendance and reduce truancy."

Engrossed Substitute Senate Bill No. 5293 makes several changes to existing truancy statutes, primarily to address issues resulting from legislative changes to the statutes in the 2015 session. Engrossed Substitute Senate Bill No. 5293 and Second Substitute House Bill No. 1170 were both passed by the Legislature this year and amend several of the same sections of law. The changes cannot all be successfully merged to result in single amendments to the statutes due to conflicting language. A veto will ensure there are not inconsistent amendments to the statutes.

For these reasons I have vetoed Engrossed Substitute Senate Bill No. 5293 in its entirety.

Respectfully submitted,
Jay Inslee

SB 5294 by Senators Padden and O'Ban
Concerning the department of corrections.

(SUBSTITUTED FOR - SEE 1ST SUB)

Authorizes the creation of the office of the corrections ombuds.

Requires the governor to: (1) Convene an ombuds advisory council with several purposes in support of the ombuds function; and

(2) Ensure that all offices are performing their duties and all personal and professional conflicts of interest are avoided.

Requires the state auditor to designate the nonprofit organization that will contract to operate the office of the corrections ombuds.

Directs the office of financial management to require the performance audit of the state employee whistleblower program to review the legislative report from the senate law and justice committee and other pertinent documentation regarding the department of corrections early release error, with particular focus on the inability of department of corrections employees to use the state employee whistleblower program to address concerns with mismanagement of the department of corrections.

Requires the joint legislative audit and review committee to conduct an immediate performance audit of the information technology and records departments at the department of corrections.

Creates the joint legislative task force to simplify criminal sentencing to: (1) Review and make recommendations regarding how the sentencing reform act of 1981 can be simplified; and

(2) Limit the review to technical, nonsubstantive changes that will not reduce punishment or risk public safety.

SB 5294-S by Senate Committee on Law & Justice (originally sponsored by Senators Padden and O'Ban)

(AS OF SENATE 2ND READING 5/02/17)

Addresses the department of corrections' early release error of over thirty-two hundred prisoners during a thirteen-year period.

Authorizes the creation of the office of the corrections ombuds, independent of the department of corrections and the governor's office, and funded through the office of the state auditor.

Requires the governor to: (1) Convene an ombuds advisory council with several purposes in support of the ombuds function; and

(2) Ensure that all offices are performing their duties and all personal and professional conflicts of interest are avoided.

Requires the state auditor to designate the nonprofit organization that will contract to operate the office of the corrections ombuds.

Directs the office of financial management to require the performance audit of the state employee whistleblower program to review the legislative report from the senate law and justice committee and other pertinent documentation regarding the department of corrections early release error, with particular focus on the inability of department of corrections employees to
use the state employee whistleblower program to address concerns with mismanagement of the department of corrections. Prohibits the settlement of a cause of action brought by an employee from containing a provision prohibiting the employee from future work in state government. Requires the joint legislative audit and review committee to conduct an immediate performance audit of the information technology and records departments at the department of corrections. Creates the joint legislative task force to simplify criminal sentencing to: (1) Review and make recommendations regarding how the sentencing reform act of 1981 can be simplified; and (2) Limit the review to technical, nonsubstantive changes that will not reduce punishment or risk public safety.

SB 5779 by Senators Brown and O'Ban
Concerning behavioral health integration in primary care.

(SUBSTITUTED FOR - SEE 1ST SUB)

Establishes the youth behavioral health protection act.

Addresses a health care integration model in which behavioral health care is colocated, collaborative, and integrated within a primary care setting.

Requires the state health care authority to: (1) In order to increase the availability of behavioral health services to children and youth and incentivize adoption of the primary care behavioral health model, establish a methodology and rate which provides increased reimbursement to providers for behavioral health services provided to patients up to eighteen years of age in primary care settings;

(2) Complete a review of payment codes available to health plans and providers related to behavioral health;

(3) Create a matrix listing behavioral health-related codes available for provider payment through medical assistance programs; and

(4) Along with the department of social and health services, establish a performance measure to be integrated into the statewide common measure set which tracks the degree of integration of behavioral health services in primary care settings.

SB 5779-S by Senate Committee on Human Services, Mental Health & Housing (originally sponsored by Senators Brown and O’Ban)

(DIGEST AS ENACTED)

Requires the state health care authority to: (1) Complete a review of payment codes available to health plans and providers related to primary care and behavioral health;

(2) Concurrent with the review, create matrices listing the following codes available for provider payment through medical assistance programs: Behavioral health-related codes; and physical health-related codes available for payment when provided in licensed behavioral health agencies;

(3) For children who are eligible for medical assistance and who have been identified as requiring mental health treatment, oversee the coordination of resources and services through the managed health care system and tribal organizations providing health care services; and

(4) Along with the department of social and health services, establish a performance measure to be integrated into the statewide common measure set which tracks effective integration practices of behavioral health services in primary care settings.

VETO MESSAGE ON SSB 5779

May 5, 2017

To the Honorable President and Members,

The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 7, Substitute Senate Bill No. 5779 entitled:

"AN ACT Relating to behavioral health integration in primary care."

Section 7 of this bill states that subject to appropriation, the Health Care Authority should implement a rate with "the intention that it will increase the availability of behavioral health services and incentivize adoption of the primary care behavioral health model." The section further states that the rate should "provide increased reimbursement to providers for behavioral health services provided to patients in primary care settings."

Section 7 is unnecessary because we do not yet know what funding may be required and no budget has identified funding that corresponds to this section of this bill. This section is therefore premature and the agency does not have the capacity to absorb any new potential costs within its current funding.

"This veto does not impact the substance of the bill. I agree that we must increase access to behavioral health services; this is a priority the state has been deeply engaged in for some time. In addition, while I am vetoing Section 7, I am directing the Health Care Authority once the payment code review is done as required in the substance of the bill, to recommend an appropriate reimbursement rate for providers for this work, and report any projected costs to the appropriate committees of the legislature and myself by October 15, 2017, and submit a decision package for consideration as part of next year's supplemental budget."

For these reasons I have vetoed Section 7 of Substitute Senate Bill No. 5779.

With the exception of Section 7, Substitute Senate Bill No. 5779 is approved.

Respectfully submitted, Jay Inslee
Governor

(DIGEST AS ENACTED)

VETO MESSAGE ON SSB 5790

May 16, 2017

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 3, Substitute Senate Bill No. 5790 entitled:
"AN ACT Relating to the economic development element of the growth management act."

The Growth Management Act (GMA) provides for a balanced approach between community economic development and the conservation of resource lands, such as farms and forests. Section 3 of this bill undermines that balance by favoring, in certain counties, economic development over the protection of these resource lands.

