

# Introduction To Materials

Materials for this meeting were taken from materials previously provided to the SCPP at the October meeting. Included are excerpts from the staff briefing on *Managing The Future Health Of The Retirement Systems* which was given at the October full SCPP meeting. Also included is a copy of the report from the Strategic Planning Subgroup to the Executive Committee. This report was presented to the Executive Committee in September. At that time, the Executive Committee adopted the proposals in the report.