I am committed to supporting economic development across Washington State so all areas and communities thrive. This commitment includes working with legislators and stakeholders on how we better develop the economy of rural and other underserved areas. At the same time, I remain committed to fully supporting the GMA, which has created the framework for thoughtful growth and comprehensive development plans while protecting vital resource lands.

During special session, I am willing to consider a more targeted bill that provides some additional flexibility to encourage economic development in rural communities, while maintaining the overall balanced approach within the GMA.

Over the interim, it would also be helpful to reexamine how we encourage economic development in rural areas. This would be an appropriate topic for the broader review of the GMA as proposed in the Senate and House budgets.

For these reasons I have vetoed Section 3 of Substitute Senate Bill No. 5790.

With the exception of Section 3, Substitute Senate Bill No. 5790 is approved.

Respectfully submitted,
Jay Inslee
Governor

(DIGEST AS ENACTED)

VETO MESSAGE ON SSB 5883
June 30, 2017

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 103(4); 136(2); 150(8); 207(12); 213(1)(a), page 108, lines 37-39, through page 109, line 2, beginning with "The administration and ending with "administrative costs."; 217(1); 217(2); 222(4); 302(2); 610(13); 734; 964(3); and 1213(1), page 455, lines 6-9, Substitute Senate Bill No. 5883 entitled:

"AN ACT Relating to fiscal matters."

Section 103(4), pages 4-5, Joint Legislative Audit and Review Committee, Evaluation of Market Rate Housing and Subsidized Housing Projects

This section creates an evaluation and comparison of the cost efficiency of market rate housing in Washington versus publicly subsidized housing projects intended to assist low-income households. The solution to our state's housing crisis is less a comparison between market rate and subsidized housing than it is a comprehensive set of all available options to meet a serious need. For this reason, I have vetoed Section 103(4).

Section 136(2), page 37, Department of Revenue, Contract with Sound Transit

This subsection requires the Department of Revenue to renegotiate its contract with Sound Transit for the collection of sales tax. The department is required to charge Sound Transit an administrative fee of 1 percent, which is more than is charged under the current contract. This will reduce the funding available for Sound Transit to deliver the voter-approved transit package. For these reasons, I have vetoed Section 136(2).

Section 150(8), page 48, Consolidated Technology Services Agency, Washington Business OneStop Portal

The operating budget does not provide the Consolidated Technology Services Agency with revenue for continuation of this project, and assumes the agency will spend existing fund balance. However, there is not sufficient funding available to spend on this project. For these reasons, I have vetoed Section 150(8).

Section 207(12), pages 97-99, Department of Social and Health Services, Legislative-Executive WorkFirst Poverty Reduction Oversight Task Force

Funding is provided for a legislative-executive WorkFirst poverty reduction oversight task force with the primary goal of reducing the overall percentage of families and individuals living in poverty. However, Section 207(12) provides the task force with oversight of the partner agencies' operations related to the WorkFirst and Temporary Assistance for Needy Families program. While I agree with the primary goal to reduce intergenerational poverty, this oversight is beyond the scope and authority necessary to develop a comprehensive poverty reduction plan. Therefore, I have vetoed Section 207(12), and I am directing the Department of Social and Health Services to form a workgroup that includes members of the Legislature and appropriate state agencies to develop a plan to address this important issue.

Section 213(1)(a), page 108, lines 37-39, through page 109, line 2, beginning with "The administration" and ending with "administrative costs.", Health Care Authority, Pharmacy Preferred Drug List and Pharmacy Benefit Manager

This section requires a substantive change in the administration of the prescription drug benefit by requiring the use of a single pharmacy benefits manager. The remainder of the section is an appropriation that directs the implementation of a preferred drug list and related transparency and reporting requirements. The vetoed language is a distinct, separate subject, constituting a separate section. The constitution prohibits two subjects contained in one bill, and therefore, the budget bill may not contain substantive law. Exercising my constitutional line item veto authority, I am removing this separate pharmacy benefit manager section from the budget bill. For this reason, I have vetoed Section 213(1)(a), page 108, lines 37-39, through page 109, line 2, beginning with "The administration" and ending with "administrative costs.

Section 217(1), pages 130-131, Department of Labor and Industries, Subminimum Teen Wage

This section requires the Department of Labor and Industries to engage in rule making to review the minimum wage for employees under eighteen years of age in light of the enactment of Initiative 1433. In development of the rule, the department
must consider several areas of research and have a proposed rule for consideration by December 1, 2017.

I-1433 increased Washington State's minimum wage and provided paid sick leave. Low-wage workers, including teen workers, have not been able to keep up with the cost of living even though workers are producing more. Instead of suppressing wages, I am committed to investing in job creation and job opportunities for all workers, including options that provide incentives for employers to hire teen workers and invest in pre-apprenticeship programs. Finally, the Legislature has for the past three years considered reducing wages for workers under age 18, and every effort has failed. For these reasons, I have vetoed Section 217(1).

Section 217(2), page 131, Department of Labor and Industries, Occupational Disease Study

The Department of Labor and Industries is required to conduct a study on occupational disease claims, including where employment is the proximate cause of diseases and conditions that are covered under industrial insurance.

The 2011 Legislature directed the department to contract with a research entity to study the frequency and severity of occupational disease claims. The research found that the evidence suggests little reason for concern over Washington’s system. The system has adequate checks and balances which ensure that only work-related conditions are compensated. For these reasons, I have vetoed Section 217(2).

Section 222(4), page 148, Employment Security Department, Center for Workers - King County

The Employment Security Department is to contract with a center for workers in King County to provide rapid response services for dislocated workers through state funds from the Administrative Contingency Account. The department has sufficient dedicated federal funds to provide statewide rapid response services, including in King County. This proviso is unnecessary and it limits the department's ability to provide comprehensive statewide services and leverage statewide efficiencies and collaboration. For these reasons, I have vetoed section 222(4).

Section 302(2), pages 161-162, Department of Ecology, Burrowing Shrimp Control

This subsection requires the Department of Ecology to report on the status of its environmental review and possible issuance of a permit to allow use of the pesticide Imidacloprid to control burrowing shrimp. This subsection also requires Ecology to identify the steps it will take to ensure a viable and economically feasible alternative if the pesticide use is not permitted.

Burrowing shrimp is a serious problem for the shellfish industry in Willapa Bay and Grays Harbor. However, the proviso inappropriately presumes the outcome of the environmental review and permitting process.

For these reasons, I have vetoed Section 302(2). While I am vetoing this subsection, I am directing the Department of Ecology to complete the environmental review process as soon as possible and to keep the Legislature informed of its progress.

Section 610(13), page 250, The Evergreen State College, Local Government Study

This subsection requires the Washington State Institute for Public Policy (WSIPP) to study comparative constitutional and statutory obligations and revenue capacity of local governments, and provide a report of its research and findings to the Legislature by December 30, 2017. The study is outside the scope of typical research projects performed by WSIPP, and the funding level is insufficient to contract for the work within the short timeline. For these reasons, I have vetoed Section 610(13).

Section 734, pages 288-289, Transportation, Reductions to Agency Management

This section reduces funding for management positions in agencies funded in the transportation budget. This is an unnecessary reduction in funding and would impact the ability of agencies to recruit and retain qualified staff as the state embarks on the largest transportation investment package in Washington history. For these reasons, I have vetoed Section 734.

Section 964(3), page 329, Law Enforcement Officers' and Firefighters' Retirement System, (LEOFF) Distribution

This language expresses the Legislature's intent that future distributions to the Local Law Enforcement Officers' and Firefighters' Retirement System Benefits Improvement Account may include transfers from the LEOFF 2 pension fund. I have consistently vetoed similar provisions in the past, and I remain concerned about the wisdom of such transfers from a retirement fund. For this reason, I have vetoed Section 964(3).

Section 1213(1), page 455, 6-9, Health Care Authority, General Fund-State and Federal Appropriations

The Legislature did not provide the Health Care Authority with sufficient funding for Healthier Washington savings restoration. Without these funds, the Health Care Authority will be unable to close the state fiscal year. For this reason, I have vetoed Section 1213(1), page 455, lines 6 through 9. Because this veto will result in more General Fund-State than is necessary to close the state fiscal year, I am directing the Health Care Authority to place the $6.0 million GF-State appropriation into reserve.

For these reasons I have vetoed Sections 103(4); 136(2); 150(8); 207(12); 213(1)(a); page 108, lines 37-39, through page 109, line 2, beginning with "The administration" and ending with "administrative costs."; 217(1); 217(2); 222(4); 302(2); 610(13); 734; 964(3); and 1213(1), page 455, lines 6-9 of Substitute Senate Bill No. 5883.

With the exception of Sections 103(4); 136(2); 150(8); 207(12); 213(1)(a); page 108, lines 37-39, through page 109, line 2, beginning with "The administration" and ending with "administrative costs."; 217(1); 217(2); 222(4); 302(2); 610(13); 734; 964(3); and 1213(1), page 455, lines 6-9, Substitute Senate Bill No. 5883 is approved.

Respectfully submitted,
Jay Inslee
Governor

Creating the orca protection act. 
(AS OF SENATE 2ND READING 3/03/18) 
Establishes the orca protection act. 
Requires the department of fish and wildlife to: (1) In order to facilitate the enforcement of RCW 77.15.740, provide extra protection to newborn calves, and protect critical feeding areas, conduct patrols during the twenty-two most active weeks for southern resident killer whale viewing activity each year and prioritize Wednesday through Monday patrols when the activity is most active; (2) In the event that orca whales are not present, place emphasis on patrols that protect living marine resources in northern Puget Sound; (3) Coordinate with appropriate federal, tribal, county, and nongovernmental partners to identify research and management actions undertaken that relate to impacts from human-generated marine noise; and (4) Identify relevant research findings and management actions undertaken and identify options and recommendations on potential actions the state can take. 

Includes as a natural resource infraction, when a person causes: (1) An aircraft to approach within two hundred yards of a southern resident orca whale; or (2) A vessel to exceed a speed over ground of seven knots within four hundred yards of a southern resident orca whale. 
Requires the Salish Sea institute at Western Washington University to: (1) Convene a meeting to improve the coordination of recovery strategies for southern resident killer whales between Washington and British Columbia; and (2) Establish timelines for recovery actions. 
Increases the endangered wildlife special license plate fees and requires at least five dollars for each initial or renewal plate to be used for orca-related activities.

VETO MESSAGE ON 2ESSB 5890

July 6, 2017

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 13, Second Engrossed Substitute Senate Bill No. 5890 entitled:

"AN ACT Relating to [child welfare,] foster care[,] and adoption support."

Section 13 requires me to regularly acknowledge the contributions of foster parents by, at a minimum, sending them a signed letter. I am always striving to find ways to thank foster parents for what they do. I currently honor them by proclaiming the month of May as Foster Care Month and personally recognizing them at the annual foster parent application event. I will continue to identify ways to express my appreciation.

For these reasons I have vetoed Section 13 of Second Engrossed Substitute Senate Bill No. 5890.

With the exception of Section 13, Second Engrossed Substitute Senate Bill No. 5890 is approved.

Respectfully submitted,
Jay Inslee
Governor

Companion Bill: 2168

Concerning the administration of motor vehicle excise taxes by regional transit authorities.

(AS OF SENATE 2ND READING 6/13/17)

Authorizes a regional transit authority to contract with the department of licensing for the collection of a motor vehicle excise tax only if the authority has implemented a market value adjustment program.

Requires a contract entered into to provide that: (1) The department of licensing will receive amounts sufficient to fully cover the costs applicable to the tax collection and market value adjustment process, including customer service-related costs, information technology-related costs, public announcement and education costs, and liability or other related risk assessment costs; and (2) Any unforeseen future administrative costs will be borne by the regional transit authority.

Requires the department of licensing, if it enters into a contract with a regional transit authority for the collection of a motor vehicle excise tax, to establish a market value adjustment program, to clearly indicate when collecting the tax, the amount of tax owed under current law, the amount of credit applied, and the net result, when notifying taxpayers of the expected tax due.

Requires a regional transit authority, that includes portions of a county with a population of more than 1.5 million and imposes a motor vehicle excise tax, to establish a market value adjustment program to be implemented by December 31, 2017.

Exchanging charitable, educational, penal, and reformatory institutions trust lands for community and technical college forest reserve lands.

(DIGEST AS ENACTED)

Requires the department of natural resources to: (1) Exchange land within the community and technical college forest reserve for land of equal value held for the benefit of charitable, educational, penal, and reformatory institutions that is currently leased to certain community and technical colleges; (2) Transfer the community and technical college forest reserve land that the department acquires in the exchange out of the community and technical college forest reserve; and (3) Transfer ownership of that land to the state board for community and technical colleges to be managed for educational purposes.

VETO MESSAGE ON SB 5924

July 7, 2017

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 2, Senate Bill No. 5924 entitled:

"AN ACT Relating to exchanging charitable, educational, penal, and reformatory institutions trust lands for community and technical college forest reserve lands."

This bill requires the Department of Natural Resources (Department) to exchange community and technical college forest reserve lands for lands of equal value held for the benefit of charitable, educational, penal, and reformatory institutions that are currently leased to certain community and technical colleges. This exchange will benefit all parties, including the Department as trust manager, certain community and technical colleges, and the beneficiaries of these trust lands.

But, I am vetoing Section 2, as the emergency clause is not necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions.

For these reasons I have vetoed Section 2 of Senate Bill No. 5924.

With the exception of Section 2, Senate Bill No. 5924 is approved.

Respectfully submitted,
Jay Inslee
Governor

VETO MESSAGE ON SSB 5977

July 7, 2017

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 201-205 and 601-606, Substitute Senate Bill No. 5977 entitled:

"AN ACT Relating to revenue."

Sections 201 to 205 reduce the general manufacturing business and occupation tax rate and the processing [for] hire rate over four years, beginning in 2019. But at a time when we are asking homeowners to pay more in property taxes to support our children's education, Sections 201 to 205 instead give a tax break to business; and, 21 percent of the revenue from this tax break goes to out-of-state oil companies. This revenue could be used for education, mental health, public safety, and a host of other important public services.

Moreover, these tax reductions should be considered in a thoughtful, transparent process that incorporates public input and business accountability.

Sections 601 to 606 make sales and use tax exemptions to encourage the conversion of power plants to natural gas or biomass from coal. These sections incentivize a company to do something that it is already required to do by law, giving it an unfair advantage over other Washington companies.

For these reasons I have vetoed Sections 201-205 and 601-606 of Substitute Senate Bill No. 5977.

With the exception of Sections 201-205 and 601-606, Substitute Senate Bill No. 5977 is approved.

Respectfully submitted,
Jay Inslee
Governor
responsible to the legislature, and empowered to investigate the
acts of state administrative agencies; and will recommend

**VETO MESSAGE ON ESSB 6032**

March 27, 2018

To the Honorable President and Members,

The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 119(8), 129(21), 135(4), 146(10), 307 lines 14-15, 308(21), 502(1)(b), 504(2), 606(23)(b), 908(3), 103(9), 122(3), 127(56), 135(6), 140(7), 141(4), 146(7), 148(10), 205(1)(w), 206(30), and 501(51), Engrossed Substitute Senate Bill No.6032 entitled:

"AN ACT Relating to fiscal matters."

**Section 119(8), page 19, Secretary of State, Automatic Voter Registration Study**

This section includes funding for the Secretary of State to conduct a study related to automatic voter registration. The requirement to do this study was removed from Engrossed Second Substitute House Bill 2595 (automatic voter registration), but the funding proviso remained in the budget. Because the agency will not be doing this study, the funding is not needed. For this reason, I have vetoed Section 119(8).
Section 129(21), page 56, Office of Financial Management, 2020 Census

Funds are provided to the agency for staffing and support to prepare for the 2020 census in two identical provisos: Section 129(19) and Section 129(21). This is clearly a drafting error because funding for the double proviso is not included in the total appropriation authority. For this reason, I have vetoed Section 129(21).

Section 135(4), pages 59-60, Department of Revenue, Tax Database

The budget provides $150,000 to the department to create a publicly available online searchable database of all taxes and tax rates in the state for each taxing district. This is the same provision that was included in Senate Bill 6590 which had a fiscal note of $1,219,800 for creation of the database. This project cannot be done for the $150,000 provided in the budget. For this reason, I have vetoed Section 135(4).

Section 146(10), page 74, Department of Enterprise Services, Capitol Dome Access

This section directs the Department of Enterprise Services to allow individuals to access the top of the Capitol dome "under approved supervision and guidelines developed by the department." The Olympia Fire Department has assessed this area as a "confined space" which means that it has restricted entry/exit and is not primarily designed for human occupancy. Access should be authorized only for individuals needed to do work on the dome. While the view is beautiful from the dome, there are too many risks involved with granting access to the public. For this reason, I have vetoed Section 146(10).

Section 307, page 261, lines 14-15, Department of Fish and Wildlife, FY 2018 General Fund-State Appropriation

The final budget reduces the department's FY 2018 General Fund-State appropriation by $1,739,000. Although the final budget provides an additional $1.5 million for Orca whale recovery efforts, it does not fully cover the costs of important work needed to begin the recovery of this iconic species. To support Orca recovery efforts, I am vetoing this reduction in appropriation and directing the department to use $650,000 of this amount to complete fish screen inventories, conduct public outreach and education, hire a recovery coordinator position, and support facilitation of the Southern Resident Killer Whale Task Force. I also am directing the agency to place the remaining amount in unallotted status. For this reason, I have vetoed Section 307, page 261, lines 14-15.

Section 308(21), page 274, Department of Natural Resources, SAFER Grant Match

One-time funding of $873,000 General Fund-State is provided to Kittitas County Fire District 7 for matching funds for its Staffing for Adequate Fire and Emergency Response (SAFER) grant from the Federal Emergency Management Agency. Despite the merits of the federal grant funding to provide firefighting staff to the district, the state should not provide the local match for these grants. Operational funding for fire districts is a local decision. Not only would providing the match through the state general fund set a precedent, it would be unfair to the other 19 fire districts across the state that were awarded a similar federal grant and provided their own local match. For these reasons, I have vetoed Section 308(21).

Section 502(1)(h), page 303, Office of Superintendent of Public Instruction for General Apportionment, Net Revenue Hold Harmless

Engrossed Second Substitute Senate Bill 6362 contains a more prescriptive hold harmless calculation than the language in the operating budget. The operating budget will hold districts harmless to a baseline that assumes the levy cliff would go into effect--a decision that the Legislature chose last year not to implement. We must ensure that no school district receives less funding in the 2018-19 school year. For this reason, I have vetoed Section 502(1)(h).

Section 504(2), page 318, Office of Superintendent of Public Instruction for School Employee Compensation Adjustments, Delay Professional Learning Day

The operating budget delays the implementation of state-funded professional learning days by one year. Research shows that time for job embedded professional learning and collaboration is linked to student success. Limiting practices that improve student achievement goes against our goal for a world-class education system. For these reasons, I have vetoed Section 504(2).

Section 606(23)(b), page 372, The Evergreen State College, Funding Options for the Legislature

This proviso allows the Office of Financial Management, State Board for Community and Technical Colleges, and Council of Presidents to use information from a Washington State Institute for Public Policy (WSIPP) study to present funding options to the Legislature. The WSIPP study is related to higher education funding methods in other states. This item directs two separate agencies and the Council of Presidents to perform work that does not naturally fit together with the WSIPP study. For this reason, I have vetoed Section 606(23)(b).

Section 908(3), page 417, Law Enforcement Officers' and Firefighters' Retirement System (LEOFF) Distribution

This language expresses the Legislature's intent that future distributions to the Local Law Enforcement Officers' and Firefighters' Retirement System Benefits Improvement Account may include transfers from the LEOFF 2 pension fund. I have consistently vetoed similar provisions in the past, and I remain concerned about the wisdom of such transfers from a retirement fund. For this reason, I have vetoed Section 908(3).

I am vetoing the following sections related to bills that did not pass the Legislature resulting in the lapse of funding. My veto of these sections will serve to clean up these unnecessary sections of the bill.

Section 103(9), page 5, Joint Legislative Audit & Review Committee, SHB 1154, Fishing and Seafood Processing.

Section 122(3), page 22, State Treasurer's Office, E2SHB 2718, Civil Forfeiture Proceedings.

Section 127(56), page 43, Department of Commerce, ESSB 6081, Net Metering or SHB 2995, Energy.

Section 135(6), page 61, Department of Revenue, E2SHB 2718, Civil Forfeiture Proceedings.

Section 140(7), page 64, Liquor and Cannabis Board, ESSB 6346, Sale of Wine/Microbrewery.

Section 141(4), page 66, Utilities and Transportation Commission, ESSB 6081, Distributed Generation or SHB 2995, Energy.

Section 146(7), page 73, Department of Enterprise Services, ESSB 6081, Net Metering or SHB 2995, Energy.
Governor Jay Inslee

Bill No. 6032 is approved.

Governor

For these reasons I have vetoed Sections 119(8), 129(21), 135(4), 146(10), 307 lines 14-15, 308(21), 502(1)(b), 504(2), 606(23)(b), 908(3), 103(9), 122(3), 127(56), 135(6), 140(7), 141(4), 146(7), 148(10), 205(1)(w), 206(30), and 501(51) of Engrossed Substitute Senate Bill No. 6032.

With the exception of Sections 119(8), 129(21), 135(4), 146(10), 307 lines 14-15, 308(21), 502(1)(b), 504(2), 606(23)(b), 908(3), 103(9), 122(3), 127(56), 135(6), 140(7), 141(4), 146(7), 148(10), 205(1)(w), 206(30), and 501(51) of Engrossed Substitute Senate Bill No. 6032 is approved.

Respectfully submitted,

Companion Bill: 2662
Authorizes limited retail telecommunications services for public utility districts that provide only sewer, water, and telecommunications services on the effective date of this act.

(SUBSTITUTED FOR - SEE 1ST SUB)

Authorizes a public utility district that provides only water, sewer, and telecommunications services in a county with an area less than five hundred square miles, to provide end user telecommunications services.

SB 6034-S by Senate Committee on Energy, Environment & Technology (originally sponsored by Senators Rolfs, Sheldon, Angel, Hunt, Chase, Kuderer, and Hasegawa)

DIGEST AS ENACTED

Authorizes a public utility district that, as of the effective date of this act, provides only water, sewer, and wholesale telecommunications services in certain counties, to provide retail internet service on the district's broadband network located within the district boundaries only when all of the existing providers of end-user internet service on the district's broadband network cease to provide end-user service or provide inadequate end-user service.

Requires a public utility district that provides cable television service to secure a cable television franchise and pay franchise fees and any applicable taxes to the local cable franchise authority.

Prohibits a public utility district from conditioning the availability or cost of other services upon the purchase or use of retail internet service.

Requires the chief administrative law judge to, when requested by the public utility district commissioners, assign an administrative law judge to conduct certain proceedings.
Subjects the property owned by a public utility district that is exempt from property tax to an annual payment in lieu of property taxes if the property consists of a broadband network used in providing retail internet service. Requires the amount of the payment to be determined jointly between the public utility district that owns the property and the county in which the property is located.

VETO MESSAGE ON SB 6058

March 22, 2018

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 4, Senate Bill No. 6058 entitled:

"AN ACT Relating to write-in voting."

Section 4 creates an unintended extra administrative burden for some counties and is not needed for implementation purposes or to meet the intent of the bill.

For these reasons I have vetoed Section 4 of Senate Bill No. 6058.

With the exception of Section 4, Senate Bill No. 6058 is approved.

Respectfully submitted,
Jay Inslee
Governor

VETO MESSAGE ON SSB 6090
January 19, 2018

To the Honorable President and Members, The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 1034, Substitute Senate Bill No. 6090 entitled:

"AN ACT Relating to the capital budget."

Section 1034, pages 48-49, Office of Financial Management, Higher Education and State Facility Financing Study

This appropriation directs the Office of Financial Management (OFM) to study financing options for the construction of higher education facilities. Although there are merits to studying this topic, OFM would like to collaborate with the Legislature on developing the scope and methodology. For this reason, I have vetoed Section 1034.

For these reasons I have vetoed Section 1034 of Substitute Senate Bill No. 6090.

With the exception of Section 1034, Substitute Senate Bill No. 6090 is approved.

Respectfully submitted,
Jay Inslee
Governor

(SUBSTITUTED FOR - SEE 1ST SUB)

Addresses the availability of water to support development.

SB 6091-S  by Senate Committee on Agriculture, Water, Natural Resources & Parks (originally sponsored by Senators Van De Wege, Rolffes, and Frockt)

(DIGEST AS ENACTED)

Addresses the availability of water to support development.
Requires the department of ecology to: (1) Establish watershed restoration and enhancement committees in certain water resource inventory areas; (2) Prepare and adopt a watershed restoration and enhancement plan for certain watersheds in collaboration with the committee; and (3) Initiate two pilot projects to measure water use from all new groundwater withdrawals for domestic purposes exempt from permitting.

Creates the joint legislative task force on water resource mitigation to: (1) Review the treatment of surface water and groundwater appropriations as they relate to instream flows and fish habitat; (2) Develop and recommend a mitigation sequencing process and scoring system to address appropriations; and (3) Review the state supreme court decision in Foster v. Department of Ecology.

Declares an intent to appropriate three hundred million dollars for projects to achieve the goals of this act.

Creates the watershed restoration and enhancement account, the watershed restoration and enhancement taxable bond account, and the watershed restoration and enhancement bond account.

(2) Authorize all persons sixteen and seventeen years old to sign up to register to vote; and
(3) Engage the new voters and encourage their civic participation in an educational environment.

SB 6092 by Senators Billig, Zeiger, Darnelle, Palumbo, Carlyle, Van De Wege, Liias, Keiser, Pedersen, Hunt, Wellman, Kuderer, and Mullet; by request of Secretary of State

Concerning automatic voter registration, including establishing the future voter program for certain persons sixteen and seventeen years of age.

States that it is the intent of the secretary of state and the legislature to: (1) Formalize a registration sign up process for those not yet eighteen years old through the establishment of the future voter program; (2) Authorize all persons sixteen and seventeen years old to sign up to register to vote; and (3) Engage the new voters and encourage their civic participation in an educational environment.

SB 6093 by Senators Cleveland, Rivers, Billig, Carlyle, Keiser, and Hunt

Companion Bill: 2443

Adding the Washington State University college of medicine to the family medicine residency network.

(AS OF SENATE 2ND READING 2/9/18)

Adds the Washington State University college of medicine to the family medicine residency network.

DIGEST AS ENACTED

Makes 2017-2019 supplemental transportation appropriations.

VETO MESSAGE ON ESSB 6106

March 27, 2018

To the Honorable President and Members, The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 208(19), 208(22), 208(25), 208(26), 208(28), 208(29), 208(30), and 212(3), Engrossed Substitute Senate Bill No. 6106 entitled:

"AN ACT Relating to transportation funding and appropriations."
Section 208(19), pages 23-24, Department of Licensing, Licensing Services Work Group

Section 208(19) directs the department to convene a work group comprised of a county auditor, county licensing manager, and three subagent representatives to assess the current licensing services system and the establishment of a new licensing services partnership committee. The work group must consider and make recommendations on expanding services offered by subagents, establishing voluntary payment plans and automatic renewal options, and reviewing the current financial environment of subagents and county auditors. The department already has a specific licensing committee that meets twice a year. It also meets twice a year with the Washington Association of Vehicle Subagents. In addition, the proviso did not provide funding for this work group. While I encourage looking at ways to improve services to the public, this work group provides a forum for communication that already exists and funding is not provided to support the work group. For these reasons, I have vetoed Section 208(19).

I am vetoing the following sections related to bills that did not pass the legislature resulting in the lapse of funding. My veto of these sections will serve to clean up these unnecessary sections of the bill.

Section 207(8), page 18, Washington State Patrol, SHB 2278, Privacy Protections in Government

Section 208(1), pages 19-20, Department of Licensing, EHB 2201 or ESSB 5955, MVET Collection

Section 208(22), page 25, Department of Licensing, SHB 2278, Privacy Protections

Section 208(25), page 25, Department of Licensing, HB 2653, Alternative Fuel Vehicle Exemption or SB 6080, Electrification of Transportation

Section 208(26), page 25, Department of Licensing, SHB 2975, Snow Bikes

Section 208(28), page 26, Department of Licensing, SSB 6009, Issuance of Personalized Collector Vehicle License Plates

Section 208(29), page 26, Department of Licensing, SSB 6107, Electric Motorcycle Registration Renewal Fees

Section 208(30), page 26, Department of Licensing, 2SSB 6189, Suspended or Revoked Driver’s License Provisions

Section 212(3), page 35, Department of Transportation--Aviation ESHB 2295, Electric Aircraft

For these reasons I have vetoed Sections 208(19), 207(8), 208(1), 208(22), 208(25), 208(26), 208(28), 208(29), 208(30), and 212(3) of Engrossed Substitute Senate Bill No. 6106.

With the exception of Sections 208(19), 207(8), 208(1), 208(22), 208(25), 208(26), 208(28), 208(29), 208(30), and 212(3), Engrossed Substitute Senate Bill No. 6106 is approved.

Respectfully submitted,
Jay Inslee
Governor

Feb 22 Passed to Rules Committee for second reading.
Feb 23 1st substitute bill substituted.
Feb 26 Read first time, rules suspended, and placed on second reading calendar.
Feb 27 Floor amendment(s) adopted.

SB 6107 by Senators Rolfses and Mullet
Reducing the electric motorcycle registration renewal fee.

(SUBSTITUTED FOR - SEE 1ST SUB)

Requires the department of licensing, county auditors or other agents, and subagents, before accepting an application for an annual vehicle registration renewal for certain electric motorcycles, to require the applicant to pay a thirty-dollar fee in addition to any other required fees and taxes.

SB 6107-S by Senate Committee on Transportation
(originally sponsored by Senators Rolfses and Mullet)

(AS OF SENATE 2ND READING 3/05/18)
Requires the department of licensing to: (1) Between the effective date of this act and March 31, 2019, before accepting an application for an annual vehicle registration renewal for certain electric motorcycles, require the applicant to pay a one hundred fifty-dollar fee, however, during that same period of
time the applicant is exempt from one hundred twenty dollars of the fee; and
(2) Beginning April 1, 2019, require the applicant to pay a thirty-dollar fee.

Requires the fees to be deposited into the motor vehicle fund.

SB 6109-S by Senate Committee on Ways & Means
(originally sponsored by Senators Van De Wege and Rolfes)

(DIGEST AS ENACTED)

Includes portions of the international wildland urban interface code in the state building code.

Authorizes counties, cities, and towns to adopt the international wildland urban interface code, or any portion thereof.

Requires the department of natural resources to: (1) Establish a program of technical assistance to counties, cities, and towns for the development of findings of fact and maps establishing the wildland urban interface areas of jurisdictions in accordance with the requirements of the international wildland urban interface code; and

(2) Develop and administer a grant program to provide direct financial assistance to counties, cities, and towns for the development of findings of fact and the maps.

Concerning regional funding priority for major military installations.

Requires major military installations, and jurisdictions adjacent to or including a major military installation, to be granted priority for regional funding that is equivalent to the largest municipality within the county in which the installation is located.

SB 6109 by Senators Van De Wege and Rolfes
Concerning the International Wildland Urban Interface Code.
(SUBSTITUTED FOR - SEE 1ST SUB)

Includes the international wildland urban interface code in the state building code.

Prohibits an amendment to the international wildland urban interface code as adopted by the state building code council from resulting in a code that is more than the minimum performance standards and requirements contained in the published model code.

Requires the department of natural resources to establish a program of technical assistance to counties, cities, and towns for the development of findings of fact and maps establishing the wildland urban interface areas of jurisdictions in accordance with the requirements of the international wildland urban interface code.
Prohibiting employers from asking about arrests or convictions before an applicant is determined otherwise qualified for a position.

(SEE ALSO PROPOSED 1ST SUB)

Establishes the Washington fair chance act.

Prohibits an employer from including any question on an application for employment, from inquiring either orally or in writing, from receiving information through a criminal history background check, or from otherwise obtaining information about an applicant's criminal record until after the employer initially determines that the applicant is otherwise qualified for the position.

Requires the state attorney general's office to enforce this act.

Provides that this act is null and void if appropriations are not approved.

Companion Bill: 2495
Updating application requirements for the academic acceleration incentive program.

(SUBSTITUTED FOR - SEE 1ST SUB)
Addresses eligibility for advanced courses in mathematics, science, or computer science and equitable access to dual credit opportunities.

SB 6135-S by Senate Committee on Early Learning & K-12 Education (originally sponsored by Senators Wellman, Zeiger, and Hasegawa; by request of Superintendent of Public Instruction)
Updating application requirements for the academic acceleration incentive program. (REVISED FOR ENGROSSED: Concerning academic programs.)

(AS OF SENATE 2ND READING 2/13/18)
Addresses eligibility for advanced courses in mathematics, science, or computer science and equitable access to dual credit opportunities.
Requires the office of the superintendent of public instruction to, in making grant awards, give priority to grants for high schools: (1) That have not previously received grant funds through the academic acceleration incentive program;
(2) With a high proportion of low-income students;
(3) Identified as having high disproportionality in their dual credit enrollment data; or
(4) Seeking to develop new capacity for dual credit courses rather than proposing marginal expansion of current capacity.
Allows a high school, in a district that has not adopted an academic acceleration policy, to apply for grants if in practice it follows the academic acceleration guidelines and meets other criteria.
Authorizes the office of the superintendent of public instruction to retain a percentage of learning assistance program allocation funds to support districts in meeting certain requirements, including data collection and reporting and providing professional development and technical assistance.
Allows a school district: (1) During the 2018-2019 and 2019-2020 school years only, to expend a portion of the district's learning assistance program allocation to develop a dropout early warning and intervention data system; and
(2) To expend a portion of the district's learning assistance program allocation on interventions for students identified as at risk of not graduating using that data system.

Declares that the legislature finds: (1) The decision in In re Det. of Marcum, 189 Wn.2d 1 (2017) conflicts with the legislature's intent in RCW 71.09.090;
(2) The supreme court’s holding is a mistaken interpretation; and
(3) The purpose of a show cause hearing under RCW 71.09.090 is to provide the court with an opportunity to determine whether probable cause exists to warrant a hearing on whether the person’s condition has changed as it relates to the person's status as a sexually violent predator or whether conditional release to a less restrictive alternative would be appropriate.

Declares an intent to overturn the Marcum decision in favor of the original intent of the statute.

Improving transition planning for students in special education who meet criteria for services from the developmental disabilities administration.

(SEE ALSO PROPOSED 1ST SUB)

Improves transition planning for students in special education who meet criteria for services from the department of social and health services developmental disabilities administration.

SB 6360-S by Senate Committee on Human Services & Corrections (originally sponsored by Senators O'Ban, Darneille, Zeiger, Walsh, Brown, Keiser, and Hasegawa)

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Includes the developmental disabilities administration and the division of vocational rehabilitation in the expansion of interagency agreements for postsecondary transition planning for students in special education.

Coordinates efforts among multiple agencies to efficiently arrive at a meaningful transition plan into adult services for students aged sixteen to twenty-one, or earlier if appropriate, which both minimizes disruption at the time of the student's graduation and the risk of isolation and loss of acquired skills.

Includes the following in the plan: Skill development, job interest sampling and job exploration, and may include other activities explored by students and young adults before job development.

Requires the developmental disabilities administration to coordinate with the office of the superintendent of public instruction to provide training to schools regarding curriculum, eligibility criteria, and application processes relating to services from the developmental disabilities administration.

Requires the developmental disabilities administration, the division of vocational rehabilitation, and the office of the superintendent of public instruction to: (1) Develop a plan of implementation to build statewide capacity among school districts to meet the requirements of this act by January 1, 2021; and

(2) Provide an opportunity for all school districts to participate.

VETO MESSAGE ON E2SSB 6362

March 27, 2018

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 402 and 408, Engrossed Second Substitute Senate Bill No. 6362 entitled:

"AN ACT Relating to modifying basic education funding provisions."

Section 402 delays the implementation of state-funded professional learning days. Research shows that time for job-embedded professional learning and collaboration is linked to student success. Limiting practices that improve student achievement goes against the intent of this bill and our goals. For this reason, I am vetoing Section 402.

Section 408 moves forward by one year the requirement for OSPI to develop rules and budgetary procedures to ensure school districts provide separate accounting of state and local revenues to expenditures. The work is underway to design and build the accounting systems required to implement this data transparency within the original timeline for school year 2019-20. Speeding up the development of the system will jeopardize the long-term reliability of the accounting system and suspend the development of all other systems work. For this reason I am vetoing Section 408.

For these reasons I have vetoed Sections 402 and 408 of Engrossed Second Substitute Senate Bill No. 6362.

With the exception of Sections 402 and 408, Engrossed Second Substitute Senate Bill No. 6362 is approved.

Respectfully submitted,
Jay Inslee
Governor

**SB 6423** by Senators Ranker, Conway, Darnaille, Frockt, Hasegawa, Hunt, Keiser, Kuderer, Nelson, Pedersen, Takko, Wellman, and Rolfes

Concerning the internet.

Establishes the net neutrality act.

Finds that the federal communications commission has repealed net neutrality rules intended to protect consumers and to ensure fair and reasonable access to the internet.

Declares an intent to: (1) Ensure that corporations do not impede competition or engage in deceptive consumer practices and that they offer service to customers on a nondiscriminatory basis; and

(2) Ensure certain principles are met in the provision of internet services.

Requires the director of the consolidated technology services agency to: (1) Adopt guidelines that identify and specify the state government’s role as an internet customer;

(2) Use that customer power to ensure implementation of this act; and

(3) Establish sample master contracts for public entities to be used as an incentive for internet service providers to comply with the net neutrality standards.

Creates the internet consumer access account.

-- 2018 REGULAR SESSION --

Jan 18 First reading, referred to Human Services & Corrections.
Jan 23 Public hearing in the Senate Committee on Human Services & Corrections at 1:30 PM.

SB 6467 by Senators Darneille, O’Ban, Hasegawa, and Kuderer

Companion Bill: 2870

Concerning families in need of services.

(SEE ALSO PROPOSED 2ND SUB)

Repeals chapter 13.32A RCW (the family reconciliation act) and creates a new chapter (the family in need of services act).

Recognizes that there is a need to provide support to youth and families who are experiencing severe conflict.

Finishes that, under the family reconciliation act, at-risk youth petitions and child in need of services petitions were available for youth and families to request assistance.

Finishes that this system was established to recognize early warning signs of risk and provide an avenue through the juvenile court system to request crisis intervention and services to stabilize the family.

Declares an intent to create an early public system response designed to address family crisis by: (1) Merging those petitions into the family in need of services petition;

(2) Providing a legal process by which families that are experiencing crisis can request and receive prompt assistance from juvenile courts;

(3) Providing residential placement and therapeutic support for the youth; and

(4) Allowing services and interventions for the parent.

SB 6467-S by Senate Committee on Human Services & Corrections (originally sponsored by Senators Darneille, O’Ban, Hasegawa, and Kuderer)

Creating a pilot program to allow certain counties to provide additional family services through community truancy boards and site secure crisis residential center facilities.

(SEE ALSO PROPOSED 2ND SUB)

Requires the office of homeless youth prevention and protection programs, the office of the superintendent of public instruction, and the office of juvenile justice or its successor agency, in consultation with the state center for court research, to conduct a pilot program to address the shortage of available secure crisis residential centers in the state as alternatives to juvenile detention and the ability of community truancy boards to provide services to prevent nonoffender youth from entering the juvenile court system.

Provides a July 1, 2020, expiration date for the pilot program.

SB 6474 by Senators McCoy, Sheldon, Chase, Conway, Frockt, Hasegawa, Hunt, Kuderer, Palumbo, Rolfs, Saldaña, and Van De Wege
Creating a pilot project for tribal compact schools.

(SUBSTITUTED FOR - SEE 1ST SUB)
Creates a pilot project for tribal compact schools to explore and implement options in adjusting school attendance and calendar requirements for the purpose of accommodating cultural and agricultural events and replacing graduation testing requirements with culturally relevant and community-based standards.
Expires August 1, 2030.

SB 6474-S by Senate Committee on Early Learning & K-12 Education (originally sponsored by Senators McCoy, Sheldon, Chase, Conway, Frockt, Hasegawa, Hunt, Kuderer, Palumbo, Rolfs, Saldaña, and Van De Wege)

(DIGEST AS ENACTED)
Requires the office of the superintendent of public instruction to: (1) Establish a pilot project for one or more schools that are the subject of a state-tribal education compact, schools also known as “tribal compact schools,” to implement modifications to requirements governing school attendance, school year length, and assessments;
(2) Explore and pursue options for granting flexibility to participating schools from state and federal requirements, including requirements related to assessments;
(3) If requested by a tribal compact school, convene a government-to-government meeting with the school to revise the compact to reflect the terms of the pilot project; and
(4) Upon receipt of an application from a school that is the subject of a state-tribal education compact and is participating in the pilot project, grant a waiver from the requirements for a one hundred eighty-day school year and authorize the school to consider student participation in cultural, fisheries, or agricultural programs as instructional days.
Requires the office of native education within the office of the superintendent of public instruction to: (1) Collaborate with each tribal compact school participating in the pilot project, including providing technical support and assistance; and

Revising the establishment of marine pilotage tariffs.

(SUBSTITUTED FOR - SEE 1ST SUB)

Removes the following duties and options from the board of pilotage commissioners and places them on the utilities and transportation commission: (1) Establishing the pilotage tariffs for pilotage services provided under chapter 88.16 RCW (the pilotage act);

(2) Establishing extra compensation for extra services to vessels in distress, for awaiting vessels, for vessels in direct transit to or from a Canadian port where Puget Sound pilotage is required for a portion of the voyage, or for being carried to sea on vessels against the will of the pilot; and

(3) As an element of the Puget Sound pilotage district tariff, considering pilot retirement plan expenses incurred in the prior year in either pilotage district.

SB 6519-S by Senate Committee on Transportation
(originally sponsored by Senators King and Hobbs)

(DIGEST AS ENACTED)

Transfers certain duties and responsibilities from the board of pilotage commissioners to the utilities and transportation commission.

Requires the commission to: (1) Establish the pilotage tariffs for pilotage services, beginning July 1, 2019;

(2) Establish extra compensation for extra services to vessels in distress, for awaiting vessels, for vessels in direct transit to or from a Canadian port where Puget Sound pilotage is required for a portion of the voyage, or for being carried to sea on vessels against the will of the pilot;

(3) As an element of the Puget Sound pilotage district tariff, considering pilot retirement expenses incurred in the prior year in the Puget Sound pilotage district; and

(4) In setting tariffs, include a tariff surcharge to fund the stipend the board of pilotage commissioners is authorized to pay to pilot trainees and to use in its pilot training program.

Requires the board of pilotage commissioners to provide assistance to the commission, as requested by the commission, in its performance of pilotage tariff setting functions.

Prohibits the state from being obligated to fund or pay for any portion of retirement payments for pilots or retired pilots.

Requires a port district to include a charge in its tariff until such time as the pilot retirement agreement expenses for Grays Harbor pilotage district pilots employed before October 1, 2001, are no longer owed.

Allows expenditures from the pilotage account to be used by the utilities and transportation commission for purposes related to pilotage tariff rate setting.

Concerning final implementation of education funding reform.

Finds that: (1) The court ruled in its November 15, 2017, order that it is satisfied that the new salary model provides for full state funding of basic education salaries sufficient to recruit and retain competent teachers, administrators, and staff; (2) The court took exception that the 2017-2019 budget funds only half of the salary increase called for by the 2018-2019 school year, deferring full funding until the 2019-2020 school year; and (3) Fully implementing state salary allocations in the 2018-2019 school year substantially alters the carefully calibrated balance between state and local sources of funding for school districts.
Declares an intent to: (1) Recalibrate the balance of state and local funding for school districts in light of the court's latest order; (2) Fully implement the salary allocations in school year 2018-2019 if school districts accelerate the implementation of certain accounting and budget transparency requirements; and (3) Reduce local school district levies by an amount equal to the increased state salary allocations that will be made to school districts in school year 2018-2019.

Concerning records disclosure obligations of the legislative branch.

(DIGEST AS PASSED LEGISLATURE)
Establishes the legislative public records act.
Establishes records disclosure obligations that preserve the independent deliberation of the people's representatives while providing access to legislative public records.
Establishes continued public access to specified records of the legislature as originally codified in the public records act in 1995, as well as additional records provided in this act.

VETO MESSAGE ON ESB 6617
March 1, 2018
To the Honorable President and Members,
The Senate of the State of Washington
Ladies and Gentlemen:
I am returning herewith, without my approval, Engrossed Senate Bill No. 6617 entitled:

"AN ACT Relating to records disclosure obligations of the legislative branch."

At the request of a number of lawmakers, I am vetoing Engrossed Senate Bill 6617 in its entirety so that the Legislature can engage with the public and stakeholders in a transparent process to discuss and consider legislative public records issues.

While a wide majority of lawmakers voted for Engrossed Senate Bill 6617 as a genuine effort to create clarity and increase transparency, the process was seriously flawed. I applaud Washingtonians for making their voices heard as well as legislators’ thoughtful reconsideration.

For these reasons I have vetoed Engrossed Senate Bill No. 6617 in its entirety.

Respectfully submitted,
Jay Inslee
Governor
